“Yes,” replied Socrates, “and is it not evident that they too receive life and food for the sake of man? For what creature reaps so many benefits as man from goats and sheep and horses and oxen and asses and the other animals? He owes more to them, in my opinion, than to the fruits of the earth. At the least they are not less valuable to him for food and commerce; in fact a large portion of mankind does not use the products of the earth for food, but lives on the milk and cheese and flesh they get from live stock. Moreover, all men tame and domesticate the useful kinds of animals, and make them their fellow-workers in war and many other undertakings.”

“There too I agree with you, seeing that animals far stronger than man become so entirely subject to him that he puts them to any use he chooses.” [11]

“Think again of the multitude of things beautiful and useful and their infinite variety, and how the gods have endowed man with senses adapted for the perception of every kind, so that there is nothing good that we cannot enjoy; and again, how they have implanted in us the faculty of reasoning, whereby we are able to reason about the objects of our perceptions and to commit them to memory, and so come to know what advantage every kind can yield, and devise many means of enjoying the good and driving away the bad; [12] and think of the power of expression, which enables us to impart to one another all good things by teaching and to take our share of them, to enact laws and to administer states.”

“Truly, Socrates, it does appear that the gods devote much care to man.”

“Yet again, in so far as we are powerless of ourselves to foresee what is expedient for the future, the gods lend us their aid, revealing the issues by divination to inquirers, and teaching them how to obtain

the best results.”

“With you, Socrates, they seem to deal even more friendly than with other men, if it is true that, even unasked, they warn you by signs what to do and what not to do.” [13]

“Yes, and you will realise the truth of what I say if, instead of waiting for the gods to appear to you in bodily presence, you are content to praise and worship them because you see their works. Mark that the gods themselves give the reason for doing so; for when they bestow on us their good gifts, not one of them ever appears before us gift in hand; and especially he who co-ordinates and holds together the universe, wherein all things are fair and good, and presents them ever unimpaired and sound and ageless for our use, and quicker than thought to serve us unerringly, is manifest in his supreme works, and yet is unseen by us in the ordering of them. [14] Mark that even the sun, who seems to reveal himself to all, permits not man to behold him closely, but if any attempts to gaze recklessly upon him, blinds their eyes. And the gods’ ministers too you will find to be invisible. That the thunderbolt is hurled from heaven, and that he overwhelms all on whom he falls, is evident, but he is seen neither coming nor striking nor going. And the winds are themselves invisible, yet their deeds are manifest to us, and we perceive their approach. Moreover, the soul of man, which more than all else that is human partakes of the divine, reigns manifestly within us, and yet is itself unseen.

“For these reasons it behoves us not to despise the things that are unseen, but, realising their power in their manifestations, to honour the godhead.” [15]

“Socrates,” replied Euthydemus, “that I will in no wise be heedless of the godhead I know of a surety. But my heart fails me when I think that no man can ever render due thanks to the gods for their benefits.” [16]

“Nay, be not down-hearted, Euthydemus; for you know that to the inquiry, ‘How am I to please the gods?’ the Delphic god replies, ‘Follow the custom of the state’; and everywhere, I suppose, it is the custom that men propitiate the gods with sacrifices according to their power. How then can a man honour the gods more excellently and more devoutly than by doing as they themselves ordain? [17] Only he

must fall no whit short of his power. For when he does that, it is surely plain that he is not then honouring the gods. Therefore it is by coming no whit short of his power in honouring the gods that he is to look with confidence for the greatest blessing. For there are none from whom a man of prudence would hope for greater things than those who can confer the greatest benefits, nor can he show his prudence more clearly than by pleasing them. And how can he please them better than by obeying them strictly?" [18]

Thus by precept and by example alike he strove to increase in his companions Piety and Prudence.

4. Again, concerning Justice he did not hide his opinion, but proclaimed it by his actions. All his private conduct was lawful and helpful: to public authority he rendered such scrupulous obedience in all that the laws required, both in civil life and in military service, that he was a pattern of good discipline to all. [2] When chairman in the Assemblies he would not permit the people to record an illegal vote, but, upholding the laws, resisted a popular impulse that might even have overborne any but himself. [3] And when the Thirty laid a command on him that was illegal, he refused to obey. Thus he disregarded their repeated injunction not to talk with young men; and when they commanded him and certain other citizens to arrest a man on a capital charge, he alone refused, because the command laid on him was illegal. [4] Again, when he was tried on the charge brought by Meletus, whereas it is the custom of defendants to curry favour with the jury and to indulge in flattery and illegal appeals, and many by such means have been known to gain a verdict of acquittal, he rejected utterly the familiar chicanery of the courts; and though he might easily have gained a favourable verdict by even a moderate indulgence in such stratagems, he chose to die through his loyalty to the laws rather than to live through violating them. [5]

Such views frequently found expression in his conversations with different persons; I recollect the substance of one that he had with Hippias of Elis concerning Justice. Hippias, who had not been in Athens for a considerable time, found Socrates talking: he was saying that if you want to have a man taught cobbling or building or smithing or riding, you know where to send him to learn the craft: some indeed declare that if you want to train up a horse or an ox in

the way he should go, teachers abound. And yet, strangely enough, if you want to learn Justice yourself, or to have your son or servant taught it, you know not where to go for a teacher. [6]

When Hippias heard this, “How now?” he cried in a tone of raillery, “still the same old sentiments, Socrates, that I heard from you so long ago?”

“Yes, Hippias,” he replied, “always the same, and — what is more astonishing — on the same topics too! You are so learned that I daresay you never say the same thing on the same subjects.”

“I certainly try to say something fresh every time.”

“Do you mean, about what you know? [7] For example, in answer to the question, ‘How many letters are there in “Socrates” and how do you spell it?’ do you try to say something different now from what you said before? Or take figures: suppose you are asked if twice five are ten, don’t you give the same answer now as you gave before?”

“About letters and figures, Socrates, I always say the same thing, just like you. As for Justice, I feel confident that I can now say that which neither you nor anyone else can contradict.” [8]

“Upon my word, you mean to say that you have made a great discovery, if jurymen are to cease from voting different ways, citizens from disputing and litigation, and wrangling about the justice of their claims, cities from quarrelling about their rights and making war; and for my part, I don’t see how to tear myself away from you till I have heard about your great discovery.” [9]

“But I vow you shall not hear unless you first declare your own opinion about the nature of Justice; for it’s enough that you mock at others, questioning and examining everybody, and never willing to render an account yourself or to state an opinion about anything.”

“Indeed, Hippias! [10] Haven’t you noticed that I never cease to declare my notions of what is just?”

“And how can you call that an account?”

“I declare them by my deeds, anyhow, if not by my words. Don’t you think that deeds are better evidence than words?”

“Yes, much better, of course; for many say what is just and do what is unjust; but no one who does what is just can be unjust.” [11]

“Then have you ever found me dealing in perjury or calumny, or

stirring up strife between friends or fellow-citizens, or doing any other unjust act?"

"I have not."

"To abstain from what is unjust is just, don't you think?"

"Even now, Socrates, you are clearly endeavouring to avoid stating what you think Justice to be. You are saying not what the just do, but what they don't do." [12]

"Well, I thought that unwillingness to do injustice was sufficient proof of Justice. But, if you don't think so, see whether you like this better: I say that what is lawful is just."

"Do you mean, Socrates, that lawful and just are the same thing?"

"I do." [13]

"Because I don't see what you mean by lawful or what you mean by just."

"Does the expression 'laws of a state' convey a meaning to you?"

"It does."

"And what do you think they are?"

"Covenants made by the citizens whereby they have enacted what ought to be done and what ought to be avoided."

"Then would not that citizen who acts in accordance with these act lawfully, and he who transgresses them act unlawfully?"

"Yes, certainly."

"And would not he who obeys them do what is just, and he who disobeys them do what is unjust?"

"Certainly."

"Then would not he who does what is just be just, and he who does what is unjust be unjust?"

"Of course."

"Consequently he who acts lawfully is just, and he who acts unlawfully is unjust." [14]

"Laws," said Hippias, "can hardly be thought of much account, Socrates, or observance of them, seeing that the very men who passed them often reject and amend them."

"Yes," said Socrates, "and after going to war, cities often make peace again."

"To be sure."

"Then is there any difference, do you think, between belittling

those who obey the laws on the ground that the laws may be annulled, and blaming those who behave well in the wars on the ground that peace may be made? Or do you really censure those who are eager to help their fatherland in the wars?"

"No, of course not." [15]

"Lycurgus the Lacedaemonian now — have you realised that he would not have made Sparta to differ from other cities in any respect, had he not established obedience to the laws most securely in her? Among rulers in cities, are you not aware that those who do most to make the citizens obey the laws are the best, and that the city in which the citizens are most obedient to the laws has the best time in peace and is irresistible in war? [16] And again, agreement is deemed the greatest blessing for cities: their senates and their best men constantly exhort the citizens to agree, and everywhere in Greece there is a law that the citizens shall promise under oath to agree, and everywhere they take this oath. The object of this, in my opinion, is not that the citizens may vote for the same choirs, not that they may praise the same flute-players, not that they may select the same poets, not that they may like the same things, but that they may obey the laws. For those cities whose citizens abide by them prove strongest and enjoy most happiness; but without agreement no city can be made a good city, no house can be made a prosperous house. [17] And how is the individual citizen less likely to incur penalties from the state, and more certain to gain honour than by obeying the laws? How less likely to be defeated in the courts or more certain to win? Whom would anyone rather trust as guardian of his money or sons or daughters? Whom would the whole city think more trustworthy than the man of lawful conduct? From whom would parents or kinsfolk or servants or friends or fellow-citizens or strangers more surely get their just rights? Whom would enemies rather trust in the matter of a truce or treaty or terms of peace? Whom would men rather choose for an ally? And to whom would allies rather entrust leadership or command of a garrison, or cities? Whom would anyone more confidently expect to show gratitude for benefits received? Or whom would one rather benefit than him from whom he thinks he will receive due gratitude? Whose friendship would anyone desire, or whose enmity would he avoid more earnestly? Whom would anyone

less willingly make war on than him whose friendship he covets and whose enmity he is fain to avoid, who attracts the most friends and allies, and the fewest opponents and enemies? [18]

“So, Hippias, I declare lawful and just to be the same thing. If you are of the contrary opinion, tell me.”

“Upon my word, Socrates,” answered Hippias, “I don’t think my opinion is contrary to what you have said about Justice.” [19]

“Do you know what is meant by ‘unwritten laws,’ Hippias?”

“Yes, those that are uniformly observed in every country.”

“Could you say that men made them?”

“Nay, how could that be, seeing that they cannot all meet together and do not speak the same language?”

“Then by whom have these laws been made, do you suppose?”

“I think that the gods made these laws for men. For among all men the first law is to fear the gods.” [20]

“Is not the duty of honouring parents another universal law?”

“Yes, that is another.”

“And that parents shall not have sexual intercourse with their children nor children with their parents?”

“No, I don’t think that is a law of God.”

“Why so?”

“Because I notice that some transgress it.” [21]

“Yes, and they do many other things contrary to the laws. But surely the transgressors of the laws ordained by the gods pay a penalty that a man can in no wise escape, as some, when they transgress the laws ordained by man, escape punishment, either by concealment or by violence.” [22]

“And pray what sort of penalty is it, Socrates, that may not be avoided by parents and children who have intercourse with one another?”

“The greatest, of course. For what greater penalty can men incur when they beget children than begetting them badly?” [23]

“How do they beget children badly then, if, as may well happen, the fathers are good men and the mothers good women?”

“Surely because it is not enough that the two parents should be good. They must also be in full bodily vigour: unless you suppose that those who are in full vigour are no more efficient as parents than

those who have not yet reached that condition or have passed it.”

“Of course that is unlikely.”

“Which are the better then?”

“Those who are in full vigour, clearly.”

“Consequently those who are not in full vigour are not competent to become parents?”

“It is improbable, of course.”

“In that case then, they ought not to have children?”

“Certainly not.”

“Therefore those who produce children in such circumstances produce them wrongly?”

“I think so.”

“Who then will be bad fathers and mothers, if not they?”

“I agree with you there too.” [24]

“Again, is not the duty of requiting benefits universally recognised by law?”

“Yes, but this law too is broken.”

“Then does not a man pay forfeit for the breach of that law too, in the gradual loss of good friends and the necessity of hunting those who hate him? Or is it not true that, whereas those who benefit an acquaintance are good friends to him, he is hated by them for his ingratitude, if he makes no return, and then, because it is most profitable to enjoy the acquaintance of such men, he hunts them most assiduously?”

“Assuredly, Socrates, all this does suggest the work of the gods. For laws that involve in themselves punishment meet for those who break them, must, I think, be framed by a better legislator than man.” [25]

“Then, Hippias, do you think that the gods ordain what is just or what is otherwise?”

“Not what is otherwise — of course not; for if a god ordains not that which is just, surely no other legislator can do so.”

“Consequently, Hippias, the gods too accept the identification of just and lawful.”

By such words and actions he encouraged Justice in those who resorted to his company.

5. He did also try to make his companions efficient in affairs, as I

will now show. For holding that it is good for anyone who means to do honourable work to have self-control, he made it clear to his companions, in the first place, that he had been assiduous in self-discipline; moreover, in his conversation he exhorted his companions to cultivate self-control above all things. [2] Thus he bore in mind continually the aids to virtue, and put all his companions in mind of them. I recall in particular the substance of a conversation that he once had with Euthydemus on self-control.

“Tell me, Euthydemus,” he said, “do you think that freedom is a noble and splendid possession both for individuals and for communities?”

“Yes, I think it is, in the highest degree.” [3]

“Then do you think that the man is free who is ruled by bodily pleasures and is unable to do what is best because of them?”

“By no means.”

“Possibly, in fact, to do what is best appears to you to be freedom, and so you think that to have masters who will prevent such activity is bondage?”

“I am sure of it.” [4]

“You feel sure then that the incontinent are bond slaves?”

“Of course, naturally.”

“And do you think that the incontinent are merely prevented from doing what is most honourable, or are also forced to do what is most dishonourable?”

“I think that they are forced to do that just as much as they are prevented from doing the other.” [5]

“What sort of masters are they, in your opinion, who prevent the best and enforce the worst?”

“The worst possible, of course.”

“And what sort of slavery do you believe to be the worst?”

“Slavery to the worst masters, I think.”

“The worst slavery, therefore, is the slavery endured by the incontinent?”

“I think so.” [6]

“As for Wisdom, the greatest blessing, does not incontinence exclude it and drive men to the opposite? Or don’t you think that incontinence prevents them from attending to useful things and

understanding them, by drawing them away to things pleasant, and often so stuns their perception of good and evil that they choose the worse instead of the better?"

"That does happen." [7]

"With Prudence, Euthydemus, who, shall we say, has less to do than the incontinent? For I presume that the actions prompted by prudence and incontinence are exact opposites?"

"I agree with that too."

"To caring for what is right is there any stronger hindrance, do you think, than incontinence?"

"Indeed I do not."

"And do you think there can be aught worse for a man than that which causes him to choose the harmful rather than the useful, and persuades him to care for the one and to be careless of the other, and forces him to do the opposite of what prudence dictates?"

"Nothing." [8]

"And is it not likely that self-control causes actions the opposite of those that are due to incontinence?"

"Certainly."

"Then is not the cause of the opposite actions presumably a very great blessing?"

"Yes, presumably."

"Consequently we may presume, Euthydemus, that self-control is a very great blessing to a man?"

"We may presume so, Socrates." [9]

"Has it ever occurred to you, Euthydemus — ?"

"What?"

"That though pleasure is the one and only goal to which incontinence is thought to lead men, she herself cannot bring them to it, whereas nothing produces pleasure so surely as self-control?"

"How so?"

"Incontinence will not let them endure hunger or thirst or desire or lack of sleep, which are the sole causes of pleasure in eating and drinking and sexual indulgence, and in resting and sleeping, after a time of waiting and resistance until the moment comes when these will give the greatest possible satisfaction; and thus she prevents them from experiencing any pleasure worthy to be mentioned in the

most elementary and recurrent forms of enjoyment. But self-control alone causes them to endure the sufferings I have named, and therefore she alone causes them to experience any pleasure worth mentioning in such enjoyments.”

“What you say is entirely true.” [10]

“Moreover, the delights of learning something good and excellent, and of studying some of the means whereby a man knows how to regulate his body well and manage his household successfully, to be useful to his friends and city and to defeat his enemies — knowledge that yields not only very great benefits but very great pleasures — these are the delights of the self-controlled; but the incontinent have no part in them. For who, should we say, has less concern with these than he who has no power of cultivating them because all his serious purposes are centred in the pleasures that lie nearest?” [11]

“Socrates,” said Euthydemus, “I think you mean that he who is at the mercy of the bodily pleasures has no concern whatever with virtue in any form.”

“Yes, Euthydemus; for how can an incontinent man be any better than the dullest beast? How can he who fails to consider the things that matter most, and strives by every means to do the things that are most pleasant, be better than the stupidest of creatures? No, only the self-controlled have power to consider the things that matter most, and, sorting them out after their kind, by word and deed alike to prefer the good and reject the evil.” [12]

And thus, he said, men become supremely good and happy and skilled in discussion. The very word “discussion,” according to him, owes its name to the practice of meeting together for common deliberation, sorting, discussing things after their kind: and therefore one should be ready and prepared for this and be zealous for it; for it makes for excellence, leadership and skill in discussion.

6. I will try also to show how he encouraged his companions to become skilled in discussion. Socrates held that those who know what any given thing is can also expound it to others; on the other hand, those who do not know are misled themselves and mislead others. For this reason he never gave up considering with his companions what any given thing is.

To go through all his definitions would be an arduous task. I will

say only enough to indicate his method of analysis. [2]

His analysis of Piety — to take that first — was more or less as follows:

“Tell me, Euthydemus, what sort of thing is Piety, in your opinion?”

“A very excellent thing, to be sure,” he replied.

“Can you say what sort of man is pious?”

“He who worships the gods, I think.”

“May a man worship the gods according to his own will and pleasure?”

“No, there are laws to be observed in worshipping the gods!” [3]

“Then will not he who knows these laws know how he must worship the gods?”

“I think so.”

“Then does he who knows how he must worship the gods think that he must do so according to his knowledge, and not otherwise?”

“He does indeed.”

“And does everyone worship the gods as he thinks he ought, and not otherwise?”

“I think so.” [4]

“Then will he who knows what is lawful about the gods worship the gods lawfully?”

“Certainly.”

“Then does not he who worships lawfully worship as he ought?”

“Of course.”

“Yes, but he who worships as he ought is pious?”

“Certainly.”

“Shall we therefore rightly define the pious man as one who knows what is lawful concerning the gods?”

“I at any rate think so.” [5]

“In dealing with men, again, may one do as one chooses?”

“No, in the case of men too there are laws of conduct.”

“Then do not those who observe them in their dealings with one another behave as they ought?”

“Of course.”

“And do not they who behave as they ought behave well?”

“Certainly.”

“And do not they who behave well towards men act well in human affairs?”

“Presumably.”

“And do not those who obey the laws do what is just?”

“Certainly.” [6]

“Do you know what sort of things are called just?”

“The things that the laws command.”

“Consequently those who do what the laws command do both what is just and what they must do?”

“Of course.”

“And are not they who do what is just, just men?”

“I think so.”

“Do you think then, that any obey the laws without knowing what the laws command?”

“I do not.”

“And knowing what they must do, do you suppose that any think they must not do it?”

“I don’t think so.”

“Do you know of any who do, not what they think they must do, but something else?”

“I do not.”

“Consequently those who know what is lawful concerning men do what is just?”

“Certainly.”

“But are not they who do what is just, just men?”

“Exactly.”

“At last, then, we may rightly define just men as those who know best what is just concerning men?”

“I think so.”

“And what of Wisdom? [7] How shall we describe it? Tell me, does it seem to you that the wise are wise about what they know, or are some wise about what they do not know?”

“About what they know, obviously; for how can a man be wise about the things he doesn’t know?”

“The wise, then, are wise by knowledge?”

“How else can a man be wise if not by knowledge?”

“Do you think that wisdom is anything but that by which men are

wise?”

“No.”

“It follows that Wisdom is Knowledge?”

“I think so.”

“Then do you think it possible for a man to know all things?”

“Of course not — nor even a fraction of them.”

“So an all-wise man is an impossibility?”

“Of course, of course.”

“Consequently everyone is wise just in so far as he knows?”

“I think so.” [8]

“Now to seek the Good, Euthydemus: is this the way?”

“What do you mean?”

“Does it seem to you that the same thing is useful to everyone?”

“No.”

“In fact, what is useful to one may sometimes be hurtful to another, don’t you think?”

“Assuredly.”

“Should you call anything good except what is useful?”

“No.”

“Consequently what is useful is good for him to whom it is useful?”

“I think so.” [9]

“Consider the Beautiful: can we define it in any other way? Or is it possible to name a beautiful body, for instance, or vessel, or anything else that you know to be beautiful for all purposes?”

“Of course not.”

“Then does the beauty in using anything consist in using it for just that purpose for which that particular thing is useful?”

“Certainly.”

“And is a thing beautiful for any other purpose than that for which it is beautiful to use that particular thing?”

“For no other purpose whatever.”

“The useful, then, is beautiful for any purpose for which it is useful?”

“I think so.”

“Next comes Courage, Euthydemus. [10] Do you think it a beautiful thing?”

“I prefer to say very beautiful.”

“So you think Courage useful for no mean purposes?”

“Of course — or rather, for the greatest.”

“Then do you think that in the pressure of terrors and dangers it is useful to be ignorant of them?”

“By no means.”

“So those who feel no fear of such things because they are ignorant of them are not courageous?”

“Of course not, for in that case many madmen and cowards would be courageous.”

“What of those who are afraid when there is no ground for fear?”

“Still less, of course.”

“Then do you think that those who are good in the presence of terrors and dangers are courageous, and those who are bad are cowards?”

“Certainly.” [11]

“And do you think that any are good in the presence of such things, except those who can deal with them well?”

“None but these.”

“And bad, except such as deal badly with them?”

“These and none others.”

“Then do both classes behave as they think they must?”

“How can they behave otherwise?”

“Then do those who cannot behave well know how they must behave?”

“Surely not.”

“So those who know how they must behave are just those who can?”

“Yes, only they.”

“Well now, do those who are not utterly mistaken deal badly with such things?”

“I think not.”

“So those who behave badly are utterly mistaken?”

“Presumably.”

“It follows that those who know how to deal well with terrors and dangers are courageous, and those who utterly mistake the way are cowards?”

“That is my opinion.” [12]

“Kingship and despotism, in his judgment, were both forms of government, but he held that they differed. For government of men with their consent and in accordance with the laws of the state was kingship; while government of unwilling subjects and not controlled by laws, but imposed by the will of the ruler, was despotism. And where the officials are chosen among those who fulfil the requirements of the laws, the constitution is an aristocracy: where rateable property is the qualification for office, you have a plutocracy: where all are eligible, a democracy. [13]

Whenever anyone argued with him on any point without being able to make himself clear, asserting but not proving, that so and so was wiser or an abler politician or braver or what not, he would lead the whole discussion back to the definition required, much in this way: [14]

“Do you say that your man is a better citizen than mine?”

“I do indeed.”

“Then why didn’t we first consider what is the function of a good citizen?”

“Let us do so.”

“In financial administration, then, is not the better man he who makes the city wealthier?”

“Certainly.”

“And in war he who makes her stronger than her rivals?”

“Of course.”

“And on an embassy he who turns enemies into friends?”

“Presumably.”

“And in debate he who puts down strife and produces harmony?”

“I think so.”

By this process of leading back the argument even his adversary came to see the truth clearly. [15] Whenever he himself argued out a question, he advanced by steps that gained general assent, holding this to be the only sure method. Accordingly, whenever he argued, he gained a greater measure of assent from his hearers than any man I have known. He said that Homer gave Odysseus the credit of being “a safe speaker” because he had a way of leading the discussion from one acknowledged truth to another.

7. I think that I have said enough to show that Socrates stated his own opinion plainly to those who consorted with him: I will now show that he also took pains to make them independent in doing the work that they were fitted for. For I never knew a man who was so careful to discover what each of his companions knew. Whatever it befits a gentleman to know he taught most zealously, so far as his own knowledge extended; if he was not entirely familiar with a subject, he took them to those who knew. [2] He also taught them how far a well-educated man should make himself familiar with any given subject.

For instance, he said that the study of geometry should be pursued until the student was competent to measure a parcel of land accurately in case he wanted to take over, convey or divide it, or to compute the yield; and this knowledge was so easy to acquire, that anyone who gave his mind to mensuration knew the size of the piece and carried away a knowledge of the principles of land measurement. [3] He was against carrying the study of geometry so far as to include the more complicated figures, on the ground that he could not see the use of them. Not that he was himself unfamiliar with them, but he said that they were enough to occupy a lifetime, to the complete exclusion of many other useful studies. [4]

Similarly he recommended them to make themselves familiar with astronomy, but only so far as to be able to find the time of night, month and year, in order to use reliable evidence when planning a journey by land or sea, or setting the watch, and in all other affairs that are done in the night or month or year, by distinguishing the times and seasons aforesaid. This knowledge, again, was easily to be had from night hunters and pilots and others who made it their business to know such things. [5] But he strongly deprecated studying astronomy so far as to include the knowledge of bodies revolving in different courses, and of planets and comets, and wearing oneself out with the calculation of their distance from the earth, their periods of revolution and the causes of these. Of such researches, again he said that he could not see what useful purpose they served. He had indeed attended lectures on these subjects too; but these again, he said, were enough to occupy a lifetime to the complete exclusion of many useful studies. [6]

In general, with regard to the phenomena of the heavens, he deprecated curiosity to learn how the deity contrives them: he held that their secrets could not be discovered by man, and believed that any attempt to search out what the gods had not chosen to reveal must be displeasing to them. He said that he who meddles with these matters runs the risk of losing his sanity as completely as Anaxagoras, who took an insane pride in his explanation of the divine machinery. [7]

For that sage, in declaring the sun to be fire, ignored the facts that men can look at fire without inconvenience, but cannot gaze steadily at the sun; that their skin is blackened by the sun's rays, but not by fire. Further, he ignored the fact that sunlight is essential to the health of all vegetation, whereas if anything is heated by fire it withers. Again, when he pronounced the sun to be a red-hot stone, he ignored the fact that a stone in fire neither glows nor can resist it long, whereas the sun shines with unequalled brilliance for ever. [8]

He also recommended the study of arithmetic. But in this case as in the others he recommended avoidance of vain application; and invariably, whether theories or ascertained facts formed the subject of his conversation, he limited it to what was useful. [9]

He also strongly urged his companions to take care of their health. "You should find out all you can," he said, "from those who know. Everyone should watch himself throughout his life, and notice what sort of meat and drink and what form of exercise suit his constitution, and how he should regulate them in order to enjoy good health. For by such attention to yourselves you can discover better than any doctor what suits your constitution." [10]

When anyone was in need of help that human wisdom was unable to give he advised him to resort to divination; for he who knew the means whereby the gods give guidance to men concerning their affairs never lacked divine counsel.

8. As for his claim that he was forewarned by "the deity" what he ought to do and what not to do, some may think that it must have been a delusion because he was condemned to death. But they should remember two facts. First, he had already reached such an age, that had he not died then, death must have come to him soon after. Secondly, he escaped the most irksome stage of life and the

inevitable diminution of mental powers, and instead won glory by the moral strength revealed in the wonderful honesty and frankness and probity of his defence, and in the equanimity and manliness with which he bore the sentence of death. [2]

In fact it is admitted that there is no record of death more nobly borne. For he was forced to live for thirty days after the verdict was given, because it was the month of the Dêlia, and the law did not allow any public execution to take place until the sacred embassy had returned from Delos. During this interval, as all his intimate acquaintances could see, he continued to live exactly as before; and, in truth, before that time he had been admired above all men for his cheerfulness and serenity. [3] How, then, could man die more nobly? Or what death could be nobler than the death most nobly faced? What death more blessed than the noblest? Or what dearer to the gods than the most blessed? [4]

I will repeat what Hermogenes, son of Hipponicus, told me about him. "When Meletus had actually formulated his indictment," he said, "Socrates talked freely in my presence, but made no reference to the case. I told him that he ought to be thinking about his defence. His first remark was, 'Don't you think that I have been preparing for it all my life?' And when I asked him how, he said that he had been constantly occupied in the consideration of right and wrong, and in doing what was right and avoiding what was wrong, which he regarded as the best preparation for a defence. [5] Then I said, 'Don't you see, Socrates, that the juries in our courts are apt to be misled by argument, so that they often put the innocent to death, and acquit the guilty?' 'Ah, yes, Hermogenes,' he answered, 'but when I did try to think out my defence to the jury, the deity at once resisted.' [6] 'Strange words,' said I; and he, 'Do you think it strange, if it seems better to God that I should die now? Don't you see that to this day I never would acknowledge that any man had lived a better or a pleasanter life than I? For they live best, I think, who strive best to become as good as possible: and the pleasanter life is theirs who are conscious that they are growing in goodness. [7] And to this day that has been my experience; and mixing with others and closely comparing myself with them, I have held without ceasing to this opinion of myself. And not I only, but my friends cease not to feel

thus towards me, not because of their love for me (for why does not love make others feel thus towards their friends?), but because they think that they too would rise highest in goodness by being with me. [8] But if I am to live on, haply I may be forced to pay the old man's forfeit — to become sand-blind and deaf and dull of wit, slower to learn, quicker to forget, outstripped now by those who were behind me. Nay, but even were I unconscious of the change, life would be a burden to me; and if I knew, misery and bitterness would surely be my lot. [9]

““But now, if I am to die unjustly, they who unjustly kill me will bear the shame of it. For if to do injustice is shameful, whatever is unjustly done must surely bring shame. But to me what shame is it that others fail to decide and act justly concerning me? [10] I see that posterity judges differently of the dead according as they did or suffered injustice. I know that men will remember me too, and, if I die now, not as they will remember those who took my life. For I know that they will ever testify of me that I wronged no man at any time, nor corrupted any man, but strove ever to make my companions better.” [11]

This was the tenor of his conversation with Hermogenes and with the others. All who knew what manner of man Socrates was and who seek after virtue continue to this day to miss him beyond all others, as the chief of helpers in the quest of virtue. For myself, I have described him as he was: so religious that he did nothing without counsel from the gods; so just that he did no injury, however small, to any man, but conferred the greatest benefits on all who dealt with him; so self-controlled that he never chose the pleasanter rather than the better course; so wise that he was unerring in his judgment of the better and the worse, and needed no counsellor, but relied on himself for his knowledge of them; masterly in expounding and defining such things; no less masterly in putting others to the test, and convincing them of error and exhorting them to follow virtue and gentleness. To me then he seemed to be all that a truly good and happy man must be. But if there is any doubter, let him set the character of other men beside these things; then let him judge.

OECONOMICUS

Translated by E. C. Marchant

This Socratic dialogue principally concerns household management and agriculture. It is one of the earliest works on *economics* in its original sense and is a significant source for the social and intellectual history of classical Athens. Beyond the emphasis on household economics, the dialogue explores such topics as the qualities and relationships of men and women, rural versus urban life, slavery, religion and education. Scholars tend to agree to a relatively late date for the composition of the *Oeconomicus*, most likely after 362 BC.

The opening framing dialogue is between Socrates and Critoboulus, the son of Crito. Socrates discusses the meaning of wealth and identifies it with usefulness and well-being, not merely the owning of possessions. He connects moderation and hard work to success in household management. The dramatic date of this part of the work can be no earlier than 401 BC, as the Battle of Cunaxa is referred to at 4.18.

When Critoboulus asks about the practices involved in household management, Socrates pleads ignorance on the subject, but relates what he has learnt of it from an Athenian gentleman-farmer named Ischomachus. In the discussion related by Socrates, Ischomachus describes the methods he used to educate his wife in housekeeping, their practices in ruling and training slaves, and the technology involved in farming. Approximately two thirds of the dialogue concerns the discussion between Socrates and Ischomachus.

Cicero translated the *Oeconomicus* into Latin and the work gained popularity during the Renaissance in a number of translations. Leo Strauss wrote a political-philosophical commentary on the dialogue. The social theorist and philosopher Michel Foucault took

Xenophon's depiction of the relationship between Ischomachus and his wife as a classical expression of the ancient Greek ideology of power, according to which a man's control of his emotions was externally reflected in his control of his wife, his slaves and his political subordinates. Strauss took the *Oeconomicus* as a more ironic examination of the nature of the gentleman, virtue, and domestic relationships.

The celebrated Roman philosopher, politician and orator Marcus Tullius Cicero (106-43 BC), was a great admirer of Xenophon's works and the first recorded translator of the 'Oeconomicus'.

ECONOMICS

1. I once heard him discuss the subject of estate management in the following manner.

“Tell me, Critobulus, is estate management the name of a branch of knowledge, like medicine, smithing and carpentry?”

“I think so,” replied Critobulus. [2]

“And can we say what the function of estate management is, just as we can say what is the function of each of these arts?”

“Well, I suppose that the business of a good estate manager is to manage his own estate well.” [3]

“Yes, and in case he were put in charge of another man’s estate, could he not, if he chose, manage it as well as he manages his own? Anyone who understands carpentry can do for another exactly the same work as he does for himself; and so, I presume, can a good estate manager.”

“I think so, Socrates.” [4]

“Is it possible, then, for one who understands this art, even if he has no property of his own, to earn money by managing another man’s estate, just as he might do by building him a house?”

“Yes, of course; and he would get a good salary if, after taking over an estate, he continued to pay all outgoings, and to increase the estate by showing a balance.”

“But what do we mean now by an estate? [5] Is it the same thing as a house, or is all property that one possesses outside the house also part of the estate?”

“Well, I think that even if the property is situated in different cities, everything a man possesses is part of his estate.” [6]

“Do not some men possess enemies?”

“Of course; some in fact possess many.”

“Shall we include their enemies in their possessions?”

“It would be ridiculous, surely, if one actually received a salary for increasing the number of a man’s enemies!” [7]

“Because, you know, we supposed a man’s estate to be the same as his property.”

“To be sure — meaning thereby the good things that he possesses.

No, of course I don't call any bad thing that he may possess property."

"You seem to use the word property of whatever is profitable to its owner."

"Certainly; but what is harmful I regard as loss rather than wealth." [8]

"Yes, and consequently if a man buys a horse and doesn't know how to manage it, and so keeps on getting thrown and injuring himself by trying to ride it, the horse is not wealth to him, I presume?"

"No, if we assume that wealth is a good thing."

"It follows that land is not wealth either to a man who works it in such a way that his work results in loss."

"To be sure: even land is not wealth if it makes us starve instead of supporting us." [9]

"And the same will hold good of sheep, will it not? if a man loses through ignorance of sheep farming, his sheep too will not be wealth to him?"

"I think not."

"It seems, then, that your view is this: what is profitable is wealth, what is harmful is not wealth."

"Quite so." [10]

"That is to say, the same things are wealth and not wealth, according as one understands or does not understand how to use them. A flute, for example, is wealth to one who is competent to play it, but to an incompetent person it is no better than useless stones."

"True — unless he sells it." [11]

"We now see that to persons who don't understand its use, a flute is wealth if they sell it, but not wealth if they keep it instead of selling."

"Yes, Socrates, and our argument runs consistently, since we have said that what is profitable is wealth. For a flute, if not put up for sale, is not wealth, because it is useless: if put up for sale it becomes wealth." [12]

"Yes," commented Socrates, "provided he knows how to sell; but again, in case he sells it for something he doesn't know how to use, even then the sale doesn't convert it into wealth, according to you."

“You imply, Socrates, that even money isn’t wealth to one who doesn’t know how to use it.” [13]

“And you, I think, agree with me to this extent, that wealth is that from which a man can derive profit. At any rate, if a man uses his money to buy a mistress who makes him worse off in body and soul and estate, how can his money be profitable to him then?”

“By no means, unless we are ready to maintain that the weed called nightshade, which drives you mad if you eat it, is wealth.” [14]

“Then money is to be kept at a distance, Critobulus, if one doesn’t know how to use it, and not to be included in wealth. But how about friends? If one knows how to make use of them so as to profit by them, what are they to be called?”

“Wealth, of course, and much more so than cattle, if it be true that they are more profitable than cattle.” [15]

“Yes, and it follows from what you say that enemies too are wealth to anyone who can derive profit from them.”

“Well, that is my opinion.”

“Consequently it is the business of a good estate manager to know how to deal with enemies so as to derive profit from them too.”

“Most decidedly.”

“In fact, Critobulus, you cannot fail to notice that many private persons have been indebted to war for the increase of their estates, and many princes too.” [16]

“Yes, so far so good, Socrates. But sometimes we come across persons possessed of knowledge and means whereby they can increase their estates if they work, and we find that they are unwilling to do so; and consequently we see that their knowledge profits them nothing. What are we to make of that? In these cases, surely, neither their knowledge nor their property is wealth?” [17]

“Are you trying to raise a discussion about slaves, Critobulus?”

“Oh no, not at all: I am referring to persons of whom some, at any rate, are considered men of the highest lineage. I observe that there are persons skilled in the arts of war or peace, as the case may be, who are unwilling to practice them, and the reason, I think, is just this, that they have no master over them.” [18]

“What, no master over them, when, in spite of their prayers for prosperity and their desire to do what will bring them good, they are

thwarted in their intentions by the powers that rule them?" [19]

"And who, pray, may these unseen rulers be?"

"No, not unseen, but open and undisguised, surely! And very vicious rulers they are too, as you yourself must see, if at least you regard idleness and moral cowardice and negligence as vice. [20] Aye, and then there is a set of deceitful mistresses that pretend to be pleasures — such as gambling and consorting with bad companions: even the victims of their deception find as time goes on that these, after all, are really pains concealed beneath a thin veneer of pleasures, and that they are hindering them from all profitable work by their influence over them." [21]

"But there are other men, Socrates, whose energy is not hindered by these influences, in fact they have an eager desire to work and to make an income: nevertheless they exhaust their estates and are beset with difficulties." [22]

"Yes, they too are slaves, and hard indeed are their masters: some are in bondage to gluttony, some to lechery, some to drink, and some to foolish and costly ambitions. And so hard is the rule of these passions over every man who falls into their clutches, that so long as they see that he is strong and capable of work, they force him to pay over all the profits of his toil, and to spend it on their own desires; but no sooner do they find that he is too old to work, than they leave him to an old age of misery, and try to fasten the yoke on other shoulders. [23] Ah, Critobulus, we must fight for our freedom against these tyrants as persistently as if they were armed men trying to enslave us. Indeed, open enemies may be gentlemen, and when they enslave us, may, by chastening, purge us of our faults and cause us to live better lives in future. But such mistresses as these never cease to plague men in body and soul and estate all the time that they have dominion over them."

2. The word was now with Critobulus, who continued thus:

"Well, I think you have told me quite enough about such passions as these, and when I examine myself I find, I think, that I have them fairly well under control; and therefore, if you will advise me what I should do to increase my estate, I don't think those mistresses, as you call them, are likely to hinder me. So do not hesitate to give me any good advice you can: unless, indeed, you have made up your mind

that we are rich enough already, Socrates, and think we have no need of more money?" [2]

"Oh, if you mean to include me, I certainly think I have no need of more money and am rich enough. But you seem to me to be quite poor, Critobulus, and at times, I assure you, I feel quite sorry for you." [3]

"And how much, pray," asked Critobulus, laughing, "would your property fetch at a sale, do you suppose, Socrates, and how much would mine?"

"Well, if I found a good buyer, I think the whole of my goods and chattels, including the house, might readily sell for five minae. Yours, I feel sure, would fetch more than a hundred times that sum." [4]

"And in spite of that estimate, you really think you have no need of money and pity me for my poverty?"

"Yes, because my property is sufficient to satisfy my wants, but I don't think you would have enough to keep up the style you are living in and to support your reputation, even if your fortune were three times what it is." [5]

"How can that be?" exclaimed Critobulus.

"Because, in the first place," explained Socrates, "I notice that you are bound to offer many large sacrifices; else, I fancy, you would get into trouble with gods and men alike. Secondly, it is your duty to entertain many strangers, on a generous scale too. Thirdly, you have to give dinners and play the benefactor to the citizens, or you lose your following. [6] Moreover, I observe that already the state is exacting heavy contributions from you: you must needs keep horses, pay for choruses and gymnastic competitions, and accept presidencies; and if war breaks out, I know they will require you to maintain a ship and pay taxes that will nearly crush you. Whenever you seem to fall short of what is expected of you, the Athenians will certainly punish you as though they had caught you robbing them. [7] Besides all this, I notice that you imagine yourself to be a rich man; you are indifferent to money, and yet go courting minions, as though the cost were nothing to you. And that is why I pity you, and fear that you may come to grief and find yourself reduced to penury. [8] Now, if I ran short of money, no doubt you know as well as I do that I

should not lack helpers who would need to contribute very little to fill my cup to overflowing. But your friends, though far better supplied with means to support their establishment than you, yet look to receive help from you.” [9]

“I cannot dispute this, Socrates,” said Critobulus, “but it is time for you to take me in hand, and see that I don’t become a real object of pity.”

At this Socrates exclaimed, “What, don’t you think it strange, Critobulus, that a little while ago, when I said I was rich, you laughed at me, as though I did not even know the meaning of riches, and would not cease until you had proved me wrong and made me own that my possessions were less than one-hundredth part of yours, and yet now you bid me take you in hand and see that you don’t become in literal truth a poor man?” [10]

“Well, Socrates, I see that you understand one process by which wealth is created — how to create a balance. So a man who saves on a small income can, I suppose, very easily show a large surplus with a large one.” [11]

“Then don’t you remember saying just now in our conversation, when you wouldn’t give me leave to utter a syllable, that if a man doesn’t know how to manage horses, his horses are not wealth to him, nor his land, sheep, money or anything else, if he doesn’t know how to manage them? Now these are the sources from which income is derived: and how do you suppose that I can possibly know how to manage any of these things, seeing that I never yet possessed any one of them?” [12]

“Still we held that, even if a man happens to have no wealth, there is such a thing as a science of household management. Then what reason is there why you should not know it?”

“Exactly the same reason, of course, that a man would have for not knowing how to play on the flute if he had never possessed one himself and had never borrowed one to learn on. [13] That is just my case with regard to estate management; for never having possessed wealth myself, I have not had an opportunity of learning on an instrument of my own, and nobody has ever let me handle his, until you made your offer. Beginners, I fancy, are apt to spoil the lyres they learn on; and if I attempted to learn to manage estates by

practising on yours, possibly I might spoil it entirely for you.” [14]

“Ah, Socrates!” rejoined Critobulus, “I see you are eager to avoid giving me any help towards lightening the weight of my troublesome duties.”

“Not at all, not at all,” said Socrates, “I am all eagerness to tell you all I know. [15] Suppose that you had come to me for fire, and I, having none by me, had taken you to some place where you could get it; you would not, I think, have found fault with me: or, if you had asked for water, and I, having none myself, had brought you to some other place for it, I feel sure that you would not have found fault with me for that either: or, suppose you wanted to learn music with me and I directed you to persons far more skilled in music than I am, who would be grateful to you for taking lessons with them, what fault could you find with me for doing so?” [16]

“None, if I were fair, Socrates.”

“Well then, Critobulus, I will direct you to others far more skilled than I in the things you now seek to learn from me. I confess that I have made a point of finding out who are the greatest masters of various sciences to be found in Athens. [17] For observing once that the same pursuits lead in one case to great poverty and in another to great riches, I was filled with amazement, and thought it worth while to consider what this could mean. And on consideration I found that these things happen quite naturally. [18] For I saw that those who follow these pursuits carelessly suffer loss, and I discovered that those who devote themselves earnestly to them accomplish them more quickly, more easily and with more profit. I think that if you would elect to learn from these, you too with God’s favour would turn out a clever man of business.”

3. “Socrates,” exclaimed Critobulus on hearing this, “I don’t intend to let you go now, until you have proved to my satisfaction what you have promised in the presence of our friends here to prove.”

“Well then,” said Socrates, “what if I prove to your satisfaction, Critobulus, to begin with, that some men spend large sums in building houses that are useless, while others build houses perfect in all respects for much less? Will you think that I am putting before you one of the operations that constitute estate management?”

“Yes, certainly.” [2]

“And what if I show you next the companion to this — that some possess many costly belongings and cannot use them at need, and do not even know whether they are safe and sound, and so are continually worried themselves and worrying their servants, whereas others, though they possess not more, but even less, have whatever they want ready for use?”

“What is the reason of this, then, Socrates? [3] Is it not simply this, that the former stow their things away anywhere and the latter have everything neatly arranged in some place?”

“Yes, of course, arranged carefully in the proper place, not just anywhere.”

“Your point, I take it, is that this too is an element in estate management.” [4]

“Then what if I show you besides that in some households nearly all the servants are in fetters and yet continually try to run away, whereas in others they are under no restraint and are willing to work and to stay at their posts? Won’t you think that here too I am pointing out to you a notable effect of estate management?”

“Yes, of course; very much so.” [5]

“And that when men farm the same kind of land, some are poverty-stricken and declare that they are ruined by farming, and others do well with the farm and have all they want in abundance?”

“Yes, of course; for maybe some spend money not on necessary purposes only but on what brings harm to the owner and the estate.”

“Perhaps there are such people. [6] But I am referring rather to those who haven’t the money to meet even the necessary expenses, though professing to be farmers.”

“Now what can be the reason of that, Socrates?”

“I will take you to these too; and when you watch them, you will find out, I fancy.”

“Of course; that is, if I can.” [7]

“Then you must watch, and try by experiment whether you are capable of understanding. At present I observe that when a comedy is to be seen, you get up very early and walk a very long way and press me eagerly to go to the play with you. But you have never yet invited me to see a drama of real life like this.”

“You think me ridiculous, don’t you, Socrates?”

“You think yourself far more so, I am sure. [8] And suppose I show you that some have been brought to penury by keeping horses, while others prosper by doing so, and moreover glory in their gain?”

“Well, I too see and know instances of both; I am not one of the gainers for all that.” [9]

“The fact is you watch them just as you watch the actors in tragedy or comedy, not, I suppose, to become a playwright, but for the pleasure of seeing and hearing something. And perhaps there is no harm in that, because you don’t want to write plays; but seeing that you are forced to meddle with horses, don’t you think that common-sense requires you to see that you are not ignorant of the business, the more so as the self-same horses are both good to use and profitable to sell?” [10]

“Would you have me break in colts, Socrates?”

“Of course not, no more than I would have you buy children to train as agricultural labourers; but horses and human beings alike, I think, on reaching a certain age forthwith become useful and go on improving. I can also show you that husbands differ widely in their treatment of their wives, and some succeed in winning their co-operation and thereby increase their estates, while others bring utter ruin on their houses by their behaviour to them.” [11]

“And ought one to blame the husband or the wife for that, Socrates?”

“When a sheep is ailing,” said Socrates, “we generally blame the shepherd, and when a horse is vicious, we generally find fault with his rider. In the case of a wife, if she receives instruction in the right way from her husband and yet does badly, perhaps she should bear the blame; but if the husband does not instruct his wife in the right way of doing things, and so finds her ignorant, should he not bear the blame himself? [12] Anyhow, Critobulus, you should tell us the truth, for we are all friends here. Is there anyone to whom you commit more affairs of importance than you commit to your wife?”

“There is not.”

“Is there anyone with whom you talk less?”

“There are few or none, I confess.” [13]

“And you married her when she was a mere child and had seen

and heard almost nothing?”

“Certainly.”

“Then it would be far more surprising if she understood what she should say or do than if she made mistakes.” [14]

“But what of the husbands who, as you say, have good wives, Socrates? Did they train them themselves?”

“There’s nothing like investigation. I will introduce Aspasia to you, and she will explain the whole matter to you with more knowledge than I possess. [15] I think that the wife who is a good partner in the household contributes just as much as her husband to its good; because the incomings for the most part are the result of the husband’s exertions, but the outgoings are controlled mostly by the wife’s dispensation. If both do their part well, the estate is increased; if they act incompetently, it is diminished. [16] If you think you want to know about other branches of knowledge, I fancy I can show you people who acquit themselves creditably in any one of them.”

4. “Surely, Socrates, there is no need to go through the whole list. For it is not easy to get workmen who are skilled in all the arts, nor is it possible to become an expert in them. Pray select the branches of knowledge that seem the noblest and would be most suitable for me to cultivate: show me these, and those who practise them; and give me from your own knowledge any help you can towards learning them.” [2]

“Very good, Critobulus; for, to be sure, the illiberal arts, as they are called, are spoken against, and are, naturally enough, held in utter disdain in our states. For they spoil the bodies of the workmen and the foremen, forcing them to sit still and live indoors, and in some cases to spend the day at the fire. The softening of the body involves a serious weakening of the mind. [3] Moreover, these so-called illiberal arts leave no spare time for attention to one’s friends and city, so that those who follow them are reputed bad at dealing with friends and bad defenders of their country. In fact, in some of the states, and especially in those reputed warlike, it is not even lawful for any of the citizens to work at illiberal arts.” [4]

“But what arts, pray, do you advise us to follow, Socrates?”

“Need we be ashamed of imitating the king of the Persians? For they say that he pays close attention to husbandry and the art of war,

holding that these are two of the noblest and most necessary pursuits.” [5]

“And do you really believe, Socrates,” exclaimed Critobulus on hearing this, “that the king of the Persians includes husbandry among his occupations?”

“Perhaps, Critobulus, the following considerations will enable us to discover whether he does so. We allow that he pays close attention to warfare, because he has given a standing order to every governor of the nations from which he receives tribute, to supply maintenance for a specified number of horsemen and archers and slingers and light infantry, that they may be strong enough to control his subjects and to protect the country in the event of an invasion; and, [6] apart from these, he maintains garrisons in the citadels. Maintenance for these is supplied by the governor charged with this duty, and the king annually reviews the mercenaries and all the other troops ordered to be under arms, assembling all but the men in the citadels at the place of muster, as it is called: he personally inspects the men who are near his residence, and sends trusted agents to review those who live far away. [7] The officers, whether commanders of garrisons or of regiments or viceroys, who turn out with a full complement of men and parade them equipped with horses and arms in good condition, he promotes in the scale of honour and enriches with large grants of money; but those officers whom he finds to be neglecting the garrisons or making profit out of them he punishes severely, and appoints others to take their office. These actions, then, seem to us to leave no room for question that he pays attention to warfare. [8]

“As for the country, he personally examines so much of it as he sees in the course of his progress through it; and he receives reports from his trusted agents on the territories that he does not see for himself. To those governors who are able to show him that their country is densely populated and that the land is in cultivation and well stocked with the trees of the district and with the crops, he assigns more territory and gives presents, and rewards them with seats of honour. Those whose territory he finds uncultivated and thinly populated either through harsh administration or through contempt or through carelessness, he punishes, and appoints others to take their office. [9] By such action, does he seem to provide less for

the cultivation of the land by the inhabitants than for its protection by the garrisons? Moreover, each of these duties is entrusted to a separate class of officers; one class governs the residents and the labourers, and collects tribute from them, the other commands the men under arms and the garrisons. [10] If the commander of a garrison affords insufficient protection to the country, the civil governor and controller of agriculture denounces the commander, setting out that the inhabitants are unable to work the farms for want of protection. If, on the other hand, the commander brings peace to the farms, and the governor nevertheless causes the land to be sparsely populated and idle, the commander in turn denounces the governor. [11] For, roughly speaking, where cultivation is inefficient, the garrisons are not maintained and the tribute cannot be paid. Wherever a viceroy is appointed, he attends to both these matters.”

At this point Critobulus said: [12] “Well, Socrates, if the Great King does this, it seems to me that he pays as much attention to husbandry as to warfare.” [13]

“Yet further,” continued Socrates, “in all the districts he resides in and visits he takes care that there are ‘paradises,’ as they call them, full of all the good and beautiful things that the soil will produce, and in this he himself spends most of his time, except when the season precludes it.” [14]

“Then it is of course necessary, Socrates, to take care that these paradises in which the king spends his time shall contain a fine stock of trees and all other beautiful things that the soil produces.” [15]

“And some say, Critobulus, that when the king makes gifts, he first invites those who have distinguished themselves in war, because it is useless to have broad acres under tillage unless there are men to defend them; and next to them, those who stock and cultivate the land best, saying that even stout-hearted warriors cannot live without the aid of workers. [16] There is a story that Cyrus, lately the most illustrious of princes, once said to the company invited to receive his gifts, ‘I myself deserve to receive the gifts awarded in both classes; for I am the best at stocking land and the best at protecting the stock.’” [17]

“Well, if Cyrus said that, Socrates, he took as much pride in cultivating and stocking land as in being a warrior.” [18]

“Yes, and, upon my word, if Cyrus had only lived, it seems that he would have proved an excellent ruler. One of the many proofs that he has given of this is the fact that, when he was on his way to fight his brother for the throne, it is said that not a man deserted from Cyrus to the king, whereas tens of thousands deserted from the king to Cyrus.

[19] I think you have one clear proof of a ruler’s excellence, when men obey him willingly and choose to stand by him in moments of danger. Now his friends all fought at his side and fell at his side to a man, fighting round his body, with the one exception of Ariaeus, whose place in the battle was, in point of fact, on the left wing. [20]

“Further, the story goes that when Lysander came to him bringing the gifts from the allies, this Cyrus showed him various marks of friendliness, as Lysander himself related once to a stranger at Megara, adding besides that Cyrus personally showed him round his paradise at Sardis. [21] Now Lysander admired the beauty of the trees in it, the accuracy of the spacing, the straightness of the rows, the regularity of the angles and the multitude of the sweet scents that clung round them as they walked; and for wonder of these things he cried, ‘Cyrus, I really do admire all these lovely things, but I am far more impressed with your agent’s skill in measuring and arranging everything so exactly.’ [22] Cyrus was delighted to hear this and said: ‘Well, Lysander, the whole of the measurement and arrangement is my own work, and I did some of the planting myself.’ [23] ‘What, Cyrus?’ exclaimed Lysander, looking at him, and marking the beauty and perfume of his robes, and the splendour of the necklaces and bangles and other jewels that he was wearing; ‘did you really plant part of this with your own hands?’ [24] ‘Does that surprise you, Lysander?’ asked Cyrus in reply. ‘I swear by the Sun-god that I never yet sat down to dinner when in sound health, without first working hard at some task of war or agriculture, or exerting myself somehow.’ [25]

“Lysander himself declared, I should add, that on hearing this, he congratulated him in these words: ‘I think you deserve your happiness, Cyrus, for you earn it by your virtues.’”

5. “Now I tell you this,” continued Socrates, “because even the wealthiest cannot hold aloof from husbandry. For the pursuit of it is in some sense a luxury as well as a means of increasing one’s estate

and of training the body in all that a free man should be able to do. [2] For, in the first place, the earth yields to cultivators the food by which men live; she yields besides the luxuries they enjoy. [3] Secondly, she supplies all the things with which they decorate altars and statues and themselves, along with most pleasant sights and scents. Thirdly, she produces or feeds the ingredients of many delicate dishes; for the art of breeding stock is closely linked with husbandry; so that men have victims for propitiating the gods with sacrifice and cattle for their own use. [4] And though she supplies good things in abundance, she suffers them not to be won without toil, but accustoms men to endure winter's cold and summer's heat. She gives increased strength through exercise to the men that labour with their own hands, and hardens the overseers of the work by rousing them early and forcing them to move about briskly. For on a farm no less than in a town the most important operations have their fixed times. [5] Again, if a man wants to serve in the cavalry, farming is his most efficient partner in furnishing keep for his horse; if on foot, it makes his body brisk. And the land helps in some measure to arouse a liking for the toil of hunting, since it affords facilities for keeping hounds and at the same time supplies food for the wild game that preys on the land. [6] And if husbandry benefits horses and hounds, they benefit the farm no less, the horses by carrying the overseer early to the scene of his duties and enabling him to leave it late, the hounds by keeping the wild animals from injuring crops and sheep, and by helping to give safety to solitude. [7] The land also stimulates armed protection of the country on the part of the husbandmen, by nourishing her crops in the open for the strongest to take. [8] And what art produces better runners, throwers and jumpers than husbandry? What art rewards the labourer more generously? What art welcomes her follower more gladly, inviting him to come and take whatever he wants? What art entertains strangers more generously? [9] Where is there greater facility for passing the winter comforted by generous fire and warm baths, than on a farm? Where is it pleasanter to spend the summer enjoying the cool waters and breezes and shade, than in the country? [10] What other art yields more seemly first-fruits for the gods, or gives occasion for more crowded festivals? What art is dearer to servants, or pleasanter to a

wife, or more delightful to children, or more agreeable to friends? [11] To me indeed it seems strange, if any free man has come by a possession pleasanter than this, or has found out an occupation pleasanter than this or more useful for winning a livelihood. [12]

“Yet again, the earth willingly teaches righteousness to those who can learn; for the better she is served, the more good things she gives in return. [13] And if haply those who are occupied in farming, and are receiving a rigorous and manly teaching, are forced at any time to quit their lands by great armies, they, as men well-found in mind and in body, can enter the country of those who hinder them, and take sufficient for their support. Often in time of war it is safer to go armed in search of food than to gather it with farming implements. [14]

“Moreover, husbandry helps to train men for corporate effort. For men are essential to an expedition against an enemy, and the cultivation of the soil demands the aid of men. [15] Therefore nobody can be a good farmer unless he makes his labourers both eager and obedient; and the captain who leads men against an enemy must contrive to secure the same results by rewarding those who act as brave men should act and punishing the disobedient. [16] And it is no less necessary for a farmer to encourage his labourers often, than for a general to encourage his men. And slaves need the stimulus of good hopes no less, nay, even more than free men, to make them steadfast. [17] It has been nobly said that husbandry is the mother and nurse of the other arts. For when husbandry flourishes, all the other arts are in good fettle; but whenever the land is compelled to lie waste, the other arts of landsmen and mariners alike well-nigh perish.” [18]

“Well, Socrates,” replied Critobulus to this, “I think you are right so far. But in husbandry a man can rely very little on forecast. For hailstorms and frosts sometimes, and droughts and rains and blight ruin schemes well planned and well carried out; and sometimes well-bred stock is miserably destroyed by an outbreak of disease.” [19]

“Well,” said Socrates in reply, “I thought you knew, Critobulus, that the operations of husbandry no less than those of war are in the hands of the gods. And you observe, I suppose, that men engaged in war try to propitiate the gods before taking action; and with sacrifices

and omens seek to know what they ought to do and what they ought not to do; [20] and for the business of husbandry do you think it less necessary to ask the blessing of the gods? Know of a surety that right-minded men offer prayer for fruits and crops and cattle and horses and sheep, aye and for all that they possess.”

6. “Well, Socrates, I think you are right when you bid me try to begin every undertaking with the gods’ help, since the gods control the works of peace no less than of war. We will try, then, to do so. But now go back to the point where you broke off in your talk about estate management, and try to expound the subject completely step by step, since after hearing what you have said so far, I seem even now to discern rather more clearly than before what I must do to earn my living.” [2]

“I suggest then,” resumed Socrates, “that we should first recapitulate those points of our discussion on which we have already reached agreement, in order that we may try to agree as thoroughly, if possible, when we go through the remaining steps.” [3]

“O yes; when several are jointly interested in money, it is pleasant to have no disagreement in going over the accounts; and it is equally pleasant for us, as the interested parties in a discussion, to agree as we go over the several steps.” [4]

“Well now, we thought that estate management is the name of a branch of knowledge, and this knowledge appeared to be that by which men can increase estates, and an estate appeared to be identical with the total of one’s property, and we said that property is that which is useful for supplying a livelihood, and useful things turned out to be all those things that one knows how to use. [5] Now we thought that it is impossible to learn all the sciences, and we agreed with our states in rejecting the so-called illiberal arts, because they seem to spoil the body and unnerve the mind. [6] We said that the clearest proof of this would be forthcoming, if in the course of a hostile invasion the husbandmen and craftsmen were made to sit apart, and each group were asked whether they voted for defending the country or withdrawing from the open and guarding the fortresses. [7] We thought that in these circumstances the men who have to do with the land would give their vote for defending it, the craftsmen for not fighting, but sitting still, as they have been brought

up to do, aloof from toil and danger. [8] We came to the conclusion that for a gentleman the best occupation and the best science is husbandry, from which men obtain what is necessary to them. [9] For this occupation seemed to be the easiest to learn and the pleasantest to work at, to give to the body the greatest measure of strength and beauty, and to leave to the mind the greatest amount of spare time for attending to the interests of one's friends and city. [10] Moreover, since the crops grow and the cattle on a farm graze outside the walls, husbandry seemed to us to help in some measure to make the workers valiant. And so this way of making a living appeared to be held in the highest estimation by our states, because it seems to turn out the best citizens and most loyal to the community." [11]

"I have already heard enough, I think, Socrates, to convince me that it is in the highest degree honourable, good and pleasant to get a living by husbandry. But you told me that you have discovered the reasons why some farmers are so successful that husbandry yields them all they need in abundance, and others are so inefficient that they find farming unprofitable. I should like to hear the reasons in each case, in order that we may do what is good and avoid what is harmful." [12]

"Well then, Critobulus, I propose to give you a complete account of an interview I once had with a man whom I took to be really one of those who are justly styled 'gentlemen.'"

"I should greatly like to hear it, Socrates, for I long to deserve that title myself." [13]

"Then I will tell you how I came to take note of him. For it took me a very little time to visit our good builders, good smiths, good painters, good sculptors, and other people of the kind, and to inspect those of their works that are declared to be beautiful; [14] but I felt a desire to meet one of those who are called by that grand name 'gentleman,' which implies 'beautiful' as well as 'good,' in order to consider what they did to deserve it. [15] And, first, because the epithet 'beautiful' is added to 'good,' I went up to every person I noticed, and tried to discover whether I could anywhere see goodness in combination with beauty. [16] But after all, it was not so: I thought I discovered that some who were beautiful to look at were thoroughly depraved in their minds. So I decided to let good looks alone, and to

seek out someone known as ‘a gentleman.’ [17] Accordingly, since I heard the name applied to Ischomachus by men, women, citizens and strangers alike, I decided to meet him, if I could.

7. “So, happening one day to see him sitting in the cloister of the temple of Zeus Eleutherius apparently at leisure, I approached, and sitting down at his side, said:

“‘Why sitting still, Ischomachus? You are not much in the habit of doing nothing; for generally when I see you in the market-place you are either busy or at least not wholly idle.’ [2]

“‘True, and you would not have seen me so now, Socrates, had I not made an appointment with some strangers here.’

“‘Pray where do you spend your time,’ said I, ‘and what do you do when you are not engaged in some such occupation? For I want very much to learn how you came to be called a gentleman, since you do not pass your time indoors, and your condition does not suggest that you do so.’

“Smiling at my question, [3] ‘How came you to be called a gentleman?’, and apparently well pleased, Ischomachus answered: ‘Well, Socrates, whether certain persons call me so when they talk to you about me, I know not. Assuredly when they challenge me to an exchange of property in order to escape some public burden, fitting a warship or providing a chorus, nobody looks for the “gentleman,” but the challenge refers to me as plain “Ischomachus,” my father’s son. Well now, Socrates, as you ask the question, I certainly do not pass my time indoors; for, you know, my wife is quite capable of looking after the house by herself.’ [4]

“‘Ah, Ischomachus,’ said I, ‘that is just what I want to hear from you. Did you yourself train your wife to be of the right sort, or did she know her household duties when you received her from her parents?’ [5]

“‘Why, what knowledge could she have had, Socrates, when I took her for my wife? She was not yet fifteen years old when she came to me, and up to that time she had lived in leading-strings, seeing, hearing and saying as little as possible. [6] If when she came she knew no more than how, when given wool, to turn out a cloak, and had seen only how the spinning is given out to the maids, is not that as much as could be expected? For in control of her appetite,

Socrates, she had been excellently trained; and this sort of training is, in my opinion, the most important to man and woman alike.’ [7]

“‘But in other respects did you train your wife yourself, Ischomachus, so that she should be competent to perform her duties?’

“‘Oh no, Socrates; not until I had first offered sacrifice and prayed that I might really teach, and she learn what was best for us both.’ [8]

“‘Did not your wife join with you in these same sacrifices and prayers?’

“‘Oh yes, earnestly promising before heaven to behave as she ought to do; and it was easy to see that she would not neglect the lessons I taught her.’ [9]

“‘Pray tell me, Ischomachus, what was the first lesson you taught her, since I would sooner hear this from your lips than an account of the noblest athletic event or horse-race?’ [10]

“‘Well, Socrates, as soon as I found her docile and sufficiently domesticated to carry on conversation, I questioned her to this effect:

“‘“Tell me, dear, have you realised for what reason I took you and your parents gave you to me? [11] For it is obvious to you, I am sure, that we should have had no difficulty in finding someone else to share our beds. But I for myself and your parents for you considered who was the best partner of home and children that we could get. My choice fell on you, and your parents, it appears, chose me as the best they could find. [12] Now if God grants us children, we will then think out how we shall best train them. For one of the blessings in which we shall share is the acquisition of the very best of allies and the very best of support in old age; but at present we share in this our home. [13] For I am paying into the common stock all that I have, and you have put in all that you brought with you. And we are not to reckon up which of us has actually contributed the greater amount, but we should know of a surety that the one who proves the better partner makes the more valuable contribution.” [14]

“‘My wife’s answer was as follows, Socrates: “How can I possibly help you? What power have I? Nay, all depends on you. My duty, as my mother told me, is to be discreet.” [15]

“‘“Yes, of course, dear,” I said, “my father said the same to me. But discretion both in a man and a woman, means acting in such a

manner that their possessions shall be in the best condition possible, and that as much as possible shall be added to them by fair and honourable means.” [16]

“““And what do you see that I can possibly do to help in the improvement of our property?” asked my wife.

“““Why,” said I, “of course you must try to do as well as possible what the gods made you capable of doing and the law sanctions.”

“““And pray, what is that?” said she. [17]

“““Things of no small moment, I fancy,” replied I, “unless, indeed, the tasks over which the queen bee in the hive presides are of small moment. [18] For it seems to me, dear, that the gods with great discernment have coupled together male and female, as they are called, chiefly in order that they may form a perfect partnership in mutual service. [19] For, in the first place, that the various species of living creatures may not fail, they are joined in wedlock for the production of children. Secondly, offspring to support them in old age is provided by this union, to human beings, at any rate. Thirdly, human beings live not in the open air, like beasts, but obviously need shelter. [20] Nevertheless, those who mean to win store to fill the covered place, have need of someone to work at the open-air occupations; since ploughing, sowing, planting and grazing are all such open-air employments; and these supply the needful food. [21] Then again, as soon as this is stored in the covered place, then there is need of someone to keep it and to work at the things that must be done under cover. Cover is needed for the nursing of the infants; cover is needed for the making of the corn into bread, and likewise for the manufacture of clothes from the wool. [22] And since both the indoor and the outdoor tasks demand labour and attention, God from the first adapted the woman’s nature, I think, to the indoor and man’s to the outdoor tasks and cares. [23]

“““For he made the man’s body and mind more capable of enduring cold and heat, and journeys and campaigns; and therefore imposed on him the outdoor tasks. To the woman, since he has made her body less capable of such endurance, I take it that God has assigned the indoor tasks. [24] And knowing that he had created in the woman and had imposed on her the nourishment of the infants, he meted out to her a larger portion of affection for new-born babes than

to the man. [25] And since he imposed on the woman the protection of the stores also, knowing that for protection a fearful disposition is no disadvantage, God meted out a larger share of fear to the woman than to the man; and knowing that he who deals with the outdoor tasks will have to be their defender against any wrong-doer, he meted out to him again a larger share of courage. [26] But because both must give and take, he granted to both impartially memory and attention; and so you could not distinguish whether the male or the female sex has the larger share of these. [27] And God also gave to both impartially the power to practise due self-control, and gave authority to whichever is the better — whether it be the man or the woman — to win a larger portion of the good that comes from it. [28] And just because both have not the same aptitudes, they have the more need of each other, and each member of the pair is the more useful to the other, the one being competent where the other is deficient. [29]

““Now since we know, dear, what duties have been assigned to each of us by God, we must endeavour, each of us, to do the duties allotted to us as well as possible. [30] The law, moreover, approves of them, for it joins together man and woman. And as God has made them partners in their children, so the law appoints them partners in the home. And besides, the law declares those tasks to be honourable for each of them wherein God has made the one to excel the other. Thus, to be woman it is more honourable to stay indoors than to abide in the fields, but to the man it is unseemly rather to stay indoors than to attend to the work outside. [31] If a man acts contrary to the nature God has given him, possibly his defiance is detected by the gods and he is punished for neglecting his own work, or meddling with his wife’s. [32] I think that the queen bee is busy about just such other tasks appointed by God.”

““And pray,” said she, “how do the queen bee’s tasks resemble those that I have to do?” [33]

““How? she stays in the hive,” I answered, “and does not suffer the bees to be idle; but those whose duty it is to work outside she sends forth to their work; and whatever each of them brings in, she knows and receives it, and keeps it till it is wanted. And when the time is come to use it, she portions out the just share to each. [34] She likewise presides over the weaving of the combs in the hive, that they

may be well and quickly woven, and cares for the brood of little ones, that it be duly reared up. And when the young bees have been duly reared and are fit for work, she sends them forth to found a colony, with a leader to guide the young adventurers.” [35]

““Then shall I too have to do these things?” said my wife.

““Indeed you will,” said I; “your duty will be to remain indoors and send out those servants whose work is outside, and superintend those who are to work indoors, and to receive the incomings, [36] and distribute so much of them as must be spent, and watch over so much as is to be kept in store, and take care that the sum laid by for a year be not spent in a month. And when wool is brought to you, you must see that cloaks are made for those that want them. You must see too that the dry corn is in good condition for making food. [37] One of the duties that fall to you, however, will perhaps seem rather thankless: you will have to see that any servant who is ill is cared for.”

““Oh no,” cried my wife, “it will be delightful, assuming that those who are well cared for are going to feel grateful and be more loyal than before.” [38]

““Why, my dear,” cried I, delighted with her answer, “what makes the bees so devoted to their leader in the hive, that when she forsakes it, they all follow her, and not one thinks of staying behind? Is it not the result of some such thoughtful acts on her part?” [39]

““It would surprise me,” answered my wife, “if the leader’s activities did not concern you more than me. For my care of the goods indoors and my management would look rather ridiculous, I fancy, if you did not see that something is gathered in from outside.” [40]

““And my ingathering would look ridiculous,” I countered, “if there were not someone to keep what is gathered in. Don’t you see how they who ‘draw water in a leaky jar,’ as the saying goes, are pitied, because they seem to labour in vain?”

““Of course,” she said, “for they are indeed in a miserable plight if they do that.” [41]

““But I assure you, dear, there are other duties peculiar to you that are pleasant to perform. It is delightful to teach spinning to a maid who had no knowledge of it when you received her, and to double her worth to you: to take in hand a girl who is ignorant of

housekeeping and service, and after teaching her and making her trustworthy and serviceable to find her worth any amount: to have the power of rewarding the discreet and useful members of your household, and of punishing anyone who turns out to be a rogue. [42] But the pleasantest experience of all is to prove yourself better than I am, to make me your servant; and, so far from having cause to fear that as you grow older you may be less honoured in the household, to feel confident that with advancing years, the better partner you prove to me and the better housewife to our children, the greater will be the honour paid to you in our home. [43] For it is not through outward comeliness that the sum of things good and beautiful is increased in the world, but by the daily practice of the virtues.”

““Such was the tenor of my earliest talks with her, Socrates, so far as I can recall them.””

8. ““And did you find, Ischomachus, that they acted as a stimulus to her diligence?” I asked.

““Yes, indeed,” answered Ischomachus, ‘and I recollect that she was vexed and blushed crimson, because she could not give me something from the stores when I asked for it. [2] And seeing that she was annoyed, I said: “Don’t worry, dear, because you cannot give me what I am asking for. For not to be able to use a thing when you want it is poverty unquestionably; but a failure to get the thing that you seek is less grievous than not to seek it at all because you know that it does not exist. The fact is, you are not to blame for this, but I, because I handed over the things to you without giving directions where they were to be put, so that you might know where to put them and where to find them. [3] My dear, there is nothing so convenient or so good for human beings as order. Thus, a chorus is a combination of human beings; but when the members of it do as they choose, it becomes mere confusion, and there is no pleasure in watching it; but when they act and chant in an orderly fashion, then those same men at once seem worth seeing and worth hearing. [4] Again, my dear, an army in disorder is a confused mass, an easy prey to enemies, a disgusting sight to friends and utterly useless, — donkey, trooper, carrier, light-armed, horseman, chariot, huddled together. For how are they to march in such a plight, when they hamper one another, some walking while others run, some running while others halt,

chariot colliding with horseman, donkey with chariot, carrier with trooper? [5] If there is fighting to be done, how can they fight in such a state? For the units that must needs run away when attacked are enough to trample underfoot the heavy infantry. [6] But an army in orderly array is a noble sight to friends, and an unwelcome spectacle to the enemy. What friend would not rejoice as he watches a strong body of troopers marching in order, would not admire cavalry riding in squadrons? And what enemy would not fear troopers, horsemen, light-armed, archers, slingers disposed in serried ranks and following their officers in orderly fashion? [7] Nay, even on the march where order is kept, though they number tens of thousands, all move steadily forward as one man; for the line behind is continually filling up the gap. [8] Or, again, why is a man-of-war laden with men terrible to an enemy and a goodly sight to friends, if not for its speed? Why do the men on board not hamper one another? Is it not just because they are seated in order, swing forward and backward in order, embark and disembark in order? [9] If I want a type of disorder, I think of a farmer who has stored barley, wheat and pulse in one bin; and then when he wants a bannock or a loaf or a pudding, must pick out the grain instead of finding it separate and ready for use. [10]

“““And so, my dear, if you do not want this confusion, and wish to know exactly how to manage our goods, and to find with ease whatever is wanted, and to satisfy me by giving me anything I ask for, let us choose the place that each portion should occupy; and, having put the things in their place, let us instruct the maid to take them from it and put them back again. Thus we shall know what is safe and sound and what is not; for the place itself will miss whatever is not in it, and a glance will reveal anything that wants attention, and the knowledge where each thing is will quickly bring it to hand, so that we can use it without trouble.” [11]

““Once I had an opportunity of looking over the great Phoenician merchantman, Socrates, and I thought I had never seen tackle so excellently and accurately arranged. For I never saw so many bits of stuff packed away separately in so small a receptacle. [12] As you know, a ship needs a great quantity of wooden and corded implements when she comes into port or puts to sea, much rigging, as it is called, when she sails, many contrivances to protect her

against enemy vessels; she carries a large supply of arms for the men, and contains a set of household utensils for each mess. In addition to all this, she is laden with cargo which the skipper carries for profit. [13] And all the things I mention were contained in a chamber of little more than a hundred square cubits. And I noticed that each kind of thing was so neatly stowed away that there was no confusion, no work for a searcher, nothing out of place, no troublesome untying to cause delay when anything was wanted for immediate use. [14] I found that the steersman's servant, who is called the mate, knows each particular section so exactly, that he can tell even when away where everything is kept and how much there is of it, just as well as a man who knows how to spell can tell how many letters there are in Socrates and in what order they come. [15] Now I saw this man in his spare time inspecting all the stores that are wanted, as a matter of course, in the ship. I was surprised to see him looking over them, and asked what he was doing. "Sir," he answered, "I am looking to see how the ship's tackle is stored, in case of accident, or whether anything is missing or mixed up with other stuff. [16] For when God sends a storm at sea, there's no time to search about for what you want or to serve it out if it's in a muddle. For God threatens and punishes careless fellows, and you're lucky if he merely refrains from destroying the innocent; and if he saves you when you do your work well, you have much cause to thank heaven." [17]

"Now after seeing the ship's tackle in such perfect order, I told my wife: "Considering that folk aboard a merchant vessel, even though it be a little one, find room for things and keep order, though tossed violently to and fro, and find what they want to get, though terror-stricken, it would be downright carelessness on our part if we, who have large storerooms in our house to keep everything separate and whose house rests on solid ground, fail to find a good and handy place for everything. Would it not be sheer stupidity on our part? [18]

"How good it is to keep one's stock of utensils in order, and how easy to find a suitable place in a house to put each set in, I have already said. [19] And what a beautiful sight is afforded by boots of all sorts and conditions ranged in rows! How beautiful it is to see cloaks of all sorts and conditions kept separate, or blankets, or brazen vessels, or table furniture! Yes, no serious man will smile when I

claim that there is beauty in the order even of pots and pans set out in neat array, however much it may move the laughter of a wit. [20] There is nothing, in short, that does not gain in beauty when set out in order. For each set looks like a troop of utensils, and the space between the sets is beautiful to see, when each set is kept clear of it, just as a troop of dancers about the altar is a beautiful spectacle in itself, and even the free space looks beautiful and unencumbered. [21]

““We can test the truth of what I say, dear, without any inconvenience and with very little trouble. Moreover, my dear, there is no ground for any misgiving that it is hard to find someone who will get to know the various places and remember to put each set in its proper place. [22] For we know, I take it, that the city as a whole has ten thousand times as much of everything as we have; and yet you may order any sort of servant to buy something in the market and to bring it home, and he will be at no loss: every one of them is bound to know where he should go to get each article. Now the only reason for this is that everything is kept in a fixed place. [23] But when you are searching for a person, you often fail to find him, though he may be searching for you himself. And for this again the one reason is that no place of meeting has been fixed.”

““Such is the gist of the conversation I think I remember having with her about the arrangement of utensils and their use.””

9. ““And what was the result?” I asked; ‘did you think, Ischomachus, that your wife paid any heed to the lessons you tried so earnestly to teach her?’

““Why, she promised to attend to them, and was evidently pleased beyond measure to feel that she had found a solution of her difficulties, and she begged me to lose no time in arranging things as I had suggested.’ [2]

““And how did you arrange things for her, Ischomachus?” I asked.

““Why, I decided first to show her the possibilities of our house. For it contains few elaborate decorations, Socrates; but the rooms are designed simply with the object of providing as convenient receptacles as possible for the things that are to fill them, and thus each room invited just what was suited to it. [3] Thus the store-room by the security of its position called for the most valuable blankets and utensils, the dry covered rooms for the corn, the cool for the

wine, the well-lit for those works of art and vessels that need light. [4] I showed her decorated living-rooms for the family that are cool in summer and warm in winter. I showed her that the whole house fronts south, so that it was obvious that it is sunny in winter and shady in summer. [5] I showed her the women's quarters too, separated by a bolted door from the men's, so that nothing which ought not to be moved may be taken out, and that the servants may not breed without our leave. For honest servants generally prove more loyal if they have a family; but rogues, if they live in wedlock, become all the more prone to mischief. [6]

“And now that we had completed the list, we forthwith set about separating the furniture tribe by tribe. We began by collecting together the vessels we use in sacrificing. After that we put together the women's holiday finery, and the men's holiday and war garb, blankets in the women's, blankets in the men's quarters, women's shoes, men's shoes. [7] Another tribe consisted of arms, and three others of implements for spinning, for bread-making and for cooking; others, again, of the things required for washing, at the kneading-trough, and for table use. All these we divided into two sets, things in constant use and things reserved for festivities. [8] We also put by themselves the things consumed month by month, and set apart the supplies calculated to last for a year. For this plan makes it easier to tell how they will last to the end of the time. When we had divided all the portable property tribe by tribe, we arranged everything in its proper place. [9] After that we showed the servants who have to use them where to keep the utensils they require daily, for baking, cooking, spinning and so forth; handed them over to their care and charged them to see that they were safe and sound. [10] The things that we use only for festivals or entertainments, or on rare occasions, we handed over to the housekeeper, and after showing her their places and counting and making a written list of all the items, we told her to give them out to the right servants, to remember what she gave to each of them, and when receiving them back to put everything in the place from which she took it. [11]

“In appointing the housekeeper, we chose the woman whom on consideration we judged to be the most temperate in eating and wine drinking and sleeping and the most modest with men, the one, too,

who seemed to have the best memory, to be most careful not to offend us by neglecting her duties, and to think most how she could earn some reward by obliging us. [12] We also taught her to be loyal to us by making her a partner in all our joys and calling on her to share our troubles. Moreover, we trained her to be eager for the improvement of our estate, by making her familiar with it and by allowing her to share in our success. [13] And further, we put justice into her, by giving more honour to the just than to the unjust, and by showing her that the just live in greater wealth and freedom than the unjust; and we placed her in that position of superiority. [14]

“‘When all this was done, Socrates, I told my wife that all these measures were futile, unless she saw to it herself that our arrangement was strictly adhered to in every detail. I explained that in well-ordered cities the citizens are not satisfied with passing good laws; they go further, and choose guardians of the laws, who act as overseers, commending the law-abiding and punishing law-breakers. [15] So I charged my wife to consider herself guardian of the laws to our household. And just as the commander of a garrison inspects his guards, so must she inspect the chattels whenever she thought it well to do so; as the Council scrutinises the cavalry and the horses, so she was to make sure that everything was in good condition: like a queen, she must reward the worthy with praise and honour, so far as in her lay, and not spare rebuke and punishment when they were called for. [16]

“‘Moreover, I taught her that she should not be vexed that I assigned heavier duties to her than to the servants in respect of our possessions. Servants, I pointed out, carry, tend and guard their master’s property, and only in this sense have a share in it; they have no right to use anything except by the owner’s leave; but everything belongs to the master, to use it as he will. [17] Therefore, I explained, he who gains most by the preservation of the goods and loses most by their destruction, is the one who is bound to take most care of them.’ [18]

“‘Well, now, Ischomachus,’ said I, ‘was your wife inclined to pay heed to your words?’

“‘Why, Socrates,’ he cried, ‘she just told me that I was mistaken if I supposed that I was laying a hard task on her in telling her that she

must take care of our things. It would have been harder, she said, had I required her to neglect her own possessions, than to have the duty of attending to her own peculiar blessings. [19] The fact is,' he added, 'just as it naturally comes easier to a good woman to care for her own children than to neglect them, so, I imagine, a good woman finds it pleasanter to look after her own possessions than to neglect them.'"

10. "Now when I heard that his wife had given him this answer, I exclaimed; 'Upon my word, Ischomachus, your wife has a truly masculine mind by your showing!'

"'Yes,' said Ischomachus, 'and I am prepared to give you other examples of high-mindedness on her part, when a word from me was enough to secure her instant obedience.'

"'Tell me what they are,' I cried; 'for if Zeuxis showed me a fair woman's portrait painted by his own hand, it would not give me half the pleasure I derive from the contemplation of a living woman's virtues.' [2]

"Thereupon Ischomachus took up his parable. 'Well, one day, Socrates, I noticed that her face was made up: she had rubbed in white lead in order to look even whiter than she is, and alkanet juice to heighten the rosy colour of her cheeks; and she was wearing boots with thick soles to increase her height. [3] So I said to her, "Tell me, my dear, how should I appear more worthy of your love as a partner in our goods, by disclosing to you our belongings just as they are, without boasting of imaginary possessions or concealing any part of what we have, or by trying to trick you with an exaggerated account, showing you bad money and gilt necklaces and describing clothes that will fade as real purple?" [4]

"'"Hush!" she broke in immediately, "pray don't be like that — I could not love you with all my heart if you were like that!"

"'"Then, are we not joined together by another bond of union, dear, to be partners in our bodies?" [5]

"'"The world says so, at any rate."

"'"How then should I seem more worthy of your love in this partnership of the body — by striving to have my body hale and strong when I present it to you, and so literally to be of a good countenance in your sight, or by smearing my cheeks with red lead

and painting myself under the eyes with rouge before I show myself to you and clasp you in my arms, cheating you and offering to your eyes and hands red lead instead of my real flesh?" [6]

““Oh,” she cried, “I would sooner touch you than red lead, would sooner see your own colour than rouge, would sooner see your eyes bright than smeared with grease.” [7]

““Then please assume, my dear, that I do not prefer white paint and dye of alkanet to your real colour; but just as the gods have made horses to delight in horses, cattle in cattle, sheep in sheep, so human beings find the human body undisguised most delightful. [8] Tricks like these may serve to gull outsiders, but people who live together are bound to be found out, if they try to deceive one another. For they are found out while they are dressing in the morning; they perspire and are lost; a tear convicts them; the bath reveals them as they are!”

““And, pray, what did she say to that?” [9] I asked.

““Nothing,” he said, ‘only she gave up such practices from that day forward, and tried to let me see her undisguised and as she should be. Still, she did ask whether I could advise her on one point: how she might make herself really beautiful, instead of merely seeming to be so. [10] And this was my advice, Socrates: “Don’t sit about for ever like a slave, but try, God helping you, to behave as a mistress: stand before the loom and be ready to instruct those who know less than you, and to learn from those who know more: look after the bakingmaid: stand by the housekeeper when she is serving out stores: go round and see whether everything is in its place.” For I thought that would give her a walk as well as occupation. [11] I also said it was excellent exercise to mix flour and knead dough; and to shake and fold cloaks and bedclothes; such exercise would give her a better appetite, improve her health, and add natural colour to her cheeks. [12] Besides, when a wife’s looks outshine a maid’s and she is fresher and more becomingly dressed, they’re a ravishing sight, especially when the wife is also willing to oblige, whereas the girl’s services are compulsory. [13] But wives who sit about like fine ladies, expose themselves to comparison with painted and fraudulent hussies. And now, Socrates, you may be sure, my wife’s dress and appearance are in accord with my instructions and with my present description.”

11. “At this point I said, ‘Ischomachus, I think your account of

your wife's occupations is sufficient for the present — and very creditable it is to both of you. But now tell me of your own: thus you will have the satisfaction of stating the reasons why you are so highly respected, and I shall be much beholden to you for a complete account of a gentleman's occupations, and if my understanding serves, for a thorough knowledge of them.' [2]

“‘Well then, Socrates,’ answered Ischomachus, ‘it will be a very great pleasure to me to give you an account of my daily occupations, that you may correct me if you think there is anything amiss in my conduct.’ [3]

“‘As to that,’ said I, ‘how could I presume to correct a perfect gentleman, I who am supposed to be a mere chatterer with my head in the air, I who am called — the most senseless of all taunts — a poor beggar? [4] I do assure you, Ischomachus, this last imputation would have driven me to despair, were it not that a day or two ago I came upon the horse of Nicias the foreigner. I saw a crowd walking behind the creature and staring, and heard some of them talking volubly about him. Well, I went up to the groom and asked him if the horse had many possessions. [5] The man looked at me as if I must be mad to ask such a question, and asked me how a horse could own property. At that I recovered, for his answer showed that it is possible even for a poor horse to be a good one, if nature has given him a good spirit. [6] Assume, therefore, that it is possible for me to be a good man, and give me a complete account of your occupations, that, so far as my understanding allows me, I may endeavour to follow your example from to-morrow morning; for that's a good day for entering on a course of virtue.’ [7]

“‘You're joking, Socrates,’ said Ischomachus; ‘nevertheless I will tell you what principles I try my best to follow consistently in life. [8] For I seem to realise that, while the gods have made it impossible for men to prosper without knowing and attending to the things they ought to do, to some of the wise and careful they grant prosperity, and to some deny it; and therefore I begin by worshipping the gods, and try to conduct myself in such a way that I may have health and strength in answer to my prayers, the respect of my fellow-citizens, the affection of my friends, safety with honour in war, and wealth increased by honest means.’ [9]

“‘What, Ischomachus,’ I asked on hearing that, ‘do you really want to be rich and to have much, along with much trouble to take care of it?’

“‘The answer to your questions,’ said he, ‘is, Yes, I do indeed. For I would fain honour the gods without counting the cost, Socrates, help friends in need, and look to it that the city lacks no adornment that my means can supply.’ [10]

“‘Truly noble aspirations, Ischomachus,’ I cried, ‘and worthy of a man of means, no doubt! Seeing that there are many who cannot live without help from others, and many are content if they can get enough for their own needs, surely those who can maintain their own estate and yet have enough left to adorn the city and relieve their friends may well be thought high and mighty men. [11] However,’ I added, ‘praise of such men is a commonplace among us. Please return to your first statement, Ischomachus, and tell me how you take care of your health and your strength, how you make it possible to come through war with safety and honour. I shall be content to hear about your money-making afterwards.’ [12]

“‘Well, Socrates,’ replied Ischomachus, ‘all these things hang together, so far as I can see. For if a man has plenty to eat, and works off the effects properly, I take it that he both insures his health and adds to his strength. By training himself in the arts of war he is more qualified to save himself honourably, and by due diligence and avoidance of loose habits, he is more likely to increase his estate.’ [13]

“‘So far, Ischomachus, I follow you,’ I answered. ‘You mean that by working after meals, by diligence and by training, a man is more apt to obtain the good things of life. But now I should like you to give me details. By what kind of work do you endeavour to keep your health and strength? How do you train yourself in the arts of war? What diligence do you use to have a surplus from which to help friends and strengthen the city?’ [14]

“‘Well now, Socrates,’ replied Ischomachus, ‘I rise from my bed at an hour when, if I want to call on anyone, I am sure to find him still at home. If I have any business to do in town, I make it an opportunity for getting a walk. [15] If there is nothing pressing to be done in town, my servant leads my horse to the farm, and I make my walk by going to it on foot, with more benefit, perhaps, Socrates,

than if I took a turn in the arcade. [16] When I reach the farm, I may find planting, clearing, sowing or harvesting in progress. I superintend all the details of the work, and make any improvements in method that I can suggest. [17] After this, I usually mount my horse and go through exercises, imitating as closely as I can the exercises needed in warfare. I avoid neither slope nor steep incline, ditch nor watercourse, but I use all possible care not to lame my horse when he takes them. [18] After I have finished, the servant gives the horse a roll and leads him home, bringing with him from the farm anything we happen to want in the city. I divide the return home between walking and running. Arrived, I clean myself with a strigil, and then I have luncheon, Socrates, eating just enough to get through the day neither empty-bellied nor too full.’ [19]

“‘Upon my word, Ischomachus,’ cried I, ‘I am delighted with your activities. For you have a pack of appliances for securing health and strength, of exercises for war and specifics for getting rich, and you use them all at the same time! That does seem to me admirable! [20] And in fact you afford convincing proofs that your method in pursuing each of these objects is sound. For we see you generally in the enjoyment of health and strength, thanks to the gods, and we know that you are considered one of our best horsemen and wealthiest citizens.’ [21]

“‘And what comes of these activities, Socrates? Not, as you perhaps expected to hear, that I am generally dubbed a gentleman, but that I am persistently slandered.’ [22]

“‘Ah,’ said I, ‘but I was meaning to ask you, Ischomachus, whether you include in your system ability to conduct a prosecution and defence, in case you have to appear in the courts?’

“‘Why, Socrates,’ he answered, ‘do you not see that this is just what I am constantly practising — showing my traducers that I wrong no man and do all the good I can to many? And do you not think that I practise myself in accusing, by taking careful note of certain persons who are doing wrong to many individuals and to the state, and are doing no good to anyone?’ [23]

“‘But tell me one thing more, Ischomachus,’ I said; ‘do you also practise the art of expounding these matters?’

“‘Why, Socrates,’ he replied, ‘I assiduously practise the art of

speaking. For I get one of the servants to act as prosecutor or defendant, and try to confute him; or I praise or blame someone before his friends; or I act as peace-maker between some of my acquaintances by trying to show them that it is to their interest to be friends rather than enemies. [24] I assist at a court-martial and censure a soldier, or take turns in defending a man who is unjustly blamed, or in accusing one who is unjustly honoured. We often sit in counsel and speak in support of the course we want to adopt and against the course we want to avoid. [25] I have often been singled out before now, Socrates, and condemned to suffer punishment or pay damages.'

"'By whom, Ischomachus?' I asked; 'I am in the dark about that!'

"'By my wife,' was his answer.

"'And, pray, how do you plead?' said I.

"'Pretty well, when it is to my interest to speak the truth. But when lying is called for, Socrates, I can't make the worse cause appear the better — oh no, not at all.'

"'Perhaps, Ischomachus,' I commented, 'you can't make the falsehood into the truth!'"

12. "'But perhaps I am keeping you, Ischomachus,' I continued, 'and you want to get away now?'

"'Oh no, Socrates,' he answered; 'I should not think of going before the market empties.' [2]

"'To be sure,' I continued; 'you take the utmost care not to forfeit your right to be called a gentleman! For I daresay there are many things claiming your attention now; but, as you have made an appointment with those strangers, you are determined not to break it.'

"'But I assure you, Socrates, I am not neglecting the matters you refer to, either; for I keep bailiff's on my farms.' [3]

"'And when you want a bailiff, Ischomachus, do you look out for a man qualified for such a post, and then try to buy him — when you want a builder, I feel sure you inquire for a qualified man and try to get him — or do you train your bailiff's yourself?' [4]

"'Of course I try to train them myself, Socrates. For the man has to be capable of taking charge in my absence; so why need he know anything but what I know myself? For if I am fit to manage the farm,

I presume I can teach another man what I know myself.’ [5]

“‘Then the first requirement will be that he should be loyal to you and yours, if he is to represent you in your absence. For if a steward is not loyal, what is the good of any knowledge he may possess?’

“‘None, of course; but I may tell you, loyalty to me and to mine is the first lesson I try to teach.’ [6]

“‘And how, in heaven’s name, do you teach your man to be loyal to you and yours?’

“‘By rewarding him, of course, whenever the gods bestow some good thing on us in abundance.’ [7]

“‘You mean, then, that those who enjoy a share of your good things are loyal to you and want you to prosper?’

“‘Yes, Socrates, I find that is the best instrument for producing loyalty.’ [8]

“‘But, now, if he is loyal to you, Ischomachus, will that be enough to make him a competent bailiff? Don’t you see that though all men, practically, wish themselves well, yet there are many who won’t take the trouble to get for themselves the good things they want to have?’ [9]

“‘Well, when I want to make bailiffs of such men, of course I teach them also to be careful.’

“‘Pray how do you do that? [10] I was under the impression that carefulness is a virtue that can’t possibly be taught.’

“‘True, Socrates, it isn’t possible to teach everyone you come across to be careful.’ [11]

“‘Very well; what sort of men can be taught? Point these out to me, at all events.’

“‘In the first place, Socrates, you can’t make careful men of hard drinkers; for drink makes them forget everything they ought to do.’ [12]

“‘Then are drunkards the only men who will never become careful, or are there others?’

“‘Of course there are — sluggards must be included; for you can’t do your own business when you are asleep, nor make others do theirs.’ [13]

“‘Well, then, will these make up the total of persons incapable of learning this lesson, or are there yet others besides?’

““I should add that in my opinion a man who falls desperately in love is incapable of giving more attention to anything than he gives to the object of his passion. [14] For it isn’t easy to find hope or occupation more delightful than devotion to the darling! aye, and when the thing to be done presses, no harder punishment can easily be thought of than the prevention of intercourse with the beloved! Therefore I shrink from attempting to make a manager of that sort of man too.’ [15]

““And what about the men who have a passion for lucre? Are they also incapable of being trained to take charge of the work of a farm?”

““Not at all; of course not. In fact, they very easily qualify for the work. It is merely necessary to point out to them that diligence is profitable.’ [16]

““And assuming that the others are free from the faults that you condemn and are covetous of gain in a moderate degree, how do you teach them to be careful in the affairs you want them to superintend?”

““By a very simple plan, Socrates. Whenever I notice that they are careful, I commend them and try to show them honour; but when they appear careless, I try to say and do the sort of things that will sting them.’ [17]

““Turn now, Ischomachus, from the subject of the men in training for the occupation, and tell me about the system: is it possible for anyone to make others careful if he is careless himself?” [18]

““Of course not: an unmusical person could as soon teach music. For it is hard to learn to do a thing well when the teacher prompts you badly; and when a master prompts a servant to be careless, it is difficult for the man to become a good servant. [19] To put it shortly, I don’t think I have discovered a bad master with good servants: I have, however, come across a good master with bad servants — but they suffered for it! If you want to make men fit to take charge, you must supervise their work and examine it, and be ready to reward work well carried through, and not shrink from punishing carelessness as it deserves. [20] I like the answer that is attributed to the Persian. The king, you know, had happened on a good horse, and wanted to fatten him as speedily as possible. So he asked one who was reputed clever with horses what is the quickest way of fattening a horse. “The master’s eye,” replied the man. I think we may apply

the answer generally, Socrates, and say that the master's eye in the main does the good and worthy work.”

13. “‘When you have impressed on a man,’ I resumed, ‘the necessity of careful attention to the duties you assign to him, will he then be competent to act as bailiff, or must he learn something besides, if he is to be efficient?’ [2]

“‘Of course,’ answered Ischomachus, ‘he has still to understand what he has to do, and when and how to do it. Otherwise how could a bailiff be of more use than a doctor who takes care to visit a patient early and late, but has no notion of the right way to treat his illness?’ [3]

“‘Well, but suppose he has learned how farm-work is to be done, will he want something more yet, or will your man now be a perfect bailiff?’

“‘I think he must learn to rule the labourers.’ [4]

“‘And do you train your bailiffs to be competent to rule too?’

“‘Yes, I try, anyhow.’

“‘And pray tell me how you train them to be rulers of men.’

“‘By a childishly easy method, Socrates. I daresay you’ll laugh if I tell you.’ [5]

“‘Oh, but it is certainly not a laughing matter, Ischomachus. For anyone who can make men fit to rule others can also teach them to be masters of others; and if he can make them fit to be masters, he can make them fit to be kings. So anyone who can do that seems to me to deserve high praise rather than laughter.’ [6]

“‘Well now, Socrates, other creatures learn obedience in two ways — by being punished when they try to disobey, and by being rewarded when they are eager to serve you. [7] Colts, for example, learn to obey the horsebreaker by getting something they like when they are obedient, and suffering inconvenience when they are disobedient, until they carry out the horsebreaker’s intentions. [8] Puppies, again, are much inferior to men in intelligence and power of expression; and yet they learn to run in circles and turn somersaults and do many other tricks in the same way; for when they obey they get something that they want, and when they are careless, they are punished. [9] And men can be made more obedient by word of mouth merely, by being shown that it is good for them to obey. But in

dealing with slaves the training thought suitable for wild animals is also a very effective way of teaching obedience; for you will do much with them by filling their bellies with the food they hanker after. Those of an ambitious disposition are also spurred on by praise, some natures being hungry for praise as others for meat and drink. [10] Now these are precisely the things that I do myself with a view to making men more obedient; but they are not the only lessons I give to those whom I want to appoint my bailiffs. I have other ways of helping them on. For the clothes that I must provide for my work-people and the shoes are not all alike. Some are better than others, some worse, in order that I may reward the better servant with the superior articles, and give the inferior things to the less deserving. [11] For I think it is very disheartening to good servants, Socrates, when they see that they do all the work, and others who are not willing to work hard and run risks when need be, get the same as they. [12] For my part, then, I don't choose to put the deserving on a level with the worthless, and when I know that my bailiffs have distributed the best things to the most deserving, I commend them; and if I see that flattery or any other futile service wins special favour, I don't overlook it, but reprove the bailiff, and try to show him, Socrates, that such favouritism is not even in his own interest.”

14. “‘Now, Ischomachus,’ said I, ‘when you find your man so competent to rule that he can make them obedient, do you think him a perfect bailiff, or does he want anything else, even with the qualifications you have mentioned?’ [2]

“‘Of course, Socrates,’ returned Ischomachus, ‘he must be honest and not touch his master’s property. For if the man who handles the crops dares to make away with them, and doesn’t leave enough to give a profit on the undertaking, what good can come of farming under his management?’ [3]

“‘Then do you take it on yourself to teach this kind of justice too?’

“‘Certainly: I don’t find, however, that all readily pay heed to this lesson. [4] Nevertheless I guide the servants into the path of justice with the aid of maxims drawn from the laws of Draco and Solon. For it seems to me that these famous men enacted many of their laws with an eye on this particular kind of justice. [5] For it is written:

“thieves shall be fined for their thefts,” and “anyone guilty of attempt shall be imprisoned if taken in the act, and put to death.” The object of these enactments was clearly to make covetousness unprofitable to the offender. [6] By applying some of these clauses and other enactments found in the Persian king’s code, I try to make my servants upright in the matters that pass through their hands. [7] For while those laws only penalise the wrongdoer, the king’s code not only punishes the guilty, but also benefits the upright. Thus, seeing that the honest grow richer than the dishonest, many, despite their love of lucre, are careful to remain free from dishonesty. [8] And if I find any attempting to persist in dishonesty, although they are well treated, I regard them as incorrigibly greedy, and have nothing more to do with them. [9] On the other hand, if I discover that a man is inclined to be honest not only because he gains by his honesty, but also from a desire to win my approbation, I treat him like a free man by making him rich; and not only so, but I honour him as a gentleman. [10] For I think, Socrates, that the difference between ambition and greed consists in this, that for the sake of praise and honour the ambitious are willing to work properly, to take risks and refrain from dishonest gain.”

15. “Well, well, I won’t go on to ask whether anything more is wanting to your man, after you have implanted in him a desire for your prosperity and have made him also careful to see that you achieve it, and have obtained for him, besides, the knowledge needful to ensure that every piece of work done shall add to the profits, and, further, have made him capable of ruling, and when, besides all this, he takes as much delight in producing heavy crops for you in due season as you would take if you did the work yourself. For it seems to me that a man like that would make a very valuable bailiff. Nevertheless, Ischomachus, don’t leave a gap in that part of the subject to which we have given the most cursory attention.’

“‘Which is it?’ asked Ischomachus. [2]

“‘You said, you know, that the greatest lesson to learn is how things ought to be done; and added that, if a man is ignorant what to do and how to do it, no good can come of his management.’ [3]

“Then he said, ‘Socrates, are you insisting now that I should teach the whole art and mystery of agriculture?’

“‘Yes,’ said I; ‘for maybe it is just this that makes rich men of those who understand it, and condemns the ignorant to a life of penury, for all their toil.’ [4]

“‘Well, Socrates, you shall now hear how kindly a thing is this art. Helpful, pleasant, honourable, dear to gods and men in the highest degree, it is also in the highest degree easy to learn. Noble qualities surely! As you know, we call those creatures noble that are beautiful, great and helpful, and yet gentle towards men.’ [5]

“‘Ah, but I think, Ischomachus, that I quite understand your account of these matters — I mean how to teach a bailiff; for I think I follow your statement that you make him loyal to you, and careful and capable of ruling and honest. [6] But you said that one who is to be successful in the management of a farm must learn what to do and how and when to do it. That is the subject that we have treated, it seems to me, in a rather cursory fashion, [7] as if you said that anyone who is to be capable of writing from dictation and reading what is written must know the alphabet. For had I been told that, I should have been told, to be sure, that I must know the alphabet, but I don’t think that piece of information would help me to know it. [8] So too now; I am easily convinced that a man who is to manage a farm successfully must understand farming, but that knowledge doesn’t help me to understand how to farm. [9] Were I to decide this very moment to be a farmer, I think I should be like that doctor who goes round visiting the sick, but has no knowledge of the right way to treat them. Therefore, that I may not be like him, you must teach me the actual operations of farming.’ [10]

“‘Why, Socrates, farming is not troublesome to learn, like other arts, which the pupil must study till he is worn out before he can earn his keep by his work. Some things you can understand by watching men at work, others by just being told, well enough to teach another if you wish. And I believe that you know a good deal about it yourself, without being aware of the fact. [11] The truth is that, whereas other artists conceal more or less the most important points in their own art, the farmer who plants best is most pleased when he is being watched, so is he who sows best. Question him about any piece of work well done: and he will tell you exactly how he did it. [12] So farming, Socrates, more than any other calling, seems to

produce a generous disposition in its followers.’ [13]

“‘An excellent preamble,’ I cried, ‘and not of a sort to damp the hearer’s curiosity. Come, describe it to me, all the more because it is so simple to learn. For it is no disgrace to you to teach elementary lessons, but far more a disgrace to me not to understand them, especially if they are really useful.’”

16. “‘First then, Socrates, I want to show you that what is called the most complicated problem in agriculture by the authors who write most accurately on the theory of the subject, but are not practical farmers, is really a simple matter. [2] For they tell us that to be a successful farmer one must first know the nature of the soil.’

“‘Yes, and they are right,’ I remarked; ‘for if you don’t know what the soil is capable of growing, you can’t know, I suppose, what to plant or what to sow.’ [3]

“‘Well then,’ said Ischomachus, ‘you can tell by looking at the crops and trees on another man’s land what the soil can and what it cannot grow. But when you have found out, it is useless to fight against the gods. For you are not likely to get a better yield from the land by sowing and planting what you want instead of the crops and trees that the land prefers. [4] If it happens that the land does not declare its own capabilities because the owners are lazy, you can often gather more correct information from a neighbouring plot than from a neighbouring proprietor. [5] Yes, and even if the land lies waste, it reveals its nature. For if the wild stuff growing on the land is of fine quality, then by good farming the soil is capable of yielding cultivated crops of fine quality. So the nature of the soil can be ascertained even by the novice who has no experience of farming.’ [6]

“‘Well, I think I am now confident, Ischomachus, that I need not avoid farming from fear of not knowing the nature of the soil. [7] The fact is, I am reminded that fishermen, though their business is in the sea, and they neither stop the boat to take a look nor slow down, nevertheless, when they see the crops as they scud past the farms, do not hesitate to express an opinion about the land, which is the good and which is the bad sort, now condemning, now praising it. And, what is more, I notice that in their opinion about the good land they generally agree exactly with experienced farmers.’ [8]

“‘Then, Socrates, let me refresh your memory on the subject of

agriculture; but where do you wish me to begin? For I am aware that I shall tell you very much that you know already about the right method of farming.’ [9]

“‘First, Ischomachus, I think I should be glad to learn, for this is the philosopher’s way, how I am to cultivate the land if I want to get the heaviest crops of wheat and barley out of it.’ [10]

“‘Well, you know, I take it, that fallow must be prepared for sowing?’

“‘Yes, I know.’ [11]

“‘Suppose, then, we start ploughing in winter?’

“‘Why, the land will be a bog!’

“‘How about starting in summer?’

“‘The land will be hard to plough up.’ [12]

“‘It seems that spring is the season for beginning this work.’

“‘Yes, the land is likely to be more friable if it is broken up then.’

“‘Yes, and the grass turned up is long enough at that season to serve as manure, but, not having shed seed, it will not grow. [13] You know also, I presume, that fallow land can’t be satisfactory unless it is clear of weeds and thoroughly baked in the sun?’

“‘Yes, certainly; that is essential, I think.’ [14]

“‘Do you think that there is any better way of securing that than by turning the land over as often as possible in summer?’

“‘Nay, I know for certain that if you want the weeds to lie on the surface and wither in the heat, and the land to be baked by the sun, the surest way is to plough it up at midday in midsummer.’ [15]

“‘And if men prepare the fallow by digging, is it not obvious that they too must separate the weeds from the soil?’

“‘Yes, and they must throw the weeds on the surface to wither, and turn up the ground so that the lower spit may be baked.’”

17. “‘You see, then, Socrates, that we agree about the fallow.’

“‘It does seem so, to be sure.’

“‘And now as to the time for sowing, Socrates. Is it not your opinion that the time to sow is that which has been invariably found to be the best by past experience, and is universally approved by present practice? [2] For as soon as autumn ends, all men, I suppose, look anxiously to God, to see when he will send rain on the earth and make them free to sow.’

““Yes, Ischomachus, all men have made up their minds, of course, not to sow in dry ground if they can help it, those who sowed without waiting to be bidden by God having had to wrestle with many losses.’ [3]

““So far, then,’ said Ischomachus, ‘all the world is of one mind.’

““Yes,’ said I, ‘where God is our teacher we all come to think alike. For example, all agree that it is better to wear warm clothes in winter, if they can, and all agree on the desirability of having a fire, if they have wood.’ [4]

““But,’ said Ischomachus, ‘when we come to the question whether sowing is best done early or very late or at the mid-season, we find much difference of opinion, Socrates.’ by fixed laws; but in one year it may be advantageous to sow early, in another very late, in another at mid-season.’ [5]

““Then do you think, Socrates, that it is better to select one of these times for sowing, whether you sow much or little, or to begin at the earliest moment and continue sowing to the latest?’ [6]

““For my part, Ischomachus, I think it is best to sow for succession throughout the season. For in my opinion it is much better to get enough food at all times than too much at one time and not enough at another.’

““Here again, then, Socrates, pupil and teacher are of one opinion; and, moreover, you, the pupil, are first in stating this opinion.’ [7]

““Well now, is casting the seed a complicated problem?”

““By all means let us take that also into consideration, Socrates. I presume that you know as well as I that the seed must be cast by the hand?”

““Yes, I have seen it.’

““Ah,’ he said, ‘but some men can cast evenly, and some cannot.’

““Then sowers no less than lyre-players need practice, that the hand may be the servant of the will.’

““Certainly. [8] But suppose that some of the land is rather light and some rather heavy?”

““What do you mean by that?” I interrupted. ‘By “light” do you mean “weak,” and by “heavy,” “strong”?’

““Yes, I do; and I ask you whether you would give the same quantity of seed to both kinds, or to which you would give more?” [9]

“‘Well, my principle is this: the stronger the wine, the more water I add; the stronger the bearer, the heavier the burden I put on his back; and if it is necessary to feed others, I should require the richest men to feed the greatest number. But tell me whether weak land, like draught animals, becomes stronger when you put more corn into it.’
[10]

“‘Ah, you’re joking, Socrates,’ he said, laughing, ‘but allow me to tell you that, if after putting in the seed you plough it in again as soon as the blade appears when the land is obtaining plenty of nourishment from the sky, it makes food for the soil, and strengthens it like manure. If, on the other hand, you let the seed go on growing on the land until it is bolted, it’s hard for weak land to yield much grain in the end. It’s hard, you know, for a weak sow to rear a big litter of fine pigs.’ [11]

“‘Do you mean, Ischomachus, that the weaker the soil the less seed should be put into it?’

“‘Yes, of course, Socrates; and you agree when you say that your invariable custom is to make the burden light that is to be borne by the weak.’ [12]

“‘But the hoers, now, Ischomachus, why do you put them on the corn?’

“‘I presume you know that in winter there is a heavy rainfall?’

“‘Of course.’

“‘Let us assume, then, that part of the corn is waterlogged and covered with mud, and some of the roots are exposed by flooding. And it often happens, you know, that in consequence of rain weeds spring up among the corn and choke it.’ [13]

“‘All these things are likely to happen.’

“‘Then don’t you think that in such circumstances the corn needs prompt succour?’

“‘Certainly.’

“‘What should be done, do you think, to succour the part that is under the mud?’

“‘The soil should be lifted.’

“‘And the part that has its roots exposed?’

“‘It should be earthed up.’ [14]

“‘What if weeds are springing up, choking the corn and robbing it

of its food, much as useless drones rob bees of the food they have laid in store by their industry?’

“‘The weeds must be cut, of course, just as the drones must be removed from the hive.’ [15]

“‘Don’t you think, then, that we have good reason for putting on men to hoe?’

“‘No doubt; but I am reflecting, Ischomachus, on the advantage of bringing in an apt simile. For you roused my wrath against the weeds by mentioning the drones, much more than when you spoke of mere weeds.’”

18. “‘However,’ I continued, ‘after this comes reaping, I fancy. So give me any information you can with regard to that too.’

“‘Yes — unless I find that you know just what I do about that subject too. You know, then, that the corn must be cut.’

“‘I know that, naturally.’

“‘Are you for standing with your back to the wind when you cut corn, or facing it?’

“‘Not facing it, no! I think it is irritating both to the eyes and to the hands to reap with cornstalks and spikes blowing in your face.’ [2]

“‘And would you cut near the top or close to the ground?’

“‘If the stalk is short, I should cut low down, so that the straw may be more useful; but if it is long, I think it would be right to cut in the middle, in order that the threshers and winnowers may not spend needless trouble on what they don’t want. I imagine that the stubble may be burnt with advantage to the land, or thrown on the manure heap to increase its bulk.’ [3]

“‘Do you notice, Socrates, that you stand convicted of knowing just what I know about reaping too?’

“‘Yes, it seems so; and I want to know besides whether I understand threshing as well.’

“‘Then you know this much, that draught animals are used in threshing?’ [4]

“‘Yes, of course I do; and that the term draught animals includes oxen, mules and horses.’

“‘Then do you not think that all the beasts know is how to trample on the corn as they are driven?’

“‘Why, what more should draught animals know?’ [5]

“And who sees that they tread out the right corn, and that the threshing is level, Socrates?”

“The threshers, clearly. By continually turning the untrodden corn and throwing it under the animal’s feet they will, of course, keep it level on the floor and take least time over the work.’

“So far, then, your knowledge is quite as good as mine.’ [6]

“Will not our next task be to clean the corn by winnowing, Ischomachus?”

“Yes, Socrates; and tell me, do you know that if you start on the windward side of the floor, you will find the husks carried right across the floor?”

“It must be so.’ [7]

“Is it not likely, then, that some will fall on the grain?”

“Yes, it is a long way for the husks to be blown, right over the grain to the empty part of the floor.’

“But what if you start winnowing against the wind?”

“Clearly the chaff will at once fall in the right place.’ [8]

“And as soon as you have cleaned the corn over one half of the floor, will you at once go on throwing up the rest of the chaff while the corn lies about just as it is, or will you first sweep the clean corn towards the edge, so as to occupy the smallest space?”

“Of course I shall first sweep the clean corn up, so that my chaff may be carried across into the empty space, and I may not have to throw up the same chaff twice.’ [9]

“Well, Socrates, it seems you are capable of teaching the quickest way of cleaning corn.’ things; and so I have been thinking for some time whether my knowledge extends to smelting gold, playing the flute, and painting pictures. For I have never been taught these things any more than I have been taught farming; but I have watched men working at these arts, just as I have watched them farming.’ [10]

“And didn’t I tell you just now that farming is the noblest art for this among other reasons, because it is the easiest to learn?”

“Enough, Ischomachus; I know. I understood about sowing, it seems, but I wasn’t aware that I understood.”

19. “However, is the planting of fruit trees another branch of agriculture?” I continued.

“It is, indeed,’ answered Ischomachus.

“‘Then how can I understand all about sowing, and yet know nothing of planting?’ [2]

“‘What, don’t you understand it?’

“‘How can I, when I don’t know what kind of soil to plant in, nor how deep a hole to dig, nor how broad, nor how much of the plant should be buried, nor how it must be set in the ground to grow best?’

[3]

“‘Come then, learn whatever you don’t know. I am sure you have seen the sort of trenches they dig for plants.’

“‘Yes, often enough.’

“‘Did you ever see one more than three feet deep?’

“‘No, of course not — nor more than two and a half.’

“‘Well, did you ever see one more than three feet broad?’

“‘Of course not, nor more than two feet.’

“‘Come then, answer this question too. [4] Did you ever see one less than a foot deep?’

“‘Never less than a foot and a half, of course. For the plants would come out of the ground when it is stirred about them if they were put in so much too shallow.’ [5]

“‘Then you know this well enough, Socrates, that the trenches are never more than two and a half feet deep, nor less than a foot and a half.’

“‘A thing so obvious as that can’t escape one’s eyes.’ [6]

“‘Again, can you distinguish between dry and wet ground by using your eyes?’

“‘Oh, I should think that the land round Lycabettus and any like it is an example of dry ground, and the low-lying land at Phalerum and any like it of wet.’ [7]

“‘In which then would you dig the hole deep for your plant, in the dry or the wet ground?’

“‘In the dry, of course; because if you dug deep in the wet, you would come on water, and water would stop your planting.’

“‘I think you are quite right. Now suppose the holes are dug; have you ever noticed how the plants for each kind of soil should be put in?’

“‘Oh, yes.’ [8]

“‘Then assuming that you want them to grow as quickly as

possible, do you think that if you put some prepared soil under them the cuttings will strike sooner through soft earth into the hard stuff, or through unbroken ground?"

"Clearly, they will form roots more quickly in prepared soil than in unbroken ground." [9]

"Then soil must be placed below the plant?"

"No doubt it must."

"And if you set the whole cutting upright, pointing to the sky, do you think it would take root better, or would you lay part of it slanting under the soil that has been put below, so that it lies like a gamma upside down?" [10]

"Of course I would; for then there would be more buds underground; and I notice that plants shoot from the buds above ground, so I suppose that the buds under the ground do just the same; and with many shoots forming underground, the plant will make strong and rapid growth, I suppose." [11]

"Then it turns out that on these points too your opinion agrees with mine. But would you merely heap up the earth, or make it firm round the plant?"

"I should make it firm, of course; for if it were not firm, I feel sure that the rain would make mud of the loose earth, and the sun would dry it up from top to bottom; so the plants would run the risk of damping off through too much water, or withering from too much heat at the roots." [12]

"About vine planting then, Socrates, your views are again exactly the same as mine." too?" I asked.

"Yes, and to all other fruit trees, I think; for in planting other trees why discard anything that gives good results with the vine?" [13]

"But the olive — how shall we plant that, Ischomachus?"

"You know quite well, and are only trying to draw me out again. For I am sure you see that a deeper hole is dug for the olive (it is constantly being done on the roadside); you see also that all the growing shoots have stumps adhering to them; and you see that all the heads of the plants are coated with clay, and the part of the plant that is above ground is wrapped up." [14]

"Yes, I see all this."

"You do! Then what is there in it that you don't understand? Is it

that you don't know how to put the crocks on the top of the clay, Socrates?'

"Of course there is nothing in what you have said that I don't know, Ischomachus. But I am again set thinking what can have made me answer 'No' to the question you put to me a while ago, when you asked me briefly, Did I understand planting? For I thought I should have nothing to say about the right method of planting. But now that you have undertaken to question me in particular, my answers, you tell me, agree exactly with the views of a farmer so famous for his skill as yourself! [15] Can it be that questioning is a kind of teaching, Ischomachus? The fact is, I have just discovered the plan of your series of questions! You lead me by paths of knowledge familiar to me, point out things like what I know, and bring me to think that I really know things that I thought I had no knowledge of.' [16]

"Now suppose I questioned you about money,' said Ischomachus, 'whether it is good or bad, could I persuade you that you know how to distinguish good from false by test? And by putting questions about flute-players could I convince you that you understand flute-playing; and by means of questions about painters and other artists —'

"You might, since you have convinced me that I understand agriculture, though I know that I have never been taught this art.'

"No, it isn't so, Socrates. [17] I told you a while ago that agriculture is such a humane, gentle art that you have but to see her and listen to her, and she at once makes you understand her. [18] She herself gives you many lessons in the best way of treating her. For instance, the vine climbs the nearest tree, and so teaches you that she wants support. And when her clusters are yet tender, she spreads her leaves about them, and teaches you to shade the exposed parts from the sun's rays during that period. [19] But when it is now time for her grapes to be sweetened by the sun, she sheds her leaves, teaching you to strip her and ripen her fruit. And thanks to her teeming fertility, she shows some mellow clusters while she carries others yet sour, so saying to you: Pluck my grapes as men pluck figs, — choose the luscious ones as they come.'"

20. "And now I asked, 'How is it then, Ischomachus, if the operations of husbandry are so easy to learn and all alike know what

must needs be done, that all have not the same fortune? How is it that some farmers live in abundance and have more than they want, while others cannot get the bare necessities of life, and even run into debt?"

"“Oh, I will tell you, Socrates. [2] It is not knowledge nor want of knowledge on the part of farmers that causes one to thrive while another is needy. [3] You won't hear a story like this running about: The estate has gone to ruin because the sower sowed unevenly, or because he didn't plant the rows straight, or because someone, not knowing the right soil for vines, planted them in barren ground, or because someone didn't know that it is well to prepare the fallow for sowing, or because someone didn't know that it is well to manure the land. [4] No, you are much more likely to hear it said: The man gets no corn from his field because he takes no trouble to see that it is sown or manured. Or, The man has got no wine, for he takes no trouble to plant vines or to make his old stock bear. Or, The man has neither olives nor figs, because he doesn't take the trouble; he does nothing to get them. [5] It is not the farmers reputed to have made some clever discovery in agriculture who differ in fortune from others: it is things of this sort that make all the difference, Socrates. [6] This is true of generals also: there are some branches of strategy in which one is better or worse than another, not because he differs in intelligence, but in point of carefulness, undoubtedly. For the things that all generals know, and most privates, are done by some commanders and left undone by others. [7] For example, they all know that when marching through an enemy's country, the right way is to march in the formation in which they will fight best, if need be. Well, knowing this, some observe the rule, others break it. [8] All know that it is right to post sentries by day and night before the camp; but this too is a duty that some attend to, while others neglect it. [9] Again, where will you find the man who does not know that, in marching through a defile, it is better to occupy the points of vantage first? Yet this measure of precaution too is duly taken by some and neglected by others. [10] So, too, everyone will say that in agriculture there is nothing so good as manure, and their eyes tell them that nature produces it. All know exactly how it is produced, and it is easy to get any amount of it; and yet, while some take care to have it

collected, others care nothing about it. [11] Yet the rain is sent from heaven, and all the hollows become pools of water, and the earth yields herbage of every kind which must be cleared off the ground by the sower before sowing; and the rubbish he removes has but to be thrown into water, and time of itself will make what the soil likes. For every kind of vegetation, every kind of soil in stagnant water turns into manure. [12]

“And again, all the ways of treating the soil when it is too wet for sowing or too salt for planting are familiar to all men — how the land is drained by ditches, how the salt is corrected by being mixed with saltless substances, liquid or dry. Yet these matters, again, do not always receive attention. [13] Suppose a man to be wholly ignorant as to what the land can produce, and to be unable to see crop or tree on it, or to hear from anyone the truth about it, yet is it not far easier for any man to prove a parcel of land than to test a horse or to test a human being? For the land never plays tricks, but reveals frankly and truthfully what she can and what she cannot do. [14] I think that just because she conceals nothing from our knowledge and understanding, the land is the surest tester of good and bad men. For the slothful cannot plead ignorance, as in other arts: land, as all men know, responds to good treatment. [15] Husbandry is the clear accuser of the recreant soul. For no one persuades himself that man could live without bread; therefore if a man will not dig and knows no other profit-earning trade, he is clearly minded to live by stealing or robbery or begging — or he is an utter fool. [16]

“‘Farming,’ he added, ‘may result in profit or in loss; it makes a great difference to the result, even when many labourers are employed, whether the farmer takes care that the men are working during the working hours or is careless about it. For one man in ten by working all the time may easily make a difference, and another by knocking off before the time; [17] and, of course, if the men are allowed to be slack all the day long, the decrease in the work done may easily amount to one half of the whole. [18] Just as two travellers on the road, both young and in good health, will differ so much in pace that one will cover two hundred furlongs to the other’s hundred, because the one does what he set out to do, by going ahead, while the other is all for ease, now resting by a fountain or in the shade, now

gazing at the view, now wooing the soft breeze; [19] so in farm work there is a vast difference in effectiveness between the men who do the job they are put on to do and those who, instead of doing it, invent excuses for not working and are allowed to be slack. [20] In fact, between good work and dishonest slothfulness there is as wide a difference as between actual work and actual idleness. Suppose the vines are being hoed to clear the ground of weeds: if the hoeing is so badly done that the weeds grow ranker and more abundant, how can you call that anything but idleness?’ [21]

“These, then, are the evils that crush estates far more than sheer lack of knowledge. For the outgoing expenses of the estate are not a penny less; but the work done is insufficient to show a profit on the expenditure; after that there’s no need to wonder if the expected surplus is converted into a loss. [22] On the other hand, to a careful man, who works strenuously at agriculture, no business gives quicker returns than farming. My father taught me that and proved it by his own practice. For he never allowed me to buy a piece of land that was well farmed; but pressed me to buy any that was uncultivated and unplanted owing to the owner’s neglect or incapacity. [23] “Well farmed land,” he would say, “costs a large sum and can’t be improved;” and he held that where there is no room for improvement there is not much pleasure to be got from the land: landed estate and livestock must be continually coming on to give the fullest measure of satisfaction. Now nothing improves more than a farm that is being transformed from a wilderness into fruitful fields. [24] I assure you, Socrates, that we have often added a hundredfold to the value of a farm. There is so much money in this idea, Socrates, and it is so easy to learn, that no sooner have you heard of it from me than you know as much as I do, and can go home and teach it to someone else, if you like. [25] Moreover, my father did not get his knowledge of it at secondhand, nor did he discover it by much thought; but he would say that, thanks to his love of husbandry and hard work, he had coveted a farm of this sort in order that he might have something to do, and combine profit with pleasure. [26] For I assure you, Socrates, no Athenian, I believe, had such a strong natural love of agriculture as my father.’

“Now on hearing this I asked, ‘Did your father keep all the farms

that he cultivated, Ischomachus, or did he sell when he could get a good price?’

“‘He sold, of course,’ answered Ischomachus, ‘but, you see, owing to his industrious habits, he would promptly buy another that was out of cultivation.’ [27]

“‘You mean, Ischomachus, that your father really loved agriculture as intensely as merchants love corn. So deep is their love of corn that on receiving reports that it is abundant anywhere, merchants will voyage in quest of it: they will cross the Aegean, the Euxine, the Sicilian sea; [28] and when they have got as much as possible, they carry it over the sea, and they actually stow it in the very ship in which they sail themselves. And when they want money, they don’t throw the corn away anywhere at haphazard, but they carry it to the place where they hear that corn is most valued and the people prize it most highly, and deliver it to them there. Yes, your father’s love of agriculture seems to be something like that.’ [29]

“‘You’re joking, Socrates,’ rejoined Ischomachus; ‘but I hold that a man has a no less genuine love of building who sells his houses as soon as they are finished and proceeds to build others.’

“‘Of course; and I declare, Ischomachus, on my oath that I believe you, that all men naturally love whatever they think will bring them profit.’”

21. “‘But I am pondering over the skill with which you have presented the whole argument in support of your proposition, Ischomachus. For you stated that husbandry is the easiest of all arts to learn, and after hearing all that you have said, I am quite convinced that this is so.’ [2]

“‘Of course it is,’ cried Ischomachus; ‘but I grant you, Socrates, that in respect of aptitude for command, which is common to all forms of business alike — agriculture, politics, estate-management, warfare — in that respect the intelligence shown by different classes of men varies greatly. [3] For example, on a man-of-war, when the ship is on the high seas and the rowers must toil all day to reach port, some boatswains can say and do the right thing to sharpen the men’s spirits and make them work with a will, while others are so unintelligent that it takes them more than twice the time to finish the same voyage. Here they land bathed in sweat, with mutual

congratulations, boatswain and seamen. There they arrive with a dry skin; they hate their master and he hates them. [4] Generals, too, differ from one another in this respect. For some make their men unwilling to work and to take risks, disinclined and unwilling to obey, except under compulsion, and actually proud of defying their commander: aye, and they cause them to have no sense of dishonour when something disgraceful occurs. [5] Contrast the genius, the brave and scientific leader: let him take over the command of these same troops, or of others if you like. What effect has he on them? They are ashamed to do a disgraceful act, think it better to obey, and take a pride in obedience, working cheerfully, every man and all together, when it is necessary to work. [6] Just as a love of work may spring up in the mind of a private soldier here and there, so a whole army under the influence of a good leader is inspired with love of work and ambition to distinguish itself under the commander's eye. [7] Let this be the feeling of the rank and file for their commander; and I tell you, he is the strong leader, he, and not the sturdiest soldier, not the best with bow and javelin, not the man who rides the best horse and is foremost in facing danger, not the ideal of knight or targeteer, but he who can make his soldiers feel that they are bound to follow him through fire and in any adventure. [8] Him you may justly call high-minded who has many followers of like mind; and with reason may he be said to march "with a strong arm" whose will many an arm is ready to serve; and truly great is he who can do great deeds by his will rather than his strength. [9]

"So too in private industries, the man in authority — bailiff or manager — who can make the workers keen, industrious and persevering — he is the man who gives a lift to the business and swells the surplus. [10] But, Socrates, if the appearance of the master in the field, of the man who has the fullest power to punish the bad and reward the strenuous workmen, makes no striking impression on the men at work, I for one cannot envy him. But if at sight of him they bestir themselves, and a spirit of determination and rivalry and eagerness to excel falls on every workman, then I should say: this man has a touch of the kingly nature in him. [11] And this, in my judgment, is the greatest thing in every operation that makes any demand on the labour of men, and therefore in agriculture. Mind you,

I do not go so far as to say that this can be learnt at sight or at a single hearing. On the contrary, to acquire these powers a man needs education; he must be possessed of great natural gifts; above all, he must be a genius. [12] For I reckon this gift is not altogether human, but divine — this power to win willing obedience: it is manifestly a gift of the gods to the true votaries of prudence. Despotism over unwilling subjects they give, I fancy, to those whom they judge worthy to live the life of Tantalus, of whom it is said that in hell he spends eternity, dreading a second death.”

SYMPOSIUM

Translated by O. J. Todd

Another Socratic dialogue, the *Symposium* dramatises a discussion of Socrates and a company at a dinner given by Callias for Autolycus, son of Lycon. Unlike Plato's *Symposium*, which consists of a series of lengthy speeches in praise of love, Xenophon's is dominated by witty repartee. A contest of words emerges between Socrates and Callias, and each of the symposiasts is asked to describe the thing on which he prides himself the most. All their answers are playful or paradoxical: Socrates describes in detail his knowledge of the art of procuring prostitutes. The story comes to a climax when Socrates praises the love Callias had for Autolycus.

Critical opinion is divided as to which author was first to write a Socratic symposium, though recent scholarship generally argues that Xenophon wrote his *Symposium* later in the second half of the 360s, benefiting from Plato's former Socratic works.

SYMPOSIUM

1. To my mind it is worth while to relate not only the serious acts of great and good men but also what they do in their lighter moods. I should like to narrate an experience of mine that gives me this conviction. [2]

It was on the occasion of the horse-races at the greater Panathenaic games; Callias, Hipponicus' son, was enamoured, as it happened, of the boy Autolycus, and in honour of his victory in the pancratium had brought him to see the spectacle. When the racing was over, Callias proceeded on his way to his house in the Peiraeus with Autolycus and the boy's father; Niceratus also was in his company. [3] But on catching sight of a group comprising Socrates, Critobulus, Hermogenes, Antisthenes, and Charmides, Callias bade one of his servants escort Autolycus and the others, and himself going over to Socrates and his companions, said, [4] "This is an opportune meeting, for I am about to give a dinner in honour of Autolycus and his father; and I think that my entertainment would present a great deal more brilliance if my dining-room were graced with the presence of men like you, whose hearts have undergone philosophy's purification, than it would with generals and cavalry commanders and office-seekers." [5]

"You are always quizzing us," replied Socrates; "for you have yourself paid a good deal of money for wisdom to Protagoras, Gorgias, Prodicus, and many others, while you see that we are what you might call amateurs in philosophy; and so you feel supercilious toward us." [6]

"Yes," said Callias, "so far, I admit, I have been keeping you ignorant of my ability at profound and lengthy discourse; but now, if you will favour me with your company, I will prove to you that I am a person of some consequence." [7]

Now at first Socrates and his companions thanked him for the invitation, as might be expected, but would not promise to attend the banquet; when it became clear, however, that he was taking their refusal very much to heart, they went with him. And so his guests arrived, some having first taken their exercise and their rub-down,

others with the addition of a bath. [8] Autolycus took a seat by his father's side; the others, of course, reclined.

A person who took note of the course of events would have come at once to the conclusion that beauty is in its essence something regal, especially when, as in the present case of Autolycus, its possessor joins with it modesty and sobriety. [9] For in the first place, just as the sudden glow of a light at night draws all eyes to itself, so now the beauty of Autolycus compelled every one to look at him. And again, there was not one of the onlookers who did not feel his soul strangely stirred by the boy; some of them grew quieter than before, others even assumed some kind of a pose. [10] Now it is true that all who are under the influence of any of the gods seem well worth gazing at; but whereas those who are possessed of the other gods have a tendency to be sterner of countenance, more terrifying of voice, and more vehement, those who are inspired by chaste Love have a more tender look, subdue their voices to more gentle tones, and assume a supremely noble bearing. Such was the demeanour of Callias at this time under the influence of Love; and therefore he was an object well worth the gaze of those initiated into the worship of this god. [11]

The company, then, were feasting in silence, as though some one in authority had commanded them to do so, when Philip the buffoon knocked at the door and told the porter to announce who he was and that he desired to be admitted; he added that with regard to food he had come all prepared, in all varieties — to dine on some other person's, — and that his servant was in great distress with the load he carried of — nothing, and with having an empty stomach. Hearing this, Callias said, [12] “Well, gentlemen, we cannot decently begrudge him at the least the shelter of our roof; so let him come in.” With the words he cast a glance at Autolycus, obviously trying to make out what he had thought of the pleasantry. [13] But Philip, standing at the threshold of the men's hall where the banquet was served, announced:

“You all know that I am a jester; and so I have come here with a will, thinking it more of a joke to come to your dinner uninvited than to come by invitation.” “Well, then,” said Callias, “take a place; for the guests, though well fed, as you observe, on seriousness, are

perhaps rather ill supplied with laughter.” [14]

No sooner were they engaged in their dinner than Philip attempted a witticism, with a view to rendering the service that secured him all his dinner engagements; but on finding that he did not excite any laughter, he showed himself, for the time, considerably vexed. A little later, however, he must try another jest; but when they would not laugh at him this time either, he stopped while the dinner was in full swing, covered his head with his cloak, and lay down on his couch. [15] “What does this mean, Philip?” Callias inquired. “Are you seized with a pain?” Philip replied with a groan, “Yes, Callias, by Heaven, with a severe one; for since laughter has perished from the world, my business is ruined. For in times past, the reason why I got invitations to dinner was that I might stir up laughter among the guests and make them merry; but now, what will induce any one to invite me? For I could no more turn serious than I could become immortal; and certainly no one will invite me in the hope of a return invitation, as every one knows that there is not a vestige of tradition of bringing dinner into my house.” As he said this, he wiped his nose, and to judge by the sound, he was evidently weeping. [16] All tried to comfort him with the promise that they would laugh next time, and urged him to eat; and Critobulus actually burst out into a guffaw at his lugubrious moaning. The moment Philip heard the laughter he uncovered his head, and exhorting his spirit to be of good courage, in view of approaching engagements, he fell to eating again.

2. When the tables had been removed and the guests had poured a libation and sung a hymn, there entered a man from Syracuse, to give them an evening’s merriment. He had with him a fine flute-girl, a dancing-girl — one of those skilled in acrobatic tricks, — and a very handsome boy, who was expert at playing the cither and at dancing; the Syracusan made money by exhibiting their performances as a spectacle. [2] They now played for the assemblage, the flute-girl on the flute, the boy on the cither; and it was agreed that both furnished capital amusement. Thereupon Socrates remarked: “On my word, Callias, you are giving us a perfect dinner; for not only have you set before us a feast that is above criticism, but you are also offering us very delightful sights and sounds.” [3] “Suppose we go further,” said Callias, “and have some one bring us some perfume, so that we may

dine in the midst of pleasant odours, also.” “No, indeed!” replied Socrates. “For just as one kind of dress looks well on a woman and another kind on a man, so the odours appropriate to men and to women are diverse. No man, surely, ever uses perfume for a man’s sake. And as for the women, particularly if they chance to be young brides, like the wives of Niceratus here and Critobulus, how can they want any additional perfume? For that is what they are redolent of, themselves. The odour of the olive oil, on the other hand, that is used in the gymnasium is more delightful when you have it on your flesh than perfume is to women, and when you lack it, the want of it is more keenly felt. [4] Indeed, so far as perfume is concerned, when once a man has anointed himself with it, the scent forthwith is all one whether he be slave or free; but the odours that result from the exertions of freemen demand primarily noble pursuits engaged in for many years if they are to be sweet and suggestive of freedom.”

“That may do for young fellows,” observed Lycon; “but what of us who no longer exercise in the gymnasia? What should be our distinguishing scent?”

“Nobility of soul, surely!” replied Socrates.

“And where may a person get this ointment?”

“Certainly not from the perfumers,” said Socrates.

“But where, then?”

“Theognis has said:

‘Good men teach good; society with bad

Will but corrupt the good mind that you had.’” [5]

“Do you hear that, my son?” asked Lycon.

“Yes, indeed he does,” said Socrates; “and he puts it into practice, too. At any rate, when he desired to become a prize-winner in the pancratium, [he availed himself of your help to discover the champions in that sport and associated with them; and so, if he desires to learn the ways of virtue,] he will again with your help seek out the man who seems to him most proficient in this way of life and will associate with him.” [6]

Thereupon there was a chorus of voices. “Where will he find an instructor in this subject?” said one. Another maintained that it could not be taught at all. A third asserted that this could be learned if anything could. [7] “Since this is a debatable matter,” suggested

Socrates, “let us reserve it for another time; for the present let us finish what we have on hand. For I see that the dancing girl here is standing ready, and that some one is bringing her some hoops.” [8]

At that, the other girl began to accompany the dancer on the flute, and a boy at her elbow handed her up the hoops until he had given her twelve. She took these and as she danced kept throwing them whirling into the air, observing the proper height to throw them so as to catch them in a regular rhythm. [9]

As Socrates looked on he remarked: “This girl’s feat, gentlemen, is only one of many proofs that woman’s nature is really not a whit inferior to man’s, except in its lack of judgment and physical strength. So if any one of you has a wife, let him confidently set about teaching her whatever he would like to have her know.” [10]

“If that is your view, Socrates,” asked Antisthenes, “how does it come that you don’t practise what you preach by yourself educating Xanthippe, but live with a wife who is the hardest to get along with of all the women there are — yes, or all that ever were, I suspect, or ever will be?”

“Because,” he replied, “I observe that men who wish to become expert horsemen do not get the most docile horses but rather those that are high-mettled, believing that if they can manage this kind, they will easily handle any other. My course is similar. Mankind at large is what I wish to deal and associate with; and so I have got her, well assured that if I can endure her, I shall have no difficulty in my relations with all the rest of human kind.”

These words, in the judgment of the guests, did not go wide of the mark. [11]

But now there was brought in a hoop set all around with upright swords; over these the dancer turned somersaults into the hoop and out again, to the dismay of the onlookers, who thought that she might suffer some mishap. She, however, went through this performance fearlessly and safely. [12]

Then Socrates, drawing Antisthenes’ attention, said: “Witnesses of this feat, surely, will never again deny, I feel sure, that courage, like other things, admits of being taught, when this girl, in spite of her sex, leaps so boldly in among the swords!” [13]

“Well, then,” asked Antisthenes, “had this Syracusan not better

exhibit his dancer to the city and announce that if the Athenians will pay him for it he will give all the men of Athens the courage to face the spear?" [14]

"Well said!" interjected Philip. "I certainly should like to see Peisander the politician learning to turn somersaults among the knives; for, as it is now, his inability to look spears in the face makes him shrink even from joining the army." [15]

At this point the boy performed a dance, eliciting from Socrates the remark, "Did you notice that, handsome as the boy is, he appears even handsomer in the poses of the dance than when he is at rest?"

"It looks to me," said Charmides, "as if you were puffing the dancing-master." [16]

"Assuredly," replied Socrates; "and I remarked something else, too, — that no part of his body was idle during the dance, but neck, legs, and hands were all active together. And that is the way a person must dance who intends to increase the suppleness of his body. And for myself," he continued, addressing the Syracusan, "I should be delighted to learn the figures from you."

"What use will you make of them?" the other asked.

"I will dance, by Zeus." [17]

This raised a general laugh; but Socrates, with a perfectly grave expression on his face, said: "You are laughing at me, are you? Is it because I want to exercise to better my health? Or because I want to take more pleasure in my food and my sleep? Or is it because I am eager for such exercises as these, not like the long-distance runners, who develop their legs at the expense of their shoulders, nor like the prize-fighters, who develop their shoulders but become thin-legged, but rather with a view to giving my body a symmetrical development by exercising it in every part? [18] Or are you laughing because I shall not need to hunt up a partner to exercise with, or to strip, old as I am, in a crowd, but shall find a moderate-sized room large enough for me (just as but now this room was large enough for the lad here to get up a sweat in), and because in winter I shall exercise under cover, and when it is very hot, in the shade? [19] Or is this what provokes your laughter, that I have an unduly large paunch and wish to reduce it? Don't you know that just the other day Charmides here caught me dancing early in the morning?"

“Indeed I did,” said Charmides; “and at first I was dumbfounded and feared that you were going stark mad; but when I heard you say much the same things as you did just now, I myself went home, and although I did not dance, for I had never learned how, I practised shadow-boxing, for I knew how to do that.” [20]

“Undoubtedly,” said Philip; “at any rate, your legs appear so nearly equal in weight to your shoulders that I imagine if you were to go to the market commissioners and put your lower parts in the scale against your upper parts, as if they were loaves of bread, they would let you off without a fine.”

“When you are ready to begin your lessons, Socrates,” said Callias, “pray invite me, so that I may be opposite you in the figures and may learn with you.” [21]

“Come,” said Philip, “let me have some flute music, so that I may dance too.”

So he got up and mimicked in detail the dancing of both the boy and the girl. [22] To begin with, since the company had applauded the way the boy’s natural beauty was increased by the grace of the dancing postures, Philip made a burlesque out of the performance by rendering every part of his body that was in motion more grotesque than it naturally was; and whereas the girl had bent backward until she resembled a hoop, he tried to do the same by bending forward. Finally, since they had given the boy applause for putting every part of his body into play in the dance, he told the flute girl to hit up the time faster, and danced away, flinging out legs, hands, and head all at the same time; [23] and when he was quite exhausted, he exclaimed as he laid himself down: “Here is proof, gentlemen, that my style of dancing, also, gives excellent exercise; it has certainly given me a thirst; so let the servant fill me up the big goblet.” [24]

“Certainly,” replied Callias; “and the same for us, for we are thirsty with laughing at you.”

Here Socrates again interposed. “Well, gentlemen,” said he, “so far as drinking is concerned, you have my hearty approval; for wine does of a truth ‘moisten the soul’ and lull our griefs to sleep just as the mandragora does with men, at the same time awakening kindly feelings as oil quickens a flame. [25] However, I suspect that men’s bodies fare the same as those of plants that grow in the ground.

When God gives the plants water in floods to drink, they cannot stand up straight or let the breezes blow through them; but when they drink only as much as they enjoy, they grow up very straight and tall and come to full and abundant fruitage. [26] So it is with us. If we pour ourselves immense draughts, it will be no long time before both our bodies and our minds reel, and we shall not be able even to draw breath, much less to speak sensibly; but if the servants frequently ‘besprinkle’ us — if I too may use a Gorgian expression — with small cups, we shall thus not be driven on by the wine to a state of intoxication, but instead shall be brought by its gentle persuasion to a more sportive mood.” [27]

This resolution received a unanimous vote, with an amendment added by Philip to the effect that the wine-pourers should emulate skilful charioteers by driving the cups around with ever increasing speed. This the wine-pourers proceeded to do.

3. After this the boy, attuning his lyre to the flute, played and sang, and won the applause of all; and brought from Charmides the remark, “It seems to me, gentlemen, that, as Socrates said of the wine, so this blending of the young people’s beauty and of the notes of the music lulls one’s griefs to sleep and awakens the goddess of Love.” [2]

Then Socrates resumed the conversation. “These people, gentlemen,” said he, “show their competence to give us pleasure; and yet we, I am sure, think ourselves considerably superior to them. Will it not be to our shame, therefore, if we do not make even an attempt, while here together, to be of some service or to give some pleasure one to another?”

At that many spoke up: “You lead the way, then, and tell us what to begin talking about to realize most fully what you have in mind.” [3]

“For my part,” he answered, “I should like to have Callias redeem his promise; for he said, you remember, that if we would take dinner with him, he would give us an exhibition of his profundity.”

“Yes,” rejoined Callias; “and I will do so, if the rest of you will also lay before us any serviceable knowledge that you severally possess.”

“Well,” answered Socrates, “no one objects to telling what he

considers the most valuable knowledge in his possession.” [4]

“Very well, then,” said Callias, “I will now tell you what I take greatest pride in. It is that I believe I have the power to make men better.”

“How?” asked Antisthenes. “By teaching them some manual trade, or by teaching nobility of character?”

“The latter, if righteousness is the same thing as nobility.”

“Certainly it is,” replied Antisthenes, “and the least debatable kind, too; for though courage and wisdom appear at times to work injury both to one’s friends and to the state, righteousness and unrighteousness never overlap at a single point.” [5]

“Well, then, when every one of you has named the benefit he can confer, I will not begrudge describing the art that gives me the success that I speak of. And so, Niceratus,” he suggested, “it is your turn; tell us what kind of knowledge you take pride in.”

“My father was anxious to see me develop into a good man,” said Niceratus, “and as a means to this end he compelled me to memorize all of Homer; and so even now I can repeat the whole Iliad and the Odyssey by heart.” [6]

“But have you failed to observe,” questioned Antisthenes, “that the rhapsodes, too, all know these poems?”

“How could I,” he replied, “when I listen to their recitations nearly every day?”

“Well, do you know any tribe of men,” went on the other, “more stupid than the rhapsodes?”

“No, indeed,” answered Niceratus; “not I, I am sure.”

“No,” said Socrates; “and the reason is clear: they do not know the inner meaning of the poems. But you have paid a good deal of money to Stesimbrotus, Anaximander, and many other Homeric critics, so that nothing of their valuable teaching can have escaped your knowledge. [7] But what about you, Critobulus?” he continued. “What do you take greatest pride in?”

“In beauty,” he replied.

“What?” exclaimed Socrates. “Are you too going to be able to maintain that you can make us better, and by means of your beauty?”

“Why, otherwise, it is clear enough that I shall cut but an indifferent figure.” [8]

“And you, Antisthenes,” said Socrates, “what do you take pride in?”

“In wealth,” he replied.

Hermogenes asked him whether he had a large amount of money; he swore that he did not have even a penny.

“You own a great deal of land, then?”

“Well, perhaps it might prove big enough,” said he, “for Autolycus here to sand himself in.” [9]

“It looks as if we should have to hear from you, too. And how about you, Charmides?” he continued. “What do you take pride in?”

“What pride,” said he, “on the contrary, is in my poverty.”

“A charming thing, upon my word!” exclaimed Socrates. “It seldom causes envy or is a bone of contention; and it is kept safe without the necessity of a guard, and grows sturdier by neglect!” [10]

“But what of you, Socrates?” said Callias. “What are you proud of?”

Socrates drew up his face into a very solemn expression, and answered, “The trade of procurer.”

After the rest had had a laugh at him, “Very well,” said he, “you may laugh, but I know that I could make a lot of money if I cared to follow the trade.” [11]

“As for you,” said Lycon, addressing Philip, “it is obvious that your pride is in your jesting.”

“And my pride is better founded, I think,” replied Philip, “than that of Callippides, the actor, who is consumed with vanity because he can fill the seats with audiences that weep.” [12]

“Will you also not tell us, Lycon,” said Antisthenes, “what it is that you take pride in?”

“Don’t you all know,” he answered, “that it is in my son here?”

“And as for him,” said one, “it is plain that he is proud at having taken a prize.”

At this Autolycus blushed and said, “No, indeed, not that.” [13]

All looked at him, delighted to hear him speak, and one asked, “What is it, then, Autolycus, that you are proud of?” and he answered, “My father,” and with the words nestled close against him.

When Callias saw this, “Do you realize, Lycon,” said he, “that you are the richest man in the world?”

“No, indeed,” the other replied, “I certainly do not know that.”

“Why, are you blind to the fact that you would not part with your son for the wealth of the Great King?”

“I am caught,” was the answer, “red-handed; it does look as if I were the richest man in the world.” [14]

“What about you, Hermogenes?” said Niceratus. “What do you delight in most?”

“In the goodness and the power of my friends,” he answered, “and in the fact that with all their excellence they have regard for me.”

Thereupon all eyes were turned toward him, and many speaking at once asked him whether he would not discover these friends to them; and he answered that he would not be at all loath to do so.

4. At this point Socrates said: “I suspect that it remains now for each one of us to prove that what he engaged himself to champion is of real worth.”

“You may hear me first,” said Callias. “While I listen to your philosophical discussions of what righteousness is, I am all the time actually rendering men more righteous.”

“How so, my good friend?” asked Socrates.

“Why, by giving them money.” [2]

Then Antisthenes got up and in a very argumentative fashion interrogated him. “Where do you think men harbour their righteousness, Callias, in their souls or in their purses?”

“In their souls,” he replied.

“So you make their souls more righteous by putting money into their purses?”

“I surely do.”

“How?”

“Because they know that they have the wherewithal to buy the necessities of life, and so they are reluctant to expose themselves to the hazards of crime.” [3]

“And do they repay you,” he asked, “the money that they get from you?”

“Heavens, no!” he replied.

“Well, do they substitute thanks for money payment?”

“No, indeed, nor that either,” he said. “On the contrary, some of them have an even greater dislike of me than before they got the

money.”

“It is remarkable,” said Antisthenes, looking fixedly at him as though he had him in a corner, “that you can make them righteous toward others but not toward yourself.” [4]

“What is there remarkable about that?” asked Callias. “Do you not see plenty of carpenters, also, and architects that build houses for many another person but cannot do it for themselves, but live in rented houses? Come now, my captious friend, take your medicine and own that you are beaten.” [5]

“By all means,” said Socrates, “let him do so. For even the soothsayers have the reputation, you know, of prophesying the future for others but of not being able to foresee their own fate.”

Here the discussion of this point ended. [6]

Then Niceratus remarked: “You may now hear me tell wherein you will be improved by associating with me. You know, doubtless, that the sage Homer has written about practically everything pertaining to man. Any one of you, therefore, who wishes to acquire the art of the householder, the political leader, or the general, or to become like Achilles or Ajax or Nestor or Odysseus, should seek my favour, for I understand all these things.”

“Ha!” said Antisthenes; “do you understand how to play the king, too, knowing, as you do, that Homer praised Agamemnon for being ‘both goodly king and spearman strong’?”

“Yes, indeed!” said he; “and I know also that in driving a chariot one must run close to the goalpost at the turn and” Himself lean lightly to the left within The polished car, the right-hand trace-horse goad, Urge him with shouts, and let him have the reins.” *Hom. Il.* 23.335-337 [7] And beside this I know something else, which you may test immediately. For Homer says somewhere: ‘An onion, too, a relish for the drink.’ Now if some one will bring an onion, you will receive this benefit, at any rate, without delay; for you will get more pleasure out of your drinking.” [8]

“Gentlemen,” said Charmides, “Niceratus is intent on going home smelling of onions to make his wife believe that no one would even have conceived the thought of kissing him.”

“Undoubtedly,” said Socrates. “But we run the risk of getting a different sort of reputation, one that will bring us ridicule. For though

the onion seems to be in the truest sense a relish, since it adds to our enjoyment not only of food, but also of drink, yet if we eat it not only with our dinner but after it as well, take care that some one does not say of us that on our visit to Callias we were merely indulging our appetites.” [9]

“Heaven forbid, Socrates!” was the reply. “I grant that when a man is setting out for battle, it is well for him to nibble an onion, just as some people give their game-cocks a feed of garlic before pitting them together in the ring; as for us, however, our plans perhaps look more to getting a kiss from some one than to fighting.”

That was about the way the discussion of this point ended. [10]

Then Critobulus said: “Shall I take my turn now and tell you my grounds for taking pride in my handsomeness?”

“Do,” they said.

“Well, then, if I am not handsome, as I think I am, you could fairly be sued for misrepresentation; for though no one asks you for an oath, you are always swearing that I am handsome. And indeed I believe you; for I consider you to be honourable men. [11] But, on the other hand, if I really am handsome and you have the same feelings toward me that I have toward the one who is handsome in my eyes, I swear by all the gods that I would not take the kingdom of Persia in exchange for the possession of beauty. [12] For as it is, I would rather gaze at Cleinias than at all the other beautiful objects in the world. I would rather be blind to all things else than to Cleinias alone. I chafe at both night and sleep because then I do not see him; I feel the deepest gratitude to day and the sun because they reveal Cleinias to me. [13] We handsome people have a right to be proud of this fact, too, that whereas the strong man must get the good things of his desire by toil, and the brave man by adventure, and the wise man by his eloquence, the handsome person can attain all his ends without doing anything. [14] So far as I, at least, am concerned, although I realize that money is a delightful possession, I should take more delight in giving what I have to Cleinias than in adding to my possessions from another person’s; and I should take more delight in being a slave than in being a free man, if Cleinias would deign to be my master. For I should find it easier to toil for him than to rest, and it would be more delightful to risk my life for his sake than to live in

safety. [15] And so, Callias, if you are proud of your ability to make people more righteous, I have a better 'right' than you to claim that I can influence men toward every sort of virtue. For since we handsome men exert a certain inspiration upon the amorous, we make them more generous in money matters, more strenuous and heroic amid dangers, yes, and more modest and self-controlled also; for they feel abashed about the very things that they want most. [16] Madness is in those people, too, who do not elect the handsome men as generals; I certainly would go through fire with Cleinias, and I know that you would, also, with me. Therefore, Socrates, do not puzzle any more over the question whether or not my beauty will be of any benefit to men. [17] But more than that, beauty is not to be contemned on this ground, either, that it soon passes its prime; for just as we recognize beauty in a boy, so we do in a youth, a full-grown man, or an old man. Witness the fact that in selecting garlandbearers for Athena they choose beautiful old men, thus intimating that beauty attends every period of life. [18] Furthermore, if it is pleasurable to attain one's desires with the good will of the giver, I know very well that at this very moment, without uttering a word, I could persuade this boy or this girl to give me a kiss sooner than you could, Socrates, no matter how long and profoundly you might argue." [19]

"How now?" exclaimed Socrates. "You boast as though you actually thought yourself a handsomer man than me."

"Of course," was Critobulus's reply; "otherwise I should be the ugliest of all the Satyrs ever on the stage."

Now Socrates, as fortune would have it, really resembled these creatures. [20]

"Come, come," said Socrates; "see that you remember to enter a beauty contest with me when the discussion now under way has gone the rounds. And let our judges be not Alexander, Priam's son, but these very persons whom you consider eager to give you a kiss." [21]

"Would you not entrust the arbitrament to Cleinias, Socrates?"

"Aren't you ever going to get your mind off Cleinias?" was the rejoinder.

"If I refrain from mentioning his name, do you suppose that I shall have him any the less in mind? Do you not know that I have so clear

an image of him in my heart that had I ability as a sculptor or a painter I could produce a likeness of him from this image that would be quite as close as if he were sitting for me in person?" [22]

"Why do you annoy me, then," was Socrates' retort, "and keep taking me about to places where you can see him in person, if you possess so faithful an image of him?"

"Because, Socrates, the sight of him in person has the power to delight one, whereas the sight of the image does not give pleasure, but implants a craving for him." [23]

"For my part, Socrates," said Hermogenes, "I do not regard it as at all like you to countenance such a mad passion of love in Critobulus."

"What? Do you suppose," asked Socrates, "that this condition has arisen since he began associating with me?"

"If not, when did it?"

"Do you not notice that the soft down is just beginning to grow down in front of his ears, while that of Cleinias is already creeping up the nape of his neck? Well, then, this hot flame of his was kindled in the days when they used to go to school together. [24] It was the discovery of this that caused his father to put him into my hands, in the hope that I might do him some good. And without question he is already much improved. For awhile ago he was like those who look at the Gorgons — he would gaze at Cleinias with a fixed and stony stare and would never leave his presence; but now I have seen him actually close his eyes in a wink. [25] But to tell you the truth, gentlemen," he continued, "by Heaven! it does look to me — to speak confidentially — as if he had also kissed Cleinias; and there is nothing more terribly potent than this at kindling the fires of passion. For it is insatiable and holds out seductive hopes. [26] For this reason I maintain that one who intends to possess the power of self-control must refrain from kissing those in the bloom of beauty." [27]

"But why in the world, Socrates," Charmides now asked, "do you flourish your bogeys so to frighten us, your friends, away from the beauties, when, by Apollo! I have seen you yourself," he continued, "when the two of you were hunting down something in the same book-roll at the school, sitting head to head, with your nude shoulder pressing against Critobulus's nude shoulder?" [28]

“Dear me!” exclaimed Socrates. “So that is what affected me like the bite of a wild animal! And for over five days my shoulder smarted and I felt as if I had something like a sting in my heart. But now, Critobulus,” said he, “in the presence of all these witnesses I warn you not to lay a finger on me until you get as much hair on your chin as you have on your head.”

Such was the mingled raillery and seriousness that these indulged in. [29]

But Callias now remarked, “It is your turn, Charmides, to tell us why poverty makes you feel proud.”

“Very well,” said he. “So much, at least, every one admits, that assurance is preferable to fear, freedom to slavery, being the recipient of attention to being the giver of it, the confidence of one’s country to its distrust. [30] Now, as for my situation in our commonwealth, when I was rich, I was, to begin with, in dread of some one’s digging through the wall of my house and not only getting my money but also doing me a mischief personally; in the next place, I knuckled down to the blackmailers, knowing well enough that my abilities lay more in the direction of suffering injury than of inflicting it on them. Then, too, I was for ever being ordered by the government to undergo some expenditure or other, and I never had the opportunity for foreign travel. [31] Now, however, since I am stripped of my property over the border and get no income from the property in Attica, and my household effects have been sold, I stretch out and enjoy a sound sleep, I have gained the confidence of the state, I am no longer subjected to threats but do the threatening now myself; and I have the free man’s privilege of going abroad or staying here at home as I please. People now actually rise from their seats in deference to me, and rich men obsequiously give me the right of way on the street, [32] Now I am like a despot; then I was clearly a slave. Then I paid a revenue to the body politic; now I live on the tribute that the state pays to me. Moreover, people used to vilify me, when I was wealthy, for consorting with Socrates; but now that I have got poor, no one bothers his head about it any longer. Again, when my property was large, either the government or fate was continually making me throw some of it to the winds; but now, far from throwing anything away (for I possess nothing), I am always in expectation of

acquiring something.” [33]

“Your prayers, also,” said Callias, “are doubtless to the effect that you may never be rich; and if you ever have a fine dream you sacrifice, do you not, to the deities who avert disasters?”

“Oh, no” was the reply; “I don’t go so far as that; I hazard the danger with great heroism if I have any expectation of getting something from some one.” [34]

“Come, now, Antisthenes,” said Socrates, “take your turn and tell us how it is that with such slender means you base your pride on wealth.”

“Because, sirs, I conceive that people’s wealth and poverty are to be found not in their real estate but in their hearts. [35] For I see many persons, not in office, who though possessors of large resources, yet look upon themselves as so poor that they bend their backs to any toil, any risk, if only they may increase their holdings; and again I know of brothers, with equal shares in their inheritance, where one of them has plenty, and more than enough to meet expenses, while the other is in utter want. [36] Again, I am told of certain despots, also, who have such a greedy appetite for riches that they commit much more dreadful crimes than they who are afflicted with the direst poverty. For it is of course their want that makes some people steal, others commit burglary, others follow the slave trade; but there are some despots who destroy whole families, kill men wholesale, oftentimes enslave even entire cities, for the sake of money. [37] As for such men, I pity them deeply for their malignant disease; for in my eyes their malady resembles that of a person who possessed abundance but though continually eating could never be satisfied. For my own part, my possessions are so great that I can hardly find them myself; yet I have enough so that I can eat until I reach a point where I no longer feel hungry and drink until I do not feel thirsty and have enough clothing so that when out of doors I do not feel the cold any more than my superlatively wealthy friend Callias here; [38] and when I get into the house I look on my walls as exceedingly warm tunics and the roofs as exceptionally thick mantles; and the bedding that I own is so satisfactory that it is actually a hard task to get me awake in the morning. If I ever feel a natural desire for converse with women, I am so well satisfied with whatever chance puts in my way

that those to whom I make my addresses are more than glad to welcome me because they have no one else who wants to consort with them. [39] In a word, all these items appeal to me as being so conducive to enjoyment that I could not pray for greater pleasure in performing any one of them, but could pray rather for less — so much more pleasurable do I regard some of them than is good for one. [40] But the most valuable parcel of my wealth I reckon to be this, that even though some one were to rob me of what I now possess, I see no occupation so humble that it would not give me adequate fare. [41] For whenever I feel an inclination to indulge my appetite, I do not buy fancy articles at the market (for they come high), but I draw on the store-house of my soul. And it goes a long way farther toward producing enjoyment when I take food only after awaiting the craving for it than when I partake of one of these fancy dishes, like this fine Thasian wine that fortune has put in my way and I am drinking without the promptings of thirst. [42] Yes, and it is natural that those whose eyes are set on frugality should be more honest than those whose eyes are fixed on money-making. For those who are most contented with what they have are least likely to covet what belongs to others. [43] And it is worth noting that wealth of this kind makes people generous, also. My friend Socrates here and I are examples. For Socrates, from whom I acquired this wealth of mine, did not come to my relief with limitation of number and weight, but made over to me all that I could carry. And as for me, I am now niggardly to no one, but both make an open display of my abundance to all my friends and share my spiritual wealth with any one of them that desires it. [44] But — most exquisite possession of all! — you observe that I always have leisure, with the result that I can go and see whatever is worth seeing, and hear whatever is worth hearing and — what I prize highest — pass the whole day, untroubled by business, in Socrates' company. Like me, he does not bestow his admiration on those who count the most gold, but spends his time with those who are congenial to him.” [45]

Such was the thesis maintained by Antisthenes. “So help me Hera,” commented Callias, “among the numerous reasons I find for congratulating you on your wealth, one is that the government does not lay its commands on you and treat you as a slave, another is that

people do not feel resentful at your not making them a loan.”

“Do not be congratulating him,” said Niceratus; “because I am about to go and get him to make me a loan — of his contentment with his lot, schooled as I am by Homer to count” Seven pots unfired, ten talents’ weight of gold, A score of gleaming cauldrons, chargers twelve,” *Hom. Iliad* 9.122 f., 264 f. weighing and calculating until I am never done with yearning for vast riches; as a result, some people perhaps regard me as just a bit fond of lucre.”

A burst of laughter from the whole company greeted this admission; for they considered that he had told nothing more than the truth. [46]

“Hermogenes, it devolves on you,” some one now remarked, “to mention who your friends are and to demonstrate their great power and their solicitude for you, so that your pride in them may appear justified.” [47]

“Very well; in the first place, it is clear as day that both Greeks and barbarians believe that the gods know everything both present and to come; at any rate, all cities and all races ask the gods, by the diviner’s art, for advice as to what to do and what to avoid. Second, it is likewise manifest that we consider them able to work us good or ill; at all events, every one prays the gods to avert evil and grant blessings. [48] Well, these gods, omniscient and omnipotent, feel so friendly toward me that their watchfulness over me never lets me out of their ken night or day, no matter where I am going or what business I have in view. They know the results also that will follow any act; and so they send me as messengers omens of sounds, dreams, and birds, and thus indicate what I ought to do and what I ought not to do. And when I do their bidding, I never regret it; on the other hand, I have before now disregarded them and have been punished for it.” [49]

“None of these statements,” said Socrates, “is incredible. But what I should like very much to know is how you serve them to keep them so friendly.”

“A very economical service it is, I declare!” responded Hermogenes. “I sound their praises, — which costs nothing; I always restore them part of what they give me; I avoid profanity of speech as far as I can; and I never wittingly lie in matters wherein I have

invoked them to be my witnesses.”

“Truly,” said Socrates, “if it is conduct like this that gives you their friendship, then the gods also, it would seem, take delight in nobility of soul!”

Such was the serious turn given to the discussion of this topic. [50]

When they got around to Philip, they asked him what he saw in the jester’s profession to feel proud of it.

“Have I not a right to be proud,” said he, “when all know that I am a jester, and so whenever they have a bit of good fortune, give me hearty invitations to come and join them, but when they suffer some reverse, run from me with never a glance behind, in dread that they may be forced to laugh in spite of themselves?” [51]

“Your pride is abundantly justified,” said Niceratus. “In my case, on the contrary, those friends who enjoy success keep out of my way, but those that run into some mishap reckon up their kinship to me on the family tree, and I can’t get rid of them.” [52]

“No doubt,” said Charmides; and then, turning to the Syracusan, “What is it that you are proud of? The boy, I suppose?”

“Quite the contrary,” was the reply; “I am instead in extreme apprehension about him. For I understand that there are certain persons plotting his undoing.” [53]

On receiving this information, “Good Heavens!” exclaimed Socrates; “what wrong do they imagine your lad has done them that is grave enough to make them wish to kill him?”

Syr. “It is not killing him that they desire; oh, no! but to persuade him to sleep with them.”

Soc. “Your belief, then, if I mistake not, is that if this happened, he would be undone?”

Syr. “Aye, utterly!” [54]

Soc. “Do you not then sleep in his bed yourself?”

Syr. “Most certainly, all night and every night.”

Soc. “Marry, you are in great luck to be formed of such flesh that you are unique in not corrupting those that sleep with you. And so you have a right to be proud of your flesh if of nothing else.” [55]

Syr. “And yet that is not the basis of my pride.”

Soc. “What is, then?”

Syr. “Fools, in faith. They give me a livelihood by coming to view

my marionettes.”

“Ah!” ejaculated Philip; “that explains the prayer I heard you uttering the other day, that wherever you were the gods would grant you an abundant harvest of grain but a crop-failure of wits!” [56]

“Good!” said Callias. “And now, Socrates, what can you advance in support of your pride in that disreputable profession that you mentioned?”

“Let us first,” said he, “come to an understanding on the functions that belong to the procurer. Do not hesitate to answer all the questions I ask you, so that we may know our points of agreement. Is that your pleasure?” he asked.

“Certainly,” was their reply; and when they had once started with “certainly,” that was the regular answer they all made to his questions thereafter. [57]

Soc. “Well, then, you consider it the function of a good procurer to render the man or the woman whom he is serving attractive to his or her associates?”

All. “Certainly.”

Soc. “Now, one thing that contributes to rendering a person attractive is a comely arrangement of hair and clothing, is it not?”

All. “Certainly.” [58]

“This, also, we know, do we not, that it is in a man’s power to use the one pair of eyes to express both friendship and hostility?”

“Certainly.”

“And again, it is possible to speak both modestly and boldly with the same voice?”

“Certainly.”

“Moreover, are there not words that create ill feeling and others that conduce to friendliness?”

“Certainly.” [59]

“Now the good procurer would teach only the words that tend to make one attractive, would he not?”

“Certainly.”

“Which one would be the better?” he continued, “the one who could make people attractive to a single person or the one who could make them attractive to many?”

This question brought a division; some said, “Clearly the one who

could make them attractive to a great many”; the others merely repeated, “Certainly.” [60]

Remarking that they were all of one mind on this point as on the others, he went on: “If a person could render people attractive to the entire community, would he not satisfy the requirements of the ideal procurer?”

“Indubitably,” they all said.

“And so, if one could produce men of this type out of his clients, he would be entitled to feel proud of his profession and to receive a high remuneration, would he not?” [61]

All agreeing on this point, too, he added, “Antisthenes here seems to me to be a man of just that sort.”

Antisthenes asked, “Are you resigning your profession to me, Socrates?”

“Assuredly,” was the answer. “For I see that you have brought to a high state of perfection the complementary trade.”

“What is that?”

“The profession of go-between,” he said. [62]

Antisthenes was much incensed and asked, “What knowledge can you possibly have of my being guilty of such a thing as that?”

“I know several instances,” he replied. “I know that you acted the part between Callias here and the scholar Prodicus, when you saw that Callias was in love with philosophy and that Prodicus wanted money. I know also that you did the same for Hippias, the Elean, from whom Callias got his memory system; and as a result, Callias has become more amorous than ever, because he finds it impossible to forget any beauty he sees. [63] And just recently, you remember, you introduced the stranger from Heraclea to me, after arousing my keen interest in him by your commendations. For this I am indeed grateful to you; for I look upon him as endowed with a truly noble nature. And did you not laud Aeschylus the Phleiasian to me and me to him until you brought us to such a pass that in mutual yearning, excited by your words, we went coursing like hounds to find each other? [64] It is the witnessing of your talent at achieving such a result that makes me judge you an excellent go-between. For the man who can recognize those who are fitted to be mutually helpful and can make them desire one another’s acquaintance, that man, in my

opinion, could also create friendship between cities and arrange suitable marriages, and would be a very valuable acquisition as friend or ally for both states and individuals. But you got indignant, as if you had received an affront, when I said that you were a good go-between.”

“But, indeed, that is all over now,” he replied; “for with this power mine I shall find my soul chock-full of riches.”

And so this round of discourse was brought to a close.

5. Callias now said, “Critobulus, are you going to refuse to enter the lists in the beauty contest with Socrates?”

“Undoubtedly!” said Socrates; “for probably he notices that the procurer stands high in the favour of the judges.” [2]

“But yet in spite of that,” retorted Critobulus, “I do not shun the contest. So make your plea, if you can produce any profound reason, and prove that you are more handsome than I. Only,” he added, “let some one bring the light close to him.”

“The first step, then, in my suit,” said Socrates, “is to summon you to the preliminary hearing; be so kind as to answer my questions.”

“And you proceed to put them.” [3]

“Do you hold, then, that beauty is to be found only in man, or is it also in other objects?”

Crit. “In faith, my opinion is that beauty is to be found quite as well in a horse or an ox or in any number of inanimate things. I know, at any rate, that a shield may be beautiful, or a sword, or a spear.” [4]

Soc. “How can it be that all these things are beautiful when they are entirely dissimilar?”

“Why, they are beautiful and fine,” answered Critobulus, “if they are well made for the respective functions for which we obtain them, or if they are naturally well constituted to serve our needs.” [5]

Soc. “Do you know the reason why we need eyes?”

Crit. “Obviously to see with.”

“In that case, it would appear without further ado that my eyes are finer ones than yours.”

“How so?”

“Because, while yours see only straight ahead, mine, by bulging

out as they do, see also to the sides.”

Crit. “Do you mean to say that a crab is better equipped visually than any other creature?”

Soc. “Absolutely; for its eyes are also better set to insure strength.” [6]

Crit. “Well, let that pass; but whose nose is finer, yours or mine?”

Soc. “Mine, I consider, granting that Providence made us noses to smell with. For your nostrils look down toward the ground, but mine are wide open and turned outward so that I can catch scents from all about.”

“But how do you make a snub nose handsomer than a straight one?”

Soc. “For the reason that it does not put a barricade between the eyes but allows them unobstructed vision of whatever they desire to see; whereas a high nose, as if in despite, has walled the eyes off one from the other.” [7]

“As for the mouth,” said Critobulus, “I concede that point. For if it is created for the purpose of biting off food, you could bite off a far bigger mouthful than I could. And don’t you think that your kiss is also the more tender because you have thick lips?”

Soc. “According to your argument, it would seem that I have a mouth more ugly even than an ass’s. But do you not reckon it a proof of my superior beauty that the River Nymphs, goddesses as they are, bear as their offspring the Seileni, who resemble me more closely than they do you?” [8]

“I cannot argue any longer with you,” answered Critobulus; “let them distribute the ballots, so that I may know without suspense what fine or punishment I must undergo. Only,” he continued, “let the balloting be secret, for I am afraid that the ‘wealth’ you and Antisthenes possess will overmaster me.” [9]

So the maiden and the lad turned in the ballots secretly. While this was going on, Socrates saw to it that the light should be brought in front of Critobulus, so that the judges might not be misled, and stipulated that the prize given by the judges to crown the victor should be kisses and not ribbons. [10] When the ballots were turned out of the urn and proved to be a unanimous verdict in favour of Critobulus, “Faugh!” exclaimed Socrates; “your money, Critobulus,

does not appear to resemble Callias's. For his makes people more honest, while yours is about the most potent to corrupt men, whether members of a jury or judges of a contest."

6. At this some of the company urged Critobulus to take his kisses, the need of victory; others advised him to get the consent of the young people's legal guardian; and others indulged in other badinage. But even then Hermogenes kept silent. And Socrates, calling him by name, inquired, "Hermogenes, could you define 'convivial unpleasantness' for us?"

"If you ask me what it actually is," he answered, "I do not know; but I am willing to tell you what I think it is."

Soc. "Very well, tell us that." [2]

Herm. "My definition of 'convivial unpleasantness' is the annoying of one's companions at their drink."

Soc. "Well, do you realize that at the present moment you conform to the definition by annoying us with your taciturnity?"

Herm. "What! while you are talking?"

"No, but in the intervals."

"Why, don't you see that a person could not insert even a hair in the interstices of your talk, much less a word?" [3]

"Callias," said Socrates, appealing to him, "could you come to the rescue of a man hard put to it for an answer?"

"Yes, indeed," said he: "we are absolutely quiet every time the flute is played."

Hermogenes retorted, "Is it your wish that I should converse with you to the accompaniment of a flute, the way the actor Nicostratus used to recite tetrameter verses?" [4]

"In Heaven's name, do so, Hermogenes," urged Socrates. "For I believe that precisely as a song is more agreeable when accompanied on the flute, so your discourse would be embellished somewhat by the music, especially if you were to gesticulate and pose, like the flute-girl, to point your words." [5]

"What is the tune to be," asked Callias, "when Antisthenes here gets some one at the banquet cornered in an argument?"

"For the discomfited disputant," said Antisthenes, "I think the appropriate music would be a hissing." [6]

The Syracusan, seeing that with such conversation going on the

banqueters were paying no attention to his show, but were enjoying one another's company, said spitefully to Socrates, "Socrates, are you the one nick-named the 'Thinker'?"

"Well, isn't that preferable," he rejoined, "to being called the 'Thoughtless'?"

"Yes, if it were not that you are supposed to be a thinker on celestial subjects." [7]

"Do you know," asked Socrates, "anything more celestial than the gods?"

Syr. "No; but that is not what people say you are concerned with, but rather with the most unbeneficial things."

Soc. "Even granting the expression, it would still be the gods that are my concern; for (1) they cause rain under the heavens and so are beneficial, and (2) they produce light, also under the heavens, and are thus again beneficial. If the pun is strained," he added, "you have only yourself to blame for it, for annoying me." [8]

Syr. "Well, let that pass. But tell me the distance between us in flea's feet; for people say that your geometry includes such measurements as that."

At this Antisthenes said to Philip: "You are clever at hitting off a person's likeness; wouldn't you say that our friend here resembles one with a penchant for abuse?"

"Yes, indeed," came the answer; "and I see a resemblance in him to many another kind of person, too." [9]

"Nevertheless," interposed Socrates, "do not draw the comparison, lest you take on a similar likeness to one stooping to abuse."

"But suppose I am likening him to all the upright, the very elite; then I should deserve to be compared to a eulogist, rather than to a detractor."

"Ah, you resemble the latter right now, for you are asserting that every one is better than he." [10]

"Would you have me compare him to those who excel him in villainy?"

"No, not those, either."

"What, to no one?"

"No; don't compare him to any one in any particular."

“But if I hold my peace, I do not understand how I am going to render services suitable to such a fine dinner.”

“That is easily effected,” said Socrates, “if you will be reticent on matters that should not be talked about.”

Thus was quenched this bit of convivial unpleasantness.

7. Then some among the rest of the banqueters kept urging Philip to go on with his comparisons, while others opposed. As the clamour rose to some height, Socrates once more interposed, saying: “Since we all want to talk, would this not be a fine time to join in singing?” And with the words he began a song. [2] When they had finished, a potter’s wheel was brought in for the dancing girl on which she intended performing some feats of jugglery.

This prompted Socrates to observe to the Syracusan: “Sir, it is quite probable that, to use your words, I am indeed a ‘thinker’; at any rate, I am now considering how it might be possible for this lad of yours and this maid to exert as little effort as may be, and at the same time give us the greatest possible amount of pleasure in watching them, — this being your purpose, also, I am sure. [3] Now, turning somersaults in among knives seems to me to be a dangerous exhibition, which is utterly out of place at a banquet. Also, to write or read aloud on a whirling potter’s wheel may perhaps be something of a feat; yet I cannot conceive what pleasure even this can afford. Nor is it any more diverting to watch the young and beautiful going through bodily contortions and imitating hoops than to contemplate them in repose. [4] For it is of course no rare event to meet with marvels, if that is what one’s mind is set on. He may marvel at what he finds immediately at hand, — for instance, why the lamp gives light owing to its having a bright flame, while a bronze mirror, likewise bright, does not produce light but instead reflects other things that appear in it; or how it comes about that olive oil, though wet, makes the flame higher, while water, because it is wet, puts the fire out. [5] However, these questions also fail to promote the same object that wine does; but if the young people were to have a flute accompaniment and dance figures depicting the Graces, the Horae, and the Nymphs, I believe that they would be far less wearied themselves and that the charms of the banquet would be greatly enhanced.”

“Upon my word, Socrates,” replied the Syracusan, “you are quite right; and I will bring in a spectacle that will delight you.”

8. So the Syracusan withdrew amid applause. Socrates now opened up another new topic for discussion. “Gentlemen,” said he, “it is to be expected of us, is it not, when in the presence of a mighty deity that is coeval with the eternal gods, yet youngest of them all in appearance, in magnitude encompassing the universe, but enthroned in the heart of man, — I mean Love, — that we should not be unmindful of him, particularly in view of the fact that we are all of his following? [2] For I cannot name a time when I was not in love with some one, and I know that Charmides here has gained many lovers and has in some instances felt the passion himself; and Critobulus, though even yet the object of love, is already beginning to feel this passion for others. [3] Nay, Niceratus too, so I am told, is in love with his wife and finds his love reciprocated. And as for Hermogenes, who of us does not know that he is pining away with love for nobility of character, whatever that may be? Do you not observe how serious his brows are, how calm his gaze, how modest his words, how gentle his voice, how genial his demeanour? That though he enjoys the friendship of the most august gods, yet he does not disdain us mortals? Are you the only person, Antisthenes, in love with no one?” [4]

“No, by Heaven!” replied he; “I am madly in love — with you.”

And Socrates, bantering, pretending to be coquettish, said: “Don’t pester me just now; I am engaged in other business, as you see.” [5]

“How transparent you are, sir procurer of your own charms,” Antisthenes rejoined, “in always doing something like this; at one time you refuse me audience on the pretext of your divine sign, at another time because you have some other purpose in mind.” [6]

“In Heaven’s name, Antisthenes,” implored Socrates, “only refrain from beating me; any other manifestation of your bad temper I am wont to endure, and shall continue to do so, in a friendly spirit. But,” he went on, “let us keep your love a secret, because it is founded not on my spirit but on my physical beauty. [7] But as for you, Callias, all the city knows that you are in love with Autolycus, and so, I think, do a great many men from abroad. The reason for this

is the fact that you are both sons of distinguished fathers and are yourselves in the public eye. [8] Now, I have always felt an admiration for your character, but at the present time I feel a much keener one, for I see that you are in love with a person who is not marked by dainty elegance nor wanton effeminacy, but shows to the world physical strength and stamina, virile courage and sobriety. Setting one's heart on such traits gives an insight into the lover's character. [9] Now, whether there is one Aphrodite or two, 'Heavenly' and 'Vulgar,' I do not know; for even Zeus, though considered one and the same, yet has many by-names. I do know, however, that in the case of Aphrodite there are separate altars and temples for the two, and also rituals, those of the 'Vulgar' Aphrodite excelling in looseness, those of the 'Heavenly' in chastity. [10] One might conjecture, also, that different types of love come from the different sources, carnal love from the 'Vulgar' Aphrodite, and from the 'Heavenly' spiritual love, love of friendship and of noble conduct. That is the sort of love, Callias, that seems to have you in its grip. [11] I infer this from the noble nature of the one you love and because I see that you include his father in your meetings with him. For the virtuous lover does not make any of these matters a secret from the father of his beloved." [12]

"Marry," quoth Hermogenes, "you arouse my admiration in numerous ways, Socrates, but now more than ever, because in the very act of flattering Callias you are in fact educating him to conform to the ideal."

"True," he replied; "and to add to his pleasure, I wish to bear testimony to him that spiritual love is far superior to carnal. [13] For we all know that there is no converse worth the mention that does not comprise affection. Now affection on the part of those who feel admiration for character is commonly termed a pleasant and willing constraint; whereas many of those who have a merely physical concupiscence reprehend and detest the ways of those they love. [14] But suppose they are satisfied on both scores; yet the bloom of youth soon passes its prime, and as this disappears, affection also inevitably fades away as fast; but the soul becomes more and more lovable the longer it progresses toward wisdom. [15] Besides, in the enjoyment of physical beauty there is a point of surfeit, so that one cannot help

feeling toward his favourite the same effect that he gets toward food by gratification of the appetite. But affection for the soul, being pure, is also less liable to satiety, though it does not follow, as one might suppose, that it is also less rich in the graces of Aphrodite; on the contrary, our prayer that the goddess will bestow her grace on our words and deeds is manifestly answered. [16] Now, no further argument is necessary to show that a soul verdant with the beauty of freeborn men and with a disposition that is reverent and noble, a soul that from the very first displays its leadership among its own fellows and is kindly withal, feels an admiration and an affection for the object of its love; but I will go on to prove the reasonableness of the position that such a lover will have his affection returned. [17] First, who could feel dislike for one by whom he knew himself to be regarded as the pattern of nobleness, and, in the next place, saw that he made his favourite's honour of more account than his own pleasure, and beside this felt assured that this affection would not be lessened under any circumstances, no matter whether he suffered some reverse or lost his comeliness through the ravages of illness? [18] Moreover, must not those who enjoy a mutual affection unavoidably take pleasure in looking into each other's faces, converse in amity, and trust and be trusted, and not only take thought each for the other but also take a common joy in prosperity and feel a common distress if some ill fortune befall, and live in happiness when their society is attended by sound health, but be much more constantly together if one or the other become ill, and be even more solicitous, each for the other, when absent than when present? Are not all these things marked by Aphrodite's grace? It is by conducting themselves thus that men continue mutually to love friendship and enjoy it clear down to old age. [19] But what is there to induce a favourite to make a return of affection to a lover who bases his feeling solely on the flesh? Would it be the consideration that the lover allots to himself the joys he desires but gives the favourite only what excites the deepest contempt? Or that he conceals, as best he can, from the favourite's relatives the ends that he is bent on attaining? [20] As for his using entreaty rather than coercion, that is all the stronger reason for detestation. For any one who applies force merely discovers his rascality, but he who uses persuasion corrupts

the soul of the one upon whom he prevails. [21] Once more, how will he who traffics in his beauty feel greater affection toward the buyer than he who puts his produce up for sale and disposes of it in the open market? For assuredly he will not be moved to affection because he is a youthful companion to one who is not youthful, or because he is handsome when the other is no longer so, or because he is untouched by passion when the other is in its sway. For a youth does not share in the pleasure of the intercourse as a woman does, but looks on, sober, at another in love's intoxication. [22] Consequently, it need not excite any surprise if contempt for the lover is engendered in him. If one looked into the matter, also, he would descry no ill effect when people are loved for their personality, but that many shocking results have come from companionship lost to shame. [23] I will now go on to show also that the union is servile when one's regard is for the body rather than when it is for the soul. For he who inculcates right speech and conduct would merit the honour given by Achilles to Cheiron and Phoenix; but the man who lusts only after the flesh would with good reason be treated like a mendicant; for he is always dogging the footsteps of his favourite, begging and beseeching the favour of one more kiss or some other caress. [24] Do not be surprised at my plain speaking; the wine helps to incite me, and the kind of love that ever dwells with me spurs me on to say what I think about its opposite. [25] For, to my way of thinking, the man whose attention is attracted only by his beloved's appearance is like one who has rented a farm; his aim is not to increase its value but to gain from it as much of a harvest as he can for himself. On the other hand, the man whose goal is friendship is more like one possessing a farm of his own; at any rate he utilizes all sources to enhance his loved one's worth. [26] Furthermore, the favourite who realizes that he who lavishes physical charms will be the lover's sovereign will in all likelihood be loose in his general conduct; but the one who feels that he cannot keep his lover faithful without nobility of character will more probably give heed to virtue. [27] But the greatest blessing that befalls the man who yearns to render his favourite a good friend is the necessity of himself making virtue his habitual practice. For one cannot produce goodness in his companion while his own conduct is evil, nor can he himself exhibit

shamelessness and incontinence and at the same time render his beloved self-controlled and reverent. [28] My heart is set on showing you, Callias, on the basis of olden tales, also, that not only humankind but also gods and demi-gods set higher value on the friendship of the spirit than on the enjoyment of the body. [29] For in all cases where Zeus became enamoured of mortal women for their beauty, though he united with them he suffered them to remain mortal; but all those persons whom he delighted in for their souls' sake he made immortal. Among the latter are Heracles and the Sons of Zeus; and tradition includes others also. [30] And I aver that even in the case of Ganymede, it was not his person but his spiritual character that influenced Zeus to carry him up to Olympus. This is confirmed by his very name. Homer, you remember, has the words, "He joys to hear;" *Perhaps Homeric Poems* that is to say, 'he rejoices to hear;' and in another place, "harbouring shrewd devices in his heart." "*Perhaps Iliad*, 7.278, 17.325, 18.363, 24.88, 282, 674 or *Odyssey*, 2.38, 11.445, 19.353, 20.46. This, again, means 'harbouring wise counsels in his heart.' So the name given Gany-mede, compounded of the two foregoing elements, signifies not physically but mentally attractive; hence his honour among the gods. [31] Or again, Niceratus, Homer pictures us Achilles looking upon Patroclus not as the object of his passion but as a comrade, and in this spirit signally avenging his death. So we have songs telling also how Orestes, Pylades, Theseus, Peirithous, and many other illustrious demi-gods wrought glorious deeds of valour side by side, not because they shared a common bed but because of mutual admiration and respect. [32] Moreover, take the splendid feats of the present day; would not a person discover that they are all done for glory's sake by persons willing to endure hardship and jeopardy, rather than by those who are drifting into the habit of preferring pleasure to a good name? Yet Pausanias, the lover of the poet Agathon, has said in his defence of those who wallow in lasciviousness that the most valiant army, even, would be one recruited of lovers and their favourites! [33] For these, he said, would in his opinion be most likely to be prevented by shame from deserting one another, — a strange assertion, indeed, that persons acquiring an habitual indifference to censure and to abandoned conduct toward one another will be most likely to be

deterred by shame from any infamous act. [34] But he went further and adduced as evidence in support of his position both the Thebans and the Eleans, alleging that this was their policy; he stated, in fine, that though sharing common beds they nevertheless assigned to their favourites places alongside themselves in the battle-line. But this is a false analogy; for such practices, though normal among them, with us are banned by the severest reprobation. My own view is that those who assign these posts in battle suggest thereby that they are suspicious that the objects of their love, if left by themselves, will not perform the duties of brave men. [35] In contrast to this, the Lacedaemonians, who hold that if a person so much as feels a carnal concupiscence he will never come to any good end, cause the objects of their love to be so consummately brave that even when arrayed with foreigners and even when not stationed in the same line with their lovers they just as surely feel ashamed to desert their comrades. For the goddess they worship is not Impudence but Modesty. [36] We could all come to one mind, I think, on the point I am trying to make, if we were to consider the question in this way: of two lads, the objects of the different types of love, which one would a person prefer to trust with his money, or his children, or to lay under the obligation of a favour? My own belief is that even the person whose love is founded on the loved one's physical beauty would in all these cases rather put his trust in him whose loveliness is of the spirit. [37] In your case, Callias, I deem it meet that you should thank Heaven for inspiring you with love for Autolycus. For his ardour for glory is manifest, inasmuch as he undergoes many toils and many bodily discomforts to ensure his being proclaimed victor in the pancratium. [38] Now if he were to believe that he is going not merely to shed lustre on himself and his father but also to acquire through his manly virtue the ability to serve his friends and to exalt his country by setting up trophies of victory over its enemies, and for these reasons draw the admiring glances of all and be famous among both Greeks and barbarians, do you not suppose that he would esteem and honour highly any one whom he looked upon as the best partner in furthering these designs? [39] If, then, you would be in his good graces, you must try to find out what sort of knowledge it was that made Themistocles able to give Greece liberty; you must try to find

out what kind of knowledge it was that gave Pericles the name of being his country's wisest counsellor; you must reflect, further, how it was that Solon by deep meditation established in his city laws of surpassing worth; you must search and find out what kind of practices it is that gives the Lacedaemonians the reputation of being pre-eminent military commanders; for you are their proxenus, and their foremost citizens are always being entertained at your house. [40] You may regard it as certain, therefore, that our city would be quick to entrust itself to your hands, if you so desire. For you possess the highest qualifications for such a trust: you are of aristocratic birth, of Erechtheus' line, a priest serving the gods who under the leadership of Iacchus took the field against the barbarian; and in our day you outshine your predecessors in the splendour of your priestly office in the festival; and you possess a person more goodly to the eye than any other in the city and one at the same time able to withstand effort and hardship. [41] If what I say appears to you gentlemen to be too grave and earnest for a drinking party, I beg you again not to be surprised. For during practically all my life I have been at one with the commonwealth in loving men who to a nature already good add a zealous desire for virtue." [42]

The rest of the company now engaged in a discussion of the views propounded by Socrates; but Autolycus kept his eyes fixed on Callias. And Callias, addressing Socrates, but looking beyond him and returning the gaze of Autolycus, said: "So you intend acting the procurer, do you, Socrates, to bring me to the attention of the commonwealth, so that I may enter politics, and the state may always look upon me with favour?" [43]

"Assuredly," was the reply, "that is, if people see that you set your heart on virtue, not in pretence, but in reality. For false reputation is soon exposed when tried by experience, whereas true manly virtue, — barring the interposition of Providence, — confers ever more and more brilliant glory when put to the test of actual deeds."

9. Their conversation ended here. Autolycus got up to go out for a walk (it being now his usual time); and his father Lycon, as he was departing to accompany him, turned back and said: "So help me Hera, Socrates, you seem to me to have a truly noble character." [2]

After he had withdrawn, a chair of state, first of all, was set down

in the room, and then the Syracusan came in with the announcement: "Gentlemen, Ariadne will now enter the chamber set apart for her and Dionysus; after that, Dionysus, a little flushed with wine drunk at a banquet of the gods, will come to join her; and then they will disport themselves together." [3]

Then, to start proceedings, in came Ariadne, appavelled as a bride, and took her seat in the chair. Dionysus being still invisible, there was heard the Bacchic music played on a flute. Then it was that the assemblage was filled with admiration of the dancing master. For as soon as Ariadne heard the strain, her action was such that every one might have perceived her joy at the sound; and although she did not go to meet Dionysus, nor even rise, yet it was clear that she kept her composure with difficulty. [4] But when Dionysus caught sight of her, he came dancing toward her and in a most loving manner sat himself on her lap, and putting his arms about her gave her a kiss. Her demeanour was all modesty, and yet she returned his embrace with affection. As the banqueters beheld it, they kept clapping and crying "encore!" [5] Then when Dionysus arose and gave his hand to Ariadne to rise also, there was presented the impersonation of lovers kissing and caressing each other. The onlookers viewed a Dionysus truly handsome, an Ariadne truly fair, not presenting a burlesque but offering genuine kisses with their lips; and they were all raised to a high pitch of enthusiasm as they looked on. [6] For they overheard Dionysus asking her if she loved him, and heard her vowing that she did, so earnestly that not only Dionysus but all the bystanders as well would have taken their oaths in confirmation that the youth and the maid surely felt a mutual affection. For theirs was the appearance not of actors who had been taught their poses but of persons now permitted to satisfy their long-cherished desires. [7] At last, the banqueters, seeing them in each other's embrace and obviously leaving for the bridal couch, those who were unwedded swore that they would take to themselves wives, and those who were already married mounted horse and rode off to their wives that they might enjoy them. As for Socrates and the others who had lingered behind, they went out with Callias to join Lycon and his son in their walk.

So broke up the banquet held that evening.

APOLOGY

Translated by O. J. Todd

This short Socratic dialogue recounts Socrates' self-defence at his trial and execution, portraying Socrates with the surprising viewpoint that it was better to die before he suffered senility, rather than to escape execution by humbling himself before an unjust persecution. Except for Plato's *Apology*, it is the only surviving primary account of the renowned trial.

Historians now believe that Xenophon's interpretation of the trial was written in response to a widespread literary reaction following the trial, where Athenian public figures and authors used the event of the trial to state their views on his guilt. Xenophon was absent from the trial, being involved at that time with the march of the Ten Thousand. He cites Hermogenes as his source for the factual elements of Socrates' speech. It is probable that Hermogenes had indeed witnessed the trial, although Plato's *Apology* fails to mention his presence, yet his *Phaedo* lists Hermogenes among those that were present at Socrates' death.

The main part of Xenophon's text is a direct rejection of the attack on Socrates' character by his opponent Anytus. Xenophon gives a clear indication of the charges brought against Socrates by Anytus. The final chapter of Xenophon's *Memorabilia* contains some of the same material – almost word for word – as the beginning sections of his *Apology*, leading some scholars to suspect that Xenophon's *Apology* was the original conclusion to the *Memorabilia*.

One difference from Plato's *Apology* is that in Xenophon's account the Oracle at Delphi claims that no one was "more free, more just, or more sound of mind" than Socrates, while in Plato's text the claim was only that no one was "wiser" than Socrates. Some scholars have suggested that what accounts for the difference is that

Xenophon wished to avoid the explicit attribution of “wisdom”, a term which, to the average Athenian suggested that Socrates was characterised as an atheistic natural philosopher, as stigmatised by Aristophanes in *The Clouds*. However, Xenophon’s Socrates does claim to be “wise” in the sense that “from the time when I began to understand spoken words I have never left off seeking after and learning every good thing that I could”.

A further difference between Plato and Xenophon is that whereas Plato has Socrates finally suggest a thirty-mina penalty for himself, the Xenophon version of Socrates refuses to suggest any and refuses to allow his friends to do so, claiming that to do otherwise would imply guilt. Finally, whereas Socrates’ willingness to face the death penalty is explained in Plato’s *Apology* by Socrates’ by his unwavering commitment to his divinely appointed mission to keep philosophising at all costs, it is explained by Xenophon that it is better for him to die now than to face the pains and limitations of advanced old age.

'The Death of Socrates' by Jacques-Louis David, 1787

APOLOGIA

It seems to me fitting to hand down to memory, furthermore, how Socrates, on being indicted, deliberated on his defence and on his end. It is true that others have written about this, and that all of them have reproduced the loftiness of his words, — a fact which proves that his utterance really was of the character intimated; — but they have not shown clearly that he had now come to the conclusion that for him death was more to be desired than life; and hence his lofty utterance appears rather ill-considered. [2] Hermogenes, the son of Hipponicus, however, was a companion of his and has given us reports of such a nature as to show that the sublimity of his speech was appropriate to the resolve he had made. For he stated that on seeing Socrates discussing any and every subject rather than the trial, he had said: [3] “Socrates, ought you not to be giving some thought to what defence you are going to make?” That Socrates had at first replied, “Why, do I not seem to you to have spent my whole life in preparing to defend myself?” Then when he asked, “How so?” he had said, “Because all my life I have been guiltless of wrong-doing; and that I consider the finest preparation for a defence.” Then when Hermogenes again asked, [4] “Do you not observe that the Athenian courts have often been carried away by an eloquent speech and have condemned innocent men to death, and often on the other hand the guilty have been acquitted either because their plea aroused compassion or because their speech was witty?” “Yes, indeed!” he had answered; “and I have tried twice already to meditate on my defence, but my divine sign interposes.” [5] And when Hermogenes observed, “That is a surprising statement,” he had replied, “Do you think it surprising that even God holds it better for me to die now? Do you not know that I would refuse to concede that any man has lived a better life than I have up to now? For I have realized that my whole life has been spent in righteousness toward God and man, — a fact that affords the greatest satisfaction; and so I have felt a deep self-respect and have discovered that my associates hold corresponding sentiments toward me. [6] But now, if my years are prolonged, I know that the frailties of old age will inevitably be

realized, — that my vision must be less perfect and my hearing less keen, that I shall be slower to learn and more forgetful of what I have learned. If I perceive my decay and take to complaining, how,” he had continued, “could I any longer take pleasure in life? [7] Perhaps,” he added, “God in his kindness is taking my part and securing me the opportunity of ending my life not only in season but also in the way that is easiest. For if I am condemned now, it will clearly be my privilege to suffer a death that is adjudged by those who have superintended this matter to be not only the easiest but also the least irksome to one’s friends and one that implants in them the deepest feeling of loss for the dead. For when a person leaves behind in the hearts of his companions no remembrance to cause a blush or a pang, but dissolution comes while he still possesses a sound body and a spirit capable of showing kindness, how could such a one fail to be sorely missed? [8] It was with good reason,” Socrates had continued, “that the gods opposed my studying up my speech at the time when we held that by fair means or foul we must find some plea that would effect my acquittal. For if I had achieved this end, it is clear that instead of now passing out of life, I should merely have provided for dying in the throes of illness or vexed by old age, the sink into which all distresses flow, unrelieved by any joy. [9] As Heaven is my witness, Hermogenes,” he had gone on, “I shall never court that fate; but if I am going to offend the jury by declaring all the blessings that I feel gods and men have bestowed on me, as well as my personal opinion of myself, I shall prefer death to begging meanly for longer life and thus gaining a life far less worthy in exchange for death.” [10]

Hermogenes stated that with this resolve Socrates came before the jury after his adversaries had charged him with not believing in the gods worshipped by the state and with the introduction of new deities in their stead and with corruption of the young, and replied: [11] “One thing that I marvel at in Meletus, gentlemen, is what may be the basis of his assertion that I do not believe in the gods worshipped by the state; for all who have happened to be near at the time, as well as Meletus himself, — if he so desired, — have seen me sacrificing at the communal festivals and on the public altars. [12] As for introducing ‘new divinities,’ how could I be guilty of that merely in asserting that a voice of God is made manifest to me indicating my

duty? Surely those who take their omens from the cries of birds and the utterances of men form their judgments on ‘voices.’ Will any one dispute either that thunder utters its ‘voice,’ or that it is an omen of the greatest moment? Does not the very priestess who sits on the tripod at Delphi divulge the god’s will through a ‘voice’? [13] But more than that, in regard to God’s foreknowledge of the future and his forewarning thereof to whomsoever he will, these are the same terms, I assert, that all men use, and this is their belief. The only difference between them and me is that whereas they call the sources of their forewarning ‘birds,’ ‘utterances,’ ‘chance meetings,’ ‘prophets,’ I call mine a ‘divine’ thing; and I think that in using such a term I am speaking with more truth and deeper religious feeling than do those who ascribe the gods’ power to birds. Now that I do not lie against God I have the following proof: I have revealed to many of my friends the counsels which God has given me, and in no instance has the event shown that I was mistaken.” [14]

Hermogenes further reported that when the jurors raised a clamour at hearing these words, some of them disbelieving his statements, others showing jealousy at his receiving greater favours even from the gods than they, Socrates resumed: “Hark ye; let me tell you something more, so that those of you who feel so inclined may have still greater disbelief in my being honoured of Heaven. Once on a time when Chaerephon made inquiry at the Delphic oracle concerning me, in the presence of many people Apollo answered that no man was more free than I, or more just, or more prudent.” [15]

When the jurors, naturally enough, made a still greater tumult on hearing this statement, he said that Socrates again went on: “And yet, gentlemen, the god uttered in oracles greater things of Lycurgus, the Lacedaemonian law-giver, than he did of me. For there is a legend that, as Lycurgus entered the temple, the god thus addressed him: ‘I am pondering whether to call you god or man.’ Now Apollo did not compare me to a god; he did, however, judge that I far excelled the rest of mankind. However, do not believe the god even in this without due grounds, but examine the god’s utterance in detail. [16] First, who is there in your knowledge that is less a slave to his bodily appetites than I am? Who in the world more free, — for I accept neither gifts nor pay from any one? Whom would you with reason

regard as more just than the one so reconciled to his present possessions as to want nothing beside that belongs to another? And would not a person with good reason call me a wise man, who from the time when I began to understand spoken words have never left off seeking after and learning every good thing that I could? [17] And that my labour has not been in vain do you not think is attested by this fact, that many of my fellow-citizens who strive for virtue and many from abroad choose to associate with me above all other men? And what shall we say is accountable for this fact, that although everybody knows that it is quite impossible for me to repay with money, many people are eager to make me some gift? Or for this, that no demands are made on me by a single person for the repayment of benefits, while many confess that they owe me a debt of gratitude? [18] Or for this, that during the siege, while others were commiserating their lot, I got along without feeling the pinch of poverty any worse than when the city's prosperity was at its height? Or for this, that while other men get their delicacies in the markets and pay a high price for them, I devise more pleasurable ones from the resources of my soul, with no expenditure of money? And now, if no one can convict me of misstatement in all that I have said of myself, do I not unquestionably merit praise from both gods and men? [19] But in spite of all, Meletus, do you maintain that I corrupt the young by such practices? And yet surely we know what kinds of corruption affect the young; so you tell us whether you know of any one who under my influence has fallen from piety into impiety, or from sober into wanton conduct, or from moderation in living into extravagance, or from temperate drinking into sottishness, or from strenuousness into effeminacy, or has been overcome of any other base pleasure." [20] "But, by Heaven!" said Meletus: "there is one set of men I know, — those whom you have persuaded to obey you rather than their parents." "I admit it," he reports Socrates as replying, "at least so far as education is concerned; for people know that I have taken an interest in that. But in a question of health, men take the advice of physicians rather than that of their parents; and moreover, in the meetings of the legislative assembly all the people of Athens, without question, follow the advice of those whose words are wisest rather than that of their own relatives. Do you not also

elect for your generals, in preference to fathers and brothers, — yes, by Heaven! in preference to your very selves, — those whom you regard as having the greatest wisdom in military affairs?” “Yes,” Meletus had said; “for that is both expedient and conventional.” [21] “Well, then,” Socrates had rejoined, “does it not seem to you an amazing thing that while in other activities those who excel receive honours not merely on a parity with their fellows but even more marked ones, yet I, because I am adjudged by some people supreme in what is man’s greatest blessing, — education, — am being prosecuted by you on a capital charge?” [22]

More than this of course was said both by Socrates himself and by the friends who joined in his defence. But I have not made it a point to report the whole trial; rather I am satisfied to make it clear that while Socrates’ whole concern was to keep free from any act of impiety toward the gods or any appearance of wrong-doing toward man, he did not think it meet to beseech the jury to let him escape death; instead, he believed that the time had now come for him to die. [23] This conviction of his became more evident than ever after the adverse issue of the trial. For, first of all, when he was bidden to name his penalty, he refused personally and forbade his friends to name one, but said that naming the penalty in itself implied an acknowledgment of guilt. Then, when his companions wished to remove him clandestinely from prison, he would not accompany them, but seemed actually to banter them, asking them whether they knew of any spot outside of Attica that was inaccessible to death. [24]

When the trial was over, Socrates (according to Hermogenes) remarked: “Well, gentlemen, those who instructed the witnesses that they must bear false witness against me, perjuring themselves to do so, and those who were won over to do this must feel in their hearts a guilty consciousness of great impiety and iniquity; but as for me, why should my spirit be any less exalted now than before my condemnation, since I have not been proved guilty of having done any of the acts mentioned in the indictment? For it has not been shown that I have sacrificed to new deities in the stead of Zeus and Hera and the gods of their company, or that I have invoked ill oaths or mentioned other gods. [25] And how could I be corrupting the young by habituating them to fortitude and frugality? Now of all the

acts for which the laws have prescribed the death-penalty — temple robbery, burglary, enslavement, treason to the state — not even my adversaries themselves charge me with having committed any of these. And so it seems astonishing to me how you could ever have been convinced that I had committed an act meriting death. [26] But further, my spirit need not be less exalted because I am to be executed unjustly; for the ignominy of that attaches not to me but to those who condemned me. And I get comfort from the case of Palamedes also, who died in circumstances similar to mine; for even yet he affords us far more noble themes for song than does Odysseus, the man who unjustly put him to death. And I know that time to come as well as time past will attest that I, too, far from ever doing any man a wrong or rendering him more wicked, have rather profited those who conversed with me by teaching them, without reward, every good thing that lay in my power.” [27]

With these words he departed, blithe in glance, in mien, in gait, as comported well indeed with the words he had just uttered. When he noticed that those who accompanied him were in tears, “What is this?” Hermogenes reports him as asking. “Are you just now beginning to weep? Have you not known all along that from the moment of my birth nature had condemned me to death? Verily, if I am being destroyed before my time while blessings are still pouring in upon me, clearly that should bring grief to me and to my well-wishers; but if I am ending my life when only troubles are in view, my own opinion is that you ought all to feel cheered, in the assurance that my state is happy.” [28]

A man named Apollodorus, who was there with him, a very ardent disciple of Socrates, but otherwise simple, exclaimed, “But, Socrates, what I find it hardest to bear is that I see you being put to death unjustly!” The other, stroking Apollodorus’ head, is said to have replied, “My beloved Apollodorus, was it your preference to see me put to death justly?” and smiled as he asked the question. [29]

It is said also that he remarked as he saw Anytus passing by: “There goes a man who is filled with pride at the thought that he has accomplished some great and noble end in putting me to death, because, seeing him honored by the state with the highest offices, I said that he ought not to confine his son’s education to hides What a

vicious, fellow,” he continued, “not to know, apparently, that whichever one of us has wrought the more beneficial and noble deeds for all time, he is the real victor. [30] “But,” he is reported to have added, “Homer has attributed to some of his heroes at the moment of dissolution the power to foresee the future; and so I too wish to utter a prophecy. At one time I had a brief association with the son of Anytus, and I thought him not lacking in firmness of spirit; and so I predict that he will not continue in the servile occupation that his father has provided for him; but through want of a worthy adviser he will fall into some disgraceful propensity and will surely go far in the career of vice.” [31] In saying this he was not mistaken; the young man, delighting in wine, never left off drinking night or day, and at last turned out worth nothing to his city, his friends, or himself. So Anytus, even though dead, still enjoys an evil repute for his son’s mischievous education and for his own hard-heartedness. [32] And as for Socrates, by exalting himself before the court, he brought ill-will upon himself and made his conviction by the jury more certain. Now to me he seems to have met a fate that the gods love; for he escaped the hardest part of life and met the easiest sort of death. [33] And he displayed the stalwart nature of his heart; for having once decided that to die was better for him than to live longer, he did not weaken in the presence of death (just as he had never set his face against any other thing, either, that was for his good), but was cheerful not only in the expectation of death but in meeting it. [34]

And so, in contemplating the man’s wisdom and nobility of character, I find it beyond my power to forget him or, in remembering him, to refrain from praising him. And if among those who make virtue their aim any one has ever been brought into contact with a person more helpful than Socrates, I count that man worthy to be called most blessed.

Minor Treatises

Skillountia, near Olympia — following his exile from Athens, the Spartans gave Xenophon a property at Scillus (modern day Skillountia), where he composed the ‘Anabasis’.

ON HORSEMANSHIP

Translated by E. C. Marchant

This is one of the two treatises Xenophon wrote on the subject of horsemanship and concerns the selection, care and training of horses in general. Military training and the duties of the cavalry commander are dealt with in the other work *On the Cavalry General*. Written circa 350 BC, both treatises are considered to be among the very earliest works on the theme of horsemanship in all world literature.

The first part of the texts concerns the selecting of the ideal young horse. Xenophon details what is to be examined when inspecting a horse to buy as a war-mount. He is especially careful to stress the importance of soundness. Part II and III concern the breaking of the colt and the selecting an older horse. Parts IV to VI focus on the caring and grooming of the mount, whilst the rest of the treatise explores the ideal mounting and more advanced training features associated with horsemanship. Xenophon finishes with a discussion of his weapons of choice, detailing the machaira and two javelins of cornel-wood, explaining how properly to throw the javelin while mounted.

ON HORSEMANSHIP

1. Inasmuch as we have had a long experience of cavalry, and consequently claim familiarity with the art of horsemanship, we wish to explain to our younger friends what we believe to be the correct method of dealing with horses. True there is already a treatise on horsemanship by Simon, who also dedicated the bronze horse in the Eleusinium at Athens and recorded his own feats in relief on the pedestal. Nevertheless, we shall not erase from our work the conclusions that happen to coincide with his, but shall offer them to our friends with far greater pleasure, in the belief that they are more worthy of acceptance because so expert a horseman held the same opinions as we ourselves: moreover, we shall try to explain all the points that he has omitted.

First we will give directions how best to avoid being cheated in buying a horse.

For judging an unbroken colt, the only criterion, obviously, is the body, for no clear signs of temper are to be detected in an animal that has not yet had a man on his back. [2]

In examining his body, we say you must first look at his feet. For, just as a house is bound to be worthless less if the foundations are unsound, however well the upper parts may look, so a war-horse will be quite useless, even though all his other points are good, if he has bad feet; for in that case he will be unable to use any of his good points. [3]

When testing the feet first look to the hoofs. For it makes a great difference in the quality of the feet if they are thick rather than thin. Next you must not fail to notice whether the hoofs are high both in front and behind, or low. For high hoofs have the frog, as it is called, well off the ground; but flat hoofs tread with the strongest and weakest part of the foot simultaneously, like a bow-legged man. Moreover, Simon says that the ring, too, is a clear test of good feet: and he is right; for a hollow hoof rings like a cymbal in striking the ground. [4]

Having begun here, we will proceed upwards by successive steps to the rest of the body.

The bones (of the pastern) above the hoofs and below the fetlocks should not be too upright, like a goat's: such legs give too hard a tread, jar the rider, and are more liable to inflammation. Nor yet should the bones be too low, else the fetlocks are likely to become bare and sore when the horse is ridden over clods or stones. [5]

The bones of the shanks should be thick, since these are the pillars of the body; but not thick with veins nor with flesh, else when the horse is ridden over hard ground, these parts are bound to become charged with blood and varicose; the legs will swell, and the skin will fall away, and when this gets loose the pin, too, is apt to give way and lame the horse. [6]

If the colt's knees are supple when bending as he walks, you may guess that his legs will be supple when he is ridden too, for all horses acquire greater suppleness at the knee as time goes on. Supple knees are rightly approved, since they render the horse less likely to stumble and tire than stiff legs. [7]

The arms below the shoulders, as in man, are stronger and better looking if they are thick.

A chest of some width is better formed both for appearance and for strength, and for carrying the legs well apart without crossing. [8]

His neck should not hang downwards from the chest like a boar's, but stand straight up to the crest, like a cock's; but it should be flexible at the bend; and the head should be bony, with a small cheek. Thus the neck will protect the rider, and the eye see what lies before the feet. Besides, a horse of such a mould will have least power of running away, be he never so high-spirited, for horses do not arch the neck and head, but stretch them out when they try to run away. [9]

You should notice, too, whether both jaws are soft or hard, or only one; for horses with unequal jaws are generally unequally sensitive in the mouth.

A prominent eye looks more alert than one that is hollow, and, apart from that, it gives the horse a greater range of vision. [10] And wide open nostrils afford room for freer breathing than close ones, and at the same time make the horse look fiercer, for whenever a horse is angry with another or gets excited under his rider, he dilates his nostrils. [11]

A fairly large crest and fairly small ears give the more

characteristic shape to a horse's head.

High withers offer the rider a safer seat and a stronger grip on the shoulders.

The double back is both softer to sit on than the single and more pleasing to the eye. [12]

The deeper the flanks and the more swelling toward the belly, the firmer is the seat and the stronger, and as a rule, the better feeder is the horse.

The broader and shorter the loins, the more easily the horse lifts his fore quarters and the more easily he brings up his hind quarters. And, apart from that, the belly looks smallest so, and if it is big it disfigures the horse to some extent, and also makes him to some extent both weaker and clumsier. [13]

The haunches must be broad and fleshy, that they may be in right proportion to the flanks and chest, and if they are firm all over, they will be lighter for running and will make the horse speedier. [14]

If the gap that separates the hams under the tail is broad, he will also extend his hind legs well apart under his belly; and by doing that he will be more fiery and stronger when he throws himself on his haunches and when he is ridden, and will make the best of himself in all ways. One can infer this from the action of a man: for when he wants to lift anything from the ground, a man invariably tries to lift it with his legs apart rather than close together. [15]

A horse's stones should not be big: but it is impossible to observe this in a colt.

As for the parts below, the hocks, shin bones, fetlocks and hoofs, what we have said about the corresponding parts in the forelegs applies to these also. [16]

I want also to explain how one is least likely to be disappointed in the matter of size. The colt that is longest in the shanks at the time he is foaled makes the biggest horse. For in all quadrupeds the shanks increase but little in size as time goes on, whereas the rest of the body grows to them, so as to be in the right proportion. [17]

He who applies these tests to a colt's shape is sure, in my opinion, to get a beast with good feet, strong, muscular, of the right look and the right size. If some change as they grow, still we may confidently rely on these tests, for it is far commoner for an ugly colt to make a

useful horse than for a colt like this to turn out ugly.

2. We do not think it necessary to give directions for breaking a colt. For in our states the cavalry are recruited from those who have ample means and take a considerable part in the government. And it is far better for a young man to get himself into condition and when he understands the art of horsemanship to practise riding than to be a horse-breaker; and an older man had far better devote himself to his estate and his friends and affairs of state and of war than spend his time in horse-breaking. [2] So he who shares my opinion about horse-breaking will, of course, send his colt out. Still he should put in writing what the horse is to know when he is returned, just as when he apprentices his son to a profession. For these articles will serve as notes to remind the horse-breaker of what he must attend to if he is to get his money. [3]

Still, care must be taken that the colt is gentle, tractable, and fond of man when he is sent to the horse-breaker. That sort of business is generally done at home through the groom, if he knows how to contrive that hunger and thirst and horseflies are associated by the colt with solitude, while eating and drinking and delivery from irritation come through man's agency. For in these circumstances a foal is bound not only to like men, but to hanker after them. [4] One should also handle those parts in which the horse likes most to be cherished, that is to say the hairiest parts and those where the horse has least power of helping himself, if anything worries him. [5] Let the groom be under orders also to lead him through crowds, and accustom him to all sorts of sights and all sorts of noises. If the colt shies at any of them, he must teach him, by quieting him and without impatience, that there is nothing to be afraid of.

I think that the directions I have given on the subject of horse-breaking are sufficient for the private person.

3. In case the intention is to buy a horse already ridden, we will write out some notes that the buyer must thoroughly master if he is not to be cheated over his purchase.

First, then, he must not fail to ascertain the age. A horse that has shed all his milk teeth does not afford much ground for pleasing expectations, and is not so easily got rid of. [2]

If he is clearly a youngster, one must notice further how he

receives the bit in his mouth and the headstall about his ears. This may best be noticed if the buyer sees the bridle put on and taken off again. [3]

Next, attention must be paid to his behaviour when he receives the rider on his back. For many horses will not readily accept a thing if they know beforehand that, if they accept it, they will be forced to work. [4]

Another thing to be observed is whether when mounted he is willing to leave his companions, or whether in passing standing horses he does not bolt towards them. Some too, in consequence of bad training run away from the riding ground to the paths that lead home. [5]

A horse with jaws unequally sensitive is detected by the exercise called the "ring," but much more by changing the exercise. For many do not attempt to bolt unless they have a bad mouth, and the road along which they can bolt home gives them their chance. It is likewise necessary to know whether, when going at full speed he can be pulled up sharp, and whether he turns readily. [6] And it is well to make sure whether he is equally willing to obey when roused by a blow. For a disobedient servant and a disobedient army are of course useless; and a disobedient horse is not only useless, but often behaves just like a traitor. [7]

As we have assumed that the horse to be bought is designed for war, he must be tested in all the particulars in which he is tested by war. These include springing across ditches, leaping over walls, rushing up banks, jumping down from banks. One must also try him by riding up and down hill and on a slope. All these experiments prove whether his spirit is strong and his body sound. [8]

Nevertheless, it is not necessary to reject a horse that is not perfect in these trials. For many break down in these not from want of ability, but from lack of experience. With teaching, use and discipline they will perform all these exercises well, provided they are otherwise sound and not faulty. [9] But one should beware of horses that are naturally shy. For timid horses give one no chance of using them to harm the enemy, and often throw their rider and put him in a very awkward situation. [10]

It is necessary also to find out whether the horse has any vice

towards horses or towards men, and whether he will not stand tickling: for all these things prove troublesome to the owner. [11]

As regards objection to being bridled or mounted, and the other reactions, there is a much better way still of detecting these, namely, by trying to do over again, after the horse has finished his work, just what one did before starting on the ride. All horses that are willing after their work to do another spell thereby give sufficient proofs of a patient temper. [12]

To sum up: the horse that is sound in his feet, gentle and fairly speedy, has the will and the strength to stand work, and, above all, is obedient, is the horse that will, as a matter of course, give least trouble and the greatest measure of safety to his rider in warfare. But those that want a lot of driving on account of their laziness, or a lot of coaxing and attention on account of their high spirit, make constant demands on the rider's hands and rob him of confidence in moments of danger.

4. When a man has found a horse to his mind, bought him and taken him home, it is well to have the stable so situated with respect to the house that his master can see him very often; and it is a good plan to have the stall so contrived that it will be as difficult to steal the horse's fodder out of the manger as the master's victuals from the larder. He who neglects this seems to me to neglect himself; for it is plain that in danger the master entrusts his life to his horse. [2] But a well-secured stall is not only good for preventing theft of the fodder but also because one can see when the horse does not spill his food. And on noticing this one may be sure that either his body is overfull of blood and needs treatment or the horse is overworked and wants rest, or that laminitis or some other ailment is coming on. It is the same with horses as with men: all distempers in the early stage are more easily cured than when they have become chronic and have been wrongly treated. [3]

Just as the food and exercise of the horse must be attended to in order that he may keep sound, so his feet must be cared for. Now damp and slippery floors ruin even well-formed hoofs. In order that they may not be damp, the floors should have a slope to carry off the wet, and, that they may not be slippery, they should be paved all over with stones, each one about the size of the hoof. Such floors, indeed,

have another advantage because they harden the feet of the horses standing on them. [4]

To take the next point: the groom must lead out the horse to clean him, and must loose him from the stall after the morning feed, that he may return to his evening feed with more appetite. Now the stableyard will be of the best form and will strengthen the feet if he throws down and spreads over it four or five loads of round stones, the size of a fist, about a pound in weight, and surrounds them with a border of iron so that they may not be scattered. Standing on these will have the same effect as if the horse walked on a stone road for some time every day. [5] When he is being rubbed down and teased with flies he is bound to use his hoofs in the same way as when he walks. The frogs also are hardened by stones scattered in this way.

The same care must be taken to make his mouth tender as to harden his hoofs. This is done by the same methods as are employed to soften human flesh.

5. It is a mark of a good horseman, in our opinion, to see that his groom, like himself, is instructed in the way in which he should treat the horse.

First then the man ought to know that he should never make the knot in the halter at the point where the headstall is put on. For if the halter is not easy about the ears, the horse will often rub his head against the manger and may often get sores in consequence. Now if there are sore places thereabouts the horse is bound to be restive both when he is bridled and when he is rubbed down. [2] It is well also for the groom to have orders to remove the dung and litter daily to one and the same place. For by doing this he will get rid of it most easily and at the same time relieve the horse. [3] The groom must also know about putting the muzzle on the horse when he takes him out to be groomed or to the rolling-place. In fact he must always put the muzzle on when he leads him anywhere without a bridle. For the muzzle prevents him from biting without hampering his breathing; and moreover, when it is put on, it goes far towards preventing any propensity to mischief. [4]

He should tie up the horse at a place above the head, because when anything irritates his face, the horse instinctively tries to get rid of it by tossing his head upwards; and if he is tied thus he loosens the

halter instead of breaking it by tossing up his head. [5]

In rubbing the horse down, the man should start at the head and mane; for if the upper parts are not clean, it is idle to clean his lower parts. Next, going over the rest of his body, he should make the hair stand up with all the dressing instruments, and get the dust out by rubbing him the way the hair lies. But he should not touch the hair on the backbone with any instrument; he should rub and smooth it down with the hands the way it naturally grows; for so he will be least likely to injure the rider's seat. [6] He must wash the head well with water, for, as it is bony, to clean it with iron or wood would hurt the horse. He must also wet the forelock, for this tuft of hair, even if pretty long, does not obstruct his sight, but drives from his eyes anything that worries them; and we must presume that the gods have given the horse this hair in lieu of the long ears that they have given to asses and mules as a protection to their eyes. [7] He should also wash the tail and mane, for growth of the tail is to be encouraged in order that the horse may be able to reach as far as possible and drive away anything that worries him, and growth of the mane in order to give the rider as good a hold as possible. [8] Besides, the mane, forelock and tail have been given to the horse by the gods as an ornament. A proof of this is that brood mares herding together, so long as they have fine manes, are reluctant to be covered by asses; for which reason all breeders of mules cut off the manes of the mares for covering. [9]

Washing down of the legs we disapprove of; it does no good, and the hoofs are injured by being wetted every day. Excessive cleaning under the belly also should be diminished; for this worries the horse very much, and the cleaner these parts are, the more they collect under the belly things offensive to it; [10] and notwithstanding all the pains that may be taken with these parts, the horse is no sooner led out than he looks much the same as an unwashed animal. So these operations should be omitted; and as for the rubbing of the legs, it is enough to do it with the bare hands.

6. We will now show how one may rub down a horse with least danger to oneself and most advantage to the horse. If in cleaning him the man faces in the same direction as the horse, he runs the risk of getting a blow in the face from his knee and his hoof. [2] But if he

faces in the opposite direction to the horse and sits by the shoulder out of reach of his leg when he cleans him, and rubs him down so, then he will come to no harm, and can also attend to the horse's frog by lifting up the hoof. Let him do exactly the same in cleaning the hind-legs. [3] The man employed about the horse is to know that in these operations and in all that he has to do he must be very chary of approaching from the head or tail to do his work. For if the horse attempts to show mischief he has the man in his power in both these directions; but if he approaches from the side he can manage the horse with least danger to himself and in the best manner. [4]

When it is necessary to lead the horse, we do not approve of leading him behind one for this reason, that the man leading him is then least able to take care of himself while the horse has the utmost freedom to do whatever he chooses. [5] On the other hand we also disapprove of training the horse to go in front on a long lead for the following reasons: the horse has the power of misbehaving on either side as he chooses, and has also the power of turning round and facing his driver. [6] And if several horses together are driven in this fashion, how can they possibly be kept from interfering with one another? But a horse that is accustomed to being led from the side will have least power of doing harm either to horses or to men, and will be in the handiest position for the rider should he want to mount quickly. [7]

In order to put the bit in properly, first let the groom approach on the near side of the horse. Then let him throw the reins over the head and drop them on the withers, and next lift the headstall with the right hand and offer the bit with the left. [8] If he takes the bit, of course the bridle should be put on. But if he refuses to open his mouth, the man must hold the bit to his teeth and put the thumb of the left hand in the horse's jaw. Most horses open the mouth when this is done. If he still resists, the man should squeeze his lip against the tusk; and very few resist when they are treated in this way. [9] The groom should also be instructed in the following points: first, never to lead the horse on the rein — that gives the horse a hard mouth on one side — and secondly, what is the correct distance from the bit to the jaws. For if it is too high up, it hardens the mouth so that it loses its sensitiveness; and if it lies too low in the mouth, it gives the horse

power to take it between his teeth and refuse to obey. [10] The groom must also pay some attention to such points as the following: whether the horse will not easily take the bit when he knows that he has work to do. Willingness to receive the bit is, in fact, so important that a horse that refuses it is quite useless. [11] But if he is bridled not only when he is going to be ridden, but also when he is taken to his food and when he is led home from exercise, it would not be at all surprising if he seized the bit of his own accord when offered to him. [12]

It is well for the groom to know how to give a legup in the Persian fashion, so that his master himself, in case he is indisposed or is getting old may have someone to put him up conveniently, and may, if he wishes, oblige his friend with a man to give him a lift-up. [13]

The one best rule and practice in dealing with a horse is never to approach him in anger; for anger is a reckless thing, so that it often makes a man do what he must regret. [14] Moreover, when the horse is shy of anything and will not come near it, you should teach him that there is nothing to be afraid of, either with the help of a plucky horse — which is the surest way — or else by touching the object that looks alarming yourself, and gently leading the horse up to it. [15] To force him with blows only increases his terror; for when horses feel pain in such a predicament, they think that this too is caused by the thing at which they shy. [16]

When the groom presents the horse to his rider, we take no exception to his understanding how to cause the horse to crouch, for convenience in mounting. We think, however, that the rider should get used to mounting even without his horse's help. For a rider gets a different sort of horse at different times, and the same one does not always serve him in the same way.

7. We will now describe what the rider should do when he has received his horse and is going to mount, if he is to make the best of himself and his horse in riding.

First, then, he must hold the lead-rope fastened to the chin-strap or the nose-band ready in the left hand, and so loose as not to jerk the horse whether he means to mount by holding on to the mane near the ears or to spring up with the help of the spear. With his right hand let him take hold of the reins by the withers along with the mane, so that

he may not jerk the horse's mouth with the bit in any way as he mounts. [2] When he has made his spring in order to mount, he should raise his body with his left hand, while at the same time he helps himself up by stretching out his right; for by mounting in this way he will not present an awkward appearance even from behind by bending his leg. Neither must he touch the horse's back with his knee, but throw the leg right over the off side. Having brought the foot over, he must then let his buttocks down on the horse's back. [3]

In case the horseman happens to be leading the horse with the left hand and holding his spear in the right, it is well, we think, to practise mounting on the off side also. For this purpose all that he needs to learn is to do with the left parts of the body what in the other case he did with the right, and vice versa. [4] The reason why we recommend this method of mounting also is, that no sooner is the rider mounted than he is quite ready to fight with the enemy on a sudden, if occasion requires. [5]

When he is seated, whether on the bare back or on the cloth, we would not have him sit as if he were on his chair, but as though he were standing upright with his legs astride. For thus he will get a better grip of his horse with his thighs, and the erect position will enable him, if need be, to throw his spear and deliver a blow on horseback with more force. [6]

The lower leg including the foot must hang lax and easy from the knee down. For if he keeps his leg stiff and should strike it against anything, he may break it, whereas a loose leg will recoil, whatever it encounters, without disturbing the position of the thigh at all. [7] The rider must also accustom himself to keeping his body above the hips as loose as possible, for thus he will be able to stand more fatigue and will be less liable to come off when he is pulled or pushed. [8]

As soon as he is seated, he must teach his horse to stand quiet at first, until he has shifted anything that wants arranging underneath him, gathered the reins even in his hand and grasped his spear in the most convenient manner. Then let him keep his left arm close to his side, for thus the horseman's figure will look best, and his hand will have most power. [9] As for reins, we recommend that they be of equal strength, not weak nor slippery nor thick, in order that the spear may be held in the same hand when necessary. [10]

When he directs his horse to go forward, let him begin at a walk, for this prevents any flurry. If the horse carries his head too low, let the rider hold the hands higher; if too high, lower; for in this way he will give him the most graceful carriage. [11] After this, if he breaks into his natural trot, he will relax his body in the easiest fashion and come to the gallop most readily. Since, too, the more approved method is to begin with the left, one will best begin on this side, by giving the horse the signal to gallop while trotting, at the instant when he is treading with the right (fore) foot. [12] As he is then on the point of raising the left, he will begin with it, and, as soon as the rider turns him to the left, will immediately begin the stride. For it is natural for the horse to lead with the right when turned to the right and with the left when turned to the left. [13]

The exercise that we recommend is the one called the ring, since it accustoms the horse to turn on both jaws. It is also well to change the exercise, in order that both jaws may be equally practised on each side of the exercise. [14] We recommend the manage rather than the complete ring, for thus the horse will turn more willingly when he has gone some distance in a straight course, and one can practise the career and the turn at the same time. [15] It is necessary to collect him at the turns; for it is neither easy for the horse nor safe to turn short when going fast, especially if the ground is uneven or slippery. [16] In collecting him the rider must slant the horse as little as possible with the bit, and slant his own body as little as possible; else he may be sure that a trifling cause will be enough to bring him and his horse down. [17] As soon as the horse faces the straight after turning, push him along at once. For of course, in war too, turns are made with a view to pursuit or retreat. It is well, therefore, to practise increasing the pace after turning. [18] So soon as the horse appears to have been exercised enough, it is well to let him rest a certain time, and then suddenly to put him to his top speed again, of course away from, not towards, other horses, and to pull him up again in the midst of his career as short as possible, and then to turn and start him again from the stand. For it is obvious that a time will come when it will be necessary to do one or the other. [19]

When the time has come to dismount, the rider must never dismount among other horses or near a group of people or outside the

riding-ground; but let the place where the horse is forced to work be the place where he also receives his reward of ease.

8. As the horse will frequently have to gallop down hill and up hill and along a slope, and as he will have to leap over, and to leap out, and to jump down at various times, the rider must teach and practise both himself and his horse in all these things. For thus they will be able to help each other, and will be thought altogether more efficient. [2]

If anyone thinks that we are repeating ourselves, because we are referring to matters already dealt with, this is not repetition. For we recommended the purchaser to try whether the horse could do these things at the time of buying: but now we say that a man should teach his own horse; and we will show how to teach him. [3]

When a man has a raw horse quite ignorant of leaping, he must get over the ditch himself first, holding him loosely by the leading-rein, and then give him a pull with the rein to make him leap over. [4] If he refuses, let someone strike him as hard as he can with a whip or a stick: whereupon he will leap, and not only the necessary distance, but much further than was required. In future there will be no need to beat him, for if he merely sees a man approaching behind him, he will leap. [5] As soon as he has grown accustomed to leap in this way, let him be mounted and tried first at narrow, and then at wider ditches. Just as he is on the point of springing touch him with the spur. Similarly he should be taught to leap up and to leap down by a touch of the spur. For if he does all these things with his body compactly gathered, it will be safer for the horse as well as the rider than if his hind-quarters lag in taking a leap over, or in springing upwards or jumping downwards. [6]

Going down hill should first be taught on soft ground; and in the end, when the horse gets used to this, he will canter down more readily than up hill. If some fear that horses may put out their shoulders by being ridden down hill, they may take comfort when they understand that the Persians and Odrysians all ride races down hill, and yet keep their horses just as sound as the Greeks. [7]

Nor will we omit to state how the rider is to assist in all these movements. If the horse springs suddenly, he should lean forward; for so the horse is less likely to slip away and throw the rider off. But

in pulling him up short he should lean back; for so he himself will be less jolted. [8] When jumping a ditch or riding up hill it is well to take hold of the mane, that the horse may not be burdened by his bridle and the difficulty of the ground at the same time. When going down a steep incline, he should throw his body back and support the horse with the bridle, that neither rider nor horse may be tossed headlong down hill. [9]

It is correct also to exercise the horse sometimes in one place, sometimes in another, and to make the exercises sometimes long and sometimes short; for this is less irksome to the horse than being exercised always in the same place and for the same length of time. [10]

Since it is necessary that the rider should have a firm seat when riding at top speed over all sorts of country, and should be able to use his weapons properly on horseback, the practice of horsemanship by hunting is to be recommended where the country is suitable and big game is to be found. Where these conditions are lacking, it is a good method of training for two riders to work together thus: one flies on his horse over all kinds of ground and retreats, reversing his spear so that it points backwards, while the other pursues, having buttons on his javelins and holding his spear in the same position, and when he gets within javelin shot, tries to hit the fugitive with the blunted weapons, and if he gets near enough to use his spear, strikes his captive with it. [11] It is also a good plan, in case of a collision between them, for one to pull his adversary towards him and suddenly push him back again, since that is the way to dismount him. The right thing for the man who is being pulled is to urge his horse forward; by doing this the pulled is more likely to unhorse the puller than to be unhorsed himself. [12]

If at any time when an enemy's camp lies in front there is a cavalry skirmish, and one side presses the pursuit right up to the enemy's line of battle, but then retreats hastily to its own main body, it is well to know in that case that so long as you are by your friends, it is proper and safe to be among the first to wheel and make for the enemy at full speed; but when you come near the enemy to keep your horse well in hand. For in this way you have the best chance of injuring the enemy without coming to harm yourself. [13]

Now, whereas the gods have given to men the power of instructing one another in their duty by word of mouth, it is obvious that you can teach a horse nothing by word of mouth. If, however, you reward him when he behaves as you wish, and punish him when he is disobedient, he will best learn to do his duty. [14] This rule can be stated in few words, but it applies to the whole art of horsemanship. He will receive the bit, for example, more willingly if something good happens to him as soon as he takes it. He will also leap over and jump out of anything, and perform all his actions duly if he can expect a rest as soon as he has done what is required of him.

9. So far we have described how to avoid being cheated in buying a colt or a horse, how to avoid spoiling him in usage and how to impart to a horse all the qualities required by a cavalryman for war. It is time perhaps to give directions, in case one has to deal with a horse that is too spirited or too sluggish, for the correct way of managing either. [2]

First, then, it must be realised that spirit in a horse is precisely what anger is in a man. Therefore, just as you are least likely to make a man angry if you neither say nor do anything disagreeable to him, so he who abstains from annoying a spirited horse is least likely to rouse his anger. [3] Accordingly, at the moment of mounting, the rider should take care to worry him as little as possible; and when he is mounted, he should let him stand still longer than is otherwise usual, and then direct him to go by the most gentle aids. Then let him begin at a very slow pace and increase the speed with the same gentle help, so that the horse will not be aware of the transition to a quicker motion. [4] Any sudden sign disturbs a spirited horse, just as sudden sights and sounds and sensations disturb a man. It is important to realise that a horse too is flurried by anything sudden. [5] If you want to correct a spirited horse when he is going too fast, do not pull him suddenly, but quietly check him with the bit, soothing him, not forcing him, to a quiet pace. [6] Long rides rather than frequent turnings, calm horses; and quiet ones lasting long soothe and calm a spirited horse and do not excite him. [7] But if anyone supposes that he will calm a horse by frequent riding at a quick pace so as to tire him, his opinion is the opposite of the truth. For in such cases a spirited horse does his utmost to get the upper hand by force, and in

his excitement, like an angry man, he often causes many irreparable injuries both to himself and to his rider. [8] One must prevent a high-spirited horse from going at his top speed, and of course, entirely avoid letting him race with another horse; for as a rule the most highly spirited horses are also most eager for victory. [9]

As for bits, the smooth are more suitable than the rough; but if a rough one is used, it should be made to resemble a smooth one by lightness of hand. It is also well to accustom oneself to sit still, especially on a spirited horse, and to touch him as little as possible with anything other than the parts that give us a safe seat by contact. [10]

It should also be known that a horse can be taught to be calm by a chirp with the lips and to be roused by a cluck with the tongue. And if from the first you use with the cluck aids to calm him, and with the chirp aids to rouse him, the horse will learn to rouse himself at the chirp and to calm down at the cluck. [11] Accordingly, if a shout is heard or a trumpet sounds, you must not allow the horse to notice any sign of alarm in you, and must on no account do anything to him to cause him alarm, but as far as possible let him rest in such circumstances, and, if you have the opportunity, bring him his morning or evening meal. [12] But the best advice is not to get an over-spirited horse for war.

As for a sluggish beast, I may be content with the remark that in everything you must do the opposite of what we advise for the treatment of a high-spirited one.

10. If a man wants to make a useful war-horse look more stately and showy when ridden, he must avoid pulling his mouth with the bit, and using the spur and whip, means by which most people imagine that they show off a horse. In point of fact the results they produce are the very opposite of what they intend. [2] For by dragging the mouth up they blind their horses instead of letting them see ahead, and by spurring and whipping, flurry them so that they are startled and get into danger. That is the behaviour of horses that strongly object to being ridden and that behave in an ugly and unseemly fashion. [3] But if you teach the horse to go with a slack bridle, to hold his neck up and to arch it towards the head, you will cause the horse to do the very things in which he himself delights and

takes the greatest pleasure. [4] A proof that he delights in them is that whenever he himself chooses to show off before horses, and especially before mares, he raises his neck highest and arches his head most, looking fierce; he lifts his legs freely off the ground and tosses his tail up. [5] Whenever, therefore, you induce him to carry himself in the attitudes he naturally assumes when he is most anxious to display his beauty, you make him look as though he took pleasure in being ridden, and give him a noble, fierce, and attractive appearance. How we think that these effects may be produced we will now try to explain. [6]

To begin with, you should possess two bits at least. One of these should be smooth and have the discs of a good size; the other should have the discs heavy and low, and the teeth sharp, so that when the horse seizes it he may drop it because he objects to its roughness, and when he is bitted with the smooth one instead, may welcome its smoothness and may do on the smooth bit what he has been trained to do with the aid of the rough one. [7] In case, however, he takes no account of it because of its smoothness, and keeps bearing against it, we put large discs on the smooth bit to stop this, so that they may force him to open his mouth and drop the bit. It is possible also to make the rough bit adaptable by wrapping it up and tightening the reins. [8] But whatever be the pattern of the bits, they must all be flexible. For wherever a horse seizes a stiff one, he holds the whole of it against his jaws, just as you lift the whole of a spit wherever you take hold of it. [9] But the other kind of bit acts like a chain: for only the part that you hold remains unbent, while the rest of it hangs loose. As the horse continually tries to seize the part that eludes him in his mouth, he lets the bit drop from his jaws. This is why little rings are hung in the middle on the axles, in order that the horse may feel after them with his tongue and teeth and not think of taking the bit up against the jaws. [10]

In case the meaning of the terms flexible and stiff as applied to a bit is not known, we will explain this too. "Flexible" means that the axles have broad and smooth links so that they bend easily; and if everything that goes round the axles has large openings, and does not fit tight, it is more flexible. [11] "Stiff," on the other hand, means that the pieces of the bit do not run over the axles and work in

combination easily.

Whatever the pattern may be, the same method of using it must be carried out in all the points that follow, assuming that you want your horse to have just the appearance I have described. [12] The mouth must neither be pulled so hard that he holds his nose in the air, nor so gently that he takes no notice. As soon as he raises his neck when you pull, give him the bit at once. Invariably, in fact, as we cannot too often repeat, you must humour you horse whenever he responds to your wishes. [13] And when you notice that high carriage of his neck and lightness of hand give him pleasure, you should not deal hardly with him as though you were forcing him to work, but coax him as when you want to stop; for thus he will break into a fast pace with most confidence. [14] There is plain proof that a horse takes pleasure in going fast: for when he breaks loose a horse never goes at a walking pace, but always runs. He instinctively takes pleasure in this, provided he is not compelled to run too far for his strength. Nothing in excess is ever pleasing either to horse or man. [15]

When your horse has progressed so far as to bear himself proudly when ridden, he has, of course, already been accustomed in the early exercises to break into a quicker pace after turning. Now if after he has learnt this you pull him up with the bit and at the same time give him one of the signs to go forward, then being held back by the bit and yet roused by the signal to go forward, he throws his chest out and lifts his legs from the ground impatiently, but not with a supple motion; for when horses feel uncomfortable, the action of their legs is not at all supple. [16] But if, when he is thus excited, you give him the bit, then, mistaking the looseness of the bit for a deliverance from restraint, he bounds forward for very joy with a proud bearing and supple legs, exultant, imitating exactly in every way the graces that he displays before horses. [17] And those who watch the horse when he is like that call him well-bred, a willing worker, worth riding, mettlesome, magnificent, and declare his appearance to be at once pleasing and fiery.

And here we conclude these explanations addressed to those who want this sort of thing.

11. But in case anyone wants to own a horse suitable for parade, with a high and showy action, such qualities are by no means to be

found in every horse: but it is essential that he should have plenty of spirit and a strong body. [2] Many suppose that an animal that has supple legs will also be capable of rearing his body. That, however, is not the case: rather it is the horse with supple, short, strong loins that will be able to extend his hind-legs well under the forelegs. By “loins” we do not mean the parts about the tail, but those between the flanks and haunches about the belly. [3] Now, if when he is planting his hind-legs under him you pull him up with the bit, he bends the hind-legs on the hocks and raises the fore-part of his body, so that anyone facing him can see the belly and the sheath. When he does that you must give him the bit that he may appear to the onlookers to be doing willingly the finest things that a horse can do. [4] Some, however, teach these accomplishments by striking him under the hocks with a rod, others by telling a man to run alongside and hit him with a stick under the gaskins. [5] We, however, consider that the lesson is most satisfactory if, as we have repeatedly said, the rider invariably allows him relaxation when he has done something according to his wishes. [6] For what a horse does under constraint, as Simon says, he does without understanding, and with no more grace than a dancer would show if he was whipped and goaded. Under such treatment horse and man alike will do much more that is ugly than graceful. No, a horse must make the most graceful and brilliant appearance in all respects of his own will with the help of aids. [7] Further, if you gallop him during a ride until he sweats freely, and as soon as he prances in fine style, quickly dismount and unbridle him, you may be sure that he will come willingly to the prance. [8]

This is the attitude in which artists represent the horses on which gods and heroes ride, and men who manage such horses gracefully have a magnificent appearance. [9] Indeed a prancing horse is a thing so graceful, terrible and astonishing that it rivets the gaze of all beholders, young and old alike. At all events no one leaves him or is tired of gazing at him so long as he shows off his brilliance. [10]

Should the owner of such a horse happen to be a colonel or a general, he must not make it his object to be the one brilliant figure, but must attach much more importance to making the whole troop behind him worth looking at. [11] Now if a horse is leading in the manner which wins most praise for such horses, prancing high and

with his body closely gathered, so that he moves forward with very short steps, the rest of the horses must obviously follow also at a walking pace. Now what can there be really brilliant in such a sight? [12] But if you rouse your horse and lead neither too fast nor too slow, but at the pace at which the most spirited horses look most fiery and stately — if you lead your men in that way, there will be such a continual stamping, such a continual neighing and snorting of the horses going on behind you, that not only you yourself but all the troop behind you will be worth watching. [13]

If a man buys his horses well, trains them so that they can stand work, and uses them properly in the training for war, in the exhibition rides and on the battle-fields, what is there then to hinder him from making horses more valuable than they are when he takes them over, and why should he not be the owner of famous horses, and also become famous himself for his horsemanship, provided no divine power prevents?

12. We want to explain also how a man who is to face danger on horseback should be armed.

We say, then, that in the first place his breastplate must be made to fit his body. For the wellfitting breastplate is supported by the whole body, whereas one that is too loose is supported by the shoulders only, and one that is too tight is rather an encumbrance than a defence. [2] And, since the neck is one of the vital parts, we hold that a covering should be available for it also, standing up from the breastplate itself and shaped to the neck. For this will serve as an ornament, and at the same time, if properly made, will cover the rider's face, when he pleases, as high as the nose. [3] For the helmet we consider the Boeotian pattern the most satisfactory: for this, again, affords the best protection to all the parts that project above the breastplate without obstructing the sight. As for the pattern of the breastplate, it should be so shaped as not to prevent the wearer from sitting down or stooping. [4] About the abdomen and middle and round that region let the flaps be of such material and such a size that they will keep out missiles. [5] And as a wound in the left hand disables the rider, we also recommend the piece of armour invented for it called the "hand." For it protects the shoulder, the arm, the elbow, and the fingers that hold the reins; it will also extend and fold

up; and in addition it covers the gap left by the breastplate under the armpit. [6] But the right hand must be raised when the man intends to fling his javelin or strike a blow. Consequently that portion of the breastplate that hinders him in doing that should be removed; and in place of it there should be detachable flaps at the joints, in order that, when the arm is elevated, they may open correspondingly, and may close when it is lowered. [7] For the fore-arm it seems to us that the piece put over it separately like a greave is better than one that is bound up together with a piece of armour. The part that is left exposed when the right arm is raised should be covered near the breastplate with calf-skin or metal; otherwise the most vital part will be unprotected. [8]

Since the rider is seriously imperilled in the event of his horse being wounded, the horse also should be armed, having head, chest, and thigh pieces: the last also serve to cover the rider's thighs. But above all the horse's belly must be protected; for this, which is the most vital part, is also the weakest. It is possible to make the cloth serve partly as a protection to it. [9] The quilting of the cloth should be such as to give the rider a safer seat and not to gall the horse's back.

Thus horse and man alike will be armed in most parts. [10] But the rider's shins and feet will of course be outside the thigh-pieces. These too can be guarded if boots made of shoe-leather are worn: there will thus be armour for the shins and covering for the feet at the same time. [11]

These are the defensive arms which with the gracious assistance of heaven will afford protection from harm. For harming the enemy we recommend the sabre rather than the sword, because, owing to his lofty position, the rider will find the cut with the Persian sabre more efficacious than the thrust with the sword. [12] And, in place of the spear with a long shaft, seeing that it is both weak and awkward to manage, we recommend rather the two Persian javelins of cornel wood. For the skilful man may throw the one and can use the other in front or on either side or behind. They are also stronger than the spear and easier to manage. [13]

We recommend throwing the javelin at the longest range possible. For this gives a man more time to turn his horse and to grasp the

other javelin. We will also state in a few words the most effective way of throwing the javelin. If a man, in the act of advancing his left side, drawing back his right, and rising from his thighs, discharges the javelin with its point a little upwards, he will give his weapon the strongest impetus and the furthest carrying power; it will be most likely to hit the mark, however, if at the moment of discharge the point is always set on it. [14]

These notes, instructions and exercises which we have here set down are intended only for the private person. What it belongs to a cavalry leader to know and to do has been set forth in another book.

ON THE CAVALRY GENERAL

Translated by E. C. Marchant

This second treatise on horsemanship mainly concerns the duties, exercises and military manœuvres of the cavalry commander (the ‘hipparchus’).

ON THE CAVALRY GENERAL

1. The first duty is to sacrifice to the gods and pray them to grant you the thoughts, words and deeds likely to render your command most pleasing to the gods and to bring yourself, your friends and your city the fullest measure of affection and glory and advantage. [2] Having gained the goodwill of the gods, you have then to recruit a sufficient number of mounted men that you may bring the number up to the total required by the law, and also may prevent any decrease in the cavalry establishment. Unless additional recruits are enrolled in the force, the number will constantly dwindle, for some men are bound to retire through old age and others to drop off for various reasons. [3]

While the ranks are filling up, you must see that the horses get enough food to stand hard work, since horses unfit for their work can neither overtake nor escape. You must see that they are docile, because disobedient animals assist the enemy more than their own side. [4] And horses that kick when mounted must be got rid of, for such brutes often do more mischief than the enemy. You must also look after their feet, so that they can be ridden on rough ground, for you know that wherever galloping is painful to them, they are useless. [5]

Having made sure that the horses are in good condition, the next business is to train the men. First they must learn to mount from the spring, since many before now have owed their lives to that. Secondly, they must practise riding over all sorts of ground, since any kind of country may become the area of war. [6] As soon as they have acquired a firm seat, your next task is to take steps that as many as possible shall be able to throw the javelin when mounted and shall become efficient in all the details of horsemanship.

After that both horses and men must be armed, so that, while they are themselves thoroughly protected against wounds, they may have the means of inflicting the greatest loss on the enemy. [7] Then you must contrive to make the men obedient: otherwise neither good horses nor a firm seat nor fine armour are of any use.

For ensuring efficiency in all these matters the cavalry commander, as a matter of course, is the principal authority. [8] But, at

the same time, the state thinks it difficult for the cavalry commander to carry out all these duties single-handed; therefore, it also elects colonels of regiments to assist him; and it has charged the Council with the duty of taking a share in the management of the cavalry. I think it well, then, that you should encourage the colonels to be as eager as yourself for the efficiency of the cavalry, and should have suitable spokesmen in the Council, that their speeches may alarm the men — they will do better under the influence of fear — and may also appease the wrath of the Council, in case it shows indignation at the wrong time. [9]

Here, then, you have brief notes on the matters that demand your attention. I will now try to explain how these duties may best be carried out in detail.

As for the men, you must obviously raise them as required by the law, from among those who are most highly qualified by wealth and bodily vigour, either by obtaining an order of the court or by the use of persuasion. [10] The cases that should be brought before the court, I think, are those of men who otherwise might be suspected of having bribed you not to apply for a judgment. For the smaller men will at once have a ground for escaping, unless you first compel the most highly qualified to serve. [11] I think, too, that, by dwelling on the brilliancy of horsemanship, you might fire some of the young men with ambition to serve in the cavalry, and that you might overcome the opposition of their guardians by informing them that they will be required to keep horses by someone, if not by you, on account of their wealth; whereas, if their [12] boys join up during your command, you will put an end to their extravagance in buying expensive horses, and see that they soon make good riders. And you must try to suit your actions to your words. [13]

As for the existing cavalry, I think that the Council should give notice that in future double the amount of exercise will be required, and that any horse unable to keep up will be rejected. This warning would put the screw on the men and make them feed their horses better and take more care of them. [14] I think it would be well, too, if notice were given that vicious horses would be rejected. Under the stimulus of this threat men would break in such animals more thoroughly and would be more careful in buying horses. [15] Again, it

would be well to give notice that horses found kicking at exercise will be rejected. For it is impossible even to keep such animals in line; in a charge against an enemy they are bound to lag behind, and the consequence is, that through the bad behaviour of his horse, the man himself becomes useless. [16]

For getting horses' feet into the best condition, if anyone has an easier and cheaper method than mine, by all means adopt it. If not, I hold — and I speak from experience — that the right way is to throw down some stones from the road, averaging about a pound in weight, and to curry the horse on these and to make him stand on them whenever he goes out of the stable. For the horse will constantly use his feet on the stones when he is cleaned and when he is worried by flies. Try it, and you will find your horses' feet round, and will believe in the rest of my rules. [17]

Assuming that the horses are in good condition, I will explain how to make the men themselves thoroughly efficient.

We would persuade the young recruits to learn for themselves how to mount from the spring; but if you provide an instructor, you will receive well-merited praise. The way to help the older men is to accustom them to get a leg-up in the Persian fashion. [18]

To ensure that the men have a firm seat, whatever the nature of the ground, it is, perhaps, too much trouble to have them out frequently when there is no war going on; but you should call the men together, and recommend them to practise turning off the roads and galloping over all sorts of ground when they are riding to quarters or any other place. For this does as much good as taking them out, and it is less tedious. [19] It is useful to remind them that the state supports an expenditure of nearly forty talents a year in order that she may not have to look about for cavalry in the event of war, but may have it ready for immediate use. For with this thought in their minds the men are likely to take more pains with their horsemanship, so that when war breaks out they may not have to fight untrained for the state, for glory and for life. [20] It is well also to give notice to the men that you intend to take them out yourself some day, and lead them over country of all kinds. And during the manoeuvres that precede the sham fight it is proper to take them out to a different piece of country at different times: this is better for both men and horses. [21]

As for throwing the javelin on horseback, I think that the greatest number will practise that if you add a warning to the colonels that they will be required to ride to javelin exercise themselves at the head of the marksmen of the regiment. Thus, in all probability, everyone of them will be eager to turn out as many marksmen as possible for the service of the state. [22]

Towards the proper arming of the men, I think that the greatest amount of assistance will be obtained from the colonels, if they are persuaded that from the point of view of the state the brilliance of the regiment is a far more glorious ornament to them than the brightness of their own accoutrements only. [23] It is likely that they will not be hard to persuade in such matters, considering that honour and glory were the attractions that the colonelcy held out to them, and they can arm the men in accordance with the regulations laid down in the law without incurring expense themselves, afterwards compelling the men to spend their pay on their arms, as the law ordains. [24]

To make the men who are under your command obedient, it is important to impress on them by word of mouth the many advantages of obedience to authority, and no less important to see that good discipline brings gain and insubordination loss in every respect. [25]

The best way of inducing every colonel to take pride in commanding a well equipped regiment, I think, is to arm your company of couriers as well as you can, to demand of them constant practice in the use of the javelin, and to instruct them in it after making yourself proficient. [26] And if you could offer prizes to the regiments for skill in all the feats that the public expects the cavalry to perform at the spectacles, I think this would appeal strongly to the spirit of emulation in every Athenian. For evidence of this I may refer to the choruses, in which many labours and heavy expenses are the price paid for trifling rewards. Only you must find judges whose suffrage will shed lustre on a victory.

2. When your men are well trained in all these points, they must, of course, understand some plan of formation, that in which they will show to greatest advantage in the sacred processions and at manoeuvres, fight, if need be, with the greatest courage, and move along roads and cross rivers with perfect ease in unbroken order. So I will now try to explain the formation that I think will give the best

results in these various circumstances. [2]

Now the state has divided the cavalry into ten separate regiments. I hold that within these you should, to begin with, appoint file-leaders after consulting each of the colonels, choosing sturdy men, who are bent on winning fame by some brilliant deed. These should form the front rank. [3] Next you should choose an equal number of the oldest and most sensible to form the rear rank. To use an illustration, steel has most power to cut through steel when its edge is keen and its back reliable. [4]

To fill the ranks between the front and rear, the file-leaders should choose the men to form the second line, and these in turn the men to form the third, and so on throughout. In this way every man will naturally have complete confidence in the man behind him. [5]

You must be very careful to appoint a competent man as leader in the rear. For if he is a good man, his cheers will always hearten the ranks in front of him in case it becomes necessary to charge; or, should the moment come to retreat, his prudent leadership will, in all probability, do much for the safety of his regiment. [6]

An even number of file-leaders has this advantage over an odd, that it is possible to divide the regiment into a larger number of equal parts.

The reasons why I like this formation are these. In the first place, all the men in the front rank are officers; and the obligation to distinguish themselves appeals more strongly to men when they are officers than when they are privates. Secondly, when anything has to be done, the word of command is much more effective if it is passed to officers rather than to privates. [7]

Let us assume that this formation has been adopted: every file-leader must know his position in the line of march by word passed along by the colonel, just as every colonel is informed by the commander of his proper place in the charge. For when these instructions are given there will be much better order than if the men hamper one another like a crowd leaving the theatre. [8] And in the event of a frontal attack, the men in the van are far more willing to fight when they know that this is their station; so is the rear-rank in the event of a surprise attack in the rear, when the men there understand that it is disgraceful to leave their post. [9] But if no order

is kept there is confusion whenever the roads are narrow or rivers are being crossed; and when an action is fought no one voluntarily takes his post in the fighting line.

All these preliminaries must be thoroughly mastered by all the cavalry, if they are to give their leader unflinching support.

3. Now we come to duties that the cavalry commander must perform himself. First, he must sacrifice to propitiate the gods on behalf of the cavalry; secondly, he must make the processions during the festivals worth seeing; further, he must conduct all the other obligatory displays before the people with as much splendour as possible, that is to say, the reviews in the Academy, in the Lyceum, at Phalerum, and in the Hippodrome.

These again are only brief notes; and I will now explain exactly how the details of these various functions may be carried out with most splendour. [2]

As for the processions, I think they would be most acceptable both to the gods and to the spectators if they included a gala ride in the market place. The starting point would be the Herms; and the cavalry would ride round saluting the gods at their shrines and statues. So at the Great Dionysia the dance of the choruses forms part of the homage offered to the Twelve and to other gods.

When the circuit is completed and the cavalcade is again near the Herms, the next thing to do, I think, is to gallop at top speed by regiments as far as the Eleusinium. [3] I will add a word on the position in which the lances should be held to prevent crossing. Every man should point his lance between his horse's ears, if the weapons are to look fearsome, stand out distinctly, and at the same time to convey the impression of numbers. [4]

The gallop finished and the goal reached, the right plan is to ride back to the temples by the same route, but at a slow pace: thus every effect that can be obtained from a horse with a man on his back will be included in the display, to the satisfaction of gods and men alike. [5]

I know that our cavalrymen are not accustomed to these movements: but I am sure that they are desirable and beautiful, and will delight the spectators. I am aware, too, that the cavalry have exhibited other novel feats of skill in days when the cavalry

commanders had sufficient influence to get their wishes carried out. [6]

During the parade at the Lyceum, before the javelin-throwing, the right way is to ride in two divisions in line of battle, each division consisting of five regiments with its commander at the head and the colonels; and the line should be so extended that the whole breadth of the course will be covered. [7] As soon as they reach the highest point looking down on the Theatre opposite, I think it would clearly be useful if you displayed your men's ability to gallop downhill in fairly large companies. [8] To be sure, I know well enough that, if they feel confident of their ability to gallop, they will welcome the opportunity of showing off their skill: but you must see that they are not short of practice, or the enemy will compel them to do it against their will. [9]

The formation that would add most to the beauty of the exercises at the inspections has already been explained. Provided his horse is strong enough, the leader should ride round with the file that is on the outside every time. He will be galloping all the time himself, and the file whose turn it is to be on the outside with him will also be galloping. Thus the eyes of the Council will always be on the galloping file, and the horses will get a breathing space, resting by turns. [10]

When the Hippodrome is the scene of the display, the right plan would be that the men should first be drawn up on a front broad enough to fill the Hippodrome with horses and drive out the people standing there. [11] In the sham fight when the regiments pursue and fly from one another at the gallop in two squadrons of five regiments, each side led by its commander, the regiments should ride through one another. How formidable they will look when they charge front to front; how imposing when, after sweeping across the Hippodrome, they stand facing one another again; how splendid, when the trumpet sounds and they charge once more at a quicker pace! [12] After the halt, the trumpet should sound once more, and they should charge yet a third time at top speed; and when they have crossed, they should all range themselves in battle line preparatory to being dismissed, and ride up to the Council, just as you are accustomed to do. [13] I think that these manoeuvres would look more like war and would have the

charm of novelty. It is unworthy of his high rank that a cavalry commander should gallop at a slower pace than the colonels, and ride in the same way as they do. [14]

When the ride is to take place in the Academy on the hard ground, I have the following recommendations to make. To avoid being thrown the riders should throw the body back in charging, and collect their horses when wheeling, to keep them from falling. In the straight, however, they should gallop. The Council will thus watch a safe as well as a beautiful performance.

4. During a march the cavalry commander must always think ahead, in order that he may rest the horses' backs and relieve the men by walking, giving moderate spells of alternate riding and marching. You can't misjudge what is a moderate spell, since every man is himself the measure that will show you when they are getting tired. [2]

But when it is uncertain whether you will encounter an enemy on your way to any place, you must give the regiments a rest in turn. For it would be a bad job if all the men were dismounted when the enemy is close at hand. [3]

If you are riding along narrow roads, the order must be given to form column; but when you find yourself on broad roads, the order must be given to every regiment to extend front. When you reach open ground, all the regiments must be in line of battle. Incidentally these changes of order are good for practice, and help the men to get over the ground more pleasantly by varying the march with cavalry manoeuvres. [4]

When riding on difficult ground away from roads, whether in hostile or friendly country, it is very useful to have some of the aides-de-camp in advance of each regiment, that they may find a way round into the open in case they come across pathless woodland, and show the men what line they should follow, so that whole companies may not go astray. [5]

If your route lies in dangerous country, a prudent commander will have a second advanced guard ahead of his scouts for reconnaissance purposes. For it is useful both for attack and defence to discover an enemy as far off as possible. It is useful also to halt at the passage of a river, that the rear guard may not wear out their horses in chasing

their leader. These rules, no doubt, are familiar to nearly everybody; but few will take the trouble to observe them. [6]

A cavalry commander should be at pains even in time of peace to acquaint himself with hostile and friendly country alike. In case he is without personal experience, he should at least consult the men in the force who have the best knowledge of various localities. For the leader who knows the roads has a great advantage over one who does not. In making plans against the enemy, too, a knowledge of the district makes a great difference. [7]

You must also have taken steps to enlist the services of spies before the outbreak of war. Some of these should be citizens of neutral states, and some merchants, since all states invariably welcome the importer of merchandise. Sham deserters, too, have their use on occasions. [8] Still, you must never neglect to post guards through reliance on spies; on the contrary, your precautions must at all times be as complete as when you have information that the enemy is approaching. For even if the spies are entirely reliable, it is difficult to report at the critical moment, since many things happen in war to hinder them. [9]

The advance of cavalry is less likely to be detected by the enemy if orders are not given by a herald or in writing beforehand, but passed along. Accordingly, for this purpose, too, that the order to advance may be given by word of mouth, it is well to post fileleaders, and half file-leaders behind them, so that each may pass the word to as few men as possible. Thus, too, the half file-leaders will wheel and extend the line without confusion, whenever there is occasion to do so. [10]

When it is necessary to keep a look out, I am all in favour of the plan of having hidden outposts and guards. For these serve at once as guards to protect your friends and snares to trap the enemy. [11] And the men, being unseen, are more secure themselves and at the same time more formidable to the enemy. For the enemy, conscious that there are outposts somewhere, but ignorant of their whereabouts and their strength, feels nervous and is forced to suspect every possible position; whereas visible outposts show them where danger lies and where all is safe. [12] Besides, if you conceal your outposts, you will have the chance of luring the enemy into an ambush by placing a few

guards in the open to screen the hidden men. Occasionally, too, a cunning trap may be laid by posting a second body of exposed guards behind the men in hiding; for this plan may prove as deceptive to the enemy as the one just referred to. [13]

A prudent commander will never take risks unnecessarily, except when it is clear beforehand that he will have the advantage of the enemy. To play into the enemy's hand may fairly be considered treachery to one's allies rather than courage. [14] Another sound principle is to go for any position where the enemy is weak, even if it is a long way off, since hard work is less dangerous than a struggle against superior forces. [15] But if the enemy places himself somewhere between yourself and fortresses friendly to you, then it is proper to attack him, even if he is greatly superior, on that side where your presence is unsuspected, or on both flanks at once, for when one part of your force is retiring, a charge on the opposite flank will flurry the enemy and rescue your friends. [16]

It is an old maxim that, in attempting to discover what the enemy is about, it is well to employ spies. But the best plan of all, in my opinion, is for the commander himself to watch the enemy from some safe coign of vantage, if possible, and take notice of his mistakes. [17] And when anything can be filched by cunning, you should send likely men to steal it; and when anything may be seized you should despatch troops to seize it. If the enemy is marching on some objective and a part of his force weaker than your own separates from the main body or straggles carelessly, the chance must not be missed; the hunter, however, must always be stronger than the hunted. [18]

You can see the point of this if you consider. Even wild creatures less intelligent than man, such as hawks, will grab unguarded plunder and get away into a place of safety before they can be caught: wolves, again, prey on anything left unprotected and steal things lying in holes and corners; and if a dog does pursue and overtake him, [19] the wolf, if stronger than the dog, attacks him; or if weaker, snatches away the prize and makes off. Moreover, when a pack of wolves feels no fear of a convoy, they arrange themselves so that some shall drive off the convoy, and others seize the plunder; and thus they get their food. [20] Well, if wild beasts show such sagacity,

surely any man may be expected to show more wisdom than creatures that are themselves taken by the skill of man.

5. Every horseman should know at what distance a horse can overtake a man on foot, and how much start a slow horse needs to escape from a fast one. A cavalry commander should also be able to judge of the ground where infantry has an advantage over cavalry and where cavalry has an advantage over infantry. [2] He must also have sufficient ingenuity to make a small company of horse look large, and conversely, to make a large one look small; to seem to be absent when present, and present when absent; to know how to deceive, not merely how to steal the enemy's possessions, but also how to conceal his own force and fall on the enemy unexpectedly. [3] Another neat ruse is to create a scare among the enemy when your own position is precarious, so that he may not attack, and to put him in good heart, when it is strong, so that he may make an attempt. Thus you are least likely to come to harm yourself and most likely to catch the enemy tripping. [4]

That I may not seem to demand impossibilities, I will add a solution of the problems that seem most puzzling. Success in an attempt to pursue or retreat depends on experience of horses and their powers. But how are you to get this experience? By watching the friendly encounters of the sham fights and noticing what condition the horses are in after the pursuits and flights. [5]

When your object is to make the number of your cavalry look large, first take it for an axiom, if possible, not to attempt the ruse when you are near the enemy: for distance gives safety and increases the illusion. Secondly you must know that horses look many when crowded, owing to the animal's size, but are easily counted when scattered. [6] Another way of exaggerating the apparent strength of your force is to arm the grooms with lances or even imitation lances, and put them between the cavalrymen, whether you display the cavalry at the halt or wheel it into line. Thus the bulk of the company is bound to look denser and more massive. [7]

On the other hand, if your object is to make a large number look small, then, assuming that your ground affords cover, you can obviously conceal your cavalry by having part in the open and part hidden. If, however, the whole of the ground is exposed, you must

form the files into rows and wheel, leaving a gap between each two rows; and the men in each file who are next the enemy must hold their lances upright, while the rest keep theirs low down out of sight. [8]

The means to employ for scaring the enemy are false ambuscades, false reliefs and false information. An enemy's confidence is greatest when he is told that the other side is in difficulties and is preoccupied. [9]

But given these instructions, a man must himself invent a ruse to meet every emergency as it occurs. For there is really nothing more profitable in war than deception. [10] Even children are successful deceivers when they play "Guess the number"; they will hold up a counter or two and make believe that they have got a fist-full, and seem to hold up few when they are holding many; so surely men can play similar tricks when they are intent on deceiving in earnest. [11] And on thinking over the successes gained in war you will find that most of them, and these the greatest, have been won with the aid of deception. For these reasons either you should not essay to command, or you should pray to heaven that your equipment may include this qualification, and you should contrive on your own part to possess it. [12]

For those near the sea two effective ruses are, to strike on land while fitting out ships, and to attack by sea while ostensibly planning a land attack. [13]

Another duty of a cavalry commander is to demonstrate to the city the weakness of cavalry destitute of infantry as compared with cavalry that has infantry attached to it. Further, having got his infantry, a cavalry commander should make use of it. A mounted man being much higher than a man on foot, infantry may be hidden away not only among the cavalry but in the rear as well. [14]

For the practical application of these devices and any others you may contrive for the undoing of your foes by force or craft, I counsel you to work with God, so that, the gods being propitious, fortune too may favour you. [15]

Another ruse that proves highly effective at times is to feign excess of caution and reluctance to take risks. For this pretence often lures the enemy into making a more fatal blunder through want of

caution. Or once come to be thought venturesome, and you can give the enemy trouble by merely sitting still and pretending that you are on the point of doing something.

6. However, no man can mould anything to his mind unless the stuff in which he proposes to work lies ready to obey the artist's will. No more can you make anything of men, unless, by God's help, they are ready to regard their commander with friendly feelings and to think him wiser than themselves in the conduct of operations against the enemy. [2]

Now the feeling of loyalty will naturally be fostered when the commander is kind to his men, and obviously takes care that they have victuals, and that they are safe in retreat and well protected when at rest. [3] In the garrisons he must show an interest in fodder, tents, water, firewood, and all other supplies: he must show that he thinks ahead and keeps his eyes open for the sake of his men. And when he is doing well the chief's best policy is to give them a share in his good things. [4]

To put it shortly, a commander is least likely to incur the contempt of his men if he shows himself more capable than they of doing whatever he requires of them. [5] He must therefore practise every detail of horsemanship — mounting and the rest, — that they may see their commander able to take a ditch without a spill, clear a wall, leap down from a bank and throw a javelin skilfully. For all these feats are so many stepping stones to their respect. [6] If they know him also to be a master of tactics and able to put them in the way of getting the better of the enemy; and if besides, they are certain that he will never lead them against an enemy recklessly or without the gods' approval or in defiance of the sacrifices, all these conditions increase the men's readiness to obey their commander.

7. Every commander, then, should have intelligence. The Athenian cavalry commander, however, should excel greatly both in the observance of his duty to the gods and in the qualities of a warrior, seeing that he has on his borders rivals in the shape of cavalry as numerous as his and large forces of infantry. [2] And if he attempts to invade the enemy's country without the other armed forces of the state, he will have to take his chance with the cavalry only against both arms. Or if the enemy invades Athenian territory, in the first

place, he will certainly not fail to bring with him other cavalry besides his own and infantry in addition, whose numbers he reckons to be more than a match for all the Athenians put together. [3] Now provided that the whole of the city's levies turn out against such a host in defence of their country, the prospects are good. For our cavalymen, God helping, will be the better, if proper care is taken of them, and our heavy infantry will not be inferior in numbers, and I may add, they will be in as good condition and will show the keener spirit, if only, with God's help, they are trained on the right lines. And, remember, the Athenians are quite as proud of their ancestry as the Boeotians. [4] But if the city falls back on her navy, and is content to keep her walls intact, as in the days when the Lacedaemonians invaded us with all the Greeks to help them, and if she expects her cavalry to protect all that lies outside the walls, and to take its chance unaided against her foes, — why then, I suppose, we need first the strong arm of the gods to aid us, and in the second place it is essential that our cavalry commander should be masterly. For much sagacity is called for in coping with a greatly superior force, and abundance of courage when the call comes. [5]

I take it, he must also be able to stand hard work. For if he should elect to take his chance against the army confronting him — an army that not even the whole state is prepared to stand up to — it is evident that he would be entirely at the mercy of the stronger and incapable of doing anything. [6] But should he guard whatever lies outside the walls with a force that will be just sufficient to keep an eye on the enemy and to remove into safety from as great a distance as possible property that needs saving, — and a large force is not necessary for this: a small force can keep a look-out as well as a large one, and when it comes to guarding and removing the property of friends, men who have no confidence in themselves or their horses will meet the case, because Fear, it seems, is a [7] formidable member of a guard — well, it may perhaps be a sound plan to draw on these men for his guards. But if he imagines that the number remaining over and above the guard constitutes an army, he will find it too small; for it will be utterly inadequate to risk a conflict in the open. Let him use these men as raiders, and he will probably have a force quite sufficient for this purpose. [8] His business, it seems to me, is to

watch for any blunder on the enemy's part without showing himself, keeping men constantly on the alert and ready to strike. [9] It happens that, the greater is the number of soldiers, the more they are apt to blunder. Either they scatter deliberately in search of provisions, or they are so careless of order on the march that some get too far ahead, while others lag too far behind. [10] So he must not let such blunders go unpunished, or the whole country will be occupied; only he must take good care to retire the moment he has struck, without giving time for the main supports to arrive on the scene. [11]

An army on the march often comes to roads where large numbers have no advantage over small. In crossing rivers, again, a man with his wits about him may dog the enemy's steps without danger and regulate according to his will the number of the enemy that he chooses to attack. [12] Sometimes it is proper to tackle the enemy while his troops are at breakfast or supper or when they are turning out of bed. For at all these moments soldiers are without arms, infantry for a shorter and cavalry for a longer time. [13] Pickets and outposts, however, should be the mark of incessant plots, these being invariably weak in numbers and sometimes remote from their main force. [14] But when the enemy has learned to take due precautions against such attacks, it is proper, with God's help, to enter his country stealthily after ascertaining his strength at various points and the position of his outposts. For no booty that you can capture is so fine as a patrol. [15] Besides, patrols are easily deceived, for they pursue a handful of men at sight, believing that to be their special duty. You must see, however, that your line of retreat does not lead you straight into the enemy's supports.

8. It is clear, however, that no troops will be able to inflict loss on a much stronger army with impunity, unless they are so superior in the practical application of horsemanship to war that they show like experts contending with amateurs. [2] This superiority can be attained first and foremost if your marauding bands are so thoroughly drilled in riding that they can stand the hard work of a campaign. For both horses and men that are carelessly trained in this respect will naturally be like women struggling with men. [3] On the contrary, those that are taught and accustomed to jump ditches, leap walls, spring up banks, leap down from heights without a spill, and gallop

down steep places, will be as superior to the men and horses that lack this training as birds to beasts. Moreover, those that have their feet well hardened will differ on rough ground from the tender-footed as widely as the sound from the lame. And those that are familiar with the locality, compared with those to whom it is unfamiliar, will differ in the advance and retreat as much as men with eyes differ from the blind. [4]

It should also be realised that horses, to be well fettled, must be well fed and thoroughly exercised, so as to do their work without suffering from heaves. And since bits and saddle-cloths are fastened with straps, a cavalry leader must never be short of them, for at a trifling expense he will make men in difficulties efficient. [5]

In case anyone feels that his troubles will be endless if his duty requires him to practise horsemanship in this way, let him reflect that men in training for gymnastic contests face troubles far more numerous and exacting than the most strenuous votaries of horsemanship. [6] For most gymnastic exercises are carried out with sweat and drudgery, but nearly all equestrian exercises are pleasant work. For if it is true that any man would like to fly, no action of man bears a closer resemblance to flying. [7] And, remember, it is far more glorious to win a victory in war than in a boxing match, because, whereas the state as well as the victor has a considerable share in this glory, for a victory in war the gods generally crown states with happiness as well. For my part, therefore, I know not why any art should be more assiduously cultivated than the arts of war. [8] It should be noticed that a long apprenticeship to toil enables seapirates to live at the expense of much stronger folk. On land, too, pillage, though not for those who reap what they have sown, is the natural resource of men who are deprived of food. For either men must work or they must eat the fruits of other men's labour: else it is a problem how to live and to obtain peace. [9]

If you charge a superior force, you must remember never to leave behind you ground difficult for horses. For a fall in retreat and a fall in pursuit are very different things. [10]

I want to add a word of warning against another error. Some men, when they suppose themselves to be stronger than the enemy whom they are going to attack, take an utterly inadequate force with them.

The consequence is that they are apt to incur the loss they expected to inflict. Or, when they know themselves to be weaker than the enemy, they use all their available strength in the attack. [11] The right procedure, in my opinion, is just the opposite: when the commander expects to win, he should not hesitate to use the whole of his strength: for an overwhelming victory never yet was followed by remorse. [12] But when he tries conclusions with a much stronger force, knowing beforehand that he is bound to retreat when he has done his best, I hold that it is far better in such a case to throw a small part of his strength into the attack than the whole of it; only horses and men alike should be his very best. For such a force will be able to achieve something and to retreat with less risk. [13] But when he has thrown the whole of his strength into an attack on a stronger force, and wants to retire, the men on the slowest mounts are bound to be taken prisoners; others to be thrown through lack of horsemanship; and others to be cut off owing to inequalities in the ground, since it is hard to find a wide expanse of country entirely to your liking. [14] Moreover, owing to their numbers they will collide and hinder and hurt one another frequently. But good horses and men will contrive to escape, especially if you manage to scare the pursuers by using your reserves. [15] Sham ambuscades, too, are helpful for this purpose. It is also useful to discover on what quarter your friends may suddenly reveal themselves in a safe position and make the pursuit slower. [16] Then again it is obvious that in point of endurance and speed the advantage is much more likely to rest with a small than with a large force. I do not mean that mere paucity of numbers will increase the men's powers of endurance and add to their speed; but it is easier to find few men than many who will take proper care of their horses and will practise the art of horsemanship intelligently on their own account. [17]

Should it happen at any time that the cavalry forces engaged are about equal, I think it would be a good plan to split each regiment into two divisions, putting one under the command of the colonel, and the other under the best man available. [18] The latter would follow in the rear of the colonel's division for a time; but presently, when the adversary is near, he would wheel on receiving the order and charge. This plan, I think, would make the blow delivered by the

regiment more stunning and more difficult to parry. [19] Both divisions should have an infantry contingent; and if the infantry, hidden away behind the cavalry, came out suddenly and went for the enemy, I think they would prove an important factor in making the victory more decisive; for I have noticed that a surprise cheers men up if it is pleasant, but stuns them if it is alarming. [20] Anyone will recognise the truth of this who reflects that, however great their advantage in numbers, men are dazed when they fall into an ambushade, and that two hostile armies confronting each other are scared out of their wits for the first few days. [21]

There is no difficulty in adopting these tactics; but only a good cavalry commander can find men who will show intelligence, reliability and courage in wheeling to charge the enemy. [22] For the commander must be capable both by his words and action of making the men under him realize that it is good to obey, to back up their leader, and to charge home; of firing them with a desire to win commendation; and of enabling them to carry out their intentions with persistence. [23]

Suppose now that the cavalry are busy in the no-man's-land that separates two battle lines drawn up face to face or two strategic positions, wheeling, pursuing and retreating. After such manoeuvres both sides usually start off at a slow pace, but gallop at full speed in the unoccupied ground. [24] But if a commander first feints in this manner, and then after wheeling, pursues and retreats at the gallop he will be able to inflict the greatest loss on the enemy, and will probably come through with the least harm, by pursuing at the gallop so long as he is near his own defence, and retreating at the gallop from the enemy's defences. [25] If, moreover, he can secretly leave behind him four or five of the best horses and men in each division, they will be at a great advantage in falling on the enemy as he is turning to renew the charge.

9. To read these suggestions a few times is enough; but it is always necessary for the commander to hit on the right thing at the right moment, to think of the present situation and to carry out what is expedient in view of it. To write out all that he ought to do is no more possible than to know everything that is going to happen. [2] The most important of all my hints, I think, is this: Whatever you decide to be

best, see that it gets done. Whether you are a farmer, a skipper or a commander, sound decisions bear no fruit unless you see to it that, with heaven's help, they are duly carried out. [3]

Further, I am of opinion that the full complement of a thousand cavalry would be raised much more quickly and in a manner much less burdensome to the citizens if they established a force of two hundred foreign cavalry. For I believe that the presence of these men would improve the discipline of the whole force and would foster rivalry in the display of efficiency. [4] I know that the fame of the Lacedaemonian horse dates from the introduction of foreign cavalry: and in the other states everywhere I notice that the foreign contingents enjoy a high reputation; for need helps to produce great eagerness. [5] To defray the cost of their horses, I believe that money would be forthcoming from those who strongly object to serve in the cavalry — since even men actually enrolled are willing to pay in order to get out of the service — from rich men who are physically unfit, and also, I think, from orphans possessed of large estates. [6] I believe also that some of the resident aliens would be proud to be enrolled in the cavalry. For I notice that, whenever the citizens give them a share in any other honourable duty, some are willing enough to take pride in doing the part assigned to them. [7] I fancy, too, that infantry attached to the cavalry will be most effective if it consists of persons who are very bitter against the enemy.

All these things are feasible provided the gods give their consent. [8] If anyone is surprised at my frequent repetition of the exhortation to work with God, I can assure him that his surprise will diminish, if he is often in peril, and if he considers that in time of war foemen plot and counterplot, but seldom know what will come of their plots. [9] Therefore there is none other that can give counsel in such a case but the gods. They know all things, and warn whomsoever they will in sacrifices, in omens, in voices, and in dreams. And we may suppose that they are more ready to counsel those who not only ask what they ought to do in the hour of need, but also serve the gods in the days of their prosperity with all their might.

ON HUNTING

Translated by E. C. Marchant

This minor treatise belongs to a genre of literature about breeding and the care and use of dogs and horses, which is now categorised as *Cynegeticon*. Xenophon opens the work by discussing the importance of hunting and how the gods Apollo and Artemis bestowed game and hounds upon Chiron the gentle centaur, who used hunting to teach twenty-one heroes. Xenophon goes on to describe the excellence of these individual mythological heroes and their skill in hunting. The author claims that, “hunting is the means by which men become good in war and in all things out of which must come excellence in thought and word and deed” In the next part of the treatise Xenophon discusses what is required of the young man who wishes to hunt and his attire, with an explanation of each item’s purpose, and also the net-keeper that should assist him, including a brief detail of the net required.

Xenophon ends the discussion on the practical side of hunting and explains the benefits of hunting. First he discusses the health benefits of improved sight and hearing, longevity, and lastly that it is the best training for war. Once he mentions the military he goes on to discuss the benefits of hunting as war training such as the recovery of fellow troops in a difficult area. Xenophon explains, “For men who are sound in body and mind may always stand on the threshold of success”. Hunting also “makes men sober and upright ... because they are trained in the school of truth”. These men can do whatever honourable employment they desire and make good soldiers and generals because they desire virtue.

Xenophon goes on to defend hunting from those who think it causes them to avoid domestic affairs, however he believes that they will instead protect and assist their fellow citizens.

ON HUNTING

1. Game and hounds are the invention of gods, of Apollo and Artemis. They bestowed it on Cheiron and honoured him therewith for his righteousness. And he, receiving it, rejoiced in the gift, and used it. [2] And he had for pupils in venery and in other noble pursuits — Cephalus, Asclepius, Meilanion, Nestor, Amphiaraus, Peleus, Telamon, Meleager, Theseus, Hippolytus, Palamedes, Odysseus, Menestheus, Diomedes, Castor, Polydeuces, Machaon, Podaleirius, Antilochus, Aeneas, Achilles, of whom each in his time was honoured by gods. [3] Let no man marvel that the more part of these, even though they pleased gods, died none the less; for that was nature's work; but the praise of them grew mightily; — nor yet that not all of these flourished at one time. For Cheiron's lifetime sufficed for all. [4] For Zeus and Cheiron were brethren, sons of one sire, but the mother of the one was Rhea, of the other the nymph Nais: and so, though he was born before these, he died after them, for he taught Achilles. [5]

Through the heed they paid to hounds and hunting and the rest of their scholarship they excelled greatly and were admired for their virtue. Cephalus was carried away by a goddess. [6] Asclepius won yet, greater preferment — to raise the dead, to heal the sick; and for these things he has everlasting fame as a god among men. [7] Meilanion was so peerless in love of toil that, though the princeliest of that age were his rival suitors for the greatest Lady of the time, only he won Atalanta. Nestor's virtue is an old familiar tale to Greek ears; so there is no need for me to tell of it. [8] Amphiaraus when he fought against Thebes, gained great praise and won from the gods the honour of immortality. Peleus stirred a desire even in the gods to give him Thetis and to hymn their marriage in Cheiron's home. [9] Telamon waxed so mighty that he wedded from the greatest city the maiden of his choice, Periboea, daughter of Alcathus: and when the first of the Greeks, Heracles son of Zeus, distributed the prizes of valour after taking Troy, to him he gave Hesione/. [10] As for Meleager, the honours that he won are manifest; and it was not by his own fault that he came to sorrow when his father in old age forgot

the goddess. Theseus single-handed slew the enemies of all Greece; and because he enlarged greatly the borders of his country he is admired to this day. [11] Hippolytus was honoured by Artemis and held converse with her; and for his prudence and holiness he was counted happy when he died. Palamedes far outstripped the men of his generation in wisdom while he lived; and being unjustly slain he won from the gods such vengeance as fell to the lot of no other mortal. But his end was not compassed by those whom some imagine, else could not the one of them have been well-nigh the best, and the other the peer of the good; but bad men did the deed. [12] Menestheus through the heed he paid to hunting, so far surpassed others in love of toil that the first of the Greeks confessed themselves his inferiors in feats of war, all save Nestor; and he, it is said, outdid not, but rivalled him. [13] Odysseus and Diomedes were brilliant in every single deed, and in short, to them was due the capture of Troy. Castor and Polydeuces, through the renown that they won by displaying in Greece the arts they learned of Cheiron, are immortal. [14] Machaon and Podaleirius, schooled in all the selfsame arts, proved in crafts and reasonings and wars good men. Antilochus, by giving his life for his father, won such glory that he alone was proclaimed among the Greeks as "the Devoted Son." [15] Aeneas saved the gods of his father's and his mother's family, and withal his father himself; wherefore he bore away fame for his piety, so that to him alone among all the vanquished at Troy even the enemy granted not to be despoiled. [16] Achilles, nursed in this schooling, bequeathed to posterity memorials so great and glorious that no man wearies of telling and hearing of him. [17]

These, whom the good love even to this day and the evil envy, were made so perfect through the care they learned of Cheiron that, when troubles fell upon any state or any king in Greece, they were composed through their influence; or if all Greece was at strife or at war with all the Barbarian powers, these brought victory to the Greeks, so that they made Greece invincible. [18]

Therefore I charge the young not to despise hunting or any other schooling. For these are the means by which men become good in war and in all things out of which must come excellence in thought and word and deed.

2. The first pursuit, therefore, that a young man just out of his boyhood should take up is hunting, and afterwards he should go on to the other branches of education, provided he has means. He must look to his means, and, if they are sufficient, spend as much as the benefit to himself is worth; or, if they are insufficient, at least let him supply enthusiasm, in no way coming short of his power. [2]

I will give a list and a description of the intending hunter's outfit, and the explanation of each item, in order that he may understand the business before he puts his hand to it. And let no one regard these details as trivial; inasmuch as nothing can be done without them. [3]

The net-keeper should be a man with a keen interest in the business, one who speaks Greek, about twenty years old, agile and strong, and resolute, that, being well qualified to overcome his tasks, he may take pleasure in the business. [4] The purse-nets should be made of fine Phasian or Carthaginian flax, and the road-nets and hayes of the same material.

Let the purse-nets be of nine threads woven in three strands, each strand consisting of three threads. The proper length for these nets is forty-five inches, the proper width of the meshes six inches. The cords that run round them must be without knots, so that they may run easily. [5] The road-nets should be of twelve threads, and the hayes of sixteen. The length of the road-nets may be twelve, twenty-four or thirty-feet; that of the hayes sixty, a hundred and twenty, or a hundred and eighty feet. If they are longer, they will be unwieldy. Both kinds should be thirty knots high, and should have meshes of the same width as those of the purse-nets. [6] At the elbows at either end let the road-nets have slip-knots of string and the hayes metal rings, and let the cords be attached by loops. [7] The stakes for the purse-nets should be thirty inches long, but some should be shorter. Those of unequal length are for use on sloping ground, to make the height of the nets equal, while those of the same length are used on the level. These stakes must be so shaped at the top that the nets will pull off readily and they must be smooth. The stakes for the road-nets should be twice the length of these, and those for the hayes forty-five inches long. The latter should have little forks with shallow grooves, and all should be stout, of a thickness proportioned to the length. [8] The number of stakes used for the hayes may be large or small; fewer

are required if the nets are strained tight when set up, more if they are slack. [9] A calf-skin bag will be wanted for carrying the purse-nets and road-nets and hayes and the bill-hooks for cutting wood and stopping gaps where necessary.

3. The hounds used are of two kinds, the Castorian and the Vulpine. The Castorian is so called because Castor paid special attention to the breed, making a hobby of the business. The Vulpine is a hybrid between the dog and the fox: hence the name. In the course of time the nature of the parents has become fused. [2] Inferior specimens (that is to say, the majority) show one or more of the following defects. They are small, hook-nosed, grey-eyed, blinking, ungainly, stiff, weak, thin-coated, lanky, ill-proportioned, cowardly, dull-scented, unsound in the feet. [3] Now small dogs often drop out of the running through their want of size; hook-nosed dogs have no mouth and can't hold the hare; grey-eyed dogs and blinkers have bad sight; ungainly dogs look ugly; stiff ones are in a bad way at the end of the hunt; no work can be got out of the weak and the thin-coated ones; those that are lanky and ill-proportioned are heavy movers and carry themselves anyhow; cowards leave their work and give up and slink away from the sun into shady places and lie down; dogs with no nose seldom scent the hare and only with difficulty; and those with bad feet, even if they are plucky, can't stand the hard work, and tire because they are foot-sore. [4]

Moreover, hounds of the same breed vary much in behaviour when tracking. Some go ahead as soon as they find the line without giving a sign, and there is nothing to show that they are on it. Some move the ears only, but keep the tail still; others keep the ears still and wag the tip of the tail. [5] Others prick up the ears and run frowning along the track, dropping their tails and putting them between their legs. Many do none of these things, but rush about madly round the track, and when they happen upon it, stupidly trample out the traces, barking all the time. [6] Others again, continually circling and straying, get ahead of the line when clean off it and pass the hare, and every time they run against the line, begin guessing, and if they catch sight of the hare, tremble and never go for her until they see her stir. [7] Hounds that run forward and frequently examine the discoveries of the others when they are casting about

and pursuing have no confidence in themselves; while those that will not let their cleverer mates go forward, but fuss and keep them back, are confident to a fault. Others will drive ahead, eagerly following false lines and getting wildly excited over anything that turns up, well knowing that they are playing the fool; others will do the same thing in ignorance. Those that stick to game paths and don't recognise the true line are poor tools. [8] A hound that ignores the trail and races over the track of the hare on the run is ill-bred. Some, again, will pursue hotly at first, and then slack off from want of pluck; others will cut in ahead and then get astray; while others foolishly dash into roads and go astray, deaf to all recall. [9] Many abandon the pursuit and go back through their hatred of game, and many through their love of man. Others try to mislead by baying on the track, representing false lines as true ones. [10] Some, though free from this fault, leave their own work when they hear a shout from another quarter while they are running, and make for it recklessly. When pursuing some are dubious, others are full of assumptions but their notions are wrong. Then there are the skirterers, some of whom merely pretend to hunt, while others out of jealousy perpetually scamper about together beside the line. [11]

Now most of these faults are natural defects, but some by which hounds are spoilt are due to unintelligent training. Anyhow such hounds may well put a keen hunter off the sport. What hounds of the same breed ought to look like and what they should be in other respects I will now explain.

4. First, then, they should be big. Next, the head should be light, flat and muscular; the lower parts of the forehead sinewy; the eyes prominent, black and sparkling; the forehead broad, with a deep dividing line; the ears small and thin with little hair behind; the neck long, loose and round; the chest broad and fairly fleshy; the shoulder-blades slightly outstanding from the shoulders; the forelegs short, straight, round and firm; the elbows straight; the ribs not low down on the ground, but sloping in an oblique line; the loins fleshy, of medium length, and neither too loose nor too hard; the flanks of medium size; the hips round and fleshy at the back, not close at the top, and smooth on the inside; the under part of the belly itself slim; the tail long, straight and thin; the thighs hard; the shanks long, round

and solid; the hind-legs much longer than the fore-legs and slightly bent; the feet round. [2] Hounds like these will be strong in appearance, agile, well-proportioned, and speedy; and they will have a jaunty expression and a good mouth. [3]

When tracking they should get out of the game paths quickly, hold their heads well down and aslant, smiling when they find the scent and lowering their ears; then they should all go forward together along the trail towards the form circling frequently, with eyes continually on the move and tails wagging. [4] As soon as they are close on the hare, they should let the huntsman know, quickening the pace and showing more emphatic signs by their excitement, movements of the head and eyes, changes of attitude, by looking up and looking into the covert and returning again and again to the hare's form, by leaps forward, backward and to the side, displays of unaffected agitation and overpowering delight at being near the hare. [5]

They should pursue with unremitting vigour, giving tongue and barking freely, dogging the hare's steps wherever she goes. They should be fast and brilliant in the chase, frequently casting about and giving tongue in the right fashion; and they should not leave the track and go back to the huntsman. [6]

Along with this appearance and behaviour they should have pluck, keen noses, sound feet and good coats. They will be plucky if they don't leave the hunting-ground when the heat is oppressive; keen-nosed if they smell the hare on bare, parched and sunny ground in the dog days; sound in the feet if at the same season their feet are not torn to bits during a run in the mountains; they will have a good coat if the hair is fine, thick and soft. [7] The colour of the hounds should not be entirely tawny, black or white; for this is not a sign of good breeding: on the contrary, unbroken colour indicates a wild strain. [8] So the tawny and the black hounds should show a patch of white about the face, and the white hounds a tawny patch. At the top of the thighs the hair should be straight and thick, and on the loins and at the lower end of the tail, but it should be moderately thick higher up. [9]

It is advisable to take the hounds to the mountains often, but less frequently to cultivated land. For in the mountains it is possible to

track and follow a hare without hindrance, whereas it is impossible to do either in cultivated land owing to the game paths. [10]

It is also well to take the hounds out into rough ground, whether they find a hare or not; for they get sound in the feet, and hard work in such country is good for their bodies. [11] In summer they should be out till midday, in winter at any hour of the day, in autumn at any time except midday, and before evening during the spring; for at these times the temperature is mild.

5. The scent of the hare lies long in winter owing to the length of the nights, and for a short time in summer for the opposite reason. In the winter, however, there is no scent in the early morning whenever there is a white frost or the earth is frozen hard. For both white and black frost hold heat; since the one draws it out by its own strength, and the other congeals it. [2] The hounds' noses, too, are numbed by the cold, and they cannot smell when the tracks are in such a state until the tracks thaw in the sun or as day advances. Then the dogs can smell and the scent revives. [3] A heavy dew, again, obliterates scent by carrying it downwards; and storms, occurring after a long interval, draw smells from the ground and make the earth bad for scent until it dries. South winds spoil scent, because the moisture scatters it, but north winds concentrate and preserve it, if it has not been previously dissolved. [4] Heavy showers drown it, and so does light rain, and the moon deadens it by its warmth, especially when at the full. Scent is most irregular at that time, for the hares, enjoying the light, fling themselves high in the air and jump a long way, frolicking with one another; and it becomes confused when foxes have crossed it. [5] Spring with its genial temperature yields a clear scent, except where the ground is studded with flowers and hampers the hounds by mingling the odours of the flowers with it. In summer it is thin and faint, for the ground, being baked, obliterates what warmth it possesses, which is thin; and the hounds' noses are not so good at that season, because their bodies are relaxed. In the autumn it is unimpeded; for the cultivated crops have been harvested and the weeds have withered, so that the odours of the herbage do not cause trouble by mingling with it. [6] In winter and summer and autumn the scent lies straight in the main. In spring it is complicated; for though the animal couples at all times, it does so especially at this season; so

instinct prompts them to roam about together, and this is the result they produce. [7]

The scent left by the hare in going to her form lasts longer than the scent of a running hare. For on the way to the form the hare keeps stopping, whereas when on the run she goes fast; consequently the ground is packed with it in the one case, but in the other is not filled with it. In coverts it is stronger than in open ground, because she touches many objects while running about and sitting up. [8]

They find a resting-place where there is anything growing or lying on the ground, underneath anything, on the top of the objects, inside, alongside, well away or quite near or fairly near; occasionally even in the sea by springing on to anything she can reach, or in fresh water, if there is anything sticking out or growing in it, the hare, when going to her [9] form generally choosing a sheltered place for it in cold weather and a cool one in hot, but in spring and autumn a place exposed to the sun; but hares on the run do not do that, because they are scared by the hounds. [10] When she sits, she puts the hind-legs under the flanks, and most commonly keeps the fore-legs close together and extended, resting the chin on the ends of the feet, and spreading the ears over the shoulder-blades, so that she covers the soft parts. The hair too, being thick and soft, serves as a protection. [11] When awake she blinks her eyelids; but when she is asleep the eyelids are wide open and motionless, and the eyes still. She moves her nostrils continually when sleeping, but less frequently when awake. [12] When the ground is bursting with vegetation they frequent the fields rather than the mountains. Wherever she may be she remains there when tracked, except when she is suddenly alarmed at night; in which case she moves off. [13]

The animal is so prolific that at the same time she is rearing one litter, she produces another and she is pregnant. The scent of the little leverets is stronger than that of the big ones; for while their limbs are still soft they drag the whole body on the ground. [14] Sportsmen, however, leave the very young ones to the goddess. Yearlings go very fast in the first run, but then flag, being agile, but weak. [15]

Find the hare's track by beginning with the hounds in the cultivated lands and gradually working downwards. To track those that do not come into cultivated land, search the meadows, valleys,

streams, stones and woody places. If she moves off, don't shout, or the hounds may get wild with excitement and fail to recognise the tracks. [16] Hares when found by hounds and pursued sometimes cross brooks and double back and slip into gullies or holes. The fact is they are terrified not only of the hounds, but of eagles as well; for they are apt to be snatched up while crossing hillocks and bare ground until they are yearlings, and the bigger ones are run down and caught by the hounds. [17]

The swiftest are those that frequent mountains; those of the plain are not so speedy; and those of the marshes are the slowest. Those that roam over any sort of country are difficult to chase, since they know the short cuts. They run mostly uphill or on the level, less frequently in uneven ground, and very seldom downhill. [18] When being pursued they are most conspicuous across ground that has been broken up, if they have some red in their coats, or across stubble, owing to the shadow they cast. They are also conspicuous in game paths and on roads if these are level, since the bright colour of their coats shows up in the light. But when their line of retreat is amongst stones, in the mountains, over rocky or thickly wooded ground they cannot be seen owing to the similarity of colouring. [19] When they are well ahead of the hounds, they will stop, and sitting up will raise themselves and listen for the baying or the footfall of the hounds anywhere near; and should they hear the sound of them from any quarter, they make off. [20] Occasionally, even when they hear no sound, some fancy or conviction prompts them to jump hither and thither past and through the same objects, mixing the tracks as they retreat. [21] The longest runners are those that are found on bare land, because they are exposed to view; the shortest, those found in thick covers, since the darkness hinders their flight.

There are two species of hare. [22] The large are dark brown, and the white patch on the forehead is large; the smaller are chestnut, with a small white patch. [23] The larger have spots round the scut, the smaller at the side of it. The eyes in the large species are blue, in the small grey. The black at the tip of the ear is broad in the one species, narrow in the other. [24] The smaller are found in most of the islands, both desert and inhabited. They are more plentiful in the islands than on the mainland, for in the majority of these there are no foxes to

attack and carry off the hares and their young; nor eagles, for they haunt big mountains rather than small, and the mountains in the islands, generally speaking, are rather small. [25] Hunters seldom visit the desert islands, and there are few people in the inhabited ones, and most of them are not sportsmen; and if an island is consecrated, one may not even take dogs into it. Since, then, but few of the old hares and the leverets that they produce are exterminated by hunting, they are bound to be abundant. [26]

The sight of the hare is not keen for several reasons. The eyes are prominent; the lids are too small and do not give protection to the pupils; consequently the vision is weak and blurred. [27] Added to this, though the animal spends much time asleep, it gets no benefit from that, so far as seeing goes. Its speed, too, accounts in no small degree for its dim sight. For it glances at an object and is past it in a flash, before realising its nature. [28] And those terrors, the hounds, close behind them when they are pursued combine with these causes to rob them of their wits. The consequence is that the hare bumps against many obstacles unawares and plunges into the net. [29] If she ran straight, she would seldom meet with this mishap. But instead of that she comes round and hugs the place where she was born and bred, and so is caught. In a fair run she is seldom beaten by the hounds owing to her speed. Those that are caught are beaten in spite of their natural characteristics through meeting with an accident. Indeed, there is nothing in the world of equal size to match the hare as a piece of mechanism. For the various parts that make up her body are formed as follows. [30]

The head is light, small, drooping, narrow at the front; the ears are upright; the neck is thin, round, not stiff, and fairly long; the shoulder-blades are straight and free at the top; the fore-legs are agile and close together; the chest is not broad; the ribs are light and symmetrical; the loins are circular; the rump is fleshy; the flanks are soft and fairly spongy; the hips are round, well filled out, and the right distance apart at the top; the thighs are small and firm, muscular on the outside and not puffy on the inside; the shanks are long and firm; the fore-feet are extremely pliant and narrow and straight and the hind-feet hard and broad; and all four are indifferent to rough ground; the hind-legs are much longer than the fore-legs, and slightly

bent outwards; the coat is short and light. [31] With such a frame she cannot fail to be strong, pliant and very agile.

Here is a proof of her agility. When going quietly, she springs — no one ever saw or ever will see a hare walking — bringing the hind-feet forward in advance of the fore-feet and outside them; and that is how she runs. [32] This is obvious when snow is on the ground. The scut is of no assistance in running, for it is not able to steer the body owing to its shortness. The hare does this by means of one of her ears; and when she is roused by the hounds she drops one ear on the side on which she is being pressed and throws it aslant, and then bearing on this she wheels round sharply and in a moment leaves the assailant far behind. [33] So charming is the sight that to see a hare tracked, found, pursued and caught is enough to make any man forget his heart's desire. [34]

When hunting on cultivated land avoid growing crops and let pools and streams alone. It is unseemly and wrong to interfere with them, and there is a risk of encouraging those who see to set themselves against the law. On days on which there is no hunting, all hunting tackle should be removed.

6. The trappings of hounds are collars, leashes, and surcingles. The collars should be soft and broad, so as not to chafe the hounds' coat. The leashes should have a noose for the hand, and nothing else; for if the collar is made in one piece with the leash, perfect control of the hounds is impossible. The straps of the surcingles should be broad, so as not to rub the flanks, and they should have little spurs sewed on to them, to keep the breed pure. [2]

Hounds should not be taken out hunting when off their feed, since this is a proof that they are ailing; nor when a strong wind is blowing, since it scatters the scent and they cannot smell, and the purse-nets will not stand in position, nor the hayes. [3] But when neither of these hindrances prevents, have the hounds out every other day. Do not let them take to pursuing foxes; for it is utter ruin, and they are never at hand when wanted. [4] Vary the hunting-ground frequently, so that the hounds may be familiar with the hunting-grounds and the master with the country. Start early, and so give the hounds a fair chance of following the scent. A late start robs the hounds of the find and the hunters of the prize; for the scent is by its nature too thin to last all

day. [5]

Let the net-keeper wear light clothing when he goes hunting. Let him set up the purse-nets in winding, rough, steep, narrow, shady paths, brooks, ravines, running watercourses (these are the places in which the hare is most apt to take refuge: a list of all the others would be endless), leaving [6] unobstructed and narrow passages to and through these places, just about daybreak, and not too early, so that in case the line of nets be near the growth to be searched, the hare may not be frightened by hearing the noise close by (if the distance is considerable, it matters less if the work is done early), seeing that the nets stand clear so that nothing may cling to them. [7] He must fix the stakes aslant, so that when pulled they may stand the strain. On the tops of them let him put an equal number of meshes, and set the props uniformly, raising the purse towards the centre. [8] To the cord let him attach a long, big stone, so that the net may not pull away when the hare is inside. Let him make his line long and high, so that the hare may not jump over.

When it comes to tracking the hare, he must not be too zealous. To do everything possible to effect a quick capture shows perseverance, but is not hunting. [9]

Let him stretch the hayes on level ground and put the road-nets in roads and from game tracks into the adjacent ground, fastening down the (lower) cords to the ground, joining the elbows, fixing the stakes between the selvages, putting the ends on the top of the stakes and stopping the byways. [10] Let him mount guard, going round the nets. If a purse-net is pulling its stake out of line, let him put it up. When the hare is being chased into the purse-nets he must run forward and shout as he runs after her. When she is in, he must calm the excitement of the hounds, soothing without touching them. He must also shout to the huntsman and let him know that the hare is caught, or that she has run past on this or that side, or that he has not seen her, or where he caught sight of her. [11]

Let the huntsman go out to the hunting ground in a simple light dress and shoes, carrying a cudgel in his hand, and let the net-keeper follow. Let them keep silence while approaching the ground, so that, in case the hare is near, she may not move off on hearing voices. [12] Having tied the hounds separately to the trees so that they can easily

be slipped, let him set up the purse-nets and hayes in the manner described. After this let the net-keeper keep guard, and let the huntsman take the hounds and go to the place in the hunting ground where the hare may be lurking; and after [13] registering a vow to Apollo and Artemis the Huntress to give them a share of the spoil, let him loose one hound, the cleverest at following a track, at sunrise in winter, before dawn in summer, and some time between at other seasons. [14] As soon as the hound picks up a line from the network of tracks that leads straight ahead, let him slip another. If the track goes on, let him set the others going one by one at short intervals, and follow without pressing them, accosting each by name, but not often, that they may not get excited too soon. [15] They will go forward full of joy and ardour, disentangling the various tracks, double or triple — springing forward now beside, now across the same ones — tracks interlaced or circular, straight or crooked, close or scattered, clear or obscure, running past one another with tails wagging, ears dropped and eyes flashing. [16] As soon as they are near the hare they will let the huntsman know by the quivering of the whole body as well as the tail, by making fierce rushes, by racing past one another, by scampering along together persistently, massing quickly, breaking up and again rushing forward. At length they will reach the hare's form and will go for her. [17] She will start up suddenly, and will leave the hounds barking and baying behind her as she makes off. Let the huntsman shout at her as she runs, "Now, hounds, now! Well done! Bravo, hounds! Well done, hounds!" Wrapping his cloak round his arm and seizing his cudgel he must follow up behind the hare and not try to head her off, since that is useless. [18] The hare, making off, though out of sight, generally doubles back to the place where she is found. Let him call out to the man, "Hit her, boy; hit her, hit her!" and the man must let him know whether she is caught or not.

If she is caught in the first run, let him call in the hounds and look for another. But if not, he must follow up at top speed and not let her go, but stick to it persistently. [19] If the hounds come on her again in the pursuit, let him cry, "Good, good, hounds; after her, hounds!" If they have got so far ahead of him that he cannot overtake them by following up and is quite out of the running, or if he cannot see them though they are moving about somewhere near or sticking to the

tracks, let him find out by shouting as he runs past to anyone near, "Hullo! have you seen the hounds?" [20] As soon as he has found out, let him stand near if they are on the track, and cheer them on, running through the hounds' names, using all the variations of tone he can produce, pitching his voice high and low, soft and loud. Amongst other calls, if the chase is in the mountains, let him sing out, "Oho, hounds, oho!" If they are not clinging to the track, but are over-running, let him call them in with, "Back, hounds, back with you!" [21] As soon as they are close on the tracks, let him cast them round, making many circles, and wherever they find the track dim, let him stick a pole in the ground as a mark, and beginning from this mark keep them together until they clearly recognise the track, encouraging and coaxing them. [22] As soon as the track is clear they will be off in hot pursuit, hurling themselves on it, jumping beside it, working together, guessing, signalling to one another and setting bounds for one another that they can recognise. When they are thus scurrying in a bunch along the track, let him follow up without pressing them, or they may over-run the line through excess of zeal. [23]

As soon as they are near the hare and give the huntsman clear evidence of the fact, let him take care, or in her terror of the hounds she will slip away and be off. The hounds, wagging their tails, colliding and frequently jumping over one another, and baying loudly, with heads uplifted and glances at the huntsman, showing him plainly that they have the real thing now, will rouse the hare for themselves and go for her, giving tongue. [24] If she plunges into the purse-nets or bolts past them on the inside or outside, the net-keeper must in each event make it known by shouting. If she is caught, look for another; if not, continue the pursuit, using the same methods of encouragement. [25]

As soon as the hounds are getting tired of pursuing and the day is far advanced, it is time for the huntsman to search for the hare, worn out as she is, passing over nothing growing or lying on the ground, retracing his steps continually for fear of an oversight — since the animal rests in a small space and is too tired and frightened to get up, — bringing the hounds along, encouraging and exhorting the gentle frequently, the wilful sparingly, the average sort in moderation, until

he kills her in a fair run or drives her into the purse-nets. [26]

After this take up the purse-nets and hayes, rub down the hounds and leave the hunting-ground, after waiting, if it be an afternoon in summer, in order that the hounds' feet may not be overheated on the road.

7. For breeding purposes, relieve the bitches of work in the winter, that the rest may help them to produce a fine litter towards spring, which is the best growing season for hounds. They are in heat for fourteen days. [2] Mate them with good dogs near the end of the period, that they may the sooner become pregnant. When they are near their time do not take them out hunting continually, but only now and then, or love of work may result in a miscarriage. The period of gestation is sixty days. [3] After the birth of the puppies leave them with the mother and do not place them under another bitch; for nursing by a foster mother does not promote growth, whereas the mother's milk and breath do them good, and they like her caresses. [4] As soon as the puppies can get about, give them milk for a year, and the food that will form their regular diet, and nothing else. For heavy feeding warps the puppies' legs and sows the seeds of disease in the system, and their insides go wrong. [5]

Give the hounds short names, so as to be able to call to them easily. The following are the right sort: Psyche, Thymus, Porpax, Styra, Lonchê, Lochus, Phrura, Phylax, Taxis, Xiphon, Phonax, Phlegon, Alcê, Teuchon, Hyleus, Medas, Porthon, Sperchon, Orgê, Bremon, Hybris, Thallon, Rhomê, Antheus, Hebe, Getheus, Chara, Leusson, Augo, Polys, Bia, Stichon, Spudê, Bryas, Oenas, Sterrus, Craugê, Caenon, Tyrbas, Sthenon, Aether, Actis, Aechmê, Noes, Gnomê, Stibon, Hormê. [6]

Take the bitches to the hunting ground at eight months, the dogs at ten. Do not slip them on the trail that leads to the form, but keep them in long leashes and follow the tracking hounds, letting the youngsters run to and fro in the tracks. [7] As soon as the hare is found, if they shape well for the run don't let them go at once; but as soon as the hare has got so far ahead in the run that they can't see her, send them along. [8] For if the huntsman slips good-looking, plucky runners close to the hare, the sight of her will cause them to strain themselves and crack, since their bodies are not yet firm. So

she should be very careful about this. [9] But if they are poor runners there is no reason why he should not let them go, for as they have no hope of catching the hare from the first, they will not meet with this accident. On the other hand, let the youngsters follow the track of the hare on the run until they catch her; and when she is caught, give her to them to break up. [10] As soon as they show reluctance to stick to it and begin scattering, call then in, until they grow accustomed to keep on till they find the hare, lest if they get into the way of misbehaving when they seek her, they end by becoming skitters — a vile habit. [11]

Give them their food near the purse-nets so long as they are young, while the nets are being taken up, so that if they have gone astray in the hunting ground, through inexperience, they may come back safe for their meal. This will be discontinued when they come to regard the game as an enemy; they will be too intent on that to worry about their food. [12] As a rule when they are hungry the master should feed the hounds himself; for when they are not hungry they do not know to whom that is due; but when they want food and get it, they love the giver.

8. Track the hare when it snows so hard that the ground is covered; but if there are black spaces, she will be hard to find. When it is cloudy and the wind is in the north, the tracks lie plain on the surface for a long time, because they melt slowly; but only for a short time if the wind is south and the sun shines, since they soon melt away.

But when it snows without stopping, don't attempt it, since the tracks are covered; nor when there is a high wind, since they are buried in the snowdrifts it causes. [2] On no account have the hounds out with you for this kind of sport, for the snow freezes their noses and feet, and destroys the scent of the hare owing to the hard frost. But take the hayes, and go with a companion to the mountains, passing over the cultivated land, and as soon as the tracks are found, follow them. [3] If they are complicated, go back from the same ones to the same place and work round in circles and examine them, trying to find where they lead. The hare roams about uncertain where to rest, and, moreover, it is her habit to be tricky in her movements, because she is constantly being pursued in this manner. [4] As soon as the track is clear, push straight ahead. It will lead either to a thickly wooded spot or to a steep declivity. For the gusts of wind carry the

snow over such places; consequently many resting-places are left, and she looks for one of these. [5] As soon as the tracks lead to such a place, don't go near, or she will move off, but go round and explore. For she is probably there, and there will be no doubt about the matter, since the tracks will nowhere run out from such places. [6] As soon as it is evident that she is there, leave her — for she will not stir — and look for another before the tracks become obscure, and take care, in case you find others, that you will have enough daylight left to surround them with nets. [7] When the time has come, stretch the hayes round each of them in the same way as in places where no snow lies, enclosing anything she may be near, and as soon as they are up, approach and start her. [8] If she wriggles out of the hayes, run after her along the tracks. She will make for other places of the same sort, unless indeed she squeezes herself into the snow itself. Wherever she may be, mark the place and surround it; or, if she doesn't wait, continue the pursuit. For she will be caught even without the hayes; for she soon tires owing to the depth of the snow, and because large lumps of it cling to the bottom of her hairy feet.

9. For hunting fawns and deer use Indian hounds; for they are strong, big, speedy and plucky, and these qualities render them capable of hard work. Hunt the calves in spring, since they are born at that season. [2] First go to the meadows and reconnoitre, to discover where hinds are most plentiful. Wherever they are, let the keeper of the hounds go with the hounds and javelins to this place before daybreak and tie up the dogs to trees some distance off, so that they may not catch sight of the hinds and bark, and let him watch from a coign of vantage. [3] At daybreak he will see every dam leading her fawn to the place where she means to lay it. When they have put them down, suckled them, and looked about to make sure that they are not seen, they move away into the offing and watch their calves. [4] On seeing this, let him loose the dogs, and taking the javelins approach the spot where he saw the nearest fawn laid, carefully observing the positions so as not to make a mistake, since they look quite different when approached from what they seemed to be at a distance. [5] As soon as he sees the fawn, let him go close up to it. It will keep still, squeezing its body tight against the ground, and will let itself be lifted, bleating loudly, unless it is wet through, in

which case it will not stay, since the rapid condensation of the moisture in its body by the cold causes it to make off. [6] But it will be caught by the hounds if hotly pursued. Having taken it, let him give it to the net-keeper. It will cry out; and the sight and the sound between them will bring the hind running up to the holder, in her anxiety to rescue it. [7] That is the moment to set the hounds on her, and ply the javelms. Having settled this one, let him proceed to tackle the rest, hunting them in the same manner. [8]

Young fawns are caught by this method; but big ones are difficult to catch. For they graze with their dams and other deer; and when pursued they make off in the midst of them, or sometimes in front, but rarely in the rear. [9] The hinds trample on the hounds in their efforts to defend their fawns; consequently it is not easy to catch them, unless a man gets amongst them at once and scatters them, so that one of the fawns is isolated. [10] The result of this strain on the hounds is that they are left behind in the first run; for the absence of the hinds fills the creature with terror, and the speed of fawns at that age is without parallel. But they are soon caught in the second or third run, since their bodies are still too young to stand the work. [11]

Caltrops are set for deer in the mountains, about meadows and streams and glades, in alleys and cultivated lands that they frequent. [12] The caltrops should be made of plaited yew, stripped of the bark, so as not to rot. They should have circular crowns, and the nails should be of iron and wood alternately, plaited into the rim, the iron nails being the longer, so that the wooden ones will yield to the foot and the others hurt it. [13] The noose of the cord to be laid on the crown and the cord itself should be of woven esparto, since this is rot-proof. The noose itself and the cord must be strong; and the clog attached must be of common or evergreen oak, twenty-seven inches long, not stripped of the bark, and three inches thick. [14]

To set the caltrops make a round hole in the ground fifteen inches deep, of the same size at the top as the crowns of the traps, but tapering towards the bottom. Make shallow drills in the ground for the cord and the clog to lie in. [15] Having done this lay the caltrop on the hole a little below the surface, and level, and put the noose of the cord round the top. Having laid the cord and the clog in their places, lay spindle-wood twigs on the top, not letting them stick out beyond

the circle, and on these any light leaves in season. [16] Next throw some earth on them, beginning with the surface soil taken from the holes, and on top of this some unbroken soil from a distance, in order that the position may be completely concealed from the deer. Remove any earth remaining over to a place some distance from the caltrop; for if the deer smells earth recently disturbed, it shies; and it is not slow to smell it. [17] Accompanied by the hounds, inspect the traps set in the mountains, preferably at daybreak (but it should be done also at other times during the day), in the cultivated lands early. For in the mountains deer may be caught in the daytime as well as at night owing to the solitude; but on cultivated land only at night, because they are afraid of human beings in the daytime. [18]

On coming across a caltrop upset, slip the hounds, give them a hark-forward, and follow along the track of the clog, noticing which way it runs. That will be clear enough for the most part: for the stones will be displaced and the trail of the clog will be obvious in the cultivated ground; and if the deer crosses rough places, there will be fragments of bark torn from the clog on the rocks, and the pursuit will be all the easier. [19]

If the deer is caught by the fore-foot it will soon be taken, as it hits every part of its body and its face with the clog during the run; or if by the hindleg, the dragging of the clog hampers the whole body; and sometimes it dashes into forked branches of trees, and unless it breaks the cord, is caught on the spot. [20] But, whether you catch it in this way or by wearing it out, don't go near it; for it will butt, if it's a stag, and kick, and if it's a hind, it will kick. So throw javelins at it from a distance.

In the summer months they are also caught by pursuit without the aid of a caltrop; for they get dead beat, so that they are hit standing. When hard pressed, they will even plunge into the sea and into pools in their bewilderment; and occasionally they drop from want of breath.

10. For hunting the wild boar provide yourself with Indian, Cretan, Locrian and Laconian hounds, boar nets, javelins, spears and caltrops. In the first place the hounds of each breed must be of high quality, that they may be qualified to fight the beast. [2] The nets must be made of the same flax as those used for hares, of forty-five

threads woven in three strands, each strand containing fifteen threads. The height should be ten knots, counted from the top, and the depths of the meshes fifteen inches. The ropes at top and bottom must be half as thick again as the nets. There must be metal rings at the elbows, and the ropes must be inserted under the meshes, and their ends must pass out through the rings. Fifteen nets are sufficient. [3]

The javelins must be of every variety, the blades broad and keen, and the shafts strong. The spears must have blades fifteen inches long, and stout teeth at the middle of the socket, forged in one piece but standing out; and their shafts must be of cornel wood, as thick as a military spear. The caltrops must be similar to those used in hunting deer. There must be several huntsmen, for the task of capturing the beast is no light one even for a large number of men. I will now explain how to use each portion of the outfit in hunting. [4]

First then, when the company reach the place where they suppose the game to lurk, let them slip one of the Laconian hounds, and taking the others in leash, go round the place with the hound. [5] As soon as she has found his tracks, let the field follow, one behind another, keeping exactly to the line of the track. The huntsmen also will find many evidences of the quarry, the tracks in soft ground, broken branches where the bushes are thick, and marks of his tusks wherever there are trees. [6] The hound following the track will, as a rule, arrive at a well-wooded spot. For the beast usually lies in such places, since they are warm in winter and cool in summer. As soon as the hound reaches the lair, she will bark. [7] But in most cases the boar will not get up. So take the hound and tie her up with the others at a good distance from the lair, and have the nets put up in the convenient anchorages, hanging the meshes on forked branches of trees. Out of the net itself make a long projecting bosom, putting sticks inside to prop it up on both sides, so that the light of day may penetrate as much as possible into the bosom through the meshes, in order that the interior may be as light as possible when the boar rushes at it. Fasten the (lower) rope to a strong tree, not to a bush, since the bushes give way at the bare stem. Wherever there is a gap between a net and the ground, fill in the places that afford no anchorage with wood, in order that the boar may rush into the net,

and not slip out. [8]

As soon as they are in position, let the party go to the hounds and loose them all, and take the javelins and the spears and advance. Let one man, the most experienced, urge on the hounds, while the others follow in regular order, keeping well behind one another, so that the boar may have a free passage between them; for should he beat a retreat and dash into a crowd, there is a risk of being gored, since he spends his rage on anyone he encounters. [9]

As soon as the hounds are near the lair, they will go for him. The noise will cause him to get up, and he will toss any hound that attacks him in front. He will run and plunge into the nets; or if not, you must pursue him. If the ground where he is caught in the net is sloping, he will quickly get up; if it is level, he will immediately stand still, intent on himself. [10] At this moment the hounds will press their attack, and the huntsmen must fling their javelins at him warily, and pelt him with stones, gathering round behind and a good way off, till he shoves hard enough to pull the rope of the net tight. Then let the most experienced and most powerful man in the field approach him in front and thrust his spear into him. [11] If, in spite of javelins and stones, he refuses to pull the rope tight, but draws back, wheels round and marks his assailant, in that case the man must approach him spear in hand, and grasp it with the left in front and the right behind, since the left steadies while the right drives it. The left foot must follow the left hand forward, and the right foot the other hand. [12] As he advances let him hold the spear before him, with his legs not much further apart than in wrestling, turning the left side towards the left hand, and then watching the beast's eye and noting the movement of the fellow's head. Let him present the spear, taking care that the boar doesn't knock it out of his hand with a jerk of his head, since he follows up the impetus of the sudden knock. [13] In case this accident should happen, the man must fall on his face and clutch the undergrowth beneath him, for, if the beast attacks him in this position, he is unable to lift the man's body owing to the upward curve of his tusks; but if his body is off the ground, the man is certain to be gored. Consequently the boar tries to lift him up, and, if he cannot, he stands over and tramples on him. [14] For a man in this critical situation there is only one escape from these disasters. One of

his fellow huntsmen must approach with a spear and provoke the boar by making as though he would hurl it; but he must not hurl it, or he may hit the man on the ground. [15] On seeing this the boar will leave the man under him and turn savagely and furiously on his tormentor. The other must jump up instantly, remembering to keep his spear in his hand as he rises, for safety without victory is not honourable. [16] He must again present the spear in the same way as before, and thrust it inside the shoulder-blade where the throat is, and push with all his might. The enraged beast will come on, and but for the teeth of the blade, would shove himself forward along the shaft far enough to reach the man holding the spear. [17]

His strength is so great that he has some peculiar properties which one would never imagine him to possess. Thus, if you lay hairs on his tusks immediately after he is dead, they shrivel up, such is the heat of the tusks. While he is alive they become intensely hot whenever he is provoked, or the surface of the hounds' coats would not be singed when he tries to gore them and misses. [18]

All this trouble, and even more, the male animal causes before he is caught. If the creature in the toils is a sow, run up and stick her, taking care not to be knocked down. Such an accident is bound to result in your being trampled and bitten. So don't fall under her, if you can help it. If you get into that position unintentionally, the same aids to rise that are used to assist a man under a boar are employed. When on your feet again, you must ply the spear until you kill her. [19]

Another way of capturing them is as follows. The nets are set up for them at the passages from glens into oak coppices, dells and rough places, on the outskirts of meadows, fens and sheets of water. The keeper, spear in hand, watches the nets. The huntsmen take the hounds and search for the likeliest places. As soon as the boar is found, he is pursued. If he falls into the net, the net-keeper must take [20] his spear, approach the boar, and use it as I have explained. The boar is also captured, in hot weather, when pursued by the hounds; for in spite of his prodigious strength, the animal tires with hard breathing. [21] Many hounds are killed in this kind of sport, and the huntsmen themselves run risks, whenever in the course of the pursuit they are forced to approach a boar with their spears in their hands,

when he is tired or standing in water or has posted himself by a steep declivity or is unwilling to come out of a thicket; for neither net nor anything else stops him from rushing at anyone coming near him. Nevertheless approach they must in these circumstances, and show the pluck that led them to take up this hobby. [22] They must use the spear and the forward position of the body as explained; then, if a man does come to grief, it will not be through doing things the wrong way.

Caltrops are also set for them as for the deer and in the same places. The routine of inspection and pursuit, the methods of approach and the use of the spear are the same. [23]

The young pigs are not to be caught without difficulty. For they are not left alone so long as they are little, and when the hounds find them or they see something coming, they quickly vanish into the wood; and they are generally accompanied by both parents, who are fierce at such times and more ready to fight for their young than for themselves.

11. Lions, leopards, lynxes, panthers, bears and all similar wild beasts are captured in foreign countries, about Mt. Pangaeus and Cittus beyond Macedonia, on Mysian Olympus and Pindus, on Nysa beyond Syria, and in other mountain ranges capable of supporting such animals. [2] On the mountains they are sometimes poisoned, owing to the difficulty of the ground, with aconite. Hunters put it down mixed with the animals' favourite food round pools and in other places that they frequent. [3] Sometimes, while they are going down to the plain at night, they are cut off by parties of armed and mounted men. This is a dangerous method of capturing them. [4] Sometimes the hunters dig large, round, deep holes, leaving a pillar of earth in the middle. They tie up a goat and put it on the pillar in the evening, and pile wood round the hole without leaving an entrance, so that the animals cannot see what lies in front. On hearing the bleating in the night, the beasts run round the barrier, and finding no opening, jump over and are caught.

12. With the practical side of hunting I have finished. But the advantages that those who have been attracted by this pursuit will gain are many. For it makes the body healthy, improves the sight and hearing, and keeps men from growing old; and it affords the best

training for war. [2] In the first place, when marching over rough roads under arms, they will not tire: accustomed to carry arms for capturing wild beasts, they will bear up under their tasks. Again, they will be capable of sleeping on a hard bed and of guarding well the place assigned to them. [3] In an attack on the enemy they will be able to go for him and at the same time to carry out the orders that are passed along, because they are used to do the same things on their own account when capturing the game. If their post is in the van they will not desert it, because they can endure. [4] In the rout of the enemy they will make straight for the foe without a slip over any kind of ground, through habit. If part of their own army has met with disaster in ground rendered difficult by woods and defiles or what not, they will manage to save themselves without loss of honour and to save others. For their familiarity with the business will give them knowledge that others lack. [5] Indeed, it has happened before now, when a great host of allies has been put to flight, that a little band of such men, through their fitness and confidence, has renewed the battle and routed the victorious enemy when he has blundered owing to difficulties in the ground. For men who are sound in body and mind may always stand on the threshold of success. [6] It was because they knew that they owed their successes against the enemy to such qualities that our ancestors looked after the young men. For in spite of the scarcity of corn it was their custom from the earliest times not to prevent hunters from hunting over any growing crops; and, in addition, not to permit hunting at [7] night within a radius of many furlongs from the city, so that the masters of that art might not rob the young men of their game. In fact they saw that this is the only one among the pleasures of the younger men that produces a rich crop of blessings. For it makes sober and upright men of them, because they are trained in the school of truth (and they perceived [8] that to these men they owed their success in war, as in other matters); and it does not keep them from any other honourable occupation they wish to follow, like other and evil pleasures that they ought not to learn. Of such men, therefore, are good soldiers and good generals made. [9] For they whose toils root out whatever is base and froward from mind and body and make desire for virtue to flourish in their place — they are the best, since they will not brook injustice to their

own city nor injury to its soil. [10]

Some say that it is not right to love hunting, because it may lead to neglect of one's domestic affairs. They are not aware that all who benefit their cities and their friends are more attentive to their domestic affairs than other men. [11] Therefore, if keen sportsmen fit themselves to be useful to their country in matters of vital moment, neither will they be remiss in their private affairs: for the state is necessarily concerned both in the safety and in the ruin of the individual's domestic fortunes. Consequently such men as these save the fortunes of every other individual as well as their own. [12] But many of those who talk in this way, blinded by jealousy, choose to be ruined through their own evil rather than be saved by other men's virtue. For most pleasures are evil, and by yielding to these they are encouraged either to say or to do what is wrong. [13] Then by their frivolous words they make enemies, and by their evil deeds bring diseases and losses and death on themselves, their children and their friends, being without perception of the evils, but more perceptive than others of the pleasures. Who would employ these to save a state? [14] From these evils, however, everyone who loves that which I recommend will hold aloof, since a good education teaches a man to observe laws, to talk of righteousness and hear of it. [15] Those, then, who have given themselves up to continual toil and learning hold for their own portion laborious lessons and exercises, but they hold safety for their cities. But if any decline to receive instruction because of the labour and prefer to live among untimely pleasures, they are by nature utterly evil. [16] For they obey neither laws nor good words, for because they toil not, they do not discover what a good man ought to be, so that they cannot be pious or wise men; and being without education they constantly find fault with the educated. [17] In these men's hands, therefore, nothing can prosper. All discoveries that have benefited mankind are due to the better sort. Now the better sort are those who are willing to toil. And this has been proved by a great example. [18] For among the ancients the companions of Cheiron to whom I referred learnt many noble lessons in their youth, beginning with hunting; from these lessons there sprang in them great virtue, for which they are admired even today. That all desire Virtue is obvious, but because they must toil if they

are to gain her, the many fall away. [19] For the achievement of her is hidden in obscurity, whereas the toils inseparable from her are manifest.

It may be that, if her body were visible, men would be less careless of virtue, knowing that she sees them as clearly as they see her. [20] For when he is seen by his beloved every man rises above himself and shrinks from what is ugly and evil in word or deed, for fear of being seen by him. [21] But in the presence of Virtue men do many evil and ugly things, supposing that they are not regarded by her because they do not see her. Yet she is present everywhere because she is immortal, and she honours those who are good to her, but casts off the bad. Therefore, if men knew that she is watching them, they would be impatient to undergo the toils and the discipline by which she is hardly to be captured, and would achieve her.

13. I am surprised at the sophists, as they are called, because, though most of them profess to lead the young to virtue they lead them to the very opposite. We have never seen anywhere the man whose goodness was due to the sophists of our generation. Neither do their contributions to literature tend to make men good: but they have written [2] many books on frivolous subjects, books that offer the young empty pleasures, but put no virtue into them. To read them in the hope of learning something from them is mere waste of time, and they keep one from useful occupations and teach what is bad. [3] Therefore their grave faults incur my graver censure. As for the style of their writings, I complain that the language is far-fetched, and there is no trace in them of wholesome maxims by which the young might be trained to virtue. [4] I am no professor, but I know that the best thing is to be taught what is good by one's own nature, and the next best thing is to get it from those who really know something good instead of being taught by masters of the art of deception. [5] I daresay that I do not express myself in the language of a sophist; in fact, that is not my object: my object is rather to give utterance to wholesome thoughts that will meet the needs of readers well educated in virtue. For words will not educate, but maxims, if well found. [6] Many others besides myself blame the sophists of our generation — philosophers I will not call them — because the wisdom they profess consists of words and not of thoughts.

I am well aware that someone, perhaps one of this set, will say that what is well and methodically written is not well and methodically written — for hasty and false censure will come easily to them. [7] But my aim in writing has been to produce sound work that will make men not wiseacres, but wise and good. For I wish my work not to seem useful, but to be so, that it may stand for all time unrefuted. [8] The sophists talk to deceive and write for their own gain, and do no good to anyone. For there is not, and there never was, a wise man among them; everyone of them is content to be called a sophist, which is a term of reproach among sensible men. So my advice is: [9] Avoid the behests of the sophists, and despise not the conclusions of the philosophers; for the sophists hunt the rich and young, but the philosophers are friends to all alike: but as for men's fortunes, they neither honour nor despise them. [10]

Envy not those either who recklessly seek their own advantage whether in private or in public life — bear in mind that the best of them, though they are favourably judged, are envied, and the bad both fare badly and are unfavourably judged. [11] For engaged in robbing private persons of their property, or plundering the state, they render less service than private persons when plans for securing the common safety are afoot, and in body they are disgracefully unfit for war because they are incapable of toil. But huntsmen offer their lives and their property in sound condition for the service of the citizens. [12] These attack the wild beasts, those others their friends. And whereas those who attack their friends earn infamy by general consent, huntsmen by attacking the wild beasts gain a good report. For if they make a capture, they win victory over enemy forces: and if they fail, they are commended, in the first place, because they assail powers hostile to the whole community; and, secondly, because they go out neither to harm a man nor for sordid gain. [13] Moreover, the very attempt makes them better in many ways and wiser; and we will give the reason. Unless they abound in labours and inventions and precautions, they cannot capture game. [14] For the forces contending with them, fighting for their life and in their own home, are in great strength; so that the huntsman's labours are in vain, unless by greater perseverance and by much intelligence he can overcome them. [15]

In fine, the politician whose objects are selfish practises for victory over friends, the huntsman for victory over common foes. This practice makes the one a better, the other a far worse fighter against all other enemies. The one takes prudence with him for companion in the chase, the other base rashness. [16] The one can despise malice and avarice, the other cannot. The language of the one is gracious, of the other ugly. As for religion, nothing checks impiety in the one, the other is conspicuous for his piety. [17] In fact, an ancient story has it that the gods delight in this business, both as followers and spectators of the chase. Therefore, reflecting on these things, the young who do what I exhort them to do will put themselves in the way of being dear to the gods and pious men, conscious that one or other of the gods is watching their deeds. These will be good to parents, good to the whole city, to every one of their friends and fellow-citizens. [18] For all men who have loved hunting have been good: and not men only, but those women also to whom the goddess has given this blessing, Atalanta and Procris and others like them.

HIERO

Translated by E. C. Marchant

Set circa 474 B.C., this short work is composed as a dialogue between Hiero, the tyrant of Syracuse, and the lyric poet Simonides. In the dialogue, Xenophon argues that a tyrant has no more access to happiness than a private person.

Hieron I was the tyrant of Syracuse in Sicily from 478 to 467 BC. During his reign, he greatly increased the power of Syracuse. He removed the inhabitants of Naxos and Catana to Leontini, peopled Catana, which he renamed Aetna, with Dorians, concluded an alliance with Agragas (Agrigentum) and espoused the cause of the Locrians against Anaxilas, tyrant of Rhegium.

HIERO

1. Simonides, the poet, once paid a visit to Hiero, the despot. When both found time to spare, Simonides said: "Hiero, will you please explain something to me that you probably know better than I?"

"And pray what is it," said Hiero, "that I can know better than one so wise as yourself?" [2]

"I know you were born a private citizen," he answered, "and are now a despot. Therefore, as you have experienced both fortunes, you probably know better than I how the lives of the despot and the citizen differ as regards the joys and sorrows that fall to man's lot." [3]

"Surely," said Hiero, "seeing that you are still a private citizen, it is for you to remind me of what happens in a citizen's life; and then, I think, I could best show you the differences between the two." [4]

"Well," said Simonides, taking the suggestion, "I think I have observed that sights affect private citizens with pleasure and pain through the eyes, sounds through the ears, smells through the nostrils, meat and drink through the mouth, carnal appetites — of course we all know how. [5] In the case of cold and heat, things hard and soft, light and heavy, our sensations of pleasure and pain depend on the whole body, I think. In good and evil we seem to feel pleasure or pain, as the case may be — sometimes through the instrumentality of the moral being only, at other times through that of the moral and the physical being together. [6] Sleep, it seems clear to me, affects us with pleasure; but how and by what means and when are puzzles that I feel less able to solve. And perhaps it is no matter for surprise if our sensations are clearer when we are awake than when we are asleep." [7]

"For my part, Simonides," said Hiero in answer to this, "I cannot say how a despot could have any sensations apart from those you have mentioned. So far, therefore, I fail to see that the despot's life differs in any respect from the citizen's." [8]

"In this respect it does differ," said Simonides: "the pleasures it experiences by means of these various organs are infinitely greater in number, and the pains it undergoes are far fewer."

"It is not so, Simonides," retorted Hiero; "I assure you far fewer

pleasures fall to despots than to citizens of modest means, and many more and much greater pains.”

“Incredible!” exclaimed Simonides. [9] “Were it so, how should a despot’s throne be an object of desire to many, even of those who are reputed to be men of ample means? And how should all the world envy despots?” [10]

“For this reason of course,” said Hiero, “that they speculate on the subject without experience of both estates. But I will try to show you that I am speaking the truth, beginning with the sense of sight. That was your first point, if I am not mistaken. [11]

“In the first place, then, taking the objects that we perceive by means of vision, I find by calculation that in regard to sight-seeing, despots are worse off. In every land there are things worth seeing: and in search of these private citizens visit any city they choose, and attend the national festivals, where all things reputed to be most worth seeing are assembled. [12] But despots are not at all concerned with missions to shows. For it is risky for them to go where they will be no stronger than the crowd, and their property at home is too insecure to be left in charge of others while they are abroad. For they fear to lose their throne, and at the same time to be unable to take vengeance on the authors of the wrong. Perhaps you may say: [13] ‘But, after all, such spectacles come to them even if they stay at home.’ No, no, Simonides, only one in a hundred such; and what there are of them are offered to despots at a price so exorbitant that showmen who exhibit some trifle expect to leave the court in an hour with far more money than they get from all the rest of the world in a lifetime.” [14]

“Ah,” said Simonides, “but if you are worse off in the matter of sight-seeing, the sense of hearing, you know, gives you the advantage. Praise, the sweetest of all sounds, is never lacking, for all your courtiers praise everything you do and every word you utter. Abuse, on the contrary, that most offensive of sounds, is never in your ears, for no one likes to speak evil of a despot in his presence.” [15]

“And what pleasure,” asked Hiero, “comes, do you suppose, of this shrinking from evil words, when one knows well that all harbour evil thoughts against the despot, in spite of their silence? Or what

pleasure comes of this praise, do you think, when the praises sound suspiciously like flattery?" [16]

"Well yes," replied Simonides, "in this of course I agree with you entirely, Hiero, that praise from the freest is sweetest. But this, now, you will not persuade anyone to believe, that the things which support human life do not yield you a far greater number of pleasures." [17]

"Yes, Simonides, and I know that the reason why most men judge that we have more enjoyment in eating and drinking than private citizens is this; they think that they themselves would find the dinner served at our table better eating than what they get. Anything, in fact, that is better than what they are accustomed to gives them pleasure. [18] This is why all men look forward to the festivals, except the despots. For their table is always laden with plenty, and admits of no extras on feast days. Here then is one pleasure in respect of which they are worse off than the private citizen, the pleasure of anticipation. [19] But further, your own experience tells you, I am sure, that the greater the number of superfluous dishes set before a man, the sooner a feeling of repletion comes over him; and so, as regards the duration of his pleasure too, the man who has many courses put before him is worse off than the moderate liver." [20]

"But surely," said Simonides, "so long as the appetite holds out, the man who dines at the costlier banquet has far more pleasure than he who is served with the cheaper meal." [21]

"Don't you think, Simonides, that the greater a man's pleasure in any occupation the stronger is his devotion to it?"

"Certainly."

"Then do you notice that despots fall to their meal with any more zest than private persons to theirs?"

"No, no, of course not; I should rather say with more disgust, according to the common opinion." [22]

"Well now," said Hiero, "have you observed all those pickles and sauces that are put before despots — acid, bitter, astringent and so forth?"

"Yes, certainly; and very unnatural cates I think them for human beings." [23]

"Don't you look on these condiments, then, as mere fads of a

jaded and pampered appetite? I know well enough, and I expect you know too, that hearty eaters have no need of these concoctions.” [24]

“Well, I certainly think that those costly unguents with which you anoint your bodies afford more satisfaction to those who are near you than to yourselves, just as the man who has eaten rank food is less conscious of the disagreeable smell than those who come near him.” [25]

“Quite so, and we may add that he who has all sorts of food at all times has no stomach for any sort. Offer a man a dish that he seldom tastes, and he eats a bellyful with gusto.” [26]

“It seems,” remarked Simonides, “as if the satisfaction of the sexual appetites were the only motive that produces in you the craving for despotism. For in this matter you are free to enjoy the fairest that meets your eye.” [27]

“I assure you that we are worse off than private citizens in the matter to which you now refer. First take marriage. It is commonly held that a marriage into a family of greater wealth and influence is most honourable, and is a source of pride and pleasure to the bridegroom. Next to that comes a marriage with equals. A marriage with inferiors is considered positively degrading and useless. [28] Now unless a despot marries a foreign girl, he is bound to marry beneath him; and so the thing to be desired does not come his way. And whereas it is exceedingly pleasant to receive the attentions of the proudest of ladies, the attentions of slaves are quite unappreciated when shown, and any little shortcomings produce grievous outbursts of anger and annoyance. [29]

“In his relations with young boys, again, even much more than in his relations with women, the despot is at a disadvantage. We all know, I suppose, that passion increases the sweets of sex beyond measure. [30] Passion, however, is very shy of entering the heart of a despot, for passion is fain to desire not the easy prize, but the hoped-for joy. Therefore, just as a man who is a stranger to thirst can get no satisfaction out of drinking, so he who is a stranger to passion is a stranger to the sweetest pleasures of sex.” [31]

To this speech of Hiero’s Simonides replied, laughing:

“How say you, Hiero? You deny that love for boys springs up in a despot’s heart? Then how about your passion for Dailochus, whom

they call most fair?" [32]

"Why, Simonides, the explanation, of course, is this: I desire to get from him not what I may have, apparently, for the asking, but that which a despot should be the last to take. [33] The fact is, I desire of Dailochus just that which human nature, maybe, drives us to ask of the fair. But what I long to get, I very strongly desire to obtain by his goodwill, and with his consent; but I think I could sooner desire to do myself an injury than to take it from him by force. [34] For to take from an enemy against his will is, I think, the greatest of all pleasures, but favours from a loved one are very pleasant, I fancy, only when he consents. [35] For instance, if he is in sympathy with you, how pleasant are his looks, how pleasant his questions and his answers; how very pleasant and ravishing are the struggles and bickerings. [36] But to take advantage of a favourite against his will seems to me more like brigandage than love. Nay, your brigand finds some pleasure in his gain and in hurting his foe; but to feel pleasure in hurting one whom you love, to be hated for your affection, to disgust him by your touch, surely that is a mortifying experience and pitiful! [37] The fact is, a private citizen has instant proof that any act of compliance on the part of his beloved is prompted by affection, since he knows that the service rendered is due to no compulsion; but the despot can never feel sure that he is loved. [38] For we know that acts of service prompted by fear copy as closely as possible the ministrations of affection. Indeed, even plots against despots as often as not are the work of those who profess the deepest affection for them."

2. To this Simonides replied: "Well, the points that you raise seem to me mere trifles. For I notice that many respected men willingly go short in the matter of meat and drink and delicacies, and deliberately abstain from sexual indulgence. [2] But I will show you where you have a great advantage over private citizens. Your objects are vast, your attainment swift: you have luxuries in abundance: you own horses unequalled in excellence, arms unmatched in beauty, superb jewelry for women, stately houses full of costly furniture: moreover you have servants many in number and excellent in accomplishments and you are rich in power to harm enemies and reward friends."

To this Hiero answered: [3] "Well, Simonides, that the multitude

should be deceived by despotic power surprises me not at all, since the mob seems to guess wholly by appearances that one man is happy, another miserable. [4] Despotism flaunts its seeming precious treasures outspread before the gaze of the world: but its troubles it keeps concealed in the heart of the despot, in the place where human happiness and unhappiness are stored away. [5] That this escapes the observation of the multitude I say, I am not surprised. But what does seem surprising to me is that men like you, whose intelligence is supposed to give you a clearer view of most things than your eyes, should be equally blind to it. [6] But I know well enough by experience, Simonides, and I tell you that despots get the smallest share of the greatest blessings, and have most of the greatest evils. [7] Thus, for instance, if peace is held to be a greatest blessing to mankind, very little of it falls to the share of despots: if war is a great evil, of that despots receive the largest share. [8] To begin with, so long as their state is not engaged in a war in which all take part, private citizens are free to go wherever they choose without fear of being killed. But all despots move everywhere as in an enemy's country; at any rate they think they are bound to wear arms continually themselves, and to take an armed escort about with them at all times. [9]

“Secondly, in the event of an expedition against an enemy's country, private citizens at least think themselves safe as soon as they have come home. But when despots reach their own city, they know that they are now among more enemies than ever. [10] Again, suppose that strangers invade their city in superior force; true, the weaker are conscious of danger while they are outside the walls; yet once they are inside the fortress, all feel themselves bestowed in safety. But the despot is not out of danger even when he passes within the palace gates; nay, it is just there that he thinks he must walk most warily. [11] Once again, to private citizens a truce or peace brings rest from war; but despots are never at peace with the people subject to their despotism, and no truce can ever make a despot confident. [12]

“There are, of course, wars that are waged by states against one another, and wars waged by the despot against his oppressed subjects. Now the hardships incidental to these wars that fall on the citizen fall also on the despot. [13] For both must wear arms, be

watchful, run risks; and the sting of a defeat is felt by both alike. [14] So far, then, both are equally affected by wars. But the joys that fall to the citizens of states at war are not experienced by despots. [15] For, you know, when states defeat their foes in a battle, words fail one to describe the joy they feel in the rout of the enemy, in the pursuit, in the slaughter of the enemy. What transports of triumphant pride! What a halo of glory about them! What comfort to think that they have exalted their city! [16] Everyone is crying: 'I had a share in the plan, I killed most'; and it's hard to find where they don't revel in falsehood, claiming to have killed more than all that were really slain. So glorious it seems to them to have won a great victory! [17] But when a despot harbours suspicion, and, well aware that opposition is on foot, puts the conspirators to death, he knows that he does not exalt the city as a whole; he understands that the number of his subjects will be less; he cannot look cheerful; nor does he boast himself of his achievement; nay, he belittles the occurrence as much as possible, and explains, while he is at the work, that there is nothing wrong in what he has done, so far are his deeds from seeming honourable even to himself. [18] Even the death of those whom he feared does not restore him to confidence; he is yet more on his guard afterwards than before. And now I have shown you the kind of war that a despot wages continually.

3. "Turn next to friendship, and behold how despots share in it. First let us consider whether friendship is a great blessing to mankind. [2] When a man is loved by friends, I take it, they rejoice at his presence, delight to do him good, miss him when he is absent, greet him most joyfully on his return, rejoice with him in his good fortune, unite in aiding him when they see him tripping. Even states are not blind to the fact that friendship is a very great blessing, and very delightful to men. At any rate, many states have a law that adulterers only may be put to death with impunity, obviously for this reason, because they believe them to be destroyers of the wife's friendship with her husband; [4] although, when a woman's lapse is the result of some accident, husbands do not honour their wives any less on that account, provided that wives seem to reserve their affection unblemished. [5] In my judgment, to be loved is a blessing so precious that I believe good things fall literally of themselves on

him who is loved from gods and men alike. [6]

“Such, then, is the nature of this possession — a possession wherein despots above all other men are stinted. If you want to know that I am speaking the truth, Simonides, consider the question in this way. [7] The firmest friendships, I take it, are supposed to be those that unite parents to children, children to parents, wives to husbands, comrades to comrades. [8] Now you will find, if you will but observe, that private citizens are, in fact, loved most deeply by these. But what of despots? Many have slain their own children; many have themselves been murdered by their children; many brothers, partners in despotism, have perished by each other’s hand; many have been destroyed even by their own wives, aye, and by comrades whom they accounted their closest friends. [9] Seeing, then, that they are so hated by those who are bound by natural ties and constrained by custom to love them most, how are we to suppose that they are loved by any other being?

4. “Next take confidence. Surely he who has very little of that is stinted in a great blessing? What companionship is pleasant without mutual trust? What intercourse between husband and wife is delightful without confidence? What squire is pleasant if he is not trusted? [2] Now of this confidence in others despots enjoy the smallest share. They go in constant suspicion even of their meat and drink; they bid their servitors taste them first, before the libation is offered to the gods, because of their misgiving that they may sup poison in the dish or the bowl. [3] Again, to all other men their fatherland is very precious. For citizens ward one another without pay from their slaves and from evildoers, to the end that none of the citizens may perish by a violent death. [4] They have gone so far in measures of precaution that many have made a law whereby even the companion of the bloodguilty is deemed impure; and so — thanks to the fatherland — every citizen lives in security. [5] But for despots the position is the reverse in this case too. Instead of avenging them, the cities heap honours on the slayer of the despot; and, whereas they exclude the murderers of private persons from the temples, the cities, so far from treating assassins in the same manner, actually put up statues of them in the holy places. [6]

“If you suppose that just because he has more possessions than the

private citizen, the despot gets more enjoyment out of them, this is not so either, Simonides. Trained athletes feel no pleasure when they prove superior to amateurs, but they are cut to the quick when they are beaten by a rival athlete; in like manner the despot feels no pleasure when he is seen to possess more than private citizens, but is vexed when he has less than other despots; for he regards them as his rivals in wealth. [7] Nor even does the despot gain the object of his desire any quicker than the private citizen. For the private citizen desires a house or a farm or a servant; but the despot covets cities or wide territory or harbours or strong citadels, and these are far more difficult and perilous to acquire than the objects that attract the citizen. [8] And, moreover, you will find that even poverty is rarer among private citizens than among despots. For much and little are to be measured not by number, but in relation to the owner's needs; so that what is more than enough is much, and what is less than enough is little. [9] Therefore, the despot with his abundance of wealth has less to meet his necessary expenses than the private citizen. For while private citizens can cut down the daily expenditure as they please, despots cannot, since the largest items in their expenses and the most essential are the sums they spend on the life-guards, and to curtail any of these means ruin. [10] Besides, when men can have all they need by honest means, why pity them as though they were poor? May not those who through want of money are driven to evil and unseemly expedients in order to live, more justly be accounted wretched and poverty-stricken? [11] Now, despots are not seldom forced into the crime of robbing temples and their fellow men through chronic want of cash to meet their necessary expenses. Living, as it were, in a perpetual state of war, they are forced to maintain an army, or they perish.

5. "Despots are oppressed by yet another trouble, Simonides, which I will tell you of. They recognize a stout-hearted, a wise or an upright man as easily as private citizens do. But instead of admiring such men, they fear them, — the brave lest they strike a bold stroke for freedom, the wise lest they hatch a plot, the upright lest the people desire them for leaders. [2] When they get rid of such men through fear, who are left for their use, save only the unrighteous, the vicious and the servile, — the unrighteous being trusted because, like

the despots, they fear that the cities may some day shake off the yoke and prove their masters, the vicious on account of the licence they enjoy as things are, the servile because even they themselves have no desire for freedom? This too, then, is a heavy trouble, in my opinion, to see the good in some men, and yet perforce to employ others. [3]

“Furthermore, even a despot must needs love his city, for without the city he can enjoy neither safety nor happiness. But despotism forces him to find fault even with his fatherland. For he has no pleasure in seeing that the citizens are stout-hearted and well armed; rather he delights to make the foreigners more formidable than the citizens, and these he employs as a body-guard. [4] Again, even when favourable seasons yield abundance of good things, the despot is a stranger to the general joy; for the needier the people, the humbler he thinks to find them.

6. “But now, Simonides,” he continued, “I want to show you all those delights that were mine when I was a private citizen, but which I now find are withheld from me since the day I became a despot. [2] I communed with my fellows then: they pleased me and I pleased them. I communed with myself whenever I desired rest. I passed the time in carousing, often till I forgot all the troubles of mortal life, often till my soul was absorbed in songs and revels and dances, often till the desire of sleep fell on me and all the company. [3] But now I am cut off from those who had pleasure in me, since slaves instead of friends are my comrades; I am cut off from my pleasant intercourse with them, since I see in them no sign of good-will towards me. Drink and sleep I avoid as a snare. [4] To fear a crowd, and yet fear solitude, to fear to go unguarded, and yet fear the very men who guard you, to recoil from attendants unarmed and yet dislike to see them armed — surely that is a cruel predicament! [5] And then, to trust foreigners more than citizens, strangers more than Greeks, to long to keep free men slaves, and yet be forced to make slaves free — do you not think that all these are sure tokens of a soul that is crushed with fear? [6] Fear, you know, is not only painful in itself by reason of its presence in the soul, but by haunting us even in our pleasures it spoils them utterly. [7]

“If, like me, you are acquainted with war, Simonides, and ever had the enemy’s battle-line close in front of you, call to mind what

sort of food you ate at that time, and what sort of sleep you slept. [8] I tell you, the pains that despots suffer are such as you suffered then. Nay, they are still more terrible; for despots believe that they see enemies not in front alone, but all around them.”

To this Simonides made answer: [9] “Excellent words in part, I grant! War is indeed a fearsome thing: nevertheless, Hiero, our way, when we are on active service, is this: we post sentries to guard us, and sup and sleep with a good courage.”

Then Hiero answered: [10] “No doubt you do, Simonides! For your sentries have sentries in front of them — the laws, — and so they fear for their own skins and relieve you of fear. But despots hire their guards like harvesters. [11] Now the chief qualification required in the guards, I presume, is faithfulness. But it is far harder to find one faithful guard than hundreds of workmen for any kind of work, especially when money supplies the guards, and they have it in their power to get far more in a moment by assassinating the despot than they receive from him for years of service among his guards. [12]

“You said that you envy us our unrivalled power to confer benefits on our friends, and our unrivalled success in crushing our enemies. But that is another delusion. [13] For how can you possibly feel that you benefit friends when you know well that he who receives most from you would be delighted to get out of your sight as quickly as possible? For, no matter what a man has received from a despot, nobody regards it as his own, until he is outside the giver’s dominion. [14] Or again, how can you say that despots more than others are able to crush enemies, when they know well that all who are subject to their despotism are their enemies and that it is impossible to put them all to death or imprison them — else who will be left for the despot to rule over? — and, knowing them to be their enemies, they must beware of them, and, nevertheless, must needs make use of them? [15] And I can assure you of this, Simonides: when a despot fears any citizen, he is reluctant to see him alive, and yet reluctant to put him to death. To illustrate my point, suppose that a good horse makes his master afraid that he will do him some fatal mischief: the man will feel reluctant to slaughter him on account of his good qualities, and yet his anxiety lest the animal may work some fatal mischief in a moment of danger will make him reluctant to keep

him alive and use him. [16] Yes, and this is equally true of all possessions that are troublesome as well as useful: it is painful to possess them, and painful to get rid of them.”

7. These statements drew from Simonides the following reply: “A great thing, surely, Hiero, is the honour for which men strive so earnestly that they undergo any toil and endure any danger to win it! [2] And what if despotism brings all those troubles that you tell of, yet such men as you, it seems, rush headlong into it that you may have honour, that all men may carry out your behests in all things without question, that the eyes of all may wait on you, that all may rise from their seats and make way for you, that all in your presence may glorify you by deed and word alike. (Such, in fact, is the behaviour of subjects to despots and to anyone else who happens to be their hero at the moment.) [3] For indeed it seems to me, Hiero, that in this man differs from other animals — I mean, in this craving for honour. In meat and drink and sleep and sex all creatures alike seem to take pleasure; but love of honour is rooted neither in the brute beasts nor in every human being. But they in whom is implanted a passion for honour and praise, these are they who differ most from the beasts of the field, these are accounted men and not mere human beings. [4] And so, in my opinion, you have good reason for bearing all those burdens that despotism lays on you, in that you are honoured above all other men. For no human joy seems to be more nearly akin to that of heaven than the gladness which attends upon honours.”

To this Hiero replied: [5] “Ah, Simonides, I think even the honours enjoyed by despots bear a close resemblance to their courtships, as I have described them to you. [6] The services of the indifferent seemed to us not acts of grace, and favours extorted appeared to give no pleasure. And so it is with the services proffered by men in fear: they are not honours. [7] For how can we say that men who are forced to rise from their seats rise to honour their oppressors, or that men who make way for their superiors desire to honour their oppressors? [8] And as for presents, most men offer them to one whom they hate, and that too at the moment when they have cause to fear some evil at his hands. These acts, I suppose, may not unfairly be taken for acts of servility; but honours, I should say, express the very opposite feelings. [9] For whenever men feel that some person is competent to

be their benefactor, and come to regard him as the fountain of blessings, so that henceforward his praise is ever on their lips, everyone of them looks on him as his peculiar blessing, they make way for him spontaneously and rise from their seats, through love and not through fear, crown him for his generosity and beneficence, and bring him freewill offerings, these same men in my opinion, honour that person truly by such services, and he who is accounted worthy of them is honoured in very deed. [10] And, for myself, I count him a happy man who is honoured thus; for I perceive that, instead of being exposed to treason, he is an object of solicitude, lest harm befall him, and he lives his life unassailed by fear and malice and danger, and enjoys unbroken happiness. But what is the despot's lot? I tell you, Simonides, he lives day and night like one condemned by the judgment of all men to die for his wickedness." [11]

When Simonides had listened to all this he asked: "Pray, how comes it, Hiero, if despotism is a thing so vile, and this is your verdict, that you do not rid yourself of so great an evil, and that none other, for that matter, who has once acquired it, ever yet surrendered despotic power?" [12]

"Simonides," said he, "this is the crowning misery of despotic power, that it cannot even be got rid of. For how could any despot ever find means to repay in full all whom he has robbed, or himself serve all the terms of imprisonment that he has inflicted? Or how could he forfeit a life for every man whom he has put to death? [13] Ah, Simonides," he cried, "if it profits any man to hang himself, know what my finding is: a despot has most to gain by it, since he alone can neither keep nor lay down his troubles with profit."

8. "Well, Hiero," retorted Simonides, "I am not surprised that you are out of heart with despotism for the moment, since you hold that it cuts you off from gaining the affection of mankind, which you covet. Nevertheless, I think I can show you that rule so far from being a bar to popularity, actually has the advantage of a citizen's life. [2] In trying to discover whether this is so, let us for the time being pass over the question whether the ruler, because of his greater power, is able to confer more favours. Assume that the citizen and the despot act alike, and consider which of the two wins the greater measure of gratitude from the same actions.

“You shall have the most trifling examples to begin with. [3] First, suppose that two men greet someone with a friendly remark on seeing him. One is a ruler, the other a citizen. In this case which greeting, do you think, is the more delightful to the hearer? Or again, both commend the same man. Which commendation, do you think, is the more welcome? Suppose that each does the honours when he offers sacrifice. Which invitation, think you, will be accepted with the more sincere thanks? [4] Suppose they are equally attentive to a sick man. Is it not obvious that the attentions of the mightiest bring most comfort to the patient? Suppose they give presents of equal value. Is it not clear in this case too that half the number of favours bestowed by the mightiest count for more than the whole of the plain citizen’s gift? [5] Nay, to my way of thinking, even the gods cause a peculiar honour and favour to dance attendance on a great ruler. For not only does rule add dignity of presence to a man, but we find more pleasure in the sight of that man when he is a ruler than when he is a mere citizen, and we take more pride in the conversation of those who rank above us than in that of our equals. [6] And favourites, mark you, who were the subject of your bitterest complaint against despotism, are not offended by old age in a ruler, and take no account of ugliness in the patron with whom they happen to be associated. For high rank in itself is a most striking embellishment to the person: it casts a shade over anything repulsive in him and shows up his best features in a high light. [7] Moreover, inasmuch as equal services rendered by you rulers are rewarded with deeper gratitude, surely, when you have the power of doing far more for others by your activities, and can lavish far more gifts on them, it is natural that you should be much more deeply loved than private citizens.”

Hiero instantly rejoined: [8] “Indeed it is not so, Simonides; for we are forced to engage far oftener than private citizens in transactions that make men hated. [9] Thus, we must extort money in order to find the cash to pay for what we want: we must compel men to guard whatever needs protection: we must punish wrongdoers; we must check those who would fain wax insolent; and when a crisis arises that calls for the immediate despatch of forces by land and sea, we must see that there is no dilly-dallying. [10] Further, a great despot must needs have mercenaries; and no burden presses more heavily on

the citizens than that, since they believe that these troops are maintained not in the interests of equality, but for the despot's personal ends."

9. In answer to this Simonides said: "Well, Hiero, I do not deny that all these matters must receive attention. But I should divide a ruler's activities into two classes, those that lead inevitably to unpopularity, and those that are greeted with thanks. [2] The duty of teaching the people what things are best, and of dispensing praise and honour to those who accomplish the same most efficiently, is a form of activity that is greeted with thanks. The duty of pronouncing censure, using coercion, inflicting pains and penalties on those who come short in any respect, is one that must of necessity give rise to a certain amount of unpopularity. [3] Therefore my sentence is that a great ruler should delegate to others the task of punishing those who require to be coerced, and should reserve to himself the privilege of awarding the prizes. The excellence of this arrangement is established by daily experience. [4] Thus, when we want to have a choral competition, the ruler offers prizes, but the task of assembling the choirs is delegated to choir-masters, and others have the task of training them and coercing those who come short in any respect. Obviously, then, in this case, the pleasant part falls to the ruler, the disagreeables fall to others. [5] Why, then, should not all other public affairs be managed on this principle? For all communities are divided into parts — 'tribes,' 'wards,' 'unions,' as the case may be — and every one of these parts is subject to its appointed ruler. [6] If, then, the analogy of the choruses were followed and prizes were offered to these parts for excellence of equipment, good discipline, horsemanship, courage in the field and fair dealing in business, the natural outcome would be competition, and consequently an earnest endeavour to improve in all these respects too. [7] And as a matter of course, with the prospect of reward there would be more despatch in starting for the appointed place, and greater promptitude in the payment of war taxes, whenever occasion required. Nay, agriculture itself, most useful of all occupations, but just the one in which the spirit of competition is conspicuous by its absence, would make great progress if prizes were offered for the farm or the village that can show the best cultivation, and many good results would follow for

those citizens who threw themselves vigorously into this occupation. [8] For apart from the consequent increase in the revenues, sobriety far more commonly goes with industry; and remember, vices rarely flourish among the fully employed. [9] If commerce also brings gain to a city, the award of honours for diligence in business would attract a larger number to a commercial career. And were it made clear that the discovery of some way of raising revenue without hurting anyone will also be rewarded, this field of research too would not be unoccupied. [10] In a word, once it becomes clear in every department that any good suggestion will not go unrewarded, many will be encouraged by that knowledge to apply themselves to some promising form of investigation. And when there is a wide-spread interest in useful subjects, an increase of discovery and achievement is bound to come. [11]

“In case you fear, Hiero, that the cost of offering prizes for many subjects may prove heavy, you should reflect that no commodities are cheaper than those that are bought for a prize. Think of the large sums that men are induced to spend on horse-races, gymnastic and choral competitions, and the long course of training and practice they undergo for the sake of a paltry prize.”

10. “Well, Simonides,” said Hiero, “I think you are right in saying that. But what about the mercenaries? Can you tell me how to employ them without incurring unpopularity? Or do you say that a ruler, once he becomes popular, will have no further need of a bodyguard?” [2]

“No, no, he will need them, of course,” said Simonides. “For I know that some human beings are like horses — the more they get what they want, the more unruly they are apt to become. [3] The way to manage men like that is to put the fear of the bodyguard into them. And as for the gentlemen, you can probably confer greater benefits on them by employing mercenaries than by any other means. [4] For I presume that you maintain the force primarily to protect yourself. But masters have often been murdered by their slaves. If therefore the first duty enjoined on the mercenaries were to act as the bodyguard of the whole community and render help to all, in case they got wind of any such intention — there are black sheep in every fold, as we all know — I say, if they were under orders to guard the

citizens as well as the depot, the citizens would know that this is one service rendered to them by the mercenaries. [5] Nor is this all: for naturally the mercenaries would also be able to give fearlessness and security in the fullest measure to the labourers and cattle in the country, and the benefit would not be confined to your own estates, but would be felt up and down the countryside. [6] Again, they are competent to afford the citizens leisure for attending to their private affairs by guarding the vital positions. Besides, should an enemy plan a secret and sudden attack, what handier agents can be found for detecting or preventing their design than a standing force, armed and organized? Or once more, when the citizens go campaigning, what is more useful to them than mercenaries? For these are, as a matter of course, the readiest to bear the brunt of toil and danger and watching. [7] And must not those who possess a standing force impose on border states a strong desire for peace? For nothing equals an organized body of men, whether for protecting the property of friends or for thwarting the plans of enemies. [8] Further, when the citizens get it into their heads that these troops do no harm to the innocent and hold the would-be malefactor in check, come to the rescue of the wronged, care for the citizens and shield them from danger, surely they are bound to pay the cost of them with a right good-will. At all events they keep guards in their homes for less important objects than these.

11. "Nor should you hesitate to draw on your private property, Hiero, for the common good. For in my opinion the sums that a great despot spends on the city are more truly necessary expenses than the money he spends on himself. [2] But let us go into details. First, which do you suppose is likely to bring you more credit, to own a palace adorned with priceless objects of art, or to have the whole city garnished with walls and temples and verandahs and market-places and harbours? [3] Which will make you look more terrible to the enemy, to dazzle all beholders with your own glittering panoply, or to present the whole of your people in goodly armour? [4] Which plan, think you, will yield revenues more abounding, to keep only your own capital employed, or to contrive to bring the capital of all the citizens into employment? [5] And what about the breeding of chariot horses, commonly considered the noblest and grandest business in

the world? By which method do you think you will gain most credit for that, if you out-do all other Greeks in the number of teams you breed and send to the festivals, or if the greatest number of breeders and the greatest number of competitors are drawn from your city? And how is the nobler victory gained, by the excellence of your team, or by the prosperity of the city of which you are the head? [6] Indeed my own opinion is that it is not even seemly for a great despot to compete with private citizens. For your victory would excite envy rather than admiration, on the ground that many estates supply the money that you spend, and no defeat would be greeted with so much ridicule as yours. [7] I tell you, Hiero, you have to compete with other heads of states, and if you cause your state to surpass theirs in prosperity, be well assured that you are the victor in the noblest and grandest competition in the world. [8] And in the first place you will forthwith have secured just what you really want, the affection of your subjects. Secondly, your victory will not be proclaimed by one herald's voice, but all the world will tell of your virtue. [9] The observed of all observers' eyes, you will be a hero, not only to private citizens, but to many states: you will be admired not only in your home, but in public among all men. [10] And you will be free to go wherever you choose, so far as safety is concerned, to see the sights, and equally free to enjoy them in your home; for you will have a throng of aspirants before you, some eager to display something wise or beautiful or good, others longing to serve you. [11] Everyone present will be an ally, everyone absent will long to see you.

“Thus you will be not only the loved, but the adored of mankind. You will need not to court the fair, but to listen patiently to their suit. Anxiety for your welfare will fall not on yourself, but on others. [12] You will have the willing obedience of your subjects; you will mark their unsolicited care for you; and should any danger arise, you will find in them not merely allies, but champions and zealots. Accounted worthy of many gifts, and at no loss for some man of goodwill with whom to share them, you will find all rejoicing in your good fortune, all fighting for your interests, as though they were their own. [13] And all the riches in the houses of your friends will be yours in fee.

“Take heart then, Hiero; enrich your friends, for so you will enrich

yourself. Exalt the state, for so you will deck yourself with power. [14] Get her allies [for so you will win supporters for yourself]. Account the fatherland your estate, the citizens your comrades, friends your own children, your sons possessions dear as life. And try to surpass all these in deeds of kindness. [15] For if you out-do your friends in kindness, it is certain that your enemies will not be able to resist you.

“And if you do all these things, rest assured that you will be possessed of the fairest and most blessed possession in the world; for none will be jealous of your happiness.”

WAYS AND MEANS

Translated by E. C. Marchant

The treatise *Πόροι* was written in 354 BC and is believed to be Xenophon's final work. Written half a century after Athens' defeat in the Peloponnesian War, it explores the subject of financial ruin that was facing the city at the time. In the first part Xenophon lists the qualities of Athens that should recommend it for producing a large revenue, including the mild seasons enjoyed in Attica, the highly productive nature of the surrounding land and sea and how distant the city is from 'barbarian lands'. Xenophon goes on to suggest that Athens should increase the metic population, which was largely populated by foreigners - until then not granted citizenship - as a means of increasing revenue.

Athens at the time of Xenophon

WAYS AND MEANS

1. For my part I have always held that the constitution of a state reflects the character of the leading politicians. But some of the leading men at Athens have stated that they recognize justice as clearly as other men; "but," they have said, "owing to the poverty of the masses, we are forced to be somewhat unjust in our treatment of the cities." This set me thinking whether by any means the citizens might obtain food entirely from their own soil, which would certainly be the fairest way. I felt that, were this so, they would be relieved of their poverty, and also of the suspicion with which they are regarded by the Greek world. [2]

Now as I thought over my ideas, one thing seemed clear at once, that the country is by its nature capable of furnishing an ample revenue. To drive home the truth of this statement I will first describe the natural properties of Attica. [3]

The extreme mildness of the seasons here is shown by the actual products. At any rate, plants that will not even grow in many countries bear fruit here. Not less productive than the land is the sea around the coasts. Notice too that the good things which the gods send in their season all come in earlier here and go out later than elsewhere. [4] And the pre-eminence of the land is not only in the things that bloom and wither annually: she has other good things that last for ever. Nature has put in her abundance of stone, from which are fashioned lovely temples and lovely altars, and goodly statues for the gods. Many Greeks and barbarians alike have need of it. [5] Again, there is land that yields no fruit if sown, and yet, when quarried, feeds many times the number it could support if it grew corn. And recollect, there is silver in the soil, the gift, beyond doubt, of divine providence: at any rate, many as are the states near to her by land and sea, into none of them does even a thin vein of silver ore extend. [6]

One might reasonably suppose that the city lies at the centre of Greece, nay of the whole inhabited world. For the further we go from her, the more intense is the heat or cold we meet with; and every traveller who would cross from one to the other end of Greece passes

Athens as the centre of a circle, whether he goes by water or by road. [7] Then, too, though she is not wholly sea-girt, all the winds of heaven bring to her the goods she needs and bear away her exports, as if she were an island; for she lies between two seas: and she has a vast land trade as well; for she is of the mainland. [8] Further, on the borders of most states dwell barbarians who trouble them: but the neighbouring states of Athens are themselves remote from the barbarians.

2. All these advantages, as I have said, are, I believe, due to the country itself. But instead of limiting ourselves to the blessings that may be called indigenous, suppose that, in the first place, we studied the interests of the resident aliens. For in them we have one of the very best sources of revenue, in my opinion, inasmuch as they are self-supporting and, so far from receiving payment for the many services they render to states, they contribute by paying a special tax. [2] I think that we should study their interests sufficiently, if we relieved them of the duties that seem to impose a certain measure of disability on the resident alien without conferring any benefit on the state, and also of the obligation to serve in the infantry along with the citizens. Apart from the personal risk, it is no small thing to leave their trades and their private affairs. [3] The state itself too would gain if the citizens served in the ranks together, and no longer found themselves in the same company with Lydians, Phrygians, Syrians, and barbarians of all sorts, of whom a large part of our alien population consists. [4] In addition to the advantage of dispensing with the services of these men, it would be an ornament to the state that the Athenians should be thought to rely on themselves rather than on the help of foreigners in fighting their battles. [5]

If, moreover, we granted the resident aliens the right to serve in the cavalry and various other privileges which it is proper to grant them, I think that we should find their loyalty increase and at the same time should add to the strength and greatness of the state. [6]

Then again, since there are many vacant sites for houses within the walls, if the state allowed approved applicants to erect houses on these and granted them the freehold of the land, I think that we should find a larger and better class of persons desiring to live at Athens. [7]

And if we appointed a board of Guardians of Aliens analogous to the Guardians of Orphans, and some kind of distinction were earmarked for guardians whose list of resident aliens was longest, that too would add to the loyalty of the aliens, and probably all without a city would covet the right of settling in Athens, and would increase our revenues.

3. I shall now say something of the unrivalled amenities and advantages of our city as a commercial centre.

In the first place, I presume, she possesses the finest and safest accomodation for shipping, since vessels can anchor here and ride safe at their moorings in spite of bad weather. [2] Moreover, at most other ports merchants are compelled to ship a return cargo, because the local currency has no circulation in other states; but at Athens they have the opportunity of exchanging their cargo and exporting very many classes of goods that are in demand, or, if they do not want to ship a return cargo of goods, it is sound business to export silver; for, wherever they sell it, they are sure to make a profit on the capital invested. [3]

If prizes were offered to the magistrates of the market for just and prompt settlement of disputes, so that sailings were not delayed, the effect would be that a far larger number of merchants would trade with us and with much greater satisfaction. [4] It would also be an excellent plan to reserve front seats in the theatre for merchants and shipowners, and to offer them hospitality occasionally, when the high quality of their ships and merchandise entitles them to be considered benefactors of the state. With the prospect of these honours before them they would look on us as friends and hasten to visit us to win the honour as well as the profit. [5]

The rise in the number of residents and visitors would of course lead to a corresponding expansion of our imports and exports, of sales, rents and customs. [6]

Now such additions to our revenues as these need cost us nothing whatever beyond benevolent legislation and measures of control. Other methods of raising revenue that I have in mind will require capital, no doubt. [7] Nevertheless I venture to hope that the citizens would contribute eagerly towards such objects, when I recall the large sums contributed by the state when Lysistratus was in

command and troops were sent to aid the Arcadians, and again in the time of Hegesileos. [8] I am also aware that large expenditure is frequently incurred to send warships abroad, though none can tell whether the venture will be for better or worse, and the only thing certain is that the subscribers will never see their money back nor even enjoy any part of what they contribute. [9] But no investment can yield them so fine a return as the money advanced by them to form the capital fund. For every subscriber of ten minae, drawing three obols a day, gets nearly twenty per cent. — as much as he would get on bottomry; and every subscriber of five minae gets more than a third of his capital back in interest. [10] But most of the Athenians will get over a hundred per cent. in a year, for those who advance one mina will draw an income of nearly two minae, guaranteed by the state, which is to all appearances the safest and most durable of human institutions. [11]

I think, too, that if their names were to be recorded in the roll of benefactors for all time, many foreigners also would subscribe, and a certain number of states would be attracted by the prospect of enrolment. I believe that even kings and despots and oriental governors would desire to share in this reward. [12]

When funds were sufficient, it would be a fine plan to build more lodging-houses for shipowners near the harbours, and convenient places of exchange for merchants, also hotels to accomodate visitors. [13] Again, if houses and shops were put up both in the Peiraeus and in the city for retail traders, they would be an ornament to the state, and at the same time the source of a considerable revenue. [14]

Moreover, I think it would be a good plan to take a hint from the state ownership of public warships, and to see whether it be possible to acquire a fleet of public merchant vessels and to lease them under securities, like our other public property. For if this proved to be practicable, these vessels would yield another large revenue.

4. As for the silver mines, I believe that if a proper system of working were introduced, a vast amount of money would be obtained from them apart from our other sources of revenue. I want to point out the possibilities of these mines to those who do not know. For, once you realize their possibilities, you will be in a better position to consider how the mines should be managed. [2]

Now, we all agree that the mines have been worked for many generations. At any rate, no one even attempts to date the beginning of mining operations. And yet, although digging and the removal of the silver ore have been carried on for so long a time, note how small is the size of the dumps compared with the virgin and silver-laden hills. [3] And it is continually being found that, so far from shrinking, the silver-yielding area extends further and further.

Well, so long as the maximum number of workmen was employed in them, no one ever wanted a job; in fact, there were always more jobs than the labourers could deal with. [4] And even at the present day no owner of slaves employed in the mines reduces the number of his men; on the contrary, every master obtains as many more as he can. The fact is, I imagine, that when there are few diggers and searchers, the amount of metal recovered is small, and when there are many, the total of ore discovered is multiplied. Hence of all the industries with which I am acquainted this is the only one in which expansion of business excites no jealousy. [5]

Further than this, every farmer can tell just how many yoke of oxen are enough for the farm and how many labourers. To put more on the land than the requisite number is counted loss. In mining undertakings, on the contrary, everyone tells you that he is short of labour. [6] Mining, in fact, is quite different from other industries. An increase in the number of coppersmiths, for example, produces a fall in the price of copper work, and the coppersmiths retire from business. The same thing happens in the iron trade. Again, when corn and wine are abundant, the crops are cheap, and the profit derived from growing them disappears, so that many give up farming and set up as merchants or shopkeepers or moneylenders. But an increase in the amount of the silver ore discovered and of the metal won is accompanied by an increase in the number of persons who take up this industry. [7] Neither is silver like furniture, of which a man never buys more when once he has got enough for his house. No one ever yet possessed so much silver as to want no more; if a man finds himself with a huge amount of it, he takes as much pleasure in burying the surplus as in using it. [8]

Mark too that, whenever states are prosperous, silver is in strong demand. The men will spend money on fine arms and good horses

and magnificent houses and establishments, and the women go in for expensive clothes and gold jewelry. [9] If, on the other hand, the body politic is diseased owing to failure of the harvest or to war, the land goes out of cultivation and there is a much more insistent demand for cash to pay for food and mercenaries. [10]

If anyone says that gold is quite as useful as silver, I am not going to contradict him; but I know this, that when gold is plentiful, silver rises and gold falls in value. [11]

With these facts before us, we need not hesitate to bring as much labour as we can get into the mines and carry on work in them, feeling confident that the ore will never give out and that silver will never lose its value. [12] I think, indeed, that the state has anticipated me in this discovery; at any rate she throws open the mining industry to foreigners on the same terms as are granted to citizens. [13]

To make myself clearer on the subject of alimony, I will now explain how the mines may be worked with the greatest advantage to the state. Not that I expect to surprise you by what I am going to say, as if I had found the solution of a difficult problem. For some things that I shall mention are still to be seen by anyone at the present day, and as for conditions in the past, our fathers have told us that they were similar. [14] But what may well excite surprise is that the state, being aware that many private individuals are making money out of her, does not imitate them. Those of us who have given thought to the matter have heard long ago, I imagine, that Nicias son of Niceratus, once owned a thousand men in the mines, and let them out to Socias the Thracian, on condition that Sosias paid him an obol a day per man net and filled all vacancies as they occurred. [15] Hipponicus, again, had six hundred slaves let out on the same terms and received a rent of a mina a day net. Philemonides had three hundred, and received half a mina. There were others too, owning numbers in proportion, I presume, to their capital. [16] But why dwell on the past? At this day there are many men in the mines let out in this way. [17] Were my proposals adopted, the only innovation would be, that just as private individuals have built up a permanent income by becoming slave owners, so the state would become possessed of public slaves, until there were three for every citizen. [18] Whether my plan is workable, let anyone who chooses judge for himself by

examining it in detail.

So let us take first the cost of the men. Clearly the treasury is in a better position to provide the money than private individuals. Moreover the Council can easily issue a notice inviting all and sundry to bring slaves, and can buy those that are brought to it. [19] When once they are purchased, why should there be more hesitation about hiring from the treasury than from a private person, the terms offered being the same? At any rate men hire consecrated lands and houses, and farm taxes under the state. [20]

The treasury can insure the slaves purchased by requiring some of the lessees to become guarantors, as it does in the case of the tax-farmers. In fact a tax-farmer can swindle the state more easily than a lessee of slaves. [21] For how are you to detect the export of public money? Money looks the same whether it is private property or belongs to the state. But how is a man to steal slaves when they are branded with the public mark and it is a penal offence to sell or export them?

So far, then, it appears to be possible for the state to acquire and to keep men. [22] But, one may ask, when labour is abundant, how will a sufficient number of persons be found to hire it? Well, if anyone feels doubtful about that, let him comfort himself with the thought that many men in the business will hire the state slaves as additional hands, since they have abundance of capital, and that among those now working in the mines many are growing old. Moreover there are many others, both Athenians and foreigners, who have neither will nor strength to work with their own hands, but would be glad to to make a living by becoming managers. [23]

Assume, however, that the total number of slaves to begin with is twelve hundred. By using the revenue derived from these the number might in all probability be raised to six thousand at the least in the course of five or six years. Further, if each man brings in a clear obol a day, the annual revenue derived from that number of men is sixty talents. [24] Out of this sum, if twenty talents are invested in additional slaves, the state will have forty talents available for any other necessary purpose. And when a total of ten thousand men is reached, the revenue will be a hundred talents. [25]

But the state will receive far more than that, as anyone will testify

who is old enough to remember how much the charge for slave labour brought in before the trouble at Decelea. And there is another proof. During the history of the mines an infinite number of men has worked in them; and yet the condition of the mines to-day is exactly the same as it was in the time of our ancestors, and their memory ran not to the contrary. [26] And present conditions all lead to the conclusion that the number of slaves employed there can never be greater than the works need. For the miners find no limit to shaft or gallery. [27] And, mark you, it is as possible now to open new veins as in former times. Nor can one say with any certainty whether the ore is more plentiful in the area already under work or in the unexplored tracts. [28]

Then why, it may be asked, are fewer new cuttings made nowadays than formerly? Simply because those interested in the mines are poorer. For operations have only lately been resumed, and a man who makes a new cutting incurs a serious risk. If he strikes good stuff he makes a fortune; but if he is [29] disappointed, he loses the money he has spent. Therefore people nowadays are very chary of taking such a risk. [30]

However, I think I can meet this difficulty too, and suggest a plan that will make the opening of new cuttings a perfectly safe undertaking. The Athenians, of course, are divided into ten tribes. Now assume that the state were to offer each tribe an equal number of slaves, and that when new cuttings were made, the tribes were to pool their luck. [31] The result would be that if one tribe found silver, the discovery would be profitable to all; and if two, three, four, or half the tribes found, the profits from these works would obviously be greater.

Nothing that has happened in the past makes it probable that all would fail to find. [32] Of course, private individuals also are able to combine on this principle and pool their fortunes in order to diminish the risk. Nevertheless there is no reason to fear that a public company formed on this plan will conflict with the interests of private persons, or be hampered by them. No, just as every new adhesion to a confederacy brings an increase of strength to all its members, so the greater the number of persons operating in the mines, the more treasure they will discover and unearth. [33]

I have now explained what regulations I think should be introduced into the state in order that every Athenian may receive sufficient maintenance at the public expense. [34] Some may imagine that enough money would never be subscribed to provide the huge amount of capital necessary, according to their calculations, to finance all these schemes. But even so they need not despair. [35] For it is not essential that the plan should be carried out in all its details in order that any advantage may come of it. No, whatever the number of houses built, or of ships constructed, or of slaves purchased, they will immediately prove a paying concern. [36] In fact in one respect it will be even more profitable to proceed gradually than to do everything at once. For if everybody begins building, we shall pay more for worse work than if we carry out the undertaking gradually; and if we try to find an enormous number of slaves, we shall be forced to buy inferior men at a high price. [37]

By proceeding as our means allow, we can repeat whatever is well conceived and avoid the repetition of mistakes. [38] Besides, were the whole scheme put in hand at once, we should have to find the whole of the money; but if some parts were proceeded with and others postponed, the income realised would help to provide the amount still required. [39]

Possibly the gravest fear in everyone's mind is that the works may become overcrowded if the state acquires too many slaves. But we can rid ourselves of that fear by not putting more men in year by year than the works themselves require. [40]

Accordingly I hold that this, which is the easiest way, is also the best way of doing these things. On the other hand, if you think that the burdens imposed during the late war make it impossible for you to contribute anything at all — well, keep down the cost of administration during the next year to the amount that the taxes yielded before the peace; and invest the balances over and above that amount, which you will get with peace, with considerate treatment of resident aliens and merchants, with the growth of imports and exports due to concentration of a larger population, and with the expansion of harbour and market dues, so that the investment will bring in the largest revenue. [41]

Or again, if any fear that this scheme would prove worthless in the

event of war breaking out, they should observe that, with this system at work, war becomes far more formidable to the aggressors than to the city. [42] For what instrument is more serviceable for war than men? We should have enough of them to supply crews to many ships of the state; and many men available for service in the ranks as infantry could press the enemy hard, if they were treated with consideration. [43]

But I reckon that, even in the event of war, the mines need not be abandoned. There are, of course, two fortresses in the mining district, one at Anaphlystus on the south side, the other at Thoricus on the north. The distance between them is about seven miles and a half. [44] Now suppose that we had a third stronghold between them on the highest point of Besa. The works would then be linked up by all the fortresses, and at the first intimation of a hostile movement, every man would have but a short distance to go in order to reach safety. [45] In case an enemy came in force, he would, no doubt, seize any corn or wine or cattle that he found outside; but the silver ore, when he had got it, would be of as much use to him as a heap of stones. [46] And how could an enemy ever go for the mines? The distance between Megara, the nearest city, and the silver mines, is of course much more than five hundred furlongs; and Thebes, which is next in proximity, lies at a distance of much more than six hundred furlongs from them. [47] Let us assume, then, that an enemy is marching on the mines from some such point. He is bound to pass Athens; and if his numbers are small, he is likely to be destroyed by our cavalry and patrols. On the other hand, to march on them with a large force, leaving his own property unprotected, is no easy matter; for when he arrived at the mines the city of Athens would be much nearer to his own states than he himself would be. [48] But even supposing that he should come, how is he to stay without supplies? And to send part of their forces in search of food may mean destruction to the foraging party and failure to achieve the ends for which he is contending; or if the whole force is continually foraging it will find itself blockaded instead of blockading. [49]

However, the rent derived from the slaves would not be the only source of relief to the community. With the concentration of a large population in the mining district, abundant revenue would be derived

from the local market, from state-owned houses near the silver mines, from furnaces and all the other sources. [50] For a densely populated city would grow up there, if it were organised on this plan; yes, and building sites would become as valuable there as they are in our suburbs. [51]

If the plans that I have put forward are carried out, I agree that, apart from the improvement in our financial position, we shall become a people more obedient, better disciplined, and more efficient in war. [52] For the classes undergoing physical training will take more pains in the gymnasium when they receive their maintenance in full than they take under the superintendents of the torch races; and the classes on garrison duty in a fortress, or serving as targeteers, or patrolling the country will show greater alacrity in carrying out all these duties when the maintenance is duly supplied for the work done.

5. If it seems clear that the state cannot obtain a full revenue from all sources unless she has peace, is it not worth while to set up a board of guardians of peace? Were such a board constituted, it would help to increase the popularity of the city and to make it more attractive and more densely thronged with visitors from all parts. [2] If any are inclined to think that a lasting peace for our city will involve a loss of her power and glory and fame in Greece, they too, in my opinion, are out in their calculations. For I presume that those states are reckoned the happiest that enjoy the longest period of unbroken peace; and of all states Athens is by nature most suited to flourish in peace. [3] For if the state is tranquil, what class of men will not need her? Shipowners and merchants will head the list. Then there will be those rich in corn and wine and oil and cattle; men possessed of brains and money to invest; craftsmen and professors and [4] philosophers; poets and the people who make use of their works; those to whom anything sacred or secular appeals that is worth seeing or hearing. Besides, where will those who want to buy or sell many things quickly meet with better success in their efforts than at Athens? [5]

No one, I dare say, contests this; but there are some who wish the state to recover her ascendancy, and they may think that it is more likely to be won by war than by peace. Let such, in the first place,

call to mind the Persian Wars. Was it by coercing the Greeks or by rendering services to them that we became leaders of the fleet and treasurers of the league funds? [6] Further, after the state had been stripped of her empire through seeming to exercise her authority with excessive harshness, did not the islanders even then restore to us the presidency of the fleet by their own free will, when we refrained from acts of injustice? [7] And again, did not the Thebans place themselves under the leadership of the Athenians in return for our good offices? Yet once again, it was not the effect of coercion on our part, but of generous treatment, that the Lacedaemonians permitted the Athenians to arrange the leadership as they chose. [8] And now, owing to the confusion prevalent in Greece, an opportunity, I think, has fallen to the state to win back the Greeks without trouble, without danger, and without expense. For she has it in her power to try to reconcile the warring states, she has it in her power to compose the factions contending in their midst. [9] And were it apparent that you are striving to make the Delphic shrine independent, as it used to be, not by joining in war, but by sending embassies up and down Greece, I for my part should not be in the least surprised if you found the Greeks all of one mind, banded together by oath and united in alliance against any that attempted to seize the shrine in the event of the Phocians abandoning it. [10] Were you to show also that you are striving for peace in every land and on every sea, I do think that, next to the safety of their own country, all men would put the safety of Athens first in their prayers. [11]

If, on the other hand, any one supposes that financially war is more profitable to the state than peace, I really do not know how the truth of this can be tested better than by considering once more what has been the experience of our state in the past. [12] He will find that in old days a very great amount of money was paid into the treasury in time of peace, and that the whole of it was spent in time of war; he will conclude on consideration that in our own time the effect of the late war on our revenues was that many of them ceased, while those that came in were exhausted by the multitude of expenses; whereas the cessation of war by sea has been followed by a rise in the revenues, and has allowed the citizens to devote them to any purpose they choose. [13]

But some one may ask me, Do you mean to say that, even if she is wronged, the state should remain at peace with the offender? No, certainly not; but I do say that our vengeance would follow far more swiftly on our enemies if we provoked nobody by wrong-doing; for then they would look in vain for an ally.

6. Well now, surely, if none of these proposals is impossible or even difficult, if by carrying them into effect we shall be regarded with more affection by the Greeks, shall live in greater security, and be more glorious; if the people will be maintained in comfort and the rich no more burdened with the expenses of war; if with a large surplus in hand we shall celebrate our festivals with even more splendour than at present, shall restore the temples, and repair the walls and docks, and shall give back to priests, councillors, magistrates, knights their ancient privileges; surely, I say, our proper course is to proceed with this scheme forthwith, that already in our generation we may come to see our city secure and prosperous. [2]

Furthermore, if you decide to go forward with the plan, I should advise you to send to Dodona and Delphi, and inquire of the gods whether such a design is fraught with weal for the state both now and in days to come. [3] And should they consent to it, then I would say that we ought to ask them further, which of the gods we must propitiate in order that we may prosper in our handiwork. Then, when we have offered an acceptable sacrifice to the gods named in their reply, it behoves us to begin the work. For with heaven to help us in what we do, it is likely that our undertakings will go forward continually to the greater weal of the state.

CONSTITUTION OF THE LACEDAEMONIANS

Translated by E. C. Marchant

1. It occurred to me one day that Sparta, though among the most thinly populated of states, was evidently the most powerful and most celebrated city in Greece; and I fell to wondering how this could have happened. But when I considered the institutions of the Spartans, I wondered no longer. [2]

Lycurgus, who gave them the laws that they obey, and to which they owe their prosperity, I do regard with wonder; and I think that he reached the utmost limit of wisdom. For it was not by imitating other states, but by devising a system utterly different from that of most others, that he made his country pre-eminently prosperous. [3]

First, to begin at the beginning, I will take the begetting of children. In other states the girls who are destined to become mothers and are brought up in the approved fashion, live on the very plainest fare, with a most meagre allowance of delicacies. Wine is either withheld altogether, or, if allowed them, is diluted with water. The rest of the Greeks expect their girls to imitate the sedentary life that is typical of handicraftsmen — to keep quiet and do wool-work. How, then, is it to be expected that women so brought up will bear fine children? [4]

But Lycurgus thought the labour of slave women sufficient to supply clothing. He believed motherhood to be the most important function of freeborn woman. Therefore, in the first place, he insisted on physical training for the female no less than for the male sex: moreover, he instituted races and trials of strength for women competitors as for men, believing that if both parents are strong they produce more vigorous offspring. [5]

He noticed, too, that, during the time immediately succeeding

marriage, it was usual elsewhere for the husband to have unlimited intercourse with his wife. The rule that he adopted was the opposite of this: for he laid it down that the husband should be ashamed to be seen entering his wife's room or leaving it. With this restriction on intercourse the desire of the one for the other must necessarily be increased, and their offspring was bound to be more vigorous than if they were surfeited with one another. [6] In addition to this, he withdrew from men the right to take a wife whenever they chose, and insisted on their marrying in the prime of their manhood, believing that this too promoted the production of fine children. [7] It might happen, however, that an old man had a young wife; and he observed that old men keep a very jealous watch over their young wives. To meet these cases he instituted an entirely different system by requiring the elderly husband to introduce into his house some man whose physical and moral qualities he admired, in order to beget children. [8] On the other hand, in case a man did not want to cohabit with his wife and nevertheless desired children of whom he could be proud, he made it lawful for him to choose a woman who was the mother of a fine family and of high birth, and if he obtained her husband's consent, to make her the mother of his children. [9]

He gave his sanction to many similar arrangements. For the wives want to take charge of two households, and the husbands want to get brothers for their sons, brothers who are members of the family and share in its influence, but claim no part of the money. [10]

Thus his regulations with regard to the begetting of children were in sharp contrast with those of other states. Whether he succeeded in populating Sparta with a race of men remarkable for their size and strength anyone who chooses may judge for himself.

2. Having dealt with the subject of birth, I wish next to explain the educational system of Lycurgus, and how it differs from other systems.

In the other Greek states parents who profess to give their sons the best education place their boys under the care and control of a moral tutor as soon as they can understand what is said to them, and send them to a school to learn letters, music and the exercises of the wrestling-ground. Moreover, they soften the children's feet by giving them sandals, and pamper their bodies with changes of clothing; and

it is customary to allow them as much food as they can eat. [2]

Lycurgus, on the contrary, instead of leaving each father to appoint a slave to act as tutor, gave the duty of controlling the boys to a member of the class from which the highest offices are filled, in fact to the “Warden” as he is called. He gave this person authority to gather the boys together, to take charge of them and to punish them severely in case of misconduct. He also assigned to him a staff of youths provided with whips to chastise them when necessary; and the result is that modesty and obedience are inseparable companions at Sparta. [3] Instead of softening the boys’ feet with sandals he required them to harden their feet by going without shoes. He believed that if this habit were cultivated it would enable them to climb hills more easily and descend steep inclines with less danger, and that a youth who had accustomed himself to go barefoot would leap and jump and run more nimbly than a boy in sandals. [4] And instead of letting them be pampered in the matter of clothing, he introduced the custom of wearing one garment throughout the year, believing that they would thus be better prepared to face changes of heat and cold. [5] As to the food, he required the prefect to bring with him such a moderate amount of it that the boys would never suffer from repletion, and would know what it was to go with their hunger unsatisfied; for he believed that those who underwent this training would be better able to continue working on an empty stomach, if necessary, and would be capable of carrying on longer without extra food, if the word of command were given to do so: they would want fewer delicacies and would accommodate themselves more readily to anything put before them, and at the same time would enjoy better health. [6] He also thought that a diet which made their bodies slim would do more to increase their height than one that consisted of flesh-forming food.

On the other hand, lest they should feel too much the pinch of hunger, while not giving them the opportunity of taking what they wanted without trouble he allowed them to alleviate their hunger by stealing something. [7] It was not on account of a difficulty in providing for them that he encouraged them to get their food by their own cunning. No one, I suppose, can fail to see that. Obviously a man who intends to take to thieving must spend sleepless nights and play the deceiver and lie in ambush by day, and moreover, if he

means to make a capture, he must have spies ready. There can be no doubt then, that all this education was planned by him in order to make the boys more resourceful in getting supplies, and better fighting men.

Someone may ask: [8] But why, if he believed stealing to be a fine thing, did he have the boy who was caught beaten with many stripes? I reply: Because in all cases men punish a learner for not carrying out properly whatever he is taught to do. So the Spartans chastise those who get caught for stealing badly. [9] He made it a point of honour to steal as many cheeses as possible [from the altar of Artemis Orthia], but appointed others to scourge the thieves, meaning to show thereby that by enduring pain for a short time one may win lasting fame and felicity. It is shown herein that where there is need of swiftness, the slothful, as usual, gets little profit and many troubles. [10]

In order that the boys might never lack a ruler even when the Warden was away, he gave authority to any citizen who chanced to be present to require them to do anything that he thought right, and to punish them for any misconduct. This had the effect of making the boys more respectful; in fact boys and men alike respect their rulers above everything. [11] And that a ruler might not be lacking to the boys even when no grown man happened to be present, he selected the keenest of the prefects, and gave to each the command of a division. And so at Sparta the boys are never without a ruler. [12]

I think I ought to say something also about intimacy with boys, since this matter also has a bearing on education. In other Greek states, for instance among the Boeotians, man and boy live together, like married people; elsewhere, among the Eleians, for example, consent is won by means of favours. Some, on the other hand, entirely forbid suitors to talk with boys. [13]

The customs instituted by Lycurgus were opposed to all of these. If someone, being himself an honest man, admired a boy's soul and tried to make of him an ideal friend without reproach and to associate with him, he approved, and believed in the excellence of this kind of training. But if it was clear that the attraction lay in the boy's outward beauty, he banned the connexion as an abomination; and thus he caused lovers to abstain from boys no less than parents abstain from sexual intercourse with their children and brothers and

sisters with each other. [14]

I am not surprised, however, that people refuse to believe this. For in many states the laws are not opposed to the indulgence of these appetites.

I have now dealt with the Spartan system of education, and that of the other Greek states. Which system turns out men more obedient, more respectful, and more strictly temperate, anyone who chooses may once more judge for himself.

3. When a boy ceases to be a child, and begins to be a lad, others release him from his moral tutor and his schoolmaster: he is then no longer under a ruler and is allowed to go his own way. Here again Lycurgus introduced a wholly different system. [2] For he observed that at this time of life self-will makes strong root in a boy's mind, a tendency to insolence manifests itself, and a keen appetite for pleasure in different forms takes possession of him. At this stage, therefore, he imposed on him a ceaseless round of work, and contrived a constant round of occupation. [3] The penalty for shirking the duties was exclusion from all future honours. He thus caused not only the public authorities, but their relations also to take pains that the lads did not incur the contempt of their fellow citizens by flinching from their tasks. [4]

Moreover, wishing modesty to be firmly rooted in them, he required them to keep their hands under their cloaks, to walk in silence, not to look about them, but to fix their eyes on the ground. The effect of this rule has been to prove that even in the matter of decorum the male is stronger than the female sex. [5] At any rate you would expect a stone image to utter a sound sooner than those lads; you would sooner attract the attention of a bronze figure; you might think them more modest even than a young bride in the bridal chamber. When they have taken their place at a public meal, you must be content if you can get an answer to a question.

Such was the care that he bestowed on the growing lads.

4. For those who had reached the prime of life he showed by far the deepest solicitude. For he believed that if these were of the right stamp they must exercise a powerful influence for good on the state. [2] He saw that where the spirit of rivalry is strongest among the people, there the choruses are most worth hearing and the athletic

contests afford the finest spectacle. He believed, therefore, that if he could match the young men together in a strife of valour, they too would reach a high level of manly excellence. I will proceed to explain, therefore, how he instituted matches between the young men. [3]

The Ephors, then, pick out three of the very best among them. These three are called Commanders of the Guard. Each of them enrolls a hundred others, stating his reasons for preferring one and rejecting another. [4] The result is that those who fail to win the honour are at war both with those who sent them away and with their successful rivals; and they are on the watch for any lapse from the code of honour. [5]

Here then you find that kind of strife that is dearest to the gods, and in the highest sense political — the strife that sets the standard of a brave man's conduct; and in which either party exerts itself to the end that it may never fall below its best, and that, when the time comes, every member of it may support the state with all his might. [6] And they are bound, too, to keep themselves fit, for one effect of the strife is that they spar whenever they meet; but anyone present has a right to part the combatants. If anyone refuses to obey the mediator the Warden takes him to the Ephors; and they fine him heavily, in order to make him realize that he must never yield to a sudden impulse to disobey the laws. [7]

To come to those who have passed the time of youth, and are now eligible to hold the great offices of state. While absolving these from the duty of bestowing further attention on their bodily strength, the other Greeks require them to continue serving in the army. But Lycurgus established the principle that for citizens of that age, hunting was the noblest occupation, except when some public duty prevented, in order that they might be able to stand the fatigues of soldiering as well as the younger men.

5. I have given a fairly complete account of the institutions of Lycurgus so far as they apply to the successive stages of life. I will now try to describe the system that he established for all alike. [2]

Lycurgus found the Spartans boarding at home like the other Greeks, and came to the conclusion that the custom was responsible for a great deal of misconduct. He therefore established the public

messes outside in the open, thinking that this would reduce disregard of orders to a minimum. [3] The amount of food he allowed was just enough to prevent them from getting either too much or too little to eat. But many extras are supplied from the spoils of the chase; and for these rich men sometimes substitute wheaten bread. Consequently the board is never bare until the company breaks up, and never extravagantly furnished. [4] Another of his reforms was the abolition of compulsory drinking, which is the undoing alike of body of mind. But he allowed everyone to drink when he was thirsty, believing that drink is then most harmless and most welcome.

Now what opportunity did these public messes give a man to ruin himself or his estate by gluttony or wine-bibbing? [5] Note that in other states the company usually consists of men of the same age, where modesty is apt to be conspicuous by its absence from the board. But Lycurgus introduced mixed companies at Sparta, so that the experience of the elders might contribute largely to the education of the juniors. [6] In point of fact, by the custom of the country the conversation at the public meals turns on the great deeds wrought in the state, and so there is little room for insolence or drunken uproar, for unseemly conduct or indecent talk. [7] And the system of feeding in the open has other good results. They must needs walk home after the meal, and, of course, must take good care not to stumble under the influence of drink (for they know that they will not stay on at the table); and they must do in the dark what they do in the day. Indeed, those who are still in the army are not even allowed a torch to guide them. [8]

Lycurgus had also observed the effects of the same rations on the hard worker and the idler; that the former has a fresh colour, firm flesh and plenty of vigour, while the latter looks puffy, ugly and weak. He saw the importance of this; and reflecting that even a man who works hard of his own will because it is his duty to do so, looks in pretty good condition, he required the senior for the time being in every gymnasium to take care that the tasks set should be not too small for the rations allowed. [9] And I think that in this matter too he succeeded. So it would not be easy to find healthier or handier men than the Spartans. For their exercises train the legs, arms and neck equally.

6. In the following respects, again, his institutions differ from the ordinary type. In most states every man has control of his own children, servants and goods. Lycurgus wanted to secure that the citizens should get some advantage from one another without doing any harm. He therefore gave every father authority over other men's children as well as over his own. [2] When a man knows that fathers have this power, he is bound to rule the children over whom he exercises authority as he would wish his own to be ruled. If a boy tells his own father when he has been whipped by another father, it is a disgrace if the parent does not give his son another whipping. So completely do they trust one another not to give any improper orders to the children. [3]

He also gave the power of using other men's servants in case of necessity; and made sporting dogs common property to this extent, that any who want them invite their master, and if he is engaged himself he is glad to send the hounds. A similar plan of borrowing is applied to horses also; thus a man who falls ill or wants a carriage or wishes to get to some place quickly, if he sees a horse anywhere, takes and uses it carefully and duly restores it. [4]

There is yet another among the customs instituted by him which is not found in other communities. It was intended to meet the needs of parties belated in the hunting-field with nothing ready to eat. He made a rule that those who had plenty should leave behind the prepared food, and that those who needed food should break the seals, take as much as they wanted, seal up the rest and leave it behind. [5] The result of this method of going shares with one another is that even those who have but little receive a share of all that the country yields whenever they want anything.

7. Nor does this exhaust the list of the customs established by Lycurgus at Sparta that are contrary to those of the other Greeks. In other states, I suppose, all men make as much money as they can. One is a farmer, another a ship-owner, another a merchant, and others live by different handicrafts. [2] But at Sparta Lycurgus forbade freeborn citizens to have anything to do with business affairs. He insisted on their regarding as their own concern only those activities that make for civic freedom. [3] Indeed, how should wealth be a serious object there, when he insisted on equal contributions to the

food supply and on the same standard of living for all, and thus cut off the attraction of money for indulgence' sake? Why, there is not even any need of money to spend on cloaks: for their adornment is due not to the price of their clothes, but to the excellent condition of their bodies. [4] Nor yet is there any reason for amassing money in order to spend it on one's messmates; for he made it more respectable to help one's fellows by toiling with the body than by spending money, pointing out that toil is an employment of the soul, spending an employment of wealth. [5]

By other enactments he rendered it impossible to make money in unfair ways. In the first place the system of coinage that he established was of such a kind that even a sum of ten minae could not be brought into a house without the master and the servants being aware of it: the money would fill a large space and need a wagon to draw it. [6] Moreover, there is a right of search for gold and silver, and, in the event of discovery, the possessor is fined. Why, then, should money-making be a preoccupation in a state where the pains of its possession are more than the pleasures of its enjoyment?

8. To continue: we all know that obedience to the magistrates and the laws is found in the highest degree in Sparta. For my part, however, I think that Lycurgus did not so much as attempt to introduce this habit of discipline until he had secured agreement among the most important men in the state. [2] I base my inference on the following facts. In other states the most powerful citizens do not even wish it to be thought that they fear the magistrates: they believe such fear to be a badge of slavery. But at Sparta the most important men show the utmost deference to the magistrates: they pride themselves on their humility, on running instead of walking to answer any call, in the belief that, if they lead, the rest will follow along the path of eager obedience. And so it has proved. [3]

It is probable also that these same citizens helped to set up the office of Ephor, having come to the conclusion that obedience is a very great blessing whether in a state or an army or a household. For they thought that the greater the power of these magistrates the more they would impress the minds of the citizens. [4] Accordingly, the Ephors are competent to fine whom they choose, and have authority to enact immediate payment: they have authority also to deprive the

magistrates of office, and even to imprison and prefer a capital charge against them. Possessing such wide power they do not, like other states, leave persons elected to office to rule as they like throughout the year, but in common with despots and the presidents of the games, they no sooner see anyone breaking the law than they punish the offender. [5]

Among many excellent plans contrived by Lycurgus for encouraging willing obedience to the laws among the citizens, I think one of the most excellent was this: before delivering his laws to the people he paid a visit to Delphi, accompanied by the most important citizens, and inquired of the god whether it was desirable and better for Sparta that she should obey the laws that he himself had framed. Only when the god answered that it was better in every way did he deliver them, after enacting that to refuse obedience to laws given by the Pythian god was not only unlawful, but wicked.

9. The following achievement of Lycurgus, again, deserves admiration. He caused his people to choose an honourable death in preference to a disgraceful life. And, in fact, one would find on consideration that they actually lose a smaller proportion of their men than those who prefer to retire from the danger zone. [2] To tell the truth, escape from premature death more generally goes with valour than with cowardice: for valour is actually easier and pleasanter and more resourceful and mightier. And obviously glory adheres to the side of valour, for all men want to ally themselves somehow with the brave. [3]

However, it is proper not to pass over the means by which he contrived to bring about this result. Clearly, what he did was to ensure that the brave should have happiness, and the coward misery. [4] For in other states when a man proves a coward, the only consequence is that he is called a coward. He goes to the same market as the brave man, sits beside him, attends the same gymnasium, if he chooses. But in Lacedaemon everyone would be ashamed to have a coward with him at the mess or to be matched with him in a wrestling bout. [5] Often when sides are picked for a game of ball he is the odd man left out: in the chorus he is banished to the ignominious place; in the streets he is bound to make way; when he occupies a seat he must needs give it up, even to a junior; he

must support his spinster relatives at home and must explain to them why they are old maids: he must make the best of a fireside without a wife, and yet pay forfeit for that: he may not stroll about with a cheerful countenance, nor behave as though he were a man of unsullied fame, or else he must submit to be beaten by his betters. [6] Small wonder, I think, that where such a load of dishonour is laid on the coward, death seems preferable to a life so dishonoured, so ignominious.

10. The law by which Lycurgus encouraged the practice of virtue up to old age is another excellent measure in my opinion. By requiring men to face the ordeal of election to the Council of Elders near the end of life, he prevented neglect of high principles even in old age. [2] Worthy of admiration also is the protection that he afforded to the old age of good men. For the enactment by which he made the Elders judges in trials on the capital charge caused old age to be held in greater honour than the full vigour of manhood. [3] And surely it is natural that of all contests in the world this should excite the greatest zeal. For noble as are the contests in the Games, they are merely tests of bodily powers. But the contest for the Council judges souls whether they be good. As much then, as the soul surpasses the body, so much more worthy are the contests of the soul to kindle zeal than those of the body. [4]

Again, the following surely entitles the work of Lycurgus to high admiration. He observed that where the cult of virtue is left to voluntary effort, the virtuous are not strong enough to increase the fame of their fatherland. So he compelled all men at Sparta to practise all the virtues in public life. And therefore, just as private individuals differ from one another in virtue according as they practise or neglect it, so Sparta, as a matter of course, surpasses all other states in virtue, because she alone makes a public duty of gentlemanly conduct. [5] For was not this too a noble rule of his, that whereas other states punish only for wrong done to one's neighbour, he inflicted penalties no less severe on any who openly neglected to live as good a life as possible? [6] For he believed, it seems, that enslavement, fraud, robbery, are crimes that injure only the victims of them; but the wicked man and the coward are traitors to the whole body politic. And so he had good reason, I think, for visiting their

offences with the heaviest penalties. [7]

And he laid on the people the duty of practising the whole virtue of a citizen as a necessity irresistible. For to all who satisfied the requirements of his code he gave equal rights of citizenship, without regard to bodily infirmity or want of money. But the coward who shrank from the task of observing the rules of his code he caused to be no more reckoned among the peers. [8]

Now that these laws are of high antiquity there can be no doubt: for Lycurgus is said to have lived in the days of the Heracleidae. Nevertheless, in spite of their antiquity, they are wholly strange to others even at this day. Indeed, it is most astonishing that all men praise such institutions, but no state chooses to imitate them.

11. The blessings that I have enumerated so far were shared by all alike in peace and in war. But if anyone wishes to discover in what respect Lycurgus' organisation of the army on active service was better than other systems, here is the information that he seeks. [2]

The Ephors issue a proclamation stating the age-limit fixed for the levy, first for the cavalry and infantry, and then for the handicraftsmen. Thus the Lacedaemonians are well supplied in the field with all things that are found useful in civil life. All the implements that an army may require in common are ordered to be assembled, some in carts, some on baggage animals; thus anything missing is not at all likely to be overlooked. [3]

In the equipment that he devised for the troops in battle he included a red cloak, because he believed this garment to have least resemblance to women's clothing and to be most suitable for war, and a brass shield, because it is very soon polished and tarnishes very slowly. He also permitted men who were past their first youth to wear long hair, believing that it would make them look taller, more dignified and more terrifying. [4]

The men so equipped were divided into six regiments of cavalry and infantry. The officers of each citizen regiment comprise one colonel, four captains, eight first lieutenants and sixteen second lieutenants. These regiments at the word of command form sections sometimes (two), sometimes three, and sometimes six abreast. [5]

The prevalent opinion that the Laconian infantry formation is very complicated is the very reverse of the truth. In the Laconian

formation the front rank men are all officers, and each file has all that it requires to make it efficient. [6] The formation is so easy to understand that no one who knows man from man can possibly go wrong. For some have the privilege of leading; and the rest are under orders to follow. Orders to wheel from column into line of battle are given verbally by the second lieutenant acting as a herald, and the line is formed either thin or deep, by wheeling. Nothing whatever in these movements is difficult to understand. [7] To be sure, the secret of carrying on in a battle with any troops at hand when the line gets into confusion is not so easy to grasp, except for soldiers trained under the laws of Lycurgus. [8]

The Lacedaemonians also carry out with perfect ease manoeuvres that instructors in tactics think very difficult. Thus, when they march in column, every section of course follows in the rear of the section in front of it. Suppose that at such a time an enemy in order of battle suddenly makes his appearance in front: the word is passed to the second lieutenant to deploy into line to the left, and so throughout the column until the battle-line stands facing the enemy. Or again, if the enemy appears in the rear while they are in this formation, each file counter-marches, in order that the best men may always be face to face with the enemy. [9] True, the leader is then on the left, but instead of thinking this a disadvantage, they regard it as a positive advantage at times. For should the enemy attempt a flanking movement he would try to encircle them, not on the exposed but on the protected side. If, however, it seems better for any reason that the leader should be on the right wing, the left wing wheels, and the army counter-marches by ranks until the leader is on the right, and the rear of the column on the left. [10] If, on the other hand, an enemy force appears on the right when they are marching in column, all that they have to do is to order each company to wheel to the right so as to front the enemy like a man-of-war, and thus again the company at the rear of the column is on the right. If again an enemy approaches on the left, they do not allow that either, but either push him back or wheel their companies to the left to face him, and thus the rear of the column finds itself on the left.

12. I will now explain the method of encampment approved by Lycurgus.

Seeing that the angles of a square are useless, he introduced the circular form of camp, except where there was a secure hill or wall, or a river afforded protection in the rear. [2] He caused sentries to be posted by day facing inwards along the place where the arms were kept, for the object of these is to keep an eye not on the enemy but on their friends. The enemy is watched by cavalry from positions that command the widest outlook. [3] To meet the case of a hostile approach at night, he assigned the duty of acting as sentries outside the lines to the Sciritae. In these days the duty is shared by foreigners, if any happen to be present in the camp. [4] The rule that patrols invariably carry their spears, has the same purpose, undoubtedly, as the exclusion of slaves from the place of arms. Nor is it surprising that sentries who withdraw for necessary purposes only go so far away from one another and from the arms as not to cause inconvenience. Safety is the first object of this rule also. [5]

The camp is frequently shifted with the double object of annoying their enemies and of helping their friends.

Moreover the law requires all Lacedaemonians to practise gymnastics regularly throughout the campaign; and the result is that they take more pride in themselves and have a more dignified appearance than other men. Neither walk nor race-course may exceed in length the space covered by the regiment, so that no one may get far away from his own arms. [6] After the exercises the senior colonel gives the order by herald to sit down — this is their method of inspection — and next to take breakfast and to relieve the outposts quickly. After this there are amusements and recreations until the evening exercises. [7] These being finished, the herald gives the order to take the evening meal, and, as soon as they have sung to the praise of the gods to whom they have sacrificed with good omens, to rest by the arms.

Let not the length to which I run occasion surprise, for it is almost impossible to find any detail in military matters requiring attention that is overlooked by the Lacedaemonians.

13. I will also give an account of the power and honour that Lycurgus conferred on the King in the field. In the first place, while on military service the King and his staff are maintained by the state. The colonels mess with the King, in order that constant intercourse

may give better opportunities for taking counsel together in case of need. Three of the peers also attend the King's mess. These three take entire charge of the commissariat for the King and his staff, so that these may devote all their time to affairs of war. [2]

But I will go back to the beginning, and explain how the King sets out with an army. First he offers up sacrifice at home to Zeus the Leader and to the gods associated with him. If the sacrifice appears propitious, the Fire-bearer takes fire from the altar and leads the way to the borders of the land. There the King offers sacrifice again to Zeus and Athena. [3] Only when the sacrifice proves acceptable to both these deities does he cross the borders of the land. And the fire from these sacrifices leads the way and is never quenched, and animals for sacrifice of every sort follow. At all times when he offers sacrifice, the King begins the work before dawn of day, wishing to forestall the goodwill of the god. [4] And at the sacrifice are assembled colonels, captains, lieutenants, commandants of foreign contingents, commanders of the baggage train, and, in addition, any general from the states who chooses to be present. [5] There are also present two of the Ephors, who interfere in nothing except by the King's request, but keep an eye on the proceedings, and see that all behave with a decorum suitable to the occasion. When the sacrifices are ended, the King summons all and delivers the orders of the day. And so, could you watch the scene, you would think all other men mere improvisors in soldiering and the Lacedaemonians the only artists in warfare. [6]

When the King leads, provided that no enemy appears, no one precedes him except the Sciritae and the mounted vedettes. But if ever they think there will be fighting, he takes the lead of the first regiment and wheels to the right, until he is between two regiments and two colonels. [7] The troops that are to support these are marshalled by the senior member of the King's staff. The staff consists of all peers who are members of the royal mess, seers, doctors, fluteplayers, commanding officers and any volunteers who happen to be present. Thus nothing that has to be done causes any difficulty, for everything is duly provided for. [8]

The following arrangements made by Lycurgus with a view to the actual fighting are also, in my opinion, very useful. When a goat is

sacrificed, the enemy being near enough to see, custom ordains that all the fluteplayers present are to play and every Lacedaemonian is to wear a wreath. An order is also given to polish arms. It is also the privilege of the young warrior to comb his hair(?) before entering battle, to look cheerful and earn a good report. [9] Moreover, the men shout words of encouragement to the subaltern, for it is impossible for each subaltern to make his voice travel along the whole of his section to the far end. The colonel is responsible for seeing that all is done properly. [10]

When the time for encamping seems to have arrived, the decision rests with the King, who also indicates the proper place. On the other hand the dispatch of embassies whether to friends or enemies is not the King's affair. All who have any business to transact deal in the first instance with the King. [11] Suitors for justice are remitted by the King to the Court of Hellanodicae, applications for money to the treasurers; and if anyone brings booty, he is sent to the auctioneers. With this routine the only duties left to the King on active service are to act as priest in matters of religion and as general in his dealings with the men.

14. Should anyone ask me whether I think that the laws of Lycurgus still remain unchanged at this day, I certainly could not say that with any confidence whatever. [2] For I know that formerly the Lacedaemonians preferred to live together at home with moderate fortunes rather than expose themselves to the corrupting influences of flattery as governors of dependent states. [3] And I know too that in former days they were afraid to be found in possession of gold; whereas nowadays there are some who even boast of their possessions. [4] There were alien acts in former days, and to live abroad was illegal; and I have no doubt that the purpose of these regulations was to keep the citizens from being demoralized by contact with foreigners; and now I have no doubt that the fixed ambition of those who are thought to be first among them is to live to their dying day as governors in a foreign land. [5] There was a time when they would fain be worthy of leadership; but now they strive far more earnestly to exercise rule than to be worthy of it. [6] Therefore in times past the Greeks would come to Lacedaemon and beg her to lead them against reputed wrongdoers; but now many are

calling on one another to prevent a revival of Lacedaemonian supremacy. [7] Yet we need not wonder if these reproaches are levelled at them, since it is manifest that they obey neither their god nor the laws of Lycurgus.

15. I wish also to give an account of the compact made by Lycurgus between King and state. For this is the only government that continues exactly as it was originally established, whereas other constitutions will be found to have undergone and still to be undergoing modifications. [2]

He ordained that the King shall offer all the public sacrifices on behalf of the state, in virtue of his divine descent, and that, whatever may be the destination to which the state sends out an army, he shall be its leader. [3] He also gave him the right to receive certain parts of the beasts sacrificed, and assigned to him enough choice land in many of the outlanders' cities to ensure him a reasonable competence without excessive riches. [4] In order that even the kings should mess in public, he assigned to them a public mess tent; he also honoured them with a double portion at the meal, not that they might eat enough for two, but that they might have the wherewithal to honour anyone whom they chose. [5] He also allowed each King to choose two messmates, who are called Pythii. Further, he granted them to take of every litter of pigs a porker, that a King may never want victims, in case he wishes to seek counsel of the gods. [6]

A lake near the house supplies abundance of water; and how useful that is for many purposes none know so well as those who are without it. Further, all rise from their seats when the King appears; only the Ephors do not rise from their official chairs. [7] And they exchange oaths monthly, the Ephors on behalf of the state, the King for himself. And this is the King's oath: "I will reign according to the established laws of the state." And this the oath of the state: "While you abide by your oath, we will keep the kingship unshaken." [8]

These then are the honours that are bestowed on the King at home during his lifetime; and they do not greatly exceed those of private persons. For it was not the wish of Lycurgus to put into the King's hearts despotic pride, nor to implant in the mind of the citizens envy of their power. [9] As for the honours assigned to the King at his death, the intention of the laws of Lycurgus herein is to show that

they have preferred the Kings of the Lacedaemonians in honour not as mere men, but as demigods.

CONSTITUTION OF THE ATHENIANS

Translated by E. C. Marchant

Traditionally, this short treatise was ascribed to Xenophon, but many historians now agree it was most likely written by another hand, when Xenophon was a child. It is a hostile treatise about the Athenian Constitution, in which the author appears to be an Athenian and regards his city's democracy as undesirable, as it gives the mob an undue voice in the state. The author complains that the rich and the aristocracy of Athens, who should be best qualified to run the state due to their wealth and education, instead act in their own interests, leading to the suppression of the lower classes.

CONSTITUTION OF THE ATHENIANS

And as for the fact that the Athenians have chosen the kind of constitution that they have, I do not think well of their doing this inasmuch as in making their choice they have chosen to let the worst people be better off than the good. Therefore, on this account I do not think well of their constitution. But since they have decided to have it so, I intend to point out how well they preserve their constitution and accomplish those other things for which the rest of the Greeks criticize them. [2]

First I want to say this: there the poor and the people generally are right to have more than the highborn and wealthy for the reason that it is the people who man the ships and impart strength to the city; the steersmen, the boatswains, the sub-boatswains, the look-out officers, and the shipwrights — these are the ones who impart strength to the city far more than the hoplites, the high-born, and the good men. This being the case, it seems right for everyone to have a share in the magistracies, both allotted and elective, for anyone to be able to speak his mind if he wants to. [3] Then there are those magistracies which bring safety or danger to the people as a whole depending on whether or not they are well managed: of these the people claim no share (they do not think they should have an allotted share in the generalships or cavalry commands). For these people realize that there is more to be gained from their not holding these magistracies but leaving them instead in the hands of the most influential men. However, such magistracies as are salaried and domestically profitable the people are keen to hold. [4]

Then there is a point which some find extraordinary, that they everywhere assign more to the worst persons, to the poor, and to the popular types than to the good men: in this very point they will be found manifestly preserving their democracy. For the poor, the popular, and the base, inasmuch as they are well off and the likes of them are numerous, will increase the democracy; but if the wealthy, good men are well off, the men of the people create a strong opposition to themselves. [5] And everywhere on earth the best element is opposed to democracy. For among the best people there is

minimal wantonness and injustice but a maximum of scrupulous care for what is good, whereas among the people there is a maximum of ignorance, disorder, and wickedness; for poverty draws them rather to disgraceful actions, and because of a lack of money some men are uneducated and ignorant. [6]

Someone might say that they ought not to let everyone speak on equal terms and serve on the council, but rather just the cleverest and finest. Yet their policy is also excellent in this very point of allowing even the worst people to speak. For if the good men were to speak and make policy, it would be splendid for the likes of themselves but not so for the men of the people. But, as things are, any wretch who wants to can stand up and obtain what is good for him and the likes of himself. [7] Someone might say, "What good would such a man propose for himself and the people?" But they know that this man's ignorance, baseness, and favour are more profitable than the good man's virtue, wisdom, and ill will. [8] A city would not be the best on the basis of such a way of life, but the democracy would be best preserved that way. For the people do not want a good government under which they themselves are slaves; they want to be free and to rule. Bad government is of little concern to them. What you consider bad government is the very source of the people's strength and freedom. [9] If it is good government you seek, you will first observe the cleverest men establishing the laws in their own interest. Then the good men will punish the bad; they will make policy for the city and not allow madmen to participate or to speak their minds or to meet in assembly. As a result of these excellent measures the people would swiftly fall into slavery. [10]

Now among the slaves and metics at Athens there is the greatest uncontrolled wantonness; you can't hit them there, and a slave will not stand aside for you. I shall point out why this is their native practice: if it were customary for a slave (or metic or freedman) to be struck by one who is free, you would often hit an Athenian citizen by mistake on the assumption that he was a slave. For the people there are no better dressed than the slaves and metics, nor are they any more handsome. [11] If anyone is also startled by the fact that they let the slaves live luxuriously there and some of them sumptuously, it would be clear that even this they do for a reason. For where there is

a naval power, it is necessary from financial considerations to be slaves to the slaves in order to take a portion of their earnings, and it is then necessary to let them go free. And where there are rich slaves, it is no longer profitable in such a place for my slave to fear you. In Sparta my slave would fear you; but if your slave fears me, there will be the chance that he will give over his money so as not to have to worry anymore. [12] For this reason we have set up equality between slaves and free men, and between metics and citizens. The city needs metics in view of the many different trades and the fleet. Accordingly, then, we have reasonably set up a similar equality also for the metics. [13]

The people have spoiled the athletic and musical activities at Athens because they thought them unfitting (they know they can't do them). In the training of dramatic choruses and in providing for athletic contests and the fitting out of triremes, they know that it is the wealthy who lead the choruses but the people who are led in them, and it is the wealthy who provide for athletic contests, but the people who are presided over in the triremes and in the games. At least the people think themselves worthy of taking money for singing, running, dancing, and sailing in ships, so that they become wealthy and the wealthy poorer. And in the courts they are not so much concerned with justice as with their own advantage. [14]

In regard to the allies: the Athenians sail out and lay information, as they are said to do; they hate the aristocrats inasmuch as they realize that the ruler is necessarily hated by the ruled and that if the rich and aristocratic men in the cities are strong, the rule of the people at Athens will last for a very short time. This is why they disfranchise the aristocrats, take away their money, expel and kill them, whereas they promote the interests of the lower class. The Athenian aristocrats protect their opposite numbers in the allied cities, since they realize that it will be to their advantage always to protect the finer people in the cities. [15] Someone might say that the Athenians' strength consists in the allies' ability to pay tribute-money; but the rabble thinks it more advantageous for each one of the Athenians to possess the resources of the allies and for the allies themselves to possess only enough for survival and to work without being able to plot defection. [16]

Also in another point the Athenian people are thought to act ill-advisedly: they force the allies to sail to Athens for judicial proceedings. But they reason in reply that the Athenian people benefit from this. First, from the deposits at law they receive their dicastic pay through the year. Then, sitting at home without going out in ships, they manage the affairs of the allied cities; in the courts they protect the democrats and ruin their opponents. If the allies were each to hold trials locally, they would, in view of their annoyance with the Athenians, ruin those of their citizens who were the leading friends of the Athenian people. [17] In addition, the people at Athens profit in the following ways when trials involving allies are held in Athens: first, the one per-cent tax in the Peiraeus brings in more for the city; secondly, if anyone has lodgings to rent, he does better, and so does anyone who lets out on hire a team of animals or a slave; further, the heralds of the assembly do better when the allies are in town. [18] In addition, were the allies not to go away for judicial proceedings, they would honour only those of the Athenians who sail out from the city, namely generals, trierarchs, and ambassadors. As it is now, each one of the allies is compelled to flatter the Athenian populace from the realization that judicial action for anyone who comes to Athens is in the hands of none other than the populace (this indeed is the law at Athens); in the courts he is obliged to entreat whoever comes in and to grasp him by the hand. In this way the allies have become instead the slaves of the Athenian people. [19]

Furthermore, as a result of their possessions abroad and the tenure of magistracies which take them abroad, both they and their associates have imperceptibly learned to row; for of necessity a man who is often at sea takes up an oar, as does his slave, and they learn naval terminology. [20] Both through experience of voyages and through practice they become fine steersmen. Some are trained by service as steersmen on an ordinary vessel, others on a freighter, others — after such experience — on triremes. Many are able to row as soon as they board their ships, since they have been practising beforehand throughout their whole lives.

But the Athenian infantry, which has the reputation of being very weak, has been deliberately so constituted: they consider that they are weaker and fewer than their enemies, but they are stronger, even

on land than such of their allies as pay the tribute, and they think their infantry sufficient if they are more powerful than their allies. [2]

Besides, there is the following accidental circumstance which applies to them: subject peoples on land can combine small cities and fight collectively, but subject peoples at sea, by virtue of being islanders, cannot join their cities together into the same unit. For the sea is in the way, and those now in power are thalassocrats. If it is possible for islanders to combine unnoticed on a single island, they will die of starvation. [3] Of the Athenians' subject cities on the mainland, some which are large are ruled because of fear, and some small are ruled because of actual need; for there is no city which does not have to import or export, and these activities will be impossible for a city unless it is subject to the rulers of the sea. [4]

Moreover, the rulers of the sea can do just what rulers of the land sometimes can do, — ravage the territory of the stronger. For wherever there is no enemy (or wherever enemies are few), it is possible to put in along the coast and — if there is an attack, — to go on board one's ship and sail away; one who does this is less badly off than one who comes to help with infantry. [5] Further, the rulers of the sea can sail away from their own land to anywhere at all, whereas a land power can take a journey of only a few days from its own territory. Progress is slow, and going on foot one cannot carry provisions sufficient for a long time. One who goes on foot must pass through friendly country or else fight and win, whereas it is possible for the seafarer to go on shore wherever he has the stronger power...this land, but to sail along the coast until he comes to a friendly region or to those weaker than himself. [6] Further, the strongest land powers suffer badly from visitations of disease on the crops, but sea powers bear them easily. For the whole earth does not ail at the same time, so that from a prosperous land imports reach the rulers of the sea. [7]

If there should be mention also of slighter matters, first, by virtue of their naval power, the Athenians have mingled with various peoples and discovered types of luxury. Whatever the delicacy in Sicily, Italy, Cyprus, Egypt, Lydia, Pontus, the Peloponnese, or anywhere else, — all these have been brought together into one place by virtue of naval power. [8] Further, hearing every kind of dialect,

they have taken something from each; the Greeks rather tend to use their own dialect, way of life, and type of dress, but the Athenians use a mixture from all the Greeks and non-Greeks. [9] The Athenian populace realizes that it is impossible for each of the poor to offer sacrifices, to give lavish feasts, to set up shrines, and to manage a city which will be beautiful and great, and yet the populace has discovered how to have sacrifices, shrines, banquets, and temples. The city sacrifices at public expense many victims, but it is the people who enjoy the feasts and to whom the victims are allotted. [10] Some rich persons have private gymnasias, baths, and dressing-rooms, but the people have built for their own use many wrestling-quarters, dressing-rooms, and public baths. The rabble has more enjoyment of these things than the well-to-do members of the upper class. [11]

Wealth they alone of the Greeks and non-Greeks are capable of possessing. If some city is rich in ship-timber, where will it distribute it without the consent of the rulers of the sea? Again if some city is rich in iron, copper, or flax, where will it distribute without the consent of the rulers of the sea? However, it is from these very things that I have my ships: timber from one place, iron from another, copper from another, flax from another, wax from another. [12] In addition, they will forbid export to wherever any of our enemies are, on pain of being unable to use the sea. And I, without doing anything, have all this from the land because of the sea; yet no other city has even two of these things: the same city does not have timber and flax, but wherever there is flax in abundance, the land is smooth and timberless. There is not even copper and iron from the same city, not any two or three other things in a single city, but there is one product here and another there. [13]

Furthermore, every mainland has either a projecting headland or an offshore island or some strait, so that it is possible for a naval power to put in there and to injure those who dwell on the land. [14]

But there is one thing the Athenians lack. If they were thalassocrats living on an island, it would be possible for them to inflict harm, if they wished, but as long as they ruled the sea, to suffer none, — neither the ravaging of their land nor the taking on of enemies. As it is, of the Athenians the farmers and the wealthy curry favour with the enemy, whereas the people, knowing that nothing of

theirs will be burnt or cut down, live without fear and refuse to fawn upon the enemy. [15] Furthermore, if they lived on an island, they would have been relieved of another fear: the city would never be betrayed by oligarchs nor would the gates be thrown open nor enemies invade. (For how would these things happen to islanders?) Besides no one would rebel against the democracy, if they lived on an island; as it is, if there were civil strife, the rebels would place their hope in bringing in the enemy by land. If they lived on an island, even this would be of no concern to them. [16] However, since from the beginning they happen not to have lived on an island, they now do the following: they place their property on islands while trusting in the naval empire and they allow their land to be ravaged, for they realize that if they concern themselves with this, they will be deprived of other greater goods. [17]

Further, for oligarchic cities it is necessary to keep to alliances and oaths. If they do not abide by agreements or if injustice is done, there are the names of the few who made the agreement. But whatever agreements the populace makes can be repudiated by referring the blame to the one who spoke or took the vote, while the others declare that they were absent or did not approve of the agreement made in the full assembly. If it seems advisable for their decisions not to be effective, they invent myriad excuses for not doing what they do not want to do. And if there are any bad results from the people's plans, they charge that a few persons, working against them, ruined their plans; but if there is a good result, they take the credit for themselves. [18]

They do not permit the people to be ill spoken of in comedy, so that they may not have a bad reputation; but if anyone wants to attack private persons, they bid him do so, knowing perfectly well that the person so treated in comedy does not, for the most part, come from the populace and mass of people but is a person of either wealth, high birth, or influence. Some few poor and plebeian types are indeed abused in comedy but only if they have been meddling in others' affairs and trying to rise above their class, so that the people feel no vexation at seeing such persons abused in comedy. [19]

It is **my** opinion that the people at Athens know which citizens are

good and which bad, but that in spite of this knowledge they cultivate those who are complaisant and useful to themselves, even if bad; and they tend to hate the good. For they do not think that the good are naturally virtuous for the people's benefit, but for their hurt. On the other hand, some persons are not by nature democratic although they are truly on the people's side. [20] I pardon the people themselves for their democracy. One must forgive everyone for looking after his own interests. But whoever is not a man of the people and yet prefers to live in a democratic city rather than in an oligarchic one has readied himself to do wrong and has realized that it is easier for an evil man to escape notice in a democratic city than in an oligarchic.

As for the constitution of the Athenians I do not praise its form; but since they have decided to have a democracy, I think they have preserved the democracy well by the means which I have indicated.

I notice also that objections are raised against the Athenians because it is sometimes not possible for a person, though he sit about for a year, to negotiate with the council or the assembly. This happens at Athens for no other reason than that owing to the quantity of business they are not able to deal with all persons before sending them away. [2] For how could they do this? First of all they have to hold more festivals than any other Greek city (and when these are going on it is even less possible for any of the city's affairs to be transacted), next they have to preside over private and public trials and investigations into the conduct of magistrates to a degree beyond that of all other men, and the council has to consider many issues involving war, revenues, law-making, local problems as they occur, also many issues on behalf of the allies, receipt of tribute, the care of dockyards and shrines. Is there accordingly any cause for surprise if with so much business they are unable to negotiate with all persons? [3] But some say, "If you go to the council or assembly with money, you will transact your business." I should agree with these people that many things are accomplished at Athens for money and still more would be accomplished if still more gave money. This, however, I know well, that the city has not the wherewithal to deal with everyone who asks, not even if you give them any amount of gold and silver. [4] They have also to adjudicate cases when a man

does not repair his ship or builds something on public property, and in addition to settle disputes every year for chorus leaders at the Dionysia, Thargelia, Panathenaea, Promethia, and Hephaestia.

Four hundred trierarchs are appointed every year, and disputes have to be settled for any of these who wish. Moreover, magistrates have to be approved and their disputes settled, orphans approved and prisoners' guards appointed. And these things happen every year. [5] Now and again they have to deal with cases of desertion and other unexpected misdeeds, whether it be an irregular act of wantonness or an act of impiety.

There are still many items which I altogether pass over. The most important have been mentioned except for the assessments of tribute. These generally occur every four years. [6] Well then, ought one to think that all these cases should not be dealt with? Let someone say what should not be dealt with there. If, on the other hand, one must agree that it is all necessary, the adjudicating has to go on throughout the year, since not even now when they do adjudicate throughout the year can they stop all the wrongdoers because there are so many. [7] All right, yet someone will say that they ought to judge cases, but that fewer people should do the judging. Unless they have only a few courts, there will necessarily be few jurors in each court, so that it will be easier to adapt oneself to a few jurors and to bribe them, and easier to judge much less justly. [8] Further, one must consider that the Athenians have to hold festivals during which the courts are closed. They hold twice as many festivals as others do, but I am counting only those which have equivalents in the state holding the smallest number. Under such circumstances, therefore, I deny that it is possible for affairs at Athens to be otherwise than as they now are, except insofar as it is possible to take away a bit here and add a bit there; a substantial change is impossible without removing some part of the democracy. [9] It is possible to discover many ways to improve the constitution; however, it is not easy to discover a means whereby the democracy may continue to exist but sufficient at the same time to provide a better polity, except — as I have just said — by adding or subtracting a little. [10]

Also in the following point the Athenians seem to me to act ill-advisedly: in cities embroiled in civil strife they take the side of the

lower class. This they do deliberately; for if they preferred the upper class, they would prefer those who are contrary-minded to themselves. In no city is the superior element well disposed to the populace, but in each city it is the worst part which is well disposed to the populace. For like is well disposed to like. Accordingly the Athenians prefer those sympathetic to themselves. [11] Whenever they have undertaken to prefer the upper class, it has not turned out well for them; within a short time the people in Boeotia were enslaved; similarly when they preferred the Milesian upper class, within a short time that class had revolted and cut down the people; similarly when they preferred the Spartans to the Messenians, within a short time the Spartans had overthrown the Messenians and were making war on the Athenians. [12]

Someone might interject that no one has been unjustly disfranchised at Athens. I say that there are some who have been unjustly disfranchised but very few indeed. To attack the democracy at Athens not a few are required. [13] As this is so, there is no need to consider whether any persons have been justly disfranchised, only whether unjustly. Now how would anyone think that many people were unjustly disfranchised at Athens, where the people are the ones who hold the offices? It is from failing to be a just magistrate or failing to say or do what is right that people are disfranchised at Athens. In view of these considerations one must not think that there is any danger at Athens from the disfranchised.

[1.1.1] Δαρειίου καὶ Παρυσάτιδος γίνονται παῖδες δύο, πρεσβύτερος μὲν Ἀρταξέρξης, νεώτερος δὲ Κῦρος· ἐπεὶ δὲ ἡσθένει Δαρεῖος καὶ ὑπώπτει τελευτὴν τοῦ βίου, ἐβούλετο τῷ παῖδι ἀμφοτέρω παρεῖναι.

[1.1.2] ὁ μὲν οὖν πρεσβύτερος παρὼν ἐτύγχανε· Κῦρον δὲ μεταπέμπεται ἀπὸ τῆς ἀρχῆς ἧς αὐτὸν σατράπην ἐποίησε, καὶ στρατηγὸν δὲ αὐτὸν ἀπέδειξε πάντων ὅσοι ἐς Καστωλοῦ πεδῖον ἀθροίζονται. ἀναβαίνει οὖν ὁ Κῦρος λαβὼν Τισσαφέρνην ὡς φίλον, καὶ τῶν Ἑλλήνων ἔχων ὀπλίτας ἀνέβη τριακοσίους, ἄρχοντα δὲ αὐτῶν Ξενίαν Παρράσιον.

[1.1.3] ἐπεὶ δὲ ἐτελεύτησε Δαρεῖος καὶ κατέστη εἰς τὴν βασιλείαν Ἀρταξέρξης, Τισσαφέρνης διαβάλλει τὸν Κῦρον πρὸς τὸν ἀδελφὸν ὡς ἐπιβουλεύει αὐτῷ. ὁ δὲ πείθεται καὶ συλλαμβάνει Κῦρον ὡς ἀποκτενῶν· ἡ δὲ μήτηρ ἐξαιτησαμένη αὐτὸν ἀποπέμπει πάλιν ἐπὶ τὴν ἀρχήν.

[1.1.4] ὁ δ' ὡς ἀπῆλθε κινδυνεύσας καὶ ἀτιμασθεὶς, βουλεύεται ὅπως μήποτε ἔτι ἔσται ἐπὶ τῷ ἀδελφῷ, ἀλλά, ἣν δύνηται, βασιλεύσει ἀντ' ἐκείνου. Παρύσατις μὲν δὴ ἡ μήτηρ ὑπῆρχε τῷ Κύρῳ, φιλοῦσα αὐτὸν μᾶλλον ἢ τὸν βασιλεύοντα Ἀρταξέρξη.

[1.1.5] ὅστις δ' ἀφικνεῖτο τῶν παρὰ βασιλέως πρὸς αὐτὸν πάντας οὕτω διατιθεὶς ἀπεπέμπετο ὥστε αὐτῷ μᾶλλον φίλους εἶναι ἢ βασιλεῖ. καὶ τῶν παρ' ἐαυτῷ δὲ βαρβάρων ἐπεμελεῖτο ὡς πολεμεῖν τε ἱκανοὶ εἴησαν καὶ εὐνοϊκῶς ἔχοιεν αὐτῷ.

[1.1.6] τὴν δὲ Ἑλληνικὴν δύναμιν ἡθροίζεν ὡς μάλιστα ἐδύνατο ἐπικρυπτόμενος, ὅπως ὅτι ἀπαρασκευότατον λάβοι βασιλέα. ὧδε οὖν ἐποιεῖτο τὴν συλλογὴν. ὁπόσας εἶχε φυλακὰς ἐν ταῖς πόλεσι παρήγγειλε τοῖς φρουράρχοις ἐκάστοις λαμβάνειν ἄνδρας Πελοποννησίους ὅτι πλείστους καὶ βελτίστους, ὡς ἐπιβουλεύοντος Τισσαφέρνης ταῖς πόλεσι. καὶ γὰρ ἦσαν αἱ Ἰωνικαὶ πόλεις Τισσαφέρνης τὸ ἀρχαῖον ἐκ βασιλέως δεδομένα, τότε δὲ ἀφειστήκεσαν πρὸς Κῦρον πᾶσαι πλην Μιλήτου.

[1.1.7] ἐν Μιλήτῳ δὲ Τισσαφέρνης προαισθόμενος τὰ αὐτὰ ταῦτα βουλευομένους ἀποστῆναι πρὸς Κῦρον, τοὺς μὲν αὐτῶν ἀπέκτεινε τοὺς δ' ἐξέβαλεν. ὁ δὲ Κῦρος ὑπολαβὼν τοὺς φεύγοντας συλλέξας στράτευμα ἐπολιόρκει Μίλητον καὶ κατὰ γῆν καὶ κατὰ θάλατταν καὶ ἐπειράτο κατάγειν τοὺς ἐκπεπτωκότας. καὶ αὕτη αὖ ἄλλη πρόφασις ἦν αὐτῷ τοῦ ἀθροίζειν στράτευμα.

[1.1.8] πρὸς δὲ βασιλέα πέμπων ἡξίου ἀδελφὸς ὢν αὐτοῦ δοθῆναι οἱ ταύτας τὰς πόλεις μᾶλλον ἢ

Τισσαφέρνην ἄρχειν αὐτῶν, καὶ ἡ μήτηρ συνέπραττεν αὐτῷ ταῦτα· ὥστε βασιλεὺς τὴν μὲν πρὸς ἑαυτὸν ἐπιβουλὴν οὐκ ἠισθάνετο, Τισσαφέρνει δ' ἐνόμιζε πολεμοῦντα αὐτὸν ἀμφὶ τὰ στρατεύματα δαπανᾶν· ὥστε οὐδὲν ἤχθετο αὐτῶν πολεμούντων. καὶ γὰρ ὁ Κῦρος ἀπέπεμπε τοὺς γιγνομένους δασμοὺς βασιλεῖ ἐκ τῶν πόλεων ὧν Τισσαφέρνους ἐτύγχανεν ἔχων. [1.1.9] ἄλλο δὲ στράτευμα αὐτῷ συνελέγετο ἐν Χερρονήσῳ τῇ κατ' ἀντιπέρας Ἀβύδου τόνδε τὸν τρόπον. Κλέαρχος Λακεδαιμόνιος φυγὰς ἦν· τούτῳ συγγενόμενος ὁ Κῦρος ἠγάσθη τε αὐτὸν καὶ δίδωσιν αὐτῷ μυρίους δαρεικοὺς. ὁ δὲ λαβὼν τὸ χρυσίον στράτευμα συνέλεξεν ἀπὸ τούτων τῶν χρημάτων καὶ ἐπολέμει ἐκ Χερρονήσου ὁρμώμενος τοῖς Θραιξὶ τοῖς ὑπὲρ Ἑλλησποντον οἰκοῦσι καὶ ὠφέλει τοὺς Ἕλληνας· ὥστε καὶ χρήματα συνεβάλλοντο αὐτῷ εἰς τὴν τροφὴν τῶν στρατιωτῶν αἱ Ἑλλησποντιακαὶ πόλεις ἐκοῦσαι. τοῦτο δ' αὖ οὕτω τρεφόμενον ἐλάνθανεν αὐτῷ τὸ στράτευμα. [1.1.10] Ἀριστίππος δὲ ὁ Θετταλὸς ξένος ὧν ἐτύγχανεν αὐτῷ, καὶ πιεζόμενος ὑπὸ τῶν οἴκοι ἀντιστασιωτῶν ἔρχεται πρὸς τὸν Κῦρον καὶ αἰτεῖ αὐτὸν εἰς δισχιλίους ξένους καὶ τριῶν μηνῶν μισθόν, ὡς οὕτως περιγενόμενος ἂν τῶν ἀντιστασιωτῶν. ὁ δὲ Κῦρος δίδωσιν αὐτῷ εἰς τετρακισχιλίους καὶ ἑξ μηνῶν μισθόν, καὶ δεῖται αὐτοῦ μὴ πρόσθεν καταλῦσαι πρὸς τοὺς ἀντιστασιώτας πρὶν ἂν αὐτῷ συμβουλευσῇται. οὕτω δὲ αὖ τὸ ἐν Θετταλίᾳ ἐλάνθανεν αὐτῷ τρεφόμενον στράτευμα. [1.1.11] Πρόξενον δὲ τὸν Βοιωτίον ξένον ὄντα ἐκέλευσε λαβόντα ἄνδρας ὅτι πλείστους παραγενέσθαι, ὡς ἐς Πισίδας βουλόμενος στρατεύεσθαι, ὡς πράγματα παρεχόντων τῶν Πισιδῶν τῇ ἑαυτοῦ χώρᾳ. Σοφαίνεται δὲ τὸν Στυμφάλιον καὶ Σωκράτην τὸν Ἀχαιόν, ξένους ὄντας καὶ τούτους, ἐκέλευσεν ἄνδρας λαβόντας ἐλθεῖν ὅτι πλείστους, ὡς πολεμήσων Τισσαφέρνει σὺν τοῖς φυγάσι τοῖς Μιλησίων. καὶ ἐποιοῦν οὕτως οὗτοι.

[1.2.1] ἐπεὶ δ' ἐδόκει ἤδη πορεύεσθαι αὐτῷ ἄνω, τὴν μὲν πρόφασιν ἐποιεῖτο ὡς Πισίδας βουλόμενος ἐκβαλεῖν παντάπασιν ἐκ τῆς χώρας· καὶ ἀθροίζει ὡς ἐπὶ τούτους τό τε βαρβαρικὸν καὶ τὸ Ἑλληνικόν. ἐνταῦθα καὶ παραγγέλλει τῷ τε Κλεάρχῳ λαβόντι ἥκειν ὅσον ἦν αὐτῷ στράτευμα καὶ τῷ Ἀριστίππῳ συναλλαγέντι πρὸς τοὺς οἴκοι ἀποπέμψαι πρὸς ἑαυτὸν ὃ εἶχε στράτευμα· καὶ Ξενίᾳ τῷ Ἀρκάδι, ὃς αὐτῷ προειστήκει τοῦ ἐν ταῖς πόλεσι ξενικοῦ, ἥκειν παραγγέλλει λαβόντα τοὺς ἄλλους πλὴν ὅποσοι ἱκανοὶ ἦσαν τὰς ἀκροπόλεις

φυλάττειν. [1.2.2] ἐκάλεσε δὲ καὶ τοὺς Μίλητον πολιορκοῦντας, καὶ τοὺς φυγάδας ἐκέλευσε σὺν αὐτῷ στρατεύεσθαι, ὑποσχόμενος αὐτοῖς, εἰ καλῶς καταπράξειεν ἐφ' ᾧ ἐστρατεύετο, μὴ πρόσθεν παύσεσθαι πρὶν αὐτοὺς καταγάγοι οἴκαδε. οἱ δὲ ἡδέως ἐπειθοντο· ἐπίστευον γὰρ αὐτῷ· καὶ λαβόντες τὰ ὄπλα παρῆσαν εἰς Σάρδεις. [1.2.3] Ξενίας μὲν δὴ τοὺς ἐκ τῶν πόλεων λαβὼν παρεγένετο εἰς Σάρδεις ὀπλίτας εἰς τετρακισχιλίους, Πρόξενος δὲ παρῆν ἔχων ὀπλίτας μὲν εἰς πεντακοσίους καὶ χιλίους, γυμνήτας δὲ πεντακοσίους, Σοφαίνετος δὲ ὁ Στυμφάλιος ὀπλίτας ἔχων χιλίους, Σωκράτης δὲ ὁ Ἀχαιὸς ὀπλίτας ἔχων ὡς πεντακοσίους, Πασίων δὲ ὁ Μεγαρεὺς τριακοσίους μὲν ὀπλίτας, τριακοσίους δὲ πελταστὰς ἔχων παρεγένετο· ἦν δὲ καὶ οὗτος καὶ ὁ Σωκράτης τῶν ἀμφὶ Μίλητον στρατευομένων. [1.2.4] οὗτοι μὲν εἰς Σάρδεις αὐτῷ ἀφίκοντο. Τισσαφέρνης δὲ κατανοήσας ταῦτα, καὶ μείζονα ἡγησάμενος εἶναι ἢ ὥς ἐπὶ Πισίδας τὴν παρασκευὴν, πορεύεται ὥς βασιλέα ἢ ἐδύνατο τάχιστα ἰππέας ἔχων ὥς πεντακοσίους. [1.2.5] καὶ βασιλεὺς μὲν δὴ ἐπεὶ ἤκουσε Τισσαφέρνους τὸν Κύρου στόλον, ἀντιπαρεσκευάζετο. Κῦρος δὲ ἔχων οὓς εἴρηκα ὥρματο ἀπὸ Σάρδεων· καὶ ἐξελαύνει διὰ τῆς Λυδίας σταθμοὺς τρεῖς παρασάγγας εἴκοσι καὶ δύο ἐπὶ τὸν Μαϊάνδρον ποταμόν. τούτου τὸ εὖρος δύο πλέθρα· γέφυρα δὲ ἐπὶν ἐξευγμένη πλοίοις. [1.2.6] τοῦτον διαβὰς ἐξελαύνει διὰ Φρυγίας σταθμὸν ἓνα παρασάγγας ὀκτὼ εἰς Κολοσσάς, πόλιν οἰκουμένην καὶ εὐδαίμονα καὶ μεγάλην. ἐνταῦθα ἔμεινεν ἡμέρας ἑπτὰ· καὶ ἦκε Μένων ὁ Θετταλὸς ὀπλίτας ἔχων χιλίους καὶ πελταστὰς πεντακοσίους, Δόλοπας καὶ Αἰνιᾶνας καὶ Ὀλυνθίους. [1.2.7] ἐντεῦθεν ἐξελαύνει σταθμοὺς τρεῖς παρασάγγας εἴκοσιν εἰς Κελαινάς, τῆς Φρυγίας πόλιν οἰκουμένην, μεγάλην καὶ εὐδαίμονα. ἐνταῦθα Κύρῳ βασιλεία ἦν καὶ παράδεισος μέγας ἀγρίων θηρίων πλήρης, ἃ ἐκεῖνος ἐθήρευεν ἀπὸ ἵππου, ὅποτε γυμνάσαι βούλοιοτο ἑαυτὸν τε καὶ τοὺς ἵππους. διὰ μέσου δὲ τοῦ παραδείσου ῥεῖ ὁ Μαϊάνδρος ποταμός· αἱ δὲ πηγαὶ αὐτοῦ εἰσιν ἐκ τῶν βασιλείων· ῥεῖ δὲ καὶ διὰ τῆς Κελαινῶν πόλεως. [1.2.8] ἔστι δὲ καὶ μεγάλου βασιλέως βασιλεία ἐν Κελαιναῖς ἐρυμνὰ ἐπὶ ταῖς πηγαῖς τοῦ Μαρσίου ποταμοῦ ὑπὸ τῇ ἀκροπόλει· ῥεῖ δὲ καὶ οὗτος διὰ τῆς πόλεως καὶ ἐμβάλλει εἰς τὸν Μαϊάνδρον· τοῦ δὲ Μαρσίου τὸ εὖρὸς ἐστὶν εἴκοσι καὶ πέντε ποδῶν. ἐνταῦθα λέγεται Ἀπόλλων ἐκδεῖραι Μαρσύαν νικήσας ἐρίζοντά οἱ περὶ σοφίας, καὶ τὸ δέρμα κρεμάσαι ἐν τῷ ἄνθρωπῳ ὅθεν αἱ πηγαί· διὰ δὲ τοῦτο ὁ ποταμὸς

καλεῖται Μαρσύας. [1.2.9] ἐνταῦθα Ξέρξης, ὅτε ἐκ τῆς Ἑλλάδος ἡττηθεὶς τῇ μάχῃ ἀπεχώρει, λέγεται οἰκοδομῆσαι ταῦτά τε τὰ βασίλεια καὶ τὴν Κελαινῶν ἀκρόπολιν. ἐνταῦθα ἔμεινε Κῦρος ἡμέρας τριάκοντα· καὶ ἦκε Κλέαρχος ὁ Λακεδαιμόνιος φυγὰς ἔχων ὀπλίτας χιλίους καὶ πελταστὰς Θρᾷκας ὀκτακοσίους καὶ τοξότας Κρηῖτας διακοσίους. ἅμα δὲ καὶ Σῶσις παρῆν ὁ Συρακόσιος ἔχων ὀπλίτας τριακοσίους, καὶ Σοφαίνετος Ἀρκάδας ἔχων ὀπλίτας χιλίους. καὶ ἐνταῦθα Κῦρος ἐξέτασιν καὶ ἀριθμὸν τῶν Ἑλλήνων ἐποίησεν ἐν τῷ παραδείσῳ, καὶ ἐγένοντο οἱ σύμπαντες ὀπλίται μὲν μύριοι χίλιοι, πελτασταὶ δὲ ἅμφί τοὺς δισχιλίους. [1.2.10] ἐντεῦθεν ἐξελαύνει σταθμοὺς δύο παρασάγγας δέκα εἰς Πέλτας, πόλιν οἰκουμένην. ἐνταῦθ' ἔμεινε ἡμέρας τρεῖς· ἐν αἷς Ξενίας ὁ Ἀρκὰς τὰ Λύκαια ἔθυσσε καὶ ἀγῶνα ἔθηκε· τὰ δὲ ἄθλα ἦσαν στλεγγίδες χρυσαῖ· ἐθεώρει δὲ τὸν ἀγῶνα καὶ Κῦρος. [1.2.11] ἐντεῦθεν ἐξελαύνει σταθμοὺς δύο παρασάγγας δώδεκα εἰς Κεράμων ἀγοράν, πόλιν οἰκουμένην, ἐσχάτην πρὸς τῇ Μυσίᾳ χώραι. ἐντεῦθεν ἐξελαύνει σταθμοὺς τρεῖς παρασάγγας τριάκοντα εἰς Καύστρου πεδῖον, πόλιν οἰκουμένην. ἐνταῦθ' ἔμεινε ἡμέρας πέντε· καὶ τοῖς στρατιώταις ὠφεΐλετο μισθὸς πλεόν ἢ τριῶν μηνῶν, καὶ πολλάκις ἰόντες ἐπὶ τὰς θύρας ἀπήιτουν. ὁ δὲ ἐλπίδας λέγων διῆγε καὶ δηλὸς ἦν ἀνιῶμενος· οὐ γὰρ ἦν πρὸς τοῦ Κύρου τρόπου ἔχοντα μὴ ἀποδιδόναι. [1.2.12] ἐνταῦθα ἀφικνεῖται Ἐπύαξα ἡ Συεννέσιος γυνὴ τοῦ Κιλίκων βασιλέως παρὰ Κῦρον· καὶ ἐλέγετο Κύρῳ δοῦναι χρήματα πολλά. τῇ δ' οὖν στρατιᾷ τότε ἀπέδωκε Κῦρος μισθὸν τεττάρων μηνῶν. εἶχε δὲ ἡ Κίλισσα φυλακὴν [καὶ φύλακας] περὶ αὐτὴν Κίλικας καὶ Ἀσπενδίου· ἐλέγετο δὲ καὶ συγγενέσθαι Κῦρον τῇ Κιλίσσῃ. [1.2.13] ἐντεῦθεν δὲ ἐλαύνει σταθμοὺς δύο παρασάγγας δέκα εἰς Θύμβριον, πόλιν οἰκουμένην. ἐνταῦθα ἦν παρὰ τὴν ὁδὸν κρήνη ἡ Μίδου καλουμένη τοῦ Φρυγῶν βασιλέως, ἐφ' ἣ ἰσχυρὰ λέγεται Μίδας τὸν Σάτυρον θηρεῦσαι οἴνῳ κεράσας αὐτήν. [1.2.14] ἐντεῦθεν ἐξελαύνει σταθμοὺς δύο παρασάγγας δέκα εἰς Τυριάειον, πόλιν οἰκουμένην. ἐνταῦθα ἔμεινε ἡμέρας τρεῖς. καὶ λέγεται δεηθῆναι ἡ Κίλισσα Κύρου ἐπιδεῖξαι τὸ στράτευμα αὐτῇ· βουλόμενος οὖν ἐπιδεῖξαι ἐξέτασιν ποιεῖται ἐν τῷ πεδίῳ τῶν Ἑλλήνων καὶ τῶν βαρβάρων. [1.2.15] ἐκέλευσε δὲ τοὺς Ἕλληνας ὡς νόμος αὐτοῖς εἰς μάχην οὕτω ταχθῆναι καὶ στήναι, συντάξαι δ' ἕκαστον τοὺς ἑαυτοῦ. ἐτάχθησαν οὖν ἐπὶ τεττάρων· εἶχε δὲ τὸ μὲν δεξιὸν Μένων καὶ οἱ σὺν αὐτῷ, τὸ δὲ εὐώνυμον Κλέαρχος καὶ οἱ

ἐκείνου, τὸ δὲ μέσον οἱ ἄλλοι στρατηγοί. [1.2.16] ἐθεώρει οὖν ὁ Κῦρος πρῶτον μὲν τοὺς βαρβάρους· οἱ δὲ παρήλανον τεταγμένοι κατὰ ἴλας καὶ κατὰ τάξεις· εἶτα δὲ τοὺς Ἑλλήνας, παρελύνων ἐφ' ἄρματος καὶ ἢ Κίλισσα ἐφ' ἄρμαμάξης. εἶχον δὲ πάντες κράνη χαλκᾶ καὶ χιτῶνας φοινικοῦς καὶ κνημίδας καὶ τὰς ἀσπίδας ἐκκεκαλυμμένας. [1.2.17] ἐπειδὴ δὲ πάντας παρήλασε, στήσας τὸ ἄρμα πρὸ τῆς φάλαγγος μέσης, πέμψας Πίγρητα τὸν ἐρμηνέα παρὰ τοὺς στρατηγοὺς τῶν Ἑλλήνων ἐκέλευσε προβαλέσθαι τὰ ὅπλα καὶ ἐπιχωρῆσαι ὅλην τὴν φάλαγγα. οἱ δὲ ταῦτα προεῖπον τοῖς στρατιώταις· καὶ ἐπεὶ ἐσάλπιγξε, προβαλόμενοι τὰ ὅπλα ἐπήρισαν. ἐκ δὲ τούτου θάπτον προϊόντων σὺν κραυγῇ ἀπὸ τοῦ αὐτομάτου δρόμος ἐγένετο τοῖς στρατιώταις ἐπὶ τὰς σκηνάς, [1.2.18] τῶν δὲ βαρβάρων φόβος πολὺς, καὶ ἡ τε Κίλισσα ἔφυγεν ἐπὶ τῆς ἀρμαμάξης καὶ οἱ ἐκ τῆς ἀγορᾶς καταλιπόντες τὰ ὄνια ἔφυγον. οἱ δὲ Ἕλληνες σὺν γέλῳ ἐπὶ τὰς σκηνάς ἦλθον. ἡ δὲ Κίλισσα ἰδοῦσα τὴν λαμπρότητα καὶ τὴν τάξιν τοῦ στρατεύματος ἐθαύμασε. Κῦρος δὲ ἥσθη τὸν ἐκ τῶν Ἑλλήνων εἰς τοὺς βαρβάρους φόβον ἰδών. [1.2.19] ἐντεῦθεν ἐξελαύνει σταθμοὺς τρεῖς παρασάγγας εἴκοσιν εἰς Ἰκόνιον, τῆς Φρυγίας πόλιν ἐσχάτην. ἐνταῦθα ἔμεινε τρεῖς ἡμέρας. ἐντεῦθεν ἐξελαύνει διὰ τῆς Λυκαονίας σταθμοὺς πέντε παρασάγγας τριάκοντα. ταύτην τὴν χώραν ἐπέτρεψε διαρπάσαι τοῖς Ἕλλησιν ὥς πολεμίαν οὖσαν. [1.2.20] ἐντεῦθεν Κῦρος τὴν Κίλισσαν εἰς τὴν Κιλικίαν ἀποπέμπει τὴν ταχίστην ὁδόν· καὶ συνέπεμψεν αὐτῇ στρατιώτας οὓς Μένων εἶχε καὶ αὐτόν. Κῦρος δὲ μετὰ τῶν ἄλλων ἐξελαύνει διὰ Καππαδοκίας σταθμοὺς τέτταρας παρασάγγας εἴκοσι καὶ πέντε πρὸς Δάναν, πόλιν οἰκουμένην, μεγάλην καὶ εὐδαίμονα. ἐνταῦθα ἔμειναν ἡμέρας τρεῖς· ἐν ᾧ Κῦρος ἀπέκτεινεν ἄνδρα Πέρσην Μεγαφέρνην, φοινικιστὴν βασιλείον, καὶ ἕτερόν τινα τῶν ὑπάρχων δυνάστην, αἰτιασάμενος ἐπιβουλεύειν αὐτῷ. [1.2.21] ἐντεῦθεν ἐπειρῶντο εἰσβάλλειν εἰς τὴν Κιλικίαν· ἡ δὲ εἰσβολὴ ἦν ὁδὸς ἀμαξιτὸς ὀρθία ἰσχυρῶς καὶ ἀμήχανος εἰσελθεῖν στρατεύματι, εἴ τις ἐκώλυεν. ἐλέγετο δὲ καὶ Συνέννεσις εἶναι ἐπὶ τῶν ἄκρων φυλάττων τὴν εἰσβολήν· διὸ ἔμεινεν ἡμέραν ἐν τῷ πεδίῳ. τῇ δ' ὑστεραίᾳ ἦκεν ἄγγελος λέγων ὅτι λελοιπῶς εἴη Συνέννεσις τὰ ἄκρα, ἐπεὶ ἤισθητο ὅτι τὸ Μένωνος στράτευμα ἤδη ἐν Κιλικίᾳ ἦν εἴσω τῶν ὀρέων, καὶ ὅτι τριήρεις ἤκουε περιπλεύσας ἀπ' Ἰωνίας εἰς Κιλικίαν Ταμῶν ἔχοντα τὰς Λακεδαιμονίων καὶ αὐτοῦ Κύρου. [1.2.22] Κῦρος δ' οὖν ἀνέβη ἐπὶ τὰ ὄρη οὐδενὸς κωλύοντος, καὶ εἶδε τὰς σκηνάς οὗ οἱ

Κίλικες ἐφύλαττον. ἐντεῦθεν δὲ κατέβαιναν εἰς πεδίον μέγα καὶ καλόν, ἐπίρρυτον, καὶ δένδρων παντοδαπῶν σύμπλεον καὶ ἀμπέλων· πολὺ δὲ καὶ σήσαμον καὶ μελίην καὶ κέγχρον καὶ πυροὺς καὶ κριθὰς φέρει. ὄρος δ' αὐτὸ περιεῖχεν ὄχυρόν καὶ ὑψηλὸν πάντῃ ἐκ θαλάττης εἰς θάλατταν. [1.2.23] καταβὰς δὲ διὰ τούτου τοῦ πεδίου ἤλασε σταθμοὺς τέτταρας παρασάγγας πέντε καὶ εἴκοσιν εἰς Ταρσοῦς, τῆς Κιλικίας πόλιν μεγάλην καὶ εὐδαίμονα, οὗ ἦν τὰ Συνενέσιος βασιλεία τοῦ Κιλικίων βασιλέως· διὰ μέσου δὲ τῆς πόλεως ῥεῖ ποταμὸς Κύδνος ὄνομα, εὖρος δύο πλέθρων. [1.2.24] ταύτην τὴν πόλιν ἐξέλιπον οἱ ἐνοικοῦντες μετὰ Συνενέσιος εἰς χωρίον ὄχυρόν ἐπὶ τὰ ὄρη πλὴν οἱ τὰ καπηλεῖα ἔχοντες· ἔμειναν δὲ καὶ οἱ παρὰ τὴν θάλατταν οἰκοῦντες ἐν Σόλοις καὶ ἐν Ἰσσοῖς. [1.2.25] Ἐπύαξα δὲ ἡ Συνενέσιος γυνὴ προτέρα Κύρου πέντε ἡμέραις εἰς Ταρσοῦς ἀφίκετο· ἐν δὲ τῇ ὑπερβολῇ τῶν ὁρέων τῇ εἰς τὸ πεδίον δύο λόχοι τοῦ Μένωνος στρατεύματος ἀπώλοντο· οἱ μὲν ἔφασαν ἀρπάζοντάς τι κατακοπῆναι ὑπὸ τῶν Κιλικίων, οἱ δὲ ὑπολειφθέντας καὶ οὐ δυναμένους εὐρεῖν τὸ ἄλλο στράτευμα οὐδὲ τὰς ὁδοὺς εἶτα πλανωμένους ἀπολέσθαι· ἦσαν δ' οὖν οὗτοι ἑκατὸν ὀπλίται. [1.2.26] οἱ δ' ἄλλοι ἐπεὶ ἤκον, τὴν τε πόλιν τοὺς Ταρσοῦς διήρπασαν, διὰ τὸν ὄλεθρον τῶν συστρατιωτῶν ὀργιζόμενοι, καὶ τὰ βασιλεία τὰ ἐν αὐτῇ. Κύρος δ' ἐπεὶ εἰσήλασεν εἰς τὴν πόλιν, μετεπέμπετο τὸν Συνέννεσιν πρὸς ἑαυτόν· ὁ δ' οὔτε πρότερον οὐδενὶ πῶ κρείττονι ἑαυτοῦ εἰς χεῖρας ἔλθεῖν ἔφη οὔτε τότε Κύρῳ ἰέναι ἠθέλε, πρὶν ἢ γυνὴ αὐτὸν ἔπεισε καὶ πίστεις ἔλαβε. [1.2.27] μετὰ δὲ ταῦτα ἐπεὶ συνεγένοντο ἀλλήλοισι, Συνέννεσις μὲν ἔδωκε Κύρῳ χρήματα πολλὰ εἰς τὴν στρατιάν, Κύρος δὲ ἐκείνῳ δῶρα ἃ νομίζεται παρὰ βασιλεῖ τίμια, ἵππον χρυσοχάλινον καὶ στρεπτόν χρυσοῦν καὶ ψέλια καὶ ἀκινάκην χρυσοῦν καὶ στολὴν Περσικὴν, καὶ τὴν χώραν μηκέτι διαρπάζεσθαι· τὰ δὲ ἥρπασμένα ἀνδράποδα, ἣν πού ἐντυγχάνωσιν, ἀπολαμβάνειν.

[1.3.1] ἐνταῦθα ἔμεινεν ὁ Κύρος καὶ ἡ στρατιὰ ἡμέρας εἴκοσιν· οἱ γὰρ στρατιῶται οὐκ ἔφασαν ἰέναι τοῦ πρόσω· ὑπώπτευν γὰρ ἤδη ἐπὶ βασιλέα ἰέναι· μισθωθῆναι δὲ οὐκ ἐπὶ τούτῳ ἔφασαν. πρῶτος δὲ Κλέαρχος τοὺς αὐτοῦ στρατιώτας ἐβιάζετο ἰέναι· οἱ δ' αὐτόν τε ἔβαλλον καὶ τὰ ὑποζύγια τὰ ἐκείνου, ἐπεὶ ἄρξαιτο προῖέναι. [1.3.2] Κλέαρχος δὲ τότε μὲν μικρὸν ἐξέφυγε μὴ καταπετρωθῆναι, ὕστερον δ' ἐπεὶ ἔγνω ὅτι οὐ δυνήσεται βιάσασθαι, συνήγαγεν ἐκκλησίαν τῶν

αὐτοῦ στρατιωτῶν. καὶ πρῶτον μὲν ἐδάκρυε πολὺν χρόνον ἐστῶς· οἱ δὲ ὀρῶντες ἐθαύμαζον καὶ ἐσιώπων· εἶτα δὲ ἔλεξε τοιάδε. [1.3.3] «ἄνδρες στρατιῶται, μὴ θαυμάζετε ὅτι χαλεπῶς φέρω τοῖς παροῦσι πράγμασιν. ἐμοὶ γὰρ ξένος Κῦρος ἐγένετο καὶ με φεύγοντα ἐκ τῆς πατρίδος τὰ τε ἄλλα ἐτίμησε καὶ μυρίους ἔδωκε δαρεικούς· οὓς ἐγὼ λαβὼν οὐκ εἰς τὸ ἴδιον κατεθέμην ἐμοὶ οὐδὲ καθηδυνάθησα, ἀλλ' εἰς ὑμᾶς ἐδαπάνων. [1.3.4] καὶ πρῶτον μὲν πρὸς τοὺς Θρᾷκας ἐπολέμησα, καὶ ὑπὲρ τῆς Ἑλλάδος ἐτιμωρούμην μεθ' ὑμῶν, ἐκ τῆς Χερρονήσου αὐτοὺς ἐξελαύνων βουλομένους ἀφαιρεῖσθαι τοὺς ἐνοικούντας Ἑλληνας τὴν γῆν. ἐπειδὴ δὲ Κῦρος ἐκάλει, λαβὼν ὑμᾶς ἐπορευόμην, ἵνα εἴ τι δέοιτο ὠφελοίην αὐτὸν ἀνθ' ὧν εὖ ἔπαθον ὑπ' ἐκείνου. [1.3.5] ἐπεὶ δὲ ὑμεῖς οὐ βούλεσθε συμπορεύεσθαι, ἀνάγκη δὴ μοι ἢ ὑμᾶς προδόντα τῇ Κύρου φιλίᾳ χρῆσθαι ἢ πρὸς ἐκείνον ψευσάμενον μεθ' ὑμῶν εἶναι. εἰ μὲν δὴ δίκαια ποιήσω οὐκ οἶδα, αἰρήσομαι δ' οὖν ὑμᾶς καὶ σὺν ὑμῖν ὅ τι ἂν δέημι πείσομαι. καὶ οὐποτε ἐρεῖ οὐδεὶς ὡς ἐγὼ Ἑλληνας ἀγαγὼν εἰς τοὺς βαρβάρους, προδοὺς τοὺς Ἑλληνας τὴν τῶν βαρβάρων φιλίαν εἰλόμην, [1.3.6] ἀλλ' ἐπεὶ ὑμεῖς ἐμοὶ οὐ θέλετε πείθεσθαι, ἐγὼ σὺν ὑμῖν ἔψομαι καὶ ὅ τι ἂν δέημι πείσομαι. νομίζω γὰρ ὑμᾶς ἐμοὶ εἶναι καὶ πατρίδα καὶ φίλους καὶ συμμάχους, καὶ σὺν ὑμῖν μὲν ἂν οἶμαι εἶναι τίμιος ὅπου ἂν ᾧ, ὑμῶν δὲ ἔρημος ὧν οὐκ ἂν ἱκανὸς οἶμαι εἶναι οὐτ' ἂν φίλον ὠφελῆσαι οὐτ' ἂν ἐχθρὸν ἀλέξασθαι. ὡς ἐμοῦ οὖν ἰόντος ὅπῃ ἂν καὶ ὑμεῖς οὕτω τὴν γνώμην ἔχετε.» [1.3.7] ταῦτα εἶπεν· οἱ δὲ στρατιῶται οἱ τε αὐτοῦ ἐκείνου καὶ οἱ ἄλλοι ταῦτα ἀκούσαντες ὅτι οὐ φαίη παρὰ βασιλέα πορεύεσθαι ἐπήνισσαν· παρὰ δὲ Ξενίου καὶ Πασίωνος πλείους ἢ δισχίλιοι λαβόντες τὰ ὄπλα καὶ τὰ σκευοφόρα ἐστρατοπεδεύσαντο παρὰ Κλεάρχῳ. [1.3.8] Κῦρος δὲ τούτοις ἀπορῶν τε καὶ λυπούμενος μετεπέμπετο τὸν Κλεάρχον· ὁ δὲ ἰέναι μὲν οὐκ ἠθέλε, λάθραι δὲ τῶν στρατιωτῶν πέμπων αὐτῷ ἄγγελον ἔλεγε θαρρεῖν ὡς καταστησομένων τούτων εἰς τὸ δέον. μεταπέμπεσθαι δ' ἐκέλευεν αὐτόν· αὐτὸς δ' οὐκ ἔφη ἰέναι. [1.3.9] μετὰ δὲ ταῦτα συναγαγὼν τοὺς θ' ἑαυτοῦ στρατιώτας καὶ τοὺς προσελθόντας αὐτῷ καὶ τῶν ἄλλων τὸν βουλόμενον, ἔλεξε τοιάδε. «ἄνδρες στρατιῶται, τὰ μὲν δὴ Κύρου δῆλον ὅτι οὕτως ἔχει πρὸς ἡμᾶς ὥσπερ τὰ ἡμέτερα πρὸς ἐκείνον· οὔτε γὰρ ἡμεῖς ἐκείνου ἔτι στρατιῶται, ἐπεὶ γε οὐ συνεπόμεθα αὐτῷ, οὔτε ἐκεῖνος ἔτι ἡμῖν μισθοδότης. [1.3.10] ὅτι μέντοι ἀδικεῖσθαι νομίζει ὑφ' ἡμῶν οἶδα· ὥστε καὶ μεταπεμπομένου αὐτοῦ οὐκ ἐθέλω ἐλθεῖν,

τὸ μὲν μέγιστον αἰσχυνόμενος ὅτι σύνοιδα ἑμαυτῷ πάντα ἐψευσμένος αὐτόν, ἔπειτα καὶ δεδιὼς μὴ λαβὼν με δίκην ἐπιθῇ ὢν νομίζει ὑπ' ἐμοῦ ἡδικῆσθαι. [1.3.11] ἐμοὶ οὖν δοκεῖ οὐχ ὥρα εἶναι ἡμῖν καθεύδειν οὐδ' ἀμελεῖν ἡμῶν αὐτῶν, ἀλλὰ βουλεύεσθαι ὃ τι χρὴ ποιεῖν ἐκ τούτων. καὶ ἕως γε μένομεν αὐτοῦ σκεπτέον μοι δοκεῖ εἶναι ὅπως ἀσφαλέστατα μενοῦμεν, εἴ τε ἤδη δοκεῖ ἀπιέναι, ὅπως ἀσφαλέστατα ἄπιμεν, καὶ ὅπως τὰ ἐπιτήδεια ἔξομεν· ἄνευ γὰρ τούτων οὔτε στρατηγοῦ οὔτε ιδιώτου ὄφελος οὐδέεν. [1.3.12] ὁ δ' ἀνὴρ πολλοῦ μὲν ἄξιος ὧι ἂν φίλος ᾖ, χαλεπώτατος δ' ἐχθρὸς ὧι ἂν πολέμιος ᾖ, ἔχει δὲ δύναμιν καὶ πεζὴν καὶ ἵππικὴν καὶ ναυτικὴν ἦν πάντες ὁμοίως ὀρῶμέν τε καὶ ἐπιστάμεθα· καὶ γὰρ οὐδὲ πόρρω δοκοῦμέν μοι αὐτοῦ καθῆσθαι. ὥστε ὥρα λέγειν ὃ τι τις γινώσκει ἄριστον εἶναι.» ταῦτα εἰπὼν ἐπαύσατο. [1.3.13] ἐκ δὲ τούτου ἀνίσταντο οἱ μὲν ἐκ τοῦ αὐτομάτου, λέξοντες ἃ ἐγίνωσκον, οἱ δὲ καὶ ὑπ' ἐκείνου ἐγκέλευστοι, ἐπιδεικνύντες οἷα εἴη ἡ ἀπορία ἄνευ τῆς Κύρου γνώμης καὶ μένειν καὶ ἀπιέναι. [1.3.14] εἷς δὲ δὴ εἶπε προσποιούμενος σπεύδειν ὡς τάχιστα πορεύεσθαι εἰς τὴν Ἑλλάδα στρατηγοὺς μὲν ἐλέσθαι ἄλλους ὡς τάχιστα, εἰ μὴ βούλεται Κλέαρχος ἀπάγειν· τὰ δ' ἐπιτήδει' ἀγοράζεσθαι (ἢ δ' ἀγορὰ ᾗ ἐν τῷ βαρβαρικῷ στρατεύματι) καὶ συσκευάζεσθαι· ἐλθόντας δὲ Κύρον αἰτεῖν πλοῖα, ὡς ἀποπλέοιεν· ἐὰν δὲ μὴ διδῶι ταῦτα, ἡγεμόνα αἰτεῖν Κύρον ὅστις διὰ φιλίας τῆς χώρας ἀπάξει. ἐὰν δὲ μηδὲ ἡγεμόνα διδῶι, συντάττεσθαι τὴν ταχίστην, πέμψαι δὲ καὶ προκαταληψομένους τὰ ἄκρα, ὅπως μὴ φθάσῃσι μήτε Κύρος μήτε οἱ Κίλικες καταλαβόντες, ὧν πολλοὺς καὶ πολλὰ χρήματα ἔχομεν ἀνηρπακότες. οὗτος μὲν τοιαῦτα εἶπε· μετὰ δὲ τοῦτον Κλέαρχος εἶπε τοσοῦτον. [1.3.15] «ὥς μὲν στρατηγήσοντα ἐμὲ ταύτην τὴν στρατηγίαν μηδεὶς ὑμῶν λεγέτω· πολλὰ γὰρ ἐνορῶ δι' ἃ ἐμοὶ τοῦτο οὐ ποιητέον· ὡς δὲ τῷ ἀνδρὶ ὃν ἂν ἔλῃσθε πείσομαι ἢ δυνατόν μάλιστα, ἵνα εἰδῇτε ὅτι καὶ ἄρχεσθαι ἐπίσταμαι ὥς τις καὶ ἄλλος μάλιστα ἀνθρώπων. [1.3.16] μετὰ τοῦτον ἄλλος ἀνέστη, ἐπιδεικνὺς μὲν τὴν εὐήθειαν τοῦ τὰ πλοῖα αἰτεῖν κελεύοντος, ὥσπερ πάλιν τὸν στόλον Κύρου ποιουμένου, ἐπιδεικνὺς δὲ ὡς εὐηθὲς εἴη ἡγεμόνα αἰτεῖν παρὰ τούτου ὧι λυμαινόμεθα τὴν πρᾶξιν. εἰ δὲ καὶ τῷ ἡγεμόνι πιστεύσομεν ὃν ἂν Κύρος διδῶι, τί κωλύει καὶ τὰ ἄκρα ἡμῖν κελεύειν Κύρον προκαταλαβεῖν; [1.3.17] ἐγὼ γὰρ ὁκνοῖν μὲν ἂν εἰς τὰ πλοῖα ἐμβαίνειν ἃ ἡμῖν δοίη, μὴ ἡμᾶς ταῖς τριήρεσι καταδύσει, φοβοίμην δ' ἂν τῷ ἡγεμόνι ὃν δοίη ἔπεσθαι, μὴ

ἡμᾶς ἀγάγηι ὅθεν οὐκ ἔσται ἐξελθεῖν· βουλοίμην δ' ἂν ἄκοντος ἀπιὼν Κύρου λαθεῖν αὐτὸν ἀπελθών· ὃ οὐ δυνατόν ἐστιν. [1.3.18] ἀλλ' ἐγὼ φημι ταῦτα μὲν φλυαρίας εἶναι· δοκεῖ δέ μοι ἄνδρας ἐλθόντας πρὸς Κύρον οἵτινες ἐπιτῆδαιοι σὺν Κλεάρχῳ ἐρωτᾶν ἐκείνῳ τί βούλεται ἡμῖν χρῆσθαι· καὶ ἐὰν μὲν ἡ πρᾶξις ἢ παραπλησία οἵαιπερ καὶ πρόσθεν ἐχρήτο τοῖς ξένοις, ἔπεσθαι καὶ ἡμᾶς καὶ μὴ κακίους εἶναι τῶν πρόσθεν τούτῳ συναναβάντων· [1.3.19] ἐὰν δὲ μείζων ἢ πρᾶξις τῆς πρόσθεν φαίνεται καὶ ἐπιπονωτέρα καὶ ἐπικινδυνότερα, ἀξιοῦν ἢ πείσαντα ἡμᾶς ἄγειν ἢ πεισθέντα πρὸς φιλίαν ἀφιέναι· οὕτω γὰρ καὶ ἐπόμενοι ἂν φίλοι αὐτῷ καὶ πρόθυμοι ἐποίμεθα καὶ ἀπιόντες ἀσφαλῶς ἂν ἀπίοιμεν· ὃ τι δ' ἂν πρὸς ταῦτα λέγηι ἀπαγγεῖλαι δεῦρο· ἡμᾶς δ' ἀκούσαντας πρὸς ταῦτα βουλευέσθαι.» [1.3.20] ἔδοξε ταῦτα, καὶ ἄνδρας ἐλόμενοι σὺν Κλεάρχῳ πέμπουσιν οἱ ἡρώτων Κύρον τὰ δόξαντα τῇ στρατιᾷ. ὁ δ' ἀπεκρίνατο ὅτι ἀκούει Ἀβροκόμαν ἐχθρὸν ἄνδρα ἐπὶ τῷ Εὐφράτῃ ποταμῷ εἶναι, ἀπέχοντα δώδεκα σταθμούς· πρὸς τοῦτον οὖν ἔφη βούλεσθαι ἐλθεῖν· κἂν μὲν ἦ ἐκεῖ, τὴν δίκην ἔφη χρήζειν ἐπιθεῖναι αὐτῷ, «ἦν δὲ φύγη, ἡμεῖς ἐκεῖ πρὸς ταῦτα βουλευσόμεθα.» [1.3.21] ἀκούσαντες δὲ ταῦτα οἱ αἵρετοὶ ἀγγέλλουσι τοῖς στρατιώταις· τοῖς δὲ ὑποψία μὲν ἦν ὅτι ἄγει πρὸς βασιλέα, ὅμως δὲ ἐδόκει ἔπεσθαι. προσαιτοῦσι δὲ μισθόν· ὁ δὲ Κύρος ὑπισχνεῖται ἡμιόλιον πᾶσι δώσειν οὗ πρότερον ἔφερον, ἀντὶ δαρεικοῦ τρία ἡμιδαρικὰ τοῦ μηνὸς τῷ στρατιώτῃ· ὅτι δὲ ἐπὶ βασιλέα ἄγοι οὐδὲ ἐνταῦθα ἤκουσεν οὐδεὶς ἐν τῷ γε φανερωδί.

[1.4.1] ἐντεῦθεν ἐξελαύνει σταθμούς δύο παρασάγγας δέκα ἐπὶ τὸν Ψάρον ποταμόν, οὗ ἦν τὸ εὖρος τρία πλέθρα. ἐντεῦθεν ἐξελαύνει σταθμὸν ἓνα παρασάγγας πέντε ἐπὶ τὸν Πύραμον ποταμόν, οὗ ἦν τὸ εὖρος στάδιον. ἐντεῦθεν ἐξελαύνει σταθμούς δύο παρασάγγας πεντεκαίδεκα εἰς Ἴσσοῦς, τῆς Κιλικίας ἐσχάτην πόλιν ἐπὶ τῇ θαλάττῃ οἰκουμένην, μεγάλην καὶ εὐδαίμονα. [1.4.2] ἐνταῦθα ἔμειναν ἡμέρας τρεῖς· καὶ Κύρῳ παρήσαν αἱ ἐκ Πελοποννήσου νῆες τριάκοντα καὶ πέντε καὶ ἐπ' αὐταῖς ναύαρχος Πυθαγόρας Λακεδαιμόνιος. ἡγεῖτο δ' αὐταῖς Ταμῶς Αἰγύπτιος ἐξ Ἐφέσου, ἔχων ναῦς ἐτέρας Κύρου πέντε καὶ εἴκοσιν, αἷς ἐπολιόρκει Μίλητον, ὅτε Τισσαφέρνει φίλη ἦν, καὶ συνεπολέμει Κύρῳ πρὸς αὐτόν. [1.4.3] παρῆν δὲ καὶ Χειρίσοφος Λακεδαιμόνιος ἐπὶ τῶν νεῶν, μετάπεμπτος ὑπὸ Κύρου, ἐπτακοσίους ἔχων ὀπλίτας, ὧν ἐστρατήγει παρὰ Κύρῳ. αἱ δὲ νῆες ὥρμουν παρὰ τὴν Κύρου σκηνήν. ἐνταῦθα καὶ οἱ παρὰ

Ἀβροκόμα μισθοφόροι Ἕλληνες ἀποστάντες ἦλθον παρὰ Κῦρον τετρακόσιοι ὀπλίται καὶ συνεστρατεύοντο ἐπὶ βασιλέα. [1.4.4] ἐντεῦθεν ἐξελαύνει σταθμὸν ἓνα παρασάγγας πέντε ἐπὶ πύλας τῆς Κιλικίας καὶ τῆς Συρίας. ἦσαν δὲ ταῦτα δύο τεῖχη, καὶ τὸ μὲν ἔσωθεν <τὸ> πρὸ τῆς Κιλικίας Συνένεσις εἶχε καὶ Κιλικίων φυλακή, τὸ δὲ ἔξω τὸ πρὸ τῆς Συρίας βασιλέως ἐλέγετο φυλακή φυλάττειν. διὰ μέσου δὲ ῥεῖ τούτων ποταμὸς Κάρσος ὄνομα, εὖρος πλέθρου. ἅπαν δὲ τὸ μέσον τῶν τειχῶν ἦσαν στάδιοι τρεῖς· καὶ παρελθεῖν οὐκ ἦν βίαι· ἦν γὰρ ἡ πάροδος στενὴ καὶ τὰ τεῖχη εἰς τὴν θάλατταν καθήκοντα, ὑπερθεῖν δ' ἦσαν πέτραι ἡλίβατοι· ἐπὶ δὲ τοῖς τείχεσιν ἀμφοτέροις ἐφειστήκεσαν πύλαι. [1.4.5] ταύτης ἕνεκα τῆς παρόδου Κῦρος τὰς ναῦς μετεπέμψατο, ὅπως ὀπλίτας ἀποβιβάσειεν εἰσω καὶ ἔξω τῶν πυλῶν, καὶ βιασόμενος τοὺς πολεμίους εἰ φυλάττοιεν ἐπὶ ταῖς Συρίαις πύλαις, ὅπερ ὤιετο ποιήσειν ὁ Κῦρος τὸν Ἀβροκόμαν, ἔχοντα πολὺ στρατεύμα. Ἀβροκόμας δὲ οὐ τοῦτ' ἐποίησεν, ἀλλ' ἐπεὶ ἤκουσε Κῦρον ἐν Κιλικίαι ὄντα, ἀναστρέψας ἐκ Φοινίκης παρὰ βασιλέα ἀπήλανεν, ἔχων, ὡς ἐλέγετο, τριάκοντα μυριάδας στρατιᾶς. [1.4.6] ἐντεῦθεν ἐξελαύνει διὰ Συρίας σταθμὸν ἓνα παρασάγγας πέντε εἰς Μυρίανδον, πόλιν οἰκουμένην ὑπὸ Φοινίκων ἐπὶ τῇ θαλάττῃ· ἐμπόριον δ' ἦν τὸ χωρίον καὶ ὥρμουν αὐτόθι ὀλκάδες πολλάι. ἐνταῦθ' ἔμεινεν ἡμέρας ἑπτὰ· [1.4.7] καὶ Ξενίας ὁ Ἀρκὰς [στρατηγὸς] καὶ Πασίων ὁ Μεγαρεὺς ἐμβάντες εἰς πλοῖον καὶ τὰ πλείστου ἄξια ἐνθέμενοι ἀπέπλευσαν, ὡς μὲν τοῖς πλείστοις ἐδόκουν φιλοτιμηθέντες ὅτι τοὺς στρατιώτας αὐτῶν τοὺς παρὰ Κλέαρχον ἀπελθόντας ὡς ἀπionτας εἰς τὴν Ἑλλάδα πάλιν καὶ οὐ πρὸς βασιλέα εἶα Κῦρος τὸν Κλέαρχον ἔχειν. ἐπεὶ δ' ἦσαν ἀφανεῖς, διήλθε λόγος ὅτι διώκει αὐτοὺς Κῦρος τριήρεσι· καὶ οἱ μὲν ἠῤῥοντο ὡς δειλοὺς ὄντας αὐτοὺς ληφθῆναι, οἱ δ' ὄκτιρον εἰ ἀλώσوينτο. [1.4.8] Κῦρος δὲ συγκαλέσας τοὺς στρατηγοὺς εἶπεν· «ἀπολελοίπασιν ἡμᾶς Ξενίας καὶ Πασίων. ἀλλ' εὖ γε μέντοι ἐπιστάσθων ὅτι οὔτε ἀποδεδράκασιν· οἶδα γὰρ ὅπῃ οἴχονται· οὔτε ἀποπεφεύγασιν· ἔχω γὰρ τριήρεις ὥστε ἐλεῖν τὸ ἐκείνων πλοῖον· ἀλλὰ μὰ τοὺς θεοὺς οὐκ ἔγωγε αὐτοὺς διώξω, οὐδ' ἐρεῖ οὐδεὶς ὡς ἐγὼ ἕως μὲν ἂν παρῇ τις χρῶμαι, ἐπειδὰν δὲ ἀπιέναι βούληται, συλλαβὼν καὶ αὐτοὺς κακῶς ποιῶ καὶ τὰ χρήματα ἀποσυσλῶ. ἀλλὰ ἴτωσαν, εἰδότες ὅτι κακίους εἰσὶ περὶ ἡμᾶς ἢ ἡμεῖς περὶ ἐκείνους. καίτοι ἔχω γε αὐτῶν καὶ τέκνα καὶ γυναῖκας ἐν Τράλλεσι φρουρούμενα· ἀλλ' οὐδὲ τούτων στερήσονται, ἀλλ'

ἀπολήγονται τῆς πρόσθεν ἔνεκα περὶ ἐμὲ ἀρετῆς.» [1.4.9] καὶ ὁ μὲν ταῦτα εἶπεν· οἱ δὲ Ἕλληνες, εἴ τις καὶ ἀθυμότερος ἦν πρὸς τὴν ἀνάβασιν, ἀκούοντες τὴν Κύρου ἀρετὴν ἥδιον καὶ προθυμότερον συνεπορεύοντο.

μετὰ ταῦτα Κῦρος ἐξελαύνει σταθμοὺς τέτταρας παρασάγγας εἴκοσιν ἐπὶ τὸν Χάλον ποταμόν, ὄντα τὸ εὖρος πλέθρου, πλήρη δ' ἰχθύων μεγάλων καὶ πραέων, οὓς οἱ Σύροι θεοὺς ἐνόμιζον καὶ ἀδικεῖν οὐκ εἶων, οὐδὲ τὰς περιστεράς. αἱ δὲ κῶμαι ἐν αἷς ἐσκήνουν Παρυσάτιδος ἦσαν εἰς ζώνην δεδομένοι. [1.4.10] ἐντεῦθεν ἐξελαύνει σταθμοὺς πέντε παρασάγγας τριάκοντα ἐπὶ τὰς πηγὰς τοῦ Δάρδατος ποταμοῦ, οὗ τὸ εὖρος πλέθρου. ἐνταῦθα ἦσαν τὰ Βελέσους βασιλεία τοῦ Συρίας ἄρξαντος, καὶ παράδεισος πάνυ μέγας καὶ καλός, ἔχων πάντα ὅσα ὄραι φύουσι. Κῦρος δ' αὐτὸν ἐξέκοψε καὶ τὰ βασιλεία κατέκαυσεν. [1.4.11] ἐντεῦθεν ἐξελαύνει σταθμοὺς τρεῖς παρασάγγας πεντεκαίδεκα ἐπὶ τὸν Εὐφράτην ποταμόν, ὄντα τὸ εὖρος τεττάρων σταδίων· καὶ πόλις αὐτόθι ὠκεῖτο μεγάλη καὶ εὐδαίμων Θάψακος ὄνομα. ἐνταῦθα ἔμεινεν ἡμέρας πέντε. καὶ Κῦρος μεταπεμψάμενος τοὺς στρατηγοὺς τῶν Ἑλλήνων ἔλεγεν ὅτι ἡ ὁδὸς ἔσοιτο πρὸς βασιλέα μέγαν εἰς Βαβυλῶνα· καὶ κελεύει αὐτοὺς λέγειν ταῦτα τοῖς στρατιώταις καὶ ἀναπείθειν ἔπεσθαι. [1.4.12] οἱ δὲ ποιήσαντες ἐκκλησίαν ἀπήγγελλον ταῦτα· οἱ δὲ στρατιῶται ἐχαλέπαινον τοῖς στρατηγοῖς, καὶ ἔφασαν αὐτοὺς πάλαι ταῦτ' εἰδότας κρύπτειν, καὶ οὐκ ἔφασαν ἰέναι, ἐὰν μὴ τις αὐτοῖς χρήματα διδῶι, ὥσπερ τοῖς προτέροις μετὰ Κύρου ἀναβᾶσι παρὰ τὸν πατέρα τοῦ Κύρου, καὶ ταῦτα οὐκ ἐπὶ μάχην ἰόντων, ἀλλὰ καλοῦντος τοῦ πατρὸς Κῦρον. [1.4.13] ταῦτα οἱ στρατηγοὶ Κύρῳ ἀπήγγελλον· ὁ δ' ὑπέσχετο ἀνδρὶ ἐκάστωι δώσειν πέντε ἀργυρίου μνᾶς, ἐπὰν εἰς Βαβυλῶνα ἦκωσι, καὶ τὸν μισθὸν ἐντελῇ μέχρι ἂν καταστήσῃ τοὺς Ἕλληνας εἰς Ἰωνίαν πάλιν. τὸ μὲν δὴ πολὺ τοῦ Ἑλληνικοῦ οὕτως ἐπέισθη. Μένων δὲ πρὶν δῆλον εἶναι τί ποιήσουσιν οἱ ἄλλοι στρατιῶται, πότερον ἔσονται Κύρῳ ἢ οὐ, συνέλεξε τὸ αὐτοῦ στράτευμα χωρὶς τῶν ἄλλων καὶ ἔλεξε τάδε. [1.4.14] «ἄνδρες, ἐάν μοι πεισθῇτε, οὔτε κινδυνεύσαντες οὔτε πονήσαντες τῶν ἄλλων πλέον προτιμήσεσθε στρατιωτῶν ὑπὸ Κύρου. τί οὖν κελεύω ποιῆσαι; νῦν δεῖται Κῦρος ἔπεσθαι τοὺς Ἕλληνας ἐπὶ βασιλέα· ἐγὼ οὖν φημι ὑμᾶς χρῆναι διαβῆναι τὸν Εὐφράτην ποταμόν πρὶν δῆλον εἶναι ὅ τι οἱ ἄλλοι Ἕλληνες ἀποκρινοῦνται Κύρῳ. [1.4.15] ἦν μὲν γὰρ ψηφίσωνται ἔπεσθαι, ὑμεῖς

δόξετε αἵτιοι εἶναι ἄρξαντες τοῦ διαβαίνειν, καὶ ὡς προθυμοτάτοις οὓσιν ὑμῖν χάριν εἴσεται Κῦρος καὶ ἀποδώσει· ἐπίσταται δ' εἴ τις καὶ ἄλλος· ἦν δὲ ἀποψηφίσωνται οἱ ἄλλοι, ἅπιμεν μὲν ἅπαντες τοῦμπαλιν, ὑμῖν δὲ ὡς μόνοις πειθομένοις πιστοτάτοις χρήσεται καὶ εἰς φρούρια καὶ εἰς λοχαγίας, καὶ ἄλλου οὔτινος ἂν δέησθε οἶδα ὅτι ὡς φίλοι τεύξεσθε Κύρου.» [1.4.16] ἀκούσαντες ταῦτα ἐπέιθοντο καὶ διέβησαν πρὶν τοὺς ἄλλους ἀποκρίνασθαι. Κῦρος δ' ἐπεὶ ἦσθετο διαβεβηκότας, ἦσθη τε καὶ τῷ στρατεύματι πέμψας Γλοῦν εἶπεν· «ἐγὼ μὲν, ὦ ἄνδρες, ἤδη ὑμᾶς ἐπαινῶ· ὅπως δὲ καὶ ὑμεῖς ἐμὲ ἐπαινέσετε ἐμοὶ μελήσει, ἢ μηκέτι με Κῦρον νομίζετε.» [1.4.17] οἱ μὲν δὴ στρατιῶται ἐν ἐλπίσι μεγάλαις ὄντες ἠύχοντο αὐτὸν εὐτυχῆσαι, Μένωνι δὲ καὶ δῶρα ἐλέγετο πέμψαι μεγαλοπρεπῶς. ταῦτα δὲ ποιήσας διέβαινε· συνείπετο δὲ καὶ τὸ ἄλλο στράτευμα αὐτῷ ἅπαν. καὶ τῶν διαβαινόντων τὸν ποταμὸν οὐδεὶς ἐβρέχθη ἀνωτέρω τῶν μαστῶν ὑπὸ τοῦ ποταμοῦ. [1.4.18] οἱ δὲ Θασακηνοὶ ἔλεγον ὅτι οὐπόποθ' οὗτος ὁ ποταμὸς διαβατὸς γένοιτο πεζῇ εἰ μὴ τότε, ἀλλὰ πλοίοις, ἃ τότε Ἀβροκόμας προῖων κατέκαυσεν, ἵνα μὴ Κῦρος διαβῇ. ἐδόκει δὴ θεῖον εἶναι καὶ σαφῶς ὑποχωρῆσαι τὸν ποταμὸν Κύρῳ ὡς βασιλεύσονται. [1.4.19] ἐντεῦθεν ἐξελαύνει διὰ τῆς Συρίας σταθμοὺς ἐννέα παρασάγγας πεντήκοντα· καὶ ἀφικνοῦνται πρὸς τὸν Ἀράξην ποταμὸν. ἐνταῦθα ἦσαν κῶμαι πολλαὶ μεσταὶ σίτου καὶ οἴνου. ἐνταῦθα ἔμειναν ἡμέρας τρεῖς καὶ ἐπεσιτίσαντο.

[1.5.1] ἐντεῦθεν ἐξελαύνει διὰ τῆς Ἀραβίας τὸν Εὐφράτην ποταμὸν ἐν δεξιᾷ ἔχων σταθμοὺς ἐρήμους πέντε παρασάγγας τριάκοντα καὶ πέντε. ἐν τούτῳ δὲ τῷ τόπῳ ἦν μὲν ἡ γῆ πεδίον ἅπαν ὁμαλὲς ὥσπερ θάλαττα, ἀψινθίου δὲ πληρὲς· εἰ δέ τι καὶ ἄλλο ἐνῆν ὕλης ἢ καλάμου, ἅπαντα ἦσαν εὐώδη ὥσπερ ἀρώματα· [1.5.2] δένδρον δ' οὐδὲν ἐνῆν, θηρία δὲ παντοῖα, πλεῖστοι ὄνοι ἄγριοι, πολλοὶ δὲ στρουθοὶ αἱ μεγάλοι· ἐνῆσαν δὲ καὶ ωτίδες καὶ δορκάδες· ταῦτα δὲ τὰ θηρία οἱ ἵππεῖς ἐνίοτε ἐδίωκον. καὶ οἱ μὲν ὄνοι, ἐπεὶ τις διώκοι, προδραμόντες ἔστασαν· πολὺ γὰρ τῶν ἵπων ἔτρεχον θάπτον· καὶ πάλιν, ἐπεὶ πλησιάζοιεν οἱ ἵπποι, ταῦτόν ἐποίουν, καὶ οὐκ ἦν λαβεῖν, εἰ μὴ διαστάντες οἱ ἵππεῖς θηρῶιεν διαδεχόμενοι. τὰ δὲ κρέα τῶν ἀλίσκομένων ἦν παραπλήσια τοῖς ἐλαφείοις, ἀπαλώτερα δέ. [1.5.3] στρουθὸν δὲ οὐδεὶς ἔλαβεν· οἱ δὲ διώξαντες τῶν ἱππέων ταχὺ ἐπάυνοντο· πολὺ γὰρ ἀπέσπα φεύγουσα, τοῖς μὲν ποσὶ δρόμῳ, ταῖς δὲ πτέρυξιν αἵρουσα, ὥσπερ ἰστίῳ χρωμένη. τὰς δὲ ωτίδας ἂν τις ταχὺ

ἀνιστῆ ἔστι λαμβάνειν· πέτονται γὰρ βραχὺ ὥσπερ πέρδικες καὶ ταχὺ ἀπαγορεύουσι. [1.5.4] τὰ δὲ κρέα αὐτῶν ἥδιστα ἦν. πορευόμενοι δὲ διὰ ταύτης τῆς χώρας ἀφικνοῦνται ἐπὶ τὸν Μάσκαν ποταμόν, τὸ εὖρος πλεθριαῖον. ἐνταῦθα ἦν πόλις ἐρήμη, μεγάλη, ὄνομα δ' αὐτῇ Κορσωτή· περιερρεῖτο δ' αὕτη ὑπὸ τοῦ Μάσκα κύκλωι. [1.5.5] ἐνταῦθ' ἔμειναν ἡμέρας τρεῖς καὶ ἐπεσιτίσαντο. ἐντεῦθεν ἐξελαύνει σταθμοὺς ἐρήμους τρισκαίδεκα παρασάγγας ἐνενήκοντα τὸν Εὐφράτην ποταμόν ἐν δεξιᾷ ἔχων, καὶ ἀφικνεῖται ἐπὶ Πύλᾳς. ἐν τούτοις τοῖς σταθμοῖς πολλὰ τῶν ὑποζυγίων ἀπώλετο ὑπὸ λιμοῦ· οὐ γὰρ ἦν χόρτος οὐδὲ ἄλλο οὐδὲν δένδρον, ἀλλὰ ψιλὴ ἦν ἅπασα ἡ χώρα· οἱ δὲ ἐνοικοῦντες ὄνους ἀλέτας παρὰ τὸν ποταμόν ὀρύττοντες καὶ ποιοῦντες εἰς Βαβυλῶνα ἦγον καὶ ἐπώλουν καὶ ἀνταγοράζοντες σῖτον ἔζων. [1.5.6] τὸ δὲ στράτευμα ὁ σῖτος ἐπέλιπε, καὶ πρίασθαι οὐκ ἦν εἰ μὴ ἐν τῇ Λυδία ἀγοραῖ ἐν τῷ Κύρου βαρβαρικῷ, τὴν καπίθην ἀλεύρων ἢ ἀλφίτων τεττάρων σίγλων. ὁ δὲ σίγλος δύναται ἐπτὰ ὀβολοὺς καὶ ἡμιωβέλιον Ἀττικῶν· ἡ δὲ καπίθη δύο χοίνικας Ἀττικὰς ἐχώρει. κρέα οὖν ἐσθίοντες οἱ στρατιῶται διεγίγνοντο. [1.5.7] ἦν δὲ τούτων τῶν σταθμῶν οὓς πάνυ μακροὺς ἤλαυνεν, ὁπότε ἡ πρὸς ὕδωρ βούλοιτο διατελέσαι ἢ πρὸς χιλόν. καὶ δὴ ποτε στενοχωρίας καὶ πηλοῦ φανέντος ταῖς ἀμάξαις δυσπορεύτου ἐπέστη ὁ Κῦρος σὺν τοῖς περὶ αὐτὸν ἀρίστοις καὶ εὐδαιμονεστάτοις καὶ ἔταξε Γλοῦν καὶ Πίγηρτα λαβόντας τοῦ βαρβαρικοῦ στρατοῦ συνεκβιβάζειν τὰς ἀμάξας. [1.5.8] ἐπεὶ δ' ἐδόκουν αὐτῷι σχολαίως ποιεῖν, ὥσπερ ὀργῇ ἐκέλευσε τοὺς περὶ αὐτὸν Πέρσας τοὺς κρατίστους συνεπισπεῦσαι τὰς ἀμάξας. ἔνθα δὴ μέρος τι τῆς εὐταξίας ἦν θεάσασθαι. ῥίψαντες γὰρ τοὺς πορφυροὺς κἀνδύς ὅπου ἔτυχεν ἕκαστος ἐστηκώς, ἴεντο ὥσπερ ἂν δράμοι τις ἐπὶ νίκη καὶ μάλα κατὰ πρᾶνοὺς γηλόφου, ἔχοντες τούτους τε τοὺς πολυτελεῖς χιτῶνας καὶ τὰς ποικίλας ἀναξυρίδας, ἔνιοι δὲ καὶ στρεπτοὺς περὶ τοῖς τραχήλοις καὶ ψέλια περὶ ταῖς χερσίν· εὐθὺς δὲ σὺν τούτοις εἰσπηδήσαντες εἰς τὸν πηλὸν θᾶπτον ἢ ὥς τις ἂν ὤιετο μετεώρους ἐξεκόμισαν τὰς ἀμάξας. [1.5.9] τὸ δὲ σύμπαν δῆλος ἦν Κῦρος ὡς σπεύδων πᾶσαν τὴν ὁδὸν καὶ οὐ διατρίβων ὅπου μὴ ἐπισιτισμοῦ ἕνεκα ἢ τινος ἄλλου ἀναγκαίου ἐκαθέζετο, νομίζων, ὅσῳ θᾶπτον ἔλθοι, τοσοῦτω ἀπαρασκευαστοτέρῳ βασιλεῖ μαχεῖσθαι, ὅσῳ δὲ σχολαίτερον, τοσοῦτω πλέον συναγεῖρεσθαι βασιλεῖ στράτευμα. καὶ συνιδεῖν δ' ἦν τῷ προσέχοντι τὸν νοῦν τῇ βασιλέως ἀρχῇ πλήθει μὲν χώρας

καὶ ἀνθρώπων ἰσχυρὰ οὕσα, τοῖς δὲ μήκεσι τῶν ὁδῶν καὶ τῷ διεσπᾶσθαι τὰς δυνάμεις ἀσθενῆς, εἴ τις διὰ ταχέων τὸν πόλεμον ποιοῖτο. [1.5.10] πέραν δὲ τοῦ Εὐφράτου ποταμοῦ κατὰ τοὺς ἐρήμους σταθμοὺς ἦν πόλις εὐδαίμων καὶ μεγάλη, ὄνομα δὲ Χαρμάνδη· ἐκ ταύτης οἱ στρατιῶται ἠγόραζον τὰ ἐπιτήδεια, σχεδίαῖς διαβαίνοντες ὧδε. διφθέρας ἃς εἶχον στεγᾶσματα ἐπίμπλασαν χόρτου κούφου, εἴτα συνήγον καὶ συνέσπων, ὥς μὴ ἅπτεσθαι τῆς κάρφης τὸ ὕδωρ· ἐπὶ τούτων διέβαινον καὶ ἐλάμβανον τὰ ἐπιτήδεια, οἶνόν τε ἐκ τῆς βαλάνου πεποιημένον τῆς ἀπὸ τοῦ φοίνικος καὶ σίτον μελίνης· τοῦτο γὰρ ἦν ἐν τῇ χώρᾳ πλεῖστον. [1.5.11] ἀμφιλεξάντων δέ τι ἐνταῦθα τῶν τε τοῦ Μένωνος στρατιωτῶν καὶ τῶν τοῦ Κλεάρχου ὁ Κλέαρχος κρίνας ἀδικεῖν τὸν τοῦ Μένωνος πληγὰς ἐνέβαλεν· ὁ δὲ ἐλθὼν πρὸς τὸ ἑαυτοῦ στράτευμα ἔλεγεν· ἀκούσαντες δὲ οἱ στρατιῶται ἐχαλέπαινον καὶ ὠργίζοντο ἰσχυρῶς τῷ Κλεάρχῳ. [1.5.12] τῇ δὲ αὐτῇ ἡμέρᾳ Κλέαρχος ἐλθὼν ἐπὶ τὴν διάβασιν τοῦ ποταμοῦ καὶ ἐκεῖ κατασκευάμενος τὴν ἀγορὰν ἀφιππεύει ἐπὶ τὴν ἑαυτοῦ σκηνὴν διὰ τοῦ Μένωνος στρατεύματος σὺν ὀλίγοις τοῖς περὶ αὐτόν· Κῦρος δὲ οὐπω ἦκεν, ἀλλ’ ἔτι προσήλαινε· τῶν δὲ Μένωνος στρατιωτῶν ξύλα σχίζων τις ὥς εἶδε Κλέαρχον διελαύνοντα, ἤισι τῇ ἀξίνῃ· καὶ οὗτος μὲν αὐτοῦ ἤμαρτεν· ἄλλος δὲ λίθῳ καὶ ἄλλος, εἴτα πολλοί, κραυγῆς γενομένης. [1.5.13] ὁ δὲ καταφεύγει εἰς τὸ ἑαυτοῦ στράτευμα, καὶ εὐθὺς παραγγέλλει εἰς τὰ ὅπλα· καὶ τοὺς μὲν ὀπλίτας αὐτοῦ ἐκέλευσε μεῖναι τὰς ἀσπίδας πρὸς τὰ γόνατα θέντας, αὐτὸς δὲ λαβὼν τοὺς Θρᾷκας καὶ τοὺς ἱππέας οἱ ἦσαν αὐτῷ ἐν τῷ στρατεύματι πλείους ἢ τετταράκοντα, τούτων δὲ οἱ πλεῖστοι Θρᾷκες, ἤλαιναν ἐπὶ τοὺς Μένωνος, ὥστ’ ἐκείνους ἐκπεπληχθαι καὶ αὐτὸν Μένωνα, καὶ τρέχειν ἐπὶ τὰ ὅπλα· οἱ δὲ καὶ ἔστασαν ἀποροῦντες τῷ πράγματι. [1.5.14] ὁ δὲ Πρόξενος (ἔτυχε γὰρ ὕστερος προσιῶν καὶ τάξις αὐτῷ ἐπομένη τῶν ὀπλιτῶν) εὐθὺς οὖν εἰς τὸ μέσον ἀμφοτέρων ἄγων ἔθετο τὰ ὅπλα καὶ ἐδεῖτο τοῦ Κλεάρχου μὴ ποιεῖν ταῦτα. ὁ δ’ ἐχαλέπαινε ὅτι αὐτοῦ ὀλίγου δεήσαντος καταλευσθῆναι πράως λέγοι τὸ αὐτοῦ πάθος, ἐκέλευσέ τε αὐτὸν ἐκ τοῦ μέσου ἐξίστασθαι. [1.5.15] ἐν τούτῳ δ’ ἐπήϊει καὶ Κῦρος καὶ ἐπύθετο τὸ πρᾶγμα· εὐθὺς δ’ ἔλαβε τὰ παλτὰ εἰς τὰς χεῖρας καὶ σὺν τοῖς παροῦσι τῶν πιστῶν ἦκεν ἐλαύνων εἰς τὸ μέσον, καὶ λέγει τάδε. [1.5.16] Κλέαρχε καὶ Πρόξενε καὶ οἱ ἄλλοι οἱ παρόντες Ἕλληνες, οὐκ ἴστε ὃ τι ποιεῖτε. εἰ γάρ τινα ἀλλήλοις μάχην συνάψετε, νομίζετε ἐν τῇδε τῇ ἡμέρᾳ ἐμέ τε

κατακεκόψεσθαι καὶ ὑμᾶς οὐ πολὺ ἔμοῦ ὕστερον· κακῶς γὰρ τῶν ἡμετέρων ἐχόντων πάντες οὗτοι οὕς ὁρᾶτε βάρβαροι πολεμιώτεροι ἡμῖν ἔσονται τῶν παρὰ βασιλεῖ ὄντων. [1.5.17] ἀκούσας ταῦτα ὁ Κλέαρχος ἐν ἑαυτῷ ἐγένετο· καὶ παυσάμενοι ἀμφοτέρω κατὰ χώραν ἔθεντο τὰ ὄπλα.

[1.6.1] ἐντεῦθεν προϊόντων ἐφαίνετο ἵχνια ἵππων καὶ κόπρος· εἰκάζετο δ' εἶναι ὁ στίβος ὡς δισχιλίων ἵππων. οὗτοι προϊόντες ἔκαιον καὶ χιλὸν καὶ εἴ τι ἄλλο χρήσιμον ἦν. Ὀρόντας δέ, Πέρσης ἀνὴρ, γένει τε προσήκων βασιλεῖ καὶ τὰ πολέμια λεγόμενος ἐν τοῖς ἀρίστοις Περσῶν ἐπιβουλεύει Κύρῳ καὶ πρόσθεν πολεμήσας, καταλλαγεὶς δέ. [1.6.2] οὗτος Κύρῳ εἶπεν, εἰ αὐτῷ δοίῃ ἱππέας χιλίους, ὅτι τοὺς προκατακαίοντας ἱππέας ἢ κατακαίνοι ἂν ἐνεδρεύσας ἢ ζῶντας πολλοὺς αὐτῶν ἂν ἔλοι καὶ κωλύσειε τοῦ καίειν ἐπιόντας, καὶ ποιήσειεν ὥστε μήποτε δύνασθαι αὐτοὺς ἰδόντας τὸ Κύρου στρατεύμα βασιλεῖ διαγγεῖλαι. τῷ δὲ Κύρῳ ἀκούσαντι ταῦτα ἐδόκει ὠφέλιμα εἶναι, καὶ ἐκέλευεν αὐτὸν λαμβάνειν μέρος παρ' ἐκάστου τῶν ἡγεμόνων. [1.6.3] ὁ δ' Ὀρόντας νομίσας ἐτοιμοὺς εἶναι αὐτῷ τοὺς ἱππέας γράφει ἐπιστολὴν παρὰ βασιλέα ὅτι ἤξοι ἔχων ἱππέας ὡς ἂν δύνηται πλείστους· ἀλλὰ φράσαι τοῖς αὐτοῦ ἱππεῦσιν ἐκέλευεν ὡς φίλιον αὐτὸν ὑποδέχεσθαι. ἐνῆν δὲ ἐν τῇ ἐπιστολῇ καὶ τῆς πρόσθεν φιλίας ὑπομνήματα καὶ πίστεως. ταύτην τὴν ἐπιστολὴν δίδωσι πιστῷ ἀνδρί, ὡς ὤιετο· ὁ δὲ λαβὼν Κύρῳ δίδωσιν. [1.6.4] ἀναγνοὺς δὲ αὐτὴν ὁ Κῦρος συλλαμβάνει Ὀρόνταν, καὶ συγκαλεῖ εἰς τὴν ἑαυτοῦ σκηνὴν Πέρσας τοὺς ἀρίστους τῶν περὶ αὐτὸν ἐπτά, καὶ τοὺς τῶν Ἑλλήνων στρατηγούς ἐκέλευσεν ὀπλίτας ἀγαγεῖν, τούτους δὲ θέσθαι τὰ ὄπλα περὶ τὴν αὐτοῦ σκηνήν. οἱ δὲ ταῦτα ἐποίησαν, ἀγαγόντες ὡς τρισχιλίους ὀπλίτας. [1.6.5] Κλέαρχον δὲ καὶ εἶσω παρεκάλεσε σύμβουλον, ὅς γε καὶ αὐτῷ καὶ τοῖς ἄλλοις ἐδόκει προτιμηθῆναι μάλιστα τῶν Ἑλλήνων. ἐπεὶ δ' ἐξῆλθεν, ἀπήγγειλε τοῖς φίλοις τὴν κρίσιν τοῦ Ὀρόντα ὡς ἐγένετο· οὐ γὰρ ἀπόρρητον ἦν. [1.6.6] ἔφη δὲ Κῦρον ἄρχειν τοῦ λόγου ὧδε. «παρακάλεσα ὑμᾶς, ἄνδρες φίλοι, ὅπως σὺν ὑμῖν βουλευόμενος ὃ τι δίκαιόν ἐστι καὶ πρὸς θεῶν καὶ πρὸς ἀνθρώπων, τοῦτο πράξω περὶ Ὀρόντα τουτουί. τοῦτον γὰρ πρῶτον μὲν ὁ ἐμὸς πατὴρ ἔδωκεν ὑπήκοον εἶναι ἐμοί· ἐπεὶ δὲ ταχθεὶς, ὡς ἔφη αὐτός, ὑπὸ τοῦ ἐμοῦ ἀδελφοῦ οὗτος ἐπολέμησεν ἐμοί ἔχων τὴν ἐν Σάρδεσιν ἀκρόπολιν, καὶ ἐγὼ αὐτὸν προσπολεμῶν ἐποίησα ὥστε δόξαι τούτῳ τοῦ πρὸς

ἐμὲ πολέμου παύσασθαι, καὶ δεξιὰν ἔλαβον καὶ ἔδωκα, μετὰ ταῦτα, ἔφη, Ὀρόντα, ἔστιν ὃ τι σε ἠδίκησα;» [1.6.7] ἀπεκρίνατο ὅτι οὐ. πάλιν δὲ ὁ Κῦρος ἠρώτα· «οὐκοῦν ὕστερον, ὥς αὐτὸς σὺ ὁμολογεῖς, οὐδὲν ὑπ' ἐμοῦ ἀδικούμενος ἀποστάς εἰς Μυσοὺς κακῶς ἐποίεις τὴν ἐμὴν χώραν ὃ τι ἐδύνω;» ἔφη Ὀρόντας· «οὐκοῦν, ἔφη ὁ Κῦρος, ὁπότε αὐτὸς ἔγνως τὴν σαυτοῦ δύναμιν, ἐλθὼν ἐπὶ τὸν τῆς Ἀρτέμιδος βωμὸν μεταμέλειν τέ σοι ἔφησθα καὶ πείσας ἐμὲ πιστὰ πάλιν ἔδωκάς μοι καὶ ἔλαβες παρ' ἐμοῦ;» καὶ ταῦθ' ὁμολόγει Ὀρόντας. [1.6.8] «τί οὖν, ἔφη ὁ Κῦρος, ἀδικηθεὶς ὑπ' ἐμοῦ νῦν τὸ τρίτον ἐπιβουλεύων μοι φανερὸς γέγονας;» εἰπόντος δὲ τοῦ Ὀρόντα ὅτι οὐδὲν ἀδικηθεὶς, ἠρώτησεν ὁ Κῦρος αὐτόν· «ὁμολογεῖς οὖν περὶ ἐμὲ ἄδικος γεγενῆσθαι;» «ἤ γὰρ ἀνάγκη,» ἔφη Ὀρόντας. ἐκ τούτου πάλιν ἠρώτησεν ὁ Κῦρος· «ἔτι οὖν ἂν γένοιο τῷ ἐμῷ ἀδελφῷ πολέμιος, ἐμοὶ δὲ φίλος καὶ πιστός;» ὁ δὲ ἀπεκρίνατο ὅτι οὐδ' εἰ γενοίμην, ὦ Κῦρε, σοὶ γ' ἂν ποτε ἔτι δόξαιμι. [1.6.9] πρὸς ταῦτα Κῦρος εἶπε τοῖς παροῦσιν· «ὁ μὲν ἀνὴρ τοιαῦτα μὲν πεποίηκε, τοιαῦτα δὲ λέγει· ὑμῶν δὲ σὺ πρῶτος, ὦ Κλέαρχε, ἀπόφηναι γνώμην ὃ τι σοι δοκεῖ.» Κλέαρχος δὲ εἶπε τάδε· «συμβουλευώ ἐγὼ τὸν ἄνδρα τοῦτον ἐκποδὼν ποιεῖσθαι ὥς τάχιστα, ὥς μηκέτι δέῃ τοῦτον φυλάττεσθαι, ἀλλὰ σχολὴ ἢ ἡμῖν, τὸ κατὰ τοῦτον εἶναι, τοὺς ἐθελοντὰς τούτους εὖ ποιεῖν.» [1.6.10] ταύτῃ δὲ τῇ γνώμῃ ἔφη καὶ τοὺς ἄλλους προσθέσθαι. μετὰ ταῦτα, ἔφη, κελεύοντος Κύρου ἔλαβον τῆς ζώνης τὸν Ὀρόνταν ἐπὶ θανάτῳ ἅπαντες ἀναστάντες καὶ οἱ συγγενεῖς· εἶτα δ' ἐξήγον αὐτὸν οἷς προσετάχθη. ἐπεὶ δὲ εἶδον αὐτὸν οἷπερ πρόσθεν προσεκύνουν, καὶ τότε προσεκύνησαν, καίπερ εἰδότες ὅτι ἐπὶ θάνατον ἄγοιτο. [1.6.11] ἐπεὶ δὲ εἰς τὴν Ἀρταπάτου σκηνὴν εἰσῆχθη, τοῦ πιστοτάτου τῶν Κύρου σκηπτούχων, μετὰ ταῦτα οὔτε ζῶντα Ὀρόνταν οὔτε τεθνηκότα οὐδεὶς εἶδε πώποτε, οὐδὲ ὅπως ἀπέθανεν οὐδεὶς εἰδὼς ἔλεγεν· εἵκαζον δὲ ἄλλοι ἄλλως· τάφος δὲ οὐδεὶς πώποτε αὐτοῦ ἐφάνη.

[1.7.1] ἐντεῦθεν ἐξελαύνει διὰ τῆς Βαβυλωνίας σταθμοὺς τρεῖς παρασάγγας δώδεκα. ἐν δὲ τῷ τρίτῳ σταθμῷ Κῦρος ἐξέτασιν ποιεῖται τῶν Ἑλλήνων καὶ τῶν βαρβάρων ἐν τῷ πεδίῳ περὶ μέσας νύκτας· ἐδόκει γὰρ εἰς τὴν ἐπιούσαν ἔω ἥξειν βασιλέα σὺν τῷ στρατεύματι μαχομένον· καὶ ἐκέλευε Κλέαρχον μὲν τοῦ δεξιοῦ κέρως ἡγεῖσθαι, Μένωνα δὲ τὸν Θετταλὸν τοῦ εὐωνύμου, αὐτὸς δὲ τοὺς ἑαυτοῦ διέταξε. [1.7.2] μετὰ δὲ τὴν ἐξέτασιν ἅμα τῇ ἐπιούσῃ

ἡμέραι ἦκοντες αὐτόμολοι παρὰ μεγάλου βασιλέως ἀπήγγελλον Κύρῳ περὶ τῆς βασιλείας στρατιᾶς. Κύρος δὲ συγκαλέσας τοὺς στρατηγοὺς καὶ λοχαγοὺς τῶν Ἑλλήνων συνεβουλευέτο τε πῶς ἂν τὴν μάχην ποιοῖτο καὶ αὐτὸς παρήνει θαρρύνων τοιάδε. [1.7.3] «ὦ ἄνδρες Ἕλληνες, οὐκ ἀνθρώπων ἀπορῶν βαρβάρων συμμάχους ὑμᾶς ἄγω, ἀλλὰ νομίζων ἀμείνονας καὶ κρείττους πολλῶν βαρβάρων ὑμᾶς εἶναι, διὰ τοῦτο προσέλαβον. ὅπως οὖν ἔσεσθε ἄνδρες ἄξιοι τῆς ἐλευθερίας ἧς κέκτησθε καὶ ἧς ὑμᾶς ἐγὼ εὐδαιμονίζω. εὗ γὰρ ἴστε ὅτι τὴν ἐλευθερίαν ἐλοίμην ἂν ἀντὶ ὧν ἔχω πάντων καὶ ἄλλων πολλαπλασίῳν. [1.7.4] ὅπως δὲ καὶ εἰδῆτε εἰς οἶον ἔρχεσθε ἀγῶνα, ὑμᾶς εἰδὼς διδάξω. τὸ μὲν γὰρ πλῆθος πολὺ καὶ κραυγῇ πολλῇ ἐπιάσιν· ἂν δὲ ταῦτα ἀνάσχησθε, τὰ ἄλλα καὶ αἰσχύνεσθαι μοι δοκῶ οἴους ἡμῖν γνώσεσθε τοὺς ἐν τῇ χώρᾳ ὄντας ἀνθρώπους. ὑμῶν δὲ ἀνδρῶν ὄντων καὶ εὗ τῶν ἐμῶν γενομένων, ἐγὼ ὑμῶν τὸν μὲν οἴκαδε βουλόμενον ἀπιέναι τοῖς οἴκοι ζηλωτὸν ποιήσω ἀπελθεῖν, πολλοὺς δὲ οἶμαι ποιήσιν τὰ παρ' ἐμοὶ ἐλέσθαι ἀντὶ τῶν οἴκοι.» [1.7.5] ἐνταῦθα Γαυλίτης παρών, φυγὰς Σάμιος, πιστὸς δὲ Κύρῳ, εἶπεν· «καὶ μὴν, ὦ Κύρε, λέγουσί τινες ὅτι πολλὰ ὑπισχνῇ νῦν διὰ τὸ ἐν τοιούτῳ εἶναι τοῦ κινδύνου προσιόντος, ἂν δὲ εὗ γένηται τι, οὐ μεμνήσεσθαι σέ φασιν· ἔνιοι δὲ οὐδ' εἰ μεμνήῳ τε καὶ βούλοιο δύνασθαι ἂν ἀποδοῦναι ὅσα ὑπισχνῇ.» [1.7.6] ἀκούσας ταῦτα ἔλεξεν ὁ Κύρος· «ἀλλ' ἔστι μὲν ἡμῖν, ὦ ἄνδρες, ἀρχὴ πατριᾶ πρὸς μὲν μεσημβρίαν μέχρι οὗ διὰ καῦμα οὐ δύνανται οἰκεῖν ἄνθρωποι, πρὸς δὲ ἄρκτον μέχρι οὗ διὰ χειμῶνα· τὰ δ' ἐν μέσῳ τούτων πάντα σατραπεύουσιν οἱ τοῦ ἐμοῦ ἀδελφοῦ φίλοι. [1.7.7] ἦν δ' ἡμεῖς νικήσωμεν, ἡμᾶς δεῖ τοὺς ἡμετέρους φίλους τούτων ἐγκρατεῖς ποιῆσαι. ὥστε οὐ τοῦτο δέδοικα, μὴ οὐκ ἔχω ὅ τι δῶ ἐκάστωι τῶν φίλων, ἂν εὗ γένηται, ἀλλὰ μὴ οὐκ ἔχω ἱκανοὺς οἷς δῶ. ὑμῶν δὲ τῶν Ἑλλήνων καὶ στέφανον ἐκάστωι χρυσοῦν δώσω.» [1.7.8] οἱ δὲ ταῦτα ἀκούσαντες αὐτοὶ τε ἦσαν πολὺ προθυμότεροι καὶ τοῖς ἄλλοις ἐξήγγελλον. εἰσῆσαν δὲ παρ' αὐτὸν οἱ τε στρατηγοὶ καὶ τῶν ἄλλων Ἑλλήνων τινὲς ἀξιοῦντες εἰδέναι τί σφίσιν ἔσται, ἐὰν κρατήσωσιν. ὁ δὲ ἐμπιπλὰς ἀπάντων τὴν γνώμην ἀπέπεμπε. [1.7.9] παρεκελεύοντο δὲ αὐτῷ πάντες ὅσοι περ διελέγοντο μὴ μάχεσθαι, ἀλλ' ὀπισθεν ἑαυτῶν τάττεσθαι. ἐν δὲ τῷ καιρῷ τούτῳ Κλέαρχος ᾧδὲ πῶς ἦρετο τὸν Κύρον· «οἶει γάρ σοι μαχεῖσθαι, ὦ Κύρε, τὸν ἀδελφόν;» «νῆ Δί', ἔφη ὁ Κύρος, εἴπερ γε Δαρείου καὶ Παρυσάτιδός ἐστι παῖς, ἐμὸς δὲ ἀδελφός, οὐκ ἀμαχεῖ

ταῦτ' ἐγὼ λήψομαι.» [1.7.10] ἐνταῦθα δὴ ἐν τῇ ἐξοπλισίᾳ ἀριθμὸς ἐγένετο τῶν μὲν Ἑλλήνων ἀσπὶς μυρία καὶ τετρακοσία, πελτασταὶ δὲ δισχίλιοι καὶ πεντακόσιοι, τῶν δὲ μετὰ Κύρου βαρβάρων δέκα μυριάδες καὶ ἄρματα δρεπανηφόρα ἀμφὶ τὰ εἴκοσι. [1.7.11] τῶν δὲ πολέμιων ἐλέγοντο εἶναι ἑκατὸν καὶ εἴκοσι μυριάδες καὶ ἄρματα δρεπανηφόρα διακόσια. ἄλλοι δὲ ἦσαν ἐξακισχίλιοι ἱππεῖς, ὧν Ἀρταγέρσης ἦρχεν· οὗτοι δ' αὖ πρὸ αὐτοῦ βασιλέως τεταγμένοι ἦσαν. [1.7.12] τοῦ δὲ βασιλέως στρατεύματος ἦσαν ἄρχοντες καὶ στρατηγοὶ καὶ ἡγεμόνες τέτταρες, τριάκοντα μυριάδων ἕκαστος, Ἀβροκόμας, Τισσαφέρνης, Γωβρύας, Ἀρβάκης. τούτων δὲ παρεγένοντο ἐν τῇ μάχῃ ἐνενήκοντα μυριάδες καὶ ἄρματα δρεπανηφόρα ἑκατὸν καὶ πεντήκοντα· Ἀβροκόμας δὲ ὑστέρησε τῆς μάχης ἡμέραις πέντε, ἐκ Φοινίκης ἐλαύνων. [1.7.13] ταῦτα δὲ ἡγγέλλον πρὸς Κῦρον οἱ αὐτομολήσαντες [ἐκ τῶν πολέμιων] παρὰ μεγάλου βασιλέως πρὸ τῆς μάχης, καὶ μετὰ τὴν μάχην οἱ ὕστερον ἐλήφθησαν τῶν πολέμιων ταῦτα ἡγγέλλον. [1.7.14] ἐντεῦθεν δὲ Κῦρος ἐξελαύνει σταθμὸν ἓνα παρασάγγας τρεῖς συντεταγμένῳ τῷ στρατεύματι παντὶ καὶ τῷ Ἑλληνικῷ καὶ τῷ βαρβαρικῷ· ὦιετο γὰρ ταύτῃ τῇ ἡμέρᾳ μαχεῖσθαι βασιλέα· κατὰ γὰρ μέσον τὸν σταθμὸν τοῦτον τάφρος ἦν ὀρυκτὴ βαθεῖα, τὸ μὲν εὗρος ὀργυιαί πέντε, τὸ δὲ βάθος ὀργυιαί τρεῖς. [1.7.15] παρετέτατο δὲ ἡ τάφρος ἄνω διὰ τοῦ πεδίου ἐπὶ δώδεκα παρασάγγας μέχρι τοῦ Μηδίας τείχους. [ἐνθα αἱ διώρυχες, ἀπὸ τοῦ Τίγρητος ποταμοῦ ρέουσαι· εἰσὶ δὲ τέτταρες, τὸ μὲν εὗρος πλεθριαῖαι, βαθεῖαι δὲ ἰσχυρῶς, καὶ πλοῖα πλεῖ ἐν αὐταῖς σιταγωγὰ· εἰσβάλλουσι δὲ εἰς τὸν Εὐφράτην, διαλείπουσι δ' ἐκάστη παρασάγγην, γέφυραι, δ' ἔπεισιν.] ἦν δὲ παρὰ τὸν Εὐφράτην πάροδος στενὴ μεταξὺ τοῦ ποταμοῦ καὶ τῆς τάφρου ὥς εἴκοσι ποδῶν τὸ εὗρος· [1.7.16] ταύτην δὲ τὴν τάφρον βασιλεὺς ποιεῖ μέγας ἀντὶ ἐρύματος, ἐπειδὴ πυνθάνεται Κῦρον προσελαύνοντα. ταύτην δὴ τὴν πάροδον Κῦρός τε καὶ ἡ στρατιὰ παρῆλθε καὶ ἐγένοντο εἰσὼ τῆς τάφρου. [1.7.17] ταύτῃ μὲν οὖν τῇ ἡμέρᾳ οὐκ ἐμαχέσατο βασιλεὺς, ἀλλ' ὑποχωρούντων φανερά ἦσαν καὶ ἵππων καὶ ἀνθρώπων ἵχνη πολλά. [1.7.18] ἐνταῦθα Κῦρος Σιλανὸν καλέσας τὸν Ἀμπρακιώτην μάντιν ἔδωκεν αὐτῷ δαρεικοὺς τρισχιλίους, ὅτι τῇ ἐνδεκάτῃ ἀπ' ἐκείνης ἡμέραι πρότερον θύόμενος εἶπεν αὐτῷ ὅτι βασιλεὺς οὐ μαχεῖται δέκα ἡμερῶν, Κῦρος δ' εἶπεν· «οὐκ ἄρα ἔτι μαχεῖται, εἰ ἐν ταύταις οὐ μαχεῖται ταῖς ἡμέραις· ἐὰν δ' ἀληθεύσης, ὑπισχνοῦμαι

σοι δέκα τάλαντα.» τοῦτο τὸ χρυσίον τότε ἀπέδωκεν, ἐπεὶ παρήλθον αἱ δέκα ἡμέραι. [1.7.19] ἐπεὶ δ' ἐπὶ τῇ τάφρῳ οὐκ ἐκώλυε βασιλεὺς τὸ Κύρου στράτευμα διαβαίνειν, ἔδοξε καὶ Κύρῳ καὶ τοῖς ἄλλοις ἀπεγνώκῃν τοῦ μάχεσθαι· ὥστε τῇ ὑστεραίᾳ Κύρος ἐπορεύετο ἡμελημένως μᾶλλον. [1.7.20] τῇ δὲ τρίτῃ ἐπὶ τε τοῦ ἄρματος καθήμενος τὴν πορείαν ἐποιεῖτο καὶ ὀλίγους ἐν τάξει ἔχων πρὸ αὐτοῦ, τὸ δὲ πολὺ αὐτῷ ἀνατεταραγμένον ἐπορεύετο καὶ τῶν ὅπλων τοῖς στρατιώταις πολλὰ ἐπὶ ἀμαξῶν ἤγοντο καὶ ὑποζυγίων.

[1.8.1] καὶ ἤδη τε ἦν ἀμφὶ ἀγορὰν πλήθουσιν καὶ πλησίον ἦν ὁ σταθμὸς ἔνθα ἔμελλε καταλύειν, ἥνικα Πατηγύας, ἀνὴρ Πέρσης τῶν ἀμφὶ Κύρον χρηστός, προφαίνεται ἐλαύνων ἀνὰ κράτος ἰδρῶντι τῷ ἵππῳ, καὶ εὐθὺς πᾶσιν οἷς ἐνετύγχανεν ἐβόα καὶ βαρβαρικῶς καὶ ἑλληνικῶς ὅτι βασιλεὺς σὺν στρατεύματι πολλῷ προσέρχεται ὥς εἰς μάχην παρεσκευασμένος. [1.8.2] ἔνθα δὴ πολὺς ταραχος ἐγένετο· αὐτίκα γὰρ ἐδόκουν οἱ Ἕλληνες καὶ πάντες δὲ ἀτάκτοις σφίσιν ἐπιπεσεῖσθαι. [1.8.3] Κύρος τε καταπηδήσας ἀπὸ τοῦ ἄρματος τὸν θώρακα ἐνεδύετο καὶ ἀναβὰς ἐπὶ τὸν ἵππον τὰ παλτὰ εἰς τὰς χεῖρας ἔλαβε, τοῖς τε ἄλλοις πᾶσι παρήγγελλεν ἐξοπλίζεσθαι καὶ καθίστασθαι εἰς τὴν ἑαυτοῦ τάξιν ἕκαστον. [1.8.4] ἔνθα δὴ σὺν πολλῇ σπουδῇ καθίσταντο, Κλέαρχος μὲν τὰ δεξιὰ τοῦ κέρατος ἔχων πρὸς τῷ Εὐφράτῃ ποταμῷ, Πρόξενος δὲ ἐχόμενος, οἱ δ' ἄλλοι μετὰ τοῦτον, Μένων δὲ καὶ τὸ στράτευμα τὸ εὐώνυμον κέρας ἔσχε τοῦ Ἑλληνικοῦ. [1.8.5] τοῦ δὲ βαρβαρικοῦ ἵππεῖς μὲν Παφλαγόνες εἰς χιλίους παρὰ Κλέαρχον ἔστησαν ἐν τῷ δεξιῷ καὶ τὸ Ἑλληνικὸν πελταστικόν, ἐν δὲ τῷ εὐωνύμῳ Ἀριαῖός τε ὁ Κύρου ὑπαρχος καὶ τὸ ἄλλο βαρβαρικόν, [1.8.6] Κύρος δὲ καὶ ἵππεῖς τούτου ὅσον ἐξακόσιοι καὶ κατὰ τὸ μέσον, ὅπλισμένοι θώραξι μὲν αὐτοὶ καὶ παραμηριδίῳ καὶ κράνεσι πάντες πλὴν Κύρου· Κύρος δὲ ψιλὴν ἔχων τὴν κεφαλὴν εἰς τὴν μάχην καθίστατο [λέγεται δὲ καὶ τοὺς ἄλλους Πέρσας ψιλαῖς ταῖς κεφαλαῖς ἐν τῷ πολέμῳ διακινδυνεύειν]. [1.8.7] οἱ δ' ἵπποι πάντες [οἱ μετὰ Κύρῳ] εἶχον καὶ προμετωπίδια καὶ προστερνίδια· εἶχον δὲ καὶ μαχαίρας οἱ ἵππεῖς Ἑλληνικάς. [1.8.8] καὶ ἤδη τε ἦν μέσον ἡμέρας καὶ οὐπω καταφανεῖς ἦσαν οἱ πολέμοι· ἥνικα δὲ δεῖλῃ ἐγίγνετο, ἐφάνη κονιορτὸς ὥσπερ νεφέλῃ λευκῇ, χρόνῳ δὲ συχνῷ ὕστερον ὥσπερ μελανία τις ἐν τῷ πεδίῳ ἐπὶ πολὺ. ὅτε δὲ ἐγγύτερον ἐγίγνοντο, τάχα δὴ καὶ χαλκός τις ἦστραπτε καὶ λόγχοι καὶ αἱ τάξεις καταφανεῖς ἐγίγνοντο. [1.8.9] καὶ

ἦσαν ἱππεῖς μὲν λευκοθώρακες ἐπὶ τοῦ εὐωνύμου τῶν πολεμίων· Τισσαφέρνης ἐλέγετο τούτων ἄρχειν· ἐχόμενοι δὲ γεροφόροι, ἐχόμενοι δὲ ὀπλῖται σὺν ποδήρεσι ξυλίναις ἀσπίσιν. Αἰγύπτιοι δ' οὗτοι ἐλέγοντο εἶναι· ἄλλοι δ' ἱππεῖς, ἄλλοι τοξόται. πάντες δ' οὗτοι κατὰ ἔθνη ἐν πλαισίῳ πλήρει ἀνθρώπων ἕκαστον τὸ ἔθνος ἐπορεύετο. [1.8.10] πρὸ δὲ αὐτῶν ἄρματα διαλείποντα συχνὸν ἀπ' ἀλλήλων τὰ δὴ δρεπανηφόρα καλούμενα· εἶχον δὲ τὰ δρέπανα ἐκ τῶν ἀξόνων εἰς πλάγιον ἀποτεταμένα καὶ ὑπὸ τοῖς δίφροις εἰς γῆν βλέποντα, ὥς διακόπτειν ὅτῳ ἐντυγχάνοιεν. ἡ δὲ γνώμη ἦν ὥς εἰς τὰς τάξεις τῶν Ἑλλήνων ἐλθόντα καὶ διακόψοντα. [1.8.11] ὁ μέντοι Κῦρος εἶπεν ὅτε καλέσας παρεκελεύετο τοῖς Ἑλλήσι τὴν κραυγὴν τῶν βαρβάρων ἀνέχεσθαι, ἐψεύσθη τοῦτο· οὐ γὰρ κραυγῇ ἀλλὰ σιγῇ ὥς ἀνυστὸν καὶ ἡσυχῇ ἐν ἴσῳ καὶ βραδέως προσῆισαν. [1.8.12] καὶ ἐν τούτῳ Κῦρος παρελαύνων αὐτὸς σὺν Πίγρητι τῷ ἐρμηνεῖ καὶ ἄλλοις τρισὶν ἢ τέτταρσι τῷ Κλεάρχῳ ἐβόα ἄγειν τὸ στράτευμα κατὰ μέσον τὸ τῶν πολεμίων, ὅτι ἐκεῖ βασιλεὺς εἶη· κἂν τοῦτ', ἔφη, νικῶμεν, πάνθ' ἡμῖν πεποιήται. [1.8.13] ὁρῶν δὲ ὁ Κλέαρχος τὸ μέσον στίφος καὶ ἀκούων Κύρου ἕξω ὄντα τοῦ Ἑλληνικοῦ εὐωνύμου βασιλέα (τοσοῦτον γὰρ πλήθει περιῆν βασιλεὺς ὥστε μέσον τῶν ἑαυτοῦ ἔχων τοῦ Κύρου εὐωνύμου ἕξω ἦν) ἀλλ' ὅμως ὁ Κλέαρχος οὐκ ἤθελεν ἀποσπάσαι ἀπὸ τοῦ ποταμοῦ τὸ δεξιὸν κέρας, φοβούμενος μὴ κυκλωθεῖν ἐκατέρωθεν, τῷ δὲ Κύρῳ ἀπεκρίνατο ὅτι αὐτῷ μέλει ὅπως καλῶς ἔχοι. [1.8.14] καὶ ἐν τούτῳ τῷ καιρῷ τὸ μὲν βαρβαρικὸν στράτευμα ὁμαλῶς προΐει, τὸ δὲ Ἑλληνικὸν ἔτι ἐν τῷ αὐτῷ μένον συνετάττετο ἐκ τῶν ἔτι προσιόντων. καὶ ὁ Κῦρος παρελαύνων οὐ πᾶν πρὸς αὐτῷ στρατεύματι κατεθεᾶτο ἐκατέρωσε ἀποβλέπων εἰς τε τοὺς πολεμίους καὶ τοὺς φίλους. [1.8.15] ἰδὼν δὲ αὐτὸν ἀπὸ τοῦ Ἑλληνικοῦ Ξενοφῶν Ἀθηναῖος, πελάσας ὥς συναντῆσαι ἤρετο εἴ τι παραγγέλλοι· ὁ δ' ἐπιστήσας εἶπε καὶ λέγειν ἐκέλευε πᾶσιν ὅτι καὶ τὰ ἱερὰ καλὰ καὶ τὰ σφάγια καλὰ. [1.8.16] ταῦτα δὲ λέγων θορύβου ἤκουσε διὰ τῶν τάξεων ἰόντος, καὶ ἤρετο τίς ὁ θόρυβος εἶη. ὁ δὲ [Κλέαρχος] εἶπεν ὅτι σύνθημα παρέρχεται δεύτερον ἤδη. καὶ ὃς ἐθαύμασε τίς παραγγέλλει καὶ ἤρετο ὅ τι εἶη τὸ σύνθημα. ὁ δ' ἀπεκρίνατο· Ζεὺς σωτὴρ καὶ νίκη. [1.8.17] ὁ δὲ Κῦρος ἀκούσας, «ἀλλὰ δέχομαί τε, ἔφη, καὶ τοῦτο ἔστω.» ταῦτα δ' εἰπὼν εἰς τὴν αὐτοῦ χώραν ἀπήλαυνε. καὶ οὐκέτι τρία ἢ τέτταρα στάδια διειχέτην τὴν φάλαγγα ἀπ' ἀλλήλων ἡνίκα ἐπαιάνιζόν τε οἱ Ἕλληνες

καὶ ἤρχοντο ἀντίοι ἰέναι τοῖς πολεμίοις. [1.8.18] ὥς δὲ πορευομένων ἐξεκύμαινέ τι τῆς φάλαγγος, τὸ ὑπολειπόμενον ἤρξατο δρόμῳ θεῖν· καὶ ἅμα ἐφθέγγαντο πάντες οἷον τῷ Ἐνυαλίῳ ἐλελίζουσι, καὶ πάντες δὲ ἔθεον. λέγουσι δὲ τινες ὥς καὶ ταῖς ἀσπίσι πρὸς τὰ δόρατα ἐδούπησαν φόβον ποιοῦντες τοῖς ἵπποις. [1.8.19] πρὶν δὲ τόξωμα ἐξικνεῖσθαι ἐκκλίνουσιν οἱ βάρβαροι καὶ φεύγουσι. καὶ ἐνταῦθα δὴ ἐδίωκον μὲν κατὰ κράτος οἱ Ἕλληνες, ἐβίων δὲ ἀλλήλοις μὴ θεῖν δρόμῳ, ἀλλ' ἐν τάξει ἔπεσθαι. [1.8.20] τὰ δ' ἄρματα ἐφέροντο τὰ μὲν δι' αὐτῶν τῶν πολεμίων, τὰ δὲ καὶ διὰ τῶν Ἑλλήνων κενὰ ἡνιόχων. οἱ δ' ἐπεὶ προΐδοιεν, δίσταντο· ἔστι δ' ὅστις καὶ κατελήφθη ὥσπερ ἐν ἵπποδρόμῳ ἐκπλαγεῖς· καὶ οὐδὲν μέντοι οὐδὲ τοῦτον παθεῖν ἔφασαν, οὐδ' ἄλλος δὲ τῶν Ἑλλήνων ἐν ταύτῃ τῇ μάχῃ ἔπαθεν οὐδεὶς οὐδέν, πλὴν ἐπὶ τῷ εὐωνύμῳ τοξευθῆναί τις ἐλέγετο. [1.8.21] Κῦρος δ' ὀρῶν τοὺς Ἕλληνας νικῶντας τὸ καθ' αὐτοὺς καὶ διώκοντας, ἡδόμενος καὶ προσκυνούμενος ἤδη ὥς βασιλεὺς ὑπὸ τῶν ἄμφ' αὐτόν, οὐδ' ὥς ἐξήχθη διώκειν, ἀλλὰ συνεσπειραμένην ἔχων τὴν τῶν σὺν ἑαυτῷ ἐξακοσίων ἱππέων τάξιν ἐπεμελεῖτο ὅ τι ποιήσει βασιλεὺς. καὶ γὰρ ἦιδε αὐτόν ὅτι μέσον ἔχοι τοῦ Περσικοῦ στρατεύματος. [1.8.22] καὶ πάντες δ' οἱ τῶν βαρβάρων ἄρχοντες μέσον ἔχοντες τὸ αὐτῶν ἡγοῦνται, νομίζοντες οὕτω καὶ ἐν ἀσφαλεστάτῳ εἶναι, ἣν ἦ ἡ ἰσχὺς αὐτῶν ἐκατέρωθεν, καὶ εἴ τι παραγγεῖλαι χρήζοιεν, ἡμίσει ἂν χρόνῳ αἰσθάνεσθαι τὸ στράτευμα. [1.8.23] καὶ βασιλεὺς δὴ τότε μέσον ἔχων τῆς αὐτοῦ στρατιᾶς ὅμως ἔξω ἐγένετο τοῦ Κύρου εὐωνύμου κέρατος. ἐπεὶ δ' οὐδεὶς αὐτῷ ἐμάχετο ἐκ τοῦ ἀντίου οὐδὲ τοῖς αὐτοῦ τεταγμένοις ἔμπροσθεν, ἐπέκαμπεν ὥς εἰς κύκλωσιν. [1.8.24] ἐνθα δὴ Κῦρος δεῖσας μὴ ὀπισθεν γενόμενος κατακόψῃ τὸ Ἑλληνικὸν ἐλαύνει ἀντίος· καὶ ἐμβάλων σὺν τοῖς ἐξακοσίοις νικᾷ τοὺς πρὸ βασιλέως τεταγμένους καὶ εἰς φυγὴν ἔτρεψε τοὺς ἐξακισχιλίους, καὶ ἀποκτεῖναι λέγεται αὐτὸς τῇ ἑαυτοῦ χειρὶ Ἀρταγέρσῃ τὸν ἄρχοντα αὐτῶν. [1.8.25] ὥς δ' ἡ τροπὴ ἐγένετο, διασπείρονται καὶ οἱ Κύρου ἐξακόσιοι εἰς τὸ διώκειν ὀρμήσαντες, πλὴν πάνυ ὀλίγοι ἄμφ' αὐτόν κατελείφθησαν, σχεδὸν οἱ ὁμοτράπεζοι καλούμενοι. [1.8.26] σὺν τούτοις δὲ ὦν καθορᾷ βασιλέα καὶ τὸ ἄμφ' ἐκεῖνον στίφος· καὶ εὐθὺς οὐκ ἠνέσχετο, ἀλλ' εἰπὼν «τὸν ἄνδρα ὀρῶ» ἴετο ἐπ' αὐτόν καὶ παίει κατὰ τὸ στέρνον καὶ τιτρώσκει διὰ τοῦ θώρακος, ὥς φησι Κτησίας ὁ ἱατρός, καὶ ἰᾶσθαι αὐτὸς τὸ τραῦμά φησι. [1.8.27] παίοντα δ' αὐτόν ἀκοντίζει τις παλτῷ ὑπὸ τὸν ὀφθαλμὸν

βιαίως· καὶ ἐνταῦθα μαχόμενοι καὶ βασιλεὺς καὶ Κῦρος καὶ οἱ ἄμφ' αὐτοὺς ὑπὲρ ἑκατέρου, ὅποσοι μὲν τῶν ἀμφὶ βασιλέα ἀπέθνησκον Κτησίας λέγει· παρ' ἐκείνῳ γὰρ ἦν· Κῦρος δὲ αὐτός τε ἀπέθανε καὶ ὀκτὼ οἱ ἄριστοι τῶν περὶ αὐτὸν ἔκειντο ἐπ' αὐτῷ. [1.8.28] Ἀρταπάτης δ' ὁ πιστότατος αὐτῷ τῶν σκηπτούχων θεράπων λέγεται, ἐπειδὴ πεπτωκότα εἶδε Κῦρον, καταπηδήσας ἀπὸ τοῦ ἵππου περιπεσεῖν αὐτῷ. [1.8.29] καὶ οἱ μὲν φασὶ βασιλέα κελεῦσαί τινα ἐπισφάζαι αὐτὸν Κύρῳ, οἱ δ' ἑαυτὸν ἐπισφάζασθαι σπασάμενον τὸν ἀκινάκην· εἶχε γὰρ χρυσοῦν· καὶ στρεπτὸν δ' ἐφόρει καὶ ψέλια καὶ τᾶλλα ὥσπερ οἱ ἄριστοι Περσῶν· ἐτετίμητο γὰρ ὑπὸ Κύρου δι' εὐνοίαν τε καὶ πιστότητα.

[1.9.1] Κῦρος μὲν οὖν οὕτως ἐτελεύτησεν, ἀνὴρ ὢν Περσῶν τῶν μετὰ Κῦρον τὸν ἀρχαῖον γενομένων βασιλικώτατός τε καὶ ἄρχειν ἀξιώτατος, ὡς παρὰ πάντων ὁμολογεῖται τῶν Κύρου δοκούντων ἐν πείρᾳ γενέσθαι. [1.9.2] πρῶτον μὲν γὰρ ἔτι παῖς ὢν, ὅτ' ἐπαιδεύετο καὶ σὺν τῷ ἀδελφῷ καὶ σὺν τοῖς ἄλλοις παισὶ, πάντων πάντα κράτιστος ἐνομίζετο. [1.9.3] πάντες γὰρ οἱ τῶν ἀρίστων Περσῶν παῖδες ἐπὶ ταῖς βασιλέως θύραις παιδεύονται· ἔνθα πολλὴν μὲν σωφροσύνην καταμάθοι ἂν τις, αἰσχρὸν δ' οὐδὲν οὔτ' ἀκοῦσαι οὔτ' ἰδεῖν ἔστι. [1.9.4] θεῶνται δ' οἱ παῖδες καὶ τιμωμένους ὑπὸ βασιλέως καὶ ἀκούουσι, καὶ ἄλλους ἀτιμαζομένους· ὥστε εὐθύς παῖδες ὄντες μανθάνουσιν ἄρχειν τε καὶ ἄρχεσθαι. [1.9.5] ἔνθα Κῦρος αἰδημονέστατος μὲν πρῶτον τῶν ἡλικιωτῶν ἐδόκει εἶναι, τοῖς τε πρεσβυτέροις καὶ τῶν ἑαυτοῦ ὑποδεεστέρων μᾶλλον πείθεσθαι, ἔπειτα δὲ φιλιππότατος καὶ τοῖς ἵπποις ἄριστα χρῆσθαι· ἔκρινον δ' αὐτὸν καὶ τῶν εἰς τὸν πόλεμον ἔργων, τοξικῆς τε καὶ ἀκοντίσεως, φιλομαθέστατον εἶναι καὶ μελετηρότατον. [1.9.6] ἐπεὶ δὲ τῇ ἡλικίᾳ ἔπρεπε, καὶ φιλοθηρότατος ἦν καὶ πρὸς τὰ θηρία μέντοι φιλοκινδυνότατος. καὶ ἄρκτον ποτὲ ἐπιφερομένην οὐκ ἔτρεσεν, ἀλλὰ συμπεσὼν κατεσπάρσθη ἀπὸ τοῦ ἵππου, καὶ τὰ μὲν ἔπαθεν, ὧν καὶ τὰς ὠτειλάς εἶχεν, τέλος δὲ κατέκανε· καὶ τὸν πρῶτον μέντοι βοηθήσαντα πολλοῖς μακαριστὸν ἐποίησεν. [1.9.7] ἐπεὶ δὲ κατεπέμφθη ὑπὸ τοῦ πατρὸς σατράπης Λυδίας τε καὶ Φρυγίας τῆς μεγάλης καὶ Καππαδοκίας, στρατηγὸς δὲ καὶ πάντων ἀπεδείχθη οἷς καθήκει εἰς Καστωλοῦ πεδῖον ἀθροίζεσθαι, πρῶτον μὲν ἐπέδειξεν αὐτόν, ὅτι περὶ πλείστου ποιοῖτο, εἴ τῳ σπείσαιτο καὶ εἴ τῳ συνθοῖτο καὶ εἴ τῳ ὑπόσχοιτό τι, μηδὲν ψεύδεσθαι. [1.9.8] καὶ γὰρ οὖν ἐπίστευον μὲν

αὐτῶι αἱ πόλεις ἐπιτρεπόμεναι, ἐπίστευον δ' οἱ ἄνδρες· καὶ εἴ τις πολέμιος ἐγένετο, σπείσασθαι Κύρου ἐπίστευε μηδὲν ἂν παρὰ τὰς σπονδὰς παθεῖν. [1.9.9] τοιγαροῦν ἐπεὶ Τισσαφέρνει ἐπολέμησε, πᾶσαι αἱ πόλεις ἐκοῦσαι Κῦρον εἴλοντο ἀντὶ Τισσαφέρνους πλὴν Μιλησίων· οὗτοι δὲ ὅτι οὐκ ἤθελε τοὺς φεύγοντας προέσθαι ἐφοβοῦντο αὐτόν. [1.9.10] καὶ γὰρ ἔργῳ ἐπεδείκνυτο καὶ ἔλεγεν ὅτι οὐκ ἂν ποτε προοῖτο, ἐπεὶ ἅπαξ φίλος αὐτοῖς ἐγένετο, οὐδ' εἴ τι μὲν μείους γένοιτο, ἔτι δὲ κάκιον πράξειαν. [1.9.11] φανερός δ' ἦν καὶ εἴ τις τι ἀγαθὸν ἢ κακὸν ποιήσειεν αὐτόν, νικᾶν πειρώμενος· καὶ εὐχὴν δέ τινες αὐτοῦ ἐξέφερον ὥς εὖχοιτο τοσοῦτον χρόνον ζῆν ἔστε νικῆν καὶ τοὺς εὖ καὶ κακῶς ποιοῦντας ἀλεξόμενος. [1.9.12] καὶ γὰρ οὖν πλείστοι δὴ αὐτῶι ἐνὶ γῇ ἀνδρὶ τῶν ἐφ' ἡμῶν ἐπεθύμησαν καὶ χρήματα καὶ πόλεις καὶ τὰ ἑαυτῶν σώματα προέσθαι. [1.9.13] οὐ μὲν δὴ οὐδὲ τοῦτ' ἂν τις εἴποι, ὥς τοὺς κακούργους καὶ ἀδίκους εἶα καταγελᾶν, ἀλλὰ ἀφειδέστατα πάντων ἐτιμωρεῖτο· πολλάκις δ' ἦν ἰδεῖν παρὰ τὰς στείβομένας ὁδοὺς καὶ ποδῶν καὶ χειρῶν καὶ ὀφθαλμῶν στερομένους ἀνθρώπους· ὥστ' ἐν τῇ Κύρου ἀρχῇ ἐγένετο καὶ Ἑλλήνι καὶ βαρβάρῳ μηδὲν ἀδικοῦντι ἀδεῶς πορεύεσθαι ὅπῃ τις ἤθελεν, ἔχοντι ὃ τι προχωροῖ. [1.9.14] τοὺς γε μέντοι ἀγαθοὺς εἰς πόλεμον ὠμολόγητο διαφερόντως τιμᾶν. καὶ πρῶτον μὲν ἦν αὐτῶι πόλεμος πρὸς Πισίδας καὶ Μυσούς· στρατευόμενος οὖν καὶ αὐτὸς εἰς ταύτας τὰς χώρας, οὓς ἑώρα ἐθέλοντας κινδυνεύειν, τούτους καὶ ἄρχοντας ἐποίει ἥς κατεστρέφετο χώρας, ἔπειτα δὲ καὶ ἄλλοις δώροις ἐτίμα· [1.9.15] ὥστε φαίνεσθαι τοὺς μὲν ἀγαθοὺς εὐδαιμονεστάτους, τοὺς δὲ κακοὺς δούλους τούτων ἀξιοῦσθαι εἶναι. τοιγαροῦν πολλὴ ἦν ἀφθονία αὐτῶι τῶν ἐθελόντων κινδυνεύειν, ὅπου τις οἶοιτο Κῦρον αἰσθήσεσθαι. [1.9.16] εἷς γε μὴν δικαιοσύνην εἴ τις φανερός γένοιτο ἐπιδείκνυσθαι βουλόμενος, περὶ παντὸς ἐποιεῖτο τούτους πλουσιωτέρους ποιεῖν τῶν ἐκ τοῦ ἀδίκου φιλοκερδούντων. [1.9.17] καὶ γὰρ οὖν ἄλλα τε πολλὰ δικαίως αὐτῶι διεχειρίζετο καὶ στρατεύματι ἀληθινῶι ἐχρήσατο. καὶ γὰρ στρατηγοὶ καὶ λοχαγοί, οἱ χρημάτων ἕνεκα πρὸς ἐκεῖνον ἔπλευσαν, ἔγνωσαν κερδαλεώτερον εἶναι Κύρῳ καλῶς πειθαρχεῖν ἢ τὸ κατὰ μῆνα κέρδος. [1.9.18] ἀλλὰ μὴν εἴ τις γέ τι αὐτῶι προστάξαντι καλῶς ὑπηρετήσειεν, οὐδενὶ πώποτε ἀχάριστον εἶασε τὴν προθυμίαν. τοιγαροῦν δὴ κράτιστοι ὑπνέται παντὸς ἔργου Κύρῳ ἐλέχθησαν γενέσθαι. [1.9.19] εἰ δέ τινα ὀρήναι δεινὸν ὄντα οἰκονόμον ἐκ τοῦ

δικαίου καὶ κατασκευάζοντά τε ἥς ἄρχοι χώρας καὶ προσόδους ποιοῦντα, οὐδένα ἂν πώποτε ἀφείλετο, ἀλλ' ἀεὶ πλείω προσεδίδου· ὥστε καὶ ἡδέως ἐπόνουν καὶ θαρραλέως ἐκτῶντο καὶ ὁ ἐπέπατο αὐτὰς ἡκιστα Κῦρον ἔκρυπτεν· οὐ γὰρ φθονῶν τοῖς φανερώς πλουτοῦσιν ἐφαίνετο, ἀλλὰ πειρώμενος χρῆσθαι τοῖς τῶν ἀποκρυπτομένων χρήμασι. [1.9.20] φίλους γε μὴν, ὅσους ποιήσαιο καὶ εὖνους γνοίῃ ὄντας καὶ ἱκανοὺς κρίνειε συνεργοὺς εἶναι ὃ τι τυγχάνει βουλόμενος κατεργάζεσθαι, ὁμολογεῖται πρὸς πάντων κράτιστος δὴ γενέσθαι θεραπεύειν. [1.9.21] καὶ γὰρ αὐτὸ τοῦτο οὐπὲρ αὐτὸς ἔνεκα φίλων ὤιετο δεῖσθαι, ὥς συνεργοὺς ἔχοι, καὶ αὐτὸς ἐπειράτο συνεργὸς τοῖς φίλοις κράτιστος εἶναι τούτου ὅτου αἰσθάνοιτο ἕκαστον ἐπιθυμοῦντα. [1.9.22] δῶρα δὲ πλεῖστα μὲν οἶμαι εἶς γε ἀνὴρ ἐλάμβανε διὰ πολλὰ· ταῦτα δὲ πάντων δὴ μάλιστα τοῖς φίλοις διεδίδου, πρὸς τοὺς τρόπους ἐκάστου σκοπῶν καὶ ὅτου μάλιστα ὀρήγῃ ἕκαστον δεόμενον. [1.9.23] καὶ ὅσα τῷ σώματι αὐτοῦ πέμποι τις ἢ ὥς εἰς πόλεμον ἢ ὥς εἰς καλλωπισμόν, καὶ περὶ τούτων λέγειν αὐτὸν ἔφασαν ὅτι τὸ μὲν ἑαυτοῦ σῶμα οὐκ ἂν δύναιτο τούτοις πᾶσι κοσμηθῆναι, φίλους δὲ καλῶς κεκοσμημένους μέγιστον κόσμον ἀνδρὶ νομίζοι. [1.9.24] καὶ τὸ μὲν τὰ μεγάλα νικᾶν τοὺς φίλους εὖ ποιοῦντα οὐδὲν θαυμαστόν, ἐπειδὴ γε καὶ δυνατότερος ἦν· τὸ δὲ τῇ ἐπιμελείᾳ περιεῖναι τῶν φίλων καὶ τῷ προθυμεῖσθαι χαρίζεσθαι, ταῦτα ἔμοιγε μᾶλλον δοκεῖ ἀγαστὰ εἶναι. [1.9.25] Κῦρος γὰρ ἔπεμπε βίκους οἴνου ἡμιδεῖς πολλάκις ὁπότε πάνυ ἡδὺν λάβοι, λέγων ὅτι οὐπω δὴ πολλοῦ χρόνου τούτου ἡδίωνι οἴνῳ ἐπιτύχοι· «τούτον οὖν σοὶ ἔπεμψε καὶ δεῖται σου τήμερον τοῦτον ἐκπιεῖν σὺν οἷς μάλιστα φιλεῖς.» [1.9.26] πολλάκις δὲ χῆνας ἡμιβρώτους ἔπεμπε καὶ ἄρτων ἡμίσεα καὶ ἄλλα τοιαῦτα, ἐπιλέγειν κελεύων τὸν φέροντα· «τούτοις ἦσθη Κῦρος· βούλεται οὖν καὶ σὲ τούτων γεύσασθαι.» [1.9.27] ὅπου δὲ χιλὸς σπάνιος πάνυ εἴη, αὐτὸς δὲ δύναιτο παρασκευάσασθαι διὰ τὸ πολλοὺς ἔχειν ὑπηρέτας καὶ διὰ τὴν ἐπιμέλειαν, διαπέμπων ἐκέλευε τοὺς φίλους τοῖς τὰ ἑαυτῶν σώματα ἄγουσιν ἵπποις ἐμβάλλειν τοῦτον τὸν χιλόν, ὥς μὴ πεινῶντες τοὺς ἑαυτοῦ φίλους ἄγωσιν. [1.9.28] εἰ δὲ δὴ ποτε πορεύοιτο καὶ πλεῖστοι μέλλοιεν ὄψεσθαι, προσκαλῶν τοὺς φίλους ἐσπουδαιολογεῖτο, ὥς δηλοῖη οὕς τιμαῖ. ὥστε ἐγὼ μὲν γε, ἐξ ὧν ἀκούω, οὐδένα κρίνω ὑπὸ πλείονων πεφιλῆσθαι οὔτε Ἑλλήνων οὔτε βαρβάρων. [1.9.29] τεκμήριον δὲ τούτου καὶ τόδε. παρὰ μὲν Κύρου δούλου ὄντος οὐδεὶς ἀπήιει πρὸς βασιλέα, πλὴν Ὀρόντας

ἐπεχείρησε· καὶ οὗτος δὴ ὃν ὤιετο πιστόν οἱ εἶναι ταχὺ αὐτὸν ἦρε Κύρον ἀπῆλθον, ἐπειδὴ πολέμιοι ἀλλήλοις λέως πολλοὶ πρὸς Κύρον ἀπῆλθον, ἐπειδὴ πολέμιοι ἀλλήλοις ἐγένοντο, καὶ οὗτοι μέντοι οἱ μάλιστα ὑπ’ αὐτοῦ ἀγαπώμενοι, νομίζοντες παρὰ Κύρῳ ὄντες ἀγαθοὶ ἀξιωτέρας ἂν τιμῆς τυγχάνειν ἢ παρὰ βασιλεῖ. [1.9.30] μέγα δὲ τεκμήριον καὶ τὸ ἐν τῇ τελευτῇ τοῦ βίου αὐτῷ γενόμενον ὅτι καὶ αὐτὸς ἦν ἀγαθὸς καὶ κρίνειν ὀρθῶς ἐδύνατο τοὺς πιστοὺς καὶ εὖνους καὶ βεβαίους. [1.9.31] ἀποθνήσκοντος γὰρ αὐτοῦ πάντες οἱ περὶ αὐτὸν φίλοι καὶ συντράπεζοι ἀπέθανον μαχόμενοι ὑπὲρ Κύρου πλὴν Ἀριαίου· οὗτος δὲ τεταγμένος ἐτύγγανεν ἐπὶ τῷ εὐωνύμῳ τοῦ ἱππικοῦ ἄρχων· ὥς δ’ ἤισθετο Κύρον πεπτωκότα, ἔφυγεν ἔχων καὶ τὸ στράτευμα πᾶν οὗ ἡγεῖτο.

[1.10.1] ἐνταῦθα δὴ Κύρου ἀποτέμενεται ἡ κεφαλὴ καὶ ἡ χεὶρ ἡ δεξιὰ. βασιλεὺς δὲ [καὶ οἱ σὺν αὐτῷ] διώκων εἰσπίπτει εἰς τὸ Κύρειον στρατόπεδον· καὶ οἱ μὲν μετὰ Ἀριαίου οὐκέτι ἴστανται, ἀλλὰ φεύγουσι διὰ τοῦ αὐτῶν στρατοπέδου εἰς τὸν σταθμὸν ἔνθεν ὠρμῶντο· τέτταρες δ’ ἐλέγοντο παρασάγγαι εἶναι τῆς ὁδοῦ. [1.10.2] βασιλεὺς δὲ καὶ οἱ σὺν αὐτῷ τά τε ἄλλα πολλὰ διαρπάζουσι καὶ τὴν Φωκαΐδα τὴν Κύρου παλλακίδα τὴν σοφὴν καὶ καλὴν λεγομένην εἶναι λαμβάνει. [1.10.3] ἡ δὲ Μιλησία ἡ νεωτέρα ληφθεῖσα ὑπὸ τῶν ἀμφὶ βασιλεῖα ἐκφεύγει γυμνὴ πρὸς τῶν Ἑλλήνων οἱ ἔτυχον ἐν τοῖς σκευοφόροις ὅπλα ἔχοντες καὶ ἀντιταχθέντες πολλοὺς μὲν τῶν ἀρπαζόντων ἀπέκτειναν, οἱ δὲ καὶ αὐτῶν ἀπέθανον· οὐ μὴν ἔφυγόν γε, ἀλλὰ καὶ ταύτην ἔσωσαν καὶ τᾶλλα, ὅποσα ἐντὸς αὐτῶν καὶ χρήματα καὶ ἄνθρωποι ἐγένοντο, πάντα ἔσωσαν. [1.10.4] ἐνταῦθα διέσχον ἀλλήλων βασιλεὺς τε καὶ οἱ Ἕλληνες ὥς τριάκοντα στάδια, οἱ μὲν διώκοντες τοὺς καθ’ αὐτοὺς ὥς πάντας νικῶντες, οἱ δ’ ἀρπάζοντες ὥς ἤδη πάντες νικῶντες. [1.10.5] ἐπεὶ δ’ ἤισθοντο οἱ μὲν Ἕλληνες ὅτι βασιλεὺς σὺν τῷ στρατεύματι ἐν τοῖς σκευοφόροις εἶη, βασιλεὺς δ’ αὖ ἤκουσε Τισσαφέρνης ὅτι οἱ Ἕλληνες νικῶνεν τὸ καθ’ αὐτοὺς καὶ εἰς τὸ πρόσθεν οἰχόνται διώκοντες, ἔνθα δὴ βασιλεὺς μὲν ἀθροίζει τε τοὺς ἑαυτοῦ καὶ συντάττεται, ὁ δὲ Κλέαρχος ἐβουλευέτο Πρόξενον καλέσας (πλησιαίτατος γὰρ ἦν), εἰ πέμποιεν τινὰς ἢ πάντες ἴοιεν ἐπὶ τὸ στρατόπεδον ἀρήξοντες. [1.10.6] ἐν τούτῳ καὶ βασιλεὺς δῆλος ἦν προσιῶν πάλιν, ὥς ἐδόκει, ὀπισθεν. καὶ οἱ μὲν Ἕλληνες στραφέντες παρεσκευάζοντο ὥς ταύτην προσιόντος καὶ δεξόμενοι, ὁ δὲ βασιλεὺς ταύτη μὲν οὐκ ἦγεν, ἥ δὲ

παρήλθεν ἔξω τοῦ εὐωνύμου κέρατος ταύτη καὶ ἀπῆγεν, ἀναλαβὼν καὶ τοὺς ἐν τῇ μάχῃ πρὸς τοὺς Ἑλληνας αὐτομολήσαντας καὶ Τισσαφέρνην καὶ τοὺς σὺν αὐτῷ. [1.10.7] ὁ γὰρ Τισσαφέρνης ἐν τῇ πρώτῃ συνόδῳ οὐκ ἔφυγεν, ἀλλὰ διήλασε παρὰ τὸν ποταμὸν κατὰ τοὺς Ἑλληνας πελταστάς· διελαύνων δὲ κατέκανε μὲν οὐδένα, διαστάντες δ' οἱ Ἕλληνες ἔπαιον καὶ ἠκόντιζον αὐτούς· Ἐπισθένης δὲ Ἀμφιπολίτης ἦρχε τῶν πελταστῶν καὶ ἐλέγετο φρόνιμος γενέσθαι. [1.10.8] ὁ δ' οὖν Τισσαφέρνης ὡς μείον ἔχων ἀπηλλάγη, πάλιν μὲν οὐκ ἀναστρέφει, εἰς δὲ τὸ στρατόπεδον ἀφικόμενος τὸ τῶν Ἑλλήνων ἐκεῖ συντυγχάνει βασιλεῖ, καὶ ὁμοῦ δὴ πάλιν συνταξάμενοι ἐπορεύοντο. [1.10.9] ἐπεὶ δ' ἦσαν κατὰ τὸ εὐώνυμον τῶν Ἑλλήνων κέρας, ἔδεισαν οἱ Ἕλληνες μὴ προσάγοιεν πρὸς τὸ κέρας καὶ περιπτύξαντες ἀμφοτέρωθεν αὐτοὺς κατακόψειαν· καὶ ἐδόκει αὐτοῖς ἀναπτύσσειν τὸ κέρας καὶ ποιήσασθαι ὅπισθεν τὸν ποταμόν. [1.10.10] ἐν ᾧ δὲ ταῦτα ἐβουλεύοντο, καὶ δὴ βασιλεὺς παραμεινῶμενος εἰς τὸ αὐτὸ σχῆμα κατέστησεν ἀντίαν τὴν φάλαγγα ὥσπερ τὸ πρῶτον μαχοῦμενος συνήει. ὡς δὲ εἶδον οἱ Ἕλληνες ἐγγὺς τε ὄντας καὶ παρατεταγμένους, αὐθις παιανίσαντες ἐπῆσαν πολὺ ἔτι προθυμότερον ἢ τὸ πρόσθεν. [1.10.11] οἱ δ' αὖ βάρβαροι οὐκ ἐδέχοντο, ἀλλὰ ἐκ πλέονος ἢ τὸ πρόσθεν ἔφευγον· [1.10.12] οἱ δ' ἐπεδίωκον μέχρι κόμης τινός· ἐνταῦθα δ' ἔστησαν οἱ Ἕλληνες· ὑπὲρ γὰρ τῆς κόμης γήλοφος ἦν, ἐφ' οὗ ἀνεστράφησαν οἱ ἀμφὶ βασιλέα, πεζοὶ μὲν οὐκέτι, τῶν δὲ ἰπέων ὁ λόφος ἐνεπλήσθη, ὥστε τὸ ποιοῦμενον μὴ γινώσκειν. καὶ τὸ βασιλείον σημεῖον ὁρᾶν ἔφασαν αἰετόν τινα χρυσοῦν ἐπὶ πέλτῃ ἐπὶ ξύλῳ ἀνατεταμένον. [1.10.13] ἐπεὶ δὲ καὶ ἐνταῦθ' ἐχώρουν οἱ Ἕλληνες, λείπουσι δὴ καὶ τὸν λόφον οἱ ἰππεῖς· οὐ μὴν ἔτι ἀθρόοι ἀλλ' ἄλλοι ἄλλοθεν· ἐψιλοῦτο δ' ὁ λόφος τῶν ἰπέων· τέλος δὲ καὶ πάντες ἀπεχώρησαν. [1.10.14] ὁ οὖν Κλέαρχος οὐκ ἀνεβίβαζεν ἐπὶ τὸν λόφον, ἀλλ' ὑπ' αὐτὸν στήσας τὸ στράτευμα πέμπει Λύκιον τὸν Συρακόσιον καὶ ἄλλον ἐπὶ τὸν λόφον καὶ κελεύει κατιδόντας τὰ ὑπὲρ τοῦ λόφου τί ἐστὶν ἀπαγγεῖλαι. [1.10.15] καὶ ὁ Λύκιος ἤλασέ τε καὶ ἰδὼν ἀπαγγέλλει ὅτι φεύγουσιν ἀνὰ κράτος. [1.10.16] σχεδὸν δ' ὅτε ταῦτα ἦν καὶ ἥλιος ἐδύετο. ἐνταῦθα δ' ἔστησαν οἱ Ἕλληνες καὶ θέμενοι τὰ ὅπλα ἀνεπαύοντο· καὶ ἅμα μὲν ἐθαύμαζον ὅτι οὐδαμοῦ Κῦρος φαίνοιτο οὐδ' ἄλλος ἀπ' αὐτοῦ οὐδεὶς παρήει· οὐ γὰρ ἤιδεσαν αὐτὸν τεθνηκότα, ἀλλ' εἵκαζον ἢ διώκοντα οἴχεσθαι ἢ καταληψόμενόν τι προεληλακέναι· [1.10.17] καὶ

αὐτοὶ ἐβουλευόντο εἰ αὐτοῦ μέιναντες τὰ σκευοφόρα ἐνταῦθα ἄγοιντο ἢ ἀπίοιεν ἐπὶ τὸ στρατόπεδον. ἔδοξεν αὐτοῖς ἀπιέναι· καὶ ἀφικνοῦνται ἀμφὶ δορπηστὸν ἐπὶ τὰς σκηνάς. [1.10.18] ταύτης μὲν τῆς ἡμέρας τοῦτο τὸ τέλος ἐγένετο. καταλαμβάνουσι δὲ τῶν τε ἄλλων χρημάτων τὰ πλεῖστα διηρπασμένα καὶ εἴ τι σιτίον ἢ ποτὸν ἦν, καὶ τὰς ἀμάξας μεστὸς ἀλεύρων καὶ οἴνου, ἃς παρεσκευάσατο Κῦρος, ἵνα εἴ ποτε σφόδρα τὸ στράτευμα λάβοι ἔνδεια, διαδιδοίῃ τοῖς Ἑλλησιν (ἦσαν δ' αὗται τετρακόσiai, ὥς ἐλέγοντο, ἄμαξαι), καὶ ταύτας τότε οἱ σὺν βασιλεῖ διήρπασαν. [1.10.19] ὥστε ἄδειπνοι ἦσαν οἱ πλεῖστοι τῶν Ἑλλήνων· ἦσαν δὲ καὶ ἀνάριστοι· πρὶν γὰρ δὴ καταλῦσαι τὸ στράτευμα πρὸς ἄριστον βασιλεὺς ἐφάνη. ταύτην μὲν οὖν τὴν νύκτα οὕτω διεγένοντο.

Βιβλίον β'

[2.1.1] [ὥς μὲν οὖν ἡθροίσθη Κύρῳ τὸ Ἑλληνικὸν ὅτε ἐπὶ τὸν ἀδελφὸν Ἀρταξέρξην ἐστρατεύετο, καὶ ὅσα ἐν τῇ ἀνόδῳ ἐπράχθη καὶ ὥς ἡ μάχη ἐγένετο καὶ ὥς Κῦρος ἐτελεύτησε καὶ ὥς ἐπὶ τὸ στρατόπεδον ἐλθόντες οἱ Ἕλληνες ἐκοιμήθησαν οἰόμενοι τὰ πάντα νικᾶν καὶ Κῦρον ζῆν, ἐν τῷ πρόσθεν λόγῳ δεδήλωται.]

[2.1.2] Ἄμα δὲ τῇ ἡμέρᾳ συνελθόντες οἱ στρατηγοὶ ἐθαύμαζον ὅτι Κῦρος οὔτε ἄλλον πέμπει σηματοῦντα ὃ τι χρὴ ποιεῖν οὔτε αὐτὸς φαίνοιτο. ἔδοξεν οὖν αὐτοῖς συσκευασαμένοις ἅ εἶχον καὶ ἐξοπλισαμένοις προΐεναι εἰς τὸ πρόσθεν, ἕως Κύρῳ συμμείξειαν.

[2.1.3] ἤδη δὲ ἐν ὁρμῇ ὄντων ἅμα ἡλίῳ ἀνέχοντι ἦλθε Προκλῆς ὁ Τευθρανίας ἄρχων, γεγονὼς ἀπὸ Δαμαράτου τοῦ Λάκωνος, καὶ Γλοῦς ὁ Ταμῷ. οὗτοι ἔλεγον ὅτι Κῦρος μὲν τέθνηκεν, Ἀριαῖος δὲ πεφευγὼς ἐν τῷ σταθμῷ εἶη μετὰ τῶν ἄλλων βαρβάρων ὅθεν τῇ προτεραίᾳ ὠρμῶντο, καὶ λέγει ὅτι ταύτην μὲν τὴν ἡμέραν περιμένοιν αὐτούς, εἰ μέλλοιεν ἥκειν, τῇ δὲ ἄλλῃ ἀπιέναι φαίη ἐπὶ Ἰωνίας, ὅθενπερ ἦλθε. [2.1.4] ταῦτα ἀκούσαντες οἱ στρατηγοὶ καὶ οἱ ἄλλοι Ἕλληνες πυνθανόμενοι βαρέως ἔφερον. Κλέαρχος δὲ τάδε εἶπεν· «ἀλλ' ὦφελε μὲν Κῦρος ζῆν· ἐπεὶ δὲ τετελεύτηκεν,

ἀπαγγέλλετε Ἀριαίῳ ὅτι ἡμεῖς νικῶμέν τε βασιλέα καί, ὥς ὁρᾶτε, οὐδεὶς ἔτι ἡμῖν μάχεται, καί, εἰ μὴ ὑμεῖς ἦλθετε, ἐπορευόμεθα ἂν ἐπὶ βασιλέα. ἐπαγγελλόμεθα δὲ Ἀριαίῳ, ἐὰν ἐνθάδε ἔλθῃ, εἰς τὸν θρόνον τὸν βασιλείῳ καθιεῖν αὐτόν· τῶν γὰρ μάχην νικόντων καὶ τὸ ἄρχεῖν ἐστὶ.» [2.1.5] ταῦτα εἰπὼν ἀποστέλλει τοὺς ἀγγέλους καὶ σὺν αὐτοῖς Χειρίσοφον τὸν Λάκωνα καὶ Μένωνα τὸν Θετταλόν· καὶ γὰρ αὐτὸς Μένων ἐβούλετο· ἦν γὰρ φίλος καὶ ξένος Ἀριαίου. [2.1.6] οἱ μὲν ὦιχοντο, Κλέαρχος δὲ περιέμενε· τὸ δὲ στράτευμα ἐπορίζετο σῖτον, ὅπως ἐδύνατο, ἐκ τῶν ὑποζυγίων κόπτοντες τοὺς βοῦς καὶ ὄνους· ξύλοις δὲ ἐχρῶντο μικρὸν προϊόντες ἀπὸ τῆς φάλαγγος, οὗ ἡ μάχη ἐγένετο, τοῖς τε οἰστοῖς πολλοῖς οὖσιν, οὓς ἠνάγκαζον οἱ Ἕλληνες ἐκβάλλειν τοὺς αὐτομολοῦντας παρὰ βασιλέως, καὶ τοῖς γέρροις καὶ ταῖς ἀσπίσι ταῖς ξυλίναις ταῖς Αἰγυπτίαις· πολλὰ δὲ καὶ πέλται καὶ ἅμαζαι ἦσαν φέρεσθαι ἔρημοι· οἷς πᾶσι χρώμενοι κρέα ἔψοντες ἦσθιον ἐκείνην τὴν ἡμέραν. [2.1.7] καὶ ἤδη τε ἦν περὶ πλήθουσιν ἀγορὰν καὶ ἔρχονται παρὰ βασιλέως καὶ Τισσαφέρνης κήρυκες οἱ

μὲν ἄλλοι βάρβαροι, ἦν δ' αὐτῶν Φαλῖνος εἷς Ἑλλήν, ὃς ἐτύγγανε παρὰ Τισσαφέρνει ὦν καὶ ἐντίμως ἔχων· καὶ γὰρ προσεποιεῖτο ἐπιστήμων εἶναι τῶν ἀμφὶ τάξεις τε καὶ ὀπλομαχίαν. [2.1.8] οὗτοι δὲ προσελθόντες καὶ καλέσαντες τοὺς τῶν Ἑλλήνων ἄρχοντας λέγουσιν ὅτι βασιλεὺς κελεύει τοὺς Ἑλληνας, ἐπεὶ νικῶν τυγχάνει καὶ Κῦρον ἀπέκτονε, παραδόντας τὰ ὄπλα ἰόντας ἐπὶ βασιλέως θύρας εὐρίσκεσθαι ἂν τι δύνωνται ἀγαθόν. [2.1.9] ταῦτα μὲν εἶπον οἱ βασιλέως κήρυκες· οἱ δὲ Ἑλληνες βαρέως μὲν ἤκουσαν, ὅμως δὲ Κλέαρχος τοσοῦτον εἶπεν, ὅτι οὐ τῶν νικῶντων εἶη τὰ ὄπλα παραδιδόναι· ἀλλ', ἔφη, ὑμεῖς μὲν, ὧ ἄνδρες στρατηγοί, τοῦτοις ἀποκρίνασθε ὃ τι κάλλιστόν τε καὶ ἄριστον ἔχετε· ἐγὼ δὲ αὐτίκα ἦξω. ἐκάλεσε γὰρ τις αὐτὸν τῶν ὑπηρετῶν, ὅπως ἴδοι τὰ ἱερὰ ἐξηρημμένα· ἔτυχε γὰρ θυόμενος. [2.1.10] ἔνθα δὴ ἀπεκρίνατο Κλεάνωρ ὁ Ἀρκάς, πρεσβύτατος ὢν, ὅτι πρόσθεν ἂν ἀποθάνοιεν ἢ τὰ ὄπλα παραδοίησαν· Πρόξενος δὲ ὁ Θηβαῖος, «ἀλλ' ἐγὼ, ἔφη, ὧ Φαλῖνε, θαυμάζω πότερα ὡς κρατῶν βασιλεὺς αἰτεῖ τὰ ὄπλα ἢ ὡς διὰ φιλίαν δῶρα. εἰ μὲν γὰρ ὡς κρατῶν, τί δεῖ αὐτὸν αἰτεῖν καὶ οὐ λαβεῖν ἐλθόντα; εἰ δὲ πείσας βούλεται λαβεῖν, λεγέτω τί ἔσται τοῖς στρατιώταις, ἐὰν αὐτῷ ταῦτα χαρίσωνται.» [2.1.11] πρὸς ταῦτα Φαλῖνος εἶπε· «βασιλεὺς νικᾶν ἡγεῖται, ἐπεὶ Κῦρον ἀπέκτεινε. τίς γὰρ αὐτῷ ἔστιν ὅστις τῆς ἀρχῆς ἀντιποιεῖται; νομίζει δὲ καὶ ὑμᾶς ἑαυτοῦ εἶναι, ἔχων ἐν μέσῃ τῇ ἑαυτοῦ χώρῃ καὶ ποταμῶν ἐντὸς ἀδιαβάτων καὶ πλῆθος ἀνθρώπων ἐφ' ὑμᾶς δυνάμενος ἀγαγεῖν, ὅσον οὐδ' εἰ παρέχοι ὑμῖν δύναισθε ἂν ἀποκτεῖναι.» [2.1.12] μετὰ τοῦτον Θεόπομπος Ἀθηναῖος εἶπεν· «ὧ Φαλῖνε, νῦν, ὡς σὺ ὀράῃς, ἡμῖν οὐδὲν ἔστιν ἀγαθὸν ἄλλο εἰ μὴ ὄπλα καὶ ἀρετὴ. ὄπλα μὲν οὖν ἔχοντες οἴομεθα ἂν καὶ τῇ ἀρετῇ χρῆσθαι, παραδόντες δ' ἂν ταῦτα καὶ τῶν σωμάτων στερηθῆναι. μὴ οὖν οἴου τὰ μόνα ἀγαθὰ ἡμῖν ὄντα ὑμῖν παραδώσειν, ἀλλὰ σὺν τούτοις καὶ περὶ τῶν ὑμετέρων ἀγαθῶν μαχοῦμεθα.» [2.1.13] ἀκούσας δὲ ταῦτα ὁ Φαλῖνος ἐγέλασε καὶ εἶπεν· «ἀλλὰ φιλοσόφῳ μὲν ἔοικας, ὧ νεανίσκε, καὶ λέγεις οὐκ ἀχάριστα· ἴσθι μέντοι ἀνόητος ὢν, εἰ οἶε τὴν ὑμετέραν ἀρετὴν περιγενέσθαι ἂν τῆς βασιλέως δυνάμεως.» [2.1.14] ἄλλους δὲ τινες ἔφασαν λέγειν ὑπομαλακίζομένους, ὡς καὶ Κύρῳ πιστοὶ ἐγένοντο καὶ βασιλεῖ ἂν πολλοῦ ἄξιοι γένοιτο, εἰ βούλοιο φίλος γενέσθαι· καὶ εἴτε ἄλλο τι θέλοι χρῆσθαι εἴτ' ἐπ' Αἴγυπτον στρατεύειν, συγκαταστρέψαι τ' ἂν αὐτῷ. [2.1.15] ἐν τούτῳ Κλέαρχος ἦκε, καὶ ἠρώτησεν εἰ ἤδη

ἀποκεκριμένοι εἶεν. Φαλῖνος δὲ ὑπολαβὼν εἶπεν· «οὔτοι μὲν, ὦ Κλέαρχε, ἄλλος ἄλλα λέγει· σὺ δ' ἡμῖν εἰπὲ τί λέγεις.» [2.1.16] ὁ δ' εἶπεν· «ἐγὼ σε, ὦ Φαλῖνε, ἄσμενος ἐόρακα, οἶμαι δὲ καὶ οἱ ἄλλοι πάντες· σὺ τε γὰρ Ἑλλην ἐῖ καὶ ἡμεῖς τοσοῦτοι ὄντες ὅσους σὺ ὀρᾷς· ἐν τοιούτοις δὲ ὄντες πράγμασι συμβουλευόμεθά σοι τί χρὴ ποιεῖν περὶ ὧν λέγεις. [2.1.17] σὺ οὖν πρὸς θεῶν συμβούλευσον ἡμῖν ὅ τι σοι δοκεῖ κάλλιστον καὶ ἄριστον εἶναι, καὶ ὃ σοι τιμὴν οἴσει εἰς τὸν ἔπειτα χρόνον [ἀνα]λεγόμενον, ὅτι Φαλῖνός ποτε πεμφθεὶς παρὰ βασιλέως κελεύσων τοὺς Ἑλλήνας τὰ ὅπλα παραδοῦναι συμβουλευομένοις συνεβούλευσεν αὐτοῖς τάδε. οἴσθα δὲ ὅτι ἀνάγκη λέγεσθαι ἐν τῇ Ἑλλάδι ἃ ἂν συμβουλευέσῃς.» [2.1.18] ὁ δὲ Κλέαρχος ταῦτα ὑπήγετο βουλόμενος καὶ αὐτὸν τὸν παρὰ βασιλέως πρεσβεύοντα συμβουλευῆσαι μὴ παραδοῦναι τὰ ὅπλα, ὅπως εὐέλπιδες μᾶλλον εἶεν οἱ Ἕλληνες. Φαλῖνος δὲ ὑποστρέψας παρὰ τὴν δόξαν αὐτοῦ εἶπεν· [2.1.19] «ἐγώ, εἰ μὲν τῶν μυρίων ἐλπίδων μία τις ὑμῖν ἐστὶ σωθῆναι πολεμοῦντας βασιλεῖ, συμβουλεύω μὴ παραδιδόναι τὰ ὅπλα· εἰ δέ τοι μηδεμία σωτηρίας ἐστὶν ἐλπίς ἄκοντος βασιλέως, συμβουλεύω σῆζεσθαι ὑμῖν ὅπῃ δυνατόν.» [2.1.20] Κλέαρχος δὲ πρὸς ταῦτα εἶπεν· «ἀλλὰ ταῦτα μὲν δὴ σὺ λέγεις· παρ' ἡμῶν δὲ ἀπάγγελλε τάδε, ὅτι ἡμεῖς οἴομεθα, εἰ μὲν δέοι βασιλεῖ φίλους εἶναι, πλείονος ἂν ἄξιοι εἶναι φίλοι ἔχοντες τὰ ὅπλα ἢ παραδόντες ἄλλωι, εἰ δὲ δέοι πολεμεῖν, ἄμεινον ἂν πολεμεῖν ἔχοντες τὰ ὅπλα ἢ ἄλλωι παραδόντες.» [2.1.21] ὁ δὲ Φαλῖνος εἶπε· «ταῦτα μὲν δὴ ἀπαγγελοῦμεν· ἀλλὰ καὶ τάδε ὑμῖν εἰπεῖν ἐκέλευσε βασιλεύς, ὅτι μένουσι μὲν ὑμῖν αὐτοῦ σπονδαὶ εἴησαν, προῖοῦσι δὲ καὶ ἀπιοῦσι πόλεμος. εἶπατε οὖν καὶ περὶ τούτου πότερα μενεῖτε καὶ σπονδαὶ εἰσιν ἢ ὡς πολέμου ὄντος παρ' ὑμῶν ἀπαγγελῶ.» [2.1.22] Κλέαρχος δ' ἔλεξεν· «ἀπάγγελλε τοῖνυν καὶ περὶ τούτου ὅτι καὶ ἡμῖν ταῦτά δοκεῖ ἄπερ καὶ βασιλεῖ.» «τί οὖν ταῦτά ἐστιν;» ἔφη ὁ Φαλῖνος. ἀπεκρίνατο Κλέαρχος· «ἦν μὲν μένωμεν, σπονδαί, ἀπιοῦσι δὲ καὶ προῖοῦσι πόλεμος.» [2.1.23] ὁ δὲ πάλιν ἠρώτησε· «σπονδὰς ἢ πόλεμον ἀπαγγελῶ;» Κλέαρχος δὲ ταῦτά πάλιν ἀπεκρίνατο· «σπονδαὶ μὲν μένουσιν, ἀπιοῦσι δὲ καὶ προῖοῦσι πόλεμος.» ὅ τι δὲ ποιήσει οὐ διεσήμνηε.

[2.2.1] Φαλῖνος μὲν δὴ ὦχετο καὶ οἱ σὺν αὐτῷ. οἱ δὲ παρὰ Ἀριαίου ἦκον Προκλῆς καὶ Χειρίσοφος· Μένων δὲ αὐτοῦ ἔμενε παρὰ Ἀριαίωι· οὔτοι δὲ ἔλεγον ὅτι πολλοὺς φαίη Ἀριαῖος εἶναι Πέρσας ἑαυτοῦ βελτίους, οὓς οὐκ ἂν ἀνασχέσθαι αὐτοῦ βασιλεύοντος· «ἀλλ'

εἰ βούλεσθε συναπιέναι, ἥκειν ἤδη κελεύει τῆς νυκτός. εἰ δὲ μή, αὖριον πρῶι ἀπιέναι φησίν.» [2.2.2] ὁ δὲ Κλέαρχος εἶπεν· «ἀλλ' οὕτω χρή ποιεῖν· ἐὰν μὲν ἤκωμεν, ὥσπερ λέγετε· εἰ δὲ μή, πράττετε ὅποιον ἂν τι ὑμῖν οἴσηθε μάλιστα συμφέρειν. ὅ τι δὲ ποιήσοι οὐδὲ τούτοις εἶπε. [2.2.3] μετὰ ταῦτα ἡδὴ ἡλίου δύνοντος συγκαλέσας στρατηγούς καὶ λοχαγούς ἔλεξε τοιάδε. «ἐμοί, ὧ ἄνδρες, θυομένωι ἰέναι ἐπὶ βασιλέα οὐκ ἐγίγνετο τὰ ἱερά. καὶ εἰκότως ἄρα οὐκ ἐγίγνετο· ὥς γὰρ ἐγὼ νῦν πυνθάνομαι, ἐν μέσσωι ἡμῶν καὶ βασιλέως ὁ Τίγρης ποταμός ἐστι ναυσίπορος, ὃν οὐκ ἂν δυνάμεθα ἄνευ πλοίων διαβῆναι· πλοῖα δὲ ἡμεῖς οὐκ ἔχομεν. οὐ μὲν δὴ αὐτοῦ γε μένειν οἶόν τε· τὰ γὰρ ἐπιτήδεια οὐκ ἔστιν ἔχειν· ἰέναι δὲ παρὰ τοὺς Κύρου φίλους πάνυ καλὰ ἡμῖν τὰ ἱερά ἦν. [2.2.4] ὧδε οὖν χρή ποιεῖν· ἀπιόντας δειπνεῖν ὅ τι τις ἔχει· ἐπειδὰν δὲ σημήνηι τῷι κέρατι ὥς ἀναπαύεσθαι, συσκευάζεσθε· ἐπειδὰν δὲ τὸ δεύτερον, ἀνατίθεσθε ἐπὶ τὰ ὑποζύγια· ἐπὶ δὲ τῷι τρίτῳ ἔπεσθε τῷι ἡγουμένῳ, τὰ μὲν ὑποζύγια ἔχοντες πρὸς τοῦ ποταμοῦ, τὰ δὲ ὄπλα ἔξω.» [2.2.5] ταῦτ' ἀκούσαντες οἱ στρατηγοὶ καὶ λοχαγοὶ ἀπῆλθον καὶ ἐποιοῦν οὕτω. καὶ τὸ λοιπὸν ὁ μὲν ἤρχεν, οἱ δὲ ἐπείθοντο, οὐχ ἐλόμενοι, ἀλλὰ ὀρῶντες ὅτι μόνος ἐφρόνει οἷα δεῖ τὸν ἄρχοντα, οἱ δ' ἄλλοι ἄπειροι ἦσαν.

[2.2.6] [ἀριθμὸς τῆς ὁδοῦ ἦν ἦλθον ἐξ Ἐφέσου τῆς Ἰωνίας μέχρι τῆς μάχης σταθμοὶ τρεῖς καὶ ἐνενήκοντα, παρασάγγαι πέντε καὶ τριάκοντα καὶ πεντακόσιοι, στάδιοι πεντήκοντα καὶ ἑξακισχίλιοι καὶ μύριοι· ἀπὸ δὲ τῆς μάχης ἐλέγοντο εἶναι εἰς Βαβυλῶνα στάδιοι ἐξήκοντα καὶ τριακόσιοι.]

[2.2.7] ἐντεῦθεν ἐπεὶ σκότος ἐγένετο Μιλτοκύθης μὲν ὁ Θρᾷξ ἔχων τοὺς τε ἱππέας τοὺς μεθ' ἑαυτοῦ εἰς τετταράκοντα καὶ τῶν πεζῶν Θρᾷκῶν ὥς τριακοσίους ἠῆτομόλησε πρὸς βασιλέα. [2.2.8] Κλέαρχος δὲ τοῖς ἄλλοις ἡγεῖτο κατὰ τὰ παρηγγελμένα, οἱ δ' εἶποντο· καὶ ἀφικνοῦνται εἰς τὸν πρῶτον σταθμὸν παρ' Ἀριαῖον καὶ τὴν ἐκείνου στρατιὰν ἀμφὶ μέσας νύκτας· καὶ ἐν τάξει θέμενοι τὰ ὄπλα συνῆλθον οἱ στρατηγοὶ καὶ λοχαγοὶ τῶν Ἑλλήνων παρ' Ἀριαῖον· καὶ ὤμοσαν οἷ τε Ἑλλήνες καὶ ὁ Ἀριαῖος καὶ τῶν σὺν αὐτῷι οἱ κράτιστοι μήτε προδώσειν ἀλλήλους σύμμαχοί τε ἔσεσθαι· οἱ δὲ βάρβαροι προσώμοσαν καὶ ἡγήσεσθαι ἀδόλως. [2.2.9] ταῦτα δ' ὤμοσαν, σφάζαντες ταῦρον καὶ κάπρον καὶ κριὸν εἰς ἀσπίδα, οἱ μὲν Ἑλλήνες βάπτοντες ξίφος, οἱ δὲ βάρβαροι λόγχην. [2.2.10] ἐπεὶ δὲ τὰ πιστὰ ἐγένετο, εἶπεν ὁ Κλέαρχος· «ἄγε δὴ, ὦ Ἀριαῖε, ἐπεὶπερ ὁ αὐτὸς ὑμῖν

στόλος ἐστὶ καὶ ἡμῖν, εἰπὲ τίνα γνώμην ἔχεις περὶ τῆς πορείας, πότερον ἄπιμεν ἢνπερ ἤλθομεν ἢ ἄλλην τινὰ ἐννενοηκέναι δοκεῖς ὁδὸν κρείττω.» [2.2.11] ὁ δ' εἶπεν· «ἦν μὲν ἤλθομεν ἀπίοντες παντελῶς ἂν ὑπὸ λιμοῦ ἀπολοίμεθα· ὑπάρχει γὰρ νῦν ἡμῖν οὐδὲν τῶν ἐπιτηδείων. ἑπτακαίδεκα γὰρ σταθμῶν τῶν ἐγγυτάτω οὐδὲ δεῦρο ἰόντες ἐκ τῆς χώρας οὐδὲν εἴχομεν λαμβάνειν· ἔνθα δέ τι ἦν, ἡμεῖς διαπορευόμενοι κατεδαπανήσαμεν. νῦν δ' ἐπινοοῦμεν πορεύεσθαι μακροτέραν μὲν, τῶν δ' ἐπιτηδείων οὐκ ἀπορήσομεν. [2.2.12] πορευτέον δ' ἡμῖν τοὺς πρώτους σταθμοὺς ὡς ἂν δυνώμεθα μακροτάτους, ἵνα ὡς πλεῖστον ἀποσπᾶσωμεν τοῦ βασιλικοῦ στρατεύματος· ἦν γὰρ ἅπαξ δύο ἢ τριῶν ἡμερῶν ὁδὸν ἀπόσχωμεν, οὐκέτι μὴ δύνηται βασιλεὺς ἡμᾶς καταλαβεῖν. ὀλίγωι μὲν γὰρ στρατεύματι οὐ τολμήσει ἐφέπεσθαι· πολὺν δ' ἔχων δ' ἔχων στόλον οὐ δυνήσεται ταχέως πορεύεσθαι· ἴσως δὲ καὶ τῶν ἐπιτηδείων σπανιεῖ. ταύτην, ἔφη, τὴν γνώμην ἔχω ἔγωγε.»

[2.2.13] ἦν δὲ αὕτη ἡ στρατηγία οὐδὲν ἄλλο δυναμένη ἢ ἀποδρᾶναι ἢ ἀποφυγεῖν· ἡ δὲ τύχη ἐστρατήγησε κάλλιον. ἐπεὶ γὰρ ἡμέρα ἐγένετο, ἐπορεύοντο ἐν δεξιᾷ ἔχοντες τὸν ἥλιον, λογιζόμενοι ἥξειν ἅμα ἡλίῳ δύνοντι εἰς κόμας τῆς Βαβυλωνίας χώρας· καὶ τοῦτο μὲν οὐκ ἐψεύσθησαν. [2.2.14] ἔτι δὲ ἀμφὶ δείλην ἔδοξαν πολεμίους ὁρᾶν ἱππείας· καὶ τῶν τε Ἑλλήνων οἳ μὴ ἔτυχον ἐν ταῖς τάξεσιν ὄντες εἰς τὰς τάξεις ἔθεον, καὶ Ἀριαῖος (ἐτύγχανε γὰρ ἐφ' ἀμάξης πορευόμενος διότι ἐτέτρωτο) καταβὰς ἐθωρακίζετο καὶ οἱ σὺν αὐτῷ. [2.2.15] ἐν ᾧ δὲ ὠπλίζοντο ἤκον λέγοντες οἱ προπεμφθέντες σκοποὶ ὅτι οὐχ ἱππεῖς εἰσιν, ἀλλ' ὑποζύγια νέμοιντο. καὶ εὐθὺς ἔγνωσαν πάντες ὅτι ἐγγὺς που ἐστρατοπεδεύετο βασιλεὺς· καὶ γὰρ καπνὸς ἐφαίνετο ἐν κόμαις οὐ πρόσω. [2.2.16] Κλέαρχος δὲ ἐπὶ μὲν τοὺς πολεμίους οὐκ ἦγεν· ἦιδει γὰρ καὶ ἀπειρηκότας τοὺς στρατιώτας καὶ ἀσίτους ὄντας· ἦδη δὲ καὶ ὁπὲ ἦν· οὐ μέντοι οὐδὲ ἀπέκλινε, φυλαττόμενος μὴ δοκοίη φεύγειν, ἀλλ' εὐθύωρον ἄγων ἅμα τῷ ἡλίῳ δυομένῳ εἰς τὰς ἐγγυτάτω κόμας τοὺς πρώτους ἄγων κατεσκήνωσεν, ἐξ ᾧν διήρπαστο ὑπὸ τοῦ βασιλικοῦ στρατεύματος καὶ αὐτὰ τὰ ἀπὸ τῶν οἰκιῶν ξύλα. [2.2.17] οἳ μὲν οὖν πρῶτοι ὁμῶς τρόπῳ τινὶ ἐστρατοπεδεύσαντο, οἳ δὲ ὕστεροι σκοταῖοι προσιόντες ὡς ἐτύγχανον ἕκαστοι ηὐλίζοντο, καὶ κραυγὴν πολλὴν ἐποίουν καλοῦντες ἀλλήλους, ὥστε καὶ τοὺς πολεμίους ἀκούειν· ὥστε οἳ μὲν ἐγγύτατα τῶν πολεμίων καὶ ἔφυγον ἐκ τῶν σκηνωμάτων. [2.2.18] διῆλον

δὲ τοῦτο τῇ ὑστεραίᾳ ἐγένετο· οὔτε γὰρ ὑποζύγιον ἔτ' οὐδὲν ἐφάνη οὔτε στρατόπεδον οὔτε καπνὸς οὐδαμοῦ πλησίον. ἐξεπλάγη δέ, ὡς ἔοικε, καὶ βασιλεὺς τῇ ἐφόδῳ τοῦ στρατεύματος. ἐδήλωσε δὲ τοῦτο οἷς τῇ ὑστεραίᾳ ἔπραττε. [2.2.19] προΐούσης μέντοι τῆς νυκτὸς ταύτης καὶ τοῖς Ἕλλησι φόβος ἐμπίπτει, καὶ θόρυβος καὶ δοῦπος ἦν οἷον εἰκὸς φόβου ἐμπεσόντος γενέσθαι. [2.2.20] Κλέαρχος δὲ Τολμίδην Ἥλεϊον, ὃν ἐτύγχανεν ἔχων παρ' ἐαυτῷ κήρυκα ἄριστον τῶν τότε, ἀνειπεῖν ἐκέλευσε σιγὴν κηρύξαντα ὅτι προαγορεύουσιν οἱ ἄρχοντες, ὃς ἂν τὸν ἀφέντα τὸν ὄνον εἰς τὰ ὄπλα μνηύσῃ, ὅτι λήψεται μισθὸν τάλαντον. [2.2.21] ἐπεὶ δὲ ταῦτα ἐκηρύχθη, ἔγνωσαν οἱ στρατιῶται ὅτι κενὸς ὁ φόβος εἶη καὶ οἱ ἄρχοντες σῶιοι. ἅμα δὲ ὀρθρῶι παρήγγειλεν ὁ Κλέαρχος εἰς τάξιν τὰ ὄπλα τίθεσθαι τοὺς Ἕλληνας ἥπερ εἶχον ὅτε ἦν ἡ μάχη.

[2.3.1] ὁ δὲ δὴ ἔγραψα ὅτι βασιλεὺς ἐξεπλάγη τῇ ἐφόδῳ, τῷδε δῆλον ἦν. τῇ μὲν γὰρ πρόσθεν ἡμέραι πέμπων τὰ ὄπλα παραδιδόναι ἐκέλευε, τότε δὲ ἅμα ἡλίῳ ἀνατέλλοντι κήρυκας ἔπεμψε περὶ σπονδῶν. [2.3.2] οἱ δ' ἐπεὶ ἦλθον πρὸς τοὺς προφύλακας, ἐζήτουν τοὺς ἄρχοντας. ἐπειδὴ δὲ ἀπήγγελλον οἱ προφύλακες, Κλέαρχος τυχὼν τότε τὰς τάξεις ἐπισκοπῶν εἶπε τοῖς προφύλαξι κελεῦειν τοὺς κήρυκας περιμένειν ἄχρι ἂν σχολάσῃ. [2.3.3] ἐπεὶ δὲ κατέστησε τὸ στράτευμα ὡς καλῶς ἔχειν ὁρᾶσθαι πάντῃ φάλαγγα πυκνήν, ἐκ τῶν ὀπλῶν δὲ μηδένα καταφανῆ εἶναι, ἐκάλεσε τοὺς ἀγγέλους, καὶ αὐτὸς τε προῆλθε τοὺς τε εὐοπλοτάτους ἔχων καὶ εὐειδεστάτους τῶν αὐτοῦ στρατιωτῶν καὶ τοῖς ἄλλοις στρατηγοῖς ταῦτά ἔφρασεν. [2.3.4] ἐπεὶ δὲ ἦν πρὸς τοῖς ἀγγέλοις, ἀνθρώπα [πρῶτα] τί βούλονται. οἱ δ' ἔλεγον ὅτι περὶ σπονδῶν ἦκοιεν ἄνδρες οἵτινες ἱκανοὶ ἔσονται τά τε παρὰ βασιλέως τοῖς Ἕλλησιν ἀπαγγεῖλαι καὶ τὰ παρὰ τῶν Ἑλλήνων βασιλεῖ. [2.3.5] ὁ δὲ ἀπεκρίνατο· «ἀπαγγέλλετε τοίνυν αὐτῷ ὅτι μάχης δεῖ πρῶτον· ἄριστον γὰρ οὐκ ἔστιν οὐδ' ὁ τολμήσων περὶ σπονδῶν λέγειν τοῖς Ἕλλησι μὴ πορίσας ἄριστον.» [2.3.6] ταῦτα ἀκούσαντες οἱ ἄγγελοι ἀπήλαινον, καὶ ἦκον ταχύ· ὧι καὶ δῆλον ἦν ὅτι ἐγγὺς που βασιλεὺς ἦν ἢ ἄλλος τις ὧι ἐπετέτακτο ταῦτα πράττειν· ἔλεγον δὲ ὅτι εἰκότα δοκοῖεν λέγειν βασιλεῖ, καὶ ἦκοιεν ἡγεμόνας ἔχοντες οἱ αὐτούς, ἐὰν σπονδαὶ γένωνται, ἄξουσιν ἔνθεν ἔξουσι τὰ ἐπιτήδεια. [2.3.7] ὁ δὲ ἡρώτα εἰ αὐτοῖς τοῖς ἀνδράσι σπένδοιτο τοῖς ἰοῦσι καὶ ἀπιοῦσιν, ἢ καὶ τοῖς ἄλλοις ἔσονται σπονδαί. οἱ δέ, «ἅπασιν, ἔφασαν, μέχρι ἂν βασιλεῖ τὰ παρ' ὑμῶν διαγγελθῇ.» [2.3.8] ἐπεὶ δὲ ταῦτα εἶπον,

μεταστησάμενος αὐτοὺς ὁ Κλέαρχος ἐβουλεύετο· καὶ ἐδόκει ταχὺ τὰς σπονδὰς ποιεῖσθαι καὶ καθ' ἡσυχίαν ἐλθεῖν τε ἐπὶ τὰ ἐπιτήδεια καὶ λαβεῖν. [2.3.9] ὁ δὲ Κλέαρχος εἶπε· «δοκεῖ μὲν κάμοι ταῦτα· οὐ μέντοι ταχὺ γε ἀπαγγελῶ, ἀλλὰ διατρίψω ἔστ' ἂν ὀκνήσωσιν οἱ ἄγγελοι μὴ ἀποδόξῃ ἡμῖν τὰς σπονδὰς ποιήσασθαι· οἶμαί γε μέντοι, ἔφη, καὶ τοῖς ἡμετέροις στρατιώταις τὸν αὐτὸν φόβον παρέσεσθαι.» ἐπεὶ δὲ ἐδόκει καιρὸς εἶναι, ἀπήγγελλεν ὅτι σπένδοιτο, καὶ εὐθὺς ἡγεῖσθαι ἐκέλευε πρὸς τὰπιτήδεια. [2.3.10] καὶ οἱ μὲν ἡγοῦντο, Κλέαρχος μέντοι ἐπορεύετο τὰς μὲν σπονδὰς ποιησάμενος, τὸ δὲ στράτευμα ἔχων ἐν τάξει, καὶ αὐτὸς ὠπισθοφυλάκει. καὶ ἐνετύγχανον τάφροις καὶ αὐλῶσιν ὕδατος πλήρεσιν, ὥς μὴ δύνασθαι διαβαίνειν ἄνευ γεφυρῶν· ἀλλ' ἐποιοῦντο διαβάσεις ἐκ τῶν φοινίκων οἱ ἦσαν ἐκπεπτωκότες, τοὺς δὲ καὶ ἐξέκοπτον. [2.3.11] καὶ ἐνταῦθα ἦν Κλέαρχον καταμαθεῖν ὥς ἐπεστάτει, ἐν μὲν τῇ ἀριστερᾷ χειρὶ τὸ δόρυ ἔχων, ἐν δὲ τῇ δεξιᾷ βακτηρίαν· καὶ εἴ τις αὐτῷ δοκοίῃ τῶν πρὸς τοῦτο τεταγμένων βλακεύειν, ἐκλεγόμενος τὸν ἐπιτήδειον ἔπαισεν ἄν, καὶ ἅμα αὐτὸς προσελάμβανεν εἰς τὸν πηλὸν ἐμβαίνων· ὥστε πᾶσιν αἰσχύνῃν εἶναι μὴ οὐ συσπουδάζειν. [2.3.12] καὶ ἐτάχθησαν πρὸς αὐτὸ οἱ <εἰς> τριάκοντα ἔτη γεγονότες· ἐπεὶ δὲ Κλέαρχον ἐώρων σπουδάζοντα, προσελάμβανον καὶ οἱ πρεσβύτεροι. [2.3.13] πολλὸν δὲ μᾶλλον ὁ Κλέαρχος ἔσπευδεν, ὑποπτεύων μὴ αἰεὶ οὕτω πλήρεις εἶναι τὰς τάφρους ὕδατος (οὐ γὰρ ἦν ὥρα οἷα τὸ πεδῖον ἄρδειν), ἀλλ' ἵνα ἤδη πολλὰ προφαίνοιτο τοῖς Ἑλλήσι δεινὰ εἰς τὴν πορείαν, τούτου ἕνεκα βασιλέα ὑπώπτευν ἐπὶ τὸ πεδῖον τὸ ὕδωρ ἀφεικέναι. [2.3.14] πορευόμενοι δὲ ἀφίκοντο εἰς κώμας ὅθεν ἀπέδειξαν οἱ ἡγεμόνες λαμβάνειν τὰ ἐπιτήδεια. ἐνῆν δὲ σῖτος πολὺς καὶ οἶνος φοινίκων καὶ ὄξος ἐψητὸν ἀπὸ τῶν αὐτῶν. [2.3.15] αὐταὶ δὲ αἱ βάλανοι τῶν φοινίκων οἷας μὲν ἐν τοῖς Ἑλλήσιν ἔστιν ἰδεῖν τοῖς οἰκέταις ἀπέκειντο, αἱ δὲ τοῖς δεσπόταις ἀποκείμεναι ἦσαν ἀπόλεκτοι, θαυμάσαι τοῦ κάλλους καὶ μεγέθους, ἡ δὲ ὄψις ἡλέκτρον οὐδὲν διέφερεν· τὰς δὲ τινες ξηραίνοντες τραγήματα ἀπετίθεσαν. καὶ ἦν καὶ παρὰ πότον ἡδὺ μὲν, κεφαλαλγὲς δέ. [2.3.16] ἐνταῦθα καὶ τὸν ἐγκέφαλον τοῦ φοίνικος πρῶτον ἔφαγον οἱ στρατιῶται, καὶ οἱ πολλοὶ ἐθαύμασαν τό τε εἶδος καὶ τὴν ιδιότητα τῆς ἡδονῆς. ἦν δὲ σφόδρα καὶ τοῦτο κεφαλαλγὲς. ὁ δὲ φοῖνιξ ὅθεν ἐξαίρεθῇ ὁ ἐγκέφαλος ὅλος ηὐαίνετο. [2.3.17] ἐνταῦθα ἔμειναν ἡμέρας τρεῖς· καὶ παρὰ μεγάλου βασιλέως ἦκε Τισσαφέρνης καὶ ὁ τῆς βασιλέως γυναικὸς ἀδελφὸς

καὶ ἄλλοι Πέρσαι τρεῖς· δοῦλοι δὲ πολλοὶ εἶποντο. ἐπεὶ δὲ ἀπήντησαν αὐτοῖς οἱ τῶν Ἑλλήνων στρατηγοί, ἔλεγε πρῶτος Τισσαφέρνης δι' ἑρμηνέως τοιάδε. [2.3.18] «ἐγὼ, ὦ ἄνδρες Ἕλληνες, γείτων οἰκῶ τῇ Ἑλλάδι, καὶ ἐπεὶ ὑμᾶς εἶδον εἰς πολλὰ καὶ ἀμήχανα πεπτωκότας, εὖρημα ἐποιησάμην εἴ πως δυνάμην παρὰ βασιλέως αἰτήσασθαι δοῦναι ἐμοὶ ἀποσῶσαι ὑμᾶς εἰς τὴν Ἑλλάδα. οἶμαι γὰρ ἂν οὐκ ἀχαρίστως μοι ἔχειν οὔτε πρὸς ὑμῶν οὔτε πρὸς τῆς πάσης Ἑλλάδος. [2.3.19] ταῦτα δὲ γνοὺς ἡτιούμην βασιλέα, λέγων αὐτῷ ὅτι δικαίως ἂν μοι χαρίζοιτο, ὅτι αὐτῷ Κῦρόν τε ἐπιστρατεύοντα πρῶτος ἡγγεῖλα καὶ βοήθειαν ἔχων ἅμα τῇ ἀγγελίᾳ ἀφικόμην, καὶ μόνος τῶν κατὰ τοὺς Ἕλληνας τεταγμένων οὐκ ἔφυγον, ἀλλὰ διήλασα καὶ συνέμειξα βασιλεῖ ἐν τῷ ὑμετέρῳ στρατοπέδῳ ἔνθα βασιλεὺς ἀφίκετο, ἐπεὶ Κῦρον ἀπέκτεινε καὶ τοὺς ξὺν Κύρῳ βαρβάρους ἐδίωξε σὺν τοῖσδε τοῖς παροῦσι νῦν μετ' ἐμοῦ, οἵπερ αὐτῷ εἰσι πιστότατοι. καὶ περὶ μὲν τούτων ὑπέσχετό μοι βουλευέσθαι. [2.3.20] ἐρέσθαι δέ με ὑμᾶς ἐκέλευεν ἐλθόντα τίνος ἔνεκεν ἐστρατεύσατε ἐπ' αὐτόν. καὶ συμβουλευώ ὑμῖν μετρίως ἀποκρίνασθαι, ἵνα μοι εὐπρακτότερον ᾦ ἢ ἂν τι δύνωμαι ἀγαθὸν ὑμῖν παρ' αὐτοῦ διαπράξασθαι.»

[2.3.21] πρὸς ταῦτα μεταστάντες οἱ Ἕλληνες ἐβουλεύοντο· καὶ ἀπεκρίναντο, Κλέαρχος δ' ἔλεγεν· «ἡμεῖς οὔτε συνήλθομεν ὥς βασιλεῖ πολεμήσοντες οὔτε ἐπορευόμεθα ἐπὶ βασιλέα, ἀλλὰ πολλὰς προφάσεις Κῦρος ἡύρισκεν, ὥς καὶ σὺ εὖ οἶσθα, ἵνα ὑμᾶς τε ἀπαρασκεύους λάβοι καὶ ἡμᾶς ἐνθάδε ἀγάγοι. [2.3.22] ἐπεὶ μέντοι ἤδη αὐτὸν ἐωρῶμεν ἐν δεινῷ ὄντα, ἡσυχύνημεν καὶ θεοὺς καὶ ἀνθρώπους προδοῦναι αὐτόν, ἐν τῷ πρόσθεν χρόνῳ παρέχοντες ἡμᾶς αὐτοὺς εὖ ποιεῖν. [2.3.23] ἐπεὶ δὲ Κῦρος τέθηκεν, οὔτε βασιλεῖ ἀντιποιοῦμεθα τῆς ἀρχῆς οὐτ' ἔστιν ὅτου ἔνεκα βουλοίμεθα ἂν τὴν βασιλέως χώραν κακῶς ποιεῖν, οὐδ' αὐτὸν ἀποκτεῖναι ἂν ἐθέλοιμεν, πορευοίμεθα δ' ἂν οἴκαδε, εἴ τις ἡμᾶς μὴ λυποίῃ· ἀδικοῦντα μέντοι πειρασόμεθα σὺν τοῖς θεοῖς ἀμύνασθαι· ἐὰν μέντοι τις ἡμᾶς καὶ εὖ ποιῶν ὑπάρχηι, καὶ τούτου εἰς γε δύναμιν οὐχ ἡττησόμεθα εὖ ποιοῦντες.» [2.3.24] ὁ μὲν οὕτως εἶπεν· ἀκούσας δὲ ὁ Τισσαφέρνης, «ταῦτα, ἔφη, ἐγὼ ἀπαγγελῶ βασιλεῖ καὶ ὑμῖν πάλιν τὰ παρ' ἐκείνου· μέχρι δ' ἂν ἐγὼ ἤκω αἱ σπονδαὶ μενόντων· ἀγορὰν δὲ ἡμεῖς παρέξομεν.» [2.3.25] καὶ εἰς μὲν τὴν ὑστεραίαν οὐχ ἦκεν· ὥσθ' οἱ Ἕλληνες ἐφρόντιζον· τῇ δὲ τρίτῃ ἦκων ἔλεγεν ὅτι διαπεπραγμένος

ἤκοι παρὰ βασιλέως δοθῆναι αὐτῷ σήιζειν τοὺς Ἑλληνας, καίπερ πάνυ πολλῶν ἀντιλεγόντων ὥς οὐκ ἄξιον εἶη βασιλεῖ ἀφεῖναι τοὺς ἐφ' ἑαυτὸν στρατευσαμένους. [2.3.26] τέλος δὲ εἶπε· «καὶ νῦν ἔξεστιν ὑμῖν πιστὰ λαβεῖν παρ' ἡμῶν ἢ μὴν φιλίαν παρέξειν ὑμῖν τὴν χώραν καὶ ἀδύλως ἀπάξειν εἰς τὴν Ἑλλάδα ἀγορὰν παρέχοντας· ὅπου δ' ἂν μὴ ἦι πρίασθαι, λαμβάνειν ὑμᾶς ἐκ τῆς χώρας ἐάσομεν τὰ ἐπιτήδεια. [2.3.27] ὑμᾶς δὲ αὖ ἡμῖν δεήσει ὁμόσαι ἢ μὴν πορεύσεσθαι ὥς διὰ φιλίας ἀσινῶς σῖτα καὶ ποτὰ λαμβάνοντας ὁπόταν μὴ ἀγορὰν παρέχωμεν, ἐὰν δὲ παρέχωμεν ἀγορὰν, ὠνούμενους ἔξειν τὰ ἐπιτήδεια.» [2.3.28] ταῦτα ἔδοξε, καὶ ὤμοσαν καὶ δεξιὰς ἔδοσαν Τισσαφέρνης καὶ ὁ τῆς βασιλέως γυναικὸς ἀδελφὸς τοῖς τῶν Ἑλλήνων στρατηγοῖς καὶ λοχαγοῖς καὶ ἔλαβον παρὰ τῶν Ἑλλήνων. [2.3.29] μετὰ δὲ ταῦτα Τισσαφέρνης εἶπε· «νῦν μὲν δὴ ἄπειμι ὥς βασιλέα· ἐπειδὰν δὲ διαπράξωμαι ἃ δέομαι, ἦξω συσκευασάμενος ὥς ἀπάξων ὑμᾶς εἰς τὴν Ἑλλάδα καὶ αὐτὸς ἀπιὼν ἐπὶ τὴν ἐμαυτοῦ ἀρχήν.»

[2.4.1] μετὰ ταῦτα περιέμενον Τισσαφέρνην οἱ τε Ἕλληνες καὶ ὁ Ἀριαῖος ἐγγὺς ἀλλήλων ἐστρατοπεδευμένοι ἡμέρας πλείους ἢ εἴκοσιν. ἐν δὲ ταύταις ἀφικνοῦνται πρὸς Ἀριαῖον καὶ οἱ ἀδελφοὶ καὶ οἱ ἄλλοι ἀναγκαῖοι καὶ πρὸς τοὺς σὺν ἐκείνῳ Περσῶν τινες, <οἱ> παρεθάρρυνόν τε καὶ δεξιὰς ἐνίοις παρὰ βασιλέως ἔφερον μὴ μνησικακήσειν βασιλέα αὐτοῖς τῆς σὺν Κύρῳ ἐπιστρατείας μηδὲ ἄλλου μηδενὸς τῶν παροιχομένων. [2.4.2] τούτων δὲ γιγνομένων ἐνδηλοὶ ἦσαν οἱ περὶ Ἀριαῖον ἦττον προσέχοντες τοῖς Ἕλλησι τὸν νοῦν· ὥστε καὶ διὰ τοῦτο τοῖς μὲν πολλοῖς τῶν Ἑλλήνων οὐκ ἤρεσκον, ἀλλὰ προσιόντες τῷ Κλέαρχῳ ἔλεγον καὶ τοῖς ἄλλοις στρατηγοῖς· [2.4.3] «τί μένομεν; ἢ οὐκ ἐπιστάμεθα ὅτι βασιλεὺς ἡμᾶς ἀπολέσαι ἂν περὶ παντὸς ποιήσαιο, ἵνα καὶ τοῖς ἄλλοις Ἕλλησι φόβος εἶη ἐπὶ βασιλέα μέγαν στρατεύειν; καὶ νῦν μὲν ἡμᾶς ὑπάγεται μένειν διὰ τὸ διεσπάρθαι αὐτοῦ τὸ στράτευμα· ἐπὰν δὲ πάλιν ἀλισθῇ αὐτῷ ἡ στρατιά, οὐκ ἔστιν ὅπως οὐκ ἐπιθήσεται ἡμῖν. [2.4.4] ἴσως δέ που ἢ ἀποσκάπτει τι ἢ ἀποτείχίζει, ὥς ἄπορος εἶη ἡ ὁδός. οὐ γάρ ποτε ἐκὼν γε βουλήσεται ἡμᾶς ἐλθόντας εἰς τὴν Ἑλλάδα ἀπαγγεῖλαι ὥς ἡμεῖς τοσοῖδε ὄντες ἐνικῶμεν τὸν βασιλέα ἐπὶ ταῖς θύραις αὐτοῦ καὶ καταγελάσαντες ἀπῆλθομεν.» [2.4.5] Κλέαρχος δὲ ἀπεκρίνατο τοῖς ταῦτα λέγουσιν· «ἐγὼ ἐνθυμοῦμαι μὲν καὶ ταῦτα πάντα· ἐννοῶ δ' ὅτι εἰ νῦν ἄπιμεν, δόξομεν ἐπὶ πολέμῳ ἀπιέναι καὶ παρὰ τὰς σπονδὰς

ποιεῖν. ἔπειτα πρῶτον μὲν ἀγορὰν οὐδεὶς παρέξει ἡμῖν οὐδὲ ὅθεν ἐπισιτιούμεθα· αὐθις δὲ ὁ ἡγησόμενος οὐδεὶς ἔσται· καὶ ἅμα ταῦτα ποιοούντων ἡμῶν εὐθὺς Ἀριαῖος ἀφεστήξει· ὥστε φίλος ἡμῖν οὐδεὶς λελείπεται, ἀλλὰ καὶ οἱ πρόσθεν ὄντες πολέμιοι ἡμῖν ἔσονται. [2.4.6] ποταμὸς δ' εἰ μὲν τις καὶ ἄλλος ἄρα ἡμῖν ἐστι διαβατέος οὐκ οἶδα· τὸν δ' οὖν Εὐφράτην ἴσμεν ὅτι ἀδύνατον διαβῆναι κωλυόντων πολεμίων. οὐ μὲν δὴ ἂν μάχεσθαι γε δέηι, ἵππεῖς εἰσιν ἡμῖν ξύμμαχοι, τῶν δὲ πολεμίων ἵππεῖς εἰσιν οἱ πλεῖστοι καὶ πλείστου ἄξιοι· ὥστε νικῶντες μὲν τίνα ἂν ἀποκτείναιμεν; ἡττωμένων δὲ οὐδένα οἶόν τε σωθῆναι. [2.4.7] ἐγὼ μὲν οὖν βασιλέα, ᾧ οὕτω πολλὰ ἐστι τὰ σύμμαχα, εἴπερ προθυμεῖται ἡμᾶς ἀπολέσαι, οὐκ οἶδα ὅ τι δεῖ αὐτὸν ὁμόσαι καὶ δεξιὰν δοῦναι καὶ θεοὺς ἐπιορκῆσαι καὶ τὰ ἑαυτοῦ πιστὰ ἄπιστα ποιῆσαι "Ελλησί τε καὶ βαρβάροις.» τοιαῦτα πολλὰ ἔλεγεν. [2.4.8] ἐν δὲ τούτῳ ἦκε Τισσαφέρνης ἔχων τὴν ἑαυτοῦ δύναμιν ὥς εἰς οἶκον ἀπιὼν καὶ Ὀρόντας τὴν ἑαυτοῦ δύναμιν· ἦγε δὲ καὶ τὴν θυγατέρα τὴν βασιλέως ἐπὶ γάμῳ. [2.4.9] ἐντεῦθεν δὲ ἤδη Τισσαφέρνους ἡγουμένου καὶ ἀγορὰν παρέχοντος ἐπορεύοντο· ἐπορεύετο δὲ καὶ Ἀριαῖος τὸ Κύρου βαρβαρικὸν ἔχων στράτευμα ἅμα Τισσαφέρνει καὶ Ὀρόνται καὶ ξυνεστρατοπεδεύετο σὺν ἐκείνοις. [2.4.10] οἱ δὲ "Ελληνες ὑφορῶντες τούτους αὐτοὶ ἐφ' ἑαυτῶν ἐχώρουν ἡγεμόνας ἔχοντες. ἐστρατοπεδεύοντο δὲ ἐκάστοτε ἀπέχοντες ἀλλήλων παρασάγγην καὶ πλεον· ἐφυλάττοντο δὲ ἀμφοτέρω ὥσπερ πολεμίους ἀλλήλους, καὶ εὐθὺς τοῦτο ὑποψίαν παρεῖχεν. [2.4.11] ἐνίοτε δὲ καὶ ξυλιζόμενοι ἐκ τοῦ αὐτοῦ καὶ χόρτον καὶ ἄλλα τοιαῦτα ξυλλέγοντες πληγὰς ἐνέτεινον ἀλλήλοις· ὥστε καὶ τοῦτο ἐχθραν παρεῖχε. [2.4.12] διελθόντες δὲ τρεῖς σταθμοὺς ἀφίκοντο πρὸς τὸ Μηδίας καλούμενον τεῖχος, καὶ παρήλθον εἴσω αὐτοῦ. ἦν δὲ ὠικοδομημένον πλίνθοις ὅπαῖς ἐν ἀσφάλτῳ κειμέναις, εὖρος εἴκοσι ποδῶν, ὕψος δὲ ἑκατόν· μῆκος δ' ἐλέγετο εἶναι εἴκοσι παρασάγγαι· ἀπέχει δὲ Βαβυλῶνος οὐ πολὺ. [2.4.13] ἐντεῦθεν δ' ἐπορεύθησαν σταθμοὺς δύο παρασάγγας ὀκτώ· καὶ διέβησαν διώρυχας δύο, τὴν μὲν ἐπὶ γεφύρας, τὴν δὲ ἐξευγμένην πλοίοις ἐπτά· αὗται δ' ἦσαν ἀπὸ τοῦ Τίγρητος ποταμοῦ· κατετέμνητο δὲ ἐξ αὐτῶν καὶ τάφροι ἐπὶ τὴν χώραν, αἱ μὲν πρῶται μεγάλαι, ἔπειτα δὲ ἐλάττους· τέλος δὲ καὶ μικροὶ ὀχετοί, ὥσπερ ἐν τῇ Ἑλλάδι ἐπὶ τὰς μελίνας· καὶ ἀφικνοῦνται ἐπὶ τὸν Τίγρητα ποταμόν· πρὸς ᾧ πόλις ἦν μεγάλη καὶ πολυάνθρωπος ἥ ὄνομα Σιττάκη, ἀπέχουσα τοῦ ποταμοῦ σταδίου

πεντεκαίδεκα. [2.4.14] οἱ μὲν οὖν Ἕλληνες παρ' αὐτὴν ἐσκήνησαν ἐγγὺς παραδείσου μεγάλου καὶ καλοῦ καὶ δασέος παντοίων δένδρων, οἱ δὲ βάρβαροι διαβεβηκότες τὸν Τίγρητα· οὐ μέντοι καταφανεῖς ἦσαν. [2.4.15] μετὰ δὲ τὸ δεῖπνον ἔτυχον ἐν περιπάτῳ ὄντες πρὸ τῶν ὀπλῶν Πρόξενος καὶ Ξενοφῶν· καὶ προσελθὼν ἄνθρωπός τις ἠρώτησε τοὺς προφύλακας ποῦ ἂν ἴδοι Πρόξενον ἢ Κλέαρχον· Μένωνα δὲ οὐκ ἐζήτει, καὶ ταῦτα παρ' Ἀριαίου ὃν τοῦ Μένωνος ξένου. [2.4.16] ἐπεὶ δὲ Πρόξενος εἶπεν «ὅτι αὐτός εἰμι ὃν ζητεῖς», εἶπεν ὁ ἄνθρωπος τάδε. «ἐπεμψέ με Ἀριαῖος καὶ Ἀρτάοζος, πιστοὶ ὄντες Κύρῳ καὶ ὑμῖν εὖνοι, καὶ κελεύουσι φυλάττεσθαι μὴ ὑμῖν ἐπιθῶνται τῆς νυκτὸς οἱ βάρβαροι· ἔστι δὲ στράτευμα πολὺ ἐν τῷ πλησίον παραδείσῳ. [2.4.17] καὶ παρὰ τὴν γέφυραν τοῦ Τίγρητος ποταμοῦ πέμψαι κελεύουσι φυλακὴν, ὥς διανοεῖται αὐτὴν λῦσαι Τισσαφέρνης τῆς νυκτὸς, ἐὰν δύνῃται, ὥς μὴ διαβῇτε ἄλλ' ἐν μέσῳ ἀποληφθῇτε τοῦ ποταμοῦ καὶ τῆς διώρυχος.» [2.4.18] ἀκούσαντες ταῦτα ἄγουσιν αὐτὸν παρὰ τὸν Κλέαρχον καὶ φράζουσιν ἃ λέγει. ὁ δὲ Κλέαρχος ἀκούσας ἐταράχθη σφόδρα καὶ ἐφοβεῖτο. [2.4.19] νεανίσκος δὲ τις τῶν παρόντων ἐννοήσας εἶπεν ὥς οὐκ ἀκόλουθα εἶη τό τε ἐπιθήσεσθαι καὶ λύσειν τὴν γέφυραν. δῆλον γάρ ὅτι ἐπιτιθεμένους ἢ νικᾶν δεήσει ἢ ἡττᾶσθαι. ἐὰν μὲν οὖν νικῶσι, τί δεῖ λύειν αὐτοὺς τὴν γέφυραν; οὐδὲ γὰρ ἂν πολλαὶ γέφυραι ὧσιν ἔχοιμεν ἂν ὅποι φυγόντες ἡμεῖς σωθῶμεν. [2.4.20] ἐὰν δὲ ἡμεῖς νικῶμεν, λελυμένης τῆς γεφύρας οὐχ ἔξουσιν ἐκεῖνοι ὅποι φύγῳσιν· οὐδὲ μὴν βοηθῆσαι πολλῶν ὄντων πέραν οὐδεὶς αὐτοῖς δυνήσεται λελυμένης τῆς γεφύρας. [2.4.21] ἀκούσας δὲ ὁ Κλέαρχος ταῦτα ἤρετο τὸν ἄγγελον πόση τις εἴη χώρα ἢ ἐν μέσῳ τοῦ Τίγρητος καὶ τῆς διώρυχος. ὁ δὲ εἶπεν ὅτι πολλὴ καὶ κῶμαι ἔνεισι καὶ πόλεις πολλαὶ καὶ μεγάλαι. [2.4.22] τότε δὴ καὶ ἐγνώσθη ὅτι οἱ βάρβαροι τὸν ἄνθρωπον ὑποπέμψειαν, ὁκνοῦντες μὴ οἱ Ἕλληνες διελόντες τὴν γέφυραν μείναιεν ἐν τῇ νήσῳ ἐρύματα ἔχοντες ἔνθεν μὲν τὸν Τίγρητα, ἔνθεν δὲ τὴν διώρυχα· τὰ δ' ἐπιτήδεια ἔχοιεν ἐκ τῆς ἐν μέσῳ χώρας πολλῆς καὶ ἀγαθῆς οὕσης καὶ τῶν ἐργασομένων ἐνόντων· εἴτα δὲ καὶ ἀποστροφὴ γένοιτο εἴ τις βούλοιο βασιλέα κακῶς ποιεῖν. [2.4.23] μετὰ δὲ ταῦτα ἀνεπαύοντο· ἐπὶ μέντοι τὴν γέφυραν ὅμως φυλακὴν ἐπεμψαν· καὶ οὔτε ἐπέθετο οὐδεὶς οὐδαμῶθεν οὔτε πρὸς τὴν γέφυραν οὐδεὶς ἦλθε τῶν πολεμίων, ὥς οἱ φυλάττοντες ἀπήγγελλον. [2.4.24] ἐπειδὴ δὲ ἔως ἐγένετο, διέβαινον τὴν γέφυραν ἐξευγμένην πλοίοις τριάκοντα καὶ ἑπτὰ ὥς οἷόν τε μάλιστα

πεφυλαγμένως· ἐξήγγελλον γάρ τινες τῶν παρὰ Τισσαφέρνους Ἑλλήνων ὡς διαβαινόντων μέλλοιεν ἐπιθήσεσθαι. ἀλλὰ ταῦτα μὲν ψευδῆ ἦν· διαβαινόντων μέντοι ὁ Γλοῦς [αὐτῶν] ἐπεφάνη μετ' ἄλλων σκοπῶν εἰ διαβαίνοιεν τὸν ποταμόν· ἐπειδὴ δὲ εἶδεν, ὥιχετο ἀπελαύνων. [2.4.25] ἀπὸ δὲ τοῦ Τίγρητος ἐπορεύθησαν σταθμοὺς τέτταρας παρασάγγας εἴκοσιν ἐπὶ τὸν Φύσκον ποταμόν, τὸ εὖρος πλέθρου· ἐπὶ δὲ γέφυρα. καὶ ἐνταῦθα ὠκεῖτο πόλις μεγάλη ὄνομα Ὡπις· πρὸς ἣν ἀπῆντησε τοῖς Ἑλλησιν ὁ Κύρου καὶ Ἀρταξέρξου νόθος ἀδελφὸς ἀπὸ Σούσων καὶ Ἐκβατάνων στρατιὰν πολλὴν ἄγων ὡς βοηθήσων βασιλεῖ· καὶ ἐπιστήσας τὸ ἑαυτοῦ στράτευμα παρερχομένους τοὺς Ἑλληνας ἐθεώρει. [2.4.26] ὁ δὲ Κλέαρχος ἡγεῖτο μὲν εἰς δύο, ἐπορεύετο δὲ ἄλλοτε καὶ ἄλλοτε ἐφιστάμενος· ὅσον δὲ [ἂν] χρόνον τὸ ἡγούμενον τοῦ στρατεύματος ἐπιστήσειε, τοσοῦτον ἦν ἀνάγκη χρόνον δι' ὅλου τοῦ στρατεύματος γίνεσθαι τὴν ἐπίστασιν· ὥστε τὸ στράτευμα καὶ αὐτοῖς τοῖς Ἑλλησι δόξαί πάμπλου εἶναι, καὶ τὸν Πέρσῃν ἐκπεπληγῆθαι θεωροῦντα. [2.4.27] ἐντεῦθεν δ' ἐπορεύθησαν διὰ τῆς Μηδίας σταθμοὺς ἐρήμους ἕξ παρασάγγας τριάκοντα εἰς τὰς Παρυσάτιδος κόμας τῆς Κύρου καὶ βασιλέως μητρός. ταύτας Τισσαφέρνης Κύρῳ ἐπεγγελῶν διαρπάσαι τοῖς Ἑλλησιν ἐπέτρεψε πλὴν ἀνδραπόδων. ἐνῆν δὲ σῖτος πολλὺς καὶ πρόβατα καὶ ἄλλα χρήματα. [2.4.28] ἐντεῦθεν δ' ἐπορεύθησαν σταθμοὺς ἐρήμους τέτταρας παρασάγγας εἴκοσι τὸν Τίγρητα ποταμόν ἐν ἀριστερᾷ ἔχοντες. ἐν δὲ τῷ πρώτῳ σταθμῷ πέραν τοῦ ποταμοῦ πόλις ὠκεῖτο μεγάλη καὶ εὐδαίμων ὄνομα Καιναί, ἕξ ἧς οἱ βάρβαροι διηγόν ἐπὶ σχεδιαῖς διφθερίναις ἄρτους, τυρούς, οἶνον.

[2.5.1] μετὰ ταῦτα ἀφικνοῦνται ἐπὶ τὸν Ζαπάταν ποταμόν, τὸ εὖρος τεττάρων πλέθρων. καὶ ἐνταῦθα ἔμειναν ἡμέρας τρεῖς· ἐν δὲ ταύταις ὑποψαί μὲν ἦσαν, φανερά δὲ οὐδεμία ἐφαίνετο ἐπιβουλή. [2.5.2] ἔδοξεν οὖν τῷ Κλεάρχῳ συγγενέσθαι τῷ Τισσαφέρνει καὶ εἴ πως δύναιτο παῦσαι τὰς ὑποψίας πρὶν ἐξ αὐτῶν πόλεμον γενέσθαι. καὶ ἔπεμψεν τινα ἐροῦντα ὅτι συγγενέσθαι αὐτῷ χρήζει. [2.5.3] ὁ δὲ ἐτοίμως ἐκέλευεν ἥκειν. ἐπειδὴ δὲ ξυνῆλθον, λέγει ὁ Κλέαρχος τάδε. «ἐγώ, ὃ Τισσαφέρνη, οἶδα μὲν ἡμῖν ὅρκους γεγεννημένους καὶ δεξιὰς δεδομένας μὴ ἀδικήσῃν ἀλλήλους· φυλαττόμενον δὲ σέ τε ὁρῶ ὡς πολεμίους ἡμᾶς καὶ ἡμεῖς ὁρῶντες ταῦτα ἀντιφυλαττόμεθα. [2.5.4] ἐπεὶ δὲ σκοπῶν οὐ δύναμαι οὔτε σέ αἰσθῆσθαι πειρώμενον ἡμᾶς κακῶς ποιεῖν ἐγώ τε σαφῶς οἶδα ὅτι ἡμεῖς γε οὐδὲ ἐπινοοῦμεν τοιοῦτον

οὐδέν, ἔδοξέ μοι εἰς λόγους σοι ἔλθειν, ὅπως εἰ δυνάμεθα ἐξέλκομεν ἀλλήλων τὴν ἀπιστίαν. [2.5.5] καὶ γὰρ οἶδα ἀνθρώπους ἤδη τοὺς μὲν ἐκ διαβολῆς τοὺς δὲ καὶ ἐξ ὑποψίας οἱ φοβηθέντες ἀλλήλους φθάσαι βουλόμενοι πρὶν παθεῖν ἐποίησαν ἀνήκεστα κακὰ τοὺς οὐτε μέλλοντας οὐτ' αὖ βουλομένους τοιοῦτον οὐδέν. [2.5.6] τὰς οὖν τοιαύτας ἀγνωμοσύνας νομίζων συνουσίαις μάλιστα παύεσθαι ἤκω καὶ διδάσκειν σε βούλομαι ὥς σὺ ἡμῖν οὐκ ὀρθῶς ἀπιστεῖς. [2.5.7] πρῶτον μὲν γὰρ καὶ μέγιστον οἱ θεῶν ἡμᾶς ὅρκοι κωλύουσι πολέμιους εἶναι ἀλλήλοις· ὅστις δὲ τούτων σύνοιδεν αὐτῷ παρημεληκῶς, τοῦτον ἐγὼ οὐποτ' ἂν εὐδαιμονίσαιμι. τὸν γὰρ θεῶν πόλεμον οὐκ οἶδα οὐτ' ἀπὸ ποίου ἂν τάχους οὔτε ὅποι ἂν τις φεύγων ἀποφύγοι οὐτ' εἰς ποῖον ἂν σκότος ἀποδραΐη οὐθ' ὅπως ἂν εἰς ἐχυρὸν χωρίον ἀποσταίῃ. πάντῃ γὰρ πάντα τοῖς θεοῖς ὑποχα καὶ πάντων ἴσον οἱ θεοὶ κρατοῦσι. [2.5.8] περὶ μὲν δὴ τῶν θεῶν τε καὶ τῶν ὀρκῶν οὕτω γινώσκω, παρ' οὓς ἡμεῖς τὴν φιλίαν συνθέμενοι κατεθέμεθα· τῶν δ' ἀνθρωπίνων σὲ ἐγὼ ἐν τῷ παρόντι νομίζω μέγιστον εἶναι ἡμῖν ἀγαθόν. [2.5.9] σὺν μὲν γὰρ σοὶ πᾶσα μὲν ὁδὸς εὐπορος, πᾶς δὲ ποταμὸς διαβατός, τῶν τε ἐπιτηδείων οὐκ ἀπορία· ἄνευ δὲ σοῦ πᾶσα μὲν διὰ σκότους ἢ ὁδός· οὐδέν γὰρ αὐτῆς ἐπιστάμεθα· πᾶς δὲ ποταμὸς δύσπορος, πᾶς δὲ ὄχλος φοβερός, φοβερώτατον δ' ἐρημία· μεστὴ γὰρ πολλῆς ἀπορίας ἐστίν. [2.5.10] εἰ δὲ δὴ καὶ μανέντες σε κατακτείναιμεν, ἄλλο τι ἂν ἢ τὸν εὐεργέτην κατακτείναντες πρὸς βασιλέα τὸν μέγιστον ἐφεδρον ἀγωνιζοίμεθα; ὅσων δὲ δὴ καὶ οἶων ἂν ἐλπίδων ἐμαυτὸν στερήσαιμι, εἰ σέ τι κακὸν ἐπιχειρήσαιμι ποιεῖν, ταῦτα λέξω. [2.5.11] ἐγὼ γὰρ Κῦρον ἐπεθύμησά μοι φίλον γενέσθαι, νομίζων τῶν τότε ἱκανώτατον εἶναι εὖ ποιεῖν ὃν βούλοιο· σὲ δὲ νῦν ὁρῶ τὴν τε Κύρου δύναμιν καὶ χώραν ἔχοντα καὶ τὴν σαυτοῦ [χώραν] σήιζοντα, τὴν δὲ βασιλέως δύναμιν, ἣ Κῦρος πολέμια ἐχρῆτο, σοὶ ταύτην ξύμμαχον οὔσαν. [2.5.12] τούτων δὲ τοιούτων ὄντων τίς οὕτω μαίνεται ὅστις οὐ βούλεται σοὶ φίλος εἶναι; ἀλλὰ μὴν ἐρῶ γὰρ καὶ ταῦτα ἐξ ὧν ἔχω ἐλπίδας καὶ σὲ βουλήσεσθαι φίλον ἡμῖν εἶναι. [2.5.13] οἶδα μὲν γὰρ ὑμῖν Μυσοὺς λυπηροὺς ὄντας, οὓς νομίζω ἂν σὺν τῇ παρούσῃ δυνάμει ταπεινοὺς ὑμῖν παρασχεῖν· οἶδα δὲ καὶ Πισίδας· ἀκούω δὲ καὶ ἄλλα ἔθνη πολλὰ τοιαῦτα εἶναι, ἃ οἶμαι ἂν παῦσαι ἐνοχλοῦντα ἀεὶ τῇ ὑμετέρῃ εὐδαιμονίᾳ. Αἰγυπτίους δέ, οἷς μάλιστα ὑμᾶς γινώσκω τεθυμωμένους, οὐχ ὁρῶ ποῖαι δυνάμει συμμάχῳ χρησάμενοι μᾶλλον ἂν κολάσαισθε τῆς νῦν

[2.5.14] ἀλλὰ μὴν ἐν γε τοῖς πέριξ οἰκοῦσι σὺ εἰ μὲν βούλοιο φίλος ὥς μέγιστος ἂν εἴης, εἰ δέ τίς σε λυποίη, ὥς δεσπότης <ἂν> ἀναστρέφοιο ἔχων ἡμᾶς ὑπηρέτας, οἱ σοι οὐκ ἂν μισθοῦ ἔνεκα ὑπηρετοῖμεν ἀλλὰ καὶ τῆς χάριτος ἦν σωθέντες ὑπὸ σοῦ σοὶ ἂν ἔχοιμεν δικαίως. [2.5.15] ἐμοὶ μὲν ταῦτα πάντα ἐνθυμουμένῳ οὕτω δοκεῖ θαυμαστὸν εἶναι τὸ σὲ ἡμῖν ἀπιστεῖν ὥστε καὶ ἥδιστ' ἂν ἀκούσαιμι τὸ ὄνομα τίς οὕτως ἐστὶ δεινὸς λέγειν ὥστε σε πεῖσαι λέγων ὥς ἡμεῖς σοι ἐπιβουλεύομεν.» Κλέαρχος μὲν οὖν τοσαῦτα εἶπε· Τισσαφέρνης δὲ ὧδε ἀπημείφθη. [2.5.16] «ἀλλ' ἥδομαι μὲν, ὦ Κλέαρχε, ἀκούων σου φρονίμους λόγους· ταῦτα γὰρ γινώσκων εἴ τι ἐμοὶ κακὸν βουλευοῖς, ἅμα ἂν μοι δοκεῖς καὶ σαυτῷ κακόνους εἶναι. ὥς δ' ἂν μάθης ὅτι οὐδ' ἂν ὑμεῖς δικαίως οὔτε βασιλεῖ οὔτ' ἐμοὶ ἀπιστοίητε, ἀντάκουσον. [2.5.17] εἰ γὰρ ὑμᾶς ἐβουλόμεθα ἀπολέσαι, πότερά σοι δοκοῦμεν ἱππέων πλήθους ἀπορεῖν ἢ πεζῶν ἢ ὀπλίσεως ἐν ἧ ὑμᾶς μὲν βλάπτειν ἱκανοὶ εἴημεν ἂν, ἀντιπάσχειν δὲ οὐδεὶς κίνδυνος; [2.5.18] ἀλλὰ χωρίων ἐπιτηδεῖων ὑμῖν ἐπιτίθεσθαι ἀπορεῖν ἂν σοι δοκοῦμεν; οὐ τοσαῦτα μὲν πεδία ἃ ὑμεῖς φίλια ὄντα σὺν πολλῷ πόνῳ διαπορεύεσθε, τοσαῦτα δὲ ὄρη ὁρᾶτε ὑμῖν ὄντα πορευτέα, ἃ ἡμῖν ἔξεστι προκαταλαβοῦσιν ἅπορα ὑμῖν παρέχειν, τοσοῦτοι δ' εἰσὶ ποταμοὶ ἐφ' ὧν ἔξεστιν ἡμῖν ταμιεύεσθαι ὁπόσοις ἂν ὑμῶν βουλώμεθα μάχεσθαι; εἰσὶ δ' αὐτῶν οὐς οὐδ' ἂν παντάπασι διαβαίητε, εἰ μὴ ἡμεῖς ὑμᾶς διαπορεύοιμεν. [2.5.19] εἰ δ' ἐν πᾶσι τούτοις ἡττήμεθα, ἀλλὰ τό γέ τοι πῦρ κρεῖττον τοῦ καρποῦ ἐστίν· ὃν ἡμεῖς δυνάμεθ' ἂν κατακαύσαντες λιμὸν ὑμῖν ἀντιτάξαι, ὧ ὑμεῖς οὐδ' εἰ πάνυ ἀγαθοὶ εἴητε μάχεσθαι ἂν δύνασθε. [2.5.20] πῶς ἂν οὖν ἔχοντες τοσοῦτους πόρους πρὸς τὸ ὑμῖν πολεμεῖν, καὶ τούτων μηδένα ἡμῖν ἐπικίνδυνον, ἔπειτα ἐκ τούτων πάντων τοῦτον ἂν τὸν τρόπον ἐξελοίμεθα ὃς μόνος μὲν πρὸς θεῶν ἀσεβής, μόνος δὲ πρὸς ἀνθρώπων αἰσχρός; [2.5.21] παντάπασι δὲ ἀπόρων ἐστὶ καὶ ἀμηχάνων καὶ ἐν ἀνάγκῃ ἐχομένων, καὶ τούτων πονηρῶν, οἵτινες ἐθέλουσι δι' ἐπιορκίας τε πρὸς θεοὺς καὶ ἀπιστίας πρὸς ἀνθρώπους πράττειν τι. οὐχ οὕτως ἡμεῖς, ὦ Κλέαρχε, οὔτε ἀλόγιστοι οὔτε ἡλίθιοι ἐσμεν. [2.5.22] ἀλλὰ τί δὴ ὑμᾶς ἐξὸν ἀπολέσαι οὐκ ἐπὶ τοῦτο ἤλθομεν; εὖ ἴσθι ὅτι ὁ ἐμὸς ἔρως τούτου αἴτιος τὸ τοῖς Ἑλλήσιν ἐμὲ πιστὸν γενέσθαι, καὶ ὧ Κῦρος ἀνέβη ξενικῷ διὰ μισθοδοσίας πιστεῦων τούτῳ ἐμὲ καταβῆναι δι' εὐεργεσίαν ἰσχυρόν. [2.5.23] ὅσα δ' ἐμοὶ χρήσιμοι ὑμεῖς ἐστε τὰ μὲν καὶ σὺ εἶπας, τὸ δὲ μέγιστον ἐγὼ οἶδα· τὴν μὲν γὰρ ἐπὶ

τῇ κεφαλῇ τιάραν βασιλεῖ μόνῳ ἔξεστιν ὀρθὴν ἔχειν, τὴν δ' ἐπὶ τῇ καρδίᾳ ἴσως ἂν ὑμῶν παρόντων καὶ ἕτερος εὐπετῶς ἔχοι.» [2.5.24] ταῦτα εἰπὼν ἔδοξε τῷ Κλεάρχῳ ἀληθῆ λέγειν· καὶ εἶπεν· «οὐκοῦν, ἔφη, οἵτινες τοιούτων ἡμῖν εἰς φιλίαν ὑπαρχόντων πειρῶνται διαβάλλοντες ποιῆσαι πολεμίους ἡμᾶς ἄξιοί εἰσι τὰ ἔσχατα παθεῖν;» [2.5.25] «καὶ ἐγὼ μὲν γε, ἔφη ὁ Τισσαφέρνης, εἰ βούλεσθέ μοι οἱ τε στρατηγοὶ καὶ οἱ λοχαγοὶ ἐλθεῖν, ἐν τῷ ἐμφανεῖ λέξω τοὺς πρὸς ἐμὲ λέγοντας ὡς σὺ ἐμοὶ ἐπιβουλεύεις καὶ τῇ σὺν ἐμοὶ στρατιᾷ.» [2.5.26] «ἐγὼ δέ, ἔφη ὁ Κλέαρχος, ἄξω πάντας, καὶ σοὶ αὖ δηλώσω ὅθεν ἐγὼ περὶ σοῦ ἀκούω.» [2.5.27] ἐκ τούτων δὴ τῶν λόγων ὁ Τισσαφέρνης φιλοφρονούμενος τότε μὲν μένειν τε αὐτὸν ἐκέλευε καὶ σύνδειπνον ἐποιήσατο. τῇ δὲ ὑστεραίᾳ ὁ Κλέαρχος ἐλθὼν ἐπὶ τὸ στρατόπεδον δηλὸς τ' ἦν πάνῃ φιλικῶς οἰόμενος διακεῖσθαι τῷ Τισσαφέρνει καὶ ἃ ἔλεγεν ἐκεῖνος ἀπήγγελλεν, ἔφη τε χρῆναι ἰέναι παρὰ Τισσαφέρνην οὓς ἐκέλευεν, καὶ οἱ ἂν ἐλεγχθῶσι διαβάλλοντες τῶν Ἑλλήνων, ὡς προδότας αὐτοὺς καὶ κακόνους τοῖς Ἑλλήσιν ὄντας τιμωρηθῆναι. [2.5.28] ὑπώπτευε δὲ εἶναι τὸν διαβάλλοντα Μένωνα, εἰδὼς αὐτὸν καὶ συγγεγεννημένον Τισσαφέρνει μετ' Ἀριαίου καὶ στασιάζοντα αὐτῷ καὶ ἐπιβουλεύοντα, ὅπως τὸ στράτευμα ἅπαν πρὸς αὐτὸν λαβὼν φίλος ἦι Τισσαφέρνει. [2.5.29] ἐβούλετο δὲ καὶ Κλέαρχος ἅπαν τὸ στράτευμα πρὸς ἑαυτὸν ἔχειν τὴν γνώμην καὶ τοὺς παραλυποῦντας ἐκποδὼν εἶναι. τῶν δὲ στρατιωτῶν ἀντέλεγόν τινες αὐτῷ μὴ ἰέναι πάντας τοὺς λοχαγοὺς καὶ στρατηγοὺς μηδὲ πιστεῦειν Τισσαφέρνει. [2.5.30] ὁ δὲ Κλέαρχος ἰσχυρῶς κατέτεινεν, ἔστε διεπράξατο πέντε μὲν στρατηγοὺς ἰέναι, εἴκοσι δὲ λοχαγοὺς· συνηκολούθησαν δὲ ὡς εἰς ἀγορὰν καὶ τῶν ἄλλων στρατιωτῶν ὡς διακόσιοι. [2.5.31] ἐπεὶ δὲ ἦσαν ἐπὶ θύραις ταῖς Τισσαφέρνους, οἱ μὲν στρατηγοὶ παρεκλήθησαν εἴσω, Πρόξενος Βοιώτιος, Μένων Θεταλός, Ἀγίας Ἀρκάς, Κλέαρχος Λάκων, Σωκράτης Ἀχαιοί· οἱ δὲ λοχαγοὶ ἐπὶ ταῖς θύραις ἔμενον. [2.5.32] οὐ πολλῶι δὲ ὕστερον ἀπὸ τοῦ αὐτοῦ σημείου οἱ τ' ἔνδον ξυνελαμβάνοντο καὶ οἱ ἔξω κατεκόπησαν. μετὰ δὲ ταῦτα τῶν βαρβάρων τινὲς ἰππέων διὰ τοῦ πεδίου ἐλαύνοντες ὥτινι ἐντυγχάνοιεν Ἑλληνι ἢ δούλῳ ἢ ἐλευθέρῳ πάντας ἔκτεινον. [2.5.33] οἱ δὲ Ἑλληνες τὴν τε ἰππασίαν ἐθαύμαζον ἐκ τοῦ στρατοπέδου ὀρῶντες καὶ ὅ τι ἐποίουν ἡμφεγνόνουν, πρὶν Νίκαρχος Ἀρκὰς ἦκε φεύγων τετρωμένος εἰς τὴν γαστέρα καὶ τὰ ἔντερα ἐν ταῖς χερσὶν ἔχων, καὶ εἶπε πάντα τὰ γεγενημένα. [2.5.34] ἐκ τούτου δὴ οἱ Ἑλληνες

ἔθειον ἐπὶ τὰ ὄπλα πάντες ἐκπεπληγμένοι καὶ νομίζοντες αὐτίκα ἤξειν αὐτοὺς ἐπὶ τὸ στρατόπεδον. [2.5.35] οἱ δὲ πάντες μὲν οὐκ ἦλθον, Ἀριαῖος δὲ καὶ Ἀρτάοζος καὶ Μιθραδάτης, οἱ ἦσαν Κύρῳ πιστότατοι· ὁ δὲ τῶν Ἑλλήνων ἑρμηνεὺς ἔφη καὶ τὸν Τισσαφέρνους ἀδελφὸν σὺν αὐτοῖς ὄραν καὶ γινώσκειν· ξυνηκολούθουν δὲ καὶ ἄλλοι Περσῶν τεθωρακισμένοι εἰς τριακοσίους. [2.5.36] οὗτοι ἐπεὶ ἐγγὺς ἦσαν, προσελθεῖν ἐκέλευον εἰ τις εἶη τῶν Ἑλλήνων στρατηγὸς ἢ λοχαγός, ἵνα ἀπαγγείλωσι τὰ παρὰ βασιλέως. [2.5.37] μετὰ ταῦτα ἐξῆλθον φυλαττόμενοι τῶν Ἑλλήνων στρατηγοὶ μὲν Κλεάνωρ Ὀρχομένιος καὶ Σοφαίνετος Στυμφάλιος, ξὺν αὐτοῖς δὲ Ξενοφῶν Ἀθηναῖος, ὅπως μάθοι τὰ περὶ Πρόξενου· Χειρίσοφος δὲ ἐτύγχανεν ἀπὼν ἐν κόμῃ τινὶ ξὺν ἄλλοις ἐπισιτιζομένοις. [2.5.38] ἐπειδὴ δὲ ἔστησαν εἰς ἐπήκοον, εἶπεν Ἀριαῖος τάδε. Κλέαρχος μὲν, ὃ ἄνδρες Ἕλληνες, ἐπεὶ ἐπιorkῶν τε ἐφάνη καὶ τὰς σπονδὰς λύων, ἔχει τὴν δίκην καὶ τέθηκε, Πρόξενος δὲ καὶ Μένων, ὅτι κατήγγειλαν αὐτοῦ τὴν ἐπιβουλήν, ἐν μεγάλῃ τιμῇ εἰσιν. ὑμᾶς δὲ βασιλεὺς τὰ ὄπλα ἀπαιτεῖ· αὐτοῦ γὰρ εἶναί φησιν, ἐπεὶπερ Κύρου ἦσαν τοῦ ἐκείνου δούλου. [2.5.39] πρὸς ταῦτα ἀπεκρίναντο οἱ Ἕλληνες, ἔλεγε δὲ Κλεάνωρ ὁ Ὀρχομένιος· «ὦ κάκιστε ἀνθρώπων Ἀριαῖε καὶ οἱ ἄλλοι ὅσοι ἦτε Κύρου φίλοι, οὐκ αἰσχύνεσθε οὔτε θεοὺς οὔτ' ἀνθρώπους, οἵτινες ὁμόσαντες ἡμῖν τοὺς αὐτοὺς φίλους καὶ ἐχθροὺς νομιεῖν, προδόντες ἡμᾶς σὺν Τισσαφέρνει τῷ ἀθεωτάτῳ τε καὶ πανουργοτάτῳ τοὺς τε ἄνδρας αὐτοὺς οἷς ὤμνυτε ἀπολωλέκατε καὶ τοὺς ἄλλους ἡμᾶς προδεδωκότες ξὺν τοῖς πολεμίοις ἐφ' ἡμᾶς ἔρχεσθε;» [2.5.40] ὁ δὲ Ἀριαῖος εἶπε· «Κλέαρχος γὰρ πρόσθεν ἐπιβουλεύων φανερὸς ἐγένετο Τισσαφέρνει τε καὶ Ὀρόνται, καὶ πᾶσιν ἡμῖν τοῖς ξὺν τούτοις.» ἐπὶ τούτοις Ξενοφῶν τάδε εἶπε. [2.5.41] »Κλέαρχος μὲν τοίνυν εἰ παρὰ τοὺς ὅρκους ἔλυνε τὰς σπονδὰς, τὴν δίκην ἔχει· δίκαιον γὰρ ἀπόλλυσθαι τοὺς ἐπιorkοῦντας· Πρόξενος δὲ καὶ Μένων ἐπεὶπερ εἰσὶν ὑμέτεροι μὲν εὐεργέται, ἡμέτεροι δὲ στρατηγοί, πέμψατε αὐτοὺς δεῦρο· δηλον γὰρ ὅτι φίλοι γε ὄντες ἀμφοτέροις πειράσσονται καὶ ὑμῖν καὶ ἡμῖν τὰ βέλτιστα συμβουλεύσαι.» [2.5.42] πρὸς ταῦτα οἱ βάρβαροι πολὺν χρόνον διαλεχθέντες ἀλλήλοις ἀπῆλθον οὐδὲν ἀποκρινάμενοι.

[2.6.1] οἱ μὲν δὴ στρατηγοὶ οὕτω ληφθέντες ἀνῆχθησαν ὥς βασιλέα καὶ ἀποτιμηθέντες τὰς κεφαλὰς ἐτελεύτησαν, εἷς μὲν αὐτῶν Κλέαρχος ὁμολογουμένως ἐκ πάντων τῶν ἐμπείρως αὐτοῦ ἐχόντων

δόξας γενέσθαι ἀνὴρ καὶ πολεμικὸς καὶ φιλοπόλεμος ἐσχάτως. [2.6.2] καὶ γὰρ δὴ ἔως μὲν πόλεμος ἦν τοῖς Λακεδαιμονίοις πρὸς τοὺς Ἀθηναίους παρέμενεν, ἐπειδὴ δὲ εἰρήνη ἐγένετο, πείσας τὴν αὐτοῦ πόλιν ὥς οἱ Θρᾱικες ἀδικοῦσι τοὺς Ἑλληνας καὶ διαπραζάμενος ὥς ἐδύνατο παρὰ τῶν ἐφόρων ἐξέπλει ὥς πολεμήσων τοῖς ὑπὲρ Χερρονήσου καὶ Περίνθου Θραιζίν. [2.6.3] ἐπεὶ δὲ μεταγρόντες πως οἱ ἔφοροι ἤδη ἔξω ὄντος ἀποστρέφειν αὐτὸν ἐπειρῶντο ἐξ Ἰσθμοῦ, ἐνταῦθα οὐκέτι πείθεται, ἀλλ' ὤιχετο πλέων εἰς Ἑλλάσποντον. [2.6.4] ἐκ τούτου καὶ ἐθανατώθη ὑπὸ τῶν ἐν Σπάρτῃ τελεῶν ὥς ἀπειθῶν. ἤδη δὲ φυγὰς ὦν ἔρχεται πρὸς Κῦρον, καὶ ὁποίοις μὲν λόγοις ἔπεισε Κῦρον ἄλλῃ γέγραπται, δίδωσι δὲ αὐτῷ Κῦρος μυρίους δαρεικοὺς· [2.6.5] ὁ δὲ λαβὼν οὐκ ἐπὶ ραιθυμίᾳ ἐτράπετο, ἀλλ' ἀπὸ τούτων τῶν χρημάτων συλλέξας στράτευμα ἐπολέμει τοῖς Θραιζί, καὶ μάχῃ τε ἐνίκησε καὶ ἀπὸ τούτου δὴ ἔφερε καὶ ἤγε τούτους καὶ πολεμῶν διεγένετο μέχρι Κῦρος ἐδεήθη τοῦ στρατεύματος· τότε δὲ ἀπῆλθεν ὥς ζῦν ἐκείνῳ αὐτὸν πολεμήσων. [2.6.6] ταῦτα οὖν φιλοπολέμου μοι δοκεῖ ἀνδρὸς ἔργα εἶναι, ὅστις ἐξὸν μὲν εἰρήνην ἄγειν ἄνευ αἰσχύνης καὶ βλάβης αἰρεῖται πολεμεῖν, ἐξὸν δὲ ραιθυμεῖν βούλεται πονεῖν ὥστε πολεμεῖν, ἐξὸν δὲ χρήματα ἔχειν ἀκινδύνως αἰρεῖται πολεμῶν μείονα ταῦτα ποιεῖν· ἐκεῖνος δὲ ὥσπερ εἰς παιδικὰ ἢ εἰς ἄλλην τινὰ ἡδονὴν ἤθελε δαπανᾶν εἰς πόλεμον. [2.6.7] οὕτω μὲν φιλοπόλεμος ἦν· πολεμικὸς δὲ αὐτῇ ἐδόκει εἶναι ὅτι φιλοκίνδυνός τε ἦν καὶ ἡμέρας καὶ νυκτὸς ἄγων ἐπὶ τοὺς πολεμίους καὶ ἐν τοῖς δεινοῖς φρόνιμος, ὥς οἱ παρόντες πανταχοῦ πάντες ὡμολόγουν. [2.6.8] καὶ ἀρχικὸς δ' ἐλέγετο εἶναι ὥς δυνατόν ἐκ τοῦ τοιοῦτου τρόπου οἶον κάκεῖνος εἶχεν. ἱκανὸς μὲν γὰρ ὥς τις καὶ ἄλλος φροντίζειν ἦν ὅπως ἔχοι ἢ στρατιὰ αὐτῷ τὰ ἐπιτήδεια καὶ παρασκευάζειν ταῦτα, ἱκανὸς δὲ καὶ ἐμποῦησαι τοῖς παροῦσιν ὥς πειστέον εἴη Κλεάρχῳ. [2.6.9] τοῦτο δ' ἐποίει ἐκ τοῦ χαλεπὸς εἶναι· καὶ γὰρ ὁρᾶν στυγνὸς ἦν καὶ τῇ φωνῇ τραχὺς, ἐκόλαζέ τε ἰσχυρῶς, καὶ ὀργῇ ἐνίοτε, ὥς καὶ αὐτῷ μεταμέλειν ἔσθ' ὅτε. [2.6.10] καὶ γνώμη δ' ἐκόλαζεν· ἀκολάστου γὰρ στρατεύματος οὐδὲν ἡγεῖτο ὄφελος εἶναι, ἀλλὰ καὶ λέγειν αὐτὸν ἔφασαν ὥς δέοι τὸν στρατιώτην φοβεῖσθαι μᾶλλον τὸν ἄρχοντα ἢ τοὺς πολεμίους, εἰ μέλλοι ἢ φυλακὰς φυλάξιν ἢ φίλων ἀφ᾽έξεσθαι ἢ ἀπροφασίστως ἰέναι πρὸς τοὺς πολεμίους. [2.6.11] ἐν μὲν οὖν τοῖς δεινοῖς ἤθελον αὐτοῦ ἀκούειν σφόδρα καὶ οὐκ ἄλλον ἡγοῦντο οἱ στρατιῶται· καὶ γὰρ τὸ στυγνὸν τότε φαιδρὸν αὐτοῦ ἐν

τοῖς ἄλλοις προσώποις ἔφασαν φαίνεσθαι καὶ τὸ χαλεπὸν ἐρρωμένον πρὸς τοὺς πολεμίους ἐδόκει εἶναι, ὥστε σωτήριον, οὐκέτι χαλεπὸν ἐφαίνετο· [2.6.12] ὅτε δ' ἔξω τοῦ δεινοῦ γένοιτο καὶ ἐξείῃ πρὸς ἄλλον ἄρξομένους ἀπιέναι, πολλοὶ αὐτὸν ἀπέλειπον· τὸ γὰρ ἐπίχαρι οὐκ εἶχεν, ἀλλ' ἀεὶ χαλεπὸς ἦν καὶ ὠμός· ὥστε διέκειντο πρὸς αὐτὸν οἱ στρατιῶται ὥσπερ παῖδες πρὸς διδάσκαλον. [2.6.13] καὶ γὰρ οὖν φιλίας μὲν καὶ εὐνοίας ἐπομένους οὐδέποτε εἶχεν· οἵτινες δὲ ἢ ὑπὸ πόλεως τεταγμένοι ἢ ὑπὸ τοῦ δεῖσθαι ἢ ἄλλῃ τινὶ ἀνάγκῃ κατεχόμενοι παρεῖσαν αὐτῷ, σφόδρα πειθόμενοις ἐχρήτο. [2.6.14] ἐπεὶ δὲ ἄρξαιτο νικᾶν ξὺν αὐτῷ τοὺς πολεμίους, ἤδη μεγάλα ἦν τὰ χρησίμους ποιοῦντα εἶναι τοὺς ξὺν αὐτῷ στρατιώτας· τὸ τε γὰρ πρὸς τοὺς πολεμίους θαρραλέως ἔχειν παρῆν καὶ τὸ τὴν παρ' ἐκείνου τιμωρίαν φοβεῖσθαι εὐτάκτους ἐποίει. [2.6.15] τοιοῦτος μὲν δὴ ἄρχων ἦν· ἄρχεσθαι δὲ ὑπὸ ἄλλων οὐ μάλα ἐθέλειν ἐλέγετο. ἦν δὲ ὅτε ἐτελεύτα ἀμφὶ τὰ πεντήκοντα ἔτη. [2.6.16] Πρόξενος δὲ ὁ Βοιωτίας εὐθὺς μὲν μειράκιον ὧν ἐπεθύμει γενέσθαι ἀνὴρ τὰ μεγάλα πράττειν ἱκανός· καὶ διὰ ταύτην τὴν ἐπιθυμίαν ἔδωκε Γοργίας ἀργύριον τῷ Λεοντίνῳ. [2.6.17] ἐπεὶ δὲ συνεγένετο ἐκείνῳ, ἱκανὸς νομίσας ἤδη εἶναι καὶ ἄρχειν καὶ φίλος ὧν τοῖς πρώτοις μὴ ἡττᾶσθαι εὐεργετῶν, ἦλθεν εἰς ταύτας τὰς σὺν Κύρῳ πράξεις· καὶ ὤιετο κτήσεσθαι ἐκ τούτων ὄνομα μέγα καὶ δύναμιν μεγάλην καὶ χρήματα πολλὰ. [2.6.18] τοσούτων δ' ἐπιθυμῶν σφόδρα ἐνδηλον αὖ καὶ τοῦτο εἶχεν, ὅτι τούτων οὐδὲν ἂν θέλοι κτᾶσθαι μετὰ ἀδικίας, ἀλλὰ σὺν τῷ δικαίῳ καὶ καλῷ ὤιετο δεῖν τούτων τυγχάνειν, ἄνευ δὲ τούτων μή. [2.6.19] ἄρχειν δὲ καλῶν μὲν καὶ ἀγαθῶν δυνατὸς ἦν· οὐ μέντοι οὐτ' αἰδῶ τοῖς στρατιώταις ἑαυτοῦ οὔτε φόβον ἱκανὸς ἐμποιῆσαι, ἀλλὰ καὶ ἡισχύνετο μᾶλλον τοὺς στρατιώτας ἢ οἱ ἀρχόμενοι ἐκείνον· καὶ φοβούμενος μᾶλλον ἦν φανερόν τὸ ἀπεχθάνεσθαι τοῖς στρατιώταις ἢ οἱ στρατιῶται τὸ ἀπιστεῖν ἐκείνῳ. [2.6.20] ὤιετο δὲ ἀρκεῖν πρὸς τὸ ἀρχικὸν εἶναι καὶ δοκεῖν τὸν μὲν καλῶς ποιοῦντα ἐπαινεῖν, τὸν δὲ ἀδικοῦντα μὴ ἐπαινεῖν. τοιγαροῦν αὐτῷ οἱ μὲν καλοὶ τε καὶ ἀγαθοὶ τῶν συνόντων εὖνοι ἦσαν, οἱ δὲ ἄδικοι ἐπεβούλευον ὥς εὐμεταχειρίστωι ὄντι. ὅτε δὲ ἀπέθνησκεν ἦν ἐτῶν ὡς τριάκοντα. [2.6.21] Μένων δὲ ὁ Θετταλὸς δῆλος ἦν ἐπιθυμῶν μὲν πλουτεῖν ἰσχυρῶς, ἐπιθυμῶν δὲ ἄρχειν, ὅπως πλείω λαμβάνοι, ἐπιθυμῶν δὲ τιμᾶσθαι, ἵνα πλείω κερδαίνει· φίλος τε ἐβούλετο εἶναι τοῖς μέγιστα δυναμένοις, ἵνα ἀδικῶν μὴ διδοίῃ δίκην. [2.6.22] ἐπὶ δὲ τὸ

κατεργάζεσθαι ὧν ἐπιθυμοίη συντομωτάτην ὥιето ὁδὸν εἶναι διὰ τοῦ ἐπιορκεῖν τε καὶ ψεύδεσθαι καὶ ἐξαπατᾶν, τὸ δ' ἄπλοῦν καὶ ἀληθές τὸ αὐτὸ τῷ ἡλιθίῳ εἶναι. [2.6.23] στέργων δὲ φανερός μὲν ἦν οὐδένα, ὅτῳ δὲ φαίη φίλος εἶναι, τούτῳ ἔνδηλος ἐγίνετο ἐπιβουλεύων. καὶ πολεμίου μὲν οὐδενὸς κατεγέλα, τῶν δὲ συνόντων πάντων ὡς καταγελῶν ἀεὶ διελέγετο. [2.6.24] καὶ τοῖς μὲν τῶν πολεμίων κτήμασιν οὐκ ἐπεβούλευε· χαλεπὸν γὰρ ὥιето εἶναι τὰ τῶν φυλαττομένων λαμβάνειν· τὰ δὲ τῶν φίλων μόνος ὥιето εἰδέναι ῥαῖστον ὃν ἀφύλακτα λαμβάνειν. [2.6.25] καὶ ὅσους μὲν αἰσθάνοιτο ἐπιόρκους καὶ ἀδίκους ὡς εὖ ὥπλισμένους ἐφοβεῖτο, τοῖς δὲ ὁσίοις καὶ ἀλήθειαν ἀσκοῦσιν ὡς ἀνάνδροις ἐπειρᾶτο χρῆσθαι. [2.6.26] ὥσπερ δὲ τις ἀγάλλεται ἐπὶ θεοσεβείᾳ καὶ ἀληθείᾳ καὶ δικαιοσύνῃ, οὕτῳ Μένων ἡγάλλετο τῷ ἐξαπατᾶν δύνασθαι, τῷ πλάσασθαι ψεύδη, τῷ φίλους διαγεῖν· τὸν δὲ μὴ πανοῦργον τῶν ἀπαιδευτῶν ἀεὶ ἐνόμιζεν εἶναι. καὶ παρ' οἷς μὲν ἐπεχειρεῖ πρωτεύειν φιλίαι, διαβάλλων τοὺς πρώτους τοῦτο ὥιето δεῖν κτήσασθαι. [2.6.27] τὸ δὲ πειθομένους τοὺς στρατιώτας παρέχεσθαι ἐκ τοῦ συναδικεῖν αὐτοῖς ἐμνηχανᾶτο. τιμᾶσθαι δὲ καὶ θεραπεύεσθαι ἡξίου ἐπιδεικνύμενος ὅτι πλεῖστα δύναιτο καὶ ἐθέλοι ἂν ἀδικεῖν. εὐεργεσίαν δὲ κατέλεγεν, ὅποτε τις αὐτοῦ ἀφίσταιτο, ὅτι χρώμενος αὐτῷ οὐκ ἀπώλεσεν αὐτόν. [2.6.28] καὶ τὰ μὲν δὴ ἀφανῆ ἔξεστι περὶ αὐτοῦ ψεύδεσθαι, ἃ δὲ πάντες ἴσασι τάδ' ἐστί. παρὰ Ἀριστίππου μὲν ἔτι ὥραϊος ὢν στρατηγεῖν διεπράξατο τῶν ξένων, Ἀριαίῳ δὲ βαρβάρῳ ὄντι, ὅτι μεираκίοις καλοῖς ἦδετο, οἰκειότατος [ἔτι ὥραϊος ὢν] ἐγένετο, αὐτὸς δὲ παιδικὰ εἶχε Θαρύπαν ἀγένειος ὢν γενειῶντα. [2.6.29] ἀποθνησκόντων δὲ τῶν συστρατῆγων ὅτι ἐστράτευσαν ἐπὶ βασιλέα ξὺν Κύρῳ, ταῦτα πεποιηκὼς οὐκ ἀπέθανε, μετὰ δὲ τὸν τῶν ἄλλων θάνατον στρατηγῶν τιμωρηθεὶς ὑπὸ βασιλέως ἀπέθανεν, οὐχ ὥσπερ Κλέαρχος καὶ οἱ ἄλλοι στρατηγοὶ ἀποτμηθέντες τὰς κεφαλὰς, ὥσπερ τάχιστος θάνατος δοκεῖ εἶναι, ἀλλὰ ζῶν αἰκισθεὶς ἐνιαυτὸν ὡς πονηρὸς λέγεται τῆς τελευτῆς τυχεῖν. [2.6.30] Ἀγίας δὲ ὁ Ἀρκὰς καὶ Σωκράτης ὁ Ἀχαιοὺς καὶ τούτῳ ἀπεθανέτην. τούτων δὲ οὐθ' ὡς ἐν πολέμῳ κακῶν οὐδεὶς κατεγέλα οὐτ' εἰς φιλίαν αὐτοὺς ἐμέμφετο. ἦσθην δὲ ἄμφω ἀμφὶ τὰ πέντε καὶ τριάκοντα ἔτη ἀπὸ γενεᾶς.

Βιβλίον γ'

[3.1.1] [ὅσα μὲν δὴ ἐν τῇ Κύρου ἀναβάσει οἱ Ἕλληνες ἔπραξαν μέχρι τῆς μάχης, καὶ ὅσα ἐπεὶ Κῦρος ἐτελεύτησεν ἐγένετο ἀπιόντων τῶν Ἑλλήνων σὺν Τισσαφέρνει ἐν ταῖς σπονδαῖς, ἐν τῷ πρόσθεν λόγῳ δεδήλωται.]

[3.1.2] Ἐπεὶ δὲ οἱ στρατηγοὶ συνειλημμένοι ἦσαν καὶ τῶν λοχαγῶν καὶ τῶν στρατιωτῶν οἱ συνεπόμενοι ἀπωλώλεσαν, ἐν πολλῇ δὴ ἀπορίᾳ ἦσαν οἱ Ἕλληνες, ἐννοοῦμενοι ὅτι ἐπὶ ταῖς βασιλέως θύραις ἦσαν, κύκλῳ δὲ αὐτοῖς πάντῃ πολλὰ καὶ ἔθνη καὶ πόλεις πολέμια ἦσαν, ἀγορὰν δὲ οὐδεὶς ἔτι παρέξιν ἔμελλεν, ἀπείχον δὲ τῆς Ἑλλάδος οὐ μείον ἢ μύρια στάδια, ἡγεμῶν δ' οὐδεὶς τῆς ὁδοῦ ἦν, ποταμοὶ δὲ διεῖργον ἀδιάβατοι ἐν μέσῳ τῆς οἴκαδε ὁδοῦ, προυδεδώκεσαν δὲ αὐτοὺς καὶ οἱ σὺν Κύρῳ ἀναβάντες βάρβαροι, μόνον δὲ καταλελειμμένοι ἦσαν οὐδὲ ἵππέα οὐδένα σύμμαχον ἔχοντες, ὥστε εὐδηλον ἦν ὅτι νικῶντες μὲν οὐδένα ἂν κατακάνοιεν, ἡττηθέντων δὲ αὐτῶν οὐδεὶς ἂν λειφθεῖ. [3.1.3] ταῦτ' ἐννοοῦμενοι καὶ ἀθύμως ἔχοντες ὀλίγοι μὲν αὐτῶν εἰς τὴν ἐσπέραν σίτου ἐγεύσαντο, ὀλίγοι δὲ πῦρ ἀνέκαυσαν, ἐπὶ δὲ τὰ ὄπλα πολλοὶ οὐκ ἦλθον ταύτην τὴν νύκτα, ἀνεπαύοντο δὲ ὅπου ἐτύγχανον ἕκαστος, οὐ δυνάμενοι καθεύδειν ὑπὸ λύπης καὶ πόθου πατρίδων, γονέων, γυναικῶν, παίδων, οὓς οὐποτ' ἐνόμιζον ἔτι ὄψεσθαι. οὕτω μὲν δὴ διακείμενοι πάντες ἀνεπαύοντο. [3.1.4] ἦν δέ τις ἐν τῇ στρατιᾷ Ξενοφῶν Ἀθηναῖος, ὃς οὔτε στρατηγὸς οὔτε λοχαγὸς οὔτε στρατιώτης ὢν συνηκολούθει, ἀλλὰ Πρόξενος αὐτὸν μετεπέμψατο οἴκοθεν ξένος ὢν ἀρχαῖος· ὑπισχνεῖτο δὲ αὐτῷ, εἰ ἔλθοι, φίλον αὐτὸν Κύρῳ ποιήσειν, ὃν αὐτὸς ἔφη κρεῖττω ἑαυτῷ νομίζειν τῆς πατρίδος. [3.1.5] ὁ μέντοι Ξενοφῶν ἀναγνοὺς τὴν ἐπιστολὴν ἀνακοινοῦται Σωκράτει τῷ Ἀθηναίῳ περὶ τῆς πορείας. καὶ ὁ Σωκράτης ὑποπτεύσας μὴ τι πρὸς τῆς πόλεως ὑπαίτιον εἶη Κύρῳ φίλον γενέσθαι, ὅτι ἐδόκει ὁ Κῦρος προθύμως τοῖς Λακεδαιμονίοις ἐπὶ τὰς Ἀθήνας συμπολεμῆσαι, συμβουλευεῖ τῷ Ξενοφῶντι ἐλθόντα εἰς Δελφοὺς ἀνακοινῶσαι τῷ θεῷ περὶ τῆς πορείας. [3.1.6] ἐλθὼν δ' ὁ Ξενοφῶν ἐπήρετο τὸν Απόλλω τίνι ἂν θεῶν θύων καὶ εὐχόμενος κάλλιστα καὶ ἄριστα ἔλθοι τὴν ὁδὸν ἣν ἐπιοεῖ καὶ καλῶς πράξας σωθεῖη. καὶ ἀνεῖλεν αὐτῷ ὁ Απόλλων θεοῖς οἷς ἔδει θύειν. [3.1.7] ἐπεὶ δὲ πάλιν ἦλθε, λέγει τὴν

μαντείαν τῷ Σωκράτει. ὁ δ' ἀκούσας ἡτιῶτο αὐτὸν ὅτι οὐ τοῦτο πρῶτον ἡρώτα πότερον λῶιον εἴη αὐτῷ πορεύεσθαι ἢ μένειν, ἀλλ' αὐτὸς κρίνας ἰτέον εἶναι τοῦτ' ἐπυνθάνετο ὅπως ἂν κάλλιστα πορευθεῖη. ἐπεὶ μέντοι οὕτως ἦρου, ταῦτ', ἔφη, χρὴ ποιεῖν ὅσα ὁ θεὸς ἐκέλευσεν. [3.1.8] ὁ μὲν δὴ Ξενοφῶν οὕτω θυσάμενος οἷς ἀνεῖλεν ὁ θεὸς ἐξέπλει, καὶ καταλαμβάνει ἐν Σάρδεσι Πρόξενον καὶ Κῦρον μέλλοντας ἤδη ὁρμᾶν τὴν ἄνω ὁδόν, καὶ συνεστάθη Κύρῳ. [3.1.9] προθυμουμένου δὲ τοῦ Προξένου καὶ ὁ Κῦρος συμπροθυμεῖτο μεῖναι αὐτόν, εἶπε δὲ ὅτι ἐπειδὴν τάχιστα ἡ στρατεία λήξει, εὐθὺς ἀποπέμψει αὐτόν. ἐλέγετο δὲ ὁ στόλος εἶναι εἰς Πισίδας. [3.1.10] ἐστρατεύετο μὲν δὴ οὕτως ἐξαπατηθεὶς – οὐχ ὑπὸ Προξένου· οὐ γὰρ ἡίδει τὴν ἐπὶ βασιλέα ὁρμὴν οὐδὲ ἄλλος οὐδεὶς τῶν Ἑλλήνων πλὴν Κλεάρχου· ἐπεὶ μέντοι εἰς Κιλικίαν ἦλθον, σαφὲς πᾶσιν ἤδη ἐδόκει εἶναι ὅτι ὁ στόλος εἴη ἐπὶ βασιλέα. φοβούμενοι δὲ τὴν ὁδὸν καὶ ἄκοντες ὅμως οἱ πολλοὶ δι' αἰσχύνην καὶ ἀλλήλων καὶ Κύρου συνηκολούθησαν· ὧν εἷς καὶ Ξενοφῶν ἦν. [3.1.11] ἐπεὶ δὲ ἀπορία ἦν, ἔλυπεῖτο μὲν σὺν τοῖς ἄλλοις καὶ οὐκ ἐδύνατο καθεύδειν· μικρὸν δ' ὕπνου λαχὼν εἶδεν ὄναρ. ἔδοξεν αὐτῷ βροντῆς γενομένης σκηπτὸς πεσεῖν εἰς τὴν πατρίαν οἰκίαν, καὶ ἐκ τούτου λάμπεσθαι πᾶσα. [3.1.12] περίφοβος δ' εὐθὺς ἀνηγέρθη, καὶ τὸ ὄναρ τῇ μὲν ἔκρινεν ἀγαθόν, ὅτι ἐν πόνοις ὧν καὶ κινδύνοις φῶς μέγα ἐκ Διὸς ἰδεῖν ἔδοξε· τῇ δὲ καὶ ἐφοβεῖτο, ὅτι ἀπὸ Διὸς μὲν βασιλέως τὸ ὄναρ ἐδόκει αὐτῷ εἶναι, κύκλῳ δὲ ἐδόκει λάμπεσθαι τὸ πῦρ, μὴ οὐ δύναίτο ἐκ τῆς χώρας ἐξελθεῖν τῆς βασιλέως, ἀλλ' εἵργοιτο πάντοθεν ὑπὸ τινων ἀποριῶν. [3.1.13] ὁποῖόν τι μὲν δὴ ἐστὶ τὸ τοιοῦτον ὄναρ ἰδεῖν ἔξεστι σκοπεῖν ἐκ τῶν συμβάντων μετὰ τὸ ὄναρ. γίγνεται γὰρ τάδε. εὐθὺς ἐπειδὴ ἀνηγέρθη πρῶτον μὲν ἔννοια αὐτῷ ἐμπίπτει· τί κατάκειμαι; ἡ δὲ νύξ προβαίνει· ἅμα δὲ τῇ ἡμέρᾳ εἰκὸς τοὺς πολεμίους ἦξιν. εἰ δὲ γεννησόμεθα ἐπὶ βασιλεῖ, τί ἐμποδὼν μὴ οὐχὶ πάντα μὲν τὰ χαλεπώτατα ἐπιδόντας, πάντα δὲ τὰ δεινότερα παθόντας ὑβριζομένους ἀποθανεῖν; [3.1.14] ὅπως δ' ἀμυνούμεθα οὐδεὶς παρασκευάζεται οὐδὲ ἐπιμελεῖται, ἀλλὰ κατακείμεθα ὥσπερ ἐξὸν ἡσυχίαν ἄγειν. ἐγὼ οὖν τὸν ἐκ ποίας πόλεως στρατηγὸν προσδοκῶ ταῦτα πράξειν; ποίαν δ' ἡλικίαν ἐμαυτῷ ἐλθεῖν ἀναμείνω; οὐ γὰρ ἔγωγ' ἔτι πρεσβύτερος ἔσομαι, ἐὰν τήμερον προδῶ ἐμαυτὸν τοῖς πολεμίῳις. [3.1.15] ἐκ τούτου ἀνίσταται καὶ συγκαλεῖ τοὺς Προξένου πρῶτον λοχαγούς. ἐπεὶ δὲ συνῆλθον, ἔλεξεν· «ἐγώ, ὦ ἄνδρες

λοχαγοί, οὔτε καθεύδειν δύναμαι, ὥσπερ οἶμαι οὐδ' ὑμεῖς, οὔτε κατακεῖσθαι ἔτι, ὁρῶν ἐν οἴοις ἐσμέν. [3.1.16] οἱ μὲν γὰρ πολέμιοι δῆλον ὅτι οὐ πρότερον πρὸς ἡμᾶς τὸν πόλεμον ἐξέφηναν πρὶν ἐνόμισαν καλῶς τὰ ἐαυτῶν παρασκευάσασθαι, ἡμῶν δ' οὐδεὶς οὐδὲν ἀντεπιμελεῖται ὅπως ὡς κάλλιστα ἀγωνιούμεθα. [3.1.17] καὶ μὴν εἰ ὑψησόμεθα καὶ ἐπὶ βασιλεῖ γενησόμεθα, τί οἰόμεθα πείσεσθαι; ὅς καὶ τοῦ ὁμομητρίου ἀδελφοῦ καὶ τεθνηκότος ἤδη ἀποτεμῶν τὴν κεφαλὴν καὶ τὴν χεῖρα ἀνεσταύρωσεν· ἡμᾶς δέ, οἷς κηδεμῶν μὲν οὐδεὶς πάρεστιν, ἐστρατεύσαμεν δὲ ἐπ' αὐτὸν ὡς δοῦλον ἀντὶ βασιλέως ποιήσοντες καὶ ἀποκτενοῦντες εἰ δυναίμεθα, τί ἂν οἰόμεθα παθεῖν; [3.1.18] ἄρ' οὐκ ἂν ἐπὶ πᾶν ἔλθοι ὡς ἡμᾶς τὰ ἔσχατα αἰκισάμενος πᾶσιν ἀνθρώποις φόβον παράσχοι τοῦ στρατεῦσαι ποτε ἐπ' αὐτόν; ἀλλ' ὅπως τοι μὴ ἐπ' ἐκείνῳι γενησόμεθα πάντα ποιητέον. [3.1.19] ἐγὼ μὲν οὖν ἔστε μὲν αἱ σπονδαὶ ἦσαν οὐποτε ἐπαυόμην ἡμᾶς μὲν οἰκτίρων, βασιλέα δὲ καὶ τοὺς σὺν αὐτῷ μακαρίζων, διαθεώμενος αὐτῶν ὅσῃ μὲν χώραν καὶ οἷαν ἔχοιεν, ὡς δὲ ἄφθονα τὰ ἐπιτήδεια, ὅσους δὲ θεράποντας, ὅσα δὲ κτήνη, χρυσὸν δέ, ἐσθῆτα δέ· [3.1.20] τὰ δ' αὖ τῶν στρατιωτῶν ὁπότε ἐνθυμοίμην, ὅτι τῶν μὲν ἀγαθῶν τούτων οὐδενὸς ἡμῖν μετεῖη, εἰ μὴ πριαίμεθα, ὅτου δ' ὠνησόμεθα ἡδεῖν ἔτι ὀλίγους ἔχοντας, ἄλλως δὲ πως πορίζεσθαι τὰ ἐπιτήδεια ἢ ὠνουμένους ὅρκους ἤδη κατέχοντας ἡμᾶς· ταῦτ' οὖν λογιζόμενος ἐνίστε τὰς σπονδὰς μᾶλλον ἐφοβούμην ἢ νῦν τὸν πόλεμον. [3.1.21] ἐπεὶ μέντοι ἐκείνοι ἔλυσαν τὰς σπονδὰς, λελύσθαι μοι δοκεῖ καὶ ἡ ἐκείνων ὕβρις καὶ ἡ ἡμετέρα ὑποψία. ἐν μέσῳ γὰρ ἤδη κεῖται ταῦτα τὰ ἀγαθὰ ἅθλα ὁπότεροι ἂν ἡμῶν ἄνδρες ἀμείνονες ᾧσιν, ἀγωνοθέται δ' οἱ θεοὶ εἰσιν, οἱ σὺν ἡμῖν, ὡς τὸ εἰκὸς, ἔσονται. [3.1.22] οὗτοι μὲν γὰρ αὐτοὺς ἐπιωρκήκασιν· ἡμεῖς δὲ πολλὰ ὁρῶντες ἀγαθὰ στερρῶς αὐτῶν ἀπειχόμεθα διὰ τοὺς τῶν θεῶν ὅρκους· ὥστε ἐξεῖναί μοι δοκεῖ ἰέναι ἐπὶ τὸν ἀγῶνα πολὺ σὺν φρονήματι μείζονι ἢ τούτοις. [3.1.23] ἔτι δ' ἔχομεν σώματα ἰκανώτερα τούτων καὶ ψύχη καὶ θάλλῃ καὶ πόνους φέρειν· ἔχομεν δὲ καὶ ψυχὰς σὺν τοῖς θεοῖς ἀμείνονας· οἱ δὲ ἄνδρες καὶ τρωτοὶ καὶ θνητοὶ μᾶλλον ἡμῶν, ἢν οἱ θεοὶ ὥσπερ τὸ πρόσθεν νίκην ἡμῖν διδῶσιν. [3.1.24] ἀλλ' ἴσως γὰρ καὶ ἄλλοι ταῦτ' ἐνθυμοῦνται, πρὸς τῶν θεῶν μὴ ἀναμένωμεν ἄλλους ἐφ' ἡμᾶς ἐλθεῖν παρακαλοῦντας ἐπὶ τὰ κάλλιστα ἔργα, ἀλλ' ἡμεῖς ἄρξωμεν τοῦ ἐξορμῆσαι καὶ τοὺς ἄλλους ἐπὶ τὴν ἀρετὴν· φάνητε τῶν λοχαγῶν ἄριστοι καὶ τῶν στρατηγῶν ἀξιοστρατηγότεροι. [3.1.25] καὶ γὰρ

δέ, εἰ μὲν ὑμεῖς ἐθέλετε ἐξορμᾶν ἐπὶ ταῦτα, ἔπεσθαι ὑμῖν βούλομαι, εἰ δ' ὑμεῖς τάττετ' ἐμὲ ἡγεῖσθαι, οὐδὲν προφασίζομαι τὴν ἡλικίαν, ἀλλὰ καὶ ἀκμάζειν ἡγοῦμαι ἐρύκειν ἀπ' ἐμαυτοῦ τὰ κακά.»

[3.1.26] ὁ μὲν ταῦτ' ἔλεξεν, οἱ δὲ ἀρχηγοὶ ἀκούσαντες ἡγεῖσθαι ἐκέλευον πάντες, πλὴν Ἀπολλωνίδης τις ἦν βοιωτιάζων τῇ φωνῇ· οὗτος δ' εἶπεν ὅτι φλυαροίη ὅστις λέγει ἄλλως πως σωτηρίας ἂν τυχεῖν ἢ βασιλέα πείσας, εἰ δύναίτο, καὶ ἅμα ἤρχετο λέγειν τὰς ἀπορίας. ὁ μέντοι Ξενοφῶν μεταξὺ ὑπολαβὼν ἔλεξεν ὧδε. [3.1.27] «ὦ θαυμασιώτατε ἄνθρωπε, σύγῃ οὐδὲ ὀρῶν γινώσκεις οὐδὲ ἀκούων μέμνησαι. ἐν ταῦτῳ γε μέντοι ἦσθα τοῦτοις ὅτε βασιλεύς, ἐπεὶ Κῦρος ἀπέθανε, μέγα φρονήσας ἐπὶ τούτῳ πέμπων ἐκέλευε παραδιδόναι τὰ ὅπλα. [3.1.28] ἐπεὶ δὲ ἡμεῖς οὐ παραδόντες, ἀλλ' ἐξοπλισάμενοι ἐλθόντες παρεσκηνήσαμεν αὐτῷ, τί οὐκ ἐποίησε πρέσβεις πέμπων καὶ σπονδὰς αἰτῶν καὶ παρέχων τὰ ἐπιτήδεια, ἔστε σπονδῶν ἔτυχεν; [3.1.29] ἐπεὶ δ' αὖ οἱ στρατηγοὶ καὶ λοχαγοί, ὥσπερ δὴ σὺ κελεύεις, εἰς λόγους αὐτοῖς ἄνευ ὅπλων ἦλθον πιστεύσαντες ταῖς σπονδαῖς, οὐ νῦν ἐκεῖνοι παιόμενοι, κεντούμενοι, ὕβριζόμενοι οὐδὲ ἀποθανεῖν οἱ τλήμονες δύνανται, καὶ μάλ' οἶμαι ἐρῶντες τούτου; ἂ σὺ πάντα εἰδὼς τοὺς μὲν ἀμύνασθαι κελεύοντας φλυαρεῖν φῆις, πείθειν δὲ πάλιν κελεύεις ἰόντας; [3.1.30] ἐμοί, ὦ ἄνδρες, δοκεῖ τὸν ἄνθρωπον τοῦτον μήτε προσίεσθαι εἰς ταὐτὸ ἡμῖν αὐτοῖς ἀφελομένους τε τὴν λοχαγίαν σκευὴ ἀναθέντας ὥς τοιοῦτῳ χρῆσθαι. οὗτος γὰρ καὶ τὴν πατρίδα καταισχύνει καὶ πᾶσαν τὴν Ἑλλάδα, ὅτι Ἕλληνας ὧν τοιοῦτός ἐστιν.» [3.1.31] ἐντεῦθεν ὑπολαβὼν Ἀγασίας Στυμφάλιος εἶπεν· «ἀλλὰ τούτῳ γε οὔτε τῆς Βοιωτίας προσήκει οὐδὲν οὔτε τῆς Ἑλλάδος παντάπασιν, ἐπεὶ ἐγὼ αὐτὸν εἶδον ὥσπερ Λυδὸν ἀμφοτέρω τὰ ὅσα τετυπημένον.» [3.1.32] καὶ εἶχεν οὕτως. τοῦτον μὲν οὖν ἀπήλασαν· οἱ δὲ ἄλλοι παρὰ τὰς τάξεις ἰόντες, ὅπου μὲν στρατηγὸς σῶιος εἴη, τὸν στρατηγὸν παρεκάλουν, ὁπόθεν δὲ οἴχοιτο, τὸν ὑποστράτηγον, ὅπου δ' αὖ λοχαγὸς σῶιος εἴη, τὸν λοχαγόν. [3.1.33] ἐπεὶ δὲ πάντες συνῆλθον, εἰς τὸ πρόσθεν τῶν ὅπλων ἐκαθέζοντο· καὶ ἐγένοντο οἱ συνελθόντες στρατηγοὶ καὶ λοχαγοὶ ἀμφὶ τοὺς ἑκατόν. ὅτε δὲ ταῦτα ἦν σχεδὸν μέσαι ἦσαν νύκτες. [3.1.34] ἐνταῦθα Ἰερώνυμος Ἡλεῖος πρεσβύτατος ὧν τῶν Προξένου λοχαγῶν ἤρχετο λέγειν ὧδε. «ἡμῖν, ὦ ἄνδρες στρατηγοὶ καὶ λοχαγοί, ὀρῶσι τὰ παρόντα ἔδοξε καὶ αὐτοῖς συνελθεῖν καὶ ὑμᾶς παρακαλέσαι, ὅπως βουλευσαίμεθα εἴ τι δυναίμεθα ἀγαθόν. λέξον δ', ἔφη, καὶ σὺ, ὦ

Ξενοφῶν, ἅπερ καὶ πρὸς ἡμᾶς.» [3.1.35] ἐκ τούτου λέγει τάδε Ξενοφῶν. «ἀλλὰ ταῦτα μὲν δὴ πάντες ἐπιστάμεθα, ὅτι βασιλεὺς καὶ Τισσαφέρνης οὓς μὲν ἐδυνήθησαν συνειλήφασιν ἡμῶν, τοῖς δ' ἄλλοις δῆλον ὅτι ἐπιβουλεύουσιν, ὥς, ἣν δύνωνται, ἀπολέσωσιν. ἡμῖν δέ γε οἶμαι πάντα ποιητέα ὥς μήποτε ἐπὶ τοῖς βαρβάροις γενώμεθα, ἀλλὰ μᾶλλον ἐκεῖνοι ἐφ' ἡμῖν. [3.1.36] εὖ τοίνυν ἐπίστασθε ὅτι ὑμεῖς τοσοῦτοι ὄντες ὅσοι νῦν συνεληλύθατε μέγιστον ἔχετε καιρόν. οἱ γὰρ στρατιῶται οὗτοι πάντες πρὸς ὑμᾶς βλέπουσι, κἂν μὲν ὑμᾶς ὀρώσιν ἀθύμους, πάντες κακοὶ ἔσονται, ἣν δὲ ὑμεῖς αὐτοὶ τε παρασκευαζόμενοι φανεροὶ ᾗτε ἐπὶ τοὺς πολεμίους καὶ τοὺς ἄλλους παρακαλῆτε, εὖ ἴστε ὅτι ἔψονται ὑμῖν καὶ πειράσσονται μιμεῖσθαι. [3.1.37] ἴσως δέ τοι καὶ δίκαιόν ἐστιν ὑμᾶς διαφέρειν τι τούτων. ὑμεῖς γάρ ἐστε στρατηγοί, ὑμεῖς ταξίαρχοι καὶ λοχαγοί· καὶ ὅτε εἰρήνη ᾗν, ὑμεῖς καὶ χρήμασι καὶ τιμαῖς τούτων ἐπλεονεκτεῖτε· καὶ νῦν τοίνυν ἐπεὶ πόλεμός ἐστιν, ἀξιοῦν δεῖ ὑμᾶς αὐτοὺς ἀμείνους τε τοῦ πλήθους εἶναι καὶ προβουλεύειν τούτων καὶ προπονεῖν, ἣν που δέη. [3.1.38] καὶ νῦν πρῶτον μὲν οἶομαι ἂν ὑμᾶς μέγα ὠφελῆσαι τὸ στράτευμα, εἰ ἐπιμεληθεῖητε ὅπως ἀντὶ τῶν ἀπολωλότων ὥς τάχιστα στρατηγοὶ καὶ λοχαγοὶ ἀντικατασταθῶσιν. ἄνευ γὰρ ἀρχόντων οὐδὲν ἂν οὔτε καλὸν οὔτε ἀγαθὸν γένοιτο ὥς μὲν συνελόντι εἰπεῖν οὐδαμοῦ, ἐν δὲ δὴ τοῖς πολεμικοῖς παντάπασιν. ἡ μὲν γὰρ εὐταξία σῆζειν δοκεῖ, ἡ δὲ ἀταξία πολλοὺς ἤδη ἀπολώλεκεν. [3.1.39] ἐπειδὴν δὲ καταστήσησθε τοὺς ἄρχοντας ὅσους δεῖ, ἣν καὶ τοὺς ἄλλους στρατιώτας συλλέγητε καὶ παραθαρρύνητε, οἶμαι ἂν ὑμᾶς πάνυ ἐν καιρῷ ποιῆσαι. [3.1.40] νῦν γὰρ ἴσως καὶ ὑμεῖς αἰσθάνεσθε ὥς ἀθύμως μὲν ἦλθον ἐπὶ τὰ ὄπλα, ἀθύμως δὲ πρὸς τὰς φυλακάς· ὥστε οὕτω γ' ἐχόντων οὐκ οἶδα ὅ τι ἂν τις χρήσαιτο αὐτοῖς, εἴτε νυκτὸς δέοι εἴτε καὶ ἡμέρας. [3.1.41] ἣν δὲ τις αὐτῶν τρέψῃ τὰς γνώμας, ὥς μὴ τοῦτο μόνον ἐννοῶνται, τί πείσονται, ἀλλὰ καὶ τί ποιήσουσι, πολὺ εὐθυμότεροι ἔσονται. [3.1.42] ἐπίστασθε γὰρ δὴ ὅτι οὔτε πλήθός ἐστιν οὔτε ἰσχύς ἡ ἐν τῷ πολέμῳ τὰς νίκας ποιοῦσα, ἀλλ' ὁπότεροι ἂν σὺν τοῖς θεοῖς ταῖς ψυχαῖς ἐρρωμενέστεροι ἴωσιν ἐπὶ τοὺς πολεμίους, τούτους ὥς ἐπὶ τὸ πολὺ οἱ ἀντίοι οὐ δέχονται. [3.1.43] ἐντεθύμημαι δ' ἔγωγε, ὦ ἄνδρες, καὶ τοῦτο, ὅτι ὁπόσοι μὲν μαστεύουσι ζῆν ἐκ παντὸς τρόπου ἐν τοῖς πολεμικοῖς, οὗτοι μὲν κακῶς τε καὶ αἰσchrῶς ὥς ἐπὶ τὸ πολὺ ἀποθνήσκουσιν, ὁπόσοι δὲ τὸν μὲν θάνατον ἐγνώκασι πᾶσι κοινὸν εἶναι καὶ ἀναγκαῖον ἀνθρώποις, περὶ δὲ τοῦ καλῶς ἀποθνήσκειν ἀγωνίζονται,

τούτους ὁρῶ μᾶλλον πως εἰς τὸ γῆρας ἀφικνουμένους καὶ ἕως ἂν ζῶσιν εὐδαιμονέστερον διάγοντας. [3.1.44] ἃ καὶ ὑμᾶς δεῖ νῦν καταμαθόντας (ἐν τοιούτῳ γὰρ καιρῷ ἐσμεν) αὐτοὺς τε ἄνδρας ἀγαθοὺς εἶναι καὶ τοὺς ἄλλους παρακαλεῖν.» [3.1.45] ὁ μὲν ταῦτα εἰπὼν ἐπαύσατο. μετὰ δὲ τοῦτον εἶπε Χειρίσοφος· «ἀλλὰ πρόσθεν μὲν, ὃ Ξενοφῶν, τοσοῦτον μόνον σε ἐγίγνωσκον ὅσον ἤκουον Ἀθηναῖον εἶναι, νῦν δὲ καὶ ἐπαινῶ σε ἐφ' οἷς λέγεις τε καὶ πράττεις καὶ βουλοίμην ἂν ὅτι πλείστους εἶναι τοιούτους· κοινὸν γὰρ ἂν εἴη τὸ ἀγαθόν. [3.1.46] καὶ νῦν, ἔφη, μὴ μέλλωμεν, ὃ ἄνδρες, ἀλλ' ἀπελθόντες ἤδη αἰρεῖσθε οἱ δεόμενοι ἄρχοντας, καὶ ἐλόμενοι ἤκετε εἰς τὸ μέσον τοῦ στρατοπέδου καὶ τοὺς αἰρεθέντας ἄγετε· ἔπειτ' ἐκεῖ συγκαλοῦμεν τοὺς ἄλλους στρατιώτας. παρέστω δ' ἡμῖν, ἔφη, καὶ Τολμίδης ὁ κῆρυξ.» [3.1.47] καὶ ἅμα ταῦτ' εἰπὼν ἀνέστη, ὥς μὴ μέλλοιτο ἀλλὰ περαίνοιτο τὰ δέοντα. ἐκ τούτου ἠιρέθησαν ἄρχοντες ἀντὶ μὲν Κλεάρχου Τιμασίων Δαρδανεύς, ἀντὶ δὲ Σωκράτους Ξανθικλῆς Ἀχαιός, ἀντὶ δὲ Ἀγίου Κλεάνωρ Ἀρκάς, ἀντὶ δὲ Μένωνος Φιλήσιος Ἀχαιός, ἀντὶ δὲ Προξένου Ξενοφῶν Ἀθηναῖος.

[3.2.1] ἐπεὶ δὲ ἤρηντο, ἡμέρα τε σχεδὸν ὑπέφαινε καὶ εἰς τὸ μέσον ἦκον οἱ ἄρχοντες, καὶ ἔδοξεν αὐτοῖς προφυλακὰς καταστήσαντας συγκαλεῖν τοὺς στρατιώτας. ἐπεὶ δὲ καὶ οἱ ἄλλοι στρατιῶται συνῆλθον, ἀνέστη πρῶτος μὲν Χειρίσοφος ὁ Λακεδαιμόνιος καὶ ἔλεξεν ὧδε. [3.2.2] «ἄνδρες στρατιῶται, χαλεπὰ μὲν τὰ παρόντα, ὅποτε ἀνδρῶν στρατηγῶν τοιούτων στερόμεθα καὶ λοχαγῶν καὶ στρατιωτῶν, πρὸς δ' ἔτι καὶ οἱ ἀμφὶ Ἀριαῖον οἱ πρόσθεν σύμμαχοι ὄντες προδεδώκασιν ἡμᾶς· [3.2.3] ὅμως δὲ δεῖ ἐκ τῶν παρόντων ἄνδρας ἀγαθοὺς τελέθειν καὶ μὴ ὑφίεσθαι, ἀλλὰ πειρᾶσθαι ὅπως, ἦν μὲν δυνάμεθα, καλῶς νικῶντες σσιζώμεθα· εἰ δὲ μή, ἀλλὰ καλῶς γε ἀποθνήσκωμεν, ὑποχείριοι δὲ μηδέποτε γενώμεθα ζῶντες τοῖς πολεμίοις. οἶομαι γὰρ ἂν ἡμᾶς τοιαῦτα παθεῖν οἷα τοὺς ἐχθροὺς οἱ θεοὶ ποιήσειαν.» [3.2.4] ἐπὶ τούτῳ Κλεάνωρ ὁ Ὀρχομένιος ἀνέστη καὶ ἔλεξεν ὧδε. «ἀλλ' ὁρᾶτε μὲν, ὃ ἄνδρες, τὴν βασιλέως ἐπιτοκίαν καὶ ἀσέβειαν, ὁρᾶτε δὲ τὴν Τισσαφέρνους ἀπιστίαν, ὅστις λέγων ὡς γείτων τε εἴη τῆς Ἑλλάδος καὶ περὶ πλείστου ἂν ποιήσαιτο σῶσαι ἡμᾶς, καὶ ἐπὶ τούτοις αὐτὸς ὁμόσας ἡμῖν, αὐτὸς δεξιάς δούς, αὐτὸς ἐξαπατήσας συνέλαβε τοὺς στρατηγούς, καὶ οὐδὲ Δία ξένιον ἠιδέσθη, ἀλλὰ Κλεάρχῳ καὶ ὁμοτράπεζος γενόμενος αὐτοῖς τούτοις ἐξαπατήσας τοὺς ἄνδρας ἀπολώλεκεν. [3.2.5] Ἀριαῖος δέ, ὃν ἡμεῖς

ἠθέλομεν βασιλέα καθιστάναι, καὶ ἐδώκαμεν καὶ ἐλάβομεν πιστὰ μὴ
προδώσειν ἀλλήλους, καὶ οὗτος οὔτε τοὺς θεοὺς δείσας οὔτε Κῦρον
τεθνηκότα αἰδεσθεῖς, τιμώμενος μάλιστα ὑπὸ Κύρου ζῶντος νῦν
πρὸς τοὺς ἐκείνου ἐχθίστους ἀποστὰς ἡμᾶς τοὺς Κύρου φίλους
κακῶς ποιεῖν πειρᾶται. [3.2.6] ἀλλὰ τούτους μὲν οἱ θεοὶ ἀποτείσαιντο·
ἡμᾶς δὲ δεῖ ταῦτα ὀρῶντας μήποτε ἐξαπατηθῆναι ἔτι ὑπὸ τούτων,
ἀλλὰ μαχομένους ὥς ἂν δυνώμεθα κράτιστα τοῦτο ὅ τι ἂν δοκῇ τοῖς
θεοῖς πάσχειν.» [3.2.7] ἐκ τούτου Ξενοφῶν ἀνίσταται ἐσταλμένος ἐπὶ
πόλεμον ὥς ἐδύνατο κάλλιστα, νομίζων, εἴτε νίκην διδοῖεν οἱ θεοί,
τὸν κάλλιστον κόσμον τῷ νικᾷν πρόπειν, εἴτε τελευτᾷν δέοι, ὀρθῶς
ἔχειν τῶν καλλίστων ἑαυτὸν ἀξιώσαντα ἐν τούτοις τῆς τελευτῆς
τυγχάνειν· τοῦ λόγου δὲ ἤρχετο ὧδε. [3.2.8] «τὴν μὲν τῶν βαρβάρων
ἐπιπορκίαν τε καὶ ἀπιστίαν λέγει μὲν Κλεάνωρ, ἐπίστασθε δὲ καὶ
ὑμεῖς οἶμαι. εἰ μὲν οὖν βουλόμεθα πάλιν αὐτοῖς διὰ φιλίας ἰέναι,
ἀνάγκη ἡμᾶς πολλὴν ἀθυμίαν ἔχειν, ὀρῶντας καὶ τοὺς στρατηγούς,
οἱ διὰ πίστεως αὐτοῖς ἑαυτοὺς ἐνεχείρισαν, οἷα πεπόνθασιν· εἰ μὲντοι
διανοούμεθα σὺν τοῖς ὅπλοις ὧν τε πεποιήκασι δίκην ἐπιθεῖναι
αὐτοῖς καὶ τὸ λοιπὸν διὰ παντὸς πολέμου αὐτοῖς ἰέναι, σὺν τοῖς θεοῖς
πολλὰ ἡμῖν καὶ καλὰ ἐλπίδες εἰσὶ σωτηρίας.» [3.2.9] τοῦτο δὲ
λέγοντος αὐτοῦ πᾶρνυνται τις· ἀκούσαντες δ' οἱ στρατιῶται πάντες
μῇ ὁρμῇ προσεκύνησαν τὸν θεόν, καὶ ὁ Ξενοφῶν εἶπε· «δοκεῖ μοι,
ὦ ἄνδρες, ἐπεὶ περὶ σωτηρίας ἡμῶν λεγόντων οἰωνὸς τοῦ Διὸς τοῦ
σωτήρος ἐφάνη, εὖξασθαι τῷ θεῷ τούτῳ θύσειν σωτήρια ὅπου ἂν
πρῶτον εἰς φιλίαν χώραν ἀφικώμεθα, συνεπεύξασθαι δὲ καὶ τοῖς
ἄλλοις θεοῖς θύσειν κατὰ δύναμιν. καὶ ὅτῳ δοκεῖ ταῦτ', ἔφη,
ἀνατεινάτω τὴν χεῖρα.» καὶ ἀνέτειναν ἅπαντες. ἐκ τούτου ἠῤῥξαντο
καὶ ἐπαιάνισαν. ἐπεὶ δὲ τὰ τῶν θεῶν καλῶς εἶχεν, ἤρχετο πάλιν ὧδε.
[3.2.10] «ἐτύγχανον λέγων ὅτι πολλὰ καὶ καλὰ ἐλπίδες ἡμῖν εἶεν
σωτηρίας. πρῶτον μὲν γὰρ ἡμεῖς μὲν ἐμπεδοῦμεν τοὺς τῶν θεῶν
ὄρκους, οἱ δὲ πολέμιοι ἐπιπορκήκασι τε καὶ τὰς σπονδὰς παρὰ τοὺς
ὄρκους λελύκασιν. οὕτω δ' ἐχόντων εἰκὸς τοῖς μὲν πολεμίοις
ἐναντίους εἶναι τοὺς θεοὺς, ἡμῖν δὲ συμμάχους, οἵπερ ἱκανοὶ εἰσι καὶ
τοὺς μεγάλους ταχὺ μικροὺς ποιεῖν καὶ τοὺς μικροὺς κἂν ἐν δεινοῖς

ὑμᾶς καὶ τοὺς τῶν προγόνων τῶν ἡμετέρων κινδύνους, ἵνα εἰδῆτε ὥς
ἀγαθοῖς τε ὑμῖν προσήκει εἶναι σῆζονταί τε σὺν τοῖς θεοῖς καὶ ἐκ
πάνυ δεινῶν οἱ ἀγαθοί. ἐλθόντων μὲν γὰρ Περσῶν καὶ τῶν σὺν

αὐτοῖς παμπληθεῖ στόλῳ ὥς ἀφανιούντων τὰς Ἀθήνας, ὑποστῆναι αὐτοὶ Ἀθηναῖοι τολμήσαντες ἐνίκησαν αὐτούς. [3.2.12] καὶ εὐξάμενοι τῇ Ἀρτέμιδι ὁπόσους κατακάνοιεν τῶν πολεμίων τοσαύτας χιμαῖρας καταθύσειν τῇ θεῳ, ἐπεὶ οὐκ εἶχον ἱκανὰς εὐρεῖν, ἔδοξεν αὐτοῖς κατ' ἐνιαυτὸν πεντακοσίας θύειν, καὶ ἔτι νῦν ἀποθύουσιν. [3.2.13] ἔπειτα ὅτε Ξέρξης ὕστερον ἀγείρας τὴν ἀναρίθμητον στρατιὰν ἦλθεν ἐπὶ τὴν Ἑλλάδα, καὶ τότε ἐνίκων οἱ ἡμέτεροι πρόγονοι τοὺς τούτων προγόνους καὶ κατὰ γῆν καὶ κατὰ θάλατταν. ὧν ἔστι μὲν τεκμήρια ὁρᾶν τὰ τρόπαια, μέγιστον δὲ μαρτύριον ἡ ἐλευθερία τῶν πόλεων ἐν αἷς ὑμεῖς ἐγένεσθε καὶ ἐτράφητε· οὐδένα γὰρ ἄνθρωπον δεσπότην ἀλλὰ τοὺς θεοὺς προσκυνεῖτε. [3.2.14] τοιούτων μὲν ἔστε προγόνων. οὐ μὲν δὴ τοῦτό γε ἐρῶ ὥς ὑμεῖς καταισχύνετε αὐτούς· ἀλλ' οὐ πολλαὶ ἡμέραι ἀφ' οὗ ἂν τιταξάμενοι τούτοις τοῖς ἐκείνων ἐκγόνοις πολλαπλασίους ὑμῶν αὐτῶν ἐνικάτε σὺν τοῖς θεοῖς. [3.2.15] καὶ τότε μὲν δὴ περὶ τῆς Κύρου βασιλείας ἄνδρες ἦτε ἀγαθοί· νῦν δ' ὁπότε περὶ τῆς ὑμετέρας σωτηρίας ὁ ἀγὼν ἐστι, πολὺ δήπου ὑμᾶς προσήκει καὶ ἀμείνονας καὶ προθυμότερους εἶναι. [3.2.16] ἀλλὰ μὴν καὶ θαρραλεωτέρους νῦν πρέπει εἶναι πρὸς τοὺς πολεμίους. τότε μὲν γὰρ ἄπειροι ὄντες αὐτῶν τὸ δὲ πλῆθος ἄμετρον ὁρῶντες, ὅμως ἐτολήματε σὺν τῷ πατρίῳ φρονήματι ἰέναι εἰς αὐτούς· νῦν δὲ ὁπότε καὶ πείραν ἤδη ἔχετε αὐτῶν ὅτι οὐ θέλουσι καὶ πολλαπλάσιοι ὄντες [μὴ] δέχεσθαι ὑμᾶς, τί ἔτι ὑμῖν προσήκει τούτους φοβεῖσθαι; [3.2.17] μὴδὲ μέντοι τοῦτο μείον δόξητε ἔχειν ὅτι οἱ Κύριοι πρόσθεν σὺν ἡμῖν ταττόμενοι νῦν ἀφεστήκασιν. ἔτι γὰρ οὗτοι κακίονές εἰσι τῶν ὑφ' ἡμῶν ἡττημένων· ἔφυγον γοῦν πρὸς ἐκείνους καταλιπόντες ἡμᾶς. τοὺς δ' ἐθέλοντας φυγῆς ἄρχειν πολὺ κρεῖττον σὺν τοῖς πολεμίοις ταττομένους ἢ ἐν τῇ ὑμετέρᾳ τάξει ὁρᾶν. [3.2.18] εἰ δέ τις ὑμῶν ἀθυμεῖ ὅτι ἡμῖν μὲν οὐκ εἰσὶν ἱππεῖς, τοῖς δὲ πολεμίοις πολλοὶ πάρεισιν, ἐνθυμήθητε ὅτι οἱ μύριοι ἱππεῖς οὐδὲν ἄλλο ἢ μύριοι εἰσιν ἄνθρωποι· ὑπὸ μὲν γὰρ ἵππου ἐν μάχῃ οὐδεὶς πώποτε οὔτε δηγθεὶς οὔτε λακτισθεὶς ἀπέθανεν, οἱ δὲ ἄνδρες εἰσὶν οἱ ποιοῦντες ὅ τι ἂν ἐν ταῖς μάχαις γίνηται. [3.2.19] οὐκοῦν τῶν ἱππέων πολὺ ἡμεῖς ἐπ' ἀσφαλεστέρου ὀχήματός ἐσμεν· οἱ μὲν γὰρ ἐφ' ἵππων κρέμανται φοβούμενοι οὐχ ἡμᾶς μόνον ἀλλὰ καὶ τὸ καταπεσεῖν· ἡμεῖς δ' ἐπὶ γῆς βεβηκότες πολὺ μὲν ἰσχυρότερον παίσομεν, ἢν τις προσίη, πολὺ δὲ μᾶλλον ὅτου ἂν βουλώμεθα τευξόμεθα. ἐνὶ δὲ μόνῳ προέχουσιν οἱ ἱππεῖς [ἡμᾶς]· φεύγειν αὐτοῖς ἀσφαλέστερόν ἐστιν ἢ ἡμῖν. [3.2.20] εἰ

δὲ δὴ τὰς μὲν μάχας θαρρεῖτε, ὅτι δὲ οὐκέτι ὑμῖν Τισσαφέρνης ἡγήσεται οὐδὲ βασιλεὺς ἀγορὰν παρέξει, τοῦτο ἄχθεσθε, σκέψασθε πότερον κρεῖττον Τισσαφέρνην ἡγεμόνα ἔχειν, ὃς ἐπιβουλεύων ἡμῖν φανερός ἐστιν, ἢ οὓς ἂν ἡμεῖς ἄνδρας λαβόντες ἡγεῖσθαι κελεύωμεν, οἱ εἰσονται ὅτι, ἢν τι περὶ ἡμᾶς ἀμαρτάνωσι, περὶ τὰς ἑαυτῶν ψυχὰς καὶ σώματα ἀμαρτήσονται. [3.2.21] τὰ δὲ ἐπιτήδεια πότερον ὠνεῖσθαι κρεῖττον ἐκ τῆς ἀγορᾶς ἢς οὗτοι παρεῖχον μικρὰ μέτρα πολλοῦ ἀργυρίου, μηδὲ τοῦτο ἔτι ἔχοντας, ἢ αὐτοὺς λαμβάνειν ἢνπερ κρατῶμεν, μέτρῳ χρωμένους ὁπόσῳ ἂν ἕκαστος βούληται.

[3.2.22] εἰ δὲ ταῦτα μὲν γινώσκετε ὅτι κρεῖττονα, τοὺς δὲ ποταμοὺς ἄπορον νομίζετε εἶναι καὶ μεγάλως ἡγεῖσθε ἐξαπατηθῆναι διαβάντες, σκέψασθε εἰ ἄρα τοῦτο καὶ μωρότατον πεποιήκασιν οἱ βάρβαροι. πάντες γὰρ ποταμοί, ἢν καὶ πρόσω τῶν πηγῶν ἄποροι ᾧσι, προσιοῦσι πρὸς τὰς πηγὰς διαβατοὶ γίνονται οὐδὲ τὸ γόνυ βρέχοντες. [3.2.23] εἰ δὲ μήθ' οἱ ποταμοὶ διήσουσιν ἡγεμῶν τε μηδεὶς ἡμῖν φανεῖται, οὐδ' ὥς ἡμῖν γε ἀθυμητέον. ἐπιστάμεθα γὰρ Μυσοῦς, οὓς οὐκ ἂν ἡμῶν φαίμεν βελτίους εἶναι, ὅτι βασιλέως ἄκοντος ἐν βασιλέως χώραι πολλάς τε καὶ εὐδαίμονας καὶ μεγάλας πόλεις οἰκοῦσιν, ἐπιστάμεθα δὲ Πισίδας ὡσαύτως, Λυκάονας δὲ καὶ αὐτοὶ εἶδομεν ὅτι ἐν τοῖς πεδίοις τὰ ἐρυμνὰ καταλαβόντες τὴν τούτων χώραν καρποῦνται. [3.2.24] καὶ ἡμᾶς δ' ἂν ἔφην ἔγωγε χρῆναι μήπω φανεροὺς εἶναι οἴκαδε ὠρμημένους, ἀλλὰ κατασκευάζεσθαι ὥς αὐτοῦ οἰκήσοντας. οἶδα γὰρ ὅτι καὶ Μυσοῖς βασιλεὺς πολλοὺς μὲν ἡγεμόνας ἂν δοίη, πολλοὺς δ' ἂν ὀμήρους τοῦ ἀδόλως ἐκπέμψειν, καὶ ὁδοποιήσειέ γ' ἂν αὐτοῖς καὶ εἰ σὺν τεθρίπποις βούλιντο ἀπιέναι. καὶ ἡμῖν γ' ἂν οἶδ' ὅτι τρισάσμενος ταῦτ' ἐποiei, εἰ ἐώρα ἡμᾶς μένειν κατασκευαζομένους. [3.2.25] ἀλλὰ γὰρ δέδοικα μή, ἂν ἅπαξ μάθωμεν ἀργοὶ ζῆν καὶ ἐν ἀφθόνοις βιοτεῦναι, καὶ Μήδων δὲ καὶ Περσῶν καλαῖς καὶ μέγαις γυναιξὶ καὶ παρθένοις ὀμιλεῖν, μὴ ὥπερ οἱ λωτοφάγοι ἐπιλαθώμεθα τῆς οἴκαδε ὁδοῦ. [3.2.26] δοκεῖ οὖν μοι εἰκὸς καὶ δίκαιον εἶναι πρῶτον εἰς τὴν Ἑλλάδα καὶ πρὸς τοὺς οἰκείους πειρᾶσθαι ἀφικνεῖσθαι καὶ ἐπιδεῖξαι τοῖς Ἕλλησιν ὅτι ἐκόντες πένονται, ἐξὸν αὐτοῖς τοὺς νῦν [οἴκοι] σκληρῶς ἐκεῖ πολιτεύοντας ἐνθάδε κομισαμένους πλουσίους ὀρᾶν. ἀλλὰ γάρ, ὦ ἄνδρες, πάντα ταῦτα τάγαθὰ δῆλον ὅτι τῶν κρατούντων ἐστὶ. [3.2.27] τοῦτο δὴ δεῖ λέγειν, ὅπως ἂν πορευοίμεθ' αὖτε ὥς ἀσφαλέστατα καὶ εἰ μάχεσθαι δεοί ὥς κράτιστα μαχοίμεθα. πρῶτον μὲν τοίνυν, ἔφη, δοκεῖ μοι κατακαῦσαι τὰς ἀμάξας ἅς

ἔχομεν, ἵνα μὴ τὰ ζεύγη ἡμῶν στρατηγῇ, ἀλλὰ πορευώμεθα ὅπῃ ἂν τῇ στρατιᾷ συμφέρῃ· ἔπειτα καὶ τὰς σκηνὰς συγκατακαῦσαι. αὐται γὰρ αὖ ὄχλον μὲν παρέχουσιν ἄγειν, συνωφελοῦσι δ' οὐδὲν οὔτε εἰς τὸ μάχεσθαι οὔτ' εἰς τὸ τὰ ἐπιτήδεια ἔχειν. [3.2.28] ἔτι δὲ καὶ τῶν ἄλλων σκευῶν τὰ περιττὰ ἀπαλλάξωμεν πλὴν ὅσα πολέμου ἔνεκεν ἢ σίτων ἢ ποτῶν ἔχομεν, ἵνα ὡς πλεῖστοι μὲν ἡμῶν ἐν τοῖς ὅπλοις ᾧσιν, ὡς ἐλάχιστοι δὲ σκευοφορῶσι. κρατουμένων μὲν γὰρ ἐπίστασθε ὅτι πάντα ἀλλότρια· ἦν δὲ κρατῶμεν, καὶ τοὺς πολεμίους δεῖ σκευοφόρους ἡμετέρους νομίζειν. [3.2.29] λοιπὸν μοι εἰπεῖν ὅπερ καὶ μέγιστον νομίζω εἶναι. ὁρᾶτε γὰρ καὶ τοὺς πολεμίους ὅτι οὐ πρόσθεν ἐξενεγκεῖν ἐτόλμησαν πρὸς ἡμᾶς πόλεμον πρὶν τοὺς στρατηγοὺς ἡμῶν συνέλαβον, νομίζοντες ὄντων μὲν τῶν ἀρχόντων καὶ ἡμῶν πειθομένων ἱκανοὺς εἶναι ἡμᾶς περιγενέσθαι τῷ πολέμῳ, λαβόντες δὲ τοὺς ἄρχοντας ἀναρχίαι ἂν καὶ ἀταξίαι ἐνόμιζον ἡμᾶς ἀπολέσθαι. [3.2.30] δεῖ οὖν πολὺ μὲν τοὺς ἄρχοντας ἐπιμελεστέρους γενέσθαι τοὺς νῦν τῶν πρόσθεν, πολὺ δὲ τοὺς ἀρχομένους εὐτακτοτέρους καὶ πειθομένους μᾶλλον τοῖς ἄρχουσι νῦν ἢ πρόσθεν· [3.2.31] ἦν δέ τις ἀπειθῇ, [ἦν] ψηφίσασθαι τὸν ἀεὶ ὑμῶν ἐντυγχάνοντα σὺν τῷ ἄρχοντι κολάζειν· οὕτως οἱ πολέμιοι πλεῖστον ἐψευσμένοι ἔσσονται· τῇδε γὰρ τῇ ἡμέρᾳ μυρίους ὄψονται ἀνθ' ἐνὸς Κλεάρχους τοὺς οὐδενὶ ἐπιτρέψοντας κακῶι εἶναι. [3.2.32] ἀλλὰ γὰρ καὶ περαίνειν ἤδη ὥρα· ἴσως γὰρ οἱ πολέμιοι αὐτίκα παρέσονται. ὅτῳ οὖν ταῦτα δοκεῖ καλῶς ἔχειν, ἐπικυρωσάτω ὡς τάχιστα, ἵνα ἔργῳ περαίνηται. εἰ δέ τι ἄλλο βέλτιον ἢ ταύτῃ, τολμάτω καὶ ὁ ἰδιώτης διδάσκειν· πάντες γὰρ κοινῆς σωτηρίας δεόμεθα.» [3.2.33] μετὰ ταῦτα Χειρίσοφος εἶπεν· «ἀλλ' εἰ μὲν τινος ἄλλου δεῖ πρὸς τούτοις οἷς λέγει Ξενοφῶν, καὶ αὐτίκα ἐξέσται ποιεῖν· ἃ δὲ νῦν εἴρηκε δοκεῖ μοι ὡς τάχιστα ψηφίσασθαι ἄριστον εἶναι· καὶ ὅτῳ δοκεῖ ταῦτα, ἀνατεινάτω τὴν χεῖρα.» [3.2.34] ἀνέτειναν πάντες. ἀναστὰς δὲ πάλιν εἶπε Ξενοφῶν· «ὦ ἄνδρες, ἀκούσατε ὧν προσδοκεῖ μοι. δῆλον ὅτι πορευέσθαι ἡμᾶς δεῖ ὅπου ἔξομεν τὰ ἐπιτήδεια· ἀκούω δὲ κόμας εἶναι καλὰς οὐ πλέον εἴκοσι σταδίων ἀπεχούσας· [3.2.35] οὐκ ἂν οὖν θαυμάζοιμεν εἰ οἱ πολέμιοι, ὥσπερ οἱ δειλοὶ κύνες τοὺς μὲν παριόντας διώκουσιν τε καὶ δάκνουσιν, ἦν δύνωνται, τοὺς δὲ διώκοντας φεύγουσιν, εἰ καὶ αὐτοὶ ἡμῖν ἀπιοῦσιν ἐπακολουθοῖεν. [3.2.36] ἴσως οὖν ἀσφαλέστερον ἡμῖν πορεύεσθαι πλαίσιον ποιησαμένους τῶν ὅπλων, ἵνα τὰ σκευοφόρα καὶ ὁ πολὺς ὄχλος ἐν ἀσφαλεστέρῳ εἴη. εἰ οὖν νῦν ἀποδειχθεῖ τίνας

χρή ἡγεῖσθαι τοῦ πλαισίου καὶ τὰ πρόσθεν κοσμεῖν καὶ τίνας ἐπὶ τῶν πλευρῶν ἐκατέρων εἶναι, τίνας δ' ὀπισθοφυλακεῖν, οὐκ ἂν ὁπότε οἱ πολέμιοι ἔλθοιεν βουλευέσθαι ἡμᾶς δέοι, ἀλλὰ χρήμεθα ἂν εὐθὺς τοῖς τεταγμένοις. [3.2.37] εἰ μὲν οὖν ἄλλο τις βέλτιον ὁρᾷ, ἄλλως ἐχέτω· εἰ δὲ μή, Χειρίσοφος μὲν ἡγοῖτο, ἐπειδὴ καὶ Λακεδαιμονίος ἐστὶ τῶν δὲ πλευρῶν ἐκατέρων δύο τῷ πρεσβυτάτῳ στρατηγῷ ἐπιμελοίσθην· ὀπισθοφυλακοῖμεν δ' ἡμεῖς οἱ νεώτατοι ἐγὼ καὶ Τιμασίῳν τὸ νῦν εἶναι. [3.2.38] τὸ δὲ λοιπὸν πειρώμενοι ταύτης τῆς τάξεως βουλευσόμεθα ὃ τι ἂν ἀεὶ κράτιστον δοκῇ εἶναι. εἰ δέ τις ἄλλο ὁρᾷ βέλτιον, λεξάτω.» ἐπεὶ δ' οὐδεὶς ἀντέλεγεν, εἶπεν· «ὅτῳ δοκεῖ ταῦτα, ἀνατεινάτω τὴν χεῖρα. ἔδοξε ταῦτα. [3.2.39] «νῦν τοίνυν, ἔφη, ἀπiónτας ποιεῖν δεῖ τὰ δεδογμένα. καὶ ὅστις τε ὑμῶν τοὺς οἰκείους ἐπιθυμεῖ ἰδεῖν, μεμνήσθω ἀνὴρ ἀγαθὸς εἶναι· οὐ γὰρ ἔστιν ἄλλως τούτου τυχεῖν· ὅστις τε ζῆν ἐπιθυμεῖ, πειράσθω νικᾶν· τῶν μὲν γὰρ νικῶντων τὸ καίνειν, τῶν δὲ ἡττωμένων τὸ ἀποθνήσκειν ἐστὶ· καὶ εἴ τις δὲ χρημάτων ἐπιθυμεῖ, κρατεῖν πειράσθω· τῶν γὰρ νικῶντων ἐστὶ καὶ τὰ ἑαυτῶν σήιζειν καὶ τὰ τῶν ἡττωμένων λαμβάνειν.»

[3.3.1] τούτων λεχθέντων ἀνέστησαν καὶ ἀπελθόντες κατέκαιον τὰς ἀμάξας καὶ τὰς σκηνάς, τῶν δὲ περιττῶν ὅτου μὲν δέοιτό τις μετεδίδωσαν ἀλλήλοις, τὰ δὲ ἄλλα εἰς τὸ πῦρ ἐρρίπτουν. ταῦτα ποιήσαντες ἡριστοποιοῦντο. ἀριστοποιουμένων δὲ αὐτῶν ἔρχεται Μιθραδάτης σὺν ἱππεῦσιν ὡς τριάκοντα, καὶ καλεσάμενος τοὺς στρατηγοὺς εἰς ἐπήκοον λέγει ὧδε. [3.3.2] «ἐγὼ, ὦ ἄνδρες Ἕλληνες, καὶ Κύρῳ πιστὸς ἦν, ὡς ὑμεῖς ἐπίστασθε, καὶ νῦν ὑμῖν εὖνους· καὶ ἐνθάδε δ' εἰμὶ σὺν πολλῷ φόβῳ διάγων. εἰ οὖν ὀρήτην ὑμᾶς σωτήριόν τι βουλευομένους, ἔλθοιμι ἂν πρὸς ὑμᾶς καὶ τοὺς θεράποντας πάντας ἔχων. λέξατε οὖν πρὸς με τί ἐν νῶι ἔχετε ὡς φίλον τε καὶ εὖνουν καὶ βουλόμενον κοινῇ σὺν ὑμῖν τὸν στόλον ποιεῖσθαι.» [3.3.3] βουλευομένοις τοῖς στρατηγοῖς ἔδοξεν ἀποκρίνασθαι τάδε· καὶ ἔλεγε Χειρίσοφος· «ἡμῖν δοκεῖ, εἰ μὲν τις ἑᾶι ἡμᾶς ἀπιέναι οἴκαδε, διαπορεύεσθαι τὴν χώραν ὡς ἂν δυνώμεθα ἀσινέστατα· ἦν δέ τις ἡμᾶς τῆς ὁδοῦ ἀποκωλύῃ, διαπολεμεῖν τούτῳ ὡς ἂν δυνώμεθα κράτιστα.» [3.3.4] ἐκ τούτου ἐπειρᾶτο Μιθραδάτης διδάσκειν ὡς ἄπορον εἶη βασιλέως ἄκοντος σωθῆναι. ἐνθα δὲ ἐγγινώσκετο ὅτι ὑπόπεμπος εἶη· καὶ γὰρ τῶν Τισσαφέρνους τις οἰκείων παρηκολουθήκει πίστεως ἕνεκα. [3.3.5] καὶ ἐκ τούτου ἐδόκει

τοῖς στρατηγοῖς βέλτιον εἶναι δόγμα ποιήσασθαι τὸν πόλεμον ἀκήρυκτον εἶναι ἔστ' ἐν τῇ πολεμίᾳ εἶεν· διέφθειρον γὰρ προσιόντες τοὺς στρατιώτας, καὶ ἓνα γε λοχαγὸν διέφθειραν Νίκαρχον Ἀρκάδα, καὶ ὤιχετο ἀπὼν νυκτὸς σὺν ἀνθρώποις ὡς εἴκοσι. [3.3.6] μετὰ ταῦτα ἀριστήσαντες καὶ διαβάντες τὸν Ζαπάταν ποταμὸν ἐπορεύοντο τεταγμένοι τὰ ὑποζύγια καὶ τὸν ὄχλον ἐν μέσῳ ἔχοντες. οὐ πολὺ δὲ προεληλυθότων αὐτῶν ἐπιφαίνεται πάλιν ὁ Μιθραδάτης, ἱππίας ἔχων ὡς διακοσίους καὶ τοξότας καὶ σφενδονήτας εἰς τετρακοσίους μάλα ἐλαφροὺς καὶ εὐζώνους. [3.3.7] καὶ προσήκει μὲν ὡς φίλος ὢν πρὸς τοὺς Ἑλλήνας· ἐπεὶ δ' ἐγγὺς ἐγένοντο, ἐξαπίνης οἱ μὲν αὐτῶν ἐτόξευον καὶ ἱππεῖς καὶ πεζοί, οἱ δ' ἐσφενδόνων καὶ ἐτίτρωσκον. οἱ δὲ ὀπισθοφύλακες τῶν Ἑλλήνων ἔπασχον μὲν κακῶς, ἀντεποιοῦν δ' οὐδέν· οἱ τε γὰρ Κρήτες βραχύτερα τῶν Περσῶν ἐτόξευον καὶ ἅμα ψιλοὶ ὄντες εἴσω τῶν ὅπλων κατεκέκλειντο, οἱ δὲ ἀκοντισταὶ βραχύτερα ἠκόντιζον ἢ ὡς ἐξικνεῖσθαι τῶν σφενδονητῶν. [3.3.8] ἐκ τούτου Ξενοφῶντι ἐδόκει διωκτέον εἶναι· καὶ ἐδίωκον τῶν ὀπλιτῶν καὶ τῶν πελταστῶν οἱ ἔτυχον σὺν αὐτῷ ὀπισθοφυλακοῦντες· διώκοντες δὲ οὐδένα κατελάμβανον τῶν πολέμιων. [3.3.9] οὔτε γὰρ ἱππεῖς ἦσαν τοῖς Ἑλλήσιν οὔτε οἱ πεζοὶ τοὺς πεζοὺς ἐκ πολλοῦ φεύγοντας ἐδύναντο καταλαμβάνειν ἐν ὀλίγῳ χωρίῳ· πολὺ γὰρ οὐχ οἷόν τε ἦν ἀπὸ τοῦ ἄλλου στρατεύματος διώκειν· [3.3.10] οἱ δὲ βάρβαροι ἱππεῖς καὶ φεύγοντες ἅμα ἐτίτρωσκον εἰς τοῦπισθεν τοξεύοντες ἀπὸ τῶν ἵππων, ὅπόσον δὲ διώξειαν οἱ Ἑλληνες, τοσοῦτον πάλιν ἐπαναχωρεῖν μαχομένους ἔδει. [3.3.11] ὥστε τῆς ἡμέρας ὅλης διῆλθον οὐ πλέον πέντε καὶ εἴκοσι σταδίων, ἀλλὰ δείλης ἀφίκοντο εἰς τὰς κώμας. ἔνθα δὴ πάλιν ἀθυμία ἦν. καὶ Χειρίσοφος καὶ οἱ πρεσβύτατοι τῶν στρατηγῶν Ξενοφῶντα ἠτιῶντο ὅτι ἐδίωκεν ἀπὸ τῆς φάλαγγος καὶ αὐτός τε ἐκινδύνευε καὶ τοὺς πολέμιους οὐδὲν μᾶλλον ἐδύνατο βλάπτειν. [3.3.12] ἀκούσας δὲ Ξενοφῶν ἔλεγεν ὅτι ὀρθῶς αἰτιῶντο καὶ αὐτὸ τὸ ἔργον αὐτοῖς μαρτυροίη. ἀλλ' ἐγώ, ἔφη, ἠναγκάσθην διώκειν, ἐπειδὴ ἐώρων ἡμᾶς ἐν τῷ μένειν κακῶς μὲν πάσχοντας, ἀντιποιεῖν δὲ οὐ δυναμένους. [3.3.13] ἐπειδὴ δὲ ἐδιώκομεν, ἀληθῆ, ἔφη, ὑμεῖς λέγετε· κακῶς μὲν γὰρ ποιεῖν οὐδὲν μᾶλλον ἐδυνάμεθα τοὺς πολέμιους, ἀνεχωροῦμεν δὲ παγκαλέπως. [3.3.14] τοῖς οὖν θεοῖς χάρις ὅτι οὐ σὺν πολλῇ ῥώμῃ ἀλλὰ σὺν ὀλίγοις ἦλθον, ὥστε βλάψαι μὲν μὴ μεγάλα, δηλῶσαι δὲ ὢν δεόμεθα. [3.3.15] νῦν γὰρ οἱ πολέμιοι

τοξεύουσι καὶ σφενδονῶσιν ὅσον οὔτε οἱ Κρήτες ἀντιτοξεύειν δύνανται οὔτε οἱ ἐκ χειρὸς βάλλοντες ἐξικνεῖσθαι· ὅταν δὲ αὐτοὺς διώκωμεν, πολὺ μὲν οὐχ οἶόν τε χωρίον ἀπὸ τοῦ στρατεύματος διώκειν, ἐν ὀλίγῳ δὲ οὐδ' εἰ ταχὺς εἴη πεζὸς πεζὸν ἂν διώκων καταλαμβάνοι ἐκ τόξου ρύματος. [3.3.16] ἡμεῖς οὖν εἰ μέλλοιμεν τούτους εἶργειν ὥστε μὴ δύνασθαι βλάπτειν ἡμᾶς πορευομένους, σφενδονητῶν τὴν ταχίστην δεῖ καὶ ἱππέων. ἀκούω δ' εἶναι ἐν τῷ στρατεύματι ἡμῶν Ῥοδίου, ὃν τοὺς πολλοὺς φασιν ἐπίστασθαι σφενδονᾶν, καὶ τὸ βέλος αὐτῶν καὶ διπλάσιον φέρεσθαι τῶν Περσικῶν σφενδονῶν. [3.3.17] ἐκεῖναι γὰρ διὰ τὸ χειροπληθεσί τοῖς λίθοις σφενδονᾶν ἐπὶ βραχὺ ἐξικνοῦνται, οἱ δὲ Ῥόδιοι καὶ ταῖς μολυβδίσις ἐπίστανται χρῆσθαι. [3.3.18] ἦν οὖν αὐτῶν ἐπισκεψόμεθα τίνες πέπανται σφενδόνας, καὶ τούτῳ μὲν δῶμεν αὐτῶν ἀργύριον, τῷ δὲ ἄλλας πλέκειν ἐθέλοντι ἄλλο ἀργύριον τελῶμεν, καὶ τῷ σφενδονᾶν ἐν τῷ τεταγμένῳ ἐθέλοντι ἄλλην τινὰ ἀτέλειαν εὐρίσκωμεν, ἴσως τινὲς φανοῦνται ἱκανοὶ ἡμᾶς ὠφελεῖν. [3.3.19] ὁρῶ δὲ ἵππους ὄντας ἐν τῷ στρατεύματι, τοὺς μὲν τινὰς παρ' ἐμοί, τοὺς δὲ τῶν Κλεάρχου καταλελειμμένους, πολλοὺς δὲ καὶ ἄλλους αἰχμαλώτους σκευοφοροῦντας. ἂν οὖν τούτους πάντας ἐκλέξαντες σκευοφόρα μὲν ἀντιδῶμεν, τοὺς δὲ ἵππους εἰς ἱππέας κατασκευάσωμεν, ἴσως καὶ οὗτοί τι τοὺς φεύγοντας ἀνιάσουσιν. [3.3.20] ἔδοξε καὶ ταῦτα. καὶ ταύτης τῆς νυκτὸς σφενδονῆται μὲν εἰς διακοσίους ἐγένοντο, ἵπποι δὲ καὶ ἱππεῖς ἐδοκιμάσθησαν τῇ ὑστεραίᾳ εἰς πεντήκοντα, καὶ σπολάδες καὶ θώρακες αὐτοῖς ἐπορίσθησαν, καὶ ἵπαρχος ἐπεστάθη Λύκιος ὁ Πολυστράτου Ἀθηναῖος.

[3.4.1] μείναντες δὲ ταύτην τὴν ἡμέραν τῇ ἄλλῃ ἐπορεύοντο πρωιαίτερον ἀναστάντες· χαράδραν γὰρ ἔδει αὐτοὺς διαβῆναι ἐφ' ἣ ἐφοβοῦντο μὴ ἐπιθοῖντο αὐτοῖς διαβαίνουσιν οἱ πολέμοι. [3.4.2] διαβεβηκόσι δὲ αὐτοῖς πάλιν φαίνεται Μιθραδάτης, ἔχων ἱππέας χιλίους, τοξότας δὲ καὶ σφενδονήτας εἰς τετρακισχιλίους· τοσοῦτους γὰρ ἦιτησε Τισσαφέρην, καὶ ἔλαβεν ὑποσχόμενος, ἂν τούτους λάβῃ, παραδώσειν αὐτῷ τοὺς Ἑλληνας, καταφρονήσας, ὅτι ἐν τῇ πρόσθεν προσβολῇ ὀλίγους ἔχων ἔπαθε μὲν οὐδέν, πολλὰ δὲ κακὰ ἐνόμιζε ποιῆσαι. [3.4.3] ἐπεὶ δὲ οἱ Ἑλληνες διαβεβηκότες ἀπεῖχον τῆς χαράδρας ὅσον ὀκτὼ σταδίους, διέβαινε καὶ ὁ Μιθραδάτης ἔχων τὴν δύναμιν. παρήγγελο δὲ τῶν τε πελταστῶν οὓς ἔδει διώκειν καὶ τῶν

ὀπλιτῶν, καὶ τοῖς ἱππεῦσιν εἰρητο θαρροῦσι διώκειν ὡς ἐφευομένης ἱκανῆς δυνάμεως. [3.4.4] ἐπεὶ δὲ ὁ Μιθραδάτης κατειλήφει, καὶ ἤδη σφενδόναι καὶ τοξεύματα ἐξικνοῦντο, ἐσήμηνε τοῖς Ἑλλήσι τῇ σάλπιγγι, καὶ εὐθὺς ἔθεον ὁμόσε οἷς εἰρητο καὶ οἱ ἱππεῖς ἤλαυνον· οἱ δὲ οὐκ ἐδέξαντο, ἀλλ' ἔφευγον ἐπὶ τὴν χαράδραν. [3.4.5] ἐν ταύτῃ τῇ διώξει τοῖς βαρβάροις τῶν τε πεζῶν ἀπέθανον πολλοὶ καὶ τῶν ἱππέων ἐν τῇ χαράδρᾳ ζωοὶ ἐλήφθησαν εἰς ὀκτωκαίδεκα. τοὺς δὲ ἀποθανόντας αὐτοκέλευστοι οἱ Ἕλληνες ἠκίσαντο, ὡς ὅτι φοβερώτατον τοῖς πολέμοις εἶη ὁρᾶν. [3.4.6] καὶ οἱ μὲν πολέμιοι οὕτω πράξαντες ἀπῆλθον, οἱ δὲ Ἕλληνες ἀσφαλῶς πορευόμενοι τὸ λοιπὸν τῆς ἡμέρας ἀφίκοντο ἐπὶ τὸν Τίγρητα ποταμόν. [3.4.7] ἐνταῦθα πόλις ἦν ἐρήμη μεγάλη, ὄνομα δ' αὐτῇ ἦν Λάρισα· ὠκοῦν δ' αὐτὴν τὸ παλαιὸν Μῆδοι. τοῦ δὲ τείχους αὐτῆς ἦν τὸ εὖρος πέντε καὶ εἴκοσι πόδες, ὕψος δ' ἑκατόν· τοῦ δὲ κύκλου ἡ περίοδος δύο παρασάγγαι· ὠικοδόμητο δὲ πλίνθοις κεραμεαῖς· κρητὶς δ' ὑπὴν λιθίνη τὸ ὕψος εἴκοσι ποδῶν. [3.4.8] ταύτην βασιλεὺς Περσῶν ὅτε παρὰ Μήδων τὴν ἀρχὴν ἐλάμβανον Πέρσαι πολιορκῶν οὐδενὶ τρόπῳ ἐδύνατο ἐλεῖν· ἥλιον δὲ νεφέλῃ προκαλύψασα ἠφάνισε μέχρι ἐξέλιπον οἱ ἄνθρωποι, καὶ οὕτως ἐάλω. [3.4.9] παρὰ ταύτην τὴν πόλιν ἦν πυραμὶς λιθίνη, τὸ μὲν εὖρος ἐνὸς πλέθρου, τὸ δὲ ὕψος δύο πλέθρων. ἐπὶ ταύτης πολλοὶ τῶν βαρβάρων ἦσαν ἐκ τῶν πλησίον κωμῶν ἀποπεφευγότες. [3.4.10] ἐντεῦθεν δ' ἐπορεύθησαν σταθμὸν ἓνα παρασάγγας ἐξ πρὸς τεῖχος ἔρημον μέγα πρὸς τῇ πόλει κείμενον· ὄνομα δὲ ἦν τῇ πόλει Μέσπιλα· Μῆδοι δ' αὐτὴν ποτε ὠκοῦν. ἦν δὲ ἡ μὲν κρητὶς λίθου ξεστοῦ κογχυλιάτου, τὸ εὖρος πεντήκοντα ποδῶν καὶ τὸ ὕψος πεντήκοντα. [3.4.11] ἐπὶ δὲ ταύτῃ ἐπωικοδόμητο πλίνθινον τεῖχος, τὸ μὲν εὖρος πεντήκοντα ποδῶν, τὸ δὲ ὕψος ἑκατόν· τοῦ δὲ τείχους ἡ περίοδος ἐξ παρασάγγαι. ἐνταῦθα λέγεται Μήδεια γυνὴ βασιλέως καταφυγεῖν ὅτε ἀπώλλυσαν τὴν ἀρχὴν ὑπὸ Περσῶν Μῆδοι. [3.4.12] ταύτην δὲ τὴν πόλιν πολιορκῶν ὁ Περσῶν βασιλεὺς οὐκ ἐδύνατο οὔτε χρόνῳ ἐλεῖν οὔτε βίαι· Ζεὺς δὲ βροντῇ κατέπληξε τοὺς ἐνοικοῦντας, καὶ οὕτως ἐάλω. [3.4.13] ἐντεῦθεν δ' ἐπορεύθησαν σταθμὸν ἓνα παρασάγγας τέτταρας. εἰς τοῦτον δὲ τὸν σταθμὸν Τισσαφέρνης ἐπεφάνη, οὗς τε αὐτὸς ἱππέας ἤλθεν ἔχων καὶ τὴν Ὀρόντα δύναμιν τοῦ τὴν βασιλέως θυγατέρα ἔχοντος καὶ οὗς Κῦρος ἔχων ἀνέβη βαρβάρους καὶ οὗς ὁ βασιλέως ἀδελφὸς ἔχων βασιλεῖ ἐβοήθει, καὶ πρὸς τούτοις ὅσους βασιλεὺς ἔδωκεν αὐτῷ, ὥστε τὸ

στράτευμα πάμπολυ ἐφάνη. [3.4.14] ἐπεὶ δ' ἐγγὺς ἐγένετο, τὰς μὲν τῶν τάξεων ὀπισθεν καταστήσας, τὰς δὲ εἰς τὰ πλάγια παραγαγὼν ἐμβαλεῖν μὲν οὐκ ἐτόλμησεν οὐδ' ἐβούλετο διακινδυνεύειν, σφενδονᾶν δὲ παρήγγειλε καὶ τοξεύειν. [3.4.15] ἐπεὶ δὲ διαταχθέντες οἱ Ῥόδιοι ἐσφενδόνησαν καὶ οἱ [Σκύθαι] τοξοὶ ἐτόξευσαν καὶ οὐδεὶς ἡμάρτανεν ἀνδρός (οὐδὲ γὰρ εἰ πάνυ προυθυμεῖτο ράϊδιον ἦν), καὶ ὁ Τισσαφέρνης μάλα ταχέως ἔξω βελῶν ἀπεχώρει καὶ <αἱ> ἄλλαι τάξεις ἀπεχώρησαν. [3.4.16] καὶ τὸ λοιπὸν τῆς ἡμέρας οἱ μὲν ἐπορεύοντο, οἱ δ' εἶποντο· καὶ οὐκέτι ἐσίοντο οἱ βάρβαροι τῇ τότε ἀκροβολίσει· μακρότερον γὰρ οἱ τε Ῥόδιοι τῶν Περσῶν ἐσφενδόνων καὶ τῶν τοξοτῶν. [3.4.17] μεγάλη δὲ καὶ τόξα τὰ Περσικά ἐστίν· ὥστε χρήσιμα ἦν ὅποσα ἀλίσκοιτο τῶν τοξευμάτων τοῖς Κρησί, καὶ διετέλουν χρώμενοι τοῖς τῶν πολεμίων τοξεύμασι, καὶ ἐμελέτων τοξεύειν ἄνω ἰέντες μακράν. ἠύρισκετο δὲ καὶ νεῦρα πολλὰ ἐν ταῖς κώμαις καὶ μόλυβδος, ὥστε χρῆσθαι εἰς τὰς σφενδόνας. [3.4.18] καὶ ταύτῃ μὲν τῇ ἡμέρᾳ, ἐπεὶ κατεστρατοπεδεύοντο οἱ Ἕλληνες κώμαις ἐπιτυχόντες, ἀπῆλθον οἱ βάρβαροι μεῖον ἔχοντες τῇ ἀκροβολίσει· τὴν δ' ἐπιούσαν ἡμέραν ἔμειναν οἱ Ἕλληνες καὶ ἐπεσιτίσαντο· ἦν γὰρ πολὺς σῖτος ἐν ταῖς κώμαις. τῇ δὲ ὑστεραίᾳ ἐπορεύοντο διὰ τοῦ πεδίου, καὶ Τισσαφέρνης εἶπετο ἀκροβολιζόμενος. [3.4.19] ἔνθα δὲ οἱ Ἕλληνες ἔγνωσαν πλαίσιον ἰσόπλευρον ὅτι πονηρὰ τάξις εἴη πολεμίων ἐπομένων. ἀνάγκη γάρ ἐστιν, ἦν συγκύπτῃ τὰ κέρατα τοῦ πλαισίου ἢ ὁδοῦ στενοτέρας οὔσης ἢ ὁρέων ἀναγκάζοντων ἢ γεφύρας, ἐκθλίβεσθαι τοὺς ὀπλίτας καὶ πορεύεσθαι πονήρως ἅμα μὲν πιεζομένους, ἅμα δὲ καὶ ταραττομένους, ὥστε δυσχρήστους εἶναι [ἀνάγκη] ἀτάκτους ὄντας. [3.4.20] ὅταν δ' αὖ διάσχι τὰ κέρατα, ἀνάγκη διασπᾶσθαι τοὺς τότε ἐκθλιβομένους καὶ κενὸν γίνεσθαι τὸ μέσον τῶν κεράτων, καὶ ἄθυμειν τοὺς ταῦτα πάσχοντας πολεμίων ἐπομένων. καὶ ὁπότε δέοι γέφυραν διαβαίνειν ἢ ἄλλην τινὰ διάβασιν, ἔσπευδεν ἕκαστος βουλόμενος φθάσαι πρῶτος· καὶ εὐεπίθετον ἦν ἐνταῦθα τοῖς πολεμίοις. [3.4.21] ἐπεὶ δὲ ταῦτ' ἔγνωσαν οἱ στρατηγοί, ἐποίησαν ἐξ λόχους ἀνὰ ἑκατὸν ἄνδρας, καὶ λοχαγοὺς ἐπέστησαν καὶ ἄλλους πεντηκοντῆρας καὶ ἄλλους ἐνωμοτάρχους. οὗτοι δὲ πορευόμενοι, ὁπότε μὲν συγκύπτοι τὰ κέρατα, ὑπέμενον ὕστεροι [οἱ λοχαγοί], ὥστε μὴ ἐνοχλεῖν τοῖς κέρασι, τότε δὲ παρῆγον ἔξωθεν τῶν κεράτων. [3.4.22] ὁπότε δὲ διάσχοιεν αἱ πλευραὶ τοῦ πλαισίου, τὸ μέσον ἂν

ἐξεπίπλασαν, εἰ μὲν στενότερον εἶη τὸ διέχον, κατὰ λόχους, εἰ δὲ πλατύτερον, κατὰ πεντηκοστῷ, εἰ δὲ πᾶν πλατύ, κατ' ἐνωμοτίας· ὥστε αἰεὶ ἔκπλεων εἶναι τὸ μέσον. [3.4.23] εἰ δὲ καὶ διαβαίνειν τινὰ δέοι διάβασιν ἢ γέφυραν, οὐκ ἐταράττοντο, ἀλλ' ἐν τῷ μέρει οἱ λοχαγοὶ διέβαινον· καὶ εἴ που δέοι τι τῆς φύλαγος, ἐπιπαρήρισαν οὗτοι. τούτῳ τῷ τρόπῳ ἐπορεύθησαν σταθμοὺς τέτταρας. [3.4.24] ἥνικα δὲ τὸν πέμπτον ἐπορεύοντο, εἶδον βασιλείον τι καὶ περὶ αὐτὸ κώμας πολλάς, τὴν δὲ ὁδὸν πρὸς τὸ χωρίον τοῦτο διὰ γηλόφων ὑψηλῶν γιγνομένην, οἱ καθῆκον ἀπὸ τοῦ ὄρους ὑφ' ᾧ ἦν ἡ κώμη. καὶ εἶδον μὲν τοὺς λόφους ἄσμενοι οἱ Ἕλληνες, ὡς εἰκὸς τῶν πολέμιων ὄντων ἱππέων· [3.4.25] ἐπεὶ δὲ πορευόμενοι ἐκ τοῦ πεδίου ἀνέβησαν ἐπὶ τὸν πρῶτον γήλοφον <καὶ> κατέβαινον, ὡς ἐπὶ τὸν ἕτερον ἀναβαίνειν, ἐνταῦθα ἐπιγίγνονται οἱ βάρβαροι καὶ ἀπὸ τοῦ ὑψηλοῦ εἰς τὸ πρηνὲς ἔβαλλον, ἐσφενδόνων, ἐτόξευον ὑπὸ μαστίγων, [3.4.26] καὶ πολλοὺς ἐτίτρωσκον καὶ ἐκράτησαν τῶν Ἑλλήνων γυμνῶν καὶ κατέκλεισαν αὐτοὺς εἴσω τῶν ὄπλων· ὥστε παντάπασι ταύτην τὴν ἡμέραν ἄχρηστοι ἦσαν ἐν τῷ ὄχλῳ ὄντες καὶ οἱ σφενδονῆται καὶ οἱ τοξόται. [3.4.27] ἐπεὶ δὲ πιεζόμενοι οἱ Ἕλληνες ἐπεχείρησαν διώκειν, σχολῇ μὲν ἐπὶ τὸ ἄκρον ἀφικνοῦνται ὀπλίται ὄντες, οἱ δὲ πολέμιοι ταχὺ ἀπεπήδων. [3.4.28] πάλιν δὲ ὁπότε ἀπίοιεν πρὸς τὸ ἄλλο στράτευμα ταῦτά ἔπασχον, καὶ ἐπὶ τοῦ δευτέρου γηλόφου ταῦτά ἐγίνετο, ὥστε ἀπὸ τοῦ τρίτου γηλόφου ἔδοξεν αὐτοῖς μὴ κινεῖν τοὺς στρατιώτας πρὶν ἀπὸ τῆς δεξιᾶς πλευρᾶς τοῦ πλαισίου ἀνήγαγον πελταστὰς πρὸς τὸ ὄρος. [3.4.29] ἐπεὶ δ' οὗτοι ἐγένοντο ὑπὲρ τῶν ἐπομένων πολέμιων, οὐκέτι ἐπετίθεντο οἱ πολέμιοι τοῖς καταβαίνουσι, δεδοικότες μὴ ἀποτμηθεῖσαν καὶ ἀμφοτέρωθεν αὐτῶν γένοιτο οἱ πολέμιοι. [3.4.30] οὕτω τὸ λοιπὸν τῆς ἡμέρας πορευόμενοι, οἱ μὲν <ἐν> τῇ ὁδῷ κατὰ τοὺς γηλόφους, οἱ δὲ κατὰ τὸ ὄρος ἐπιπαριόντες, ἀφίκοντο εἰς τὰς κώμας· καὶ ἰατροὺς κατέστησαν ὀκτώ· πολλοὶ γὰρ ἦσαν οἱ τετρωμένοι. [3.4.31] ἐνταῦθα ἔμειναν ἡμέρας τρεῖς καὶ τῶν τετρωμένων ἕνεκα καὶ ἅμα ἐπιτήδεια πολλὰ εἶχον, ἄλευρα, οἶνον, κριθὰς ἵπποις συμβεβλημένας πολλάς. ταῦτα δὲ συνενηνεγμένα ἦν τῷ σατραπεύοντι τῆς χώρας. [3.4.32] τετάρτῃ δ' ἡμέρᾳ καταβαίνουσιν εἰς τὸ πεδίον. ἐπεὶ δὲ κατέλαβεν αὐτοὺς Τισσαφέρνης σὺν τῇ δυνάμει, ἐδίδαξεν αὐτοὺς ἢ ἀνάγκη κατασκηνῆσαι οὐ πρῶτον εἶδον κώμην καὶ μὴ πορεύεσθαι ἔτι μαχομένους· πολλοὶ γὰρ ἦσαν οἱ ἀπόμαχοι, <οἱ τε> τετρωμένοι καὶ οἱ ἐκείνους φέροντες καὶ οἱ τῶν φερόντων τὰ

ὅπλα δεξάμενοι. [3.4.33] ἐπεὶ δὲ κατεσκήνησαν καὶ ἐπεχείρησαν αὐτοῖς ἀκροβολίζεσθαι οἱ βάρβαροι πρὸς τὴν κώμην προσιόντες, πολὺ περιῆσαν οἱ Ἕλληνες· πολὺ γὰρ διέφερεν ἐκ χώρας ὀρμῶντας ἀλέξασθαι ἢ πορευομένους ἐπιούσι τοῖς πολεμίοις μάχεσθαι. [3.4.34] ἡνίκα δ' ἦν ἡδὴ δείλη, ὥρα ἦν ἀπιέναι τοῖς πολεμίοις· οὐποτε γὰρ μείον ἀπεστρατοπεδεύοντο οἱ βάρβαροι τοῦ Ἑλληνικοῦ ἐξήκοντα σταδίων, φοβούμενοι μὴ τῆς νυκτὸς οἱ Ἕλληνες ἐπιθῶνται αὐτοῖς. [3.4.35] πονηρὸν γὰρ νυκτὸς ἐστὶ στράτευμα Περσικόν. οἱ τε γὰρ ἵπποι αὐτοῖς δέδενται καὶ ὥς ἐπὶ τὸ πολὺ πεποδισμένοι εἰσὶ τοῦ μὴ φεῦγειν ἔνεκα εἰ λυθείησαν, ἐάν τέ τις θόρυβος γίγηται, δεῖ ἐπισάξαι τὸν ἵππον Πέρσῃ ἀνδρὶ καὶ χαλινῶσαι, δεῖ καὶ θωρακισθέντα ἀναβῆναι ἐπὶ τὸν ἵππον. ταῦτα δὲ πάντα χαλεπὰ νύκτωρ καὶ θορύβου ὄντος. τούτου ἔνεκα πόρρω ἀπεσκήνουν τῶν Ἑλλήνων. [3.4.36] ἐπεὶ δὲ ἐγίγνωσκον αὐτοὺς οἱ Ἕλληνες βουλομένους ἀπιέναι καὶ διαγγελλομένους, ἐκήρυξε τοῖς Ἕλλησι συσκευάζεσθαι ἀκουόντων τῶν πολεμίων. καὶ χρόνον μὲν τινα ἐπέσχον τῆς πορείας οἱ βάρβαροι, ἐπειδὴ δὲ ὀψὲ ἐγίγνετο, ἀπῆισαν· οὐ γὰρ ἐδόκει λύειν αὐτοὺς νυκτὸς πορεύεσθαι καὶ κατάγεσθαι ἐπὶ τὸ στρατόπεδον. [3.4.37] ἐπειδὴ δὲ σαφῶς ἀπιόντας ἡδὴ ἑώρων οἱ Ἕλληνες, ἐπορεύοντο καὶ αὐτοὶ ἀναζευζάντες καὶ διήλθον ὅσον ἐξήκοντα σταδίους. καὶ γίγνεται τοσοῦτον μεταξὺ τῶν στρατευμάτων ὥστε τῇ ὕστεραίαι οὐκ ἐφάνησαν οἱ πολέμοι οὐδὲ τῇ τρίτῃ, τῇ δὲ τετάρτῃ νυκτὸς προελθόντες καταλαμβάνουσι χωρίον ὑπερδέξιον οἱ βάρβαροι, ἧ ἔμελλον οἱ Ἕλληνες παριέναι, ἀκρωνυχίαν ὄρους, ὑφ' ἣν ἡ κατάβασις ἦν εἰς τὸ πεδῖον. [3.4.38] ἐπειδὴ δὲ ἑώρα Χειρίσοφος προκατεिल्μημένην τὴν ἀκρωνυχίαν, καλεῖ Ξενοφῶντα ἀπὸ τῆς οὐρᾶς καὶ κελεύει λαβόντα τοὺς πελταστὰς παραγενέσθαι εἰς τὸ πρόσθεν. [3.4.39] ὁ δὲ Ξενοφῶν τοὺς μὲν πελταστὰς οὐκ ἤγεν· ἐπιφαινόμενον γὰρ ἑώρα Τισσαφέρνην καὶ τὸ στράτευμα πᾶν· αὐτὸς δὲ προσελάσας ἡρώτα «τί καλεῖς;» ὁ δὲ λέγει αὐτῶν «ἔξεστιν ὁρᾶν· κατεῖληπται γὰρ ἡμῖν ὁ ὑπὲρ τῆς καταβάσεως λόφος, καὶ οὐκ ἔστι παρελθεῖν, εἰ μὴ τούτους ἀποκόψομεν. [3.4.40] ἀλλὰ τί οὐκ ἤγες τοὺς πελταστὰς;» ὁ δὲ λέγει ὅτι οὐκ ἐδόκει αὐτῶι ἔρημα καταλιπεῖν τὰ ὀπισθεν πολεμίων ἐπιφαινομένων. «ἀλλὰ μὴν ὥρα γ', ἔφη, βουλευέσθαι πῶς τις τοὺς ἄνδρας ἀπελῶι ἀπὸ τοῦ λόφου.» [3.4.41] ἐνταῦθα Ξενοφῶν ὁρᾷ τοῦ ὄρους τὴν κορυφὴν ὑπὲρ αὐτοῦ τοῦ ἑαυτῶν στρατεύματος οὔσαν, καὶ ἀπὸ ταύτης ἔφοδον ἐπὶ τὸν λόφον ἔνθα ἦσαν οἱ πολέμοι, καὶ

λέγει· «κράτιστον, ὦ Χειρίσοφε, ἡμῖν ἴεσθαι ὡς τάχιστα ἐπὶ τὸ ἄκρον· ἦν γὰρ τοῦτο λάβωμεν, οὐ δυνήσονται μένειν οἱ ὑπὲρ τῆς ὁδοῦ. ἀλλὰ, εἰ βούλει, μένε ἐπὶ τῷ στρατεύματι, ἐγὼ δ' ἐθέλω πορεύεσθαι· εἰ δὲ χρήζεις, πορεύου ἐπὶ τὸ ὄρος, ἐγὼ δὲ μενῶ αὐτοῦ. [3.4.42] «ἀλλὰ δίδωμί σοι, ἔφη ὁ Χειρίσοφος, ὁπότερον βούλει ἐλέσθαι.» εἰπὼν ὁ Ξενοφῶν ὅτι νεώτερός ἐστιν αἰρεῖται πορεύεσθαι, κελεύει δὲ οἱ συμπέμψαι ἀπὸ τοῦ στόματος ἄνδρας· μακρὸν γὰρ ἦν ἀπὸ τῆς οὐρᾶς λαβεῖν. [3.4.43] καὶ ὁ Χειρίσοφος συμπέμπει τοὺς ἀπὸ τοῦ στόματος πελταστάς, ἔλαβε δὲ τοὺς κατὰ μέσον πλαισίου. συνέπεσθαι δ' ἐκέλευσεν αὐτῷ καὶ τοὺς τριακοσίους οὓς αὐτὸς εἶχε τῶν ἐπιλέκτων ἐπὶ τῷ στόματι τοῦ πλαισίου. [3.4.44] ἐντεῦθεν ἐπορεύοντο ὡς ἐδύναντο τάχιστα. οἱ δ' ἐπὶ τοῦ λόφου πολέμιοι ὡς ἐνόησαν αὐτῶν τὴν πορείαν ἐπὶ τὸ ἄκρον, εὐθὺς καὶ αὐτοὶ ὥρμησαν ἀμιλλᾶσθαι ἐπὶ τὸ ἄκρον. [3.4.45] καὶ ἐνταῦθα πολλὴ μὲν κραυγὴ ἦν τοῦ Ἑλληνικοῦ στρατεύματος διακελευομένων τοῖς ἑαυτῶν, πολλὴ δὲ κραυγὴ τῶν ἀμφὶ Τισσαφέρνην τοῖς ἑαυτῶν διακελευομένων. [3.4.46] Ξενοφῶν δὲ παρελαύνων ἐπὶ τοῦ ἵππου παρεκελεύετο· «ἄνδρες, νῦν ἐπὶ τὴν Ἑλλάδα νομίζετε ἀμιλλᾶσθαι, νῦν πρὸς τοὺς παῖδας καὶ τὰς γυναῖκας, νῦν ὀλίγον πονήσαντες ἀμαχεῖ τὴν λοιπὴν πορευσόμεθα.» [3.4.47] Σωτηρίδας δὲ ὁ Σικυνώνιος εἶπεν· «οὐκ ἐξ ἴσου, ὦ Ξενοφῶν, ἐσμέν· σὺ μὲν γὰρ ἐφ' ἵππου ὀχῇ, ἐγὼ δὲ χαλεπῶς κάμνω τὴν ἀσπίδα φέρων.» [3.4.48] καὶ ὡς ἀκούσας ταῦτα κατατηδήσας ἀπὸ τοῦ ἵππου ὠθεῖται αὐτὸν ἐκ τῆς τάξεως καὶ τὴν ἀσπίδα ἀφελόμενος ὡς ἐδύνατο τάχιστα ἔχων ἐπορεύετο· ἐτύγγανε δὲ καὶ θώρακα ἔχων τὸν ἱππικόν· ὥστ' ἐπιέζετο. καὶ τοῖς μὲν ἔμπροσθεν ὑπάγειν παρεκελεύετο, τοῖς δὲ ὀπισθεν παριέναι μόλις ἐπόμενος. [3.4.49] οἱ δ' ἄλλοι στρατιῶται παίουσι καὶ βάλλουσι καὶ λαιδοροῦσι τὸν Σωτηρίδα, ἔστε ἠνάγκασαν λαβόντα τὴν ἀσπίδα πορεύεσθαι. ὁ δὲ ἀναβάς, ἕως μὲν βάσιμα ἦν, ἐπὶ τοῦ ἵππου ἦγεν, ἐπεὶ δὲ ἄβατα ἦν, καταλιπὼν τὸν ἵππον ἔσπευδε πεζῇ. καὶ φθάνουσιν ἐπὶ τῷ ἄκρῳ γενόμενοι τοὺς πολεμίους.

[3.5.1] ἔνθα δὴ οἱ μὲν βάρβαροι στραφέντες ἔφευγον ἢ ἕκαστος ἐδύνατο, οἱ δὲ Ἕλληνες εἶχον τὸ ἄκρον. οἱ δὲ ἀμφὶ Τισσαφέρνην καὶ Ἀριαῖον ἀποτραπόμενοι ἄλλην ὁδὸν ὤιχοντο. οἱ δὲ ἀμφὶ Χειρίσοφον καταβάντες ἐστρατοπεδεύοντο ἐν κώμῃ μεστῇ πολλῶν ἀγαθῶν. ἦσαν δὲ καὶ ἄλλαι κῶμαι πολλαὶ πλήρεις πολλῶν ἀγαθῶν ἐν τούτῳ τῷ πεδίῳ παρὰ τὸν Τίγρητα ποταμόν. [3.5.2] ἠνίκα δ' ἦν δεῖλη

ἐξαπίνης οἱ πολέμοι ἐπιφαίνονται ἐν τῷ πεδίῳ, καὶ τῶν Ἑλλήνων κατέκοψάν τινες τῶν ἐσκεδασμένων ἐν τῷ πεδίῳ καθ' ἀρπαγὴν· καὶ γὰρ νομαὶ πολλαὶ βοσκημάτων διαβιβαζόμεναι εἰς τὸ πέραν τοῦ ποταμοῦ κατελήφθησαν. [3.5.3] ἐνταῦθα Τισσαφέρνης καὶ οἱ σὺν αὐτῷ καίειν ἐπεχείρησαν τὰς κώμας. καὶ τῶν Ἑλλήνων μάλα ἠθύμησάν τινες, ἐννοοῦμενοι μὴ τὰ ἐπιτήδεια, εἰ καίοιεν, οὐκ ἔχοιεν ὀπόθεν λαμβάνοιεν. [3.5.4] καὶ οἱ μὲν ἀμφὶ Χειρίσοφον ἀπῆισαν ἐκ τῆς βοηθείας· ὁ δὲ Ξενοφῶν ἐπεὶ κατέβη, παρελαύνων τὰς τάξεις ἡνίκα ἀπὸ τῆς βοηθείας ἀπήντησαν οἱ Ἕλληνες ἔλεγεν· [3.5.5] «ὄρατε, ὦ ἄνδρες Ἕλληνες, ὑφιέντας τὴν χώραν ἤδη ἡμετέραν εἶναι· ἃ γὰρ ὅτε ἐσπένδοντο διεπράττοντο, μὴ καίειν τὴν βασιλέως χώραν, νῦν αὐτοὶ καίουσιν ὥς ἀλλοτρίαν. ἀλλ' ἐάν που καταλείπωσί γε αὐτοῖς ἐπιτήδεια, ὄψονται καὶ ἡμᾶς ἐνταῦθα πορευομένους. [3.5.6] ἀλλ', ὦ Χειρίσοφε, ἔφη, δοκεῖ μοι βοηθεῖν ἐπὶ τοὺς καίοντας ὥς ὑπὲρ τῆς ἡμετέρας.» ὁ δὲ Χειρίσοφος εἶπεν· «οὐκουν ἔμοιγε δοκεῖ· ἀλλὰ καὶ ἡμεῖς, ἔφη, καίωμεν, καὶ οὕτω θᾶπτον παύσονται.» [3.5.7] ἐπεὶ δὲ ἐπὶ τὰς σκηνὰς ἦλθον, οἱ μὲν ἄλλοι περὶ τὰ ἐπιτήδεια ἦσαν, στρατηγοὶ δὲ καὶ λοχαγοὶ συνῆισαν. καὶ ἐνταῦθα πολλὴ ἀπορία ἦν. ἔνθεν μὲν γὰρ ὄρη ἦν ὑπερύψηλα, ἔνθεν δὲ ὁ ποταμὸς τοσοῦτος βάθος ὥς μηδὲ τὰ δόρατα ὑπερέχειν πειρωμένοις τοῦ βάθους. [3.5.8] ἀπορουμένοις δ' αὐτοῖς προσελθὼν τις ἀνὴρ Ῥόδιος εἶπεν· «ἐγὼ θέλω, ὦ ἄνδρες, διαβιβάσαι ὑμᾶς κατὰ τετρακισχιλίους ὀπλίτας, ἂν ἐμοὶ ὦν δέομαι ὑπηρετήσητε καὶ τάλαντον μισθὸν πορίσητε.» [3.5.9] ἐρωτώμενος δὲ ὅτου δέοιτο, «ἀσκῶν, ἔφη, δισχιλίων δεήσομαι· πολλὰ δ' ὀρῶ πρόβατα καὶ αἶγας καὶ βοῦς καὶ ὄνους, ἃ ἀποδαρέντα καὶ φυσηθέντα ῥαϊδίως ἂν παρέχοι τὴν διάβασιν. [3.5.10] δεήσομαι δὲ καὶ τῶν δεσμῶν οἷς χρῆσθε περὶ τὰ ὑποζύγια· τούτοις ζεύξας τοὺς ἀσκούς πρὸς ἀλλήλους, ὁρμίσας ἕκαστον ἀσκὸν λίθους ἀρτήσας καὶ ἀφείς ὥσπερ ἀγκύρας εἰς τὸ ὕδωρ, διαγαγὼν καὶ ἀμφοτέρωθεν δήσας ἐπιβαλὼ ὕλην καὶ γῆν ἐπιφορήσω· [3.5.11] ὅτι μὲν οὖν οὐ καταδύσεσθε αὐτίκα μάλα εἴσεσθε· πᾶς γὰρ ἀσκὸς δὴ ἄνδρας ἔξει τοῦ μὴ καταδύναι. ὥστε δὲ μὴ ὀλισθάνειν ἡ ὕλη καὶ ἡ γῆ σχήσει.» [3.5.12] ἀκούσασι ταῦτα τοῖς στρατηγοῖς τὸ μὲν ἐνθύμημα χαρίεν ἐδόκει εἶναι, τὸ δ' ἔργον ἀδύνατον· ἦσαν γὰρ οἱ κωλύσοντες πέραν πολλοὶ ἱππεῖς, οἱ εὐθὺς τοῖς πρώτοις οὐδὲν ἂν ἐπέτρεπον τούτων ποιεῖν. [3.5.13] ἐνταῦθα τὴν μὲν ὑστεραίαν ὑπανεχώρουν εἰς τοῦμπαλιν [ἢ πρὸς Βαβυλῶνα] εἰς τὰς ἀκαύστους κώμας, κατακαύσαντες ἔνθεν ἐξῆισαν· ὥστε οἱ

πολέμιοι οὐ προσήλυνον, ἀλλὰ ἐθεῶντο καὶ ὅμοιοι ἦσαν θαυμάζειν ὅποι ποτὲ τρέψονται οἱ Ἕλληνες καὶ τί ἐν νῶι ἔχουσιν. [3.5.14] ἐνταῦθα οἱ μὲν ἄλλοι στρατιῶται ἐπὶ τὰ ἐπιτήδεια ἦσαν· οἱ δὲ στρατηγοὶ πάλιν συνῆλθον, καὶ συναγαγόντες τοὺς ἐάλωκότας ἤλεγχον τὴν κύκλῳ πᾶσαν χώραν τίς ἐκάστη εἶη. [3.5.15] οἱ δὲ ἔλεγον ὅτι τὰ πρὸς μεσημβρίαν τῆς ἐπὶ Βαβυλῶνα εἶη καὶ Μηδίαν, δι' ἧσπερ ἦκοιεν, ἡ δὲ πρὸς ἑὼ ἐπὶ Σοῦσά τε καὶ Ἐκβάτανα φέροι, ἔνθα θερίζειν λέγεται βασιλεύς, ἡ δὲ διαβάντι τὸν ποταμὸν πρὸς ἐσπέραν ἐπὶ Λυδίαν καὶ Ἰωνίαν φέροι, ἡ δὲ διὰ τῶν ὀρέων καὶ πρὸς ἄρκτον τετραμμένη ὅτι εἰς Καρδούχους ἄγοι. [3.5.16] τούτους δὲ ἔφασαν οἰκεῖν ἀνὰ τὰ ὄρη καὶ πολεμικοὺς εἶναι, καὶ βασιλέως οὐκ ἀκούειν, ἀλλὰ καὶ ἐμβαλεῖν ποτε εἰς αὐτοὺς βασιλικὴν στρατιὰν δώδεκα μυριάδας· τούτων δ' οὐδέν' ἀπονοστήσαι διὰ τὴν δυσχωρίαν. ὁπότε μέντοι πρὸς τὸν σατράπην τὸν ἐν τῷ πεδίῳ σπεύσαιντο, καὶ ἐπιμυγνύναι σφῶν τε πρὸς ἐκείνους καὶ ἐκείνων πρὸς ἑαυτούς. [3.5.17] ἀκούσαντες ταῦτα οἱ στρατηγοὶ ἐκάθισαν χωρὶς τοὺς ἐκασταχόσε φάσκοντας εἰδέναι, οὐδὲν δῆλον ποιήσαντες ὅποι πορεύεσθαι ἔμελλον. ἐδόκει δὲ τοῖς στρατηγοῖς ἀναγκαῖον εἶναι διὰ τῶν ὀρέων εἰς Καρδούχους ἐμβαλεῖν· τούτους γὰρ διελθόντας ἔφασαν εἰς Ἀρμενίαν ἥξειν, ἧς Ὀρόντας ἦρχε πολλῆς καὶ εὐδαίμονος. ἐντεῦθεν δ' εὐπορον ἔφασαν εἶναι ὅποι τις ἐθέλοι πορεύεσθαι. [3.5.18] ἐπὶ τούτοις ἐθύσαντο, ὅπως ἡνίκα καὶ δοκοίη τῆς ὥρας τὴν πορείαν ποιοῖντο· τὴν γὰρ ὑπερβολὴν τῶν ὀρέων ἐδεδοίκεσαν μὴ προκαταληφθεῖν· καὶ παρήγγειλαν, ἐπειδὴ δειπνήσαιεν, συσκευασμένους πάντας ἀναπαύεσθαι, καὶ ἔπεσθαι ἡνίκ' ἂν τις παραγγέλλῃ.

Βιβλίον δ΄

[4.1.1] [ὅσα μὲν δὴ ἐν τῇ ἀναβάσει ἐγένετο μέχρι τῆς μάχης, καὶ ὅσα μετὰ τὴν μάχην ἐν ταῖς σπονδαῖς ἃς βασιλεὺς καὶ οἱ σὺν Κύρῳ ἀναβάντες Ἑλλήνες ἐποιήσαντο, καὶ ὅσα παραβάντος τὰς σπονδὰς βασιλέως καὶ Τισσαφέρνους ἐπολεμήθη πρὸς τοὺς Ἑλλήνας ἐπακολουθοῦντος τοῦ Περσικοῦ στρατεύματος, ἐν τῷ πρόσθεν λόγῳ δεδήλωται. [4.1.2] ἐπεὶ δὲ ἀφίκοντο ἔνθα ὁ μὲν Τίγρης ποταμὸς παντάπασιν ἄπορος ἦν διὰ τὸ βάθος καὶ μέγεθος, πάροδος δὲ οὐκ ἦν, ἀλλὰ τὰ Καρδούχεια ὄρη ἀπότομα ὑπὲρ αὐτοῦ τοῦ ποταμοῦ ἐκρέματο, ἐδόκει δὴ τοῖς στρατηγοῖς διὰ τῶν ὁρέων πορευτέον εἶναι. [4.1.3] ἤκουον γὰρ τῶν ἀλίσκομένων ὅτι εἰ διέλθοιεν τὰ Καρδούχεια ὄρη, ἐν τῇ Ἀρμενίᾳ τὰς πηγὰς τοῦ Τίγρητος ποταμοῦ, ἦν μὲν βούλωνται, διαβήσονται, ἦν δὲ μὴ βούλωνται, περιίασι. καὶ τοῦ Εὐφράτου δὲ τὰς πηγὰς ἐλέγετο οὐ πρόσω τοῦ Τίγρητος εἶναι, καὶ ἔστιν οὕτως ἔχον. [4.1.4] τὴν δ' εἰς τοὺς Καρδούχους ἐμβολὴν ὧδε ποιοῦνται, ἅμα μὲν λαθεῖν πειρώμενοι, ἅμα δὲ φθάσαι πρὶν τοὺς πολεμίους καταλαβεῖν τὰ ἄκρα.]

[4.1.5] Ἦνίκα δ' ἦν ἀμφὶ τὴν τελευταίαν φυλακὴν καὶ ἐλείπετο τῆς νυκτὸς ὅσον σκοταίους διελθεῖν τὸ πεδίον, τηνικαῦτα ἀναστάντες ἀπὸ παραγγέλσεως πορευόμενοι ἀφικνοῦνται ἅμα τῇ ἡμέρᾳ πρὸς τὸ ὄρος. [4.1.6] ἔνθα δὴ Χειρίσοφος μὲν ἡγεῖτο τοῦ στρατεύματος λαβὼν τὸ ἀμφ' αὐτὸν καὶ τοὺς γυμνήτας πάντας, Ξενοφῶν δὲ σὺν τοῖς ὀπισθοφύλαξιν ὀπλίταις εἵπετο οὐδένα ἔχων γυμνήτα· οὐδεὶς γὰρ κίνδυνος ἐδόκει εἶναι μή τις ἄνω πορευομένων ἐκ τοῦ ὀπισθεν ἐπίσποιτο. [4.1.7] καὶ ἐπὶ μὲν τὸ ἄκρον ἀναβαίνει Χειρίσοφος πρὶν τινὰς αἰσθέσθαι τῶν πολέμιων· ἔπειτα δ' ὕφηγετο· ἐφείπετο δὲ αἰεὶ τὸ ὑπερβάλλον τοῦ στρατεύματος εἰς τὰς κώμας τὰς ἐν τοῖς ἄγκεσί τε καὶ μυχοῖς τῶν ὁρέων. [4.1.8] ἔνθα δὴ οἱ μὲν Καρδοῦχοι ἐκλιπόντες τὰς οἰκίας ἔχοντες καὶ γυναῖκας καὶ παῖδας ἔφευγον ἐπὶ τὰ ὄρη. τὰ δὲ ἐπιτήδεια πολλὰ ἦν λαμβάνειν, ἦσαν δὲ καὶ χαλκώμασι παμπόλλοις κατεσκευασμένοι αἱ οἰκίαι, ὧν οὐδὲν ἔφερον οἱ Ἑλλήνες, οὐδὲ τοὺς ἀνθρώπους ἐδίωκον, ὑποφειδόμενοι, εἴ πως ἐθελήσειαν οἱ Καρδοῦχοι διέναι αὐτοὺς ὥς διὰ φιλίας τῆς χώρας, ἐπεὶ περ βασιλεῖ πολέμιοι ἦσαν· [4.1.9] τὰ μέντοι ἐπιτήδεια ὅτῳ τις ἐπιτυχάνοι ἐλάμβανεν· ἀνάγκη γὰρ ἦν. οἱ δὲ Καρδοῦχοι οὔτε καλούντων ὑπῆκουον οὔτε

ἄλλο φιλικὸν οὐδὲν ἐποίουν. [4.1.10] ἐπεὶ δὲ οἱ τελευταῖοι τῶν Ἑλλήνων κατέβαινον εἰς τὰς κώμας ἀπὸ τοῦ ἄκρου ἤδη σκοταῖοι (διὰ γὰρ τὸ στενὴν εἶναι τὴν ὁδὸν ὅλην τὴν ἡμέραν ἢ ἀνάβασις αὐτοῖς ἐγένετο καὶ κατάβασις), τότε δὴ συλλεγέντες τινὲς τῶν Καρδούχων τοῖς τελευταίοις ἐπετίθεντο, καὶ ἀπέκτεινάν τινας καὶ λίθοις καὶ τοξεύμασι κατέτρωσαν, ὀλίγοι ὄντες· ἐξ ἀπροσδοκήτου γὰρ αὐτοῖς ἐπέπεσε τὸ Ἑλληνικόν. [4.1.11] εἰ μέντοι τότε πλείους συνελέγησαν, ἐκινδύνευσεν ἂν διαφθαρῆναι πολὺ τοῦ στρατεύματος. καὶ ταύτην μὲν τὴν νύκτα οὕτως ἐν ταῖς κώμαις ἠυλίσθησαν· οἱ δὲ Καρδούχοι πυρὰ πολλὰ ἔκαιον κύκλῳ ἐπὶ τῶν ὁρέων καὶ συνεώρων ἀλλήλους. [4.1.12] ἅμα δὲ τῇ ἡμέρᾳ συνελθοῦσι τοῖς στρατηγοῖς καὶ λοχαγοῖς τῶν Ἑλλήνων ἔδοξε τῶν τε ὑποζυγίων τὰ ἀναγκαῖα καὶ δυνατώτατα ἔχοντας πορεύεσθαι, καταλιπόντας τᾶλλα, καὶ ὅσα ἦν νεωστὶ αἰχμάλωτα ἀνδράποδα ἐν τῇ στρατιᾷ πάντα ἀφεῖναι. [4.1.13] σχολαίαν γὰρ ἐποίουν τὴν πορείαν πολλὰ ὄντα τὰ ὑποζύγια καὶ τὰ αἰχμάλωτα, πολλοὶ δὲ οἱ ἐπὶ τούτοις ὄντες ἀπόμαχοι ἦσαν, διπλάσιά τε ἐπιτήδεια ἔδει πορίζεσθαι καὶ φέρεσθαι πολλῶν τῶν ἀνθρώπων ὄντων. δόξαν δὲ ταῦτα ἐκήρυξαν οὕτω ποιεῖν. [4.1.14] ἐπεὶ δὲ ἀριστήσαντες ἐπορεύοντο, ὑποστήσαντες ἐν τῷ στενωῖ οἱ στρατηγοί, εἴ τι εὐρίσκοιεν τῶν εἰρημένων μὴ ἀφειμένον, ἀφηροῦντο, οἱ δ' ἐπείθοντο, πλὴν εἴ τις ἔκλεψεν, οἷον ἢ παιδὸς ἐπιθυμήσας ἢ γυναικὸς τῶν εὐπρεπῶν. καὶ ταύτην μὲν τὴν ἡμέραν οὕτως ἐπορεύθησαν, τὰ μὲν τι μαχόμενοι τὰ δὲ καὶ ἀναπαυόμενοι. [4.1.15] εἰς δὲ τὴν ὑστεραίαν γίνεταί χεიმὼν πολὺς, ἀναγκαῖον δ' ἦν πορεύεσθαι· οὐ γὰρ ἦν ἱκανὰ τὰ ἐπιτήδεια. καὶ ἡγεῖτο μὲν Χειρίσοφος, ὠπισθοφυλάκει δὲ Ξενοφῶν. [4.1.16] καὶ οἱ πολέμιοι ἰσχυρῶς ἐπετίθεντο, καὶ στενῶν ὄντων τῶν χωρίων ἐγγὺς προσιόντες ἐτόξευον καὶ ἐσφενδόνων· ὥστε ἠναγκάζοντο οἱ Ἕλληνες ἐπιδιώκοντες καὶ πάλιν ἀναχάζοντες σχολῇ πορεύεσθαι· καὶ θαμινὰ παρήγγελλεν ὁ Ξενοφῶν ὑπομένειν, ὅτε οἱ πολέμιοι ἰσχυρῶς ἐπικέοιντο. [4.1.17] ἐνταῦθα ὁ Χειρίσοφος ἄλλοτε μὲν ὅτε παρεγγυῶτο ὑπέμενε, τότε δὲ οὐχ ὑπέμενε, ἀλλ' ἦγε ταχέως καὶ παρηγγύα ἔπεσθαι, ὥστε δῆλον ἦν ὅτι πρᾶγμά τι εἶη· σχολὴ δ' οὐκ ἦν ἰδεῖν παρελθόντι τὸ αἴτιον τῆς σπουδῆς· ὥστε ἡ πορεία ὁμοία φυγῇ ἐγίνετο τοῖς ὠπισθοφύλαξι. [4.1.18] καὶ ἐνταῦθα ἀποθνήσκει ἀνὴρ ἀγαθὸς Λακωνικὸς Λεώνυμος τοξευθεὶς διὰ τῆς ἀσπίδος καὶ τῆς σπολάδος εἰς τὰς πλευράς, καὶ Βασίας Ἀρκὰς διαμπερὲς τὴν

κεφαλὴν. [4.1.19] ἐπεὶ δὲ ἀφίκοντο ἐπὶ σταθμόν, εὐθὺς ὥσπερ εἶχεν ὁ Ξενοφῶν ἐλθὼν πρὸς τὸν Χειρίσοφον ἡτιῶτο αὐτὸν ὅτι οὐχ ὑπέμενεν, ἀλλ' ἠναγκάζοντο φεύγοντες ἅμα μάχεσθαι. «καὶ νῦν δύο καλῶ τε καὶ ἀγαθῶ ἄνδρε τέθνατον καὶ οὔτε ἀνελέσθαι οὔτε θάψαι ἐδυνάμεθα.» [4.1.20] ἀποκρίνεται ὁ Χειρίσοφος· «βλέψον, ἔφη, πρὸς τὰ ὄρη καὶ ἰδὲ ὡς ἄβατα πάντα ἐστί· μία δ' αὕτη ὁδὸς ἦν ὁραῖς ὀρθία, καὶ ἐπὶ ταύτῃ ἀνθρώπων ὁρᾶν ἔξεστί σοι ὄχλον τοσοῦτον, οἱ κατελιφότες φυλάττουσι τὴν ἔκβασιν. [4.1.21] ταῦτ' ἐγὼ ἔσπευδον καὶ διὰ τοῦτό σε οὐχ ὑπέμενον, εἴ πως δυνάμην φθάσαι πρὶν κατελιφθαι τὴν ὑπερβολήν· οἱ δ' ἡγεμόνες οὓς ἔχομεν οὐ φασιν εἶναι ἄλλην ὁδόν.» [4.1.22] ὁ δὲ Ξενοφῶν λέγει· «ἀλλ' ἐγὼ ἔχω δύο ἄνδρας. ἐπεὶ γὰρ ἡμῖν πράγματα παρεῖχον, ἐνηδρεύσαμεν, ὅπερ ἡμᾶς καὶ ἀναπνεῦσαι ἐποίησε, καὶ ἀπεκτείναμέν τινες αὐτῶν, καὶ ζῶντας προυθυμήθημεν λαβεῖν αὐτοῦ τούτου ἕνεκα ὅπως ἡγεμόσιν εἰδόσι τὴν χώραν χρησαίμεθα.» [4.1.23] καὶ εὐθὺς ἀγαγόντες τοὺς ἀνθρώπους ἤλεγχον διαλαβόντες εἴ τινα εἶδεῖν ἄλλην ὁδὸν ἢ τὴν φανεράν. ὁ μὲν οὖν ἕτερος οὐκ ἔφη μάλα πολλῶν φόβων προσαγομένων· ἐπεὶ δὲ οὐδὲν ὠφέλιμον ἔλεγεν, ὁρῶντος τοῦ ἐτέρου κατεσφάγη. [4.1.24] ὁ δὲ λοιπὸς ἔλεξεν ὅτι οὗτος μὲν οὐ φαίη διὰ ταῦτα εἰδέναι, ὅτι αὐτῷ ἐτύγχανε θυγάτηρ ἐκεῖ παρ' ἀνδρὶ ἐκδεδομένη· αὐτὸς δ' ἔφη ἡγήσεσθαι δυνατὴν καὶ ὑποζυγίοις πορεύεσθαι ὁδόν. [4.1.25] ἐρωτώμενος δ' εἰ εἴη τι ἐν αὐτῇ δυσπάριτον χωρίον, ἔφη εἶναι ἄκρον ὃ εἰ μὴ τις προκαταλήψοιτο, ἀδύνατον ἔσεσθαι παρελθεῖν. [4.1.26] ἐνταῦθα δ' ἐδόκει συγκαλέσαντας λοχαγοὺς καὶ πελταστὰς καὶ τῶν ὀπλιτῶν λέγειν τε τὰ παρόντα καὶ ἐρωτᾶν εἴ τις αὐτῶν ἔστιν ὅστις ἀνὴρ ἀγαθὸς ἐθέλοι ἂν γενέσθαι καὶ ὑποστὰς ἐθελοντὴς πορεύεσθαι. [4.1.27] ὑφίσταται τῶν μὲν ὀπλιτῶν Ἀριστῶνυμος Μεθυδριεὺς [Ἀρκὰς] καὶ Ἀγασίας Στυμφάλιος [Ἀρκὰς], ἀντιστασιάζων δὲ αὐτοῖς Καλλίμαχος Παρράσιος [Ἀρκὰς καὶ οὗτος] ἔφη ἐθέλειν πορεύεσθαι προσλαβὼν ἐθελοντὰς ἐκ παντὸς τοῦ στρατεύματος· ἐγὼ γάρ, ἔφη, οἶδα ὅτι ἔψονται πολλοὶ τῶν νέων ἐμοῦ ἡγουμένου. [4.1.28] ἐκ τούτου ἐρωτῶσιν εἴ τις καὶ τῶν γυμνήτων ταξιάρχων ἐθέλοι συμπορεύεσθαι. ὑφίσταται Ἀριστεάς Χίος, ὃς πολλαχοῦ πολλοῦ ἄξιος τῇ στρατιᾷ εἰς τὰ τοιαῦτα ἐγένετο.

[4.2.1] καὶ ἦν μὲν δεῖλη, οἱ δ' ἐκέλευον αὐτοὺς ἐμφαγόντας πορεύεσθαι. καὶ τὸν ἡγεμόνα δήσαντες παραδιδόασιν αὐτοῖς, καὶ συντίθενται τὴν μὲν νύκτα, ἦν λάβωσι τὸ ἄκρον, τὸ χωρίον

φυλάττειν, ἅμα δὲ τῇ ἡμέρᾳ τῇ σάλπιγγι σημαίνειν· καὶ τοὺς μὲν ἄνω ὄντας ἵεναι ἐπὶ τοὺς κατέχοντας τὴν φανεράν ἔκβασιν, αὐτοὶ δὲ συμβοηθήσιν ἐκβαίνοντες ὡς ἂν δύνωνται τάχιστα. [4.2.2] ταῦτα συνθέμενοι οἱ μὲν ἐπορεύοντο πλῆθος ὡς δισχίλιοι· καὶ ὕδωρ πολὺ ἦν ἐξ οὐρανοῦ· Ξενοφῶν δὲ ἔχων τοὺς ὀπισθοφύλακας ἡγεῖτο πρὸς τὴν φανεράν ἔκβασιν, ὅπως ταύτῃ τῇ ὁδῷ οἱ πολέμιοι προσέχοιεν τὸν νοῦν καὶ ὡς μάλιστα λάθοιεν οἱ περιόντες. [4.2.3] ἐπεὶ δὲ ἦσαν ἐπὶ χαράδρᾳ οἱ ὀπισθοφύλακες ἦν ἔδει διαβάντας πρὸς τὸ ὄρθιον ἐκβαίνειν, τηνικαῦτα ἐκύλινδον οἱ βάρβαροι ὀλοιτρόχους ἀμαξιαίους καὶ μείζους καὶ ἐλάττους, οἱ φερόμενοι πρὸς τὰς πέτρας παίοντες διεσφενδονῶντο· καὶ παντάπασιν οὐδὲ πελάσαι οἶόν τ' ἦν τῇ εἰσόδῳ. [4.2.4] ἔνιοι δὲ τῶν λοχαγῶν, εἰ μὴ ταύτῃ δύναιτο, ἄλλῃ ἐπειρῶντο· καὶ ταῦτα ἐποιοῦν μέχρι σκότος ἐγένετο· ἐπεὶ δὲ ὦιοντο ἀφανεῖς εἶναι ἀπίοντες, τότε ἀπῆλθον ἐπὶ τὸ δεῖπνον· ἐτύγγανον δὲ καὶ ἀνάριστοι ὄντες αὐτῶν οἱ ὀπισθοφυλακήσαντες. οἱ μέντοι πολέμιοι οὐδὲν ἐπαύσαντο δι' ὅλης τῆς νυκτὸς κυλίνδοντες τοὺς λίθους· τεκμαίρεσθαι δ' ἦν τῷ ψόφῳ. [4.2.5] οἱ δ' ἔχοντες τὸν ἡγεμόνα κύκλῳ περιόντες καταλαμβάνουσι τοὺς φύλακας ἀμφὶ πῦρ καθημένους· καὶ τοὺς μὲν κατακαίνοντες τοὺς δὲ καταδιώξαντες αὐτοὶ ἐνταῦθ' ἔμενον ὡς τὸ ἄκρον κατέχοντες. [4.2.6] οἱ δ' οὐ κατεῖχον, ἀλλὰ μαστὸς ἦν ὑπὲρ αὐτῶν παρ' ὃν ἦν ἡ στενὴ αὕτη ὁδὸς ἐφ' ἣ ἑκάθηντο οἱ φύλακες. ἔφοδος μέντοι αὐτόθεν ἐπὶ τοὺς πολεμίους ἦν οἱ ἐπὶ τῇ φανεραῖ ὁδῷ ἑκάθηντο. [4.2.7] καὶ τὴν μὲν νύκτα ἐνταῦθα διήγαγον· ἐπεὶ δ' ἡμέρα ὑπέφαιεν, ἐπορεύοντο σιγῇ συντεταγμένοι ἐπὶ τοὺς πολεμίους· καὶ γὰρ ὁμίχλη ἐγένετο, ὥστ' ἔλαθον ἐγγὺς προσελθόντες. ἐπεὶ δὲ εἶδον ἀλλήλους, ἥ τε σάλπιγξ ἐφθέγγετο καὶ ἀλαλάζαντες ἵεντο ἐπὶ τοὺς ἀνθρώπους· οἱ δὲ οὐκ ἐδέξαντο, ἀλλὰ λιπόντες τὴν ὁδὸν φεύγοντες ὀλίγοι ἀπέθνησκον· εὐζωνοὶ γὰρ ἦσαν. [4.2.8] οἱ δὲ ἀμφὶ Χειρίσοφον ἀκούσαντες τῆς σάλπιγγος εὐθὺς ἵεντο ἄνω κατὰ τὴν φανεράν ὁδόν· ἄλλοι δὲ τῶν στρατηγῶν κατὰ ἀτριβεῖς ὁδοὺς ἐπορεύοντο ἧ ἔτυχον ἕκαστοι ὄντες, καὶ ἀναβάντες ὡς ἐδύναντο ἀνίμων ἀλλήλους τοῖς δόρασι. [4.2.9] καὶ οὗτοι πρῶτοι συνέμειξαν τοῖς προκαταλαβοῦσι τὸ χωρίον. Ξενοφῶν δὲ ἔχων τῶν ὀπισθοφυλάκων τοὺς ἡμίσεις ἐπορεύετο ἥπερ οἱ τὸν ἡγεμόνα ἔχοντες· εὐδοωτάτῃ γὰρ ἦν τοῖς ὑποζυγίοις· τοὺς δὲ ἡμίσεις ὀπισθεν τῶν ὑποζυγίων ἔταξε. [4.2.10] πορευόμενοι δ' ἐντυγχάνουσι λόφῳ ὑπὲρ τῆς ὁδοῦ κατελιμμένῳ ὑπὸ τῶν πολεμίων, οὓς ἡ

ἀποκόψαι ἣν ἀνάγκη ἢ διεξεῦχθαι ἀπὸ τῶν ἄλλων Ἑλλήνων. καὶ αὐτοὶ μὲν ἂν ἐπορεύθησαν ἥτις οἱ ἄλλοι, τὰ δὲ ὑποζύγια οὐκ ἦν ἄλλη ἢ ταύτη ἐκβῆναι. [4.2.11] ἔνθα δὲ παρακελευσάμενοι ἀλλήλοις προσβάλλουσι πρὸς τὸν λόφον ὀρθίοις τοῖς λόχοις, οὐ κύκλῳ ἀλλὰ καταλιπόντες ἄφοδον τοῖς πολεμίοις, εἰ βούλονται φεῦγειν. [4.2.12] καὶ τέως μὲν αὐτοὺς ἀναβαίνοντας ὅπῃ ἐδύναντο ἕκαστος οἱ βάρβαροι ἐτόξευον καὶ ἐβαλλον, ἐγγὺς δ' οὐ προσίεντο, ἀλλὰ φυγῇ λείπουνσι τὸ χωρίον. καὶ τοῦτόν τε παρεληλύθεσαν οἱ Ἕλληνες καὶ ἕτερον ὀρώσιν ἔμπροσθεν λόφον κατεχόμενον ἐπὶ τοῦτον αὖθις ἐδόκει πορεύεσθαι. [4.2.13] ἐννοήσας δ' ὁ Ξενοφῶν μή, εἰ ἔρημον καταλίποι τὸν ἡλωκότα λόφον, [καὶ] πάλιν λαβόντες οἱ πολέμιοι ἐπιθοῖντο τοῖς ὑποζυγίοις παριοῦσιν (ἐπὶ πολὺ δ' ἦν τὰ ὑποζύγια ἅτε διὰ στενῆς τῆς ὁδοῦ πορευόμενα), καταλείπει ἐπὶ τοῦ λόφου λοχαγοὺς Κηφισόδωρον Κηφισοφῶντος Ἀθηναῖον καὶ Ἀμφικράτην Ἀμφιδήμου Ἀθηναῖον καὶ Ἀρχαγόραν Ἀργεῖον φυγάδα, αὐτὸς δὲ σὺν τοῖς λοιποῖς ἐπορεύετο ἐπὶ τὸν δεύτερον λόφον, καὶ τῷ αὐτῷ τρόπῳ καὶ τοῦτον αἰροῦσιν. [4.2.14] ἔτι δ' αὐτοῖς τρίτος μαστὸς λοιπὸς ἦν πολὺ ὀρθιώτατος ὁ ὑπὲρ τῆς ἐπὶ τῷ πυρὶ καταληφθείσης φυλακῆς τῆς νυκτὸς ὑπὸ τῶν ἐθελοντῶν. [4.2.15] ἐπεὶ δ' ἐγγὺς ἐγένοντο οἱ Ἕλληνες, λείπουνσι οἱ βάρβαροι ἀμαχητὶ τὸν μαστόν, ὥστε θαυμαστὸν πᾶσι γενέσθαι καὶ ὑπώπτευνον δείσαντας αὐτοὺς μὴ κυκλωθέντες πολιορκοῖντο ἀπολιπεῖν. οἱ δ' ἄρα ἀπὸ τοῦ ἄκρου καθορῶντες τὰ ὀπισθεν γιγνόμενα πάντες ἐπὶ τοὺς ὀπισθοφύλακας ἐχώρουν. [4.2.16] καὶ Ξενοφῶν μὲν σὺν τοῖς νεωτάτοις ἀνέβαινεν ἐπὶ τὸ ἄκρον, τοὺς δὲ ἄλλους ἐκέλευσεν ὑπάγειν, ὅπως οἱ τελευταῖοι λόγοι προσμείξειαν, καὶ προελθόντας κατὰ τὴν ὁδὸν ἐν τῷ ὁμαλῷ θέσθαι τὰ ὅπλα εἶπε. [4.2.17] καὶ ἐν τούτῳ τῷ χρόνῳ ἦλθεν Ἀρχαγόρας ὁ Ἀργεῖος πεφευγὼς καὶ λέγει ὡς ἀπεκόπησαν ἀπὸ τοῦ λόφου καὶ ὅτι τεθῆσι Κηφισόδωρος καὶ Ἀμφικράτης καὶ ἄλλοι ὅσοι μὴ ἀλόμενοι κατὰ τῆς πέτρας πρὸς τοὺς ὀπισθοφύλακας ἀφίκοντο. [4.2.18] ταῦτα δὲ διαπραξάμενοι οἱ βάρβαροι ἦκον ἐπ' ἀντίπορον λόφον τῷ μαστῷ· καὶ ὁ Ξενοφῶν διελέγετο αὐτοῖς δι' ἐρμηνέως περὶ σπονδῶν καὶ τοὺς νεκροὺς ἀπῆιτει. [4.2.19] οἱ δὲ ἔφασαν ἀποδώσειν ἐφ' ᾧ μὴ καίειν τὰς οἰκίας. συνωμολόγει ταῦτα ὁ Ξενοφῶν. ἐν ᾧ δὲ τὸ μὲν ἄλλο στράτευμα παρήιει, οἱ δὲ ταῦτα διελέγοντο, πάντες οἱ ἐκ τούτου τοῦ τόπου συνερρύησαν· ἐνταῦθα ἴσταντο οἱ πολέμιοι. [4.2.20] καὶ ἐπεὶ ἦρξαντο καταβαίνειν ἀπὸ τοῦ μαστοῦ πρὸς τοὺς ἄλλους ἔνθα τὰ

ὅπλα ἔκειντο, ἴεντο δὴ οἱ πολέμιοι πολλῶι πλήθει καὶ θορύβῳ· καὶ ἐπεὶ ἐγένοντο ἐπὶ τῆς κορυφῆς τοῦ μαστοῦ ἀφ' οὗ Ξενοφῶν κατέβαιναν, ἐκυλίνδουν πέτρους· καὶ ἐνὸς μὲν κατέαζαν τὸ σκέλος, Ξενοφῶντα δὲ ὁ ὑπασπιστὴς ἔχων τὴν ἀσπίδα ἀπέλειπεν· [4.2.21] Εὐρύλοχος δὲ Λουσιεύς [Ἀρκὰς] προσέδραμεν αὐτῷ ὀπλίτης, καὶ πρὸ ἀμφοῖν προβεβλημένος ἀπεχώρει, καὶ οἱ ἄλλοι πρὸς τοὺς συντεταγμένους ἀπῆλθον. [4.2.22] ἐκ δὲ τούτου πᾶν ὁμοῦ ἐγένετο τὸ Ἑλληνικόν, καὶ ἐσκήνησαν αὐτοῦ ἐν πολλαῖς καὶ καλαῖς οἰκίαις καὶ ἐπιτηδεῖσις δασιλέσι· καὶ γὰρ οἶνος πολὺς ἦν, ὥστε ἐν λάκκοις κονιατοῖς εἶχον. [4.2.23] Ξενοφῶν δὲ καὶ Χειρίσοφος διεπράζαντο ὥστε λαβόντες τοὺς νεκροὺς ἀπέδοσαν τὸν ἡγεμόνα· καὶ πάντα ἐποίησαν τοῖς ἀποθανοῦσιν ἐκ τῶν δυνατῶν ὥσπερ νομίζεται ἀνδράσιν ἀγαθοῖς. [4.2.24] τῇ δὲ ὑστεραίᾳ ἄνευ ἡγεμόνος ἐπορεύοντο· μαχόμενοι δ' οἱ πολέμιοι καὶ ὅπῃ εἴη στενὸν χωρίον προκαταλαμβάνοντες ἐκώλυνον τὰς παρόδους. [4.2.25] ὁπότε μὲν οὖν τοὺς πρώτους κωλύοιεν, Ξενοφῶν ὀπισθεν ἐκβαίνων πρὸς τὰ ὄρη ἔλκε τὴν ἀπόφραξιν τῆς ὁδοῦ τοῖς πρώτοις ἀνωτέρῳ πειρώμενος γίνεσθαι τῶν κωλυνόντων, [4.2.26] ὁπότε δὲ τοῖς ὀπισθεν ἐπιθοῖντο, Χειρίσοφος ἐκβαίνων καὶ πειρώμενος ἀνωτέρῳ γίνεσθαι τῶν κωλυνόντων ἔλκε τὴν ἀπόφραξιν τῆς παρόδου τοῖς ὀπισθεν· καὶ αἰεὶ οὕτως ἐβοήθουν ἀλλήλοις καὶ ἰσχυρῶς ἀλλήλων ἐπεμέλοντο. [4.2.27] ἦν δὲ καὶ ὁπότε αὐτοῖς τοῖς ἀναβᾶσι πολλὰ πράγματα παρεῖχον οἱ βάρβαροι πάλιν καταβαίνουσιν· ἐλαφροὶ γὰρ ἦσαν ὥστε καὶ ἐγγύθεν φεύγοντες ἀποφεύγειν· οὐδὲν γὰρ εἶχον ἄλλο ἢ τόξα καὶ σφενδόνας. [4.2.28] ἄριστοι δὲ καὶ τοξόται ἦσαν· εἶχον δὲ τόξα ἐγγὺς τριπύγῃ, τὰ δὲ τοξεύματα πλέον ἢ διπύγῃ· εἵλκον δὲ τὰς νευρὰς ὁπότε τοξεύοιεν πρὸς τὸ κάτω τοῦ τόξου τῷ ἀριστερῷ ποδὶ προσβαίνοντες. τὰ δὲ τοξεύματα ἐχώρει διὰ τῶν ἀσπίδων καὶ διὰ τῶν θωράκων. ἐχρῶντο δὲ αὐτοῖς οἱ Ἕλληνες, ἐπεὶ λάβοιεν, ἀκοντίοις ἐναγκυλῶντες. ἐν τούτοις τοῖς χωρίοις οἱ Κρήτες χρησιμώτατοι ἐγένοντο. ἦρχε δὲ αὐτῶν Στρατοκλῆς Κρής.

[4.3.1] ταύτην δ' αὖ τὴν ἡμέραν ἠϋλίσθησαν ἐν ταῖς κώμαις ταῖς ὑπὲρ τοῦ πεδίου παρὰ τὸν Κεντρίτην ποταμόν, εὖρος ὡς δίπλεθρον, ὃς ὀρίζει τὴν Ἀρμενίαν καὶ τὴν τῶν Καρδούχων χώραν. καὶ οἱ Ἕλληνες ἐνταῦθα ἀνέπνευσαν ἄσμενοι ἰδόντες πεδίον· ἀπέχεε δὲ τῶν ὁρέων ὁ ποταμὸς ἕξ ἢ ἐπτὰ στάδια τῶν Καρδούχων. [4.3.2] τότε μὲν οὖν ἠϋλίσθησαν μάλα ἡδέως καὶ τάπιτήδεια ἔχοντες καὶ πολλὰ τῶν

παρελθούτων πόνων μνημονεύοντες. ἐπὶ γὰρ ἡμέρας ὅσας περ ἐπορεύθησαν διὰ τῶν Καρδούχων πάσας μαχόμενοι διετέλεσαν, καὶ ἔπαθον κακὰ ὅσα οὐδὲ τὰ σύμπαντα ὑπὸ βασιλέως καὶ Τισσαφέρνους. ὥς οὖν ἀπηλλαγμένοι τούτων ἡδέως ἐκοιμήθησαν. [4.3.3] ἅμα δὲ τῇ ἡμέρᾳ ὁρῶσιν ἱππέας που πέραν τοῦ ποταμοῦ ἔξωπλισμένους ὥς κωλύσοντας διαβαίνειν, πεζοὺς δ' ἐπὶ ταῖς ὄχθαις παρατεταγμένους ἄνω τῶν ἱππέων ὥς κωλύσοντας εἰς τὴν Ἀρμενίαν ἐκβαίνειν. [4.3.4] ἦσαν δ' οὗτοι Ὀρόντα καὶ Ἀρτούχα Ἀρμένιοι καὶ Μάρδοι καὶ Χαλδαῖοι μισθοφόροι. ἐλέγοντο δὲ οἱ Χαλδαῖοι ἐλεύθεροί τε καὶ ἄλκιμοι εἶναι· ὅπλα δ' εἶχον γέρρα μακρὰ καὶ λόγχας. [4.3.5] αἱ δὲ ὄχθαι αὗται ἐφ' ὧν παρατεταγμένοι οὗτοι ἦσαν τρία ἢ τέτταρα πλέθρα ἀπὸ τοῦ ποταμοῦ ἀπεῖχον· ὁδὸς δὲ μία ὁρωμένη ἦν ἄγουσα ἄνω ὥσπερ χειροποίητος· ταύτῃ ἐπειρῶντο διαβαίνειν οἱ Ἕλληνες. [4.3.6] ἐπεὶ δὲ πειρωμένοις τό τε ὕδωρ ὑπὲρ τῶν μαστῶν ἐφαίνετο, καὶ τραχὺς ἦν ὁ ποταμὸς μεγάλοις λίθοις καὶ ὀλισθηροῖς, καὶ οὗτ' ἐν τῷ ὕδατι τὰ ὅπλα ἦν ἔχειν· εἰ δὲ μή, ἥρπασεν ὁ ποταμός· ἐπὶ τε τῆς κεφαλῆς τὰ ὅπλα εἰ τις φέροι, γυμνοὶ ἐγίνοντο πρὸς τὰ τοξεύματα καὶ τᾶλλα βέλη, ἀνεχώρησαν καὶ αὐτοῦ ἐστρατοπεδεύσαντο παρὰ τὸν ποταμόν. [4.3.7] ἔνθα δὲ αὐτοὶ τὴν πρόσθεν νύκτα ἦσαν ἐπὶ τοῦ ὄρους ἐώρων τοὺς Καρδούχους πολλοὺς συνειλεγμένους ἐν τοῖς ὅπλοις. ἐνταῦθα δὴ πολλὴ ἀθυμία ἦν τοῖς Ἕλλησιν, ὁρῶσι μὲν τοῦ ποταμοῦ τὴν δυσπορίαν, ὁρῶσι δὲ τοὺς διαβαίνειν κωλύσοντας, ὁρῶσι δὲ τοῖς διαβαίνουσιν ἐπικεισομένους τοὺς Καρδούχους ὀπισθεν. [4.3.8] ταύτην μὲν οὖν τὴν ἡμέραν καὶ νύκτα ἔμειναν ἐν πολλῇ ἀπορίᾳ ὄντες. Ξενοφῶν δὲ ὄναρ εἶδεν· ἔδοξεν ἐν πέδαις δεδέσθαι, αὗται δὲ αὐτῷ αὐτόματα περιρρυῆναι, ὥστε λυθῆναι καὶ διαβαίνειν ὁπόσον ἐβούλετο. ἐπεὶ δὲ ὀρθρὸς ἦν, ἔρχεται πρὸς τὸν Χειρίσοφον καὶ λέγει ὅτι ἐλπίδας ἔχει καλῶς ἔσεσθαι, καὶ διηγεῖται αὐτῷ τὸ ὄναρ. [4.3.9] ὁ δὲ ἡδετό τε καὶ ὥς τάχιστα ἕως ὑπέφαιναν ἐθύοντο πάντες παρόντες οἱ στρατηγοί· καὶ τὰ ἱερὰ καλὰ ἦν εὐθύς ἐπὶ τοῦ πρώτου. καὶ ἀπιώντες ἀπὸ τῶν ἱερῶν οἱ στρατηγοὶ καὶ λοχαγοὶ παρήγγελλον τῇ στρατιᾷ ἀριστοποιεῖσθαι. [4.3.10] καὶ ἀριστῶντι τῷ Ξενοφῶντι προσέτρεχον δύο νεανίσκω· ἤιδεσαν γὰρ πάντες ὅτι ἐξείη αὐτῷ καὶ ἀριστῶντι καὶ δειπνοῦντι προσελθεῖν καὶ εἰ καθεύδοι ἐπεγείραντα εἰπεῖν, εἴ τίς τι ἔχοι τῶν πρὸς τὸν πόλεμον. [4.3.11] καὶ τότε ἔλεγον ὅτι τυγχάνοιεν φρύγανα συλλέγοντες ὥς ἐπὶ πῦρ, κᾶπειτα κατίδοιεν ἐν τῷ πέραν ἐν

πέτραις καθηκούσαις ἐπ’ αὐτὸν τὸν ποταμὸν γέροντά τε καὶ γυναῖκα καὶ παιδίσκας ὥσπερ μαρσίπους ἱματίων κατατιθεμένους ἐν πέτραις ἀντρώδει. [4.3.12] ἰδοῦσι δὲ σφίσι δόξα ἄσφαλές εἶναι διαβῆναι· οὐδὲ γὰρ τοῖς πολεμίοις ἰππεῦσι προσβατὸν εἶναι κατὰ τοῦτο. ἐκδύντες δ’ ἔφασαν ἔχοντες τὰ ἐγχειρίδια γυμνοὶ ὥς νευσόμενοι διαβαίνειν· πορευόμενοι δὲ πρόσθεν διαβῆναι πρὶν βρέξαι τὰ αἰδοῖα· [4.3.13] καὶ διαβάντες, λαβόντες τὰ ἱμάτια πάλιν ἤκειν. εὐθὺς οὖν Ξενοφῶν αὐτὸς τε ἔσπενδε καὶ τοῖς νεανίσκοις ἐγχεῖν ἐκέλευε καὶ εὐχεσθαι τοῖς φήνασι θεοῖς τά τε ὀνείρατα καὶ τὸν πόρον καὶ τὰ λοιπὰ ἀγαθὰ ἐπιτελέσαι. σπείσας δ’ εὐθὺς ἦγε τοὺς νεανίσκους παρὰ τὸν Χειρίσοφον, καὶ διηγοῦνται ταῦτά. [4.3.14] ἀκούσας δὲ καὶ ὁ Χειρίσοφος σπονδὰς ἐποίει. σπείσαντες δὲ τοῖς μὲν ἄλλοις παρήγγελλον συσκευάζεσθαι, αὐτοὶ δὲ συγκαλέσαντες τοὺς στρατηγοὺς ἐβουλευόντο ὅπως ἂν κάλλιστα διαβαῖεν καὶ τοὺς τε ἔμπροσθεν νικῶιεν καὶ ὑπὸ τῶν ὀπισθεν μηδὲν πάσχοιεν κακόν. [4.3.15] καὶ ἔδοξεν αὐτοῖς Χειρίσοφον μὲν ἡγεῖσθαι καὶ διαβαίνειν ἔχοντα τὸ ἥμισυ τοῦ στρατεύματος, τὸ δ’ ἥμισυ ἔτι ὑπομένειν σὺν Ξενοφῶντι, τὰ δὲ ὑποζύγια καὶ τὸν ὄχλον ἐν μέσῳ τούτων διαβαίνειν. [4.3.16] ἐπεὶ δὲ ταῦτα καλῶς εἶχεν ἐπορεύοντο· ἡγοῦντο δ’ οἱ νεανίσκοι ἐν ἀριστεραῖ ἔχοντες τὸν ποταμόν· ὁδὸς δὲ ἦν ἐπὶ τὴν διάβασιν ὥς τέτταρες στάδιοι. [4.3.17] πορευομένων δ’ αὐτῶν ἀντιπαρήρισαν αἱ τάξεις τῶν ἰππέων. ἐπειδὴ δὲ ἦσαν κατὰ τὴν διάβασιν καὶ τὰς ὄχθας τοῦ ποταμοῦ, ἔθεντο τὰ ὄπλα, καὶ αὐτὸς πρῶτος Χειρίσοφος στεφανωσάμενος καὶ ἀποδὺς ἐλάμβανε τὰ ὄπλα καὶ τοῖς ἄλλοις πᾶσι παρήγγελλε, καὶ τοὺς λοχαγοὺς ἐκέλευεν ἄγειν τοὺς λόχους ὀρθίους, τοὺς μὲν ἐν ἀριστεραῖ τοὺς δ’ ἐν δεξιᾷ ἑαυτοῦ. καὶ οἱ μὲν μάντις ἐσφαγιάζοντο εἰς τὸν ποταμόν· [4.3.18] οἱ δὲ πολέμιοι ἐτόξευον καὶ ἐσφενδόνων· [4.3.19] ἀλλ’ οὐπω ἐξικνοῦντο· ἐπεὶ δὲ καλὰ ἦν τὰ σφάγια, ἐπαιάνιζον πάντες οἱ στρατιῶται καὶ ἀνηγάλαζον, συνωλόλυζον δὲ καὶ αἱ γυναῖκες ἅπασαι. πολλοὶ γὰρ ἦσαν ἐταῖραι ἐν τῷ στρατεύματι. [4.3.20] καὶ Χειρίσοφος μὲν ἐνέβαινε καὶ οἱ σὺν ἐκείνῳ· ὁ δὲ Ξενοφῶν τῶν ὀπισθοφυλάκων λαβὼν τοὺς εὐζωνοτάτους ἔθει ἀνὰ κράτος πάλιν ἐπὶ τὸν πόρον τὸν κατὰ τὴν ἔκβασιν τὴν εἰς τὰ τῶν Ἀρμενίων ὄρη, προσποιούμενος ταύτην διαβὰς ἀποκλείσειν τοὺς παρὰ τὸν ποταμὸν ἰππέας. [4.3.21] οἱ δὲ πολέμιοι ὀρῶντες μὲν τοὺς ἀμφὶ Χειρίσοφον εὐπετῶς τὸ ὕδωρ περῶντας, ὀρῶντες δὲ τοὺς ἀμφὶ Ξενοφῶντα θέοντας εἰς τοῦμπαλιν,

δείσαντες μὴ ἀποληφθείησαν φεύγουσιν ἀνὰ κράτος ὡς πρὸς τὴν τοῦ ποταμοῦ ἄνω ἔκβασιν. ἐπεὶ δὲ κατὰ τὴν ὁδὸν ἐγένοντο, ἔτεινον ἄνω πρὸς τὸ ὄρος. [4.3.22] Λύκιος δ' ὁ τὴν τάξιν ἔχων τῶν ἱππέων καὶ Αἰσχίνης ὁ τὴν τάξιν τῶν πελταστῶν τῶν ἀμφὶ Χειρίσοφον ἐπεὶ ἐώρων ἀνὰ κράτος φεύγοντας, εἶποντο· οἱ δὲ στρατιῶται ἐβόων μὴ ἀπολείπεσθαι, ἀλλὰ συνεκβαίνειν ἐπὶ τὸ ὄρος. [4.3.23] Χειρίσοφος δ' αὖ ἐπεὶ διέβη, τοὺς ἱππέας οὐκ ἐδίωκεν, εὐθὺς δὲ κατὰ τὰς προσηκούσας ὄχθας ἐπὶ τὸν ποταμὸν ἐξέβαιναν ἐπὶ τοὺς ἄνω πολεμίους. οἱ δὲ ἄνω, ὀρῶντες μὲν τοὺς ἑαυτῶν ἱππέας φεύγοντας, ὀρῶντες δ' ὀπλίτας σφίσιν ἐπιόντας, ἐκλείπουσι τὰ ὑπὲρ τοῦ ποταμοῦ ἄκρα. [4.3.24] Ξενοφῶν δ' ἐπεὶ τὰ πέραν ἐώρα καλῶς γιγνόμενα, ἀπεχώρει τὴν ταχίστην πρὸς τὸ διαβαῖνον στράτευμα· καὶ γὰρ οἱ Καρδοῦχοι φανεροὶ ἤδη ἦσαν εἰς τὸ πεδίον καταβαίνοντες ὡς ἐπιθησόμενοι τοῖς τελευταίοις. [4.3.25] καὶ Χειρίσοφος μὲν τὰ ἄνω κατεῖχε, Λύκιος δὲ σὺν ὀλίγοις ἐπιχειρήσας ἐπιδιώξαι ἔλαβε τῶν σκευοφόρων τὰ ὑπολειπόμενα καὶ μετὰ τούτων ἐσθῆτά τε καλὴν καὶ ἐκπώματα. [4.3.26] καὶ τὰ σκευοφόρα τῶν Ἑλλήνων καὶ ὁ ὄχλος ἀκμὴν διέβαινε, Ξενοφῶν δὲ στρέψας πρὸς τοὺς Καρδούχους ἀντία τὰ ὄπλα ἔθετο, καὶ παρήγγειλε τοῖς λοχαγοῖς κατ' ἐνωμοτίας ποιήσασθαι ἕκαστον τὸν ἑαυτοῦ λόχον, παρ' ἀσπίδα παραγαγόντας τὴν ἐνωμοτίαν ἐπὶ φάλαγγος· καὶ τοὺς μὲν λοχαγοὺς καὶ τοὺς ἐνωμοτάρχους πρὸς τῶν Καρδούχων ἰέναι, οὐραγοὺς δὲ καταστήσασθαι πρὸς τοῦ ποταμοῦ. [4.3.27] οἱ δὲ Καρδοῦχοι ὡς ἐώρων τοὺς ὀπισθοφύλακας τοῦ ὄχλου ψιλουμένους καὶ ὀλίγους ἤδη φαινομένους, θᾶπτον δὴ ἐπῆσαν ᾠιδάς τινας αἰδοντες. ὁ δὲ Χειρίσοφος, ἐπεὶ τὰ παρ' αὐτῷ ἀσφαλῶς εἶχε, πέμπει παρὰ Ξενοφῶντα τοὺς πελταστὰς καὶ σφενδονήτας καὶ τοξότας καὶ κελεύει ποιεῖν ὅ τι ἂν παραγγέλλῃ. [4.3.28] ἰδὼν δ' αὐτοὺς διαβαίνοντας Ξενοφῶν πέμπας ἄγγελον κελεύει αὐτοῦ μέναι ἐπὶ τοῦ ποταμοῦ μὴ διαβάντας· ὅταν δ' ἄρξωνται αὐτοὶ διαβαίνειν, ἐναντίους ἔνθεν καὶ ἔνθεν σφῶν ἐμβαίνειν ὡς διαβησομένους, διηγκυλωμένους τοὺς ἀκοντιστὰς καὶ ἐπιβεβλημένους τοὺς τοξότας· μὴ πρόσω δὲ τοῦ ποταμοῦ προβαίνειν. [4.3.29] τοῖς δὲ παρ' ἑαυτῷ παρήγγειλεν, ἐπειδὰν σφενδόνῃ ἐξικνηῖται καὶ ἀσπίς ψοφῇ, παιανίσαντας θεῖν εἰς τοὺς πολεμίους, ἐπειδὰν δ' ἀναστρέψωσιν οἱ πολέμιοι καὶ ἐκ τοῦ ποταμοῦ ὁ σαλπικτῆς σημήνῃ τὸ πολεμικόν, ἀναστρέψαντας ἐπὶ δόρυ ἡγεῖσθαι μὲν τοὺς οὐραγοὺς, θεῖν δὲ πάντας καὶ διαβαίνειν ὅτι

τάχιστα ἢ ἕκαστος τὴν τάξιν εἶχεν, ὥς μὴ ἐμποδίζειν ἀλλήλους· ὅτι οὗτος ἄριστος ἔσοιτο ὃς ἂν πρῶτος ἐν τῷ πέραν γένηται. [4.3.30] οἱ δὲ Καρδοῦχοι ὀρῶντες ὀλίγους ἤδη τοὺς λοιπούς (πολλοὶ γὰρ καὶ τῶν μένειν τεταγμένων ὦχοντο ἐπιμελόμενοι οἱ μὲν ὑποζυγίων, οἱ δὲ σκευῶν, οἱ δ' ἑταιρῶν), ἐνταῦθα δὴ ἐπέκειντο θρασέως καὶ ἤρχοντο σφενδονᾶν καὶ τοξεύειν. [4.3.31] οἱ δὲ Ἕλληνες παιανίσαντες ὥρμησαν δρόμῳ ἐπ' αὐτούς· οἱ δὲ οὐκ ἐδέξαντο· καὶ γὰρ ἦσαν ὠπλισμένοι ὥς μὲν ἐν τοῖς ὄρεσιν ἱκανῶς πρὸς τὸ ἐπιδραμεῖν καὶ φεύγειν, πρὸς δὲ τὸ εἰς χεῖρας δέχεσθαι οὐχ ἱκανῶς. [4.3.32] ἐν τούτῳ σημαίνει ὁ σαλπικτής· καὶ οἱ μὲν πολέμοι ἔφευγον πολὺ ἔτι θᾶπτον, οἱ δὲ Ἕλληνες τἀναντία στρέψαντες ἔφευγον διὰ τοῦ ποταμοῦ ὅτι τάχιστα. [4.3.33] τῶν δὲ πολεμίων οἱ μὲν τινες αἰσθόμενοι πάλιν ἔδραμον ἐπὶ τὸν ποταμὸν καὶ τοξεύοντες ὀλίγους ἔτρωσαν, οἱ δὲ πολλοὶ καὶ πέραν ὄντων τῶν Ἑλλήνων ἔτι φανεροὶ ἦσαν φεύγοντες. [4.3.34] οἱ δὲ ὑπαντήσαντες ἀνδριζόμενοι καὶ προσωτέρῳ τοῦ καιροῦ προϊόντες ὕστερον τῶν μετὰ Ξενοφῶντος διέβησαν πάλιν· καὶ ἐτρώθησάν τινες καὶ τούτων.

[4.4.1] ἐπεὶ δὲ διέβησαν, συνταξάμενοι ἀμφὶ μέσον ἡμέρας ἐπορεύθησαν διὰ τῆς Ἀρμενίας πεδίον ἅπαν καὶ λείους γηλόφους οὐ μείον ἢ πέντε παρασάγγας· οὐ γὰρ ἦσαν ἐγγὺς τοῦ ποταμοῦ κῶμαι διὰ τοὺς πολέμους τοὺς πρὸς τοὺς Καρδούχους. [4.4.2] εἰς δὲ ἦν ἀφίκοντο κόμην μεγάλη τε ἦν καὶ βασιλείον εἶχε τῷ σατράπῃ καὶ ἐπὶ ταῖς πλείσταις οἰκίαις τύρσεις ἐπῆσαν· ἐπιτήδεια δ' ἦν δαψιλῇ. [4.4.3] ἐντεῦθεν δ' ἐπορεύθησαν σταθμοὺς δύο παρασάγγας δέκα μέχρι ὑπερήλθον τὰς πηγὰς τοῦ Τίγρητος ποταμοῦ. ἐντεῦθεν δ' ἐπορεύθησαν σταθμοὺς τρεῖς παρασάγγας πεντεκαίδεκα ἐπὶ τὸν Τηλεβόαν ποταμόν. οὗτος δ' ἦν καλὸς μὲν, μέγας δ' οὐ· κῶμαι δὲ πολλαὶ περὶ τὸν ποταμὸν ἦσαν. [4.4.4] ὁ δὲ τόπος οὗτος Ἀρμενία ἐκαλεῖτο ἢ πρὸς ἐσπέραν. ὑπαρχος δ' ἦν αὐτῆς Τιρίβαζος, ὁ καὶ βασιλεὶ φίλος γενόμενος, καὶ ὁπότε παρείη, οὐδεὶς ἄλλος βασιλέα ἐπὶ τὸν ἵππον ἀνέβαλλεν. [4.4.5] οὗτος προσήλασεν ἱππέας ἔχων, καὶ προπέμψας ἐρμηνέα εἶπεν ὅτι βούλοιο διαλεχθῆναι τοῖς ἄρχουσι. τοῖς δὲ στρατηγοῖς ἔδοξεν ἀκοῦσαι· καὶ προσελθόντες εἰς ἐπήκοον ἡρώτων τί θέλει. [4.4.6] ὁ δὲ εἶπεν ὅτι σπείσασθαι βούλοιο ἐφ' ᾧ μήτε αὐτὸς τοὺς Ἕλληνας ἀδικεῖν μήτε ἐκείνους καίειν τὰς οἰκίας λαμβάνειν τε τὰπιτήδεια ὅσων δέοιντο. ἔδοξε ταῦτα τοῖς στρατηγοῖς καὶ ἐσπείσαντο ἐπὶ τούτοις. [4.4.7] ἐντεῦθεν δ' ἐπορεύθησαν σταθμοὺς

τρεῖς διὰ πεδίου παρασάγγας πεντεκαίδεκα· καὶ Τιρίβαζος παρηκολούθει ἔχων τὴν ἑαυτοῦ δύναμιν ἀπέχων ὥς δέκα σταδίους· καὶ ἀφίκοντο εἰς βασιλεία καὶ κώμας περίξ πολλὰς πολλῶν τῶν ἐπιτηδείων μεστάς. [4.4.8] στρατοπεδευομένων δ' αὐτῶν γίνεται τῆς νυκτὸς χιὼν πολλή· καὶ ἔωθεν ἔδοξε διασκηνῆσαι τὰς τάξεις καὶ τοὺς στρατηγούς κατὰ τὰς κώμας· οὐ γὰρ ἐώρων πολέμιον οὐδένα καὶ ἀσφαλὲς ἐδόκει εἶναι διὰ τὸ πλῆθος τῆς χιόνος. [4.4.9] ἐνταῦθα εἶχον τὰ ἐπιτήδεια ὅσα ἐστὶν ἀγαθὰ, ἱερεῖα, σῖτον, οἶνους παλαιούς εὐώδεις, ἀσταφίδας, ὄσπρια παντοδαπά. τῶν δὲ ἀποσκεδαννυμένων τινὲς ἀπὸ τοῦ στρατοπέδου ἔλεγον ὅτι κατίδοιεν νύκτωρ πολλὰ πυρὰ φαίνοντα. [4.4.10] ἐδόκει δὴ τοῖς στρατηγοῖς οὐκ ἀσφαλὲς εἶναι διασκηνοῦν, ἀλλὰ συναγαγεῖν τὸ στράτευμα πάλιν. ἐντεῦθεν συνῆλθον· καὶ γὰρ ἐδόκει διαθιράζειν. [4.4.11] νυκτερευόντων δ' αὐτῶν ἐνταῦθα ἐπιπίπτει χιὼν ἄπλετος, ὥστε ἀπέκρυσσε καὶ τὰ ὅπλα καὶ τοὺς ἀνθρώπους κατακειμένους· καὶ τὰ ὑποζύγια συνεπόδισεν ἢ χιὼν· καὶ πολὺς ὄκνος ἦν ἀνίστασθαι· κατακειμένων γὰρ ἀλεεινὸν ἦν ἢ χιὼν ἐπιπεπτωκυῖα ὅτῳ μὴ παραρρυεῖν. [4.4.12] ἐπεὶ δὲ Ξενοφῶν ἐτόλμησε γυμνὸς ἀναστὰς σχίζειν ξύλα, τάχ' ἀναστάς τις καὶ ἄλλος ἐκείνου ἀφελόμενος ἔσχιζεν. ἐκ δὲ τούτου καὶ ἄλλοι ἀναστάντες πῦρ ἔκαιον καὶ ἐχρίοντο· [4.4.13] πολὺ γὰρ ἐνταῦθα ἠϋρίσκετο χρῖμα, ὧι ἐχρῶντο ἀντ' ἐλαίου, σύειον καὶ σησάμινον καὶ ἀμυγδάλινον ἐκ τῶν πικρῶν καὶ τερμίνθινον. ἐκ δὲ τῶν αὐτῶν τούτων καὶ μύρον ἠϋρίσκετο. [4.4.14] μετὰ ταῦτα ἐδόκει πάλιν διασκηνητέον εἶναι [τὰς κώμας] εἰς στέγας. ἔνθα δὴ οἱ στρατιῶται σὺν πολλῇ κραυγῇ καὶ ἡδονῇ ἦσαν ἐπὶ τὰς στέγας καὶ τὰ ἐπιτήδεια· ὅσοι δὲ ὅτε τὸ πρότερον ἀπῆσαν τὰς οἰκίας ἐνέπρησαν ὑπὸ ἀτασθαλίας, δίκην ἐδίδοσαν κακῶς σκηνοῦντες. [4.4.15] ἐντεῦθεν ἔπεμψαν νυκτὸς Δημοκράτην Τημνίτην ἄνδρας δόντες ἐπὶ τὰ ὄρη ἔνθα ἔφασαν οἱ ἀποσκεδαννύμενοι καθορᾶν τὰ πυρὰ· οὗτος γὰρ ἐδόκει καὶ πρότερον πολλὰ ἤδη ἀληθεῦσαι τοιαῦτα, τὰ ὄντα τε ὥς ὄντα καὶ τὰ μὴ ὄντα ὥς οὐκ ὄντα. [4.4.16] πορευθεὶς δὲ τὰ μὲν πυρὰ οὐκ ἔφη ἰδεῖν, ἄνδρα δὲ συλλαβὼν ἦκεν ἄγων ἔχοντα τόξον Περσικὸν καὶ φαρέτραν καὶ σάγαριν οἶανπερ καὶ <αῖ> Ἀμαζόνες ἔχουσιν. [4.4.17] ἐρωτώμενος δὲ ποδαπὸς εἶη Πέρσης μὲν ἔφη εἶναι, πορεύεσθαι δ' ἀπὸ τοῦ Τιριβάζου στρατοπέδου, ὅπως ἐπιτήδεια λάβοι. οἱ δὲ ἡρώτων αὐτὸν τὸ στράτευμα ὁπόσον τε εἶη καὶ ἐπὶ τίνι συνειλεγμένον. [4.4.18] ὁ δὲ εἶπεν ὅτι Τιρίβαζος εἶη ἔχων τὴν τε ἑαυτοῦ δύναμιν καὶ μισθοφόρους

Χάλυβας καὶ Ταόχους· παρεσκευάσθαι δὲ αὐτὸν ἔφη ὥς ἐπὶ τῇ ὑπερβολῇ τοῦ ὄρους ἐν τοῖς στενοῖς ἥπερ μοναχῇ εἶη πορεία, ἐνταῦθα ἐπιθησόμενον τοῖς Ἑλλησιν. [4.4.19] ἀκούσασι τοῖς στρατηγοῖς ταῦτα ἔδοξε τὸ στράτευμα συναγαγεῖν· καὶ εὐθὺς φύλακας καταλιπόντες καὶ στρατηγὸν ἐπὶ τοῖς μένουσι Σοφαίνετον Στυμφάλιον ἐπορεύοντο ἔχοντες ἡγεμόνα τὸν ἀλόντα ἄνθρωπον. [4.4.20] ἐπειδὴ δὲ ὑπερέβαλλον τὰ ὄρη, οἱ πελτασταὶ προϊόντες καὶ κατιδόντες τὸ στρατόπεδον οὐκ ἔμειναν τοὺς ὀπλίτας, ἀλλ' ἀνακραγόντες ἔθεον ἐπὶ τὸ στρατόπεδον. [4.4.21] οἱ δὲ βάρβαροι ἀκούσαντες τὸν θόρυβον οὐχ ὑπέμειναν, ἀλλ' ἔφευγον· ὅμως δὲ καὶ ἀπέθανόν τινες τῶν βαρβάρων καὶ ἵπποι ἤλωσαν εἰς εἴκοσι καὶ ἡ σκηνὴ ἡ Τιριβάζου ἐάλω καὶ ἐν αὐτῇ κλῖναι ἀργυρόποδες καὶ ἐκπώματα καὶ οἱ ἀρτοκόποι καὶ οἱ οἰνοχόοι φάσκοντες εἶναι. [4.4.22] ἐπειδὴ δὲ ἐπύθοντο ταῦτα οἱ τῶν ὀπλιτῶν στρατηγοί, ἐδόκει αὐτοῖς ἀπιέναι τὴν ταχίστην ἐπὶ τὸ στρατόπεδον, μὴ τις ἐπίθεσις γένοιτο τοῖς καταλελειμμένοις. καὶ εὐθὺς ἀνακαλεσάμενοι τῇ σάλπιγγι ἀπῆισαν, καὶ ἀφίκοντο αὐθημερὸν ἐπὶ τὸ στρατόπεδον.

[4.5.1] τῇ δ' ὑστεραίᾳ ἐδόκει πορευτέον εἶναι ὅπῃ δύναιτο τάχιστα πρὶν ἢ συλλεγῆναι τὸ στράτευμα πάλιν καὶ καταλαβεῖν τὰ στενά. συσκευασάμενοι δ' εὐθὺς ἐπορεύοντο διὰ χιόνος πολλῆς ἡγεμόνας ἔχοντες πολλούς· καὶ αὐθημερὸν ὑπερβαλόντες τὸ ἄκρον ἐφ' ᾧ ἔμελλεν ἐπιτίθεσθαι Τιρίβαζος κατεστρατοπεδεύσαντο. [4.5.2] ἐντεῦθεν δ' ἐπορεύθησαν σταθμοὺς ἐρήμους τρεῖς παρασάγγας πεντεκαίδεκα ἐπὶ τὸν Εὐφράτην ποταμόν, καὶ διέβαινον αὐτὸν βρεχόμενοι πρὸς τὸν ὀμφαλόν. [4.5.3] ἐλέγοντο δ' οὐδὲ πηγαὶ πρόσω εἶναι. ἐντεῦθεν ἐπορεύοντο διὰ χιόνος πολλῆς καὶ πεδίου σταθμοὺς τρεῖς παρασάγγας πεντεκαίδεκα. ὁ δὲ τρίτος ἐγένετο χαλεπὸς καὶ ἄνεμος βορρᾶς ἐναντίος ἔπνει παντάπασιν ἀποκαίων πάντα καὶ πηγνὺς τοὺς ἀνθρώπους. [4.5.4] ἔνθα δὴ τῶν μάντεων τις εἶπε σφαγιάσασθαι τῷ ἀνέμῳ, καὶ σφαγιάζεται· καὶ πᾶσι δὴ περιφανῶς ἔδοξεν λῆξαι τὸ χαλεπὸν τοῦ πνεύματος. ἦν δὲ τῆς χιόνος τὸ βάθος ὀργυιὰ· ὥστε καὶ τῶν ὑποζυγίων καὶ τῶν ἀνδραπόδων πολλὰ ἀπώλετο καὶ τῶν στρατιωτῶν ὥς τριάκοντα. [4.5.5] διεγέροντο δὲ τὴν νύκτα πῦρ καίοντες· ξύλα δ' ἦν ἐν τῷ σταθμῷ πολλὰ· οἱ δὲ ὀψὲ προσιόντες ξύλα οὐκ εἶχον. οἱ οὖν πάλαι ἤκοντες καὶ τὸ πῦρ καίοντες οὐ προσίεσαν πρὸς τὸ πῦρ τοὺς ὀψίζοντας, εἰ μὴ μεταδοῖεν αὐτοῖς πυροὺς ἢ ἄλλο [τι] εἴ τι ἔχοιεν βρωτόν. [4.5.6] ἔνθα δὴ μετεδίδοσαν

ἀλλήλοις ὧν εἶχον ἕκαστοι. ἔνθα δὲ τὸ πῦρ ἐκαίετο, διατηκομένης τῆς χιόνος βόθροι ἐγένοντο μεγάλοι ἔστε ἐπὶ τὸ δάπεδον· οὗ δὴ παρῆν μετρεῖν τὸ βάθος τῆς χιόνος. [4.5.7] ἐντεῦθεν δὲ τὴν ἐπιούσαν ἡμέραν ὅλην ἐπορεύοντο διὰ χιόνος, καὶ πολλοὶ τῶν ἀνθρώπων ἐβουλιμίαςαν. Ξενοφῶν δ' ὀπισθοφυλακῶν καὶ καταλαμβάνων τοὺς πίπτοντας τῶν ἀνθρώπων ἠγνῶει ὅτι τὸ πάθος εἶη. [4.5.8] ἐπειδὴ δὲ εἶπε τις αὐτῶι τῶν ἐμπείρων ὅτι σαφῶς βουλιμιῶσι κἄν τι φάγωσιν ἀναστήσονται, περιῶν περὶ τὰ ὑποζύγια, εἴ ποῦ τι ὀρήγη βρωτόν, διεδίδου καὶ διέπεμπε διδόντας τοὺς δυναμένους περιτρέχειν τοῖς βουλιμιῶσιν. [4.5.9] ἐπειδὴ δέ τι ἐμφάγοιεν, ἀνίσταντο καὶ ἐπορεύοντο. πορευομένων δὲ Χειρίσοφος μὲν ἀμφὶ κνέφας πρὸς κώμην ἀφικνεῖται, καὶ ὑδροφορούσας ἐκ τῆς κώμης πρὸς τῇ κρήνῃ γυναικας καὶ κόρας καταλαμβάνει ἔμπροσθεν τοῦ ἐρύματος. [4.5.10] αὗται ἡρώτων αὐτοὺς τίνες εἶεν. ὁ δ' ἐρμηνεὺς εἶπε περσιιστὶ ὅτι παρὰ βασιλέως πορεύονται πρὸς τὸν σατράπην. αἱ δὲ ἀπεκρίναντο ὅτι οὐκ ἐνταῦθα εἶη, ἀλλ' ἀπέχει ὅσον παρασάγγην. οἱ δ' ἐπεὶ ὧσέ ἦν, πρὸς τὸν κώμαρχον συνεισέρχονται εἰς τὸ ἔρυμα σὺν ταῖς ὑδροφόροις. [4.5.11] Χειρίσοφος μὲν οὖν καὶ ὅσοι ἐδυνήθησαν τοῦ στρατεύματος ἐνταῦθα ἐστρατοπεδεύσαντο, τῶν δ' ἄλλων στρατιωτῶν οἱ μὴ δυνάμενοι διατελέσαι τὴν ὁδὸν ἐνυκτέρευσαν ἄσιτοι καὶ ἄνευ πυρός· καὶ ἐνταῦθά τινες ἀπώλοντο τῶν στρατιωτῶν. [4.5.12] ἐφείποντο δὲ τῶν πολεμίων συνειλεγμένοι τινὲς καὶ τὰ μὴ δυνάμενα τῶν ὑποζυγίων ἥρπαζον καὶ ἀλλήλοις ἐμάχοντο περὶ αὐτῶν. ἐλείποντο δὲ τῶν στρατιωτῶν οἳ τε διεφθαρμένοι ὑπὸ τῆς χιόνος τοὺς ὀφθαλμοὺς οἳ τε ὑπὸ τοῦ ψύχους τοὺς δακτύλους τῶν ποδῶν ἀποσσεσηπότες. [4.5.13] ἦν δὲ τοῖς μὲν ὀφθαλμοῖς ἐπικούρημα τῆς χιόνος εἴ τις μέλαν τι ἔχων πρὸ τῶν ὀφθαλμῶν ἐπορεύετο, τῶν δὲ ποδῶν εἴ τις κινοῖτο καὶ μηδέποτε ἡσυχίαν ἔχοι καὶ εἰς τὴν νύκτα ὑπολύοιτο· [4.5.14] ὅσοι δὲ ὑποδεδεμένοι ἐκοιμῶντο, εἰσεδύοντο εἰς τοὺς πόδας οἱ ἱμάντες καὶ τὰ ὑποδήματα περιεπῆγγυντο· καὶ γὰρ ἦσαν, ἐπειδὴ ἐπέλιπε τὰ ἀρχαῖα ὑποδήματα, καρβάτιναι πεποιημέναι ἐκ τῶν νεοδάρτων βοῶν. [4.5.15] διὰ τὰς τοιαύτας οὖν ἀνάγκας ὑπελείποντό τινες τῶν στρατιωτῶν· καὶ ἰδόντες μέλαν τι χωρίον διὰ τὸ ἐκλελοιπέναι αὐτόθι τὴν χιόνα εἵκαζον τετηκέναι· καὶ ἐτετήκει διὰ κρήνην τινὰ ἢ πλησίον ἦν ἀτμίζουσα ἐν νάπηι. ἐνταῦθ' ἐκτραπόμενοι ἐκάθηντο καὶ οὐκ ἔφασαν πορεύεσθαι. [4.5.16] ὁ δὲ Ξενοφῶν ἔχων ὀπισθοφύλακας ὡς ἦισθετο, ἐδεῖτο αὐτῶν πάσῃ τέχνῃ καὶ μηχανῇ

μη ἀπολείπεσθαι, λέγων ὅτι ἔπονται πολλοὶ πολέμιοι συνειλεγμένοι, καὶ τελευτῶν ἐχαλέπαινε. οἱ δὲ σφάττειν ἐκέλευον· οὐ γὰρ ἂν δύνασθαι πορευθῆναι. [4.5.17] ἐνταῦθα ἔδοξε κράτιστον εἶναι τοὺς ἐπομένους πολεμίους φοβῆσαι, εἴ τις δύναιτο, μὴ ἐπίοιεν τοῖς κάμνουσι. καὶ ἦν μὲν σκότος ἤδη, οἱ δὲ προσῆισαν πολλῶι θορύβῳ ἀμφὶ ὧν εἶχον διαφερόμενοι. [4.5.18] ἔνθα δὴ οἱ ὀπισθοφύλακες, ἅτε ὑγιαίνοντες, ἐξαναστάντες ἔδραμον εἰς τοὺς πολεμίους· οἱ δὲ κάμνοντες ἀνακραγόντες ὅσον ἐδύναντο μέγιστον τὰς ἀσπίδας πρὸς τὰ δόρατα ἔκρουσαν. οἱ δὲ πολέμιοι δέισαντες ἦκαν ἑαυτοὺς κατὰ τῆς χιόνος εἰς τὴν νάπην, καὶ οὐδεὶς ἔτι οὐδαμοῦ ἐφθέγγατο. [4.5.19] καὶ Ξενοφῶν μὲν καὶ οἱ σὺν αὐτῷ εἰπόντες τοῖς ἀσθενοῦσιν ὅτι τῇ ὑστεραίᾳ ἤξουσιν εἰς τὸν ποταμὸν, πορευόμενοι πρὶν τέτταρα στάδια διελθεῖν ἐντυγχάνουσιν ἐν τῇ ὁδῷ ἀναπαυομένοις ἐπὶ τῆς χιόνος τοῖς στρατιώταις ἐγκεκαλυμμένοις, καὶ οὐδὲ φυλακὴ οὐδεμία καθειστήκει· καὶ ἀνίστασαν αὐτούς. οἱ δ' ἔλεγον ὅτι οἱ ἔμπροσθεν οὐχ ὑποχωροῖεν. [4.5.20] ὁ δὲ παριῶν καὶ παραπέμπων τῶν πελταστῶν τοὺς ἰσχυροτάτους ἐκέλευε σκέψασθαι τί εἴη τὸ κωλῶν. οἱ δὲ ἀπήγγελλον ὅτι ὅλον οὕτως ἀναπαύοιτο τὸ στράτευμα. [4.5.21] ἐνταῦθα καὶ οἱ περὶ Ξενοφῶντα ἠϋλίσθησαν αὐτοῦ ἄνευ πυρὸς καὶ ἄδειπνοι, φυλακὰς οἷας ἐδύναντο καταστησάμενοι. ἐπεὶ δὲ πρὸς ἡμέραν ἦν, ὁ μὲν Ξενοφῶν πέμψας πρὸς τοὺς ἀσθενοῦντας τοὺς νεωτάτους ἀναστήσαντας ἐκέλευεν ἀναγκάζειν προΐεναι. [4.5.22] ἐν δὲ τούτῳ Χειρίσοφος πέμπει τῶν ἐκ τῆς κώμης σκεψομένους πῶς ἔχοιεν οἱ τελευταῖοι. οἱ δὲ ἄσμενοι ἰδόντες τοὺς μὲν ἀσθενοῦντας τούτοις παρέδοσαν κομίζειν ἐπὶ τὸ στρατόπεδον, αὐτοὶ δὲ ἐπορεύοντο, καὶ πρὶν εἴκοσι στάδια διεληλυθέναι ἦσαν πρὸς τῇ κώμῃ ἔνθα Χειρίσοφος ἠϋλίζετο. [4.5.23] ἐπεὶ δὲ συνεγένοντο ἀλλήλοις, ἔδοξε κατὰ τὰς κώμας ἀσφαλὲς εἶναι τὰς τάξεις σκηνοῦν. καὶ Χειρίσοφος μὲν αὐτοῦ ἔμενε, οἱ δὲ ἄλλοι διαλαχόντες ἅς ἐώρων κώμας ἐπορεύοντο ἕκαστοι τοὺς ἑαυτῶν ἔχοντες. [4.5.24] ἔνθα δὴ Πολυκράτης Ἀθηναῖος λοχαγὸς ἐκέλευσεν ἀφιέναι ἑαυτόν· καὶ λαβὼν τοὺς εὐζώνους, θεῶν ἐπὶ τὴν κώμην ἦν εἰλήχει Ξενοφῶν καταλαμβάνει πάντας ἔνδον τοὺς κωμήτας καὶ τὸν κωμάρχον, καὶ πῶλους εἰς δασμὸν βασιλεῖ τρεφομένους ἑπτακαίδεκα, καὶ τὴν θυγατέρα τοῦ κωμάρχου ἐνάτην ἡμέραν γεγαμημένην· ὁ δ' ἀνὴρ αὐτῆς λαγῶς ὦιχετο θηράσων καὶ οὐχ ἥλω ἐν τῇ κώμῃ. [4.5.25] αἱ δ' οἰκίαι ἦσαν κατάγειοι, τὸ μὲν στόμα ὥσπερ φρέατος, κάτω δ' εὐρεῖται· αἱ δὲ

εἴσοδοι τοῖς μὲν ὑποζυγίοις ὀρυκταί, οἱ δὲ ἄνθρωποι κατέβαινον ἐπὶ κλίμακος. ἐν δὲ ταῖς οἰκίαις ἦσαν αἶγες, οἶες, βόες, ὄρνιθες, καὶ τὰ ἔκγονα τούτων· τὰ δὲ κτήνη πάντα χιλῶι ἔνδον ἐτρέφοντο. [4.5.26] ἦσαν δὲ καὶ πυροὶ καὶ κριθαὶ καὶ ὄσπρια καὶ οἶνος κρίθινος ἐν κρατῆρσιν. ἐνήσαν δὲ καὶ αὐταὶ αἱ κριθαὶ ἰσοχειλεῖς, καὶ κάλαμοι ἐνέκειντο, οἱ μὲν μεῖζους οἱ δὲ ἐλάττους, γόνата οὐκ ἔχοντες· [4.5.27] τούτους ἔδει ὁπότε τις διψήη λαβόντα εἰς τὸ στόμα μύζειν. καὶ πάνυ ἄκρατος ἦν, εἰ μὴ τις ὕδωρ ἐπιχέοι· καὶ πάνυ ἡδὺν συμμαθόντι τὸ πῶμα ἦν. [4.5.28] ὁ δὲ Ξενοφῶν τὸν ἄρχοντα τῆς κώμης ταύτης σύνδειπνον ἐποιήσατο καὶ θαρρεῖν αὐτὸν ἐκέλευε λέγων ὅτι οὔτε τῶν τέκνων στερήσοιτο τὴν τε οἰκίαν αὐτοῦ ἀντεμπλήσαντες τῶν ἐπιτηδείων ἀπίαςιν, ἣν ἀγαθόν τι τῷ στρατεύματι ἐξηγησάμενος φαίνεται ἔστ' ἂν ἐν ἄλλῳ ἔθνει γένωνται. [4.5.29] ὁ δὲ ταῦτα ὑπισχνεῖτο, καὶ φιλοφρονούμενος οἶνον ἔφρασεν ἔνθα ἦν κατορωρυγμένος. ταύτην μὲν τὴν νύκτα διασκεπήσαντες οὕτως ἐκοιμήθησαν ἐν πᾶσιν ἀφθόνοις πάντες οἱ στρατιῶται, ἐν φυλακῇ ἔχοντες τὸν κώμαρχον καὶ τὰ τέκνα αὐτοῦ ὁμοῦ ἐν ὀφθαλμοῖς. [4.5.30] τῇ δ' ἐπιούσῃ ἡμέρᾳ Ξενοφῶν λαβὼν τὸν κώμαρχον πρὸς Χειρίσοφον ἐπορεύετο· ὅπου δὲ παρίοι κώμην, ἐτρέπετο πρὸς τοὺς ἐν ταῖς κώμαις καὶ κατελάμβανε πανταχοῦ εὐωχομένους καὶ εὐθυμουμένους, καὶ οὐδαμῶθεν ἀφίεσαν πρὶν παραθεῖναι αὐτοῖς ἄριστον· [4.5.31] οὐκ ἦν δ' ὅπου οὐ παρετίθεσαν ἐπὶ τὴν αὐτὴν τράπεζαν κρέα ἄρνια, ἐρίφεια, χοίρεια, μόσχεια, ὀρνίθια, σὺν πολλοῖς ἄρτοις τοῖς μὲν πυρίνοις τοῖς δὲ κριθίνοις. [4.5.32] ὁπότε δὲ τις φιλοφρονούμενός τῳ βούλοιτο προπιεῖν, εἵλκεν ἐπὶ τὸν κρατῆρα, ἔνθεν ἐπικούψαντα ἔδει ῥοφοῦντα πίνειν ὥσπερ βοῦν. καὶ τῷ κωμάρχῳ ἐδίδοσαν λαμβάνειν ὅ τι βούλοιτο. ὁ δὲ ἄλλο μὲν οὐδὲν ἐδέχετο, ὅπου δὲ τινα τῶν συγγενῶν ἴδοι, πρὸς ἑαυτὸν ἀεὶ ἐλάμβανεν. [4.5.33] ἐπεὶ δ' ἦλθον πρὸς Χειρίσοφον, κατελάμβανον κάκείνους σκηνοῦντας ἐστεφανωμένους τοῦ ξηροῦ χιλοῦ στεφάνοις, καὶ διακονοῦντας Ἀρμενίους παῖδας σὺν ταῖς βαρβαρικαῖς στολαῖς· τοῖς παισὶν ἐδείκνυσαν ὥσπερ ἐνεοῖς ὅ τι δέοι ποιεῖν. [4.5.34] ἐπεὶ δ' ἀλλήλους ἐφιλοφρονήσαντο Χειρίσοφος καὶ Ξενοφῶν, κοινῇ δὴ ἀνηρώτων τὸν κώμαρχον διὰ τοῦ περσίζοντος ἐρμηνέως τίς εἴη ἡ χώρα. ὁ δ' ἔλεγεν ὅτι Ἀρμενία. καὶ πάλιν ἡρώτων τίτι οἱ ἵπποι τρέφονται. ὁ δ' ἔλεγεν ὅτι βασιλεὶ δασμός· τὴν δὲ πλησίον χώραν ἔφη εἶναι Χάλυβας, καὶ τὴν ὁδὸν ἔφραζεν ἥτις εἴη. [4.5.35] καὶ αὐτὸν

τότε μὲν ὦχετο ἄγων ὁ Ξενοφῶν πρὸς τοὺς ἑαυτοῦ οἰκέτας, καὶ ἵππον ὃν εἰλήφει παλαιότερον δίδωσι τῷ κωμάρχῳ ἀναθρέψαντι καταθῆσαι, ὅτι ἤκουεν αὐτὸν ἱερὸν εἶναι τοῦ Ἥλιου, δεδιὼς μὴ ἀποθάνῃ· ἐκεκᾶκωτο γὰρ ὑπὸ τῆς πορείας· αὐτὸς δὲ τῶν πῶλων λαμβάνει, καὶ τῶν ἄλλων στρατηγῶν καὶ λοχαγῶν ἔδωκεν ἐκάστωι πῶλον. [4.5.36] ἦσαν δ' οἱ ταύτῃ ἵπποι μείονες μὲν τῶν Περσικῶν, θυμοειδέστεροι δὲ πολὺ. ἐνταῦθα δὴ καὶ διδάσκει ὁ κωμάρχος περὶ τοὺς πόδας τῶν ἵππων καὶ τῶν ὑποζυγίων σακία περιειλεῖν, ὅταν διὰ τῆς χιόνος ἄγωσιν· ἄνευ γὰρ τῶν σακίων κατεδύνοντο μέχρι τῆς γαστρούς.

[4.6.1] ἐπεὶ δ' ἡμέρα ἦν ὀγδόη, τὸν μὲν ἡγεμόνα παραδίδωσι Χειρισόφῳ, τοὺς δὲ οἰκέτας καταλείπει τῷ κωμάρχῳ, πλὴν τοῦ υἱοῦ τοῦ ἄρτι ἡβάσκοντος· τοῦτον δὲ Πλεισθένῃ Ἀμφιπολίτῃ δίδωσι φυλάττειν, ὅπως εἰ καλῶς ἡγήσοιτο, ἔχων καὶ τοῦτον ἀπίοι. καὶ εἰς τὴν οἰκίαν αὐτοῦ εἰσεφόρησαν ὥς ἐδύναντο πλεῖστα, καὶ ἀναζευζάντες ἐπορεύοντο. [4.6.2] ἡγεῖτο δ' αὐτοῖς ὁ κωμάρχος λελυμένος διὰ χιόνος· καὶ ἤδη τε ἦν ἐν τῷ τρίτῳ σταθμῷ, καὶ Χειρίσοφος αὐτῷ ἐχαλεπάνθη ὅτι οὐκ εἰς κόμας ἤγαγεν. ὁ δ' ἔλεγεν ὅτι οὐκ εἶεν ἐν τῷ τόπῳ τούτῳ. [4.6.3] ὁ δὲ Χειρίσοφος αὐτὸν ἔπαισεν, ἔδησε δ' οὐ. ἐκ δὲ τούτου ἐκεῖνος τῆς νυκτὸς ἀποδράς ὦχετο καταλιπὼν τὸν υἱόν. τοῦτό γε δὴ Χειρισόφῳ καὶ Ξενοφῶντι μόνον διάφορον ἐν τῇ πορείᾳ ἐγένετο, ἢ τοῦ ἡγεμόνος κάκωσις καὶ ἀμέλεια. Πλεισθένης δὲ ἡράσθη τοῦ παιδὸς καὶ οἴκαδε κομίσας πιστοτάτῳ ἐχρήτο. [4.6.4] μετὰ τοῦτο ἐπορεύθησαν ἑπτὰ σταθμοὺς ἀνὰ πέντε παρασάγγας τῆς ἡμέρας παρὰ τὸν Φᾶσιν ποταμόν, εὖρος πλεθριαῖον. [4.6.5] ἐντεῦθεν ἐπορεύθησαν σταθμοὺς δύο παρασάγγας δέκα· ἐπὶ δὲ τῇ εἰς τὸ πεδῖον ὑπερβολῇ ἀπῆντησαν αὐτοῖς Χάλυβες καὶ Τάοχοι καὶ Φασιανοί. [4.6.6] Χειρίσοφος δ' ἐπεὶ κατεῖδε τοὺς πολέμιους ἐπὶ τῇ ὑπερβολῇ, ἐπαύσατο πορευόμενος, ἀπέχων εἰς τριάκοντα σταδίους, ἵνα μὴ κατὰ κέρας ἄγων πλησιάσῃ τοῖς πολέμοις· παρήγγειλε δὲ καὶ τοῖς ἄλλοις παράγειν τοὺς λόχους, ὅπως ἐπὶ φάλαγγος γένοιτο τὸ στράτευμα. [4.6.7] ἐπεὶ δὲ ἦλθον οἱ ὀπισθοφύλακες, συνεκάλεσε στρατηγοὺς καὶ λοχαγούς, καὶ ἔλεξεν ὧδε. «οἱ μὲν πολέμοι, ὥς ὁρᾶτε, κατέχουσι τὰς ὑπερβολὰς τοῦ ὄρους· ὧρα δὲ βουλευέσθαι ὅπως ὥς κάλλιστα ἀγωνιούμεθα. [4.6.8] ἐμοὶ μὲν οὖν δοκεῖ παραγγεῖλαι μὲν ἀριστοποιεῖσθαι τοῖς στρατιώταις, ἡμᾶς δὲ βουλευέσθαι εἴτε τήμερον εἴτε αὔριον δοκεῖ

υπερβάλλειν τὸ ὄρος.» [4.6.9] «ἐμοὶ δέ γε, ἔφη ὁ Κλεάνωρ, δοκεῖ, ἐπὶ τὰ χίιστα ἀριστήσωμεν, ἐξοπλισμένους ὡς κράτιστα ἰέναι ἐπὶ τοὺς ἄνδρας. εἰ γὰρ διατρίψωμεν τὴν τήμερον ἡμέραν, οἳ τε νῦν ἡμᾶς ὀρώντες πολέμοιοι θαρραλεώτεροι ἔσονται καὶ ἄλλους εἰκὸς τούτων θαρρούντων πλείους προσγενέσθαι.» [4.6.10] μετὰ τοῦτον Ξενοφῶν εἶπεν· «ἐγὼ δ' οὕτω γινώσκω. εἰ μὲν ἀνάγκη ἐστὶ μάχεσθαι, τοῦτο δεῖ παρασκευάσασθαι, ὅπως ὡς κράτιστα μαχοῦμεθα· εἰ δὲ βουλόμεθα ὡς ῥᾷστα υπερβάλλειν, τοῦτό μοι δοκεῖ σκεπτέον εἶναι, ὅπως <ὡς> ἐλάχιστα μὲν τραύματα λάβωμεν, ὡς ἐλάχιστα δὲ σώματα ἀνδρῶν ἀποβάλωμεν. [4.6.11] τὸ μὲν οὖν ὄρος ἐστὶ τὸ ὀρώμενον πλεον ἢ ἐφ' ἐξήκοντα στάδια, ἄνδρες δ' οὐδαμοῦ φυλάττοντες ἡμᾶς φανεροὶ εἰσιν ἀλλ' ἢ κατ' αὐτὴν τὴν ὁδὸν· πολὺ οὖν κρεῖττον τοῦ ἐρήμου ὄρους καὶ κλέψαι τι πειρᾶσθαι λαθόντας καὶ ἀρπάσαι φθάσαντας, εἰ δυνάμεθα, μᾶλλον ἢ πρὸς ἰσχυρὰ χωρία καὶ ἀνθρώπους παρεσκευασμένους μάχεσθαι. [4.6.12] πολὺ γὰρ ῥᾷον ὀρθιον ἀμαχεῖ ἰέναι ἢ ὁμαλὲς ἔνθεν καὶ ἔνθεν πολεμίων ὄντων, καὶ νύκτωρ ἀμαχεῖ μᾶλλον ἢ τὰ πρὸ ποδῶν ὀρήτη τις ἢ μεθ' ἡμέραν μαχόμενος, καὶ ἢ τραχεῖα τοῖς ποσὶν ἀμαχεῖ ἰοῦσιν εὐμενεστέρα ἢ ἢ ὁμαλὴ τὰς κεφαλὰς βαλλομένοις. [4.6.13] καὶ κλέψαι δ' οὐκ ἀδύνατόν μοι δοκεῖ εἶναι, ἐξὸν μὲν νυκτὸς ἰέναι, ὡς μὴ ὀρᾶσθαι, ἐξὸν δ' ἀπελθεῖν τοσοῦτον ὡς μὴ αἰσθησιν παρέχειν. δοκοῦμεν δ' ἂν μοι ταύτῃ προσποιούμενοι προσβάλλειν ἐρημοτέρῳ ἢ τῷ ὄρει χρῆσθαι· μένοιν γὰρ <ἂν> αὐτοῦ μᾶλλον ἄθροοι οἱ πολέμοιοι. [4.6.14] ἀτὰρ τί ἐγὼ περὶ κλοπῆς συμβάλλομαι; ὑμᾶς γὰρ ἔγωγε, ὦ Χειρίσοφε, ἀκούω τοὺς Λακεδαιμονίους ὅσοι ἐστὲ τῶν ὁμοίων εὐθὺς ἐκ παίδων κλέπτειν μελετᾶν, καὶ οὐκ αἰσχρὸν εἶναι ἀλλὰ καλὸν κλέπτειν ὅσα μὴ κωλύει νόμος. [4.6.15] ὅπως δὲ ὡς κράτιστα κλέπτῃτε καὶ πειρᾶσθε λανθάνειν, νόμιμον ἄρα ὑμῖν ἐστίν, ἐὰν ληφθῇτε κλέπτοντες, μαστιγοῦσθαι. νῦν οὖν μάλα σοι καιρὸς ἐστίν ἐπιδείξασθαι τὴν παιδείαν, καὶ φυλάξασθαι μὴ ληφθῶμεν κλέπτοντες τοῦ ὄρους, ὡς μὴ πληγὰς λάβωμεν.» [4.6.16] «ἀλλὰ μέντοι, ἔφη ὁ Χειρίσοφος, κἀγὼ ὑμᾶς τοὺς Ἀθηναίους ἀκούω δεινοὺς εἶναι κλέπτειν τὰ δημόσια, καὶ μάλα ὄντος δεινοῦ κινδύνου τῷ κλέπτοντι, καὶ τοὺς κρατίστους μέντοι μάλιστα, εἴπερ ὑμῖν οἱ κράτιστοι ἄρχειν ἀξιοῦνται· ὥστε ὦρα καὶ σοὶ ἐπιδείκνυσθαι τὴν παιδείαν.» [4.6.17] «ἐγὼ μὲν τοίνυν, ἔφη ὁ Ξενοφῶν, ἔτοιμός εἰμι τοὺς ὀπισθοφύλακας ἔχων, ἐπειδὰν δειπνήσωμεν, ἰέναι καταληψόμενος τὸ ὄρος. ἔχω δὲ

καὶ ἡγεμόνας· οἱ γὰρ γυμνήτες τῶν ἐπομένων ἡμῖν κλωπῶν ἔλαβόν
τινας ἐνεδρεύσαντες· τούτων καὶ πυνθάνομαι ὅτι οὐκ ἄβατόν ἐστι τὸ
ὄρος, ἀλλὰ νέμεται αἰξὶ καὶ βουσίν· ὥστε ἐάνπερ ἅπαξ λάβωμέν τι
τοῦ ὄρους, βατὰ καὶ τοῖς ὑποζυγίοις ἔσται. [4.6.18] ἐλπίζω δὲ οὐδὲ τοὺς
πολεμίους μενεῖν ἔτι, ἐπειδὰν ἴδωσιν ἡμᾶς ἐν τῷ ὁμοίῳ ἐπὶ τῶν
ἄκρων· οὐδὲ γὰρ νῦν ἐθέλουσι καταβαίνειν εἰς τὸ ἴσον ἡμῖν.» [4.6.19] ὁ
δὲ Χειρίσοφος εἶπε· «καὶ τί δεῖ σὲ ἰέναι καὶ λιπεῖν τὴν
ὀπισθοφυλακίαν; ἀλλὰ ἄλλους πέμψον, ἂν μὴ τινες ἐθέλοντες ἀγαθοὶ
φαίνωνται.» [4.6.20] ἐκ τούτου Ἀριστώνυμος Μεθυδριεὺς ἔρχεται
ὀπλίτας ἔχων καὶ Ἀριστεὰς ὁ Χῖος γυμνήτας καὶ Νικόμαχος Οἰταῖος
γυμνήτας· καὶ σύνθημα ἐποίησαντο, ὅποτε ἔχοιεν τὰ ἅκρα, πυρὰ
καίειν πολλά. [4.6.21] ταῦτα συνθέμενοι ἡρίστων· ἐκ δὲ τοῦ ἀρίστου
προήγαγεν ὁ Χειρίσοφος τὸ στράτευμα πᾶν ὡς δέκα σταδίους πρὸς
τοὺς πολεμίους, ὅπως ὡς μάλιστα δοκοίη ταύτῃ προσάξειν. [4.6.22]
ἐπειδὴ δὲ ἐδείπνησαν καὶ νύξ ἐγένετο, οἱ μὲν ταχθέντες ὦιχοντο, καὶ
καταλαμβάνουσι τὸ ὄρος, οἱ δὲ ἄλλοι αὐτοῦ ἀνεπαύοντο. οἱ δὲ
πολέμιοι ἐπεὶ ἦισθοντο τὸ ὄρος ἐχόμενον, ἐγρηγόρεσαν καὶ ἔκαιον
πυρὰ πολλὰ διὰ νυκτός. [4.6.23] ἐπειδὴ δὲ ἡμέρα ἐγένετο Χειρίσοφος
μὲν θυσάμενος ἤγε κατὰ τὴν ὁδόν, οἱ δὲ τὸ ὄρος καταλαβόντες κατὰ
τὰ ἅκρα ἐπῆισαν. [4.6.24] τῶν δὲ πολεμίων τὸ μὲν πολὺ ἔμενεν ἐπὶ τῇ
ὑπερβολῇ τοῦ ὄρους, μέρος δ' αὐτῶν ἀπῆντα τοῖς κατὰ τὰ ἅκρα.
πρὶν δὲ ὁμοῦ εἶναι τοὺς πολλοὺς ἀλλήλοις, συμμιγνύασιν οἱ κατὰ τὰ
ἅκρα, καὶ νικῶσιν οἱ Ἕλληνες καὶ διώκουσιν. [4.6.25] ἐν τούτῳ δὲ καὶ
οἱ ἐκ τοῦ πεδίου οἱ μὲν πελτασταὶ τῶν Ἑλλήνων δρόμῳ ἔθεον πρὸς
τοὺς παρατεταγμένους, Χειρίσοφος δὲ βάδην ταχὺ ἐφείπετο σὺν τοῖς
ὀπλίταις. [4.6.26] οἱ δὲ πολέμιοι οἱ ἐπὶ τῇ ὁδῷ ἐπειδὴ τὸ ἄνω ἐώρων
ἡττώμενον, φεύγουσι· καὶ ἀπέθανον μὲν οὐ πολλοὶ αὐτῶν, γέρρα δὲ
πάμπολλα ἐλήφθη· ἃ οἱ Ἕλληνες ταῖς μαχαίραις κόπτοντες ἀχρεῖα
ἐποίουν. [4.6.27] ὥς δ' ἀνέβησαν, θύσαντες καὶ τρόπαιον στησάμενοι
κατέβησαν εἰς τὸ πεδῖον, καὶ εἰς κώμας πολλῶν καὶ ἀγαθῶν
γεμούσας ἦλθον.

[4.7.1] ἐκ δὲ τούτων ἐπορεύθησαν εἰς Ταόχους σταθμοὺς πέντε
παρασάγγας τριάκοντα· καὶ τὰ ἐπιτήδεια ἐπέλειπε· χωρία γὰρ ὠικουν
ἰσχυρὰ οἱ Τάοχοι, ἐν οἷς καὶ τὰ ἐπιτήδεια ἅπαντα εἶχον
ἀνακεκομισμένοι. [4.7.2] ἐπεὶ δ' ἀφίκοντο πρὸς χωρίον ὃ πόλιν μὲν οὐκ
εἶχεν οὐδ' οἰκίας, συνεληλυθότες δ' ἦσαν αὐτόσε καὶ ἄνδρες καὶ
γυναῖκες καὶ κτήνη πολλά, Χειρίσοφος μὲν οὖν πρὸς τοῦτο

προσέβαλλεν εὐθὺς ἥκων· ἐπειδὴ δὲ ἡ πρώτη τάξις ἀπέκαμνεν, ἄλλη προσήκει καὶ αὐθις ἄλλη· οὐ γὰρ ἦν ἀθρόοις περιστῆναι, ἀλλ' ἀπότομον ἦν κύκλωι. [4.7.3] ἐπειδὴ δὲ Ξενοφῶν ἦλθε σὺν τοῖς ὀπισθοφυλάξι καὶ πελτασταῖς καὶ ὀπλίταις, ἐνταῦθα δὴ λέγει Χειρίσοφος· «εἰς καλὸν ἦκετε· τὸ γὰρ χωρίον αἰρετέον· τῇ γὰρ στρατιᾷ οὐκ ἔστι τὰ ἐπιτήδεια, εἰ μὴ ληψόμεθα τὸ χωρίον.» [4.7.4] ἐνταῦθα δὴ κοινῇ ἐβουλεύοντο· καὶ τοῦ Ξενοφῶντος ἐρωτῶντος τί τὸ κωλύον εἴη εἰσελθεῖν, εἶπεν ὁ Χειρίσοφος· «μία αὕτη πάροδος ἔστιν ἣν ὁρᾷς· ὅταν δέ τις ταύτην πειρᾶται παριέναι, κυλίνδουσι λίθους ὑπὲρ ταύτης τῆς ὑπερεχούσης πέτρας· ὃς δ' ἂν καταληφθῇ, οὕτω διατίθεται.» ἅμα δ' ἔδειξε συντετριμμένους ἀνθρώπους καὶ σκέλη καὶ πλευράς. [4.7.5] «ἦν δὲ τοὺς λίθους ἀναλώσωσιν, ἔφη ὁ Ξενοφῶν, ἄλλο τι ἢ οὐδὲν κωλύει παριέναι; οὐ γὰρ δὴ ἐκ τοῦ ἐναντίου ὀρῶμεν εἰ μὴ ὀλίγους τούτους ἀνθρώπους, καὶ τούτων δύο ἢ τρεῖς ὥπλισμένους. [4.7.6] τὸ δὲ χωρίον, ὥς καὶ σὺ ὁρᾷς, σχεδὸν τρία ἡμίπλεθρά ἐστιν ὃ δεῖ βαλλομένους διελθεῖν· τούτου δὲ ὅσον πλέθρον δασὺ πίτυσι διαλειπούσαις μεγάλαις, ἀνθ' ὧν ἐστηκότες ἄνδρες τί ἂν πάσχοιεν ἢ ὑπὸ τῶν φερομένων λίθων ἢ ὑπὸ τῶν κυλινδομένων; τὸ λοιπὸν οὖν γίγνεται ὥς ἡμίπλεθρον, ὃ δεῖ ὅταν λωφήσωσιν οἱ λίθοι παραδραμεῖν.» [4.7.7] «ἀλλὰ εὐθύς, ἔφη ὁ Χειρίσοφος, ἐπειδὴν ἀρξώμεθα εἰς τὸ δασὺ προσιέναι, φέρονται οἱ λίθοι πολλοί.» «αὐτὸ ἂν, ἔφη, τὸ δέον εἴη· θᾶττον γὰρ ἀναλώσουσι τοὺς λίθους. ἀλλὰ πορευώμεθα ἔνθεν ἡμῖν μικρόν τι παραδραμεῖν ἔσται, ἣν δυνώμεθα, καὶ ἀπελθεῖν ραίδιον, ἣν βουλώμεθα.» [4.7.8] ἐντεῦθεν ἐπορεύοντο Χειρίσοφος καὶ Ξενοφῶν καὶ Καλλίμαχος Παρράσιος λοχαγός· τούτου γὰρ ἡ ἡγεμονία ἦν τῶν ὀπισθοφυλάκων λοχαγῶν ἐκείνῃ τῇ ἡμέρᾳ· οἱ δὲ ἄλλοι λοχαγοὶ ἔμενον ἐν τῷ ἀσφαλεῖ. μετὰ τοῦτο οὖν ἀπῆλθον ὑπὸ τὰ δένδρα ἄνθρωποι ὥς ἐβδομήκοντα, οὐχ ἀθρόοι ἀλλὰ καθ' ἓνα, ἕκαστος φυλαττόμενος ὥς ἐδύνατο. [4.7.9] Ἀγασίας δὲ ὁ Στυμφάλιος καὶ Ἀριστῶνυμος Μεθυδριεὺς καὶ οὗτοι τῶν ὀπισθοφυλάκων λοχαγοὶ ὄντες, καὶ ἄλλοι δέ, ἐφέστασαν ἔξω τῶν δένδρων· οὐ γὰρ ἦν ἀσφαλῶς ἐν τοῖς δένδροις ἐστάναι πλέον ἢ τὸν ἓνα λόχον. [4.7.10] ἔνθα δὴ Καλλίμαχος μηχανᾶται τι· προὔτρεχεν ἀπὸ τοῦ δένδρου ὑφ' ὧν ἦν αὐτὸς δύο ἢ τρία βήματα· ἐπειδὴ δὲ οἱ λίθοι φέροντο, ἀνέχαζεν εὐπετῶς· ἐφ' ἐκάστης δὲ τῆς προδρομῆς πλέον ἢ δέκα ἅμαζαι πετρῶν ἀνηλίσκοντο. [4.7.11] ὁ δὲ Ἀγασίας ὥς ὁρᾷ τὸν Καλλίμαχον ἃ ἐποίει τὸ

στράτευμα πᾶν θεώμενον, δείσας μὴ οὐ πρῶτος παραδράμηι εἰς τὸ χωρίον, οὐδὲ τὸν Ἀριστώνυμον πλησίον ὄντα παρακαλέσας οὐδὲ Εὐρύλοχον τὸν Λουσιέα, ἐταίρους ὄντας, οὐδὲ ἄλλον οὐδένα χωρεῖ αὐτός, καὶ παρέρχεται πάντας. [4.7.12] ὁ δὲ Καλλίμαχος ὡς ὄρᾱι αὐτὸν παριόντα, ἐπιλαμβάνεται αὐτοῦ τῆς ἴτιος· ἐν δὲ τούτῳ παραθεῖ αὐτοὺς Ἀριστώνυμος Μεθυδριεύς, καὶ μετὰ τοῦτον Εὐρύλοχος Λουσιεύς· πάντες γὰρ οὗτοι ἀντεποιοῦντο ἀρετῆς καὶ διηγωνίζοντο πρὸς ἀλλήλους· καὶ οὕτως ἐρίζοντες αἰροῦσι τὸ χωρίον. ὡς γὰρ ἅπαξ εἰσέδραμον, οὐδεὶς πέτρος ἄνωθεν ἠνέχθη. [4.7.13] ἐνταῦθα δὴ δεινὸν ἦν θέαμα. αἱ γὰρ γυναῖκες ρίπτουσai τὰ παιδιά εἴτα ἑαυτὰς ἐπικατερρίπτουν, καὶ οἱ ἄνδρες ὡσάυτως. ἐνταῦθα δὴ καὶ Αἰνείας Στυμφάλιος λοχαγὸς ἰδὼν τινα θέοντα ὡς ρίποντα ἑαυτὸν στολὴν ἔχοντα καλὴν ἐπιλαμβάνεται ὡς κωλύσων· [4.7.14] ὁ δὲ αὐτὸν ἐπισπᾶται, καὶ ἀμφοτέρω ὦιχοντο κατὰ τῶν πετρῶν φερόμενοι καὶ ἀπέθανον. ἐντεῦθεν ἄνθρωποι μὲν πάνυ ὀλίγοι ἐλήφθησαν, βόες δὲ καὶ ὄνοι πολλοὶ καὶ πρόβατα. [4.7.15] ἐντεῦθεν ἐπορεύθησαν διὰ Χαλύβων σταθμοὺς ἐπτὰ παρασάγγας πεντήκοντα. οὗτοι ἦσαν ὦν διήλθον ἀλκιμώτατοι, καὶ εἰς χεῖρας ἦσαν. εἶχον δὲ θώρακας λινοὺς μέχρι τοῦ ἥτρου, ἀντὶ δὲ τῶν περυγῶν σπάρτα πυκνὰ ἐστραμμένα. [4.7.16] εἶχον δὲ καὶ κνημίδας καὶ κράνη καὶ παρὰ τὴν ζώνην μαχαίριον ὅσον ξυήλην Λακωνικὴν, ὧι ἔσφαττον ὦν κρατεῖν δύναιντο, καὶ ἀποτεμόντες ἂν τὰς κεφαλὰς ἔχοντες ἐπορεύοντο, καὶ ἦιδον καὶ ἐχόρευον ὁπότε οἱ πολέμιοι αὐτοὺς ὄψεσθαι ἔμελλον. εἶχον δὲ καὶ δόρυ ὡς πεντεκαίδεκα πήχεων μίαν λόγχην ἔχον. [4.7.17] οὗτοι ἐνέμενον ἐν τοῖς πολίσμασιν· ἐπεὶ δὲ παρέλθοιεν οἱ Ἕλληνες, εἶποντο ἀεὶ μαχοῦμενοι. ὠικουν δὲ ἐν τοῖς ὄχυροῖς, καὶ τὰ ἐπιτήδεια ἐν τούτοις ἀνακεκομισμένοι ἦσαν· ὥστε μηδὲν λαμβάνειν αὐτόθεν τοὺς Ἕλληνας, ἀλλὰ διετράφησαν τοῖς κτήνεσιν ἃ ἐκ τῶν Ταόχων ἔλαβον. [4.7.18] ἐκ τούτων οἱ Ἕλληνες ἀφίκοντο ἐπὶ Ἄρπασον ποταμόν, εὖρος τεττάρων πλέθρων. ἐντεῦθεν ἐπορεύθησαν διὰ Σκυθηγῶν σταθμοὺς τέτταρας παρασάγγας εἴκοσι διὰ πεδίου εἰς κώμας· ἐν αἷς ἔμειναν ἡμέρας τρεῖς καὶ ἐπεσιτίσαντο. [4.7.19] ἐντεῦθεν διήλθον σταθμοὺς τέτταρας παρασάγγας εἴκοσι πρὸς πόλιν μεγάλην καὶ εὐδαίμονα καὶ οἰκουμένην ἥ ἐκαλεῖτο Γυμνιάς. ἐκ ταύτης τῆς χώρας ὁ ἄρχων τοῖς Ἕλλησιν ἡγεμόνα πέμπει, ὅπως διὰ τῆς ἑαυτῶν πολεμίας χώρας ἄγοι αὐτούς. [4.7.20] ἐλθὼν δ' ἐκεῖνος λέγει ὅτι ἄξει αὐτοὺς πέντε ἡμερῶν εἰς χωρίον ὅθεν ὄψονται θάλατταν· εἰ δὲ μή,

τεθνάναι ἐπηγγείλατο. καὶ ἡγούμενος ἐπειδὴ ἐνέβαλλεν εἰς τὴν [ἑαυτοῦ] πολεμίαν, παρεκελεύετο αἶθιν καὶ φθείρειν τὴν χώραν· ὧι καὶ δῆλον ἐγένετο ὅτι τούτου ἕνεκα ἔλθοι, οὐ τῆς τῶν Ἑλλήνων εὐνοίας. [4.7.21] καὶ ἀφικνοῦνται ἐπὶ τὸ ὄρος τῇ πέμπτῃ ἡμέρᾳ· ὄνομα δὲ τῷ ὄρει ἦν Θήχης. ἐπεὶ δὲ οἱ πρῶτοι ἐγένοντο ἐπὶ τοῦ ὄρους καὶ κατείδον τὴν θάλατταν, κραυγὴ πολλὴ ἐγένετο. [4.7.22] ἀκούσας δὲ ὁ Ξενοφῶν καὶ οἱ ὀπισθοφύλακες ὠιήθησαν ἔμπροσθεν ἄλλους ἐπιτίθεσθαι πολεμίους· εἶποντο γὰρ ὀπισθεν ἐκ τῆς καιομένης χώρας, καὶ αὐτῶν οἱ ὀπισθοφύλακες ἀπέκτεινάν τέ τινας καὶ ἐζώγησαν ἐνέδραν ποιησάμενοι, καὶ γέρρα ἔλαβον δασειῶν βοῶν ὠμοβόεια ἀμφὶ τὰ εἴκοσιν. [4.7.23] ἐπειδὴ δὲ βοὴ πλείων τε ἐγίγνετο καὶ ἐγγύτερον καὶ οἱ αἰεὶ ἐπιόντες ἔθεον δρόμῳ ἐπὶ τοὺς αἰεὶ βοῶντας καὶ πολλῶι μείζων ἐγίγνετο ἢ βοὴ ὅσῳ δὴ πλείους ἐγίγνοντο, [4.7.24] ἐδόκει δὴ μείζον τι εἶναι τῷ Ξενοφῶντι, καὶ ἀναβάς ἐφ' ἵππον καὶ Λύκιον καὶ τοὺς ἱππέας ἀναλαβὼν παρεβόηθει· καὶ τάχα δὴ ἀκούουσι βοῶντων τῶν στρατιωτῶν «θάλαττα θάλαττα» καὶ παρεγγυώντων. ἔνθα δὴ ἔθεον πάντες καὶ οἱ ὀπισθοφύλακες, καὶ τὰ ὑποζύγια ἠλαύνετο καὶ οἱ ἵπποι. [4.7.25] ἐπεὶ δὲ ἀφίκοντο πάντες ἐπὶ τὸ ἄκρον, ἐνταῦθα δὴ περιέβαλλον ἀλλήλους καὶ στρατηγούς καὶ λοχαγούς δακρύνοντες. καὶ ἐξαπίνης ὅτου δὴ παρεγγυήσαντος οἱ στρατιῶται φέρουσι λίθους καὶ ποιοῦσι κολωνὸν μέγαν. [4.7.26] ἐνταῦθα ἀνέτιθесαν δερμάτων πλῆθος ὠμοβοείων καὶ βακτηρίας καὶ τὰ αἰχμάλωτα γέρρα, καὶ ὁ ἡγεμὼν αὐτός τε κατέτεμνε τὰ γέρρα καὶ τοῖς ἄλλοις διεκελεύετο. [4.7.27] μετὰ ταῦτα τὸν ἡγεμόνα οἱ Ἕλληνες ἀποπέμπουσι δῶρα δόντες ἀπὸ κοινοῦ ἵππον καὶ φιάλην ἀργυρᾶν καὶ σκευὴν Περσικὴν καὶ δαρεικοὺς δέκα· ἥτις δὲ μάλιστα τοὺς δακτυλίους, καὶ ἔλαβε πολλοὺς παρὰ τῶν στρατιωτῶν. κώμην δὲ δείξας αὐτοῖς οὗ σκηνήσουσι καὶ τὴν ὁδὸν ἣν πορεύονται εἰς Μάκρωνα, ἐπεὶ ἐσπέρα ἐγένετο, ὥιχeto τῆς νυκτὸς ἀπιών.

[4.8.1] ἐντεῦθεν δ' ἐπορεύθησαν οἱ Ἕλληνες διὰ Μακρόνων σταθμοὺς τρεῖς παρασάγγας δέκα. τῇ πρώτῃ δὲ ἡμέρᾳ ἀφίκοντο ἐπὶ τὸν ποταμὸν ὃς ὠρίζε τὴν τῶν Μακρόνων καὶ τὴν τῶν Σκυθηνῶν. [4.8.2] εἶχον δ' ὑπὲρ δεξιῶν χωρίον οἷον χαλεπώτατον καὶ ἐξ ἀριστερᾶς ἄλλον ποταμόν, εἰς ὃν ἐνέβαλλεν ὁ ὀρίζων, δι' οὗ ἔδει διαβῆναι. ἦν δὲ οὗτος δασὺς δένδρεσι παχέσι μὲν οὗ, πυκνοῖς δέ. ταῦτ' ἐπεὶ προσήλθον οἱ Ἕλληνες ἔκοπτον, σπεύδοντες ἐκ τοῦ χωρίου ὡς τάχιστα ἐξελεθεῖν. [4.8.3] οἱ δὲ Μάκρωνες ἔχοντες γέρρα καὶ λόγχας καὶ

τριχίνους χιτῶνας κατ' ἀντιπέραν τῆς διαβάσεως παρατεταγμένοι ἦσαν καὶ ἀλλήλοις διεκελεύοντο καὶ λίθους εἰς τὸν ποταμὸν ἔρριπτον· ἐξικνοῦντο γὰρ οὐ οὐδ' ἔβλαπτον οὐδέν. [4.8.4] ἔνθα δὴ προσέρχεται Ξενοφῶντι τῶν πελταστῶν ἀνὴρ Ἀθήνησι φάσκων δεδουλευκέναι, λέγων ὅτι γιγνώσκoi τὴν φωνὴν τῶν ἀνθρώπων. «καὶ οἶμαι, ἔφη, ἐμὴν ταύτην πατρίδα εἶναι· καὶ εἰ μὴ τι κωλύει, ἐθέλω αὐτοῖς διαλεχθῆναι.» [4.8.5] «ἀλλ' οὐδὲν κωλύει, ἔφη, ἀλλὰ διαλέγου καὶ μάθε πρῶτον τίνες εἰσίν.» οἱ δ' εἶπον ἐρωτήσαντος ὅτι Μάκρωνες. «ἐρώτα τοῖνυν, ἔφη, αὐτοὺς τί ἀντιτετάχεται καὶ χρήζουσιν ἡμῖν πολέμιοι εἶναι.» [4.8.6] οἱ δ' ἀπεκρίναντο «ὅτι καὶ ὑμεῖς ἐπὶ τὴν ἡμετέραν χώραν ἔρχεσθε.» λέγειν ἐκέλευον οἱ στρατηγοὶ ὅτι «οὐ κακῶς γε ποιήσοντες, ἀλλὰ βασιλεῖ πολεμήσαντες ἀπερχόμεθα εἰς τὴν Ἑλλάδα, καὶ ἐπὶ θάλατταν βουλόμεθα ἀφικέσθαι.» [4.8.7] ἡρώτων ἐκεῖνοι εἰ δοῖεν ἂν τούτων τὰ πιστά. οἱ δ' ἔφασαν καὶ δοῦναι καὶ λαβεῖν ἐθέλειν. ἐντεῦθεν διδόασιν οἱ Μάκρωνες βαρβαρικὴν λόγχην τοῖς Ἑλλησιν, οἱ δὲ Ἑλληνες ἐκείνοις Ἑλληνικὴν· ταῦτα γὰρ ἔφασαν πιστὰ εἶναι· θεοὺς δ' ἐπεμαρτύραντο ἀμφοτέρω. [4.8.8] μετὰ δὲ τὰ πιστὰ εὐθύς οἱ Μάκρωνες τὰ δένδρα συνεξέκοπτον τὴν τε ὁδὸν ὠδοποιοῦν ὥς διαβιβάσοντες ἐν μέσοις ἀναμεμιγμένοι τοῖς Ἑλλησι, καὶ ἀγορὰν οἷαν ἐδύναντο παρεῖχον, καὶ παρήγαγον ἐν τρισὶν ἡμέραις ἕως ἐπὶ τὰ Κόλχων ὄρια κατέστησαν τοὺς Ἑλληνας. [4.8.9] ἐνταῦθα ἦν ὄρος μέγα, προσβατὸν δέ· καὶ ἐπὶ τούτου οἱ Κόλχοι παρατεταγμένοι ἦσαν. καὶ τὸ μὲν πρῶτον οἱ Ἑλληνες ἀντιπαρετάξαντο φάλαγγα, ὥς οὕτως ἄζοντες πρὸς τὸ ὄρος· ἔπειτα δὲ ἔδοξε τοῖς στρατηγοῖς βουλευσασθαι συλλεγεῖσιν ὅπως ὥς κάλλιστα ἀγωνιοῦνται. [4.8.10] ἔλεξεν οὖν Ξενοφῶν ὅτι δοκοίη παύσαντας τὴν φάλαγγα λόχους ὀρθίους ποιῆσαι· ἢ μὲν γὰρ φάλαγξ διασπασθήσεται εὐθύς· τῇ μὲν γὰρ ἄνοδον τῇ δὲ εὐδοδον εὐρήσομεν τὸ ὄρος· καὶ εὐθύς τοῦτο ἀθυμίαν ποιήσει ὅταν τεταγμένοι εἰς φάλαγγα ταύτην διεσπασμένην ὀρῶσιν. [4.8.11] ἔπειτα ἦν μὲν ἐπὶ πολλῶν τεταγμένοι προσάγωμεν, περιττεύσουσιν ἡμῶν οἱ πολέμιοι καὶ τοῖς περιττοῖς χρήσονται ὅ τι ἂν βούλωνται· ἐὰν δὲ ἐπ' ὀλίγων τεταγμένοι ὦμεν, οὐδὲν ἂν εἴη θαυμαστὸν εἰ διακοπεῖ ἡμῶν ἡ φάλαγξ ὑπὸ ἀθρόων καὶ βελῶν καὶ ἀνθρώπων πολλῶν ἐμπεσόντων· εἰ δὲ πῃ τοῦτο ἔσται, τῇ ὅλῃ φάλαγγι κακὸν ἔσται. [4.8.12] ἀλλὰ μοι δοκεῖ ὀρθίους τοὺς λόχους ποιησαμένους τοσοῦτον χωρίον κατασχεῖν διαλιπόντας τοῖς λόχοις

ὅσον ἔξω τοὺς ἐσχάτους λόχους γενέσθαι τῶν πολεμίων κεράτων· καὶ οὕτως ἐσόμεθα τῆς τε τῶν πολεμίων φάλαγγος ἔξω [οἱ ἐσχατοὶ λόχοι], καὶ ὀρθίους ἄγοντες οἱ κράτιστοι ἡμῶν πρῶτοι προσίασιν, ἥ τε ἂν εὐοδὸν ᾖ, ταύτη ἕκαστος ἄξει [ὁ λόχος]. [4.8.13] καὶ εἰς τε τὸ διαλείπον οὐ ράϊδιον ἔσται τοῖς πολεμίοις εἰσελθεῖν ἔνθεν καὶ ἔνθεν λόχων ὄντων, διακόψαι τε οὐ ράϊδιον ἔσται λόχον ὀρθιον προσιόντα. ἂν τέ τις πιέζεται τῶν λόχων, ὁ πλησίον βοηθήσει. ἦν τε εἰς πη δυνηθῇ τῶν λόχων ἐπὶ τὸ ἄκρον ἀναβῆναι, οὐδεὶς μηκέτι μείνηι τῶν πολεμίων. [4.8.14] ταῦτα ἔδοξε, καὶ ἐποιοῦν ὀρθίους τοὺς λόχους. Ξενοφῶν δὲ ἀπὼν ἐπὶ τὸ εὐώνυμον ἀπὸ τοῦ δεξιοῦ ἔλεγε τοῖς στρατιώταις· «ἄνδρες, οὗτοί εἰσιν οὓς ὁρᾶτε μόνοι ἔτι ἡμῖν ἐμποδῶν τὸ μὴ ἤδη εἶναι ἔνθα πάλαι σπεύδομεν· τούτους, ἦν πῶς δυνώμεθα, καὶ ὤμους δεῖ καταφαγεῖν.» [4.8.15] ἐπεὶ δ' ἐν ταῖς χώραις ἕκαστοι ἐγένοντο καὶ τοὺς λόχους ὀρθίους ἐποίησαντο, ἐγένοντο μὲν λόχοι τῶν ὀπλιτῶν ἀμφὶ τοὺς ὀγδοήκοντα, ὁ δὲ λόχος ἕκαστος σχεδὸν εἰς τοὺς ἑκατόν· τοὺς δὲ πελταστὰς καὶ τοὺς τοξότας τριχῇ ἐποίησαντο, τοὺς μὲν τοῦ εὐωνύμου ἔξω, τοὺς δὲ τοῦ δεξιοῦ, τοὺς δὲ κατὰ μέσον, σχεδὸν ἑξακοσίους ἑκάστους. [4.8.16] ἐκ τούτου παρηγγύησαν οἱ στρατηγοὶ εὐχεσθαι· εὐξάμενοι δὲ καὶ παιανίσαντες ἐπορεύοντο. καὶ Χειρίσοφος μὲν καὶ Ξενοφῶν καὶ οἱ σὺν αὐτοῖς πελτασταὶ τῆς τῶν πολεμίων φάλαγγος ἔξω γενόμενοι ἐπορεύοντο· [4.8.17] οἱ δὲ πολέμοι ὥς εἶδον αὐτούς, ἀντιπαραθέοντες οἱ μὲν ἐπὶ τὸ δεξιὸν οἱ δὲ ἐπὶ τὸ εὐώνυμον διεσπάρσθησαν, καὶ πολὺ τῆς αὐτῶν φάλαγγος ἐν τῷ μέσῳ κενὸν ἐποίησαν. [4.8.18] οἱ δὲ κατὰ τὸ Ἀρκαδικὸν πελτασταί, ὧν ἦρχεν Αἰσχίνης ὁ Ἀκαρνάν, νομίσαντες φεύγειν ἀνακραγόντες ἔθεον· καὶ οὗτοί πρῶτοι ἐπὶ τὸ ὄρος ἀναβαίνουσι· συνεφείπετο δὲ αὐτοῖς καὶ τὸ Ἀρκαδικὸν ὀπλιτικόν, ὧν ἦρχε Κλεάνωρ ὁ Ὀρχομένιος. [4.8.19] οἱ δὲ πολέμοι, ὥς ἦρξαντο θεῖν, οὐκέτι ἔστησαν, ἀλλὰ φυγῇ ἄλλος ἄλλῃ ἐτράπετο. οἱ δὲ Ἕλληνες ἀναβάντες ἐστρατοπεδεύοντο ἐν πολλαῖς κώμαις καὶ τὰπιτήδεια πολλὰ ἐχούσαις. [4.8.20] καὶ τὰ μὲν ἄλλα οὐδὲν ὅ τι καὶ ἐθαύμασαν· τὰ δὲ σμήνη πολλὰ ἦν αὐτόθι, καὶ τῶν κηρίων ὅσοι ἔφαγον τῶν στρατιωτῶν πάντες ἄφρονές τε ἐγίγνοντο καὶ ἤμουν καὶ κάτω διεχώρει αὐτοῖς καὶ ὀρθὸς οὐδεὶς ἐδύνατο ἵστασθαι, ἀλλ' οἱ μὲν ὀλίγον ἐδηδοκότες σφόδρα μεθύουσιν ἐήικεσαν, οἱ δὲ πολὺ μαινομένοις, οἱ δὲ καὶ ἀποθνήσκουσιν. [4.8.21] ἔκειντο δὲ οὕτω πολλοὶ ὥσπερ τροπῆς γεγεννημένης, καὶ πολλή ἦν ἀθυμία. τῇ δ' ὑστεραίᾳ ἀπέθανε μὲν οὐδεὶς, ἀμφὶ δὲ τὴν αὐτὴν πῶς

ᾧραν ἀνεφρόνουν· τρίτη δὲ καὶ τετάρτη ἀνίσταντο ὥσπερ ἐκ
φαρμακοποσίας. [4.8.22] ἐντεῦθεν δ' ἐπορεύθησαν δύο σταθμούς
παρασάγγας ἑπτὰ, καὶ ἦλθον ἐπὶ θάλατταν εἰς Τραπεζοῦντα πόλιν
Ἑλληνίδα οἰκουμένην ἐν τῷ Εὐξεινῷ Πόντῳ, Σινωπέων ἀποικίαν,
ἐν τῇ Κόλχων χώρῃ. ἐνταῦθα ἔμειναν ἡμέρας ἀμφὶ τὰς τριάκοντα
ἐν ταῖς τῶν Κόλχων κώμας· [4.8.23] κἀντεῦθεν ὁρμώμενοι ἐλήϊζοντο
τὴν Κολχίδα. ἀγορὰν δὲ παρῆχον τῷ στρατοπέδῳ Τραπεζοῦντιοι,
καὶ ἐδέξαντό τε τοὺς Ἑλληνας καὶ ξένια ἔδοσαν βοῦς καὶ ἄλφιτα καὶ
οἶνον. [4.8.24] συνδιεπράττοντο δὲ καὶ ὑπὲρ τῶν πλησίον Κόλχων τῶν
ἐν τῷ πεδίῳ μάλιστα οἰκούντων, καὶ ξένια καὶ παρ' ἐκείνων ἦλθον
βόες. [4.8.25] μετὰ δὲ τοῦτο τὴν θυσίαν ἦν ἠϋζαντο παρεσκευάζοντο·
ἦλθον δ' αὐτοῖς ἱκανοὶ βόες ἀποθῦσαι τῷ Διὶ τῷ σωτῆρι καὶ τῷ
Ἡρακλεῖ ἡγεμόσυνῃ καὶ τοῖς ἄλλοις θεοῖς ἃ ἠϋζαντο. ἐποίησαν δὲ
καὶ ἀγῶνα γυμνικὸν ἐν τῷ ὄρει ἐνθαπερ ἐσκήνουν. εἵλοντο δὲ
Δρακόντιον Σπαρτιάτην, ὃς ἔφυγε παῖς ὢν οἴκοθεν, παῖδα ἄκων
κατακανὼν ξυήλην πατάξας, δρόμου τ' ἐπιμεληθῆναι καὶ τοῦ ἀγῶνος
προστατῆσαι. [4.8.26] ἐπειδὴ δὲ ἡ θυσία ἐγένετο, τὰ δέρματα
παρέδοσαν τῷ Δρακοντίῳ, καὶ ἡγεῖσθαι ἐκέλευον ὅπου τὸν δρόμον
πεποιηκὼς εἴη. ὁ δὲ δείξας οὐπερ ἐστηκότες ἐτύγγανον «οὗτος ὁ
λόφος, ἔφη, κάλλιστος τρέχειν ὅπου ἂν τις βούληται.» «πῶς οὖν,
ἔφασαν, δυνήσονται παλαίειν ἐν σκληρῷ καὶ δασεῖ οὕτως;» ὁ δ'
εἶπε· «μᾶλλον τι ἀνιάσεται ὁ καταπεσών.» [4.8.27] ἡγωνίζοντο δὲ
παῖδες μὲν στάδιον τῶν αἰχμαλώτων οἱ πλεῖστοι, δόλιχον δὲ Κρήτες
πλείους ἢ ἐξήκοντα ἔθεον, πάλην δὲ καὶ πυγμὴν καὶ παγκράτιον
ἕτεροι, καὶ καλὴ θέα ἐγένετο· πολλοὶ γὰρ κατέβησαν καὶ ἄτε
θεωμένων τῶν ἐταίρων πολλὴ φιλονικία ἐγίνετο. [4.8.28] ἔθεον δὲ καὶ
ἵπποι καὶ ἔδει αὐτοὺς κατὰ τοῦ πρᾶνου ἐλάσαντας ἐν τῇ θαλάττῃ
ἀποστρέψαντας πάλιν πρὸς τὸν βωμὸν ἄγειν. καὶ κάτω μὲν οἱ πολλοὶ
ἐκαλινδοῦντο· ἄνω δὲ πρὸς τὸ ἰσχυρῶς ὄρθιον μόλις βάδην
ἐπορεύοντο οἱ ἵπποι· ἐνθα πολλὴ κραυγὴ καὶ γέλως καὶ
παρακέλευσις ἐγίνετο.

Βιβλίον ε΄

[5.1.1] [ὅσα μὲν δὴ ἐν τῇ ἀναβάσει τῇ μετὰ Κύρου ἔπραξαν οἱ Ἕλληνες, καὶ ἐν τῇ πορείᾳ τῇ μέχρι ἐπὶ θάλατταν τὴν ἐν τῷ Εὐξείνῳ Πόντῳ, καὶ ὡς εἰς Τραπεζοῦντα Ἑλληνίδα πόλιν ἀφίκοντο, καὶ ὡς ἀπέθυσαν ἃ εὗξαντο σωτήρια θύειν ἔνθα πρῶτον εἰς φιλίαν γῆν ἀφίκοντο, ἐν τῷ πρόσθεν λόγῳ δεδήλωται.]

[5.1.2] Ἐκ δὲ τούτου ξυνελθόντες ἐβουλεύοντο περὶ τῆς λοιπῆς πορείας· ἀνέστη δὲ πρῶτος Λέων Θούριος καὶ ἔλεξεν ὧδε. «ἐγὼ μὲν τοίνυν, ἔφη, ὧ ἄνδρες, ἀπείρηκα ἤδη ξυσκευαζόμενος καὶ βαδίζων καὶ τρέχων καὶ τὰ ὄπλα φέρων καὶ ἐν τάξει ὦν καὶ φυλακὰς φυλάττων καὶ μαχόμενος, ἐπιθυμῶ δὲ ἤδη παυσάμενος τούτων τῶν πόνων, ἐπεὶ θάλατταν ἔχομεν, πλεῖν τὸ λοιπὸν καὶ ἐκταθεῖς ὥσπερ Ὀδυσσεὺς ἀφικέσθαι εἰς τὴν Ἑλλάδα.» [5.1.3] ταῦτα ἀκούσαντες οἱ στρατιῶται ἀνεθορύβησαν ὡς εὖ λέγει· καὶ ἄλλος ταῦτ' ἔλεγε, καὶ πάντες οἱ παριόντες. ἔπειτα δὲ Χειρίσοφος ἀνέστη καὶ εἶπεν ὧδε. [5.1.4] «φίλος μοί ἐστιν, ὧ ἄνδρες, Ἀναξίβιος, ναυαρχῶν δὲ καὶ τυγχάνει. ἦν οὖν πέμπητέ με, οἶομαι ἂν ἐλθεῖν καὶ τριήρεις ἔχων καὶ πλοῖα τὰ ἡμᾶς ἄξοντα· ὑμεῖς δὲ εἴπερ πλεῖν βούλεσθε, περιμένετε ἔστ' ἂν ἐγὼ ἔλθω· ἥξω δὲ ταχέως.» ἀκούσαντες ταῦτα οἱ στρατιῶται ἡσθησάν τε καὶ ἐψηφίσαντο πλεῖν αὐτὸν ὡς τάχιστα. [5.1.5] μετὰ τοῦτον Ξενοφῶν ἀνέστη καὶ ἔλεξεν ὧδε. Χειρίσοφος μὲν δὴ ἐπὶ πλοῖα στέλλεται, ἡμεῖς δὲ ἀναμενοῦμεν. ὅσα μοι οὖν δοκεῖ καιρὸς εἶναι ποιεῖν ἐν τῇ μονῇ, ταῦτα ἐρῶ. [5.1.6] πρῶτον μὲν τὰ ἐπιτήδεια δεῖ πορίζεσθαι ἐκ τῆς πολεμίας· οὔτε γὰρ ἀγορὰ ἔστιν ἱκανὴ οὔτε ὅτου ὠνησόμεθα εὐπορία εἰ μὴ ὀλίγοις τισίν· ἡ δὲ χώρα πολεμία· κίνδυνος οὖν πολλοὺς ἀπόλλυσθαι, ἦν ἀμελῶς τε καὶ ἀφυλάκτως πορεύησθε ἐπὶ τὰ ἐπιτήδεια. [5.1.7] ἀλλὰ μοι δοκεῖ σὺν προνομαῖς λαμβάνειν τὰ ἐπιτήδεια, ἄλλως δὲ μὴ πλανᾶσθαι, ὡς σήιξησθε, ἡμᾶς δὲ τούτων ἐπιμελεῖσθαι. [5.1.8] ἔδοξε ταῦτα. «ἔτι τοίνυν ἀκούσατε καὶ τὰδε. ἐπὶ λείαν γὰρ ὑμῶν ἐκπορεύονται τινες. οἶομαι οὖν βέλτιστον εἶναι ἡμῖν εἰπεῖν τὸν μέλλοντα ἐξιέναι, φράζειν δὲ καὶ ὅποι, ἵνα καὶ τὸ πλῆθος εἰδῶμεν τῶν ἐξιόντων καὶ τῶν μενόντων καὶ ξυμπαρασκευάζωμεν, ἐάν τι δέηι, κἂν βοηθῆσαί τισι καιρὸς ᾗ, εἰδῶμεν ὅποι δεήσει βοηθεῖν, καὶ ἐάν τις τῶν ἀπειροτέρων ἐγχειρῇ ποι, ξυμβουλεύωμεν πειρώμενοι εἰδέναι τὴν δύναμιν ἐφ' οὓς ἂν

ἴωσιν.» [5.1.9] ἔδοξε καὶ ταῦτα. «ἐννοεῖτε δὴ καὶ τόδε, ἔφη. σχολὴ τοῖς πολεμίοις λήζεσθαι, καὶ δικαίως ἡμῖν ἐπιβουλεύουσιν· ἔχομεν γὰρ τὰ ἐκείνων· ὑπερκάθηνται δὲ ἡμῶν. φυλακὰς δὴ μοι δοκεῖ δεῖν περὶ τὸ στρατόπεδον εἶναι· ἐὰν οὖν κατὰ μέρος [μερισθέντες] φυλάττωμεν καὶ σκοπῶμεν, ἦττον ἂν δύναιντο ἡμᾶς θηρᾶν οἱ πολέμιοι. ἔτι τοίνυν τάδε ὁρᾶτε. [5.1.10] εἰ μὲν ἡπιστάμεθα σαφῶς ὅτι ἦξει πλοῖα Χειρίσοφος ἄγων ἱκανά, οὐδὲν ἂν ἔδει ὦν μέλλω λέγειν· νῦν δ' ἐπεὶ τοῦτο ἄδηλον, δοκεῖ μοι πειρᾶσθαι πλοῖα συμπαρασκευάζειν καὶ αὐτόθεν. ἦν μὲν γὰρ ἔλθῃ, ὑπαρχόντων ἐνθάδε ἐν ἀφθονωτέροις πλευσόμεθα· ἦν δὲ μὴ ἄγῃ, τοῖς ἐνθάδε χρυσόμεθα. [5.1.11] ὁρῶ δὲ ἐγὼ πλοῖα πολλάκις παραπλέοντα· εἰ οὖν αἰτησάμενοι παρὰ Τραπεζουντίων μακρὰ πλοῖα κατάγοιμεν καὶ φυλάττοιμεν αὐτά, τὰ πηδάλια παραλυόμενοι, ἕως ἂν ἱκανὰ τὰ ἄξοντα γένηται, ἴσως ἂν οὐκ ἀπορήσαιμεν κομιδῆς οἷας δεόμεθα.» ἔδοξε καὶ ταῦτα. [5.1.12] «ἐννοήσατε δ', ἔφη, εἰ εἰκὸς καὶ τρέφειν ἀπὸ κοινοῦ οὓς ἂν καταγάγωμεν ὅσον ἂν χρόνον ἡμῶν ἔνεκεν μένωσι, καὶ ναῦλον ξυνθέσθαι, ὅπως ὠφελοῦντες καὶ ὠφελῶνται.» ἔδοξε καὶ ταῦτα. [5.1.13] «δοκεῖ τοίνυν μοι, ἔφη, ἦν ἄρα καὶ ταῦτα ἡμῖν μὴ ἐκπεραίνηται ὥστε ἄρκεῖν πλοῖα, τὰς ὁδοὺς ἅς δυσπόρους ἀκούομεν εἶναι ταῖς παρὰ θάλατταν οἰκούσαις πόλεσιν ἐντείλασθαι ὁδοποιεῖν· πείσονται γὰρ καὶ διὰ τὸ φοβεῖσθαι καὶ διὰ τὸ βούλεσθαι ἡμῶν ἀπαλλαγῆναι.» [5.1.14] ἐνταῦθα δὲ ἀνέκραγον ὡς οὐ δέοι ὁδοιορεῖν. ὁ δὲ ὡς ἔγνω τὴν ἀφροσύνην αὐτῶν, ἐπεψήφισε μὲν οὐδέν, τὰς δὲ πόλεις ἐκούσας ἔπεισεν ὁδοποιεῖν, λέγων ὅτι θάπτον ἀπαλλάσσονται, ἦν εὐποροὶ γένωνται αἱ ὁδοί. [5.1.15] ἔλαβον δὲ καὶ πεντηκόντορον παρὰ τῶν Τραπεζουντίων, ἧ ἐπέστησαν Δέξιππον Λάκωνα περίοικον. οὗτος ἀμελήσας τοῦ ξυλλέγειν πλοῖα ἀποδρὰς ὠιχετο ἔξω τοῦ Πόντου, ἔχων τὴν ναῦν. οὗτος μὲν οὖν δίκαια ἔπαθεν ὕστερον· ἐν Θράκῃ γὰρ παρὰ Σεύθῃ πολυπραγμονῶν τι ἀπέθανεν ὑπὸ Νικάνδρου τοῦ Λάκωνος. [5.1.16] ἔλαβον δὲ καὶ τριακόντορον, ἧ ἐπεστάθη Πολυκράτης Ἀθηναῖος, ὃς ὅποσα λαμβάνοι πλοῖα κατήγεν ἐπὶ τὸ στρατόπεδον. καὶ τὰ μὲν ἀγώγιμα εἴ τι ἦγον ἐξαιρούμενοι φύλακας καθίστασαν, ὅπως σῶια εἴη, τοῖς δὲ πλοίοις ἐχρήσαντο εἰς παραγωγὴν. [5.1.17] ἐν ᾧ δὲ ταῦτα ἦν ἐπὶ λείαν ἐξῆσαν οἱ Ἕλληνες, καὶ οἱ μὲν ἐλάμβανον οἱ δὲ καὶ οὐ. Κλεαίνετος δ' ἐξαγαγὼν καὶ τὸν ἑαυτοῦ καὶ ἄλλον λόχον πρὸς χωρίον χαλεπὸν αὐτός τε ἀπέθανε καὶ ἄλλοι πολλοὶ τῶν σὺν αὐτῷ.

[5.2.1] ἐπεὶ δὲ τὰ ἐπιτήδεια οὐκέτι ἦν λαμβάνειν ὥστε ἀπαυθημερίζειν ἐπὶ τὸ στρατόπεδον, ἐκ τούτου λαβὼν Ξενοφῶν ἡγεμόνας τῶν Τραπεζουντιῶν ἐξάγει εἰς Δρίλας τὸ ἥμισυ τοῦ στρατεύματος, τὸ δὲ ἥμισυ κατέλιπε φυλάττειν τὸ στρατόπεδον· οἱ γὰρ Κόλχοι, ἅτε ἐκπεπτωκότες τῶν οἰκιῶν, πολλοὶ ἦσαν ἄθροοι καὶ ὑπερεκάθηντο ἐπὶ τῶν ἄκρων. [5.2.2] οἱ δὲ Τραπεζούντιοι ὀπόθεν μὲν τὰ ἐπιτήδεια ράιδιον ἦν λαβεῖν οὐκ ἤγον· φίλοι γὰρ αὐτοῖς ἦσαν· εἰς δὲ τοὺς Δρίλας προθύμως ἤγον, ὑφ' ὧν κακῶς ἔπασχον, εἰς χωρία τε ὀρεινὰ καὶ δύσβατα καὶ ἀνθρώπους πολεμικωτάτους τῶν ἐν τῷ Πόντῳ. [5.2.3] ἐπεὶ δὲ ἦσαν ἐν τῇ ἄνω χώρᾳ οἱ Ἕλληνες, ὅποια τῶν χωρίων τοῖς Δρίλαις ἀλώσιμα εἶναι ἐδόκει ἐμπιμπράντες ἀπῆισαν· καὶ οὐδὲν ἦν λαμβάνειν εἰ μὴ ὕς ἢ βοὺς ἢ ἄλλο τι κτήνος τὸ πῦρ διαπεφευγός. ἐν δὲ ἦν χωρίον μητρόπολις αὐτῶν· εἰς τοῦτο πάντες ξυνερρυήκεσαν. περὶ δὲ τοῦτο ἦν χαράδρα ἰσχυρῶς βαθεῖα, καὶ πρόσοδοι χαλεπαὶ πρὸς τὸ χωρίον. [5.2.4] οἱ δὲ πελτασταὶ προδραμιόντες στάδια πέντε ἢ ἕξ τῶν ὀπλιτῶν, διαβάντες τὴν χαράδραν, ὀρῶντες πρόβατα πολλὰ καὶ ἄλλα χρήματα προσέβαλλον πρὸς τὸ χωρίον· ξυνείποντο δὲ καὶ δορυφόροι πολλοὶ οἱ ἐπὶ τὰ ἐπιτήδεια ἐξωρμημένοι· ὥστε ἐγένοντο οἱ διαβάντες πλείους ἢ δισχίλιοι ἄνθρωποι. [5.2.5] ἐπεὶ δὲ μαχόμενοι οὐκ ἐδύναντο λαβεῖν τὸ χωρίον (καὶ γὰρ τάφος ἦν περὶ αὐτὸ εὐρεῖα ἀναβεβλημένη καὶ σκόλοπες ἐπὶ τῆς ἀναβολῆς καὶ τύρσεις πυκναὶ ξύλινα πεποιημέναι), ἀπιέναι δὴ ἐπεχείρουν· οἱ δὲ ἐπέκειντο αὐτοῖς. [5.2.6] ὥς δὲ οὐκ ἐδύναντο ἀποτρέχειν (ἦν γὰρ ἐφ' ἑνὸς ἢ κατάβασις ἐκ τοῦ χωρίου εἰς τὴν χαράδραν), πέμπουσι πρὸς Ξενοφῶντα· ὁ δὲ ἡγεῖτο τοῖς ὀπλίταις. [5.2.7] ὁ δὲ ἐλθὼν λέγει ὅτι ἔστι χωρίον χρημάτων πολλῶν μεστόν· τοῦτο οὔτε λαβεῖν δυνάμεθα· ἰσχυρὸν γὰρ ἐστίν· οὔτε ἀπελθεῖν ράιδιον· μάχονται γὰρ ἐπεξεληλυθότες καὶ ἡ ἄφοδος χαλεπή. [5.2.8] ἀκούσας ταῦτα ὁ Ξενοφῶν προσαγαγὼν πρὸς τὴν χαράδραν τοὺς μὲν ὀπλίτας θέσθαι ἐκέλευσε τὰ ὄπλα, αὐτὸς δὲ διαβὰς σὺν τοῖς λοχαγοῖς ἐσκοπεῖτο πότερον εἷη κρεῖττον ἀπαγαγεῖν καὶ τοὺς διαβεβηκότας ἢ καὶ τοὺς ὀπλίτας διαβιβάσειν, ὥς ἀλόντος ἂν τοῦ χωρίου. [5.2.9] ἐδόκει γὰρ τὸ μὲν ἀπαγαγεῖν οὐκ εἶναι ἄνευ πολλῶν νεκρῶν, ἐλεῖν δ' ἂν ὦιοντο καὶ οἱ λοχαγοὶ τὸ χωρίον, καὶ ὁ Ξενοφῶν ξυνεχώρησε τοῖς ἱεροῖς πιστεύσας· οἱ γὰρ μάντιες ἀποδεδειγμένοι ἦσαν ὅτι μάχη μὲν ἔσται, τὸ δὲ τέλος καλὸν τῆς ἐξόδου. [5.2.10] καὶ τοὺς μὲν λοχαγοὺς ἔπεμπε διαβιβάσοντας τοὺς ὀπλίτας, αὐτὸς δ' ἔμενεν ἀναχωρίσας

ἅπαντας τοὺς πελταστάς, καὶ οὐδένα εἶα ἀκροβολίζεσθαι. [5.2.11] ἐπεὶ δ' ἦκον οἱ ὀπλῖται, ἐκέλευσε τὸν λόχον ἕκαστον ποιῆσαι τῶν λοχαγῶν ὡς ἂν κράτιστα οἴηται ἀγωνιεῖσθαι· ἦσαν γὰρ οἱ λοχαγοὶ πλησίον ἀλλήλων οἱ πάντα τὸν χρόνον ἀλλήλοις περὶ ἀνδραγαθίας ἀντεποιοῦντο. [5.2.12] καὶ οἱ μὲν ταῦτ' ἐποίουν· ὁ δὲ τοῖς πελτασταῖς πᾶσι παρήγγειλε διηγκυλωμένους ἰέναι, ὥς, ὅποταν σημήνηι, ἀκοντίζειν, καὶ τοὺς τοξότας ἐπιβεβλήσθαι ἐπὶ ταῖς νευραῖς, ὥς, ὅποταν σημήνηι, τοξεύειν δεῖσον, καὶ τοὺς γυμνήτας λίθων ἔχειν μεστὰς τὰς διφθέρας· καὶ τοὺς ἐπιτηδεῖους ἔπεμψε τούτων ἐπιμεληθῆναι. [5.2.13] ἐπεὶ δὲ πάντα παρεσκεύαστο καὶ οἱ λοχαγοὶ καὶ οἱ ὑπολόχαγοι καὶ οἱ ἀξιοῦντες τούτων μὴ χεῖρους εἶναι πάντες παρατεταγμένοι ἦσαν, καὶ ἀλλήλους μὲν δὴ ξυνεώρων (μνηοειδὴς γὰρ διὰ τὸ χωρίον ἡ τάξις ἦν)· [5.2.14] ἐπεὶ δ' ἐπαιάνισαν καὶ ἡ σάλπιγξ ἐφθέγγετο, ἅμα τε τῷ Ἐνυαλίῳ ἠλέλιξαν καὶ ἔθεον δρόμῳ οἱ ὀπλῖται, καὶ τὰ βέλη ὁμοῦ ἐφέρετο, λόγχαι, τοξεύματα, σφενδόνη, πλεῖστοι δ' ἐκ τῶν χειρῶν λίθοι, ἦσαν δὲ οἱ καὶ πῦρ προσέφερον. [5.2.15] ὑπὸ δὲ τοῦ πλήθους τῶν βελῶν ἔλιπον οἱ πολέμοι τὰ τε σταυρώματα καὶ τὰς τύρσεις· ὥστε Ἀγασίας Στυμφάλιος καταθέμενος τὰ ὅπλα ἐν χιτῶνι μόνον ἀνέβη, καὶ ἄλλος ἄλλον εἶλκε, καὶ ἄλλος ἀνεβεβήκει, καὶ ἠλώκει τὸ χωρίον, ὥς ἐδόκει. [5.2.16] καὶ οἱ μὲν πελτασταὶ καὶ οἱ ψιλοὶ ἐσδραμόντες ἤρπαζον ὃ τι ἕκαστος ἐδύνατο· ὁ δὲ Ξενοφῶν στὰς κατὰ τὰς πύλας ὀπόσους ἐδύνατο κατεκώλυε τῶν ὀπλιτῶν ἔξω· πολέμοι γὰρ ἄλλοι ἐφαίνοντο ἐπ' ἄκροις τισὶν ἰσχυροῖς. [5.2.17] οὐ πολλοῦ δὲ χρόνου μετὰξὺ γενομένου κραυγῇ τε ἐγένετο ἔνδον καὶ ἔφευγον οἱ μὲν καὶ ἔχοντες ἃ ἔλαβον, τάχα δέ τις καὶ τετρωμένος· καὶ πολλὸς ἦν ὠθισμὸς ἀμφὶ τὰ θύρετρα. καὶ ἐρωτώμενοι οἱ ἐκπίπτοντες ἔλεγον ὅτι ἄκρα τέ ἐστιν ἔνδον καὶ οἱ πολέμοι πολλοί, οἱ παίουσιν ἐκδεδραμηκότες τοὺς ἔνδον ἀνθρώπους. [5.2.18] ἐνταῦθα ἀνειπεῖν ἐκέλευσε Τολμίδην τὸν κήρυκα ἰέναι εἴσω τὸν βουλόμενόν τι λαμβάνειν. καὶ ἵενται πολλοὶ εἴσω, καὶ νικῶσι τοὺς ἐκπίπτοντας οἱ εἰσωθούμενοι καὶ κατακλείουσι τοὺς πολεμίους πάλιν εἰς τὴν ἄκραν. [5.2.19] καὶ τὰ μὲν ἔξω τῆς ἄκρας πάντα διηρπάσθη, καὶ ἐξεκομίσαντο οἱ Ἕλληνες· οἱ δὲ ὀπλῖται ἔθεντο τὰ ὅπλα, οἱ μὲν περὶ τὰ σταυρώματα, οἱ δὲ κατὰ τὴν ὁδὸν τὴν ἐπὶ τὴν ἄκραν φέρουσαν. [5.2.20] ὁ δὲ Ξενοφῶν καὶ οἱ λοχαγοὶ ἐσκόπουν εἰ οἷόν τε εἶη τὴν ἄκραν λαβεῖν· ἦν γὰρ οὕτως σωτηρία ἀσφαλής, ἄλλως δὲ πάνυ χαλεπὸν ἐδόκει εἶναι ἀπελθεῖν·

σκοπουμένοις δὲ αὐτοῖς ἔδοξε παντάπασιν ἀνάλωτον εἶναι τὸ χωρίον. [5.2.21] ἐνταῦθα παρεσκευάζοντο τὴν ἄφοδον, καὶ τοὺς μὲν σταυροὺς ἕκαστοι τοὺς καθ' αὐτοὺς διήρουν, καὶ τοὺς ἀχρεῖους καὶ φορτία ἔχοντάς τε ἐξεπέμποντο καὶ τῶν ὀπλιτῶν τὸ πλῆθος, καταλιπόντες οἱ λοχαγοὶ οἷς ἕκαστος ἐπίστευεν. [5.2.22] ἐπεὶ δὲ ἤρξαντο ἀποχωρεῖν, ἐπεξέθεον ἔνδοθεν πολλοὶ γέρρα καὶ λόγχας ἔχοντες καὶ κνημίδας καὶ κράνη Παφλαγονικά, καὶ ἄλλοι ἐπὶ τὰς οἰκίας ἀνέβαινον τὰς ἔνθεν καὶ ἔνθεν τῆς εἰς τὴν ἄκραν φερούσης ὁδοῦ· [5.2.23] ὥστε οὐδὲ διώκειν ἀσφαλὲς ἦν κατὰ τὰς πύλας τὰς εἰς τὴν ἄκραν φερούσας. καὶ γὰρ ξύλα μεγάλα ἐπερρίπτουν ἄνωθεν, ὥστε χαλεπὸν ἦν καὶ μένειν καὶ ἀπιέναι· καὶ ἡ νύξ φοβερά ἦν ἢ ἐπιούσα. [5.2.24] μαχομένων δὲ αὐτῶν καὶ ἀπορουμένων θεῶν τις αὐτοῖς μηχανὴν σωτηρίας δίδωσιν. ἐξαπίνης γὰρ ἀνέλαμψεν οἰκία τῶν ἐν δεξιᾷ ὅτου δὴ ἐνάψαντος. ὥς δ' αὕτη ξυνέπιπτεν, ἔφευγον οἱ ἀπὸ τῶν ἐν δεξιᾷ οἰκίων. [5.2.25] ὥς δὲ ἔμαθεν ὁ Ξενοφῶν τοῦτο παρὰ τῆς τύχης, ἐνάπτειν ἐκέλευε καὶ τὰς ἐν ἀριστερᾷ οἰκίας, αἱ ξύλιναι ἦσαν, ὥστε καὶ ταχὺ ἐκαίοντο. [5.2.26] ἔφευγον οὖν καὶ οἱ ἀπὸ τούτων τῶν οἰκίων. οἱ δὲ κατὰ στόμα δὴ ἔτι μόνοι ἐλύπουν καὶ δῆλοι ἦσαν ὅτι ἐπικείμενοι ἐν τῇ ἐξόδῳ τε καὶ καταβάσει. ἐνταῦθα παραγγέλλει φέρειν ξύλα ὅσοι ἐτύγγανον ἔξω ὄντες τῶν βελῶν εἰς τὸ μέσον ἑαυτῶν καὶ τῶν πολεμίων. ἐπεὶ δὲ ἱκανὰ ἤδη ἦν, ἐνήψαν· ἐνήπτον δὲ καὶ τὰς παρ' αὐτὸ τὸ χαράκωμα οἰκίας, ὅπως οἱ πολέμιοι ἀμφὶ ταῦτα ἔχοιεν. [5.2.27] οὕτω μόλις ἀπῆλθον ἀπὸ τοῦ χωρίου, πῦρ ἐν μέσῳ ἑαυτῶν καὶ τῶν πολεμίων ποιησάμενοι. καὶ κατεκαύθη πᾶσα ἡ πόλις καὶ αἱ οἰκίαι καὶ αἱ τύρσεις καὶ τὰ σταυρώματα καὶ τᾶλλα πάντα πλὴν τῆς ἄκρας. [5.2.28] τῇ δὲ ὑστεραίᾳ ἀπῆισαν οἱ Ἕλληνες ἔχοντες τὰ ἐπιτήδεια. ἐπεὶ δὲ τὴν κατάβασιν ἐφοβοῦντο τὴν εἰς Τραπεζοῦντα (πρανὴς γὰρ ἦν καὶ στενὴ), ψευδενέδραν ἐποίησαντο· [5.2.29] καὶ ἀνὴρ Μυσὸς καὶ τοῦνομα τοῦτο ἔχων τῶν Κρητῶν λαβὼν δέκα ἔμενεν ἐν λασίῳ χωρίῳ καὶ προσεποιεῖτο τοὺς πολεμίους πειρᾶσθαι λανθάνειν· αἱ δὲ πέλται αὐτῶν ἄλλοτε καὶ ἄλλοτε διεφαίνοντο χαλκαῖ οὔσαι. [5.2.30] οἱ μὲν οὖν πολέμιοι ταῦτα διορῶντες ἐφοβοῦντο ὥς ἐνέδραν οὔσαν· ἡ δὲ στρατιὰ ἐν τούτῳ κατέβαινεν. ἐπεὶ δὲ ἐδόκει ἤδη ἱκανὸν ὑπεληλυθέναι, τῷ Μυσῶι ἐσήμηνε φεύγειν ἀνὰ κράτος· καὶ ὃς ἐξαναστὰς φεύγει καὶ οἱ σὺν αὐτῷ. [5.2.31] καὶ οἱ μὲν ἄλλοι Κρηῖτες (άλισκεσθαι γὰρ ἔφασαν τῷ δρόμῳ), ἐκπεσόντες ἐκ τῆς ὁδοῦ εἰς ὕλην κατὰ τὰς νάπας

καλινδούμενοι ἐσώθησαν, ὁ Μυσὸς δὲ κατὰ τὴν ὁδὸν φεύγων ἐβόα βοηθεῖν [5.2.32] καὶ ἐβοήθησαν αὐτῷ, καὶ ἀνέλαβον τετρωμένον. καὶ αὐτοὶ ἐπὶ πόδα ἀνεχώρουν βαλλόμενοι οἱ βοηθήσαντες καὶ ἀντιτοξεύοντές τινες τῶν Κρητῶν. οὕτως ἀφίκοντο ἐπὶ τὸ στρατόπεδον πάντες σῶιοι ὄντες.

[5.3.1] ἐπεὶ δὲ οὔτε Χειρίσοφος ἦκεν οὔτε πλοῖα ἱκανὰ ἦν οὔτε τὰ ἐπιτήδεια ἦν λαμβάνειν ἔτι, ἐδόκει ἀπιτεόν εἶναι. καὶ εἰς μὲν τὰ πλοῖα τοὺς τε ἀσθενοῦντας ἐνεβίβασαν καὶ τοὺς ὑπὲρ τετταράκοντα ἔτη καὶ παῖδας καὶ γυναῖκας καὶ τῶν σκευῶν ὅσα μὴ ἀνάγκη ἦν ἔχειν. καὶ Φιλήσιον καὶ Σοφαίνετον τοὺς πρεσβυτάτους τῶν στρατηγῶν εἰσβιβάσαντες τούτων ἐκέλευον ἐπιμελεῖσθαι· οἱ δὲ ἄλλοι ἐπορεύοντο· ἡ δὲ ὁδὸς ὠδοποιημένη ἦν. [5.3.2] καὶ ἀφικνούνται πορευόμενοι εἰς Κερασοῦντα τριταῖοι πόλιν Ἑλληνίδα ἐπὶ θαλάττῃ Σινωπέων ἄποικον ἐν τῇ Κολχίδι χώραι. [5.3.3] ἐνταῦθα ἔμειναν ἡμέρας δέκα· καὶ ἐξέτασις σὺν τοῖς ὅπλοις ἐγένετο καὶ ἀριθμός, καὶ ἐγένοντο ὀκτακισχίλιοι καὶ ἐξακόσιοι. οὗτοι ἐσώθησαν. οἱ δὲ ἄλλοι ἀπώλοντο ὑπὸ τε τῶν πολεμίων καὶ χιόνος καὶ εἴ τις νόσῳ. [5.3.4] ἐνταῦθα καὶ διαλαμβάνουσι τὸ ἀπὸ τῶν αἰχμαλώτων ἀργύριον γενόμενον. καὶ τὴν δεκάτην, ἣν τῷ Ἀπόλλωνι ἐξεῖλον καὶ τῇ Ἐφεσίᾳ Ἀρτέμιδι, διέλαβον οἱ στρατηγοὶ τὸ μέρος ἕκαστος φυλάττειν τοῖς θεοῖς· ἀντὶ δὲ Χειρισόφου Νέων ὁ Ἀσιναιὸς ἔλαβε. [5.3.5] Ξενοφῶν οὖν τὸ μὲν τοῦ Ἀπόλλωνος ἀνάθημα ποιησάμενος ἀνατίθησιν εἰς τὸν ἐν Δελφοῖς τῶν Ἀθηναίων θησαυρὸν καὶ ἐπέγραψε τό τε αὐτοῦ ὄνομα καὶ τὸ Προξένου, ὃς σὺν Κλεάρχῳ ἀπέθανεν· ξένος γὰρ ἦν αὐτοῦ. [5.3.6] τὸ δὲ τῆς Ἀρτέμιδος τῆς Ἐφεσίας, ὅτ' ἀπῆι σὺν Ἀγησιλάῳ ἐκ τῆς Ἀσίας τὴν εἰς Βοιωτοὺς ὁδόν, καταλείπει παρὰ Μεγαβύζῳ τῷ τῆς Ἀρτέμιδος νεωκόρῳ, ὅτι αὐτὸς κινδυνεύσων ἐδόκει ἰέναι, καὶ ἐπέστειλεν, ἣν μὲν αὐτὸς σωθῇ, αὐτῷ ἀποδοῦναι· ἣν δέ τι πάθῃ, ἀναθεῖναι ποιησάμενον τῇ Ἀρτέμιδι ὃ τι οἶοιτο χαριεῖσθαι τῇ θεῷ. [5.3.7] ἐπεὶ δὲ ὁ ἔφευγεν ὁ Ξενοφῶν, κατοικοῦντος ἤδη αὐτοῦ ἐν Σκιλλοῦντι ὑπὸ τῶν Λακεδαιμονίων οἰκισθέντος παρὰ τὴν Ὀλυμπίαν ἀφικνεῖται Μεγάβυζος εἰς Ὀλυμπίαν θεωρήσων καὶ ἀποδίδωσι τὴν παρακαταθήκην αὐτῷ. Ξενοφῶν δὲ λαβὼν χωρίον ὠνεῖται τῇ θεῷ ὅπου ἀνεῖλεν ὁ θεός. [5.3.8] ἔτυχε δὲ διαρρέων διὰ τοῦ χωρίου ποταμὸς Σελινοῦς. καὶ ἐν Ἐφέσῳ δὲ παρὰ τὸν τῆς Ἀρτέμιδος νεῶν Σελινοῦς ποταμὸς παραρρεῖ. καὶ ἰχθύες τε ἐν ἀμφοτέροις ἔνεισι καὶ κόγχαι· ἐν

δὲ τῷ ἐν Σκιλλοῦντι χωρίῳ καὶ θῆραι πάντων ὅποσα ἐστὶν ἀγρευόμενα θηρία. [5.3.9] ἐποίησε δὲ καὶ βωμὸν καὶ ναὸν ἀπὸ τοῦ ἱεροῦ ἀργυρίου, καὶ τὸ λοιπὸν δὲ αἰεὶ δεκατεύων τὰ ἐκ τοῦ ἀγροῦ ὥραϊα θυσίαν ἐποίει τῇ θεῷ, καὶ πάντες οἱ πολῖται καὶ οἱ πρόσχωροι ἄνδρες καὶ γυναῖκες μετεῖχον τῆς ἐορτῆς. παρεῖχε δὲ ἡ θεὸς τοῖς σκηνοῦσιν ἄλφита, ἄρτους, οἶνον, τραγήματα, καὶ τῶν θυομένων ἀπὸ τῆς ἱερᾶς νομῆς λάχος, καὶ τῶν θηρευομένων δέ. [5.3.10] καὶ γὰρ θήραν ἐποιοῦντο εἰς τὴν ἐορτὴν οἱ τε Ξενοφῶντος παῖδες καὶ οἱ τῶν ἄλλων πολιτῶν, οἱ δὲ βουλόμενοι καὶ ἄνδρες ξυνεθήρων· καὶ ἠλίσκετο τὰ μὲν ἐξ αὐτοῦ τοῦ ἱεροῦ χώρου, τὰ δὲ καὶ ἐκ τῆς Φολόης, σῦες καὶ δορκάδες καὶ ἔλαφοι. [5.3.11] ἔστι δὲ ἡ χώρα ἥ ἐκ Λακεδαιμόνος εἰς Ὀλυμπίαν πορεύονται ὡς εἴκοσι στάδιοι ἀπὸ τοῦ ἐν Ὀλυμπίᾳ Διὸς ἱεροῦ. ἐν δ' ἐν τῷ ἱερῷ χώρῳ καὶ λειμῶν καὶ ὄρη δένδρων μεστά, ἱκανὰ σῦς καὶ αἶγας καὶ βοῦς τρέφειν καὶ ἵππους, ὥστε καὶ τὰ τῶν εἰς τὴν ἐορτὴν ἰόντων ὑποζύγια εὐωχεῖσθαι. [5.3.12] περὶ δὲ αὐτὸν τὸν ναὸν ἄλλος ἡμέρων δένδρων ἐφυτεύθη ὅσα ἐστὶ τρωκτὰ ὥραϊα. ὁ δὲ ναὸς ὡς μικρὸς μεγάλῳ τῷ ἐν Ἐφέσῳ εἴκασται, καὶ τὸ ξόανον ἔοικεν ὡς κυπαρίττινον χρυσῷ ὄντι τῷ ἐν Ἐφέσῳ. [5.3.13] καὶ στήλη ἔστηκε παρὰ τὸν ναὸν γράμματα ἔχουσα·

Ἱερὸς ὁ χώρος τῆς Ἀρτέμιδος. τὸν ἔχοντα καὶ καρπούμενον τὴν μὲν δεκάτην καταθῆναι ἐκάστου ἔτους. ἐκ δὲ τοῦ περιττοῦ τὸν ναὸν ἐπισκευάζειν. ἂν δὲ τις μὴ ποιῇ ταῦτα τῇ θεῷ μελήσει.

[5.4.1] ἐκ Κερασοῦντος δὲ κατὰ θάλατταν μὲν ἐκομίζοντο οἵπερ καὶ πρόσθεν, οἱ δὲ ἄλλοι κατὰ γῆν ἐπορεύοντο. [5.4.2] ἐπεὶ δὲ ἦσαν ἐπὶ τοῖς Μοσσυνοίκων ὁρίοις, πέμπουσιν εἰς αὐτοὺς Τιμησίθεον τὸν Τραπεζούντιον πρόξενον ὄντα τῶν Μοσσυνοίκων, ἐρωτῶντες πότερον ὡς διὰ φιλίας ἢ διὰ πολεμίας πορεύσονται τῆς χώρας. οἱ δὲ εἶπον ὅτι οὐ διήσοιεν· ἐπίστευον γὰρ τοῖς χωρίοις. [5.4.3] ἐντεῦθεν λέγει ὁ Τιμησίθεος ὅτι πολέμιοι εἰσιν αὐτοῖς οἱ ἐκ τοῦ ἐπέκεινα. καὶ ἐδόκει καλέσαι ἐκείνους, εἰ βούλοιντο ξυμμαχίαν ποιήσασθαι· καὶ πεμφθεὶς ὁ Τιμησίθεος ἤκεν ἄγων τοὺς ἄρχοντας. [5.4.4] ἐπεὶ δὲ ἀφίκοντο, συνῆλθον οἱ τε τῶν Μοσσυνοίκων ἄρχοντες καὶ οἱ στρατηγοὶ τῶν Ἑλλήνων· [5.4.5] καὶ ἔλεξε Ξενοφῶν, ἡρμήνευε δὲ Τιμησίθεος· «ὦ ἄνδρες Μοσσύνοικοι, ἡμεῖς βουλόμεθα διασωθῆναι πρὸς τὴν Ἑλλάδα πεζῇ· πλοῖα γὰρ οὐκ ἔχομεν· κωλύουσι δὲ οὗτοι ἡμᾶς οὕς ἀκούομεν ὑμῖν πολεμίους εἶναι. [5.4.6] εἰ οὖν βούλεσθε, ἔξεστιν ὑμῖν ἡμᾶς λαβεῖν ξυμμάχους καὶ τιμωρήσασθαι εἴ τί ποτε

ὕμᾱς οὗτοι ἡδίκησαν, καὶ τὸ λοιπὸν ὑμῶν ὑπηκόους εἶναι τούτους.
[5.4.7] εἰ δὲ ἡμᾶς ἀφήσετε, σκέψασθε πόθεν αὐθις ἂν τοσαύτην
δύναμιν λάβοιτε ξύμμαχον.» [5.4.8] πρὸς ταῦτα ἀπεκρίνατο ὁ ἄρχων
τῶν Μοσσυνοίκων ὅτι καὶ βούλονται ταῦτα καὶ δέχονται τὴν
ξυμμαχίαν. [5.4.9] «ἄγετε δὴ, ἔφη ὁ Ξενοφῶν, τί ἡμῶν δεήσεσθε
χρήσασθαι, ἂν ξύμμαχοι ὑμῶν γενώμεθα, καὶ ὑμεῖς τί οἰοί τε ἔσεσθε
ἡμῖν ξυμπράξαι περὶ τῆς διόδου;» [5.4.10] οἱ δὲ εἶπον ὅτι ἱκανοὶ ἐσμεν
εἰς τὴν χώραν εἰσβάλλειν ἐκ τοῦ ἐπὶ θάτερα τὴν τῶν ὑμῖν τε καὶ ἡμῖν
πολεμίων, καὶ δεῦρο ὑμῖν πέμψαι ναῦς τε καὶ ἄνδρας οἵτινες ὑμῖν
ξυμμαχοῦνται τε καὶ τὴν ὁδὸν ἡγήσονται. [5.4.11] ἐπὶ τούτοις πιστὰ
δόντες καὶ λαβόντες ὤχοντο. καὶ ἦκον τῇ ὑστεραίᾳ ἄγοντες
τριακόσια πλοῖα μονόξυλα καὶ ἐν ἐκάστῳ τρεῖς ἄνδρας, ὧν οἱ μὲν
δύο ἐκβάντες εἰς τάξιν ἔθεντο τὰ ὄπλα, ὁ δὲ εἷς ἔμενε. [5.4.12] καὶ οἱ
μὲν λαβόντες τὰ πλοῖα ἀπέπλευσαν, οἱ δὲ μένοντες ἐξετάξαντο ὧδε.
ἔστησαν [ὥσπερ] ἀνὰ ἑκατὸν μάλιστα οἶον χοροὶ ἀντιστοιχοῦντες
ἀλλήλοις, ἔχοντες γέρρα πάντες λευκῶν βοῶν δασέα, ἠικασμένα
κιττοῦ πετάλωι, ἐν δὲ τῇ δεξιᾷ παλτὸν ὡς ἐξπηχυ, ἔμπροσθεν μὲν
λόγχην ἔχον, ὀπισθεν δὲ τοῦ ξύλου σφαιροειδές. [5.4.13] χιτωνίσκους
δὲ ἐνεδεδύκεσαν ὑπὲρ γονάτων, πάχος ὡς λινοῦ στρωματοδέσμου,
ἐπὶ τῇ κεφαλῇ δὲ κράνη σκύτινα οἷάπερ τὰ Παφλαγονικά,
κρωβύλον ἔχοντα κατὰ μέσον, ἐγγύτατα τιαροειδῆ· εἶχον δὲ καὶ
σαγάρεις σιδηρᾶς. [5.4.14] ἐντεῦθεν ἐξῆρχε μὲν αὐτῶν εἷς, οἱ δὲ ἄλλοι
ἅπαντες ἐπορεύοντο αἰδοντες ἐν ῥυθμῶι, καὶ διελθόντες διὰ τῶν
τάξεων καὶ διὰ τῶν ὀπλῶν τῶν Ἑλλήνων ἐπορεύοντο εὐθύς πρὸς
τοὺς πολεμίους ἐπὶ χωρίον ὃ ἐδόκει ἐπιμαχώτατον εἶναι. [5.4.15]
ὠκεῖτο δὲ τοῦτο πρὸ τῆς πόλεως τῆς Μητροπόλεως καλουμένης
αὐτοῖς καὶ ἐχούσης τὸ ἀκρότατον τῶν Μοσσυνοίκων. καὶ περὶ
τούτου ὁ πόλεμος ἦν· οἱ γὰρ ἀεὶ τοῦτ' ἔχοντες ἐδόκουν ἐγκρατεῖς
εἶναι καὶ πάντων Μοσσυνοίκων, καὶ ἔφασαν τούτους οὐ δικαίως
ἔχειν τοῦτο, ἀλλὰ κοινὸν ὃν καταλαβόντας πλεονεκτεῖν. [5.4.16]
εἶποντο δ' αὐτοῖς καὶ τῶν Ἑλλήνων τινές, οὐ ταχθέντες ὑπὸ τῶν
στρατηγῶν, ἀλλὰ ἀρπαγῆς ἕνεκεν. οἱ δὲ πολέμιοι προσιόντων τέως
μὲν ἡσύχαζον· ἐπεὶ δ' ἐγγὺς ἐγένοντο τοῦ χωρίου, ἐκδραμόντες
τρέπονται αὐτούς, καὶ ἀπέκτειναν συχνούς τῶν βαρβάρων καὶ τῶν
ξυναναβάντων Ἑλλήνων τινάς, καὶ ἐδίωκον μέχρι οὗ εἶδον τοὺς
Ἑλληνας βοηθοῦντας· [5.4.17] εἶτα δὲ ἀποτραπόμενοι ὤχοντο, καὶ
ἀποτεμόντες τὰς κεφαλὰς τῶν νεκρῶν ἐπεδείκνυσαν τοῖς Ἑλλησι καὶ

τοῖς ἑαυτῶν πολεμίοις, καὶ ἅμα ἐχόρευον νόμῳ τινὶ αἰδοντες. [5.4.18] οἱ δὲ Ἕλληνες μάλα ἤχθοντο ὅτι τοὺς τε πολεμίους ἐπεποιήκεσαν θρασυτέρους καὶ ὅτι οἱ ἐξελθόντες Ἕλληνες σὺν αὐτοῖς ἐπεφεύγεσαν μάλα ὄντες συχνοί· ὁ οὐπω πρόσθεν ἐπεποιήκεσαν ἐν τῇ στρατείᾳ. [5.4.19] Ξενοφῶν δὲ ζυγκαλέσας τοὺς Ἕλληνας εἶπεν· «ἄνδρες στρατιῶται, μηδὲν ἀθυμήσητε ἔνεκα τῶν γεγεννημένων· ἴστε γὰρ ὅτι καὶ ἀγαθὸν οὐ μείον τοῦ κακοῦ γεγένηται. [5.4.20] πρῶτον μὲν γὰρ ἐπίστασθε ὅτι οἱ μέλλοντες ἡμῖν ἡγεῖσθαι τῷ ὄντι πολέμοι εἰσιν οἷσπερ καὶ ἡμᾶς ἀνάγκη· ἔπειτα δὲ καὶ τῶν Ἑλλήνων οἱ ἀμελήσαντες τῆς ξὺν ἡμῖν τάξεως καὶ ἱκανοὶ ἡγησάμενοι εἶναι ξὺν τοῖς βαρβάροις ταῦτά πράττειν ἅπερ σὺν ἡμῖν δίκην δεδώκασιν· ὥστε αὖθις ἦττον τῆς ἡμετέρας τάξεως ἀπολείπονται. [5.4.21] ἀλλ' ὑμᾶς δεῖ παρασκευάζεσθαι ὅπως καὶ τοῖς φίλοις οὔσι τῶν βαρβάρων δόζητε κρείττους αὐτῶν εἶναι καὶ τοῖς πολεμίοις δηλώσητε ὅτι οὐχ ὁμοίοις ἀνδράσι μαχοῦνται νῦν τε καὶ ὅτε τοῖς ἀτάκτοις ἐμάχοντο.» [5.4.22] ταύτην μὲν οὖν τὴν ἡμέραν οὕτως ἔμειναν· τῇ δὲ ὑστεραίᾳ θύσαντες ἐπεὶ ἐκαλλιερήσαντο, ἀριστήσαντες, ὀρθίους τοὺς λόχους ποιησάμενοι, καὶ τοὺς βαρβάρους ἐπὶ τὸ εὐώνυμον κατὰ ταῦτα ταξάμενοι ἐπορεύοντο τοὺς τοξότας μεταξὺ τῶν λόχων [ὀρθίων] ἔχοντες, ὑπολειπομένου δὲ μικρὸν τοῦ στόματος τῶν ὀπλιτῶν. [5.4.23] ἦσαν γὰρ τῶν πολεμίων οἱ εὗζωνοὶ κατατρέχοντες τοῖς λίθοις ἔβαλλον. τούτους ἀνέστελλον οἱ τοξόται καὶ πελτασταί. οἱ δ' ἄλλοι βάδην ἐπορεύοντο πρῶτον μὲν ἐπὶ τὸ χωρίον ἀφ' οὗ τῇ προτεραίᾳ οἱ βάρβαροι ἐτρέφθησαν καὶ οἱ ξὺν αὐτοῖς· ἐνταῦθα γὰρ οἱ πολέμοι ἦσαν ἀντιτεταγμένοι. [5.4.24] τοὺς μὲν οὖν πελταστὰς ἐδέξαντο οἱ βάρβαροι καὶ ἐμάχοντο, ἐπειδὴ δὲ ἐγγὺς ἦσαν οἱ ὀπλίται, ἐτρέποντο. καὶ οἱ μὲν πελτασταὶ εὐθύς εἶποντο διώκοντες ἄνω πρὸς τὴν πόλιν, οἱ δὲ ὀπλίται ἐν τάξει εἶποντο. [5.4.25] ἐπεὶ δὲ ἄνω ἦσαν πρὸς ταῖς Μητροπόλεως οἰκίαις, ἐνταῦθα οἱ πολέμοι ὁμοῦ δὴ πάντες γενόμενοι ἐμάχοντο καὶ ἐξηκόντιζον τοῖς παλτοῖς, καὶ ἄλλα δόρατα ἔχοντες παχέα μακρά, ὅσα ἀνὴρ ἂν φέροι μόλις, τούτοις ἐπειρῶντο ἀμύνεσθαι ἐκ χειρός. [5.4.26] ἐπεὶ δὲ οὐχ ὑφίεντο οἱ Ἕλληνες, ἀλλὰ ὁμόσε ἐχώρουν, ἔφευγον οἱ βάρβαροι καὶ ἐντεῦθεν, λιπόντες ἅπαντες τὸ χωρίον. ὁ δὲ βασιλεὺς αὐτῶν ὁ ἐν τῷ μόσσουνι τῷ ἐπ' ἄκρου ὠικοδομημένῳ, ὃν τρέφουσι πάντες κοινῇ αὐτοῦ μένοντα καὶ φυλάττουσιν, οὐκ ἤθελεν ἐξελθεῖν, οὐδὲ ὁ ἐν τῷ πρότερον αἰρεθέντι χωρίῳ, ἀλλ' αὐτοῦ σὺν τοῖς μοσσύναις κατεκαύθησαν. [5.4.27] οἱ δὲ

Ἕλληνες διαρπάζοντες τὰ χωρία ἠύρισκον θησαυροὺς ἐν ταῖς οἰκίαις ἄρτων νενημένων περυσινῶν, ὥς ἔφασαν οἱ Μοσσύνοικοι, τὸν δὲ νέον σῖτον ξὺν τῇ καλάμῃ ἀποκεείμενον· ἦσαν δὲ ζειαὶ αἱ πλεῖσται. [5.4.28] καὶ δελφίνων τεμάχῃ ἐν ἀμφορεῦσιν ἠύρισκετο τεταριχευμένα καὶ στέαρ ἐν τεύχεσι τῶν δελφίνων, ᾧ ἐχρῶντο οἱ Μοσσύνοικοι καθάπερ οἱ Ἕλληνες τῷ ἐλαίῳ· [5.4.29] κάρυα δὲ ἐπὶ τῶν ἀνώγεων ἦν πολλὰ τὰ πλατέα οὐκ ἔχοντα διαφυῆν οὐδεμίαν. τούτων καὶ πλείστῳ σίτῳ ἐχρῶντο ἔσποντες καὶ ἄρτους ὀπτῶντες. οἶνος δὲ ἠύρισκετο ὃς ἄκρατος μὲν ὅζυς ἐφαίνετο εἶναι ὑπὸ τῆς αὐστηρότητος, κερασθεὶς δὲ εὐώδης τε καὶ ἡδύς. [5.4.30] οἱ μὲν δὴ Ἕλληνες ἀριστήσαντες ἐνταῦθα ἐπορεύοντο εἰς τὸ πρόσω, παραδόντες τὸ χωρίον τοῖς ζυμμαχήσασι τῶν Μοσσυνοίκων. ὅποσα δὲ καὶ ἄλλα παρῆσαν χωρία τῶν ξὺν τοῖς πολεμίοις ὄντων, τὰ εὐπροσοδῶτατα οἱ μὲν ἔλειπον, οἱ δὲ ἐκόντες προσεχώρουν. [5.4.31] τὰ δὲ πλεῖστα τοιάδε ἦν τῶν χωρίων. ἀπεῖχον αἱ πόλεις ἀπ' ἀλλήλων στάδια ὀγδοήκοντα, αἱ δὲ πλέον αἱ δὲ μεῖον· ἀναβοώντων δὲ ἀλλήλων ζυνήκουον εἰς τὴν ἑτέραν ἐκ τῆς ἑτέρας πόλεως· οὕτως ὑψηλὴ τε καὶ κοίλῃ ἡ χώρα ἦν. [5.4.32] ἐπεὶ δὲ πορευόμενοι ἐν τοῖς φίλοις ἦσαν, ἐπεδείκνυσαν αὐτοῖς παῖδας τῶν εὐδαιμόνων σιτευτοὺς, τεθραμμένους καρύοις ἐφθοῖς, ἀπαλούς καὶ λευκοὺς σφόδρα καὶ οὐ πολλοῦ δέοντας ἴσους τὸ μῆκος καὶ τὸ πλάτος εἶναι, ποικίλους δὲ τὰ νῶτα καὶ τὰ ἔμπροσθεν πάντα, ἐστιγμένους ἀνθέμια. [5.4.33] ἐζήτουν δὲ καὶ ταῖς ἐταίραις ὥς ἦγον οἱ Ἕλληνες ἐμφανῶς ζυγγίγνεσθαι· νόμος γὰρ ἦν οὗτός σφισι. λευκοὶ δὲ πάντες οἱ ἄνδρες καὶ αἱ γυναῖκες. [5.4.34] τούτους ἔλεγον οἱ στρατευσάμενοι βαρβαρωτάτους διελθεῖν καὶ πλεῖστον τῶν Ἑλληνικῶν νόμων κεχωρισμένους. ἐν τε γὰρ ὄχλῳ ὄντες ἐποίουν ἅπερ <ἄν> ἄνθρωποι ἐν ἐρημίᾳ ποιήσειαν, μόνοι τε ὄντες ὅμοια ἔπραττον ἅπερ ἂν μετ' ἄλλων ὄντες, διελέγοντό τε αὐτοῖς καὶ ἐγέλων ἐφ' ἑαυτοῖς καὶ ὠρχοῦντο ἐφιστάμενοι ὅπου τύχοιεν, ὥσπερ ἄλλοις ἐπιδεικνύμενοι.

[5.5.1] διὰ ταύτης τῆς χώρας οἱ Ἕλληνες, διὰ τε τῆς πολεμίας καὶ τῆς φιλίας, ἐπορεύθησαν ὁκτὼ σταθμούς, καὶ ἀφικνοῦνται εἰς Χάλυβας. οὗτοι ὀλίγοι τε ἦσαν καὶ ὑπήκοοι τῶν Μοσσυνοίκων, καὶ ὁ βίος ἦν τοῖς πλείστοις αὐτῶν ἀπὸ σιδηρείας. [5.5.2] ἐντεῦθεν ἀφικνοῦνται εἰς Τιβαρηνούς. ἡ δὲ τῶν Τιβαρηνῶν χώρα πολὺ ἦν πεδινωτέρα καὶ χωρία εἶχεν ἐπὶ θαλάττῃ ἤττον ἐρυμνά. καὶ οἱ στρατηγοὶ ἐχρηίζον πρὸς τὰ χωρία προσβάλλειν καὶ τὴν στρατιὰν

ὀνηθῆναι τι, καὶ τὰ ξένια ἃ ἦκε παρὰ Τιβαρηνῶν οὐκ ἐδέχοντο, ἀλλ' ἐπιμεῖναι κελεύσαντες ἔστε βουλευσάιντο ἐθύοντο. [5.5.3] καὶ πολλὰ καταθυσάντων τέλος ἀπεδείξαντο οἱ μάντιες πάντες γνώμην ὅτι οὐδαμῇ προσίοιντο οἱ θεοὶ τὸν πόλεμον. ἐντεῦθεν δὴ τὰ ξένια ἐδέξαντο, καὶ ὡς διὰ φιλίας πορευόμενοι δύο ἡμέρας ἀφίκοντο εἰς Κοτύωρα πόλιν Ἑλληνίδα, Σινωπέων ἄποικον, οὗσαν δ' ἐν τῇ Τιβαρηνῶν χώρᾳ. [5.5.4] [μέχρι ἐνταῦθα ἐπέξευσεν ἡ στρατιὰ. πλῆθος τῆς καταβάσεως τῆς ὁδοῦ ἀπὸ τῆς ἐν Βαβυλῶνι μάχης ἄχρι εἰς Κοτύωρα σταθμοὶ ἑκατὸν εἴκοσι δύο, παρασάγγαι ἑξακόσιοι καὶ εἴκοσι, στάδιοι μῦριοι καὶ ὀκτακισχίλιοι καὶ ἑξακόσιοι, χρόνου πλῆθος ὀκτὼ μῆνες.] [5.5.5] ἐνταῦθα ἔμειναν ἡμέρας τετταράκοντα πέντε. ἐν δὲ ταύταις πρῶτον μὲν τοῖς θεοῖς ἔθυσαν, καὶ πομπὰς ἐποίησαν κατὰ ἔθνος ἕκαστοι τῶν Ἑλλήνων καὶ ἀγῶνας γυμνικούς. [5.5.6] τὰ δ' ἐπιτήδει' ἐλάμβανον τὰ μὲν ἐκ τῆς Παφλαγονίας, τὰ δ' ἐκ τῶν χωρίων τῶν Κοτυωριτῶν· οὐ γὰρ παρεῖχον ἀγοράν, οὐδ' εἰς τὸ τεῖχος τοὺς ἀσθενοῦντας ἐδέχοντο. [5.5.7] ἐν τούτῳ ἔρχονται ἐκ Σινώπης πρέσβεις, φοβούμενοι περὶ τῶν Κοτυωριτῶν τῆς τε πόλεως (ἦν γὰρ ἐκείνων καὶ φόρον ἐκείνοις ἔφερον) καὶ περὶ τῆς χώρας, ὅτι ἤκουον δηιουμένην. καὶ ἐλθόντες εἰς τὸ στρατόπεδον ἔλεγον· προηγόρει δὲ Ἑκατῶνυμος δεινὸς νομιζόμενος εἶναι λέγειν· [5.5.8] «ἔπεμψεν ἡμᾶς, ὧ ἄνδρες στρατιῶται, ἡ τῶν Σινωπέων πόλις ἐπαινέσοντάς τε ὑμᾶς ὅτι νικᾶτε Ἕλληνες ὄντες βαρβάρους, ἔπειτα δὲ καὶ ξυνησθησομένους ὅτι διὰ πολλῶν τε καὶ δεινῶν, ὡς ἡμεῖς ἠκούσαμεν, πραγμάτων σεσωσμένοι πάρεστε. [5.5.9] ἀξιοῦμεν δὲ Ἕλληνες ὄντες καὶ αὐτοὶ ὑφ' ὑμῶν ὄντων Ἑλλήνων ἀγαθὸν μὲν τι πάσχειν, κακὸν δὲ μηδέν· οὐδὲ γὰρ ἡμεῖς ὑμᾶς οὐδὲν πώποτε ὑπῆρξαμεν κακῶς ποιοῦντες. [5.5.10] Κοτυωρίται δὲ οὗτοι εἰσὶ μὲν ἡμέτεροι ἄποικοι, καὶ τὴν χώραν ἡμεῖς αὐτοῖς ταύτην παραδεδώκαμεν βαρβάρους ἀφελόμενοι· διὸ καὶ δασμὸν ἡμῖν φέρουσιν οὗτοι τεταγμένον καὶ Κερασούντιοι καὶ Τραπεζούντιοι· ὥστε ὃ τι ἂν τούτους κακὸν ποιήσητε ἡ Σινωπέων πόλις νομίζει πάσχειν. [5.5.11] νῦν δὲ ἀκούομεν ὑμᾶς εἰς τε τὴν πόλιν βίαι παρελθλυθότας ἐνίους σκηνοῦν ἐν ταῖς οἰκίαις καὶ ἐκ τῶν χωρίων βίαι λαμβάνειν ὧν ἂν δέησθε οὐ πείθοντας. [5.5.12] ταῦτ' οὖν οὐκ ἀξιοῦμεν· εἰ δὲ ταῦτα ποιήσετε, ἀνάγκη ἡμῖν καὶ Κορύλαν καὶ Παφλαγόνας καὶ ἄλλον ὄντινα ἂν δυνώμεθα φίλον ποιεῖσθαι.» [5.5.13] πρὸς ταῦτα ἀναστὰς Ξενοφῶν ὑπὲρ τῶν στρατιωτῶν εἶπεν· «ἡμεῖς

δέ, ὧ ἄνδρες Σινωπεῖς, ἤκομεν ἀγαπῶντες ὅτι τὰ σώματα διεσωσάμεθα καὶ τὰ ὄπλα· οὐ γὰρ ἦν δυνατὸν ἅμα τε χρήματα ἄγειν καὶ φέρειν καὶ τοῖς πολεμίοις μάχεσθαι. [5.5.14] καὶ νῦν ἐπεὶ εἰς τὰς Ἑλληνίδας πόλεις ἤλθομεν, ἐν Τραπεζοῦντι μὲν (παρεῖχον γὰρ ἡμῖν ἀγοράν) ὠνούμενοι εἶχομεν τὰ ἐπιτήδεια, καὶ ἀνθ' ὧν ἐτίμησαν ἡμᾶς καὶ ξένια ἔδωκαν τῇ στρατιᾷ, ἀντετιμῶμεν αὐτούς, καὶ εἴ τις αὐτοῖς φίλος ἦν τῶν βαρβάρων, τούτων ἀπειχόμεθα· τοὺς δὲ πολεμίους αὐτῶν ἐφ' οὓς αὐτοὶ ἡγοῖντο κακῶς ἐποιοῦμεν ὅσον ἐδυνάμεθα. [5.5.15] ἐρωτᾶτε δὲ αὐτοὺς ὁποίων τινῶν ἡμῶν ἔτυχον· πάρεισι γὰρ ἐνθάδε οὓς ἡμῖν ἡγεμόνας διὰ φιλίαν ἢ πόλιν ξυνέπεμψεν. [5.5.16] ὅποι δ' ἂν ἐλθόντες ἀγοράν μὴ ἔχωμεν, ἂν τε εἰς βάρβαρον γῆν ἂν τε εἰς Ἑλληνίδα, οὐχ ὕβρει ἀλλὰ ἀνάγκῃ λαμβάνομεν τὰ ἐπιτήδεια. [5.5.17] καὶ Καρδούχους καὶ Ταόχους καὶ Χαλδαίους καίπερ βασιλέως οὐχ ὑπηκόους ὄντας ὅμως καὶ μάλα φοβεροὺς ὄντας πολεμίους ἐκτησάμεθα διὰ τὸ ἀνάγκην εἶναι λαμβάνειν τὰ ἐπιτήδεια, ἐπεὶ ἀγοράν οὐ παρεῖχον. [5.5.18] Μάκρωνας δὲ καίπερ βαρβάρους ὄντας, ἐπεὶ ἀγοράν οἷαν ἐδύναντο παρεῖχον, φίλους τε ἐνομιζόμεν εἶναι καὶ βίαι οὐδὲν ἐλαμβάνομεν τῶν ἐκείνων. [5.5.19] Κοτυωρίτας δέ, οὓς ὑμετέρους φατὲ εἶναι, εἴ τι αὐτῶν εἰλήφαμεν, αὐτοὶ αἰτιοὶ εἰσιν· οὐ γὰρ ὡς φίλοι προσεφέροντο ἡμῖν, ἀλλὰ κλείσαντες τὰς πύλας οὔτε εἴσω ἐδέχοντο οὔτε ἔξω ἀγοράν ἔπεμπον· ἠτιῶντο δὲ τὸν παρ' ὑμῶν ἄρμοσθην τούτων αἴτιον εἶναι. [5.5.20] ὁ δὲ λέγεις βίαι παρελθόντας σκηνοῦν, ἡμεῖς ἡξιοῦμεν τοὺς κάμνοντας εἰς τὰς στέγας δέξασθαι· ἐπεὶ δὲ οὐκ ἀνέωγον τὰς πύλας, ἥ ἡμᾶς ἐδέχετο αὐτὸ τὸ χωρίον ταύτῃ εἰσελθόντες ἄλλο μὲν οὐδὲν βίαιον ἐποιήσαμεν, σκηνοῦσι δ' ἐν ταῖς στέγαις οἱ κάμνοντες τὰ αὐτῶν δαπανῶντες, καὶ τὰς πύλας φρουροῦμεν, ὅπως μὴ ἐπὶ τῷ ὑμετέρῳ ἄρμοστῇ ὧσιν οἱ κάμνοντες ἡμῶν, ἀλλ' ἐφ' ἡμῖν ἥ κομίσασθαι ὅταν βουλώμεθα. [5.5.21] οἱ δὲ ἄλλοι, ὡς ὁρᾶτε, σκηνοῦμεν ὑπαίθριοι ἐν τῇ τάξει, παρεσκευασμένοι, ἂν μὲν τις εὖ ποιῇ, ἀντ' εὖ ποιεῖν, ἂν δὲ κακῶς, ἀλέξασθαι. [5.5.22] ἃ δὲ ἡπείλησας ὡς, ἦν ὑμῖν δοκῇ, Κορύλαν καὶ Παφλαγόνας ξυμμάχους ποιήσεσθε ἐφ' ἡμᾶς, ἡμεῖς δέ, ἦν μὲν ἀνάγκη ἦι, πολεμήσομεν καὶ ἀμφοτέροις· ἥδη γὰρ καὶ ἄλλοις πολλαπλασίοις ὑμῶν ἐπολεμήσαμεν· ἂν δὲ δοκῇ ἡμῖν καὶ φίλον ποιεῖσθαι τὸν Παφλαγόνα [5.5.23] (ἀκούομεν δὲ αὐτὸν καὶ ἐπιθυμεῖν τῆς ὑμετέρας πόλεως καὶ χωρίων τῶν ἐπιθαλαττίων), πειρασόμεθα ξυμπράττοντες αὐτῷ ὧν ἐπιθυμεῖ φίλοι γίγνεσθαι.» [5.5.24] ἐκ τούτου

μάλα μὲν δῆλοι ἦσαν οἱ ζυμπρέσβεις τῷ Ἑκατωνύμῳ χαλεπαίνοντες τοῖς εἰρημένοις, παρελθὼν δ' αὐτῶν ἄλλος εἶπεν ὅτι οὐ πόλεμον ποιησόμενοι ἤκοιεν ἀλλὰ ἐπιδείζοντες ὅτι φίλοι εἰσὶ. καὶ ξενίοις, ἣν μὲν ἔλθητε πρὸς τὴν Σινωπέων πόλιν, ἐκεῖ δεξόμεθα, νῦν δὲ τοὺς ἐνθάδε κελεύσομεν διδόναι ἃ δύνανται· ὁρῶμεν γὰρ πάντα ἀληθῆ ὄντα ἃ λέγετε. [5.5.25] ἐκ τούτου ξενία τε ἔπεμπον οἱ Κοτυωρίται καὶ οἱ στρατηγοὶ τῶν Ἑλλήνων ἐξένιζον τοὺς τῶν Σινωπέων πρέσβεις, καὶ πρὸς ἀλλήλους πολλά τε καὶ φιλικὰ διελέγοντο τά τε ἄλλα καὶ περὶ τῆς λοιπῆς πορείας ἀνεπυνθάνοντο ὧν ἑκάτεροι ἐδέοντο.

[5.6.1] ταύτῃ μὲν τῇ ἡμέρᾳ τοῦτο τὸ τέλος ἐγένετο. τῇ δὲ ὑστεραίᾳ ξυνέλεξαν οἱ στρατηγοὶ τοὺς στρατιώτας. καὶ ἐδόκει αὐτοῖς περὶ τῆς λοιπῆς πορείας παρακαλέσαντας τοὺς Σινωπέας βουλευέσθαι. εἴτε γὰρ πεζῇ δέοι πορεύεσθαι, χρήσιμοι ἂν ἐδόκουν εἶναι οἱ Σινωπεῖς· ἔμπειροι γὰρ ἦσαν τῆς Παφλαγονίας· εἴτε κατὰ θάλατταν, προσδεῖν ἐδόκει Σινωπέων· μόνοι γὰρ ἂν ἐδόκουν ἱκανοὶ εἶναι πλοῖα παρασχεῖν ἀρκοῦντα τῇ στρατιᾷ. [5.6.2] καλέσαντες οὖν τοὺς πρέσβεις ξυνεβουλευόντο, καὶ ἡξίουσαν Ἑλληνας ὄντας Ἑλλησι τούτῳ πρῶτον καλῶς δέχεσθαι τῷ εὐνους τε εἶναι καὶ τὰ κάλλιστα ζυμβουλεύειν. [5.6.3] ἀναστὰς δὲ Ἑκατόννυμος πρῶτον μὲν ἀπελογήσατο περὶ οὗ εἶπεν ὡς τὸν Παφλαγόνα φίλον ποιήσονται, ὅτι οὐχ ὡς τοῖς Ἑλλησι πολεμησόντων σφῶν εἴποι, ἀλλ' ὅτι ἐξὸν τοῖς βαρβάροις φίλους εἶναι τοὺς Ἑλληνας αἰρήσονται. ἐπεὶ δὲ ζυμβουλεύειν ἐκέλευον, ἐπευξάμενος εἶπεν ὧδε. [5.6.4] «εἰ μὲν ζυμβουλεύοιμι ἃ βέλτιστά μοι [εἶναι] δοκεῖ, πολλά μοι καὶ ἀγαθὰ γένοιτο· εἰ δὲ μή, τάναντία. αὐτὴ γὰρ ἡ ἱερὰ ζυμβουλὴ λεγομένη εἶναι δοκεῖ μοι παρεῖναι· νῦν γὰρ δὴ ἂν μὲν εὖ ζυμβουλεύσας φανῶ, πολλοὶ ἔσονται οἱ ἐπαινοῦντές με, ἂν δὲ κακῶς, πολλοὶ ἔσσεσθε οἱ καταρώμενοι. [5.6.5] πράγματα μὲν οὖν οἶδ' ὅτι πολὺ πλείω ἔξομεν, ἐὰν κατὰ θάλατταν κομίζησθε· ἡμᾶς γὰρ δεήσει τὰ πλοῖα πορίζειν· ἣν δὲ κατὰ γῆν στέλλησθε, ὑμᾶς δεήσει τοὺς μαχομένους εἶναι. ὅμως δὲ λεκτέα ἃ γινώσκω· [5.6.6] ἔμπειρος γὰρ εἰμι καὶ τῆς χώρας τῆς Παφλαγόνων καὶ τῆς δυνάμεως. ἔχει γὰρ ἀμφοτέρω, καὶ πεδία κάλλιστα καὶ ὄρη ὑψηλότατα. [5.6.7] καὶ πρῶτον μὲν οἶδα εὐθὺς ἢ τὴν εἰσβολὴν ἀνάγκη ποιεῖσθαι· οὐ γὰρ ἔστιν ἄλλη ἢ ἢ τὰ κέρατα τοῦ ὄρους τῆς ὁδοῦ καθ' ἑκάτερά ἐστιν ὑψηλά, ἃ κρατεῖν κατέχοντες καὶ πάνυ ὀλίγοι δύναιντ' ἂν· τούτων δὲ κατεχομένων οὐδ' ἂν οἱ πάντες

ἄνθρωποι δύναιнт' ἂν διελθεῖν. ταῦτα δὲ καὶ δεῖξαιμι ἂν, εἴ μοί τινα βούλοισθε ξυμπέμψαι. [5.6.8] ἔπειτα δὲ οἶδα καὶ πεδία ὄντα καὶ ἱππεῖαν ἦν αὐτοὶ οἱ βάρβαροι νομίζουσι κρεῖττω εἶναι ἀπάσης τῆς βασιλέως ἱππείας. καὶ νῦν οὗτοι οὐ παρεγένοντο βασιλεῖ καλοῦντι, ἀλλὰ μεῖζον φρονεῖ ὁ ἄρχων αὐτῶν. [5.6.9] ἦν δὲ καὶ δυνηθῆτε τὰ τε ὄρη κλέψαι ἢ φθάσαι λαβόντες καὶ ἐν τῷ πεδίῳ κρατῆσαι μαχόμενοι τοὺς τε ἱππείας τούτων καὶ πεζῶν μυριάδας πλέον ἢ δώδεκα, ἥξετε ἐπὶ τοὺς ποταμούς, πρῶτον μὲν τὸν Θερμώδοντα, εὖρος τριῶν πλέθρων, ὃν χαλεπὸν οἶμαι διαβαίνειν ἄλλως τε καὶ πολεμίων πολλῶν ἔμπροσθεν ὄντων, πολλῶν δὲ ὀπισθεν ἐπομένων· δεύτερον δὲ Ἴριν, τρίπλεθρον ὡσαύτως· τρίτον δὲ Ἄλυν, οὐ μεῖον δυοῖν σταδίοις, ὃν οὐκ ἂν δύναισθε ἄνευ πλοίων διαβῆναι· πλοῖα δὲ τίς ἔσται ὁ παρέχων; ὥς δ' αὐτως καὶ ὁ Παρθένιος ἄβατος· [5.6.10] ἐφ' ὃν ἔλθοιτε ἂν, εἴ τὸν Ἄλυν διαβαίητε. ἐγὼ μὲν οὖν οὐ χαλεπὴν ὑμῖν εἶναι νομίζω τὴν πορείαν ἀλλὰ παντάπασιν ἀδύνατον. ἂν δὲ πλέητε, ἔστιν ἐνθένδε μὲν εἰς Σινώπην παραπλευσαι, ἐκ Σινώπης δὲ εἰς Ἡράκλειαν· ἐξ Ἡρακλείας δὲ οὔτε πεζῇ οὔτε κατὰ θάλατταν ἀπορία· πολλὰ γὰρ καὶ πλοῖά ἐστιν ἐν Ἡρακλείαι.» [5.6.11] ἐπεὶ δὲ ταῦτ' ἔλεξεν, οἱ μὲν ὑπώπτευνον φιλίας ἔνεκα τῆς Κορύλα λέγειν· καὶ γὰρ ἦν πρόξενος αὐτῶι· οἱ δὲ καὶ ὥς δῶρα ληψόμενον διὰ τὴν ξυμβουλὴν ταύτην· οἱ δὲ ὑπώπτευνον καὶ τούτου ἔνεκα λέγειν ὥς μὴ πεζῇ ἰόντες τὴν Σινωπέων τι χώραν κακὸν ἐργάζοιντο. οἱ δ' οὖν Ἕλληνες ἐψηφίσαντο κατὰ θάλατταν τὴν πορείαν ποιῆσθαι. [5.6.12] μετὰ ταῦτα Ξενοφῶν εἶπεν· «ὦ Σινωπεῖς, οἱ μὲν ἄνδρες ἡγῆνται πορείαν ἦν ὑμεῖς ξυμβουλευέτε· οὕτω δὲ ἔχει· εἰ μὲν μέλλει πλοῖα ἔσεσθαι ἱκανὰ ὥς ἀριθμῶι ἓνα μὴ καταλείπεσθαι ἐνθάδε, ἡμεῖς ἂν πλείοιμεν· εἰ δὲ μέλλοιμεν οἱ μὲν καταλείψεσθαι οἱ δὲ πλεύσεσθαι, οὐκ ἂν ἐμβαίημεν εἰς τὰ πλοῖα. [5.6.13] γινώσκομεν γὰρ ὅτι ὅπου μὲν ἂν κρατῶμεν, δυναίμεθ' ἂν καὶ σήιξεσθαι καὶ τὰ ἐπιτήδεια ἔχειν· εἰ δὲ που ἦττους τῶν πολεμίων ληφθησόμεθα, εὐδηλον δὴ ὅτι ἐν ἀνδραπόδων χώραι ἐσόμεθα.» ἀκούσαντες ταῦτα οἱ πρέσβεις ἐκέλευον πέμπειν πρέσβεις. [5.6.14] καὶ πέμπουσι Καλλίμαχον Ἀρκάδα καὶ Ἀρίστων Ἀθηναῖον καὶ Σαμόλαν Ἀχαιοόν. καὶ οἱ μὲν ὤιχοντο. [5.6.15] ἐν δὲ τούτῳ τῷ χρόνῳ Ξενοφῶντι, ὀρῶντι μὲν ὀπλίτας πολλοὺς τῶν Ἑλλήνων, ὀρῶντι δὲ πελταστὰς πολλοὺς καὶ τοξότας καὶ σφενδονήτας καὶ ἱππείας δὲ καὶ μάλα ἤδη διὰ τὴν τριβὴν ἱκανοὺς, ὄντας δ' ἐν τῷ Πόντῳ, ἔνθα οὐκ ἂν ἀπ' ὀλίγων χρημάτων τοσαύτη δύναμις παρεσκευάσθη, καλὸν

αὐτῷ ἐδόκει εἶναι χώραν καὶ δύναμιν τῇ Ἑλλάδι προσκτήσασθαι πόλιν κατοικήσαντας. [5.6.16] καὶ γενέσθαι ἂν αὐτῷ ἐδόκει μεγάλη, καταλογιζομένῳ τό τε αὐτῶν πλῆθος καὶ τοὺς περιοικοῦντας τὸν Πόντον. καὶ ἐπὶ τούτοις ἐθύετο πρὶν τινι εἰπεῖν τῶν στρατιωτῶν Σιλανὸν παρακαλέσας τὸν Κύρου μάντιν γενόμενον τὸν Ἀμπρακιώτην. [5.6.17] ὁ δὲ Σιλανὸς δεδιὼς μὴ γένηται ταῦτα καὶ καταμείνῃ που ἡ στρατιά, ἐκφέρει εἰς τὸ στράτευμα λόγον ὅτι Ξενοφῶν βούλεται καταμείναι τὴν στρατιὰν καὶ πόλιν οἰκίσαι καὶ ἑαυτῷ ὄνομα καὶ δύναμιν περιποιήσασθαι. [5.6.18] αὐτὸς δ' ὁ Σιλανὸς ἐβούλετο ὅτι τάχιστα εἰς τὴν Ἑλλάδα ἀφικέσθαι· οὓς γὰρ παρὰ Κύρου ἔλαβε τρισχιλίους δαρεικοὺς ὅτε τὰς δέκα ἡμέρας ἡλήθευσε θυόμενος Κύρῳ, διεσεσώκει. [5.6.19] τῶν δὲ στρατιωτῶν, ἐπεὶ ἤκουσαν, τοῖς μὲν ἐδόκει βέλτιστον εἶναι καταμείναι, τοῖς δὲ πολλοῖς οὐ. Τιμασίῳν δὲ ὁ Δαρδανεύς καὶ Θώραξ ὁ Βοιώτιος πρὸς ἐμπόρους τινὰς παρόντας τῶν Ἡρακλεωτῶν καὶ Σινωπέων λέγουσιν ὅτι εἰ μὴ ἐκποριοῦσι τῇ στρατιᾷ μισθὸν ὥστε ἔχειν τὰ ἐπιτήδεια ἐκπλέοντας, ὅτι κινδυνεύσει μείναι τοσαύτῃ δύναμις ἐν τῷ Πόντῳ· βούλεται γὰρ Ξενοφῶν καὶ ἡμᾶς παρακαλεῖ, ἐπειδὴν ἔλθῃ τὰ πλοῖα, τότε εἰπεῖν ἐξαίφνης τῇ στρατιᾷ· [5.6.20] «ἄνδρες, νῦν μὲν ὀρώμεν ὑμᾶς ἀπόρους ὄντας καὶ ἐν τῷ ἀπόπλῳ ἔχειν τὰ ἐπιτήδεια καὶ ὥς οἴκαδε ἀπελθόντας ὀνῆσαί τι τοὺς οἴκοι· εἰ δὲ βούλεσθε τῆς κύκλῳ χώρας περὶ τὸν Πόντον οἰκουμένης ἐκλεξάμενοι ὅποι ἂν βούλησθε κατασχεῖν, καὶ τὸν μὲν ἐθέλοντα ἀπιέναι οἴκαδε, τὸν δ' ἐθέλοντα μένειν αὐτοῦ, πλοῖα δ' ὑμῖν πάρεστιν, ὥστε ὅπῃ ἂν βούλησθε ἐξαίφνης ἂν ἐπιπέσοιτε.» [5.6.21] ἀκούσαντες ταῦτα οἱ ἔμποροι ἀπήγγελλον ταῖς πόλεσι· ξυνέπεμψε δ' αὐτοῖς Τιμασίῳν Δαρδανεύς Εὐρύμαχόν τε τὸν Δαρδανέα καὶ Θώρακα τὸν Βοιώτιον ταῦτα ἐροῦντας. Σινωπεῖς δὲ καὶ Ἡρακλεῶται ταῦτα ἀκούσαντες πέμπουσι πρὸς τὸν Τιμασίῳνα καὶ κελεύουσι προστατεῦσαι λαβόντα χρήματα ὅπως ἐκπλεύσῃ ἡ στρατιά. [5.6.22] ὁ δὲ ἄσμενος ἀκούσας ἐν ξυλλόγῳ τῶν στρατιωτῶν ὄντων λέγει τάδε. «οὐ δεῖ προσέχειν μονῇ, ᾧ ἄνδρες, οὐδὲ τῆς Ἑλλάδος οὐδὲν περὶ πλείονος ποιεῖσθαι. ἀκούω δὲ τινὰς θύεσθαι ἐπὶ τούτῳ οὐδ' ὑμῖν λέγοντας. [5.6.23] ὑπισχνοῦμαι δὲ ὑμῖν, ἂν ἐκπλέητε, ἀπὸ νουμηνίας μισθοφορὰν παρέξειν κυζικηνὸν ἐκάστῳ τοῦ μηνός· καὶ ἄξω ὑμᾶς εἰς τὴν Τρωιάδα, ἔνθεν καὶ εἰμι φυγὰς, καὶ ὑπάρξει ὑμῖν ἡ ἐμὴ πόλις· ἐκόντες γὰρ με δέξονται. [5.6.24] ἡγήσομαι δὲ αὐτὸς ἐγὼ ἔνθεν πολλὰ χρήματα λήψεσθε. ἔμπειρος δὲ

εἰμι τῆς Αἰολίδος καὶ τῆς Φρυγίας καὶ τῆς Τρωιάδος καὶ τῆς Φαρναβάζου ἀρχῆς πάσης, τὰ μὲν διὰ τὸ ἐκεῖθεν εἶναι, τὰ δὲ διὰ τὸ ξυνεστρατεῦσθαι ἐν αὐτῇ σὺν Κλεάρχῳ τε καὶ Δερκυλίδαι.» [5.6.25] ἀναστὰς αὖθις Θώραξ ὁ Βοιώτιος, ὃς περὶ στρατηγίας Ξενοφῶντι ἐμάχετο, ἔφη, εἰ ἐξέλθοιεν ἐκ τοῦ Πόντου, ἔσεσθαι αὐτοῖς Χερρόνησον χώραν καλὴν καὶ εὐδαίμονα ὥστε τῷ βουλομένῳ ἐνοικεῖν, τῷ δὲ μὴ βουλομένῳ ἀπιέναι οἴκαδε. γελοῖον δὲ εἶναι ἐν τῇ Ἑλλάδι οὔσης χώρας πολλῆς καὶ ἀφθόνου ἐν τῇ βαρβάρων μαστεύειν. [5.6.26] ἔστε δ' ἄν, ἔφη, ἐκεῖ γένησθε, κἀγὼ καθάπερ Τιμασίῳν ὑπισχνοῦμαι ὑμῖν τὴν μισθοφοράν. ταῦτα δὲ ἔλεγεν εἰδὼς ἅ Τιμασίῳν οἱ Ἡρακλεῶται καὶ οἱ Σινωπεῖς ὑπισχνοῦντο ὥστε ἐκπλεῖν. [5.6.27] ὁ δὲ Ξενοφῶν ἐν τούτῳ ἐσίγα. ἀναστὰς δὲ Φιλήσιος καὶ Λύκων οἱ Ἀχαιοὶ ἔλεγον ὡς δεινὸν εἶη ἰδία μὲν Ξενοφῶντα πείθειν τε καταμένειν καὶ θύεσθαι ὑπὲρ τῆς μονῆς [μὴ κοινούμενον τῇ στρατιᾷ], εἰς δὲ τὸ κοινὸν μηδὲν ἀγορεύειν περὶ τούτων. ὥστε ἠναγκάσθη ὁ Ξενοφῶν ἀναστῆναι καὶ εἰπεῖν τάδε. [5.6.28] «ἐγώ, ὦ ἄνδρες, θύομαι μὲν ὡς ὁρᾷτε ὅποσα δύναμαι καὶ ὑπὲρ ὑμῶν καὶ ὑπὲρ ἐμαυτοῦ ὅπως ταῦτα τυγχάνω καὶ λέγων καὶ νοῶν καὶ πράττων ὅποια μέλλει ὑμῖν τε κάλλιστα καὶ ἄριστα ἔσεσθαι καὶ ἐμοί. καὶ νῦν ἐθυόμην περὶ αὐτοῦ τούτου, εἰ ἄμεινον εἶη ἄρχεσθαι λέγειν εἰς ὑμᾶς καὶ πράττειν περὶ τούτων ἢ παντάπασι μηδὲ ἅπτεσθαι τοῦ πράγματος. [5.6.29] Σιλανὸς δέ μοι ὁ μάντις ἀπεκρίνατο τὸ μὲν μέγιστον, τὰ ἱερὰ καλὰ εἶναι· ἥιδει γὰρ καὶ ἐμὲ οὐκ ἄπειρον ὄντα διὰ τὸ ἀεὶ παρεῖναι τοῖς ἱεροῖς· ἔλεξε δὲ ὅτι ἐν τοῖς ἱεροῖς φαίνοιτό τις δόλος καὶ ἐπιβουλὴ ἐμοί, ὡς ἄρα γινώσκων ὅτι αὐτὸς ἐπεβούλευε διαβάλλειν με πρὸς ὑμᾶς. ἐξήνεγκε γὰρ τὸν λόγον ὡς ἐγὼ πράττειν ταῦτα διανοοίμην ἤδη οὐ πείσας ὑμᾶς. [5.6.30] ἐγὼ δὲ εἰ μὲν ἐώρων ἀποροῦντας ὑμᾶς, τοῦτ' ἂν ἐσκόπουν ἀφ' οὗ ἂν γένοιτο ὥστε λαβόντας ὑμᾶς πόλιν τὸν μὲν βουλόμενον ἀποπλεῖν ἤδη, τὸν δὲ μὴ βουλόμενον, ἐπεὶ κτήσαιτο ἱκανὰ ὥστε καὶ τοὺς ἐαυτοῦ οἰκείους ὠφελῆσαι τι. [5.6.31] ἐπεὶ δὲ ὁρῶ ὑμῖν καὶ τὰ πλοῖα πέμποντας Ἡρακλεώτας καὶ Σινωπέας ὥστε ἐκπλεῖν, καὶ μισθὸν ὑπισχνουμένους ὑμῖν ἄνδρας ἀπὸ νομηνίας, καλὸν μοι δοκεῖ εἶναι σωιζομένους ἔνθα βουλόμεθα μισθὸν τῆς σωτηρίας λαμβάνειν, καὶ αὐτὸς τε παύομαι ἐκείνης τῆς διανοίας, καὶ ὅποσοι πρὸς ἐμὲ προσῆισαν λέγοντες ὡς χρὴ ταῦτα πράττειν, ἀναπαύεσθαι φημι χρῆναι. [5.6.32] οὕτω γὰρ γινώσκω· ὁμοῦ μὲν ὄντες πολλοὶ ὥσπερ

νυνὶ δοκεῖτε ἂν μοι καὶ ἔντιμοι εἶναι καὶ ἔχειν τὰ ἐπιτήδεια· ἐν γὰρ τῷ κρατεῖν ἐστὶ καὶ τὸ λαμβάνειν τὰ τῶν ἡττόνων· διασπασθέντες δ' ἂν καὶ κατὰ μικρὰ γενομένης τῆς δυνάμεως οὐτ' ἂν τροφὴν δύνασθε λαμβάνειν οὔτε χαίροντες ἂν ἀπαλλάξαίτε. [5.6.33] δοκεῖ οὖν μοι ἅπερ ὑμῖν, ἐκπορεύεσθαι εἰς τὴν Ἑλλάδα, καὶ ἐάν τις μέντοι ἀπολιπὼν ληφθῇ πρὶν ἐν ἀσφαλεῖ εἶναι πᾶν τὸ στράτευμα, κρίνεσθαι αὐτὸν ὡς ἀδικοῦντα. καὶ ὅτωι δοκεῖ, ἔφη, ταῦτα, ἀράτω τὴν χεῖρα.» [5.6.34] ἀνέτειναν ἅπαντες. ὁ δὲ Σιλανὸς ἐβόα, καὶ ἐπεχείρει λέγειν ὡς δίκαιον εἶη ἀπιέναι τὸν βουλούμενον. οἱ δὲ στρατιῶται οὐκ ἠνείχοντο, ἀλλ' ἠπειλοῦν αὐτῷ ὅτι εἰ λήγονται ἀποδιδράσκοντα, τὴν δίκην ἐπιθήσοιεν. [5.6.35] ἐντεῦθεν ἐπεὶ ἔγνωσαν οἱ Ἡρακλεῶται ὅτι ἐκπλεῖν δεδογμένον εἶη καὶ Ξενοφῶν αὐτὸς ἐπεψηφικῶς εἶη, τὰ μὲν πλοῖα πέμπουσι, τὰ δὲ χρήματα ἃ ὑπέσχοντο Τιμασίῳ καὶ Θώρακι ἐψευσμένοι ἦσαν [τῆς μισθοφορᾶς]. [5.6.36] ἐνταῦθα δὲ ἐκπεπληγμένοι ἦσαν καὶ ἐδεδίεσαν τὴν στρατιάν οἱ τὴν μισθοφορὰν ὑπεσχημένοι. παραλαβόντες οὖν οὗτοι καὶ τοὺς ἄλλους στρατηγούς οἷς ἀνεκεκοίνωντο ἃ πρόσθεν ἔπραττον, πάντες δ' ἦσαν πλὴν Νέωνος τοῦ Ἀσιναίου, ὃς Χειρισόφῳ ὑπεστρατήγει, Χειρίσοφος δὲ οὐπω παρῆν, ἔρχονται πρὸς Ξενοφῶντα, καὶ λέγουσιν ὅτι μεταμέλοι αὐτοῖς, καὶ δοκοῖη κράτιστον εἶναι πλεῖν εἰς Φᾶσιν, ἐπεὶ πλοῖα ἐστὶ, καὶ κατασχεῖν τὴν Φασιανῶν χώραν. [5.6.37] αἰήτου δὲ ὑδροῦς ἐτύγγανε βασιλεύων αὐτῶν. Ξενοφῶν δὲ ἀπεκρίνατο ὅτι οὐδὲν ἂν τούτων εἴποι εἰς τὴν στρατιάν· «ὕμεῖς δὲ ξυλλέξαντες, ἔφη, εἰ βούλεσθε, λέγετε.» ἐνταῦθα ἀποδείκνυται Τιμασίῳ ὁ Δαρδανεὺς γνώμην οὐκ ἐκκλησιάζειν ἀλλὰ τοὺς αὐτοῦ ἕκαστον λοχαγοὺς πρῶτον πειρᾶσθαι πείθειν. καὶ ἀπελθόντες ταῦτ' ἐποιοῦν.

[5.7.1] ταῦτα οὖν οἱ στρατιῶται ἀνεπύθοντο ταραττόμενα. καὶ ὁ Νέων λέγει ὡς Ξενοφῶν ἀναπεπεικῶς τοὺς ἄλλους στρατηγούς διανοεῖται ἄγειν τοὺς στρατιώτας ἐξαπατήσας πάλιν εἰς Φᾶσιν. [5.7.2] ἀκούσαντες δ' οἱ στρατιῶται χαλεπῶς ἔφερον, καὶ ξύλλογοι ἐγίγνοντο καὶ κύκλοι ξυνίσταντο καὶ μάλα φοβεροὶ ἦσαν μὴ ποιήσειαν οἷα καὶ τοὺς τῶν Κόλχων κήρυκας ἐποίησαν καὶ τοὺς ἀγορανόμους· [ὅσοι μὴ εἰς τὴν θάλατταν κατέφυγον κατελεύσθησαν.] [5.7.3] ἐπεὶ δὲ ἠισθάνετο Ξενοφῶν, ἔδοξεν αὐτῷ ὡς τάχιστα ξυναγαγεῖν αὐτῶν ἀγοράν, καὶ μὴ ἐᾶσαι ξυλλεγῆναι αὐτομάτους· καὶ ἐκέλευσε τὸν κήρυκα ξυλλέξαι ἀγοράν. [5.7.4] οἱ δ' ἐπεὶ τοῦ κήρυκος ἤκουσαν, ξυνέδραμον καὶ μάλα ἐτοίμως. ἐνταῦθα

Ξενοφῶν τῶν μὲν στρατηγῶν οὐ κατηγορεῖ, ὅτι ἦλθον πρὸς αὐτόν, λέγει δὲ ὧδε. [5.7.5] «ἀκούω τινὰ διαβάλλειν, ὃ ἄνδρες, ἐμὲ ὡς ἐγὼ ἄρα ἐξαπατήσας ὑμᾶς μέλλω ἄγειν εἰς Φᾶσιν. ἀκούσατε οὖν μου πρὸς θεῶν, καὶ ἐὰν μὲν ἐγὼ φαίνομαι ἀδικεῖν, οὐ χρή με ἐνθένδε ἀπελθεῖν πρὶν ἂν δῶ δίκην· ἂν δ' ὑμῖν φαίνονται ἀδικεῖν οἱ ἐμὲ διαβάλλοντες, οὕτως αὐτοῖς χρησθε ὥσπερ ἄξιον. [5.7.6] ὑμεῖς δέ, ἔφη, ἴστε δήπου ὅθεν ἥλιος ἀνίσχει καὶ ὅπου δύεται, καὶ ὅτι ἐὰν μὲν τις εἰς τὴν Ἑλλάδα μέλλῃ ιέναι, πρὸς ἐσπέραν δεῖ πορεύεσθαι· ἣν δέ τις βούληται εἰς τοὺς βαρβάρους, τοῦμπαλιν πρὸς ἕω. ἔστιν οὖν ὅστις τοῦτο ἂν δύναιτο ὑμᾶς ἐξαπατῆσαι ὡς ἥλιος ἐνθεν μὲν ἀνίσχει, δύεται δὲ ἐνταῦθα, ἐνθα δὲ δύεται, ἀνίσχει δ' ἐντεῦθεν; [5.7.7] ἀλλὰ μὴν καὶ τοῦτο γε ἐπίστασθε ὅτι βορέας μὲν ἔξω τοῦ Πόντου εἰς τὴν Ἑλλάδα φέρει, νότος δὲ εἴσω εἰς Φᾶσιν, καὶ λέγεται, ὅταν βορρᾶς πνέῃ, ὡς καλοὶ πλοῖ εἰσιν εἰς τὴν Ἑλλάδα. τοῦτ' οὖν ἔστιν ὅπως τις ἂν ὑμᾶς ἐξαπατῆσαι ὥστε ἐμβαίνειν ὁπότεν νότος πνέῃ; [5.7.8] ἀλλὰ γὰρ ὁπότεν γαλήνῃ ἢ ἐμβιβῶ. οὐκοῦν ἐγὼ μὲν ἐν ἐνὶ πλοίῳ πλεύσομαι, ὑμεῖς δὲ τοῦλάχιστον ἐν ἑκατόν. πῶς ἂν οὖν ἐγὼ ἢ βιασαίμην ὑμᾶς ζῆν ἐμοὶ πλεῖν μὴ βουλομένους ἢ ἐξαπατήσας ἄγοιμι; [5.7.9] ποιῶ δ' ὑμᾶς ἐξαπατηθέντας καὶ γοητευθέντας ὑπ' ἐμοῦ ἦκειν εἰς Φᾶσιν· καὶ δὴ ἀποβαίνομεν εἰς τὴν χώραν· γνῶσεσθε δήπου ὅτι οὐκ ἐν τῇ Ἑλλάδι ἐστέ· καὶ ἐγὼ μὲν ἔσομαι ὁ ἐξηπατηκῶς εἷς, ὑμεῖς δὲ οἱ ἐξηπατημένοι ἐγγὺς μυρίων ἔχοντες ὅπλα. πῶς ἂν οὖν ἀνὴρ μᾶλλον δοίῃ δίκην ἢ οὕτω περὶ αὐτοῦ τε καὶ ὑμῶν βουλευόμενος; [5.7.10] ἀλλ' οὗτοί εἰσιν οἱ λόγοι ἀνδρῶν καὶ ἡλιθίων κάμοι φθονούντων, ὅτι ἐγὼ ὑφ' ὑμῶν τιμῶμαι. καίτοι οὐ δικαίως γ' ἂν μοι φθονοῖεν· τίνα γὰρ αὐτῶν ἐγὼ κωλύω ἢ λέγειν εἰ τίς τι ἀγαθὸν δύναται ἐν ὑμῖν, ἢ μάχεσθαι εἰ τις ἐθέλει ὑπὲρ ὑμῶν τε καὶ ἑαυτοῦ, ἢ ἐγρηγορέναι περὶ τῆς ὑμετέρας ἀσφαλείας ἐπιμελούμενον; τί γάρ, ἄρχοντας αἰρουμένων ὑμῶν ἐγὼ τινι ἐμποδὼν εἰμι; παρίημι, ἀρχέτω· μόνον ἀγαθὸν τι ποιῶν ὑμᾶς φαιnéσθω. [5.7.11] ἀλλὰ γὰρ ἐμοὶ μὲν ἀρκεῖ περὶ τούτων τὰ εἰρημένα· εἰ δέ τις ὑμῶν ἢ αὐτὸς ἐξαπατηθῆναι ἂν οἶεται ταῦτα ἢ ἄλλον ἐξαπατῆσαι ταῦτα, λέγων διδασκέτω. [5.7.12] ὅταν δὲ τούτων ἄλις ἔχητε, μὴ ἀπέλθῃτε πρὶν ἂν ἀκούσητε οἷον ὁρῶ ἐν τῇ στρατιᾷ ἀρχόμενον πρᾶγμα· ὃ εἰ ἔπεισι καὶ ἔσται οἷον ὑποδείκνυσιν, ὥρα ἡμῖν βουλεύεσθαι ὑπὲρ ἡμῶν αὐτῶν μὴ κάκιστοί τε καὶ αἰσχιστοὶ ἄνδρες ἀποφαινόμεθα καὶ πρὸς θεῶν καὶ πρὸς ἀνθρώπων καὶ φίλων καὶ πολεμίων.» [5.7.13] ἀκούσαντες δὲ ταῦτα οἱ

στρατιῶται ἐθαύμασάν τε ὅ τι εἶη καὶ λέγειν ἐκέλευον. ἐκ τούτου ἄρχεται πάλιν· «ἐπίστασθέ που ὅτι χωρία ἦν ἐν τοῖς ὄρεσι βαρβαρικά, φίλια τοῖς Κερασούντιοις, ὅθεν κατιόντες τινὲς καὶ ἱερεῖα ἐπώλουν ἡμῖν καὶ ἄλλα ὧν εἶχον, δοκοῦσι δέ μοι καὶ ὑμῶν τινες εἰς τὸ ἐγγυτάτω χωρίον τούτων ἐλθόντες ἀγοράσαντές τι πάλιν ἀπελθεῖν. [5.7.14] τοῦτο καταμαθὼν Κλεάρετος ὁ λοχαγὸς ὅτι καὶ μικρὸν εἶη καὶ ἀφύλακτον διὰ τὸ φίλιον νομίζειν εἶναι, ἔρχεται ἐπ' αὐτοὺς τῆς νυκτὸς ὡς πορθήσων, οὐδενὶ ἡμῶν εἰπών. [5.7.15] διενενόητο δέ, εἰ λάβοι τόδε τὸ χωρίον, εἰς μὲν τὸ στράτευμα μηκέτι ἐλθεῖν, εἰσβάς δὲ εἰς πλοῖον ἐν ᾧ ἐτύγγανον οἱ ξύσκηνοι αὐτοῦ παραπλέοντες, καὶ ἐνθήμενος εἴ τι λάβοι, ἀποπλέων οἷχεσθαι ἔξω τοῦ Πόντου. καὶ ταῦτα ξυνωμολόγησαν αὐτῷ οἱ ἐκ τοῦ πλοίου σύσκηνοι, ὡς ἐγὼ νῦν αἰσθάνομαι. [5.7.16] παρακαλέσας οὖν ὁπόσους ἔπειθεν ἦγεν ἐπὶ τὸ χωρίον. πορευόμενον δ' αὐτὸν φθάνει ἡμέρα γενομένη, καὶ ξυστάντες οἱ ἄνθρωποι ἀπὸ ἰσχυρῶν τόπων βάλλοντες καὶ παίοντες τὸν τε Κλεάρετον ἀποκτείνουσι καὶ τῶν ἄλλων συγχούς, οἱ δὲ τινες καὶ εἰς Κερασοῦντα αὐτῶν ἀποχωροῦσι. [5.7.17] ταῦτα δ' ἦν ἐν τῇ ἡμέρᾳ ἣ ἡμεῖς δεῦρο ἐξωρμῶμεν πεζῇ· τῶν δὲ πλεόντων ἔτι τινὲς ἦσαν ἐν Κερασοῦντι, οὐπω ἀνηγμένοι. μετὰ τοῦτο, ὡς οἱ Κερασούντιοι λέγουσιν, ἀφικνοῦνται τῶν ἐκ τοῦ χωρίου τρεῖς ἄνδρες τῶν γεραιτέρων πρὸς τὸ κοινὸν τὸ ἡμέτερον χρήζοντες ἐλθεῖν. [5.7.18] ἐπεὶ δ' ἡμᾶς οὐ κατέλαβον, πρὸς τοὺς Κερασούντιους ἔλεγον ὅτι θαυμάζοιεν τί ἡμῖν δόξειεν ἐλθεῖν ἐπ' αὐτούς. ἐπεὶ μέντοι σφεῖς λέγειν, ἔφασαν, ὅτι οὐκ ἀπὸ κοινοῦ γένοιτο τὸ πρᾶγμα, ἥδεσθαί τε αὐτοὺς καὶ μέλλειν ἐνθάδε πλεῖν, ὡς ἡμῖν λέξαι τὰ γενόμενα καὶ τοὺς νεκροὺς κελεύειν αὐτοὺς θάπτειν λαβόντας. [5.7.19] τῶν δ' ἀποφυγόντων τινὰς Ἑλλήνων τυχεῖν ἔτι ὄντας ἐν Κερασοῦντι· αἰσθόμενοι δὲ τοὺς βαρβάρους ὅποι ἴοιεν αὐτοί τε ἐτόλμησαν βάλλειν τοῖς λίθοις καὶ τοῖς ἄλλοις παρεκελεύοντο. καὶ οἱ ἄνδρες ἀποθνήσκουσι τρεῖς ὄντες οἱ πρέσβεις καταλευσθέντες. [5.7.20] ἐπεὶ δὲ τοῦτο ἐγένετο, ἔρχονται πρὸς ἡμᾶς οἱ Κερασούντιοι καὶ λέγουσι τὸ πρᾶγμα· καὶ ἡμεῖς οἱ στρατηγοὶ ἀκούσαντες ἠχθόμεθά τε τοῖς γεγεννημένοις καὶ ἐβουλευόμεθα ξὺν τοῖς Κερασούντιοις ὅπως ἂν ταφείησαν οἱ τῶν Ἑλλήνων νεκροί. [5.7.21] συγκαθήμενοι δ' ἔξωθεν τῶν ὅπλων ἐξαίφνης ἀκούομεν θορύβου πολλοῦ «παῖε παῖε, βάλλε βάλλε», καὶ τάχα δὴ ὀρῶμεν πολλοὺς προσθέοντας λίθους ἔχοντας ἐν ταῖς χερσὶ, τοὺς δὲ καὶ ἀναιρουμένους. [5.7.22] καὶ οἱ μὲν

Κερασούντιοι, ὥς [ἄν] καὶ ἑορακότες τὸ παρ' ἑαυτοῖς πρᾶγμα, δείσαντες ἀποχωροῦσι πρὸς τὰ πλοῖα. ἦσαν δὲ νῆ Δία καὶ ἡμῶν οἱ ἔδεισαν. [5.7.23] ἐγὼ γε μὴν ἦλθον πρὸς αὐτοὺς καὶ ἡρώτων ὅ τι ἐστὶ τὸ πρᾶγμα. τῶν δὲ ἦσαν μὲν οἱ οὐδὲν ἠίδεσαν, ὅμως δὲ λίθους εἶχον ἐν ταῖς χερσίν. ἐπεὶ δὲ εἰδοῖτι τινὶ ἐπέτυχον, λέγει μοι ὅτι οἱ ἀγορανόμοι δεινότατα ποιοῦσι τὸ στράτευμα. [5.7.24] ἐν τούτῳ τις ὁρᾷ τὸν ἀγορανόμον Ζήλαρχον πρὸς τὴν θάλατταν ἀποχωροῦντα, καὶ ἀνέκραγεν· οἱ δὲ ὥς ἤκουσαν, ὥσπερ ἡ συὸς ἀγρίου ἢ ἐλάφου φανέντος ἵενται ἐπ' αὐτόν. [5.7.25] οἱ δ' αὖ Κερασούντιοι ὥς εἶδον ὁρμῶντας καθ' αὐτούς, σαφῶς νομίζοντες ἐπὶ σφᾶς ἵεσθαι, φεύγουσι δρόμῳ καὶ ἐμπίπτουσιν εἰς τὴν θάλατταν. ξυνεισέπεσον δὲ καὶ ἡμῶν αὐτῶν τινες, καὶ ἐπνίγετο ὅστις νεῖν μὴ ἐτύγγανεν ἐπιστάμενος. [5.7.26] καὶ τούτους τί δοκεῖτε; ἡδίκουν μὲν οὐδέν, ἔδεισαν δὲ μὴ λύττα τις ὥσπερ κυσὶν ἡμῖν ἐμπεπτῶκοι. εἰ οὖν ταῦτα τοιαῦτα ἔσται, θεάσασθε οἷα ἢ κατάστασις ἡμῖν ἔσται τῆς στρατιᾶς. [5.7.27] ὑμεῖς μὲν οἱ πάντες οὐκ ἔσεσθε κύριοι οὔτε ἀνελέσθαι πόλεμον ὧι ἂν βούλησθε οὔτε καταλῦσαι, ἰδία δὲ ὁ βουλόμενος ἄξει στράτευμα ἐφ' ὅ τι ἂν θέλῃ. καὶ τινες πρὸς ὑμᾶς ἴωσι πρέσβεις εἰρήνης δεόμενοι ἢ ἄλλου τινός, κατακτείναντες τούτους οἱ βουλόμενοι ποιήσουσιν ὑμᾶς τῶν λόγων μὴ ἀκοῦσαι τῶν πρὸς ὑμᾶς ἰόντων. [5.7.28] ἔπειτα δὲ οὓς μὲν ἂν ὑμεῖς πάντες ἔλῃσθε ἄρχοντας, ἐν οὐδεμιᾷ χώρῳ ἔσονται, ὅστις δὲ ἂν ἑαυτὸν ἔλῃται στρατηγὸν καὶ ἐθέλῃ λέγειν «βάλλε βάλλε», οὗτος ἔσται ἱκανὸς καὶ ἄρχοντα κατακαθεῖν καὶ ἰδιώτην ὃν ἂν ὑμῶν ἐθέλῃ ἄκριτον, ἣν ὧσιν οἱ πεισόμενοι αὐτῷ, ὥσπερ καὶ νῦν ἐγένετο. [5.7.29] οἷα δὲ ὑμῖν καὶ διαπεπράχασιν οἱ αὐθαίρετοι οὗτοι στρατηγοὶ σκέψασθε. Ζήλαρχος μὲν ὁ ἀγορανόμος εἰ μὲν ἀδικοῖ ὑμᾶς, οἴχεται ἀποπλέων οὐ δοὺς ὑμῖν δίκην· εἰ δὲ μὴ ἀδικοῖ, φεύγει ἐκ τοῦ στρατεύματος δείσας μὴ ἀδίκως ἄκριτος ἀποθάνῃ. [5.7.30] οἱ δὲ καταλεύσαντες τοὺς πρέσβεις διεπράξαντο ὑμῖν μόνοις μὲν τῶν Ἑλλήνων εἰς Κερασούντα μὴ ἀσφαλὲς εἶναι, ἂν μὴ σὺν ἰσχύϊ ἀφικνησθε· τοὺς δὲ νεκροὺς οὓς πρόσθεν αὐτοὶ οἱ κατακατόντες ἐκέλευον θάπτειν, τούτους διεπράξαντο μηδὲ ξὺν κηρυκείῳ ἔτι ἀσφαλὲς εἶναι ἀνελέσθαι. τίς γὰρ ἐθελήσει κῆρυξ ἵεναι κήρυκας ἀπεκτονῶς; ἀλλ' ἡμεῖς Κερασουντίων θάψαι αὐτοὺς ἐδεήθημεν. [5.7.31] εἰ μὲν οὖν ταῦτα καλῶς ἔχει, δοξάτω ὑμῖν, ἵνα ὥς τοιούτων ἐσομένων καὶ φυλακὴν ἰδία ποιήσῃ τις καὶ τὰ ἐρυμνὰ ὑπερδέξια πειρᾶται ἔχων σκηνοῦν. [5.7.32] εἰ μέντοι ὑμῖν δοκεῖ θηρίων ἀλλὰ μὴ

ἀνθρώπων εἶναι τὰ τοιαῦτα ἔργα, σκοπεῖτε παῦλάν τινα αὐτῶν· εἰ δὲ μή, πρὸς Διὸς πῶς ἢ θεοῖς θύσομεν ἡδέως ποιοῦντες ἔργα ἀσεβῆ, ἢ πολεμίοις πῶς μαχοῦμεθα, ἢν ἀλλήλους κατακαίνωμεν; [5.7.33] πόλις δὲ φιλία τίς ἡμᾶς δέξεται, ἣτις ἂν ὀραῖ τοσαύτην ἀνομίαν ἐν ἡμῖν; ἀγορὰν δὲ τίς ἄξει θαρρῶν, ἢν περὶ τὰ μέγιστα τοιαῦτα ἐξαμαρτάνοντες φαινώμεθα; οὗ δὲ δὴ πάντων οἴομεθα τεύξεσθαι ἐπαίνου, τίς ἂν ἡμᾶς τοιοῦτους ὄντας ἐπαινέσειεν; ἡμεῖς μὲν γὰρ οἶδ' ὅτι πονηροὺς ἂν φαίημεν εἶναι τοὺς τὰ τοιαῦτα ποιοῦντας.» [5.7.34] ἐκ τούτου ἀνιστάμενοι πάντες ἔλεγον τοὺς μὲν τούτων ἄρξαντας δοῦναι δίκην, τοῦ δὲ λοιποῦ μηκέτι ἐξεῖναι ἀνομίας ἄρξαι· ἐὰν δὲ τις ἄρξει, ἄγεσθαι αὐτοὺς ἐπὶ θανάτῳ· τοὺς δὲ στρατηγούς εἰς δίκας πάντας καταστήσαι· εἶναι δὲ δίκας καὶ εἴ τι ἄλλο τις ἡδίκητο ἐξ οὗ Κῦρος ἀπέθανε· δικαστὰς δὲ τοὺς λοχαγούς ἐποίησαντο. [5.7.35] παραινοῦντος δὲ Ξενοφῶντος καὶ τῶν μάντεων συμβουλευόντων ἔδοξε καθῆραι τὸ στράτευμα. καὶ ἐγένετο καθαρός.

[5.8.1] ἔδοξε δὲ καὶ τοὺς στρατηγούς δίκην ὑποσχεῖν τοῦ παρεληλυθότος χρόνου. καὶ διδόντων Φιλήσιος μὲν ὄφλε καὶ Ξανθικλῆς τῆς φυλακῆς τῶν γαυλικῶν χρημάτων τὸ μείωμα εἴκοσι μνᾶς, Σοφαίνετος δέ, ὅτι αἰρεθεὶς ... κατημέλει, δέκα μνᾶς. Ξενοφῶντος δὲ κατηγόρησάν τινες φάσκοντες παῖεσθαι ὑπ' αὐτοῦ καὶ ὡς ὑβρίζοντος τὴν κατηγορίαν ἐποιοῦντο. [5.8.2] καὶ ὁ Ξενοφῶν ἐκέλευσεν εἰπεῖν τὸν πρῶτον λέξαντα ποῦ καὶ ἐπλήγη. ὁ δὲ ἀπεκρίνατο· «ὅπου καὶ ῥίγει ἀπωλλύμεθα καὶ χιῶν πλείστη ἦν.» [5.8.3] ὁ δὲ εἶπεν· «ἀλλὰ μὴν χειμῶνός γε ὄντος οἴου λέγεις, σίτου δὲ ἐπιλελοιπότες, οἴνου δὲ μηδ' ὀσφραίνεσθαι παρόν, ὑπὸ δὲ πόνων πολλῶν ἀπαγορευόντων, πολεμίων δὲ ἐπομένων, εἰ ἐν τοιούτῳ καιρῷ ὕβριζον, ὁμολογῶ καὶ τῶν ὄνων ὑβριστότερος εἶναι, οἷς φασιν ὑπὸ τῆς ὕβρεως κόπον οὐκ ἐγγίγνεσθαι. ὅμως δὲ καὶ λέξον, ἔφη, ἐκ τίνος ἐπλήγης. [5.8.4] πότερον ἦτιουν τί σε καὶ ἐπεὶ μοι οὐκ ἐδίδους ἔπαιον; ἀλλ' ἀπήτιουν; ἀλλὰ περὶ παιδικῶν μαχόμενος; [5.8.5] ἀλλὰ μεθύων ἐπαρώνησα;» ἐπεὶ δὲ τούτων οὐδὲν ἔφησεν, ἐπήρετο αὐτὸν εἰ ὀπλιτεῖοι. οὐκ ἔφη· πάλιν εἰ πελτάζοι. οὐδὲ τοῦτ' ἔφη, ἀλλ' ἡμίονον ἐλαύνειν ταχθεὶς ὑπὸ τῶν συσκήνων ἐλεύθερος ὢν. [5.8.6] ἐνταῦθα δὴ ἀναγινώσκει αὐτὸν καὶ ἤρετο· «ἦ σὺ εἰ ὁ τὸν κάμνοντα ἀγαγών;» «ναὶ μὰ Δί', ἔφη· σὺ γὰρ ἠνάγκαζες· τὰ δὲ τῶν ἐμῶν συσκήνων σκευὴ διέρριψας.» [5.8.7] «ἀλλ' ἢ μὲν διάρριψις, ἔφη ὁ Ξενοφῶν, τοιαύτη τις ἐγένετο. διέδωκα ἄλλοις ἄγειν καὶ ἐκέλευσα

πρὸς ἐμὲ ἀπαγαγεῖν, καὶ ἀπολαβὼν ἅπαντα σῶια ἀπέδωκά σοι, ἐπεὶ καὶ σὺ ἐμοὶ ἀπέδειξας τὸν ἄνδρα. οἷον δὲ τὸ πρᾶγμα ἐγένετο ἀκούσατε, ἔφη· καὶ γὰρ ἄξιον. [5.8.8] ἀνὴρ κατελείπετο διὰ τὸ μηκέτι δύνασθαι πορεύεσθαι. καὶ ἐγὼ τὸν μὲν ἄνδρα τοσοῦτον ἐγίνωσκον ὅτι εἷς ἡμῶν εἴη· ἠνάγκασα δὲ σὲ τοῦτον ἄγειν, ὥς μὴ ἀπόλοιτο· καὶ γάρ, ὥς ἐγὼ οἶμαι, πολέμιοι ἡμῖν ἐφείποντο.» συνέφη τοῦτο ὁ ἄνθρωπος. [5.8.9] «οὐκοῦν, ἔφη ὁ Ξενοφῶν, ἐπεὶ προύπεμψά σε, καταλαμβάνω αὐτίς σὺν τοῖς ὀπισθοφύλαξι προσιῶν βόθρον ὀρύττοντα ὥς κατορύζοντα τὸν ἄνθρωπον, καὶ ἐπιστὰς ἐπήνουν σε. [5.8.10] ἐπεὶ δὲ παρεστηκότων ἡμῶν συνέκαμψε τὸ σκέλος ἀνὴρ, ἀνέκραγον οἱ παρόντες ὅτι ζῇ ἀνὴρ, σὺ δ' εἴπας· «ὀπόσα γε βούλεται· ὥς ἔγωγε αὐτὸν οὐκ ἄξω.» ἐνταῦθα ἔπαισά σε.» «ἀληθῆ λέγεις.» «ἔδοξας γάρ μοι εἰδοῖτι εὐοικέναι ὅτι ἔζη.» [5.8.11] «τί οὖν; ἔφη, ἦττόν τι ἀπέθανεν, ἐπεὶ ἐγὼ σοι ἀπέδειξα αὐτόν;» «καὶ γὰρ ἡμεῖς, ἔφη ὁ Ξενοφῶν, πάντες ἀποθανούμεθα· τούτου οὖν ἕνεκα ζῶντας ἡμᾶς δεῖ κατορυχθῆναι;» [5.8.12] τοῦτον μὲν ἀνέκραγον ὥς ὀλίγας παίσειεν· ἄλλους δ' ἐκέλευε λέγειν διὰ τί ἕκαστος ἐπλήγη. [5.8.13] ἐπεὶ δὲ οὐκ ἀνίσταντο, αὐτὸς ἔλεγεν· «ἐγὼ, ὦ ἄνδρες, ὁμολογῶ παῖσαι δὴ ἄνδρας ἕνεκεν ἀταξίας ὅσοις σήιζεσθαι μὲν ἤρκει δι' ὑμῶν ἐν τάξει τε ἰόντων καὶ μαχομένων ὅπου δέοι, αὐτοὶ δὲ λιπόντες τὰς τάξεις προθέοντες ἀρπάζειν ἤθελον καὶ ὑμῶν πλεονεκτεῖν. εἰ δὲ τοῦτο πάντες ἐποιοῦμεν, ἅπαντες ἂν ἀπωλόμεθα. [5.8.14] ἤδη δὲ καὶ μαλακιζόμενόν τινα καὶ οὐκ ἐθέλοντα ἀνίστασθαι ἀλλὰ προῖεμενον αὐτὸν τοῖς πολεμίοις καὶ ἔπαισα καὶ ἐβιάσάμην πορεύεσθαι. ἐν γὰρ τῷ ἰσχυρῷ χειμῶνι καὶ αὐτός ποτε ἀναμένων τινὰς συσκευαζομένους καθεζόμενος συχνὸν χρόνον κατέμαθον ἀναστὰς μόλις καὶ τὰ σκέλη ἐκτείνας. [5.8.15] ἐν ἐμαυτῷ οὖν πείραν λαβὼν ἐκ τούτου καὶ ἄλλον, ὁπότε ἴδοιμι καθήμενον καὶ βλακεύοντα, ἤλαυνον· τὸ γὰρ κινεῖσθαι καὶ ἀνδρίζεσθαι παρεῖχε θερμασίαν τινὰ καὶ ὑγρότητα, τὸ δὲ καθῆσθαι καὶ ἡσυχίαν ἔχειν ἐώρων ὑπουργὸν ὃν τῷ τε ἀποπήγνυσθαι τὸ αἷμα καὶ τῷ ἀποσῆπεσθαι τοὺς τῶν ποδῶν δακτύλους, ἅπερ πολλοὺς καὶ ὑμεῖς ἴστε παθόντας. [5.8.16] ἄλλον δὲ γε ἴσως ἀπολειπόμενόν που διὰ ραιστώνην καὶ κωλύοντα καὶ ὑμᾶς τοὺς πρόσθεν καὶ ἡμᾶς τοὺς ὀπισθεν πορεύεσθαι ἔπαισα πύξ, ὅπως μὴ λόγχη ὑπὸ τῶν πολεμίων παίοιτο. [5.8.17] καὶ γὰρ οὖν νῦν ἔξεστιν αὐτοῖς σωθεῖσιν, εἴ τι ὑπ' ἐμοῦ ἔπαθον παρὰ τὸ δίκαιον, δίκην λαβεῖν. εἰ δ' ἐπὶ τοῖς πολεμίοις ἐγένοντο, τί μέγα ἂν οὕτως ἔπαθον

ὅτου δίκην ἂν ἤξιουν λαμβάνειν; [5.8.18] ἀπλοῦς μοι, ἔφη, ὁ λόγος· εἰ μὲν ἐπ' ἀγαθῷ ἐκόλασά τινα, ἀξιῶ ὑπέχειν δίκην οἷαν καὶ γονεῖς υἱοῖς καὶ διδάσκαλοι παισί· καὶ γὰρ οἱ ἱατροὶ καίουσιν καὶ τέμνουσιν ἐπ' ἀγαθῷ· [5.8.19] εἰ δὲ ὕβρει νομίζετέ με ταῦτα πράττειν, ἐνθυμήθητε ὅτι νῦν ἐγὼ θαρρῶ σὺν τοῖς θεοῖς μᾶλλον ἢ τότε καὶ θρασύτερός εἰμι νῦν ἢ τότε καὶ οἶνον πλείω πίνω, ἀλλ' ὅμως οὐδένα παίω· [5.8.20] ἐν εὐδαίᾳ γὰρ ὁρῶ ὑμᾶς. ὅταν δὲ χειμῶν ᾦ καὶ θάλαττα μεγάλη ἐπιφέρηται, οὐχ ὁρᾶτε ὅτι καὶ νεύματος μόνον ἔνεκα χαλεπαίνει μὲν πρωιεὺς τοῖς ἐν πρήραι, χαλεπαίνει δὲ κυβερνήτης τοῖς ἐν πρύμνῃ; ἱκανὰ γὰρ ἐν τῷ τοιούτῳ καὶ μικρὰ ἀμαρτηθέντα πάντα συνεπιτρίψαι. [5.8.21] ὅτι δὲ δικαίως ἔπαιον αὐτοὺς καὶ ὑμεῖς κατεδικάσατε· ἔχοντες ξίφη, οὐ ψήφους, παρέστατε, καὶ ἐξῆν ὑμῖν ἐπικουρεῖν αὐτοῖς, εἰ ἐβούλεσθε· ἀλλὰ μὰ Δία οὔτε τούτοις ἐπεκουρεῖτε οὔτε σὺν ἐμοὶ τὸν ἀτακτοῦντα ἐπαίετε. [5.8.22] τοιγαροῦν ἐξουσίαν ἐποιήσατε τοῖς κακοῖς αὐτῶν ὑβρίζειν ἐῶντες αὐτούς. οἶμαι γάρ, εἰ ἐθέλετε σκοπεῖν, τοὺς αὐτοὺς εὐρήσετε καὶ τότε κακίστους καὶ νῦν ὑβριστοτάτους. [5.8.23] Βοίσκος γοῦν ὁ πύκτης ὁ Θετταλὸς τότε μὲν διεμάχετο ὥς κάμνων ἀσπίδα μὴ φέρειν, νῦν δέ, ὥς ἀκούω, Κοττωριτῶν πολλοὺς ἤδη ἀποδέδυκεν. [5.8.24] ἦν οὖν σωφρονῆτε, τοῦτον τάναντία ποιήσετε ἢ τοὺς κύνας ποιοῦσι· τοὺς μὲν γὰρ κύνας τοὺς χαλεποὺς τὰς μὲν ἡμέρας διδέασι, τὰς δὲ νύκτας ἀφιάσι, τοῦτον δέ, ἦν σωφρονῆτε, τὴν νύκτα μὲν δήσετε, τὴν δὲ ἡμέραν ἀφήσετε. [5.8.25] ἀλλὰ γάρ, ἔφη, θαυμάζω ὅτι εἰ μὲν τινι ὑμῶν ἀπηχθόμην, μέμνησθε καὶ οὐ σιωπᾶτε, εἰ δέ τῳ ἢ χειμῶνα ἐπεκούρησα ἢ πολέμιον ἀπήρυσα ἢ ἀσθενοῦντι ἢ ἀποροῦντι συνεξεπόρισά τι, τούτων δὲ οὐδεὶς μέμνηται, οὐδ' εἴ τινα καλῶς τι ποιοῦντα ἐπήνεσα οὐδ' εἴ τινα ἄνδρα ὄντα ἀγαθὸν ἐτίμησα ὥς ἐδυνάμην, οὐδὲν τούτων μέμνησθε. [5.8.26] ἀλλὰ μὴν καλὸν τε καὶ δίκαιον καὶ ὅσιον καὶ ἥδιον τῶν ἀγαθῶν μᾶλλον ἢ τῶν κακῶν μεμνησθαι.» ἐκ τούτου μὲν δὴ ἀνίσταντο καὶ ἀνεμίνησκον. καὶ περιέγενετο ὥστε καλῶς ἔχειν.

Βιβλίον ζ΄

[6.1.1] Ἐκ τούτου δὲ ἐν τῇ διατριβῇ οἱ μὲν ἀπὸ τῆς ἀγορᾶς ἔζων, οἱ δὲ καὶ ληιζόμενοι ἐκ τῆς Παφλαγονίας. ἐκλώπευον δὲ καὶ οἱ Παφλαγόνες εὖ μάλα τοὺς ἀποσκεδαννυμένους, καὶ τῆς νυκτὸς τοὺς πρόσω σκηνοῦντας ἐπειρῶντο κακουργεῖν· καὶ πολεμικώτατα πρὸς ἀλλήλους εἶχον ἐκ τούτων. [6.1.2] ὁ δὲ Κορύλας, ὃς ἐτύγγανε τότε Παφλαγονίας ἄρχων, πέμπει παρὰ τοὺς Ἑλλήνας πρέσβεις ἔχοντας ἵππους καὶ στολὰς καλὰς, λέγοντας ὅτι Κορύλας ἕτοιμος εἶη τοὺς Ἑλλήνας μῆτε ἀδικεῖν μῆτε ἀδικεῖσθαι. [6.1.3] οἱ δὲ στρατηγοὶ ἀπεκρίναντο ὅτι περὶ μὲν τούτων σὺν τῇ στρατιᾷ βουλευσούντο, ἐπὶ ξένια δὲ ἐδέχοντο αὐτούς· παρεκάλεσαν δὲ καὶ τῶν ἄλλων ἀνδρῶν οὓς ἐδόκουν δικαιοτάτους εἶναι. [6.1.4] θύσαντες δὲ βοῦς τῶν αἰχμαλώτων καὶ ἄλλα ἱερεῖα εὐωχίαν μὲν ἀρκοῦσαν παρῆχον, κατακείμενοι δὲ ἐν σκίμποσιν ἐδείπνουν, καὶ ἔπινον ἐκ κερατίνων ποτηρίων, οἷς ἐνετύγγανον ἐν τῇ χώρᾳ. [6.1.5] ἐπεὶ δὲ σπονδαὶ τε ἐγένοντο καὶ ἐπαιάνισαν, ἀνέστησαν πρῶτον μὲν Θρᾶκες καὶ πρὸς αὐλὸν ὠρχήσαντο σὺν τοῖς ὅπλοις καὶ ἤλλοντο ὑψηλὰ τε καὶ κούφως καὶ ταῖς μαχαίραις ἐχρῶντο· τέλος δὲ ὁ ἕτερος τὸν ἕτερον παίει, ὥς πᾶσιν ἐδόκει [πεπληγένοι τὸν ἄνδρα]· ὁ δ' ἔπεσε τεχνικῶς πῶς. [6.1.6] καὶ ἀνέκραγον οἱ Παφλαγόνες. καὶ ὁ μὲν σκυλεύσας τὰ ὄπλα τοῦ ἐτέρου ἐξῆλει ἄιδων τὸν Σιτάλκαν· ἄλλοι δὲ τῶν Θραικῶν τὸν ἕτερον ἐξέφερον ὥς τεθνηκότα· ἦν δὲ οὐδὲν πεπονθώς. [6.1.7] μετὰ τοῦτο Αἰνιᾶνες καὶ Μάγνητες ἀνέστησαν, οἱ ὠρχοῦντο τὴν καρπαίαν καλουμένην ἐν τοῖς ὅπλοις. [6.1.8] ὁ δὲ τρόπος τῆς ὀρχήσεως ἦν, ὁ μὲν παραθέμενος τὰ ὄπλα σπείρει καὶ ζευγηλατεῖ, πυκνὰ δὲ στρεφόμενος ὥς φοβούμενος, ληιστῆς δὲ προσέρχεται· ὁ δ' ἐπειδὴν προΐδηται, ἀπαντᾷ ἀρπάσας τὰ ὄπλα καὶ μάχεται πρὸ τοῦ ζεύγους· καὶ οὗτοι ταῦτ' ἐποιοῦν ἐν ῥυθμῷ πρὸς τὸν αὐλόν· καὶ τέλος ὁ ληιστῆς δήσας τὸν ἄνδρα καὶ τὸ ζεῦγος ἀπάγει· [6.1.9] ἐνίστε δὲ καὶ ὁ ζευγηλάτης τὸν ληιστήν· εἴτα παρὰ τοὺς βοῦς ζεύξας ὀπίσω τῷ χεῖρει δεδεμένον ἐλαύνει. μετὰ τοῦτο Μυσὸς εἰσῆλθεν ἐν ἐκατέρᾳ τῇ χειρὶ ἔχων πέλτην, καὶ τοτὲ μὲν ὥς δύο ἀντιταττομένων μιμούμενος ὠρχεῖτο, τοτὲ δὲ ὥς πρὸς ἓνα ἐχρήτο ταῖς πέλταις, τοτὲ δ' ἐδινεῖτο καὶ ἐξεκυβίστα ἔχων τὰς πέλτας, ὥστε ὅπιν καλὴν φαίνεσθαι. [6.1.10] τέλος δὲ τὸ περσικὸν ὠρχεῖτο κρούων τὰς πέλτας καὶ ὠκλαζε καὶ

ἐξανίστατο· καὶ ταῦτα πάντα ἐν ῥυθμῳ ἐποίει πρὸς τὸν αὐλόν. [6.1.11] ἐπὶ δὲ τούτῳ [ἐπιόντες] οἱ Μαντινεῖς καὶ ἄλλοι τινὲς τῶν Ἀρκάδων ἀναστάντες ἐξοπλισάμενοι ὡς ἐδύναντο κάλλιστα ἥσαν τε ἐν ῥυθμῳ πρὸς τὸν ἐνόπλιον ῥυθμὸν αὐλούμενοι καὶ ἐπαιάνισαν καὶ ὠρχήσαντο ὥσπερ ἐν ταῖς πρὸς τοὺς θεοὺς προσόδοις. ὁρῶντες δὲ οἱ Παφλαγόνες δεινὰ ἐποιοῦντο πάσας τὰς ὀρχήσεις ἐν ὄπλοις εἶναι. [6.1.12] ἐπὶ τούτοις ὁρῶν ὁ Μυσὸς ἐκπεπληγμένους αὐτοὺς, πείσας τῶν Ἀρκάδων τινὰ πεπαμένον ὀρχηστρίδα εἰσάγει σκευάσας ὡς ἐδύνατο κάλλιστα καὶ ἀσπίδα δοὺς κούφην αὐτῇ. ἡ δὲ ὠρχήσατο πυρρίχην ἐλαφρῶς. [6.1.13] ἐνταῦθα κρότος ἦν πολὺς, καὶ οἱ Παφλαγόνες ἤροντο εἰ καὶ γυναῖκες συνεμάχοντο αὐτοῖς. οἱ δ' ἔλεγον ὅτι αὐταὶ καὶ αἱ τρεψάμεναι εἶεν βασιλέα ἐκ τοῦ στρατοπέδου. τῇ μὲν νυκτὶ ταύτῃ τοῦτο τὸ τέλος ἐγένετο. [6.1.14] τῇ δὲ ὑστεραίᾳ προσῆγον αὐτοὺς εἰς τὸ στράτευμα· καὶ ἔδοξε τοῖς στρατιώταις μῆτε ἀδικεῖν Παφλαγόνας μῆτε ἀδικεῖσθαι. μετὰ τοῦτο οἱ μὲν πρέσβεις ὦιχοντο· οἱ δὲ Ἕλληνες, ἐπεὶ δὴ πλοῖα ἱκανὰ ἐδόκει παρεῖναι, ἀναβάντες ἔπλεον ἡμέραν καὶ νύκτα πνεύματι καλῶ ἐν ἀριστεραῖ ἐχοντες τὴν Παφλαγονίαν. [6.1.15] τῇ δ' ἄλλῃ ἀφικνοῦνται εἰς Σινώπην καὶ ὠρμίσαντο εἰς Ἀρμήνην τῆς Σινώπης. Σινωπεῖς δὲ οἰκοῦσι μὲν ἐν τῇ Παφλαγονικῇ, Μιλησίων δὲ ἄποικοί εἰσιν. οὗτοι δὲ ξένια πέμπουσι τοῖς Ἕλλησιν ἀλφίτων μεδίμνους τρισχιλίους, οἶνου δὲ κεράμια χίλια καὶ πεντακόσια. καὶ Χειρίσοφος ἐνταῦθα ἦλθε τριήρη ἔχων. [6.1.16] καὶ οἱ μὲν στρατιῶται προσεδόκων ἄγοντά τι σφίσιν ἤκειν· ὁ δ' ἦγε μὲν οὐδέν, ἀπήγγελλε δὲ ὅτι ἐπαινοίη αὐτοὺς καὶ Ἀναξίβιος ὁ ναύαρχος καὶ οἱ ἄλλοι, καὶ ὅτι ὑπισχνεῖτο Ἀναξίβιος, εἰ ἀφίκοντο ἔξω τοῦ Πόντου, μισθοφορὰν αὐτοῖς ἔσεσθαι. [6.1.17] καὶ ἐν ταύτῃ τῇ Ἀρμήνῃ ἔμειναν οἱ στρατιῶται ἡμέρας πέντε. ὡς δὲ τῆς Ἑλλάδος ἐδόκουν ἐγγὺς γίνεσθαι, ἥδη μᾶλλον ἢ πρόσθεν εἰσῆιαι αὐτοὺς ὅπως ἂν καὶ ἔχοντές τι οἴκαδε ἀφίκωνται. [6.1.18] ἠγήσαντο οὖν, εἰ ἓνα ἔλοιντο ἄρχοντα, μᾶλλον ἂν ἢ πολυαρχίας οὔσης δύνασθαι τὸν ἓνα χρῆσθαι τῷ στρατεύματι καὶ νυκτὸς καὶ ἡμέρας, καὶ εἴ τι δέοι λανθάνειν, μᾶλλον ἂν κρύπτεσθαι, καὶ εἴ τι αὐτὸ δέοι φθάνειν, ἤττον ἂν ὑστερίζειν· οὐ γὰρ ἂν λόγων δεῖν πρὸς ἀλλήλους, ἀλλὰ τὸ δόξαν τῷ ἐνὶ περαινεσθαι ἄν· τὸν δ' ἐμπροσθεν χρόνον ἐκ τῆς νικώσης ἔπραττον πάντα οἱ στρατηγοί. [6.1.19] ὡς δὲ ταῦτα διανοοῦντο, ἐτράποντο ἐπὶ τὸν Ξενοφῶντα· καὶ οἱ λοχαγοὶ ἔλεγον προσιόντες αὐτῷ ὅτι ἡ στρατιὰ οὕτω γινώσκει, καὶ εὖνοιαν ἐνδεικνύμενος

ἕκαστος ἔπειθεν αὐτὸν ὑποστῆναι τὴν ἀρχήν. [6.1.20] ὁ δὲ Ξενοφῶν τῇ μὲν ἐβούλετο ταῦτα, νομίζων καὶ τὴν τιμὴν μείζω οὕτως ἑαυτῷ γίνεσθαι πρὸς τοὺς φίλους καὶ εἰς τὴν πόλιν τοῦνομα μείζον ἀφίξεσθαι αὐτοῦ, τυχὸν δὲ καὶ ἀγαθοῦ τινος ἂν αἴτιος τῇ στρατιᾷ γενέσθαι. [6.1.21] τὰ μὲν δὴ τοιαῦτα ἐνθυμήματα ἐπῆιρεν αὐτὸν ἐπιθυμεῖν αὐτοκράτορα γενέσθαι ἄρχοντα. ὁπότε δ' αὖ ἐνθυμοῖτο ὅτι ἄδηλον μὲν παντὶ ἀνθρώπῳ ὅπῃ τὸ μέλλον ἔξει, διὰ τοῦτο δὲ καὶ κίνδυνος εἴη καὶ τὴν προειργασμένην δόξαν ἀποβαλεῖν, ἤπορεῖτο. [6.1.22] διαπορουμένῳ δὲ αὐτῷ διακρῖναι ἔδοξε κράτιστον εἶναι τοῖς θεοῖς ἀνακοινῶσαι· καὶ παραστησάμενος δύο ἱερεῖα ἐθύετο τῷ Διὶ τῷ βασιλεῖ, ὅσπερ αὐτῷ μαντευτὸς ἦν ἐκ Δελφῶν· καὶ τὸ ὄναρ δὴ ἀπὸ τούτου τοῦ θεοῦ ἐνόμιζεν ἐορακέναί ὃ εἶδεν ὅτε ἤρχετο ἐπὶ τὸ συνεπιμελεῖσθαι τῆς στρατιᾶς καθίστασθαι. [6.1.23] καὶ ὅτε ἐξ Ἐφέσου ὠρμᾶτο Κύρῳ συσταθισόμενος, αἰετὸν ἀνεμιμνήσκετο ἑαυτῷ δεξιὸν φθεγγόμενον, καθημένον μέντοι, ὃνπερ ὁ μάντις προπέμπων αὐτὸν ἔλεγεν ὅτι μέγας μὲν οἰωνὸς εἴη καὶ οὐκ ἰδιωτικός, καὶ ἐνδοξος, ἐπίπονος μέντοι· τὰ γὰρ ὄρνεα μάλιστα ἐπιτίθεσθαι τῷ αἰετῷ καθημένῳ· οὐ μέντοι χρηματιστικὸν εἶναι τὸν οἰωνόν· τὸν γὰρ αἰετὸν πετόμενον μᾶλλον λαμβάνειν τὰ ἐπιτήδεια. [6.1.24] οὕτω δὲ θυομένῳ αὐτῷ διαφανῶς ὁ θεὸς σημαίνει μήτε προσδεῖσθαι τῆς ἀρχῆς μήτε εἰ αἰροῖντο ἀποδέχεσθαι. τοῦτο μὲν δὴ οὕτως ἐγένετο. [6.1.25] ἡ δὲ στρατιὰ συνῆλθε, καὶ πάντες ἔλεγον ἓνα αἰρεῖσθαι· καὶ ἐπεὶ τοῦτο ἔδοξε, προυβάλλοντο αὐτόν. ἐπεὶ δὲ ἐδόκει δηλὸν εἶναι ὅτι αἰρήσονται αὐτόν, εἴ τις ἐπιψηφίζοι, ἀνέστη καὶ ἔλεξε τάδε. [6.1.26] «ἐγώ, ὦ ἄνδρες, ἡδομαι μὲν ὑφ' ὑμῶν τιμώμενος, εἴπερ ἄνθρωπός εἰμι, καὶ χάριν ἔχω καὶ εὐχομαι δοῦναί μοι τοὺς θεοὺς αἰτίον τινος ὑμῖν ἀγαθοῦ γενέσθαι· τὸ μέντοι ἐμὲ προκριθῆναι ὑφ' ὑμῶν ἄρχοντα Λακεδαιμονίου ἀνδρὸς παρόντος οὔτε ὑμῖν μοι δοκεῖ συμφέρον εἶναι, ἀλλ' ἥττον ἂν διὰ τοῦτο τυγχάνειν, εἴ τι δέοισθε παρ' αὐτῶν· ἐμοί τε αὖ οὐ πάντῃ νομίζω ἀσφαλὲς εἶναι τοῦτο. [6.1.27] ὁρῶ γὰρ ὅτι καὶ τῇ πατρίδι μου οὐ πρόσθεν ἐπαύσαντο πολεμοῦντες πρὶν ἐποίησαν πᾶσαν τὴν πόλιν ὁμολογεῖν Λακεδαιμονίους καὶ αὐτῶν ἡγεμόνας εἶναι. [6.1.28] ἐπεὶ δὲ τοῦτο ὁμολόγησαν, εὐθὺς ἐπαύσαντο πολεμοῦντες καὶ οὐκέτι πέρα ἐπολιόρκησαν τὴν πόλιν. εἰ οὖν ταῦτα ὁρῶν ἐγὼ δοκοῖην ὅπου δυναίμην ἐνταῦθ' ἄκυρον ποιεῖν τὸ ἐκείνων ἀξίωμα, ἐκεῖνο ἐννοῶ μὴ λίαν ἂν ταχὺ σωφρονισθεῖην. [6.1.29] ὁ δὲ ὑμεῖς ἐννοεῖτε, ὅτι ἥττον ἂν στάσις εἴη ἐνὸς ἄρχοντος ἢ πολλῶν, εὖ

ἴστε ὅτι ἄλλον μὲν ἐλόμενοι οὐχ εὐρήσετε ἐμὲ στασιάζοντα· νομίζω γὰρ ὅστις ἐν πολέμῳ ὢν στασιάζει πρὸς ἄρχοντα, τοῦτον πρὸς τὴν ἑαυτοῦ σωτηρίαν στασιάζειν· ἐὰν δὲ ἐμὲ ἔλησθε, οὐκ ἂν θαυμάσαιμι εἴ τινα εὕροιτε καὶ ὑμῖν καὶ ἐμοὶ ἀχθόμενον.» [6.1.30] ἐπεὶ ταῦτα εἶπε, πολὺ πλείονες ἀνίσταντο λέγοντες ὥς δέοι αὐτὸν ἄρχειν. Ἀγασίας δὲ Στυμφάλιος εἶπεν ὅτι γελοῖον εἴη, εἰ οὕτως ἔχοι· <ἧ> ὀργιοῦνται Λακεδαιμόνιοι καὶ ἐὰν σύνδειπνοι συνελθόντες μὴ Λακεδαιμόνιον συμποσίαρχον αἰρῶνται; ἐπεὶ εἰ οὕτω γε τοῦτο ἔχει, ἔφη, οὐδὲ λοχαγεῖν ἡμῖν ἔξεστιν, ὥς ἔοικεν, ὅτι Ἀρκάδες ἐσμέν. ἐνταῦθα δὴ ὥς εὖ εἰπόντος τοῦ Ἀγασίου ἀνεθορύβησαν. [6.1.31] καὶ ὁ Ξενοφῶν ἐπεὶ ἑώρα πλείονος ἐνδέον, παρελθὼν εἶπεν· «ἀλλ', ὦ ἄνδρες, ἔφη, ὥς πάνυ εἰδήτε, ὁμνῶ ὑμῖν θεοὺς πάντας καὶ πάσας, ἧ μὴν ἐγώ, ἐπεὶ τὴν ὑμετέραν γνώμην ἡσθανόμην, ἐθυόμην εἰ βέλτιον εἴη ὑμῖν τε ἐμοὶ ἐπιτρέψαι ταύτην τὴν ἀρχὴν καὶ ἐμοὶ ὑποστῆναι· καὶ μοι οἱ θεοὶ οὕτως ἐν τοῖς ἱεροῖς ἐσήμηναν ὥστε καὶ ἰδιώτην ἂν γινῶναι ὅτι τῆς μοναρχίας ἀπέχεσθαι με δεῖ.» [6.1.32] οὕτω δὴ Χειρίσοφον αἰροῦνται. Χειρίσοφος δ' ἐπεὶ ἡιρέθη, παρελθὼν εἶπεν· «ἀλλ', ὦ ἄνδρες, τοῦτο μὲν ἴστε, ὅτι οὐδ' ἂν ἔγωγε ἐστασιάζον, εἰ ἄλλον εἴλεσθε· Ξενοφῶντα μέντοι, ἔφη, ὠνήσατε οὐχ ἐλόμενοι· ὥς καὶ νῦν Δέξιππος ἤδη διέβαλλεν αὐτὸν πρὸς Ἀναξίβιον ὃ τι ἐδύνατο καὶ μάλα ἐμοῦ αὐτὸν σιγάζοντος. ὁ δ' ἔφη νομίζειν αὐτὸν Τιμασίῳνι μᾶλλον ἄρχειν συνεθελῆσαι Δαρδανεῖ ὄντι τοῦ Κλεάρχου στρατεύματος ἢ ἑαυτῷ Λάκωνι ὄντι. [6.1.33] ἐπεὶ μέντοι ἐμὲ εἴλεσθε, ἔφη, καὶ ἐγὼ πειράσομαι ὃ τι ἂν δύνωμαι ὑμᾶς ἀγαθὸν ποιεῖν. καὶ ὑμεῖς οὕτω παρασκευάζεσθε ὥς αὖριον, ἐὰν πλοῦς ᾖ, ἀναξόμενοι· ὁ δὲ πλοῦς ἔσται εἰς Ἡράκλειαν· ἅπαντας οὖν δεῖ ἐκεῖσε πειρᾶσθαι κατασχεῖν· τὰ δ' ἄλλα, ἐπειδὰν ἐκεῖσε ἔλθωμεν, βουλευσόμεθα.»

[6.2.1] ἐντεῦθεν τῇ ὑστεραίᾳ ἀναγόμενοι πνεύματι ἔπλεον καλῶι ἡμέρας δύο παρὰ γῆν. καὶ παραπλέοντες [ἐθεώρουν τὴν τε Ἰασονίαν ἀκτὴν, ἐνθα ἡ Ἀργὼ λέγεται ὀρμίσασθαι, καὶ τῶν ποταμῶν τὰ στόματα, πρῶτον μὲν τοῦ Θερμώδοντος, ἔπειτα δὲ τοῦ Ἴριος, ἔπειτα δὲ τοῦ Ἄλυσος, μετὰ τοῦτον τοῦ Παρθενίου· τοῦτον δὲ παραπλεύσαντες] ἀφίκοντο εἰς Ἡράκλειαν πόλιν Ἑλληνίδα Μεγαρέων ἄποικον, οὗσαν δ' ἐν τῇ Μαριανδυνῶν χώρῃ. [6.2.2] καὶ ὀρμίσαντο παρὰ τῇ Ἀχερουσιᾷ Χερρονήσῳ, ἐνθα λέγεται ὁ Ἡρακλῆς ἐπὶ τὸν Κέρβερον κύνα καταβῆναι ἧ νῦν τὰ σημεῖα δεικνύασι τῆς καταβάσεως τὸ βάθος πλέον ἢ ἐπὶ δύο στάδια. [6.2.3]

ένταῦθα τοῖς Ἑλλήσιν οἱ Ἡρακλεῶται ξένια πέμπουσιν ἀλφίτων μεδίμνους τρισχίλιους καὶ οἶνου κεράμια δισχίλια καὶ βοῦς εἴκοσι καὶ οἷς ἑκατόν. ένταῦθα διὰ τοῦ πεδίου ῥεῖ ποταμὸς Λύκος ὄνομα, εὖρος ὥς δύο πλέθρων. [6.2.4] οἱ δὲ στρατιῶται συλλεγέντες ἐβουλεύοντο τὴν λοιπὴν πορείαν πότερον κατὰ γῆν ἢ κατὰ θάλατταν χρὴ πορευθῆναι ἐκ τοῦ Πόντου. ἀναστὰς δὲ Λύκων Ἀχαιοὺς εἶπε· «θαυμάζω μὲν, ὦ ἄνδρες, τῶν στρατηγῶν ὅτι οὐ πειρῶνται ἡμῖν ἐκπορίζειν σιτηρέσιον· τὸ μὲν γὰρ ξένια οὐ μὴ γένηται τῇ στρατιᾷ τριῶν ἡμερῶν σιτία· ὁπόθεν δ' ἐπισιτισάμενοι πορευσόμεθα οὐκ ἔστιν, ἔφη. ἐμοὶ οὖν δοκεῖ αἰτεῖν τοὺς Ἡρακλεώτας μὴ ἔλαττον ἢ τρισχίλιους κυζικηνοὺς.» [6.2.5] ἄλλος δ' εἶπε μὴ ἔλαττον ἢ μυρίους· καὶ ἐλομένους πρέσβεις αὐτίκα μάλα ἡμῶν καθημένων πέμπειν πρὸς τὴν πόλιν, καὶ εἰδέναι ὅ τι ἂν ἀπαγγέλλωσι, καὶ πρὸς ταῦτα βουλεύεσθαι. [6.2.6] έντεῦθεν προυβάλλοντο πρέσβεις πρῶτον μὲν Χειρίσοφον, ὅτι ἄρχων ἦρητο· ἔστι δ' οἱ καὶ Ξενοφῶντα. οἱ δὲ ἰσχυρῶς ἀπεμάχοντο· ἀμφοῖν γὰρ ταῦτά ἐδόκει μὴ ἀναγκάζειν πόλιν Ἑλληνίδα καὶ φιλίαν ὅ τι μὴ αὐτοὶ ἐθέλοντες διδοῖεν. [6.2.7] ἐπεὶ δ' οὗτοι ἐδόκουν ἀπρόθυμοι εἶναι, πέμπουσι Λύκωνα Ἀχαιὸν καὶ Καλλίμαχον Παρράσιον καὶ Ἀγασίαν Στυμφάλιον. οὗτοι ἐλθόντες ἔλεγον τὰ δεδογμένα· τὸν δὲ Λύκωνα ἔφασαν καὶ ἐπαπειλεῖν, εἰ μὴ ποιήσοιεν ταῦτα. [6.2.8] ἀκούσαντες δ' οἱ Ἡρακλεῶται βουλεύσεσθαι ἔφασαν· καὶ εὐθὺς τὰ τε χρήματα ἐκ τῶν ἀγρῶν συνῆγον καὶ τὴν ἀγορὰν εἴσω ἀνεσκεύασαν, καὶ αἱ πύλαι ἐκέκλειντο καὶ ἐπὶ τῶν τειχῶν ὅπλα ἐφαίνετο. [6.2.9] ἐκ τούτου οἱ ταραξάντες ταῦτα τοὺς στρατηγοὺς ἠτιῶντο διαφθεῖρειν τὴν πρᾶξιν· καὶ συνίσταντο οἱ Ἀρκάδες καὶ οἱ Ἀχαιοί· προειστήκει δὲ μάλιστα αὐτῶν Καλλίμαχός τε ὁ Παρράσιος καὶ Λύκων ὁ Ἀχαιός. [6.2.10] οἱ δὲ λόγοι ἦσαν αὐτοῖς ὥς αἰσχρὸν εἶη ἄρχειν Ἀθηναῖον Πελοποννησίων καὶ Λακεδαιμόνιον, μηδεμίαν δύναμιν παρεχόμενον εἰς τὴν στρατιάν, καὶ τοὺς μὲν πόνους σφᾶς ἔχειν, τὰ δὲ κέρδη ἄλλους, καὶ ταῦτα τὴν σωτηρίαν σφῶν κατειργασμένων· εἶναι γὰρ τοὺς κατειργασμένους Ἀρκάδας καὶ Ἀχαιοὺς, τὸ δ' ἄλλο στράτευμα οὐδέν εἶναι (καὶ ἦν δὲ τῇ ἀληθείᾳ ὑπὲρ ἡμῖς τοῦ στρατεύματος Ἀρκάδες καὶ Ἀχαιοί). [6.2.11] εἰ οὖν σωφρονοῖεν, αὐτοὶ συστάντες καὶ στρατηγοὺς ἐλόμενοι ἑαυτῶν καθ' ἑαυτοὺς ἂν τὴν πορείαν ποιοῖντο καὶ πειρῶντο ἀγαθόν τι λαμβάνειν. [6.2.12] ταῦτ' ἔδοξε· καὶ ἀπολιπόντες Χειρίσοφον εἰ τινες ἦσαν παρ' αὐτῷ Ἀρκάδες ἢ Ἀχαιοὶ καὶ Ξενοφῶντα συνέστησαν καὶ

στρατηγούς αἰροῦνται ἑαυτῶν δέκα· τούτους δὲ ἐψηφίσαντο ἐκ τῆς νικώσης ὃ τι δοκοίη τοῦτο ποιεῖν. ἡ μὲν οὖν τοῦ παντὸς ἀρχὴ Χειρισόφωι ἐνταῦθα κατελύθη ἡμέραι ἕκτι ἢ ἐβδόμη ἀφ' ἧς ἠιρέθη. [6.2.13] Ξενοφῶν μέντοι ἐβούλετο κοινῇ μετ' αὐτῶν τὴν πορείαν ποιῆσθαι, νομίζων οὕτως ἀσφαλεστέραν εἶναι ἢ ἰδία ἕκαστον στέλλεσθαι· ἀλλὰ Νέων ἔπειθεν αὐτὸν καθ' αὐτὸν πορεύεσθαι, ἀκούσας τοῦ Χειρισόφου ὅτι Κλέανδρος ὁ ἐν Βυζαντίῳ ἀρμοστής φαίη τριήρεις ἔχων ἥξειν εἰς Κάλπης λιμένα· [6.2.14] ὅπως οὖν μηδεὶς μετάσχοι, ἀλλ' αὐτοὶ καὶ οἱ αὐτῶν στρατιῶται ἐκπλεύσειαν ἐπὶ τῶν τριήρων, διὰ ταῦτα συνεβούλευε. καὶ Χειρίσοφος, ἅμα μὲν ἀθυμῶν τοῖς γεγενημένοις, ἅμα δὲ μισῶν ἐκ τούτου τὸ στράτευμα, ἐπιτρέπει αὐτῷ ποιεῖν ὃ τι βούλεται. [6.2.15] Ξενοφῶν δὲ ἔτι μὲν ἐπεχείρησεν ἀπαλλαγεῖς τῆς στρατιᾶς ἐκπλεῦσαι· θυομένῳ δὲ αὐτῷ τῷ ἡγεμόνι Ἡρακλεῖ καὶ κοινουμένῳ, πότερα λῶιον καὶ ἄμεινον εἴη στρατεύεσθαι ἔχοντι τοὺς παραμείναντας τῶν στρατιωτῶν ἢ ἀπαλλάττεσθαι, ἐσήμηνεν ὁ θεὸς τοῖς ἱεροῖς συστρατεύεσθαι. [6.2.16] οὕτω γίνγεται τὸ στράτευμα τρίχα, Ἀρκάδες μὲν καὶ Ἀχαιοὶ πλείους ἢ τετρακισχίλιοι, ὀπλῖται πάντες, Χειρισόφωι δ' ὀπλῖται μὲν εἰς τετρακοσίους καὶ χιλίους, πελτασταὶ δὲ εἰς ἑπτακοσίους, οἱ Κλέαρχου Θρᾱικες, Ξενοφῶντι δὲ ὀπλῖται μὲν εἰς ἑπτακοσίους καὶ χιλίους, πελτασταὶ δὲ εἰς τριακοσίους· ἵππικόν δὲ μόνος οὗτος εἶχεν, ἀμφὶ τετταράκοντα ἵππεις. [6.2.17] καὶ οἱ μὲν Ἀρκάδες διαπραξάμενοι πλοῖα παρὰ τῶν Ἡρακλεωτῶν πρῶτοι πλέουσιν, ὅπως ἐξαίφνης ἐπιπεσόντες τοῖς Βιθυνοῖς λάβοιεν ὅτι πλείστα· καὶ ἀποβαίνουσιν εἰς Κάλπης λιμένα κατὰ μέσον πῶς τῆς Θράικης. [6.2.18] Χειρίσοφος δ' εὐθὺς ἀπὸ τῆς πόλεως τῶν Ἡρακλεωτῶν ἀρξάμενος πεζῇ ἐπορεύετο διὰ τῆς χώρας· ἐπεὶ δὲ εἰς τὴν Θράικην ἐνέβαλε, παρὰ τὴν θάλατταν ἦιεν· [6.2.19] καὶ γὰρ ἡσθένει. Ξενοφῶν δὲ πλοῖα λαβὼν ἀποβαίνει ἐπὶ τὰ ὄρια τῆς Θράικης καὶ τῆς Ἡρακλεωτίδος καὶ διὰ μεσογείας ἐπορεύετο.

[6.3.1] [ὄν μὲν οὖν τρόπον ἢ τε Χειρισόφου ἀρχὴ τοῦ παντὸς κατελύθη καὶ τῶν Ἑλλήνων τὸ στράτευμα ἐσχίστη ἐν τοῖς ἐπάνω εἴρηται.]

[6.3.2] ἔπραξαν δ' αὐτῶν ἕκαστοι τάδε. οἱ μὲν Ἀρκάδες ὥς ἀπέβησαν νυκτὸς εἰς Κάλπης λιμένα, πορεύονται εἰς τὰς πρώτας κώμας, στάδια ἀπὸ θαλάττης ὥς τριάκοντα. ἐπεὶ δὲ φῶς ἐγένετο,

ἦγεν ἕκαστος ὁ στρατηγὸς τὸν αὐτοῦ λόχον ἐπὶ κώμην· ὅποια δὲ μείζων ἐδόκει εἶναι, σύνδυο λόχους ἦγον οἱ στρατηγοί. [6.3.3] συνεβάλλοντο δὲ καὶ λόφον εἰς ὃν δέοι πάντας ἀλίζεσθαι· καὶ ἄτε ἐξαίφνης ἐπιπεσόντες ἀνδράποδά τε πολλὰ ἔλαβον καὶ πρόβατα πολλὰ περιεβάλλοντο. [6.3.4] οἱ δὲ Θρᾶικες ἠθροίζοντο οἱ διαφεύγοντες· πολλοὶ δὲ διέφευγον πελτασταὶ ὄντες ὀπλίτας ἐξ αὐτῶν τῶν χειρῶν. ἐπεὶ δὲ συνελέγησαν, πρῶτον μὲν τῷ Σμίκρητος λόχῳ ἐνὸς τῶν Ἀρκάδων στρατηγῶν ἀπiónτι ἤδη εἰς τὸ συγκείμενον καὶ πολλὰ χρήματα ἄγοντι ἐπιτίθενται. [6.3.5] καὶ τέως μὲν ἐμάχοντο ἅμα πορευόμενοι οἱ Ἕλληνες, ἐπὶ δὲ διαβάσει χαράδρας τρέπονται αὐτούς, καὶ αὐτόν τε τὸν Σμίκρητα ἀποκτινύουσι καὶ τοὺς ἄλλους πάντας· ἄλλου δὲ λόχου τῶν δέκα στρατηγῶν τοῦ Ἡγησάνδρου ὀκτὼ μόνους ἔλιπον· καὶ αὐτὸς Ἡγήσανδρος ἐσώθη. [6.3.6] καὶ οἱ ἄλλοι δὲ λόχοι συνῆλθον οἱ μὲν σὺν πράγμασιν οἱ δὲ ἄνευ πραγμάτων· οἱ δὲ Θρᾶικες ἐπεὶ ἠτύχησαν τοῦτο τὸ εὐτύχημα, συνεβόων τε ἀλλήλους καὶ συνελέγοντο ἐρρωμένως τῆς νυκτός. καὶ ἅμα ἡμέραι κύκλῳ περὶ τὸν λόφον ἔνθα οἱ Ἕλληνες ἐστρατοπεδεύοντο ἐτάττοντο καὶ ἱππεῖς πολλοὶ καὶ πελτασταί, καὶ αἰεὶ πλέονες συνέρρεον· καὶ προσέβαλλον πρὸς τοὺς ὀπλίτας ἀσφαλῶς· [6.3.7] οἱ μὲν γὰρ Ἕλληνες οὔτε τοξότην εἶχον οὔτε ἀκοντιστὴν οὔτε ἱππέα· οἱ δὲ προσθέοντες καὶ προσελαύνοντες ἠκόντιζον· ὁπότε δὲ αὐτοῖς ἐπίοιεν, ραϊδίως ἀπέφευγον· ἄλλοι δὲ ἄλλῃ ἐπετίθεντο. [6.3.8] καὶ τῶν μὲν πολλοὶ ἐτιτρώσκοντο, τῶν δὲ οὐδεῖς· ὥστε κινηθῆναι οὐκ ἐδύναντο ἐκ τοῦ χωρίου, ἀλλὰ τελευτῶντες καὶ ἀπὸ τοῦ ὕδατος εἶργον αὐτούς οἱ Θρᾶικες. [6.3.9] ἐπεὶ δὲ ἀπορία πολλὴ ἦν, διελέγοντο περὶ σπονδῶν· καὶ τὰ μὲν ἄλλα ὠμολόγητο αὐτοῖς, ὁμήρους δὲ οὐκ ἐδίδοσαν οἱ Θρᾶικες αἰτούντων τῶν Ἑλλήνων, ἀλλ' ἐν τούτῳ ἴσχετο. τὰ μὲν δὴ τῶν Ἀρκάδων οὕτως εἶχε. [6.3.10] Χειρίσοφος δὲ ἀσφαλῶς πορευόμενος παρὰ θάλατταν ἀφικνεῖται εἰς Κάλπης λιμένα. Ξενοφῶντι δὲ διὰ τῆς μεσογείας πορευομένῳ οἱ ἱππεῖς καταθέοντες ἐντυγχάνουσι πρεσβύταις πορευομένοις ποι. καὶ ἐπεὶ ἤχθησαν παρὰ Ξενοφῶντα, ἐρωτᾷ αὐτοὺς εἴ που ἦισθηνται ἄλλου στρατεύματος ὄντος Ἑλληνικοῦ. [6.3.11] οἱ δὲ ἔλεγον πάντα τὰ γεγενημένα, καὶ νῦν ὅτι πολιορκοῦνται ἐπὶ λόφου, οἱ δὲ Θρᾶικες πάντες περικεκυκλωμένοι εἶεν αὐτούς. ἐνταῦθα τοὺς μὲν ἀνθρώπους τούτους ἐφύλαττεν ἰσχυρῶς, ὅπως ἡγεμόνες εἶεν ὅποι δέοι· σκοποὺς δὲ καταστήσας συνέλεξε τοὺς στρατιώτας καὶ ἔλεξεν· [6.3.12] «ἄνδρες

στρατιῶται, τῶν Ἀρκάδων οἱ μὲν τεθνᾶσιν, οἱ δὲ λοιποὶ ἐπὶ λόφου
τινὸς πολιορκοῦνται. νομίζω δ' ἔγωγε, εἰ ἐκεῖνοι ἀπολοῦνται, οὐδ'
ἡμῖν εἶναι οὐδεμίαν σωτηρίαν, οὕτω μὲν πολλῶν ὄντων <τῶν>
πολεμίων, οὕτω δὲ τεθαρρηκότων. [6.3.13] κράτιστον οὖν ἡμῖν ὡς
τάχιστα βοηθεῖν τοῖς ἀνδράσιν, ὅπως εἰ ἔτι εἰσὶ σῶιοι, σὺν ἐκείνοις
μαχώμεθα καὶ μὴ μόνοι λειφθέντες μόνοι καὶ κινδυνεύωμεν. [6.3.14]
ἡμεῖς γὰρ ἀποδράϊμεν ἂν οὐδαμοῖ ἐνθένδε· πολλὴ μὲν γάρ, ἔφη, εἰς
Ἡράκλειαν πάλιν ἀπιέναι, πολλὴ δὲ εἰς Χρυσόπολιν διελθεῖν· οἱ δὲ
πολέμιοι πλησίον· εἰς Κάλπης δὲ λιμένα, ἔνθα Χειρίσοφον εἰκάζομεν
εἶναι, εἰ σέσωσται, ἐλαχίστη ὁδός. ἀλλὰ δὴ ἐκεῖ μὲν οὔτε πλοῖα ἔστιν
οἷς ἀποπλευσούμεθα, μένουσι δὲ αὐτοῦ οὐδὲ μιᾶς ἡμέρας ἔστι τὰ
ἐπιτήδεια. [6.3.15] τῶν δὲ πολιορκουμένων ἀπολομένων σὺν τοῖς
Χειρισόφου μόνοις κάκιόν ἔστι διακινδυνεύειν ἢ τῶνδε σωθέντων
πάντας εἰς ταὐτὸν ἐλθόντας κοινῇ τῆς σωτηρίας ἔχεσθαι. ἀλλὰ χρὴ
παρασκευασαμένους τὴν γνώμην πορεύεσθαι ὡς νῦν ἢ εὐκλεῶς
τελευτῆσαι ἔστιν ἢ κάλλιστον ἔργον ἐργάσασθαι Ἑλληνας
τοσοῦτους σώσαντας. [6.3.16] καὶ ὁ θεὸς ἴσως ἄγει οὕτως, ὃς τοὺς
μεγαληγορήσαντας ὡς πλέον φρονοῦντας ταπεινῶσαι βούλεται, ἡμᾶς
δὲ τοὺς ἀπὸ τῶν θεῶν ἀρχομένους ἐντιμοτέρους ἐκείνων
καταστῆσαι. ἀλλ' ἔπεσθαι χρὴ καὶ προσέχειν τὸν νοῦν, ὡς ἂν τὸ
παραγγελλόμενον δύνησθε ποιεῖν. [6.3.17] νῦν μὲν οὖν
στρατοπεδευσώμεθα προελθόντες ὅσον ἂν δοκῇ καιρὸς εἶναι εἰς τὸ
δειπνοποιεῖσθαι· ἕως δ' ἂν πορευώμεθα, Τιμασίων ἔχων τοὺς ἵππεις
προελαυνέτω ἐφορῶν ἡμᾶς καὶ σκοπεῖτω τὰ ἔμπροσθεν, ὡς μηδὲν
ἡμᾶς λάθῃ.» [6.3.18] ταῦτ' εἰπὼν ἠγείτο. παρέπεμψε δὲ καὶ τῶν
γυμνήτων ἀνθρώπους εὐζώνους εἰς τὰ πλάγια καὶ εἰς τὰ ἄκρα, ὅπως
εἴ πού τί ποθεν καθορῶιεν, σημαίνοιεν· ἐκέλευε δὲ καίειν ἅπαντα
ὅτῳ ἐντυγχάνοιεν καυσίμῳι. [6.3.19] οἱ δὲ ἱππεῖς σπειρόμενοι ἐφ' ὅσον
καλῶς εἶχεν ἔκαιον, καὶ οἱ πελτασταὶ ἐπιπαριόντες κατὰ τὰ ἄκρα
ἔκαιον πάντα ὅσα καύσιμα ἐώρων, καὶ ἡ στρατιὰ δέ, εἴ τι
παραλειπομένῳ ἐντυγχάνοιεν· ὥστε πᾶσα ἡ χώρα αἶθεσθαι ἐδόκει
καὶ τὸ στράτευμα πολὺ εἶναι. [6.3.20] ἐπεὶ δὲ ὥρα ἦν,
κατεστρατοπεδεύσαντο ἐπὶ λόφον ἐκβάντες, καὶ τὰ τε τῶν πολεμίων
πυρὰ ἐώρων, ἀπείχον δὲ ὡς τετταράκοντα σταδίους, καὶ αὐτοὶ ὡς
ἐδύναντο πλεῖστα πυρὰ ἔκαιον. [6.3.21] ἐπεὶ δὲ ἐδείπνησαν τάχιστα,
παρηγγέλθη τὰ πυρὰ κατασβεννύναι πάντα. καὶ τὴν μὲν νύκτα
φυλακὰς ποιησάμενοι ἐκάθευδον· ἅμα δὲ τῇ ἡμέρᾳ προσευξάμενοι

τοῖς θεοῖς, συνταξάμενοι ὡς εἰς μάχην ἐπορεύοντο ἢ ἐδύναντο τάχιστα. [6.3.22] Τιμασίων δὲ καὶ οἱ ἵππεῖς ἔχοντες τοὺς ἡγεμόνας καὶ προελαύνοντες ἐλάνθανον αὐτοὺς ἐπὶ τῷ λόφῳ γενόμενοι ἔνθα ἐπολιορκοῦντο οἱ Ἕλληνες. καὶ οὐχ ὀρώσιν οὔτε φίλιον στράτευμα οὔτε πολέμιον (καὶ ταῦτα ἀπαγγέλλουσι πρὸς τὸν Ξενοφῶντα καὶ τὸ στράτευμα), γράϊδια δὲ καὶ γερόντια καὶ πρόβατα ὀλίγα καὶ βοῦς καταλελειμμένους. [6.3.23] καὶ τὸ μὲν πρῶτον θαῦμα ἦν τί εἴη τὸ γεγενημένον, ἔπειτα δὲ καὶ τῶν καταλελειμμένων ἐπυνθάνοντο ὅτι οἱ μὲν Θρᾷκες ἀφ' ἐσπέρας ὦιχοντο ἀπiónτες, καὶ τοὺς Ἕλληνας δ' ἔφασαν οἷχεσθαι· ὅποι δέ, οὐκ εἰδέναι. [6.3.24] ταῦτα ἀκούσαντες οἱ ἀμφὶ Ξενοφῶντα, ἐπεὶ ἠρίστησαν, συσκευασάμενοι ἐπορεύοντο, βουλόμενοι ὡς τάχιστα συμμεῖξαι τοῖς ἄλλοις εἰς Κάλπης λιμένα. καὶ πορευόμενοι ἐώρων τὸν στίβον τῶν Ἀρκάδων καὶ Ἀχαιῶν κατὰ τὴν ἐπὶ Κάλπης ὁδόν. ἐπεὶ δὲ ἀφίκοντο εἰς τὸ αὐτό, ἄσμενοί τε εἶδον ἀλλήλους καὶ ἡσπάζοντο ὥσπερ ἀδελφοῦς. [6.3.25] καὶ ἐπυνθάνοντο οἱ Ἀρκάδες τῶν περὶ Ξενοφῶντα τί τὰ πυρὰ κατασβέσειαν· ἡμεῖς μὲν γάρ, ἔφασαν, ὤμεθα ὑμᾶς τὸ μὲν πρῶτον, ἐπειδὴ τὰ πυρὰ οὐχ ἐωρῶμεν, τῆς νυκτὸς ἥξειν ἐπὶ τοὺς πολεμίους· καὶ οἱ πολέμιοι δέ, ὥς γε ἡμῖν ἐδόκουν, τοῦτο δείσαντες ἀπῆλθον· σχεδὸν γὰρ ἀμφὶ τοῦτον τὸν χρόνον ἀπῆισαν. [6.3.26] ἐπεὶ δὲ οὐκ ἀφίκεσθε, ὁ δὲ χρόνος ἐξῆκεν, ὠϊόμεθα ὑμᾶς πυθομένους τὰ παρ' ἡμῖν φοβηθέντας οἷχεσθαι ἀποδράντας ἐπὶ θάλατταν· καὶ ἐδόκει ἡμῖν μὴ ἀπολείπεσθαι ὑμῶν. οὕτως οὖν καὶ ἡμεῖς δεῦρο ἐπορεύθημεν.

[6.4.1] ταύτην μὲν οὖν τὴν ἡμέραν αὐτοῦ ἠυλίζοντο ἐπὶ τοῦ αἰγιαλοῦ πρὸς τῷ λιμένι. τὸ δὲ χωρίον τοῦτο ὃ καλεῖται Κάλπης λιμὴν ἔστι μὲν ἐν τῇ Θράικῃ τῇ ἐν τῇ Ἀσίᾳ· ἀρξάμενη δὲ ἡ Θράικη αὕτη ἐστὶν ἀπὸ τοῦ στόματος τοῦ Πόντου μέχρι Ἡρακλείας ἐπὶ δεξιὰ εἰς τὸν Πόντον εἰσπλέοντι. [6.4.2] καὶ τριήρει μὲν ἐστὶν εἰς Ἡράκλειαν ἐκ Βυζαντίου κώπαις ἡμέρας μακρᾶς πλοῦς· ἐν δὲ τῷ μέσῳ ἄλλη μὲν πόλις οὐδεμία οὔτε φιλία οὔτε Ἑλληνίς, ἀλλὰ Θρᾷκες Βιθυνοί· καὶ οὓς ἂν λάβωσι τῶν Ἑλλήνων ἐκπίπτοντας ἢ ἄλλως πῶς δεινὰ ὑβρίζειν λέγονται τοὺς Ἕλληνας. [6.4.3] ὁ δὲ Κάλπης λιμὴν ἐν μέσῳ μὲν κεῖται ἐκατέρωθεν πλεόντων ἐξ Ἡρακλείας καὶ Βυζαντίου, ἔστι δ' ἐν τῇ θαλάττῃ προκείμενον χωρίον, τὸ μὲν εἰς τὴν θάλατταν καθῆκον αὐτοῦ πέτρα ἀπορρώξ, ὕψος ὅπῃ ἐλάχιστον οὐ μεῖον εἴκοσιν ὀργυῶν, ὁ δὲ αὐχὴν ὁ εἰς τὴν γῆν ἀνήκων τοῦ χωρίου μάλιστα τεττάρων πλέθρων τὸ εὖρος· τὸ δ' ἐντὸς τοῦ

αὐχένος χωρίον ἱκανὸν μυρίοις ἀνθρώποις οἰκῆσαι. [6.4.4] λιμὴν δ' ὑπ' αὐτῇ τῇ πέτραι τὸ πρὸς ἐσπέραν αἰγιαλὸν ἔχων. κρήνη δὲ ἡδέος ὕδατος καὶ ἄφθονος ῥέουσα ἐπ' αὐτῇ τῇ θαλάττῃ ὑπὸ τῇ ἐπικρατείᾳ τοῦ χωρίου. ξύλα δὲ πολλὰ μὲν καὶ ἄλλα, πάνυ δὲ πολλὰ καὶ καλὰ ναυπηγήσιμα ἐπ' αὐτῇ τῇ θαλάττῃ. [6.4.5] τὸ δὲ ὄρος εἰς μεσόγειαν μὲν ἀνήκει ὅσον ἐπὶ εἴκοσι σταδίου, καὶ τοῦτο γεῶδες καὶ ἄλιθον· τὸ δὲ παρὰ θάλατταν πλεον ἢ ἐπὶ εἴκοσι σταδίους δασὺ πολλοῖς καὶ παντοδαποῖς καὶ μεγάλοις ξύλοις. [6.4.6] ἡ δὲ ἄλλη χώρα καλὴ καὶ πολλή, καὶ κῶμαι ἐν αὐτῇ εἰσι πολλαὶ καὶ οἰκούμεναι· φέρει γὰρ ἡ γῆ καὶ κριθὰς καὶ πυροὺς καὶ ὄσπρια πάντα καὶ μελίνας καὶ σῆσαμα καὶ σῦκα ἀρκοῦντα καὶ ἀμπέλους πολλὰς καὶ ἡδυοῖνους καὶ τᾶλλα πάντα πλὴν ἐλαῶν. [6.4.7] ἡ μὲν χώρα ἦν τοιαύτη. ἐσκήνουν δ' ἐν τῷ αἰγιαλῷ πρὸς τῇ θαλάττῃ· εἰς δὲ τὸ πόλισμα ἂν γενόμενον οὐκ ἐβούλοντο στρατοπεδεύεσθαι, ἀλλὰ ἐδόκει καὶ τὸ ἐλθεῖν ἐνταῦθα ἐξ ἐπιβουλῆς εἶναι, βουλομένων τινῶν κατοικίσαι πόλιν. [6.4.8] τῶν γὰρ στρατιωτῶν οἱ πλεῖστοι ἦσαν οὐ σπάνει βίου ἐκπεπλευκότες ἐπὶ ταύτην τὴν μισθοφοράν, ἀλλὰ τὴν Κύρου ἀρετὴν ἀκούοντες, οἱ μὲν καὶ ἄνδρας ἄγοντες, οἱ δὲ καὶ προσανηλωκότες χρήματα, καὶ τούτων ἕτεροι ἀποδεδρακότες πατέρας καὶ μητέρας, οἱ δὲ καὶ τέκνα καταλιπόντες ὡς χρήματ' αὐτοῖς κτησάμενοι ἤζοντες πάλιν, ἀκούοντες καὶ τοὺς ἄλλους τοὺς παρὰ Κύρῳι πολλὰ καὶ ἀγαθὰ πράττειν. τοιοῦτοι ὄντες ἐπόθουν εἰς τὴν Ἑλλάδα σήιζεσθαι. [6.4.9] ἐπειδὴ δὲ ὑστέρα ἡμέρα ἐγένετο τῆς εἰς ταὐτὸν συνόδου, ἐπ' ἐξόδῳ ἐθύετο Ξενοφῶν· ἀνάγκη γὰρ ἦν ἐπὶ τὰ ἐπιτήδεια ἐξάγειν· ἐπενόει δὲ καὶ τοὺς νεκροὺς θάπτειν. ἐπεὶ δὲ τὰ ἱερὰ καλὰ ἐγένετο, εἶποντο καὶ οἱ Ἀρκάδες, καὶ τοὺς μὲν νεκροὺς τοὺς πλείστους ἐνθαπερ ἔπεσον ἐκάστους ἔθαψαν· ἤδη γὰρ ἦσαν πεμπταῖοι καὶ οὐχ οἷόν τε ἀναιρεῖν ἔτι ἦν· ἐνίους δὲ τοὺς ἐκ τῶν ὁδῶν συνενεγκόντες ἔθαψαν ἐκ τῶν ὑπαρχόντων ὡς ἐδύναντο κάλλιστα· οὓς δὲ μὴ ἡῦρισκον, κενοτάφιον αὐτοῖς ἐποίησαν μέγα, καὶ στεφάνους ἐπέθεσαν. [6.4.10] ταῦτα δὲ ποιήσαντες ἀνεχώρησαν ἐπὶ τὸ στρατόπεδον. καὶ τότε μὲν δειπνήσαντες ἐκοιμήθησαν. τῇ δὲ ὑστεραίᾳ συνήλθον οἱ στρατιῶται πάντες· συνῆγε δὲ μάλιστα Ἀγασίας τε ὁ Στυμφάλιος λοχαγὸς καὶ Ἰερώνυμος Ἡλεῖος λοχαγὸς καὶ ἄλλοι οἱ πρεσβύτατοι τῶν Ἀρκάδων. [6.4.11] καὶ δόγμα ἐποίησαντο, ἐάν τις τοῦ λοιποῦ μνησθῇ δίχα τὸ στράτευμα ποιεῖν, θανάτῳ αὐτὸν ζημιοῦσθαι, καὶ κατὰ χώραν ἀπιέναι ἢ ἵπερ πρόσθεν

εἶχε τὸ στράτευμα καὶ ἄρχειν τοὺς πρόσθεν στρατηγούς. καὶ Χειρίσοφος μὲν ἤδη ἐτετελευτήκει φάρμακον πιὼν πυρέττων· τὰ δ' ἐκείνου Νέων Ἀσιναῖος παρέλαβε. [6.4.12] μετὰ δὲ ταῦτα ἀναστὰς εἶπε Ξενοφῶν «ὦ ἄνδρες στρατιῶται, τὴν μὲν πορείαν, ὡς ἔοικε, [δηλὸν ὅτι] πεζῇ ποιητέον· οὐ γὰρ ἔστι πλοῖα· ἀνάγκη δὲ πορεύεσθαι ἤδη· οὐ γὰρ ἔστι μένουσι τὰ ἐπιτήδεια. ἡμεῖς οὖν, ἔφη, θυσόμεθα· ὑμᾶς δὲ δεῖ παρασκευάζεσθαι ὡς μαχομένους εἴ ποτε καὶ ἄλλοτε· οἱ γὰρ πολέμιοι ἀνατεθαρρήκασιν.» [6.4.13] ἐκ τούτου ἐθύοντο οἱ στρατηγοί, μάντις δὲ παρὴν Ἀρηξίων Ἀρκάς· ὁ δὲ Σιλανὸς ὁ Ἀμπρακιώτης ἤδη ἀπεδεδράκει πλοῖον μισθωσάμενος ἐξ Ἡρακλείας. θυομένοις δὲ ἐπὶ τῇ ἀφόδῳ οὐκ ἐγίνετο τὰ ἱερά. [6.4.14] ταύτην μὲν οὖν τὴν ἡμέραν ἐπαύσαντο. καὶ τινες ἐτόλμων λέγειν ὡς ὁ Ξενοφῶν βουλόμενος τὸ χωρίον οἰκίσαι πέπεικε τὸν μάντιν λέγειν ὡς τὰ ἱερά οὐ γίνεταί ἐπὶ ἀφόδῳ. [6.4.15] ἐντεῦθεν κηρύξας τῇ αὖριον παρεῖναι ἐπὶ τὴν θυσίαν τὸν βουλόμενον, καὶ μάντις εἴ τις εἶη, παραγγείλας παρεῖναι ὡς συνθεασόμενον τὰ ἱερά, ἔθυε· καὶ ἐνταῦθα παρῆσαν πολλοί. [6.4.16] θυομένῳ δὲ πάλιν εἰς τρις ἐπὶ τῇ ἀφόδῳ οὐκ ἐγίνετο τὰ ἱερά. ἐκ τούτου χαλεπῶς εἶχον οἱ στρατιῶται· καὶ γὰρ τὰ ἐπιτήδεια ἐπέλιπεν ἅ ἔχοντες ἦλθον, καὶ ἀγορὰ οὐδεμία πω παρῆν. [6.4.17] ἐκ τούτου ξυνελθόντων εἶπε πάλιν Ξενοφῶν «ὦ ἄνδρες, ἐπὶ μὲν τῇ πορείᾳ, ὡς ὁρᾶτε, τὰ ἱερά οὐπω γίνεταί· τῶν δ' ἐπιτηδείων ὁρῶ ὑμᾶς δεομένους· ἀνάγκη οὖν μοι δοκεῖ εἶναι θύεσθαι περὶ αὐτοῦ τούτου.» [6.4.18] ἀναστὰς τις εἶπε· «καὶ εἰκότως ἄρα ἡμῖν οὐ γίνεταί τὰ ἱερά· ὡς γὰρ ἐγὼ ἀπὸ τοῦ αὐτομάτου χθὲς ἤκοντος πλοίου ἤκουσά τινος [ὅτι] Κλέανδρος <ὁ> ἐκ Βυζαντίου ἀρμοστής μέλλει ἥξειν πλοῖα καὶ τριήρεις ἔχων.» [6.4.19] ἐκ τούτου δὲ ἀναμένειν μὲν πᾶσιν ἐδόκει· ἐπὶ δὲ τὰ ἐπιτήδεια ἀνάγκη ἦν ἐξιέναι. καὶ ἐπὶ τούτῳ πάλιν ἐθύετο εἰς τρίς, καὶ οὐκ ἐγίνετο τὰ ἱερά. καὶ ἤδη καὶ ἐπὶ σκηνὴν ἰόντες τὴν Ξενοφῶντος ἔλεγον ὅτι οὐκ ἔχοιεν τὰ ἐπιτήδεια. ὁ δ' οὐκ ἂν ἔφη ἐξαγαγεῖν μὴ γιγνομένων τῶν ἱερῶν. [6.4.20] καὶ πάλιν τῇ ὑστεραίᾳ ἐθύετο, καὶ σχεδόν τι πᾶσα ἡ στρατιὰ διὰ τὸ μέλειν ἅπασιν ἐκυκλοῦντο περὶ τὰ ἱερά· τὰ δὲ θύματα ἐπελελοίπει. οἱ δὲ στρατηγοὶ ἐξῆγον μὲν οὐ, συνεκάλεσαν δέ. [6.4.21] εἶπεν οὖν Ξενοφῶν· «ἴσως οἱ πολέμιοι συνειλεγμένοι εἰσὶ καὶ ἀνάγκη μάχεσθαι· εἰ οὖν καταλιπόντες <τὰ σκευή> ἐν τῷ ἐρυμνῷ χωρίῳ ὡς εἰς μάχην παρεσκευασμένοι ἴοιμεν, ἴσως ἂν τὰ ἱερά προχωροίῃ ἡμῖν.» [6.4.22] ἀκούσαντες δ' οἱ στρατιῶται ἀνέκραγον, ὡς οὐδὲν δέον εἰς τὸ

χωρίον ἄγειν, ἀλλὰ θύεσθαι ὡς τάχιστα. καὶ πρόβατα μὲν οὐκέτι ἦν, βοῦς δὲ ὑπὸ ἀμάξης πριάμενοι ἐθύοντο· καὶ Ξενοφῶν Κλεάνορος ἐδεήθη τοῦ Ἀρκάδος προθυμεῖσθαι, εἴ τι ἐν τούτῳ εἴη. ἀλλ' οὐδ' ὥς ἐγένοντο. [6.4.23] Νέων δὲ ἦν μὲν στρατηγὸς κατὰ τὸ Χειρισόφου μέρος, ἐπεὶ δὲ ἑώρα τοὺς ἀνθρώπους ὡς εἶχον δεινῶς τῇ ἐνδεΐαι, βουλόμενος αὐτοῖς χαρίζεσθαι, εὐρών τινα ἄνθρωπον Ἡρακλεώτην, ὃς ἔφη κώμας ἐγγὺς εἰδέναι ὅθεν εἴη λαβεῖν τὰ ἐπιτήδεια, ἐκήρυξε τὸν βουλόμενον ἰέναι ἐπὶ τὰ ἐπιτήδεια, ὡς ἡγεμόνος ἐσομένου. ἐξέρχονται δὴ σὺν δορατίοις καὶ ἄσκοις καὶ θυλάκοις καὶ ἄλλοις ἀγγείοις εἰς δισχιλίους ἀνθρώπους. [6.4.24] ἐπειδὴ δὲ ἦσαν ἐν ταῖς κώμαις καὶ διεσπείροντο ὡς ἐπὶ τὸ λαμβάνειν, ἐπιπίπτουσιν αὐτοῖς οἱ Φαρναβάζου ἵππεις πρῶτοι· βεβοηθηκότες γὰρ ἦσαν τοῖς Βιθυνοῖς, βουλόμενοι σὺν τοῖς Βιθυνοῖς, εἰ δύναιτο, ἀποκωλύσαι τοὺς Ἑλλήνας μὴ ἔλθεῖν εἰς τὴν Φρυγίαν· οὗτοι οἱ ἵππεις ἀποκτείνουσι τῶν ἀνδρῶν οὐ μείον πεντακοσίους· οἱ δὲ λοιποὶ ἐπὶ τὸ ὄρος ἀνέφυγον. [6.4.25] ἐκ τούτου ἀπαγγέλλει τις ταῦτα τῶν ἀποφευγόντων εἰς τὸ στρατόπεδον. καὶ ὁ Ξενοφῶν, ἐπεὶ οὐκ ἐγεγένητο τὰ ἱερὰ ταύτῃ τῇ ἡμέρᾳ, λαβὼν βοῦν ὑπὸ ἀμάξης (οὐ γὰρ ἦν ἄλλα ἱερεῖα), σφαγιασάμενος ἐβοήθει καὶ οἱ ἄλλοι οἱ μέχρι τριάκοντα ἐτῶν ἅπαντες. [6.4.26] καὶ ἀναλαβόντες τοὺς λοιποὺς ἄνδρας εἰς τὸ στρατόπεδον ἀφικνοῦνται. καὶ ἤδη μὲν ἀμφὶ ἡλίου δυσμὰς ἦν καὶ οἱ Ἑλληνες μάλ' ἀθύμως ἔχοντες ἐδειπνοποιοῦντο, καὶ ἐξαπίνης διὰ τῶν λασίων τῶν Βιθυνῶν τινες ἐπιγενόμενοι τοῖς προφύλαξι τοὺς μὲν κατέκαινον τοὺς δὲ ἐδίωξαν μέχρι εἰς τὸ στρατόπεδον. [6.4.27] καὶ κραυγῆς γενομένης εἰς τὰ ὄπλα πάντες ἔδραμον οἱ Ἑλληνες· καὶ διώκειν μὲν καὶ κινεῖν τὸ στρατόπεδον νυκτὸς οὐκ ἀσφαλὲς ἐδόκει εἶναι· δασέα γὰρ ἦν τὰ χωρία· ἐν δὲ τοῖς ὅπλοις ἐνυκτέρευον φυλαττόμενοι ἱκανοῖς φύλαξι.

[6.5.1] τὴν μὲν νύκτα οὕτω διήγαγον· ἅμα δὲ τῇ ἡμέρᾳ οἱ στρατηγοὶ εἰς τὸ ἐρυμνὸν χωρίον ἡγοῦντο· οἱ δὲ εἶποντο ἀναλαβόντες τὰ ὄπλα καὶ τὰ σκεύη. πρὶν δὲ ἀρίστου ὥραν εἶναι ἀπετάφρευον ἥ ἢ εἴσοδος ἦν εἰς τὸ χωρίον, καὶ ἀπεσταύρωσαν ἅπαν, καταλιπόντες τρεῖς πύλας. καὶ πλοῖον ἐξ Ἡρακλείας ἦκεν ἄλφιτα ἄγον καὶ ἱερεῖα καὶ οἶνον. [6.5.2] πρῶι δ' ἀναστὰς Ξενοφῶν ἐθύετο ἐπ' ἐξόδῳ, καὶ γίγνεται τὰ ἱερὰ ἐπὶ τοῦ πρώτου ἱερείου. καὶ ἤδη τέλος ἐχόντων τῶν ἱερῶν ὁρᾷ αἰετὸν αἴσιον ὁ μάντις Ἀρηξίων Παρράσιος, καὶ ἡγεῖσθαι κελεύει τὸν Ξενοφῶντα. [6.5.3] καὶ διαβάντες

τὴν τάφρον τὰ ὄπλα τίθενται, καὶ ἐκήρυξαν ἀριστήσαντας ἐξιέναι τοὺς στρατιώτας σὺν τοῖς ὅπλοις, τὸν δὲ ὄχλον καὶ τὰ ἀνδράποδα αὐτοῦ καταλιπεῖν. [6.5.4] οἱ μὲν δὴ ἄλλοι πάντες ἐξήρισαν, Νέων δὲ οὐ· ἐδόκει γὰρ κάλλιστον εἶναι τοῦτον φύλακα καταλιπεῖν τῶν ἐπὶ στρατοπέδου. ἐπεὶ δ' οἱ λοχαγοὶ καὶ οἱ στρατιῶται ἀπέλειπον αὐτόν, αἰσχυρόμενοι μὴ ἐφέπεσθαι τῶν ἄλλων ἐξιόντων, κατέλιπον αὐτοῦ τοὺς ὑπὲρ πέντε καὶ τετταράκοντα ἔτη. καὶ οὗτοι μὲν ἔμενον, οἱ δ' ἄλλοι ἐπορεύοντο. [6.5.5] πρὶν δὲ πεντεκαίδεκα στάδια διεληλυθέναι ἐνέτυχον ἤδη νεκροῖς· καὶ τὴν οὐρὰν τοῦ κέρατος ποιησάμενοι κατὰ τοὺς πρώτους φανέντας νεκροὺς ἔθαπτον πάντα ὁπόσους ἐπελάμβανε τὸ κέρας. [6.5.6] ἐπεὶ δὲ τοὺς πρώτους ἔθαψαν, προαγαγόντες καὶ τὴν οὐρὰν αὐθις ποιησάμενοι κατὰ τοὺς πρώτους τῶν ἀτάφων ἔθαπτον τὸν αὐτὸν τρόπον ὁπόσους ἐπελάμβανεν ἡ στρατιά. ἐπεὶ δὲ εἰς τὴν ὁδὸν ἦκον τὴν ἐκ τῶν κωμῶν, ἔνθα ἔκειντο ἀθρόοι, συνενεγκόντες αὐτοὺς ἔθαψαν. [6.5.7] ἤδη δὲ πέρα μεσοῦσης τῆς ἡμέρας προάγοντες τὸ στράτευμα ἔξω τῶν κωμῶν ἐλάμβανον τὰ ἐπιτήδεια ὅ τι τις ὀρήγη ἐντὸς τῆς φάλαγγος, καὶ ἐξαίφνης ὀρώσι τοὺς πολεμίους ὑπερβάλλοντας κατὰ λόφους τινὰς ἐκ τοῦ ἐναντίου, τεταγμένους ἐπὶ φάλαγγος ἱππέας τε πολλοὺς καὶ πεζοὺς· καὶ γὰρ Σπιθριδάτης καὶ Ῥαθίνης ἦκον παρὰ Φαρναβάζου ἔχοντες τὴν δύναμιν. [6.5.8] ἐπεὶ δὲ κατεῖδον τοὺς Ἑλλήνας οἱ πολέμιοι, ἔστησαν ἀπέχοντες αὐτῶν ὅσον πεντεκαίδεκα σταδίου. ἐκ τούτου εὐθὺς ὁ Ἀρηξίων ὁ μάντις τῶν Ἑλλήνων σφαγιάζεται, καὶ ἐγένετο ἐπὶ τοῦ πρώτου καλὰ τὰ σφάγια. [6.5.9] ἔνθα δὴ Ξενοφῶν λέγει· «δοκεῖ μοι, ὦ ἄνδρες στρατηγοί, ἐπιτάξασθαι τῇ φάλαγγι λόχους φύλακας ἵν' ἂν πού δέηι ὧσιν οἱ ἐπιβοηθήσοντες τῇ φάλαγγι καὶ οἱ πολέμιοι τεταραγμένοι ἐμπίπτωσιν εἰς τεταγμένους καὶ ἀκεραίους.» συνεδόκει ταῦτα πᾶσιν. [6.5.10] «ὅμεις μὲν τοῖνυν, ἔφη, προηγεῖσθε τὴν πρὸς τοὺς ἐναντίους, ὥς μὴ ἐσθήκωμεν, ἐπεὶ ὥφθημεν καὶ εἶδομεν τοὺς πολεμίους· ἐγὼ δὲ ἤξω τοὺς τελευταίους λόχους καταχωρίσας ἥπερ ὑμῖν δοκεῖ.» [6.5.11] ἐκ τούτου οἱ μὲν ἤσυχoi προῆγον, ὁ δὲ τρεῖς ἀφελὼν τὰς τελευταίας τάξεις ἀνὰ διακοσίους ἄνδρας τὴν μὲν ἐπὶ τὸ δεξιὸν ἐπέτρεψεν ἐφέπεσθαι ἀπολιπόντας ὥς πλέθρον· Σαμόλας Ἀχαιὸς ταύτης ἤρχε τῆς τάξεως· τὴν δ' ἐπὶ τῷ μέσῳ ἐχώρισεν ἔπεσθαι· Πυρρίας Ἀρκὰς ταύτης ἤρχε· τὴν δὲ μίαν ἐπὶ τῷ εὐωνύμῳ· Φρασίας Ἀθηναῖος ταύτῃ ἐφειστήκει. [6.5.12] προϊόντες δέ, ἐπεὶ ἐγένοντο οἱ ἡγούμενοι ἐπὶ νάπαι μεγάλῳ καὶ δυσπόρῳ, ἔστησαν

ἀγνοοῦντες εἰ διαβατέον εἴη τὸ νάπος. καὶ παρεγγυῶσι στρατηγοὺς καὶ λοχαγοὺς παρίεναι ἐπὶ τὸ ἡγούμενον. [6.5.13] καὶ ὁ Ξενοφῶν θαυμάσας ὃ τι τὸ ἴσχον εἴη τὴν πορείαν καὶ ταχὺ ἀκούων τὴν παρεγγύην, ἐλαύνει ἥι τάχιστα. ἐπεὶ δὲ συνῆλθον, λέγει Σοφαίνετος πρεσβύτατος ὢν τῶν στρατηγῶν ὅτι βουλῆς οὐκ ἄξιον εἴη εἰ διαβατέον ἐστὶ τοιοῦτον νάπος. [6.5.14] καὶ ὁ Ξενοφῶν σπουδῇ ὑπολαβὼν ἔλεξεν· ἀλλ' ἴστε μὲν με, ὧ ἄνδρες, οὐδένα πω κίνδυνον προξενήσαντα ὑμῖν ἐθελοῦσιον· οὐ γὰρ δόξης ὀρῶ δεομένους ὑμᾶς εἰς ἀνδρείότητα, ἀλλὰ σωτηρίας. [6.5.15] νῦν δὲ οὕτως ἔχει· ἀμαχεῖ μὲν ἐνθένδε οὐκ ἔστιν ἀπελθεῖν· ἦν γὰρ μὴ ἡμεῖς ἴωμεν ἐπὶ τοὺς πολεμίους, οὗτοι ἡμῖν ὁπότεν ἀπίωμεν ἔψονται καὶ ἐπιπεσοῦνται. [6.5.16] ὁρᾶτε δὴ πότερον κρεῖττον ἰέναι ἐπὶ τοὺς ἄνδρας προβαλλομένους τὰ ὅπλα ἢ μεταβαλλομένους ὀπισθεν ἡμῶν ἐπιόντας τοὺς πολεμίους θεᾶσθαι. [6.5.17] ἴστε μέντοι ὅτι τὸ μὲν ἀπιέναι ἀπὸ πολεμίων οὐδενὶ καλῶι ἔοικε, τὸ δὲ ἐφέπεσθαι καὶ τοῖς κακίοσι θάρρος ἐμποιεῖ. ἐγὼ γοῦν ἥδιον ἂν σὺν ἡμίσεσιν ἐπιόην ἢ σὺν διπλασίοις ἀποχωροίην. καὶ τούτους οἶδ' ὅτι ἐπιόντων μὲν ἡμῶν οὐδ' ὑμεῖς ἐλπίζετε δέξεσθαι ἡμᾶς, ἀπιόντων δὲ πάντες ἐπιστάμεθα ὅτι τολμήσουσιν ἐφέπεσθαι. [6.5.18] τὸ δὲ διαβάντας ὀπισθεν νάπος χαλεπὸν ποιήσασθαι μέλλοντας μάχεσθαι ἅρ' οὐχὶ καὶ ἀρπάσαι ἄξιον; τοῖς μὲν γὰρ πολεμίοις ἐγὼ βουλοίμην ἂν εὖπορα πάντα φαίνεσθαι ὥστε ἀποχωρεῖν· ἡμᾶς δὲ καὶ ἀπὸ τοῦ χωρίου δεῖ διδάσκεσθαι ὅτι οὐκ ἔστι μὴ νικῶσι σωτηρία. [6.5.19] θαυμάζω δ' ἔγωγε καὶ τὸ νάπος τοῦτο εἶ τις μᾶλλον φοβερὸν νομίζει εἶναι τῶν ἄλλων ὧν διαπεπορεύμεθα χωρίων. πῶς γὰρ διαβατὸν τὸ πεδίον, εἰ μὴ νικήσομεν τοὺς ἱππέας; πῶς δὲ ἂ διεληλύθαμεν ὄρη, ἣν πελτασται τοσοῖδε ἐφέπωνται; [6.5.20] ἦν δὲ δὴ καὶ σωθῶμεν ἐπὶ θάλατταν, πόσον τι νάπος ὁ Πόντος; ἔνθα οὐτε πλοῖα ἔστι τὰ ἀπάζοντα οὐτε σῖτος ὧι θρεψόμεθα μένοντες, δεήσει δέ, ἦν θᾶπτον ἐκεῖ γενώμεθα, θᾶπτον πάλιν ἐξιέναι ἐπὶ τὰ ἐπιτήδεια. [6.5.21] οὐκοῦν νῦν κρεῖττον ἡριστηκότας μάχεσθαι ἢ αὐριον ἀναρίστους. ἄνδρες, τά τε ἱερὰ ἡμῖν καλὰ οἱ τε οἰωνοὶ αἴσιοι τά τε σφάγια κάλλιστα· ἴωμεν ἐπὶ τοὺς ἄνδρας. οὐ δεῖ ἔτι τούτους, ἐπεὶ ἡμᾶς πάντως εἶδον, ἡδέως δειπνήσαι οὐδ' ὅπου ἂν θέλωσι σκηνῆσαι. [6.5.22] ἐντεῦθεν οἱ λοχαγοὶ ἡγεῖσθαι ἐκέλευον, καὶ οὐδεὶς ἀντέλεγε. καὶ ὃς ἡγεῖτο, παραγγείλας διαβαίνειν ἥι ἕκαστος ἐτύγχανε τοῦ νάπου ὧν· θᾶπτον γὰρ ἀθρόον ἐδόκει ἂν οὕτω πέραν γενέσθαι τὸ στράτευμα ἢ εἰ κατὰ τὴν γέφυραν ἢ ἐπὶ τῷ

νάπει ἦν ἐξεμηνύοντο. [6.5.23] ἐπεὶ δὲ διέβησαν, παριῶν παρὰ τὴν φάλαγγα ἔλεγεν· «ἄνδρες, ἀναμιμνήσκεσθε ὅσας δὴ μάχας σὺν τοῖς θεοῖς ὁμόσε ἰόντες νενικήκατε καὶ οἷα πάσχουσιν οἱ πολεμίους φεύγοντες, καὶ τοῦτο ἐννοήσατε ὅτι ἐπὶ ταῖς θύραις τῆς Ἑλλάδος ἐσμέν. [6.5.24] ἀλλ’ ἔπεσθε ἡγεμόνι τῷ Ἡρακλεῖ καὶ ἀλλήλους παρακαλεῖτε ὀνομαστί. ἡδὺ τοι ἀνδρεῖόν τι καὶ καλὸν νῦν εἰπόντα καὶ ποιήσαντα μνήμην ἐν οἷς ἐθέλει παρέχειν ἑαυτοῦ.» [6.5.25] ταῦτα παρελαύνων ἔλεγε καὶ ἅμα ὑφηγεῖτο ἐπὶ φάλαγγος, καὶ τοὺς πελταστὰς ἐκατέρωθεν ποιησάμενοι ἐπορεύοντο ἐπὶ τοὺς πολεμίους. παρήγγελο δὲ τὰ μὲν δόρατα ἐπὶ τὸν δεξιὸν ὤμον ἔχειν, ἕως σημαῖνοι τῇ σάλπιγγι· ἔπειτα δὲ εἰς προσβολὴν καθέντας ἔπεσθαι βάδην καὶ μηδένα δρόμῳ διώκειν. ἐκ τούτου σύνθημα παρήει Ζεὺς σωτήρ, Ἡρακλῆς ἡγεμών. οἱ δὲ πολέμιοι ὑπέμενον, νομίζοντες καλὸν ἔχειν τὸ χωρίον. [6.5.26] ἐπεὶ δ’ ἐπλησίαζον, ἀλαλάζαντες οἱ Ἕλληνες πελτασταὶ ἔθεον ἐπὶ τοὺς πολεμίους πρὶν τινα κελεύειν· οἱ δὲ πολέμιοι ἀντίοι ὥρμησαν, οἳ θ’ ἵππεῖς καὶ τὸ στίφος τῶν Βιθυνῶν· καὶ τρέπονται τοὺς πελταστὰς. [6.5.27] ἀλλ’ ἐπεὶ ὑπηντίαζεν ἡ φάλαγξ τῶν ὀπλιτῶν ταχὺ πορευομένη καὶ ἅμα ἡ σάλπιγξ ἐφθέγγετο καὶ ἐπαιάνιζον καὶ μετὰ ταῦτα ἡλάλαζον καὶ ἅμα τὰ δόρατα καθίεσαν, ἐνταῦθα οὐκέτι ἐδέξαντο οἱ πολέμιοι, ἀλλὰ ἔφευγον. [6.5.28] καὶ Τιμασίῳ μὲν ἔχων τοὺς ἵππεας ἐφείπετο, καὶ ἀπεκτίννυσαν ὅσουσπερ ἐδύναντο ὡς ὀλίγοι ὄντες. τῶν δὲ πολεμίων τὸ μὲν εὐάνθυμον εὐθὺς διεσπάρη, καθ’ ὃ οἱ Ἕλληνες ἵππεῖς ἦσαν, τὸ δὲ δεξιὸν ἄτε οὐ σφόδρα διωκόμενον ἐπὶ λόφου συνέστη. [6.5.29] ἐπεὶ δὲ εἶδον οἱ Ἕλληνες ὑπομένοντας αὐτούς, ἐδόκει ῥαῖιστόν τε καὶ ἀκινδυνότατον εἶναι ἰέναι ἤδη ἐπ’ αὐτούς. παιανίσαντες οὖν εὐθὺς ἐπέκειντο· οἱ δ’ οὐχ ὑπέμειναν. καὶ ἐνταῦθα οἱ πελτασταὶ ἐδίωκον μέχρι τὸ δεξιὸν διεσπάρη· ἀπέθανον δὲ ὀλίγοι· τὸ γὰρ ἱππικὸν φόβον παρεῖχε τὸ τῶν πολεμίων πολὺ ὄν. [6.5.30] ἐπεὶ δὲ εἶδον οἱ Ἕλληνες τότε Φαρναβάζου ἱππικὸν ἔτι συνεστηκὸς καὶ τοὺς Βιθυνοὺς ἵππεας πρὸς τοῦτο συναθροιζομένους καὶ ἀπὸ λόφου τινὸς καταθεωμένους τὰ γινόμενα, ἀπειρήκεσαν μὲν, ὅμως δὲ ἐδόκει καὶ ἐπὶ τούτους ἰέον εἶναι οὕτως ὅπως δύναιτο, ὡς μὴ τεθαρρηκότες ἀναπαύσαιντο. [6.5.31] συνταξάμενοι δὴ πορεύονται. ἐντεῦθεν οἱ πολέμιοι ἵππεῖς φεύγουσι κατὰ τοῦ πρानοῦς ὁμοίως ὥσπερ ὑπὸ ἱππέων διωκόμενοι· νάπος γὰρ αὐτοὺς ὑπεδέχετο, ὃ οὐκ ἤιδεσαν οἱ Ἕλληνες, ἀλλὰ προαπετράποντο διώκοντες· ὁψὲ γὰρ ἦν. [6.5.32] ἐπανελθόντες δὲ ἐνθα

ἡ πρώτη συμβολή ἐγένετο, στησάμενοι τρόπαιον ἀπῆισαν ἐπὶ θάλατταν περὶ ἡλίου δυσμάς· στάδιοι δ' ἦσαν ὡς ἐξήκοντα ἐπὶ τὸ στρατόπεδον.

[6.6.1] ἐντεῦθεν οἱ μὲν πολέμοι εἶχον ἀμφὶ τὰ ἑαυτῶν καὶ ἀπήγοντο καὶ τοὺς οἰκέτας καὶ τὰ χρήματα ὅποι ἐδύναντο προσωτάτω· οἱ δὲ Ἕλληνες προσέμενον μὲν Κλέανδρον καὶ τὰς τριήρεις καὶ τὰ πλοῖα ὡς ἦξοντα, ἐξιόντες δ' ἐκάστης ἡμέρας σὺν τοῖς ὑποζυγίοις καὶ τοῖς ἀνδραπόδοις ἐφέροντο ἀδεῶς πυροὺς καὶ κριθάς, οἶνον, ὄσπρια, μελίνας, σῦκα· ἅπαντα γὰρ ἀγαθὰ εἶχεν ἡ χώρα πλὴν ἐλαίου. [6.6.2] καὶ ὁπότε μὲν καταμένονι τὸ στράτευμα ἀναπαυόμενον, ἐξῆν ἐπὶ λείαν ἰέναι, καὶ ἐλάμβανον <οἱ> ἐξιόντες· ὁπότε δὲ ἐξίοι πᾶν τὸ στράτευμα, εἴ τις χωρὶς ἀπελθὼν λάβοι τι, δημόσιον ἔδοξεν εἶναι. [6.6.3] ἤδη δὲ ἦν πάντων ἀφθονία· καὶ γὰρ ἀγοραὶ πάντοθεν ἀφικνοῦντο ἐκ τῶν Ἑλληνίδων πόλεων καὶ οἱ παραπλέοντες ἄσμενοι κατῆγον, ἀκούοντες ὡς οἰκίζοιτο πόλις καὶ λιμὴν εἶη. [6.6.4] ἔπεμπον δὲ καὶ οἱ πολέμοι ἤδη οἱ πλησίον ὠκοῦν πρὸς Ξενοφῶντα, ἀκούοντες ὅτι οὗτος πολίξει τὸ χωρίον, ἐρωτῶντες ὅ τι δέοι ποιοῦντας φίλους εἶναι. ὁ δ' ἀπεδείκνυνεν αὐτοὺς τοῖς στρατιώταις. [6.6.5] κὰν τούτῳ Κλέανδρος ἀφικνεῖται δύο τριήρεις ἔχων, πλοῖον δ' οὐδέν. ἐτύγχανε δὲ τὸ στράτευμα ἔξω ὄν ὅτε ἀφίκετο καὶ ἐπὶ λείαν τινὲς οἰχόμενοι ἄλλοι εἰς τὸ ὄρος εἰλήφεσαν πρόβατα πολλά· ὀκνοῦντες δὲ μὴ ἀφαιρεθεῖεν τῷ Δεξιππῳ λέγουσιν, ὡς ἀπέδρα τὴν πεντηκόντορον ἔχων ἐκ Τραπεζοῦντος, καὶ κελεύουσι διασώσαντα αὐτοῖς τὰ πρόβατα τὰ μὲν αὐτὸν λαβεῖν, τὰ δὲ σφίσιν ἀποδοῦναι. [6.6.6] εὐθὺς δ' ἐκεῖνος ἀπελαύνει τοὺς περιεστῶτας τῶν στρατιωτῶν καὶ λέγοντας ὅτι δημόσια εἶη, καὶ τῷ Κλεάνδρῳ λέγει ἐλθὼν ὅτι ἀρπάζειν ἐπιχειροῦσιν. ὁ δὲ κελεύει τὸν ἀρπάζοντα ἄγειν πρὸς αὐτόν. [6.6.7] καὶ ὁ μὲν λαβὼν ἦγέ τινα· περιτυχὼν δ' Ἀγασίας ἀφαιρεῖται· καὶ γὰρ ἦν αὐτῷ ὁ ἀγόμενος λοχίτης. οἱ δ' ἄλλοι οἱ παρόντες τῶν στρατιωτῶν ἐπιχειροῦσι βάλλειν τὸν Δεξιππον, ἀνακαλοῦντες τὸν προδότην. ἔδρισαν δὲ καὶ τῶν τριηριτῶν πολλοὶ καὶ ἔφευγον εἰς τὴν θάλατταν, καὶ Κλέανδρος δ' ἔφευγε. [6.6.8] Ξενοφῶν δὲ καὶ οἱ ἄλλοι στρατηγοὶ κατεκώλυόν τε καὶ τῷ Κλεάνδρῳ ἔλεγον ὅτι οὐδὲν εἶη πρᾶγμα, ἀλλὰ τὸ δόγμα αἴτιον εἶη τὸ τοῦ στρατεύματος ταῦτα γενέσθαι. [6.6.9] ὁ δὲ Κλέανδρος ὑπὸ τοῦ Δεξιππου τε ἀνереθιζόμενος καὶ αὐτὸς ἀχθεσθεὶς ὅτι ἐφοβήθη, ἀποπλευσεῖσθαι ἔφη καὶ κηρύξειν μηδεμίαν πόλιν δέχεσθαι αὐτούς,

ὥς πολεμίους. ἦρχον δὲ τότε πάντων τῶν Ἑλλήνων οἱ Λακεδαιμόνιοι. [6.6.10] ἐνταῦθα πονηρὸν ἐδόκει τὸ πρᾶγμα εἶναι τοῖς Ἑλλησιν, καὶ ἐδέοντο μὴ ποιεῖν ταῦτα. ὁ δ' οὐκ ἂν ἄλλως ἔφη γενέσθαι, εἰ μὴ τις ἐκδώσει τὸν ἄρξαντα βάλλειν καὶ τὸν ἀφελόμενον. [6.6.11] ἦν δὲ ὃν ἐξήτιε Ἀγασίας διὰ τέλους φίλος τῷ Ξενοφῶντι· ἐξ οὗ καὶ διέβαλλεν αὐτὸν ὁ Δέξιππος. καὶ ἐντεῦθεν ἐπειδὴ ἀπορία ἦν, συνήγαγον τὸ στράτευμα οἱ ἄρχοντες· καὶ ἔνιοι μὲν αὐτῶν παρ' ὀλίγον ἐποιοῦντο τὸν Κλέανδρον, τῷ δὲ Ξενοφῶντι οὐκ ἐδόκει φαῦλον εἶναι, ἀλλ' ἀναστὰς ἔλεξεν· [6.6.12] «ὦ ἄνδρες στρατιῶται, ἐμοὶ δὲ οὐδὲν φαῦλον δοκεῖ εἶναι τὸ πρᾶγμα, εἰ ἡμῖν οὕτως ἔχων τὴν γνώμην Κλέανδρος ἅπεισιν ὥσπερ λέγει. εἰσὶ μὲν γὰρ ἐγγὺς αἱ Ἑλληνίδες πόλεις· τῆς δὲ Ἑλλάδος Λακεδαιμόνιοι προεστήκασιν· ἱκανοὶ δὲ εἰσι καὶ εἷς ἕκαστος Λακεδαιμονίων ἐν ταῖς πόλεσιν ὅ τι βούλονται διαπράττεσθαι. [6.6.13] εἰ οὖν οὗτος πρῶτον μὲν ἡμᾶς Βυζαντίου ἀποκλείσει, ἔπειτα δὲ τοῖς ἄλλοις ἀρμοσταῖς παραγγελεῖ εἰς τὰς πόλεις μὴ δέχεσθαι ὥς ἀπιστοῦντας Λακεδαιμονίοις καὶ ἀνόμους ὄντας, ἔτι δὲ πρὸς Ἀναξίβιον τὸν ναύαρχον οὗτος ὁ λόγος περὶ ἡμῶν ἦξει, χαλεπὸν ἔσται καὶ μένειν καὶ ἀποπλεῖν· καὶ γὰρ ἐν τῇ γῇ ἄρχουσι Λακεδαιμόνιοι καὶ ἐν τῇ θαλάττῃ τὸν νῦν χρόνον. [6.6.14] οὐκ οὐκ οὔτε ἐνὸς ἀνδρὸς ἕνεκα οὔτε δυοῖν ἡμᾶς τοὺς ἄλλους τῆς Ἑλλάδος ἀπέχεσθαι, ἀλλὰ πειστέον ὅ τι ἂν κελεύωσι· καὶ γὰρ αἱ πόλεις ἡμῶν ὅθεν ἐσμέν πείθονται αὐτοῖς. [6.6.15] ἐγὼ μὲν οὖν (καὶ γὰρ ἀκούω Δέξιππον λέγειν πρὸς Κλέανδρον ὥς οὐκ ἂν ἐποίησεν Ἀγασίας ταῦτα, εἰ μὴ ἐγὼ αὐτὸν ἐκέλευσα), ἐγὼ μὲν οὖν ἀπολύω καὶ ὑμᾶς τῆς αἰτίας καὶ Ἀγασίαν, ἂν αὐτὸς Ἀγασίας φήσῃ ἐμέ τι τούτων αἴτιον εἶναι, καὶ καταδικάζω ἐμαυτοῦ, εἰ ἐγὼ πετροβολίας ἢ ἄλλου τινὸς βιαίου ἐξάρχω, τῆς ἐσχάτης δίκης ἄξιος εἶναι, καὶ ὑφέξω τὴν δίκην. [6.6.16] φημί δὲ καὶ εἴ τινα ἄλλον αἰτιᾶται, χρῆναι ἑαυτὸν παρασχεῖν Κλεάνδρῳ κρῖναι· οὕτω γὰρ ἂν ὑμεῖς ἀπολελυμένοι τῆς αἰτίας εἴητε. ὥς δὲ νῦν ἔχει, χαλεπὸν εἰ οἰόμενοι ἐν τῇ Ἑλλάδι καὶ ἐπαίνου καὶ τιμῆς τεύξεσθαι ἀντὶ δὲ τούτων οὐδ' ὅμοιοι τοῖς ἄλλοις ἐσόμεθα, ἀλλ' εἰρξόμεθα ἐκ τῶν Ἑλληνίδων πόλεων.» [6.6.17] μετὰ ταῦτα ἀναστὰς εἶπεν Ἀγασίας· «ἐγώ, ὦ ἄνδρες, ὁμνυμι θεοὺς καὶ θεὰς ἥ μὴν μήτε με Ξενοφῶντα κελεύσαι ἀφελέσθαι τὸν ἄνδρα μήτε ἄλλον ὑμῶν μηδένα· ἰδόντι δὲ μοι ἄνδρα ἀγαθὸν ἀγόμενον τῶν ἐμῶν λοχιτῶν ὑπὸ Δεξίππου, ὃν ὑμεῖς ἐπίστασθε ὑμᾶς προδόντα, δεινὸν ἔδοξεν εἶναι· [6.6.18] καὶ

ἀφειλόμην, ὁμολογῶ. καὶ ὑμεῖς μὲν μὴ ἐκδῶτέ με· ἐγὼ δὲ ἐμαυτόν, ὥσπερ Ξενοφῶν λέγει, παρασχίσω κρίναντι Κλεάνδρῳ ὃ τι ἂν βούληται ποιῆσαι· τούτου ἕνεκα μήτε πολεμεῖτε Λακεδαιμονίοις σήιξεσθέ τε ἀσφαλῶς ὅποι θέλει ἕκαστος. συμπέμψατε μέντοι μοι ὑμῶν αὐτῶν ἐλόμενοι πρὸς Κλεάνδρον οἵτινες, ἂν τι ἐγὼ παραλίπω, καὶ λέξουσιν ὑπὲρ ἐμοῦ καὶ πράξουσιν.» [6.6.19] ἐκ τούτου ἔδωκεν ἡ στρατιὰ οὐστινας βούλοιο προελόμενον ἰέναι. ὁ δὲ προεῖλετο τοὺς στρατηγούς. μετὰ ταῦτα ἐπορεύετο πρὸς Κλεάνδρον Ἀγασίας καὶ οἱ στρατηγοὶ καὶ ὁ ἀφαιρεθεὶς ἀνὴρ ὑπὸ Ἀγασίου. [6.6.20] καὶ ἔλεγον οἱ στρατηγοί· «ἔπεμψεν ἡμᾶς ἡ στρατιὰ πρὸς σέ, ὦ Κλεάνδρε, καὶ κελεύουσί σε, εἴτε πάντας αἰτιάι, κρίναντα σέ αὐτὸν χρῆσθαι ὃ τι ἂν βούληι, εἴτε ἓνα τινὰ ἢ δύο καὶ πλείους αἰτιάι, τούτους ἀξιούσι παρασχεῖν σοι ἑαυτοὺς εἰς κρίσιν. εἴ τι οὖν ἡμῶν τινα αἰτιάι, πάρεσμέν σοι ἡμεῖς· εἴ τι δὲ ἄλλον τινὰ, φράσον· οὐδεὶς γὰρ ἀπέσται ὅστις ἂν ἡμῖν ἐθέλῃ πεῖθεσθαι.» [6.6.21] μετὰ ταῦτα παρελθὼν ὁ Ἀγασίας εἶπεν· «ἐγὼ εἰμι, ὦ Κλεάνδρε, ὁ ἀφελόμενος Δέξιππου ἄγοντος τοῦτον τὸν ἄνδρα καὶ παίειν κελεύσας Δέξιππον. [6.6.22] τοῦτον μὲν γὰρ οἶδα ἄνδρα ἀγαθὸν ὄντα, Δέξιππον δὲ οἶδα αἰρεθέντα ὑπὸ τῆς στρατιᾶς ἄρχειν τῆς πεντηκοντόρου ἧς ἡιτησάμεθα παρὰ Τραπεζουντίων ἐφ' ὧτε πλοῖα συλλέγειν ὥς σωιζόμεθα, καὶ ἀποδράντα Δέξιππον καὶ προδόντα τοὺς στρατιώτας μεθ' ὧν ἐσώθη. [6.6.23] καὶ τοὺς τε Τραπεζουντίους ἀπεστερήκαμεν τὴν πεντηκόντορον καὶ κακοὶ δοκοῦμεν εἶναι διὰ τοῦτον, αὐτοί τε τὸ ἐπὶ τούτῳ ἀπολώλαμεν. ἤκουε γάρ, ὥσπερ ἡμεῖς, ὡς ἄπορον εἶη πεζῇ ἀπιόντας τοὺς ποταμούς τε διαβῆναι καὶ σωθῆναι εἰς τὴν Ἑλλάδα. [6.6.24] τοῦτον οὖν τοιοῦτον ὄντα ἀφειλόμην. εἰ δὲ σὺ ἦγες ἢ ἄλλος τις τῶν παρὰ σοῦ, καὶ μὴ τῶν παρ' ἡμῶν ἀποδράντων, εὖ ἴσθι ὅτι οὐδὲν ἂν τούτων ἐποίησα. νόμιζε δέ, ἂν ἐμὲ νῦν ἀποκτείνῃς, δι' ἄνδρα δειλόν τε καὶ πονηρὸν ἄνδρα ἀγαθὸν ἀποκτείνων.» [6.6.25] ἀκούσας ταῦτα ὁ Κλεάνδρος εἶπεν ὅτι Δέξιππον μὲν οὐκ ἐπαινοίῃ, εἰ ταῦτα πεποιηκὼς εἶη· οὐ μέντοι ἔφη νομίζειν οὐδ' εἰ παμπόνηρος ἦν Δέξιππος βίαι χρῆναι πάσχειν αὐτόν, ἀλλὰ κριθέντα, ὥσπερ καὶ ὑμεῖς νῦν ἀξιούτε, τῆς δίκης τυχεῖν. [6.6.26] νῦν οὖν ἅπιτε καταλιπόντες τόνδε τὸν ἄνδρα· ὅταν δ' ἐγὼ κελεύσω, πάρεστε πρὸς τὴν κρίσιν. αἰτιῶμαι δὲ οὔτε τὴν στρατιὰν οὔτε ἄλλον οὐδένα ἔτι, ἐπεὶ οὗτος αὐτὸς ὁμολογεῖ ἀφελέσθαι τὸν ἄνδρα. [6.6.27] ὁ δὲ ἀφαιρεθεὶς εἶπεν· «ἐγὼ, ὦ Κλεάνδρε, εἰ καὶ οἶει με ἀδικοῦντά τι ἄγεσθαι, οὔτε ἔπαιον

οὐδένα οὔτε ἔβαλλον, ἀλλ' εἶπον ὅτι δημόσια εἴη τὰ πρόβατα· ἦν γὰρ τῶν στρατιωτῶν δόγμα, εἴ τις ὁπότε ἡ στρατιὰ ἐξίοι ἰδίαί λήιζοιτο, δημόσια εἶναι τὰ ληφθέντα. [6.6.28] ταῦτα εἶπον· ἐκ τούτου με λαβὼν οὗτος ἦγεν, ἵνα μὴ φθέγγοιτο μηδεὶς, ἀλλ' αὐτὸς λαβὼν τὸ μέρος διασώσειε τοῖς ληισταῖς παρὰ τὴν ῥήτρην τὰ χρήματα.» πρὸς ταῦτα ὁ Κλέανδρος εἶπεν· «ἐπεὶ τοίνυν ... εἶ, κατὰμενε, ἵνα καὶ περὶ σοῦ βουλευσώμεθα.» [6.6.29] ἐκ τούτου οἱ μὲν ἄμφι Κλέανδρον ἡρίστων· τὴν δὲ στρατιὰν συνήγαγε Ξενοφῶν καὶ συνεβούλευε πέμψαι ἄνδρας πρὸς Κλέανδρον παραιτησομένους περὶ τῶν ἀνδρῶν. [6.6.30] ἐκ τούτου ἔδοξεν αὐτοῖς πέμψαντας στρατηγούς καὶ λοχαγούς καὶ Δρακόντιον τὸν Σπαρτιάτην καὶ τῶν ἄλλων οἱ ἐδόκουν ἐπιτήδαιοι εἶναι δεῖσθαι Κλεάνδρου κατὰ πάντα τρόπον ἀφείναι τὸν ἄνδρα. [6.6.31] ἐλθὼν οὖν ὁ Ξενοφῶν λέγει· «ἔχεις μὲν, ὦ Κλέανδρε, τοὺς ἄνδρας, καὶ ἡ στρατιὰ σοι ὑφείτο ὃ τι ἐβούλου ποιῆσαι καὶ περὶ τούτων καὶ περὶ αὐτῶν ἀπάντων. νῦν δέ σε αἰτοῦνται καὶ δέονται δοῦναι σφίσι τὸν ἄνδρα καὶ μὴ κατακαίνειν· πολλὰ γὰρ ἐν τῷ ἔμπροσθεν χρόνῳ περὶ τὴν στρατιὰν ἐμοχθησάτην. [6.6.32] ταῦτα δέ σου τυχόντες ὑπισχνοῦνταί σοι ἀντὶ τούτων, ἦν βούληι ἡγείσθαι αὐτῶν καὶ ἦν οἱ θεοὶ ἴλωι ὧσιν, ἐπιδείξειν σοι καὶ ὥς κόσμιοί εἰσι καὶ ὥς ἱκανοὶ τῷ ἄρχοντι πειθόμενοι τοὺς πολεμίους σὺν τοῖς θεοῖς μὴ φοβεῖσθαι. [6.6.33] δέονται δέ σου καὶ τοῦτο, παραγενόμενον καὶ ἄρξαντα ἑαυτῶν πεῖραν λαβεῖν καὶ Δεξιίπου καὶ σφῶν τῶν ἄλλων οἷος ἕκαστός ἐστι, καὶ τὴν ἀξίαν ἐκάστοις νεῖμαι.» [6.6.34] ἀκούσας ταῦτα ὁ Κλέανδρος· «ἀλλὰ ναὶ τὸ σιῶ, ἔφη, ταχύ τοι ὑμῖν ἀποκρινοῦμαι. καὶ τὴν τε ἄνδρα ὑμῖν δίδωμι καὶ αὐτὸς παρέσομαι· καὶ ἦν οἱ θεοὶ παραδιδῶσιν, ἐξηγήσομαι εἰς τὴν Ἑλλάδα. καὶ πολὺ οἱ λόγοι οὗτοι ἀντίοι εἰσὶν ἢ οὓς ἐγὼ περὶ ὑμῶν ἐνίων ἤκουον ὥς τὸ στράτευμα ἀφίστατε ἀπὸ Λακεδαιμονίων.» [6.6.35] ἐκ τούτου οἱ μὲν ἐπαινοῦντες ἀπῆλθον, ἔχοντες τὸν ἄνδρα· Κλέανδρος δὲ ἐθύετο ἐπὶ τῇ πορείᾳ καὶ ξυνῆν Ξενοφῶντι φιλικῶς καὶ ξενίαν ξυνεβάλλοντο. ἐπεὶ δὲ καὶ ἑώρα αὐτοὺς τὸ παραγγελλόμενον εὐτάκτως ποιοῦντας, καὶ μᾶλλον ἔτι ἐπεθύμει ἡγεμῶν γενέσθαι αὐτῶν. [6.6.36] ἐπεὶ μέντοι θυομένῳ αὐτῷ ἐπὶ τρεῖς ἡμέρας οὐκ ἐγίνετο τὰ ἱερά, συγκαλέσας τοὺς στρατηγούς εἶπεν· «ἐμοὶ μὲν οὐ τελέθει τὰ ἱερά ἐξάγειν· ὑμεῖς μέντοι μὴ ἀθυμεῖτε τούτου ἕνεκα· ὑμῖν γάρ, ὥς ἔοικε, δέδοται ἐκκομίσαι τοὺς ἄνδρας· ἀλλὰ πορεύεσθε. ἡμεῖς δὲ ὑμᾶς, ἐπειδὴν ἐκεῖσε ἦκητε, δεξόμεθα ὥς ἂν δυνώμεθα κάλλιστα.» [6.6.37] ἐκ τούτου

ἔδοξε τοῖς στρατιώταις δοῦναι αὐτοῖσι τὰ δημόσια πρόβατα· ὁ δὲ δεξάμενος πάλιν αὐτοῖς ἀπέδωκε. καὶ οὗτος μὲν ἀπέπλει. οἱ δὲ στρατιῶται διαθέμενοι τὸν σῆτον ὃν ἦσαν συγκεκομισμένοι καὶ τᾶλλα ἃ εἰλήφεσαν ἐξεπορεύοντο διὰ τῶν Βιθυνῶν. [6.6.38] ἐπεὶ δὲ οὐδενὶ ἐνέτυχον πορευόμενοι τὴν ὀρθὴν ὁδόν, ὥστε ἔχοντές τι εἰς τὴν φιλίαν ἐλθεῖν, ἔδοξεν αὐτοῖς τοῦμπαλιν ὑποστρέψαντας ἐλθεῖν μίαν ἡμέραν καὶ νύκτα. τοῦτο δὲ ποιήσαντες ἔλαβον πολλὰ καὶ ἀνδράποδα καὶ πρόβατα· καὶ ἀφίκοντο ἐκταῖοι εἰς Χρυσόπολιν τῆς Καλχηδονίας, καὶ ἐκεῖ ἔμειναν ἡμέρας ἑπτὰ λαφυροπωλοῦντες.

[7.1.1] [ὅσα μὲν δὴ ἐν τῇ ἀναβάσει τῇ μετὰ Κύρου ἔπραξαν οἱ Ἕλληνες μέχρι τῆς μάχης, καὶ ὅσα ἐπεὶ Κῦρος ἐτελεύτησεν ἐν τῇ πορείᾳ μέχρι εἰς τὸν Πόντον ἀφίκοντο, καὶ ὅσα ἐκ τοῦ Πόντου πεζῇ ἐξιόντες καὶ ἐκπλέοντες ἐποιοῦν μέχρι ἔξω τοῦ στόματος ἐγένοντο ἐν Χρυσοπόλει τῆς Ἀσίας, ἐν τῷ πρόσθεν λόγῳ δεδήλωται.]

[7.1.2] Ἐκ τούτου δὲ Φαρνάβαζος φοβούμενος τὸ στράτευμα μὴ ἐπὶ τὴν αὐτοῦ χώραν στρατεῦνται, πέμψας πρὸς Ἀναξίβιον τὸν ναύαρχον (ὁ δ' ἔτυχεν ἐν Βυζαντίῳ ὢν), ἐδεῖτο διαβιβάσαι τὸ στράτευμα ἐκ τῆς Ἀσίας, καὶ ὑπισχνεῖτο πάντα ποιῆσιν αὐτῷ ὅσα δέοι. [7.1.3] καὶ ὁ Ἀναξίβιος μετεπέμψατο τοὺς στρατηγοὺς καὶ λοχαγοὺς εἰς Βυζάντιον, καὶ ὑπισχνεῖτο, εἰ διαβαῖεν, μισθοφορὰν ἔσεσθαι τοῖς στρατιώταις. [7.1.4] οἱ μὲν δὴ ἄλλοι ἔφασαν βουλευσάμενοι ἀπαγγελεῖν, Ξενοφῶν δὲ εἶπεν αὐτῷ ὅτι ἀπαλλάξοιτο ἤδη ἀπὸ τῆς στρατιᾶς καὶ βούλοιο ἀποπλεῖν. ὁ δὲ Ἀναξίβιος ἐκέλευσεν αὐτὸν συνδιαβάντα ἔπειτα οὕτως ἀπαλλάττεσθαι. ἔφη οὖν ταῦτα ποιῆσιν. [7.1.5] Σεύθης δὲ ὁ Θραῖξ πέμπει Μηδοσάδην καὶ κελεύει Ξενοφῶντα συμπροθυμεῖσθαι ὅπως διαβῇ τὸ στράτευμα, καὶ ἔφη αὐτῷ ταῦτα συμπροθυμηθέντι ὅτι οὐ μεταμελήσει. [7.1.6] ὁ δ' εἶπεν· «ἀλλὰ τὸ μὲν στράτευμα διαβήσεται· τούτου ἕνεκα μηδὲν τελείτω μήτε ἐμοὶ μήτε ἄλλῳ μηδενί· ἐπειδὴν δὲ διαβῇ, ἐγὼ μὲν ἀπαλλάξομαι, πρὸς δὲ τοὺς διαμένοντας καὶ ἐπικαιρίους ὄντας προσφερέσθω ὥς ἂν αὐτῷ δοκῇ ἀσφαλές.» [7.1.7] ἐκ τούτου διαβαίνουσι πάντες εἰς τὸ Βυζάντιον οἱ στρατιῶται. καὶ μισθὸν μὲν οὐκ ἐδίδου ὁ Ἀναξίβιος, ἐκήρυξε δὲ λαβόντας τὰ ὄπλα καὶ τὰ σκεῦη τοὺς στρατιώτας ἐξιέναι, ὥς ἀποπέμψων τε ἅμα καὶ ἀριθμὸν ποιήσων. ἐνταῦθα οἱ στρατιῶται ἤχθοντο, ὅτι οὐκ εἶχον ἀργύριον ἐπισιτίζεσθαι εἰς τὴν πορείαν, καὶ ὀκνηρῶς συνεσκευάζοντο. [7.1.8] καὶ ὁ Ξενοφῶν Κλεάνδρῳ τῷ ἀρμοστῇ ξένος γεγεννημένος προσελθὼν ἠσπάζετο αὐτὸν ὥς ἀποπλευσούμενος ἤδη. ὁ δὲ αὐτῷ λέγει· «μὴ ποιήσης ταῦτα· εἰ δὲ μή, ἔφη, αἰτίαν ἔξεις, ἐπεὶ καὶ νῦν τινὲς ἤδη σὲ αἰτιῶνται ὅτι οὐ ταχὺ ἐξέρπει τὸ στράτευμα.» [7.1.9] ὁ δ' εἶπεν· «ἀλλ' αἴτιος μὲν ἔγωγε οὐκ εἰμὶ τούτου, οἱ δὲ στρατιῶται αὐτοὶ ἐπισιτισμοῦ δεόμενοι διὰ τοῦτο ἀθυμοῦσι πρὸς τὴν ἐξοδον.» [7.1.10] «ἀλλ' ὅμως, ἔφη, ἐγὼ σοι συμβουλεύω

ἐξελθεῖν μὲν ὡς πορευσόμενον, ἐπειδὰν δ' ἔξω γένηται τὸ στράτευμα, τότε ἀπαλλάττεσθαι.» «ταῦτα τοίνυν, ἔφη ὁ Ξενοφῶν, ἐλθόντες πρὸς Ἀναξίβιον διαπραξόμεθα. [7.1.11] οὕτως ἐλθόντες ἔλεγον ταῦτα. ὁ δὲ ἐκέλευεν οὕτω ποιεῖν καὶ ἐξίεναι τὴν ταχίστην συσκευασαμένους, καὶ προσανεῖπεν, ὃς ἂν μὴ παρῇ εἰς τὴν ἐξέτασιν καὶ εἰς τὸν ἀριθμόν, ὅτι αὐτὸς αὐτὸν αἰτιάσεται. [7.1.12] ἐντεῦθεν ἐξῆσαν οἱ τε στρατηγοὶ πρῶτοι καὶ οἱ ἄλλοι. καὶ ἄρδην πάντες πλὴν ὀλίγων ἔξω ἦσαν, καὶ Ἑτεόνικος εἰστήκει παρὰ τὰς πύλας ὡς ὅποτε ἔξω γένοιτο πάντες συγκλείσων τὰς πύλας καὶ τὸν μοχλὸν ἐμβαλὼν. [7.1.13] ὁ δὲ Ἀναξίβιος συγκαλέσας τοὺς στρατηγοὺς καὶ τοὺς λοχαγοὺς ἔλεγεν· «τὰ μὲν ἐπιτήδεια, ἔφη, λαμβάνετε ἐκ τῶν Θραικίων κωμῶν· εἰσὶ δὲ αὐτόθι πολλαὶ κριθαὶ καὶ πυροὶ καὶ τᾶλλα ἐπιτήδεια· λαβόντες δὲ πορεύεσθε εἰς Χερρόνησον, ἐκεῖ δὲ Κυνίσκος ὑμῖν μισθοδοτήσκει.» [7.1.14] ἐπακούσαντες δὲ τινες τῶν στρατιωτῶν ταῦτα, ἣ καὶ τῶν λοχαγῶν τις διαγγέλλει εἰς τὸ στράτευμα. καὶ οἱ μὲν στρατηγοὶ ἐπυνθάνοντο περὶ τοῦ Σεύθου πότερα πολέμιος εἴη ἢ φίλος, καὶ πότερα διὰ τοῦ ἱεροῦ ὅρους δέοι πορεύεσθαι ἢ κύκλῳ διὰ μέσης τῆς Θράκης. [7.1.15] ἐν ᾧ δὲ ταῦτα διελέγοντο οἱ στρατιῶται ἀναρπάσαντες τὰ ὄπλα θέουσι δρόμῳ πρὸς τὰς πύλας, ὡς πάλιν εἰς τὸ τεῖχος εἰσιόντες. ὁ δὲ Ἑτεόνικος καὶ οἱ σὺν αὐτῷ ὡς εἶδον προσθέοντας τοὺς ὀπλίτας, συγκλείουσι τὰς πύλας καὶ τὸν μοχλὸν ἐμβάλλουσιν. [7.1.16] οἱ δὲ στρατιῶται ἔκοπτον τὰς πύλας καὶ ἔλεγον ὅτι ἀδικώτατα πάσχοιεν ἐκβαλλόμενοι εἰς τοὺς πολεμίους· κατασχίσειν τε τὰς πύλας ἔφασαν, εἰ μὴ ἐκόντες ἀνοίξουσιν. [7.1.17] ἄλλοι δὲ ἔθεον ἐπὶ θάλατταν καὶ παρὰ τὴν χηλὴν τοῦ τεύχους ὑπερβαίνουν εἰς τὴν πόλιν, ἄλλοι δὲ οἱ ἐτύγχανον ἔνδον ὄντες τῶν στρατιωτῶν, ὡς ὀρῶσι τὰ ἐπὶ ταῖς πύλαις πράγματα, διακόπτοντες ταῖς ἀξίταις τὰ κλειθρα ἀναπετανύουσι τὰς πύλας, οἱ δ' εἰσπίπτουσιν. [7.1.18] ὁ δὲ Ξενοφῶν ὡς εἶδε τὰ γινόμενα, δέισας μὴ ἐφ' ἀρπαγὴν τράποιτο τὸ στράτευμα καὶ ἀνήκεστα κακὰ γένοιτο τῇ πόλει καὶ ἑαυτῷ καὶ τοῖς στρατιώταις, ἔθει καὶ συνεισπύπτει εἰς τὸν πυλῶν σὺν τῷ ὄχλῳ. [7.1.19] οἱ δὲ Βυζάντιοι ὡς εἶδον τὸ στράτευμα βίαι εἰσπύπτον, φεύγουσιν ἐκ τῆς ἀγορᾶς, οἱ μὲν εἰς τὰ πλοῖα, οἱ δὲ οἴκαδε, ὅσοι δὲ ἔνδον ἐτύγχανον ὄντες, ἔξω, οἱ δὲ καθεῖλκον τὰς τριήρεις, ὡς ἐν ταῖς τριήρεσι σῆζοντο, πάντες δὲ ὦοντο ἀπολωλέναι, ὡς ἐαλωκυίας τῆς πόλεως. [7.1.20] ὁ δὲ Ἑτεόνικος εἰς τὴν ἄκραν ἀποφεύγει. ὁ δὲ Ἀναξίβιος καταδραμὼν ἐπὶ θάλατταν

ἐν ἀλιευτικῷ πλοίῳ περιέπλει εἰς τὴν ἀκρόπολιν, καὶ εὐθὺς μεταπέμπεται ἐκ Καλχηδόνης φρουρούς· οὐ γὰρ ἱκανοὶ ἐδόκουν εἶναι οἱ ἐν τῇ ἀκροπόλει σχεῖν τοὺς ἄνδρας. [7.1.21] οἱ δὲ στρατιῶται ὡς εἶδον Ξενοφῶντα, προσπίπτουσι πολλοὶ αὐτῷ καὶ λέγουσι· «νῦν σοι ἔξεστιν, ὦ Ξενοφῶν, ἀνδρὶ γενέσθαι. ἔχεις πόλιν, ἔχεις τριήρεις, ἔχεις χρήματα, ἔχεις ἄνδρας τοσούτους. νῦν ἂν, εἰ βούλοιο, σύ τε ἡμᾶς ὀνήσαιο καὶ ἡμεῖς σὲ μέγαν ποιήσαιμεν.» [7.1.22] ὁ δ' ἀπεκρίνατο· «ἀλλ' εὖ γε λέγετε καὶ ποιήσω ταῦτα· εἰ δὲ τούτων ἐπιθυμεῖτε, θέσθε τὰ ὄπλα ἐν τάξει ὡς τάχιστα·» βουλόμενος αὐτοὺς κατηρεμίσαι· καὶ αὐτὸς τε παρηγγύα ταῦτα καὶ τοὺς ἄλλους ἐκέλευε παρεγγυᾶν [καὶ] τίθεσθαι τὰ ὄπλα. [7.1.23] οἱ δὲ αὐτοὶ ὑφ' ἑαυτῶν ταττόμενοι οἱ τε ὀπλῖται ἐν ὀλίγῳ χρόνῳ εἰς ὀκτὼ ἐγένοντο καὶ οἱ πελτασταὶ ἐπὶ τὸ κέρας ἐκάτερον παρεδεδραμήκεσαν. [7.1.24] τὸ δὲ χωρίον οἷον κάλλιστον ἐκτάξασθαι ἐστὶ τὸ Θράκιον καλούμενον, ἔρημον οἰκῶν καὶ πεδινόν. ἐπεὶ δὲ ἔκειτο τὰ ὄπλα καὶ κατηρεμίσθησαν, συγκαλεῖ ὁ Ξενοφῶν τὴν στρατιὰν καὶ λέγει τάδε. [7.1.25] «ὅτι μὲν ὀργίσεσθε, ὦ ἄνδρες στρατιῶται, καὶ νομίζετε δεινὰ πάσχειν ἐξαπατῶμενοι οὐ θαυμάζω. ἦν δὲ τῷ θυμῷ χαριζώμεθα καὶ Λακεδαιμονίους τε τοὺς παρόντας τῆς ἐξαπάτης τιμωρησώμεθα καὶ τὴν πόλιν τὴν οὐδὲν αἰτίαν διαρπάσωμεν, ἐνθυμεῖσθε ἃ ἔσται ἐντεῦθεν. [7.1.26] πολέμιοι μὲν ἐσόμεθα ἀποδεδειγμένοι Λακεδαιμονίοις καὶ τοῖς συμμάχοις. οἷος δὲ πόλεμος ἂν γένοιτο εἰκάζειν δὴ πάρεστιν, ἐορακότας καὶ ἀναμνησθέντας τὰ νῦν δὴ γεγεννημένα. [7.1.27] ἡμεῖς γὰρ οἱ Ἀθηναῖοι ἤλθομεν εἰς τὸν πόλεμον τὸν πρὸς Λακεδαιμονίους καὶ τοὺς συμμάχους ἔχοντες τριήρεις τὰς μὲν ἐν θαλάττῃ τὰς δ' ἐν τοῖς νεωρίοις οὐκ ἐλάττους τριακοσίων, ὑπαρχόντων δὲ πολλῶν χρημάτων ἐν τῇ πόλει καὶ προσόδου οὔσης κατ' ἐνιαυτὸν ἀπὸ τε τῶν ἐνδήμων καὶ τῆς ὑπερορίας οὐ μείων χιλίων ταλάντων· ἄρχοντες δὲ τῶν νήσων ἀπασῶν καὶ ἐν τε τῇ Ἀσίᾳ πολλὰς ἔχοντες πόλεις καὶ ἐν τῇ Εὐρώπῃ ἄλλας τε πολλὰς καὶ αὐτὸ τοῦτο τὸ Βυζάντιον, ὅπου νῦν ἐσμεν, ἔχοντες κατεπολεμήθημεν οὕτως ὡς πάντες ὑμεῖς ἐπίστασθε. [7.1.28] νῦν δὲ δὴ τί ἂν οἰόμεθα παθεῖν, Λακεδαιμονίοις μὲν καὶ τῶν ἀρχαίων συμμάχων ὑπαρχόντων, Ἀθηναίων δὲ καὶ οἱ ἐκείνοις τότε ἦσαν σύμμαχοι πάντων προσγεγεννημένων, Τισσαφέρνους δὲ καὶ τῶν ἐπὶ θαλάττῃ ἄλλων βαρβάρων πάντων πολεμίων ἡμῖν ὄντων, πολεμιωτάτου δὲ αὐτοῦ τοῦ ἄνω βασιλέως, ὃν ἤλθομεν ἀφαιρησόμενοι τὴν ἀρχὴν καὶ

ἀποκτενοῦντες, εἰ δυνάμεθα; τούτων δὴ πάντων ὁμοῦ ὄντων ἔστι τις οὕτως ἄφρων ὅστις οἶεται ἂν ἡμᾶς περιγενέσθαι; [7.1.29] μὴ πρὸς θεῶν μαινώμεθα μηδ' αἰσχροῶς ἀπολώμεθα πολέμιοι ὄντες καὶ ταῖς πατρίσι καὶ τοῖς ἡμετέροις αὐτῶν φίλοις τε καὶ οἰκείοις. ἐν γὰρ ταῖς πόλεσιν εἰσι πάντες ταῖς ἐφ' ἡμᾶς στρατευσομέναις, καὶ δικαίως, εἰ βάρβαρον μὲν πόλιν οὐδεμίαν ἠεληήσαμεν κατασχεῖν, καὶ ταῦτα κρατοῦντες, Ἑλληνίδα δὲ εἰς ἣν πρώτην ἦλθομεν πόλιν, ταύτην ἐξαλαπάξομεν. [7.1.30] ἐγὼ μὲν τοίνυν εὐχομαι πρὶν ταῦτα ἐπιδεῖν ὑφ' ὑμῶν γενόμενα μυρίας ἐμέ γε κατὰ τῆς γῆς ὀργυῖας γενέσθαι. καὶ ὑμῖν δὲ συμβουλεύω Ἑλλήνας ὄντας τοῖς τῶν Ἑλλήνων προεστηκόσι πειθομένους πειρᾶσθαι τῶν δικαίων τυγχάνειν. ἐὰν δὲ μὴ δύνησθε ταῦτα, ἡμᾶς δεῖ ἀδικουμένους τῆς γοῦν Ἑλλάδος μὴ στέρεσθαι. [7.1.31] καὶ νῦν μοι δοκεῖ πέμψαντας Ἀναξιβίῳ εἰπεῖν ὅτι ἡμεῖς οὐδὲν βίαιον ποιήσοντες παρεληλύθαμεν εἰς τὴν πόλιν, ἀλλ' ἣν μὲν δυνώμεθα παρ' ὑμῶν ἀγαθόν τι εὐρίσκεσθαι, εἰ δὲ μὴ, ἀλλὰ δηλώσοντες ὅτι οὐκ ἐξαπατῶμενοι ἀλλὰ πειθόμενοι ἐξερχόμεθα.» [7.1.32] ταῦτα ἔδοξε, καὶ πέμπουσιν Ἰερώνυμόν τε τὸν Ἥλειον ἐροῦντα ταῦτα καὶ Εὐρύλοχον Ἀρκάδα καὶ Φιλήσιον Ἀχαιόν. οἱ μὲν ταῦτα ὤχοντο ἐροῦντες. [7.1.33] ἔτι δὲ καθημένων τῶν στρατιωτῶν προσέρχεται Κοιρατάδας Θηβαῖος, ὃς οὐ φεύγων τὴν Ἑλλάδα περιήκει ἀλλὰ στρατηγιῶν καὶ ἐπαγγελλόμενος, εἴ τις ἢ πόλις ἢ ἔθνος στρατηγοῦ δέοιτο· καὶ τότε προσελθὼν ἔλεγεν ὅτι ἔτοιμος εἴη ἡγεῖσθαι αὐτοῖς εἰς τὸ Δέλτα καλούμενον τῆς Θράκης, ἔνθα πολλὰ κάγαθὰ λήψοιντο· ἔστε δ' ἂν μόλωσιν, εἰς ἀφθονίαν παρέξιν ἔφη καὶ σιτία καὶ ποτά. [7.1.34] ἀκούουσι ταῦτα τοῖς στρατιώταις καὶ τὰ παρὰ Ἀναξίβιου ἅμα ἀπαγγελλούμενα (ἀπεκρίνατο γὰρ ὅτι πειθομένοις αὐτοῖς οὐ μεταμελήσει, ἀλλὰ τοῖς τε οἴκοι τέλεσι ταῦτα ἀπαγγελεῖ καὶ αὐτὸς βουλεύσοιτο περὶ αὐτῶν ὃ τι δύναιτο ἀγαθόν), [7.1.35] ἐκ τούτου οἱ στρατιῶται τὸν τε Κοιρατάδαν δέχονται στρατηγὸν καὶ ἔξω τοῦ τείχους ἀπῆλθον. ὁ δὲ Κοιρατάδας συντίθεται αὐτοῖς εἰς τὴν ὑστεραίαν παρέσεσθαι ἐπὶ τὸ στράτευμα ἔχων καὶ ἱερεῖα καὶ μάντιν καὶ σιτία καὶ ποτὰ τῇ στρατιᾷ. [7.1.36] ἐπεὶ δὲ ἐξῆλθον, ὁ Ἀναξίβιος ἔκλεισε τὰς πύλας καὶ ἐκήρυξεν ὃς ἂν ἀλῶι ἔνδον ὦν τῶν στρατιωτῶν ὅτι πεπράσεται. [7.1.37] τῇ δ' ὑστεραίᾳ Κοιρατάδας μὲν ἔχων τὰ ἱερεῖα καὶ τὸν μάντιν ἦκε καὶ ἄλφιτα φέροντες εἶποντο αὐτῷ εἴκοσιν ἄνδρες καὶ οἶνον ἄλλοι εἴκοσι καὶ ἐλαῶν τρεῖς καὶ σκορόδων ἀνὴρ ὅσον ἐδύνατο μέγιστον φορτίον καὶ ἄλλος

κρομμύων. ταῦτα δὲ καταθέμενος ὡς ἐπὶ δάσμευσιν ἐθύετο. [7.1.38] Ξενοφῶν δὲ μεταπεμπάμενος Κλέανδρον ἐκέλευε διαπρᾶξαι ὅπως εἰς τὸ τεῖχος εἰσέλθοι καὶ ἀποπλεύσαι ἐκ Βυζαντίου. [7.1.39] ἐλθὼν δ' ὁ Κλέανδρος, «μάλᾳ μόλις, ἔφη, διαπραξάμενος ἤκω» λέγειν γὰρ Ἀναξίβιον ὅτι οὐκ ἐπιτήδειον εἶη τοὺς μὲν στρατιώτας πλησίον εἶναι τοῦ τείχους, Ξενοφῶντα δὲ ἔνδον· τοὺς Βυζαντίους δὲ στασιάζειν καὶ πονηροὺς εἶναι πρὸς ἀλλήλους· «ὅμως δὲ εἰσιέναι, ἔφη, ἐκέλευεν, εἰ μέλλεις σὺν αὐτῷ ἐκπλεῖν.» [7.1.40] ὁ μὲν δὴ Ξενοφῶν ἀσπασάμενος τοὺς στρατιώτας εἴσω τοῦ τείχους ἀπήγει σὺν Κλεάνδρῳ. ὁ δὲ Κοιρατάδας τῇ μὲν πρώτῃ ἡμέρᾳ οὐκ ἐκαλλιέρει οὐδὲ διεμέτρησεν οὐδὲν τοῖς στρατιώταις· τῇ δ' ὑστεραίᾳ τὰ μὲν ἱερεῖα εἰστήκει παρὰ τὸν βωμὸν καὶ Κοιρατάδας ἐστεφανωμένος ὡς θύσων· προσελθὼν δὲ Τιμασίῳ ὁ Δαρδανεὺς καὶ Νέων ὁ Ἀσιναῖος καὶ Κλεάνωρ ὁ Ὀρχομένιος ἔλεγον Κοιρατάδᾳ μὴ θύειν, ὡς οὐχ ἡγησόμενον τῇ στρατιᾷ, εἰ μὴ δώσει τὰ ἐπιτήδεια. [7.1.41] ὁ δὲ κελεύει διαμετρεῖσθαι. ἐπεὶ δὲ πολλῶν ἐνέδει αὐτῷ ὥστε ἡμέρας σῖτον ἐκάστωι γενέσθαι τῶν στρατιωτῶν, ἀναλαβὼν τὰ ἱερεῖα ἀπήγει καὶ τὴν στρατηγίαν ἀπειπὼν.

[7.2.1] Νέων δὲ ὁ Ἀσιναῖος καὶ Φρυνίσκος ὁ Ἀχαιὸς καὶ Φιλῆσιος ὁ Ἀχαιὸς καὶ Ξανθικλῆς ὁ Ἀχαιὸς καὶ Τιμασίῳ ὁ Δαρδανεὺς ἐπέμενον ἐπὶ τῇ στρατιᾷ, καὶ εἰς κώμας τῶν Θραικῶν προελθόντες τὰς κατὰ Βυζάντιον ἐστρατοπεδεύοντο. [7.2.2] καὶ οἱ στρατηγοὶ ἐστασίαζον, Κλεάνωρ μὲν καὶ Φρυνίσκος πρὸς Σεύθην βουλόμενοι ἄγειν· ἔπειθε γὰρ αὐτούς, καὶ ἔδωκε τῷ μὲν ἵππον, τῷ δὲ γυναῖκα· Νέων δὲ εἰς Χερρόνησον, οἰόμενος, εἰ ὑπὸ Λακεδαιμονίοις γένοιτο, παντὸς ἂν προεστάναι τοῦ στρατεύματος· Τιμασίῳ δὲ προυθυμεῖτο πέραν εἰς τὴν Ἀσίαν πάλιν διαβῆναι, οἰόμενος ἂν οἴκαδε κατελθεῖν. [7.2.3] καὶ οἱ στρατιῶται ταῦτα ἐβούλοντο. διατριβομένου δὲ τοῦ χρόνου πολλοὶ τῶν στρατιωτῶν, οἱ μὲν τὰ ὅπλα ἀποδιδόμενοι κατὰ τοὺς χώρους ἀπέπλεον ὡς ἐδύναντο, οἱ δὲ καὶ εἰς τὰς πόλεις κατεμήνυντο. [7.2.4] Ἀναξίβιος δ' ἔχαιρε ταῦτα ἀκούων, διαφθειρόμενον τὸ στράτευμα· τούτων γὰρ γιγνομένων ὤιετο μάλιστα χαρίζεσθαι Φαρναβάζῳ. [7.2.5] ἀποπλέοντι δὲ Ἀναξιβίῳ ἐκ Βυζαντίου συναντᾷ Ἀρίσταρχος ἐν Κυζίκῳ διάδοχος Κλεάνδρῳ Βυζαντίου ἀρμοστής· ἐλέγετο δὲ ὅτι καὶ ναύαρχος διάδοχος Πῶλος ὅσον οὐ παρεῖη ἤδη εἰς Ἑλλήσποντον. [7.2.6] καὶ Ἀναξίβιος τῷ μὲν Ἀριστάρχῳ ἐπιστέλλει ὀπόσους ἂν εὕρη ἐν Βυζαντίῳ τῶν Κύρου στρατιωτῶν ὑπολελειμμένους ἀποδόσθαι· ὁ

δὲ Κλέανδρος οὐδένα ἐπεπράκει, ἀλλὰ καὶ τοὺς κάμνοντας ἐθεράπευεν οἰκτίρων καὶ ἀναγκάζων οἰκία δέχεσθαι Ἀρίσταρχος δ' ἐπεὶ ἦλθε τάχιστα, οὐκ ἐλάττους τετρακοσίων ἀπέδοτο. [7.2.7] Ἀναξίβιος δὲ παραπλεύσας εἰς Πάριον πέμπει παρὰ Φαρνάβαζον κατὰ τὰ συγκείμενα. ὁ δ' ἐπεὶ ἦσθετο Ἀρίσταρχόν τε ἦκοντα εἰς Βυζάντιον ἄρμοσθην καὶ Ἀναξίβιον οὐκέτι ναυαρχοῦντα, Ἀναξιβίου μὲν ἡμέλησε, πρὸς Ἀρίσταρχον δὲ διεπράττετο τὰ αὐτὰ περὶ τοῦ Κύρου στρατεύματος ἅπερ πρὸς Ἀναξίβιον. [7.2.8] ἐκ τούτου ὁ Ἀναξίβιος καλέσας Ξενοφῶντα κελεύει πάσῃ τέχνῃ καὶ μηχανῇ πλεῦσαι ἐπὶ τὸ στράτευμα ὡς τάχιστα, καὶ συνέχειν τε αὐτὸ καὶ συναθροίζειν τῶν διεσπαρμένων ὡς ἂν πλείστους δύνηται, καὶ παραγαγόντα εἰς τὴν Πέρινθον διαβιβάζειν εἰς τὴν Ἀσίαν ὅτι τάχιστα· καὶ δίδωσιν αὐτῷ τριακόντορον καὶ ἐπιστολὴν καὶ ἄνδρα συμπέμπει κελεύσοντα τοὺς Περινθίους ὡς τάχιστα Ξενοφῶντα προπέμψαι τοῖς ἵπποις ἐπὶ τὸ στράτευμα. [7.2.9] καὶ ὁ μὲν Ξενοφῶν διαπλεύσας ἀφικνεῖται ἐπὶ τὸ στράτευμα· οἱ δὲ στρατιῶται ἐδέξαντο ἠδέως καὶ εὐθὺς εἶποντο ἄσμενοι ὡς διαβησόμενοι ἐκ τῆς Θράκης εἰς τὴν Ἀσίαν. [7.2.10] ὁ δὲ Σεύθης ἀκούσας ἦκοντα πάλιν πέμψας πρὸς αὐτὸν κατὰ θάλατταν Μηδοσάδην ἐδεῖτο τὴν στρατιὰν ἄγειν πρὸς ἑαυτόν, ὑπισχνούμενος αὐτῷ ὅ τι ὤιετο λέγων πείσειν. ὁ δ' ἀπεκρίνατο ὅτι οὐδὲν οἶόν τε εἶη τούτων γενέσθαι. καὶ ὁ μὲν ταῦτα ἀκούσας ὤιχετο. [7.2.11] οἱ δὲ Ἕλληνες ἐπεὶ ἀφίκοντο εἰς Πέρινθον, Νέων μὲν ἀποσπάσας ἐστρατοπεδεύσατο χωρὶς ἔχων ὡς ὀκτακοσίους ἀνθρώπους· τὸ δ' ἄλλο στράτευμα πᾶν ἐν τῷ αὐτῷ παρὰ τὸ τεῖχος τὸ Περινθίων ἦν. [7.2.12] μετὰ ταῦτα Ξενοφῶν μὲν ἔπραττε περὶ πλοίων, ὅπως ὅτι τάχιστα διαβαῖεν. ἐν δὲ τούτῳ ἀφικόμενος Ἀρίσταρχος <ὁ> ἐκ Βυζαντίου ἄρμοστής, ἔχων δύο τριήρεις, πεπεισμένος ὑπὸ Φαρναβάζου τοῖς τε ναυκλήροις ἀπεῖπε μὴ διάγειν ἐλθὼν τε ἐπὶ τὸ στράτευμα τοῖς στρατιώταις εἶπε μὴ περαιοῦσθαι εἰς τὴν Ἀσίαν. [7.2.13] ὁ δὲ Ξενοφῶν ἔλεγεν ὅτι Ἀναξίβιος ἐκέλευσε καὶ ἐμὲ πρὸς τοῦτο ἐπεμψεν ἐνθάδε. πάλιν δ' Ἀρίσταρχος ἔλεξεν· Ἀναξίβιος μὲν τοίνυν οὐκέτι ναύαρχος, ἐγὼ δὲ τῇδε ἄρμοστής· εἰ δέ τινα ὑμῶν λήψομαι ἐν τῇ θαλάττῃ, καταδύσω. ταῦτ' εἰπὼν ὤιχετο εἰς τὸ τεῖχος. τῇ δ' ὕστεραίαι μεταπέμπεται τοὺς στρατηγούς καὶ λοχαγούς τοῦ στρατεύματος. [7.2.14] ἤδη δὲ ὄντων πρὸς τῷ τείχει ἐξαγγέλλει τις τῷ Ξενοφῶντι ὅτι εἰ εἴσεισι, συλληφθήσεται καὶ ἢ αὐτοῦ τι πείσεται ἢ καὶ Φαρναβάζῳ

παραδοθήσεται. ὁ δὲ ἀκούσας ταῦτα τοὺς μὲν προπέμπεται, αὐτὸς δὲ εἶπεν ὅτι θῦσαί τι βούλοιο. [7.2.15] καὶ ἀπελθὼν ἐθύετο εἰ παρεῖεν αὐτῶι οἱ θεοὶ πειρᾶσθαι πρὸς Σεύθην ἄγειν τὸ στράτευμα. ἑώρα γὰρ οὔτε διαβαίνειν ἀσφαλὲς ὄν τριήρεις ἔχοντος τοῦ κωλύσοντος, οὔτ' ἐπὶ Χερρόνησον ἐλθὼν κατακλεισθῆναι ἐβούλετο καὶ τὸ στράτευμα ἐν πολλῇ σπάνει πάντων γενέσθαι ἔνθα πείθεσθαι μὲν ἀνάγκη τῶι ἐκεῖ ἀρμοστῇ, τῶν δὲ ἐπιτηδείων οὐδὲν ἔμελλεν ἔξειν τὸ στράτευμα. [7.2.16] καὶ ὁ μὲν ἀμφὶ ταῦτ' εἶχεν· οἱ δὲ στρατηγοὶ καὶ οἱ λοχαγοὶ ἦκοντες παρὰ τοῦ Ἀριστάρχου ἀπήγγελλον ὅτι νῦν μὲν ἀπιέναι σφᾶς κελεύει, τῆς δείλης δὲ ἦκειν· ἔνθα καὶ δῆλη μᾶλλον ἐδόκει ἢ ἐπιβουλή. [7.2.17] ὁ οὖν Ξενοφῶν, ἐπεὶ ἐδόκει τὰ ἱερὰ καλὰ εἶναι αὐτῶι καὶ τῶι στρατεύματι ἀσφαλῶς πρὸς Σεύθην ἰέναι, παραλαβὼν Πολυκράτην τὸν Ἀθηναῖον λοχαγὸν καὶ παρὰ τῶν στρατηγῶν ἐκάστου ἄνδρα πλὴν παρὰ Νέωνος ὧι ἕκαστος ἐπίστευεν ὦιχετο τῆς νυκτὸς ἐπὶ τὸ Σεύθου στράτευμα ἐξήκοντα στάδια. [7.2.18] ἐπεὶ δ' ἐγγὺς ἦσαν αὐτοῦ, ἐπιτυγχάνει πυροῖς ἐρήμοις. καὶ τὸ μὲν πρῶτον ὦιετο μετακεχωρηκέναι ποι τὸν Σεύθην· ἐπεὶ δὲ θορύβου τε ἦισθετο καὶ σημαινόντων ἀλλήλοις τῶν περὶ Σεύθην, κατέμαθεν ὅτι τούτου ἔνεκα τὰ πυρὰ κεκαυμένα εἶη τῶι Σεύθῃ πρὸ τῶν νυκτοφυλάκων, ὅπως οἱ μὲν φύλακες μὴ ὀρῶντο ἐν τῶι σκότει ὄντες μήτε ὀπόσοι μήτε ὅπου εἶεν, οἱ δὲ προσιόντες μὴ λανθάνοιεν, ἀλλὰ διὰ τὸ φῶς καταφανεῖς εἶεν· [7.2.19] ἐπεὶ δὲ ἦισθετο, προπέμπει τὸν ἐρμηνέα ὄν ἐτύγχανεν ἔχων, καὶ εἰπεῖν κελεύει Σεύθῃ ὅτι Ξενοφῶν πάρεστι βουλόμενος συγγενέσθαι αὐτῶι. οἱ δὲ ἤροντο εἰ ὁ Ἀθηναῖος ὁ ἀπὸ τοῦ στρατεύματος. [7.2.20] ἐπειδὴ δὲ ἔφη οὗτος εἶναι, ἀναπηδήσαντες ἐδίωκον· καὶ ὀλίγον ὕστερον παρῆσαν πελτασταὶ ὅσον διακόσιοι, καὶ παραλαβόντες Ξενοφῶντα καὶ τοὺς σὺν αὐτῶι ἦγον πρὸς Σεύθην. [7.2.21] ὁ δ' ἦν ἐν τύρσει μάλα φυλαττόμενος, καὶ ἵπποι περὶ αὐτὴν κύκλῳ ἐγκεχαλινωμένοι· διὰ γὰρ τὸν φόβον τὰς μὲν ἡμέρας ἐχίλου τοὺς ἵππους, τὰς δὲ νύκτας ἐγκεχαλινωμένοις ἐφυλάττετο. [7.2.22] ἐλέγετο γὰρ καὶ πρόσθεν Τήρης ὁ τούτου πρόγονος ἐν ταύτῃ τῇ χώρῃ πολὺ ἔχων στράτευμα ὑπὸ τούτων τῶν ἀνδρῶν πολλοὺς ἀπολέσαι καὶ τὰ σκευοφόρα ἀφαιρεθῆναι· ἦσαν δ' οὗτοι Θυνοί, πάντων λεγόμενοι εἶναι μάλιστα νυκτὸς πολεμικώτατοι. [7.2.23] ἐπεὶ δ' ἐγγὺς ἦσαν, ἐκέλευσεν εἰσελθεῖν Ξενοφῶντα ἔχοντα δύο οὖς βούλοιο. ἐπειδὴ δ' ἔνδον ἦσαν, ἡσπάζοντο μὲν πρῶτον ἀλλήλους καὶ κατὰ τὸν Θράκιον νόμον κέρατα οἴνου προῦπινον· παρῆν δὲ καὶ

Μηδοσάδης τῷ Σεύθῃ, ὅσπερ ἐπρέσβευεν αὐτῷ πάντοσε. [7.2.24] ἔπειτα δὲ Ξενοφῶν ἤρχετο λέγειν· «ἔπεμψας πρὸς ἐμέ, ὦ Σεύθῃ, εἰς Καλχηδόνα πρῶτον Μηδοσάδην τουτονί, δεόμενός μου συμπροθυμηθῆναι διαβῆναι τὸ στράτευμα ἐκ τῆς Ἀσίας, καὶ ὑπισχνούμενός μοι, εἰ ταῦτα πράξαιμι, εὖ ποιήσεις, ὥς ἔφη Μηδοσάδης οὗτος.» [7.2.25] ταῦτα εἰπὼν ἐπήρετο τὸν Μηδοσάδην εἰ ἀληθῆ ταῦτα εἶη. ὁ δ' ἔφη. «αὐθις ἦλθε Μηδοσάδης οὗτος ἐπεὶ ἐγὼ διέβην πάλιν ἐπὶ τὸ στράτευμα ἐκ Παρίου, ὑπισχνούμενος, εἰ ἄγοιμι τὸ στράτευμα πρὸς σέ, τᾶλλα τέ σε φίλωι μοι χρῆσασθαι καὶ ἀδελφῷ καὶ τὰ παρὰ θαλάττῃ μοι χωρία ὧν σὺ κρατεῖς ἔσσεσθαι παρὰ σοῦ.» [7.2.26] ἐπὶ τούτοις πάλιν ἤρετο τὸν Μηδοσάδην εἰ ἔλεγε ταῦτα. ὁ δὲ συνέφη καὶ ταῦτα. «ἴθι νυν, ἔφη, ἀφήγησαι τούτῳ τί σοι ἀπεκρινάμην ἐν Καλχηδόνι πρῶτον.» [7.2.27] «ἀπεκρίνω ὅτι τὸ στράτευμα διαβήσοιτο εἰς Βυζάντιον καὶ οὐδὲν τούτου ἔνεκα δέοι τελεῖν οὔτε σοὶ οὔτε ἄλλῳ· αὐτὸς δὲ ἐπεὶ διαβαίης, ἀπιέναι ἔφησθα· καὶ ἐγένετο οὕτως ὥσπερ σὺ ἔλεγες.» [7.2.28] «τί γὰρ ἔλεγον, ἔφη, ὅτε κατὰ Σηλυμβρίαν ἀφίκου;» «οὐκ ἔφησθα οἷόν τε εἶναι, ἀλλ' εἰς Πέρινθον ἐλθόντας διαβαίνειν εἰς τὴν Ἀσίαν.» [7.2.29] «νῦν τοίνυν, ἔφη ὁ Ξενοφῶν, πάρειμι καὶ ἐγὼ καὶ οὗτος Φρυνίσκος εἷς τῶν στρατηγῶν καὶ Πολυκράτης οὗτος εἷς τῶν λοχαγῶν, καὶ ἔξω εἰσὶν ἀπὸ τῶν στρατηγῶν ὁ πιστότατος ἐκάστωι πλὴν Νέωνος τοῦ Λακωνικοῦ. [7.2.30] εἰ οὖν βούλει πιστοτέραν εἶναι τὴν πρᾶξιν, καὶ ἐκείνους κάλεσαι. τὰ δὲ ὄπλα σὺ ἐλθὼν εἰπέ, ὦ Πολύκρατες, ὅτι ἐγὼ κελεύω καταλιπεῖν, καὶ αὐτὸς ἐκεῖ καταλιπὼν τὴν μάχαιραν εἵσιθι.» [7.2.31] ἀκούσας ταῦτα ὁ Σεύθης εἶπεν ὅτι οὐδενὶ ἂν ἀπιστήσειεν Ἀθηναῖον· καὶ γὰρ ὅτι συγγενεῖς εἶεν εἰδέναι καὶ φίλους εὖνους ἔφη νομίζειν. μετὰ ταῦτα δ' ἐπεὶ εἰσῆλθον οὓς ἔδει, πρῶτον Ξενοφῶν ἐπήρετο Σεύθῃν ὃ τι δέοιτο χρῆσθαι τῇ στρατιᾷ. [7.2.32] ὁ δὲ εἶπεν ὧδε. Μαισάδης ἦν πατήρ μοι, ἐκείνου δὲ ἦν ἀρχὴ Μελανδίται καὶ Θυνοὶ καὶ Τρανίμαι. ἐκ ταύτης οὖν τῆς χώρας, ἐπεὶ τὰ Ὀδρυσῶν πράγματα ἐνόσησεν, ἐκπεσὼν ὁ πατήρ αὐτὸς μὲν ἀποθνήσκει νόσῳ, ἐγὼ δ' ἐξετράφην ὀρφανὸς παρὰ Μηδόκῳ τῷ νῦν βασιλεῖ. [7.2.33] ἐπεὶ δὲ νεανίσκος ἐγενόμην, οὐκ ἐδυνάμην ζῆν εἰς ἀλλοτρίαν τράπεζαν ἀποβλέπων· καὶ ἐκαθεζόμεν ἐνδίφριος αὐτῷ ἰκέτης δοῦναί μοι ὁπόσους δυνατὸς εἶη ἄνδρας, ὅπως καὶ τοὺς ἐκβαλόντας ἡμᾶς εἴ τι δυνάμην κακὸν ποιοίην καὶ ζήτην μὴ εἰς τὴν ἐκείνου τράπεζαν ἀποβλέπων. [7.2.34] ἐκ τούτου μοι δίδωσι τοὺς ἄνδρας καὶ τοὺς ἵππους

οὓς ὑμεῖς ὄψεσθε ἐπειδὴν ἡμέρα γένηται. καὶ νῦν ἐγὼ ζῶ τούτους ἔχων, ληιζόμενος τὴν ἐμαυτοῦ πατρίαν χώραν. εἰ δέ μοι ὑμεῖς παραγένοισθε, οἶμαι ἂν σὺν τοῖς θεοῖς ραιδίως ἀπολαβεῖν τὴν ἀρχήν. ταῦτ' ἐστὶν ἃ ἐγὼ δέομαι. [7.2.35] «τί ἂν οὖν, ἔφη ὁ Ξενοφῶν, σὺ δύναιο, εἰ ἔλθοιμεν, τῇ τε στρατιᾷ διδόναι καὶ τοῖς λοχαγοῖς καὶ τοῖς στρατηγοῖς;» [7.2.36] λέξον, ἵνα οὗτοι ἀπαγγέλλωσιν. ὁ δ' ὑπέσχετο τῷ μὲν στρατιώτῃ κυζικηνόν, τῷ δὲ λοχαγῷ διμοιρίαν, τῷ δὲ στρατηγῷ τετραμοιρίαν, καὶ γῆν ὀπόσῃν ἂν βούλωνται καὶ ζεύγη καὶ χωρίον ἐπὶ θαλάττῃ τετειχισμένον. [7.2.37] «ἐὰν δέ, ἔφη ὁ Ξενοφῶν, ταῦτα πειρώμενοι μὴ διαπράξωμεν, ἀλλὰ τις φόβος ἀπὸ Λακεδαιμονίων ἦι, δέξῃ εἰς τὴν σεαυτοῦ, ἐὰν τις ἀπιέναι βούληται παρὰ σέ;» [7.2.38] ὁ δ' εἶπε· «καὶ ἀδελφούς γε ποιήσομαι καὶ ἐνδιφρίους καὶ κοινωνοὺς ἀπάντων ὧν ἂν δυνώμεθα κτᾶσθαι. σοὶ δέ, ὦ Ξενοφῶν, καὶ θυγατέρα δώσω καὶ εἴ τις σοὶ ἔστι θυγάτηρ, ὠνήσομαι Θραικίῳ νόμῳ, καὶ Βισάνθην οἴκησιν δώσω, ὅπερ ἐμοὶ κάλλιστον χωρίον ἐστὶ τῶν ἐπὶ θαλάττῃ.»

[7.3.1] ἀκούσαντες ταῦτα καὶ δεξιὰς δόντες καὶ λαβόντες ἀπήλαννον· καὶ πρὸ ἡμέρας ἐγένοντο ἐπὶ στρατοπέδῳ καὶ ἀπήγγειλαν ἕκαστοι τοῖς πέμψασιν. [7.3.2] ἐπεὶ δὲ ἡμέρα ἐγένετο, ὁ μὲν Ἀρίσταρχος πάλιν ἐκάλει τοὺς στρατηγούς· τοῖς δ' ἔδοξε τὴν μὲν πρὸς Ἀρίσταρχον ὁδὸν εἶσαι, τὸ δὲ στράτευμα συγκαλέσαι. καὶ συνήλθον πάντες πλὴν οἱ Νέωνος· οὗτοι δὲ ἀπείχον ὥς δέκα στάδια. [7.3.3] ἐπεὶ δὲ συνήλθον, ἀναστὰς Ξενοφῶν εἶπε τάδε. «ἄνδρες, διαπλεῖν μὲν ἔνθα βουλόμεθα Ἀρίσταρχος τριήρεις ἔχων κωλύει· ὥστε εἰς πλοῖα οὐκ ἀσφαλὲς ἐμβαίνειν· οὗτος δὲ αὐτὸς κελεύει εἰς Χερρόνησον βίαι διὰ τοῦ ἱεροῦ ὄρους πορεύεσθαι· ἣν δὲ κρατήσαντες τούτου ἐκεῖσε ἔλθωμεν, οὔτε πωλήσειν ἔτι ὑμᾶς φησιν ὥσπερ ἐν Βυζαντίῳ, οὔτε ἐξαπατήσεσθαι ἔτι ὑμᾶς, ἀλλὰ λήψεσθαι μισθόν, οὔτε περιόψεσθαι ἔτι ὥσπερ νυνὶ δεομένους τῶν ἐπιτηδείων. [7.3.4] οὗτος μὲν ταῦτα λέγει· Σεύθης δὲ φησιν, ἂν πρὸς ἐκεῖνον ἦτε, εὖ ποιήσειν ὑμᾶς. νῦν οὖν σκέψασθε πότερον ἐνθάδε μένοντες τοῦτο βουλευέσεσθε ἢ εἰς τὰ ἐπιτήδεια ἐπανελθόντες. [7.3.5] ἐμοὶ μὲν οὖν δοκεῖ, ἐπεὶ ἐνθάδε οὔτε ἀργύριον ἔχομεν ὥστε ἀγοράζειν οὔτε ἄνευ ἀργυρίου ἐῷσι λαμβάνειν, ἐπανελθόντας εἰς τὰς κώμας ὅθεν οἱ ἥττους ἐῷσι λαμβάνειν, ἐκεῖ ἔχοντας τὰ ἐπιτήδεια ἀκούοντας ὃ τι τις ἡμῶν δεῖται, αἰρεῖσθαι ὃ τι ἂν ἡμῖν δοκῇ κράτιστον εἶναι. [7.3.6] καὶ ὅτῳ γε, ἔφη, ταῦτα δοκεῖ, ἀράτω τὴν χεῖρα.» ἀνέτειναν ἅπαντες.

«ἀπιόντες τοίνυν, ἔφη, συσκευάζεσθε, καὶ ἐπειδὴν παραγγέλλῃ τις, ἔπεσθε τῷ ἡγουμένῳ.» [7.3.7] μετὰ ταῦτα Ξενοφῶν μὲν ἡγεῖτο, οἱ δ' εἵποντο. Νέων δὲ καὶ παρ' Ἀριστάρχου ἄλλοι ἔπειθον ἀποτρέπεσθαι· οἱ δ' οὐχ ὑπήκουον. ἐπεὶ δ' ὅσον τριάκοντα στάδια προελήλυθεςαν, ἀπαντᾷ Σεύθης. καὶ ὁ Ξενοφῶν ἰδὼν αὐτὸν προσελάσαι ἐκέλευσεν, ὅπως ὅτι πλείστων ἀκουόντων εἴποι αὐτῷ ἃ ἐδόκει συμφέρειν. [7.3.8] ἐπεὶ δὲ προσῆλθεν, εἶπε Ξενοφῶν· «ἡμεῖς πορευόμεθα ὅπου μέλλει ἔξιν τὸ στράτευμα τροφήν· ἐκεῖ δ' ἀκούοντες καὶ σοῦ καὶ τῶν τοῦ Λακωνικοῦ αἰρησόμεθα ἃ ἂν κράτιστα δοκῇ εἶναι. ἦν οὖν ἡμῖν ἡγήσῃ ὅπου πλεῖστά ἐστιν ἐπιτήδεια, ὑπὸ σοῦ νομοῦμεν ξενίζεσθαι.» [7.3.9] καὶ ὁ Σεύθης ἔφη· «ἀλλὰ οἶδα κώμας πολλὰς ἀθρόας καὶ πάντα ἐχούσας τὰ ἐπιτήδεια ἀπεχούσας ἡμῶν ὅσον διελθόντες ἂν ἡδέως ἀριστήητε.» [7.3.10] «ἡγοῦ τοίνυν,» ἔφη ὁ Ξενοφῶν. ἐπεὶ δ' ἀφίκοντο εἰς αὐτάς τῆς δείλης, συνῆλθον οἱ στρατιῶται, καὶ εἶπε Σεύθης τοιάδε. «ἐγώ, ὦ ἄνδρες, δέομαι ὑμῶν στρατεύεσθαι σὺν ἐμοί, καὶ ὑπισχνοῦμαι ὑμῖν δώσειν τοῖς στρατιώταις κυζικηνόν, λοχαγοῖς δὲ καὶ στρατηγοῖς τὰ νομιζόμενα· ἔξω δὲ τούτων τὸν ἄξιον τιμήσω. σῖτα δὲ καὶ ποτὰ ὥσπερ καὶ νῦν ἐκ τῆς χώρας λαμβάνοντες ἔξετε· ὅποσα δ' ἂν ἀλίσκηται ἀξιώσω αὐτὸς ἔχειν, ἵνα ταῦτα διατιθέμενος ὑμῖν τὸν μισθὸν πορίζω. [7.3.11] καὶ τὰ μὲν φεύγοντα καὶ ἀποδιδράσκοντα ἡμεῖς ἱκανοὶ ἐσόμεθα διώκειν καὶ μαστεύειν· ἂν δὲ τις ἀνθιστῇται, σὺν ὑμῖν πειρασόμεθα χειροῦσθαι.» [7.3.12] ἐπήρετο ὁ Ξενοφῶν· «πόσον δὲ ἀπὸ θαλάττης ἀξιώσεις συνέπεσθαί σοι τὸ στράτευμα;» ὁ δ' ἀπεκρίνατο· «οὐδαμῇ πλεῖον ἑπτὰ ἡμερῶν, μείον δὲ πολλαχῇ.» [7.3.13] μετὰ ταῦτα ἐδίδοδο λέγειν τῷ βουλομένῳ· καὶ ἔλεγον πολλοὶ κατὰ ταῦτα ὅτι παντὸς ἄξια λέγει Σεύθης· χειμῶν γὰρ εἴη καὶ οὔτε οἴκαδε ἀποπλεῖν τῷ τοῦτο βουλομένῳ δυνατόν εἴη, διαγενέσθαι τε ἐν φιλίαι οὐχ οἷόν τε, εἰ δέοι ὠνούμενους ζῆν, ἐν δὲ τῇ πολεμίαι διατρίβειν καὶ τρέφεσθαι ἀσφαλέστερον μετὰ Σεύθου ἢ μόνους, ὄντων ἀγαθῶν τοσούτων. εἰ δὲ μισθὸν προσλήψωιντο, εὖρημα ἐδόκει εἶναι. [7.3.14] ἐπὶ τούτοις εἶπεν ὁ Ξενοφῶν· «εἴ τις ἀντιλέγει, λεγέτω· εἰ δὲ μή, ἐπισηφιδῶ ταῦτα.» ἐπεὶ δὲ οὐδεὶς ἀντέλεγεν, ἐπεψήφισε, καὶ ἔδοξε ταῦτα. εὐθὺς δὲ Σεύθῃ εἶπεν, ὅτι συστρατεύσονται αὐτῷ. [7.3.15] μετὰ τοῦτο οἱ μὲν ἄλλοι κατὰ τάξεις ἐσκήνησαν, στρατηγούς δὲ καὶ λοχαγούς ἐπὶ δεῖπνον Σεύθης ἐκάλεσε, πλησίον κώμην ἔχων. [7.3.16] ἐπεὶ δ' ἐπὶ θύραις ἦσαν ὥς ἐπὶ δεῖπνον παριόντες, ἦν τις Ἡρακλείδης

Μαρωνείτης· οὗτος προσίων ἐνὶ ἐκάστωι οὔστινας ὤιετο ἔχειν τι δοῦναι Σεύθῃ, πρῶτον μὲν πρὸς Παριανούς τινας, οἱ παρήσαν φιλίαν διαπραξόμενοι πρὸς Μήδοκον τὸν Ὀδρυσῶν βασιλέα καὶ δῶρα ἄγοντες αὐτῷ τε καὶ τῇ γυναικί, ἔλεγεν ὅτι Μήδοκος μὲν ἄνω εἷη δώδεκα ἡμερῶν ἀπὸ θαλάττης ὁδόν, Σεύθῃς δ' ἐπεὶ τὸ στράτευμα τοῦτο εἴληφεν, ἄρχων ἔσοιτο ἐπὶ θαλάττῃ. [7.3.17] γείτων οὖν ὦν ἱκανώτατος ἔσται ὑμᾶς καὶ εὖ καὶ κακῶς ποιεῖν. ἦν οὖν σωφρονῆτε, τούτῳι δώσετε ὃ τι ἄγετε· καὶ ἄμεινον ὑμῖν διακείσεται ἢ ἐὰν Μηδόκῳι τῷ πρόσω οἰκοῦντι διδῶτε. [7.3.18] τούτους μὲν οὖν οὕτως ἔπειθεν. αὐθις δὲ Τιμασίῳνι τῷ Δαρδανεῖ προσελθὼν, ἐπεὶ ἤκουσεν αὐτῷ εἶναι καὶ ἐκπώματα καὶ τάπιδας βαρβαρικός, ἔλεγεν ὅτι νομίζοιτο ὁπότε ἐπὶ δεῖπνον καλέσαι Σεύθῃς δωρεῖσθαι αὐτῷ τοὺς κληθέντας. οὗτος δ' ἦν μέγας ἐνθάδε γένηται, ἱκανὸς ἔσται σε καὶ οἴκαδε καταγαγεῖν καὶ ἐνθάδε πλούσιον ποιῆσαι. τοιαῦτα προυμνᾶτο ἐκάστωι προσίων. [7.3.19] προσελθὼν δὲ καὶ Ξενοφῶντι ἔλεγε· «σὺ καὶ πόλεως μεγίστης εἶ καὶ παρὰ Σεύθῃ τὸ σὸν ὄνομα μέγιστόν ἐστι, καὶ ἐν τῇδε τῇ χώρῃ ἴσως ἀξιώσεις καὶ τείχῃ λαμβάνειν, ὥσπερ καὶ ἄλλοι τῶν ὑμετέρων ἔλαβον, καὶ χώραν· ἄξιον οὖν σοι καὶ μεγαλοπρεπέστατα τιμῆσαι Σεύθην. [7.3.20] εὖνους δέ σοι ὦν παραινῶ· εὖ οἶδα γὰρ ὅτι ὅσῳι ἂν μείζω τούτῳι δωρήσῃ, τοσούτῳι μείζω ὑπὸ τούτου ἀγαθὰ πείσῃ.» ἀκούων ταῦτα Ξενοφῶν ἠπόρει· οὐ γὰρ διεβεβήκει ἔχων ἐκ Παρίου εἰ μὴ παῖδα καὶ ὅσον ἐφόδιον. [7.3.21] ἐπεὶ δὲ εἰσῆλθον ἐπὶ τὸ δεῖπνον τῶν τε Θραικῶν οἱ κράτιστοι τῶν παρόντων καὶ οἱ στρατηγοὶ καὶ οἱ λοχαγοὶ τῶν Ἑλλήνων καὶ εἴ τις πρεσβεία παρῆν ἀπὸ πόλεως, τὸ δεῖπνον μὲν ἦν καθημένους κύκλῳ· ἔπειτα δὲ τρίποδες εἰσηνέχθησαν πᾶσιν· οὗτοι δ' ἦσαν κρεῶν μεστοὶ νενεμημένων, καὶ ἄρτοι ζυμῖται μεγάλοι προσπεπερονημένοι ἦσαν πρὸς τοῖς κρέασι. [7.3.22] μάλιστα δ' αἱ τράπεζαι κατὰ τοὺς ξένους αἰεὶ ἐτίθεντο· νόμος γὰρ ἦν – αἱ πρῶτος τοῦτο ἐποίει Σεύθῃς, καὶ ἀνελόμενος τοὺς ἐαυτῷ παρακειμένους ἄρτους διέκλα κατὰ μικρὸν καὶ ἐρρίπτει οἷς αὐτῷ ἐδόκει, καὶ τὰ κρέα ὡσαύτως, ὅσον μόνον γεύσασθαι ἐαυτῷ καταλιπών. [7.3.23] καὶ οἱ ἄλλοι δὲ κατὰ ταῦτα ἐποίουν καθ' οὓς αἱ τράπεζαι ἔκειντο. Ἀρκὰς δὲ τις Ἀρύστας ὄνομα, φαγεῖν δεινός, τὸ μὲν διαρριπτεῖν εἷα χαίρειν, λαβὼν δὲ εἰς τὴν χεῖρα ὅσον τριχοίνικον ἄρτον καὶ κρέα θέμενος ἐπὶ τὰ γόνατα ἐδεῖπνε. [7.3.24] κέρατα δὲ οἴνου περιέφερον, καὶ πάντες ἐδέχοντο· ὁ δ' Ἀρύστας, ἐπεὶ παρ' αὐτὸν φέρων τὸ κέρας ὁ οἰνοχόος ἤκεν, εἶπεν

ιδὼν τὸν Ξενοφῶντα οὐκέτι δειπνοῦντα, «ἐκείνῳ, ἔφη, δός· [7.3.25] σχολάζει γὰρ ἤδη, ἐγὼ δὲ οὐδέπω.» ἀκούσας Σεύθης τὴν φωνὴν ἠρώτα τὸν οἰνοχόον τί λέγει. ὁ δὲ οἰνοχόος εἶπεν· ἑλληνίζειν γὰρ ἠπίστατο. ἐνταῦθα μὲν δὴ γέλως ἐγένετο. [7.3.26] ἐπειδὴ δὲ προυχώρει ὁ πότος, εἰσῆλθεν ἀνὴρ Θραῖξ ἵππον ἔχων λευκόν, καὶ λαβὼν κέρας μεστὸν εἶπε· «προπίνω σοι, ὦ Σεύθῃ, καὶ τὸν ἵππον τοῦτον δωροῦμαι, ἐφ' οὗ καὶ διώκων ὃν ἂν θέλῃς αἰρήσεις καὶ ἀποχωρῶν οὐ μὴ δείσης τὸν πολέμιον.» [7.3.27] ἄλλος παῖδα εἰσάγων οὕτως ἐδωρήσατο προπίνων, καὶ ἄλλος ἱμάτια τῇ γυναικί. καὶ Τιμασίων προπίνων ἐδωρήσατο φιάλην τε ἀργυρᾶν καὶ τάπιδά ἀξίαν δέκα μνῶν. [7.3.28] Γνήσιππος δέ τις Ἀθηναῖος ἀναστὰς εἶπεν ὅτι ἀρχαῖος εἶη νόμος κάλλιστος τοὺς μὲν ἔχοντας διδόναι τῷ βασιλεῖ τιμῆς ἕνεκα, τοῖς δὲ μὴ ἔχουσι διδόναι τὸν βασιλέα, ἵνα καὶ ἐγὼ, ἔφη, ἔχω σοι δωρεῖσθαι καὶ τιμᾶν. [7.3.29] ὁ δὲ Ξενοφῶν ἠπορεῖτο τί ποιήσει· καὶ γὰρ ἐτύγγανεν ὡς τιμώμενος ἐν τῷ πλησιαιτάτῳ δίφρῳ Σεύθῃ καθήμενος. ὁ δὲ Ἡρακλείδης ἐκέλευεν αὐτῷ τὸ κέρας ὀρέξαι τὸν οἰνοχόον. ὁ δὲ Ξενοφῶν (ἤδη γὰρ ὑποπεπωκὼς ἐτύγγανεν) ἀνέστη θαρραλέως δεξάμενος τὸ κέρας καὶ εἶπεν· [7.3.30] «ἐγὼ δέ σοι, ὦ Σεύθῃ, δίδωμι ἑμαυτὸν καὶ τοὺς ἐμοὺς τούτους ἐταίρους φίλους εἶναι πιστοὺς, καὶ οὐδένα ἄκοντα, ἀλλὰ πάντα μᾶλλον ἔτι ἐμοῦ σοι βουλομένους φίλους εἶναι. [7.3.31] καὶ νῦν ἄρῃσιν οὐδέν σε προσαιτοῦντες, ἀλλὰ καὶ προῖεμένοι καὶ πονεῖν ὑπὲρ σοῦ καὶ προκινδυνεύειν ἐθέλοντες· μεθ' ὧν, ἂν οἱ θεοὶ θέλωσι, πολλὴν χώραν τὴν μὲν ἀπολήψῃ πατρίαν οὖσαν, τὴν δὲ κτήσῃ, πολλοὺς δὲ ἵππους, πολλοὺς δὲ ἄνδρας καὶ γυναῖκας καλὰς κτήσῃ, οὓς οὐ λήξεσθαι σε δεήσει, ἀλλ' αὐτοὶ φέροντες παρέσονται πρὸς σέ δῶρα.» [7.3.32] ἀναστὰς ὁ Σεύθης συνεξέπτε καὶ συγκατεσκεδάσατο μετ' αὐτοῦ τὸ κέρας. μετὰ ταῦτα εἰσῆλθον κέρασί τε οἷοις σημαίνουσιν αὐλοῦντες καὶ σάλπιγξιν ὠμοβοείαις ῥυθμούς τε καὶ οἶον μαγάδι σαλπίζοντες. [7.3.33] καὶ αὐτὸς Σεύθης ἀναστὰς ἀνέκραγέ τε πολεμικὸν καὶ ἐξήλατο ὥσπερ βέλος φυλαττόμενος μάλα ἐλαφρῶς. εἰσῆσαν δὲ καὶ γελωτοποιοί. [7.3.34] ὥς δ' ἦν ἥλιος ἐπὶ δυσμαῖς, ἀνέστησαν οἱ Ἕλληνες καὶ εἶπον ὅτι ὥρα νυκτοφύλακας καθιστάναι καὶ σύνθημα παραδιδόναι. καὶ Σεύθην ἐκέλευον παραγγεῖλαι ὅπως εἰς τὰ Ἑλληνικὰ στρατόπεδα μηδεὶς τῶν Θραϊκῶν εἴσεισι νυκτός· οἳ τε γὰρ πολέμιοι Θραῖκες [ὑμῖν] καὶ ὑμεῖς οἱ φίλοι. [7.3.35] ὥς δ' ἐξῆσαν, συνανέστη ὁ Σεύθης οὐδέν τι μεθύοντι ἐοικώς.

ἐξελθὼν δ' εἶπεν αὐτοὺς τοὺς στρατηγοὺς ἀποκαλέσας· «ὦ ἄνδρες, οἱ πολέμιοι ἡμῶν οὐκ ἴσασί πω τὴν ἡμετέραν συμμαχίαν· ἦν οὖν ἔλθωμεν ἐπ' αὐτοὺς πρὶν φυλάξασθαι ὥστε μὴ ληφθῆναι ἢ παρασκευάσασθαι ὥστε ἀμύνασθαι, μάλιστ' ἂν λάβοιμεν καὶ ἀνθρώπους καὶ χρήματα.» [7.3.36] συνεπήνουν ταῦτα οἱ στρατηγοὶ καὶ ἡγεῖσθαι ἐκέλευον. ὁ δ' εἶπε· «παρασκευασάμενοι ἀναμένετε· ἐγὼ δὲ ὁπότεν καιρὸς ἦι ἥξω πρὸς ὑμᾶς, καὶ τοὺς πελταστὰς καὶ ὑμᾶς ἀναλαβὼν ἡγήσομαι σὺν τοῖς θεοῖς.» [7.3.37] καὶ ὁ Ξενοφῶν εἶπε· «σκέψαι τοίνυν, εἴπερ νυκτὸς πορευσόμεθα, εἰ ὁ Ἑλληνικὸς νόμος κάλλιον ἔχει· μεθ' ἡμέραν μὲν γὰρ ἐν ταῖς πορείαις ἡγεῖται τοῦ στρατεύματος ὁποῖον ἂν ἀεὶ πρὸς τὴν χώραν συμφέρηι, ἐάν τε ὀπλιτικὸν ἐάν τε πελταστικὸν ἐάν τε ἰππικόν· νύκτωρ δὲ νόμος τοῖς Ἑλλησιν ἡγεῖσθαι ἐστὶ τὸ βραδύτατον· [7.3.38] οὕτω γὰρ ἥκιστα διασπᾶται τὰ στρατεύματα καὶ ἥκιστα λανθάνουσιν ἀποδιδράσκοντες ἀλλήλους· οἱ δὲ διασπασθέντες πολλάκις καὶ περιπίπτουσιν ἀλλήλοις καὶ ἀγνοοῦντες κακῶς ποιοῦσι καὶ πάσχουσιν.» [7.3.39] εἶπεν οὖν Σεύθης· «ὀρθῶς λέγετε καὶ ἐγὼ τῷ νόμῳ τῷ ὑμετέρῳ πείσομαι. καὶ ὑμῖν μὲν ἡγεμόνας δώσω τῶν πρεσβυτάτων τοὺς ἐμπειροτάτους τῆς χώρας, αὐτὸς δ' ἐφέψομαι τελευταῖος τοὺς ἵππους ἔχων· ταχὺ γὰρ πρῶτος, ἂν δέηι, παρέσομαι.» σύνθημα δ' εἶπον Ἀθηναίαν κατὰ τὴν συγγένειαν. ταῦτα εἰπόντες ἀνεπαύοντο. [7.3.40] ἡνίκα δ' ἦν ἀμφὶ μέσας νύκτας, παρῆν Σεύθης ἔχων τοὺς ἰππέας τεθωρακισμένους καὶ τοὺς πελταστὰς σὺν τοῖς ὅπλοις. καὶ ἐπεὶ παρέδωκε τοὺς ἡγεμόνας, οἱ μὲν ὀπλῖται ἡγοῦντο, οἱ δὲ πελτασταὶ εἶποντο, οἱ δ' ἰππεῖς ὠπισθοφυλάκουν· [7.3.41] ἐπεὶ δ' ἡμέρα ἦν, ὁ Σεύθης παρήλαυνεν εἰς τὸ πρόσθεν καὶ ἐπήνεσε τὸν Ἑλληνικὸν νόμον. πολλάκις γὰρ ἔφη νύκτωρ αὐτὸς καὶ σὺν ὀλίγοις πορευόμενος ἀποσπασθῆναι σὺν τοῖς ἵπποις ἀπὸ τῶν πεζῶν· νῦν δ' ὥσπερ δεῖ ἄθροοι πάντες ἅμα τῇ ἡμέρᾳ φαινόμεθα. ἀλλὰ ὑμεῖς μὲν περιμένετε αὐτοῦ καὶ ἀναπαύσασθε, ἐγὼ δὲ σκεψάμενός τι ἥξω. [7.3.42] ταῦτ' εἰπὼν ἤλαυνε δι' ὄρους ὁδὸν τινα λαβὼν. ἐπεὶ δ' ἀφίκετο εἰς χιόνα πολλήν, ἐσκέψατο εἰ εἴη ἵχνη ἀνθρώπων ἢ πρόσω ἡγούμενα ἢ ἐναντία. ἐπεὶ δὲ ἀτριβῇ ἐώρα τὴν ὁδόν, ἦκε ταχὺ πάλιν καὶ ἔλεγεν· [7.3.43] «ἄνδρες, καλῶς ἔσται, ἦν θεὸς θέληι· τοὺς γὰρ ἀνθρώπους λήσομεν ἐπιτεσόντες. ἀλλ' ἐγὼ μὲν ἡγήσομαι τοῖς ἵπποις, ὅπως ἂν τινα ἴδωμεν, μὴ διαφυγὼν σημήνηι τοῖς πολεμίοις· ὑμεῖς δ' ἔπεσθε· κἂν λειφθῆτε, τῷ στίβῳ τῶν ἵππων ἔπεσθε. ὑπερβάντες δὲ τὰ ὄρη

ἤξομεν εἰς κώμας πολλὰς τε καὶ εὐδαίμονας.» [7.3.44] ἤνίκα δ' ἦν μέσον ἡμέρας, ἤδη τε ἦν ἐπὶ τοῖς ἄκροις καὶ κατιδὼν τὰς κώμας ἤκεν ἐλαύνων πρὸς τοὺς ὀπλίτας καὶ ἔλεγεν· «ἀφήσω ἤδη καταθεῖν τοὺς μὲν ἱππέας εἰς τὸ πεδίον, τοὺς δὲ πελταστὰς ἐπὶ τὰς κώμας. ἀλλ' ἔπεσθε ὡς ἂν δύνησθε τάχιστα, ὅπως ἐάν τις ὑφιστῇται, ἀλέξῃσθε.» [7.3.45] ἀκούσας ταῦτα ὁ Ξενοφῶν κατέβη ἀπὸ τοῦ ἵππου. καὶ ὃς ἤρετο· «τί καταβαίνεις ἐπεὶ σπεύδεις δεῖ;» «οἶδα, ἔφη, ὅτι οὐκ ἐμοῦ μόνου δέη· οἱ δὲ ὀπλῖται θάπτον δραμοῦνται καὶ ἡδιον, ἐάν καὶ ἐγὼ πεζὸς ἡγῶμαι.» [7.3.46] μετὰ ταῦτα ὤχετο, καὶ Τιμασίῳ μετ' αὐτοῦ ἔχων ἱππέας ὡς τετταράκοντα τῶν Ἑλλήνων. Ξενοφῶν δὲ παρηγγύησε τοὺς εἰς τριάκοντα ἔτη παριέναι ἀπὸ τῶν λόχων εὐζώνους. καὶ αὐτὸς μὲν ἐτρόχαζε τούτους ἔχων, Κλεάνωρ δ' ἡγεῖτο τῶν ἄλλων. [7.3.47] ἐπεὶ δ' ἐν ταῖς κώμαις ἦσαν, Σεύθης ἔχων ὅσον τριάκοντα ἱππέας προσελάσας εἶπε· «τάδε δὴ, ὦ Ξενοφῶν, ἃ σὺ ἔλεγες· ἔχονται οἱ ἄνθρωποι· ἀλλὰ γὰρ ἔρημοι οἱ ἱππεῖς οἵχονται μοι ἄλλος ἄλλῃ διώκων, καὶ δέδοικα μὴ συστάντες ἄθροοι που κακόν τι ἐργάσωνται οἱ πολέμιοι. δεῖ δὲ καὶ ἐν ταῖς κώμαις καταμένειν τινὰς ἡμῶν· μεστὰί γάρ εἰσιν ἀνθρώπων.» [7.3.48] «ἀλλ' ἐγὼ μὲν, ἔφη ὁ Ξενοφῶν, σὺν οἷς ἔχω τὰ ἄκρα καταλήψομαι· σὺ δὲ Κλεάνωρα κέλευε διὰ τοῦ πεδίου παρατεῖναι τὴν φάλαγγα παρὰ τὰς κώμας.» ἐπεὶ ταῦτα ἐποίησαν, συνηλίσθησαν ἀνδράποδα μὲν ὡς χίλια, βόες δὲ δισχίλιοι, πρόβατα ἄλλα μύρια. τότε μὲν δὴ αὐτοῦ ἠυλίσθησαν.

[7.4.1] τῇ δ' ὕστεραίαι κατακαύσας ὁ Σεύθης τὰς κώμας παντελῶς καὶ οἰκίαν οὐδεμίαν λιπών, ὅπως φόβον ἐνθεῖη καὶ τοῖς ἄλλοις οἷα πείσονται, ἂν μὴ πείθωνται, ἀπήιει πάλιν. [7.4.2] καὶ τὴν μὲν λείαν ἀπέπεμψε διατίθεσθαι Ἡρακλείδην εἰς Πέρινθον, ὅπως ἂν μισθὸς γένοιτο τοῖς στρατιώταις· αὐτὸς δὲ καὶ οἱ Ἕλληνες ἐστρατοπεδεύοντο ἀνὰ τὸ Θυνῶν πεδίον. [7.4.3] οἱ δ' ἐκλιπόντες ἔφευγον εἰς τὰ ὄρη. ἦν δὲ χιὼν πολλὴ καὶ ψῦχος οὕτως ὥστε τὸ ὕδωρ ὃ ἐφέροντο ἐπὶ δεῖπνον ἐπήγνυτο καὶ ὁ οἶνος ὁ ἐν τοῖς ἀγγείοις, καὶ τῶν Ἑλλήνων πολλῶν καὶ ῥῖνες ἀπεκαίοντο καὶ ὦτα. [7.4.4] καὶ τότε δῆλον ἐγένετο οὗ ἕνεκα οἱ Θρᾷκες τὰς ἀλωπεκᾶς ἐπὶ ταῖς κεφαλαῖς φοροῦσι καὶ τοῖς ὤσι, καὶ χιτῶνας οὐ μόνον περὶ τοῖς στέρνοις ἀλλὰ καὶ περὶ τοῖς μηροῖς, καὶ χειρὰς μέχρι τῶν ποδῶν ἐπὶ τῶν ἵππων ἔχουσιν, ἀλλ' οὐ χλαμύδας. [7.4.5] ἀφιεῖς δὲ τῶν αἰχμαλώτων ὁ Σεύθης εἰς τὰ ὄρη ἔλεγεν ὅτι εἰ μὴ καταβήσονται οἰκήσοντες καὶ πείσονται, ὅτι κατακαύσει καὶ τούτων τὰς κώμας καὶ τὸν σῖτον, καὶ ἀπολοῦνται

τῷ λιμῷ. ἐκ τούτου κατέβαινον καὶ γυναῖκες καὶ παῖδες καὶ πρεσβύτεροι· οἱ δὲ νεώτεροι ἐν ταῖς ὑπὸ τὸ ὄρος κώμας ἠϋλίζοντο. [7.4.6] καὶ ὁ Σεύθης καταμαθὼν ἐκέλευσε τὸν Ξενοφῶντα τῶν ὀπλιτῶν τοὺς νεωτάτους λαβόντα συνεπισπέσθαι. καὶ ἀναστάντες τῆς νυκτὸς ἅμα τῇ ἡμέρᾳ παρήσαν εἰς τὰς κώμας. καὶ οἱ μὲν πλεῖστοι ἐξέφυγον· πλησίον γὰρ ἦν τὸ ὄρος· ὅσους δὲ ἔλαβε κατηκόντισεν ἀφειδῶς Σεύθης. [7.4.7] Ἐπισθένης δ' ἦν τις Ὀλύνθιος παιδεραστής, ὃς ἰδὼν παῖδα καλὸν ἠβάσκοντα ἄρτι πέλτην ἔχοντα μέλλοντα ἀποθνήσκειν, προσδραμὼν Ξενοφῶντα ἰκέτευε βοηθῆσαι παιδί καλῷ. [7.4.8] καὶ ὃς προσελθὼν τῷ Σεύθῃ δεῖται μὴ ἀποκτεῖναι τὸν παῖδα, καὶ τοῦ Ἐπισθένου διηγεῖται τὸν τρόπον, καὶ ὅτι λόχον ποτὲ συνελέξατο σκοπῶν οὐδὲν ἄλλο ἢ εἴ τινες εἶεν καλοί, καὶ μετὰ τούτων ἦν ἀνὴρ ἀγαθός. [7.4.9] ὁ δὲ Σεύθης ἤρετο· «ἦ καὶ θέλοις ἄν, ὦ Ἐπίσθενες, ὑπὲρ τούτου ἀποθανεῖν;» ὁ δ' ὑπερανатеΐνας τὸν τράχηλον, «παῖε, ἔφη, εἰ κελεύει ὁ παῖς καὶ μέλλει χάριν εἰδέναι.» [7.4.10] ἐπήρετο ὁ Σεύθης τὸν παῖδα εἰ παΐσειεν αὐτὸν ἀντ' ἐκείνου. οὐκ εἶα ὁ παῖς, ἀλλ' ἰκέτευε μηδέτερον κατακαίνειν. ἐνταῦθα ὁ Ἐπισθένης περιλαβὼν τὸν παῖδα εἶπεν· «ῶρα σοι, ὦ Σεύθη, περὶ τοῦδέ μοι διαμάχεσθαι· οὐ γὰρ μεθήσω τὸν παῖδα.» [7.4.11] ὁ δὲ Σεύθης γελῶν ταῦτα μὲν εἶα· ἔδοξε δὲ αὐτῷ αὐτοῦ αὐλισθῆναι, ἵνα μηδ' ἐκ τούτων τῶν κωμῶν οἱ ἐπὶ τοῦ ὄρους τρέφοντο. καὶ αὐτὸς μὲν ἐν τῷ πεδίῳ ὑποκαταβάς ἐσκήνου, ὁ δὲ Ξενοφῶν ἔχων τοὺς ἐπιλέκτους ἐν τῇ ὑπὸ τὸ ὄρος ἀνωτάτῳ κώμῃ, καὶ οἱ ἄλλοι Ἕλληνες ἐν τοῖς ὀρεινοῖς καλουμένοις Θραιξὶ πλησίον κατεσκήνησαν. [7.4.12] ἐκ τούτου ἡμέραι τ' οὐ πολλαὶ διετρίβοντο καὶ οἱ ἐκ τοῦ ὄρους Θρᾷκες καταβαίνοντες πρὸς τὸν Σεύθην περὶ σπονδῶν καὶ ὀμήρων διεπράττοντο. καὶ ὁ Ξενοφῶν ἐλθὼν ἔλεγε τῷ Σεύθῃ ὅτι ἐν πονηροῖς σκηνοῖεν καὶ πλησίον εἶεν οἱ πολέμοι· ἥδιόν τ' ἂν ἔξω αὐλίζεσθαι ἔφη ἐν ἐχυροῖς χωρίοις μᾶλλον ἢ ἐν τοῖς στεγνοῖς, ὥστε ἀπολέσθαι. ὁ δὲ θαρρεῖν ἐκέλευε καὶ ἔδειξεν ὀμήρους παρόντας αὐτῶν. [7.4.13] ἐδέοντο δὲ καὶ αὐτοῦ Ξενοφῶντος καταβαίνοντές τινες τῶν ἐκ τοῦ ὄρους συμπράξαι σφίσι τὰς σπονδάς. ὁ δ' ὠμολόγει καὶ θαρρεῖν ἐκέλευε καὶ ἡγγυᾶτο μηδὲν αὐτοὺς κακὸν πείσεσθαι πειθομένους Σεύθῃ. οἱ δ' ἄρα ταῦτ' ἔλεγον κατασκοπῆς ἕνεκα. [7.4.14] ταῦτα μὲν τῆς ἡμέρας ἐγένετο· εἰς δὲ τὴν ἐπιούσαν νύκτα ἐπιτίθενται ἐλθόντες ἐκ τοῦ ὄρους οἱ Θυνοί. καὶ ἡγεμῶν μὲν ἦν ὁ δεσπότης ἐκάστης τῆς οἰκίας· χαλεπὸν γὰρ ἦν ἄλλως τὰς οἰκίας σκότους ὄντος

ἀνευρίσκειν ἐν ταῖς κώμαις· καὶ γὰρ αἱ οἰκίαι κύκλοι περισταύρωντο μεγάλοις σταυροῖς τῶν προβάτων ἔνεκα. [7.4.15] ἐπεὶ δ' ἐγένοντο κατὰ τὰς θύρας ἐκάστου τοῦ οἰκήματος, οἱ μὲν εἰσηκόντιζον, οἱ δὲ τοῖς σκυτάλοις ἔβαλλον, ἃ ἔχειν ἔφασαν ὡς ἀποκόψοντες τῶν δοράτων τὰς λόγχας, οἱ δ' ἐνεπίμπρασαν, καὶ Ξενοφῶντα ὀνομαστὶ καλοῦντες ἐξίοντα ἐκέλευον ἀποθνήσκειν, ἢ αὐτοῦ ἔφασαν κατακαυθήσεσθαι αὐτόν. [7.4.16] καὶ ἤδη τε διὰ τοῦ ὀρόφου ἐφαίνετο πῦρ, καὶ ἐντεθωρακισμένοι οἱ περὶ τὸν Ξενοφῶντα ἔνδον ἦσαν ἀσπίδας καὶ μαχαίρας καὶ κράνη ἔχοντες, καὶ Σίλανὸς Μακίστιος ἐτῶν ὡς ὀκτωκαίδεκα σημαίνει τῇ σάλπιγγι· καὶ εὐθὺς ἐκπηδῶσιν ἐσπασμένοι τὰ ξίφη καὶ οἱ ἐκ τῶν ἄλλων σκηνωμάτων. [7.4.17] οἱ δὲ Θραῖκες φεύγουσιν, ὥσπερ δὴ τρόπος ἦν αὐτοῖς, ὅπισθεν περιβαλλόμενοι τὰς πέλτας· καὶ αὐτῶν ὑπεραλλομένων τοὺς σταυροὺς ἐλήφθησάν τινες κρεμασθέντες ἐνεχομένων τῶν πελτῶν τοῖς σταυροῖς· οἱ δὲ καὶ ἀπέθανον ἀμαρτόντες τῶν ἐξόδων· οἱ δὲ Ἕλληνες ἐδίωκον ἔξω τῆς κώμης. [7.4.18] τῶν δὲ Θυνῶν ὑποστραφέντες τινὲς ἐν τῷ σκότει τοὺς παρατρέχοντας παρ' οἰκίαν καιομένην ἠκόντιζον εἰς τὸ φῶς ἐκ τοῦ σκότους· καὶ ἔτρωσαν Ἰερώνυμόν τε καὶ Εὐδοέα λοχαγὸν καὶ Θεογένην Λοκρὸν λοχαγόν· ἀπέθανε δὲ οὐδεὶς· κατεκαύθη μέντοι καὶ ἐσθῆς τινων καὶ σκευή. [7.4.19] Σεύθης δὲ ἦκε βοηθῶν σὺν ἑπτὰ ἱππεῦσι τοῖς πρώτοις καὶ τὸν σαλπικτὴν ἔχων τὸν Θράκιον. καὶ ἐπείπερ ἦσθετο, ὅσον περ χρόνον ἐβοήθει, τοσοῦτον καὶ τὸ κέρας ἐφθέγγετο αὐτῶι· ὥστε καὶ τοῦτο φόβον συμπαρέσχε τοῖς πολεμίοις. ἐπεὶ δ' ἦλθεν, ἐδεξιουτὸ τε καὶ ἔλεγεν ὅτι οἶοιτο τεθνεῶτας πολλοὺς εὐρήσειν. [7.4.20] ἐκ τούτου ὁ Ξενοφῶν δεῖται τοὺς ὁμήρους τε αὐτῶι παραδοῦναι καὶ ἐπὶ τὸ ὄρος, εἰ βούλεται, συστρατεύεσθαι· εἰ δὲ μή, αὐτὸν ἐᾶσαι. [7.4.21] τῇ οὖν ὑστεραίᾳ παραδίδωσιν ὁ Σεύθης τοὺς ὁμήρους, πρεσβυτέρους ἄνδρας ἤδη, τοὺς κρατίστους, ὡς ἔφασαν, τῶν ὀρεινῶν, καὶ αὐτὸς ἔρχεται σὺν τῇ δυνάμει. ἤδη δὲ εἶχε καὶ τριπλασίαν δύναμιν ὁ Σεύθης· ἐκ γὰρ τῶν Ὀδρυσῶν ἀκούοντες ἃ πράττει ὁ Σεύθης πολλοὶ κατέβαινον συστρατευσόμενοι. [7.4.22] οἱ δὲ Θυνοὶ ἐπεὶ εἶδον ἀπὸ τοῦ ὄρους πολλοὺς μὲν ὀπλίτας, πολλοὺς δὲ πελταστάς, πολλοὺς δὲ ἱππείας, καταβάντες ἰκέτευον σπείσασθαι, καὶ πάντα ὁμολόγουν ποιήσειν καὶ πιστὰ λαμβάνειν ἐκέλευον. [7.4.23] ὁ δὲ Σεύθης καλέσας τὸν Ξενοφῶντα ἐπεδείκνυν ἃ λέγοιεν, καὶ οὐκ ἂν ἔφη σπείσασθαι, εἰ Ξενοφῶν βούλοιτο τιμωρήσασθαι αὐτοὺς τῆς ἐπιθέσεως. [7.4.24] ὁ

δ' εἶπεν· «ἀλλ' ἔγωγε ἱκανὴν νομίζω καὶ νῦν δίκην ἔχειν, εἰ οὗτοι δοῦλοι ἔσονται ἀντ' ἐλευθέρων.» συμβουλευεῖν μέντοι ἔφη αὐτῷ τὸ λοιπὸν ὁμήρους λαμβάνειν τοὺς δυνατωτάτους κακόν τι ποιεῖν, τοὺς δὲ γέροντας οἴκοι ἔαν. οἱ μὲν οὖν ταύτῃ πάντες δὴ προσωμολόγουν.

[7.5.1] ὑπερβάλλουσι δὲ πρὸς τοὺς ὑπὲρ Βυζαντίου Θρᾷκας εἰς τὸ Δέλτα καλούμενον· αὕτη δ' ἦν οὐκέτι ἀρχὴ Μαισάδου, ἀλλὰ Τήρους τοῦ Ὀδρύσου [ἀρχαίου τινός]. [7.5.2] καὶ ὁ Ἡρακλείδης ἐνταῦθα ἔχων τὴν τιμὴν τῆς λείας παρῆν. καὶ Σεύθης ἐξαγαγὼν ζεύγη ἡμιονικὰ τρία (οὐ γὰρ ἦν πλείω), τὰ δ' ἄλλα βοεικὰ, καλέσας Ξενοφῶντα ἐκέλευε λαβεῖν, τὰ δ' ἄλλα διανεῖμαι τοῖς στρατηγοῖς καὶ λοχαγοῖς. [7.5.3] Ξενοφῶν δὲ εἶπεν· «ἐμοὶ τοίνυν ἀρκεῖ καὶ αὐθις λαβεῖν· τούτοις δὲ τοῖς στρατηγοῖς δωροῦ οἱ σὺν ἐμοὶ ἠκολούθησαν καὶ λοχαγοῖς.» [7.5.4] καὶ τῶν ζευγῶν λαμβάνει ἓν μὲν Τιμασίων ὁ Δαρδανεύς, ἓν δὲ Κλεάνωρ ὁ Ὀρχομένιος, ἓν δὲ Φρυνίσκος ὁ Ἀχαιός· τὰ δὲ βοεικὰ ζεύγη τοῖς λοχαγοῖς κατεμερίσθη. τὸν δὲ μισθὸν ἀποδίδωσιν ἐξεληλυθότος ἤδη τοῦ μηνὸς εἴκοσι μόνον ἡμερῶν· ὁ γὰρ Ἡρακλείδης ἔλεγεν ὅτι οὐ πλέον ἐμπολήσαι. [7.5.5] ὁ οὖν Ξενοφῶν ἀχθεσθεὶς εἶπεν ἐπομόσας· «δοκεῖς μοι, ὦ Ἡρακλείδη, οὐχ ὥς δεῖ κηδεσθαι Σεύθου· εἰ γὰρ ἐκίδου, ἦκες ἂν φέρων πλήρη τὸν μισθὸν καὶ προσδανεισάμενος, εἰ μὴ ἄλλως ἐδύναω, καὶ ἀποδόμενος τὰ σαντοῦ ἱμάτια.» [7.5.6] ἐντεῦθεν ὁ Ἡρακλείδης ἠχθέσθη τε καὶ ἔδεισε μὴ ἐκ τῆς Σεύθου φιλίας ἐκβληθεῖν, καὶ ὅ τι ἐδύνατο ἀπὸ ταύτης τῆς ἡμέρας Ξενοφῶντα διέβαλλε πρὸς Σεύθην. [7.5.7] οἱ μὲν δὴ στρατιῶται Ξενοφῶντι ἐνεκάλουν ὅτι οὐκ εἶχον τὸν μισθόν· Σεύθης δὲ ἤχθετο αὐτῷ ὅτι ἐντόνως τοῖς στρατιώταις ἀπῆται τὸν μισθόν. [7.5.8] καὶ τέως μὲν αἰεὶ ἐμέμνητο ὥς, ἐπειδὰν ἐπὶ θάλατταν ἀπέλθῃ, παραδώσει αὐτῷ Βισάνθην καὶ Γάνον καὶ Νέον τεῖχος· ἀπὸ δὲ τούτου τοῦ χρόνου οὐδενὸς ἔτι τούτων ἐμέμνητο. ὁ γὰρ Ἡρακλείδης καὶ τοῦτο διεβεβλήκει ὥς οὐκ ἀσφαλὲς εἶη τεῖχῃ παραδιδόναι ἀνδρὶ δύναμιν ἔχοντι. [7.5.9] ἐκ τούτου ὁ μὲν Ξενοφῶν ἐβουλεύετο τί χρὴ ποιεῖν περὶ τοῦ ἔτι ἄνω στρατεύεσθαι· ὁ δ' Ἡρακλείδης εἰσαγαγὼν τοὺς ἄλλους στρατηγοὺς πρὸς Σεύθην λέγειν τε ἐκέλευεν αὐτοὺς ὅτι οὐδὲν ἂν ἦττον σφεῖς ἀγάγοιεν τὴν στρατιὰν ἢ Ξενοφῶν, τὸν τε μισθὸν ὑπισχνεῖτο αὐτοῖς ἐντὸς ὀλίγων ἡμερῶν ἔκπλεων παρέσεσθαι δυοῖν μηνοῖν, καὶ συστρατεύεσθαι ἐκέλευε. [7.5.10] καὶ ὁ Τιμασίων εἶπεν· «ἐγὼ μὲν τοίνυν οὐδ' ἂν πέντε μηνῶν μισθὸς μέλλῃ εἶναι στρατευσαίμην ἂν ἄνευ Ξενοφῶντος.» καὶ ὁ Φρυνίσκος καὶ ὁ

Κλεάνωρ συνωμολόγουν τῷ Τιμασίωνι. [7.5.11] ἐντεῦθεν ὁ Σεύθης ἐλοιδορεῖ τὸν Ἡρακλείδην ὅτι οὐ παρεκάλει καὶ Ξενοφῶντα. ἐκ δὲ τούτου παρακαλοῦσιν αὐτὸν μόνον. ὁ δὲ γνούς τοῦ Ἡρακλείδου τὴν πανουργίαν ὅτι βούλοιο αὐτὸν διαβάλλειν πρὸς τοὺς ἄλλους στρατηγούς, παρέρχεται λαβὼν τοὺς τε στρατηγούς πάντας καὶ τοὺς λοχαγούς. [7.5.12] καὶ ἐπεὶ πάντες ἐπέισθησαν, συνεστρατεύοντο καὶ ἀφικνοῦνται ἐν δεξιᾷ ἔχοντες τὸν Πόντον διὰ τῶν Μελινοφάγων καλουμένων Θραικῶν εἰς τὸν Σαλμυδησσόν. ἔνθα τῶν εἰς τὸν Πόντον πλεουσῶν νεῶν πολλαὶ ὀκέλλουσι καὶ ἐκπίπτουσι· τέναγος γάρ ἐστιν ἐπὶ ἀμπολυ τῆς θαλάττης. [7.5.13] καὶ Θραικες οἱ κατὰ ταῦτα οἰκοῦντες στήλας ὀρισάμενοι τὰ καθ' αὐτοὺς ἐκπίπτοντα ἕκαστοι λήιζονται· τέως δὲ ἔλεγον πρὶν ὀρίσασθαι ἀρπάζοντας πολλοὺς ὑπ' ἀλλήλων ἀποθνήσκειν. [7.5.14] ἐνταῦθα ἠύρισκοντο πολλαὶ μὲν κλῖναι, πολλὰ δὲ κιβώτια, πολλαὶ δὲ βίβλοι γεγραμμέναι, καὶ τᾶλλα πολλὰ ὅσα ἐν ξυλίνοις τεύχεσι ναύκληροι ἄγουσιν. ἐντεῦθεν ταῦτα καταστρεψάμενοι ἀπῆσαν πάλιν. [7.5.15] ἔνθα δὴ Σεύθης εἶχε στράτευμα ἤδη πλέον τοῦ Ἑλληνικοῦ· ἐκ τε γὰρ Ὀδρουσῶν πολὺ ἔτι πλείους κατεβέβηκεσαν καὶ οἱ αἰεὶ πειθόμενοι συνεστρατεύοντο. κατηυλίσθησαν δ' ἐν τῷ πεδίῳ ὑπὲρ Σηλυμβρίας ὅσον τριάκοντα σταδίους ἀπέχοντες τῆς θαλάττης. [7.5.16] καὶ μισθὸς μὲν οὐδεὶς πω ἐφαίνετο· πρὸς δὲ τὸν Ξενοφῶντα οἱ τε στρατιῶται παγγαλέπως εἶχον ὃ τε Σεύθης οὐκέτι οἰκείως διέκειτο, ἀλλ' ὅποτε συγγενέσθαι αὐτῷ βουλόμενος ἔλθοι, πολλαὶ ἤδη ἀσχολίαι ἐφαίνοντο.

[7.6.1] ἐν τούτῳ τῷ χρόνῳ σχεδὸν ἤδη δύο μηνῶν ὄντων ἀφικνεῖται Χαρμῖνός τε ὁ Λάκων καὶ Πολύνικος παρὰ Θίβρωνος, καὶ λέγουσιν ὅτι Λακεδαιμονίοις δοκεῖ στρατεῦσθαι ἐπὶ Τισσαφέρνην, καὶ Θίβρων ἐκπέπλευκεν ὡς πολεμήσων, καὶ δεῖται ταύτης τῆς στρατιᾶς καὶ λέγει ὅτι δαρεικὸς ἐκάστωι ἔσται μισθὸς τοῦ μηνός, καὶ τοῖς λοχαγοῖς διμοῖρία, τοῖς δὲ στρατηγοῖς τετραμοῖρία. [7.6.2] ἐπεὶ δ' ἦλθον οἱ Λακεδαιμόνιοι, εὐθὺς ὁ Ἡρακλείδης πυθόμενος ὅτι ἐπὶ τὸ στράτευμα ἤκουσι λέγει τῷ Σεύθῃ ὅτι κάλλιστόν τι γεγένηται· οἱ μὲν γὰρ Λακεδαιμόνιοι δέονται τοῦ στρατεύματος, σὺ δὲ οὐκέτι δέη· ἀποδιδούς δὲ τὸ στράτευμα χαριῇ αὐτοῖς, σὲ δὲ οὐκέτι ἀπαιτήσουσι τὸν μισθόν, ἀλλ' ἀπαλλάξονται ἐκ τῆς χώρας. [7.6.3] ἀκούσας ταῦτα ὁ Σεύθης κελεύει παράγειν· καὶ ἐπεὶ εἶπον ὅτι ἐπὶ τὸ στράτευμα ἤκουσιν, ἔλεγεν ὅτι τὸ στράτευμα ἀποδίδωσι, φίλος τε

καὶ σύμμαχος εἶναι βούλεται, καλεῖ τε αὐτοὺς ἐπὶ ξένια· καὶ ἐξένιζε μεγαλοπρεπῶς. Ξενοφῶντα δὲ οὐκ ἐκάλει, οὐδὲ τῶν ἄλλων στρατηγῶν οὐδένα. [7.6.4] ἐρωτῶντων δὲ τῶν Λακεδαιμονίων τίς ἀνὴρ εἶη Ξενοφῶν ἀπεκρίνατο ὅτι τὰ μὲν ἄλλα εἶη οὐ κακός, φιλοστρατιώτης δέ· καὶ διὰ τοῦτο χεῖρόν ἐστιν αὐτῶι. καὶ οἱ εἶπον· «ἀλλ’ ἢ δημαγωγεῖ ὁ ἀνὴρ τοὺς ἄνδρας;» καὶ ὁ Ἡρακλείδης, «πάνυ μὲν οὖν,» ἔφη. [7.6.5] «ἄρ’ οὖν, ἔφασαν, μὴ καὶ ἡμῖν ἐναντιώσεται τῆς ἀπαγωγῆς;» «ἀλλ’ ἦν ὑμεῖς, ἔφη ὁ Ἡρακλείδης, συλλέξαντες αὐτοὺς ὑπόσχησθε τὸν μισθόν, ὀλίγον ἐκείνῳ προσχόντες ἀποδραμοῦνται σὺν ὑμῖν.» [7.6.6] «πῶς οὖν ἂν, ἔφασαν, ἡμῖν συλλεγεῖεν;» «αὖριον ὑμᾶς, ἔφη ὁ Ἡρακλείδης, πρῶι ἄξομεν πρὸς αὐτούς· καὶ οἶδα, ἔφη, ὅτι ἐπειδὰν ὑμᾶς ἴδωσιν, ἄσμενοι συνδραμοῦνται.» αὕτη μὲν ἡ ἡμέρα οὕτως ἔληξεν.

[7.6.7] τῇ δ’ ὑστεραίᾳ ἄγουσιν ἐπὶ τὸ στράτευμα τοὺς Λάκωνας Σεύθης τε καὶ Ἡρακλείδης, καὶ συλλέγεται ἡ στρατιά. τῷ δὲ Λάκωνε ἐλεγέτην ὅτι Λακεδαιμονίοις δοκεῖ πολεμεῖν Τισσαφέρνει τῷ ὑμᾶς ἀδικήσαντι· ἦν οὖν ἦτε σὺν ἡμῖν, τόν τε ἐχθρόν τιμωρήσεσθε καὶ δαρεικὸν ἕκαστος οἶσει τοῦ μηνὸς ὑμῶν, λοχαγὸς δὲ τὸ διπλοῦν, στρατηγὸς δὲ τὸ τετραπλοῦν. [7.6.8] καὶ οἱ στρατιῶται ἄσμενοί τε ἤκουσαν καὶ εὐθὺς ἀνίσταται τις τῶν Ἀρκάδων τοῦ Ξενοφῶντος κατηγορήσων. παρῆν δὲ καὶ Σεύθης βουλόμενος εἰδέναι τίπραχθήσεται, καὶ ἐν ἐπηκόῳι εἰστήκει ἔχων ἐρμηνέα. [7.6.9] ξυνίει δὲ καὶ αὐτὸς Ἑλληνιστὶ τὰ πλεῖστα. ἔνθα δὴ λέγει ὁ Ἀρκάς· «ἀλλ’ ἡμεῖς μὲν, ὧ Λακεδαιμόνιοι, καὶ πάλαι ἂν ἤμεν παρ’ ὑμῖν, εἰ μὴ Ξενοφῶν ἡμᾶς δεῦρο πείσας ἀπήγαγεν, ἔνθα δὴ ἡμεῖς μὲν τὸν δεινὸν χειμῶνα στρατευόμενοι καὶ νύκτα καὶ ἡμέραν οὐδὲν πεπαύμεθα· ὁ δὲ τοὺς ἡμετέρους πόνοὺς ἔχει· καὶ Σεύθης ἐκείνῳ μὲν ἰδία πεπλούτικεν, ἡμᾶς δὲ ἀποστερεῖ τὸν μισθόν· [7.6.10] ὥστε [ὃ γε πρῶτος λέγων] ἐγὼ μὲν εἰ τοῦτον ἴδοιμι καταλευσθέντα καὶ δόντα δίκην ὧν ἡμᾶς περιεῖλκε, καὶ τὸν μισθὸν ἂν μοι δοκῶ ἔχειν καὶ οὐδὲν ἐπὶ τοῖς πεπονημένοις ἄχθεσθαι.» μετὰ τοῦτον ἄλλος ἀνέστη ὁμοίως καὶ ἄλλος. ἐκ δὲ τούτου Ξενοφῶν ἔλεξεν ὧδε. [7.6.11] «ἀλλὰ πάντα μὲν ἄρα ἀνθρωπον ὄντα προσδοκᾷν δεῖ, ὁπότε γε καὶ ἐγὼ νῦν ὑφ’ ὑμῶν αἰτίας ἔχω ἐν ᾧ πλείστην προθυμίαν ἐμαυτῷ γε δοκῶ συνειδέναι περὶ ὑμᾶς παρεσχημένος. ἀπετραπόμην μὲν γε ἤδη οἴκαδε ὠρμημένος, οὐ μὰ τὸν Δία οὔτοι πυνθανόμενος ὑμᾶς εὖ πράττειν, ἀλλὰ μᾶλλον ἀκούων ἐν ἀπόροις εἶναι ὥς ὠφελήσων εἴ τι δυναίμην.

[7.6.12] ἐπεὶ δὲ ἦλθον, Σεύθου τουτουὶ πολλοὺς ἀγγέλους πρὸς ἐμὲ πέμποντος καὶ πολλὰ ὑπισχνουμένου μοι, εἰ πείσαιμι ὑμᾶς πρὸς αὐτὸν ἐλθεῖν, τοῦτο μὲν οὐκ ἐπεχείρησα ποιεῖν, ὥς αὐτοὶ ὑμεῖς ἐπίστασθε. ἦγον δὲ ὅθεν ὠϊόμην τάχιστ' ἂν ὑμᾶς εἰς τὴν Ἀσίαν διαβῆναι. ταῦτα γὰρ καὶ βέλτιστα ἐνόμιζον ὑμῖν εἶναι καὶ ὑμᾶς ἡδιδεν βουλομένους. [7.6.13] ἐπεὶ δ' Ἀρίσταρχος ἐλθὼν σὺν τριήρεσιν ἐκώλυε διαπλεῖν ἡμᾶς, ἐκ τούτου, ὅπερ εἰκὸς δήπου ἦν, συνέλεξα ὑμᾶς, ὅπως βουλευσαίμεθα ὃ τι χρὴ ποιεῖν. [7.6.14] οὐκοῦν ὑμεῖς ἀκούοντες μὲν Ἀριστάρχου ἐπιτάττοντος ὑμῖν εἰς Χερρόνησον πορεύεσθαι, ἀκούοντες δὲ Σεύθου πείθοντος ἑαυτῶι συστρατεύεσθαι, πάντες μὲν ἐλέγετε σὺν Σεύθῃ ιέναι, πάντες δ' ἐψηφίσασθε ταῦτα. τί οὖν ἐγὼ ἐνταῦθα ἡδίκησα ἀγαγὼν ὑμᾶς ἔνθα πᾶσιν ὑμῖν ἐδόκει; [7.6.15] ἐπεὶ γε μὴν ψεύδεσθαι ἥρξατο Σεύθης περὶ τοῦ μισθοῦ, εἰ μὲν ἐπαινῶ αὐτόν, δικαίως ἂν με καὶ αἰτιώσθε καὶ μισοῖτε· εἰ δὲ πρόσθεν αὐτῶι πάντων μάλιστα φίλος ὢν νῦν πάντων διαφορώτατός εἰμι, πῶς ἂν ἔτι δικαίως ὑμᾶς αἰρούμενος ἀντὶ Σεύθου ὑφ' ὑμῶν αἰτίαν ἔχοιμι περὶ ὧν πρὸς τοῦτον διαφέρομαι; [7.6.16] ἀλλ' εἵποιτ' ἂν ὅτι ἔξεστι καὶ τὰ ὑμέτερα ἔχοντα παρὰ Σεύθου τεχνάζειν. οὐκοῦν δῆλον τοῦτό γέ ἐστιν, εἵπερ ἐμοὶ ἐτέλει τι Σεύθης, οὐχ οὕτως ἐτέλει δήπου ὥς ὧν τε ἐμοὶ δοίη στέροιτο καὶ ἄλλα ὑμῖν ἀποτείσειεν, ἀλλ' οἶμαι, εἰ ἐδίδου, ἐπὶ τούτῳ ἂν ἐδίδου ὅπως ἐμοὶ δοὺς μείον μὴ ἀποδοίῃ ὑμῖν τὸ πλεόν. [7.6.17] εἰ τοίνυν οὕτως ἔχειν οἴεσθε, ἔξεστιν ὑμῖν αὐτίκα μάλα ματαίαν ταύτην τὴν πρᾶξιν ἀμφοτέροις ἡμῖν ποιῆσαι, ἐὰν πράττητε αὐτὸν τὰ χρήματα. δῆλον γὰρ ὅτι Σεύθης, εἰ ἔχω τι παρ' αὐτοῦ, ἀπαιτήσῃ με, καὶ ἀπαιτήσῃ μέντοι δικαίως, ἐὰν μὴ βεβαιῶ τὴν πρᾶξιν αὐτῶι ἐφ' ἣ ἐδωροδόκουν. [7.6.18] ἀλλὰ πολλοῦ μοι δοκῶ δεῖν τὰ ὑμέτερα ἔχειν· ὁμνῶ γὰρ ὑμῖν θεοὺς ἅπαντας καὶ πάσας μηδ' ἃ ἐμοὶ ἰδία ὑπέσχετο Σεύθης ἔχειν· πάρεστι δὲ καὶ αὐτὸς καὶ ἀκούων σύννοιδέ μοι εἰ ἐπιorkῶ. [7.6.19] ἵνα δὲ μᾶλλον θαυμάσητε, συνεπόμενυμι μηδὲ ἃ οἱ ἄλλοι στρατηγοὶ ἔλαβον εἰληφέναι, μὴ τοίνυν μηδὲ ὅσα τῶν λοχαγῶν ἔνιοι. [7.6.21] εἵποι δὴ τις ἂν, οὐκουν αἰσχύνῃ οὕτω μώρως ἐξαπατῶμενος; ναὶ μὰ Δία ἡισχνόμην μέντ' ἂν, εἰ ὑπὸ πολεμίου γε ὄντος ἐξηπατήθην· φίλῳ δὲ ὄντι ἐξαπατᾶν αἰσχίον μοι δοκεῖ εἶναι ἢ ἐξαπατᾶσθαι. [7.6.22] ἐπεὶ εἴ γε

πρὸς φίλους ἐστὶ φυλακή, πᾶσαν οἶδα ἡμᾶς φυλαξαμένους ὥς μὴ παρασχεῖν τούτῳ πρόφασιν δικαίαν μὴ ἀποδιδόναι ἡμῖν ἃ ὑπέσχετο· οὔτε γὰρ ἡδίκησαμεν τοῦτον οὐδὲν οὔτε κατεβλακεύσαμεν τὰ τούτου οὐδὲ μὴν κατεδειλιάσαμεν οὐδὲν ἐφ' ὃ τι ἡμᾶς οὗτος παρεκάλεσεν. [7.6.23] ἀλλά, φαίητε ἄν, ἔδει τὰ ἐνέχυρα τότε λαβεῖν, ὥς μὴδ' εἰ ἐβούλετο ἐδύνατο ἐξαπατᾶν. πρὸς ταῦτα δὴ ἀκούσατε ἃ ἐγὼ οὐκ ἄν ποτε εἶπον τούτου ἐναντίον, εἰ μὴ μοι παντάπασιν ἀγνώμονες ἐδοκεῖτε εἶναι ἢ λίαν εἰς ἐμὲ ἀχάριστοι. [7.6.24] ἀναμνήσθητε γὰρ ἐν ποίοις τισὶ πράγμασιν ὄντες ἐτυχάνετε, ἐξ ὧν ὑμᾶς ἐγὼ ἀνήγαγον πρὸς Σεύθην. οὐκ εἰς μὲν Πέρινθον προσῆτε [πόλιν], Ἀρίσταρχος δ' ὑμᾶς ὁ Λακεδαιμόνιος οὐκ εἶα εἰσιέναι ἀποκλείσας τὰς πύλας; ὑπαίθριοι δ' ἔξω ἐστρατοπεδεύετε, μέσος δὲ χειμῶν ἦν, ἀγορᾷ δὲ ἐχρήσθε σπάνια μὲν ὀρῶντες τὰ ὦνια, σπάνια δ' ἔχοντες ὅτων ὠνήσεσθε, ἀνάγκη δὲ ἦν μένειν ἐπὶ Θράκης; [7.6.25] τριήρεις γὰρ ἐφορμοῦσαι ἐκώλυον διαπλεῖν· εἰ δὲ μένοι τις, ἐν πολεμίαι εἶναι, ἔνθα πολλοὶ μὲν ἵππεῖς ἦσαν ἐναντίοι, [7.6.26] πολλοὶ δὲ πελτασταί, ἡμῖν δὲ ὀπλιτικὸν μὲν ἦν ὡς ἄνθρωποι μὲν ἰόντες ἐπὶ τὰς κώμας ἴσως ἂν ἐδυνάμεθα σῖτον λαμβάνειν οὐδὲν τι ἄφθονον, ὅτῳ δὲ διώκοντες ἂν ἢ ἀνδράποδα ἢ πρόβατα κατελαμβάνομεν οὐκ ἦν ἡμῖν· οὔτε γὰρ ἵππικὸν οὔτε πελταστικὸν ἔτι ἐγὼ συνεστηκὸς κατέλαβον παρ' ὑμῖν. [7.6.29] καὶ πολέμιον οὐκέτι οὐδένα ἐωρῶμεν ἐπειδὴ τὸ ἵππικὸν ἡμῖν προσεγένετο· τέως δὲ θαρραλέως ἡμῖν ἐφείποντο οἱ πολέμιοι καὶ ἵππικῶι καὶ πελταστικῶι κωλύοντες μῆδαμῃ κατ' ὀλίγους ἀποσκεδαννυμένους τὰ ἐπιτήδεια ἀφθονώτερα ἡμᾶς πορίζεσθαι. [7.6.30] εἰ δὲ δὴ ὁ συμπαρέχων ὑμῖν ταύτην τὴν ἀσφάλειαν μὴ πάνυ πολὺν μισθὸν προστετέλει τῆς ἀσφαλείας, τοῦτο δὴ τὸ σχέτλιον πάθημα καὶ διὰ τοῦτο οὐδαμῇ οἶεσθε χρῆναι ζῶντα ἐμὲ ἀνεῖναι; [7.6.31] νῦν δὲ δὴ πῶς ἀπέρχεσθε; οὐ διαχειμάσαντες μὲν ἐν ἀφθόνοις τοῖς ἐπιτηδείοις, περιττὸν δ' ἔχοντες τοῦτο εἴ τι ἐλάβετε παρὰ Σεύθου; τὰ γὰρ τῶν πολεμίων ἐδαπανᾶτε. καὶ ταῦτα πράττοντες οὔτε ἄνδρας ἐπέιδετε ὑμῶν αὐτῶν ἀποθανόντας οὔτε

ζῶντας ἀπεβάλετε. [7.6.32] εἰ δέ τι καλὸν πρὸς τοὺς ἐν τῇ Ἀσίᾳ βαρβάρους ἐπέπρακτο ὑμῖν, οὐ καὶ ἐκεῖνο σὼν ἔχετε καὶ πρὸς ἐκείνοις νῦν ἄλλην εὐκλειαν προσειλήφατε καὶ τοὺς ἐν τῇ Εὐρώπῃ Θρᾷκας ἐφ' οὓς ἐστρατεύσασθε κρατήσαντες; ἐγὼ μὲν ὑμᾶς φημι δικαίως ἂν ὧν ἐμοὶ χαλεπαίνετε τούτων τοῖς θεοῖς χάριν εἰδέναι ὡς ἀγαθῶν. [7.6.33] καὶ τὰ μὲν δὴ ὑμέτερα τοιαῦτα. ἄγετε δὴ πρὸς θεῶν καὶ τὰ ἐμὰ σκέψασθε ὡς ἔχει. ἐγὼ γὰρ ὅτε μὲν πρότερον ἀπῆια οἴκαδε, ἔχων μὲν ἔπαινον πολὺν πρὸς ὑμῶν ἀπεπορευόμεν, ἔχων δὲ δι' ὑμᾶς καὶ ὑπὸ τῶν ἄλλων Ἑλλήνων εὐκλειαν. ἐπιστευόμεν δὲ ὑπὸ Λακεδαιμονίων· οὐ γὰρ ἂν με ἔπεμπον πάλιν πρὸς ὑμᾶς. [7.6.34] νῦν δὲ ἀπέρχομαι πρὸς μὲν Λακεδαιμονίους ὑφ' ὑμῶν διαβεβλημένος, Σεύθῃ δὲ ἀπηχθημένος ὑπὲρ ὑμῶν, ὃν ἡλιζον εὖ ποιήσας μεθ' ὑμῶν ἀποστροφὴν καὶ ἐμοὶ καλὴν καὶ παισίν, εἰ γένοιτο, καταθήσεσθαι. [7.6.36] ἀλλ' ἔχετε μὲν με οὔτε φεύγοντα λαβόντες οὔτε ἀποδιδράσκοντα· ἦν δὲ ποιήσητε ἃ λέγετε, ἵστε ὅτι ἄνδρα κατακεκονότες ἔσεσθε πολλὰ μὲν δὴ πρὸ ὑμῶν ἀγρυπνήσαντα, πολλὰ δὲ σὺν ὑμῖν πονήσαντα καὶ κινδυνεύσαντα καὶ ἐν τῷ μέρει καὶ παρὰ τὸ μέρος, θεῶν δ' ἵλεων ὄντων καὶ τρόπαια βαρβάρων πολλὰ δὴ σὺν ὑμῖν στησάμενον, ὅπως δέ γε μηδενὶ τῶν Ἑλλήνων πολέμιοι γένησθε, πᾶν ὅσον ἐγὼ ἐδυνάμην πρὸς ὑμᾶς διατεινόμενον. [7.6.37] καὶ γὰρ οὖν νῦν ὑμῖν ἔξεστιν ἀνεπιλήπτως πορεύεσθαι ὅπῃ ἂν ἔλησθε καὶ κατὰ γῆν καὶ κατὰ θάλατταν. ὑμεῖς δέ, ὅτε πολλὴ ὑμῖν εὐπορία φαίνεται, καὶ πλεῖτε ἔνθα δὴ ἐπεθυμεῖτε πάλαι, δέονται τε ὑμῶν οἱ μέγιστον δυνάμενοι, μισθὸς δὲ φαίνεται, ἡγεμόνες δὲ ἡκουσι Λακεδαιμόνιοι οἱ κράτιστοι νομιζόμενοι εἶναι, νῦν δὴ καιρὸς ὑμῖν δοκεῖ εἶναι ὡς τάχιστα ἐμὲ κατακαίνειν; [7.6.38] οὐ μὴν ὅτε γε ἐν τοῖς ἀπόροις ἤμεν, ὧ πάντων μνημονικώτατοι, ἀλλὰ καὶ πατέρα ἐμὲ ἐκαλεῖτε καὶ αἰεὶ ὡς εὐεργέτου μεμνήσεσθαι ὑπισχεῖσθε. οὐ μέντοι ἀγνώμονες οὐδὲ οὗτοί εἰσιν οἱ νῦν ἦκοντες ἐφ' ὑμᾶς· ὥστε, ὡς ἐγὼ οἶμαι, οὐδὲ τούτοις δοκεῖτε βελτίονες εἶναι τοιοῦτοι ὄντες περὶ ἐμέ.» ταῦτ' εἰπὼν ἐπαύσατο.

[7.6.39] Χαρμῖνος δὲ ὁ Λακεδαιμόνιος ἀναστὰς εἶπεν· «οὐ τὼ σιώ, ἀλλ' ἐμοὶ μέντοι οὐ δικαίως δοκεῖτε τῷ ἀνδρὶ τούτῳ χαλεπαίνειν· ἔχω γὰρ καὶ αὐτὸς αὐτῷ μαρτυρῆσαι. Σεύθης γὰρ ἐρωτῶντος ἐμοῦ

[7.6.40] ἀναστὰς ἐπὶ τούτῳ Εὐρύλοχος Λουσιιάτης Ἀρκὰς εἶπεν· «καὶ δοκεῖ γέ μοι, ἄνδρες Λακεδαιμόνιοι, τοῦτο ὑμᾶς πρῶτον ἡμῶν στρατηγῆσαι, παρὰ Σεύθου ἡμῖν τὸν μισθὸν ἀναπρᾶξαι ἢ ἐκόντος ἢ ἄκοντος, καὶ μὴ πρότερον ἡμᾶς ἀπαγαγεῖν.» [7.6.41] Πολυκράτης δὲ Ἀθηναῖος εἶπεν ἐνετὸς ὑπὸ Ξενοφῶντος· «ὅρῳ γε μὴν, ἔφη, ὦ ἄνδρες, καὶ Ἡρακλείδην ἐνταῦθα παρόντα, ὃς παραλαβὼν τὰ χρήματα ἃ ἡμεῖς ἐπονήσαμεν, ταῦτα ἀποδόμενος οὔτε Σεύθῳ ἀπέδωκεν οὔτε ἡμῖν τὰ γιγνόμενα, ἀλλ' αὐτὸς κλέψας πέπαται. ἦν οὖν σωφρονῶμεν, ἐξόμεθα αὐτοῦ· οὐ γὰρ δὴ οὗτός γε, ἔφη, Θραῖξ ἐστίν, ἀλλ' Ἑλλήν ὢν Ἑλλήνας ἀδικεῖ.»

[7.6.42] ταῦτα ἀκούσας ὁ Ἡρακλείδης μάλα ἐξεπλάγῃ· καὶ προσελθὼν τῷ Σεύθῃ λέγει· «ἡμεῖς ἦν σωφρονῶμεν, ἅπιμεν ἐντεῦθεν ἐκ τῆς τούτων ἐπικρατείας.» καὶ ἀναβάντες ἐπὶ τοὺς ἵππους ὦιχοντο ἀπελαύνοντες εἰς τὸ ἐαυτῶν στρατόπεδον. [7.6.43] καὶ ἐντεῦθεν Σεύθης πέμπει Ἀβροζέλμην τὸν ἐαυτοῦ ἐρμηνέα πρὸς Ξενοφῶντα καὶ κελεύει αὐτὸν καταμεῖναι παρ' ἐαυτῷ ἔχοντα χιλίους ὀπλίτας, καὶ ὑπισχνεῖται αὐτῷ ἀποδώσειν τὰ τε χωρία τὰ ἐπὶ θαλάττῃ καὶ τὰ ἄλλα ἃ ὑπέσχετο. καὶ ἐν ἀπορρήτῳ ποιησάμενος λέγει ὅτι ἀκήκοε Πολυνίκου ὥς εἰ ὑποχείριος ἔσται Λακεδαιμονίοις, σαφῶς ἀποθανοῖτο ὑπὸ Θίβρωνος. [7.6.44] ἐπέστελλον δὲ ταῦτα καὶ ἄλλοι πολλοὶ τῷ Ξενοφῶντι ὥς διαβεβλημένος εἴη καὶ φυλάττεσθαι δέοι. ὁ δὲ ἀκούων ταῦτα δύο ἱερεῖα λαβὼν ἐθύετο τῷ Διὶ τῷ βασιλεῖ πότερά οἱ λῶιον καὶ ἄμεινον εἶη μένειν παρὰ Σεύθῃ ἐφ' οἷς Σεύθης λέγει ἢ ἀπιέναι σὺν τῷ στρατεύματι. ἀναιρεῖ αὐτῷ ἀπιέναι.

[7.7.1] ἐντεῦθεν Σεύθης μὲν ἀπεστρατοπεδεύσατο προσωπέρῳ· οἱ δὲ Ἕλληνες ἐσκήνησαν εἰς κώμας ὅθεν ἔμελλον πλεῖστα ἐπισιτισάμενοι ἐπὶ θάλατταν ἥξειν. αἱ δὲ κῶμαι αὗται ἦσαν δεδομέναι ὑπὸ Σεύθου Μηδοσάδῃ. [7.7.2] ὁρῶν οὖν ὁ Μηδοσάδης δαπανώμενα τὰ ἑαυτοῦ ἐν ταῖς κώμαις ὑπὸ τῶν Ἑλλήνων χαλεπῶς ἔφερε· καὶ λαβὼν ἄνδρα Οδρύσην δυνατώτατον τῶν ἄνωθεν καταβεβηκότων καὶ ἱππέας ὅσον τριάκοντα ἔρχεται καὶ προκαλεῖται Ξενοφῶντα ἐκ τοῦ Ἑλληνικοῦ στρατεύματος. καὶ ὃς λαβὼν τινὰς τῶν λοχαγῶν καὶ ἄλλους τῶν ἐπιτηδείων προσέρχεται. [7.7.3] ἔνθα δὲ λέγει Μηδοσάδης· «ἀδικεῖτε, ὦ Ξενοφῶν, τὰς ἡμετέρας κώμας πορθοῦντες. προλέγομεν οὖν ὑμῖν,

ἐγὼ τε ὑπὲρ Σεύθου καὶ ὅδε ἀνὴρ παρὰ Μηδόκου ἦκων τοῦ ἄνω βασιλέως, ἀπιέναι ἐκ τῆς χώρας· εἰ δὲ μή, οὐκ ἐπιτρέψομεν ὑμῖν, ἀλλ' ἐὰν ποιῆτε κακῶς τὴν ἡμετέραν χώραν, ὥς πολεμίους ἀλεξόμεθα.»

[7.7.4] ὁ δὲ Ξενοφῶν ἀκούσας ταῦτα εἶπεν· «ἀλλὰ σοὶ μὲν τοιαῦτα λέγοντι καὶ ἀποκρίνασθαι χαλεπὸν· τούτου δ' ἔνεκα τοῦ νεανίσκου λέξω, ἵν' εἰδῇ οἱοί τε ὑμεῖς ἐστε καὶ οἱοὶ ἡμεῖς. [7.7.5] ἡμεῖς μὲν γάρ, ἔφη, πρὶν ὑμῖν φίλοι γενέσθαι ἐπορευόμεθα διὰ ταύτης τῆς χώρας ὅποι ἐβουλόμεθα, ἣν μὲν ἐθέλοιμεν πορθοῦντες, [7.7.6] ἣν δὲ θέλοιμεν καίοντες, καὶ σὺ ὁπότε πρὸς ἡμᾶς ἔλθοις πρεσβεύων, ἠυλίξου τότε παρ' ἡμῖν οὐδένα φοβούμενος τῶν πολέμιων· ὑμεῖς δὲ οὐκ ἦτε εἰς τήνδε τὴν χώραν, ἢ εἰ ποτε ἔλθοιτε, ὥς ἐν κρειττόνων χώραι ἠυλίξεσθε ἐγκεχαλινωμένοις τοῖς ἵπποις. [7.7.7] ἐπεὶ δὲ ἡμῖν φίλοι ἐγένεσθε καὶ δι' ἡμᾶς σὺν θεοῖς ἔχετε τήνδε τὴν χώραν, νῦν δὴ ἐξελαύνετε ἡμᾶς ἐκ τῆσδε τῆς χώρας ἣν παρ' ἡμῶν, ἐχόντων κατὰ κράτος, παρελάβετε· ὥς γὰρ αὐτὸς οἴσθα, οἱ πολέμιοι οὐχ ἱκανοὶ ἦσαν ἡμᾶς ἐξελαύνειν. [7.7.8] καὶ οὐχ ὅπως δῶρα δοὺς καὶ εὖ ποιήσας ἀνθ' ὧν εὖ ἔπαθες ἀξιοῖς ἡμᾶς ἀποπέμψασθαι, ἀλλ' ἀποπορευομένους ἡμᾶς οὐδ' ἐναυλισθῆναι ὅσον δύνασαι ἐπιτρέπεις. [7.7.9] καὶ ταῦτα λέγων οὔτε θεοὺς αἰσχύνῃ οὔτε τόνδε τὸν ἄνδρα, ὃς νῦν μὲν σε ὀρᾷ πλουτοῦντα, πρὶν δὲ ἡμῖν φίλον γενέσθαι ἀπὸ ληιστείας τὸν βίον ἔχοντα, ὥς αὐτὸς ἔφησθα. [7.7.10] ἀτὰρ τί καὶ πρὸς ἐμὲ λέγεις ταῦτα; ἔφη· οὐ γὰρ ἔγωγ' ἔτι ἄρχω, ἀλλὰ Λακεδαιμόνιοι, οἷς ὑμεῖς παρεδώκατε τὸ στράτευμα ἀπαγαγεῖν οὐδὲν ἐμὲ παρακαλέσαντες, ὃ θαυμαστότατοι, ὅπως ὥσπερ ἀπηχθανόμην αὐτοῖς ὅτε πρὸς ὑμᾶς ἦγον, οὕτω καὶ χαρισαίμην νῦν ἀποδιδούς.»

[7.7.11] ἐπεὶ ταῦτα ἤκουσεν ὁ Ὀδρύσης, εἶπεν· «ἐγὼ μὲν, ὃ Μηδόσαδες, κατὰ τῆς γῆς καταδύομαι ὑπὸ τῆς αἰσχύνης ἀκούων ταῦτα. καὶ εἰ μὲν πρόσθεν ἠπιστάμην, οὐδ' ἂν συνηκολούθησά σοι· καὶ νῦν ἄπειμι. οὐδὲ γὰρ ἂν Μήδοκός με ὁ βασιλεὺς ἐπαινοίη, εἰ ἐξελαύνοιμι τοὺς εὐεργέτας.» [7.7.12] ταῦτ' εἰπὼν ἀναβὰς ἐπὶ τὸν ἵππον ἀπήλανε καὶ σὺν αὐτῷ οἱ ἄλλοι ἵππεῖς πλὴν τεττάρων ἢ πέντε. ὁ δὲ Μηδοσάδης (ἐλύπει γὰρ αὐτὸν ἡ χώρα πορθουμένη), ἐκέλευε τὸν Ξενοφῶντα καλέσαι τῷ Λακεδαιμονίῳ. [7.7.13] καὶ ὃς λαβὼν τοὺς ἐπιτηδειοτάτους προσῆλθε τῷ Χαρμίνῳ καὶ Πολυνίκῳ καὶ ἔλεγεν ὅτι καλεῖ αὐτοὺς Μηδοσάδης προερῶν ἅπερ αὐτῷ, ἀπιέναι ἐκ τῆς χώρας. [7.7.14] οἴομαι ἂν οὖν, ἔφη, ὑμᾶς ἀπολαβεῖν τῇ στρατιᾷ τὸν

ὀφειλόμενον μισθόν, εἰ εἶποιτε ὅτι δεδέσθαι ὑμῶν ἡ στρατιὰ συναναπρᾶξαι τὸν μισθὸν ἢ παρ' ἐκόντος ἢ παρ' ἄκοντος Σεύθου, καὶ ὅτι τούτων τυχόντες προθύμως ἂν συνέπεσθαι ὑμῖν φασί· καὶ ὅτι δίκαια ὑμῖν δοκοῦσι λέγειν· καὶ ὅτι ὑπέσχεσθε αὐτοῖς τότε ἀπιέναι ὅταν τὰ δίκαια ἔχωσιν οἱ στρατιῶται. [7.7.15] ἀκούσαντες οἱ Λάκωνες ταῦτα ἔφασαν ἐρεῖν καὶ ἄλλα ὅποια ἂν δύνωνται κράτιστα· καὶ εὐθὺς ἐπορεύοντο ἔχοντες πάντας τοὺς ἐπικαιρίους. ἐλθὼν δὲ ἔλεξε Χαρμῖνος· «εἰ μὲν σύ τι ἔχεις, ὦ Μηδόσαδες, πρὸς ἡμᾶς λέγειν, εἰ δὲ μή, ἡμεῖς πρὸς σὲ ἔχομεν.» [7.7.16] ὁ δὲ Μηδοσάδης μάλα δὴ ὑφειμένως· «ἀλλ' ἐγὼ μὲν λέγω, ἔφη, καὶ Σεύθης τὰ αὐτά, ὅτι ἀξιοῦμεν τοὺς φίλους ἡμῖν γεγεννημένους μὴ κακῶς πάσχειν ὑφ' ὑμῶν. ὅ τι γὰρ ἂν τούτους κακῶς ποιῆτε ἡμᾶς ἤδη ποιεῖτε· ἡμέτεροι γάρ εἰσιν.» [7.7.17] «ἡμεῖς τοίνυν, ἔφασαν οἱ Λάκωνες, ἀπίοιμεν ἂν ὁπότε τὸν μισθὸν ἔχοιεν οἱ ταῦτα ὑμῖν καταπράξαντες· εἰ δὲ μή, ἐρχόμεθα μὲν καὶ νῦν βοηθήσοντες τούτοις καὶ τιμωρησόμενοι ἄνδρας οἱ τούτους παρὰ τοὺς ὅρκους ἠδίκησαν. ἦν δὲ δὴ καὶ ὑμεῖς τοιοῦτοι ἦτε, ἐνθὲνδε ἀρξόμεθα τὰ δίκαια λαμβάνειν.» [7.7.18] ὁ δὲ Ξενοφῶν εἶπεν· «ἐθέλοιτε ἂν τούτοις, ὦ Μηδόσαδες, ἐπιτρέψαι, ἐπειδὴ φίλους ἔφατε εἶναι ὑμῖν, ἐν ὧν τῇ χώρᾳ ἐσμέν, ὁπότερ' ἂν ψηφίσωνται, εἴθ' ὑμᾶς προσῆκεν ἐκ τῆς χώρας ἀπιέναι εἴθ' ἡμᾶς;» [7.7.19] ὁ δὲ ταῦτα μὲν οὐκ ἔφη· ἐκέλευε δὲ μάλιστα μὲν αὐτῷ τῷ Λάκωνε ἐλθεῖν παρὰ Σεύθην περὶ τοῦ μισθοῦ, καὶ οἶεσθαι ἂν Σεύθην πεῖσαι· εἰ δὲ μή, Ξενοφῶντα σὺν αὐτῷ πέμπειν, καὶ συμπράξειν ὑπισχνεῖτο. ἐδεῖτο δὲ τὰς κόμας μὴ καίειν.

[7.7.20] ἐντεῦθεν πέμπουσι Ξενοφῶντα καὶ σὺν αὐτῷ οἱ ἐδόκουν ἐπιτηδειότατοι εἶναι. ὁ δὲ ἐλθὼν λέγει πρὸς Σεύθην· «οὐδὲν ἀπαιτήσων, ὦ Σεύθη, πάρειμι, ἀλλὰ διδάξων, ἦν δύνωμαι, [7.7.21] ὥς οὐ δικαίως μοι ἠχθέσθης ὅτι ὑπὲρ τῶν στρατιωτῶν ἀπήτητον σε προθύμως ἃ ὑπέσχου αὐτοῖς· σοὶ γὰρ ἔγωγε οὐχ ἦττον ἐνόμιζον σύμφορον εἶναι ἀποδοῦναι ἢ ἐκείνοις ἀπολαβεῖν. [7.7.22] πρῶτον μὲν γὰρ οἶδα μετὰ τοὺς θεοὺς εἰς τὸ φανερόν σε τούτους καταστήσαντας, ἐπεὶ γε βασιλέα σε ἐποίησαν πολλῆς χώρας καὶ πολλῶν ἀνθρώπων· ὥστε οὐχ οἷόν τέ σοι λανθάνειν οὔτε ἦν τι καλὸν οὔτε ἦν τι αἰσχρὸν ποιήσης. [7.7.23] τοιούτῳ δὲ ὄντι ἀνδρὶ μέγα μὲν μοι ἐδόκει εἶναι μὴ δοκεῖν ἀχαρίστως ἀποπέμψασθαι ἄνδρας εὐεργέτας, μέγα δὲ εὖ ἀκούειν ὑπὸ ἐξακισχιλίων ἀνθρώπων, τὸ δὲ μέγιστον μηδαμῶς ἄπιστον σαυτὸν καταστήσαι ὅ τι λέγοις. [7.7.24] ὁρῶ γὰρ τῶν μὲν

ἀπίστων ματαίους καὶ ἀδυνάτους καὶ ἀτίμους τοὺς λόγους
πλανωμένους· οἱ δ' ἂν φανεροὶ ᾧσιν ἀλήθειαν ἀσκοῦντες, τούτων οἱ
λόγοι, ἦν τι δέωνται, οὐδὲν μείον δύνανται ἀνύσασθαι ἢ ἄλλων ἡ
βία· ἦν τέ τινας σωφρονίζειν βούλονται, γινώσκω τὰς τούτων
ἀπειλὰς οὐχ ἥττον σωφρονιζούσας ἢ ἄλλων τὸ ἤδη κολάζειν· ἦν τέ
τῇ τι ὑπισχνῶνται οἱ τοιοῦτοι ἄνδρες, οὐδὲν μείον διαπράττονται ἢ
ἄλλοι παραχρῆμα διδόντες· [7.7.25] ἀναμνήσθητι δὲ καὶ σὺ τί
προτελέσας ἡμῖν συμμάχους ἡμᾶς ἔλαβες. οἶσθ' ὅτι οὐδέν· ἀλλὰ
πιστευθεὶς ἀληθεύσειν ἃ ἔλεγες ἐπῆρας τοσοῦτους ἀνθρώπους
συστρατεύεσθαι τε καὶ κατεργάσασθαι σοι ἀρχὴν οὐ τριάκοντα
μόνον ἀξίαν τάλαντων, ὅσα οἶονται δεῖν οὗτοι νῦν ἀπολαβεῖν, ἀλλὰ
πολλαπλασίον. [7.7.26] οὐκοῦν τοῦτο μὲν πρῶτον τὸ πιστεῦεσθαι, τὸ
καὶ τὴν βασιλείαν σοι κατεργασάμενον, τούτων τῶν χρημάτων
πιπράσκεται. [7.7.27] ἴθι δὴ ἀναμνήσθητι πῶς μέγα ἡγοῦ τότε
καταπρᾶξις ἃ νῦν καταστρεψάμενος ἔχεις. ἐγὼ μὲν εὖ οἶδ' ὅτι ἡῤῥω
ἂν τὰ νῦν πεπραγμένα μᾶλλον σοι καταπραχθῆναι ἢ πολλαπλάσια
τούτων τῶν χρημάτων γενέσθαι. [7.7.28] ἐμοὶ τοίνυν μείζον βλάβος καὶ
αἴσχιον δοκεῖ εἶναι τὸ ταῦτα νῦν μὴ κατασχεῖν ἢ τότε μὴ λαβεῖν,
ὅσωιπερ χαλεπώτερον ἐκ πλουσίου πένητα γενέσθαι ἢ ἀρχὴν μὴ
πλουτῆσαι, καὶ ὅσωι λυπηρότερον ἐκ βασιλέως ιδιώτην φανῆναι ἢ
ἀρχὴν μὴ βασιλεῦσαι. [7.7.29] οὐκοῦν ἐπίστασαι μὲν ὅτι οἱ νῦν σοι
ὑπήκοοι γενόμενοι οὐ φιλαίᾳ τῇ σῇ ἐπείσθησαν ὑπὸ σοῦ ἄρχεσθαι
ἀλλ' ἀνάγκῃ, καὶ ὅτι ἐπιχειροῖεν ἂν πάλιν ἐλευθέροι γίγνεσθαι, εἰ μὴ
τις αὐτοὺς φόβος κατέχοι. [7.7.30] ποτέρως οὖν οἶει μᾶλλον ἂν
φοβεῖσθαι τε αὐτοὺς καὶ σωφρονεῖν τὰ πρὸς σέ, εἰ ὁρᾶῖεν σοι τοὺς
στρατιώτας οὕτω διακειμένους ὥς νῦν τε μένοντας ἂν, εἰ σὺ
κελεύοις, αὐθὶς τ' ἂν ταχὺ ἐλθόντας, εἰ δέοι, ἄλλους τε τούτων περὶ
σοῦ ἀκούοντας πολλὰ ἀγαθὰ ταχὺ ἂν σοι ὁπότε βούλοιο
παραγενέσθαι, ἢ εἰ καταδοξάσειαν μήτ' ἂν ἄλλους σοι ἐλθεῖν δι'
ἀπιστίαν ἐκ τῶν νῦν γεγενημένων τούτους τε αὐτοῖς εὐνουστέρους
εἶναι ἢ σοί; [7.7.31] ἀλλὰ μὴν οὐδὲ πλήθει γε ἡμῶν λειφθέντες ὑπεῖξάν
σοι, ἀλλὰ προστατῶν ἀπορία. οὐκοῦν νῦν καὶ τοῦτο κίνδυνος μὴ
λάβωσι προστάτας αὐτῶν τινας τούτων οἱ νομίζουσιν ὑπὸ σοῦ
ἀδικεῖσθαι, ἢ καὶ τούτων κρείττονας τοὺς Λακεδαιμονίους, ἐὰν μὲν
οἱ στρατιῶται ὑπισχνῶνται προθυμότερον αὐτοῖς συστρατεύσεσθαι,
ἂν τὰ παρὰ σοῦ νῦν ἀναπράξωσιν, οἱ δὲ Λακεδαιμόνιοι διὰ τὸ
δεῖσθαι τῆς στρατιᾶς συναινέσωσιν αὐτοῖς ταῦτα. [7.7.32] ὅτι γε μὴν οἱ

νῦν ὑπὸ σοὶ Θραῖκες γενόμενοι πολὺ ἂν προθυμότερον ἴοιεν ἐπὶ σε ἢ
σὺν σοὶ οὐκ ἄδηλον· σοῦ μὲν γὰρ κρατοῦντος δουλεία ὑπάρχει
αὐτοῖς, κρατουμένου δέ σου ἐλευθερία. [7.7.33] εἰ δὲ καὶ τῆς χώρας
προνοεῖσθαι ἥδη τι δεῖ ὡς σῆς οὔσης, ποτέρως ἂν οἶει ἀπαθῆ κακῶν
μᾶλλον αὐτὴν εἶναι, εἰ οὗτοι οἱ στρατιῶται ἀπολαβόντες ἃ
ἐγκαλοῦσιν εἰρήνην καταλιπόντες οἴχονται, ἢ εἰ οὗτοί τε μένοιεν ὡς
ἐν πολεμίαι σὺ τε ἄλλους πειρῶιο πλέονας τούτων ἔχων
ἀντιστρατοπεδεύεσθαι δεομένους τῶν ἐπιτηδείων; [7.7.34] ἀργύριον δὲ
ποτέρως ἂν πλεόν ἀναλωθεῖη, εἰ τούτοις τὸ ὀφειλόμενον ἀποδοθεῖη,
ἢ εἰ ταῦτά τε ὀφείλοιντο ἄλλους τε κρείττονας δέοι σε μισθοῦσθαι;
[7.7.35] ἀλλὰ γὰρ Ἡρακλείδῃ, ὡς πρὸς ἐμὲ ἐδήλου, πάμπολυ δοκεῖ
τοῦτο τὸ ἀργύριον εἶναι. ἢ μὴν πολὺ γέ ἐστιν ἔλαττον νῦν σοὶ καὶ
λαβεῖν τοῦτο καὶ ἀποδοῦναι ἢ πρὶν ἡμᾶς ἐλθεῖν πρὸς σὲ δέκατον
τούτου μέρος. [7.7.36] οὐ γὰρ ἀριθμὸς ἐστὶν ὁ ὀρίζων τὸ πολὺ καὶ τὸ
ὀλίγον, ἀλλ' ἡ δύναμις τοῦ τε ἀποδιδόντος καὶ λαμβάνοντος. σοὶ δὲ
νῦν ἢ κατ' ἐνιαυτὸν πρόσοδος πλείων ἔσται ἢ ἔμπροσθεν τὰ παρόντα
πάντα ἃ ἐκέκτησο. [7.7.37] ἐγὼ μὲν, ὦ Σεύθῃ, ταῦτα ὡς φίλου ὄντος
σου προυνοοῦμην, ὅπως σὺ τε ἄξιος δοκοῖης εἶναι ὧν οἱ θεοὶ σοὶ
ἔδωκαν ἀγαθῶν ἐγὼ τε μὴ διαφθαρεῖν ἐν τῇ στρατιᾷ. [7.7.38] εὖ γὰρ
ἴσθι ὅτι νῦν ἐγὼ οὗτ' ἂν ἐχθρὸν βουλόμενος κακῶς ποιῆσαι
δυνηθεῖν σὺν ταύτῃ τῇ στρατιᾷ οὗτ' ἂν εἴ σοι πάλιν βουλοίμην
βοηθῆσαι, ἱκανὸς ἂν γενοίμην. οὕτω γὰρ πρὸς με ἡ στρατιὰ
διάκειται. [7.7.39] καίτοι αὐτόν σε μάρτυρα σὺν θεοῖς εἰδόσι ποιοῦμαι
ὅτι οὔτε ἔχω παρὰ σοῦ ἐπὶ τοῖς στρατιώταις οὐδὲν οὔτε ἥτιςσα
πώποτε εἰς τὸ ἴδιον τὰ ἐκείνων οὔτε ἃ ὑπέσχου μοι ἀπῆιτησα· [7.7.40]
ὁμνυμι δέ σοι μηδὲ ἀποδιδόντος δέξασθαι ἂν, εἰ μὴ καὶ οἱ στρατιῶται
ἔμελλον τὰ ἑαυτῶν συναπολαμβάνειν. αἰσchrὸν γὰρ ἦν τὰ μὲν ἐμὰ
διαπεπρᾶχθαι, τὰ δ' ἐκείνων περιδεῖν κακῶς ἔχοντα ἄλλως τε καὶ
τιμώμενον ὑπ' ἐκείνων. [7.7.41] καίτοι Ἡρακλείδῃ γε λῆρος πάντα
δοκεῖ εἶναι πρὸς τὸ ἀργύριον ἔχειν ἐκ παντὸς τρόπου· ἐγὼ δέ, ὦ
Σεύθῃ, οὐδὲν νομίζω ἀνδρὶ ἄλλως τε καὶ ἄρχοντι κάλλιον εἶναι
κτῆμα οὐδὲ λαμπρότερον ἀρετῆς καὶ δικαιοσύνης καὶ γενναιότητος.
[7.7.42] ὁ γὰρ ταῦτα ἔχων πλουτεῖ μὲν ὄντων φίλων πολλῶν, πλουτεῖ δὲ
ἄλλων βουλομένων γενέσθαι, καὶ εὖ μὲν πράττων ἔχει τοὺς
συνησθησομένους, ἐὰν δέ τι σφαλῇ, οὐ σπανίζει τῶν βοηθησόντων.
[7.7.43] ἀλλὰ γὰρ εἰ μήτε ἐκ τῶν ἔργων κατέμαθες ὅτι σοὶ ἐκ τῆς ψυχῆς
φίλος ἦν, μήτε ἐκ τῶν ἐμῶν λόγων δύνασαι τοῦτο γινῶναι, ἀλλὰ τοὺς

τῶν στρατιωτῶν λόγους πάντας κατανόησον· παρῆσθα γὰρ καὶ ἤκουες ἃ ἔλεγον οἱ ψέγειν ἐμὲ βουλόμενοι. [7.7.44] κατηγοροῦν γάρ μου πρὸς Λακεδαιμονίους ὥς σὲ περὶ πλείονος ποιοίμην ἢ Λακεδαιμονίους, αὐτοὶ δ' ἐνεκάλουν ἐμοὶ ὥς μᾶλλον μέλει μοι ὅπως τὰ σὰ καλῶς ἔχοι ἢ ὅπως τὰ ἑαυτῶν· ἔφασαν δέ με καὶ δῶρα ἔχειν παρὰ σοῦ. [7.7.45] καίτοι τὰ δῶρα ταῦτα πότερον οἶει αὐτοὺς κακόνοιάν τινα ἐνιδόντας μοι πρὸς σὲ αἰτιᾶσθαι με ἔχειν παρὰ σοῦ ἢ προθυμίαν πολλὴν περὶ σὲ κατανόησαντας; [7.7.46] ἐγὼ μὲν οἶμαι πάντας ἀνθρώπους νομίζειν εὖνοιαν δεῖν ἀποδείκνυσθαι τούτῳ παρ' οὗ ἂν δῶρά τις λαμβάνῃ. σὺ δὲ πρὶν μὲν ὑπηρετῆσαι τί σοι ἐμὲ ἐδέξω ἡδέως καὶ ὄμμασι καὶ φωνῇ καὶ ξενίοις καὶ ὅσα ἔσοιτο ὑπισχνούμενος οὐκ ἐνεπίμπλασο· ἐπεὶ δὲ κατέπραξας ἃ ἐβούλου καὶ γεγένησαι ὅσον ἐγὼ ἐδυνάμην μέγιστος, νῦν οὕτω με ἄτιμον ὄντα ἐν τοῖς στρατιώταις τολμᾷς περιορᾶν; [7.7.47] ἀλλὰ μὴν ὅτι σοι δόξει ἀποδοῦναι πιστεύω καὶ τὸν χρόνον διδάξῃ σε καὶ αὐτόν γέ σε οὐχὶ ἀνέξεσθαι τοὺς σοὶ προεμένους εὐεργεσίαν ὀρῶντά σοι ἐγκαλοῦντας. δέομαι οὖν σου, ὅταν ἀποδιδῶς, προθυμῆσθαι ἐμὲ παρὰ τοῖς στρατιώταις τοιοῦτον ποιῆσαι οἷόνπερ καὶ παρέλαβες.»

[7.7.48] ἀκούσας ταῦτα ὁ Σεύθης κατηράσατο τῷ αἰτίῳ τοῦ μὴ πάλαι ἀποδεδόσθαι τὸν μισθόν· καὶ πάντες Ἡρακλείδην τοῦτον ὑπόπτευσαν εἶναι· «ἐγὼ γάρ, ἔφη, οὔτε διενόηθην πώποτε ἀποστερῆσαι ἀποδώσω τε.» [7.7.49] ἐντεῦθεν πάλιν εἶπεν ὁ Ξενοφῶν· «ἐπεὶ τοίνυν διανοῇ ἀποδιδόναι, νῦν ἐγὼ σου δέομαι δι' ἐμοῦ ἀποδοῦναι, καὶ μὴ περιδεῖν με διὰ σὲ ἀνομοίως ἔχοντα ἐν τῇ στρατιᾷ νῦν τε καὶ ὅτε πρὸς σὲ ἀφικόμεθα.» [7.7.50] ὁ δ' εἶπεν· «ἀλλ' οὐτ' ἐν τοῖς στρατιώταις ἔσει δι' ἐμὲ ἀτιμότερος ἂν τε μένης παρ' ἐμοὶ χιλίους μόνους ὀπλίτας ἔχων, ἐγὼ σοι τά τε χωρία ἀποδώσω καὶ τᾶλλα ἃ ὑπεσχόμην.» [7.7.51] ὁ δὲ πάλιν εἶπε· «ταῦτα μὲν ἔχειν οὕτως οὐχ οἷόν τε· ἀπόπεμπε δὲ ἡμᾶς.» «καὶ μὴν, ἔφη ὁ Σεύθης, καὶ ἀσφαλέστερόν γέ σοι οἶδα ὄν παρ' ἐμοὶ μένειν ἢ ἀπιέναι.» [7.7.52] ὁ δὲ πάλιν εἶπεν· «ἀλλὰ τὴν μὲν σὴν πρόνοιαν ἐπαινῶ· ἐμοὶ δὲ μένειν οὐχ οἷόν τε· ὅπου δ' ἂν ἐγὼ ἐντιμότερος ᾶ, νόμιζε καὶ σοὶ τοῦτο ἀγαθὸν ἔσεσθαι.» [7.7.53] ἐντεῦθεν λέγει Σεύθης· «ἀργύριον μὲν οὐκ ἔχω ἀλλ' ἢ μικρόν τι, καὶ τοῦτό σοι δίδωμι, τάλαντον· βοῦς δὲ ἑξακοσίους καὶ πρόβατα εἰς τετρακισχίλια καὶ ἀνδράποδα εἰς εἴκοσι καὶ ἑκατόν. ταῦτα λαβὼν καὶ τοὺς τῶν ἀδικησάντων σε ὁμήρους προσλαβὼν ἄπιθι.» [7.7.54] γελάσας ὁ Ξενοφῶν εἶπεν· «ἦν οὖν μὴ ἐξικνῆται ταῦτ'

εἰς τὸν μισθόν, τίνος τάλαντον φήσω ἔχειν; ἄρ' οὐκ, ἐπειδὴ καὶ ἐπικίνδυνόν μοί ἐστιν, ἀπιόντα γε ἄμεινον φυλάττεσθαι πέτρους; ἦκουες δὲ τὰς ἀπειλάς.» τότε μὲν δὴ αὐτοῦ ἔμεινε.

[7.7.55] τῇ δ' ὑστεραίαι ἀπέδωκέ τε αὐτοῖς ἃ ὑπέσχετο καὶ τοὺς ἑλῶντας συνέπεμψεν. οἱ δὲ στρατιῶται τέως μὲν ἔλεγον ὡς ὁ Ξενοφῶν οἴχοιτο ὡς Σεύθην οἰκήσων καὶ ἃ ὑπέσχετο αὐτῷ ληγόμενος· ἐπεὶ δὲ εἶδον, ἤσθησαν καὶ προσέθεον. [7.7.56] Ξενοφῶν δ' ἐπεὶ εἶδε Χαρμῖνόν τε καὶ Πολύνικον· «ταῦτα, ἔφη, σέσωσται δι' ὑμᾶς τῇ στρατιᾷ καὶ παραδίδωμι αὐτὰ ἐγὼ ὑμῖν· ὑμεῖς δὲ διαθέμενοι διάδοτε τῇ στρατιᾷ.» οἱ μὲν οὖν παραλαβόντες καὶ λαφυροπώλας καταστήσαντες ἐπώλουν, καὶ πολλὴν εἶχον αἰτίαν. [7.7.57] Ξενοφῶν δὲ οὐ προσήκει, ἀλλὰ φανερός ἦν οἴκαδε παρασκευαζόμενος· οὐ γάρ πω ψῆφος αὐτῷ ἐπῆκτο Ἀθήνησι περὶ φυγῆς. προσελθόντες δὲ αὐτῷ οἱ ἐπιτήδειοι ἐν τῷ στρατοπέδῳ ἐδέοντο μὴ ἀπελθεῖν πρὶν ἀπαγάγοι τὸ στράτευμα καὶ Θίβρωνι παραδοίῃ.

[7.8.1] ἐντεῦθεν διέπλευσαν εἰς Λάμψακον, καὶ ἀπαντᾷ τῷ Ξενοφῶντι Εὐκλείδης μάντις Φλειάσιος ὁ Κλεαγόρου υἱὸς τοῦ τὰ ἐντοίχια ἐν Λυκείῳ γεγραφότος. οὗτος συνήδετο τῷ Ξενοφῶντι ὅτι ἐσέσωστο, καὶ ἡρώτα αὐτὸν πόσον χρυσίον ἔχοι. [7.8.2] ὁ δ' αὐτῷ ἐπομόσας εἶπεν ἥ μὴν ἔσεσθαι μηδὲ ἐφόδιον ἱκανὸν οἴκαδε ἀπιόντι, εἰ μὴ ἀπόδοιτο τὸν ἵππον καὶ ἃ ἄμφ' αὐτὸν εἶχεν. [7.8.3] ὁ δ' αὐτῷ οὐκ ἐπίστευεν. ἐπεὶ δ' ἔπεμψαν Λαμψακηνοὶ ξένια τῷ Ξενοφῶντι καὶ ἔθυε τῷ Ἀπόλλωνι, παρεστήσατο τὸν Εὐκλείδην· ἰδὼν δὲ τὰ ἱερὰ ὁ Εὐκλείδης εἶπεν ὅτι πείθοιτο αὐτῷ μὴ εἶναι χρήματα. «ἀλλ' οἶδα, ἔφη, ὅτι κἂν μέλλῃ ποτὲ ἔσεσθαι, φαίνεται τι ἐμπόδιον, ἂν μηδὲν ἄλλο, σὺ σαυτῷ.» συνωμολόγει ταῦτα ὁ Ξενοφῶν. [7.8.4] ὁ δὲ εἶπεν· «ἐμπόδιος γάρ σοι ὁ Ζεὺς ὁ μειλίχιός ἐστι», καὶ ἐπήρετο εἰ ἤδη θύσειεν, «ὥσπερ οἴκοι, ἔφη, εἰώθειν ἐγὼ ὑμῖν θύεσθαι καὶ ὀλοκαυτεῖν.» ὁ δ' οὐκ ἔφη ἐξ ὅτου ἀπεδήμησε τεθυκέναι τούτῳ τῷ θεῷ. συνεβούλευσεν οὖν αὐτῷ θύεσθαι καθὰ εἰώθει, καὶ ἔφη συνοίσειν ἐπὶ τὸ βέλτιον. [7.8.5] τῇ δὲ ὑστεραίαι Ξενοφῶν προσελθὼν εἰς Ὀφρύνιον ἐθύετο καὶ ὠλοκαύτει χοίρους τῷ πατρίῳ νόμῳ, καὶ ἐκαλλιέρει. [7.8.6] καὶ ταύτῃ τῇ ἡμέρᾳ ἀφικνεῖται Βίων καὶ Ναυσικλείδης χρήματα δώσοντες τῷ στρατεύματι, καὶ ξενοῦνται τῷ Ξενοφῶντι καὶ ἵππον ὃν ἐν Λαμψάκῳ ἀπέδοτο πεντήκοντα δαρεικῶν, ὑποπτεύοντες αὐτὸν δι' ἔνδειαν πεπρακέναι, ὅτι ἦκουον

αὐτὸν ἦδεσθαι τῷ ἵππῳ, λυσάμενοι ἀπέδοσαν καὶ τὴν τιμὴν οὐκ ἠθελον ἀπολαβεῖν. [7.8.7] ἐντεῦθεν ἐπορεύοντο διὰ τῆς Τρωιάδος, καὶ ὑπερβάντες τὴν Ἰδην εἰς Ἄντανδρον ἀφικνοῦνται πρῶτον, εἶτα παρὰ θάλατταν πορευόμενοι [τῆς Ἀσίας] εἰς Θήβης πεδίον. [7.8.8] ἐντεῦθεν δι' Ἀδραμυττίου καὶ Κερτωνοῦ ὁδεύσαντες εἰς Καΐκου πεδίον ἐλθόντες Πέργαμον καταλαμβάνουσι τῆς Μυσίας. ἐνταῦθα δὴ ξενοῦται Ξενοφῶν Ἑλλάδι τῇ Γογγύλου τοῦ Ἑρετριέως γυναικὶ καὶ Γοργίωνος καὶ Γογγύλου μητρί. [7.8.9] αὕτη δ' αὐτῷ φράζει ὅτι Ἀσιδάτης ἐστὶν ἐν τῷ πεδίῳ ἀνὴρ Πέρσης· τοῦτον ἔφη αὐτόν, εἰ ἔλθοι τῆς νυκτὸς σὺν τριακοσίοις ἀνδράσι, λαβεῖν ἂν καὶ αὐτὸν καὶ γυναῖκα καὶ παῖδας καὶ τὰ χρήματα· εἶναι δὲ πολλά. ταῦτα δὲ καθηγησομένους ἔπεμψε τὸν τε αὐτῆς ἀνεψιὸν καὶ Δαφναγόραν, ὃν περὶ πλείστου ἐποίειτο. [7.8.10] ἔχων οὖν ὁ Ξενοφῶν τούτους παρ' ἑαυτῷ ἐθύετο. καὶ Βασίας ὁ Ἥλειος μάντις παρὼν εἶπεν ὅτι κάλλιστα εἴη τὰ ἱερὰ αὐτῷ καὶ ὁ ἀνὴρ ἀλώσιμος εἴη. [7.8.11] δειπνήσας οὖν ἐπορεύετο τοὺς τε λοχαγοὺς τοὺς μάλιστα φίλους λαβὼν καὶ .. πιστοὺς γεγεννημένους διὰ παντός, ὅπως εὖ ποιῆσαι αὐτούς. συνεξέρχονται δὲ αὐτῷ καὶ ἄλλοι βιασάμενοι εἰς ἑξακοσίους· οἱ δὲ λοχαγοὶ ἀπήλαινον, ἵνα μὴ μεταδοῖεν τὸ μέρος, ὥς ἐτοίμων δὴ χρημάτων. [7.8.12] ἐπεὶ δὲ ἀφίκοντο περὶ μέσας νύκτας, τὰ μὲν πέριξ ὄντα ἀνδράποδα τῆς τύρσιος καὶ χρήματα τὰ πλείστα ἀπέδρα αὐτοὺς παραμελοῦντας, ὥς τὸν Ἀσιδάτην αὐτὸν λάβοιεν καὶ τὰ ἐκείνου. [7.8.13] πυργομαχοῦντες δὲ ἐπεὶ οὐκ ἐδύναντο λαβεῖν τὴν τύρσιν (ὕψηλὴ γάρ ἦν καὶ μεγάλη καὶ προμαχεῶνας καὶ ἄνδρας πολλοὺς καὶ μαχίμους ἔχουσα), διορύττειν ἐπεχείρησαν τὸν πύργον. [7.8.14] ὁ δὲ τοῖχος ἦν ἐπ' ὀκτῶ πλίνθων γήινων τὸ εὖρος. ἅμα δὲ τῇ ἡμέρᾳ διωρόρυκτο· καὶ ὥς τὸ πρῶτον διεφάνη, ἐπάταξεν ἔνδοθεν βουπόρῳ τις ὀβελίσκῳ διαμπερὲς τὸν μηρὸν τοῦ ἐγγυτάτω· τὸ δὲ λοιπὸν ἐκτοξεύοντες ἐποίουν μὴδὲ παριέναι ἔτι ἀσφαλὲς εἶναι. [7.8.15] κεκραγόντων δὲ αὐτῶν καὶ πυρσευόντων ἐκβοηθοῦσιν Ἰταμένης μὲν ἔχων τὴν ἑαυτοῦ δύναμιν, ἐκ Κομανίας δὲ ὀπλίται Ἀσύριοι καὶ Ὑρκάνιοι ἱππεῖς καὶ οὗτοι βασιλέως μισθοφόροι ὥς ὀγδοήκοντα, καὶ ἄλλοι πελτασταὶ εἰς ὀκτακοσίους, ἄλλοι δ' ἐκ Παρθενίου, ἄλλοι δ' ἐξ Ἀπολλωνίας καὶ ἐκ τῶν πλησίον χωρίων καὶ ἱππεῖς. [7.8.16] ἐνταῦθα δὴ ὥρα ἦν σκοπεῖν πῶς ἔσται ἡ ἀφοδος· καὶ λαβόντες ὅσοι ἦσαν βόες καὶ πρόβατα ἤλαινον καὶ ἀνδράποδα ἐντὸς πλαισίου ποιησάμενοι, οὐ τοῖς χρήμασιν ἔτι προσέχοντες τὸν νοῦν, ἀλλὰ μὴ φυγὴ εἴη ἢ

ἄφοδος, εἰ καταλιπόντες τὰ χρήματα ἀπίοιεν, καὶ οἱ τε πολέμιοι θρασύτεροι εἶεν καὶ οἱ στρατιῶται ἄθυμότεροι· νῦν δὲ ἀπῆισαν ὡς περὶ τῶν χρημάτων μαχούμενοι. [7.8.17] ἐπεὶ δὲ ἑώρα Γογγύλος ὀλίγους μὲν τοὺς Ἕλληνας, πολλοὺς δὲ τοὺς ἐπικειμένους, ἐξέρχεται καὶ αὐτὸς βίαι τῆς μητρὸς ἔχων τὴν ἑαυτοῦ δύναμιν, βουλόμενος μετασχεῖν τοῦ ἔργου· συνεβοήθει δὲ καὶ Προκλῆς ἐξ Ἀλισάρνης καὶ Τευθρανίας ὁ ἀπὸ Δαμαράτου. [7.8.18] οἱ δὲ περὶ Ξενοφῶντα ἐπεὶ πάνυ ἤδη ἐπιέζοντο ὑπὸ τῶν τοξευμάτων καὶ σφενδονῶν, πορευόμενοι κύκλῳ, ὅπως τὰ ὅπλα ἔχοιεν πρὸ τῶν τοξευμάτων, μόλις διαβαίνουσι τὸν Κάρκασον ποταμόν, τετρωμένοι ἐγγὺς οἱ ἡμίσεις. [7.8.19] ἐνταῦθα δὲ Ἀγασίας ὁ Στυμφάλιος λοχαγὸς τιτρώσκεται, τὸν πάντα χρόνον μαχόμενος πρὸς τοὺς πολεμίους. καὶ διασπίζονται ἀνδράποδα ὡς διακόσια ἔχοντες καὶ πρόβατα ὅσον θύματα. [7.8.20] τῇ δὲ ὑστεραίᾳ θυσάμενος ὁ Ξενοφῶν ἐξάγει νύκτωρ πᾶν τὸ στράτευμα, ὅπως ὅτι μακροτάτην ἔλθοι τῆς Λυδίας, εἰς τὸ μὴ διὰ τὸ ἐγγὺς εἶναι φοβεῖσθαι, ἀλλ' ἀφυλακτεῖν. [7.8.21] ὁ δὲ Ἀσιδάτης ἀκούσας ὅτι πάλιν ἐπ' αὐτὸν τεθυμένος εἶη ὁ Ξενοφῶν καὶ παντὶ τῷ στρατεύματι ἦξοι, ἐξαυλίζεται εἰς κώμας ὑπὸ τὸ Παρθένιον πόλισμα ἐχούσας. [7.8.22] ἐνταῦθα οἱ περὶ Ξενοφῶντα συντυγχάνουσιν αὐτῷ καὶ λαμβάνουσιν αὐτὸν καὶ γυναῖκα καὶ παῖδας καὶ τοὺς ἵππους καὶ πάντα τὰ ὄντα· καὶ οὕτω τὰ πρότερα ἱερὰ ἀπέβη. [7.8.23] ἔπειτα πάλιν ἀφικνοῦνται εἰς Πέργαμον. ἐνταῦθα τὸν θεὸν ἠσπάσατο Ξενοφῶν· συνέπραπτον γὰρ καὶ οἱ Λάκωνες καὶ οἱ λοχαγοὶ καὶ οἱ ἄλλοι στρατηγοὶ καὶ οἱ στρατιῶται ὥστ' ἐξαίρετα λαβεῖν καὶ ἵππους καὶ ζεύγη καὶ τᾶλλα· ὥστε ἱκανὸν εἶναι καὶ ἄλλον ἤδη εὖ ποιεῖν. [7.8.24] ἐν τούτῳ Θίβρων παραγενόμενος παρέλαβε τὸ στράτευμα καὶ συμμείζας τῷ ἄλλῳ Ἑλληνικῷ ἐπολέμει πρὸς Τισσαφέρην καὶ Φαρνάβαζον.

[7.8.25] [ἄρχοντες δὲ οἶδε τῆς βασιλέως χώρας ὅσῃν ἐπῆλθομεν. [1.1.1] Ἐννοιά ποθ' ἡμῖν ἐγένετο ὅσαι δημοκρατίαι κατελύθησαν ὑπὸ τῶν ἄλλως πως βουλομένων πολιτεύεσθαι μᾶλλον ἢ ἐν δημοκρατίαι, ὅσαι τ' αὖ μοναρχίαι, ὅσαι τε ὀλιγαρχίαι ἀνήγηνται ἤδη ὑπὸ δῆμων, καὶ ὅσοι τυραννεῖν ἐπιχειρήσαντες οἱ μὲν αὐτῶν καὶ ταχὺ πάνπαν κατελύθησαν, οἱ δὲ κἂν ὅποσονοῦν χρόνον ἄρχοντες διαγέγονται, θαυμάζονται ὡς σοφοί τε καὶ εὐτυχεῖς ἄνδρες γεγενημένοι. πολλοὺς δ' ἐδοκοῦμεν καταμεμαθηκέναι καὶ ἐν ἰδίῳ οἴκοις τοὺς μὲν ἔχοντας καὶ πλείονας οἰκέτας, τοὺς δὲ καὶ πάνν ὀλίγους, καὶ ὁμῶς οὐδὲ τοῖς ὀλίγοις τούτοις πάνν τι δυναμένους χρῆσθαι πειθομένοις τοὺς δεσπότης. [1.1.2] ἔτι δὲ πρὸς τούτοις ἐνενοοῦμεν ὅτι ἄρχοντες μὲν εἰσι καὶ οἱ βουκόλοι τῶν βοῶν καὶ οἱ ἵπποφορβοὶ τῶν ἵππων, καὶ πάντες δὲ οἱ καλούμενοι νομεῖς ὧν ἂν ἐπιστατῶσι ζώων εἰκότως ἂν ἄρχοντες τούτων νομίζοντο· πάσας τοίνυν ταύτας τὰς ἀγέλας ἐδοκοῦμεν ὁρᾶν μᾶλλον ἐθελούσας πείθεσθαι τοῖς νομεῦσιν ἢ τοὺς ἀνθρώπους τοῖς ἄρχουσι. πορεύονται τε γὰρ αἱ ἀγέλαι ἢ ἂν αὐτὰς εὐθύνωσιν οἱ νομεῖς, νέμονταί τε χωρία ἐφ' ὅποια ἂν αὐτὰς ἐπάγωσιν, ἀπέχονται τε ὧν ἂν αὐτὰς ἀπείργωσι· καὶ τοῖς καρποῖς τοίνυν τοῖς γιγνομένοις ἐξ αὐτῶν ἑῷσι τοὺς νομέας χρῆσθαι οὕτως ὅπως ἂν αὐτοὶ βούλωνται. ἔτι τοίνυν οὐδεμίαν πώποτε ἀγέλην ἡισθήμεθα συστᾶσαν ἐπὶ τὸν νομέα οὔτε ὡς μὴ πείθεσθαι οὔτε ὡς μὴ ἐπιτρέπειν τῷ καρπῷ χρῆσθαι, ἀλλὰ καὶ χαλεπώτεραί εἰσιν αἱ ἀγέλαι πᾶσι τοῖς ἀλλοφύλοις ἢ τοῖς ἄρχουσι τε καὶ ὠφελουμένοις ἀπ' αὐτῶν· ἄνθρωποι δὲ ἐπ' οὐδένας μᾶλλον συνίστανται ἢ ἐπὶ τούτους οὓς ἂν αἰσθῶνται ἄρχειν αὐτῶν ἐπιχειροῦντας. [1.1.3] ὅτε μὲν δὴ ταῦτα ἐνεθυμούμεθα, οὕτως ἐγγινώσκομεν περὶ αὐτῶν, ὡς ἀνθρώπων πεφυκότη πάντων τῶν ἄλλων ῥᾶιον εἶη ζώων ἢ ἀνθρώπων ἄρχειν. ἐπειδὴ δὲ ἐνενοήσαμεν ὅτι Κῦρος ἐγένετο Πέρσης, ὃς παμπόλλους μὲν ἀνθρώπους ἐκτήσατο πειθομένους αὐτῷ, παμπόλλας δὲ πόλεις, πάμπολλα δὲ ἔθνη, ἐκ τούτου δὴ ἡναγκαζόμεθα μετανοεῖν μὴ οὔτε τῶν ἀδυνάτων οὔτε τῶν χαλεπῶν ἔργων ἢ τὸ ἀνθρώπων ἄρχειν, ἢν τις ἐπισταμένως τοῦτο πράττηι. Κύρῳ γοῦν ἴσμεν ἐθελήσαντας πείθεσθαι τοὺς μὲν ἀπέχοντας παμπόλλων ἡμερῶν ὁδόν, τοὺς δὲ καὶ μνηῶν, τοὺς δὲ οὐδ' ἑωρακότας πώποτ' αὐτόν, τοὺς δὲ καὶ εὖ εἰδότας ὅτι οὐδ' ἂν ἴδοιεν, καὶ ὁμῶς ἤθελον αὐτῷ ὑπακούειν. [1.1.4]

καὶ γάρ τοι τοσοῦτον διήνεγκε τῶν ἄλλων βασιλέων, καὶ τῶν πατρίους ἀρχὰς παρειληφότων καὶ τῶν δι' ἑαυτῶν κτησαμένων, ὥσθ' ὁ μὲν Σκύθης καίπερ παμπόλλων ὄντων Σκυθῶν ἄλλου μὲν οὐδενὸς δύναιτ' ἂν ἔθνους ἐπάρξαι, ἀγαπῶν δ' ἂν εἰ τοῦ ἑαυτοῦ ἔθνους ἄρχων διαγένοιτο, καὶ ὁ Θραῖξ Θραικῶν καὶ ὁ Ἰλλυριὸς Ἰλλυριῶν, καὶ τᾶλλα δὲ ὡσαύτως ἔθνη ἀκούομεν τὰ γοῦν ἐν τῇ Εὐρώπῃ ἔτι καὶ νῦν αὐτόνομα εἶναι [λέγεται] καὶ λελύσθαι ἀπ' ἀλλήλων· Κῦρος δὲ παραλαβὼν ὡσαύτως οὕτω καὶ τὰ ἐν τῇ Ἀσίᾳ ἔθνη αὐτόνομα ὄντα ὀρμηθεὶς σὺν ὀλίγῃ Περσῶν στρατιᾷ ἐκόντων μὲν ἡγήσατο Μήδων, ἐκόντων δὲ Ὑρκανίων, κατεστρέψατο δὲ Σύρους, Ἀσσυρίους, Ἀραβίους, Καππαδόκας, Φρύγας ἀμφοτέρους, Λυδοὺς, Κᾶρας, Φοίνικας, Βαβυλωνίους, ἤρξε δὲ Βακτρίων καὶ Ἰνδῶν καὶ Κιλικίων, ὡσαύτως δὲ Σακῶν καὶ Παφλαγόνων καὶ Μαγαδιδῶν, καὶ ἄλλων δὲ παμπόλλων ἐθνῶν, ὧν οὐδ' ἂν τὰ ὀνόματα ἔχοι τις εἰπεῖν, ἐπῆρξε δὲ καὶ Ἑλλήνων τῶν ἐν τῇ Ἀσίᾳ, καταβάς δ' ἐπὶ θάλατταν καὶ Κυπρίων καὶ Αἰγυπτίων. [1.1.5] καὶ τοίνυν τούτων τῶν ἐθνῶν ἤρξεν οὔτε αὐτῷ ὁμογλώττων ὄντων οὔτε ἀλλήλοις, καὶ ὁμως ἐδυνάσθη ἐφικέσθαι μὲν ἐπὶ τοσαύτην γῆν τῷ ἀφ' ἑαυτοῦ φόβῳ, ὥστε καταπλῆξαι πάντας καὶ μηδένα ἐπιχειρεῖν αὐτῷ, ἐδυνάσθη δὲ ἐπιθυμίαν ἐμβαλεῖν τοσαύτην τοῦ [πάντας] αὐτῷ χαρίζεσθαι ὥστε ἀεὶ τῇ αὐτοῦ γνώμῃ ἀξιοῦν κυβερνᾶσθαι, ἀνηρτήσατο δὲ τοσαῦτα φύλα ὅσα καὶ διελθεῖν ἔργον ἐστίν, ὅποι ἂν ἄρξηται τις πορεύεσθαι ἀπὸ τῶν βασιλείων, ἦν τε πρὸς ἑὸν ἦν τε πρὸς ἐσπέραν ἦν τε πρὸς ἄρκτον ἦν τε πρὸς μεσημβρίαν. [1.1.6] ἡμεῖς μὲν δὴ ὡς ἄξιον ὄντα θαυμάζεσθαι τοῦτον τὸν ἄνδρα ἐσκεννάμεθα τίς ποτ' ὦν γενεὰν καὶ ποῖαν τινὰ φύσιν ἔχων καὶ ποῖαι τινὶ παιδευθεὶς παιδεῖαι τοσοῦτον διήνεγκεν εἰς τὸ ἄρχεῖν ἀνθρώπων. ὅσα οὖν καὶ ἐπυθόμεθα καὶ ἡισθῆσθαι δοκοῦμεν περὶ αὐτοῦ, ταῦτα πειρασόμεθα διηγήσασθαι.

[1.2.1] Πατρὸς μὲν δὴ ὁ Κῦρος λέγεται γενέσθαι Καμβύσου Περσῶν βασιλέως· ὁ δὲ Καμβύσης οὗτος τοῦ Περσείδων γένους ἦν· οἱ δὲ Περσεῖδαι ἀπὸ Περσέως κλήζονται· μητρὸς δὲ ὁμολογεῖται Μανδάνης γενέσθαι· ἡ δὲ Μανδάνη αὕτη Ἀστυάγους ἦν θυγάτηρ τοῦ Μήδων γενομένου βασιλέως. φύναι δὲ ὁ Κῦρος λέγεται καὶ αἰδεταί ἔτι καὶ νῦν ὑπὸ τῶν βαρβάρων εἶδος μὲν κάλλιστος, ψυχὴν δὲ φιλανθρωπότατος καὶ φιλομαθέστατος καὶ φιλοτιμιότατος, ὥστε πάντα μὲν πόνον ἀνατλήναι, πάντα δὲ κίνδυνον ὑπομεῖναι τοῦ

ἐπαινέσθαι ἔνεκα. [1.2.2] φύσιν μὲν δὴ τῆς μορφῆς καὶ τῆς ψυχῆς τοιαύτην ἔχων διαμνημονεύεται· ἐπαιδεύθη γε μὴν ἐν Περσῶν νόμοις· οὗτοι δὲ δοκοῦσιν οἱ νόμοι ἄρχεσθαι τοῦ κοινοῦ ἀγαθοῦ ἐπιμελούμενοι οὐκ ἔνθενπερ ἐν ταῖς πλείσταις πόλεσιν ἄρχονται. αἱ μὲν γὰρ πλείσται πόλεις ἀφείσαι παιδεύειν ὅπως τις ἐθέλει τοὺς ἑαυτοῦ παῖδας, καὶ αὐτοὺς τοὺς πρεσβυτέρους ὅπως ἐθέλουσι διάγειν, ἔπειτα προστάττουσιν αὐτοῖς μὴ κλέπτειν μηδὲ ἀρπάειν, μὴ βία εἰς οἰκίαν παρίεναι, μὴ παίειν ὃν μὴ δίκαιον, μὴ μοιχεύειν, μὴ ἀπειθεῖν ἄρχοντι, καὶ τᾶλλα τὰ τοιαῦτα ὡσαύτως· ἦν δέ τις τούτων τι παραβαίνει, ζημίαν αὐτοῖς ἐπέθεσαν. [1.2.3] οἱ δὲ Περσικοὶ νόμοι προλαβόντες ἐπιμέλονται ὅπως τὴν ἀρχὴν μὴ τοιοῦτοι ἔσονται οἱ πολῖται οἷοι πονηροῦ τινος ἢ αἰσχροῦ ἔργου ἐφίεσθαι. ἐπιμέλονται δὲ ὧδε. ἔστιν αὐτοῖς ἐλευθέρα ἀγορὰ καλουμένη, ἔνθα τὰ τε βασιλεια καὶ τᾶλλα ἀρχεῖα πεποῖται. ἐντεῦθεν τὰ μὲν ὦνια καὶ οἱ ἀγοραῖοι καὶ αἱ τούτων φωναὶ καὶ ἀπειροκαλῖαι ἀπελήλανται εἰς ἄλλον τόπον, ὥς μὴ μιγνύηται ἡ τούτων τύρβη τῇ τῶν πεπαιδευμένων εὐκοσμία. [1.2.4] διήρηται δὲ αὕτη ἡ ἀγορὰ [ἡ περὶ τὰ ἀρχεῖα] τέτταρα μέρη· τούτων δ' ἔστιν ἓν μὲν παισίν, ἓν δὲ ἐφήβοις, ἄλλο τελείοις ἀνδράσιν, ἄλλο τοῖς ὑπὲρ τὰ στρατεύσιμα ἔτη γεγονόσι. νόμῳ δ' εἰς τὰς ἑαυτῶν χώρας ἕκαστοι τούτων πάρεσιν, οἱ μὲν παῖδες ἅμα τῇ ἡμέρᾳ καὶ οἱ τέλειοι ἄνδρες, οἱ δὲ γεραιτέροι ἡνίκ' ἂν ἐκάστωι προχωρῇ, πλὴν ἐν ταῖς τεταγμέναις ἡμέραις, ἐν αἷς αὐτοὺς δεῖ παρεῖναι. οἱ δὲ ἔφηβοι καὶ κοιμῶνται περὶ τὰ ἀρχεῖα σὺν τοῖς γυμνητικοῖς ὅπλοις πλὴν τῶν γεγαμηκότων· οὗτοι δὲ οὔτε ἐπιζητοῦνται, ἦν μὴ προρρηθῇ παρεῖναι, οὔτε πολλάκις ἀπείναι καλόν. [1.2.5] ἄρχοντες δ' ἐφ' ἐκάστωι τούτων τῶν μερῶν εἰσι δώδεκα· δώδεκα γὰρ καὶ Περσῶν φυλαὶ διήρηνται. καὶ ἐπὶ μὲν τοῖς παισίν ἐκ τῶν γεραιτέρων ἡρημένοι εἰσὶν οἱ ἂν δοκῶσι τοὺς παῖδας βελτίστους ἀποδεικνύναι· ἐπὶ δὲ τοῖς ἐφήβοις ἐκ τῶν τελείων ἀνδρῶν οἱ ἂν αὐτοὺς ἐφήβους βελτίστους δοκῶσι παρέχειν· ἐπὶ δὲ τοῖς τελείοις ἀνδράσιν οἱ ἂν δοκῶσι παρέχειν αὐτοὺς μάλιστα τὰ τεταγμένα ποιοῦντας καὶ τὰ παραγγελλόμενα ὑπὸ τῆς μεγίστης ἀρχῆς· εἰσὶ δὲ καὶ τῶν γεραιτέρων προστάται ἡρημένοι, οἱ προστατεύουσιν ὅπως καὶ οὗτοι τὰ καθήκοντα ἀποτελῶσιν. ἃ δὲ ἐκάστη ἡλικία προστέτακται ποιεῖν διηγησόμεθα, ὥς μᾶλλον δηλὸν γένηται ἥ ἐπιμέλονται ὥς ἂν βέλτιστοι εἶεν οἱ πολῖται. [1.2.6] οἱ μὲν δὴ παῖδες εἰς τὰ διδασκαλεῖα φοιτῶντες διάγουσι μανθάνοντες δικαιοσύνην· καὶ

λέγουσιν ὅτι ἐπὶ τοῦτο ἔρχονται ὥσπερ παρ' ἡμῖν ὅτι γράμματα μαθησόμενοι. οἱ δ' ἄρχοντες αὐτῶν διατελοῦσι τὸ πλεῖστον τῆς ἡμέρας δικάζοντες αὐτοῖς. γίνεται γὰρ δὴ καὶ παισὶ πρὸς ἀλλήλους ὥσπερ ἀνδράσιν ἐγκλήματα καὶ κλοπῆς καὶ ἀρπαγῆς καὶ βίας καὶ ἀπάτης καὶ κακολογίας καὶ ἄλλων οἷων δὴ εἰκός. οὓς δ' ἂν γνῶσι τούτων τι ἀδικοῦντας, τιμωροῦνται. [1.2.7] κολάζουσι δὲ καὶ ὃν ἂν ἀδίκως ἐγκαλοῦντα εὐρίσκωσι. δικάζουσι δὲ καὶ ἐγκλήματος οὗ ἕνεκα ἄνθρωποι μισοῦσι μὲν ἀλλήλους μάλιστα, δικάζονται δὲ ἥκιστα, ἀχαριστίας, καὶ ὃν ἂν γνῶσι δυνάμενον μὲν χάριν ἀποδιδόναι, μὴ ἀποδιδόντα δέ, κολάζουσι καὶ τοῦτον ἰσχυρῶς. οἶονται γὰρ τοὺς ἀχαρίστους καὶ περὶ θεοὺς ἂν μάλιστα ἀμελῶς ἔχειν καὶ περὶ γονέας καὶ πατρίδα καὶ φίλους. ἔπεσθαι δὲ δοκεῖ μάλιστα τῇ ἀχαριστίᾳ ἢ ἀναισχυντίᾳ· καὶ γὰρ αὕτη μεγίστη δοκεῖ εἶναι ἐπὶ πάντα τὰ αἰσχρὰ ἡγεμών. [1.2.8] διδάσκουσι δὲ τοὺς παῖδας καὶ σωφροσύνην· μέγα δὲ συμβάλλεται εἰς τὸ μανθάνειν σωφρονεῖν αὐτοὺς ὅτι καὶ τοὺς πρεσβυτέρους ὁρῶσιν ἀνὰ πᾶσαν ἡμέραν σωφρόνως διάγοντας. διδάσκουσι δὲ αὐτοὺς καὶ πείθεσθαι τοῖς ἄρχουσιν· μέγα δὲ καὶ εἰς τοῦτο συμβάλλεται ὅτι ὁρῶσι τοὺς πρεσβυτέρους πειθομένους τοῖς ἄρχουσιν ἰσχυρῶς. διδάσκουσι δὲ καὶ ἐγκράτειαν γαστρὸς καὶ ποτοῦ· μέγα δὲ καὶ εἰς τοῦτο συμβάλλεται ὅτι ὁρῶσι τοὺς πρεσβυτέρους οὐ πρόσθεν ἀπιόντας γαστρὸς ἕνεκα πρὶν ἂν ἀφῶσιν οἱ ἄρχοντες, καὶ ὅτι οὐ παρὰ μητρὶ σιτοῦνται οἱ παῖδες, ἀλλὰ παρὰ τῷ διδασκάλῳ, ὅταν οἱ ἄρχοντες σημήνωσι. φέρονται δὲ οἴκοθεν σῖτον μὲν ἄρτον, ὄψον δὲ κάρδαμον, πιεῖν δέ, ἣν τις διψηῇ, κῶθωνα, ὡς ἀπὸ τοῦ ποταμοῦ ἀρύσασθαι. πρὸς δὲ τούτοις μανθάνουσι καὶ τοξεύειν καὶ ἀκοντίζειν. μέχρι μὲν δὴ ἕξ ἢ ἑπτακαίδεκα ἐτῶν ἀπὸ γενεᾶς οἱ παῖδες ταῦτα πράττουσιν, ἐκ τούτου δὲ εἰς τοὺς ἐφήβους ἐξέρχονται. [1.2.9] οὗτοι δ' αὖ οἱ ἔφηβοι διάγουσιν ὧδε. δέκα ἔτη ἀφ' οὗ ἂν ἐκ παίδων ἐξέλθωσι κοιμῶνται μὲν περὶ τὰ ἀρχεῖα, ὥσπερ προειρηκάμεν, καὶ φυλακῆς ἕνεκα τῆς πόλεως καὶ σωφροσύνης· δοκεῖ γὰρ αὕτη ἢ ἡλικία μάλιστα ἐπιμελείας δεῖσθαι· παρέχουσι δὲ καὶ τὴν ἡμέραν ἑαυτοὺς τοῖς ἄρχουσιν χρῆσθαι ἣν τι δέωνται ὑπὲρ τοῦ κοινοῦ. καὶ ὅταν μὲν δέηι, πάντες μένουσι περὶ τὰ ἀρχεῖα· ὅταν δὲ ἐξίη βασιλεὺς ἐπὶ θήραν, ἐξάγει τὴν ἡμίσειαν τῆς φυλακῆς· ποιεῖ δὲ τοῦτο πολλάκις τοῦ μηνός. ἔχειν δὲ δεῖ τοὺς ἐξιόντας τόξα καὶ παρὰ τὴν φαρέτραν ἐν κολεῳι κοπίδα ἢ σάγαριν, ἔτι δὲ γέρρον καὶ παλτὰ δύο, ὥστε τὸ μὲν ἀφεῖναι, τῷ δ', ἂν δέηι, ἐκ

χειρὸς χρῆσθαι. [1.2.10] διὰ τοῦτο δὲ δημοσίαι τοῦ θηρᾶν ἐπιμέλονται, καὶ βασιλεὺς ὥσπερ καὶ ἐν πολέμῳ ἡγεμὼν ἐστὶν αὐτοῖς καὶ αὐτός τε θηρᾶι καὶ τῶν ἄλλων ἐπιμελεῖται ὅπως ἂν θηρῶσιν, ὅτι ἀληθεστάτη αὐτοῖς δοκεῖ εἶναι αὕτη ἡ μελέτη τῶν πρὸς τὸν πόλεμον. καὶ γὰρ πρῶι ἀνίστασθαι ἐθίζει καὶ ψύχη καὶ θάληη ἀνέχεσθαι, γυμνάζει δὲ καὶ ὁδοιπορίαις καὶ δρόμοις, ἀνάγκη δὲ καὶ τοξεῦσαι θηρίον καὶ ἀκοντίσαι ὅπου ἂν παραπίπτῃ. καὶ τὴν ψυχὴν δὲ πολλάκις ἀνάγκη θήγεσθαι ὅταν τι τῶν ἀλκίμων θηρίων ἀνθιστῇται· παίειν μὲν γὰρ δῆπου δεῖ τὸ ὁμόσε γιγνόμενον, φυλάξασθαι δὲ τὸ ἐπιφερόμενον· ὥστε οὐ ράδιον εὐρεῖν τί ἐν τῇ θήρῃ ἄπεστι τῶν ἐν πολέμῳ παρόντων. [1.2.11] ἐξέρχονται δὲ ἐπὶ τὴν θήραν ἄριστον ἔχοντες πλέον μὲν, ὥς τὸ εἰκός, τῶν παίδων, τᾶλλα δὲ ὅμοιον. καὶ θηρῶντες μὲν οὐκ ἂν ἀριστήσαιεν, ἣν δέ τι δεήσῃ ἢ θηρίου ἔνεκα ἐπικαταμεῖναι ἢ ἄλλως ἐθελήσῃσι διατρίβειν περὶ τὴν θήραν, τὸ οὖν ἄριστον τοῦτο δειπνήσαντες τὴν ὑστεραίαν αὐτὴν θηρῶσι μέχρι δείπνου, καὶ μίαν ἄμφω τούτῳ τὴν ἡμέραν λογίζονται, ὅτι μιᾷς ἡμέρας σῖτον δαπανῶσι. τοῦτο δὲ ποιοῦσι τοῦ ἐθίζεσθαι ἔνεκα, ἵν' ἐάν τι καὶ ἐν πολέμῳ δεήσῃ, δύνωνται ταῦτό ποιεῖν. καὶ ὅσον δὲ τοῦτο ἔχουσιν οἱ τηλικούτοι ὅ τι ἂν θηράσωσιν· εἰ δὲ μή, τὸ κάρδαμον. εἰ δέ τις αὐτοὺς οἶεται ἢ ἐσθίειν ἀηδῶς, ὅταν κάρδαμον μόνον ἔχωσιν ἐπὶ τῷ σίτῳ, ἢ πίνειν ἀηδῶς, ὅταν ὕδωρ πίνωσιν, ἀναμνησθήτω πῶς μὲν ἡδὺ μᾶζα καὶ ἄρτος πεινῶντι φαγεῖν, πῶς δὲ ἡδὺ ὕδωρ πιεῖν διψῶντι. [1.2.12] αἱ δ' αὖ μένουσαι φυλαὶ διατρίβουσι μελετῶσαι τὰ τε ἄλλα ἃ παῖδες ὄντες ἔμαθον καὶ τοξεύειν καὶ ἀκοντίζειν, καὶ διαγωνιζόμενοι ταῦτα πρὸς ἀλλήλους διατελοῦσιν. εἰσὶ δὲ καὶ δημόσιοι τούτων ἀγῶνες καὶ ἄθλα προτίθεται· ἐν ἧ δ' ἂν τῶν φυλῶν πλεῖστοι ὥσι δαημονέστατοι καὶ ἀνδρικότατοι καὶ εὐπιστότατοι, ἐπαινοῦσιν οἱ πολῖται καὶ τιμῶσιν οὐ μόνον τὸν νῦν ἄρχοντα αὐτῶν, ἀλλὰ καὶ ὅστις αὐτοὺς παῖδας ὄντας ἐπαίδευσε. χρῶνται δὲ τοῖς μένουσι τῶν ἐφήβων αἱ ἀρχαί, ἣν τι ἢ φρουρῆσαι δεήσῃ ἢ κακούργους ἐρευνῆσαι ἢ ληιστὰς ὑποδραμεῖν ἢ καὶ ἄλλο τι ὅσα ἰσχύος ἢ τάχους ἔργα ἐστί. ταῦτα μὲν δὴ οἱ ἔφηβοι πράττουσιν. ἐπειδὰν δὲ τὰ δέκα ἔτη διατελέσωσιν, ἐξέρχονται εἰς τοὺς τελείους ἄνδρας. [1.2.13] ἀφ' οὗ δ' ἂν ἐξέλθῃσι χρόνου οὗτοι αὖ πέντε καὶ εἴκοσιν ἔτη διάγουσιν ὧδε. πρῶτον μὲν ὥσπερ οἱ ἔφηβοι παρέχουσιν ἑαυτοὺς ταῖς ἀρχαῖς χρῆσθαι, ἣν τι δέηι ὑπὲρ τοῦ κοινοῦ, ὅσα φρονούντων τε ἤδη ἔργα ἐστὶ καὶ ἔτι δυναμένων. ἣν δὲ ποι δέηι

στρατεύεσθαι, τόξα μὲν οἱ οὕτω πεπαιδευμένοι οὐκέτι ἔχοντες οὐδὲ παλὰ στρατεύονται, τὰ δὲ ἀγγέμαχα ὄπλα καλούμενα, θώρακά τε περὶ τοῖς στέρνοις καὶ γέρον ἐν τῇ ἀριστερᾷ, οἷον περ γράφονται οἱ Πέρσαι ἔχοντες, ἐν δὲ τῇ δεξιᾷ μάχαιραν ἢ κοπίδα. καὶ αἱ ἀρχαὶ δὲ πᾶσαι ἐκ τούτων καθίστανται πλὴν οἱ τῶν παίδων διδάσκαλοι. ἐπειδὴν δὲ τὰ πέντε καὶ εἴκοσιν ἔτη διατελέσωσιν, εἶψαν μὲν ἂν οὗτοι πλεον τι γεγονότες ἢ τὰ πεντήκοντα ἔτη ἀπὸ γενεᾶς· ἐξέρχονται δὲ τηνικαῦτα εἰς τοὺς γεραίτερους ὄντας τε καὶ καλουμένους. [1.2.14] οἱ δ' αὖ γεραίτεροι οὗτοι στρατεύονται μὲν οὐκέτι ἔξω τῆς ἑαυτῶν, οἴκοι δὲ μένοντες δικάζουσι τὰ τε κοινὰ καὶ τὰ ἴδια πάντα. καὶ θανάτου δὲ οὗτοι κρίνουσι, καὶ τὰς ἀρχὰς οὗτοι πάσας αἰροῦνται· καὶ ἢν τις ἢ ἐν ἐφήβοις ἢ ἐν τελείοις ἀνδράσιν ἐλλίπῃ τι τῶν νομίμων, φαίνουσι μὲν οἱ φύλαρχοι ἕκαστοι καὶ τῶν ἄλλων ὁ βουλόμενος, οἱ δὲ γεραίτεροι ἀκούσαντες ἐκκρίνουσιν· ὁ δὲ ἐκκριθεὶς ἄτιμος διατελεῖ τὸν λοιπὸν βίον.

[1.2.15] Ἵνα δὲ σαφέστερον δηλωθῇ πᾶσα ἡ Περσῶν πολιτεία, μικρὸν ἐπάνειμι· νῦν γὰρ ἐν βραχυτάτῳ ἂν δηλωθῇ διὰ τὰ προειρημένα. λέγονται μὲν γὰρ Πέρσαι ἀμφὶ τὰς δώδεκα μυριάδας εἶναι· τούτων δ' οὐδεὶς ἀπελήλαται νόμῳ τιμῶν καὶ ἀρχῶν, ἀλλ' ἔξεστι πᾶσι Πέρσαις πέμπειν τοὺς ἑαυτῶν παῖδας εἰς τὰ κοινὰ τῆς δικαιοσύνης διδασκαλεῖα. ἀλλ' οἱ μὲν δυνάμενοι τρέφειν τοὺς παῖδας ἀργοῦντας πέμπουσιν, οἱ δὲ μὴ δυνάμενοι οὐ πέμπουσιν. οἱ δ' ἂν παιδευθῶσι παρὰ τοῖς δημοσίοις διδασκάλοις, ἔξεστιν αὐτοῖς ἐν τοῖς ἐφήβοις νεανισκεύεσθαι, τοῖς δὲ μὴ διαπαιδευθεῖσιν οὕτως οὐκ ἔξεστιν. οἱ δ' ἂν αὖ ἐν τοῖς ἐφήβοις διατελέσωσι τὰ νόμιμα ποιοῦντες, ἔξεστι τούτοις εἰς τοὺς τελείους ἄνδρας συναλίζεσθαι καὶ ἀρχῶν καὶ τιμῶν μετέχειν, οἱ δ' ἂν μὴ διαγένωνται ἐν τοῖς ἐφήβοις, οὐκ εἰσέρχονται εἰς τοὺς τελείους. οἱ δ' ἂν αὖ ἐν τοῖς τελείοις διαγένωνται ἀνεπίληπτοι, οὗτοι τῶν γεραιτέρων γίνονται. οὕτω μὲν δὴ οἱ γεραίτεροι διὰ πάντων τῶν καλῶν ἐληλυθότες καθίστανται· καὶ ἡ πολιτεία αὕτη, ἣ οἶονται χρώμενοι βέλτιστοι ἂν εἶναι. [1.2.16] καὶ νῦν δὲ ἔτι ἐμμέναι μαρτύρια καὶ τῆς μετρίας διαίτης αὐτῶν καὶ τοῦ ἐκπονεῖσθαι τὴν δίαitan. αἰσχροὺς μὲν γὰρ ἔτι καὶ νῦν ἐστὶ Πέρσαις καὶ τὸ πτύειν καὶ τὸ ἀπομύττεσθαι καὶ τὸ φύσης μεστοὺς φαίνεσθαι, αἰσχροὺς δὲ ἐστὶ καὶ τὸ ἰόντα ποι φανερόν γενέσθαι ἢ τοῦ οὐρῆσαι ἕνεκα ἢ καὶ ἄλλου τινὸς τοιούτου. ταῦτα δὲ οὐκ ἂν ἐδύναντο ποιεῖν, εἰ μὴ καὶ διαίτῃ μετρίᾳ ἐχρῶντο καὶ τὸ ὑγρὸν ἐκπονοῦντες

ἀνήλiskon, ὥστε ἄλληι πι ἀποχωρεῖν. ταῦτα μὲν δὴ κατὰ πάντων Περσῶν ἔχομεν λέγειν· οὗ δ' ἕνεκα ὁ λόγος ὠρμήθη, νῦν λέξομεν τὰς Κύρου πράξεις ἀρξάμενοι ἀπὸ παιδός.

[1.3.1] Κῦρος γὰρ μέχρι μὲν δώδεκα ἐτῶν ἢ ὀλίγωι πλέον ταύτη τῇ παιδεῖαι ἐπαιδεύθη, καὶ πάντων τῶν ἡλικῶν διαφέρων ἐφαίνετο καὶ εἰς τὸ ταχὺ μανθάνειν ἃ δέοι καὶ εἰς τὸ καλῶς καὶ ἀνδρείως ἕκαστα ποιεῖν. ἐκ δὲ τούτου τοῦ χρόνου μετεπέμψατο Ἀστυάγης τὴν ἑαυτοῦ θυγατέρα καὶ τὸν παῖδα αὐτῆς· ἰδεῖν γὰρ ἐπεθύμει, ὅτι ἤκουεν αὐτὸν καλὸν κάγαθὸν εἶναι. ἔρχεται δὲ αὐτῇ τε ἡ Μανδάνη πρὸς τὸν πατέρα καὶ τὸν Κῦρον τὸν υἱὸν ἔχουσα. [1.3.2] ὥς δὲ ἀφίκετο τάχιστα καὶ ἔγνω ὁ Κῦρος τὸν Ἀστυάγην τῆς μητρὸς πατέρα ὄντα, εὐθὺς οἶα δὴ παῖς φύσει φιλόστοργος ὢν ἡσπάζετό τε αὐτὸν ὥσπερ ἂν εἴ τις πάλαι συντεθραμμένος καὶ πάλαι φιλῶν ἀσπάζοιτο, καὶ ὁρῶν δὴ αὐτὸν κεκοσμημένον καὶ ὀφθαλμῶν ὑπογραφῇ καὶ χρώματος ἐντρίβει καὶ κόμαις προσθέτοις, ἃ δὴ νόμιμα ἦν ἐν Μῆδοις· ταῦτα γὰρ πάντα Μηδικὰ ἐστὶ, καὶ οἱ πορφυροὶ χιτῶνες καὶ οἱ κἀνδυες καὶ οἱ στρεπτοὶ οἱ περὶ τῇ δέρῃ καὶ τὰ ψέλια τὰ περὶ ταῖς χερσίν, ἐν Πέρσαις δὲ τοῖς οἴκοι καὶ νῦν ἔτι πολὺ καὶ ἐσθῆτες φαυλότεραι καὶ δίαται εὐτελέστεραι· ὁρῶν δὴ τὸν κόσμον τοῦ πάππου, ἐμβλέπων αὐτῷ ἔλεγεν· ὦ μητερ, ὥς καλὸς μοι ὁ πάππος. ἐρωτώσης δὲ αὐτὸν, τῆς μητρὸς πότερος καλλίων αὐτῷ δοκεῖ εἶναι, ὁ πατήρ ἢ οὗτος ἀπεκρίνατο ἄρα ὁ Κῦρος· ὦ μητερ, Περσῶν μὲν πολὺ κάλλιστος ὁ ἐμὸς πατήρ, Μῆδων μέντοι ὅσων ἐώρακα ἐγὼ καὶ ἐν ταῖς ὁδοῖς καὶ ἐπὶ ταῖς θύραις πολὺ οὗτος ὁ ἐμὸς πάππος κάλλιστος. [1.3.3] ἀντασπαζόμενος δὲ ὁ πάππος αὐτὸν καὶ στολὴν καλὴν ἐνέδυσσε καὶ στρεπτοῖς καὶ ψελίοις ἐτίμα καὶ ἐκόσμει, καὶ εἴ ποι ἐξελαύνει, ἐφ' ἵππου χρυσοχαλίνου περιῆγεν, ὥσπερ καὶ αὐτὸς εἰώθε πορεύεσθαι. ὁ δὲ Κῦρος ἅτε παῖς ὢν καὶ φιλόκαλος καὶ φιλότιμος ἤδετο τῇ στολῇ, καὶ ἱπεύειν μανθάνων ὑπερέχαιρεν· ἐν Πέρσαις γὰρ διὰ τὸ χαλεπὸν εἶναι καὶ τρέφειν ἵππους καὶ ἱπεύειν ἐν ὀρεινῇ οὔσῃ τῇ χώρῃ καὶ ἰδεῖν ἵππον πάνυ σπάνιον ἦν. [1.3.4] δειπνῶν δὲ δὴ ὁ Ἀστυάγης σὺν τῇ θυγατρὶ καὶ τῷ Κύρῳ, βουλόμενος τὸν παῖδα ὥς ἡδιστα δειπνεῖν, ἵνα ἦττον τὰ οἴκαδε ποθοίῃ, προσῆγεν αὐτῷ καὶ παροψίδας καὶ παντοδαπὰ ἐμβάμματα καὶ βρώματα. τὸν δὲ Κῦρόν φασι λέγειν· ὦ πάππε, ὅσα πράγματα ἔχεις ἐν τῷ δειπνῶν, εἰ ἀνάγκη σοι ἐπὶ πάντα τὰ λεκάρια ταῦτα διατείνειν τὰς χεῖρας καὶ ἀπογεύεσθαι τούτων τῶν παντοδαπῶν βρωμάτων. Τί δέ, φάναι τὸν Ἀστυάγην, οὐ γὰρ πολὺ σοι

δοκεῖ εἶναι κάλλιον τόδε τὸ δεῖπνον τοῦ ἐν Πέρσαις; τὸν δὲ Κῦρον πρὸς ταῦτα ἀποκρίνασθαι [λέγεται]· Οὐκ, ὦ πάππε, ἀλλὰ πολὺ ἀπλουστέρα καὶ εὐθυτέρα παρ' ἡμῖν ἢ ὁδὸς ἐστὶν ἐπὶ τὸ ἐμπλησθῆναι ἢ παρ' ὑμῖν· ἡμᾶς μὲν γὰρ ἄρτος καὶ κρέα εἰς τοῦτο ἄγει, ὑμεῖς δὲ εἰς μὲν τὸ αὐτὸ ἡμῖν σπεύδετε, πολλοὺς δὲ τινὰς ἐλιγμοὺς ἄνω καὶ κάτω πλανώμενοι μόλις ἀφικνεῖσθε ὅποι ἡμεῖς πάλαι ἤκομεν. [1.3.5] Ἀλλ', ὦ παῖ, φάναι τὸν Ἀστυάγην, οὐκ ἀχθόμενοι ταῦτα περιπλανώμεθα· γευόμενος δὲ καὶ σύ, ἔφη, γνώσῃ ὅτι ἡδέα ἐστίν. Ἀλλὰ καὶ σέ, φάναι τὸν Κῦρον, ὁρῶ, ὦ πάππε, μυσαιπτόμενον ταῦτα τὰ βρώματα. καὶ τὸν Ἀστυάγην ἐπερέσθαι· Καὶ τί νι δὴ σὺ τεκμαιρόμενος, ὦ παῖ, λέγεις; Ὅτι σε, φάναι, ὁρῶ, ὅταν μὲν τοῦ ἄρτου ἄψῃ, εἰς οὐδὲν τὴν χεῖρα ἀποψώμενον, ὅταν δὲ τούτων τινὸς θίγης, εὐθὺς ἀποκαθαίρει τὴν χεῖρα εἰς τὰ χειρόμακτρα, ὡς πάννυ ἀχθόμενος ὅτι πλέα σοι ἀπ' αὐτῶν ἐγένετο. [1.3.6] πρὸς ταῦτα δὲ τὸν Ἀστυάγην εἰπεῖν· Εἰ τοίνυν οὕτω γινώσκεις, ὦ παῖ, ἀλλὰ κρέα γε εὐωχοῦ, ἵνα νεανίας οἴκαδε ἀπέλθῃς. ἅμα δὲ ταῦτα λέγοντα πολλὰ αὐτῷ παραφέρειν καὶ θήρεια καὶ τῶν ἡμέρων. καὶ τὸν Κῦρον, ἐπεὶ ἑώρα πολλὰ τὰ κρέα, εἰπεῖν· Ἥ καὶ δίδως, φάναι, ὦ πάππε, πάντα ταῦτά μοι τὰ κρέα ὅ τι ἂν βούλωμαι αὐτοῖς χρῆσθαι; Νῆ Δία, φάναι, ὦ παῖ, ἔγωγέ σοι. [1.3.7] ἐνταῦθα δὴ τὸν Κῦρον λαβόντα τῶν κρεῶν διαδιδόναι τοῖς ἀμφὶ τὸν πάππον θεραπευταῖς, ἐπιλέγοντα ἐκάστωι· Σοὶ μὲν τοῦτο ὅτι προθύμως με ἱππεύειν διδάσκεις, σοὶ δ' ὅτι μοι παλτὸν ἔδωκας· νῦν γὰρ τοῦτ' ἔχω· σοὶ δ' ὅτι τὸν πάππον καλῶς θεραπεύεις, σοὶ δ' ὅτι μου τὴν μητέρα τιμᾷς· τοιαῦτα ἐποίει, ἕως διεδίδου πάντα ἃ ἔλαβε κρέα. [1.3.8] Σάκαι δέ, φάναι τὸν Ἀστυάγην, τῷ οἰνοχόῳ, ὃν ἐγὼ μάλιστα τιμῶ, οὐδὲν δίδως; ὁ δὲ Σάκας ἄρα καλὸς τε ὢν ἐτύχανε καὶ τιμὴν ἔχων προσάγειν τοὺς δεομένους Ἀστυάγους καὶ ἀποκωλύειν οὓς μὴ καιρὸς αὐτῷ δοκοίη εἶναι προσάγειν. καὶ τὸν Κῦρον ἐπερέσθαι προπετῶς ὡς ἂν παῖς μηδέπω ὑποπτήσσω· Διὰ τί δὴ, ὦ πάππε, τοῦτον οὕτω τιμᾷς; καὶ τὸν Ἀστυάγην σκώψαντα εἰπεῖν· Οὐχ ὁραῖς, φάναι, ὡς καλῶς οἰνοχοεῖ καὶ εὐσχημόνως; οἱ δὲ τῶν βασιλέων τούτων οἰνοχόοι κομψῶς τε οἰνοχοοῦσι καὶ καθαρείως ἐγγέουσι καὶ διδόασιν τοῖς τρισὶ δακτύλοις ὀχοῦντες τὴν φιάλην καὶ προσφέρουσιν ὡς ἂν ἐνδοῖεν τὸ ἔκπωμα εὐληπτότατα τῷ μέλλοντι πίνειν. [1.3.9] Κέλευσον δὴ, φάναι, ὦ πάππε, τὸν Σάκαν καὶ ἐμοὶ δοῦναι τὸ ἔκπωμα, ἵνα καγὼ καλῶς σοι πινεῖν ἐγγέας ἀνακτήσωμαί σε, ἣν δύνωμαι. καὶ τὸν κελεῦσαι δοῦναι.

λαβόντα δὲ τὸν Κῦρον οὕτω μὲν δὴ εὖ κλύσαι τὸ ἔκπωμα ὥσπερ τὸν Σάκαν ἑώρα, οὕτω δὲ στήσαντα τὸ πρόσωπον σπουδαίως καὶ εὐσχημόνως πως προσενεγκεῖν καὶ ἐνδοῦναι τὴν φιάλην τῷ πάππῳ ὥστε τῇ μητρὶ καὶ τῷ Ἀστυάγῃ πολὺν γέλῳτα παρασχεῖν. καὶ αὐτὸν δὲ τὸν Κῦρον ἐκγελάσαντα ἀναπηδῆσαι πρὸς τὸν πάππον καὶ φιλοῦντα ἅμα εἰπεῖν· ὦ Σάκα, ἀπόλωλας· ἐκβαλῶ σε ἐκ τῆς τιμῆς· τά τε γὰρ ἄλλα, φάναι, σοῦ κάλλιον οἰνοχοήσω καὶ οὐκ ἐκτίομαι αὐτὸς τὸν οἶνον. οἱ δ' ἄρα τῶν βασιλέων οἰνοχόοι, ἐπειδὴν διδῶσι τὴν φιάλην, ἀρύσαντες ἀπ' αὐτῆς τῷ κυάθῳ εἰς τὴν ἀριστερὰν χεῖρα ἐγγεάμενοι καταρροφοῦσι, τοῦ δὴ εἰ φάρμακα ἐγγέοιεν μὴ λυσιτελεῖν αὐτοῖς. [1.3.10] ἐκ τούτου δὴ ὁ Ἀστυάγης ἐπισκώπτων, Καὶ τί δή, ἔφη, ὦ Κῦρε, τᾶλλα μιμούμενος τὸν Σάκαν οὐ κατερρόφησας τοῦ οἴνου; Ὅτι, ἔφη, νῆ Δία ἐδεδοίκεν μὴ ἐν τῷ κρατῆρι φάρμακα μεμιγμένα εἶη. καὶ γὰρ ὅτε εἰστίσας σὺ τοὺς φίλους ἐν τοῖς γενεθλίοις, σαφῶς κατέμαθον φάρμακα ὑμῖν αὐτὸν ἐγγέαντα. Καὶ πῶς δὴ σὺ τοῦτο, ἔφη, ὦ παῖ, κατέγνων; Ὅτι νῆ Δί' ὑμᾶς ἑώρων καὶ ταῖς γνώμαις καὶ τοῖς σώμασι σφαλλομένους. πρῶτον μὲν γὰρ ἂ οὐκ ἔατε ἡμᾶς τοὺς παῖδας ποιεῖν, ταῦτα αὐτοὶ ἐποιεῖτε. πάντες μὲν γὰρ ἅμα ἐκεκράγειτε, ἐμανθάνετε δὲ οὐδὲν ἀλλήλων, ἥιδετε δὲ καὶ μάλα γελοίως, οὐκ ἀκροώμενοι δὲ τοῦ αἰδοντος ὠμνύετε ἄριστα αἰδεῖν· λέγων δὲ ἕκαστος ὑμῶν τὴν ἑαυτοῦ ῥώμην, ἔπειτ' εἰ ἀνασταίητε ὀρχησόμενοι, μὴ ὅπως ὀρχεῖσθαι ἐν ῥυθμῳ, ἀλλ' οὐδ' ὀρθοῦσθαι ἐδύνασθε. ἐπελέλησθε δὲ παντάπασιν σύ τε ὅτι βασιλεὺς ἦσθα, οἱ τε ἄλλοι ὅτι σὺ ἄρχων. τότε γὰρ δὴ ἔγωγε καὶ πρῶτον κατέμαθον ὅτι τοῦτ' ἄρ' ἦν ἡ ἰσηγῳρία ὃ ὑμεῖς τότε ἐποιεῖτε· οὐδέποτε γοῦν ἐσιωπᾶτε. [1.3.11] καὶ ὁ Ἀστυάγης λέγει· Ὁ δὲ σὸς πατήρ, ὦ παῖ, πίνων οὐ μεθύσκειται; Οὐ μὰ Δί', ἔφη. Ἀλλὰ πῶς ποιεῖ; Διψῶν παύεται, ἄλλο δὲ κακὸν οὐδὲν πάσχει· οὐ γάρ, οἶμαι, ὦ πάππε, Σάκας αὐτῷ οἰνοχοεῖ. καὶ ἡ μήτηρ εἶπεν· Ἀλλὰ τί ποτε σὺ, ὦ παῖ, τῷ Σάκῃ οὕτω πολεμεῖς; τὸν δὲ Κῦρον εἰπεῖν· Ὅτι νῆ Δία, φάναι, μισῶ αὐτὸν· πολλάκις γάρ με πρὸς τὸν πάππον ἐπιθυμοῦντα προσδραμεῖν οὗτος ὁ μιαιώτατος ἀποκωλύει. ἀλλ' ἰκετεύω, φάναι, ὦ πάππε, δός μοι τρεῖς ἡμέρας ἄρξαι αὐτοῦ. καὶ τὸν Ἀστυάγην εἰπεῖν· Καὶ πῶς ἂν ἄρξαις αὐτοῦ; καὶ τὸν Κῦρον φάναι· Στάς ἂν ὥσπερ οὗτος ἐπὶ τῇ εἰσόδῳ, ἔπειτα ὁπότε βούλοιτο παριέναι ἐπ' ἄριστον, λέγοιμι' ἂν ὅτι οὐπω δυνατόν τῳ ἀρίστῳ ἐντυχεῖν· σπουδάζει γὰρ πρὸς τινὰς· εἴθ' ὁπότε ἦκοι ἐπὶ τὸ δεῖπνον, λέγοιμι' ἂν ὅτι λούται· εἰ δὲ πάνυ σπουδάζοι

φαγεῖν, εἵποιμ' ἂν ὅτι παρὰ ταῖς γυναιξίν ἐστιν· ἕως παρατείναιμι τοῦτον ὥσπερ οὗτος ἐμέ παρατείνει ἀπὸ σοῦ κωλύων. [1.3.12] τοσαύτας μὲν αὐτοῖς εὐθυμίας παρεῖχεν ἐπὶ τῷ δεῖπνῳ· τὰς δ' ἡμέρας, εἴ τινος αἰσθοίτο δεόμενον ἢ τὸν ἀάππον ἢ τὸν τῆς μητρὸς ἀδελφόν, χαλεπὸν ἦν ἄλλον φθάσαι τοῦτο ποιήσαντα· ὃ τι γὰρ δύναίτο ὁ Κῦρος ὑπερέχαιρεν αὐτοῖς χαριζόμενος.

[1.3.13] Ἐπεὶ δὲ ἡ Μανδάνη παρεσκευάζετο ὡς ἀπιοῦσα πάλιν πρὸς τὸν ἄνδρα, ἐδεῖτο αὐτῆς ὁ Ἀστυάγης καταλιπεῖν τὸν Κῦρον. ἡ δὲ ἀπεκρίνατο ὅτι βούλοίτο μὲν ἅπαντα τῷ πατρὶ χαρίζεσθαι, ἄκοντα μέντοι τὸν παῖδα χαλεπὸν εἶναι νομίζειν καταλιπεῖν. ἔνθα δὴ ὁ Ἀστυάγης λέγει πρὸς τὸν Κῦρον· [1.3.14] ὦ παῖ, ἦν μένης παρ' ἐμοί, πρῶτον μὲν τῆς παρ' ἐμέ εισόδου σοι οὐ Σάκας ἄρξει, ἀλλ' ὁπότεν βούλῃ εἰσιέναι ὡς ἐμέ, ἐπὶ σοὶ ἔσται· καὶ χάριν σοι εἴσομαι ὅσῳ ἂν πλεονάκις εἰσίῃς ὡς ἐμέ. ἔπειτα δὲ ἵπποις τοῖς ἐμοῖς χρήσῃ καὶ ἄλλοις ὅποσους ἂν βούλῃ, καὶ ὁπότεν ἀπίῃς, ἔχων ἅπει οὓς ἂν αὐτὸς ἐθέλῃς. ἔπειτα δὲ ἐν τῷ δεῖπνῳ ἐπὶ τὸ μετρίως σοι δοκοῦν ἔχειν ὁποῖαν βούλῃ ὁδὸν πορεύσῃ. ἔπειτα τά τε νῦν ἐν τῷ παραδείσῳ θηρία δίδωμί σοι καὶ ἄλλα παντοδαπὰ συλλέξω, ἃ σὺ ἐπειδὴν τάχιστα ἱππεύειν μάθῃς, διώξῃ, καὶ τοξεύων καὶ ἀκοντίζων καταβαλεῖς ὥσπερ οἱ μεγάλοι ἄνδρες. καὶ παῖδας δέ σοι ἐγὼ συμπαίστορας παρέξω, καὶ ἄλλα ὅποσα ἂν βούλῃ λέγων πρὸς ἐμέ οὐκ ἀτυχήσεις. [1.3.15] ἐπεὶ ταῦτα εἶπεν ὁ Ἀστυάγης, ἡ μήτηρ διηρώτα τὸν Κῦρον πότερον βούλοίτο μένειν ἢ ἀπιέναι. ὁ δὲ οὐκ ἐμέλλησεν, ἀλλὰ ταχὺ εἶπεν ὅτι μένειν βούλοίτο. ἐπερωτηθεὶς δὲ πάλιν ὑπὸ τῆς μητρὸς διὰ τί εἰπεῖν λέγεται· Ὅτι οἴκοι μὲν τῶν ἡλίκων καὶ εἰμὶ καὶ δοκῶ κράτιστος εἶναι, ὧ μῆτερ, καὶ ἀκοντίζων καὶ τοξεύων, ἐνταῦθα δὲ οἷδ' ὅτι ἱππεύων ἡττων εἰμὶ τῶν ἡλίκων· καὶ τοῦτο εὖ ἴσθι, ὧ μῆτερ, ἔφη, ὅτι ἐμέ πάνυ ἀν1ᾱι. ἦν δὲ με καταλίπῃς ἐνθάδε καὶ μάθω ἱππεύειν, ὅταν μὲν ἐν Πέρσαις ὧ, οἷμαί σοι ἐκείνους τοὺς ἀγαθοὺς τὰ πεζικὰ ραϊδίως νικήσῃς, ὅταν δ' εἰς Μήδους ἔλθω, ἐνθάδε πειράσομαι τῷ πάππῳ ἀγαθὼν ἱππέων κράτιστος ὢν ἱππεὺς συμμαχεῖν αὐτῷ. τὴν δὲ μητέρα εἰπεῖν· [1.3.16] Τὴν δὲ δικαιοσύνην, ὧ παῖ, πῶς μαθήσῃ ἐνθάδε ἐκεῖ ὄντων σοι τῶν διδασκάλων; καὶ τὸν Κῦρον φάναι· Ἀλλ', ὧ μῆτερ, ἀκριβῶς ταῦτά γε οἶδα. Πῶς σὺ οἴσθα; τὴν Μανδάνην εἰπεῖν. Ὅτι, φάναι, ὁ διδάσκαλός με ὡς ἤδη ἀκριβοῦντα τὴν δικαιοσύνην καὶ ἄλλοις καθίστη δικάζειν. καὶ τοῖνυν, φάναι, ἐπὶ μιᾷ ποτε δίκηι πληγὰς ἔλαβον ὡς οὐκ ὀρθῶς

δικάσας. [1.3.17] ἦν δὲ ἡ δίκη τοιαύτη. παῖς μέγας μικρὸν ἔχων χιτῶνα παῖδα μικρὸν μέγαν ἔχοντα χιτῶνα ἐκδύσας αὐτὸν τὸν μὲν ἑαυτοῦ ἐκεῖνον ἡμφίεσε, τὸν δ' ἐκείνου αὐτὸς ἐνέδου. ἐγὼ οὖν τούτοις δικάζων ἔγνω βέλτιον εἶναι ἀμφοτέροις τὸν ἀρμόττοντα ἐκάτερον χιτῶνα ἔχειν. ἐν τούτῳ δὴ με ἔπαισεν ὁ διδάσκαλος, λέξας ὅτι ὁπότε μὲν τοῦ ἀρμόττοντος εἶην κριτῆς, οὕτω δέοι ποιεῖν, ὁπότε δὲ κρῖναι δέοι ποτέρου ὁ χιτῶν εἴη, τοῦτ' ἔφη σκεπτέον εἶναι τίς κτῆσις δικαία ἐστί, πότερα τὸ βίαι ἀφελόμενον ἔχειν ἢ τὸ ποιησάμενον ἢ πριάμενον κεκτῆσθαι· ἐπεὶ δὲ [ἔφη] τὸ μὲν νόμιμον δίκαιον εἶναι, τὸ δὲ ἄνομον βίαιον, σὺν τῷ νόμῳ ἐκέλευεν ἀεὶ τὸν δικαστὴν τὴν ψῆφον τίθεσθαι. οὕτως ἐγὼ σοι, ὦ μῆτερ, τά γε δίκαια παντάπασιν ἤδη ἀκριβῶς· ἦν δέ τι ἄρα προσδέωμαι, ὁ πάππος με, ἔφη, οὗτος ἐπιδιδάσκει. [1.3.18] Ἄλλ' οὐ ταῦτά, ἔφη, ὦ παῖ, παρὰ τῷ πάππῳ καὶ ἐν Πέρσαις δίκαια ὁμολογεῖται. οὗτος μὲν γὰρ τῶν ἐν Μήδοις πάντων ἑαυτὸν δεσπότην πεποιήκεν, ἐν Πέρσαις δὲ τὸ ἴσον ἔχειν δίκαιον νομίζεται. καὶ ὁ σὸς πρῶτος πατὴρ τὰ τεταγμένα μὲν ποιεῖ τῇ πόλει, τὰ τεταγμένα δὲ λαμβάνει, μέτρον δὲ αὐτῷ οὐχ ἡ ψυχὴ ἀλλ' ὁ νόμος ἐστίν. ὅπως οὖν μὴ ἀπολῇ μαστιγούμενος, ἐπειδὰν οἴκοι ἦις, ἂν παρὰ τούτου μαθὼν ἥκηις ἀντὶ τοῦ βασιλικοῦ τὸ τυραννικόν, ἐν ᾧ ἐστὶ τὸ πλέον οἶεσθαι χρῆναι πάντων ἔχειν. Ἄλλ' ὁ γε σὸς πατήρ, εἶπεν ὁ Κῦρος, δεινότερός ἐστιν, ὦ μῆτερ, διδάσκειν μείον ἢ πλέον ἔχειν· ἢ οὐχ ὁραῖς, ἔφη, ὅτι καὶ Μήδους ἅπαντας δεδίδαχεν αὐτοῦ μείον ἔχειν; ὥστε θάρρει, ὡς ὁ γε σὸς πατήρ οὐτ' ἄλλον οὐδένα οὐτ' ἐμὲ πλεονεκτεῖν μαθόντα ἀποπέμψει.

[1.4.1] Τοιαῦτα μὲν δὴ πολλὰ ἐλάλει ὁ Κῦρος· τέλος δὲ ἡ μὲν μήτηρ ἀπῆλθε, Κῦρος δὲ κατέμεινε καὶ αὐτοῦ ἐτρέφετο. καὶ ταχὺ μὲν τοῖς ἡλικιώταις συνεκέκρατο ὥστε οἰκείως διακεῖσθαι, ταχὺ δὲ τοὺς πατέρας αὐτῶν ἀνήρητο, προσίων καὶ ἔνδηλος ὢν ὅτι ἡσπάζετο αὐτῶν τοὺς υἱεῖς, ὥστε εἴ τι τοῦ βασιλέως δέοιντο, τοὺς παῖδας ἐκέλευον τοῦ Κῦρου δεῖσθαι διαπράξασθαι σφίσιν, ὁ δὲ Κῦρος, ὅ τι δέοιντο αὐτοῦ οἱ παῖδες, διὰ τὴν φιланθρωπίαν καὶ φιλοτιμίαν περὶ παντὸς ἐποιεῖτο διαπράττεσθαι, [1.4.2] καὶ ὁ Ἀστυάγης δὲ ὅ τι δέοιτο αὐτοῦ ὁ Κῦρος οὐδὲν ἐδύνατο ἀντέχειν μὴ οὐ χαρίζεσθαι. καὶ γὰρ ἀσθενήσαντος αὐτοῦ οὐδέποτε ἀπέλειπε τὸν πάππον οὐδὲ κλαίων ποτὲ ἐπαύετο, ἀλλὰ δῆλος ἦν πᾶσιν ὅτι ὑπερεφοβεῖτο μὴ οἱ ὁ πάππος ἀποθάνῃ· καὶ γὰρ ἐκ νυκτὸς εἴ τις δέοιτο Ἀστυάγης, πρῶτος ἡισθάνετο Κῦρος καὶ πάντων ἀοκνότατα ἀνεπήδα ὑπηρετήσων ὅ τι

οἷοιτο χαριεῖσθαι, ὥστε παντάπασιν ἀνεκτῆσατο τὸν Ἀστυάγην.

[1.4.3] Καὶ ἦν μὲν ἴσως πολυλογώτερος, ἅμα μὲν διὰ τὴν παιδείαν, ὅτι ἡναγκάζετο ὑπὸ τοῦ διδασκάλου καὶ διδόναι λόγον ὧν ἐποίει καὶ λαμβάνειν παρ' ἄλλων, ὁπότε δικάζοι, ἔτι δὲ καὶ διὰ τὸ φιλομαθῆς εἶναι πολλὰ μὲν αὐτὸς ἀεὶ τοὺς παρόντας ἀνθρώπα πῶς ἔχοντα τυγχάνοι, καὶ ὅσα αὐτὸς ὑπ' ἄλλων ἐρωτῶιτο, διὰ τὸ ἀγχίνους εἶναι ταχὺ ἀπεκρίνετο, ὥστ' ἐκ πάντων τούτων ἡ πολυλογία συνελέγετο αὐτῶν· ἀλλ' ὥσπερ γὰρ ἐν σώματι, ὅσοι νέοι ὄντες μέγεθος ἔλαβον, ὁμῶς ἐμφαίνεται τὸ νεαρὸν αὐτοῖς ὁ κατηγορεῖ τὴν ὀλιγοετίαν, οὕτω καὶ Κύρου ἐκ τῆς πολυλογίας οὐ θράσος διεφαίνετο, ἀλλ' ἀπλότης καὶ φιλοστοργία, ὥστ' ἐπεθύμει ἂν τις ἔτι πλείω αὐτοῦ ἀκούειν ἢ σιωπῶντι παρεῖναι.

[1.4.4] Ὡς δὲ προῆγεν αὐτὸν ὁ χρόνος σὺν τῷ μεγέθει εἰς ὥραν τοῦ πρόσηβον γενέσθαι, ἐν τούτῳ δὴ τοῖς μὲν λόγοις μανοτέροις ἐχρήτο καὶ τῇ φωνῇ ἡσυχαιτέραι, αἰδοῦς δ' ἐνεπίμπλατο ὥστε καὶ ἐρυθραίνεσθαι ὁπότε συντυγχάνοι τοῖς πρεσβυτέροις, καὶ τὸ σκυλακῶδες τὸ πᾶσιν ὁμοίως προσπίπτειν οὐκέθ' ὁμοίως προπετὲς εἶχεν. οὕτω δὴ ἡσυχαιέτερος μὲν ἦν, ἐν δὲ ταῖς συνουσίαις πάμπαν ἐπίχαρις. καὶ γὰρ ὅσα διαγωνίζονται πολλάκις ἥλικες πρὸς ἀλλήλους, οὐχ ἃ κρείττων ἦιδει ὧν, ταῦτα προυκαλεῖτο τοὺς συνόντας, ἀλλ' ἅπερ εὔ ἦιδει ἑαυτὸν ἦττονα ὄντα, ἐξῆρχε, φάσκων κάλλιον αὐτῶν ποιήσειν, καὶ κατῆρχεν ἤδη ἀναπηδῶν ἐπὶ τοὺς ἵππους ἢ διατοξενσόμενος ἢ διακοντιούμενος ἀπὸ τῶν ἵππων οὐπω πάνυ ἔποχος ὧν, ἡττώμενος δὲ αὐτὸς ἐφ' ἑαυτῷ μάλιστα ἐγέλα. [1.4.5] ὥς δ' οὐκ ἀπεδίδρασκεν ἐκ τοῦ ἡττᾶσθαι εἰς τὸ μὴ ποιεῖν ὃ ἡττῶιτο, ἀλλ' ἐκαλινδεῖτο ἐν τῷ πειρᾶσθαι αὐθις βέλτιον ποιεῖν, ταχὺ μὲν εἰς τὸ ἴσον ἀφίκετο τῇ ἵππικῇ τοῖς ἡλιξί, ταχὺ δὲ παρήγει διὰ τὸ ἐρᾶν τοῦ ἔργου, ταχὺ δὲ τὰ ἐν τῷ παραδείσῳ θηρία ἀνηλώκει διώκων καὶ βάλλων καὶ κατακαίνων, ὥστε ὁ Ἀστυάγης οὐκέτ' εἶχεν αὐτῷ συλλέγειν θηρία. καὶ ὁ Κύρος αἰσθόμενος ὅτι βουλόμενος οὐ δύναιτό οἱ ζῶντα πολλὰ παρέχειν, ἔλεγε πρὸς αὐτόν· ὦ πάππε, τί σε δεῖ θηρία ζητοῦντα πράγματ' ἔχειν; ἀλλ' ἐὰν ἐμὲ ἐκπέμπῃς ἐπὶ θήραν σὺν τῷ θείῳ, νομῶ ὅσα ἂν ἴδω θηρία, ἐμοὶ ταῦτα τρέφεσθαι. [1.4.6] ἐπιθυμῶν δὲ σφόδρα ἐξιέναι ἐπὶ τὴν θήραν οὐκέτι ὁμοίως λιπαρεῖν ἐδύνατο ὥσπερ παῖς ὧν, ἀλλ' ὀκνηρότερον προσήει. καὶ ἃ πρόσθεν τῷ Σάκαι ἐμέμφετο ὅτι οὐ παρίει αὐτὸν πρὸς τὸν πάττον, αὐτὸς ἤδη Σάκος ἑαυτῷ ἐγίγνετο· οὐ γὰρ προσήει, εἰ μὴ ἴδοι εἰ

καιρὸς εἴη, καὶ τοῦ Σάκα ἐδεῖτο πάντως σημαίνειν αὐτῷ ὅποτε ἐγγωροίη [καὶ ὅποτε καιρὸς εἴη]· ὥστε ὁ Σάκας ὑπερεφίλει ἤδη καὶ οἱ ἄλλοι πάντες.

[1.4.7] Ἐπεὶ δ' οὖν ἔγνω ὁ Ἀστυάγης σφόδρα αὐτὸν ἐπιθυμοῦντα ἔξω θηρᾶν, ἐκπέμπει αὐτὸν σὺν τῷ θείῳ καὶ φύλακας συμπέμπει ἐφ' ἵππων πρεσβυτέρους, ὅπως ἀπὸ τῶν δυσχωριῶν φυλάττοιεν αὐτὸν καὶ εἰ τῶν ἀγρίων τι φανείη θηρίων. ὁ οὖν Κῦρος τῶν ἐπομένων προθύμως ἐπυνθάνετο ποίοις οὐ χρή θηρίοις πελάζειν καὶ ποῖα χρή θαρροῦντα διώκειν. οἱ δ' ἔλεγον ὅτι ἄρκτοι τε πολλοὺς ἤδη πλησιάσαντας διέφθειραν καὶ κάπροι καὶ λέοντες καὶ παρδάλεις, αἱ δὲ ἔλαφοι καὶ δορκάδες καὶ οἱ ἄγριοι οἶες καὶ οἱ ὄνοι οἱ ἄγριοι ἀσινεῖς εἰσιν. ἔλεγον δὲ καὶ τοῦτο, τὰς δυσχωρίας ὅτι δέοι φυλάττεσθαι οὐδὲν ἥττον ἢ τὰ θηρία· πολλοὺς γὰρ ἤδη αὐτοῖς τοῖς ἵπποις κατακρημνισθῆναι. [1.4.8] καὶ ὁ Κῦρος πάντα ταῦτα ἐμάνθανε προθύμως· ὥς δὲ εἶδεν ἔλαφον ἐκπηδήσασαν, πάντων ἐπιλαθόμενος ὢν ἤκουσεν ἐδίωκεν οὐδὲν ἄλλο ὁρᾶν ἢ ὄπηι ἔφευγε. καὶ πῶς διαπηδῶν αὐτῷ ὁ ἵππος πίπτει εἰς γόνατα, καὶ μικροῦ κάκεῖνον ἐξετραχίλισεν. οὐ μὴν ἄλλ' ἐπέμεινεν ὁ Κῦρος μόλις πῶς, καὶ ὁ ἵππος ἐξάνεστη. ὥς δ' εἰς τὸ πεδῖον ἦλθεν, ἀκοντίσας καταβάλλει τὴν ἔλαφον, καλόν τι χρῆμα καὶ μέγα. καὶ ὁ μὲν δὴ ὑπερέχαιρεν· οἱ δὲ φύλακες προσελάσαντες ἐλοιδοροῦν αὐτὸν [καὶ ἔλεγον] εἰς οἶον κίνδυνον ἔλθοι, καὶ ἔφασαν κατερεῖν αὐτοῦ. ὁ οὖν Κῦρος εἰστήκει καταβεβηκῶς, καὶ ἀκούων ταῦτα ἡνιάτο. ὥς δ' ἦισθετο κραυγῆς, ἀνεπήδησεν ἐπὶ τὸν ἵππον ὥσπερ ἐνθουσιῶν, καὶ ὥς εἶδεν ἐκ τοῦ ἀντίου κάπρον προσφερόμενον, ἀντίος ἐλαύνει καὶ διατεινόμενος εὐστόχως βάλλει εἰς τὸ μέτωπον καὶ κατέσχε τὸν κάπρον. [1.4.9] ἐνταῦθα μέντοι ἤδη καὶ ὁ θεῖος αὐτῷ ἐλοιδορεῖτο, τὴν θρασύτητα ὁρῶν. ὁ δ' αὐτοῦ λοιδορουμένου ὅμως ἐδεῖτο ὅσα αὐτὸς ἔλαβε, ταῦτα ἐᾶσαι εἰσκομίσαντα δοῦναι τῷ πάππῳ. τὸν δὲ θεῖον εἰπεῖν φασιν· Ἄλλ' ἦν αἰσθηται ὅτι ἐδίωκες, οὐ σοὶ μόνον λοιδορήσεται, ἀλλὰ καὶ ἐμοί, ὅτι σε εἶων. Καὶ ἦν βούλῃται, φάναι αὐτόν, μαστιγωσάτω, ἐπειδάν γε ἐγὼ δῶ αὐτῷ. καὶ σύγε, ὅ τι βούλει, ἔφη, ὦ θεῖε, τιμωρησάμενος τοῦτο ὅμως χάρισάι μοι. καὶ ὁ Κναζάρης μέντοι τελευτῶν εἶπε· Ποίει ὅπως βούλει· σὺ γὰρ νῦν γε ἡμῶν ἔοικας βασιλεὺς εἶναι. [1.4.10] οὕτω δὴ ὁ Κῦρος εἰσκομίσας τὰ θηρία ἐδίδου τε τῷ πάππῳ καὶ ἔλεγεν ὅτι αὐτὸς ταῦτα θηράσειεν ἐκείνῳ. καὶ τὰ

ἀκόντια ἐπεδείκνυ μὲν οὐ, κατέθηκε δὲ ἡματωμένα ὅπου ὤιετο τὸν πάππον ὄψεσθαι. ὁ δὲ Ἀστυάγης ἄρα εἶπεν· Ἀλλ', ὦ παῖ, δέχομαι μὲν ἔγωγε ἡδέως ὅσα σὺ δίδως, οὐ μέντοι δέομαί γε τούτων οὐδενός, ὥστε σε κινδυνεύειν. καὶ ὁ Κῦρος ἔφη· Εἰ τοίνυν μὴ σὺ δέη, ἱκετεύω, ὦ πάππε, ἐμοὶ δὸς αὐτά, ὅπως τοῖς ἡλικιώταις ἐγὼ διαδῶ. Ἀλλ', ὦ παῖ, ἔφη ὁ Ἀστυάγης, καὶ ταῦτα λαβὼν διαδίδου ὅτῳ σὺ βούλει καὶ τῶν ἄλλων ὅποσα θέλεις. [1.4.11] καὶ ὁ Κῦρος λαβὼν ἐδίδου τε ἄρας τοῖς παισὶ καὶ ἅμα ἔλεγεν· Ὡ παῖδες, ὡς ἄρα ἐφλυαροῦμεν ὅτε τὰ ἐν τῷ παραδείσῳ θηρία ἐθιρῶμεν· ὅμοιον ἔμοιγε δοκεῖ εἶναι οἷόνπερ εἴ τις δεδεμένα ζῶια θηρώη. πρῶτον μὲν γὰρ ἐν μικρῷ χωρίῳ ἦν, ἔπειτα λεπτὰ καὶ ψωραλέα, καὶ τὸ μὲν αὐτῶν χολὸν ἦν, τὸ δὲ κολοβόν· τὰ δ' ἐν τοῖς ὄρεσι καὶ λειμῶσι θηρία ὡς μὲν καλά, ὡς δὲ μεγάλα, ὡς δὲ λιπαρὰ ἐφαίνετο. καὶ αἱ μὲν ἔλαφοι ὥσπερ πτηναὶ ἤλλοντο πρὸς τὸν οὐρανόν, οἱ δὲ κάπροι ὥσπερ τοὺς ἄνδρας φασὶ τοὺς ἀνδρείους ὁμόσε ἐφέροντο· ὑπὸ δὲ τῆς πλατύτητος οὐδὲ ἀμαρτεῖν οἷόν τ' ἦν αὐτῶν· καλλίῳ δὲ, ἔφη, ἔμοιγε δοκεῖ καὶ τεθνηκότα εἶναι ταῦτα ἢ ζῶντα ἐκεῖνα τὰ περιωικοδομημένα. ἀλλ' ἄρα ἂν, ἔφη, ἀφεῖεν καὶ ὑμᾶς οἱ πατέρες ἐπὶ θήραν; καὶ ῥαϊδίως γ' ἂν, ἔφασαν, εἰ Ἀστυάγης κελεύοι. [1.4.12] καὶ ὁ Κῦρος εἶπε· Τίς οὖν ἂν ἡμῖν Ἀστυάγῃ μνησθεῖη; Τίς γὰρ ἂν, ἔφασαν, σοῦ γε ἱκανώτερος πεῖσαι; Ἀλλὰ μὰ τὸν Δία, ἔφη, ἐγὼ μὲν οὐκ οἶδ' ὅστις ἄνθρωπος γεγένηται· οὐδὲ γὰρ οἷός τ' εἰμὶ λέγειν ἔγωγε οὐδ' ἀναβλέπειν πρὸς τὸν πάππον ἐκ τοῦ ἴσου ἔτι δύναμαι. ἦν δὲ τοσοῦτον ἐπιδιδῶ, δέδοικα, ἔφη, μὴ παντάπασιν βλάξ τις καὶ ἡλίθιος γένωμαι· παιδάριον δ' ὦν δεινότατος λαλεῖν ἐδόκουν εἶναι. καὶ οἱ παῖδες εἶπον· Πονηρὸν λέγεις τὸ πρᾶγμα, εἰ μὴδ' ὑπὲρ ἡμῶν ἂν τι δέηι δυνήσῃ πράττειν, ἀλλ' ἄλλου τινὸς τὸ ἐπὶ σὲ ἀνάγκη ἔσται δεῖσθαι ἡμᾶς. [1.4.13] ἀκούσας δὲ ταῦτα ὁ Κῦρος ἐδήχθη, καὶ σιγῇ ἀπελθὼν διακελευσάμενος ἑαυτῷ τολμᾶν εἰσηλθεῖν, ἐπιβουλεύσας ὅπως ἂν ἀλυπότατα εἴποι πρὸς τὸν πάππον καὶ διαπράξειεν αὐτῷ τε καὶ τοῖς παισὶν ὧν ἐδέοντο. ἤρξατο οὖν ὧδε.

Εἰπέ μοι, ἔφη, ὦ πάππε, ἦν τις ἀποδρᾶι σε τῶν οἰκετῶν καὶ λάβῃς αὐτόν, τί αὐτῷ χρήσι; Τί ἄλλο, ἔφη, ἢ δήσας ἐργάζεσθαι ἀναγκάσω; Ἦν δὲ αὐτόματος πάλιν ἔλθῃ, πῶς ποιήσεις; Τί δέ, ἔφη, εἰ μὴ μαστιγώσας γε, ἵνα μὴ αὐθις τοῦτο ποιῇ, ἐξ ἀρχῆς χρήσομαι; Ὡρα ἂν, ἔφη ὁ Κῦρος, σοὶ παρασκευάζεσθαι εἶη ὅτῳ μαστιγώσεις με, ὡς βουλευομαί γε ὅπως σε ἀποδρῶ λαβὼν τοὺς ἡλικιώτας ἐπὶ

θήραν. καὶ ὁ Ἀστυάγης, Καλῶς, ἔφη, ἐποίησας προειπών· ἔνδοθεν γάρ, ἔφη, ἀπαγορεύω σοι μὴ κινεῖσθαι. χαρίεν γάρ, ἔφη, εἰ ἔνεκα κρεαδίων τῇ θυγατρὶ τὸν παῖδα ἀποβουκολήσαιμι. [1.4.14] ἀκούσας ταῦτα ὁ Κῦρος ἐπέθετο μὲν καὶ ἔμεινεν, ἀνιάρως δὲ καὶ σκυθρωπὸς ὢν σιωπῇ διῆγεν, ὁ μέντοι Ἀστυάγης ἐπεὶ ἔγνω αὐτὸν λυπούμενον ἰσχυρῶς, βουλόμενος αὐτῷ χαρίζεσθαι ἐξάγει ἐπὶ θήραν, καὶ πεζοὺς πολλοὺς καὶ ἰππέας συναλίσσας καὶ τοὺς παῖδας καὶ συνελάσας εἰς τὰ ἰππάσιμα χωρία τὰ θηρία ἐποίησε μεγάλην θήραν. καὶ βασιλικῶς δὴ παρῶν αὐτὸς ἀπηγόρευε μηδὲνα βάλλειν, πρὶν Κῦρος ἐμπλησθεῖη θηρῶν. ὁ δὲ Κῦρος οὐκ εἶα κωλύειν, ἀλλ', Εἰ βούλει, ἔφη, ὦ πάππε, ἡδέως με θηρᾶν, ἄφες τοὺς κατ' ἐμὲ πάντας διώκειν καὶ διαγωνίζεσθαι ὅπως <ἀν> ἕκαστος κράτιστα δύναίτο. [1.4.15] ἐνταῦθα δὴ ὁ Ἀστυάγης ἀφίησι, καὶ στὰς ἐθεᾶτο ἀμιλλωμένους ἐπὶ τὰ θηρία καὶ φιλονικοῦντας καὶ διώκοντας καὶ ἀκοντίζοντας. καὶ Κύρῳ ἦδετο οὐ δυναμένῳ σιγᾶν ὑπὸ τῆς ἡδονῆς, ἀλλ' ὥσπερ σκύλακι γενναίῳ ἀνακλάζοντι, ὅποτε πλησιάζοι θηρίῳ, καὶ παρακαλοῦντι ὀνομαστὶ ἕκαστον. καὶ τοῦ μὲν καταγελῶντα αὐτὸν ὀρῶν ηὐφραίνετο, τὸν δὲ τινα καὶ ἐπαινοῦντα [αὐτὸν ἡσθάνετο] οὐδ' ὅπωςτιοῦν φθονερῶς. τέλος δ' οὖν πολλὰ θηρία ἔχων ὁ Ἀστυάγης ἀπήιει. καὶ τὸ λοιπὸν οὕτως ἦσθη τῇ τότε θήρῃ ὥστε αἰεὶ ὅποτε οἶόν τ' εἶη συνεξήιει τῷ Κύρῳ καὶ ἄλλους τε πολλοὺς παρελάμβανε καὶ τοὺς παῖδας, Κύρου ἔνεκα. τὸν μὲν δὴ πλεῖστον χρόνον οὕτω διῆγεν ὁ Κῦρος, πᾶσιν ἡδονῆς μὲν καὶ ἀγαθοῦ τινος συναίτιος ὢν, κακοῦ δὲ οὐδενός.

[1.4.16] Ἀμφὶ δὲ τὰ πέντε ἢ ἑκκαίδεκα ἔτη γενομένου αὐτοῦ ὁ υἱὸς τοῦ Ἀσσυρίων βασιλέως γαμεῖν μέλλων ἐπεθύμησε <καὶ> αὐτὸς θηρᾶσαι ἐς τοῦτον τὸν χρόνον. ἀκούων οὖν ἐν τοῖς μεθορίοις τοῖς τε αὐτῶν καὶ τοῖς Μήδων πολλὰ θηρία εἶναι ἀθήρευτα διὰ τὸν πόλεμον, ἐνταῦθα ἐπεθύμησεν ἐξελθεῖν. ὅπως οὖν ἀσφαλῶς θηρώη, ἰππέας τε προσέλαβε πολλοὺς καὶ πελταστάς, οἵτινες ἔμελλον αὐτῷ ἐκ τῶν λασίων τὰ θηρία ἐξελᾶν ἐς τὰ ἐργάσιμά τε καὶ εὐήλατα. ἀφικόμενος δὲ ὅπου ἦν αὐτοῖς τὰ φρούρια καὶ ἡ φυλακὴ, ἐνταῦθα ἐδειπνοποιεῖτο, ὡς πρῶτὴ τῇ ὑστεραίᾳ θηράσων. [1.4.17] ἤδη δὲ ἐσπέρας γενομένης ἡ διαδοχὴ τῇ πρόσθεν φυλακῇ ἔρχεται ἐκ πόλεως καὶ ἰππεῖς καὶ πεζοί. ἔδοξεν οὖν αὐτῷ πολλὴ στρατιὰ παρεῖναι· δύο γὰρ ὁμοῦ ἦσαν φυλακαί, πολλοὺς τε αὐτὸς ἦκεν ἔχων ἰππέας καὶ πεζοὺς. ἐβουλεύσατο οὖν κράτιστον εἶναι λεηλατῆσαι ἐκ τῆς Μηδικῆς, καὶ λαμπρότερόν τ' ἂν φανῆναι τὸ ἔργον τῆς θήρας καὶ

ιερείων ἂν πολλὴν ἀφθονίαν ἐνόμιζε γενέσθαι. οὕτω δὴ πρῶι ἀναστὰς ἤγε τὸ στράτευμα, καὶ τοὺς μὲν πεζοὺς κατέλιπεν ἀθρόους ἐν τοῖς μεθορίοις, αὐτὸς δὲ τοῖς ἵπποις προσελάσας πρὸς τὰ τῶν Μήδων φρουρία, τοὺς μὲν βελτίστους καὶ πλείστους ἔχων μεθ' ἑαυτοῦ ἐνταῦθα κατέμεινεν, ὥς μὴ βοηθοῖεν οἱ φρουροὶ τῶν Μήδων ἐπὶ τοὺς καταθέοντας, τοὺς δ' ἐπιτηδεῖους ἀφήκε κατὰ φυλάς ἄλλους ἄλλοσε καταθεῖν, καὶ ἐκέλευε περιβαλλομένους ὅτῳ τις ἐπιτυχάνοι ἐλαύνειν πρὸς ἑαυτόν. οἱ μὲν δὴ ταῦτα ἔπραττον.

[1.4.18] Σημανθέντων δὲ τῷ Ἀστυάγει ὅτι πολέμοι εἰσιν ἐν τῇ χώρῃ, ἐξεβοήθει καὶ αὐτὸς πρὸς τὰ ὄρια σὺν τοῖς περὶ αὐτὸν καὶ ὁ υἱὸς αὐτοῦ ὡσαύτως σὺν τοῖς παρατυχοῦσιν ἱππόταις, καὶ τοῖς ἄλλοις δὲ ἐσήμαινε πᾶσιν ἐκβοηθεῖν. ὥς δὲ εἶδον πολλοὺς ἀνθρώπους τῶν Ἀσσυρίων συντεταγμένους καὶ τοὺς ἱππέας ἡσυχίαν ἔχοντας, ἔστησαν καὶ οἱ Μῆδοι. ὁ δὲ Κῦρος ὁρῶν ἐκβοηθοῦντας καὶ τοὺς ἄλλους πασσυδί, ἐκβοηθεῖ καὶ αὐτὸς πρῶτον τότε ὅπλα ἐνδύς, οὐποτε οἰόμενος· οὕτως ἐπεθύμει αὐτοῖς ἐξοπλίσασθαι· μάλα δὲ καλὰ ἦν καὶ ἀρμόττοντα αὐτῷ ἃ ὁ πάππος περὶ τὸ σῶμα ἐπεποίητο. οὕτω δὴ ἐξοπλισάμενος προσήλασε τῷ ἵππῳ. καὶ ὁ Ἀστυάγης ἐθαύμασε μὲν τίνος κελεύσαντος ἦκοι, ὅμως δὲ εἶπεν αὐτῷ μένειν παρ' ἑαυτόν. [1.4.19] ὁ δὲ Κῦρος ὡς εἶδε πολλοὺς ἱππέας ἀντίους, ἤρετο· Ἥ οὗτοι, ἔφη, ὦ πάππε, πολέμοι εἰσιν, οἱ ἐφεστήκασι τοῖς ἵπποις ἡρέμα; Πολέμοι μέντοι, ἔφη. Ἥ καὶ ἐκεῖνοι, ἔφη, οἱ ἐλαύνοντες; Κάκεῖνοι μέντοι. Νῆ τὸν Δί', ἔφη, ὦ πάππε, ἄλλ' οὖν πονηροὶ γε φαινόμενοι καὶ ἐπὶ πονηρῶν ἱπαρίων ἄγουσιν ἡμῶν τὰ χρήματα· οὐκοῦν χρή ἐλαύνειν τινὰς ἡμῶν ἐπ' αὐτούς. Ἀλλ' οὐχ ὁρᾷς, ἔφη, ὦ παῖ, ὅσον τὸ στίφος τῶν ἱππέων ἔστηκε συντεταγμένον; οἱ ἦν ἐπ' ἐκείνους ἡμεῖς ἐλαύνωμεν, ὑποτεμοῦνται ἡμᾶς πάλιν [ἐκεῖνοι]· ἡμῖν δὲ οὐπω ἡ ἰσχὺς πάρεστιν. Ἀλλ' ἦν σὺ μένης, ἔφη ὁ Κῦρος, καὶ ἀναλαμβάνης τοὺς προσβοηθοῦντας, φοβήσονται οὗτοι καὶ οὐ κινήσονται, οἱ δ' ἄγοντες εὐθὺς ἀφήσουσι τὴν λείαν, ἐπειδὰν ἴδωσί τινας ἐπ' αὐτοὺς ἐλαύνοντας.

[1.4.20] Ταῦτ' εἰπόντος αὐτοῦ ἔδοξε τι λέγειν τῷ Ἀστυάγει. καὶ ἅμα θαυμάζων ὥς καὶ ἐφρόνει καὶ ἐγρηγόρει κελεύει τὸν υἱὸν λαβόντα τάξιν ἱππέων ἐλαύνειν ἐπὶ τοὺς ἄγοντας τὴν λείαν. ἐγὼ δέ, ἔφη, ἐπὶ τούσδε, ἦν ἐπὶ σὲ κινῶνται, ἐλῶ, ὥστε ἀναγκασθήσονται ἡμῖν προσέχειν τὸν νοῦν. οὕτω δὴ ὁ Κυαξάρης λαβὼν τῶν ἐρρωμένων ἵπων τε καὶ ἀνδρῶν προσελαύνει. καὶ ὁ Κῦρος ὡς εἶδεν

ὀρμωμένους, ἔξορμαῖ, καὶ αὐτὸς πρῶτος ἡγεῖτο ταχέως, καὶ ὁ Κυαζάρης μέντοι ἐφείπετο, καὶ οἱ ἄλλοι δὲ οὐκ ἀπελείποντο. ὥς δὲ εἶδον αὐτοὺς πελάζοντας οἱ λεηλατοῦντες, εὐθὺς ἀφέντες τὰ χρήματα ἔφευγον. [1.4.21] οἱ δ' ἀμφὶ τὸν Κῦρον ὑπετέμνοντο, καὶ οὓς μὲν κατελάμβανον εὐθὺς ἔπαιον, πρῶτος δὲ ὁ Κῦρος, ὅσοι δὲ παραλλάξαντες αὐτῶν ἔφθασαν, κατόπιν τούτους ἐδίωκον, καὶ οὐκ ἀνίεσαν, ἀλλ' ἤηρουν τινὰς αὐτῶν. ὥσπερ δὲ κύων γενναῖος ἄπειρος ἀπρονοήτως φέρεται πρὸς κάπρον, οὕτω καὶ ὁ Κῦρος ἐφέρετο, μόνον ὀρῶν τὸ παίειν τὸν ἀλίσκόμενον, ἄλλο δ' οὐδὲν προνοῶν. οἱ δὲ πολέμιοι ὥς ἐώρων πονοῦντας τοὺς σφετέρους, προυκίνησαν τὸ στίφος, ὥς παυσομένους τοῦ διωγμοῦ, ἐπεὶ σφᾶς ἴδοιεν προορμήσαντας. [1.4.22] ὁ δὲ Κῦρος οὐδὲν μᾶλλον ἀνίει, ἀλλ' ὑπὸ τῆς χαρμονῆς ἀνακαλῶν τὸν θεῖον ἐδίωκε καὶ ἰσχυρὰν τὴν φυγὴν τοῖς πολεμίοις κατέχων ἐποίει, καὶ ὁ Κυαζάρης μέντοι ἐφείπετο, ἴσως καὶ αἰσχυρόμενος τὸν πατέρα, καὶ οἱ ἄλλοι δὲ εἶποντο, προθυμότεροι ὄντες ἐν τῷ τοιούτῳ εἰς τὸ διώκειν καὶ οἱ μὴ πάνυ πρὸς τοὺς ἐναντίους ἄλκιμοι ὄντες. ὁ δὲ Ἀστυάγης ὥς ἐώρα τοὺς μὲν ἀπρονοήτως διώκοντας, τοὺς δὲ πολεμίους ἀθρόους τε καὶ τεταγμένους ὑπαντῶντας, δείσας περὶ τε τοῦ υἱοῦ καὶ τοῦ Κύρου μὴ εἰς παρεσκευασμένους ἀτάκτως ἐμπεσόντες πάθοιέν τι, ἡγεῖτο εὐθὺς πρὸς τοὺς πολεμίους. [1.4.23] οἱ δ' αὖ πολέμιοι ὥς εἶδον τοὺς Μήδους προκινήθοντας, διατεινόμενοι οἱ μὲν τὰ παλτὰ οἱ δὲ τὰ τόξα εἰστήκεσαν, ὥς δὴ, ἐπειδὴ εἰς τόξευμα ἀφίκοντο, στησομένους, ὥσπερ τὰ πλεῖστα εἰώθεσαν ποιεῖν. μέχρι γὰρ τοσούτου, ὅποτε ἐγγύτατα γένοιτο, προσήλανον ἀλλήλοις καὶ ἠκροβολίζοντο πολλάκις μέχρι ἐσπέρας. ἐπεὶ δὲ ἐώρων τοὺς μὲν σφετέρους φυγῇ εἰς ἑαυτοὺς φερομένους, τοὺς δ' ἀμφὶ τὸν Κῦρον ἐπ' αὐτοὺς ὁμοῦ ἀγομένους, τὸν δὲ Ἀστυάγην σὺν τοῖς ἵπποις ἐντὸς γιγνόμενον ἤδη τοξεύματος, ἐκκλίνουσι καὶ φεύγουσιν ὁμόθεν διώκοντας ἀνὰ κράτος· ἤηρουν δὲ πολλούς· καὶ τοὺς μὲν ἀλίσκομένους ἔπαιον καὶ ἵππους καὶ ἄνδρας, τοὺς δὲ πίπτοντας κατέκαινον· καὶ οὐ πρόσθεν ἔστησαν πρὶν ἢ πρὸς τοῖς πεζοῖς τῶν Ἀσσυρίων ἐγένοντο. ἐνταῦθα μέντοι δείσαντες μὴ καὶ ἐνέδρα τις μεῖζων ὑπεῖη, ἐπέσχον. [1.4.24] ἐκ τούτου δὴ ἀνῆγεν ὁ Ἀστυάγης, μάλα χαίρων καὶ τῇ ἱπποκρατίᾳ, καὶ τὸν Κῦρον οὐκ ἔχων ὃ τι χρὴ λέγειν, αἴτιον μὲν ὄντα εἰδὼς τοῦ ἔργου, μαινόμενον δὲ γινώσκων τῇ τόλμῃ. καὶ γὰρ τότε ἀπιόντων οἵκαδε μόνος τῶν ἄλλων ἐκεῖνος οὐδὲν ἄλλο ἢ τοὺς πεπτωκότας

περιελαύνων ἐθεᾶτο, καὶ μόλις αὐτὸν ἀφελκύσαντες οἱ ἐπὶ τοῦτο ταχθέντες προσήγαγον τῷ Ἀστυάγει, μάλα ἐπίπροσθεν ποιούμενον τοὺς προσάγοντας, ὅτι ἑώρα τὸ πρόσωπον τοῦ πάππου ἡγριωμένον ἐπὶ τῇ θεᾷ τῇ αὐτοῦ. [1.4.25] Ἐν μὲν δὴ Μήδοις ταῦτα ἐγεγένητο, καὶ οἱ τε ἄλλοι πάντες τὸν Κῦρον διὰ στόματος εἶχον καὶ ἐν λόγῳ καὶ ἐν ᾠδαῖς, ὃ τε Ἀστυάγης καὶ πρόσθεν τιμῶν αὐτὸν τότε ὑπερεξεπέπληκτο ἐπ' αὐτῷ. Καμβύσης δὲ ὁ τοῦ Κύρου πατὴρ ἤδετο μὲν πυνθανόμενος ταῦτα, ἐπεὶ δ' ἤκουσεν ἔργα ἀνδρὸς ἤδη διαχειριζόμενον τὸν Κῦρον, ἀπεκάλει δὴ, ὅπως τὰ ἐν Πέρσαις ἐπιχώρια ἐπιτελοίῃ. καὶ ὁ Κῦρος δὲ ἐνταῦθα λέγεται εἰπεῖν ὅτι ἀπιέναι βούλοιο, μὴ ὁ πατὴρ τι ἄχθοιτο καὶ ἡ πόλις μέμφοιτο. καὶ τῷ Ἀστυάγει δὲ ἐδόκει εἶναι ἀναγκαῖον ἀποπέμπειν αὐτόν. ἔνθα δὴ ἵππους τε αὐτῷ δοὺς οὓς αὐτὸς ἐπεθύμει λαβεῖν καὶ ἄλλα συσκευάσας πολλὰ ἔπεμπε καὶ διὰ τὸ φιλεῖν αὐτὸν καὶ ἅμα ἐλπίδας ἔχων μεγάλας ἐν αὐτῷ ἄνδρα ἔσεσθαι ἱκανὸν καὶ φίλους ὠφελεῖν καὶ ἐχθροὺς ἀνιᾶν. ἀπιόντα δὲ τὸν Κῦρον προὔπεμπον πάντες [καὶ παῖδες] καὶ ἡλικες καὶ ἄνδρες καὶ γέροντες ἐφ' ἵππων καὶ Ἀστυάγης αὐτός, καὶ οὐδένα ἔφασαν ὄντιν' οὐ δακρύοντ' ἀποστρέφεσθαι. [1.4.26] καὶ Κῦρον δὲ αὐτὸν λέγεται σὺν πολλοῖς δακρύοις ἀποχωρῆσαι. πολλὰ δὲ δῶρα διαδοῦναι φασιν αὐτὸν τοῖς ἡλικιώταις ὧν Ἀστυάγης αὐτῷ ἐδεδώκει, τέλος δὲ καὶ ἦν εἶχε στολὴν τὴν Μηδικὴν ἐκδύντα δοῦναι τι, δηλοῦνθ' ὅτι τοῦτον μάλιστα ἠσπάζετο. τοὺς μέντοι λαβόντας καὶ δεξαμένους τὰ δῶρα λέγεται Ἀστυάγει ἀπενεγκεῖν, Ἀστυάγην δὲ δεξάμενον Κύρῳ ἀποπέμψαι, τὸν δὲ πάλιν τε ἀποπέμψαι εἰς Μήδους καὶ εἰπεῖν· Εἰ βούλει, ὦ πάππε, ἐμὲ καὶ πάλιν ἰέναι ὥς σὲ μὴ αἰσχυρόμενον, ἔα ἔχειν εἴ τῷ τι ἐγὼ δέδωκα· Ἀστυάγην δὲ ταῦτα ἀκούσαντα ποιῆσαι ὥσπερ Κῦρος ἐπέστειλεν.

[1.4.27] Εἰ δὲ δεῖ καὶ παιδικοῦ λόγου ἐπιμνησθῆναι, λέγεται, ὅτε Κῦρος ἀπῆι καὶ ἀπηλλάττοντο ἀπ' ἀλλήλων, τοὺς συγγενεῖς φιλοῦντας τῷ στόματι ἀποπέμπεσθαι αὐτὸν νόμῳ Περσικῷ· καὶ γὰρ νῦν ἔτι τοῦτο ποιοῦσι Πέρσαι· ἄνδρα δέ τινα τῶν Μήδων μάλα καλὸν καγαθὸν ὄντα ἐκπεπλήχθαι πολὺν τινα χρόνον ἐπὶ τῷ κάλλει τοῦ Κύρου, ἡνίκα δὲ ἑώρα τοὺς συγγενεῖς φιλοῦντας αὐτόν, ὑπολειφθῆναι· ἐπεὶ δ' οἱ ἄλλοι ἀπῆλθον, προσελθεῖν τῷ Κύρῳ καὶ εἰπεῖν· Ἐμὲ μόνον οὐ γινώσκεις τῶν συγγενῶν, ὦ Κῦρε; Τί δέ, εἰπεῖν τὸν Κῦρον, ἥ καὶ σὺ συγγενὴς εἶ; Μάλιστα, φάναι. Ταῦτ' ἄρα, εἰπεῖν τὸν Κῦρον, καὶ ἐνεώρας μοι· πολλάκις γὰρ δοκῶ σε

γινώσκειν τοῦτο ποιῶντα. Προσελθεῖν γάρ σοι, ἔφη, αἰεὶ βουλόμενος ναὶ μὰ τοὺς θεοὺς ἡσυχνόμην. Ἄλλ' οὐκ ἔδει, φάναι τὸν Κῦρον, συγγενῇ γε ὄντα· ἅμα δὲ προσελθόντα φιλεῖσαι αὐτόν. [1.4.28] καὶ τὸν Μῆδον φιληθέντα ἐρέσθαι· Ἦ καὶ ἐν Πέρσαις νόμος ἐστὶν οὗτος συγγενεῖς φιλεῖν; Μάλιστα, φάναι, ὅταν γε ἴδωσιν ἀλλήλους διὰ χρόνου ἢ ἀπίωσί ποι ἀπ' ἀλλήλων. Ὡρα ἂν εἴη, ἔφη ὁ Μῆδος, μάλα πάλιν σε φιλεῖν ἐμέ· ἀπέρχομαι γάρ, ὡς ὀράεις, ἤδη. οὕτω καὶ τὸν Κῦρον φιλήσαντα πάλιν ἀποπέμπειν καὶ ἀπιέναι. καὶ ὁδόν τε οὐπω πολλὴν διηνύσθαι αὐτοῖς καὶ τὸν Μῆδον ἥκειν πάλιν ἰδρῶντι τῷ ἵππῳ· καὶ τὸν Κῦρον ἰδόντα, Ἄλλ' ἦ, φάναι, ἐπελάθου τι ὧν ἐβούλου εἰπεῖν; Μὰ Δία, φάναι, ἀλλ' ἤκω διὰ χρόνου. καὶ τὸν Κῦρον εἰπεῖν· Νῆ Δί', ὦ σύγγενες, δι' ὀλίγου γε. Ποίου ὀλίγου; εἰπεῖν τὸν Μῆδον. οὐκ οἶσθα, φάναι, ὦ Κῦρε, ὅτι καὶ ὅσον σκαρδαμύττω χρόνον, πάνυ πολὺς μοι δοκεῖ εἶναι, ὅτι οὐχ ὀρῶ σε τότε τοιοῦτον ὄντα; ἐνταῦθα δὴ τὸν Κῦρον γελάσαι τε ἐκ τῶν ἔμπροσθεν δακρύων καὶ εἰπεῖν αὐτῷ θαρρεῖν ἀπιόντι, ὅτι παρέσται αὐτοῖς ὀλίγου χρόνου, ὥστε ὀρᾶν ἐξέσται κἂν βούληται ἀσκαρδαμυκτί.

[1.5.1] Ὁ μὲν δὴ Κῦρος οὕτως ἀπελθὼν ἐν Πέρσαις ἐνιαυτὸν λέγεται ἐν τοῖς παισὶν ἔτι γενέσθαι. καὶ τὸ μὲν πρῶτον οἱ παῖδες ἔσκαπτον αὐτὸν ὡς ἡδυπαθεῖν ἐν Μήδοις μεμαθηκῶς ἦκου· ἐπεὶ δὲ καὶ ἐσθίοντα αὐτὸν ἐώρων ὥσπερ καὶ αὐτοὶ ἡδέως καὶ πίνοντα, καὶ εἴ ποτε ἐν ἐορτῇ εὐωχία γένοιτο, ἐπιδιδόντα μᾶλλον αὐτὸν τοῦ ἑαυτοῦ μέρους ἡσθάνοντο ἢ προσδεόμενον, καὶ πρὸς τούτοις δὲ τᾶλλα κρατιστεύοντα αὐτὸν ἐώρων ἑαυτῶν, ἐνταῦθα δὴ πάλιν ὑπέπτησσαν αὐτῷ οἱ ἥλικες. ἐπεὶ δὲ διελθὼν τὴν παιδείαν ταύτην ἤδη εἰσῆλθεν εἰς τοὺς ἐφήβους, ἐν τούτοις αὖ ἐδόκει κρατιστεύειν καὶ μελετῶν ἃ χρῆν καὶ καρτερῶν καὶ αἰδούμενος τοὺς πρεσβυτέρους καὶ πειθόμενος τοῖς ἄρχουσι.

[1.5.2] Προϊόντος δὲ τοῦ χρόνου ὁ μὲν Ἀστυάγης ἐν τοῖς Μήδοις ἀποθνήσκει, ὁ δὲ Κυαξζάρης ὁ τοῦ Ἀστυάγου παῖς, τῆς δὲ Κύρου μητρὸς ἀδελφός, τὴν βασιλείαν ἔσχε τὴν Μήδων. ὁ δὲ τῶν Ἀσσυρίων βασιλεὺς κατεστραμμένος μὲν πάντας Σύρους, φῶλον πάμπλου, ὑπήκοον δὲ πεποιημένος τὸν Ἀραβίων βασιλέα, ὑπηκόους δὲ ἔχων ἤδη καὶ Ὑρκανίους, πολιορκῶν δὲ καὶ Βακτρίους, ἐνόμιζεν, εἰ τοὺς Μήδους ἀσθενεῖς ποιήσεις, πάντων γε τῶν πέριξ ραϊδίως ἄρξειν· ἰσχυρότατον γὰρ τῶν ἐγγὺς φύλων τοῦτο ἐδόκει εἶναι. [1.5.3] οὕτω δὴ διαπέμπει πρὸς τε τοὺς ὑπ' αὐτὸν πάντας καὶ πρὸς Κροῖσον

τὸν Λυδῶν βασιλέα καὶ πρὸς τὸν Καππαδοκῶν καὶ πρὸς Φρύγας ἀμφοτέρους καὶ πρὸς Παφλαγόνας καὶ Ἰνδοὺς καὶ πρὸς Κᾶρας καὶ Κίλικας, τὰ μὲν καὶ διαβάλλων τοὺς Μήδους καὶ Πέρσας, λέγων ὡς μεγάλα τ' εἴη ταῦτα ἔθνη καὶ ἰσχυρὰ καὶ συνεστηκότα εἰς ταυτό, καὶ ἐπιγαμίας ἀλλήλοις πεποιημένοι εἶεν, καὶ κινδυνεύοιεν, εἰ μὴ τις αὐτοὺς φθάσας ἀσθενώσῃ, ἐπὶ ἓν ἕκαστον τῶν ἐθνῶν ἰόντες καταστρέψασθαι. οἱ μὲν δὴ καὶ τοῖς λόγοις τούτοις πειθόμενοι συμμαχίαν αὐτῷ ἐποιοῦντο, οἱ δὲ καὶ δώροις καὶ χρήμασιν ἀναπειθόμενοι· πολλὰ γὰρ καὶ τοιαῦτα ἦν αὐτῷ. [1.5.4] Κυαζάρης δὲ [ὁ τοῦ Ἀστυάγου παῖς] ἐπεὶ ἡσθάνετο τὴν τ' ἐπιβουλήν καὶ τὴν παρασκευὴν τῶν συνισταμένων ἐφ' ἑαυτόν, αὐτὸς τε εὐθέως ὅσα ἐδύνατο ἀντιπαρεσκευάζετο καὶ εἰς Πέρσας ἔπεμπε πρὸς τε τὸ κοινὸν καὶ πρὸς Καμβύσην τὸν τὴν ἀδελφὴν ἔχοντα καὶ βασιλεύοντα ἐν Πέρσαις. ἔπεμπε δὲ καὶ πρὸς Κῦρον, δεόμενος αὐτοῦ πειρᾶσθαι ἄρχοντα ἐλθεῖν τῶν ἀνδρῶν, εἴ τινας ἐμποὶ στρατιώτας τὸ Περσῶν κοινόν. ἦδη γὰρ καὶ ὁ Κῦρος διατετελεκῶς τὰ ἐν τοῖς ἐφήβοις δέκα ἔτη ἐν τοῖς τελείοις ἀνδράσιν ἦν. [1.5.5] οὕτω δὴ δεξαμένου τοῦ Κύρου οἱ βουλευόντες γεραίτεροι αἰροῦνται αὐτὸν ἄρχοντα τῆς εἰς Μήδους στρατιᾶς. ἔδοσαν δὲ αὐτῷ καὶ προσελέσθαι διακοσίους τῶν ὁμοτίμων, τῶν δ' αὖ διακοσίων ἐκάστῳ τέτταρας ἔδωκαν προσελέσθαι καὶ τούτους ἐκ τῶν ὁμοτίμων· γίνονται μὲν δὴ οὗτοι χίλιοι· τῶν δ' αὖ χιλίων τούτων ἐκάστῳ ἔταξαν ἐκ τοῦ δήμου τῶν Περσῶν δέκα μὲν πελταστὰς προσελέσθαι, δέκα δὲ σφενδονήτας, δέκα δὲ τοξότας· καὶ οὕτως ἐγένοντο μύριοι μὲν τοξόται, μύριοι δὲ πελτασταί, μύριοι δὲ σφενδονῆται· χωρὶς δὲ τούτων οἱ χίλιοι ὑπῆρχον. τοσαύτη μὲν δὴ στρατιὰ τῷ Κύρῳ ἐδόθη. [1.5.6] ἐπεὶ δὲ ἡιρέθη τάχιστα, ἤρχετο πρῶτον ἀπὸ τῶν θεῶν· καλλιερησάμενος δὲ τότε προσηρεῖτο τοὺς διακοσίους· ἐπεὶ δὲ προσεείλοντο καὶ οὗτοι δὴ τοὺς τέτταρας ἕκαστοι, συνέλεξεν αὐτοὺς καὶ εἶπε τότε πρῶτον ἐν αὐτοῖς τάδε.

[1.5.7] Ἄνδρες φίλοι, ἐγὼ προσειλόμην μὲν ὑμᾶς, οὐ νῦν πρῶτον δοκιμάσας, ἀλλ' ἐκ παίδων ὁρῶν ὑμᾶς ἃ μὲν καλὰ ἡ πόλις νομίζει, προθύμως ταῦτα ἐκπονοῦντας, ἃ δὲ αἰσχρὰ ἡγεῖται, παντελῶς τούτων ἀπεχομένους. ὧν δ' ἕνεκα αὐτὸς τε οὐκ ἄκων εἰς τόδε τὸ τέλος κατέστην καὶ ὑμᾶς παρεκάλεσα δηλῶσαι ὑμῖν βούλομαι. [1.5.8] ἐγὼ γὰρ κατενόησα ὅτι οἱ πρόγονοι χεῖρονες μὲν ἡμῶν οὐδὲν ἐγένοντο· ἀσκοῦντες γοῦν κάκεῖνοι διετέλεσαν ἅπερ ἔργα ἀρετῆς

νομίζεται· ὅ τι μέντοι προσεκτήσαντο τοιοῦτοι ὄντες ἢ τῷ τῶν Περσῶν κοινῷ ἀγαθὸν ἢ αὐτοῖς, τοῦτ' οὐκέτι δύναμαι ἰδεῖν. [1.5.9] καίτοι ἐγὼ οἶμαι οὐδεμίαν ἀρετὴν ἀσκεῖσθαι ὑπ' ἀνθρώπων ὥς μηδὲν πλέον ἔχουσιν οἱ ἐσθλοὶ γενόμενοι τῶν πονηρῶν, ἀλλ' οἱ τε τῶν παρὰ τὴν πόλιν ἡδονῶν ἀπεχόμενοι οὐχ ἵνα μηδέποτε εὐφρανθῶσι, τοῦτο πράττουσιν, ἀλλ' ὥς διὰ ταύτην τὴν ἐγκράτειαν πολλαπλάσια εἰς τὸν ἔπειτα χρόνον εὐφρανόμενοι οὕτω παρασκευάζονται· οἱ τε λέγειν προθυμούμενοι δεινοὶ γενέσθαι οὐχ ἵνα εὖ λέγοντες μηδέποτε παύσωνται, τοῦτο μελετῶσιν, ἀλλ' ἐλπίζοντες τῷ λέγειν εὖ πείθοντες ἀνθρώπους πολλὰ καὶ μεγάλα ἀγαθὰ διαπράξεσθαι· οἱ τε αὖ τὰ πολεμικὰ ἀσκοῦντες οὐχ ὥς μαχόμενοι μηδέποτε παύσωνται, τοῦτ' ἐκπονοῦσιν, ἀλλὰ νομίζοντες καὶ οὗτοι τὰ πολεμικὰ ἀγαθὰ γενόμενοι πολλὴν μὲν ὄλβον, πολλὴν δὲ εὐδαιμονίαν, μεγάλας δὲ τιμὰς καὶ ἑαυτοῖς καὶ πόλει περιάψειν. [1.5.10] εἰ δέ τινες ταῦτα ἐκπονήσαντες πρὶν τινα καρπὸν ἀπ' αὐτῶν κομίσασθαι περιεῖδον αὐτοὺς γῆραι ἀδυνάτους γενομένους, ὅμοιον ἔμοιγε δοκοῦσι πεπονθέναι οἷον εἴ τις γεωργὸς ἀγαθὸς προθυμηθεὶς γενέσθαι καὶ εὖ σπεύρων καὶ εὖ φυτεύων, ὁπότε καρποῦσθαι ταῦτα δέοι, ἐώη τὸν καρπὸν ἀσυγκόμιστον εἰς τὴν γῆν πάλιν καταρρεῖν. καὶ εἴ τις γε ἀσκητὴς πολλὰ πονήσας καὶ ἀξιόνικος γενόμενος ἀναγώνιστος διατελέσειεν, οὐδ' ἂν οὗτός μοι δοκεῖ δικαίως ἀναίτιος εἶναι ἀφροσύνης. [1.5.11] ἀλλ' ἡμεῖς, ὦ ἄνδρες, μὴ πάθωμεν ταῦτα, ἀλλ' ἐπεὶ περ σύνισμεν ἡμῖν αὐτοῖς ἀπὸ παίδων ἀρξάμενοι ἀσκηταὶ ὄντες τῶν καλῶν καὶ ἀγαθῶν ἔργων, ἴωμεν ἐπὶ τοὺς πολεμίους, οὓς ἐγὼ σαφῶς ἐπίσταμαι ἰδιώτας ὄντας ὥς πρὸς ἡμᾶς ἀγωνίζεσθαι. οὐ γάρ πω οὗτοι ἱκανοὶ εἰσιν ἀγωνισταί, οἱ ἂν τοξεύωσι καὶ ἀκοντίζωσι καὶ ἱππεύωσιν ἐπιστημόνως, ἣν δὲ πονήσαι δέη, τούτῳ λείπωνται, ἀλλ' οὗτοι ἰδιωταὶ εἰσι κατὰ τοὺς πόνους· οὐδέ γε οἵτινες ἀγρυπνήσαι δέον ἡττῶνται τούτου, ἀλλὰ καὶ οὗτοι ἰδιῶται κατὰ τὸν ὕπνον· οὐδέ γε οἱ ταῦτα μὲν ἱκανοί, ἀπαίδευτοι δὲ ὥς χρὴ καὶ συμμάχοις καὶ πολεμίους χρῆσθαι, ἀλλὰ καὶ οὗτοι δῆλον ὥς τῶν μεγίστων παιδευμάτων ἀπείρως ἔχουσιν. [1.5.12] ὑμεῖς δὲ νυκτὶ μὲν δήπου ὅσα περ οἱ ἄλλοι ἡμέραι δύνασθ' ἂν χρῆσθαι, πόνους δὲ τοῦ ζῆν ἡδέως ἡγεμόνας νομίζετε, λιμῷ δὲ ὅσα περ ὄψωι διαχρῆσθε, ὑδροποσίαν δὲ ῥᾶιον τῶν λεόντων φέρετε, κάλλιστον δὲ πάντων καὶ πολεμικώτατον κτῆμα εἰς τὰς ψυχὰς συγκεκόμισθε· ἐπαινούμενοι γὰρ μᾶλλον ἢ τοῖς ἄλλοις ἅπασι χαίρετε. τοὺς δ' ἐπαίνου ἐραστὰς

ἀνάγκη διὰ τοῦτο πάντα μὲν πόνον, πάντα δὲ κίνδυνον ἡδέως ὑποδύεσθαι. [1.5.13] εἰ δὲ ταῦτα ἐγὼ λέγω περὶ ὑμῶν ἄλλῃ γινώσκων, ἑμαυτὸν ἐξαπατῶ. ὃ τι γὰρ μὴ τοιοῦτον ἀποβήσεται παρ' ὑμῶν, εἰς ἐμὲ τὸ ἐλλεῖπον ἦξει. ἀλλὰ πιστεύω τοι τῇ πείρῃ καὶ τῇ ὑμῶν εἰς ἐμὲ εὐνοίᾳ καὶ τῇ τῶν πολέμιων ἀνοίᾳ μὴ ψεύσειν με ταύτας τὰς ἀγαθὰς ἐλπίδας. ἀλλὰ θαρροῦντες ὁρμώμεθα, ἐπειδὴ καὶ ἐκποδῶν ἡμῖν γεγένηται τὸ δόξαι τῶν ἀλλοτρίων ἀδίκως ἐφίεσθαι. νῦν γὰρ ἔρχονται μὲν οἱ πολέμοι ἄρχοντες ἀδίκων χειρῶν, καλοῦσι δὲ ἡμᾶς ἐπικούρους οἱ φίλοι· τί οὖν ἐστὶν ἢ τοῦ ἀλέξασθαι δικαιοτέρον ἢ τοῦ τοῖς φίλοις ἀρήγειν κάλλιον; [1.5.14] ἀλλὰ μὴν κάκεῖνο οἶμαι ὑμᾶς θαρρεῖν, τὸ μὴ παρημεληκότα με τῶν θεῶν τὴν ἔξοδον ποιεῖσθαι· πολλὰ γάρ μοι συνόντες ἐπίστασθε οὐ μόνον τὰ μεγάλα ἀλλὰ καὶ τὰ μικρὰ πειρώμενον ἀεὶ ἀπὸ θεῶν ὁρμᾶσθαι. τέλος εἶπε· Τί δεῖ ἔτι λέγειν; ἀλλ' ὑμεῖς μὲν τοὺς ἄνδρας ἐλόμενοι καὶ ἀναλαβόντες καὶ τᾶλλα παρασκευασάμενοι ἴτε ἐς Μήδους ἐγὼ δ' ἐπανελθὼν πρὸς τὸν πατέρα πρόειμι δῆ, ὅπως τὰ τῶν πολέμιων ὡς τάχιστα μαθὼν οἶά ἐστι παρασκευάζωμαι ὃ τι ἂν δέωμαι, ὅπως ὡς κάλλιστα σὺν θεῷ ἀγωνιζώμεθα. οἱ μὲν δὴ ταῦτα ἔπραττον.

[1.6.1] Κῦρος δὲ ἐλθὼν οἴκαδε καὶ προσευξάμενος Ἑστίαι πατρώϊα καὶ Διὶ πατρώϊω καὶ τοῖς ἄλλοις θεοῖς ὠρμάτο ἐπὶ τὴν στρατείαν, συμπρούπεμπε δὲ αὐτὸν καὶ ὁ πατέρ. ἐπεὶ δὲ ἔξω τῆς οἰκίας ἐγένοντο, λέγονται ἀστραπαὶ καὶ βρονταὶ αὐτῷ αἰσιοὶ γενέσθαι. τούτων δὲ φανέντων οὐδὲν ἄλλο ἔτι οἰωνιζόμενοι ἐπορεύοντο, ὡς οὐδένα ἂν λύσαντα τᾶ τοῦ μεγίστου θεοῦ σημεῖα.

[1.6.2] Προϊόντι δὲ τῷ Κύρῳ ὁ πατὴρ ἤρχετο λόγου τοιοῦδε. ὦ παῖ, ὅτι μὲν οἱ θεοὶ ἴλεώι τε καὶ εὐμενεῖς πέμπουσίν σε καὶ ἐν ἱεροῖς δῆλον καὶ ἐν οὐρανίοις σημείοις· γινώσκεις δὲ καὶ αὐτός. ἐγὼ γάρ σε ταῦτα ἐπιτηδες ἐδίδαζάμην, ὅπως μὴ δι' ἄλλων ἐρμηνέων τὰς τῶν θεῶν συμβουλίας συνιείης, ἀλλ' αὐτὸς καὶ ὁρῶν τὰ ὁρατὰ καὶ ἀκούων τὰ ἀκουστὰ γινώσκῃς καὶ μὴ ἐπὶ μάντεσιν εἴης, εἰ βούλῃ σε ἐξαπατᾶν ἕτερα λέγοντες ἢ τὰ παρὰ τῶν θεῶν σημαινόμενα, μηδ' αὖ, εἴ ποτε ἄρα ἄνευ μάντεως γένοιο, ἀποροῖο θείῃς σημείοις ὃ τι χρῶιο, ἀλλὰ γινώσκων διὰ τῆς μαντικῆς τὰ παρὰ τῶν θεῶν συμβουλευόμενα, τούτοις πείθοιο. [1.6.3] Καὶ μὲν δῆ, ὦ πάτερ, ἔφη ὁ Κῦρος, ὡς ἂν ἴλεωι οἱ θεοὶ ὄντες ἡμῖν συμβουλεύειν θέλωσιν, ὅσον δύναμαι κατὰ τὸν σὸν λόγον διατελῶ ἐπιμελούμενος. μέμνημαι γάρ, ἔφη, ἀκούσας ποτὲ σου ὅτι εἰκότως ἂν καὶ παρὰ θεῶν

πρακτικώτερος εἴη ὥσπερ καὶ παρ' ἀνθρώπων ὅστις μὴ ὁπότε ἐν ἀπόροις εἴη, τότε κολακεύοι, ἀλλ' ὅτε τὰ ἄριστα πράττοι, τότε μάλιστα τῶν θεῶν μεμνητο· καὶ τῶν φίλων δ' ἔφησθα χρῆναι ὡσαύτως οὕτως ἐπιμελεῖσθαι. [1.6.4] Οὐκοῦν νῦν, ἔφη, ὦ παῖ, διὰ γ' ἐκείνας τὰς ἐπιμελείας ἥδιον μὲν ἔρχηαι πρὸς τοὺς θεοὺς δεησόμενος, ἐλπίζεις δὲ μᾶλλον τεύξεσθαι ὧν ἂν δέηι, ὅτι συνειδέναι σαυτῷ δοκεῖς οὐπώποτ' ἀμελήσας αὐτῶν; Πάνυ μὲν οὖν, ἔφη, ὦ πάτερ, ὡς πρὸς φίλους μοι ὄντας τοὺς θεοὺς οὕτω διάκειμαι. [1.6.5] Τί γάρ, ἔφη, ὦ παῖ, μέμνησαι ἐκεῖνα ἃ ποτε ἐδόκει ἡμῖν, ὡς ἅπερ δεδώκασιν οἱ θεοὶ μαθόντας ἀνθρώπους βέλτιον πράττειν ἢ ἀνεπιστήμονας αὐτῶν ὄντας καὶ ἐργαζομένους μᾶλλον ἀνύτειν ἢ ἀργοῦντας καὶ ἐπιμελουμένους ἀσφαλέστερον [ἂν] διάγειν ἢ ἀφυλακτοῦντας τούτων, – παρέχοντας οὖν τοιούτους ἑαυτοὺς οἴους δεῖ, οὕτως ἡμῖν ἐδόκει δεῖν καὶ αἰτεῖσθαι τὰγαθὰ παρὰ τῶν θεῶν; [1.6.6] Ναὶ μὰ Δί', ἔφη ὁ Κῦρος, μέμνημαι μέντοι τοιαῦτα ἀκούσας σου· καὶ γὰρ ἀνάγκη με πείθεσθαι τῷ λόγῳ· καὶ γὰρ οἶδά σε λέγοντα ἀεὶ ὡς οὐδὲ θέμις εἴη αἰτεῖσθαι παρὰ τῶν θεῶν οὔτε ἱππεύειν μὴ μαθόντας ἵππομαχοῦντας νικᾶν, οὔτε μὴ ἐπισταμένους τοξεύειν τοξεύοντας κρατεῖν τῶν ἐπισταμένων, οὔτε μὴ ἐπισταμένους κυβερνᾶν σώζειν εὖχεσθαι ναῦς κυβερνῶντας, οὐδὲ μὴ σπείροντάς γε σῖτον εὖχεσθαι καλὸν αὐτοῖς φύεσθαι, οὐδὲ μὴ φυλαττομένους γε ἐν πολέμῳ σωτηρίαν αἰτεῖσθαι· παρὰ γὰρ τοὺς τῶν θεῶν θεσμοὺς πάντα τὰ τοιαῦτα εἶναι· τοὺς δὲ ἀθέμιτα εὐχομένους ὁμοίως ἔφησθα εἰκὸς εἶναι παρὰ θεῶν ἀτυχεῖν ὥσπερ καὶ παρὰ ἀνθρώπων ἀπρακτεῖν τοὺς παράνομα δεομένους.

[1.6.7] Ἐκείνων δέ, ὦ παῖ, ἐπελάθου ἃ ποτε ἐγὼ καὶ σὺ ἐλογιζόμεθα ὡς ἱκανὸν εἴη καὶ καλὸν ἀνδρὶ ἔργον, εἴ τις δύναιτο ἐπιμεληθῆναι ὅπως ἂν αὐτός τε καλὸς καὶ ἀγαθὸς δοκίμως γένοιτο καὶ τὰ ἐπιτήδεια αὐτός τε καὶ οἱ οἰκέται ἱκανῶς ἔχοιεν; τὸ δέ, τούτου μεγάλου ἔργου ὄντος, οὕτως ἐπίστασθαι ἀνθρώπων ἄλλων προστατεύειν ὅπως ἔξουσι πάντα τὰ ἐπιτήδεια ἐκπλεῶ καὶ ὅπως ἔσονται πάντες οἴους δεῖ, τοῦτο θαυμαστὸν δῆπου ἡμῖν τότε ἐφαίνετο εἶναι. [1.6.8] Ναὶ μὰ Δί', ἔφη, ὦ πάτερ, μέμνημαι καὶ τοῦτό σου λέγοντος· συνεδόκει οὖν καὶ ἐμοὶ ὑπερμέγεθες εἶναι ἔργον τὸ καλῶς ἄρχειν· καὶ νῦν γ', ἔφη, ταῦτά μοι δοκεῖ ταῦτα, ὅταν πρὸς αὐτὸ τὸ ἄρχειν σκοπῶν λογίζωμαι. ὅταν μέντοι γε πρὸς ἄλλους ἀνθρώπους ἰδὼν κατανοήσω οἷοι ὄντες διαγίγνονται ἄρχοντες καὶ οἷοι ὄντες ἀνταγωνισταὶ ἡμῖν ἔσονται,

πάνυ μοι δοκεῖ αἰσχρὸν εἶναι τὸ τοιούτους ὑποπτῆξαι καὶ μὴ θέλιν
ιέναι αὐτοῖς ἀνταγωνιούμενους· οὕς, ἔφη, ἐγὼ αἰσθάνομαι
ἀρξάμενος ἀπὸ τῶν ἡμετέρων φίλων τούτων ἡγουμένους δεῖν τὸν
ἄρχοντα τῶν ἀρχομένων διαφέρειν τῷ καὶ πολυτελέστερον δειπνεῖν
καὶ πλεον ἔχειν ἔνδον χρυσίον καὶ πλείονα χρόνον καθεύδειν καὶ
πάντα ἀπονώτερον τῶν ἀρχομένων διάγειν. ἐγὼ δὲ οἶμαι, ἔφη, τὸν
ἄρχοντα οὐ τῷ ραϊδιουργεῖν χρῆναι διαφέρειν τῶν ἀρχομένων, ἀλλὰ
τῷ προνοεῖν καὶ φιλοπονεῖν. [1.6.9] Ἀλλὰ τοι, ἔφη, ὦ παῖ, ἐνία ἐστὶν ἃ
οὐ πρὸς ἀνθρώπους ἀγωνιστέον, ἀλλὰ πρὸς αὐτὰ τὰ πράγματα, ὧν
οὐ ραϊδίων εὐπόρως περιγενέσθαι. αὐτίκα δήπου οἶσθα ὅτι εἰ μὴ ἔξει
τὰ ἐπιτήδεια ἢ στρατιά, καταλελύσεται σου ἡ ἀρχή. Οὐκοῦν ταῦτα
μέν, ἔφη, ὦ πάτερ, Κυαξάρης φησὶ παρέξειν τοῖς ἐντεῦθεν ἰοῦσι
πᾶσιν ὁπόσοι ἂν ᾖσι. Τούτοις δὴ σύ, ἔφη, ὦ παῖ, πιστεύων ἔρχη,
τοῖς παρὰ Κυαξάρου χρήμασιν; Ἐγώ, ἔφη ὁ Κῦρος. Τί δέ, ἔφη,
οἶσθα ὁπόσα αὐτῷ ἐστι; Μὰ τὸν Δί', ἔφη ὁ Κῦρος, οὐ μὲν δή. Ὅμως
δὲ τούτοις πιστεύεις τοῖς ἀδήλοισ; ὅτι δὲ πολλῶν μὲν σοὶ δεήσει,
πολλὰ δὲ καὶ ἄλλα νῦν ἀνάγκη δαπανᾶν ἐκεῖνον, οὐ γινώσκεις;
Γινώσκω, ἔφη ὁ Κῦρος. Ἦν οὖν, ἔφη, ἐπιλίπη αὐτὸν ἡ δαπάνη ἢ
καὶ ἐκὼν ψεύσεται, πῶς σοι ἔξει τὰ τῆς στρατιᾶς; Δῆλον ὅτι οὐ
καλῶς. ἀτάρ, ἔφη, ὦ πάτερ, σὺ εἰ ἐνοραῖς τινα πόρον καὶ ἀπ' ἐμοῦ ἂν
προσγενόμενον, ἕως ἔτι ἐν φιλαί ἐσμέν, λέγε. [1.6.10] Ἐρωταῖς, ἔφη, ὦ
παῖ, ποῦ ἂν ἀπὸ σοῦ πόρος προσγένοιτο; ἀπὸ τίνος δὲ μᾶλλον εἰκός
ἐστὶ πόρον γενέσθαι ἢ ἀπὸ τοῦ δύναμιν ἔχοντος; σὺ δὲ πεζὴν μὲν
δύναμιν ἐνθένδε ἔχων ἔρχη ἀνθ' ἧς οἶδ' ὅτι πολλαπλασίαν ἄλλην
οὐκ ἂν δέξαιο, ἵππικὸν δέ σοι, ὅπερ κράτιστον, τὸ Μήδων σύμμαχον
ἔσται. ποῖον οὖν ἔθνος τῶν πέριξ οὐ δοκεῖ σοι καὶ χαρίζεσθαι
βουλόμενον ὑμῖν ὑπηρετήσιν καὶ φοβούμενον μὴ τι πάθῃ; ἃ χρή σε
κοινῇ σὺν Κυαξάρῃ σκοπεῖσθαι μήποτε ἐπιλίπη τι ὑμᾶς ὧν δεῖ
ὑπάρχειν, καὶ ἔθους δὲ ἔνεκα μηχανᾶσθαι προσόδου πόρον. τότε δὲ
πάντων μάλιστά μοι μέμνησο μηδέποτε ἀναμένειν τὸ πορίζεσθαι τὰ
ἐπιτήδεια ἔστ' ἂν ἡ χρεία σε ἀναγκάσῃ· ἀλλ' ὅταν μάλιστα
εὐπορῇς, τότε πρὸ τῆς ἀπορίας μηχανῶ. καὶ γὰρ τεύξῃ μᾶλλον παρ'
ὧν ἂν δέηι μὴ ἄπορος δοκῶν εἶναι, καὶ ἔτι ἀναίτιος ἔσῃ παρὰ τοῖς
σαντοῦ στρατιώταις· ἐκ τούτου δὲ μᾶλλον καὶ ὑπ' ἄλλων αἰδοῦς
τεύξῃ, καὶ ἦν τινας βούλῃ ἢ εὖ ποιῆσαι τῇ δυνάμει ἢ κακῶς,
μᾶλλον ἕως ἂν ἔχωσι τὰ δέοντα οἱ στρατιῶται ὑπηρετήσουσί σοι, καὶ
πειστικωτέρους, σάφ' ἴσθι, λόγους δυνήσῃ τότε λέγειν ὅτανπερ καὶ

ἐνδείκνυσθαι μάλιστα δύνηι καὶ εὖ ποιεῖν ἱκανὸς ὢν καὶ κακῶς. [1.6.11] Ἀλλ', ἔφη, ὦ πάτερ, ἄλλως τέ μοι καλῶς δοκεῖς ταῦτα λέγειν πάντα, καὶ ὅτι ὢν μὲν νῦν λέγονται λήψεσθαι οἱ στρατιῶται, οὐδεὶς αὐτῶν ἐμοὶ τούτων χάριν εἴσεται· ἴσασι γὰρ ἐφ' οἷς αὐτοὺς Κυαξάρης ἐπάγεται συμμάχους· ὃ τι δ' ἂν πρὸς τοῖς εἰρημένοις λαμβάνη τις, ταῦτα καὶ τιμὴν νομιοῦσι καὶ χάριν τούτων εἰκὸς εἰδέναι τῷ διδόντι. τὸ δ' ἔχοντα δύναμιν ἢ ἔστι μὲν φίλους εὖ ποιοῦντα ἀντωφελεῖσθαι, ἔστι δὲ ἐχθροὺς [ἔχοντα] πειρᾶσθαι τείσασθαι, ἔπειτ' ἀμελεῖν τοῦ πορίζεσθαι, οἷε τι, ἔφη, ἥττον τι τοῦτο εἶναι αἰσχρὸν ἢ εἴ τις ἔχων μὲν ἀγρούς, ἔχων δὲ ἐργάτας οἷς ἂν ἐργάζοιτο, ἔπειτ' ἐώη τὴν ἀργοῦσαν ἀνωφέλητον εἶναι; Ὡς γ' ἐμοῦ, ἔφη, μηδέποτε ἀμελήσοντος τοῦ τὰ ἐπιτήδεια τοῖς στρατιώταις συμμηχανᾶσθαι μήτ' ἐν φιλαίᾳ μήτ' ἐν πολεμίᾳ οὕτως ἔχε τὴν γνώμην.

[1.6.12] Τί γάρ, ἔφη, ὦ παῖ, τῶν ἄλλων, ὢν ἐδόκει ποθ' ἡμῖν ἀναγκαῖον εἶναι μὴ παραμελεῖν, ἢ μέμνησαι; Οὐ γάρ, ἔφη, μέμνημαι ὅτε ἐγὼ μὲν πρὸς σὲ ἦλθον ἐπ' ἀργύριον, ὅπως ἀποδοίην τῷ φάσκοντι στρατηγεῖν με πεπαιδευκένας, σὺ δὲ ἅμα διδούς μοι ἐπηρώτας ὧδέ πως· Ἄρά γε, εἶπας, ὦ παῖ, ἐν τοῖς στρατηγικοῖς καὶ οἰκονομίᾳ τί σοι ἐπεμνήσθη ὁ ἀνὴρ ὧι τὸν μισθὸν φέρεις; οὐδὲν μέντοι ἥττον οἱ στρατιῶται τῶν ἐπιτηδείων δέονται ἢ οἱ ἐν οἴκῳ οἰκέται. ἐπεὶ δ' ἐγὼ σοι λέγων τάληθ' εἶπον ὅτι οὐδ' ὅτιοῦν περὶ τούτου ἐπεμνήσθη, ἐπήρου με πάλιν εἴ τί μοι ὑγιείας πέρι ἢ ῥώμης ἔλεξεν, ὥς δεῆσον τούτων ὥσπερ καὶ τῆς στρατηγίας τὸν στρατηγὸν ἐπιμελεῖσθαι. [1.6.13] ὥς δὲ καὶ ταῦτ' ἀπέφησα, ἐπήρου με αὖ πάλιν εἴ τινας τέχνας ἐδίδασκεν, αἱ τῶν πολεμικῶν ἔργων κράτισται ἂν σύμμαχοι γένοιτο. ἀποφῆσαντες δέ μου καὶ τοῦτο ἀνέκρινας αὖ σὺ καὶ τότε εἴ τί μ' ἐπαίδευσεν ὥς ἂν δυναίμην στρατιᾷ προθυμίαν ἐμβαλεῖν, λέγων ὅτι τὸ πᾶν διαφέρει ἐν παντὶ ἔργῳ προθυμία ἀθυμίας. ἐπεὶ δὲ καὶ τοῦτο ἀνένευον, ἤλεγχες αὖ σὺ εἴ τινα λόγον ποιήσαιτο διδάσκων περὶ τοῦ πείθεσθαι τὴν στρατιάν, ὥς ἂν τις μάλιστα μηχανῶιτο. [1.6.14] ἐπεὶ δὲ καὶ τοῦτο παντάπασιν ἄρρητον ἐφαίνετο, τέλος δὴ μ' ἐπήρου ὃ τι ποτὲ διδάσκων στρατηγίαν φαίη με διδάσκειν. καὶ γὰρ δὴ ἐνταῦθα ἀποκρίνομαι ὅτι τὰ τακτικά. καὶ σὺ γελάσας διηλθές μοι παρατιθεῖς ἕκαστον τί εἴη ὄφελος στρατιᾷ τακτικῶν ἄνευ τῶν ἐπιτηδείων, τί δ' ἄνευ τοῦ ὑγιαίνειν, τί δ' ἄνευ τοῦ ἐπίστασθαι τὰς ἡύρημένας εἰς πόλεμον τέχνας, .. τί δ' ἄνευ τοῦ πείθεσθαι. ὥς δέ μοι καταφανὲς ἐποίησας ὅτι μικρόν τι μέρος εἴη

στρατηγίας τὰ τακτικά, ἐπερομένου μου εἴ τι τούτων σύ με διδάξει
ικανὸς εἶης, ἀπιόντα με ἐκέλευσας τοῖς στρατηγικοῖς νομιζομένοις
ἀνδράσι διαλέγεσθαι καὶ πυθέσθαι πῇ ἕκαστα τούτων γίγνεται. [1.6.15]
ἐκ τούτου δ' ἐγὼ συνῆν τούτοις, οὓς μάλιστα φρονίμους περὶ τούτων
ἤκουον εἶναι. καὶ περὶ μὲν τροφῆς ἐπέισθην ἱκανὸν εἶναι ὑπάρχον ὃ
τι Κυαζάρης ἐμελλε παρέξειν ἡμῖν, περὶ δὲ ὑγείας, ἀκούων καὶ ὁρῶν
ὅτι καὶ πόλεις αἱ χρήζουσιν ὑγιαίνειν ἰατροὺς αἰροῦνται καὶ οἱ
στρατηγοὶ τῶν στρατιωτῶν ἕνεκεν ἰατροὺς ἐξάγουσιν, οὕτω καὶ ἐγὼ
ἐπεὶ ἐν τῷ τέλει τούτῳ ἐγενόμην, εὐθύς τούτου ἐπεμελήθην, καὶ
οἶμαι, ἔφη, ὦ πάτερ, πάνυ ἱκανοὺς τὴν ἱατρικὴν τέχνην ἔξειν μετ'
ἐμαυτοῦ ἀνδρας. πρὸς ταῦτα δὴ ὁ πατήρ εἶπεν· [1.6.16] Ἄλλ', ὦ παῖ,
ἔφη, οὗτοι μὲν οὓς λέγεις, ὥσπερ ἱματίων ῥαγέντων εἰσὶ τινες
ἀκεσταί, οὕτω καὶ οἱ ἰατροί, ὅταν τινὲς νοσήσωσι, τότε ἰδῶνται
τούτους· σοὶ δὲ τούτου μεγαλοπρεπεστέρα ἔσται ἡ τῆς ὑγείας
ἐπιμέλεια· τὸ γὰρ ἀρχὴν μὴ κάμνειν τὸ στράτευμα, τούτου σοὶ δεῖ
μέλειν. Καὶ τίνα δὴ ἐγὼ, ἔφη, ὦ πάτερ, ὁδὸν ἰὼν τοῦτο πράττειν
ικανὸς ἔσομαι; Ἦν μὲν δὴπου χρόνον τινὰ μέλλης ἐν τῷ αὐτῷ
μένειν, ὑγεινοῦ πρῶτον δεῖ στρατοπέδου μὴ ἀμελεῖσαι· τούτου δὲ
οὐκ ἂν ἀμάρτοις, ἄνπερ μελήσῃ σοι. καὶ γὰρ λέγοντες οὐδὲν
παύονται ἄνθρωποι περὶ τε τῶν νοσηρῶν χωρίων καὶ περὶ τῶν
ὑγιεινῶν· μάρτυρες δὲ σαφεῖς ἑκατέροις αὐτῶν παρίστανται τὰ τε
σώματα καὶ τὰ χρώματα. ἔπειτα δὲ οὐ τὰ χωρία μόνον ἀρκέσει
σκέψασθαι, ἀλλὰ μνήσθητι σὺ πῶς πειρᾷ σαυτοῦ ἐπιμελεῖσθαι ὅπως
ὑγιαίνης. [1.6.17] καὶ ὁ Κῦρος εἶπε· Πρῶτον μὲν νῆ Δία πειρῶμαι
μηδέποτε ὑπερπίμπλασθαι· δύσφορον γάρ· ἔπειτα δὲ ἐκπονῶ τὰ
εἰσιόντα· οὕτω γάρ μοι δοκεῖ ἢ τε ὑγίεια μᾶλλον παραμένειν καὶ
ἰσχύς προσγενέσθαι. Οὕτω τοίνυν, ἔφη, ὦ παῖ, καὶ τῶν ἄλλων δεῖ
ἐπιμελεῖσθαι. Ἦ καὶ σχολή, ἔφη, ὦ πάτερ, ἔσται, σωμασκεῖν τοῖς
στρατιώταις; Οὐ μὰ Δί', ἔφη ὁ πατήρ, οὐ μόνον γε, ἀλλὰ καὶ ἀνάγκη.
δεῖ γὰρ δὴπου στρατιάν, εἰ μέλλει πράξειν τὰ δέοντα, μηδέποτε
παύεσθαι ἢ τοῖς πολεμίοις κακὰ πορσύνουσιν ἢ ἑαυτῇ ἀγαθὰ· ὥς
χαλεπὸν μὲν καὶ ἓνα ἄνθρωπον ἀργὸν τρέφεσθαι, πολὺ δ' ἔτι
χαλεπώτερον, ὦ παῖ, οἶκον ὅλον, πάντων δὲ χαλεπώτατον στρατιάν
ἀργὸν τρέφειν. πλείστα τε γὰρ τὰ ἐσθίοντα ἐν στρατιᾷ καὶ ἀπ'
ἐλαχίστων ὁρμώμενα καὶ οἷς ἂν λάβῃ δαυηλέστατα χρώμενα, ὥστε
οὐποτε ἀργεῖν δεήσει στρατιάν. [1.6.18] Λέγεις σύ, ἔφη, ὦ πάτερ, ὥς
ἐμοὶ δοκεῖ, ὥσπερ οὐδὲ γεωργοῦ ἀργοῦ οὐδὲν ὄφελος, οὕτως οὐδὲ

στρατηγοῦ ἀργοῦντος οὐδὲν ὄφελος εἶναι. Τὸν δέ γε ἐργάτην στρατηγὸν ἐγώ, ἔφη, ἀναδέχομαι, ἢν μή τις θεὸς βλάβῃ, ἅμα καὶ τὰ ἐπιτήδεια μάλιστα ἔχοντας τοὺς στρατιώτας ἀποδείξιν καὶ τὰ σώματα ἄριστα ἔχοντας παρασκευάσειν. Ἀλλὰ μέντοι, ἔφη, τό γε μελετᾶσθαι ἕκαστα τῶν πολεμικῶν ἔργων, ἀγῶνας ἂν τίς μοι δοκεῖ, ἔφη, ὃ πάτερ, προειπὼν ἐκάστοις καὶ ἄθλα προτιθεῖς μάλιστ' ἂν ποιεῖν εὖ ἀσκεῖσθαι ἕκαστα, ὥστε ὁπότε δέοιτο ἔχειν ἂν παρεσκευασμένοις χρῆσθαι. ;κάλιστα λέγεις, ἔφη, ὃ παῖ· τοῦτο γὰρ ποιήσας, σάφ' ἴσθι, ὥσπερ χοροὺς τὰς τάξεις ἀεὶ τὰ προσήκοντα μελετώσας θεάσῃ.

[1.6.19] Ἀλλὰ μὴν, ὁ Κῦρος ἔφη, εἷς γε τὸ προθυμίαν ἐμβαλεῖν στρατιώταις οὐδέν μοι δοκεῖ ἰκανώτερον εἶναι ἢ τὸ δύνασθαι ἐλπίδας ἐμποιεῖν ἀνθρώποις. Ἀλλ', ἔφη, ὃ παῖ, τοῦτό γε τοιοῦτόν ἐστιν οἷόν περ εἴ τις κύνας ἐν θήρῃ ἀνακαλοῖτο ἀεὶ τῇ κλήσει ἥπερ ὅταν τὸ θηρίον ὀρᾷ. τὸ μὲν γὰρ πρῶτον προθύμως εὖ οἶδ' ὅτι ἔχει ὑπακουούσας· ἢν δὲ πολλάκις ψεύδῃται αὐτάς, τελευτῶσαι οὐδ' ὁπότεν ἀληθῶς ὀρῶν καλῇ πείθονται αὐτῷ. οὕτω καὶ τὸ περὶ τῶν ἐλπίδων ἔχει· ἢν πολλάκις προσδοκίας ἀγαθῶν ἐμβάλων ψεύδῃται τις, οὐδ' ὁπότεν ἀληθεῖς ἐλπίδας λέγῃ ὁ τοιοῦτος πείθειν δύναται. ἀλλὰ τοῦ μὲν αὐτὸν λέγειν ἃ μὴ σαφῶς εἰδείῃ εἰργεσθαι δεῖ, ὃ παῖ, ἄλλοι δ' ἐνετοὶ λέγοντες ταῦτ' ἂν διαπράττειεν· τὴν δ' αὐτοῦ παρακέλευσιν εἰς τοὺς μεγίστους κινδύνους δεῖ ὡς μάλιστα ἐν πίστει διασώζειν. Ἀλλὰ ναὶ μὰ τὸν Δί', ἔφη ὁ Κῦρος, ὃ πάτερ, καλῶς μοι δοκεῖς λέγειν, καὶ ἐμοὶ οὕτως ἥδιον. [1.6.20] τό γε μὴν πειθομένους παρέχεσθαι τοὺς στρατιώτας, οὐκ ἀπείρως μοι δοκῶ αὐτοῦ ἔχειν, ὃ πάτερ· σύ τε γάρ με εὐθὺς τοῦτο ἐκ παιδίου ἐπαίδευες, σαυτῷ πείθεσθαι ἀναγκάζων· ἔπειτα τοῖς διδασκάλοις παρέδωκας, καὶ ἐκεῖνοι αὖ τὸ αὐτὸ τοῦτο ἔπραττον· ἐπεὶ δ' ἐν τοῖς ἐφήβοις ἤμεν, ὁ ἄρχων τοῦ αὐτοῦ τούτου ἰσχυρῶς ἐπεμελεῖτο· καὶ οἱ νόμοι δέ μοι δοκοῦσιν οἱ πολλοὶ ταῦτα δύο μάλιστα διδάσκειν, ἄρχειν τε καὶ ἄρχεσθαι. καὶ τοίνυν κατανοῶν περὶ τούτων ἐν πᾶσιν ὀρᾷ μοι δοκῶ τὸ προτρέπον πείθεσθαι μάλιστα ὃν τὸν πειθόμενον ἐπαινεῖν τε καὶ τιμᾶν, τὸν δὲ ἀπειθοῦντα ἀτιμάζειν τε καὶ κολάζειν. [1.6.21] Καὶ ἐπὶ μὲν γε τὸ ἀνάγκῃ ἐπεσθαι αὕτη, ὃ παῖ, ἡ ὁδὸς ἐστίν· ἐπὶ δὲ τὸ κρεῖττον τούτου πολὺ, τὸ ἐκόντας πείθεσθαι, ἄλλη ἐστὶ συντομωτέρα. ὃν γὰρ ἂν ἡγήσωνται περὶ τοῦ συμφέροντος ἑαυτοῖς φρονιμώτερον ἑαυτῶν εἶναι, τούτῳ οἱ ἄνθρωποι ὑπερηδέως

πείθονται. γνοίης δ' ἂν ὅτι τοῦθ' οὕτως ἔχει ἐν ἄλλοις τε πολλοῖς καὶ δὴ καὶ ἐν τοῖς κάμνουσιν, ὡς προθύμως τοὺς ἐπιτάζοντας ὃ τι χρὴ ποιεῖν καλοῦσι· καὶ ἐν θαλάττῃ δὲ ὡς προθύμως τοῖς κυβερνήταις οἱ συμπλέοντες πείθονται· καὶ οὕς γ' ἂν νομίσωσί τινες βέλτιον αὐτῶν ὁδοὺς εἰδέναι, ὡς ἰσχυρῶς τούτων οὐδ' ἀπολείπεσθαι θέλουσιν. ὅταν δὲ οἴωνται πειθόμενοι κακόν τι λήψεσθαι, οὔτε ζημίαις πάνυ τι θέλουσιν εἶκειν οὔτε δώροις ἐπαίρεσθαι. οὐδὲ γὰρ δῶρα ἐπὶ τῷ αὐτοῦ κακῷ ἐκὼν οὐδεὶς λαμβάνει. [1.6.22] Λέγεις σύ, ὦ πάτερ, εἰς τὸ πειθομένους ἔχειν οὐδὲν εἶναι ἀνυσιμώτερον τοῦ φρονιμώτερον δοκεῖν εἶναι τῶν ἀρχομένων. Λέγω γὰρ οὖν, ἔφη. Καὶ πῶς δὴ τις ἂν, ὦ πάτερ, τοιαύτην δόξαν τάχιστα περὶ αὐτοῦ παρασχέσθαι δύναίτο; Οὐκ ἔστιν ἔφη, ὦ παῖ, συντομωτέρα ὁδὸς <ἐπὶ τό,> περὶ ὧν βούλει, δοκεῖν φρόνιμος εἶναι ἢ τὸ γενέσθαι περὶ τούτων φρόνιμον. καθ' ἑν δ' ἕκαστον σκοπῶν γνώσῃ ὅτι ἐγὼ ἀληθῆ λέγω. ἦν γὰρ βούλῃ μὴ ὧν ἀγαθὸς γεωργὸς δοκεῖν εἶναι ἀγαθός, ἢ ἱππεὺς ἢ ἱατρὸς ἢ αὐλητὴς ἢ ἄλλ' ὅτιοῦν, ἐννόει πόσα σε δεοί ἂν μηχανᾶσθαι τοῦ δοκεῖν ἕνεκα. καὶ εἰ δὴ πείσαις ἐπαινεῖν τέ σε πολλούς, ὅπως δόξαν λάβοις, καὶ κατασκευὰς καλὰς ἐφ' ἑκάστῳ αὐτῶν κτήσαιο, ἄρτι τε ἐξηπατηκῶς εἴης ἂν καὶ ὀλίγωι ὕστερον, ὅπου πεῖραν δοίης, ἐξεληλεγμένος ἂν προσέτι καὶ ἀλαζῶν φαίνοιο. [1.6.23] Φρόνιμος δὲ περὶ τοῦ συνοίσειν μέλλοντος πῶς ἂν τις τῷ ὄντι γένοιτο; Δῆλον, ἔφη, ὦ παῖ, ὅτι ὅσα μὲν ἔστι μαθόντα εἰδέναι, μαθὼν ἂν, ὥσπερ τὰ τακτικά ἐμαθες· ὅσα δὲ ἀνθρώποις οὔτε μαθητὰ οὔτε προορατὰ ἀνθρωπίνῃ προνοίᾳ, διὰ μαντικῆς ἂν παρὰ θεῶν πυνθανόμενος φρονιμώτερος ἄλλων εἴης· ὃ τι δὲ γνοίης βέλτιον ὃν πραχθῆναι, ἐπιμελόμενος ἂν τούτου ὡς ἂν πραχθείη. καὶ γὰρ τὸ ἐπιμελεῖσθαι οὗ ἂν δέῃ φρονιμωτέρου ἀνδρὸς ἢ τὸ ἀμελεῖν. [1.6.24] Ἀλλὰ μέντοι ἐπὶ τὸ φιλεῖσθαι ὑπὸ τῶν ἀρχομένων, ὅπερ ἔμοιγε ἐν τοῖς μεγίστοις δοκεῖ εἶναι, δῆλον ὅτι ἡ αὕτη ὁδὸς ἥπερ εἴ τις ὑπὸ τῶν φίλων στέργεσθαι ἐπιθυμοίη· εὗ γὰρ οἶμαι δεῖν ποιοῦντα φανερόν εἶναι. Ἀλλὰ τοῦτο μὲν, ἔφη, ὦ παῖ, χαλεπὸν τὸ ἀεὶ δύνασθαι εὗ ποιεῖν οὕς ἂν τις ἐθέλῃ· τὸ δὲ συνηδόμενόν τε φαίνεσθαι, ἦν τι ἀγαθὸν αὐτοῖς συμβαίνειν, καὶ συναχθόμενον, ἦν τι κακόν, καὶ συνεπικουρεῖν προθυμούμενον ταῖς ἀπορίαις αὐτῶν, καὶ φοβούμενον μὴ τι σφαλῶσι, καὶ προνοεῖν πειρώμενον ὡς μὴ σφάλλωνται, ταῦτά πως δεῖ μάλλον πεσυμπαρομαρτεῖν.

[1.6.25] καὶ ἐπὶ τῶν πράξεων δέ, ἦν μὲν ἐν θέρει ὥσι, τὸν ἄρχοντα

δεῖ τοῦ ἡλίου πλεονεκτοῦντα φανερόν εἶναι· ἦν δὲ ἐν χειμῶνι, τοῦ ψύχους· ἦν δὲ διὰ μόχθων, τῶν πόνων· πάντα γὰρ ταῦτα εἰς τὸ φιλεῖσθαι ὑπὸ τῶν ἀρχομένων συλλαμβάνει. Λέγεις σύ, ἔφη, ὦ πάτερ, ὡς καὶ καρτερώτερον δεῖ πρὸς πάντα τὸν ἄρχοντα τῶν ἀρχομένων εἶναι. Λέγω γὰρ οὖν, ἔφη. θάρρει μέντοι τοῦτο, ὦ παῖ· εὖ γὰρ ἴσθι ὅτι τῶν ὁμοίων σωμάτων οἱ αὐτοὶ πόνοι οὐχ ὁμοίως ἄπτονται ἄρχοντός τε ἀνδρὸς καὶ ιδιώτου, ἀλλ' ἐπικουφίζει τι ἡ τιμὴ τοὺς πόνους τῷ ἄρχοντι καὶ αὐτὸ τὸ εἰδέναι ὅτι οὐ λανθάνει ὃ τι ἂν ποιῇ.

[1.6.26] Ὅποτε δέ, ὦ πάτερ, σοι ἤδη ἔχουσιν μὲν τὰ ἐπιτήδεια οἱ στρατιῶται, ὑγιαίνειν δέ, πονεῖν δὲ δύναιντο, τὰς δὲ πολεμικὰς τέχνας ἡσκηκότες εἶεν, φιλοτίμως δ' ἔχουσιν πρὸς τὸ ἀγαθοὶ φαίνεσθαι, τὸ δὲ πείθεσθαι αὐτοῖς ἥδιον εἴη τοῦ ἀπειθεῖν, οὐκ ἂν τηνικαῦτα σωφρονεῖν ἂν τίς σοι δοκοίη διαγωνίζεσθαι βουλόμενος πρὸς τοὺς πολεμίους ὡς τάχιστα; Ναὶ μὰ Δί', ἔφη, εἰ μέλλοι γε πλέον ἔξειν· εἰ δὲ μή, ἔγωγ' ἂν ὅσῳ οἰοίμην καὶ αὐτὸς βελτίων εἶναι καὶ τοὺς ἐπομένους βελτίονας ἔχειν, τόσῳ ἂν μᾶλλον φυλαττοίμην, ὥσπερ καὶ τᾶλλα ἃ ἂν οἴωμεθα πλείστου ἡμῖν ἄξια εἶναι, ταῦτα πειρώμεθα ὡς ἐν ἐχυρωτάτῳ ποιεῖσθαι. [1.6.27] Πλέον δ' ἔχειν, ὦ πάτερ, πολεμίων πῶς ἂν τις δύναιτο μάλιστα; Οὐ μὰ Δί', ἔφη, οὐκέτι τοῦτο φαῦλον, ὦ παῖ, οὐδ' ἀπλοῦν ἔργον ἐρωταῖς· ἀλλ' εὖ ἴσθι ὅτι δεῖ τὸν μέλλοντα τοῦτο ποιήσῃν καὶ ἐπίβουλον εἶναι καὶ κρυπίνου καὶ δολερὸν καὶ ἀπατεῶνα καὶ κλέπτην καὶ ἄρπαγα καὶ ἐν παντὶ πλεονέκτην τῶν πολεμίων. καὶ ὁ Κῦρος ἐπιγελάσας εἶπεν· ὦ Ἡράκλεις, οἷον σὺ λέγεις, ὦ πάτερ, δεῖν ἄνδρα με γενέσθαι. Οἷος ἂν <ὦν>, ἔφη, ὦ παῖ, δικαιοτάτος τε καὶ νομιμώτατος ἀνὴρ εἴης. [1.6.28] Πῶς μὴν, ἔφη, παῖδας ὄντας ἡμᾶς καὶ ἐφήβους τάναντία τούτων ἐδιδάσκετε; Ναὶ μὰ Δί', ἔφη, καὶ νῦν πρὸς τοὺς φίλους τε καὶ πολίτας· ὅπως δέ γε τοὺς πολεμίους δύναισθε κακῶς ποιεῖν οὐκ οἶσθα μανθάνοντας ὑμᾶς πολλὰς κακουργίας; Οὐ δῆτα, ἔφη, ἔγωγε, ὦ πάτερ. Τίνος μὴν ἔνεκα, ἔφη, ἐμανθάνετε τοξεύειν; τίνος δ' ἔνεκα ἀκοντίζειν; τίνος δ' ἔνεκα δολοῦν ἢ ἀγρίου καὶ πλέγμασι καὶ ὀρύγμασι; τί δ' ἐλάφους ποδάγρας καὶ ἄρπεδόνας; τί δὲ λέουσι καὶ ἄρκτοις καὶ παρδάλεσιν οὐκ εἰς τὸ ἴσον καθιστάμενοι ἐμάχεσθε, ἀλλὰ μετὰ πλεονεξίας τινὸς αἰεὶ ἐπειρᾶσθε ἀγωνίζεσθαι πρὸς αὐτά; ἢ οὐ πάντα γινώσκεις ταῦτα ὅτι κακουργίαι τέ εἰσι καὶ ἀπάται καὶ δολώσεις καὶ πλεονεξίαι; [1.6.29] Ναὶ μὰ Δί', ἔφη, θηρίων γε·

ἀνθρώπων δὲ εἰ καὶ δόξαιμι βούλεσθαι ἐξαπατησαί τινα, πολλὰς πληγὰς οἶδα λαμβάνων. Οὐδὲ γὰρ τοξεύειν, οἶμαι, οὐδ' ἀκοντίζειν ἄνθρωπον ἐπετρέπομεν ὑμῖν, ἀλλ' ἐπὶ σκοπὸν βάλλειν ἐδιδάσκομεν, ἵνα γε νῦν μὲν μὴ κακουργοίητε τοὺς φίλους, εἰ δέ ποτε πόλεμος γένοιτο, δύνασθε καὶ ἀνθρώπων στοχάζεσθαι· καὶ ἐξαπατᾶν δὲ καὶ πλεονεκτεῖν οὐκ ἐν ἀνθρώποις ἐπαιδεύομεν ὑμᾶς, ἀλλ' ἐν θηρίοις, ἵνα μὴδ' ἐν τούτοις τοὺς φίλους βλάπτοιτε, εἰ δέ ποτε πόλεμος γένοιτο, μὴδὲ τούτων ἀγύμναστοι εἴητε. [1.6.30] Οὐκοῦν, ἔφη, ὦ πάτερ, εἴπερ χρήσιμά ἐστιν ἀμφοτέρω ἐπίστασθαι, εὖ τε ποιεῖν καὶ κακῶς ἀνθρώπους, καὶ διδάσκειν ἀμφοτέρω ταῦτα ἔδει ἐν ἀνθρώποις. [1.6.31] Ἀλλὰ λέγεται, ἔφη, ὦ παῖ, ἐπὶ τῶν ἡμετέρων προγόνων γενέσθαι ποτὲ ἀνὴρ διδάσκαλος τῶν παίδων, ὃς ἐδίδασκεν ἄρα τοὺς παῖδας τὴν δικαιοσύνην, ὥσπερ σὺ κελεύεις, μὴ ψεύδεσθαι καὶ ψεύδεσθαι, καὶ μὴ ἐξαπατᾶν καὶ ἐξαπατᾶν, καὶ μὴ διαβάλλειν καὶ διαβάλλειν, καὶ μὴ πλεονεκτεῖν καὶ πλεονεκτεῖν. διώριζε δὲ τούτων ἅ τε πρὸς τοὺς φίλους ποιητέον καὶ ἅ πρὸς ἐχθρούς. καὶ ἔτι γε ταῦτα ἐδίδασκεν ὥς καὶ τοὺς φίλους δίκαιον εἶη ἐξαπατᾶν ἐπὶ γε ἀγαθῷ, καὶ κλέπτειν τὰ τῶν φίλων ἐπὶ ἀγαθῷ. [1.6.32] ταῦτα δὲ διδάσκοντα ἀνάγκη καὶ γυμνάζειν ἥν πρὸς ἀλλήλους τοὺς παῖδας ταῦτα ποιεῖν, ὥσπερ καὶ ἐν πάλλῃ φασι τοὺς Ἑλλήνας διδάσκειν ἐξαπατᾶν, καὶ γυμνάζειν δὲ τοὺς παῖδας πρὸς ἀλλήλους τοῦτο δύνασθαι ποιεῖν. γενόμενοι οὖν τινες οὕτως εὐφυεῖς καὶ πρὸς τὸ εὖ ἐξαπατᾶν καὶ πρὸς τὸ εὖ πλεονεκτεῖν, ἴσως δὲ καὶ πρὸς τὸ φιλοκερδεῖν οὐκ ἀφυεῖς ὄντες, οὐκ ἀπείχοντο οὐδ' ἀπὸ τῶν φίλων τὸ μὴ οὐ πλεονεκτεῖν αὐτῶν πειρᾶσθαι. [1.6.33] ἐγένετο οὖν ἐκ τούτων ῥήτρα, ἣ καὶ νῦν χρώμεθα ἔτι, ἀπλῶς διδάσκειν τοὺς παῖδας ὥσπερ τοὺς οἰκέτας πρὸς ἡμᾶς αὐτοὺς διδάσκομεν ἀληθεύειν καὶ μὴ ἐξαπατᾶν καὶ μὴ πλεονεκτεῖν· εἰ δὲ παρὰ ταῦτα ποιοῖεν, κολάζειν, ὅπως σὺν τοιούτῳ ἔθει [ἐθισθέντες] πραιότεροι πολῖται γένοιτο. [1.6.34] ἐπεὶ δὲ ἔχοιεν τὴν ἡλικίαν ἣν σὺ νῦν ἔχεις, ἥδη καὶ τὰ πρὸς τοὺς πολεμίους νόμιμα ἐδόκει ἀσφαλὲς εἶναι διδάσκειν. οὐ γὰρ ἂν ἔτι ἐξενεχθῆναι δοκεῖτε πρὸς τὸ ἄγριοι πολῖται γενέσθαι ἐν τῷ αἰδεῖσθαι ἀλλήλους συντεθραμμένοι· ὥσπερ γε καὶ περὶ ἀφροδισίων οὐ διελεγόμεθα πρὸς τοὺς ἄγαν νέους, ἵνα μὴ πρὸς τὴν ἰσχυρὰν ἐπιθυμίαν αὐτοῖς ῥαιδιουργίας προσγενομένης ἀμέτρως αὐτῇ χρωῖντο οἱ νέοι. [1.6.35] Νῆ Δί', ἔφη· ὥς τοίνυν ὀψιμαθῇ ὄντα ἐμὲ τούτων τῶν πλεονεξιῶν, ὦ πάτερ, μὴ φείδου εἴ τι ἔχεις διδάσκειν ὅπως πλεονεκτήσω ἐγὼ τῶν

πολεμίων. Μηχανῶ τοίνυν, ἔφη, ὅπως ἐς τὴν δύναμιν τεταγμένοις τε τοῖς σαντοῦ ἀτάκτους λαμβάνῃς τοὺς πολεμίους καὶ ὀπλισμένοις ἀόπλους καὶ ἐγρηγοροσί καθεύδοντας, καὶ φανεροῦς σοι ὄντας ἀφανῆς αὐτὸς ὢν ἐκείνοις καὶ ἐν δυσχωρίαι αὐτοὺς γιγνομένους ἐν ἐρυμνῶι αὐτὸς ὢν ὑποδέξῃ. [1.6.36] Καὶ πῶς ἂν, ἔφη, τις τοιαῦτα, ὦ πάτερ, ἀμαρτάνοντας δύναιτ' ἂν τοὺς πολεμίους λαμβάνειν; Ὅτι, ἔφη, ὦ παῖ, πολλὰ μὲν τούτων ἀνάγκη ἐστὶ καὶ ὑμᾶς καὶ τοὺς πολεμίους παρασχεῖν· σιτοποιεῖσθαί τε γὰρ ἀνάγκη ἀμφοτέρους, κοιμᾶσθαί τε ἀνάγκη ἀμφοτέρους καὶ ἔωθεν ἐπὶ τὰ ἀναγκαῖα σχεδὸν ἅμα πάντας ἴεσθαι, καὶ ταῖς ὁδοῖς ὅποῖαι ἂν ὧσι τοιαύταις ἀνάγκη χρῆσθαι. ἂ χρή σε πάντα κατανοοῦντα, ἐν ᾧ μὲν ἂν ὑμᾶς γινώσκῃς ἀσθενεστάτους γιγνομένους, ἐν τούτῳ μάλιστα φυλάττεσθαι· ἐν ᾧ δ' ἂν τοὺς πολεμίους αἰσθάνῃ εὐχειρωτοτάτους γιγνομένους, ἐν τούτῳ μάλιστα ἐπιτίθεσθαι. [1.6.37] Πότερον δ', ἔφη ὁ Κῦρος, ἐν τούτοις μόνον ἔστι πλεονεκτεῖν ἢ καὶ ἐν ἄλλοις τισί; Καὶ πολὺ γε μᾶλλον, ἔφη, ὦ παῖ· ἐν τούτοις μὲν γὰρ ὥς ἐπὶ τὸ πολὺ πάντες ἰσχυρὰς φυλακὰς ποιοῦνται εἰδότες ὅτι δέονται. οἱ δ' ἐξαπατῶντες τοὺς πολεμίους δύνανται καὶ θαρρῆσαι ποήσαντες ἀφυλάκτους λαμβάνειν καὶ διώξαι παραδόντες ἑαυτοὺς ἀτάκτους ποιῆσαι καὶ εἰς δυσχωρίαν φυγῇ ὑπαγαγόντες ἐνταῦθα ἐπιτίθεσθαι. [1.6.38] δεῖ δὴ, ἔφη, φιλομαθῇ σε τούτων ἀπάντων ὄντα οὐχ οἷς ἂν μάθῃς τούτοις μόνοις χρῆσθαι, ἀλλὰ καὶ αὐτὸν ποιητὴν εἶναι τῶν πρὸς τοὺς πολεμίους μηχανημάτων, ὥσπερ καὶ οἱ μουσικοὶ οὐχ οἷς ἂν μάθωσι τούτοις μόνον χρῶνται, ἀλλὰ καὶ ἄλλα νέα πειρῶνται ποιεῖν. καὶ σφόδρα μὲν καὶ ἐν τοῖς μουσικοῖς τὰ νέα καὶ ἀνθηρὰ εὐδοκιμεῖ, πολὺ δὲ καὶ ἐν τοῖς πολεμικοῖς μᾶλλον τὰ καινὰ μηχανήματα εὐδοκιμεῖ· ταῦτα γὰρ μᾶλλον καὶ ἐξαπατᾶν δύναται τοὺς ὑπεναντίους. [1.6.39] εἰ δὲ σύ γε, ἔφη, ὦ παῖ, μηδὲν ἄλλο ἢ μετενέγκοις ἐπ' ἀνθρώπους τὰς μηχανὰς ἃς καὶ πάνυ ἐπὶ τοῖς μικροῖς θηρίοις ἐμχανῶ, οὐκ οἶει ἂν, ἔφη, πρόσω πάνυ ἐλάσαι τῆς πρὸς τοὺς πολεμίους πλεονεξίας; σὺ γὰρ ἐπεὶ μὲν τὰς ὄρνιθας ἐν τῷ ἰσχυροτάτῳ χειμῶνι ἀνιστάμενος ἐπορεύου νυκτός, καὶ πρὶν κινεῖσθαι τὰς ὄρνιθας ἐπεποίηντό σοι αἱ πάγαι αὐταῖς καὶ τὸ κεκινημένον χωρίον ἐξείκαστο τῷ ἀκινήτῳ· ὄρνιθες δ' ἐπεπαίδευντό σοι ὥστε σοὶ μὲν τὰ συμπέροντα ὑπηρετεῖν, τὰς δὲ ὁμοφύλους ὄρνιθας ἐξαπατᾶν· αὐτὸς δὲ ἐνήδρευες, ὥστε ὁρᾶν μὲν αὐτάς, μὴ ὁρᾶσθαι δὲ ὑπ' αὐτῶν· ἡσκήκεις δὲ φθάνων ἔλκειν ἢ τὰ πτηνὰ φεύγειν. [1.6.40] πρὸς δ' αὖ τὸν λαγῶ, ὅτι μὲν ἐν σκότει

νέμεται, τὴν δ' ἡμέραν ἀποδιδράσκει, κύνας ἔτρεφες αἱ τῇ ὁσμῇ αὐτὸν ἀνιήρυσκον. ὅτι δὲ ταχὺ ἔφευγεν, ἐπεὶ εὗρεθείη, ἄλλας κύνας εἶχες ἐπιτετηδευμένας πρὸς τὸ κατὰ πόδας αἰρεῖν. εἰ δὲ καὶ ταύτας ἀποφύγοι, τοὺς πόρους αὐτῶν ἐκμανθάνων καὶ πρὸς οἷα χωρία φεύγοντες ἀφικνοῦνται οἱ λαγῶι, ἐν τούτοις δίκτυα δυσόρατα ἐνεπετάννυες ἄν, καὶ τῷ σφόδρα φεύγειν αὐτὸς ἑαυτὸν ἐμπεσὼν συνέδει. τοῦ δὲ μηδ' ἐντεῦθεν διαφεύγειν σκοποὺς τοῦ γιγνομένου καθίστης, οἱ ἐγγύθεν ταχὺ ἔμελλον ἐπιγενήσεσθαι· καὶ αὐτὸς μὲν σὺ ὀπισθεν κραυγῇ οὐδὲν ὑστεριζούσῃ τοῦ λαγῶ βοῶν ἐξέπληττες αὐτὸν ὥστε ἄφρονα ἀλίσκεσθαι, τοὺς δ' ἐμπροσθεν σιγᾷ διδάξας ἐνεδρεύοντας λανθάνειν ἐποίεις. [1.6.41] ὥσπερ οὖν προεῖπον, εἰ τοιαῦτα ἐθελήσῃς καὶ ἐπὶ τοῖς ἀνθρώποις μηχανᾶσθαι, οὐκ οἶδ' ἔγωγε εἴ τινος λείποιο ἂν τῶν πολέμιων. ἦν δέ ποτε ἄρα ἀνάγκη γένηται καὶ ἐν τῷ ἰσοπέδῳ καὶ ἐκ τοῦ ἐμφανοῦς καὶ ὠπλισμένους ἀμφοτέρους μάχην συνάπτειν, ἐν τῷ τοιούτῳ δὴ, ὦ παῖ, αἱ ἐκ πολλοῦ παρεσκευασμένοι πλεονεξίαι μέγα δύνανται. ταύτας δὲ ἐγὼ λέγω εἶναι, ἦν τῶν στρατιωτῶν εὗ μὲν τὰ σώματα ἡσκημένα ἦι, εὗ δὲ αἱ ψυχαὶ τεθηγμέναι, εὗ δὲ αἱ πολεμικαὶ τέχναι μεμελετημέναι ὥσιν. [1.6.42] εὗ δὲ χρὴ καὶ τοῦτο εἰδέναι ὅτι ὁπόσους ἂν ἀξιῷς σοὶ πείθεσθαι, καὶ ἐκεῖνοι πάντες ἀξιώσουσι σὲ πρὸ ἑαυτῶν βουλευέσθαι. μηδέποτ' οὖν ἀφροντίστως ἔχε, ἀλλὰ τῆς μὲν νυκτὸς προσκόπει τί σοὶ ποιήσουσιν οἱ ἀρχόμενοι, ἐπειδὰν ἡμέρα γένηται, τῆς δ' ἡμέρας ὅπως τὰ εἰς νύκτα κάλλιστα ἔξει. [1.6.43] ὅπως δὲ χρὴ τάττειν εἰς μάχην στρατιὰν ἢ ὅπως ἄγειν ἡμέρας ἢ νυκτὸς ἢ στενὰς ἢ πλατείας ὁδοὺς ἢ ὀρεινὰς ἢ πεδινὰς, ἢ ὅπως στρατοπεδεύεσθαι, ἢ ὅπως φυλακὰς νυκτερινὰς καὶ ἡμερινὰς καθιστάναι, ἢ ὅπως προσάγειν πρὸς πολέμιους ἢ ἀπάγειν ἀπὸ πολέμιων, ἢ ὅπως παρὰ πόλιν πολεμίαν ἄγειν ἢ ὅπως πρὸς τεῖχος ἄγειν ἢ ἀπάγειν, ἢ ὅπως νάπη ἢ ποταμοὺς διαβαίνειν, ἢ ὅπως ἵππικὸν φυλάττεσθαι ἢ ὅπως ἀκοντιστὰς ἢ τοξότας, καὶ εἴ γε δὴ σοὶ κατὰ κέρας ἄγοντι οἱ πολέμιοι ἐπιφανεῖν, πῶς χρὴ ἀντικαθιστάναι, καὶ εἴ σοὶ ἐπὶ φάλαγγος ἄγοντι ἄλλοθεν ποθεν οἱ πολέμιοι φαίνονται ἢ κατὰ πρόσωπον, ὅπως χρὴ ἀντιπαράγειν, ἢ ὅπως τὰ τῶν πολέμιων ἂν τις μάλιστα αἰσθάνοιτο, ἢ ὅπως τὰ σὰ οἱ πολέμιοι ἦκιστα εἰδεῖν, ταῦτα δὲ πάντα τί ἂν ἐγὼ λέγοιμί σοι; ὅσα τε γὰρ ἔγωγε ἥιδειν, πολλάκις ἀκήκοας, ἄλλος τε ὅστις ἐδόκει τι τούτων ἐπίστασθαι, οὐδενὸς αὐτῶν ἡμέληκας οὐδ' ἀδαῆς γεγένησαι. δεῖ οὖν πρὸς τὰ συμβαίνοντα, οἶμαι, τούτοις

χρησθαι ὅποιον ἂν συμφέρειν σοι τούτων δοκῇ.

[1.6.44] Μάθε δέ μου καὶ τάδε, ἔφη, ὦ παῖ, τὰ μέγιστα· παρὰ γὰρ ἱερὰ καὶ οἰωνοὺς μήτε σαυτῶι μηδέποτε μήτε στρατιᾷ κινδυνεύσης, κατανοῶν ὡς ἄνθρωποι μὲν αἰροῦνται πράξεις εἰκάζοντες, εἰδότες δὲ οὐδὲν ἀπὸ ποίας ἔσται αὐτοῖς τὰ ἀγαθὰ. [1.6.45] γνοίης δ' ἂν ἐξ αὐτῶν τῶν γιγνομένων· πολλοὶ μὲν γὰρ ἤδη πόλεις ἔπεισαν καὶ ταῦτα οἱ δοκοῦντες σοφώτατοι εἶναι πόλεμον ἄρασθαι πρὸς τούτους ὑφ' ὧν οἱ πεισθέντες ἐπιθέσθαι ἀπώλοντο, πολλοὶ δὲ πολλοὺς ἠῤῥξῃσαν καὶ ιδιώτας καὶ πόλεις ὑφ' ὧν αὐξηθέντων τὰ μέγιστα κακὰ ἔπαθον, πολλοὶ δὲ οἷς ἐξῆν φίλοις χρησθαι καὶ εὖ ποιεῖν καὶ εὖ πάσχειν, τούτοις δούλοις μᾶλλον βουλευθέντες ἢ φίλοις χρησθαι, ὑπ' αὐτῶν τούτων δίκην ἔδοσαν· πολλοῖς δ' οὐκ ἤρκεσεν αὐτοῖς τὸ μέρος ἔχουσι ζῆν ἡδέως, ἐπιθυμήσαντες δὲ πάντων κύριοι εἶναι, διὰ ταῦτα καὶ ὧν εἶχον ἀπέτυχον· πολλοὶ δὲ τὸν πολύευκτον πλοῦτον κατακτησάμενοι, διὰ τοῦτον ἀπώλοντο. [1.6.46] οὕτως ἡ ἀνθρωπίνη σοφία οὐδὲν μᾶλλον οἶδε τὸ ἄριστον αἰρεῖσθαι ἢ εἰ κληρούμενος ὅ τι λάχοι τοῦτό τις πράττοι. θεοὶ δέ, ὦ παῖ, αἰεὶ ὄντες πάντα ἴσασι τά τε γεγεννημένα καὶ τὰ ὄντα καὶ ὅ τι ἐξ ἐκάστου αὐτῶν ἀποβήσεται, καὶ τῶν συμβουλευομένων ἀνθρώπων οἷς ἂν ἴλεωι ὧσι, προσημαίνουσιν ἅ τε χρὴ ποιεῖν καὶ ἅ οὐ χρὴ. εἰ δὲ μὴ πᾶσιν ἐθέλουσι συμβουλεύειν, οὐδὲν θαυμαστόν· οὐ γὰρ ἀνάγκη αὐτοῖς ἔστιν ὧν ἂν μὴ θέλωσιν ἐπιμελεῖσθαι.

Βιβλίον β'

[2.1.1] Τοιαῦτα μὲν δὴ ἀφίκοντο διαλεγόμενοι μέχρι τῶν ὁρίων τῆς Περσίδος· ἐπεὶ δ' αὐτοῖς ἀετὸς δεξιὸς φανεὶς προηγείτο, προσευξάμενοι θεοῖς καὶ ἥρωσι τοῖς Περσίδα γῆν κατέχουσιν ἕως καὶ εὐμενεῖς πέμπειν σφᾶς, οὕτω διέβαινον τὰ ὅρια. ἐπειδὴ δὲ διέβησαν, προσηύχοντο αὐθις θεοῖς τοῖς Μηδῖαν γῆν κατέχουσιν ἕως καὶ εὐμενεῖς δέχεσθαι αὐτούς. ταῦτα δὲ ποιήσαντες, ἀσπασάμενοι ἀλλήλους ὥσπερ εἰκὸς, ὁ μὲν πατὴρ πάλιν εἰς Πέρσας ἀπήιει, Κῦρος δὲ εἰς Μήδους πρὸς Κυαξάρην ἐπορεύετο. [2.1.2] ἐπεὶ δὲ ἀφίκετο ὁ Κῦρος εἰς Μήδους πρὸς τὸν Κυαξάρην, πρῶτον μὲν ὥσπερ εἰκὸς ἡσπάσαντο ἀλλήλους, ἔπειτα δὲ ἤρετο τὸν Κῦρον ὁ Κυαξάρης πόσον τι ἄγοι τὸ στράτευμα. ὁ δὲ ἔφη· Τρισμυρίους μὲν γε οἷοι καὶ πρόσθεν ἐφοίτων πρὸς ὑμᾶς μισθοφόροι· ἄλλοι δὲ καὶ τῶν οὐδεπώποτε ἐξελθόντων προσέρχονται τῶν ὁμοτίμων. Πόσοι τινές; ἔφη ὁ Κυαξάρης. [2.1.3] Οὐκ ἂν ὁ ἀριθμὸς σε, ἔφη ὁ Κῦρος, ἀκούσαντα εὐφράνειεν· ἀλλ' ἐκεῖνο ἐννόησον ὅτι ὀλίγοι ὄντες οὗτοι οἱ ὁμότιμοι καλούμενοι πολλῶν ὄντων τῶν ἄλλων Περσῶν ραϊδίως ἄρχουσιν. ἀτάρ, ἔφη, δεεὶ τι αὐτῶν ἢ μάτην ἐφοβήθης, οἱ δὲ πολέμιοι οὐκ ἔρχονται; Ναὶ μὰ Δί', ἔφη, καὶ πολλοὶ γε. [2.1.4] Πῶς τοῦτο σαφές; Ὅτι, ἔφη, πολλοὶ ἦκοντες αὐτόθεν ἄλλος ἄλλον τρόπον πάντες ταῦτ' λέγουσιν. Ἀγωνιστέον μὲν ἄρα ἡμῖν πρὸς τοὺς ἄνδρας. Ἀνάγκη γάρ, ἔφη. Τί οὖν, ἔφη ὁ Κῦρος, οὐ καὶ τὴν δύναμιν ἐλεξάς μοι, εἰ οἴσθης, πόση τις ἢ προσιοῦσα, καὶ πάλιν τὴν ἡμετέραν, ὅπως εἰδότες ἀμφοτέρας πρὸς ταῦτα βουλευώμεθα ὅπως ἂν ἄριστα ἀγωνιζοίμεθα; Ἄκουε δὴ, ἔφη ὁ Κυαξάρης. [2.1.5] Κροῖστος μὲν ὁ Λυδὸς ἄγειν λέγεται μυρίους μὲν ἱππέας, πελταστὰς δὲ καὶ τοξότας πλείους ἢ τετρακισμυρίους. Ἀρτακάμαν δὲ τὸν τῆς μεγάλης Φρυγίας ἄρχοντα λέγουσιν ἱππέας μὲν εἰς ὀκτακισχιλίους ἄγειν, λογχοφόρους δὲ σὺν πελτασταῖς οὐ μείους τετρακισμυρίων, Ἀρίβαιον δὲ τὸν τῶν Καππαδοκῶν βασιλέα ἱππέας μὲν ἐξακισχιλίους, τοξότας δὲ καὶ πελταστὰς οὐ μείους τρισμυρίων, τὸν Ἀράβιον δὲ Ἀραγδὸν ἱππέας τε εἰς μυρίους καὶ ἄρματα εἰς ἑκατὸν καὶ σφενδονητῶν πάμπολύ τι χρῆμα. τοὺς μέντοι Ἕλληνας τοὺς ἐν τῇ Ἀσίᾳ οἰκοῦντας οὐδὲν πω σαφὲς λέγεται εἰ ἔπονται. τοὺς δὲ ἀπὸ Φρυγίας τῆς πρὸς Ἑλλησπόντῳ συμβαλεῖν φασὶ Γάβαιδον ἔχοντα εἰς Καῦστρου πεδίον

ἐξακισχιλίους μὲν ἰππέας, πελταστὰς δὲ εἰς μυρίους. Κᾶρας μέντοι καὶ Κίλικας καὶ Παφλαγόνας παρακληθέντας οὐ φασιν ἔπεσθαι. ὁ δὲ Ἀσσύριος ὁ Βαβυλῶνά τε ἔχων καὶ τὴν ἄλλην Ἀσσυρίαν ἐγὼ μὲν οἶμαι ἰππέας μὲν ἄξει οὐκ ἐλάττους δισμυρίων, ἄρματα δ' εὖ οἶδ' οὐ μείον διακοσίων, πεζοὺς δὲ οἶμαι παμπόλλους· εἰώθει γοῦν ὅποτε δεῦρ' ἐμβάλλοι. [2.1.6] Σὺ, ἔφη ὁ Κῦρος, πολεμίους λέγεις ἰππέας μὲν ἐξακισμυρίους εἶναι, πελταστὰς δὲ καὶ τοξότας πλεόν ἢ εἴκοσι μυριάδας. ἄγε δὴ τῆς σῆς δυνάμεως τί φῆις πλῆθος εἶναι; Εἰσὶν, ἔφη, Μῆδων μὲν ἰππεῖς πλείους τῶν μυρίων· πελτασταὶ δὲ καὶ τοξόται γένοιντ' ἂν πως ἐκ τῆς ἡμετέρας κᾶν ἐξακισμύριοι. Ἀρμενίων δ', ἔφη, τῶν ὁμόρων ἡμῖν παρέσονται ἰππεῖς μὲν τετρακισχίλιοι, πεζοὶ δὲ δισμύριοι. Λέγεις σύ, ἔφη ὁ Κῦρος, ἰππέας μὲν ἡμῖν εἶναι μείον ἢ τέταρτον μέρος τοῦ τῶν πολεμίων ἱππικοῦ, πεζοὺς δὲ ἀμφὶ τοὺς ἡμίσεις. [2.1.7] Τί οὖν, ἔφη ὁ Κυαξάρης, οὐκ ὀλίγους νομίζεις Περσῶν εἶναι οὓς σὺ φῆις ἄγειν; Ἄλλ' εἰ μὲν ἀνδρῶν προσδεῖ ἡμῖν, ἔφη ὁ Κῦρος, εἴτε καὶ μή, αὐθις συμβουλευσόμεθα· τὴν δὲ μάχην μοι, ἔφη, λέξον ἐκάστων ἥτις ἐστί. Σχεδόν, ἔφη ὁ Κυαξάρης, πάντων ἢ αὐτῇ· τοξόται γάρ εἰσι καὶ ἀκοντισταὶ οἱ τ' ἐκείνων καὶ οἱ ἡμέτεροι. Οὐκοῦν, ἔφη ὁ Κῦρος, ἀκροβολίζεσθαι ἀνάγκη ἐστὶ τοιούτων γε τῶν ὅπλων ὄντων. [2.1.8] Ἀνάγκη γὰρ οὖν, ἔφη ὁ Κυαξάρης· οὐκοῦν ἐν τούτῳ μὲν τῶν πλειόνων ἡ νίκη· πολὺ γὰρ ἂν θάπτον οἱ ὀλίγοι ὑπὸ τῶν πολλῶν τιτρωσκόμενοι ἀναλωθεῖσαν ἢ οἱ πολλοὶ ὑπὸ τῶν ὀλίγων· εἰ οὖν οὕτως ἔχει, ὦ Κῦρε, τί ἂν ἄλλο τις κρεῖττον εὔροι ἢ πέμπειν ἐς Πέρσας, καὶ ἅμα μὲν διδάσκειν αὐτοὺς ὅτι εἴ τι πείσονται Μῆδοι, εἰς Πέρσας τὸ δεινὸν ἥξει, ἅμα δὲ αἰτεῖν πλεόν στρατεύμα; Ἀλλὰ τοῦτο μὲν, ἔφη ὁ Κῦρος, εὖ ἴσθι ὅτι, οὐδ' εἰ πάντες ἔλθοιεν Πέρσαι, πλήθει γε οὐχ ὑπερβαλοίμεθ' ἂν τοὺς πολεμίους. [2.1.9] Τί μὴν ἄλλο ἐνοραῖς ἄμεινον τούτου; Ἐγὼ μὲν ἂν, ἔφη ὁ Κῦρος, εἰ σὺ εἶην, ὥς τάχιστα ὅπλα ποιοίμην πᾶσι Πέρσαις τοῖς προσιοῦσιν οἷάπερ ἔχοντες ἔρχονται παρ' ἡμῶν οἱ τῶν ὁμοτίμων καλούμενοι· ταῦτα δ' ἐστὶ θώραξ μὲν περὶ τὰ στέρνα, γέρρον δὲ εἰς τὴν ἀριστεράν, κοπίς δὲ ἢ σάγαρις εἰς τὴν δεξιάν· κᾶν ταῦτα παρασκευάσης, ἡμῖν μὲν ποιήσεις τὸ ὁμόσε τοῖς ἐναντίοις ἰέναι ἀσφαλέστατον, τοῖς πολεμίοις δὲ τὸ φεύγειν ἢ τὸ μένειν αἰρετώτερον. τάττομεν δέ, ἔφη, ἡμᾶς μὲν αὐτοὺς ἐπὶ τοὺς μένοντας· οἱ γε μέντ' αὐτῶν φεύγωσι, τούτους ὑμῖν καὶ τοῖς ἵπποις νέμομεν, ὥς μὴ σχολάζωσι μήτε μένειν μήτε ἀναστρέφεσθαι. [2.1.10] Κῦρος μὲν

οὕτως ἔλεξε· τῷ δὲ Κυαζάρῃ ἔδοξε τε εὖ λέγειν, καὶ τοῦ μὲν πλείους μεταπέμπεσθαι οὐκέτι ἐμέμνητο, παρεσκευάζετο δὲ ὅπλα τὰ προειρημένα. καὶ σχεδόν τε ἔτοιμα ἦν καὶ τῶν Περσῶν οἱ ὁμότιμοι παρήσαν ἔχοντες τὸ ἀπὸ Περσῶν στράτευμα. [2.1.11] ἐνταῦθα δὴ εἰπεῖν λέγεται ὁ Κῦρος συναγαγὼν αὐτούς· Ἄνδρες φίλοι, ἐγὼ ὑμᾶς ὁρῶν αὐτοὺς μὲν καθωπλισμένους οὕτω καὶ ταῖς ψυχαῖς παρεσκευασμένους ὥς εἰς χεῖρας συμμείζοντας τοῖς πολεμίοις, τοὺς δὲ ἐπομένους ὑμῖν Πέρσας γινώσκων ὅτι οὕτως ὠπλισμένοι εἰσὶν ὥς ὅτι προσωτάτω ταχθέντες μάχεσθαι, ἔδεισα μὴ ὀλίγοι καὶ ἔρημοι συμμάχων συμπίπτοντες πολεμίοις πολλοῖς πάθοιτέ τι. νῦν οὖν, ἔφη, σώματα μὲν ἔχοντες ἀνδρῶν ἦκετε οὐ μεμπτά· ὅπλα δὲ ἔσται αὐτοῖς ὅμοια τοῖς ἡμετέροις· τάς γε μέντοι ψυχὰς θήγειν αὐτῶν ὑμέτερον ἔργον. ἄρχοντος γάρ ἐστιν οὐχ ἑαυτὸν μόνον ἀγαθὸν παρέχειν, ἀλλὰ δεῖ καὶ τῶν ἀρχομένων ἐπιμελεῖσθαι ὅπως ὥς βέλτιστοι ἔσονται.

[2.1.12] Ὁ μὲν οὕτως εἶπεν· οἱ δ' ἤσθησαν μὲν πάντες, νομίζοντες μετὰ πλείονων ἀγωνιεῖσθαι· εἷς δ' αὐτῶν καὶ ἔλεξε τοιάδε. [2.1.13] Ἀλλὰ θαυμαστά, ἔφη, ἴσως δόξω λέγειν, εἰ Κύρῳ συμβουλεύσω τι εἰπεῖν ὑπὲρ ἡμῶν, ὅταν τὰ ὅπλα λαμβάνωσιν οἱ ἡμῖν μέλλοντες συμμάχεσθαι· ἀλλὰ γινώσκω γάρ, ἔφη, ὅτι οἱ τῶν ἱκανωτάτων καὶ εὖ καὶ κακῶς ποιεῖν λόγοι οὗτοι καὶ μάλιστα ἐνδύονται ταῖς ψυχαῖς τῶν ἀκουόντων· καὶ δῶρά γε ἦν διδῶσιν οἱ τοιοῦτοι, κὰν μείω τυγχάνῃ ὄντα ἢ τὰ παρὰ τῶν ὁμοίων, ὅμως μείζονος αὐτὰ τιμῶνται οἱ λαμβάνοντες. καὶ νῦν, ἔφη, οἱ Πέρσαι παραστάται ὑπὸ Κύρου πολὺ μᾶλλον ἡσθήσονται ἢ ὑφ' ἡμῶν παρακαλούμενοι, εἷς τε τοὺς ὁμοτίμους καθιστάμενοι βεβαιωτέρως σφίσιν ἡγήσονται ἔχειν τοῦτο ὑπὸ βασιλέως τε παιδὸς καὶ ὑπὸ στρατηγοῦ γενόμενον ἢ εἰ ὑφ' ἡμῶν τὸ αὐτὸ τοῦτο γίγνοιτο. ἀπεῖναι μέντοι οὐδὲ τὰ ἡμέτερα χρή, ἀλλὰ παντὶ τρόπῳ δεῖ τῶν ἀνδρῶν θήγειν πάντως τὸ φρόνημα. ἡμῖν γὰρ ἔσται τοῦτο χρήσιμον ὅ τι ἂν οὗτοι βελτίονες γένωνται.

[2.1.14] Οὕτω δὴ ὁ Κῦρος καταθείς τὰ ὅπλα εἰς τὸ μέσον καὶ συγκαλέσας πάντας τοὺς Περσῶν στρατιώτας ἔλεξε τοιάδε. [2.1.15] Ἄνδρες Πέρσαι, ὑμεῖς καὶ ἔφυτε ἐν τῇ αὐτῇ ἡμῖν καὶ ἐτράφητε, καὶ τὰ σώματά τε οὐδὲν ἡμῶν χείρονα ἔχετε, ψυχὰς τε οὐδὲν κακίονας ὑμῖν προσήκει ἡμῶν ἔχειν. τοιοῦτοι δ' ὄντες ἐν μὲν τῇ πατρίδι οὐ μετείχετε τῶν ἴσων ἡμῖν, οὐχ ὑφ' ἡμῶν ἀπελαθέντες ἀλλ' ὑπὸ τοῦ τὰ ἐπιτήδεια ἀνάγκην ὑμῖν εἶναι πορίζεσθαι. νῦν δὲ ὅπως μὲν ταῦτα ἔξετε ἐμοὶ μελήσει σὺν τοῖς θεοῖς· ἔξεστι δ' ὑμῖν, εἰ βούλεσθε,

λαβόντας ὄπλα οἷάπερ ἡμεῖς ἔχομεν εἰς τὸν αὐτὸν ἡμῖν κίνδυνον ἐμβαίνειν, καὶ ἂν τι ἐκ τούτων καλὸν κάγαθὸν γίγνηται, τῶν ὁμοίων ἡμῖν ἀξιουῖσθαι. [2.1.16] τὸν μὲν οὖν πρόσθεν χρόνον ὑμεῖς τε τοξόται καὶ ἀκοντισταὶ ἦτε καὶ ἡμεῖς, καὶ εἴ τι χεῖρους ἡμῶν ταῦτα ποιεῖν ἦτε, οὐδὲν θαυμαστόν· οὐ γὰρ ἦν ὑμῖν σχολὴ ὥσπερ ἡμῖν τούτων ἐπιμελεῖσθαι· ἐν δὲ ταύτῃ τῇ ὀπλίσει οὐδὲν ἡμεῖς ὑμῶν προέξομεν. θώραξ μὲν γε περὶ τὰ στέρνα ἀρμόττων ἐκάστωι ἔσται, γέρρον δὲ ἐν τῇ ἀριστεραῖ, ὃ πάντες εἰθίσμεθα φορεῖν, μάχαιρα δὲ ἡ σάγαρις ἐν τῇ δεξιᾷ, ἣ δὴ παίειν τοὺς ἐναντίους δεήσει οὐδὲν φυλαττομένους μὴ τι παίοντες ἐξαμάρτωμεν. [2.1.17] τί οὖν ἂν ἐν τούτοις ἕτερος ἑτέρου διαφέρει ἡμῶν πλὴν τόλμη; ἦν οὐδὲν ὑμῖν ἦττον προσήκει ἢ ἡμῖν ὑποτρέφεσθαι. νίκης τε γὰρ ἐπιθυμεῖν, ἢ τὰ καλὰ πάντα καὶ τ' ἀγαθὰ κτᾶται τε καὶ σώζει, τί μᾶλλον ἡμῖν ἢ ὑμῖν προσήκει; κράτους τε, ὃ πάντα τὰ τῶν ἡττόνων τοῖς κρείττοσι δωρεῖται, τί εἰκὸς ἡμᾶς μᾶλλον ἢ καὶ ὑμᾶς τούτου δεῖσθαι; [2.1.18] τέλος εἶπεν· Ἀκηκόατε πάντα· ὁρᾶτε τὰ ὄπλα· ὁ μὲν χρήζων λαμβανέτω ταῦτα καὶ ἀπογραφέσθω πρὸς τὸν ταξίαρχον εἰς τὴν ὁμοίαν τάξιν ἡμῖν· ὅτῳ δ' ἄρκεῖ ἐν μισθοφόρου χώρῃ εἶναι, καταμενέτω ἐν τοῖς ὑπηρετικοῖς ὅπλοις. ὁ μὲν οὕτως εἶπεν. [2.1.19] ἀκούσαντες δὲ οἱ Πέρσαι ἐνόμισαν, εἰ παρακαλούμενοι ὥστε τὰ ὅμοια πονοῦντες τῶν αὐτῶν τυγχάνειν μὴ ἐβελήσουσι ταῦτα ποιεῖν, δικαίως ἂν διὰ παντὸς τοῦ αἰῶνος ἀμηχανοῦντες βιοτεύειν. οὕτω δὲ ἀπογράφονται πάντες ἀνέλαβόν τε τὰ ὄπλα πάντες.

[2.1.20] Ἐν ᾧ δὲ οἱ πολέμιοι ἐλέγοντο μὲν προσιέναι, παρῆσαν δὲ οὐδέπω, ἐν τούτῳ ἐπειρᾶτο ὁ Κῦρος ἄσκεῖν μὲν τὰ σώματα τῶν μεθ' ἑαυτοῦ εἰς ἰσχύν, διδάσκειν δὲ τὰ τακτικά, θήγειν δὲ τὰς ψυχὰς εἰς τὰ πολεμικά. [2.1.21] καὶ πρῶτον μὲν λαβὼν παρὰ Κναζάρου ὑπηρετάς προσέταξεν ἐκάστοις τῶν στρατιωτῶν ἱκανῶς ὧν ἐδέοντο πάντα πεποιημένα παρασχεῖν· τοῦτο δὲ παρασκευάσας οὐδὲν αὐτοῖς ἐλελοίπει ἄλλο ἢ ἄσκεῖν τὰ ἀμφὶ τὸν πόλεμον, ἐκεῖνο δοκῶν καταμεμαθηκέναι ὅτι οὗτοι κράτιστοι ἕκαστα γίνονται οἱ ἂν ἀφόμενοι τοῦ πολλοῖς προσέχειν τὸν νοῦν ἐπὶ ἓν ἔργον τράπωνται. καὶ αὐτῶν δὲ τῶν πολεμικῶν περιελὼν καὶ τὸ τόξῳ μελετᾶν καὶ ἀκοντίῳ κατέλιπε τοῦτο μόνον αὐτοῖς τὸ σὺν μαχαίρῃ καὶ γέρρῳ καὶ θώρακι μάχεσθαι· ὥστε εὐθὺς αὐτῶν παρεσκεύασε τὰς γνώμας ὡς ὁμόσε ἰτέον εἴη τοῖς πολεμίοις, ἢ ὁμολογητέον μηδενὸς εἶναι ἀξίους συμμάχους· τοῦτο δὲ χαλεπὸν ὁμολογεῖν οἵτινες ἂν εἰδῶσιν

ὅτι οὐδὲ δι' ἐν ἄλλο τρέφονται ἢ ὅπως μαχοῦνται ὑπὲρ τῶν τρεφόντων. [2.1.22] ἔτι δὲ πρὸς τούτοις ἐννοήσας ὅτι περὶ ὀπόσων ἂν ἐγγένωνται ἀνθρώποις φιλονικία, πολὺ μᾶλλον ἐθέλουσι ταῦτ' ἀσκεῖν, ἀγωνάς τε αὐτοῖς προεῖπεν ἀπάντων ὀπόσα ἐγίνωσκεν ἀσκεῖσθαι ἀγαθὸν εἶναι ὑπὸ στρατιωτῶν καὶ προεῖπε τάδε, ἰδιώτη μὲν ἑαυτὸν παρέχειν εὐπειθῇ τοῖς ἄρχουσι καὶ ἐθελόπονον καὶ φιλοκίνδυνον μετ' εὐταξίας καὶ ἐπιστήμονα τῶν στρατιωτικῶν καὶ φιλόκαλον περὶ ὅπλα καὶ φιλότιμον ἐπὶ πᾶσι τοῖς τοιούτοις, πεμπαδάρχῳ δ' αὐτὸν ὄντα οἷόνπερ τὸν ἀγαθὸν ἰδιώτην καὶ τὴν πεμπάδα εἰς τὸ δυνατὸν τοιαύτην παρέχειν, δεκαδάρχῳ δὲ τὴν δεκάδα ὡσαύτως, λοχαγῷ δὲ τὸν λόχον, καὶ ταξιάρχῳ ἀνεπίκλητον αὐτὸν ὄντα ἐπιμελεῖσθαι καὶ τῶν ὑφ' αὐτῷ ἀρχόντων ὅπως ἐκεῖνοι αὐτῶν ἂν ἄρχωσι παρέξουσιν τὰ δέοντα ποιοῦντας. [2.1.23] ἄλλα δὲ προύφηγε τοῖς μὲν ταξιάρχοις ὡς τοὺς κρατίστας δόξαντας τὰς τάξεις παρεσκευάσθαι χιλιάρχους ἔσσεσθαι, τῶν δὲ λοχαγῶν οἱ κρατίστους δόξειαν τοὺς λόχους ἀποδεικνύναι, εἰς τὰς τῶν ταξιάρχων χώρας ἐπαναβῆσεσθαι, τῶν δ' αὖ δεκαδάρχων τοὺς κρατίστους εἰς τὰς τῶν λοχαγῶν χώρας καταστήσεσθαι, τῶν δ' αὖ πεμπαδάρχων ὡσαύτως εἰς τὰς τῶν δεκαδάρχων, τῶν γε μὴν ἰδιωτῶν τοὺς κρατιστεύοντας εἰς τὰς τῶν πεμπαδάρχων. ὑπῆρχε δὲ πᾶσι τούτοις τοῖς ἄρχουσι πρῶτον μὲν θεραπεύεσθαι ὑπὸ τῶν ἀρχομένων, ἔπειτα δὲ καὶ ἄλλαι τιμαὶ αἱ πρόπουσαι ἐκάστοις συμπαρείποντο. ἐπανετείνοντο δὲ καὶ μεῖζονες ἐλπίδες τοῖς ἀξίοις ἐπαίνου, εἴ τι ἐν τῷ ἐπιόντι χρόνῳ ἀγαθὸν μεῖζον φανοῖτο. [2.1.24] προεῖπε δὲ νικητήρια καὶ ὅλαις ταῖς τάξεσι καὶ ὅλοις τοῖς λόχοις, καὶ ταῖς δεκάσιν ὡσαύτως καὶ ταῖς πεμπάσιν, αἱ ἂν φαίνωνται εὐπιστόταται τοῖς ἄρχουσιν οὔσαι καὶ προθυμότατα ἀσκοῦσαι τὰ προειρημένα. ἦν δὲ ταύταις τὰ νικητήρια οἷα δὴ εἰς πλῆθος πρόπει. ταῦτα μὲν δὴ προεῖρητό τε καὶ ἡσκεῖτο ἡ στρατιά. [2.1.25] σκηνάς δ' αὐτοῖς κατεσκεύασε, πλῆθος μὲν ὅσοι ταξιάρχῳ ἦσαν, μέγεθος δὲ ὥστε ἱκανὰς εἶναι τῇ τάξει ἐκάστην· ἡ δὲ τάξις ἦν ἑκατὸν ἄνδρες. ἐσκήνουν μὲν δὴ οὕτω κατὰ τάξεις· ἐν δὲ τῷ ὁμοῦ σκηνοῦν ἐδόκουν μὲν αὐτῷ ὠφελεῖσθαι πρὸς τὸν μέλλοντα ἀγῶνα τοῦτο ὅτι ἐώρων ἀλλήλους ὁμοίως τρεφομένους καὶ οὐκ ἐνῆν πρόφασις μειονεξίας ὥστε ὑφίεσθαι τινας κακίῳ ἔτερον ἐτέρου εἶναι πρὸς τοὺς πολεμίους. ὠφελεῖσθαι δ' ἐδόκουν αὐτῷ καὶ πρὸς τὸ γινώσκειν ἀλλήλους ὁμοῦ σκηνοῦντες. ἐν δὲ τῷ γινώσκεσθαι καὶ τὸ αἰσχύνεσθαι πᾶσι δοκεῖ μᾶλλον ἐγγίγνεσθαι, οἱ δ' ἀγνοοῦμενοι

ῥαϊδιουργεῖν πως μᾶλλον δοκοῦσιν, ὥσπερ ἐν σκότει ὄντες. [2.1.26] ἐδόκουν δ' αὐτῷ καὶ εἰς τὸ τὰς τάξεις ἀκριβοῦν μεγάλα ὠφελεῖσθαι διὰ τὴν συσκηνίαν. εἶχον γὰρ οἱ μὲν ταξίαρχοι ὑφ' ἑαυτοῖς τὰς τάξεις κεκοσμημένας ὥσπερ ὁπότε εἰς ἓνα πορευοίτο ἡ τάξις, οἱ δὲ λοχαγοὶ τοὺς λόχους ὡσαύτως, οἱ δὲ δεκάδαρχοι δεκάδας, πεμπάδαρχοι πεμπάδας. [2.1.27] τὸ δὲ διακριβοῦν τὰς τάξεις σφόδρα ἐδόκει αὐτῷ ἀγαθὸν εἶναι καὶ εἰς τὸ μὴ ταράττεσθαι καὶ εἰ παραχθεῖεν θᾶπτον καταστῆναι, ὥσπερ γε καὶ λίθων καὶ ξύλων ἂν δέῃ συναρμοσθῆναι, ἔστι, κἂν ὁπωσοῦν καταβεβλημένα τύχηι, συναρμόσαι αὐτὰ εὐπετῶς, ἣν ἔχη γνώρισμα ὥστ' εὐδηλον εἶναι ἐξ ὁποίας ἕκαστον χώρας αὐτῶν εἶναι. [2.1.28] ἐδόκουν δ' ὠφελεῖσθαι αὐτῷ ὁμοῦ τρεφόμενοι καὶ πρὸς τὸ ἦττον ἀλλήλους θέλιν ἀπολιπεῖν, ὅτι ἑώρα καὶ τὰ θηρία τὰ συντρεφόμενα δεινὸν ἔχοντα πόθον, ἣν τις αὐτὰ διασπᾶ ἀπ' ἀλλήλων. [2.1.29] ἐπεμέλετο δὲ καὶ τούτου ὁ Κῦρος ὅπως μήποτε ἀνίδρωτοι γενόμενοι ἐπὶ τὸ ἄριστον καὶ τὸ δεῖπνον εἰσίοιεν. ἡ γὰρ ἐπὶ θήραν ἐξάγων ἰδρῶτα αὐτοῖς παρεῖχεν, ἡ παιδιὰς τοιαύτας ἐξηύρισκεν αἱ ἰδρῶτα ἔμελλον παρέχειν, ἡ καὶ πρᾶξι εἴ τι δεόμενος τύχοι, οὕτως ἐξηγεῖτο τῆς πράξεως ὥς μὲ ἐπανίοιεν ἀνιδρωτί. τοῦτο γὰρ ἡγεῖτο καὶ πρὸς τὸ ἡδέως ἐσθίειν ἀγαθὸν εἶναι καὶ πρὸς τὸ ὑγιαίνειν καὶ πρὸς τὸ δύνασθαι πονεῖν, καὶ πρὸς τὸ ἀλλήλοις δὲ πραιοτέρους εἶναι ἀγαθὸν ἡγεῖτο τοὺς πόνους εἶναι, ὅτι καὶ οἱ ἵπποι συμπονοῦντες ἀλλήλοις πραιοτέροι συνεστήκασιν. πρὸς γε μὴν τοὺς πολεμίους μεγαλοφρονέστεροι γίνονται οἱ ἂν συνειδῶσιν ἑαυτοῖς εὐ ἡσκηκότες.

[2.1.30] Κῦρος δ' ἑαυτῷ σκηνὴν μὲν κατεσκευάσατο ὥστε ἱκανὴν ἔχειν οἷς καλοίῃ ἐπὶ δεῖπνον. ἐκάλει δὲ ὡς τὰ πολλὰ τῶν ταξίαρχων οὕς καιρὸς αὐτῷ δοκοίῃ εἶναι, ἔστι δ' ὅτε καὶ τῶν λοχαγῶν καὶ τῶν δεκαδάρχων τινὰς καὶ τῶν πεμπαδάρχων ἐκάλει, ἔστι δ' ὅτε καὶ τῶν στρατιωτῶν, ἔστι δ' ὅτε καὶ πεμπάδα ὅλην καὶ δεκάδα ὅλην καὶ λόχον ὅλον καὶ τάξιν ὅλην. ἐκάλει δὲ καὶ ἐτίμα ὁπότε τινὰς ἴδοι τοιοῦτόν τι ποιήσαντας ὃ αὐτὸς ἐβούλετο ποιεῖν. ἦν δὲ τὰ παρατιθέμενα αἰεὶ ἴσα αὐτῷ τε καὶ τοῖς καλουμένοις ἐπὶ δεῖπνον. [2.1.31] καὶ τοὺς ἀμφὶ τὸ στράτευμα δὲ ὑπηρετάς ἰσομοίρους πάντων αἰεὶ ἐποίει· οὐδὲν γὰρ ἦττον τιμᾶν ἄξιον ἐδόκει αὐτῷ εἶναι τοὺς ἀμφὶ τὰ στρατιωτικὰ ὑπηρετάς οὔτε κηρύκων οὔτε πρέσβων. καὶ γὰρ πιστοὺς ἡγεῖτο δεῖν εἶναι τούτους καὶ ἐπιστήμονας τῶν στρατιωτικῶν καὶ συνετούς, προσέτι δὲ καὶ σφοδροὺς καὶ ταχεῖς καὶ ἀόκνους καὶ

ἀταράκτους. πρὸς δ' ἔτι ἃ οἱ βέλτιστοι νομιζόμενοι ἔχουσιν ἐγίγνωσκεν ὁ Κῦρος δεῖν τοὺς ὑπηρέτας ἔχειν, καὶ τοῦτο ἀσκεῖν ὡς μὴδὲν ἀναίνοιτο ἔργον, ἀλλὰ πάντα νομίζοιεν πρέπειν αὐτοῖς πράττειν ὅσα ἄρχων προστάττοι.

[2.2.1] Ἀεὶ μὲν οὖν ἐπεμέλετο ὁ Κῦρος, ὁπότε συσκηνοῖεν, ὅπως εὐχαριστότατοί τε ἅμα λόγοι ἐμβληθήσονται καὶ παρορμῶντες εἰς τ' ἀγαθόν. ἀφίκετο δὲ καὶ εἰς τόνδε ποτὲ τὸν λόγον· Ἄρά γε, ἔφη, ὦ ἄνδρες, ἐνδεέστεροί τι ἡμῶν διὰ τοῦτο φαίνονται εἶναι οἱ ἐταῖροι ὅτι οὐ πεπαιδευνται τὸν αὐτὸν τρόπον ἡμῖν, ἢ οὐδὲν ἄρα διοίσειν ἡμῶν οὗτ' ἐν ταῖς συνουσίαις οὔτε ὅταν ἀγωνίζεσθαι πρὸς τοὺς πολεμίους δέη; [2.2.2] καὶ [ὁ] ὑστάσπας ὑπολαβὼν εἶπεν· Ἀλλ' ὅποιοι μὲν τινες ἔσονται εἰς τοὺς πολεμίους οὐπω ἔγωγε ἐπίσταμαι· ἐν μέντοι τῇ συνουσίᾳ δύσκολοι ναὶ μὰ τοὺς θεοὺς ἔνιοι αὐτῶν φαίνονται. πρώην μὲν γε, ἔφη, ὁ Κυαξάρης ἔπεμψεν εἰς τὴν τάξιν ἐκάστην ἱερεῖα, καὶ ἐγένοντο κρέα ἐκάστωι ἡμῶν τρία [ἢ] καὶ πλείω τὰ περιφερόμενα. καὶ ἥρξατο μὲν ἀπ' ἐμοῦ τὴν πρώτην περίοδον περιφέρων· ὅτε δὲ τὸ δεύτερον εἰσήκει περιοίσων, ἐκέλευσα ἐγὼ ἀπὸ τοῦ τελευταίου ἄρχεσθαι καὶ ἀνάπαλιν φέρειν. [2.2.3] ἀνακραγὼν οὖν τις τῶν κατὰ μέσον τὸν κύκλον κατακειμένων στρατιωτῶν, Μὰ Δί', ἔφη, τῶνδε μὲν οὐδὲν ἴσον ἐστίν, εἴγε ἀφ' ἡμῶν γε τῶν ἐν μέσῳ οὐδεὶς οὐδέποτε ἄρξεται. καὶ ἐγὼ ἀκούσας ἠχθέσθην, εἴ τι μείον δοκοῖεν ἔχειν, καὶ ἐκάλεσα εὐθύς αὐτὸν πρὸς ἐμέ. ὁ δὲ μάλα γε τοῦτο εὐτάκτως ὑπήκουσεν. ὥς δὲ τὰ περιφερόμενα ἦκε πρὸς ἡμᾶς, ἄτε οἶμαι ὑστάτους λαμβάνοντας, τὰ μικρότατα λελειμμένα ἦν. ἐνταῦθα δὴ ἐκεῖνος πάνυ ἀνάθεις δῆλος ἦν καὶ εἶπε πρὸς αὐτόν· Τῆς τύχης, τὸ ἐμὲ νῦν κληθέντα δεῦρο τυχεῖν. [2.2.4] καὶ ἐγὼ εἶπον· Ἀλλὰ μὴ φρόντιζε· αὐτίκα γὰρ ἀφ' ἡμῶν ἄρξεται καὶ σὺ πρῶτος λήψῃ τὸ μέγιστον. καὶ ἐν τούτῳ περιέφερε τὸ τρίτον, ὅπερ δὴ λοιπὸν ἦν τῆς περιφορᾶς· κ' αὐτοῦ ἔλαβε, καί τ' ἔδοξεν αὐτῷ μείον λαβεῖν· κατέβαλεν οὖν ὃ ἔλαβεν ὡς ἕτερον ληγόμενος. καὶ ὁ ἄρταμος οἴομενος αὐτὸν οὐδὲν ἔτι δεῖσθαι ὄψου, ὥχετο παραφέρων πρὶν λαβεῖν αὐτὸν ἕτερον. [2.2.5] ἐνταῦθα δὴ οὕτω βαρέως ἤνεγκε τὸ πάθος ὥστε ἀνήλωτο μὲν αὐτῷ ὃ εἰλήφει ὄψον, ὃ δ' ἔτι αὐτῷ λοιπὸν ἦν τοῦ ἐμβάπτεσθαι, τοῦτό πως ὑπὸ τοῦ ἐκπεπληγθαί τε καὶ τῇ τύχῃ ὀργίζεσθαι δυσθετούμενος ἀνέτρεψεν. ὁ μὲν δὴ λοχαγὸς ὁ ἐγγύτατα ἡμῶν ἰδὼν συνεκρότησε τῷ χεῖρι καὶ τῷ γέλωτι ηὑφραίνετο. ἐγὼ μέντοι, ἔφη, προσεποιούμην βήττειν· οὐδὲ γὰρ αὐτὸς ἐδυνάμην τὸν

γέλωτα κατασχεῖν. τοιοῦτον μὲν δὴ σοι ἓνα, ὃ Κῦρε, τῶν ἐταίρων ἐπιδεικνύω. ἐπὶ μὲν δὴ τούτῳ ὥσπερ εἰκὸς ἐγέλασαν. [2.2.6] ἄλλος δέ τις ἔλεξε τῶν ταξιάρχων· Οὗτος μὲν δὴ, ὃ Κῦρε, ὡς ἔοικεν, οὕτω δυσκόλῳ ἐπέτυχεν. ἐγὼ δέ, ὡς σὺ διδάξας ἡμᾶς τὰς τάξεις ἀπέπεμψας καὶ ἐκέλευσας διδάσκειν τὴν ἑαυτοῦ ἕκαστον τάξιν ἃ παρὰ σοῦ ἐμάθομεν, οὕτω δὴ καὶ ἐγὼ, ὥσπερ καὶ οἱ ἄλλοι ἐποιοῦν, ἐλθὼν ἐδίδασκον ἓνα λόχον. καὶ στήσας τὸν λοχαγὸν πρῶτον καὶ τάξας δὴ ἐπ' αὐτῷ ἄνδρα νεανίαν καὶ τοὺς ἄλλους ἢ ὥμην δεῖν, ἔπειτα στὰς ἐκ τοῦ ἔμπροσθεν βλέπων εἰς τὸν λόχον, ἥνίκα μοι ἐδόκει καιρὸς εἶναι, προϊέναι ἐκέλευσα. [2.2.7] καὶ ἀνὴρ σοι ὁ νεανίας ἐκεῖνος προελθὼν τοῦ λοχαγοῦ πρότερος ἐπορεύετο. καὶ γὰρ ἰδὼν εἶπον· Ἄνθρωπε, τί ποιεῖς; καὶ ὃς ἔφη· Προέρχομαι ὥσπερ σὺ κελεύεις. κ' αὖ γὰρ εἶπον· Ἀλλ' οὐκ ἐγὼ σὲ μόνον ἐκέλευον ἀλλὰ πάντας προϊέναι. καὶ ὃς ἀκούσας τοῦτο μεταστραφείς πρὸς τοὺς λοχίτας εἶπεν· Οὐκ ἀκούετε, ἔφη, λοιδορουμένου; προϊέναι πάντας κελεύει. καὶ ἄνδρες πάντες παρελθόντες τὸν λοχαγὸν ἦσαν πρὸς ἐμέ. [2.2.8] ἐπεὶ δὲ ὁ λοχαγὸς αὐτοὺς ἀνεχώριζεν, ἐδυσφόρουν καὶ ἔλεγον· Ποτέρῳ δὴ πείθεσθαι χρή; νὺν γὰρ ὁ μὲν κελεύει προϊέναι, ὁ δ' οὐκ ἔδῃ. ἐγὼ μὲντοι ἐνεγκὼν ταῦτα πρᾶϊως ἐξ ἀρχῆς αὖ καταχωρίσας εἶπον μηδένα τῶν ὀπισθεν κινεῖσθαι πρὶν ἢ ὁ πρόσθεν ἡγήται, ἀλλὰ τοῦτο μόνον ὁρᾶν πάντας, τῷ πρόσθεν ἔπασθαι. [2.2.9] ὡς δ' εἰς Πέρσας τις ἀπὼν ἦλθε πρὸς ἐμέ καὶ ἐκέλευσέ με τὴν ἐπιστολὴν ἣν ἔγραψα οἴκαδε δοῦναι, κ' αὖ γὰρ ὁ λοχαγὸς ἡίδει ὅπου ἔκειτο ἡ ἐπιστολή, ἐκέλευσα αὐτὸν δραμόντα ἐνεγκεῖν τὴν ἐπιστολὴν, ὁ μὲν δὴ ἔτρεχεν, ὁ δὲ νεανίας ἐκεῖνος εἶπετο τῷ λοχαγῷ σὺν αὐτῷ τῷ θώρακι καὶ τῇ κοπίδι, καὶ ὁ ἄλλος δὲ πᾶς λόχος ἰδὼν ἐκεῖνον συνέτρεχον· καὶ ἦκον οἱ ἄνδρες φέροντες τὴν ἐπιστολὴν. οὕτως, ἔφη, ὃ γ' ἐμὸς λόχος σοι ἀκριβοῖ πάντα τὰ παρὰ σοῦ. [2.2.10] οἱ μὲν δὴ ἄλλοι ὡς εἰκὸς ἐγέλων ἐπὶ τῇ δορυφορίᾳ τῆς ἐπιστολῆς· ὁ δὲ Κῦρος εἶπεν· ὦ Ζεῦ καὶ πάντες θεοί, οἷους ἄρα ἡμεῖς ἔχομεν ἄνδρας ἐταίρους, οἳ γε εὐθεράπευτοι μὲν οὕτως εἰσὶν ὥστ' εἶναι αὐτῶν καὶ μικρῷ ὄσῳ παμπόλλους φίλους ἀνακτήσασθαι, πιθανοὶ δ' οὕτως εἰσὶν ὥστε πρὶν εἰδέναι τὸ προσταττόμενον πρότερον πείθονται. ἐγὼ μὲν οὐκ οἶδα ποίοις τινὰς χρή μᾶλλον εὖξασθαι ἢ τοιούτους στρατιώτας ἔχειν. [2.2.11] ὁ μὲν δὴ Κῦρος ἅμα γελῶν οὕτως ἐπήνεσε τοὺς στρατιώτας. ἐν δὲ τῇ σκηνῇ ἐτύχανέ τις ὢν τῶν ταξιάρχων Ἀγλαϊτάδας ὄνομα, ἀνὴρ τὸν τρόπον τῶν στρυφνοτέρων ἀνθρώπων,

ὅς οὕτωςί πως εἶπεν· Ἡ γὰρ οἶει, ἔφη, ὦ Κῦρε, τούτους ἀληθῆ λέγειν ταῦτα; Ἀλλὰ τί μὴν βουλόμενοι, ἔφη ὁ Κῦρος, ψεύδονται; Τί δ' ἄλλο γ', ἔφη, εἰ μὴ γέλωτα ποιεῖν ἐθέλοντες ὑπὲρ οὗ λέγουσι ταῦτα καὶ ἀλαζονεύονται; [2.2.12] καὶ ὁ Κῦρος, Εὐφήμει, ἔφη, μηδὲ λέγε ἀλαζόνας εἶναι τούτους. ὁ μὲν γὰρ ἀλαζὼν ἔμοιγε δοκεῖ ὄνομα κεῖσθαι ἐπὶ τοῖς προσποιουμένοις καὶ πλουσιωτέροις εἶναι ἢ εἰσὶ καὶ ἀνδρειότεροις καὶ ποιήσιν ἅ μὴ ἱκανοὶ εἰσιν ὑπισχνουμένοις, καὶ ταῦτα φανεροῖς γιγνομένοις ὅτι τοῦ λαβεῖν τι ἔνεκα καὶ κερδᾶναι ποιοῦσιν. οἱ δὲ μηχανώμενοι γέλωτα τοῖς συνοῦσι μήτε ἐπὶ τῷ αὐτῶν κέρδει μήτ' ἐπὶ ζημίαι τῶν ἀκουόντων μήτε ἐπὶ βλάβῃ μηδεμιᾷ, πῶς οὐχ οὗτοι ἀστεῖοι ἂν καὶ εὐχάριτες δικαιότερον ὀνομάζοιντο μᾶλλον ἢ ἀλαζόνες; [2.2.13] ὁ μὲν δὴ Κῦρος οὕτως ἀπελογήσατο περὶ τῶν τὸν γέλωτα παρασχόντων· αὐτὸς δὲ [ὁ λοχαγὸς] ὁ τὴν τοῦ λόχου χαριτίαν διηγησάμενος ἔφη· Ἥπου ἂν, ἔφη, ὦ Ἀγλαϊτάδα, εἴ γε κλαίειν ἐπειρώμεθά σε ποιεῖν, σφόδρ' ἂν ἡμῖν ἐμέμφου, ὥσπερ ἔνιοι καὶ ἐν ὠιδαῖς καὶ ἐν λόγοις οἰκτρὰ ἅττα λογοποιοῦντες εἰς δάκρυα πειρῶνται ἄγειν, ὁπότε γε νῦν καὶ αὐτὸς εἰδὼς ὅτι εὐφραίνειν μὲν τί σε βουλόμεθα, βλάψαι δ' οὐδέν, ὅμως οὕτως ἐν πολλῇ ἀτιμίᾳ ἡμᾶς ἔχεις. [2.2.14] Ναὶ μὰ Δί', ἔφη ὁ Ἀγλαϊτάδας, καὶ δικαίως γε, ἐπεὶ καὶ αὐτοῦ τοῦ κλαίοντος καθίζοντος τοὺς φίλους πολλαχοῦ ἔμοιγε δοκεῖ ἐλάττονος ἄξια διαπράττεσθαι ὁ γέλωτα αὐτοῖς μηχανώμενος. εὐρήσεις δὲ καὶ σύ, ἦν ὀρθῶς λογίζῃ, ἐμὲ ἀληθῆ λέγοντα. κλαύμασι μὲν γε καὶ πατέρες υἱοῖς σωφροσύνην μηχανῶνται καὶ διδάσκαλοι παισὶν ἀγαθὰ μαθήματα, καὶ νόμοι γε πολίτας διὰ τοῦ κλαίοντος καθίζειν ἐς δικαιοσύνην προτρέπονται· τοὺς δὲ γέλωτα μηχανωμένους ἔχοις ἂν εἰπεῖν ἢ σώματα ὠφελοῦντας ἢ ψυχὰς οἰκονομικωτέρας τι ποιοῦντας ἢ πολιτικωτέρας; [2.2.15] ἐκ τούτου ὁ Ὑστάσπας ὥδέ πως εἶπε· Σύ, ἔφη, ὦ Ἀγλαϊτάδα, ἦν ἐμοὶ πείθῃ, εἰς μὲν τοὺς πολεμίους θαρρῶν δαπανήσεις τοῦτο τὸ πολλοῦ ἄξιον, καὶ κλαίοντας ἐκείνους πειράσῃ καθίζειν· ἡμῖν δὲ πάντως, ἔφη, τοῖσδε [τοῖς φίλοις] τούτου τοῦ ὀλίγου, ἀξίου, τοῦ γέλωτος ἐπιδαψιλεύσῃ. καὶ γὰρ οἶδ' ὅτι πολὺς σοὶ ἐστὶν ἀποκείμενος· οὔτε γὰρ αὐτὸς χρώμενος ἀνησιμόκας αὐτόν, οὐδὲ μὴν φίλοις οὐδὲ ξένοις ἐκὼν εἶναι γέλωτα παρέχεις· ὥστε οὐδεμίᾳ σοι πρόφασίς ἐστιν ὥς οὐ παρεκτέον σοι ἡμῖν γέλωτα. καὶ ὁ Ἀγλαϊτάδας εἶπε· Καὶ οἶει γε, ὦ Ὑστάσπα, γέλωτα περιποιεῖν ἐξ ἐμοῦ; καὶ ὁ ταξίαρχος εἶπε· Ναὶ μὰ Δί', ἀνόητος ἄρ' ἐστίν· ἐπεὶ ἐκ

γε σοῦ πῦρ, οἶμαι, ῥᾷον ἂν τις ἐκτρίψειεν ἢ γέλωτα ἐξαγάγοιτο. [2.2.16] ἐπὶ τούτῳ μὲν δὴ οἱ τε ἄλλοι ἐγέλασαν, τὸν τρόπον εἰδότες αὐτοῦ, ὃ τ' Ἀγλαϊτάδας ἐπεμεΐδισε. καὶ ὁ Κῦρος ἰδὼν αὐτὸν φαιδρωθέντα, Ἀδικεῖς, ἔφη, ὦ ταξίαρχε, ὅτι ἄνδρα ἡμῖν τὸν σπουδαιότατον διαφθείρεις γελᾶν ἀναπείθων, καὶ ταῦτα, ἔφη, οὕτω πολέμιον ὄντα τῷ γέλῳτι. [2.2.17] ταῦτα μὲν δὴ ἐνταῦθα ἔλκεν. ἐκ δὲ τούτου Χρυσάντας ὦδ' ἔλεξεν.

[2.2.18] Ἀλλ' ἐγώ, ἔφη, ὦ Κῦρε καὶ πάντες οἱ παρόντες, ἐννοῶ ὅτι συνεξεληλύθασι μὲν ἡμῖν οἱ μὲν καὶ βελτίονες, οἱ δὲ καὶ μείονος ἄξιοι· ἦν δέ τι γένηται ἀγαθόν, ἀξιώσουσιν οὗτοι πάντες ἰσομοιεῖν. καίτοι ἔγωγε οὐδὲν ἀνισώτερον νομίζω ἐν ἀνθρώποις εἶναι τοῦ τῶν ἴσων τόν τε κακὸν καὶ τὸν ἀγαθὸν ἀξιοῦσθαι. καὶ ὁ Κῦρος εἶπε πρὸς τοῦτο· Ἄρ' οὖν, πρὸς τῶν θεῶν, ὦ ἄνδρες, κράτιστον ἡμῖν ἐμβαλεῖν περὶ τούτου βουλὴν εἰς τὸ στρατεύμα, πότερα δοκεῖ, ἦν τι ἐκ τῶν πόνων δῶι ὁ θεὸς ἀγαθόν, ἰσομοίρους πάντας ποιεῖν, ἢ σκοποῦντας τὰ ἔργα ἐκάστου πρὸς ταῦτα καὶ τὰς τιμὰς ἐκάστωι προστιθέναι; [2.2.19] Καὶ τί δεῖ, ἔφη ὁ Χρυσάντας, ἐμβαλεῖν λόγον περὶ τούτου, ἀλλ' οὐχὶ προειπεῖν ὅτι οὕτω ποιήσεις; οὐ καὶ τοὺς ἀγῶνας οὕτω προεῖπας καὶ τὰ ἄθλα; Ἀλλὰ μὰ Δί', ἔφη ὁ Κῦρος, οὐχ ὅμοια ταῦτα ἐκείνοις· ἃ μὲν γὰρ ἂν στρατευόμενοι κτήσωνται, κοινὰ οἶμαι ἑαυτῶν ἡγήσονται εἶναι· τὴν δὲ ἀρχὴν τῆς στρατιᾶς ἐμὴν ἴσως ἔτι οἴκοθεν νομίζουσιν εἶναι, ὥστε διατάττοντα ἐμὲ τοὺς ἐπιστάτας οὐδὲν οἶμαι ἀδικεῖν νομίζουσιν. [2.2.20] Ἥ καὶ οἶει, ἔφη ὁ Χρυσάντας, ψηφίσασθαι ἂν τὸ πλῆθος συνελθὼν ὥστε μὴ ἴσων ἕκαστον τυγχάνειν, ἀλλὰ τοὺς κρατίστους καὶ τιμαῖς καὶ δώροις πλεονεκτεῖν; Ἐγώ, ἔφη ὁ Κῦρος, οἶμαι, ἅμα μὲν ἡμῶν συναγορευόντων, ἅμα δὲ καὶ αἰσχροὺς ὃν ἀντιλέγειν τὸ μὴ οὐχὶ τὸν πλεῖστα καὶ πονοῦντα καὶ ὠφελοῦντα τὸ κοινὸν τοῦτον καὶ μεγίστων ἀξιοῦσθαι. οἶμαι δ', ἔφη, καὶ τοῖς κακίστοις συμφέρον φανεῖσθαι τοὺς ἀγαθοὺς πλεονεκτεῖν. [2.2.21] ὁ δὲ Κῦρος ἐβούλετο καὶ αὐτῶν ἕνεκα τῶν ὁμοτίμων γενέσθαι τοῦτο τὸ ψήφισμα· βελτίους γὰρ ἂν καὶ αὐτοὺς ἡγείτο τούτους εἶναι, εἰ εἶδεῖν ὅτι ἐκ τῶν ἔργων καὶ αὐτοὶ κρινόμενοι τῶν ἀξίων τεύζονται. καιρὸς οὖν ἐδόκει αὐτῷ εἶναι νῦν ἐμβαλεῖν περὶ τούτου ψῆφον, ἐν ᾗ καὶ οἱ ὁμότιμοι ὥκνουν τὴν τοῦ ὄχλου ἰσομοίριαν. οὕτω δὴ συνεδόκει τοῖς ἐν τῇ σκηνῇ συμβαλέσθαι περὶ τούτου λόγους καὶ συναγορεύειν ταῦτα ἔφασαν χρῆναι ὅστις περ ἀνὴρ οἶοιτο εἶναι.

[2.2.22] Ἐπιγελάσας δὲ τῶν ταξίαρχων τις εἶπεν· Ἀλλ' ἐγώ, ἔφη,

ἄνδρα οἶδα καὶ τοῦ δήμου ὃς συνερεῖ ὥστε μὴ εἰκῇ οὕτως ἰσομοιρίαν εἶναι. ἄλλος δ' ἀντήρετο τοῦτον τίνα λέγοι. ὁ δ' ἀπεκρίνατο· Ἔστι νῆ Δί' ἀνὴρ ἡμῖν σύσκηνος, ὃς ἐν παντὶ μαστεύει πλέον ἔχειν. ἄλλος δ' ἐπήρετο αὐτόν· Ἡ καὶ τῶν πόνων; Μὰ Δί', ἔφη, οὐ μὲν δὴ· ἀλλὰ τοῦτό γε ψευδόμενος ἐάλωκα. καὶ γὰρ πόνων καὶ τῶν ἄλλων τῶν τοιούτων ὁρῶ πάνυ θαρραλέως βουλόμενον μεῖον ἔχειν παρ' ὄντιναοῦν. [2.2.23] Ἄλλ' ἐγὼ μὲν, ἔφη ὁ Κῦρος, ὦ ἄνδρες, γιγνώσκω τοὺς τοιούτους ἀνθρώπους οἷον καὶ οὗτος νῦν λέγει εἶπερ δεῖ ἐνεργὸν καὶ πειθόμενον ἔχειν τὸ στράτευμα, ἐξαιρετέους εἶναι ἐκ τῆς στρατιᾶς. δοκεῖ γάρ μοι τὸ μὲν πολὺ τῶν στρατιωτῶν εἶναι οἷον ἔπεσθαι ἢ ἂν τις ἡγήται· ἄγειν δ' οἶμαι ἐπιχειροῦσιν οἱ μὲν καλοὶ κ' ἀγαθοὶ ἐπὶ τὰ καλὰ κ' ἀγαθὰ, οἱ δὲ πονηροὶ ἐπὶ τὰ πονηρά. [2.2.24] καὶ πολλάκις τοίνυν πλείονας ὁμογνώμονας λαμβάνουσιν οἱ φαῦλοι ἢ οἱ σπουδαῖοι. ἡ γὰρ πονηρία διὰ τῶν παραυτίκα ἡδονῶν πορευομένη ταύτας ἔχει συμπειθούσας πολλοὺς αὐτῇ ὁμογνωμονεῖν· ἡ δ' ἀρετὴ πρὸς ὀρθιον ἄγουσα οὐ πάνυ δεινὴ ἐστίν ἐν τῷ παραυτίκα εἰκῇ συνεπισπᾶσθαι, ἄλλως τε καὶ ἢν ἄλλοι ὦσιν ἐπὶ τὸ πρᾶνές καὶ τὸ μαλακὸν ἀντιπαρακαλοῦντες. [2.2.25] καὶ τοίνυν ὅταν μὲν τινες βλακεῖαι καὶ ἀπονίαι μόνον κακοὶ ὦσι, τούτους ἐγὼ νομίζω ὥσπερ κηφῆνας δαπάνῃ μόνον ζημιοῦν τοὺς κοινῶνας· οἱ δ' ἂν τῶν μὲν πόνων κακοὶ ὦσι κοινωνοί, πρὸς δὲ τὸ πλεονεκτεῖν σφοδροὶ καὶ ἀναίσχυντοι, οὗτοι καὶ ἡγεμονικοὶ εἰσι πρὸς τὰ πονηρά· πολλάκις γὰρ δύνανται τὴν πονηρίαν πλεονεκτοῦσαν ἀποδεικνύναι· ὥστε παντάπασιν ἐξαιρετέοι ἡμῖν οἱ τοιοῦτοὶ εἰσι. [2.2.26] καὶ μὴ μέντοι σκοπεῖτε ὅπως ἐκ τῶν πολιτῶν ἀντιπληρώσετε τὰς τάξεις, ἄλλ' ὥσπερ ἵπποι οἱ ἂν ἄριστοι ὦσιν, οὐχ οἱ ἂν πατριῶται, τούτους ζητεῖτε, οὕτω καὶ ἀνθρώπους ἐκ πάντων οἱ ἂν ὑμῖν δοκῶσι μάλιστα συνισχυριεῖν τε ὑμᾶς καὶ συγκοσμήσειν, τούτους λαμβάνετε. μαρτυρεῖ δέ μοι καὶ τόδε πρὸς τὸ ἀγαθόν· οὔτε γὰρ ἄρμα δήπου ταχὺ γένοιτ' ἂν βραδέων ἵππων ἐνότων οὔτε δίκαιον ἀδίκων συνεζευγμένων, οὐδὲ οἶκος δύναιτ' ἂν εὖ οἰκεῖσθαι πονηροῖς οἰκέταις χρώμενος, ἀλλὰ καὶ ἐνδεόμενος οἰκετῶν ἤττον σφάλλεται ἢ ὑπὸ ἀδίκων ταραττόμενος. [2.2.27] εὖ δ' ἴστε, ἔφη, ὦ ἄνδρες, φίλοι, ὅτι οὐδὲ τοῦτο μόνον ὠφελήσουσιν οἱ κακοὶ ἀφαιρεθέντες ὅτι κακοὶ ἀπέσσονται, ἀλλὰ καὶ τῶν καταμενόντων οἱ μὲν ἀνεπίμπλαντο ἤδη κακίας, ἀποκαθαροῦνται πάλιν ταύτης, οἱ δὲ ἀγαθοὶ τοὺς κακοὺς ἰδόντες ἀτιμασθέντας πολὺ εὐθυμότερον τῆς

ἀρετῆς ἀνθέξονται. [2.2.28] ὁ μὲν οὕτως εἶπε· τοῖς δὲ φίλοις πᾶσι συνέδοξε ταῦτα, καὶ οὕτως ἐποιοῦν.

Ἐκ δὲ τούτου πάλιν αὐτοῖς σκώμματος ἤρχετο ὁ Κῦρος. κατανοήσας γάρ τινα τῶν λοχαγῶν σύνδειπνον καὶ παρακλίτην πεπονημένον ἄνδρα ὑπέρδασύν τε καὶ ὑπέραισχρον, ἀνακαλέσας τὸν λοχαγὸν ὀνομαστί εἶπεν ὧδε· ὦ Σαμβαύλα, ἔφη, ἀλλ' ἢ καὶ σὺ κατὰ τὸν Ἑλληνικὸν τρόπον, ὅτι καλὸν ἐστὶ, περιάγει τοῦτο τὸ μεράκιον τὸ παρακατακεῖμένον σοι; Νῆ τὸν Δί', ἔφη ὁ Σαμβαύλας, ἡδομαι γοῦν καὶ ἐγὼ συνών τε καὶ θεώμενος τοῦτον. [2.2.29] ἀκούσαντες ταῦτα οἱ σύσκηνοι προσέβλεψαν· ὡς δὲ εἶδον τὸ πρόσωπον τοῦ ἀνδρὸς ὑπερβάλλον αἴσχει, ἐγέλασαν πάντες. καὶ τις εἶπε· Πρὸς τῶν θεῶν, ὦ Σαμβαύλα, ποίωι ποτέ σε ἔργωι ἀνὴρ οὗτος ἀνήρηται; [2.2.30] καὶ ὃς εἶπεν· Ἐγὼ ὑμῖν νῆ τὸν Δία, ὦ ἄνδρες, ἐρῶ. ὅποσάκις γὰρ αὐτὸν ἐκάλεσα εἴτε νυκτὸς εἴτε ἡμέρας, οὐπόποτε μοι οὔτ' ἀσχολίαν προυφασίσατο οὔτε βάδην ὑπήκουσεν, ἀλλ' αἰεὶ τρέχων· ὅποσάκις τε αὐτῷ πρᾶξαί τι προσέταξα, οὐδὲν ἀνιδρωτί ποτε αὐτὸν εἶδον ποιοῦντα. πεποίηκε δὲ καὶ τοὺς δεκαδέας πάντας τοιούτους, οὐ λόγῳ ἀλλ' ἔργῳ ἀποδεικνὺς οἷους δεῖ εἶναι. [2.2.31] καὶ τις εἶπε· Κᾶπειτα τοιοῦτον ὄντα οὐ φιλεῖς αὐτὸν ὥσπερ τοὺς συγγενεῖς; καὶ ὁ αἰσχροὺς ἐκεῖνος πρὸς τοῦτο ἔφη· Μὰ Δία· οὐ γὰρ φιλόπονός ἐστιν· ἐπεὶ ἥρκει ἂν αὐτῷ, εἰ ἐμὲ ἤθελε φιλεῖν, τοῦτο ἀντὶ πάντων τῶν γυμνασίων.

[2.3.1] Τοιαῦτα μὲν δὴ καὶ γελοῖα καὶ σπουδαῖα καὶ ἐλέγετο καὶ ἐπράττετο ἐν τῇ σκηνῇ. τέλος δὲ τὰς τρίτας σπονδὰς ποιήσαντες καὶ εὐξάμενοι τοῖς θεοῖς τ' ἀγαθὰ τὴν σκηνὴν εἰς κοίτην διέλυσαν. τῇ δ' ὑστεραίᾳ ὁ Κῦρος συνέλεξε πάντας τοὺς στρατιώτας καὶ ἔλεξε τοιάδε.

[2.3.2] Ἄνδρες φίλοι, ὁ μὲν ἀγὼν ἐγγὺς ἡμῖν· προσέρχονται γὰρ οἱ πολέμιοι. τὰ δ' ἄθλα τῆς νίκης, ἣν μὲν ἡμεῖς νικῶμεν [τοῦτο γὰρ αἰεὶ καὶ λέγειν καὶ ποιεῖν δεῖ], δῆλον ὅτι οἱ τε πολέμιοι ἡμέτεροι καὶ τὰ τῶν πολεμίων ἀγαθὰ πάντα· ἣν δὲ ἡμεῖς αὖ νικώμεθα – καὶ οὕτω τὰ τῶν νικωμένων πάντα τοῖς νικῶσιν αἰεὶ ἄθλα πρόκειται. [2.3.3] οὕτω δὴ, ἔφη, δεῖ ὑμᾶς γιγνώσκειν ὡς ὅταν μὲν ἄνθρωποι κοινωνοὶ πολέμου γενόμενοι ἐν ἑαυτοῖς ἕκαστοι ἔχωσιν, ὡς, εἰ μὴ αὐτός τις προθυμήσεται, οὐδὲν ἐσόμενον τῶν δεόντων, ταχὺ πολλὰ καὶ καλὰ διαπράττονται· οὐδὲν γὰρ αὐτοῖς ἀργεῖται τῶν πράττεσθαι δεομένων· ὅταν δ' ἕκαστος διανοηθῇ ὡς ἄλλος ἔσται ὁ πράττων καὶ μαχόμενος, κἂν αὐτὸς μαλακίζεται, τούτοις, ἔφη, εὖ ἴστε ὅτι πᾶσιν ἅμα πάντα

ἤκει τὰ χαλεπὰ φερόμενα. [2.3.4] καὶ ὁ θεὸς οὕτω πως ἐποίησε· τοῖς μὴ θέλουσιν ἑαυτοῖς προστάττειν ἐκπονεῖν τ' ἀγαθὰ ἄλλους αὐτοῖς ἐπιτακτῆρας δίδωσι. νῦν οὖν τις, ἔφη, λεγέτω ἐνθάδε ἀναστὰς περὶ αὐτοῦ τούτου ποτέρως ἂν τὴν ἀρετὴν μᾶλλον οἶεται ἀσκεῖσθαι παρ' ἡμῖν, εἰ μέλλοι ὁ πλεῖστα καὶ πονεῖν καὶ κινδυνεύειν ἐθέλων πλείστης καὶ τιμῆς τεύξεσθαι, ἢ ἂν εἰδῶμεν ὅτι οὐδὲν διαφέρει κακὸν εἶναι· ὁμοίως γὰρ πάντες τῶν ἴσων τευζόμεθα. [2.3.5] ἐνταῦθα δὴ ἀναστὰς Χρυσάντας, εἷς τῶν ὁμοτίμων ἀνὴρ οὔτε μέγας οὔτε ἰσχυρὸς ἰδεῖν, φρονήσει δὲ διαφέρων, ἔλεξεν· ἀλλ' οἶμαι μὲν, ἔφη, ὦ Κῦρε, οὐδὲ διανοοῦμένόν σε ὥς δεῖ ἴσον ἔχειν τοὺς κακοὺς τοῖς ἀγαθοῖς ἐμβαλεῖν τοῦτον τὸν λόγον, ἀλλ' ἀποπειρώμενον εἴ τις ἄρα ἔσται ἀνὴρ ὅστις ἐθελήσει ἐπιδεῖξαι ἑαυτὸν ὥς διανοεῖται μηδὲν καλὸν κ' ἀγαθὸν ποιῶν, ἃ ἂν ἄλλοι τῇ ἀρετῇ καταπράξωσι, τούτων ἰσομοιρεῖν. [2.3.6] ἐγὼ δ', ἔφη, οὔτε ποσὶν εἰμι ταχὺς οὔτε χερσὶν ἰσχυρὸς, γιγνώσκω τε ὅτι ἐξ ὧν ἂν ἐγὼ τῷ ἐμῷ σώματι ποιήσω, οὐ κριθεῖην οὔτε ἂν πρῶτος οὔτε ἂν δεύτερος, οἶμαι δ' οὐδ' ἂν χιλιостός, ἴσως δ' οὐδ' ἂν μυριοστός· ἀλλὰ καὶ ἐκεῖνο, ἔφη, σαφῶς ἐπίσταμαι ὅτι εἰ μὲν οἱ δυνατοὶ ἐρρωμένως ἀντιλήψονται τῶν πραγμάτων, ἀγαθοῦ τινὸς μοι μετέσται τοσοῦτον μέρος ὅσον ἂν δίκαιον ἦι· εἰ δ' οἱ μὲν κακοὶ μηδὲν ποιήσουσιν, οἱ δ' ἀγαθοὶ καὶ δυνατοὶ ἀθύμως ἔξουσι, δέδοικα, ἔφη, μὴ ἄλλου τινὸς μᾶλλον ἢ τοῦ ἀγαθοῦ μεθέξω πλέον μέρος ἢ ἐγὼ βούλομαι. [2.3.7] Χρυσάντας μὲν δὴ οὕτως εἶπεν. ἀνέστη δ' ἐπ' αὐτῷ Φεραύλας Πέρσης τῶν δημοτῶν, Κύρῳ πως ἔτι οἴκοθεν συνήθης καὶ ἀρεστὸς ἀνὴρ, καὶ τὸ σῶμα καὶ τὴν ψυχὴν οὐκ ἀγεννεῖ ἀνδρὶ ἐοικώς, καὶ ἔλεξε τοιάδε.

[2.3.8] Ἐγώ, ἔφη, ὦ Κῦρε καὶ πάντες οἱ παρόντες Πέρσαι, ἡγοῦμαι μὲν ἡμᾶς πάντας ἐκ τοῦ ἴσου νῦν ὀρμᾶσθαι εἰς τὸ ἀγωνίζεσθαι περὶ ἀρετῆς· ὁρῶ γὰρ ὁμοίαι μὲν τροφῇ πάντας ἡμᾶς τὸ σῶμα ἀσκοῦντας, ὁμοίας δὲ συνουσίας πάντας ἀξιουμένους, ταῦτά δὲ πᾶσιν ἡμῖν πρόκειται. τό τε γὰρ τοῖς ἄρχουσι πείθεσθαι πᾶσιν ἐν κοινῷ κεῖται, καὶ ὃς ἂν φανῇ τοῦτο ἀπροφασίστως ποιῶν, τοῦτον ὁρῶ παρὰ Κύρου τιμῆς τυγχάνοντα· τό τε πρὸς τοὺς πολεμίους ἄλκιμον εἶναι οὐ τῷ μὲν προσῆκον τῷ δ' οὐ, ἀλλὰ πᾶσι καὶ τοῦτο προκέκριται κάλλιστον εἶναι. [2.3.9] νῦν δ', ἔφη, ἡμῖν καὶ δέικνυται μάχη, ἣν ἐγὼ ὁρῶ πάντας ἀνθρώπους φύσει ἐπισταμένους, ὥσπερ γε καὶ τᾶλλα ζῶια ἐπίστανται τίνα μάχην ἕκαστα οὐδὲ παρ' ἐνὸς ἄλλου μαθόντα ἢ παρὰ τῆς φύσεως, οἷον ὁ βοῦς κέρατι παίειν, ὁ ἵππος

ὅπλῃ, [ὁ κύων στόματι,] ὁ κάπρος ὀδόντι. καὶ φυλάττεσθαι γ', ἔφη, ἅπαντα ταῦτα ἐπίστανται ἀφ' ὧν μάλιστα δεῖ, καὶ ταῦτα εἰς οὐδενὸς διδασκάλου πώποτε φοιτήσαντα. [2.3.10] καὶ ἐγώ, ἔφη, ἐκ παιδίου εὐθὺς προβάλλεσθαι ἠπιστάμην πρὸ τούτων ὃ τι ὦμην πληγήσεσθαι· εἰ δὲ μὴ ἄλλο μηδὲν ἔχοιμι, τὼ χεῖρε προέχων ἐνεπόδιζον ὃ τι ἐδυνάμην τὸν παίοντα· καὶ τοῦτο ἐποίουν οὐ διδασκόμενος, ἀλλὰ καὶ ἐπ' αὐτῷ τούτῳ παίόμενος, εἰ προβαλοίμην. μάχαιράν γε μὴν εὐθὺς παιδίον ὦν ἤρπαζον ὅπου ἴδοιμι, οὐδὲ παρ' ἐνὸς οὐδὲ τοῦτο μαθὼν ὅπως δεῖ λαμβάνειν ἢ παρὰ τῆς φύσεως, ὡς ἐγὼ φημι. ἐποίουν γοῦν καὶ τοῦτο κωλυόμενος, οὐ διδασκόμενος· ὥσπερ καὶ ἄλλα ἔστιν ἃ εἰργόμενος καὶ ὑπὸ μητρὸς καὶ ὑπὸ πατρὸς ὑπὸ τῆς φύσεως πράττειν ἠναγκαζόμεν. καὶ ναὶ μὰ Δία ἔπαιόν γε τῇ μαχαίρᾳ πᾶν ὃ τι δυναίμην λανθάνειν. οὐ γὰρ μόνον φύσει ἦν, ὥσπερ τὸ βαδίζειν καὶ τρέχειν, ἀλλὰ καὶ ἡδὺ πρὸς τῷ πεφυκέναι τοῦτο ἐδόκει μοι εἶναι. [2.3.11] ἐπεὶ δ' οὖν, ἔφη, αὕτη ἡ μάχη καταλείπεται, ἐν ᾗ προθυμίας μᾶλλον ἢ τέχνης ἔργον ἐστί, πῶς ἡμῖν οὐχ ἡδέως πρὸς τούσδε τοὺς ὁμοτίμους ἀγωνιστέον; ὅπου γε τὰ μὲν ἄθλα τῆς ἀρετῆς ἴσα πρόκειται, παραβαλλόμενοι δὲ οὐκ ἴσα εἰς τὸν κίνδυνον ἵμεν, ἀλλ' οὗτοι μὲν ἐντιμον, ὅσπερ μόνος ἡδιστος, βίον, ἡμεῖς δὲ ἐπίπονον μὲν, ἄτιμον δέ, ὅσπερ οἶμαι χαλεπώτατος. [2.3.12] μάλιστα δέ, ὦ ἄνδρες, τοῦτό με [εὐθύμως] εἰς τὸν ἀγῶνα τὸν πρὸς τούσδε παρορμαῖ ὅτι Κῦρος ὁ κρίνων ἔσται, ὃς οὐ φθόνῳ κρίνει, ἀλλὰ σὺν θεῶν ὀρκῷ λέγω ἢ μὴν ἐμοὶ δοκεῖ Κῦρος οὕστινας ἂν ὀρᾷ ἀγαθοὺς φιλεῖν οὐδὲν ἥττον ἑαυτοῦ· τούτοις γοῦν ὀρῶ αὐτὸν ὃ τι ἂν ἔχη ἡδίων διδόντα μᾶλλον ἢ αὐτὸν ἔχοντα. [2.3.13] καίτοι, ἔφη, οἶδα ὅτι οὗτοι μέγα φρονοῦσιν ὅτι πεπαιδεύονται δὴ καὶ πρὸς λιμὸν καὶ δίψαν καὶ πρὸς ῥίγος καρτερεῖν, κακῶς εἰδότες ὅτι καὶ ταῦτα ἡμεῖς ὑπὸ κρείττονος διδασκάλου πεπαιδευέμεθα ἢ οὗτοι. οὐ γὰρ ἔστι διδάσκαλος οὐδεὶς τούτων κρείττων τῆς ἀνάγκης, ἢ ἡμᾶς καὶ λίαν ταῦτ' ἀκριβοῦν ἐδίδαξε. [2.3.14] καὶ πονεῖν οὗτοι μὲν τὰ ὅπλα φέροντες ἐμελέτων, ἃ ἔστιν ἅπασιν ἀνθρώποις ἡρρημένα ὡς ἂν εὐφορώτατα εἴη, ἡμεῖς δέ γ', ἔφη, ἐν μεγάλοις φορτίοις καὶ βαδίζειν καὶ τρέχειν ἠναγκαζόμεθα, ὥστε νῦν ἐμοὶ δοκεῖν τὸ τῶν ὅπλων φόρημα πτεροῖς μᾶλλον εἰκέναι ἢ φορτίῳ. [2.3.15] ὡς οὖν ἐμοῦ γε καὶ ἀγωνιουμένου καὶ ὁποῖος ἂν τις ὦ κατὰ τὴν ἀξίαν με τιμᾶν ἀξιώσοντος, οὕτως, ἔφη, ὦ Κῦρε, γίγνωσκε. καὶ ὑμῖν γ', ἔφη, ὦ ἄνδρες δημόται, παραινῶ εἰς ἔριν ὀρμᾶσθαι ταύτης τῆς μάχης πρὸς τοὺς πεπαιδευμένους τούσδε· νῦν

γὰρ ἄνδρες εἰλημμένοι εἰσὶν ἐν δημοτικῇ ἀγωνίᾳ. [2.3.16] Φεραύλας μὲν δὴ οὕτως εἶπεν. ἀνίσταντο δὲ καὶ ἄλλοι πολλοὶ ἐκατέρων συναγορεύοντες, ἔδοξε κατὰ τὴν ἀξίαν τιμᾶσθαι ἕκαστον, Κῦρον δὲ τὸν κρίνοντα εἶναι. ταῦτα μὲν δὴ οὕτω προυκεχωρήκεσαν.

[2.3.17] Ἐκάλεσε δ' ἐπὶ δεῖπνον ὁ Κῦρος καὶ ὅλην ποτὲ τάξιν σὺν τῷ ταξιάρχῳ, ἰδὼν αὐτὸν τοὺς μὲν ἡμίσεις τῶν ἀνδρῶν τῆς τάξεως ἀντιτάξαντα ἐκατέρωθεν εἰς ἐμβολήν, θώρακας μὲν ἀμφοτέρους ἔχοντας καὶ γέρρα ἐν ταῖς ἀριστεραῖς, εἰς δὲ τὰς δεξιὰς νάρθηκας παχεῖς τοῖς ἡμίσεσιν ἔδωκε, τοῖς δ' ἑτέροις εἶπεν ὅτι βάλλειν δεήσοι ῥάναιρουμένους· ταῖς βώλοις. [2.3.18] ἐπεὶ δὲ παρεσκευασμένοι οὕτως ἔστησαν, ἐσήμηνεν αὐτοῖς μάχεσθαι. ἐνταῦθα δὴ οἱ μὲν ἔβαλλον ταῖς βώλοις καὶ ἔστιν οἱ ἐτύγχανον καὶ θωράκων καὶ γέρρων, οἱ δὲ καὶ μηροῦ καὶ κνημίδος. ἐπεὶ δὲ ὁμοῦ ἐγένοντο, οἱ τοὺς νάρθηκας ἔχοντες ἔπαιον τῶν μὲν μηρούς, τῶν δὲ χεῖρας, τῶν δὲ κνήμας, τῶν δὲ καὶ ἐπικυπτιοντων ἐπὶ βώλους ἔπαιον τοὺς τραχήλους καὶ τὰ νῶτα. τέλος δὲ τρεψάμενοι ἐδίωκον οἱ ναρθηκοφόροι παίοντες σὺν πολλῷ γέλῳτι καὶ παιδιᾷ. ἐν μέρει γε μὴν οἱ ἕτεροι λαβόντες πάλιν τοὺς νάρθηκας τα' ὑτὰ ἐποίησαν τοὺς ταῖς βώλοις βάλλοντας· [2.3.19] ταῦτα δ' ἄγασθεις ὁ Κῦρος, τοῦ μὲν ταξιάρχου τὴν ἐπίνοιαν, τῶν δὲ τὴν πειθῶ, ὅτι ἅμα μὲν ἐγυμνάζοντο, ἅμα δ' ἠύθυμούντο, ἅμα δ' ἐνίκων οἱ εἰκασθέντες τῇ τῶν Περσῶν ὀπλίσει, τούτοις δὴ ἦσθεις ἐκάλεσέ τε ἐπὶ δεῖπνον αὐτοὺς καὶ ἐν τῇ σκηνῇ ἰδὼν τινας αὐτῶν ἐπιδεδεμένους, τὸν μὲν τινα ἀντικνήμιον, τὸν δὲ χεῖρα, ἡρώτα τί πάθοιεν. [2.3.20] οἱ δ' ἔλεγον ὅτι πληγεῖεν ταῖς βώλοις. ὁ δὲ πάλιν ἐπηρώτα πότερον ἐπεὶ ὁμοῦ ἐγένοντο ἢ ὅτε πρόσω ἦσαν. οἱ δ' ἔλεγον ὅτε πρόσω ἦσαν. ἐπεὶ δὲ ὁμοῦ ἐγένοντο, παιδιὰν ἔφασαν εἶναι καλλίστην οἱ ναρθηκοφόροι· οἱ δὲ συγκεκομμένοι τοῖς νάρθηξι ἀνέκραγον ὅτι οὐ σφίσι δοκοίη παιδιὰ εἶναι τὸ ὁμόθεν παίεσθαι· ἅμα δὲ ἐπεδείκνυσαν τῶν ναρθήκων τὰς πληγὰς καὶ ἐν χερσὶ καὶ ἐν τραχήλοις, ἔνιοι δὲ καὶ ἐν προσώποις. καὶ τότε μὲν ὥσπερ εἰκὸς ἐγέλων ἐπ' ἀλλήλοις, τῇ δ' ὑστεραίᾳ μεστὸν ἦν τὸ πεδίον πᾶν τῶν τούτους μιμουμένων· καὶ εἰ μὴ ἄλλο τι σπουδαιότερον πράττειεν, ταύτῃ τῇ παιδιᾷ ἐχρῶντο.

[2.3.21] Ἄλλον δὲ ποτε ἰδὼν ταξιάρχον ἄγοντα τὴν τάξιν ἀπὸ τοῦ ποταμοῦ ἐπὶ τὸ ἀριστερὸν ἐφ' ἐνός, καὶ ὁπότε δοκοίη αὐτῷ καιρὸς εἶναι, παραγγέλλοντα τὸν ὕστερον λόχον παράγειν, καὶ τὸν τρίτον καὶ τὸν τέταρτον, εἰς μέτωπον, ἐπεὶ δ' ἐν μετώπῳ οἱ λοχαγοὶ

ἐγένοντο, παρηγγύησεν εἰς δύο ἄγειν τὸν λόχον· ἐκ τούτου δὴ παρήγον οἱ δεκάδαρχοι εἰς μέτωπον· ὁπότε δ' αὖ ἐδόκει αὐτῷ καιρὸς εἶναι, παρήγγειλεν εἰς τέτταρας τὸν λόχον· οὕτω δὴ οἱ πεμπάδαρχοι αὖ παρήγον εἰς τέτταρας· ἐπεὶ δ' ἐπὶ θύραις τῆς σκηνῆς ἐγένοντο, παραγγείλας αὖ εἰς ἓνα [ιόντων] εἰσήγε τὸν πρῶτον λόχον, καὶ τὸν δεύτερον τούτου κατ' οὐρὰν ἐκέλευσεν ἔπεσθαι, καὶ τὸν τρίτον καὶ τὸν τέταρτον ὡσαύτως παραγγείλας ἡγεῖτο ἔσω· οὕτω δ' εἰσαγαγὼν κατέκλινεν ἐπὶ τὸ δεῖπνον ὥσπερ εἰσεπορεύοντο· τοῦτον οὖν ὁ Κῦρος ἀγασθεὶς τῆς τε πραιότητος τῆς διδασκαλίας καὶ τῆς ἐπιμελείας ἐκάλεσε ταύτην τὴν τάξιν ἐπὶ τὸ δεῖπνον σὺν τῷ ταξιάρχῳ.

[2.3.22] Παρὼν δέ τις ἐπὶ τῷ δείπνῳ κεκλημένος ἄλλος ταξίαρχος, τὴν δ' ἐμήν, ἔφη, τάξιν, ὦ Κῦρε, οὐ καλεῖς εἰς τὴν σκηνήν; καὶ μὴν ὅταν γε παρίημι ἐπὶ τὸ δεῖπνον, πάντα ταῦτα ποιεῖ· καὶ ὅταν τέλος ἡ σκηνὴ ἔχη, ἐξάγει μὲν ὁ οὐραγός, ἔφη, ὁ τοῦ τελευταίου λόχου τὸν λόχον, ὑστάτους ἔχων τοὺς πρώτους τεταγμένους εἰς μάχην· ἔπειτα ὁ δεύτερος τοὺς τοῦ ἐτέρου λόχου ἐπὶ τούτοις, καὶ ὁ τρίτος καὶ ὁ τέταρτος ὡσαύτως, ὅπως, ἔφη, καὶ ὅταν ἀπάγειν δέη ἀπὸ πολεμίων, ἐπίστωνται ὡς δεῖ ἀπιέναι. ἐπειδὴν δέ, ἔφη, καταστῶμεν ἐπὶ τὸν δρόμον ἔνθα περιπατοῦμεν, ὅταν μὲν πρὸς ἔω ἴωμεν, ἐγὼ μὲν ἡγοῦμαι, καὶ ὁ πρῶτος λόχος πρῶτος, καὶ ὁ δεύτερος ὡς δεῖ, καὶ ὁ τρίτος καὶ ὁ τέταρτος, καὶ αἱ τῶν λόχων δεκάδες καὶ πεμπάδες, ἕως ἂν παραγγέλλω ἐγώ. ὅταν δ', ἔφη, πρὸς ἐσπέραν ἴωμεν, ὁ οὐραγός τε καὶ οἱ τελευταῖοι πρῶτοι ἀφηγοῦνται· ἐμοὶ μέντοι οὕτω πείθονται ὑστέρῳι ἰόντι, ἵνα ἐθίζωνται καὶ ἔπεσθαι καὶ ἡγεῖσθαι ὁμοίως πειθόμενοι. [2.3.23] καὶ ὁ Κῦρος ἔφη· Ἥ καὶ ἀεὶ τοῦτο ποιεῖτε; Ὅποσάκις γε, ἔφη, καὶ δειπνοποιούμεθα νῆ Δία. Καλῶ τοίνυν, ἔφη, ὑμᾶς, ἅμα μὲν ὅτι τὰς τάξεις μελετᾶτε καὶ προσιόντες καὶ ἀπιόντες, ἅμα δ' ὅτι καὶ ἡμέρας καὶ νυκτός, ἅμα δ' ὅτι τὰ τε σώματα περιπατοῦντες ἀσκεῖτε καὶ τὰς ψυχὰς ὠφελεῖτε διδάσκοντες. ἐπεὶ οὖν πάντα διπλᾶ ποιεῖτε, διπλὴν ὑμῖν δίκαιον καὶ τὴν εὐωχίαν παρέχειν. [2.3.24] Μὰ Δί', ἔφη ὁ ταξίαρχος, μήτοι γ' ἐν μιᾷ ἡμέρᾳ, εἰ μὴ καὶ διπλᾶς ἡμῖν τὰς γαστέρας παρέξεις. καὶ τότε μὲν δὴ οὕτω τὸ τέλος τῆς σκηνῆς ἐποιήσαντο. τῇ δ' ὑστεραίᾳ ὁ Κῦρος ἐκάλεσεν ἐκείνην τὴν τάξιν, ὥσπερ ἔφη, καὶ τῇ ἄλλῃ. αἰσθόμενοι δὲ ταῦτα καὶ οἱ ἄλλοι τὸ λοιπὸν πάντες αὐτοὺς ἐμιμοῦντο.

[2.4.1] Ἐξέτασιν δέ ποτε πάντων τοῦ Κύρου πιουμένου ἐν τοῖς

ὅπλοις καὶ σύνταξιν ἦλθε παρὰ Κυαζάρου ἄγγελος λέγων ὅτι Ἰνδῶν παρείη πρεσβεία· κελεύει οὖν σε ἐλθεῖν ὡς τάχιστα. φέρω δέ σοι, ἔφη ὁ ἄγγελος, καὶ στολὴν τὴν καλλίστην παρὰ Κυαζάρου· ἐβούλετο γὰρ σε ὡς λαμπρότατα καὶ εὐκοσμότατα προσάγειν, ὡς ὁπομένων τῶν Ἰνδῶν ὅπως ἂν προσίης. [2.4.2] ἀκούσας δὲ ταῦτα ὁ Κῦρος παρήγγειλε τῷ πρώτῳ τεταγμένῳ ταξιάρχῳ εἰς μέτωπον στήναι, ἐφ' ἐνὸς ἄγοντα τὴν τάξιν, ἐν δεξιᾷ ἔχοντα ἑαυτόν, καὶ τῷ δευτέρῳ ἐκέλευσε ταῦτο τοῦτο παραγγεῖλαι, καὶ διὰ πάντων οὕτω παραδιδόναι ἐκέλευσεν. οἱ δὲ πειθόμενοι ταχὺ μὲν παρήγγελλον, ταχὺ δὲ τὰ παραγγελλόμενα ἐποίουν, ἐν ὀλίγῳ δὲ χρόνῳ ἐγένοντο τὸ μὲν μέτωπον ἐπὶ τριακοσίων [τοσοῦτοι γὰρ ἦσαν οἱ ταξίαρχοι], τὸ δὲ βάθος ἐφ' ἑκατόν. [2.4.3] ἐπεὶ δὲ κατέστησαν, ἔπεσθαι ἐκέλευσεν ὡς ἂν αὐτὸς ἡγῆται· καὶ εὐθὺς τροχάζων ἡγεῖτο. ἐπεὶ δὲ κατενόησε τὴν ἀγυιὰν τὴν πρὸς τὸ βασιλείον φέρουσιν στενωτέραν οὖσαν ἢ ὡς ἐπὶ μετώπου πάντας διέειναι, παραγγείλας τὴν πρώτην χιλιοστὴν ἔπεσθαι κατὰ χώραν, τὴν δὲ δευτέραν κατ' οὐρὰν ταύτης ἀκολουθεῖν, καὶ διὰ παντὸς οὕτως, αὐτὸς μὲν ἡγεῖτο οὐκ ἀναπαυόμενος, αἱ δ' ἄλλαι χιλιοστῆες κατ' οὐρὰν ἐκάστη τῆς ἔμπροσθεν εἶποντο. [2.4.4] ἔπεμψε δὲ καὶ ὑπηρέτας δύο ἐπὶ [τὸ] στόμα τῆς ἀγυιάς, ὅπως εἴ τις ἀγνοοίη, σημαίνουσιν τὸ δέον ποιεῖν. ὡς δ' ἀφίκοντο ἐπὶ τὰς Κυαζάρου θύρας, παρήγγειλε τῷ πρώτῳ ταξιάρχῳ τὴν τάξιν εἰς δώδεκα τάττειν βάθος, τοὺς δὲ δωδεκάρχους ἐν μετώπῳ καθιστάναι περὶ τὸ βασιλείον, καὶ τῷ δευτέρῳ ταῦτα ἐκέλευσε παραγγεῖλαι, καὶ διὰ παντὸς οὕτως. [2.4.5] οἱ μὲν δὴ ταῦτ' ἐποίουν· ὁ δ' εἰσῆγει πρὸς τὸν Κυαζάρην ἐν τῇ Περσικῇ στολῇ οὐδέν τι ὑβρισμένη. ἰδὼν δὲ αὐτὸν ὁ Κυαζάρης τῷ μὲν τάχει ἦσθη, τῇ δὲ φαυλότῃ τῆς στολῆς ἡχθέσθη, καὶ εἶπε· Τί τοῦτο, ὦ Κῦρε; οἷον πεποίηκας οὕτω φανεῖς τοῖς Ἰνδοῖς; ἐγὼ δ', ἔφη, ἐβουλόμην σε ὡς λαμπρότατον φανῆναι· καὶ γὰρ ἐμοὶ ἂν κόσμος ἦν τοῦτο, ἐμῆς ὄντα ἀδελφῆς υἱὸν ὅτι μαγαλοπρεπέστατον φαίνεσθαι. [2.4.6] καὶ ὁ Κῦρος πρὸς ταῦτα εἶπε· Καὶ ποτέρως ἂν, ὦ Κυαζάρη, μᾶλλον σε ἐκόσμουν, εἴπερ πορφυρίδα ἐνδύς καὶ ψέλια λαβὼν καὶ στρεπτὸν περιθέμενος σχολῇ κελεύοντι ὑπήκουόν σοι, ἢ νῦν ὅτε σὺν τοιαύτῃ καὶ τοσαύτῃ δυνάμει οὕτω σοι ὀξέως ὑπακούω διὰ τὸ σὲ τιμᾶν ἰδρῶτι καὶ σπουδῇ καὶ αὐτὸς κεκοσμημένος καὶ τοὺς ἄλλους ἐπιδεικνύς σοι οὕτω πειθομένους; Κῦρος μὲν οὖν ταῦτα εἶπεν. ὁ δὲ Κυαζάρης νομίσας αὐτὸν ὀρθῶς λέγειν ἐκάλεσε τοὺς Ἰνδοὺς. [2.4.7] οἱ δὲ Ἰνδοὶ εἰσελθόντες ἔλεξαν ὅτι

πέμπει σφᾶς ὁ Ἰνδῶν βασιλεὺς κελεύων ἐρωτᾶν ἐξ ὅτου ὁ πόλεμος εἶη Μήδοις τε καὶ τῷ Ἀσσυρίῳ· ἐπεὶ δὲ σοῦ ἀκούσαιμεν, ἐκέλευσεν ἐλθόντας αὐτὸν πρὸς τὸν Ἀσσύριον κ' αὐτοῦ ταῦτα πυθέσθαι· τέλος δ' ἀμφοτέροις εἰπεῖν ὑμῖν ὅτι ὁ Ἰνδῶν βασιλεὺς, τὸ δίκαιον σκεψάμενος, φαίη μετὰ τοῦ ἡδικημένου ἔσεσθαι. [2.4.8] πρὸς ταῦτα ὁ Κυαζάρης εἶπεν· Ἐμοὺ μὲν τοίνυν ἀκούετε ὅτι οὐκ ἀδικούμεν τὸν Ἀσσύριον οὐδέν· ἐκείνου δ', εἰ δεῖσθε, ἐλθόντες νῦν πύθεσθε ὅ τι λέγει. παρὼν δὲ ὁ Κῦρος ἤρετο τὸν Κυαζάρην, Ἥ καὶ ἐγώ, ἔφη, εἶπω ὅ τι γινώσκω· καὶ ὁ Κυαζάρης ἐκέλευσεν. Ὑμεῖς τοίνυν, ἔφη, ἀπαγγείλατε τῷ Ἰνδῶν βασιλεῖ τάδε, εἰ μὴ τι ἄλλο Κυαζάρηι δοκεῖ, ὅτι φαμέν ἡμεῖς, εἴ τί φησιν ὑφ' ἡμῶν ἀδικεῖσθαι ὁ Ἀσσύριος, αἰρεῖσθαι αὐτὸν τὸν Ἰνδῶν βασιλέα δικαστήν. οἱ μὲν δὴ ταῦτα ἀκούσαντες ὤχοντο.

[2.4.9] Ἐπεὶ δὲ ἐξῆλθον οἱ Ἰνδοί, ὁ Κῦρος πρὸς τὸν Κυαζάρην ἤρξατο λόγου τοιοῦδε.

ὦ Κυαζάρη, ἐγὼ μὲν ἦλθον οὐδέν τι πολλὰ ἔχων ἴδια χρήματα οἰκοθεν· ὅποσα δ' ἦν, τούτων πάνυ ὀλίγα λοιπὰ ἔχω· ἀνήλωκα δέ, ἔφη, εἰς τοὺς στρατιώτας· καὶ τοῦτο ἴσως, ἔφη, θαυμάζεις σὺ πῶς ἐγὼ ἀνήλωκα σοῦ αὐτοῦ τρέφοντος· εὖ δ' ἴσθι, ἔφη, ὅτι οὐδὲν ἄλλο ποιῶν ἢ τιμῶν καὶ χαριζόμενος, ὅταν τινὶ ἀγασθῶ τῶν στρατιωτῶν. [2.4.10] δοκεῖ γάρ μοι, ἔφη, πάντας μὲν οὓς ἂν τις βούληται ἀγαθοὺς συνεργοὺς ποιεῖσθαι ὁποῖου τινὸς οὖν πράγματος, ἥδιον εἶναι εὖ τε λέγοντα καὶ εὖ ποιῶντα παρορμᾶν μᾶλλον ἢ λυποῦντα καὶ ἀναγκάζοντα· οὓς δὲ δὴ τῶν εἰς τὸν πόλεμον ἔργων ποιήσασθαί τις βούλοιο συνεργοὺς προθύμους, τούτους παντάπασιν ἔμοιγε δοκεῖ ἀγαθοῖς θηρατέον εἶναι καὶ λόγοις καὶ ἔργοις. φίλους γάρ, οὐκ ἐχθρούς, δεῖ εἶναι τοὺς μέλλοντας ἀπροφασίστους συμμάχους ἔσεσθαι καὶ μήτε τοῖς ἀγαθοῖς τοῦ ἄρχοντος φθονήσοντας μήτ' ἐν τοῖς κακοῖς προδῶσοντας. [2.4.11] ταῦτ' οὖν ἐγὼ οὕτω προγινώσκων χρημάτων δοκῶ προσδεῖσθαι. πρὸς μὲν οὖν σὲ πάντας ὁρᾶν ὃν αἰσθάνομαι πολλὰ δαπανῶντα ἄτοπόν μοι δοκεῖ εἶναι· σκοπεῖν δ' ἀξιώ κοινῇ καὶ σὲ καὶ ἐμὲ ὅπως σὲ μὴ ἐπιλείψει χρήματα. ἐὰν γὰρ σὺ ἄφθονα ἔχῃς, οἶδα ὅτι καὶ ἐμοὶ ἂν εἴη λαμβάνειν ὅποτε δεοίμην, ἄλλως τε καὶ εἰ [εἰς] τοιοῦτόν τι λαμβάνοιμι ὃ μέλλοι καὶ σοὶ δαπανηθὲν βέλτιον εἶναι. [2.4.12] ἔναγχος οὖν ποτέ σου μέμνημαι ἀκούσας ὡς ὁ Ἀρμένιος καταφρονοῖ σου νῦν, ὅτι ἀκούει τοὺς πολεμίους προσιόντας ἡμῖν, καὶ οὔτε <τὸ> στράτευμα πέμποι οὔτε

τὸν δασμὸν ὃν ἔδει ἀπάγοι. Ποιεῖ γὰρ ταῦτα, ἔφη, ὦ Κῦρε, ἐκεῖνος· ὥστε ἔγωγε ἀπορῶ πότερόν μοι κρεῖττον στρατεύεσθαι καὶ πειρᾶσθαι ἀνάγκην αὐτῷ προσθεῖναι ἢ ἑᾶσαι ἐν τῷ παρόντι, μὴ καὶ τοῦτον πολέμιον πρὸς τοῖς ἄλλοις προσθώμεθα. [2.4.13] καὶ ὁ Κῦρος ἐπήρετο· Αἱ δ' οἰκίσεις αὐτῷ πότερον ἐν ἐχυροῖς χωρίοις εἰσὶν ἢ καὶ πού ἐν εὐεφόδοις; καὶ ὁ Κυαξάρης εἶπεν· Αἱ μὲν οἰκίσεις οὐ πάνυ ἐν ἐχυροῖς· ἐγὼ γὰρ τούτου οὐκ ἡμέλουν· ὄρη μέντοι ἔστιν ἔνθα δύναται ἂν ἀπελθὼν ἐν τῷ παραχρῆμα ἐν ἀσφαλεῖ εἶναι τοῦ μὴ αὐτός γε ὑποχείριος γενέσθαι, μηδὲ ὅσα ἐνταῦθα δύναίτο ὑπεκκομίσασθαι, εἰ μὴ τις πολιορκοίῃ προσκαθήμενος, ὥσπερ καὶ ὁ ἐμὸς πατήρ ποτε ἐποίησεν. [2.4.14] ἐκ τούτου δὴ ὁ Κῦρος λέγει τάδε· Ἄλλ' εἰ θέλοις, ἔφη, ἐμὲ πέμψαι, ἱππέας μοι προσθεις ὅποσοι δοκοῦσι μέτριοι εἶναι, οἷμαι ἂν σὺν τοῖς θεοῖς ποιῆσαι αὐτὸν καὶ τὸ στράτευμα πέμψαι καὶ ἀποδοῦναι τὸν δασμὸν σοι· ἔτι δ' ἐλπίζω καὶ φίλον αὐτὸν μᾶλλον ἡμῖν γενήσεσθαι ἢ νῦν ἐστι. [2.4.15] καὶ ὁ Κυαξάρης εἶπε· Καὶ ἐγώ, ἔφη, ἐλπίζω ἐκεῖνους ἐλθεῖν ἂν πρὸς σέ μᾶλλον ἢ πρὸς ἐμέ· ἀκούω γὰρ καὶ συνθηρευτάς τινας τῶν παίδων σοι γενέσθαι αὐτοῦ· ὥστ' ἴσως ἂν καὶ πάλιν ἔλθοιεν πρὸς σέ· ὑποχειρίων δὲ γενομένων αὐτῶν πάνταπραχθεῖν ἂν ἥι ἡμεῖς βουλόμεθα. Οὐκοῦν σοι δοκεῖ, ἔφη ὁ Κῦρος, σύμφορον εἶναι τὸ λεληθέναι ἡμᾶς ταῦτα βουλευόντας; Μᾶλλον γὰρ ἂν, ἔφη ὁ Κυαξάρης, καὶ ἔλθοι τις αὐτῶν εἰς χεῖρας, καὶ εἴ τις ὁρμῶιτο ἐπ' αὐτούς, ἀπαρασκευάστοι ἂν λαμβάνοιντο. [2.4.16] Ἄκουε τοίνυν, ἔφη ὁ Κῦρος, ἦν τί σοι δόξω λέγειν. ἐγὼ πολλάκις δὴ σὺν πᾶσι τοῖς μετ' ἐμοῦ τεθήρακα ἀμφὶ τὰ ὄρια τῆς τε σῆς χώρας καὶ τῆς τῶν Ἀρμενίων, καὶ ἱππέας τινας ἤδη προσλαβὼν τῶν ἐνθένδε ἐταίρων ἀφικόμην. Τὰ μὲν τοίνυν ὅμοια ποιῶν, ἔφη ὁ Κυαξάρης, οὐκ ἂν ὑποπτεύοιο· εἰ δὲ πολὺ πλείων ἡ δύναμις φαίνοιτο ἢς ἔχων εἴωθας θηρᾶν, τοῦτο ἤδη ὑποπτον ἂν γένοιτο. [2.4.17] Ἄλλ' ἔστιν, ἔφη ὁ Κῦρος, καὶ πρόφασιν κατασκευάσαι καὶ ἐνθάδε οὐκ ἄπιστον, καὶ ἦν τις ἐκεῖσε ἐξαγγεῖλη, ὥς ἐγὼ βουλοίμην μεγάλην θήραν ποιῆσαι· καὶ ἱππέας, ἔφη, αἰτοίην ἂν σε ἐκ τοῦ φανεροῦ. Κάλλιστα λέγεις, ἔφη ὁ Κυαξάρης· ἐγὼ δέ σοι οὐκ ἐθελήσω διδόναι πλὴν μετρίους τινάς, ὥς βουλόμενος πρὸς τὰ φρούρια ἐλθεῖν τὰ πρὸς τῇ Ἀσσυρίᾳ. καὶ γὰρ τῷ ὄντι, ἔφη, βούλομαι ἐλθὼν κατασκευάσαι αὐτὰ ὥς ἐχυρώτατα. ὁπότε δὲ σὺ προεληλυθοῖς σὺν ἡἱ ἔχοις δυνάμει καὶ θηρώῃς καὶ δὴ δύο ἡμέρας, πέμψαιμι ἂν σοι ἱκανοὺς ἱππέας καὶ πεζοὺς τῶν παρ' ἐμοὶ ἡθροισμένων, οὓς σὺ λαβὼν εὐθὺς ἂν ἴοις, καὶ αὐτὸς δ' ἂν ἔχων

τὴν ἄλλην δύναμιν πειρώμενην μὴ πρόσω ὑμῶν εἶναι, ἵνα, εἴ που καιρὸς εἴη, ἐπιφανείη.

[2.4.18] Οὕτω δὴ ὁ μὲν Κυαζάρης εὐθέως πρὸς τὰ φρούρια ἡθροίζεν ἱππείας καὶ πεζοὺς, καὶ ἀμάξας δὲ σίτου προέπεμπε τὴν ἐπὶ τὰ φρούρια ὁδόν. ὁ δὲ Κῦρος ἐθύετο ἐπὶ τῇ πορείᾳ, καὶ ἅμα πέμπων ἐπὶ τὸν Κυαζάρην ἤτετι τῶν νεωτέρων ἱππέων. ὁ δὲ πάνυ πολλῶν βουλομένων ἔπεσθαι οὐ πολλοὺς ἔδωκεν αὐτῷ. προεληλυθότος δ' ἤδη τοῦ Κυαζάρου σὺν δυνάμει πεζῇ καὶ ἱπικῇ τὴν πρὸς τὰ φρούρια [ὁδόν] γίγνεται τῷ Κύρῳ τὰ ἱερὰ ἐπὶ τὸν Ἀρμένιον [ιέναι] καλὰ· καὶ οὕτως ἐξάγει δὴ ὥς εἰς θήραν παρεσκευασμένος. [2.4.19] πορευομένῳ δ' αὐτῷ εὐθύς ἐν τῷ πρώτῳ χωρίῳ ὑπανίσταται λαγῶς· ἀετὸς δ' ἐπιπτόμενος αἴσιος, κατιδὼν τὸν λαγῶ φεύγοντα, ἐπιφερόμενος ἔπαισέ τε αὐτὸν καὶ συναρπάσας ἐξῆρε, κ' ἀπενεγκὼν ἐπὶ λόφον τινὰ οὐ πρὶς ὧς ἐχρήτο τῇ ἄγρῃ ὅ τι ἤθελεν. ἰδὼν οὖν ὁ Κῦρος τὸ σημεῖον ἦσθη τε καὶ προσεκύνησε Δία βασιλέα, καὶ εἶπε πρὸς τοὺς πάροντας· Ἡ μὲν θήρα καλὴ ἔσται, ᾧ ἄνδρες, ἦν ὁ θεὸς θελήσῃ. [2.4.20] ὥς δὲ πρὸς τοῖς ὁρίοις ἐγένετο, εὐθύς ὥσπερ εἰώθει ἐθήρα· καὶ τὸ μὲν πλῆθος τῶν πεζῶν καὶ τῶν ἱππέων ὄγμευον αὐτῷ, ὥς ἐπιόντες τὰ θηρία ἐξανισταῖεν· οἱ δὲ ἄριστοι καὶ πεζοὶ καὶ ἱππεῖς διέστασαν καὶ τ' ἀνιστάμενα ὑπεδέχοντο καὶ ἐδίωκον· καὶ ἥρουν πολλοὺς καὶ σὺς καὶ ἐλάφους καὶ δορκάδας καὶ ὄνους ἀγρίους· πολλοὶ γὰρ ἐν τούτοις τοῖς τόποις ὄνοι καὶ νῦν ἔτι γίνονται. [2.4.21] ἐπεὶ δ' ἔληξε τῆς θήρας, προσμείζας πρὸς τὰ ὅρια τῶν Ἀρμενίων ἐδειπνοποίησατο· καὶ τῇ ὑστεραίᾳ αὐθις ἐθήρα προσελθὼν πρὸς τὰ ὄρη ὧν ὠρέγετο. ἐπεὶ δ' αὖ ἔληξεν, ἐδειπνοποιεῖτο. τὸ δὲ παρὰ Κυαζάρου στράτευμα ὥς ἦσθετο προσιόν, ὑποπέμψας πρὸς αὐτοὺς εἶπεν ἀπέχοντας αὐτοῦ δειπνοποιεῖσθαι ὥς δύο παρασάγγας, τοῦτο προῖδὼν ὥς συμβαλεῖται πρὸς τὸ λανθάνειν· ἐπεὶ δὲ δειπνήσαιεν, εἶπε τῷ ἄρχοντι αὐτῶν παρεῖναι πρὸς αὐτόν. μετὰ δὲ τὸ δεῖπνον τοὺς ταξιάρχους παρεκάλει· ἐπεὶ δὲ παρήσαν, ἔλεξεν ὧδε.

[2.4.22] Ἄνδρες φίλοι, ὁ Ἀρμένιος πρόσθεν μὲν καὶ σύμμαχος ἦν καὶ ὑπήκοος Κυαζάρῃ· νῦν δὲ ὥς ἦσθετο τοὺς πολεμίους ἐπιόντας, καταφρονεῖ καὶ οὔτε τὸ στράτευμα πέμπει ἡμῖν οὔτε τὸν δασμὸν ἀποδίδωσι. νῦν οὖν τοῦτον θηρᾶσαι, ἦν δυνώμεθα, ἤλθομεν. ὧδε οὖν, ἔφη, δοκεῖ ποιεῖν. σὺ μὲν, ᾧ Χρυσάντα, ἐπειδὰν ἀποκοιμηθῇς ὅσον μέτριον, λαβὼν τοὺς ἡμίσεις Περσῶν τῶν σὺν ἡμῖν ἴθι τὴν ὀρεινὴν καὶ κατάλαβε τὰ ὄρη, εἰς ἃ φασιν αὐτόν, ὅταν τι φοβηθῇ,

καταφεύγειν· ἡγεμόνας δέ σοι ἐγὼ δώσω. [2.4.23] φασὶ μὲν οὖν καὶ δασέα τὰ ὄρη ταῦτα εἶναι, ὥστ' ἐλπίς ὑμᾶς μὴ ὀφθῆναι· ὅμως δὲ εἰ προπέμποις πρὸ τοῦ στρατεύματος εὐζώνους ἄνδρας ληισταῖς ἐοικότας καὶ τὸ πλῆθος καὶ τὰς στολάς, οὗτοι ἂν σοι, εἴ τι ἐντυγχάνοιεν τῶν Ἀρμενίων, τοὺς μὲν ἂν συλλαμβάνοντες αὐτῶν κωλύοιεν τῶν ἐξαγγελιῶν, οὓς δὲ μὴ δύναιντο λαμβάνειν, ἀποσοβοῦντες ἂν ἐμποδὼν γίγνοιτο τοῦ μὴ ὀρᾶν αὐτοὺς τὸ ὅλον στρατεύμα σου, ἀλλ' ὥς περὶ κλωπῶν βουλεύεσθαι. [2.4.24] καὶ σὺ μὲν, ἔφη, οὕτω ποίει· ἐγὼ δὲ ἅμα τῇ ἡμέρᾳ τοὺς ἡμίσεις μὲν τῶν πεζῶν ἔχων, πάντας δὲ τοὺς ἱππέας, πορεύσομαι διὰ τοῦ πεδίου εὐθὺς πρὸς τὰ βασιλεια. καὶ ἦν μὲν ἀνθιστῆται, δηλὸν ὅτι μάχεσθαι δεήσει· ἦν δ' αὖ ὑποχωρῇ τοῦ πεδίου, δηλὸν ὅτι μεταθεῖν δεήσει· ἦν δ' εἰς τὰ ὄρη φεύγηι, ἐνταῦθα δὴ, ἔφη, σὸν ἔργον μηδένα ἀφίεναι τῶν πρὸς σὲ ἀφικνουμένων. [2.4.25] νόμιζε δὲ ὥσπερ ἐν θήρῃ ἡμᾶς μὲν τοὺς ἐπιζητοῦντας ἔσεσθαι, σὲ δὲ τὸν ἐπὶ ταῖς ἄρκυσι μένησο οὖν ἐκεῖνο ὅτι φθάνειν δεῖ πεφραγμένους τοὺς πόρους πρὶν κινεῖσθαι τὴν θήραν. καὶ λεληθῆναι δὲ δεῖ τοὺς ἐπὶ τοῖς στόμασιν, εἰ μέλλουσι μὴ ἀποτρέψειν τὰ προσφερόμενα. [2.4.26] μὴ μέντοι, ἔφη, ὦ Χρυσάντα, οὕτως αὖ ποίει ὥσπερ ἐνίοτε διὰ τὴν φιλοθηρίαν· πολλάκις γὰρ ὅλην τὴν νύκτα ἄυπνος πραγματεύη· ἀλλὰ νῦν ἔἰσαι χρή τοὺς ἄνδρας τὸ μέτριον ἀποκοιμηθῆναι, ὥς ἂν δύνωνται ὑπνομαχεῖν· [2.4.27] μηδέ γε, ὅτι οὐχ ἡγεμόνας ἔχων ἀνθρώπους πλανᾷ ἀνὰ τὰ ὄρη, ἀλλ' ὅπηι ἂν τὰ θηρία ὑφηγῇται, ταύτηι μεταθεῖς, μήτι καὶ νῦν οὕτω τὰ δύσβατα πορεύου, ἀλλὰ κέλευέ σοι τοὺς ἡγεμόνας, ἐὰν μὴ πολὺ μᾶσσων ἢ ὁδὸς ἦι, τὴν ράιστην ἡγεῖσθαι· στρατιᾷ γὰρ ἡ ράιστη ταχίστη. [2.4.28] μηδέ γε, ὅτι σὺ εἴθισαι τρέχειν ἀνὰ τὰ ὄρη, μήτι δρόμῳ ἡγήσῃ, ἀλλ' ὥς ἂν δύνηταί σοι ὁ στρατὸς ἔπεσθαι, τῷ μέσῳ τῆς σπουδῆς ἡγοῦ. [2.4.29] ἀγαθὸν δὲ καὶ τῶν δυνατωτάτων καὶ προθύμων ὑπομένοντάς τινας ἐνίοτε παρακελεύεσθαι· ἐπειδὰν δὲ παρέλθῃ τὸ κέρας, παροξυντικὸν εἰς τὸ σπεύδειν πάντας παρὰ τοὺς βαδίζοντας τρέχοντας ὁρᾶσθαι.

[2.4.30] Χρυσάντας μὲν δὴ ταῦτα ἀκούσας καὶ ἐπιγαυρωθεὶς τῇ ἐντολῇ τῇ Κύρου, λαβὼν τοὺς ἡγεμόνας, ἀπελθὼν καὶ παραγγείλας ἃ ἔδει τοῖς ἅμα αὐτῷ μέλλουσι πορεύεσθαι, ἀνεπαύετο. ἐπεὶ δὲ ἀπεκοιμήθησαν ὅσον ἐδόκει μέτριον εἶναι, ἐπορεύετο ἐπὶ τὰ ὄρη. [2.4.31] Κῦρος δέ, ἐπειδὴ ἡμέρα ἐγένετο, ἄγγελον μὲν προέπεμπε πρὸς τὸν Ἀρμένιον, εἰπὼν αὐτῷ λέγειν ὧδε· Κῦρος, ὦ Ἀρμένιε, κελεύει

οὕτω ποιεῖν σε ὅπως ὡς τάχιστα ἔχων ἀπίη καὶ τὸν δασμὸν καὶ τὸ
στράτευμα. ἦν δ' ἐρωτᾷ ὅπου εἰμί, λέγε τ' ἀληθῆ ὅτι ἐπὶ τοῖς ὁρίοις.
ἦν δ' ἐρωτᾷ εἰ καὶ αὐτὸς ἔρχομαι, λέγε κ' ἀνταῦθα τ' ἀληθῆ ὅτι οὐκ
οἶσθα. ἐὰν δ' ὅποσοι ἐσμέν πυνθάνηται, συμπέμπειν τινὰ κέλευε καὶ
μαθεῖν. [2.4.32] τὸν μὲν δὴ ἄγγελον ἐπιστείλας ταῦτα ἔπεμψε, νομίζων
φιλικώτερον οὕτως εἶναι ἢ μὴ προειπόντα πορεύεσθαι. αὐτὸς δὲ
συνταξάμενος ἦι ἄριστον καὶ πρὸς τὸ ἀνύτειν τὴν ὁδὸν καὶ πρὸς τὸ
μάχεσθαι, εἴ τι δέοι, ἐπορεύετο. προεῖπε δὲ τοῖς στρατιώταις μηδένα
ἀδικεῖν, καὶ εἴ τις Ἀρμενίων τῷ ἐντυγχάνοι, θαρρεῖν τε
παραγγέλλειν καὶ ἀγορὰν τὸν θέλοντα ἄγειν ὅπου ἂν ᾧσιν, εἴτε σῖτα
εἴτε ποτὰ τυγχάνοι πωλεῖν βουλόμενος.

Βιβλίον γ'

[3.1.1] Ὁ μὲν δὴ Κῦρος ἐν τούτοις ἦν· ὁ δὲ Ἀρμένιος ὡς ἤκουσε τοῦ ἀγγέλου τὰ παρὰ Κύρου, ἐξεπλάγη, ἐννοήσας ὅτι ἀδικοίη καὶ τὸν δασμὸν λείπων καὶ τὸ στράτευμα οὐ πέμπων, καὶ τὸ μέγιστον, ἐφοβεῖτο, ὅτι ὀφθήσεσθαι ἔμελλε τὰ βασίλεια οἰκοδομεῖν ἀρχόμενος ὡς ἂν ἱκανὰ ἀπομάχεσθαι εἴη. [3.1.2] διὰ ταῦτα δὴ πάντα ὁκνῶν ἅμα μὲν διέπεμπεν ἀθροίζων τὴν ἑαυτοῦ δύναμιν, ἅμα δ' ἔπεμπεν εἰς τὰ ὄρη τὸν νεώτερον υἱὸν Σάβαριν καὶ τὰς γυναῖκας, τὴν τε ἑαυτοῦ καὶ τὴν τοῦ υἱοῦ, καὶ τὰς θυγατέρας· καὶ κόσμον δὲ καὶ κατασκευὴν τὴν πλείστου ἀξίαν συναπέπεμπε προπομπὰς δοῦς αὐτοῖς. αὐτὸς δὲ ἅμα μὲν κατασκευομένους ἔπεμπε τί πράττοι Κῦρος, ἅμα δὲ συνέταττε τοὺς παραγινομένους τῶν Ἀρμενίων· καὶ ταχὺ παρήσαν ἄλλοι λέγοντες ὅτι καὶ δὴ αὐτὸς ὁμοῦ. [3.1.3] ἐνταῦθα δὴ οὐκέτι ἔτλη εἰς χεῖρας ἐλθεῖν, ἀλλ' ὑπεχώρει. ὡς δὲ τοῦτ' εἶδον ποιήσαντα αὐτὸν οἱ Ἀρμένιοι, διεδίδρασκον ἤδη ἡκαστος ἐπὶ τὰ ἑαυτοῦ, βουλόμενοι τὰ ὄντα ἐκποδὼν ποιεῖσθαι. ὁ δὲ Κῦρος ὡς ἑώρα διαθεόντων καὶ ἐλαυνόντων τὸ πεδῖον μεστόν, ὑποπέμπων ἔλεγεν ὅτι οὐδενὶ πολέμιος εἴη τῶν μενόντων. εἰ δέ τινα φεύγοντα λήψοιτο, προηγόρευεν ὅτι ὡς πολεμίῳ χρήσοιτο. οὕτω δὴ οἱ μὲν πολλοὶ κατέμενον, ἦσαν δ' οἱ ὑπεχώρουν σὺν τῷ βασιλεῖ. [3.1.4] ἐπεὶ δ' οἱ σὺν ταῖς γυναῖξιν προϊόντες ἐνέπεσον εἰς τοὺς ἐν τῷ ὄρει, κραυγὴν τε εὐθὺς ἐποίουν καὶ φεύγοντες ἡλίσκοντο πολλοὶ [γε] αὐτῶν. τέλος δὲ καὶ ὁ παῖς καὶ αἱ γυναῖκες καὶ αἱ θυγατέρες ἐάλωσαν, καὶ χρήματα ὅσα σὺν αὐτοῖς ἀγόμενα ἔτυχεν. ὁ δὲ βασιλεὺς αὐτός, ὡς ἦσθετο τὰ γινόμενα, ἀπορῶν ποῖ τράποιο ἐπὶ λόφον τινὰ καταφεύγει. [3.1.5] ὁ δ' αὖ Κῦρος ταῦτα ἰδὼν περιίσταται τὸν λόφον τῷ παρόντι στρατεύματι, καὶ πρὸς Χρυσάνταν πέμψας ἐκέλευε φυλακὴν τοῦ ὄρους καταλιπόντα ἡκεῖν. τὸ μὲν δὴ στράτευμα ἡθροίζετο τῷ Κύρῳ· ὁ δὲ πέμψας πρὸς τὸν Ἀρμένιον κήρυκα ἤρετο ὧδε· Εἰπέ μοι, ἔφη, ὦ Ἀρμένιε, πότερα βούλει αὐτοῦ μένων τῷ λιμῷ καὶ τῷ δίψει μάχεσθαι ἢ εἰς τὸ ἰσόπεδον καταβάς ἡμῖν διαμάχεσθαι; ἀπεκρίνατο ὁ Ἀρμένιος ὅτι οὐδετέροις βούλοιο μάχεσθαι. [3.1.6] πάλιν ὁ Κῦρος πέμψας ἡρώτα Τί οὖν κάθησαι ἐνταῦθα καὶ οὐ καταβαίνεις; Ἀπορῶν, ἔφη, ὃ τι χρὴ ποιεῖν. Ἄλλ' οὐδέν, ἔφη ὁ Κῦρος, ἀπορεῖν σε δεῖ· ἔξεστι γάρ σοι ἐπὶ δίκην καταβαίνειν. Τίς δ', ἔφη, ἔσται ὁ δικάζων;

Δήλον ὅτι ὦι ὁ θεὸς ἔδωκε καὶ ἄνευ δίκης χρῆσθαι σοι ὅ τι βούλοιτο. ἐνταῦθα δὴ ὁ Ἀρμένιος γινώσκων τὴν ἀνάγκην καταβαίνει· καὶ ὁ Κῦρος λαβὼν εἰς τὸ μέσον κ' ἀκεῖνον καὶ τὰ ἄλλα πάντα περιστρατοπεδεύσατο, ὁμοῦ ἤδη πᾶσαν ἔχων τὴν δύναμιν.

[3.1.7] Ἐν τούτῳ δὲ τῷ χρόνῳ ὁ πρεσβύτερος παῖς τοῦ Ἀρμενίου Τιγράνης ἐξ ἀποδημίας τινὸς προσήει, ὃς καὶ σύνθηρός ποτε ἐγένετο τῷ Κύρῳ· καὶ ὡς ἤκουσε τὰ γεγενημένα, εὐθὺς πορεύεται ὥσπερ εἶχε πρὸς τὸν Κῦρον. ὡς δ' εἶδε πατέρα τε καὶ μητέρα καὶ ἀδελφούς καὶ τὴν ἑαυτοῦ γυναῖκα αἰχμαλώτους γεγενημένους, ἐδάκρυσεν, ὥσπερ εἰκός. [3.1.8] ὁ δὲ Κῦρος ἰδὼν αὐτὸν ἄλλο μὲν οὐδὲν ἐφιλοφρονήσατο αὐτῷ, εἶπε δ' ὅτι Εἰς καιρὸν ἤκεις, ἔφη, ὅπως τῆς δίκης ἀκούσης παρὼν τῆς ἀμφὶ τοῦ πατρός. καὶ εὐθὺς συνεκάλει τοὺς ἡγεμόνας τοὺς τε τῶν Περσῶν καὶ τοὺς τῶν Μήδων· προσεκάλει δὲ καὶ εἴ τις Ἀρμενίων τῶν ἐντίμων παρῆν. καὶ τὰς γυναῖκας ἐν ταῖς ἄρμαμάξαις παρούσας οὐκ ἀπήλασεν, ἀλλ' εἶα ἀκούειν. [3.1.9] ὁπότε δὲ καλῶς εἶχεν, ἤρχετο τοῦ λόγου· ὦ Ἀρμένιε, ἔφη, πρῶτον μὲν σοι συμβουλεύω ἐν τῇ δίκῃ τ' ἀληθῆ λέγειν, ἵνα σοι ἔν γε ἀπῇ τὸ εὐμνησιτότατον· τὸ γὰρ ψευδόμενον φαίνεσθαι εὖ ἴσθι ὅτι καὶ τοῦ συγγνώμης τινὸς τυγχάνειν ἐμποδὼν μάλιστα ἀνθρώποις γίγνεται· ἔπειτα δ', ἔφη, συνίσασι μὲν σοι καὶ οἱ παῖδες καὶ αἱ γυναῖκες αὗται πάντα ὅσα ἔπραξας, καὶ Ἀρμενίων οἱ παρόντες· ἦν δὲ αἰσθάνωνται σε ἄλλα ἢ τὰ γενόμενα λέγοντα, νομιοῦσί σε καὶ αὐτὸν καταδικάζειν σεαυτοῦ πάντα τὰ ἔσχατα παθεῖν, ἦν ἐγὼ τ' ἀληθῆ πύθωμαι. Ἄλλ' ἐρώτα, ἔφη, ὦ Κῦρε, ὅ τι βούλει, ὡς τ' ἀληθῆ ἐροῦντος, τούτου ἕνεκα καὶ γενέσθω ὅ τι βούλεται. [3.1.10] Λέγε δὴ μοι, ἔφη, ἐπολέμησάς ποτε Ἀστυάγει τῷ τῆς ἐμῆς μητρὸς πατρὶ καὶ τοῖς ἄλλοις Μήδοις; Ἐγὼ γ', ἔφη. Κρατηθεὶς δ' ὑπ' αὐτοῦ συνωμολόγησας δασμὸν οἴσειν καὶ συστρατεύσεσθαι ὅποι ἐπαγγέλloi, καὶ ἐρύματα μὴ ἔξειν; Ἦν ταῦτα. Νῦν οὖν διὰ τί οὔτε τὸν δασμὸν ἀπῆγες οὔτε τὸ στράτευμα ἔπεμπες, ἐτείχιζές τε τὰ ἐρύματα; Ἐλευθερίας ἐπεθύμουν· καλὸν γάρ μοι ἐδόκει εἶναι καὶ αὐτὸν ἐλεύθερον εἶναι καὶ παισὶν ἐλευθερίαν καταλιπεῖν. [3.1.11] Καὶ γάρ ἐστιν, ἔφη ὁ Κῦρος, καλὸν μάχεσθαι, ὅπως μήποτε τις δοῦλος μέλλοι γενήσεσθαι· ἦν δὲ δὴ ἡ πολέμῳ κρατηθεὶς ἢ καὶ ἄλλον τινὰ τρόπον δουλωθεὶς ἐπιχειρῶν τις φαίνεται τοὺς δεσπότας ἀποστερεῖν ἑαυτοῦ, τοῦτον σὺ πρῶτος πότερον ὡς ἀγαθὸν ἄνδρα καὶ καλὰ πράττοντα τιμᾷς ἢ ὡς ἀδικοῦντα, ἦν λάβῃς, κολάζεις; Κολάζω, ἔφη·

οὐ γὰρ ἔαις σὺ ψεύδεσθαι. [3.1.12] Λέγε δὴ σαφῶς, ἔφη ὁ Κῦρος, καθ' ἓν ἕκαστον· ἦν ἄρχων τις τύχῃ σοι καὶ ἀμάρτη, πότερον ἔαις ἄρχειν ἢ ἄλλον καθίστης ἀντ' αὐτοῦ; Ἄλλον καθίστημι. Τί δέ, ἦν χρήματα πολλὰ ἔχει, ἔαις πλουτεῖν ἢ πένητα ποιεῖς; ἀφαιροῦμαι, ἔφη, ἃ ἂν ἔχων τυγχάνῃ. Ἦν δὲ καὶ πρὸς πολεμίους γινώσκῃς αὐτὸν ἀφιστάμενον, τί ποιεῖς; Κατακαίνω, ἔφη· τί γὰρ δεῖ ἐλεγχθέντα ὅτι ψεύδομαι ἀποθανεῖν μᾶλλον ἢ τ' ἀληθῆ λέγοντα; [3.1.13] ἔνθα δὴ ὁ μὲν παῖς αὐτοῦ ὡς ἤκουσε ταῦτα, περιεσπάσατο τὴν τῖάνην καὶ τοὺς πέπλους κατερρήξατο, αἱ δὲ γυναῖκες ἀναβοήσασαι ἐδρύπτοντο, ὡς οἰχομένου τοῦ πατρὸς καὶ ἀπολωλότων σφῶν ἤδη. καὶ ὁ Κῦρος σιωπῆσαι κελεύσας εἶπεν· Εἴεν· τὰ μὲν δὴ σὰ δίκαια ταῦτα, ὧ Ἀρμένιε· ἡμῖν δὲ τί συμβουλευεῖς ἐκ τούτων ποιεῖν; ὁ μὲν δὴ Ἀρμένιος ἐσιώπα ἀπορῶν πότερα συμβουλευοὶ τῷ Κύρῳ κατακαίνειν αὐτὸν ἢ τ' ἀναντία διδάσκει ὧν αὐτὸς ἔφη ποιεῖν. [3.1.14] ὁ δὲ παῖς αὐτοῦ Τιγράνης ἐπήρετο τὸν Κῦρον· Εἰπέ μοι, ἔφη, ὧ Κῦρε, ἐπεὶ ὁ πατὴρ ἀποροῦντι ἔοικεν, ἢ συμβουλευσω περὶ αὐτοῦ ἃ οἶμαι σοι βέλτιστα εἶναι; καὶ ὁ Κῦρος, ἡσθημένος, ὅτε συνεθήρα αὐτῷ ὁ Τιγράνης, σοφιστὴν τινα αὐτῷ συνόντα καὶ θαυμαζόμενον ὑπὸ τοῦ Τιγράνου, πάνυ ἐπεθύμει αὐτοῦ ἀκοῦσαι ὅ τι ποτ' ἐροίῃ· καὶ προθύμως ἐκέλευσε λέγειν ὅ τι γινώσκῃ.

[3.1.15] Ἐγὼ τοίνυν, ἔφη ὁ Τιγράνης, εἰ μὲν ἄγασαι τοῦ πατρὸς ἢ ὅσα βεβούλευται ἢ ὅσα πέπραχε, πάνυ σοι συμβουλευώ τοῦτον μιμεῖσθαι· εἰ μὲντοι σοι δοκεῖ πάντα ἡμαρτηκέναι, συμβουλευώ τοῦτον μὴ μιμεῖσθαι. Οὐκοῦν, ἔφη ὁ Κῦρος, τὰ δίκαια ποιῶν ἡκιστ' ἂν τὸν ἀμαρτάνοντα μιμοίμην. Ἔστιν, ἔφη, ταῦτα. Κολαστέον ἄρ' ἂν εἴῃ κατὰ γε τὸν σὸν λόγον τὸν πατέρα, εἴπερ τὸν ἀδικοῦντα δίκαιον κολάζειν. Πότερα δ' ἡγήῃ, ὧ Κῦρε, ἄμεινον εἶναι σὺν τῷ σῶι ἀγαθῷ τὰς τιμωρίας ποιεῖσθαι ἢ σὺν τῇ σῇ ζημίαι; Ἐμαυτὸν ἄρα, ἔφη, οὕτω γ' ἂν τιμωροίμην. [3.1.16] Ἀλλὰ μέντοι, ἔφη ὁ Τιγράνης, μέγα γ' ἂν ζημιόιο, εἰ τοὺς σεαυτοῦ κατακαίνεις τότε ὅποτε σοι πλείστου ἄξιοι εἴεν κεκτηῖσθαι. Πῶς δ' ἂν, ἔφη ὁ Κῦρος, τότε πλείστου ἄξιοι γίγνοιτο ἄνθρωποι ὅποτε ἀδικοῦντες ἀλίσκοιντο; Εἰ τότε, οἶμαι, σῶφρονες γίγνοιτο. δοκεῖ γάρ μοι, ὧ Κῦρε, οὕτως ἔχειν, ἄνευ μὲν σωφροσύνης οὐδ' ἄλλης ἀρετῆς οὐδὲν ὄφελος εἶναι· τί γὰρ ἂν, ἔφη, χρήσαιτ' ἂν τις ἰσχυρῷ ἢ ἀνδρείῳ μὴ σῶφρονι, [ἢ ἱππικῷ], τί δὲ πλουσίῳ, τί δὲ δυνάστητι ἐν πόλει; σὺν δὲ σωφροσύνῃ καὶ φίλος πᾶς χρήσιμος καὶ θεράπων πᾶς ἀγαθός. [3.1.17] Τοῦτ' οὖν, ἔφη, λέγεις ὡς

καὶ ὁ σὸς πατὴρ ἐν τῇιδε τῇ μιᾷ ἡμέραι ἐξ ἄφρονος σώφρων γεγένηται; Πάνυ μὲν οὖν, ἔφη. Πάθημα ἄρα τῆς ψυχῆς σὺ λέγεις εἶναι τὴν σωφροσύνην, ὥσπερ λύπην, οὐ μάθημα· οὐ γὰρ ἂν δήπου, εἶγε φρόνιμον δεῖ γενέσθαι τὸν μέλλοντα σώφρονα ἔσεσθαι, παραχρῆμα ἐξ ἄφρονος σώφρων ἂν τις γένοιτο. [3.1.18] Τί δ', ἔφη, ὦ Κῦρε, οὐπω ἦισθου καὶ ἓνα ἄνδρα δι' ἀφροσύνην μὲν ἐπιχειροῦντα κρεῖττονι ἑαυτοῦ μάχεσθαι, ἐπειδὴν δὲ ἡττηθῇ, εὐθὺς πεπαυμένον τῆς πρὸς τοῦτον ἀφροσύνης; πάλιν δ', ἔφη, οὐπω ἐώρακας πόλιν ἀντιταττομένην πρὸς πόλιν ἐτέραν, ἥς ἐπειδὴν ἡττηθῇ παραχρῆμα ταύτῃ ἀντὶ τοῦ μάχεσθαι πείθεσθαι ἐθέλει; [3.1.19] Ποίαν δ', ἔφη ὁ Κῦρος, καὶ σὺ τοῦ πατρὸς ἦτταν λέγων οὕτως ἰσχυρίζεαι σεσωφρονίσθαι αὐτόν; Ἦι νῆ Δί', ἔφη, σύννοιδεν ἑαυτῷ ἐλευθερίας μὲν ἐπιθυμήσας, δοῦλος δ' ὡς οὐδεπώποτε γενόμενος, ἃ δὲ ὠιήθη χρῆναι λαθεῖν ἢ φθάσαι ἢ ἀποβιάσασθαι, οὐδὲν τούτων ἱκανὸς γενόμενος διαπράξασθαι. σὲ δὲ οἶδεν, ἃ μὲν ἐβουλήθης ἐξαπατῆσαι αὐτόν, οὕτως ἐξαπατήσαντα ὥσπερ ἂν τις τυφλοὺς καὶ κωφοὺς καὶ μὴδ' ὁτιοῦν φρονοῦντας ἐξαπατήσειεν· ἃ δὲ ὠιήθης λαθεῖν χρῆναι, οὕτω σὲ οἶδε λαθόντα ὥστε ἃ ἐνόμιζεν ἑαυτῷ ἐχρῆναι χωρία ἀποκεῖσθαι, σὺ εἰρκτὰς ταῦτα ἔλαθες προκατασκευάσας· τάχει δὲ τοσοῦτον περιεγένου αὐτοῦ ὥστε πρόσωθεν ἔφθασας ἐλθὼν σὺν πολλῶι στόλῳ πρὶν τοῦτον τὴν παρ' ἑαυτῷ δύναμιν ἀθροίσασθαι. [3.1.20] Ἐπειτα δοκεῖ σοι, ἔφη ὁ Κῦρος, καὶ ἡ τοιαύτη ἦττα σωφρονίζειν ἱκανὴ εἶναι ἀνθρώπους, τὸ γινῶναι ἄλλους ἑαυτῶν βελτίονας ὄντας; Πολύ γε μᾶλλον, ἔφη ὁ Τιγράνης, ἢ ὅταν μάχη τις ἡττηθῇ. ὁ μὲν γὰρ ἰσχύι κρατηθεὶς ἔστιν ὅτε ὠιήθη σωμασκήσας ἀναμαχεῖσθαι· καὶ πόλεις γε ἀλοῦσαι συμμάχους προσλαβοῦσαι οἴονται ἀναμαχεῖσθαι ἄν· οὐς δ' ἂν βελτίους τινὲς ἑαυτῶν ἡγήσωνται, τούτοις πολλάκις καὶ ἄνευ ἀνάγκης ἐθέλουσι πείθεσθαι. [3.1.21] Σύ, ἔφη, ἔοικας οὐκ οἶεσθαι τοὺς ὑβριστὰς γινώσκειν τοὺς ἑαυτῶν σωφρονεστερέους, οὐδὲ τοὺς κλέπτας τοὺς μὴ κλέπτοντας, οὐδὲ τοὺς ψευδομένους τοὺς τ' ἀληθῆ λέγοντας, οὐδὲ τοὺς ἀδικοῦντας τοὺς τὰ δίκαια ποιοῦντας· οὐκ οἶσθα, ἔφη, ὅτι καὶ νῦν ὁ σὸς πατὴρ ἐνψέσατο καὶ οὐκέτ' ἡμπέδου τὰς πρὸς ἡμᾶς συνθήκας, εἰδὼς ὅτι ἡμεῖς οὐδ' ὁτιοῦν ὧν Ἀστυάγης συνέθετο παραβαίνομεν; [3.1.22] Ἀλλ' οὐδ' ἐγὼ τοῦτο λέγω ὡς τὸ γινῶναι μόνον τοὺς βελτίονας σωφρονίζει ἄνευ τοῦ δίκην δίδοναι ὑπὸ τῶν βελτιόνων, ὥσπερ ὁ ἐμὸς πατὴρ νῦν δίδωσιν. Ἀλλ', ἔφη ὁ Κῦρος, ὃ γε σὸς πατὴρ πέπονθε

μὲν οὐδ' ὅτι οὖν πῶς κακόν· φοβεῖται γὰρ μέντοι εὖ οἶδ' ὅτι μὴ πάντα τὰ ἔσχατα πάθῃ. [3.1.23] Οἷσι οὖν τι, ἔφη ὁ Τιγράνης, μᾶλλον καταδουλοῦσθαι ἀνθρώπους τοῦ ἰσχυροῦ φόβου; οὐκ οἶσθ' ὅτι οἱ μὲν τῷ ἰσχυροτάτῳ κολάσματι νομιζομένῳ σιδήρῳ παιόμενοι ὁμῶς ἐθέλουσι καὶ πάλιν μάχεσθαι τοῖς αὐτοῖς; οὗς δ' ἂν σφόδρα φοβηθῶσιν ἄνθρωποι, τούτοις οὐδὲ παραμυθουμένοις ἔτι ἀντιβλέπειν δύνανται; Λέγεις σύ, ἔφη, ὡς ὁ φόβος τοῦ ἔργου κακοῦσθαι μᾶλλον κολάζει τοὺς ἀνθρώπους. [3.1.24] Καὶ σύ γε, ἔφη, οἶσθα ὅτι ἀληθῆ λέγω· ἐπίστασαι γὰρ ὅτι οἱ μὲν φοβούμενοι μὴ φύγωσι πατρίδα καὶ οἱ μέλλοντες μάχεσθαι δεδιότες μὴ ἡττηθῶσιν [ἀθύρως διάγουσι, καὶ οἱ πλεόντες μὴ ναυαγίσωσι, καὶ οἱ δουλείαν καὶ δεσμὸν φοβούμενοι, οὗτοι μὲν οὔτε σίτου οὔθ' ὕπνου δύνανται λαγχάνειν διὰ τὸν φόβον οἱ δὲ ἤδη μὲν φυγάδες, ἤδη δ' ἡττημένοι, ἤδη δὲ δουλεύοντες, ἔστιν ὅτε δύνανται καὶ μᾶλλον τῶν εὐδαιμόνων ἐσθίειν τε καὶ καθεύδειν. [3.1.25] ἔτι δὲ φανερώτερον καὶ ἐν τοῖσδε οἷον φόρημα ὁ φόβος· ἔνιοι γὰρ φοβούμενοι μὴ ληφθέντες ἀποθάνωσι προαποθνήσκουσιν ὑπὸ τοῦ φόβου, οἱ μὲν ῥιπτοῦντες ἑαυτούς, οἱ δ' ἀπαγχόμενοι, οἱ δ' ἀποσφαττόμενοι· οὕτω πάντων τῶν δεινῶν ὁ φόβος μάλιστα καταπλήττει τὰς ψυχάς. τὸν δ' ἐμὸν πατέρα, ἔφη, νῦν πῶς δοκεῖς διακεῖσθαι τὴν ψυχὴν, ὅς οὐ μόνον περὶ ἑαυτοῦ, ἀλλὰ καὶ περὶ ἐμοῦ καὶ περὶ γυναικὸς καὶ περὶ πάντων τῶν τέκνων [δουλείας] φοβεῖται; καὶ ὁ Κῦρος εἶπεν· [3.1.26] Ἀλλὰ νῦν μὲν ἔμοιγε οὐδὲν ἄπιστον τοῦτον οὕτω διακεῖσθαι· δοκεῖ μέντοι μοι τοῦ αὐτοῦ ἀνδρὸς εἶναι καὶ εὐτυχοῦντα ἐξυβρίσαι καὶ πατρίσιντα ταχὺ πτῆξαι, καὶ ἀνεθέντα γὰρ πάλιν αὐτὸν μέγα φρονῆσαι καὶ πάλιν αὐτὸν πράγματα παρασχεῖν. [3.1.27] Ἀλλὰ ναὶ μὰ Δί', ἔφη, ὦ Κῦρε, ἔχει μὲν προφάσεις τὰ ἡμέτερα ἀμαρτήματα ὥστ' ἀπιστεῖν ἡμῖν· ἔξεστι δὲ σοι καὶ φρούρια ἐντειχίζειν καὶ τὰ ἐχυρὰ κατέχειν καὶ ἄλλο ὃ τι ἂν βούληται πιστὸν λαμβάνειν. καὶ μέντοι, ἔφη, ἡμᾶς μὲν ἔξεις οὐδὲν τι τούτοις μέγα λυπούμενους· μεμνησόμεθα γὰρ ὅτι ἡμεῖς αὐτῶν αἰτιοὶ ἐσμεν· εἰ δὲ τινι τῶν ἀναμαρτήτων παραδοὺς τὴν ἀρχὴν ἀπιστῶν αὐτοῖς φανεῖ, ὅρα μὴ ἅμα τε εὖ ποιήσεις καὶ ἅμα οὐ φίλον νομιούσιν σε· εἰ δ' αὖ φυλαττόμενος τὸ ἀπεχθάνεσθαι μὴ ἐπιθήσεις αὐτοῖς ζυγὰ τοῦ μὴ ὑβρίσαι, ὅρα μὴ ἐκείνους αὖ δεήσει σε σωφρονίζειν ἔτι μᾶλλον ἢ ἡμᾶς νῦν ἐδέξασιν. [3.1.28] Ἀλλὰ ναὶ μὰ τοὺς θεοὺς, ἔφη, τοιούτοις μὲν ἔγωγε ὑπηρεταῖς, οὗς εἰδείην ἀνάγκῃ ὑπηρετοῦντας, ἀηδῶς ἂν μοι δοκῶ χρῆσθαι· οὗς δὲ γινώσκειν δοκοῖν ὅτι εὐνοία καὶ φιλία τῇ

ἐμῇ τὸ δέον συλλαμβάνοιεν, τούτους ἂν μοι δοκῶ καὶ ἁμαρτάνοντας ῥᾷον φέρειν ἢ τοὺς μισοῦντας μέν, ἔκπλεω δὲ πάντα ἀνάγκη διαπονουμένους. καὶ ὁ Τιγράνης εἶπε πρὸς ταῦτα· Φιλίαν δὲ παρὰ τίνων ἂν ποτε λάβοις τοσαύτην ὅσην σοι παρ' ἡμῶν ἔξεστι κτήσασθαι νῦν; Παρ' ἐκείνων οἶμαι, ἔφη, [παρὰ] τῶν μηδέποτε πολεμίων γεγεννημένων, εἰ ἐθέλοιμι εὐεργετεῖν αὐτοὺς ὥσπερ σὺ νῦν με κελεύεις εὐεργετεῖν ὑμᾶς. [3.1.29] Ἡ καὶ δύναιο ἂν, ἔφη, ὦ Κῦρε, ἐν τῷ παρόντι νῦν εὐρεῖν ὅτῳ ἂν χαρίσαιτο ὅσαπερ τῷ ἐμῷ πατρί; αὐτίκα, ἔφη, ἦν τινα ἐὰς ζῆν τῶν σε μηδὲν ἡδικηκότων, τίνα σοι τούτου χάριν οἶε αὐτὸν εἶσεσθαι; τί δ', ἦν αὐτοῦ τέκνα καὶ γυναῖκα μὴ ἀφαιρῇ, τίς σε τούτου ἔνεκα φιλήσει μᾶλλον ἢ ὁ νομίζων προσήκειν αὐτῷ ἀφαιρεθῆναι; τὴν δ' Ἀρμενίων βασιλείαν εἰ μὴ ἔξει, οἴσθ᾽ αἰτινὰ, ἔφη, λυπούμενον μᾶλλον ἢ ἡμᾶς; οὐκοῦν καὶ τοῦτ', ἔφη, δῆλον ὅτι ὁ μάλιστα λυπούμενος εἰ μὴ βασιλεὺς εἴη οὗτος καὶ λαβὼν τὴν ἀρχὴν μεγίστην ἂν σοι χάριν εἰδείη. [3.1.30] εἰ δέ τί σοι, ἔφη, μέλει καὶ τοῦ ὥς ἥκιστα τεταραγμένα τάδε καταλιπεῖν, ὅταν ἀπίης, σκόπει, ἔφη, πότερον ἂν οἶε ἡρεμεστέως ἔχειν τὰ ἐνθάδε καινῆς γενομένης ἀρχῆς ἢ τῆς εἰωθυίας καταμενούσης· εἰ δέ τί σοι μέλει καὶ τοῦ ὥς πλείστην στρατιὰν ἐξάγειν, τίν' ἂν οἶε μᾶλλον ἐξετάσαι ταύτην ὀρθῶς τοῦ πολλάκις αὐτῇ κεχρημένου; εἰ δὲ καὶ χρημάτων δεήσει, τίν' ἂν ταῦτα νομίζεις κρεῖττον ἐκπορίσαι τοῦ καὶ εἰδότος καὶ ἔχοντος πάντα τὰ ὄντα; ὦγαθέ, ἔφη, Κῦρε, φύλαξαι μὴ ἡμᾶς ἀποβαλὼν σαντὸν ζημιώσης πλείω ἢ ὁ πατήρ ἐδυνήθη σε βλάψαι. ὁ μὲν τοιαῦτα ἔλεγεν.

[3.1.31] Ὁ δὲ Κῦρος ἀκούων ὑπερήδeto, ὅτι ἐνόμιζε περαίνεσθαι πάντα αὐτῷ ὅσαπερ ὑπέσχετο τῷ Κυαζάρῃ πράξειν· ἐμέμνητο γὰρ εἰπὼν ὅτι καὶ φίλον οἶοιτο μᾶλλον ἢ πρόσθεν ποιήσειν. καὶ ἐκ τούτου δὴ τὸν Ἀρμένιον ἐρωτᾷ· Ἦν δὲ δὴ ταῦτα πείθωμαι ὑμῖν, λέγε μοι, ἔφη, σὺ, ὦ Ἀρμένιε, πόσῃ μὲν στρατιάν μοι συμπέμψεις, πόσα δὲ χρήματα συμβαλῇ εἰς τὸν πόλεμον; [3.1.32] πρὸς ταῦτα δὴ λέγει ὁ Ἀρμέμιος· Οὐδὲν ἔχω, ὦ Κῦρε, ἔφη, ἀπλούστερον εἰπεῖν οὐδὲ δικαιότερον ἢ δεῖξαι μὲν ἐμὲ πᾶσαν τὴν οὖσαν δύναμιν, σὲ δὲ ἰδόντα ὅσῃ μὲν ἂν σοι δοκῇ στρατιὰν ἄγειν, τὴν δὲ καταλιπεῖν τῆς χώρας φυλακὴν. ὥς δ' αὐτως περὶ χρημάτων δηλῶσαι μὲν ἐμὲ δίκαιόν σοι πάντα τὰ ὄντα, σὲ δὲ τούτων αὐτὸν γνόντα ὅποσα τε ἂν βούλῃ φέρεσθαι καὶ ὅποσα ἂν βούλῃ καταλιπεῖν. [3.1.33] καὶ ὁ Κῦρος εἶπεν· Ἴθι δὴ λέξον μοι πόση σοι δύναμις ἐστι, λέξον δὲ καὶ πόσα χρήματα.

ἐνταῦθα δὴ λέγει ὁ Ἀρμένιος· Ἰππεῖς μὲν τοίνυν εἰσὶν [Ἀρμενίων] εἰς ὀκτακισχιλίους, πεζοὶ δὲ εἰς τέτταρας μυριάδας· χρήματα δ', ἔφη, σὺν τοῖς θησαυροῖς οἷς ὁ πατήρ κατέλιπεν ἔστιν εἰς ἀργύριον λογισθέντα τάλαντα πλείω τῶν τρισχιλίων. [3.1.34] καὶ ὁ Κῦρος οὐκ ἐμέλλησεν, ἀλλ' εἶπε· Τῆς μὲν τοίνυν στρατιᾶς, ἐπεὶ σοι, ἔφη, οἱ ὁμοροὶ Χαλδαῖοι πολεμοῦσι, τοὺς ἡμίσεις μοι σύμπεμπε· τῶν δὲ χρημάτων ἀντὶ μὲν τῶν πεντήκοντα ταλάντων ὧν ἔφερες δασμὸν διπλάσια Κναζάρῃ ἀπόδος, ὅτι ἔλιπες τὴν φοράν· ἐμοὶ δ', ἔφη, ἄλλα ἑκατὸν δάνεισον· ἐγὼ δέ σοι ὑπισχνοῦμαι, ἣν ὁ θεὸς εὖ διδῶι, ἀνθ' ὧν ἂν ἐμοὶ δανείσῃς ἢ ἄλλα πλείονος ἄξια εὐεργετήσῃς ἢ τὰ χρήματα ἀπαριθμήσῃς, ἣν δύνωμαι· ἣν δὲ μὴ δύνωμαι, ἀδύνατος ἂν φαινοίμην, οἶμαι, ἄδικος δ' οὐκ ἂν δικαίως κρινοίμην. [3.1.35] καὶ ὁ Ἀρμένιος, Πρὸς τῶν θεῶν, ἔφη, ὦ Κῦρε, μὴ οὕτω λέγε· εἰ δὲ μή, οὐ θαρροῦντά με ἔξεις· ἀλλὰ νόμιζε, ἔφη, ἃ ἂν καταλίπῃς μηδὲν ἥττον σὰ εἶναι ὧν ἂν ἔχων ἀπίης. Εἶεν, ἔφη ὁ Κῦρος· ὥστε δὲ τὴν γυναῖκα ἀπολαβεῖν, ἔφη, πόσα ἂν μοι χρήματα δοίης; Ὅποσα ἂν δυναίμην, ἔφη. Τί δέ, ὥστε τοὺς παῖδας; Καὶ τούτων, ἔφη, ὅποσα ἂν δυναίμην. Οὐκοῦν, ἔφη ὁ Κῦρος, ταῦτα μὲν ἤδη διπλάσια τῶν ὄντων. [3.1.36] σὺ δέ, ἔφη, ὦ Τιγράνη, λέξον μοι πόσοι ἂν πρίαμο ὥστε τὴν γυναῖκα ἀπολαβεῖν. ὁ δὲ ἐτύγχανε νεόγαμός τε ὧν καὶ ὑπερφιλῶν τὴν γυναῖκα. Ἐγὼ μὲν, ἔφη, ὦ Κῦρε, κὰν τῆς ψυχῆς πριαίμην ὥστε μήποτε λατρεῦσαι ταύτην. [3.1.37] Σὺ μὲν τοίνυν, ἔφη, ἀπάγου τὴν σὴν· οὐδὲ γὰρ εἰληφθαι ἔγωγε αἰχμάλωτον ταύτην νομίζω σοῦ γε μηπώποτε φυγόντος ἡμᾶς. καὶ σὺ δέ, ὦ Ἀρμένιε, ἀπάγου τὴν γυναῖκα καὶ τοὺς παῖδας μηδὲν αὐτῶν καταθείς, ἵν' εἰδῶσιν ὅτι ἐλεύθεροι πρὸς σὲ ἀπέρχονται. καὶ νῦν μὲν, ἔφη, δειπνεῖτε παρ' ἡμῖν· δειπνήσαντες δὲ ἀπελαύνετε ὅποι ὑμῖν θυμός. οὕτω δὴ κατέμειναν.

[3.1.38] Διασκεπνούντων δὲ μετὰ δεῖπνον ἐπῆρετο ὁ Κῦρος· Εἰπέ μοι, ἔφη, ὦ Τιγράνη, ποῦ δὴ ἐκεῖνός ἐστιν ὁ ἀνὴρ ὃς συνεθήρα ἡμῖν καὶ σὺ μοι μάλα ἐδόκεις θαυμάζειν αὐτόν. Οὐ γάρ, ἔφη, ἀπέκτεινεν αὐτὸν οὕτοσι ὁ ἐμὸς πατήρ; Τί λαβὼν ἀδικοῦντα; Διαφθείρειν αὐτὸν ἔφη ἐμέ. καίτοι [γ', ἔφη], ὦ Κῦρε, οὕτω καλὸς κ' ἀγαθὸς ἐκεῖνος ἦν ὥς καὶ ὅτε ἀποθνήσκῃν ἔμελλε προσκαλέσας με εἶπε· Μήτι σύ, ἔφη, ὦ Τιγράνη, ὅτι ἀποκτείνει με, χαλεπανθήῃς τῷ πατρί· οὐ γὰρ κακονοίαι τῇ σῇ τοῦτο ποιεῖ, ἀλλ' ἀγνοίαι· ὅποσα δὲ ἀγνοίαι ἄνθρωποι ἐξαμαρτάνουσι, πάντ' ἀκούσια ταῦτ' ἔγωγε νομίζω. [3.1.39] ὁ μὲν δὴ Κῦρος ἐπὶ τούτοις εἶπε· Φεῦ τοῦ ἀνδρός. ὁ δ' Ἀρμένιος

ἔλεξεν· Οὔτοι, ἔφη, ὧ Κῦρε, οὐδ' οἱ ταῖς ἑαυτῶν γυναῖξι λαμβάνοντες συνόντας ἀλλοτρίους ἄνδρας οὐ τοῦτο αἰτιώμενοι αὐτοὺς κατακαίνουσιν ὡς ἱάμαθεστέρας† ποιοῦντας τὰς γυναῖκας, ἀλλὰ νομίζοντες ἀφαιρεῖσθαι αὐτοὺς τὴν πρὸς αὐτοὺς φιλίαν, διὰ τοῦτο ὡς πολεμίοις αὐτοῖς χρῶνται. καὶ ἐγὼ ἐκείνῳι, ἔφη, ἐφθόνουν, ὅτι μοι ἐδόκει τοῦτον ποιεῖν αὐτὸν μᾶλλον θαυμάζειν ἢ ἐμέ. [3.1.40] καὶ ὁ Κῦρος εἶπεν· Ἀλλὰ ναὶ μὰ τοὺς θεοὺς, ἔφη, ὦ Ἀρμένιε, ἀνθρώπινά μοι δοκεῖς ἀμαρτεῖν· καὶ σύ, ὦ Τιγράνη, συγγίγνωσκε τῷ πατρί. τότε μὲν δὴ τοιαῦτα διαλεχθέντες καὶ φιλοφρονηθέντες ὥσπερ εἰκὸς ἐκ συναλλαγῆς, ἀναβάντες ἐπὶ τὰς ἄρμαμάζας σὺν ταῖς γυναῖξιν ἀπήλαυνον εὐφραινόμενοι.

[3.1.41] Ἐπεὶ δ' ἦλθον οἴκαδε, ἔλεγον τοῦ Κύρου ὁ μὲν τις τὴν σοφίαν, ὁ δὲ τὴν καρτερίαν, ὁ δὲ τὴν πραιότητα, ὁ δὲ τις καὶ τὸ κάλλος καὶ τὸ μέγεθος. ἔνθα δὴ ὁ Τιγράνης ἐπήρετο τὴν γυναῖκα· Ἥ καὶ σοί, ἔφη, ὦ Ἀρμενία, καλὸς ἐδόκει ὁ Κῦρος εἶναι; Ἀλλὰ μὰ Δί', ἔφη, οὐκ ἐκείνῳι ἐθεώμην. Ἀλλὰ τίνα μήν; ἔφη ὁ Τιγράνης. Τὸν εἰπόντα νῆ Δία ὡς τῆς αὐτοῦ ψυχῆς ἂν πρίατο ὥστε μὴ με δουλεύειν. τότε μὲν δὴ ὥσπερ εἰκὸς ἐκ τοιούτων ἀνεπαύοντο σὺν ἀλλήλοις.

[3.1.42] Τῇ δ' ὑστεραίᾳ ὁ Ἀρμένιος Κύρῳ μὲν καὶ τῇ στρατιᾷ ἀπάσῃ ξένια ἔπεμπε, προεῖπε δὲ τοῖς ἑαυτοῦ, οὓς δεήσοι στρατεύεσθαι, εἰς τρίτην ἡμέραν παρεῖναι· τὰ δὲ χρήματα ὧν εἶπεν ὁ Κῦρος διπλάσια ἀπηρίθμησεν. ὁ δὲ Κῦρος ὅσα εἶπε λαβὼν ἄλλα ἀπέπεμψεν· ἤρετο δὲ πότερος ἔσται ὁ ἴσο στρατεύμα ἄγων, ὁ παῖς ἢ αὐτός. εἰπέτην δὲ ἅμα ὁ μὲν πατὴρ οὕτως· Ὅποτερον ἂν σὺ κελεύῃς· ὁ δὲ παῖς οὕτως· Ἐγὼ μὲν οὐκ ἀπολείψομαί σου, ὦ Κῦρε, οὐδ' ἂν σκευοφόρον ἐμὲ δέησι σοι συνακολουθεῖν. [3.1.43] καὶ ὁ Κῦρος ἐπιγελάσας εἶπε· Καὶ ἐπὶ πόσῳ ἂν, ἔφη, ἐθέλοις τὴν γυναῖκά σου ἀκοῦσαι ὅτι σκευοφορεῖς; Ἀλλ' οὐδέν, ἔφη, ἀκούειν δεήσει αὐτήν· ἄξω γάρ, ὥστε ὁρᾶν ἐξέσται αὐτῇ ὅ τι ἂν ἐγὼ πράττω. Ὡρα ἂν, ἔφη, συσκευάζεσθαι ὑμῖν εἶη. Νόμιζ', ἔφη, συνεσκευασμένους παρέσεσθαι ὅ τι ἂν ὁ πατὴρ δῶι. τότε μὲν δὴ ξενισθέντες οἱ στρατιῶται ἐκοιμήθησαν.

[3.2.1] Τῇ δ' ὑστεραίᾳ ἀναλαβὼν ὁ Κῦρος τὸν Τιγράνην καὶ τῶν Μήδων ἱπέων τοὺς κρατίστους καὶ τῶν ἑαυτοῦ φίλων ὀπόσους καιρὸς ἐδόκει εἶναι, περιελάυνων τὴν χώραν κατεθεᾶτο, σκοπῶν ποῦ τειχίσειε φρούριον. καὶ ἐπ' ἄκρον τι ἐλθὼν ἐπηρώτα τὸν Τιγράνην

ποῖα εἶη τῶν ὀρέων ὀπόθεν οἱ Χαλδαῖοι καταθέοντες λήζονται. καὶ ὁ Τιγράνης ἐδείκνυνεν. ὁ δὲ πάλιν ἤρετο· Νῦν δὲ ταῦτα τὰ ὄρη ἔρημά ἐστιν; Οὐ μὰ Δί', ἔφη, ἀλλ' ἀεὶ σκοποὶ εἰσὶν ἐκείνων οἱ σημαίνουσι τοῖς ἄλλοις ὃ τι ἂν ὀρώσι. Τί οὖν, ἔφη, ποιοῦσιν, ἐπὴν αἰσθωνται; Βοηθοῦσιν, ἔφη, ἐπὶ τὰ ἄκρα, ὥς ἂν ἕκαστος δύνηται. [3.2.2] ταῦτα μὲν δὴ ὁ Κῦρος ἠκηκόει· σκοπῶν δὲ κατενόει πολλὴν τῆς χώρας τοῖς Ἀρμενίοις ἔρημον καὶ ἀργὸν οὔσαν διὰ τὸν πόλεμον. καὶ τότε μὲν ἀπῆλθον ἐπὶ τὸ στρατόπεδον καὶ δειπνήσαντες ἐκοιμήθησαν. [3.2.3] τῇ δ' ὑστεραίᾳ αὐτός τε ὁ Τιγράνης παρὴν συνεσκευασμένος καὶ ἵππεῖς εἰς τοὺς τετρακισχιλίους συνελέγοντο αὐτῷ καὶ τοξόται εἰς τοὺς μυρίους, καὶ πελτασταὶ ἄλλοι τοσοῦτοι. ὁ δὲ Κῦρος ἐν ᾧ συνελέγοντο ἐθύετο· ἐπεὶ δὲ καλὰ τὰ ἱερὰ ἦν αὐτῷ, συνεκάλεσε τοὺς τε τῶν Περσῶν ἡγεμόνας καὶ τοὺς τῶν Μήδων. [3.2.4] ἐπεὶ δ' ὁμοῦ ἦσαν, ἔλεξε τοιάδε.

Ἄνδρες φίλοι, ἔστι μὲν τὰ ὄρη ταῦτα ἃ ὀρώμεν Χαλδαίων· εἰ δὲ ταῦτα καταλάβοιμεν καὶ ἐπ' ἄκρου γένοιτο ἡμέτερον φρούριον, σωφρονεῖν ἀνάγκη ἂν εἶη πρὸς ἡμᾶς ἀμφοτέροις, τοῖς τε Ἀρμενίοις καὶ τοῖς Χαλδαίοις. τὰ μὲν οὖν ἱερὰ καλὰ ἡμῖν· ἀνθρωπίνῃ δὲ προθυμίᾳ εἰς τὸ πραχθῆναι ταῦτα οὐδὲν οὔτω μέγα σύμμαχον ἂν γένοιτο ὥς τάχος. ἦν γὰρ φθάσωμεν πρὶν τοὺς πολεμίους συλλεγῆναι ἀναβάντες, ἢ παντάπασιν ἀμαχεὶ λάβοιμεν ἂν τὸ ἄκρον ἢ ὀλίγοις τε καὶ ἀσθενέσι χρησαίμεθ' ἂν πολεμίους. [3.2.5] τῶν οὖν πόνων οὐδεὶς ῥάϊων οὐδ' ἀκινδυνότερος, ἔφη, ἐστὶ τοῦ νῦν καρτερῆσαι σπεύδοντας. ἴτε οὖν ἐπὶ τὰ ὄπλα. καὶ ... Ὑμεῖς μὲν, ὦ Μῆδοι, ἐν ἀριστεραῖς ἡμῶν πορεύεσθε· ὑμεῖς δέ, ὦ Ἀρμένιοι, οἱ μὲν ἡμίσεις ἐν δεξιᾷ, οἱ δ' ἡμίσεις ἔμπροσθεν ἡμῶν ἡγεῖσθε· ὑμεῖς δ', ὦ ἵππεῖς, ὀπισθεν ἔπεσθε παρακελευόμενοι καὶ ὠθοῦντες ἄνω ἡμᾶς, ἦν δέ τις μαλακύνεται, μὴ ἐπιτρέπετε. [3.2.6] ταῦτ' εἰπὼν ὁ Κῦρος ἡγεῖτο ὀρθίους ποιησάμενος τοὺς λόχους. οἱ δὲ Χαλδαῖοι ὥς ἔγνωσαν τὴν ὁρμὴν ἄνω οὔσαν, εὐθὺς ἐσήμαινόν τε τοῖς ἑαυτῶν καὶ συνεβόων ἀλλήλους καὶ συνηθορίζοντο. ὁ δὲ Κῦρος παρηγγύα, Ἄνδρες Πέρσαι, ἡμῖν σημαίνουσι σπεύδειν. ἦν γὰρ φθάσωμεν ἄνω γενόμενοι, οὐδὲν τὰ τῶν πολεμίων δυνήσεται.

[3.2.7] Εἶχον δ' οἱ Χαλδαῖοι γέρρα τε καὶ παλτὰ δύο· καὶ πολεμικώτατοι δὲ λέγονται οὗτοι τῶν περὶ ἐκείνην τὴν χώραν εἶναι· καὶ μισθοῦ στρατεύονται, ὅποταν τις αὐτῶν δέηται, διὰ τὸ πολεμικοὶ τε καὶ πένητες εἶναι· καὶ γὰρ ἡ χώρα αὐτοῖς ὀρεινὴ τέ ἐστὶ καὶ ὀλίγη

ἢ τὰ χρήματα ἔχουσα. [3.2.8] ὥς δὲ μᾶλλον ἐπλησίαζον οἱ ἀμφὶ τὸν Κῦρον τῶν ἄκρων, ὁ Τιγράνης σὺν τῷ Κύρῳ πορευόμενος εἶπεν· Ὡ Κῦρε, ἄρ' οἶσθ', ἔφη, ὅτι αὐτοὺς ἡμᾶς αὐτίκα μάλα δεήσει μάχεσθαι; ὥς οἱ γε Ἀρμένιοι οὐ μὴ δέξονται τοὺς πολεμίους. καὶ ὁ Κύρος εἰπὼν ὅτι εἰδείη τοῦτο, εὐθὺς παρηγγύησε τοῖς Πέρσαις παρασκευάζεσθαι, ὥς αὐτίκα δεῆσον διώκειν, ἐπειδὰν ὑπαγάγωσι τοὺς πολεμίους ὑποφεύγοντες οἱ Ἀρμένιοι ὥστ' ἐγγὺς ἡμῖν γενέσθαι. [3.2.9] οὕτω δὴ ἡγοῦντο μὲν οἱ Ἀρμένιοι· τῶν δὲ Χαλδαίων οἱ παρόντες, ὥς ἐπλησίαζον οἱ Ἀρμένιοι· ἀλαλάξαντες ἔθεον, ὥσπερ εἰώθεσαν, εἰς αὐτούς· οἱ δὲ Ἀρμένιοι, ὥσπερ εἰώθεσαν, οὐκ ἐδέχοντο. [3.2.10] ὥς δὲ διώκοντες οἱ Χαλδαῖοι εἶδον ἐναντίους μαχαιροφόρους ἱεμένους ἄνω, οἱ μὲν τινες αὐτοῖς πελάσαντες ταχὺ ἀπέθνησκον, οἱ δ' ἔφευγον, οἱ δὲ τινες καὶ ἐάλωσαν αὐτῶν, ταχὺ δὲ εἶχετο τὰ ἄκρα. ἐπεὶ δὲ τὰ ἄκρα εἶχον οἱ ἀμφὶ τὸν Κῦρον, καθεώρων τε τῶν Χαλδαίων τὰς οἰκῆσεις καὶ ἡισθάνοντο φεύγοντας αὐτοὺς ἐκ τῶν ἐγγὺς οἰκίσεων. [3.2.11] ὁ δὲ Κύρος, ὥς πάντες οἱ στρατιῶται ὁμοῦ ἐγένοντο, ἀριστοποιεῖσθαι παρήγγειλεν. ἐπεὶ δὲ ἡριστήκεσαν, καταμαθὼν ἔνθα αἱ σκοπαὶ ἦσαν αἱ τῶν Χαλδαίων ἐρυμνὸν τε ὄν καὶ ἔνυδρον, εὐθὺς ἐτείχιζε φρουρίον· καὶ τὸν Τιγράνην ἐκέλευε πέμπειν ἐπὶ τὸν πατέρα καὶ κελεύειν παραγενέσθαι ἔχοντα ὅποσοι εἶεν τέκτονές τε καὶ λιθοτόμοι. ἐπὶ μὲν δὴ τὸν Ἀρμένιον ὦιχετο ἄγγελος· ὁ δὲ Κύρος τοῖς παροῦσιν ἐτείχιζεν.

[3.2.12] Ἐν δὲ τούτῳ προσάγουσι τῷ Κύρῳ τοὺς αἰχμαλώτους δεδεμένους, τοὺς δὲ τινὰς καὶ τετρωμένους. ὥς δὲ εἶδεν, εὐθὺς λύειν μὲν ἐκέλευσε τοὺς δεδεμένους, τοὺς δὲ τετρωμένους ἰατροὺς καλέσας θεραπεύειν ἐκέλευσεν· ἔπειτα δὲ ἔλεξε τοῖς Χαλδαίοις ὅτι ἤκοι οὔτε ἀπολέσαι ἐπιθυμῶν ἐκείνους οὔτε πολεμεῖν δεόμενος, ἀλλ' εἰρήνην βουλόμενος ποιῆσαι Ἀρμενίοις καὶ Χαλδαίοις. Πρὶν μὲν οὖν ἔχεσθαι τὰ ἄκρα οἷδ' ὅτι οὐδὲν ἐδεῖσθε εἰρήνης· τὰ μὲν γὰρ ὑμέτερα ἀσφαλῶς εἶχε, τὰ δὲ τῶν Ἀρμενίων ἤγαγε καὶ ἐφέρετε· νῦν δὲ ὁρᾶτε δὴ ἐν οἷω ἐστέ. [3.2.13] ἐγὼ οὖν ἀφήμι ὑμᾶς οἵκαδε τοὺς εἰλημμένους, καὶ δίδωμι ὑμῖν σὺν τοῖς ἄλλοις Χαλδαίοις βουλευσασθαι εἴτε βούλεσθε πολεμεῖν ἡμῖν εἴτε φίλοι εἶναι. καὶ ἦν μὲν πόλεμον αἰρήσθε, μηκέτι ἤκετε δεῦρο ἄνευ ὅπλων, εἰ σωφρονεῖτε· ἦν δὲ εἰρήνης δοκῆτε δεῖσθαι, ἄνευ ὅπλων ἤκετε· ὥς δὲ καλῶς ἔξει τὰ ὑμέτερα, ἦν φίλοι γένησθε, ἐμοὶ μελήσει. [3.2.14] ἀκούσαντες δὲ ταῦτα οἱ Χαλδαῖοι, πολλὰ μὲν ἐπαινέσαντες, πολλὰ δὲ δεξιωσάμενοι τὸν

Κῦρον ὦιχοντο οἴκαδε.

Ὁ δὲ Ἀρμένιος ὡς ἤκουσε τὴν τε κλῆσιν τοῦ Κύρου καὶ τὴν πρᾶξιν, λαβὼν τοὺς τέκτονας καὶ τᾶλλα ὅσων ὤιετο δεῖν, ἦκε πρὸς τὸν Κῦρον ὡς ἐδύνατο τάχιστα. [3.2.15] ἐπεὶ δὲ εἶδε τὸν Κῦρον, ἔλεξεν· ὦ Κῦρε, ὡς ὀλίγα δυνάμενοι προορᾶν ἄνθρωποι περὶ τοῦ μέλλοντος πολλὰ ἐπιχειροῦμεν πράττειν. νῦν γὰρ δὴ καὶ ἐγὼ ἐλευθερίαν μὲν μηχανᾶσθαι ἐπιχειρήσας δοῦλος ὡς οὐδεπώποτε ἐγενόμην· ἐπεὶ δ' ἐάλωμεν, σαθῶς ἀπολωλέναι νομίσαντες νῦν ἀναφαινόμεθα σεσωσμένοι ὡς οὐδεπώποτε. οἱ γὰρ οὐδεπώποτε ἐπαύοντο πολλὰ κακὰ ἡμᾶς ποιοῦντες, νῦν ὁρῶ τούτους ἔχοντας ὥσπερ ἐγὼ ηὔχόμην. [3.2.16] καὶ τοῦτο ἐπίστω, ἔφη, ὦ Κῦρε, ὅτι ἐγὼ ὥστε ἀπελάσαι Χαλδαίους ἀπὸ τούτων τῶν ἄκρων πολλαπλάσια ἂν ἔδωκα χρήματα ὧν σύ νῦν ἔχεις παρ' ἐμοῦ· καὶ ἂ ὑπισχνοῦ ποιήσῃν ἀγαθὰ ἡμᾶς ὅτ' ἐλάμβανες τὰ χρήματα, ἀποτετέλεσται σοι ἤδη, ὥστε καὶ προσοφείλοντές σοι ἄλλας χάριτας ἀναπεφίναμεν, ἃς ἡμεῖς γε, εἰ μὴ κακοὶ ἐσμεν, αἰσχυνοίμεθ' ἂν σοι μὴ ἀποδιδόντες. [3.2.17] ὁ μὲν Ἀρμένιος τοσαῦτ' ἔλεξεν.

Οἱ δὲ Χαλδαῖοι ἦκον δεόμενοι τοῦ Κύρου εἰρήνην σφίσι ποιῆσαι. καὶ ὁ Κῦρος ἐπήρετο αὐτούς· Ἄλλο τι, ἔφη, ὦ Χαλδαῖοι, ἢ τούτου ἔνεκα εἰρήνης νῦν ἐπιθυμεῖτε ὅτι νομίζετε ἀσφαλέστερον ἂν δύνασθαι ζῆν εἰρήνης γενομένης ἢ πολεμοῦντες, ἐπεὶ ἡμεῖς τάδ' ἔχομεν; ἔφασαν οἱ Χαλδαῖοι. [3.2.18] καὶ ὅς, Τί δ', ἔφη, εἰ καὶ ἄλλα ὑμῖν ἀγαθὰ προσγένεοιτο διὰ τὴν εἰρήνην; Ἔτι ἂν, ἔφασαν, μᾶλλον εὐφραينوίμεθα. Ἄλλο τι οὖν, ἔφη, ἢ διὰ τὸ γῆς σπανίζειν ἀγαθῆς νῦν πένητες νομίζετ' εἶναι; συνέφασαν καὶ τοῦτο. Τί οὖν; ἔφη ὁ Κῦρος, βούλοισθ' ἂν ἀποτελοῦντες ὅσαπερ οἱ ἄλλοι Ἀρμένιοι ἐξεῖναι ὑμῖν τῆς Ἀρμενίας [γῆς] ἐργάζεσθαι ὁπόσῃν ἂν θέλητε; ἔφασαν οἱ Χαλδαῖοι, εἰ πιστεύοιμεν μὴ ἀδικήσεσθαι. [3.2.19] Τί δέ, σύ, ἔφη, ὦ Ἀρμένιε, βούλοιο ἂν σοι τὴν νῦν ἀργὸν οὖσαν [γῆν] ἐνεργὸν γενέσθαι, εἰ μέλλοιεν τὰ νομιζόμενα παρὰ σοὶ ἀποτελεῖν οἱ ἐργαζόμενοι; ἔφη ὁ Ἀρμένιος πολλοῦ ἂν τοῦτο πρίασθαι· πολὺ γὰρ ἂν αὐξάνεσθαι τὴν πρόσοδον. [3.2.20] Τί δ', ὑμεῖς, ἔφη, ὦ Χαλδαῖοι, ἐπεὶ ὄρη ἀγαθὰ ἔχετε, ἐθέλοιτ' ἂν ἔαν νέμειν ταῦτα τοὺς Ἀρμενίους, εἰ ὑμῖν μέλλοιεν οἱ νέμοντες τὰ δίκαια ἀποτελεῖν; ἔφασαν οἱ Χαλδαῖοι· πολλὰ γὰρ ἂν ὠφελεῖσθαι οὐδὲν πονοῦντες. Σὺ δέ, ἔφη, ὦ Ἀρμένιε, ἐθέλοις ἂν ταῖς τούτων νομαῖς χρῆσθαι, εἰ μέλλοις μικρὰ ὠφελῶν Χαλδαίους πολὺ πλείω ὠφελήσεσθαι; Καὶ σφόδρα ἂν, ἔφη,

εἴπερ οἰοίμην ἀσφαλῶς νεμεῖν. Οὐκοῦν, ἔφη, ἀσφαλῶς ἂν νέμοιτε, εἰ τὰ ἄκρα ἔχοιτε σύμμαχα; ἔφη ὁ Ἀρμένιος. [3.2.21] Ἀλλὰ μὰ Δί', ἔφασαν οἱ Χαλδαῖοι, οὐκ ἂν ἡμεῖς ἀσφαλῶς ἐργαζοίμεθα μὴ ὅτι τὴν τούτων, ἀλλ' οὐδ' ἂν τὴν ἡμετέραν, εἰ οὗτοι τὰ ἄκρα ἔχοιεν. Εἰ δ' ὑμῖν αὖ, ἔφη, τὰ ἄκρα σύμμαχα εἶεν; Οὕτως ἂν, ἔφασαν, ἡμῖν καλῶς ἔχοι. Ἀλλὰ μὰ Δί', ἔφη ὁ Ἀρμένιος, οὐκ ἂν ἡμῖν αὖ καλῶς ἔχοι, εἰ οὗτοι παραλήψονται πάλιν τὰ ἄκρα ἄλλως τε καὶ τετειχισμένα. [3.2.22] καὶ ὁ Κῦρος εἶπεν· Οὕτωςι τοίνυν, ἔφη, ἐγὼ ποιήσω· οὐδετέροις ὑμῖν τὰ ἄκρα παραδώσω, ἀλλ' ἡμεῖς φυλάξομεν αὐτά· κἂν ἀδικῶσιν ὑμῶν ὁπότεροι, σὺν τοῖς ἀδικουμένοις ἡμεῖς ἐσόμεθα.

[3.2.23] Ὡς δ' ἤκουσαν ταῦτα ἀμφοτέροι, ἐπήνεσαν καὶ ἔλεγον ὅτι οὕτως ἂν μόνως ἡ εἰρήνη βεβαία γένοιτο. καὶ ἐπὶ τούτοις ἔδοσαν καὶ ἔλαβον πάντες τὰ πιστά, καὶ ἐλευθέρους μὲν ἀμφοτέρους ἀπ' ἀλλήλων εἶναι συνετίθεντο, ἐπιγαμίας δ' εἶναι καὶ ἐπεργασίας καὶ ἐπινομίας, καὶ ἐπιμαχίαν δὲ κοινήν, εἴ τις ἀδικοῖη ὁποτέρους. [3.2.24] οὕτω μὲν οὖν τότε διεπράχθη· καὶ νῦν δὲ ἔτι οὕτω διαμένουσιν αἱ τότε γενόμεναι συνθήκαι Χαλδαίοις καὶ τῷ τὴν Ἀρμενίαν ἔχοντι. ἐπεὶ δὲ αἱ συνθήκαι ἐγεγένηντο, εὐθὺς συνετείχίζον τε ἀμφοτέροι προθύμως ὥς κοινὸν φρούριον καὶ τὰ ἐπιτήδεια συνεισῆγον. [3.2.25] ἐπεὶ δ' ἐσπέρα προσῆιε, συνδείπνους ἔλαβεν ἀμφοτέρους πρὸς ἑαυτὸν ὥς φίλους ἦδη. συσκηνοῦντων δὲ εἶπε τις τῶν Χαλδαίων ὅτι τοῖς μὲν ἄλλοις σφῶν πᾶσιν εὐκτὰ ταῦτα εἶη· εἰσὶ δέ τινες τῶν Χαλδαίων οἱ ληιζόμενοι ζῶσι καὶ οὗτ' ἐπίστανται ἐργάζεσθαι οὗτ' ἂν δύναιτο, εἰθισμένοι ἀπὸ πολέμου βιοτεύειν· αἰεὶ γὰρ ἐλήζοντο ἢ ἐμισθοφόρουν, πολλάκις μὲν παρὰ τῷ Ἰνδῶν βασιλεῖ [καὶ γάρ, ἔφασαν, πολύχρυσος ἀνήρ], πολλάκις δὲ καὶ παρ' Ἀστυάγει. καὶ ὁ Κῦρος ἔφη· Τί οὖν οὐ καὶ νῦν παρ' ἐμοὶ μισθοφοροῦσιν; [3.2.26] ἐγὼ γὰρ δώσω ὅσον τις καὶ ἄλλος πλεῖστον δῆποτε ἔδωκε. συνέφασαν [οἱ], καὶ πολλοὺς γε ἔσεσθαι ἔλεγον τοὺς ἐθελήσοντας.

[3.2.27] Καὶ ταῦτα μὲν δὴ οὕτω συνωμολογεῖτο. ὁ δὲ Κῦρος ὥς ἤκουσεν ὅτι πολλάκις πρὸς τὸν Ἰνδὸν οἱ Χαλδαῖοι ἐπορεύοντο, ἀναμνησθεὶς ὅτι ἦλθον παρ' αὐτοῦ κατασκευσόμενοι εἰς Μήδους τὰ αὐτῶν πράγματα καὶ ὦιχοντο πρὸς τοὺς πολεμίους, ὅπως αὖ καὶ τὰ ἐκείνων κατίδωσιν, ἐβούλετο μαθεῖν τὸν Ἰνδὸν τὰ αὐτῷ πεπραγμένα. [3.2.28] ἤρξατο οὖν λόγου τοιοῦδε· ὦ Ἀρμένιε, ἔφη, καὶ ὑμεῖς, ὦ Χαλδαῖοι, εἵπατέ μοι, εἴ τινα ἐγὼ νῦν τῶν ἐμῶν ἀποστέλλοιμι πρὸς τὸν Ἰνδόν, συμπέμψαιτ' ἂν μοι τῶν ὑμετέρων

οἵτινες αὐτῷ τὴν τε ὁδὸν ἡγοῖντο ἂν καὶ συμπράττοιεν ὥστε γενέσθαι ἡμῖν παρὰ τοῦ Ἰνδοῦ ἢ ἐγὼ βούλομαι; ἐγὼ γὰρ χρήματα μὲν προσγενέσθαι ἔτι ἂν βουλοίμην ἡμῖν, ὅπως ἔχω καὶ μισθὸν ἀφθόνως διδόναι οἷς ἂν δέῃ καὶ τιμὰν καὶ δωρεῖσθαι τῶν συστρατευομένων τοὺς ἀξίους· τούτων δὴ ἔνεκα βούλομαι ὡς ἀφθονώτατα χρήματα ἔχειν, δεῖσθαι τούτων νομίζων. τῶν δὲ ὑμετέρων ἡδὺ μοι ἀπέχεσθαι φαίνεται· φίλους γὰρ ὑμᾶς ἤδη νομίζω· παρὰ δὲ τοῦ Ἰνδοῦ ἡδέως ἂν λάβοιμι, εἰ διδοίη. [3.2.29] ὁ οὖν ἄγγελος, ὃν κελεύω ὑμᾶς ἡγεμόνας δοῦναι καὶ συμπράκτορας [γενέσθαι], ἐλθὼν ἐκείσε ὧδε λέξει· Ἐπεμψέ με Κῦρος, ὃ Ἰνδέ, πρὸς σέ· φησὶ δὲ προσδεῖσθαι χρημάτων, προσδεχόμενος ἄλλην στρατιὰν οἰκοθεν ἐκ Περσῶν· καὶ γὰρ προσδέχομαι, ἔφη· ἦν οὖν αὐτῷ πέμψης ὅποσα σοι προχωρεῖ, φησὶν, ἦν θεὸς ἀγαθὸν τέλος διδοῖ αὐτῷ, πειράσεσθαι ποιῆσαι ὥστε σε νομίζειν καλῶς βεβουλεῦσθαι χαρισάμενον αὐτῷ. [3.2.30] ταῦτα μὲν ὁ παρ' ἐμοῦ λέξει. τοῖς δὲ παρ' ὑμῶν ὑμεῖς αὐτοὶ ἐπιστέλλετε ὃ τι ὑμῖν σύμφορον δοκεῖ εἶναι. καὶ ἦν μὲν λάβωμεν, ἔφη, παρ' αὐτοῦ, ἀφθονωτέροις χρησόμεθα· ἦν δὲ μὴ λάβωμεν, εἰσόμεθα ὅτι οὐδεμίαν αὐτῷ χάριν ὀφειλομεν, ἀλλ' ἐξέσται ἡμῖν ἐκείνου ἔνεκα πρὸς τὸ ἡμέτερον συμφέρον πάντα τίθεσθαι. [3.2.31] ταῦτ' εἶπεν ὁ Κῦρος, νομίζων τοὺς ἰόντας Ἀρμενίων καὶ Χαλδαίων τοιαῦτα λέξιν περὶ αὐτοῦ οἷα αὐτὸς ἐπεθύμει πάντας ἀνθρώπους καὶ λέγειν καὶ ἀκούειν περὶ αὐτοῦ. καὶ τότε μὲν δὴ, ὅποτε καλῶς εἶχε, διαλύσαντες τὴν σκηνὴν ἀνεπαύοντο.

[3.3.1] Τῇ δ' ὑστεραίᾳ ὃ τε Κῦρος ἔπεμπε τὸν ἄγγελον ἐπιστείλας ὅσαπερ ἔφη καὶ ὁ Ἀρμένιος καὶ οἱ Χαλδαῖοι συνέπεμπον οὓς ἱκανωτάτους ἐνόμιζον εἶναι καὶ συμπράττειν καὶ εἰπεῖν περὶ Κύρου τὰ προσήκοντα. ἐκ δὲ τούτου κατασκευάσας ὁ Κῦρος τὸ φρούριον καὶ φύλαξιν ἱκανοὺς καὶ τοῖς ἐπιτηδείοις πᾶσι καὶ ἄρχοντ' αὐτῶν καταλιπὼν Μῆδον ὃν ὤιετο Κυαξάρῃ ἂν μάλιστα χαρίσασθαι, ἀπήγει συλλαβὴν τὸ στράτευμα ὅσον τε ἦλθεν ἔχων καὶ ὁ παρ' Ἀρμενίων προσέλαβε, καὶ τοὺς παρὰ Χαλδαίων εἰς τετρακισχιλίους, οἱ ὧιοντο καὶ συμπάντων τῶν ἄλλων κρεῖττονες εἶναι. [3.3.2] ὥς δὲ κατέβη εἰς τὴν οἰκουμένην, οὐδεὶς ἔμεινεν ἔνδον Ἀρμενίων οὔτ' ἀνὴρ οὔτε γυνή, ἀλλὰ πάντες ὑπήντων ἡδόμενοι τῇ εἰρήνῃ καὶ φέροντες καὶ ἄγοντες ὃ τι ἕκαστος ἄξιον εἶχε. καὶ ὁ Ἀρμένιος τούτοις οὐκ ἤχθετο, οὕτως ἂν νομίζων καὶ τὸν Κῦρον μᾶλλον ἡδεσθαι τῇ ὑπὸ πάντων τιμῇ. τέλος δὲ ὑπήντησε καὶ ἡ γυνὴ τοῦ Ἀρμενίου, τὰς

θυγατέρας ἔχουσα καὶ τὸν νεώτερον υἱόν, καὶ σὺν ἄλλοις δώροις τὸ χρυσίον ἐκόμιζεν ὁ πρότερον οὐκ ἤλθε λαβεῖν Κῦρος. [3.3.3] καὶ ὁ Κῦρος ἰδὼν εἶπεν· Ὑμεῖς ἐμὲ οὐ ποιήσετε μισθοῦ περίοντα εὐεργετεῖν, ἀλλὰ σύ, ὦ γύναι, ἔχουσα ταῦτα τὰ χρήματα ἃ φέρεις ἅπιθι, καὶ τῷ μὲν Ἀρμενίῳ μηκέτι δῶις αὐτὰ κατορύζαι, ἔκπεμψον δὲ τὸν υἱὸν ὡς κάλλιστα ἀπ' αὐτῶν κατασκευάσασα ἐπὶ τὴν στρατίαν· ἀπὸ δὲ τῶν λοιπῶν κτῶ καὶ σαυτῇ καὶ τῷ ἀνδρὶ καὶ ταῖς θυγατράσι καὶ τοῖς υἱοῖς ὃ τι κεκτημένοι καὶ κοσμήσεσθε κάλλιον καὶ ἥδιον τὸν αἰῶνα διάξετε· εἰς δὲ τὴν γῆν, ἔφη, ἀρκεῖτω τὰ σώματα, ὅταν ἕκαστος τελευτήσῃ, κατακρύπτειν. [3.3.4] ὁ μὲν ταῦτ' εἰπὼν παρήλαυνεν· ὁ δ' Ἀρμένιος συμπρούπεμπε καὶ οἱ ἄλλοι πάντες ἄνθρωποι, ἀνακαλοῦντες τὸν εὐεργέτην, τὸν ἄνδρα τὸν ἀγαθόν· καὶ τοῦτ' ἐποίουν, ἕως ἐκ τῆς χώρας ἐξέπεμψαν. συναπέστειλε δ' αὐτῷ ὁ Ἀρμένιος καὶ στρατίαν πλείονα, ὡς εἰρήνης οἴκοι οὔσης. [3.3.5] οὕτω δὴ ὁ Κῦρος ἀπήιει κεχρηματισμένος οὐχ ἃ ἔλαβε μόνον χρήματα, ἀλλὰ πολλὴν πλείονα τούτων ἡτοιμασμένος διὰ τὸν τρόπον, ὥστε λαμβάνειν ὁπότε δέοιτο. καὶ τότε μὲν ἐστρατοπεδεύσατο ἐν τοῖς μεθορίοις. τῇ δ' ὑστεραίᾳ τὸ μὲν στράτευμα καὶ τὰ χρήματα ἔπεμψε πρὸς Κυαζάρην· ὁ δὲ πλησίον ἦν, ὥσπερ ἔφησεν· αὐτὸς δὲ σὺν Τιγράνῃ καὶ Περσῶν τοῖς ἀρίστοις ἐθήρα ὅπουπερ ἐπιτυγχάνοιεν θηρίοις καὶ ἡφραίνετο.

[3.3.6] Ἐπεὶ δ' ἀφίκετο εἰς Μήδους, τῶν χρημάτων ἔδωκε τοῖς αὐτοῦ ταξιάρχοις ὅσα ἐδόκει ἐκάστω ἱκανὰ εἶναι, ὅπως καὶ ἐκεῖνοι ἔχοιεν τιμᾶν, εἴ τινας ἄγαιντο τῶν ὑφ' ἑαυτοῦς· ἐνόμιζε γάρ, εἰ ἕκαστος τὸ μέρος ἀξίεπαινον ποιήσῃ, τὸ ὅλον αὐτῷ καλῶς ἔχειν. καὶ αὐτὸς δὲ ὃ τι πούκαλὸν ἴδοι ἐς στρατίαν, ταῦτα κτῶμενος διεδωρεῖτο τοῖς ἀεὶ ἀξιωτάτοις, νομίζων ὃ τι καλὸν κ' ἀγαθὸν ἔχει τὸ στράτευμα, τούτοις ἅπασιν αὐτὸς κεκοσμηθῆναι. [3.3.7] ἥνίκα δὲ αὐτοῖς διεδίδου ὧν ἔλαβεν, ἔλεξεν ὧδέ πως εἰς τὸ μέσον τῶν ταξιάρχων καὶ λοχαγῶν καὶ πάντων ὅσους ἐτίμα. Ἄνδρες φίλοι, δοκεῖ ἡμῖν εὐφροσύνη τις νῦν παρεῖναι, καὶ ὅτι εὐπορία τις προσγεγένηται καὶ ὅτι ἔχομεν ἀφ' ὧν τιμᾶν ἔχομεν οὕς ἂν βουλώμεθα καὶ τιμᾶσθαι ὡς ἂν ἕκαστος ἄξιος ᾖ. [3.3.8] πάντως δὴ ἀναμνησκόμεθα τὰ ποτ' ἄττα ἔργα τούτων τῶν ἀγαθῶν ἐστὶν αἷτια· σκοπούμενοι γὰρ εὐρήσετε τό τε ἀγρυπνήσαι ὅπου ἔδει καὶ τὸ πονῆσαι καὶ τὸ σπεῦσαι καὶ τὸ μὴ εἶξαι τοῖς πολεμίοις. οὕτως οὖν χρή καὶ τὸ λοιπὸν ἄνδρας ἀγαθοὺς εἶναι, γινώσκοντας ὅτι τὰς μεγάλας ἡδονὰς καὶ τ' ἀγαθὰ τὰ μεγάλα ἢ

πειθῶ καὶ ἡ καρτερία καὶ οἱ ἐν τῷ καιρῷ πόνοι καὶ κίνδυνοι παρέχονται.

[3.3.9] Κατανοῶν δὲ ὁ Κῦρος ὡς εὖ μὲν αὐτῷ εἶχον τὰ σώματα οἱ στρατιῶται πρὸς τὸ δύνασθαι στρατιωτικούς πόνους φέρειν, εὖ δὲ τὰς ψυχὰς πρὸς τὸ καταφρονεῖν τῶν πολεμίων, ἐπιστήμονες δ' ἦσαν τὰ προσήκοντα τῇ ἐαυτῶν ἑκάστοι ὀπλίσει, καὶ πρὸς τὸ πείθεσθαι δὲ τοῖς ἄρχουσιν ἐώρα πάντας εὖ παρεσκευασμένους, ἐκ τούτων οὖν ἐπεθύμει τι ἤδη τῶν πρὸς τοὺς πολεμίους πράττειν, γινώσκων ὅτι ἐν τῷ μέλλειν πολλάκις τοῖς ἄρχουσι καὶ τῆς καλῆς παρασκευῆς ἀλλοιοῦνται τι. [3.3.10] ἔτι δ' ὁρῶν ὅτι φιλοτίμως ἔχοντες ἐν οἷς ἀντηγωνίζοντο πολλοὶ καὶ ἐπιφθόνως εἶχον πρὸς ἀλλήλους τῶν στρατιωτῶν, καὶ τούτων ἔνεκα ἐξάγειν αὐτοὺς ἐβούλετο εἰς τὴν πολεμίαν ὡς τάχιστα, εἰδὼς ὅτι οἱ κοινοὶ κίνδυνοι φιλοφρόνως ποιοῦσιν ἔχειν τοὺς συμμάχους πρὸς ἀλλήλους, καὶ οὐκέτι ἐν τούτῳ οὔτε τοῖς ἐν ὅπλοις κοσμουμένοις φθονοῦσιν οὔτε τοῖς δόξης ἐφιεμένοις, ἀλλὰ μᾶλλον καὶ ἐπαινοῦσι καὶ ἀσπάζονται οἱ τοιοῦτοι τοὺς ὁμοίους, νομίζοντες συνεργοὺς αὐτοὺς τοῦ κοινοῦ ἀγαθοῦ εἶναι. [3.3.11] οὕτω δὴ πρῶτον μὲν ἐξώπλισε τὴν στρατιὰν καὶ κατέταξεν ὡς ἐδύνατο κάλλιστά τε καὶ ἄριστα, ἔπειτα δὲ συνεκάλεσε μυριάρχους καὶ χιλιάρχους καὶ ταξιάρχους καὶ λοχαγούς. οὗτοι γὰρ ἀπολελυμένοι ἦσαν τοῦ καταλέγεσθαι ἐν τοῖς τακτικοῖς ἀριθμοῖς, καὶ ὁπότε δέοι ἢ ὑπακούειν τῷ στρατηγῷ ἢ παραγγέλλειν τι, οὐδ' ὥς οὐδὲν ἄναρχον κατελείπετο, ἀλλὰ δωδεκαδάρχους καὶ ἐξαδάρχους πάντα τὰ καταλειπόμενα διεκοσμεῖτο. [3.3.12] ἐπεὶ δὲ συνῆλθον οἱ ἐπικαίριοι, παράγων αὐτοὺς ἐπεδείκνυε τε αὐτοῖς τὰ καλῶς ἔχοντα καὶ ἐδίδασκεν ἢ ἑκαστον ἰσχυρῶν ἦν τῶν συμμαχικῶν. ἐπεὶ δὲ κ' ἀκείνους ἐποίησεν ἐρωτικῶς ἔχειν τοῦ ἤδη ποιεῖν τι, εἶπεν αὐτοῖς νῦν μὲν ἀπιέναι ἐπὶ τὰς τάξεις καὶ διδάσκειν ἑκαστον τοὺς ἐαυτοῦ ἅπερ αὐτὸς ἀκείνους, καὶ πειρᾶσθαι αὐτοὺς ἐπιθυμίαν ἐμβαλεῖν πᾶσι τοῦ στρατεύεσθαι, ὅπως εὐθυμότατα πάντες ἐξορμῶντο, πρῶι δὲ παρεῖναι ἐπὶ τὰς Κυαξάρου θύρας. [3.3.13] τότε μὲν δὴ ἀπιόντες οὕτω πάντες ἐποίουν. τῇ δ' ὑστεραίᾳ ἅμα τῇ ἡμέρᾳ παρήσαν οἱ ἐπικαίριοι ἐπὶ θύραις, σὺν τούτοις οὖν ὁ Κῦρος εἰσελθὼν πρὸς τὸν Κυαξάρην ἤρχετο λόγου τοιοῦδε.

Οἶδα μὲν, ἔφη, ὦ Κυαξάρη, ὅτι ἂ μέλλω λέγειν σοὶ πάλαι δοκεῖ οὐδὲν ἥττον ἢ ἡμῖν· ἀλλ' ἴσως αἰσχύνῃ λέγειν ταῦτα, μὴ δοκῆς ἀχθόμενος ὅτι τρέφεις ἡμᾶς ἐξόδου μεμνησθαι. [3.3.14] ἐπεὶ οὖν σὺ

σιωπαῖς, ἐγὼ λέξω καὶ ὑπὲρ σοῦ καὶ ὑπὲρ ἡμῶν. ἡμῖν γὰρ δοκεῖ παῖσιν, ἐπεῖτερ παρεσκευάσμεθα, μὴ ἐπειδὴν ἐμβάλωσιν οἱ πολέμιοι εἰς τὴν σὴν χώραν, τότε μάχεσθαι, μηδ' ἐν τῇ φιλίας καθημένους ἡμᾶς ὑπομένειν, ἀλλ' ἰέναι ὡς τάχιστα εἰς τὴν πολεμίαν. [3.3.15] νῦν μὲν γὰρ ἐν τῇ σῇ χώρᾳ ὄντες πολλὰ τῶν σῶν σινόμεθα ἄκοντες· ἦν δ' εἰς τὴν πολεμίαν ἴωμεν, τὰ ἐκείνων κακῶς ποιήσομεν ἠδόμενοι. [3.3.16] ἔπειτα νῦν μὲν σὺ ἡμᾶς τρέφεις πολλὰ δαπανῶν, ἦν δ' ἐκστρατευσώμεθα θρεψόμεθα ἐκ τῆς πολεμίας. [3.3.17] ἔτι δὲ εἰ μὲν μείζων τις ἡμῖν ὁ κίνδυνος ἔμελλεν εἶναι ἐκεῖ ἢ ἐνθάδε, ἴσως τὸ ἀσφαλέστατον ἦν αἰρετέον. νῦν δὲ ἴσοι μὲν ἐκείνοι ἔσονται, ἦν τε ἐνθάδε ὑπομένωμεν ἦν τε εἰς τὴν ἐκείνων ἰόντες ὑπαντῶμεν αὐτοῖς· ἴσοι δὲ ἡμεῖς ὄντες μαχούμεθα, ἦν τε ἐνθάδε ἐπιόντας αὐτοὺς δεχώμεθα ἦν τε ἐπ' ἐκείνους ἰόντες τὴν μάχην συνάπτωμεν. [3.3.18] πολὺ μέντοι ἡμεῖς βελτίοσι καὶ ἔρρωμενεστέραις ταῖς ψυχαῖς τῶν στρατιωτῶν χρησόμεθα, ἦν ἴωμεν ἐπὶ τοὺς ἐχθροὺς καὶ μὴ ἄκοντες ὁρᾶν δοκῶμεν τοὺς πολεμίους· πολὺ δὲ κ' ἀκεῖνοι μᾶλλον ἡμᾶς φοβήσονται, ὅταν ἀκούσωσιν ὅτι οὐ φοβούμενοι πτήσσομεν αὐτοὺς οἴκοι καθήμενοι, ἀλλ' ἐπεὶ αἰσθανόμεθα προσιόντας, ἀπαντῶμέν τε αὐτοῖς, ἴν' ὡς τάχιστα συμμείξωμεν, καὶ οὐκ ἀναμένομεν ἕως ἂν ἡ ἡμετέρα χώρα κακῶται, ἀλλὰ φθάνοντες ἤδη δημιουργοῦμεν τὴν ἐκείνων γῆν. [3.3.19] καίτοι, ἔφη, εἴ τι ἐκείνους μὲν φοβερωτέρους ποιήσομεν, ἡμᾶς δ' αὐτοὺς θαρραλεωτέρους, πολὺ τοῦτο ἡμῖν ἐγὼ πλεονέκτημα νομίζω, καὶ τὸν κίνδυνον οὕτως ἡμῖν μὲν ἐλάττω λογίζομαι, τοῖς δὲ πολεμίοις μείζω. πολὺ γὰρ μᾶλλον, <ὥς> καὶ ὁ πατήρ αἰεὶ λέγει καὶ σὺ φῆς, καὶ οἱ ἄλλοι δὲ πάντες ὁμολογοῦσιν ὡς αἱ μάχαι κρίνονται μᾶλλον ταῖς ψυχαῖς ἢ ταῖς τῶν σωμάτων ῥώμας. [3.3.20] ὁ μὲν οὕτως εἶπε· Κυαξάρης δὲ ἀπεκρίνατο· Ἀλλ' ὅπως μὲν, ὦ Κῦρε καὶ οἱ ἄλλοι Πέρσαι, ἐγὼ ἄχθομαι ὑμᾶς τρέφων μηδ' ὑπονοεῖτε· τό γε μέντοι ἰέναι εἰς τὴν πολεμίαν ἤδη καὶ ἐμοὶ δοκεῖ βέλτιον εἶναι πρὸς πάντα. Ἐπεὶ τοίνυν, ἔφη ὁ Κῦρος, ὁμογνωμονοῦμεν, συσκευαζώμεθα καὶ ἦν τὰ τῶν θεῶν ἡμῖν θάττον συγκαταινῇ, ἐξίωμεν ὡς τάχιστα.

[3.3.21] Ἐκ τούτου τοῖς μὲν στρατιώταις εἶπον συσκευάζεσθαι· ὁ δὲ Κῦρος ἔθυε πρῶτον μὲν Διὶ βασιλεῖ, ἔπειτα δὲ καὶ τοῖς ἄλλοις θεοῖς, οὓς ἡγεῖτο ἵλεως καὶ εὐμενεῖς ὄντας ἡγεμόνας <ἂν> γενέσθαι τῇ στρατιᾷ καὶ παραστάτας ἀγαθοὺς καὶ συμμάχους καὶ συμβούλους τῶν ἀγαθῶν. συμπαρεκάλει δὲ καὶ ἥρωας γῆς Μηδίας οἰκήτορας καὶ κηδεμόνας. [3.3.22] ἐπεὶ δ' ἐκαλλιέργησέ τε καὶ ἀθρόον ἦν αὐτῷ τὸ

στράτευμα πρὸς τοῖς ὀρίοις, τότε δὴ οἰωνοῖς χρησάμενος αἰσίοις ἐνέβαλεν εἰς τὴν πολεμίαν. ἐπεὶ δὲ τάχιστα διέβη τὰ ὄρια, ἐκεῖ αὖ καὶ Γῆν ἱλάσκετο χοαῖς καὶ θεοὺς θυσίαις καὶ ἥρωας Ἀσσυρίας οἰκήτορας ἠὺμενίζετο. ταῦτα δὲ ποιήσας αὐθις Διὶ πατρώϊω ἔθυε, καὶ εἴ τις ἄλλος θεῶν ἀνεφαίνετο, οὐδενὸς ἡμέλει.

[3.3.23] Ἐπεὶ δὲ καλῶς ταῦτα εἶχεν, εὐθὺς τοὺς μὲν πεζοὺς προαγαγόντες οὐ πολλὴν ὁδὸν ἐστρατοπεδεύοντο, τοῖς δ' ἵπποις καταδρομὴν ποιησάμενοι περιεβάλοντο πολλὴν καὶ παντοίαν λείαν. καὶ τὸ λοιπὸν δὲ μεταστρατοπεδευόμενοι καὶ ἔχοντες ἄφθονα τὰ ἐπιτήδεια καὶ δηιοῦντες τὴν χώραν ἀνέμενον τοὺς πολεμίους. [3.3.24] ἡνίκα δὲ προσιόντες ἐλέγοντο οὐκέτι δέχ' ἡμερῶν ὁδὸν ἀπέχειν, τότε δὴ ὁ Κῦρος λέγει· ὦ Κυαζάρη, ὥρα δὴ ἀπαντᾶν καὶ μήτε τοῖς πολεμίοις δοκεῖν μήτε τοῖς ἡμετέροις φοβουμένους μὴ ἀντιπροσιέναι, ἀλλὰ δῆλοι ὦμεν ὅτι οὐκ ἄκοντες μαχοῦμεθα. [3.3.25] ἐπεὶ δὲ ταῦτα συνέδοξε τῷ Κυαζάρη, οὕτω δὴ συντεταγμένοι προῆσαν τοσοῦτον καθ' ἡμέραν ὅσον ἐδόκει αὐτοῖς καλῶς ἔχειν. καὶ δεῖπνον μὲν αἰεὶ κατὰ φῶς ἐποιοῦντο, πυρὰ δὲ νύκτωρ οὐκ ἔκαιον ἐν τῷ στρατοπέδῳ· ἔμπροσθεν μέντοι τοῦ στρατοπέδου ἔκαιον, ὅπως ὁρῶιεν μὲν εἴ τινες νυκτὸς προσίοιεν διὰ τὸ πῦρ, μὴ ὁρῶντο δ' ὑπὸ τῶν προσιόντων. πολλάκις δὲ καὶ ὀπισθεν τοῦ στρατοπέδου ἐπυρπόλουν ἀπάτης ἕνεκα τῶν πολεμίων. ὥστ' ἔστιν ὅτε καὶ κατάσκοποι ἐνέπιπτον εἰς τὰς προφυλακὰς αὐτῶν, διὰ τὸ ὀπισθεν τὰ πυρὰ εἶναι ἔτι πρόσω τοῦ στρατοπέδου οἰόμενοι εἶναι.

[3.3.26] Οἱ μὲν οὖν Ἀσσύριοι καὶ οἱ σὺν αὐτοῖς, ἐπεὶ ἤδη ἐγγὺς ἀλλήλων τὰ στρατεύματα ἐγίνοντο, τάφρον περιεβάλοντο, ὅπερ καὶ νῦν ἔτι ποιοῦσιν οἱ βάρβαροι βασιλεῖς, ὅπου ἂν στρατοπεδεύωνται, τάφρον περιβάλλονται εὐπετῶς διὰ τὴν πολυχειρίαν· ἴσασι γὰρ ὅτι ἱππικὸν στράτευμα ἐν νυκτὶ ταραχῶδές ἐστι καὶ δύσχρηστον ἄλλως τε καὶ βάρβαρον. [3.3.27] πεποδισμένους γὰρ ἔχουσι τοὺς ἵππους ἐπὶ ταῖς φάτναις, καὶ εἴ τις ἐπ' αὐτοὺς ἴοι, ἔργον μὲν νυκτὸς λῦσαι ἵππους, ἔργον δὲ χαλινῶσαι, ἔργον δ' ἐπισάξαι, ἔργον δὲ θωρακίσασθαι, ἀναβάντας δ' ἐφ' ἵππων ἐλάσαι διὰ στρατοπέδου παντάπασιν ἀδύνατον. τούτων δὴ ἕνεκα πάντων καὶ οἱ ἄλλοι καὶ ἐκεῖνοι τὰ ἐρύματα περιβάλλονται, καὶ ἅμα αὐτοῖς δοκεῖ τὸ ἐν ἐχυρῷ εἶναι ἐξουσίαν παρέχειν ὅταν βούλωνται μάχεσθαι. [3.3.28] τοιαῦτα μὲν δὴ ποιοῦντες ἐγγὺς ἀλλήλων ἐγίνοντο. ἐπεὶ δὲ προσιόντες ἀπεῖχον ὅσον παρασάγγην, οἱ μὲν Ἀσσύριοι οὕτως

ἐστρατοπεδεύοντο ὥσπερ εἴρηται, ἐν περιτεταφρευμένῳ μὲν καταφανεῖ δέ, ὁ δὲ Κῦρος ὡς ἐδύνατο ἐν ἀφανεστάτῳ, κώμας τε καὶ γηλόφους ἐπίπροσθεν ποιησάμενος, νομίζων πάντα τὰ πολέμια ἐξαίφνης ὀρώμενα φοβερώτερα τοῖς ἐναντίοις εἶναι. καὶ ἐκείνην μὲν τὴν νύκτα ὥσπερ ἔπρεπε προφυλακὰς ποιησάμενοι ἑκάτεροι ἐκοιμήθησαν.

[3.3.29] Τῇ δ' ὑστεραίᾳ ὁ μὲν Ἀσσύριος καὶ ὁ Κροῖσος καὶ οἱ ἄλλοι ἡγεμόνες ἀνέπαυον τὰ στρατεύματα ἐν τῷ ἐχυρῷ· Κῦρος δὲ καὶ Κυαξάρης συνταξάμενοι περιέμενον, ὡς εἰ προσίοιεν οἱ πολέμιοι, μαχούμενοι. ὡς δὲ δῆλον ἐγένετο ὅτι οὐκ ἐξίοιεν οἱ πολέμιοι ἐκ τοῦ ἐρύματος οὐδὲ μάχην ποιήσονται ἐν ταύτῃ τῇ ἡμέρᾳ, ὁ μὲν Κυαξάρης καλέσας τὸν Κῦρον καὶ τῶν ἄλλων τοὺς ἐπικαιρίους ἔλεξε τοιάδε· [3.3.30] Δοκεῖ μοι, ἔφη, ὦ ἄνδρες, ὥσπερ τυγχάνομεν συντεταγμένοι οὕτως ἵεναι πρὸς τὸ ἔρυμα τῶν ἀνδρῶν καὶ δηλοῦν ὅτι θέλομεν μάχεσθαι. οὕτω γάρ, ἔφη, ἐὰν μὴ ἀντεπεξίσωσιν ἐκεῖνοι, οἱ μὲν ἡμέτεροι μᾶλλον θαρρήσαντες ἀπίασιν, οἱ πολέμιοι δὲ τὴν τόλμαν ἰδόντες ἡμῶν μᾶλλον φοβήσονται. τούτῳ μὲν οὕτως ἐδόκει. [3.3.31] ὁ δὲ Κῦρος, Μηδαμῶς, ἔφη, πρὸς τῶν θεῶν, ὦ Κυαξάρη, οὕτω ποιήσωμεν. εἰ γὰρ ἤδη ἐκφανέντες πορευσόμεθα, ὡς σὺ κελεύεις, νῦν τε προσιόντας ἡμᾶς οἱ πολέμιοι θεάσσονται οὐδὲν φοβούμενοι, εἰδότες ὅτι ἐν ἀσφαλεῖ εἰσι τοῦ μηδὲν παθεῖν, ἐπειδὴν τε μηδὲν ποιήσαντες ἀπίωμεν, πάλιν καθορῶντες ἡμῶν τὸν πλῆθος πολὺ ἐνδεέστερον τοῦ ἑαυτῶν καταφρονήσουσι, καὶ αὖριον ἐξίασι πολὺ ἐρρωμενεστέραις ταῖς γνώμαις. [3.3.32] νῦν δ', ἔφη, εἰδότες μὲν ὅτι πάρεσμεν, οὐχ ὀρῶντες δὲ ἡμᾶς, εὖ τοῦτο ἐπίστω, οὐ καταφρονοῦσιν, ἀλλὰ φροντίζουσι τί ποτε τοῦτ' ἔστι, καὶ διαλεγόμενοι περὶ ἡμῶν ἐγὼ δ' ὅτι οὐδὲν παύονται. ὅταν δ' ἐξίσωσι, τότε δεῖ αὐτοῖς ἅμα φανεροὺς τε ἡμᾶς γενέσθαι καὶ ἵεναι εὐθὺς ὁμόσε, εἰληφότας αὐτοὺς ἔνθα πάλα ἐβουλόμεθα. [3.3.33] λέξαντος δ' οὕτω Κύρου συνέδοξε ταῦτα καὶ Κυαξάρη καὶ τοῖς ἄλλοις. καὶ τότε μὲν δειπνοποιησάμενοι καὶ φυλακὰς καταστησάμενοι καὶ πυρὰ πολλὰ πρὸ τῶν φυλακῶν καύσαντες ἐκοιμήθησαν. [3.3.34] τῇ δ' ὑστεραίᾳ πρῶι Κῦρος μὲν ἐστεφανωμένος ἔθυε, παρήγγειλε δὲ καὶ τοῖς ἄλλοις ὁμοτίμοις ἐστεφανωμένοις πρὸς τὰ ἱερὰ παρεῖναι. ἐπεὶ δὲ τέλος εἶχεν ἡ θυσία, συγκαλέσας αὐτοὺς ἔλεξεν· Ἄνδρες, οἱ μὲν θεοί, ὡς οἳ τε μάντις φασὶ καὶ ἐμοὶ συνδοκεῖ, μάχην τ' ἔσεσθαι προαγγέλλουσι καὶ νίκην διδόασιν καὶ σωτηρίαν ὑπισχνοῦνται ἐν τοῖς

ἱεροῖς. [3.3.35] ἐγὼ δὲ ὑμῖν μὲν παραινῶν ποίους τινὰς χρή εἶναι ἐν τῷ τοιῷδε κἂν αἰσχυνοίμην ἄν· οἶδα γὰρ ὑμᾶς ταῦτα ἐπισταμένους καὶ μεμελετηκότας καὶ ἀσκοῦντας διὰ τέλους οἷάπερ ἐγώ, ὥστε κἂν ἄλλους εἰκότως ἂν διδάσκοιτε. τάδε δὲ εἰ μὴ τυγχάνετε κατανενοηκότες, ἀκούσατε· [3.3.36] οὓς γὰρ νεωστὶ συμμάχους τε ἔχομεν καὶ πειρώμεθα ἡμῖν αὐτοῖς ὁμοίους ποιεῖν, τούτους δὲ ἡμᾶς δεῖ ὑπομιμνήσκειν ἐφ' οἷς τε ἐτρεφόμεθα ὑπὸ Κρυζάρου, ᾧ τε ἡσκοῦμεν, ἐφ' ᾧ τε αὐτοὺς παρακεκλήκαμεν, ὧν τε ἄσμενοι ἀνταγωνισταὶ ἔφασαν ἡμῖν ἔσεσθαι. [3.3.37] καὶ τοῦτο δ' αὐτοὺς ὑπομιμνήσκετε ὅτι ἥδε ἡ ἡμέρα δείξει ὧν ἕκαστός ἐστιν ἄξιος. ὧν γὰρ ἂν ὀψιμαθεῖς ἄνθρωποι γένωνται, οὐδὲν θαυμαστὸν εἴ τις αὐτῶν καὶ τοῦ ὑπομιμνήσκοντος δέοιντο, ἀλλ' ἀγαπητὸν εἰ καὶ ἐξ ὑποβολῆς δύναιτο ἄνδρες ἀγαθοὶ εἶναι. [3.3.38] καὶ ταῦτα μέντοι πράττοντες ἅμα καὶ ὑμῶν αὐτῶν πείραν λήψεσθε. ὁ μὲν γὰρ δυνάμενος ἐν τῷ τοιῷδε καὶ ἄλλους βελτίους ποιεῖν εἰκότως ἂν ἤδη καὶ ἐαυτῷ συνειδείῃ τελέως ἀγαθὸς ἀνὴρ ὧν, ὁ δὲ τὴν τούτων ὑπόμνησιν αὐτὸς μόνος ἔχων καὶ τοῦτ' ἀγαπῶν, εἰκότως ἂν ἡμιτελῆ αὐτὸν νομίζοι. [3.3.39] τούτου δ' ἔνεκα οὐκ ἐγώ, ἔφη, αὐτοῖς λέγω, ἀλλ' ὑμᾶς κελεύω λέγειν, ἵνα καὶ ἀρέσκειν ὑμῖν πειρῶνται· ὑμεῖς γὰρ καὶ πλησιάζετε αὐτοῖς ἕκαστος τῷ ἑαυτοῦ μέρει. εὖ δ' ἐπίστασθε ὡς ἦν θαρροῦντας τούτοις ὑμᾶς αὐτοὺς ἐπιδεικνύετε, καὶ τούτους καὶ ἄλλους πολλοὺς οὐ λόγῳ ἀλλ' ἔργῳ θαρρεῖν διδάξετε. [3.3.40] τέλος εἶπεν ἀπιόντας ἀριστᾶν ἐστεφανωμένους καὶ σπονδὰς ποιησαμένους ἤκειν εἰς τὰς τάξεις αὐτοῖς στεφάνοις. ἐπεὶ δ' ἀπῆλθον, αὐθις τοὺς οὐραγοὺς προσεκάλεσε, καὶ τούτοις τοιάδε ἐνετέλλετο.

[3.3.41] Ἄνδρες Πέρσαι, ὑμεῖς καὶ τῶν ὁμοτίμων γεγόνατε καὶ ἐπιλεγμένοι ἐστέ, οἱ δοκεῖτε τὰ μὲν ἄλλα τοῖς κρατίστοις ὅμοιοι εἶναι, τῇ δ' ἡλικίᾳ καὶ φρονιμώτεροι. καὶ τοίνυν χώραν ἔχετε οὐδὲν ἥττον ἐντιμον τῶν πρωτοστατῶν· ὑμεῖς γὰρ ὀπισθεν ὄντες τοὺς τ' ἀγαθοὺς ἂν ἐφορῶντες καὶ ἐπικελεύοντες αὐτοῖς ἔτι κρείττους ποιοῖτε, καὶ εἴ τις μαλακίζοιτο, καὶ τοῦτον ὀρῶντες οὐκ ἂν ἐπιτρέποιτε αὐτῷ. [3.3.42] συμφέρεي δ' ὑμῖν, εἴπερ τῷ καὶ ἄλλῳ, τὸ νικᾶν καὶ διὰ τὴν ἡλικίαν καὶ διὰ τὸ βάρος τῆς στολῆς. ἦν δ' ἄρα ὑμᾶς καὶ οἱ ἔμπροσθεν ἀνακαλοῦντες ἔπεσθαι παρεγγυῶσιν, ὑπακούετε αὐτοῖς, καὶ ὅπως μὴδ' ἐν τούτῳ αὐτῶν ἡττηθήσεσθε, ἀντιπαρακελεύόμενοι αὐτοῖς θάττον ἡγεῖσθαι ἐπὶ τοὺς πολεμίους. καὶ ἀπιόντες, ἔφη, ἀριστήσαντες καὶ ὑμεῖς ἦκετε σὺν τοῖς ἄλλοις

ἔστεφανωμένοι ἐς τὰς τάξεις. [3.3.43] οἱ μὲν δὲ ἀμφὶ Κῦρον ἐν τούτοις ἦσαν· οἱ δὲ Ἀσσύριοι καὶ δὴ ἡρισθηκότες ἐξήρισαν τε θρασέως καὶ παρετάττοντο ἐρρωμένως. παρέταττε δὲ αὐτοὺς αὐτὸς ὁ βασιλεὺς ἐφ' ἄρματος παρελαύνων καὶ τοιάδε παρεκελεύετο.

[3.3.44] Ἄνδρες Ἀσσύριοι, νῦν δεῖ ἄνδρας ἀγαθοὺς εἶναι· νῦν γὰρ ὑπὲρ ψυχῶν τῶν ὑμετέρων ἀγὼν καὶ ὑπὲρ γῆς ἐν ἣ ἔφυτε καὶ [περὶ] οἴκων ἐν οἷς ἐτράφητε, καὶ ὑπὲρ γυναικῶν τε καὶ τέκνων καὶ περὶ πάντων ὧν πέπασθε ἀγαθῶν. νικήσαντες μὲν γὰρ ἀπάντων τούτων ὑμεῖς ὥσπερ πρόσθεν κύριοι ἔσεσθω· εἰ δ' ἡττηθήσεσθε, εὖ ἴστε ὅτι παραδώσετε ταῦτα πάντα τοῖς πολεμίοις. [3.3.45] ἅτε οὖν νίκης ἐρῶντες μένοντες μάχεσθε. μῶρον γὰρ τὸ κρατεῖν βουλομένους τὰ τυφλὰ τοῦ σώματος καὶ ἄοπλα καὶ ἄχειρα ταῦτα ἐναντία τάττειν τοῖς πολεμίοις φεύγοντας· μῶρος δὲ καὶ εἴ τις ζῆν βουλόμενος φεύγειν ἐπιχειροίη, εἰδὼς ὅτι οἱ μὲν νικῶντες σώζονται, οἱ δὲ φεύγοντες ἀποθνήσκουσι μᾶλλον τῶν μενόντων· μῶρος δὲ καὶ εἴ τις χρημάτων ἐπιθυμῶν ἦτταν προσίεται. τίς γὰρ οὐκ οἶδεν ὅτι οἱ μὲν νικῶντες τά τε ἑαυτῶν σώζουσι καὶ τὰ τῶν ἡττωμένων προσλαμβάνουσιν, οἱ δὲ ἡττώμενοι ἅμα ἑαυτοὺς τε καὶ τὰ ἑαυτῶν πάντα ἀποβάλλουσιν; ὁ μὲν δὴ Ἀσσύριος ἐν τούτοις ἦν.

[3.3.46] Ὁ δὲ Κυαζάρης πέμπων πρὸς τὸν Κῦρον ἔλεγεν ὅτι ἤδη καιρὸς εἶη ἄγειν ἐπὶ τοὺς πολεμίους· εἰ γὰρ νῦν, ἔφη, ἔτι ὀλίγοι εἰσὶν οἱ ἔξω τοῦ ἐρύματος, ἐν ᾧ ἂν προσίωμων πολλοὶ ἔσονται· μὴ οὖν ἀναμείνωμεν ἕως ἂν πλείους ἡμῶν γένωνται. ἀλλ' ἴωμεν ἕως ἔτι οἰόμεθα εὐπετῶς ἂν αὐτῶν κρατῆσαι. [3.3.47] ὁ δ' αὖ Κῦρος ἀπεκρίνατο· ὦ Κυαζάρη, εἰ μὴ ὑπὲρ ἡμῖν αὐτῶν ἔσονται οἱ ἡττηθέντες, εὖ ἴσθι ὅτι ἡμᾶς μὲν ἐροῦσι φοβουμένους τὸ πλῆθος τοῖς ὀλίγοις ἐπιχειρῆσαι, αὐτοὶ δὲ οὐ νομιοῦσιν ἡττηθῆσαι, ἀλλ' ἄλλης σοι μάχης δεήσει, ἐν ἣ ἄμεινον ἂν ἴσως βουλεύσαιντο ἢ νῦν βεβούλευνται, παραδόντες ἑαυτοὺς ἡμῖν ταμιεύεσθαι ὥσθ' ὁπόσοις ἂν βουλώμεθα αὐτῶν μάχεσθαι. [3.3.48] οἱ μὲν δὴ ἄγγελοι ταῦτ' ἀκούσαντες ὥιχοντο.

Ἐν τούτῳ δὲ ἦκε Χρυσάντας ὁ Πέρσης καὶ ἄλλοι τινὲς τῶν ὁμοτίμων αὐτομόλους ἄγοντες. καὶ ὁ Κῦρος ὥσπερ εἰκὸς ἡρώτα τοὺς αὐτομόλους τὰ ἐκ τῶν πολεμίων. οἱ δ' ἔλεγον ὅτι ἐξίoiέν τε ἤδη σὺν τοῖς ὅπλοις καὶ παρατάττοι αὐτοὺς αὐτὸς ὁ βασιλεὺς ἔξω ὦν καὶ παρακελεύοιτο μὲν δὴ τοῖς αἰεὶ ἔξω οὔσι πολλὰ τε καὶ ἰσχυρά, ὥς ἔφασαν λέγειν τοὺς ἀκούοντας. [3.3.49] ἔνθα δὴ ὁ Χρυσάντας εἶπε· Τί

δ', ἔφη, ὦ Κῦρε, εἰ καὶ σὺ συγκαλέσας ἕως ἔτι ἔξεστι παρακελεύσαιο, εἰ ἄρα τι καὶ σὺ ἀμείνους ποιήσῃς τοὺς στρατιώτας; [3.3.50] καὶ ὁ Κῦρος εἶπεν· ὦ Χρυσάντα, μηδέν σε λυπούντων αἱ τοῦ Ἀσσυρίου παρακελεύσεις· οὐδεμία γάρ ἐστιν οὕτω καλὴ παραίνεσις ἣτις τοὺς μὴ ὄντας ἀγαθοὺς αὐθημερὸν ἀκούσαντας ἀγαθοὺς ποιήσει· οὐκ ἂν οὖν τοξότας γε, εἰ μὴ ἔμπροσθεν τοῦτο μεμελετηκότες εἶεν, οὐδὲ μὴν ἀκοντιστάς, οὐδὲ μὴν ἱππέας, ἀλλ' οὐδὲ μὴν τά γε σώματα ἱκανοὺς πονεῖν, ἣν μὴ πρόσθεν ἡσκηκότες ὦσι. [3.3.51] καὶ ὁ Χρυσάντας εἶπεν· Ἀλλ' ἄρκεϊ τοι, ὦ Κῦρε, ἦν τὰς ψυχὰς αὐτῶν ἀμείνοντας παρακελευσάμενος ποιήσῃς. Ἥ καὶ δύναιτ' ἂν, ἔφη ὁ Κῦρος, εἰς λόγος ῥηθεὶς αὐθημερὸν αἰδοῦς μὲν ἐμπλῆσαι τὰς ψυχὰς τῶν ἀκουόντων, ἢ ἀπὸ τῶν αἰσχυρῶν κωλύσαι, προτρέψαι δὲ ὡς χρὴ ἐπαίνου μὲν ἔνεκα πάντα μὲν πόνον, πάντα δὲ κίνδυνον ὑποδύεσθαι, λαβεῖν δ' ἐν ταῖς γνώμαις βεβαίως τοῦτο ὡς αἰρετώτερόν ἐστι μαχομένους ἀποθνήσκειν μᾶλλον ἢ φεύγοντας σώζεσθαι; [3.3.52] ἄρ' οὐκ, ἔφη, εἰ μέλλουσι τοιαῦτα διάνοιαι ἐγγραφῆσεσθαι ἀνθρώποις καὶ ἔμμονοι ἔσεσθαι, πρῶτον μὲν νόμους ὑπάρξαι δεῖ τοιούτους δι' ὧν τοῖς μὲν ἀγαθοῖς ἔντιμος καὶ ἐλευθέριος ὁ βίος παρασκευασθῇσεται, τοῖς δὲ κακοῖς ταπεινός τε καὶ ἀλγεινός καὶ ἀβίωτος ὁ αἰὼν ἐπανακείσεται; [3.3.53] ἔπειτα διδασκάλους οἶμαι δεῖ καὶ ἄρχοντας ἐπὶ τούτοις γενέσθαι οἱ τινες δεῖξουσὶ τε ὀρθῶς καὶ διδάξουσιν καὶ ἐθιοῦσιν ταῦτα δρᾶν, ἔστ' ἂν ἐγγένηται αὐτοῖς τοὺς μὲν ἀγαθοὺς καὶ εὐκλεεῖς εὐδαιμονεστάτους τῶι ὄντι νομίζειν, τοὺς δὲ κακοὺς καὶ δυσκλεεῖς ἀθλιωτάτους ἀπάντων ἡγεῖσθαι. οὕτω γὰρ δεῖ διατεθῆναι τοὺς μέλλοντας τοῦ ἀπὸ τῶν πολεμίων φόβου τὴν μάθησιν κρεῖττονα παρέξεσθαι. [3.3.54] εἰ δέ τοι ἰόντων εἰς μάχην σὺν ὅπλοις, ἐν ᾧ πολλοὶ καὶ τῶν παλαιῶν μαθημάτων ἐξίστανται, ἐν τούτῳ δυνήσεταιί τις ἀπορραψωιδήσας παραχρῆμα ἄνδρας πολεμικοὺς ποιῆσαι, πάντων ἂν ῥᾷστον εἴη καὶ μαθεῖν καὶ διδάξαι τὴν μεγίστην τῶν ἐν ἀνθρώποις ἀρετὴν. [3.3.55] ἐπεὶ ἔγωγ', ἔφη, οὐδ' ἂν τούτοις ἐπίστευον ἐμμόνοις ἔσεσθαι οὓς νῦν ἔχοντες παρ' ἡμῖν αὐτοῖς ἡσκοῦμεν, εἰ μὴ καὶ ὑμᾶς ἐώρων παρόντας, οἱ καὶ παράδειγμα αὐτοῖς ἔσεσθε οἷους χρὴ εἶναι καὶ ὑποβαλεῖν δυνήσεσθε, ἦν τι ἐπιλανθάνωνται. τοὺς δ' ἀπαιδεύτους παντάπασιν ἀρετῆς θαυμάζοιμ' ἂν, ἔφη, ὦ Χρυσάντα, εἴ τι πλεον ἂν ὠφελήσῃε λόγος καλῶς ῥηθεὶς εἰς ἀνδραγαθίαν ἢ τοὺς ἀπαιδεύτους μουσικῆς αἴσιμα καλῶς αἰσθὲν εἰς μουσικὴν.

[3.3.56] Οἱ μὲν ταῦτα διελέγοντο. ὁ δὲ Κναζάρης πάλιν πέμπων ἔλεγεν ὅτι ἐξαμαρτάνοι διατρίβων καὶ οὐκ ἄγων ὡς τάχιστα ἐπὶ τοὺς πολεμίους. καὶ ὁ Κῦρος ἀπεκρίνατο δὴ τότε τοῖς ἀγγέλοις· Ἄλλ' εὖ μὲν ἴστω, ἔφη, ὅτι οὐπω εἰσὶν ἕξω ὅσους δεῖ· καὶ ταῦτα ἀπαγγέλλετε αὐτῶι ἐν ἅπασιν· ὁμως δέ, ἐπεὶ ἐκείνῳι δοκεῖ, ἄζω ἤδη. [3.3.57] ταῦτ' εἰπὼν καὶ προσευξάμενος τοῖς θεοῖς ἐξῆγε τὸ στράτευμα. ὡς δ' ἤρξατο ἄγειν, ἤδη θᾶπτον ἡγεῖτο, οἱ δ' εἶποντο εὐτάκτως μὲν διὰ τὸ ἐπίστασθαι τε καὶ μεμελετηκέναι ἐν τάξει πορεύεσθαι, ἐρρωμένως δὲ διὰ τὸ φιλονίκως ἔχειν πρὸς ἀλλήλους καὶ διὰ τὸ τὰ σώματα ἐκπεπονησθαι καὶ διὰ τὸ πάντας ἄρχοντας τοὺς πρωτοστάτας εἶναι, ἡδέως δὲ διὰ τὸ φρονίμως ἔχειν· ἠπίσταντο γὰρ καὶ ἐκ πολλοῦ οὕτως ἐμεμαθήκεσαν ἀσφαλέστατον εἶναι καὶ ρᾶιστον τὸ ὁμόσε ἰέναι τοῖς πολεμίῳις, ἄλλως τε καὶ τοξόταις καὶ ἀκοντισταῖς καὶ ἰππεῦσιν. [3.3.58] ἕως δ' ἔτι ἕξω βελῶν ἦσαν, παρηγγύα ὁ Κῦρος σύνθημα Ζεὺς σύμμαχος καὶ ἡγεμών. ἐπεὶ δὲ πάλιν ἦκε τὸ σύνθημα ἀνταποδιδόμενον, ἐξῆρχεν αὐτὸς ὁ Κῦρος παιᾶνα τὸν νομιζόμενον· οἱ δὲ θεοσεβῶς πάντες συνεπήχησαν μεγάλῃ τῇ φωνῇ· ἐν τῷ τοιούτῳ γὰρ δὴ οἱ δεισιδαίμονες ἤττον τοὺς ἀνθρώπους φοβοῦνται. [3.3.59] ἐπεὶ δ' ὁ παιᾶν ἐγένετο, ἅμα πορευόμενοι οἱ ὁμότιμοι φαιδροὶ [πεπαιδευμένοι] καὶ παρορῶντες εἰς ἀλλήλους, ὀνομάζοντες παραστάτας, ἐπιστάτας, λέγοντες πολλὸν τὸ Ἄγετ' ἄνδρες φίλοι, Ἄγετ' ἄνδρες ἀγαθοί, παρεκάλουν ἀλλήλους ἔπεσθαι. οἱ δ' ὀπισθεν αὐτῶν ἀκούσαντες ἀντιπαρεκελεύοντο τοῖς πρώτοις ἡγεῖσθαι ἐρρωμένως. ἦν δὲ μεστὸν τὸ στράτευμα τῷ Κύρῳ προθυμίας, φιλοτιμίας, ρώμης, θάρρους, παρακελευσμοῦ, σωφροσύνης, πειθοῦς, ὅπερ οἶμαι δεινότατον τοῖς ὑπεναντίοις. [3.3.60] τῶν δ' Ἀσσυρίων οἱ μὲν ἀπὸ τῶν ἀρμάτων προμαχοῦντες, ὡς ἐγγὺς ἤδη προσεμίνγνυε τὸ Περσικὸν πλῆθος, ἀνέβαινόν τε ἐπὶ τὰ ἅρματα καὶ ὑπεξῆγον πρὸς τὸ ἐαυτῶν πλῆθος· οἱ δὲ τοξόται καὶ ἀκοντισταὶ καὶ σφενδονῆται αὐτῶν ἀφίεσαν τὰ βέλη πολλὸν πρὶν ἐξικνεῖσθαι. [3.3.61] ὡς δ' ἐπίοντες οἱ Πέρσαι ἐπέβησαν τῶν ἀφειμένων βελῶν, ἐφθέγγατο δὴ ὁ Κῦρος· Ἄνδρες ἄριστοι, ἤδη θᾶπτόν τις ἰὼν ἐπιδεικνύτω ἐαυτὸν καὶ παρεγγυάτω. οἱ μὲν δὴ παρεδίδοσαν· ὑπὸ δὲ προθυμίας καὶ μένους καὶ τοῦ σπεύδειν συμμεῖξαι δρόμου τινὲς ἤρξαν, συνεφείπετο δὲ καὶ πᾶσα ἡ φάλαγξ δρόμῳι. [3.3.62] καὶ αὐτὸς δὲ ὁ Κῦρος ἐπιλαθόμενος τοῦ βάδην δρόμῳι ἡγεῖτο, καὶ ἅμα ἐφθέγγετο Τίς ἔψεται; Τίς ἀγαθός; Τίς ἄνδρα πρῶτος καταβαλεῖ; οἱ δὲ ἀκούσαντες ταῦτο τοῦτο

ἐφθέγγοντο, καὶ διὰ πάντων δὲ ὥσπερ παρηγγύα οὕτως ἐχώρει Τίς ἔψεται; Τίς ἀγαθός; [3.3.63] οἱ μὲν δὴ Πέρσαι οὕτως ἔχοντες ὁμόσε ἐφέροντο. οἱ γε μὴν πολέμιοι οὐκέτι ἐδύναντο μένειν, ἀλλὰ στραφέντες ἔφευγον εἰς τὸ ἔρυμα. [3.3.64] οἱ δ' αὖ Πέρσαι κατὰ τε τὰς εἰσόδους ἐφεπόμενοι ὠθομένων αὐτῶν πολλοὺς κατεστρώννυσαν, τοὺς δ' εἰς τὰς τάφρους ἐπίπτοντας ἐπεισπηδῶντες ἐφόνευσαν ἄνδρας ὁμοῦ καὶ ἵππους· ἓνια γὰρ τῶν ἀρμάτων εἰς τὰς τάφρους ἠναγκάσθη φεύγοντα ἐμπεσεῖν. [3.3.65] καὶ οἱ τῶν Μήδων δ' ἱππεῖς ὀρῶντες ταῦτα ἤλαυνον εἰς τοὺς ἱππέας τοὺς τῶν πολεμίων· οἱ δ' ἐνέκλιναν καὶ αὐτοί. ἔνθα δὴ καὶ ἵππων διωγμὸς ἦν καὶ ἀνδρῶν, καὶ φόνος δὲ ἀμφοτέρων. [3.3.66] οἱ δ' ἐντὸς τοῦ ἐρύματος τῶν Ἀσσυρίων ἐστηκότες ἐπὶ τῆς κεφαλῆς τῆς τάφρου τοξεύειν μὲν ἢ ἀκοντιζεῖν εἰς τοὺς κατακαίνοντας οὔτε ἐφρόνουν οὔτε ἐδύναντο διὰ τὰ δεινὰ ὁράματα καὶ διὰ τὸν φόβον. τάχα δὲ καὶ καταμαθόντες τῶν Περσῶν τινὰς διακεκοφότας πρὸς τὰς εἰσόδους τοῦ ἐρύματος ἐτράποντο καὶ ἀπὸ τῶν κεφαλῶν τῶν ἔνδον. [3.3.67] ἰδοῦσαι δ' αἱ γυναῖκες τῶν Ἀσσυρίων καὶ τῶν συμμάχων ἤδη φυγὴν καὶ ἐν τῷ στρατοπέδῳ ἀνέκραγον καὶ ἔθεον ἐκπεπληγμέναι, αἱ μὲν καὶ τέκνα ἔχουσαι, αἱ δὲ καὶ νεώτεραι, καταρρηγνύμεναί τε πέπλους καὶ δρυπτόμεναι, καὶ ἱκετεύουσαι πάντας ὅτῳ ἐντυγχάνοιεν μὴ φεύγειν καταλιπόντας αὐτάς, ἀλλ' ἀμῦναι καὶ αὐταῖς καὶ τέκνοις καὶ σφίσιν αὐτοῖς. [3.3.68] ἔνθα δὴ καὶ αὐτοὶ οἱ βασιλεῖς σὺν τοῖς πιστοτάτοις στάντες ἐπὶ τὰς εἰσόδους καὶ ἀναβάντες ἐπὶ τὰς κεφαλὰς καὶ αὐτοὶ ἐμάχοντο καὶ τοῖς ἄλλοις παρεκελεύοντο. [3.3.69] ὥς δ' ἔγνω ὁ Κῦρος τὰ γινόμενα, δείσας μὴ καὶ εἰ βιάσαιντο εἴσω, ὀλίγοι ὄντες ὑπὸ πολλῶν σφαλεῖν τι, παρηγγύησεν ἐπὶ πόδ' ἀνάγειν ἔξω βελῶν [καὶ πείθεσθαι]. [3.3.70] ἔνθα δὴ ἔγνω τις ἂν τοὺς ὁμοτίμους πεπαιδευμένους ὥς δεῖ· ταχὺ μὲν γὰρ αὐτοὶ ἐπείθοντο, ταχὺ δὲ τοῖς ἄλλοις παρήγγελλον. ὥς δ' ἔξω βελῶν ἐγένοντο, ἔστησαν κατὰ χώραν, πολὺ μᾶλλον χοροῦ ἀκριβῶς εἰδότες ὅπου ἔδει ἕκαστον αὐτῶν γενέσθαι.

Βιβλίον δ'

[4.1.1] Μείνας δὲ ὁ Κῦρος μέτριον χρόνον αὐτοῦ σὺν τῷ στρατεύ-ματι καὶ δηλώσας ὅτι ἔτοιμοί εἰσι μάχεσθαι εἴ τις ἐξέρχοιτο, ὥς οὐδεὶς ἀντεξήκει, ἀπήγαγεν ὅσον ἐδόκει καλῶς ἔχειν καὶ ἐστρατοπεδεύσατο. φυλακὰς δὲ καταστησάμενος καὶ σκοποὺς προπέμψας, στὰς εἰς τὸ μέσον συνεκάλεσε τοὺς ἑαυτοῦ στρατιώτας καὶ ἔλεξε τοιάδε. [4.1.2] Ἄνδρες Πέρσαι, πρῶτον μὲν τοὺς θεοὺς ἐγὼ ἐπαινῶ ὅσον δύνamai, καὶ ὑμεῖς δὲ πάντες, οἶμαι· νίκης τε γὰρ τετυχήκαμεν καὶ σωτηρίας. τούτων μὲν οὖν χρή χαριστήρια ὧν ἂν ἔχωμεν τοῖς θεοῖς ἀποτελεῖν. ἐγὼ δὲ σύμπαντας μὲν ὑμᾶς ἤδη ἐπαινῶ· τὸ γὰρ γεγεννημένον ἔργον σύμπασιν ὑμῖν καλῶς ἀποτετέλεσται· ὧν δ' ἕκαστος ἄξιος, ἐπειδὴν παρ' ὧν προσήκει πύθωμαι, τότε τὴν ἀξίαν ἐκάστωι καὶ λόγῳ καὶ ἔργῳ πειράσομαι ἀποδιδόναι. [4.1.3] τὸν δ' ἐμοῦ ἐγγύτατα ταξίαρχον Χρυσάνταν οὐδὲν ἄλλων δέομαι πυνθάνεσθαι, ἀλλ' αὐτὸς οἶδα οἷος ἦν· τὰ μὲν γὰρ ἄλλα ὅσαπερ οἶμαι καὶ πάντες ὑμεῖς ἐποιεῖτε· ἐπεὶ δ' ἐγὼ παρηγγύησα ἐπανάγειν καλέσας αὐτὸν ὀνομαστί, ἀνατεταμένος οὗτος τὴν μάχαιραν ὡς παῖσων πολέμιον ὑπήκουσέ τε ἐμοὶ εὐθὺς ἀφείς τε ὃ ἔμελλε ποιεῖν τὸ κελευόμενον ἔπραττεν· αὐτὸς τε γὰρ ἐπανῆγε καὶ τοῖς ἄλλοις μάλα ἐπισπερχῶς παρηγγύα· ὥστ' ἔφθασεν ἔξω βελῶν τὴν τάξιν ποιήσας πρὶν τοὺς πολέμιους κατανοῆσαι ὅτι ἀνεχωροῦμεν καὶ τόξα ἐντείνασθαι καὶ τὰ παλτὰ ἐπαφεῖναι· ὥστε αὐτοὺς τε ἀβλαβὴς καὶ τοὺς αὐτοῦ ἄνδρας ἀβλαβεῖς διὰ τὸ πειθεσθαι παρέχεται. [4.1.4] ἄλλους δ', ἔφη, ὁρῶ τετρωμένους, περὶ ὧν ἐγὼ σκεψάμενος ἐν ὁποίῳ χρόνῳ ἐτρώθησαν, τότε τὴν γνώμην περὶ αὐτῶν ἀποφانوῦμαι. Χρυσάνταν δὲ ὡς καὶ ἐργάτην τῶν ἐν πολέμῳ καὶ φρόνιμον καὶ ἄρχεσθαι ἱκανὸν καὶ ἄρχειν χιλιαρχίαι μὲν ἤδη τιμῶ· ὅταν δὲ καὶ ἄλλο τι ἀγαθὸν ὁ θεὸς δῶι, οὐδὲ τότε ἐπιλήσομαι αὐτοῦ. [4.1.5] καὶ πάντας δὲ βούλομαι ὑμᾶς, ἔφη, ὑπομνήσαι· ἃ γὰρ νῦν εἶδετε ἐν τῇ μάχῃ τῇδε, ταῦτα ἐνθυμούμενοι μήποτε παύεσθε, ἵνα παρ' ὑμῖν αὐτοῖς αἰεὶ κρίνητε πότερον ἢ ἀρετὴ μᾶλλον ἢ ἡ φυγὴ σώζει τὰς ψυχὰς καὶ πότερον οἱ μάχεσθαι ἐθέλοντες ῥᾷον ἀπαλλάττουσιν ἢ οἱ οὐκ ἐθέλοντες, καὶ ποῖαν τινὰ ἡδονὴν τὸ νικᾶν παρέχει· ταῦτα γὰρ νῦν ἄριστ' ἂν κρίναιτε πεῖράν τε αὐτῶν ἔχοντες καὶ ἄρτι γεγεννημένου τοῦ πράγματος. [4.1.6] καὶ ταῦτα μὲν, ἔφη, αἰεὶ διανοοῦμενοι βελτίους ἂν εἴητε· νῦν δὲ ὡς θεοφιλεῖς καὶ ἀγαθοὶ καὶ

σώφρονες ἄνδρες δειπνοποιεῖσθε καὶ σπονδὰς τοῖς θεοῖς ποιεῖσθε καὶ παιᾶνα ἐξάρχεσθε καὶ ἅμα τὸ παραγγελλόμενον προνοεῖτε. [4.1.7] εἰπὼν δὲ ταῦτα ἀναβὰς ἐπὶ τὸν ἵππον ἤλασε καὶ πρὸς Κυαζάρην ἐλθὼν καὶ συνησθείς ἐκείνῳ κοινῇ ὡς εἰκὸς καὶ ἰδὼν τ' ἀκεῖ καὶ ἐρόμενος εἴ τι δέοιτο, ἀπήλυνεν εἰς τὸ αὐτοῦ στράτευμα. καὶ οἱ μὲν δὴ ἀμφὶ Κῦρον δειπνοποιησάμενοι καὶ φυλακὰς καταστησάμενοι ὡς ἔδει ἐκοιμήθησαν.

[4.1.8] Οἱ δὲ Ἀσσύριοι, ἅτε καὶ τεθνηκότος τοῦ ἄρχοντος καὶ σχεδὸν σὺν αὐτῷ τῶν βελτίστων, ἠθύμουν μὲν πάντες, πολλοὶ δὲ καὶ ἀπεδίδρασκον αὐτῶν τῆς νυκτὸς ἐκ τοῦ στρατοπέδου. ὀρῶντες δὲ ταῦτα ὃ τε Κροῖσος καὶ οἱ ἄλλοι σύμμαχοι αὐτῶν ἠθύμουν· πάντα μὲν γὰρ ἦν χαλεπά· ἀθυμίαν δὲ πλείστην παρεῖχε πᾶσιν ὅτι τὸ ἡγούμενον τῆς στρατιᾶς φῦλον διέφθαρτο τὰς γνώμας. οὕτω δὴ ἐκλείπουσι τὸ στρατόπεδον καὶ ἀπέρχονται τῆς νυκτός. [4.1.9] ὥς δ' ἡμέρα ἐγένετο καὶ ἔρημον ἀνδρῶν ἐφάνη τὸ τῶν πολεμίων στρατόπεδον, εὐθύς διαβιβάζει ὁ Κῦρος τοὺς Πέρσας πρῶτους· κατελέλειπτο δὲ ὑπὸ τῶν πολεμίων πολλὰ μὲν πρόβατα, πολλοὶ δὲ βόες, πολλαὶ δὲ ἅμαξαι πολλῶν ἀγαθῶν μεσταί· ἐκ δὲ τούτου διέβαινον ἤδη καὶ οἱ ἀμφὶ Κυαζάρην Μῆδοι πάντες καὶ ἠριστοποιοῦντο ἐνταῦθα. [4.1.10] ἐπεὶ δὲ ἠρίστησαν, συνεκάλεσεν ὁ Κῦρος τοὺς αὐτοῦ ταξιάρχους καὶ ἔλεξε τοιάδε. Οἶά μοι δοκοῦμεν καὶ ὅσα ἀγαθὰ, ὧ ἄνδρες, ἀφεῖναι, θεῶν ἡμῖν αὐτὰ διδόντων. νῦν γὰρ ὅτι οἱ πολέμιοι ἡμᾶς ἀποδεδράκασιν αὐτοὶ ὀράτε· οἵτινες δὲ ἐν ἐρύματι ὄντες ἐκλιπόντες τοῦτο φεύγουσι, πῶς ἂν τις τούτους οἶοιτ' ἂν μεῖναι ἰδόντας ἡμᾶς ἐν τῷ ἰσοπέδῳ; οἵτινες δὲ ἡμῶν ἄπειροι ὄντες οὐχ ὑπέμειναν, πῶς νῦν γ' ἂν ὑπομείνεια, ἐπεὶ ἤττηνται τε καὶ πολλὰ κακὰ ὑφ' ἡμῶν πεπόνθασιν; ὧν δὲ οἱ βέλτιστοι ἀπολώλασι, πῶς οἱ πονηρότεροι ἐκείνων μάχεσθαι ἂν ἡμῖν ἐθέλοιεν; [4.1.11] καὶ τις εἶπε· Τί οὖν οὐ διώκομεν ὡς τάχιστα, καταδήλων γε οὕτω τῶν ἀγαθῶν ὄντων; καὶ ὃς εἶπεν· Ὅτι ἵππων προσδεόμεθα· οἱ μὲν γὰρ κράτιστοι τῶν πολεμίων, οὓς μάλιστα καιρὸς ἦν ἢ λαβεῖν ἢ κατακαθεῖν, οὗτοι ἐφ' ἵππων ὀχοῦνται· οὓς ἡμεῖς τρέπεσθαι μὲν σὺν τοῖς θεοῖς ἱκανοί, διώκοντες δὲ αἰρεῖν οὐχ ἱκανοί. [4.1.12] Τί οὖν, ἔφασαν, οὐκ ἐλθὼν Κυαζάρῃ λέγεις ταῦτα; καὶ ὃς εἶπε· Συνέπεσθε τοίνυν μοι πάντες, ὡς εἰδῆι ὅτι πᾶσιν ἡμῖν ταῦτα δοκεῖ. ἐκ τούτου εἰποντό τε πάντες καὶ ἔλεγον οἷα ἐπιτήδεια ἐδόκουν εἶναι ὑπὲρ ὧν ἐδέοντο.

[4.1.13] Καὶ ὁ Κυμαζάρχης ἅμα μὲν ὅτι ἐκεῖνοι ἤρχον τοῦ λόγου, ὥσπερ ὑπεφθόνει· ἅμα δ' ἴσως καλῶς ἔχειν ἐδόκει αὐτῷ μὴ πάλιν κινδυνεύειν· καὶ γὰρ αὐτός τε περὶ εὐθυμίαν ἐτύγγχανεν ὧν καὶ τῶν ἄλλων Μήδων ἑώρα πολλοὺς τὸ αὐτὸ ποιοῦντας· εἶπε δ' οὖν ὧδε. [4.1.14] Ἄλλ', ὦ Κῦρε, ὅτι μὲν κάλλιστα ἀνθρώπων μελετᾶτε ὑμεῖς οἱ Πέρσαι μὴδὲ πρὸς μίαν ἡδονὴν ἀπλήστως διακεῖσθαι καὶ ὀρῶν καὶ ἀκούων οἶδα· ἐμοὶ δὲ δοκεῖ τῆς μεγίστης ἡδονῆς πολὺ μάλιστα συμφέρειν ἐγκρατῇ εἶναι. μεῖζω δὲ ἡδονὴν τί παρέχει ἀνθρώποις εὐτυχίας ἢ νῦν ἡμῖν παραγεγένηται; [4.1.15] ἦν μὲν τοίνυν, ἐπεὶ εὐτυχοῦμεν, σωφρόνως διαφυλάττωμεν αὐτήν, ἴσως δυναίμεθ' ἂν ἀκινδύνως εὐδαιμονοῦντες γηρᾶν· εἰ δ' ἀπλήστως χρώμενοι ταύτῃ ἄλλην καὶ ἄλλην πειρασόμεθα διώκειν, ὁρᾷτε μὴ πάθωμεν ἅπερ πολλοὺς μὲν λέγουσιν ἐν θαλάττῃ πεπονθέναι, διὰ τὸ εὐτυχεῖν οὐκ ἐθέλοντας παύσασθαι πλέοντας ἀπολέσθαι· πολλοὺς δὲ νίκης τυχόντας ἑτέρας ἐφιεμένους καὶ τὴν πρόσθεν ἀποβαλεῖν. [4.1.16] καὶ γὰρ εἰ μὲν οἱ πολέμιοι ἥττους ὄντες ἡμῶν ἔφευγον, ἴσως ἂν καὶ διώκειν τοὺς ἥττους ἀσφαλῶς εἶχε. νῦν δὲ κατανόησον πόστῳ μέρει αὐτῶν πάντες μαχεσάμενοι νενικήκαμεν· οἱ δ' ἄλλοι ἅμαχοί εἰσιν· οὓς εἰ μὲν μὴ ἀναγκάσομεν μάχεσθαι, ἀγνοοῦντες καὶ ἡμᾶς καὶ ἑαυτοὺς δι' ἀμαθίαν καὶ μαλακίαν ἀπίασιν· εἰ δὲ γνώσονται ὅτι ἀπιόντες οὐδὲν ἥττον κινδυνεύουσιν ἢ μένοντες, ὅπως μὴ ἀναγκάσομεν αὐτούς, κἂν μὴ βούλονται, ἀγαθοὺς γενέσθαι. [4.1.17] ἴσθι γὰρ ὅτι οὐ σὺ μᾶλλον τὰς ἐκείνων γυναῖκας καὶ παῖδας λαβεῖν ἐπιθυμεῖς ἢ ἐκεῖνοι σῶσαι. ἐννόει δ' ὅτι καὶ αἱ σύες ἐπειδὴν ὀφθῶσι, φεύγουσι, κἂν πολλὰ ὦσι, σὺν τοῖς τέκνοις· ἐπειδὴν δὲ τις αὐτῶν θηρᾷ τι τῶν τέκνων, οὐκέτι φεύγει οὐδ' ἦν μία τύχηι οὕσα, ἀλλ' ἵεται ἐπὶ τὸν λαμβάνειν πειρώμενον. [4.1.18] καὶ νῦν μὲν κατακλείσαντες ἑαυτοὺς εἰς ἔρυμα παρέσχον ἡμῖν ταμιεύεσθαι ὥσθ' ὁπόσοις ἐβουλόμεθα αὐτῶν μάχεσθαι· εἰ δ' ἐν εὐρυχωρίᾳ πρόσσιμεν αὐτοῖς καὶ μαθήσονται χωρὶς γενόμενοι οἱ μὲν κατὰ πρόσωπον ἡμῖν ὥσπερ καὶ νῦν ἐναντιοῦσθαι, οἱ δ' ἐκ πλαγίου, οἱ δὲ καὶ ὀπισθεν, ὅρα μὴ πολλῶν ἐκάστῳ ἡμῶν χειρῶν δεήσει καὶ ὀφθαλμῶν. προσέτι δ' οὐδ' ἂν ἐθέλοιμ', ἔφη, ἐγὼ νῦν, ὀρῶν Μήδους εὐθυμουμένους, ἐξαναστήσας ἀναγκάζειν κινδυνεύοντας ἰέναι.

[4.1.19] Καὶ ὁ Κῦρος ὑπολαβὼν εἶπεν· Ἀλλὰ σύγε μὴδένα ἀναγκάσης, ἀλλὰ τοὺς ἐθέλοντάς μοι ἔπεσθαι δός· καὶ ἴσως ἂν σοὶ καὶ τῶν σῶν φίλων τούτων ἤκοιμεν ἐκάστῳ ἄγοντες ἐφ' οἷς ἅπαντες

εὐθυμήσεσθε. τὸ μὲν γὰρ πλῆθος ἡμεῖς γε τῶν πολεμίων οὐδὲ διωξόμεθα· πῶς γὰρ ἂν καὶ καταλάβοιμεν; ἦν δέ τι ἢ ἀπεσχισμένον τοῦ στρατεύματος λάβωμεν ἢ τι ὑπολειπόμενον, ἥξομεν πρὸς σέ ἄγοντες. [4.1.20] ἐννόει δ', ἔφη, ὅτι καὶ ἡμεῖς, ἐπεὶ σὺ ἐδέου, ἤλθομεν σοὶ χαριζόμενοι μακρὰν ὁδόν· καὶ σὺ οὖν ἡμῖν δίκαιος εἴ ἀντιχαρίζεσθαι, ἵνα καὶ ἔχοντές τι οἴκαδ' ἀφικώμεθα καὶ μὴ εἰς τὸν σὸν θησαυρὸν πάντες ὀρῶμεν. [4.1.21] ἐνταῦθα δὴ ἔλεξεν ὁ Κρυαζάρης· Ἀλλ' εἴ γε μέντοι ἐθέλων τις ἔποιτο, καὶ χάριν ἔγωγέ σοι εἰδείην ἄν. Σύμπεμψον τοίνυν μοί τινα, ἔφη, τῶν ἀξιοπίστων τούτων, ὃς ἔρεῖ ἂ ἂν σὺ ἐπιστείλῃς. Λαβὼν δὴ ἴθι, ἔφη, ὄντινα ἐθέλεις τουτωνί· [4.1.22] ἐνθα δὴ ἔτυχε παρὼν ὁ φήσας ποτὲ συγγενῆς αὐτοῦ εἶναι καὶ φιληθείς. εὐθύς οὖν ὁ Κῦρος εἶπεν· Ἀρκεῖ μοι, ἔφη, οὐτοσί. Οὗτος τοίνυν σοι ἐπέσθω. καὶ λέγε σύ, ἔφη, τὸν ἐθέλοντα ἰέναι μετὰ Κύρου. [4.1.23] οὕτω δὴ λαβὼν τὸν ἄνδρα ἐξήκει. ἐπεὶ δ' ἐξήλθον, ὁ Κῦρος εἶπε· Νῦν δὴ σὺ δηλώσεις εἰ ἀληθῆ ἔλεγες, ὅτε ἔφης ἥδεσθαι θεώμενος ἐμέ. Οὐκουν ἀπολείψομαί γέ σου, ἔφη ὁ Μῆδος, εἰ τοῦτο λέγεις. καὶ ὁ Κῦρος εἶπεν· Οὐκοῦν καὶ ἄλλους, ἔφη, προθύμως ἐξάξεις; ἐπομόσας οὖν ἐκεῖνος Νῆ τὸν Δί', ἔφη, ἔστε γ' ἂν ποιήσω καὶ σέ ἐμέ ἡδέως θεᾶσθαι. [4.1.24] τότε δὴ καὶ ἐκπεμφθεὶς ὑπὸ τοῦ Κρυαζάρου τὰ τε ἄλλα προθύμως ἀπήγγελλε τοῖς Μῆδοις καὶ προσετίθει ὅτι αὐτός γε οὐκ ἀπολείψειτο ἀνδρὸς καλλίστου καὶ ἀρίστου, καὶ τὸ μέγιστον, ἀπὸ θεῶν γεγονότος.

[4.2.1] Πράττοντος δὲ τοῦ Κύρου ταῦτα θείως πως ἀφικνοῦνται ἀπὸ Ὑρκανίων ἄγγελοι. οἱ δὲ Ὑρκάνιοι ὁμοροὶ μὲν τῶν Ἀσσυρίων εἰσίν, ἔθνος δ' οὐ πολὺ, διὸ καὶ ὑπήκοοι ἦσαν τῶν Ἀσσυρίων· εὐῖπποι δὲ καὶ τότε ἐδόκουν εἶναι καὶ νῦν ἔτι δοκοῦσιν· διὸ καὶ ἐχρῶντο αὐτοῖς οἱ Ἀσσύριοι ὥσπερ καὶ οἱ Λακεδαιμόνιοι τοῖς Σκιρίταις, οὐδὲν φειδόμενοι αὐτῶν οὔτ' ἐν πόνοις οὔτ' ἐν κινδύνοις· καὶ δὴ καὶ τότε ὀπισθοφυλακεῖν ἐκέλευον αὐτοὺς ὡς χιλίους ἱππέας ὄντας, ὅπως εἴ τι ὀπισθεν δεινὸν εἴη, ἐκείνοι πρὸ αὐτῶν τοῦτ' ἔχουσιν. [4.2.2] οἱ δὲ Ὑρκάνιοι, ἅτε μέλλοντες ὕστατοι πορεύεσθαι, καὶ τὰς ἀμάξας τὰς ἑαυτῶν καὶ τοὺς οἰκέτας ὑστάτους εἶχον. στρατεύονται γὰρ δὴ οἱ κατὰ τὴν Ἀσίαν ἔχοντες οἱ πολλοὶ μεθ' ὧνπερ καὶ οἰκοῦσι· καὶ τότε δὴ ἐστρατεύοντο οὕτως οἱ Ὑρκάνιοι. [4.2.3] ἐννοηθέντες δὲ οἷά τε πάσχουσιν ὑπὸ τῶν Ἀσσυρίων καὶ ὅτι νῦν τεθναίῃ μὲν ὁ ἄρχων αὐτῶν, ἡττημένοι δ' εἶεν, φόβος δ' ἐνείη τῷ στρατεύματι, οἱ δὲ σύμμαχοι αὐτῶν ὡς ἀθύμως ἔχουσιν καὶ ἀπολείπουσιν, ταῦτα

ἐνθυμουμένοις ἔδοξεν αὐτοῖς νῦν καλὸν εἶναι ἀποστῆναι, εἰ θέλοιν οἱ ἀμφὶ Κῦρον συνεπιθέσθαι. καὶ πέμπουσιν ἀγγέλους πρὸς Κῦρον· ἀπὸ γὰρ τῆς μάχης τὸ τούτου ὄνομα μέγιστον ἠϋξητο. [4.2.4] οἱ δὲ πεμφθέντες λέγουσι Κύρῳ ὅτι μισοῖεν τε τοὺς Ἀσσυρίους δικαίως, νῦν τ', εἰ βούλοιο ἰέναι ἐπ' αὐτούς, καὶ σφεῖς σύμμαχοι ὑπάρξοιεν καὶ ἡγήσονται· ἅμα δὲ πρὸς τούτοις διηγοῦντο τὰ τῶν πολεμίων ὡς ἔχοι, ἐπαίρειν βουλόμενοι μάλιστα στρατεύεσθαι αὐτόν. [4.2.5] καὶ ὁ Κῦρος ἐπήρετο αὐτούς· Καὶ δοκεῖτε ἄν, ἔφη, ἔτι ἡμᾶς καταλαβεῖν αὐτούς πρὶν ἐν τοῖς ἐρύμασιν εἶναι; ἡμεῖς μὲν γάρ, ἔφη, μάλα συμφορὰν τοῦτο ἡγούμεθα ὅτι ἔλαθον ἡμᾶς ἀποδράντες. ταῦτα δ' ἔλεγε βουλόμενος αὐτούς ὡς μέγιστον φρονεῖν ἐπὶ σφίσιν. [4.2.6] οἱ δὲ ἀπεκρίναντο ὅτι καὶ αὐρίον, ἔωθεν εἰ εὐζωνοὶ πορεύοιντο, καταλήψοιντο· ὑπὸ γὰρ τοῦ ὄχλου καὶ τῶν ἀμαξῶν σχολῇ πορεύεσθαι αὐτούς· καὶ ἅμα, ἔφασαν, τὴν προτέραν νύκτα ἀγρυπνήσαντες νῦν μικρὸν προελθόντες ἐστρατοπέδευνται. [4.2.7] καὶ ὁ Κῦρος ἔφη· Ἐχετε οὖν ὧν λέγετε πιστόν τι ἡμᾶς διδάσκειν ὡς ἀληθεύετε; Ὁμήρους γ', ἔφασαν, ἐθέλομεν αὐτίκα ἐλάσαντες τῆς νυκτὸς ἀγαγεῖν· μόνον καὶ σὺ ἡμῖν πιστὰ θεῶν πεποίησο καὶ δεξιὰν δός, ἵνα φέρωμεν καὶ τοῖς ἄλλοις τὰ αὐτὰ ἅπερ ἂν αὐτοὶ λάβωμεν παρὰ σοῦ. [4.2.8] ἐκ τούτου τὰ πιστὰ δίδωσιν αὐτοῖς ἢ μὴν, ἐὰν ἐμπεδώσωσιν ἃ λέγουσιν, ὡς φίλοις καὶ πιστοῖς χρῆσεσθαι αὐτοῖς, ὡς μήτε Περσῶν μήτε Μήδων μεῖον ἔχειν παρ' ἑαυτῷ. καὶ νῦν ἔστιν ἔτι ἰδεῖν Ὑρκανίους καὶ πιστευομένους καὶ ἀρχὰς ἔχοντας, ὥσπερ καὶ Περσῶν καὶ Μήδων οἱ ἂν δοκῶσιν ἄξιοι εἶναι.

[4.2.9] Ἐπεὶ δ' ἐδείπνησαν, ἐξῆγε τὸ στράτευμα ἔτι φάους ὄντος, καὶ τοὺς Ὑρκανίους περιμένειν ἐκέλευσεν, ἵνα ἅμα ἴοιεν. οἱ μὲν δὴ Πέρσαι, ὥσπερ εἰκός, πάντες ἐξῆισαν, καὶ Τιγράνης ἔχων τὸ αὐτοῦ στράτευμα· [4.2.10] τῶν δὲ Μήδων ἐξῆισαν οἱ μὲν διὰ τὸ παιδί ὄντι Κύρῳ παῖδες ὄντες φίλοι γενέσθαι, οἱ δὲ διὰ τὸ ἐν θήραις συγγενόμενοι ἀγασθῆναι αὐτοῦ τὸν τρόπον, οἱ δὲ διὰ τὸ καὶ χάριν εἰδέναι ὅτι μέγαν αὐτοῖς φόβον ἀπεληλακέναι ἐδόκει, οἱ δὲ καὶ ἐλπίδας ἔχοντες, διὰ τὸ ἄνδρα φαίνεσθαι ἀγαθὸν καὶ εὐτυχῇ, καὶ μέγαν ἔτι ἰσχυρῶς ἔσεσθαι αὐτόν, οἱ δέ, ὅτε ἐτρέφετο ἐν Μήδοις, εἴ τι ἀγαθὸν τῷ συνέπραξεν, ἀντιχαρίζεσθαι ἐβούλοντο· πολλοῖς δὲ πολλὰ διὰ φιλανθρωπίαν παρὰ τοῦ πάππου ἀγαθὰ διεπέπρακτο· πολλοὶ δ', ἐπεὶ καὶ τοὺς Ὑρκανίους εἶδον καὶ λόγος διῆλθεν ὡς ἡγήσονται ἐπὶ πολλὰ ἀγαθὰ, ἐξῆισαν καὶ τοῦ λαβεῖν τι ἔνεκα. [4.2.11]

οὕτω δὴ ἐξήλθον σχεδὸν ἅπαντες καὶ οἱ Μῆδοι πλὴν ὅσοι σὺν Κυαζάρῃ ἔτυχον σκηνοῦντες· οὗτοι δὲ κατέμενον καὶ οἱ τούτων ὑπήκοοι. οἱ δ' ἄλλοι πάντες φαιδρῶς καὶ προθύμως ἐξωρμῶντο, ἅτε οὐκ ἀνάγκῃ ἀλλ' ἐθελούσιοι καὶ χάριτος ἕνεκα ἐξιόντες. [4.2.12] ἐπεὶ δ' ἔξω ἦσαν, πρῶτον μὲν πρὸς τοὺς Μήδους ἐλθὼν ἐπήνεσέ τε αὐτοὺς καὶ ἐπηύξατο μάλιστα μὲν θεοὺς αὐτοῖς ἴλεως ἡγεῖσθαι καὶ σφίσιν, ἔπειτα δὲ καὶ αὐτὸς δυνασθῆναι χάριν αὐτοῖς ταύτης τῆς προθυμίας ἀποδοῦναι. τέλος δ' εἶπεν ὅτι ἡγήσονται μὲν αὐτοῖς οἱ πεζοί, ἐκείνους δ' ἔπεσθαι σὺν τοῖς ἵπποις ἐκέλευσε· καὶ ὅπου ἂν ἀναπαύωνται ἢ ἐπισχωσι τῆς πορείας, ἐντείλατο αὐτοῖς πρὸς αὐτὸν παρελαύνειν τινάς, ἵνα εἰδῶσι τὸ ἀεὶ καίριον. [4.2.13] ἐκ τούτου ἡγεῖσθαι ἐκέλευε τοὺς Ὑρκανίους. καὶ οἱ ἡρώτων Τί δέ; οὐκ ἀναμενεῖς, ἔφασαν, τοὺς ὁμήρους ἕως ἂν ἀγάγωμεν, ἵνα ἔχων καὶ σὺ τὰ πιστὰ παρ' ἡμῶν πορεύῃ; καὶ τὸν ἀποκρίνασθαι λέγεται· Ἐννοῶ γάρ, φάναι, ὅτι ἔχομεν τὰ πιστὰ ἐν ταῖς ἡμετέραις ψυχαῖς καὶ ταῖς ἡμετέραις χερσίν. οὕτω γὰρ δοκοῦμεν περὶσκευάσθαι ὥς ἢ μὲν ἀληθεύητε, ἱκανοὶ εἶναι ἡμᾶς εὖ ποιεῖν· ἢ δὲ ἐξαπατᾶτε, οὕτω νομίζομεν ἔχειν ὥς οὐχ ἡμᾶς ἐφ' ὑμῖν ἔσεσθαι, ἀλλὰ μᾶλλον, ἢν οἱ θεοὶ θέλωσιν, ὑμᾶς ἐφ' ἡμῖν γενήσεσθαι. καὶ μέντοι, ἔφη, ὦ Ὑρκάνιοι, ἐπεὶ φατέ ὑστάτε ἔπεσθαι τοὺς ὑμετέρους, ἐπειδὴν ἴδητε αὐτούς, σημῆνατε ἡμῖν ὅτι οἱ ὑμέτεροί εἰσιν, ἵνα φειδώμεθα αὐτῶν. [4.2.14] ἀκούσαντες δὲ ταῦτα οἱ Ὑρκάνιοι τὴν μὲν ὁδὸν ἡγοῦντο ὥσπερ ἐκέλευε, τὴν δὲ ῥώμην τῆς ψυχῆς ἐθαύμαζον· καὶ οὔτε Ἀσσυρίου οὔτε Λυδοῦς οὔτε τοὺς συμμάχους αὐτῶν ἐφοβοῦντο, ἀλλὰ μὴ παντάπασιν ὁ Κύρος μικράν τινα αὐτῶν οἶοιτο ῥοπὴν εἶναι καὶ προσόντων καὶ ἀπόντων.

[4.2.15] Πορευομένων δὲ ἐπεὶ νύξ ἐπεγένετο, λέγεται φῶς τῷ Κύρῳ καὶ τῷ στρατεύματι ἐκ τοῦ οὐρανοῦ προφανὲς γενέσθαι, ὥστε πᾶσι μὲν φρίκην ἐγγίγνεσθαι πρὸς τὸ θεῖον, θάρρος δὲ πρὸς τοὺς πολεμίους. ὥς δ' εὗζωνοί τε καὶ ταχὺ ἐπορεύοντο, εἰκότως πολλήν τε ὁδὸν διήνυσαν καὶ ἅμα κνέφαι πλησίον γίνονται τοῦ τῶν Ὑρκανίων στρατεύματος. [4.2.16] ὥς δ' ἔγνωσαν οἱ ἄγγελοι, καὶ τῷ Κύρῳ λέγουσιν ὅτι οὗτοί εἰσιν οἱ σφέτεροι· τῷ τε γὰρ ὑστάτους εἶναι γινώσκειν ἔφασαν καὶ τῷ πλήθει τῶν πυρῶν [4.2.17] ἐκ τούτου πέμπει τὸν ἕτερον αὐτῶν πρὸς αὐτούς, προστάξας λέγειν, εἰ φίλοι εἰσίν, ὥς τάχιστα ὑπαντᾶν τὰς δεξιὰς ἀνατείναντας· συμπέμπει δὲ τινα καὶ τῶν σὺν ἑαυτῷ καὶ λέγειν ἐκέλευσε τοῖς Ὑρκανίοις ὅτι ὥς

ἂν ὁρῶσιν αὐτοὺς προσφερομένους, οὕτω καὶ αὐτοὶ ποιήσουσιν. οὕτω δὴ ὁ μὲν μένει τῶν ἀγγέλων παρὰ τῷ Κύρῳ, ὁ δὲ προσελαύνει πρὸς τοὺς Ὑρκανίους. [4.2.18] ἐν ᾧ δ' ἐσκόπει τοὺς Ὑρκανίους ὁ Κύρος ὃ τι ποιήσουσιν, ἐπέστησε τὸ στράτευμα· παρελαύνουσι δὲ πρὸς αὐτὸν οἱ τῶν Μήδων προεσθηκότες καὶ ὁ Τιγράνης καὶ ἐπερωτῶσι τί δεῖ ποιεῖν. ὁ δὲ λέγει αὐτοῖς ὅτι τοῦτ' ἔστι τὸ πλησίον Ὑρκανίων στράτευμα καὶ οἴχεται ὁ ἕτερος τῶν ἀγγέλων πρὸς αὐτοὺς καὶ τῶν ἡμετέρων τις σὺν αὐτῷ, ἐροῦντες, εἰ φίλοι εἰσίν, ὑπαντιάειν τὰς δεξιὰς ἀνατείναντας πάντας. ἦν μὲν οὖν οὕτω ποιῶσι, δεξιουσθῆτε αὐτοὺς καθ' ὃν ἂν ἦ ἕκαστος καὶ ἅμα θαρρύνετε· ἦν δὲ ὅπλα αἰρωνται ἢ φεύγειν ἐπιχειρῶσι, τούτων, ἔφη, εὐθύς δεῖ πρώτων πειρᾶσθαι μηδὲνα λιπεῖν. [4.2.19] ὁ μὲν τοιαῦτα παρήγγειλεν. οἱ δὲ Ὑρκανιοὶ ἀκούσαντες τῶν ἀγγέλων ἦσθησάν τε καὶ ἀναπηδήσαντες ἐπὶ τοὺς ἵππους παρήσαν τὰς δεξιὰς, ὥσπερ εἴρητο, προτείνοντες· οἱ δὲ Μῆδοι καὶ Πέρσαι ἀντεδεξιούντο τε αὐτοὺς καὶ ἐθάρρυνον. [4.2.20] ἐκ τούτου δὴ ὁ Κύρος λέγει· Ἡμεῖς μὲν δὴ, ὧ Ὑρκανιοὶ, ἤδη ὑμῖν πιστεύομεν· καὶ ὑμᾶς δὲ χρὴ πρὸς ἡμᾶς οὕτως ἔχειν. τοῦτο δ', ἔφη, πρῶτον ἡμῖν εἶπατε πόσον ἀπέχει ἐνθένδε ἔνθα αἱ ἀρχαί εἰσι τῶν πολεμίων καὶ τὸ ἀθρόον αὐτῶν. οἱ δ' ἀπεκρίναντο ὅτι ὀλίγῳ πλέον ἢ παρασάγγην.

[4.2.21] Ἐνταῦθα δὴ λέγει ὁ Κύρος· Ἀγετε δὴ, ἔφη, ὧ ἄνδρες Πέρσαι καὶ Μῆδοι καὶ ὑμεῖς ὧ Ὑρκανιοὶ, ἤδη γὰρ καὶ πρὸς ὑμᾶς ὡς πρὸς συμμάχους καὶ κοινωνοὺς διαλέγομαι, εὖ χρὴ εἰδέναι νῦν ὅτι ἐν τοιούτῳ ἐσμέν ἔνθα δὴ μαλακισάμενοι μὲν πάντων ἂν τῶν χαλεπωτάτων τύχοιμεν· ἴσασι γὰρ οἱ πολέμιοι ἐφ' ᾧ ἤκομεν· ἦν δὲ τὸ καρτερὸν ἐμβαλόμενοι ἴωμεν ῥώμῃ καὶ θυμῷ ἐπὶ τοὺς πολεμίους, αὐτίκα μάλ' ὄψεσθε ὥσπερ δούλων ἀποδιδρασκόντων ἡυρημένων τοὺς μὲν ἰκετεύοντας αὐτῶν, τοὺς δὲ φεύγοντας, τοὺς δ' οὐδὲ ταῦτα φρονεῖν δυναμένους. ἡττημένοι τε γὰρ ὄψονται ἡμᾶς καὶ οὔτε οἴομενοι ἥξειν οὔτε συντεταγμένοι οὔτε μάχεσθαι παρεσκευασμένοι κατείλημμένοι ἔσονται. [4.2.22] εἰ οὖν ἡδέως βουλόμεθα καὶ δειπνῆσαι καὶ νυκτερεῦσαι καὶ βιοτεύειν τὸ ἀπὸ τοῦδε, μὴ δῶμεν τούτοις σχολὴν μήτε βουλεύσασθαι μήτε παρασκευάσασθαι ἀγαθὸν αὐτοῖς μηδέν, μηδὲ γινῶναι πάνπαν ὅτι ἀνθρωποὶ ἐσμεν, ἀλλὰ γέρρα καὶ κοπίδας καὶ σαγάρεις ἅπαντα καὶ πληγὰς ἥκειν νομιζόντων. [4.2.23] καὶ ὑμεῖς μὲν, ἔφη, ὧ Ὑρκανιοὶ, ὑμᾶς αὐτοὺς προπετάσαντες ἡμῶν πορεύεσθε ἔμπροσθεν, ὅπως τῶν ὑμετέρων ὅπλων ὀρωμένων

λανθάνωμεν ὅτι πλεῖστον χρόνον. ἐπειδὴν δ' ἐγὼ πρὸς τῷ στρατεύματι γένωμαι τῶν πολεμίων, παρ' ἐμοὶ μὲν καταλίπετε ἕκαστοι τάξιν ἱππέων, ὥς, ἂν τι δέηι, χρῶμαι μένων παρὰ τὸ στρατόπεδον. [4.2.24] ὑμῶν δὲ οἱ μὲν ἄρχοντες καὶ οἱ πρεσβύτεροι ἐν τάξει ἀθρόοι ἐλαύνετε, εἰ σωφρονεῖτε, ἵνα μήποτε ἄθρόωι τινὶ ἐντυχόντες ἀποβιασθῆτε, τοὺς δὲ νεωτέρους ἀφίετε διώκειν· οὗτοι δὲ <κατα>καινόντων· τοῦτο γὰρ ἀσφαλέστατον νῦν ὥς ἐλαχίστους τῶν πολεμίων λιπεῖν. [4.2.25] ἦν δὲ νικῶμεν, ἔφη, ὁ πολλοῖς δὴ κρατοῦσι τὴν τύχην ἀνέτρεψε, φυλάξασθαι δεῖ τὸ ἐφ' ἀρπαγὴν τραπέσθαι· ὥς ὁ τοῦτο ποιῶν οὐκέτ' ἀνὴρ ἐστίν, ἀλλὰ σκευοφόρος· καὶ ἔξεστι τῷ βουλομένῳ χρῆσθαι ἤδη τούτῳ ὥς ἀνδραπόδῳ. [4.2.26] ἐκεῖνο δὲ χρὴ γινῶναι ὅτι οὐδέν ἐστι κερδαλεώτερον τοῦ νικᾶν· ὁ γὰρ κρατῶν ἅμα πάντα συνήρπακε, καὶ τοὺς ἄνδρας καὶ τὰς γυναῖκας καὶ τὰ χρήματα καὶ πᾶσαν τὴν χώραν. πρὸς ταῦτα τοῦτο μόνον ὁρᾶτε ὅπως τὴν νίκην διασωίζόμεθα· ἐὰν γὰρ κρατηθῇ, καὶ αὐτὸς ὁ ἀρπάζων ἔχεται. καὶ τοῦτο ἅμα διώκοντες μέμνησθε, ἥκειν πάλιν ὥς ἐμὲ ἔτι φάους ὄντος· ὥς σκότους γενομένου οὐδένα ἔτι προσδεξόμεθα.

[4.2.27] Ταῦτ' εἰπὼν ἀπέπεμπεν εἰς τὰς τάξεις ἐκάστους καὶ ἐκέλευεν ἅμα πορευομένους τοῖς αὐτοῦ ἕκαστον δεκαδάρχοις τὰ αὐτὰ σημαίνειν· ἐν μετώπῳ γὰρ ἦσαν οἱ δεκάδαρχοι, ὥστε ἀκούειν· τοὺς δὲ δεκαδάρχους τῇ δεκάδι ἕκαστον κελεύειν παραγγέλλειν. ἐκ τούτου προηγοῦντο μὲν οἱ Ὑρκάνιοι, αὐτὸς δὲ τὸ μέσον ἔχων σὺν τοῖς Πέρσαις ἐπορεύετο· τοὺς δὲ ἱππέας ἐκατέρωθεν, ὥσπερ εἰκός, παρέταξε. [4.2.28] τῶν δὲ πολεμίων, ἐπεὶ φῶς ἐγένετο, οἱ μὲν ἐθαύμαζον τὰ ὀρώμενα, οἱ δ' ἐγίνωσκον ἤδη, οἱ δ' ἠγγελλον, οἱ δ' ἐβόων, οἱ δ' ἔλυνον ἵππους, οἱ δὲ συνεσκεύαζοντο, οἱ δ' ἐρρίπτουν τὰ ὅπλα ἀπὸ τῶν ὑποζυγίων, οἱ δ' ὠπλίζοντο, οἱ δ' ἀνεπήδων ἐπὶ τοὺς ἵππους, οἱ δ' ἐχαλίνουν, οἱ δὲ τὰς γυναῖκας ἀνεβίβαζον ἐπὶ τὰ ὀχήματα, οἱ δὲ τὰ πλείστου ἄξια ἐλάμβανον ὥς διασωσόμενοι, οἱ δὲ κατορύττοντες τὰ τοιαῦτα ἠλίσκοντο, οἱ δὲ πλεῖστοι ἐς φυγὴν ὥρμων· οἶεσθαι δὲ δεῖ καὶ ἄλλα πολλά τε καὶ παντοδαπὰ ποιεῖν αὐτούς, πλὴν ἐμάχετο οὐδεὶς, ἀλλ' ἀμαχητὶ ἀπώλλυντο. [4.2.29] Κροῖσος δὲ ὁ Λυδῶν βασιλεὺς, ὥς θέρος ἦν, τὰς τε γυναῖκας ἐν ταῖς ἀρμαμάξαις προαπεπέμψατο τῆς νυκτός, ὥς ἂν ῥαῖον πορεύοιντο κατὰ ψῦχος, καὶ αὐτὸς ἔχων τοὺς ἱππέας ἐπηκολούθει. [4.2.30] καὶ τὸν Φρύγα τὰ αὐτὰ ποιῆσαί φασι τὸν τῆς παρ' Ἑλλήσποντον ἄρχοντα Φρυγίας. ὥς δὲ παρήισθοντο τῶν φευγόντων καὶ καταλαμβανόντων αὐτούς,

πυθόμενοι τὸ γιγνόμενον ἔφευγον δὴ καὶ αὐτοὶ ἀνὰ κράτος. [4.2.31] τὸν δὲ τῶν Καππαδοκῶν βασιλέα καὶ τὸν τῶν Ἀραβίων ἔτι ἐγγὺς ὄντας καὶ ὑποστάντας ἀθωρακίστους κατακαίνουσιν οἱ Ὑρκάνιοι. τὸ δὲ πλεῖστον ἦν τῶν ἀποθανόντων Ἀσσυρίων καὶ Ἀραβίων· ἐν γὰρ τῇ αὐτῶν ὄντες χώραι ἀσυντονώτατα πρὸς τὴν πορείαν εἶχον. [4.2.32] οἱ μὲν δὴ Μῆδοι καὶ Ὑρκάνιοι, οἷα δὴ εἰκὸς κρατοῦντας, τοιαῦτα ἐποιοῦν διώκοντες. ὁ δὲ Κῦρος τοὺς παρ' ἐαυτῷ ἰππέας καταλειφθέντας περιελαύνειν ἐκέλευε τὸ στρατόπεδον, καὶ εἴ τινας σὴν ὅπλοις ἴδοιεν ἐξιόντας, κατακαίνειν· τοῖς δ' ὑπομένουσιν ἐκήρυξεν, ὅπόσοι τῶν πολεμίων στρατιωτῶν ἦσαν ἰππεῖς ἢ πελτασταὶ ἢ τοξόται, ἀποφέρειν τὰ ὄπλα συνδεδεμένα, τοὺς δὲ ἵππους ἐπὶ ταῖς σκηναῖς καταλείπειν· ὅστις δὲ ταῦτα μὴ ποιήσῃ, αὐτίκα τῆς κεφαλῆς στερήσεσθαι· τὰς δὲ κοπίδας προχείρους ἔχοντες ἐν τάξει περιέεστασαν. [4.2.33] οἱ μὲν δὴ τὰ ὄπλα ἔχοντες ἐρρίπτουν, ἀποφέροντες εἰς ἓν χωρίον ὅποι ἐκέλευε· καὶ ταῦτα μὲν οἷς ἐπέταξεν ἔκαιον.

[4.2.34] Ὁ δὲ Κῦρος ἐνενόησεν ὅτι ἦλθον μὲν οὔτε σῖτα οὔτε ποτὰ ἔχοντες, ἄνευ δὲ τούτων οὔτε στρατεύεσθαι δυνατὸν οὔτ' ἄλλο ποιεῖν οὐδέν. σκοπῶν δ' ὅπως ἂν κάλλιστα καὶ τάχιστα ταῦτα γένοιτο, ἐνθυμεῖται ὅτι ἀνάγκη πᾶσι τοῖς στρατευομένοις εἶναι τινα ὅτῳ καὶ σκηνῆς μελήσει καὶ ὅπως τὰ ἐπιτήδεια παρεσκευασμένα τοῖς στρατιώταις εἰσιούσιν ἔσται. [4.2.35] καὶ τοίνυν ἔγνω ὅτι τούτους εἰκὸς μάλιστα πάντων ἐν τῷ στρατοπέδῳ νῦν κατειληφθαι [ἦν] διὰ τὸ ἀμφὶ συσκευασίαν ἔχειν· ἐκήρυξε δὴ παρῆναι τοὺς ἐπιτρόπους πάντας· εἰ δέ που μὴ εἴη ἐπίτροπος, τὸν πρεσβύτατον ἀπὸ σκηνῆς· τῷ δὲ ἀπειθοῦντι πάντα τὰ χαλεπὰ ἀνεῖπεν. οἱ δὲ ὁρῶντες καὶ τοὺς δεσπότης πειθομένους ταχὺ ἐπείθοντο. [4.2.36] ἐπεὶ δὲ παρεγένοντο, πρῶτον μὲν ἐκέλευε καθίζεσθαι αὐτῶν ὅσοις ἐστὶ πλέον ἢ δυοῖν μνηοῖν ἐν τῇ σκηνῇ τὰ ἐπιτήδεια. ἐπεὶ δὲ τούτους εἶδεν, αὐθις ἐκέλευσεν ὅσοις μνηδὸς ἦν· ἐν τούτῳ σχεδὸν πάντες ἐκαθίζοντο. [4.2.37] ἐπεὶ δὲ ταῦτα ἔμαθεν, εἶπεν ὧδε αὐτοῖς· Ἄγετέ νυν, ἔφη, ὧ ἄνδρες, οἱ τινες ὑμῶν τὰ μὲν κακὰ μισεῖτε, μαλακοῦ δὲ τινος παρ' ἡμῶν βούλοισθ' ἂν τυγχάνειν, ἐπιμελήθητε προθύμως ὅπως διπλάσια ἐν τῇ σκηνῇ ἐκάστῃ σῖτα καὶ ποτὰ παρεσκευασμένα ἢ ἢ τοῖς δεσπότηαις καὶ τοῖς οἰκέταις καθ' ἡμέραν ἐποιεῖτε· καὶ τᾶλλα δὲ πάντα ὅποσα καλὴν δαῖτα παρέξει ἔτοιμα ποιεῖτε, ὥς αὐτίκα μάλα παρέσονται ὁπότεροι ἂν κρατῶσι, καὶ ἀξιώσουσιν ἐκπλεῶ ἔχειν

πάντα τὰ ἐπιτήδεια. εὖ οὖν ἴστε ὅτι συμφέροι ἂν ὑμῖν ἀμέμπτως δέχεσθαι τοὺς ἄνδρας. [4.2.38] οἱ μὲν δὴ ταῦτ' ἀκούσαντες πολλῇ σπουδῇ τὰ παρηγγελμένα ἔπραττον· ὁ δὲ συγκαλέσας τοὺς ταξιάρχους ἔλαξε τοιαύδε· Ἄνδρες φίλοι, γινώσκομεν ὅτι νῦν ἔξεστιν ἡμῖν προτέροις τῶν ἀπόντων συμμάχων ἀρίστου τυχεῖν καὶ τοῖς μάλιστα ἐσπουδασμένοις σίτοις καὶ ποτοῖς χρῆσθαι· ἀλλ' οὐ μοι δοκεῖ τοῦτ' ἂν τὸ ἄριστον πλεον ὠφελῆσαι ἡμᾶς ἢ τὸ τῶν συμμάχων ἐπιμελεῖς φανῆναι, οὐδ' ἂν αὕτη ἢ εὐωχία ἰσχυροτέρους τοσοῦτον ποιῆσαι ὅσον εἰ δυναίμεθα τοὺς συμμάχους προθύμους ποιεῖσθαι. [4.2.39] εἰ δὲ τῶν νυνὶ διωκόντων καὶ κατακαινόντων τοὺς ἡμετέρους πολεμίους καὶ μαχομένων, εἴ τις ἐναντιοῦται, τούτων δόξομεν οὕτως ἀμελεῖν ὥστε καὶ πρὶν εἰδέναι πῶς πράττουσιν ἡριστηκότες φαίνεσθαι, ὅπως μὴ αἰσχροὶ μὲν φανούμεθα, ἀσθενεῖς δ' ἐσόμεθα συμμάχων ἀποροῦντες. τὸ δὲ τῶν κινδυνευόντων καὶ πονούντων ἐπιμεληθῆναι ὅπως εἰσιόντες τὰ ἐπιτήδεια ἔξουσιν, αὕτη ἂν ἡμᾶς ἢ θοίνῃ πλείω εὐφράνειεν, ὥς ἐγὼ φημι, ἢ τὸ παραχρῆμα τῇ γαστρὶ χαρίσασθαι. [4.2.40] ἐννοήσατε δ', ἔφη, ὥς εἰ μὴδ' ἐκείνους αἰσχυντέον ἦν, οὐδ' ὥς ἡμῖν νῦν προσῆκεν οὔτε πλησμονῆς πω οὔτε μέθης· οὐ γὰρ πω διαπέπρακται ἡμῖν ἡ βουλόμεθα, ἀλλ' αὐτὰ πάντα νῦν ἀκμάζει ἐπιμελείας δεόμενα. ἔχομεν γὰρ ἐν τῷ στρατοπέδῳ πολεμίους πολλαπλασίους ἡμῶν αὐτῶν, καὶ τούτους λελυμένους· οὐς καὶ φυλάττεσθαι ἔτι προσήκει καὶ φυλάττειν, ὅπως ὥσι καὶ οἱ ποιήσοντες ἡμῖν τὰ ἐπιτήδεια· ἔτι δ' οἱ ἵππεῖς ἡμῖν ἄπεισι, φροντίδα παρέχοντες ποῦ εἰσὶ· κἂν ἔλθωσιν, εἰ παραμενοῦσιν. [4.2.41] ὥστ', ὦ ἄνδρες, νῦν μοι δοκεῖ τοιοῦτον σῖτον ἡμᾶς προσφέρεσθαι δεῖν καὶ τοιοῦτον ποτὸν ὁποῖον ἂν τις οἶται μάλιστα σύμφορον εἶναι πρὸς τὸ μήτε ὑπνου μήτε ἀφροσύνης ἐμπίμπλασθαι. [4.2.42] ἔτι δὲ καὶ χρήματα πολλά ἐστὶν ἐν τῷ στρατοπέδῳ, ὧν οὐκ ἄγνοῶ ὅτι δυνατόν ἡμῖν κοινῶν ὄντων τοῖς συγκατειληφόσι νοσφίσασθαι ὅποσα ἂν βουλώμεθα· ἀλλ' οὐ μοι δοκεῖ τὸ λαβεῖν κερδαλεώτερον εἶναι τοῦ δικαίους φαινομένους ἐκείνοις τούτῳ πρίασθαι ἔτι μᾶλλον αὐτοὺς ἢ νῦν ἀσπάζεσθαι ἡμᾶς. [4.2.43] δοκεῖ δέ μοι, ἔφη, καὶ τὸ νεῖμαι τὰ χρήματα, ἐπειδὴν ἔλθωσι, Μήδοις καὶ Ὑρκανίοις καὶ Τιγράνηι ἐπιτρέψαι· καὶ ἦν τι μείον ἡμῖν δάσωνται, κέρδος ἡγεῖσθαι· διὰ γὰρ τὰ κέρδη ἡδίων ἡμῖν παραμενοῦσι. [4.2.44] τὸ μὲν γὰρ νῦν πλεονεκτῆσαι ὀλιγοχρόνιον ἂν τὸν πλοῦτον ἡμῖν παράσχοι· τὸ δὲ ταῦτα προεμένους ἐκεῖνα κτήσασθαι ὅθεν ὁ πλοῦτος φύεται, τοῦτο,

ὥς ἐγὼ δοκῶ, ἀεναώτερον ἡμῖν δύναιτ' ἂν τὸν ὄλβον καὶ πᾶσι τοῖς ἡμετέροις παρέχειν. [4.2.45] οἶμαι δ', ἔφη, καὶ οἴκοι ἡμᾶς τούτου ἔνεκα ἄσκειν καὶ γαστροὺς κρείττους εἶναι καὶ κερδέων ἀκαίρων, ἴν', εἴ ποτε δέοι, δυναίμεθα αὐτοῖς συμφόρως χρῆσθαι· ποῦ δ' ἂν ἐν μείζοσι τῶν νῦν παρόντων ἐπιδειξαίμεθ' ἂν τὴν παιδείαν ἐγὼ μὲν οὐχ ὀρῶ. [4.2.46] ὁ μὲν οὕτως εἶπε. συνεῖπε δ' αὐτῷ Ὑστάσπας ἀνὴρ Πέρσης τῶν ὁμοτίμων ὧδε· Δεινὸν γάρ τ' αὖ εἴη, ὦ Κῦρε, εἰ ἐν θήρῃ μὲν πολλάκις ἄσιτοι καρτεροῦμεν, ὅπως θηρίον τι ὑποχείριον ποιησώμεθα καὶ μάλα μικροῦ ἴσως ἄξιον· ὄλβον δὲ ὅλον πειρώμενοι θηρᾶν εἰ ἐμποδὼν τι ποιησαίμεθα γενέσθαι ἡμῖν ἃ τῶν μὲν κακῶν ἀνθρώπων ἄρχει, τοῖς δ' ἀγαθοῖς πείθεται, οὐκ ἂν πρέποντα ἡμῖν δοκοῦμεν ποιεῖν. [4.2.47] ὁ μὲν οὖν Ὑστάσπας οὕτως εἶπεν· οἱ δ' ἄλλοι πάντες ταῦτα συνήνουν. ὁ δὲ Κῦρος εἶπεν· Ἄγε δὴ, ἔφη, ἐπειδὴ ὁμονοοῦμεν ταῦτα, πέμψατε ἀπὸ λόχου ἕκαστος πέντε ἄνδρας τῶν σπουδαιοτάτων· οὗτοι δὲ περιούντες, οὓς μὲν ἂν ὀρῶσι πορσύνοντας τὰ ἐπιτήδεια, ἐπαινούντων· οὓς δ' ἂν ἀμελοῦντας, κολαζόντων ἀφειδέστερον ἢ ὥς δεσπότης. οὗτοι μὲν δὴ ταῦτα ἐποιοῦν.

[4.3.1] Τῶν δὲ Μήδων τινὲς ἤδη, οἱ μὲν ἀμάξας προωρμημένας καταλαβόντες καὶ ἀποστρέψαντες προσήλυνον μεστὰς ὧν δεῖται στρατιά, οἱ δὲ καὶ ἄρμαμάξας γυναικῶν τῶν βελτίστων τῶν μὲν γνησίων, τῶν δὲ καὶ παλλακίδων διὰ τὸ κάλλος συμπεριαγομένων, ταύτας εἰληφότες προσῆγον. [4.3.2] πάντες γὰρ ἔτι καὶ νῦν οἱ κατὰ τὴν Ἀσίαν στρατευόμενοι ἔχοντες τὰ πλείστου ἄξια στρατεύονται, λέγοντες ὅτι μᾶλλον μάχονται ἂν εἰ τὰ φίλτατα παρείη· τούτοις γὰρ φασιν ἀνάγκην εἶναι προθύμως ἀλέξειν. ἴσως μὲν οὖν οὕτως ἔχει, ἴσως δὲ καὶ ποιοῦσιν αὐτὰ τῇ ἡδονῇ χαριζόμενοι.

[4.3.3] Ὁ δὲ Κῦρος θεωρᾶν τὰ τῶν Μήδων ἔργα καὶ Ὑρκανίων ὥσπερ κατεμέμφετο καὶ αὐτὸν καὶ τοὺς σὺν αὐτῷ, εἰ οἱ ἄλλοι τοῦτον τὸν χρόνον ἀκμάζειν τε μᾶλλον ἑαυτῶν ἐδόκουν καὶ προσκτᾶσθαι τι, αὐτοὶ δὲ ἐν ἀργότεραι χώραι ὑπομένειν. καὶ γὰρ δὴ οἱ ἀπάγοντες καὶ ἀποδεικνύντες Κύρῳ ἃ ἦγον πάλιν ἀπήλυνον, μεταδιώκοντες τοὺς ἄλλους· ταῦτα γὰρ σφίσιν ἔφασαν προστετάχθαι ποιεῖν ὑπὸ τῶν ἀρχόντων. δακνόμενος δὴ ὁ Κῦρος ἐπὶ τούτοις ταῦτα μὲν ὁμῶς κατεχώριζε· συνεκάλει δὲ πάλιν τοὺς ταξιάρχους, τάδε.

[4.3.4] Ὅτι μὲν, ὦ ἄνδρες φίλοι, εἰ κατάσχοιμεν τὰ νῦν προφαινόμενα, μεγάλα μὲν ἂν ἅπασι Πέρσαις ἀγαθὰ γένοιτο, μέγιστα δ' ἂν εἰκότως ἡμῖν δι' ὧν πράττεται, πάντες οἶμαι

γινώσκωμεν· ὅπως δ' ἂν αὐτῶν ἡμεῖς κύριοι γιγνοίμεθα, μὴ αὐτάρκεις ὄντες κτήσασθαι αὐτά, εἰ μὴ ἔσται οἰκεῖον ἵππικόν Πέρσαις τοῦτο ἐγὼ οὐκέτι ὀρῶ. [4.3.5] ἐννοεῖτε γὰρ δὴ, ἔφη· ἔχομεν ἡμεῖς οἱ Πέρσαι ὅπλα οἷς δοκοῦμεν <ἂν> τρέπεσθαι τοὺς πολεμίους ὁμόσε ἰόντες· καὶ δὴ τρεπόμενοι ποίους ἢ ἱππέας ἢ τοξότας ἢ πελταστὰς ἄνευ ἵππων ὄντες δυναίμεθ' ἂν φεύγοντας ἢ λαβεῖν ἢ κατακανεῖν; τίνες δ' ἂν φοβοῖντο ἡμᾶς προσιόντες κακοῦν ἢ τοξόται ἢ ἀκοντισταὶ ἢ ἱππεῖς, εὖ εἰδότες ὅτι οὐδεὶς αὐτοῖς κίνδυνος ὑφ' ἡμῶν κακόν τι παθεῖν μᾶλλον ἢ ὑπὸ τῶν πεφυκότων δένδρων; [4.3.6] εἰ δ' οὕτω ταῦτ' ἔχει, οὐκ εὐδηλον ὅτι οἱ νῦν παρόντες ἡμῖν ἱππεῖς νομίζουσι πάντα τὰ ὑποχείρια γιγνόμενα ἑαυτῶν εἶναι οὐχ ἥττον ἢ ἡμέτερα, ἴσως δὲ νῆ Δία καὶ μᾶλλον; [4.3.7] νῦν μὲν οὖν οὕτω ταῦτ' ἔχει κατ' ἀνάγκην. εἰ δ' ἡμεῖς ἵππικόν κτησαίμεθα μὴ χεῖρον τούτων, οὐ πᾶσιν ἡμῖν καταφανὲς ὅτι τοὺς τ' ἂν πολεμίους δυναίμεθα καὶ ἄνευ τούτων ποιεῖν ὅσαπερ νῦν σὺν τούτοις, τούτους τε ἔχομεν ἂν τότε μετριώτερον πρὸς ἡμᾶς φρονοῦντας; ὁπότε γὰρ παρῆναι ἢ ἀπεῖναι βούλοιντο, ἥττον ἂν ἡμῖν μέλοι, εἰ αὐτοὶ ἄνευ τούτων ἀρκοῖμεν ἡμῖν αὐτοῖς. [4.3.8] εἶεν· ταῦτα μὲν δὴ οἶμαι οὐδεὶς ἂν ἀντιγνωμονήσειε, μὴ οὐχὶ τὸ πᾶν διαφέρειν Περσῶν γενέσθαι οἰκεῖον ἵππικόν· ἀλλ' ἐκεῖνο ἴσως ἐννοεῖτε, πῶς ἂν τοῦτο γένοιτο. ἄρ' οὖν σκεψόμεθα, εἰ βουλοίμεθα καθιστάναι ἵππικόν, τί ἡμῖν ὑπάρχει καὶ τίνος ἐνδεῖ; [4.3.9] οὐκοῦν ἵπποι μὲν οὗτοι πολλοὶ ἐν τῷ στρατοπέδῳ κατελιημμένοι καὶ χαλινοὶ οἷς πείθονται καὶ τᾶλλα ὅσα δεῖ ἵπποις ἔχουσι χρῆσθαι. ἀλλὰ μὴν καὶ οἷς γε δεῖ ἄνδρα ἱππέα χρῆσθαι ἔχομεν, θώρακας μὲν ἐρύματα τῶν σωμάτων, παλτὰ δὲ οἷς καὶ μεθιέντες καὶ ἔχοντες χρώμεθ' ἂν. [4.3.10] τί δὴ τὸ λοιπόν; δῆλον ὅτι ἀνδρῶν δεῖ. οὐκοῦν τοῦτο μάλιστα ἔχομεν· οὐδὲν γὰρ οὕτως ἡμέτερόν ἐστιν ὥς ἡμεῖς ἡμῖν αὐτοῖς. ἀλλ' ἑρεῖ τις ἴσως ὅτι οὐκ ἐπιστάμεθα. μὰ Δί' οὐδὲ γὰρ τούτων τῶν ἐπισταμένων νῦν πρὶν μαθεῖν οὐδεὶς ἠπίστατο. ἀλλ' εἴποι ἂν τις ὅτι παῖδες ὄντες ἐμάνθανον. [4.3.11] καὶ πότερα παῖδές εἰσι φρονημώτεροι ὥστε μαθεῖν τὰ φραζόμενα καὶ δεικνύμενα ἢ ἄνδρες; πότεροι δὲ ἂν μάθωσιν ἱκανώτεροι τῷ σώματι ἐκπονεῖν, οἱ παῖδες ἢ οἱ ἄνδρες; [4.3.12] ἀλλὰ μὴν σχολή γε ἡμῖν μαθάνειν ὅση οὔτε παισὶν οὔτε ἄλλοις ἀνδράσιν· οὔτε γὰρ τοξεύειν ἡμῖν μαθητέον ὥσπερ τοῖς παισὶ προεπιστάμεθα γὰρ τοῦτο· οὔτε μὴν ἀκοντίζειν· ἐπιστάμεθα γὰρ καὶ τοῦτο· ἀλλ' οὐδὲ μὴν ὥσπερ τοῖς ἄλλοις ἀνδράσι τοῖς μὲν γεωργαίαι ἀσχολίαν

παρέχουσι, τοῖς δὲ τέχναι, τοῖς δὲ ἄλλα οἰκεῖα· ἡμῖν δὲ στρατεύεσθαι οὐ μόνον σχολὴ ἀλλὰ καὶ ἀνάγκη. [4.3.13] ἀλλὰ μὴν οὐχ ὥσπερ ἄλλα πολλὰ τῶν πολεμικῶν χαλεπὰ μὲν, χρήσιμα δέ· ἱππικὴ δὲ οὐκ ἐν ὁδῷ μὲν ἡδίων ἢ αὐτοῖν τοῖν ποδοῖν πορεύεσθαι; ἐν δὲ σπουδῇ οὐχ ἡδὺ ταχὺ μὲν φίλῳ παραγενέσθαι, εἰ δέοι, ταχὺ δέ, εἴτε ἄνδρα εἴτε θῆρα δέοι διώκεσθαι, καταλαβεῖν; ἐκεῖνο δὲ οὐχὶ εὐπετές, τὸ ὅτι ἂν δέῃ ὄπλον φέρειν τὸν ἵππον τοῦτο συμφέρειν; οὐκ οὖν ταυτό γ' ἐστὶν ἔχειν τε καὶ φέρειν. [4.3.14] ὅ γε μὴν μάλιστ' ἂν τις φοβηθεῖη, μὴ εἰ δεήσει ἐφ' ἵππου κινδυνεύειν ἡμᾶς πρότερον πρὶν ἀκριβοῦν τὸ ἔργον τοῦτο, κἄπειτα μήτε πεζοὶ ἔτι ὦμεν μήτε πῶ ἵππεῖς ἱκανοί, ἀλλ' οὐδὲ τοῦτο ἀμήχανον· ὅπου γὰρ ἂν βουλώμεθα, ἐξέσται ἡμῖν πεζοῖς εὐθὺς μάχεσθαι· οὐδὲν γὰρ τῶν πεζικῶν ἀπομαθησόμεθα ἵππεύειν μαθάνοντες. [4.3.15] Κῦρος μὲν οὕτως εἶπε· Χρυσάντας δὲ συναγορεύων αὐτῷ ὧδε ἔλεξεν.

Ἄλλ' ἐγὼ μὲν, ἔφη, οὕτως ἐπιθυμῶ ἵππεύειν μαθεῖν ὥς νομίζω, ἣν ἵππεὺς γένωμαι, ἄνθρωπος πτηνὸς ἔσεσθαι. [4.3.16] νῦν μὲν γὰρ ἔγωγε ἀγαπῶ ἣν γ' ἐξ ἴσου τῷ θεῷ ὀρμηθεὶς ἀνθρώπων μόνον τῇ κεφαλῇ πρόσχω, κἂν θηρίον παραθέον ἰδὼν δυνασθῶ διατεινόμενος φθάσαι ὥστε ἀκοντίσαι ἢ τοξεύσαι πρὶν πάνυ πρόσω αὐτὸ γενέσθαι. ἣν δ' ἵππεὺς γένωμαι, δυνήσομαι μὲν ἄνδρα ἐξ ὅσῃς μήκους καθαιρεῖν· δυνήσομαι δὲ θηρία διώκων τὰ μὲν ἐκ χειρὸς παίειν καταλαμβάνων, τὰ δὲ ἀκοντίζειν ὥσπερ ἐστηκότα· [καὶ γὰρ ἐὰν ἀμφοτέδεα ταχέα ἦι, ὅμως δὲ πλησίον γίγνηται ἀλλήλων, ὥσπερ τὰ ἐστηκότα ἐστίν.] [4.3.17] ὧν δὲ δὴ μάλιστα δοκῶ ζῶων, ἔφη, ἐζηλωκέναί ἱποκενταύρους, εἰ ἐγένοντο ὥστε προβουλεύεσθαι μὲν ἀνθρώπου φρονήσει, ταῖς δὲ χερσὶ τὸ δέον παλαμᾶσθαι, ἵππου δὲ τάχος ἔχειν καὶ ἰσχύν, ὥστε τὸ μὲν φεῦγον αἰρεῖν, τὸ δ' ὑπομένον ἀνατρέπειν, οὐκ οὖν πάντα κ' ἀγὼ ταῦτα ἵππεὺς γενόμενος συγκομίζομαι πρὸς ἑμαυτόν; [4.3.18] προνοεῖν μὲν γε ἔξω πάντα τῇ ἀνθρωπίνῃ γνώμῃ, ταῖς δὲ χερσὶν ὀλοφορήσω, διώξομαι δὲ τῷ ἵππῳ, τὸν δ' ἐναντίον ἀνατρέψω τῇ τοῦ ἵππου ῥύμῃ, ἀλλ' οὐ συμπεφυκὼς δεδήσομαι ὥσπερ οἱ ἱποκενταυροὶ. [4.3.19] οὐκοῦν τοῦτό γε κρεῖττον ἢ συμπεφυκέναι. τοὺς μὲν γὰρ ἱποκενταύρους οἶμαι ἔγωγε πολλοῖς μὲν ἀπορεῖν τῶν ἀνθρώποις ἡρῆμένων ἀγαθῶν ὅπως δεῖ χρῆσθαι, πολλῶν δὲ τῶν ἵπποις πεφυκῶτων ἡδέων πῶς [αὐτῶν] χρῆ ἀπολαύειν. [4.3.20] ἐγὼ δὲ ἣν ἵππεύειν μάθω, ὅταν μὲν ἐπὶ τοῦ ἵππου γένωμαι, τὰ τοῦ ἱποκενταύρου δήπου διαπράξομαι· ὅταν δὲ καταβῶ, δειπνήσω καὶ

ἀμφιέσομαι καὶ καθευδήσω ὥσπερ οἱ ἄλλοι ἄνθρωποι· ὥστε τί ἄλλο ἢ διαιρετὸς ἵπποκένταυρος καὶ πάλιν σύνθετος γίνομαι; [4.3.21] ἔτι δ', ἔφη, καὶ τοῖσδε πλεονεκτήσω τοῦ ἵπποκενταύρου· ὁ μὲν γὰρ δυοῖν ὀφθαλμοῖν ἑώρα τε καὶ δυοῖν ὥτοιιν ἤκουεν· ἐγὼ δὲ τέτταρσι μὲν ὀφθαλμοῖς τεκμαροῦμαι, τέτταρσι δὲ ὥσιν αἰσθήσομαι· πολλὰ γάρ φασι καὶ ἵππον ἀνθρώπῳ τοῖς ὀφθαλμοῖς προορῶντα δηλοῦν, πολλὰ δὲ τοῖς ὥσιν προακούοντα σημαίνειν. ἐμὲ μὲν οὖν, ἔφη, γράφε τῶν ἱππεύειν ὑπερεπιθυμούντων. Νῆ τὸν Δί', ἔφασαν οἱ ἄλλοι πάντες, καὶ ἡμᾶς γε. [4.3.22] ἐκ τούτου δὴ ὁ Κῦρος λέγει· Τί οὖν, ἔφη, ἐπεὶ σφόδρα ἡμῖν δοκεῖ ταῦτα, εἰ καὶ νόμον ἡμῖν αὐτοῖς ποιησαίμεθα αἰσχρὸν εἶναι, οἷς ἂν ἵππους ἐγὼ πορίσω, ἣν τις φανῇ πεζῇ ἡμῶν πορευόμενος, ἣν τε πολλὴν ἣν τε ὀλίγην ὁδὸν δέῃ διελθεῖν; ἵνα καὶ παντάπασιν ἵπποκενταύρους ἡμᾶς οἶωνται οἱ ἄνθρωποι εἶναι. [4.3.23] ὁ μὲν οὕτως ἐπήρετο, οἱ δὲ πάντες συνήνεσαν· ὥστ' ἔτι καὶ νῦν ἐξ ἐκείνου χρῶνται Πέρσαι οὕτω, καὶ οὐδεὶς ἂν τῶν καλῶν κ' ἀγαθῶν ἐκὼν ὀφθείη Περσῶν οὐδαμῇ πεζὸς ἰών. οἱ μὲν δὴ ἐν τούτοις τοῖς λόγοις ἦσαν.

[4.4.1] Ἦνίκα δ' ἦν ἔξω μέσου ἡμέρας, προσήλανον μὲν οἱ Μῆδοι ἱππεῖς καὶ Ὑρκάνιοι, ἵππους τε ἄγοντες αἰχμαλώτους καὶ ἄνδρας· ὅσοι γὰρ τὰ ὅπλα παρεδίδοσαν, οὐ κατέκαινον· [4.4.2] ἐπεὶ δὲ προσήλασαν, πρῶτον μὲν αὐτῶν ἐπυνθάνετο ὁ Κῦρος εἰ σῶοι οἱ πάντες εἶεν αὐτῶν· ἐπεὶ δὲ τοῦτ' ἔφασαν, ἐκ τούτου ἡρώτα τί ἔπραξαν. οἱ δὲ διηγοῦντο ἅ τ' ἐποίησαν καὶ ὥς ἀνδρείως ἕκαστα . . ἐμεγαληγόρουν. [4.4.3] ὁ δὲ διήκουέ τε ἡδέως πάντων ἃ ἐβούλοντο λέγειν· ἔπειτα δὲ καὶ ἐπήνεσεν αὐτοὺς οὕτως· Ἀλλὰ καὶ δηλοῖ τοι, ἔφη, ἐστὲ ὅτι ἄνδρες ἀγαθοὶ ἐγένεσθε· καὶ γὰρ μείζους φαίνεσθε καὶ καλλίους καὶ γοργότεροι ἢ πρόσθεν ἰδεῖν. [4.4.4] ἐκ δὲ τούτου ἐπυνθάνετο ἤδη αὐτῶν καὶ ὁπόσῃν ὁδὸν δῆλασαν καὶ εἰ οἰκοῖτο ἡ χώρα. οἱ δ' ἔλεγον ὅτι καὶ πολλὴν διελάσειαν καὶ πᾶσα οἰκοῖτο καὶ μεστὴ εἴη καὶ οἰῶν καὶ αἰγῶν καὶ βοῶν καὶ ἵππων καὶ σίτου καὶ πάντων ἀγαθῶν. [4.4.5] Δυοῖν ἂν, ἔφη, ἐπιμελητέον ἡμῖν εἴη, ὅπως τε κρείττους ἐσόμεθα τῶν ταῦτα ἐχόντων καὶ ὅπως αὐτοὶ μενοῦσιν· οἰκουμένη μὲν γὰρ χώρα πολλοῦ ἄξιον κτῆμα· ἐρήμη δ' ἀνθρώπων οὕσα ἐρήμη καὶ τῶν ἀγαθῶν γίγνεται. [4.4.6] τοὺς μὲν οὖν ἀμυνομένους, ἔφη, οἶδα ὅτι κατεκάνετε, ὀρθῶς ποιοῦντες· τοῦτο γὰρ μάλιστα σῶζει τὴν νίκην· τοὺς δὲ παραδιδόντας αἰχμαλώτους ἡγάγετε· οὓς εἰ ἀφείμεν, τοῦτ' αὖ σύμφορον ἂν, ὥς ἐγὼ φημι,

ποιήσαιμεν· [4.4.7] πρῶτον μὲν γὰρ νῦν οὐκ ἂν φυλάττεσθαι οὐδὲ φυλάττειν ἡμᾶς τούτους δέοι, οὐδ' αὖ σιτοποιεῖν τούτοις· οὐ γὰρ λιμῶι γε δήπου κατακανοῦμεν αὐτούς· ἔπειτα δὲ τούτους ἀφέντες πλείοσιν αἰχμαλώτοις χρησόμεθα. [4.4.8] ἦν γὰρ κρατῶμεν τῆς χώρας, πάντες ἡμῖν οἱ ἐν αὐτῇ οἰκοῦντες αἰχμάλωτοι ἔσονται· μᾶλλον δὲ τούτους ζῶντας ἰδόντες καὶ ἀφεθέντας μενοῦσιν οἱ ἄλλοι καὶ πείθεσθαι αἰρήσονται μᾶλλον ἢ μάχεσθαι. ἐγὼ μὲν οὖν οὕτω γινώσκω· εἰ δ' ἄλλο τις ὁρᾷ ἄμεινον, λεγέτω. οἱ δὲ ἀκούσαντες συνήνουν ταῦτα ποιεῖν. [4.4.9] οὕτω δὴ ὁ Κῦρος καλέσας τοὺς αἰχμαλώτους λέγει τοιάδε· [4.4.10] Ἄνδρες, ἔφη, νῦν τε ὅτι ἐπείθεσθε τὰς ψυχὰς περιεποιήσασθε, τοῦ τε λοιποῦ, ἦν οὕτω ποιῆτε, οὐδ' ὅτιοῦν καινὸν ἔσται ἡμῖν ἀλλ' ἢ οὐχ ὁ αὐτὸς ἄρξει ὑμῖν ὅσπερ καὶ πρότερον· οἰκήσετε δὲ τὰς αὐτὰς οἰκίας καὶ χώραν τὴν αὐτὴν ἐργάσεσθε καὶ γυναιξὶ ταῖς αὐταῖς συνοικήσετε καὶ παίδων τῶν ὑμετέρων ἄρξετε ὥσπερ νῦν· ἡμῖν μέντοι οὐ μαχεῖσθε οὐδὲ ἄλλωι οὐδενί· [4.4.11] ἥνικα δ' ἂν τις ὑμᾶς ἀδικῇ, ἡμεῖς ὑπὲρ ὑμῶν μαχοῦμεθα. ὅπως δὲ μηδ' ἐπαγγέλλῃ μηδεὶς ὑμῖν στρατεύειν, τὰ ὅπλα πρὸς ἡμᾶς κομίσασθε· καὶ τοῖς μὲν κομίζουσιν ἔσται εἰρήνη καὶ ἃ λέγομεν ἀδόλως· ὅπόσοι δ' ἂν τὰ πολεμικὰ μὴ ἀποφέρωσιν ὅπλα, ἐπὶ τούτους ἡμεῖς καὶ δὴ στρατευσόμεθα. [4.4.12] ἐὰν δέ τις ὑμῶν καὶ ἰὼν ὡς ἡμᾶς εὐνοϊκῶς καὶ πράττων τι καὶ διδάσκων φαίνεται, τοῦτον ἡμεῖς ὡς εὐεργέτην καὶ φίλον, οὐχ ὡς δοῦλον περιέψομεν. ταῦτ' οὖν, ἔφη, αὐτοὶ τε ἴστε καὶ τοῖς ἄλλοις διαγγέλλετε. [4.4.13] ἦν δ' ἄρα, ἔφη, ὑμῶν βουλομένων ταῦτα μὴ πείθωνται τινες, ἐπὶ τούτους ἡμᾶς ἄγετε, ὅπως ὑμεῖς ἐκείνων, μὴ ἐκείνοι ὑμῶν ἄρχωσιν. ὁ μὲν δὴ ταῦτ' εἶπεν· οἱ δὲ προσεκύουν τε καὶ ὑπισχνοῦντο ταῦτα ποιήσιν.

[4.5.1] Ἐπεὶ δ' ἐκείνοι ὦιχοντο, ὁ Κῦρος εἶπεν· ὦρα δὴ, ὦ Μῆδοι καὶ Ἀρμένιοι, δειπνεῖν πᾶσιν ἡμῖν· παρεσκευάσται δὲ ὑμῖν τὰ ἐπιτήδεια ὡς ἡμεῖς βέλτιστα ἐδυνάμεθα. ἀλλ' ἴτε καὶ ἡμῖν πέμπετε τοῦ πεποιημένου σίτου τὸν ἡμισυν· ἱκανὸς δὲ ἀμφοτέροις πεποιήται· ὄψον δὲ μὴ πέμπετε μηδὲ πιεῖν· ἱκανὰ γὰρ ἔχομεν παρ' ἡμῖν αὐτοῖς παρεσκευασμένα. [4.5.2] καὶ ὑμεῖς δέ, ὦ Ὑρκάνιοι, ἔφη, διάγετε αὐτούς ἐπὶ τὰς σκηνάς, τοὺς μὲν ἄρχοντας ἐπὶ τὰς μεγίστας, γινώσκετε δέ, τοὺς δ' ἄλλους ὡς ἂν δοκῇ κάλλιστα ἔχειν· καὶ αὐτοὶ δὲ δειπνεῖτε ὅπουπερ ἡδιστον ὑμῖν· σῶαι μὲν γὰρ ὑμῖν καὶ ἀκέραιοι αἱ σκηναί· παρεσκευάσται δὲ καὶ <ὑμῖν> ἐνθάδε ὥσπερ καὶ τούτοις. [4.5.3] καὶ τοῦτο δὲ ἴστε ἀμφοτέροι ὅτι τὰ μὲν ἔξω ὑμῖν ἡμεῖς

νυκτοφυλακήσομεν, τὰ δ' ἐν ταῖς σκηναῖς αὐτοὶ ὁρᾶτε καὶ τὰ ὄπλα εὖ τίθεσθε· οἱ γὰρ ἐν ταῖς σκηναῖς οὕτω φίλοι ἡμῖν. [4.5.4] οἱ μὲν δὴ Μῆδοι καὶ οἱ ἀμφὶ Τιγράνῃν ἐλοῦντο, καί, ἦν γὰρ παρεσκευασμένα, [καί] ἱμάτια μεταλαβόντες ἐδείπνουν, καὶ οἱ ἵπποι αὐτοῖς εἶχον τὰ ἐπιτήδεια· καὶ τοῖς Πέρσαις δὲ ἔπεμπον τῶν ἄρτων τοὺς ἡμίσεις. ὄψον δὲ οὐκ ἔπεμπον οὐδ' οἶνον, οἰόμενοι ἔχειν τοὺς ἀμφὶ Κῦρον ἔτι ἄφθονα ταῦτα. ὁ δὲ Κῦρος [ταῦτα] ἔλεγεν ὄψον μὲν τὸν λιμόν, πιεῖν δ' ἀπὸ τοῦ παραρρέοντος ποταμοῦ. [4.5.5] ὁ μὲν οὖν Κῦρος δειπνίσας τοὺς Πέρσας, ἐπεὶ συνεσκότασε, κατὰ πεμπάδας καὶ κατὰ δεκάδας πολλοὺς αὐτῶν διέπεμψε καὶ ἐκέλευσε κύκλῳ τοῦ στρατοπέδου κρυπτεῦειν, νομίζων ἅμα μὲν φυλακὴν ἔσεσθαι, ἂν τις ἔξωθεν προσίῃ, ἅμα δέ, ἂν τις ἔξω φέρων χρήματα ἀποδιδράσκη, ἀλώσεσθαι αὐτόν· καὶ ἐγένετο οὕτω· πολλοὶ μὲν γὰρ ἀπεδίδρασκον, πολλοὶ δὲ ἐάλωσαν. [4.5.6] ὁ δὲ Κῦρος τὰ μὲν χρήματα τοὺς λαβόντας εἶα ἔχειν, τοὺς δὲ ἀνθρώπους ἀποσφάζαι ἐκέλευσεν· ὥστε τοῦ λοιποῦ οὐδὲ βουλόμενος ἂν ἡῦρες ραιδίως τὸν νύκτωρ πορευόμενον. [4.5.7] οἱ μὲν δὴ Πέρσαις οὕτω διῆγον· οἱ δὲ Μῆδοι καὶ ἔπινον καὶ εὐωχοῦντο καὶ ἡυλοῦντο καὶ πάσης εὐθυμίας ἐνεπίμπλαντο· πολλὰ γὰρ καὶ τὰ τοιαῦτα ἦλθον, ὥστε μὴ ἀπορεῖν ἔργου τοὺς ἐγρηγορότας.

[4.5.8] Ὁ δὲ Κυαξάρης ὁ τῶν Μήδων βασιλεὺς τὴν μὲν νύκτα ἐν ἧ ἐξῆλθεν ὁ Κῦρος αὐτός τε ἐμεθύσκετο μεθ' ὧνπερ ἐσκήνου ὡς ἐπ' εὐτυχίαι, καὶ τοὺς ἄλλους δὲ Μήδους ὤιετο παρεῖναι ἐν τῷ στρατοπέδῳ πλὴν ὀλίγων, ἀκούων θόρυβον πολύν· οἱ γὰρ οἰκέται τῶν Μήδων, ἅτε τῶν δεσποτῶν ἀπεληλυθόντων, ἀνειμένως ἔπινον καὶ ἐθορύβουν, ἄλλως τε καὶ ἐκ τοῦ Ἀσσυρίου στρατεύματος καὶ οἶνον καὶ ἄλλα πολλὰ εἰληφότες. [4.5.9] ἐπεὶ δὲ ἡμέρα ἐγένετο, καὶ ἐπὶ θύρας οὐδεὶς ἦκε πλὴν οἵπερ καὶ συνεδείπνουν, καὶ τὸ στρατόπεδον ἤκουε κενὸν εἶναι τῶν Μήδων καὶ τῶν ἱππέων, καὶ ἐώρα, ἐπειδὴ ἐξῆλθεν, οὕτως ἔχοντα, ἐνταῦθα δὴ ἐβριμοῦτό τε τῷ Κύρῳ καὶ τοῖς Μήδοις τῷ καταλιπόντας αὐτὸν ἔρημον οἶχέσθαι, καὶ εὐθύς, ὥσπερ λέγεται ὠμὸς εἶναι καὶ ἀγνώμων, τῶν παρόντων κελεύει τινὰ λαβόντα τοὺς ἑαυτοῦ ἱππείας πορεύεσθαι ὡς τάχιστα ἐπὶ τὸ ἀμφὶ Κῦρον στράτευμα καὶ λέγειν τάδε. [4.5.10] Ὡμην μὲν ἔγωγε, οὐδ' ἂν σέ, ὦ Κῦρε, περὶ ἐμοῦ οὕτως ἀπρονοήτως βουλεύσαι, εἰ δὲ Κῦρος οὕτω γινώσκῃ, οὐκ ἂν ὑμᾶς, ὦ Μῆδοι, ἐθελῆσαι οὕτως ἔρημον ἐμὲ καταλιπεῖν. καὶ νῦν, ἂν μὲν Κῦρος βούληται, εἰ δὲ μή, ὑμεῖς γε τὴν ταχίστην πάρεστε. [4.5.11] ταῦτα δὲ ἐπέστειλεν. ὁ δὲ ταπτόμενος πορεύεσθαι

ἔφη· Καὶ πῶς, ὦ δέσποτα, ἐγὼ εὐρήσω ἐκείνους; Πῶς δὲ Κῦρος, ἔφη, καὶ οἱ σὺν αὐτῷ ἐφ' οὓς ἐπορεύοντο; Ὅτι νῆ Δί', ἔφη, ἀκούω ἀφεστηκότας τῶν πολεμίων Ὑρκανίους τινὰς καὶ ἐλθόντας δεῦρο οἶχεσθαι ἡγουμένους αὐτῷ. [4.5.12] ἀκούσας δὲ ταῦτα ὁ Κυαξάρης πολὺ μᾶλλον ἔτι τῷ Κύρῳ ὠργίζετο τῷ μὴδ' εἰπεῖν αὐτῷ ταῦτα, καὶ πολλῇ σπουδῇ μᾶλλον ἔπεμπεν ἐπὶ τοὺς Μήδους, ὡς ψιλῶσων αὐτόν, καὶ ἰσχυρότερον ἔτι ἢ πρόσθεν τοῖς Μήδοις ἀπειλῶν ἀπεκάλει, καὶ τῷ πεμπομένῳ δὲ ἠπεῖλει, εἰ μὴ ἰσχυρῶς ταῦτα ἀπαγγέλλοι.

[4.5.13] Ὁ μὲν δὴ πεμπόμενος ἐπορεύετο ἔχων τοὺς ἑαυτοῦ ἱππέας ὡς ἑκατόν, ἀνιῶμενος ὅτι οὐ καὶ αὐτὸς τότε ἐπορεύθη μετὰ τοῦ Κύρου. ἐν δὲ τῇ ὁδῷ πορευόμενοι διασχιθέντες τρίβῳ τινὶ ἐπλανῶντο, καὶ οὐ πρόσθεν ἀφίκοντο ἐπὶ τὸ φίλιον στράτευμα πρὶν ἐντυχόντες ἀποχωροῦσιν τισὶ τῶν Ἀσσυρίων ἠνάγκασαν αὐτοὺς ἡγεῖσθαι· καὶ οὕτως ἀφικνοῦνται τὰ πυρὰ κατιδόντες ἀμφὶ μέσας πῶς νύκτας. [4.5.14] ἐπεὶ δὲ ἐγένοντο πρὸς τῷ στρατοπέδῳ, οἱ φύλακες, ὥσπερ εἰρημένον ἦν ὑπὸ Κύρου, οὐκ εἰσέφρηκαν αὐτοὺς πρὸ ἡμέρας. ἐπεὶ δὲ ἡμέρα ὑπέφαινε, πρῶτον μὲν τοὺς μάγους καλέσας ὁ Κῦρος τὰ τοῖς θεοῖς νομιζόμενα ἐπὶ τοῖς τοιούτοις ἀγαθοῖς ἐξαίρεσθαι ἐκέλευε. [4.5.15] καὶ οἱ μὲν ἀμφὶ ταῦτα εἶχον· ὁ δὲ συγκαλέσας τοὺς ὁμοτίμους εἶπεν· Ἄνδρες, ὁ μὲν θεὸς προφαίνει πολλὰ κ' ἀγαθὰ· ἡμεῖς δὲ οἱ Πέρσαι ἐν τῷ παρόντι ὀλίγοι ἐσμέν ὡς ἐγκρατεῖς εἶναι αὐτῶν. εἴτε γὰρ ὅποσα ἂν προσεργασώμεθα, μὴ φυλάζομεν, πάλιν ταῦτα ἀλλότρια ἔσται· εἴτε καταλείβομεν τινὰς ἡμῶν αὐτῶν φύλακας ἐπὶ τοῖς ἐφ' ἡμῖν γιγνομένοις, αὐτίκα οὐδεμίαν ἰσχὺν ἔχοντες ἀναφανούμεθα. [4.5.16] δοκεῖ οὖν μοι ὡς τάχιστα ἰέναι τινὰ ὑμῶν εἰς Πέρσας καὶ διδάσκειν ἅπερ ἐγὼ λέγω, καὶ κελεύειν ὡς τάχιστα ἐπιπέμειν στράτευμα, εἴπερ ἐπιθυμοῦσι Πέρσαι τὴν ἀρχὴν τῆς Ἀσίας αὐτοῖς καὶ τὴν κάρπωσιν γενέσθαι. [4.5.17] ἴθι μὲν οὖν σύ, ἔφη, ὁ πρεσβύτατος, καὶ ἰὼν ταῦτα λέγε, καὶ ὅτι οὓς ἂν πέμπωσι στρατιώτας, ἐπειδὰν ἔλθωσι παρ' ἐμέ, ἐμοὶ μελήσει περὶ τροφῆς αὐτοῖς. ἃ δ' ἔχομεν ἡμεῖς, ὁρᾷς μὲν αὐτός, κρύπτε δὲ τούτων μὴδέν, ὃ τι δὲ τούτων ἐγὼ πέμπω εἰς Πέρσας καλῶς καὶ νομίμως ποιοίην ἂν τὰ μὲν πρὸς τοὺς θεοὺς τὸν πατέρα ἐρώτα, τὰ δὲ πρὸς τὸ κοινὸν τὰς ἀρχάς. πεμψάντων δὲ καὶ ὀπτήρας ὧν πράττομεν καὶ φραστήρας ὧν ἐρωτῶμεν. καὶ σὺ μὲν, ἔφη, συσκευάζου καὶ τὸν λόχον προπομπὸν ἄγε.

[4.5.18] Ἐκ τούτου δὲ καὶ τοὺς Μήδους ἐκάλει, καὶ ἅμα ὁ παρὰ τοῦ Κυαζάρου ἄγγελος παρίσταται, καὶ ἐν πᾶσι τὴν τε πρὸς Κῦρον ὀργὴν καὶ τὰς πρὸς Μήδους ἀπειλὰς αὐτοῦ ἔλεγε· καὶ τέλος εἶπεν ὅτι ἀπιέναι Μήδους κελεύει, καὶ εἰ Κῦρος μένειν βούλεται. [4.5.19] οἱ μὲν οὖν Μῆδοι ἀκούσαντες τοῦ ἀγγέλου ἐσίγησαν, ἀποροῦντες μὲν πῶς χρή καλοῦντος ἀπειθεῖν, φοβούμενοι δὲ πῶς χρή ἀπειλοῦντι ὑπακοῦσαι, ἄλλως τε καὶ εἰδότες τὴν ὁμότητα αὐτοῦ. [4.5.20] ὁ δὲ Κῦρος εἶπεν· Ἀλλ' ἐγώ, ὃ ἄγγελέ τε καὶ Μῆδοι, οὐδέν, ἔφη, θαυμάζω εἰ Κυαζάρης, πολλοὺς μὲν πολεμίους τὸτ' ἰδὼν, ἡμᾶς δὲ οὐκ εἰδὼς ὅ τι πράττομεν, ὁκνεῖ περὶ τε ἡμῶν καὶ περὶ αὐτοῦ· ἐπειδὰν δὲ αἰσθηται πολλοὺς μὲν τῶν πολεμίων ἀπολωλότας, πάντας δὲ ἀπεληλαμένους, πρῶτον μὲν παύσεται φοβούμενος, ἔπειτα γινώσεται, ὅτι οὐ νῦν ἔρημος γίγνεται, ἡνίκα οἱ φίλοι αὐτοῦ τοὺς ἐκείνου ἐχθροὺς ἀπολλύουσιν. [4.5.21] ἀλλὰ μὴν μέμψεώς γε πῶς ἐσμέν ἄξιοι, εὖ τε ποιοῦντες ἐκείνον καὶ οὐδὲ ταῦτα αὐτοματίσαντες; ἀλλ' ἐγὼ μὲν ἐκείνον ἔπεισα ἐᾶσαι με λαβόντα ὑμᾶς ἐξέλθειν· ὑμεῖς δὲ οὐχ ὥς ἐπιθυμοῦντες τῆς ἐξόδου ἡρωτήσατε εἰ ἐξίοιτε καὶ νῦν δεῦρο ἦκετε, ἀλλ' ὑπ' ἐκείνου κελευσθέντες ἐξίεναι ὅτῳ ὑμῶν μὴ ἀχθομένῳ εἴη. καὶ ἡ ὀργὴ οὖν αὕτη σάφ' οἶδα ὑπὸ τε τῶν ἀγαθῶν πεπανθήσεται καὶ σὺν τῷ φόβῳ λήγοντι ἄπεισι. [4.5.22] νῦν μὲν οὖν, ἔφη, σύ τε, ὃ ἄγγελε, ἀνάπαυσαι, ἐπεὶ καὶ πεπόνηκας, ἡμεῖς τε, ὃ Πέρσαι, ἐπεὶ προσδεχόμεθα πολεμίους ἥτοι μαχομένους γε ἢ πεισομένους παρέσεσθαι, ταχθῶμεν ὥς κάλλιστα· οὕτω γὰρ ὀρωμένους εἰκὸς πλεον προανύτειν ὧν χρήζομεν. σὺ δ', ἔφη, ὁ τῶν Ὑρκανίων ἄρχων, ὑπόμεινον προστάξας τοῖς ἡγεμόσι τῶν σῶν στρατιωτῶν ἐξοπλίζειν αὐτούς. [4.5.23] ἐπεὶ δὲ ταῦτα ποιήσας ὁ Ὑρκάνιος προσῆλθε, λέγει ὁ Κῦρος· Ἐγὼ δέ, ἔφη, ὃ Ὑρκάνιε, ἡδομαι αἰσθανόμενος ὅτι οὐ μόνον φιλίαν ἐπιδεικνύμενος πάρει, ἀλλὰ καὶ ξύνεσιν φαίνῃ μοι ἔχειν. καὶ νῦν ὅτι συμφέροι ἡμῖν ταῦτ' ἀπὸ δῆλον· ἐμοὶ τε γὰρ πολέμιοι Ἀσσύριοι, σοὶ τε νῦν ἔτι ἐχθιόνες εἰσιν ἢ ἐμοί· [4.5.24] οὕτως οὖν ἡμῖν ἀμφοτέροις βουλευτέον ὅπως τῶν μὲν νῦν παρόντων μηδεὶς ἀποστατήσῃ ἡμῖν συμμάχων, ἄλλους δέ, ἂν δυνάμεθα, προσληψόμεθα. τοῦ δὲ Μήδου ἤκουες ἀποκαλοῦντος τοὺς ἱππέας· εἰ δ' οὗτοι ἀπίαςιν, ἡμεῖς μόνοι οἱ πεζοὶ μενοῦμεν. [4.5.25] οὕτως οὖν δεῖ ποιεῖν ἐμὲ καὶ σὲ ὅπως ὁ ἀποκαλῶν οὗτος καὶ αὐτὸς μένειν παρ' ἡμῖν βουλήσεται. σὺ μὲν οὖν εὐρὼν σκηνὴν δὸς αὐτῷ ὅπου κάλλιστα διάξει πάντα τὰ δέοντα ἔχων· ἐγὼ δ' αὖ πειράσομαι

αὐτῷ ἔργον τι προστάζει ὅπερ αὐτὸς ἥδιον πράξει ἢ ἅπεισι· καὶ διαλέγου δὲ αὐτῷ ὁπόσα ἐλπίς γενέσθαι ἀγαθὰ πᾶσι τοῖς φίλοις, ἂν ταῦτ' εὖ γένηται· ποιήσας μέντοι ταῦτα ἤκε πάλιν παρ' ἐμέ.

[4.5.26] Ὁ μὲν δὴ Ὑρκάνιος τὸν Μῆδον ὤχετο ἄγων ἐπὶ σκηνὴν· ὁ δ' εἰς Πέρσας ἰὼν παρὴν συνεσκευασμένος· ὁ δὲ Κῦρος αὐτῷ ἐπέστελλε πρὸς μὲν Πέρσας λέγειν ἃ καὶ πρόσθεν ἐν τῷ λόγῳ δεδήλωται, Κυαξάρη δὲ ἀποδοῦναι τὰ γράμματα. ἀναγνῶναι δέ σοι καὶ τὰ ἐπιστελλόμενα, ἔφη, βούλομαι, ἵνα εἰδὼς αὐτὰ ὁμολογήῃς, ἂν τί σε πρὸς ταῦτα ἐρωτᾷ. ἐνὴν δὲ ἐν τῇ ἐπιστολῇ τάδε.

[4.5.27] Κῦρος Κυαξάρη χαίρειν. ἡμεῖς σε οὔτε ἔρημον κατελίπομεν· οὐδεὶς γάρ, ὅταν ἐχθρῶν κρατῇ, τότε φίλων ἔρημος γίγνεται· οὐδὲ μὴν ἀποχωροῦντές γέ σε οἴομεθα ἐν κινδύνῳ καθιστάναι· ἀλλὰ ὅσῳ πλέον ἀπέχομεν, τοσούτῳ πλέονια σοι τὴν ἀσφάλειαν ποιεῖν νομίζομεν· [4.5.28] οὐ γάρ οἱ ἐγγύτατα τῶν φίλων καθηήμενοι μάλιστα τοῖς φίλοις τὴν ἀσφάλειαν παρέχουσιν, ἀλλ' οἱ τοὺς ἐχθροὺς μήκιστον ἀπελαύνοντες μᾶλλον τοὺς φίλους ἐν ἀκινδύνῳ καθιστᾷσι. [4.5.29] σκέψαι δὲ οἶμαι ὄντι μοι περὶ σέ οἷος ὢν περὶ ἐμέ ἔπειτά μοι μέμφη. ἐγὼ μὲν γέ σοι ἡγαγον συμμάχους, οὐχ ὅσους σὺ ἔπεισας, ἀλλ' ὁπόσους ἐγὼ πλείστους ἐδυνάμην· σὺ δέ μοι ἔδωκας μὲν ἐν τῇ φιλίᾳ ὄντι ὅσους πείσαι δυνασθεῖν· νῦν δ' ἐν τῇ πολεμίᾳ ὄντος οὐ τὸν θέλοντα ἀλλὰ πάντα ἀποκαλεῖς. [4.5.30] τοιγαροῦν τότε μὲν ὠϊόμην ἀμφοτέροις ὑμῖν χάριν ὀφείλειν· νῦν δὲ σὺ με ἀναγκάζεις σοῦ μὲν ἐπιλαθέσθαι, τοῖς δὲ ἀκολουθήσασιν πειρᾶσθαι πᾶσαν τὴν χάριν ἀποδιδόναι. [4.5.31] οὐ μέντοι ἔγωγε σοὶ ὅμοιος δύναμαι γενέσθαι, ἀλλὰ καὶ νῦν πέμπων ἐπὶ στράτευμα εἰς Πέρσας ἐπιστέλλω, ὁπόσοι ἂν ἴωσιν ὡς ἐμέ, ἢν τι σὺ αὐτῶν δέῃ πρὶν ἡμᾶς ἐλθεῖν, σοὶ ὑπάρχειν, οὐχ ὅπως ἂν θέλωσιν, ἀλλ' ὅπως ἂν σὺ βούλῃ χρησθαι αὐτοῖς. [4.5.32] συμβουλευέω δέ σοι καίπερ νεώτερος ὢν μὴ ἀφαιρεῖσθαι ἃ ἂν δῶις, ἵνα μὴ σοὶ ἀντὶ χαρίτων ἔχθραι ὀφείλωνται, μηδ' ὅταν τινὰ βούλῃ πρὸς σέ ταχὺ ἐλθεῖν, ἀπειλοῦντα μεταπέμπεσθαι, μηδὲ φάσκοντα ἔρημον εἶναι ἅμα πολλοῖς ἀπειλεῖν, ἵνα μὴ διδάσκησις αὐτοὺς σοῦ μὴ φροντίζειν. [4.5.33] ἡμεῖς δὲ πειρασόμεθα παρεῖναι, ὅταν τάχιστα διαπραξώμεθα ἃ σοὶ τ' ἂν καὶ ἡμῖν νομίζομεν πραχθέντα κοινὰ γενέσθαι ἀγαθὰ. ἔρρωσο.

[4.5.34] Ταύτην αὐτῷ ἀπόδος καὶ ὃ τι ἂν σε τούτων ἐρωτᾷ, ἥι γέγραπται σύμφαθι. καὶ γὰρ ἐγὼ ἐπιστέλλω σοὶ περὶ Περσῶν ἥτις γέγραπται. τούτῳ μὲν οὕτως εἶπε, καὶ δοὺς τὴν ἐπιστολὴν ἀπέπεμπε,

προσεντειλάμενος οὕτω σπεύδειν ὥσπερ οἶδεν ὅτι συμφέρει ταχὺ παρῆναι.

[4.5.35] Ἐκ τούτου δὲ ἑώρα μὲν ἐξωπλισμένους ἤδη πάντας καὶ τοὺς Μήδους καὶ τοὺς Ὑρκανίους καὶ τοὺς ἀμφὶ Τιγράνην· καὶ οἱ Πέρσαι δὲ ἐξωπλισμένοι ἦσαν· ἤδη δὲ τινες τῶν προσχώρων καὶ ἵππους ἀπῆγον καὶ ὄπλα ἀπέφερον. [4.5.36] ὁ δὲ τὰ μὲν παλὰ ὅπουπερ τοὺς πρόσθεν καταβάλλειν ἐκέλευσε, καὶ ἕκαιον οἷς τοῦτο ἔργον ἦν ὀπόσων μὴ αὐτοὶ ἐδέοντο· τοὺς δ' ἵππους ἐκέλευε φυλάττειν μένοντας τοὺς ἀγαγόντας ἕως ἂν τι σημανθῇ αὐτοῖς· τοὺς δὲ ἄρχοντας τῶν ἱππέων καὶ Ὑρκανίων καλέσας τοιάδε ἔλεξεν.

[4.5.37] Ἄνδρες φίλοι τε καὶ σύμμαχοι, μὴ θαυμάζετε ὅτι πολλάκις ὑμᾶς συγκαλῶ· καινὰ γὰρ ἡμῖν ὄντα τὰ παρόντα πολλὰ αὐτῶν ἐστὶν ἀσύντακτα· ἃ δ' ἂν ἀσύντακτα ἦι, ἀνάγκη ταῦτα ἀεὶ πράγματα παρέχειν, ἕως ἂν χώραν λάβῃ. [4.5.38] καὶ νῦν ἔστι μὲν ἡμῖν πολλὰ τὰ αἰχμάλωτα χρήματα, καὶ ἄνδρες ἐπ' αὐτοῖς· διὰ δὲ τὸ μήτε ἡμᾶς εἰδέναι ποῖα τούτων ἐκάστου ἐστὶν ἡμῶν, μήτε τούτους εἰδέναι ὅστις ἐκάστωι αὐτῶν δεσπότης, περαίνοντας μὲν δὴ τὰ δέοντα οὐ πάνυ ἔστιν ὁρᾶν αὐτῶν πολλούς, ἀποροῦντας δὲ ὅ τι χρῆ ποιεῖν σχεδὸν πάντας. [4.5.39] ὥς οὖν μὴ οὕτως ἔχη, διορίσατε αὐτά· καὶ ὅστις μὲν ἔλαβε σκηνὴν ἔχουσιν ἱκανὰ καὶ σῖτα καὶ ποτὰ καὶ τοὺς ὑπηρετήσοντας καὶ στρωμνὴν καὶ ἐσθῆτα καὶ τᾶλλα οἷς οἰκεῖται σκηνὴ καλῶς στρατιωτικῇ, ἐνταῦθα μὲν οὐδὲν ἄλλο δεῖ προσγενέσθαι ἢ τὸν λαβόντα εἰδέναι ὅτι τούτων ὡς οἰκείων ἐπιμέλестhai δεῖ· ὅστις δ' εἰς ἐνδεόμενά του κατεσκήνωσε, τούτοις ὑμεῖς σκεψάμενοι τὸ ἐλλεῖπον ἐκπληρώσατε, πολλὰ δὲ καὶ τὰ περιττὰ οἶδ' ὅτι ἔσται. [4.5.40] πλείω γὰρ ἅπαντα ἢ κατὰ τὸ ἡμέτερον πλῆθος εἶχον οἱ πολέμοι. ἦλθον δὲ πρὸς ἐμὲ καὶ χρημάτων ταμίαι, οἷ τε τοῦ Ἀσσυρίων βασιλέως καὶ ἄλλων δυναστῶν, οἱ ἔλεγον ὅτι χρυσίον εἴη παρὰ σφίσιν ἐπίσημον, δασμούς τινας λέγοντες. [4.5.41] καὶ ταῦτα οὖν κηρύττετε πάντα ἀποφέρειν πρὸς ὑμᾶς ὅπου ἂν καθέξησθε· καὶ φόβον ἐπιτίθεσθε τῷ μὴ ποιοῦντι τὸ παραγγελλόμενον· ὑμεῖς δὲ διάδοτε λαβόντες ἱππεῖ μὲν τὸ διπλοῦν, πεζῶι δὲ τὸ ἀπλοῦν, ἵνα ἔχητε, ἢν τις προσδέησθε, καὶ ὅτου ὠνήσεσθε. [4.5.42] τὴν δ' ἀγορὰν τὴν οὖσαν ἐν τῷ στρατοπέδῳ κηρυζάτω μὲν ἤδη, ἔφη, μὴ ἀδικεῖν μηδένα, πωλεῖν δὲ τοὺς κατήλους ὅ τι ἔχει ἕκαστος πράσιμον, καὶ ταῦτα διαθεμένους ἄλλα ἄγειν, ὅπως <εὖ> οἰκῆται ἡμῖν τὸ στρατόπεδον. [4.5.43] ταῦτα μὲν

ἐκήρυττον εὐθύς. οἱ δὲ Μῆδοι καὶ Ὑρκάνιοι εἶπον ὧδε· Καὶ πῶς ἂν, ἔφασαν, ἡμεῖς ἄνευ σοῦ καὶ τῶν σῶν διανεμόμεν ταῦτα; [4.5.44] ὁ δ' αὖ Κῦρος πρὸς τοῦτον τὸν λόγον ὧδε προσηνέχθη· Ἡ γὰρ οὕτως, ἔφη, ὦ ἄνδρες, γινώσκετε ὥς ὁ τι ἂν δέηι πραχθῆναι, ἐπὶ πᾶσι πάντας ἡμᾶς δεήσει παρεῖναι, καὶ οὔτε ἐγὼ ἀρκέσω πράττων τι πρὸ ὑμῶν ὁ τι ἂν δέηι, οὔτε ὑμεῖς πρὸ ἡμῶν; καὶ πῶς ἂν ἄλλως πλείω μὲν πράγματα ἔχοιμεν, μείω δὲ διαπραττοίμεθα ἢ οὕτως; [4.5.45] ἀλλ' ὁρᾶτε, ἔφη· ἡμεῖς μὲν γὰρ διεφυλάξαμεν τε ὑμῖν τάδε, καὶ ὑμεῖς ἡμῖν πιστεύετε καλῶς διαπεφυλάχθαι· ὑμεῖς δ' αὖ διανείματε, καὶ ἡμεῖς πιστεύσομεν ὑμῖν καλῶς διανενεμηκέναι. [4.5.46] καὶ ἄλλο δέ τι αὖ ἡμεῖς πειρασόμεθα κοινὸν ἀγαθὸν πράττειν. ὁρᾶτε γὰρ δῆ, ἔφη, νυνὶ πρῶτον ἵπποι ὅσοι ἡμῖν πάρεσιν, οἱ δὲ προσάγονται· τούτους οὖν εἰ μὲν ἐάσομεν ἀναμβάτους, ὠφελήσουσι μὲν οὐδὲν ἡμᾶς, πράγματα δὲ παρέξουσιν ἐπιμέλестhai· ἦν δὲ ἱππείας ἐπ' αὐτοὺς καταστήσωμεν, ἅμα πραγμάτων τε ἀπαλλαξόμεθα καὶ ἰσχὺν ἡμῖν αὐτοῖς προσθησόμεθα. [4.5.47] εἰ μὲν οὖν ἄλλους ἔχετε οἷστισιν ἂν δοίητε αὐτούς, μεθ' ὧν ἂν καὶ κινδυνεύοιτε ἡδίων, εἰ τι δέοι, ἢ μεθ' ἡμῶν, ἐκείνοις δίδοτε· εἰ μέντοι ἡμᾶς βούλεσθε παραστάτας μάλιστα ἔχειν ἡμῖν αὐτοὺς δότε. [4.5.48] καὶ γὰρ νῦν ὅτε ἄνευ ἡμῶν προσελάσαντες ἐκινδυνεύετε, πολὺν μὲν φόβον ἡμῖν παρείχετε μὴ τι πάθητε, μάλα δὲ αἰσχύνεσθαι ἡμᾶς ἐποιήσατε ὅτι οὐ παρήμεν ὅπουπερ ὑμεῖς· ἦν δὲ λάβωμεν τοὺς ἵππους, ἐψόμεθα ὑμῖν. [4.5.49] κἂν μὲν δοκῶμεν ὠφελεῖν πλεον ἂπ' αὐτῶν συναγωνιζόμενοι, οὕτω προθυμίας οὐδὲν ἐλλείψομεν· ἦν δὲ πεζοὶ γενόμενοι δοκῶμεν καιριωτέρως ἂν παρεῖναι, τό τε καταβῆναι ἐν μέσσω καὶ εὐθύς πεζοὶ ὑμῖν παρεσόμεθα· τοὺς δ' ἵππους μηχανησόμεθα οἷς ἂν παραδοίημεν. [4.5.50] ὁ μὲν οὕτως ἔλεξεν· οἱ δὲ ἀπεκρίναντο· Ἀλλ' ἡμεῖς μὲν, ὦ Κῦρε, οὐτ' ἄνδρας ἔχομεν οὓς ἀναβιβάσαιμεν ἂν ἐπὶ τούτους τοὺς ἵππους, οὐτ' εἰ εἴχομεν, σοῦ ταῦτα βουλομένου ἄλλο ἂν ἀντὶ τούτων ἡιρούμεθα. καὶ νῦν, ἔφασαν, τούτους λαβὼν ποιεῖ ὅπως ἄριστόν σοι δοκεῖ εἶναι. [4.5.51] Ἀλλὰ δέχομαί τε, ἔφη, καὶ ἀγαθῇ τύχῃ ἡμεῖς τε ἱππεῖς γενοίμεθα καὶ ὑμεῖς διέλοιτε τὰ κοινά. πρῶτον μὲν οὖν τοῖς θεοῖς, ἔφη, ἐξαιρεῖτε ὁ τι ἂν οἱ μάγοι ἐξηγῶνται· ἔπειτα δὲ καὶ Κυαζάρῃ ἐκλέξασθε ὅποι' ἂν οἴεσθε αὐτῷ μάλιστα χαρίζεσθαι. [4.5.52] καὶ οἱ γελάσαντες εἶπον ὅτι γυναικας ἐξαιρετέον εἶη. Γυναικᾶς τε τοῖνυν ἐξαιρεῖτε, ἔφη, καὶ ἄλλο ὁ τι ἂν δοκῇ ὑμῖν. ἐπειδὴν δ' ἐκείνῳ ἐξέλητε, τοὺς ἐμοί, ὦ Ὑρκάνιοι, ἐθελουσίους τούτους

ἐπισπομένους πάντας ἀμέμπτους ποιεῖτε εἰς δύναμιν. [4.5.53] ὑμεῖς δ' αὖ, ὦ Μῆδοι, τοὺς πρώτους συμμάχους γενομένους τιμᾶτε τούτους, ὅπως εὖ βεβουλεῦσθαι ἡγήσωνται ἡμῖν φίλοι γενόμενοι. νείματε δὲ πάντων τὸ μέρος καὶ τῷ παρὰ Κυαζάρου ἦκοντι αὐτῷ τε καὶ τοῖς μετ' αὐτοῦ· καὶ συνδιαμένειν δὲ παρακαλεῖτε, ὥς ἐμοὶ τοῦτο συνδοκοῦν, ἵνα καὶ Κυαζάρῃ μᾶλλον εἰδῶς περὶ ἐκάστου ἀπαγγείλῃ τὰ ὄντα. [4.5.54] Πέρσαις δ', ἔφη, τοῖς μετ' ἐμοῦ, ὅσα ἂν περιττὰ γένηται ὑμῶν καλῶς κατεσκευασμένων, ταῦτα ἀρκέσει· καὶ γάρ, ἔφη, μάλα πῶς ἡμεῖς οὐκ ἐν χλιδῇ τεθράμμεθα ἀλλὰ χωριτικῶς, ὥστε ἴσως ἂν ἡμῶν καταγελάσατε, εἴ τι σεμνὸν ἡμῖν περιτεθεῖη, ὥσπερ, ἔφη, οἷδ' ὅτι πολὺν ὑμῖν γέλωτα παρέξομεν καὶ ἐπὶ τῶν ἵππων καθήμενοι, οἶμαι δ', ἔφη, καὶ ἐπὶ τῆς γῆς καταπίπτοντες.

[4.5.55] Ἐκ τούτου οἱ μὲν ἦσαν ἐπὶ τὴν διαίρεσιν, μάλα ἐπὶ τῷ ἱππικῷ γελῶντες· ὁ δὲ τοὺς ταξιάρχους καλέσας ἐκέλευσε τοὺς ἵππους λαμβάνειν καὶ τὰ τῶν ἵππων σκευὴ καὶ τοὺς ἵπποκόμους, καὶ ἀριθμήσαντας <δια>λαβεῖν κληρωσαμένους εἰς τάξιν ἴσους ἐκάστοις. [4.5.56] αὐθις δὲ ὁ Κῦρος ἀνειπεῖν ἐκέλευσεν, εἴ τις εἴῃ ἐν τῷ Ἀσσυρίων ἢ Σύρων ἢ Ἀραβίων στρατεύματι ἀνὴρ δοῦλος ἢ Μήδων ἢ Περσῶν ἢ Βακτρίων ἢ Καρῶν ἢ Κιλικίων ἢ Ἑλλήνων ἢ ἄλλοθεν ποθεν βεβιασμένος, ἐκφαίνεσθαι. [4.5.57] οἱ δὲ ἀκούσαντες τοῦ κήρυκος ἄσμενοι πολλοὶ προυφάνησαν· ὁ δ' ἐκλεξάμενος αὐτῶν τοὺς τὰ εἶδη βελτίστους ἔλεγεν ὅτι ἐλευθέρους αὐτοὺς ὄντας δεήσει ὅπλα ὑποφέρειν ἢ ἂν αὐτοῖς διδῶσι· τὰ δ' ἐπιτήδεια ὅπως ἂν ἔχωσιν ἔφη αὐτῷ μελήσειν. [4.5.58] καὶ εὐθὺς ἄγων πρὸς τοὺς ταξιάρχους συνέστησεν αὐτούς, καὶ ἐκέλευσε τὰ τε γέρρα καὶ τὰς ψιλὰς μαχαίρας τούτοις δοῦναι, ὅπως ἔχοντες σὺν τοῖς ἵπποις ἔπωνται, καὶ τὰ ἐπιτήδεια τούτοις ὥσπερ καὶ τοῖς μετ' αὐτοῦ Πέρσαις λαμβάνειν, αὐτοὺς δὲ τοὺς θώρακας καὶ τὰ ξυστὰ ἔχοντας ἀεὶ ἐπὶ τῶν ἵππων ὀχεῖσθαι, καὶ αὐτὸς οὕτω ποιῶν κατήρχεν, ἐπὶ δὲ τοὺς πεζοὺς τῶν ὁμοτίμων ἀνθ' αὐτοῦ ἕκαστον καθιστάναι ἄλλον ἄρχοντα τῶν ὁμοτίμων.

[4.6.1] Οἱ μὲν δὴ ἀμφὶ ταῦτα εἶχον. Γωβρύας δ' ἐν τούτῳ παρῆν Ἀσσύριος πρεσβύτης ἀνὴρ ἐφ' ἵππου σὺν ἱππικῇ θεραπείᾳ· εἶχον δὲ πάντες τὰ ἐφίππων ὅπλα. καὶ οἱ μὲν ἐπὶ τῷ τὰ ὅπλα παραλαμβάνειν τεταγμένοι ἐκέλευον παραδιδόναι τὰ ξυστὰ, ὅπως κατακαίοιεν ὥσπερ τᾶλλα. ὁ δὲ Γωβρύας εἶπεν ὅτι Κῦρον πρῶτον βούλοιο ἰδεῖν· καὶ οἱ ὑπηρέται τοὺς μὲν ἄλλους ἱππέας αὐτοῦ κατέλιπον, τὸν δὲ

Γωβρύαν ἄγουσι πρὸς τὸν Κῦρον. [4.6.2] ὁ δ' ὡς εἶδε τὸν Κῦρον, ἔλεξεν ὧδε· ὦ δέσποτα, ἐγὼ εἰμι τὸ μὲν γένος Ἀσσύριος· ἔχω δὲ καὶ τεῖχος ἰσχυρὸν καὶ χώρας ἐπάρχῳ πολλῆς· καὶ ἵππον ἔχω εἰς χιλίαν, ἣν τῷ τῶν Ἀσσυρίων βασιλεῖ παρειχόμεν καὶ φίλος ἦν ἐκείνῳ ὡς μάλιστα· ἐπεὶ δὲ ἐκεῖνος τέθηκεν ὑφ' ὑμῶν ἀνὴρ ἀγαθὸς ὢν, ὁ δὲ παῖς ἐκείνου τὴν ἀρχὴν ἔχει ἔχθιστος ὢν ἐμοί, ἥκω πρὸς σὲ καὶ ἰκέτης προσπίπτω καὶ δίδωμί σοι ἐμαυτὸν δοῦλον καὶ σύμμαχον, σὲ δὲ τιμωρὸν αἰτοῦμαι ἐμοὶ γενέσθαι· καὶ παῖδα οὕτως ὡς δυνατόν σε ποιοῦμαι· ἅπαις δ' εἰμὶ ἀρρένων παίδων. [4.6.3] ὃς γὰρ ἦν μοι μόνος καὶ καλὸς κἀγαθός, ὃ δέσποτα, καὶ ἐμὲ φιλῶν καὶ τιμῶν ὥσπερ ἂν εὐδαίμονα πατέρα παῖς τιμῶν τιθεῖν, τοῦτον ὁ νῦν βασιλεὺς οὗτος καλέσαντος τοῦ τότε βασιλέως, πατὴρ δὲ τοῦ νῦν, ὡς δώσοντος τὴν θυγατέρα τῷ ἐμῷ παιδί, ἐγὼ μὲν ἀπεπεμψάμην μέγα φρονῶν ὅτι δῆθεν τῆς βασιλείας θυγατρὸς ὁποίμην τὸν ἐμὸν υἱὸν γαμέτην· ὁ δὲ νῦν βασιλεὺς εἰς θήραν αὐτοῦ παρακαλέσας καὶ ἀνεῖς αὐτῷ θηρᾶν ἀνὰ κράτος, ὡς πολλὸν κρεῖττων αὐτοῦ ἱππεὺς ἡγούμενος εἶναι, ὁ μὲν ὡς φίλῳ συνεθήρα, φανείσης δ' ἄρκτου διώκοντες ἀμφοτέροι, ὁ μὲν νῦν ἄρχων οὗτος ἀκοντίσας ἡμαρτεν, ὡς μήποτε ὠφελεν, ὁ δ' ἐμὸς παῖς βαλὼν, οὐδὲν δέον, καταβάλλει τὴν ἄρκτον. [4.6.4] καὶ τότε μὲν δὴ ἀνιαιθεὶς ἄρ' οὗτος κατέσχεν ὑπὸ σκότου τὸν φθόνον· ὡς δὲ πάλιν λέοντος παρατυχόντος ὁ μὲν αὖ ἡμαρτεν, οὐδὲν οἶμαι θαυμαστὸν παθὼν, ὁ δ' αὖ ἐμὸς παῖς αὐτῆς τυχὼν κατειργάσατό τε τὸν λέοντα καὶ εἶπεν· Ἄρα βέβληκα δις ἐφεξῆς καὶ καταβέβληκα θήρα ἐκατεράκις, ἐν τούτῳ δὴ οὐκέτι κατίσχει ὁ ἀνόσιος τὸν φθόνον, ἀλλ' αἰχμὴν παρά τινος τῶν ἐπομένων ἀρπάσας, παίσας εἰς τὰ στέρνα τὸν μόνον μοι καὶ φίλον παῖδα ἀφείλετο τὴν ψυχὴν. [4.6.5] κἀγὼ μὲν ὁ τάλας νεκρὸν ἀντὶ νυμφίου ἐκομισάμην καὶ ἔθαψα τηλικούτος ὢν ἄρτι γενειάσκοντα τὸν ἄριστον παῖδα τὸν ἀγαπητόν· ὁ δὲ κατακανὼν ὥσπερ ἐχθρὸν ἀπολέσας οὔτε μεταμελόμενος πώποτε φανερός ἐγένετο οὔτε ἀντὶ τοῦ κακοῦ ἔργου τιμῆς τινος ἠξίωσε τὸν κατὰ γῆς. ὁ γε μὴν πατήρ αὐτοῦ καὶ συνώικτισέ με καὶ δηλὸς ἦν συναχθόμενός μοι τῇ συμφορᾷ. [4.6.6] ἐγὼ οὖν, εἰ μὲν ἔζη ἐκεῖνος, οὐκ ἂν ποτε ἦλθον πρὸς σὲ ἐπὶ τῷ ἐκείνου κακῷ· πολλὰ γὰρ φιλικὰ ἔπαθον ὑπ' ἐκείνου καὶ ὑπηρετήσα ἐκείνῳ· ἐπεὶ δ' εἰς τὸν τοῦ ἐμοῦ παιδὸς φονέα ἡ ἀρχὴ περιήκει, οὐκ ἂν ποτε τούτῳ ἐγὼ δυναίμην εὖνους γενέσθαι, οὐδὲ οὗτος ἐμὲ εὖ οἶδ' ὅτι φίλον ἂν ποτε ἡγήσαιτο. οἶδε γὰρ ὡς ἐγὼ πρὸς αὐτὸν ἔχω καὶ ὡς πρόσθεν φαιδρῶς βιοτεύων νυνὶ

διάκειμαι, ἔρημος ὢν καὶ διὰ πένθους τὸ γῆρας διάγων. [4.6.7] εἰ οὖν
σύ με δέχῃ καὶ ἐλπίδα τινὰ λάβοιμι τῷ φίλῳ παιδί τιμωρίας ἄν
τινος μετὰ σοῦ τυχεῖν, καὶ ἀνηβῆσαι ἄν ἄλλιν δοκῶ μοι καὶ οὔτε ζῶν
ἄν ἔτι αἰσχυνοίμην οὔτε ἀποθνήσκων ἀνιώμενος ἄν τελευτᾶν δοκῶ.
[4.6.8] ὁ μὲν οὕτως εἶπε· Κῦρος δ' ἀπεκρίνατο· Ἄλλ' ἦνπερ, ὦ
Γωβρύα, καὶ φρονῶν φαίνειν ὅσαπερ λέγεις πρὸς ἡμᾶς, δέχομαι τε
ικέτην σε καὶ τιμώρησίν σοι τοῦ παιδὸς σὺν θεοῖς ὑπισχνοῦμαι.
λέξον δέ μοι, ἔφη, ἔάν σοι ταῦτα ποιῶμεν καὶ τὰ τεῖχῃ σε ἔχειν ἐῷμεν
καὶ τὴν χώραν καὶ τὰ ὄπλα καὶ τὴν δύναμιν ἦνπερ πρόσθεν εἶχες, σὺ
ἡμῖν τί ἀντὶ τούτων ὑπηρετήσεις; [4.6.9] ὁ δὲ εἶπε· Τὰ μὲν τεῖχῃ, ὅταν
ἔλθῃς, οἶκόν σοι παρέξω· δασμὸν δὲ τῆς χώρας ὄνπερ ἔφερον
ἐκείνῳ σοὶ ἀποίσω, καὶ ὅποι ἂν στρατεύῃ συστρατεύσομαι τὴν ἐκ
τῆς χώρας δύναμιν ἔχων. ἔστι δέ μοι, ἔφη, καὶ θυγάτηρ παρθένος
ἀγαπητὴ γάμου ἤδη ὥραία, ἣν ἐγὼ πρόσθεν μὲν ὤμιην τῷ νῦν
βασιλεύοντι γυναιῖκα τρέφειν· νῦν δὲ αὐτὴ τέ με ἡ θυγάτηρ πολλὰ
γοωμένη ἰκέτευσε μὴ δοῦναι αὐτὴν τῷ τοῦ ἀδελφοῦ φονεῖ, ἐγὼ τε
ὡσαύτως γινώσκω. νῦν δέ σοι δίδωμι βουλευσασθαι καὶ περὶ
ταύτης οὔτως ὥσπερ ἂν καὶ ἐγὼ βουλεύων περὶ σοῦ φαίνομαι. [4.6.10]
οὕτω δὴ ὁ Κῦρος εἶπεν· Ἐπὶ τούτοις, ἔφη, ἐγὼ ἀληθευομένοις δίδωμί
σοι τὴν ἐμὴν καὶ λαμβάνω τὴν σὴν δεξιάν· θεοὶ δ' ἡμῖν μάρτυρες
ἔστων. ἐπεὶ δὲ ταῦτα ἐπράχθη, ἀπιέναι τε κελεύει τὸν Γωβρύαν
ἔχοντα τὰ ὄπλα καὶ ἐπήρετο πόση τις ὁδὸς ὡς αὐτὸν εἴη, ὡς ἦξων. ὁ
δ' ἔλεξεν· Ἦν αὔριον ἴης πρῶι, τῇ ἐτέραι ἂν αὐλίζοιο παρ' ἡμῖν.

[4.6.11] Οὕτω δὴ οὗτος μὲν ὤιχετο ἡγεμόνα καταλιπών. οἱ δὲ Μῆδοι
παρῆσαν, ἃ μὲν οἱ μάγοι ἔφρασαν τοῖς θεοῖς ἐξελεῖν, ἀποδόντες τοῖς
μάγοις, Κύρῳ δ' ἐξηρηκότες τὴν καλλίστην σκηνὴν καὶ τὴν
Σουσίδα γυναιῖκα, ἣ καλλίστη δὴ λέγεται ἐν τῇ Ἀσίᾳ γυνὴ γενέσθαι,
καὶ μουσουργοὺς δὲ δύο τὰς κρατίστας, δεύτερον δὲ Κυαζάρῃ τὰ
δεύτερα, τοιαῦτα δὲ ἄλλα ὧν ἐδέοντο ἑαυτοῖς ἐκπληρώσαντες, ὡς
μηδενὸς ἐνδεόμενοι στρατεύωνται· πάντα γὰρ ἦν πολλὰ. [4.6.12]
προσέλαβον δὲ καὶ Ὑρκάνιοι ὧν ἐδέοντο· ἰσόμοιρον δὲ ἐποίησαν καὶ
τὸν παρὰ Κυαζάρου ἄγγελον· τὰς δὲ περιττὰς σκηνὰς ὅσαι ἦσαν
Κύρῳ παρέδωκαν, ὡς τοῖς Πέρσαις γένοιτο. τὸ δὲ νόμισμα ἔφασαν,
ἐπειδὴν ἅπαν συλλεχθῇ, διαδώσειν· καὶ διέδωκαν.

Βιβλίον ε'

[5.1.1] Οἱ μὲν δὴ ταῦτ' ἔπραζάν τε καὶ ἔλεξαν. ὁ δὲ Κῦρος τὰ μὲν Κυαζάρου ἐκέλευσε διαλαβόντας φυλάττειν οὓς ἡίδει οἰκειοτάτους αὐτῶι ὄντας· καὶ ὅσα δὲ ἐμοὶ δίδοτε, ἡδέως, ἔφη, δέχομαι· χρήσεται δ' αὐτοῖς ὑμῶν ὁ ἀεὶ μάλιστα δεόμενος. φιλόμουσος δέ τις τῶν Μήδων εἶπε· Καὶ μὴν ἐγώ, ὦ Κῦρε, τῶν μουσουργῶν ὁ δὲ Κῦρος εἶπεν· Ἀλλ' ἐγώ, ἔφη, καὶ δίδωμί σοι καὶ χάριν ἀκούσας ἐσπέρας ὧν σὺ νῦν ἔχεις, ἡκουσά τε ἡδέως κἄν μοι δῶις αὐτῶν μίαν, στρατεύεσθαι ἄν μοι δοκῶ ἥδιον ἢ οἴκοι μένειν. ὁ δὲ Κῦρος εἶπεν· Ἀλλ' ἐγώ, ἔφη, καὶ δίδωμί σοι καὶ χάριν οἶομαι σοὶ πλείω ἔχειν ὅτι ἐμὲ ἡιτησας ἢ σὺ ἐμοὶ ὅτι λαμβάνεις· οὕτως ἐγώ ὑμῖν διψῶ χαρίζεσθαι. ταύτην μὲν οὖν ἔλαβεν ὁ αἰτήσας.

[5.1.2] Καλέσας δὲ ὁ Κῦρος Ἀράσπαν Μῆδον, ὃς ἦν αὐτῶι ἐκ παιδὸς ἐταῖρος, ᾧ καὶ τὴν στολὴν ἐκδὺς ἔδωκε τὴν Μηδικήν, ὅτε παρ' Ἀστυάγους εἰς Πέρσας ἀπήιε, τοῦτον ἐκέλευσε διαφυλάξαι αὐτῶι τὴν τε γυναῖκα καὶ τὴν σκηνήν· [5.1.3] ἦν δὲ αὕτη ἡ γυνὴ τοῦ Ἀβραδάτου τοῦ Σουσίου· ὅτε δὲ ἤλίσκετο τὸ τῶν Ἀσσυρίων στρατόπεδον, ὁ ἀνὴρ αὐτῆς οὐκ ἔτυχεν ἐν τῶι στρατοπέδῳ ὧν, ἀλλὰ πρὸς τὸν τῶν Βακτρίων βασιλέα πρεσβεύων ὤιχετο· ἔπεμψε δὲ αὐτὸν ὁ Ἀσσύριος περὶ συμμαχίας· ξένος γὰρ ὧν ἐτύγχανε τῶι τῶν Βακτρίων βασιλεῖ· ταύτην οὖν ἐκέλευσεν ὁ Κῦρος διαφυλάττειν τὸν Ἀράσπαν, ἕως ἂν αὐτὸς λάβῃ. [5.1.4] κελευόμενος δὲ ὁ Ἀράσπας ἐρήρετο· Ἐώρακας δ', ἔφη, ὦ Κῦρε, τὴν γυναῖκα, ἣν με κελεύεις φυλάττειν; Μὰ Δί', ἔφη ὁ Κῦρος, οὐκ ἔγωγε. Ἀλλ' ἐγώ, ἔφη, ἡνίκα ἐξηιροῦμέν σοι αὐτήν· καὶ δῆτα, ὅτε μὲν εἰσῆλθομεν εἰς τὴν σκηνὴν αὐτῆς, τὸ πρῶτον οὐ διέγνωμεν αὐτήν· χαμαὶ τε γὰρ ἐκάθητο καὶ αἰθεράπαινοι πᾶσαι περὶ αὐτήν· καὶ τοίνυν ὁμοίαν ταῖς δούλαις εἶχε τὴν ἐσθῆτα· ἐπεὶ δὲ γνῶναι βουλόμενοι ποία εἴη ἡ δέσποινα πάσας περιεβλέψαμεν, ταχὺ πάνυ καὶ πασῶν ἐφαίνετο διαφέρουσα τῶν ἄλλων, καίπερ καθημένη κεκαλυμμένη τε καὶ εἰς γῆν ὀρῶσα. [5.1.5] ὥς δὲ ἀναστῆναι αὐτήν ἐκελεύσαμεν, συνανέστησαν μὲν αὐτῇ ἅπασαι αἱ ἄμφ' αὐτήν, διήνεγκε δ' ἐνταῦθα πρῶτον μὲν τῶι μεγέθει, ἔπειτα δὲ καὶ τῇ ἀρετῇ καὶ τῇ εὐσχημοσύνῃ, καίπερ ἐν ταπεινῶι σχήματι ἐστηκυῖα. δῆλα δ' ἦν αὐτῇ καὶ τὰ δάκρυα στάζοντα, τὰ μὲν κατὰ τῶν πέπλων, τὰ δὲ καὶ ἐπὶ τοὺς πόδας. [5.1.6] ὥς δ' ἡμῶν ὁ γεραίτατος

εἶπε, Θάρρει, ὦ γύναι· καλὸν μὲν γὰρ καγαθὸν ἀκούομεν καὶ τὸν σὸν ἄνδρα εἶναι· νῦν μέντοι ἐξαιροῦμεν ἀνδρὶ σε εὖ ἴσθι ὅτι οὔτε τὸ εἶδος ἐκείνου χεῖρονι οὔτε τὴν γνώμην οὔτε δύναμιν ἤττω ἔχοντι, ἀλλ' ὥς ἡμεῖς γε νομίζομεν, εἴ τις καὶ ἄλλος ἀνὴρ, καὶ Κῦρος ἄξιός ἐστι θαυμάζεσθαι, οὗ σὺ ἔσθι τὸ ἀπὸ τοῦδε· ὥς οὖν τοῦτο ἤκουσεν ἡ γυνή, περικατερρήξατό τε τὸν ἄνωθεν πέπλον καὶ ἀνωδύρατο· συνανεβόησαν δὲ καὶ αἱ δμωαί. [5.1.7] ἐν τούτῳ δὲ ἐφάνη μὲν αὐτῆς τὸ πλεῖστον μέρος τοῦ προσώπου, ἐφάνη δὲ ἡ δέρη καὶ αἱ χεῖρες· καὶ εὖ ἴσθι, ἔφη, ὦ Κῦρε, ὥς ἐμοί τε ἔδοξε καὶ τοῖς ἄλλοις ἅπασι τοῖς ἰδοῦσι μήπω φῦναι μηδὲ γενέσθαι γυνὴ ἀπὸ θνητῶν τοιαύτη ἐν τῇ Ἀσίᾳ· ἀλλὰ πάντως, ἔφη, καὶ σὺ θέασαι αὐτήν. [5.1.8] καὶ ὁ Κῦρος ἔφη· [Ναί] Μὰ Δία, πολὺ γε ἤττον, εἰ τοιαύτη ἐστὶν οἷαν σὺ λέγεις. Τί δαί; ἔφη ὁ νεανίσκος. Ὅτι, ἔφη, εἰ νυνὶ σοῦ ἀκούσας ὅτι καλὴ ἐστὶ πεισθήσομαι ἐλθεῖν θεασόμενος, οὐδὲ πάνυ μοι σχολῆς οὔσης, δέδοικα μὴ πολὺ θάπτον ἐκείνη αὖθις ἀναπεῖσθαι καὶ πάλιν ἐλθεῖν θεασόμενον· ἐκ δὲ τούτου ἴσως ἂν ἀμελήσας ὦν με δεῖ πράττειν καθήμην ἐκείνην θεώμενος.

[5.1.9] Καὶ ὁ νεανίσκος ἀναγελάσας εἶπεν· Οἶει γάρ, ἔφη, ὦ Κῦρε, ἱκανὸν εἶναι κάλλος ἀνθρώπου ἀναγκάζειν τὸν μὴ βουλόμενον πράττειν παρὰ τὸ βέλτιστον; εἰ μέντοι, ἔφη, τοῦτο οὕτως ἐπεφύκει, πάντας ἂν ἠνάγκαζεν ὁμοίως. [5.1.10] ὁρᾷς, ἔφη, τὸ πῦρ, ὥς πάντας ὁμοίως καίει; πέφυκε γὰρ τοιοῦτον· τῶν δὲ καλῶν τῶν μὲν ἐρῶσι τῶν δ' οὐ, καὶ ἄλλος γε ἄλλου. ἐθελούσιον γάρ, ἔφη, ἐστί, καὶ ἐρᾷ ἕκαστος ὦν ἂν βούληται· αὐτίκ', ἔφη, οὐκ ἐρᾷ ἀδελφὸς ἀδελφῆς, ἄλλος δὲ ταύτης, οὐδὲ πατὴρ θυγατρὸς, ἄλλος δὲ ταύτης· καὶ γὰρ φόβος καὶ νόμος ἱκανὸς ἔρωτα κωλύειν. [5.1.11] εἰ δέ γ', ἔφη, νόμος τεθεῖη μὴ ἐσθίοντας μὴ πεινῆν καὶ μὴ πίνοντας μὴ διψῆν μηδὲ ῥιγοῦν τοῦ χειμῶνος μηδὲ θάλπεσθαι τοῦ θέρους, οὐδεὶς ἂν νόμος δυνηθεῖη διαπράξασθαι ταῦτα πείθεσθαι ἀνθρώπους· πεφύκασι γὰρ ὑπὸ τούτων κρατεῖσθαι. τὸ δ' ἐρᾶν ἐθελούσιόν ἐστιν· ἕκαστος γοῦν τῶν καθ' ἑαυτὸν ἐρᾷ, ὥσπερ ἱματίων καὶ ὑποδημάτων. [5.1.12] Πῶς οὖν, ἔφη ὁ Κῦρος, εἰ ἐθελούσιόν ἐστι τὸ ἐρασθῆναι, οὐ καὶ παύσασθαι ἔστιν ὅταν τις βούληται; ἀλλ' ἐγώ, ἔφη, ἐώρακα καὶ κλαίοντας ὑπὸ λύπης δι' ἔρωτα, καὶ δουλεύοντάς γε τοῖς ἐρωμένοις καὶ μάλα κακὸν νομίζοντας πρὶν ἐρᾶν τὸ δουλεύειν, καὶ διδόντας γε πολλὰ ὦν οὐ βέλτιον αὐτοῖς στέρεσθαι, καὶ εὐχομένους ὥσπερ καὶ ἄλλης τινὸς νόσου ἀπαλλαγῆναι, καὶ οὐ δυναμένους μέντοι ἀπαλλάττεσθαι, ἀλλὰ

δεδεμένους ισχυροτέραι τινὶ ἀνάγκῃ ἢ εἰ ἐν σιδήρῳ ἐδέδεντο. παρέχουσι γοῦν ἑαυτοὺς τοῖς ἐρωμένοις πολλὰ καὶ εἰκῇ ὑπηρετοῦντας· καὶ μέντοι οὐδ' ἀποδιδράσκειν ἐπιχειροῦσι, τοιαῦτα κακὰ ἔχοντες, ἀλλὰ καὶ φυλάττουσι τοὺς ἐρωμένους μὴ ποι ἀποδρῶσι.

[5.1.13] Καὶ ὁ νεανίσκος εἶπε πρὸς ταῦτα· Ποιοῦσι γάρ, ἔφη, ταῦτα· εἰσὶ μέντοι, ἔφη, οἱ τοιοῦτοι μοχθηροί· διόπερ οἶμαι καὶ εὐχονται μὲν αἰεὶ ὡς ἄθλιοι ὄντες ἀποθανεῖν, μυρίων δ' οὐσῶν μηχανῶν ἀπαλλαγῆς τοῦ βίου οὐκ ἀπαλλάττονται. οἱ αὐτοὶ δέ γε οὗτοι καὶ κλέπτειν ἐπιχειροῦσι καὶ οὐκ ἀπέχονται τῶν ἀλλοτρίων, ἀλλ' ἐπειδὴν τι ἀρπάσωσιν ἢ κλέψωσιν, ὁρᾷς ὅτι σὺ πρῶτος, ὡς οὐκ ἀναγκαῖον <ὄν> τὸ κλέπτειν, αἰτιᾷ τὸν κλέπτοντα καὶ ἀρπάζοντα, καὶ οὐ συγγιγνώσκεις, ἀλλὰ κολάζεις; [5.1.14] οὕτω μέντοι, ἔφη, καὶ οἱ καλοὶ οὐκ ἀναγκάζουσιν ἐρᾶν ἑαυτῶν οὐδ' ἐφίεσθαι ἀνθρώπους ὧν μὴ δεῖ, ἀλλὰ τὰ μοχθηρὰ ἀνθρώπια πασῶν οἶμαι τῶν ἐπιθυμιῶν ἀκρατὴ ἐστὶ, κᾶπειτα ἔρωτα αἰτιῶνται· οἱ δέ γε καλοὶ κάγαθοι ἐπιθυμοῦντες καὶ χρυσίου καὶ ἵππων ἀγαθῶν καὶ γυναικῶν καλῶν, ὅμως πάντων τούτων δύνανται ἀπέχεσθαι ὥστε μὴ ἅπτεσθαι αὐτῶν παρὰ τὸ δίκαιον. [5.1.15] ἐγὼ γοῦν, ἔφη, ταύτην ἐωρακὼς καὶ πάνυ καλῆς δοξάσης μοι εἶναι ὅμως καὶ παρὰ σοί εἰμι καὶ ἱπεύω καὶ τᾶλλα τὰ ἐμοὶ προσήκοντα ἀποτελῶ. [5.1.16] Ναὶ μὰ Δί', ἔφη ὁ Κῦρος· ἴσως γὰρ θᾶπτον ἀπῆλθες ἢ ἐν ὅσῳ χρόνῳ ἔρως πέφυκε συσκευάζεσθαι ἄνθρωπον. καὶ πυρὸς γάρ τοι ἔστι θιγόντα μὴ εὐθὺς καίεσθαι καὶ τὰ ξύλα οὐκ εὐθὺς ἀναλάμπει· ὅμως δ' ἔγωγε οὔτε πυρὸς ἐκὼν εἶναι ἄπτομαι οὔτε τοὺς καλοὺς εἰσορῶ. οὐδέ γε σοὶ συμβουλευώ, ἔφη, ὦ Ἀράσπα, ἐν τοῖς καλοῖς ἔἴην τὴν ὄψιν ἐνδιατρίβειν· ὡς τὸ μὲν πῦρ τοὺς ἀπτομένους καίει, οἱ δὲ καλοὶ καὶ τοὺς ἄπωθεν θεωμένους ὑφάπτουσιν, ὥστε αἵθεσθαι τῷ ἔρωτι. [5.1.17] Θάρρει, ἔφη, ὦ Κῦρε· οὐδ' ἐὰν μηδέποτε παύσωμαι θεώμενος, οὐ μὴ κρατηθῶ ὥστε ποιεῖν τι ὧν μὴ χρή ποιεῖν. Κάλλιστα, ἔφη, λέγεις· φύλαττε τοίνυν, ἔφη, ὥσπερ σε κελεύω καὶ ἐπιμελοῦ αὐτῆς· ἴσως γὰρ ἂν πάνυ ἡμῖν ἐν καιρῷ γένοιτο αὕτη ἢ γυνή. [5.1.18] τότε μὲν δὴ ταῦτ' εἰπόντες διελύθησαν.

Ὁ δὲ νεανίσκος ἅμα μὲν ὁρῶν καλὴν τὴν γυναῖκα, ἅμα δὲ αἰσθανόμενος τὴν καλοκάγαθίαν αὐτῆς, ἅμα δὲ θεραπεύων αὐτὴν καὶ οἰόμενος χαρίζεσθαι αὐτῇ, ἅμα δὲ αἰσθανόμενος οὐκ ἀχάριστον οὔσαν, ἀλλ' ἐπιμελομένην διὰ τῶν αὐτῆς οἰκετῶν ὡς καὶ εἰσιόντι εἴη

αὐτῶι τὰ δέοντα καὶ εἴ ποτε ἀσθενήσειεν, ὥς μηδενὸς ἐνδέοιτο, ἐκ πάντων τούτων ἡλίσκετο ἔρωτι, καὶ ἴσως οὐδὲν θαυμαστὸν ἔπασχε. καὶ ταῦτα μὲν δὴ οὕτως ἐπράττετο.

[5.1.19] Βουλόμενος δὲ ὁ Κῦρος ἐθελοντὰς μένειν μεθ' ἑαυτοῦ τοὺς τε Μήδους καὶ τοὺς συμμάχους, συνεκάλεσε πάντας τοὺς ἐπικαιρίους· ἐπεὶ δὲ συνῆλθον, ἔλεξε τοιάδε. [5.1.20] Ἄνδρες Μῆδοι καὶ πάντες οἱ παρόντες, ἐγὼ ὑμᾶς οἶδα σαφῶς ὅτι οὔτε χρημάτων δεόμενοι σὺν ἐμοὶ ἐξήλθετε οὔτε Κυαξάρηι νομίζοντες τοῦτο ὑπηρετεῖν, ἀλλ' ἐμοὶ βουλόμενοι τοῦτο χαρίζεσθαι καὶ ἐμὲ τιμῶντες νυκτοπορεῖν καὶ κινδυνεύειν σὺν ἐμοὶ ἠθελήσατε. [5.1.21] καὶ χάριν τούτων ἐγὼ ὑμῖν ἔχω μὲν, εἰ μὴ ἀδικῶ· ἀποδιδόναι δὲ ἀξίαν οὐπω δύναμιν ἔχειν μοι δοκῶ. καὶ τοῦτο μὲν οὐκ αἰσχύνομαι λέγων· τὸ δ' Ἐὰν μένητε παρ' ἐμοί, ἀποδώσω, τοῦτο, εὖ ἴστε, ἔφη, αἰσχυνοίμην ἂν εἰπεῖν· νομίζω γὰρ <ἂν> ἐμαυτὸν εὐοικεῖναι λέγοντι ταῦτα ἔνεκα τοῦ ὑμᾶς μᾶλλον ἐθέλειν παρ' ἐμοὶ καταμένειν. ἀντὶ δὲ τούτου τάδε λέγω· ἐγὼ γὰρ ὑμῖν, κἂν ἤδη ἀπίητε Κυαξάρηι πειθόμενοι, ὅμως, ἂν ἀγαθὸν τι πράξω, πειράσομαι οὕτω ποιεῖν ὥστε καὶ ὑμᾶς ἐμὲ ἐπαινεῖν. [5.1.22] οὐ γὰρ δὴ αὐτός γε ἅπειμι, ἀλλὰ καὶ Ὑρκανίοις τοὺς ὄρκους καὶ τὰς δεξιὰς ἃς ἔδωκα ἐμπεδώσω καὶ οὐποτε τούτους προδιδούς ἀλώσομαι, καὶ τῶι νῦν διδόντι Γωβρῦαι καὶ τείχη ἡμῖν καὶ χώραν καὶ δύναμιν πειράσομαι ποιεῖν μὴ μεταμελῆσαι τῆς πρὸς ἐμὲ ὁδοῦ. [5.1.23] καὶ τὸ μέγιστον δὴ, θεῶν οὕτω διδόντων περιφανῶς ἀγαθὰ καὶ φοβοίμην ἂν αὐτοὺς καὶ αἰσχυνοίμην ἀπολιπὼν ταῦτα εἰκῇ ἀπελθεῖν. ἐγὼ μὲν οὖν οὕτως, ἔφη, ποιήσω· ὑμεῖς δὲ ὅπως γινώσκετε οὕτω καὶ ποιεῖτε, καὶ ἐμοὶ εἶπατε ὅ τι ἂν ὑμῖν δοκῇ. [5.1.24] ὁ μὲν οὕτως εἶπε.

Πρῶτος δ' ὁ φήσας ποτὲ συγγενῆς τοῦ Κύρου εἶναι εἶπεν· Ἀλλ' ἐγὼ μὲν, ἔφη, ὦ βασιλεῦ· βασιλεὺς γὰρ ἔμοιγε δοκεῖς σὺ φύσει πεφυκέναι οὐδὲν ἥττον ἢ ὁ ἐν τῶι σμήνει φυόμενος τῶν μελιττῶν ἡγεμών· ἐκείνῳ τε γὰρ αἱ μέλιτται ἐκοῦσαι μὲν πείθονται, ὅπου δ' ἂν μένηι, οὐδεμία ἐντεῦθεν ἀπέρχεται· ἐὰν δὲ ποι ἐξίῃ, οὐδεμία αὐτοῦ ἀπολείπεται· οὕτω δεινὸς τις ἔρως αὐταῖς τοῦ ἄρχεσθαι ὑπ' ἐκείνου ἐγγίγνεται. [5.1.25] καὶ πρὸς σὲ δέ μοι δοκοῦσι παραπλησίως πως οἱ ἄνθρωποι οὕτω διακεῖσθαι. καὶ γὰρ εἰς Πέρσας ὅτε παρ' ἡμῶν ἀπήιεις, τίς Μήδων ἢ νέος ἢ γέρων σοῦ ἀπελείφθη τὸ μὴ σοι ἀκολουθεῖν ἔστε Ἀστυάγης ἡμᾶς ἀπέστρεψεν; ἐπειδὴ δ' ἐκ Περσῶν βοηθὸς ἡμῖν ὠρμήθη, σχεδὸν αὖ ἐωρῶμεν τοὺς φίλους σου πάντας

ἐθελουσίους συνεπομένους. ὅτε δ' αὖ τῆς δεῦρο στρατείας ἐπεθύμησας πάντες σοι Μῆδοι ἐκόντες ἠκολούθησαν. [5.1.26] νῦν δ' αὖ οὕτως ἔχομεν ὡς σὺν μὲν σοὶ ὅμως καὶ ἐν τῇ πολεμίᾳ ὄντες θαρροῦμεν, ἄνευ δὲ σοῦ καὶ οἴκαδε ἀπίεναί φοβούμεθα. οἱ μὲν οὖν ἄλλοι ὅπως ποιήσουσιν αὐτοὶ ἐροῦσιν· ἐγὼ δέ, ὦ Κῦρε, καὶ ὦν ἐγὼ κρατῶ καὶ μενοῦμεν παρὰ σοὶ καὶ ὀρῶντες σὲ ἀνεξόμεθα καὶ καρτερήσομεν ὑπὸ σοῦ εὐεργετούμενοι.

[5.1.27] Ἐπὶ τούτῳ ἔλεξεν ὁ Τιγράνης ὧδε· Σύ, ἔφη, ὦ Κῦρε, μήποτε θαυμάσης ἂν ἐγὼ σιωπῶ· ἡ γὰρ ψυχὴ, ἔφη, οὐχ ὡς βουλευσούσα παρεσκεύασται ἀλλ' ὡς ποιήσουσα ὅ τι ἂν παραγγέλλῃς. [5.1.28] ὁ δὲ Ὑρκάνιος εἶπεν· Ἀλλ' ἐγὼ μὲν, ὦ Μῆδοι, εἰ νῦν ἀπέλθοιτε, δαίμονος ἂν φαίην τὴν ἐπιβουλὴν εἶναι τὸ μὴ εἶσαι ὑμᾶς μέγα εὐδαίμονας γενέσθαι· ἀνθρωπίνῃ δὲ γνώμῃ τίς ἂν ἢ φευγόντων πολέμιων ἀποτρέποιτο ἢ ὅπλα παραδιδόντων οὐκ ἂν λαμβάνοι ἢ ἑαυτοὺς διδόντων καὶ τὰ ἑαυτῶν οὐκ ἂν δέχοιτο, ἄλλως τε καὶ τοῦ ἡγεμόνος ἡμῖν ὄντος τοιούτου ὃς ἐμοὶ δοκεῖ, [ὥς] ὁμνυμι ὑμῖν πάντας τοὺς θεοὺς, εὖ ποιῶν ἡμᾶς μᾶλλον ἡδεσθαι ἢ ἑαυτὸν πλουτίζων. [5.1.29] ἐπὶ τούτῳ πάντες οἱ Μῆδοι τοιάδ' ἔλεγον· Σύ, ὦ Κῦρε, καὶ ἐξήγαγες ἡμᾶς καὶ οἴκαδε ὅταν ἀπίεναί καιρὸς δοκῇ, σὺν σοὶ ἡμᾶς ἄγε. ὁ δὲ Κῦρος ταῦτα ἀκούσας ἐπηύξατο· Ἀλλ', ὦ Ζεῦ μέγιστε, αἰτοῦμαί σε, δὸς τοὺς ἐμὲ τιμῶντας νικῆσαί με εὖ ποιοῦντα. [5.1.30] ἐκ τούτου ἐκέλευσε τοὺς μὲν ἄλλους φυλακὰς καταστήσαντας ἅμφ' αὐτοὺς ἤδη ἔχειν, τοὺς δὲ Πέρσας διαλαβεῖν τὰς σκηνάς, τοῖς μὲν ἱππεῦσι τὰς τούτοις πρεπούσας, τοῖς δὲ πεζοῖς τὰς τούτοις ἀρκούσας· καὶ οὕτω καταστήσασθαι ὅπως ποιοῦντες οἱ ἐν ταῖς σκηναῖς πάντα τὰ δέοντα φέρωσιν εἰς τὰς τάξεις τοῖς Πέρσαις καὶ τοὺς ἵππους τεθεραπευμένους παρέχωσι, Πέρσαις δὲ μηδὲν ἄλλο ἢ ἔργον ἢ τὰ πρὸς τὸν πόλεμον ἐκπονεῖν. ταύτην μὲν οὖν οὕτω διηγὼν τὴν ἡμέραν.

[5.2.1] Πρῶν δ' ἀναστάντες ἐπορεύοντο πρὸς Γωβρῦαν, Κῦρος μὲν ἐφ' ἵππου καὶ οἱ Περσῶν ἱππεῖς γεγεννημένοι εἰς δισχιλίους· οἱ δὲ τὰ τούτων γέρρα καὶ τὰς κοπίδας ἔχοντες ἐπὶ τούτοις εἶποντο, ἴσοι ὄντες τὸν ἀριθμόν· καὶ ἡ ἄλλη δὲ στρατιὰ τεταγμένη ἐπορεύετο. ἕκαστον δ' ἐκέλευσε τοῖς καινοῖς αὐτῶν θεράπουσιν εἰπεῖν ὅτι ὅστις ἂν αὐτῶν ἢ τῶν ὀπισθοφυλάκων φαίνηται ὀπισθαν ἢ τοῦ μετώπου πρόσθεν ἦν ἢ κατὰ <τὰ> πλάγια ἔξω τῶν ἐν τάξει ἰόντων ἀλίσκηται, κολασθήσεται. [5.2.2] δευτεραῖοι δὲ ἅμφι δείλῃν γίνονται πρὸς τῷ

Γωβρύα χωρίωι, καὶ ὀρῶσιν ὑπερίσχυρόν τε τὸ ἔρυμα καὶ ἐπὶ τῶν τειχῶν πάντα παρεσκευασμένα ὡς ἂν κράτιστα ἀπομάχοιτο· καὶ βοῦς δὲ πολλοὺς καὶ ἀμύπολλα πρόβατα ὑπὸ τὰ ἐρυμνὰ προσηγμένα ἐώρων. [5.2.3] πέμψας δ' ὁ Γωβρύας πρὸς τὸν Κῦρον ἐκέλευσε περιελάσαντα ἰδεῖν ἥ ἢ πρόσοδος εὐπετεστάτη, εἴσω δὲ πέμψαι πρὸς ἑαυτὸν τῶν πιστῶν τινας, οἵτινες αὐτῶι τὰ ἔνδον ἰδόντες ἀπαγγελοῦσιν. [5.2.4] οὕτω δὴ ὁ Κῦρος αὐτὸς μὲν τῶι ὄντι βουλόμενος ἰδεῖν εἴ που εἴη αἰρέσιμον τὸ τεῖχος, εἰ ψευδῆς φαίνοιτο ὁ Γωβρύας, περιήλανε πάντοθεν, ἐώρα τε ἰσχυρότερα πάντα ἢ προσελθεῖν· οὐς δ' ἔπεμψε πρὸς Γωβρύαν, ἀπήγγελλον τῶι Κύρῳ ὅτι τοσαῦτα εἴη ἔνδον ἀγαθὰ ὅσα ἐπ' ἀνθρώπων γενεάν, ὡς σφίσι δοκεῖν, μὴ ἂν ἐπιλιπεῖν τοὺς ἔνδον ὄντας. [5.2.5] ὁ μὲν δὴ Κῦρος ἐν φροντίδι ἦν ὃ τι ποτ' εἴη ταῦτα, ὁ δὲ Γωβρύας αὐτὸς τε ἐξήκει πρὸς αὐτὸν καὶ τοὺς ἔνδοθεν πάντας ἐξήγε φέροντας οἶνον, ἄλφιτα, ἄλευρα, ἄλλους δ' ἐλαύνοντας βοῦς, αἴγας, οἴς, σῦς, καὶ εἴ τι βρωτόν, πάντα ἱκανὰ προσήγον ὡς δειπνῆσαι πᾶσαν τὴν σὺν Κύρῳ στρατιάν. [5.2.6] οἱ μὲν δὴ ἐπὶ τούτῳ ταχθέντες διήρουν τε ταῦτα καὶ ἐδειπνοποιοῦν. ὁ δὲ Γωβρύας, ἐπεὶ πάντες αὐτῶι οἱ ἄνδρες ἔξω ἦσαν, εἰσιέναι τὸν Κῦρον ἐκέλευσεν ὅπως νομίζοι ἀσφαλέστατα. προεισπέμψας οὖν ὁ Κῦρος προσκόπους καὶ δύναμιν καὶ αὐτὸς οὕτως εἰσήκει. ἐπεὶ δ' εἰσῆλθεν ἀναπεπταμένας ἔχων τὰς πύλας, παρεκάλει πάντας τοὺς φίλους καὶ ἄρχοντας τῶν μεθ' ἑαυτοῦ. [5.2.7] ἐπειδὴ δὲ ἔνδον ἦσαν, ἐκφέρων ὁ Γωβρύας φιάλας χρυσᾶς καὶ πρόχους καὶ κάλπιδας καὶ κόσμον παντοῖον καὶ δαρεικοὺς ἀμέτρους τινὰς καὶ πάντα καλὰ πολλὰ, τέλος τὴν θυγατέρα, δεινόν τι κάλλος καὶ μέγεθος, πενθικῶς δ' ἔχουσαν τοῦ ἀδελφοῦ τεθνηκότος, ἐξάγων ὧδ' εἶπεν· Ἐγὼ σοι, ὦ Κῦρε, τὰ μὲν χρήματα ταῦτα δωροῦμαι, τὴν δὲ θυγατέρα ταύτην ἐπιτρέπω διαθέσθαι ὅπως ἂν σὺ βούλῃ· ἰκετεύομεν δέ, ἐγὼ μὲν καὶ πρόσθεν τοῦ υἱοῦ, αὕτη δὲ νῦν τοῦ ἀδελφοῦ τιμωρὸν γενέσθαι σε.

[5.2.8] Ὁ δὲ Κῦρος πρὸς ταῦτα εἶπεν· Ἄλλ' ἐγὼ σοὶ μὲν καὶ τότε ὑπεσχόμην ἀψευδοῦντός σου τιμωρήσειν εἰς δύναμιν· νῦν δὲ ὅτε ἀληθεύοντά σε ὀρῶ, ἤδη ὀφείλω τὴν ὑπόσχεσιν, καὶ ταύτη ὑπισχνοῦμαι τὰ αὐτὰ ταῦτα σὺν θεοῖς ποιήσειν. καὶ τὰ μὲν χρήματα ταῦτα, ἔφη, ἐγὼ μὲν δέχομαι, δίδωμι δ' αὐτὰ τῇ παιδί ταύτῃ κάκειναι ὅς ἂν γήμηι αὐτήν. ἐν δὲ δῶρον ἄπειμι ἔχων παρὰ σοῦ ἀνθ' οὗ οὐδ' ἂν τὰ ἐν Βαβυλῶνι, [εἰ ἐκεῖ πλεῖστά ἐστιν,] οὐδὲ τὰ πανταχοῦ [ἀντὶ τούτου οὗ σύ μοι δεδώρησαι] ἥδιον ἂν ἔχων

ἀπέλθοιμι. [5.2.9] καὶ ὁ Γωβρύας θαυμάσας τε τί τοῦτ' εἶη καὶ ὑποπεύσας μὴ τὴν θυγατέρα λέγοι, οὕτως ἤρετο· Καὶ τί τοῦτ' ἔστιν, ἔφη, ὦ Κῦρε; καὶ ὁ Κῦρος ἀπεκρίνατο· Ὅτι, ἔφη, ἐγώ, ὦ Γωβρύα, πολλοὺς μὲν οἶμαι εἶναι ἀνθρώπους οἱ οὔτε ἀσεβεῖν ἂν θέλοιεν οὔτε ἀδικεῖν οὔτε ἂν ψεύδοιντο ἐκόντες εἶναι· διὰ δὲ τὸ μηδένα αὐτοῖς ἠθελῆκέναι προέσθαι μήτε χρήματα πολλὰ μήτε τυραννίδα μήτε τείχη ἐρυμνὰ μήτε τέκνα ἀξίεραστα, ἀποθνήσκουσι πρότερον πρὶν δῆλοι γενέσθαι οἷοι ἦσαν· [5.2.10] ἐμοὶ δὲ σὺ νυνὶ καὶ τείχη ἐρυμνὰ καὶ πλοῦτον παντοδαπὸν καὶ δύναμιν τὴν σὴν καὶ θυγατέρα ἀξιόκτητον ἐγχειρίσας πεποιήκάς με δῆλον γενέσθαι πᾶσιν ἀνθρώποις ὅτι οὐτ' ἂν ἀσεβεῖν περὶ ξένους θέλωμι οὐτ' ἂν ἀδικεῖν χρημάτων ἔνεκα οὔτε συνθήκας ἂν ψευδοίμην ἐκὼν εἶναι. [5.2.11] τούτων ἐγώ, εὖ ἴσθι, ἕως ἂν ἀνὴρ δίκαιος ὦ καὶ δοκῶν εἶναι τοιοῦτος ἐπαινῶμαι ὑπ' ἀνθρώπων, οὐποτ' ἐπιλήσομαι, ἀλλὰ πειράσομαί σε ἀντιτιμῆσαι πᾶσι τοῖς καλοῖς. [5.2.12] καὶ ἀνδρὸς δ', ἔφη, τῇ θυγατρὶ μὴ φοβοῦ ὥς ἀπορήσεις ἀξίου ταύτης· πολλοὶ γὰρ καὶ ἀγαθοὶ φίλοι εἰσὶν ἐμοί· ὧν τις γαμῇ ταύτην· εἰ μέντοι χρήμαθ' ἔξει τοσαῦτα ὅσα σὺ δίδως ἢ καὶ ἄλλα πολλαπλάσια τούτων, οὐκ ἂν ἔχοιμι εἰπεῖν· σὺ μέντοι εὖ ἴσθι ὅτι εἰσὶ τινες αὐτῶν οἱ ὧν μὲν σὺ δίδως χρημάτων οὐδὲ μικρὸν τούτων ἔνεκά σε μᾶλλον θαυμάζουσιν· ἐμὲ δὲ ζηλοῦσι νυνὶ καὶ εὐχονται πᾶσι θεοῖς γενέσθαι ποτὲ ἐπιδεῖξασθαι ὥς πιστοὶ μὲν εἰσιν οὐδὲν ἤττον ἐμοῦ τοῖς φίλοις, τοῖς δὲ πολεμίοις ὥς οὐποτ' ἂν ὑφείντο ζῶντες, εἰ μὴ τις θεὸς βλάπτοι· ἀντὶ δ' ἀρετῆς καὶ δόξης ἀγαθῆς ὅτι οὐδ' ἂν τὰ Σύρων πρὸς τοῖς σοῖς καὶ Ἀσσυρίων πάντα προέλοιντο· τοιοῦτους ἄνδρας εὖ ἴσθι ἐνταῦθα καθημένους. [5.2.13] καὶ ὁ Γωβρύας εἶπε γελάσας· Πρὸς τῶν θεῶν, ἔφη, ὦ Κῦρε, δεῖξον δὴ μοι ποῦ οὗτοί εἰσιν, ἵνα σε τούτων τινὰ αἰτήσωμαι παῖδά μοι γενέσθαι. καὶ ὁ Κῦρος εἶπεν· Ἀμέλει, ἔφη, οὐδὲν ἐμοῦ σε δεήσει πυνθάνεσθαι, ἀλλ' ἂν σὺν ἡμῖν ἔπηι, αὐτὸς σὺ ἔξεις καὶ ἄλλωι δεικνύναι αὐτῶν ἕκαστον.

[5.2.14] Τοσαῦτ' εἰπὼν δεξιάν τε λαβὼν τοῦ Γωβρύα καὶ ἀναστὰς ἐξήκει, καὶ τοὺς μεθ' αὐτοῦ ἐξῆγεν ἅπαντας· καὶ πολλὰ δεομένου τοῦ Γωβρύα ἔνδον δειπνεῖν οὐκ ἠθέλησεν, ἀλλ' ἐν τῷ στρατοπέδῳ ἐδείπνει καὶ τὸν Γωβρύαν σύνδειπνον παρέλαβεν. [5.2.15] ἐπὶ στιβάδος δὲ κατακλινεῖς ἤρετο αὐτὸν ὧδε· Εἰπέ μοι, ἔφη ὦ Γωβρύα, πότερον οἶοι σοὶ εἶναι πλείω ἢ ἐκάστωι ἡμῶν στρώματα; καὶ ὡς εἶπεν· Ὑμῖν νῆ Δί' εὖ οἶδ' ὅτι, ἔφη, καὶ στρώματα πλείω ἐστὶ καὶ κλῖναι, καὶ οἰκία γε πολὺ μείζων ἢ ὑμετέρα τῆς ἐμῆς, οἱ γε οἰκίαι μὲν χρῆσθε

γῆι τε καὶ οὐρανῶι, κλῖναι δ' ὑμῖν εἰσιν ὅποσαι εὖναι γένοιντ' ἂν ἐπὶ γῆς· στρώματα δὲ νομίζετε οὐχ ὅσα πρόβατα φύει, ἀλλ' ὅσα ὄρη τε καὶ πεδία ἀνίησι. [5.2.16] τὸ μὲν δὴ πρῶτον συνδειπνῶν αὐτοῖς ὁ Γωβρύας καὶ ὀρῶν τὴν φαυλότητα τῶν παρατιθεμένων βρωμάτων πολὺ σφᾶς ἐνόμιζεν ἐλευθεριωτέρους εἶναι αὐτῶν· [5.2.17] ἐπεὶ δὲ κατενόησε τὴν μετριότητα τῶν συσσίτων· ἐπ' οὐδενὶ γὰρ βρώματι οὐδὲ πώματι Πέρσης ἀνὴρ τῶν πεπαιδευμένων οὐτ' ἂν ὄμμασιν ἐκπεπληγμένος καταφανῆς γένοιτο οὔτε ἀρπαγῇ οὔτε τῶι νῶι μὴ οὐχὶ προσκοπεῖν ἅπερ ἂν καὶ μὴ ἐπὶ σίτῳ ὦν· ἀλλ' ὥσπερ οἱ ἵππικοὶ διὰ τὸ μὴ ταραττεσθαι ἐπὶ τῶν ἵππων δύνανται ἅμα ἱππεύοντες καὶ ὀρᾶν καὶ ἀκούειν καὶ λέγειν τὸ δέον, οὕτω κἀκεῖνοι ἐν τῷ σίτῳ οἴονται δεῖν φρόνιμοι καὶ μέτριοι φαίνεσθαι· τὸ δὲ κεκινήσθαι ὑπὸ τῶν βρωμάτων καὶ τῆς πόσεως πάνυ αὐτοῖς ὑικὸν καὶ θηριῶδες δοκεῖ εἶναι· [5.2.18] ἐνενόησε δὲ αὐτῶν καὶ ὡς ἐπηρώτων τε ἀλλήλους τοιαῦτα οἷα ἐρωτηθῆναι ἥδιον ἢ μὴ καὶ ἔσκωπτον οἷα σκωφθῆναι ἥδιον ἢ μὴ· ἃ τε ἔπαιζον ὡς πολὺ μὲν ὕβρεως ἀπῆν, πολὺ δὲ τοῦ αἰσχρόν τι ποιεῖν, πολὺ δὲ τοῦ χαλεπαίνεσθαι πρὸς ἀλλήλους· [5.2.19] μέγιστον δ' αὐτῶι ἔδοξεν εἶναι τὸ ἐν στρατεῖαί ὄντας τῶν εἰς τὸν αὐτὸν κίνδυνον ἐμβαινόντων μηδενὸς οἶεσθαι δεῖν πλείω παρατίθεσθαι, ἀλλὰ τοῦτο νομίζειν ἡδίστην εὐωχίαν εἶναι τοὺς συμμάχεσθαι μέλλοντας ὅτι βελτίστους παρασκευάζειν· [5.2.20] ἥνικα δὲ [Γωβρύας] ὡς εἰς οἶκον ἀπιὼν ἀνίστατο, εἰπεῖν λέγεται· Οὐκέτι θαυμάζω, ὦ Κῦρε, εἰ ἐκπώματα μὲν καὶ ἱμάτια καὶ χρυσίον ἡμεῖς ὑμῶν πλέονα κεκτήμεθα, αὐτοὶ δὲ ἐλάττονος ὑμῶν ἄξιοί ἐσμεν. ἡμεῖς μὲν γὰρ ἐπιμελούμεθα ὅπως ἡμῖν ταῦτα ὡς πλεῖστα ἔσται, ὑμεῖς δὲ μοι δοκεῖτε ἐπιμέλεσθαι ὅπως αὐτοὶ ὡς βέλτιστοι ἔσεσθε. ὁ μὲν ταῦτ' εἶπεν· [5.2.21] ὁ δὲ Κῦρος, Ἄγ', ἔφη, ὦ Γωβρύα, ὅπως πρῶι παρέσῃ ἔχων τοὺς ἱππέας ἐξωπλισμένους, ἵνα καὶ τὴν δύναμίν σου ἴδωμεν, καὶ ἅμα διὰ τῆς σῆς χώρας ἄξεις ἡμᾶς, ὅπως ἂν εἰδῶμεν ἃ τε δεῖ φίλια καὶ πολέμια ἡμᾶς νομίζειν.

[5.2.22] Τότε μὲν δὴ ταῦτ' εἰπόντες ἀπῆλθον ἑκάτερος ἐπὶ τὰ προσήκοντα.

Ἐπεὶ δὲ ἡμέρα ἐγένετο, παρῆν ὁ Γωβρύας ἔχων τοὺς ἱππέας, καὶ ἡγεῖτο. ὁ δὲ Κῦρος, ὥσπερ προσήκει ἀνδρὶ ἄρχοντι, οὐ μόνον τῷ πορεύεσθαι τὴν ὁδὸν προσεῖχε τὸν νοῦν, ἀλλ' ἅμα προϊὼν ἐπεσκοπεῖτο εἴ τι δυνατόν εἴη τοὺς πολεμίους ἀσθενεστέρους ποιεῖν ἢ αὐτοὺς ἰσχυροτέρους. [5.2.23] καλέσας οὖν τὸν Ὑρκάνιον καὶ τὸν

Γωβρύαν [τούτους γὰρ ἐνόμιζεν εἰδέναι μάλιστα ὧν αὐτὸς ὤιετο δεῖσθαι μαθεῖν], Ἐγὼ τοι, ἔφη, ὦ ἄνδρες φίλοι, οἶμαι σὺν ὑμῖν ἂν ὡς πιστοῖς βουλευόμενος περὶ τοῦ πολέμου τοῦδε οὐκ ἂν ἐξαμαρτάνειν· ὁρᾷ γὰρ ὅτι μᾶλλον ὑμῖν ἢ ἐμοὶ σκεπτέον ὅπως ὁ Ἀσσύριος ἡμῶν μὴ ἐπικρατήσῃ. ἐμοὶ μὲν γάρ, ἔφη, τῶνδε ἀποσφαλέντι ἔστιν ἴσως καὶ ἄλλη ἀποστροφή· ὑμῖν δ', εἰ οὗτος ἐπικρατήσῃ, ὁρᾷ ἅμα πάντα τὰ ὄντα ἀλλότρια γιγνόμενα. [5.2.24] καὶ γὰρ ἐμοὶ μὲν πολέμιός ἐστιν, οὐκ ἐμὲ μισῶν, ἀλλ' οἰόμενος ἀσύμφορον αὐτῷ μεγάλους εἶναι ἡμᾶς, καὶ στρατεύει διὰ τοῦτο ἐφ' ἡμᾶς· ὑμᾶς δὲ καὶ μισεῖ, ἀδικεῖσθαι νομίζων ὑφ' ὑμῶν. πρὸς ταῦτα ἀπεκρίναντο ἀμφοτέρω κατὰ ταῦτά, περαίνειν ὃ τι μέλλει ὡς ταῦτ' εἰδόσι σφίσι καὶ μέλον αὐτοῖς ἰσχυρῶς ὅπῃ τὸ μέλλον ἀποβήσοιτο.

[5.2.25] Ἐνταῦθα δὴ ἤρξατο ὧδε· Λέξατε δὴ μοι, ἔφη, ὑμᾶς νομίζει μόνους πολεμικῶς ἔχειν ὁ Ἀσσύριος πρὸς ἑαυτόν, ἢ ἐπίστασθε καὶ ἄλλον τινὰ αὐτῷ πολέμιον; Ναὶ μὰ Δί', ἔφη, ὁ Ὑρκάνιος, πολεμιώτατοι μὲν εἰσιν αὐτῷ Καδούσιοι, ἔθνος πολὺ τε καὶ ἄλκιμον· Σάκαι γε μὴν ὄμοροι ἡμῖν, οἱ κακὰ πολλὰ πεπόνθασιν ὑπὸ τοῦ Ἀσσυρίου· ἐπειρᾶτο γὰρ κάκείνους ὥσπερ καὶ ἡμᾶς καταστρέψασθαι. [5.2.26] Οὐκοῦν, ἔφη, οἴεσθε νῦν αὐτοὺς ἀμφοτέρους ἡδέως ἂν ἐπιβῆναι μεθ' ἡμῶν τῷ Ἀσσυρίῳ; ἔφασαν καὶ σφόδρ' ἂν, εἴ πῃ γε δύναιντο συμμεῖξαι. Τί δ', ἔφη, ἐν μέσῳ ἐστὶ τοῦ συμμεῖξαι; Ἀσσύριοι, ἔφασαν, τὸ αὐτὸ ἔθνος δι' οὐπὲρ νυνὶ πορεύημι. [5.2.27] ἐπεὶ δὲ ταῦτα ἤκουσεν ὁ Κῦρος, Τί γάρ, ἔφη, ὦ Γωβρύα, οὐ σὺ τοῦ νεανίσκου τούτου ὃς νῦν εἰς τὴν βασιλείαν καθέστηκεν ὑπερηφανίαν πολλήν τινα τοῦ τρόπου κατηγόρεις; Τοιαῦτα γάρ, οἶμαι, ἔφη ὁ Γωβρύας, ἔπαθον ὑπ' αὐτοῦ. Πότερα δῆτα, ἔφη ὁ Κῦρος, εἰς σὲ μόνον τοιοῦτος ἐγένετο ἢ καὶ εἰς ἄλλους τινάς; [5.2.28] Νῆ Δί', ἔφη ὁ Γωβρύας, καὶ εἰς ἄλλους γε πολλούς· ἀλλὰ τοὺς μὲν ἀσθενοῦντας οἷα ὑβρίζει τί δεῖ λέγειν; ἐνὸς δὲ ἀνδρὸς πολὺ δυνατωτέρου ἢ ἐγὼ νῖόν, καὶ ἐκείνου ἐταῖρον ὄντα ὥσπερ τὸν ἐμόν, συμπίνοντα παρ' ἑαυτῷ συλλαβὼν ἐξέτεμεν, ὡς μὲν τινες ἔφασαν, ὅτι ἡ παλλακὴ αὐτοῦ ἐπήνεσεν αὐτόν ὡς καλὸς εἴη καὶ ἐμακάρισε τὴν μέλλουσαν αὐτῷ γυναῖκα ἔσεσθαι· ὡς δ' αὐτὸς νῦν λέγει, ὅτι ἐπείρασεν αὐτοῦ τὴν παλλακίδα. καὶ νῦν οὗτος εὐνοῦχος μὲν ἐστὶ, τὴν δ' ἀρχὴν ἔχει, ἐπεὶ ὁ πατὴρ αὐτοῦ ἐτελεύτησεν. [5.2.29] Οὐκοῦν, ἔφη, οἷε ἂν καὶ τοῦτον ἡδέως ἡμᾶς ἰδεῖν, εἰ οἶοιτο αὐτῷ βοηθοὺς ἂν γενέσθαι; Εὖ μὲν οὖν, ἔφη, οἶδα, ὁ Γωβρύας ἀλλ' ἰδεῖν τοι αὐτόν

χαλεπόν ἐστιν, ὃ Κῦρε. Πῶς; ἔφη ὁ Κῦρος. Ὅτι εἰ μέλλει τις ἐκείνῳ συμμείξιν, παρ' αὐτὴν τὴν Βαβυλῶνα δεῖ παριέναι. [5.2.30] Τί οὖν, ἔφη, τοῦτο χαλεπόν; Ὅτι νῆ Δί', ἔφη ὁ Γωβρύας, οἶδα ἐξελθοῦσαν <ἄν> δύναμιν ἐξ αὐτῆς πολλαπλασίαν ἧς σὺ ἔχεις νῦν· εὖ δ' ἴσθι ὅτι καὶ δι' αὐτὸ τοῦτο ἡττόν σοι νῦν ἢ τὸ πρότερον Ἀσσύριοι καὶ τὰ ὄπλα ἀποφέρουσι καὶ τοὺς ἵππους ἀπάγουσιν, ὅτι τοῖς ἰδοῦσιν αὐτῶν ὀλίγη ἔδοξεν εἶναι ἡ σὴ δύναμις· καὶ ὁ λόγος οὗτος πολὺς ἤδη ἔσπαρται· δοκεῖ δέ μοι, ἔφη, βέλτιον εἶναι φυλαττομένους πορεύεσθαι.

[5.2.31] Καὶ ὁ Κῦρος ἀκούσας τοῦ Γωβρύα τοιαῦτα τοιάδε πρὸς αὐτὸν ἔλεξε. Καλῶς μοι δοκεῖς λέγειν, ὃ Γωβρύα, κελεύων ὥς ἀσφαλέστατα τὰς πορείας ποιεῖσθαι. ἔγωγ' οὖν σκοπῶν οὐ δύναμαι ἐννοῆσαι ἀσφαλεστέραν οὐδεμίαν πορείαν ἡμῖν τῆς πρὸς αὐτὴν Βαβυλῶνα εἶναι, εἰ ἐκεῖ τῶν πολεμίων ἐστὶ τὸ κράτιστον. πολλοὶ μὲν γάρ εἰσιν, ὥς σὺ φήεις· εἰ δὲ θαρρήσουσι, καὶ δεινοὶ ἡμῖν, ὥς ἐγὼ φημι, ἔσονται. [5.2.32] μὴ ὀρῶντες μὲν οὖν ἡμᾶς, ἀλλ' οἰόμενοι ἀφανεῖς εἶναι διὰ τὸ φοβεῖσθαι ἐκείνους, σάφ' ἴσθι, ἔφη, ὅτι τοῦ μὲν φόβου ἀπαλλάσσονται ὃς αὐτοῖς ἐνεγένετο, θάρρος δ' ἐμφύσεται ἀντὶ τούτου τοσοῦτωι μείζον ὅσῳ ἂν πλείονα χρόνον ἡμᾶς μὴ ὀρῶσιν· ἦν δὲ ἤδη ἴωμεν ἐπ' αὐτούς, πολλοὺς μὲν αὐτῶν εὐρήσομεν ἔτι κλαίοντας τοὺς ἀποθανόντας ὑφ' ἡμῶν, πολλοὺς δ' ἔτι τραύματα ἐπιδεδεμένους ἃ ὑπὸ τῶν ἡμετέρων ἔλαβον, πάντας δ' ἔτι μεμνημένους τῆς μὲν τοῦδε τοῦ στρατεύματος τόλμης, τῆς δ' αὐτῶν φυγῆς τε καὶ συμφορᾶς. [5.2.33] εὖ δ' ἴσθι, ἔφη, ὃ Γωβρύα, [ἵνα καὶ τοῦτ' εἰδῆς,] οἱ πολλοὶ ἄνθρωποι, ὅταν μὲν θαρρῶσιν, ἀνυπόστατον τὸ φρόνημα παρέχονται· ὅταν δὲ δεισώσιν, ὅσῳ ἂν πλείους ᾧσι, τοσοῦτωι μείζω καὶ ἐκπεπληγμένον μᾶλλον τὸν φόβον κέκτηνται. [5.2.34] ἐκ πολλῶν μὲν γὰρ καὶ κακῶν λόγων ηὐξημένος αὐτοῖς πάρεστιν [, ἐκ πολλῶν δὲ καὶ πονηρῶν χρωμάτων], ἐκ πολλῶν δὲ καὶ δυσθύμων τε καὶ ἐξεσθηκόντων προσώπων ἡθροισται. ὥσθ' ὑπὸ τοῦ μεγέθους οὐ ραίδιον αὐτόν ἐστιν οὔτε λόγοις κατασβέσαι οὔτε προσάγοντα πολεμίοις μένος ἐμβαλεῖν οὔτε ἀπάγοντα ἀναθρέψαι τὸ φρόνημα, ἀλλ' ὅσῳ ἂν μᾶλλον αὐτοῖς θαρρεῖν παρακελεύῃ, τοσοῦτωι ἐν δεινότεροις ἡγοῦνται εἶναι. [5.2.35] ἐκεῖνο μέντοι νῆ Δί', ἔφη, σκεψώμεθα ἀκριβῶς ὅπως ἔχει. εἰ μὲν γὰρ τὸ ἀπὸ τοῦδε αἰ νῆκαι ἔσονται ἐν τοῖς πολεμικοῖς ἔργοις ὁπότεροι ἂν πλείονα ὄχλον ἀπαριθμήσωσιν, ὀρθῶς καὶ σὺ φοβῇ περὶ ἡμῶν καὶ ἡμεῖς τῷ ὄντι ἐν

δεινοῖς ἐσμεν· εἰ μέντοι ὥσπερ πρόσθεν διὰ τοὺς εὖ μαχομένους ἔτι καὶ νῦν αἱ μάχαι κρίνονται, θαρρῶν οὐδὲν ἂν σφαλεῖης· πολὺ μὲν γὰρ σὺν τοῖς θεοῖς πλείονας εὐρήσεις παρ' ἡμῖν τοὺς θέλοντας μάχεσθαι ἢ παρ' ἐκείνους· [5.2.36] ὥς δ' ἔτι μᾶλλον θαρρήεις, καὶ τόδε κατανοήσον· οἱ μὲν γὰρ πολέμιοι πολὺ μὲν ἐλάττονές εἰσι νῦν ἢ πρὶν ἡττηθῆναι ὑφ' ἡμῶν, πολὺ δ' ἐλάττονες ἢ ὅτε ἀπέδρασαν ἡμᾶς· ἡμεῖς δὲ καὶ μείζονες νῦν, ἐπεὶ νενικήκαμεν, καὶ ἰσχυρότεροι, ἐπεὶ ὑμεῖς ἡμῖν προσγεγέννησθε· μὴ γὰρ ἔτι ἀτίμαζε μηδὲ τοὺς σοὺς, ἐπεὶ σὺν ἡμῖν εἰσι· σὺν γὰρ τοῖς νικῶσι, σάφ' ἴσθι, ὦ Γωβρύα, θαρροῦντες καὶ οἱ ἀκόλουθοι ἔπονται. [5.2.37] μὴ λανθανέτω δέ σε μηδὲ τοῦτο, ἔφη, ὅτι ἔξεστι μὲν τοῖς πολεμίοις καὶ νῦν ἰδεῖν ἡμᾶς· γοργότεροι δέ, σάφ' ἴσθι, οὐδαμῶς ἂν αὐτοῖς φανείημεν ἢ ἰόντες ἐπ' ἐκείνους. ὥς οὖν ἐμοῦ ταῦτα γινώσκοντος ἄγε ἡμᾶς εὐθὺ [τὴν ἐπὶ] Βαβυλῶνος.

[5.3.1] Οὕτω μὲν δὴ πορευόμενοι τετραταῖοι πρὸς τοῖς ὁρίοις τῆς Γωβρύα χώρας ἐγένοντο. ὥς δὲ ἐν τῇ πολεμίᾳ ἦν, κατέστησε λαβὼν ἐν τάξει μεθ' ἑαυτοῦ τοὺς τε πεζοὺς καὶ τῶν ἱππέων ὅσους ἐδόκει καλῶς αὐτῷ ἔχειν· τοὺς δ' ἄλλους ἱππέας ἀφῆκε καταθεῖν, καὶ ἐκέλευσε τοὺς μὲν ὅπλα ἔχοντας κατακαίνειν, τοὺς δ' ἄλλους καὶ πρόβατα ὅσα ἂν λάβωσι πρὸς αὐτὸν ἄγειν. ἐκέλευσε δὲ καὶ τοὺς Πέρσας συγκαταθεῖν· καὶ ἦκον πολλοὶ μὲν αὐτῶν κατακεκυλισμένοι ἀπὸ τῶν ἵππων, πολλοὶ δὲ καὶ λείαν πλείστην ἄγοντες. [5.3.2] ὥς δὲ παρῆν ἡ λεία, συγκαλέσας τοὺς τε τῶν Μήδων ἄρχοντας καὶ τῶν Ὑρκανίων καὶ τοὺς ὁμοτίμους ἔλεξεν ὧδε. Ἄνδρες φίλοι, ἐξένισεν ἡμᾶς ἅπαντας πολλοῖς ἀγαθοῖς Γωβρύας. εἰ οὖν, ἔφη, τοῖς θεοῖς ἐξελόντες τὰ νομιζόμενα καὶ τῇ στρατιᾷ τὰ ἱκανὰ τὴν ἄλλην τούτῳ δοίημεν λείαν, ἅρ' ἂν, ἔφη, καλὸν ποιήσαμεν τῷ εὐθὺς φανεροῖ εἶναι ὅτι καὶ τοὺς εὖ ποιοῦντας πειρώμεθα νικᾶν εὖ ποιοῦντες; [5.3.3] ὥς δὲ τοῦτ' ἤκουσαν, πάντες μὲν ἐπήνουν, πάντες δ' ἐνεκωμιάζον· εἷς δὲ καὶ ἔλεξεν ὧδε· Πάνυ, ἔφη, ὦ Κῦρε, τοῦτο ποιήσωμεν· καὶ γάρ μοι δοκεῖ, ἔφη, ὁ Γωβρύας πτωχοὺς τινὰς ἡμᾶς νομίζειν, ὅτι οὐ δαρεικῶν μεστοὶ ἤκομεν οὐδὲ ἐκ χρυσῶν πίνομεν φιαλῶν· εἰ δὲ τοῦτο ποιήσωμεν, γνοίη ἂν, ἔφη, ὅτι ἔστιν ἐλευθερίου εἶναι καὶ ἄνευ χρυσοῦ. [5.3.4] Ἄγε δὴ, ἔφη, τὰ τῶν θεῶν ἀποδόντες τοῖς μάγοις καὶ ὅσα τῇ στρατιᾷ ἱκανὰ ἐξελόντες τᾶλλα καλέσαντες τὸν Γωβρύαν δότε αὐτῷ· οὕτω δὴ λαβόντες ἐκεῖνοι ὅσα ἔδει τᾶλλα ἔδοσαν τῷ Γωβρύᾳ.

[5.3.5] Ἐκ τούτου δὴ ἦιε πρὸς Βαβυλῶνα παραταξάμενος ὥσπερ ὅτε ἡ μάχη ἦν. ὡς δ' οὐκ ἀντεξῆσαν οἱ Ἀσσύριοι, ἐκέλευσεν ὁ Κῦρος τὸν Γωβρῦαν προσελάσαντα εἰπεῖν ὅτι εἰ βούλεται ὁ βασιλεὺς ἐξιὼν ὑπὲρ τῆς χώρας μάχεσθαι, κἂν αὐτὸς σὺν ἐκείνῳ μάχοιτο· εἰ δὲ μὴ ἀμυνεῖ τῇ χώρῃ, ὅτι ἀνάγκη τοῖς κρατοῦσι πείθεσθαι. [5.3.6] ὁ μὲν δὴ Γωβρύας προσελάσας ἔνθα ἀσφαλὲς ἦν ταῦτα εἶπεν, ὁ δ' αὐτῷ ἐξέπεμψεν ἀποκρινόμενον τοιάδε· Δεσπότης ὁ σὸς λέγει, ὦ Γωβρύα, Οὐχ ὅτι ἀπέκτεινά σου τὸν υἱὸν μεταμέλει μοι, ἀλλ' ὅτι οὐ καὶ σὲ προσapéκτεινα. μάχεσθαι δὲ ἔαν βούλησθε, ἤκετε εἰς τριακοστὴν ἡμέραν· νῦν δ' οὐπω ἡμῖν σχολή· ἔτι γὰρ παρασκευαζόμεθα. [5.3.7] ὁ δὲ Γωβρύας εἶπεν· Ἀλλὰ μήποτε σοὶ λήξειεν αὕτη ἡ μεταμέλεια· δῆλον γὰρ ὅτι ἀνιῶ σέ τι, ἐξ οὗ αὕτη σε ἡ μεταμέλεια ἔχει.

[5.3.8] Ὁ μὲν δὴ Γωβρύας ἀπήγγειλε τὰ τοῦ Ἀσσυρίου· ὁ δὲ Κῦρος ἀκούσας ταῦτα ἀπήγαγε τὸ στράτευμα· καὶ καλέσας τὸν Γωβρῦαν Εἰπέ μοι, ἔφη, οὐκ ἔλεγες μέντοι σὺ ὅτι τὸν ἐκτμηθέντα ὑπὸ τοῦ Ἀσσυρίου οἶει ἂν σὺν ἡμῖν γενέσθαι; Εὐ μὲν οὖν, ἔφη, δοκῶ εἰδέναι· πολλὰ γὰρ δὴ ἔγωγε κάκεϊνος ἐπαρρησιασάμεθα πρὸς ἀλλήλους. [5.3.9] Ὅποτε τοίνυν σοὶ δοκεῖ καλῶς ἔχειν, πρόσθι πρὸς αὐτόν· καὶ πρῶτον μὲν οὕτω ποιεῖ ὅπως ἂν αὐτοὶ ὅ τι ἂν λέγῃ εἰδῇτε· ἐπειδὴν δὲ συγγένῃ αὐτῷ, ἔαν γνῶις αὐτὸν φίλον βουλόμενον εἶναι, τοῦτο δεῖ μηχανᾶσθαι ὅπως λάθῃ φίλος ὢν ἡμῖν· οὔτε γὰρ ἂν φίλους τις ποιήσειεν ἄλλως πῶς πλείω ἀγαθὰ ἐν πολέμῳ ἢ πολέμιος δοκῶν εἶναι οὔτ' ἂν ἐχθροὺς πλείω τις βλάβειεν ἄλλως πῶς ἢ φίλος δοκῶν εἶναι. [5.3.10] Καὶ μὲν, ἔφη ὁ Γωβρύας, οἶδ' ὅτι κἂν πρίατο Γαδάτας τὸ μέγα τι ποιῆσαι κακὸν τὸν νῦν βασιλεῖα Ἀσσυρίων. ἀλλ' ὅ τι ἂν δύναιτο, τοῦτο δεῖ καὶ ἡμᾶς σκοπεῖν. [5.3.11] Λέγε δὴ μοι, ἔφη ὁ Κῦρος, εἰς τὸ φρούριον τὸ πρὸ τῆς χώρας, ὃ φατε Ὑρκανίοις τε καὶ Σάκαις ἐπιτετειχίσθαι τῇδε τῇ χώρῃ πρόβολον εἶναι τοῦ πολέμου, ἅρ' ἂν, ἔφη, οἶει ὑπὸ τοῦ φρουράρχου παρεθῆναι τὸν εὐνοῦχον ἐλθόντα σὺν δυνάμει; Σαφῶς γ', ἔφη ὁ Γωβρύας, εἶπερ ἀνύποπτος ὢν, ὥσπερ νῦν ἐστίν, ἀφίκοιτο πρὸς αὐτόν. [5.3.12] Οὐκοῦν, ἔφη, ἀνύποπτος ἂν εἴη, εἰ προσβάλοιμι μὲν ἐγὼ πρὸς τὰ χωρία αὐτοῦ ὡς λαβεῖν βουλόμενος, ἀπομάχοιτο δὲ ἐκεῖνος ἀνὰ κράτος· καὶ λάβοιμι μὲν αὐτοῦ τι ἐγώ, ἀντιλάβοι δὲ κάκεϊνος ἡμῶν ἢ ἄλλους τινὰς ἢ καὶ ἀγγέλους πεμπομένους ὑπ' ἐμοῦ πρὸς τούτους οὓς φατε πολεμίους τῷ Ἀσσυρίῳ εἶναι· καὶ οἱ μὲν ληφθέντες λέγοιεν ὅτι ἐπὶ

στρατεύματα ἔρχονται καὶ κλίμακας ὥς ἐπὶ τὸ φρούριον ἄζοντες, ὁ δ' εὐνοῦχος ἀκούσας προσποιήσαιο προαγγεῖλαι βουλόμενος ταῦτα παρεῖναι; [5.3.13] καὶ ὁ Γωβρύας εἶπεν ὅτι οὕτω μὲν γιγνομένων σαφῶς παρείη ἂν αὐτόν, καὶ δέοιτό γ' ἂν αὐτοῦ μένειν ἔστε σὺ ἀπέλθοις. Οὐκοῦν, ἔφη ὁ Κῦρος, εἴ γε ἅπαξ εἰσέλθοι, δύναιτ' ἂν ἡμῖν ὑποχείριον ποιῆσαι τὸ χωρίον; [5.3.14] Εἰκὸς γοῦν, ἔφη ὁ Γωβρύας, τὰ μὲν ἔνδον ἐκείνου συμπαρασκευάζοντος, τὰ δ' ἔξωθεν σοῦ ἰσχυρότερα προσάγοντος. Ἴθι οὖν, ἔφη, καὶ πειρῶ ταῦτα διδάξας καὶ διαπραξάμενος παρεῖναι· πιστὰ δὲ αὐτῷ οὐκ ἂν μείζω οὗτ' εἰποῖς οὔτε δείξαις ὧν αὐτὸς σὺ τυγχάνεις παρ' ἡμῶν εἰληφώς.

[5.3.15] Ἐκ τούτου ὦιχετο μὲν ὁ Γωβρύας· ἄσμενος δὲ ἰδὼν αὐτὸν ὁ εὐνοῦχος συνωμολόγει τε πάντα καὶ συνέθετο ἃ ἔδει. ἐπεὶ δὲ ἀπήγγειλεν ὁ Γωβρύας ὅτι πάντα δοκοίη ἰσχυρῶς τῷ εὐνούχῳ τὰ ἐπισταλέντα, ἐκ τούτου τῇ ὑστεραίᾳ προσέβαλε μὲν ὁ Κῦρος, ἀπεμάχετο δὲ ὁ Γαδάτας. ἦν δὲ καὶ ὁ ἔβαλε χωρίον ὁ Κῦρος, ὁποῖον ἔφη ὁ Γαδάτας. [5.3.16] τῶν δὲ ἀγγέλων οὓς ἔπεμψεν ὁ Κῦρος προειπὼν ἥι πορεύσονται, ὅπως ἄγοιεν τὰ στρατεύματα καὶ τὰς κλίμακας κομίζοιεν, τοὺς μὲν εἶασεν ὁ Γαδάτας διαφεύγειν· οὓς δ' ἔλαβε, βασανίζων ἐναντίον πολλῶν, ὥς ἤκουσεν ἐφ' ἃ ἔφασαν πορεύεσθαι, εὐθέως συσκευασάμενος ὥς ἐξαγγελῶν τῆς νυκτὸς ἐπορεύετο. [5.3.17] τέλος δὲ πιστευθεὶς ὥς βοηθὸς εἰσέρχεται εἰς τὸ φρούριον· καὶ τέως μὲν συμπαρασκευάζεν ὃ τι δύναιτο τῷ φρουράρχῳ· ἐπεὶ δὲ ὁ Κῦρος ἦλθε, καταλαμβάνει τὸ χωρίον συνεργοὺς ποιησάμενος καὶ τοὺς παρὰ τοῦ Κύρου αἰχμαλώτους. [5.3.18] ἐπεὶ δὲ τοῦτο ἐγένετο, εὐθὺς [Γαδάτας] ὁ εὐνοῦχος τὰ ἔνδον καταστήσας ἐξῆλθε πρὸς τὸν Κῦρον, καὶ τῷ νόμῳ προσκυνήσας εἶπε, Χαῖρε, Κῦρε. [5.3.19] Ἀλλὰ ποιῶ ταῦτ', ἔφη· σὺ γάρ με σὺν τοῖς θεοῖς οὐ κελεύεις μόνον ἀλλὰ καὶ ἀναγκάζεις χαίρειν. εὖ γὰρ ἴσθι, ἔφη, ὅτι ἐγὼ μέγα ποιῶμαι φίλιον τοῦτο τὸ χωρίον τοῖς ἐνθάδε συμμάχοις καταλείπων· σοῦ δ', ἔφη, ὦ Γαδάτα, ὁ Ἀσσύριος παῖδας μὲν, ὥς ἔοικε, τὸ ποιεῖσθαι ἀφείλετο, οὐ μέντοι τό γε φίλους δύνασθαι κτᾶσθαι ἀπεστέρησεν· ἀλλ' εὖ ἴσθι ὅτι ἡμᾶς τοιούτους τῷ ἔργῳ τούτῳ φίλους πεποίησαι, οἳ σοι, ἐὰν δυνώμεθα, πειρασόμεθα μὴ χεῖρους βοηθοὶ παραστῆναι ἢ εἰ παῖδας ἐκγόνους ἐκέκτησο. ὁ μὲν ταῦτ' ἔλεγεν. [5.3.20] ἐν δὲ τούτῳ ὁ Ὑρκάνιος ἄρτι ἠισθημένος τὸ γεγενημένον προσθεῖ τῷ Κύρῳ καὶ λαβὼν τὴν δεξιὰν αὐτοῦ εἶπεν· ὦ μέγα ἀγαθὸν σὺ τοῖς φίλοις Κῦρε, ὥς πολλήν με τοῖς θεοῖς ποιεῖς

χάριν ὀφείλουν ὅτι σοί με συνήγαγον. [5.3.21] Ἰθι νῦν, ἔφη ὁ Κῦρος, καὶ λαβὼν τὸ χωρίον οὐπερ ἔνεκά με ἀσπάζῃ διατίθει αὐτὸ οὕτως ὡς ἂν τῷ ὑμετέρῳ φύλῳ πλείστου ἄξιον ᾖ καὶ τοῖς ἄλλοις συμμάχοις, μάλιστα δ', ἔφη, Γαδάται τουτωῖ, ὃς ἡμῖν αὐτὸ λαβὼν παραδίδωσι.

[5.3.22] Τί οὖν; ἔφη ὁ Ὑρκάνιος, ἐπειδὴν Καδούσιοι ἔλθωσι καὶ Σάκαι καὶ οἱ ἐμοὶ πολῖται, καλέσωμεν καὶ τούτων, ἵνα κοινῇ βουλευσώμεθα πάντες ὅσοις προσήκει πῶς ἂν συμφορώτατα χρώμεθα τῷ φρουρίῳ; [5.3.23] ταῦτα μὲν οὕτω συνήνεσεν ὁ Κῦρος· ἐπεὶ δὲ συνῆλθον οἷς ἔμελλε περὶ τοῦ φρουρίου, ἐβουλεύσαντο κοινῇ φυλάττειν οἷσπερ ἀγαθὸν ἦν φίλιον ὄν, ὅπως αὐτοῖς μὲν πρόβολος εἴη πολέμου, τοῖς δ' Ἀσσυρίοις ἐπιτετειχισμένοι. [5.3.24] τούτων γενομένων πολὺ δὴ προθυμότερον καὶ πλείους καὶ Καδούσιοι συνεστρατεύοντο καὶ Σάκαι καὶ Ὑρκάνιοι· καὶ συνελέγη ἐντεῦθεν στράτευμα Καδουσίων μὲν πελτασταὶ εἰς δισμυρίους καὶ ἵππεῖς εἰς τετρακισχιλίους, Σακῶν δὲ τοξόται εἰς μυρίους καὶ ἵπποτοξόται εἰς χιλίους· καὶ Ὑρκάνιοι δὲ πεζοὺς τε ὀπόσους ἐδύναντο προσεξέπεμψαν καὶ ἱππέας ἐξεπλήρωσαν εἰς δισχιλίους· τὸ γὰρ πρόσθεν καταλελειμμένοι ἦσαν πλείους οἴκοι αὐτοῖς ἵππεῖς, ὅτι καὶ οἱ Καδούσιοι καὶ οἱ Σάκαι τοῖς Ἀσσυρίοις πολέμοι ἦσαν. [5.3.25] ὅσον δὲ χρόνον ἐκαθέζετο ὁ Κῦρος ἀμφὶ τὴν περὶ τὸ φρούριον οἰκονομίαν, τῶν Ἀσσυρίων τῶν κατὰ ταῦτα τὰ χωρία πολλοὶ μὲν ἀπῆγον ἵππους, πολλοὶ δὲ ἀπέφερον ὅπλα, φοβούμενοι ἤδη πάντας τοὺς προσχώρους.

[5.3.26] Ἐκ δὲ τούτου προσέρχεται τῷ Κύρῳ ὁ Γαδάτας καὶ λέγει ὅτι ἤκουσιν αὐτῷ ἄγγελοι ὡς ὁ Ἀσσύριος, ἐπεὶ πύθοιτο τὰ περὶ τοῦ φρουρίου, χαλεπῶς τε ἐνέγκοι καὶ συσκευάζοιτο ὡς ἐμβαλὼν εἰς τὴν αὐτοῦ χώραν. ἐὰν οὖν ἀφῆς με, ὦ Κῦρε, τὰ τεῖχη ἂν πειραθείην διασῶσαι, τῶν δ' ἄλλων μείων λόγος. [5.3.27] καὶ ὁ Κῦρος εἶπεν· Ἐὰν οὖν ἴῃς νῦν, πότε ἔσῃ οἴκοι; καὶ ὁ Γαδάτας εἶπεν· Εἰς τρίτην δειπνήσω ἐν τῇ ἡμετέρᾳ. Ἦ καὶ τὸν Ἀσσύριον ἔφη, οἷε ἐκεῖ ἤδη καταλήψεσθαι; Εὐ μὲν οὖν, ἔφη, οἶδα· σπεύσει γὰρ ἕως ἔτι πρόσω δοκεῖς ἀπείναι. [5.3.28] Ἐγὼ δ', ἔφη ὁ Κῦρος, ποσταῖος ἂν τῷ στρατεύματι ἐκεῖσε ἀφικοίμην; πρὸς τοῦτο δὴ ὁ Γαδάτας λέγει· Πολὺ ἤδη, ὦ δέσποτα, ἔχεις τὸ στράτευμα καὶ οὐκ ἂν δύναιο μείον ἢ ἐν ἑξ ἢ ἐπτά ἡμέραις ἐλθεῖν πρὸς τὴν ἐμὴν οἴκησιν. Σὺ μὲν τοίνυν, ἔφη ὁ Κῦρος, ἀπιθι ὡς τάχιστα· ἐγὼ δ' ὡς ἂν δυνατόν ἢ πορεύσομαι. [5.3.29] ὁ μὲν δὴ Γαδάτας ὦιχετο· ὁ δὲ Κῦρος συνεκάλεσε πάντας τοὺς

ἄρχοντας τῶν συμμάχων· καὶ ἤδη πολλοὶ τε ἐδόκουν καὶ καλοὶ
κάγαθοι παρεῖναι· ἐν οἷς δὴ λέγει ὁ Κῦρος ταῦτα.

[5.3.30] Ἄνδρες σύμμαχοι, Γαδάτας διέπραξαν ἃ δοκεῖ πᾶσιν ἡμῖν
πολλοῦ ἄξια εἶναι, καὶ ταῦτα πρὶν καὶ ὅτιοῦν ἀγαθὸν ὑφ' ἡμῶν
παθεῖν. νῦν δὲ ὁ Ἀσσύριος εἰς τὴν χώραν αὐτοῦ ἐμβαλεῖν
ἀγγέλλεται, δηλὸν ὅτι ἅμα μὲν τιμωρεῖσθαι αὐτὸν βουλόμενος, ὅτι
δοκεῖ ὑπ' αὐτοῦ μεγάλα βεβλάφθαι· ἅμα δὲ ἴσως κάκεῖνο ἐννοεῖται
ὥς εἰ οἱ μὲν πρὸς ἡμᾶς ἀφιστάμενοι μηδὲν ὑπ' ἐκείνου κακὸν
πεῖσονται, οἱ δὲ σὺν ἐκείνῳ ὄντες ὑφ' ἡμῶν ἀπολοῦνται, ὅτι τάχα
οὐδένα εἰκὸς σὺν αὐτῷ βουλήσεσθαι εἶναι. [5.3.31] νῦν οὖν, ὧ ἄνδρες,
καλὸν τι ἂν μοι δοκοῦμεν ποιῆσαι, εἰ προθύμως Γαδάται
βοηθήσασιν ἀνδρὶ εὐεργέτῃ· καὶ ἅμα δίκαια ποιοῖμεν ἂν χάριν
ἀποδιδόντες· ἀλλὰ μὴν καὶ σύμφορά γ' ἂν, ὥς ἐμοὶ δοκεῖ, πράξασιν
ἡμῖν αὐτοῖς. [5.3.32] εἰ γὰρ πᾶσι φαινοίμεθα τοὺς μὲν κακῶς ποιοῦντας
νικᾶν πειρώμενοι κακῶς ποιοῦντες, τοὺς δ' εὐεργετοῦντας ἀγαθοῖς
ὑπερβαλλόμενοι, εἰκὸς ἐκ τῶν τοιούτων φίλους μὲν πολλοὺς ἡμῖν
βούλεσθαι γίγνεσθαι, ἐχθρὸν δὲ μηδένα ἐπιθυμεῖν εἶναι· [5.3.33] εἰ δὲ
ἀμελεῖσαι δόξασιν Γαδάται, πρὸς τῶν θεῶν ποίοις λόγοις ἂν ἄλλον
πεῖθοιμεν χαρίζεσθαι τι ἡμῖν; πῶς δ' ἂν τολμῶιμεν ἡμᾶς αὐτοὺς
ἐπαινεῖν; πῶς δ' ἂν ἀντιβλέψαι τις ἡμῶν δύναιτο Γαδάται, εἰ
ἡττώμεθ' αὐτοῦ εὖ ποιοῦντος τοσοῦτοι ὄντες ἐνὸς ἀνδρὸς καὶ
τούτου οὕτω διακειμένου; [5.3.34] ὁ μὲν οὕτως εἶπεν· οἱ δὲ πάντες
ἰσχυρῶς συνεπήνουν ταῦτα ποιεῖν.

Ἄγε τοίνυν, ἔφη, ἐπεὶ καὶ ὑμῖν συνδοκεῖ ταῦτα, ἐπὶ μὲν τοῖς
ὑποζυγίοις καὶ ὀχήμασι καταλίπωμεν ἕκαστοι τοὺς μετ' αὐτῶν
ἐπιτηδειοτάτους πορεύεσθαι. [5.3.35] Γωβρύας δ' ἡμῖν ἀρχέτω αὐτῶν
καὶ ἡγείσθω αὐτοῖς· καὶ γὰρ ὁδῶν ἔμπειρος καὶ τᾶλλα ἱκανός· ἡμεῖς
δ', ἔφη, καὶ ἵπποις τοῖς δυνατωτάτοις καὶ ἀνδράσι πορευώμεθα, τὰ
ἐπιτήδεια τριῶν ἡμερῶν λαβόντες· ὅσῳ δ' ἂν κουφότερον
συσκευασώμεθα, καὶ εὐτελέστερον, τοσοῦτοι ἥδιον τὰς ἐπιούσας
ἡμέρας ἀριστήσομέν τε καὶ δειπνήσομεν καὶ καθευδήσομεν. νῦν δ',
ἔφη, πορευώμεθα ὧδε· [5.3.36] πρῶτους μὲν ἄγε σύ, Χρυσάντα, τοὺς
θωρακοφόρους, ἐπεὶ ὁμαλή τε καὶ πλατεῖα ἡ ὁδός ἐστι, τοὺς
ταξιάρχους ἔχων ἐν μετώπῳ πάντας· ἡ δὲ τάξις ἐκάστη ἐφ' ἐνὸς ἵτω·
ἄθροοι γὰρ ὄντες καὶ τάχιστα καὶ ἀσφαλέστατα πορευοίμεθ' ἂν.
[5.3.37] τούτου δ' ἕνεκα, ἔφη, κελεύω τοὺς θωρακοφόρους ἡγείσθαι ὅτι
τοῦτο βραδύτατόν ἐστι τοῦ στρατεύματος· τοῦ δὲ βραδυτάτου

ήγουμένου ἀνάγκη ραιδίως ἔπεσθαι πάντα τὰ θᾶπτον ἰόντα· ὅταν δὲ τὸ τάχιστον ἡγήται ἐν νυκτί, οὐδέν ἐστι θαυμαστὸν καὶ διασπᾶσθαι τὰ στρατεύματα· τὸ γὰρ προταχθὲν ἀποδιδράσκει. [5.3.38] ἐπὶ δὲ τούτοις, ἔφη, Ἀρτάβαζος τοὺς Περσῶν πελταστὰς καὶ τοξότας ἀγέτω· ἐπὶ δὲ τούτοις Ἀνδαμύας ὁ Μῆδος τὸ Μήδων πεζόν· ἐπὶ δὲ τούτοις Ἑμβας τὸ Ἀρμενίων πεζόν· ἐπὶ δὲ τούτοις Ἀρτούχας Ὑρκανίους· ἐπὶ δὲ τούτοις Θαμβράδας τὸ Σακῶν πεζόν· ἐπὶ δὲ τούτοις Δατάμας Καδουσίους. [5.3.39] ἀγόντων δὲ καὶ οὗτοι πάντες ἐν μετώπῳ μὲν τοὺς ταξιάρχους ἔχοντες, δεξιοὺς δὲ τοὺς πελταστὰς, ἀριστεροὺς δὲ τοὺς τοξότας τοῦ ἑαυτῶν πλαισίου· οὕτω γὰρ πορευόμενοι καὶ εὐχρηστότεροι γίνονται. [5.3.40] ἐπὶ δὲ τούτοις οἱ σκευοφόροι, ἔφη, πάντων ἐπέσθων· οἱ δὲ ἄρχοντες αὐτῶν ἐπιμελείσθων ὅπως συνεσκευασμένοι τε ᾧσι πάντα πρὶν καθεῦδειν καὶ πρῶι σὺν τοῖς σκεύεσι παρῶσιν εἰς τὴν τεταγμένην χώραν καὶ ὅπως κοσμίως ἔπωνται. [5.3.41] ἐπὶ δὲ τοῖς σκευοφόροις, ἔφη, τοὺς Πέρσας ἱππέας Μαδάτας ὁ Πέρσης ἀγέτω, ἔχων καὶ οὗτος τοὺς ἑκατοντάρχους τῶν ἱππέων ἐν μετώπῳ· ὁ δ' ἑκατόνταρχος τὴν τάξιν ἀγέτω εἰς ἓνα, ὥσπερ οἱ πέζαρχοι. [5.3.42] ἐπὶ τούτοις †Ραμβάκας† ὁ Μῆδος ὡσαύτως τοὺς ἑαυτοῦ ἱππέας· ἐπὶ τούτοις σύ, ὦ Τιγράνη, τὸ σεαυτοῦ ἱππικόν· καὶ οἱ ἄλλοι δὲ ἱππάρχοι μεθ' ὧν ἕκαστα ἀφίκοντο πρὸς ἡμᾶς. ἐπὶ τούτοις Σάκαι ἄγετε· ἔσχατοι δέ, ὥσπερ ἦλθον, Καδουσίοι ἰόντων· Ἀλκεύνα, σὺ δὲ ὁ ἄγων αὐτοὺς ἐπιμελοῦ τὸ νῦν εἶναι πάντων τῶν ὀπισθεν καὶ μηδένα ἕα ὕστερον τῶν σὼν ἱππέων γίνεσθαι. [5.3.43] ἐπιμελεῖσθαι δὲ τοῦ σιωπῆι πορεύεσθαι οἱ τε ἄρχοντες καὶ πάντες δὲ οἱ σωφρονοῦντες· διὰ γὰρ τῶν ὥτων ἐν τῇ νυκτί ἀνάγκη μᾶλλον ἢ διὰ τῶν ὀφθαλμῶν ἕκαστα καὶ αἰσθάνεσθαι καὶ πράττεσθαι· καὶ τὸ παραχθῆναι δὲ ἐν τῇ νυκτί πολὺ μείζον ἐστι πρᾶγμα ἢ ἐν τῇ ἡμέρᾳ καὶ δυσκαταστατώτερον· οὗ ἕνεκα ἢ τε σιωπῇ ἀσκητέα καὶ ἡ τάξις φυλακτέα. [5.3.44] τὰς δὲ νυκτερινὰς φυλακάς, ὅταν μέλλητε νυκτὸς ἀναστήσεσθαι, χρή ὡς βραχυτάτας καὶ πλείστας ποιεῖσθαι, ὡς μηδένα ἢ ἐν τῇ φυλακῇ ἀγρυπνία πολλὴ οὔσα λυμαίνεται ἐν τῇ πορείᾳ· ἡνίκα δ' ἂν ὥρα ᾗ πορεύεσθαι, σημαίνειν τῷ κέρατι. [5.3.45] ὑμεῖς δ' ἔχοντες ἃ δεῖ ἕκαστοι πάρεστε εἰς τὴν ἐπὶ Βαβυλῶνος ὁδόν· ὁ δ' ὁρμώμενος ἀεὶ τῷ κατ' οὐρὰν παρεγγυάτω ἔπεσθαι.

[5.3.46] Ἐκ τούτου δὴ ὥιχοντο ἐπὶ τὰς σκηνὰς καὶ ἅμα ἀπρόντες διελέγοντο πρὸς ἀλλήλους ὡς μνημονικῶς ὁ Κῦρος ὀπόσοις

συνέταττε πᾶσιν ὀνομάζων ἐνετέλλετο. [5.3.47] ὁ δὲ Κῦρος ἐπιμελείαι τοῦτο ἐποίει· πάνυ γὰρ αὐτῷ ἐδόκει θαυμαστὸν εἶναι εἰ οἱ μὲν βάνανσοι ἴσασι τῆς αὐτοῦ τέχνης ἕκαστος τῶν ἐργαλείων τὰ ὀνόματα, καὶ ὁ ἱατρὸς δὲ οἶδε καὶ τῶν ὀργάνων καὶ τῶν φαρμάκων οἷς χρῆται πάντων τὰ ὀνόματα, ὁ δὲ στρατηγὸς οὕτως ἡλίθιος ἔσοιτο ὥστε οὐκ εἴσοιτο τῶν ὑφ' αὐτῷ ἡγεμόνων τὰ ὀνόματα, οἷς ἀνάγκη ἐστὶν αὐτῷ ὀργάνοις χρῆσθαι καὶ ὅταν καταλαβεῖν τι βούληται καὶ ὅταν φυλάξαι καὶ ὅταν θαρρῦναι καὶ ὅταν φοβῆσαι· καὶ τιμῆσαι δὲ ὁπότε τινὰ βούλοιο, πρέπον αὐτῷ ἐδόκει εἶναι ὀνομαστὶ προσαγορεύειν. [5.3.48] ἐδόκουν δ' αὐτῷ οἱ γιγνώσκεσθαι δοκοῦντες ὑπὸ τοῦ ἄρχοντος καὶ τοῦ καλόν τι ποιοῦντες ὀρᾶσθαι μᾶλλον ὀρέγεσθαι καὶ τοῦ αἰσχρόν τι ποιεῖν μᾶλλον προθυμεῖσθαι ἀπέχεσθαι. [5.3.49] ἡλίθιον δὲ καὶ τοῦτ' ἐδόκει εἶναι αὐτῷ τὸ ὁπότε τι βούλοιο πραχθῆναι, οὕτω προστάττειν ὥσπερ ἐν οἴκῳ ἔνιοι δεσπότης προστάττουσιν, 'Ἴτω τις ἐφ' ὕδωρ, Ξύλα τις σχισάτω'. [5.3.50] οὕτω γὰρ προσταττομένων εἰς ἀλλήλοις τε ὀρᾶν πάντες ἐδόκουν αὐτῷ καὶ οὐδεὶς περαίνειν τὸ προσταχθὲν καὶ πάντες ἐν αἰτίαι εἶναι καὶ οὐδεὶς τῇ αἰτίαι οὔτε αἰσχύνεσθαι οὔτε φοβεῖσθαι ὁμοίως διὰ τὸ σὺν πολλοῖς αἰτίαι ἔχειν· διὰ ταῦτα δὴ πάντας ὠνόμαζεν αὐτὸς ὅτῳ τι προστάττοι.

[5.3.51] Καὶ Κῦρος μὲν δὴ περὶ τούτων οὕτως ἐγίνωσκεν. οἱ δὲ στρατιῶται τότε μὲν δειπνήσαντες καὶ φυλακὰς καταστησάμενοι καὶ συσκευασάμενοι πάντα ἃ ἔδει ἐκοιμήθησαν. [5.3.52] ἡνίκα δ' ἦν ἐν μέσῳ νυκτῶν, ἐσήμηνε τῷ κέρατι. Κῦρος δ' εἰπὼν τῷ Χρυσάντῳ ὅτι ἐπὶ τῇ ὁδῷ ὑπομενοίῃ ἐν τῷ πρόσθεν τοῦ στρατεύματος ἐξήκει λαβὼν τοὺς ἄμφ' αὐτὸν ὑπηρέτας· βραχεῖ δὲ χρόνῳ ὕστερον Χρυσάντας παρῆν ἄγων τοὺς θωρακοφόρους. [5.3.53] τούτῳ μὲν ὁ Κῦρος δοὺς ἡγεμόνας τῆς ὁδοῦ πορεύεσθαι ἐκέλευεν ἡσύχως· οὐ γάρ πω ἐν ὁδῷ πάντες ἦσαν· αὐτὸς δὲ ἐστηκὼς ἐν τῇ ὁδῷ τὸν μὲν προσιόντα πρὸς ἐμπετο ἐν τάξει, ἐπὶ δὲ τὸν ὑστερίζοντα ἔπεμπε καλῶν. [5.3.54] ἐπεὶ δὲ πάντες ἐν ὁδῷ ἦσαν, πρὸς μὲν Χρυσάνταν ἱππέας ἔπεμψεν ἐροῦντας ὅτι ἐν ὁδῷ ἤδη πάντες· ἄγε οὖν ἤδη θᾶπτον. [5.3.55] αὐτὸς δὲ παρελαύνων τὸν ἵππον εἰς τὸ πρόσθεν ἥσυχος κατεθεᾶτο τὰς τάξεις. καὶ οὓς μὲν ἴδοι εὐτάκτως καὶ σιωπῇ ἰόντας, προσελαύνων αὐτοῖς τίνες τε εἶεν ἡρώτα καὶ ἐπεὶ τύθοιτο ἐπῆναι· εἰ δέ τινας θορυβουμένους αἰσθοίτο, τὸ αἴτιον τούτου σκοπῶν κατασβεννύναι τὴν ταραχὴν ἐπειρᾶτο.

[5.3.56] Ἐν μόνον παραλέλειπται τῆς ἐν νυκτὶ ἐπιμελείας αὐτοῦ, ὅτι πρὸ παντὸς τοῦ στρατεύματος πεζοὺς εὐζώνους οὐ πολλοὺς προύπεμπεν, ἐφορωμένους ὑπὸ Χρυσάντα καὶ ἐφορῶντας αὐτόν, ὡς ὠτακουστοῦντες καὶ εἴ πως ἄλλως δύναιντο αἰσθάνεσθαι τι, σημαίνουσιν τῷ Χρυσάντῳ ὅτι καὶ αἰρὸς δοκοίη εἶναι· ἄρχων δὲ καὶ ἐπὶ τούτοις ἦν ὃς καὶ τούτους ἐκόσμιε, καὶ τὸ μὲν ἄξιον λόγου ἐσήμαινε, τὸ δὲ μὴ οὐκ ἠνώχλει λέγων. [5.3.57] τὴν μὲν δὴ νύκτα οὕτως ἐπορεύοντο· ἐπεὶ δὲ ἡμέρα ἐγένετο, τοὺς μὲν Καδουσίῳ ἰππέας, ὅτι αὐτῶν καὶ οἱ πεζοὶ ἐπορεύοντο ἔσχατοι, παρὰ τούτοις κατέλιπεν, ὡς μὴ οὗτοι ψιλοὶ ἰππέων ἴοιεν· τοὺς δ' ἄλλους εἰς τὸ πρόσθεν παρελαύνειν ἐκέλευσεν, ὅτι καὶ οἱ πολέμοιοι ἐν τῷ πρόσθεν ἦσαν, ὅπως εἴ τί που ἐναντιοῖτο αὐτῷ, ἀπαντῶν ἔχων τὴν ἰσχὴν ἐν τάξει καὶ μάχοιτο, εἴ τί τί που φεῦγον ὀφθεῖν, ὡς ἐξ ἐτοιμοτάτου διώκοι. [5.3.58] ἦσαν δὲ αὐτῷ αἰεὶ τεταγμένοι οὓς τε διώκειν δέοι καὶ οὓς παρ' αὐτῷ μένειν· πᾶσαν δὲ τὴν τάξιν λυθῆναι οὐδέποτε εἶα. [5.3.59] Κῦρος μὲν δὴ οὕτως ἦγε τὸ στράτευμα· οὐ μέντοι αὐτός γε μᾶλ' ὥραιοι ἐχρήτο, ἀλλ' ἄλλοτε ἄλλαχθι περιελαύνων ἐφεώρα τε καὶ ἐπεμελεῖτο, εἴ του δέοιτο. οἱ μὲν δὲ ἀμφὶ Κῦρον οὕτως ἐπορεύοντο.

[5.4.1] Ἐκ δὲ τοῦ Γαδάτα ἰππικοῦ τῶν δυνατῶν τις ἀνδρῶν ἐπεὶ ὥραιοι αὐτόν ἀφεςτηκότα ἀπὸ τοῦ Ἀσσυρίου, ἐνόμισεν, εἴ τι οὗτος πάθοι, αὐτὸς ἂν λαβεῖν παρὰ τοῦ Ἀσσυρίου πάντα τὰ Γαδάτα· οὕτω δὲ πέμπει τινὰ τῶν ἑαυτοῦ πιστῶν πρὸς τὸν Ἀσσύριον καὶ κελεύει τὸν ἰόντα, εἰ καταλάβοι ἤδη ἐν τῇ Γαδάτα ὥραιοι τὸ Ἀσσύριον στράτευμα, λέγειν τῷ Ἀσσυρίῳ ὅτι εἰ βούλοιο ἐνεδρεῦσαι, λάβοι ἂν Γαδάταν καὶ τοὺς σὺν αὐτῷ. [5.4.2] δηλοῦν δὲ ἐνετέλλετο ὅσῃν τε εἶχεν ὁ Γαδάτας δύναμιν καὶ ὅτι Κῦρος οὐ συνέπειτο αὐτῷ· καὶ τὴν ὁδὸν ἐδήλωσεν ἥ προσιέναι μέλλοι. προσεπέστειλε δὲ τοῖς αὐτοῦ οἰκέταις, ὡς πιστεύοιτο μᾶλλον, καὶ τὸ τεῖχος ὃ ἐτύγγανεν αὐτὸς ἔχων ἐν τῇ Γαδάτα ὥραιοι παραδοῦναι τῷ Ἀσσυρίῳ καὶ τὰ ἐνόντα· ἥξειν δὲ καὶ αὐτὸς ἔφασκεν, εἰ μὲν δύναιτο, ἀποκτείνας Γαδάταν, εἰ δὲ μή, ὡς σὺν τῷ Ἀσσυρίῳ τὸ λοιπὸν ἐσόμενος. [5.4.3] ἐπεὶ δὲ ὁ ἐπὶ ταῦτα ταχθεὶς ἐλαύνων ὡς δυνατόν ἦν τάχιστα ἀφικνεῖται πρὸς τὸν Ἀσσύριον καὶ ἐδήλωσεν ἐφ' ἧς ἡκοι, ἀκούσας ἐκεῖνος τό τε χωρίον εὐθὺς παρέλαβε καὶ πολλὴν ἵππον ἔχων καὶ ἄρματα ἐνήδρευεν ἐν κώμαις ἀθρόαις. [5.4.4] ὁ δὲ Γαδάτας ὡς ἐγγὺς ἦν τούτων τῶν κωμῶν, πέμπει τινὰς προδιερευνησομένους. ὁ δὲ Ἀσσύριος ὡς ἔγνω προσιώντας τοὺς διερευνητάς, φεύγειν κελεύει ἄρματα ἐξαναστάντα

δύο ἢ τρία καὶ ἵππους ὀλίγους, ὥς δὴ φοβηθέντας καὶ ὀλίγους ὄντας. οἱ δὲ διερευνηταὶ ὥς εἶδον ταῦτα, αὐτοὶ τε ἐδίωκον καὶ τῷ Γαδάται κατέσειον· καὶ ὃς ἐξαπατηθεὶς διώκει ἀνὰ κράτος. οἱ δὲ Ἀσσύριοι, ὥς ἐδόκει ἀλώσιμος εἶναι ὁ Γαδάτας, ἀνίστανται ἐκ τῆς ἐνέδρας. [5.4.5] καὶ οἱ μὲν ἀμφὶ Γαδάταν ἰδόντες ὥσπερ εἰκὸς ἔφευγον, οἱ δ' αὖ ὥσπερ εἰκὸς ἐδίωκον. καὶ ἐν τούτῳ ὁ ἐπιβουλεύων τῷ Γαδάται παῖει αὐτόν, καὶ καιρίας μὲν πληγῆς ἀμαρτάνει, τύπτει δὲ αὐτόν εἰς τὸν ὄμον καὶ τιτρώσκει. ποιήσας δὲ τοῦτο ἐξίσταται, ἕως σὺν τοῖς διώκουσιν ἐγένετο· ἐπεὶ δ' ἐγνώσθη ὃς ἦν, ὁμοῦ δὴ [σὺν τοῖς Ἀσσυρίοις] προθύμως ἐκτείνων τὸν ἵππον σὺν τῷ βασιλεῖ ἐδίωκεν. [5.4.6] ἐνταῦθα δὴ ἠλίσκοντο μὲν δῆλον ὅτι οἱ βραδυτάτους ἔχοντες τοὺς ἵππους ὑπὸ τῶν ταχίστων· ἥδη δὲ μάλα πάντες πιεζόμενοι διὰ τὸ κατατετρῦσθαι ὑπὸ τῆς πορείας οἱ τοῦ Γαδάτα ἱππεῖς καθορῶσι τὸν Κῦρον προσιόντα σὺν τῷ στρατεύματι· δοκεῖν δὲ χρῆ ἀσμένους καὶ ὥσπερ εἰς λιμένα ἐκ χειμῶνος προσφέρεσθαι αὐτούς. [5.4.7] ὁ δὲ Κῦρος τὸ μὲν πρῶτον ἐθαύμασεν· ὥς δ' ἔγνω τὸ πρᾶγμα, ἔστε μὲν πάντες ἐναντίοι ἡλαυνον, ἐναντίος καὶ αὐτὸς ἐν τάξει ἦγε τὴν στρατιάν· ὥς δὲ γνόντες οἱ πολέμιοι τὸ ὄν ἐτράποντο εἰς φυγὴν, ἐνταῦθα ὁ Κῦρος διώκειν ἐκέλευσε τοὺς πρὸς τοῦτο τεταγμένους, αὐτὸς δὲ σὺν τοῖς ἄλλοις εἶπετο ὥς ὤιετο συμφέρειν. [5.4.8] ἐνταῦθα δὴ καὶ ἄρματα ἠλίσκοντο, ἔνια μὲν καὶ ἐκπιπτόντων τῶν ἡνιόχων, τῶν μὲν ἐν τῇ ἀναστροφῇ, τῶν δὲ καὶ ἄλλως, ἔνια δὲ καὶ περιτεμνόμενα ὑπὸ τῶν ἱππέων [ἠλίσκετο]. καὶ ἀποκτείνουσι δὲ ἄλλους τε πολλοὺς καὶ τὸν παῖσαντα Γαδάταν. [5.4.9] τῶν μέντοι πεζῶν Ἀσσυρίων, οἱ ἔτυχον τὸ Γαδάτα χωρίον πολιορκοῦντες, οἱ μὲν εἰς τὸ τεῖχος κατέφυγον τὸ ἀπὸ Γαδάτα ἀποστάν, οἱ δὲ φθάσαντες εἰς πόλιν τινὰ τοῦ Ἀσσυρίου μεγάλην, ἐνθα καὶ αὐτὸς σὺν τοῖς ἵπποις καὶ τοῖς ἄρμασι κατέφυγεν ὁ Ἀσσύριος.

[5.4.10] Κῦρος μὲν δὴ διαπραξάμενος ταῦτα ἐπαναχωρεῖ εἰς τὴν Γαδάτα χώραν· καὶ προστάξας οἷς ἔδει ἀμφὶ τὰ αἰχμάλωτα ἔχειν, εὐθὺς ἐπορεύετο, ὥς ἐπισκέψαιτο τὸν Γαδάταν πῶς ἔχοι ἐκ τοῦ τραύματος. πορευομένῳ δὲ αὐτῷ ὁ Γαδάτας ἐπιδεδεμένος ἥδη τὸ τραῦμα ἀπαντᾷ. ἰδὼν δὲ αὐτόν ὁ Κῦρος ἦσθη τε καὶ εἶπεν· Ἐγὼ δὲ πρὸς σὲ ἦια ἐπισκεψόμενος πῶς ἔχεις. [5.4.11] Ἐγὼ δέ γ', ἔφη ὁ Γαδάτας, ναὶ μὰ τοὺς θεοὺς σὲ ἐπαναθεασόμενος ἦια ὁποῖός τις ποτε φαίνηται ἰδεῖν ὁ τοιαύτην ψυχὴν ἔχων· ὅστις οὐτ' οἶδα ἔγωγε ὅ τι νῦν ἐμοῦ δεόμενος οὐτε μὴν ὑποσχόμενός γέ μοι ταῦτα πράξειν οὐτ' εὖ

πεπονθὼς ὑπ' ἐμοῦ εἷς γε τὸ ἴδιον οὐδ' ὅτιοῦν, ἀλλ' ὅτι τοὺς φίλους ἔδοξά σοί τι ὀνῆσαι, οὕτω μοι προθύμως ἐβοήθησας ὥς νῦν τὸ μὲν ἐπ' ἐμοὶ οἴχομαι, τὸ δ' ἐπὶ σοὶ σέσωσμαι. [5.4.12] οὐ μὰ τοὺς θεοὺς, ὦ Κῦρε, εἰ ἦν οἷος ἔφυν ἐξ ἀρχῆς καὶ ἐπαιδοποιησάμην, οὐκ οἶδ' ἂν εἰ ἐκτησάμην παῖδα τοιοῦτον περὶ ἐμέ· ἐπεὶ ἄλλους τε οἶδα παῖδας καὶ τοῦτον τὸν νῦν Ἀσσυρίων βασιλέα πολὺ πλεῖω ἤδη τὸν αὐτοῦ πατέρα ἀνιάσαντα ἢ σὲ νῦν δύναται ἀνιᾶν. [5.4.13] καὶ ὁ Κῦρος πρὸς ταῦτα εἶπεν ὧδε· Ὡ Γαδάτα, ἢ πολὺ μείζον παρεῖς θαῦμα ἐμὲ νῦν θαυμάζεις. Καὶ τί δὴ τοῦτ' ἔστιν; ἔφη ὁ Γαδάτας· Ὅτι τοσοῦτοι μὲν, ἔφη, Περσῶν ἐσποινδασαν περὶ σέ, τοσοῦτοι δὲ Μήδων, τοσοῦτοι δὲ Ὑρκανίων, πάντες δὲ οἱ παρόντες Ἀρμενίων καὶ Σακῶν καὶ Καδουσίων. [5.4.14] καὶ ὁ Γαδάτας ἐπηύξατο· Ἀλλ', ὦ Ζεῦ, ἔφη, καὶ τούτοις πόλλ' ἀγαθὰ δοῖεν οἱ θεοί, καὶ πλεῖστα τῷ αἰτίῳ τοῦ καὶ τούτους τοιούτους εἶναι. ὅπως μέντοι οὗς ἐπαινεῖς τούτους, ὦ Κῦρε, ξενίσωμεν καλῶς, δέχου τάδε ξένια οἷα ἐγὼ <δοῦναι> δύναμαι. ἅμα δὲ προσῆγε πάμπολλα, ὥστε καὶ θύειν τὸν βουλόμενον καὶ ξενίζεσθαι πᾶν τὸ στράτευμα ἀξίως τῶν καλῶς πεποιημένων καὶ καλῶς συμβάντων.

[5.4.15] Ὁ δὲ Καδούσιος ὀπισθοφυλάκει καὶ οὐ μετέσχε τῆς διώξεως· βουλόμενος δὲ καὶ αὐτὸς λαμπρόν τι ποιῆσαι, οὐτε ἀνακοινωσάμενος οὐτε εἰπὼν οὐδὲν Κύρῳ καταθεῖ τὴν πρὸς Βαβυλῶνα χώραν. διεσπασμένοις δὲ τοῖς ἵπποις αὐτοῦ ἀπὼν ὁ Ἀσσύριος ἐκ τῆς ἑαυτοῦ πόλεως, οἳ κατέφυγε, συντυγχάνει μάλα συντεταγμένον ἔχων τὸ αὐτοῦ στράτευμα. [5.4.16] ὥς δ' ἔγνω μόνους ὄντας τοὺς Καδουσίους, ἐπιτίθεται, καὶ τὸν τε ἄρχοντα τῶν Καδουσῶν ἀποκτείνει καὶ ἄλλους πολλούς, καὶ ἵππους τινὰς λαμβάνει τῶν Καδουσίων καὶ ἦν ἄγοντες λείαν ἐτύγχανον ἀφαιρεῖται. καὶ ὁ μὲν Ἀσσύριος διώξας ἄρχι οὗ ἀσφαλὲς ὦιετο εἶναι ἀπετράπετο· οἱ δὲ Καδούσιοι ἐσώζοντο πρὸς τὸ στρατόπεδον ἀμφὶ δειλὴν οἱ πρῶτοι. [5.4.17] Κῦρος δ' ὥς ἦσθετο τὸ γεγονός, ἀπῆντα τε τοῖς Καδουσίῳις καὶ ὄντινα ἴδοι τετρωμένον ἀναλαμβάνων τοῦτον μὲν ὥς Γαδάταν ἔπεμπε, ὅπως θεραπεύοιτο, τοὺς δ' ἄλλους συγκατεσκήνου καὶ ὅπως τὰ ἐπιτήδεια ἐξουσι συνεπεμελεῖτο, παραλαμβάνων Περσῶν τῶν ὁμοτίμων συνεπιμελητάς· ἐν γὰρ τοῖς τοιούτοις οἱ ἀγαθοὶ ἐπιπονεῖν ἐθέλουσι. [5.4.18] καὶ ἀνιώμενος μέντοι ἰσχυρῶς δῆλος ἦν, ὥς καὶ τῶν ἄλλων δειπνούντων ἡνίκα ὥρα ἦν, Κῦρος ἔτι σὺν τοῖς ὑπηρέταις καὶ τοῖς ἰατροῖς οὐδένα ἐκῶν

ἀτημέλητον παρέλειπεν, ἀλλ' ἢ αὐτόπτης ἐφεώρα ἢ εἰ μὴ αὐτὸς ἐξανύτοι, πέμπων φανερὸς ἦν τοὺς θεραπεύοντας.

[5.4.19] Καὶ τότε μὲν οὕτως ἐκοιμήθησαν. ἅμα δὲ τῇ ἡμέρᾳ κηρύξας συνιέναι τῶν μὲν ἄλλων τοὺς ἄρχοντας, τοὺς δὲ Καδουσίους ἅπαντας, ἔλεξε τοιάδε.

Ἄνδρες σύμμαχοι, ἀνθρώπινον τὸ γεγεννημένον· τὸ γὰρ ἁμαρτάνειν ἀνθρώπους ὄντας οὐδὲν οἶομαι θαυμαστόν. ἄξιοί γε μέντοι ἐσμὲν τοῦ γεγεννημένου πράγματος τούτου ἀπολαῦσαί τι ἀγαθόν, τὸ μαθεῖν μήποτε διασπᾶν ἀπὸ τοῦ ὅλου δύναμιν ἀσθενεστέραν τῆς τῶν πολεμίων δυνάμεως. [5.4.20] καὶ οὐ τοῦτο, ἔφη, λέγω ὥς οὐ δεῖ ποτε καὶ ἐλάττονι ἔτι μορίῳ ἰέναι, ὅπου ἂν δέη, ἢ νῦν ὁ Καδούσιος ὦιχετο· ἀλλ' ἐάν τις κοινοῦμενος ὀρμᾶται τῷ ἱκανῷ βοηθῆσαι, ἔστι μὲν ἀπαρτηθῆναι, ἔστι δὲ τῷ ὑπομένοντι ἐξαπατήσαντι τοὺς πολεμίους ἄλλοσε τρέψαι ἀπὸ τῶν ἐξεληλυθότων, ἔστι δὲ ἄλλα παρέχοντα πράγματα τοῖς πολεμίῳ τοῖς φίλοις ἀσφάλειαν παρέχειν· καὶ οὕτω μὲν οὐδ' ὁ χωρὶς ὢν ἀπέσται, ἀλλ' ἐξαρτήσεται τῆς ἰσχύος· ὁ δὲ ἀπεληλυθὼς μὴ ἀνακοινωσάμενος, ὅπου ἂν ᾖ, οὐδὲν διάφορον πάσχει ἢ εἰ μόνος ἐστρατεύετο. [5.4.21] ἀλλ' ἀντὶ μὲν τούτου, ἔφη, ἐάν θεὸς θέλῃ, ἀμυνόμεθα τοὺς πολεμίους οὐκ εἰς μακράν. ἀλλ' ἐπειδὴν τάχιστα ἀριστήσητε, ἄξω ὑμᾶς ἔνθα τὸ πρᾶγμα ἐγένετο· καὶ ἅμα μὲν θάψομεν τοὺς τελευτήσαντας, ἅμα δὲ δεῖξομεν τοῖς πολεμίῳ ἔνθα κρατῆσαι νομίζουσιν ἐνταῦθα ἄλλους αὐτῶν κρείττους, ἦν θεὸς θέλῃ· ἐάν δὲ μὴ ἀντεπεξίωσι, καύσομεν αὐτῶν τὰς κώμας καὶ δηλώσομεν τὴν χώραν, ἵνα μὴ ἂ ἡμᾶς ἐποίησαν ὀρώντες εὐφραίνωνται, ἀλλὰ τὰ ἑαυτῶν κακὰ θεώμενοι ἀνιῶνται, καὶ ὅπως γε μηδὲ τὸ χωρίον ἡδέως ὀρῶσιν ἔνθα κατέκανον ἡμῶν τοὺς συμμαχοὺς. [5.4.22] οἱ μὲν οὖν ἄλλοι, ἔφη, ἀριστᾶτε ἰόντες· ὑμεῖς δέ, ὦ Καδούσιοι, πρῶτον μὲν ἀπελθόντες ἄρχοντα ὑμῶν αὐτῶν ἔλεσθε ἥπερ ὑμῖν νόμος, ὅστις ὑμῶν ἐπιμελήσεται σὺν τοῖς θεοῖς καὶ σὺν ἡμῖν, ἂν τι προσδέησθε· ἐπειδὴν δὲ ἔλησθε, πέμψατε πρὸς ἐμὲ τὸν αἰρεθέντα καὶ ἀριστήσατε. [5.4.23] οἱ μὲν δὴ ταῦτ' ἔπραξαν· ὁ δὲ Κῦρος ἐπεὶ ἐξήγαγε τὸ στράτευμα, κατέστησεν εἰς τάξιν τὸν ἡρημένον ὑπὸ τῶν Καδουσίῳν καὶ ἐκέλευσε πλησίον αὐτοῦ ἄγειν τὴν τάξιν, ὅπως, ἔφη, ἂν δυνώμεθα, ἀναθαρρύνωμεν τοὺς ἄνδρας. οὕτω δὴ ἐπορεύοντο· καὶ ἐλθόντες ἔθαπτον μὲν τοὺς Καδουσίους, ἐδήμιον δὲ τὴν χώραν. ποιήσαντες δὲ ταῦτα ἀπῆλθον τὰ ἐπιτήδεια ἐκ

τῆς πολεμίας ἔχοντες πάλιν εἰς τὴν Γαδάτα.

[5.4.24] Ἐννοήσας δὲ ὅτι οἱ πρὸς αὐτὸν ἀφεστηκότες ὄντες πλησίον Βαβυλῶνος κακῶς πείσονται, ἂν μὴ αὐτὸς αἰεὶ παρῇ, οὕτως ὅσους τε τῶν πολέμιων ἀφίει, τούτους ἐκέλευε λέγειν τῷ Ἀσσυρίῳ, καὶ αὐτὸς κήρυκα ἔπεμψε πρὸς αὐτὸν ταῦτα λέγοντα, ὅτι ἔτοιμος εἶη τοὺς ἐργαζομένους τὴν γῆν ἑᾶν καὶ μὴ ἀδικεῖν, εἰ καὶ ἐκεῖνος βούλοιο ἑᾶν ἐργάζεσθαι τοὺς τῶν πρὸς αὐτὸν ἀφεστηκόντων ἐργάτας. [5.4.25] καίτοι, ἔφη, σὺ μὲν ἂν καὶ δύνῃ κωλύειν, ὀλίγους τινὰς κωλύσεις· ὀλίγη γάρ ἐστι χώρα ἢ τῶν πρὸς ἐμὲ ἀφεστηκόντων· ἐγὼ δὲ πολλὴν ἂν σοι χώραν ἐώην ἐνεργὸν εἶναι. εἰς δὲ τὴν τοῦ καρποῦ κομιδὴν, ἑᾶν μὲν πόλεμος ἦ, ὁ ἐπικρατῶν οἶμαι καρπώσεται· ἑᾶν δὲ εἰρήνῃ, δῆλον, ἔφη ὅτι σὺ. ἑᾶν μέντοι τις ἢ τῶν ἐμῶν ὄπλα ἀνταίρηται σοὶ ἢ τῶν σῶν ἐμοί, τούτους, ἔφη, ὥς ἂν δυνώμεθα ἐκάτεροι ἀμυνόμεθα. [5.4.26] ταῦτα ἐπιστείλας τῷ κήρυκι ἔπεμψεν αὐτόν. οἱ δὲ Ἀσσύριοι ὥς ἤκουσαν ταῦτα, πάντα ἐποίουν πείθοντες τὸν βασιλέα συγχωρῆσαι ταῦτα καὶ ὅτι μικρότατον τοῦ πολέμου λιπεῖν. [5.4.27] καὶ ὁ Ἀσσύριος μέντοι εἴτε ὑπὸ τῶν ὁμοφύλων πεισθεὶς εἴτε καὶ αὐτὸς οὕτω βουλευθεὶς συνήνεσε ταῦτα· καὶ ἐγένοντο συνθῆκαι τοῖς μὲν ἐργαζομένοις εἰρήνην εἶναι, τοῖς δ' ὀπλοφόροις πόλεμον. [5.4.28] ταῦτα μὲν δὴ διεπέπρακτο περὶ τῶν ἐργατῶν ὁ Κῦρος· τὰς μέντοι νομὰς τῶν κτηνῶν τοὺς μὲν ἑαυτοῦ φίλους ἐκέλευσε καταθέσθαι, εἰ βούλοιντο, ἐν τῇ ἑαυτῶν ἐπικρατείᾳ· τὴν δὲ τῶν πολέμιων λεῖαν ἦγον ὀπόθεν δύναιτο, ὅπως εἶη ἡ στρατεία ἡδίων τοῖς συμμάχοις. οἱ μὲν γὰρ κίνδυνοι οἱ αὐτοὶ καὶ ἄνευ τοῦ λαμβάνειν τὰ ἐπιτήδεια, ἢ δ' ἐκ τῶν πολέμιων τροφὴ κουφοτέραν τὴν στρατείαν ἐδόκει παρέχειν.

[5.4.29] Ἐπεὶ δὲ παρεσκευάζετο ἤδη ὁ Κῦρος ὥς ἀπιών, παρὴν ὁ Γαδάτας ἄλλα τε δῶρα πολλὰ καὶ παντοῖα φέρων καὶ ἄγων ὥς ἂν ἐξ οἴκου μεγάλου, καὶ ἵππους δὲ ἦγε πολλοὺς ἀφελόμενος τῶν ἑαυτοῦ ἵππεων οἷς ἠπιστήκει διὰ τὴν ἐπιβουλήν. [5.4.30] ὥς δ' ἐπλησίασεν, ἔλεξε τοιάδε. ὦ Κῦρε, νῦν μὲν σοι ἐγὼ ταῦτα δίδωμι ἐν τῷ παρόντι, καὶ χρῶ αὐτοῖς, ἑᾶν δέῃ τι νόμιζε δ', ἔφη, καὶ τᾶλλα πάντα τὰμὰ σὰ εἶναι. οὔτε γὰρ ἔστιν οὐτ' ἔσται ποτὲ ὅτῳ ἐγὼ ἀπ' ἐμοῦ φύντι καταλείψω τὸν ἐμὸν οἶκον· ἀλλ' ἀνάγκη, ἔφη, σὺν ἐμοὶ τελευτῶντι πᾶν ἀποσβῆναι τὸ ἡμέτερον γένος καὶ ὄνομα. [5.4.31] καὶ ταῦτα, ἔφη, ὦ Κῦρε, ὁμνυμί σοι θεοὺς, οἱ καὶ ὀρῶσι πάντα καὶ ἀκούουσι πάντα, οὔτε ἄδικον οὔτε αἰσχρὸν οὐδὲν οὔτε εἰπὼν οὔτε ποιήσας ἔπαθον.

καὶ ἅμα ταῦτα λέγων κατεδάκρυσεν τὴν ἑαυτοῦ τύχην καὶ οὐκέτι ἐδυνήθη πλείω εἰπεῖν.

[5.4.32] Καὶ ὁ Κῦρος ἀκούσας τοῦ μὲν πάθους ὠκτιρεν αὐτόν, ἔλεξε δὲ ὧδε. Ἀλλὰ τοὺς μὲν ἵππους δέχομαι, ἔφη· σέ τε γὰρ ὠφελήσω εὐνουστέροις δοὺς αὐτοὺς ἢ οἱ νῦν σοι εἶχον, ὥς ἔοικεν, ἐγὼ τε οὗ δὴ πάλαι ἐπιθυμῶ, τὸ Περσῶν ἱππικὸν θάττον ἐκπληρώσω εἰς τοὺς μυρίους ἱππέας· τὰ δ' ἄλλα χρήματα σὺ ἀπαγαγὼν φύλαττε, ἔστ' ἂν ἐμὲ ἴδῃς ἔχοντα ὥστε σοῦ μὴ ἡττᾶσθαι ἀντιδωρούμενον· εἰ δὲ πλείω μοι δοὺς ἀπίοις ἢ λαμβάνοις παρ' ἐμοῦ, μὰ τοὺς θεοὺς οὐκ οἶδ' ὅπως ἂν δυνάιμην μὴ αἰσχύνεσθαι. [5.4.33] πρὸς ταῦτα ὁ Γαδάτας εἶπεν· Ἀλλὰ ταῦτα μὲν, ἔφη, πιστεύω σοι· ὁρῶ γάρ σου τὸν τρόπον· φυλάττειν μέντοι ὅρα εἰ ἐπιτήδειός εἰμι. [5.4.34] ἕως μὲν γὰρ φίλοι ἦμεν τῷ Ἀσσυρίῳ, καλλίστῃ ἐδόκει εἶναι ἡ τοῦ ἐμοῦ πατὴρ κτήσις· τῆς γὰρ μεγίστης πόλεως Βαβυλῶνος ἐγγὺς οὖσα ὅσα μὲν ὠφελεῖσθαι ἔστιν ἀπὸ μεγάλης πόλεως, ταῦτα ἀπελαύομεν, ὅσα δὲ ἐνοχλεῖσθαι, οἴκαδε δεῦρ' ἀπιόντες τούτων ἐκποδὼν ἦμεν· νῦν δ' ἐπεὶ ἐχθροὶ ἐσμεν, δηλὸν ὅτι ἐπειδὴν σὺ ἀπέλθῃς, καὶ αὐτοὶ ἐπιβουλευσόμεθα καὶ ὁ οἶκος ὅλος, καὶ οἶμαι λυπηρῶς βιωσόμεθα ὅλως τοὺς ἐχθροὺς καὶ πλησίον ἔχοντες καὶ κρείττους ἡμῶν αὐτῶν ὁρῶντες. [5.4.35] τάχ' οὖν εἴποι τις ἄν· καὶ τί δήτα οὐχ οὕτως ἐνεννοοῦ πρὶν ἀποστῆναι; ὅτι, ὦ Κῦρε, ἡ ψυχὴ μου διὰ τὸ ὑβρίσθαι καὶ ὀργίζεσθαι οὐ τὸ ἀσφαλέςτατον σκοποῦσα διήγεν, ἀλλ' αἰεὶ τοῦτο κυοῦσ', ἄρα ποτ' ἔσται ἀποτεῖσασθαι τὸν καὶ θεοῖς ἐχθρὸν καὶ ἀνθρώποις, ὃς διατελεῖ μισῶν, οὐκ ἦν τίς τι αὐτὸν ἀδικῇ, ἀλλ' ἐάν τινα ὑποπτεύσῃ βελτίονα αὐτοῦ εἶναι. [5.4.36] τοιγαροῦν οἶμαι αὐτὸς πονηρὸς ὢν πᾶσι πονηροτέροις αὐτοῦ συμμάχοις χρήσεται. ἐάν δέ τις ἄρα καὶ βελτίων αὐτοῦ φανῇ, θάρρει, ἔφη, ὦ Κῦρε, οὐδέν σε δεήσει τῷ ἀγαθῷ ἀνδρὶ μάχεσθαι, ἀλλ' ἐκεῖνος τοῦτο ἀρκέσει μηχανώμενος, ἕως ἂν ἔλῃ τὸν ἑαυτοῦ βελτίονα. τοῦ μέντοι ἐμὲ ἀνιᾶν καὶ σὺν πονηροῖς ραϊδίως οἶμαι κρείττων ἔσται.

[5.4.37] Ἀκούσαντι ταῦτα τῷ Κύρῳ ἐδοξεν ἄζια ἐπιμελείας λέγειν· καὶ εὐθὺς εἶπε· Τί οὖν, ἔφη, ὦ Γαδάτα, οὐχὶ τὰ μὲν τείχη φυλακῇ ἐχυρὰ ἐποιήσαμεν, ὅπως ἂν σοι σῶια ᾖ χρήσθαι ἀσφαλῶς, ὅποταν εἰς αὐτὰ ἴῃς· αὐτὸς δὲ σὺν ἡμῖν στρατεύῃ, ἵνα ἦν οἱ θεοὶ ὥσπερ νῦν σὺν ἡμῖν ὣσιν, οὗτος σέ φοβῆται, ἀλλὰ μὴ σὺ τοῦτον; ὃ τι δὲ ἡδύ σοι ὁρᾶν τῶν σῶν ἢ ὅτῳ συνὼν χαίρεις, ἔχων σὺν σαυτῷ πορεύου. καὶ σὺ τ' ἂν ἐμοί, ὥς γ' ἐμοί δοκεῖ, πάνυ χρήσιμος εἴης, ἐγὼ τε σοὶ ὅσα

ἂν δύνωμαι πειράσομαι. [5.4.38] ἀκούσας ταῦτα ὁ Γαδάτας ἀνέπνευσέ τε καὶ εἶπεν· Ἄρ' οὖν, ἔφη, δυναίμην ἂν συσκευασάμενος φθάσαι πρὶν σε ἐξιέναι; βούλομαι γάρ τοι, ἔφη, καὶ τὴν μητέρα ἄγειν μετ' ἐμαυτοῦ. Ναὶ μὰ Δί', ἔφη, φθάσεις μέντοι. ἐγὼ γὰρ ἐπισχῆσω ἔστ' ἂν φῆις καλῶς ἔχειν. [5.4.39] οὕτω δὴ ὁ Γαδάτας ἀπελθὼν φύλαξι μὲν τὰ τεῖχη σὺν Κύρῳ ὠχυρώσατο, συνεσκευάσατο δὲ πάντα ὁπόσοις ἂν οἶκος μέγας καλῶς οἰκοῖτο. ἤγετο δὲ καὶ τῶν ἑαυτοῦ τῶν τε πιστῶν οἷς ἦδετο καὶ ὧν ἠπίσται πολλούς, ἀναγκάσας τοὺς μὲν καὶ γυναῖκας ἄγειν, τοὺς δὲ καὶ ἀδελφούς, ὡς δεδεμένους τούτοις κατέχοι αὐτούς. [5.4.40] καὶ τὸν μὲν Γαδάταν εὐθὺς ὁ Κῦρος ἐν τοῖς περὶ αὐτὸν ἦiei ἔχων καὶ ὁδῶν φραστῆρα καὶ ὑδάτων καὶ χилоῦ καὶ σίτου, ὡς εἴη ἐν [τοῖς] ἀφθονωτάτοις στρατοπεδεύεσθαι.

[5.4.41] Ἐπεὶ δὲ πορευόμενος καθεώρα τὴν τῶν Βαβυλωνίων πόλιν καὶ ἔδοξεν αὐτῷ ἡ ὁδὸς ἣν ἦiei παρ' αὐτὸ τὸ τεῖχος φέρειν, καλέσας τὸν Γωβρύαν καὶ τὸν Γαδάταν ἡρώτα εἰ εἴη ἄλλη ὁδός, ὥστε μὴ πάνυ ἐγγὺς τοῦ τεῖχους ἄγειν. [5.4.42] καὶ ὁ Γωβρύας εἶπεν· Εἰσὶ μὲν, ὦ δέσποτα, καὶ πολλαὶ ὁδοί· ἀλλ' ἔγωγ', ἔφη, ωῖόμην καὶ βούλεσθαι ἂν σε νῦν ὅτι ἐγγυτάτω τῆς πόλεως ἄγειν, ἵνα καὶ ἐπιδείξαις αὐτῷ ὅτι τὸ στράτευμά σου ἤδη πολὺ τὲ ἐστὶ καὶ καλόν· ἐπειδὴ καὶ ὅτε ἔλαττον εἶχες προσῆλθές τε πρὸς αὐτὸ τὸ τεῖχος καὶ ἐθεάτο ἡμᾶς οὐ πολλοὺς ὄντας· νῦν δὲ εἰ καὶ παρεσκευασμένος τί ἐστὶν, ὥσπερ πρὸς σὲ εἶπεν ὅτι παρασκευάζοιτο ὡς μαχοῦμενός σοι, οἶδ' ὅτι ἰδόντι αὐτῷ τὴν σὴν δύναμιν πάλιν ἀπαρασκευαστότατα τὰ αὐτοῦ φανεῖται.

[5.4.43] Καὶ ὁ Κῦρος πρὸς ταῦτα εἶπε· Δοκεῖς μοι, ὦ Γωβρύα, θαυμάζειν ὅτι ἐν ᾧ μὲν χρόνῳ πολὺ μείονα ἔχων στρατιὰν ἦλθον, πρὸς αὐτὸ τὸ τεῖχος προσῆγον· νῦν δ' ἐπεὶ πλείονα δύναμιν ἔχω, οὐκ ἐθέλω ὑπ' αὐτὰ τὰ τεῖχη ἄγειν. [5.4.44] ἀλλὰ μὴ θαύμαζε· οὐ γὰρ τὸ αὐτό ἐστὶ προσάγειν τε καὶ παράγειν. προσάγουσι μὲν γὰρ πάντες οὕτω ταξάμενοι ὡς ἂν ἄριστοι εἶεν μάχεσθαι [καὶ ἀπάγουσι δὲ οἱ σώφρονες ἢ ἂν ἀσφαλέστατα, οὐχ ἢ ἂν τάχιστα ἀπέλθοιεν], [5.4.45] παριέναι δὲ ἀνάγκη ἐστὶν ἐκτεταμέναις μὲν ταῖς ἀμάξαις, ἀνειρμένοις δὲ καὶ τοῖς ἄλλοις σκευοφόροις ἐπὶ πολὺ· ταῦτα δὲ πάντα δεῖ προκεκαλύφθαι τοῖς ὅπλοφόροις καὶ μηδαμῇ τοῖς πολεμίοις γυμνὰ ὅπλων τὰ σκευοφόρα φαίνεσθαι. [5.4.46] ἀνάγκη οὖν οὕτω πορευομένων ἐπὶ λεπτόν καὶ ἀσθενὲς τὸ μάχιμον τετάχθαι· εἰ οὖν βούλονται ἄθροοι ἐκ τοῦ τεῖχους προσπεσεῖν πηι, ὅπῃ προσμείξειαν, πολὺ ἂν ἔρρωμενέστεροι συμμιγνύοιεν τῶν παρίοντων· [5.4.47] καὶ τοῖς

μὲν ἐπὶ μακρὸν πορευομένοις μακραὶ καὶ αἱ ἐπιβοήθειαι, τοῖς δ' ἐκ τοῦ τείχους βραχὺ πρὸς τὸ ἐγγυς καὶ προσδραμεῖν καὶ πάλιν ἀπελθεῖν. [5.4.48] ἦν δὲ μὴ μεῖον ἀπέχοντες παρίωμεν ἢ ἐφ' ὅσον καὶ νῦν ἐκτεταμένοι πορευόμεθα, τὸ μὲν πλῆθος κατόψονται ἡμῶν· ὑπὸ δὲ τῶν παρυφασμένων ὅπλων πᾶς ὄχλος δεινὸς φαίνεται. [5.4.49] ἂν δ' οὖν τῷ ὄντι ἐπεξίωσί πηι, ἐκ πολλοῦ προορῶντες αὐτοὺς οὐκ ἂν ἀπαράσκευοι λαμβανοίμεθα. μᾶλλον δέ, ὃ ἄνδρες, ἔφη, οὐδ' ἐπιχειρήσουσιν, ὁπότεν πρόσω δέηι ἀπὸ τοῦ τείχους ἀπιέναι, ἂν μὴ τῷ ὅλῳ ὑπολάβωσι τοῦ παντὸς κρείττους εἶναι [5.4.50] φοβερά γὰρ ἡ ἀποχώρησις. ἐπεὶ δὲ ταῦτ' εἶπεν, ἔδοξε τε ὀρθῶς τοῖς παροῦσι λέγειν καὶ ἦγεν ὁ Γωβρύας ὥσπερ ἐκέλευσε. παραμειβομένου δὲ τὴν πόλιν τοῦ στρατεύματος αἰεὶ τὸ ὑπολειπόμενον ισχυρότερον ποιούμενος ἀπεχώρει.

[5.4.51] Ἐπεὶ δὲ πορευόμενος οὕτως ἐν ταῖς γιγνομέναις ἡμέραις ἀφικνεῖται εἰς τὰ μεθόρια τῶν Σύρων καὶ Μήδων, ἔνθεν περ ὥρματο, ἐνταῦθα δὴ τρία ὄντα τῶν Σύρων φρουρία, ἐν μὲν αὐτὸς τὸ ἀσθενέστατον βίαι προσβαλὼν ἔλαβε, τῷ δὲ δύο [φρουρίῳ] φοβῶν μὲν Κῦρος, πείθων δὲ Γαδάτας ἔπεισε παραδοῦναι τοὺς φυλάττοντας.

[5.5.1] Ἐπεὶ δὲ ταῦτα διεπέπρακτο, πέμπει πρὸς Κυαξάρην καὶ ἐπέστειλεν αὐτῷ ἥκειν ἐπὶ τὸ στρατόπεδον, ὅπως περὶ τῶν φρουρίων ὧν εἰλήφесαν βουλευσαιντο ὅ τι χρήσαιντο, καὶ ὅπως θεασάμενος τὸ στράτευμα καὶ περὶ τῶν ἄλλων σύμβουλος γίγνοιτο ὅ τι δοκοίη ἐκ τούτου πράττειν· ἂν δὲ κελεύῃ, εἰπέ, ἔφη, ὅτι ἐγὼ ἂν ὥς ἐκεῖνον ἰοίην συστρατοπεδευσόμενος. [5.5.2] ὁ μὲν δὴ ἄγγελος ὤιχετο ταῦτ' ἀπαγγελῶν. ὁ δὲ Κῦρος ἐν τούτῳ ἐκέλευσε τὴν τοῦ Ἀσσυρίου σκηνήν, ἣν Κυαξάρη οἱ Μῆδοι ἐξεῖλον, ταύτην κατασκευάσαι ὥς βέλτιστα τῇ τε ἄλλῃ κατασκευῇ ἣν εἶχον καὶ τῷ γυναιῖκα εἰσαγαγεῖν εἰς τὸν γυναικῶνα τῆς σκηνῆς καὶ σὺν ταύτῃ τὰς μουσουργούς, αἵπερ ἐξηρημέναι ἦσαν Κυαξάρηι. [5.5.3] οἱ μὲν δὴ ταῦτ' ἔπραττον. ὁ δὲ πεμφθεὶς πρὸς τὸν Κυαξάρην ἐπεὶ ἔλεξε τὰ ἐντεταλμένα, ἀκούσας αὐτοῦ ὁ Κυαξάρης ἔγνω βέλτιον εἶναι τὸ στράτευμα μένειν ἐν τοῖς μεθορίοις. καὶ γὰρ οἱ Πέρσαι οὕς μετεπέμψατε ὁ Κῦρος ἦκον· ἦσαν δὲ μυριάδες τέτταρες τοξοτῶν καὶ πελταστῶν. [5.5.4] ὁρῶν οὖν καὶ τούτους σινομένους πολλὰ τὴν Μηδικήν, τούτων ἂν ἐδόκει ἥδιον ἀπαλλαγῆναι ἢ ἄλλον ὄχλον εἰσδέξασθαι. ὁ μὲν δὴ ἐκ Περσῶν ἄγων τὸν στρατὸν ἐρόμενος τὸν

Κυαζάρην κατὰ τὴν Κύρου ἐπιστολὴν εἴ τι δέοιτο τοῦ στρατοῦ, ἐπεὶ οὐκ ἔφη δεῖσθαι, αὐθημερόν, ἐπεὶ ἤκουσε παρόντα Κῦρον, ὥιχετο πρὸς αὐτὸν ἄγων τὸ στράτευμα.

[5.5.5] Ὁ δὲ Κυαζάρης ἐπορεύετο τῇ ὑστεραίᾳ σὺν τοῖς παραμείνασιν ἱππεῦσι Μήδων· ὥς δ' ἤισθετο ὁ Κῦρος προσιόντα αὐτόν, λαβὼν τοὺς τε τῶν Περσῶν ἱππέας, πολλοὺς ἤδη ὄντας, καὶ τοὺς Μήδους πάντας καὶ τοὺς Ἀρμενίους καὶ τοὺς Ὑρκανίους καὶ τῶν ἄλλων συμμάχων τοὺς εὐιπποτάτους τε καὶ εὐοπλοτάτους ἀπήντα, ἐπιδεικνὺς τῷ Κυαζάρῃ τὴν δύναμιν. [5.5.6] ὁ δὲ Κυαζάρης ἐπεὶ εἶδε σὺν μὲν τῷ Κύρῳ πολλοὺς τε καὶ καλοὺς καὶ ἀγαθοὺς ἐπομένους, σὺν αὐτῷ δὲ ὀλίγην τε καὶ ὀλίγου ἀξίαν θεραπείαν, ἄτιμόν τι αὐτῷ ἔδοξεν εἶναι καὶ ἄχος αὐτὸν ἔλαβεν. ἐπεὶ δὲ καταβάς ἀπὸ τοῦ ἵππου ὁ Κῦρος προσῆλθεν ὥς φιλήσων αὐτὸν κατὰ νόμον, ὁ Κυαζάρης κατέβη μὲν ἀπὸ τοῦ ἵππου, ἀπεστράφη δέ· καὶ ἐφίλησε μὲν οὐ, δακρύνων δὲ φανερός ἦν. [5.5.7] ἐκ τούτου δὴ ὁ Κῦρος τοὺς μὲν ἄλλους πάντας ἀποστάντας ἐκέλευσεν ἀναπαύεσθαι· αὐτὸς δὲ λαβόμενος τῆς δεξιᾶς τοῦ Κυαζάρου καὶ ἀπαγαγὼν αὐτὸν τῆς ὁδοῦ ἔξω ὑπὸ φοινίκας τινάς, τῶν τε Μηδικῶν πύλων ὑποβαλεῖν ἐκέλευσεν αὐτῷ καὶ καθίσας αὐτὸν καὶ παρακαθεζόμενος εἶπεν ὧδε.

[5.5.8] Εἰπέ μοι, ἔφη, πρὸς τῶν θεῶν, ᾧ θεῖε, τί μοι ὀργίζῃ καὶ τί χαλεπὸν ὀρῶν οὕτω χαλεπῶς φέρεις; ἐνταῦθα δὴ ὁ Κυαζάρης ἀπεκρίνατο· Ὅτι, ᾧ Κῦρε, δοκῶν γε δὴ ἐφ' ὅσον ἀνθρώπων μνήμη ἐφικνεῖται καὶ τῶν πάλαι προγόνων καὶ πατρὸς βασιλέως πεφυκέναι καὶ αὐτὸς βασιλεὺς νομιζόμενος εἶναι, ἑμαυτὸν μὲν ὀρῶ οὕτω ταπεινῶς καὶ ἀναξίως ἐλαύνοντα, σὲ δὲ τῇ ἐμῇ θεραπείᾳ καὶ τῇ ἄλλῃ δυνάμει μέγαν τε καὶ μεγαλοπρεπῆ παρόντα. [5.5.9] καὶ ταῦτα χαλεπὸν μὲν οἶμαι καὶ ὑπὸ πολεμίων παθεῖν, πολὺ δ', ᾧ Ζεῦ, χαλεπώτερον ὑφ' ὧν ἤκιστα ἐχρῆν ταῦτα πεπονθέναι. ἐγὼ μὲν γὰρ δοκῶ δεκάκις ἂν κατὰ τῆς γῆς καταδύναι ἥδιον ἢ ὀφθῆναι οὕτω ταπεινὸς καὶ ἰδεῖν τοὺς ἐμοὺς ἐμοῦ ἀμελήσαντας καὶ ἐπεγγελῶντας ἐμοί. οὐ γὰρ ἀγνοῶ τοῦτο, ἔφη, ὅτι οὐ σύ μου μόνον μείζων εἶ, ἀλλὰ καὶ οἱ ἐμοὶ δοῦλοι ἰσχυρότεροι ἐμοῦ ὑπαντιάζουσίν μοι καὶ κατεσκευασμένοι εἰσὶν ὥστε δύνασθαι ποιῆσαι μᾶλλον ἐμὲ κακῶς ἢ παθεῖν ὑπ' ἐμοῦ. [5.5.10] καὶ ἅμα ταῦτα λέγων πολὺ ἔτι μᾶλλον ἐκρατεῖτο ὑπὸ τῶν δακρύνων, ὥστε καὶ τὸν Κῦρον ἐπεσπάσατο ἐμπλησθῆναι δακρύνων τὰ ὄμματα. ἐπισχὼν δὲ μικρὸν ἔλεξε τοιάδε ὁ Κῦρος.

Ἀλλὰ ταῦτα μέν, ὦ Κυαζάρη, οὔτε λέγεις ἀληθῆ οὔτε ὀρθῶς γινώσκεις, εἰ οἶει τῇ ἐμῇ παρουσίᾳ Μήδους κατεσκευάσθαι ὥστε ἱκανοὺς εἶναι σὲ κακῶς ποιεῖν· [5.5.11] τὸ μέντοι σε θυμοῦσθαι καὶ φοβεῖσθαι οὐ θαυμάζω. εἰ μέντοι γε δικαίως ἢ ἀδίκως αὐτοῖς χαλεπαίνεις, παρήσω τοῦτο· οἶδα γὰρ ὅτι βαρέως ἂν φέροις ἀκούων ἐμοῦ ἀπολογουμένου ὑπὲρ αὐτῶν· τὸ μέντοι ἄνδρα ἄρχοντα πᾶσιν ἅμα χαλεπαίνειν τοῖς ἀρχομένοις, τοῦτο ἐμοὶ δοκεῖ μέγα ἀμάρτημα εἶναι. ἀνάγκη γὰρ διὰ τὸ πολλοὺς μέν φοβεῖν πολλοὺς ἐχθροὺς ποιεῖσθαι, διὰ δὲ τὸ πᾶσιν ἅμα χαλεπαίνειν πᾶσιν αὐτοῖς ὁμόνοιαν ἐμβάλλειν. [5.5.12] ὦν ἔνεκα, εὖ ἴσθι, ἐγὼ οὐκ ἀπέπεμπον ἄνευ ἐμαυτοῦ τούτους, φοβούμενος μὴ τι γένοιτο διὰ τὴν σὴν ὀργὴν ὃ τι πάντας ἡμᾶς λυπήσοι. ταῦτα μέν οὖν σὺν τοῖς θεοῖς ἐμοῦ παρόντος ἀσφαλῶς ἔχει σοι· τὸ μέντοι σε νομίζειν ὑπ' ἐμοῦ ἀδικεῖσθαι, τοῦτο ἐγὼ πάνυ χαλεπῶς φέρω, εἰ ἀσκῶν ὅσον δύναμαι τοὺς φίλους ὡς πλεῖστα ἀγαθὰ ποιεῖν ἔπειτα τάναντία τούτου δοκῶ ἐξεργάζεσθαι. [5.5.13] ἀλλὰ γάρ, ἔφη, μὴ οὕτως εἰκῆ ἡμᾶς αὐτοὺς αἰτιώμεθα· ἀλλ', εἰ δυνατόν, σαφέστατα κατίδωμεν ποῖόν ἐστι τὸ παρ' ἐμοῦ ἀδίκημα. καὶ τὴν ἐν φίλοις διακαιοτάτην ὑπόθεσιν ἔχω ὑποτιθέναί· ἐὰν γάρ τί σε φανῶ κακὸν πεποιηκώς, ὁμολογῶ ἀδικεῖν· ἐὰν μέντοι μηδὲν φαίνωμαι κακὸν πεποιηκώς μηδὲ βουλευθείς, οὐ καὶ σὺ αὖ ὁμολογήσεις μηδὲν ὑπ' ἐμοῦ ἀδικεῖσθαι; [5.5.14] Ἀλλ' ἀνάγκη, ἔφη. Ἐὰν δὲ δὴ καὶ ἀγαθὰ πεπραχώς σοι δηλὸς ὦ καὶ προθυμούμενος πρᾶξαι ὡς ἐγὼ πλεῖστα ἐδυνάμην, οὐκ ἂν καὶ ἐπαίνου σοι ἄξιος εἴην μᾶλλον ἢ μέμψεως; Δίκαιον γοῦν, ἔφη. [5.5.15] Ἄγε τοίνυν, ἔφη ὁ Κῦρος, σκοπῶμεν τὰ ἐμοὶ πεπραγμένα πάντα καθ' ἐν ἑκάστον· οὕτω γὰρ μάλιστα δηλὸν ἔσται ὃ τι τε αὐτῶν ἀγαθόν ἐστι καὶ ὃ τι κακόν. [5.5.16] ἀρξώμεθα δ', ἔφη, ἐκ τῆσδε τῆς ἀρχῆς, εἰ καὶ σοὶ ἀρκούντως δοκεῖ ἔχειν. σὺ γὰρ δήπου ἐπεὶ ἦισθου πολλοὺς πολεμίους ἠθροισμένους, καὶ τούτους ἐπὶ σὲ καὶ τὴν σὴν χώραν ὀρμωμένους, εὐθὺς ἔμεμπες πρὸς τε τὸ Περσῶν κοινὸν συμμάχους αἰτούμενους καὶ πρὸς ἐμὲ ἰδία δεόμενος πειρᾶσθαι αὐτὸν ἐμὲ ἐλθεῖν ἡγούμενον, εἴ τινες Περσῶν ἴοιεν. οὐκ οὖν ἐγὼ ἐπέισθην τε ταῦτα ὑπὸ σοῦ καὶ παρεγενόμην ἄνδρας ἄγων σοι ὡς ἦν δυνατόν πλείστους τε καὶ ἀρίστους; Ἦλθες γὰρ οὖν, ἔφη. [5.5.17] Ἐν τούτῳ τοίνυν, ἔφη, πρῶτόν μοι εἰπὲ πότερον ἀδικίαν τινά μου πρὸς σὲ κατέγνως ἢ μᾶλλον εὐεργεσίαν; Δηλὸν, ἔφη ὁ Κυαζάρης, ὅτι ἔκ γε τούτων εὐεργεσίαν. [5.5.18] Τί γάρ, ἔφη, ἐπεὶ οἱ πολέμοι ἦλθον καὶ διαγωνίζεσθαι ἔδει

πρὸς αὐτούς, ἐν τούτῳ κατενόησάς πού με ἢ πόνου ἀποστάντα ἢ
τινος κινδύνου φεισάμενον; Οὐ μὰ τὸν Δί', ἔφη, οὐ μὲν δή. [5.5.19] Τί
γάρ ἐπει νίκης γενομένης σὺν τοῖς θεοῖς ἡμετέρας καὶ
ἀναχωρησάντων τῶν πολεμίων παρεκάλουν ἐγὼ σε ὅπως κοινῇ μὲν
αὐτοὺς διώκοιμεν, κοινῇ δὲ τιμωροίμεθα, κοινῇ δὲ εἴ τι καλὸν
κάγαθόν συμβαίνοι, τοῦτο καρποίμεθα, ἐν τούτοις ἔχεις τινά μου
πλεονεξίαν κατηγοῖσαι; [5.5.20] ὁ μὲν δὲ Κυαζάρης πρὸς τοῦτο
εἰσίγα· ὁ δὲ Κῦρος πάλιν ἔλεγεν ὧδε· Ἄλλ' ἐπει πρὸς τοῦτο σιωπᾶν
ἥδιόν σοι ἢ ἀποκρίνασθαι, τόδε γ', ἔφη, εἰπέ εἴ τι ἀδικοῖσθαι
ἐνόμισας ὅτι, ἐπεὶ σοι οὐκ ἀσφαλὲς ἐδόκει εἶναι τὸ διώκειν, σὲ μὲν
αὐτὸν ἀφῆκα τοῦ κινδύνου τούτου μετέχειν, ἰπέας δὲ τῶν σῶν
συμπέμψαι μοι ἐδεόμην σου· εἰ γὰρ καὶ τοῦτο αἰτῶν ἡδίκουν, ἄλλως
τε καὶ προπαρεσχηκῶς ἐμαυτὸν σοι σύμμαχον, τοῦτ' αὖ παρὰ σοῦ,
ἔφη, ἐπιδεικνύσθω. [5.5.21] ἐπεὶ δ' αὖ καὶ πρὸς τοῦτο εἰσίγα ὁ
Κυαζάρης, Ἄλλ' εἰ μὴδὲ τοῦτο, ἔφη, βούλει ἀποκρίνασθαι, σὺ δὲ
τοῦντεῦθεν λέγε εἴ τι αὖ ἡδίκουν ὅτι σοῦ ἀποκριναμένου ἐμοὶ ὥς οὐκ
ἂν βούλοιο, εὐθυμουμένους ὀρῶν Μήδους, τούτου παύσας αὐτοὺς
ἀναγκάζειν κινδυνεύσοντας ἰέναι, εἴ τι αὖ σοι δοκῶ τοῦτο χαλεπὸν
ποιῆσαι ὅτι ἀμελήσας τοῦ ὀργίζεσθαι σοι ἐπὶ τούτοις πάλιν ἥτιουν σε
οὗ ἥδη οὔτε σοὶ μείον ὃν δοῦναι οὐδὲν οὔτε ῥᾶιον Μήδοις
ἐπιταχθῆναι· τὸν γὰρ βουλόμενου δήπου ἔπεσθαι ἥτιησά σε δοῦναι
μοι. [5.5.22] οὐκοῦν τούτου τυχὼν παρὰ σοῦ οὐδὲν ἦν, εἰ μὴ τούτους
πεῖσαιμι. ἐλθὼν οὖν ἔπειθον αὐτοὺς καὶ οὓς ἔπεισα τούτους ἔχων
ἐπορευόμην σοῦ ἐπιτρέψαντος. εἰ δὲ τοῦτο αἰτίας ἕξιον νομίζεις,
οὐδ' ὅ τι ἂν διδῶις, ὥς ἔοικε, παρὰ σοῦ δέχεσθαι ἀναίτιόν ἐστιν.
[5.5.23] οὐκοῦν ἐξωρμήσαμεν οὕτως· ἐπειδὴ δ' ἐξήλθομεν, τί ἡμῖν
πεπραγμένον οὐ φανερόν ἐστιν; οὐ τὸ στρατόπεδον ἤλωκε τῶν
πολεμίων; οὐ τεθνᾶσι πολλοὶ τῶν ἐπὶ σὲ ἐλθόντων; ἀλλὰ μὴν τῶν γε
ζώντων ἐχθρῶν πολλοὶ μὲν ὅπλων ἐστέρηνται, πολλοὶ δὲ ἵππων·
chrήματά γε μὴν τὰ τῶν φερόντων καὶ ἀγόντων τὰ σὰ πρόσθεν νῦν
ὀρᾶις τοὺς σοὺς φίλους καὶ ἔχοντας καὶ ἄγοντας, τὰ μὲν σοί, τὰ δ' αὖ
τοῖς ὑπὸ τὴν σὴν ἀρχήν. [5.5.24] τὸ δὲ πάντων μέγιστον καὶ κάλλιστον,
τὴν μὲν σὴν χώραν αὐξανομένην ὀρᾶις, τὴν δὲ τῶν πολεμίων
μειουμένην· καὶ τὰ μὲν τῶν πολεμίων φρούρια ἐχόμενα, τὰ δὲ σὰ τὰ
πρότερον εἰς τὴν Σύρων ἐπικράτειαν συντελοῦντα νῦν τάναντία σοὶ
προσκεχωρηκότα· τούτων δὲ εἴ τι κακόν σοι ἢ εἴ τι μὴ ἀγαθόν σοι
μαθεῖν μὲν ἔγωγε βούλεσθαι οὐκ οἶδ' ὅπως ἂν εἴποιμι· ἀκοῦσαι

μέντοι γε οὐδὲν κωλύει. ἀλλὰ λέγε ὅ τι γινώσκεις περὶ αὐτῶν. [5.5.25]
ὁ μὲν δὴ Κῦρος οὕτως εἰπὼν ἐπαύσατο· ὁ δὲ Κριαζάρης ἔλεξε πρὸς
ταῦτα τάδε.

Ἄλλ', ὦ Κῦρε, ὥς μὲν ταῦτα ἃ σὺ πεπεοίηκας κακὰ ἐστὶν οὐκ οἶδ'
ὅπως χρή λέγειν· εὖ γε μέντοι, ἔφη, ἴσθι ὅτι ταῦτα τὰγαθὰ τοιαῦτα
ἐστὶν οἷα ὅσῳ πλείονα φαίνεται, τοσοῦτω μᾶλλον ἐμὲ βαρύνει.
[5.5.26] τὴν τε γὰρ χώραν, ἔφη, ἐγὼ ἂν τὴν σὴν ἐβουλόμην τῇ ἐμῇ
δυνάμει μείζω ποιεῖν μᾶλλον ἢ τὴν ἐμὴν ὑπὸ σοῦ ὀρᾶν οὕτως
αὐξανομένην· σοὶ μὲν γὰρ ταῦτα ποιοῦντι καλά, ἐμοὶ δὲ γέ ἐστὶ πη
ταῦτα ἀτιμίαν φέροντα. [5.5.27] καὶ χρήματα οὕτως ἂν μοι δοκῶ ἡδίων
σοι δωρεῖσθαι ἢ παρὰ σοῦ οὕτω λαμβάνειν ὥς σὺ νῦν ἐμοὶ δίδως·
τούτοις γὰρ πλουτιζόμενος ὑπὸ σοῦ καὶ μᾶλλον αἰσθάνομαι οἷς
πενέστερος γίγνομαι. καὶ τοὺς γ' ἐμοὺς ὑπηκόους ἰδὼν μικρά γε
ἀδικουμένους ὑπὸ σοῦ ἦττον ἂν δοκῶ λυπεῖσθαι ἢ νῦν ὀρῶν ὅτι
μεγάλα ἀγαθὰ πεπόνθασιν ὑπὸ σοῦ. [5.5.28] εἰ δέ σοι, ἔφη, ταῦτα δοκῶ
ἀγνωμόνως ἀνθυμεῖσθαι, μὴ ἐν ἐμοὶ αὐτὰ ἀλλ' εἰς σὲ τρέψας πάντα
καταθέασαι οἷά σοι φαίνεται. τί γὰρ ἂν, εἴ τις κύνας, οὓς σὺ τρέφεις
φυλακῆς ἔνεκα σαυτοῦ τε καὶ τῶν σῶν, τούτους θεραπεύων
γνωριμωτέρους ἑαυτῷ ἢ σοὶ ποιήσειεν, ἄρ' ἂν σε εὐφράναι τούτῳ
τῷ θεραπεύματι; [5.5.29] εἰ δὲ τοῦτό σοι δοκεῖ μικρὸν εἶναι, ἐκεῖνο
κατανοήσον· εἴ τις τοὺς σὲ θεραπεύοντας, οὓς σὺ καὶ φρουρᾶς καὶ
στρατείας ἔνεκα κέκτησαι, τούτους οὕτω διατιθεῖν ὥστ' ἐκείνου
μᾶλλον ἢ σοῦ βούλεσθαι εἶναι, ἄρ' ἂν ἀντὶ ταύτης τῆς εὐεργεσίας
χάριν αὐτῷ εἰδείης; [5.5.30] τί δέ, ὃ μάλιστα ἄνθρωποι ἀσπάζονται τε
καὶ θεραπεύουσιν οἰκειότατα, εἴ τις τὴν γυναῖκα τὴν σὴν οὕτω
θεραπεύσειεν ὥστε φιλεῖν αὐτὴν μᾶλλον ποιήσειεν ἑαυτὸν ἢ σέ, ἄρ'
ἂν σε τῇ εὐεργεσίᾳ ταύτῃ εὐφράναι; πολλοῦ γ' ἂν οἶμαι καὶ δέοι·
ἀλλ' εὖ οἶδ' ὅτι πάντων ἂν μάλιστα ἀδικοίη σε τοῦτο ποιήσας. [5.5.31]
ἵνα δὲ εἴπω καὶ τὸ μάλιστα τῷ ἐμῷ πάθει ἐμφορές, εἴ τις οὓς σὺ
ἡγάγες Πέρσας οὕτω θεραπεύσειεν ὥστε αὐτῷ ἡδίων ἔπεσθαι ἢ σοί,
ἄρ' ἂν φίλον αὐτὸν νομίζοις; οἶμαι μὲν οὐ, ἀλλὰ πολεμιώτερον ἂν ἢ
εἰ πολλοὺς αὐτῶν κατακάνοι. [5.5.32] τί δ', εἴ τις τῶν σῶν φίλων
φιλοφρόνως σου εἰπόντος λαμβάνειν ὅποσα ἐθέλοι εἶτα τοῦτο
ἀκούσας λαβὼν οἷχοιτο ἅπαντα ὅποσα δύναιτο, καὶ αὐτὸς μὲν γε τοῖς
σοῖς πλουτοίη, σὺ δὲ μηδὲ μετρίοις ἔχοις χρῆσθαι, ἄρ' ἂν δύναιο τὸν
τοιοῦτον ἄμεμπτον φίλον νομίζεις; [5.5.33] νῦν μέντοι ἐγώ, ὦ Κῦρε, εἰ
μὴ ταῦτα ἀλλὰ τοιαῦτα ὑπὸ σοῦ δοκῶ πεπονθέναι. σὺ γὰρ ἀληθῆ

λέγεις· εἰπόντος ἐμοῦ τοὺς θέλοντας ἄγειν λαβὼν ὠιχου πᾶσάν μου τὴν δύναμιν, ἐμὲ δὲ ἔρημον κατέλιπες· καὶ νῦν ἃ ἔλαβες τῇ ἐμῇ δυνάμει ἄγεις δὴ μοι καὶ τὴν ἐμὴν χώραν αὖξεις σὺν τῇ ἐμῇ ρώμῃ· ἐγὼ δὲ δοκῶ οὐδὲν συναίτιος ὦν τῶν ἀγαθῶν παρέχειν ἑμαυτὸν ὥσπερ γυνὴ εὖ ποιεῖν, καὶ τοῖς τε ἄλλοις ἀνθρώποις καὶ τοῖσδε τοῖς ἐμοῖς ὑπηκόοις σὺ μὲν ἀνὴρ φαίνῃ, ἐγὼ δ' οὐκ ἄξιος ἀρχῆς. [5.5.34] ταῦτά σοι δοκεῖ εὐεργετήματ' εἶναι, ὦ Κῦρε; εὖ ἴσθ' ὅτι εἴ τι ἐμοῦ ἐκῆδου, οὐδενὸς ἂν οὕτω με ἀποστερεῖν ἐφυλάττου ὡς ἀξιώματος καὶ τιμῆς. τί γὰρ ἐμοὶ πλεον τὸ τὴν γῆν πλατύνεσθαι, αὐτὸν δὲ ἀτιμάζεσθαι; οὐ γάρ τοι ἐγὼ Μῆδων ἥρχον διὰ τὸ κρείττων αὐτῶν πάντων εἶναι, ἀλλὰ μᾶλλον διὰ τὸ αὐτοὺς τούτους ἀξιοῦν ἡμᾶς αὐτῶν πάντα βελτίονας εἶναι.

[5.5.35] Καὶ ὁ Κῦρος ἔτι λέγοντος αὐτοῦ ὑπολαβὼν εἶπε· Πρὸς τῶν θεῶν, ἔφη, ὦ θεῖε, εἴ τι κἀγὼ σοι πρότερον ἐχαρισάμην, καὶ σὺ νῦν ἐμοὶ χάρισαι ὃ ἂν δεηθῶ σου· παῦσαι, ἔφη, τὸ νῦν εἶναι μεμφομένός μοι· ἐπειδὴν δὲ πείραν ἡμῶν λάβῃς πῶς ἔχομεν πρὸς σέ, ἐὰν μὲν δὴ σοι φαίνεται τὰ ὑπ' ἐμοῦ πεπραγμένα ἐπὶ τῷ σῶι ἀγαθῷ πεποιημένα, ἀσπαζομένου τέ μου σε ἀντασπάζου με εὐεργέτην τε νόμιζε, ἐὰν δ' ἐπὶ θάτερα, τότε μοι μέμφου. [5.5.36] Ἄλλ' ἴσως μέντοι, ἔφη ὁ Κυαξάρης, καλῶς λέγεις· κἀγὼ οὕτω ποιήσω. Τί οὖν; ἔφη ὁ Κῦρος, ἦ καὶ φιλήσω σε; Εἰ σὺ βούλει, ἔφη. Καὶ οὐκ ἀποστρέψῃ με ὥσπερ ἄρτι; Οὐκ ἀποστρέψομαι, ἔφη. καὶ ὃς ἐφίλησεν αὐτόν.

[5.5.37] Ὡς δὲ εἶδον οἱ Μῆδοί τε καὶ οἱ Πέρσαι καὶ οἱ ἄλλοι [πᾶσι γὰρ ἔμελεν ὃ τι ἐκ τούτων ἔσοιτο], εὐθὺς ἦσθησάν τε καὶ ἐφαιδρύνθησαν. καὶ ὁ Κῦρος δὲ καὶ ὁ Κυαξάρης ἀναβάντες ἐπὶ τοὺς ἵππους ἡγοῦντο, καὶ ἐπὶ μὲν τῷ Κυαξάρῃ οἱ Μῆδοι εἶποντο [Κῦρος γὰρ αὐτοῖς οὕτως ἐπένευσεν], ἐπὶ δὲ τῷ Κύρῳ οἱ Πέρσαι, οἱ δ' ἄλλοι ἐπὶ τούτοις. [5.5.38] ἐπεὶ δὲ ἀφίκοντο ἐπὶ τὸ στρατόπεδον καὶ κατέστησαν τὸν Κυαξάρην εἰς τὴν κατεσκευασμένην σκηνήν, οἷς μὲν ἐτέτακτο παρεσκεύαζον τὰ ἐπιτήδεια τῷ Κυαξάρῃ· [5.5.39] οἱ δὲ Μῆδοι ὅσον χρόνον σχολὴν πρὸ δείπνου ἦγεν ὁ Κυαξάρης ἦσαν πρὸς αὐτόν, οἱ μὲν καὶ αὐτοὶ καθ' ἑαυτούς, οἱ δὲ πλεῖστοι ὑπὸ Κύρου ἐγκέλευστοι, δῶρα ἄγοντες, ὁ μὲν τις οἰνοχόον καλόν, ὁ δ' ὀψοποιὸν ἀγαθόν, ὁ δ' ἄρτοποιόν, ὁ δὲ μουσουργόν, ὁ δ' ἐκπώματα, ὁ δ' ἐσθῆτα καλήν· πᾶς δὲ τις ὡς ἐπὶ τὸ πολὺ ἓν γέ τι ὦν εἰλήφει ἐδώρεῖτο αὐτῷ· [5.5.40] ὥστε τὸν Κυαξάρην μεταγινώσκειν ὡς οὔτε ὁ Κῦρος ἀφίστη αὐτοὺς ἀπ' αὐτοῦ οὐθ' οἱ Μῆδοι ἡττόν τι αὐτῷ προσεῖχον

τὸν νοῦν ἢ καὶ πρόσθεν.

[5.5.41] Ἐπεὶ δὲ δεῖπνου ὥρα ἦν, καλέσας ὁ Κυαξάρης ἡξίου τὸν Κῦρον διὰ χρόνου ἰδόντα αὐτὸν συνδειπνεῖν. ὁ δὲ Κῦρος ἔφη· Μὴ δὴ σὺ κέλευε, ὦ Κυαξάρη· ἢ οὐχ ὁραῖς ὅτι οὗτοι οἱ παρόντες ὑφ' ἡμῶν πάντες ἐπαιρόμενοι πάρεσιν; οὐκουν καλῶς ἂν πράττοιμι εἰ τούτων ἀμελῶν τὴν ἐμὴν ἡδονὴν θεραπεύειν δοκοίην. ἀμελεῖσθαι δὲ δοκοῦντες στρατιῶται οἱ μὲν ἀγαθοὶ πολὺ ἀθυμότεροι γίνονται, οἱ δὲ πονηροὶ πολὺ ὑβριστότεροι. [5.5.42] ἀλλὰ σὺ μὲν, ἔφη, ἄλλως τε καὶ ὁδὸν μακρὰν ἤκων δείπνει ἤδη· καὶ εἴ τινές σε τιμῶσιν, ἀντασπάζου καὶ εὐώχει αὐτούς, ἵνα σε καὶ θαρρήσωσιν· ἐγὼ δ' ἀπιὼν ἐφ' ἅπερ λέγω τρέψομαι. [5.5.43] αὖριον δ', ἔφη, πρῶι δεῦρ' ἐπὶ τὰς σὰς θύρας παρέσονται οἱ ἐπικαίριοι, ὅπως βουλευσώμεθα πάντες σὺν σοὶ ὃ τι χρὴ ποιεῖν τὸ ἐκ τοῦδε. σὺ δ' ἡμῖν ἔμβαλε <βουλὴν> παρὼν περὶ τούτου, πότερον ἔτι δοκεῖ στρατεύεσθαι ἢ καιρὸς ἤδη διαλύειν τὴν στρατιάν. [5.5.44] ἐκ τούτου ὁ μὲν Κυαξάρης ἀμφὶ δεῖπνον εἶχεν, ὁ δὲ Κῦρος συλλέξας τοὺς ἱκανωτάτους τῶν φίλων καὶ φρονεῖν καὶ συμπράττειν, εἴ τι δέοι, ἔλεξε τοιάδε.

Ἄνδρες φίλοι, ἃ μὲν δὴ πρῶτα ηὑξάμεθα, πάρεστι σὺν θεοῖς. ὅπηι γὰρ ἂν πορευώμεθα, κρατοῦμεν τῆς χώρας· καὶ μὲν δὴ τοὺς πολεμίους ὁρῶμεν μειουμένους, ἡμᾶς δὲ αὐτοὺς πλείονάς τε καὶ ἰσχυροτέρους γιγνομένους. [5.5.45] εἰ δὲ ἡμῖν ἔτι ἐθελήσειαν οἱ νῦν προσγεγεννημένοι σύμμαχοι παραμεῖναι, πολλῶι ἂν μᾶλλον ἀνύσαι δυναίμεθα καὶ εἴ τι βιάσασθαι καιρὸς καὶ εἴ τι πεῖσαι δέοι. ὅπως οὖν τὸ μένειν ὡς πλείστοις συνδοκῇ τῶν συμμάχων, οὐδὲν μᾶλλον τοῦτο ἐμὸν ἔργον ἢ καὶ ὑμέτερον μηχανᾶσθαι, [5.5.46] ἀλλ' ὥσπερ ὅταν μάχεσθαι δέηι, ὁ πλείστους χειρωσάμενος ἀλκιμώτατος δοξάζεται εἶναι, οὕτω καὶ ὅταν πεῖσαι δέηι, ὁ πλείστους ὁμογνώμονας ἡμῖν ποιήσας οὗτος δικαίως ἂν λεκτικώτατός τε καὶ πρακτικώτατος κρίνοιτο ἂν εἶναι. [5.5.47] μὴ μέντοι ὡς λόγον ἡμῖν ἐπιδειξόμενοι οἷον ἂν εἶποτε πρὸς ἕκαστον αὐτῶν τοῦτο μελετᾶτε, ἀλλ' ὡς τοὺς πεπεισμένους ὑφ' ἑκάστου δῆλους ἐσομένους οἷς ἂν πράττωσιν οὕτω παρασκευάζεσθε. [5.5.48] καὶ ὑμεῖς μὲν, ἔφη, τούτων ἐπιμελεῖσθε· ἐγὼ δὲ ὅπως ἂν ἔχοντες τὰ ἐπιτήδεια ὅσον ἂν ἔγωγε δύνωμαι οἱ στρατιῶται περὶ τοῦ στρατεύεσθαι βουλεύονται τούτου πειράσομαι ἐπιμελεῖσθαι.

Βιβλίον ζ΄

[6.1.1] Ταύτην μὲν δὴ τὴν ἡμέραν οὕτω διαγαγόντες καὶ δειπνήσαντες ἀνεπαύοντο. τῇ δ' ὑστεραίᾳ πρῶν ἦκον ἐπὶ τὰς Κυαξάρου θύρας πάντες οἱ σύμμαχοι. ἕως οὖν ὁ Κυαξάρης ἐκοσμεῖτο, ἀκούων ὅτι πολὺς ὄχλος ἐπὶ ταῖς θύραις εἴη, ἐν τούτῳ οἱ φίλοι τῷ Κύρῳ προσήγον οἱ μὲν Καδουσίους δεομένους αὐτοῦ μένειν, οἱ δὲ Ὑρκανίους, ὁ δὲ τις Σάκας, ὁ δὲ τις καὶ Γωβρύαν· Ὑστάσπας δὲ Γαδάταν τὸν εὐνοῦχον προσῆγε, δεόμενον τοῦ Κύρου μένειν. [6.1.2] ἔνθα δὴ ὁ Κῦρος γινώσκων ὅτι Γαδάτας πάλαι ἀπωλώλει τῷ φόβῳ μὴ λυθείη ἢ στρατιά, ἐπιγέλασας εἶπεν· ὦ Γαδάτα, δηλὸς εἶ, ἔφη, ὑπὸ Ὑστάσπου τοῦδε πεπεισμένος ταῦτα γινώσκειν ἂν λέγεις. [6.1.3] καὶ ὁ Γαδάτας ἀνατείνας τὰς χεῖρας πρὸς τὸν οὐρανὸν ἀπώμοσεν ἢ μὴν μὴ ὑπὸ τοῦ Ὑστάσπου πεισθεῖς ταῦτα γινώσκειν· ἀλλ' οἶδα, ἔφη, ὅτι ἂν ὑμεῖς ἀπέλθητε, ἔρρει τὰμὰ παντελῶς· διὰ ταῦτ', ἔφη, καὶ τούτῳ ἐγὼ αὐτὸς διελεγόμην, ἐρωτῶν εἰ εἰδείη τί ἐν νῶι ἔχεις [ὑπὲρ τῆς διαλύσεως τοῦ στρατεύματος] ποιεῖν. [6.1.4] καὶ ὁ Κῦρος εἶπεν· Ἀδίκως ἄρα ἐγὼ Ὑστάσπαν τόνδε κατατιῶμαι. Ἀδίκως μέντοι νῆ Δί', ἔφη ὁ Ὑστάσπας, ὦ Κῦρς· ἐγὼ γὰρ ἔλεγον τῷ Γαδάτῃ τῷδε τοσοῦτον μόνον ὥς οὐχ οἶόν τέ σοι εἶη στρατεῦσθαι, λέγων ὅτι ὁ πατήρ σε μεταπέμποιτο. καὶ ὁ Κῦρος, τί λέγεις; [6.1.5] ἔφη· καὶ σὺ τοῦτο ἐτόλμησας ἐξενεγκεῖν, εἴτ' ἐγὼ ἐβουλόμην εἶτε μή; Ναὶ μὰ Δί', ἔφη· ὁρῶ γάρ σε ὑπερεπιθυμοῦντα ἐν Πέρσαις περίβλεπτον περιελθεῖν καὶ τῷ πατρὶ ἐπιδείξασθαι ἣν ἕκαστα διεπράξω. ὁ δὲ Κῦρος ἔφη· Σὺ δ' οὐκ ἐπιθυμεῖς οἴκαδε ἀπελθεῖν; Οὐ μὰ Δί', ἔφη, ὁ Ὑστάσπας, οὐδ' ἄπειμί γε, ἀλλὰ μένων στρατηγήσω, ἔστ' ἂν ποιήσω Γαδάταν τουτονὶ τοῦ Ἀσσυρίου δεσπότην.

[6.1.6] Οἱ μὲν δὴ τοιαῦτ' ἔπαιζον σπουδῇ πρὸς ἀλλήλους. ἐν δὲ τούτῳ Κυαξάρης σεμνῶς κεκοσμημένος ἐξῆλθε καὶ ἐπὶ θρόνου Μηδικοῦ ἐκαθέζετο. ὥς δὲ πάντες συνήλθον οὓς ἔδει καὶ σιωπῇ ἐγένετο, ὁ Κυαξάρης ἔλεξεν ὧδε. Ἄνδρες σύμμαχοι, ἴσως, ἐπειδὴ παρὼν τυγχάνω καὶ πρεσβύτερός εἰμι Κύρου, εἰκὸς ἄρχειν με λόγου. νῦν οὖν δοκεῖ μοι εἶναι καιρὸς περὶ τούτου πρῶτον διαλέγεσθαι πότερον στρατεῦσθαι ἔτι [καιρὸς] δοκεῖ [εἶναι] ἢ διαλύειν ἤδη τὴν στρατίαν· λεγέτω οὖν τις, ἔφη, περὶ αὐτοῦ τούτου ἣν γινώσκει. [6.1.7] ἐκ τούτου πρῶτος μὲν εἶπεν ὁ Ὑρκάνιος· Ἄνδρες σύμμαχοι, οὐκ οἶδα

μὲν ἔγωγε εἴ τι δεῖ λόγων ὅπου αὐτὰ τὰ ἔργα δεικνύει τὸ κράτιστον. πάντες γὰρ ἐπιστάμεθα ὅτι ὁμοῦ μὲν ὄντες πλείω κακὰ τοὺς πολεμίους ποιοῦμεν ἢ πάσχομεν· ὅτε δὲ χωρὶς ἡμεν ἀλλήλων, ἐκεῖνοι ἡμῖν ἐχρῶντο ὡς ἐκείνοις ἦν ἡδιστον, ἡμῖν γε μὴν ὡς χαλεπώτατον. [6.1.8] ἐπὶ τούτῳ ὁ Καδούσιος εἶπεν· Ἡμεῖς δὲ τί ἂν λέγοιμεν, ἔφη, περὶ τοῦ οἴκαδε ἀπελθόντες ἕκαστοι χωρὶς εἶναι, ὅποτε γε οὐδὲ στρατευομένοις, ὡς ἔοικε, χωρίζεσθαι συμφέρει; ἡμεῖς γοῦν οὐ πολλὸν χρόνον δίχα τοῦ ὑμετέρου πλήθους στρατεύσάμενοι δίκην ἔδομεν ὡς καὶ ὑμεῖς ἐπίστασθε. [6.1.9] ἐπὶ τούτῳ Ἀρτάβαζος ὁ ποτε φήσας εἶναι Κύρου συγγενῆς ἔλεξε τοιάδε· Ἐγὼ δ', ἔφη, ὦ Κυαξάρη, τοσοῦτον διαφέρομαι τοῖς πρόσθεν λέγουσιν· οὗτοι μὲν γὰρ φασιν ἔτι δεῖν μένοντας στρατεύεσθαι, ἐγὼ δὲ λέγω ὅτι ὅτε μὲν οἴκοι ἦν, ἐστρατευόμην· [6.1.10] καὶ γὰρ ἐβοήθουν πολλάκις τῶν ἡμετέρων ἀγομένων καὶ περὶ τῶν ἡμετέρων φρουρίων ὡς ἐπιβουλευσομένων πολλάκις πράγματα εἶχον φοβούμενός τε καὶ φρουρῶν· καὶ ταῦτ' ἔπραττον τὰ οἰκεῖα δαπανῶν. νῦν δ' ἔχω μὲν τὰ ἐκείνων φρουρία, οὐ φοβοῦμαι δ' ἐκείνους, εὐωχοῦμαι δὲ τὰ ἐκείνων καὶ πίνω τὰ τῶν πολεμίων. ὡς οὖν τὰ μὲν οἴκοι στρατεῖαν οὔσαν, τάδε δὲ ἑορτήν, ἐμοὶ μὲν οὐ δοκεῖ, ἔφη, διαλύειν τήνδε τὴν πανήγυριν. [6.1.11] ἐπὶ τούτῳ ὁ Γωβρύας εἶπεν· Ἐγὼ δ', ὦ ἄνδρες σύμμαχοι, μέχρι μὲν τοῦδε ἐπαινῶ τὴν Κύρου δεξιάν· οὐδὲν γὰρ ψεύδεται ὢν ὑπέσχετο· εἰ δ' ἄπεισιν ἐκ τῆς χώρας, δῆλον ὅτι ὁ μὲν Ἀσσύριος ἀναπνεύσεται, οὐ τίνων ποινὰς ὢν τε ὑμᾶς ἐπεχείρησεν ἀδικεῖν καὶ ὢν ἐμὲ ἐποίησεν· ἐγὼ δὲ ἐν τῷ μέρει ἐκείνῳ πάλιν δώσω δίκην ὅτι ὑμῖν φίλος ἐγενόμην.

[6.1.12] Ἐπὶ τούτοις πᾶσι Κῦρος εἶπεν· ὦ ἄνδρες, οὐδ' ἐμὲ λανθάνει ὅτι ἐὰν μὲν διαλύωμεν τὸ στράτευμα, τὰ μὲν ἡμέτερα ἀσθενέστερα γίγνοιτ' ἂν, τὰ δὲ τῶν πολεμίων πάλιν αὐξήσεται. ὅσοι τε γὰρ αὐτῶν ὅπλα ἀφήρηνται, ταχὺ ἄλλα ποιήσονται· ὅσοι τε ἵππους ἀπεστέρηνται, ταχὺ πάλιν ἄλλους ἵππους κτήσονται· ἀντὶ δὲ τῶν ἀποθανόντων ἕτεροι ἐφηβήσουσιν [καὶ ἐπιγενήσονται]· ὥστε οὐδὲν θαυμαστὸν εἰ πάνυ ἐν τάχει πάλιν ἡμῖν πράγματα παρέχειν δυνήσονται. [6.1.13] τί δῆτα ἐγὼ Κυαξάρην ἐκέλευσα λόγον ἐμβαλεῖν περὶ καταλύσεως τῆς στρατιᾶς; εἴ ἴστε ὅτι φοβούμενος τὸ μέλλον. ὁρῶ γὰρ ἡμῖν ἀντιπάλους προσιόντας οἷς ἡμεῖς, εἰ ὧδε στρατεύσόμεθα, οὐ δυνησόμεθα μάχεσθαι. [6.1.14] προσέρχεται μὲν γὰρ δήπου χειμῶν, στέγαι δὲ εἰ καὶ ἡμῖν αὐτοῖς εἰσιν, ἀλλὰ μὰ Δί'

οὐχ ἵπποις οὐδὲ θεράπουσιν οὐδὲ τῷ δήμῳ τῶν στρατιωτῶν, ὧν ἄνευ ἡμεῖς οὐκ ἂν δυνάμεθα στρατεύεσθαι· τὰ δ' ἐπιτήδεια ὅπου μὲν ἡμεῖς ἐληλύθαμεν ὑφ' ἡμῶν ἀνήλωται· ὅποι δὲ μὴ ἀφίγμεθα, διὰ τὸ ἡμᾶς φοβεῖσθαι ἀνακεκομισμένοι εἰσὶν εἰς ἐρύματα, ὥστε αὐτοὶ μὲν ἔχειν, ἡμᾶς δὲ ταῦτα μὴ δύνασθαι λαμβάνειν. [6.1.15] τίς οὖν οὕτως ἀγαθὸς ἢ τίς οὕτως ἰσχυρὸς ὃς λιμῷ καὶ ῥίγει δύναται ἂν μαχόμενος στρατεύεσθαι; εἰ μὲν οὖν οὕτω στρατευσόμεθα, ἐγὼ μὲν φημι χρῆναι ἐκόντας ἡμᾶς καταλῦσαι τὴν στρατιὰν μᾶλλον ἢ ἄκοντας ὑπ' ἀμηχανίας ἐξελαθῆναι. εἰ δὲ βουλόμεθα ἔτι στρατεύεσθαι, τὸδ' ἐγὼ φημι χρῆναι ποιεῖν, ὥς τάχιστα πειρᾶσθαι τῶν μὲν ἐκείνων ὀχυρῶν ὥς πλείστα παραιρεῖν, ἡμῖν δ' αὐτοῖς ὥς πλείστα ὀχυρὰ ποιεῖσθαι· ἐὰν γὰρ ταῦτα γένηται, τὰ μὲν ἐπιτήδεια πλείω ἔξουσιν ὁπότεροι ἂν πλείω δύνωνται λαβόντες ἀποτίθεσθαι, πολιορκήσονται δὲ ὁπότεροι ἂν ἥττους ᾖσι. [6.1.16] νῦν δ' οὐδὲν διαφέρομεν τῶν ἐν τῷ πελάγει πλεόντων· καὶ γὰρ ἐκεῖνοι πλέουσι μὲν ἀεὶ, τὸ δὲ πεπλευσμένον οὐδὲν οἰκειότερον τοῦ ἀπλεύστου καταλείπουσιν. ἐὰν δὲ φρούρια ἡμῖν γένηται, ταῦτα δὴ τοῖς μὲν πολεμίοις ἀλλοτριώσει τὴν χώραν, ἡμῖν δ' ὑπ' εὐδία μᾶλλον πάντ' ἔσται. [6.1.17] ὃ δ' ἴσως ἂν τινες ὑμῶν φοβηθεῖεν, εἰ δεήσει πόρρω τῆς ἑαυτῶν φρουρεῖν, μηδὲν τοῦτο ὀκνήσητε. ἡμεῖς μὲν γὰρ ἐπειπερ καὶ ὥς οἴκοθεν ἀποδημοῦμεν, φρουρήσειν ὑμῖν ἀναδεχόμεθα τὰ ἐγγύτατα χωρία τῶν πολεμίων, ὑμεῖς δὲ τὰ πρόσσορα ὑμῖν αὐτοῖς τῆς Ἀσσυρίας ἐκεῖνα κτᾶσθε καὶ ἐργάζεσθε. [6.1.18] ἐὰν γὰρ ἡμεῖς τὰ πλησίον αὐτῶν φρουροῦντες δυνώμεθα σώιζεσθαι, ἐν πολλῇ ὑμεῖς εἰρήνῃ ἔσεσθε οἱ τὰ πρόσω αὐτῶν ἔχοντες· οὐ γὰρ οἶμαι δυνήσονται τῶν ἐγγυὲς ἑαυτῶν ὄντων ἀμελοῦντες τοῖς πρόσω ὑμῖν ἐπιβουλεύειν.

[6.1.19] Ὡς δὲ ταῦτ' ἐρρήθη, οἳ τε ἄλλοι πάντες ἀνιστάμενοι συμπροθυμήσεσθαι ταῦτ' ἔφασαν καὶ Κυαξάρης. Γαδάτας δὲ καὶ Γωβρύας καὶ τεῖχος ἐκάτερος αὐτῶν, ἣν ἐπιτρέψωσιν οἱ σύμμαχοι, τειχιεῖσθαι ἔφασαν, ὥστε καὶ ταῦτα φίλια τοῖς συμμάχοις ὑπάρχειν. [6.1.20] ὁ οὖν Κῦρος ἐπεὶ πάντας ἐώρα προθύμους ὄντας πράττειν ὅσα ἔλεξε, τέλος εἶπεν· Εἰ τοίνυν περαίνειν βουλόμεθα ὅσα φαμὲν χρῆναι ποιεῖν, ὥς τάχιστ' ἂν δεοὶ γενέσθαι μηχανὰς μὲν εἰς τὸ καθαιρεῖν τὰ τῶν πολεμίων τεῖχη, τέκτονας δὲ εἰς τὸ ἡμῖν ὀχυρὰ πυργοῦσθαι. [6.1.21] ἐκ τούτου ὑπέσχετο ὁ μὲν Κυαξάρης μηχανὴν αὐτὸς ποιησάμενος παρέξειν, ἄλλην δὲ Γαδάτας καὶ Γωβρύας, ἄλλην δὲ Τιγράνης· αὐτοὺς δὲ Κῦρος ἔφη δύο πειράσεσθαι ποιήσασθαι. [6.1.22]

ἐπεὶ δὲ ταῦτ' ἔδοξεν, ἐπορίζοντο μὲν μηχανοποιούς, παρεσκευάζοντο δ' ἕκαστοι εἰς τὰς μηχανὰς ὧν ἔδει· ἄνδρας δ' ἐπέστησαν οἱ ἐδόκουν ἐπιτηδειότατοι εἶναι ἀμφὶ ταῦτ' ἔχειν.

[6.1.23] Κῦρος δ' ἐπεὶ ἔγνω ὅτι διατριβὴ ἔσται ἀμφὶ ταῦτα, ἐκάθισεν τὸ στράτευμα ἐνθά ὣιετο ὑγιεινότατον εἶναι καὶ εὐπροσοδώτατον ὅσα ἔδει προσκομίζεσθαι· ὅσα τε ἐρυμνότητος προσεδεῖτο, ἐποίησατο, ὥς ἐν ἀσφαλεῖ οἱ αἰεὶ μένοντες εἶεν, εἴ ποτε καὶ πρόσω τῇ ἰσχύϊ ἀποστρατοπεδεύοιτο. [6.1.24] πρὸς δὲ τούτοις ἐρωτῶν οὖς ὣιετο μάλιστα εἶδέναι τὴν χώραν ὁπόθεν ἂν ὥς πλεῖστα ὠφελοῖτο τὸ στράτευμα, ἐξῆγεν αἰεὶ εἰς προνομάς, ἅμα μὲν ὅπως ὅτι πλεῖστα λαμβάνει τῇ στρατιᾷ τὰ ἐπιτήδεια, ἅμα δ' ὅπως μᾶλλον ὑγιαίνουσιν καὶ ἰσχύουσιν διαπονούμενοι ταῖς πορείαις. ἅμα δ' ὅπως ἐν ταῖς ἀγωγαῖς τὰς τάξεις ὑπομινῆσκονται. [6.1.25] ὁ μὲν δὴ Κῦρος ἐν τούτοις ἦν.

Ἐκ δὲ Βαβυλῶνος οἱ αὐτόμολοι καὶ οἱ ἀλίσκόμενοι ταῦτ' ἔλεγον ὅτι ὁ Ἀσσύριος οἴχοιτο ἐπὶ Λυδίας, πολλὰ τάλαντα χρυσίου καὶ ἀργυρίου ἄγων καὶ ἄλλα κτήματα καὶ κόσμον παντοδαπόν. [6.1.26] ὁ μὲν οὖν ὄχλος τῶν στρατιωτῶν ἔλεγεν ὥς ὑπεκτίθεται ἤδη τὰ χρήματα φοβούμενος· ὁ δὲ Κῦρος γινώσκων ὅτι οἴχοιτο συστήσων εἴ τι δύναται ἀντίπαλον ἑαυτῷ, ἀντιπαρεσκευάζετο ἐρρωμένως, ὥς μάχης ἔτι δεῖσον· ὥστ' ἐξεπίπλη μὲν τὸ τῶν Περσῶν ἵππικόν, τοὺς μὲν ἐκ τῶν αἰχμαλώτων, τοὺς δὲ τινὰς καὶ παρὰ τῶν φίλων λαμβάνων ἵππους· ταῦτα γὰρ παρὰ πάντων ἐδέχετο καὶ ἀπεωθεῖτο οὐδέν, οὔτε εἴ τις ὄπλον διδοίη καλὸν οὔτ' εἴ τις ἵππον· [6.1.27] κατεσκευάζετο δὲ καὶ ἄρματα ἐκ τε τῶν αἰχμαλώτων ἁρμάτων καὶ ἄλλοθεν ὁπόθεν ἐδύνατο. καὶ τὴν μὲν Τρωικὴν διφρεῖαν πρόσθεν οὔσαν καὶ τὴν Κυρηναίων ἔτι καὶ νῦν ἁρμαθλασίαν κατέλυσεν· τὸν γὰρ πρόσθεν χρόνον καὶ οἱ ἐν τῇ Μηδίᾳ καὶ Συρίᾳ καὶ Ἀραβίᾳ καὶ πάντες οἱ ἐν τῇ Ἀσίᾳ τοῖς ἅρμασιν οὕτως ἐχρῶντο ὥσπερ νῦν οἱ Κυρηναῖοι. [6.1.28] ἔδοξε δ' αὐτῷ, ὁ κράτιστος εἰκὸς ἦν εἶναι τῆς δυνάμεως, ὄντων τῶν βελτίστων ἐπὶ τοῖς ἅρμασι, τοῦτο ἐν ἀκροβολιστῶν μέρει εἶναι καὶ εἰς τὸ κρατεῖν οὐδὲν μέγα [βάρος] συμβάλλεσθαι. ἅρματα γὰρ τριακόσια τοὺς μὲν μαχομένους παρέχεται τριακοσίους, ἵπποις δ' οὗτοι χρῶνται διακοσίους καὶ χιλίους· ἡνίοχοι δ' αὐτοῖς εἰσὶ μὲν ὥς εἰκὸς οἷς μάλιστα πιστεύουσιν, οἱ βέλτιστοι· ἄλλοι δὲ εἰσὶ τριακόσιοι οὗτοι, οἱ οὐδ' ὅτιοὺν τοὺς πολεμίους βλάπτουσι. [6.1.29] ταύτην μὲν οὖν τὴν διφρεῖαν κατέλυσεν·

ἀντὶ δὲ τούτου πολεμιστήρια κατεσκευάσατο ἄρματα τροχοῖς τε ἰσχυροῖς, ὥς μὴ ῥαιδίως συντρίβηται, ἄξοσί τε μακροῖς· ἦττον γὰρ ἀνατρέπεται πάντα τὰ πλατέα· τὸν δὲ δίφρον τοῖς ἡνιόχοις ἐποίησεν ὥσπερ πύργον ἰσχυρῶν ξύλων· ὕψος δὲ τούτων ἐστὶ μέχρι τῶν ἀγκώνων, ὥς δύνωνται ἡνιοχεῖσθαι οἱ ἵπποι ὑπὲρ τῶν δίφρων· τοὺς δ' ἡνιόχους ἐθωράκισε πάντα πλὴν τῶν ὀφθαλμῶν. [6.1.30] προσέθηκε δὲ καὶ δρέπανα σιδηρᾶ ὥς διπήχη πρὸς τοὺς ἄξονας ἔνθεν καὶ ἔνθεν τῶν τροχῶν καὶ ἄλλα κάτω ὑπὸ τῷ ἄξονι εἰς τὴν γῆν βλέποντα, ὥς ἐμβαλόντων εἰς τοὺς ἐναντίους τοῖς ἄρμασιν. ὥς δὲ τότε Κῦρος ταῦτα κατεσκεύασεν, οὕτως ἔτι καὶ νῦν τοῖς ἄρμασι χρῶνται οἱ ἐν τῇ βασιλειῷ χώραι. ἦσαν δὲ αὐτῷ καὶ κάμηλοι πολλαὶ παρά τε τῶν φίλων συνειλεγμένοι καὶ <αἱ> αἰχμάλωτοι πᾶσαι συνηθροισμένοι. [6.1.31] καὶ ταῦτα μὲν οὕτω συνεπεραίνετο.

Βουλόμενος δὲ κατάσκοπόν τινα πέμψαι ἐπὶ Λυδίας καὶ μαθεῖν ὅ τι πράττοι ὁ Ἀσσύριος, ἔδοξεν αὐτῷ ἐπιτήδειος εἶναι Ἀράσπας ἐλθεῖν ἐπὶ τοῦτο ὁ φυλάττων τὴν καλὴν γυναῖκα. συνεβεβήκει γὰρ τῷ Ἀράσπαι τοιάδε. ληφθεὶς ἔρωτι τῆς γυναικὸς ἠναγκάσθη προσενεγκεῖν λόγους αὐτῇ περὶ συνουσίας. [6.1.32] ἡ δὲ ἀπέφησε μὲν καὶ ἦν πιστὴ τῷ ἀνδρὶ καίπερ ἀπόντι· ἐφίλει γὰρ αὐτὸν ἰσχυρῶς· οὐ μέντοι κατηγόρησε τοῦ Ἀράσπου πρὸς τὸν Κῦρον, ὁκνοῦσα συμβαλεῖν φίλους ἄνδρας. [6.1.33] ἐπεὶ δὲ ὁ Ἀράσπας δοκῶν ὑπηρετήσῃ τῷ τυχεῖν ἃ ἐβούλετο ἠπειλῆσε τῇ γυναικὶ ὅτι εἰ μὴ βούλοιο ἐκοῦσα, ἄκουσα ποιήσοι ταῦτα, ἐκ τούτου ἡ γυνή, ὥς ἔδεισε τὴν βίαν, οὐκέτι κρύπτει, ἀλλὰ πέμπει τὸν εὐνοῦχον πρὸς τὸν Κῦρον καὶ κελεύει λέξαι πάντα. [6.1.34] ὁ δ' ὥς ἤκουσεν, ἀναγελάσας ἐπὶ τῷ κρείττονι τοῦ ἔρωτος φάσκοντι εἶναι, πέμπει Ἀρτάβαζον σὺν τῷ εὐνούχῳ καὶ κελεύει αὐτῷ εἰπεῖν βιάζεσθαι μὲν μὴ τοιαύτην γυναῖκα, πείθειν δὲ εἰ δύναιτο, οὐκ ἔφη κωλύειν. [6.1.35] ἐλθὼν δ' ὁ Ἀρτάβαζος πρὸς τὸν Ἀράσπαν ἐλοιδόρησεν αὐτόν, παρακαταθήκην ὀνομάζων τὴν γυναῖκα, ἀσέβειάν τε αὐτοῦ λέγων ἀδικίαν τε καὶ ἀκράτειαν, ὥστε τὸν Ἀράσπαν πολλὰ μὲν δακρύειν ὑπὸ λύπης, καταδύεσθαι δ' ὑπὸ τῆς αἰσχύνης, ἀπολωλέναι δὲ τῷ φόβῳ μὴ τι καὶ πάθοι ὑπὸ Κύρου.

[6.1.36] Ὁ οὖν Κῦρος καταμαθὼν ταῦτα ἐκάλεσεν αὐτόν καὶ μόνος μόνῳ ἔλεξεν· Ὁρῶ σε, ἔφη, ὦ Ἀράσπα, φοβούμενόν τε ἐμὲ καὶ ἐν αἰσχύνῃ δεινῶς ἔχοντα. παῦσαι οὖν τούτων· ἐγὼ γὰρ θεοὺς τε ἀκούω ἔρωτος ἡττῆσθαι, ἀνθρώπους τε οἶδα καὶ μάλα δοκοῦντας

φρονίμους εἶναι οἷα πεπόνθασιν ὑπ' ἔρωτος· καὶ αὐτὸς δ' ἑμαυτοῦ κατέγων μὴ ἂν καρτερῆσαι ὥστε συνὼν καλοῖς ἀμελεῖν αὐτῶν. καὶ σοὶ δὲ τούτου τοῦ πράγματος ἐγὼ αἰτιός εἰμι· ἐγὼ γάρ σε συγκατεῖρξα τούτῳ τῷ ἀμάχῳ πράγματι. [6.1.37] καὶ ὁ Ἀράσπας ὑπολαβὼν εἶπεν· Ἀλλὰ σὺ μὲν, ὦ Κῦρε, καὶ ταῦτα ὅμοιος εἰ οἷός περ καὶ τᾶλλα, πρᾶιός τε καὶ συγγνώμων τῶν ἀνθρωπίνων ἀμαρτημάτων· ἐμὲ δ', ἔφη, καὶ οἱ ἄλλοι ἀνθρωποὶ καταδύουσι τῷ ἄχει. ὥς γὰρ ὁ θροῦς διήλθε τῆς ἐμῆς συμφορᾶς, οἱ μὲν ἐχθροὶ ἐφῆδονταί μοι, οἱ δὲ φίλοι προσιόντες συμβουλευουσιν ἐκποδὼν ἔχειν ἑμαυτόν, μὴ τι καὶ πάθω ὑπὸ σοῦ, ὥς ἡδίκηκότος ἐμοῦ μεγάλα. [6.1.38] καὶ ὁ Κῦρος εἶπεν· Εὖ τοίνυν ἴσθι, ὦ Ἀράσπα, ὅτι ταύτῃ τῇ δόξῃ οἷός τ' εἰ ἐμοί τε ἰσχυρῶς χαρίσασθαι καὶ τοὺς συμμάχους μεγάλα ὠφελῆσαι. Εἰ γὰρ γένοιτο, ἔφη ὁ Ἀράσπας, ὅ τι ἐγὼ σοὶ ἐν καιρῷ ἂν γενοίμην [αὐτὸς χρήσιμος]. [6.1.39] Εἰ τοίνυν, ἔφη, προσποιησάμενος ἐμὲ φεύγειν ἐθέλοις εἰς τοὺς πολεμίους ἐλθεῖν, οἶομαι ἂν σε πιστευθῆναι ὑπὸ τῶν πολεμίων. Ἐγὼγε ναὶ μὰ Δί', ἔφη ὁ Ἀράσπας, καὶ ὑπὸ τῶν φίλων οἶδα ὅτι ὥς σὲ πεφευγὼς λόγον ἂν [παρ]έχοιμι. [6.1.40] Ἐλθοις ἂν τοίνυν, ἔφη, ἡμῖν πάντα εἰδὼς τὰ τῶν πολεμίων· οἶμαι δὲ καὶ λόγων καὶ βουλευμάτων κοινωνὸν ἂν σε ποιοῖντο διὰ τὸ πιστεύειν, ὥστε μὴδὲ ἔν σε λεληθῆναι ὧν βουλόμεθα εἰδέναι. Ὡς πορευσομένου, ἔφη, ἤδη νυνί· καὶ γὰρ τοῦτο ἴσως ἐν τῶν πιστῶν ἔσται τὸ δοκεῖν με ὑπὸ σοῦ μελλήσαντά τι παθεῖν ἐκπεφευγέναι. [6.1.41] Ἥ καὶ δυνήσῃ ἀπολιπεῖν, ἔφη, τὴν καλὴν Πάνθειαν; Δύο γάρ, ἔφη, ὦ Κῦρε, σαφῶς ἔχω ψυχάς· νῦν τοῦτο πεφιλοσόφηκα μετὰ τοῦ ἀδίκου σοφιστοῦ τοῦ Ἐρωτος. οὐ γὰρ δὴ μία γε οὕσα ἅμα ἀγαθὴ τέ ἐστι καὶ κακὴ, οὐδ' ἅμα καλῶν τε καὶ αἰσχυρῶν ἔργων ἐρεῖ καὶ ταῦτα ἅμα βούλεται τε καὶ οὐ βούλεται πράττειν, ἀλλὰ δῆλον ὅτι δύο ἐστὸν ψυχά, καὶ ὅταν μὲν ἡ ἀγαθὴ κρατῇ, τὰ καλὰ πράττεται, ὅταν δὲ ἡ πονηρά, τὰ αἰσχυρὰ ἐπιχειρεῖται. νῦν δὲ ὥς σὲ σύμμαχον ἔλαβε, κρατεῖ ἡ ἀγαθὴ καὶ πάνυ πολὺ. [6.1.42] Εἰ τοίνυν καὶ σοὶ δοκεῖ πορεύεσθαι, ἔφη ὁ Κῦρος, ὧδε χρὴ ποιεῖν, ἵνα κακείνοις πιστότερος ᾦς· ἐξάγγελλέ τε αὐτοῖς τὰ παρ' ἡμῶν, οὕτω τε ἐξάγγελλε ὥς ἂν αὐτοῖς τὰ παρὰ σοῦ λεγόμενα ἐμποδὼν μάλιστ' ἂν εἴη ὧν βούλονται πράττειν. εἴη δ' ἂν ἐμποδῶν, εἰ ἡμᾶς φαίης, παρασκευάζεσθαι ἐμβαλεῖν ποι τῆς ἐκείνων χώρας· ταῦτα γὰρ ἀκούοντες ἥττον ἂν παντὶ σθένει ἀθροίζοιντο, ἕκαστός τις φοβούμενος καὶ περὶ τῶν οἴκοι. [6.1.43] καὶ μένε, ἔφη, παρ' ἐκείνοις ὅτι πλεῖστον χρόνον· ἂ γὰρ ἂν ποιῶσιν ὅταν ἐγγύτατα ἡμῶν ᾖσι, ταῦτα

μάλιστα καιρὸς ἡμῖν εἰδέναι ἔσται. συμβούλευε δ' αὐτοῖς καὶ ἐκτάττεσθαι ὅπῃ ἂν δοκῇ κράτιστον εἶναι· ὅταν γὰρ σὺ ἀπέλθῃς εἰδέναι δοκῶν τὴν τάξιν αὐτῶν, ἀναγκαῖον οὕτω τετάχθαι αὐτοῖς· μετατάττεσθαι γὰρ ὀκνήσουσι, καὶ ἦν πῃ ἄλλῃ μετατάττωνται ἐξ ὑπογούου, ταράζονται. [6.1.44] Ἀράσπας μὲν δὴ οὕτως ἐξελθὼν καὶ συλλαβὼν τοὺς πιστοτάτους θεράποντας καὶ εἰπὼν πρὸς τινὰς ἃ ὦιετο συμφέρειν τῷ πράγματι ὦιχετο.

[6.1.45] Ἡ δὲ Πάνθεια ὥς ἤισθετο οἰχόμενον τὸν Ἀράσπαν, πέμψασα πρὸς τὸν Κῦρον εἶπε· Μὴ λυποῦ, ὦ Κῦρε, ὅτι Ἀράσπας οἴχεται εἰς τοὺς πολεμίους· ἦν γὰρ ἐμὲ ἐάσης πέμψαι πρὸς τὸν ἐμὸν ἄνδρα, ἐγὼ σοι ἀναδέχομαι ἥξειν πολὺ Ἀράσπου πιστότερον φίλον· καὶ δύναμιν δὲ οἶδ' ὅτι ὀπόσῃν ἂν δύνῃται ἔχων παρέσται σοι. καὶ γὰρ ὁ μὲν πατὴρ τοῦ νῦν βασιλεύοντος φίλος ἦν αὐτῷ· ὁ δὲ νῦν βασιλεύων καὶ ἐπεχείρησέ ποτε ἐμὲ καὶ τὸν ἄνδρα διασπάσαι ἀπ' ἀλλήλων· ὑβριστὴν οὖν νομίζων αὐτὸν εὖ οἶδ' ὅτι ἄσμενος ἂν πρὸς ἄνδρα οἷος σὺ εἶ ἀπαλλαγεῖν. [6.1.46] ἀκούσας ταῦτα ὁ Κῦρος ἐκέλευε πέμπειν πρὸς τὸν ἄνδρα· ἡ δ' ἔπεμψεν. ὥς δ' ἔγνω ὁ Ἀβραδάτας τὰ παρὰ τῆς γυναικὸς σύμβολα, καὶ τᾶλλα δὲ ἤισθετο ὥς εἶχεν, ἄσμενος πορεύεται πρὸς τὸν Κῦρον ἵππους ἔχων ἀμφὶ τοὺς χιλίους. ὥς δ' ἦν πρὸς τοῖς τῶν Περσῶν σκοποῖς, πέμπει πρὸς τὸν Κῦρον εἰπὼν ὅς ἦν. ὁ δὲ Κῦρος εὐθὺς ἄγειν κελεύει αὐτὸν πρὸς τὴν γυναῖκα. [6.1.47] ὥς δ' εἰδέτην ἀλλήλους ἡ γυνὴ καὶ ὁ Ἀβραδάτας, ἡσπάζοντο ἀλλήλους ὥς εἰκὸς ἐκ δυσελπίστων. ἐκ τούτου δὴ λέγει ἡ Πάνθεια τοῦ Κύρου τὴν ὀσιότητα καὶ τὴν σωφροσύνην καὶ τὴν πρὸς αὐτὴν κατοίκτισιν. ὁ δὲ Ἀβραδάτας ἀκούσας εἶπε· Τί ἂν οὖν ἐγὼ ποιῶν, ὦ Πάνθεια, χάριν Κύρῳ ὑπὲρ τε σοῦ καὶ ἐμαυτοῦ ἀποδοίην; Τί δὲ ἄλλο, ἔφη ἡ Πάνθεια, ἢ πειρώμενος ὁμοίος εἶναι περὶ ἐκεῖνον οἷόσπερ ἐκεῖνος περὶ σέ;

[6.1.48] Ἐκ τούτου δὴ ἔρχεται πρὸς τὸν Κῦρον ὁ Ἀβραδάτας· καὶ ὥς εἶδεν αὐτόν, λαβόμενος τῆς δεξιᾶς εἶπεν· Ἀνθ' ὧν σὺ εὖ πεποίηκας ἡμᾶς, ὦ Κῦρε, οὐκ ἔχω τί μείζον εἶπω ἢ ὅτι φίλον σοι ἐμαυτὸν δίδωμι καὶ θεράποντα καὶ σύμμαχον· καὶ ὅσα ἂν ὁρῶ σε σπουδάζοντα, συνεργὸς πειράσομαι γίνεσθαι ὥς ἂν δύνωμαι κράτιστος. [6.1.49] καὶ ὁ Κῦρος εἶπεν· Ἐγὼ δὲ δέχομαι· καὶ νῦν μὲν σε ἀφήμι, ἔφη, σὺν τῇ γυναικὶ δειπνεῖν· αὐθις δὲ καὶ παρ' ἐμοὶ δεήσει σε σκηνοῦν σὺν τοῖς σοῖς τε καὶ ἐμοῖς φίλοις.

[6.1.50] Ἐκ τούτου ὁρῶν ὁ Ἀβραδάτας σπουδάζοντα τὸν Κῦρον περὶ

τὰ δρεπανηφόρα ἄρματα καὶ περὶ τοὺς τεθωρακισμένους ἵππους τε καὶ ἱππέας, ἐπειρᾶτο συντελεῖν αὐτῷ εἰς τὰ ἑκατὸν ἄρματα ἐκ τοῦ ἱππικοῦ τοῦ ἑαυτοῦ ὅμοια ἐκείνῳ· αὐτὸς δὲ ὡς ἡγησόμενος αὐτῶν ἐπὶ τοῦ ἄρματος παρεσκευάζετο. [6.1.51] συνεζεύξατο δὲ τὸ ἑαυτοῦ ἄρμα τετράρρυμόν τε καὶ ἵππων ὀκτώ· [ἢ δὲ Πάνθεια ἡ γυνὴ αὐτοῦ ἐκ τῶν ἑαυτῆς χρημάτων χρυσοῦν τε αὐτῷ θώρακα ἐποίησατο καὶ χρυσοῦν κράνος, ὡσαύτως δὲ καὶ περιβραχιόνια.] τοὺς δὲ ἵππους τοῦ ἄρματος χαλκοῖς πᾶσι προβλήμασι κατεσκευάσατο.

[6.1.52] Ἀβραδάτας μὲν ταῦτα ἔπραττε· Κῦρος δὲ ἰδὼν τὸ τετράρρυμον αὐτοῦ ἄρμα κατενόησεν ὅτι οἷόν τε εἴη καὶ ὀκτάρρυμον ποιήσασθαι, ὥστε ὀκτὼ ζεύγεσι βοῶν ἄγειν τῶν μηχανῶν τὸ [κατώτατον] οἴκημα· ἦν δὲ τοῦτο τριώρυγον μάλιστα ἀπὸ τῆς γῆς σὺν τοῖς τροχοῖς. [6.1.53] τοιοῦτοι δὲ πύργοι σὺν τάξει ἀκολουθοῦντες ἐδόκουν αὐτῷ μεγάλη μὲν ἐπικουρία γενήσεσθαι τῇ ἑαυτῶν φάλαγγι, μεγάλη δὲ βλάβη τῇ τῶν πολεμίων τάξει. ἐποίησε δὲ ἐπὶ τῶν οἰκημάτων καὶ περιδρόμους καὶ ἐπάλξεις· ἀνεβίβαζε δ' ἐπὶ τὸν πύργον ἕκαστον ἄνδρας εἴκοσιν. [6.1.54] ἐπεὶ δὲ πάντα συνειστήκει αὐτῷ τὰ περὶ τοὺς πύργους, ἐλάμβανε τοῦ ἀγωγίου πεῖραν· καὶ πολλὸν ῥᾶιον ἦγε τὰ ὀκτὼ ζεύγη τὸν πύργον καὶ τοὺς ἐπ' αὐτῷ ἄνδρας ἢ τὸ σκευοφορικὸν βάρος ἕκαστον τὸ ζεύγος. σκευῶν μὲν γὰρ βάρος ἀμφὶ τὰ πέντε καὶ εἴκοσι τάλαντα ἦν ζεύγει· τοῦ δὲ πύργου, ὡσπερ τραγικῆς σκηνῆς τῶν ξύλων πάχος ἐχόντων, καὶ εἴκοσιν ἀνδρῶν καὶ ὅπλων, τούτων ἐγένετο ἕλαττον ἢ πεντεκαίδεκα τάλαντα ἐκάστωι ζεύγει τὸ ἀγώγιον. [6.1.55] ὥς δ' ἔγνω εὐπορον οὔσαν τὴν ἀγωγὴν, παρεσκευάζετο ὡς ἄξων τοὺς πύργους σὺν τῷ στρατεύματι, νομίζων τὴν ἐν πολέμῳ πλεονεξίαν ἅμα σωτηρίαν τε καὶ δικαιοσύνην εἶναι καὶ εὐδαιμονίαν.

[6.2.1] Ἦλθον δ' ἐν τούτῳ τῷ χρόνῳ καὶ παρὰ τοῦ Ἰνδοῦ χρήματα ἄγοντες καὶ ἀπήγγελλον αὐτῷ ὅτι ὁ Ἰνδὸς ἐπιστέλλει τοιάδε. Ἐγώ, ὦ Κῦρε, ἥδομαι ὅτι μοι ἐπήγγειλας ὣν ἐδέου, καὶ βούλομαι σοι ξένος εἶναι καὶ πέμπω σοι χρήματα· κἂν ἄλλων δέηι, μεταπέμπου. ἐπέσταλται δὲ τοῖς παρ' ἐμοῦ ποιεῖν ὅ τι ἂν σὺ κελεύῃς. [6.2.2] ἀκούσας δὲ ὁ Κῦρος εἶπε· Κελεύω τοῖνυν ὑμᾶς τοὺς μὲν ἄλλους μένοντας ἔνθα κατεσκηνώκατε φυλάττειν τὰ χρήματα καὶ ζῆν ὅπως ὑμῖν ἡδιστον· τρεῖς δέ μοι ἐλθόντες ὑμῶν ἐς τοὺς πολεμίους ὡς παρὰ τοῦ Ἰνδοῦ περὶ συμμαχίας, καὶ τὰ ἐκεῖ μαθόντες ὅ τι ἂν λέγωσί τε καὶ ποιῶσιν, ὡς τάχιστα ἀπαγγείλατε ἐμοί τε καὶ τῷ Ἰνδῷ· κἂν ταῦτα

μοι καλῶς ὑπηρετήσητε, ἔτι μᾶλλον ὑμῖν χάριν εἶσομαι τούτου ἢ ὅτι χρήματα πάρεστε ἄγοντες. καὶ γὰρ οἱ μὲν δούλοις εὐκότεις κατάσκοποι οὐδὲν ἄλλο δύνανται εἰδότες ἀπαγγέλλειν ἢ ὅσα πάντες ἴσασιν· οἱ δὲ οἷοίπερ ὑμεῖς ἄνδρες πολλάκις καὶ τὰ βουλευόμενα καταμανθάνουσιν. [6.2.3] οἱ μὲν δὴ Ἴνδοι ἡδέως ἀκούσαντες καὶ ξενισθέντες τότε παρὰ Κύρῳ, συσκευασάμενοι τῇ ὑστεραίᾳ ἐπορεύοντο, ὑποσχόμενοι ἢ μὴν μαθόντες ὅσα ἂν δύνωνται πλεῖστα ἐκ τῶν πολεμίων ἥξιν ὡς δυνατόν τάχιστα.

[6.2.4] Ὁ δὲ Κύρος τὰ τε ἄλλα εἰς τὸν πόλεμον παρεσκευάζετο μεγαλοπρεπῶς, ὡς δὴ ἀνὴρ οὐδὲν μικρὸν ἐπινοῶν πράττειν, ἐπεμελεῖτο δὲ οὐ μόνον ὧν ἔδοξε τοῖς συμμάχοις, ἀλλὰ καὶ ἔριν ἐνέβαλλε πρὸς ἀλλήλους τοῖς φίλοις ὅπως αὐτοὶ ἕκαστοι φανοῦνται καὶ εὐοπλότατοι καὶ ἱππικώτατοι καὶ ἀκοντιστικώτατοι καὶ τοξικώτατοι καὶ φιλοπονώτατοι. [6.2.5] ταῦτα δὲ ἐξεργάζετο ἐπὶ τὰς θήρας ἐξάγων καὶ τιμῶν τοὺς κρατίστους ἕκαστα· καὶ τοὺς ἄρχοντας δὲ οὓς ἐώρα ἐπιμελομένους τούτου ὅπως οἱ αὐτῶν κράτιστοι ἔσονται στρατιῶται, καὶ τούτους ἐπαινῶν τε παρώξυνε καὶ χαριζόμενος αὐτοῖς ὅ τι δύναιτο. [6.2.6] εἰ δέ ποτε θυσίαν ποιοῖτο καὶ ἐορτὴν ἄγοι, καὶ ἐν ταύτῃ ὅσα πολέμου ἔνεκα μελετῶσιν ἄνθρωποι πάντων τούτων ἀγῶνας ἐποίει καὶ ἄθλα τοῖς νικῶσι μεγαλοπρεπῶς ἐδίδου, καὶ ἦν πολλὴ εὐθυμία ἐν τῷ στρατεύματι.

[6.2.7] Τῷ δὲ Κύρῳ σχεδόν τι ἤδη ἀποτετελεσμένα ἦν ὅσα ἐβούλετο ἔχων στρατεύεσθαι πλὴν τῶν μηχανῶν. καὶ γὰρ οἱ Πέρσαι ἱππεῖς ἐκπλεωὶ ἤδη ἦσαν εἰς τοὺς μυρίους, καὶ τὰ ἄρματα τὰ δρεπανηφόρα, ἃ τε αὐτὸς κατεσκεύαζεν, ἐκπλεωὶ ἤδη ἦν εἰς τὰ ἑκατόν, ἃ τε Ἀβραδάτας ὁ Σούσιος ἐπεχείρησε κατασκευάζειν ὅμοια τοῖς Κύρου, καὶ ταῦτα ἐκπλεωὶ ἦν εἰς ἄλλα ἑκατόν. [6.2.8] καὶ τὰ Μηδικὰ δὲ ἄρματα ἐπεπείκει Κύρος Κυαξάρην εἰς τὸν αὐτὸν τρόπον τοῦτον μετασκευάσαι ἐκ τῆς Τρωικῆς καὶ Λιβυκῆς διφρείας· καὶ ἐκπλεωὶ καὶ ταῦτα ἦν εἰς ἄλλα ἑκατόν. καὶ ἐπὶ τὰς καμήλους δὲ τεταγμένοι ἦσαν ἄνδρες δύο ἐφ' ἐκάστην τοξόται. καὶ ὁ μὲν πλεῖστος στρατὸς οὕτως εἶχε τὴν γνώμην ὡς ἤδη παντελῶς κεκρατηκῶς καὶ οὐδὲν ὄντα τὰ τῶν πολεμίων.

[6.2.9] Ἐπεὶ δὲ οὕτω διακειμένων ἦλθον οἱ Ἴνδοι ἐκ τῶν πολεμίων οὓς ἐπεπόμφει Κύρος ἐπὶ κατασκοπὴν, καὶ ἔλεγον ὅτι Κροῖστος μὲν ἡγεμὼν καὶ στρατηγὸς πάντων ἡρημένος εἶη τῶν πολεμίων, δεδογμένον δ' εἶη πᾶσι τοῖς συμμάχοις βασιλεῦσι πάσῃ τῇ δυνάμει

ἕκαστον παρῆναι, χρήματα δὲ εἰσφέρειν πάμπολλα, ταῦτα δὲ τελεῖν καὶ μισθουμένους οὓς δύναιντο καὶ δωρουμένους οἷς δέοι, [6.2.10] ἤδη δὲ καὶ μεμισθωμένους εἶναι πολλοὺς μὲν Θραικῶν μαχαιροφόρους, Αἰγυπτίους δὲ προσπλεῖν, καὶ ἀριθμὸν ἔλεγον εἰς δώδεκα μυριάδας σὺν ἀσπίσι ποδῆρеси καὶ δόρασι μεγάλοις, οἷάπερ καὶ νῦν ἔχουσι, καὶ κοπίσι· προσέτι δὲ καὶ Κυπρίων στράτευμα· παρῆναι δ' ἤδη Κίλικας πάντας καὶ Φρύγας ἀμφοτέρους καὶ Λυκάονας καὶ Παφλαγόνας καὶ Καππαδόκας καὶ Ἀραβίους καὶ Φοίνικας καὶ σὺν τῷ Βαβυλῶνος ἄρχοντι τοὺς Ἀσσυρίους, καὶ Ἰωνας δὲ καὶ Αἰολέας καὶ σχεδὸν πάντας τοὺς Ἑλληνας τοὺς ἐν τῇ Ἀσίᾳ ἐποικούντας σὺν Κροίσῳ ἠναγκάσθαι ἔπεσθαι, πεπομφέναι δὲ Κροῖσον καὶ εἰς Λακεδαίμονα περὶ συμμαχίας· [6.2.11] συλλέγεσθαι δὲ τὸ στράτευμα ἀμφὶ τὸν Πακτωλὸν ποταμὸν, προῖέναι δὲ μέλλειν αὐτοὺς εἰς Θύμβραρα, ἔνθα καὶ νῦν ὁ σύλλογος τῶν ὑπὸ βασιλέα βαρβάρων τῶν κάτω [Συρίας], καὶ ἀγορὰν πᾶσι παρηγγέλλαι ἐνταῦθα κομίζειν· σχεδὸν δὲ τούτοις ταῦτ' ἔλεγον καὶ οἱ αἰχμάλωτοι· ἐπεμελεῖτο γὰρ καὶ τούτου ὁ Κῦρος ὅπως ἀλίσκοιντο παρ' ὧν ἔμελλε πεύσεσθαι τι· ἔπεμπε δὲ καὶ δούλοις ἐοικότας κατασκόπους ὥς αὐτομόλους· [6.2.12] ὥς οὖν ταῦτα ἤκουσεν ὁ στρατὸς τοῦ Κύρου, ἐν φροντίδι τε ἐγένετο, ὥσπερ εἰκός, ἡσυχαιτέροί τε ἢ ὥς εἰώθεσαν διεφοίτων, φαιδροὶ τε οὐ πάνυ ἐφαίνοντο, ἐκυκλοῦντό τε καὶ μεστὰ ἦν πάντα ἀλλήλους ἐρωτώντων περὶ τούτων καὶ διαλεγομένων.

[6.2.13] Ὡς δὲ ἦισθετο ὁ Κῦρος φόβον διαθέοντα ἐν τῇ στρατιᾷ, συγκαλεῖ τούς τε ἄρχοντας τῶν στρατευμάτων καὶ πάντας ὁπόσων ἀθυμούντων ἐδόκει βλάβη τις γίνεσθαι καὶ προθυμουμένων ὠφέλεια. προεῖπε δὲ τοῖς ὑπηρέταις, καὶ ἄλλος εἴ τις βούλοιο τῶν ὀπλοφόρων προσίστασθαι ἀκουσόμενος τῶν λόγων, μὴ κωλύειν. ἐπεὶ δὲ συνῆλθον, ἔλεξε τοιαύδε.

[6.2.14] Ἄνδρες σύμμαχοι, ἐγὼ τοίνυν ὑμᾶς συνεκάλεσα ἰδὼν τινὰς ὑμῶν, ἐπεὶ αἱ ἀγγελίαι ἦλθον ἐκ τῶν πολεμίων, πάνυ ἐοικότας πεφοβημένοις ἀνθρώποις. δοκεῖ γάρ μοι θαυμαστὸν εἶναι εἴ τις ὑμῶν ὅτι μὲν οἱ πολέμιοι συλλέγονται δέδοικεν, ὅτι δὲ ἡμεῖς πολὺ πλείους συνειλέγμεθα νῦν ἢ ὅτε ἐνικῶμεν ἐκείνους, πολὺ δὲ ἄμεινον σὺν θεοῖς παρεσκευάσμεθα νῦν ἢ πρόσθεν, ταῦτα δὲ ὁρῶντες οὐ θαρρεῖτε. [6.2.15] ὦ πρὸς θεῶν, ἔφη, τί δῆτα ἂν ἐποιήσατε οἱ νῦν δεδοικότες, εἰ ἡγγελλόν τινες τὰ παρ' ἡμῖν νῦν ὄντα ταῦτα ἀντίπαλα ἡμῖν προσιόντα, καὶ πρῶτον μὲν ἠκούετε, ἔφη, ὅτι οἱ πρότερον

νικήσαντες ἡμᾶς οὗτοι πάλιν ἔρχονται ἔχοντες ἐν ταῖς ψυχαῖς ἦν τότε νίκην ἐκτήσαντο· ἔπειτα δὲ οἱ τότε ἐκκόψαντες τῶν τοξοτῶν καὶ ἀκοντιστῶν τὰς ἀκροβολίσεις νῦν οὗτοι ἔρχονται καὶ ἄλλοι ὅμοιοι τούτοις πολλαπλάσιοι· [6.2.16] ἔπειτα δὲ ὥσπερ οὗτοι ὀπλισάμενοι τοὺς πεζοὺς τότε ἐνίκων, νῦν οὕτω καὶ οἱ ἵππεῖς αὐτῶν παρεσκευασμένοι πρὸς τοὺς ἵππεας προσέρχονται, καὶ τὰ μὲν τόξα καὶ ἀκόντια ἀποδοδοκιμάκασι, παλτὸν δὲ ἐν ἰσχυρὸν ἕκαστος λαβὼν προσελαύνειν διανενόηται ὡς ἐκ χειρὸς τὴν μάχην ποιησόμενος· [6.2.17] ἔτι δὲ ἄρματα ἔρχεται, ἃ οὐχ οὕτως ἐστήξει ὥσπερ πρόσθεν ἀπεστραμμένα ὥσπερ εἰς φυγὴν, ἀλλ' οἱ τε ἵπποι εἰσὶ κατατεθωρακισμένοι οἱ ἐν τοῖς ἄρμασιν, οἱ τε ἡνίοχοι ἐν πύργοις ἐστᾶσι ξυλίνοις τὰ ὑπερέχοντα ἅπαντα συνεστεγασμένοι θώραξι καὶ κράνεσι, δρέπανά τε σιδηρᾶ περὶ τοῖς ἄξοσι προσήρμοσται, ὡς ἐλῶντες καὶ οὗτοι εὐθὺς εἰς τὰς τάξεις τῶν ἐναντίων· [6.2.18] πρὸς δ' ἔτι κάμηλοι εἰσὶν αὐτοῖς ἐφ' ὧν προσελῶσιν, ὧν μίαν ἐκάστον ἐκατὸν ἵπποι οὐκ ἂν ἀνάσχοιντο ἰδόντες· ἔτι δὲ πύργους προσίασιν ἔχοντες ἀφ' ὧν τοῖς μὲν ἑαυτῶν ἀρήξουσιν, ἡμᾶς δὲ βάλλοντες κωλύσουσι τοῖς ἐν τῷ ἰσοπέδῳ μάχεσθαι· [6.2.19] εἰ δὴ ταῦτα ἀπήγγελλέ τις ὑμῖν ἐν τοῖς πολεμίοις ὄντα, οἱ νῦν φοβούμενοι τί ἂν ἐποιήσατε; ὅποτε ἀπαγγελλομένων ὑμῖν ὅτι Κροῖσος μὲν ἡιρηται τῶν πολεμίων στρατηγός, ὃς τοσοῦτοι Σύρων κακίων ἐγένετο ὅσῳ Σύροι μὲν μάχῃ ἡττηθέντες ἔφυγον, Κροῖσος δὲ ἰδὼν ἡττημένους ἀντὶ τοῦ ἀρήγειν τοῖς συμμάχοις φεύγων ὦιχετο· [6.2.20] ἔπειτα δὲ διαγγέλλεται δήπου ὅτι αὐτοὶ μὲν οἱ πολέμιοι οὐχ ἱκανοὶ ἡγοῦνται ὑμῖν εἶναι μάχεσθαι, ἄλλους δὲ μισθοῦνται, ὡς ἄμεινον μαχομένους ὑπὲρ σφῶν ἢ αὐτοί. εἰ μέντοι τισὶ ταῦτα μὲν τοιαῦτα ὄντα δεινὰ δοκεῖ εἶναι, τὰ δὲ ἡμέτερα φαῦλα, τούτους ἐγὼ φημι χρῆναι, ὧ ἄνδρες, ἀφεῖναι εἰς τοὺς ἐναντίους· πολὺ γὰρ ἐκεῖ ὄντες πλείω ἂν ἡμᾶς ἢ παρόντες ὠφελοῖεν.

[6.2.21] Ἐπεὶ δὲ ταῦτα εἶπεν ὁ Κῦρος, ἀνέστη Χρυσάντας ὁ Πέρσης καὶ ἔλεξεν ὧδε. Ὡ Κῦρε, μὴ θαύμαζε εἴ τινες ἐσκυθρώπασαν ἀκούσαντες τῶν ἀγγελλομένων· οὐ γὰρ φοβηθέντες οὕτω διετέθησαν, ἀλλ' ἀχθεσθέντες· ὥσπερ γε, ἔφη, εἴ τινων βουλομένων τε καὶ οἰομένων ἤδη ἀριστήσιν ἐξαγγελθεῖν τι ἔργον ὃ ἀνάγκη εἶη πρὸ τοῦ ἀρίστου ἐξεργάσασθαι, οὐδεὶς ἂν οἶμαι ἡσθεῖν ἀκούσας· οὕτω τοίνυν καὶ ἡμεῖς ἤδη οἰόμενοι πλουτήσιν, ἐπεὶ ἡκούσαμεν ὅτι ἐστὶ περίλοιπον ἔργον ὃ δεῖ ἐξεργάσασθαι, συνεσκυθρωπάσαμεν, οὐ

φοβούμενοι, ἀλλὰ πεποιῆσθαι ἂν ἤδη καὶ τοῦτο βουλόμενοι. [6.2.22] ἀλλὰ γὰρ ἐπειδὴ οὐ περὶ Συρίας μόνον ἀγωνιούμεθα, ὅπου σῖτος πολὺς καὶ πρόβατά ἐστι καὶ φοίνικες οἱ καρποφόροι, ἀλλὰ καὶ περὶ Λυδίας, ἔνθα πολὺς μὲν οἶνος, πολλὰ δὲ σῦκα, πολὺ δὲ ἔλαιον, θάλαττα δὲ προσκλύζει καθ' ἣν πλείω ἔρχεται ἢ ὅσα τις εἰώρακεν ἀγαθὰ, ταῦτα, ἔφη, ἐννοοῦμενοι οὐκέτι ἀχθόμεθα, ἀλλὰ θαρροῦμεν ὥς μάλιστα, ἵνα θάπτον καὶ τούτων τῶν Λυδίων ἀγαθῶν ἀπολαύωμεν. ὁ μὲν οὕτως εἶπεν· οἱ δὲ σύμμαχοι πάντες ἤσθησάν τε τῷ λόγῳ καὶ ἐπήνεσαν.

[6.2.23] Καὶ μὲν δὴ, ἔφη ὁ Κῦρος, ὧ ἄνδρες, δοκεῖ μοι ἰέναι ἐπ' αὐτοὺς ὥς τάχιστα, ἵνα πρῶτον μὲν αὐτοὺς φθάσωμεν ἀφικόμενοι, ἣν δυνώμεθα, ὅπου τὰ ἐπιτήδεια αὐτοῖς συλλέγεται· ἔπειτα δὲ ὅσωι ἂν θάπτον ἴωμεν, τοσοῦτοι μείω μὲν τὰ παρόντα αὐτοῖς εὐρήσομεν, πλείω δὲ τὰ ἀπόντα. [6.2.24] ἐγὼ μὲν δὴ οὕτω λέγω· εἰ δέ τις ἄλληι πηι γινώσκει ἢ ἀσφαλέστερον εἶναι ἢ ῥᾷον ἡμῖν, διδασκέτω. ἐπεὶ δὲ συνηγόρευον μὲν πολλοὶ ὥς χρεὼν εἶη ὅτι τάχιστα πορεύεσθαι ἐπὶ τοὺς πολεμίους, ἀντέλεγε δὲ οὐδεὶς, ἐκ τούτου δὴ ὁ Κῦρος ἤρχετο λόγου τοιοῦδε.

[6.2.25] Ἄνδρες σύμμαχοι, αἱ μὲν ψυχαὶ καὶ τὰ σώματα καὶ τὰ ὅπλα οἷς δεήσει χρῆσθαι ἐκ πολλοῦ ἡμῖν σὺν θεῷ παρεσκεύασται· νῦν δὲ τὰ ἐπιτήδεια δεῖ εἰς τὸν ὁδὸν συσκευάζεσθαι αὐτοῖς τε ἡμῖν καὶ ὁπόσοις τετράποσι χρώμεθα μὴ μείον ἢ εἴκοσιν ἡμερῶν. ἐγὼ γὰρ λογιζόμενος εὐρίσκω πλεον ἢ πεντεκαίδεκα ἡμερῶν ἐσομένην ὁδόν, ἐν ἣι οὐδὲν εὐρήσομεν τῶν ἐπιτηδείων· ἀνεσκεύασται γὰρ τὰ μὲν ὑφ' ἡμῶν, τὰ δ' ὑπὸ τῶν πολεμίων ὅσα ἐδύναντο. [6.2.26] συσκευάζεσθαι οὖν χρή σῖτον μὲν ἱκανόν· ἄνευ γὰρ τούτου οὔτε μάχεσθαι οὔτε ζῆν δυναίμεθ' ἂν· οἶνον δὲ τοσοῦτον ἕκαστον ἔχειν χρή ὅσος ἱκανὸς ἔσται ἐθίσαι ἡμᾶς αὐτοὺς ὑδροποτεῖν· πολλὴ γὰρ ἔσται τῆς ὁδοῦ ἄοινος, εἰς ἣν οὐδ' ἂν πάνυ πολὺν οἶνον συσκευασώμεθα, διαρκέσει. [6.2.27] ὥς οὖν μὴ ἐξαπίνης ἄοινοι γενόμενοι νοσήμασι περιπίπτωμεν, ὧδε χρή ποιεῖν· ἐπὶ μὲν τῷ σίτῳ νῦν εὐθὺς ἀρχώμεθα πίνειν ὕδωρ· τοῦτο γὰρ ἤδη ποιοῦντες οὐ πολὺ μεταβαλοῦμεν. [6.2.28] καὶ γὰρ ὅστις ἀλφιτοσιτεῖ, ὕδατι μεμαγμένην ἀεὶ τὴν μᾶζον ἐσθίει, καὶ ὅστις ἄρτοσιτεῖ, ὕδατι δεδευμένον τὸν ἄρτον, καὶ τὰ ἐφθὰ δὲ πάντα μεθ' ὕδατος τοῦ πλείστου ἐσκεύασται. μετὰ δὲ τὸν σῖτον ἐὰν οἶνον ἐπιπίνωμεν, οὐδὲν μείον ἔχουσα ἢ ψυχὴ ἀναπαύσεται. [6.2.29] ἔπειτα δὲ καὶ τοῦ μετὰ δεῖπνον ἀφαιρεῖν χρή,

ἔστ' ἂν λάθωμεν ὑδροπόται γενόμενοι. ἢ γὰρ κατὰ μικρὸν παράλλαξις πᾶσαν ποιεῖ φύσιν ὑποφέρειν τὰς μεταβολάς· διδάσκει δὲ καὶ ὁ θεός, ἀπάγων ἡμᾶς κατὰ μικρὸν ἔκ τε τοῦ χειμῶνος εἰς τὸ ἀνέχεσθαι ἰσχυρά θάλλη ἔκ τε τοῦ θάλπου εἰς τὸν ἰσχυρὸν χειμῶνα· ὃν χρή μιμουμένους εἰς ὃ δεῖ ἐλθεῖν προειθισμένους ἡμᾶς ἀφικνεῖσθαι. [6.2.30] καὶ τὸ τῶν στρωμάτων δὲ βάρος εἰς τάπιτήδεια καταδαπανᾷτε· τὰ μὲν γὰρ ἐπιτήδεια περιττεύοντα οὐκ ἄχρηστα ἔσται· στρωμάτων δὲ ἐνδεηθέντες μὴ δείσητε ὥς οὐχ ἡδέως καθευδήσετε· εἰ δὲ μή, ἐμὲ αἰτιάσθε. ἐσθῆς μέντοι ὅτῳ ἐστὶν ἀφθονωτέρα παροῦσα, πολλὰ καὶ ὑγιαίνοντι καὶ κάμνοντι ἐπικουρεῖ. [6.2.31] ὅσα δὲ χρή συνεσκευάσθαι ὅσα ἐστὶν ὀξέα καὶ δριμέα καὶ ἄλμυρά· ταῦτα γὰρ ἐπὶ σῆτον τε ἄγει καὶ ἐπὶ πλεῖστον ἀρκεῖ. ὅταν δ' ἐκβαίνωμεν εἰς ἀκέραια, ὅπου ἤδη εἰκὸς ἡμᾶς σῆτον λαμβάνειν, χειρομύλας χρή αὐτόθεν παρασκευάσασθαι αἷς σιτοποιησόμεθα· τοῦτο γὰρ κουφότατον τῶν σιτοποιικῶν ὀργάνων. [6.2.32] συνεσκευάσθαι δὲ χρή καὶ ὧν ἀσθενοῦντες δέονται ἄνθρωποι· τούτων γὰρ ὁ μὲν ὄγκος μικρότατος, ἦν δὲ τύχη τοιαύτη γένηται, μάλιστα δεήσει. ἔχειν δὲ χρή καὶ ἱμάντας· τὰ γὰρ πλεῖστα καὶ ἀνθρώποις καὶ ἵπποις ἱμᾶσιν ἥρτηται· ὧν κατατριβομένων καὶ ῥηγνυμένων ἀνάγκη ἀργεῖν, ἦν μὴ τις ἔχῃ περίζυγα. ὅστις δὲ πεπαίδευται καὶ παλτὸν ξύσασθαι, ἀγαθὸν καὶ ξυήλης μὴ ἐπιλαθέσθαι. ἀγαθὸν δὲ καὶ ρίνην φέρεσθαι. [6.2.33] ὁ γὰρ λόγῃν ἀκονῶν ἐκεῖνος καὶ τὴν ψυχὴν τι παρακονᾷ. ἔπεστι γὰρ τις αἰσχύνῃ λόγῃν ἀκονῶντα κακὸν εἶναι. ἔχειν δὲ χρή καὶ ξύλα περίπλεω καὶ ἄρμασι καὶ ἀμάξαις· ἐν γὰρ πολλαῖς πράξεσι πολλὰ ἀνάγκη καὶ τὰ ἀπαγορεύοντα εἶναι. [6.2.34] ἔχειν δὲ δεῖ καὶ τὰ ἀναγκαιότατα ὄργανα ἐπὶ ταῦτα πάντα· οὐ γὰρ πανταχοῦ χειροτέχναι παραγίγνονται· τὸ δ' ἐφ' ἡμέραν ἀρκέσον ὀλίγοι τινὲς οἱ οὐχ ἱκανοὶ ποιῆσαι. ἔχειν δὲ χρή καὶ ἄμην καὶ σμινύην κατὰ ἅμαζαν ἐκάστην, καὶ κατὰ τὸν νωτοφόρον δὲ ἀξίνην καὶ δρέπανον· ταῦτα γὰρ καὶ ἰδία ἐκάστωι χρήσιμα καὶ ὑπὲρ τοῦ κοινοῦ πολλάκις ὠφέλιμα γίνεται. [6.2.35] τὰ μὲν οὖν εἰς τροφὴν δέοντα οἱ ἡγεμόνες τῶν ὀπλοφόρων ἐξετάζετε τοὺς ὑφ' ὑμῖν αὐτοῖς· οὐ γὰρ δεῖ παρῆναι ὅτου ἂν τις τούτων ἐνδέχεται· ἡμεῖς γὰρ τούτων ἐνδεεῖς ἐσόμεθα. ἃ δὲ κατὰ τὰ ὑποζύγια κελεύω ἔχειν, ὑμεῖς οἱ τῶν σκευοφόρων ἄρχοντες ἐξετάζετε, καὶ τὸν μὴ ἔχοντα κατασκευάζεσθαι ἀναγκάζετε. [6.2.36] ὑμεῖς δ' αὖ οἱ τῶν ὁδοποιῶν ἄρχοντες ἔχετε μὲν ἀπογεγραμμένους παρ' ἐμοῦ τοὺς

ἀποδεδοκιμασμένους καὶ τοὺς ἐκ τῶν ἀκοντιστῶν καὶ τοὺς ἐκ τῶν τοξοτῶν καὶ τοὺς ἐκ τῶν σφενδονητῶν· τούτων δὲ χρή τοὺς μὲν ἀπὸ τῶν ἀκοντιστῶν πέλεκυν ἔχοντας ξυλοκόπον ἀναγκάζειν στρατεύεσθαι, τοὺς δ' ἀπὸ τῶν τοξοτῶν σμινύην, τοὺς δ' ἀπὸ τῶν σφενδονητῶν ἄμην· τούτους δὲ ἔχοντας ταῦτα πρὸ τῶν ἀμαξῶν κατ' ἵλας πορεύεσθαι, ὅπως ἦν τι δέηι ὁδοποιίας, εὐθὺς ἐνεργοὶ ἦτε, καὶ ἐγὼ ἦν τι δέωμαι, ὅπως εἰδῶ ὅθεν δεῖ λαβόντα τούτοις χρῆσθαι. [6.2.37] ἄξω δὲ καὶ τοὺς ἐν τῇ στρατιωτικῇ ἡλικίᾳ σὺν τοῖς ὀργάνοις χαλκέας τε καὶ τέκτονας καὶ σκυτοτόμους, ὅπως ἂν τι δέηι καὶ τοιούτων τεχνῶν ἐν τῇ στρατιᾷ μηδὲν ἐλλείπηται. οὗτοι δὲ ὀπλοφόρου μὲν τάξεως ἀπολελύσονται, ἃ δὲ ἐπίστανται, τῷ βουλομένῳ μισθοῦ ὑπηρετοῦντες ἐν τῷ τεταγμένῳ ἔσονται. [6.2.38] ἦν δέ τις καὶ ἔμπορος βούληται ἔπεσθαι πωλεῖν τι βουλόμενος, τῶν μὲν προειρημένων ἡμερῶν τὰ ἐπιτήδεια ἔχειν ἦν τι πωλῶν ἀλίσκηται, πάντων στερήσεται· ἐπειδὰν δ' αὐται παρέλθωσιν αἱ ἡμέραι, πωλήσει ὅπως ἂν βούληται. ὅστις δ' ἂν τῶν ἐμπόρων πλείστην ἀγορὰν παρέχων φαίνεται, οὗτος καὶ παρὰ τῶν συμμάχων καὶ παρ' ἑμοῦ δώρων καὶ τιμῆς τεύζεται. [6.2.39] εἰ δέ τις χρημάτων προσδεῖσθαι νομίζει εἰς ἐμπολήν, γνωστῆρας ἑμοὶ προσαγαγὼν καὶ ἐγγυητὰς ἢ μὴν πορεύσεσθαι σὺν τῇ στρατιᾷ, λαμβανέτω ὧν ἡμεῖς ἔχομεν. ἐγὼ μὲν δὴ ταῦτα προαγορεύω· εἰ δέ τις τι καὶ ἄλλο δέον ἐνορᾷ, πρὸς ἐμὲ σημαινέτω. [6.2.40] καὶ ὑμεῖς μὲν ἀπιόντες συσκευάζεσθε, ἐγὼ δὲ θύσομαι ἐπὶ τῇ ὁρμῇ· ὅταν δὲ τὰ τῶν θεῶν καλῶς ἔχη, σηματοῦμεν. παρεῖναι δὲ χρή ἅπαντας τὰ προειρημένα ἔχοντας εἰς τὴν τεταγμένην χώραν πρὸς τοὺς ἡγεμόνας αὐτῶν. [6.2.41] ὑμεῖς δὲ οἱ ἡγεμόνες τὴν ἑαυτοῦ ἕκαστος τάξιν εὐτρεπισάμενος πρὸς ἐμὲ πάντες συμβάλλετε, ἵνα τὰς ἑαυτῶν ἕκαστοι χώρας καταμάθητε.

[6.3.1] Ἀκούσαντες δὲ ταῦτα οἱ μὲν συνεσκευάζοντο, ὁ δὲ Κῦρος ἐθύετο. ἐπεὶ δὲ καλὰ τὰ ἱερὰ ἦν, ὠρμάτο σὺν τῷ στρατεύματι· καὶ τῇ μὲν πρώτῃ ἡμέρᾳ ἐξεστρατοπεδεύσατο ὡς δυνατόν ἐγγύτατα, ὅπως εἴ τις τι ἐπιλελησμένος εἴη, μετέλθοι, καὶ εἴ τις τι ἐνδεόμενος γνοίη, τοῦτο ἐπιπαρασκευάσαιτο. [6.3.2] Κυαζάρης μὲν οὖν τῶν Μήδων ἔχων τὸ τρίτον μέρος κατέμενε, ὡς μηδὲ τὰ οἶκοι ἔρημα εἴη. ὁ δὲ Κῦρος ἐπορεύετο ὡς ἐδύνατο τάχιστα, τοὺς ἱππέας μὲν πρώτους ἔχων, καὶ πρὸ τούτων διερευνητὰς καὶ σκοποὺς αἰεὶ ἀναβιβάζων ἐπὶ τὰ πρόσθεν εὐσκοπώτατα· μετὰ δὲ τούτους ἦγε τὰ σκευοφόρα, ὅπου μὲν πεδινὸν εἴη, πολλοὺς ὀρμαθοὺς ποιούμενος τῶν ἀμαξῶν καὶ τῶν

σκευοφόρων· ὅπισθεν δὲ ἡ φάλαγξ ἐφεπομένη, εἴ τι τῶν σκευοφόρων ὑπολείποιτο, οἱ προστυγχάνοντες τῶν ἀρχόντων ἐπεμέλοντο ὥς μὴ κωλύοιντο πορεύεσθαι. [6.3.3] ὅπου δὲ στενωτέρα εἴη ἡ ὁδός, διὰ μέσου ποιούμενοι τὰ σκευοφόρα ἔνθεν καὶ ἔνθεν ἐπορεύοντο οἱ ὅπλοφόροι· καὶ εἴ τι ἐμποδίζοι, οἱ κατὰ ταῦτα γιγνόμενοι τῶν στρατιωτῶν ἐπεμέλοντο. ἐπορεύοντο δὲ ὥς τὰ πολλὰ αἱ τάξεις παρ' ἑαυταῖς ἔχουσαι τὰ σκευοφόρα· ἐπετέτακτο γὰρ πᾶσι τοῖς σκευοφόροις κατὰ τὴν ἑαυτῶν ἐκάστους τάξιν ἰέναι, εἰ μὴ τι ἀναγκαῖον ἀποκωλύοι. [6.3.4] καὶ σημεῖον δὲ ἔχων ὁ τοῦ ταξιάρχου σκευοφόρος ἡγεῖτο γνωστὸν τοῖς τῆς ἑαυτοῦ τάξεως· ὥστε ἀθρόοι ἐπορεύοντο, ἐπεμελοῦντό τε ἰσχυρῶς ἕκαστος τῶν ἑαυτοῦ ὥς μὴ ὑπολείποιντο. καὶ οὕτω ποιούντων οὔτε ζητεῖν ἔδει ἀλλήλους ἅμα τε παρόντα ἅπαντα καὶ σωότερα ἦν καὶ θάπτον τὰ δέοντα εἶχον οἱ στρατιῶται.

[6.3.5] Ὡς δ' οἱ προϊόντες σκοποὶ ἔδοξαν ἐν τῷ πεδίῳ ὁρᾶν ἀνθρώπους λαμβάνοντας καὶ χιλὸν καὶ ξύλα, καὶ ὑποζύγια δὲ ἐώρων ἕτερα τοιαῦτα ἄγοντα, τὰ δὲ καὶ νεμόμενα, καὶ τὰ πρόσω αὐτῶν ἀφορῶντες ἐδόκουν καταμανθάνειν μετεωριζόμενον ἢ καπνὸν ἢ κονιορτόν, ἐκ τούτων πάντων σχεδὸν ἐγίγνωσκον ὅτι εἴ που πλησίον τὸ στράτευμα τῶν πολεμίων. [6.3.6] εὐθὺς οὖν πέμπει τινὰ ὁ σκόπαρχος ἀγγελοῦντα ταῦτα τῷ Κύρῳ. ὁ δὲ ἀκούσας ταῦτα ἐκείνους μὲν ἐκέλευσε μένοντας ἐπὶ ταύταις ταῖς σκοπαῖς ὅτι ἂν αἰεὶ καινὸν ὁρῶσιν ἐξαγγέλλειν· τάξιν δ' ἐπεμψεν ἱππέων εἰς τὸ πρόσθεν καὶ ἐκέλευσε πειραθῆναι συλλαβεῖν τινὰς τῶν ἀνὰ τὸ πεδίον ἀνθρώπων, ὅπως σαφέστερον μάθοιεν τὸ ὄν. [6.3.7] οἱ μὲν δὴ ταχθέντες τοῦτο ἔπραττον. αὐτὸς δὲ τὸ ἄλλο στράτευμα αὐτοῦ κατεχώριζεν, ὅπως παρασκευάσαιντο ὅσα ὤιετο χρῆναι πρὶν πάνυ ὁμοῦ εἶναι. καὶ πρῶτον μὲν ἀριστὰν παρηγγύησεν, ἔπειτα δὲ μένοντας ἐν ταῖς τάξεσι τὸ παραγγελλόμενον προνοεῖν· [6.3.8] ἐπεὶ δὲ ἡρίστησαν, συνεκάλεσε καὶ ἱππέων καὶ πεζῶν καὶ ἀρμάτων ἡγεμόνας, καὶ τῶν μηχανῶν δὲ καὶ τῶν σκευοφόρων τοὺς ἄρχοντας καὶ τῶν ἄρμαμαξῶν· καὶ οὗτοι μὲν συνήρισαν. [6.3.9] οἱ δὲ καταδραμόντες εἰς τὸ πεδίον συλλαβόντες ἀνθρώπους ἡγαγον· οἱ δὲ ληφθέντες ἀνερωτώμενοι ὑπὸ τοῦ Κύρου ἔλεγον ὅτι ἀπὸ τοῦ στρατοπέδου εἶεν, προεληλυθότες ἐπὶ χιλόν, οἱ δ' ἐπὶ ξύλα, παρελθόντες τὰς προφυλακάς· διὰ γὰρ τὸ πλῆθος τοῦ στρατοῦ σπάνια πάντ' εἶναι. [6.3.10] καὶ ὁ Κύρος ταῦτα ἀκούσας, Πόσον δέ,

ἔφη, ἄπεστιν ἐνθὲνδε τὸ στράτευμα; οἱ δ' ἔλεγον· Ὡς δύο παρασάγγας. ἐπὶ τούτοις ἦρετο ὁ Κῦρος· Ἡμῶν δ', ἔφη, λόγος τις ἦν παρ' αὐτοῖς; Ναὶ μὰ Δί', ἔφασαν, καὶ πολὺς γε ὥς ἐγγὺς ἦδη εἶτε προσιώντες. Τί οὖν; ἔφη ὁ Κῦρος, ἥ καὶ ἔχαιρον ἀκούοντες ἰόντας; τοῦτο δὲ ἐπήρετο τῶν παρόντων ἕνεκα. Οὐ μὰ Δί', εἶπον ἐκεῖνοι, οὐ μὲν δὴ ἔχαιρον, ἀλλὰ καὶ μάλα ἠνιῶντο. [6.3.11] Νῦν δ', ἔφη ὁ Κῦρος, τί ποιοῦσιν; Ἐκτάττονται, ἔφασαν· καὶ ἐχθὲς δὲ καὶ τρίτην ἡμέραν τὸ αὐτὸ τοῦτο ἔπραττον. Ὁ δὲ τάττων, ἔφη ὁ Κῦρος, τίς ἐστιν; οἱ δὲ ἔφασαν· Αὐτός τε Κροῖσος καὶ σὺν αὐτῷ Ἕλληνας ἀνὴρ, καὶ ἄλλος δὲ τις Μῆδος· οὗτος μέντοι ἐλέγετο φυγὰς εἶναι παρ' ὑμῶν. καὶ ὁ Κῦρος εἶπεν· Ἀλλ', ὦ Ζεῦ μέγιστε, λαβεῖν μοι γένοιτο αὐτὸν ὥς ἐγὼ βούλομαι.

[6.3.12] Ἐκ τούτου τοὺς μὲν αἰχμαλώτους ἀπάγειν ἐκέλευσεν, εἰς δὲ τοὺς παρόντας ὥς λέξων τι ἀνήγετο. ἐν τούτῳ δὲ παρὴν ἄλλος αὖ παρὰ τοῦ σκοπάρχου, λέγων ὅτι ἱππέων τάξις μεγάλη ἐν τῷ πεδίῳ προφαίνετο· καὶ ἡμεῖς μὲν, ἔφη, εἰκάζομεν ἐλαύνειν αὐτοὺς βουλομένους ἰδεῖν τόδε τὸ στράτευμα. καὶ γὰρ πρὸ τῆς τάξεως ταύτης ἄλλοι ὥς τρίακοντα ἱππεῖς συχνὸν προελαύνουσι, καὶ μέντοι, ἔφη, κατ' αὐτοὺς ἡμᾶς, ἴσως βουλόμενοι λαβεῖν, ἦν δύνωνται, τὴν σκοπὴν· ἡμεῖς δ' ἐσμὲν μία δεκάς οἱ ἐπὶ ταύτης τῆς σκοπῆς. [6.3.13] καὶ ὁ Κῦρος ἐκέλευσε τῶν περὶ αὐτὸν αἰεὶ ὄντων ἱππέων ἐλάσαντας ὑπὸ τὴν σκοπὴν ἀδήλους τοῖς πολεμίοις ἀτρεμίαν ἔχειν. Ὅταν δ', ἔφη, ἡ δεκάς ἢ ἡμετέρα λείπη τὴν σκοπὴν, ἐξαναστάντες ἐπίθεσθε τοῖς ἀναβαίνουσιν ἐπὶ τὴν σκοπὴν. ὥς δὲ ὑμᾶς μὴ λυπῶσιν οἱ ἀπὸ τῆς μεγάλης τάξεως, ἀντέξελθε σύ, ἔφη, ὦ Ὑστάσπα, τὴν χιλιοστὺν τῶν ἱππέων λαβὼν καὶ ἐπιφάνηθι ἐναντίος τῇ τῶν πολεμίων τάξει. διώξῃς δὲ μηδαμῇ εἰς ἀφανές, ἀλλ' ὅπως αἱ σκοπαὶ σοὶ διαμένωσιν ἐπιμεληθεὶς πάρῃθι. ἦν δ' ἄρα ἀνατείναντές τινες τὰς δεξιὰς προσελαύνωσιν ὑμῖν, δέχεσθε φιλίως τοὺς ἄνδρας.

[6.3.14] Ὁ μὲν δὴ Ὑστάσπας ἀπιὼν ὠπλίζετο· οἱ δ' ὑπηρεταὶ ἥλαυνον εὐθὺς ὥς ἐκέλευσεν. ἀπαντὰ δ' αὐτοῖς καὶ δὴ ἐντὸς τῶν σκοπῶν σὺν τοῖς θεράπουσιν ὁ πεμφθεὶς πάλαι κατάσκοπος, ὁ φύλαξ τῆς Σουσίδος γυναικός. [6.3.15] ὁ μὲν οὖν Κῦρος ὥς ἤκουσεν, ἀναπηδήσας ἐκ τῆς ἑδρας ὑπήντα τε αὐτῷ καὶ ἐδεξιοῦτο· οἱ δὲ ἄλλοι, ὥσπερ εἰκὸς μηδὲν εἰδότες, ἐκπεπληγμένοι ἦσαν τῷ πράγματι, ἕως Κῦρος εἶπεν· Ἄνδρες φίλοι, ἥκει ἡμῖν ἀνὴρ ἄριστος. νῦν γὰρ ἦδη πάντας ἀνθρώπους δεῖ εἰδέναι τὰ τούτου ἔργα. οὗτος

οὔτε αἰσχροῦ ἡττηθεῖς οὐδενὸς ὦιχετο οὔτ' ἐμὲ φοβηθεῖς, ἀλλ' ὑπ' ἐμοῦ πεμφθεῖς ὅπως ἡμῖν μαθὼν τὰ τῶν πολεμίων σαφῶς τὰ ὄντα ἐξαγγείλειεν. [6.3.16] ἃ μὲν οὖν ἐγὼ σοι ὑπεσχόμην, ὦ Ἀράσπα, μέμνημαί τε καὶ ἀποδώσω σὺν τούτοις πᾶσι. δίκαιον δὲ καὶ ὑμᾶς ἅπαντας, ὦ ἄνδρες, τοῦτον τιμᾶν ὡς ἀγαθὸν ἄνδρα· ἐπὶ γὰρ τῷ ἡμετέρῳ ἀγαθῷ καὶ ἐκινδύνευσεν καὶ αἰτίαν ὑπέσχετο, ἣ ἐβαρύνετο. [6.3.17] ἐκ τούτου δὴ πάντες ἡσπάζοντο τὸν Ἀράσπαν καὶ ἐδεξιοῦντο. εἰπόντος δὲ Κῦρου ὅτι τούτων μὲν τοίνυν εἴη ἅλις, Ἄ δὲ καιρὸς ἡμῖν εἰδέναι, ταῦτ', ἔφη, διηγοῦ, ὦ Ἀράσπα· καὶ μηδὲν ἐλάττου τοῦ ἀληθοῦς μηδὲ μείον τὰ τῶν πολεμίων. κρεῖττον γὰρ μείζω οἰηθέντας μείονα ἰδεῖν ἢ μείω ἀκούσαντας ἰσχυρότερα εὐρίσκειν. [6.3.18] Καὶ μὴν, ἔφη ὁ Ἀράσπας, ὡς ἂν ἀσφαλέστατά γε εἰδείην ὁπόσον τὸ στρατεύμα ἐστὶν ἐποίουν· συνεξέταττον γὰρ παρὼν αὐτός. Σὺ μὲν ἄρα, ἔφη ὁ Κῦρος, οὐ τὸ πλῆθος μόνον οἶσθα, ἀλλὰ καὶ τὴν τάξιν αὐτῶν. Ἐγὼ μὲν ναὶ μὰ Δί', ἔφη ὁ Ἀράσπας, καὶ ὡς διανοοῦνται τὴν μάχην ποιεῖσθαι. Ἀλλ' ὅμως, ἔφη ὁ Κῦρος, τὸ πλῆθος ἡμῖν πρῶτων εἰπεῖ ἐν κεφαλαίῳ. [6.3.19] Ἐκεῖνοι τοίνυν, ἔφη, πάντες τεταγμένοι ἐπὶ τριάκοντα τὸ βάθος καὶ πεζοὶ καὶ ἱππεῖς πλὴν τῶν Αἰγυπτίων ἐπέχουσιν ἀμφὶ τὰ τετταράκοντα στάδια· πάνυ γὰρ μοι, ἔφη, ἐμέλησεν ὥστε εἰδέναι ὁπόσον κατεῖχον χωρίον. [6.3.20] Οἱ δ' Αἰγύπτιοι, ἔφη ὁ Κῦρος, πῶς εἰσι τεταγμένοι; ὅτι εἵπας Πλὴν τῶν Αἰγυπτίων. Τούτους δὲ οἱ μυρίαρχοι ἔταττον εἰς ἑκατὸν πανταχῇ τὴν μυριοστὴν ἐκάστην· τοῦτον γὰρ σφίσι καὶ οἶκοι νόμον ἔφασαν εἶναι τῶν τάξεων. καὶ ὁ Κροῖστος μέντοι μάλα ἄκων συνεχώρησεν αὐτοῖς οὕτω τάττεσθαι· ἐβούλετο γὰρ ὅτι πλεῖστον ὑπερφαλαγγῆσαι τοῦ σοῦ στρατεύματος. Πρὸς τί δή, ἔφη ὁ Κῦρος, τοῦτο ἐπιθυμῶν; Ὡς ναὶ μὰ Δί', ἔφη, τῷ περιττῷ κυκλωσόμενος. καὶ ὁ Κῦρος εἶπεν· Ἀλλ' οὗτοι ἂν εἰδείην εἰ οἱ κυκλούμενοι κυκλωθεῖεν. [6.3.21] ἀλλ' ἃ μὲν παρὰ σοῦ καιρὸς μαθεῖν, ἀκηκόαμεν· ὑμᾶς δὲ χρή, ὦ ἄνδρες, οὕτω ποιεῖν· νῦν μὲν ἐπειδὰν ἐνθένδε ἀπέλθῃτε, ἐπισκέψασθε καὶ τὰ τῶν ἵππων καὶ τὰ ὑμῶν αὐτῶν ὅπλα· πολλάκις γὰρ μικροῦ ἐνδείαι καὶ ἀνὴρ καὶ ἵππος καὶ ἄρμα ἀχρεῖον γίγνεται· αὔριον δὲ πρῶι, ἕως ἂν ἐγὼ θύωμαι, πρῶτον μὲν χρή ἀριστῆσαι καὶ ἄνδρας καὶ ἵππους, ὅπως ὅ τι ἂν πράττειν ἀεὶ καιρὸς ἦι μὴ τούτου ἡμῖν ἐνδέηι· ἔπειτα δὲ σύ, ἔφη, ὦ Ἀρσάμα,, τὸ δεξιὸν κέρας ἔχε ὥσπερ καὶ ἔχεις, καὶ οἱ ἄλλοι μυρίαρχοι ἥπερ νῦν ἔχετε· ὁμοῦ δὲ τοῦ ἀγῶνος ὄντος οὐδενὶ ἄρματι καιρὸς ἵππους μεταξευγνύναι. παραγγείλατε δὲ τοῖς

ταξiάρχους καὶ λοχαγοῖς ἐπὶ φάλαγγος καθίστασθαι εἰς δύο ἔχοντας ἕκαστον τὸν λόχον. ὁ δὲ λόχος ἦν ἕκαστος εἴκοσι τέτταρες.

[6.3.22] Καὶ τις εἶπε τῶν μυριάρχων· Καὶ δοκοῦμέν σοι, ἔφη, ὦ Κῦρε, ἱκανῶς ἔξειν εἰς τοσοῦτους τεταγμένοι πρὸς οὕτω βαθεῖαν φάλαγγα; καὶ ὁ Κῦρος εἶπεν· Αἱ δὲ βαθύτεραι φάλαγγες ἢ ὡς ἔξικνεῖσθαι τοῖς ὅπλοις τῶν ἐναντίων τί σοι, ἔφη, δοκοῦσιν ἢ τοὺς πολεμίους βλάπτειν ἢ τοὺς συμμάχους ὠφελεῖν; [6.3.23] ἐγὼ μὲν γάρ, ἔφη, τοὺς εἰς ἑκατὸν τούτους ὀπλίτας εἰς μυρίους ἂν μᾶλλον βουλοίμην τετάχθαι· οὕτω γὰρ ἂν ἐλαχίστοις μαχοίμεθα. ἐξ ὅσων μέντοι ἐγὼ τὴν φάλαγγα βαθυῶ οἶομαι ὅλην ἐνεργὸν καὶ σύμμαχον ποιήσειν αὐτὴν ἑαυτῇ. [6.3.24] ἀκοντιστὰς μὲν ἐπὶ τοῖς θωρακοφόροις τάξω, ἐπὶ δὲ τοῖς ἀκοντισταῖς τοὺς τοξότας. τούτους γὰρ πρωτοστάτας μὲν τί ἂν τις τάττοι, οἳ καὶ αὐτοὶ ὁμολογοῦσι μηδεμίαν μάχην ἂν ὑπομεῖναι ἐκ χειρός; προβεβλημένοι δὲ τοὺς θωρακοφόρους μενοῦσί τε, καὶ οἱ μὲν ἀκοντίζοντες, οἱ δὲ τοξεύοντες, ὑπὲρ τῶν πρόσθεν πάντων λυμανοῦνται τοὺς πολεμίους. ὅ τι δ' ἂν κακουργῇ τις τοὺς ἐναντίους, δηλὸν ὅτι παντὶ τούτῳ τοὺς συμμάχους κουφίζει. [6.3.25] τελευταίους μέντοι στήσω τοὺς ἐπὶ πᾶσι καλουμένους. ὥσπερ γὰρ οἰκίας οὔτε ἄνευ λιθολογήματος ὄχυροῦ οὔτε ἄνευ τῶν στέγειν ποιούντων οὐδὲν ὄφελος, οὕτως οὐδὲ φάλαγγος οὐτ' ἄνευ τῶν πρώτων οὐτ' ἄνευ τῶν τελευταίων, εἰ μὴ ἀγαθοὶ ἔσονται, ὄφελος οὐδέν. [6.3.26] ἀλλ' ὑμεῖς τ', ἔφη, ὡς παραγγέλλω τάττεσθε, καὶ ὑμεῖς οἱ τῶν πελταστῶν ἄρχοντες ἐπὶ τούτοις ὡσαύτως τοὺς λόχους καθίστατε, καὶ ὑμεῖς οἱ τῶν τοξοτῶν ἐπὶ τοῖς πελτασταῖς ὡσαύτως. [6.3.27] σὺ δέ, ὃς τῶν ἐπὶ πᾶσιν ἄρχεις, τελευταίους ἔχων τοὺς ἄνδρας παράγγελλε τοῖς σαντοῦ ἐφορᾶν τε ἐκάστωι τοὺς καθ' αὐτὸν καὶ τοῖς μὲν τὸ δέον ποιοῦσιν ἐπικελεύειν, τοῖς δὲ μαλακνομένοις ἀπειλεῖν ἰσχυρῶς· ἦν δέ τις στρέφεται προδιδόναι θέλων, θανάτῳ ζημιοῦν. ἔργον γὰρ ἐστὶ τοῖς μὲν πρωτοστάταις θαρρύνειν τοὺς ἐπομένους καὶ λόγῳ καὶ ἔργῳ· ὑμᾶς δὲ δεῖ τοὺς ἐπὶ πᾶσι τεταγμένους πλείω φόβον παρέχειν τοῖς κακοῖς τοῦ ἀπὸ τῶν πολεμίων. [6.3.28] καὶ ὑμεῖς μὲν ταῦτα ποιεῖτε. σὺ δέ, ὦ Εὐφράτα, ὃς ἄρχεις τῶν ἐπὶ ταῖς μηχαναῖς, οὕτω ποίει ὅπως τὰ ζεύγη τὰ τοὺς πύργους ἄγοντα ἔψεται ὡς ἐγγύτατα τῆς φάλαγγος. [6.3.29] σὺ δ', ὦ Δαοῦχε, ὃς ἄρχεις τῶν σκευοφόρων, ἐπὶ τοῖς πύργοις ἄγε πάντα τὸν τοιοῦτον στρατόν· οἱ δὲ ὑπηρεταὶ σου ἰσχυρῶς κολαζόντων τοὺς προϊόντας τοῦ καιροῦ ἢ λειπομένους. [6.3.30] σὺ δέ, ὦ Καρδοῦχε, ὃς

ἄρχεις τῶν ἄρμαμαξῶν αἱ ἄγουσι τὰς γυναῖκας, κατὰστησον αὐτὰς τελευταίας ἐπὶ τοῖς σκευοφόροις. ἐπόμενα γὰρ ταῦτα πάντα καὶ πλήθους δόξαν παρέξει καὶ ἐνεδρεῦειν ἡμῖν ἐξουσία ἔσται, καὶ τοὺς πολεμίους, ἣν κυκλοῦσθαι πειρῶνται, μείζω τὴν περιβολὴν ἀναγκάσει ποιεῖσθαι· ὅσῳ δ' ἂν μείζον χωρίον περιβάλλωνται, τοσούτῳ ἀνάγκη αὐτοὺς ἀσθενεστέρους γίνεσθαι. [6.3.31] καὶ ὑμεῖς μὲν οὕτω ποιεῖτε· σὺ δέ, ὦ Ἀρτάοξε καὶ Ἀρταγέρσα, τὴν χλιοστὴν ἐκάτερος τῶν σὺν ὑμῖν πεζῶν ἐπὶ τούτοις ἔχετε. [6.3.32] καὶ σύ, ὦ Φαρνοῦχε καὶ Ἀσιαδάτα, τὴν τῶν ἱπέων χλιοστὴν ἣς ἐκάτερος ἄρχει ὑμῶν μὴ συγκατατάττετε εἰς τὴν φάλαγγα, ἀλλ' ὅπισθεν τῶν ἄρμαμαξῶν ἐξοπλίσθητε καθ' ὑμᾶς αὐτούς. ἔπειτα πρὸς ἐμὲ ἦκετε σὺν τοῖς ἄλλοις ἡγεμόσιν. οὕτω δὲ δεῖ ὑμᾶς παρεσκευάσθαι ὡς πρῶτους δεῆσον ἀγωνίζεσθαι. [6.3.33] καὶ σὺ δὲ ὁ ἄρχων τῶν ἐπὶ ταῖς καμήλοις ἀνδρῶν, ὅπισθεν τῶν ἄρμαμαξῶν ἐκτάττου· ποιεῖ δ' ὅ τι ἂν σοι παραγγέλλῃ Ἀρταγέρσης. [6.3.34] ὑμεῖς δ' οἱ τῶν ἁρμάτων ἡγεμόνες διακληρωσάμενοι, ὁ μὲν λαχὼν ὑμῶν πρὸ τῆς φάλαγγος τὰ μεθ' ἑαυτοῦ ἐκατὸν ἔχων ἅρματα καταστησάτω· αἱ δ' ἕτεραι ἐκατοστύες τῶν ἁρμάτων, ἡ μὲν κατὰ τὸ δεξιὸν πλευρὸν τῆς στρατιᾶς στοιχοῦσα ἐπέσθω τῇ φάλαγγι ἐπὶ κέρως, ἡ δὲ κατὰ τὸ εὐώνυμον. Κῦρος μὲν οὕτω διέταττεν.

[6.3.35] Ἀβραδάτας δὲ ὁ Σούσων βασιλεὺς εἶπεν· Ἐγὼ σοι, Κῦρε, ἐθελούσιος ὑφίσταμαι τὴν κατὰ πρόσωπον τῆς ἀντίας φάλαγγος τάξιν ἔχειν, εἰ μὴ τί σοι ἄλλο δοκεῖ. [6.3.36] καὶ ὁ Κῦρος ἀγασθεὶς αὐτὸν καὶ δεξιωσάμενος ἐπήρετο τοὺς ἐπὶ τοῖς ἄλλοις ἅρμασι Πέρσας· Ἥ καὶ ὑμεῖς, ἔφη, ταῦτα συγχωρεῖτε; ἐπεὶ δ' ἐκεῖνοι ἀπεκρίναντο ὅτι οὐ καλὸν εἶη ταῦτα ὑφίεσθαι, διεκλήρωσεν αὐτούς, καὶ ἔλαχεν ὁ Ἀβραδάτας ἥπερ ὑφίστατο, καὶ ἐγένετο κατὰ τοὺς Αἰγυπτίους. [6.3.37] τότε μὲν δὴ ἀπρόντες καὶ ἐπιμεληθέντες ὧν προεῖπον ἐδειπνοποιοῦντο καὶ φυλακὰς καταστησάμενοι ἐκοιμήθησαν.

[6.4.1] Τῇ δ' ὑστεραίᾳ πρῶι Κῦρος μὲν ἐθύετο, ὁ δ' ἄλλος στρατὸς ἀριστήσας καὶ σπονδὰς ποιησάμενος ἐξωπλίζετο πολλοῖς μὲν καὶ καλοῖς χιτῶσι, πολλοῖς δὲ καὶ καλοῖς θώραξι καὶ κράνεσιν· ὥπλιζον δὲ καὶ ἵππους προμετωπιδίοις καὶ προστερνιδίοις· καὶ τοὺς μὲν μονίππους παραμηριδίοις, τοὺς δ' ὑπὸ τοῖς ἅρμασιν ὄντας παραπλευριδίοις· ὥστε ἥστραπτε μὲν χαλκῶι, ἦνθει δὲ φοινικίσι πᾶσα ἡ στρατιά.

[6.4.2] Καὶ τῷ Ἀβραδάται δὲ τὸ τετράρρυμον ἄρμα καὶ ἵπων ὀκτὼ παγκάλως ἐκεκόσμητο. ἐπεὶ δ' ἔμελλε τὸν λινοῦν θώρακα, ὃς ἐπιχώριος ἦν αὐτοῖς, ἐνδύεσθαι, προσφέρει αὐτῷ ἡ Πάνθεια <χρυσοῦν> καὶ χρυσοῦν κρᾶνος καὶ περιβραχιόνια καὶ ψέλια πλατέα περὶ τοὺς καρποὺς τῶν χειρῶν καὶ χιτῶνα πορφυροῦν ποδήρη στολιδωτὸν τὰ κάτω καὶ λόφον ὑακινθινοβαφῇ. ταῦτα δ' ἐποίησατο λάθραι τοῦ ἀνδρὸς ἐκμετρησαμένη τὰ ἐκείνου ὅπλα. [6.4.3] ὁ δὲ ἰδὼν ἐθαύμασέ τε καὶ ἐπήρετο τὴν Πάνθειαν· Οὐ δήπου, ὦ γύναι, συγκόψασα τὸν σαντῆς κόσμον τὰ ὅπλα μοι ἐποιήσω; Μὰ Δί', ἔφη ἡ Πάνθεια, οὐκουν τόν γε πλείστου ἄξιον· σὺ γὰρ ἔμοιγε, ἦν καὶ τοῖς ἄλλοις φανῆις οἷόσπερ ἐμοὶ δοκεῖς εἶναι, μέγιστος κόσμος ἔσθι. ταῦτα δὲ λέγουσα ἅμα ἐνέδυε τὰ ὅπλα, καὶ λανθάνειν μὲν ἐπειράτο, ἐλείβετο δὲ αὐτῇ τὰ δάκρυα κατὰ τῶν παρειῶν.

[6.4.4] Ἐπεὶ δὲ καὶ πρόσθεν ὦν ἀξιοθέατος ὁ Ἀβραδάτας ὥπλισθη τοῖς ὅπλοις τούτοις, ἐφάνη μὲν κάλλιστος καὶ ἐλευθεριώτατος, ἅτε καὶ τῆς φύσεως ὑπαρχούσης· λαβὼν δὲ παρὰ τοῦ ὑφηγιόχου τὰς ἡνίας παρεσκευάζετο ὡς ἀναβησόμενος ἤδη ἐπὶ τὸ ἄρμα. [6.4.5] ἐν δὲ τούτῳ ἡ Πάνθεια ἀποχωρῆσαι κελεύσασα τοὺς παρόντας πάντας ἔλεξεν· Ἀλλ' ὅτι μὲν, ὦ Ἀβραδάτα, εἴ τις καὶ ἄλλη πώποτε γυνὴ τὸν ἑαυτῆς ἄνδρα μεῖζον τῆς αὐτῆς ψυχῆς ἐτίμησεν, οἷμαί σε γινώσκειν ὅτι καὶ ἐγὼ μία τούτων εἰμί. τί οὖν ἐμὲ δεῖ καθ' ἐν ἑκαστον λέγειν; τὰ γὰρ ἔργα οἷμαί σοι πιθανώτερα παρεσχῆσθαι τῶν νῦν λεχθέντων λόγων. [6.4.6] ὅμως δὲ οὕτως ἔχουσα πρὸς σὲ ὥσπερ σὺ οἶσθα, ἐπομνύω σοι τὴν ἐμήν καὶ σὴν φιλίαν ἢ μὴν ἐγὼ βούλεσθαι ἂν μετὰ σοῦ ἀνδρὸς ἀγαθοῦ γενομένου κοινῇ γῆν ἐπιέσασθαι μᾶλλον ἢ ζῆν μετ' αἰσχυνομένου αἰσχυνομένη· οὕτως ἐγὼ καὶ σὲ τῶν καλλίστων καὶ ἐμαυτὴν ἡξίωκα. [6.4.7] καὶ Κύρῳ δὲ μεγάλην τινὰ δοκῶ ἡμᾶς χάριν ὀφείλειν, ὅτι με αἰχμάλωτον γενομένην καὶ ἐξαιρεθεῖσαν αὐτῷ οὔτε ὡς δούλην ἡξίωσε κεκτῆσθαι οὔτε ὡς ἐλευθέραν ἐν ἀτίμῳ ὀνόματι, διεφύλαξε δὲ σοὶ ὥσπερ ἀδελφοῦ γυναικα λαβὼν. [6.4.8] πρὸς δὲ καὶ ὅτε Ἀράσπας ἀπέστη αὐτοῦ ὁ ἐμὲ φυλάττων, ὑπεσχόμην αὐτῷ, εἴ με ἐάσειε πρὸς σὲ πέμψαι, ἥξειν αὐτῷ σὲ πολὺ Ἀράσπου ἄνδρα καὶ πιστότερον καὶ ἀμείονα.

[6.4.9] Ἡ μὲν ταῦτα εἶπεν· ὁ δὲ Ἀβραδάτας ἀγασθεὶς τοῖς λόγοις καὶ θιγὼν αὐτῆς τῆς κεφακῆς ἀναβλέψας εἰς τὸν οὐρανὸν ἐπηύξατο· Ἀλλ', ὦ Ζεῦ μέγιστε, δός μοι φανῆναι ἀξίῳ μὲν Πανθείας ἀνδρί, ἀξίῳ δὲ Κύρου φίλῳ τοῦ ἡμᾶς τιμήσαντος. ταῦτ' εἰπὼν κατὰ τὰς

θύρας τοῦ ἄρματιοῦ δίφρου ἀνέβαινεν ἐπὶ τὸ ἄρμα. [6.4.10] ἐπεὶ δὲ ἀναβάντος αὐτοῦ κατέκλεισε τὸν δίφρον ὁ ὑφηγίος, οὐκ ἔχουσα ἡ Πάνθεια πῶς ἂν ἔτι ἄλλως ἀσπάζεται αὐτόν, κατεφίλησε τὸν δίφρον· καὶ τῷ μὲν προΐει ἥδη τὸ ἄρμα, ἡ δὲ λαθοῦσα αὐτόν συνεφέιπετο, ἕως ἐπιστραφεὶς καὶ ἰδὼν αὐτὴν Ἀβραδάτας εἶπε· Θάρρει, Πάνθεια, καὶ χαῖρε καὶ ἄπιθι ἥδη. [6.4.11] ἐκ τούτου δὴ οἱ εὐνοῦχοι καὶ αἱ θεράπαινοι λαβοῦσαι ἀπήγον αὐτὴν εἰς τὴν ἀρμάμαξαν καὶ κατακλίναντες κατεκάλυψαν τῇ σκηνῇ. οἱ δὲ ἄνθρωποι, καλοῦ ὄντος τοῦ θεάματος τοῦ τε Ἀβραδάτου καὶ τοῦ ἄρματος, οὐ πρόσθεν ἐδύναντο θεάσασθαι αὐτόν πρὶν ἢ Πάνθεια ἀπῆλθεν.

[6.4.12] Ὡς δ' ἐκεκαλλιερῆκει μὲν ὁ Κῦρος, ἡ δὲ στρατιὰ παρετέτακτο αὐτῷ ὥσπερ παρήγγειλε, κατέχων σκοπὰς ἄλλας πρὸ ἄλλων συνεκάλεσε τοὺς ἡγεμόνας καὶ ἔλεξεν ὧδε. [6.4.13] Ἄνδρες φίλοι καὶ σύμμαχοι, τὰ μὲν ἱερὰ οἱ θεοὶ ἡμῖν φαίνουσιν οἷάπερ ὅτε τὴν πρόσθεν νίκην ἔδοσαν· ὑμᾶς δ' ἐγὼ βούλομαι ἀναμνησαί μιν μοι δοκεῖτε μεμνημένοι πολὺ ἂν εὐθυμότεροι εἰς τὸν ἀγῶνα ἰέναι. [6.4.14] ἡσκήκατε μὲν γὰρ τὰ εἰς τὸν πόλεμον πολὺ μᾶλλον τῶν πολεμίων, συντέτραφθε δὲ καὶ συντέταχθε ἐν τῷ αὐτῷ πολὺ πλείω ἥδη χρόνον ἢ οἱ πολέμιοι καὶ συννενικήκατε μετ' ἀλλήλων· τῶν δὲ πολεμίων οἱ πολλοὶ συνήττηνται μεθ' αὐτῶν, οἱ δὲ ἀμάχητοι ἐκατέρων οἱ μὲν τῶν πολεμίων ἴσασι· ὅτι προδότας τοὺς παραστάτας ἔχουσιν, ὑμεῖς δὲ οἱ μεθ' ἡμῶν ἴστε ὅτι μετὰ θελόντων τοῖς συμμάχοις ἀρήγειν μαχεῖσθε. [6.4.15] εἰκὸς δὲ τοὺς μὲν πιστεύοντας ἀλλήλοις ὁμόνως μάχεσθαι μένοντας, τοὺς δὲ ἀπιστοῦντας ἀναγκαῖον βουλεύεσθαι πῶς ἂν ἕκαστοι τάχιστα ἐκποδῶν γένοιοντο. [6.4.16] ἴωμεν δὴ, ὦ ἄνδρες, ἐπὶ τοὺς πολεμίους, ἄρματα μὲν ἔχοντες ὀπλισμένα πρὸς ἄσπλα τὰ τῶν πολεμίων, ὥς δ' αὐτῶς καὶ ἰππείας καὶ ἵππους ὀπλισμένους πρὸς ἀόπλους, ὥς ἐκ χειρὸς μάχεσθαι. [6.4.17] πεζοῖς δὲ τοῖς μὲν ἄλλοις οἷς καὶ πρόσθεν μαχεῖσθε, Αἰγύπτιοι δὲ ὁμοίως μὲν ὀπλισμένοι εἰσὶν, ὁμοίως δὲ τεταγμένοι· τάς τε γὰρ ἀσπίδας μείζους ἔχουσιν ἢ ὥς ποιεῖν τι καὶ ὄραν, τεταγμένοι τε εἰς ἑκατὸν δῆλον ὅτι κωλύσουσιν ἀλλήλους μάχεσθαι πλὴν πάνυ ὀλίγων. [6.4.18] εἰ δὲ ὠθοῦντες ἐξώσειν πιστεύουσιν, ἵπποις αὐτοὺς πρῶτον δεήσει ἀντέχειν καὶ σιδήρῳ ὑφ' ἵππων ἰσχυριζομένῳ· ἣν δὲ τις αὐτῶν καὶ ὑπομείνῃ, πῶς ἅμα δυνήσεται ἵππομαχεῖν τε καὶ φαλαγγομαχεῖν καὶ πυργομαχεῖν; καὶ γὰρ οἱ ἀπὸ τῶν πύργων ἡμῖν μὲν ἐπαρῆξουσιν, τοὺς δὲ πολεμίους παίοντες ἀμηχανεῖν ἀντὶ τοῦ μάχεσθαι ποιήσουσιν. [6.4.19] εἰ δὲ τις

ἔτι ἐνδεῖσθαι δοκεῖτε, πρὸς ἐμὲ λέγετε· σὺν γὰρ θεοῖς οὐδενὸς ἀπορήσομεν. καὶ εἰ μὲν τις εἰπεῖν τι βούλεται, λεξάτω· εἰ δὲ μή, ἐλθόντες πρὸς τὰ ἱερὰ καὶ προσευξάμενοι οἷς ἐθύσαμεν θεοῖς ἴτε ἐπὶ τὰς τάξεις· [6.4.20] καὶ ἕκαστος ὑμῶν ὑπομιμνησκέτω τοὺς μεθ' αὐτοῦ ἅπερ ἐγὼ ὑμᾶς, καὶ ἐπιδεικνύτω τις τοῖς ἀρχομένοις ἐαυτὸν ἄξιον ἀρχῆς, ἄφοβον δεικνὺς καὶ σχῆμα καὶ πρόσωπον καὶ λόγους.

Βιβλίον ζ'

[7.1.1] Οἱ μὲν δὴ εὐξάμενοι τοῖς θεοῖς ἀπῆισαν πρὸς τὰς τάξεις· τῷ δὲ Κύρῳ καὶ τοῖς ἄμφ' αὐτὸν προσήνεγκαν οἱ θεράποντες ἐμφαγεῖν καὶ πιεῖν ἔτι οὖσιν ἄμφι τὰ ἱερά. ὁ δὲ Κῦρος ὥσπερ εἶχεν ἐστηκῶς ἀπαρξάμενος ἡρίστα καὶ μετεδίδου ἀεὶ τῷ μάλιστα δεομένῳ· καὶ σπείσας καὶ εὐξάμενος ἔπιδε, καὶ οἱ ἄλλοι δὲ οἱ περὶ αὐτὸν οὕτως ἐποίουν. μετὰ δὲ ταῦτα αἰτησάμενος Δία πατρῷιον ἡγεμόνα εἶναι καὶ σύμμαχον ἀνέβαινεν ἐπὶ τὸν ἵππον καὶ τοὺς ἄμφ' αὐτὸν ἐκέλευεν. [7.1.2] ὠπλισμένοι δὲ πάντες ἦσαν οἱ περὶ τὸν Κῦρον τοῖς αὐτοῖς Κύρῳ ὅπλοις, χιτῶσι φοινικοῖς, θώραξι χαλκοῖς, κράνεσι χαλκοῖς, λόφοις λευκοῖς, μαχαίραις, παλτῶι κρανεῖ νωὶ ἐνὶ ἑκαστος· οἱ δὲ ἵπποι προμετωπιδίοις καὶ προστερνιδίοις καὶ παραμηριδίοις χαλκοῖς· τὰ δ' αὐτὰ ταῦτα παραμηρίδια ἦν καὶ τῷ ἀνδρί. τοσοῦτον μόνον διέφερον τὰ Κύρου ὅπλα ὅτι τὰ μὲν ἄλλα ἐκέχριτο τῷ χρυσοειδεῖ χρώματι, τὰ δὲ Κύρου ὅπλα ὥσπερ κάτοπτρον ἐξέλαμπεν. [7.1.3] ἔπει δὲ ἀνέβη καὶ ἔστη ἀποβλέπων ἥτις ἐμελλε πορεύεσθαι, βροντὴ δεξιὰ ἐφθέγγετο· ὁ δ' εἶπεν· Ἐψόμεθά σοι, ὦ Ζεῦ μέγιστε. καὶ ὠρμᾶτο ἐν μὲν δεξιᾷ ἔχων Χρυσάνταν τὸν ἵππαρχον καὶ τοὺς ἱππέας, ἐν ἀριστερᾷ δὲ Ἀρσάμαν καὶ τοὺς πεζοὺς. [7.1.4] παρηγγύησε δὲ παρορᾶν πρὸς τὸ σημεῖον καὶ ἐν ἴσῳ ἔπεσθαι· ἦν δὲ αὐτῷ τὸ σημεῖον ἀετὸς χρυσοῦς ἐπὶ δόρατος μακροῦ ἀνατεταμένος. καὶ νῦν δ' ἔτι τοῦτο τὸ σημεῖον τῷ Περσῶν βασιλεῖ διαμένει. πρὶν δὲ ὁρᾶν τοὺς πολεμίους εἰς τρεῖς ἀνέπαυσε τὸ στράτευμα.

[7.1.5] Ἐπεὶ δὲ προεληλύθεσαν ὥς εἴκοσι σταδίους, ἤρχοντο ἤδη τὸ τῶν πολεμίων στράτευμα ἀντιπροσιὸν καθορᾶν. ὥς δ' ἐν τῷ καταφανεῖ πάντες ἀλλήλοις ἐγένοντο καὶ ἔγνωσαν οἱ πολέμιοι πολὺ ἐκατέρωθεν ὑπερφαλαγγοῦντες, στήσαντες τὴν αὐτῶν φάλαγγα [οὐ γὰρ ἔστιν ἄλλως κυκλοῦσθαι], ἐπέκαμπτον εἰς κύκλωσιν, ὥσπερ γάμμα ἐκατέρωθεν τὴν ἑαυτῶν τάξιν ποιήσαντες, ὥς πάντοθεν ἅμα μάχοιντο. [7.1.6] ὁ δὲ Κῦρος ὁρῶν ταῦτα οὐδὲν τι μᾶλλον ἀφίστατο, ἀλλ' ὡσαύτως ἡγεῖτο. κατανοῶν δὲ ὥς πρόσω τὸν καμπτήρα ἐκατέρωθεν ἐποίησαντο περὶ ὃν κάμπτοντες ἀνέτεινον τὰ κέρατα, Ἐννοεῖς, ἔφη, ὦ Χρυσάντα, ἔνθα τὴν ἐπικαμπὴν ποιοῦνται; Πάνυ γε, ἔφη ὁ Χρυσάντας, καὶ θαυμάζω γε· πολὺ γὰρ μοι δοκοῦσιν ἀποσπᾶν τὰ κέρατα ἀπὸ τῆς ἑαυτῶν φάλαγγος. Ναὶ μὰ Δί', ἔφη ὁ Κῦρος, καὶ

ἀπό γε τῆς ἡμετέρας. [7.1.7] Τί δὴ τοῦτο; Δῆλον ὅτι φοβούμενοι μὴ ἦν ἐγγὺς ἡμῶν γένωνται τὰ κέρατα τῆς φάλαγγος ἔτι πρόσω οὔσης, ἐπιθώμεθα αὐτοῖς. Ἐπειτ', ἔφη ὁ Χρυσάντας, πῶς δυνήσονται ὠφελεῖν οἱ ἕτεροι τοὺς ἐτέρους οὕτω πολὺ ἀπέχοντες ἀλλήλων; Ἀλλὰ δῆλον, ἔφη ὁ Κῦρος, ὅτι ἡνίκα ἂν γένωνται τὰ κέρατα ἀναβαίνοντα κατ' ἀντιπέρασ τῶν πλαγίων τοῦ ἡμετέρου στρατεύματος, στραφέντες ὡς εἰς φάλαγγα ἅμα πάντοθεν ἡμῖν προσίασι μαχούμενοι. [7.1.8] Οὐκοῦν, ἔφη ὁ Χρυσάντας, εὖ σοι δοκοῦσι βουλεύεσθαι; Πρὸς γε ἃ ὀρώσι· πρὸς δὲ ἃ οὐχ ὀρώσιν ἔτι κάκιον ἢ εἰ κατὰ κέρας προσήισαν. ἀλλὰ σὺ μὲν, ἔφη, ὦ Ἀρσάμα, ἡγοῦ τῷ πεζῷ ἡρέμα ὥσπερ ἐμὲ ὀραῖς· καὶ σύ, ὦ Χρυσάντα, ἐν ἴσῳ τούτῳ τὸ ἱππικὸν ἔχων συμπαρέπου. ἐγὼ δὲ ἅπειμι ἐκεῖσε ὅθεν μοι δοκεῖ καιρὸς εἶναι ἄρχεσθαι τῆς μάχης· ἅμα δὲ παριῶν ἐπισκέψομαι ἕκαστα πῶς ἡμῖν ἔχει. [7.1.9] ἐπειδὰν δ' ἐκεῖ γένωμαι, ὅταν ἤδη ὁμοῦ προσιόντες ἀλλήλοις γιγνώμεθα, παιᾶνα ἐξάρξω, ὑμεῖς δὲ ἐπέιγεσθε. ἡνίκα δ' ἂν ἡμεῖς ἐγχειρῶμεν τοῖς πολεμίοις, αἰσθήσεσθε μὲν, οὐ γὰρ οἶμαι ὀλίγος θόρυβος ἔσται, ὁρμήσεραι δὲ τηνικαῦτα Ἀβραδάτας ἤδη σὺν τοῖς ἄρμασιν εἰς τοὺς ἐναντίους· οὕτω γὰρ αὐτῷ εἰρήσεται· ὑμᾶς δὲ χρὴ ἔπεσθαι ἐχομένους ὅτι μάλιστα τῶν ἀρμάτων. οὕτω γὰρ μάλιστα τοῖς πολεμίοις τεταραγμένοις ἐπιτεσούμεθα. παρέσομαι δὲ κἀγὼ ἢ ἂν δύνωμαι τάχιστα διώκων τοὺς ἄνδρας, ἦν οἱ θεοὶ θέλωσι.

[7.1.10] Ταῦτ' εἰπὼν καὶ ξύνθημα παρεγγυήσας Ζεὺς σωτὴρ καὶ ἡγεμὼν ἐπορεύετο. μετὰ δὲ τῶν ἀρμάτων καὶ τῶν θωρακοφόρων διαπορευόμενος ὁπότε προσβλέψειε τινὰς τῶν ἐν ταῖς τάξεσι, τότε μὲν εἶπεν ἄν· Ὡ ἄνδρες, ὡς ἡδὺ ὑμῶν τὰ πρόσωπα θεάσασθαι. τότε δ' αὖ ἐν ἄλλοις ἂν ἔλεξεν· Ἄρα ἐννοεῖτε, ἄνδρες, ὅτι ὁ νῦν ἀγὼν ἐστὶν οὐ μόνον περὶ τῆς τήμερον νίκης, ἀλλὰ καὶ περὶ τῆς πρόσθεν ἦν νενικήκατε καὶ περὶ πάσης εὐδαιμονίας; [7.1.11] ἐν ἄλλοις δ' ἂν παριῶν εἶπεν· Ὡ ἄνδρες, τὸ ἀπὸ τοῦδε οὐδέν ποτε ἔτι θεοὺς αἰτιατέον ἔσται· παραδεδώκασι γὰρ ἡμῖν πολλὰ τε καὶ ἀγαθὰ κτήσασθαι. ἀλλ' ἄνδρες ἀγαθοὶ γενώμεθα. [7.1.12] κατ' ἄλλους δ' αὖ τοιαῦδε· Ὡ ἄνδρες, εἰς τίνα ποτ' ἂν καλλίονα ἔρανον ἀλλήλους παρακαλέσαιμεν ἢ εἰς τόνδε; νῦν γὰρ ἔξεστιν ἀγαθοῖς ἀνδράσι γενομένοις πολλὰ κἀγαθὰ ἀλλήλοις εἰσενεγκεῖν. [7.1.13] κατ' ἄλλους δ' αὖ· Ἐπίστασθε μὲν, οἶμαι, ὦ ἄνδρες, ὅτι νῦν ἄθλα πρόκειται τοῖς νικῶσι μὲν διώκειν, παίειν, κατακαίνειν, ἀγαθὰ ἔχειν, καλὰ ἀκούειν, ἐλευθέροις εἶναι, ἄρχειν· τοῖς δὲ κακοῖς δῆλον ὅτι τάναντία τούτων.

ὅστις οὖν αὐτὸν φιλεῖ, μετ' ἐμοῦ μαχέσθω· ἐγὼ γὰρ κακὸν οὐδὲν οὐδ' αἰσχρὸν ἐκὼν εἶναι προσήσομαι. [7.1.14] ὁπότε δ' αὖ γένοιτο κατὰ τινος τῶν πρόσθεν συμμαχεσαμένων, εἶπεν ἄν· Πρὸς δὲ ὑμᾶς, ὦ ἄνδρες, τί δεῖ λέγειν; ἐπίστασθε γὰρ οἷαν τε οἱ ἀγαθοὶ ἐν ταῖς μάχαις ἡμέραν ἄγουσι καὶ οἷαν οἱ κακοί.

[7.1.15] Ὡς δὲ παρῶν κατὰ Ἀβραδάταν ἐγένετο, ἔστη· καὶ ὁ Ἀβραδάτας παραδοὺς τῷ ὑφηνιόχῳ τὰς ἡνίας προσῆλθεν αὐτῷ· προσέδραμον δὲ καὶ ἄλλοι τῶν πλησίον τεταγμένων καὶ πεζῶν καὶ ἄρμαθλατῶν. ὁ δ' αὖ Κῦρος ἐν τοῖς παραγεγεννημένοις ἔλεξεν· Ὁ μὲν θεός, ὦ Ἀβραδάτα, ὥσπερ σὺ ἡξίους, συνηξιώσέ σε καὶ τοὺς σὺν σοὶ πρωτοστάτας εἶναι τῶν συμμάχων· σὺ δὲ τοῦτο μέμνησο, ὅταν δέησι σε ἥδη ἀγωνίζεσθαι, ὅτι Πέρσαι οἱ τε θεασόμενοι ὑμᾶς ἔσονται καὶ οἱ ἐψόμενοι ὑμῖν καὶ οὐκ ἐάσοντες ἐρήμους ὑμᾶς ἀγωνίζεσθαι. [7.1.16] καὶ ὁ Ἀβραδάτας εἶπεν· Ἀλλὰ τὰ μὲν καθ' ἡμᾶς ἔμοιγε δοκεῖ, ὦ Κῦρε, καλῶς ἔχειν· ἀλλὰ τὰ πλάγια λυπεῖ με, ὅτι τὰ μὲν τῶν πολεμίων κέρατα ἰσχυρὰ ὀρῶ ἀνατεινόμενα καὶ ἄρμασι καὶ παντοδαπῇ στρατιᾷ· ἡμέτερον δ' οὐδὲν ἄλλο αὐτοῖς ἀντιτέτακται ἢ ἄρματα· ὥστ' ἔγωγ', ἔφη, εἰ μὴ ἔλαχον τήνδε τὴν τάξιν, ἡσυχονόμην ἂν ἐνθάδε ὦν· οὕτω πολὺ μοι δοκῶ ἐν ἀσφαλεστάτῳ εἶναι. [7.1.17] καὶ ὁ Κῦρος εἶπεν· Ἀλλ' εἰ τὰ παρὰ σοὶ καλῶς ἔχει, θάρρει ὑπὲρ ἐκείνων· ἐγὼ γὰρ σοὶ σὺν θεοῖς ἔρημα τῶν πολεμίων τὰ πλάγια ταῦτα ἀποδείξω. καὶ σὺ μὴ πρότερον ἔμβαλλε τοῖς ἐναντίοις, διαμαρτύρομαι, πρὶν ἂν φεύγοντας τούτους οὓς νῦν φοβῇ θεάσῃ· τοιαῦτα δ' ἐμεγαληγόρει, μελλούσης τῆς μάχης γίγνεσθαι· ἄλλως δ' οὐ μάλα μεγαλήγορος ἦν· Ὅταν μέντοι ἴδῃς τούτους φεύγοντας, ἐμὲ τε ἥδη παρεῖναι νόμιζε καὶ ὄρμα εἰς τοὺς ἄνδρας· καὶ σὺ γὰρ τότε τοῖς μὲν ἐναντίοις κακίστοις ἂν χρήσαιο, τοῖς δὲ μετὰ σου τοῦ ἀρίστοις. [7.1.18] ἀλλ' ἕως ἔτι σοὶ σχολή, ὦ Ἀβραδάτα, πάντως παρελάσας παρὰ τὰ σου τοῦ ἄρματα παρακάλει τοὺς σὺν σοὶ εἰς τὴν ἐμβολήν, τῷ μὲν προσώπῳ παραθαρρύνων, ταῖς δ' ἐλπίσιν ἐπικουφίζων. ὅπως δὲ κράτιστοι φανείσθε τῶν ἐπὶ τοῖς ἄρμασι, φιλονικίαν αὐτοῖς ἔμβαλλε· καὶ γάρ, εὖ ἴσθι, ἦν τάδε εὖ γένηται, πάντες ἐροῦσι τὸ λοιπὸν μηδὲν εἶναι κερδαλεώτερον ἀρετῆς. ὁ μὲν δὴ Ἀβραδάτας ἀναβάς παρήλαυνε καὶ ταῦτ' ἐποίει.

[7.1.19] Ὁ δ' αὖ Κῦρος παρῶν ὡς ἐγένετο πρὸς τῷ εὐωνύμῳ, ἔνθα ὁ Ὑστάσπας τοὺς ἡμίσεις ἔχων ἦν τῶν Περσῶν ἱππέων, ὀνομάσας αὐτὸν εἶπεν· ὦ Ὑστάσπα, νῦν [ὀραῖς:] ἔργον τῆς σῆς ταχυεργίας·

νῦν γὰρ ἦν φθάσωμεν τοὺς πολεμίους κατακανόντες, οὐδεὶς ἡμῶν ἀποθανεῖται. [7.1.20] καὶ ὁ Ὑστάσπας ἐπιγελάσας εἶπεν· Ἀλλὰ περὶ μὲν τῶν ἐξ ἐναντίας ἡμῖν μελήσει, τοὺς δ' ἐκ πλαγίου σὺ ἄλλοις πρόσταξον, ὅπως μὴδ' οὗτοι σχολάζωσι. καὶ ὁ Κῦρος εἶπεν· Ἀλλ' ἐπὶ γε τούτους ἐγὼ αὐτὸς παρέρχομαι· ἀλλ', ὃ Ὑστάσπα, τόδε μέμνησο, ὅτῳ ἂν ἡμῶν ὁ θεὸς νίκην δίδῃ, ἦν τί που μένηι πολέμιον, πρὸς τὸ μαχόμενον ἀεὶ συμβάλλωμεν. [7.1.21] ταῦτ' εἰπὼν προήκει. ἐπεὶ δὲ κατὰ τὸ πλευρὸν παριῶν ἐγένετο καὶ κατὰ τὸν ἄρχοντα τῶν ταύτηι ἁρμάτων, πρὸς τοῦτον ἔλαξεν· Ἐγὼ δὲ ἔρχομαι ὑμῖν ἐπικουρήσων· ἀλλ' ὁπότεν αἰσθησθε ἡμᾶς ἐπιτιθεμένους κατ' ἄκρον, τότε καὶ ὑμεῖς πειρᾶσθε ἅμα διὰ τῶν πολεμίων ἐλαύνειν· πολὺ γὰρ ἐν ἀσφαλεστέρῳ ἔσεσθε ἔξω γεγνημένοι ἢ ἔνδον ἀπολαμβανόμενοι. [7.1.22] ἐπεὶ δ' αὖ παριῶν ἐγένετο ὅπισθεν τῶν ἁρμαμαζῶν, Ἀρταγέρσαν μὲν καὶ Φαρνοῦχον ἐκέλευσεν ἔχοντας τὴν τε τῶν πεζῶν χλαιοστὴν καὶ τὴν τῶν ἵππεων μένειν αὐτοῦ. Ἐπειδὰν δ', ἔφη, αἰσθάνησθε ἐμοῦ ἐπιτιθεμένου τοῖς κατὰ τὸ δεξιὸν κέρας, τότε καὶ ὑμεῖς τοῖς καθ' ὑμᾶς ἐπιχειρεῖτε· μαχεῖσθε δ', ἔφη, πρὸς κέρας, ἥτις ἐπερ ἀσθενέστατον στράτευμα γίγνεται, φάλαγγα [δ'] ἔχοντες, ὥσπερ ἂν ἰσχυρότατοι εἴητε. καὶ εἰσὶ μὲν, ὥς ὁρᾶτε, τῶν πολεμίων ἵππεῖς οἱ ἔσχατοι· πάντως δὲ πρόετε πρὸς αὐτοὺς τὴν τῶν καμήλων τάξιν, καὶ εὖ ἴστε ὅτι καὶ πρὶν μάχεσθαι γελοῖους τοὺς πολεμίους θεάσεσθε,

[7.1.23] Ὁ μὲν δὴ Κῦρος ταῦτα διαπραξάμενος ἐπὶ τὸ δεξιὸν παρήκει· ὁ δὲ Κροῖσος νομίσας ἤδη ἐγγύτερον εἶναι τῶν πολεμίων τὴν φάλαγγα σὺν ἧι αὐτὸς ἐπορεύετο ἢ τὰ ἀνατεινόμενα κέρατα, ἦρε τοῖς κέρασι σημεῖον μηκέτι ἄνω πορεύεσθαι, ἀλλ' αὐτοῦ ἐν χώραι στραφῆναι. ὥς δ' ἔστησαν ἀντία πρὸς τὸ τοῦ Κύρου στράτευμα ὁρῶντες, ἐσήμηνεν αὐτοῖς πορεύεσθαι πρὸς τοὺς πολεμίους. [7.1.24] καὶ οὕτω δὴ προσῆσαν τρεῖς φάλαγγες ἐπὶ τὸ Κύρου στράτευμα, ἡ μὲν μία κατὰ πρόσωπον, τῷ δὲ δύο, ἡ μὲν κατὰ τὸ δεξιόν, ἡ δὲ κατὰ τὸ εὐώνυμον· ὥστε πολὺν φόβον παρεῖναι πάσῃ τῇ Κύρου στρατιᾷ. ὥσπερ γὰρ μικρὸν πλινθίον ἐν μεγάλῳ τεθέν, οὕτω καὶ τὸ Κύρου στράτευμα πάντοθεν περιείχετο ὑπὸ τῶν πολεμίων καὶ ἵππεῦσι καὶ ὀπλίταις καὶ πελτοφόροις καὶ τοξόταις καὶ ἅρμασι πλὴν ἐξόπισθεν. [7.1.25] ὁμῶς δὲ ὥς ὁ Κῦρος [ἐπεὶ] παρήγγειλεν, ἐστράφησαν πάντες ἀντιπρόσωποι τοῖς πολεμίοις· καὶ ἦν μὲν πολλὴ πανταχόθεν σιγὴ ὑπὸ τοῦ τὸ μέλλον ὀκνεῖν· ἠνίκα δὲ ἔδοξε τῷ Κύρῳ καιρὸς εἶναι, ἐξῆρχε παιᾶνα, συνεπήχησε δὲ πᾶς ὁ στρατός. [7.1.26] μετὰ δὲ τοῦτο τῷ

Ἐνυαλίῳ τε ἅμα ἐπηλάλαξαν καὶ ἐξανίσταται ὁ Κῦρος, καὶ εὐθὺς μὲν μετὰ τῶν ἱππέων λαβὼν πλαγίους τοὺς πολεμίους ὁμόσε αὐτοῖς τὴν ταχίστην συνεμῖγγυν· οἱ δὲ πεζοὶ αὐτῷ συντεταγμένοι ταχὺ ἐφείποντο, καὶ περιεπτύσσοντο ἔνθεν καὶ ἔνθεν, ὥστε πολὺ ἐπλεονέκτει· φάλαγγι γὰρ κατὰ κέρας προσέβαλλεν· ὥστε ταχὺ ἰσχυρὰ φυγὴ ἐγένετο τοῖς πολεμίῳις.

[7.1.27] Ὡς δὲ ἦισθετο Ἀρταγέρσης ἐν ἔργῳ ὄντα τὸν Κῦρον, ἐπιτίθεται καὶ αὐτὸς κατὰ τὰ εὐώνυμα, προεῖς τὰς καμήλους ὥσπερ Κῦρος ἐκέλευσεν. οἱ δὲ ἵπποι αὐτὰς ἐκ πάνυ πολλοῦ οὐκ ἐδέχοντο, ἀλλ' οἱ μὲν ἔκφρονες γιγνόμενοι ἔφευγον, οἱ δ' ἐξήλλοντο, οἱ δ' ἐνέπιπτον ἀλλήλοισι. τοιαῦτα γὰρ πάσχουσιν ἵπποι ὑπὸ καμήλων. [7.1.28] ὁ δὲ Ἀρταγέρσης συντεταγμένους ἔχων τοὺς μεθ' ἑαυτοῦ ταραττομένοις ἐπέκειτο· καὶ τὰ ἄρματα δὲ κατὰ τὸ δεξιὸν καὶ τὸ εὐώνυμον ἅμα ἐνέβαλλε. καὶ πολλοὶ μὲν τὰ ἄρματα φεύγοντες ὑπὸ τῶν κατὰ κέρας ἐπομένων ἀπέθνησκον, πολλοὶ δὲ τούτους φεύγοντες ὑπὸ τῶν ἀρμάτων ἠλίσκοντο.

[7.1.29] Καὶ ὁ Ἀβραδάτας δὲ οὐκέτι ἔμελλεν, ἀλλ' ἀναβοήσας· Ἄνδρες φίλοι, ἔπεσθε, ἐνίει οὐδὲν φειδόμενος τῶν ἵππων, ἀλλ' ἰσχυρῶς ἐξαιμάττων τῷ κέντρῳ· συνεξώρμησαν δὲ καὶ οἱ ἄλλοι ἄρματηλάται. καὶ τὰ μὲν ἄρματα ἔφευγεν αὐτοὺς εὐθύς, τὰ μὲν ἀναλαβόντα τοὺς παραβάτας, τὰ δὲ καὶ ἀπολιπόντα. [7.1.30] ὁ δὲ Ἀβραδάτας ἀντικρὺ διάιττων εἰς τὴν τῶν Αἰγυπτίων φάλαγγα ἐμβάλλει· συνεισέβαλον δὲ αὐτῷ καὶ οἱ ἐγγύτατα τεταγμένοι. πολλαχοῦ μὲν οὖν καὶ ἄλλοθι δῆλον ὥς οὐκ ἔστιν ἰσχυροτέρα φάλαγξ ἢ ὅταν ἐκ φίλων συμμάχων ἡθροισμένη ᾖ, καὶ ἐν τούτῳ δὲ ἐδήλωσεν. οἱ μὲν γὰρ ἐταῖροί τε αὐτοῦ καὶ ὁμοτράπεζοι συνεισέβαλλον· οἱ δ' ἄλλοι ἡνίοχοι ὥς εἶδον ὑπομένοντας πολλῶι στίφει τοὺς Αἰγυπτίους, ἐξέκλιναν κατὰ τὰ φεύγοντα ἄρματα καὶ τούτοις ἐφείποντο. [7.1.31] οἱ δὲ ἀμφὶ Ἀβραδάταν ἦι μὲν ἐνέβαλλον, ἅτε οὐ δυναμένων διαχάσασθαι τῶν Αἰγυπτίων διὰ τὸ μένειν τοὺς ἔνθεν καὶ ἔνθεν αὐτῶν, τοὺς μὲν ὀρθοὺς τῇ ρύμῃ τῇ τῶν ἵππων παίοντες ἀνέτρεπον, τοὺς δὲ πίπτοντας κατηλώων καὶ αὐτοὺς καὶ ὅπλα καὶ ἵπποις καὶ τροχοῖς. ὅτου δ' ἐπιλάβοιτο τὰ δρέπανα, πάντα βίαι διεκόπτετο καὶ ὅπλα καὶ σώματα. [7.1.32] ἐν δὲ τῷ ἀδιηγῆτῳ τούτῳ τaráχῳ ὑπὸ τῶν παντοδαπῶν σωρευμάτων ἐξαλλομένων τῶν τροχῖν ἐκπύπτει ὁ Ἀβραδάτας καὶ ἄλλοι δὲ τῶν συνεισβαλόντων, καὶ οὗτοι μὲν ἐνταῦθα ἄνδρες ἀγαθοὶ γενόμενοι κατεκόπησαν καὶ

ἀπέθανον· οἱ δὲ Πέρσαι συνεπισπόμενοι, ἧι μὲν ὁ Ἀβραδάτας ἐνέβαλε καὶ οἱ σὺν αὐτῷ, ταύτῃ ἐπείσπεσόντες τεταραγμένους ἐφόνευσον, ἧι δὲ ἀπαθεῖς ἐγένοντο οἱ Αἰγύπτιοι [πολλοὶ δ' οὗτοι ἦσαν], ἐχώρουν ἐναντίοι τοῖς Πέρσαις.

[7.1.33] Ἐνθα δὴ δεινὴ μάχη ἦν καὶ δοράτων καὶ ξυστῶν καὶ μαχαιρῶν· ἐπλεονέκτουν μέντοι οἱ Αἰγύπτιοι καὶ πλήθει καὶ τοῖς ὅπλοις. τά τε γὰρ δόρατα ἰσχυρὰ καὶ μακρὰ ἔτι καὶ νῦν ἔχουσιν, αἱ τε ἀσπίδες πολὺ μᾶλλον τῶν θωράκων καὶ τῶν γέρρων καὶ στεγάζουσι τὰ σώματα καὶ πρὸς τὸ ὠθεῖσθαι συνεργάζονται πρὸς τοῖς ὤμοις οὔσαι. συγκλείσαντες οὖν τὰς ἀσπίδας ἐχώρουν καὶ ἐώθουν. [7.1.34] οἱ δὲ Πέρσαι οὐκ ἐδύναντο ἀντέχειν, ἅτε ἐν ἅκραις ταῖς χερσὶ τὰ γέρρα ἔχοντες, ἀλλ' ἐπὶ πόδα ἀνεχάζοντο παίοντες καὶ παιόμενοι, ἕως ὑπὸ ταῖς μηχαναῖς ἐγένοντο. ἐπεὶ μέντοι ἐνταῦθα ἦλθον, ἐπαίοντο αὐθις οἱ Αἰγύπτιοι ἀπὸ τῶν πύργων· καὶ οἱ ἐπὶ πᾶσι δὲ οὐκ εἴων φεύγειν οὔτε τοὺς τοξότας οὔτε τοὺς ἀκοντιστάς, ἀλλ' ἀνατεταμένοι τὰς μαχαίρας ἠνάγκαζον καὶ τοξεύειν καὶ ἀκοντίζειν. [7.1.35] ἦν δὲ πολὺς μὲν ἀνδρῶν φόνος, πολὺς δὲ κτύπος ὅπλων καὶ βελῶν παντοδαπῶν, πολλὴ δὲ βοή τῶν μὲν ἀνακαλούντων ἀλλήλους, τῶν δὲ παρακελευομένων, τῶν δὲ θεοὺς ἐπικαλουμένων.

[7.1.36] Ἐν δὲ τούτῳ Κῦρος διώκων τοὺς καθ' αὐτὸν παραγίγνεται. ὥς δ' εἶδε τοὺς Πέρσας ἐκ τῆς χώρας ἐωσμένους, ἤλγησέ τε καὶ γνοὺς ὅτι οὐδαμῶς ἂν θάττον σχοίη τοὺς πολεμίους τῆς εἰς τὸ πρόσθεν προόδου ἢ εἰ εἰς τὸ ὀπισθεν περιελάσειεν αὐτῶν, παραγγεῖλας ἔπεσθαι τοῖς μεθ' αὐτοῦ περιήλαυνεν εἰς τὸ ὀπισθεν· καὶ εἰσπεσόντες παίουσιν ἀφορῶντας καὶ πολλοὺς κατακαίνουσιν. [7.1.37] οἱ δὲ Αἰγύπτιοι ὥς ἦισθοντο, ἐβόων τε ὅτι ὀπισθεν οἱ πολέμιοι καὶ ἐστρέφοντο ἐν ταῖς πληγαῖς. καὶ ἐνταῦθα δὴ φύρδην ἐμάχοντο καὶ πεζοὶ καὶ ἵππεῖς, πεπτωκῶς δέ τις ὑπὸ τῷ Κύρῳ ἵππῳ καὶ πατούμενος παίει εἰς τὴν γαστέρα τῇ μαχαίρᾳ τὸν ἵππον αὐτοῦ· ὁ δὲ ἵππος πληγεὶς σφαδάζων ἀποσεύεται τὸν Κῦρον. [7.1.38] ἔνθα δὴ ἔγνω ἂν τις ὅσου ἄξιον εἴη τὸ φιλεῖσθαι ἄρχοντα ὑπὸ τῶν περὶ αὐτόν. εὐθύς γὰρ ἀνεβόησάν τε πάντες καὶ προσπεσόντες ἐμάχοντο· ἐώθουν, ἐωθοῦντο, ἔπαιον, ἐπαίοντο. καταπηδήσας δέ τις ἀπὸ τοῦ ἵππου τῶν τοῦ Κύρου ὑπηρετῶν ἀναβάλλει αὐτόν ἐπὶ τὸν ἑαυτοῦ ἵππον. [7.1.39] ὥς δ' ἀνέβη ὁ Κῦρος, κατεῖδε πάντοθεν ἤδη παιομένους τοὺς Αἰγυπτίους· καὶ γὰρ Ὑστάσπας ἤδη παρῆν σὺν τοῖς Περσῶν ἵππεῦσι καὶ Χρυσάντας. ἀλλὰ τούτους ἐμβάλλειν μὲν οὐκέτι εἶα εἰς

τὴν φάλαγγα τῶν Αἰγυπτίων, ἔξωθεν δὲ τοξεύειν καὶ ἀκοντίζειν ἐκέλευεν. ὥς δ' ἐγένετο περιελαύνων παρὰ τὰς μηχανάς, ἔδοξεν αὐτῷ ἀναβῆναι ἐπὶ τῶν πύργων τινὰ καὶ κατασκέψασθαι εἴ πῃ καὶ ἄλλο τι μένοι τῶν πολεμίων καὶ μάχοιτο.

[7.1.40] ἐπεὶ δὲ ἀνέβη, κατεῖδε μεστὸν τὸ πεδῖον ἵππων, ἀνθρώπων, ἁρμάτων, φευγόντων, διωκόντων, κρατούντων, κρατουμένων· μένον δ' οὐδαμοῦ οὐδὲν ἔτι ἐδύνατο κατιδεῖν πλὴν τὸ τῶν Αἰγυπτίων· οὗτοι δὲ ἐπειδὴ ἠποροῦντο, πάντοθεν κύκλον ποιησάμενοι, ὥστε ὁρᾶσθαι τὰ ὄπλα, ὑπὸ ταῖς ἀσπίσιν ἐκάθηντο· καὶ ἐποιοῦν μὲν οὐδὲν ἔτι, ἔπασχον δὲ πολλὰ καὶ δεινά.

[7.1.41] Ἀγασθεὶς δὲ ὁ Κῦρος αὐτοὺς καὶ οἰκτίρων ὅτι ἀγαθοὶ ἄνδρες ὄντες ἀπώλλυντο, ἀνεχώρισε πάντας τοὺς περιμαχομένους καὶ μάχεσθαι οὐδένα ἔτι εἶα. πέμπει δὲ πρὸς αὐτοὺς κήρυκα ἐρωτῶν πότερα βούλονται ἀπολέσθαι πάντες ὑπὲρ τῶν προδεδωκότων αὐτοὺς ἢ σωθῆναι ἄνδρες ἀγαθοὶ δοκοῦντες εἶναι. οἱ δ' ἀπεκρίναντο· Πῶς δ' ἂν ἡμεῖς σωθῆιμεν ἄνδρες ἀγαθοὶ δοκοῦντες εἶναι; [7.1.42] ὁ δὲ Κῦρος πάλιν ἔλεγεν· Ὅτι ἡμεῖς ὑμᾶς ὀρῶμεν μόνους καὶ μένοντας καὶ μάχεσθαι θέλοντας. Ἀλλὰ τοῦντεῦθεν, ἔφασαν οἱ Αἰγύπτιοι, τί καλὸν ἂν ποιοῦντες σωθῆιμεν; καὶ ὁ Κῦρος αὖ πρὸς τοῦτο εἶπεν· [Εἰ τῶν τε συμμαχομένων μηδένα προδόντες σωθείητε] Τὰ τε ὄπλα παραδόντες φίλοι τε γενόμενοι τοῖς αἰρουμένοις ὑμᾶς σῶσαι, ἐξὸν ἀπολέσαι. [7.1.43] ἀκούσαντες ταῦτα ἐπήροντο· Ἦν δὲ γενώμεθά σοι φίλοι, τί ἡμῖν ἀξιώσεις χρῆσθαι; ἀπεκρίνατο ὁ Κῦρος, Εὖ ποιεῖν καὶ εὖ πάσχειν. ἐπηρώτων πάλιν οἱ Αἰγύπτιοι, Τίνα εὐεργεσίαν; πρὸς τοῦτο εἶπεν ὁ Κῦρος· Μισθὸν μὲν ὑμῖν δοῖην ἂν πλείονα ἢ νῦν ἐλαμβάνετε ὅσον ἂν χρόνον πόλεμος ἦ· εἰρήνης δὲ γενομένης τῷ βουλομένῳ ὑμῶν μένειν παρ' ἐμοὶ χώραν τε δώσω καὶ πόλεις καὶ γυναικὰς καὶ οἰκέτας. [7.1.44] ἀκούσαντες ταῦτα οἱ Αἰγύπτιοι τὸ μὲν ἐπὶ Κροῖσον συστρατεύειν ἀφελεῖν σφισιν ἐδεήθησαν· τούτῳ γὰρ μόνῳ γινώσκεσθαι ἔφασαν· τὰ δ' ἄλλα συνομολογήσαντες ἔδοσαν πίστιν καὶ ἔλαβον. [7.1.45] καὶ οἱ Αἰγύπτιοί τε οἱ καταμείναντες τότε ἔτι καὶ νῦν βασιλεῖ πιστοὶ διαμένουσι, Κῦρός τε πόλεις αὐτοῖς ἔδωκε, τὰς μὲν ἄνω, αἱ ἔτι καὶ νῦν πόλεις Αἰγυπτίων καλοῦνται, Λάρισαν δὲ καὶ Κυλλήνην παρὰ Κύμην πλησίον θαλάττης, ἃς ἔτι καὶ νῦν οἱ ἀπ' ἐκείνων ἔχουσι. ταῦτα δὲ διαπραξάμενος ὁ Κῦρος ἤδη σκοταῖος ἀναγαγὼν ἐστρατοπεδεύσατο ἐν Θυμβράροις.

[7.1.46] Ἐν δὲ τῇ μάχῃ τῶν πολεμίων Αἰγύπτιοι μόνοι

ἡὺδοκίμησαν, τῶν δὲ σὺν Κύρῳ τὸ Περσῶν ἵππικὸν κράτιστον ἔδοξεν εἶναι· ὥστ' ἔτι καὶ νῦν διαμένει ἡ ὄπλισις ἣν τότε Κῦρος τοῖς ἵππευσι κατεσκεύασεν. [7.1.47] ἡὺδοκίμησε δὲ ἰσχυρῶς καὶ τὰ δρεπανηφόρα ἄρματα· ὥστε καὶ τοῦτο ἔτι καὶ νῦν διαμένει τὸ πολεμιστήριον τῷ αἰεὶ βασιλεύοντι. [7.1.48] αἱ μέντοι κάμηλοι ἐφόβουν μόνον τοὺς ἵππους, οὐ μέντοι κατέκαινόν γε οἱ ἐπ' αὐτῶν ἵππεῖς, οὐδ' αὐτοὶ γε ἀπέθνησκον ὑπὸ ἵππέων· οὐδεὶς γὰρ ἵππος ἐπέλαξε. [7.1.49] καὶ χρήσιμον μὲν ἐδόκει εἶναι· ἀλλὰ γὰρ οὔτε τρέφειν οὐδεὶς ἐθέλει καλὸς κάγαθός κάμηλον ὥστ' ἐποχεῖσθαι οὔτε μελετᾶν ὡς πολεμῆσων ἀπὸ τούτων. οὕτω δὲ ἀπολαβοῦσαι πάλιν τὸ ἑαυτῶν σχῆμα ἐν τοῖς σκευοφόροις διάγουσι.

[7.2.1] Καὶ οἱ μὲν ἀμφὶ τὸν Κῦρον δειπνοποιησάμενοι καὶ φυλακὰς καταστησάμενοι, ὥσπερ ἔδει, ἐκοιμήθησαν. Κροῖσος μέντοι εὐθὺς ἐπὶ Σάρδεων ἔφρευγε σὺν τῷ στρατεύματι· τὰ δ' ἄλλα φῦλα ὅποι ἐδύνατο προσωτάτω ἐν τῇ νυκτὶ τῆς ἐπ' οἶκον ὁδοῦ ἕκαστος ἀπεχώρει. [7.2.2] ἐπειδὴ δὲ ἡμέρα ἐγένετο, εὐθὺς ἐπὶ Σάρδεῖς ἦγε Κῦρος, ὡς δ' ἐγένετο πρὸς τῷ τείχει τῷ ἐν Σάρδεσι, τάς τε μηχανὰς ἀνίστη ὡς προσβαλὼν πρὸς τὸ τεῖχος καὶ κλίμακας παρεσκευάζετο. [7.2.3] ταῦτα δὲ ποιῶν κατὰ τὰ ἀποτομώτατα δοκοῦντα εἶναι τοῦ Σαρδιανῶν ἐρύματος τῆς ἐπιούσης νυκτὸς ἀναβιβάζει Χαλδαίους τε καὶ Πέρσας. ἡγήσατο δ' αὐτοῖς ἀνὴρ Πέρσης δοῦλος γεγεννημένος τῶν ἐν τῇ ἀκροπόλει τινὸς φρουρῶν καὶ καταμεμαθηκὼς κατάβασιν εἰς τὸν ποταμὸν καὶ ἀνάβασιν τὴν αὐτήν. [7.2.4] ὡς δ' ἐγένετο τοῦτο δῆλον ὅτι εἶχετο τὰ ἄκρα, πάντες δὲ ἔφρευγον οἱ Λυδοὶ ἀπὸ τῶν τειχῶν ὅποι ἐδύνατο ἕκαστος τῆς πόλεως. Κῦρος δὲ ἅμα τῇ ἡμέρᾳ εἰσῆιει εἰς τὴν πόλιν καὶ παρήγγειλεν ἐκ τῆς τάξεως μηδένα κινεῖσθαι. [7.2.5] ὁ δὲ Κροῖσος κατακλεισάμενος ἐν τοῖς βασιλείοις Κῦρον ἐβόα· ὁ δὲ Κῦρος τοῦ μὲν Κροίσου φύλακας κατέλιπεν, αὐτὸς δὲ ἀπαγαγὼν πρὸς τὴν ἐχομένην ἄκραν ὡς εἶδε τοὺς μὲν Πέρσας φυλάττοντας τὴν ἄκραν, ὥσπερ ἔδει, τὰ δὲ τῶν Χαλδαίων ὄπλα ἔρημα [κατεδεδραμήκεσαν γὰρ ἀρπασόμενοι τὰ ἐκ τῶν οἰκιῶν], εὐθὺς συνεκάλεσεν αὐτῶν τοὺς ἄρχοντας καὶ εἶπεν αὐτοῖς ἀπιέναι ἐκ τοῦ στρατεύματος ὡς τάχιστα. [7.2.6] Οὐ γὰρ ἄν, ἔφη, ἀνασχοίμην πλεονεκτοῦντας ὁρῶν τοὺς ἀτακτοῦντας, καὶ εἴ μὲν, ἔφη, ἐπιστασθε ὅτι παρεσκευαζόμεν ἔγὼ ὑμᾶς τοὺς ἐμοὶ συστρατευομένους πᾶσι Χαλδαίοις μακαριστοὺς ποιῆσαι· νῦν δ', ἔφη, μὴ θαυμάζετε ἢν τις καὶ ἀπιοῦσιν ὑμῖν κρείττων ἐντύχη. [7.2.7] ἀκούσαντες ταῦτα οἱ

Χαλδαῖοι ἔδεισάν τε καὶ ἰκέτευον παύσασθαι ὀργιζόμενον καὶ τὰ χρήματα πάντα ἀποδώσειν ἔφασαν. ὁ δ' εἶπεν ὅτι οὐδὲν αὐτῶν δέοιτο. Ἀλλ' εἰ με, ἔφη, βούλεσθε παύσασθαι ἀχθόμενον, ἀπόδοτε πάντα ὅσα ἐλάβετε τοῖς διαφυλάξασι τὴν ἄκραν. ἦν γὰρ αἰσθωνται οἱ ἄλλοι στρατιῶται ὅτι πλεονεκτοῦσιν οἱ εὐτακτοὶ γενόμενοι, πάντα μοι καλῶς ἔξει. [7.2.8] οἱ μὲν δὴ Χαλδαῖοι οὕτως ἐποιήσαν ὥς ἐκέλευσεν ὁ Κῦρος· καὶ ἔλαβον οἱ πειθόμενοι πολλὰ καὶ παντοῖα χρήματα. ὁ δὲ Κῦρος καταστρατοπεδεύσας τοὺς ἑαυτοῦ. ὅπου ἐδόκει ἐπιτηδειότατον εἶναι τῆς πόλεως, μένειν ἐπὶ τοῖς ὅπλοις παρήγγειλε καὶ ἀριστοποιεῖσθαι.

[7.2.9] Ταῦτα δὲ διαπραζάμενος ἀγαγεῖν ἐκέλευσεν αὐτῷ τὸν Κροῖσον. ὁ δὲ Κροῖσος ὡς εἶδε τὸν Κῦρον, Χαῖρε, ὦ δέσποτα, ἔφη· τοῦτο γὰρ ἢ τύχη καὶ ἔχειν τὸ ἀπὸ τοῦδε δίδωσι σοὶ καὶ ἐμοὶ προσαγορεύειν. [7.2.10] Καὶ σύ γε, ἔφη, ὦ Κροῖσε, ἐπεὶ περ ἄνθρωποι γέ ἐσμεν ἀμφοτέρω. ἀτάρ, ἔφη, ὦ Κροῖσε, ἄρ' ἂν τί μοι ἐθελήσῃς συμβουλευῆσαι; Καὶ βουλοίμην γ' ἂν, ἔφη, ὦ Κῦρε, ἀγαθόν τί σοι εὔρεῖν· τοῦτο γὰρ ἂν οἶμαι ἀγαθὸν καὶ μοι γενέσθαι. [7.2.11] Ἄκουσον τοίνυν, ἔφη, ὦ Κροῖσε· ἐγὼ γὰρ ὁρῶν τοὺς στρατιώτας πολλὰ πεπονηκότας καὶ πολλὰ κεκινδυνευκότας καὶ νῦν νομίζοντας πόλιν ἔχειν τὴν πλουσιωτάτην ἐν τῇ Ἀσίᾳ μετὰ Βαβυλῶνα, ἀξιώ ὠφελῆσθαι τοὺς στρατιώτας. γινώσκω γάρ ἔφη, ὅτι εἰ μὴ τινα καρπὸν λήψονται τῶν πόνων, οὐ δυνήσομαι αὐτοὺς πολὺν χρόνον πειθομένους ἔχειν. διαρπάσαι μὲν οὖν αὐτοῖς ἐφεῖναι τὴν πόλιν οὐ βούλομαι· τὴν τε γὰρ πόλιν νομίζω ἂν διαφθαρῆναι, ἐν τε τῇ ἀρπαγῇ εὖ οἶδ' ὅτι οἱ πονηρότατοι πλεονεκτήσῃαν ἂν. [7.2.12] ἀκούσας ταῦτα ὁ Κροῖσος ἔλεξεν· Ἀλλ' ἐμέ, ἔφη, ἔασον λέξαι πρὸς οὓς ἂν ἐγὼ Λυδῶν ἔλθω ὅτι διαπέπραγμαι παρὰ σοῦ μὴ ποιῆσαι ἀρπαγὴν μηδὲ εἶσαι ἀφανισθῆναι παῖδας καὶ γυναῖκας· ὑπεσχόμην δέ σοι ἀντὶ τούτων ἢ μὴν παρ' ἐκόντων Λυδῶν ἔσεσθαι πᾶν ὃ τι καλὸν καὶ ἀγαθὸν ἐστὶν ἐν Σάρδεσιν. [7.2.13] ἦν γὰρ ταῦτα ἀκούσωσιν, οἶδ' ὅτι ἤξει σοι πᾶν ὃ τι ἐστὶν ἐνθάδε καλὸν κτῆμα ἀνδρὶ καὶ γυναικί· καὶ ὁμοίως εἰς νέωτα πολλῶν καὶ καλῶν πάλιν σοὶ πλήρης ἡ πόλις ἔσται. ἦν δὲ διαρπάσης, καὶ αἱ τέχναι σοι, ἅς πηγὰς φασὶ τῶν καλῶν εἶναι, διεφθαρμέναι ἔσονται. [7.2.14] ἐξέσται δέ σοι ἰδόντι ταῦτα ἐλθόντα ἔτι καὶ περὶ τῆς ἀρπαγῆς βουλευῆσασθαι. πρῶτον δ', ἔφη, ἐπὶ τοὺς ἐμοὺς θησαυροὺς πέμπε καὶ παραλαμβανόντων οἱ σοὶ φύλακες παρὰ τῶν ἐμῶν φυλάκων. ταῦτα μὲν δὴ πάντα οὕτω συνήνεσε ποιεῖν

ὁ Κῦρος ὥσπερ ἔλεξεν ὁ Κροῖσος.

[7.2.15] Τάδε δέ μοι πάντως, ἔφη, ὦ Κροῖσε, λέξον πῶς σοι ἀποβέβηκε τὰ ἐκ τοῦ ἐν Δελφοῖς χρηστηρίου· σοὶ γὰρ δὴ λέγεται πάνυ γε θεραπευῖσθαι ὁ Ἀπόλλων καὶ σε πάντα ἐκείνῳ πειθόμενον πράττειν. [7.2.16] Ἐβουλόμην ἄν, ἔφη, ὦ Κῦρε, οὕτως ἔχειν· νῦν δὲ πάντα τὰναντία εὐθὺς ἐξ ἀρχῆς πράττων προσηνέχθην τῷ Ἀπόλλωνι. Πῶς δέ; ἔφη ὁ Κῦρος· δίδασκε· πάνυ γὰρ παράδοξα λέγεις. [7.2.17] Ὅτι πρῶτον μὲν, ἔφη, ἀμελήσας ἐρωτᾶν τὸν θεόν, εἴ τι ἐδεόμην, ἀπεπειρώμην αὐτοῦ εἰ δύναίτο ἀληθεύειν. τοῦτο δ', ἔφη, μὴ ὅτι θεός, ἀλλὰ καὶ ἄνθρωποι καλοὶ κάγαθοί, ἐπειδὴ γινώσιν ἀπιστούμενοι, οὐ φιλοῦσι τοὺς ἀπιστοῦντας. [7.2.18] ἐπεὶ μέντοι ἔγνω καὶ μάλ' ἄτοπα ἐμοῦ ποιοῦντος, καίπερ πρόσω Δελφῶν ἀπέχοντος, οὕτω δὴ πέμπω περὶ παίδων. [7.2.19] ὁ δέ μοι τὸ μὲν πρῶτον οὐδ' ἀπεκρίνατο· ἐπεὶ δ' ἐγὼ πολλὰ μὲν πέμπων ἀναθήματα χρυσᾶ, πολλὰ δ' ἀργυρᾶ, πάμπολλα δὲ θύων ἐξυλάσάμην ποτὲ αὐτόν, ὥς ἐδόκουν, τότε δὴ μοι ἀποκρίνεται ἐρωτῶντι τί ἂν μοι ποιήσαντι παῖδες γένοιτο· ὁ δὲ εἶπεν ὅτι ἔσονται. [7.2.20] καὶ ἐγένοντο μὲν, οὐδὲ γὰρ οὐδὲ τοῦτο ἐψεύσατο, γενόμενοι δὲ οὐδὲν ὦνῃσαν. ὁ μὲν γὰρ κωφὸς ὢν διετέλει, ὁ δὲ ἄριστος γενόμενος ἐν ἀκμῇ τοῦ βίου ἀπώλετο. πῆζόμενος δὲ ταῖς περὶ τοὺς παῖδας συμφοραῖς πάλιν πέμπω καὶ ἐπερωτῶ τὸν θεὸν τί ἂν ποιῶν τὸν λοιπὸν βίον εὐδαιμονέστατα διατελέσαιμι· ὁ δέ μοι ἀπεκρίνατο.

Σαυτὸν γινώσκων εὐδαίμων, Κροῖσε, περάσεις.

[7.2.21] ἐγὼ δ' ἀκούσας τὴν μαντείαν ἥσθη· ἐνόμιζον γὰρ τὸ ῥαῖστόν μοι αὐτὸν προστάξαντα τὴν εὐδαιμονίαν διδόναι. ἄλλους μὲν γὰρ γινώσκειν τοὺς μὲν οἷόν τ' εἶναι τοὺς δ' οὐ· ἑαυτὸν δὲ ὅστις ἐστὶ πάντα τινὰ ἐνόμιζον ἄνθρωπον εἰδέναι. [7.2.22] καὶ τὸν μετὰ ταῦτα δὴ χρόνον, ἕως μὲν εἶχον ἡσυχίαν, οὐδὲν ἐνεκάλουν μετὰ τὸν τοῦ παιδὸς θάνατον ταῖς τύχαις· ἐπειδὴ δὲ ἀνεπέισθην ὑπὸ τοῦ Ἀσσυρίου ἐφ' ὑμᾶς στρατεύεσθαι, εἰς πάντα κίνδυνον ἦλθον· ἐσώθην μέντοι οὐδὲν κακὸν λαβών. οὐκ αἰτιῶμαι δὲ οὐδὲ τάδε τὸν θεόν. ἐπεὶ γὰρ ἔγνω ἐμαυτὸν μὴ ἰκανὸν ὑμῖν μάχεσθαι, ἀσφαλῶς σὺν τῷ θεῷ ἀπῆλθον καὶ αὐτὸς καὶ οἱ σὺν ἐμοί. [7.2.23] νῦν δ' αὖ πάλιν ὑπὸ τε πλούτου τοῦ παρόντος διαθρυπτόμενος καὶ ὑπὸ τῶν δεομένων μου προστάτην γενέσθαι καὶ ὑπὸ τῶν δώρων ὧν ἐδίδοσάν μοι καὶ ὑπ' ἀνθρώπων, οἳ με κολακεύοντες ἔλεγον ὡς εἰ ἐγὼ θέλωμι ἄρχειν, πάντες ἂν ἐμοὶ πείθοντο καὶ μέγιστος ἂν εἶην ἀνθρώπων, ὑπὸ

τοιούτων δὲ λόγων ἀναφυσώμενος, ὡς εἵλοντό με πάντες οἱ κύκλῳ βασιλεῖς προστάτην τοῦ πολέμου, ὑπεδεξάμην τὴν στρατηγίαν, ὡς ἱκανὸς ὢν μέγιστος γενέσθαι, ἀγνοῶν ἄρα ἑμαυτόν, [7.2.24] ὅτι σοὶ ἀντιπολεμεῖν ἱκανὸς ὤμην εἶναι, πρῶτον μὲν ἐκ θεῶν γεγονότι, ἔπειτα δὲ διὰ βασιλέων πεφυκότι, ἔπειτα δ' ἐκ παιδὸς ἀρετὴν ἀσκοῦντι· τῶν δ' ἐμῶν προγόνων ἀκούω τὸν πρῶτον βασιλεύσαντα ἅμα τε βασιλέα καὶ ἐλεύθερον γενέσθαι. ταῦτ' οὖν ἀγνοήσας δικαίως, ἔφη, ἔχω τὴν δίκην. [7.2.25] ἀλλὰ νῦν δὴ, ἔφη, ὦ Κῦρε, γινώσκω μὲν ἑμαυτόν· σὺ δ', ἔφη, ἔτι δοκεῖς ἀληθεύειν τὸν Ἀπόλλω ὡς εὐδαιμών ἔσομαι γινώσκων ἑμαυτόν; σὲ δὲ ἐρωτῶ διὰ τοῦτο ὅτι ἄριστ' ἂν μοι δοκεῖς εἰκάσαι τοῦτο ἐν τῷ παρόντι· καὶ γὰρ δύνασαι ποιῆσαι.

[7.2.26] Καὶ ὁ Κῦρος εἶπε· Βουλὴν μοι δὸς περὶ τούτου, ὦ Κροῖσε· ἐγὼ γὰρ σου ἐννοῶν τὴν πρόσθεν εὐδαιμονίαν οἰκτίρω τέ σε καὶ ἀποδίδωμι ἤδη γυναικὰ τε ἔχειν ἣν εἶχες καὶ τὰς θυγατέρας [ἀκούω γὰρ σοὶ εἶναι], καὶ τοὺς φίλους καὶ τοὺς θεράποντας καὶ τράπεζαν σὺν οἴαιπερ ἐζήτε· μάχας δέ σοι καὶ πολέμους ἀφαιρῶ. [7.2.27] Μὰ Δία μηδὲν τοίνυν, ἔφη ὁ Κροῖσος, σὺ [ἐμοὶ] ἔτι βουλεύου [ἀποκρίνασθαι] περὶ τῆς ἐμῆς εὐδαιμονίας· ἐγὼ γὰρ ἤδη σοὶ λέγω, ἣν ταῦτά μοι ποιήσης ἃ λέγεις, ὅτι ἦν ἄλλοι τε μακαριωτάτην ἐνόμιζον εἶναι βιοτὴν καὶ ἐγὼ συνεγίγνωσκον αὐτοῖς, ταύτην καὶ ἐγὼ νῦν ἔχων διάξω. [7.2.28] καὶ ὁ Κῦρος εἶπε· Τίς δὴ ὁ ἔχων ταύτην τὴν μακαρίαν βιοτὴν; Ἡ ἐμὴ γυνή, εἶπεν, ὦ Κῦρε· ἐκείνη γὰρ τῶν μὲν ἀγαθῶν καὶ τῶν μαλακῶν καὶ εὐφροσυνῶν πασῶν ἐμοὶ τὸ ἴσον μετεῖχε, φροντίδων δὲ ὅπως ταῦτα ἔσται καὶ πολέμου καὶ μάχης οὐ μετὴν αὐτῇ. οὕτω δὴ καὶ σὺ δοκεῖς ἐμὲ κατασκευάζειν ὥσπερ ἐγὼ ἦν ἐφίλουν μάλιστα ἀνθρώπων, ὥστε τῷ Ἀπόλλωνι ἄλλα μοι δοκῶ χαριστήρια ὀφειλῆσιν. [7.2.29] ἀκούσας δ' ὁ Κῦρος τοὺς λόγους αὐτοῦ ἐθαύμασε μὲν τὴν εὐθυμίαν, ἦγε δὲ τὸ λοιπὸν ὅποι καὶ αὐτὸς πορεύοιτο, εἴτε ἄρα καὶ χρησίμὸν τι νομίζων αὐτὸν εἶναι εἴτε καὶ ἀσφαλέστερον οὕτως ἡγούμενος.

[7.3.1] Καὶ τότε μὲν οὕτως ἐκοιμήθησαν. τῇ δ' ὑστεραίᾳ καλέσας ὁ Κῦρος τοὺς φίλους καὶ τοὺς ἡγεμόνας τοῦ στρατεύματος, τοὺς μὲν αὐτῶν ἔταξε τοὺς θησαυροὺς παραλαμβάνειν, τοὺς δ' ἐκέλευσεν ὅποσα παραδοίῃ Κροῖσος χρήματα, πρῶτον μὲν τοῖς θεοῖς ἐξελεῖν ὅποι' ἂν οἱ μάγοι ἐξηγῶνται, ἔπειτα τᾶλλα χρήματα παραδεχομένους ἐν ζυγάστροις στήσαντες ἐφ' ἀμαξῶν ἐπισκευάσαι καὶ διαλαχόντας

τὰς ἀμάξας κομίζειν ὅποιπερ ἂν αὐτοὶ πορεύωνται, ἵνα ὅπου καιρὸς εἴη διαλαμβάνοιεν ἕκαστοι τὰ ἄξια. [7.3.2] οἱ μὲν δὴ ταῦτ' ἐποίουν.

Ὁ δὲ Κῦρος καλέσας τινὰς τῶν παρόντων ὑπηρετῶν, Εἵπατέ μοι, ἔφη, ἐώρακέ τις ὑμῶν Ἀβραδάταν; θαυμάζω γάρ, ἔφη, ὅτι πρόσθεν θαμίζων ἐφ' ἡμᾶς νῦν οὐδαμοῦ φαίνεται. [7.3.3] τῶν οὖν ὑπηρετῶν τις ἀπεκρίνατο ὅτι Ὡ δέσποτα, οὐ ζῆι, ἀλλ' ἐν τῇ μάχῃ ἀπέθανεν ἐμβαλὼν τὸ ἄρμα εἰς τοὺς Αἰγυπτίους· οἱ δ' ἄλλοι πλὴν τῶν ἐταίρων αὐτοῦ ἐξέκλιναν, ὥς φασιν, ἐπεὶ τὸ στίφος εἶδον τὸ τῶν Αἰγυπτίων. [7.3.4] καὶ νῦν γε, ἔφη, λέγεται αὐτοῦ ἡ γυνὴ ἀνελομένη τὸν νεκρὸν καὶ ἐνθεμένη εἰς τὴν ἀρμάμαξαν, ἐν ἥπερ αὐτὴ ὤχεϊτο, προσκεκομικέναι αὐτὸν ἐνθάδε ποιὶ πρὸς τὸν Πακτωλὸν ποταμόν. [7.3.5] καὶ τοὺς μὲν εὐνούχους καὶ τοὺς θεράποντας αὐτοῦ ὀρύττειν φασὶν ἐπὶ λόφου τινὸς θήκην τῷ τελευτήσαντι· τὴν δὲ γυναῖκα λέγουσιν ὥς κάθηται χαμαὶ κεκοσμηκυῖα οἷς εἶχε τὸν ἄνδρα, τὴν κεφαλὴν αὐτοῦ ἔχουσα ἐπὶ τοῖς γόνασι. [7.3.6] ταῦτα ἀκούσας ὁ Κῦρος ἐπαίσατο ἄρα τὸν μὴρὸν καὶ εὐθὺς ἀναπηδήσας ἐπὶ τὸν ἵππον λαβὼν χιλιούς ἱππέας ἤλαυνεν ἐπὶ τὸ πάθος. [7.3.7] Γαδάταν δὲ καὶ Γωβρύαν ἐκέλευσεν ὅ τι δύναιτο λαβόντας καλὸν κόσμημα ἀνδρὶ φίλῳ καὶ ἀγαθῷ τετελευτηκότι μεταδιώκειν· καὶ ὅστις εἶχε τὰς ἐπομένας ἀγέλας, καὶ βοῦς καὶ ἵππους εἶπε τούτῳ καὶ ἅμα πρόβατα πολλὰ ἐλαύνειν ὅποι ἂν αὐτὸν πυνθάνηται ὄντα, ὥς ἐπισφαγείῃ τῷ Ἀβραδάτῃ.

[7.3.8] Ἐπεὶ δὲ εἶδε τὴν γυναῖκα χαμαὶ καθημένην καὶ τὸν νεκρὸν κείμενον, ἐδάκρυσέ τε ἐπὶ τῷ πάθει καὶ εἶπε· Φεῦ, ὦ ἀγαθὴ καὶ πιστὴ ψυχὴ, οἷχῃ δὴ ἀπολιπὼν ἡμᾶς; καὶ ἅμα ἐδεξιοῦτο αὐτὸν καὶ ἡ χεὶρ τοῦ νεκροῦ ἐπηκολούθησεν· ἀπεκέκοπτο γὰρ κοπίδι ὑπὸ τῶν Αἰγυπτίων. [7.3.9] ὁ δὲ ἰδὼν πολὺ ἔτι μᾶλλον ἥλγησε· καὶ ἡ γυνὴ δὲ ἀνωδύρατο καὶ δεξαμένη δὴ παρὰ τοῦ Κύρου ἐφίλησέ τε τὴν χεῖρα καὶ πάλιν ὥς οἶόν τ' ἦν προσήρμοσε, καὶ εἶπε· [7.3.10] Καὶ τᾷλλά τοι, ὦ Κῦρε, οὕτως ἔχει· ἀλλὰ τί δεῖ σε ὀρᾶν; καὶ ταῦτα, ἔφη, οἶδ' ὅτι δι' ἐμὲ οὐχ ἥκιστα ἔπαθεν, ἴσως δὲ καὶ διὰ σέ, ὦ Κῦρε, οὐδὲν ἦττον. ἐγὼ τε γὰρ ἡ μῶρα πολλὰ διεκελευόμην αὐτῷ οὕτω ποιεῖν, ὅπως σοι φίλος ἄξιος γενήσοιτο· αὐτὸς τε οἶδ' ὅτι οὗτος οὐ τοῦτο ἐνενόει ὅ τι πείσοιτο, ἀλλὰ τί ἂν σοι ποιήσας χαρίσαιτο. καὶ γὰρ οὖν, ἔφη, αὐτὸς μὲν ἀμέμπτως τετελευτήκεν, ἐγὼ δ' ἡ παρακελευομένη ζῶσα παρακάθημαι. [7.3.11] καὶ ὁ Κῦρος χρόνον μὲν τινα σιωπῇ κατεδάκρυσεν, ἔπειτα δὲ ἐφθέγγατο· Ἀλλ' οὗτος μὲν δὴ, ὦ γύναι,

ἔχει τὸ κάλλιστον τέλος· νικῶν γὰρ τετελεύτηκε· σὺ δὲ λαβοῦσα τοῖσδε ἐπικόσμει αὐτὸν τοῖς παρ' ἐμοῦ· παρὴν δὲ ὁ Γωβρύας καὶ ὁ Γαδάτας πολὺν καὶ καλὸν κόσμον φέροντες· ἔπειτα δ', ἔφη, ἴσθι ὅτι οὐδὲ τὰ ἄλλα ἄτιμος ἔσται, ἀλλὰ καὶ τὸ μνημα πολλοὶ χώσουσιν ἀξίως ἡμῶν καὶ ἐπισφαγήσεται αὐτῶι ὅσα εἰκὸς ἀνδρὶ ἀγαθῶι. [7.3.12] καὶ σὺ δ', ἔφη, οὐκ ἔρημος ἔσῃ, ἀλλ' ἐγὼ σε καὶ σωφροσύνης ἔνεκα καὶ πάσης ἀρετῆς καὶ τᾶλλα τιμήσω καὶ συστήσω ὅστις ἀποκομιεῖ σε ὅποι ἂν αὐτῇ ἐθέλῃς· μόνον, ἔφη, δήλωσον πρὸς ἐμὲ πρὸς ὄντινα χρήζεις κομισθῆναι. [7.3.13] καὶ ἡ Πάνθεια εἶπεν· Ἀλλὰ θάρρει, ἔφη, ὦ Κῦρε, σὺ μὴ σε κρύψω πρὸς ὄντινα βούλομαι ἀφικέσθαι. [7.3.14] ὁ μὲν δὴ ταῦτ' εἰπὼν ἀπήιει, κατοικτίρων τὴν τε γυναῖκα οἴου ἀνδρὸς στέροιτο καὶ τὸν ἄνδρα οἶαν γυναῖκα καταλιπὼν οὐκέτ' ὄψοιτο. ἡ δὲ γυνὴ τοὺς μὲν εὐνούχους ἐκέλευσεν ἀποσιῆναι, ἕως ἄν, ἔφη, τόνδ' ἐγὼ ὀδύρωμαι ὥς βούλομαι· τῇ δὲ τροφῶι εἶπε παραμένειν, καὶ ἐπέταξεν αὐτῇ, ἐπειδὴν ἀποθάνῃ, περικαλύψαι αὐτήν τε καὶ τὸν ἄνδρα ἐνὶ ἱματίῳ. ἡ δὲ τροφὸς πολλὰ ἱκετεύουσα μὴ ποιεῖν τοῦτο, ἐπεὶ οὐδὲν ἦνυτε καὶ χαλεπαίνουσιν ἑώρα, ἐκάθητο κλαίουσα. ἡ δὲ ἀκινάκην πάλαι παρεσκευασμένον σπασαμένη σφάττει ἑαυτὴν καὶ ἐπιθεῖσα ἐπὶ τὰ στέρνα τοῦ ἀνδρὸς τὴν ἑαυτῆς κεφαλὴν ἀπέθνησκεν. ἡ δὲ τροφὸς ἀνωλοφύρατό τε καὶ περιεκάλυπτεν ἄμφω ὥσπερ ἡ Πάνθεια ἐπέστειλεν. [7.3.15] ὁ δὲ Κῦρος ὥς ἦσθετο τὸ ἔργον τῆς γυναικὸς, ἐκπλαγεὶς ἵεται, εἴ τι δύναιτο βοηθῆσαι. οἱ δὲ εὐνούχοι ἰδόντες τὸ γεγενημένον, τρεῖς ὄντες σπασάμενοι κάκεῖνοι τοὺς ἀκινάκας ἀποσφάττονται οὐπὲρ ἔταξεν αὐτοὺς ἐστηκότες. [καὶ νῦν τὸ μνημα μέχρι τοῦ νῦν τῶν εὐνούχων κεχῶσθαι λέγεται· καὶ ἐπὶ μὲν τῇ ἄνω στήλῃ τοῦ ἀνδρὸς καὶ τῆς γυναικὸς ἐπιγεγράφθαι φασι τὰ ὀνόματα, Σύρια γράμματα, κάτω δὲ εἶναι τρεῖς λέγουσι στήλας καὶ ἐπιγεγριαφθαι ΣΚΗΠΤΟΥΧΩΝ.] [7.3.16] ὁ δὲ Κῦρος ὥς ἐπλησίασε τῶι πάθει ἀγασθεὶς τε τὴν γυναῖκα καὶ κατολοφυράμενος ἀπήιει· καὶ τούτων μὲν ἦν εἰκὸς ἐπεμελήθη ὥς τύχοιεν πάντων τῶν καλῶν, καὶ τὸ μνημα ὑπερμέγεθες ἐχώσθη, ὥς φασιν.

[7.4.1] Ἐκ δὲ τούτου στασιάζοντες οἱ Κᾶρες καὶ πολεμοῦντες πρὸς ἀλλήλους, ἅτε τὰς οἰκῆσεις ἔχοντες ἐν ἐχυροῖς χωρίοις, ἐκάτεροι ἐπεκαλοῦντο τὸν Κῦρον. ὁ δὲ Κῦρος αὐτὸς μὲν μένων ἐν Σάρδεσι μηχανὰς ἐποιεῖτο καὶ κριούς, ὥς τῶν μὴ πειθομένων ἐρείφων τὰ τείχη, Ἀδούσιον δὲ ἄνδρα Πέρσῃν καὶ τᾶλλα οὐκ ἄφρονα οὐδ' ἀπόλεμον, καὶ πάνυ δὴ εὐχαριν, πέμπει ἐπὶ τὴν Καρίαν, στράτευμα

δούς· καὶ Κίλικες δὲ καὶ Κύπριοι πάνυ προθύμως αὐτῷ συνεστράτευσαν. [7.4.2] ὧν ἔνεκα οὐδ' ἔπεμψε πώποτε Πέρσῃν σατράπην οὔτε Κιλικῶν οὔτε Κυπρίων, ἀλλ' ἤρκουν αὐτῷ αἰεὶ οἱ ἐπιχώριοι βασιλεύοντες· δασμὸν μέντοι ἐλάμβανε καὶ στρατιᾶς ὁπότε δέοιτο ἐπήγγελλεν αὐτοῖς. [7.4.3] ὁ δὲ Ἀδούσιος ἄγων τὸ στράτευμα ἐπὶ τὴν Καρίαν ἦλθε, καὶ ἀπ' ἀμφοτέρων τῶν Καρῶν παρήσαν πρὸς αὐτὸν ἔτοιμοι ὄντες δέχεσθαι εἰς τὰ τεῖχη ἐπὶ κακῷ τῶν ἀντιστασιαζόντων· ὁ δὲ Ἀδούσιος πρὸς ἀμφοτέρους ταῦτα ἐποίει· δικαιότερά τε ἔφη λέγειν τούτους ὅποτέροις διαλέγοιτο, λαθεῖν τε ἔφη δεῖν τοὺς ἐναντίους φίλους σφᾶς γενομένους, ὥς δὴ οὕτως ἂν μᾶλλον ἐπιπεσὼν ἀπαρασκεύοις τοῖς ἐναντίοις. πιστὰ δ' ἡξίου γενέσθαι, καὶ τοὺς μὲν Κᾶρας ὁμόσαι ἀδόλως τε δέξεσθαι εἰς τὰ τεῖχη σφᾶς καὶ ἐπ' ἀγαθῷ τῷ Κύρου καὶ Περσῶν· αὐτὸς δὲ ὁμόσαι θέλιν ἀδόλως εἰσιέναι εἰς τὰ τεῖχη καὶ ἐπ' ἀγαθῷ τῶν δεχομένων. [7.4.4] ταῦτα δὲ ποιήσας ἀμφοτέροις λάθραι ἐκατέρων νύκτα συνέθετο τὴν αὐτὴν, καὶ ἐν ταύτῃ εἰσήλασέ τε εἰς τὰ τεῖχη καὶ παρέλαβε τὰ ἐρύματα ἀμφοτέρων. ἅμα δὲ τῇ ἡμέρᾳ καθεζόμενος εἰς τὸ μέσον σὺν τῇ στρατιᾷ ἐκάλεσεν ἐκατέρων τοὺς ἐπικαιρίους. οἱ δὲ ἰδόντες ἀλλήλους ἠχθέσθησαν, νομίζοντες ἐξηπατῆσθαι ἀμφοτέροι. [7.4.5] ὁ μὲντοι Ἀδούσιος ἔλεξε τοιάδε· Ἐγὼ ὑμῖν, ὧ ἄνδρες, ὥμοσα ἀδόλως εἰσιέναι εἰς τὰ τεῖχη καὶ ἐπ' ἀγαθῷ τῶν δεχομένων. εἰ μὲν οὖν ἀπολωὼ ὅποτέρους ὑμῶν νομίζω ἐπὶ κακῷ εἰσεληλυθέναι Καρῶν· ἦν δὲ εἰρήνην ὑμῖν ποιήσω καὶ ἀσφάλειαν ἐργάζεσθαι ἀμφοτέροις τὴν γῆν, νομίζω ὑμῖν ἐπ' ἀγαθῷ παρεῖναι. νῦν οὖν χρή ἀπὸ τῆσδε τῆς ἡμέρας ἐπιμίγνυσθαι τε ἀλλήλοις φιλικῶς, ἐργάζεσθαι τε τὴν γῆν ἀδεῶς, διδόναι τε τέκνα καὶ λαμβάνειν παρ' ἀλλήλων. ἦν δὲ παρὰ ταῦτα ἀδικεῖν τις ἐπιχειρήι, τούτοις Κύριος τε καὶ ἡμεῖς πολέμοι ἐσόμεθα. [7.4.6] ἐκ τούτου πύλαι μὲν ἀνεωιγμέναι ἦσαν τῶν τειχῶν, μεστὰι δὲ αἱ ὁδοὶ πορευομένων παρ' ἀλλήλους, μεστοὶ δὲ οἱ χῶροι ἐργαζομένων· ἐορτὰς δὲ κοινῇ ἦγον, εἰρήνης δὲ καὶ εὐφροσύνης πάντα πλέα ἦν. [7.4.7] ἐν δὲ τούτῳ ἦκον παρὰ Κύρου ἐρωτῶντες εἴ τι στρατιᾶς προσδέοιτο ἢ μηχανημάτων· ὁ δὲ Ἀδούσιος ἀπεκρίνατο ὅτι καὶ τῇ παρούσῃ ἐξείη ἄλλοσε χρῆσθαι στρατιᾷ· καὶ ἅμα ταῦτα λέγων ἀπῆγε τὸ στράτευμα, φρουροὺς ἐν ταῖς ἄκραις καταλιπών. οἱ δὲ Κᾶρες ἰκέτεον μένειν αὐτὸν· ἐπεὶ δὲ οὐκ ἠθελε, προσέπεμψαν πρὸς Κύρον δεόμενοι πέμψαι Ἀδούσιον σφίσι σατράπην.

[7.4.8] Ὁ δὲ Κῦρος ἐν τούτῳ ἀπεστάλκει Ὑστάσπαν στρατεύμα ἄγοντα ἐπὶ Φρυγίαν τὴν περὶ Ἑλλήσποντον. ἐπεὶ δ' ἦκεν ὁ Ἀδούσιος, μετάγειν αὐτὸν ἐκέλευσεν ἥπερ ὁ Ὑστάσπας προώιχετο, ὅπως μᾶλλον πείθοιντο τῷ Ὑστάσπαι, ἀκούσαντες ἄλλο στρατεύμα προσιών. [7.4.9] οἱ μὲν οὖν Ἕλληνες οἱ ἐπὶ θαλάττῃ οἰκοῦντες πολλὰ δῶρα δόντες διεπράξαντο ὥστε εἰς μὲν τὰ τεῖχη βαρβάρους μὴ δέχεσθαι, δασμὸν δὲ ἀποφέρειν καὶ στρατεύειν ὅποι Κῦρος ἐπαγγέλλοι. [7.4.10] ὁ δὲ τῶν Φρυγῶν βασιλεὺς παρεσκευάζετο μὲν ὡς καθέξων τὰ ἐρυμνὰ καὶ οὐ πεισόμενος καὶ παρήγγελεν οὕτως· ἐπεὶ δὲ ἀφίσταντο αὐτοῦ οἱ ὕπαρχοι καὶ ἔρημος ἐγίνετο, τελευτῶν εἰς χεῖρας ἦλθεν Ὑστάσπαι ἐπὶ τῇ Κύρου δίκῃ. καὶ ὁ Ὑστάσπας καταλιπὼν ἐν ταῖς ἄκραις ἰσχυρὰς Περῶν φρουρὰς ἀπῆι ἀγων σὺν τοῖς ἑαυτοῦ καὶ Φρυγῶν πολλοὺς ἵππεις καὶ πελταστάς. [7.4.11] ὁ δὲ Κῦρος ἐπέστελλεν Ἀδουσίῳ συμμείξαντα πρὸς Ὑστάσπαν τοὺς μὲν ἐλομένους Φρυγῶν τὰ σφέτερα σὺν τοῖς ὅπλοις ἄγειν, τοὺς δὲ ἐπιθυμήσαντας πολεμεῖν τούτων ἀφελομένους τοὺς ἵππους καὶ τὰ ὅπλα σφενδόνας ἔχοντας πάντας κελεύειν ἔπεσθαι.

[7.4.12] Οὗτοι μὲν δὴ ταῦτ' ἐποίουσαν. Κῦρος δὲ ὠρμάτο ἐκ Σάρδεων, φρουρὰν μὲν πεζὴν καταλιπὼν πολλὴν ἐν Σάρδεσι, Κροῖσον δὲ ἔχων, ἄγων δὲ πολλὰς ἀμάξας πολλῶν καὶ παντοδαπῶν χρημάτων. ἦκε δὲ καὶ ὁ Κροῖσος γεγραμμένα ἔχων ἀκριβῶς ὅσα ἐν ἐκάστῃ ἦν τῇ ἀμάξῃ· καὶ διδοὺς τῷ Κύρῳ τὰ γράμματα εἶπε· Ταῦτ', ἔφη, ἔχων, ὦ Κῦρε, εἴσῃ τὸν τέ σοι ὀρθῶς ἀποδιδόντα ἃ ἄγει καὶ τὸν μῆ. [7.4.13] καὶ ὁ Κῦρος ἔλεξεν· Ἀλλὰ σὺ μὲν καλῶς ποιεῖς, ὦ Κροῖσε, προνοῶν· ἔμοιγε μέντοι ἄξουσιν τὰ χρήματα οἷπερ καὶ ἔχειν αὐτὰ ἄξιοί εἰσιν· ὥστε ἦν τι καὶ κλέψωσι, τῶν ἑαυτῶν κλέψονται. καὶ ἅμα ταῦτα λέγων ἔδωκε τὰ γράμματα τοῖς φίλοις καὶ τοῖς ἄρχουσιν, ὅπως εἰδεῖεν τῶν ἐπιτρόπων οἳ τε σῶα αὐτοῖς ἀποδιδόειν οἳ τε μῆ. [7.4.14] ἦγε δὲ καὶ Λυδῶν οὓς μὲν ἑώρα καλλωπιζομένους καὶ ὅπλοις καὶ ἵπποις καὶ ἄρμασι καὶ πάντα πειρωμένους ποιεῖν ὃ τι ὦντο αὐτῷ χαριεῖσθαι, τούτους μὲν σὺν τοῖς ὅπλοις· οὓς δὲ ἑώρα ἀχαρίτως ἐπομένους, τοὺς μὲν ἵππους αὐτῶν παρέδωκε Πέρσαις τοῖς πρώτοις συστρατευομένοις, τὰ δὲ ὅπλα κατέκαυσε· σφενδόνας δὲ καὶ τούτους ἠνάγκασεν ἔχοντας ἔπεσθαι. [7.4.15] καὶ πάντας δὲ τοὺς ἀόπλους τῶν ὑποχειρίων γενομένων σφενδονᾶν ἠνάγκαζε μελετᾶν, νομίζων τοῦτο τὸ ὅπλον δουλικώτατον εἶναι· σὺν μὲν γὰρ ἄλλῃ δυνάμει μάλα ἔστιν ἐνθα ἰσχυρῶς ὠφελοῦσι σφενδονῆται παρόντες, αὐτοὶ δὲ καθ'

αὐτοὺς οὐδ' ἂν οἱ πάντες σφενδονῇται μείνειαν πάνυ ὀλίγους ὁμόσε
ιόντας σὺν ὅπλοις ἀγχεμάχοις.

[7.4.16] Προϊὼν δὲ τὴν ἐπὶ Βαβυλῶνος κατεστρέψατο μὲν Φρύγας
τοὺς ἐν τῇ μεγάλῃ Φρυγίᾳ, κατεστρέψατο δὲ Καππαδόκας,
ὑποχειρίους δ' ἐποιήσατο Ἀραβίους. ἐξώπλισε δὲ ἀπὸ πάντων
τούτων Περσῶν μὲν ἱππέας οὐ μείον τετρακισμυρίους, πολλοὺς δὲ
ἵππους τῶν αἰχμαλώτων καὶ πᾶσι τοῖς συμμάχοις διέδωκε· καὶ πρὸς
Βαβυλῶνα ἀφίκετο παμπόλλους μὲν ἱππέας ἔχων, παμπόλλους δὲ
τοξότας καὶ ἀκοντιστάς, σφενδονήτας δὲ ἀναριθμήτους.

[7.5.1] Ἐπεὶ δὲ πρὸς Βαβυλῶνι ἦν ὁ Κῦρος, περιέστησε μὲν πᾶν τὸ
στράτευμα περὶ τὴν πόλιν, ἔπειτα αὐτὸς περιήλανε τὴν πόλιν σὺν
τοῖς φίλοις τε καὶ ἐπικαιρίοις τῶν συμμάχων. [7.5.2] ἐπεὶ δὲ
κατεθεάσατο τὰ τεῖχη, ἀπάγειν παρεσκευάσατο τὴν στρατιὰν ἀπὸ τῆς
πόλεως· ἐξελθὼν δὲ τις αὐτόμολος εἶπεν ὅτι ἐπιτίθεσθαι μέλλοιεν
αὐτῷ, ὁπότε ἀπάγοι τὸ στράτευμα· καταθεωμένοις γάρ, ἔφη, αὐτοῖς
ἀπὸ τοῦ τείχους ἀσθενῆς ἐδόκει εἶναι ἡ φάλαγξ· καὶ οὐδὲν
θαυμαστὸν ἦν οὕτως ἔχειν· περὶ γὰρ πολὺ τεῖχος κυκλομένους
ἀνάγκη ἦν ἐπ' ὀλίγων τὸ βάθος γενέσθαι τὴν φάλαγγα. [7.5.3] ἀκούσας
οὖν ὁ Κῦρος ταῦτα, στάς κατὰ μέσον τῆς αὐτοῦ στρατιᾶς σὺν τοῖς
περὶ αὐτὸν παρήγγειλεν ἀπὸ τοῦ ἄκρου ἐκατέρωθεν τοὺς ὀπλίτας
ἀναπτύσσοντας τὴν φάλαγγα ἀπιέναι παρὰ τὸ ἐστηκὸς τοῦ
στρατεύματος, ἕως γένοιτο ἐκατέρωθεν τὸ ἄκρον κατ' αὐτὸν καὶ
κατὰ τὸ μέσον. [7.5.4] οὕτως οὖν ποιοούντων οἱ τε μένοντες εὐθὺς
θαρραλεώτεροι ἐγίνοντο ἐπὶ διπλασίων τὸ βάθος γιγνόμενοι, οἱ τ'
ἀπιόντες ὡσαύτως θαρραλεώτεροι· εὐθὺς γὰρ οἱ μένοντες <ἀντ'>
αὐτῶν πρὸς τοὺς πολεμίους ἐγίνοντο. ἐπεὶ δὲ πορευόμενοι
ἐκατέρωθεν συνῆψαν τὰ ἄκρα, ἔστησαν ἰσχυρότεροι γεγεννημένοι, οἱ
τε ἀπεληλυθότες διὰ τοὺς ἔμπροσθεν, οἱ τ', ἔμπροσθεν διὰ τοὺς
ὀπισθεν προσγεγεννημένους. [7.5.5] ἀναπτυχθείσης δ' οὕτω τῆς
φάλαγγος ἀνάγκη τοὺς πρῶτους ἀριστοὺς εἶναι καὶ τοὺς
τελευταίους, ἐν μέσῳ δὲ τοὺς κακίστους τετάχθαι· ἢ δ' οὕτως
ἔχουσα τάξις καὶ πρὸς τὸ μάχεσθαι ἐδόκει εὖ παρεσκευάσθαι καὶ
πρὸς τὸ μὴ φεύγειν. καὶ οἱ ἱππεῖς δὲ καὶ οἱ γυμνήτες οἱ ἀπὸ τῶν
κεράτων αἰεὶ ἐγγύτερον ἐγίνοντο τοῦ ἄρχοντος τοσοῦτοι ὅσῳ ἢ
φάλαγξ βραχυτέρα ἐγίγνετο ἀναδιπλουμένη. [7.5.6] ἐπεὶ δὲ οὕτω
συνεσπειράθησαν, ἀπῆισαν, ἕως μὲν ἐξικνεῖτο τὰ βέλη ἀπὸ τοῦ
τείχους, ἐπὶ πόδα· ἐπεὶ δὲ ἔξω βελῶν ἐγένοντο, στραφέντες, καὶ τὸ

μὲν πρῶτον ὀλίγα βήματα προϊόντες μετεβάλλοντο ἐπ' ἀσπίδα καὶ ἴσταντο πρὸς τὸ τεῖχος βλέποντες· ὅσῳ δὲ προσωτέρῳ ἐγίγνοντο, τόσῳ δὲ μανότερον μετεβάλλοντο. ἐπεὶ δ' ἐν τῷ ἀσφαλεῖ ἐδόκουν εἶναι, ξυνεῖρον ἀπίοντες, ἔστ' ἐπὶ ταῖς σκηναῖς ἐγένοντο.

[7.5.7] Ἐπεὶ δὲ κατεστρατοπεδεύσαντο, συνεκάλεσεν ὁ Κῦρος τοὺς ἐπικαιρίους καὶ ἔλεξεν· Ἄνδρες σύμμαχοι, τεθεάμεθα μὲν κύκλῳ τὴν πόλιν· ἐγὼ δὲ ὅπως μὲν ἂν τις τεῖχιν οὕτως ἰσχυρὰ καὶ ὑψηλὰ προσμαχόμενος ἔλοι οὐκ ἐνορᾶν μοι δοκῶ· ὅσῳ δὲ πλέονες ἄνθρωποι ἐν τῇ πόλει εἰσίν, ἐπεὶ οὐ μάχονται ἐξιόντες, τοσοῦτοι ἂν θάπτον λιμῷ αὐτοὺς ἡγοῦμαι ἀλῶναι. εἰ μὴ τιν' οὖν ἄλλον τρόπον ἔχετε λέγειν, τούτῳ πολιορκητέους φημί εἶναι τοὺς ἄνδρας. [7.5.8] καὶ ὁ Χρυσάντας εἶπεν· Ὁ δὲ ποταμός, ἔφη, οὗτος οὐ διὰ μέσης τῆς πόλεως ρεῖ πλάτος ἔχων πλέον ἢ ἐπὶ δύο στάδια; Ναὶ μὰ Δί', ἔφη ὁ Γωβρύας, καὶ βάθος γ' ὥς οὐδ' ἂν δύο ἄνδρες ὁ ἕτερος ἐπὶ τοῦ ἑτέρου ἐστηκὼς τοῦ ὕδατος ὑπερέχοιεν· ὥστε τῷ ποταμῷ ἔτι ἰσχυροτέρα ἐστὶν ἢ πόλις ἢ τοῖς τεῖχεσι. [7.5.9] καὶ ὁ Κῦρος, Ταῦτα μὲν, ἔφη, ὦ Χρυσάντα, ἐῷμεν ὅσα κρείττω ἐστὶ τῆς ἡμετέρας δυνάμεως· διαμετρησαμένους δὲ χρή ὥς τάχιστα τὸ μέρος ἐκάστους ἡμῶν ὀρύττειν τάφρον ὥς πλατυτάτην καὶ βαθυτάτην, ὅπως ὅτι ἐλαχίστων ἡμῖν τῶν φυλάκων δέη. [7.5.10] οὕτω δὴ κύκλῳ διαμετρήσας περὶ τὸ τεῖχος, ἀπολιπὼν ὅσον τύρσεσι μεγάλαις ἀπὸ τοῦ ποταμοῦ, ὥρυττεν ἔνθεν καὶ ἔνθεν τοῦ τεύχους τάφρον ὑπερμεγέθη, καὶ τὴν γῆν ἀνέβαλλον πρὸς ἑαυτούς. [7.5.11] καὶ πρῶτον μὲν πύργους ἐπὶ τῷ ποταμῷ ὠικοδόμει, φοίνιξι θεμελιώσας οὐ μείον ἢ πλεθριαίοις [εἰσὶ γὰρ καὶ μείζονες ἢ τοσοῦτοι τὸ μήκος πεφυκότες]· καὶ γὰρ δὴ πιεζόμενοι οἱ φοίνικες ὑπὸ βάρους ἄνω κυρτοῦνται, ὥσπερ οἱ ὄνοι οἱ κανθήλιοι. [7.5.12] τούτους δ' ὑπετίθει τούτου ἔνωκα [ὅπως ὅτι μάλιστα εἰκοὶ πολιορκήσιν παρασκευαζομένῳ], ὥς εἰ καὶ διαφύγοι ὁ ποταμὸς εἰς τὴν τάφρον, μὴ ἀνέλοι τοὺς πύργους. ἀνίστη δὲ καὶ ἄλλους πολλοὺς πύργους ἐπὶ τῆς ἀμβολάδος γῆς, ὅπως ὅτι πλεῖστα φυλακτήρια εἴη. [7.5.13] οἱ μὲν δὴ ταῦτ' ἐποίουν· οἱ δ' ἐν τῷ τεύχει κατεγέλων τῆς πολιορκίας, ὥς ἔχοντες τὰ ἐπιτήδεια πλέον ἢ εἴκοσιν ἐτῶν. ἀκούσας δὲ ταῦτα ὁ Κῦρος τὸ στράτευμα κατένειμε δώδεκα μέρη, ὥς μῆνα τοῦ ἐνιαυτοῦ ἕκαστον τὸ μέρος φυλάζον. [7.5.14] οἱ δὲ αὖ Βαβυλώνιοι ἀκούσαντες ταῦτα πολὺ ἔτι μᾶλλον κατεγέλων, ἐννοοῦμενοι εἰ σφᾶς Φρύγες καὶ Λυδοὶ καὶ Ἀράβιοι καὶ Καππαδόκαι φυλάζοιεν, οὓς σφίσιν ἐνόμιζον

πάντας εὐμενεστέρους εἶναι ἢ Πέρσαις.

[7.5.15] Καὶ αἱ μὲν τάφροι ἤδη ὀρωρυγμέναι ἦσαν. ὁ δὲ Κῦρος ἐπειδὴ ἐορτὴν τοιαύτην ἐν τῇ Βαβυλῶνι ἤκουσεν εἶναι, ἐν ἣι πάντες Βαβυλώνιοι ὅλην τὴν νύκτα πίνουσι καὶ κωμάζουσιν, ἐν ταύτῃ, ἐπειδὴ τάχιστα συνεσκότασε, λαβὼν πολλοὺς ἀνθρώπους ἀνεστόμωσε τὰς τάφρους πρὸς τὸν ποταμόν. [7.5.16] ὥς δὲ τοῦτο ἐγένετο, τὸ ὕδωρ κατὰ τὰς τάφρους ἐχώρει ἐν τῇ νυκτί, ἡ δὲ διὰ τῆς πόλεως τοῦ ποταμοῦ ὁδὸς πορεύσιμος ἀνθρώποις ἐγίγνετο. [7.5.17] ὥς δὲ τὸ τοῦ ποταμοῦ οὕτως ἐπορσύνετο, παρηγγύησεν ὁ Κῦρος Πέρσαις χιλιάρχους καὶ πεζῶν καὶ ἱππέων εἰς δύο ἄγοντας τὴν χιλιοστὴν παρεῖναι πρὸς αὐτόν, τοὺς δ' ἄλλους συμμάχους κατ' οὐρὰν τούτων ἔπεσθαι ἥπερ πρόσθεν τεταγμένους. [7.5.18] οἱ μὲν δὴ παρήσαν· ὁ δὲ καταβιβάσας εἰς τὸ ξηρὸν τοῦ ποταμοῦ τοὺς ὑπηρέτας καὶ πεζοὺς καὶ ἱππείας, ἐκέλευσε σκέψασθαι εἰ πορεύσιμον εἴη τὸ ἔδαφος τοῦ ποταμοῦ. [7.5.19] ἐπεὶ δὲ ἀπήγγειλαν ὅτι πορεύσιμον εἴη, ἐνταῦθα δὴ συγκαλέσας τοὺς ἡγεμόνας τῶν πεζῶν καὶ ἱππέων ἔλεξε τοιάδε.

[7.5.20] Ἄνδρες, ἔφη, φίλοι, ὁ μὲν ποταμὸς ἡμῖν παρακεχώρηκε τῆς εἰς τὴν πόλιν ὁδοῦ. ἡμεῖς δὲ θαρροῦντες εἰσίσωμεν [μηδὲν φοβούμενοι εἶσω], ἐννοοῦμενοι ὅτι οὗτοι ἐφ' οὓς νῦν πορευσόμεθα ἐκεῖνοί εἰσιν οὓς ἡμεῖς καὶ συμμάχους πρὸς ἑαυτοῖς ἔχοντας καὶ ἐγρηγορότας ἅπαντας καὶ νήφοντας καὶ ἐξωπλισμένους καὶ συντεταγμένους ἐνικῶμεν· [7.5.21] νῦν δ' ἐπ' αὐτοὺς ἵμεν ἐν ᾧ πολλοὶ μὲν αὐτῶν καθεύδουσι, πολλοὶ δ' [αὐτῶν] μεθούουσι, πάντες δ' ἀσύντακτοί εἰσιν· ὅταν δὲ αἰσθωνται ἡμᾶς ἔνδον ὄντας, πολὺ ἔτι μᾶλλον ἢ νῦν ἀχρεῖοι ἔσονται ὑπὸ τοῦ ἐκπεπληχθαι. [7.5.22] εἰ δέ τις τοῦτο ἐννοεῖται, ὃ δὴ λέγεται φοβερὸν εἶναι τοῖς εἰς πόλιν εἰσιούσι, μὴ ἐπὶ τὰ τέγη ἀναβάντες βάλλωσιν ἔνθεν καὶ ἔνθεν, τοῦτο μάλιστα θαρρεῖτε· ἦν γὰρ ἀναβῶσί τινες ἐπὶ τὰς οἰκίας, ἔχομεν σύμμαχον θεὸν Ἥφαιστον. εὐφλεκτα δὲ τὰ πρόθυρα αὐτῶν, φοινικὸς μὲν αἱ θύραι πεποιημέναι, ἀσφάλτῳ δὲ ὑπεκκαύματι κεχριμέναι. [7.5.23] ἡμεῖς δ' αὖ πολλὴν μὲν δαῖδα ἔχομεν, ἡ ταχὺ πολὺ πῦρ τέξεται, πολλὴν δὲ πίτταν καὶ στυππεῖον, ἃ ταχὺ παρακαλεῖ πολλὴν φλόγα· ὥστε ἀνάγκην εἶναι ἢ φεύγειν ταχὺ τοὺς ἀπὸ τῶν οἰκιῶν ἢ ταχὺ κατακεκαῦσθαι. [7.5.24] ἀλλ' ἄγετε λαμβάνετε τὰ ὅπλα· ἡγήσομαι δ' ἐγὼ σὺν τοῖς θεοῖς. ὑμεῖς δ', ἔφη, ὦ Γαδάτα καὶ Γωβρύα, δείκνυτε τὰς ὁδοὺς· ἴστε γάρ· ὅταν δ' ἐντὸς γενώμεθα, τὴν ταχίστην ἄγετε ἐπὶ

τὰ βασίλεια. [7.5.25] Καὶ μὴν. ἔφασαν οἱ ἄμφι τὸν Γωβρύαν, οὐδὲν ἂν εἶη θαυμαστὸν εἰ καὶ ἄκλειστοι αἱ πύλαι αἱ τοῦ βασιλείου εἶεν· κωμάζει γὰρ ἡ πόλις πᾶσα τῇδε τῇ νυκτί. φυλακῇ μέντοι πρὸ τῶν πυλῶν ἐντευξόμεθα· ἔστι γὰρ αἰεὶ τεταγμένη. Οὐκ ἂν μέλλειν δέοι, ἔφη ὁ Κῦρος, ἀλλ' ἰέναι, ἵνα ἀπαρασκεύους ὡς μάλιστα λάβωμεν τοὺς ἄνδρας.

[7.5.26] Ἐπεὶ δὲ ταῦτα ἐρρήθη, ἐπορεύοντο· τῶν δὲ ἀπαντῶντων οἱ μὲν ἀπέθνησκον παιόμενοι, οἱ δ' ἔφευγον πάλιν εἴσω, οἱ δ' ἐβόων· οἱ δ' ἄμφι τὸν Γωβρύαν συνεβόων αὐτοῖς, ὡς κωμασταὶ ὄντες καὶ αὐτοί· καὶ ἰόντες ἢ ἐδύναντο [ὡς] τάχιστα ἐπὶ τοῖς βασιλείοις ἐγένοντο. [7.5.27] καὶ οἱ μὲν σὺν τῷ Γωβρύᾳ καὶ Γαδάται τεταγμένοι κεκλειμένας εὐρίσκουσι τὰς πύλας τοῦ βασιλείου· οἱ δὲ ἐπὶ τοὺς φύλακας ταχθέντες ἐπεισπίπτουσι αὐτοῖς πίνουσι πρὸς φῶς πολὺ, καὶ εὐθὺς ὡς πολεμίοις ἐχρῶντο αὐτοῖς. [7.5.28] ὡς δὲ κραυγὴ καὶ κτύπος ἐγίγνετο, αἰσθόμενοι οἱ ἔνδον τοῦ θορύβου, κελεύσαντος τοῦ βασιλέως σκέψασθαι τί εἶη τὸ πρᾶγμα, ἐκθέουσί τινες ἀνοίξαντες τὰς πύλας. [7.5.29] οἱ δ' ἄμφι τὸν Γαδάταν ὡς εἶδον τὰς πύλας χαλώσας εἰσπίπτουσι καὶ τοῖς πάλιν φεύγουσιν εἴσω ἐφεπόμενοι καὶ παίοντες ἀφικνοῦνται πρὸς τὸν βασιλέα· καὶ ἤδη ἐστηκότα αὐτὸν καὶ ἐσπασμένον ὃν εἶχεν ἀκινάκην εὐρίσκουσι. [7.5.30] καὶ τοῦτον μὲν οἱ σὺν Γαδάται καὶ Γωβρύᾳ ἐχειροῦντο· καὶ οἱ σὺν αὐτῷ δὲ ἀπέθνησκον, ὁ μὲν προβαλλόμενός τι, ὁ δὲ φεύγων, ὁ δὲ γε καὶ ἀμυνόμενος ὅτῳ ἐδύνατο. [7.5.31] ὁ δὲ Κῦρος διέπεμπε τὰς τῶν ἱππέων τάξεις κατὰ τὰς ὁδοὺς καὶ προεῖπεν οὓς μὲν ἔξω λαμβάνοιεν κατακαίνειν, τοὺς δ' ἐν ταῖς οἰκίαις κηρύττειν τοὺς συριστὶ ἐπισταμένους ἔνδον μένειν· εἰ δέ τις ἔξω ληφθεῖη, ὅτι θανατώσοιτο.

[7.5.32] Ὅτι μὲν δὴ ταῦτ' ἐποιοῦν. Γαδάτας δὲ καὶ Γωβρύας ἦκον· καὶ θεοὺς μὲν πρῶτον προσεκύνουν, ὅτι τετιμωρημένοι ἦσαν τὸν ἀνόσιον βασιλέα, ἔπειτα δὲ Κύρου κατεφίλουν καὶ χεῖρας καὶ πόδας, πολλὰ δακρύοντες ἅμα χαρᾷ [καὶ εὐφραινόμενοι]. [7.5.33] ἐπεὶ δὲ ἡμέρα ἐγένετο καὶ ἦισθοντο οἱ τὰς ἄκρας ἔχοντες ἐάλωκυῖαν τε τὴν πόλιν καὶ τὸν βασιλέα τεθνηκότα, παραδιδόασιν καὶ τὰς ἄκρας. [7.5.34] ὁ δὲ Κῦρος τὰς μὲν ἄκρας εὐθὺς παρελάμβανε καὶ φρουράρχους τε καὶ φρουροὺς εἰς ταύτας ἀνέπεμπε, τοὺς δὲ τεθνηκότας θάπτειν ἐφῆκε τοῖς προσήκουσι· τοὺς δὲ κήρυκας κηρύττειν ἐκέλευεν ἀποφέρειν πάντα τὰ ὄπλα Βαβυλωνίους· ὅπου δὲ ληφθήσοιτο ὄπλα ἐν οἰκίαι, προηγόρευεν ὡς πάντες οἱ ἔνδον ἀποθανοῖντο. οἱ μὲν δὴ

ἀπέφερον, ὁ δὲ Κῦρος ταῦτα μὲν εἰς τὰς ἄκρας κατέθετο, ὡς εἶη ἔτοιμα, εἴ τί ποτε δέοι χρῆσθαι. [7.5.35] ἐπεὶ δὲ ταῦτ' ἐπέπρακτο, πρῶτον μὲν τοὺς μάγους καλέσας, ὡς δοριαλώτου τῆς πόλεως οὔσης ἀκροθίνια τοῖς θεοῖς καὶ τεμένη ἐκέλευσεν ἐξελεῖν· ἐκ τούτου δὲ καὶ οἰκίας διεδίδου καὶ ἀρχεῖα τούτοις οὕπερ κοινῶνας ἐνόμιζε τῶν καταπεπραγμένων· οὕτω δὲ διένειμεν, ὥσπερ ἐδέδοκτο, τὰ κράτιστα τοῖς ἀρίστοις. εἰ δὲ τις οἶοιτο μείον ἔχειν, διδάσκειν προσιόντας ἐκέλευε. [7.5.36] προεῖπε δὲ Βαβυλωνίοις μὲν τὴν γῆν ἐργάζεσθαι καὶ τοὺς δασμοὺς ἀποφέρειν καὶ θεραπεύειν τούτους οἷς ἕκαστοι αὐτῶν ἐδόθησαν· Πέρσας δὲ τοὺς κοινῶνας καὶ τῶν συμμάχων ὅσοι μένειν ἡγοῦντο παρ' αὐτῶι ὡς δεσπότης ὢν ἔλαβον προηγόρευε διαλέγεσθαι.

[7.5.37] Ἐκ δὲ τούτου ἐπιθυμῶν ὁ Κῦρος ἤδη κατασκευάσασθαι καὶ αὐτὸς ὡς βασιλεῖ ἡγεῖτο πρέπειν, ἔδοξεν αὐτῶι τοῦτο σὺν τῇ τῶν φίλων γνώμῃ ποιῆσαι, ὡς ὅτι ἥκιστα ἂν ἐπιφθόνως σπάνιός τε καὶ σεμνὸς φανείη. ὧδε οὖν ἐμηχανᾶτο τοῦτο. ἅμα τῇ ἡμέρῃ στὰς ὅπου ἐδόκει ἐπιτήδειον εἶναι προσεδέχετο τὸν βουλούμενον λέγειν τι καὶ ἀποκρινάμενος ἀπέπεμπεν. [7.5.38] οἱ δ' ἄνθρωποι ὡς ἔγνωσαν ὅτι προσδέχοιτο, ἦκον ἀμήχανοι τὸ πλῆθος· καὶ ὠθουμένων περὶ τοῦ προσελθεῖν μηχανή τε πολλή καὶ μάχη ἦν. [7.5.39] οἱ δὲ ὑπηρεταὶ ὡς ἐδύναντο διακρίναντες προσέειπον. ὁπότε δὲ τις καὶ τῶν φίλων διωσάμενος τὸν ὄχλον προφανείη, προτείνων ὁ Κῦρος τὴν χεῖρα προσήγετο αὐτοὺς καὶ οὕτως ἔλεγεν· Ἄνδρες φίλοι, περιμένετε, ἕως <ἂν> τὸν ὄχλον διωσώμεθα· ἔπειτα δὲ καθ' ἡσυχίαν συγγενησώμεθα. οἱ μὲν δὴ φίλοι περιέμενον, ὁ δ' ὄχλος πλείων καὶ πλείων ἐπέρρει, ὥστ' ἔφθασεν ἐσπέρα γενομένη πρὶν τοῖς φίλοις αὐτὸν σχολάσαι καὶ συγγενέσθαι. [7.5.40] οὕτω δὴ ὁ Κῦρος λέγει· Ὡρα, ἔφη, ὦ ἄνδρες, νῦν μὲν [καιρὸς] διαλυθῆναι· αὔριον δὲ πρῶι ἔλθετε· καὶ γὰρ ἐγὼ βούλομαι ὑμῖν τι διαλεχθῆναι. ἀκούσαντες ταῦτα οἱ φίλοι ἄσμενοι ὠιχοντο ἀποθέοντες, δίκην δεδωκότες ὑπὸ πάντων τῶν ἀναγκαίων. καὶ τότε μὲν οὕτως ἐκοιμήθησαν.

[7.5.41] Τῇ δ' ὑστεραίᾳ ὁ μὲν Κῦρος παρῆν εἰς τὸ αὐτὸ χωρίον, ἀνθρώπων δὲ πολὺ πλεον πλῆθος περιειστήκει βουλομένων προσιέναι, καὶ πολὺ πρότερον ἢ οἱ φίλοι παρῆσαν. ὁ οὖν Κῦρος περιστησάμενος τῶν ξυστοφόρων Περῶν κύκλον μέγαν εἶπε μηδένα παρίεναι ἢ τοὺς φίλους τε καὶ ἄρχοντας τῶν Περσῶν τε καὶ τῶν συμμάχων. [7.5.42] ἐπεὶ δὲ συνῆλθον οὗτοι, ἔλεξεν ὁ Κῦρος αὐτοῖς

τοιάδε· Ἄνδρες φίλοι καὶ σύμμαχοι, τοῖς μὲν θεοῖς οὐδὲν ἂν ἔχοιμεν μέμνησθαι τὸ μὴ οὐχὶ μέχρι τοῦδε πάντα ὅσα ηἰχόμεθα καταπεπραχέναι· εἰ μέντοι τοιοῦτον ἔσται τὸ μέγала πράττειν ὥστε μὴ οἷόν τ' εἶναι μήτε ἄμφ' αὐτὸν σχολὴν ἔχειν μήτε μετὰ τῶν φίλων εὐφρανθῆναι, ἐγὼ μὲν χαίρειν ταύτην τὴν εὐδαιμονίαν κελεύω. [7.5.43] ἐνενοήσατε γάρ, ἔφη, καὶ χθὲς δήπου ὅτι ἔωθεν ἀρξάμενοι ἀκούειν τῶν προσιόντων οὐκ ἐλήξαμεν πρόσθεν ἐσπέρας· καὶ νῦν ὁράτε τούτους ἄλλους πλείονας τῶν χθὲς παρόντας ὡς πράγματα ἡμῖν παρέξοντας. [7.5.44] εἰ οὖν τις τούτοις ὑφάρξει ἑαυτόν, λογίζομαι μικρὸν μὲν τι ὑμῖν μέρος ἐμοῦ μετεσόμενον, μικρὸν δέ τι ἐμοὶ ὑμῶν· ἐμαυτοῦ μέντοι σαφῶς οἶδ' ὅτι οὐδ' ὅτιοῦν μοι μετέσται. [7.5.45] ἔτι δ', ἔφη, καὶ ἄλλο ὁρῶ γελοῖον πρᾶγμα· ἐγὼ γὰρ δήπου ὑμῖν μὲν ὥσπερ εἰκὸς διάκειμαι· τούτων δὲ τῶν περιεστηκότων ἢ τινα ἢ οὐδένα οἶδα, καὶ οὗτοι πάντες οὕτω παρεσκευασμένοι εἰσὶν ὡς, ἣν νικῶσιν ὑμᾶς ὠθοῦντες, πρότεροι ἂ βούλονται ὑμῶν παρ' ἐμοῦ διαπραξόμενοι. ἐγὼ δὲ ἡξίουν τοὺς τοιούτους, εἴ τις τι ἐμοῦ δέοιτο, θεραπεύειν ὑμᾶς τοὺς ἐμοὺς φίλους δεομένους προσαγωγῆς. [7.5.46] ἴσως ἂν οὖν εἴποι τις, τί δήτα οὐχ οὕτως ἐξ ἀρχῆς παρεσκευασάμην, ἀλλὰ παρεῖχον ἐν τῷ μέσῳ ἐμαυτόν. ὅτι τὰ τοῦ πολέμου τοιαῦτα ἐγίνωσκον ὄντα ὡς μὴ ὑστερίζειν δέον τὸν ἄρχοντα μήτε τῷ εἰδέναι ἂν δεῖ μήτε τῷ πράττειν ἂν αἰετὸς ἦ· τοὺς δὲ σπανίους ἰδεῖν στρατηγούς πολλὰ ἐνόμιζον ὧν δεῖ πραχθῆναι παρίεναι. [7.5.47] νῦν δ' ἐπειδὴ καὶ ὁ φιλοπονώτατος πόλεμος ἀναπέπαυται, δοκεῖ μοι καὶ ἡ ἐμὴ ψυχὴ ἀναπαύσεώς τινος ἀξιοῦν τυγχάνειν. ὡς οὖν ἐμοῦ ἀποροῦντος ὅ τι ἂν τύχοιμι ποιῶν ὥστε καλῶς ἔχειν τά τε ἡμέτερα καὶ τὰ τῶν ἄλλων ὧν ἡμᾶς δεῖ ἐπιμελεῖσθαι, συμβουλευέτω ὅ τι τις ὁρᾷ συμφορώτατον.

[7.5.48] Κῦρος μὲν οὕτως εἶπεν· ἀνίσταται δ' ἐπ' αὐτῷ Ἀρτάβαζος ὁ συγγενὴς ποτε φήσας εἶναι καὶ εἶπεν· Ἥ καλῶς, ἔφη, ἐποίησας, ὦ Κῦρε, ἄρξας τοῦ λόγου. ἐγὼ γὰρ ἔτι νέου μὲν ὄντος σοῦ πάνυ ἀρξάμενος ἐπεθύμουν φίλος γενέσθαι, ὁρῶν δέ σε οὐδὲν δεόμενον ἐμοῦ κατώκνουν σοι προσιέναι. [7.5.49] ἐπεὶ δ' ἔτυχες ποτε καὶ ἐμοῦ δεηθεὶς [προθύμως] ἐξαγγεῖλαι πρὸς Μήδους τὰ παρὰ Κναζάρου, ἐλογιζόμην, εἰ ταῦτα προθύμως σοι συλλάβοιμι, ὡς οἰκεῖός τέ σοι ἐσοίμην καὶ ἐξέσοιτό μοι διαλέγεσθαι σοι ὅπόσον χρόνον βουλοίμην. καὶ ἐκεῖνα μὲν δὴ ἐπράχθη ὥστε σε ἐπαινεῖν. [7.5.50] μετὰ τοῦτο Ὑρκάνιοι μὲν πρῶτοι φίλοι ἡμῖν ἐγένοντο καὶ μάλα πεινώσι συμμάχων· ὥστε μόνον οὐκ ἐν ταῖς ἀγκάλαις περιεφέρομεν αὐτοὺς

ἀγαπῶντες. μετὰ δὲ τοῦτο ἐπεὶ ἐάλω τὸ πολέμιον στρατόπεδον, οὐκ οἶμαι σχολή σοι ἦν ἀμφ' ἐμὲ ἔχειν· καὶ ἐγὼ σοι συνεγίνωσκον. [7.5.51] ἐκ δὲ τούτου Γωβρύας ἡμῖν φίλος ἐγένετο, καὶ ἐγὼ ἔχαιρον· καὶ αὖθις Γαδάτας· καὶ ἤδη ἔργον σοῦ ἦν μεταλαβεῖν. ἐπεὶ γε μέντοι καὶ Σάκαι καὶ Καδοῦσιοι σύμμαχοι ἐγεγένηντο, θεραπεύειν εἰκότως ἔδει τούτους· καὶ γὰρ οὗτοι σὲ ἐθεράπευον. [7.5.52] ὥς δ' ἤλθομεν πάλιν ἐνθεν ὠρμήθημεν, ὁρῶν σε ἀμφ' ἵππους ἔχοντα, ἀμφ' ἄρματα, ἀμφὶ μηχανάς, ἡγούμεν, ἐπεὶ ἀπὸ τούτων σχολάσαις, τότε σε καὶ ἀμφ' ἐμὲ ἔξειν σχολήν. ὥς γε μέντοι ἤλθεν ἡ δεινὴ ἀγγελία τὸ πάντας ἀνθρώπους ἐφ' ἡμᾶς συλλέγεσθαι, ἐγίνωσκον ὅτι ταῦτα μέγιστα εἶη· εἰ δὲ ταῦτα καλῶς γένοιτο, εὖ ἤδη ἐδόκουν εἰδέναι ὅτι πολλὴ ἔσοιτο ἀφθονία τῆς ἐμῆς καὶ [τῆς] σῆς συνουσίας. [7.5.53] καὶ νῦν δὴ νενικήκαμέν τε τὴν μεγάλην μάχην καὶ Σάρδεις καὶ Κροῖσον ὑποχείριον ἔχομεν καὶ Βαβυλῶνα ἡρῆκαμεν καὶ πάντας κατεστράμμεθα, καὶ μὰ τὸν Μίθρην ἐγὼ τοι ἐχθές, εἰ μὴ πολλοῖς διεπύκτευσά, οὐκ ἂν ἐδυνάμην σοι προσελθεῖν. ἐπεὶ γε μέντοι ἐδεξιώσω με καὶ παρὰ σοὶ ἐκέλευσας μένειν, ἤδη περιυβλεπτος ἦν, ὅτι μετὰ σοῦ ἄσιτος καὶ ἄποτος διημέρευον. [7.5.54] νῦν οὖν εἰ μὲν ἔσται πῃ ὅπως οἱ πλείστου ἄξιοι γεγεννημένοι πλείστον σου μέρος μεθεξόμεν· εἰ δὲ μή, πάλιν αὖ ἐγὼ ἐθέλω παρὰ σοῦ ἐξαγγέλλειν ἀπιέναι πάντας ἀπὸ σοῦ πλὴν ἡμῶν τῶν ἐξ ἀρχῆς φίλων.

[7.5.55] Ἐπὶ τούτῳ ἐγέλασε μὲν ὁ Κῦρος καὶ ἄλλοι πολλοί· Χρυσάντας δ' ἀνέστη ὁ Πέρσης καὶ ἔλεξεν ὧδε· Ἀλλὰ τὸ μὲν πρόσθεν, ὦ Κῦρε, εἰκότως ἐν τῷ φανερῷ σαυτὸν παρείχες, δι' ἃ τε αὐτὸς εἶπας καὶ ὅτι οὐχ ἡμᾶς σοι μάλιστα ἦν θεραπευτέον. ἡμεῖς μὲν γὰρ καὶ ἡμῶν αὐτῶν ἔνεκα παρήμεν· τὸ δὲ πλῆθος ἔδει ἀνακτᾶσθαι ἐκ παντὸς τρόπου, ὅπως ὅτι ἥδιστα συμπονεῖν καὶ συγκινδυνεύειν ἡμῖν ἐθέλοιεν. [7.5.56] νῦν δ' ἐπεὶ οὐ τούτους [τρόπον] μόνον ἔχεις, ἀλλὰ καὶ ἄλλους ἀνακτᾶσθαι δύνασαι οὖς καιρὸς εἶη, ἤδη καὶ οἰκίας σε τυχεῖν ἄξιον· ἢ τί ἀπολαύσαις ἂν τῆς ἀρχῆς, εἰ μόνος ἄμοιρος εἴης ἐστίας, οὗ οὔτε ὀσιώτερον χωρίον ἐν ἀνθρώποις οὔτε ἥδιον οὔτε οἰκειότερόν ἐστιν οὐδέν· ἔπειτα δ', ἔφη, οὐκ ἂν οἶε καὶ ἡμᾶς αἰσχύνεσθαι, εἰ σὲ μὲν ὀρῶμεν ἔξω καρτεροῦντα, αὐτοὶ δ' ἐν οἰκίαις εἴημεν καὶ σοῦ δοκοίημεν πλεονεκτεῖν; [7.5.57] ἐπεὶ δὲ Χρυσάντας ταῦτα ἔλεξε, συνηγόρευον αὐτῷ κατὰ ταῦτά πολλοί. ἐκ τούτου δὴ εἰσέρχεται εἰς τὰ βασίλεια, καὶ τὰ ἐκ Σάρδεων χρήματα ἐνταῦθ' οἱ ἄγοντες ἀπέδοσαν. ἐπεὶ δ' εἰσηλθεν ὁ Κῦρος, πρῶτον μὲν Ἑστία

ἔθυσεν, ἔπειτα Διὶ βασιλεῖ καὶ εἴ τιτι ἄλλωι θεῷ οἱ μάγοι ἐξηγοῦντο.

[7.5.58] Πουήσας δὲ ταῦτα τὰ ἄλλα ἤδη ἤρχετο διοικεῖν. ἐννοῶν δὲ τὸ αὐτοῦ πρᾶγμα ὅτι ἐπιχειροῖ μὲν ἄρχειν πολλῶν ἀνθρώπων, παρασκευάζοιτο δὲ οἰκεῖν ἐν πόλει τῇ μεγίστῃ τῶν φανερῶν, αὕτη δ' οὕτως ἔχει αὐτῷ ὡς πολεμιοτάτῃ ἂν γένοιτο ἀνδρὶ πόλις, ταῦτα δὲ λογιζόμενος φυλακῆς περὶ τὸ σῶμα ἡγήσατο δεῖσθαι. [7.5.59] γνοὺς δ' ὅτι οὐδαμοῦ ἀνθρώποι εὐχειρωτότεροί εἰσιν ἢ ἐν σίτοις καὶ ποτοῖς καὶ λουτροῖς καὶ κοίτῃ καὶ ὕπνῳ, ἐσκόπει τίνας ἂν ἐν τούτοις περὶ αὐτὸν πιστοτάτους ἔχοι. ἐνόμισε δὲ μὴ ἂν γενέσθαι ποτὲ πιστὸν ἀνθρώπον ὅστις ἄλλον μᾶλλον φιλήσοι τοῦ τῆς φυλακῆς δεομένου. [7.5.60] τοὺς μὲν οὖν ἔχοντας παῖδας ἢ γυναῖκας συναρμοττούσας ἢ παιδικὰ ἔγνω φύσει ἡναγκάσθαι ταῦτα μάλιστα φιλεῖν· τοὺς δ' εὐνούχους ὁρῶν πάντων τούτων στερομένους ἡγήσατο τούτοις ἂν περὶ πλείστου ποιεῖσθαι οἵτινες δύναιτο πλουτίζειν μάλιστα αὐτοὺς καὶ βοηθεῖν, εἴ τι ἀδικοῖντο, καὶ τιμὰς περιάπτειν αὐτοῖς· τούτοις δ' εὐεργετοῦντα ὑπερβάλλειν αὐτὸν οὐδέν' ἂν ἡγεῖτο δύνασθαι. [7.5.61] πρὸς δὲ τούτοις ἄδοξοι ὄντες οἱ εὐνοῦχοι παρὰ τοῖς ἄλλοις ἀνθρώποις καὶ διὰ τοῦτο δεσπότην ἐπικούρου προσδέονται· οὐδεὶς γὰρ ἀνὴρ ὅστος οὐκ ἂν ἀξιόσειεν εὐνούχου πλέον ἔχειν ἐν παντί, εἰ μὴ τι ἄλλο κρεῖττον ἀπειργοί· δεσπότην δὲ πιστὸν ὄντα οὐδὲν κωλύει πρωτεύειν καὶ τὸν εὐνούχον. [7.5.62] ὁ δ' ἂν μάλιστα τις οἰηθείη, ἀνάλκιδας τοὺς εὐνούχους γίνεσθαι, οὐδὲ τοῦτο ἐφαίνετο αὐτῷ. ἐτεκμαίρετο δὲ καὶ ἐκ τῶν ἄλλων ζώων ὅτι οἱ τε ὕβρισταὶ ἵπποι ἐκτεμνόμενοι τοῦ μὲν δάκνειν καὶ ὕβριζειν ἀποπαύονται, πολεμικοὶ δὲ οὐδὲν ἥττον γίνονται, οἱ τε ταῦροι ἐκτεμνόμενοι τοῦ μὲν μέγα φρονεῖν καὶ ἀπειθεῖν ὕφienται, τοῦ δ' ἰσχύειν καὶ ἐργάζεσθαι οὐ στερίσκονται, καὶ οἱ κύνες δὲ ὡσαύτως τοῦ μὲν ἀπολείπειν τοὺς δεσπότης ἀποπαύονται ἐκτεμνόμενοι, φυλάττειν δὲ καὶ εἰς θήραν οὐδὲν κακίους γίνονται. [7.5.63] καὶ οἱ γε ἀνθρώποι ὡσαύτως ἡρεμέστεροι γίνονται στερισκόμενοι ταύτης τῆς ἐπιθυμίας, οὐ μέντοι ἀμελέστεροί γε τῶν προσταττομένων, οὐδ' ἥττόν τι ἱππικοί, οὐδὲ ἥττόν τι ἀκοντιστικοί, οὐδὲ ἥττον φιλότιμοι. [7.5.64] κατάδηλοι δ' ἐγίνοντο καὶ ἐν τοῖς πολέμοις καὶ ἐν ταῖς θήραις ὅτι ἔσωιζον τὸ φιλόνικον ἐν ταῖς ψυχαῖς. τοῦ δὲ πιστοὶ εἶναι ἐν τῇ φθορᾷ τῶν δεσποτῶν μάλιστα βάσανον ἐδίδοσαν· οὐδένες γὰρ πιστότερα ἔργα ἀπεδείκνυντο ἐν ταῖς δεσποτικαῖς συμφοραῖς τῶν εὐνούχων. [7.5.65] εἰ δέ τι ἄρα τῆς τοῦ σώματος ἰσχύος μειοῦσθαι δοκοῦσιν, ὁ σίδηρος

άνισοι τοὺς ἀσθενεῖς τοῖς ἰσχυροῖς ἐν τῷ πολέμῳ. ταῦτα δὴ γινώσκων ἀρξάμενος ἀπὸ τῶν θυρωρῶν πάντας τοὺς περὶ τὸ ἑαυτοῦ σῶμα θεραπευτῆρας ἐποιήσατο εὐνούχους.

[7.5.66] Ἦγησάμενος δὲ οὐχ ἱκανὴν εἶναι τὴν φυλακὴν ταύτην πρὸς τὸ πλῆθος τῶν δυσμενῶς ἐχόντων, ἐσκόπει τίνας τῶν ἄλλων ἂν πιστοτάτους περὶ τὸ βασίλειον φύλακας λάβοι. [7.5.67] εἰδὼς οὖν Πέρσας τοὺς οἴκοι κακοβιωτάτους μὲν ὄντας διὰ πενίαν, ἐπιπονώτατα δὲ ζῶντας διὰ τὴν τῆς χώρας τραχύτητα καὶ διὰ τὸ αὐτουργοὺς εἶναι, τούτους ἐνόμισε μάλιστ' ἂν ἀγαπᾶν τὴν παρ' αὐτῷ δίαιταν. [7.5.68] λαμβάνει οὖν τούτων μυρίουσ δορυφόρους, οἱ κύκλῳ μὲν νυκτὸς καὶ ἡμέρας ἐφύλαττον περὶ τὰ βασίλεια, ὅποτε ἐπὶ χώρας εἴη· ὅποτε δὲ ἐξίοι ποι, ἔνθεν καὶ ἔνθεν τεταγμένοι ἐπορεύοντο. [7.5.69] νομίσας δὲ καὶ Βαβυλῶνος ὅλης φύλακας δεῖν εἶναι ἱκανούς, εἴτ' ἐπιδημῶν αὐτὸς τυγχάνοι εἴτε καὶ ἀποδημῶν, κατέστησε καὶ ἐν Βαβυλῶνι φρουροὺς ἱκανούς· μισθὸν δὲ καὶ τούτοις Βαβυλωνίους ἔταξε παρέχειν, βουλόμενος αὐτοὺς ὡς ἀμυχανωτάτους εἶναι, ὅπως ὅτι ταπεινότατοι καὶ εὐκαθεκτότατοι εἶεν.

[7.5.70] Αὕτη μὲν δὴ ἡ περὶ αὐτόν τε φυλακὴ καὶ ἡ ἐν Βαβυλῶνι τότε κατασταθεῖσα καὶ νῦν ἔτι οὕτως ἔχουσα διαμένει. σκοπῶν δ' ὅπως ἂν καὶ ἡ πᾶσα ἀρχὴ κατέχοιτο καὶ ἄλλη ἔτι προσγίνοιτο, ἠγήσατο τοὺς μισθοφόρους τούτους οὐ τοσοῦτον βελτίονας τῶν ὑπηκόων εἶναι ὅσον ἐλάττονας· τοὺς δὲ ἀγαθοὺς ἄνδρας ἐγίγνωσκε συνεκτέον εἶναι, οὔτε σὺν τοῖς θεοῖς τὸ κρατεῖν παρέσχον, καὶ ἐπιμελητέον ὅπως μὴ ἀνήσουσι τὴν τῆς ἀρετῆς ἄσκησιν. [7.5.71] ὅπως δὲ μὴ ἐπιτάττειν αὐτοῖς δοκοίη, ἀλλὰ γνόντες καὶ αὐτοὶ ταῦτα ἄριστα εἶναι οὕτως ἐμμένειν τε καὶ ἐπιμελοῖντο τῆς ἀρετῆς, συνέλεξε τοὺς τε ὁμοτίμους καὶ πάντας ὁπόσοι ἐπικαίριοι ἦσαν καὶ ἀξιοχρεώτατοι ἐδόκουν αὐτῷ κοινωνοὶ εἶναι καὶ πόνων καὶ ἀγαθῶν. [7.5.72] ἐπεὶ δὲ συνήλθον, ἔλεξε τοιάδε.

Ἄνδρες φίλοι καὶ σύμμαχοι, τοῖς μὲν θεοῖς μεγίστη χάρις ὅτι ἔδοσαν ἡμῖν τυχεῖν ὧν ἐνομίζομεν ἄξιοι εἶναι. νῦν γὰρ δὴ ἔχομεν καὶ γῆν πολλὴν καὶ ἀγαθὴν καὶ οἵτινες ταύτην ἐργαζόμενοι θρέψουσιν ἡμᾶς· ἔχομεν δὲ καὶ οἰκίας καὶ ἐν ταύταις κατασκευάς. [7.5.73] καὶ μηδεὶς γε ὑμῶν ἔχων ταῦτα νομισάτω ἀλλότρια ἔχειν· νόμος γὰρ ἐν πᾶσιν ἀνθρώποις αἰδιός ἐστιν, ὅταν πολεμούντων πόλις ἁλῶι, τῶν ἐλόντων εἶναι καὶ τὰ σώματα τῶν ἐν τῇ πόλει καὶ τὰ χρήματα.

οὐκ οὐκ ἀδικίαι γε ἔξετε ὅ τι ἂν ἔχητε, ἀλλὰ φιλανθρωπία οὐκ ἀφαιρήσεσθε, ἦν τι ἔατε ἔχειν αὐτούς. [7.5.74] τὸ μέντοι ἐκ τοῦδε οὕτως ἐγὼ γινώσκω ὅτι εἰ μὲν τρεψόμεθα ἐπὶ ραιδιουργίαν καὶ τὴν τῶν κακῶν ἀνθρώπων ἡδυπάθειαν, οἱ νομίζουσι τὸ μὲν πονεῖν ἀθλιότητα, τὸ δὲ ἀπόνως βιοτεύειν εὐδαιμονίαν, ταχὺ ἡμᾶς φημι ὀλίγου ἀξίους ἡμῖν αὐτοῖς ἔσεσθαι καὶ ταχὺ πάντων τῶν ἀγαθῶν στερήσεσθαι. [7.5.75] οὐ γάρ τοι τὸ ἀγαθοὺς ἄνδρας γενέσθαι τοῦτο ἀρκεῖ ὥστε καὶ διατελεῖν [ὄντας ἀγαθοὺς], ἦν μὴ τις αὐτοῦ διὰ τέλους ἐπιμελῇται· ἀλλ' ὥσπερ καὶ αἱ ἄλλαι τέχναι ἀμεληθεῖσαι μείονος ἄξια γίνονται καὶ τὰ σώματά γε τὰ εὖ ἔχοντα, ὁπότεν τις αὐτὰ ἀνῆι ἐπὶ ραιδιουργίαν, πονήρως πάλιν ἔχει, οὕτω καὶ ἡ σωφροσύνη καὶ ἡ ἐγκράτεια καὶ ἡ ἀλκή, ὁπότεν τις αὐτῶν ἀνῆι τὴν ἄσκησιν, ἐκ τούτου εἰς τὴν πονηρίαν πάλιν τρέπεται. [7.5.76] οὐκ οὐκ δεῖ ἀμελεῖν οὐδ' ἐπὶ τὸ αὐτίκα ἡδὺ προΐεναι αὐτούς. μέγα μὲν γὰρ οἶμαι ἔργον καὶ τὸ ἀρχὴν καταπρᾶξαι, πολὺ δ' ἔτι μείζονα τὸ λαβόντα διασώσασθαι. τὸ μὲν γὰρ λαβεῖν πολλάκις τῷ τόλμαν μόνον παρασχομένῳ ἐγένετο, τὸ δὲ λαβόντα κατέχειν οὐκέτι τοῦτο ἄνευ σωφροσύνης οὐδ' ἄνευ ἐγκρατείας οὐδ' ἄνευ πολλῆς ἐπιμελείας γίγνεται. [7.5.77] ἂν χρὴ γινώσκοντας νῦν πολὺ μᾶλλον ἀσκεῖν τὴν ἀρετὴν ἢ πρὶν τάδε ἀγαθὰ κτήσασθαι, εὖ εἰδότες ὅτι ὅταν πλεῖστά τις ἔχη, τότε πλεῖστοι καὶ φθονοῦσι καὶ ἐπιβουλεύουσι καὶ πολέμιοι γίνονται, ἄλλως τε καὶ παρ' ἀκόντων τά τε κτήματα καὶ τὴν θεραπείαν ὥσπερ ἡμεῖς ἔχη. τοὺς μὲν οὖν θεοὺς οἶεσθαι χρὴ σὺν ἡμῖν ἔσεσθαι· οὐ γὰρ ἐπιβουλεύσαντες ἀδίκως ἔχομεν, ἀλλ' ἐπιβουλεύθέντες ἐτιμωρησάμεθα. [7.5.78] τὸ μέντοι μετὰ τοῦτο κράτιστον ἡμῖν αὐτοῖς παρασκευαστέον· τοῦτο δ' ἐστὶ τὸ βελτίονα ὄντας τῶν ἀρχομένων ἄρχειν ἀξιῶν. θάλπους μὲν οὖν καὶ ψύχους καὶ σίτων καὶ ποτῶν καὶ πόνων καὶ ὕπνου ἀνάγκη καὶ τοῖς δούλοις μεταδιδόναι· μεταδιδόντας γε μέντοι πειρᾶσθαι δεῖ ἐν τούτοις πρῶτον βελτίονα αὐτῶν φαίνεσθαι. [7.5.79] πολεμικῆς δ' ἐπιστήμης καὶ μελέτης παντάπασιν οὐ μεταδοτέον τούτοις, οὐστinas ἐργάτας ἡμετέρους καὶ δασμοφόρους βουλόμεθα καταστήσασθαι, ἀλλ' αὐτοὺς δεῖ τούτοις τοῖς ἀσκήμασι πλεονεκτεῖν, γινώσκοντας ὅτι ἐλευθερίας ταῦτα ὄργανα καὶ εὐδαιμονίας οἱ θεοὶ τοῖς ἀνθρώποις ἀπέδειξαν· καὶ ὥσπερ γε ἐκείνους τὰ ὅπλα ἀφηρήμεθα, οὕτως ἡμᾶς αὐτοὺς δεῖ μήποτ' ἐρήμους ὅπλων γίνεσθαι, εὖ εἰδότες ὅτι τοῖς ἀεὶ ἐγγυτάτῳ τῶν ὅπλων οὔσι τούτοις καὶ οἰκειότατά ἐστιν ἂν ἂν

βούλωνται. [7.5.80] εἰ δέ τις τοιαῦτα ἐννοεῖται, τί δῆτα ἡμῖν ὄφελος καταπραῖσαι ἃ ἐπεθυμοῦμεν, εἰ ἔτι δεήσει καρτερεῖν καὶ πεινῶντας καὶ διψῶντας καὶ πονοῦντας καὶ ἐπιμελουμένους, ἐκεῖνο δεῖ καταμαθεῖν ὅτι τοσοῦτοι τάγαθὰ μᾶλλον εὐφραίνει ὅσῳ ἂν μᾶλλον προπονήσας τις ἐπ' αὐτὰ ἦι· οἱ γὰρ πόνοι ὄψον τοῖς ἀγαθοῖς· ἄνευ δὲ τοῦ δεόμενον τυγχάνειν τινὸς οὐδὲν οὕτω πολυτελῶς παρασκευασθείη ἂν ὥσθ' ἡδὺ εἶναι. [7.5.81] εἰ δὲ ὧν μὲν μάλιστα ἄνθρωποι ἐπιθυμοῦσιν ὁ δαίμων ἡμῖν ταῦτα συμπαρεσκεύακεν, ὥς δ' ἂν ἥδιστα ταῦτα φαίνοιτο αὐτός τις αὐτῷ [ταῦτα] παρασκευάσει, ὁ τοιοῦτος ἄνθρωπος τοσοῦτοι πλεονεκτῇσι τῶν ἐνδεεστέρων βίου ὥς πεινήσας τῶν ἡδίστων σίτων τεύξεται καὶ διψήσας τῶν ἡδίστων ποτῶν ἀπολαύσεται καὶ δεηθεὶς ἀναπαύσεως <ἦ> ἥδιστον ἀναπαύσεται. [7.5.82] ὧν ἕκκα φημι χρῆναι νῦν ἐπιταθῆναι ἡμᾶς εἰς ἀνδραγαθίαν, ὅπως τῶν τε ἀγαθῶν ἦ ἄριστον καὶ ἥδιστον ἀπολαύσωμεν καὶ ὅπως τοῦ πάντων χαλεπωτάτου ἁπείροι γενώμεθα. οὐ γὰρ τὸ μὴ λαβεῖν τάγαθὰ οὕτω χαλεπὸν ὥσπερ τὸ λαβόντα στερηθῆναι λυπηρόν. [7.5.83] ἐννοήσατε δὲ κάκεῖνο τίνα πρόφασιν ἔχοντες ἂν προσιοίμεθα κακίονες ἢ πρόσθεν γενέσθαι. πότερον ὅτι ἄρχομεν; ἀλλ' οὐ δήπου τὸν ἄρχοντα τῶν ἀρχομένων πονηρότερον προσήκει εἶναι. ἀλλ' ὅτι εὐδαιμονέστεροι δοκοῦμεν νῦν ἢ πρότερον εἶναι; ἔπειτα τῇ εὐδαιμονίᾳ φήσει τις τὴν κακίαν [ἐπι]πρέπειν; ἀλλ' ὅτι ἐπεὶ κεκτήμεθα δούλους, τούτους κολάσομεν, ἦν πονηροὶ ὦσι; [7.5.84] καὶ τί προσήκει αὐτὸν ὄντα πονηρὸν πονηρίας ἕνεκα ἢ βλακειᾶς ἄλλους κολάζειν; ἐννοεῖτε δὲ καὶ τοῦτο ὅτι τρέφειν μὲν παρεσκεύασμεθα πολλοὺς καὶ τῶν ἡμετέρων οἰκῶν φύλακας καὶ τῶν σωμάτων· αἰσχρὸν δὲ πῶς οὐκ ἂν εἴη, εἰ δι' ἄλλους μὲν δορυφόρους τῆς σωτηρίας οἰησόμεθα χρῆναι τυγχάνειν, αὐτοὶ δὲ ἡμῖν αὐτοῖς οὐ δορυφορήσομεν; καὶ μὴν εὖ γε δεῖ εἰδέναι ὅτι οὐκ ἔστιν ἄλλη φυλακὴ τοιαύτη οἷα αὐτόν τινα καλὸν κάγαθὸν ὑπάρχειν· τοῦτο γὰρ δεῖ συμπαρομαρτεῖν· τῷ δ' ἀρετῆς ἐρήμῳ οὐδὲ ἄλλο καλῶς ἔχειν οὐδὲν προσήκει. [7.5.85] τί οὖν φημι χρῆναι ποιεῖν καὶ ποῦ τὴν ἀρετὴν ἀσκεῖν καὶ ποῦ τὴν μελέτην ποιῆσθαι; οὐδὲν καινόν, ὃ ἄνδρες, ἐρῶ· ἀλλ' ὥσπερ ἐν Πέρσαις ἐπὶ τοῖς ἀρχείοις οἱ ὁμότιμοι διάγουσιν, οὕτω καὶ ἡμᾶς φημι χρῆναι ἐνθάδε ὄντας τοὺς ὁμοτίμους πάντα ἅπερ κάκεῖ ἐπιτηδεύειν, καὶ ὑμᾶς τε ἐμὲ ὀρῶντας κατανοεῖν παρόντας εἰ ἐπιμελόμενος ὧν δεῖ διάξω, ἐγὼ τε ὑμᾶς κατανοῶν θεάσομαι, καὶ οὖς ἂν ὀρῶ τὰ καλὰ καὶ τάγαθὰ ἐπιτηδεύοντας, τούτους τιμῆσω. [7.5.86]

καὶ τοὺς παῖδας δέ, οἳ ἂν ἡμῶν γίνωνται, ἐνθάδε παιδεύωμεν· αὐτοί
τε γὰρ βελτίονες ἐσόμεθα, βουλόμενοι τοῖς παισὶν ὥς βέλτιστα
παραδείγματα ἡμᾶς αὐτοὺς παρέχειν, οἳ τε παῖδες οὐδ' ἂν εἰ
βούλοιντο ῥαιδίως πονηροὶ γένοιντο, αἰσχρὸν μὲν μηδὲν μήτε
ὀρῶντες μήτε ἀκούοντες, ἐν δὲ καλοῖς κάγαθοῖς ἐπιτηδεύμασι
διημερεύοντες.

Βιβλίον η'

[8.1.1] Κῦρος μὲν οὖν οὕτως εἶπεν· ἀνέστη δ' ἐπ' αὐτῷ Χρυσάντας καὶ εἶπεν ὧδε. Ἀλλὰ πολλάκις μὲν δῆ, ὦ ἄηδρες, καὶ ἄλλοτε κατενόησα ὅτι ἄρχων ἀγαθὸς οὐδὲν διαφέρει πατρὸς ἀγαθοῦ· οἱ τε γὰρ πατέρες προνοοῦσι τῶν παιδῶν ὅπως μήποτε αὐτοὺς τὰγαθὰ ἐπιλείψει, Κῦρός τέ μοι δοκεῖ νῦν συμβουλεύειν ἡμῖν ἀφ' ὧν μάλιστ' ἂν εὐδαιμονοῦντες διατελοῖμεν· ὁ δέ μοι δοκεῖ ἐνδεέστερον ἢ ὡς ἐχρῆν δηλῶσαι, τοῦτο ἐγὼ πειράσομαι τοὺς μὴ εἰδότας διδάξαι. [8.1.2] ἐννοήσατε γὰρ δὴ τίς ἂν πόλις πολεμία ὑπὸ μὴ πειθομένων ἀλοίη· τίς δ' ἂν φιλία ὑπὸ μὴ πειθομένων διαφυλαχθείη· ποῖον δ' ἂν ἀπειθούντων στρατεύμα νίκης τύχοι· πῶς δ' ἂν μᾶλλον ἐν μάχαις ἡττῶντο ἄνθρωποι ἢ ἐπειδὰν ἄρξωνται ἰδία ἕκαστος περὶ τῆς αὐτοῦ σωτηρίας βουλεύεσθαι· τί δ' ἂν ἄλλο ἀγαθὸν τελεσθείη ὑπὸ μὴ πειθομένων τοῖς κρείττοσι· ποῖαι δὲ πόλεις νομίμως ἂν οἰκήσειαν ἢ ποῖοι οἴκοι σωθείσιν· πῶς δ' ἂν νῆες ὅποι δεῖ ἀφίκοιντο· [8.1.3] ἡμεῖς δὲ ἂ νῦν ἀγαθὰ ἔχομεν διὰ τί ἄλλο μᾶλλον κατεπράξαμεν ἢ διὰ τὸ πείθεσθαι τῷ ἄρχοντι; διὰ τοῦτο γὰρ καὶ νυκτὸς καὶ ἡμέρας ταχὺ μὲν ὅποι ἔδει παρεγινόμεθα, ἄθροοι δὲ τῷ ἄρχοντι ἐπόμενοι ἀνυπόστατοι ἦμεν, τῶν δ' ἐπιταχέντων οὐδὲν ἡμιτελὲς κατελείπομεν. εἰ τοίνυν μέγιστον ἀγαθὸν τὸ πειθαρχεῖν φαίνεται εἰς τὸ καταπράττειν τὰγαθὰ, οὕτως εὖ ἴστε ὅτι τὸ αὐτὸ τοῦτο καὶ εἰς τὸ διασώζειν ἂ δεῖ μέγιστον ἀγαθὸν ἐστίν. [8.1.4] καὶ πρόσθεν μὲν δὴ πολλοὶ ἡμῶν ἦρχον μὲν οὐδενός, ἦρχοντο δέ· νῦν δὲ κατεσκευάσθε οὕτω πάντες οἱ παρόντες ὥστε ἄρχετε οἱ μὲν πλειόνων, οἱ δὲ μειόνων. ὥσπερ τοίνυν αὐτοὶ ἀξιώσετε ἄρχειν τῶν ὑφ' ὑμῖν, οὕτω καὶ αὐτοὶ πειθόμεθα οἷς ἂν ἡμᾶς καθήκηι. τοσοῦτον δὲ διαφέρειν δεῖ τῶν δούλων ὅσον οἱ μὲν δοῦλοι ἄκοντες τοῖς δεσπόταις ὑπηρετοῦσιν, ἡμᾶς δ', εἴπερ ἀξιοῦμεν ἐλεύθεροι εἶναι, ἐκόντας δεῖ ποιεῖν ὁ πλείστου ἄξιον φαίνεται εἶναι. εὐρήσετε δ', ἔφη, καὶ ἔνθα ἄνευ μοναρχίας πόλις οἰκεῖται, τὴν μάλιστα τοῖς ἄρχουσιν ἐθέλουσαν πείθεσθαι ταύτην ἥκιστα τῶν πολεμίων ἀναγκαζομένην ὑπακούειν. [8.1.5] παρῶμέν τε οὖν, ὥσπερ Κῦρος κελεύει, ἐπὶ τόδε τὸ ἀρχεῖον, ἀσκῶμέν τε δι' ὧν μάλιστα δυνησόμεθα κατέχειν ἂ δεῖ, παρέχωμέν τε ἡμᾶς αὐτοὺς χρῆσθαι Κύρῳ ὅ τι ἂν δέηι. καὶ τοῦτο γὰρ εὖ εἰδέναι χρὴ ὅτι οὐ μὴ δυνήσεται Κῦρος εὐρεῖν ὅ τι αὐτῷ μὲν ἐπ' ἀγαθῷ

χρήσεται, ἡμῖν δὲ οὐ, ἐπεὶ περ τά γε αὐτὰ ἡμῖν συμφέρει καὶ οἱ αὐτοὶ εἰσιν ἡμῖν πολέμιοι.

[8.1.6] Ἐπεὶ δὲ ταῦτα εἶπε Χρυσάντας, οὕτω δὴ καὶ ἄλλοι ἀνίσταντο πολλοὶ καὶ Περσῶν καὶ τῶν συμμάχων συνεροῦντες· καὶ ἔδοξε τοὺς ἐντίμους αἰεὶ παρεῖναι ἐπὶ θύρας καὶ παρέχειν αὐτοὺς χρῆσθαι ὃ τι ἂν βούληται, ἕως ἀφείη Κῦρος. ὥς δὲ τότε ἔδοξεν, οὕτω καὶ νῦν ἔτι ποιοῦσιν οἱ κατὰ τὴν Ἀσίαν ὑπὸ βασιλεῖ ὄντες, θεραπεύουσι τὰς τῶν ἀρχόντων θύρας. [8.1.7] ὥς δ' ἐν τῷ λόγῳ δεδήλωται Κῦρος καταστησάμενος εἰς τὸ διαφυλάττειν αὐτῷ τε καὶ Πέρσαις τὴν ἀρχήν, ταῦτα καὶ οἱ μετ' ἐκεῖνον βασιλεῖς νόμιμα ἔτι καὶ νῦν διατελοῦσι ποιοῦντες. [8.1.8] οὕτω δ' ἔχει καὶ ταῦτα ὥσπερ καὶ τᾶλλα· ὅταν μὲν ὁ ἐπιστάτης βελτίων γένηται, καθαρώτερον τὰ νόμιμα πράττεται· ὅταν δὲ χείρων, φαυλότερον. ἐφοίτων μὲν οὖν ἐπὶ τὰς θύρας Κύρου οἱ ἔντιμοι σὺν τοῖς ἵπποις καὶ ταῖς αἰχμαῖς, συνδόξαν πᾶσι τοῖς ἀρίστοις τῶν συγκαταστρεψαμένων τὴν ἀρχήν.

[8.1.9] Κῦρος δ' ἐπὶ μὲν τᾶλλα καθίστη ἄλλους ἐπιμελητάς, καὶ ἦσαν αὐτῷ καὶ προσόδων ἀποδεκτῆρες καὶ δαπανημάτων δοτῆρες καὶ ἔργων ἐπιστάται καὶ κτημάτων φύλακες καὶ τῶν εἰς τὴν δίαιταν ἐπιτηδείων ἐπιμεληταί· καὶ ἵππων δὲ καὶ κυνῶν ἐπιμελητάς καθίστη οὓς ἐνόμιζε καὶ ταῦτα τὰ βοσκήματα βέλτιστ' ἂν παρέχειν αὐτῷ χρῆσθαι. [8.1.10] οὓς δὲ συμφύλακας τῆς εὐδαιμονίας οἱ ὦιετο χρῆναι ἔχειν, τούτους ὅπως ὥς βέλτιστοι ἔσονται οὐκέτι τούτου τὴν ἐπιμέλειαν ἄλλοις προσέταπεν, ἀλλ' αὐτοῦ ἐνόμιζε τοῦτο ἔργον εἶναι. ἦιδει γὰρ ὅτι, εἴ τι μάχης ποτὲ δεήσοι, ἐκ τούτων αὐτῷ καὶ παραστάτας καὶ ἐπιστάτας ληπτέον εἶη, σὺν οἷσπερ οἱ μέγιστοι κίνδυνοι· καὶ ταξιάρχους δὲ καὶ πεζῶν καὶ ἱππέων ἐγίγνωσκεν ἐκ τούτων καταστατέον εἶναι. [8.1.11] εἰ δὲ δέοι καὶ στρατηγῶν πού ἄνευ αὐτοῦ, ἦιδει ὅτι ἐκ τούτων πεμπτέον εἶη· καὶ πόλεων δὲ καὶ ὄλων ἔθνων φύλαξι καὶ σατράπαις ἦιδει ὅτι τούτων τισὶν εἶη χρηστέον καὶ πρέσβεις γε τούτων τινὰς πεμπτέον, ὅπερ ἐν τοῖς μεγίστοις ἡγεῖτο εἶναι εἰς τὸ ἄνευ πολέμου τυγχάνειν ὧν δέοιτο. [8.1.12] μὴ ὄντων μὲν οὖν οἷων δεῖ δι' ὧν αἱ μέγιστα καὶ πλεῖστα πράξεις ἔμελλον εἶναι, κακῶς ἡγεῖτο τὰ αὐτοῦ ἔξειν. εἰ δ' οὗτοι εἶεν οἷους δέοι, πάντα ἐνόμιζε καλῶς ἔσεσθαι. ἐνέδου μὲν οὖν οὕτω γνοὺς εἰς ταύτην τὴν ἐπιμέλειαν· ἐνόμιζε δὲ τὴν αὐτὴν καὶ αὐτῷ ἄσκησιν εἶναι τῆς ἀρετῆς. οὐ γὰρ ὦιετο οἷόν τε εἶναι μὴ αὐτόν τινα ὄντα οἷον δεῖ ἄλλους παρορμᾶν ἐπὶ τὰ καλὰ καὶ ἀγαθὰ ἔργα. [8.1.13] ὥς δὲ ταῦτα

διενοήθη, ἡγήσατο σχολῆς πρῶτον δεῖν, εἰ μέλλοι δυνήσεσθαι τῶν κρατίστων ἐπιμελεῖσθαι. τὸ μὲν οὖν προσόδων ἀμελεῖν οὐχ οἷόν τε ἐνόμιζεν εἶναι, προνοῶν ὅτι πολλὰ καὶ τελεῖν ἀνάγκη ἔσοιτο εἰς μεγάλην ἀρχήν· τὸ δ' αὖ πολλῶν κτημάτων ὄντων ἀμφὶ ταῦτα αὐτὸν ἀεὶ ἔχειν ἦδει ὅτι ἀσχολίαν παρέξοι τῆς τῶν ὅλων σωτηρίας ἐπιμελεῖσθαι. [8.1.14] οὕτω δὴ σκοπῶν, ὅπως ἂν τὰ τε οἰκονομικὰ καλῶς ἔχοι καὶ ἡ σχολὴ γένοιτο, κατενόησέ πως τὴν στρατιωτικὴν σύνταξιν. ὥς γὰρ τὰ πολλὰ δεκάδαρχοι μὲν δεκαδέων ἐπιμέλονται, λοχαγοὶ δὲ δεκαδάρχων, χιλιάρχοι δὲ λοχαγῶν, μυρίαρχοι δὲ χιλιάρχων, καὶ οὕτως οὐδεὶς ἀτημέλητος γίνεταί, οὐδ' ἦν πάνυ πολλαὶ μυριάδες ἀνθρώπων ὥσι, καὶ ὅταν ὁ στρατηγὸς βούληται χρήσασθαι τι τῇ στρατιᾷ, ἀρκεῖ ἦν τοῖς μυρίαρχοις παραγγεῖλη· [8.1.15] ὥσπερ οὖν ταῦτ' ἔχει, οὕτω καὶ ὁ Κῦρος συνεκεφαλαιώσατο τὰς οἰκονομικὰς πράξεις· ὥστε καὶ τῷ Κύρῳ ἐγένετο ὀλίγοις διαλεγόμενῳ μηδὲν τῶν οἰκείων ἀτημελήτως ἔχειν· καὶ ἐκ τούτου ἤδη σχολὴν ἦγε πλείω ἢ ἄλλος μιᾶς οἰκίας καὶ μιᾶς νεῶς ἐπιμελούμενος. οὕτω δὴ καταστησάμενος τὸ αὐτοῦ ἐδίδαξε καὶ τοὺς περὶ αὐτὸν ταύτῃ τῇ καταστάσει χρῆσθαι.

[8.1.16] Τὴν μὲν δὴ σχολὴν οὕτω κατεσκευάσατο αὐτῷ τε καὶ τοῖς περὶ αὐτόν, ἤρχετο δ' ἐπιστατεῖν τοῦ εἶναι οἷους δεῖ τοὺς κοινῶνας. πρῶτον μὲν ὅποσοι ὄντες ἱκανοὶ ἄλλων ἐργαζομένων τρέφεσθαι μὴ παρῆεν ἐπὶ τὰς θύρας, τούτους ἐπεζήτει, νομίζων τοὺς μὲν παρόντας οὐκ ἂν ἐθέλῃν οὔτε κακὸν οὔτε αἰσχρὸν οὐδὲν πράττειν καὶ διὰ τὸ παρ' ἄρχοντι εἶναι καὶ διὰ τὸ εἰδέναι ὅτι ὀρῶντ' ἂν ὅ τι πράττοιεν ὑπὸ τῶν βελτίστων· οἱ δὲ μὴ παρῆεν, τούτους ἡγεῖτο ἢ ἀκρατεῖαι τινὲς ἢ ἀδικαίαι ἢ ἀμελείαι ἀπεῖναι. [8.1.17] τοῦτο οὖν πρῶτον διηγησόμεθα ὥς προσηνάγκαζε τοὺς τοιούτους παρῆναι. τῶν γὰρ παρ' ἑαυτῷ μάλιστα φίλων ἐκέλευσεν ἂν τινα λαβεῖν τὰ τοῦ μὴ φοιτῶντος, φάσκοντα λαμβάνειν τὰ ἑαυτοῦ. ἐπεὶ οὖν τοῦτο γένοιτο, ἦκον ἂν εὐθύς οἱ στερόμενοι ὥς ἡδικημένοι. [8.1.18] ὁ δὲ Κῦρος πολὺν μὲν χρόνον οὐκ ἐσχόλαζε τοῖς τοιοῦτοις ὑπακούειν· ἐπεὶ δὲ ἀκούσειεν αὐτῶν, πολὺν χρόνον ἀνεβάλλετο τὴν διαδικασίαν. ταῦτα δὲ ποιῶν ἡγεῖτο προσεθίζειν αὐτοὺς θεραπεύειν, ἥττον δὲ ἐχθρῶς ἢ εἰ αὐτὸς κολάζων ἠνάγκαζε παρῆναι. [8.1.19] εἷς μὲν τρόπος διδασκαλίας ἦν αὐτῷ οἰουτος τοῦ παρῆναι· ἄλλος δὲ τὸ τὰ ῥᾶιστα καὶ κερδαλεώτατα τοῖς παροῦσι προστάττειν· ἄλλους δὲ τὸ μηδὲν ποτε τοῖς ἀποῦσι νέμειν· [8.1.20] ὁ δὲ δὴ μέγιστος τρόπος τῆς ἀνάγκης ἦν, εἰ

τούτων μηδέν τις ὑπακούοι, ἀφελόμενος ἂν τοῦτον ἃ ἔχοι ἄλλωι ἐδίδου ὃν ὤιετο [δύνασθαι] ἂν ἐν τῷ δέοντι παρεῖναι· καὶ οὕτως ἐγίγνετο αὐτῷ φίλος χρήσιμος ἀντὶ ἀχρήστου. ἐπιζητεῖ δὲ καὶ [ὁ] νῦν βασιλεύς, ἦν τις ἀπῇ οἷς παρεῖναι καθήκει.

[8.1.21] Τοῖς μὲν δὴ μὴ παροῦσιν οὕτω προσεφέρετο. τοὺς δὲ παρέχοντας ἑαυτοὺς ἐνόμισε μάλιστ' ἂν ἐπὶ τὰ καλὰ καὶ ἀγαθὰ ἐπαίρειν, ἐπεὶ περ ἄρχων ἦν αὐτῶν, εἰ αὐτὸς ἑαυτὸν ἐπιδεικνύειν πειρῶιτο τοῖς ἀρχομένοις πάντων μάλιστα κεκοσμημένον τῇ ἀρετῇ.

[8.1.22] αἰσθάνεσθαι μὲν γὰρ ἐδόκει καὶ διὰ τοὺς γραφομένους νόμους βελτίους γιγνομένους ἀνθρώπους· τὸν δὲ ἀγαθὸν ἄρχοντα βλέποντα νόμον ἀνθρώποις ἐνόμισεν, ὅτι καὶ τάττειν ἱκανός ἐστι καὶ ὁρᾷ τὸν ἀτακτοῦντα καὶ κολάζειν. [8.1.23] οὕτω δὴ γινώσκων πρῶτον μὲν τὰ περὶ τοὺς θεοὺς μᾶλλον ἐκπονοῦντα ἐπεδείκνυνεν ἑαυτὸν ἐν τούτῳ τῷ χρόνῳ, ἐπεὶ εὐδαιμονέστερος ἦν. καὶ τότε πρῶτον κατεστάθησαν οἱ μάγοι ... ὑμνεῖν τε ἀεὶ ἅμα τῇ ἡμέρᾳ τοὺς θεοὺς καὶ θύειν ἂν' ἐκάστην ἡμέραν οἷς οἱ μάγοι θεοῖς εἶποιεν. [8.1.24] οὕτω δὴ τὰ τότε κατασταθέντα ἔτι καὶ νῦν διαμένει παρὰ τῷ ἀεὶ ὄντι βασιλεῖ. ταῦτ' οὖν πρῶτον ἐμιμοῦντο αὐτὸν καὶ οἱ ἄλλοι Πέρσαι, νομίζοντες καὶ αὐτοὶ εὐδαιμονέστεροι ἔσεσθαι, ἦν θεραπεύωσι τοὺς θεοὺς, ὥσπερ ὁ εὐδαιμονέστατός τε ὢν καὶ ἄρχων· καὶ Κύρῳ δ' ἂν ἡγοῦντο ταῦτα ποιοῦντες ἀρέσκειν. [8.1.25] ὁ δὲ Κύρος τὴν τῶν μεθ' αὐτοῦ εὐσέβειαν καὶ ἑαυτῷ ἀγαθὸν ἐνόμιζε, λογιζόμενος ὥσπερ οἱ πλεῖν αἰρούμενοι μετὰ τῶν εὐσεβῶν μᾶλλον ἢ μετὰ τῶν ἡσεβηκέναι τι δοκούντων. πρὸς δὲ τούτοις ἐλογίζετο ὥς εἰ πάντες οἱ κοινῶνες θεοσεβεῖς εἶεν, ἥττον ἂν αὐτοὺς ἐθέλαιν περὶ τε ἀλλήλους ἀνὸσίον τι ποιεῖν καὶ περὶ ἑαυτόν, εὐεργέτης νομίζων εἶναι τῶν κοινόνων. [8.1.26] ἐμφανίζων δὲ καὶ τοῦτο ὅτι περὶ πολλοῦ ἐποιεῖτο μηδένα μήτε φίλον ἀδικεῖν μήτε σύμμαχον, ἀλλὰ τὸ δίκαιον ἰσχυρῶς ἀθρῶν, μᾶλλον καὶ τοὺς ἄλλους ὤιετ' ἂν τῶν μὲν αἰσchrῶν κερδῶν ἀπέχεσθαι, διὰ τοῦ δικαίου δ' ἐθέλαιν πορεύεσθαι. [8.1.27] καὶ αἰδοῦς δ' ἂν ἡγεῖτο μᾶλλον πάντας ἐμπιπλάναι, εἰ αὐτὸς φανερός εἴη πάντας οὕτως αἰδούμενος ὥς μήτ' εἰπεῖν ἂν μήτε ποιῆσαι μηδὲν αἰσchrόν. [8.1.28] ἔτεκμαίρετο δὲ τοῦτο οὕτως ἔξειν ἐκ τοῦδε. μὴ γὰρ ὅτι ἄρχοντα, ἀλλὰ καὶ οὓς οὐ φοβοῦνται, μᾶλλον τοὺς αἰδουμένους αἰδοῦνται τῶν ἀναιδῶν οἱ ἀνθρωποὶ καὶ γυναῖκες δὲ ἅς ἂν αἰδουμένας αἰσθάνωνται, ἀνταιδεῖσθαι μᾶλλον ἐθέλουσιν ὁρῶντες. [8.1.29] τὸ δ' αὖ πείθεσθαι οὕτω μάλιστ' ἂν ὤιετο ἕμμονον εἶναι τοῖς περὶ αὐτόν, εἰ τοὺς

ἀπροφασίστως πειθομένους φανερός εἴη μᾶλλον τιμῶν τῶν τὰς
μεγίστας ἀρετὰς καὶ ἐπιπονωτάτας δοκούντων παρέχεσθαι.
γινώσκων δ' οὕτω καὶ ποιῶν διετέλει. [8.1.30] καὶ σωφροσύνην δ'
αὐτοῦ ἐπιδεικνὺς μᾶλλον ἐποίει καὶ ταύτην πάντας ἀσκεῖν. ὅταν γὰρ
ὁρῶσιν, ᾧ μάλιστα ἔξεστιν ὑβρίζειν, τοῦτον σωφρονοῦντα, οὕτω
μᾶλλον οἱ γε ἀσθενέστεροι ἐθέλουσιν οὐδὲν ὑβριστικὸν ποιοῦντες
φανεροὶ εἶναι. [8.1.31] [διήκει δὲ αἰδῶ καὶ σωφροσύνην τῇδε, ὡς τοὺς
μὲν αἰδουμένους τὰ ἐν τῷ φανερῷ αἰσχροῦ φεύγοντας, τοὺς δὲ
σώφρονας καὶ τὰ ἐν τῷ ἀφανεῖ.] [8.1.32] καὶ ἐγκράτειαν δὲ οὕτω
μάλιστ' ἂν ὤιετο ἀσκεῖσθαι, εἰ αὐτὸς ἐπιδεικνύοι ἑαυτὸν μὴ ὑπὸ τῶν
παραυτίκα ἡδονῶν ἐλκόμενον ἀπὸ τῶν ἀγαθῶν, ἀλλὰ προπονεῖν
ἐθέλοντα πρῶτον σὺν τῷ καλῷ τῶν εὐφροσυνῶν. [8.1.33] τοιγαροῦν
τοιοῦτος ὢν ἐποίησεν ἐπὶ ταῖς θύραις πολλὴν μὲν τῶν χειρόνων
εὐταξίαν, ὑπεικόντων τοῖς ἀμείνοσι, πολλὴν δ' αἰδῶ καὶ εὐκοσμίαν
πρὸς ἀλλήλους. ἐπέγνω δ' ἂν ἐκεῖ οὐδένα οὔτε ὀργιζόμενον
κραυγῇ οὔτε χαίροντα ὑβριστικῶι γέλωτι, ἀλλὰ ἰδὼν ἂν αὐτοὺς
ἡγήσω τῷ ὄντι εἰς κάλλος ζῆν.

[8.1.34] Τοιαῦτα μὲν δὴ ποιοῦντες καὶ ὁρῶντες ἐπὶ θύραις διῆγον.
τῆς πολεμικῆς δ' ἔνεκα ἀσκήσεως ἐπὶ θήραν ἐξῆγεν οὕπερ ἀσκεῖν
ταῦτα ὤιετο χρῆναι, ταύτην ἡγούμεοος καὶ ὅλως ἀρίστην ἄσκησιν
πολεμικῶν εἶναι, καὶ ἵπικῆς δὲ ἀληθεστάτην. [8.1.35] καὶ γὰρ ἐπόχους
ἐν παντοδαποῖς χωρίοις αὕτη μάλιστα ἀποδείκνυσι διὰ τὸ θηρίοις
φεύγουσιν ἐφέπεσθαι, καὶ ἀπὸ τῶν ἵππων ἐνεργοὺς αὕτη μάλιστα
ἀπεργάζεται διὰ τὴν τοῦ λαμβάνειν φιλοτιμίαν καὶ ἐπιθυμίαν. [8.1.36]
καὶ τὴν ἐγκράτειαν δὲ καὶ πόνους καὶ ψύχη καὶ θάλπη καὶ λιμὸν καὶ
δίψος δύνασθαι φέρειν ἐνταῦθα μάλιστα προσειθίζε τοὺς κοινῶνας.
καὶ νῦν δ' ἔτι βασιλεὺς καὶ οἱ ἄλλοι οἱ περὶ βασιλέα ταῦτα ποιοῦντες
διατελοῦσιν. [8.1.37] ὅτι μὲν οὖν οὐκ ὤιετο προσήκειν οὐδενὶ ἀρχῆς
ὅστις μὴ βελτίων εἴη τῶν ἀρχομένων καὶ τοῖς προειρημένοις πᾶσι
δῆλον, καὶ ὅτι οὕτως ἀσκῶν τοὺς περὶ αὐτὸν πολὺ μάλιστα αὐτὸς
ἐξεπόνει καὶ τὴν ἐγκράτειαν καὶ τὰς πολεμικὰς τέχνας καὶ [τὰς]
μελέτας. [8.1.38] καὶ γὰρ ἐπὶ θήραν τοὺς μὲν ἄλλους ἐξῆγεν, ὁπότε μὴ
μένειν ἀνάγκη τις εἴη· αὐτὸς δὲ καὶ ὁπότε ἀνάγκη εἴη, οἴκοι ἐθήρα τὰ
ἐν τοῖς παραδείσοις θηρία τρεφόμενα· καὶ οὗτ' αὐτὸς ποτε πρὶν
ιδρῶσαι δεῖπνον ἡρεῖτο οὔτε ἵπποις ἀγυμνάστοις σῖτον ἐνέβαλλε·
συμπαρεκάλει δὲ καὶ εἰς ταύτην τὴν θήραν τοὺς περὶ αὐτὸν
σκηπτούχους. [8.1.39] τοιγαροῦν πολὺ μὲν αὐτὸς διέφερεν ἐν πᾶσι τοῖς

καλοῖς ἔργοις, πολὺ δὲ οἱ περὶ ἐκεῖνον, διὰ τὴν αἰὲ μελέτην. παράδειγμα μὲν δὴ τοιοῦτον ἑαυτὸν παρείχετο. πρὸς δὲ τούτῳ καὶ τῶν ἄλλων οὕστινας μάλιστα ὁρώη τὰ καλὰ διώκοντας, τούτους καὶ δώροις καὶ ἀρχαῖς καὶ ἔδραις καὶ πάσαις τιμαῖς ἐγέραιρεν· ὥστε πολλὴν πᾶσι φιλοτιμίαν ἐνέβαλλεν ὅπως ἕκαστος ὅτι ἄριστος φανήσοιτο Κύρῳ.

[8.1.40] Καταμαθεῖν δὲ τοῦ Κύρου δοκοῦμεν ὡς οὐ τούτῳ μόνῳ ἐνόμιζε χρῆναι τοὺς ἄρχοντας τῶν ἀρχομένων διαφέρειν, τῷ βελτίονας αὐτῶν εἶναι, ἀλλὰ καὶ καταγοητεύειν ὥιето χρῆναι αὐτούς. στολὴν τε γοῦν εἴλετο τὴν Μηδικὴν αὐτός τε φορεῖν καὶ τοὺς κοινῶνας ταύτην ἔπεισεν ἐνδύεσθαι· – αὕτη γὰρ αὐτῷ συγκρύπτειν ἐδόκει εἴ τίς τι ἐν τῷ σώματι ἐνδεὲς ἔχοι, καὶ καλλίστους καὶ μεγίστους ἐπιδεικνύναι τοὺς φοροῦντας· [8.1.41] καὶ γὰρ τὰ ὑποδήματα τοιαῦτα ἔχουσιν ἐν οἷς μάλιστα λαθεῖν ἔστι καὶ ὑποτιθεμένους τι, ὥστε δοκεῖν μείζους εἶναι ἢ εἰσί· – καὶ ὑποχρίεσθαι δὲ τοὺς ὀφθαλμοὺς προσίετο, ὡς εὐοφθαλμότεροι φαίνοντο ἢ εἰσί, καὶ ἐντρίβεσθαι, ὡς εὐχροώτεροι ὁρῶντο ἢ πεφύκασιν. [8.1.42] ἐμελέτησε δὲ καὶ ὡς μὴ πτόντες μηδὲ ἀπομυττόμενοι φανεροὶ εἶεν, μηδὲ μεταστρεφόμενοι ἐπὶ θεᾶν μηδενός, ὡς οὐδὲν θαυμάζοντες. πάντα δὲ ταῦτα ὥιето φέρειν τι εἰς τὸ δυσκαταφρονητοτέρους φαίνεσθαι τοῖς ἀρχομένοις.

[8.1.43] Οὕς μὲν δὴ ἄρχειν ὥιето χρῆναι, δι' ἑαυτοῦ οὕτῳ κατεσκεύασε καὶ μελέτῃ καὶ τῷ σεμνῶς προεστάναι αὐτῶν· οὕς δ' αὖ κατεσκεύαζεν εἰς τὸ δουλεύειν, τούτους οὕτε μελετᾶν τῶν ἐλευθερίων πόνων οὐδένα παρῶρμα οὐθ' ὅπλα κεκτῆσθαι ἐπέτρεπεν· ἐπεμελεῖτο δὲ ὅπως μήτε ἄσιτοι μήτε ἄποτοί ποτε ἔσονται ἐλευθερίων ἔνεκα μελετημάτων. [8.1.44] καὶ γὰρ ὁπότε ἐλαύνονεν τὰ θηρία τοῖς ἵππεῦσιν εἰς τὰ πεδία, φέρεσθαι σῆτον εἰς θήραν τούτοις ἐπέτρεπε, τῶν δὲ ἐλευθέρων οὐδενί· καὶ ὁπότε πορεία εἴη, ἦγεν αὐτοὺς πρὸς τὰ ὕδατα ὥσπερ τὰ ὑποζύγια. καὶ ὁπότε δὲ ὥρα εἴη ἀρίστου, ἀνέμενεν αὐτοὺς ἔστ' ἐμφάγοιεν τι, ὡς μὴ βουλιμιῶιεν· ὥστε καὶ οὗτοι αὐτοῦ ὥσπερ οἱ ἄριστοι πατέρα ἐκάλουν, ὅτι ἐπεμέλετο αὐτῶν ὅπως ἀναμφιλόγως αἰὲ ἀνδράποδα διατελοῖεν.

[8.1.45] Τῇ μὲν δὴ ὅλῃ Περσῶν ἀρχῇ οὕτῳ τὴν ἀσφάλειαν κατεσκεύαζεν. αὐτῷ δὲ ὅτι μὲν οὐχ ὑπὸ τῶν καταστραφέντων κίνδυνος εἴη παθεῖν τι ἰσχυρῶς ἐθάρρει· καὶ γὰρ ἀνάλκιδας ἡγεῖτο εἶναι αὐτοὺς καὶ ἀσυντάκτους ὄντας ἐώρα, καὶ πρὸς τούτοις οὐδ'

ἐπλησίαζε τούτων οὐδεὶς αὐτῷ οὔτε νυκτὸς οὔτε ἡμέρας. [8.1.46] οὗς δὲ κρατίστους τε ἡγεῖτο καὶ ὦπλισμένους καὶ ἀθρόους ὄντας ἐώρα – καὶ τοὺς μὲν αὐτῶν ἦδαι ἱππέων ἡγεμόνας ὄντας, τοὺς δὲ πεζῶν· πολλοὺς δὲ αὐτῶν καὶ φρονήματα ἔχοντας ἡισθάνετο ὡς ἱκανοὺς ὄντας ἄρχειν· καὶ τοῖς φύλαξι δὲ αὐτοῦ οὗτοι μάλιστα ἐπλησίαζον, καὶ αὐτῷ δὲ τῷ Κύρῳ τούτων πολλοὶ πολλάκις συνεμίγνυσαν· ἀνάγκη γὰρ ἦν, ὅ τι καὶ χρῆσθαι ἔμελλεν αὐτοῖς – ὑπὸ τούτων οὖν καὶ κίνδυνος ἦν αὐτὸν μάλιστα παθεῖν τι κατὰ πολλοὺς τρόπους. [8.1.47] σκοπῶν οὖν ὅπως ἂν αὐτῷ καὶ τὰ ἀπὸ τούτων ἀκίνδυνα γένοιτο, τὸ μὲν περιελέσθαι αὐτῶν τὰ ὅπλα καὶ ἀπολέμους ποιῆσαι ἀπεδοκίμασε, καὶ ἄδικον ἡγούμενος καὶ κατάλυσιν τῆς ἀρχῆς ταύτην νομίζων· τὸ δ' αὖ μὴ προσίεσθαι αὐτοὺς καὶ τὸ ἀπιστοῦντα φανερὸν εἶναι ἀρχὴν ἡγήσατο πολέμου· [8.1.48] ἐν δὲ ἀντὶ πάντων τούτων ἔγνω καὶ κράτιστον εἶναι πρὸς τὴν ἑαυτοῦ ἀσφάλειαν καὶ κάλλιστον, εἰ δύναται ποιῆσαι τοὺς κρατίστους ἑαυτῷ μᾶλλον φίλους ἢ ἀλλήλοις. ὡς οὖν ἐπὶ τὸ φιλεῖσθαι δοκεῖ ἡμῖν ἐλθεῖν, τοῦτο πειρασόμεθα διηγῆσασθαι.

[8.2.1] Πρῶτον μὲν γὰρ διὰ παντὸς ἀεὶ τοῦ χρόνου φιланθρωπίαν τῆς ψυχῆς ὡς ἐδύνατο μάλιστα ἐνεφάνιζεν, ἡγούμενος, ὥσπερ οὐ ῥαϊδίον ἐστὶ φιλεῖν τοὺς μισεῖν δοκοῦντας οὐδ' εὐνοεῖν τοῖς κακόνοις, οὕτω καὶ τοὺς γνωσθέντας ὡς φιλοῦσι καὶ εὐνοοῦσιν, οὐκ ἂν δύνασθαι μισεῖσθαι ὑπὸ τῶν φιλεῖσθαι ἡγουμένων. [8.2.2] ἕως μὲν οὖν χρήμασιν ἀδυνατώτερος ἦν εὐεργετεῖν, τῷ τε προνοεῖν τῶν συνόντων καὶ τῷ προπονεῖν καὶ τῷ συνηδόμενος μὲν ἐπὶ τοῖς ἀγαθοῖς φανερὸς εἶναι, συναχθόμενος δ' ἐπὶ τοῖς κακοῖς, τούτοις ἐπειρᾶτο τὴν φιλίαν θηρεύειν· ἐπειδὴ δὲ ἐγένετο αὐτῷ ὥστε χρήμασιν εὐεργετεῖν, δοκεῖ ἡμῖν γινῶναι πρῶτον μὲν ὡς εὐεργέτημα ἀνθρώποις πρὸς ἀλλήλους οὐδέν ἐστιν ἀπὸ τῆς αὐτῆς δαπάνης ἐπιχαριτώτερον ἢ σίτων καὶ ποτῶν μετάδοσις. [8.2.3] τοῦτο δ' οὕτω νομίσας πρῶτον μὲν ἐπὶ τὴν αὐτοῦ τράπεζαν συνέταξεν ὅπως οἷς αὐτὸς σιτοῖτο σίτοις, τούτοις ὅμοια ἀεὶ παρατίθοιτο αὐτῷ ἱκανὰ παμπόλλοις ἀνθρώποις· ὅσα δὲ παρατεθείη, ταῦτα πάντα, πλην οἷς αὐτὸς καὶ οἱ σύνδειπνοι χρῆσαιντο, διεδίδου οἷς δὴ βούλοιο τῶν φίλων μνήμην ἐνδείκνυσθαι ἢ φιλοφροσύνην. διέπεμπε δὲ καὶ τούτοις οὗς ἀγασθείη ἢ ἐν φυλακαῖς ἢ ἐν θεραπειαῖς ἢ ἐν αἰστισινοῦν πράξεσιν, ἐνσημαινόμενος τοῦτο, ὅτι οὐκ ἂν λανθάνοιεν χαρίζεσθαι βουλόμενοι. [8.2.4] ἐτίμα δὲ καὶ τῶν οἰκετῶν ἀπὸ τῆς τραπέζης ὅποτε

τινὰ ἐπαινέσειε· καὶ τὸν πάντα δὲ σῖτον τῶν οἰκετῶν ἐπὶ τὴν αὐτοῦ τράπεζαν ἐπετίθετο, οἰόμενος ὥσπερ καὶ τοῖς κυσὶν ἐμποιεῖν τινα καὶ τοῦτο εὖνοιαν. εἰ δὲ καὶ θεραπεύεσθαι τινα βούλοιτο τῶν φίλων ὑπὸ πολλῶν, καὶ τούτοις ἔπεμπεν ἀπὸ τραπέζης· καὶ νῦν γὰρ ἔτι οἷς ἂν ὀρώσι πεμπόμενα ἀπὸ τῆς βασιλέως τραπέζης, τούτους πάντες μᾶλλον θεραπεύουσι, νομίζοντες αὐτοὺς ἐντίμους εἶναι καὶ ἱκανοὺς διαπράττειν, ἣν τι δέονται. ἔτι δὲ καὶ οὐ τούτων μόνον ἔνεκα τῶν εἰρημένων εὐφραίνει τὰ πεμπόμενα παρὰ βασιλέως, ἀλλὰ τῷ ὄντι καὶ ἡδονῇ πολὺ διαφέρει τὰ ἀπὸ τῆς βασιλέως τραπέζης. [8.2.5] καὶ τοῦτο μέντοι οὕτως ἔχειν οὐδὲν τι θαυμαστόν· ὥσπερ γὰρ καὶ αἱ ἄλλαι τέχναι διαφερόντως ἐν ταῖς μεγάλαις πόλεσιν ἐξειργασμέναι εἰσὶ, κατὰ τὸν αὐτὸν τρόπον καὶ τὰ παρὰ βασιλεῖ σῖτα πολὺ διαφερόντως ἐκπεπύονται. ἐν μὲν γὰρ ταῖς μικραῖς πόλεσιν οἱ αὐτοὶ ποιοῦσι κλίνην, θύραν, ἄροτρον, τράπεζαν, πολλάκις δ' ὁ αὐτὸς οὔτος καὶ οἰκοδομεῖ, καὶ ἀγαπᾷ ἦν καὶ οὕτως ἱκανοὺς αὐτὸν τρέφειν ἐργοδότας λαμβάνη· ἀδύνατον οὖν πολλὰ τεχνώμενον ἄνθρωπον πάντα καλῶς ποιεῖν. ἐν δὲ ταῖς μεγάλαις πόλεσι διὰ τὸ πολλοὺς ἐκάστου δεῖσθαι ἄρκει καὶ μία ἐκάστωι τέχνῃ εἰς τὸ τρέφεσθαι· πολλάκις δὲ οὐδ' ὅλη μία· ἀλλ' ὑποδήματα ποιεῖ ὁ μὲν ἀνδρεία, ὁ δὲ γυναικεῖα· ἔστι δὲ ἔνθα καὶ ὑποδήματα ὁ μὲν νευρορραφῶν μόνον τρέφεται, ὁ δὲ σχίζων, ὁ δὲ χιτῶνας μόνον συντέμνων, ὁ δὲ γε τούτων οὐδὲν ποιῶν ἀλλὰ συντιθεῖς ταῦτα. ἀνάγκη οὖν τὸν ἐν βραχυτάτῳ διατρίβοντα ἔργῳ τούτῳ καὶ ἄριστα δὴ ἡναγκάσθαι τοῦτο ποιεῖν. [8.2.6] τὸ αὐτὸ δὲ τοῦτο πέπονθε καὶ τὰ ἀμφὶ τὴν δίαιταν. ὧι μὲν γὰρ ὁ αὐτὸς κλίνην στρώννυσι, τράπεζαν κοσμεῖ, μάττει, ὅψα ἄλλοτε ἄλλοῖα ποιεῖ, ἀνάγκη οἶμαι τούτῳ, ὥς ἂν ἕκαστον προχωρῇ, οὕτως ἔχειν· ὅπου δὲ ἱκανὸν ἔργον ἐνὶ ἔψειν κρέα, ἄλλῳ ὀπτᾶν, ἄλλῳ δὲ ἰχθὺν ἔψειν, ἄλλῳ ὀπτᾶν, ἄλλῳ ἄρτους ποιεῖν, καὶ μηδὲ τούτους παντοδαπούς, ἀλλ' ἄρκει ἂν ἐν εἶδος εὐδοκιμοῦν παρέχει, ἀνάγκη οἶμαι καὶ ταῦτα οὕτω ποιούμενα πολὺ διαφερόντως ἐξειργάσθαι ἕκαστον.

[8.2.7] Τῇ μὲν δὴ τῶν σίτων θεραπείαι τοιαῦτα ποιῶν πολὺ ὑπερεβάλλετο πάντας· ὥς δὲ καὶ τοῖς ἄλλοις πᾶσι θεραπεύων πολὺ ἐκράτει, τοῦτο νῦν διηγῆσομαι· πολὺ γὰρ διενεγκὼν ἀνθρώπων τῷ πλείστας προσόδους λαμβάνειν πολὺ ἔτι πλέον δίνεγκε τῷ πλείστα ἀνθρώπων δωρεῖσθαι. κατήρξε μὲν οὖν τούτου Κῦρος, διαμένει δ' ἔτι καὶ νῦν τοῖς βασιλεῦσιν ἢ πολυδωρία. [8.2.8] τίνι μὲν γὰρ φίλοι

πλουσιώτεροι ὄντες φανεροὶ ἢ Περσῶν βασιλεῖς· τίς δὲ κοσμῶν κάλλιον φαίνεται στολαῖς τοὺς περὶ αὐτὸν ἢ βασιλεὺς; τίνος δὲ δῶρα γινώσκεται ὥσπερ ἕνια τῶν βασιλέως, ψέλια καὶ στρεπτοὶ καὶ ἵπποι χρυσοχάλινοι; οὐ γὰρ δὴ ἔξεστιν ἐκεῖ ταῦτα ἔχειν ὧι ἂν μὴ βασιλεὺς δῶι. [8.2.9] τίς δ' ἄλλος λέγεται δώρων μεγέθει ποιεῖν αἰρεῖσθαι αὐτὸν καὶ ἀντ' ἀδελφῶν καὶ ἀντὶ πατέρων καὶ ἀντὶ παίδων; τίς δ' ἄλλος ἐδυνάσθη ἐχθροὺς ἀπέχοντας πολλῶν μηνῶν ὁδὸν τιμωρεῖσθαι ὡς Περσῶν βασιλεὺς; τίς δ' ἄλλος καταστρεψάμενος ἀρχὴν ὑπὸ τῶν ἀρχομένων πατὴρ καλούμενος ἀπέθανεν ἢ Κῦρος; τοῦτο δὲ τοῦνομα δῆλον ὅτι εὐεργετοῦντός ἐστι μᾶλλον ἢ ἀφαιρουμένου. [8.2.10] κατεμάθομεν δὲ ὡς καὶ τοὺς βασιλέως καλουμένους ὀφθαλμοὺς καὶ τὰ βασιλέως ὧτα οὐκ ἄλλως ἐκτήσατο ἢ τῷ δωρεῖσθαι τε καὶ τιμᾶν· τοὺς γὰρ ἀπαγγέιλαντας ὅσα καιρὸς αὐτῷ εἶη πεπύσθαι μεγάλως εὐεργετῶν πολλοὺς ἐποίησεν ἀνθρώπους καὶ ὠτακουστέιν καὶ διοπτρεύειν τί ἂν ἀγγέιλαντες ὠφελήσειαν βασιλέα. [8.2.11] ἐκ τούτου δὴ καὶ πολλοὶ ἐνομίσθησαν βασιλέως ὀφθαλμοὶ καὶ πολλὰ ὧτα. εἰ δέ τις οἶεται ἕνα αἰρετὸν εἶναι ὀφθαλμὸν βασιλεῖ, οὐκ ὀρθῶς οἶεται· ὀλίγα γὰρ εἰς γ' ἂν ἴδοι καὶ εἰς ἀκούσειε· καὶ τοῖς ἄλλοις ὥσπερ ἀμελεῖν ἂν παρηγγελμένον εἶη, εἰ ἐνὶ τούτῳ προστεταγμένον εἶη· πρὸς δὲ καὶ ὄντινα γινώσκοιεν ὀφθαλμὸν ὄντα, τοῦτον ἂν εἶδεῖεν ὅτι φυλάττεσθαι δεῖ. ἀλλ' οὐχ οὕτως ἔχει, ἀλλὰ τοῦ φάσκοντος ἀκούσαι τι ἢ ἰδεῖν ἄξιον ἐπιμελείας παντός βασιλεὺς ἀκούει. [8.2.12] οὕτω δὴ πολλὰ μὲν βασιλέως ὧτα, πολλοὶ δ' ὀφθαλμοὶ νομίζονται· καὶ φοβοῦνται πανταχοῦ λέγειν τὰ μὴ σύμφορα βασιλεῖ, ὥσπερ αὐτοῦ ἀκούοντος, καὶ ποιεῖν ἢ μὴ σύμφορα, ὥσπερ αὐτοῦ παρόντος. οὐκ οὖν ὅπως μνησθῆναι ἂν τις ἐτόλμησε πρὸς τινά περὶ Κύρου φλαυρόν τι, ἀλλ' ὡς ἐν ὀφθαλμοῖς πᾶσι καὶ ὡς βασιλέως τοῖς ἀεὶ παροῦσιν οὕτως ἕκαστος διέκειτο. τὸ δὲ οὕτω διακεῖσθαι τοὺς ἀνθρώπους πρὸς αὐτὸν ἐγὼ μὲν οὐκ οἶδα ὅ τι ἂν τις αἰτιάσαιτο μᾶλλον ἢ ὅτι μεγάλα ἤθελεν ἀντὶ μικρῶν εὐεργετεῖν.

[8.2.13] Καὶ τὸ μὲν δὴ μεγέθει δώρων ὑπερβάλλειν πλουσιώτατον ὄντα οὐ θαυμαστόν· τὸ δὲ τῇ θεραπείᾳ καὶ τῇ ἐπιμελείᾳ τῶν φίλων βασιλεύοντα περιγίγνεσθαι, τοῦτο ἀξιολογώτερον. ἐκεῖνος τοίνυν λέγεται κατάδηλος εἶναι μηδενὶ ἂν οὕτως αἰσχυνθεὶς ἡττώμενος ὡς φίλων θεραπείᾳ. [8.2.14] καὶ λόγος δὲ αὐτοῦ ἀπομνημονεύεται ὡς λέγοι παραπλήσια ἔργα εἶναι νομέως ἀγαθοῦ καὶ βασιλέως ἀγαθοῦ· τὸν τε γὰρ νομέα χρῆναι ἔφη εὐδαίμονα τὰ κτήνη ποιοῦντα χρῆσθαι

αὐτοῖς, ἥ δὴ προβάτων εὐδαιμονία, τόν τε βασιλέα ὡσαύτως εὐδαίμονας πόλεις καὶ ἀνθρώπους ποιοῦντα χρῆσθαι αὐτοῖς. οὐδὲν οὖν θαυμαστόν, εἴπερ ταύτην εἶχε τὴν γνώμην, τὸ φιλονίκως ἔχειν πάντων ἀνθρώπων θεραπείαι περιγίγνεσθαι. [8.2.15] καλὸν δ' ἐπίδειγμα καὶ τοῦτο λέγεται Κῦρος ἐπιδεῖξαι Κροΐσῳ, ὅτε ἐνουθέτει αὐτὸν ὡς διὰ τὸ πολλὰ διδόναι πένης ἔσοιτο, ἐξὸν αὐτῷ θησαυροὺς χρυσοῦ πλείστους ἐνί γε ἀνδρὶ ἐν τῷ οἴκῳ καταθέσθαι. [8.2.16] καὶ τὸν Κῦρον λέγεται ἐρέσθαι· Καὶ πόσα ἂν ἤδη οἶμι μοι χρήματα εἶναι, εἰ συνέλεγον χρυσίον ὥσπερ σὺ κελεύεις ἐξ ὅτου ἐν τῇ ἀρχῇ εἰμι; καὶ τὸν Κροΐσον εἰπεῖν πολὺν τινα ἀριθμόν. καὶ τὸν Κῦρον πρὸς ταῦτα, Ἄγε δῆ, φάναι, ὦ Κροΐσε, σύμπεμψον ἄνδρα σὺν Ὑστάσπαι τουτωῖ ὅτῳ σὺ πιστεύεις μάλιστα. σὺ δέ, ὦ Ὑστάσπα, ἔφη, περιελθὼν πρὸς τοὺς φίλους λέγε αὐτοῖς ὅτι δέομαι χρυσοῦ πρὸς πρᾶξιν τινα· καὶ γὰρ τῷ ὄντι προσδέομαι· καὶ κέλευε αὐτοὺς ὅποσα ἂν ἕκαστος δύνηται πορίσαι μοι χρήματα γράψαντας καὶ κατασημνημένους δοῦναι τὴν ἐπιστολὴν τῷ Κροΐσου θεράπωντι φέρειν. [8.2.17] ταῦτα δὲ ὅσα ἔλεγε καὶ γράψας καὶ σημηνάμενος ἐδίδου τῷ Ὑστάσπαι φέρειν πρὸς τοὺς φίλους· ἐνέγραψε δὲ πρὸς πάντας καὶ Ὑστάσπαν ὡς φίλον αὐτοῦ δέχεσθαι. ἐπεὶ δὲ περιῆλθε καὶ ἤνεγκεν ὁ Κροΐσου θεράπων τὰς ἐπιστολάς, ὁ δὴ Ὑστάσπας εἶπεν· Ὡ Κῦρε βασιλεῦ, καὶ ἐμοὶ ἤδη χρή ὡς πλουσίῳ χρῆσθαι· πάμπολλα γὰρ ἔχων πάρειμι δῶρα διὰ τὰ σὰ γράμματα. [8.2.18] καὶ ὁ Κῦρος εἶπεν· Εἷς μὲν τοίνυν καὶ οὗτος ἤδη θησαυρὸς ἡμῖν, ὦ Κροΐσε· τοὺς δ' ἄλλους καταθεῶ καὶ λογίσαι πόσα ἐστὶν ἔτοιμα χρήματα, ἣν τι δέωμαι χρῆσθαι. λέγεται δὲ λογιζόμενος ὁ Κροΐσος πολλαπλάσια εὑρεῖν ἢ ἔφη Κύρῳ ἂν εἶναι ἐν τοῖς θησαυροῖς ἤδη, εἰ συνέλεγεν. [8.2.19] ἐπεὶ δὲ τοῦτο φανερὸν ἐγένετο, εἰπεῖν λέγεται ὁ Κῦρος· Ὅρᾱις, φάναι, ὦ Κροΐσε, ὡς εἰσὶ καὶ ἐμοὶ θησαυροί; ἀλλὰ σὺ μὲν κελεύεις με παρ' ἐμοὶ αὐτοὺς συλλέγοντα φθονεῖσθαι τε δι' αὐτοὺς καὶ μισεῖσθαι, καὶ φύλακας αὐτοῖς ἐφιστάντα μισθοφόρους τούτοις πιστεύειν· ἐγὼ δὲ τοὺς φίλους πλουσίους ποιῶν τούτους μοι νομίζω θησαυροὺς καὶ φύλακας ἅμα ἐμοῦ τε καὶ τῶν ἡμετέρων ἀγαθῶν πιστοτέρους εἶναι ἢ εἰ φρουροὺς μισθοφόρους ἐπεστησάμην. [8.2.20] καὶ ἄλλο δέ σοι ἐρῶ· ἐγὼ γάρ, ὦ Κροΐσε, ὃ μὲν οἱ θεοὶ δόντες εἰς τὰς ψυχὰς τοῖς ἀνθρώποις ἐποίησαν ὁμοίως πάντας πένητας, τούτου μὲν οὐδ' αὐτὸς δύναμαι περιγενέσθαι, ἀλλ' εἰμὶ ἄπληστος καὶ γὰρ ὥσπερ οἱ ἄλλοι χρημάτων· [8.2.21] τῇδὲ γε μέντοι διαφέρειν μοι δοκῶ τῶν πλείστων ὅτι οἱ μὲν

ἐπειδὴ τῶν ἀρκούντων περιττὰ κτήσονται, τὰ μὲν αὐτῶν κατορύττουσι, τὰ δὲ κατασέπουσι, τὰ δὲ ἀριθμοῦντες καὶ μετροῦντες καὶ ιστάντες καὶ διαψύχοντες καὶ φυλάττοντες πράγματα ἔχουσι, καὶ ὁμῶς ἔνδον ἔχοντες τοσαῦτα οὔτε ἐσθίουσι πλείω ἢ δύνανται φέρειν, διαρραγεῖν γὰρ ἂν, οὔτ' ἀμφιέννυνται πλείω ἢ δύνανται φέρειν, ἀποπνιγεῖν γὰρ ἂν, ἀλλὰ τὰ περιττὰ χρήματα πράγματα ἔχουσιν· ἐγὼ δ' ὑπηρετῶ μὲν τοῖς θεοῖς καὶ ὀρέγομαι ἀεὶ πλειόνων· [8.2.22] ἐπειδὴ δὲ κτήσωμαι, ἃ ἂν ἴδω περίττα ὄντα τῶν ἐμοὶ ἀρκούντων, τούτοις τάς τ' ἐνδεΐας τῶν φίλων ἐξακοῦμαι καὶ πλουτίζων καὶ εὐεργετῶν ἀνθρώπους εὖνοιαν ἐξ αὐτῶν κτῶμαι καὶ φιλίαν, καὶ ἐκ τούτων καρποῦμαι ἀσφάλειαν καὶ εὐκλειαν· ἃ οὔτε κατασέπεται οὔτε ὑπερληροῦντα λυμίνεται, ἀλλὰ ἡ εὐκλεία ὅσῳ ἂν πλείων ᾖ, τοσοῦτω καὶ μείζων καὶ καλλίων καὶ κουφοτέρα φέρειν γίνεται, πολλάκις δὲ καὶ τοὺς φέροντας αὐτὴν κουφοτέρους παρέχεται. [8.2.23] ὅπως δὲ καὶ τοῦτο εἰδήσῃς, ἔφη, ὦ Κροῖσε, ἐγὼ οὐ τοὺς πλεῖστα ἔχοντας καὶ φυλάττοντας πλεῖστα εὐδαιμονεστάτους ἡγοῦμαι· οἱ γὰρ τὰ τεῖχη φυλάττοντες οὕτως ἂν εὐδαιμονέστατοι εἴησαν· πάντα γὰρ τὰ ἐν ταῖς πόλεσι φυλάττουσιν· ἀλλ' ὅς ἂν κτᾶσθαι τε πλεῖστα δύνηται σὺν τῷ δικαίῳ καὶ χρῆσθαι πλείστοις σὺν τῷ καλῷ, τοῦτον ἐγὼ εὐδαιμονέστατον νομίζω [καὶ τὰ χρήματα]. καὶ ταῦτα μὲν δὴ φανερὸς ἦν ὥσπερ ἔλεγε καὶ πράττων.

[8.2.24] Πρὸς δὲ τούτοις κατανοήσας τοὺς πολλοὺς τῶν ἀνθρώπων ὅτι ἦν μὲν ὑγιαίνοντες διατελῶσι, παρασκευάζονται ὅπως ἔξουσι τὰ ἐπιτήδεια καὶ κατατίθενται τὰ χρήσιμα εἰς τὴν τῶν ὑγιαίνόντων δίαιταν· ὅπως δὲ ἦν ἀσθενήσωσι τὰ σύμφορα παρέσται, τούτου οὐ πάνυ ἐπιμελομένους ἑώρα· ἔδοξεν οὖν καὶ ταῦτα ἐκπονῆσαι αὐτῷ, καὶ ἰατροὺς τε τοὺς ἀρίστους συνεκομίσατο πρὸς αὐτὸν τῷ τελεῖν ἐθέλειν καὶ ὅποσα ἢ ὄργανα χρήσιμα ἔφη τις ἂν αὐτῶν γενέσθαι ἢ φάρμακα ἢ σῖτα ἢ ποτά, οὐδὲν τούτων ὃ τι οὐχὶ παρασκευάσας ἐθησαύριζε παρ' αὐτῷ. [8.2.25] καὶ ὁπότε δὲ τις ἀσθενήσῃ τῶν θεραπεύεσθαι ἐπικαιρίων, ἐπεσκόπει καὶ παρεῖχε πάντα ὅτου ἔδει. καὶ τοῖς ἰατροῖς δὲ χάριν ἡίδει, ὁπότε τις ἰάσαιτό τινα τῶν παρ' ἐκείνου λαμβάνων.

[8.2.26] Ταῦτα μὲν δὴ καὶ τοιαῦτα πολλὰ ἐμηχανᾶτο πρὸς τὸ πρωτεύειν παρ' οἷς ἐβούλετο ἑαυτὸν φιλεῖσθαι. ὣν δὲ προηγόρευε τε ἀγῶνας καὶ ἄθλα προυτίθει, φιλονικίας ἐμποιεῖν βουλόμενος περὶ τῶν καλῶν καὶ ἀγαθῶν ἔργων, ταῦτα τῷ μὲν Κύρῳ ἔπαινον

παρεῖχεν ὅτι ἐπεμέλετο ὅπως ἀσκοῖτο ἡ ἀρετή· τοῖς μέντοι ἀρίστοις οἱ ἀγῶνες οὗτοι πρὸς ἀλλήλους καὶ ἔριδας καὶ φιλονικίας ἐνέβαλλον. [8.2.27] πρὸς δὲ τούτοις ὥσπερ νόμον κατεστήσατο ὁ Κῦρος, ὅσα διακρίσεως δέοιτο εἴτε δίκηι εἴτε ἀγωνίσματι, τοὺς δεομένους διακρίσεως συντρέχειν τοῖς κριταῖς. δῆλον οὖν ὅτι ἐστοχάζοντο μὲν οἱ ἀνταγωνιζόμενοί τι ἀμφοτέροι τῶν κρατίστων καὶ τῶν μάλιστα φίλων κριτῶν· ὁ δὲ μὴ νικῶν τοῖς μὲν νικῶσιν ἐφθόνει, τοὺς δὲ μὴ ἑαυτὸν κρίνοντας ἐμίσει· ὁ δ' αὖ νικῶν τῷ δικαίῳ προσεποιεῖτο νικᾶν, ὥστε χάριν οὐδενὶ ἡγεῖτο ὀφείλειν. [8.2.28] καὶ οἱ πρωτεύειν δὲ βουλόμενοι φιλαίαι παρὰ Κύρῳ, ὥσπερ ἄλλοι ἐν πόλεσι, καὶ οὗτοι ἐπιφθόνως πρὸς ἀλλήλους εἶχον, ὥσθ' οἱ πλείονες ἐκποδῶν ἐβούλοντο ὁ ἕτερος τὸν ἕτερον γενέσθαι μᾶλλον ἢ συνέπραξαν ἂν τι ἀλλήλοις ἀγαθόν. καὶ ταῦτα μὲν δεδήλωται ὡς ἐμηχανᾶτο τοὺς κρατίστους αὐτὸν μᾶλλον πάντας φιλεῖν ἢ ἀλλήλους.

[8.3.1] Νῦν δὲ ἤδη διηγησόμεθα ὡς τὸ πρῶτον ἐξήλασε Κῦρος ἐκ τῶν βασιλείων· καὶ γὰρ αὐτῆς τῆς ἐξελάσεως ἡ σεμνότης ἡμῖν δοκεῖ μία τῶν τεχνῶν εἶναι τῶν μεμηχανημένων τὴν ἀρχὴν μὴ εὐκαταφρόνητον εἶναι. πρῶτον μὲν οὖν πρὸ τῆς ἐξελάσεως εἰσκαλέσας πρὸς αὐτὸν τοὺς τὰς ἀρχὰς ἔχοντας Περσῶν τε καὶ τῶν ἄλλων συμμάχων διέδωκεν αὐτοῖς τὰς Μηδικὰς στολάς· καὶ τότε πρῶτον Πέρσαι Μηδικὴν στολὴν ἐνέδυσαν· διαδιδούς τε ἅμα τάδε ἔλεγεν αὐτοῖς ὅτι ἐλάσαι βούλοιο εἰς τὰ τεμένη τὰ τοῖς θεοῖς ἐξηρημένα καὶ θῦσαι μετ' ἐκείνων. [8.3.2] πάρεστε οὖν, ἔφη, ἐπὶ τὰς θύρας κοσμηθέντες ταῖς στολαῖς ταύταις πρὶν ἥλιον ἀνατέλλειν, καὶ καθίστασθε ὡς ἂν ὑμῖν Φεραύλας ὁ Πέρσης ἐξαγγεῖλῃ παρ' ἐμοῦ· καὶ ἐπειδὰν, ἔφη, ἐγὼ ἡγῶμαι, ἔπεσθε ἐν τῇ ῥηθείσῃ χώρᾳ. ἦν δ' ἄρα τινὶ δοκῇ ὑμῖν ἄλλῃ κάλλιον εἶναι ἢ ὡς ἂν νῦν ἐλαύνωμεν, ἐπειδὰν πάλιν ἔλθωμεν, διδασκέτω με· ὅπῃ γὰρ ἂν κάλλιστον καὶ ἄριστον ὑμῖν δοκῇ εἶναι, ταύτῃ ἕκαστα δεῖ καταστήσασθαι. [8.3.3] ἐπεὶ δὲ τοῖς κρατίστοις διέδωκε τὰς καλλίστας στολάς, ἐξέφερε δὴ καὶ ἄλλας Μηδικὰς στολάς, παμπόλλας γὰρ παρεσκευάσατο, οὐδὲν φειδόμενος οὔτε προφυρίδων οὔτε ὀρφνίνων οὔτε φοινικίδων οὔτε καρυκίνων ἱματίων· νείμας δὲ τούτων τὸ μέρος ἐκάστωι τῶν ἡγεμόνων ἐκέλευσεν αὐτοὺς τούτους κοσμεῖν τοὺς αὐτῶν φίλους, ὥσπερ, ἔφη, ἐγὼ ὑμᾶς κοσμῶ. [8.3.4] καὶ τις τῶν παρόντων ἐπήρετο αὐτόν· Σὺ δέ, ὦ Κύρε, ἔφη, πότε κοσμήσῃ; ὁ δ' ἀπεκρίνατο· Οὐ γὰρ νῦν, ἔφη, δοκῶ ὑμῖν αὐτὸς κοσμεῖσθαι ὑμᾶς κοσμῶν; ἀμέλει, ἔφη, ἦν

δύνωμαι ὑμᾶς τοὺς φίλους εὖ ποιεῖν, ὅποιαν ἂν ἔχων στολὴν τυγχάνω, ἐν ταύτῃ καλὸς φανοῦμαι. [8.3.5] οὕτω δὴ οἱ μὲν ἀπελθόντες μεταπεμπόμενοι τοὺς φίλους ἐκόσμουσαν ταῖς στολαῖς. ὁ δὲ Κῦρος νομίζων Φεραύλαν τὸν ἐκ τᾶν δημοτῶν καὶ συνετὸν εἶναι καὶ φιλόκαλον καὶ εὐτακτον καὶ τοῦ χαρίζεσθαι αὐτῷ οὐκ ἀμελῆ, ὅς ποτε καὶ περὶ τοῦ τιμᾶσθαι ἕκαστον κατὰ τὴν ἀξίαν συνεῖπε, τοῦτον δὴ καλέσας συνεβουλευέτο αὐτῷ πῶς ἂν τοῖς μὲν εὖνοις κάλλιστα ἰδεῖν ποιοῖτο τὴν ἐξέλασιν, τοῖς δὲ δυσμενέσι φοβερῶτατα. [8.3.6] ἐπεὶ δὲ σκοποῦντοιν αὐτοῖν ταῦτ᾽ ἀνέδοξεν, ἐκέλευσε τὸν Φεραύλαν ἐπιμεληθῆναι ὅπως ἂν οὕτω γένηται αὖριον ἢ ἐξέλασις ὥσπερ ἔδοξε καλῶς ἔχειν. Εἴρηκα δέ, ἔφη, ἐγὼ πάντας πείθεσθαι σοι περὶ τῆς ἐν τῇ ἐξελάσει τάξεως· ὅπως δ' ἂν ἥδιον παραγγέλλοντός σου ἀκούωσι, φέρε λαβών, ἔφη, χιτῶνας μὲν τουτουσί τοῖς τῶν δορυφόρων ἡγεμόσι, κασᾶς δὲ τούσδε τοὺς ἐφιππίους τοῖς τῶν ἱππέων ἡγεμόσι δός, καὶ τῶν ἀρμάτων τοῖς ἡγεμόσιν ἄλλους τούσδε χιτῶνας. [8.3.7] ὁ μὲν δὴ ἔφερε λαβών· οἱ δὲ ἡγεμόνες ἐπεὶ ἴδοιεν αὐτόν, ἔλεγον· Μέγας δὴ σύγε, ὦ Φεραύλα, ὁπότε γε καὶ ἡμῖν τάξεις ἃ ἂν δέῃ ποιεῖν. Οὐ μὰ Δί', ἔφη ὁ Φεραύλας, οὐ μόνον γε, ὡς ἔοικεν, ἀλλὰ καὶ συσκευοφορήσω· νῦν γοῦν φέρω τῷδε δύο κασᾶ, τὸν μὲν σοί, τὸν δὲ ἄλλω· σὺ μέντοι τούτων λαβὲ ὁπότερον βούλει. [8.3.8] ἐκ τούτου δὴ ὁ μὲν λαμβάνων τὸν κασᾶν τοῦ μὲν φθόνου ἐπελέληστο, εὐθὺς δὲ συνεβουλευέτο αὐτῷ ὁπότερον λαμβάνοι· ὁ δὲ συμβουλευσας ἂν ὁπότερος βελτίων εἴη καὶ εἰπών· Ἦν μου κατηγορήσης ὅτι αἵρεσίν σοι ἔδωκα, εἰς αὐθις ὅταν διακονῶ, ἐτέρωι χρήσῃ μοι διακόνωι· ὁ μὲν δὴ Φεραύλας οὕτω διαδούς ἦ ἐτάχθη εὐθὺς ἐπεμελεῖτο τῶν εἰς τὴν ἐξέλασιν ὅπως ὡς κάλλιστα ἕκαστα ἔξοι.

[8.3.9] Ἦνίκα δ' ἡ ὑστεραία ἦκε, καθαρὰ μὲν ἦν πάντα πρὸ ἡμέρας, στοῖχοι δὲ εἰστήκεσαν ἔνθεν καὶ ἔνθεν τῆς ὁδοῦ, ὥσπερ καὶ νῦν ἔτι ἴστανται ἦι ἂν βασιλεὺς μέλλῃ ἐλαύνειν· ὧν ἐντὸς οὐδενὶ ἔστιν εἰσιέναι τῶν μὴ τετιμημένων· μαστιγοφόροι δὲ καθέστασαν, οἱ ἔπαιον εἴ τις ἐνοχλοίῃ. ἔστασαν δὲ πρῶτον μὲν τῶν δορυφόρων εἰς τετρακισχίλιους ἔμπροσθεν τῶν πυλῶν εἰς τέτταρας, δισχιλίοι δ' ἐκατέρωθεν τῶν πυλῶν. [8.3.10] καὶ οἱ ἱππεῖς δὲ πάντες παρήσαν καταβεβηκότες ἀπὸ τῶν ἵππων, καὶ διειρκότες τὰς χεῖρας διὰ τῶν κανδύων, ὥσπερ καὶ νῦν ἔτι διεύρουσιν, ὅταν ὁρᾷ βασιλεὺς. ἔστασαν δὲ Πέρσαι μὲν ἐκ δεξιᾶς, οἱ δὲ ἄλλοι σύμμαχοι ἐξ ἀριστερᾶς τῆς

ὁδοῦ, καὶ τὰ ἄρματα ὡσαύτως τὰ ἡμίσεα ἐκατέρωθεν. [8.3.11] ἐπεὶ δ' ἀνεπετάννυντο αἱ τοῦ βασιλείου πύλαι, πρῶτον μὲν ἦγοντο τῷ Δ11 ταῦροι πάγκαλοι εἰς τέτταρας καὶ οἷς τῶν ἄλλων θεῶν οἱ μάγοι ἐξηγοῦντο· πολὺ γὰρ οἶονται Πέρσαι χρῆναι τοῖς περὶ τοὺς θεοὺς μᾶλλον τεχνίταις χρῆσθαι ἢ περὶ ἄλλα. [8.3.12] μετὰ δὲ τοὺς βοῦς ἵπποι ἦγοντο θῦμα τῷ Ἡλίῳ· μετὰ δὲ τούτους ἐξήγετο ἄρμα λευκὸν χρυσόζυγον ἐστεμμένον Διὸς ἱερόν· μετὰ δὲ τοῦτο Ἡλίου ἄρμα λευκόν, καὶ τοῦτο ἐστεμμένον ὥσπερ τὸ πρόσθεν· μετὰ δὲ τοῦτο ἄλλο τρίτον ἄρμα ἐξήγετο, φοινικίσι καταπεπταμένοι οἱ ἵπποι, καὶ πῦρ ὀπισθεν αὐτοῦ ἐπ' ἐσχάρας μεγάλης ἄνδρες εἶποντο φέροντες. [8.3.13] ἐπὶ δὲ τούτοις ἤδη αὐτὸς ἐκ τῶν πυλῶν προφαίνεται ὁ Κῦρος ἐφ' ἄρματος ὀρθὴν ἔχων τὴν τιάραν καὶ χιτῶνα πορφυροῦν μεσόλευκον [ἄλλωι δ' οὐκ ἔξεστι μεσόλευκον ἔχειν], καὶ περὶ τοῖς σκέλεσιν ἀναξυρίδας ὑσγινοβαφεῖς, καὶ κἀνδυν ὀλοπόρφυρον. εἶχε δὲ καὶ διάδημα περὶ τῇ τιάρᾳ· καὶ οἱ συγγενεῖς δὲ αὐτοῦ τὸ αὐτὸ τοῦτο σημεῖον εἶχον, καὶ νῦν τὸ αὐτὸ τοῦτο ἔχουσι. [8.3.14] τὰς δὲ χεῖρας ἔξω τῶν χειρίδων εἶχε. παρωχεῖτο δὲ αὐτῷ ἡνίοχος μέγας μὲν, μείων δ' ἐκείνου εἶτε καὶ τῷ ὄντι εἶτε καὶ ὅπως οὖν· μείζων δ' ἐφάνη πολὺ Κῦρος. ἰδόντες δὲ πάντες προσεκύνησαν, εἶτε καὶ ἄρξαι τινὲς κεκελευσμένοι εἶτε καὶ ἐκπλαγέντες τῇ παρασκευῇ καὶ τῷ δόξαι μέγαν τε καὶ καλὸν φανῆναι τὸν Κῦρον. πρόσθεν δὲ Περσῶν οὐδεὶς Κῦρον προσεκύνει. [8.3.15] ἐπεὶ δὲ προΐηι τὸ τοῦ Κύρου ἄρμα, προηγούντο μὲν οἱ τετρακισχίλιοι δορυφόροι, παρείποντο δὲ οἱ δισχίλιοι ἐκατέρωθεν τοῦ ἄρματος· ἐφείποντο δὲ οἱ περὶ αὐτὸν σκηπτοῦχοι ἐφ' ἵππων κεκοσμημένοι σὺν τοῖς παλτοῖς ἀμφὶ τοὺς τριακοσίους. [8.3.16] οἱ δ' αὖ τῷ Κύρῳ τρεφόμενοι ἵπποι παρήγοντο χρυσοχάλινοι, ῥαβδωτοῖς ἱματίοις καταπεπταμένοι, ἀμφὶ τοὺς διακοσίους· ἐπὶ δὲ τούτοις δισχίλιοι ξυστοφόροι· ἐπὶ δὲ τούτοις ἵππεῖς οἱ πρῶτοι γενόμενοι μύριοι, εἰς ἑκατὸν πανταχῇ τεταγμένοι· ἡγεῖτο δ' αὐτῶν Χρυσάντας· [8.3.17] ἐπὶ δὲ τούτοις μύριοι ἄλλοι Περσῶν ἵππεῖς τεταγμένοι ὡσαύτως, ἡγεῖτο δ' αὐτῶν Ὑστάσπας· ἐπὶ δὲ τούτοις ἄλλοι μύριοι ὡσαύτως, ἡγεῖτο δ' αὐτῶν Δατάμας· ἐπὶ δὲ τούτοις ἄλλοι, ἡγεῖτο δ' αὐτῶν Γαδάτας· [8.3.18] ἐπὶ δὲ τούτοις Μῆδοι ἵππεῖς, ἐπὶ δὲ τούτοις Ἀρμένιοι, μετὰ δὲ τούτους Ὑρκάνιοι, μετὰ δὲ τούτους Καδούσιοι, ἐπὶ δὲ τούτοις Σάκαι· μετὰ δὲ τοὺς ἵππεας ἄρματα ἐπὶ τεττάρων τετάγμένα, ἡγεῖτο δ' αὐτῶν Ἀρταβάτας Πέρσης.

[8.3.19] Πορευομένου δὲ αὐτοῦ πάμπολλοι ἄνθρωποι παρείποντο ἔξω τῶν σημείων, δεόμενοι Κύρου ἄλλος ἄλλης πράξεως. πέμψας οὖν πρὸς αὐτοὺς τῶν σκηπτούχων τινάς, οἱ παρείποντο αὐτῷ τρεῖς ἐκατέρωθεν τοῦ ἄρματος αὐτοῦ τούτου ἕνεκα τοῦ διαγγέλλειν, ἐκέλευσεν εἰπεῖν αὐτοῖς, εἴ τις τι αὐτοῦ δέοιτο, διδάσκειν τῶν ἱπάρχων τινὰ ὃ τι τις βούλοιο, ἐκείνους δ' ἔφη πρὸς αὐτὸν ἐρεῖν. οἱ μὲν δὴ ἀπιόντες εὐθὺς κατὰ τοὺς ἱππέας ἐπορεύοντο καὶ ἐβουλεύοντο τίνι ἕκαστος προσίει. [8.3.20] ὁ δὲ Κῦρος οὖς ἐβούλετο μάλιστα θεραπεύεσθαι τῶν φίλων ὑπὸ τῶν ἀνθρώπων, τούτους πέμπων τινὰ πρὸς αὐτὸν ἐκάλει καθ' ἕνα ἕκαστον καὶ ἔλεγεν αὐτοῖς οὕτως· Ἦν τις ὑμᾶς διδάσκητι τι τούτων τῶν παρεπομένων, ὃς μὲν ἂν μὴδὲν δοκῇ ὑμῖν λέγειν, μὴ προσέχετε αὐτῷ τὸν νοῦν· ὃς δ' ἂν δικαίων δεῖσθαι δοκῇ, εἰσαγγέλλετε πρὸς ἐμέ, ἵνα κοινῇ βουλευόμενοι διαπράττωμεν αὐτοῖς. [8.3.21] οἱ μὲν δὴ ἄλλοι, ἐπεὶ καλέσειεν, ἀνὰ κράτος ἐλαύνοντες ὑπήκουον, συναυξόντες τὴν ἀρχὴν τῷ Κύρῳ καὶ ἐνδεικνύμενοι ὅτι σφόδρα πείθοντο· Δαΐφέρνης δέ τις ἦν σολικότερος ἄνθρωπος τῷ τρόπῳ, ὃς ᾔετο, εἰ μὴ ταχὺ ὑπακούοι, ἐλευθερώτερος ἂν φαίνεσθαι. [8.3.22] αἰσθόμενος οὖν ὁ Κῦρος τοῦτο, πρὶν προσελθεῖν αὐτὸν καὶ διαλεχθῆναι αὐτῷ ὑποπέμψας τινὰ τῶν σκηπτούχων εἰπεῖν ἐκέλευσε πρὸς αὐτὸν ὅτι οὐδὲν ἔτι δέοιτο· καὶ τὸ λοιπὸν οὐκ ἐκάλει. [8.3.23] ὥς δ' ὁ ὕστερον κληθεὶς αὐτοῦ πρότερος αὐτῷ προσήλασεν, ὁ Κῦρος καὶ ἵππον αὐτῷ ἔδωκε τῶν παρεπομένων καὶ ἐκέλευσε τῶν σκηπτούχων τινὰ συναπαγαγεῖν αὐτῷ ὅποι κελεύσειε. τοῖς δὲ ἰδοῦσιν ἐντιμόν τι τοῦτο ἔδοξεν εἶναι, καὶ πολὺ πλείονες ἐκ τούτου αὐτὸν ἐθεράπευον ἀνθρώπων.

[8.3.24] Ἐπεὶ δὲ ἀφίκοντο πρὸς τὰ τεμένη, ἔθυσαν τῷ Διὶ καὶ ὠλοκαύτησαν τοὺς ταύρους· ἔπειτα τῷ Ἡλίῳ καὶ ὠλοκαύτησαν τοὺς ἵππους· ἔπειτα Γῇ σφάζαντες ὥς ἐξηγήσαντο οἱ μάγοι ἐποίησαν· ἔπειτα δὲ ἥρωσι τοῖς Συρίαν ἔχουσι. [8.3.25] μετὰ δὲ ταῦτα καλοῦ ὄντος τοῦ χωρίου ἔδειξε τέρμα ὥς ἐπὶ πέντε σταδίων [χωρίου], καὶ εἶπε κατὰ φύλα ἀνὰ κράτος ἐνταῦθα ἀφεῖναι τοὺς ἵππους. σὺν μὲν οὖν τοῖς Πέρσiais αὐτὸς ἤλασε καὶ ἐνίκα πολὺ· μάλιστα γὰρ ἐμεμελήκει αὐτῷ ἱπικῆς· Μήδων δὲ Ἀρτάβαζος ἐνίκα· Κῦρος γὰρ αὐτῷ τὸν ἵππον ἐδεδώκει· τοῦ δρόμου. Σύρων δὲ τῶν ἀποστάτων Γαδάτας· Ἀρμενίων δὲ Τιγράνης· Ὑρκανίων δὲ ὁ υἱὸς τοῦ ἱπάρχου· Σακῶν δὲ ἰδιώτης ἀνὴρ ἀπέλιπεν ἄρα τῷ ἵππῳ τοὺς ἄλλους ἵππους

ἐγγὺς τῷ ἡμίσει [8.3.26] ἔνθα δὴ λέγεται ὁ Κῦρος ἐρέσθαι τὸν νεανίσκον εἰ δέξαιτ' ἂν βασιλείαν ἀντὶ τοῦ ἵππου. τὸν δ' ἀποκρίνασθαι ὅτι Βασιλείαν μὲν οὐκ ἂν δεξαίμην, χάριν δὲ ἀνδρὶ ἀγαθῷ καταθέσθαι δεξαίμην ἂν. [8.3.27] καὶ ὁ Κῦρος εἶπε· Καὶ μὴ ἐγὼ δεῖξάι σοι θέλω ἔνθα κἂν μύων βάληις, οὐκ ἂν ἀμάρτοις ἀνδρὸς ἀγαθοῦ. Πάντως τοίνυν, ὁ Σάκας ἔφη, δεῖξόν μοι· ὡς βαλῶ γε ταύτη τῇ βῶλῳ, ἔφη ἀνελόμενος. [8.3.28] καὶ ὁ μὲν Κῦρος δείκνυσιν αὐτῷ ὅπου ἦσαν πλεῖστοι τῶν φίλων· ὁ δὲ καταμύων ἦσι τῇ βῶλῳ καὶ παρελαύνοντος Φεραύλα τυγχάνει· ἔτυχε γὰρ ὁ Φεραύλας παραγγέλλων τι τακτὸς παρὰ τοῦ Κύρου· βληθεὶς δὲ οὐδὲ μετεστράφη, ἀλλ' ὦιχετο ἐφ' ὅπερ ἐτάχθη. [8.3.29] ἀναβλέψας δὲ ὁ Σάκας ἐρωτᾷ τίνος ἔτυχεν. Οὐ μὰ τὸν Δί', ἔφη, οὐδενὸς τῶν παρόντων. Ἀλλ' οὐ μέντοι, ἔφη ὁ νεανίσκος, τῶν γε ἀπόντων. Ναὶ μὰ Δί', ἔφη ὁ Κῦρος, σύγε ἐκείνου τοῦ παρὰ τὰ ἄρματα ταχὺ ἐλαύνοντος τὸν ἵππον. Καὶ πῶς, ἔφη, οὐδὲ μεταστρέφεται; [8.3.30] καὶ ὁ Κῦρος ἔφη· Μαινόμενος γὰρ τίς ἐστιν, ὡς ἔοικεν. ἀκούσας ὁ νεανίσκος ὦιχετο σκεπτόμενος τίς εἴη· καὶ εὕρισκει τὸν Φεραύλαν γῆς τε κατὰπλεων τὸ γένειον καὶ αἵματος· ἐρρὺν γὰρ αὐτῷ ἐκ τῆς ῥινὸς βληθέντι. ἐπεὶ δὲ προσῆλθεν, ἤρετο αὐτὸν εἰ βληθείη. [8.3.31] ὁ δὲ ἀπεκρίνατο· Ὡς ὀρᾷς. Δίδωμι τοίνυν σοι, ἔφη, τοῦτον τὸν ἵππον. ὁ δ' ἐπήρετο· Ἀντὶ τοῦ; ἐκ τούτου δὴ διηγείτο ὁ Σάκας τὸ πρᾶγμα, καὶ τέλος εἶπε· Καὶ οἶμαί γε οὐχ ἡμαρτηκέναι ἀνδρὸς ἀγαθοῦ. [8.3.32] καὶ ὁ Φεραύλας εἶπεν· Ἀλλὰ πλουσιωτέρωι μὲν ἂν, εἰ ἐσωφρόνεις, ἢ ἐμοὶ ἐδίδους· νῦν δὲ κἀγὼ δέξομαι. ἐπεύχομαι δέ, ἔφη, τοῖς θεοῖς, οἵπερ με ἐποίησαν βληθῆναι ὑπὸ σοῦ, δοῦναί μοι ποιῆσαι μὴ μεταμέλειν σοι τῆς ἐμῆς δωρεᾶς. καὶ νῦν μὲν, ἔφη, ἀπέλα, ἀναβάς ἐπὶ τὸν ἐμὸν ἵππον· αὐθις δ' ἐγὼ παρέσομαι πρὸς σέ. οἱ μὲν δὴ οὕτω διηλλάζαντο. Καδουσίῳ δὲ ἐνίκᾳ Ῥαθίνης. [8.3.33] ἀφίει δὲ καὶ τὰ ἄρματα καθ' ἕκαστον· τοῖς δὲ νικῶσι πᾶσιν ἐδίδου βοῦς τε, ὅπως ἂν θύσαντες ἐστιῶντο, καὶ ἐκπώματα. τὸν μὲν οὖν βοῦν ἔλαβε καὶ αὐτὸς τὸ νικητήριον· τῶν δ' ἐκπωμάτων τὸ αὐτοῦ μέρος Φεραύλα ἔδωκεν, ὅτι καλῶς ἔδοξεν αὐτῷ τὴν ἐκ τοῦ βασιλείου ἔλασιν διατάξαι. [8.3.34] οὕτω δὴ τότε ὑπὸ Κύρου κατασταθεῖσα ἡ βασιλέως ἔλασις οὕτως ἔτι καὶ νῦν διαμένει, πλὴν τὰ ἱερὰ ἄπεστιν, ὅταν μὴ θύῃ. ὡς δὲ ταῦτα τέλος εἶχεν, ἀφικνοῦνται πάλιν εἰς τὴν πόλιν, καὶ ἐσκήνησαν, οἷς μὲν ἐδόθησαν οἰκίαι, κατ' οἰκίας, οἷς δὲ μὴ, ἐν τάξει.

[8.3.35] Καλέσας δὲ καὶ ὁ Φεραύλας τὸν Σάκαν τὸν δόντα τὸν ἵππον

ἐξένιζε, καὶ τᾶλλά τε παρεῖχεν ἔκπλεω, καὶ ἐπεὶ ἐδεδειπνήκεσαν, τὰ ἐκπώματα αὐτῷ ἃ ἔλαβε παρὰ Κύρου ἐμπιμπλὰς προύπινε καὶ ἐδωρεῖτο. [8.3.36] καὶ ὁ Σάκας ὁρῶν πολλὴν μὲν καὶ καλὴν στρωμνὴν, πολλὴν δὲ καὶ καλὴν κατασκευὴν, καὶ οἰκέτας δὲ πολλοὺς, Εἰπέ μοι, ἔφη, ὦ Φεραύλα, ἥ καὶ οἴκοι τῶν πλουσίων ἦσθα; [8.3.37] καὶ ὁ Φεραύλας εἶπε· Ποίων πλουσίων; τῶν μὲν οὖν σαφῶς ἀποχειροβιώτων. ἐμὲ γάρ τοι ὁ πατὴρ τὴν μὲν τῶν παίδων παιδείαν γλίσχρως αὐτὸς ἐργαζόμενος καὶ τρέφων ἐπαίδευεν· ἐπεὶ δὲ μειράκιον ἐγενόμην, οὐ δυνάμενος τρέφειν ἄργόν, εἰς ἀγρὸν ἀπαγαγὼν ἐκέλευσεν ἐργάζεσθαι. [8.3.38] ἔνθα δὴ ἐγὼ ἀντέτρεφον ἐκείνους, ἕως ἔζη, αὐτὸς σκάπτων καὶ σπείρων καὶ μάλα μικρὸν γήϊδιον, οὐ μέντοι πονηρόν γε, ἀλλὰ πάντων δικαιοτάτον· ὅ τι γὰρ λάβοι σπέρμα, καλῶς καὶ δικαίως ἀπεδίδου αὐτὸ τε καὶ τόκον οὐδὲν τι πολύν· ἤδη δὲ ποτε ὑπὸ γενναιότητος καὶ διπλάσια ἀπέδωκεν ὣν ἔλαβεν. οἴκοι μὲν οὖν ἔγωγε οὕτως ἔζων· νῦν δὲ ταῦτα πάντα ἃ ὁραῖς Κῦρός μοι ἔδωκε. [8.3.39] καὶ ὁ Σάκας εἶπεν· ὦ μακάριε σὺ τὰ τε ἄλλα καὶ αὐτὸ τοῦτο ὅτι ἐκ πένητος πλούσιος γεγένησαι· πολὺ γὰρ οἶομαί σε καὶ διὰ τοῦτο ἥδιον πλουτεῖν ὅτι πεινῆσας χρημάτων ἐπλούτησας. [8.3.40] καὶ ὁ Φεραύλας εἶπεν· Ἡ γὰρ οὕτως, ὦ Σάκα, ὑπολαμβάνεις ὥς ἐγὼ νῦν τοσοῦτοι ἥδιον ζῶ ὅσσοι πλείω κέκτημαι; οὐκ οἶσθα, ἔφη, ὅτι ἐσθίω μὲν καὶ πίνω καὶ καθεύδω οὐδ' ὅτιοῦν νῦν ἥδιον ἢ τότε ὅτε πένης ἦν· ὅτι δὲ ταῦτα πολλὰ ἐστί, τοσοῦτον κερδαίνω, πλείω μὲν φυλάττειν δεῖ, πλείω δὲ ἄλλοις διανέμειν, πλειόνων δὲ ἐπιμελούμενον πράγματα ἔχειν. [8.3.41] νῦν γὰρ δὴ ἐμὲ πολλοὶ μὲν οἰκέται σῖτον αἰτοῦσι, πολλοὶ δὲ πιεῖν, πολλοὶ δὲ ἱμάτια· οἱ δὲ ἰατρῶν δέονται· ἥκει δέ τις ἢ τῶν προβάτων λελυκωμένα φέρων ἢ τῶν βοῶν κατακεκρημνισμένα ἢ νόσον φάσκων ἐμπεπτωκέναι τοῖς κτήνεσιν· ὥστε μοι δοκῶ, ἔφη ὁ Φεραύλας, νῦν διὰ τὸ πολλὰ ἔχειν πλείω λυπεῖσθαι ἢ πρόσθεν διὰ τὸ ὀλίγα ἔχειν. [8.3.42] καὶ ὁ Σάκας, Ἀλλὰ ναὶ μὰ Δί', ἔφη, ὅταν σῶα ἦι, πολλὰ ὁρῶν πολλαπλάσια ἐμοῦ εὐφραίνει. καὶ ὁ Φεραύλας εἶπεν· Οὗτοι, ὦ Σάκα, οὕτως ἡδὺ ἐστί τὸ ἔχειν χρήματα ὥς ἀνιαρὸν τὸ ἀποβάλλειν. γνώσῃ δ' ὅτι ἐγὼ ἀληθῆ λέγω· τῶν μὲν γὰρ πλουτούντων οὐδεὶς ἀναγκάζεται ὑφ' ἡδονῆς ἀγρυπνεῖν, τῶν δὲ ἀποβαλλόντων τι ὄψει οὐδένα δυνάμενον καθεύδειν ὑπὸ λύπης. [8.3.43] Μὰ Δί', ἔφη ὁ Σάκας, οὐδέ γε τῶν λαμβανόντων τι νυστάζοντα οὐδένα ἂν ἴδοις ὑφ' ἡδονῆς. [8.3.44] Ἀληθῆ, ἔφη, λέγεις· εἰ γάρ τοι τὸ ἔχειν οὕτως ὥσπερ τὸ λαμβάνειν

ἡδὺ ἦν, πολὺ ἂν διέφερον εὐδαιμονίαι οἱ πλούσιοι τῶν πενήτων. καὶ ἀνάγκη δέ τοί ἐστιν, ἔφη, ὦ Σάκα, τὸν πολλὰ ἔχοντα πολλὰ καὶ δαπανᾶν καὶ εἰς θεοὺς καὶ εἰς φίλους καὶ εἰς ξένους· ὅστις οὖν ἰσχυρῶς χρήμασιν ἡδεταί, εὖ ἴσθι τοῦτον καὶ δαπανῶντα ἰσχυρῶς ἀνιάσθαι. [8.3.45] <Ναὶ> μὰ Δί', ἔφη ὁ Σάκας, ἀλλ' οὐκ ἐγὼ τούτων εἰμί, ἀλλὰ καὶ εὐδαιμονίαν τοῦτο νομίζω τὸ πολλὰ ἔχοντα πολλὰ καὶ δαπανᾶν. [8.3.46] Τί οὖν, ἔφη, πρὸς τῶν θεῶν, ὁ Φεραύλας, οὐχὶ σύγε αὐτίκα μάλα εὐδαίμων ἐγένου καὶ ἐμὲ εὐδαίμονα ἐποίησας; λαβὼν γάρ, ἔφη, ταῦτα πάντα κέκτησο, καὶ χρῶ ὅπως βούλει αὐτοῖς· ἐμὲ δὲ μηδὲν ἄλλο ἢ ὥσπερ ξένον τρέφε, καὶ ἔτι εὐτελέστερον ἢ ξένον· ἀρκέσει γάρ μοι ὅ τι ἂν καὶ σὺ ἔχῃς τούτων μετέχειν. [8.3.47] Παίζεις, ἔφη ὁ Σάκας. καὶ ὁ Φεραύλας ὁμόσας εἶπεν ἥ μὴν σπουδῇ λέγειν. καὶ ἄλλα γέ σοι, ὦ Σάκα, προσδιαπράζομαι παρὰ Κύρου, μήτε θύρας τὰς Κύρου θεραπεύειν μήτε στρατεύεσθαι· ἀλλὰ σὺ μὲν πλουτῶν οἴκοι μένε· ἐγὼ δὲ ταῦτα ποιήσω καὶ ὑπὲρ σοῦ καὶ ὑπὲρ ἐμοῦ· καὶ ἐάν τι ἀγαθὸν προσλαμβάνω διὰ τὴν Κύρου θεραπείαν ἢ καὶ ἀπὸ στρατείας τινός, οἶσω πρὸς σέ, ἵνα ἔτι πλειόνων ἄρχῃς· μόνον, ἔφη, ἐμὲ ἀπόλυσον ταύτης τῆς ἐπιμελείας· ἦν γὰρ ἐγὼ σχολὴν ἄγω ἀπὸ τούτων, [8.3.48] ἐμοὶ τέ σε οἶομαι πολλὰ καὶ Κύρῳ χρήσιμον ἔσσεσθαι. τούτων οὕτω ρηθέντων ταῦτα συνέθεντο καὶ ταῦτα ἐποίουν. καὶ ὁ μὲν ἡγεῖτο εὐδαίμων γεγενῆσθαι, ὅτι πολλῶν ἦρχε χρημάτων· ὁ δ' αὖ ἐνόμιζε μακαριώτατος εἶναι, ὅτι ἐπίτροπον ἔξοι σχολὴν παρέχοντα πράττειν ὅ τι ἂν αὐτῷ ἡδὺ ᾗ.

[8.3.49] Ἦν δὲ τοῦ Φεραύλα ὁ τρόπος φιλέταιρός τε καὶ θεραπεύειν οὐδὲν ἡδὺ αὐτῷ οὕτως ἐδόκει εἶναι οὐδ' ὠφέλιμον ὥς ἀνθρώπους. καὶ γὰρ βέλτιστον πάντων τῶν ζώων ἡγεῖτο ἄνθρωπον εἶναι καὶ εὐχαριστότατον, ὅτι ἑώρα τοὺς τε ἐπαινουμένους ὑπὸ τινος ἀντεπαινοῦντας τούτους προθύμως τοῖς τε χαριζομένοις πειρωμένους ἀντιχαρίζεσθαι, καὶ οὓς γνοῖεν εὐνοϊκῶς ἔχοντας, τούτοις ἀντ' εὖ νοοῦντας, καὶ οὓς εἰδεῖεν φιλοῦντας αὐτούς, τούτους μισεῖν οὐ δυναμένους, καὶ γονέας δὲ πολὺ μᾶλλον ἀντιθεραπεύειν πάντων τῶν ζώων ἐθέλοντας καὶ ζῶντας καὶ τελευτήσαντας· τὰ δ' ἄλλα πάντα ζῶια καὶ ἀχαριστότερα καὶ ἀγνωμονέστερα ἀνθρώπων ἐγίγνωσκεν εἶναι. [8.3.50] οὕτω δὴ ὁ τε Φεραύλας ὑπερήδετο ὅτι ἐξέσοιτο αὐτῷ ἀπαλλαγέντι τῆς τῶν ἄλλων κτημάτων ἐπιμελείας ἀμφὶ τοὺς φίλους ἔχειν, ὁ τε Σάκας ὅτι ἔμελλε πολλὰ ἔχων πολλοῖς χρήσεσθαι. ἐφίλει δὲ ὁ μὲν Σάκας τὸν Φεραύλαν, ὅτι προσέφερε τι ἀεὶ· ὁ δὲ τὸν Σάκαν,

ὅτι παραλαμβάνειν πάντα ἤθελε καὶ αἰεὶ πλειόνων ἐπιμελούμενος οὐδὲν μᾶλλον αὐτῷ ἀσχολίαν παρεῖχε. καὶ οὗτοι μὲν δὴ οὕτω διήγον.

[8.4.1] Θύσας δὲ καὶ ὁ Κῦρος νικητήρια ἐστιῶν ἐκάλεσε τῶν φίλων οἱ μάλιστα αὐτὸν αὔξειν τε βουλόμενοι φανεροὶ ἦσαν καὶ τιμῶντες εὐνοϊκώτατα. συνεκάλεσε δὲ αὐτοῖς καὶ Ἀρτάβαζον τὸν Μῆδον καὶ Τιγράνην τὸν Ἀρμένιον καὶ τὸν Ὑρκάνιον ἵπαρχον καὶ Γωβρύαν.

[8.4.2] Γαδάτας δὲ τῶν σκηπτούχων ἦρχεν αὐτῷ, καὶ ἦ ἐκεῖνος διεκόσμησεν ἢ πᾶσα ἔνδον δίαίτα καθειστήκει· καὶ ὅποτε μὲν συνδειπνοῖέν τινες, οὐδ' ἐκάθιζε Γαδάτας, ἀλλ' ἐπεμελεῖτο· ὅποτε δὲ αὐτοὶ εἶεν, καὶ συνεδείπνει· ἦδετο γὰρ αὐτῷ συνών· ἀντὶ δὲ τούτων πολλοῖς καὶ μεγάλοις ἐτιμᾶτο ὑπὸ τοῦ Κύρου, διὰ δὲ Κῦρον καὶ ὑπ' ἄλλων. [8.4.3] ὥς δ' ἦλθον οἱ κληθέντες ἐπὶ τὸ δεῖπνον, οὐχ ὅπου ἔτυχεν ἕκαστον ἐκάθιζεν, ἀλλ' ὃν μὲν μάλιστα ἐτίμα, παρὰ τὴν ἀριστερὰν χεῖρα, ὥς εὐεπιβουλευτοτέρας ταύτης οὔσης ἢ τῆς δεξιᾶς, τὸν δὲ δευτέρον παρὰ τὴν δεξιάν, τὸν δὲ τρίτον πάλιν παρὰ τὴν ἀριστεράν, τὸν δὲ τέταρτον παρὰ τὴν δεξιάν· καὶ ἦν πλέονες ὥσιν, ὡσαύτως. [8.4.4] σαφηνίζεσθαι δὲ ὥς ἕκαστον ἐτίμα <διὰ> τοῦτο ἐδόκει αὐτῷ ἀγαθὸν εἶναι, ὅτι ὅπου μὲν οἴονται ἄνθρωποι τὸν κρατιστεύοντα μήτε κηρυχθήσεσθαι μήτε ἄθλα λήψεσθαι, δῆλοι εἰσιν ἐνταῦθα οὐ φιλονίκως πρὸς ἀλλήλους ἔχοντες· ὅπου δὲ μάλιστα πλεονεκτῶν ὁ κράτιστος φαίνεται, ἐνταῦθα προθυμώτατα φανεροὶ εἰσιν ἀγωνιζόμενοι πάντες. [8.4.5] καὶ ὁ Κῦρος δὲ οὕτως ἐσαφηνίζε μὲν τοὺς κρατιστεύοντας παρ' ἑαυτῷ, εὐθύς ἀρξάμενος ἐξ ἔδρας καὶ παραστάσεως. οὐ μέντοι ἀθάνατον τὴν ταχθεῖσαν ἔδραν κατεστήσατο, ἀλλὰ νόμιμον ἐποίησατο καὶ ἀγαθοῖς ἔργοις προβῆναι εἰς τὴν τιμωτέραν ἔδραν, καὶ εἴ τις ραϊδιουργοίῃ, ἀναχωρῆσαι εἰς τὴν ἀτιμωτέραν. τὸν δὲ πρωτεύοντα ἐν ἔδραι ἡσυχύνετο μὴ οὐ πλεῖστα καὶ ἀγαθὰ ἔχοντα παρ' αὐτοῦ φαίνεσθαι. καὶ ταῦτα δὲ ἐπὶ Κύρου γενόμενα οὕτως ἔτι καὶ νῦν διαμένοντα αἰσθανόμεθα.

[8.4.6] Ἐπεὶ δὲ ἐδείπνουν, ἐδόκει τῷ Γωβρῷ τὸ μὲν πολλὰ ἕκαστα εἶναι οὐδὲν τι θαυμαστὸν παρ' ἀνδρὶ πολλῶν ἄρχοντι· τὸ δὲ τὸν Κῦρον οὕτω μεγάλα πράττοντα, εἴ τι ἡδὺ δόξειε λαβεῖν, μηδὲν τούτων μόνον καταδαπανᾶν, ἀλλ' ἔργον ἔχειν αὐτὸν ἐδόμενον τούτου κοινωνεῖν τοὺς παρόντας, πολλάκις δὲ καὶ τῶν ἀπόντων φίλων ἔστιν οἷς ἑώρα πέμποντα ταῦτα αὐτὸν οἷς ἡσθεῖς τύχοι· [8.4.7] ὥστε ἐπεὶ ἐδεδειπνήκεσαν καὶ πάντα τὰ <λοιπὰ> πολλὰ ὄντα

διεπεπόμφει ὁ Κῦρος ἀπὸ τῆς τραπέζης, εἶπεν ἄρα ὁ Γωβρύας· Ἄλλ', ἐγώ, ὦ Κῦρε, πρόσθεν μὲν ἡγούμην τούτῳ σε πλείστον διαφέρειν ἀνθρώπων τῷ στρατηγικώτατον εἶναι· νῦν δὲ θεοὺς ὁμνυμι ἢ μὴν ἐμοὶ δοκεῖν πλεον σε διαφέρειν φιλανθρωπία ἢ στρατηγία. [8.4.8] Νῆ Δί', ἔφη ὁ Κῦρος· καὶ μὲν δὴ καὶ ἐπιδείκνυμαι τὰ ἔργα πολὺ ἥδιον φιλανθρωπίας ἢ στρατηγίας. Πῶς δὴ; ἔφη ὁ Γωβρύας. Ὅτι, ἔφη, τὰ μὲν κακῶς ποιοῦντα ἀνθρώπους δεῖ ἐπιδείκνυσθαι, τὰ δὲ εὖ. [8.4.9] ἐκ τούτου δὴ ἐπεὶ ὑπέπινον, ἤρετο ὁ Ὑστάσπας τὸν Κῦρον· Ἄρ' ἂν, ἔφη, ὦ Κῦρε, ἀχθεσθείης μοι, εἴ σε ἐροίμην ὁ βούλομαί σου πυθέσθαι; Ἀλλὰ ναὶ μὰ τοὺς θεοὺς, ἔφη, τοῦναντίον τούτου ἀχθοίμην ἂν σοι, εἴ αἰσθοίμην σιωπῶντα ἃ βούλοιο ἐρέσθαι. Λέγε δὴ μοι, ἔφη, ἥδη πώποτε καλέσαντός σου οὐκ ἦλθον; Εὐφήμει, ἔφη ὁ Κῦρος. Ἀλλ' ὑπακούων σχολῇ ὑπήκουσα; Οὐδὲ τοῦτο. Προσταχθὲν δέ τι ἥδη σοι οὐκ ἔπραξα; Οὐκ αἰτιῶμαι, ἔφη. Ὁ δὲ πράττοιμι, ἔστιν ὁ τι πώποτε οὐ προθύμως ἢ οὐχ ἡδομένως πράττοντά με κατέγνων; Τοῦτο δὴ πάντων ἥκιστα, ἔφη ὁ Κῦρος. [8.4.10] Τίνος μὴν ἔνεκα, ἔφη, πρὸς τῶν θεῶν, ὦ Κῦρε, Χρυσάνταν ἔγραψας ὥστε εἰς τὴν τιμιωτέραν ἐμοῦ χώραν ἰδρυθῆναι; Ἥ ἔγω; ἔφη ὁ Κῦρος. Πάντως, ἔφη ὁ Ὑστάσπας. Καὶ σὺ αὖ οὐκ ἀχθήσῃ μοι ἀκούων τάληθῃ; [8.4.11] Ἡσθήσομαι μὲν οὖν, ἔφη, ἣν εἰδῶ ὅτι οὐκ ἀδικοῦμαι. Χρυσάντας τοίνυν, ἔφη, οὗτοσὶ πρῶτον μὲν οὐ κλῆσιν ἀνέμενεν, ἀλλὰ πρὶν καλεῖσθαι παρῇν τῶν ἡμετέρων ἔνεκα· ἔπειτα δὲ οὐ τὸ κελευόμενον μόνον, ἀλλὰ καὶ ὅ τι αὐτὸς γνοίῃ ἄμεινον εἶναι πεπραγμένον ἡμῖν τοῦτο ἔπραττεν. ὁπότε δὲ εἰπεῖν τι δέοι εἰς τοὺς συμμάχους, ἃ μὲν ἐμὲ ὤιετο πρέπειν λέγειν ἐμοὶ συνεβούλευεν· ἃ δὲ ἐμὲ αἰσθοίτο βουλόμενον μὲν εἰδέναι τοὺς συμμάχους, αὐτὸν δὲ με αἰσχυρόμενον περὶ ἐμαυτοῦ λέγειν, ταῦτα οὗτος λέγων ὥς ἑαυτοῦ γνώμην ἀπεφαίνετο· ὥστ' ἓν γε τούτοις τί κωλύει αὐτὸν καὶ ἐμοῦ ἐμοὶ κρεῖττονα εἶναι; καὶ ἑαυτῷ μὲν αἰεί φησι πάντα τὰ παρόντα ἀρκεῖν, ἐμοὶ δὲ αἰεί φανερός ἐστι σκοπῶν τί ἂν προσγενόμενον ὀνήσειεν, ἐπὶ τε τοῖς ἐμοῖς καλοῖς πολὺ μᾶλλον ἐμοῦ ἀγάλλεται καὶ ἡδεταί. [8.4.12] πρὸς ταῦτα ὁ Ὑστάσπας εἶπε· Νῆ τὴν Ἥραν, ὦ Κῦρε, ἡδομαί γε ταῦτά σε ἐρωτήσας. Τί μάλιστα; ἔφη ὁ Κῦρος. Ὅτι κἀγὼ πειράσομαι ταῦτα ποιεῖν· ἓν μόνον, ἔφη, ἀγνοῶ, πῶς ἂν εἶην δῆλος χαίρων ἐπὶ τοῖς σοῖς ἀγαθοῖς· πότερον κροτεῖν δεῖ τῷ χεῖρε ἢ γελᾶν ἢ τί ποιεῖν. καὶ ὁ Ἀρτάβαζος εἶπεν· Ὁρχεῖσθαι δεῖ τὸ Περσικόν. ἐπὶ τούτοις μὲν δὴ γέλως ἐγένετο.

[8.4.13] Προϊόντος δὲ τοῦ συμποσίου ὁ Κῦρος τὸν Γωβρύαν ἐπήρετο· Εἰπέ μοι, ἔφη, ὦ Γωβρύα, νῦν ἂν δοκεῖς ἡδίων τῶνδὲ τῶι τὴν θυγατέρα δοῦναι ἢ ὅτε τὸ πρῶτον ἡμῖν συνεγένου; Οὐκοῦν, ἔφη ὁ Γωβρύας, κἀγὼ τάληθι λέγω; Νῆ Δί', ἔφη ὁ Κῦρος, ὡς ψεύδους γε οὐδεμία ἐρώτησις δεῖται. Εὖ τοίνυν, ἔφη, ἴσθι ὅτι νῦν ἂν πολὺ ἡδίων. Ἦ καὶ ἔχοις ἄν, ἔφη ὁ Κῦρος, εἰπεῖν διότι; [8.4.14] Ἔγωγε. Λέγε δῆ. Ὅτι τότε μὲν ἑώρων τοὺς πόνους καὶ τοὺς κινδύνους εὐθύμως αὐτοὺς φέροντας, νῦν δὲ ὁρῶ αὐτοὺς τάγαθὰ σωφρόνως φέροντας. δοκεῖ δέ μοι, ὦ Κῦρε, χαλεπώτερον εἶναι εὐρεῖν ἄνδρα τάγαθὰ καλῶς φέροντα ἢ τὰ κακὰ· τὰ μὲν γὰρ ὕβριν τοῖς πολλοῖς, τὰ δὲ σωφροσύνην τοῖς πᾶσιν ἐμποιεῖ. [8.4.15] καὶ ὁ Κῦρος εἶπεν· Ἦκουσας, ὦ Ὑστάσπα, Γωβρύου τὸ ῥῆμα; Ναὶ μὰ Δί', ἔφη· καὶ ἐὰν πολλὰ τοιαῦτά γε λέγῃ, πολὺ μᾶλλον με τῆς θυγατρὸς μνηστῆρα λήψεται ἢ ἐὰν ἐκπώματα πολλὰ μοι ἐπιδεικνύῃ. [8.4.16] Ἦ μὴν, ἔφη ὁ Γωβρύας, πολλὰ γέ μοι ἐστί τοιαῦτα συγγεγραμμένα, ὧν ἐγὼ σοι οὐ φθονήσω, ἦν τὴν θυγατέρα μου γυναιῖκα λαμβάνῃς· τὰ δ' ἐκπώματα, ἔφη, ἐπειδὴ οὐκ ἀνέχεσθαι μοι φαίνει, οὐκ οἶδ' εἰ Χρυσάνται τουτωῖ δῶ, ἐπεὶ καὶ τὴν ἑδραν σου ὑφήρπασε. [8.4.17] Καὶ μὲν δῆ, ἔφη ὁ Κῦρος, ὦ Ὑστάσπα, καὶ οἱ ἄλλοι δὲ οἱ παρόντες, ἦν ἐμοὶ λέγῃτε, ὅταν τις ὑμῶν γαμεῖν ἐπιχειρήσῃ, γνώσεσθε ὅποῖός τις κἀγὼ συνεργὸς ὑμῖν ἔσομαι. [8.4.18] καὶ ὁ Γωβρύας εἶπεν· Ἦν δέ τις ἐκδοῦναι βούλῃται θυγατέρα, πρὸς τίνα δεῖ λέγειν; Πρὸς ἐμέ, ἔφη ὁ Κῦρος, καὶ τοῦτο· πάνυ γάρ, ἔφη, δεινὸς εἰμι ταύτην τὴν τέχνην. Ποίαν; ἔφη ὁ Χρυσάντας. [8.4.19] Τὸ γνῶναι ὅποῖος ἂν γάμος ἐκάστωι συναρμόσειε. καὶ ὁ Χρυσάντας ἔφη· Λέγε δῆ πρὸς τῶν θεῶν ποίαν τινά μοι γυναιῖκα οἶε συναρμόσειν κάλλιστα. [8.4.20] Πρῶτον μὲν, ἔφη, μικράν· μικρὸς γὰρ καὶ αὐτὸς εἶ· εἰ δὲ μεγάλην γαμεῖς, ἦν ποτε βούλῃ αὐτὴν ὀρθὴν φιλῆσαι, προσάλλεσθαι σε δεήσει ὥσπερ τὰ κυνάρια. Τοῦτο μὲν δῆ, ἔφη, ὀρθῶς προνοεῖς· καὶ γὰρ οὐδ' ὁπωστιοῦν ἀλτικὸς εἰμι. [8.4.21] Ἐπειτα δ', ἔφη, σιμὴ ἂν σοι ἰσχυρῶς συμφέροι. Πρὸς τί δῆ αὖ τοῦτο; Ὅτι, ἔφη, σὺ γρυπὸς εἶ· πρὸς οὖν τὴν σιμότητα σάφ' ἴσθι ὅτι ἡ γρυπότης ἄριστ' ἂν προσαρμόσειε. Λέγεις σύ, ἔφη, ὡς καὶ τῶι εὖ δεδειπνηκότι ὥσπερ καὶ ἐγὼ νῦν ἄδειπνος ἂν συναρμόττοι. Ναὶ μὰ Δί', ἔφη ὁ Κῦρος· τῶν μὲν γὰρ μεστῶν γρυπὴ ἢ γαστήρ γίγνεται, τῶν δὲ ἀδείπνων σιμὴ. [8.4.22] καὶ ὁ Χρυσάντας ἔφη· Ψυχρῶι δ' ἂν, πρὸς τῶν θεῶν, βασιλεῖ ἔχοις ἂν εἰπεῖν ποία τις συνοίσει; ἐνταῦθα μὲν δῆ ὁ τε Κῦρος ἐξεγέλασε καὶ οἱ ἄλλοι ὁμοίως. [8.4.23] γελόντων δὲ ἅμα

εἶπεν ὁ Ὑστάσπας· Πολύ γ', ἔφη, μάλιστα τούτου σε, ὦ Κῦρε, ζηλῶ ἐν τῇ βασιλείᾳ. Τίνος; ἔφη ὁ Κῦρος. Ὅτι δύνασαι καὶ ψυχρὸς ὢν γέλωτα παρέχειν. καὶ ὁ Κῦρος εἶπεν· Ἐπειτ' οὐκ ἂν πρίαίό γε παμπόλλου ὥστε σοὶ ταῦτ' εἰρήσθαι, καὶ ἀπαγγελῆναι παρ' ἧ εὐδοκιμεῖν βούλει ὅτι ἀστεῖος εἶ; καὶ ταῦτα μὲν δὴ οὕτω διεσκώπτετο.

[8.4.24] Μετὰ δὲ ταῦτα Τιγράνην μὲν ἐξήνεγκε γυναικεῖον κόσμον, καὶ ἐκέλευσε τῇ γυναικὶ δοῦναι, ὅτι ἀνδρείως συνεστρατεύετο τῷ ἀνδρί, Ἀρταβάζωι δὲ χρυσοῦν ἔκπωμα, τῷ δ' Ὑρκανίωι ἵππον καὶ ἄλλα πολλὰ καὶ καλὰ ἐδωρήσατο. Σοὶ δέ, ἔφη, ὦ Γωβρύα, δώσω ἄνδρα τῇ θυγατρί. [8.4.25] Οὐκοῦν ἐμέ, ἔφη ὁ Ὑστάσπας, δώσεις, ἵνα καὶ τὰ συγγράμματα λάβω. Ἥ καὶ ἔστι σοι, ἔφη ὁ Κῦρος, οὐσία ἀξία τῶν τῆς παιδός; Νῆ Δί', ἔφη, πολλαπλασίων μὲν οὖν χρημάτων. Καὶ ποῦ, ἔφη ὁ Κῦρος, ἔστι σοι αὕτη ἡ οὐσία; Ἐνταῦθα, ἔφη, ὅπου περ καὶ σὺ κάθησαι φίλος ὢν ἐμοί. Ἀρκεῖ μοι, ἔφη ὁ Γωβρύας· καὶ εὐθὺς ἐκτείνας τὴν δεξιάν, Δίδου, ἔφη, ὦ Κῦρε· δέχομαι γάρ. [8.4.26] καὶ ὁ Κῦρος λαβὼν τὴν τοῦ Ὑστάσπου δεξιὰν ἔδωκε τῷ Γωβρύᾳ, ὁ δ' ἐδέξατο. ἐκ δὲ τούτου πολλὰ καὶ καλὰ ἔδωκε δῶρα τῷ Ὑστάσπαι, ὅπως τῇ παιδί πέμψει· Χρυσάνταν δ' ἐφίλησε προσαγαγόμενος. καὶ ὁ Ἀρτάβαζος εἶπε· Μὰ Δί', [8.4.27] ἔφη, ὦ Κῦρε, οὐχ ὁμοίου γε χρυσοῦ ἐμοί τε τὸ ἔκπωμα δέδωκας καὶ Χρυσάνται τὸ δῶρον. Ἀλλὰ καὶ σοί, ἔφη, δώσω. ἐπῆρετο ἐκεῖνος, Πότε; Εἰς τριακοστόν, ἔφη, ἔτος. Ὡς ἀναμενοῦντος, ἔφη, καὶ οὐκ ἀποθανομένου οὕτω παρασκευάζου. καὶ τότε μὲν δὴ οὕτως ἔληξεν ἡ σκηνή· ἐξανισταμένων δ' αὐτῶν ἐξανέστη καὶ ὁ Κῦρος καὶ ξυμπρούπεμπεν αὐτοὺς ἐπὶ τὰς θύρας.

[8.4.28] Τῇ δὲ ὑστεραίᾳ τοὺς ἐθελουσίους συμμάχους γενομένους ἀπέπεμπεν οἴκαδε ἐκάστους, πλὴν ὅσοι αὐτῶν οἰκεῖν ἐβούλοντο παρ' αὐτῶν· τούτοις δὲ χώραν καὶ οἴκους ἔδωκε, καὶ νῦν ἔτι ἔχουσιν οἱ τῶν καταμεινάντων τότε ἀπόγονοι· πλεῖστοι δ' εἰσὶ Μῆδων καὶ Ὑρκανίων· τοῖς δ' ἀπιούσι δωρησάμενος πολλὰ καὶ ἀμέμπτους ποιησάμενος καὶ ἄρχοντας καὶ στρατιώτας ἀπεπέμψατο. [8.4.29] ἐκ τούτου δὲ διέδωκε καὶ τοῖς περὶ αὐτὸν στρατιώταις τὰ χρήματα ὅσα ἐκ Σάρδεων ἔλαβε· καὶ τοῖς μὲν μυριάρχοις καὶ τοῖς περὶ αὐτὸν ὑπηρέταις ἐξαίρετα ἐδίδου πρὸς τὴν ἀξίαν ἐκάστωι, τὰ δ' ἄλλα διένειμε· καὶ τὸ μέρος ἐκάστωι δούς τῶν μυριάρχων ἐπέτρεπεν αὐτοῖς διανέμειν ὥσπερ αὐτὸς ἐκείνοις διένειμεν. [8.4.30] ἐδίδοσαν δὲ τὰ μὲν ἄλλα χρήματα ἄρχων ἄρχοντας τοὺς ὑφ' ἑαυτῷ δοκιμάζων·

τὰ δὲ τελευταῖα οἱ ἐξάδαρχοι τοὺς ὑφ' ἑαυτοῖς ιδιώτας δοκιμάσαντες πρὸς τὴν ἀξίαν ἐκάστωι ἐδίδοσαν· καὶ οὕτω πάντες εἰλήφεσαν τὸ δίκαιον μέρος. [8.4.31] ἐπεὶ δὲ εἰλήφεσαν τὰ τότε δοθέντα, οἱ μὲν τινες ἔλεγον περὶ τοῦ Κύρου τοῖαδε· Ἦ που αὐτός γε πολλὰ ἔχει, ὅπου γε καὶ ἡμῶν ἐκάστωι τοσαῦτα δέδωκεν· οἱ δὲ τινες αὐτῶν ἔλεγον· Ποῖα πολλὰ ἔχει; οὐχ ὁ Κύρου τρόπος τοιοῦτος οἷος χρηματίζεσθαι, ἀλλὰ διδοὺς μᾶλλον ἢ κτῶμενος ἡδεταί.

[8.4.32] Αἰσθόμενος δὲ ὁ Κῦρος τούτους τοὺς λόγους καὶ τὰς δόξας τὰς περὶ αὐτοῦ συνέλεξε τοὺς φίλους τε καὶ τοὺς ἐπικαιρίους ἅπαντας καὶ ἔλεξεν ὧδε.

Ὡ ἄνδρες φίλοι, ἐώρακα μὲν ἤδη ἀνθρώπους οἱ βούλονται δοκεῖν πλεῖω κεκτῆσθαι ἢ ἔχουσιν, ἐλευθεριώτεροι ἂν οἰόμενοι οὕτω φαίνεσθαι· ἐμοὶ δὲ δοκοῦσιν, ἔφη, οὗτοι τοῦμπαλιν οὗ βούλονται ἐφέλκεσθαι· τὸ γὰρ πολλὰ δοκοῦντα ἔχειν μὴ κατ' ἀξίαν τῆς οὐσίας φαίνεσθαι ὠφελοῦντα τοὺς φίλους ἀνελευθερίαν ἔμοιγε δοκεῖ περιάπτειν. [8.4.33] εἰσὶ δ' αὖ, ἔφη, οἱ λεληθῆναι βούλονται ὅσα ἂν ἔχωσι· πονηροὶ οὖν καὶ οὗτοι τοῖς φίλοις ἔμοιγε δοκοῦσιν εἶναι. διὰ γὰρ τὸ μὴ εἰδέναι τὰ ὄντα πολλάκις δεόμενοι οὐκ ἐπαγγέλλουσιν οἱ φίλοι τοῖς ἐταίροις, ἀλλὰ τητῶνται. [8.4.34] ἀπλουστάτου δέ μοι, ἔφη, δοκεῖ εἶναι τὸ τὴν δύναμιν φανεράν ποιήσαντα ἐκ ταύτης ἀγωνίζεσθαι περὶ καλοκάγαθίας. κἀγὼ οὖν, ἔφη, βούλομαι ὑμῖν ὅσα μὲν οἷόν τ' ἐστὶν ἰδεῖν τῶν ἐμοὶ ὄντων δεῖξαι, ὅσα δὲ μὴ οἷόν τε ἰδεῖν, διηγῆσασθαι. [8.4.35] ταῦτα εἰπὼν τὰ μὲν ἐδείκνυε πολλὰ καὶ καλὰ κτήματα· τὰ δὲ κείμενα ὥς μὴ ράιδια εἶναι ἰδεῖν διηγεῖτο· τέλος δ' εἶπεν ὧδε· [8.4.36] Ταῦτα, ὦ ἄνδρες, ἅπαντα δεῖ ὑμᾶς οὐδὲν μᾶλλον ἐμὰ ἡγεῖσθαι ἢ καὶ ὑμέτερα· ἐγὼ γάρ, ἔφη, ταῦτα ἀθροίζω οὐθ' ὅπως αὐτὸς καταδαπανήσω οὐθ' ὅπως αὐτὸς κατατρίψω· οὐ γὰρ ἂν δυναίμην· ἀλλ' ὅπως ἔχω τῷ τε ἀεὶ καλόν τι ὑμῶν ποιοῦντι διδόναι καὶ ὅπως, ἣν τις ὑμῶν τινος ἐνδεῖσθαι νομίσει, πρὸς ἐμὲ ἐλθὼν λάβηι οὗ ἂν ἐνδεῆς τυγχάνηι ὢν. καὶ ταῦτα μὲν δὴ οὕτως ἐλέχθη.

[8.5.1] Ἦνίκα δὲ ἤδη αὐτῷ ἐδόκει καλῶς ἔχειν τὰ ἐν Βαβυλῶνι ὥς καὶ ἀποδημεῖν, συνεσκευάζετο τὴν εἰς Πέρσας πορείαν καὶ τοῖς ἄλλοις παρήγγειλεν· ἐπεὶ δ' ἐνόμισεν ἱκανὰ ἔχειν ὦν ὤιετο δεῆσεσθαι, οὕτω δὴ ἀνεξεύγνυε. [8.5.2] διηγησόμεθα δὲ καὶ ταῦτα ὥς πολὺς στόλος ὢν εὐτάκτως μὲν κατεσκευάζετο καὶ πάλιν ἀνεσκευάζετο, ταχὺ δὲ κατεχωρίζετο ὅπου δέοι. ὅπου γὰρ ἂν στρατοπεδεύηται βασιλεύς, σκηνὰς μὲν δὴ ἔχοντες πάντες οἱ ἀμφὶ

βασιλέα στρατεύονται καὶ θέρους καὶ χειμῶνος. [8.5.3] εὐθὺς δὲ τοῦτο ἐνόμιζε Κῦρος, πρὸς ἑω βλέπουσαν ἴστασθαι τὴν σκηνήν· ἔπειτα ἔταξε πρῶτον μὲν πόσον δεῖ ἀπολιπόντας σκηνοῦν τοὺς δορυφόρους τῆς βασιλικῆς σκηνῆς· ἔπειτα σιτοποιοῖς μὲν χώραν ἀπέδειξε τὴν δεξιάν, ὀψοποιοῖς δὲ τὴν ἀριστεράν, ἵπποις δὲ τὴν δεξιάν, ὑποζυγίοις δὲ τοῖς ἄλλοις τὴν ἀριστεράν· καὶ τᾶλλα δὲ διετέτακτο ὥστε εἰδέναι ἕκαστον τὴν ἑαυτοῦ χώραν καὶ μέτρῳ καὶ τόπῳ. [8.5.4] ὅταν δὲ ἀνασκευάζωνται, συντίθησι μὲν ἕκαστος σκευὴ οἷσπερ τέτακται χρῆσθαι, ἀνατίθενται δ' αὖ ἄλλοι ἐπὶ τὰ ὑποζύγια· ὥσθ' ἅμα μὲν πάντες ἔρχονται οἱ σκευαγωγοὶ ἐπὶ τὰ τεταγμένα ἄγειν, ἅμα δὲ πάντες ἀνατιθέασιν ἐπὶ τὰ ἑαυτοῦ ἕκαστος. οὕτω δὴ ὁ αὐτὸς χρόνος ἀρκεῖ μιᾷ τε σκηνῇ καὶ πάσαις ἀνηριῆσθαι. [8.5.5] ὡσαύτως οὕτως ἔχει καὶ περὶ κατασκευῆς. καὶ περὶ τοῦ πεποιῆσθαι δὲ τὰ ἐπιτήδεια πάντα ἐν καιρῷ ὡσαύτως διατέτακται ἑκάστοις τὰ ποιητέα· καὶ διὰ τοῦτο ὁ αὐτὸς χρόνος ἀρκεῖ ἐνὶ τε μέρει καὶ πᾶσι πεποιῆσθαι. [8.5.6] ὥσπερ δὲ οἱ περὶ τὰ ἐπιτήδεια θεράποντες χώραν εἶχον τὴν προσήκουσαν ἕκαστοι, οὕτω καὶ οἱ ὀπλοφόροι αὐτῷ ἐν τῇ στρατοπεδεύσει χώραν τε εἶχον τὴν τῇ ὀπλίσει ἑκάστη ἐπιτηδείαν, καὶ ἥιδεσαν ταύτην ὅποια ἦν, καὶ ἐπ' ἀναμφισβήτητον πάντες κατεχωρίζοντο. [8.5.7] καλὸν μὲν γὰρ ἡγεῖτο ὁ Κῦρος καὶ ἐν οἰκίαι εἶναι ἐπιτήδευμα τὴν εὐθημοσύνην· ὅταν γάρ τις τοῦ δέηται, δηλὸν ἐστὶ ὅπου δεῖ ἐλθόντα λαβεῖν· πολὺ δ' ἔτι κάλλιον ἐνόμιζε τὴν τῶν στρατιωτικῶν φύλων εὐθημοσύνην εἶναι, ὅσῳ τε ὀξύτεροι οἱ καιροὶ τῶν εἰς τὰ πολεμικὰ χρήσεων καὶ μείζω τὰ σφάλματα <τὰ> ἀπὸ τῶν ὑστεριζόντων ἐν αὐτοῖς· ἀπὸ δὲ τῶν ἐν καιρῷ παραγινομένων πλείστου ἄξια πλεονεκτήματα ἑώρα γινόμενα ἐν τοῖς πολεμικοῖς· διὰ ταῦτα οὖν καὶ ἐπεμέλετο ταύτης τῆς εὐθημοσύνης μάλιστα. [8.5.8] καὶ αὐτὸς μὲν δὴ πρῶτον ἑαυτὸν ἐν μέσῳ κατετίθετο τοῦ στρατοπέδου, ὡς ταύτης τῆς χώρας ἐχυρωτάτης οὔσης· ἔπειτα δὲ τοὺς μὲν πιστοτάτους ὥσπερ εἰώθει περὶ ἑαυτὸν εἶχε, τούτων δ' ἐν κύκλῳ ἐχομένους ἵππείας τ' εἶχε καὶ ἄρματηλάτας. [8.5.9] καὶ γὰρ τούτους ἐχυρᾶς ἐνόμιζε χώρας δεῖσθαι, ὅτι σὺν οἷς μάχονται ὅπλοις οὐδὲν πρόχειρον ἔχοντες τούτων στρατοπεδεύονται, ἀλλὰ πολλοῦ χρόνου δέονται εἰς τὴν ἐξόπλισιν, εἰ μέλλουσι χρησίμως ἔξειν. [8.5.10] ἐν δεξιᾷ δὲ καὶ ἐν ἀριστερᾷ αὐτοῦ τε καὶ τῶν ἵππέων πελτασταῖς χώρα ἦν· τοξοτῶν δ' αὖ χώρα ἢ πρόσθεν ἦν καὶ ὀπισθεν αὐτοῦ τε καὶ τῶν ἵππέων. [8.5.11] ὀπλίτας δὲ καὶ τοὺς τὰ μεγάλα γέρρα ἔχοντας

κύκλωι πάντων εἶχεν ὥσπερ τεῖχος, ὅπως καὶ εἰ δέοι τι ἐνσκευάζεσθαι τοὺς ἱππέας, οἱ μονιμώτατοι πρόσθεν ὄντες παρέχοιεν αὐτοῖς ἀσφαλῆ τὴν καθόπλισιν. [8.5.12] ἐκάθευδον δὲ αὐτῷ ἐν τάξει ὥσπερ οἱ ὀπλίται, οὕτω δὲ καὶ οἱ πελτασταὶ καὶ οἱ τοξόται, ὅπως καὶ ἐκ νυκτῶν, εἰ δέοι τι, ὥσπερ καὶ οἱ ὀπλίται παρεσκευασμένοι εἰσὶ παίειν τὸν εἰς χεῖρας ἰόντα, οὕτω καὶ οἱ τοξόται καὶ οἱ ἀκοντισταί, εἴ τινες προσίοιεν, ἐξ ἐτοίμου ἀκοντίζοιεν καὶ τοξεύοιεν ὑπὲρ τῶν ὀπλιτῶν. [8.5.13] εἶχον δὲ καὶ σημεῖα πάντες οἱ ἄρχοντες ἐπὶ ταῖς σκηναῖς· οἱ δ' ὑπηρεταὶ ὥσπερ καὶ ἐν ταῖς πόλεσιν οἱ σώφρονες ἴσασι μὲν καὶ τῶν πλείστων τὰς οἰκήσεις, μάλιστα δὲ τῶν ἐπικαιρίων, οὕτω καὶ τῶν ἐν τοῖς στρατοπέδοις τὰς τε χώρας τὰς τῶν ἡγεμόνων ἡπίσταντο οἱ Κύρου ὑπηρεταὶ καὶ τὰ σημεῖα ἐγίνγνωσκον ἅ ἐκάστοις ἦν· ὥστε ὅτου δέοιτο Κῦρος, οὐκ ἐζήτουν, ἀλλὰ τὴν συντομωτάτην ἐφ' ἑκάστον ἔθεον. [8.5.14] καὶ διὰ τὸ εἰλικρινῆ ἕκαστα εἶναι τὰ φύλα πολὺ μᾶλλον ἢν δῆλα καὶ ὁπότε τις εὐτακτοίη καὶ εἴ τις μὴ πράττοι τὸ προσταττόμενον. οὕτω δὴ ἐχόντων ἡγεῖτο, εἴ τις καὶ ἐπίθοιτο νυκτὸς ἢ ἡμέρας, ὥσπερ ἂν εἰς ἐνέδραν εἰς τὸ στρατόπεδον τοὺς ἐπιτιθεμένους ἐμπίπτειν. [8.5.15] καὶ τὸ τακτικὸν δὲ εἶναι οὐ τοῦτο μόνον ἡγεῖτο εἴ τις ἐκτεῖναι φάλαγγα εὐπόρως δύναιτο ἢ βαθῦναι ἢ ἐκ κέρατος εἰς φάλαγγα καταστήσαι ἢ ἐκ δεξιᾶς ἢ ἀριστερᾶς ἢ ὀπισθεν ἐπιφανέντων πολεμίων ὀρθῶς ἐξελίσσαι, ἀλλὰ καὶ τὸ διασπᾶν ὁπότε δέοι τακτικὸν ἡγεῖτο, καὶ τὸ τιθέναι γε τὸ μέρος ἕκαστον ὅπου μάλιστα ἐν ὠφελείᾳ ἂν εἴη, καὶ τὸ ταχύνειν δὲ ὅπου φθάσαι δέοι, πάντα ταῦτα καὶ τὰ τοιαῦτα τακτικοῦ ἀνδρὸς ἐνόμιζεν εἶναι καὶ ἐπεμελεῖτο τούτων πάντων ὁμοίως. [8.5.16] καὶ ἐν μὲν ταῖς πορείαις πρὸς τὸ συμπίπτον ἀεὶ διατάττων ἐπορεύετο, ἐν δὲ τῇ στρατοπεδεύσει ὡς τὰ πολλὰ ὥσπερ εἴρηται κατεχώριζεν.

[8.5.17] Ἐπεὶ δὲ πορευόμενοι γίνονται κατὰ τὴν Μηδικήν, τρέπεται ὁ Κῦρος πρὸς Κυαξάρην. ἐπεὶ δὲ ἡσπάσαντο ἀλλήλους, πρῶτον μὲν δὴ ὁ Κῦρος εἶπε τῷ Κυαξάρῃ ὅτι οἶκος αὐτῷ ἐξηρημένος εἴη ἐν Βαβυλῶνι καὶ ἀρχεῖα, ὅπως ἔχη καὶ ὅταν ἐκεῖσε ἔλθῃ εἰς οἰκεῖα κατάγεσθαι· ἔπειτα δὲ καὶ ἄλλα δῶρα ἔδωκεν αὐτῷ πολλὰ καὶ καλά. [8.5.18] ὁ δὲ Κυαξάρης ταῦτα μὲν ἐδέχετο, προσέπεμψε δὲ αὐτῷ τὴν θυγατέρα στέφανόν τε χρυσοῦν καὶ ψέλια φέρουσαν καὶ στρεπτὸν καὶ στολὴν Μηδικήν ὡς δυνατόν καλλίστην. [8.5.19] καὶ ἡ μὲν δὴ παῖς ἐστεφάνου τὸν Κῦρον, ὁ δὲ Κυαξάρης εἶπε· Δίδωμι δέ σοι, ἔφη, ὦ Κῦρε, καὶ αὐτὴν ταύτην γυναῖκα, ἐμὴν οὖσαν θυγατέρα· καὶ ὁ σὸς δὲ

πατήρ ἔγημε τὴν τοῦ ἑμοῦ πατρὸς θυγατέρα, ἐξ ἧς σὺ ἐγένου· αὕτη δ' ἐστὶν ἣν σὺ πολλάκις παῖς ὢν ὅτε παρ' ἡμῖν ἦσθα ἐτιθηγήσω· καὶ ὁπότε τις ἐρωτώη αὐτὴν τίνι γαμοῖτο, ἔλεγεν ὅτι Κύρῳ· ἐπιδίδωμι δὲ αὐτῇ ἐγὼ καὶ φερνὴν Μηδίαν τὴν πᾶσαν· οὐδὲ γὰρ ἔστι μοι ἄρρην παῖς γνήσιος. [8.5.20] ὁ μὲν οὕτως εἶπεν· ὁ δὲ Κῦρος ἀπεκρίνατο· Ἀλλ', ὦ Κυαξάρη, τό τε γένος ἐπαινῶ καὶ τὴν παιδα καὶ τὰ δῶρα· βούλομαι δέ, ἔφη, σὺν τῇ τοῦ πατρὸς γνώμῃ καὶ τῇ τῆς μητρὸς ταῦτά σοι συναινέσαι. εἶπε μὲν οὖν οὕτως ὁ Κῦρος, ὅμως δὲ τῇ παιδί πάντα ἐδωρήσατο ὅποσα ὤιετο καὶ τῷ Κυαξάρῃ χαριεῖσθαι. ταῦτα δὲ ποιήσας εἰς Πέρσας ἐπορεύετο.

[8.5.21] Ἐπεὶ δ' ἐπὶ τοῖς Περσῶν ὁρίοις ἐγένετο πορευόμενος, τὸ μὲν ἄλλο στράτευμα αὐτοῦ κατέλιπεν, αὐτὸς δὲ σὺν τοῖς φίλοις εἰς τὴν πόλιν ἐπορεύετο, ἱερεῖα μὲν ἄγων ὡς πᾶσι Πέρσαις ἱκανὰ θύειν τε καὶ ἐστιᾶσθαι· δῶρα δ' ἤγεν οἷα μὲν ἔπρεπε τῷ πατρὶ καὶ τῇ μητρὶ καὶ τοῖς ἄλλοις φίλοις, οἷα δ' ἔπρεπεν ἀρχαῖς καὶ γεραιτέροις καὶ τοῖς ὁμοτίμοις πᾶσιν· ἔδωκε δὲ καὶ πᾶσι Πέρσαις καὶ Περσίσιν ὅσαπερ καὶ νῦν ἐτι δίδωσιν ὅτανπερ ἀφίκηται βασιλεὺς εἰς Πέρσας. [8.5.22] ἐκ δὲ τούτου συνέλεξε Καμβύσης τοὺς γεραιτέρους Περσῶν καὶ τὰς ἀρχάς, οἵπερ τῶν μεγίστων κύριοί εἰσι· παρεκάλεσε δὲ καὶ Κῦρον, καὶ ἔλεξε τοιαύδε.

Ἄνδρες Πέρσαι καὶ σύ, ὦ Κῦρε, ἐγὼ ἀμφοτέροις ὑμῖν εἰκότως εὖνους εἰμι· ὑμῶν μὲν γὰρ βασιλεύω, σὺ δέ, ὦ Κῦρε, παῖς ἐμὸς εἶ. δίκαιος οὖν εἰμι, ὅσα γινώσκειν δοκῶ ἀγαθὰ ἀμφοτέροις, ταῦτα εἰς τὸ μέσον λέγειν. [8.5.23] τὰ μὲν γὰρ παρελθόντα ὑμεῖς μὲν Κῦρον ηὔξήσατε στράτευμα δόντες καὶ ἄρχοντα τούτου αὐτὸν καταστήσαντες, Κῦρος δὲ ἡγούμενος τούτου σὺν θεοῖς εὐκλεεῖς μὲν ὑμᾶς, ὦ Πέρσαι, ἐν πᾶσιν ἀνθρώποις ἐποίησεν, ἐντίμους δ' ἐν τῇ Ἀσίᾳ πάσῃ· τῶν δὲ συστρατευσαμένων αὐτῷ τοὺς μὲν ἀρίστους καὶ πεπλούτικε, τοῖς δὲ πολλοῖς μισθὸν καὶ τροφὴν παρεσκεύακεν· ἱππικὸν δὲ καταστήσας Περσῶν πεποίηκε Πέρσαις καὶ πεδίων εἶναι μετουσίαν. [8.5.24] ἣν μὲν οὖν καὶ τὸ λοιπὸν οὕτω γινώσκητε, πολλῶν καὶ ἀγαθῶν αἵτιοι ἀλλήλοις ἔσεσθε· εἰ δὲ ἡ σύ, ὦ Κῦρε, ἐπαρθεῖς ταῖς παρούσαις τύχαις ἐπιχειρήσεις καὶ Περσῶν ἄρχειν ἐπὶ πλεονεξίᾳ ὥσπερ τῶν ἄλλων, ἡ ὑμεῖς, ὦ πολῖται, φθονήσαντες τούτῳ τῆς δυνάμεως καταλύειν πειράσεσθε τοῦτον τῆς ἀρχῆς, εὖ ἴστε ὅτι ἐμποδὼν ἀλλήλοις πολλῶν καὶ ἀγαθῶν ἔσεσθε. [8.5.25] ὥς οὖν μὴ ταῦτα γίγνηται, ἀλλὰ τὰγαθὰ, ἐμοὶ δοκεῖ, ἔφη, θύσαντας ὑμᾶς

κοινῇ καὶ θεοὺς ἐπιμαρτυραμένους συνθέσθαι, σὲ μὲν, ὦ Κῦρε, ἦν τις ἐπιστρατεύηται χώραι Περσίδι ἢ Περσῶν νόμους διασπᾶν πειρᾶται, βοηθήσειν παντὶ σθένει, ὑμᾶς δέ, ὦ Πέρσαι, ἦν τις ἢ ἀρχῆς Κῦρον ἐπιχειρῇ καταπαύειν ἢ ἀφίστασθαι τις τῶν ὑποχειρίων, βοηθήσειν καὶ ὑμῖν αὐτοῖς καὶ Κύρῳ καθ' ὃ τι ἂν οὗτος ἐπαγγέλλῃ. [8.5.26] καὶ ἕως μὲν ἂν ἐγὼ ζῶ, ἐμὴ γίγνεται ἡ ἐν Πέρσαις βασιλεία· ὅταν δ' ἐγὼ τελευτήσω, δῆλον ὅτι Κύρου, ἐὰν ζῇ. καὶ ὅταν μὲν οὗτος ἀφίκηται εἰς Πέρσας, ὁσῶς ἂν ὑμῖν ἔχοι τοῦτον θύειν τὰ ἱερὰ ὑπὲρ ὑμῶν ἅπερ νῦν ἐγὼ θύω· ὅταν δ' οὗτος ἔκδημος ᾖ, καλῶς ἂν οἶμαι ὑμῖν ἔχειν εἰ ἐκ τοῦ γένους ὃς ἂν δοκῇ ὑμῖν ἄριστος εἶναι, οὗτος τὰ τῶν θεῶν ἀποτελοίῃ. [8.5.27] ταῦτα εἰπόντος Καμβύσου συνέδοξε Κύρῳ τε καὶ τοῖς Περσῶν τέλεσι· καὶ συνθέμενοι ταῦτα τότε καὶ θεοὺς ἐπιμαρτυράμενοι οὕτω καὶ νῦν ἔτι διαμένουσι ποιοῦντες πρὸς ἀλλήλους Πέρσαι τε καὶ βασιλεύς. τούτων δὲ πραχθέντων ἀπήιει ὁ Κῦρος.

[8.5.28] Ὡς δ' ἀπὼν ἐγένετο ἐν Μήδοις, συνδόξαν τῷ πατρὶ καὶ τῇ μητρὶ γαμεῖ τὴν Κυαξάρου θυγατέρα, ἧς ἔτι καὶ νῦν λόγος ὡς παγκάλῃς γενομένης. [ἔνιοι δὲ τῶν λογοποιῶν λέγουσιν ὡς τὴν τῆς μητρὸς ἀδελφὴν ἔγημεν· ἀλλὰ γραῦς ἂν καὶ παντάπασιν ἦν ἡ παῖς.] γήμας δ' εὐθὺς ἔχων ἀνεξεύγνυνεν.

[8.6.1] Ἐπεὶ δ' ἐν Βαβυλῶνι ἦν, ἐδόκει αὐτῷ σατράπας ἤδη πέμπειν ἐπὶ τὰ κατεστραμμένα ἔθνη. τοὺς μέντοι ἐν ταῖς ἄκραις φρουράρχους καὶ τοὺς χιλιάρχους τῶν κατὰ τὴν χώραν φυλακῶν οὐκ ἄλλου ἢ ἐαυτοῦ ἐβούλετο ἀκούειν· ταῦτα δὲ προεωρᾶτο ἐννοῶν ὅπως εἴ τις τῶν σατραπῶν ὑπὸ πλούτου καὶ πλήθους ἀνθρώπων ἐξυβρίσειε καὶ ἐπιχειρήσειε μὴ πείθεσθαι, εὐθὺς ἀντιπάλους ἔχοι ἐν τῇ χώρᾳ. [8.6.2] ταῦτ' οὖν βουλόμενος πρᾶξαι ἔγνω συγκαλέσαι πρῶτον τοὺς ἐπικαιρίους καὶ προειπεῖν, ὅπως εἰδεῖεν ἐφ' οἷς ἴασιν οἱ ἰόντες· ἐνόμιζε γὰρ οὕτω ῥᾷον φέρειν ἂν αὐτούς· ἐπεὶ δὲ κατασταίῃ τις ἄρχων καὶ αἰσθάνοιτο ταῦτα, χαλεπῶς ἂν ἐδόκουν αὐτῷ φέρειν, νομίζοντες δι' ἐαυτῶν ἀπιστίαν ταῦτα γενέσθαι. [8.6.3] οὕτω δὲ συλλέξας λέγει αὐτοῖς τοιάδε.

Ἄνδρες φίλοι, εἰσὶν ἡμῖν ἐν ταῖς κατεστραμμέναις πόλεσι φρουροὶ καὶ φρούραρχοι, οὓς τότε κατελίπομεν· καὶ τούτοις ἐγὼ προστάξας ἀπῆλθον ἄλλο μὲν μὴδὲν πολυπραγμονεῖν, τὰ δὲ τεῖχῃ διασώζειν. τούτους μὲν οὖν οὐ παύσω τῆς ἀρχῆς, ἐπεὶ καλῶς διαπεφυλάχασιν τὰ προσταχθέντα· ἄλλους δὲ σατράπας πέμψαι μοι δοκεῖ, οἵτινες

ἄρξουσιν τῶν ἐνοικούντων καὶ τὸν δασμὸν λαμβάνοντες τοῖς τε φρουροῖς δώσουσι μισθὸν καὶ ἄλλο τελούσιν ὃ τι ἂν δέη. [8.6.4] δοκεῖ δέ μοι καὶ τῶν ἐνθάδε μενόντων ὕμῶν, οἷς ἂν ἐγὼ πράγματα παρέχω πέμπων πράζοντάς τι ἐπὶ ταῦτα τὰ ἔθνη, χώρας γενέσθαι καὶ οἴκους ἐκεῖ, ὅπως δασμοφορῇται τε αὐτοῖς δεῦρο, ὅταν τε ἴωσιν ἐκεῖσε, εἰς οἰκεῖα ἔχωσι κατάγεσθαι. [8.6.5] ταῦτα εἶπε καὶ ἔδωκε πολλοῖς τῶν φίλων κατὰ πάσας τὰς καταστραφείσας πόλεις οἴκους καὶ ὑπηκόους· καὶ νῦν εἰσιν ἔτι τοῖς ἀπογόνους τῶν τότε λαβόντων αἱ χῶραι καταμένουσιν ἄλλαι ἐν ἄλλῃ γῇ· αὐτοὶ δὲ οἰκοῦσιν παρὰ βασιλεῖ. [8.6.6] Δεῖ δέ, ἔφη, τοὺς ἰόντας σατράπας ἐπὶ ταύτας τὰς χώρας τοιούτους ἡμᾶς σκοπεῖν οἵτινες ὃ τι ἂν ἐν τῇ γῇ ἐκάσῃ καλὸν ἢ ἀγαθὸν ἦι, μεμνήσονται καὶ δεῦρο ἀποπέμπειν, ὥς μετέχωνεν καὶ οἱ ἐνθάδε ὄντες τῶν πανταχοῦ γιγνομένων ἀγαθῶν· καὶ γὰρ ἦν τί που δεινὸν γίγνηται, ἡμῖν ἔσται ἀμυντέον. [8.6.7] ταῦτ' εἰπὼν τότε μὲν ἔπαυσε τὸν λόγον, ἔπειτα δὲ οὖς ἐγίνωσκε τῶν φίλων ἐπὶ τοῖς εἰρημένοις ἐπιθυμοῦντας ἰέναι, ἐκλεξάμενος αὐτῶν τοὺς δοκοῦντας ἐπιτηδειοτάτους εἶναι ἔπεμπε σατράπας εἰς Ἀραβίαν μὲν Μεγάβυζον, εἰς Καππαδοκίαν δὲ Ἀρταβάταν, εἰς Φρυγίαν δὲ τὴν μεγάλην Ἀρτακάμαν, εἰς Λυδίαν δὲ καὶ Ἰωνίαν Χρυσάνταν, εἰς Καρίαν δὲ Ἀδούσιον, ὃνπερ ἡτιοῦντο, εἰς Φρυγίαν δὲ τὴν παρ' Ἑλλήσποντον καὶ Αἰολίδα Φαρνοῦχον. [8.6.8] Κιλικίας δὲ καὶ Κύπρου καὶ Παφλαγόνων οὐκ ἔπεμψε Πέρσας σατράπας, ὅτι ἐκόντες ἐδόκουν συστρατεῦσαι ἐπὶ Βαβυλῶνα· δασμοὺς μὲντοι συνέταξεν ἀποφέρειν καὶ τούτους. [8.6.9] ὥς δὲ τότε Κῦρος κατεστήσατο, οὕτως ἔτι καὶ νῦν βασιλέως εἰσὶν αἱ ἐν ταῖς ἄκραις φυλακαὶ καὶ οἱ χιλιάρχοι τῶν φυλακῶν ἐκ βασιλέως εἰσὶ καθεστηκότες καὶ παρὰ βασιλεῖ ἀπογεγραμμένοι. [8.6.10] προεῖπε δὲ πᾶσι τοῖς ἐκπεμπομένοις σατράπαις, ὅσα αὐτὸν ἐώρων ποιοῦντα, πάντα μιμεῖσθαι· πρῶτον μὲν ἱππέας καθιστάναι ἐκ τῶν συνεπισπομένων Περσῶν καὶ συμμάχων καὶ ἄρματηλάτας· ὅποσοι δ' ἂν γῆν καὶ ἄρχεῖα λάβωσιν, ἀναγκάζειν τούτους ἐπὶ θύρας ἰέναι καὶ σωφροσύνης ἐπιμελουμένους παρέχειν ἑαυτοὺς τῷ σατράπῃ χρῆσθαι, ἦν τι δέηται· παιδεύειν δὲ καὶ τοὺς γιγνομένους παῖδας ἐπὶ θύραις, ὥσπερ παρ' αὐτῶν· ἐξάγειν δ' ἐπὶ τὴν θήραν τὸν σατράπην τοὺς ἀπὸ θυρῶν καὶ ἀσκεῖν αὐτόν τε καὶ τοὺς σὺν αὐτῷ τὰ πολεμικά. [8.6.11] Ὅς δ' ἂν ἐμοί, ἔφη, κατὰ λόγον τῆς δυνάμεως πλείστα μὲν ἄρματα, πλείστους δὲ καὶ ἀρίστους ἱππέας ἀποδεικνύῃ, τοῦτον ἐγὼ ὥς ἀγαθὸν

σύμμαχον καὶ ὡς ἀγαθὸν συμφύλακα Πέρσαις τε καὶ ἐμοὶ τῆς ἀρχῆς τιμήσω. ἔστων δὲ παρ' ὑμῖν καὶ ἔδραις ὥσπερ παρ' ἐμοὶ οἱ ἄριστοι προτετιμημένοι, καὶ τράπεζα, ὥσπερ ἡ ἐμή, τρέφουσα μὲν πρῶτον τοὺς οἰκέτας, ἔπειτα δὲ καὶ ὡς φίλοις μεταδιδόναι ἱκανῶς κεκοσμημένη καὶ ὡς τὸν καλὸν τι ποιοῦντα καθ' ἡμέραν ἐπιγεραίρειν. [8.6.12] κτᾶσθε δὲ καὶ παραδείσους καὶ θηρία τρέφετε, καὶ μήτε αὐτοὶ ποτε ἄνευ πόνου σῖτον παραθῆσθε μήτε ἵπποις ἀγυμνάστοις χόρτον ἐμβάλλετε· οὐ γὰρ ἂν δυναίμην ἐγὼ εἰς ὧν ἀνθρωπίνῃ ἀρετῇ τὰ πάντων ὑμῶν ἀγαθὰ διασώζουσιν, ἀλλὰ δεῖ ἐμὲ μὲν ἀγαθὸν ὄντα σὺν ἀγαθοῖς τοῖς παρ' ἐμοῦ ὑμῖν ἐπίκουρον εἶναι, ὑμᾶς δὲ ὁμοίως αὐτοὺς ἀγαθοὺς ὄντας σὺν ἀγαθοῖς τοῖς μεθ' ὑμῶν ἐμοὶ συμμάχους εἶναι. [8.6.13] βουλοίμην δ' ἂν ὑμᾶς καὶ τοῦτο κατανοῆσαι ὅτι τούτων ὧν νῦν ὑμῖν παρακελεύομαι οὐδὲν τοῖς δούλοις προστάττω· ἃ δ' ὑμᾶς φημι χρῆναι ποιεῖν, ταῦτα καὶ αὐτὸς πειρῶμαι πάντα πράττειν. ὥσπερ δ' ἐγὼ ὑμᾶς κελεύω ἐμὲ μιμεῖσθαι, οὕτω καὶ ὑμεῖς τοὺς ὑφ' ὑμῶν ἀρχὰς ἔχοντας μιμεῖσθαι ὑμᾶς διδάσκετε.

[8.6.14] Ταῦτα δὲ Κύρου οὕτω τότε τάξαντος ἔτι καὶ νῦν τῷ αὐτῷ τρόπῳ πᾶσαι μὲν αἱ ὑπὸ βασιλεῖ φυλακαὶ ὁμοίως φυλάττονται, πᾶσαι δὲ αἱ τῶν ἀρχόντων θύραι ὁμοίως θεραπεύονται, πάντες δὲ οἱ οἴκοι καὶ μεγάλοι καὶ μικροὶ ὁμοίως οἰκοῦνται, πᾶσι δὲ οἱ ἄριστοι τῶν παρόντων ἔδραις προτετίμηνται, πᾶσαι δὲ αἱ πορεῖαι συντεταγμέναι κατὰ τὸν αὐτὸν τρόπον εἰσὶ, πᾶσαι δὲ συγκεφαλαιοῦνται πολιτικαὶ πράξεις εἰς ὀλίγους ἐπιστάτας.

[8.6.15] Ταῦτα εἰπὼν ὡς χρῆ ποιεῖν ἐκάστους καὶ δύνανιν ἐκάστῳ προσθεὶς ἐξέπεμπε, καὶ προεῖπεν ἅπασιν παρασκευάζεσθαι ὡς εἰς νέωτα στρατείας ἐσομένης καὶ ἀποδείξεως ἀνδρῶν καὶ ὅπλων καὶ ἵππων καὶ ἀρμάτων.

[8.6.16] Κατενοήσαμεν δὲ καὶ τοῦτο ὅτι Κύρου κατάρξαντος, ὥς φασι, καὶ νῦν ἔτι διαμένει· ἐφοδεύει γὰρ ἀνὴρ κατ' ἐνιαυτὸν αἰὶ στράτευμα ἔχων, ὡς ἦν μὲν τις τῶν σατραπῶν ἐπικουρίας δέηται, ἐπικουρῇ, ἣν δὲ τις ὑβρίζει, σωφρονίζει, ἣν δὲ τις ἢ δασμῶν φορᾶς ἀμελῇ ἢ τῶν ἐνοίκων φυλακῆς ἢ ὅπως ἡ χώρα ἐνεργὸς ἦ ἢ ἄλλο τι τῶν τεταγμένων παραλίπηι, ταῦτα πάντα κατευτρεπίζει· ἣν δὲ μὴ δύνηται, βασιλεῖ ἀπαγγέλλει· ὁ δὲ ἀκούων βουλευέται περὶ τοῦ ἀτακτοῦντος. καὶ οἱ πολλάκις λεγόμενοι ὅτι βασιλέως υἱὸς καταβαίνει, βασιλέως ἀδελφός, βασιλέως ὀφθαλμός, καὶ ἐνίοτε οὐκ

ἐκφαινόμενοι, οὗτοι τῶν ἐφόδων εἰσὶν· ἀποτρέπεται γὰρ ἕκαστος αὐτῶν ὁπόθεν ἂν βασιλεὺς κελεύῃ.

[8.6.17] Κατεμάθομεν δὲ αὐτοῦ καὶ ἄλλο μηχανήμα πρὸς τὸ μέγεθος τῆς ἀρχῆς, ἐξ οὗ ταχέως ἠισθάνετο καὶ τὰ ἀμπολυ ἀπέχοντα ὅπως ἔχοι. σκεψάμενος γὰρ πόσον ἂν ὁδὸν ἵππος καθανύτοι τῆς ἡμέρας ἐλυνόμενος ὥστε διαρκεῖν, ἐποιήσατο ἵπῳνας τοσοῦτον διαλείποντας καὶ ἵππους ἐν αὐτοῖς κατέστησε καὶ τοὺς ἐπιμελομένους τούτων, καὶ ἄνδρα ἐφ' ἐκάστωι τῶν τόπων ἔταξε τὸν ἐπιτήδειον παραδέχεσθαι τὰ φερόμενα γράμματα καὶ παραδιδόναι καὶ παραλαμβάνειν τοὺς ἀπειρηκότες ἵππους καὶ ἀνθρώπους καὶ ἄλλους πέμπειν νεαλεῖς· [8.6.18] ἔστι δ' ὅτε οὐδὲ τὰς νύκτας φασὶν ἴστασθαι ταύτην τὴν πορείαν, ἀλλὰ τῷ ἡμερινῷ ἀγγέλῳ τὸν νυκτερινὸν διαδέχεσθαι. τούτων δὲ οὕτω γιγνομένων φασὶ τινες θᾶπτον τῶν γεράνων ταύτην τὴν πορείαν ἀνύτειν· εἰ δὲ τοῦτο ψεύδονται, ἀλλ' ὅτι γε τῶν ἀνθρωπίνων πεζῇ πορείῳν αὕτη ταχίστη, τοῦτο εὐδηλον. ἀγαθὸν δὲ ὡς τάχιστα ἕκαστον αἰσθανόμενον ὡς τάχιστα ἐπιμελεῖσθαι.

[8.6.19] Ἐπεὶ δὲ περιῆλθεν ὁ ἐνιαυτός, συνήγειρε στρατιὰν εἰς Βαβυλῶνα, καὶ λέγεται αὐτῷ γενέσθαι εἰς δώδεκα μὲν ἱππέων μυριάδας, εἰς δισχίλια δὲ ἄρματα δρεπανηφόρα, πεζῶν δὲ εἰς μυριάδας ἐξήκοντα. [8.6.20] ἐπεὶ δὲ ταῦτα συνεσκεύαστο αὐτῷ, ὥρμα δὴ ταύτην τὴν στρατείαν ἐν ἣ ἡ λέγεται καταστρέψασθαι πάντα τὰ ἔθνη ὅσα Συρίαν ἐκβάντι οἰκεῖ μέχρι Ἐρυθρᾶς θαλάττης· μετὰ δὲ ταῦτα ἢ εἰς Αἴγυπτον στρατεία λέγεται γενέσθαι καὶ καταστρέψασθαι Αἴγυπτον. [8.6.21] καὶ ἐκ τούτου τὴν ἀρχὴν ὥριζεν αὐτῷ πρὸς ἔω μὲν ἢ Ἐρυθρὰ θάλαττα, πρὸς ἄρκτον δὲ ὁ Εὐξείνιος πόντος, πρὸς ἐσπέραν δὲ Κύπρος καὶ Αἴγυπτος, πρὸς μεσημβρίαν δὲ Αἰθιοπία. τούτων δὲ τὰ πέρατα τὰ μὲν διὰ θάλπος, τὰ δὲ διὰ ψυχρος, τὰ δὲ διὰ ὕδωρ, τὰ δὲ δι' ἀνυδρίαν δυσοίκητα. [8.6.22] αὐτὸς δ' ἐν μέσῳι τούτων τὴν δίαίταν ποιησάμενος, τὸν μὲν ἀμφὶ τὸν χειμῶνα χρόνον διῆγεν ἐν Βαβυλῶνι ἐπτὰ μῆνας· αὕτη γὰρ ἀλεινὴ ἢ χώρα· τὸν δὲ ἀμφὶ τὸ ἔαρ τρεῖς μῆνας ἐν Σούσοις· τὴν δὲ ἀκμὴν τοῦ θεροῦς δύο μῆνας ἐν Ἐκβατάνοις· οὕτω δὴ ποιοῦντ' αὐτὸν λέγουσιν ἐν ἔαρινῳ θάλπει καὶ ψύχει διάγειν ἀεὶ. [8.6.23] οὕτω δὲ διέκειντο πρὸς αὐτὸν οἱ ἀνθρώποι ὡς πᾶν μὲν ἔθνος μειονεκτεῖν ἐδόκει, εἰ μὴ Κύρῳ πέμψειεν ὃ τι καλὸν αὐτοῖς ἐν τῇ χώρῃ ἢ φύοιτο ἢ τρέφοιτο ἢ τεχνῶιτο, πᾶσα δὲ πόλις ὡσαύτως, πᾶς δὲ ἰδιώτης πλούσιος ἂν ὤιετο γενέσθαι, εἴ τι

Κύρωι χάρισαιτο· καὶ γὰρ ὁ Κῦρος λαμβάνων παρ' ἐκάστων ὦν ἀφθονίαν εἶχον οἱ διδόντες ἀντεδίδου ὦν σπανίζοντας αὐτοὺς αἰσθάνοιτο.

[8.7.1] Οὕτω δὲ τοῦ αἰῶνος προκεχωρηκότος, μάλα δὴ πρεσβύτης ὦν ὁ Κῦρος ἀφικνεῖται εἰς Πέρσας τὸ ἔβδομον ἐπὶ τῆς αὐτοῦ ἀρχῆς. καὶ ὁ μὲν πατὴρ καὶ ἡ μήτηρ πάλαι δὴ ὥσπερ εἰκὸς ἐτετελευτήκεσαν αὐτῶν· ὁ δὲ Κῦρος ἔθυσσε τὰ νομιζόμενα ἱερὰ καὶ τοῦ χοροῦ ἡγήσατο Πέρσαις κατὰ τὰ πάτρια καὶ τὰ δῶρα πᾶσι διέδωκεν ὥσπερ εἰώθει.

[8.7.2] κοιμηθεὶς δ' ἐν τῷ βασιλείῳ ὄναρ εἶδε τοιόνδε. ἔδοξεν αὐτῷ προσελθὼν κρείττων τις ἢ κατὰ ἄνθρωπον εἰπεῖν· Συσκευάζου, ὦ Κῦρε· ἤδη γὰρ εἰς θεοὺς ἅπει. τοῦτο δὲ ἰδὼν τὸ ὄναρ ἐξηγέρθη καὶ σχεδὸν ἐδόκει εἰδέναι ὅτι τοῦ βίου ἡ τελευτὴ παρείη. [8.7.3] εὐθὺς οὖν λαβὼν ἱερεῖα ἔθυε Δί τε πατρώϊω καὶ Ἥλίῳ καὶ τοῖς ἄλλοις θεοῖς ἐπὶ τῶν ἄκρων, ὡς Πέρσαι θύουσιν, ὧδ' ἐπευχόμενος· Ζεῦ πατρώϊε καὶ Ἥλιε καὶ πάντες θεοί, δέχεσθε τάδε καὶ τελεστήρια πολλῶν καὶ καλῶν πράξεων καὶ χαριστήρια ὅτι ἐσημαίνετε μοι καὶ ἐν ἱεροῖς καὶ ἐν οὐρανίοις σημείοις καὶ ἐν οἰωνοῖς καὶ ἐν φήμαις ἅ τ' ἐχρῆν ποιεῖν καὶ ἃ οὐκ ἐχρῆν. πολλὴ δ' ὑμῖν χάρις ὅτι καὶ γὰρ ἐγὼ ἐγίνωσκον τὴν ὑμετέραν ἐπιμέλειαν καὶ οὐδεπώποτε ἐπὶ ταῖς εὐτυχίαις ὑπὲρ ἄνθρωπον ἐφρόνησα. αἰτοῦμαι δ' ὑμᾶς δοῦναι καὶ νῦν παισὶ μὲν καὶ γυναικὶ καὶ φίλοις καὶ πατρίδι εὐδαιμονίαν, ἐμοὶ δὲ οἷόνπερ αἰῶνα δεδώκατε, τοιαύτην καὶ τελευτὴν δοῦναι. [8.7.4] ὁ μὲν δὴ τοιαῦτα ποιήσας καὶ οἴκαδε ἐλθὼν ἔδοξεν ἡδέως ἀναπαύσεσθαι καὶ κατεκλίνῃ. ἐπεὶ δὲ ὥρα ἦν, οἱ τεταγμένοι προσιόντες λούσασθαι αὐτὸν ἐκέλευον. ὁ δ' ἔλεγεν ὅτι ἡδέως ἀναπαύοιτο. οἱ δ' αὖ τεταγμένοι, ἐπεὶ ὥρα ἦν, δεῖπνον παρετίθεσαν· τῷ δὲ ἡ ψυχὴ σῖτον μὲν οὐ προσίετο, διψῆν δ' ἐδόκει, καὶ ἔπιεν ἡδέως. [8.7.5] ὥς δὲ καὶ τῇ ὑστεραίᾳ συνέβαινεν αὐτῷ ταῦτα καὶ τῇ τρίτῃ, ἐκάλεσε τοὺς παῖδας· οἱ δ' ἔτυχον συνηκολουθηκότες αὐτῷ καὶ ὄντες ἐν Πέρσαις· ἐκάλεσε δὲ καὶ τοὺς φίλους καὶ τὰς Περσῶν ἀρχάς· παρόντων δὲ πάντων ἤρχετο τοιοῦδε λόγου.

[8.7.6] Παῖδες ἐμοὶ καὶ πάντες οἱ παρόντες φίλοι, ἐμοὶ μὲν τοῦ βίου τὸ τέλος ἤδη πάρεστιν· ἐκ πολλῶν τοῦτο σαφῶς γινώσκω· ὑμᾶς δὲ χρή, ὅταν τελευτήσω, ὡς περὶ εὐδαίμονος ἐμοῦ καὶ λέγειν καὶ ποιεῖν πάντα. ἐγὼ γὰρ παῖς τε ὢν τὰ ἐν παισὶ νομιζόμενα καλὰ δοκῶ κεκαρπῶσθαι, ἐπεὶ τε ἤβησα, τὰ ἐν νεανίσκοις, τέλειός τε ἀνὴρ γενόμενος τὰ ἐν ἀνδράσι· σὺν τῷ χρόνῳ τε προϊόντι ἀεὶ

συναυξανομένην ἐπιγινώσκειν ἐδόκουν καὶ τὴν ἐμὴν δύναμιν, ὥστε καὶ τοῦμὸν γῆρας οὐδεπώποτε ἡσθόμην τῆς ἐμῆς νεότητος ἀσθενέστερον γιγνόμενον, καὶ οὐτ' ἐπιχειρήσας οὐτ' ἐπιθυμήσας οἶδα ὅτου ἡτύχησα. [8.7.7] καὶ τοὺς μὲν φίλους ἐπεῖδον δι' ἐμοῦ εὐδαίμονας γενομένους, τοὺς δὲ πολεμίους ὑπ' ἐμοῦ δουλωθέντας· καὶ τὴν πατρίδα πρόσθεν ιδιωτεύουσαν ἐν τῇ Ἀσίᾳ νῦν προτετιμμένην καταλείπω· ὧν τ' ἐκτησάμην οὐδὲν [οἶδα] ὅ τι οὐ διεσωσάμην. καὶ τὸν μὲν παρελθόντα χρόνον ἔπραττον οὕτως ὥσπερ ἡνύχόμην· φόβος δέ μοι συμπαρομαρτῶν μή τι ἐν τῷ ἐπιόντι χρόνῳ ἢ ἴδοιμι ἢ ἀκούσαιοι ἢ πάθοιμι χυλῆν, οὐκ εἶα τελέως με μέγα φρονεῖν οὐδ' εὐφραίνεσθαι ἐκπεπταμένως. [8.7.8] νῦν δ' ἦν τελευτήσω, καταλείπω μὲν ὑμᾶς, ὧ παῖδες, ζῶντας οὕσπερ ἔδοσάν μοι οἱ θεοὶ γενέσθαι· καταλείπω δὲ πατρίδα καὶ φίλους εὐδαιμονοῦντας. [8.7.9] ὥστε πῶς οὐκ ἂν ἐγὼ δικαίως μακαρίζόμενος τὸν αἰετὸν χρόνον μνήμης τυγχάνοιμι; δεῖ δὲ καὶ τὴν βασιλείαν με ἤδη σαφηνίσαντα καταλιπεῖν, ὥς ἂν μὴ ἀμφίλογος γενομένη πράγματα ὑμῖν παράσχη. ἐγὼ δ' οὖν φιλῶ μὲν ἀμφοτέρους ὑμᾶς ὁμοίως, ὧ παῖδες· τὸ δὲ προβουλεύειν καὶ τὸ ἡγεῖσθαι ἐφ' ὅ τι ἂν καιρὸς δοκῇ εἶναι, τοῦτο προστάττω τῷ προτέρῳ γενομένῳ καὶ πλειόνων κατὰ τὸ εἰκὸς ἐμπείρωι. [8.7.10] ἐπαιδεύθην δὲ καὶ αὐτὸς οὕτως ὑπὸ τῆσδε τῆς ἐμῆς τε καὶ ὑμετέρας πατρίδος, τοῖς πρεσβυτέροις οὐ μόνον ἀδελφοῖς ἀλλὰ καὶ πολίταις καὶ ὁδῶν καὶ θάκων καὶ λόγων ὑπέεικιν, καὶ ὑμᾶς δέ, ὧ παῖδες, οὕτως ἐξ ἀρχῆς ἐπαίδευσον, τοὺς μὲν γεραιτέρους προτιμᾶν, τῶν δὲ νεωτέρων προτετιμῆσθαι· ὥς οὖν παλαιὰ καὶ εἰθισμένα καὶ ἔννομα λέγοντος ἐμοῦ οὕτως ἀποδέχεσθε. [8.7.11] καὶ σὺ μὲν, ὧ Καμβύση, τὴν βασιλείαν ἔχε, θεῶν τε διδόντων καὶ ἐμοῦ ὅσον ἐν ἐμοί· σοὶ δ', ὧ Ταναοξάρη, σατράπην εἶναι δίδωμι Μήδων τε καὶ Ἀρμενίων καὶ τρίτων Καδουσίων· ταῦτα δὲ σοὶ διδοὺς νομίζω ἀρχὴν μὲν μείζω καὶ τοῦνομα τῆς βασιλείας τῷ πρεσβυτέρῳ καταλιπεῖν, εὐδαιμονίαν δὲ σοὶ ἁλυποτέραν. [8.7.12] ὁποίας μὲν γὰρ ἀνθρωπίνης εὐφροσύνης ἐνδεὴς ἔσῃ οὐχ ὁρῶ· ἀλλὰ πάντα σοὶ τὰ δοκοῦντα ἀνθρώπους εὐφραίνειν παρέσται. τὸ δὲ δυσκαταπρακτοτέρων τε ἐρᾶν καὶ τὸ πολλὰ μεριμνᾶν καὶ τὸ μὴ δύνασθαι ἡσυχίαν ἔχειν κεντριζόμενον ὑπὸ τῆς πρὸς τὰμὰ ἔργα φιλονικίας καὶ τὸ ἐπιβουλεύειν καὶ τὸ ἐπιβουλεύεσθαι, ταῦτα τῷ βασιλεύοντι ἀνάγκη σοῦ μᾶλλον συμπαρομαρτεῖν, ἃ σάφ' ἴσθι τοῦ εὐφραίνεσθαι πολλὰς ἀσχολίας παρέχει. [8.7.13] οἶσθα μὲν οὖν καὶ σύ,

ὦ Καμβύση, ὅτι οὐ τόδε τὸ χρυσοῦν σκῆπτρον τὸ τὴν βασιλείαν διασῶζόν ἐστιν, ἀλλ' οἱ πιστοὶ φίλοι σκῆπτρον βασιλεῦσιν ἀληθέστατον καὶ ἀσφαλέστατον. πιστοὺς δὲ μὴ νόμιζε φύσει φύεσθαι ἀνθρώπους· πᾶσι γὰρ ἂν οἱ αὐτοὶ πιστοὶ φαίνοντο, ὥσπερ καὶ τᾶλλα τὰ πεφυκότα πᾶσι τὰ αὐτὰ φαίνεται· ἀλλὰ τοὺς πιστοὺς τίθεσθαι δεῖ ἕκαστον ἑαυτῶν· ἡ δὲ κτῆσις αὐτῶν ἔστιν οὐδαμῶς σὺν τῇ βίᾳ, ἀλλὰ μᾶλλον σὺν τῇ εὐεργεσίᾳ. [8.7.14] εἰ οὖν καὶ ἄλλους τινὰς πειράσῃ συμφύλακας τῆς βασιλείας ποιεῖσθαι μηδαμόθεν πρότερον ἄρχου ἢ ἀπὸ τοῦ ὁμόθεν γενομένου. καὶ πολῖταί τοι ἄνθρωποι ἀλλοδαπῶν οἰκειότεροι καὶ σύσσιτοι ἀποσκήνων· οἱ δὲ ἀπὸ τοῦ αὐτοῦ σπέρματος φύντες καὶ ὑπὸ τῆς αὐτῆς μητρὸς τραφέντες καὶ ἐν τῇ αὐτῇ οἰκίᾳ αὐξηθέντες καὶ ὑπὸ τῶν αὐτῶν γονέων ἀγαπώμενοι καὶ τὴν αὐτὴν μητέρα καὶ τὸν αὐτὸν πατέρα προσαγορεύοντες, πῶς οὐ πάντων οὗτοι οἰκειότατοι; [8.7.15] μὴ οὖν ἂ οἱ θεοὶ ὑφήγηνται ἀγαθὰ εἰς οἰκειότητα ἀδελφοῖς μάταιά ποτε ποιήσητε, ἀλλ' ἐπὶ ταῦτα εὐθύς οἰκοδομεῖτε ἄλλα φιλικὰ ἔργα· καὶ οὕτως ἀεὶ ἀνυπέρβλητος ἄλλοις ἔσται ἡ ὑμετέρα φιλία. ἑαυτοῦ τοι κήδεται ὁ προνοῶν ἀδελφοῦ· τίτι γὰρ ἄλλω ἀδελφὸς μέγας ὢν οὕτω καλὸν ὥς ἀδελφῷ; τίς δ' ἄλλος τιμῆσεται δι' ἄνδρα μέγα δυνάμενον οὕτως ὥς ἀδελφός; τίνα δὲ φοβήσεται τις ἀδικεῖν ἀδελφοῦ μεγάλου ὄντας οὕτως ὥς τὸν ἀδελφόν; [8.7.16] μήτε οὖν θᾶπτον μηδεὶς σοῦ τούτῳ ὑπακουέτω μήτε προθυμότερον παρέστω· οὐδενὶ γὰρ οἰκειότερα τὰ τούτου οὔτε ἀγαθὰ οὔτε δεινὰ ἢ σοί. ἐννόει δὲ καὶ τάδε· τίτι χαρισάμενος ἐλπίσαις ἂν μειζόνων τυχεῖν ἢ τούτῳ; τίτι δ' ἂν βοηθήσας ἰσχυρότερον σύμμαχον ἀντιλάβοις; τίνα δ' αἴσχιον μὴ φιλεῖν ἢ τὸν ἀδελφόν; τίνα δὲ ἀπάντων κάλλιον προτιμᾶν ἢ τὸν ἀδελφόν; μόνου τοι, ὦ Καμβύση, πρωτεύοντος ἀδελφοῦ παρ' ἀδελφῷ οὐδὲ φθόνος παρὰ τῶν ἄλλων ἐφικνεῖται. [8.7.17] ἀλλὰ πρὸς θεῶν πατρώων, ὦ παῖδες, τιμᾶτε ἀλλήλους, εἴ τι καὶ τοῦ ἐμοὶ χαρίζεσθαι μέλει ὑμῖν· οὐ γὰρ δήπου τοῦτό γε σαφῶς δοκεῖτε εἰδέναι ὥς οὐδὲν ἔτι ἐγὼ ἔσομαι, ἐπειδὴν τοῦ ἀνθρωπίνου βίου τελευτήσω· οὐδὲ γὰρ νῦν τοι τὴν γ' ἐμὴν ψυχὴν ἐωρᾶτε, ἀλλ' οἷς διεπράττετο, τούτοις αὐτὴν ὥς οὔσαν κατεφωρᾶτε. [8.7.18] τὰς δὲ τῶν ἄδικα παθόντων ψυχὰς οὕτω κατενόησατε οἷους μὲν φόβους τοῖς μαιφόνοις ἐμβάλλουσιν, οἷους δὲ παλαμναίους τοῖς ἀνοσίοις ἐπιπέμπουσι; τοῖς δὲ φθιμένοις τὰς τιμὰς διαμένειν ἔτι ἂν δοκεῖτε, εἰ μηδενὸς αὐτῶν αἱ ψυχαὶ κύριαι ἦσαν; [8.7.19] οὗτοι ἔγωγε, ὦ παῖδες,

οὐδὲ τοῦτο πώποτε ἐπέσθην ὥς ἡ ψυχὴ ἕως μὲν ἂν ἐν θνητῷ σώματι ᾦ, ζῇ, ὅταν δὲ τούτου ἀπαλλαγῇ, τέθνηκεν· ὁρῶ γὰρ ὅτι καὶ τὰ θνητὰ σώματα ὅσον ἂν ἐν αὐτοῖς χρόνον ᾦ ἡ ψυχὴ, ζῶντα παρέχεται. [8.7.20] οὐδέ γε ὅπως ἄφρων ἔσται ἡ ψυχὴ, ἐπειδὴ τοῦ ἄφρονος σώματος δίχα γένηται, οὐδὲ τοῦτο πέπεισμαι· ἀλλ' ὅταν ἄκρατος καὶ καθαρὸς ὁ νοῦς ἐκκριθῇ, τότε καὶ φρονιμώτατον αὐτὸν εἰκὸς εἶναι. διαλυομένου δὲ ἀνθρώπου δηλὰ ἐστὶν ἕκαστα ἀπιόντα πρὸς τὸ ὁμόφυλον πλὴν τῆς ψυχῆς· αὕτη δὲ μόνη οὔτε παροῦσα οὔτε ἀπιoῦσα ὁρᾶται. [8.7.21] ἐννοήσατε δ', ἔφη, ὅτι ἐγγύτερον μὲν τῶν ἀνθρωπίνων θανάτῳ οὐδὲν ἐστὶν ὕπνου· ἡ δὲ τοῦ ἀνθρώπου ψυχὴ τότε δήπου θειοτάτῃ καταφαίνεται καὶ τότε τι τῶν μελλόντων προορᾷ· τότε γάρ, ὥς ἔοικε, μάλιστα ἐλευθεροῦται. [8.7.22] εἰ μὲν οὖν οὔτως ἔχει ταῦτα ὥσπερ ἐγὼ οἶομαι καὶ ἡ ψυχὴ καταλείπει τὸ σῶμα, καὶ τὴν ἐμὴν ψυχὴν καταιδούμενοι ποιεῖτε ἃ ἐγὼ δέομαι· εἰ δὲ μὴ οὕτως, ἀλλὰ μένουσα ἡ ψυχὴ ἐν τῷ σώματι συναποθνήσκει, ἀλλὰ θεοὺς γε τοὺς αἰεὶ ὄντας καὶ πάντ' ἐφορῶντας καὶ πάντα δυναμένους, οἳ καὶ τήνδε τὴν τῶν ὅλων τάξιν συνέχουσιν ἀτριβῇ καὶ ἀγήρατον καὶ ἀναμάρτητον καὶ ὑπὸ κάλλους καὶ μεγέθους ἀδιήγητον, τούτους φοβούμενοι μήποτ' ἀσεβὲς μηδὲν μηδὲ ἀνόσιον μήτε ποιήσητε μήτε βουλευσῆτε. [8.7.23] μετὰ μέντοι θεοὺς καὶ ἀνθρώπων τὸ πᾶν γένος τὸ αἰεὶ ἐπιγιγνόμενον αἰδεῖσθε· οὐ γὰρ ἐν σκότῳ ὑμᾶς οἱ θεοὶ ἀποκρύπτονται, ἀλλ' ἐμπαῆ πᾶσιν ἀνάγκη αἰεὶ ζῆν τὰ ὑμέτερα ἔργα· ἃ ἦν μὲν καθαρὰ καὶ ἔξω τῶν ἀδίκων φαίνονται, δυνατοὺς ὑμᾶς ἐν πᾶσιν ἀνθρώποις ἀναδειξεί· εἰ δὲ εἰς ἀλλήλους ἀδικόν τι φρονήσετε, ἐκ πάντων ἀνθρώπων τὸ ἀξιόπιστοι εἶναι ἀποβαλεῖτε. οὐδεὶς γὰρ ἂν ἔτι πιστεῦσαι δύναίτο ὑμῖν, οὐδ' εἰ πάνυ προθυμοῖτο, ἰδὼν ἀδικούμενον τὸν μάλιστα φιλαί προσήκοντα. [8.7.24] εἰ μὲν οὖν ἐγὼ ὑμᾶς ἱκανῶς διδάσκω οἷους χρὴ πρὸς ἀλλήλους εἶναι· εἰ δὲ μή, καὶ παρὰ τῶν προγεγενημένων μανθάνετε· αὕτη γὰρ ἀρίστη διδασκαλία. οἱ μὲν γὰρ πολλοὶ διαγεγένηνται φίλοι μὲν γονεῖς παισὶ, φίλοι δὲ ἀδελφοὶ ἀδελφοῖς· ἤδη δὲ τινες τούτων καὶ ἐναντία ἀλλήλοις ἔπραξαν· ὁποτέρους ἂν οὖν αἰσθάνησθε τὰ πραχθέντα συνενεγκόντα, ταῦτα δὴ αἰρούμενοι ὀρθῶς ἂν βουλευοίσθε. [8.7.25] καὶ τούτων μὲν ἴσως ἤδη ἅλεις. τὸ δ' ἐμὸν σῶμα, ὦ παῖδες, ὅταν τελευτήσω, μήτε ἐν χρυσῷ θῆτε μήτε ἐν ἀργύρῳ μηδὲ ἐν ἄλλῳ μηδενί, ἀλλὰ τῇ γῇ ὥς τάχιστα ἀπόδοτε. τί γὰρ τούτου μακαριώτερον τοῦ γῇ μειχθῆναι, ἢ πάντα μὲν τὰ καλὰ, πάντα δὲ τὰ γαθὰ φύει τε καὶ τρέφει; ἐγὼ δὲ καὶ

ἄλλως φιλόανθρωπος ἐγενόμην καὶ νῦν ἡδέως ἂν μοι δοκῶ κοινωῇσαι τοῦ εὐεργετοῦντος ἀνθρώπου. [8.7.26] ἀλλὰ γὰρ ἤδη, ἔφη, ἐκλείπειν μοι φαίνεται ἡ ψυχὴ ὄθενπερ, ὡς ἔοικε, πᾶσιν ἄρχεται ἀπολείπουσα. εἰ τις οὖν ὑμῶν ἢ δεξιᾶς βούλεται τῆς ἐμῆς ἄψασθαι ἢ ὄμμα τοῦμόν ζῶντος ἔτι προσιδεῖν ἐθέλει, προσίτω· ὅταν δ' ἐγὼ ἐγκαλύψωμαι, αἰτοῦμαι ὑμᾶς, ὧ παῖδες, μηδεὶς ἔτ' ἀνθρώπων τοῦμόν σῶμα ιδέτω, μηδ' αὐτοὶ ὑμεῖς. [8.7.27] Πέρσας μέντοι πάντας καὶ τοὺς συμμάχους ἐπὶ τὸ μνημα τοῦμόν παρακαλεῖτε συνησθησομένους ἐμοὶ ὅτι ἐν τῷ ἀσφαλεῖ ἤδη ἔσομαι, ὡς μηδὲν ἂν ἔτι κακὸν παθεῖν, μήτε ἢν μετὰ τοῦ θεοῦ γένωμαι μήτε ἢν μηδὲν ἔτι ὧ· ὁπόσοι δ' ἂν ἔλθωσι, τούτους εὖ ποιήσαντες ὁπόσα ἐπ' ἀνδρὶ εὐδαίμονι νομίζεται ἀποπέμπετε. [8.7.28] καὶ τοῦτο, ἔφη, μέμνησθέ μου τελευταῖον, τοὺς φίλους εὐεργετοῦντες καὶ τοὺς ἐχθροὺς δυνήσεσθε κολάζειν. καὶ χαίρετε, ὧ φίλοι παῖδες, καὶ τῇ μητρὶ ἀπαγγέλλετε ὡς παρ' ἐμοῦ· καὶ πάντες δὲ οἱ παρόντες καὶ οἱ ἀπόντες φίλοι χαίρετε. ταῦτ' εἰπὼν καὶ πάντας δεξιωσάμενος ἐνεκαλύψατο καὶ οὕτως ἐτελεύτησεν.

Τὸ Κύρου μνημα (?)

[8.8.1] Ὅτι μὲν δὴ καλλίστη καὶ μεγίστη τῶν ἐν τῇ Ἀσίᾳ ἡ Κύρου βασιλεία ἐγένετο αὐτῇ ἑαυτῇ μαρτυρεῖ. ὠρίσθη γὰρ πρὸς ἕω μὲν τῇ Ἐρυθραῖ θαλάττῃ, πρὸς ἄρκτον δὲ τῷ Εὐξείνῳ πόντῳ, πρὸς ἐσπέραν δὲ Κύπρῳ καὶ Αἰγύπτῳ, πρὸς μεσημβρίαν δὲ Αἰθιοπίαι. τοσαύτη δὲ γενομένη μᾶλλον γνώμῃ τῇ Κύρου ἐκυβερνᾶτο, καὶ ἐκεῖνός τε τοὺς ὑπ' ἑαυτῷ ὥσπερ ἑαυτοῦ παῖδας ἐτίμα τε καὶ ἐθεράπευεν, οἳ τε ἀρχόμενοι Κῦρον ὡς πατέρα ἐσέβοντο. [8.8.2] ἐπεὶ μέντοι Κῦρος ἐτελεύτησεν, εὐθὺς μὲν αὐτοῦ οἱ παῖδες ἐστασίαζον, εὐθὺς δὲ πόλεις καὶ ἔθνη ἀφίσταντο, πάντα δ' ἐπὶ τὸ χεῖρον ἐτρέποντο. ὡς δ' ἀληθῆ λέγω ἄρξομαι διδάσκων ἐκ τῶν θείων. οἶδα γὰρ ὅτι πρότερον μὲν βασιλεὺς καὶ οἱ ὑπ' αὐτῷ καὶ τοῖς τὰ ἔσχατα πεποιηκόσιν εἴτε ὄρκους ὁμόσαιεν, ἡμπέδουν, εἴτε δεξιὰς δοῖεν, ἐβεβαίουν. [8.8.3] εἰ δὲ μὴ τοιοῦτοι ἦσαν καὶ τοιαύτην δόξαν εἶχον οὐδ' ἂν εἰς αὐτοῖς ἐπιστευνεν, ὥσπερ οὐδὲ νῦν πιστεύει οὐδὲ εἰς ἔτι, ἐπεὶ ἔγνωσται ἡ ἀσέβεια αὐτῶν. οὕτως οὐδὲ τότε ἐπίστευσαν ἂν οἱ τῶν σὺν Κύρῳ ἀναβάντων στρατηγοί· νῦν δὲ δὴ τῇ πρόσθεν αὐτῶν δόξῃ πιστεύσαντες ἐνεχείρισαν ἑαυτούς, καὶ ἀναχθέντες πρὸς βασιλέα ἀπετμήθησαν τὰς κεφαλὰς. πολλοὶ δὲ καὶ τῶν συστρατευσάντων βαρβάρων ἄλλοι ἄλλαις πίστεσιν ἐξαπατηθέντες

ἀπώλονται. [8.8.4] πολὺ δὲ καὶ τάδε χείρονες νῦν εἰσι. πρόσθεν μὲν γὰρ εἴ τις ἢ διακινδυνεύσειε πρὸ βασιλέως ἢ πόλιν ἢ ἔθνος ὑποχείριον ποιήσειεν ἢ ἄλλο τι καλὸν ἢ ἀγαθὸν αὐτῷ διαπράξειεν, οὗτοι ἦσαν οἱ τιμώμενοι· νῦν δὲ καὶ ἦν τις ὥσπερ Μιθριδάτης τὸν πατέρα Ἀριοβαρζάνην προδούς, καὶ ἦν τις ὥσπερ Ῥεομίθρης τὴν γυναῖκα καὶ τὰ τέκνα καὶ τοὺς τῶν φίλων παῖδας ὁμήρους παρὰ τῷ Αἰγυπτίῳ ἐγκαταλιπὼν καὶ τοὺς μεγίστους ὅρκους παραβάς βασιλεῖ δόξει τι σύμφορον ποιῆσαι, οὗτοί εἰσιν οἱ ταῖς μεγίσταις τιμαῖς γεραιρόμενοι. [8.8.5] ταῦτ' οὖν ὀρῶντες οἱ ἐν τῇ Ἀσίᾳ πάντες ἐπὶ τὸ ἀσεβὲς καὶ τὸ ἄδικον τετραμμένοι εἰσίν· ὁποῖοί τινες γὰρ ἂν οἱ προστάται ᾧσι, τοιοῦτοι καὶ οἱ ὑπ' αὐτοὺς ὡς ἐπὶ τὸ πολὺ γίνονται. ἀθεμιστότεροι δὲ νῦν ἢ πρόσθεν ταῦτη γεγέννηται.

[8.8.6] Εἷς γε μὴν χρήματα τῆιδε ἀδικώτεροι· οὐ γὰρ μόνον τοὺς πολλὰ ἡμαρτηκότας, ἀλλ' ἤδη τοὺς οὐδὲν ἡδικηκότας συλλαμβάνοντες ἀναγκάζουσι πρὸς οὐδὲν δίκαιον χρήματα ἀποτίνειν· ὥστ' οὐδὲν ἦττον οἱ πολλὰ ἔχειν δοκοῦντες τῶν πολλὰ ἡδικηκότων φοβοῦνται· καὶ εἰς χεῖρας οὐδ' οὗτοι ἐθέλουσι τοῖς κρεῖττοσιν ἰέναι. οὐδέ γε ἀθροίζεσθαι εἰς βασιλικὴν στρατιὰν θαρροῦσι. [8.8.7] τοιγαροῦν ὅστις ἂν πολεμῇ αὐτοῖς, πᾶσιν ἔξεστιν ἐν τῇ χώρᾳ αὐτῶν ἀναστρέφεσθαι ἄνευ μάχης ὅπως ἂν βούλωνται διὰ τὴν ἐκείνων περὶ μὲν θεοὺς ἀσέβειαν, περὶ δὲ ἀνθρώπους ἀδικίαν. αἱ μὲν δὴ γινῶμαι ταῦτη τῷ παντὶ χείρους νῦν ἢ τὸ παλαιὸν αὐτῶν.

[8.8.8] Ὡς δὲ οὐδὲ τῶν σωμάτων ἐπιμέλονται ὥσπερ πρόσθεν, νῦν αὖ τοῦτο διηγῆσομαι. νόμιμον γὰρ δὴ ἦν αὐτοῖς μήτε πτύειν μήτε ἀπομύττεσθαι. δῆλον δὲ ὅτι ταῦτα οὐ τοῦ ἐν τῷ σώματι ὑγροῦ φειδόμενοι ἐνόμισαν, ἀλλὰ βουλόμενοι διὰ πόνων καὶ ἰδρωτός τὰ σώματα στερεοῦσθαι. νῦν δὲ τὸ μὲν μὴ πτύειν μηδὲ ἀπομύττεσθαι ἔτι διαμένει, [8.8.9] τὸ δ' ἐκπονεῖν οὐδαμοῦ ἐπιτηδεύεται. καὶ μὴν πρόσθεν μὲν ἦν αὐτοῖς μονοσιτεῖν νόμιμον, ὅπως ὅληι τῇ ἡμέρᾳ χρῶντο εἰς τὰς πράξεις καὶ εἰς τὸ διαπονεῖσθαι. νῦν γε μὴν τὸ μὲν μονοσιτεῖν ἔτι διαμένει, ἀρχόμενοι δὲ τοῦ σίτου ἡνίκα περ οἱ πρωιαίτατα ἀριστῶντες μέχρι τούτου ἐσθίοντες καὶ πίνοντες διάγουσιν ἔστεπερ οἱ ὀψιαίτατα κοιμώμενοι.

[8.8.10] Ἦν δ' αὐτοῖς νόμιμον μηδὲ προχοῖ δας εἰσφέρεισθαι εἰς τὰ συμπόσια, δῆλον ὅτι νομίζοντες τὸ μὴ ὑπερπίνειν ἦττον ἂν καὶ σώματα καὶ γνώμας σφάλλιν· νῦν δὲ τὸ μὲν μὴ εἰσφέρεισθαι ἔτι αὖ διαμένει, τοσοῦτον δὲ πίνουσιν ὥστε ἀντὶ τοῦ εἰσφέρειν αὐτοῖ

ἐκφέρονται, ἐπειδὴν μηκέτι δύνωνται ὀρθούμενοι ἐξιέναι.

[8.8.11] Ἀλλὰ μὴν καὶ κεῖνο ἦν αὐτοῖς ἐπιχώριον τὸ μεταξὺ πορευομένους μήτε ἐσθίειν μήτε πίνειν μήτε τῶν διὰ ταῦτα ἀναγκαίων μηδὲν ποιοῦντας φανεροὺς εἶναι· νῦν δ' αὖ τὸ μὲν τούτων ἀπέχεσθαι ἔτι διαμένει, τὰς μέντοι πορείας οὕτω βραχείας ποιοῦνται ὥς μηδέν· ἂν ἔτι θαυμάσαι τὸ ἀπέχεσθαι τῶν ἀναγκαίων.

[8.8.12] Ἀλλὰ μὴν καὶ ἐπὶ θήραν πρόσθεν μὲν τοσαυτάκις ἐξῆσαν ὥστε ἄρκεῖν αὐτοῖς τε καὶ ἵπποις γυμνάσια τὰς θήρας· ἐπεὶ δὲ Ἀρταξέρξης ὁ βασιλεὺς καὶ οἱ σὺν αὐτῷ ἥττους τοῦ οἴνου ἐγένοντο, οὐκέτι ὁμοίως οὗτ' αὐτοὶ ἐξῆσαν οὔτε τοὺς ἄλλους ἐξῆγον ἐπὶ τὰς θήρας· ἀλλὰ καὶ εἴ τινες φιλόπονοι γενόμεοι [καί] σὺν τοῖς περὶ αὐτοὺς ἱππεῦσι θαμὰ θηρῶιεν, φθονοῦντες αὐτοῖς δηλοὶ ἦσαν καὶ ὥς βελτίονας αὐτῶν ἐμίσουν.

[8.8.13] Ἀλλὰ τοι καὶ τοὺς παῖδας τὸ μὲν παιδεύεσθαι ἐπεὶ ταῖς θύραις ἔτι διαμένει· τὸ μέντοι τὰ ἱππικὰ μανθάνειν καὶ μελετᾶν ἀπέσβηκε διὰ τὸ μὴ εἶναι ὅπου ἂν ἀποφαινόμενοι εὐδοκιμοῖεν. καὶ ὅτι γε οἱ παῖδες ἀκούοντες ἐκεῖ πρόσθεν τὰς δίκας δικαίως δικαζομένας ἐδόκουν μανθάνειν δικαιοσύνην, καὶ τοῦτο παντάπασιν ἀνέστραπται· σαφῶς γὰρ ὁρῶσι νικῶντας ὁπότεροι ἂν πλεόν διδῶσιν. [8.8.14] ἀλλὰ καὶ τῶν φυομένων ἐκ τῆς γῆς τὰς δυνάμεις οἱ παῖδες πρόσθεν μὲν ἐμάνθανον, ὅπως τοῖς μὲν ὠφελίμοις χρῶντο, τῶν δὲ βλαβερῶν ἀπέχοντο· νῦν δὲ εὐόικασι ταῦτα διδασκομένοις, ὅπως ὅτι πλεῖστα κακοποιῶσιν· οὐδαμοῦ γοῦν πλείους ἢ ἐκεῖ οὗτ' ἀποθνήσκουσιν οὔτε διαφθείρονται ὑπὸ φαρμάκων.

[8.8.15] Ἀλλὰ μὴν καὶ θρυπτικώτεροι πολὺ νῦν ἢ ἐπὶ Κύρου εἰσί. τότε μὲν γὰρ ἔτι τῇ ἐκ Περσῶν παιδείᾳ καὶ ἐγκρατεῖα ἐχρῶντο, τῇ δὲ Μήδων στολῇ καὶ ἀβρότητι· νῦν δὲ τὴν μὲν ἐκ Περσῶν καρτερίαν περιορῶσιν ἀποσβεννυμένην, τὴν δὲ τῶν Μήδων μαλακίαν διασώζονται. [8.8.16] σαφηνίσαι δὲ βούλομαι καὶ τὴν θρύψιν αὐτῶν. ἐκείνοις γὰρ πρῶτον μὲν τὰς εὐνάς οὐ μόνον ἄρκεῖ μαλακῶς ὑποστόρνυσθαι, ἀλλ' ἤδη καὶ τῶν κλινῶν τοὺς πόδας ἐπὶ ταπίδων τιθέασιν, ὅπως μὴ ἀντερείδῃ τὸ δάπεδον, ἀλλ' ὑπέικωσιν αἱ τάπιδες. καὶ μὴν τὰ πεττόμενα ἐπὶ τράπεζαν ὅσα τε πρόσθεν ἡῦρητο, οὐδὲν αὐτῶν ἀφήρηται, ἄλλα τε αἰεὶ καινὰ ἐπιμηχανῶνται· καὶ ὅσα γε ὡσαύτως· καὶ γὰρ καινοποιητὰς ἀμφοτέρων τούτων κέκτηνται. [8.8.17] ἀλλὰ μὴν καὶ ἐν τῷ χειμῶνι οὐ μόνον κεφαλὴν καὶ σῶμα καὶ πόδας ἄρκεῖ αὐτοῖς ἐσκεπάσθαι, ἀλλὰ καὶ περὶ ἄκραις ταῖς χερσὶ χειρῖδας

δασείας καὶ δακτυλήθρας ἔχουσιν. ἐν γε μὴν τῷ θέρει οὐκ ἄρκοῦσιν αὐτοῖς οὐθ' αἱ τῶν δένδρων οὐθ' αἱ τῶν πετρῶν σκιαί, ἀλλ' ἐν ταύταις ἐτέρας σκιάς ἄνθρωποι μηχανώμενοι αὐτοῖς παρεστᾷσι. [8.8.18] καὶ μὴν ἐκπώματα ἦν μὲν ὡς πλείστα ἔχωσι, τούτῳ καλλωπίζονται· ἦν δ' ἐξ ἀδίκου φανερώς ἢ μεμηχανημένα, οὐδὲν τοῦτο αἰσχύνονται· πολὺ γὰρ ἠϋξῆται ἐν αὐτοῖς ἡ ἀδικία τε καὶ αἰσχροκέρδεια.

[8.8.19] Ἀλλὰ καὶ πρόσθεν μὲν ἦν ἐπιχώριον αὐτοῖς μὴ ὀρᾶσθαι πεζῇ πορευομένοις, οὐκ ἄλλου τινὸς ἔνεκα ἢ τοῦ ὡς ἱππικωτάτους γίνεσθαι· νῦν δὲ στρώματα πλείω ἔχουσιν ἐπὶ τῶν ἵππων ἢ ἐπὶ τῶν εὐνῶν· οὐ γὰρ τῆς ἱππείας οὕτως ὥσπερ τοῦ μαλακῶς καθῆσθαι ἐπιμέλονται. [8.8.20] τά γε μὴν πολεμικὰ πῶς οὐκ εἰκότως νῦν τῷ παντὶ χεῖρους ἢ πρόσθεν εἰσίν; οἷς ἐν μὲν τῷ παρελθόντι χρόνῳ ἐπιχώριον εἶναι ὑπῆρχε τοὺς μὲν τὴν γῆν ἔχοντας ἀπὸ ταύτης ἱππότης παρέχεσθαι, οἱ δὲ καὶ ἐστρατεύοντο εἰ δέοι στρατεύεσθαι, τοὺς δὲ φρουροῦντας πρὸ τῆς χώρας μισθοφόρους εἶναι· νῦν δὲ τοὺς τε θυρωροὺς καὶ τοὺς σιτοποιοὺς καὶ τοὺς ὀψοποιοὺς καὶ οἰνοχόους καὶ λουτροχόους καὶ παρατιθέντας καὶ ἀναιροῦντας καὶ κατακοιμίζοντας καὶ ἀνιστάντας, καὶ τοὺς κοσμητάς, οἱ ὑποχρίουσιν τε καὶ ἐντρίβουσιν αὐτοὺς καὶ τᾶλλα ῥυθμίζουσι, τούτους πάντας ἱππέας οἱ δυνάσται πεποιήκασιν, ὅπως μισθοφορῶσιν αὐτοῖς. [8.8.21] πλῆθος μὲν οὖν καὶ ἐκ τούτων φαίνεται, οὐ μέντοι ὄφελός γε οὐδὲν αὐτῶν εἰς πόλεμον· δηλοῖ δὲ καὶ αὐτὰ τὰ γινόμενα· κατὰ γὰρ τὴν χώραν αὐτῶν ῥᾷον οἱ πολέμιοι ἢ οἱ φίλοι ἀναστρέφονται. [8.8.22] καὶ γὰρ δὴ ὁ Κῦρος τοῦ μὲν ἀκροβολίζεσθαι ἀποπαύσας, θωρακίσας δὲ καὶ αὐτοὺς καὶ ἵππους καὶ ἐν παλτὸν ἐκάστωι δούς εἰς χεῖρα ὁμόθεν τὴν μάχην ἐποιεῖτο· νῦν δὲ οὔτε ἀκροβολίζονται ἔτι οὔτ' εἰς χεῖρας συνιόντες μάχονται. [8.8.23] καὶ οἱ πεζοὶ ἔχουσι μὲν γέρρα καὶ κοπίδας καὶ σαγάρεις ὥσπερ <οἱ> ἐπὶ Κύρου τὴν μάχην ποιησάμενοι· εἰς χεῖρας δὲ ἰέναι οὐδ' οὗτοι ἐθέλουσιν. [8.8.24] οὐδέ γε τοῖς δρεπανηφόροις ἄρμασιν ἔτι χρῶνται ἐφ' ᾧ Κῦρος αὐτὰ ἐποίησατο. ὁ μὲν γὰρ τιμαῖς αὐξήσας τοὺς ἡνιόχους καὶ ἀγαστοὺς ποιήσας εἶχε τοὺς εἰς τὰ ὄπλα ἐμβαλοῦντας· οἱ δὲ νῦν οὐδὲ γινώσκοντες τοὺς ἐπὶ τοῖς ἄρμασιν οἶονται σφίσιν ὁμοίους τοὺς ἀνασκήτους τοῖς ἡσκηκόσιν ἔσεσθαι. [8.8.25] οἱ δὲ ὀρμῶσι μὲν, πρὶν δ' ἐν τοῖς πολεμίοις εἶναι οἱ μὲν ἄκοντες ἐκπίπτουσιν, οἱ δ' ἐξάλλονται, ὥστε ἄνευ ἡνιόχων γινόμενα τὰ ζεύγη πολλάκις πλείω κακὰ τοὺς φίλους ἢ τοὺς πολεμίους ποιεῖ.

[8.8.26] ἐπεὶ μέντοι καὶ αὐτοὶ γινώσκουσιν οἷα σφίσι τὰ πολεμιστήρια ὑπάρχει, ὑφίενται, καὶ οὐδεὶς ἔτι ἄνευ Ἑλλήνων εἰς πόλεμον καθίσταται, οὔτε ὅταν ἀλλήλοις πολεμῶσιν οὔτε ὅταν οἱ Ἕλληνες αὐτοῖς ἀντιστρατεύωνται· ἀλλὰ καὶ πρὸς τούτους ἐγνώκασι μεθ' Ἑλλήνων τοὺς πολέμους ποιεῖσθαι.

[8.8.27] Ἐγὼ μὲν δὴ οἶμαι ἅπερ ὑπεθέμην ἀπειργάσθαι μοι. φημὶ γὰρ Πέρσας καὶ τοὺς σὺν αὐτοῖς καὶ ἀσεβεστέρους περὶ θεοὺς καὶ ἀνοσιωτέρους περὶ συγγενεῖς καὶ ἀδικωτέρους περὶ τοὺς ἄλλους καὶ ἀνανδροτέρους τὰ εἰς τὸν πόλεμον νῦν ἢ πρόσθεν ἀποδεδεῖχθαι. εἰ δέ τις τὰναντία ἐμοὶ γινώσκοι, τὰ ἔργα αὐτῶν ἐπισκοπῶν εὐρήσει αὐτὰ μαρτυροῦντα τοῖς ἐμοῖς λόγοις.

[1.1.1] Μετὰ δὲ ταῦτα οὐ πολλαῖς ἡμέραις ὕστερον ἦλθεν ἐξ Ἀθηνῶν Θυμοχάρης ἔχων ναῦς ὀλίγας· καὶ εὐθὺς ἐναυμάχησαν αὐτῆς Λακεδαιμόνιοι καὶ Ἀθηναῖοι, ἐνίκησαν δὲ Λακεδαιμόνιοι ἡγουμένου Ἀγησανδρίδου. [1.1.2] μετ' ὀλίγον δὲ τούτων Δωριεὺς ὁ Διαγόρου ἐκ Ῥόδου εἰς Ἑλλήσποντον εἰσέπλει ἀρχομένου χειμῶνος τέτταρσι καὶ δέκα ναυσὶν ἅμα ἡμέραι. κατιδὼν δὲ ὁ τῶν Ἀθηναίων ἡμεροσκόπος ἐσήμηνε τοῖς στρατηγοῖς. οἱ δὲ ἀνηγάγοντο ἐπ' αὐτὸν εἴκοσι ναυσὶν, ὥς ὁ Δωριεὺς φυγὼν πρὸς τὴν γῆν ἀνεβίβαζε τὰς αὐτοῦ τριήρεις, ὥς ἤνοιγε, περὶ τὸ Ῥοίτειον. [1.1.3] ἐγγὺς δὲ γενομένων τῶν Ἀθηναίων ἐμάχοντο ἀπὸ τε τῶν νεῶν καὶ τῆς γῆς μέχρι οἱ Ἀθηναῖοι ἀπέπλευσαν εἰς Μάδυτον πρὸς τὸ ἄλλο στρατόπεδον οὐδὲν πράξαντες. [1.1.4] Μίνδαρος δὲ κατιδὼν τὴν μάχην ἐν Ἰλίῳ θύων τῇ Ἀθηνᾷ, ἐβοήθει ἐπὶ τὴν θάλατταν, καὶ καθελκύσας τὰς ἑαυτοῦ τριήρεις ἀπέπλει, ὅπως ἀναλάβοι τὰς μετὰ Δωριέως. [1.1.5] οἱ δὲ Ἀθηναῖοι ἀνταναγαγόμενοι ἐναυμάχησαν περὶ Ἄβυδον κατὰ τὴν ἡϊόνα, μέχρι δείλης ἐξ ἑωθινοῦ. καὶ τὰ μὲν νικῶντων, τὰ δὲ νικωμένων, Ἀλκιβιάδης ἐπεισπλεῖ δυοῖν δεούσαις εἴκοσι ναυσὶν. [1.1.6] ἐντεῦθεν δὲ φυγὴ τῶν Πελοποννησίων ἐγένετο πρὸς τὴν Ἄβυδον· καὶ ὁ Φαρνάβαζος παρεβοήθει, καὶ ἐπεισβαίνων τῷ ἵππῳ εἰς τὴν θάλατταν μέχρι δυνατὸν ἦν ἐμάχετο, καὶ τοῖς ἄλλοις τοῖς αὐτοῦ ἵππευσι καὶ πεζοῖς παρεκελεύετο. [1.1.7] συμφράξαντες δὲ τὰς ναῦς οἱ Πελοποννήσιοι καὶ παραταξάμενοι πρὸς τῇ γῇ ἐμάχοντο. Ἀθηναῖοι δὲ ἀπέπλευσαν, τριάκοντα ναῦς τῶν πολεμίων λαβόντες κενὰς καὶ ὥς αὐτοὶ ἀπώλεσαν κομισάμενοι, εἰς Σηστόν. [1.1.8] ἐντεῦθεν πλὴν τετταράκοντα νεῶν ἄλλαι ἄλλῃ ὥιχοντο ἐπ' ἀργυρολογίαν ἔξω τοῦ Ἑλλησπόντου· καὶ ὁ Θράσυλλος, εἷς ὢν τῶν στρατηγῶν, εἰς Ἀθήνας ἔπλευσε ταῦτα ἐξαγγελῶν καὶ στρατιὰν καὶ ναῦς αἰτήσων. [1.1.9] μετὰ δὲ ταῦτα Τισσαφέρνης ἦλθεν εἰς Ἑλλήσποντον· ἀφικόμενον δὲ παρ' αὐτὸν μιᾷ τριήρει Ἀλκιβιάδην ξενία τε καὶ δῶρα ἄγοντα συλλαβὼν εἴρξεν ἐν Σάρδεσι, φάσκων κελεύειν βασιλέα πολεμεῖν Ἀθηναίοις. [1.1.10] ἡμέραις δὲ τριάκοντα ὕστερον Ἀλκιβιάδης ἐκ Σάρδεων μετὰ Μαντιθέου τοῦ ἀλόντος ἐν Καρίαι ἵππων εὐπορήσαντες νυκτὸς ἀπέδρασαν εἰς Κλαζομενάς· [1.1.11] οἱ δ' ἐν Σηστῷ Ἀθηναῖοι, αἰσθόμενοι Μίνδαρον πλεῖν ἐπ' αὐτοὺς μέλλοντα ναυσὶν ἐξήκοντα,

νυκτὸς ἀπέδρασαν εἰς Καρδίαν. ἐνταῦθα δὲ καὶ Ἀλκιβιάδης ἦκεν ἐκ τῶν Κλαζομενῶν σὺν πέντε τριήρεσι καὶ ἐπακτρίδι. πυθόμενος δὲ ὅτι αἱ τῶν Πελοποννησίων νῆες ἐξ Ἀβύδου ἀνηγμέναι εἶεν εἰς Κύζικον, αὐτὸς μὲν πεζῇ ἦλθεν εἰς Σηστόν, τὰς δὲ ναῦς περιπλεῖν ἐκέλευσε ἐκέλευσεν. [1.1.12] ἐπεὶ δ' ἦλθον. ἀνάγεσθαι ἤδη αὐτοῦ μέλλοντος ὥς ἐπὶ ναυμαχίαν ἐπεισπλεῖ Θηραμένης εἴκοσι ναυσὶν ἀπὸ Μακεδονίας, ἅμα δὲ καὶ Θρασύβουλος εἴκοσιν ἐτέραις ἐκ Θάσου, ἀμφοτέρωι ἡργυρολογηκότες. [1.1.13] Ἀλκιβιάδης δὲ εἰπὼν καὶ τούτοις διώκειν αὐτὸν ἐξελομένοις τὰ μεγάλα ἰστία αὐτὸς ἔπλευσεν εἰς Πάριον· ἀθρόαι δὲ γενόμεναι αἱ νῆες ἅπασαι ἐν Παρίωι ἐξ καὶ ὀγδοήκοντα τῆς ἐπιούσης νυκτὸς ἀνηγάγοντο, καὶ τῇ ἄλλῃ ἡμέρῃ περὶ ἀρίστου ὥραν ἦκον εἰς Προκόννησον. [1.1.14] ἐκεῖ δ' ἐπύθοντο ὅτι Μίνδαρος ἐν Κυζίκωι εἴη καὶ Φαρνάβαζος μετὰ τοῦ πεζοῦ. ταύτην μὲν οὖν τὴν ἡμέραν αὐτοῦ ἔμειναν, τῇ δὲ ὑστεραίῃ Ἀλκιβιάδης ἐκκλησίαν ποιήσας παρεκελεύετο αὐτοῖς ὅτι ἀνάγκη εἴη καὶ ναυμαχεῖν καὶ πεζομαχεῖν καὶ τειχομαχεῖν· Οὐ γὰρ ἔστιν, ἔφη, χρήματα ἡμῖν, τοῖς δὲ πολεμίοις ἄφθονα παρὰ βασιλέως. [1.1.15] τῇ δὲ προτεραίῃ, ἐπειδὴ ὠρμίσαντο, τὰ πλοῖα πάντα καὶ τὰ μικρὰ συνήθροισε παρ' ἑαυτόν, ὅπως μηδεὶς ἐξαγγεῖλαι τοῖς πολεμίοις τὸ πλῆθος τῶν νεῶν, ἐπεκρήρυξέ τε, ὃς ἂν ἀλίσκηται εἰς τὸ πέραν διαπλέων, θάνατον τὴν ζημίαν. [1.1.16] μετὰ δὲ τὴν ἐκκλησίαν παρασκευασάμενος ὥς ἐπὶ ναυμαχίαν ἀνηγάγετο ἐπὶ τὴν Κύζικον ὕοντος πολλῶι. ἐπειδὴ δ' ἐγγὺς τῆς Κυζίκου ἦν, αἰθρίας γενομένης καὶ τοῦ ἡλίου ἐκλάμψαντος καθορᾷ τὰς τοῦ Μινδάρου ναῦς γυμναζομένας πόρρω ἀπὸ τοῦ λιμένος καὶ ἀπειλημμένας ὑπ' αὐτοῦ, ἐξήκοντα οὖσας. [1.1.17] οἱ δὲ Πελοποννήσιοι ἰδόντες τὰς τῶν Ἀθηναίων τριήρεις οὖσας πλείους τε πολλῶι ἢ πρότερον καὶ πρὸς τῷ λιμένι, ἔφυγον εἰς τὴν γῆν· καὶ συνορμίσαντες τὰς ναῦς ἐμάχοντο ἐπιπλέουσι τοῖς ἐναντίοις. [1.1.18] Ἀλκιβιάδης δὲ ταῖς εἴκοσι τῶν νεῶν περιπλεύσας ἀπέβη εἰς τὴν γῆν. ἰδὼν δὲ ὁ Μίνδαρος, καὶ αὐτὸς ἀποβάς ἐν τῇ γῇ μαχόμενος ἀπέθανεν· οἱ δὲ μετ' αὐτοῦ ὄντες ἔφυγον. τὰς δὲ ναῦς οἱ Ἀθηναῖοι ὤχοντο ἄγοντες ἀπάσας εἰς Προκόννησον πλην τῶν Συρακοσίων· ἐκεῖνας δὲ αὐτοὶ κατέκαυσαν οἱ Συρακόσιοι. ἐκεῖθεν δὲ τῇ ὑστεραίῃ ἔπλεον οἱ Ἀθηναῖοι ἐπὶ Κύζικον. [1.1.19] οἱ δὲ Κυζικηνοὶ τῶν Πελοποννησίων καὶ Φαρναβάζου ἐκλιπόντων αὐτὴν ἐδέχοντο τοὺς Ἀθηναίους· [1.1.20] Ἀλκιβιάδης δὲ μείνας αὐτοῦ εἴκοσιν ἡμέρας καὶ χρήματα πολλὰ λαβὼν παρὰ τῶν Κυζικηνῶν, οὐδὲν ἄλλο κακὸν

ἐργασάμενος ἐν τῇ πόλει ἀπέπλευσεν εἰς Προκόννησον. ἐκεῖθεν δ' ἐπλευσεν εἰς Πέρινθον καὶ Σηλυμβρίαν. [1.1.21] καὶ Περίνθιοι μὲν εἰσεδέξαντο εἰς τὸ ἄστυ τὸ στρατόπεδον· Σηλυμβριανοὶ δὲ ἐδέξαντο μὲν οὐ, χρήματα δὲ ἔδωσαν. [1.1.22] ἐντεῦθεν δ' ἀφικόμενοι τῆς Καλχηδονίας εἰς Χρυσόπολιν ἐτείχισαν αὐτήν, καὶ δεκατευτήριον κατεσκεύασαν ἐν αὐτῇ, καὶ τὴν δεκάτην ἐξέλεγον τῶν ἐκ τοῦ Πόντου πλοίων, καὶ φυλακὴν ἐγκαταλιπόντες ναῦς τριάκοντα καὶ στρατηγὸν δύο, Θηραμένην καὶ Εὐμαχον, τοῦ τε χωρίου ἐπιμελεῖσθαι καὶ τῶν ἐκπλεόντων πλοίων καὶ εἴ τι ἄλλο δύναιτο βλάπτειν τοὺς πολεμίους. οἱ δ' ἄλλοι στρατηγοὶ εἰς τὸν Ἑλλήσποντον ὤιχοντο. [1.1.23] παρὰ δὲ Ἰπποκράτους τοῦ Μινδάρου ἐπιστολέως εἰς Λακεδαίμονα γράμματα πεμφθέντα ἐάλωσαν εἰς Ἀθήνας λέγοντα τάδε· Ἔρρει τὰ κἄλα. Μίνδαρος ἀπεσσύα. πεινῶντι τῶνδρες. ἀπορίοιμες τί χρὴ δρᾶν. [1.1.24] Φαρνάβαζος δὲ παντὶ τῷ τῶν Πελοποννησίων στρατεύματι καὶ τοῖς συμμάχοις παρακελευσάμενος μὴ ἄθυμεῖν ἔνεκα ξύλων, ὥς ὄντων πολλῶν ἐν τῇ βασιλείῳ, ἕως ἂν τὰ σώματα σῶα ᾖ, ἱμάτιόν τ' ἔδωκεν ἐκάστωι καὶ ἐφόδιον δυοῖν μνηοῖν, καὶ ὀπλίσας τοὺς ναύτας φύλακας κατέστησε τῆς ἑαυτοῦ παραθαλαττίας γῆς. [1.1.25] καὶ συγκαλέσας τοὺς τε ἀπὸ τῶν πόλεων στρατηγοὺς καὶ τριηράρχους ἐκέλευε ναυπηγεῖσθαι τριήρεις ἐν Ἀντάνδρῳ ὅσας ἕκαστοι ἀπώλεσαν, χρήματά τε διδοὺς καὶ ὕλην ἐκ τῆς Ἰδῆς κομίζεσθαι φράζων. [1.1.26] ναυπηγουμένων δὲ οἱ Συρακόσιοι ἅμα τοῖς Ἀντανδρίοις τοῦ τείχους τι ἐπετέλεσαν, καὶ ἐν τῇ φρουρᾷ ἤρεσαν πάντων μάλιστα. διὰ ταῦτα δὲ εὐεργεσία τε καὶ πολιτεία Συρακοσίοις ἐν Ἀντάνδρῳ ἐστί. Φαρνάβαζος μὲν οὖν ταῦτα διατάξας εὐθὺς εἰς Καλχηδόνα ἐβόηθει.

[1.1.27] Ἐν δὲ τῷ χρόνῳ τούτῳ ἠγγέλθη τοῖς, τῶν Συρακοσίων στρατηγοῖς οἰκοθεν ὅτι φεύγοιεν ὑπὸ τοῦ δήμου. συγκαλέσαντες οὖν τοὺς ἑαυτῶν στρατιώτας Ἑρμοκράτους προηγοροῦντος ἀπωλοφύροντο τὴν ἑαυτῶν συμφορὰν, ὥς ἀδίκως φεύγοιεν ἅπαντες παρὰ τὸν νόμον· παρήνεσάν τε προθύμους εἶναι καὶ τὰ λοιπά, ὥσπερ τὰ πρότερα, καὶ ἄνδρας ἀγαθοὺς πρὸς τὰ ἀεὶ παραγγελλόμενα, ἐλέσθαι δὲ ἐκέλευον ἄρχοντας, μέχρι ἂν ἀφίκωνται οἱ ἡρημένοι ἀντ' ἐκείνων. [1.1.28] οἱ δ' ἀναβοήσαντες ἐκέλευον ἐκείνους ἄρχειν, καὶ μάλιστα οἱ τριηράρχοι καὶ οἱ ἐπιβάται καὶ οἱ κυβερνήται. οἱ δ' οὐκ ἔφασαν δεῖν στασιάζειν πρὸς τὴν ἑαυτῶν πόλιν· εἰ δέ τις ἐπικαλοῖη τι αὐτοῖς, λόγον ἔφασαν χρῆναι διδόναι,

μεμνημένους Ὅσας τε ναυμαχίας αὐτοὶ καθ' αὐτοὺς νενικήκατε καὶ ναῦς εἰλήφατε, ὅσα τε μετὰ τῶν ἄλλων ἀήττητοι γεγονάτε ἡμῶν ἡγουμένων, τάξιν ἔχοντες τὴν κρατίστην διὰ τε τὴν ἡμετέραν ἀρετὴν καὶ διὰ τὴν ὑμετέραν προθυμίαν καὶ κατὰ γῆν καὶ κατὰ θάλατταν ὑπάρχουσιν. [1.1.29] οὐδενὸς δὲ οὐδὲν ἐπαιτιωμένου, δεομένων ἔμειναν ἕως ἀφίκοντο οἱ ἀντ' ἐκείνων στρατηγοί, Δήμαρχός τ' Ἐπικύδου καὶ Μύσκων Μενεκράτους καὶ Πόταμις Γνώσιος. τῶν δὲ τριηράρχων ὁμόσαντες οἱ πλεῖστοι κατάξιν αὐτούς, ἐπὶ εἰς Συρακούσας ἀφίκονται, ἀπεπέμψαντο ὅποι ἐβούλοντο πάντας ἐπαινοῦντες· [1.1.30] ἰδία δὲ <οἱ> πρὸς Ἑρμοκράτην προσομιλοῦντες μάλιστα ἐπόθησαν τὴν τε ἐπιμέλειαν καὶ προθυμίαν καὶ κοινότητα. ὧν γὰρ ἐγίνωσκε τοὺς ἐπικεστάτους καὶ τριηράρχων καὶ κυβερνητῶν καὶ ἐπιβατῶν, ἐκάστης ἡμέρας πρῶι καὶ πρὸς ἑσπέραν συναλίζων πρὸς τὴν σκηνὴν τὴν ἑαυτοῦ ἀνεκοινοῦτο ὃ τι ἔμελλεν ἢ λέγειν ἢ πράττειν, κακεῖνους ἐδίδασκε κελεύων λέγειν τὰ μὲν ἀπὸ τοῦ παραχρῆμα, τὰ δὲ βουλευσαμένους. [1.1.31] ἐκ τούτων ἑρμοκράτης τὰ πολλὰ ἐν τῷ συνεδρίῳ ἠυδόξει, λέγειν τε δοκῶν καὶ βουλεύειν τὰ κράτιστα. κατηγορήσας δὲ Τισσαφέρνους ἐν Λακεδαίμονι Ἑρμοκράτης, μαρτυροῦντος καὶ Ἀστυόχου, καὶ δόξας τὰ ὄντα λέγειν, ἀφικόμενος παρὰ Φαρνάβαζον, πρὶν αἰτῆσαι χρήματα λαβών, παρεσκευάζετο πρὸς τὴν εἰς Συρακούσας κάθοδον ξένους τε καὶ τριήρεις. ἐν τούτῳ δὲ ἦκον οἱ διάδοχοι τῶν Συρακοσίων εἰς Μίλητον καὶ παρέλαβον τὰς ναῦς καὶ τὸ στράτευμα.

[1.1.32] Ἐν Θάσῳ δὲ κατὰ τὸν καιρὸν τοῦτον στάσεως γενομένης ἐκπίπτουσιν οἱ λακωνισταὶ καὶ ὁ Λάκων ἀρμοστής Ἑτεόνικος. καταιτιαθεὶς δὲ ταῦτα πρᾶξαι σὺν Τισσαφέρνει Πασιπίδας ὁ Λάκων ἔφυγεν ἐκ Σπάρτης· ἐπὶ δὲ τὸ ναυτικόν, ὃ ἐκεῖνος ἠθροίκε ἀπὸ τῶν συμμάχων, ἐξεπέμφθη Κρατησιπίδας, καὶ παρέλαβεν ἐν Χίῳ. [1.1.33] περὶ δὲ τούτους τοὺς χρόνους Θρασύλλου ἐν Ἀθήναις ὄντος Ἅγις ἐκ τῆς Δεκαλείας προνομὴν ποιούμενος πρὸς αὐτὰ τὰ τεῖχη ἦλθε τῶν Ἀθηναίων· Θράσυλλος δὲ ἐξαγαγὼν Ἀθηναίους καὶ τοὺς ἄλλους τοὺς ἐν τῇ πόλει ὄντας ἅπαντας παρέταξε παρὰ τὸ Λύκειον γυμνάσιον, ὥς μαχομένους, ἂν προσίωσιν. [1.1.34] ἰδὼν δὲ ταῦτα Ἅγις ἀπήγαγε ταχέως, καὶ τινες αὐτῶν ὀλίγοι τῶν ἐπὶ πᾶσιν ὑπὸ τῶν ψιλῶν ἀπέθανον. οἱ οὖν Ἀθηναῖοι τῷ Θρασύλλῳ διὰ ταῦτα ἔτι προθυμότεροι ἦσαν ἐφ' ᾧ ἦκε, καὶ ἐψηφίσαντο ὀπλίτας τε αὐτὸν καταλέξασθαι χιλίους, ἱππέας δὲ ἑκατόν, τριήρεις δὲ πεντήκοντα.

[1.1.35] Ἅγῆς δὲ ἐκ τῆς Δεκελείας ἰδὼν πλοῖα πολλὰ σίτου εἰς Πειραιᾶ καταθέοντα, οὐδὲν ὄφελος ἔφη εἶναι τοὺς μετ' αὐτοῦ πολὺν ἤδη χρόνον Ἀθηναίους εἶργειν τῆς γῆς, εἰ μὴ τις σχήσοι καὶ ὅθεν ὁ κατὰ θάλατταν σῖτος φοιτᾷ· κράτιστόν τε εἶναι καὶ Κλέαρχον τὸν Ῥαμφίου πρόξενον ὄντα Βυζαντίων πέμψαι εἰς Καλχηδόνα τε καὶ Βυζάντιον. [1.1.36] δόξαντος δὲ τούτου, πληρωθεισὼν νεῶν ἕκ τε Μεγάρων καὶ παρὰ τῶν ἄλλων συμμάχων πεντεκαίδεκα στρατιωτῶν μᾶλλον ἢ ταχειῶν ὤιχετο. καὶ αὐτοῦ τῶν νεῶν τρεῖς ἀπόλλυνται ἐν τῷ Ἑλλησπόντῳ ὑπὸ τῶν Ἀττικῶν ἐννέα νεῶν, αἱ αἰὲ ἐνταῦθα τὰ πλοῖα διεφύλαττον, αἱ δ' ἄλλαι ἔφυγον εἰς <Σηστόν, ἐκεῖθεν δὲ εἰς Βυζάντιον ἐσώθησαν. [1.1.37] καὶ ὁ ἐνιαυτὸς ἔληγεν, ἐν ᾧ Καρχηδόνιοι Ἀντίβια ἡγουμένου στρατεύσαντες ἐπὶ Σικελίαν δέκα μυριάσι στρατιᾶς αἰροῦσιν ἐν τρισὶ μηνσὶ δύο πόλεις Ἑλληνίδας Σελινοῦντα καὶ Ἱμέραν.

[1.2.1] Τῷ δὲ ἄλλῳ ἔτει [ᾧ ἦν Ὀλυμπιάς τρίτη καὶ ἐνενηκοστή, ἥι προστεθεῖσα ξυνωρὶς ἐνίκα Εὐαγόρου Ἡλείου, τὸ δὲ στάδιον Εὐβώτας Κυρηναῖος, ἐπὶ ἐφόρου μὲν ὄντος ἐν Σπάρτῃ Εὐαρχίππου, ἄρχοντος δ' ἐν Ἀθήναις Εὐκτῆμονος,] Ἀθηναῖοι μὲν Θορικὸν ἐτείχισαν, Θράσυλλος δὲ τὰ τε ψηφισθέντα πλοῖα λαβὼν καὶ πεντακισχιλίους τῶν ναυτῶν πελταστὰς ποιησάμενος, [ὥς ἅμα καὶ πελτασταῖς ἐσομένοις,] ἐξέπλευσεν ἀρχομένου τοῦ θέρους εἰς Σάμον. [1.2.2] ἐκεῖ δὲ μείνας τρεῖς ἡμέρας ἐπλευσεν εἰς Πύγελαν· καὶ ἐνταῦθα τὴν τε χώραν ἐδήμιον καὶ προσέβαλλε τῷ τείχει. ἐκ δὲ τῆς Μιλήτου βοηθήσαντές τινες τοῖς Πυγελεῦσι διεσπαρμένους τῶν Ἀθηναίων ὄντας τοὺς ψιλοὺς ἐδίωκον. [1.2.3] οἱ δὲ πελτασταὶ καὶ τῶν ὀπλιτῶν δύο λόχοι βοηθήσαντες πρὸς τοὺς αὐτῶν ψιλοὺς ἀπέκτειναν ἅπαντας τοὺς ἐκ Μιλήτου ἐκτὸς ὀλίγων, καὶ ἀσπίδας ἔλαβον ὡς διακοσίας, καὶ τροπαῖον ἔστησαν. [1.2.4] τῇ δὲ ὑστεραίᾳ ἐπλευσαν εἰς Νότιον, καὶ ἐντεῦθεν παρασκευασάμενοι ἐπορεύοντο εἰς Κολοφῶνα. Κολοφῶνιοι δὲ προσεχώρησαν. καὶ τῆς ἐπιούσης νυκτὸς ἐνέβαλον εἰς τὴν Λυδίαν ἀκμάζοντος τοῦ σίτου, καὶ κώμας τε πολλὰς ἐνέπρησαν καὶ χρήματα ἔλαβον καὶ ἀνδράποδα καὶ ἄλλην λείαν πολλήν. [1.2.5] Στάγης δὲ ὁ Πέρσης περὶ ταῦτα τὰ χωρία ὢν, ἐπεὶ οἱ Ἀθηναῖοι ἐκ τοῦ στρατοπέδου διεσκεδασμένοι ἦσαν κατὰ τὰς ἰδίας λείας, βοηθησάντων τῶν ἱππέων ἕνα μὲν ζῶν ἔλαβεν, ἑπτὰ δὲ ἀπέκτεινε. [1.2.6] Θράσυλλος δὲ μετὰ ταῦτα ἀπήγαγεν ἐπὶ θάλατταν τὴν στρατιάν, ὡς εἰς Ἐφεσον πλευσούμενος. Τισσαφέρνης δὲ

αἰσθόμενος τοῦτο τὸ ἐπιχείρημα, στρατιάν τε συνέλεγε πολλήν καὶ ἰππείας ἀπέστελλε παραγγέλλων πᾶσιν εἰς Ἔφεσον βοηθεῖν τῇ Ἀρτέμιδι. [1.2.7] Θράσυλλος δὲ ἐβδόμη καὶ δεκάτῃ ἡμέρῃ μετὰ τὴν εἰσβολὴν εἰς Ἔφεσον ἀπέπλευσε, καὶ τοὺς μὲν ὀπλίτας πρὸς τὸν Κορησσὸν ἀποβιβάσας, τοὺς δὲ ἰππείας καὶ πελταστὰς καὶ ἐπιβάτας καὶ τοὺς ἄλλους πάντας πρὸς τὸ ἔλος ἐπὶ τὰ ἕτερα τῆς πόλεως, ἅμα τῇ ἡμέρῃ προσήγε δύο στρατόπεδα. [1.2.8] οἱ δ' ἐκ τῆς πόλεως ἐβοήθησαν <σφίσιν> οἷ τε σύμμαχοι οὓς Τισσαφέρνης ἤγαγε, καὶ Συρακόσιοι οἱ τ' ἀπὸ τῶν προτέρων εἴκοσι νεῶν καὶ ἀπὸ ἐτέρων πέντε, αἱ ἔτυχον τότε παραγενόμεναι, νεωστὶ ἤκουσαι μετὰ Εὐκλέους τε τοῦ Ἰππωνος καὶ Ἡρακλείδου τοῦ Ἀριστογένους στρατηγῶν, καὶ Σελινούσiai δύο. [1.2.9] οὗτοι δὲ πάντες πρῶτον μὲν πρὸς τοὺς ὀπλίτας τοὺς ἐν Κορησσῶι ἐβοήθησαν· τούτους δὲ τρεψάμενοι καὶ ἀποκτείναντες ἐξ αὐτῶν ὥσεί ἐκατὸν καὶ εἰς τὴν θάλατταν καταδιώξαντες πρὸς τοὺς παρὰ τὸ ἔλος ἐτράποντο. ἔφυγον δὲ κάκεϊ οἱ Ἀθηναῖοι, καὶ ἀπώλοντο αὐτῶν ὡς τριακόσιοι. [1.2.10] οἱ δὲ Ἐφέσιοι τροπαῖον ἐνταῦθα ἔστησαν καὶ ἕτερον πρὸς τῷ Κορησσῶι. τοῖς δὲ Συρακοσίοις καὶ Σελινουσίοις κρατίστοις γενομένοις ἀριστεῖα ἔδωκαν καὶ κοινῇ καὶ ἰδία πολλοῖς, καὶ <οἰκεῖν ἀτέλειαν ἔδοσαν τῷ βουλομένῳ ἀεὶ· Σελινουσίους δέ, ἐπεὶ ἡ πόλις ἀπωλώλει, καὶ πολιτείαν ἔδοσαν. [1.2.11] οἱ δ' Ἀθηναῖοι τοὺς νεκροὺς ὑποσπόνδους ἀπολαβόντες ἀπέπλευσαν εἰς Νότιον, κάκεϊ θάψαντες αὐτοὺς ἔπλεον εὐθὺ Λέσβου καὶ Ἑλλησπόντου. [1.2.12] ὁρμοῦντες δὲ ἐν Μηθύμνῃ τῆς Λέσβου εἶδον παραπλεύσας ἐξ Ἐφέσου τὰς Συρακοσίας ναῦς πέντε καὶ εἴκοσι· καὶ ἐπ' αὐτὰς ἀναχθέντες τέτταρας μὲν ἔλαβον αὐτοῖς ἀνδράσι, τὰς δ' ἄλλας κατεδίωξαν εἰς Ἔφεσον. [1.2.13] καὶ τοὺς μὲν ἄλλους αἰχμαλώτους Θράσυλλος εἰς Ἀθήνας ἀπέπεμψε πάντας, Ἀλκιβιάδην δὲ Ἀθηναῖον, Ἀλκιβιάδου ὄντα ἀνεψιὸν καὶ συμφυγάδα, κατέλευσεν. ἐντεῦθεν δὲ ἔπλευσεν εἰς τὴν Σηστὴν πρὸς τὸ ἄλλο στράτευμα. ἐκεῖθεν δὲ ἅπαντα ἡ στρατιὰ διέβη εἰς Λάμψακον. [1.2.14] καὶ χειμῶν ἐπήγει, ἐν ᾧ οἱ αἰχμάλωτοι Συρακόσιοι, εἰργμένοι τοῦ Πειραιῶς ἐν λιθοτομίαις, διορύξαντες τὴν πέτραν, ἀποδράντες νυκτὸς ὤιχοντο εἰς Δεκέλειαν, οἱ δ' εἰς Μέγαρα. [1.2.15] ἐν δὲ τῇ Λαμψάκῳ συντάττοντος Ἀλκιβιάδου τὸ στράτευμα πᾶν οἱ πρότεροι στρατιῶται οὐκ ἐβούλοντο τοῖς μετὰ Θρασύλλου συντάττεσθαι, ὥς αὐτοὶ μὲν ὄντες ἀήττητοι, ἐκεῖνοι δὲ ἡττημένοι ἦκοιεν. ἐνταῦθα δὲ ἐχείμαζον ἅπαντες Λάμψακον τειχίζοντες. [1.2.16] καὶ ἐστράτευσαν

πρὸς Ἄβυδον· Φαρνάβαζος δ' ἐβοήθησεν ἵπποις πολλοῖς, καὶ μάχῃ ἡττηθεὶς ἔφυγεν. Ἀλκιβιάδης δὲ ἐδίωκεν ἔχων τοὺς τε ἱππέας καὶ τῶν ὀπλιτῶν εἴκοσι καὶ ἑκατόν, ὧν ἦρχε Μένανδρος, μέχρι σκότος ἀφείλετο. [1.2.17] ἐκ δὲ τῆς μάχης ταύτης συνέβησαν οἱ στρατιῶται αὐτοὶ αὐτοῖς καὶ ἡσπάζοντο τοὺς μετὰ Θρασύλλου. ἐξῆλθον δὲ τινὰς καὶ ἄλλας ἐξόδους τοῦ χειμῶνος εἰς τὴν ἡπειρον καὶ ἐπόρθουν τὴν βασιλέως χώραν. [1.2.18] τῷ δ' αὐτῷ χρόνῳ καὶ Λακεδαιμόνιοι τοὺς εἰς τὸ Κορυφάσιον τῶν Εἰλώτων ἀφεστῶτας ἐκ Μαλέας ὑποσπόνδους ἀφῆκαν. κατὰ δὲ τὸν αὐτὸν καιρὸν καὶ ἐν Ἡρακλείᾳ τῇ Τραχινίᾳ Ἀχαιοὶ τοὺς ἐποίκους, ἀντιτεταγμένων πάντων πρὸς Οἰταίους πολεμίους ὄντας, προέδοσαν, ὥστε ἀπολέσθαι αὐτῶν πρὸς ἑπτακοσίους σὺν τῷ ἐκ Λακεδαίμονος ἀρμοστῇ Λαβῳτῇ. [1.2.19] καὶ ὁ ἐνιαυτὸς ἔληγεν οὗτος, ἐν ᾧ καὶ Μῆδοι ἀπὸ Δαρείου τοῦ Περσῶν βασιλέως ἀποστάντες πάλιν προσεχώρησαν αὐτῷ.

[1.3.1] Τοῦ δ' ἐπιόντος ἔτους ὁ ἐν Φωκαίᾳ νεῶς τῆς Ἀθηνᾶς ἐνεπρήσθη πρηστῆρος ἐμπεσόντος. ἐπεὶ δ' ὁ χειμὼν ἔληγε, Παντακλέους μὲν ἐφορεύοντος, ἄρχοντος δ' Ἀντιγένους, ἕαρος ἀρχομένου, δυοῖν καὶ εἴκοσιν ἐτῶν τῷ πολέμῳ παρεληλυθότων, οἱ Ἀθηναῖοι ἐπλευσαν εἰς Προκόννησον παντὶ τῷ στρατοπέδῳ. [1.3.2] ἐκεῖθεν δ' ἐπὶ Καλχηδὼνα καὶ Βυζάντιον ὁρμήσαντες ἐστρατοπεδεύσαντο πρὸς Καλχηδόνι. οἱ δὲ Καλχηδόνιοι προσιόντας αἰσθόμενοι τοὺς Ἀθηναίους, τὴν λείαν ἅπασαν κετέθεντο εἰς τοὺς Βιθυνοὺς Θραῖκας, ἀστυγείτονας ὄντας. [1.3.3] Ἀλκιβιάδης δὲ λαβὼν τῶν τε ὀπλιτῶν ὀλίγους καὶ τοὺς ἱππέας, καὶ τὰς ναῦς παραπλεῖν κελεύσας, ἐλθὼν εἰς τοὺς Βιθυνοὺς ἀπῆται τὰ τῶν Καλχηδονίων χρήματα· εἰ δὲ μή, πολεμήσειν ἔφη αὐτοῖς. οἱ δὲ ἀπέδοσαν. [1.3.4] Ἀλκιβιάδης δ' ἐπεὶ ἦκεν εἰς τὸ στρατόπεδον τὴν τε λείαν ἔχων καὶ πίστει πεποιημένος, ἀπετείχιζε τὴν Καλχηδὼνα παντὶ τῷ στρατοπέδῳ ἀπὸ θαλάττης εἰς θάλατταν καὶ τοῦ ποταμοῦ ὅσον οἶόν τ' ἦν ξυλίνῳ τείχει. [1.3.5] ἐνταῦθα Ἴπποκράτης μὲν ὁ Λακεδαιμόνιος ἀρμοστὴς ἐκ τῆς πόλεως ἐξήγαγε τοὺς στρατιώτας, ὡς μαχούμενος· οἱ δὲ Ἀθηναῖοι ἀντιπαρετάξαντο αὐτῷ, Φαρνάβαζος δὲ ἔξωθεν τῶν περιτειχισμάτων ἐβοήθει στρατιῷ τε καὶ ἵπποις πολλοῖς. [1.3.6] Ἴπποκράτης μὲν οὖν καὶ Θράσυλλος ἐμάχοντο ἑκάτερος τοῖς ὀπλίταις χρόνον πολύν, μέχρι Ἀλκιβιάδης ἔχων ὀπλίτας τέ τινὰς καὶ τοὺς ἱππέας ἐβοήθησε. καὶ Ἴπποκράτης μὲν ἀπέθανεν, οἱ δὲ μετ' αὐτοῦ ὄντες ἔφυγον εἰς τὴν πόλιν. [1.3.7] ἅμα δὲ καὶ Φαρνάβαζος, οὐ

δυνάμενος συμμείζαι πρὸς τὸν Ἴπποκράτην διὰ τὴν στενοπορίαν, τοῦ ποταμοῦ καὶ τῶν ἀποτερισμάτων ἐγγὺς ὄντων, ἀπεχώρησεν εἰς τὸ Ἡράκλειον τὸ τῶν Καλχηδονίων, οὗ ἦν αὐτῷ τὸ στρατόπεδον. [1.3.8] ἐκ τούτου δὲ Ἀλκιβιάδης μὲν ὤιχετο εἰς τὸν Ἑλλήσποντον καὶ εἰς Χερρόνησον χρήματα πράξων· οἱ δὲ λοιποὶ στρατηγοὶ συνεχώρησαν πρὸς Φαρνάβαζον ὑπὲρ Καλχηδόνης εἴκοσι τάλαντα δοῦναι Ἀθηναίοις Φαρνάβαζον καὶ ὡς βασιλέα πρέσβεις Ἀθηναίων ἀναγαγεῖν, [1.3.9] καὶ ὄρκους ἔδοσαν καὶ ἔλαβον παρὰ Φαρναβάζου ὑποτελεῖν τὸν φόρον Καλχηδονίους Ἀθηναίοις ὅσον περ εἰώθεσαν καὶ τὰ ὀφειλόμενα χρήματα ἀποδοῦναι, Ἀθηναίους δὲ μὴ πολεμεῖν Καλχηδονίοις, ἕως ἂν οἱ παρὰ βασιλέως πρέσβεις ἔλθωσιν. [1.3.10] Ἀλκιβιάδης δὲ τοῖς ὄρκοις οὐκ ἐτύγχανε παρών, ἀλλὰ περὶ Σηλυμβρίαν ἦν· ἐκείνην δ' ἔλὼν πρὸς τὸ Βυζάντιον ἦκεν, ἔχων Χερρωνησίτας τε πανδημεὶ καὶ ἀπὸ Θράκης στρατιώτας καὶ ἵππεις πλείους τριακοσίων. [1.3.11] Φαρνάβαζος δὲ ἀξιῶν δεῖν κάκεῖνον ὁμνύναι, περιέμενεν ἐν Καλχηδόνι, μέχρι ἔλθοι ἐκ τοῦ Βυζαντίου· ἐπειδὴ δὲ ἦκεν, οὐκ ἔφη ὁμείσθαι, εἰ μὴ κάκεῖνος αὐτῷ ὁμείται. [1.3.12] μετὰ ταῦτα ὤμοσεν ὁ μὲν ἐν Χρυσοπόλει οἷς Φαρνάβαζος ἔπεμψε Μιτροβάται καὶ Ἀρνάπει, ὁ δ' ἐν Καλχηδόνι τοῖς παρ' Ἀλκιβιάδου Εὐρυπτολέμῳ καὶ Διοτίμῳ τὸν τε κοινὸν ὄρκον καὶ ἰδία ἀλλήλοις πίστει ἐποίησαντο. [1.3.13] Φαρνάβαζος μὲν οὖν εὐθὺς ἀπήιει, καὶ τοὺς παρὰ βασιλέα πορευομένους πρέσβεις ἀπαντᾶν ἐκέλευσεν εἰς Κύζικον. ἐπέμφθησαν δὲ Ἀθηναίων μὲν Δωρόθεος, Φιλοκύδης, Θεογένης, Εὐρυπτόλεμος, Μαντίθεος, σὺν δὲ τούτοις Ἀργεῖοι Κλεόστρατος, Πυρρόλογος· ἐπορεύοντο δὲ καὶ Λακεδαιμονίων πρέσβεις Πασιππίδας καὶ ἕτεροι, μετὰ δὲ τούτων καὶ Ἑρμοκράτης, ἤδη φεύγων ἐκ Συρακουσῶν, καὶ ὁ ἀδελφὸς αὐτοῦ Πρόξενος. [1.3.14] καὶ Φαρνάβαζος μὲν τούτους ἤγεν· οἱ δὲ Ἀθηναῖοι τὸ Βυζάντιον ἐπολιόρκουν περιτειχίσαντες, καὶ πρὸς τὸ τεῖχος ἀκροβολισμοὺς καὶ προσβολὰς ἐποιοῦντο. [1.3.15] ἐν δὲ τῷ Βυζαντίῳ ἦν Κλέαρχος Λακεδαιμόνιος ἀρμοστής καὶ σὺν αὐτῷ τῶν περιοίκων τινὲς καὶ τῶν νεοδαμῶδων οὐ πολλοὶ καὶ Μεγαρεῖς καὶ ἄρχων αὐτῶν Ἑλιζος Μεγαρεὺς καὶ Βοιωτοὶ καὶ τούτων ἄρχων Κοιρατάδας. [1.3.16] οἱ δ' Ἀθηναῖοι ὥς οὐδὲν ἐδύναντο διαπράξασθαι κατ' ἰσχύν, ἔπεισάν τινες τῶν Βυζαντίων προδοῦναι τὴν πόλιν. [1.3.17] Κλέαρχος δὲ ὁ ἀρμοστής οἴομενος οὐδένα ἂν τοῦτο ποιῆσαι, καταστήσας δὲ ἅπαντα ὥς ἐδύνατο κάλλιστα καὶ ἐπιτρέψας τὰ ἐν τῇ πόλει Κοιρατάδαι καὶ

Ἐλίξωι, διέβη παρὰ τὸν Φαρνάβαζον εἰς τὸ πέραν, μισθὸν τε τοῖς στρατιώταις παρ' αὐτοῦ ληψόμενος καὶ ναῦς συλλέξων, αἱ ἦσαν ἐν τῷ Ἑλλησπόντῳ ἄλλαι καταλελειμμέναι φρουρίδες ὑπὸ Πασιππίδου καὶ ἐν Ἀντάνδρῳ καὶ ὥς Ἀγησανδρίδας εἶχεν ἐπὶ Θράκης, ἐπιβάτης ὢν Μινδάρου, καὶ ὅπως ἄλλαι ναυπηγηθείσαν, ἀθροαὶ δὲ γενόμεναι πᾶσαι κακῶς τοὺς συμμάχους τῶν Ἀθηναίων ποιοῦσαι ἀποσπάσειαν τὸ στρατόπεδον ἀπὸ τοῦ Βυζαντίου. [1.3.18] ἐπεὶ δ' ἐξέπλευσεν ὁ Κλέαρχος, οἱ προδιδόντες τὴν πόλιν τῶν Βυζαντίων, Κύδων καὶ Ἀρίστων καὶ Ἀναξικράτης καὶ Λυκοῦργος καὶ Ἀναξίλαος [1.3.19] [ὃς ἐπαγόμενος θανάτου ὕστερον ἐν Λακεδαιμόνι διὰ τὴν προδοσίαν ἀπέφυγεν, ἀπολογούμενος ὅτι οὐ προδιδόη τὴν πόλιν, ἀλλὰ σῶσαι, παῖδας ὁρῶν καὶ γυναῖκας λιμῶι ἀπολλυμένους, Βυζάντιος ὢν καὶ οὐ Λακεδαιμόνιος· τὸν γὰρ ἐνόντα σῖτον Κλέαρχον τοῖς Λακεδαιμονίων στρατιώταις διδόναι· διὰ ταῦτ' οὖν τοὺς πολέμιους ἔφη εἰσέσθαι, οὐκ ἀργυρίου ἕνεκα οὐδὲ διὰ τὸ μισεῖν Λακεδαιμονίους]. [1.3.20] ἐπεὶ δὲ αὐτοῖς παρεσκεύαστο, νυκτὸς ἀνοίξαντες τὰς πύλας τὰς ἐπὶ τὸ Θράκιον καλουμένας εἰσήγαγον τὸ στράτευμα καὶ τὸν Ἀλκιβιάδην. [1.3.21] ὁ δὲ Ἐλίξος καὶ ὁ Κοιρατάδας οὐδὲν τούτων εἰδότες ἐβοήθουν μετὰ πάντων εἰς τὴν ἀγοράν· ἐπεὶ δὲ πάντῃ οἱ πολέμιοι κατεῖχον, οὐδὲν ἔχοντες ὅ τι ποιήσαιεν, παρέδωκαν σφᾶς αὐτούς. [1.3.22] καὶ οὗτοι μὲν ἀπεπέμφθησαν εἰς Ἀθήνας, καὶ ὁ Κοιρατάδας ἐν τῷ ὄχλῳ ἀποβαινόντων ἐν Πειραιεῖ ἔλαθεν ἀποδρὰς καὶ ἀπεσώθη εἰς Δεκέλειαν.

[1.4.1] Φαρνάβαζος δὲ καὶ οἱ πρέσβεις τῆς Φρυγίας ἐν Γορδείῳ ὄντες τὸν χειμῶνα τὰ περὶ τὸ Βυζάντιον πεπραγμένα ἤκουσαν. [1.4.2] ἀρχομένου δὲ τοῦ ἔαρος πορευομένοις αὐτοῖς παρὰ βασιλέα ἀπήντησαν καταβαίνοντες οἱ τε Λακεδαιμονίων πρέσβεις Βοιώτιος [ὄνομα] καὶ οἱ μετ' αὐτοῦ καὶ οἱ ἄλλοι ἄγγελοι, καὶ ἔλεγον ὅτι Λακεδαιμόνιοι ὧν δέονται πάντων πεπραγότες εἶεν παρὰ βασιλέως, [1.4.3] καὶ Κῦρος, ἄρξων πάντων τῶν ἐπὶ θαλάττῃ καὶ συμπολεμήσων Λακεδαιμονίοις, ἐπιστολὴν τε ἔφερε τοῖς κάτω πᾶσι τὸ βασιλείον σφράγισμα ἔχουσαν, ἐν ἣι ἐνῆν καὶ τάδε· Καταπέμπω Κῦρον κάρανον τῶν εἰς Καστωλὸν ἀθροιζομένων. τὸ δὲ κάρανον ἔστι κύριον. [1.4.4] ταῦτ' οὖν ἀκούοντες οἱ τῶν Ἀθηναίων πρέσβεις, καὶ ἐπειδὴ Κῦρον εἶδον, ἐβούλοντο μὲν μάλιστα παρὰ βασιλέα ἀναβῆναι, εἰ δὲ μή, οἴκαδε ἀπελθεῖν. [1.4.5] Κῦρος δὲ Φαρναβάζῳ εἶπεν ἢ παραδοῦναι τοὺς πρέσβεις ἑαυτῷ ἢ μὴ οἴκαδέ πο

ἀποπέμψαι, βουλόμενος τοὺς Ἀθηναίους μὴ εἰδέναι τὰ πραττόμενα. [1.4.6] Φαρνάβαζος δὲ τέως μὲν κατεῖχε τοὺς πρέσβεις, φάσκων τότε μὲν ἀνάξιν αὐτοὺς παρὰ βασιλέα, τότε δὲ οἴκαδε ἀποπέμψειν, ὥς μηδὲν μέμψησθε· [1.4.7] ἐπειδὴ δὲ ἐνιαυτοὶ ἦσαν τρεῖς, ἐδεήθη τοῦ Κύρου ἀφεῖναι αὐτούς, φάσκων ὁμομοκέναι καὶ ἀπάξιν ἐπὶ θάλατταν, ἐπειδὴ οὐ παρὰ βασιλέα. πέμψαντες δὲ Ἀριοβαρζάνει παρακομίσαι αὐτοὺς ἐκέλευον· ὁ δὲ ἀπήγαγεν εἰς Κίον τῆς Μυσίας, ὅθεν πρὸς τὸ ἄλλο στρατόπεδον ἀπέπλευσαν.

[1.4.8] Ἀλκιβιάδης δὲ βουλόμενος μετὰ τῶν στρατιωτῶν ἀποπλεῖν οἴκαδε, ἀνήχθη εὐθὺς ἐπὶ Σάμου· ἐκεῖθεν δὲ λαβὼν τῶν νεῶν εἴκοσιν ἔπλευσε τῆς Καρίας εἰς τὸν Κεραμικὸν κόλπον. [1.4.9] ἐκεῖθεν δὲ συλλέξας ἑκατὸν τάλαντα ἤκεν εἰς τὴν Σάμον. Θρασύβουλος δὲ σὺν τριάκοντα ναυσὶν ἐπὶ Θράκης ὤιχετο, ἐκεῖ δὲ τά τε ἄλλα χωρία τὰ πρὸς Λακεδαιμονίους μεθεστηκότα κατεστρέψατο καὶ Θάσον, ἔχουσιν κακῶς ὑπὸ τε τῶν πολέμων καὶ στάσεων καὶ λιμοῦ. [1.4.10] Θράσυλλος δὲ σὺν τῇ ἄλλῃ στρατιᾷ εἰς Ἀθήνας κατέπλευσε· πρὶν δὲ ἤκειν αὐτὸν οἱ Ἀθηναῖοι στρατηγούς εἵλοντο Ἀλκιβιάδην μὲν φεύγοντα καὶ Θρασύβουλον ἀπόντα, Κόνωνα δὲ τρίτον ἐκ τῶν οἴκοθεν. [1.4.11] Ἀλκιβιάδης δὲ ἐκ τῆς Σάμου ἔχων τὰ χρήματα κατέπλευσεν εἰς Πάρον ναυσὶν εἴκοσιν, ἐκεῖθεν δ' ἀνήχθη εὐθὺς Γυθείου ἐπὶ κατασκοπὴν τῶν τριήρων, ἃς ἐπυνθάνετο Λακεδαιμονίους αὐτόθι παρασκευάζειν τριάκοντα, καὶ τοῦ οἴκαδε κατάπλου ὅπως ἡ πόλις πρὸς αὐτὸν ἔχοι. [1.4.12] ἐπεὶ δὲ ἑώρα ἑαυτῷ εὖνουν οὕσαν καὶ στρατηγὸν αὐτὸν ἡρημένον καὶ ἰδία μεταπεμπομένους τοὺς ἐπιτηδείους, κατέπλευσεν εἰς τὸν Πειραιᾶ ἡμέραι ἦι Πλυντήρια ἦγεν ἡ πόλις, τοῦ ἔδους κατακεκαλυμμένου τῆς Ἀθηνᾶς, ὃ τινες οἰωνίζοντο ἀνεπιτήδειον εἶναι καὶ αὐτῷ καὶ τῇ πόλει. Ἀθηναίων γὰρ οὐδεὶς ἐν ταύτῃ τῇ ἡμέρᾳ οὐδενὸς σπουδαίου ἔργου τολμήσαι ἂν ᾗσασθαι. [1.4.13] καταπλέοντος δ' αὐτοῦ ὃ τε ἐκ τοῦ Πειραιῶς καὶ ὁ ἐκ τοῦ ἄστεως ὄχλος ἡθροίσθη πρὸς τὰς ναῦς, θαυμάζοντες καὶ ἰδεῖν βουλόμενοι τὸν Ἀλκιβιάδην, λέγοντες [ὅτι] οἱ μὲν ὥς κράτιστος εἶη τῶν πολιτῶν καὶ μόνος [ἀπελογήθη ὥς] οὐ δικαίως φύγοι, ἐπιβουλευθεὶς δὲ ὑπὸ τῶν ἔλαττον ἐκείνου δυναμένων μοχθηρότερα τε λεγόντων καὶ πρὸς τὸ αὐτῶν ἴδιον κέρδος πολιτευόντων, ἐκείνου ἀεὶ τὸ κοινὸν αὖξοντος καὶ ἀπὸ τῶν αὐτοῦ καὶ ἀπὸ τοῦ τῆς πόλεως δυνατοῦ· [1.4.14] ἐθέλοντος δὲ τότε κρίνεσθαι παραχρῆμα τῆς αἰτίας ἄρτι γεγενημένης ὥς ἡσεβηκότος

εἰς τὰ μυστήρια, ὑπερβαλλόμενοι οἱ ἐχθροὶ τὰ δοκοῦντα δίκαια εἶναι ἀπίοντα αὐτὸν ἐστέρησαν τῆς πατρίδος· [1.4.15] ἐν ᾧ χρόνῳ ὑπὸ ἀμηχανίας δουλεύων ἠναγκάσθη μὲν θεραπεύειν τοὺς ἐχθίστους, κινδυνεύων ἀεὶ παρ' ἐκάστην ἡμέραν ἀπολέσθαι· τοὺς δὲ οἰκειοτάτους πολίτας τε καὶ συγγενεῖς καὶ τὴν πόλιν ἅπασαν ὀρῶν ἐξαμαρτάνουσαν, οὐκ εἶχεν ὅπως ὠφελοίῃ φυγῇ ἀπειργόμενος· [1.4.16] οὐκ ἔφασαν δὲ τῶν οἴων περ αὐτὸς ὄντων εἶναι καινῶν δεῖσθαι πραγμάτων οὐδὲ μεταστάσεως· ὑπάρχειν γὰρ ἐκ τοῦ δήμου αὐτῷ μὲν τῶν τε ἡλικιωτῶν πλεον ἔχειν τῶν τε πρεσβυτέρων μὴ ἐλαττοῦσθαι, τοῖς δ' αὐτοῦ ἐχθροῖς <τοιούτοις δοκεῖν εἶναι οἰοισπερ πρότερον>, ὕστερον δὲ δυνασθεῖσαν ἀπολλύναι τοὺς βελτίστους, αὐτοὺς δὲ μόνους λειφθέντας δι' αὐτὸ τοῦτο ἀγαπᾶσθαι ὑπὸ τῶν πολιτῶν ὅτι ἐτέροις βελτίοσιν οὐκ εἶχον χρῆσθαι· [1.4.17] οἱ δέ, ὅτι τῶν παροιχομένων αὐτοῖς κακῶν μόνος αἴτιος εἴη, τῶν τε φοβερῶν ὄντων τῇ πόλει γενέσθαι μόνος κινδυνεύσαι ἡγεμῶν καταστῆναι. [1.4.18] Ἀλκιβιάδης δὲ πρὸς τὴν γῆν ὀρμισθεὶς ἀπέβαινε μὲν οὐκ εὐθύς, φοβούμενος τοὺς ἐχθρούς· ἐπαναστὰς δὲ ἐπὶ τοῦ καταστρώματος ἐσκόπει τοὺς αὐτοῦ ἐπιτηδείους, εἰ παρείησαν. [1.4.19] κατιδὼν δὲ Εὐρυπτόλεμον τὸν Πεισιάνακτος, αὐτοῦ δὲ ἀνεψιόν, καὶ τοὺς ἄλλους οἰκείους καὶ τοὺς φίλους μετ' αὐτῶν, τότε ἀποβὰς ἀναβαίνει εἰς τὴν πόλιν μετὰ τῶν παρεσκευασμένων, εἴ τις ἄπτοίτο, μὴ ἐπιτρέπειν. [1.4.20] ἐν δὲ τῇ βουλῇ καὶ τῇ ἐκκλησίᾳ ἀπολογησάμενος ὥς οὐκ ἠσεβήκει, εἰπὼν δὲ ὥς ἡδίκηται, λεχθέντων δὲ καὶ ἄλλων τοιούτων καὶ οὐδενὸς ἀντειπόντος διὰ τὸ μὴ ἀνασχέσθαι ἂν τὴν ἐκκλησίαν, ἀναρρηθεὶς ἀπάντων ἡγεμῶν αὐτοκράτωρ, ὥς οἷός τε ὦν σῶσαι τὴν προτέραν τῆς πόλεως δύναμιν, πρότερον μὲν τὰ μυστήρια τῶν Ἀθηναίων κατὰ θάλατταν ἀγόντων διὰ τὸν πόλεμον, κατὰ γῆν ἐποίησεν ἐξαγαγὼν τοὺς στρατιώτας ἅπαντας· [1.4.21] μετὰ δὲ ταῦτα κατελέξατο στρατιάν, ὀλίγας μὲν πεντακοσίους καὶ χιλίους, ἱππείας δὲ πεντήκοντα καὶ ἑκατόν, ναῦς δ' ἑκατόν. καὶ μετὰ τὸν κατάπλουν τρίτῳ μηνὶ ἀνήχθη ἐπ' Ἄνδρον ἀφεστηκυῖαν τῶν Ἀθηναίων, καὶ μετ' αὐτοῦ Ἀριστοκράτης καὶ Ἀδεΐμαντος ὁ Λευκολοφίδου συνεπέμφθησαν ἡριημένοι κατὰ γῆν στρατηγοί. [1.4.22] Ἀλκιβιάδης δὲ τὸ στράτευμα ἀπεβίβασε τῆς Ἀνδρίας χώρας εἰς Γαύριον· ἐκβοηθήσαντας δὲ τοὺς Ἀνδρίους ἐτρέψαντο καὶ κατέκλεισαν εἰς τὴν πόλιν καὶ τινὰς ἀπέκτειναν οὐ πολλούς, καὶ τοὺς Λάκωνας οἱ αὐτόθι ἦσαν. [1.4.23] Ἀλκιβιάδης δὲ τροπαῖόν τε ἔστησε καὶ μείνας αὐτοῦ

ολίγας ἡμέρας ἔπλευσεν εἰς Σάμον, κάκειθεν ὁρμώμενος ἐπολέμει.

[1.5.1] Οἱ δὲ Λακεδαιμόνιοι πρότερον τούτων οὐ πολλῶι χρόνῳ Κρατησιπίδαι τῆς ναυαρχίας παρεληλυθυίας Λύσανδρον ἐξέπεμψαν ναύαρχον. ὁ δὲ ἀφικόμενος εἰς Ῥόδον καὶ ναῦς ἐκείθεν λαβὼν, εἰς Κῶ καὶ Μίλητον ἔπλευσεν, ἐκεῖθεν δ' εἰς Ἑφεσον, καὶ ἐκεῖ ἔμεινε ναῦς ἔχων ἑβδομήκοντα μέχρι οὗ Κῦρος εἰς Σάρδεις ἀφίκετο. [1.5.2] ἐπεὶ δ' ἦκεν, ἀνέβη πρὸς αὐτὸν σὺν τοῖς ἐκ Λακεδαίμονος πρέσβεισιν. ἐνταῦθα δὴ κατὰ τε τοῦ Τισσαφέρνους ἔλεγον ἃ πεποιηκῶς εἶη, αὐτοῦ τε Κύρου ἐδέοντο ὡς προθυμοτάτου πρὸς τὸν πόλεμον γενέσθαι. [1.5.3] Κῦρος δὲ τὸν τε πατέρα ἔφη ταῦτα ἐπεσταλκέναι καὶ αὐτὸς οὐκ ἄλλ' ἐγνωκέναι, ἀλλὰ πάντα ποιήσειν· ἔχων δὲ ἦκειν τάλαντα πεντακόσια· ἐὰν δὲ ταῦτα ἐπιλίπηι, τοῖς ἰδίοις χρήσεσθαι ἔφη, ἃ ὁ πατήρ αὐτῶι ἔδωκεν· ἐὰν δὲ καὶ ταῦτα, καὶ τὸν θρόνον κατακόψειν ἐφ' οὗ ἐκάθητο, ὄντα ἀργυροῦν καὶ χρυσοῦν. [1.5.4] οἱ δὲ ταῦτά τε ἐπῆνουν καὶ ἐκέλευον αὐτὸν τάξαι τῶι ναύτῃ δραχμὴν Ἀττικὴν, διδάσκοντες ὅτι, ἂν οὗτος ὁ μισθὸς γένηται, οἱ τῶν Ἀθηναίων ναῦται ἀπολείψουσι τὰς ναῦς, καὶ μείω χρήματα ἀναλώσει. [1.5.5] ὁ δὲ καλῶς μὲν ἔφη αὐτοὺς λέγειν, οὐ δυνατόν δ' εἶναι παρ' ἃ βασιλεὺς ἐπέστειλεν αὐτῶι ἄλλα ποιεῖν. εἶναι δὲ καὶ τὰς συνθήκας οὕτως ἐχούσας, τριάκοντα μνᾶς ἐκάστη νηὶ τοῦ μηνὸς διδόναι, ὅποσας ἂν βούλωνται τρέφειν Λακεδαιμόνιοι. [1.5.6] ὁ δὲ Λύσανδρος τότε μὲν ἐσιώπησε· μετὰ δὲ τὸ δεῖπνον. ἐπεὶ αὐτῶι προπιὼν ὁ Κῦρος ἤρετο τί ἂν μάλιστα χαρίζοιτο ποιῶν, εἶπεν ὅτι Εἰ πρὸς τὸν μισθὸν ἐκάστωι ναύτῃ ὀβολὸν προσθείης. [1.5.7] ἐκ δὲ τούτου τέτταρες ὀβολοὶ ἦν ὁ μισθός, πρότερον δὲ τριῶβολον. καὶ τὸν τε προοφειλόμενον ἀπέδωκε καὶ ἔτι μηνὸς προέδωκεν, ὥστε τὸ στράτευμα πολὺ προθυμότερον εἶναι. [1.5.8] οἱ δὲ Ἀθηναῖοι ἀκούοντες ταῦτα ἀθύμως μὲν εἶχον, ἔπεμπον δὲ πρὸς τὸν Κῦρον πρέσβεις διὰ Τισσαφέρνους. [1.5.9] ὁ δὲ οὐ προσεδέχετο, δεομένου Τισσαφέρνους καὶ λέγοντος, ἅπερ αὐτὸς ἐποίει πεισθεὶς ὑπ' Ἀλκιβιάδου, σκοπεῖν ὅπως τῶν Ἑλλήνων μηδὲ οἵτινες ἰσχυροὶ ὦσιν, ἀλλὰ πάντες ἀσθενεῖς, αὐτοὶ ἐν αὐτοῖς στασιάζοντες. [1.5.10] καὶ ὁ μὲν Λύσανδρος, ἐπεὶ αὐτῶι τὸ ναυτικὸν συνετέτακτο, ἀνελκύσας τὰς ἐν τῇ Ἑφέσῳ οὐσας ναῦς ἐνενήκοντα ἡσυχίαν ἤγεν, ἐπισκευάζων καὶ ἀναψύχων αὐτάς. [1.5.11] Ἀλκιβιάδης δὲ ἀκούσας Θρασύβουλον ἔξω Ἑλλησπόντου ἦκοντα <τειγίζειν Φώκαιαν διέπλευσε πρὸς αὐτόν, καταλιπὼν ἐπὶ ταῖς ναυσὶν Ἀντίοχον τὸν αὐτοῦ κυβερνήτην,

ἐπιστείλας μὴ ἐπιπλεῖν ἐπὶ τὰς Λυσάνδρου ναῦς. [1.5.12] ὁ δὲ Ἀντίοχος τῇ τε αὐτοῦ νηὶ καὶ ἄλλῃ ἐκ Νοτίου εἰς τὸν λιμένα τῶν Ἐφεσίων εἰσπλεύσας παρ' αὐτὰς τὰς πρώϊρας τῶν Λυσάνδρου νεῶν παρέπλει. [1.5.13] ὁ δὲ Λύσανδρος τὸ μὲν πρῶτον ὀλίγας τῶν νεῶν καθελκύσας ἐδίωκεν αὐτόν, ἐπεὶ δὲ οἱ Ἀθηναῖοι τῷ Ἀντίοχῳ ἐβοήθουν πλείοσι ναυσί, τότε δὴ καὶ πάσας συντάξας ἐπέπλει. μετὰ δὲ ταῦτα καὶ οἱ Ἀθηναῖοι ἐκ τοῦ Νοτίου καθελκύσαντες τὰς λοιπὰς τριήρεις ἀνήχθησαν, ὥς ἕκαστος ἥνοιξεν. [1.5.14] ἐκ τούτου δ' ἐναυμάχησαν οἱ μὲν ἐν τάξει, οἱ δὲ Ἀθηναῖοι διεσπαρμέναις ταῖς ναυσί, μέχρι οὗ ἔφυγον ἀπολέσαντες πεντεκαίδεκα τριήρεις. τῶν δὲ ἀνδρῶν οἱ μὲν πλείστοι ἐξέφυγον, οἱ δ' ἐζωγρήθησαν. Λύσανδρος δὲ τὰς τε ναῦς ἀναλαβὼν καὶ τροπαῖον στήσας ἐπὶ τοῦ Νοτίου διέπλευσεν εἰς Ἐφεσον, οἱ δ' Ἀθηναῖοι εἰς Σάμον. [1.5.15] μετὰ δὲ ταῦτα Ἀλκιβιάδης ἐλθὼν εἰς Σάμον ἀνήχθη ταῖς ναυσὶν ἀπάσαις ἐπὶ τὸν λιμένα τῶν Ἐφεσίων, καὶ πρὸ τοῦ στόματος παρέταξεν, εἴ τις βούλοιτο ναυμαχεῖν. ἐπειδὴ δὲ Λύσανδρος οὐκ ἀντανήγαγε διὰ τὸ πολλαῖς ναυσὶν ἐλαττοῦσθαι, ἀπέπλευσεν εἰς Σάμον. Λακεδαιμόνιοι δὲ ὀλίγῳ ὕστερον αἰροῦσι Δελφίνιον καὶ Ἡΐονα. [1.5.16] οἱ δὲ ἐν οἴκῳ Ἀθηναῖοι, ἐπειδὴ ἠγγέλθη ἡ ναυμαχία, χαλεπῶς εἶχον τῷ Ἀλκιβιάδῃ, οἰόμενοι δι' ἀμέλειάν τε καὶ ἀκράτειαν ἀπολωλέκεναι τὰς ναῦς, καὶ στρατηγούς εἵλοντο ἄλλους δέκα, Κόνωνα, Διομέδοντα, Λέοντα, Περικλέα, Ἐρασινίδην, Ἀριστοκράτην, Ἀρχέστρατον, Πρωτόμαχον, Θράσυλλον, Ἀριστογένην. [1.5.17] Ἀλκιβιάδης μὲν οὖν πονηρῶς καὶ ἐν τῇ στρατιᾷ φερόμενος, λαβὼν τριήρη μίαν ἀπέπλευσεν εἰς Χερρόνησον εἰς τὰ ἑαυτοῦ τεῖχη. [1.5.18] μετὰ δὲ ταῦτα Κόνων ἐκ τῆς Ἄνδρου σὺν αἷς εἶχε ναυσὶν εἴκοσιν ψηφισαμένων Ἀθηναίων εἰς Σάμον ἐπλευσεν ἐπὶ τὸ ναυτικόν. ἀντὶ δὲ Κόνωνος εἰς Ἄνδρον ἔπεμψαν Φανοσθένην, τέτταρας ναῦς ἔχοντα. [1.5.19] οὗτος περιτυχὼν δυοῖν τριήροιν Θουρίαιν ἔλαβεν αὐτοῖς ἀνδράσι· καὶ τοὺς μὲν αἰχμαλώτους ἅπαντας ἔδhsαν Ἀθηναῖοι, τὸν δὲ ἄρχοντα αὐτῶν Δωριέα ὄντα μὲν Ῥόδιον, πάλαι δὲ φυγάδα ἐξ Ἀθηνῶν καὶ Ῥόδου ὑπὸ Ἀθηναίων κατεψηφισμένων αὐτοῦ θάνατον καὶ τῶν ἐκείνου συγγενῶν, πολιτεύοντα παρ' αὐτοῖς, ἐλεήσαντες ἀφείσαν οὐδὲ χρήματα πραξάμενοι. [1.5.20] Κόνων δ' ἐπεὶ εἰς τὴν Σάμον ἀφίκετο καὶ τὸ ναυτικόν κατέλαβεν ἀθύμως ἔχον, συμπληρώσας τριήρεις ἐβδομήκοντα ἀντὶ τῶν προτέρων, οὐσῶν πλέον ἢ ἑκατόν, καὶ ταύταις ἀναγαγόμενος μετὰ τῶν ἄλλων

στρατηγῶν, ἄλλοτε ἄλλῃ ἀποβαίνων τῆς τῶν πολεμίων χώρας ἐλήιζετο. [1.5.21] καὶ ὁ ἐνιαυτὸς ἔληγεν, ἐν ᾧ Καρχηδόνιοι εἰς Σικελίαν στρατεύσαντες εἴκοσι καὶ ἑκατὸν τριήρεσι καὶ πεζῆς στρατιᾶς δώδεκα μυριάσιν εἵλον Ἀκράγαντα λιμῶι, μάχῃ μὲν ἡττηθέντες, προσκαθεζόμενοι δὲ ἐπτὰ μῆνας.

[1.6.1] Τῷ δ' ἐπιόντι ἔτει, ᾧ ἥ τε σελήνη ἐξέλιπεν ἐσπέρας καὶ ὁ παλαιὸς τῆς Ἀθηνᾶς νεὸς ἐν Ἀθήναις ἐνεπρήσθη, [Πιτύα μὲν ἐφορεύοντος, ἄρχοντος δὲ Καλλίου Ἀθήνησιν,] οἱ Λακεδαιμόνιοι τῷ Λυσάνδρῳ παρεληλυθότος ἤδη τοῦ χρόνου [καὶ τῷ πολέμῳ τεττάρων καὶ εἴκοσιν ἐτῶν] ἔπεμψαν ἐπὶ τὰς ναῦς Καλλικρατίδαν.

[1.6.2] ὅτε δὲ παρεδίδου ὁ Λύσανδρος τὰς ναῦς, ἔλεγε τῷ Καλλικρατίδῃ ὅτι θαλαττοκράτωρ τε παραδιδοίῃ καὶ ναυμαχίαι νενικηκώς, ὁ δὲ αὐτὸν ἐκέλευσεν ἐξ Ἐφέσου ἐν ἀριστερᾷ Σάμου παραπλεύσαντα, οὗ ἦσαν αἱ τῶν Ἀθηναίων νῆες, ἐν Μιλήτῳ τὰς ναῦς παραδοῦναι, καὶ ὁμολογήσειν θαλαττοκρατεῖν. [1.6.3] οὐ φαιμένου δὲ τοῦ Λυσάνδρου πολυπραγμονεῖν ἄλλου ἄρχοντος, αὐτὸς ὁ Καλλικρατίδης πρὸς αἷς παρὰ Λυσάνδρου ἔλαβε ναυσὶ προσεπλήρωσεν ἐκ Χίου καὶ Ῥόδου καὶ ἄλλοθεν ἀπὸ τῶν συμμάχων πεντήκοντα ναῦς. ταύτας δὲ πάσας ἀθροίσας, οὕσας τετταράκοντα καὶ ἑκατὸν, παρεσκευάζετο ὡς ἀπαντησόμενος τοῖς πολεμίοις. [1.6.4] καταμαθὼν δ' ὑπὸ τῶν Λυσάνδρου φίλων καταστασιαζόμενος, οὐ μόνον ἀπροθύμως ὑπηρετούντων, ἀλλὰ καὶ διαθορούντων ἐν ταῖς πόλεσιν ὅτι Λακεδαιμόνιοι μέγιστα παραπίπτειν ἐν τῷ διαλλάττειν τοὺς ναυάρχους, πολλάκις ἀνεπιτηδεῖων γιγνομένων καὶ ἄρτι συνιέντων τὰ ναυτικὰ καὶ ἀνθρώποις ὡς χρηστέον οὐ γινωσκόντων <ἀπείρους θαλάττης πέμποντες καὶ ἀγνώτας τοῖς ἐκεῖ, κινδυνεύοιεν τι παθεῖν διὰ τοῦτο>, ἐκ τούτου δὲ ὁ Καλλικρατίδης συγκαλέσας τοὺς Λακεδαιμονίων ἐκεῖ παρόντας ἔλεγεν αὐτοῖς τοιαύδε.

[1.6.5] Ἐμοὶ μὲν ἀρκεῖ οἶκοι μένειν, καὶ εἴτε Λύσανδρος εἴτε ἄλλος τις ἐμπειρότερος περὶ τὰ ναυτικὰ βούλεται εἶναι, οὐ κωλύω τὸ κατ' ἐμέ· ἐγὼ δ' ὑπὸ τῆς πόλεως ἐπὶ τὰς ναῦς πεμφθεὶς οὐκ ἔχω τί ἄλλο ποιῶ ἢ τὰ κελευόμενα ὡς ἂν δύνωμαι κράτιστα. ὑμεῖς δὲ πρὸς ἃ ἐγὼ τε φιλοτιμοῦμαι καὶ ἡ πόλις ἡμῶν αἰτιάζεται [ἴστε γὰρ αὐτὰ ὥσπερ καὶ ἐγώ], συμβουλευέτε τὰ ἄριστα ὑμῖν δοκοῦντα εἶναι περὶ τοῦ ἐμὲ ἐνθάδε μένειν ἢ οἴκαδε ἀποπλεῖν ἐροῦντα τὰ καθεστῶτα ἐνθάδε.

[1.6.6] Οὐδενὸς δὲ τολμήσαντος ἄλλο τι εἰπεῖν ἢ τοῖς οἶκοι πείθεσθαι ποιεῖν τε ἐφ' ἃ ἥκει, ἐλθὼν παρὰ Κῦρον ἦτετι μισθὸν τοῖς

ναύταις· ὁ δὲ αὐτῷ εἶπε δύο ἡμέρας ἐπισχεῖν. [1.6.7] Καλλικρατίδας δὲ ἄχθεσθεις τῇ ἀναβολῇ καὶ ταῖς ἐπὶ τὰς θύρας φοιτήσεσιν ὀργισθεῖς καὶ εἰπὼν ἀθλιωτάτους εἶναι τοὺς Ἑλλήνας, ὅτι βαρβάρους κολακεύουσιν ἕνεκα ἀργυρίου, φάσκων τε, ἂν σωθῇ οἴκαδε, κατὰ γε τὸ αὐτοῦ δυνατόν διαλλάξειν Ἀθηναίους καὶ Λακεδαιμονίους, ἀπέπλευσεν εἰς Μίλητον· [1.6.8] κάκειθεν πέμψας τριῆρεις εἰς Λακεδαίμονα ἐπὶ χρήματα, ἐκκλησίαν ἀθροίσας τῶν Μιλησίων τάδε εἶπεν.

Ἐμοὶ μὲν, ὦ Μιλήσιοι, ἀνάγκη τοῖς οἴκοι ἄρχουσι πείθεσθαι· ὑμᾶς δὲ ἐγὼ ἀξιῶ προθυμοτάτους εἶναι εἰς τὸν πόλεμον διὰ τὸ οἰκοῦντας ἐν βαρβάροις πλεῖστα κακὰ ἤδη ὑπ' αὐτῶν πεπονθέναι. [1.6.9] δεῖ δ' ὑμᾶς ἐξηγεῖσθαι τοῖς ἄλλοις συμμάχοις ὅπως ἂν τάχιστα τε καὶ μάλιστα βλάπτωμεν τοὺς πολεμίους, ἕως ἂν οἱ ἐκ Λακεδαίμονος ἤκωσιν, οὓς ἐγὼ ἔπεμψα χρήματα ἄξοντας, [1.6.10] ἐπεὶ τὰ ἐνθάδε ὑπάρχοντα Λύσανδρος Κύρῳ ἀποδοὺς ὥς περιττὰ ὄντα οἷχεται· Κύρος δὲ ἐλθόντος ἐμοῦ ἐπ' αὐτὸν ἀεὶ ἀνεβάλλετό μοι διαλεχθῆναι, ἐγὼ δ' ἐπὶ τὰς ἐκείνου θύρας φοιτᾷν οὐκ ἐδυνάμην ἐμαυτὸν πείσαι. [1.6.11] ὑπισχνοῦμαι δ' ὑμῖν ἀντὶ τῶν συμβάντων ἡμῖν ἀγαθὸν ἐν τῷ χρόνῳ ᾧ ἂν ἐκεῖνα προσδεχόμεθα χάριν ἀξίαν ἀποδώσειν. ἀλλὰ σὺν τοῖς θεοῖς δεῖξωμεν τοῖς βαρβάροις ὅτι καὶ ἄνευ τοῦ ἐκείνους θαυμάζειν δυνάμεθα τοὺς ἐχθροὺς τιμωρεῖσθαι.

[1.6.12] Ἐπεὶ δὲ ταῦτ' εἶπεν, ἀνιστάμενοι πολλοὶ καὶ μάλιστα οἱ αἰτιαζόμενοι ἐναντιοῦσθαι δεδιότες εἰσηγοῦντο πόρον χρημάτων καὶ αὐτοὶ ἐπαγγελλόμενοι ἰδία. λαβὼν δὲ ταῦτα ἐκεῖνος καὶ ἐκ Χίου πεντεδραχμίαν ἐκάστωι τῶν ναυτῶν ἐφοδιασάμενος ἔπλευσε τῆς Λέσβου ἐπὶ Μήθυμναν πολεμίαν οὔσαν. [1.6.13] οὐ βουλομένων δὲ τῶν Μηθυμναίων προσχωρεῖν, ἀλλ' ἐμφρούρων ὄντων Ἀθηναίων, καὶ τῶν τὰ πράγματα ἐχόντων ἀττικίζόντων, προσβαλὼν αἰρεῖ τὴν πόλιν κατὰ κράτος. [1.6.14] τὰ μὲν οὖν χρήματα πάντα διήρπασαν οἱ στρατιῶται, τὰ δὲ ἀνδράποδα πάντα συνήθροισεν ὁ Καλλικρατίδας εἰς τὴν ἀγοράν, καὶ κελευόντων τῶν συμμάχων ἀποδόσθαι καὶ τοὺς Μηθυμναίους οὐκ ἔφη ἑαυτοῦ γε ἄρχοντος οὐδέν' ἂν Ἑλλήνων εἰς τὸ ἐκείνου δυνατόν ἀνδραποδισθῆναι. [1.6.15] τῇ δ' ὑστεραίᾳ τοὺς μὲν ἐλευθέρους ἀφῆκε, τοὺς δὲ τῶν Ἀθηναίων φρουροὺς καὶ τὰ ἀνδράποδα τὰ δοῦλα πάντα ἀπέδοτο· Κόνωνι δὲ εἶπεν ὅτι παύσει αὐτὸν μοιχῶντα τὴν θάλατταν. κατιδὼν δὲ αὐτὸν ἀναγόμενον ἅμα τῇ ἡμέρᾳ, ἐδίωκεν ὑποτεμνόμενος τὸν εἰς Σάμον πλοῦν, ὅπως μὴ

ἐκεῖσε φύγοι. [1.6.16] Κόνων δ' ἔφυγε ταῖς ναυσὶν εὖ πλεούσαις διὰ τὸ ἐκ πολλῶν πληρωμάτων εἰς ὀλίγας ἐκλελέχθαι τοὺς ἀρίστους ἐρέτας, καὶ καταφεύγει εἰς Μυτιλήνην τῆς Λέσβου καὶ σὺν αὐτῷ τῶν δέκα στρατηγῶν Λέων καὶ Ἑρασινίδης. Καλλικρατίδας δὲ συνεισέπλευσεν εἰς τὸν λιμένα, διώκων ναυσὶν ἑκατὸν καὶ ἐβδομήκοντα. [1.6.17] Κόνων δὲ ὡς ἔφθη ὑπὸ τῶν πολεμίων κατακωλυθεῖς, ἠναγκάσθη ναυμαχῆσαι πρὸς τῷ λιμένι, καὶ ἀπώλεσε ναῦς τριάκοντα· οἱ δὲ ἄνδρες εἰς τὴν γῆν ἀπέφυγον· τὰς δὲ λοιπὰς τῶν νεῶν, τετταράκοντα οὐσας, ὑπὸ τῷ τείχει ἀνεΐλκυσε. [1.6.18] Καλλικρατίδας δὲ ἐν τῷ λιμένι ὀρμισάμενος ἐπολιόρκει ἐνταῦθα, τὸν ἐκπλουν ἔχων. καὶ κατὰ γῆν μεταπεμψάμενος τοὺς Μηθυμναίους πανδημεὶ καὶ ἐκ τῆς Χίου τὸ στράτευμα διεβίβασε· χρήματά τε παρὰ Κύρου αὐτῷ ἤλθεν. [1.6.19] ὁ δὲ Κόνων ἐπεὶ ἐπολιορκεῖτο καὶ κατὰ γῆν καὶ κατὰ θάλατταν, καὶ σίτων οὐδαμόθεν ἦν εὐπορῆσαι, οἱ δὲ ἄνθρωποι πολλοὶ ἐν τῇ πόλει ἦσαν καὶ οἱ Ἀθηναῖοι οὐκ ἐβοήθουν διὰ τὸ μὴ πυνθάνεσθαι ταῦτα, καθελκύσας τῶν νεῶν τὰς ἄριστα πλεούσας δύο ἐπλήρωσε πρὸ ἡμέρας, ἐξ ἀπασῶν τῶν νεῶν τοὺς ἀρίστους ἐρέτας ἐκλέξας καὶ τοὺς ἐπιβάτας εἰς κοίλην ναῦν μεταβιβάσας καὶ τὰ παραρύματα παραβαλὼν. [1.6.20] τὴν μὲν οὖν ἡμέραν οὕτως ἀνεΐχον, εἰς δὲ τὴν ἑσπέραν, ἐπεὶ σκότος εἶη, ἐξεβίβαζεν, ὥς μὴ καταδήλους εἶναι τοῖς πολεμίοις ταῦτα ποιοῦντας. πέμπτη δὲ ἡμέραι εἰσθέμενοι σῖτα μέτρια, ἐπειδὴ ἤδη μέσον ἡμέρας ἦν καὶ οἱ ἐφορμοῦντες ὀλιγώρως εἶχον καὶ ἔνιοι ἀνεπαύοντο, ἐξέπλευσαν ἔξω τοῦ λιμένος, καὶ ἡ μὲν ἐπὶ Ἑλλησπόντου ὥρμησεν, ἡ δὲ εἰς τὸ πέλαγος. [1.6.21] τῶν δ' ἐφορμούντων ὡς ἕκαστοι ἦνοιγον, τὰς τε ἀγκύρας ἀποκόπτοντες καὶ ἐγειρόμενοι ἐβοήθουν τεταραγμένοι, τυχόντες ἐν τῇ γῇ ἀριστοποιούμενοι· εἰσβάντες δὲ ἐδίωκον τὴν εἰς τὸ πέλαγος ἀφορμήσασαν, καὶ ἅμα τῷ ἡλίῳ δύνοντι κατέλαβον, καὶ κρατήσαντες μάχη, ἀναδησάμενοι ἀπῆγον εἰς τὸ στρατόπεδον αὐτοῖς ἀνδράσιν. [1.6.22] ἡ δ' ἐπὶ τοῦ Ἑλλησπόντου φυγοῦσα ναῦς διέφυγε, καὶ ἀφικομένη εἰς τὰς Ἀθήνας ἐξαγγέλλει τὴν πολιορκίαν. Διομέδων δὲ βοηθῶν Κόνωνι πολιορκουμένῳ δώδεκα ναυσὶν ὠρμίσατο εἰς τὸν εὐριπον τὸν τῶν Μυτιληναίων. [1.6.23] ὁ δὲ Καλλικρατίδας ἐπιπλεύσας αὐτῷ ἐξαίφνης δέκα μὲν τῶν νεῶν ἔλαβε, Διομέδων δ' ἔφυγε τῇ τε αὐτοῦ καὶ ἄλλῃ. [1.6.24] οἱ δὲ Ἀθηναῖοι τὰ γεγενημένα καὶ τὴν πολιορκίαν ἐπεὶ ἤκουσαν, ἐψηφίσαντο βοηθεῖν ναυσὶν ἑκατὸν καὶ δέκα, εἰσβιβάζοντες τοὺς ἐν

τῇ ἡλικίαι ὄντας ἅπαντας καὶ δούλους καὶ ἐλευθέρους· καὶ πληρώσαντες τὰς δέκα καὶ ἑκατὸν ἐν τριάκοντα ἡμέραις ἀρῆραν. εἰσέβησαν δὲ καὶ τῶν ἱππέων πολλοί. [1.6.25] μετὰ ταῦτα ἀνήχθησαν εἰς Σάμον, κάκεῖθεν Σαμίας ναῦς ἔλαβον δέκα· ἥθροισαν δὲ καὶ ἄλλας πλείους ἢ τριάκοντα παρὰ τῶν ἄλλων συμμάχων, εἰσβαίνειν ἀναγκάσαντες ἅπαντας, ὁμοίως δὲ καὶ εἴ τινες αὐτοῖς ἔτυχον ἔξω οὔσαι. ἐγένοντο δὲ αἱ πᾶσαι πλείους ἢ πεντήκοντα καὶ ἑκατὸν. [1.6.26] ὁ δὲ Καλλικρατίδας ἀκούων τὴν βοήθειαν ἤδη ἐν Σάμῳ οὔσαν, αὐτοῦ μὲν κατέλιπε πεντήκοντα ναῦς καὶ ἄρχοντα Ἐτεόνικον, ταῖς δὲ εἴκοσι καὶ ἑκατὸν ἀναχθεῖς ἐδειπνοποιεῖτο τῆς Λέσβου ἐπὶ τῇ Μαλέαι ἄκραι [ἀντίον τῆς Μυτιλήνης]. [1.6.27] τῇ δ' αὐτῇ ἡμέρᾳ ἔτυχον καὶ οἱ Ἀθηναῖοι δειπνοποιούμενοι ἐν ταῖς Ἀργινούσαις· αὗται δ' εἰσὶν [ἀντίον τῆς Λέσβου ἐπὶ τῇ Μαλέαι ἄκραι] ἀντίον τῆς Μυτιλήνης. [1.6.28] τῆς δὲ νυκτὸς ἰδὼν τὰ πυρά, καὶ τινῶν αὐτῷ ἐξαγγελιάντων ὅτι οἱ Ἀθηναῖοι εἶεν, ἀνήγετο περὶ μέσας νύκτας, ὥς ἐξαπινάίως προσπέσοι· ὕδωρ δ' ἐπιγενόμενον πολὺ καὶ βρονταὶ διεκώλυσαν τὴν ἀναγωγὴν. ἐπεὶ δὲ ἀνέσχεν, ἅμα τῇ ἡμέρᾳ ἔπλει ἐπὶ τὰς Ἀργινούσας. [1.6.29] οἱ δ' Ἀθηναῖοι ἀντανήγοντο εἰς τὸ πέλαγος τῷ εὐωνύμῳ, παρατεταγμένοι ὧδε. Ἀριστοκράτης μὲν τὸ εὐώνυμον ἔχων ἡγεῖτο πεντεκαίδεκα ναυσί, μετὰ δὲ ταῦτα Διομέδων ἐτέραις πεντεκαίδεκα· ἐπετέτακτο δὲ Ἀριστοκράτει μὲν Περικλῆς, Διομέδοντι δὲ Ἐρασινίδης· παρὰ δὲ Διομέδοντα οἱ Σάμιοι δέκα ναυσὶν ἐπὶ μιᾷς τεταγμένοι· ἐστρατήγει δὲ αὐτῶν Σάμιος ὀνόματι Ἰππεύς· ἐχόμεναι δ' <αἱ> τῶν ταξιάρχων δέκα, καὶ αὗται ἐπὶ μιᾷς· ἐπὶ δὲ ταύταις αἱ τῶν ναυάρχων τρεῖς, καὶ εἴ τινες ἄλλαι ἦσαν συμμαχίδες. [1.6.30] τὸ δὲ δεξιὸν κέρας Πρωτόμαχος εἶχε πεντεκαίδεκα ναυσί· παρὰ δ' αὐτὸν Θράσυλλος ἐτέραις πεντεκαίδεκα· ἐπετέτακτο δὲ Πρωτομάχῳ μὲν Λυσίας, ἔχων τὰς ἴσας ναῦς, Θρασύλλῳ δὲ Ἀριστογένης. [1.6.31] οὕτω δ' ἐτάχθησαν, ἵνα μὴ διέκπλουν διδοῖεν· χειρὸν γὰρ ἔπλεον. αἱ δὲ τῶν Λακεδαιμονίων ἀντιτεταγμέναι ἦσαν ἅπασαι ἐπὶ μιᾷς ὥς πρὸς διέκπλουν καὶ περίπλουν παρεσκευασμέναι, διὰ τὸ βέλτιον πλεῖν. εἶχε δὲ τὸ δεξιὸν κέρας Καλλικρατίδας. [1.6.32] Ἑρμῶν δὲ Μεγαρεὺς ὁ τῷ Καλλικρατίδῃ κυβερνῶν εἶπε πρὸς αὐτὸν ὅτι εἴη καλῶς ἔχον ἀποπλεῦσαι· αἱ γὰρ τριήρεις τῶν Ἀθηναίων πολλῷ πλείους ἦσαν. Καλλικρατίδας δὲ εἶπεν ὅτι ἡ Σπάρτη <οὐδὲν μὴ κάκιον οἰκεῖται> αὐτοῦ ἀποθανόντος, φεύγειν δὲ αἰσχρὸν ἔφη εἶναι. [1.6.33] μετὰ δὲ ταῦτα ἐναυμάχησαν χρόνον πολὺν, πρῶτον μὲν

ἄθροαι, ἔπειτα δὲ διεσκεδασμένοι. ἐπεὶ δὲ Καλλικρατίδας τε ἐμβαλούσης τῆς νεῶς ἀποπεσὼν εἰς τὴν θάλατταν ἠφανίσθη Πρωτόμαχος τε καὶ οἱ μετ' αὐτοῦ τῷ δεξιῷ τὸ εὐώνυμον ἐνίκησαν, ἐντεῦθεν φυγὴ τῶν Πελοποννησίων ἐγένετο εἰς Χίον, πλείστων δὲ καὶ εἰς Φώκαιαν· οἱ δὲ Ἀθηναῖοι πάλιν εἰς τὰς Ἀργινούσας κατέπλευσαν. [1.6.34] ἀπώλοντο δὲ τῶν μὲν Ἀθηναίων νῆες πέντε καὶ εἴκοσιν αὐτοῖς ἀνδράσιν ἐκτὸς ὀλίγων τῶν πρὸς τὴν γῆν προσενεχθέντων, τῶν δὲ Πελοποννησίων Λακωνικαὶ μὲν ἐννέα, πασῶν οὐσῶν δέκα, τῶν δ' ἄλλων συμμάχων πλείους ἢ ἐξήκοντα. [1.6.35] ἔδοξε δὲ καὶ τοῖς τῶν Ἀθηναίων στρατηγοῖς ἑπτὰ μὲν καὶ τετταράκοντα ναυσὶ Θηραμένην τε καὶ Θρασύβουλον τριηράρχους ὄντας καὶ τῶν ταξιάρχων τινὰς πλεῖν ἐπὶ τὰς καταδεδυκυίας ναῦς καὶ τοὺς ἐπ' αὐτῶν ἀνθρώπους, ταῖς δὲ ἄλλαις ἐπὶ τὰς μετ' Ἑτεονίκου τῇ Μυτιλήνῃ ἐφορμούσας. ταῦτα δὲ βουλομένους ποιεῖν ἄνεμος καὶ χειμῶν διεκώλυσεν αὐτοὺς μέγας γενόμενος· τροπαῖον δὲ στήσαντες αὐτοῦ ἠλίζοντο. [1.6.36] τῷ δ' Ἑτεονίκῳ ὁ ὑπηρετικὸς κέλῃς πάντα ἐξήγγειλε τὰ περὶ τὴν ναυμαχίαν. ὁ δὲ αὐτὸν πάλιν ἐξέπεμψεν εἰπὼν τοῖς ἐνοῦσι σιωπῇ ἐκπλεῖν καὶ μηδενὶ διαλέγεσθαι, παραχρῆμα δὲ αὖθις πλεῖν εἰς τὸ ἑαυτῶν στρατόπεδον ἐστεφανωμένους καὶ βοῶντας ὅτι Καλλικρατίδας νενίκησε ναυμαχῶν καὶ ὅτι αἱ τῶν Ἀθηναίων νῆες ἀπολώλασιν ἅπασαι. [1.6.37] καὶ οἱ μὲν τοῦτ' ἐποιοῦν· αὐτὸς δ', ἐπειδὴ ἐκεῖνοι κατέπλεον, ἔθυε τὰ εὐαγγέλια, καὶ τοῖς στρατιώταις παρήγγειλε δειπνοποιεῖσθαι, καὶ τοῖς ἐμπόροις τὰ χρήματα σιωπῇ ἐνθεμένους εἰς τὰ πλοῖα ἀποπλεῖν εἰς Χίον [ἦν δὲ τὸ πνεῦμα οὖριον] καὶ τὰς τριήρεις τὴν ταχίστην. [1.6.38] αὐτὸς δὲ τὸ πεζὸν ἀπῆγεν εἰς τὴν Μήθυμαν, τὸ στρατόπεδον ἐμπρήσας. Κόνων δὲ καθελκύσας τὰς ναῦς, ἐπεὶ οἱ τε πολέμιοι ἀπεδεδράκεσαν καὶ ὁ ἄνεμος εὐδιαίτερος ἦν, ἀπαντήσας τοῖς Ἀθηναίοις ἤδη ἀνηγμένοις ἐκ τῶν Ἀργινουσῶν ἔφρασε τὰ περὶ τοῦ Ἑτεονίκου. οἱ δὲ Ἀθηναῖοι κατέπλευσαν εἰς τὴν Μυτιλήνῃν, ἐκεῖθεν δ' ἐπανάχθησαν εἰς τὴν Χίον, καὶ οὐδὲν διαπραζάμενοι ἀπέπλευσαν ἐπὶ Σάμου.

[1.7.1] Οἱ δ' ἐν οἴκῳ τούτους μὲν τοὺς στρατηγοὺς ἔπαυσαν πλὴν Κόνωνος· πρὸς δὲ τούτῳ εἴλοντο Ἀδείμαντον καὶ τρίτον Φιλοκλέα. [1.7.2] τῶν δὲ ναυμαχισάντων στρατηγῶν Πρωτόμαχος μὲν καὶ Ἀριστογένης οὐκ ἀπῆλθον εἰς Ἀθήνας, τῶν δὲ ἕξ καταπλευσάντων, Περικλέους καὶ Διομέδοντος καὶ Λυσίου καὶ Ἀριστοκράτους καὶ Θρασύλλου καὶ Ἑρασινίδου, Ἀρχέδημος ὁ τοῦ δήμου τότε

προεστηκώς ἐν Ἀθήναις καὶ τῆς διωβελίας ἐπιμελόμενος Ἑρασινίδῃ ἐπιβολὴν ἐπιβαλὼν κατηγορεῖ ἐν δικαστηρίῳ, φάσκων ἐξ Ἑλλησπόντου αὐτὸν ἔχειν χρήματα ὄντα τοῦ δήμου· κατηγορεῖ δὲ καὶ περὶ τῆς στρατηγίας. καὶ ἔδοξε τῷ δικαστηρίῳ δεῖσαι τὸν Ἑρασινίδην. [1.7.3] μετὰ δὲ ταῦτα ἐν τῇ βουλῇ διηγοῦντο οἱ στρατηγοὶ περὶ τε τῆς ναυμαχίας καὶ τοῦ μεγέθους τοῦ χειμῶνος. Τιμοκράτους δ' εἰπόντος ὅτι καὶ τοὺς ἄλλους χρή δεθέντας εἰς τὸν δῆμον παραδοθῆναι, ἡ βουλή ἔδωκε. [1.7.4] μετὰ δὲ ταῦτα ἐκκλησία ἐγένετο, ἐν ἣ τῶν στρατηγῶν κατηγοροῦν ἄλλοι τε καὶ Θηραμένης μάλιστα, δίκαιους εἶναι λόγον ὑποσχεῖν διότι οὐκ ἀνείλοντο τοὺς ναυαγούς. ὅτι μὲν γὰρ οὐδενὸς ἄλλου καθήπτοντο, ἐπιστολὴν ἐπεδείκνυε μαρτύριον ἦν ἔπεμψαν οἱ στρατηγοὶ εἰς τὴν βουλὴν καὶ εἰς τὸν δῆμον, ἄλλο οὐδὲν αἰτιώμενοι ἢ τὸν χειμῶνα. [1.7.5] μετὰ ταῦτα δὲ οἱ στρατηγοὶ βραχέως ἕκαστος ἀπελογήσατο [οὐ γὰρ προυτέθη σφίσι λόγος κατὰ τὸν νόμον], καὶ τὰ πεπραγμένα διηγοῦντο, ὅτι αὐτοὶ μὲν ἐπὶ τοὺς πολεμίους πλέοιεν, τὴν δὲ ἀναίρεσιν τῶν ναυαγῶν προστάξαιεν τῶν τριηράρχων ἀνδράσιν ἱκανοῖς καὶ ἐστρατηγηκόσιν ἤδη, Θηραμένει καὶ Θρασυβούλῳ καὶ ἄλλοις τοιούτοις· [1.7.6] καὶ εἴπερ γέ τινας δέοι, περὶ τῆς ἀναιρέσεως οὐδένα ἄλλον ἔχειν αὐτοὺς αἰτιάσασθαι ἢ τούτους οἷς προσετάχθη. καὶ οὐχ ὅτι γε κατηγοροῦσιν ἡμῶν, ἔφασαν, ψευδόμεθα φάσκοντες αὐτοὺς αἰτίους εἶναι, ἀλλὰ τὸ μέγεθος τοῦ χειμῶνος εἶναι τὸ κωλύσαν τὴν ἀναίρεσιν. τούτων δὲ μάρτυρας παρείχοντο τοὺς κυβερνήτας καὶ ἄλλους τῶν συμπλεόντων πολλούς. τοιαῦτα λέγοντες ἔπειθον τὸν δῆμον· [1.7.7] ἐβούλοντο δὲ πολλοὶ τῶν ιδιωτῶν ἐγγυᾶσθαι ἀνιστάμενοι· ἔδοξε δὲ ἀναβαλέσθαι εἰς ἐτέραν ἐκκλησίαν [τότε γὰρ ὁψὲ ἦν καὶ τὰς χεῖρας οὐκ ἂν καθεώρων], τὴν δὲ βουλὴν προβουλεύσασαν εἰσενεγκεῖν ὅτῳ τρόπῳ οἱ ἄνδρες κρίνουντο. [1.7.8] μετὰ δὲ ταῦτα ἐγένετο Ἀπατούρια, ἐν οἷς οἱ τε πατέρες καὶ οἱ συγγενεῖς σύνεισι σφίσι αὐτοῖς. οἱ οὖν περὶ τὸν Θηραμένην παρεσκεύασαν ἀνθρώπους μέλανα ἱμάτια ἔχοντας καὶ ἐν χρῶι κεκαρμένους πολλοὺς ἐν ταύτῃ τῇ ἑορτῇ, ἵνα πρὸς τὴν ἐκκλησίαν ἦκοιεν, ὥς δὴ συγγενεῖς ὄντες τῶν ἀπολωλότων, καὶ Καλλιξένον ἔπεισαν ἐν τῇ βουλῇ κατηγορεῖν τῶν στρατηγῶν. [1.7.9] ἐντεῦθεν ἐκκλησίαν ἐποίουν, εἰς ἣν ἡ βουλή εἰσήνεγκε τὴν ἑαυτῆς γνώμην Καλλιξένου εἰπόντος τήνδε· Ἐπειδὴ τῶν τε κατηγορούντων κατὰ τῶν στρατηγῶν καὶ ἐκείνων ἀπολογουμένων ἐν τῇ προτέρᾳ ἐκκλησίᾳ

ἀκηκόασι, διαψηφίσασθαι Ἀθηναίους ἅπαντας κατὰ φυλάς· θεῖναι δὲ εἰς τὴν φυλὴν ἐκάστην δύο ὑδρίας· ἐφ’ ἐκάστη δὲ τῇ φυλῇ κήρυκα κηρύττειν, ὅτῳ δοκοῦσιν ἀδικεῖν οἱ στρατηγοὶ οὐκ ἀνελόμενοι τοὺς νικήσαντας ἐν τῇ ναυμαχίᾳ, εἰς τὴν προτέραν ψηφίσασθαι, ὅτῳ δὲ μὴ, εἰς τὴν ὑστέραν· [1.7.10] ἂν δὲ δόξωσιν ἀδικεῖν, θανάτῳ ζημιῶσαι καὶ τοῖς ἔνδεκα παραδοῦναι καὶ τὰ χρήματα δημοσιεῦσαι, τὸ δ’ ἐπιδέκατον τῆς θεοῦ εἶναι. [1.7.11] παρήλθε δέ τις εἰς τὴν ἐκκλησίαν φάσκων ἐπὶ τεύχους ἀλφίτων σωθῆναι· ἐπιστέλλειν δ’ αὐτῷ τοὺς ἀπολλυμένους, ἂν σωθῇ, ἀπαγγεῖλαι τῷ δήμῳ ὅτι οἱ στρατηγοὶ οὐκ ἀνείλοντο τοὺς ἀρίστους ὑπὲρ τῆς πατρίδος γενομένους. [1.7.12] τὸν δὲ Καλλίξενον προσεκαλέσαντο παράνομα φάσκοντες συγγεγραφέναι Εὐρυπτόλεμός τε ὁ Πεισιάνακτος καὶ ἄλλοι τινές. τοῦ δὲ δήμου ἔνιοι ταῦτα ἐπῆνουν, τὸ δὲ πλῆθος ἐβόα δεινὸν εἶναι εἰ μὴ τις ἑάσει τὸν δῆμον πράττειν ὃ ἂν βούληται. [1.7.13] καὶ ἐπὶ τούτοις εἰπόντος Λυκίσκου καὶ τούτους τῇ αὐτῇ ψήφῳ κρίνεσθαι ἤπερ καὶ τοὺς στρατηγούς, ἂν μὴ ἀφῶσι τὴν κλῆσιν, ἐπεθορύβησε πάλιν ὁ ὄχλος, καὶ ἠναγκάσθησαν ἀφιέναι τὰς κλήσεις. [1.7.14] τῶν δὲ πρυτάνεων τινων οὐ φασκόντων προθήσειν τὴν διαψηφίσιν παρὰ τὸν νόμον, αὐθις Καλλίξενος ἀναβὰς κατηγόρει αὐτῶν τὰ αὐτά. οἱ δὲ ἐβόων καλεῖν τοὺς οὐ φάσκοντας. [1.7.15] οἱ δὲ πρυτάνεις φοβηθέντες ὁμολόγουν πάντες προθήσειν πλὴν Σωκράτους τοῦ Σωφρονίσκου· οὗτος δ’ οὐκ ἔφη ἀλλ’ ἢ κατὰ νόμον πάντα ποιήσειν. [1.7.16] μετὰ δὲ ταῦτα ἀναβὰς Εὐρυπτόλεμος ἔλεξεν ὑπὲρ τῶν στρατηγῶν τάδε.

Τὰ μὲν κατηγορήσων, ὧ ἄνδρες Ἀθηναῖοι, ἀνέβην ἐνθάδε Περικλέους ἀναγκαίου μοι ὄντος καὶ ἐπιτηδείου καὶ Διομέδοντος φίλου, τὰ δ’ ὑπεραπολογησόμενος, τὰ δὲ συμβουλευσῶν ἃ μοι δοκεῖ ἄριστα εἶναι ἀπάσῃ τῇ πόλει. [1.7.17] κατηγορῶ μὲν οὖν αὐτῶν ὅτι ἔπεισαν τοὺς συνάρχοντας βουλομένους πέμπειν γράμματα τῇ τε βουλῇ καὶ ὑμῖν ὅτι ἐπέταξαν τῷ Θηραμένει καὶ Θρασυβούλῳ τετταράκοντα καὶ ἑπτὰ τριήρεσιν ἀνελεῖσθαι τοὺς ναυαγούς, οἱ δὲ οὐκ ἀνείλοντο. [1.7.18] εἶτα νῦν τὴν αἰτίαν κοινὴν ἔχουσιν ἐκείνων ἰδία ἁμαρτόντων, καὶ ἀντὶ τῆς τότε φιланθρωπίας νῦν ὑπ’ ἐκείνων τε καὶ τινων ἄλλων ἐπιβουλευόμενοι κινδυνεύουσιν ἀπολέσθαι; [1.7.19] οὐκ, ἂν ὑμεῖς γέ μοι πείθησθε τὰ δίκαια καὶ ὅσια ποιοῦντες, καὶ ὅθεν μάλιστ’ ἀληθῆ πεύσεσθε καὶ οὐ μετανοήσαντες ὕστερον εὐρήσετε σφᾶς αὐτοὺς ἡμαρτηκότας τὰ μέγιστα εἰς θεοὺς τε καὶ ὑμᾶς αὐτούς. συμβουλεύω δ’ ὑμῖν, ἐν οἷς οὐθ’ ὑπ’ ἐμοῦ οὐθ’ ὑπ’ ἄλλου οὐδενός

ἔστιν ἐξαπατηθῆναι ὑμᾶς, καὶ τοὺς ἀδικοῦντας εἰδότες κολάσεσθε ἢ ἂν βούλησθε δίκῃ, καὶ ἅμα πάντας καὶ καθ' ἓνα ἕκαστον, εἰ μὴ πλέον, ἀλλὰ μίαν ἡμέραν δόντες αὐτοῖς ὑπὲρ αὐτῶν ἀπολογήσασθαι, μὴ ἄλλοις μᾶλλον πιστεύοντες ἢ ὑμῖν αὐτοῖς. [1.7.20] ἴστε δέ, ὦ ἄνδρες Ἀθηναῖοι, πάντες ὅτι τὸ Καννωνοῦ ψήφισμά ἐστιν ἰσχυρότατον, ὃ κελεύει, ἐάν τις τὸν τῶν Ἀθηναίων δῆμον ἀδικῇ, δεδεμένον ἀποδικεῖν ἐν τῷ δήμῳ, καὶ ἐὰν καταγνωσθῇ ἀδικεῖν, ἀποθανεῖν εἰς τὸ βάραθρον ἐμβληθέντα, τὰ δὲ χρήματα αὐτοῦ δημευθῆναι καὶ τῆς θεοῦ τὸ ἐπιδέκατον εἶναι. [1.7.21] κατὰ τοῦτο τὸ ψήφισμα κελεύω κρίνεσθαι τοὺς στρατηγούς καὶ νῆ Δία, ἂν ὑμῖν γε δοκῇ, πρῶτον Περικλέα τὸν ἐμοὶ προσήκοντα· αἰσχρὸν <γάρ> μοί ἐστιν ἐκεῖνον περὶ πλείονος ποιεῖσθαι ἢ τὴν ὅλην πόλιν. [1.7.22] τοῦτο δ' εἰ βούλεσθε, κατὰ τόνδε τὸν νόμον κρίνατε, ὅς ἐστιν ἐπὶ τοῖς ἱεροσύλοις καὶ προδόταις, ἐάν τις ἢ τὴν πόλιν προδιδῶι ἢ τὰ ἱερὰ κλέπτῃ, κριθέντα ἐν δικαστηρίῳ, ἂν καταγνωσθῇ, μὴ ταφῆναι ἐν τῇ Ἀττικῇ, τὰ δὲ χρήματα αὐτοῦ δημόσια εἶναι. [1.7.23] τούτων ὁποτέρῳ βούλεσθε, ὦ ἄνδρες Ἀθηναῖοι, τῷ νόμῳ κρινέσθων οἱ ἄνδρες κατὰ ἓνα ἕκαστον διηρημένων τῆς ἡμέρας τριῶν μερῶν, ἐνὸς μὲν ἐν ᾧ συλλέγεσθαι ὑμᾶς δεῖ καὶ διαψηφίζεσθαι [ἐάν τε ἀδικεῖν δοκῶσιν ἐάν τε μὴ], ἐτέρου δ' ἐν ᾧ κατηγορῆσαι, ἐτέρου δ' ἐν ᾧ ἀπολογήσασθαι. [1.7.24] τούτων δὲ γιγνομένων οἱ μὲν ἀδικοῦντες τεύξονται τῆς μεγίστης τιμωρίας, οἱ δ' ἀνάιτιοι ἐλευθερωθήσονται ὑφ' ὑμῶν, ὦ Ἀθηναῖοι, καὶ οὐκ <ἀδικοῦντες ἀπολοῦνται. [1.7.25] ὑμεῖς δὲ κατὰ τὸν νόμον εὐσεβοῦντες καὶ εὐορκοῦντες κρινεῖτε καὶ οὐ συμπολεμήσετε Λακεδαιμονίοις τοὺς ἐκείνους ἐβδομήκοντα ναῦς ἀφελομένους καὶ νενικηκότας, τούτους ἀπολλύντες ἀκρίτους παρὰ τὸν νόμον. [1.7.26] τί δὲ καὶ δεδιότες σφόδρα οὕτως ἐπείγεσθε; ἢ μὴ οὐχ ὑμεῖς ὃν ἂν βούλησθε ἀποκτείνητε καὶ ἐλευθερώσητε, ἂν κατὰ τὸν νόμον κρίνητε, ἀλλ' οὐκ ἂν παρὰ τὸν νόμον, ὥσπερ Καλλίξενος τὴν βουλὴν ἔπεισεν εἰς τὸν δῆμον εἰσενεγκεῖν μιᾷ ψήφῳ; [1.7.27] ἀλλ' ἴσως ἂν τινα καὶ οὐκ αἴτιον ὄντα <ἀποκτείναιτε>, μεταμελήσει δὲ ὕστερον. <ἀναμνήσθητε> ὥς ἀλγεινὸν καὶ ἀνωφελὲς ἦδη ἐστί, πρὸς δ' ἔτι καὶ περὶ θανάτου ἀνθρώπου ἡμαρτηκότες. [1.7.28] δεινὰ δ' ἂν ποιήσαιτε, εἰ Ἀριστάρχῳ μὲν πρότερον τὸν δῆμον καταλύοντι, εἴτα δ' Οἰνόην προδιδόντι Θηβαίοις πολεμίοις οὗσιν, ἔδοτε ἡμέραν ἀπολογήσασθαι ἢ ἐβούλετο καὶ τᾶλλα κατὰ τὸν νόμον προὔθετε, τοὺς δὲ στρατηγούς τοὺς πάντα ὑμῖν κατὰ γνώμην πράξαντας,

νικήσαντας δὲ τοὺς πολεμίους, τῶν αὐτῶν τούτων ἀποστερήσετε.
[1.7.29] μὴ ὑμεῖς γε, ὧ Ἀθηναῖοι, ἀλλ' ἐαυτῶν ὄντας τοὺς νόμους, δι' οὓς μάλιστα μέγιστοί ἐστε, φυλάττοντες, ἄνευ τούτων μηδὲν πράττειν πειρᾶσθε. ἐπανέλθετε δὲ καὶ ἐπ' αὐτὰ τὰ πράγματα καθ' ἃ καὶ αἱ ἁμαρτίαι δοκοῦσι γεγενῆσθαι τοῖς στρατηγοῖς. ἐπὶ γὰρ κρατήσαντες τῇ ναυμαχίᾳ εἰς τὴν γῆν κατέπλευσαν, Διομέδων μὲν ἐκέλευεν ἀναχθέντας ἐπὶ κέρας ἅπαντας ἀναιρεῖσθαι τὰ ναύαγια καὶ τοὺς ναυαγούς, Ἑρασινίδης δ' ἐπὶ τοὺς πρὸς Μυτιλήνην πολεμίους τὴν ταχίστην πλεῖν ἅπαντας· Θράσυλλος δὲ ἀμφοτέρω ἐφη γενέσθαι, ἂν τὰς μὲν αὐτοῦ καταλίπωσι, ταῖς δὲ ἐπὶ τοὺς πολεμίους πλέωσι· [1.7.30] καὶ δοξάντων τούτων καταλιπεῖν τρεῖς ναῦς ἕκαστον ἐκ τῆς αὐτοῦ συμμορίας, τῶν στρατηγῶν ὀκτὼ ὄντων, καὶ τὰς τῶν ταξιάρχων δέκα καὶ τὰς Σαμίων δέκα καὶ τὰς τῶν ναυάρχων τρεῖς, αὗται ἅπασαι γίνονται ἐπτὰ καὶ τετταράκοντα, τέτταρες περὶ ἐκάστην ναῦν τῶν ἀπολωλυῶν δώδεκα οὐσῶν. [1.7.31] τῶν δὲ καταλειφθέντων <τῶν> τριηράρχων ἦσαν καὶ Θρασύβουλος καὶ Θηραμένης, ὅς ἐν τῇ προτέρᾳ ἐκκλησίᾳ κατηγορεῖ τῶν στρατηγῶν. ταῖς δὲ ἄλλαις ναυσὶν ἔπλεον ἐπὶ τὰς πολεμίας. τί τούτων οὐχ ἱκανῶς καὶ καλῶς ἔπραξαν; οὐκοῦν δίκαιον τὰ μὲν πρὸς τοὺς πολεμίους μὴ καλῶςπραχθέντα τοὺς πρὸς τούτοις ταχθέντας ὑπέχειν λόγον, τοὺς δὲ πρὸς τὴν ἀναίρεσιν μὴ ποιήσαντας ἃ οἱ στρατηγοὶ ἐκέλευσαν, διότι οὐκ ἀνείλοντο κρίνεσθαι. [1.7.32] τοσοῦτον δ' ἔχω εἰπεῖν ὑπὲρ ἀμφοτέρων, ὅτι ὁ χειμῶν διεκώλυσε μηδὲν πρᾶξαι ὧν οἱ στρατηγοὶ παρεσκευάσαντο. τούτων δὲ μάρτυρες οἱ σωθέντες ἀπὸ τοῦ αὐτομάτου, ὧν εἷς τῶν ἡμετέρων στρατηγῶν ἐπὶ καταδύσης νεῶς διασωθείς, ὃν κελεύουσι τῇ αὐτῇ ψήφῳ κρίνεσθαι, καὶ αὐτὸν τότε δεόμενον ἀναιρέσεως, ἥπερ τοὺς οὐ πράξαντας τὰ προσταχθέντα. [1.7.33] μὴ τοῖνυν, ὧ ἄνδρες Ἀθηναῖοι, ἀντὶ μὲν τῆς νίκης καὶ τῆς εὐτυχίας ὅμοια ποιήσητε τοῖς ἡττημένοις τε καὶ ἀτυχοῦσιν, ἀντὶ δὲ τῶν ἐκ θεοῦ ἀναγκαίων ἀγνωμονεῖν δόξητε, προδοσίαν καταγνόντες ἀντὶ τῆς ἀδυναμίας [οὐχ ἱκανοὺς γενομένους διὰ τὸν χειμῶνα πρᾶξαι τὰ προσταχθέντα]· ἀλλὰ πολὺ δικαιότερον στεφάνοις γεραίρειν τοὺς νικῶντας ἢ θανάτῳ ζημιοῦν πονηροῖς ἀνθρώποις πειθομένους.

[1.7.34] Ταῦτ' εἰπὼν Εὐρυπτόλεμος ἔγραψε γνώμην κατὰ τὸ Κανωνοῦ ψήφισμα κρίνεσθαι τοὺς ἄνδρας δίχα ἕκαστον· ἡ δὲ τῆς βουλῆς ἦν μιᾷ ψήφῳ ἅπαντας κρίνειν. τούτων δὲ διαχειροτονουμένων τὸ μὲν πρῶτον ἔκριναν τὴν Εὐρυπτολέμου·

ὑπομοσαμένου δὲ Μενεκλέους καὶ πάλιν διαχειροτονίας γενομένης ἔκριναν τὴν τῆς βουλῆς. καὶ μετὰ ταῦτα κατεψηφίσαντο τῶν ναυμαχισάντων στρατηγῶν ὀκτὼ ὄντων· ἀπέθανον δὲ οἱ παρόντες ἕξ. [1.7.35] καὶ οὐ πολλῶι χρόνῳ ὕστερον μετέμελε τοῖς Ἀθηναίοις, καὶ ἐψηφίσαντο, οἵτινες τὸν δῆμον ἐξηπάτησαν, προβολὰς αὐτῶν εἶναι, καὶ ἐγγυητὰς καταστῆσαι, ἕως ἂν κριθῶσιν, εἶναι δὲ καὶ Καλλίξενον τούτων. προυβλήθησαν δὲ καὶ ἄλλοι τέτταρες, καὶ ἐδέθησαν ὑπὸ τῶν ἐγγυησαμένων, ὕστερον δὲ στάσεώς τινος γενομένης, ἐν ᾗ Κλεοφῶν ἀπέθανεν, ἀπέδρασαν οὗτοι, πρὶν κριθῆναι· Καλλίξενος δὲ κατελθὼν ὅτε καὶ οἱ ἐκ Πειραιῶς εἰς τὸ ἄστυ, μισούμενος ὑπὸ πάντων λιμῶι ἀπέθανεν.

Βιβλίον β'

[2.1.1] Οἱ δ' ἐν τῇ Χίῳ μετὰ τοῦ Ἑτεονίκου στρατιῶται ὄντες, ἕως μὲν θέρος ἦν, ἀπὸ τε τῆς ὥρας ἐτρέφοντο καὶ ἐργαζόμενοι μισθοῦ κατὰ τὴν χώραν· ἐπεὶ δὲ χειμῶν ἐγένετο καὶ τροφήν οὐκ εἶχον γυμνοὶ τε ἦσαν καὶ ἀνυπόδητοι, συνίσταντο ἀλλήλοις καὶ συνετίθεντο ὡς τῇ Χίῳ ἐπιθησόμενοι· οἷς δὲ ταῦτα ἀρέσκοι κάλαμον φέρειν ἐδόκει, ἵνα ἀλλήλους μάθοιεν ὅποσοι εἶησαν. [2.1.2] πυθόμενος δὲ τὸ σύνθημα ὁ Ἑτεόνικος, ἀπόρως μὲν εἶχε τί χρῶιτο τῷ πράγματι διὰ τὸ πλῆθος τῶν καταμηφόρων· τό τε γὰρ ἐκ τοῦ ἐμφανοῦς ἐπιχειρῆσαι σφαλερὸν ἐδόκει εἶναι, μὴ εἰς τὰ ὄπλα ὀρμήσωσι καὶ τὴν πόλιν κατασχόντες καὶ πολέμιοι γενόμενοι ἀπολέσωσι πάντα τὰ πράγματα, ἂν κρατήσωσι, τό τ' αὖ ἀπολλύναι ἀνθρώπους συμμάχους πολλοὺς δεινὸν ἐφαίνετο εἶναι, μὴ τινα καὶ εἰς τοὺς ἄλλους Ἑλληνας διαβολὴν σχοῖεν καὶ οἱ στρατιῶται δύσνοι πρὸς τὰ πράγματα ὦσιν· [2.1.3] ἀναλαβὼν δὲ μεθ' ἑαυτοῦ ἄνδρας πεντεκαίδεκα ἐγχειρίδια ἔχοντας ἐπορεύετο κατὰ τὴν πόλιν, καὶ ἐντυχὼν τινὶ ὀφθαλμιῶντι ἀνθρώπῳ ἀπιόντι ἐξ ἰατρείου, κάλαμον ἔχοντι, ἀπέκτεινε. [2.1.4] θορύβου δὲ γενομένου καὶ ἐρωτῶντων τινῶν διὰ τί ἀπέθανεν ὁ ἄνθρωπος, παραγγέλλειν ἐκέλευεν ὁ Ἑτεόνικος, ὅτι τὸν κάλαμον εἶχε. κατὰ δὲ τὴν παραγγελίαν ἐρρίπτουν πάντες ὅσοι εἶχον τοὺς καλάμους, αἰεὶ ὁ ἀκούων δεδιὼς μὴ ὀφθεῖν ἔχων. [2.1.5] μετὰ δὲ ταῦτα ὁ Ἑτεόνικος συγκαλέσας τοὺς Χίους χρήματα ἐκέλευσε συνενεγκεῖν, ὅπως οἱ ναῦται λάβωσι μισθὸν καὶ μὴ νεωτερίσωσιν· οἱ δὲ εἰσήνεγκαν· ἅμα δὲ εἰς τὰς ναῦς ἐσήμηνεν εἰσβαίνειν· προσίων δὲ ἐν μέρει παρ' ἐκάστην ναῦν παρεθάρρυνέ τε καὶ παρήνει πολλά, ὡς τοῦ γεγενημένου οὐδὲν εἰδώς, καὶ μισθὸν ἐκάστῳ μηνὸς διέδωκε. [2.1.6] μετὰ δὲ ταῦτα οἱ Χῖοι καὶ οἱ ἄλλοι σύμμαχοι συλλεγόντες εἰς Ἐφεσον ἐβουλεύσαντο περὶ τῶν ἐνεστηκότων πραγμάτων πέμπειν εἰς Λακεδαίμονα πρέσβεις ταῦτά τε ἐροῦντας καὶ Λύσανδρον αἰτήσοντας ἐπὶ τὰς ναῦς, εὖ φερόμενον παρὰ τοῖς συμμάχοις κατὰ τὴν προτέραν ναυαρχίαν, ὅτε καὶ τὴν ἐν Νοτίῳ ἐνίκησε ναυμαχίαν. [2.1.7] καὶ ἀπεπέμφθησαν πρέσβεις, σὺν αὐτοῖς δὲ καὶ παρὰ Κύρου ταῦτά λέγοντες ἄγγελοι. οἱ δὲ Λακεδαιμόνιοι ἔδοσαν τὸν Λύσανδρον ὡς ἐπιστολέα, ναύαρχον δὲ Ἄρακον· οὐ γὰρ νόμος αὐτοῖς δις τὸν αὐτὸν ναυαρχεῖν· τὰς μέντοι ναῦς παρέδωκαν Λυσάνδρῳ [ἐτῶν ἤδη

τῷ πολέμῳ πέντε καὶ εἴκοσι παρεληλυθότων].

[2.1.8] Τούτῳ δὲ τῷ ἐνιαυτῷ καὶ Κῦρος ἀπέκτεινεν Αὐτοβοισάκην καὶ Μιτραῖον, υἱεῖς ὄντας τῆς Δαρειαίου ἀδελφῆς [τῆς τοῦ Ξέρξου τοῦ Δαρείου πατρός], ὅτι αὐτῷ ἀπαντῶντες οὐ διέωσαν διὰ τῆς κόρης τὰς χεῖρας, ὃ ποιοῦσι βασιλεῖ μόνον· ἡ δὲ κόρη ἐστὶ μακρότερον ἢ χεῖρις, ἐν ἣ τὴν χεῖρα ἔχων οὐδὲν ἂν δύναιτο ποιῆσαι. [2.1.9] Ἰεραμένης μὲν οὖν καὶ ἡ γυνὴ ἔλεγον πρὸς Δαρειαῖον δεινὸν εἶναι εἰ περιόψεται τὴν λίαν ὕβριν τούτου· ὁ δὲ αὐτὸν μεταπέμπεται ὡς ἄρρωστών, πέμψας ἀγγέλους.

[2.1.10] Τῷ δ' ἐπιόντι ἔτει [ἐπὶ Ἀρχύτα μὲν ἐφορεύοντος, ἄρχοντος δ' ἐν Ἀθήναις Ἀλεξίου,] Λύσανδρος ἀφικόμενος εἰς Ἐφεσον μετεπέμψατο Ἐτεόνικον ἐκ Χίου σὺν ταῖς ναυσί, καὶ τὰς ἄλλας πάσας συνήθροισεν, εἴ πού τις ἦν, καὶ ταύτας τ' ἐπεσκεύαζε καὶ ἄλλας ἐν Ἀντάνδρῳ ἐναυπηγεῖτο. ἐλθὼν δὲ παρὰ Κῦρον χρήματα ἦται· [2.1.11] ὁ δ' αὐτῷ εἶπεν ὅτι τὰ μὲν παρὰ βασιλέως ἀνηλωμένα εἶη, καὶ ἔτι πλείω πολλῶι, δεικνύων ὅσα ἕκαστος τῶν ναυάρχων ἔχοι, ὅμως δ' ἔδωκε. [2.1.12] λαβὼν δὲ ὁ Λύσανδρος τὰργύριον, ἐπὶ τὰς τριῆρεις τριηράρχους ἐπέστησε καὶ τοῖς ναύταις τὸν ὀφειλόμενον μισθὸν ἀπέδωκε. παρεσκευάζοντο δὲ καὶ οἱ τῶν Ἀθηναίων στρατηγοὶ <πρὸς> τὸ ναυτικὸν ἐν τῇ Σάμῳ.

[2.1.13] Κῦρος δ' ἐπὶ τούτοις μετεπέμψατο Λύσανδρον, ἐπεὶ αὐτῷ παρὰ τοῦ πατρὸς ἦκεν ἄγγελος λέγων ὅτι ἄρρωστών ἐκεῖνον καλοίη, ὢν ἐν Θαμνηρίοις τῆς Μηδίας ἐγγὺς Καδουσίων, ἐφ' οὓς ἐστράτευσεν ἀφεστῶτας. [2.1.14] ἦκοντα δὲ Λύσανδρον οὐκ εἶα ναυμαχεῖν πρὸς Ἀθηναίους, ἐὰν μὴ πολλῶι πλείους ναῦς ἔχῃ· εἶναι γὰρ χρήματα πολλὰ καὶ βασιλεῖ καὶ ἑαυτῷ, ὥστε τούτου ἕνεκεν πολλὰς πληροῦν. παρέδειξε δ' αὐτῷ πάντας τοὺς φόρους τοὺς ἐκ τῶν πόλεων, οἱ αὐτῷ ἴδιοι ἦσαν, καὶ τὰ περιττὰ χρήματα ἔδωκε· καὶ ἀναμνήσας ὡς εἶχε φιλίας πρὸς τε τὴν τῶν Λακεδαιμονίων πόλιν καὶ πρὸς Λύσανδρον ἰδίαι, ἀνέβαινε παρὰ τὸν πατέρα.

[2.1.15] Λύσανδρος δ', ἐπεὶ αὐτῷ Κῦρος πάντα παραδοὺς τὰ αὐτοῦ πρὸς τὸν πατέρα ἄρρωστοῦντα μετάπεμπτος ἀνέβαινε, μισθὸν διαδοὺς τῇ στρατιᾷ ἀνήχθη τῆς Καρίας εἰς τὸν Κεράμειον κόλπον. καὶ προσβαλὼν πόλει τῶν Ἀθηναίων συμμάχῳ ὄνομα Κεδρεΐαις τῇ ὑστεραίᾳ προσβολῇ κατὰ κράτος αἰρεῖ καὶ ἐξηνδραπόδισεν. ἦσαν δὲ μισοβάρβαροι οἱ ἐνοικοῦντες. ἐκεῖθεν δ' ἀπέπλευσεν εἰς Ῥόδον. [2.1.16] οἱ δ' Ἀθηναῖοι ἐκ τῆς Σάμου ὀρμώμενοι τὴν βασιλέως κακῶς

ἐποίουν, καὶ ἐπὶ τὴν Χίον καὶ τὴν Ἐφεσον ἐπέπλεον, καὶ παρεσκευάζοντο πρὸς ναυμαχίαν, καὶ στρατηγούς πρὸς τοῖς ὑπάρχουσι προσεείλοντο Μένανδρον. Τυδέα, Κηφισόδοτον. [2.1.17] Λύσανδρος δ' ἐκ τῆς Ῥόδου παρὰ τὴν Ἰωνίαν ἐκπλεῖ πρὸς τὸν Ἑλλήσποντον πρὸς τε τῶν πλοίων τὸν ἐκπλουν καὶ ἐπὶ τὰς ἀφεστηκυίας αὐτῶν πόλεις. ἀνήγοντο δὲ καὶ οἱ Ἀθηναῖοι ἐκ τῆς Χίου πελάγιοι. [2.1.18] ἡ γὰρ Ἀσία πολεμία αὐτοῖς ἦν. Λύσανδρος δ' ἐξ Ἀβύδου παρέπλει εἰς Λάμψακον σύμμαχον οὖσαν Ἀθηναίων· καὶ οἱ Ἀβυδηνοὶ καὶ οἱ ἄλλοι παρῆσαν περὶ. ἡγεῖτο δὲ Θώραξ Λακεδαιμόνιος. [2.1.19] προσβαλόντες δὲ τῇ πόλει αἰροῦσι κατὰ κράτος, καὶ διήρπασαν οἱ στρατιῶται οὖσαν πλουσίαν καὶ οἶνου καὶ σίτου καὶ τῶν ἄλλων ἐπιτηδείων πλήρη· τὰ δὲ ἐλεύθερα σώματα πάντα ἀφῆκε Λύσανδρος. [2.1.20] οἱ δ' Ἀθηναῖοι κατὰ πόδας πλέοντες ὠρμίσαντο τῆς Χερρονήσου ἐν Ἐλαιοῦντι ναυσὶν ὀγδοήκοντα καὶ ἑκατόν. ἐνταῦθα δὴ ἀριστοποιουμένοις αὐτοῖς ἀγγέλλεται τὰ περὶ Λάμψακον, καὶ εὐθὺς ἀνήχθησαν εἰς Σηστόν. [2.1.21] ἐκεῖθεν δ' εὐθὺς ἐπισιτισάμενοι ἔπλευσαν εἰς Αἰγὸς ποταμοὺς ἀντίον τῆς Λαμψάκου· διεῖχε δ' ὁ Ἑλλήσποντος ταύτην σταδίου ὥς πεντεκαίδεκα. ἐνταῦθα δὴ ἐδειπνοποιοῦντο. [2.1.22] Λύσανδρος δὲ τῇ ἐπιούσῃ νυκτί, ἐπεὶ ὀρθρὸς ἦν, ἐσήμηνεν εἰς τὰς ναῦς ἀριστοποιησαμένους εἰσβαίνειν, πάντα δὲ παρασκευασάμενος ὥς εἰς ναυμαχίαν καὶ τὰ παραβλήματα παραβάλλων, προεῖπεν ὥς μηδεὶς κινήσοιτο ἐκ τῆς τάξεως μηδὲ ἀνάξοιτο. [2.1.23] οἱ δὲ Ἀθηναῖοι ἅμα τῷ ἡλίῳ ἀνίσχοντι ἐπὶ τῷ λιμένι παρετάξαντο ἐν μετώπῳ ὥς εἰς ναυμαχίαν. ἐπεὶ δὲ οὐκ ἀντανήγαγε Λύσανδρος, καὶ τῆς ἡμέρας ὅψε ἦν, ἀπέπλευσαν πάλιν εἰς τοὺς Αἰγὸς ποταμούς. [2.1.24] Λύσανδρος δὲ τὰς ταχίστας τῶν νεῶν ἐκέλευσεν ἔπεσθαι τοῖς Ἀθηναίοις, ἐπειδὴν δὲ ἐκβῶσι, κατιδόντας ὅ τι ποιοῦσιν ἀποπλεῖν καὶ αὐτῷ ἐξαγγεῖλαι. καὶ οὐ πρότερον ἐξεβίβασεν ἐκ τῶν νεῶν πρὶν αὐταὶ ἦκον. ταῦτα δ' ἐποίει τέτταρας ἡμέρας· καὶ οἱ Ἀθηναῖοι ἐπανήγοντο. [2.1.25] Ἀλκιβιάδης δὲ κατιδὼν ἐκ τῶν τειχῶν τοὺς μὲν Ἀθηναίους ἐν αἰγιαλῷ ὀρμοῦντας καὶ πρὸς οὐδεμιᾷ πόλει, τὰ δ' ἐπιτήδεια ἐκ Σηστοῦ μετιόντας πεντεκαίδεκα σταδίου ἀπὸ τῶν νεῶν, τοὺς δὲ πολεμίους ἐν λιμένι καὶ πρὸς πόλει ἔχοντας πάντα, οὐκ ἐν καλῷ ἔφη αὐτοὺς ὀρμεῖν, ἀλλὰ μεθορμίσαι εἰς Σηστόν παρήνει πρὸς τε λιμένα καὶ πρὸς πόλιν· οὗ ὄντες ναυμαχήσετε, ἔφη, ὅταν βούλησθε. [2.1.26] οἱ δὲ στρατηγοί, μάλιστα δὲ Τυδεὺς καὶ Μένανδρος, ἀπιέναι αὐτὸν ἐκέλευσαν· αὐτοὶ γὰρ νῦν

στρατηγεῖν, οὐκ ἐκείνον. καὶ ὁ μὲν ὤχητο. [2.1.27] Λύσανδρος δ', ἐπεὶ ἦν ἡμέρα πέμπτη ἐπιπλέουσι τοῖς Ἀθηναίοις, εἶπε τοῖς παρ' αὐτοῦ ἐπομένοις, ἐπὰν κατίδωσιν αὐτοὺς ἐκβεβηκότας καὶ ἐσκεδασμένους κατὰ τὴν Χερρόνησον, ὅπερ ἐποίουν πολὺ μᾶλλον καθ' ἐκάστην ἡμέραν, τὰ τε σιτία πόρρωθεν ὠνούμενοι καὶ καταφρονούντες δὴ τοῦ Λυσάνδρου, ὅτι οὐκ ἀντανῆγεν, ἀποπλέοντας τοῦμπαλιν παρ' αὐτὸν ἄραι ἀσπίδα κατὰ μέσον τὸν πλοῦν. οἱ δὲ ταῦτα ἐποίησαν ὡς ἐκέλευσε. [2.1.28] Λύσανδρος δ' εὐθὺς ἐσήμηνε τὴν ταχίστην πλεῖν· συμπαρήγει δὲ καὶ Θώραξ τὸ πεζὸν ἔχων. Κόνων δὲ ἰδὼν τὸν ἐπίπλουν, ἐσήμηνεν εἰς τὰς ναῦς βοηθεῖν κατὰ κράτος. διεσκεδασμένων δὲ τῶν ἀνθρώπων, αἱ μὲν τῶν νεῶν δίκροτοι ἦσαν, αἱ δὲ μονόκροτοι, αἱ δὲ παντελῶς κεναί· ἡ δὲ Κόνωνος καὶ ἄλλαι περὶ αὐτὸν ἐπτὰ πλήρεις ἀνήχθησαν ἀθρόαι καὶ ἡ Πάραλος, τὰς δ' ἄλλας πάσας Λύσανδρος ἔλαβε πρὸς τῇ γῇ. τοὺς δὲ πλείστους ἄνδρας ἐν τῇ γῇ συνέλεξεν· οἱ δὲ καὶ ἔφυγον εἰς τὰ τειχύδρια. [2.1.29] Κόνων δὲ ταῖς ἐννέα ναυσὶ φεύγων, ἐπεὶ ἔγνω τῶν Ἀθηναίων τὰ πράγματα διεφθαρμένα, κατασχὼν ἐπὶ τὴν Ἀβαρνίδα τὴν Λαμπάκου ἄκραν ἔλαβεν αὐτόθεν τὰ μεγάλα τῶν Λυσάνδρου νεῶν ἰστία, καὶ αὐτὸς μὲν ὁκτὼ ναυσὶν ἀπέπλευσε παρ' Εὐαγόραν εἰς Κύπρον, ἡ δὲ Πάραλος εἰς τὰς Ἀθήνας ἀπαγγελοῦσα τὰ γεγονότα. [2.1.30] Λύσανδρος δὲ τὰς τε ναῦς καὶ τοὺς αἰχμαλώτους καὶ ἅλλα πάντα εἰς Λάμπακον ἀπήγαγεν, ἔλαβε δὲ καὶ τῶν στρατηγῶν ἄλλους τε καὶ Φιλοκλέα καὶ Ἀδεΐμαντον. ἥ δ' ἡμέραι ταῦτα κατειργάσατο, ἔπεμψε Θεόπομπον τὸν Μιλήσιον ληιστὴν εἰς Λακεδαίμονα ἀπαγγελοῦντα τὰ γεγονότα, ὃς ἀφικόμενος τριταῖος ἀπήγγειλε. [2.1.31] μετὰ δὲ ταῦτα Λύσανδρος ἀθροίσας τοὺς συμμάχους ἐκέλευσε βουλευέσθαι περὶ τῶν αἰχμαλώτων. ἐνταῦθα δὲ κατηγορίαι ἐγίνοντο πολλαὶ τῶν Ἀθηναίων, ἃ τε ἤδη παρενενομήκεσαν καὶ ἃ ἐψηφισμένοι ἦσαν ποιεῖν, εἰ κρατήσειαν τῇ ναυμαχίᾳ, τὴν δεξιὰν χεῖρα ἀποκόπτειν τῶν ζωγρηθέντων πάντων, καὶ ὅτι λαβόντες δύο τριῆρεις, Κορινθίαν καὶ Ἀνδρίαν, τοὺς ἄνδρας ἐξ αὐτῶν πάντας κατακρημνίσειαν· Φιλοκλῆς δ' ἦν στρατηγὸς τῶν Ἀθηναίων, ὃς τούτους διέφθειρεν. [2.1.32] ἐλέγετο δὲ καὶ ἄλλα πολλὰ, καὶ ἔδοξεν ἀποκτεῖναι τῶν αἰχμαλώτων ὅσοι ἦσαν Ἀθηναῖοι πλὴν Ἀδεϊμάντου, ὅτι μόνος ἐπελάβετο ἐν τῇ ἐκκλησίᾳ τοῦ περὶ τῆς ἀποτομῆς τῶν χειρῶν ψηφίσματος· ἡτιιᾶθη μέντοι ὑπὸ τινων προδοῦναι τὰς ναῦς. Λύσανδρος δὲ Φιλοκλέα πρῶτον ἐρωτήσας, ὃς τοὺς Ἀνδρίους καὶ

Κορινθίους κατεκρήμνισε, τί εἴη ἄξιος παθεῖν ἀρξάμενος εἰς Ἑλληνας παρανομεῖν, ἀπέσφαξεν.

[2.2.1] Ἐπεὶ δὲ τὰ ἐν τῇ Λαμψάκῳ κατεστήσατο, ἔπλει ἐπὶ τὸ Βυζάντιον καὶ Καλχηδόνα. οἱ δ' αὐτὸν ὑπεδέχοντο, τοὺς τῶν Ἀθηναίων φρουροὺς ὑποσπόνδους ἀφέντες. οἱ δὲ προδόντες Ἀλκιβιάδῃ τὸ Βυζάντιον τότε μὲν ἔφυγον εἰς τὸν Πόντον, ὕστερον δ' εἰς Ἀθήνας καὶ ἐγένοντο Ἀθηναῖοι. [2.2.2] Λύσανδρος δὲ τοὺς τε φρουροὺς τῶν Ἀθηναίων καὶ εἴ τινα που ἄλλον ἴδοι Ἀθηναῖον ἀπέπεμπεν εἰς τὰς Ἀθήνας, διδοὺς ἐκεῖσε μόνον πλέουσιν ἀσφάλειαν, ἄλλοθι δ' οὐ, εἰδὼς ὅτι ὅσῳ ἂν πλείους συλλεγῶσιν εἰς τὸ ἄστυ καὶ τὸν Πειραιᾶ, θᾶπτον τῶν ἐπιτηδείων ἔνδειαν ἔσσεσθαι. καταλιπὼν δὲ Βυζαντίου καὶ Καλχηδόνης Σθενέλαον ἀρμοστήν Λάκωνα, αὐτὸς ἀποπλεύσας εἰς Λάμψακον τὰς ναῦς ἐπεσκεύαζεν.

[2.2.3] Ἐν δὲ ταῖς Ἀθήναις τῆς Παράλου ἀφικομένης νυκτὸς ἐλέγετο ἡ συμφορά, καὶ οἰμωγὴ ἐκ τοῦ Πειραιῶς διὰ τῶν μακρῶν τειχῶν εἰς ἄστυ διήκεν, ὁ ἕτερος τῷ ἐτέρῳ παραγγέλλων· ὥστ' ἐκείνης τῆς νυκτὸς οὐδεὶς ἐκοιμήθη, οὐ μόνον τοὺς ἀπολωλότας πενθοῦντες, ἀλλὰ πολὺ μᾶλλον ἔτι αὐτοὶ ἑαυτούς, πείσεσθαι νομίζοντες οἷα ἐποίησαν Μηλίους τε Λακεδαιμονίων ἀποίκους ὄντας, κρατήσαντες πολιορκίαι, καὶ Ἰστιαίας καὶ Σκιωναίους καὶ Τορωναίους καὶ Αἰγινήτας καὶ ἄλλους πολλοὺς τῶν Ἑλλήνων. [2.2.4] τῇ δ' ὕστεραίαι ἐκκλησίαν ἐποίησαν, ἐν ἣι ἔδοξε τοὺς τε λιμένας ἀποχωῶσαι πλὴν ἐνὸς καὶ τὰ τεῖχη εὐτρεπίζειν καὶ φυλακὰς ἐφιστάναι καὶ τᾶλλα πάντα ὥς εἰς πολιορκίαν παρασκευάζειν τὴν πόλιν. καὶ οὗτοι μὲν περὶ ταῦτα ἦσαν.

[2.2.5] Λύσανδρος δ' ἐκ τοῦ Ἑλλησπόντου ναυσὶ διακοσίαις ἀφικόμενος εἰς Λέσβον κατεσκευάσατο τὰς τε ἄλλας πόλεις ἐν αὐτῇ καὶ Μυτιλήνῃ· εἰς δὲ τὰ ἐπὶ Θράκης χωρία ἔπεμψε δέκα τριήρεις ἔχοντα Ἑτεόνικον, ὃς τὰ ἐκεῖ πάντα πρὸς Λακεδαιμονίους μετέστησεν. [2.2.6] εὐθὺς δὲ καὶ ἡ ἄλλη Ἑλλὰς ἀφειστήκει Ἀθηναίων μετὰ τὴν ναυμαχίαν πλὴν Σαμίων· οὗτοι δὲ σφαγὰς τῶν γνωρίμων ποιήσαντες κατεῖχον τὴν πόλιν. [2.2.7] Λύσανδρος δὲ μετὰ ταῦτα ἔπεμψε πρὸς Ἄγιν τε εἰς Δεκέλειαν καὶ εἰς Λακεδαίμονα ὅτι προσπλεῖ σὺν διακοσίαις ναυσί. Λακεδαιμόνιοι δ' ἐξῆσαν πανδημεὶ καὶ οἱ ἄλλοι Πελοποννήσιοι πλὴν Ἀργείων, παραγγείλαντος τοῦ ἐτέρου Λακεδαιμονίων βασιλέως Πausανίου. [2.2.8] ἐπεὶ δ' ἅπαντες ἠθροίσθησαν, ἀναλαβὼν αὐτοὺς πρὸς τὴν πόλιν ἐστρατοπέδευσεν ἐν

τῇ Ἀκαδημαίᾳ [τῷ καλουμένῳ γυμνασίῳ]. [2.2.9] Λύσανδρος δὲ ἀφικόμενος εἰς Αἴγιναν ἀπέδωκε τὴν πόλιν Αἰγινήταις, ὅσους ἐδύνατο πλείστους αὐτῶν ἀθροίσας, ὥς δ' αὐτως καὶ Μηλίοις καὶ τοῖς ἄλλοις ὅσοι τῆς αὐτῶν ἐστέροντο. μετὰ δὲ τοῦτο δηιώσας Σαλαμῖνα ὠρμίσατο πρὸς τὸν Πειραιᾶ ναυσὶ πεντήκοντα καὶ ἑκατόν, καὶ τὰ πλοῖα εἵργε τοῦ εἰσπλου.

[2.2.10] Οἱ δ' Ἀθηναῖοι πολιορκούμενοι κατὰ γῆν καὶ κατὰ θάλατταν ἠπόρουσαν τί χρῆ ποιεῖν, οὔτε νεῶν οὔτε συμμάχων αὐτοῖς ὄντων οὔτε σίτου· ἐνόμιζον δὲ οὐδεμίαν εἶναι σωτηρίαν <εἰ μὴ> παθεῖν ἃ οὐ τιμωρούμενοι ἐποίησαν, ἀλλὰ διὰ τὴν ὕβριν ἠδίκουν ἀνθρώπους μικροπολίτας οὐδ' ἐπὶ μιᾷ αἰτίᾳ ἑτέροι ἢ ὅτι ἐκείνοις συνεμάχουν. [2.2.11] διὰ ταῦτα τοὺς ἀτίμους ἐπιτίμους ποιήσαντες ἐκαρτέρουν, καὶ ἀποθνησκόντων ἐν τῇ πόλει λιμῶι πολλῶν οὐ διελέγοντο περὶ διαλλαγῆς. ἐπεὶ δὲ παντελῶς ἤδη ὁ σῖτος ἐπελελοίπει, ἔπεμψαν πρέσβεις παρ' Ἄγιν, βουλόμενοι σύμμαχοι εἶναι Λακεδαιμονίοις ἔχοντες τὰ τεῖχη καὶ τὸν Πειραιᾶ, καὶ ἐπὶ τούτοις συνθήκας ποιεῖσθαι. [2.2.12] ὁ δὲ αὐτοὺς εἰς Λακεδαίμονα ἐκέλευεν ἰέναι· οὐ γὰρ εἶναι κύριος αὐτός. ἐπεὶ δ' ἀπήγγειλαν οἱ πρέσβεις ταῦτα τοῖς Ἀθηναίοις, ἔπεμψαν αὐτοὺς εἰς Λακεδαίμονα. [2.2.13] οἱ δ' ἐπεὶ ἦσαν ἐν Σελλασίᾳ [πλησίον τῆς Λακωνικῆς] καὶ ἐπύθοντο οἱ ἔφοροι αὐτῶν ἃ ἔλεγον, ὄντα οἷάπερ καὶ πρὸς Ἄγιν, αὐτόθεν αὐτοὺς ἐκέλευον ἀπιέναι, καὶ εἴ τι δέονται εἰρήνης, κάλλιον ἦκειν βουλευσαμένους. [2.2.14] οἱ δὲ πρέσβεις ἐπεὶ ἤκον οἴκαδε καὶ ἀπήγγειλαν ταῦτα εἰς τὴν πόλιν, ἀθυμία ἐνέπεσε πᾶσιν· ὥιοντο γὰρ ἀνδραποδισθῆσθαι, καὶ ἕως ἄν πέμπωσιν ἑτέρους πρέσβεις, πολλοὺς τῷ λιμῶι ἀπολεισθαι. [2.2.15] περὶ δὲ τῶν τειχῶν τῆς καθαιρέσεως οὐδεὶς ἐβούλετο συμβουλευεῖν· Ἀρχέστρατος γὰρ εἰπὼν ἐν τῇ βουλῇ Λακεδαιμονίοις κράτιστον εἶναι ἐφ' οἷς προυκαλοῦντο εἰρήνην ποιεῖσθαι, ἐδέθη· προυκαλοῦντο δὲ τῶν μακρῶν τειχῶν ἐπὶ δέκα σταδίους καθελεῖν ἑκατέρου· ἐγένετο δὲ ψήφισμα μὴ ἐξεῖναι περὶ τούτων συμβουλευεῖν. [2.2.16] τοιούτων δὲ ὄντων Θηραμένης εἶπεν ἐν ἐκκλησίᾳ ὅτι εἰ βούλονται αὐτὸν πέμψαι παρὰ Λύσανδρον, εἰδὼς ἥξει Λακεδαιμονίους πότερον ἐξανδραποδίσασθαι τὴν πόλιν βουλόμενοι ἀντέχουσι περὶ τῶν τειχῶν ἢ πίστεως ἔνεκα. πεμφθεὶς δὲ διέτριβε παρὰ Λυσάνδρῳ τρεῖς μῆνας καὶ πλείω, ἐπιτηρῶν ὅποτε Ἀθηναῖοι ἔμελλον διὰ τὸ ἐπιλελοιπέναι τὸν σῖτον ἅπαντα ὃ τι τις λέγοι ὁμολογήσειν. [2.2.17] ἐπεὶ δὲ ἦκε

τετάρτῳ μηνί, ἀπήγγειλεν ἐν ἐκκλησίαι ὅτι αὐτὸν Λύσανδρος τέως μὲν κατέχοι, εἴτα κελεύοι εἰς Λακεδαίμονα ἰέναι· οὐ γὰρ εἶναι κύριος ὢν ἐρωτῶιτο ὑπ' αὐτοῦ, ἀλλὰ τοὺς ἐφόρους. μετὰ ταῦτα ἡιρέθη πρεσβευτὴς εἰς Λακεδαίμονα αὐτοκράτωρ δέκατος αὐτός. [2.2.18] Λύσανδρος δὲ τοῖς ἐφόροις ἔπεμψεν ἀγγελοῦντα μετ' ἄλλων Λακεδαιμονίων Ἀριστοτέλην, φυγάδα Ἀθηναίων ὄντα, ὅτι ἀποκρίναιτο Θηραμένει ἐκείνους κυρίους εἶναι εἰρήνης καὶ πολέμου. [2.2.19] Θηραμένης δὲ καὶ οἱ ἄλλοι πρέσβεις ἐπεὶ ἦσαν ἐν Σελλασίαι, ἐρωτῶμενοι δὲ ἐπὶ τίνι λόγῳ ἤκοιεν εἶπον ὅτι αὐτοκράτορες περὶ εἰρήνης, μετὰ ταῦτα οἱ ἔφοροι καλεῖν ἐκέλευον αὐτούς. ἐπεὶ δ' ἦκον, ἐκκλησίαν ἐποίησαν, ἐν ἣ ἂντέλεγον Κορίνθιοι καὶ Θηβαῖοι μάλιστα, πολλοὶ δὲ καὶ ἄλλοι τῶν Ἑλλήνων, μὴ σπένδεσθαι Ἀθηναίοις, ἀλλ' ἐξαίρειν. [2.2.20] Λακεδαιμόνιοι δὲ οὐκ ἔφασαν πόλιν Ἑλληνίδα ἀνδραποδεῖν μέγα ἀγαθὸν εἰργασμένην ἐν τοῖς μεγίστοις κινδύνοις γενομένοις τῇ Ἑλλάδι, ἀλλ' ἐποιοῦντο εἰρήνην ἐφ' ᾧ τά τε μακρὰ τεῖχη καὶ τὸν Πειραιᾶ καθελόντας καὶ τὰς ναῦς πλὴν δώδεκα παραδόντας καὶ τοὺς φυγάδας καθέντας τὸν αὐτὸν ἐχθρὸν καὶ φίλον νομίζοντας Λακεδαιμονίοις ἔπεσθαι καὶ κατὰ γῆν καὶ κατὰ θάλατταν ὅποι ἂν ἡγῶνται. [2.2.21] Θηραμένης δὲ καὶ οἱ σὺν αὐτῷ πρέσβεις ἐπανεφέρον ταῦτα εἰς τὰς Ἀθήνας. εἰσιόντας δ' αὐτοὺς ὄχλος περιεχεῖτο πολὺς, φοβούμενοι μὴ ἄπρακτοί ἤκοιεν· οὐ γὰρ ἔτι ἐνεχώρει μέλλειν διὰ τὸ πλῆθος τῶν ἀπολλυμένων τῷ λιμῷ. [2.2.22] τῇ δὲ ὑστεραίᾳ ἀπήγγελλον οἱ πρέσβεις ἐφ' οἷς οἱ Λακεδαιμόνιοι ποιοῖντο τὴν εἰρήνην· προηγόρει δὲ αὐτῶν Θηραμένης, λέγων ὡς χρή πείθεσθαι Λακεδαιμονίοις καὶ τὰ τεῖχη περιαιρεῖν. ἀντειπόντων δὲ τινῶν αὐτῷ, πολὺ δὲ πλειόνων συνεπαινεσάντων, ἔδοξε δέχεσθαι τὴν εἰρήνην. [2.2.23] μετὰ δὲ ταῦτα Λύσανδρός τε κατέπλει εἰς τὸν Πειραιᾶ καὶ οἱ φυγάδες κατήισαν καὶ τὰ τεῖχη κατέσκαπτον ὑπ' αὐλητρίδων πολλῇ προθυμίᾳ, νομίζοντες ἐκείνην τὴν ἡμέραν τῇ Ἑλλάδι ἄρχειν τῆς ἐλευθερίας.

[2.2.24] Καὶ ὁ ἐνιαυτὸς ἔληγεν, ἐν ᾧ μεσοῦντι Διονύσιος ὁ Ἑρμοκράτους Συρακόσιος ἐτυράννησε, μάχη μὲν πρότερον ἡττηθέντων ὑπὸ Συρακοσίων Καρχηδονίων, σπάνει δὲ σίτου ἐλόντων Ἀκράγαντα, ἐκλιπόντων τῶν Σικελιωτῶν τὴν πόλιν.

[2.3.1] Τῷ δ' ἐπιόντι ἔτει [ᾧ ἦν Ὀλυμπιάς, ἥ τὸ στάδιον ἐνίκα Κροκίνας Θετταλός, Εὐδίου ἐν Σπάρτῃ ἐφορευόντος, Πυθοδώρου δ' ἐν Ἀθήναις ἄρχοντος, ὃν Ἀθηναῖοι, ὅτι ἐν ὀλιγαρχίᾳ ἡιρέθη, οὐκ

ὀνομάζουσιν, ἀλλ' ἀναρχίαν τὸν ἐνιαυτὸν καλοῦσιν. ἐγένετο δὲ αὕτη ἢ ὀλιγαρχία ὧδε.] [2.3.2] ἔδοξε τῷ δήμῳ τριάκοντα ἄνδρας ἐλέσθαι, οἱ τοὺς πατέρας νόμους συγγράψουσι, καθ' οὓς πολιτεύσουσι. καὶ ἡρέθησαν οἷδε Πολυχάρης, Κριτίας, Μηλόβιος, Ἰππόλοχος, Εὐκλείδης, Ἰέρων, Μνησίλοχος, Χρέμων, Θηραμένης, Ἀρεσίας, Διοκλῆς, Φαιδρίας, Χαιρέλεως, Ἀναίτιος, Πείσων, Σοφοκλῆς, Ἐρατοσθένης, Χαρικλῆς, Ὀνομακλῆς, Θέογνις, Αἰσχίνης, Θεογένης, Κλεομήδης, Ἐρασίστρατος, Φείδων, Δρακοντίδης, Εὐμάθης, Ἀριστοτέλης, Ἰππόμαχος, Μνησιθείδης. [2.3.3] τούτων δὲ πραχθέντων ἀπέπλει Λύσανδρος πρὸς Σάμον, Ἄγις δ' ἐκ τῆς Δεκελείας ἀπαγαγὼν τὸ πεζὸν στράτευμα διέλυσε κατὰ πόλεις ἐκάστους.

[2.3.4] Κατὰ δὲ τοῦτον τὸν καιρὸν περὶ ἡλίου ἔκλειψιν Λυκόφρων ὁ Φεραῖος, βουλόμενος ἄρξαι ὅλης τῆς Θετταλίας, τοὺς ἐναντιουμένους αὐτῷ τῶν Θετταλῶν, Λαρισαίους τε καὶ ἄλλους, μάχῃ ἐνίκησε καὶ πολλοὺς ἀπέκτεινεν.

[2.3.5] Ἐν δὲ τῷ αὐτῷ χρόνῳ καὶ Διονύσιος ὁ Συρακόσιος τύραννος μάχῃ ἡττηθεὶς ὑπὸ Καρχηδονίων Γέλαν καὶ Καμάριναν ἀπώλεσε. μετ' ὀλίγον δὲ καὶ Λεοντῖνοι Συρακοσίοις συνοικοῦντες ἀπέστησαν εἰς τὴν αὐτῶν πόλιν ἀπὸ Διονυσίου καὶ Συρακοσίων. παραχρῆμα δὲ καὶ οἱ Συρακόσιοι ἱππεῖς ὑπὸ Διονυσίου εἰς Κατάνην ἀπεστάλησαν.

[2.3.6] Οἱ δὲ Σάμιοι πολιορκούμενοι ὑπὸ Λυσάνδρου πάντῃ, ἐπεὶ οὐ βουλομένων αὐτῶν τὸ πρῶτον ὁμολογεῖν προσβάλλειν ἤδη ἔμελλεν ὁ Λύσανδρος, ὡμολόγησαν ἐν ἱμάτιον ἔχων ἕκαστος ἀπιέναι τῶν ἐλευθέρων, τὰ δ' ἄλλα παραδοῦναι· καὶ οὕτως ἐξῆλθον. [2.3.7] Λύσανδρος δὲ τοῖς ἀρχαίοις πολίταις παραδοὺς τὴν πόλιν καὶ τὰ ἐνόντα πάντα καὶ δέκα ἄρχοντας καταστήσας φρουρεῖν ἀφῆκε τὸ τῶν συμμάχων ναυτικὸν κατὰ πόλεις, [2.3.8] ταῖς δὲ Λακωνικαῖς ναυσὶν ἀπέπλευσεν εἰς Λακεδαιμόνα, ἀπάγων τὰ τε τῶν αἰχμαλώτων νεῶν ἀκρωτήρια καὶ τὰς ἐκ Πειραιῶς τριήρεις πλὴν δώδεκα καὶ στεφάνους, οὓς παρὰ τῶν πόλεων ἐλάμβανε δῶρα ἰδία, καὶ ἀργυρίου τετρακόσια καὶ ἐβδομήκοντα τάλαντα, ἃ περιεγένοντο τῶν φόρων, οὓς αὐτῷ Κῦρος παρέδειξεν εἰς τὸν πόλεμον, καὶ εἴ τι ἄλλο ἐκτήσατο ἐν τῷ πολέμῳ. [2.3.9] ταῦτα δὲ πάντα Λακεδαιμονίοις ἀπέδωκε τελευτῶντος τοῦ θέρους [εἰς ὃ ἐξάμηνος καὶ ὀκτῶ καὶ εἴκοσιν ἔτη τῷ πολέμῳ ἐτελεύτα, ἐν οἷς ἔφοροι οἱ ἀριθμούμενοι οἷδε ἐγένοντο, Αἰνησίας πρῶτος, ἐφ' οὗ ἤρξατο ὁ πόλεμος, πέμπτῳ

καὶ δεκάτῳ ἔτει τῶν μετ' Εὐβοίας ἄλῳσιν τριακονταετίδων σπονδῶν, μετὰ δὲ τοῦτον οἶδε· [2.3.10] Βρασίδας, Ἰσάνωρ, Σωστρατίδας, Ἐξαρχος, Ἀγησίστρατος, Ἀγγενίδας, Ὀνομακλῆς, Ζεῦξιππος, Πιτύας, Πλειστόλας, Κλεινόμαχος, Ἰλαρχος, Λέων, Χαιρίλας, Πατησιάδας, Κλεοσθένης, Λυκάριος, Ἐπήρατος, Ὀνομάντιος, Ἀλεξιππίδας, Μισγολαΐδας, Ἰσίας, Ἄρακος, Εὐάρχιππος, Παντακλῆς. Πιτύας, Ἀρχύτας, Εὐδῖος, ἐφ' οὗ Λύσανδρος πράξας τὰ εἰρημένα οἴκαδε κατέπλευσεν].

[2.3.11] Οἱ δὲ τριάκοντα ἡϊρέθησαν μὲν ἐπεὶ τάχιστα τὰ μακρὰ τεῖχη καὶ τὰ περὶ τὸν Πειραιᾶ καθιρέθη· αἰρεθέντες δὲ ἐφ' ὧτε συγγράψαι νόμους, καθ' οὓστινας πολιτεύσονται, τούτους μὲν αἰεὶ ἔμελλον συγγράφειν τε καὶ ἀποδεικνύναι, βουλὴν δὲ καὶ τὰς ἄλλας ἀρχὰς κατέστησαν ὥς ἐδόκει αὐτοῖς. [2.3.12] ἔπειτα πρῶτον μὲν οὖς πάντες ἡίδεσαν ἐν τῇ δημοκρατίᾳ ἀπὸ συκοφαντίας ζῶντας καὶ τοῖς καλοῖς κάγαθοῖς βαρεῖς ὄντας, συλλαμβάνοντες ὑπῆγον θανάτου· καὶ ἢ τε βουλὴ ἡδέως αὐτῶν κατεψηφίζετο οἷ τε ἄλλοι ὅσοι συνῆιδεσαν ἑαυτοῖς μὴ ὄντες τοιοῦτοι οὐδὲν ἤχθοντο. [2.3.13] ἐπεὶ δὲ ἥρξαντο βουλευέσθαι ὅπως ἂν ἐξείη αὐτοῖς τῇ πόλει χρῆσθαι ὅπως βούλονται, ἐκ τούτου πρῶτον μὲν πέμψαντες εἰς Λακεδαίμονα Αἰσχίνην τε καὶ Ἀριστοτέλην ἔπεισαν Λύσανδρον φρουροὺς σφίσι συμπρᾶξαι ἐλθεῖν, ἕως δὴ τοὺς πονηροὺς ἐκποδῶν ποιησάμενοι καταστήσονται τὴν πολιτείαν· θρέψειν δὲ αὐτοὶ ὑπισχνοῦντο. [2.3.14] ὁ δὲ πεισθεὶς τούς τε φρουροὺς καὶ Καλλίβιον ἀρμοστήν συνέπραξεν αὐτοῖς πεμφθῆναι. οἱ δ' ἐπεὶ τὴν φρουρὰν ἔλαβον, τὸν μὲν Καλλίβιον ἐθεράπευον πάσῃ θεραπείᾳ, ὥς πάντα ἐπαινοίη ἃ πράττειεν, τῶν δὲ φρουρῶν τούτου συμπέμποντος αὐτοῖς οὖς ἐβούλοντο συνελάμβανον οὐκέτι τοὺς πονηροὺς τε καὶ ὀλίγους ἀξιούς, ἀλλ' ἤδη οὖς ἐνόμιζον ἥκιστα μὲν παρωθουμένους ἀνέχεσθαι, ἀντιπράττειν δὲ τι ἐπιχειροῦντας πλείστους ἂν τοὺς συνεθέλοντας λαμβάνειν. [2.3.15] τῷ μὲν οὖν πρώτῳ χρόνῳ ὁ Κριτίας τῷ Θηραμένει ὁμογνῶμων τε καὶ φίλος ἦν· ἐπεὶ δὲ αὐτὸς μὲν προπετὴς ἦν ἐπὶ τὸ πολλοὺς ἀποκτείνειν, ἅτε καὶ φυγὼν ὑπὸ τοῦ δήμου, ὁ δὲ Θηραμένης ἀντέκοπτε, λέγων ὅτι οὐκ εἰκὸς εἶη θανατοῦν, εἴ τις ἐτιμᾶτο ὑπὸ τοῦ δήμου, τοὺς δὲ καλοὺς κάγαθοὺς μηδὲν κακὸν εἰργάζετο, ἐπεὶ καὶ ἐγώ, ἔφη, καὶ σὺ πολλὰ δὴ τοῦ ἀρέσκειν ἔνεκα τῇ πόλει καὶ εἵπομεν καὶ ἐπράξαμεν· [2.3.16] ὁ δὲ [ἔτι γὰρ οἰκείως ἐχρῆτο τῷ Θηραμένει] ἀντέλεγεν ὅτι οὐκ ἐγγωροίη τοῖς πλεονεκτεῖν βουλομένοις μὴ οὐκ

ἐκποδὼν ποιεῖσθαι τοὺς ἱκανωτάτους διακωλύειν· εἰ δέ, ὅτι τριάκοντά ἐσμεν καὶ οὐχ εἷς, ἡττόν τι οἶει ὥσπερ τυραννίδος ταύτης τῆς ἀρχῆς χρῆναι ἐπιμελεῖσθαι, εὐήθης εἶ. [2.3.17] ἐπεὶ δέ, ἀποθνησκόντων πολλῶν καὶ ἀδίκως, πολλοὶ δῆλοι ἦσαν συνιστάμενοί τε καὶ θαυμάζοντες τί ἔσοιτο ἢ πολιτεία, πάλιν ἔλεγεν ὁ Θηραμένης ὅτι εἰ μὴ τις κοινωνοὺς ἱκανοὺς λήψοιτο τῶν πραγμαμάτων, ἀδύνατον ἔσοιτο τὴν ὀλιγαρχίαν διαμένειν. [2.3.18] ἐκ τούτου μέντοι Κριτίας καὶ οἱ ἄλλοι τριάκοντα, ἤδη φοβούμενοι καὶ οὐχ ἥκιστα τὸν Θηραμένην, μὴ συρρυσθῆσαν πρὸς αὐτὸν οἱ πολῖται, καταλέγουσι τρισχιλίους τοὺς μεθέξοντας δὴ τῶν πραγμάτων· [2.3.19] ὁ δ' αὖ Θηραμένης καὶ πρὸς ταῦτα ἔλεγεν ὅτι ἄτοπαν δοκοίη ἑαυτῷ γε εἶναι τὸ πρῶτον μὲν βουλομένους τοὺς βελτίστους τῶν πολιτῶν κοινωνοὺς ποιήσασθαι τρισχιλίους, ὥσπερ τὸν ἀριθμὸν τοῦτον ἔχοντά τινα ἀνάγκην καλοὺς καὶ ἀγαθοὺς εἶναι, καὶ οὗτ' ἔξω τούτων σπουδαίους οὗτ' ἐντὸς τούτων πονηροὺς οἷόν τε εἶη γενέσθαι· ἔπειτα δ', ἔφη, ὁρῶ ἔγωγε δύο ἡμᾶς τὰ ἐναντιώτατα πράττοντας, βάϊαν τε τὴν ἀρχὴν καὶ ἡττονα τῶν ἀρχομένων κατασκευαζομένους. [2.3.20] ὁ μὲν ταῦτ' ἔλεγεν. οἱ δ' ἐξέτασιν ποιήσαντες τῶν μὲν τρισχιλίων ἐν τῇ ἀγορᾷ, τῶν δ' ἔξω τοῦ καταλόγου ἄλλων ἀλλαχοῦ, ἔπειτα κελεύσαντες ἐπὶ τὰ ὄπλα, ἐν ᾧ ἐκείνοι ἀπεληλύθεσαν πέμψαντες τοὺς φρουροὺς καὶ τῶν πολιτῶν τοὺς ὁμογνώμονας αὐτοῖς τὰ ὄπλα πάντων πλὴν τῶν τρισχιλίων παρείλοντο, καὶ ἀνακομίσαντες ταῦτα εἰς τὴν ἀκρόπολιν συνέθηκαν ἐν τῷ ναδί. [2.3.21] τούτων δέ γενομένων, ὥς ἐξὸν ἤδη ποιεῖν αὐτοῖς ὃ τι βούλοιντο, πολλοὺς μὲν ἔχθρας ἔνεκα ἀπέκτεινον, πολλοὺς δὲ χρημάτων. ἔδοξε δ' αὐτοῖς, ὅπως ἔχοιεν καὶ τοῖς φρουροῖς χρήματα διδόναι, καὶ τῶν μετοίκων ἓνα ἕκαστον λαβεῖν, καὶ αὐτοὺς μὲν ἀποκτείνειν, τὰ δὲ χρήματα αὐτῶν ἀποσημήνασθαι. [2.3.22] ἐκέλευον δὲ καὶ τὸν Θηραμένην λαβεῖν ὄντινα βούλοιο. ὁ δ' ἀπεκρίνατο· Ἀλλ' οὐ δοκεῖ μοι, ἔφη, καλὸν εἶναι φάσκοντας βελτίστους εἶναι ἀδικώτερα τῶν συκοφαντῶν ποιεῖν. ἐκείνοι μὲν γὰρ παρ' ὧν χρήματα λαμβάνοιεν ζῆν εἶων, ἡμεῖς δὲ ἀποκτενοῦμεν μηδὲν ἀδικούντας, ἵνα χρήματα λαμβάνωμεν; πῶς οὐ ταῦτα τῷ παντὶ ἐκείνων ἀδικώτερα; [2.3.23] οἱ δ' ἐμποδῶν νομίζοντες αὐτὸν εἶναι τῷ ποιεῖν ὃ τι βούλοιντο, ἐπιβουλεύουσιν αὐτῷ, καὶ ἰδίαι πρὸς τοὺς βουλευτὰς ἄλλος πρὸς ἄλλον διέβαλλον ὥς λυμαινόμενον τὴν πολιτείαν. καὶ παραγγέλαντες νεανίσκοις οἱ ἐδόκουν αὐτοῖς θρασύτατοι εἶναι ξιφίδια ὑπὸ μάλης ἔχοντας

παραγενέσθαι, συνέλεξαν τὴν βουλήν. [2.3.24] ἐπεὶ δὲ ὁ Θηραμένης παρῆν, ἀναστὰς ὁ Κριτίας ἔλεξεν ὧδε.

ἽΩ ἄνδρες βουλευταί, εἰ μὲν τις ὑμῶν νομίζει πλείους τοῦ καιροῦ ἀποθνήσκειν, ἐννοησάτω ὅτι ὅπου πολιτεία μεθίστανται πανταχοῦ ταῦτα γίγνεται· πλείστους δὲ ἀνάγκη ἐνθάδε πολεμίους εἶναι τοῖς εἰς ὀλιγαρχίαν μεθιστάσιν διὰ τε τὸ πολυανθρωποτάτην τῶν Ἑλληνίδων τὴν πόλιν εἶναι καὶ διὰ τὸ πλείστον χρόνον ἐν ἐλευθερίᾳ τὸν δῆμον τεθράφθαι. [2.3.25] ἡμεῖς δὲ γνόντες μὲν τοῖς οἷοις ἡμῖν τε καὶ ὑμῖν χαλεπὴν πολιτείαν εἶναι δημοκρατίαν, γνόντες δὲ ὅτι Λακεδαιμονίοις τοῖς περισώσασιν ἡμᾶς ὁ μὲν δῆμος οὐποτ' ἂν φίλος γένοιτο, οἱ δὲ βέλτιστοι αἰεὶ ἂν πιστοὶ διατελοῖεν, διὰ ταῦτα σὺν τῇ Λακεδαιμονίων γνώμῃ τήνδε τὴν πολιτείαν καθίσταμεν. [2.3.26] καὶ ἐάν τινα αἰσθανώμεθα ἐναντίον τῇ ὀλιγαρχίᾳ, ὅσον δυνάμεθα ἐκποδῶν ποιούμεθα· πολὺ δὲ μάλιστα δοκεῖ ἡμῖν δίκαιον εἶναι, εἴ τις ἡμῶν αὐτῶν λυμαίνεται ταύτῃ τῇ καταστάσει, δίκην αὐτὸν διδόναι. [2.3.27] νῦν οὖν αἰσθανόμεθα Θηραμένην τουτονὶ οἷς δύναται ἀπολλύντα ἡμᾶς τε καὶ ὑμᾶς. ὥς δὲ ταῦτα ἀληθῆ, ἂν κατανοῆτε, εὐρήσετε οὔτε ψέγοντα οὐδένα μᾶλλον Θηραμένους τουτοῦ τὰ παρόντα οὔτε ἐναντιούμενον, ὅταν τινὰ ἐκποδῶν βουλώμεθα ποιήσασθαι τῶν δημαγωγῶν. εἰ μὲν τοίνυν ἐξ ἀρχῆς ταῦτα ἐγίγνωσκε, πολέμιος μὲν ἦν, οὐ μέντοι πονηρός γ' ἂν δικαίως ἐνομίζετο· [2.3.28] νῦν δὲ αὐτὸς μὲν ἄρξας τῆς πρὸς Λακεδαιμονίους πίστεως καὶ φιλίας, αὐτὸς δὲ τῆς τοῦ δήμου καταλύσεως, μάλιστα δὲ ἐξορμήσας ὑμᾶς τοῖς πρώτοις ὑπαγομένοις εἰς ὑμᾶς δίκην ἐπιτιθέναι, νῦν ἐπεὶ καὶ ὑμεῖς καὶ ἡμεῖς φανερώς ἐχθροὶ τῷ δήμῳ γεγενήμεθα, οὐκέτ' αὐτῷ τὰ γιγνόμενα ἀρέσκει, ὅπως αὐτὸς μὲν αὖ ἐν τῷ ἀσφαλεῖ καταστῇ, ἡμεῖς δὲ δίκην δῶμεν τῶν πεπραγμένων. [2.3.29] ὥστε οὐ μόνον ὥς ἐχθρῷ αὐτῷ προσήκει ἀλλὰ καὶ ὥς προδότῃ ὑμῶν τε καὶ ἡμῶν διδόναι τὴν δίκην. καίτοι τοσούτῳ μὲν δεινότερον προδοσία πολέμου, ὅσωι χαλεπώτερον φυλάσσασθαι τὸ ἀφανὲς τοῦ φανεροῦ, τοσούτῳ δ' ἐχθιον, ὅσωι πολεμίῳ μὲν ἄνθρωποι καὶ σπένδονται καὶ αὐθις πιστοὶ γίνονται, ὃν δ' ἂν προδιδόντα λαμβάνωσι, τούτῳ οὔτε ἐσπείσατο πώποτε οὐδεὶς οὐτ' ἐπίστευσε τοῦ λοιποῦ. [2.3.30] ἵνα δὲ εἰδῆτε ὅτι οὐ καὶ τὰ ταῦτα οὗτος ποιεῖ, ἀλλὰ φύσει προδότης ἐστίν, ἀναμνήσω ὑμᾶς τὰ τούτῳ πεπραγμένα. οὗτος γὰρ ἐξ ἀρχῆς μὲν τιμώμενος ὑπὸ τοῦ δήμου κατὰ τὸν πατέρα Ἄγνωνά, προπετέστατος ἐγένετο τὴν δημοκρατίαν μεταστῆσαι εἰς τοὺς τετρακοσίους, καὶ

ἐπρώτευν ἐν ἐκείνοις. ἐπεὶ δ' ἦσθετο ἀντίπαλόν τι τῇ ὀλιγαρχίᾳ συνιστάμενον, πρῶτος αὖ ἡγεμὼν τῷ δήμῳ ἐπ' ἐκείνους ἐγένετο· [2.3.31] ὅθεν δήπου καὶ κόθορνος ἐπικαλεῖται. [καὶ γὰρ ὁ κόθορνος ἀρμόττειν μὲν τοῖς ποσὶν ἀμφοτέροις δοκεῖ, ἀποβλέπει δὲ ἀπ' ἀμφοτέρων.] δεῖ δέ, ὦ Θηράμενες, ἄνδρα τὸν ἄξιον ζῆν οὐ προάγειν μὲν δεινὸν εἶναι εἰς πράγματα τοὺς συνόντας, ἂν δέ τι ἀντικόπτη, εὐθὺς μεταβάλλεσθαι, ἀλλ' ὥσπερ ἐν νηὶ διαπονεῖσθαι, ἕως ἂν εἰς οὔρον καταστῶσιν· εἰ δὲ μή, πῶς ἂν ἀφίκοντό ποτε ἔνθα δεῖ, εἰ ἐπειδάν τι ἀντικόπῃ, εὐθὺς εἰς τάναντία πλέοιεν; [2.3.32] καὶ εἰσὶ μὲν δήπου πᾶσαι μεταβολαὶ πολιτειῶν θανατηφόροι, σὺ δὲ διὰ τὸ εὐμετάβολος εἶναι πλείστοις μὲν μετὰίτιος εἶ ἐξ ὀλιγαρχίας ὑπὸ τοῦ δήμου ἀπολωλέναι, πλείστοις δ' ἐκ δημοκρατίας ὑπὸ τῶν βελτιόνων. οὗτος δέ τοι ἐστὶν ὃς καὶ ταχθεὶς ἀνελέσθαι ὑπὸ τῶν στρατηγῶν τοὺς καταδύντας Ἀθηναίων ἐν τῇ περὶ Λέσβον ναυμαχίᾳ αὐτὸς οὐκ ἀνελόμενος ὅμως τῶν στρατηγῶν κατηγορῶν ἀπέκτεινεν αὐτούς, ἵνα αὐτὸς περισωθῇ. [2.3.33] ὅστις γε μὴν φανερός ἐστι τοῦ μὲν πλεονεκτεῖν αἰεὶ ἐπιμελόμενος, τοῦ δὲ καλοῦ καὶ τῶν φίλων μηδὲν ἐντρεπόμενος, πῶς τούτου χρή ποτε φείσασθαι; πῶς δὲ οὐ φυλάσσασθαι, εἰδότας αὐτοῦ τὰς μεταβολάς, ὥς μὴ καὶ ἡμᾶς ταὐτὸ δυνασθῇ ποιῆσαι; ἡμεῖς οὖν τοῦτον ὑπάγομεν καὶ ὥς ἐπιβουλευόντα καὶ ὥς προδιδόντα ἡμᾶς τε καὶ ὑμᾶς. ὥς δ' εἰκότα ποιοῦμεν, καὶ τάδ' ἐννοήσατε. [2.3.34] καλλίστη μὲν γὰρ δήπου δοκεῖ πολιτεία εἶναι ἡ Λακεδαιμονίων· εἰ δὲ ἐκείνῃ ἐπιχειρήσειέ τις τῶν ἐφόρων ἀντί τοῦ τοῖς πλείοσι πείθεσθαι ψέγειν τε τὴν ἀρχὴν καὶ ἐναντιοῦσθαι τοῖς πραττομένοις, οὐκ ἂν οἴεσθε αὐτὸν καὶ ὑπ' αὐτῶν τῶν ἐφόρων καὶ ὑπὸ τῆς ἄλλης ἀπάσης πόλεως τῆς μεγίστης τιμωρίας ἀξιωθῆναι; καὶ ὑμεῖς οὖν, ἐὰν σωφρονῆτε, οὐ τούτου ἀλλ' ὑμῶν αὐτῶν φείσεσθαι, ὥς οὗτος σωθεὶς μὲν πολλοὺς ἂν μέγα φρονεῖν ποιήσῃ τῶν ἐναντία γινωσκόντων ὑμῖν, ἀπολόμενος δὲ πάντων καὶ τῶν ἐν τῇ πόλει καὶ τῶν ἔξω ὑποτέμῳι ἂν τὰς ἐλπίδας.

[2.3.35] Ὁ μὲν ταῦτ' εἰπὼν ἐκαθέζετο· Θηραμένης δὲ ἀναστὰς ἔλεξεν· Ἀλλὰ πρῶτον μὲν μνησθήσομαι, ὦ ἄνδρες, ὃ τελευταῖον κατ' ἐμοῦ εἶπε. φησὶ γάρ με τοὺς στρατηγοὺς ἀποκτεῖναι κατηγοροῦντα. ἐγὼ δὲ οὐκ ἤρχον δήπου τοῦ κατ' ἐκείνων λόγου, ἀλλ' ἐκείνοι ἔφασαν προσταχθέν μοι ὑφ' ἐαυτῶν οὐκ ἀνελέσθαι τοὺς δυστυχοῦντας ἐν τῇ περὶ Λέσβον ναυμαχίᾳ. ἐγὼ δὲ ἀπολογούμενος ὥς διὰ τὸν χειμῶνα οὐδὲ πλεῖν, μὴ ὅτι ἀναιρεῖσθαι τοὺς ἄνδρας

δυνατὸν ἦν, ἔδοξα τῇ πόλει εἰκότα λέγειν, ἐκεῖνοι δ' ἑαυτῶν κατηγορεῖν ἐφαίνοντο. φάσκοντες γὰρ οἷόν τε εἶναι σῶσαι τοὺς ἄνδρας, προέμενοι ἀπολέσθαι αὐτοὺς ἀποπλέοντες ὠχοντο. [2.3.36] οὐ μέντοι θαυμάζω γε τὸ Κριτίαν <παρανενομηκέναι>· ὅτε γὰρ ταῦτα ἦν, οὐ παρῶν ἐτύγγανεν, ἀλλ' ἐν Θετταλίας μετὰ Προμηθέως δημοκρατίαν κατεσκεύαζε καὶ τοὺς πενέστας ὠπλίζεν ἐπὶ τοὺς δεσπότας. [2.3.37] ὧν μὲν οὖν οὗτος ἐκεῖ ἔπραττε μηδὲν ἐνθάδε γένοιτο· τάδε γε μέντοι ὁμολογῶ ἐγὼ τούτῳ, εἴ τις ὑμᾶς μὲν τῆς ἀρχῆς βούλεται παῦσαι, τοὺς δ' ἐπιβουλευοντας ὑμῖν ἰσχυροὺς ποιεῖ, δίκαιον εἶναι τῆς μεγίστης αὐτὸν τιμωρίας τυγχάνειν· ὅστις μέντοι ὁ ταῦτα πράττων ἐστὶν οἶμαι ἂν ὑμᾶς κάλλιστα κρίνειν, τά τε πεπραγμένα καὶ ἃ νῦν πράττει ἕκαστος ἡμῶν εἰ κατανοήσετε. [2.3.38] οὐκοῦν μέχρι μὲν τοῦ ὑμᾶς τε καταστῆναι εἰς τὴν βουλείαν καὶ ἀρχὰς ἀποδειχθῆναι καὶ τοὺς ὁμολογουμένως συκοφάντας ὑπάγεσθαι πάντες ταῦτα ἐγινώσκομεν· ἐπεὶ δέ γε οὗτοι ἤρξαντο ἄνδρας καλοὺς τε κάγαθοὺς συλλαμβάνειν, ἐκ τούτου καὶ γὰρ ἡρξάμην τάναντία τούτοις γινώσκειν. [2.3.39] ἥιδειν γὰρ ὅτι ἀποθνήσκοντος μὲν Λέοντος τοῦ Σαλαμίνιου, ἀνδρὸς καὶ ὄντος καὶ δοκοῦντος ἱκανοῦ εἶναι, ἀδικοῦντος δ' οὐδὲ ἓν, οἱ ὅμοιοι τούτῳ φοβήσονται, φοβούμενοι δὲ ἐναντίῳ τῇδε τῇ πολιτείᾳ ἔσονται· ἐγινώσκον δὲ ὅτι συλλαμβανομένου Νικηράτου τοῦ Νικίου, καὶ πλουσίου καὶ οὐδὲν πώποτε δημοτικὸν οὔτε αὐτοῦ οὔτε τοῦ πατρὸς πράξαντος, οἱ τούτῳ ὅμοιοι δυσμενεῖς ἡμῖν γενήσονται. [2.3.40] ἀλλὰ μὴν καὶ Ἀντιφῶντος ὑφ' ἡμῶν ἀπολλυμένου, ὃς ἐν τῷ πολέμῳ δύο τριῆρεις εὖ πλεούσας παρείχετο, ἠπιστάμην ὅτι καὶ οἱ πρόθυμοι τῇ πόλει γεγεννημένοι πάντες ὑπόπτως ἡμῖν ἔξοιεν. [2.3.41] ἀντεῖπον δὲ καὶ ὅτε τῶν μετοίκων ἓνα ἕκαστον λαβεῖν ἔφασαν χρῆναι· εὐδηλον γὰρ ἦν ὅτι τούτων ἀπολομένων καὶ οἱ μέτοικοι ἅπαντες πολέμιοι τῇ πολιτείᾳ ἔσονται. ἀντεῖπον δὲ καὶ ὅτε τὰ ὅπλα τοῦ πλήθους παρηροῦντο, οὐ νομίζων χρῆναι ἀσθενῇ τὴν πόλιν ποιεῖν· οὐδὲ γὰρ τοὺς Λακεδαιμονίους ἐώρων τούτου ἕνεκα βουλομένους περισῶσαι ἡμᾶς, ὅπως ὀλίγοι γενόμενοι μηδὲν δυναίμεθ' αὐτοὺς ὠφελεῖν· ἐξῆν γὰρ αὐτοῖς, εἰ τούτου γε δέοιντο, καὶ μηδένα λιπεῖν ὀλίγον ἔτι χρόνον τῷ λιμῷ πιέσαντας. [2.3.42] οὐδέ γε τὸ φρουροὺς μισθοῦσθαι συνήρεσκέ μοι, ἐξὸν αὐτῶν τῶν πολιτῶν τοσοῦτους προσλαμβάνειν, ἕως ραιδίως ἐμέλλομεν οἱ ἄρχοντες τῶν ἀρχομένων κρατήσειν. ἐπεὶ γε μὴν πολλοὺς ἐώρων ἐν τῇ πόλει τῇ ἀρχῇ τῇδε δυσμενεῖς,

πολλοὺς δὲ φυγάδας γιγνομένους, οὐκ αὖ ἐδόκει μοι οὔτε Θρασύβουλον οὔτε Ἄνυτον οὔτε Ἀλκιβιάδην φυγαδεύειν· ἦιδειν γὰρ ὅτι οὕτω γε τὸ ἀντίπαλον ἰσχυρὸν ἔσοιτο, εἰ τῷ μὲν πλήθει ἡγεμόνες ἱκανοὶ προσγενήσονται, [2.3.43] τοῖς δ' ἡγεῖσθαι βουλομένοις σύμμαχοι πολλοὶ φανήσονται. ὁ ταῦτα οὖν νουθετῶν ἐν τῷ φανερωδί ποτέρα εὐμενῆς ἂν δικαίως ἢ προδότης νομίζοιτο; οὐχ οἱ ἐχθροὺς, ὧς Κριτία, κωλύοντες πολλοὺς ποιεῖσθαι, οὐδ' οἱ συμμάχους πλείστους διδάσκοντες κτᾶσθαι, οὗτοι τοὺς πολεμίους ἰσχυροὺς ποιοῦσιν, ἀλλὰ πολὺ μᾶλλον οἱ ἀδίκως τε χρήματα ἀφαιρούμενοι καὶ τοὺς οὐδὲν ἀδικοῦντας ἀποκτείνοντες, οὗτοί εἰσιν οἱ καὶ πολλοὺς τοὺς ἐναντίους ποιοῦντες καὶ προδιδόντες οὐ μόνον τοὺς φίλους ἀλλὰ καὶ ἑαυτοὺς δι' αἰσχροκέρδειαν. [2.3.44] εἰ δὲ μὴ ἄλλως γνωστὸν ὅτι ἀληθῆ λέγω, ὧδε ἐπισκέψασθε. πότερον οἴεσθε Θρασύβουλον καὶ Ἄνυτον καὶ τοὺς ἄλλους φυγάδας ἢ ἐγὼ λέγω μᾶλλον ἂν ἐνθάδε βούλεσθαι γίγνεσθαι ἢ ἢ οὗτοι πράττουσιν; ἐγὼ μὲν γὰρ οἶμαι νῦν μὲν αὐτοὺς νομίζειν συμμάχων πάντα μεστὰ εἶναι· εἰ δὲ τὸ κράτιστον τῆς πόλεως προσφιλῶς ἡμῖν εἶχε, χαλεπὸν ἂν ἡγεῖσθαι εἶναι καὶ τὸ ἐπιβαίνειν ποι τῆς χώρας. [2.3.45] ἢ δ' αὖ εἶπεν ὡς ἐγὼ εἰμι οἶος ἀεὶ ποτε μεταβάλλεσθαι, κατανοήσατε καὶ ταῦτα. τὴν μὲν γὰρ ἐπὶ τῶν τετρακοσίων πολιτείαν καὶ αὐτὸς δήπου ὁ δῆμος ἐψηφίσατο, διδασκόμενος ὡς οἱ Λακεδαιμόνιοι πάσῃ πολιτείᾳ μᾶλλον ἂν ἢ δημοκρατίᾳ πιστεύσειαν. [2.3.46] ἐπεὶ δὲ γε ἐκεῖνοι μὲν οὐδὲν ἀνέισαν, οἱ δὲ ἀμφὶ Ἀριστοτέλην καὶ Μελάνθιον καὶ Ἀρίσταρχον στρατηγοῦντες φανεροὶ ἐγένοντο ἐπὶ τῷ χώματι ἔρυμα τειχίζοντες, εἰς ὃ ἐβούλοντο τοὺς πολεμίους δεξάμενοι ὑφ' αὐτοῖς καὶ τοῖς ἐταίροις τὴν πόλιν ποιήσασθαι, εἰ ταῦτ' αἰσθόμενος ἐγὼ διεκώλυσα, τοῦτ' ἐστὶ προδότην εἶναι τῶν φίλων; [2.3.47] ἀποκαλεῖ δὲ κόθορνόν με, ὡς ἀμφοτέροις πειρώμενον ἀπμόττειν. ὅστις δὲ μηδετέροις ἀρέσκει, τοῦτον ὦ πρὸς τῶν θεῶν τί ποτε καὶ καλέσαι χρή; σὺ γὰρ δὴ ἐν μὲν τῇ δημοκρατίᾳ πάντως μισοδημότατος ἐνομίζου, ἐν δὲ τῇ ἀριστοκρατίᾳ πάντων μισοχρηστότατος γεγέννησαι. [2.3.48] ἐγὼ δ', ὧς Κριτία, ἐκείνοις μὲν ἀεὶ ποτε πολεμῶ τοῖς οὐ πρόσθεν οἰομένοις καλὴν ἂν δημοκρατίαν εἶναι, πρὶν [ἂν] καὶ οἱ δοῦλοι καὶ οἱ δι' ἀπορίαν δραχμῆς ἂν ἀποδόμενοι τὴν πόλιν <δραχμῆς> μετέχοιεν, καὶ τοῖσδέ γ' αὖ ἀεὶ ἐναντίος εἰμι οἱ οὐκ οἶονται καλὴν ἂν ἐγγενέσθαι ὀλιγαρχίαν, πρὶν [ἂν] εἰς τὸ ὑπ' ὀλίγων τυραννεῖσθαι τὴν πόλιν καταστήσειαν. τὸ μέντοι σὺν τοῖς δυναμένοις καὶ μεθ' ἵππων καὶ μετ'

ἀσπίδων ὠφελεῖν διὰ τούτων τὴν πολιτείαν πρόσθεν ἄριστον ἡγούμην εἶναι καὶ νῦν οὐ μεταβάλλομαι. [2.3.49] εἰ δ' ἔχεις εἰπεῖν, ὦ Κριτία, ὅπου ἐγὼ σὺν τοῖς δημοτικοῖς ἢ τυραννικοῖς τοὺς καλοὺς τε κάγαθοὺς ἀποστερεῖν πολιτείας ἐπεχείρησα, λέγε· ἐὰν γὰρ ἐλεγχθῶ ἢ νῦν ταῦτα πράττων ἢ πρότερον πάποτε πεπονηκώς, ὁμολογῶ τὰ πάντων ἔσχατα παθὼν ἂν δικαίως ἀποθνήσκειν.

[2.3.50] Ὡς δ' εἰπὼν ταῦτα ἐπαύσατο, καὶ ἡ βουλὴ δῆλη ἐγένετο εὐμενῶς ἐπιθορυβήσασα, γνοὺς ὁ Κριτίας ὅτι εἰ ἐπιτρέψοι τῇ βουλῇ διαψηφίζεσθαι περὶ αὐτοῦ, ἀναφεύξοιτο, καὶ τοῦτο οὐ βιωτὸν ἡγησάμενος, προσελθὼν καὶ διαλεχθεὶς τι τοῖς τριάκοντα ἐξῆλθε, καὶ ἐπιστῆναι ἐκέλευσε τοὺς τὰ ἐγγχειρίδια ἔχοντας φανερῶς τῇ βουλῇ ἐπὶ τοῖς δρυφάκτοις. [2.3.51] πάλιν δὲ εἰσελθὼν εἶπεν· Ἐγὼ, ὦ βουλή, νομίζω προστάτου ἔργον εἶναι οἴου δεῖ, ὃς ἂν ὀρῶν τοὺς φίλους ἐξαπατωμένους μὴ ἐπιτρέπηι. καὶ ἐγὼ οὖν τοῦτο ποιήσω. καὶ γὰρ οἶδε οἱ ἐφεστηκότες οὐ φασιν ἡμῖν ἐπιτρέψειν, εἰ ἀνήσομεν ἄνδρα τὸν φανερῶς τὴν ὀλιγαρχίαν λυμαινόμενον. ἔστι δὲ ἐν τοῖς καινοῖς νόμοις τῶν μὲν ἐν τοῖς τρισχιλίοις ὄντων μηδὲνα ἀποθνήσκειν ἄνευ τῆς ὑμετέρας ψήφου, τῶν δ' ἔξω τοῦ καταλόγου κυρίους εἶναι τοὺς τριάκοντα θανατοῦν. ἐγὼ οὖν, ἔφη, Θηραμένην τουτονὶ ἐξαλείφω ἐκ τοῦ καταλόγου, συνδοκοῦν ἅπασιν ἡμῖν. καὶ τοῦτον, ἔφη, ἡμεῖς θανατοῦμεν. [2.3.52] ἀκούσας ταῦτα ὁ Θηραμένης ἀνεπήδησεν ἐπὶ τὴν ἐστίαν καὶ εἶπεν· Ἐγὼ δ', ἔφη, ὦ ἄνδρες, ἰκετεύω τὰ πάντων ἐννομώτατα, μὴ ἐπὶ Κριτία εἶναι ἐξαλείφειν μήτε ἐμὲ μήτε ὑμῶν ὃν ἂν βούληται, ἀλλ' ὄνπερ νόμον οὗτοι ἔγραψαν περὶ τῶν ἐν τῷ καταλόγῳ, κατὰ τοῦτον καὶ ὑμῖν καὶ ἐμοὶ τὴν κρίσιν εἶναι. [2.3.53] καὶ τοῦτο μὲν, ἔφη, μὰ τοὺς θεοὺς οὐκ ἄγνοῶ, ὅτι οὐδὲν μοι ἀρκέσει ὃδε ὁ βωμός, ἀλλὰ βούλομαι καὶ τοῦτο ἐπιδεῖξαι, ὅτι οὗτοι οὐ μόνον εἰσὶ περὶ ἀνθρώπους ἀδικώτατοι, ἀλλὰ καὶ περὶ θεοὺς ἀσεβέστατοι. ὑμῶν μέντοι, ἔφη, ὦ ἄνδρες, καλοὶ κάγαθοί, θαυμάζω, εἰ μὴ βοηθήσετε ὑμῖν αὐτοῖς, καὶ ταῦτα γιγνώσκοντες ὅτι οὐδὲν τὸ ἐμὸν ὄνομα εὐεξαλειπτότερον ἢ τὸ ὑμῶν ἐκάστου. [2.3.54] ἐκ δὲ τούτου ἐκέλευσε μὲν ὁ τῶν τριάκοντα κῆρυξ τοὺς ἑνδεκα ἐπὶ τὸν Θηραμένην· ἐκεῖνοι δὲ εἰσελθόντες σὺν τοῖς ὑπηρέταις, ἡγουμένου αὐτῶν Σατύρου τοῦ θρασυτάτου τε καὶ ἀναιδεστάτου, εἶπε μὲν ὁ Κριτίας· Παραδίδομεν ὑμῖν, ἔφη, Θηραμένην τουτονὶ κατακεκριμένον κατὰ τὸν νόμον· [2.3.55] ὑμεῖς δὲ λαβόντες καὶ ἀπαγαγόντες οἱ ἑνδεκα οὗ δειτὰ ἐκ τούτων πράττετε. ὥς δὲ ταῦτα εἶπεν, εἴλκε μὲν ἀπὸ τοῦ βωμοῦ ὁ

Σάτυρος, εἶλκον δὲ οἱ ὑπηρεταί. ὁ δὲ Θηραμένης ὥσπερ εἰκὸς καὶ θεοὺς ἐπεκαλεῖτο καὶ ἀνθρώπους καθορᾶν τὰ γινόμενα. ἡ δὲ βουλὴ ἡσυχίαν εἶχεν, ὁρῶσα καὶ τοὺς ἐπὶ τοῖς δρυφάκτοις ὁμοίους Σατύρῳ καὶ τὸ ἔμπροσθεν τοῦ βουλευτηρίου πληρὲς τῶν φρουρῶν, καὶ οὐκ ἀγνοοῦντες ὅτι ἐγχειρίδια ἔχοντες παρήσαν. [2.3.56] οἱ δ' ἀπήγαγον τὸν ἄνδρα διὰ τῆς ἀγορᾶς μάλα μεγάλην τῇ φωνῇ δηλοῦντα οἷα ἐπασχε. λέγεται δ' ἐν ῥῆμα καὶ τοῦτο αὐτοῦ. ὥς εἶπεν ὁ Σάτυρος ὅτι οἰμῶξοιτο, εἰ μὴ σιωπήσειεν, ἐπήρετο· Ἄν δὲ σιωπῶ, οὐκ ἄρ', ἔφη, οἰμῶξομαι; καὶ ἐπεὶ γε ἀποθνήσκειν ἀναγκαζόμενος τὸ κώνειον ἔπιε, τὸ λειπόμενον ἔφασαν ἀποκοτταβίσαντα εἰπεῖν αὐτόν· Κριταῖα τοῦτ' ἔστω τῷ καλῷ. καὶ τοῦτο μὲν οὐκ ἀγνοῶ, ὅτι ταῦτα ἀποφθέγματα οὐκ ἀξιόλογα, ἐκεῖνο δὲ κρίνω τοῦ ἀνδρὸς ἀγαστόν, τὸ τοῦ θανάτου παρεστηκότος μήτε τὸ φρόνιμον μήτε τὸ παιγνιώδες ἀπολιπεῖν ἐκ τῆς ψυχῆς.

[2.4.1] Θηραμένης μὲν δὴ οὕτως ἀπέθανεν· οἱ δὲ τριάκοντα, ὥς ἐξὸν ἦδη αὐτοῖς τυραννεῖν ἀδεῶς, προεῖπον μὲν τοῖς ἔξω τοῦ καταλόγου μὴ εἰσιέναι εἰς τὸ ἄστυ, ἦγον δὲ ἐκ τῶν χωρίων, ἵν' αὐτοὶ καὶ οἱ φίλοι τοὺς τούτων ἀγροὺς ἔχοιεν. φευγόντων δὲ εἰς τὸν Πειραιᾶ καὶ ἐντεῦθεν πολλοὺς ἄγοντες ἐνέπλησαν καὶ τὰ Μέγαρα καὶ τὰς Θήβας τῶν ὑποχωρούντων.

[2.4.2] Ἐκ δὲ τούτου Θρασύβουλος ὀρμηθεὶς ἐκ Θηβῶν ὥς σὺν ἑβδομήκοντα Φυλὴν χωρίον καταλαμβάνει ἰσχυρόν. οἱ δὲ τριάκοντα ἐβοήθουν ἐκ τοῦ ἄστεως σὺν τε τοῖς τρισχιλίοις καὶ σὺν τοῖς ἱππεῦσι καὶ μάλ' εὐημερίας οὔσης. ἐπεὶ δὲ ἀφίκοντο, εὐθύς μὲν θρασυνόμενοί τινες τῶν νέων προσέβαλλον πρὸς τὸ χωρίον, καὶ ἐποίησαν μὲν οὐδέν, τραύματα δὲ λαβόντες ἀπῆλθον. [2.4.3] βουλομένων δὲ τῶν τριάκοντα ἀποτειχίζειν, ὅπως ἐκπολιορκήσειαν αὐτοὺς ἀποκλείσαντες τὰς ἐφόδους τῶν ἐπιτηδείων, ἐπιγίγνεται τῆς νυκτὸς χιὼν παμπλήθης καὶ τῇ ὑστεραίᾳ. οἱ δὲ νιφόμενοι ἀπῆλθον εἰς τὸ ἄστυ, μάλα συχνοὺς τῶν σκευοφόρων ὑπὸ τῶν ἐκ Φυλῆς ἀποβαλόντες. [2.4.4] γινώσκοντες δὲ ὅτι καὶ ἐκ τῶν ἀγρῶν λεηλατήσοιεν, εἰ μὴ τις φυλακὴ ἔσοιτο, διαπέμπουσιν εἰς τὰς ἐσχατίας ὅσον πεντεκαίδεκα στάδια ἀπὸ Φυλῆς τοὺς τε Λακωνικοὺς πλὴν ὀλίγων φρουροὺς καὶ τῶν ἱπέων δύο φυλάς. οὗτοι δὲ στρατοπεδευσάμενοι ἐν χωρίῳ λασίῳ ἐφύλαττον. [2.4.5] ὁ δὲ Θρασύβουλος, ἥδη συνειλεγμένων εἰς τὴν Φυλὴν περὶ ἑπτακοσίους, λαβὼν αὐτοὺς καταβαίνει τῆς νυκτός· θέμενος δὲ τὰ ὅπλα ὅσον τρία

ἡ τέτταρα στάδια ἀπὸ τῶν φρουρῶν ἡσυχίαν εἶχεν. [2.4.6] ἐπεὶ δὲ πρὸς ἡμέραν ἐγίνετο, καὶ ἤδη ἀνίσταντο ὅποι ἐδεῖτο ἕκαστος ἀπὸ τῶν ὅπλων, καὶ οἱ ἱπποκόμοι ψήχοντες τοὺς ἵππους ψόφον ἐποιοῦν, ἐν τούτῳ ἀναλαβόντες οἱ περὶ Θρασύβουλον τὰ ὅπλα δρόμῳ προσέπιπτον· καὶ ἔστι μὲν οὖς αὐτῶν κατέβαλον, πάντας δὲ τρεψάμενοι ἐδίωξαν ἕξ ἢ ἑπτὰ στάδια, καὶ ἀπέκτειναν τῶν μὲν ὀπλιτῶν πλεον ἢ εἴκοσι καὶ ἑκατόν, τῶν δὲ ἱππέων Νικόστρατόν τε τὸν καλὸν ἐπικαλούμενον, καὶ ἄλλους δὲ δύο, ἔτι καταλαβόντες ἐν ταῖς εὐναῖς. [2.4.7] ἐπαναχωρήσαντες δὲ καὶ τροπαῖον στησάμενοι καὶ συσκευασάμενοι ὅπλα τε ὅσα ἔλαβον καὶ σκευὴ ἀπῆλθον ἐπὶ Φυλῆς. οἱ δὲ ἐξ ἄστεως ἱππεῖς βοηθήσαντες τῶν μὲν πολεμίων οὐδένα ἔτι εἶδον, προσμείναντες δὲ ἕως τοὺς νεκροὺς ἀνείλοντο οἱ προσήκοντες ἀνεχώρησαν εἰς ἄστν. [2.4.8] ἐκ δὲ τούτου οἱ τριάκοντα, οὐκέτι νομίζοντες ἀσφαλῆ σφίσι τὰ πράγματα, ἐβουλήθησαν Ἐλευσίνα ἐξιδιώσασθαι, ὥστε εἶναι σφίσι καταφυγὴν, εἰ δεήσειε. καὶ παραγγείλαντες τοῖς ἱππεῦσιν ἦλθον εἰς Ἐλευσίνα Κριτίας τε καὶ οἱ ἄλλοι τῶν τριάκοντα· ἐξέτασιν τε ποιήσαντες ἐν τοῖς ἱππεῦσι, φάσκοντες εἰδέναι βούλεσθαι πόσοι εἶεν καὶ πόσης φυλακῆς προσδεήσονται, ἐκέλευον ἀπογράφεσθαι πάντας· τὸν δὲ ἀπογραφάμενον αἰεὶ διὰ τῆς πυλίδος ἐπὶ τὴν θάλατταν ἐξίεναι. ἐπὶ δὲ τῷ αἰγιαλῷ τοὺς μὲν ἱππέας ἔνθεν καὶ ἔνθεν κατέστησαν, τὸν δ' ἐξιόντα αἰεὶ οἱ ὑπηρέται συνέδουν. ἐπεὶ δὲ πάντες συνειλημμένοι ἦσαν, Λυσίμαχον τὸν ἵππαρχον ἐκέλευον ἀναγαγόντα παραδοῦναι αὐτοὺς τοῖς ἑνδεκα. [2.4.9] τῇ δ' ὕστεραίᾳ εἰς τὸ Ὠιδεῖον παρεκάλεσαν τοὺς ἐν τῷ καταλόγῳ ὀπλίτας καὶ τοὺς ἄλλους ἱππέας. ἀναστὰς δὲ Κριτίας ἔλεξεν· Ἡμεῖς, ἔφη, ὧ ἄνδρες, οὐδὲν ἤττον ὑμῖν κατασκευάζομεν τὴν πολιτείαν ἢ ἡμῖν αὐτοῖς. δεῖ οὖν ὑμᾶς, ὥσπερ καὶ τιμῶν μεθέξετε, οὕτω καὶ τῶν κινδύνων μετέχειν. τῶν οὖν συνειλημμένων Ἐλευσινίων καταψηφιστέον ἐστίν, ἵνα ταῦτα ἡμῖν καὶ θαρρήτε καὶ φοβῆσθε. δείξας δὲ τι χωρίον, εἰς τοῦτο ἐκέλευε φανεράν φέρειν τὴν ψῆφον. [2.4.10] οἱ δὲ Λακωνικοὶ φρουροὶ ἐν τῷ ἡμίσει τοῦ Ὠιδείου ἐξωπλισμένοι ἦσαν· ἦν δὲ ταῦτα ἄρεστὰ καὶ τῶν πολιτῶν οἷς τὸ πλεονεκτεῖν μόνον ἔμελεν.

Ἐκ δὲ τούτου λαβὼν ὁ Θρασύβουλος τοὺς ἀπὸ Φυλῆς περὶ χιλίους ἤδη συνειλεγμένους, ἀφικνεῖται τῆς νυκτὸς εἰς τὸν Πειραιᾶ. οἱ δὲ τριάκοντα ἐπεὶ ἦισθοντο ταῦτα, εὐθὺς ἐβοήθουν σὺν τε τοῖς Λακωνικοῖς καὶ σὺν τοῖς ἱππεῦσι καὶ τοῖς ὀπλίταις· ἔπειτα ἐχώρουν

κατὰ τὴν εἰς τὸν Πειραιᾶ ἀμαξιτὸν ἀναφέρουσιν. [2.4.11] οἱ δὲ ἀπὸ Φυλῆς ἔτι μὲν ἐπεχείρησαν μὴ ἀνίεναι αὐτούς, ἐπεὶ δὲ μέγας ὁ κύκλος ὢν πολλῆς φυλακῆς ἐδόκει δεῖσθαι οὐπω πολλοῖς οὔσι, συνεσπειράθησαν ἐπὶ τὴν Μουνιχίαν. οἱ δ' ἐκ τοῦ ἄστεως εἰς τὴν Ἱπποδάμειον ἀγορὰν ἐλθόντες πρῶτον μὲν συνετάξαντο, ὥστε ἐμπλῆσαι τὴν ὁδὸν ἣ φέρει πρὸς τε τὸ ἱερὸν τῆς Μουνιχίας Ἀρτέμιδος καὶ τὸ Βενδίδειον· καὶ ἐγένοντο βάθος οὐκ ἔλαττον ἢ ἐπὶ πεντήκοντα ἀσπίδων. οὕτω δὲ συντεταγμένοι ἐχώρουν ἄνω. [2.4.12] οἱ δὲ ἀπὸ Φυλῆς ἀντενέπλησαν μὲν τὴν ὁδόν, βάθος δὲ οὐ πλεον ἢ εἰς δέκα ὀπίτας ἐγένοντο. ἐτάχθησαν μέντοι ἐπ' αὐτοῖς πελτοφόροι τε καὶ ψιλοὶ ἀκοντισταί, ἐπὶ δὲ τούτοις οἱ πετροβόλοι. οὗτοι μέντοι συχνοὶ ἦσαν· καὶ γὰρ αὐτόθεν προσεγένοντο. ἐν ᾧ δὲ προσῆσαν οἱ ἐναντίοι, Θρασύβουλος τοὺς μεθ' αὐτοῦ θέσθαι κελεύσας τὰς ἀσπίδας καὶ αὐτὸς θέμενος, τὰ δ' ἄλλα ὅπλα ἔχων, κατὰ μέσον στάς ἔλεξεν· [2.4.13] Ἄνδρες πολῖται, τοὺς μὲν διδάξαι, τοὺς δὲ ἀναμνῆσαι ὑμῶν βούλομαι ὅτι εἰσὶ τῶν προσιόντων οἱ μὲν τὸ δεξιὸν ἔχοντες οὓς ὑμεῖς ἡμέραν πέμπτην τρεψάμενοι ἐδιώξατε, οἱ δ' ἐπὶ τοῦ εὐωνύμου ἔσχατοι, οὗτοι δὴ οἱ τριάκοντα, οἱ ἡμᾶς καὶ πόλεως ἀπεστέρουσιν οὐδὲν ἀδικοῦντας καὶ οἰκιῶν ἐξήλαντον καὶ τοὺς φιλτάτους τῶν ἡμετέρων ἀπεσημαίνοντο. ἀλλὰ νῦν τοι παραγεγέννηται οὗ οὗτοι μὲν οὐποτε ὦιοντο, ἡμεῖς δὲ αἰεὶ ηὔχομεθα. [2.4.14] ἔχοντες γὰρ ὅπλα μὲν ἐναντίοι αὐτοῖς καθέσταμεν· οἱ δὲ θεοί, ὅτι ποτὲ καὶ δειπνοῦντες συνελαμβανόμεθα καὶ καθεύδοντες καὶ ἀγοράζοντες, οἱ δὲ καὶ οὐχ ὅπως ἀδικοῦντες, ἀλλ' οὐδ' ἐπιδημοῦντες ἐφυγαδεύομεθα, νῦν φανερώς ἡμῖν συμμαχοῦσι. καὶ γὰρ ἐν εὐδίᾳ χειμῶνα ποιοῦσιν, ὅταν ἡμῖν συμφέρῃ, καὶ ὅταν ἐγχειρῶμεν, πολλῶν ὄντων ἐναντίων ὀλίγοις οὔσι τροπαῖα ἴστασθαι διδῶσιν· [2.4.15] καὶ νῦν δὲ κεκομίσασιν ἡμᾶς εἰς χωρίον ἐν ᾧ οὗτοι μὲν οὔτε βάλλειν οὔτε ἀκοντίζειν ὑπὲρ τῶν προτεταγμένων διὰ τὸ πρὸς ὀρθιον ἰέναι δύναιντ' ἂν, ἡμεῖς δὲ εἰς τὸ κάταντες καὶ δόρατα ἀφιέντες καὶ ἀκόντια καὶ πέτρους ἐξιζόμεθά τε αὐτῶν καὶ πολλοὺς κατατρώσομεν. [2.4.16] καὶ ὦιετο μὲν ἂν τις δεήσειν τοῖς γε πρωτοστάταις ἐκ τοῦ ἴσου μάχεσθαι· νῦν δέ, ἂν ὑμεῖς, ὥσπερ προσήκει, προθύμως ἀφίητε τὰ βέλη, ἀμαρτήσεται μὲν οὐδεὶς ὢν γε μεστὴ ἡ ὁδός, φυλαττόμενοι δὲ δραπετεύουσιν αἰεὶ ὑπὸ ταῖς ἀσπίσιν· ὥστε ἐξέσται ὥσπερ τυφλοὺς καὶ τύπτειν ὅπου ἂν βουλῶμεθα καὶ ἐναλλομένους ἀνατρέπειν. [2.4.17] ἀλλ', ὦ ἄνδρες, οὕτω χρὴ ποιεῖν ὅπως ἕκαστός τις ἑαυτῷ συνείσεται τῆς νίκης

αἰτιώτατος ὢν. αὕτη γὰρ ἡμῖν, ἂν θεὸς θέλῃ, νῦν ἀποδώσει καὶ πατρίδα καὶ οἴκους καὶ ἐλευθερίαν καὶ τιμὰς καὶ παῖδας, οἷς εἰσί, καὶ γυναῖκας. ὧ μακάριοι δῆτα, οἱ ἂν ἡμῶν νικήσαντες ἐπιδώσι τὴν πασῶν ἡδίστην ἡμέραν. εὐδαίμων δὲ καὶ ἂν τις ἀποθάνῃ· μνημείου γὰρ οὐδεὶς οὕτω πλούσιος ὢν καλοῦ τεύξεται. ἐξάρξω μὲν οὖν ἐγὼ ἡνίκ' ἂν καιρὸς ᾗ παιᾶνα· ὅταν δὲ τὸν Ἐνυάλιον παρακαλέσωμεν, τότε πάντες ὁμοθυμαδὸν ἀνθ' ὧν ὑβρίσθημεν τιμωρώμεθα τοὺς ἄνδρας.

[2.4.18] Ταῦτα δ' εἰπὼν καὶ μεταστραφεὶς πρὸς τοὺς ἐναντίους, ἡσυχίαν εἶχε· καὶ γὰρ ὁ μάντις παρηγγέλλεν αὐτοῖς μὴ πρότερον ἐπιτίθεσθαι, πρὶν [ἂν] τῶν σφετέρων ἢ πέσοι τις ἢ τρωθεῖη· ἐπειδὴν μέντοι τοῦτο γένηται, ἡγησόμεθα μὲν, ἔφη, ἡμεῖς, νίκη δ' ὑμῖν ἔσται ἐπομένοις, ἐμοὶ μέντοι θάνατος, ὥς γέ μοι δοκεῖ. [2.4.19] καὶ οὐκ ἐψεύσατο, ἀλλ' ἐπεὶ ἀνέλαβον τὰ ὅπλα, αὐτὸς μὲν ὥσπερ ὑπὸ μοίρας τινὸς ἀγόμενος ἐκπηδήσας πρῶτος ἐμπεσὼν τοῖς πολεμίοις ἀποθνήσκει, καὶ τέθαιπται ἐν τῇ διαβάσει τοῦ Κηφισοῦ· οἱ δ' ἄλλοι ἐνίκων καὶ κατεδίωξαν μέχρι τοῦ ὁμαλοῦ. ἀπέθανον δ' ἐνταῦθα τῶν μὲν τριάκοντα Κριτίας τε καὶ Ἰππόμαχος, τῶν δὲ ἐν Πειραιεῖ δέκα ἀρχόντων Χαρμίδης ὁ Γλαύκωνος, τῶν δ' ἄλλων περὶ ἑβδομήκοντα. καὶ τὰ μὲν ὅπλα ἔλαβον, τοὺς δὲ χιτῶνας οὐδενὸς τῶν πολιτῶν ἐσκύλευσαν. ἐπεὶ δὲ τοῦτο ἐγένετο καὶ τοὺς νεκροὺς ὑποσπόνδους ἀπεδίδοσαν, προσιόντες ἀλλήλοις πολλοὶ διελέγοντο. [2.4.20] Κλεόκριτος δὲ ὁ τῶν μυστῶν κῆρυξ, μάλ' εὐφωνος ὢν, κατασιωπησάμενος ἔλεξεν· Ἄνδρες πολῖται, τί ἡμᾶς ἐξελαύνετε; τί ἀποκτεῖναι βούλεσθε; ἡμεῖς γὰρ ὑμᾶς κακὸν μὲν οὐδὲν πώποτε ἐποιήσαμεν, μετεσχήκαμεν δὲ ὑμῖν καὶ ἱερῶν τῶν σεμνοτάτων καὶ θυσιῶν καὶ ἑορτῶν τῶν καλλίστων, καὶ συγχορευταὶ καὶ συμφοιτητα γεγενήμεθα καὶ συστρατιῶται, καὶ πολλὰ μεθ' ὑμῶν κεκινδυνεύκαμεν καὶ κατὰ γῆν καὶ κατὰ θάλατταν ὑπὲρ τῆς κοινῆς ἀμφοτέρων ἡμῶν σωτηρίας τε καὶ ἐλευθερίας. [2.4.21] πρὸς θεῶν πατρῶιων καὶ μητρῶιων καὶ συγγενείας καὶ κηδεστίας καὶ ἐταιρίας, πάντων γὰρ τούτων πολλοὶ κοινωνοῦμεν ἀλλήλοις, αἰδούμενοι καὶ θεοὺς καὶ ἀνθρώπους παύσασθε ἁμαρτάνοντες εἰς τὴν πατρίδα, καὶ μὴ πείθεσθε τοῖς ἀνοσιωτάτοις τριάκοντα, οἱ ἰδίων κερδέων ἕνεκα ὀλίγου δεῖν πλείους ἀπεκτόνασιν Ἀθηναίων ἐν ὀκτῶ μηνσὶν ἢ πάντες Πελοποννήσιοι δέκα ἔτη πολεμοῦντες. [2.4.22] ἐξὸν δ' ἡμῖν ἐν εἰρήνῃ πολιτεύεσθαι, οὗτοι τὸν πάντων αἰσχιστόν τε καὶ χαλεπώτατον καὶ

ἀνοσιώτατον καὶ ἔχθιστον καὶ θεοῖς καὶ ἀνθρώποις πόλεμον ἡμῖν πρὸς ἀλλήλους παρέχουσιν. ἀλλ' εὖ γε μέντοι ἐπίστασθε ὅτι καὶ τῶν νῦν ὑφ' ἡμῶν ἀποθανόντων οὐ μόνον ὑμεῖς ἀλλὰ καὶ ἡμεῖς ἔστιν οὓς πολλὰ κατεδακρύσαμεν.

Ὁ μὲν τοιαῦτα ἔλεγεν· οἱ δὲ λοιποὶ ἄρχοντες καὶ διὰ τὸ τοιαῦτα προσακοῦειν τοὺς μεθ' αὐτῶν ἀπήγαγον εἰς τὸ ἄστυ. [2.4.23] τῇ δ' ὑστεραίᾳ οἱ μὲν τριάκοντα πάνυ δὴ ταπεινοὶ καὶ ἔρημοι συνεκάθηντο ἐν τῷ συνεδρίῳ· τῶν δὲ τρισχιλίων ὅπου ἕκαστοι τεταγμένοι ἦσαν, πανταχοῦ διεφέροντο πρὸς ἀλλήλους. ὅσοι μὲν γὰρ ἐπεποιήκεσάν τι βιαιότερον καὶ ἐφοβοῦντο, ἐντόνως ἔλεγον ὥς οὐ χρεῖη καθυφίεσθαι τοῖς ἐν Πειραιεῖ· ὅσοι δὲ ἐπίστευον μηδὲν ἡδίκηκεναι, αὐτοὶ τε ἀνελογίζοντο καὶ τοὺς ἄλλους ἐδίδασκον ὥς οὐδὲν δέοιντο τούτων τῶν κακῶν, καὶ τοῖς τριάκοντα οὐκ ἔφασαν χρῆναι πείθεσθαι οὐδ' ἐπιτρέπειν ἀπολλύναι τὴν πόλιν. καὶ τὸ τελευταῖον ἐψηφίσαντο ἐκείνους μὲν καταπαῦσαι, ἄλλους δὲ ἐλέσθαι. καὶ εἵλοντο δέκα, ἓνα ἀπὸ φυλῆς.

[2.4.24] Καὶ οἱ μὲν τριάκοντα Ἐλευσινάδε ἀπῆλθον· οἱ δὲ δέκα τῶν ἐν ἄστει καὶ μάλα τεταραγμένων καὶ ἀπιστούντων ἀλλήλοις σὺν τοῖς ἱπάρχοις ἐπεμέλοντο. ἐξεκάθευδον δὲ καὶ οἱ ἱππεῖς ἐν τῷ Ὠιδείῳ, τοὺς τε ἵππους καὶ τὰς ἀσπίδας ἔχοντες, καὶ δι' ἀπιστίαν ἐφώδευον τὸ μὲν ἅφ' ἐσπέρας σὺν ταῖς ἀσπίσι κατὰ τεῖχῃ, τὸ δὲ πρὸς ὄρθρον σὺν τοῖς ἵπποις, αἰεὶ φοβούμενοι μὴ ἐπεισπέσοιεν τινες αὐτοῖς τῶν ἐκ τοῦ Πειραιῶς. [2.4.25] οἱ δὲ πολλοὶ τε ἤδη ὄντες καὶ παντοδαποί, ὅπλα ἐποιοῦντο, οἱ μὲν ξύλινα, οἱ δὲ οἰσύινα, καὶ ταῦτα ἐλευκοῦντο. πρὶν δὲ ἡμέρας δέκα γενέσθαι, πιστὰ δόντες, οἵτινες συμπολεμήσειαν, καὶ εἰ ξένοι εἶεν, ἰστοτέλειαν ἔσεσθαι, ἐξῆσαν πολλοὶ μὲν ὀπλῖται, πολλοὶ δὲ γυμνήτες· ἐγένοντο δὲ αὐτοῖς καὶ ἱππεῖς ὥσει ἐβδομήκοντα· προνομὰς δὲ ποιούμενοι, καὶ λαμβάνοντες ξύλα καὶ ὀπώραν, ἐκάθευδον πάλιν ἐν Πειραιεῖ. [2.4.26] τῶν δ' ἐκ τοῦ ἄστεως ἄλλος μὴν οὐδεὶς σὺν ὅπλοις ἐξήκει, οἱ δὲ ἱππεῖς ἔστιν ὅτε καὶ ληιστὰς ἐχειροῦντο τῶν ἐκ τοῦ Πειραιῶς, καὶ τὴν φάλαγγα αὐτῶν ἐκακούργουν. περιέτυχον δὲ καὶ τῶν Αἰζωνέων τισὶν εἰς τοὺς αὐτῶν ἀγροὺς ἐπὶ τὰ ἐπιτήδεια πορευομένοις· καὶ τούτους Λυσίμαχος ὁ ἵππαρχος ἀπέσφαξε, πολλὰ λιτανεύοντας καὶ πολλῶν χαλεπῶς φερόντων ἱπέων. [2.4.27] ἀνταπέκτειναν δὲ καὶ οἱ ἐν Πειραιεῖ τῶν ἱπέων ἐπ' ἀγροῦ λαβόντες Καλλίστρατον φυλῆς Λεοντίδος. καὶ γὰρ ἤδη μέγα ἐφρόνουν, ὥστε καὶ πρὸς τὸ τεῖχος τοῦ ἄστεως

προσέβαλλον. εἰ δὲ καὶ τοῦτο δεῖ εἰπεῖν τοῦ μηχανοποιοῦ τοῦ ἐν τῷ ἄστει, ὃς ἐπεὶ ἔγνω ὅτι κατὰ τὸν ἐκ Λυκείου δρόμον μέλλοιεν τὰς μηχανὰς προσάγειν, τὰ ζεύγη ἐκέλευσε πάντα ἀμαξιαίους λίθους ἄγειν καὶ καταβάλλειν ὅπου ἕκαστος βούλοιο τοῦ δρόμου. ὥς δὲ τοῦτο ἐγένετο, πολλὰ εἷς ἕκαστος τῶν λίθων πράγματα παρείχε. [2.4.28] πεμπόντων δὲ πρέσβεις εἰς Λακεδαιμόνα τῶν μὲν τριάκοντα ἐξ Ἑλευσίνος, τῶν δ' ἐν τῷ καταλόγῳ ἐξ ἄστεως, καὶ βοηθεῖν κελευόντων, ὥς ἀφεστηκότος τοῦ δήμου ἀπὸ Λακεδαιμονίων, Λύσανδρος λογισάμενος ὅτι οἷόν τε εἴη ταχὺ ἐκπολιορκῆσαι τοὺς ἐν τῷ Πειραιεῖ κατὰ τε γῆν καὶ κατὰ θάλατταν, εἰ τῶν ἐπιτηδείων ἀποκλεισθεῖσαν, συνέπραξεν ἑκατόν τε τάλαντα αὐτοῖς δανεισθῆναι, καὶ αὐτὸν μὲν κατὰ γῆν ἀρμοστήν, Λίβυν δὲ τὸν ἀδελφὸν ναυαρχοῦντα ἐκπεμφθῆναι. [2.4.29] καὶ ἐξελθὼν αὐτὸς μὲν Ἑλευσινάδε συνέλεγεν ὀπλίτας πολλοὺς Πελοποννησίους· ὁ δὲ ναύαρχος κατὰ θάλατταν ἐφύλαττεν ὅπως μηδὲν εἰσπλέοι αὐτοῖς τῶν ἐπιτηδείων· ὥστε ταχὺ πάλιν ἐν ἀπορίᾳ ἦσαν οἱ ἐν Πειραιεῖ, οἱ δ' ἐν τῷ ἄστει πάλιν αὖ μέγα ἐφρόνουν ἐπὶ τῷ Λυσάνδρῳ. οὕτω δὲ προχωρούντων Πausanίας ὁ βασιλεὺς φθονήσας Λυσάνδρῳ, εἰ κατειργασμένος ταῦτα ἅμα μὲν εὐδοκιμήσοι, ἅμα δὲ ἰδίας ποιήσοιτο τὰς Ἀθήνας, πείσας τῶν ἐφόρων τρεῖς ἐξάγει φρουράν. [2.4.30] συνείποντο δὲ καὶ οἱ σύμμαχοι πάντες πλὴν Βοιωτῶν καὶ Κορινθίων· οὗτοι δὲ ἔλεγον μὲν ὅτι οὐ νομίζοιεν εὐορκεῖν ἂν στρατευόμενοι ἐπ' Ἀθηναίους μηδὲν παράσπονδον ποιοῦντας· ἔπραττον δὲ ταῦτα, ὅτι ἐγίγνωσκον Λακεδαιμονίους βουλομένους τὴν τῶν Ἀθηναίων χώραν οἰκείαν καὶ πιστὴν ποιήσασθαι. ὁ δὲ Πausanίας ἐστρατοπεδεύσατο μὲν ἐν τῷ Ἀλιπέδῳ καλουμένῳ πρὸς τῷ Πειραιεῖ δεξιὸν ἔχων κέρας, Λύσανδρος δὲ σὺν τοῖς μισθοφόροις τὸ εὐώνυμον. [2.4.31] πέμπων δὲ πρέσβεις ὁ Πausanίας πρὸς τοὺς ἐν Πειραιεῖ ἐκέλευεν ἀπιέναι ἐπὶ τὰ ἑαυτῶν· ἐπεὶ δ' οὐκ ἐπέιθοντο, προσέβαλλεν ὅσον ἀπὸ βοῆς ἔνεκεν, ὅπως μὴ δῆλος εἴη εὐμενὴς αὐτοῖς ὢν. ἐπεὶ δ' οὐδὲν ἀπὸ τῆς προσβολῆς πράξας ἀπῆλθε, τῇ ὑστεραίᾳ λαβὼν τῶν μὲν Λακεδαιμονίων δύο μόρας, τῶν δὲ Ἀθηναίων ἱππέων τρεῖς φυλάς, παρήλθεν ἐπὶ τὸν κωφὸν λιμένα, σκοπῶν πῃ εὐαποτειχιστότατος εἴη ὁ Πειραιεύς. [2.4.32] ἐπεὶ δὲ ἀπιόντος αὐτοῦ προσέθεόν τινες καὶ πράγματα αὐτῷ παρείχον, ἀχθεσθεὶς παρήγγειλε τοὺς μὲν ἱππείας ἑλᾶν εἰς αὐτοὺς ἐνέντας, καὶ [τοὺς] τὰ δέκα ἀφ' ἥβης συνέπεσθαι· σὺν δὲ τοῖς ἄλλοις αὐτὸς ἐπηκολούθει. καὶ ἀπέκτειναν μὲν ἐγγὺς

τριάκοντα τῶν ψιλῶν, τοὺς δ' ἄλλους κατεδίωξαν πρὸς τὸ Πειραιοῖ θέατρον. [2.4.33] ἐκεῖ δὲ ἔτυχον ἐξοπλιζόμενοι οἱ τε πελτασταὶ πάντες καὶ οἱ ὀπλίται τῶν ἐκ Πειραιῶς, καὶ οἱ μὲν ψιλοὶ εὐθὺς ἐκδραμόντες ἠκόντιζον, ἔβαλλον, ἐτόξευον, ἐσφενδόνων· οἱ δὲ Λακεδαιμόνιοι, ἐπεὶ αὐτῶν πολλοὶ ἐπιτρώσκοντο, μάλα πιεζόμενοι ἀνεχώρουν ἐπὶ πόδα· οἱ δ' ἐν τούτῳ πολὺ μᾶλλον ἐπέκειντο. ἐνταῦθα καὶ ἀποθνήσκει Χαίρων τε καὶ Θίβραχος, ἄμφω πολεμάρχῳ, καὶ Λακράτης ὁ ὀλυμπιονίκης καὶ ἄλλοι οἱ τεθαμμένοι Λακεδαιμονίων πρὸ τῶν πυλῶν ἐν Κεραμεικῷ. [2.4.34] ὁρῶν δὲ ταῦτα ὁ Θρασύβουλος καὶ οἱ ἄλλοι ὀπλίται, ἐβοήθουν, καὶ ταχὺ παρετάξαντο πρὸ τῶν ἄλλων ἐπ' ὀκτώ. ὁ δὲ Πausanίας μάλα πιεσθεὶς καὶ ἀναχωρήσας ὅσον στάδια τέτταρα ἢ πέντε πρὸς λόφον τινά, παρήγγελλε τοῖς Λακεδαιμονίοις καὶ τοῖς ἄλλοις συμμάχοις ἐπιχωρεῖν πρὸς ἑαυτόν. ἐκεῖ δὲ συνταξάμενος παντελῶς βαθεῖαν τὴν φάλαγγα ἤγεν ἐπὶ τοὺς Ἀθηναίους. οἱ δ' εἰς χεῖρας μὲν ἐδέξαντο, ἔπειτα δὲ οἱ μὲν ἐξεώσθησαν εἰς τὸν ἐν ταῖς Ἀλαῖς πηλόν, οἱ δὲ ἐνέκλιναν· καὶ ἀποθνήσκουσιν αὐτῶν ὡς πεντήκοντα καὶ ἑκατόν. [2.4.35] ὁ δὲ Πausanίας τροπαῖον στησάμενος ἀνεχώρησε· καὶ οὐδ' ὥς ὠργίζετο αὐτοῖς, ἀλλὰ λάθραι πέμπων ἐδίδασκε τοὺς ἐν Πειραιεῖ οἷα χρὴ λέγοντας πρέσβεις πέμπειν πρὸς ἑαυτόν καὶ τοὺς παρόντας ἐφόρους. οἱ δ' ἐπέιθοντο. δίστις δὲ καὶ τοὺς ἐν τῷ ἅστει, καὶ ἐκέλευε πρὸς σφᾶς προσιέναι ὡς πλείστους συλλεγομένους, λέγοντας ὅτι οὐδὲν δέονται τοῖς ἐν τῷ Πειραιεῖ πολεμεῖν, ἀλλὰ διαλυθέντες κοινῇ ἀμφοτέρω Λακεδαιμονίοις φίλοι εἶναι. [2.4.36] ἡδέως δὲ ταῦτα καὶ Ναυκλείδας ἔφορος ὢν συνήκουεν· ὥσπερ γὰρ νομίζεται σὺν βασιλεῖ δύο τῶν ἐφόρων συστρατεύεσθαι, καὶ τότε παρὴν οὗτός τε καὶ ἄλλος, ἀμφοτέρω τῆς μετὰ Πausανίου γνώμης ὄντες μᾶλλον ἢ τῆς μετὰ Λυσάνδρου. διὰ ταῦτα οὖν καὶ εἰς τὴν Λακεδαίμονα προθύμως ἔπεμπον τοὺς τ' ἐκ τοῦ Πειραιῶς ἔχοντας τὰς πρὸς Λακεδαιμονίους σπονδὰς καὶ τοὺς ἀπὸ τῶν ἐν τῷ ἅστει ιδιώτας, [καὶ] Κηφισοφῶντά τε καὶ Μέλητον. [2.4.37] ἐπεὶ μέντοι οὗτοι ὦιχοντο εἰς Λακεδαίμονα, ἔπεμπον δὴ καὶ οἱ ἀπὸ τοῦ κοινοῦ ἐκ τοῦ ἁστεως λέγοντας ὅτι αὐτοὶ μὲν παραδιδόασιν καὶ τὰ τεῖχη ἃ ἔχουσι καὶ σφᾶς αὐτοὺς Λακεδαιμονίοις χρῆσθαι ὅ τι βούλονται· ἀξιοῦν δ' ἔφασαν καὶ τοὺς ἐν Πειραιεῖ, εἰ φίλοι φασὶν εἶναι Λακεδαιμονίοις, παραδιδόναι τόν τε Πειραιᾶ καὶ τὴν Μουνιχίαν. [2.4.38] ἀκούσαντες δὲ πάντων αὐτῶν οἱ ἔφοροι καὶ οἱ ἑκκλητοὶ, ἐξέπεμψαν πεντρκαίδεκα ἄνδρας εἰς τὰς

Ἀθήνας, καὶ ἐπέταξαν σὺν Παυσανίαι διαλλάξαι ὅπῃ δύναιτο κάλλιστα. οἱ δὲ διήλλαξαν ἐφ' ὧτε εἰρήνην μὲν ἔχειν ὥς πρὸς ἀλλήλους, ἀπιέναι δὲ ἐπὶ τὰ ἑαυτῶν ἕκαστον πλὴν τῶν τριάκοντα καὶ τῶν ἑνδεκα καὶ τῶν ἐν Πειραιεῖ ἀρξάντων δέκα. εἰ δέ τινες φοβοῖντο τῶν ἐξ ἄστεως, ἔδοξεν αὐτοῖς Ἐλευσίνα κατοικεῖν. [2.4.39] τούτων δὲ περανθέντων Παυσανίας μὲν διῆκε τὸ στράτευμα, οἱ δ' ἐκ τοῦ Πειραιῶς ἀνελθόντες σὺν τοῖς ὅπλοις εἰς τὴν ἀκρόπολιν ἔθυσαν τῇ Ἀθηνᾷ. ἐπεὶ δὲ <κατέβησαν> οἱ στρατηγοί, ἔνθα δὴ ὁ Θρασύβουλος ἔλεξεν· [2.4.40] Ὑμῖν, ἔφη, ὦ ἐκ τοῦ ἄστεως ἄνδρες, συμβουλευώ ἐγὼ γινῶναι ὑμᾶς αὐτούς. μάλιστα δ' ἂν γνωίητε, εἰ ἀναλογίσαισθε ἐπὶ τίνι ὑμῖν μέγα φρονητέον ἐστίν, ὥστε ἡμῶν ἄρχειν ἐπιχειρεῖν. πότερον δικαιοτέροι ἐστε; ἀλλ' ὁ μὲν δῆμος πενέστερος ὑμῶν ὢν οὐδὲν πώποτε ἔνεκα χρημάτων ὑμᾶς ἡδίκηκεν· ὑμεῖς δὲ πλουσιώτεροι πάντων ὄντες πολλὰ καὶ αἰσχροῦ ἔνεκα κερδέων πεποιήκατε. ἐπεὶ δὲ δικαιοσύνης οὐδὲν ὑμῖν προσήκει, σκέψασθε εἰ ἄρα ἐπ' ἀνδρείαι ὑμῖν μέγα φρονητέον. [2.4.41] καὶ τίς ἂν καλλίων κρίσις τούτου γένοιτο ἢ ὥς ἐπολεμήσαμεν πρὸς ἀλλήλους; ἀλλὰ γνώμη φαίητ' ἂν προέχειν, οἳ ἔχοντες καὶ τεῖχος καὶ ὅπλα καὶ χρήματα καὶ συμμάχους Πελοποννησίους ὑπὸ τῶν οὐδὲν τούτων ἐχόντων περιεῖληφθε; ἀλλ' ἐπὶ Λακεδαιμονίοις δὴ οἴεσθε μέγα φρονητέον εἶναι; πῶς, οἷγε ὥσπερ τοὺς δάκνοντας κύνας κλοιῶι δῆσαντες παραδιδόασιν, οὕτω κάκεῖνοι ὑμᾶς παραδόντες τῷ ἡδικημένῳ τούτῳ δήμῳ οἷχονται ἀπιόντες; [2.4.42] οὐ μέντοι γε ὑμᾶς, ὦ ἄνδρες, ἀξιῶ ἐγὼ ὢν ὁμωμόκατε παραβῆναι οὐδέν, ἀλλὰ καὶ τοῦτο πρὸς τοῖς ἄλλοις καλοῖς ἐπιδειξαι, ὅτι καὶ εὖορκοι καὶ ὅσιοί ἐστε. εἰπὼν δὲ ταῦτα καὶ ἄλλα τοιαῦτα, καὶ ὅτι οὐδὲν δέοι ταραττεσθαι, ἀλλὰ τοῖς νόμοις τοῖς ἀρχαίοις χρῆσθαι, ἀνέστησε τὴν ἐκκλησίαν. [2.4.43] καὶ τότε μὲν ἀρχὰς καταστησάμενοι ἐπολιτεύοντο· ὑστέρωι δὲ χρόνῳ ἀκούσαντες ξένους μισθοῦσθαι τοὺς Ἐλευσῖνι, στρατευσάμενοι πανδημεῖ ἐπ' αὐτοὺς τοὺς μὲν στρατηγοὺς αὐτῶν εἰς λόγους ἐλθόντας ἀπέκτειναν, τοῖς δὲ ἄλλοις εἰσπέμπσαντες τοὺς φίλους καὶ ἀναγκαίους ἔπεισαν συναλλαγῆναι. καὶ ὁμόσαντες ὅρκους ἢ μὴ μὴ μνησικακήσιν, ἔτι καὶ νῦν ὁμοῦ τε πολιτεύονται καὶ τοῖς ὅρκοις ἐμμένει ὁ δῆμος.

Βιβλίον γ'

[3.1.1] Ἡ μὲν δὴ Ἀθήνησι στάσις οὕτως ἐτελεύτησεν. ἐκ δὲ τούτου πέμψας Κῦρος ἀγγέλους εἰς Λακεδαίμονα ἡξίου, οἷόςπερ αὐτὸς Λακεδαιμονίοις ἦν ἐν τῷ πρὸς Ἀθηναίους πολέμῳ, τοιούτους καὶ Λακεδαιμονίους αὐτῷ γίγνεσθαι. οἱ δ' ἔφοροι δίκαια νομίσαντες λέγειν αὐτόν, Σαμίῳ τῷ τότε ναυάρχῳ ἐπέστειλαν ὑπηρετεῖν Κύρῳ, εἴ τι δέοιτο. κάκεῖνος μέντοι προθύμως ὅπερ ἐδεήθη ὁ Κῦρος ἔπραξεν· ἔχων γὰρ τὸ ἑαυτοῦ ναυτικὸν σὺν τῷ Κύρῳ περιέπλευσεν εἰς Κιλικίαν, καὶ ἐποίησε τὸν τῆς Κιλικίας ἄρχοντα Σύνεννεσιν μὴ δύνασθαι κατὰ γῆν ἐναντιοῦσθαι Κύρῳ πορευομένῳ ἐπὶ βασιλέα. [3.1.2] ὥς μὲν οὖν Κῦρος στρατεύμα' τε συνέλεξε καὶ τοῦτ' ἔχων ἀνέβη ἐπὶ τὸν ἀδελφόν, καὶ ὥς ἡ μάχη ἐγένετο, καὶ ὥς ἀπέθανε, καὶ ὥς ἐκ τούτου ἀπεσώθησαν οἱ Ἕλληνες ἐπὶ θάλατταν, Θεμιστογένης τῷ Συρακοσίῳ γέγραπται.

[3.1.3] Ἐπεὶ μέντοι Τισσαφέρνης, πολλοῦ ἄξιος βασιλεῖ δόξας γεγενῆσθαι ἐν τῷ πρὸς τὸν ἀδελφὸν πολέμῳ, σατράπης κατεπέμφθη ὧν τε αὐτὸς πρόσθεν ἦρχε καὶ ὧν Κῦρος, εὐθὺς ἡξίου τὰς Ἰωνικὰς πόλεις ἀπάσας ἑαυτῷ ὑπηκόους εἶναι. αἱ δὲ ἅμα μὲν ἐλεύθεραι βουλόμεναι εἶναι, ἅμα δὲ φοβούμεναι τὸν Τισσαφέρνην, ὅτι Κῦρον, ὅτ' ἔζη, ἀντ' ἐκείνου ἡρημέναι ἦσαν, εἰς μὲν τὰς πόλεις οὐκ ἐδέχοντο αὐτόν, εἰς Λακεδαίμονα δὲ ἔπεμπον πρέσβεις, καὶ ἡξίου, ἐπεὶ πάσης τῆς Ἑλλάδος προστάται εἰσίν, ἐπιμεληθῆναι καὶ σφῶν τῶν ἐν τῇ Ἀσίᾳ Ἑλλήνων, ὅπως ἢ τε χώρα μὴ διοῖτο αὐτῶν καὶ αὐτοὶ ἐλεύθεροι εἶεν. [3.1.4] οἱ οὖν Λακεδαιμόνιοι πέμπουσιν αὐτοῖς Θίβρωνα ἄρμωστήν, δόντες στρατιώτας τῶν μὲν νεοδαμῶδων εἰς χιλίους, τῶν δὲ ἄλλων Πελοποννησίων εἰς τετρακισχιλίους. ἡιτήσατο δ' ὁ Θίβρων καὶ παρ' Ἀθηναίων τριακοσίους ἱππέας, εἰπὼν ὅτι αὐτὸς μισθὸν παρέξει. οἱ δ' ἔπεμψαν τῶν ἐπὶ τῶν τριάκοντα ἱππευσάντων, νομίζοντες κέρδος τῷ δήμῳ, εἰ ἀποδημοῖεν καὶ ἐναπόλουντο. [3.1.5] ἐπεὶ δ' εἰς τὴν Ἀσίαν ἀφίκοντο, συνήγαγε [μὲν] στρατιώτας καὶ ἐκ τῶν ἐν τῇ ἡπείρῳ Ἑλληνίδων πόλεων· πᾶσαι γὰρ τότε αἱ πόλεις ἐπειθόντο ὅτι Λακεδαιμόνιος ἀνὴρ ἐπιτάττοι. καὶ σὺν μὲν ταύτῃ τῇ στρατιᾷ ὁρῶν Θίβρων τὸ ἱππικὸν εἰς τὸ πεδῖον οὐ κατέβαινεν, ἡγάπα δὲ εἰ ὅπου τυγχάνοι ὧν, δύναιτο ταύτην τὴν χώραν ἀδήϊωτον διαφυλάττειν. [3.1.6] ἐπεὶ δὲ σωθέντες οἱ ἀναβάντες μετὰ Κύρου

συνέμειζαν αὐτῷ, ἐκ τούτου ἤδη καὶ ἐν τοῖς πεδίοις ἀντετάττετο τῷ Τισσαφέρνει, καὶ πόλεις Πέργαμον μὲν ἐκοῦσαν προσέλαβε καὶ Τευθρανίαν καὶ Ἀλίσαρναν, ὧν Εὐρυσθένης τε καὶ Προκλῆς ἦρχον οἱ ἀπὸ Δαμαράτου τοῦ Λακεδαιμονίου· ἐκείνῳ δ' αὕτη ἡ χώρα δῶρον ἐκ βασιλέως ἐδόθη ἀντὶ τῆς ἐπὶ τὴν Ἑλλάδα συστρατείας· προσεχώρησαν δὲ αὐτῷ καὶ Γοργίων καὶ Γογγύλος, ἀδελφοὶ ὄντες, ἔχοντες ὁ μὲν Γάμβριον καὶ Παλαιγάμβριον, ὁ δὲ Μύριναν καὶ Γρόνειον· δῶρον δὲ καὶ αὗται αἱ πόλεις ἦσαν παρὰ βασιλέως Γογγύλῳ, ὅτι μόνος Ἑρετριέων μηδίσας ἔφυγεν. [3.1.7] ἦν δὲ ἃς ἀσθενεῖς οὖσας καὶ κατὰ κράτος ὁ Θίβρων ἐλάμβανε· Λάρισάν γε μὴν τὴν Αἰγυπτίαν καλουμένην, ἐπεὶ οὐκ ἐπέιθετο, περιστρατοπεδευσάμενος ἐπολιόρκει. ἐπεὶ δὲ ἄλλως οὐκ ἐδύνατο ἐλεῖν, φρεατίαν τεμόμενος ὑπόνομον ὥρυττεν, ὡς ἀφαιρησόμενος τὸ ὕδωρ αὐτῶν. ὡς δ' ἐκ τοῦ τείχους ἐκθέοντες πολλὰκις ἐνέβαλον εἰς τὸ ὄρυγμα καὶ ξύλα καὶ λίθους, ποιησάμενος αὐτῷ χελώνην ξυλίνην ἐπέστησεν ἐπὶ τῇ φρεατίᾳ. καὶ ταύτην μέντοι ἐκδραμόντες οἱ Λαρισαῖοι νύκτωρ κατέκαυσαν. δοκοῦντος δ' αὐτοῦ οὐδὲν ποιεῖν, πέμπουσιν οἱ ἔφοροι ἀπολιπόντα Λάρισαν στρατεύεσθαι ἐπὶ Καρίαν.

[3.1.8] Ἐν Ἐφέσῳ δὲ ἤδη ὄντος αὐτοῦ, ὡς ἐπὶ Καρίαν πορευομένου, Δερκυλίδας ἄρξων ἀφίκετο ἐπὶ τὸ στράτευμα, ἀνὴρ δοκῶν εἶναι μάλα μηχανητικός· καὶ ἐπεκαλεῖτο δὲ Σίσυφος. ὁ μὲν οὖν Θίβρων ἀπῆλθεν οἴκαδε καὶ ζημιωθείς ἔφυγε· κατηγοροῦν γὰρ αὐτοῦ οἱ σύμμαχοι ὡς ἐφείη ἀρπάζειν τῷ στρατεύματι τοὺς φίλους. [3.1.9] ὁ δὲ Δερκυλίδας ἐπεὶ παρέλαβε τὸ στράτευμα, γνοὺς ὑπόπτους ὄντας ἀλλήλοις τὸν Τισσαφέρνην καὶ τὸν Φαρναβάζον, κοινολογησάμενος τῷ Τισσαφέρνει ἀπήγαγεν εἰς τὴν Φαρναβάζου χώραν τὸ στράτευμα, ἐλόμενος θατέρῳ μᾶλλον ἢ ἅμα ἀμφοτέροις πολεμεῖν. ἦν δὲ καὶ πρόσθεν ὁ Δερκυλίδας πολέμιος τῷ Φαρναβάζῳ· ἀρμοστής γὰρ γενόμενος ἐν Ἀβύδῳ ἐπὶ Λυσάνδρου ναυαρχοῦντος, διαβληθεὶς ὑπὸ Φαρναβάζου, ἐστάθη τὴν ἀσπίδα ἔχων, ὃ δοκεῖ κηλὶς εἶναι τοῖς σπουδαίοις Λακεδαιμονίων· ἀταξίας γὰρ ζημίωμά ἐστι. καὶ διὰ ταῦτα δὴ πολὺ ἥδιον ἐπὶ τὸν Φαρναβάζον ἦι. [3.1.10] καὶ εὐθὺς μὲν τοσοῦτοι διέφερεν εἰς τὸ ἄρχειν τοῦ Θίβρωνος ὥστε παρήγαγε τὸ στράτευμα διὰ τῆς φιλίας χώρας μέχρι τῆς Φαρναβάζου Αἰολίδος οὐδὲν βλάψας τοὺς συμμάχους.

Ἡ δὲ Αἰολὶς αὕτη ἦν μὲν Φαρναβάζου, ἐσατράπευε δ' αὐτῷ ταύτης τῆς χώρας, ἕως μὲν ἔζη, Ζῆνις Δαρδανεύς· ἐπειδὴ δὲ ἐκεῖνος

νόσωι ἀπέθανε, παρασκευαζομένου τοῦ Φαρναβάζου ἄλλωι δοῦναι τὴν σατραπείαν, Μανία ἢ τοῦ Ζήνιος γυνή, Δαρδανίς καὶ αὐτή, ἀναζεύξασα στόλον καὶ δῶρα λαβοῦσα ὥστε καὶ αὐτῶι Φαρναβάζωι δοῦναι καὶ παλλακίσιν αὐτοῦ χαρίσασθαι καὶ τοῖς δυναμένοις μάλιστα παρὰ Φαρναβάζωι, ἐπορεύετο. [3.1.11] ἐλθοῦσα δ' εἰς λόγους εἶπεν· ὦ Φαρνάβαζε, ὁ ἀνὴρ σοι ὁ ἐμὸς καὶ τᾶλλα φίλος ἦν καὶ τοὺς φόρους ἀπεδίδου ὥστε σὺ ἐπαινῶν αὐτὸν ἐτίμας. ἂν οὖν ἐγὼ σοι μὴδὲν χειρόν ἐκείνου ὑπηρετῶ, τί σε δεῖ ἄλλον σατράπην καθιστάναι; ἂν δέ τί σοι μὴ ἀρέσκω, ἐπὶ σοὶ δήπου ἔσται ἀφελομένωι ἐμὲ ἄλλωι δοῦναι τὴν ἀρχήν. [3.1.12] ἀκούσας ταῦτα ὁ Φαρνάβαζος ἔγνω δεῖν τὴν γυναῖκα σατραπεύειν. ἢ δ' ἐπεὶ κυρία τῆς χώρας ἐγένετο, τοὺς τε φόρους οὐδὲν ἥττον τάνδρὸς ἀπεδίδου, καὶ πρὸς τούτοις, ὁπότε ἀφικνοῖτο πρὸς Φαρνάβαζον, αἰεὶ ἦγε δῶρα αὐτῶι, καὶ ὁπότε ἐκεῖνος εἰς τὴν χώραν καταβαίνει, πολὺ πάντων τῶν ὑπάρχων κάλλιστα καὶ ἡδιστα ἐδέχετο αὐτόν, [3.1.13] καὶ ἅς τε παρέλαβε πόλεις διεφύλαττεν αὐτῶι καὶ τῶν οὐχ ὑπηκόων προσέλαβεν ἐπιθαλαττιδίας Λάρισάν τε καὶ Ἀμαξιτὸν καὶ Κολωνάς, ξενικῶι μὲν Ἑλληνικῶι προσβαλοῦσα τοῖς τείχεσιν, αὐτὴ δὲ ἐφ' ἄρμαμάξης θεωμένη· ὃν δ' ἐπαινέσειε, τούτῳ δῶρα ἀμέμπτως ἐδίδου, ὥστε λαμπρότατα τὸ ξενικὸν κατεσκευάσατο. συνεστρατεύετο δὲ τῶι Φαρναβάζωι καὶ ὁπότε εἰς Μυσοὺς ἢ Πισίδας ἐμβάλοι, ὅτι τὴν βασιλέως χώραν κακουργοῦσιν. ὥστε καὶ ἀντετίμα αὐτὴν μεγαλοπρεπῶς ὁ Φαρνάβαζος καὶ σύμβουλον ἔστιν ὅτε παρεκάλει. [3.1.14] ἥδη δ' οὐσης αὐτῆς ἐτῶν πλεόν ἢ τετταράκοντα, Μειδίας, θυγατρὸς ἀνὴρ αὐτῆς ὢν, ἀναπτρωθεὶς ὑπὸ τινων ὡς αἰσχροὺς εἶη γυναῖκα μὲν ἄρχειν, αὐτὸν δ' ἰδιώτην εἶναι, τοὺς μὲν ἄλλους μάλα φυλαττομένης αὐτῆς, ὥσπερ ἐν τυραννίδι προσῆκεν, ἐκείνῳ δὲ πιστευσούσης καὶ ἀσπαζομένης ὥσπερ ἂν γυνὴ γαμβρὸν ἀσπάζοιτο, εἰσελθὼν ἀποπνίξαι αὐτὴν λέγεται. ἀπέκτεινε δὲ καὶ τὸν υἱὸν αὐτῆς, τό τε εἶδος ὄντα πάγκαλον καὶ ἐτῶν ὄντα ὡς ἑπτακαίδεκα. [3.1.15] ταῦτα δὲ ποιήσας Σκῆψιν καὶ Γέργιθα ἐχυρὰς πόλεις κατέσχευεν, ἔνθα καὶ τὰ χρήματα μάλιστα ἦν τῇ Μανίαι. αἱ δ' ἄλλαι πόλεις οὐκ ἐδέχοντο αὐτόν, ἀλλὰ Φαρναβάζωι ἔσωιζον αὐτὰς οἱ ἐνόντες φρουροί. ἐκ δὲ τούτου ὁ Μειδίας πέμψας δῶρα τῶι Φαρναβάζωι ἡξίου ἔχειν τὴν χώραν ὥσπερ ἡ Μανία. ὁ δ' ἀπεκρίνατο φυλάττειν αὐτά, ἔστ' ἂν αὐτὸς ἐλθὼν σὺν αὐτῶι ἐκείνῳ λάβῃ τὰ δῶρα· οὐ γὰρ ἂν ἔφην ζῆν βούλεσθαι μὴ τιμωρήσας Μανίας. [3.1.16] ὁ δὲ Δερκυλίδας ἐν τούτῳ

τῷ καιρῷ ἀφικνεῖται, καὶ εὐθὺς μὲν ἐν μιᾷ ἡμέρᾳ Λάρισαν καὶ Ἀμαξιτὸν καὶ Κολωνὰς τὰς ἐπιθαλαττίους πόλεις ἐκούσας παρέλαβε· πέμπων δὲ καὶ πρὸς τὰς Αἰολίδας πόλεις ἡξίου ἐλευθεροῦσθαι τε αὐτὰς καὶ εἰς τὰ τείχη δέχεσθαι καὶ συμμάχους γίνεσθαι. οἱ μὲν οὖν Νεανδρεῖς καὶ Ἰλιεῖς καὶ Κοκυλῖται ἐπέειθοντο· καὶ γὰρ οἱ φρουροῦντες Ἕλληνες ἐν αὐταῖς, ἐπεὶ ἡ Μανία ἀπέθανεν, οὐ πάνυ τι καλῶς περιείποντο· [3.1.17] ὁ δ' ἐν Κεβρῆνι, μάλα ἰσχυρῷ χωρίῳ, τὴν φυλακὴν ἔχων, νομίσας, εἰ διαφυλάξειε Φαρναβάζῳ τὴν πόλιν, τιμηθῆναι ἂν ὑπ' ἐκείνου, οὐκ ἐδέχετο τὸν Δερκυλίδαν. ὁ δὲ ὀργιζόμενος παρεσκευάζετο προσβάλλειν. ἐπεὶ δὲ θυομέμῳ αὐτῷ οὐκ ἐγίνετο τὰ ἱερὰ τῇ πρώτῃ, τῇ ὑστεραίᾳ πάλιν ἐθύετο. ὥς δὲ οὐδὲ ταῦτα ἐκαλλιερεῖτο, πάλιν τῇ τρίτῃ· καὶ μέχρι τεττάρων ἡμερῶν ἐκαρτέρει θυόμενος, μάλα χαλεπῶς φέρων· ἔσπευδε γὰρ πρὶν Φαρνάβαζον βοηθῆσαι ἐγκρατὴς γενέσθαι πάσης τῆς Αἰολίδος. [3.1.18] Ἀθηνάδας δὲ τις Σικυώνιος λοχαγός, νομίσας τὸν μὲν Δερκυλίδαν φلυαρεῖν διατρίβοντα, αὐτὸς δ' ἰκανὸς εἶναι τὸ ὕδωρ ἀφελέσθαι τοὺς Κεβρηνίους, προσδραμὼν σὺν τῇ ἑαυτοῦ τάξει ἐπειρᾶτο τὴν κρήνην συγχοῦν. οἱ δὲ ἔνδοθεν ἐπεξελθόντες αὐτόν τε συνέτρωσαν καὶ δύο ἀπέκτειναν, καὶ τοὺς ἄλλους παίοντες καὶ βάλλοντες ἀπήλασαν. ἀχθομένου δὲ τοῦ Δερκυλίδου, καὶ νομίζοντος ἀθυμοτέραν καὶ τὴν προσβολὴν ἔσεσθαι, ἔρχονται ἐκ τοῦ τείχους παρὰ τῶν Ἑλλήνων κήρυκες, καὶ εἶπον ὅτι ἂ μὲν ὁ ἄρχων ποιοίῃ οὐκ ἀρέσκοι σφίσιν, αὐτοὶ δὲ βούλοιντο σὺν τοῖς Ἕλλησι μᾶλλον ἢ σὺν τῷ βαρβάρῳ εἶναι. [3.1.19] ἔτι δὲ διαλεγομένων αὐτῶν ταῦτα, παρὰ τοῦ ἄρχοντος αὐτῶν ἦκε λέγων ὅτι ὅσα λέγοιεν οἱ πρόσθεν καὶ αὐτῷ δοκοῦντα λέγοιεν. ὁ οὖν Δερκυλίδας εὐθὺς ὥσπερ ἔτυχε κεκαλλιερηκὼς ταύτῃ τῇ ἡμέρᾳ, ἀναλαβὼν τὰ ὄπλα ἡγεῖτο πρὸς τὰς πύλας· οἱ δ' ἀναπετάσαντες ἐδέξαντο. καταστήσας δὲ καὶ ἐνταῦθα φρουροὺς εὐθὺς ἦι ἐπὶ τὴν Σκῆψιν καὶ τὴν Γέργιθα. [3.1.20] ὁ δὲ Μειδίας προσδοκῶν μὲν τὸν Φαρνάβαζον, ὁκνῶν δ' ἤδη τοὺς πολίτας, πέμψας πρὸς τὸν Δερκυλίδαν εἶπεν ὅτι ἔλθοι ἂν εἰς λόγους, εἰ ὁμήρους λάβοι. ὁ δὲ πέμψας αὐτῷ ἀπὸ πόλεως ἐκάστης τῶν συμμάχων ἓνα ἐκέλευσε λαβεῖν τούτων ὁπόσους τε καὶ ὁποίους βούλοιο. ὁ δὲ λαβὼν δέκα ἐξῆλθε, καὶ συμμείζας τῷ Δερκυλίδᾳ ἡρώτα ἐπὶ τίσιν ἂν σύμμαχος γένοιτο. ὁ δ' ἀπεκρίνατο ἐφ' ὧτε τοὺς πολίτας ἐλευθέρους τε καὶ αὐτονόμους ἔαν. καὶ ἅμα ταῦτα λέγων ἦι πρὸς τὴν Σκῆψιν. [3.1.21] γνοὺς δὲ ὁ Μειδίας ὅτι οὐκ ἂν δύναιτο

κωλύειν βίαι τῶν πολιτῶν, εἶασεν αὐτὸν εἰσιέναι. ὁ δὲ Δερκυλίδας θύσας τῇ Ἀθηνᾷ ἐν τῇ τῶν Σκηψίων ἀκροπόλει τοὺς μὲν τοῦ Μειδίου φρουροὺς ἐξήγαγε, παραδοὺς δὲ τοῖς πολίταις τὴν πόλιν, καὶ παρακελευσάμενος, ὥσπερ Ἑλληνας καὶ ἐλευθέρους χρή, οὕτω πολιτεύειν, ἐξελθὼν ἡγεῖτο ἐπὶ τὴν Γέργιθα. συμπρούπεμπον δὲ πολλοὶ αὐτὸν καὶ τῶν Σκηψίων, τιμῶντές τε καὶ ἠδόμενοι τοῖς πεπραγμένοις. [3.1.22] ὁ δὲ Μειδίας παρεπόμενος αὐτῷ ἡξίου τὴν τῶν Γεργιθίων πόλιν παραδοῦναι αὐτῷ. καὶ ὁ Δερκυλίδας μέντοι ἔλεγεν ὡς τῶν δικαίων οὐδενὸς ἀτυχήσοι· ἅμα δὲ ταῦτα λέγων ἦιε πρὸς τὰς πύλας σὺν τῷ Μειδίᾳ, καὶ τὸ στράτευμα ἠκολούθει αὐτῷ εἰρηνικῶς εἰς δύο. οἱ δ' ἀπὸ τῶν πύργων καὶ μάλα ὑψηλῶν ὄντων ὀρῶντες τὸν Μειδίαν σὺν αὐτῷ οὐκ ἔβαλλον· εἰπόντος δὲ τοῦ Δερκυλίδας· Κέλευσον, ὦ Μειδία, ἀνοῖξαι τὰς πύλας, ἵνα ἡγήμην σὺ, ἐγὼ δὲ σὺν σοὶ εἰς τὸ ἱερὸν ἔλθω κἀνταῦθα θύσω τῇ Ἀθηνᾷ, ὁ Μειδίας ὥκνει μὲν ἀνοίγειν τὰς πύλας, φοβούμενος δὲ μὴ παραχρήμα συλληφθῇ, ἐκέλευεν ἀνοῖξαι. [3.1.23] ὁ δ' ἐπεὶ εἰσῆλθεν, ἔχων αὖ τὸν Μειδίαν ἐπορεύετο πρὸς τὴν ἀκρόπολιν· καὶ τοὺς μὲν ἄλλους στρατιώτας ἐκέλευε θέσθαι περὶ τὰ τεῖχη τὰ ὅπλα, αὐτὸς δὲ σὺν τοῖς περὶ αὐτὸν ἔθυε τῇ Ἀθηνᾷ. ἐπεὶ δ' ἐτέθυτο, ἀνεῖπε καὶ τοὺς Μειδίου δορυφόρους θέσθαι τὰ ὅπλα ἐπὶ τῷ στόματι τοῦ ἑαυτοῦ στρατεύματος, ὡς μισθοφορήσοντας· Μειδίαι γὰρ οὐδὲν ἔτι δεινὸν εἶναι. [3.1.24] ὁ μέντοι Μειδίας ἀπορῶν ὅ τι ποιοίη, εἶπεν· Ἐγὼ μὲν τοίνυν ἄπειμι, ἔφη, ξενία σοὶ παρασκευάσων. ὁ δέ, Οὐ, μὰ Δί', ἔφη, ἐπεὶ αἰσχρὸν ἐμὲ τεθυκότα ξενίζεσθαι ὑπὸ σοῦ, ἀλλὰ μὴ ξενίζειν σέ. μένε οὖν παρ' ἡμῖν· ἐν ᾧ δ' ἂν τὸ δεῖπνον παρασκευάζεται, ἐγὼ καὶ σὺ τὰ δίκαια πρὸς ἀλλήλους καὶ διασκεψώμεθα καὶ ποιήσωμεν. [3.1.25] ἐπεὶ δ' ἐκαθέζοντο, ἡρώτα ὁ Δερκυλίδας· Εἰπέ μοι, ὦ Μειδία, ὁ πατήρ σε ἄρχοντα τοῦ οἴκου κατέλιπε; Μάλιστα, ἔφη. Καὶ πόσαι σοὶ οἰκίαι ἦσαν; πόσοι δὲ χῶροι; πόσαι δὲ νομαί; ἀπογράφοντος δ' αὐτοῦ οἱ παρόντες τῶν Σκηψίων εἶπον· Ψεύδεται σε οὗτος, ὦ Δερκυλίδας. [3.1.26] Ὑμεῖς δέ γ', ἔφη, μὴ λίαν μικρολογεῖσθε, ἐπειδὴ δὲ ἀπεγέγραπτο τὰ πατρῷα· Εἰπέ μοι, ἔφη, Μανία δὲ τίνος ἦν; οἱ δὲ πάντες εἶπον ὅτι Φαρναβάζου. Οὐκοῦν καὶ τὰ ἐκείνης, ἔφη, Φαρναβάζου; Μάλιστα, ἔφασαν. Ἡμέτερ' ἂν εἴη, ἔφη, ἐπεὶ κρατοῦμεν· πολέμιος γὰρ ἡμῖν Φαρνάβαζος. ἀλλ' ἡγείσθω τις, ἔφη, ὅπου κεῖται τὰ Μανίας καὶ τὰ Φαρναβάζου. [3.1.27] ἡγουμένων δὲ τῶν ἄλλων ἐπὶ τὴν Μανίας οἴκησιν, ἣν παρελήφει ὁ Μειδίας, ἠκολούθει

κάκεινος. ἐπεὶ δ' εἰσῆλθεν, ἐκάλει ὁ Δερκυλίδας τοὺς ταμίας, φράσας δὲ τοῖς ὑπηρέταις λαβεῖν αὐτοὺς προεῖπεν αὐτοῖς ὥς εἴ τι κλέπτοντες ἀλώσوين τῶν Μανίας, παραχρῆμα ἀποσφαγήσωντο. οἱ δ' ἐδείκνυσαν. ὁ δ' ἐπεὶ εἶδε πάντα, κατέκλεισεν αὐτὰ καὶ κατεσημήνατο καὶ φύλακας κατέστησεν. [3.1.28] ἐξίῳν δὲ οὗς ἤρυν ἐπὶ ταῖς θύραις τῶν ταξιάρχων καὶ λοχαγῶν, εἶπεν αὐτοῖς· Μισθὸς μὲν ἡμῖν, ὧ ἄνδρες, εἵργασται τῇ στρατιᾷ ἐγγὺς ἐνιαυτοῦ ὀκτακισχιλίους ἀνδράσιν· ἂν δέ τι προσεργασώμεθα, καὶ ταῦτα προσέσται. ταῦτα δ' εἶπε γινώσκων ὅτι ἀκούσαντες πολὺ εὐτακτότεροι καὶ θεραπευτικώτεροι ἔσονται. ἐρομένου δὲ τοῦ Μειδίου· Ἐμὲ δὲ ποῦ χρὴ οἰκεῖν, ὧ Δερκυλίδα; ἀπεκρίνατο· Ἐνθαπερ καὶ δικαιοτάτον, ὧ Μειδία, ἐν τῇ πατρίδι τῇ σουτοῦ Σκήψει καὶ ἐν τῇ πατρώϊαι οἰκίαι.

[3.2.1] Ὁ μὲν δὴ Δερκυλίδας ταῦτα διαπραξάμενος καὶ λαβὼν ἐν ὀκτῶ ἡμέραις ἐννέα πόλεις, ἐβουλεύετο ὅπως ἂν μὴ ἐν τῇ φιλίας χειμάζων βαρὺς εἴη τοῖς συμμάχοις, ὥσπερ Θίβρων, μηδ' αὖ Φαρνάβαζος καταφρονῶν τῇ ἵππῳ κακουργῇ τὰς Ἑλληνίδας πόλεις. πέμπει οὖν πρὸς αὐτὸν καὶ ἐρωτᾷ πότερον βούλεται εἰρήνην ἢ πόλεμον ἔχειν. ὁ μὲντοι Φαρνάβαζος νομίσας τὴν Αἰολίδα ἐπιτετειχίσθαι τῇ ἐαυτοῦ οἰκίῃσει Φρυγία, σπονδὰς εἶλετο.

[3.2.2] Ὡς δὲ ταῦτα ἐγένετο, ἐλθὼν ὁ Δερκυλίδας εἰς τὴν Βιθυνίδα Θράικην ἐκεῖ διεχειμάζεν, οὐδὲ τοῦ Φαρναβάζου πᾶν τι ἀχθομένου· πολλάκις γὰρ οἱ Βιθυνοὶ αὐτῷ ἐπολέμουν. καὶ τὰ μὲν ἄλλα ὁ Δερκυλίδας ἀσφαλῶς φέρων καὶ ἄγων τὴν Βιθυνίδα καὶ ἄφθονα ἔχων τὰ ἐπιτήδεια διετέλει· ἐπειδὴ δὲ ἦλθον αὐτῷ παρὰ τοῦ Σεύθου πέραθεν σύμμαχοι τῶν ὀδρυσῶν ἱππεῖς τε ὥς διακόσιοι καὶ πελτασταὶ ὥς τριακόσιοι, οὗτοι στρατοπεδευσάμενοι καὶ περισταυρωσάμενοι ἀπὸ τοῦ Ἑλληνικοῦ ὥς εἴκοσι στάδια, αἰτοῦντες φύλακας τοῦ στρατοπέδου τὸν Δερκυλίδαν τῶν ὀπλιτῶν, ἐξῆισαν ἐπὶ λεῖαν, καὶ πολλὰ ἐλάμβανον ἀνδράποδά τε καὶ χρήματα. [3.2.3] ἤδη δ' ὄντος μεστοῦ τοῦ στρατοπέδου αὐτοῖς πολλῶν αἰχμαλώτων, καταμαθόντες οἱ Βιθυνοὶ ὅσοι τ' ἐξῆισαν καὶ ὅσους κατέλιπον Ἑλλήνας φύλακας, συλλεγέντες παμπλήθεις πελτασταὶ καὶ ἱππεῖς ἅμ' ἡμέραι προσπίπτουσι τοῖς ὀπλίταις ὥς διακοσίοις οὗσιν. ἐπειδὴ δ' ἐγγὺς ἐγένοντο, οἱ μὲν ἐβαλλον, οἱ δ' ἠκόντιζον εἰς αὐτούς. οἱ δ' ἐπεὶ ἐτιρώσκοντο μὲν καὶ ἀπέθνησκον, ἐποίουν δ' οὐδὲν κατειργμένοι ἐν τῷ σταυρώματι ὥς ἀνδρομήκει ὄντι, διασπᾶσαντες

τὸ αὐτῶν ὀχύρωμα ἐφέροντο εἰς αὐτούς· [3.2.4] οἱ δὲ ἦι μὲν ἐκθέοιεν ὑπεχώρουν, καὶ ῥαϊδίως ἀπέφευγον πελτασταὶ ὀπλίτας, ἔνθεν δὲ καὶ ἔνθεν ἠκόντιζον, καὶ πολλοὺς αὐτῶν ἐφ' ἐκάστη ἐκδρομῇ κατέβαλλον· τιελος δὲ ὥσπερ ἐν αὐλίῳ σηκασθέντες κατηκοντίσθησαν. ἐσώθησαν μέντοι αὐτῶν ἀμφὶ τοὺς πεντεκαίδεκα εἰς τὸ Ἑλληνικόν, καὶ οὗτοι, ἐπεὶ εὐθέως ἦισθοντο τὸ πρᾶγμα, ἀποχωρήσαντες, ἐν τῇ μάχῃ διαπεσόντες ἀμελησάντων τῶν Βιθυνῶν. [3.2.5] ταχὺ δὲ ταῦτα διαπραξάμενοι οἱ Βιθυνοὶ καὶ τοὺς σκηνοφύλακας τῶν Ὀδρυσῶν Θραικῶν ἀποκτείναντες, ἀπολαβόντες πάντα τὰ αἰχμάλωτα ἀπῆλθον· ὥστε οἱ Ἕλληνες ἐπεὶ ἦισθοντο, βοηθοῦντες οὐδὲν ἄλλο ἤϋρον ἢ νεκροὺς γυμνοὺς ἐν τῷ στρατοπέδῳ. ἐπεὶ μέντοι ἐπανῆλθον οἱ Ὀδρύσαι, θάψαντες τοὺς ἑαυτῶν καὶ πολλὸν οἶνον ἐκπιόντες ἐπ' αὐτοῖς καὶ ἵπποδρομίαν ποιήσαντες, ὁμοῦ δὴ τὸ λοιπὸν τοῖς Ἑλλήσι στρατοπεδευσάμενοι ἦγον καὶ ἔκαν τὴν Βιθυνίδα.

[3.2.6] Ἄμα δὲ τῷ ἦρι ἀποπορευόμενος ὁ Δερκυλίδας ἐκ τῶν Βιθυνῶν ἀφικνεῖται εἰς Λάμψακον. ἐνταῦθα δ' ὄντος αὐτοῦ ἔρχονται ἀπὸ τῶν οἴκοι τελῶν Ἄρακός τε καὶ Ναυβάτης καὶ Ἀντισθένης. οὗτοι δ' ἦλθον ἐπισκεψόμενοι τὰ τε ἄλλα ὅπως ἔχοι τὰ ἐν τῇ Ἀσίᾳ, καὶ Δερκυλίδαι ἐροῦντες μέντοι ἄρχειν καὶ τὸν ἐπιόντα ἐνιαυτόν· ἐπιστεῖλαι δὲ σφίσιν αὐτοῖς τοὺς ἐφόρους καὶ συγκαλέσαντας τοὺς στρατιώτας εἰπεῖν ὡς ὧν μὲν πρόσθεν ἐποίουν μέμφοιντο αὐτοῖς, ὅτι δὲ νῦν οὐδὲν ἡδίκουν, ἐπαινοῖεν· καὶ περὶ τοῦ λοιποῦ χρόνου εἰπεῖν ὅτι ἂν μὲν ἀδικῶσιν, οὐκ ἐπιτρέψουσιν, ἂν δὲ δίκαια περὶ τοὺς συμμάχους ποιῶσιν, ἐπαινέσονται αὐτούς. [3.2.7] ἐπεὶ μέντοι συγκαλέσαντες τοὺς στρατιώτας ταῦτ' ἔλεγον, ὁ τῶν Κυρείων προεστηκὼς ἀπεκρίνατο· Ἄλλ', ὃ ἄνδρες Λακεδαιμόνιοι, ἡμεῖς μὲν ἐσμεν οἱ αὐτοὶ νῦν τε καὶ πέρυσιν· ἄρχων δὲ ἄλλος μὲν νῦν, ἄλλος δὲ τὸ παρελθόν. τὸ οὖν αἴτιον τοῦ νῦν μὲν μὴ ἐξαμαρτάνειν, τότε δέ, αὐτοὶ ἤδη ἱκανοὶ ἐστε γινώσκειν. [3.2.8] συσκηνοῦντων δὲ τῶν τε οἴκοθεν πρέσβων καὶ τοῦ Δερκυλίδαι, ἐπεμνήσθη τις τῶν περὶ τὸν Ἄρακον ὅτι καταλελοίποιεν πρέσβεις τῶν Χερροννησιτῶν ἐν Λακεδαιμόνι. τούτους δὲ λέγειν ἔφασαν ὡς νῦν μὲν οὐ δύναιτο τὴν Χερρόνησον ἐργάζεσθαι· φέρεσθαι γὰρ καὶ ἄγεσθαι ὑπὸ τῶν Θραικῶν· εἰ δ' ἀποτερισθεῖη ἐκ θαλάττης εἰς θάλατταν, καὶ σφίσιν ἂν γῆν πολλὴν καὶ ἀγαθὴν εἶναι ἐργάζεσθαι καὶ ἄλλοις ὁπόσοι βούλονται Λακεδαιμονίων· ὥστ' ἔφασαν οὐκ ἂν θαυμάζειν εἰ καὶ

πεμφθείη τις Λακεδαιμονίων ἀπὸ τῆς πόλεως σὺν δυνάμει ταῦτα πράζων. [3.2.9] ὁ οὖν Δερκυλίδας πρὸς μὲν ἐκείνους οὐκ εἶπεν ἦν ἔχοι γνώμην ταῦτ' ἀκούσας, ἀλλ' ἔπεμψεν αὐτοὺς ἐπ' Ἐφέσου διὰ τῶν Ἑλληνίδων πόλεων, ἡδόμενος ὅτι ἔμελλον ὄψεσθαι τὰς πόλεις ἐν εἰρήνῃ εὐδαιμονικῶς διαγούσας. οἱ μὲν δὴ ἐπορεύοντο. ὁ δὲ Δερκυλίδας ἐπειδὴ ἔγνω μενετέον ὄν, πάλιν πέμψας πρὸς τὸν Φαρνάβαζον ἐπήρετο πότερα βούλοιο σπονδὰς ἔχειν καθάπερ διὰ τοῦ χειμῶνος ἢ πόλεμον. ἐλομένου δὲ τοῦ Φαρναβάζου καὶ τότε σπονδὰς, οὕτω καταλιπὼν καὶ τὰς περὶ ἐκείνιν πόλεις φιλίας ἐν εἰρήνῃ διαβαίνει τὸν Ἑλλησποντον σὺν τῷ στρατεύματι εἰς τὴν Εὐρώπην, καὶ διὰ φιλίας τῆς Θράκης πορευθεὶς καὶ ξενισθεὶς ὑπὸ Σεῦθου ἀφικνεῖται εἰς Χερρόνησον. [3.2.10] ἦν καταμαθὼν πόλεις μὲν ἔνδεκα ἢ δώδεκα ἔχουσιν, χώραν δὲ παμφορωτάτην καὶ ἀρίστην οὖσαν, κεκακωμένην δέ, ὥσπερ ἐλέγετο, ὑπὸ τῶν Θραικῶν, ἐπεὶ μετρῶν ἤϋρε τοῦ ἰσθμοῦ ἑπτὰ καὶ τριάκοντα στάδια, οὐκ ἐμέλλησεν, ἀλλὰ θυσάμενος ἐτείχιζε, κατὰ μέρη διελὼν τοῖς στρατιώταις τὸ χωρίον· καὶ ἄθλα ὑποσχόμενος δώσειν τοῖς πρώτοις ἐκτειχίσασιν, καὶ τοῖς ἄλλοις ὡς ἕκαστοι ἄξιοι εἶεν, ἀπετέλεσε τὸ τεῖχος ἀρξάμενος ἀπὸ ἡρινοῦ χρόνου πρὸ ὀπώρας. καὶ ἐποίησεν ἐντὸς τοῦ τείχους ἔνεκα μὲν πόλεις, πολλοὺς δὲ λιμένας, πολλὴν δὲ κἀγαθὴν σπόριμον, πολλὴν δὲ πεφυτευμένην, παμπλήθεις δὲ καὶ παγκάλας νομὰς παντοδαποῖς κτήνεσι. [3.2.11] ταῦτα δὲ πράξας διέβαινε πάλιν εἰς τὴν Ἀσίαν.

Ἐπισκοπῶν δὲ τὰς πόλεις ἑώρα τὰ μὲν ἄλλα καλῶς ἔχουσας, Χίων δὲ φυγάδας ἤϋρεν Ἀταρνέα ἔχοντας χωρίον ἰσχυρόν, καὶ ἐκ τούτου ὀρμωμένους φέροντας καὶ ἄγοντας τὴν Ἰωνίαν, καὶ ζῶντας ἀπὸ τούτου. πυθόμενος δὲ ὅτι πολὺς σῖτος ἐνῆν αὐτοῖς, περιστρατοπεδευσάμενος ἐπολιόρκει· καὶ ἐν ὀκτῶ μηνὶ παραστησάμενος αὐτοὺς, καταστήσας ἐν αὐτῷ Δράκοντα Πελληνέα ἐπιμελητὴν, καὶ κατασκευάσας ἐν τῷ χωρίῳ ἔκπλεω πάντα τὰ ἐπιτήδεια, ἵνα εἴῃ αὐτῷ καταγωγὴ, ὁπότε ἀφικνοῖτο, ἀπῆλθεν εἰς Ἔφεσον, ἣ ἀπέχει ἀπὸ Σάρδεων τριῶν ἡμερῶν ὁδόν.

[3.2.12] Καὶ μέχρι τούτου τοῦ χρόνου ἐν εἰρήνῃ διῆγον Τισσαφιερνῆς τε καὶ Δερκυλίδας καὶ οἱ ταύτηι Ἕλληνες καὶ οἱ βάρβαροι. ἐπεὶ δὲ ἀφικνύμενοι πρέσβεις εἰς Λακεδαιμόνα ἀπὸ τῶν Ἰωνίδων πόλεων ἐδίδασκον ὅτι εἴῃ ἐπὶ Τισσαφέρνει, εἰ βούλοιο, ἀφιέναι αὐτονόμους τὰς Ἑλληνίδας πόλεις· εἰ οὖν κακῶς πάσχοι

Καρία, ἔνθαπερ ὁ Τισσαφέρνους οἶκος, οὕτως ἂν ἔφασαν τάχιστα νομίζειν αὐτὸν συγχωρῆσαι αὐτονόμους σφᾶς ἀφεῖναι· ἀκούσαντες ταῦτα οἱ ἔφοροι ἔπεμψαν πρὸς Δερκυλίδαν, καὶ ἐκέλευον αὐτὸν διαβαίνειν σὺν τῷ στρατεύματι ἐπὶ Καρίαν καὶ Φάρακα τὸν ναύαρχον σὺν ταῖς ναυσὶ παραπλεῖν. οἱ μὲν δὴ ταῦτ' ἐποιοῦν. [3.2.13] ἐτύγχανε δὲ κατὰ τοῦτον τὸν χρόνον καὶ Φαρνάβαζος πρὸς Τισσαφέρνην ἀφιγμένος, ἅμα μὲν ὅτι στρατηγὸς τῶν πάντων ἀπεδέδεικτο Τισσαφέρνης, ἅμα δὲ διαμαρτυρόμενος ὅτι ἔτοιμος εἴη κοινῇ πολεμεῖν καὶ συμμάχεσθαι καὶ συνεκβάλλειν τοὺς Ἕλληνας ἐκ τῆς βασιλέως· ἄλλως τε γὰρ ὑπερφθόνει τῆς στρατηγίας τῷ Τισσαφέρνει καὶ τῆς Αἰολίδος χαλεπῶς ἔφερεν ἀπεστερημένος. ὁ δ' ἀκούων, Πρῶτον μὲν τοίνυν, ἔφη, διάβηθι σὺν ἐμοὶ ἐπὶ Καρίαν, ἔπειτα δὲ καὶ περὶ τούτων βουλευσόμεθα. [3.2.14] ἐπεὶ δ' ἐκεῖ ἦσαν, ἔδοξεν αὐτοῖς ἱκανὰς φυλακὰς εἰς τὰ ἐρύματα καταστήσαντας διαβαίνειν πάλιν ἐπὶ τὴν Ἰωνίαν. ὥς δ' ἤκουσεν ὁ Δερκυλίδας ὅτι πάλιν πεπερακότες εἰσὶ τὸν Μαϊάνδρον, εἰπὼν τῷ Φάρακι ὥς ὀκνοίη μὴ ὁ Τισσαφέρνης καὶ ὁ Φαρνάβαζος ἐρήμην οὔσαν καταθέοντες φέρωσι καὶ ἄγωσι τὴν χώραν, διέβαινε καὶ αὐτός. πορευόμενοι δὲ οὗτοι οὐδέν τι συντεταγμένῳ τῷ στρατεύματι, ὥς προεληλυθότων τῶν πολέμιων εἰς τὴν Ἐφεσίαν, ἐξαίφνης ὀρῶσιν ἐκ τοῦ ἀντιπέρας σκοποὺς ἐπὶ τῶν μνημάτων· [3.2.15] καὶ ἀνταναβιβάσαντες εἰς τὰ παρ' ἑαυτοῖς μνημεῖα καὶ τύρσεις τινὰς καθορῶσι παρατεταγμένους ἦν αὐτοῖς ἦν ἡ ὁδὸς Κᾶράς τε λευκάσπιδας καὶ τὸ Περσικὸν ὅσον ἐτύγχανε παρὸν στράτευμα καὶ τὸ Ἑλληνικὸν ὅσον εἶχεν ἑκάτερος αὐτῶν καὶ τὸ ἱππικὸν μάλα πολύ, τὸ μὲν Τισσαφέρνους ἐπὶ τῷ δεξιῷ κέρατι, τὸ δὲ Φαρναβάζου ἐπὶ τῷ εὐωνύμῳ. [3.2.16] ὥς δὲ ταῦτα ἦσθετο ὁ Δερκυλίδας, τοῖς μὲν ταξιάρχοις καὶ τοῖς λοχαγοῖς εἶπε παρατάττεσθαι τὴν ταχίστην εἰς ὀκτώ, τοὺς δὲ πελταστὰς ἐπὶ τὰ κράσπεδα ἐκατέρωθεν καθίστασθαι καὶ τοὺς ἱππέας, ὅσους γε δὴ καὶ οἶους ἐτύγχανεν ἔχων· αὐτὸς δὲ ἐθύετο. [3.2.17] ὅσον μὲν δὴ ἦν ἐκ Πελοποννήσου στράτευμα, ἡσυχίαν εἶχε καὶ παρεσκευάζετο ὥς μαχοῦμενον· ὅσοι δὲ ἦσαν ἀπὸ Πριήνης τε καὶ Ἀχιλλείου καὶ ἀπὸ νήσων καὶ τῶν Ἰωνικῶν πόλεων, οἱ μὲν τινες καταλιπόντες ἐν τῷ σίτῳ τὰ ὅπλα ἀπεδίδρασκον· καὶ γὰρ ἦν βαθὺς ὁ σῖτος ἐν τῷ Μαιάνδρου πεδίῳ· ὅσοι δὲ καὶ ἔμενον, δῆλοι ἦσαν οὐ μενοῦντες. [3.2.18] τὸν μὲν οὖν Φαρνάβαζον ἐξηγγέλλετο μάχεσθαι κελεύειν· ὁ μέντοι Τισσαφέρνης τό τε Κύρειον στράτευμα καταλογιζόμενος ὥς

ἐπολέμησεν αὐτοῖς καὶ τούτῳ πάντας νομίζων ὁμοίους εἶναι τοὺς Ἑλλήνας, οὐκ ἐβούλετο μάχεσθαι, ἀλλὰ πέμψας πρὸς Δερκυλίδαν εἶπεν ὅτι εἰς λόγους βούλοιτο αὐτῷ ἀφικέσθαι. καὶ ὁ Δερκυλίδας λαβὼν τοὺς κρατίστους τὰ εἶδη τῶν περὶ αὐτὸν καὶ ἱππέων καὶ πεζῶν προῆλθε πρὸς τοὺς ἀγγέλους, καὶ εἶπεν· Ἀλλὰ παρεσκευάσμεν μὲν ἔγωγε μάχεσθαι, ὡς ὁρᾷτε· ἐπεὶ μέντοι ἐκεῖνος βούλεται εἰς λόγους ἀφικέσθαι, οὐδ' ἐγὼ ἀντιλέγω. ἂν μένοτι ταῦτα δέη ποιεῖν, πιστὰ καὶ ὁμήρους δοτέον καὶ ληπτέον. [3.2.19] δόξαντα δὲ ταῦτα καὶ περανθέντα, τὰ μὲν στρατεύματα ἀπῆλθε, τὸ μὲν βαρβαρικὸν εἰς Τράλλεις τῆς Καρίας, τὸ δ' Ἑλληνικὸν εἰς Λεύκοφρυν, ἔνθα ἦν Ἀρτέμιδος τε ἱερὸν μάλα ἅγιον καὶ λίμνη πλεόν ἢ σταδίου ὑπόψαμμος ἀέναος ποτίμου καὶ θερμοῦ ὕδατος. καὶ τότε μὲν ταῦτα ἐπράχθη· τῇ δ' ὕστεραίᾳ εἰς τὸ συγκείμενον χωρίον ἦλθον, καὶ ἔδοξεν αὐτοῖς πυθέσθαι ἀλλήλων ἐπὶ τίσιν ἂν τὴν εἰρήνην ποιήσαιντο. [3.2.20] ὁ μὲν δὴ Δερκυλίδας εἶπεν, εἰ αὐτονόμους ἐώη βασιλεὺς τὰς Ἑλληνίδας πόλεις, ὁ δὲ Τισσαφέρνης καὶ Φαρνάβαζος εἶπαν ὅτι, εἰ ἐξέλθοι τὸ Ἑλληνικὸν στράτευμα ἐκ τῆς χώρας καὶ οἱ Λακεδαιμονίων ἀρμοσταὶ ἐκ τῶν πόλεων. ταῦτα δὲ εἰπόντες ἀλλήλοις σπονδὰς ἐποιήσαντο, ἕως ἀπαγγελθείη τὰ λεχθέντα. Δερκυλίδαι μὲν εἰς Λακεδαίμονα, Τισσαφέρνει δὲ ἐπὶ βασιλέα.

[3.2.21] Τούτων δὲ πραττομένων ἐν τῇ Ἀσίᾳ ὑπὸ Δερκυλίδᾳ, Λακεδαιμόνιοι κατὰ τὸν αὐτὸν χρόνον, πάλαι ὀργιζόμενοι τοῖς Ἑλείοις καὶ ὅτι ἐποιήσαντο συμμαχίαν πρὸς Ἀθηναίους καὶ Ἀργεῖους καὶ Μαντινέας, καὶ ὅτι δίκην φάσκοντες καταδεδικάσθαι αὐτῶν ἐκώλουν καὶ τοῦ ἱππικοῦ καὶ τοῦ γυμνικοῦ ἀγῶνος, καὶ οὐ μόνον ταῦτ' ἤρκει, ἀλλὰ καὶ Λίχα παραδόντος Θηβαίοις τὸ ἄρμα, ἐπεὶ ἐκηρύττοντο νικῶντες, ὅτε εἰσῆλθε Λίχας στεφανώσων τὸν ἡνίοχον, μαστιγοῦντες αὐτόν, ἄνδρα γέροντα, ἐξήλασαν· [3.2.22] τούτων δ' ὕστερον καὶ Ἄγιδος πεμφθέντος θῆσαι τῷ Διὶ κατὰ μαντείαν τινὰ ἐκώλουν οἱ Ἑλεῖοι μὴ προσεύχεσθαι νίκην πολέμου, λέγοντες ὡς καὶ τὸ ἀρχαῖον εἴη οὕτω νόμιμον, μὴ χρηστηριάζεσθαι τοὺς Ἑλλήνας ἐφ' Ἑλλήνων πολέμῳ. [3.2.23] ὥστε ἄθυτος ἀπῆλθεν. ἐκ τούτων οὖν πάντων ὀργιζομένοις ἔδοξε τοῖς ἐφόροις καὶ τῇ ἐκκλησίᾳ σωφρονίσαι αὐτούς. πέμψαντες οὖν πρέσβεις εἰς Ἥλιν εἶπον ὅτι τοῖς τέλεσι τῶν Λακεδαιμονίων δίκαιον δοκοῖν εἶναι ἀφιέναι αὐτοὺς τὰς περιοικίδας πόλεις αὐτονόμους. ἀποκριναμένων δὲ τῶν Ἑλείων ὅτι οὐ ποιήσοιεν ταῦτα, ἐπιληίδας γὰρ ἔχοιεν τὰς

πόλεις, φρουρὰν ἔφηναν οἱ ἔφοροι. ἄγων δὲ τὸ στράτευμα Ἅγις ἐνέβαλε διὰ τῆς Ἀχαΐας εἰς τὴν Ἥλειαν κατὰ Λάρισον. [3.2.24] ἄρτι δὲ τοῦ στρατεύματος ὄντος ἐν τῇ πολεμίᾳ καὶ κοπτομένης τῆς χώρας, σεισμὸς ἐπιγίγνεται· ὁ δ' Ἅγις θεῖον ἡγησάμενος ἐξελθὼν πάλιν ἐκ τῆς χώρας διαφῆκε τὸ στράτευμα. ἐκ δὲ τούτου οἱ Ἥλαιοι πολλὸν θρασύτεροι ἦσαν, καὶ διεπρεσβεύοντο εἰς τὰς πόλεις, ὅσας ἥιδεσαν δυσμενεῖς τοῖς Λακεδαιμονίοις οὕσας. [3.2.25] περιόντι δὲ τῷ ἐνιαυτῷ φαίνουσι πάλιν οἱ ἔφοροι φρουρὰν ἐπὶ τὴν Ἥλιν, καὶ συνεστρατεύοντο τῷ Ἁγίδι πλὴν Βοιωτῶν καὶ Κορινθίων οἳ τε ἄλλοι πάντες σύμμαχοι καὶ οἱ Ἀθηναῖοι. ἐμβαλόντος δὲ τοῦ Ἁγίδος δι' Αὐλῶνος, εὐθὺς μὲν Λεπρεᾶται ἀποστάντες τῶν Ἥλειων προσεχώρησαν αὐτῷ, εὐθὺς δὲ Μακίστιοι, ἐχόμενοι δ' Ἐπιταλιεῖς. διαβαίνοντι δὲ τὸν ποταμὸν προσεχώρουν Λετρίνοι καὶ Ἀμφίδολοι καὶ Μαργανεῖς. [3.2.26] ἐκ δὲ τούτου ἐλθὼν εἰς Ὀλυμπίαν ἔθυε τῷ Διὶ τῷ Ὀλυμπίῳ· κωλύειν δὲ οὐδεὶς ἔτι ἐπειράτο. θύσας δὲ πρὸς τὸ ἄστυ ἐπορεύετο, κόπτων καὶ κάων τὴν χώραν, καὶ ὑέρπολλα μὲν κτήνη, ὑέρπολλα δὲ ἀνδράποδα ἡλίσκετο ἐκ τῆς χώρας· ὥστε ἀκούοντες καὶ ἄλλοι πολλοὶ τῶν Ἀρκάδων καὶ Ἀχαιῶν ἐκόντες ἦσαν συστρατευσόμενοι καὶ μετεῖχον τῆς ἀρπαγῆς. καὶ ἐγένετο αὕτη ἡ στρατεία ὥσπερ ἐπισιτισμὸς τῇ Πελοποννήσῳ. [3.2.27] ἐπεὶ δὲ ἀφίκετο πρὸς τὴν πόλιν, τὰ μὲν προάστια καὶ τὰ γυμνάσια καλὰ ὄντα ἐλυμαίνετο, τὴν δὲ πόλιν [ἀτείχιστος γὰρ ἦν] ἐνόμισαν αὐτὸν μὴ βούλεσθαι μᾶλλον ἢ μὴ δύνασθαι ἐλεῖν. δηιουμένης δὲ τῆς χώρας, καὶ οὔσης τῆς στρατιᾶς περὶ Κυλλήνην, βουλόμενοι οἱ περὶ Ξενίαν τὸν λεγόμενον μεδίμνῳ ἀπομετρήσασθαι <τὸ> παρὰ τοῦ πατρὸς ἀργύριον <δι' αὐτῶν> προσχωρῆσαι τοῖς Λακεδαιμονίοις, ἐκπεσόντες ἐξ οἰκίας ξίφη ἔχοντες σφαγὰς ποιοῦσι, καὶ ἄλλους τέ τινας ἀποκτείνουσι καὶ ὅμοιόν τινα Θρασυδαῖω ἀποκτείναντες τῷ τοῦ δήμου προστάτῃ ὦιοντο Θρασυδαῖον ἀπεκτονέειν, ὥστε ὁ μὲν δῆμος παντελῶς κατηθύμῃσε καὶ ἡσυχίαν εἶχεν, [3.2.28] οἱ δὲ σφαγεῖς πάντ' ὦιοντο πεπραγμένα εἶναι, καὶ οἱ ὁμογνώμονες αὐτοῖς ἐξεφέροντο τὰ ὄπλα εἰς τὴν ἀγοράν. ὁ δὲ Θρασυδαῖος ἔτι καθεύδων ἐτύγχανεν οὗπερ ἐμεθύσθη. ὥς δὲ ἦισθετο ὁ δῆμος ὅτι οὐ τέθνηκεν ὁ Θρασυδαῖος, περιεπλήσθη ἡ οἰκία ἔνθεν καὶ ἔνθεν, ὥσπερ ὑπὸ ἐσμοῦ μελιττῶν ὁ ἡγεμὼν. [3.2.29] ἐπειδὴ δὲ ἡγεῖτο ὁ Θρασυδαῖος ἀναλαβὼν τὸν δῆμον, γενομένης μάχης ἐκράτησεν ὁ δῆμος, ἐξέπεσον δὲ πρὸς τοὺς Λακεδαιμονίους οἱ ἐγχειρήσαντες ταῖς σφαγαῖς. ἐπεὶ δ' αὖ ὁ

Ἅγις ἀπιὼν διέβη πάλιν τὸν Ἀλφειόν, φρουροὺς καταλιπὼν ἐν Ἐπιταλίῳ πλησίον τοῦ Ἀλφειοῦ καὶ Λύσιππον ἀρμοστήν καὶ τοὺς ἐξ Ἥλιδος φυγάδας, τὸ μὲν στράτευμα διῆκεν, αὐτὸς δὲ οἴκαδε ἀπῆλθε. [3.2.30] καὶ τὸ μὲν λοιπὸν θέρος καὶ τὸν ἐπιόντα χειμῶνα ὑπὸ τοῦ Λυσίππου καὶ τῶν περὶ αὐτὸν ἐφέρετο καὶ ἤγετο ἢ τῶν Ἥλειων χώρα. τοῦ δ' ἐπιόντος θέρους πέμψας Θρασυδαῖος εἰς Λακεδαιμόνα συνεχώρησε Φέας τε τὸ τεῖχος περιελεῖν καὶ Κυλλήνης καὶ τὰς Τριφυλίδας πόλεις ἀφεῖναι Φρίζαν καὶ Ἐπιτάλιον καὶ Λετρίνους καὶ Ἀμφιδόλους καὶ Μαργανέας, πρὸς δὲ ταύταις καὶ Ἀκρωρείους καὶ Λασιῶνα τὸν ὑπ' Ἀρκάδων ἀντιλεγόμενον. Ἦπειον μέντοι τὴν μεταξὺ πόλιν Ἡραίας καὶ Μακίστου ἡξίουσι οἱ Ἥλαιοι ἔχειν· πρίασθαι γὰρ ἔφασαν τὴν χώραν ἅπασαν παρὰ τῶν τότε ἐχόντων τὴν πόλιν τριάκοντα ταλάντων, καὶ τὸ ἀργύριον δεδωκέναι. [3.2.31] οἱ δὲ Λακεδαιμόνιοι γνόντες μηδὲν δικαιότερον εἶναι βίαι πριαμένους ἢ βίαι ἀφελομένους παρὰ τῶν ἡττόντων λαμβάνειν, ἀφιέναι καὶ ταύτην ἡνάγκασαν· τοῦ μέντοι προεστάναι τοῦ Διὸς τοῦ Ὀλυμπίου ἱεροῦ, καίπερ οὐκ ἀρχαίου Ἥλαιοις ὄντος, οὐκ ἀπήλασαν αὐτούς, νομίζοντες τοὺς ἀντιποιοιμένους χωρίτας εἶναι καὶ οὐχ ἱκανοὺς προεστάναι. τούτων δὲ συγχωρηθέντων εἰρήνη τε γίγνεται καὶ συμμαχία Ἥλειων πρὸς Λακεδαιμονίους. καὶ οὕτω μὲν δὴ ὁ Λακεδαιμονίων καὶ Ἥλειων πόλεμος ἔληξε.

[3.3.1] Μετὰ δὲ τοῦτο Ἅγις ἀφικόμενος εἰς Δελφοὺς καὶ τὴν δεκάτην ἀποθύσας, πάλιν ἀπιὼν ἔκαμεν ἐν Ἡραίαι, γέρων ἤδη ὢν, καὶ ἀπηνέχθη μὲν εἰς Λακεδαίμονα ἔτι ζῶν, ἐκεῖ δὲ ταχὺ ἐτελεύτησε· καὶ ἔτυχε σεμνοτέρας ἢ κατὰ ἄνθρωπον ταφῆς. ἐπεὶ δὲ ὠσιώθησαν αἱ ἡμέραι, καὶ ἔδει βασιλέα καθίστασθαι, ἀντέλεγον περὶ βασιλείας Λεωτυχίδης, υἱὸς φάσκων Ἄγιδος εἶναι, Ἀγησίλαος δὲ ἀδελφός. [3.3.2] εἰπόντος δὲ τοῦ Λεωτυχίδου· Ἀλλ' ὁ νόμος, ὃ Ἀγησίλαε, οὐκ ἀδελφὸν ἄλλ' υἱὸν βασιλέως βασιλεύειν κελεύει· εἰ δὲ υἱὸς ὢν μὴ τυγχάνοι, ὁ ἀδελφός καὶ ὥς βασιλεύοι. Ἐμὲ ἂν δέοι βασιλεύειν. Πῶς, ἐμοῦ γε ὄντος; Ὅτι ὢν τὸ καλεῖς πατέρα, οὐκ ἔφη σε εἶναι ἑαυτοῦ. Ἀλλ' ἢ πολὺ κάλλιον ἐκείνου εἰδυῖα μήτηρ καὶ νῦν ἔτι φησίν. Ἀλλὰ ὁ Ποτειδὰν ὥς μάλα σευ ψευδομένῳ κατεμήνυσεν ἐκ τοῦ θαλάμου ἐξελάσας σεισμῳ εἰς τὸ φανερόν τὸν σὸν πατέρα. συνεμαρτύρησε δὲ ταῦτ' αὐτῷ καὶ ὁ ἀληθέστατος λεγόμενος χρόνος εἶναι· ἀφ' οὗ γάρ τοι ἔφυσέ <σε> καὶ ἐφάνη ἐν τῷ θαλάμῳ, δεκάτῳ μηνὶ ἐγένου. οἱ μὲν τοιαῦτ' ἔλεγον. [3.3.3] Διοπείθης δέ, μάλα χρησμολόγος ἀνὴρ,

Λεωτυχίδῃ συναγορεύων εἶπεν ὥς καὶ Ἀπόλλωνος χρησμὸς εἴη φυλάξασθαι τὴν χωλὴν βασιλείαν. Λύσανδρος δὲ πρὸς αὐτὸν ὑπὲρ Ἀγησιλάου ἀντεῖπεν ὥς οὐκ οἶοιτο τὸν θεὸν τοῦτο κελεύειν φυλάξασθαι, μὴ προσπταίσας τις χωλεύσαι, ἀλλὰ μάλλον μὴ οὐκ ὦν τοῦ γένους βασιλεύσειε. παντάπασι γὰρ ἂν χωλὴν εἶναι τὴν βασιλείαν ὁπότε μὴ οἱ ἀφ' Ἑρακλέους τῆς πόλεως ἡγοῖντο. [3.3.4] τοιαῦτα δὲ ἀκούσασα ἡ πόλις ἀμφοτέρων Ἀγησίλαον εἵλοντο βασιλέα.

Οὐπω δ' ἐνιαυτὸν ὄντος ἐν τῇ βασιλείᾳ Ἀγησιλάου, θύοντος αὐτοῦ τῶν τεταγμένων τινὰ θυσιῶν ὑπὲρ τῆς πόλεως εἶπεν ὁ μάντις ὅτι ἐπιβουλήν τινα τῶν δεινотάτων φαίνοιεν οἱ θεοί. ἐπεὶ δὲ πάλιν ἔθυεν, ἔτι δεινότερα ἔφη τὰ ἱερὰ φαίνεσθαι. τὸ τρίτον δὲ θύοντος, εἶπεν· Ὡ Ἀγησίλαε, ὥσπερ εἰ ἐν αὐτοῖς εἴημεν τοῖς πολεμίοις, οὕτω μοι σημαίνεται. ἐκ δὲ τούτου θύοντες καὶ τοῖς ἀποτροπαίοις καὶ τοῖς σωτήρσι, καὶ μόλις καλλιερήσαντες, ἐπαύσαντο. ληγούσης δὲ τῆς θυσίας ἐντὸς πένθ' ἡμερῶν καταγορεύει τις πρὸς τοὺς ἐφόρους ἐπιβουλήν καὶ τὸν ἀρχηγὸν τοῦ πράγματος Κινάδωνα. [3.3.5] οὗτος δ' ἦν καὶ τὸ εἶδος νεανίσκος καὶ τὴν ψυχὴν εὐρωστος, οὐ μέντοι τῶν ὁμοίων. ἐρομένων δὲ τῶν ἐφόρων πῶς φαίη τὴν πρᾶξιν ἔσσεσθαι, εἶπεν ὁ εἰσαγγεῖλας ὅτι ὁ Κινάδων ἀγαγὼν αὐτὸν ἐπὶ τὸ ἔσχατον τῆς ἀγορᾶς ἀριθμῆσαι κελεύει ὁπόσοι εἶεν Σπαρτιαῖται ἐν τῇ ἀγορᾷ. καὶ ἐγώ, ἔφη, ἀριθμήσας βασιλέα τε καὶ ἐφόρους καὶ γέροντας καὶ ἄλλους ὥς τετταράκοντα, ἡρόμην· Τί δή με τούτους, ὦ Κινάδων, ἐκέλευσας ἀριθμῆσαι; ὁ δὲ εἶπε· Τούτους, ἔφη, νόμιζέ σοι πολεμίους εἶναι, τοὺς δ' ἄλλους πάντας συμμάχους πλέον ἢ τετρακισχιλίους ὄντας τοὺς ἐν τῇ ἀγορᾷ. ἐπιδεικνύναι δ' αὐτὸν ἔφη ἐν ταῖς ὁδοῖς ἔνθα μὲν ἓνα, ἔνθα δὲ δύο πολεμίους ἀπαντῶντας τοὺς δ' ἄλλους ἅπαντας συμμάχους· καὶ ὅσοι δὴ ἐν τοῖς χωρίοις Σπαρτιατῶν τύχοιεν ὄντες, ἓνα μὲν πολέμιον τὸν δεσπότην, συμμάχους δ' ἐν ἐκάστῳ πολλούς. [3.3.6] ἐρωτῶντων δὲ τῶν ἐφόρων πόσους φαίη καὶ τοὺς συνειδόμενους τὴν πρᾶξιν εἶναι, λέγειν καὶ περὶ τούτου ἔφη αὐτὸν ὥς σφίσι μὲν τοῖς προστατεύουσιν οὐ πάνυ πολλοί, ἀξιόπιστοι δὲ συνειδεῖν· αὐτοὶ μέντοι πᾶσιν ἔφασαν συνειδέειν καὶ εἴλωσι καὶ νεοδαμώδεσι καὶ τοῖς ὑπομείοσι καὶ τοῖς περιοίκοις· ὅπου γὰρ ἐν τούτοις τις λόγος γένοιτο περὶ Σπαρτιατῶν, οὐδένα δύνασθαι κρύπτειν τὸ μὴ οὐχ ἡδέως ἂν καὶ ὠμῶν ἐσθίειν αὐτῶν. [3.3.7] πάλιν οὖν ἐρωτῶντων· Ὅπλα δὲ πόθεν ἔφασαν λήψεσθαι; τὸν δ' εἰπεῖν ὅτι

οἱ μὲν δὴπου συντεταγμένοι ἡμῶν αὐτοῖ [ἔφασάν γε] ὄπλα κεκτήμεθα, τῷ δ' ὄχλῳ, ἀγαγόντα εἰς τὸν σίδηρον ἐπιδείξει αὐτὸν ἔφη πολλὰς μὲν μαχαίρας, πολλὰ δὲ ξίφη, πολλοὺς δὲ ὀβελίσκους, πολλοὺς δὲ πελέκεις καὶ ἀξίνας, πολλὰ δὲ δρέπανα. λέγειν δ' αὐτὸν ἔφη ὅτι καὶ ταῦτα ὄπλα πάντ' εἴη ὁπόσοις ἄνθρωποι καὶ γῆν καὶ ξύλα καὶ λίθους ἐργάζονται, καὶ τῶν ἄλλων δὲ τεχνῶν τὰς πλείστας τὰ ὄργανα ὄπλα ἔχειν ἀρκοῦντα, ἄλλως τε καὶ πρὸς ἀόπλους. πάλιν αὖ ἐρωτώμενος ἐν τίνι χρόνῳ μέλλοι ταῦτα πράττεσθαι, εἶπεν ὅτι ἐπιδημεῖν οἱ παρηγγελμένον εἴη. [3.3.8] ἀκούσαντες ταῦτα οἱ ἔφοροι ἐσκεμμένα τε λέγειν ἠγήσαντο αὐτὸν καὶ ἐξεπλάγησαν, καὶ οὐδὲ τὴν μικρὰν καλουμένην ἐκκλησίαν συλλέξαντες, ἀλλὰ συλλεγόμενοι τῶν γερόντων ἄλλος ἄλλοθι ἐβουλευσάντο πέμψαι τὸν Κινάδωνα εἰς Αὐλῶνα σὺν ἄλλοις τῶν νεωτέρων καὶ κελεῦσαι ἥκειν ἄγοντα τῶν Αὐλωνιτῶν τέ τινας καὶ τῶν εἰλώτων τοὺς ἐν τῇ σκυτάλῃ γεγραμμένους. ἀγαγεῖν δὲ ἐκέλευον καὶ τὴν γυναῖκα, ἥ καλλίστη μὲν αὐτόθι ἐλέγετο εἶναι, λυμαίνεσθαι δ' ἐώκει τοὺς ἀφικνουμένους Λακεδαιμονίων καὶ πρεσβυτέρους καὶ νεωτέρους. [3.3.9] ὑπηρετήκει δὲ καὶ ἄλλ' ἤδη ὁ Κινάδων τοῖς ἐφόροις τοιαῦτα. καὶ τότε δὴ ἔδοσαν τὴν σκυτάλην ἐκείνῳ, ἐν ᾗ γεγραμμένοι ἦσαν οὕς ἔδει συλληφθῆναι. ἐρομένου δὲ τίνας ἄγοι μεθ' ἑαυτοῦ τῶν νέων, Ἴθι, ἔφασαν, καὶ τὸν πρεσβύτατον τῶν ἱππαγρετῶν κέλευέ σοι συμπέμψαι ἐξ ἧς ἐπτά οἱ ἂν τύχωσι παρόντες. ἐμεμελήκει δὲ αὐτοῖς ὅπως ὁ ἱππαγρέτης εἰδεῖν οὕς δέοι πέμπειν, καὶ οἱ πεμπόμενοι εἰδεῖν ὅτι Κινάδωνα δέοι συλλαβεῖν. εἶπον δὲ καὶ τοῦτο τῷ Κινάδωνι, ὅτι πέμψοιεν τρεῖς ἀμάξας, ἵνα μὴ πεζοὺς ἄγωσι τοὺς ληφθέντας, ἀφανίζοντες ὥς ἐδύναντο μάλιστα ὅτι ἐφ' ἓνα ἐκείνον ἔπεμπον. [3.3.10] ἐν δὲ τῇ πόλει οὐ συνελάμβανον αὐτόν, ὅτι τὸ πρᾶγμα οὐκ ᾔιδεσαν ὁπόσον τὸ μέγεθος εἴη, καὶ ἀκοῦσαι πρῶτον ἐβούλοντο τοῦ Κινάδωνος οἵτινες εἶεν οἱ συμπράττοντες, πρὶν αἰσθῆσθαι αὐτοὺς ὅτι μεμῆνυνται, ἵνα μὴ ἀποδρῶσιν. ἔμελλον δὲ οἱ συλλαβόντες αὐτὸν μὲν κατέχειν, τοὺς δὲ συνειδότας πυθόμενοι αὐτοῦ γράψαντες ἀποπέμπειν τὴν ταχίστην τοῖς ἐφόροις. οὕτω δ' ἔσχον οἱ ἔφοροι πρὸς τὸ πρᾶγμα, ὥστε καὶ μόραν ἱπέων ἔπεμψαν τοῖς ἐπ' Αὐλῶνος. [3.3.11] ἐπεὶ δ' εἰλημμένου τοῦ ἀνδρὸς ἦκεν ἱππεὺς φέρων τὰ ὀνόματα ὧν ὁ Κινάδων ἀπέγραψε, παραχρῆμα τὸν τε μάντιν Τισαμενὸν καὶ τοὺς ἄλλους τοὺς ἐπικαιριωτάτους συνελάμβανον. ὥς δ' ἀνήχθη ὁ Κινάδων καὶ ἠλέγχετο, καὶ ὠμολόγει πάντα καὶ τοὺς συνειδότας

ἔλεγε, τέλος αὐτὸν ἤροντο τί καὶ βουλόμενος ταῦτα πράττοι. ὁ δ' ἀπεκρίνατο, μηδενὸς ἦττων εἶναι ἐν Λακεδαίμονι. ἐκ τούτου μέντοι ἤδη δεδεμένος καὶ τῷ χεῖρι καὶ τὸν τράχηλον ἐν κλοιῷ μαστιγούμενος καὶ κεντούμενος αὐτὸς τε καὶ οἱ μετ' αὐτοῦ κατὰ τὴν πόλιν περιήγοντο. καὶ οὗτοι μὲν δὴ τῆς δίκης ἔτυχον.

[3.4.1] Μετὰ δὲ ταῦτα Ἡρώδας τις Συρακόσιος ἐν Φοινίκῃ ὦν μετὰ ναυκλήρου τινός, καὶ ἰδὼν τριῆρεις Φοινίσσας, τὰς μὲν καταπλεύσας ἄλλοθεν, τὰς δὲ καὶ αὐτοῦ πεπληρωμένας, τὰς δὲ καὶ ἔτι κατασκευαζόμενας, προσακούσας δὲ καὶ τοῦτο, ὅτι τριακοσίας αὐτὰς δέοι γενέσθαι, ἐπιβάς ἐπὶ τὸ πρῶτον ἀναγόμενον πλοῖον εἰς τὴν Ἑλλάδα ἐξήγγειλε τοῖς Λακεδαιμονίοις ὡς βασιλέως καὶ Τισσαφέρνους τὸν στόλον τοῦτον παρασκευαζομένων· ὅποι δὲ οὐδὲν ἔφη εἰδέναι. [3.4.2] ἀνεπτρωμένων δὲ τῶν Λακεδαιμονίων καὶ τοὺς συμμάχους συναγόντων καὶ βουλευομένων τί χρὴ ποιεῖν, Λύσανδρος νομίζων καὶ τῷ ναυτικῷ πολὺ περιέσεσθαι τοὺς Ἕλληνας καὶ τὸ πεζὸν λογιζόμενος ὡς ἐσώθη τὸ μετὰ Κύρου ἀναβάν, πείθει τὸν Ἀγησίλαον ὑποστῆναι, ἂν αὐτῷ δῶσι τριάκοντα μὲν Σπαρτιατῶν, εἰς δισχιλίους δὲ τῶν νεοδαμῶδων, εἰς ἑξακισχιλίους δὲ τὸ σύνταγμα τῶν συμμάχων, στρατεύεσθαι εἰς τὴν Ἀσίαν. πρὸς δὲ τούτῳ τῷ λογισμῷ καὶ αὐτὸς συνεξελεθεῖν αὐτῷ ἐβούλετο, ὅπως τὰς δεκαρχίας τὰς κατασταθείσας ὑπ' ἐκείνου ἐν ταῖς πόλεσιν, ἐκπεπτωκυίας δὲ διὰ τοὺς ἐφόρους, οἱ τὰς πατρίους πολιτείας παρήγγειλαν, πάλιν καταστήσειε μετ' Ἀγησιλάου. [3.4.3] ἐπαγγελαμένου δὲ τοῦ Ἀγησιλάου τὴν στρατείαν, διδόασί τε οἱ Λακεδαιμόνιοι ὅσαπερ ἤτιθεε καὶ ἑξαμήνου σῖτον. ἐπὶ δὲ θυσάμενος ὅσα ἔδει καὶ τᾶλλα καὶ τὰ διαβατήρια ἐξῆλθε, ταῖς μὲν πόλεσι διαπέμψας ἀγγέλους προεῖπεν ὅσους τε δέοι ἐκασταχόθεν πέμπεσθαι καὶ ὅπου παρεῖναι, αὐτὸς δ' ἐβουλήθη ἐλθὼν θῦσαι ἐν Αὐλίδι, ἔνθαπερ ὁ Ἀγαμέμνων ὅτ' εἰς Τροίαν ἔπλει ἐθύετο. [3.4.4] ὡς δ' ἐκεῖ ἐγένετο, πυθόμενοι οἱ βοιώταρχοι ὅτι θύοι, πέμπαντες ἱππέας τοῦ τε λοιποῦ εἶπαν μὴ θύειν καὶ οἷς ἐνέτυχον ἱεροῖς τεθυμένοις διέρριψαν ἀπὸ τοῦ βωμοῦ. ὁ δ' ἐπιμαρτυράμενος τοὺς θεοὺς καὶ ὀργιζόμενος, ἀναβὰς ἐπὶ τὴν τριήρη ἀπέπλει. ἀφικόμενος δὲ ἐπὶ Γεραστόν, καὶ συλλέξας ἐκεῖ ὅσον ἐδύνατο τοῦ στρατεύματος πλεῖστον, εἰς Ἔφεσον τὸν στόλον ἐποίητο.

[3.4.5] Ἐπεὶ δὲ ἐκεῖσε ἀφίκετο, πρῶτον μὲν Τισσαφέρνης πέμψας ἤρετο αὐτὸν τίνας δεόμενος ἦκοι. ὁ δ' εἶπεν αὐτονόμους καὶ τὰς ἐν

τῇ Ἀσίᾳ πόλεις εἶναι, ὥσπερ καὶ τὰς ἐν τῇ παρ' ἡμῖν Ἑλλάδι, πρὸς ταῦτ' εἶπεν ὁ Τισσαφέρνης· Εἰ τοίνυν θέλεις σπείσασθαι ἕως ἂν ἐγὼ πρὸς βασιλέα πέμψω, οἶμαι ἂν σε ταῦτα διαπραξάμενον ἀποπλεῖν, εἰ βούλοιο. Ἀλλὰ βουλοίμην ἂν, ἔφη, εἰ μὴ οἰοίμην γε ὑπὸ σοῦ ἐξαπατᾶσθαι. Ἀλλ' ἔξεστιν, ἔφη, σοὶ τούτων πίστιν λαβεῖν ἢ μὴν ἀδόλως \ σοῦ πράττοντος ταῦτα ἡμᾶς μηδὲν τῆς σῆς ἀρχῆς ἀδικήσιν ἐν ταῖς σπονδαῖς. [3.4.6] ἐπὶ τούτοις ῥηθεῖσι Τισσαφέρνης μὲν ὤμοσε τοῖς πεμφθεῖσι πρὸς αὐτὸν Ἡριππίδαι καὶ Δερκυλίδαι καὶ Μεγίλλωι ἢ μὴν πράξειν ἀδόλως τὴν εἰρήνην, ἐκεῖνοι δὲ ἀντῴμοσαν ὑπὲρ Ἀγησιλάου Τισσαφέρνει ἢ μὴν ταῦτα πράττοντος αὐτοῦ ἐμπεδώσειν τὰς σπονδάς. ὁ μὲν δὴ Τισσαφέρνης ἃ ὤμοσεν εὐθύς ἐψεύσατο· ἀντὶ γὰρ τοῦ εἰρήνην ἔχειν στράτευμα πολὺ παρὰ βασιλέως πρὸς ᾧ εἶχε πρόσθεν μετεπέμπετο. Ἀγησίλαος δέ, καίπερ αἰσθανόμενος ταῦτα, ὁμῶς ἐπέμενε ταῖς σπονδαῖς.

[3.4.7] Ὡς δὲ ἡσυχίαν τε καὶ σχολὴν ἔχων ὁ Ἀγησίλαος διέτριβεν ἐν τῇ Ἐφέσῳ, ἅτε συντεταραγμένων ἐν ταῖς πόλεσι τῶν πολιτειῶν, καὶ οὔτε δημοκρατίας ἔτι οὔσης, ὥσπερ ἐπ' Ἀθηναίων, οὔτε δεκαρχίας, ὥσπερ ἐπὶ Λυσάνδρου, ἅτε γινώσκοντες πάντες τὸν Λύσανδρον, προσέκειντο αὐτῷ ἀξιοῦντες διαπράττεσθαι αὐτὸν παρ' Ἀγησιλάου ὧν ἐδέοντο· καὶ διὰ ταῦτα αἰεὶ παμπλήθης ὄχλος θεραπεύων αὐτὸν ἠκολούθει, ὥστε ὁ μὲν Ἀγησίλαος ιδιώτης ἐφαίνετο, ὁ δὲ Λύσανδρος βασιλεύς. [3.4.8] ὅτι μὲν οὖν ἔμηνε καὶ τὸν Ἀγησίλαον ταῦτα ἐδήλωσεν ὕστερον· οἱ γε μὴν ἄλλοι τριάκοντα ὑπὸ τοῦ φθόνου οὐκ ἐσίγων, ἀλλ' ἔλεγον πρὸς τὸν Ἀγησίλαον ὡς παράνομα ποιοίη Λύσανδρος τῆς βασιλείας ὀγκηρότερον διάγων. ἐπεὶ δὲ καὶ ἥρξατο προσάγειν τινὰς τῷ Ἀγησιλάῳ ὁ Λύσανδρος, πάντας οἷς γνοίη αὐτὸν συμπράττοντά τι ἡττωμένους ἀπέπεμπεν. ὥς δ' αἰεὶ τὰ ἐναντία ὧν ἐβούλετο ἀπέβαινε τῷ Λυσάνδρῳ, ἔγνω δὴ τὸ γινόμενον· καὶ οὔτε ἐπεσθαι ἑαυτῷ ἔτι εἶα ὄχλον τοῖς τε συμπράξαι τι δεομένοις σαφῶς ἔλεγεν ὅτι ἔλαττον ἔξοιεν. εἰ αὐτὸς παρεῖη. [3.4.9] βαρέως δὲ φέρων τῇ ἀτιμίᾳ, προσελθὼν εἶπεν· ὦ Ἀγησίλαε, μειοῦν μὲν ἄρα σύ γε τοὺς φίλους ἠπίστω. Ναὶ μὰ Δί', ἔφη, τοὺς γε βουλομένους ἐμοῦ μείζους φαίνεσθαι· τοὺς δέ γε αὖξοντας εἰ μὴ ἐπισταίμην ἀντιτιμᾶν, αἰσχυνοίμην ἂν. καὶ ὁ Λύσανδρος εἶπεν· Ἀλλ' ἴσως καὶ μᾶλλον εἰκότα σὺ ποιεῖς ἢ ἐγὼ ἔπραττον. τάδε οὖν μοι ἐκ τοῦ λοιποῦ χάρισαι, ὅπως ἂν μὴτ' αἰσχύνομαι ἀδυνατῶν παρὰ σοὶ μὴτ' ἐμποδῶν σοὶ ᾧ, ἀπόπεμψόν ποί με. ὅπου γὰρ ἂν ᾧ, πειράσομαι ἐν καιρῷ σοὶ

εἶναι. [3.4.10] εἰπόντος δὲ ταῦτα ἔδοξε καὶ τῷ Ἀγησιλάῳ οὕτω ποιῆσαι, καὶ πέμπει αὐτὸν ἐφ' Ἑλλησπόντου. ἐκεῖ δὲ ὁ Λύσανδρος αἰσθόμενος Σπιθριδάτην τὸν Πέρσην ἐλαττούμενόν τι ὑπὸ Φαρναβάζου, διαλέγεται αὐτῷ καὶ πείθει ἀποστῆναι ἔχοντα τοὺς τε παῖδας καὶ τὰ περὶ αὐτὸν χρήματα καὶ ἱππέας ὥς διακοσίους. καὶ τὰ μὲν ἄλλα κατέλιπεν ἐν Κυζίκῳ, αὐτὸν δὲ καὶ τὸν υἱὸν ἀναβιβασάμενος ἦκεν ἄγων πρὸς Ἀγησίλαον, ἰδὼν δὲ ὁ Ἀγησίλαος ἦσθη τε τῇ πράξει καὶ εὐθὺς ἀνεπυνθάνετο περὶ τῆς Φαρναβάζου χώρας τε καὶ ἀρχῆς.

[3.4.11] Ἐπεὶ δὲ μέγα φρονήσας ὁ Τισσαφέρνης ἐπὶ τῷ καταβάντι στρατεύματι παρὰ βασιλέως προεῖπεν Ἀγησιλάῳ πόλεμον, εἰ μὴ ἀπίοι ἐκ τῆς Ἀσίας, οἱ μὲν ἄλλοι σύμμαχοι καὶ Λακεδαιμονίων οἱ παρόντες μάλα ἀχθεσθέντες φανεροὶ ἐγένοντο, νομίζοντες ἐλάττω τὴν παροῦσαν εἶναι δύναμιν Ἀγησιλάῳ τῆς βασιλέως παρασκευῆς, Ἀγησίλαος δὲ μάλα φαιδρῶι τῷ προσώπῳ ἀπαγγεῖλαι Τισσαφέρνει τοὺς πρέσβεις ἐκέλευσεν ὥς πολλὴν χάριν αὐτῷ ἔχει, ὅτι ἐπιорκήσας αὐτὸς μὲν πολεμίους τοὺς θεοὺς ἐκτήσατο, τοῖς δ' Ἑλλήσι συμμάχους ἐποίησεν. ἐκ δὲ τούτου εὐθὺς τοῖς μὲν στρατιώταις παρήγγειλε συσκευάζεσθαι ὥς εἰς στρατείαν, ταῖς δὲ πόλεσιν εἰς ἃς ἀνάγκη ἦν ἀφικνεῖσθαι στρατευομένῳ ἐπὶ Καρίαν προεῖπεν ἀγορὰν παρασκευάζειν. ἐπέστειλε δὲ καὶ Ἴωσι καὶ Αἰολεῦσι καὶ Ἑλλησποντίοις πέμπειν πρὸς ἑαυτὸν εἰς Ἐφεσον τοὺς συστρατευσομένους. [3.4.12] ὁ δὲ Τισσαφέρνης, καὶ ὅτι ἱππικὸν οὐκ εἶχεν ὁ Ἀγησίλαος, ἡ δὲ Καρία ἄφιππος ἦν, καὶ ὅτι ἡγεῖτο αὐτὸν ὀργίζεσθαι αὐτῷ διὰ τὴν ἀπάτην, τῷ ὄντι νομίσας ἐπὶ τὸν αὐτοῦ οἶκον εἰς Καρίαν αὐτὸν ὀρμήσειν, τὸ μὲν πεζὸν ἅπαν διεβίβασεν ἐκεῖσε, τὸ δ' ἱππικὸν εἰς τὸ Μαιάνδρου πεδῖον περιῆγε, νομίζων ἱκανὸς εἶναι καταπατῆσαι τῇ ἵπῳ τοὺς Ἑλληνας, πρὶν εἰς τὰ δύσιππα ἀφικέσθαι. ὁ δ' Ἀγησίλαος ἀντὶ τοῦ ἐπὶ Καρίαν ἰέναι εὐθὺς τάναντία ἀποστρέψας ἐπὶ Φρυγίας ἐπορεύετο, καὶ τάς τ' ἐν τῇ πορείᾳ πόλεις κατεστρέφετο καὶ ἐμβάλων ἀπροσδοκῆτοῖς παμπλήθῃ χρήματα ἐλάμβανε. [3.4.13] καὶ τὸν μὲν ἄλλον χρόνον ἀσφαλῶς διεπορεύετο· οὐ πόρρω δ' ὄντος Δασκυλείου, προϊόντος αὐτοῦ οἱ ἱππεῖς ἤλαυνον ἐπὶ λόφον τινά, ὥς προΐδοιεν τί τὰμπροσθεν εἴη. κατὰ τύχην δὲ τινα καὶ οἱ τοῦ Φαρναβάζου ἱππεῖς οἱ περὶ Ῥαθίην καὶ Βαγαῖον τὸν νόθον ἀδελφόν, ὄντες παρόμοιοι τοῖς Ἑλλήσι τὸν ἀριθμόν, πεμφθέντες ὑπὸ Φαρναβάζου ἤλαυνον καὶ οὗτοι ἐπὶ τὸν

αὐτὸν τοῦτον λόφον. ἰδόντες δὲ ἀλλήλους οὐδὲ τέτταρα πλέθρα ἀπέχοντας, τὸ μὲν πρῶτον ἔστησαν ἀμφοτέροι, οἱ μὲν Ἑλληνες ἵππεῖς ὥσπερ φάλαγξ ἐπὶ τεττάρων παρατεταγμένοι, οἱ δὲ βάρβαροι τοὺς πρώτους οὐ πλέον ἢ εἰς δώδεκα ποιήσαντες, τὸ βάθος δ' ἐπὶ πολλῶν. ἔπειτα μέντοι πρόσθεν ὤρμησαν οἱ βάρβαροι. [3.4.14] ὥς δ' εἰς χεῖρας ἦλθον, ὅσοι μὲν τῶν Ἑλλήνων ἔπαισάν τινας, πάντες συνέτριψαν τὰ δόρατα, οἱ δὲ Πέρσαι κρανεῖνα παλτὰ ἔχοντες ταχὺ δώδεκα μὲν ἱππέας, δύο δ' ἵππους ἀπέκτειναν. ἐκ δὲ τούτου ἐτρέφθησαν οἱ Ἑλληνες ἵππεῖς, βοηθήσαντος δὲ Ἀγησιλάου σὺν τοῖς ὀπλίταις, πάλιν ἀπεχώρουν οἱ βάρβαροι, καὶ [Περσῶν] εἰς αὐτῶν ἀποθνήσκει. [3.4.15] γενομένης δὲ ταύτης τῆς ἱππομαχίας, θυομένῳ τῷ Ἀγησιλάῳ τῇ ὑστεραίᾳ ἐπὶ προόδῳ ἄλοβα γίγνεται τὰ ἱερά. τούτου μέντοι φανέντος στρέψας ἐπορεύετο ἐπὶ θάλατταν. γινώσκων δὲ ὅτι εἰ μὴ ἱππικὸν ἱκανὸν κτήσαιοτο, οὐ δυνήσοιτο κατὰ τὰ πεδία στρατεύεσθαι, ἔγνω τοῦτο κατασκευαστέον εἶναι, ὥς μὴ δραπετεύοντα πολεμεῖν δεοί. καὶ τοὺς μὲν πλουσιωτάτους ἐκ πασῶν τῶν ἐκεῖ πόλεων ἵπποτροφεῖν κατέλεξε· προειπὼν δέ, ὅστις παρέχοιτο ἵππον καὶ ὄπλα καὶ ἄνδρα δόκιμον, ὅτι ἐξέσται αὐτῷ μὴ στρατεύεσθαι, ἐποίησεν οὕτω ταῦτα συντόμως πράττεσθαι ὥσπερ ἂν τις τὸν ὑπὲρ αὐτοῦ ἀποθανούμενον προθύμως ζητοίη.

[3.4.16] Ἐκ δὲ τούτου ἐπειδὴ ἔαρ ὑπέφαινε, συνήγαγε μὲν ἅπαν τὸ στράτευμα εἰς Ἑφεσον· ἀσκήσαι δ' αὐτὸ βουλόμενος ἄθλα προύθηκε ταῖς τε ὀπλιτικάῃς τάξεσιν, ἥτις ἄριστα σωμάτων ἔχοι, καὶ ταῖς ἱππικαῖς, ἥτις κράτιστα ἱππεῖς· καὶ πελτασταῖς δὲ καὶ τοξόταις ἄθλα προύθηκεν, ὅσοι κράτιστοι πρὸς τὰ προσήκοντα ἔργα φανεῖεν. ἐκ τούτου δὲ παρῆν ὁρᾶν τὰ μὲν γυμνάσια πάντα μεστὰ ἀνδρῶν τῶν γυμναζομένων, τὸν δ' ἱππόδρομον τῶν ἱππαζομένων, τοὺς δὲ ἀκοντιστὰς καὶ τοὺς τοξότας μελετῶντας. [3.4.17] ἀξίαν δὲ καὶ ὅλην τὴν πόλιν ἐν ἣ ἦν [τὴν Ἑφεσον] θεάς ἐποίησεν· ἥ τε γὰρ ἀγορὰ ἦν μεστὴ παντοδαπῶν καὶ ἵππων καὶ ὄπλων ὀνίων, οἱ τε χαλκοτύποι καὶ οἱ τέκτονες καὶ οἱ χαλκεῖς καὶ οἱ σκυτοτόμοι καὶ οἱ ζωγράφοι πάντες πολεμικὰ ὄπλα κατεσκευάζον, ὥστε τὴν πόλιν ὄντως οἶεσθαι πολέμου ἐργαστήριον εἶναι. [3.4.18] ἐπερρώσθη δ' ἂν τις κάκεῖνο ἰδὼν, Ἀγησίλαον μὲν πρῶτον, ἔπειτα δὲ καὶ τοὺς ἄλλους στρατιώτας ἐστεφανωμένους ἀπὸ τῶν γυμνασίων ἀπιόντας καὶ ἀνατιθέντας τοὺς στεφάνους τῇ Ἀρτέμιδι. ὅπου γὰρ ἄνδρες θεοὺς μὲν σέβοντο, τὰ δὲ πολεμικὰ ἀσκοῖεν, πειθαρχεῖν δὲ μελετῶιεν, πῶς οὐκ εἰκὸς ἐνταῦθα

πάντα μεστὰ ἐλπίδων ἀγαθῶν εἶναι; [3.4.19] ἡγούμενος δὲ καὶ τὸ καταφρονεῖν τῶν πολεμίῳν ῥώμην τινὰ ἐμβάλλειν πρὸς τὸ μάχεσθαι, προεῖπε τοῖς κήρυξι τοὺς ὑπὸ τῶν ληιστῶν ἀλικομένους βαρβάρους γυμνοὺς πωλεῖν. ὀρῶντες οὖν οἱ στρατιῶται λευκοὺς μὲν διὰ τὸ μηδέποτε ἐκδύεσθαι, μαλακοὺς δὲ καὶ ἀπόνους διὰ τὸ ἀεὶ ἐπ' ὀχημάτων εἶναι, ἐνόμισαν οὐδὲν διοίσειν τὸν πόλεμον ἢ εἰ γυναιξὶ δέοι μάχεσθαι.

[3.4.20] Ἐν δὲ τούτῳ τῷ χρόνῳ καὶ ὁ ἐνιαυτὸς ἤδη ἄφ' οὗ ἐξέπλευσεν ὁ Ἀγησίλαος διεληλύθει, ὥστε οἱ μὲν περὶ Λύσανδρον τριάκοντα οἴκαδε ἀπέπλεον, διάδοχοι δ' αὐτοῖς οἱ περὶ Ἑριππίδαν παρήσαν. τούτων Ξενοκλέα μὲν καὶ ἄλλον ἔταξεν ἐπὶ τοὺς ἱππέας, Σκύθην δὲ ἐπὶ τοὺς νεοδαμῶδεις ὀπλίτας, Ἑριππίδαν δ' ἐπὶ τοὺς Κυρείους, Μύγδωνα δὲ ἐπὶ τοὺς ἀπὸ τῶν πόλεων στρατιώτας, καὶ προεῖπεν αὐτοῖς ὥς εὐθὺς ἡγήσοιτο τὴν συντομωτάτην ἐπὶ τὰ κράτιστα τῆς χώρας, ὅπως αὐτόθεν οὕτω τὰ σώματα καὶ τὴν γνώμην παρασκευάζοιντο ὥς ἀγωνιούμενοι. [3.4.21] ὁ μὲντοι Τισσαφέρνης ταῦτα μὲν ἐνόμισε λέγειν αὐτὸν πάλιν βουλούμενον ἐξαπατῆσαι, εἰς Καρίαν δὲ νῦν τῷ ὄντι ἐμβαλεῖν, καὶ τό τε πεζὸν καθάπερ τὸ πρόσθεν εἰς Καρίαν διεβίβασε καὶ τὸ ἱππικὸν εἰς τὸ Μαιάνδρου πεδῖον κατέστησεν. ὁ δ' Ἀγησίλαος οὐκ ἐψεύσατο, ἀλλ' ὥσπερ προεῖπεν εὐθὺς εἰς τὸν Σαρδιανὸν τόπον ἐνέβαλε. καὶ τρεῖς μὲν ἡμέρας δι' ἐρημίας πολεμίῳν πορευόμενος πολλὰ τὰ ἐπιτήδεια τῇ στρατιᾷ εἶχε, τῇ δὲ τετάρτῃ ἦκον οἱ τῶν πολεμίῳν ἱππεῖς. [3.4.22] καὶ τῷ μὲν ἄρχοντι τῶν σκευοφόρων εἶπε διαβάντι τὸν Πακτωλὸν ποταμὸν στρατοπεδεύεσθαι, αὐτοὶ δὲ κατιδόντες τοὺς τῶν Ἑλλήνων ἀκολούθους ἐσπαρμένους εἰς ἀρπαγὴν πολλοὺς αὐτῶν ἀπέκτειναν. αἰσθόμενος δὲ Ἀγησίλαος, βοηθεῖν ἐκέλευσε τοὺς ἱππέας. οἱ δ' αὖ Πέρσαι ὥς εἶδον τὴν βοήθειαν, ἡθροίσθησαν καὶ ἀντιπαρετάξαντο παμπλήθεσι τῶν ἱππέων τάξεσιν. [3.4.23] ἔνθα δὴ ὁ Ἀγησίλαος γινώσκων ὅτι τοῖς μὲν πολεμίοις οὐπω παρείη τὸ πεζόν, αὐτῷ δὲ οὐδὲν ἀπεῖη τῶν παρεσκευασμένων, καιρὸν ἡγήσατο μάχην συνάψαι, εἰ δύναίτο. σφαγιασάμενος οὖν τὴν μὲν φάλαγγα εὐθὺς ἤγεν ἐπὶ τοὺς παρατεταγμένους ἱππέας, ἐκ δὲ τῶν ὀπλιτῶν ἐκέλευσε τὰ δέκα ἄφ' ἥβης θεῖν ὁμόσε αὐτοῖς. τοῖς δὲ πελτασταῖς εἶπε δρόμῳ ὑψηγεῖσθαι. παρήγγειλε δὲ καὶ τοῖς ἱππεύσιν ἐμβάλλειν, ὥς αὐτοῦ τε καὶ παντὸς τοῦ στρατεύματος ἐπομένου. [3.4.24] τοὺς μὲν δὴ ἱππέας ἐδέξαντο οἱ Πέρσαι· ἐπεὶ δ' ἅμα πάντα τὰ δεινὰ παρῆν, ἐνέκλιναν,

καὶ οἱ μὲν αὐτῶν εὐθὺς ἐν τῷ ποταμῷ ἔπεσον, οἱ δ' ἄλλοι ἔφευγον. οἱ δ' Ἑλληνες ἐπακολουθοῦντες αἰροῦσι καὶ τὸ στρατόπεδον αὐτῶν. καὶ οἱ μὲν πελτασταί, ὥσπερ εἰκός, εἰς ἀρπαγὴν ἐτράποντο· ὁ δ' Ἀγησίλαος κύκλῳ πάντα καὶ φίλια καὶ πολέμια περιστρατοπεδεύσατο. καὶ ἄλλα τε πολλὰ χρήματα ἐλήφθη, ἃ ἤνυρε πλέον ἢ ἐβδομήκοντα τάλαντα, καὶ αἱ κάμηλοι δὲ τότε ἐλήφθησαν, ὥς Ἀγησίλαος εἰς τὴν Ἑλλάδα ἀπήγαγεν.

[3.4.25] Ὅτε δ' αὕτη ἡ μάχη ἐγένετο, Τισσαφέρνης ἐν Σάρδεσιν ἔτυχεν ὦν· ὥστε ἡτιῶντο οἱ Πέρσαι προδεδόσθαι ὑπ' αὐτοῦ. γνοὺς δὲ καὶ αὐτὸς ὁ Περσῶν βασιλεὺς Τισσαφέρνην αἴτιον εἶναι τοῦ κακῶς φέρεσθαι τὰ ἑαυτοῦ, Τιθραύστην καταπέμψας ἀποτέμνει αὐτοῦ τὴν κεφαλὴν. τοῦτο δὲ ποιήσας ὁ Τιθραύστης πέμπει πρὸς τὸν Ἀγησίλαον πρέσβεις λέγοντας· Ὡ Ἀγησίλαε, ὁ μὲν αἴτιος τῶν πραγμάτων καὶ ὑμῖν καὶ ἡμῖν ἔχει τὴν δίκην· βασιλεὺς δὲ ἀξιοῖ σὲ μὲν ἀποπλεῖν οἴκαδε, τὰς δ' ἐν τῇ Ἀσίᾳ πόλεις αὐτονόμους οὖσας τὸν ἀρχαῖον δασμὸν αὐτῷ ἀποφέρειν. [3.4.26] ἀποκριναμένου δὲ τοῦ Ἀγησιλάου ὅτι οὐκ ἂν ποιήσῃ ταῦτα ἄνευ τῶν οἴκοι τελῶν, Σὺ δ' ἀλλά, ἕως ἂν πύθῃ τὰ παρὰ τῆς πόλεως, μεταχώρησον, ἔφη, εἰς τὴν Φαρναβάζου, ἐπειδὴ καὶ ἐγὼ τὸν σὸν ἐχθρὸν τετιμώρημαι. Ἔως ἂν τοίνυν, ἔφη ὁ Ἀγησίλαος, ἐκείσε πορεύωμαι, δίδου δὴ τῇ στρατιᾷ τὰ ἐπιτήδεια. ἐκείνῳ μὲν δὴ ὁ Τιθραύστης δίδωσι τριάκοντα τάλαντα· ὁ δὲ λαβὼν ἦι ἐπὶ τὴν Φαρναβάζου Φρυγίαν. [3.4.27] ὄντι δ' αὐτῷ ἐν τῷ πεδίῳ τῷ ὑπὲρ Κύμης ἔρχεται ἀπὸ τῶν οἴκοι τελῶν ἄρχειν καὶ τοῦ ναυτικοῦ ὅπως γινώσκου καὶ καταστήσασθαι ναύαρχον ὄντινα αὐτὸς βούλοιο. τοῦτο δ' ἐποίησαν οἱ Λακεδαιμόνιοι τοιῷδε λογισμῷ, ὥς, εἰ ὁ αὐτὸς ἀμφοτέρων ἄρχοι, τό τε πεζὸν πολὺ ἂν ἰσχυρότερον εἶναι, καθ' ἐν οὔσης τῆς ἰσχύος ἀμφοτέροις, τό τε ναυτικόν, ἐπιφαινομένου τοῦ πεζοῦ ἔνθα δέοι. [3.4.28] ἀκούσας δὲ ταῦτα ὁ Ἀγησίλαος, πρῶτον μὲν ταῖς πόλεσι παρήγγειλε ταῖς ἐν ταῖς νήσοις καὶ ταῖς ἐπιθαλαττιδίῳις τριήρεις ποιεῖσθαι ὅποσας ἐκάστη βούλοιο τῶν πόλεων. καὶ ἐγένοντο καιναί, ἐξ ὧν αἱ τε πόλεις ἐπηγγείλαντο καὶ οἱ ἰδιῶται ἐποιοῦντο χαρίζεσθαι βουλόμενοι, εἰς εἴκοσι καὶ ἑκατόν. [3.4.29] Πείσανδρον δὲ τὸν τῆς γυναικὸς ἀδελφὸν ναύαρχον κατέστησε, φιλότιμον μὲν καὶ ἐρρωμένον τὴν ψυχὴν, ἀπειρότερον δὲ τοῦ παρασκευάζεσθαι ὥς δεῖ. καὶ Πείσανδρος μὲν ἀπελθὼν τὰ ναυτικὰ ἔπραττεν· ὁ δ' Ἀγησίλαος, ὥσπερ ὥρμησεν, ἐπὶ τὴν Φρυγίαν ἐπορεύετο.

[3.5.1] Ὁ μέντοι Τιθραύστης, καταμαθεῖν δοκῶν τὸν Ἀγησίλαον καταφρονοῦντα τῶν βασιλέως πραγμάτων καὶ οὐδαμῇ διανοοῦμενον ἀπιέναι ἐκ τῆς Ἀσίας, ἀλλὰ μᾶλλον ἐλπίδας ἔχοντα μεγάλας αἰρήσειν βασιλέα, ἀπορῶν τί χρῶιτο τοῖς πράγμασι, ἔμπε Τιμοκράτην τὸν Ῥόδιον εἰς Ἑλλάδα, δούς χρυσίον εἰς πεντήκοντα τάλαντα ἀργυρίου, καὶ κελεύει πειρᾶσθαι πιστὰ τὰ μέγιστα λαμβάνοντα διδόναι τοῖς προεσθηκόσιν ἐν ταῖς πόλεσιν ἐφ' ὧτε πόλεμον ἐξοίσειν πρὸς Λακεδαιμονίους. ἐκεῖνος δ' ἐλθὼν δίδωσιν ἐν Θήβαις μὲν Ἀνδροκλείδαι τε καὶ Ἰσμηνίαί τε καὶ Γαλαξιδῶρρι, ἐν Κορίνθῳ δὲ Τιμολάῳ τε καὶ Πολυάνθῃ, ἐν Ἀργεὶ δὲ Κύλωνί τε καὶ τοῖς μετ' αὐτοῦ. [3.5.2] Ἀθηναῖοι δὲ καὶ οὐ μεταλαβόντες τούτου τοῦ χρυσίου ὅμως πρόθυμοι ἦσαν εἰς τὸν πόλεμον, νομιζόντες <τε αὐτῶν ἄρχεσθαι>. οἱ μὲν δὴ δεξάμενοι τὰ χρήματα εἰς τὰς οἰκείας πόλεις διέβαλλον τοὺς Λακεδαιμονίους· ἐπεὶ δὲ ταύτας εἰς μῖσος αὐτῶν προήγαγον, συνίστασαν καὶ τὰς μεγίστας πόλεις πρὸς ἀλλήλας.

[3.5.3] Γινώσκοντες δὲ οἱ ἐν ταῖς Θήβαις προεστώτες ὅτι εἰ μὴ τις ἄρξει πολέμου, οὐκ ἐθελήσουσιν οἱ Λακεδαιμόνιοι λύειν τὰς σπονδὰς πρὸς τοὺς συμμάχους, πείθουσι Λοκροὺς τοὺς Ὀπουντίους, ἐκ τῆς ἀμφισβητησίμου χώρας Φωκεῦσί τε καὶ ἑαυτοῖς, χρήματα τελέσαι, νομιζόντες τοὺς Φωκέας τούτου γενομένου ἐμβαλεῖν εἰς τὴν Λοκρίδα. καὶ οὐκ ἐψεύσθησαν, ἀλλ' εὐθὺς οἱ Φωκεῖς ἐμβαλόντες εἰς τὴν Λοκρίδα πολλαπλάσια χρήματα ἔλαβον. [3.5.4] οἱ οὖν περὶ τὸν Ἀνδροκλείδαν ταχὺ ἔπεισαν τοὺς Θηβαίους βοηθεῖν τοῖς Λοκροῖς, ὥς οὐκ εἰς τὴν ἀμφισβητησίμον, ἀλλ' εἰς τὴν ὁμολογουμένην φίλην τε καὶ σύμμαχον εἶναι Λοκρίδα ἐμβεβληκότων αὐτῶν. ἐπεὶ δὲ οἱ Θηβαῖοι ἀντεμβαλόντες εἰς τὴν Φωκίδα ἐδήμιον τὴν χώραν, εὐθὺς οἱ Φωκεῖς πέμπουσι πρέσβεις εἰς Λακεδαίμονα καὶ ἡξίουσιν βοηθεῖν αὐτοῖς, διδάσκοντες ὥς οὐκ ἥρξαντο πολέμου, ἀλλ' ἀμυνόμενοι ἦλθον ἐπὶ τοὺς Λοκρούς. [3.5.5] οἱ μέντοι Λακεδαιμόνιοι ἄσμενοι ἔλαβον πρόφασιν στρατεῦειν ἐπὶ τοὺς Θηβαίους, πάλαι ὀργιζόμενοι αὐτοῖς τῆς τε ἀντιλήψεως τῆς τοῦ Ἀπόλλωνος δεκάτης ἐν Δεκελείαι καὶ τοῦ ἐπὶ τὸν Πειραιᾶ μὴ ἐθελῆσαι ἀκολουθησai. ἠτιῶντο δ' αὐτοὺς καὶ Κορινθίους πείσαι μὴ συστρατεῦειν. ἀνεμιμνήσκοντο δὲ καὶ ὥς θύειν τ' ἐν Αὐλίδι τὸν Ἀγησίλαον οὐκ εἶων καὶ τὰ τεθυμένα ἱερὰ ὥς ἔρριψαν ἀπὸ τοῦ βωμοῦ καὶ ὅτι οὐδ' εἰς τὴν Ἀσίαν Ἀγησιλάῳ συνεστράτευον. ἐλογίζοντο δὲ καὶ καλὸν καιρὸν εἶναι

τοῦ ἐξάγειν στρατιὰν ἐπ' αὐτοὺς καὶ παῦσαι τῆς εἰς αὐτοὺς ὕβρεως·
τά τε γὰρ ἐν τῇ Ἀσίᾳ καλῶς σφίσιν ἔχειν, κρατοῦντος Ἀγησιλάου,
καὶ ἐν τῇ Ἑλλάδι οὐδένα ἄλλον πόλεμον ἐμποδῶν σφίσιν εἶναι. [3.5.6]
οὕτω δὲ γιγνωσκούσης τῆς πόλεως τῶν Λακεδαιμονίων φρουρὰν μὲν
οἱ ἔφοροι ἔφαινον. Λύσανδρον δ' ἐξέπεμψαν εἰς Φωκέας καὶ
ἐκέλευσαν αὐτοὺς τε τοὺς Φωκέας ἄγοντα παρεῖναι καὶ Οἰταίους καὶ
Ἡρακλεώτας καὶ Μηλιέας καὶ Αἰνιᾶνας εἰς Ἀλίαρτον. ἐκεῖσε δὲ καὶ
Παυσανίας, ὅσπερ ἔμελλεν ἡγεῖσθαι, συνετίθετο παρέσεσθαι εἰς
ῥητὴν ἡμέραν, ἔχων Λακεδαιμονίους τε καὶ τοὺς ἄλλους
Πελοποννησίους. καὶ ὁ μὲν Λύσανδρος τά τε ἄλλα τὰ κελευόμενα
ἔπραττε καὶ προσέτι Ὀρχομενίους ἀπέστησε Θηβαίων. [3.5.7] ὁ δὲ
Παυσανίας, ἐπεὶ τὰ διαβατήρια ἐγένετο αὐτῷ, καθεζόμενος ἐν
Τεγέαι τοὺς τε ξεναγοὺς διέπεμπε καὶ τοὺς ἐκ τῶν περιοικίδων
στρατιώτας περιέμενεν. ἐπεὶ γε μὴν δῆλον τοῖς Θηβαίοις ἐγένετο ὅτι
ἐμβαλοῖεν οἱ Λακεδαιμόνιοι εἰς τὴν χώραν αὐτῶν, πρέσβεις ἔπεμψαν
Ἀθήναζε λέγοντας τοιάδε.

[3.5.8] Ὡς ἄνδρες Ἀθηναῖοι, ἃ μὲν μέμφεσθε ἡμῖν ὡς ψηφισαμένων
χαλεπὰ περὶ ὑμῶν ἐν τῇ καταλύσει τοῦ πολέμου, οὐκ ὀρθῶς
μέμφεσθε· οὐ γὰρ ἡ πόλις ἐκεῖνα ἐψηφίσατο, ἀλλ' εἷς ἀνὴρ εἶπεν, ὃς
ἔτυχε τότε ἐν τοῖς συμμάχοις καθήμενος. ὅτε δὲ παρεκάλουν ἡμᾶς οἱ
Λακεδαιμόνιοι ἐπὶ τὸν Πειραιᾶ, τότε ἅπανσα ἡ πόλις ἀπεψηφίσατο μὴ
συστρατεύειν αὐτοῖς. δι' ὑμᾶς οὖν οὐχ ἥκιστα ὀργιζομένων ἡμῖν τῶν
Λακεδαιμονίων, δίκαιον εἶναι νομίζομεν βοηθεῖν ὑμᾶς τῇ πόλει
ἡμῶν. [3.5.9] πολὺ δ' ἔτι μᾶλλον ἀξιούμεν, ὅσοι τῶν ἐν ἄστει ἐγένεσθε,
προθύμως ἐπὶ τοὺς Λακεδαιμονίους ἰέναι. ἐκεῖνοι γὰρ
καταστήσαντες ὑμᾶς εἰς ὀλιγαρχίαν καὶ εἰς ἔχθραν τῷ δήμῳ,
ἀφικόμενοι πολλῇ δυνάμει ὡς ὑμῖν σύμμαχοι παρέδοσαν ὑμᾶς τῷ
πλήθει· ὥστε τὸ μὲν ἐπ' ἐκείνοις εἶναι ἀπολώλατε, ὁ δὲ δῆμος οὕτωσιν
ὑμᾶς ἔσωσε. [3.5.10] καὶ μὴν ὅτι μὲν, ὧς ἄνδρες Ἀθηναῖοι, βούλοισθ' ἂν
τὴν ἀρχὴν ἣν πρότερον ἐκέκτησθε ἀναλαβεῖν πάντες ἐπιστάμεθα·
τοῦτο δὲ πῶς μᾶλλον εἰκὸς γενέσθαι ἢ εἰ αὐτοὶ τοῖς ὑπ' ἐκείνων
ἀδικουμένοις βοηθοῖτε; ὅτι δὲ πολλῶν ἄρχουσι, μὴ φοβηθῆτε, ἀλλὰ
πολὺ μᾶλλον διὰ τοῦτο θαρρεῖτε, ἐνθυμούμενοι ὅτι καὶ ὑμεῖς ὅτε
πλείστων ἤρχετε, τότε πλείστους ἐχθροὺς ἐκέκτησθε. ἀλλ' ἔως μὲν
οὐκ εἶχον ὅποι ἀποσταῖεν. ἔκρυπτον τὴν πρὸς ὑμᾶς ἔχθραν· ἐπεὶ δὲ
γε Λακεδαιμόνιοι πρῶστησαν, τότε ἔφηναν οἷα περὶ ὑμῶν
ἐγίγνωσκον. [3.5.11] καὶ νῦν γε, ἂν φανεροὶ γενώμεθα ἡμεῖς τε καὶ

ὕμεῖς συνασπιδοῦντες ἐναντία τοῖς Λακεδαιμονίοις, εὖ ἴστε, ἀναφανήσονται πολλοὶ οἱ μισοῦντες αὐτούς. ὥς δὲ ἀληθῆ λέγομεν, ἐὰν ἀναλογίσῃσθε, αὐτίκα γνώσεσθε. τίς γὰρ ἤδη καταλείπεται αὐτοῖς εὐμενής; οὐκ Ἀργεῖοι μὲν ἀεὶ ποτε δυσμενεῖς αὐτοῖς ὑπάρχουσιν; [3.5.12] Ἥλαιοί γε μὴν νῦν ἐστερημένοι καὶ χώρας πολλῆς καὶ πόλεων ἐχθροὶ αὐτοῖς προσγεγέννηται. Κορινθίους δὲ καὶ Ἀρκάδας καὶ Ἀχαιοὺς τί φῶμεν, οἳ ἐν μὲν τῷ πρὸς ὑμᾶς πολέμῳ μάλα λιπαροῦμενοι ὑπ' ἐκείνων πάντων καὶ πόνων καὶ κινδύνων καὶ τῶν δαπανημάτων μετεῖχον, ἐπεὶ δ' ἔπραξαν ἃ ἐβούλοντο οἱ Λακεδαιμόνιοι, ποίας ἢ ἀρχῆς ἢ τιμῆς ἢ ποίων χρημάτων μεταδεδώκασιν αὐτοῖς; ἀλλὰ τοὺς μὲν εἴλωτας ἀρμοστὰς ἀξιοῦσι καθιστάναι, τῶν δὲ συμμάχων ἐλευθέρων ὄντων, ἐπεὶ ηὐτύχησαν, δεσπόται ἀναπεφύησιν. [3.5.13] ἀλλὰ μὴν καὶ οὗς ὑμῶν ἀπέστησαν φανεροὶ εἰσιν ἐξηπατηκότες· ἀντὶ γὰρ ἐλευθερίας διπλὴν αὐτοῖς δουλείαν παρεσχέκασιν· ὑπὸ τε γὰρ τῶν ἀρμοστῶν τυραννοῦνται καὶ ὑπὸ δέκα ἀνδρῶν, οὗς Λύσανδρος κατέστησεν ἐν ἐκάστη πόλει. ὃ γε μὴν τῆς Ἀσίας βασιλεὺς καὶ τὰ μέγιστ' αὐτοῖς συμβαλλόμενος εἰς τὸ ὑμῶν κρατῆσαι νῦν τί διάφορον πάσχει ἢ εἰ μεθ' ὑμῶν κατεπολέμησεν αὐτούς; [3.5.14] πῶς οὖν οὐκ εἰκός, ἐὰν ὑμεῖς αὖ προστῆτε τῶν οὕτω φανερώς ἀδικουμένων, νῦν ὑμᾶς πολὺ ἤδη μεγίστους τῶν πώποτε γενέσθαι; ὅτε μὲν γὰρ ἤρχεστε, τῶν κατὰ θάλατταν μόνον δήπου ἡγεῖσθε· νῦν δὲ πάντων καὶ ἡμῶν καὶ Πελοποννησίων καὶ ὧν πρόσθεν ἤρχεστε καὶ αὐτοῦ βασιλέως τοῦ μεγίστην δύναμιν ἔχοντες ἡγεμόνες ἂν γένοισθε. καίτοι ἤμεν πολλοῦ ἀξιοὶ καὶ ἐκείνοις σύμμαχοι, ὥς ὑμεῖς ἐπίστασθε· νῦν δὲ γε εἰκός τῷ παντὶ ἐρρωμενεστέρω ὑμῖν συμμαχεῖν ἡμᾶς ἢ τότε Λακεδαιμονίοις· οὐδὲ γὰρ ὑπὲρ νησιωτῶν ἢ Συρακοσίων οὐδ' ὑπὲρ ἀλλοτρίων, ὥσπερ τότε, ἀλλ' ὑπὲρ ἡμῶν αὐτῶν ἀδικουμένων βοηθήσομεν. [3.5.15] καὶ τοῦτο μέντοι χρὴ εὖ εἰδέναι, ὅτι ἡ Λακεδαιμονίων πλεονεξία πολὺ εὐκαταλυτωτέρα ἐστὶ τῆς ὑμετέρας γενομένης ἀρχῆς. ὑμεῖς μὲν γὰρ ἔχοντες ναυτικὸν οὐκ ἐχόντων ἤρχεστε, οὗτοι δὲ ὀλίγοι ὄντες πολλαπλασίων ὄντων καὶ οὐδὲν χεῖρον ὠπλισμένων πλεονεκτοῦσι. ταῦτ' οὖν λέγομεν ἡμεῖς· εὖ γε μέντοι ἐπίστασθε, ὧ ἄνδρες Ἀθηναῖοι, ὅτι νομίζομεν ἐπὶ πολὺ μείζω ἀγαθὰ παρακαλεῖν ὑμᾶς τῇ ὑμετέρῃ πόλει ἢ τῇ ἡμετέρῃ.

[3.5.16] Ὁ μὲν ταῦτ' εἰπὼν ἐπαύσατο, τῶν δ' Ἀθηναίων ἀμύπητοι μὲν συνηγόρεον, πάντες δ' ἐψηφίσαντο βοηθεῖν αὐτοῖς.

Θρασύβουλος δὲ ἀποκρινάμενος τὸ ψήφισμα καὶ τοῦτο ἐνεδείκνυτο, ὅτι ἀτειχίστου τοῦ Πειραιῶς ὄντος ὅμως παρακινδυνεύσοιεν χάριτα αὐτοῖς ἀποδοῦναι μείζονα ἢ ἔλαβον. ὑμεῖς μὲν γάρ, ἔφη, οὐ συνεστρατεύσατε ἐφ' ἡμᾶς, ἡμεῖς δὲ γε μεθ' ὑμῶν μαχούμεθα ἐκεῖνοις, ἂν ἴωσιν ἐφ' ὑμᾶς. [3.5.17] οἱ μὲν δὴ Θηβαῖοι ἀπελθόντες παρεσκευάζοντο ὡς ἀμυνόμενοι, οἱ δ' Ἀθηναῖοι ὡς βοηθήσοντες. καὶ μὴν οἱ Λακεδαιμόνιοι οὐκέτι ἔμελλον, ἀλλὰ Πausανίας μὲν ὁ βασιλεὺς ἐπορεύετο εἰς τὴν Βοιωτίαν τό τε οἴκοθεν ἔχων στράτευμα καὶ τὸ ἐκ Πελοποννήσου, πλὴν Κορίνθιοι οὐκ ἠκολούθουν αὐτοῖς. ὁ δὲ Λύσανδρος, ἄγων τὸ ἀπὸ Φωκέων καὶ Ὀρχομενοῦ καὶ τῶν κατ' ἐκεῖνα χωρίων στράτευμα, ἔφθη τὸν Πausανίαν ἐν τῷ Ἀλιάρτῳ γενόμενος. [3.5.18] ἦκων δὲ οὐκέτι ἡσυχίαν ἔχων ἀνέμενε τὸ ἀπὸ Λακεδαιμόνος στράτευμα, ἀλλὰ σὺν οἷς εἶχεν ἦιε πρὸς τὸ τεῖχος τῶν Ἀλιαρτίων. καὶ τὸ μὲν πρῶτον ἔπειθεν αὐτοὺς ἀφίστασθαι καὶ αὐτονόμους γίγνεσθαι· ἐπεὶ δὲ τῶν Θηβαίων τινὲς ὄντες ἐν τῷ τείχει διεκώλουν, προσέβαλε πρὸς τὸ τεῖχος. [3.5.19] ἀκούσαντες δὲ ταῦτα οἱ Θηβαῖοι, δρόμῳ ἐβοήθουν οἱ τε ὀπλίται καὶ οἱ ἵππεις. ὁπότερα μὲν οὖν, εἴτε λαθόντες τὸν Λύσανδρον ἐπέπεσον αὐτῷ εἴτε καὶ αἰσθόμενος προσιόντας ὡς κρατήσων ὑπέμενε, ἄδηλον· τοῦτο δ' οὖν σαφές, ὅτι παρὰ τὸ τεῖχος ἡ μάχη ἐγένετο· καὶ τροπαῖον ἔστηκε πρὸς τὰς πύλας τῶν Ἀλιαρτίων. ἐπεὶ δὲ ἀποθανόντος Λυσάνδρου ἔφευγον οἱ ἄλλοι πρὸς τὸ ὄρος, ἐδίωκον ἐρρωμένως οἱ Θηβαῖοι. [3.5.20] ὡς δὲ ἄνω ἤδη ἦσαν διώκοντες καὶ δυσχωρία τε καὶ στενοπορία ὑπελάμβανεν αὐτούς, ὑποστρέψαντες οἱ ὀπλίται ἠκόντιζόν τε καὶ ἔβαλλον. ὡς δὲ ἔπεσον αὐτῶν δύο ἢ τρεῖς οἱ πρῶτοι καὶ ἐπὶ τοὺς λοιποὺς ἐπεκυλίνδουν πέτρους εἰς τὸ κάταντες καὶ πολλῇ προθυμίᾳ ἐνέκειντο, ἐτρέφθησαν οἱ Θηβαῖοι ἀπὸ τοῦ κατάντους καὶ ἀποθνήσκουσιν αὐτῶν πλείους ἢ διακόσιοι. [3.5.21] ταύτῃ μὲν οὖν τῇ ἡμέρᾳ οἱ Θηβαῖοι ἠθύμουν, νομίζοντες οὐκ ἐλάττω κακὰ πεπονθέναι ἢ πεποιηκέναι· τῇ δ' ὑστεραίᾳ ἐπεὶ ἦισθοντο ἀπεληλυθότας ἐν νυκτὶ τοὺς τε Φωκέας καὶ τοὺς ἄλλους ἅπαντας οἴκαδε ἐκάστους, ἐκ τούτου μείζον δὴ ἐφρόνουν ἐπὶ τῷ γεγενημένῳ. ἐπεὶ δ' αὖ ὁ Πausανίας ἀνεφαίνετο ἔχων τὸ ἐκ Λακεδαιμόνος στράτευμα, πάλιν αὖ ἐν μεγάλῳ κινδύνῳ ἡγοῦντο εἶναι, καὶ πολλὴν ἔφασαν σιωπὴν τε καὶ ταπεινότητα ἐν τῷ στρατεύματι εἶναι αὐτῶν. [3.5.22] ὡς δὲ τῇ ὑστεραίᾳ οἱ τε Ἀθηναῖοι ἐλθόντες συμπαρετάξαντο ὃ τε Πausανίας οὐ προσῆγεν οὐδὲ

ἐμάχετο, ἐκ τούτου τὸ μὲν Θηβαίων πολὺ μείζον φρόνημα ἐγίγνετο· ὁ δὲ Πausανίας συγκαλέσας πολεμάρχους καὶ πεντηκοντῆρας ἐβουλεύετο πότερον μάχην συνάπτοι ἢ ὑπόσπονδον τὸν τε Λύσανδρον ἀναιροῖτο καὶ τοὺς μετ' αὐτοῦ πεσόντας. [3.5.23] λογιζόμενος δ' ὁ Πausανίας καὶ οἱ ἄλλοι <οἱ> ἐν τέλει Λακεδαιμονίων ὡς Λύσανδρος τετελευτηκῶς εἶη καὶ τὸ μετ' αὐτοῦ στράτευμα ἡττημένον ἀποκεχωρήκοι, καὶ Κορίνθιοι μὲν παντάπασι οὐκ ἠκολούθουν αὐτοῖς, οἱ δὲ παρόντες οὐ προθύμως στρατεύονται· ἐλογίζοντο δὲ καὶ τὸ ἰππικὸν ὡς τὸ μὲν ἀντίπαλον πολὺ, τὸ δὲ αὐτῶν ὀλίγον εἶη, τὸ δὲ μέγιστον, ὅτι οἱ νεκροὶ ὑπὸ τῷ τείχει ἔκειντο, ὥστε οὐδὲ κρεῖττοσιν οὗσι διὰ τοὺς ἀπὸ τῶν πύργων ράϊδιον εἶη ἀνελέσθαι· διὰ οὖν πάντα ταῦτα ἔδοξεν αὐτοῖς τοὺς νεκροὺς ὑποσπόνδους ἀναιρεῖσθαι. [3.5.24] οἱ μέντοι Θηβαῖοι εἶπαν ὅτι οὐκ ἂν ὑποδοῖεν τοὺς νεκροὺς, εἰ μὴ ἐφ' ὧτε ἀπιέναι ἐκ τῆς χώρας, οἱ δὲ ἄσμενοί τε ταῦτα ἤκουσαν καὶ ἀνελόμενοι τοὺς νεκροὺς ἀπῆσαν ἐκ τῆς Βοιωτίας. τούτων δὲ πραχθέντων οἱ μὲν Λακεδαιμόνιοι ἀθύμως ἀπῆσαν, οἱ δὲ Θηβαῖοι μάλα ὑβριστικῶς, εἰ καὶ μικρόν τις τῶν χωρίων τοῦ ἐπιβαίῃ, παίοντες ἐδίωκον εἰς τὰς ὁδοὺς. αὕτη μὲν δὴ οὕτως ἡ στρατιὰ τῶν Λακεδαιμονίων διελύθη. [3.5.25] ὁ μέντοι Πausανίας ἐπεὶ ἀφίκετο οἴκαδε, ἐκρίνετο περὶ θανάτου. κατηγορουμένου δ' αὐτοῦ καὶ ὅτι ὑστερήσειεν εἰς Ἀλάρτον τοῦ Λυσάνδρου, συνθέμενος εἰς τὴν αὐτὴν ἡμέραν παρέσεσθαι, καὶ ὅτι ὑποσπόνδους ἀλλ' οὐ μάχῃ ἐπειρᾶτο τοὺς νεκροὺς ἀναιρεῖσθαι, καὶ ὅτι τὸν δῆμον τῶν Ἀθηναίων λαβὼν ἐν τῷ Πειραιεῖ ἀνῆκε, καὶ πρὸς τούτοις οὐ παρόντος ἐν τῇ δίκῃ, θάνατος αὐτοῦ κατεγνώσθη· καὶ ἔφυγεν εἰς Τεγέαν, καὶ ἐτελεύτησε μέντοι ἐκεῖ νόσῳ. κατὰ μὲν οὖν τὴν Ἑλλάδα ταῦτ' ἐπράχθη.

Βιβλίον δ'

[4.1.1] Ὁ δὲ Ἀγησίλαος ἐπεὶ ἀφίκετο ἅμα μετοπώρῳ εἰς τὴν τοῦ Φαρναβάζου Φρυγίαν, τὴν μὲν χώραν ἔκαε καὶ ἐπόρθει, πόλεις δὲ τὰς μὲν βίαι, τὰς δ' ἐκούσας προσελάμβανε. [4.1.2] λέγοντος δὲ τοῦ Σπιθριδάτου ὡς εἰ ἔλθοι πρὸς τὴν Παφλαγονίαν σὺν αὐτῷ, τὸν τῶν Παφλαγόνων βασιλέα καὶ εἰς λόγους ἄξιοι καὶ σύμμαχον ποιήσοι, προθύμως ἐπορεύετο, πάλαι τούτου ἐπιθυμῶν, τοῦ ἀφιστάναι τι ἔθνος ἀπὸ βασιλέως.

[4.1.3] Ἐπεὶ δὲ ἀφίκετο εἰς τὴν Παφλαγονίαν, ἦλθεν Ὅτυς καὶ συμμαχίαν ἐποιήσατο· καὶ γὰρ καλούμενος ὑπὸ βασιλέως οὐκ ἀνεβέβηκει. πείσαντος δὲ τοῦ Σπιθριδάτου κατέλιπε τῷ Ἀγησίλαῳ Ὅτυς χιλίους μὲν ἱππέας, δισχιλίους δὲ πελταστάς. [4.1.4] χάριν δὲ τούτων εἰδὼς Ἀγησίλαος τῷ Σπιθριδάτῃ, Εἰπέ μοι, ἔφη, ὦ Σπιθριδάτα, οὐκ ἂν δοίης Ὅτυϊ τὴν θυγατέρα; Πολύ γε, ἔφη, μᾶλλον ἢ ἐκεῖνος ἂν λάβοι φυγάδος ἀνδρὸς βασιλεύων πολλῆς καὶ χώρας καὶ δυνάμεως. τότε μὲν οὖν ταῦτα μόνον ἐρρήθη περὶ τοῦ γάμου. [4.1.5] ἐπεὶ δὲ Ὅτυς ἔμελλεν ἀπιέναι, ἦλθε πρὸς τὸν Ἀγησίλαον ἀσπασόμενος· ἥρξατο δὲ λόγου ὁ Ἀγησίλαος παρόντων τῶν τριάκοντα, μεταστησάμενος τὸν Σπιθριδάτην· [4.1.6] Λέξον μοι, ἔφη, ὦ Ὅτυ, ποίου τινὸς γένους ἐστὶν ὁ Σπιθριδάτης; ὁ δ' εἶπεν ὅτι Περσῶν οὐδενὸς ἐνδεέστερος. Τὸν δὲ υἱόν, ἔφη, ἐόρακας αὐτοῦ ὡς καλὸς ἐστι; Τί δ' οὐ μέλλω; καὶ γὰρ ἐσπέρας συνεδείπνουν αὐτῷ. Τούτου μὲν φασὶ τὴν θυγατέρα αὐτῷ καλλίονα εἶναι. Νὴ Δί', ἔφη ὁ Ὅτυς, καλὴ γάρ ἐστι. [4.1.7] Καὶ ἐγὼ μὲν, ἔφη, ἐπεὶ φίλος ἡμῖν γεγένησαι, συμβουλεύοιμ' ἂν σοι τὴν παῖδα ἄγεσθαι γυναῖκα, καλλίστην μὲν οὖσαν, οὗ τί ἀνδρὶ ἥδιον; πατὴρ δ' εὐγενεστάτου, δύναμιν δ' ἔχοντος τοσαύτην, ὃς ὑπὸ Φαρναβάζου ἀδικηθεὶς οὕτω τιμωρεῖται αὐτὸν ὥστε φυγάδα πάσης τῆς χώρας, ὡς ὀραῖς, πεποίηκεν. [4.1.8] εὖ ἴσθι μέντοι, ἔφη, ὅτι ὥσπερ ἐκεῖνον ἐχθρὸν ὄντα δύναται τιμωρεῖσθαι, οὕτω καὶ φίλον ἄνδρα εὐεργετεῖν <ἂν> δύναται. νόμιζε δὲ τούτωνπραχθέντων μὴ ἐκεῖνον ἂν σοι μόνον κηδεστήν εἶναι, ἀλλὰ καὶ ἐμὲ καὶ τοὺς ἄλλους Λακεδαιμονίους, ἡμῶν δ' ἡγουμένων τῆς Ἑλλάδος καὶ τὴν ἄλλην Ἑλλάδα. [4.1.9] καὶ μὴν μεγαλειοτέρως γε σοῦ, εἰ ταῦτα πράττοις, τίς ἂν ποτε γήμει; ποῖαν γὰρ νύμφην πώποτε τοσοῦτοι ἱππεῖς καὶ πελτασταὶ καὶ ὀπλίται προύπεμψαν ὅσοι τὴν σὴν

γυναῖκα εἰς τὸν σὸν οἶκον προπέμψειαν ἄν; [4.1.10] καὶ ὁ Ὅτυς ἐπῆρετο· Δοκοῦντα δ', ἔφη, ὦ Ἀγησίλαε, ταῦτα καὶ Σπιθριδάτη λέγεις; Μὰ τοὺς θεοὺς, ἔφη ὁ Ἀγησίλαος, ἐκεῖνος μὲν ἐμέ γε οὐκ ἐκέλευσε ταῦτα λέγειν· ἐγὼ μέντοι, καίπερ ὑπερχαίρων, ὅταν ἐχθρὸν τιμωρῶμαι, πολὺ μᾶλλον μοι δοκῶ ἡδесθαι, ὅταν τι τοῖς φίλοις ἀγαθὸν ἐξευρίσκω. [4.1.11] Τί οὖν, ἔφη, οὐ πυνθάνη εἰ καὶ ἐκείνῳ βουλομένῳ ταῦτ' ἐστί; καὶ ὁ Ἀγησίλαος· Ἴτ', ἔφη, ὑμεῖς, ὦ Ἥριππίδα, καὶ διδάσκετε αὐτὸν βουλευθῆναι ἅπερ ἡμεῖς. [4.1.12] οἱ μὲν δὴ ἀναστάντες ἐδίδασκον. ἐπεὶ δὲ διέτριβον, Βούλει, ἔφη, ὦ Ὅτυ, καὶ ἡμεῖς δεῦρο καλέσωμεν αὐτόν; Πολύ γ' ἂν οἶμαι μᾶλλον ὑπὸ σοῦ πεισθῆναι αὐτὸν ἢ ὑπὸ τῶν ἄλλων ἀπάντων. ἐκ τούτου δὴ ἐκάλει ὁ Ἀγησίλαος τὸν Σπιθριδάτην τε καὶ τοὺς ἄλλους. προσιόντων δ' εὐθὺς εἶπεν ὁ Ἥριππίδας· [4.1.13] Τὰ μὲν ἄλλα, ὦ Ἀγησίλαε, τὰ ῥηθέντα τί ἂν τις μακρολογοίῃ; τέλος δὲ λέγει Σπιθριδάτης πᾶν ποιεῖν ἂν ἡδέως ὅ τι σοι δοκοίῃ. [4.1.14] Ἐμοὶ μὲν τοῖνυν, ἔφη, δοκεῖ, ὁ Ἀγησίλαος, σὲ μὲν, ὦ Σπιθριδάτα, τύχῃ ἀγαθῇ διδόναι Ὅτυϊ τὴν θυγατέρα, σὲ δὲ λαμβάνειν. τὴν μέντοι παῖδα πρὸ ἥρος οὐκ ἂν δυναίμεθα πεζῇ ἀγαγεῖν. Ἀλλὰ ναὶ μὰ Δί', ἔφη ὁ Ὅτυς, κατὰ θάλατταν ἤδη ἂν πέμποιτο, εἰ σὺ βούλοιο. [4.1.15] ἐκ τούτου δεξιὰς δόντες καὶ λαβόντες ἐπὶ τούτοις ἀπέπεμπον τὸν Ὅτυν.

Καὶ εὐθὺς ὁ Ἀγησίλαος, ἐπεὶ ἔγνω αὐτὸν σπεύδοντα, τριήρη πληρώσας καὶ Καλλιᾶν Λακεδαιμόνιον κελεύσας ἀπαγαγεῖν τὴν παῖδα, αὐτὸς ἐπὶ Δασκυλείῳ ἀπεπορεύετο, ἔνθα καὶ τὰ βασιλεία ἦν Φαρναβάζῳ, καὶ κῶμαι περὶ αὐτὰ πολλαὶ καὶ μεγάλαι καὶ ἄφθονα ἔχουσαι τὰ ἐπιτήδεια, καὶ θῆραι αἱ μὲν καὶ ἐν περιειργμένοις παραδείσοις, αἱ δὲ καὶ <ἐν> ἀναπεπταμένοις τόποις, πάγκαλαι. [4.1.16] παρέρρει δὲ καὶ ποταμὸς παντοδαπῶν ἰχθύων πλήρης. ἦν δὲ καὶ τὰ πτηνὰ ἄφθονα τοῖς ὀρνιθεῦσαι δυναμένοις. ἐνταῦθα μὲν δὴ διεχείμαζε, καὶ αὐτόθεν καὶ σὺν προνομαῖς τὰ ἐπιτήδεια τῇ στρατιᾷ λαμβάνων. [4.1.17] καταφρονητικῶς δὲ ποτε καὶ ἀφυλάκτως διὰ τὸ μηδὲν πρότερον ἐσφάλθαι λαμβανόντων τῶν στρατιωτῶν τὰ ἐπιτήδεια, ἐπέτυχεν αὐτοῖς ὁ Φαρνάβαζος κατὰ τὸ πεδίον ἐσπαρμένοις, ἄρματα μὲν ἔχων δύο δρεπανηφόρα, ἵππεας δὲ ὡς τετρακοσίους. [4.1.18] οἱ δ' Ἕλληνες ὡς εἶδον αὐτὸν προσελαύνοντα, συνέδραμον ὡς εἰς ἐπτακοσίους· ὁ δ' οὐκ ἐμέλλησεν, ἀλλὰ προστησάμενος τὰ ἄρματα, αὐτὸς δὲ σὺν τοῖς ἵππευσιν ὀπισθεν γενόμενος, ἐλαύνειν εἰς αὐτοὺς ἐκέλευσεν. [4.1.19] ὡς δὲ τὰ ἄρματα

ἐμβalόντα διεσκέδασε τὸ ἄθροον, ταχὺ οἱ ἱππεῖς κατέβαλον ὥς εἰς ἑκατὸν ἀνθρώπους, οἱ δ' ἄλλοι κατέφυγον πρὸς Ἀγησίλαον· ἐγγὺς γὰρ ἔτυχε σὺν τοῖς ὀπλίταις ὦν. [4.1.20] ἐκ δὲ τούτου τρίτῃ ἢ τετάρτῃ ἡμέρῃ αἰσθάνεται ὁ Σπιθριδάτης τὸν Φαρνάβαζον ἐν Καυῇ κόμῃ μεγάλῃ στρατοπεδευόμενον, ἀπέχοντα στάδια ὥς ἐξήκοντα καὶ ἑκατόν, καὶ εὐθὺς λέγει πρὸς τὸν Ἡριππίδαν. [4.1.21] καὶ ὁ Ἡριππίδας ἐπιθυμῶν λαμπρόν τι ἐργάσασθαι, αἰτεῖ τὸν Ἀγησίλαον ὀπλίτας τε εἰς δισχιλίους καὶ πελταστὰς ἄλλους τοσοῦτους καὶ ἱππέας τοὺς τε Σπιθριδάτου καὶ τοὺς Παφλαγόνας καὶ τῶν Ἑλλήνων ὁπόσους πείσειεν. [4.1.22] ἐπεὶ δὲ ὑπέσχετο αὐτῷ, ἐθύετο· καὶ ἅμα δείλῃ καλλιερησάμενος κατέλυσε τὴν θυσίαν. ἐκ δὲ τούτου δειπνήσαντας παρήγγειλε παρεῖναι πρόσθεν τοῦ στρατοπέδου. σκότους δὲ γενομένου οὐδ' οἱ ἡμίσεις ἐκάστων ἐξῆλθον. [4.1.23] ὅπως δὲ μή, εἰ ἀποτρέποιτο, καταγελῶιεν αὐτοῦ οἱ ἄλλοι τριάκοντα, ἐπορευέτο σὺν ἧι εἶχε δυνάμει. [4.1.24] ἅμα δὲ τῇ ἡμέρῃ ἐπιτεσὼν τῇ Φαρναβάζου στρατοπεδεῖαι, τῆς μὲν προφυλακῆς αὐτοῦ Μυσῶν ὄντων πολλοὶ ἔπεσον, αὐτοὶ δὲ διαφεύγουσι, τὸ δὲ στρατόπεδον ἀλίσκεται, καὶ πολλὰ μὲν ἐκπώματα καὶ ἄλλα δὴ οἷα Φαρναβάζου κτήματα, πρὸς δὲ τούτοις σκεύη πολλὰ καὶ ὑποζύγια σκευοφόρα. [4.1.25] διὰ γὰρ τὸ φοβεῖσθαι μή, εἴ πού κατασταίῃ, κυκλωθεὶς πολιορκοῖτο, ἄλλοτε ἄλλῃ τῆς χώρας ἐπήιει, ὥσπερ οἱ νομάδες, καὶ μάλα ἀφανίζων τὰς στρατοπεδεύσεις. [4.1.26] ἐπεὶ δὲ τὰ ληφθέντα χρήματα ἀπήγαγον οἱ τε Παφλαγόνες καὶ ὁ Σπιθριδάτης, ὑποστήσας Ἡριππίδας ταξιάρχους καὶ λοχαγοὺς ἀφείλετο ἅπαντα τὸν τε Σπιθριδάτην καὶ τοὺς Παφλαγόνας, ἵνα δὴ πολλὰ ἀπαγάγοι τὰ αἰχμάλωτα τοῖς λαφυροπώλαις. [4.1.27] ἐκεῖνοι μέντοι ταῦτα παθόντες οὐκ ἤνεγκαν, ἀλλ' ὥς ἀδικηθέντες καὶ ἀτιμασθέντες νυκτὸς συσκευασάμενοι ὤιχοντο ἀπιόντες εἰς Σάρδεις πρὸς Ἀριαῖον, πιστεύσαντες, ὅτι καὶ ὁ Ἀριαῖος ἀποστὰς βασιλέως ἐπολέμησεν αὐτῷ. [4.1.28] Ἀγησιλάωι μὲν δὴ τῆς ἀπολείψεως τοῦ Σπιθριδάτου καὶ τοῦ Μεγαβάτου καὶ τῶν Παφλαγόνων οὐδὲν ἐγένετο βαρύτερον ἐν τῇ στρατείᾳ.

[4.1.29] Ἦν δὲ τις Ἀπολλοφάνης Κυζικηνός, ὃς καὶ Φαρναβάζωι ἐτύγγανεν ἐκ παλαιοῦ ξένος ὦν καὶ Ἀγησιλάωι κατ' ἐκεῖνον τὸν χρόνον ἐξενώθη. οὗτος οὖν εἶπε πρὸς τὸν Ἀγησίλαον ὥς οἶοιτο συναγαγεῖν αὐτῷ ἂν εἰς λόγους περὶ φιλίας Φαρνάβαζον. [4.1.30] ὥς δ' ἤκουσεν αὐτοῦ, σπονδὰς λαβὼν καὶ δεξιὰν παρῆν ἄγων τὸν Φαρνάβαζον εἰς συγκείμενον χωρίον, ἔνθα δὴ Ἀγησίλαος καὶ οἱ περὶ

αὐτὸν τριάκοντα χαμαὶ ἐν πόαι τινὶ κατακείμενοι ἀνέμενον· ὁ δὲ Φαρνάβαζος ἦκεν ἔχων στολὴν πολλοῦ χρυσοῦ ἀξίαν. ὑποτιθέντων δὲ αὐτῷ τῶν θεραπόντων ῥαπτά, ἐφ' ὧν καθίζουσιν οἱ Πέρσαι μαλακῶς, ἡσυχύνη ἐντρυφήσαι, ὁρῶν τοῦ Ἀγησιλάου τὴν φαλότητα· κατεκλίθη οὖν καὶ αὐτὸς ὥσπερ εἶχε χαμαί. [4.1.31] καὶ πρῶτα μὲν ἀλλήλους χαίρειν προσεῖπαν, ἔπειτα τὴν δεξιὰν προτείναντος τοῦ Φαρναβάζου ἀντιπρούτεινε καὶ ὁ Ἀγησίλαος. μετὰ δὲ τοῦτο ἤρξατο λόγου ὁ Φαρνάβαζος· καὶ γὰρ ἦν πρεσβύτερος· [4.1.32] ὦ Ἀγησίλαε καὶ πάντες οἱ παρόντες Λακεδαιμόνιοι, ἐγὼ ὑμῖν, ὅτε τοῖς Ἀθηναίοις ἐπολεμεῖτε, φίλος καὶ σύμμαχος ἐγενόμην, καὶ τὸ μὲν ναυτικὸν τὸ ὑμέτερον χρήματα παρέχων ἰσχυρὸν ἐποίουν, ἐν δὲ τῇ γῇ αὐτὸς ἀπὸ τοῦ ἵππου μαχόμενος μεθ' ὑμῶν εἰς τὴν θάλατταν κατεδίωκον τοὺς πολεμίους. καὶ διπλοῦν ὥσπερ Τισσαφέρνους οὐδὲν πώποτε μου οὔτε ποιήσαντος οὔτ' εἰπόντος πρὸς ὑμᾶς ἔχοιτ' ἂν κατηγορήσαι. [4.1.33] τοιοῦτος δὲ γενόμενος νῦν οὕτω διάκειμαι ὑφ' ὑμῶν ὥς οὐδὲ δεῖνπον ἔχω ἐν τῇ ἐμαυτοῦ χώρῃ, εἰ μὴ τι ὧν ἂν ὑμεῖς λίπητε συλλέξομαι, ὥσπερ τὰ θηρία. ἃ δέ μοι ὁ πατήρ καὶ οἰκήματα καλὰ καὶ παραδείσους καὶ δένδρων καὶ θηρίων μεστοὺς κατέλιπεν, ἐφ' οἷς ἡϋφραινόμην, ταῦτα πάντα ὁρῶ τὰ μὲν κατακεκομμένα, τὰ δὲ κατακεκαυμένα. εἰ οὖν ἐγὼ μὴ γινώσκω μήτε τὰ ὅσια μήτε τὰ δίκαια, ὑμεῖς δὲ διδάξατέ με ὅπως ταῦτ' ἐστὶν ἀνδρῶν ἐπισταμένων χάριτας ἀποδιδόναι. [4.1.34] ὁ μὲν ταῦτ' εἶπεν. οἱ δὲ τριάκοντα πάντες μὲν ἐπὶ ἡσυχύνησαν αὐτὸν καὶ ἐσιώπησαν· ὁ δὲ Ἀγησίλαος χρόνῳ ποτὲ εἶπεν· Ἄλλ' οἶμαι μὲν σε, ὦ Φαρνάβαζε, εἰδέναι ὅτι καὶ ἐν ταῖς Ἑλληνικαῖς πόλεσι ξένοι ἀλλήλοις γίνονται ἄνθρωποι. οὗτοι δέ, ὅταν αἱ πόλεις πολέμῳ γένωνται, σὺν ταῖς πατρίσι καὶ τοῖς ἐξενωμένοις πολεμοῦσι καί, ἂν οὕτω τύχῃσιν, ἔστιν ὅτε καὶ ἀπέκτειναν ἀλλήλους. καὶ ἡμεῖς οὖν νῦν βασιλεῖ τῷ ὑμετέρῳ πολεμοῦντες πάντα ἡναγκάσμεθα τὰ ἐκείνου πολέμῳ νομίζειν· σοί γε μέντοι φίλοι γενέσθαι περὶ παντὸς ἂν ποιησαίμεθα. [4.1.35] καὶ εἰ μὲν ἀλλάξασθαι σε ἔδει ἀντὶ δεσπότη βασιλέως ἡμᾶς δεσπότης, οὐκ ἂν ἔγωγέ σοι συνεβούλευον· νῦν δὲ ἕξεστί σοι μεθ' ἡμῶν γενομένῳ μηδένα προσκυνῶντα μηδὲ δεσπότην ἔχοντα ζῆν καρπούμενον τὰ σαυτοῦ. καίτοι ἐλεύθερον εἶναι ἐγὼ μὲν οἶμαι ἀντάξιον εἶναι τῶν πάντων χρημάτων. [4.1.36] οὐδὲ μέντοι τοῦτό σε κελεύομεν, πένητα μὲν, ἐλεύθερον δ' εἶναι, ἀλλ' ἡμῖν συμμάχοις χρώμενον αὔξειν μὴ τὴν βασιλέως ἀλλὰ τὴν σαυτοῦ ἀρχήν, τοὺς νῦν ὁμοδούλους σοι

καταστρεφόμενον, ὥστε σοὺς ὑπηκόους εἶναι. καίτοι εἰ ἅμα ἐλεύθερός τ' εἴης καὶ πλούσιος γένοιο, τίνος ἂν δέοις μὴ οὐχὶ πάμπαν εὐδαίμων εἶναι; [4.1.37] Οὐκοῦν, ἔφη ὁ Φαρνάβαζος, ἀπλῶς ὑμῖν ἀποκρίνομαι ἅπερ ποιήσω; Πρέπει γοῦν σοι, Ἐγὼ τοίνυν, ἔφη, ἐὰν βασιλεὺς ἄλλον μὲν στρατηγὸν πέμπῃ, ἐμὲ δὲ ὑπήκοον ἐκείνου τάττῃ, βουλήσομαι ὑμῖν καὶ φίλος καὶ σύμμαχος εἶναι· ἐὰν μέντοι μοι τὴν ἀρχὴν προστάτῃ [τοιούτῳ τι, ὡς ἔοικε, φιλοτιμία ἐστίν], εὖ χρὴ εἰδέναι ὅτι πολεμήσω ὑμῖν ὡς ἂν δύνωμαι ἄριστα. [4.1.38] ἀκούσας ταῦτα ὁ Ἀγησίλαος ἐλάβετο τῆς χειρὸς αὐτοῦ καὶ εἶπεν· Εἴθ', ὦ λῶϊστε σύ, τοιοῦτος ὢν φίλος ἡμῖν γένοιο. ἐν δ' οὖν, ἔφη, ἐπίστω, ὅτι νῦν τε ἅπειμι ὡς ἂν δύνωμαι τάχιστα ἐκ τῆς σῆς χώρας, τοῦ τε λοιποῦ, κἂν πόλεμος ᾗ, ἕως ἂν ἐπ' ἄλλον ἔχωμεν στρατεύεσθαι, σοῦ τε καὶ τῶν σῶν ἀφεξόμεθα.

[4.1.39] Τούτων δὲ λεχθέντων διέλυσε τὴν σύνοδον. καὶ ὁ μὲν Φαρνάβαζος ἀναβὰς ἐπὶ τὸν ἵππον ἀπήει, ὁ δὲ ἐκ τῆς Παραπίτας υἱὸς αὐτοῦ, καλὸς ἐτι ὢν, ὑπολειφθεὶς καὶ προσδραμών, Ξένον σε, ἔφη, ὦ Ἀγησίλαε, ποιοῦμαι. Ἐγὼ δέ γε δέχομαι. Μέμνησό νυν, ἔφη. καὶ εὐθὺς τὸ παλτόν [εἶχε δὲ καλόν] ἔδωκε τῷ Ἀγησιλάῳ. ὁ δὲ δεξάμενος, φάλαρα ἔχοντος περὶ τῷ ἵππῳ Ἰδαίου τοῦ γραφέως πάγκαλα, περιελὼν ἀντέδωκεν αὐτῷ. τότε μὲν οὖν ὁ παῖς ἀναπηδήσας ἐπὶ τὸν ἵππον μετεδίωκε τὸν πατέρα. [4.1.40] ὡς δ' ἐν τῇ τοῦ Φαρναβάζου ἀποδημίας ἀποστερῶν ἀδελφὸς τὴν ἀρχὴν φυγάδα ἐποίησε τὸν τῆς Παραπίτας υἱόν, τά τ' ἄλλα ὁ Ἀγησίλαος ἐπεμελεῖτο αὐτοῦ, καὶ ἐρασθέντος αὐτοῦ τοῦ Εὐάλκου υἱέος Ἀθηναίου, πάντ' ἐποίησεν ὅπως ἂν δι' ἐκεῖνον ἐγκριθεῖ τὸ στάδιον ἐν Ὀλυμπίαι, μέγιστος ὢν τῶν παίδων.

[4.1.41] Καὶ τότε δὴ, ὥσπερ εἶπε πρὸς τὸν Φαρνάβαζον, εὐθὺς ἀπεπορεύετο ἐκ τῆς χώρας· σχεδὸν δὲ καὶ ἔαρ ἤδη ὑπέφαιναν. ἀφικόμενος δ' εἰς Θήβης πεδῖον κατεστρατοπεδεύσατο περὶ τὸ τῆς Ἀστυρηνῆς Ἀρτέμιδος ἱερόν, καὶ ἐκεῖ πρὸς ᾧ εἶχε συνέλεγε πανταχόθεν πάμπληθες στράτευμα. παρεσκευάζετο γὰρ πορευσόμενος ὡς δύναιτο ἀνωτάτω, νομίζων ὅποσα ὀπισθεν ποιήσαιο ἔθνη πάντα ἀποστερήσειν βασιλῆως.

[4.2.1] Ἀγησίλαος μὲν δὴ ἐν τούτους ἦν. οἱ δὲ Λακεδαιμόνιοι ἐπεὶ σαφῶς ᾔσθηοντο τά τε χρήματα ἐληλυθότα εἰς τὴν Ἑλλάδα καὶ τὰς μεγίστας πόλεις συνεστηκυίας ἐπὶ πολέμῳ πρὸς ἑαυτούς, ἐν κινδύνῳ τε τὴν πόλιν ἐνόμισαν καὶ στρατεύειν ἀναγκαῖον ἡγήσαντο

εἶναι. [4.2.2] καὶ αὐτοὶ μὲν ταῦτα παρεσκευάζοντο, εὐθὺς δὲ καὶ ἐπὶ τὸν Ἀγησίλαον πέμπουσιν Ἐπικυδίδαν. ὁ δ' ἐπεὶ ἀφίκετο, τά τε ἄλλα διηγεῖτο ὡς ἔχοι καὶ ὅτι ἡ πόλις ἐπιστέλλοι αὐτῷ βοηθεῖν ὡς τάχιστα τῇ πατρίδι. [4.2.3] ὁ δὲ Ἀγησίλαος ἐπεὶ ἤκουσε, χαλεπῶς μὲν ἤνεγκεν, ἐνθυμούμενος καὶ οἶων τιμῶν καὶ οἶων ἐλπίδων ἀπεστερεῖτο, ὅμως δὲ συγκαλέσας τοὺς συμμάχους ἐδήλωσε τὰ ὑπὸ τῆς πόλεως παραγγελλόμενα, καὶ εἶπεν ὅτι ἀναγκαῖον εἴη βοηθεῖν τῇ πατρίδι· ἐὰν μέντοι ἐκεῖνα καλῶς γένηται, εὖ ἐπίστασθε, ἔφη, ὧ ἄνδρες σύμμαχοι, ὅτι οὐ μὴ ἐπιλάθωμαι ὑμῶν, ἀλλὰ πάλιν παρέσομαι πράξων ὧν ὑμεῖς δεῖσθε. [4.2.4] ἀκούσαντες ταῦτα πολλοὶ μὲν ἐδάκρυσαν, πάντες δ' ἐψηφίσαντο βοηθεῖν μετ' Ἀγησίου τῇ Λακεδαίμονι· εἰ δὲ καλῶς τάκεῖ γένοιτο, λαβόντες αὐτὸν πάλιν ἤκειν εἰς τὴν Ἀσίαν. [4.2.5] καὶ οἱ μὲν δὴ συνεσκευάζοντο ὡς ἀκολουθήσοντες. ὁ δ' Ἀγησίλαος ἐν μὲν τῇ Ἀσίᾳ κατέλιπεν Εὐξενον ἄρμωσθιν καὶ φρουροὺς παρ' αὐτῷ οὐκ ἔλαττον τετρακισχιλίων, ἵνα δύναιτο διασώζειν τὰς πόλεις· αὐτὸς δὲ ὁρῶν ὅτι οἱ πολλοὶ τῶν στρατιωτῶν μένειν ἐπεθύμουν μᾶλλον ἢ ἐφ' Ἑλληνας στρατεύεσθαι, βουλόμενος ὡς βελτίστους καὶ πλείστους ἄγειν μεθ' ἑαυτοῦ, ἅθλα προύθηκε ταῖς πόλεσιν, ἥτις ἄριστον στράτευμα πέμποι, καὶ τῶν μισθοφόρων τοῖς λοχαγοῖς, ὅστις εὐοπλότατον λόχον ἔχων συστρατεύοιτο καὶ ὀπλιτῶν καὶ τοξοτῶν καὶ πελταστῶν. προεῖπε δὲ καὶ τοῖς ἱπάρχοις, ὅστις εὐῖπποτάτην καὶ εὐοπλοτάτην τάξιν παρέχοιτο, ὡς καὶ τούτοις νικητήριον δώσων. [4.2.6] τὴν δὲ κρίσιν ἔφη ποιήσειν, ἐπεὶ διαβαίησαν ἐκ τῆς Ἀσίας εἰς τὴν Εὐρώπην, ἐν Χερρονήσῳ, ὅπως εὖ εἰδείησαν ὅτι τοὺς στρατευομένους δεῖ εὐκρίνειν. [4.2.7] ἦν δὲ τὰ ἅθλα τὰ μὲν πλεῖστα ὅπλα ἐκπεπονημένα εἰς κόσμον καὶ ὀπλιτικά καὶ ἱππικά· ἦσαν δὲ καὶ στέφανοι χρυσοῖ· τὰ δὲ πάντα ἅθλα οὐκ ἔλαττον ἐγένοντο ἢ ἀπὸ τεττάρων ταλάντων. τοσούτων μέντοι ἀναλωθέντων, παμπόλλων χρημάτων ὅπλα εἰς τὴν στρατιὰν κατεσκευάσθη. [4.2.8] ἐπεὶ δὲ διέβη τὸν Ἑλλήσποντον, κριταὶ κατέστησαν Λακεδαιμονίων μὲν Μένασκος καὶ Ἡριπίδας καὶ Ὅρσιππος, τῶν δὲ συμμάχων εἰς ἀπὸ πόλεως. καὶ Ἀγησίλαος μὲν, ἐπεὶ τὴν κρίσιν ἐποίησεν, ἔχων τὸ στράτευμα ἐπορεύετο τὴν αὐτὴν ὁδὸν ἥνπερ βασιλεὺς ὅτε ἐπὶ τὴν Ἑλλάδα ἐστράτευεν.

[4.2.9] Ἐν δὲ τούτῳ οἱ μὲν ἔφοροι φρουρὰν ἔφηναν· ἡ δὲ πόλις, ἐπεὶ Ἀγησίπολις παῖς ἔτι ἦν, Ἀριστόδημον τοῦ γένους ὄντα καὶ

πρόδικον τοῦ παιδός, ἡγεῖσθαι τῇ στρατιᾷ ἐκέλευον. [4.2.10] ἐπεὶ δ' ἐξῆσαν μὲν οἱ Λακεδαιμόνιοι, συνειλεγμένοι δ' ἦσαν οἱ ἐναντίοι, συνελθόντες ἐβουλευόντο πῶς ἂν τὴν μάχην συμφορώτατα σφίσιν αὐτοῖς ποιήσαιντο. [4.2.11] Τιμόλαος μὲν δὴ Κορίνθιος ἔλεξεν· Ἀλλ' ἐμοὶ δοκεῖ, ἔφη, ὧ ἄνδρες σύμμαχοι, ὅμοιον εἶναι τὸ τῶν Λακεδαιμονίων πρᾶγμα οἷόνπερ τὸ τῶν ποταμῶν. οἱ τε γὰρ ποταμοὶ πρὸς μὲν ταῖς πηγαῖς οὐ μεγάλοι εἰσὶν ἀλλ' εὐδιάβατοι, ὅσῳ δ' ἂν πορρωτέρω γίνωνται, ἐπεμβάλλοντες ἕτεροι ποταμοὶ ἰσχυρότερον αὐτῶν τὸ ῥεῦμα ποιοῦσι, [4.2.12] καὶ οἱ Λακεδαιμόνιοι ὡσαύτως, ἔνθεν μὲν ἐξέρχονται, αὐτοὶ μόνοι εἰσὶ, προϊόντες δὲ καὶ παραλαμβάνοντες τὰς πόλεις πλείους τε καὶ δυσμαχώτεροι γίνονται. ὁρῶ δ' ἔγωγε, ἔφη, καὶ ὁπόσοι σφῆκας ἐξαιρεῖν βούλονται, ἐὰν μὲν ἐκθέοντας τοὺς σφῆκας πειρῶνται θηρᾶν, ὑπὸ πολλῶν τυπτομένους· ἐὰν δ' ἔτι ἔνδον ὄντων τὸ πῦρ προσφέρωσι, πάσχοντας μὲν οὐδέν, χειρουμένους δὲ τοὺς σφῆκας. ταῦτ' οὖν ἐνθυμούμενος ἡγοῦμαι κράτιστον εἶναι μάλιστα μὲν ἐν αὐτῇ, εἰ δὲ μή, ὅτι ἐγγύτατα τῆς Λακεδαίμονος τὴν μάχην ποιεῖσθαι. [4.2.13] δόξαντος δ' εὖ λέγειν αὐτοῦ ἐψηφίσαντο ταῦτα. ἐν ᾧ δὲ περὶ ἡγεμονίας τε διεπράττοντο καὶ διωμολογοῦντο εἰς ὁπόσους δέοι τάττεσθαι πᾶν τὸ στράτευμα, ὅπως μὴ λίαν βαθείας τὰς φάλαγγας ποιούμεναι αἱ πόλεις κύκλωσιν τοῖς πολεμίοις παρέχοιεν, ἐν τούτῳ οἱ Λακεδαιμόνιοι καὶ δὴ Τεγεάτας παρειληφότες καὶ Μαντινέας ἐξῆσαν τὴν ἀμφιάλον. [4.2.14] καὶ πορευόμενοι, σχεδόν τι ἅμα οἱ μὲν περὶ τοὺς Κορινθίους ἐν τῇ Νεμέᾳ ἦσαν, οἱ δὲ Λακεδαιμόνιοι καὶ οἱ σύμμαχοι ἐν τῷ Σικυῶνι. ἐμβαλόντων δὲ αὐτῶν κατὰ τὴν Ἐπιείκειαν, τὸ μὲν πρῶτον ἐκ τῶν ὑπερδεξίων βάλλοντες αὐτοὺς καὶ τοξεύοντες μάλα κακῶς ἐποίουν οἱ γυμνήτες τῶν ἀντιπάλων. [4.2.15] ὥς δὲ κατέβησαν ἐπὶ θάλατταν, ταύτῃ προῆσαν διὰ τοῦ πεδίου, τέμνοντες καὶ κάοντες τὴν χώραν· καὶ οἱ ἕτεροι μέντοι ἀπελθόντες κατεστρατοπεδεύσαντο, ἔμπροσθεν ποιησάμενοι τὴν χαράδραν· ἐπεὶ δὲ προϊόντες οἱ Λακεδαιμόνιοι οὐκέτι δέκα στάδια ἀπέιχον τῶν πολεμίων, κάκεῖνοι αὐτοῦ στρατοπεδευσάμενοι ἡσυχίαν εἶχον.

[4.2.16] Φράσω δὲ καὶ τὸ πλῆθος ἐκατέρων. συνελέγησαν γὰρ ὀπλῖται Λακεδαιμονίων μὲν εἰς ἑξακισχιλίους, Ἡλείων δὲ καὶ Τριφυλίων καὶ Ἀκρωρείων καὶ Λασιωνίων ἐγγὺς τρισχίλιοι καὶ Σικυωνίων πεντακόσιοι καὶ χίλιοι, Ἐπιδαυρίων δὲ καὶ Τροιζηνίων καὶ Ἑρμιονέων καὶ Ἀλιέων ἐγένοντο οὐκ ἐλάττους τρισχιλίων. πρὸς

δὲ τούτοις ἰππεῖς μὲν Λακεδαιμονίων περὶ ἑξακοσίους, Κρήτες δὲ τοξόται ἠκολούθουν ὥς τριακόσιοι, καὶ μὴν σφενδονῆται Μαργανέων καὶ Λετρίνων καὶ Ἀμφιδόλων οὐκ ἐλάττους τετρακοσίων. Φλειάσιοι μέντοι οὐκ ἠκολούθουν· ἐκεχειρίαν γὰρ ἔφασαν ἔχειν. αὕτη μὲν δὴ <ή> μετὰ Λακεδαιμονίων δύναμις ἦν. [4.2.17] ἥ γε μὴν τῶν πολεμίων ἠθροίσθη Ἀθηναίων μὲν εἰς ἑξακισχιλίους ὀπλίτας, Ἀργείων δ' ἐλέγοντο περὶ ἑπτακισχιλίους, Βοιωτῶν δ', ἐπεὶ Ὀρχομένιοι οὐ παρήσαν, περὶ πεντακισχιλίους, Κορινθίων γε μὴν εἰς τρισχιλίους, καὶ μὴν ἐξ Εὐβοίας ἀπάσης οὐκ ἐλάττους τρισχιλίων. ὀπλιτικὸν μὲν δὴ τοσοῦτον· ἰππεῖς δὲ Βοιωτῶν μὲν [ἐπεὶ Ὀρχομένιοι οὐ παρήσαν] εἰς ὀκτακοσίους, Ἀθηναίων δ' εἰς ἑξακοσίους, καὶ Χαλκιδέων τῶν ἐξ Εὐβοίας εἰς ἑκατόν, Λοκρῶν δὲ τῶν Ὀπουντίων εἰς πεντήκοντα. καὶ ψιλῶν δὲ σὺν τοῖς τῶν Κορινθίων πλεόν ἦν· καὶ γὰρ Λοκροὶ οἱ Ὀζόλαι καὶ Μηλιεῖς καὶ Ἀκαρνᾶνες παρήσαν αὐτοῖς.

[4.2.18] Αὕτη μὲν δὴ ἑκατέρων ἡ δύναμις ἐγένετο. οἱ δὲ Βοιωτοὶ ἕως μὲν τὸ εὐώνυμον εἶχον, οὐδέν τι κατήπειγον τὴν μάχην συνάπτειν· ἐπεὶ δὲ οἱ μὲν Ἀθηναῖοι κατὰ Λακεδαιμονίους ἐγένοντο, αὐτοὶ δὲ τὸ δεξιὸν ἔσχον καὶ κατ' Ἀχαιοὺς ἀντετάχθησαν, εὐθύς τὰ τε ἱερὰ καλὰ ἔφασαν εἶναι καὶ παρήγγειλαν παρασκευάζεσθαι ὥς μάχης ἐσομένης. καὶ πρῶτον μὲν ἀμελήσαντες τοῦ εἰς ἑκκαίδεκα βαθεῖαν παντελῶς ἐποιήσαντο τὴν φάλαγγα, ἔτι δὲ καὶ ἦγον ἐπὶ τὰ δεξιὰ, ὅπως ὑπερέχοιεν τῷ κέρατι τῶν πολεμίων· οἱ δ' Ἀθηναῖοι, ἵνα μὴ διασπασθεῖσαν, ἐπηκολούθουν, καίπερ γινώσκοντες ὅτι κίνδυνος εἴη κυκλωθῆναι. [4.2.19] τέως μὲν οὖν οἱ Λακεδαιμόνιοι οὐκ ἠισθάνοντο προσιόντων τῶν πολεμίων· καὶ γὰρ ἦν λάσιον τὸ χωρίον· ἐπεὶ δ' ἐπαιάνισαν, τότε δὴ ἔγνωσαν, καὶ εὐθύς ἀντιπαρήγγειλαν ἅπαντας διασκευάζεσθαι ὥς εἰς μάχην. ἐπεὶ δὲ συνετάχθησαν ὥς ἐκάστους οἱ ξεναγοὶ ἔταξαν, παρηγγύησαν μὲν ἀκολουθεῖν τῷ ἡγουμένῳ, ἦγον δὲ καὶ οἱ Λακεδαιμόνιοι ἐπὶ τὰ δεξιὰ, καὶ οὕτω πολλὸν ὑπερέτεινον τὸ κέρας, ὥστε τῶν Ἀθηναίων αἱ μὲν ἐξ φυλαῖ κατὰ τοὺς Λακεδαιμονίους ἐγένοντο, αἱ δὲ τέτταρες κατὰ Τεγεάτας. [4.2.20] οὐκέτι δὲ στάδιον ἀπεχόντων, σφαιγιασάμενοι οἱ Λακεδαιμόνιοι τῇ Ἀγροτέραι, ὥσπερ νομίζεται, τὴν χίμαιραν, ἡγοῦντο ἐπὶ τοὺς ἐναντίους, τὸ ὑπερέχον ἐπικάμψαντες εἰς κύκλωσιν. ἐπεὶ δὲ συνέμειξαν, οἱ μὲν ἄλλοι σύμμαχοι πάντες οἱ τῶν Λακεδαιμονίων ἐκρατήθησαν ὑπὸ τῶν ἐναντίων, Πελληνεῖς δὲ κατὰ

Θεσπιάας γενόμενοι ἐμάχοντό τε καὶ ἐν χώραι ἔπιπτον ἑκατέρων. [4.2.21] αὐτοὶ δὲ οἱ Λακεδαιμόνιοι ὅσον τε κατέσχον τῶν Ἀθηναίων ἐκράτησαν, καὶ κυκλωσάμενοι τῷ ὑπερέχοντι πολλοὺς ἀπέκτειναν αὐτῶν, καὶ ἅτε δὴ ἀπαθεῖς ὄντες, συντεταγμένοι ἐπορεύοντο· καὶ τὰς μὲν τέτταρας φυλάς τῶν Ἀθηναίων πρὶν ἐκ τῆς διώξεως ἐπαναχωρῆσαι παρήλθον, ὥστε οὐκ ἀπέθανον αὐτῶν πλὴν εἴ τις ἐν τῇ συμβολῇ ὑπὸ Τεγεατῶν· [4.2.22] τοῖς δ' Ἀργείοις ἐπιτυγχάνουσιν οἱ Λακεδαιμόνιοι ἀναχωροῦσι, καὶ μέλλοντος τοῦ πρώτου πολέμαρχου ἐκ τοῦ ἐναντίου συμβάλλειν αὐτοῖς, λέγεται ἄρα τις ἀναβοῆσαι παρεῖναι τοὺς πρώτους. ὥς δὲ τοῦτ' ἐγένετο, παραθέοντας δὴ παίοντες εἰς τὰ γυμνά πολλοὺς ἀπέκτειναν αὐτῶν. ἐπελάβοντο δὲ καὶ Κορινθίων ἀναχωρούντων. ἔτι δ' ἐπέτυχον οἱ Λακεδαιμόνιοι καὶ τῶν Θηβαίων τισὶν ἀναχωροῦσιν ἐκ τῆς διώξεως, καὶ ἀπέκτειναν συχνοὺς αὐτῶν. [4.2.23] τούτων δὲ γενομένων, οἱ ἡττώμενοι τὸ μὲν πρῶτον ἔφευγον πρὸς τὰ τεῖχη· ἔπειτα δ' εἰρξάντων Κορινθίων πάλιν κατεσκήνησαν εἰς τὸ ἀρχαῖον στρατόπεδον. Λακεδαιμόνιοι δ' αὖ ἐπαναχωρήσαντες, ἔνθα τὸ πρῶτον τοῖς πολέμοις συνέμειξαν, ἐστήσαντο τροπαῖον. καὶ αὕτη μὲν δὴ ἡ μάχη οὕτως ἐγένετο.

[4.3.1] Ὁ δ' Ἀγησίλαος σπεύδων μὲν ἐκ τῆς Ἀσίας ἐβρόθήει· ὄντι δ' αὐτῷ ἐν Ἀμφιπόλει ἀγγέλλει Δερκυλίδας ὅτι νικῶιέν τε αὖ Λακεδαιμόνιοι, καὶ αὐτῶν μὲν τεθνάναι ὀκτώ, τῶν δὲ πολέμιων παμπλήθεις· ἐδήλου δὲ ὅτι καὶ τῶν συμμάχων οὐκ ὀλίγοι πεπτωκότες εἶεν. [4.3.2] ἐρομένου δὲ τοῦ Ἀγησιλάου· Ἄρ' ἂν, ὃ Δερκυλίδα, ἐν καιρῷ γένοιτο, εἰ αἱ συμπέμπουσαι πόλεις ἡμῖν τοὺς στρατιώτας τὴν νίκην ὥς τάχιστα πύθοιντο; ἀπεκρίνατο δὴ ὁ Δερκυλίδας· Εὐθυμοτέρους γοῦν εἰκὸς ταῦτ' ἀκούσαντας εἶναι. Οὐκοῦν σύ, ἐπεὶ παρεγένου, κάλλιστα ἂν ἀπαγγεῖλαις; ὁ δὲ ἄσμενος ἀκούσας, καὶ γὰρ αἰὲ φιλαπόδημος ἦν, εἶπεν· Εἰ σὺ τάττοις. Ἀλλὰ τάττω, ἔφη, καὶ προσαπαγγέλλειν γε κελεύω ὅτι ἐὰν καὶ τάδε εὖ γένηται, πάλιν παρεσόμεθα, ὥσπερ καὶ ἔφαμεν. [4.3.3] ὁ μὲν δὴ Δερκυλίδας ἐφ' Ἑλλησπόντου πρῶτον ἐπορεύετο· ὁ δ' Ἀγησίλαος διαλλάξας Μακεδονίαν εἰς Θετταλίαν ἀφίκετο. Λαρισαῖοι μὲν οὖν καὶ Κρανωνῖοι καὶ Σκοτουσσαῖοι καὶ Φαρσάλιοι, σύμμαχοι ὄντες Βοιωτοῖς, καὶ πάντες δὲ Θετταλοί, πλὴν ὅσοι αὐτῶν φυγάδες τότε ἐτύγγανον, ἐκακούργουν αὐτὸν ἐπακολουθοῦντες. [4.3.4] ὁ δὲ τέως μὲν ἦγεν ἐν πλαισίῳ τὸ στράτευμα, τοὺς ἡμίσεις μὲν ἔμπροσθεν, τοὺς ἡμίσεις δ' ἐπ' οὐρᾷ ἔχων τῶν ἱππέων· ἐπεὶ δ' ἐκώλυον τῆς πορείας

οἱ Θετταλοὶ ἐπελαύνοντες τοῖς ὀπισθεν, παραπέμπει ἐπ' οὐρανὸν καὶ τὸ ἀπὸ τοῦ στόματος ἵππικὸν πλὴν τῶν περὶ αὐτόν. [4.3.5] ὥς δὲ παρετάξαντο ἀλλήλοις, οἱ μὲν Θετταλοὶ νομίσαντες οὐκ ἐν καλῶι εἶναι πρὸς τοὺς ὀπίτας ἵππομαχεῖν, στρέψαντες βάδην ἀπεχώρουν. [4.3.6] οἱ δὲ μάλα σωφρόνως ἐπηκολούθουν. γνοὺς δὲ ὁ Ἀγησίλαος ἃ ἑκάτεροι ἡμάρτανον. πέμπει τοὺς περὶ αὐτὸν μάλα εὐρώστους ἱππέας, καὶ κελεύει τοῖς τε ἄλλοις παραγγέλλειν καὶ αὐτοὺς διώκειν ὥς τάχιστα καὶ μηκέτι δοῦναι αὐτοῖς ἀναστροφὴν. [4.3.7] οἱ δὲ Θετταλοὶ ὥς εἶδον παρὰ δόξαν ἐλαύνοντας, οἱ μὲν αὐτῶν ἔφυγον, οἱ δ' ἀνέστρεψαν, οἱ δὲ πειρώμενοι τοῦτο ποιεῖν, πλαγίους ἔχοντες τοὺς ἵππους ἠλίσκοντο. [4.3.8] Πολύχαρμος μέντοι ὁ Φαρσάλιος ἱππαρχῶν ἀνέστρεψέ τε καὶ μαχόμενος σὺν τοῖς περὶ αὐτὸν ἀποθνήσκει. ὥς δὲ τοῦτ' ἐγένετο, φυγὴ τῶν Θετταλῶν ἐξαισία γίνεται· ὥστε οἱ μὲν ἀπέθνησκον αὐτῶν, οἱ δὲ καὶ ἠλίσκοντο. ἔστησαν δ' οὖν οὐ πρόσθεν, πρὶν ἐν τῷ ὄρει τῷ Ναρθακίῳ ἐγένοντο. [4.3.9] καὶ τότε μὲν δὴ ὁ Ἀγησίλαος τροπαῖόν τ' ἐστήσατο μετὰ Πραντὸς καὶ Ναρθακίου, καὶ αὐτοῦ ἔμεινε, μάλα ἠδόμενος τῷ ἔργῳ, ὅτι τοὺς μέγιστον φρονούντας ἐπὶ ἱππικῇ ἐνενίκηκε σὺν ᾧ αὐτὸς συνέλεξεν ἱππικῶι. τῇ δ' ὑστεραίᾳ ὑπερβάλλων τὰ Ἀχαϊκὰ τῆς Φθίας ὄρη τὴν λοιπὴν πᾶσαν διὰ φιλίας ἐπορεύετο μέχρι πρὸς τὰ Βοιωτῶν ὄρια.

[4.3.10] Ὅντος δ' αὐτοῦ ἐπὶ τῇ ἐμβολῇ ὁ ἥλιος μηνοειδὴς ἔδοξε φανῆναι, καὶ ἠγγέλη ὅτι ἡττημένοι εἶεν Λακεδαιμόνιοι τῇ ναυμαχίᾳ καὶ ὁ ναύαρχος Πείσανδρος τεθναίῃ. ἐλέγετο δὲ καὶ ᾧ τρόπῳ ἡ ναυμαχία ἐγένετο. [4.3.11] εἶναι μὲν γὰρ περὶ Κνίδον τὸν ἐπίπλουν ἀλλήλοις, Φαρνάβαζον δὲ ναύαρχον ὄντα σὺν ταῖς Φοινίσσαις εἶναι, Κόνωνα δὲ τὸ Ἑλληνικὸν ἔχοντα τετάχθαι ἔμπροσθεν αὐτοῦ. [4.3.12] ἀντιπαραταξαμένου δὲ τοῦ Πεισάνδρου, καὶ πολλὸ ἐλαττόνων αὐτῷ τῶν νεῶν φανεισῶν τῶν αὐτοῦ τοῦ μετὰ Κόνωνος [τοῦ] Ἑλληνικοῦ, τοὺς μὲν ἀπὸ τοῦ εὐωνύμου συμμάχους εὐθὺς αὐτῷ φεύγειν, αὐτὸν δὲ συμμειζαντα τοῖς πολεμίοις ἐμβολὰς ἐχούσῃ τῇ τριήρει πρὸς τὴν γῆν ἐξωσθῆναι· καὶ τοὺς μὲν ἄλλους ὅσοι εἰς τὴν γῆν ἐξεώσθησαν ἀπολιπόντας τὰς ναῦς σώζεσθαι ὅπῃ δύναιτο εἰς τὴν Κνίδον, αὐτὸν δ' ἐπὶ τῇ νήϊ μαχόμενον ἀποθανεῖν. [4.3.13] ὁ οὖν Ἀγησίλαος πυθόμενος ταῦτα τὸ μὲν πρῶτον χαλεπῶς ἤνεγκεν· ἐπεὶ μέντοι ἐνεθυμήθη ὅτι τοῦ στρατεύματος τὸ πλεῖστον εἷη αὐτῷ οἷον ἀγαθῶν μὲν γιγνομένων ἠδέως μετέχειν, εἰ δέ τι χαλεπὸν ὀρώιεν, οὐκ ἀνάγκη εἶναι κοινωνεῖν αὐτοῖς, ἐκ τούτου

μεταβαλὼν ἔλεγεν ὡς ἀγγέλλοιτο ὁ μὲν Πείσανδρος τετελευτηκῶς, νικῶν δὲ τῇ ναυμαχίᾳ. [4.3.14] ἅμα δὲ ταῦτα λέγων καὶ ἐβουθύτει ὡς εὐαγγέλια καὶ πολλοῖς διέπεμπε τῶν τεθυμένων· ὥστε ἀκροβολισμοῦ ὄντος πρὸς τοὺς πολεμίους ἐκράτησαν οἱ τοῦ Ἀγησιλάου τῷ λόγῳ ὡς Λακεδαιμονίων νικόντων τῇ ναυμαχίᾳ.

[4.3.15] Ἦσαν δ' οἱ μὲν ἀντιτεταγμένοι τῷ Ἀγησίλαῳ Βοιωτοί, Ἀθηναῖοι, Ἀργεῖοι, Κορίνθιοι, Αἰνιᾶνες, Εὐβοεῖς, Λοκροὶ ἀμφοτέρω· σὺν Ἀγησίλαῳ δὲ Λακεδαιμονίων μὲν μόρα ἢ ἐκ Κορίνθου διαβάσα, ἥμισυ δὲ μόρας τῆς ἐξ Ὀρχομενοῦ, ἔτι δ' οἱ ἐκ Λακεδαίμονος νεοδαμῳδεῖς συστρατευσάμενοι αὐτῷ, πρὸς δὲ τούτοις οὗ Ἡριππίδας ἐξενάγει ξενικοῦ, ἔτι δὲ οἱ ἀπὸ τῶν ἐν τῇ Ἀσίᾳ πόλεων Ἑλληνίδων, καὶ ἀπὸ τῶν ἐν τῇ Εὐρώπῃ ὅσας διῶν παρέλαβεν· αὐτόθεν δὲ προσεγένοντο ὀπλιταὶ Ὀρχομένιοι καὶ Φωκεῖς. πελτασταὶ γε μὴν πολὺ πλείους οἱ μετ' Ἀγησίλαου· ἵππεῖς δ' αὖ παραπλήσιοι ἀμφοτέροις τὸ πλῆθος. [4.3.16] ἡ μὲν δὴ δύναμις αὕτη ἀμφοτέρων· διηγήσομαι δὲ καὶ τὴν μάχην, καὶ πῶς ἐγένετο οἷα οὐκ ἄλλη τῶν γ' ἐφ' ἡμῶν. συνῆισαν μὲν γὰρ εἰς τὸ κατὰ Κορώνειαν πεδίον οἱ μὲν σὺν Ἀγησίλαῳ ἀπὸ τοῦ Κηφισοῦ, οἱ δὲ σὺν Θηβαίοις ἀπὸ τοῦ Ἑλικῶνος. εἶχε δ' Ἀγησίλαος μὲν δεξιὸν τοῦ μετ' αὐτοῦ, Ὀρχομένιοι δ' αὐτῷ ἔσχατοι ἦσαν τοῦ εὐωνύμου. οἱ δ' αὖ Θηβαῖοι αὐτοὶ μὲν δεξιοὶ ἦσαν, Ἀργεῖοι δ' αὐτοῖς τὸ εὐώνυμον εἶχον. [4.3.17] συνιόντων δὲ τέως μὲν σιγὴ πολλὴ ἀπ' ἀμφοτέρων ἦν· ἡνίκα δ' ἀπεῖχον ἀλλήλων ὅσον στάδιον, ἀλαλάζαντες οἱ Θηβαῖοι δρόμῳ ὁμόσε ἐφέροντο. ὡς δὲ τριῶν ἔτι πλέθρων ἐν μέσῳ ὄντων, ἀντεξέδραμον ἀπὸ τῆς Ἀγησιλάου φάλαγγος ὧν Ἡριππίδας ἐξενάγει καὶ σὺν αὐτοῖς Ἴωνες καὶ Αἰολεῖς καὶ Ἑλλησπόντιοι, καὶ πάντες οὗτοι τῶν συνεκδραμόντων τε ἐγένοντο καὶ εἰς δόρυ ἀφικόμενοι ἔτρεψαν τὸ καθ' αὐτούς. Ἀργεῖοι μέντοι οὐκ ἐδέξαντο τοὺς περὶ Ἀγησίλαον, ἀλλ' ἔφυγον ἐπὶ τὸν Ἑλικῶνα. [4.3.18] κἀνταῦθα οἱ μὲν τινες τῶν ξένων ἐστεφάνουν ἤδη τὸν Ἀγησίλαον, ἀγγέλλει δὲ τις αὐτῷ ὅτι οἱ Θηβαῖοι τοὺς Ὀρχομένιους διακόψαντες ἐν τοῖς σκευοφόροις εἶψαν. καὶ ὁ μὲν εὐθὺς ἐξελίξας τὴν φάλαγγα ἦγεν ἐπ' αὐτούς· οἱ δ' αὖ Θηβαῖοι ὡς εἶδον τοὺς συμμάχους πρὸς Ἑλικῶνι πεφευγότας, διαπεσεῖν βουλόμενοι πρὸς τοὺς ἑαυτῶν, συσπειραθέντες ἐχώρουν ἐρρωμένως. [4.3.19] ἐνταῦθα δὲ Ἀγησίλαον ἀνδρεῖον μὲν ἐξεστὶν εἰπεῖν ἀναμφισβητήτως· οὐ μέντοι εἴλετό γε τὰ ἀσφαλέστατα. ἐξὸν γὰρ αὐτῷ παρέντι τοὺς διαπίπτοντας ἀκολουθοῦντι χειροῦσθαι τοὺς

ὄπισθεν, οὐκ ἐποίησε τοῦτο, ἀλλ' ἀντιμέτωπος συνέρραξε τοῖς Θηβαίοις· καὶ συμβαλόντες τὰς ἀσπίδας ἐωθοῦντο, ἐμάχοντο, ἀπέκτεινον, ἀπέθνησκον. τέλος δὲ τῶν Θηβαίων οἱ μὲν διαπίπτουσι πρὸς τὸν Ἑλικῶνα, πολλοὶ δ' ἀποχωροῦντες ἀπέθανον. [4.3.20] ἐπεὶ δ' ἡ μὲν νίκη Ἀγησιλάου ἐγεγένητο, τετρωμένος δ' αὐτὸς προσενήνεκτο πρὸς τὴν φάλαγγα, προσελάσαντές τινες τῶν ἱππέων λέγουσιν αὐτῷ ὅτι τῶν πολεμίων ὡς ὀγδοήκοντα σὺν ὅπλοις ὑπὸ τῷ νεῷ εἰσι, καὶ ἡρώτων τί χρή ποιεῖν. ὁ δέ, καίπερ πολλὰ τραύματα ἔχων, ὅμως οὐκ ἐπελάθετο τοῦ θεοῦ, ἀλλ' ἔαν τε ἀπιέναι ἦι βούλοιντο ἐκέλευε καὶ ἀδικεῖν οὐκ εἶα. τότε μὲν οὖν, καὶ γὰρ ἦν ἤδη ὀψέ, δειπνοποιησάμενοι ἐκοιμήθησαν. [4.3.21] πρῶι δὲ Γῦλιν τὸν πολέμαρχον παρατάξαι τε ἐκέλευε τὸ στράτευμα καὶ τροπαῖον ἵστασθαι, καὶ στεφανοῦσθαι πάντας τῷ θεῷ καὶ τοὺς αὐλητὰς πάντας αὐλεῖν. καὶ οἱ μὲν ταῦτ' ἐποίοιν. οἱ δὲ Θηβαῖοι ἔπεμψαν κήρυκας, ὑποσπόνδους τοὺς νεκροὺς αἰτοῦντες θάψαι. καὶ οὕτω δὴ αἱ τε σπονδαὶ γίνονται καὶ Ἀγησίλαος μὲν εἰς Δελφοὺς ἀφικόμενος δεκάτην τῶν ἐκ τῆς λείας τῷ θεῷ ἀπέθυσεν οὐκ ἐλάττω ἑκατὸν ταλάντων· Γῦλις δὲ ὁ πολέμαρχος ἔχων τὸ στράτευμα ἀπεχώρησεν εἰς Φωκέας, ἐκεῖθεν δ' εἰς τὴν Λοκρίδα ἐμβάλλει. [4.3.22] καὶ τὴν μὲν ἄλλην ἡμέραν οἱ στρατιῶται καὶ σκεύη ἐκ τῶν κωμῶν καὶ σῖτον ἥρπαζον· ἐπεὶ δὲ πρὸς ἑσπέραν ἦν, τελευταίων ἀποχωρούντων τῶν Λακεδαιμονίων ἐπηκολούθουν αὐτοῖς οἱ Λοκροὶ βάλλοντες καὶ ἀκοντίζοντες. ὡς δ' αὐτῶν οἱ Λακεδαιμόνιοι ὑποστρέψαντες καὶ διώξαντες κατέβαλόν τινας, ἐκ τούτου ὄπισθεν μὲν οὐκέτι ἐπηκολούθουν, ἐκ δὲ τῶν ὑπερδεξίων ἔβαλλον. [4.3.23] οἱ δ' ἐπεχείρησαν μὲν καὶ πρὸς τὸ σιμὸν διώκειν· ἐπεὶ δὲ σκότος τε ἐγίγνετο καὶ ἀποχωροῦντες οἱ μὲν διὰ τὴν δυσχωρίαν ἔπιπτον, οἱ δὲ καὶ διὰ τὸ μὴ προορᾶν τὰ ἔμπροσθεν, οἱ δὲ καὶ ὑπὸ τῶν βελῶν, ἐνταῦθα ἀποθνήσκουσι Γῦλις τε ὁ πολέμαρχος καὶ τῶν παραστατῶν Πελλῆς, καὶ οἱ πάντες ὡς ὀκτωκαίδεκα τῶν Σπαρτιατῶν, οἱ μὲν καταλευσθέντες, οἱ δὲ καὶ τραυματισθέντες. εἰ δὲ μὴ ἐβοήθησαν αὐτοῖς ἐκ τοῦ στρατοπέδου δειπνοῦντες, ἐκινδύνευσαν ἂν ἅπαντες ἀπολέσθαι.

[4.4.1] Μετὰ τοῦτό γε μὴν ἀφείθη μὲν κατὰ πόλεις τὸ ἄλλο στράτευμα, ἀπέπλευσε δὲ καὶ ὁ Ἀγησίλαος ἐπ' οἴκου. ἐκ δὲ τούτου ἐπολέμουν Ἀθηναῖοι μὲν καὶ Βοιωτοὶ καὶ Ἀργεῖοι καὶ οἱ σύμμαχοι αὐτῶν ἐκ Κορίνθου ὁρμώμενοι, Λακεδαιμόνιοι δὲ καὶ οἱ σύμμαχοι

ἐκ Σικυῶνος. ὁρῶντες δ' οἱ Κορίνθιοι ἑαυτῶν μὲν καὶ τὴν χώραν
δηιουμένην καὶ ἀποθνήσκοντας διὰ τὸ αἰετῶν πολεμίων ἐγγὺς εἶναι,
τοὺς δ' ἄλλους συμμάχους καὶ αὐτοὺς ἐν εἰρήνῃ ὄντας καὶ τὰς
χώρας αὐτῶν ἐνεργοὺς οὖσας, οἱ πλείστοι καὶ βέλτιστοι αὐτῶν
εἰρήνης ἐπεθύμησαν, καὶ συνιστάμενοι ἐδίδασκον ταῦτα ἀλλήλους.
[4.4.2] γνόντες δ' οἱ Ἀργεῖοι καὶ Ἀθηναῖοι καὶ Βοιωτοὶ καὶ Κορινθίων
οἳ τε τῶν παρὰ βασιλέως χρημάτων μετεσχηκότες καὶ οἱ τοῦ
πολέμου αἰτιώτατοι γεγενημένοι ὥς εἰ μὴ ἐκποδῶν ποιήσονται τοὺς
ἐπὶ τὴν εἰρήνην τετραμμένους, κινδυνεύσει πάλιν ἡ πόλις λακωνίσει,
οὕτω δὴ σφαγὰς ἐπεχειροῦν ποιεῖσθαι. καὶ πρῶτον μὲν τὸ πάντων
ἀνοσιώτατον ἐβουλεύσαντο· οἱ μὲν γὰρ ἄλλοι, κἂν νόμοι τις
καταγνωσθῇ, οὐκ ἀποκτινύουσιν ἐν ἐορτῇ· ἐκεῖνοι δ' Εὐκλείων
τὴν τελευταίαν προείλοντο, ὅτι πλείους ἂν ὦντο λαβεῖν ἐν τῇ
ἀγορᾷ, ὥστε ἀποκτείνειν. [4.4.3] ὥς δ' ἐσημάνθη οἷς εἴρητο οὗς ἔδει
ἀποκτείνειν, σπασάμενοι τὰ ξίφη ἔπαιον τὸν μὲν τινα συνεστηκότα ἐν
κύκλῳ, τὸν δὲ καθήμενον, τὸν δὲ τινα ἐν θεάτρῳ, ἔστι δ' ὃν καὶ
κριτὴν καθήμενον. ὥς δ' ἐγνώσθη τὸ πρᾶγμα, εὐθὺς ἔφευγον οἱ
βέλτιστοι, οἱ μὲν πρὸς τὰ ἀγάλματα τῶν ἐν τῇ ἀγορᾷ θεῶν, οἱ δ' ἐπὶ
τοὺς βωμούς· ἔνθα δὴ οἱ ἀνοσιώτατοι καὶ παντάπασιν οὐδὲν νόμιμον
φρονούντες, οἳ τε κελεύοντες καὶ οἱ πειθόμενοι, ἔσφαττον καὶ πρὸς
τοῖς ἱεροῖς, ὥστ' ἐνίοις καὶ τῶν οὐ τυπτομένων, νομίμων δ'
ἀνθρώπων, ἀδημονῆσαι τὰς ψυχὰς ἰδόντας τὴν ἀσέβειαν. [4.4.4]
ἀποθνήσκουσι δ' οὕτω τῶν μὲν πρεσβυτέρων πολλοί· μᾶλλον γὰρ
ἔτυχον ἐν τῇ ἀγορᾷ ὄντες· οἱ δὲ νεώτεροι, ὑποπτεύσαντος
Πασιμήλου τὸ μέλλον ἔσεσθαι, ἡσυχίαν ἔσχον ἐν τῷ Κραναίῳ. ὥς
δὲ τῆς κραυγῆς ἤισθοντο, καὶ φεύγοντές τινες ἐκ τοῦ πράγματος
ἀφίκοντο πρὸς αὐτοὺς, ἐκ τούτου ἀναδραμόντες κατὰ τὸν
Ἀκροκόρινθον, προσβαλόντας μὲν Ἀργεῖους καὶ τοὺς ἄλλους
ἀπεκρούσαντο· [4.4.5] βουλευομένων δὲ τί χρὴ ποιεῖν, πίπτει τὸ
κικόκρανον ἀπὸ τοῦ κίονος οὔτε σεισμοῦ οὔτε ἀνέμου γενομένου. καὶ
θυομένοις δὲ τοιαῦτα ἦν τὰ ἱερὰ ὥστε οἱ μάντιες ἔφασαν ἄμεινον
εἶναι καταβαίνειν ἐκ τοῦ χωρίου. καὶ τὸ μὲν πρῶτον ὥς φευξόμενοι
ἔξω τῆς Κορινθίας ἀπεχώρησαν· ἐπεὶ δὲ καὶ οἱ φίλοι αὐτοὺς ἔπειθον
καὶ μητέρες ἰοῦσαι καὶ ἀδελφοί, καὶ αὐτῶν δὲ τῶν ἐν δυνάμει ὄντων
ἦσαν οἱ ὁμνύοντες ὑπισχνούντο μηδὲν χαλεπὸν αὐτοὺς πείσεσθαι,
οὕτω δὴ ἀπῆλθόν τινες οἴκαδε αὐτῶν. [4.4.6] ὁρῶντες δὲ τοὺς
τυραννεύοντας, αἰσθανόμενοι δὲ ἀφανιζομένην τὴν πόλιν διὰ τὸ καὶ

ὄρους ἀνασπᾶσθαι καὶ Ἄργος ἀντὶ Κορίνθου τὴν πατρίδα αὐτοῖς
ὀνομάζεσθαι, καὶ πολιτείας μὲν ἀναγκαζόμενοι τῆς ἐν Ἄργει
μετέχειν, ἥς οὐδὲν ἐδέοντο, ἐν δὲ τῇ πόλει μετοίκων ἔλαττον
δυνάμενοι, ἐγένοντό τινες αὐτῶν οἱ ἐνόμισαν οὕτω μὲν ἀβίωτον
εἶναι· πειρωμένους δὲ τὴν πατρίδα, ὥσπερ ἦν καὶ ἐξ ἀρχῆς, Κόρινθον
ποιῆσαι καὶ ἐλευθέραν ἀποδεῖξαι καὶ τῶν μὲν μαιφόνων καθάραν,
εὐνομίαι δὲ χρωμένην, ἄξιον εἶναι, εἰ μὲν δύναιτο καταπραῖσαι
ταῦτα, σωτῆρας γενέσθαι τῆς πατρίδος, εἰ δὲ μὴ δύναιτο, τῶν γε
καλλίστων καὶ μεγίστων ἀγαθῶν ὀρεγομένους ἀξιεπαινοτάτης
τελευτῆς τυχεῖν. [4.4.7] οὕτω δὲ ἐπιχειρεῖτον ἄνδρε δύο, Πασίμηλός τε
καὶ Ἀλκιμένης, διαδύντε διὰ χειμάρρου συγγενέσθαι Πραξίται τῷ
Λακεδαιμονίων πολεμάρχῳ, ὃς ἐτύγχανε μετὰ τῆς ἑαυτοῦ μόρας
φρουρῶν ἐν Σικυῶνι, καὶ εἶπον ὅτι δύναιντ' ἂν παρασχεῖν αὐτῷ
εἴσοδον εἰς τὰ κατατείνοντα ἐπὶ Λέχαιον τείχη. ὁ δὲ καὶ πρόσθεν
γινώσκων τῷ ἄνδρῳ ἀξιοπίστῳ ὄντε, ἐπίστευσε, καὶ διαπραξάμενος
ὥστε καὶ τὴν ἀπιέναι μέλλουσιν ἐκ Σικυῶνος μόραν καταμεῖναι,
ἔπραττε τὴν εἴσοδον. [4.4.8] ἐπεὶ δὲ τῷ ἄνδρῳ καὶ κατὰ τύχην καὶ κατ'
ἐπιμέλειαν ἐγενέσθην φύλακε κατὰ τὰς πύλας ταύτας ἔνθαπερ τὸ
τροπαῖον ἔστηκεν, οὕτω δὲ ἔχων ὁ Πραξίτας ἔρχεται τὴν τε μόραν
καὶ Σικυωνίους καὶ Κορινθίους ὅσοι φυγάδες ὄντες ἐτύγχανον. ἐπεὶ δ'
ἦν πρὸς ταῖς πύλαις, φοβούμενος τὴν εἴσοδον, ἐβουλήθη τῶν πιστῶν
ἄνδρα εἰσπέμψαι σκεψόμενον τὰ ἔνδον. τῷ δὲ εἰσηγαγέτην καὶ
οὕτως ἀπλῶς ἀπεδειξάτην ὥστε ὁ εἰσελθὼν ἐξήγγειλε πάντα εἶναι
ἀδόλως οἷάπερ ἐλεγέτην. [4.4.9] ἐκ τούτου δ' εἰσέρχεται. ὥς δὲ πολὺ
διεχόντων τῶν τειχῶν ἀπ' ἀλλήλων παραταπτόμενοι ὀλίγοι ἑαυτοῖς
ἔδοξαν εἶναι, σταύρωμά τ' ἐποίησαντο καὶ τάφρον οἷαν ἐδύναντο
πρὸ αὐτῶν, ἕως δὲ οἱ σύμμαχοι βοηθήσοιεν αὐτοῖς. ἦν δὲ καὶ
ὀπισθεν αὐτῶν ἐν τῷ λιμένι Βοιωτῶν φυλακή. τὴν μὲν οὖν ἐπὶ τῇ
νυκτὶ ἢ εἰσηλθὼν ἡμέραν ἄμαχοι διήγαγον· τῇ δ' ὕστεραίαι ἦκον οἱ
Ἀργεῖοι πασσυδαὶ βοηθοῦντες· καὶ εὐρόντες τεταγμένους
Λακεδαιμονίους μὲν ἐπὶ τῷ δεξιῷ ἑαυτῶν, Σικυωνίους δὲ
ἐχομένους, Κορινθίους δὲ τοὺς φυγάδας ὡς πεντήκοντα καὶ ἑκατὸν
πρὸς τῷ ἐώϊῳ τείχει, ἀντιτάττονται ἐχόμενοι [δὲ] τοῦ ἐώϊου τείχους
<οἱ> περὶ Ἰφικράτην μισθοφόροι, πρὸς δὲ τούτοις Ἀργεῖοι·
εὐάνθυμον δ' εἶχον αὐτοῖς Κορίνθιοι οἱ ἐκ τῆς πόλεως. [4.4.10]
καταφρονήσαντες δὲ τῷ πλήθει εὐθὺς ἐχώρουν· καὶ τοὺς μὲν
Σικυωνίους ἐκράτησαν καὶ διασπάσαντες τὸ σταύρωμα ἐδίωκον ἐπὶ

θάλατταν, καὶ ἐκεῖ πολλοὺς αὐτῶν ἀπέκτειναν. Πασίμαχος δὲ ὁ ἵππαρμοστής, ἔχων ἵππιας οὐ πολλοὺς, ὥς ἑώρα τοὺς Σικυωνίους πιεζομένους, καταδήσας ἀπὸ δένδρων τοὺς ἵππους, καὶ ἀφελόμενος τὰς ἀσπίδας αὐτῶν, μετὰ τῶν ἐθελόντων ἦει ἐναντίον τοῖς Ἀργείοις. οἱ δὲ Ἀργεῖοι ὀρῶντες τὰ σίγμα τὰ ἐπὶ τῶν ἀσπίδων, ὥς Σικυωνίους οὐδὲν ἐφοβοῦντο. ἔνθα δὴ λέγεται εἰπῶν ὁ Πασίμαχος· Ναὶ τὼ σιῶ, ὦ Ἀργεῖοι, ψευσεῖ ὑμὲ τὰ σίγμα ταῦτα, χωρεῖν ὁμόσε· καὶ οὕτω μαχόμενος μετ' ὀλίγων πρὸς πολλοὺς ἀποθνήσκει καὶ ἄλλοι τῶν περὶ αὐτόν. [4.4.11] οἱ μέντοι φυγάδες τῶν Κορινθίων νικῶντες τοὺς καθ' αὐτοὺς διέδυσαν ἄνω, καὶ ἐγένοντο ἐγγὺς τοῦ περὶ τὸ ἄστὺ κύκλου· οἱ δ' αὖ Λακεδαιμόνιοι ὥς ἦισθοντο κρατούμενα τὰ κατὰ τοὺς Σικυωνίους, βοηθοῦσιν ἐξελθόντες, ἐν ἀριστεραῖ ἔχοντες τὸ σταύρωμα. οἱ γε μὴν Ἀργεῖοι ἐπεὶ ἤκουσαν ὀπισθεν ὄντας τοὺς Λακεδαιμονίους, στραφέντες δρόμῳ πάλιν ἐκ τοῦ σταυρώματος ἐξέπιπτον. καὶ οἱ μὲν ἐν δεξιᾷ ἔσχατοι αὐτῶν παιόμενοι εἰς τὰ γυμνὰ ὑπὸ τῶν Λακεδαιμονίων ἀπέθνησκον, οἱ δὲ πρὸς τῷ τείχει ἀθρόοι σὺν πολλῷ ὄχλῳ πρὸς τὴν πόλιν ἀπεχώρουν. ὥς δ' ἐνέτυχον τοῖς φυγάσι τῶν Κορινθίων, καὶ ἔγνωσαν πολεμίους ὄντας, ἀπέκλιναν πάλιν. ἐνταῦθα μέντοι οἱ μὲν κατὰ τὰς κλίμακας ἀναβαίνοντες ἥλλοντο κατὰ τοῦ τείχους καὶ διεφθείροντο, οἱ δὲ περὶ τὰς κλίμακας ὠθούμενοι καὶ παιόμενοι ἀπέθνησκον, οἱ δὲ καὶ καταπατούμενοι ὑπ' ἀλλήλων ἀπεπνίγοντο. [4.4.12] οἱ δὲ Λακεδαιμόνιοι οὐκ ἠπόρουν τίνα ἀποκτείνειν· ἔδωκε γὰρ τότε γε ὁ θεὸς αὐτοῖς ἔργον οἷον οὐδ' ἠϋζαντό ποτ' ἄν. τὸ γὰρ ἐγχειρισθῆναι αὐτοῖς πολεμίων πλῆθος πεφοβημένον, ἐκπεπληγμένον, τὰ γυμνὰ παρέχον, ἐπὶ τὸ μάχεσθαι οὐδένα τρεπόμενον, εἰς δὲ τὸ ἀπόλλυσθαι πάντα πάντα ὑπηρετοῦντας, πῶς οὐκ ἂν τις θεῖον ἠγήσαιτο; τότε γοῦν οὕτως ἐν ὀλίγῳ πολλοὶ ἔπεσον ὥστε εἰθισμένοι ὀρᾶν οἱ ἄνθρωποι σωροὺς σίτου, ξύλων, λίθων, τότε ἐθεάσαντο σωροὺς νεκρῶν. ἀπέθανον δὲ καὶ οἱ ἐν τῷ λιμένι τῶν Βοιωτῶν φύλακες, οἱ μὲν ἐπὶ τῶν τειχῶν, οἱ δὲ ἐπὶ τὰ τέγη τῶν νεωσοίκων ἀναβάντες. [4.4.13] μετὰ μὲν τοίνυν τοῦτο οἱ μὲν Κορίνθιοι καὶ Ἀργεῖοι τοὺς νεκροὺς ὑποσπόνδους ἀπήγοντο, οἱ δὲ σύμμαχοι τῶν Λακεδαιμονίων ἐβοήθουν. ἐπεὶ δὲ ἠθροίσθησαν, ἔγνω Πραξίτας πρῶτον μὲν τῶν τειχῶν καθελεῖν ὥστε δίοδον στρατοπέδῳ ἱκανὴν εἶναι, ἔπειτα δ' ἀναλαβὼν τὸ στράτευμα ἦγε τὴν ἐπὶ Μέγαρα, καὶ αἰρεῖ προσβαλὼν πρῶτον μὲν Σιδοῦντα, ἔπειτα δὲ Κρομμυῶνα. καὶ ἐν τούτοις τοῖς τείχεσι καταστήσας

φρουρούς τοῦμπαλιν ἐπορεύετο· καὶ τειχίσας Ἐπιείκειαν, ἵνα φρούριον εἴη πρὸ τῆς φιλίας τοῖς συμμάχοις, οὕτω διαφῆκε τὸ στράτευμα, καὶ αὐτὸς τὴν ἐπὶ Λακεδαίμονα ἀπεχώρει.

[4.4.14] Ἐκ δὲ τούτου στρατιαὶ μὲν μεγάλαι ἐκατέρων διεπέπαυντο, φρουροὺς δὲ πέμπουσαι αἱ πόλεις, αἱ μὲν εἰς Κόρινθον, αἱ δὲ εἰς Σικυῶνα, ἐφύλαττον τὰ τεῖχη· μισθοφόρους γε μὴν ἑκάτεροι ἔχοντες διὰ τούτων ἐρρωμένως ἐπολέμουν.

[4.4.15] Ἦνθα δὴ καὶ Ἰφικράτης εἰς Φλειοῦντα ἐμβαλὼν καὶ ἐνεδρευσάμενος, ὀλίγοις δὲ λεηλατῶν, βοηθησάντων τῶν ἐκ τῆς πόλεως ἀφυλάκτως, ἀπέκτεινε τοσοῦτους ὥστε καὶ τοὺς Λακεδαιμονίους πρόσθεν οὐ δεχόμενοι εἰς τὸ τεῖχος οἱ Φλειάσιοι, φοβούμενοι μὴ τοὺς φάσκοντας ἐπὶ λακωνισμῶι φεύγειν κατάγοιεν, τότε οὕτω κατεπλάγησαν τοὺς ἐκ Κορίνθου ὥστε μετεπέμψαντό τε τοὺς Λακεδαιμονίους, καὶ τὴν πόλιν καὶ τὴν ἄκραν φυλάττειν αὐτοῖς παρέδωκαν. οἱ μέντοι Λακεδαιμόνιοι, καίπερ εὐνοϊκῶς ἔχοντες τοῖς φυγάσιν, ὅσον χρόνον εἶχον αὐτῶν τὴν πόλιν, οὐδ' ἐμνήσθησαν παντάπασι περὶ καθόδου φυγάδων, ἀλλ' ἐπεὶ ἀναθαρρῆσαι ἐδόκει ἡ πόλις, ἐξῆλθον καὶ τὴν πόλιν καὶ τοὺς νόμους παραδόντες οἶανπερ καὶ παρέλαβον. [4.4.16] οἱ δ' αὖ περὶ τὸν Ἰφικράτην πολλαχόσε καὶ τῆς Ἀρκαδίας ἐμβαλόντες ἐλεηλάτουν τε καὶ προσέβαλλον πρὸς τὰ τεῖχη· ἔξω γὰρ οἱ τῶν Ἀρκάδων ὀπλίται παντάπασι οὐκ ἀντεξῆσαν· οὕτω τοὺς πελταστὰς ἐπεφόβηντο. τοὺς μέντοι Λακεδαιμονίους οὕτως αὖ οἱ πελτασταὶ ἐδεδίεσαν ὥς ἐντὸς ἀκοντίσματος οὐ προσῆσαν τοῖς ὀπλίταις· ἥδη γάρ ποτε καὶ ἐκ τοσοῦτου διώξαντες οἱ νεώτεροι τῶν Λακεδαιμονίων ἐλόντες ἀπέκτεινάν τινας αὐτῶν. [4.4.17] καταφρονοῦντες δὲ οἱ Λακεδαιμόνιοι τῶν πελταστῶν, ἔτι μᾶλλον τῶν ἑαυτῶν συμμάχων κατεφρόνουν· καὶ γὰρ οἱ Μαντινεῖς βοηθήσαντές ποτε, ἐπεκδραμόντες πελτασταῖς ἐκ τοῦ ἐπὶ Λέχαιον τείνοντος τείχους, ἀκοντιζόμενοι ἐνέκλινάν τε καὶ ἀπέθανόν τινες αὐτῶν φεύγοντες· ὥστε οἱ μὲν Λακεδαιμόνιοι καὶ ἐπισκώπτειν ἐτόλμων ὥς οἱ σύμμαχοι φοβοῖντο τοὺς πελταστὰς ὥσπερ μορμόνας παιδάρια. αὐτοὶ δὲ ἐκ τοῦ Λεχαιῶν ὀρμώμενοι σὺν μόραι καὶ τοῖς Κορινθίων φυγάσι κύκλωι περὶ τὸ ἄστυ τῶν Κορινθίων ἐστρατεύοντο. [4.4.18] οἱ δ' αὖ Ἀθηναῖοι φοβούμενοι τὴν ῥώμην τῶν Λακεδαιμονίων, μὴ ἐπεὶ τὰ μακρὰ τεῖχη τῶν Κορινθίων διήρητο, ἔλθοιεν ἐπὶ σφᾶς, ἡγήσαντο κράτιστον εἶναι ἀνατειχίσαι τὰ διηρημένα ὑπὸ Πραξίτα τεῖχη. καὶ ἐλθόντες πανδημεὶ μετὰ

λιθολόγων καὶ τεκτόνων τὸ μὲν πρὸς Σιλυῶνος καὶ πρὸς ἐσπέρας ἐν ὀλίγαις ἡμέραις πάνυ καλὸν ἐξετείχισαν, τὸ δὲ ἐῷον μᾶλλον κατὰ ἡσυχίαν ἐτείχιζον.

[4.4.19] Οἱ δ' αὖ Λακεδαιμόνιοι ἐνθυμηθέντες τοὺς Ἀργεῖους τὰ μὲν οἴκοι καρπουμένους, ἡδομένους δὲ τῷ πολέμῳ, στρατεύουσιν ἐπ' αὐτούς. Ἀγησίλαος δ' ἡγεῖτο, καὶ δηιώσας πᾶσαν αὐτῶν τὴν χώραν, εὐθὺς ἐκεῖθεν ὑπερβαλὼν κατὰ Τενέαν εἰς Κόρινθον αἰρεῖ τὰ ἀνοικοδομηθέντα ὑπὸ τῶν Ἀθηναίων τείχῃ. παρεγένετο δὲ αὐτῷ καὶ ἀδελφὸς Τελευτίας κατὰ θάλατταν, ἔχων τριῆρεις περὶ δώκεκα· ὥστε μακαρίζεσθαι αὐτῶν τὴν μητέρα, ὅτι τῇ αὐτῇ ἡμέραι ὧν ἔτεκεν ὁ μὲν κατὰ γῆν τὰ τείχῃ τῶν πολεμίων, ὁ δὲ κατὰ θάλατταν τὰς ναῦς καὶ τὰ νεώρια ἤιρηκε. καὶ τότε μὲν ταῦτα πράξας ὁ Ἀγησίλαος τό τε τῶν συμμάχων στράτευμα διῆκε καὶ τὸ πολιτικὸν οἶκαδε ἀπήγαγεν.

[4.5.1] Ἐκ δὲ τούτου Λακεδαιμόνιοι ἀκούοντες τῶν φευγόντων ὅτι <οἱ> ἐν τῇ πόλει πάντα μὲν τὰ βοσκήματα ἔχοιεν καὶ σώζοιντο ἐν τῷ Πειραίῳ, πολλοὶ δὲ τρέφοιντο αὐτόθεν, στρατεύουσι πάλιν εἰς τὴν Κόρινθον, Ἀγησιλάου καὶ τότε ἡγουμένου. καὶ πρῶτον μὲν ἦλθεν εἰς Ἴσθμόν· καὶ γὰρ ἦν ὁ μὴν ἐν ᾧ Ἴσθμια γίγνεται, καὶ οἱ Ἀργεῖοι αὐτοῦ ἐτύγχανον τότε ποιοῦντες τὴν θυσίαν τῷ Ποσειδῶνι, ὥς Ἀργούς τῆς Κορίνθου ὄντος. ὥς δ' ἦισθοντο προσιόντα τὸν Ἀγησίλαον, καταλιπόντες καὶ τὰ τεθυμένα καὶ τὰ ἀριστοποιούμενα μάλα σὺν πολλῷ φόβῳ ἀπεχώρουν εἰς τὸ ἄστυ κατὰ τὴν ἐπὶ Κεγχρείας ὁδόν. [4.5.2] ὁ μέντοι Ἀγησίλαος ἐκείνους μὲν καίπερ ὀρῶν οὐκ ἐδίωκε, κατασκηνήσας δὲ ἐν τῷ ἱερῷ αὐτὸς τε τῷ θεῷ ἔθυε καὶ περιέμενεν, ἕως οἱ φυγάδες τῶν Κορινθίων ἐποίησαν τῷ Ποσειδῶνι τὴν θυσίαν καὶ τὸν ἀγῶνα. ἐποίησαν δὲ καὶ οἱ Ἀργεῖοι ἀπελθόντος Ἀγησιλάου ἐξ ἀρχῆς πάλιν Ἴσθμια. καὶ ἐκείνῳ τῷ ἔτει ἔστι μὲν ἃ τῶν ἄθλων δις ἕκαστος ἐνικήθη, ἔστι δὲ ἃ δις οἱ αὐτοὶ ἐκηρύχθησαν. [4.5.3] τῇ δὲ τετάρτῃ ἡμέρῃ ὁ Ἀγησίλαος ἦγε πρὸς τὸ Πείραιον τὸ στράτευμα. ἰδὼν δὲ ὑπὸ πολλῶν φυλαττόμενον, ἀπεχώρησε μετ' ἄριστον πρὸς τὸ ἄστυ, ὥς προδιδομένης τῆς πόλεως· ὥστε οἱ Κορινθιοὶ δέισαντες μὴ προδιδοῖτο ὑπὸ τινων ἢ πόλιν, μετεπέμψαντο τὸν Ἰφικράτην σὺν τοῖς πλείστοις τῶν πελταστῶν. αἰσθόμενος δὲ ὁ Ἀγησίλαος τῆς νυκτὸς παρεληλυθότας αὐτούς, ὑποστρέψας ἅμα τῇ ἡμέρῃ εἰς τὸ Πείραιον ἦγε. καὶ αὐτὸς μὲν κατὰ τὰ θερμὰ προΐει, μόραν δὲ κατὰ τὸ ἀκρότατον ἀνεβίβασε. καὶ ταύτην μὲν τὴν νύκτα ὁ μὲν πρὸς ταῖς θερμαῖς ἐστρατοπεδεύετο, ἡ δὲ

μόρα τὰ ἄκρα κατέχουσα ἐνυκτέρευσεν. [4.5.4] ἔνθα δὴ καὶ ὁ Ἀγησίλαος μικρῷ καιρίῳ δ' ἐνθυμήματι ἠυδοκίμησε τῶν γὰρ τῇ μόρῃ φερόντων τὰ σιτία οὐδενὸς πῦρ εἰσενεγκόντος, ψύχους δὲ ὄντος διὰ τε τὸ πάνυ ἐφ' ὑψηλοῦ εἶναι καὶ διὰ τὸ γενέσθαι ὕδωρ καὶ χάλαζαν πρὸς τὴν ἐσπέραν, καὶ ἀνεβέβηκεσαν δὲ ἔχοντες οἷα δὴ θέρους σπειρία, ῥιγούντων δ' αὐτῶν καὶ ἐν σκότῳ ἀθύμως πρὸς τὸ δεῖπνον ἐχόντων, πέμπει ὁ Ἀγησίλαος οὐκ ἔλαττον δέκα φέροντας πῦρ ἐν χύτραις. ἐπειδὴ δὲ ἀνέβησαν ἄλλος ἄλλῃ, καὶ πολλὰ καὶ μεγάλα πυρὰ ἐγένετο, ἅτε πολλῆς ὕλης παρούσης, πάντες μὲν ἠλείφοντο, πολλοὶ δὲ καὶ ἐδείπνησαν ἐξ ἀρχῆς. φανερὸς δὲ ἐγένετο καὶ ὁ νεὼς τοῦ Ποσειδῶνος ταύτῃ τῇ νυκτὶ καόμενος· ὅφ' ὅτου δ' ἐνεπρήσθη οὐδεὶς οἶδεν. [4.5.5] ἐπεὶ δὲ ἦισθοντο οἱ ἐν τῷ Πειραιῳ τὰ ἄκρα ἐχόμενα, ἐπὶ μὲν τὸ ἀμύνασθαι οὐκέτι ἐτράποντο, εἰς δὲ τὸ Ἑραιοὺν κατέφυγον καὶ ἄνδρες καὶ γυναῖκες καὶ δοῦλοι καὶ ἐλεύθεροι καὶ τῶν βοσκημάτων τὰ πλεῖστα. καὶ Ἀγησίλαος μὲν δὴ σὺν τῷ στρατεύματι παρὰ θάλατταν ἐπορεύετο· ἡ δὲ μόρα ἅμα καταβαίνουσα ἀπὸ τῶν ἄκρων Οἰνόνῃ τὸ ἐντετειχισμένον τεῖχος αἶρεϊ, καὶ τὰ ἐνόντα ἔλαβε, καὶ πάντες δὲ οἱ στρατιῶται ἐν ταύτῃ τῇ ἡμέρῃ πολλὰ τὰ ἐπιτήδεια ἐκ τῶν χωρίων ἐλάμβανον. οἱ δ' ἐν τῷ Ἑραίῳ καταπεφευγότες ἐξῆσαν, ἐπιτρέψοντες Ἀγησίλαῳ γινῶναι ὅ τι βούλοιο περὶ σφῶν. ὁ δ' ἔγνω, ὅσοι μὲν τῶν σφαγέων ἦσαν, παραδοῦναι αὐτοὺς τοῖς φυγάσι, τὰ δ' ἄλλα πάντα πραθῆναι. [4.5.6] ἐκ τούτου δὲ ἐξήκει μὲν ἐκ τοῦ Ἑραίου πάμπολλα τὰ αἰχμάλωτα· πρεσβεῖαι δὲ ἄλλοθεν τε πολλαὶ παρῆσαν καὶ ἐκ Βοιωτῶν ἦκον ἐρησόμενοι τί ἂν ποιοῦντες εἰρήνης τύχοιεν. ὁ δὲ Ἀγησίλαος μάλα μεγαλοφρόνως τούτους μὲν οὐδ' ὁρᾷ ἐδόκει, καίπερ Φάρακος τοῦ προξένου παρεστηκότος αὐτοῖς, ὅπως προσαγάγοι καθήμενος δ' ἐπὶ τοῦ περὶ τὴν λίμνην κυκλοτεροῦς οἰκοδομήματος ἐθεώρει πολλὰ τὰ ἐξαγόμενα. τῶν δὲ Λακεδαιμονίων ἀπὸ τῶν ὅπλων σὺν τοῖς δόρασι παρηκολούθουν φύλακες τῶν αἰχμαλώτων, μάλα ὑπὸ τῶν παρόντων θεωρούμενοι· οἱ γὰρ εὐτυχοῦντες καὶ κρατοῦντες ἀεί πως ἀξιοθέατοι δοκοῦσιν εἶναι. [4.5.7] ἔτι δὲ καθημένου Ἀγησίλαου καὶ εὐοκίμους ἀγαλλομένους τοῖς πεπραγμένοις, ἵππεὺς τις προσήλανε καὶ μάλα ἰσχυρῶς ἰδρῶντι τῷ ἵππῳ. ὑπὸ πολλῶν δὲ ἐρωτώμενος ὅ τι ἀγγέλλοι, οὐδενὶ ἀπεκρίνατο, ἀλλ' ἐπειδὴ ἐγγὺς ἦν τοῦ Ἀγησιλάου, καθαλόμενος ἀπὸ τοῦ ἵπου καὶ προσδραμὼν αὐτῷ μάλα σκυθρωπὸς ὢν λέγει τὸ τῆς ἐν Λεχαίῳ μόρας πάθος. ὁ δ' ὥς

ἤκουσεν, εὐθύς τε ἐκ τῆς ἔδρας ἀνεπήδησε καὶ τὸ δόρυ ἔλαβε καὶ πολεμάρχους καὶ πεντηκοντῆρας καὶ ξεναγούς καλεῖν τὸν κήρυκα ἐκέλευεν. [4.5.8] ὥς δὲ συνέδραμον οὗτοι, τοῖς μὲν ἄλλοις εἶπεν, οὐ γάρ πω ἡριστοποιήντο, ἐμφαγοῦσιν ὅ τι δύναιτο ἤκειν τὴν ταχίστην, αὐτὸς δὲ σὺν τοῖς περὶ δαμοσίαν ὑψηγέιτο ἀνάριστος. καὶ οἱ δορυφόροι τὰ ὄπλα ἔχοντες παρηκολούθουν σπουδῇ, τοῦ μὲν ὑψηγουμένου, τῶν δὲ μετιόντων. ἤδη δ' ἐκπεπερακότος αὐτοῦ τὰ θερμὰ εἰς τὸ πλατὺ τοῦ Λεχαιίου, προσελάσαντες ἵππεῖς τρεῖς ἀγγέλλουσιν ὅτι οἱ νεκροὶ ἀνηρημένοι εἴησαν. ὁ δ' ἐπεὶ τοῦτο ἤκουσε, θέσθαι κελεύσας τὰ ὄπλα καὶ ὀλίγον χρόνον ἀναπαύσας, ἀπῆγε πάλιν τὸ στράτευμα ἐπὶ τὸ "Ηραιον· τῇ δ' ὑστεραίᾳ τὰ αἰχμάλωτα διετίθετο.

[4.5.9] Οἱ δὲ πρέσβεις τῶν Βοιωτῶν προσκληθέντες καὶ ἐρωτώμενοι ὅ τι ἤκοιεν, περὶ μὲν τῆς εἰρήνης οὐκέτι ἐμέμνηντο, εἶπον δὲ ὅτι εἰ μὴ τι καλῶσι βούλοιντο εἰς ἅστῳ πρὸς τοὺς σφετέρους στρατιώτας παρελθεῖν. ὁ δ' ἐπιγελάσας· Ἀλλ' οἶδα μὲν, ἔφη, ὅτι οὐ τοὺς στρατιώτας ἰδεῖν βούλεσθε, ἀλλὰ τὸ εὐτύχημα τῶν φίλων ὑμῶν θεάσασθαι πόσον τι γεγένηται. περιμείνατε οὖν, ἔφη· ἐγὼ γὰρ ὑμᾶς αὐτὸς ἄξω, καὶ μᾶλλον μετ' ἐμοῦ ὄντες γνώσεσθε ποῖόν τι τὸ γεγενημένον ἐστί. [4.5.10] καὶ οὐκ ἐνέυσσατο, ἀλλὰ τῇ ὑστεραίᾳ θυσάμενος ἦγε πρὸς τὴν πόλιν τὸ στράτευμα. καὶ τὸ μὲν τροπαῖον οὐ κατέβαλεν, εἰ δέ τι ἦν λοιπὸν δένδρον, κόπτων καὶ κάων ἐπεδείκνυνεν ὥς οὐδεὶς ἀντεξήκει. ταῦτα δὲ ποιήσας ἐστρατοπεδεύσατο περὶ τὸ Λέχαιον· καὶ τοὺς Θηβαίων μέντοι πρέσβεις εἰς μὲν τὸ ἅστῳ οὐκ ἀνῆκε, κατὰ θάλατταν δὲ εἰς Κρεῦσιν ἀπέπεμψεν. ἅτε δὲ ἀήτους τοῖς Λακεδαιμονίοις γεγενημένης τῆς τοιαύτης συμφορᾶς, πολὺ πένθος ἦν κατὰ τὸ Λακωνικὸν στράτευμα, πλὴν ὅσων ἐτέθνασαν ἐν χώρᾳ ἢ υἱοὶ ἢ πατέρες ἢ ἀδελφοί· οὗτοι δ' ὥσπερ νικηφόροι λαμπροὶ καὶ ἀγαλλόμενοι τῷ οἰκείῳ πάθει περιῆσαν. [4.5.11] ἐγένετο δὲ τὸ τῆς μόρας πάθος τοιῶδε τρόπῳ. οἱ Ἀμυκλαῖοι ἀεὶ ποτε ἀπέρχονται εἰς τὰ Ὑακίνθια ἐπὶ τὸν παιᾶνα. ἐάν τε στρατοπεδεύομενοι τυγχάνωσιν ἐάν τε ἄλλως πως ἀποδημοῦντες. καὶ τότε δὴ τοὺς ἐκ πάσης τῆς στρατιᾶς Ἀμυκλαίους κατέλιπε μὲν Ἀγησίλαος ἐν Λεχαιῷ. ὁ δ' ἐκεῖ φρουρῶν πολέμαρχος τοὺς μὲν ἀπὸ τῶν συμμάχων φρουροὺς παρέταξε φυλάττειν τὸ τεῖχος, αὐτὸς δὲ σὺν τῇ τῶν ὀπλιτῶν καὶ τῇ τῶν ἵππεων μόρᾳ παρὰ τὴν πόλιν τῶν Κορινθίων τοὺς Ἀμυκλαιεῖς παρῆγεν. [4.5.12] ἐπεὶ δὲ ἀπεῖχον ὅσον εἴκοσιν ἢ τριάκοντα σταδίους

τοῦ Σικυῶνος, ὁ μὲν πολέμαρχος σὺν τοῖς ὀπλίταις οὓσιν ὥς ἑξακοσίους ἀπῆιε πάλιν ἐπὶ τὸ Λέχαιον, τὸν δ' ἱππαρμοστήν ἐκέλευσε σὺν τῇ τῶν ἱπέων μόρῃ, ἐπεὶ προπέμψειαν τοὺς Ἀμυκλαιεῖς μέχρι ὀπόσου αὐτοὶ κελεύοιεν, μεταδιώκειν. καὶ ὅτι μὲν πολλοὶ ἦσαν ἐν τῇ Κορίνθῳ καὶ πελτασταὶ καὶ ὀπλίται οὐδὲν ἡγνόουν· κατεφρόνουν δὲ διὰ τὰς ἔμπροσθεν τύχας μηδένα ἂν ἐπιχειρῆσαι σφίσιν. [4.5.13] οἱ δ' ἐκ τῶν Κορινθίων ἄστεως, Καλλίας τε ὁ Ἰππονίκου, τῶν Ἀθηναίων ὀπλιτῶν στρατηγῶν, καὶ Ἰφικράτης, τῶν πελταστῶν ἄρχων, καθορῶντες αὐτοὺς καὶ οὐ πολλοὺς ὄντας καὶ ἐρήμους καὶ πελταστῶν καὶ ἱπέων, ἐνόμισαν ἀσφαλὲς εἶναι ἐπιθέσθαι αὐτοῖς τῷ πελταστικῷ. εἰ μὲν γὰρ πορεύοιντο τῇ ὁδῷ, ἀκοντιζομένους ἂν αὐτοὺς εἰς τὰ γυμνά ἀπόλλυσθαι· εἰ δ' ἐπιχειροῖεν διώκειν, ραϊδίως ἂν ἀποφυγεῖν πελτασταῖς τοῖς ἐλαφροτάτοις τοὺς ὀπλίτας. γνόντες δὲ ταῦτα ἐξάγουσι. [4.5.14] καὶ ὁ μὲν Καλλίας παρέταξε τοὺς ὀπλίτας οὐ πόρρῳ τῆς πόλεως, ὁ δὲ Ἰφικράτης λαβὼν τοὺς πελταστὰς ἐπέθετο τῇ μόρῃ. οἱ δὲ Λακεδαιμόνιοι ἐπεὶ ἠκοντίζοντο καὶ ὁ μὲν τις ἐτέτρωτο, ὁ δὲ καὶ ἐπεπτώκει, τούτους μὲν ἐκέλευον τοὺς ὑπασπιστὰς ἀραμένους ἀποφέρειν εἰς Λέχαιον· καὶ οὗτοι μόνοι τῆς μόρας τῇ ἀληθείᾳ ἐσώθησαν· ὁ δὲ πολέμαρχος ἐκέλευσε τὰ δέκα ἀφ' ἥβης ἀποδιῶξαι τοὺς προειρημένους. [4.5.15] ὥς δὲ ἐδίωκον, ἦρουν τε οὐδένα ἐξ ἀκοντίου βολῆς ὀπλίται ὄντες πελταστὰς· καὶ γὰρ ἀναχωρεῖν αὐτοὺς ἐκέλευε, πρὶν τοὺς ὀπλίτας ὁμοῦ γίγνεσθαι· ἐπεὶ δὲ ἀνεχώρουν ἐσπαρμένοι, ἅτε διώξαντες ὡς τάχους ἕκαστος εἶχεν, ἀναστρέφοντες οἱ περὶ τὸν Ἰφικράτην, οἳ τε ἐκ τοῦ ἐναντίου πάλιν ἠκοντίζον καὶ ἄλλοι ἐκ πλαγίου παραθέοντες εἰς τὰ γυμνά. καὶ εὐθὺς μὲν ἐπὶ τῇ πρώτῃ διώξει κατηκόντιζον ἐννέα ἢ δέκα αὐτῶν. ὥς δὲ τοῦτο ἐγένετο, πολὺ ἤδη θρασύτερον ἐπέκειντο. [4.5.16] ἐπεὶ δὲ κακῶς ἔπασχον, πάλιν ἐκέλευσεν ὁ πολέμαρχος διώκειν τὰ πεντεκαίδεκα ἀφ' ἥβης. ἀναχωροῦντες δὲ ἔτι πλείους αὐτῶν ἢ τὸ πρῶτον ἔπeson. ἤδη δὲ τῶν βελτίστων ἀπολωλότων, οἱ ἱππεῖς αὐτοῖς παραγίγνονται καὶ σὺν τούτοις αὖθις δίωξιν ἐποιήσαντο. ὥς δ' ἐνέκλιναν οἱ πελτασταί, ἐν τούτῳ κακῶς οἱ ἱππεῖς ἐπέθεντο· οὐ γὰρ ἔως ἀπέκτεινάν τινας αὐτῶν ἐδίωξαν, ἀλλὰ σὺν τοῖς ἐκδρόμοις ἰσομέτωποι καὶ ἐδίωκον καὶ ἐπέστρεφον. ποιοῦντες δὲ καὶ πάσχοντες τὰ ὅμοια τούτοις καὶ αὖθις, αὐτοὶ μὲν ἀεὶ ἐλάττους τε καὶ μαλακώτεροι ἐγίνοντο, οἱ δὲ πολέμοι θρασυτέροί τε καὶ ἀεὶ πλείους οἱ ἐγχειροῦντες. [4.5.17] ἀποροῦντες δὴ συνίστανται ἐπὶ

βραχύν τινα γήλοφον, ἀπέχοντα τῆς μὲν θαλάττης ὥς δύο στάδια, τοῦ δὲ Λεχαίου ὥς ἕξ ἢ ἑπτὰ καὶ δέκα στάδια. αἰσθόμενοι δ' οἱ ἀπὸ τοῦ Λεχαίου, εἰσβάντες εἰς πλοιάρια παρέπλεον, ἕως ἐγένοντο κατὰ τὸν γήλοφον. οἱ δ' ἀποροῦντες ἦδη, ὅτι ἔπασχον μὲν κακῶς καὶ ἀπέθνησκον, ποιεῖν δὲ οὐδὲν ἐδύναντο, πρὸς τούτοις δὲ ὀρῶντες καὶ τοὺς ὀπλίτας ἐπιόντας, ἐγκλίνουσι. καὶ οἱ μὲν ἐμπίπτουσιν αὐτῶν εἰς τὴν θάλατταν, ὀλίγοι δὲ τινες μετὰ τῶν ἱππέων εἰς Λέχαιον ἐσώθησαν. ἐν πάσαις δὲ ταῖς μάχαις καὶ τῇ φυγῇ ἀπέθανον περὶ πεντήκοντα καὶ διακοσίους. [4.5.18] καὶ ταῦτα μὲν οὕτως ἐπέπρακτο.

Ἐκ δὲ τούτου ὁ Ἀγησίλαος τὴν μὲν σφαλεῖσαν μόραν ἔχων ἀπῆι, ἄλλην δὲ κατέλιπεν ἐν τῷ Λεχαίῳ. διὼν δὲ ἐπ' οἴκου ὥς μὲν ἐδύνατο ὀψιαίτατα κατήγετο εἰς τὰς πόλεις, ὥς δ' ἐδύνατο πρωιαίτατα ἐξωρμάτο. παρὰ δὲ Μαντίνειαν ἐξ Ὀρχομενοῦ ὄρθρου ἀναστὰς ἔτι σκοταῖος παρῆλθεν. οὕτω χαλεπῶς ἂν ἐδόκουν οἱ στρατιῶται τοὺς Μαντινέας ἐφηδομένους τῷ δυστυχίματι θεάσασθαι. [4.5.19] ἐκ τούτου δὲ μάλα καὶ τᾶλλα ἐπετύγχανεν Ἴφικράτης. καθεστηκότων γὰρ φρουρῶν ἐν Σιδοῦντι μὲν καὶ Κρομμυῶνι ὑπὸ Πραξίτου, ὅτε ἐκεῖνος εἴλε ταῦτα τὰ τεῖχη, ἐν Οἰνότηι δὲ ὑπὸ Ἀγησιλάου, ὅτεπερ τὸ Πείραιον ἐάλω, πάνθ' εἴλε ταῦτα τὰ χωρία. τὸ μέντοι Λέχαιον ἐφρούρουν οἱ Λακεδαιμόνιοι καὶ οἱ σύμμαχοι. οἱ φυγάδες δὲ τῶν Κορινθίων, οὐκέτι πεζῇι παριόντες ἐκ Σικυῶνος διὰ τὴν τῆς μόρας δυστυχίαν, ἀλλὰ παραπλέοντες καὶ ἐντεῦθεν ὀρμώμενοι πράγματα εἶχόν τε καὶ παρεῖχον τοῖς ἐν τῷ ἄστει.

[4.6.1] Μετὰ δὲ τοῦτο οἱ Ἀχαιοὶ ἔχοντες Καλυδῶνα, ἣ τὸ παλαιὸν Αἰτωλίας ἦν, καὶ πολίτας πεποιημένοι τοὺς Καλυδωνίους, φρουρεῖν ἠναγκάζοντο ἐν αὐτῇ. οἱ γὰρ Ἀκαρνᾶνες ἐπεστράτευσαν, καὶ τῶν Ἀθηναίων δὲ καὶ Βοιωτῶν συμπαρῆσάν τινες αὐτοῖς διὰ τὸ συμμάχους εἶναι. πιεζόμενοι οὖν ὑπ' αὐτῶν οἱ Ἀχαιοὶ πρέσβεις πέμπουσιν εἰς τὴν Λακεδαίμονα. οἱ δ' ἐλθόντες ἔλεγον ὅτι οὐ δίκαια πάσχοιεν ὑπὸ τῶν Λακεδαιμονίων. [4.6.2] Ἡμεῖς μὲν γάρ, ἔφασαν, ὑμῖν, ὧ ἄνδρες, ὅπως ἂν ὑμεῖς παραγγέλλητε συστρατευόμεθα καὶ ἐπόμεθα ὅποι ἂν ἡγήσθε· ὑμεῖς δὲ πολιορκουμένων ἡμῶν ὑπὸ Ἀκαρνάνων καὶ τῶν συμμάχων αὐτοῖς Ἀθηναίων καὶ Βοιωτῶν οὐδεμίαν ἐπιμέλειαν ποιεῖσθε. οὐκ ἂν οὖν δυναίμεθα ἡμεῖς τούτων οὕτω γιγνομένων ἀντέχειν, ἀλλ' ἢ ἐάσαντες τὸν ἐν Πελοποννήσῳ πόλεμον διαβάντες πάντες πολεμήσομεν Ἀκαρνᾶσί τε καὶ τοῖς

συμμάχοις αὐτῶν, ἥ εἰρήνην ποιησόμεθα ὅποιαν ἂν τινα δυνώμεθα.
[4.6.3] ταῦτα δ' ἔλεγον ὑπαπειλοῦντες τοῖς Λακεδαιμονίοις ἀπαλλαγῆσεσθαι τῆς συμμαχίας, εἰ μὴ αὐτοῖς ἀντεπικουρήσουσι. τούτων δὲ λεγομένων ἔδοξε τοῖς τ' ἐφόροις καὶ τῇ ἐκκλησίαι ἀναγκαῖον εἶναι στρατεύεσθαι μετὰ τῶν Ἀχαιῶν ἐπὶ τοὺς Ἀκαρνᾶνας. καὶ ἐκπέμπουσιν Ἀγησίλαον, δύο μόρας ἔχοντα καὶ τῶν συμμάχων τὸ μέρος. οἱ μέντοι Ἀχαιοὶ πανδημεὶ συνεστρατεύοντο.
[4.6.4] ἐπεὶ δὲ διέβη ὁ Ἀγησίλαος, πάντες μὲν οἱ ἐκ τῶν ἀγρῶν Ἀκαρνᾶνες ἔφυγον εἰς τὰ ἄσθη, πάντα δὲ τὰ βοσκήματα ἀπεχώρησε πόρρω, ὅπως μὴ ἀλίσκηται ὑπὸ τοῦ στρατεύματος. ὁ δ' Ἀγησίλαος ἐπειδὴ ἐγένετο ἐν τοῖς ὁρίοις τῆς πολέμιας, πέμψας εἰς Στράτον πρὸς τὸ κοινὸν τῶν Ἀκαρνάνων εἶπεν ὥς, εἰ μὴ παυσάμενοι τῆς πρὸς Βοιωτοὺς καὶ Ἀθηναίους συμμαχίας ἑαυτοὺς καὶ τοὺς συμμάχους αἰρήσονται, δηιώσει πᾶσαν τὴν γῆν αὐτῶν ἐφεξῆς καὶ παραλείψει οὐδέν. [4.6.5] ἐπεὶ δὲ οὐκ ἐπέιθοντο, οὕτως ἐποίει, καὶ κόπτων συνεχῶς τὴν χώραν οὐ προΐηι πλέον τῆς ἡμέρας ἢ δέκα ἢ δώδεκα σταδίων. οἱ μὲν οὖν Ἀκαρνᾶνες, ἡγησάμενοι ἀσφαλὲς εἶναι διὰ τὴν βραδυτῆτα τοῦ στρατεύματος, τὰ τε βοσκήματα κατεβίβαζον ἐκ τῶν ὁρῶν καὶ τῆς χώρας τὰ πλεῖστα εἰργάζοντο. [4.6.6] ἐπεὶ δὲ ἐδόκουν τῷ Ἀγησιλάῳ πάντῃ ἤδη θαρρεῖν, ἡμέραι πέμπτη ἢ ἕκτη καὶ δεκάτη ἀφ' ἧς εἰσέβαλε, θυσάμενος πρῶτι διεπορεύθη πρὸ δείλης ἐξήκοντα καὶ ἑκατὸν στάδια ἐπὶ τὴν λίμνην περὶ ἣν τὰ βοσκήματα τῶν Ἀκαρνάνων σχεδὸν πάντα ἦν, καὶ ἔλαβε παμπλήθη καὶ βουκόλια καὶ ἵπποφόρβια καὶ ἄλλα παντοδαπὰ βοσκήματα καὶ ἀνδράποδα πολλά. λαβὼν δὲ καὶ μείνας αὐτοῦ τὴν ἐπιούσαν ἡμέραν διεπώλει τὰ αἰχμάλωτα. [4.6.7] τῶν μέντοι Ἀκαρνάνων πολλοὶ πελτασταὶ ἦλθον, καὶ πρὸς τῷ ὄρει σκηνοῦντος τοῦ Ἀγησιλάου βάλλοντες καὶ σφενδονῶντες ἀπὸ τῆς ἀκρωνυχίας τοῦ ὄρους ἔπασχον μὲν οὐδέν, κατεβίβασαν δὲ εἰς τὸ ὁμαλὲς τὸ στρατόπεδον, καίπερ ἤδη περὶ δεῖπνον παρασκευαζόμενον. εἰς δὲ τὴν νύκτα οἱ μὲν Ἀκαρνᾶνες ἀπῆλθον, οἱ δὲ στρατιῶται φυλακὰς καταστησάμενοι ἐκάθευδον. [4.6.8] τῇ δ' ὑστεραίᾳ ἀπῆγεν ὁ Ἀγησίλαος τὸ στράτευμα. καὶ ἦν μὲν ἡ ἔξοδος ἐκ τοῦ περὶ τὴν λίμνην λειμῶνός τε καὶ πεδίου στενὴ διὰ τὰ κύκλῳ περιέχοντα ὄρη· καταλαβόντες δὲ οἱ Ἀκαρνᾶνες ἐκ τῶν ὑπερδεξίων ἔβαλλόν τε καὶ ἠκόντιζον, καὶ ὑποκαταβαίνοντες εἰς τὰ κράσπεδα τῶν ὁρῶν προσέκειντο καὶ πράγματα παρείχον, ὥστε οὐκέτι ἐδύνατο τὸ στράτευμα πορεύεσθαι. [4.6.9] ἐπιδιώκοντες δὲ ἀπὸ

τῆς φάλαγγος οἱ τε ὀπλῖται καὶ οἱ ἵππεῖς τοὺς ἐπιτιθεμένους οὐδὲν ἔβλαπτον· ταχὺ γὰρ ἦσαν, ὁπότε ἀποχωροῖεν, πρὸς τοῖς ἰσχυροῖς οἱ Ἀκαρνᾶνες. χαλεπὸν δ' ἠγησάμενος ὁ Ἀγησίλαος διὰ τοῦ στενοπόρου ἐξελθεῖν ταῦτα πάσχοντας, ἔγνω διώκειν τοὺς ἐκ τῶν εὐωνύμων προσκειμένους, μάλα πολλοὺς ὄντας· εὐβατώτερον γὰρ ἦν τοῦτο τὸ ὄρος καὶ ὀπλίταις καὶ ἵπποις. [4.6.10] καὶ ἐν ᾧ μὲν ἐσφαγιάζετο, μάλα κατεῖχον βάλλοντες καὶ ἀκοντίζοντες οἱ Ἀκαρνᾶνες, καὶ ἐγγὺς προσιόντες πολλοὺς ἐτίτρωσκον. ἐπεὶ δὲ παρήγγειλεν, ἔθει μὲν ἐκ τῶν ὀπλιτῶν τὰ πεντεκαίδεκα ἀφ' ἧβης, ἤλανον δὲ οἱ ἵππεῖς, αὐτὸς δὲ σὺν τοῖς ἄλλοις ἠκολούθει. [4.6.11] οἱ μὲν οὖν ὑποκαταβεβηκότες τῶν Ἀκαρνάνων καὶ ἀκροβολιζόμενοι ταχὺ ἐνέκλιναν καὶ ἀπέθνησκον φεύγοντες πρὸς τὸ ἄναντες· ἐπὶ μέντοι τοῦ ἀκροτάτου οἱ ὀπλῖται ἦσαν τῶν Ἀκαρνάνων παρατεταγμένοι καὶ τῶν πελταστῶν τὸ πολὺ, καὶ ἐνταῦθα ἐπέμενον, καὶ τὰ τε ἄλλα βέλη ἠφίεσαν καὶ τοῖς δόρασιν ἐξακοντίζοντες ἱππέας τε κατέτρωσαν καὶ ἵππους τινὰς ἀπέκτειναν. ἐπεὶ μέντοι μικροῦ ἔδεον ἤδη ἐν χερσὶ τῶν Λακεδαιμονίων ὀπλιτῶν εἶναι, ἐνέκλιναν, καὶ ἀπέθανον αὐτῶν ἐν ἐκείνῃ τῇ ἡμέρᾳ περὶ τριακοσίου. [4.6.12] τούτων δὲ γενομένων ὁ Ἀγησίλαος τροπαῖον ἐστήσατο. καὶ τὸ ἀπὸ τούτου περιῶν κατὰ τὴν χώραν ἔκοπτε καὶ ἔκαε· πρὸς ἐνίας δὲ τῶν πόλεων καὶ προσέβαλλεν, ὑπὸ τῶν Ἀχαιῶν ἀναγκαζόμενος, οὐ μὴν εἰλὲ γε οὐδεμίαν. ἡνίκα δὲ ἤδη ἐπεγίνετο τὸ μετόπωρον, ἀπήιει ἐκ τῆς χώρας. [4.6.13] οἱ δὲ Ἀχαιοὶ πεποιηκέναι τε οὐδὲν ἐνόμιζον αὐτόν, ὅτι πόλιν οὐδεμίαν προσειλήφει οὔτε ἔκοῦσαν οὔτε ἄκουσαν, ἐδέοντό τε, εἰ μὴ τι ἄλλο, ἀλλὰ τοσοῦτόν γε χρόνον καταμεῖναι αὐτόν, ἕως ἂν τὸν σπορητὸν διακωλύσῃ τοῖς Ἀκαρνᾶσιν. ὁ δὲ ἀπεκρίνατο ὅτι τὰ ἐναντία λέγοιεν τοῦ συμφέροντος. ἐγὼ μὲν γάρ, ἔφη, στρατεύομαι πάλιν δεῦρο εἰς τὸ ἐπὶ τὸν θέρος· οὗτοι δὲ ὅσῳ ἂν πλείω σπείρωσι, τοσοῦτωι μᾶλλον τῆς εἰρήνης ἐπιθυμήσουσι. [4.6.14] ταῦτα δ' εἰπὼν ἀπήιει πεζῇ δι' Αἰτωλίας τοιαύτας ὁδοὺς ὥς οὔτε πολλοὶ οὔτε ὀλίγοι δύναιντ' ἂν ἀκόντων Αἰτωλῶν πορεύεσθαι· ἐκεῖνον μέντοι εἶασαν διελθεῖν· ἤλιπζον γὰρ Ναύπακτον αὐτοῖς συμπράξειν ὥστ' ἀπολαβεῖν. ἐπειδὴ δὲ ἐγένετο κατὰ τὸ Ῥίον, ταύτῃ διαβὰς οἴκαδε ἀπῆλθε· καὶ γὰρ τὸν ἐκ Καλυδῶνος ἐκπλουν εἰς Πελοπόννησον οἱ Ἀθηναῖοι ἐκώλουν τριήρεσιν ὁρμώμενοι ἐξ Οἰνιαδῶν.

[4.7.1] Παρελθόντος δὲ τοῦ χειμῶνος, ὥσπερ ὑπέσχετο τοῖς Ἀχαιοῖς,

εὐθὺς ἀρχομένου τοῦ ἥρος πάλιν φρουρὰν ἔφαινε ἐπὶ τοὺς Ἀκαρνᾶνας. οἱ δὲ αἰσθόμενοι, καὶ νομίσαντες διὰ τὸ ἐν μεσογείαι σφίσι τὰς πόλεις εἶναι ὁμοίως ἂν πολιορκεῖσθαι ὑπὸ τῶν τὸν σῖτον φθειρόντων ὥσπερ εἰ περιεστρατοπεδευμένοι πολιορκοῖντο, ἔπεμψαν πρέσβεις εἰς τὴν Λακεδαίμονα, καὶ εἰρήνην μὲν πρὸς τοὺς Ἀχαιοὺς, συμμαχίαν δὲ πρὸς τοὺς Λακεδαιμονίους ἐποιήσαντο. καὶ τὰ μὲν περὶ Ἀκαρνᾶνας οὕτω διεπέπρακτο.

[4.7.2] Ἐκ δὲ τούτου τοῖς Λακεδαιμονίοις τὸ μὲν ἐπ' Ἀθηναίους ἢ ἐπὶ Βοιωτοὺς στρατεῦειν οὐκ ἐδόκει ἀσφαλὲς εἶναι ὅπισθεν καταλιπόντας ὄμορον τῇ Λακεδαίμονι πολεμίαν καὶ οὕτω μεγάλην τὴν τῶν Ἀργείων πόλιν, εἰς δὲ τὸ Ἄργος φρουρὰν φαίνουσιν. ὁ δὲ Ἀγησίπολις ἐπεὶ ἔγνω ὅτι εἴη αὐτῷ ἡγήτεον τῆς φρουρᾶς καὶ τὰ διαβατήρια θυομένῳ ἐγένετο, ἐλθὼν εἰς Ὀλυμπίαν καὶ χρηστηριαζόμενος ἐπρώτα τὸν θεὸν εἰ ὁσίως ἂν ἔχοι αὐτῷ μὴ δεχομένῳ τὰς σπονδὰς τῶν Ἀργείων, ὅτι οὐχ ὁπότε καθήκοι ὁ χρόνος, ἀλλ' ὁπότε ἐμβάλλειν μέλλοιεν Λακεδαιμόνιοι, τότε ὑπέφερον τοὺς μῆνας. ὁ δὲ θεὸς ἐπεσήμαιεν αὐτῷ ὅσιον εἶναι μὴ δεχομένῳ σπονδὰς ἀδίκως ὑποφερομένας. ἐκεῖθεν δ' εὐθὺς πορευθεὶς εἰς Δελφοὺς ἐπῆρετο αὖ τὸν Απόλλω εἰ κάκείνῳ δοκοίη περὶ τῶν σπονδῶν καθάπερ τῷ πατρί. ὁ δὲ ἀπεκρίνατο καὶ μάλα κατὰ ταυτά. [4.7.3] καὶ οὕτω δὴ Ἀγησίπολις ἀναλαβὼν ἐκ Φλειοῦντος τὸ στράτευμα, ἐκεῖσε γὰρ αὐτῷ συνελέγετο, ἕως πρὸς τὰ ἱερὰ ἀπεδήμει, ἐνέβαλε διὰ Νεμέας. οἱ δ' Ἀργεῖοι ἐπεὶ ἔγνωσαν οὐ δυνησόμενοι κωλύειν, ἔπεμψαν, ὥσπερ εἴωθεσαν, ἑστεφανωμένους δύο κήρυκας ὑποφέροντας σπονδὰς. ὁ δὲ Ἀγησίπολις, ἀποκρινάμενος ὅτι οὐ δοκοῖεν τοῖς θεοῖς δικαίως ὑποφέρειν, οὐκ ἐδέχετο τὰς σπονδὰς, ἀλλ' ἐνέβαλε καὶ πολλὴν ἀπορίαν καὶ ἐκπληξιν κατὰ τε τοὺς ἀγροὺς καὶ ἐν τῇ πόλει ἐποίησε. [4.7.4] διεπνοποιουμένου δ' αὐτοῦ ἐν τῇ Ἀργείᾳ τῇ πρώτῃ ἐσπέρα, καὶ σπονδῶν τῶν μετὰ δεῖπνον ἤδη γιγνομένων, ἔσεισεν ὁ θεός. καὶ οἱ μὲν Λακεδαιμόνιοι ἀρξαμένων τῶν ἀπὸ δαμοσίας πάντες ὑμνησαν τὸν περὶ τὸν Ποσειδῶ παιᾶνα· οἱ δ' ἄλλοι στρατιῶται ὥιοντο ἀπιέναι, ὅτι καὶ Ἅγις σεισμοῦ ποτε γενομένου ἀπήγαγεν ἐξ Ἥλιδος. ὁ δὲ Ἀγησίπολις εἰπὼν ὅτι εἰ μὲν μέλλοντος αὐτοῦ ἐμβάλλειν σείσειε, κωλύειν ἂν αὐτὸν ἡγεῖτο· ἐπεὶ δὲ ἐμβεβληκότος, ἐπικελεύειν νομίζοι· [4.7.5] καὶ οὕτω τῇ ὑστεραίᾳ θυσάμενος τῷ Ποσειδῶνι ἡγεῖτο οὐ πόρρῳ εἰς τὴν χώραν. ἄτε δὲ νεωστὶ τοῦ Ἀγησιλάου

ἐστρατευμένου εἰς τὸ Ἄργος, πυνθανόμενος ὁ Ἀγησίπολις τῶν στρατιωτῶν μέχρι μὲν ποῖ πρὸς τὸ τεῖχος ἤγαγεν ὁ Ἀγησίλαος, μέχρι δὲ ποῖ τὴν χώραν ἐδήλωσεν, ὥσπερ πένταθλος πάντῃ ἐπὶ τὸ πλέον ὑπερβάλλειν ἐπειρᾶτο. [4.7.6] καὶ ἤδη μὲν ποτε βαλλόμενος ἀπὸ τῶν τύρσεων τὰς περὶ τὸ τεῖχος τάφρους πάλιν διέβη· ἦν δ' ὅτε οἰχομένων τῶν πλείστων Ἀργείων εἰς τὴν Λακωνικὴν οὕτως ἐγγὺς πυλῶν προσήλθεν ὥστε οἱ πρὸς ταῖς πύλαις ὄντες τῶν Ἀργείων ἀπέκλεισαν τοὺς τῶν Βοιωτῶν ἱππέας εἰσελθεῖν βουλομένους, δείσαντες μὴ συνεισπέσοιεν κατὰ τὰς πύλας οἱ Λακεδαιμόνιοι· ὥστ' ἠναγκάσθησαν οἱ ἱππεῖς ὥσπερ νυκτερίδες πρὸς τοῖς τείχεσιν ὑπὸ ταῖς ἐπάλξεσι προσαραρέναι. καὶ εἰ μὴ ἔτυχον τότε οἱ Κρῆτες εἰς Ναυπλίαν καταδεδραμηκότες, πολλοὶ ἂν καὶ ἄνδρες καὶ ἵπποι κατετοξεύθησαν. [4.7.7] ἐκ δὲ τούτου περὶ τὰς εἰρκτὰς στρατοπεδευομένου αὐτοῦ πίπτει κεραυνὸς εἰς τὸ στρατόπεδον· καὶ οἱ μὲν τινες πληγέντες, οἱ δὲ καὶ ἐμβροντηθέντες ἀπέθανον. ἐκ δὲ τούτου βουλόμενος τειχίσαι φρουρίον τι ἐπὶ ταῖς παρὰ Κηλοῦσαν ἐμβολαῖς, ἐθύετο· καὶ ἐφάνη αὐτῷ τὰ ἱερὰ ἄλφοβα. ὥς δὲ τοῦτο ἐγένετο, ἀπήγαγε τὸ στράτευμα καὶ διέλυσε, μάλα πολλὰ βλάψας τοὺς Ἀργεῖους, ἅτε ἀπροσδοκῆτως αὐτοῖς ἐμβαλὼν.

[4.8.1] Καὶ ὁ μὲν δὴ κατὰ γῆν πόλεμος οὕτως ἐπολεμεῖτο. ἐν ᾧ δὲ πάντα ταῦτα ἐπράττετο, τὰ κατὰ θάλατταν αὖ καὶ τὰς πρὸς θαλάττῃ πόλεις γενόμενα διηγῆσομαι, καὶ τῶν πράξεων τὰς μὲν ἀξιομνημονεύτους γράψω, τὰς δὲ μὴ ἀξίας λόγου παρήσω. πρῶτον μὲν τοίνυν Φαρνάβαζος καὶ Κόνων, ἐπεὶ ἐνίκησαν τοὺς Λακεδαιμονίους τῇ ναυμαχίᾳ, περιπλέοντες καὶ τὰς νήσους καὶ πρὸς τὰς ἐπιθαλαττιδίας πόλεις τοὺς τε Λακωνικοὺς ἄρμοστὰς ἐξήλαυνον καὶ παρεμυθοῦντο τὰς πόλεις ὥς οὔτε ἀκροπόλεις ἐντειχίσοιεν ἐάσοιέν τε αὐτονόμους. [4.8.2] οἱ δ' ἀκούοντες ταῦτα ἡδοντό τε καὶ ἐπῆνουν καὶ ξένια προθύμως ἔπεμπον τῷ Φαρναβάζῳ. καὶ γὰρ ὁ Κόνων τὸν Φαρνάβαζον ἐδίδασκεν ὥς οὕτω μὲν ποιοῦντι πᾶσαι αὐτῷ αἱ πόλεις φίλῃαι ἔσονται, εἰ δὲ δουλοῦσθαι βουλόμενος φανερὸς ἔσοιτο, ἔλεγεν ὥς μία ἐκάστη πολλὰ πράγματα ἱκανὴ εἶη παρέχειν καὶ κίνδυνος εἶη μὴ καὶ οἱ Ἕλληνες, εἰ ταῦτα αἰσθοῖντο, συσταῖεν. [4.8.3] ταῦτα μὲν οὖν ἐπεΐθετο ὁ Φαρνάβαζος. ἀποβάς δ' εἰς Ἐφεσον τῷ μὲν Κόνωνι δοὺς τετταράκοντα τριήρεις εἰς Σηστὸν εἶπεν ἀπαντᾶν, αὐτὸς δὲ πεζῇ παρήει ἐπὶ τὴν αὐτοῦ ἀρχήν. καὶ γὰρ ὁ Δερκυλίδας, ὅσπερ καὶ πάλοι πολέμιος ἦν αὐτῷ,

ἔτυχεν ἐν Ἀβύδῳ ὧν, ὅτε ἡ ναυμαχία ἐγένετο, καὶ οὐχ ὥσπερ οἱ ἄλλοι ἄρμοσται ἐξέλιπεν, ἀλλὰ κατέσχε τὴν Ἀβυδὸν καὶ διέσωιζε φίλην τοῖς Λακεδαιμονίοις. καὶ γὰρ συγκαλέσας τοὺς Ἀβυδηνοὺς ἔλεξε τοιάδε. [4.8.4] ὦ ἄνδρες, νῦν ἔξεστιν ὑμῖν καὶ πρόσθεν φίλοις οὗσι τῇ πόλει ἡμῶν εὐεργέτας φανῆναι τῶν Λακεδαιμονίων. καὶ γὰρ τὸ μὲν ἐν ταῖς εὐπραξίαις πιστοὺς φαίνεσθαι οὐδὲν θαυμαστόν· ὅταν δέ τινες ἐν συμφοραῖς γενομένων φίλων βέβαιοι φανῶσι, τοῦτ' εἰς τὸν ἅπαντα χρόνον μνημονεύεται. ἔστι δὲ οὐχ οὕτως ἔχον <ὡς>, εἰ τῇ ναυμαχίᾳ ἐκρατήθημεν, οὐδὲν ἄρα ἔτι ἐσμέν· ἀλλὰ καὶ τὸ πρόσθεν δήπου, Ἀθηναίων ἀρχόντων τῆς θαλάττης, ἱκανὴ ἦν ἡ ἡμετέρα πόλις καὶ εὖ φίλους καὶ κακῶς ἐχθροὺς ποιεῖν. ὅσῳ δὲ μᾶλλον αἱ ἄλλαι πόλεις σὺν τῇ τύχῃ ἀπεστράφησαν ἡμῶν, τοσούτῳ ὄντως ἡ ἡμετέρα πιστότης μείζων φανείη ἂν. εἰ δέ τις τοῦτο φοβεῖται, μὴ καὶ κατὰ γῆν καὶ κατὰ θάλατταν ἐνθάδε πολιορκώμεθα, ἐννοεῖτω ὅτι Ἑλληνικὸν μὲν οὐπω ναυτικόν ἐστιν ἐν τῇ θαλάττῃ, οἱ δὲ βάρβαροι εἰ ἐπιχειρήσουσι τῆς θαλάττης ἄρχειν, οὐκ ἀνέξεται ταῦτα ἡ Ἑλλάς· ὥσθ' ἑαυτῇ ἐπικουροῦσα καὶ ὑμῖν σύμμαχος γενήσεται. [4.8.5] οἱ μὲν δὴ ταῦτα ἀκούοντες οὐκ ἀκόντως ἀλλὰ προθύμως ἐπέισθησαν· καὶ τοὺς μὲν ἰόντας ἄρμοστὰς φίλως ἐδέχοντο, τοὺς δὲ ἀπόντας μετεπέμποντο. ὁ δὲ Δερκυλίδας, ὡς συνελέγησαν πολλοὶ καὶ χρήσιμοι ἄνδρες εἰς τὴν πόλιν, διαβάς καὶ εἰς Σηστόν, καταντικρὺ ὄντα Ἀβύδου καὶ ἀπέχοντα οὐ πλέον ὀκτῶ σταδίων, ὅσοι τε διὰ Λακεδαιμονίους γῆν ἔσχον ἐν Χερρονήσῳ, ἥθροιζε, καὶ ὅσοι αὖ ἐκ τῶν ἐν τῇ Εὐρώπῃ πόλεων ἄρμοσται ἐξέπιπτον, καὶ τούτους ἐδέχετο, λέγων ὅτι οὐδ' ἐκείνους ἀθυμεῖν δεῖ, ἐννοουμένους ὅτι καὶ ἐν τῇ Ἀσίᾳ, ἥ ἐξ ἀρχῆς βασιλέως ἐστί, καὶ Τῆμνος, οὐ μεγάλη πόλις, καὶ Αἰγαιεῖς καὶ ἄλλα γε χωρία δύνανται οἰκεῖν οὐχ ὑπήκοοι ὄντες βασιλέως. καίτοι, ἔφη, ποῖον μὲν <ἂν> ἰσχυρότερον Σηστοῦ λάβοιτε χωρίον, ποῖον δὲ δυσπολιορκητότερον; ὁ καὶ νεῶν καὶ πεζῶν δεῖται, εἰ μέλλοι πολιορκηθῆσθαι. τούτους αὖ τοιαῦτα λέγων ἔσχε τοῦ ἐκπεπλήχθαι. [4.8.6] ὁ δὲ Φαρνάβαζος ἐπεὶ ἤρρε τὴν τε Ἀβυδὸν καὶ τὸν Σηστόν οὕτως ἔχοντα, προηγόρευεν αὐτοῖς ὡς εἰ μὴ ἐκπέμψοιεν τοὺς Λακεδαιμονίους, πόλεμον ἐξοίσει πρὸς αὐτούς. ἐπεὶ δὲ οὐκ ἐπέιθοντο, Κόνωνι μὲν προσέταξε κωλύειν αὐτοὺς τὴν θάλατταν πλεῖν, αὐτὸς δὲ ἐδήμιον τὴν τῶν Ἀβυδηνῶν χώραν. ἐπεὶ δὲ οὐδὲν ἐπέραινε πρὸς τὸ καταστρέφεσθαι, αὐτὸς μὲν ἐπ' οἴκου ἀπῆλθε, τὸν δὲ Κόνωνα ἐκέλευεν εὐτρεπίζεσθαι τὰς καθ'

Ἑλλήσποντον πόλεις, ὅπως εἰς τὸ ἔαρ ὅτι πλεῖστον ναυτικὸν ἄθροισθείη. ὀργιζόμενος γὰρ τοῖς Λακεδαιμονίοις ἀνθ' ὧν ἐπεπόνθει περὶ παντὸς ἐποιεῖτο ἐλθεῖν τε εἰς τὴν χώραν αὐτῶν καὶ τιμωρήσασθαι ὃ τι δύναιτο. [4.8.7] καὶ τὸν μὲν χειμῶνα ἐν τοιούτοις ὄντες διῆγον· ἅμα δὲ τῷ ἔαρι ναῦς τε πολλὰς συμπληρώσας καὶ ξενικὸν προσμισθωσάμενος ἔπλευσεν ὁ Φαρνάβαζός τε καὶ ὁ Κόνων μετ' αὐτοῦ διὰ νήσων εἰς Μῆλον, ἐκεῖθεν δὲ ὀρμώμενοι εἰς τὴν Λακεδαίμονα. καταπλεύσας δὲ πρῶτον μὲν εἰς Φαράς ἐδήλωσε ταύτην τὴν χώραν, ἔπειτα καὶ ἄλλοσε ἀποβαίνων τῆς παραθαλαττίας ἐκακούργει ὃ τι ἐδύνατο, φοβούμενος δὲ τὴν τε ἀλιμενότητα τῆς χώρας καὶ τὰ τῆς βοηθείας καὶ τὴν σπανοσιτίαν, ταχύ τε ἀνέστρεψε καὶ ἀποπλέων ὠρμίσθη τῆς Κυθηρίας εἰς Φοινικούντα. [4.8.8] ἐπεὶ δὲ οἱ ἔχοντες τὴν πόλιν τῶν Κυθηρίων φοβηθέντες μὴ κατὰ κράτος ἄλοϊεν ἐξέλιπον τὰ τεῖχη, ἐκείνους μὲν ὑποσπόνδους ἀφῆκεν εἰς τὴν Λακωνικὴν, αὐτὸς δ' ἐπισκευάσας τὸ τῶν Κυθηρίων τεῖχος φρουροὺς τε καὶ Νικόφημον Ἀθηναῖον ἄρμοσθην ἐν τοῖς Κυθήροις κατέλιπε. ταῦτα δὲ ποιήσας καὶ εἰς Ἴσθμὸν τῆς Κορινθίας καταπλεύσας, καὶ παρακελευσάμενος τοῖς συμμάχοις προθύμως τε πολεμεῖν καὶ ἄνδρας πιστοὺς φαίνεσθαι βασιλεῖ, καταλιπὼν αὐτοῖς χρήματα ὅσα εἶχεν, ὥχετο ἐπ' οἶκον ἀποπλέων. [4.8.9] λέγοντος δὲ τοῦ Κόνωνος <ὥς> εἰ ἐώη αὐτὸν ἔχειν τὸ ναυτικόν, θρέψοι μὲν ἀπὸ τῶν νήσων, καταπλεύσας δ' εἰς τὴν πατρίδα συναναστήσοι τὰ τε μακρὰ τεῖχη τοῖς Ἀθηναίοις καὶ τὸ περὶ τὸν Πειραιᾶ τεῖχος, οὗ εἰδέναι ἔφη ὅτι Λακεδαιμονίοις οὐδὲν ἂν βαρύτερον γένοιτο, καὶ τοῦτο οὖν, ἔφη, σὺ τοῖς μὲν Ἀθηναίοις κεχαρισμένος ἔσει, τοὺς δὲ Λακεδαιμονίους τετιμωρημένους· ἐφ' ᾧ γὰρ πλεῖστα ἐπόνησαν, ἀτελεῖς αὐτοῖς ποιήσεις. ὁ δὲ Φαρνάβαζος ἀκούσας ταῦτα ἀπέστειλεν αὐτὸν προθύμως εἰς τὰς Ἀθήνας, καὶ χρήματα προσέθηκεν αὐτῷ εἰς τὸν ἀνατειχισμόν. [4.8.10] ὁ δὲ ἀφικόμενος πολὺ τοῦ τεῖχους ὥρθωσε, τὰ τε αὐτοῦ πληρώματα παρέχων καὶ τέκτοσι καὶ λιθολόγοις μισθὸν δίδους, καὶ ἄλλο εἴ τι ἀναγκαῖον ἦν, δαπανῶν. ἦν μέντοι τοῦ τεῖχους ἅ καὶ αὐτοὶ Ἀθηναῖοι καὶ Βοιωτοὶ καὶ ἄλλαι πόλεις ἐθελούσiai συνετείχισαν. οἱ μέντοι Κορίνθιοι ἀφ' ὧν ὁ Φαρνάβαζος κατέλιπε χρημάτων ναῦς πληρώσαντες καὶ Ἀγαθῖνον ναύαρχον ἐπιστήσαντες ἐθαλαττοκράτουν ἐν τῷ περὶ Ἀχαΐαν καὶ Λέχαιον κόλπῳ. ἀντεπλήρωσαν δὲ καὶ οἱ Λακεδαιμόνιοι ναῦς, ὧν Ποδάνεμος ἦρχεν. [4.8.11] ἐπεὶ δὲ οὗτος ἐν προσβολῇ τινι γενομένῃ ἀπέθανε, καὶ Πόλλις

αὐτὸν ἐπιστολεὺς ὢν τρωθεὶς ἀπῆλθεν, Ἡριπίδας ταύτας ἀναλαμβάνει τὰς ναῦς. Πρόαινος μέντοι Κορίνθιος τὰς παρ' Ἀγαθίνου παραλαβὼν ναῦς ἐξέλειπε τὸ Ῥίον· Λακεδαιμόνιοι δ' αὐτὸ παρέλαβον. μετὰ δὲ τοῦτο Τελευτίας ἐπὶ τὰς Ἡριπίδου ναῦς ἦλθε, καὶ οὗτος αὐτὸ τοῦ κόλπου πάλιν ἐκράτει.

[4.8.12] Οἱ δὲ Λακεδαιμόνιοι ἀκούοντες ὅτι Κόνων καὶ τὸ τεῖχος τοῖς Ἀθηναίοις ἐκ τῶν βασιλέως χρημάτων ἀνορθοίη καὶ τὸ ναυτικὸν ἀπὸ τῶν ἐκείνου τρέφων τὰς τε νήσους καὶ τὰς ἐν τῇ ἡπείρῳ παρὰ θάλατταν πόλεις Ἀθηναίοις εὐτρεπίζοι, ἐνόμισαν, εἰ ταῦτα διδάσκοιεν Τιρίβαζον βασιλέως ὄντα στρατηγόν, ἢ καὶ ἀποστῆσαι ἂν πρὸς ἑαυτοὺς τὸν Τιρίβαζον ἢ παῦσαι γ' ἂν τὸ Κόνωνος ναυτικὸν τρέφοντα. γνόντες δὲ οὕτω, πέμπουσιν Ἀνταλκίδαν πρὸς τὸν Τιρίβαζον, προστάξαντες αὐτῷ ταῦτα διδάσκειν καὶ πειρᾶσθαι εἰρήνην τῇ πόλει ποιεῖσθαι πρὸς βασιλέα. [4.8.13] αἰσθόμενοι δὲ ταῦτα οἱ Ἀθηναῖοι ἀντιπέμπουσι πρέσβεις μετὰ Κόνωνος Ἑρμογένη καὶ Δίωνα καὶ Καλλισθένη καὶ Καλλιμέδοντα. συμπαρακάλεσαν δὲ καὶ ἀπὸ τῶν συμμάχων πρέσβεις· καὶ παρεγένοντο ἀπὸ τε Βοιωτῶν καὶ Κορίνθου καὶ Ἀργούς. [4.8.14] ἐπεὶ δ' ἐκεῖ ἦσαν, ὁ μὲν Ἀνταλκίδας ἔλεγε πρὸς τὸν Τιρίβαζον ὅτι εἰρήνης δεόμενος ἦκοι τῇ πόλει πρὸς βασιλέα, καὶ ταύτης οἴασπερ βασιλεὺς ἐπεθύμει. τῶν τε γὰρ ἐν τῇ Ἀσίᾳ Ἑλληνίδων πόλεων Λακεδαιμονίους βασιλεῖ οὐκ ἀντιποιεῖσθαι, τὰς τε νήσους ἀπάσας καὶ τὰς ἄλλας πόλεις ἀρκεῖν σφίσιν αὐτονόμους εἶναι. καίτοι, ἔφη, τοιαῦτα ἐθελόντων ἡμῶν, τίνος ἂν ἕνεκα πρὸς ἡμᾶς [οἱ Ἕλληνες ἢ] βασιλεὺς πολεμοίῃ ἢ χρήματα δαπανώῃ; καὶ γὰρ οὐδ' ἐπὶ βασιλέα στρατεύεσθαι δυνατόν οὔτε Ἀθηναίοις μὴ ἡγουμένων ἡμῶν οὔθ' ἡμῖν αὐτονόμων οὐσῶν τῶν πόλεων. [4.8.15] τῷ μὲν δὴ Τιριβάζῳ ἀκούοντι ἰσχυρῶς ἤρεσκον οἱ τοῦ Ἀνταλκίδου λόγοι· τοῖς δὲ ἐναντίοις λόγοι ταῦτ' ἦν. οἱ τε γὰρ Ἀθηναῖοι ἐφοβοῦντο συνθέσθαι αὐτονόμους εἶναι τὰς νήσους, μὴ Λήμνου καὶ Ἰμβρου καὶ Σκύρου στερηθεῖν, οἱ τε Θηβαῖοι, μὴ ἀναγκασθεῖν ἀφεῖναι τὰς Βοιωτίας πόλεις αὐτονόμους, οἱ τ' Ἀργεῖοι, οὗ ἐπεθύμουν, οὐκ ἐνόμιζον ἂν τὴν Κόρινθον δύνασθαι ὡς Ἄργος ἔχειν τοιούτων συνθηκῶν καὶ σπονδῶν γενομένων. αὕτη μὲν ἡ εἰρήνη οὕτως ἐγένετο ἀτελής, καὶ ἀπῆλθον οἵκαδε ἕκαστος.

[4.8.16] Ὁ μέντοι Τιρίβαζος τὸ μὲν ἄνευ βασιλέως ματὰ Λακεδαιμονίων γενέσθαι οὐκ ἀσφαλὲς αὐτῷ ἡγεῖτο εἶναι· λάθραι γε μέντοι ἔδωκε χρήματα Ἀνταλκίδαι, ὅπως ἂν πληρωθέντος ναυτικοῦ

ὑπὸ Λακεδαιμονίων οἱ τε Ἀθηναῖοι καὶ οἱ σύμμαχοι αὐτῶν μᾶλλον τῆς εἰρήνης προσδέονται, καὶ τὸν Κόνωνα ὥς ἀδικοῦντά τε βασιλέα καὶ ἀληθῆ λεγόντων Λακεδαιμονίων εἶρξε. ταῦτα δὲ ποιήσας ἀνέβαινε πρὸς βασιλέα, φράσων ἅ τε λέγοιεν οἱ Λακεδαιμόνιοι καὶ ὅτι Κόνωνα συνειληφὼς εἶη ὥς ἀδικοῦντα, καὶ ἐρωτήσων τί χρὴ ποιεῖν περὶ τούτων πάντων. [4.8.17] καὶ βασιλεὺς μὲν, ὥς Τιρίβαζος ἄνω παρ' αὐτῷ ἦν, Στρούθαν καταπέμπει ἐπιμελησόμενον τῶν κατὰ θάλατταν. ὁ μέντοι Στρούθας ἰσχυρῶς τοῖς Ἀθηναίοις καὶ τοῖς συμμάχοις τὴν γνώμην προσεῖχε, μεμνημένος ὅσα κακὰ ἐπεπόνθει ἡ βασιλέως χώρα ὑπ' Ἀγησιλάου. οἱ δὲ Λακεδαιμόνιοι ἐπεὶ ἐώρων τὸν Στρούθαν πρὸς ἑαυτοὺς μὲν πολεμικῶς ἔχοντα, πρὸς δὲ τοὺς Ἀθηναίους φιλικῶς, Θίβρωνα πέμπουσιν ἐπὶ πολέμῳ πρὸς αὐτόν. ὁ δὲ διαβάς τε καὶ ὀρμώμενος ἐξ Ἐφέσου τε καὶ τῶν ἐν Μαιάνδρου πεδίῳ πόλεων Πριήνης τε καὶ Λευκόφρυος καὶ Ἀχιλλείου, ἔφερε καὶ ἦγε τὴν βασιλέως. [4.8.18] προϊόντος δὲ τοῦ χρόνου κατανοήσας ὁ Στρούθας ὅτι Θίβρων βοηθοίη ἐκάστοτε ἀτάκτως καὶ καταφρονητικῶς, ἔπεμψεν ἱππείας εἰς τὸ πεδίον καὶ καταδραμόντας ἐκέλευσε περιβαλλομένους ἐλαύνειν ὃ τι δύναιτο. ὁ δὲ Θίβρων ἐτύγγανεν ἐξ ἀρίστου διασκηνῶν μετὰ Θερσάνδρου τοῦ αὐλητοῦ. ἦν γὰρ ὁ Θέρσανδρος οὐ μόνον αὐλητῆς ἀγαθός, ἀλλὰ καὶ ἀλκῆς [ἰσχύος], ἅτε λακωνίζων, ἀντεποιεῖτο. [4.8.19] ὁ δὲ Στρούθας, ἰδὼν ἀτάκτως τε βοηθοῦντας καὶ ὀλίγους τοὺς πρώτους, ἐπιφαίνεται πολλοὺς τε ἔχων καὶ συντεταγμένους ἱππείας. καὶ Θίβρωνα μὲν καὶ Θέρσανδρον πρώτους ἀπέκτειναν· ἐπεὶ δ' οὗτοι ἔπεσον, ἐτρέψαντο καὶ τὸ ἄλλο στράτευμα, καὶ διώκοντες παμπλήθεις κατέβαλον, ἦσαν δὲ καὶ οἱ ἐσώθησαν αὐτῶν εἰς τὰς φιλίας πόλεις, καὶ πλείους διὰ τὸ ὀψὲ αἰσθέσθαι τῆς βοηθείας. πολλάκις γάρ, καὶ τότε, οὐδὲ παραγγείλας τὴν βοήθειαν ἐποίησατο. καὶ ταῦτα μὲν οὕτως ἐγεγένητο.

[4.8.20] Ἐπεὶ δ' ἦλθον εἰς Λακεδαίμονα οἱ ἐκπεπτωκότες Ῥοδίων ὑπὸ τοῦ δήμου, ἐδίδασκον ὥς οὐκ ἄξιον εἶη περιδεῖν Ἀθηναίους Ῥόδον καταστρεψαμένους καὶ τοσαύτην δύναμιν συνθεμένους. γνόντες οὖν οἱ Λακεδαιμόνιοι ὥς εἰ μὲν ὁ δῆμος κρατήσοι, Ἀθηναίων ἔσται Ῥόδος ἅπασα, εἰ δὲ οἱ πλουσιώτεροι, ἑαυτῶν, ἐπλήρωσαν αὐτοῖς ναῦς ὀκτώ, ναύαρχον δὲ Ἐκδικον ἐπέστησαν. [4.8.21] συνεξέπεμψαν δ' ἐπὶ τούτων τῶν νεῶν καὶ Διφρίδαν. ἐκέλευσαν δ' αὐτὸν διαβάντα εἰς τὴν Ἀσίαν τάς τε Θίβρωνα

ὑποδεξαμένας πόλεις διασώζουσιν, καὶ στράτευμα τὸ περισωθὲν ἀναλαβόντα καὶ ἄλλο, εἴ ποθεν δύναιτο, συλλέξαντα πολεμεῖν πρὸς Στρούθαν. ὁ μὲν δὴ Διφρίδας ταῦτ' ἐποίει, καὶ τὰ τ' ἄλλα ἐπετύγχανε καὶ Τιγράνην τὸν τὴν Στρούθα ἔχοντα θυγατέρα πορευόμενον εἰς Σάρδεις λαμβάνει σὺν αὐτῇ τῇ γυναικί, καὶ χρημάτων πολλῶν ἀπέλυσεν· ὥστ' εὐθὺς ἐντεῦθεν εἶχε μισθοδοτεῖν. [4.8.22] ἦν δ' οὗτος ἀνὴρ εὐχαρὶς τε οὐχ ἥττον τοῦ Θίβρωνος, μᾶλλον τε συντεταγμένος καὶ ἐγχειρητικώτερος στρατηγός. οὐδὲ γὰρ ἐκράτουν αὐτοῦ αἱ τοῦ σώματος ἡδοναί, ἀλλ' αἰεὶ πρὸς ᾧ εἶη ἔργωι, τοῦτο ἔπραττεν. ὁ δ' Ἐκδικος ἐπεὶ εἰς τὴν Κνίδον ἔπλευσε καὶ ἐπίθετο τὸν ἐν τῇ Ῥόδωι δῆμον πάντα κατέχοντα, καὶ κρατοῦντα καὶ κατὰ γῆν καὶ κατὰ θάλατταν [διέπλεον] διπλασίαις τριήρεσιν ἢ αὐτὸς εἶχεν, ἡσυχίαν ἦγεν ἐν τῇ Κνίδωι. [4.8.23] οἱ δ' αὖ Λακεδαιμόνιοι ἐπεὶ ἦισθοντο αὐτὸν ἐλάττω ἔχοντα δύναμιν ἢ ὥστε τοὺς φίλους ὠφελεῖν, ἐκέλευσαν τὸν Τελευτίαν σὺν ταῖς δώδεκα ναυσὶν αἷς εἶχεν ἐν τῷ περὶ Ἀχαΐαν καὶ Λέχαιον κόλπωι περιπλεῖν πρὸς τὸν Ἐκδικον, κάκεῖνον μὲν ἀποπέμψαι, αὐτὸν δὲ τῶν τε βουλομένων φίλων εἶναι ἐπιμελεῖσθαι καὶ τοὺς πολεμίους ὃ τι δύναιτο κακὸν ποιεῖν. ὁ δὲ Τελευτίας ἐπειδὴ ἀφίκετο εἰς τὴν Σάμον, προσλαβὼν ἐκεῖθεν ναῦς ἔπλευσεν εἰς Κνίδον, ὁ δ' Ἐκδικος οἴκαδε. [4.8.24] αὐτὸς δ' ἔπλει εἰς τὴν Ῥόδον, ἥδη ἔχων ναῦς ἑπτὰ καὶ εἴκοσι· πλέων δὲ περιτυγχάνει Φιλοκράτει τῷ Ἐφιάλτου πλέοντι μετὰ δέκα τριήρων Ἀθήνηθεν εἰς Κύπρον ἐπὶ συμμαχίαι τῇ Εὐαγόρου, καὶ λαμβάνει πάσας, ὑπεναντιώτατα δὴ ταῦτα ἀμφοτέρωι ἑαυτοῖς πράττοντες· οἱ τε γὰρ Ἀθηναῖοι φίλωι χρώμενοι βασιλεῖ συμμαχίαν ἔπεμπον Εὐαγόραι τῷ πολεμοῦντι πρὸς βασιλέα, ὃ τε Τελευτίας Λακεδαιμονίων πολεμοῦντων βασιλεῖ τοὺς πλέοντας ἐπὶ τῷ ἐκείνου πολέμωι διέφθειραν. ἐπαναπλεύσας δ' εἰς Κνίδον καὶ διαθέμενος ἃ ἔλαβεν, εἰς Ῥόδον αὖ ἀφικόμενος ἐβοήθει τοῖς τὰ αὐτῶν φρονοῦσιν.

[4.8.25] Οἱ δ' Ἀθηναῖοι νομίσαντες τοὺς Λακεδαιμονίους πάλιν δύναμιν κατασκευάζεσθαι ἐν τῇ θαλάττῃ, ἀντεκπέμπουσι Θρασύβουλον τὸν Στειριέα σὺν τετταράκοντα ναυσίν. ὁ δ' ἐκπλεύσας τῆς μὲν εἰς Ῥόδον βοηθείας ἐπέσχε, νομίζων οὗτ' ἂν αὐτὸς ραϊδίως τιμωρήσασθαι τοὺς φίλους τῶν Λακεδαιμονίων τεῖχος ἔχοντας καὶ Τελευτίου σὺν ναυσὶ παρόντος συμμάχου αὐτοῖς, οὗτ' ἂν τοὺς σφετέρους φίλους ὑπὸ τοῖς πολέμοις γενέσθαι, τὰς τε πόλεις ἔχοντας καὶ πολὺ πλείους ὄντας καὶ μάχῃ κεκρατηκότας· [4.8.26] εἰς δὲ

τὸν Ἑλλήσποντον πλεύσας καὶ οὐδενὸς ἀντιπάλου παρόντος ἐνόμισε καταπρᾶξαι ἂν τι τῇ πόλει ἀγαθόν. καὶ οὕτω δὴ πρῶτον μὲν καταμαθὼν στασιάζοντας Ἀμήδοκόν τε τὸν Ὀδρυσῶν βασιλέα καὶ Σεύθην τὸν ἐπὶ θαλάττῃ ἄρχοντα ἀλλήλοις μὲν διήλλαξεν αὐτούς, Ἀθηναίοις δὲ φίλους καὶ συμμάχους ἐποίησε, νομίζων καὶ τὰς ὑπὸ τῇ Θράκῃ οἰκούσας Ἑλληνίδας πόλεις φίλων ὄντων τούτων μᾶλλον προσέχειν ἂν τοῖς Ἀθηναίοις τὸν νοῦν. [4.8.27] ἐχόντων δὲ τούτων τε καλῶς καὶ τῶν ἐν τῇ Ἀσίᾳ πόλεων διὰ τὸ βασιλέα φίλον τοῖς Ἀθηναίοις εἶναι, πλεύσας εἰς Βυζάντιον ἀπέδοτο τὴν δεκάτην τῶν ἐκ τοῦ Πόντου πλεόντων. μετέστησε δὲ ἐξ ὀλιγαρχίας εἰς τὸ δημοκρατεῖσθαι τοὺς Βυζαντίους· ὥστε οὐκ ἀχθεινῶς ἑώρα ὁ τῶν Βυζαντίων δῆμος Ἀθηναίους ὅτι πλείστους παρόντας ἐν τῇ πόλει, [4.8.28] ταῦτα δὲ πράξας καὶ Καλχηδονίους φίλους προσποιησάμενος ἀπέπλει ἔξω τοῦ Ἑλλησπόντου. ἐπιτυχὼν δ' ἐν τῇ Λέσβῳ ταῖς πόλεσι πάσαις πλὴν Μυτιληναίων λακωνιζούσαις, ἐπ' οὐδεμίαν αὐτῶν ἦει, πρὶν ἐν Μυτιλήνῃ συντάξας τοὺς τε ἀπὸ τῶν ἑαυτοῦ νεῶν τετρακοσίους ὀπλίτας καὶ τοὺς ἐκ τῶν πόλεων φυγάδας, ὅσοι εἰς Μυτιλήνῃν κατεπεφεύγεσαν, καὶ αὐτῶν δὲ Μυτιληναίων τοὺς ἐρρωμενεστάτους προσλαβὼν, καὶ ἐλπίδας ὑποθείς τοῖς μὲν Μυτιληναίοις, ὡς ἐὰν λάβῃ τὰς πόλεις, προστάται πάσας Λέσβου ἔσονται, τοῖς δὲ φυγάσιν, ὡς ἐὰν ὁμοῦ ὄντες ἐπὶ μίαν ἐκάστην τῶν πόλεων ἴωσιν, ἱκανοὶ ἔσονται ἅπαντες εἰς τὰς πατρίδας ἀνασωθῆναι, τοῖς δ' αὖ ἐπιβάταις ὡς φίλην Λέσβον προσποιήσαντες τῇ πόλει πολλὴν εὐπορίαν χρημάτων διαπεπραγμένοι ἔσονται, ταῦτα δὲ παραμυθησάμενος καὶ συντάξας ἦγεν αὐτοὺς ἐπὶ Μήθυμναν. [4.8.29] Θηρίμαχος μέντοι, ὃς ἄρμοστής ἐτύγχανεν ὦν τῶν Λακεδαιμονίων, ὡς ἤκουσε τὸν Θρασύβουλον προσιέναι, τοὺς τ' ἀπὸ τῶν αὐτοῦ νεῶν λαβὼν ἐπιβάτας καὶ αὐτοὺς τοὺς Μηθυμναίους καὶ ὅσοι Μυτιληναίων φυγάδες ἐτύγχανον αὐτόθι, ἀπῆντων ἐπὶ τὰ ὅρια. μάχης δὲ γενομένης ὁ μὲν Θηρίμαχος αὐτοῦ ἀποθνήσκει, τῶν δ' ἄλλων φευγόντων πολλοὶ ἀπέθανον. [4.8.30] ἐκ δὲ τούτου τὰς μὲν προσηγάγετο τῶν πόλεων, ἐκ δὲ τῶν οὐ προσχωρουσῶν λεηλατῶν χρήματα τοῖς στρατιώταις, ἔσπευσεν εἰς τὴν Ῥόδον ἀφικέσθαι. ὅπως <δ> ἂν καὶ ἐκεῖ ὡς ἐρρωμενέστατον τὸ στράτευμα ποιήσαιο, ἐξ ἄλλων τε πόλεων ἡγγυρολόγει καὶ εἰς Ἄσπενδον ἀφικόμενος ὠρμίσατο εἰς τὸν Εὐρυμέδοντα ποταμόν. ἤδη δ' ἔχοντες αὐτοῦ χρήματα παρὰ τῶν Ἀσπενδίων, ἀδικησάντων τι ἐκ τῶν ἀγρῶν τῶν

στρατιωτῶν, ὀργισθέντες οἱ Ἀσπένδιοι τῆς νυκτὸς ἐπιπεσόντες κατακόπτουσιν ἐν τῇ σκηνῇ αὐτόν.

[4.8.31] Καὶ Θρασύβουλος μὲν δὴ μάλα δοκῶν ἀνὴρ ἀγαθὸς εἶναι οὕτως ἐτελεύτησεν. οἱ μέντοι Ἀθηναῖοι ἐλόμενοι ἀντ' αὐτοῦ Ἀγύρριον ἐπὶ τὰς ναῦς ἐξέπεμψαν. αἰσθόμενοι δ' οἱ Λακεδαιμόνιοι ὅτι ἡ δεκάτη τε τῶν ἐκ τοῦ Πόντου πεπραμένη εἴη ἐν Βυζαντίῳ ὑπ' Ἀθηναίων καὶ Καλχηδὸνα ἔχουσι καὶ αἱ ἄλλαι Ἑλλησπόντια πόλεις φίλου ὄντος αὐτοῖς Φαρναβάζου εὖ ἔχοιεν, ἔγνωσαν ἐπιμελητέον εἶναι. [4.8.32] τῷ μὲν οὖν Δερκυλίδαι οὐδὲν ἐμέμφοντο· Ἀναξίβιος μέντοι φίλων αὐτῷ γενομένων τῶν ἐφόρων διεπράξατο ὥστε αὐτὸς ἐκπλεῦσαι ἄρμωσθης εἰς Ἄβυδον. εἰ δὲ λάβοι ἀφορμὴν καὶ ναῦς, καὶ πολεμήσειν ὑπισχεῖτο τοῖς Ἀθηναίοις, ὥστε μὴ ἔχειν ἐκείνοις καλῶς τὰ ἐν Ἑλλησπόντῳ. [4.8.33] οἱ μὲν δὴ δόντες καὶ τρεῖς τριήρεις καὶ ἀφορμὴν εἰς ξένους χιλίους ἐξέπεμψαν τὸν Ἀναξίβιον. ὁ δὲ ἐπειδὴ ἀφίκετο, κατὰ γῆν μὲν ἀθροίσας ξενικὸν τῶν τ' Αἰολίδων πόλεων παρεσπᾶτό τινας τοῦ Φαρναβάζου καὶ ἐπιστρατευσάσαις ταῖς πόλεσιν ἐπὶ τὴν Ἄβυδον ἀντεπεστράτευε καὶ ἐπεπορεύετο καὶ ἐδήμιον τὴν χώραν αὐτῶν· καὶ ναῦς δὲ πρὸς αἷς εἶχε συμπληρώσας ἐξ Ἀβύδου τρεῖς ἄλλας κατῆγεν, εἴ τί που λαμβάνοι Ἀθηναίων πλοῖον ἢ τῶν ἐκείνων συμμάχων. [4.8.34] αἰσθόμενοι δὲ ταῦτα οἱ Ἀθηναῖοι καὶ δεδιότες μὴ φθαρεῖν σφίσιν ἃ κατεσκεύασεν ἐν τῷ Ἑλλησπόντῳ Θρασύβουλος, ἀντεκπέμπουσιν Ἴφικράτην ναῦς ὀκτὼ ἔχοντα καὶ πελταστὰς εἰς διακοσίους καὶ χιλίους. οἱ πλεῖστοι δὲ αὐτῶν ἦσαν ὧν ἐν Κορίνθῳ ἦρξεν. ἐπεὶ γὰρ οἱ Ἀργεῖοι τὴν Κόρινθον Ἄργος ἐπεποίητο, οὐδὲν ἔφασαν αὐτῶν δεῖσθαι· καὶ γὰρ ἀπεκτόνει τινὰς τῶν ἀργολιζόντων· καὶ οὕτως ἀπελθὼν Ἀθήναζε οἶκοι ἔτυχεν ὧν. [4.8.35] ἐπεὶ δὲ ἀφίκετο εἰς Χερρόνησον, τὸ μὲν πρῶτον Ἀναξίβιος καὶ Ἴφικράτης ληιστὰς διαπέμποντες ἐπολέμουν ἀλλήλοις· προϊόντος δὲ τοῦ χρόνου ὁ Ἴφικράτης αἰσθόμενος καὶ Ἀναξίβιον οἰχόμενον εἰς Ἄντανδρον σὺν τε τοῖς μισθοφόροις καὶ τοῖς περὶ αὐτὸν Λακωνικοῖς καὶ σὺν Ἀβυδηνοῖς διακοσίοις ὀπλίταις, καὶ ἀκούσας ὅτι τὴν Ἄντανδρον φιλίαν προσειληφὼς εἴη, ὑπονοῶν ὅτι καταστήσας αὐτὴν ἐκεῖ φρουρὰν ἀποπορεύσοιτο πάλιν καὶ ἀπάξοι τοὺς Ἀβυδηνοὺς οἵκαδε, διαβὰς τῆς νυκτὸς ἥι ἐρημότατον ἦν τῆς Ἀβυδηνῆς καὶ ἐπανελθὼν εἰς τὰ ὄρη ἐνέδραν ἐποίησατο. τὰς δὲ τριήρεις αἱ διήγαγον αὐτὸν ἐκέλευε παραπλεῖν ἅμα τῇ ἡμέρᾳ παρὰ τὴν Χερρόνησον τῆς ἄνω, ὅπως δοκοίη, ὥσπερ εἰώθει, ἐπ' ἀργυρολογίαν

ἐπαναπεπλευκέναι. [4.8.36] ταῦτα δὲ ποιήσας οὐκ ἐψεύσθη, ἀλλ' ὁ Ἀναξίβιος ἀπεπορεύετο, ὥς μὲν ἐλέγετο, οὐδὲ τῶν ἱερῶν γεγενημένων αὐτῷ ἐκείνῃ τῇ ἡμέρᾳ, ἀλλὰ καταφρονήσας, ὅτι διὰ φιλίας τε ἐπορεύετο καὶ εἰς πόλιν φιλίαν καὶ ὅτι ἤκουε τῶν ἀπαντῶντων τὸν Ἰφικράτην ἀναπεπλευκέναι τῆς ἐπὶ Προκοννήσου, ἀμελέστερον ἐπορεύετο. [4.8.37] ὅμως δὲ ὁ Ἰφικράτης, ἕως μὲν ἐν τῷ ἰσοπέδῳ τὸ στράτευμα τοῦ Ἀναξίβιου ἦν, οὐκ ἐξανίστατο· ἐπειδὴ δὲ οἱ μὲν Ἀβυδηνοὶ ἀφηγούμενοι ἤδη ἐν τῷ παρὰ Κρεμαστὴν ἦσαν πεδίῳ, ἔνθα ἐστὶ τὰ χρύσεια αὐτοῖς, τὸ δ' ἄλλο στράτευμα ἐπόμενον ἐν τῷ κατάντει ἦν, ὁ δὲ Ἀναξίβιος ἄρτι κατέβαινε σὺν τοῖς Λακωνικοῖς, ἐν τούτῳ ὁ Ἰφικράτης ἐξανίστησι τὴν ἐνέδραν καὶ δρόμῳ ἐφέρετο πρὸς αὐτόν. [4.8.38] καὶ ὁ Ἀναξίβιος γνοὺς μὴ εἶναι ἐλπίδα σωτηρίας, ὁρῶν ἐπὶ πολὺ τε καὶ στενὸν ἐκτεταμένον τὸ ἑαυτοῦ στράτευμα, καὶ νομίζων πρὸς τὸ ἄναντες οὐκ ἂν δύνασθαι σαφῶς βοηθῆσαι ἑαυτῷ τοὺς προεληλυθότας, ὁρῶν δὲ καὶ ἐκπεπληγμένους ἅπαντας, ὥς εἶδον τὴν ἐνέδραν, εἶπε πρὸς τοὺς παρόντας· Ἄνδρες, ἐμοὶ μὲν ἐνθάδε καλὸν ἀποθανεῖν· ὑμεῖς δὲ πρὶν συμμεῖξαι τοῖς πολεμίοις σπεύδετε εἰς τὴν σωτηρίαν. [4.8.39] καὶ ταῦτ' ἔλεγε καὶ παρὰ τοῦ ὑπασπιστοῦ λαβὼν τὴν ἀσπίδα ἐν χώρᾳ αὐτοῦ μαχόμενος ἀποθνήσκει. καὶ τὰ παιδικὰ μέντοι αὐτῷ παρέμεινε, καὶ τῶν Λακεδαιμονίων δὲ τῶν συνεληλυθότων ἐκ τῶν πόλεων ἀρμοστήρων ὥς δώδεκα μαχόμενοι συναπέθανον· οἱ δ' ἄλλοι φεύγοντες ἔπιπτον. οἱ δ' ἐδίωκον μέχρι τοῦ ἄστεως. καὶ τῶν τε ἄλλων ὥς διακόσιοι ἀπέθανον καὶ τῶν Ἀβυδηνῶν ὀπλιτῶν περὶ πεντήκοντα. ταῦτα δὲ πράξας ὁ Ἰφικράτης ἀνεχώρησε πάλιν εἰς Χερρόνησον.

Βιβλίον ε΄

[5.1.1] Καὶ τὰ μὲν δὴ περὶ Ἑλλήσποντον Ἀθηναίοις τε καὶ Λακεδαιμονίοις τοιαῦτα ἦν. ὦν δὲ πάλιν ὁ Ἑτεόνικος ἐν τῇ Αἰγίνῃ, καὶ ἐπιμειζία χρωμένων τὸν πρόσθεν χρόνον τῶν Αἰγινήτων πρὸς τοὺς Ἀθηναίους, ἐπεὶ φανερῶς κατὰ θάλατταν ὁ πόλεμος ἐπολεμεῖτο, συνδόξαν καὶ τοῖς ἐφόροις ἐφίησι λήζεσθαι τὸν βουλόμενον ἐκ τῆς Ἀττικῆς. [5.1.2] οἱ δ' Ἀθηναῖοι πολιορκούμενοι ὑπ' αὐτῶν, πέμψαντες εἰς Αἶγιναν καὶ ὀπλίτας καὶ στρατηγὸν αὐτῶν Πάμφιλον ἐπετείχισαν Αἰγινήταις καὶ ἐπολιόρκουν αὐτοὺς καὶ κατὰ γῆν καὶ κατὰ θάλατταν δέκα τριήρεσιν. ὁ μέντοι Τελευτίας τυχὼν ἐπὶ τῶν νήσων ποι ἀφιγμένος κατὰ χρημάτων πόρον, ἀκούσας ταῦτα περὶ τοῦ ἐπιτειχισμοῦ, ἐβοήθει τοῖς Αἰγινήταις· καὶ τὸ μὲν ναυτικὸν ἀπήλασε, τὸ δ' ἐπιτείχισμα διεφύλαττεν ὁ Πάμφιλος.

[5.1.3] Ἐκ δὲ τούτου ἀπὸ Λακεδαιμονίων Ἰέραξ ναύαρχος ἀφικνεῖται. κακεῖνος μὲν παραλαμβάνει τὸ ναυτικόν, ὁ δὲ Τελευτίας· μακαριώτατα δὴ ἀπέπλευσεν οἴκαδε. ἡνίκα γὰρ ἐπὶ θάλατταν κατέβαινεν ἐπ' οἴκου ὀρμώμενος, οὐδεὶς ἐκεῖνον τῶν στρατιωτῶν ὃς οὐκ ἐδεξιώσατο, καὶ ὁ μὲν ἐστεφάνωσεν, ὁ δὲ ἐταίνίωσεν, οἱ δ' ὑστερήσαντες ὅμως καὶ ἀναγομένου ἔρριπτον εἰς τὴν θάλατταν στεφάνους καὶ ἤρχοντο αὐτῷ πολλὰ καὶ ἀγαθὰ. [5.1.4] γινώσκω μὲν οὖν ὅτι ἐν τούτοις οὔτε δαπάνημα οὔτε κίνδυνον οὔτε μηχανήμα ἀξιόλογον οὐδὲν διηγοῦμαι· ἀλλὰ ναι μὰ Δία τόδε ἄξιόν μοι δοκεῖ εἶναι ἀνδρὶ ἐννοεῖν, τί ποτε ποιῶν ὁ Τελευτίας οὕτω διέθηκε τοὺς ἀρχομένους. τοῦτο γὰρ ἤδη πολλῶν καὶ χρημάτων καὶ κινδύνων ἀξιολογώτατον ἀνδρὸς ἔργον ἐστίν.

[5.1.5] Ὁ δ' αὖ Ἰέραξ τὰς μὲν ἄλλας ναῦς λαβὼν πάλιν ἔπλει εἰς Ῥόδον, ἐν Αἰγίνῃ δὲ τριήρεις δώδεκα κατέλιπε καὶ Γοργώπαν τὸν αὐτοῦ ἐπιστολέα ἁρμοστήν. καὶ ἐκ τούτου ἐπολιορκοῦντο μᾶλλον οἱ ἐν τῷ ἐπιτειχίσματι Ἀθηναίων ἢ οἱ ἐν τῇ πόλει· ὥστε ὑπὸ ψηφίσματος Ἀθηναῖοι πληρώσαντες ναῦς πολλὰς ἀπεκομίσαντο ἐξ Αἰγίνης πέμπτῳ μηνὶ τοὺς ἐκ τοῦ φρουρίου. τούτων δὲ γενομένων οἱ Ἀθηναῖοι πάλιν αὖ πράγματα εἶχον ὑπὸ τε τῶν ληιστῶν καὶ τοῦ Γοργώπα· καὶ ἀντιπληροῦσι ναῦς τρισκαίδεκα, καὶ αἰροῦνται Εὐνομον ναύαρχον ἐπ' αὐτάς. [5.1.6] ὄντος δὲ τοῦ Ἰέρακος ἐν Ῥόδῳ οἱ Λακεδαιμόνιοι Ἀνταλκίδαν ναύαρχον ἐκπέμπουσι, νομίζοντες καὶ

Τιριβάζωι τοῦτο ποιοῦντες μάλιστ' ἂν χαρίζεσθαι. ὁ δὲ Ἀνταλκίδας ἐπεὶ ἀφίκετο εἰς Αἴγιναν, συμπαραλαβὼν τὰς τοῦ Γοργώπα ναῦς ἔπλευσεν εἰς Ἐφεσον, καὶ τὸν μὲν Γοργώπαν πάλιν ἀποπέμπει εἰς Αἴγιναν σὺν ταῖς δώδεκα ναυσίν, ἐπὶ δὲ ταῖς ἄλλαις Νικόλοχον ἐπέστησε τὸν ἐπιστολέα. καὶ ὁ μὲν Νικόλοχος βοηθῶν Ἀβυδηνοῖς ἔπλει ἐκεῖσε· παρατρεπόμενος δὲ εἰς Τένεδον ἐδήϊου τὴν χώραν, καὶ χρήματα λαβὼν ἀπέπλευσεν εἰς Ἄβυδον. [5.1.7] οἱ δὲ τῶν Ἀθηναίων στρατηγοὶ ἀθροισθέντες ἀπὸ Σαμοθράκης τε καὶ Θάσου καὶ τῶν κατ' ἐκεῖνα χωρίων ἐβοήθουν τοῖς Τενεδίοις. ὥς δ' ἦισθοντο εἰς ἄββυδον καταπεπλευκότα τὸν Νικόλοχον, ὁρμώμενοι ἐκ Χερρονήσου ἐπολιόρκουν αὐτὸν ἔχοντα ναῦς πέντε καὶ εἴκοσι δύο καὶ τριάκοντα ταῖς μεθ' ἑαυτῶν. ὁ μέντοι Γοργώπας ἀποπλέων ἐξ Ἐφέσου περιτυγχάνει Εὐνόμωι· καὶ τότε μὲν κατέφυγεν εἰς Αἴγιναν μικρὸν πρὸ ἡλίου δυσμῶν· ἐκβιβάσας δ' εὐθὺς ἐδείπνιζε τοὺς στρατιώτας. [5.1.8] ὁ δ' Εὐνόμος ὀλίγον χρόνον ὑπομείνας ἀπέπλει. νυκτὸς δ' ἐπιγενομένης, φῶς ἔχων, ὥσπερ νομίζεται, ἀφηγεῖτο, ὅπως μὴ πλανῶνται αἱ ἐπόμεναι. ὁ δὲ Γοργώπας ἐμβιβάσας εὐθὺς ἐπηκολούθει κατὰ τὸν λαμπτήρα, ὑπολειπόμενος, ὅπως μὴ φανερός εἴη μηδ' αἰσθησιν παρέχοι, λίθων τε ψόφωι τῶν κελευστῶν ἀντὶ φωνῆς χρωμένων καὶ παραγωγῇ τῶν κωπῶν. [5.1.9] ἐπεὶ δὲ ἦσαν αἱ τοῦ Εὐνόμου πρὸς τῇ γῇ περὶ Ζωστήρα τῆς Ἀττικῆς, ἐκέλευε τῇ σάλπιγγι ἐπιπλεῖν. τῷ δὲ Εὐνόμωι ἐξ ἐνίων μὲν τῶν νεῶν ἄρτι ἐξέβαινον. οἱ δὲ καὶ ἔτι ὠρμίζοντο, οἱ δὲ καὶ ἔτι κατέπλεον. ναυμαχίας δὲ πρὸς τὴν σελήνην γενομένης, τέτταρας τριήρεις λαμβάνει ὁ Γοργώπας, καὶ ἀναδησάμενος ὦιχετο ἄγων εἰς Αἴγιναν· αἱ δ' ἄλλαι νῆες αἱ τῶν Ἀθηναίων εἰς τὸν Πειραιᾶ κατέφυγον.

[5.1.10] Μετὰ δὲ ταῦτα Χαβρίας ἐξέπλει εἰς Κύπρον βοηθῶν Εὐαγόραι, πελταστάς τ' ἔχων ὀκτακοσίους καὶ δέκα τριήρεις, προσλαβὼν δὲ καὶ Ἀθήνηθεν ἄλλας τε ναῦς καὶ ὀπλίτας. αὐτὸς δὲ τῆς νυκτὸς ἀποβὰς εἰς τὴν Αἴγιναν πορρωτέρω τοῦ Ἡρακλείου ἐν κοίλῳ χωρίῳ ἐνήδρευσεν, ἔχων τοὺς πελταστάς. ἅμα δὲ τῇ ἡμέρῃ, ὥσπερ συνέκειτο, ἦκον οἱ τῶν Ἀθηναίων ὀπλίται, Δημαινέτου αὐτῶν ἡγουμένου, καὶ ἀνέβαινον τοῦ Ἡρακλείου ἐπέκεινα ὥς ἐκκαίδεκα σταδίους, ἔνθα ἡ Τριπυργία καλεῖται. [5.1.11] ἀκούσας δὲ ταῦτα ὁ Γοργώπας, ἐβοήθει μετὰ τε τῶν Αἰγινητῶν καὶ σὺν τοῖς τῶν νεῶν ἐπιβάταις καὶ Σπαρτιατῶν οἱ ἔτυχον αὐτόθι παρόντες ὀκτώ. καὶ ἀπὸ τῶν πληρωμάτων δὲ τῶν ἐκ τῶν νεῶν ἐκήρυξε βοηθεῖν ὅσοι

ἐλεύθεροι εἶεν· ὥστ' ἐβοήθουν καὶ τούτων πολλοί, ὃ τι ἐδύνατο ἕκαστος ὄπλον ἔχων. [5.1.12] ἐπεὶ δὲ παρήλλαξαν οἱ πρῶτοι τὴν ἐνέδραν, ἐξανίστανται οἱ περὶ τὸν Χαβρίαν, καὶ εὐθὺς ἠκόντιζον καὶ ἔβαλλον. ἐπῆσαν δὲ καὶ οἱ ἐκ τῶν νεῶν ἀποβεβηκότες ὀπλίται. καὶ οἱ μὲν πρῶτοι, ἅτε οὐδενὸς ἀθρόου ὄντος, ταχὺ ἀπέθανον, ὧν ἦν Γοργώπας τε καὶ οἱ Λακεδαιμόνιοι· ἐπεὶ δὲ οὗτοι ἔπεσον, ἐτράπησαν δὴ καὶ οἱ ἄλλοι. καὶ ἀπέθανον Αἰγινητῶν μὲν ὡς πεντήκοντα καὶ ἑκατόν, ξένοι δὲ καὶ μέτοικοι καὶ ναῦται καταδεδραμηκότες οὐκ ἐλάττους διακοσίων. [5.1.13] ἐκ δὲ τούτου οἱ μὲν Ἀθηναῖοι, ὥσπερ ἐν εἰρήνῃ, ἔπλεον τὴν θάλατταν· οὐδὲ γὰρ τῷ Ἑτεονίκῳ ἠθέλον οἱ ναῦται καίπερ ἀναγκάζοντι ἐμβάλλειν, ἐπεὶ μισθὸν οὐκ ἐδίδου.

Ἐκ δὲ τούτου οἱ Λακεδαιμόνιοι Τελευτίαν αὖ <ἐπὶ ταύτη< ἐκπέμπουσιν <ἐπὶ ταύτας τὰς ναῦς< ναύαρχον. ὡς δὲ εἶδον αὐτὸν ἦκοντα οἱ ναῦται, ὑπερήσθησαν. ὁ δ' αὐτοὺς συγκαλέσας εἶπε τοιαύδε. [5.1.14] ὦ ἄνδρες στρατιῶται, ἐγὼ χρήματα μὲν οὐκ ἔχων ἤκω· ἐὰν μέντοι θεὸς ἐθέλῃ καὶ ὑμεῖς συμπροθυμῆσθε, πειράσομαι τὰ ἐπιτήδεια ὑμῖν ὡς πλεῖστα πορίζειν. εὖ δ' ἴστε, ἐγὼ ὅταν ὑμῶν ἄρχω, εὐχομαί τε οὐδὲν ἥττον ζῆν ὑμᾶς ἢ καὶ ἐμαυτόν, τὰ τ' ἐπιτήδεια θαυμάσατε μὲν ἂν ἴσως, εἰ φαίην βούλεσθαι ὑμᾶς μᾶλλον ἢ ἐμὲ ἔχειν· ἐγὼ δὲ νῆ τοὺς θεοὺς καὶ δεξαίμην ἂν αὐτὸς μᾶλλον δύο ἡμέρας ἄσιτος ἢ ὑμᾶς μίαν γενέσθαι· ἢ γε μὴν θύρα ἢ ἐμὴ ἀνέωικτο μὲν δήπου καὶ πρόσθεν εἰσιέναι τῷ δεομένῳ τι ἐμοῦ, ἀνεώϊζεται δὲ καὶ νῦν. [5.1.15] ὥστε ὅταν ὑμεῖς πλήρη ἔχητε τὰ ἐπιτήδεια, τότε καὶ ἐμὲ ὄψεσθε ἀφθονώτερον διαιτώμενον· ἂν δὲ ἀνεχόμενόν με ὀράτε καὶ ψύχῃ καὶ θάλπῃ καὶ ἀγρυπνίαν, οἶσθε καὶ ὑμεῖς ταῦτα πάντα καρτερεῖν. οὐδὲν γὰρ ἐγὼ τούτων κελεύω ὑμᾶς ποιεῖν ἵνα ἀνιᾷσθε, ἀλλ' ἵνα ἐκ τούτων ἀγαθόν τι λαμβάνητε. [5.1.16] καὶ ἡ πόλις δέ τοι, ἔφη, ὦ ἄνδρες στρατιῶται, ἢ ἡμετέρα, ἢ δοκεῖ εὐδαίμων εἶναι, εὖ ἴστε ὅτι τάγαθὰ καὶ τὰ καλὰ ἐκτήσατο οὐ ραιθυμοῦσα, ἀλλὰ ἐθέλουσα καὶ πονεῖν καὶ κινδυνεύειν, ὁπότε δέοι. καὶ ὑμεῖς οὖν ἦτε μὲν καὶ πρότερον, ὡς ἐγὼ οἶδα, ἄνδρες ἀγαθοί· νῦν δὲ πειρᾶσθαι χρὴ ἔτι ἀμείνους γίγνεσθαι, ἵν' ἡδέως μὲν συμπονῶμεν, ἡδέως δὲ συνευδαιμονῶμεν. [5.1.17] τί γὰρ ἡδιον ἢ μηδένα ἀνθρώπων κολακεύειν μήτε Ἑλληνα μήτε βάρβαρον ἕνεκα μισθοῦ, ἀλλ' ἑαυτοῖς ἱκανοὺς εἶναι τὰ ἐπιτήδεια πορίζεσθαι, καὶ ταῦτα ὅθεν περ κάλλιστον; ἢ γάρ τοι ἐν πολέμῳ ἀπὸ τῶν πολεμίων ἀφθονία εὖ ἴστε ὅτι ἅμα τροφήν τε καὶ εὐκλειαν ἐν πᾶσιν ἀνθρώποις παρέχεται.

[5.1.18] Ὁ μὲν ταῦτ' εἶπεν, οἱ δὲ πάντες ἀνεβόησαν παραγγέλλειν ὅ τι ἂν δέηι, ὥς σφῶν ὑπηρετησόντων. ὁ δὲ τεθυμένος ἐτύγχανεν· εἶπε δέ· Ἄγετε, ὧ ἄνδρες, δειπνήσατε μὲν ἅπερ καὶ ὥς ἐμέλλετε· προπαράσχεσθε δέ μοι μιᾶς ἡμέρας σίτον. ἔπειτα δὲ ἦκετε ἐπὶ τὰς ναῦς αὐτίκα μάλα, ὅπως πλεύσωμεν ἔνθα θεὸς ἐθέλει, ἐν καιρῷ ἀφιζόμενοι. [5.1.19] ἐπειδὴ δὲ ἦλθον, ἐμβιβασάμενος αὐτοὺς εἰς τὰς ναῦς ἔπλει τῆς νυκτὸς εἰς τὸν λιμένα τῶν Ἀθηναίων, τότε μὲν ἀναπαύων καὶ παραγγέλλων ἀποκοιμᾶσθαι, τότε δὲ κώπαις προσκομιζόμενος. εἰ δέ τις ὑπολαμβάνει ὥς ἀφρόνως ἔπλει δώδεκα τριήρεις ἔχων ἐπὶ πολλὰς ναῦς κεκτημένους, ἐννοησάτω τὸν ἀναλογισμὸν αὐτοῦ. [5.1.20] ἐκεῖνος γὰρ ἐνόμισεν ἀμελέστερον μὲν ἔχειν τοὺς Ἀθηναίους περὶ τὸ ἐν τῷ λιμένι ναυτικὸν Γοργῶπα ἀπολωλότους· εἰ δὲ καὶ εἶεν τριήρεις ὁρμοῦσαι, ἀσφαλέστερον ἠγήσατο ἐπ' εἴκοσι ναῦς Ἀθήνησιν οὕσας πλεῦσαι ἢ ἄλλοθι δέκα. τῶν μὲν γὰρ ἔξω ἦδει ὅτι κατὰ ναῦν ἐμελλον οἱ ναῦται σκηνησίειν, τῶν δὲ Ἀθήνησιν ἐγίνωσκεν ὅτι οἱ μὲν τριήραρχοι οἴκοι καθευδήσοιεν, οἱ δὲ ναῦται ἄλλος ἄλλῃ σκηνησίειν. [5.1.21] ἔπλει μὲν δὴ ταῦτα διανοηθεὶς· ἐπειδὴ δὲ ἀπεῖχε πέντε ἢ ἑξ στάδια τοῦ λιμένος, ἡσυχίαν εἶχε καὶ ἀνέπαυεν. ὥς δὲ ἡμέρα ὑπέφαιεν, ἠγεῖτο· οἱ δὲ ἐπηκολούθουν. καὶ καταδύειν μὲν οὐδὲν εἶα στρογγύλον πλοῖον οὐδὲ λυμαίνεσθαι ταῖς ἑαυτῶν ναυσίν· εἰ δὲ πού τριήρη ἴδοιεν ὁρμοῦσαν, ταύτην πειρᾶσθαι ἅπλουν ποιεῖν, τὰ δὲ φορτηγικὰ πλοῖα καὶ γέμοντα ἀναδουμένους ἄγειν ἔξω, ἐκ δὲ τῶν μειζόνων ἐμβαίνοντας ὅπου δύναιτο τοὺς ἀνθρώπους λαμβάνειν. ἦσαν δὲ τινες οἱ καὶ ἐκπηδήσαντες εἰς τὸ Δεῖγμα ἐμπόρους τέ τινας καὶ ναυκλήρους συναρπάσαντες εἰς τὰς ναῦς εἰσήνεγκαν. [5.1.22] ὁ μὲν δὴ ταῦτα ἐπεποιήκει. τῶν δὲ Ἀθηναίων οἱ μὲν αἰσθόμενοι ἐνδοθεν ἔθεον ἔξω, σκεψόμενοι τίς ἢ κραύγῃ, οἱ δὲ ἔξωθεν οἴκαδε ἐπὶ τὰ ὄπλα, οἱ δὲ καὶ εἰς ἄστρ' ἀγγελοῦντες. πάντες δ' Ἀθηναῖοι τότε ἐβοήθησαν καὶ ὀπλῖται καὶ ἱππεῖς, ὥς τοῦ Πειραιῶς ἐαλωκότος. [5.1.23] ὁ δὲ τὰ μὲν πλοῖα ἀπέστειλεν εἰς Αἴγιναν, καὶ τῶν τριήρων τρεῖς ἢ τέτταρας συναπαγαγεῖν ἐκέλευσε, ταῖς δὲ ἄλλαις παραπλέων παρὰ τὴν Ἀττικὴν, ἅτε ἐκ τοῦ λιμένος πλέων, πολλὰ καὶ ἀλιευτικὰ ἔλαβε καὶ πορθμεῖα ἀνθρώπων μεστά, καταπλέοντα ἀπὸ νήσων. ἐπὶ δὲ Σούνιον ἐλθὼν καὶ ὀλκάδας γεμούσας τὰς μὲν τινας σίτου, τὰς δὲ καὶ ἐμπολῆς, ἔλαβε. [5.1.24] ταῦτα δὲ ποιήσας ἀπέπλευσεν εἰς Αἴγιναν. καὶ ἀποδόμενος τὰ λάφυρα μηνὸς μισθὸν προέδωκε τοῖς στρατιώταις.

καὶ τὸ λοιπὸν δὲ περιπλέων ἐλάμβανεν ὅ τι ἐδύνατο. καὶ ταῦτα ποιῶν πλήρεις τε τὰς ναῦς ἔτρεφε καὶ τοὺς στρατιώτας εἶχεν ἡδέως καὶ ταχέως ὑπηρετοῦντας.

[5.1.25] Ὁ δὲ Ἀνταλκίδας κατέβη μὲν μετὰ Τιριβάζου διαπεπραγμένος συμμαχεῖν βασιλέα, εἰ μὴ ἐθέλοιεν Ἀθηναῖοι καὶ οἱ σύμμαχοι χρῆσθαι τῇ εἰρήνῃ ἣ αὐτὸς ἔλεγεν. ὥς δ' ἤκουσε Νικόλοχον σὺν ταῖς ναυσὶ πολιορκεῖσθαι ἐν Ἀβύδῳ ὑπὸ Ἴφικράτους καὶ Διοτίμου, πεζῇ ὤχετο εἰς Ἄβυδον. ἐκεῖθεν δὲ λαβὼν τὸ ναυτικὸν νυκτὸς ἀνήγετο, διασπείρας λόγον ὥς μεταπεμπομένων τῶν Καλχηδονίων· ὁρμισάμενος δὲ ἐν Περκώτῃ ἡσυχίαν εἶχεν. [5.1.26] αἰσθόμενοι δὲ οἱ περὶ Δημαίνετον καὶ Διονύσιον καὶ Λεόντιχον καὶ Φανίαν ἐδίδωκον αὐτὸν τὴν ἐπὶ Προκοννήσου· ὁ δ', ἐπεὶ ἐκεῖνοι παρέπλευσαν, ὑποστρέψας εἰς Ἄβυδον ἀφίκετο· ἠκηκόει γὰρ ὅτι προσπλέοι Πολύξενος ἄγων τὰς ἀπὸ Συρακουσῶν καὶ Ἰταλίας ναῦς εἴκοσιν, ὅπως ἀναλάβοι καὶ ταύτας. ἐκ δὲ τούτου Θρασύβουλος ὁ Κολλυτεὺς ἔχων ναῦς ὀκτὼ ἔπλει ἀπὸ Θράκης, βουλόμενος ταῖς ἄλλαις Ἀττικαῖς ναυσὶ συμμεῖξαι. [5.1.27] ὁ δὲ Ἀνταλκίδας, ἐπεὶ αὐτῷ οἱ σκοποὶ ἐσήμηναν ὅτι προσπλέοιεν τριῆρεις ὀκτὼ, ἐμβιβάσας τοὺς ναύτας εἰς δώδεκα ναῦς τὰς ἄριστα πλεούσας, καὶ προσπληρώσασθαι κελεύσας, εἴ τις ἐνεδεῖτο, ἐκ τῶν καταλειπομένων, ἐνήδρευεν ὥς ἐδύνατο ἀφανέστατα. ἐπεὶ δὲ παρέπλεον, ἐδίδωκεν· οἱ δὲ ἰδόντες ἔφευγον. τὰς μὲν οὖν βραδύτατα πλεούσας ταῖς ἄριστα πλεούσαις ταχὺ κατειλήφει· παραγγείλας δὲ τοῖς πρωτόπλοις τῶν μεθ' αὐτοῦ μὴ ἐμβαλεῖν ταῖς ὑστάταις, ἐδίδωκε τὰς προεχούσας. ἐπεὶ δὲ ταύτας ἔλαβεν, ἰδόντες οἱ ὕστεροι ἀλίσκομένους σφῶν αὐτῶν τοὺς πρόπλους ὑπ' ἀθυμίας <καὶ> τῶν βραδυτέρων ἠλίσκοντο· ὥσθ' ἦλωσαν ἅπασαι. [5.1.28] ἐπεὶ δ' ἦλθον αὐτῷ αἱ τε ἐκ Συρακουσῶν νῆες εἴκοσιν, ἦλθον δὲ καὶ αἱ ἀπὸ Ἰωνίας, ὅσης ἐγκρατὴς ἦν Τιριβάζος, συνεπληρώθησαν δὲ καὶ ἐκ τῆς Ἀριοβαρζάνους, καὶ γὰρ ἦν ξένος ἐκ παλαιοῦ τῷ Ἀριοβαρζάνει, ὁ δὲ Φαρνάβαζος ἤδη ἀνακεκλημένος ὤχετο ἄνω, ὅτε δὴ καὶ ἔγρημε τὴν βασιλέως θυγατέρα· ὁ δὲ Ἀνταλκίδας γενομέναις ταῖς πάσαις ναυσὶ πλείοσιν ἢ ὀγδοήκοντα ἐκράτει τῆς θαλάττης· ὥστε καὶ τὰς ἐκ τοῦ Πόντου ναῦς Ἀθήναζε μὲν ἐκώλυε καταπλεῖν, εἰς δὲ τοὺς ἑαυτῶν συμμάχους κατήγεν. [5.1.29] οἱ μὲν οὖν Ἀθηναῖοι, ὀρῶντες μὲν πολλὰς τὰς πολεμίας ναῦς, φοβούμενοι δὲ μὴ ὥς πρότερον καταπολεμηθεῖσαν, συμμάχου Λακεδαιμονίοις βασιλέως γεγεννημένου, πολιορκούμενοι

δ' ἐκ τῆς Αἰγίνης ὑπὸ τῶν ληιστῶν, διὰ ταῦτα μὲν ἰσχυρῶς ἐπεθύμουν τῆς εἰρήνης. οἱ δ' αὖ Λακεδαιμόνιοι, φρουροῦντες μόραι μὲν ἐν Λεχαίῳ, μόραι δ' ἐν Ὀρχομενῳ, φυλάττοντες δὲ τὰς πόλεις, αἷς μὲν ἐπίστευον, μὴ ἀπόλιντο, αἷς δὲ ἠπίσταν, μὴ ἀποσταίεν, πράγματα δ' ἔχοντες καὶ παρέχοντες περὶ τὴν Κόρινθον, χαλεπῶς ἔφερον τῷ πολέμῳ. οἷ γε μὴν Ἀργεῖοι, εἰδότες φρουρὰν τε πεφασμένην ἐφ' ἑαυτοὺς καὶ γινώσκοντες ὅτι ἡ τῶν μηνῶν ὑποφορὰ οὐδὲν ἔτι σφᾶς ὠφελήσει, καὶ οὗτοι εἰς τὴν εἰρήνην πρόθυμοι ἦσαν. [5.1.30] ὥστ' ἐπεὶ παρήγγειλεν ὁ Τιρίβαζος παρεῖναι τοὺς βουλομένους ὑπακοῦσαι ἣν βασιλεὺς εἰρήνην καταπέμποι, ταχέως πάντες παρεγένοντο. ἐπεὶ δὲ συνήλθον, ἐπιδείξας ὁ Τιρίβαζος τὰ βασιλέως σημεῖα ἀνεγίνωσκε τὰ γεγραμμένα. εἶχε δὲ ὧδε.

[5.1.31] Ἀρταξέρξης βασιλεὺς νομίζει δίκαιον τὰς μὲν ἐν τῇ Ἀσίᾳ πόλεις ἑαυτοῦ εἶναι καὶ τῶν νήσων Κλαζομενᾶς καὶ Κύπρον, τὰς δὲ ἄλλας Ἑλληνίδας πόλεις καὶ μικρὰς καὶ μεγάλας αὐτονόμους ἀφεῖναι πλὴν Λήμνου καὶ Ἰμβρου καὶ Σκύρου· ταύτας δὲ ὥσπερ τὸ ἀρχαῖον εἶναι Ἀθηναίων. ὁπότεροι δὲ ταύτην τὴν εἰρήνην μὴ δέχονται, τούτοις ἐγὼ πολεμήσω μετὰ τῶν ταῦτα βουλομένων καὶ πεζῇ καὶ κατὰ θάλατταν καὶ ναυσὶ καὶ χρήμασιν.

[5.1.32] Ἀκούοντες οὖν ταῦτα οἱ ἀπὸ τῶν πόλεων πρέσβεις ἀπήγγελλον ἐπὶ τὰς ἑαυτῶν ἕκαστοι πόλεις. καὶ οἱ μὲν ἄλλοι ἅπαντες ὤμνυσαν ἐμπεδώσειν ταῦτα, οἱ δὲ Θηβαῖοι ἠξίουσαν ὑπὲρ πάντων Βοιωτῶν ὁμνύναι. ὁ δὲ Ἀγησίλαος οὐκ ἔφη δέξασθαι τοὺς ὅρκους, ἐὰν μὴ ὁμνύωσιν, ὥσπερ τὰ βασιλέως γράμματα ἔλεγεν, αὐτονόμους εἶναι καὶ μικρὰν καὶ μεγάλην πόλιν. οἱ δὲ τῶν Θηβαίων πρέσβεις ἔλεγον ὅτι οὐκ ἐπεσταλμένα σφίσι ταῦτ' εἶη. Ἴτε νυν, ἔφη ὁ Ἀγησίλαος, καὶ ἐρωτᾶτε· ἀπαγγέλλετε δ' αὐτοῖς καὶ ταῦτα, ὅτι εἰ μὴ ποιήσουσι ταῦτα, ἔκσπονδοι ἔσονται. οἱ μὲν δὴ ὤχοντο. [5.1.33] ὁ δ' Ἀγησίλαος διὰ τὴν πρὸς Θηβαίους ἔχθραν οὐκ ἔμελλεν, ἀλλὰ πείσας τοὺς ἐφόρους εὐθὺς ἐθύετο. ἐπειδὴ δὲ ἐγένετο τὰ διαβατήρια, ἀφικόμενος εἰς τὴν Τεγέαν διέπεμπε τῶν μὲν ἱππέων κατὰ τοὺς περιοίκους ἐπισπεύσοντας, διέπεμπε δὲ καὶ ξεναγοὺς εἰς τὰς πόλεις. πρὶν δὲ αὐτὸν ὀρμηθῆναι ἐκ Τεγέας, παρήσαν οἱ Θηβαῖοι λέγοντες ὅτι ἀφιάσι τὰς πόλεις αὐτονόμους. καὶ οὕτω Λακεδαιμόνιοι μὲν οἵκαδε ἀπῆλθον, Θηβαῖοι δ' εἰς τὰς σπονδὰς εἰσελθεῖν ἠναγκάσθησαν, αὐτονόμους ἀφέντες τὰς Βοιωτίας πόλεις. [5.1.34] οἱ δ' αὖ Κόρινθοι οὐκ ἐξέπεμπον τὴν τῶν Ἀργείων φρουρὰν. ἀλλ' ὁ

Ἀγησίλαος καὶ τούτοις προεῖπε, τοῖς μὲν, εἰ μὴ ἐκπέμψοιεν τοὺς Ἀργεῖους, τοῖς δέ, εἰ μὴ ἀπίοιεν ἐκ τῆς Κορίνθου, ὅτι πόλεμον ἐξοίσει πρὸς αὐτούς. ἐπεὶ δὲ φοβηθέντων ἀμφοτέρων ἐξῆλθον οἱ Ἀργεῖοι καὶ αὐτὴ ἐφ' αὐτῆς ἢ τῶν Κορινθίων πόλις ἐγένετο, οἱ μὲν σφαγεῖς καὶ οἱ μεταίτιοι τοῦ ἔργου αὐτοὶ γνόντες ἀπῆλθον ἐκ τῆς Κορίνθου· οἱ δ' ἄλλοι πολῖται ἐκόντες κατεδέχοντο τοὺς πρόσθεν φεύγοντας.

[5.1.35] Ἐπεὶ δὲ ταῦτ' ἐπράχθη καὶ ὠμωμόκεσαν αἱ πόλεις ἐμμενεῖν ἐν τῇ εἰρήνῃ ἣν κατέπεμψε βασιλεὺς, ἐκ τούτου διελύθη μὲν τὰ πεζικά, διελύθη δὲ καὶ τὰ ναυτικά στρατεύματα. Λακεδαιμονίοις μὲν δὴ καὶ Ἀθηναίοις καὶ τοῖς συμμάχοις οὕτω μετὰ τὸν ὕστερον πόλεμον τῆς καθαίρεσεως τῶν Ἀθήνησι τειχῶν αὕτη πρώτη εἰρήνη ἐγένετο. [5.1.36] ἐν δὲ τῷ πολέμῳ μᾶλλον ἀντιρρόπως τοῖς ἐναντίοις πράττοντες οἱ Λακεδαιμόνιοι πολὺ ἐπικυδέστεροι ἐγένοντο ἐκ τῆς ἐπ' Ἀνταλκίδου εἰρήνης καλουμένης. προστάται γὰρ γενόμενοι τῆς ὑπὸ βασιλέως καταπεμφθείσης εἰρήνης καὶ τὴν αὐτονομίαν ταῖς πόλεσι πράττοντες, προσέλαβον μὲν σύμμαχον Κόρινθον, αὐτονόμους δὲ ἀπὸ τῶν Θηβαίων τὰς Βοιωτίδας πόλεις ἐποίησαν, οὐπὲρ πάλαι ἐπεθύμουν, ἔπαυσαν δὲ καὶ Ἀργεῖους Κόρινθον σφετεριζομένους, φρουρὰν φήναντες ἐπ' αὐτούς, εἰ μὴ ἐξοίεν ἐκ Κορίνθου.

[5.2.1] Τούτων δὲ προκεχωρηκότων ὥς ἐβούλοντο, ἔδοξεν αὐτοῖς, ὅσοι ἐν τῷ πολέμῳ τῶν συμμάχων ἐπέκειντο καὶ τοῖς πολεμίοις εὐμενέστεροι ἦσαν ἢ τῇ Λακεδαίμονι, τούτους κολάσαι καὶ κατασκευάσαι ὥς μὴ δύναιντο ἀπιστεῖν. πρῶτον μὲν οὖν πέμψαντες πρὸς τοὺς Μαντινέας ἐκέλευσαν αὐτοὺς τὸ τεῖχος περαιοῦν, λέγοντες ὅτι οὐκ ἂν πιστεύσειαν ἄλλως αὐτοῖς μὴ σὺν τοῖς πολεμίοις γενέσθαι. [5.2.2] αἰσθάνεσθαι γὰρ ἔφασαν καὶ ὥς σῖτον ἐξέπεμπον τοῖς Ἀργείοις σφῶν αὐτοῖς πολεμούντων, καὶ ὥς ἔστι μὲν ὅτε οὐδὲ συστρατεύοιεν ἐκχειρίαν προφασιζόμενοι, ὁπότε δὲ καὶ ἀκολουθοῖεν, ὥς κακῶς συστρατεύοιεν. ἔτι δὲ γινώσκειν ἔφασαν φθονοῦντας μὲν αὐτούς, εἴ τι σφίσιν ἀγαθὸν γίγνοιτο, ἐφηδομένους δ', εἴ τις συμφορὰ προσπίπτοι. ἐλέγοντο δὲ καὶ αἱ σπονδαὶ ἐξεληλυθέναι τοῖς Μαντινεῦσι τούτῳ τῷ ἔτει αἱ μετὰ τὴν ἐν Μαντινεῖαι μάχην τριακονταετεῖς γενόμεναι. [5.2.3] ἐπεὶ δ' οὐκ ἤθελον καθαιρεῖν τὰ τεῖχη, φρουρὰν φαίνουσιν ἐπ' αὐτούς. Ἀγησίλαος μὲν οὖν ἐδεήθη τῆς πόλεως ἀφεῖναι ἑαυτὸν ταύτης τῆς στρατηγίας,

λέγων ὅτι τῷ πατρὶ αὐτοῦ ἢ τῶν Μαντινέων πόλις πολλὰ ὑπηρετήκοι ἐν τοῖς πρὸς Μεσσήνην πολέμοις· Ἀγησίπολις δὲ ἐξήγαγε τὴν φρουρὰν καὶ μάλα Πausανίου τοῦ πατρὸς αὐτοῦ φιλικῶς ἔχοντος πρὸς τοὺς ἐν Μαντινείαι τοῦ δήμου προστάτας. [5.2.4] ὥς δὲ ἐνέβαλε, πρῶτον μὲν τὴν γῆν ἐδήϊου. ἐπεὶ δὲ οὐδ' οὕτω καθήρουν τὰ τεῖχη, τάφρον ὥρυτε κύκλῳ περὶ τὴν πόλιν, τοῖς μὲν ἡμίσεσι τῶν στρατιωτῶν προκαθημένοις σὺν τοῖς ὅπλοις τῶν ταφρευόντων, τοῖς δ' ἡμίσεσιν ἐργαζομένοις. ἐπεὶ δὲ ἐξείργαστο ἡ τάφρος, ἀσφαλῶς ἤδη κύκλῳ τεῖχος περὶ τὴν πόλιν ὠικοδόμησεν. αἰσθόμενος δὲ ὅτι ὁ σῖτος ἐν τῇ πόλει πολὺς ἐνείη, εὐετηρίας γενομένης τῷ πρόσθεν ἔτει, καὶ νομίσας χαλεπὸν ἔσσεσθαι, εἰ δεήσει πολὺν χρόνον τρύχειν στρατείαις τὴν τε πόλιν καὶ τοὺς συμμάχους, ἀπέχωσε τὸν ῥέοντα ποταμὸν διὰ τῆς πόλεως μάλ' ὄντα εὐμεγέθη. [5.2.5] ἐμφραχθείσης δὲ τῆς ἀπορροίας ἤριετο τὸ ὕδωρ ὑπὲρ τε τῶν ὑπὸ ταῖς οἰκίαις καὶ ὑπὲρ τῶν ὑπὸ τῷ τείχει θεμελίων. βρεχομένων δὲ τῶν κάτω πλίνθων καὶ προδιδουσῶν τὰς ἄνω, τὸ μὲν πρῶτον ἐρρήγνυτο τὸ τεῖχος, ἔπειτα δὲ καὶ ἐκλίνετο. οἱ δὲ χρόνον μὲν τινα ξύλα ἀντήρειδον καὶ ἐμηχανῶντο ὥς μὴ πίπτει ὁ πύργος· ἐπεὶ δὲ ἡττῶντο τοῦ ὕδατος, δείσαντες μὴ πεσόντος πῃ τοῦ κύκλῳ τείχους δοριάλωτοι γένοιτο, ὠμολόγουν περιαιρήσειν. οἱ δὲ Λακεδαιμόνιοι οὐκ ἔφασαν σπεῖσεσθαι, εἰ μὴ καὶ διοικιοῖντο κατὰ κώμας. οἱ δ' αὖ νομίσαντες ἀνάγκην εἶναι συνέφασαν καὶ ταῦτα ποιήσειν. [5.2.6] οἰομένων δὲ ἀποθανεῖσθαι τῶν ἀργολιζόντων καὶ τῶν τοῦ δήμου προστατῶν, διεπράξατο ὁ πατὴρ παρὰ τοῦ Ἀγησιπόλιδος ἀσφάλειαν αὐτοῖς γενέσθαι ἀπαλλαττομένοις ἐκ τῆς πόλεως, ἐξήκοντα οὔσι. καὶ ἀμφοτέρωθεν μὲν τῆς ὁδοῦ ἀρξάμενοι ἀπὸ τῶν πυλῶν ἔχοντες τὰ δόρατα οἱ Λακεδαιμόνιοι ἔστασαν, θεώμενοι τοὺς ἐξιόντας. καὶ μισοῦντες αὐτοὺς ὅμως ἀπείχοντο αὐτῶν ῥᾷον ἢ οἱ βέλτιστοι τῶν Μαντινέων. καὶ τοῦτο μὲν εἰρήσθω μέγα τεκμήριον πειθαρχίας. [5.2.7] ἐκ δὲ τούτου καθιερέθη μὲν τὸ τεῖχος, διωκίσθη δ' ἡ Μαντίνεια τετραγῆι, καθάπερ τὸ ἀρχαῖον ὤικουν. καὶ τὸ μὲν πρῶτον ἤχθοντο, ὅτι τὰς μὲν ὑπαρχούσας οἰκίας ἔδει καθαιρεῖν, ἄλλας δὲ οἰκοδομεῖν· ἐπεὶ δὲ οἱ ἔχοντες τὰς οὐσίας ἐγγύτερον μὲν ὤικουν τῶν χωρίων ὄντων αὐτοῖς περὶ τὰς κώμας, ἀριστοκραταὶ δ' ἐχρῶντο, ἀπηλλαγμένοι δ' ἦσαν τῶν βαρέων δημαγωγῶν, ἥδοντο τοῖς πεπραγμένοις. καὶ ἔπεμπον μὲν αὐτοῖς οἱ Λακεδαιμόνιοι οὐ καθ' ἓν, ἀλλὰ κατὰ κώμην ἐκάστην ξεναγόν. συνεστρατεύοντο δ' ἐκ τῶν

κωμῶν πολὺ προθυμότερον ἢ ὅτε ἐδημοκρατοῦντο. καὶ τὰ μὲν δὴ περὶ Μαντινείας οὕτω διεπέρακτο, σοφωτέρων γενομένων ταύτη γε τῶν ἀνθρώπων τὸ μὴ διὰ τειχῶν ποταμὸν ποιεῖσθαι.

[5.2.8] Οἱ δ' ἐκ Φλειοῦντος φεύγοντες αἰσθανόμενοι τοὺς Λακεδαιμονίους ἐπισκοποῦντας τῶν συμμάχων ὁποῖοι τινες ἕκαστοι ἐν τῷ πολέμῳ αὐτοῖς ἐγεγέννητο, καιρὸν ἡγησάμενοι, ἐπορεύθησαν εἰς Λακεδαίμονα καὶ ἐδίδασκον ὥς ἕως μὲν σφεῖς οἴκοι ἦσαν, ἐδέχετό τε ἡ πόλις τοὺς Λακεδαιμονίους εἰς τὸ τεῖχος καὶ συνεστρατεύοντο ὅποι ἡγοῖντο· ἐπεὶ δὲ σφᾶς αὐτοὺς ἐξέβαλον, ὥς ἔπεσθαι μὲν οὐδαμοῦ ἐθέλοιεν, μόνους δὲ πάντων ἀνθρώπων Λακεδαιμονίους οὐ δέχοιντο εἶσω τῶν πυλῶν. [5.2.9] ἀκούσασιν οὖν ταῦτα τοῖς ἐφόροις ἄξιον ἔδοξεν ἐπιστροφῆς εἶναι. καὶ πέμψαντες πρὸς τὴν τῶν Φλειασίων πόλιν ἔλεγον ὥς φίλοι μὲν οἱ φυγάδες τῇ Λακεδαιμονίῳ πόλει εἶεν, ἀδικοῦντες δ' οὐδὲν φεύγοιεν. ἄξιον δ' ἔφασαν μὴ ὑπ' ἀνάγκης, ἀλλὰ παρ' ἐκόντων διαπράξασθαι κατελθεῖν αὐτούς. ἃ δὴ ἀκούσαντες οἱ Φλειάσιοι ἔδεισαν μὴ εἰ στρατεύσαιντο ἐπ' αὐτούς, τῶν ἔνδοθεν παρείησάν τινες αὐτοὺς εἰς τὴν πόλιν. καὶ γὰρ συγγενεῖς πολλοὶ ἔνδον ἦσαν τῶν φευγόντων καὶ ἄλλως εὐμενεῖς, καὶ οἷα δὴ ἐν ταῖς πλείσταις πόλεσι νεωτέρων τινὲς ἐπιθυμοῦντες πραγμάτων κατάγειν ἐβούλοντο τὴν φυγὴν. [5.2.10] τοιαῦτα μὲν δὴ φοβηθέντες, ἐψηφίσαντο καταδέχεσθαι τοὺς φυγάδας, καὶ ἐκείνοις μὲν ἀποδοῦναι τὰ ἐμφανῆ κτήματα, τοὺς δὲ τὰ ἐκείνων πριαμένους ἐκ δημοσίου τὴν τιμὴν ἀπολαβεῖν· εἰ δέ τι ἀμφίλογον πρὸς ἀλλήλους γίγνοιτο, δίκη διακριθῆναι. καὶ ταῦτα μὲν αὖ περὶ τῶν Φλειασίων φυγάδων ἐν ἐκείνῳ τῷ χρόνῳ ἐπέπρακτο.

[5.2.11] Ἐξ Ἀκάνθου δὲ καὶ Ἀπολλωνίας, αἵπερ μέγισται τῶν περὶ Ὀλυνθον πόλεων, πρέσβεις ἀφίκοντο εἰς Λακεδαίμονα. ἀκούσαντες δ' οἱ ἔφοροι ὧν ἕνεκα ἦκον, προσήγαγον αὐτοὺς πρὸς τε τὴν ἐκκλησίαν καὶ τοὺς συμμάχους. [5.2.12] ἔνθα δὴ Κλειγένης Ἀκάνθιος ἔλεξεν· ὦ ἄνδρες Λακεδαιμόνιοί τε καὶ σύμμαχοι, οἰόμεθα λανθάνειν ὑμᾶς πρᾶγμα μέγα φυόμενον ἐν τῇ Ἑλλάδι. ὅτι μὲν γὰρ τῶν ἐπὶ Θράκης μεγίστη πόλις Ὀλυνθος σχεδὸν πάντες ἐπίστασθε. οὗτοι τῶν πόλεων προσηγάγοντο ἐφ' ὧν νόμοις τοῖς αὐτοῖς χρῆσθαι καὶ συμπολιτεύειν, ἔπειτα δὲ καὶ τῶν μειζόνων προσέλαβόν τινας. ἐκ δὲ τούτου ἐπεχείρησαν καὶ τὰς τῆς Μακεδονίας πόλεις ἐλευθεροῦν ἀπὸ Ἀμύντου τοῦ Μακεδόνων βασιλέως. [5.2.13] ἐπεὶ δὲ εἰσήκουσαν αἱ ἐγγύτατα αὐτῶν, ταχὺ καὶ ἐπὶ τὰς πόρρω καὶ μείζους

ἐπορεύοντο· καὶ κατελίπομεν ἡμεῖς ἔχοντας ἤδη ἄλλας τε πολλὰς καὶ Πέλλαν, ἥπερ μεγίστη τῶν ἐν Μακεδονίᾳ πόλεων· καὶ Ἀμύνταν δὲ ἡισθανόμεθα ἀποχωροῦντά τε ἐκ τῶν πόλεων καὶ ὅσον οὐκ ἐκπεπτωκότα ἤδη ἐκ πάσης Μακεδονίας. πέμψαντες δὲ καὶ πρὸς ἡμᾶς καὶ πρὸς Ἀπολλωνιάτας οἱ Ὀλύνθιοι προεῖπον ἡμῖν ὅτι εἰ μὴ παρесьόμεθα συστρατευσόμενοι, ἐκεῖνοι ἐφ' ἡμᾶς ἴοιεν. [5.2.14] ἡμεῖς δέ, ὧ ἄνδρες Λακεδαιμόνιοι, βουλόμεθα μὲν τοῖς πατρίοις νόμοις χρῆσθαι καὶ αὐτοπολιτα εἶναι· εἰ μέντοι μὴ βοηθήσει τις, ἀνάγκη καὶ ἡμῖν μετ' ἐκείνων γίγνεσθαι. καίτοι νῦν γ' ἤδη αὐτοῖς εἰσὶν ὀπλίται μὲν οὐκ ἐλάττους <ὀκτακοσίων>, πελτασταὶ δὲ πολὺ πλείους ἢ τοσοῦτοι· ἱππεῖς γε μέντοι, ἐὰν καὶ ἡμεῖς μετ' αὐτῶν γενώμεθα, ἔσονται πλείους ἢ χίλιοι. [5.2.15] κατελίπομεν δὲ καὶ Ἀθηναίων καὶ Βοιωτῶν πρέσβεις ἤδη αὐτόθι. ἠκούομεν δὲ ὡς καὶ αὐτοῖς Ὀλυνθίοις ἐψηφισμένον εἶη συμπέμπειν πρέσβεις εἰς ταύτας τὰς πόλεις περὶ συμμαχίας. καίτοι εἰ τοσαύτη δύναμις προσγενήσεται τῇ τε Ἀθηναίων καὶ Θηβαίων ἰσχύι, ὁρᾶτε, ἔφη, ὅπως μὴ οὐκέτι εὐμεταχείριστα ἔσται ἐκεῖνα ὑμῖν. ἐπεὶ δὲ καὶ Ποτείδαιαν ἔχουσιν ἐπὶ τῷ ἰσθμῷ τῆς Παλλήνης οὔσαν, νομίζετε καὶ τὰς ἐντὸς ταύτης πόλεις ὑπηκόους ἔσεσθαι αὐτῶν. τεκμήριον δ' ἔτι ἔστω ὑμῖν καὶ τοῦτο ὅτι ἰσχυρῶς αὗται αἱ πόλεις πεφόβηνται· μάλιστα γὰρ μισοῦσαι τοὺς Ὀλυνθίους ὅμως οὐκ ἐτόλμησαν μεθ' ἡμῶν πρεσβείας πέμπειν διδασκούςας ταῦτα. [5.2.16] ἐννοήσατε δὲ καὶ τόδε, πῶς εἰκὸς ὑμᾶς τῆς μὲν Βοιωτίας ἐπιμεληθῆναι ὅπως μὴ καθ' ἓν εἶη, πολὺ δὲ μείζονος ἀθροιζομένης δυνάμεως ἀμελῆσαι, καὶ ταύτης οὐ κατὰ γῆν μόνον, ἀλλὰ καὶ κατὰ θάλατταν ἰσχυρᾶς γιγνομένης. τί γὰρ δὴ καὶ ἐμποδῶν, ὅπου ξύλα μὲν ναυπηγήσιμα ἐν αὐτῇ τῇ χώρᾳ ἐστί, χρημάτων δὲ πρόσοδοι ἐκ πολλῶν μὲν λιμένων, ἐκ πολλῶν δ' ἐμπορίων, πολυανθρωπία γε μὴν διὰ τὴν πολυσιτιάν ὑπάρχει; [5.2.17] ἀλλὰ μὴν καὶ γείτονές γ' εἰσὶν αὐτοῖς Θρᾶικες οἱ ἀβασίλευτοι, οἱ θεραπεύουσι μὲν καὶ νῦν ἤδη τοὺς Ὀλυνθίους· εἰ δὲ ὑπ' ἐκείνοις ἔσονται, πολλὴ καὶ αὕτη δύναμις προσγένειτ' ἂν αὐτοῖς. τούτων γε μὴν ἀκολουθούντων καὶ τὰ ἐν τῷ Παγγαίῳ χρύσεια χεῖρα ἂν αὐτοῖς ἤδη ὀρέγοι. καὶ τούτων ἡμεῖς οὐδὲν λέγομεν ὅ τι οὐ καὶ ἐν τῷ τῶν Ὀλυνθίων δήμῳ μυριόλεκτόν ἐστι. [5.2.18] τό γε μὴν φρόνημα αὐτῶν τί ἂν τις λέγοι; καὶ γὰρ ὁ θεὸς ἴσως ἐποίησεν ἅμα τῷ δύνασθαι καὶ τὰ φρονήματα αὖξεσθαι τῶν ἀνθρώπων. ἡμεῖς μὲν οὖν, ὧ ἄνδρες Λακεδαιμόνιοι τε καὶ σύμμαχοι, ἐξαγγέλλομεν ὅτι οὕτω τὰ κεῖ ἔχει·

ὕμεῖς δὲ βουλευέσθε, εἰ δοκεῖ ἄξια ἐπιμελείας εἶναι. δεῖ γε μὴν ὑμᾶς καὶ τόδε εἰδέναι, ὥς ἦν εἰρήκαμεν δύναμιν μεγάλην οὖσαν, οὐπω δυσπάλαιστός ἐστιν. αἱ γὰρ ἄκουσαι τῶν πόλεων τῆς πολιτείας κοινωνοῦσαι, αὗται, ἂν τι ἴδωσιν ἀντίπαλον, ταχὺ ἀποστήσονται· [5.2.19] εἰ μέντοι συγκλεισθήσονται ταῖς τε ἐπιγαμίαις καὶ ἐγκτήσεσι παρ' ἀλλήλοις, ἃς ἐψηφισμένοι εἰσὶ, καὶ γινώσκονται ὅτι μετὰ τῶν κρατούντων ἔπεσθαι κερδαλέον ἐστίν, ὥσπερ Ἀρκάδες, ὅταν μεθ' ὑμῶν ἴωσι, τὰ τε αὐτῶν σώιζουσιν καὶ τὰ ἀλλότρια ἀρπάζουσιν, ἴσως οὐκέθ' ὁμοίως εὖλυτα ἔσται.

[5.2.20] Λεγθέντων δὲ τούτων ἐδίδοσαν οἱ Λακεδαιμόνιοι τοῖς συμμάχοις λόγον καὶ ἐκέλευον συμβουλεύειν ὃ τι γινώσκει τις ἄριστον τῇ Πελοποννήσῳ τε καὶ τοῖς συμμάχοις. ἐκ τούτου μέντοι πολλοὶ μὲν συνηγόρευον στρατιὰν ποιεῖν, μάλιστα δὲ οἱ βουλόμενοι χαρίζεσθαι τοῖς Λακεδαιμονίοις, καὶ ἔδοξε πέμπειν τὸ εἰς τοὺς μυρίους σύνταγμα ἐκάστην πόλιν. [5.2.21] λόγοι δὲ ἐγένοντο ἀργυρίον τε ἀντ' ἀνδρῶν ἐξεῖναι διδόναι τῇ βουλομένῃ τῶν πόλεων, τριώβολον Αἰγίναϊον κατὰ ἄνδρα, ἱππέας τε εἰ τις παρέχοι, ἀντὶ τεττάρων ὀπλιτῶν τὸν μισθὸν τῷ ἱππεῖ δίδοσθαι· [5.2.22] εἰ δέ τις τῶν πόλεων ἐκλίποι τὴν στρατιάν, ἐξεῖναι Λακεδαιμονίοις ἐπιζημιοῦν στατήρι κατὰ τὸν ἄνδρα τῆς ἡμέρας. [5.2.23] ἐπεὶ δὲ ταῦτα ἔδοξεν, ἀναστάντες οἱ Ἀκάνθιοι πάλιν ἐδίδασκον ὥς ταῦτα καλὰ μὲν εἶη τὰ ψηφίσματα, οὐ μέντοι δυνατὰ ταχὺ περανθῆναι. βέλτιον οὖν ἔφασαν εἶναι, ἐν ἣι αὕτη ἡ παρασκευὴ ἀθροίζοιτο, ὥς τάχιστα ἄνδρα ἐξελθεῖν ἄρχοντα καὶ δύναμιν ἐκ Λακεδαιμονός τε, ὅση ἂν ταχὺ ἐξέλθοι, καὶ ἐκ τῶν ἄλλων πόλεων· τούτου γὰρ γενομένου τάς τε οὐπω προσκεχωρηκυίας πόλεις στήναι ἂν καὶ τὰς βεβιασμένας ἦττον ἂν συμμαχεῖν. [5.2.24] δοξάντων δὲ καὶ τούτων, ἐκπέμπουσιν οἱ Λακεδαιμόνιοι Εὐδαμίδαν, καὶ σὺν αὐτῷ νεοδαμώδεις τε καὶ τῶν περιοίκων καὶ τῶν Σκιριτῶν ἄνδρας ὥς δισχιλίους. ὁ μέντοι Εὐδαμίδας ἐξῶν Φοιβίδαν τὸν ἀδελφὸν ἐδεήθη τῶν ἐφόρων τοὺς ὑπολειπομένους τῶν ἑαυτῷ προστεταγμένων ἀθροίσαντα μετιέναι· αὐτὸς δὲ ἐπεὶ ἀφίκετο εἰς τὰ ἐπὶ Θράκης χωρία, ταῖς μὲν δεομέναις τῶν πόλεων φρουροὺς ἔπεμπε, Ποτεΐδαιαν δὲ καὶ προσέλαβεν ἐκοῦσαν, σύμμαχον ἤδη ἐκείνων οὖσαν, καὶ ἐντεῦθεν ὁρμώμενος ἐπολέμει ὥσπερ εἰκὸς τὸν ἐλάττω ἔχοντα δύναμιν.

[5.2.25] Ὁ δὲ Φοιβίδας, ἐπεὶ ἠθροίσθησαν αὐτῷ οἱ ὑπολειφθέντες τοῦ Εὐδαμίδου, λαβὼν αὐτοὺς ἐπορεύετο. ὥς δ' ἐγένοντο ἐν Θήβαις,

ἐστρατοπεδεύσαντο μὲν ἔξω τῆς πόλεως περὶ τὸ γυμνάσιον· στασιαζόντων δὲ τῶν Θηβαίων, πολεμαρχοῦντες μὲν ἐτύγγανον Ἴσμηνίας τε καὶ Λεοντιάδης, διάφοροι δὲ ὄντες ἀλλήλοις καὶ ἀρχηγὸς ἑκάτερος τῶν ἐταιριῶν. ὁ μὲν οὖν Ἴσμηνίας διὰ τὸ μῖσος τῶν Λακεδαιμονίων οὐδὲ ἐπλησίαζε τῷ Φοιβίδαι. ὁ μέντοι Λεοντιάδης ἄλλως τε ἐθεράπευεν αὐτόν, καὶ ἐπεὶ εἰσωικειώθη, ἔλεγε τάδε· [5.2.26] Ἐξεστί σοι, ὦ Φοιβίδα, τῆιδε τῇ ἡμέρᾳ μέγιστα ἀγαθὰ τῇ σεαυτοῦ πατρίδι ὑπουργῆσαι· ἐὰν γὰρ ἀκολουθήσης ἐμοὶ σὺν τοῖς ὀπλίταις, εἰσάξω σε ἐγὼ εἰς τὴν ἀκρόπολιν. τούτου δὲ γενομένου νόμιζε τὰς Θήβας παντάπασιν ὑπὸ Λακεδαιμονίοις καὶ ἡμῖν τοῖς ὑμετέροις φίλοις ἔσσεσθαι. [5.2.27] καίτοι νῦν μὲν, ὥς ὀραῖς, ἀποκεκήρυκται μηδένα μετὰ σοῦ στρατεῦειν Θηβαίων ἐπ' Ὀλυνθίους· ἐὰν δέ γε σὺ ταῦτα μεθ' ἡμῶν πράξης, εὐθύς σοι ἡμεῖς πολλοὺς μὲν ὀπλίτας, πολλοὺς δὲ ἱππέας συμπέμπομεν· ὥστε πολλῇ δυνάμει βοηθήσεις τῷ ἀδελφῷ, καὶ ἐν ᾧ μέλλει ἐκεῖνος Ὀλυνθον καταστρέφεσθαι, σὺ κατεστραμμένος ἔσει Θήβας, πολὺ μείζω πόλιν Ὀλύνθου. [5.2.28] ἀκούσας δὲ ταῦτα ὁ Φοιβίδας ἀνεκουφίσθη· καὶ γὰρ ἦν τοῦ λαμπρόν τι ποιῆσαι πολὺ μᾶλλον ἢ τοῦ ζῆν ἐραστής, οὐ μέντοι λογιστικός γε οὐδὲ πάνυ φρόνιμος ἐδόκει εἶναι. ἐπεὶ δὲ ὠμολόγησε ταῦτα, προορμῆσαι μὲν αὐτὸν ἐκέλευσεν, ὥσπερ συνεσκευασμένος ἦν εἰς τὸ ἀπιέναι· ἡνίκα δ' ἂν ἦι καιρὸς, πρὸς σὲ ἦξω ἐγώ, ἔφη ὁ Λεοντιάδης, καὶ αὐτὸς σοι ἡγήσομαι. [5.2.29] ἐν ᾧ δὲ ἡ μὲν βουλὴ ἐκάθητο ἐν τῇ ἐν ἀγορᾷ στοᾷ διὰ τὸ τὰς γυναῖκας ἐν τῇ Καδμεΐᾳ θεσμοφοριάζειν, θέρους δὲ ὄντος καὶ μεσημβρίας πλείστη ἦν ἐρημία ἐν ταῖς ὁδοῖς, ἐν τούτῳ προσελάσας ἐφ' ἵππου ὁ Λεοντιάδης ἀποστρέφει τε τὸν Φοιβίδαν καὶ ἡγεῖται εὐθύς εἰς τὴν ἀκρόπολιν. καταστήσας δ' ἐκεῖ τὸν Φοιβίδαν καὶ τοὺς μετ' αὐτοῦ καὶ παραδόντες τὴν βαλανάγραν αὐτῷ τῶν πυλῶν, καὶ εἰπὼν μηδένα παρίεναι εἰς τὴν ἀκρόπολιν ὄντινα μὴ αὐτὸς κελεύοι, εὐθύς ἐπορεύετο πρὸς τὴν βουλήν. [5.2.30] ἐλθὼν δὲ εἶπε τάδε· Ὅτι μὲν, ὦ ἄνδρες, Λακεδαιμόνιοι κατέχουσι τὴν ἀκρόπολιν, μηδὲν ἀθυμεῖτε· οὐδενὶ γὰρ φασὶ πολέμιοι ἦκειν, ὅστις μὴ πολέμου ἐρᾷ· ἐγὼ δὲ τοῦ νόμου κελεύοντας ἐξεῖναι πολεμάρχῳ λαβεῖν, εἴ τις δοκεῖ ἄξια θανάτου ποιεῖν, λαμβάνω τουτονὶ Ἴσμηνίαν, ὥς πολεμοποιοῦντα. καὶ ὑμεῖς δὲ οἱ λοχαγοὶ τε καὶ οἱ μετὰ τούτων τεταγμένοι, ἀνίστασθε, καὶ λαβόντες ἀπαγάγετε τοῦτον ἔνθα εἴρηται. [5.2.31] οἱ μὲν δὴ εἰδότες τὸ πρᾶγμα παρῆσάν τε καὶ ἐπεΐθοντο καὶ συνελάμβανον· τῶν δὲ μὴ

εἰδόντων, ἐναντίων δὲ ὄντων τοῖς περὶ Λεοντιάδην, οἱ μὲν ἔφευγον εὐθὺς ἔξω τῆς πόλεως, δείσαντες μὴ ἀποθάνοιεν· οἱ δὲ καὶ οἴκαδε πρῶτον ἀπεχώρησαν· ἐπεὶ δὲ εἰργμένον τὸν Ἰσμηνίαν ἦισθοντο [οἱ] ἐν τῇ Καδμείᾳ, τότε δὴ ἀπεχώρησαν εἰς τὰς Ἀθήνας οἱ ταῦτα γινώσκοντες Ἀνδροκλείδαι τε καὶ Ἰσμηνῖαι μάλιστα τριακόσιοι. [5.2.32] ὥς δὲ ταῦτ' ἐπέπρακτο, πολέμαρχον μὲν ἀντὶ Ἰσμηνίου ἄλλον εἵλοντο, ὁ δὲ Λεοντιάδης εὐθὺς εἰς Λακεδαιμόνα ἐπορεύετο. ἦρε δ' ἐκεῖ τοὺς μὲν ἐφόρους καὶ τῆς πόλεως τὸ πλῆθος χαλεπῶς ἔχοντας τῷ Φοιβίδαι, ὅτι οὐ προσταχθέντα ὑπὸ τῆς πόλεως ταῦτα ἐπεπράχει· ὁ μέντοι Ἀγησίλαος ἔλεγεν ὅτι εἰ μὲν βλαβερὰ τῇ Λακεδαιμόνι πεπραχὼς εἴη, δίκαιος εἴη ζημιοῦσθαι, εἰ δὲ ἀγαθὰ, ἀρχαῖον εἶναι νόμιμον ἐξεῖναι τὰ τοιαῦτα αὐτοσχεδιάζειν. αὐτὸ οὖν τοῦτ', ἔφη, προσήκει σκοπεῖν, πότερον ἀγαθὰ ἢ κακὰ ἐστὶ τὰ πεπραγμένα. [5.2.33] ἔπειτα μέντοι ὁ Λεοντιάδης ἐλθὼν εἰς τοὺς ἐκκλήτους ἔλεγε τοιάδε· Ἄνδρες Λακεδαιμόνιοι, ὥς μὲν πολεμικῶς εἶχον ὑμῖν οἱ Θηβαῖοι, πρὶν τὰ νῦν πεπραγμένα γενέσθαι, καὶ ὑμεῖς ἐλέγετε· ἑώρατε γὰρ αἰεὶ τούτους τοῖς μὲν ὑμετέροις δυσμενέσι φιλικῶς ἔχοντας, τοῖς δ' ὑμετέροις φίλοις ἐχθροὺς ὄντας. οὐκ ἐπὶ μὲν τὸν ἐν Πειραιεὶ δῆμον, πολεμιώτατον ὄντα ὑμῖν, οὐκ ἠθέλησαν συστρατεύειν, Φωκεῦσι δέ, ὅτι ὑμᾶς εὐμενεῖς ὄντας ἑώρων, ἐπεστράτευν; [5.2.34] ἀλλὰ μὴν καὶ πρὸς Ὀλυνθίους εἰδότες ὑμᾶς πόλεμον ἐκφέροντας συμμαχίαν ἐποιοῦντο, καὶ ὑμεῖς γε τότε μὲν αἰεὶ προσείχετε τὸν νοῦν τότε ἀκούσεσθε βιαζομένους αὐτοὺς τὴν Βοιωτίαν ὑφ' αὐτοῖς εἶναι· νῦν δ' ἐπεὶ τάδε πέπρακται, οὐδὲν ὑμᾶς δεῖ Θηβαίους φοβεῖσθαι· ἀλλ' ἀρκέσει ὑμῖν μικρὰ σκυτάλη ὥστ' ἐκεῖθεν πάντα ὑπηρετεῖσθαι ὅσων ἂν δέησθε, ἐὰν ὥσπερ ἡμεῖς ὑμῶν, οὕτω καὶ ὑμεῖς ἡμῶν ἐπιμελῆσθε. [5.2.35] ἀκούουσι ταῦτα τοῖς Λακεδαιμονίοις ἔδοξε τὴν τε ἀκρόπολιν ὥσπερ κατείληπτο φυλάττειν καὶ Ἰσμηνῖαι κρίσιν ποιῆσαι. ἐκ δὲ τούτου πέμπουσι δικαστὰς Λακεδαιμονίων μὲν τρεῖς, ἀπὸ δὲ τῶν συμμαχίδων ἓνα ἀφ' ἐκάστης καὶ μικρᾶς καὶ μεγάλης πόλεως. ἐπεὶ δὲ συνεκαθίζετο τὸ δικαστήριον, τότε δὴ κατηγορεῖτο τοῦ Ἰσμηνίου καὶ ὥς βαρβαρίζοι καὶ ὥς ξένος τῷ Πέρσῃ ἐπ' οὐδενὶ ἀγαθῷ τῆς Ἑλλάδος γεγεννημένος εἴη καὶ ὥς τῶν παρὰ βασιλέως χρημάτων μετεिल्φῶς εἴη καὶ ὅτι τῆς ἐν τῇ Ἑλλάδι ταραχῆς πάσης ἐκεῖνός τε καὶ Ἀνδροκλείδας αἰτιώτατοι εἶεν. [5.2.36] ὁ δὲ ἀπελογεῖτο μὲν πρὸς πάντα ταῦτα, οὐ μέντοι ἔπειθέ γε τὸ μὴ οὐ μεγαλοπράγμων τε καὶ κακοπράγμων εἶναι. καὶ ἐκεῖνος μὲν κατεψηφίσθη καὶ ἀποθνήσκει·

οἱ δὲ περὶ Λεοντιάδην εἶχόν τε τὴν πόλιν καὶ τοῖς Λακεδαιμονίοις ἔτι πλείω ὑπηρετοῦν ἢ προσετάρτετο αὐτοῖς. [5.2.37] τούτων δὴ πεπραγμένων οἱ Λακεδαιμόνιοι πολὺ προθυμότερον τὴν εἰς τὴν Ὀλυνθον στρατιὰν συναπέστελλον. καὶ ἐκπέμπουσι Τελευτίαν μὲν ἄρμοστήν, τὴν δ' εἰς τοὺς μυρίους σύνταξιν αὐτοὶ τε ἅπαντας συνεξέπεμπον, καὶ εἰς τὰς συμμαχίδας πόλεις σκυτάλας διέπεμπον, κελεύοντες ἀκολουθεῖν Τελευτίαι κατὰ τὸ δόγμα τῶν συμμάχων. καὶ οἱ τε ἄλλοι προθύμως τῷ Τελευτίαι ὑπηρετοῦν, καὶ γὰρ οὐκ ἀχάριστος ἐδόκει εἶναι τοῖς ὑπουργοῦσί τι, καὶ ἡ τῶν Θηβαίων δὲ πόλις, ἅτε καὶ Ἀγησιλάου ὄντος αὐτῷ ἀδελφοῦ, προθύμως συνέπεμψε καὶ ὀπλίτας καὶ ἰππέας. [5.2.38] ὁ δὲ σπεύδων μὲν οὐ μάλα ἐπορεύετο, ἐπιμελόμενος δὲ τοῦ τε μὴ ἀδικῶν τοὺς φίλους πορεύεσθαι καὶ τοῦ ὥς πλείστην δύναμιν ἀθροίζειν. προέπεμπε δὲ καὶ πρὸς Ἀμύνταν, καὶ ἡξίου αὐτὸν καὶ ξένους μισθοῦσθαι καὶ τοῖς πλησίον βασιλεῦσι χρήματα διδόναι, ὥς συμμάχους εἶναι, εἴπερ βούλοιο τὴν ἀρχὴν ἀναλαβεῖν. ἔπεμπε δὲ καὶ πρὸς Δέρδαν τὸν Ἑλμίας ἄρχοντα, διδάσκων ὅτι οἱ Ὀλύνθιοι κατεστραμμένοι τὴν μείζω δύναμιν Μακεδονίας εἶεν, καὶ οὐκ ἀνήσουσι τὴν ἐλάττω, εἰ μὴ τις αὐτοὺς παύσει τῆς ὕβρεως. [5.2.39] ταῦτα δὲ ποιῶν, μάλα πολλὴν ἔχων στρατιὰν ἀφίκετο εἰς τὴν ἑαυτῶν συμμαχίδα. ἐπεὶ δ' ἦλθεν εἰς τὴν Ποτεΐδαιαν, ἐκεῖθεν συνταξάμενος ἐπορεύετο εἰς τὴν πολεμίαν. καὶ πρὸς μὲν τὴν πόλιν ἰὼν οὐτ' ἔκαεν οὐτ' ἔκοπτε, νομίζων, εἴ τι ποιήσῃ τούτων, ἐμποδῶν ἂν αὐτῷ πάντα γίνεσθαι καὶ προσιόντι καὶ ἀπιόντι· ὁπότε δὲ ἀναχωροίῃ ἀπὸ τῆς πόλεως τότε ὀρθῶς ἔχειν κόπτοντα τὰ δένδρα ἐμποδῶν καταβάλλειν, εἴ τις ὀπισθεν ἐπίοι. [5.2.40] ὥς δὲ ἀπεῖχεν ἀπὸ τῆς πόλεως οὐδὲ δέκα στάδια, ἔθετο τὰ ὄπλα, εὐώνυμον μὲν αὐτὸς ἔχων, οὕτω γὰρ συνέβαιναν αὐτῷ κατὰ τὰς πύλας ἰέναι ἢ ἐξῆισαν οἱ πολέμιοι, ἢ δ' ἄλλη φάλαγξ τῶν συμμάχων ἀπετέτατο πρὸς τὸ δεξιόν. καὶ τῶν ἰππέων δὲ τοὺς μὲν Λάκωνας καὶ τοὺς Θηβαίους καὶ ὅσοι τῶν Μακεδόνων παρῆσαν ἐπὶ τῷ δεξιῷ ἐτάξατο, παρὰ δὲ αὐτῷ εἶχε Δέρδαν τε καὶ τοὺς ἐκείνου ἰππέας ὥς εἰς τετρακοσίους διὰ τε τὸ ἄγασθαι τοῦτο τὸ ἱππικὸν καὶ διὰ τὸ θεραπεύειν τὸν Δέρδαν, ὥς ἡδόμενος παρείη. [5.2.41] ἐπεὶ δὲ καὶ οἱ πολεμῖοι ἐλθόντες ἀντιπαρετάξαντο ὑπὸ τῷ τείχει, συσπειραθέντες αὐτῶν οἱ ἰππεῖς ἐμβάλλουσι κατὰ τοὺς Λάκωνας καὶ Βοιωτούς. καὶ Πολύχαρμόν τε τὸν Λακεδαιμόνιον ἵππαρχον καταβάλλουσιν ἀπὸ τοῦ ἵππου καὶ κείμενον πάμπολλα κατέτρωσαν, καὶ ἄλλους

ἀπέκτειναν, καὶ τέλος τρέπονται τὸ ἐπὶ τῷ δεξιῷ κέρατι ἱππικόν. φευγόντων δὲ τῶν ἱππέων ἐνέκλινε καὶ τὸ ἐχόμενον πεζὸν αὐτῶν, καὶ ὅλον δ' ἂν ἐκινδύνευσεν ἡττηθῆναι τὸ στράτευμα, εἰ μὴ Δέρδας ἔχων τὸ ἑαυτοῦ ἱππικὸν εὐθὺς πρὸς τὰς πύλας τῶν Ὀλυνθίων ἦλασεν. ἐπήγει δὲ καὶ ὁ Τελευτίας σὺν τοῖς περὶ ἑαυτὸν ἐν τάξει. [5.2.42] ὥς δὲ ταῦτα ἦσθοντο οἱ Ὀλύνθιοι ἱππεῖς, δέισαντες μὴ ἀποκλεισθεῖεν τῶν πυλῶν, ἀναστρέψαντες ἀπεχώρους πολλῇ σπουδῇ. ἔνθα δὴ ὁ Δέρδας παρελαύνοντας παμπόλλους ἱππέας αὐτῶν ἀπέκτεινεν. ἀπεχώρησαν δὲ καὶ οἱ πεζοὶ τῶν Ὀλυνθίων εἰς τὴν πόλιν· οὐ μέντοι πολλοὶ αὐτῶν ἀπέθανον, ἅτε ἐγγὺς τοῦ τείχους ὄντος. [5.2.43] ἐπεὶ δὲ τροπαῖον τε ἐστάθη καὶ ἡ νίκη αὕτη τῷ Τελευταίᾳ ἐγεγένητο, ἀπὼν δὴ ἔκοπτε τὰ δένδρα. καὶ τοῦτο μὲν στρατευσάμενος τὸ θέρος διῆκε καὶ τὸ Μακεδονικὸν στράτευμα καὶ τὸ τοῦ Δέρδα· πολλάκις μέντοι καὶ οἱ Ὀλύνθιοι καταθέοντες εἰς τὰς τῶν Λακεδαιμονίων συμμαχίδας πόλεις ἐλεηλάτουν καὶ ἄνδρας ἀπεκτίννουν.

[5.3.1] Ἄμα δὲ τῷ ἦρι ὑποφαινομένῳ οἱ μὲν Ὀλύνθιοι ἱππεῖς ὄντες ὥς ἐξακόσιοι κατεδεδραμήκεσαν εἰς τὴν Ἀπολλωνίαν ἅμα μεσημβρία καὶ διεσπαρμένοι ἐλεηλάτουν· ὁ δὲ Δέρδας ἐτύγχανε ταύτῃ τῇ ἡμέρᾳ ἀφιγμένος μετὰ τῶν ἱππέων τῶν ἑαυτοῦ καὶ ἀριστοποιούμενος ἐν τῇ Ἀπολλωνίᾳ. ὥς δ' εἶδε τὴν καταδρομὴν, ἡσυχίαν [τε] εἶχε, τοὺς θ' ἵππους ἐπεσκευασμένους καὶ τοὺς ἀμβάτας ἐξωπλισμένους ἔχων. ἐπειδὴ δὲ καταφρονητικῶς οἱ Ὀλύνθιοι καὶ εἰς τὸ προάστιον καὶ εἰς αὐτὰς τὰς πύλας ἦλαννον, τότε δὴ συντεταγμένους ἔχων ἐξελαύνει. οἱ δὲ ὥς εἶδον, εἰς φυγὴν ὥρμησαν. [5.3.2] ὁ δ' ὥς ἄπαξ ἐτρέψατο, οὐκ ἀνῆκεν ἐνενήκοντα στάδια διώκων καὶ ἀποκτιννύς, ἕως πρὸς αὐτὸ κατεδίωξε τῶν ὀλυνθίων τὸ τεῖχος. καὶ ἐλέγετο ὁ Δέρδας ἀποκτεῖναι ἐν τούτῳ τῷ ἔργῳ περὶ ὀγδοήκοντα ἱππέας. καὶ ἀπὸ τούτου τειχίρεις τε μᾶλλον ἦσαν οἱ πολέμιοι καὶ τῆς χώρας ὀλίγην παντελῶς εἰργάζοντο. [5.3.3] προϊόντος δὲ τοῦ χρόνου, καὶ τοῦ Τελευταίου ἐστρατευμένου πρὸς τὴν τῶν Ὀλυνθίων πόλιν, ὥς εἴ τι δένδρον ὑπόλοιπον εἶη ἢ τι εἰργασμένον τοῖς πολεμίοις, φθείροι, ἐξελθόντες οἱ Ὀλύνθιοι ἱππεῖς ἡσυχὸν πορευόμενοι διέβησαν τὸν παρὰ τὴν πόλιν ῥέοντα ποταμόν, καὶ ἐπορεύοντο ἡσυχῇ πρὸς τὸ ἐναντίον στράτευμα. ὥς δ' εἶδεν ὁ Τελευτίας, ἀγανακτήσας τῇ τόλμῃ αὐτῶν εὐθὺς Τλημονίδα τὸν τῶν πελταστῶν ἄρχοντα δρόμῳ φέρεσθαι εἰς αὐτοὺς ἐκέλευσεν. [5.3.4] οἱ δὲ Ὀλύνθιοι ὥς εἶδον προθέοντας τοὺς πελταστάς,

ἀναστρέψαντες ἀπεχώρουν ἡσυχοί, καὶ διέβησαν πάλιν τὸν ποταμόν. οἱ δ' ἠκολούθουν μάλα θρασέως, καὶ ὥς φεύγουσι διώξοντες ἐπιδιέβαινον. ἔνθα δὴ οἱ Ὀλύνθιοι ἱππεῖς, ἠνίκα ἔτι εὐχείρωτοι αὐτοῖς ἐδόκουν εἶναι οἱ διαβεβηκότες, ἀναστρέψαντες ἐμβάλλουσιν αὐτοῖς, καὶ αὐτὸν τε ἀπέκτειναν τὸν Τλημονίδα καὶ τῶν ἄλλων πλείους ἢ ἑκατόν. [5.3.5] ὁ δὲ Τελευτίας ὥς εἶδε τὸ γιγνόμενον, ὀργισθεὶς ἀναλαβὼν τὰ ὄπλα ἤγε μὲν ταχὺ τοὺς ὀπλίτας, διώκειν δὲ καὶ τοὺς πελταστὰς ἐκέλευε καὶ τοὺς ἱππέας καὶ μὴ ἀνιέναι. πολλοὶ μὲν οὖν δὴ καὶ ἄλλοι τοῦ καιροῦ ἐγγυτέρω τείχους διώξαντες κακῶς ἀπεχώρησαν, καὶ ἐκεῖνοι δ' ἐπεὶ ἀπὸ τῶν πύργων ἐβάλλοντο, ἀποχωρεῖν τε ἠναγκάζοντο τεθορυβημένως καὶ προφυλάττεσθαι τὰ βέλη. [5.3.6] ἐν τούτῳ δὴ οἱ Ὀλύνθιοι ἐπεξελαύνουσι μὲν τοὺς ἱππέας, ἐβοήθουν δὲ καὶ οἱ πελτασταί· τέλος δὲ καὶ οἱ ὀπλίται ἐπεξέθεον, καὶ τεταραγμένη τῇ φάλαγγι προσπίπτουσι. καὶ ὁ μὲν Τελευτίας ἐνταῦθα μαχόμενος ἀποθνήσκει. τούτου δὲ γενομένου εὐθὺς καὶ οἱ ἄμφ' αὐτὸν ἐνέκλιναν, καὶ οὐδεὶς ἔτι ἴστατο, ἀλλὰ πάντες ἔφευγον, οἱ μὲν ἐπὶ Σπαρτώλῳ, οἱ δὲ ἐπὶ Ἀκάνθῳ, οἱ δὲ εἰς Ἀπολλωνίαν, οἱ πλεῖστοι δὲ εἰς Ποτείδαιαν. ὥς δ' ἄλλος ἄλλῃ ἔφευγον, οὕτω καὶ οἱ πολέμιοι ἄλλος ἄλλοσε διώκοντες παμπλήθεις ἀπέκτειναν ἀνθρώπους καὶ ὅτιπερ ὄφελος ἦν τοῦ στρατεύματος.

[5.3.7] Ἐκ μέντοι γε τῶν τοιούτων παθῶν [ὥς] ἐγὼ φημι ἀνθρώπους παιδεύεσθαι μάλιστα μὲν οὖν <ὥς> οὐδ' οἰκέτας χρὴ ὀργῇ κολάζειν· πολλάκις γὰρ καὶ δεσπότες ὀργιζόμενοι μείζω κακὰ ἔπαθον ἢ ἐποίησαν· ἀτὰρ ἀντιπάλους τὸ μετ' ὀργῆς ἀλλὰ μὴ γνώμη προσφέρεισθαι ὅλον ἀμάρτημα. ἡ μὲν γὰρ ὀργὴ ἀπρονοόητον, ἡ δὲ γνώμη σκοπεῖ οὐδὲν ἥττον μὴ τι πάθῃ ἢ ὅπως βλάβῃ τι τοὺς πολεμίους.

[5.3.8] Τοῖς δ' οὖν Λακεδαιμονίοις, ἐπεὶ ἤκουσαν τὸ πρᾶγμα, βουλευομένοις ἐδόκει οὐ φαύλην πεμπτέον δύναμιν εἶναι, ὅπως τὸ τε φρόνημα τῶν νενικηκότων κατασβεσθεῖη καὶ μὴ μάτην τὰ πεποιημένα γένοιτο. οὕτω δὲ γνόντες ἡγεμόνα μὲν Ἀγησίπολιν τὸν βασιλέα ἐκπέμπουσι, μετ' αὐτοῦ δὲ ὥσπερ Ἀγησιλάου εἰς τὴν Ἀσίαν τριάκοντα Σπαρτιατῶν. [5.3.9] πολλοὶ δὲ αὐτῷ καὶ τῶν περιοίκων ἐθελονταὶ καλοὶ κάγαθοι ἠκολούθουν, καὶ ξένοι τῶν τροφίμων καλουμένων, καὶ νόθοι τῶν Σπαρτιατῶν, μάλα εὐειδεῖς τε καὶ τῶν ἐν τῇ πόλει καλῶν οὐκ ἄπειροι. συνεστρατεύοντο δὲ καὶ ἐκ τῶν συμμαχίδων πόλεων ἐθελονταί, καὶ Θετταλῶν γε ἱππεῖς, γνωσθῆναι

τῷ Ἀγησιπόλιδι βουλόμενοι, καὶ Ἀμύντας δὲ καὶ Δέρδας ἔτι προθυμότερον ἢ πρόσθεν. Ἀγησίπολις μὲν δὴ ταῦτα πράττων ἐπορεύετο ἐπὶ τὴν Ὀλυνθον.

[5.3.10] Ἡ δὲ τῶν Φλειασίων πόλις, ἐπαινεθεῖσα μὲν ὑπὸ τοῦ Ἀγησιπόλιδος ὅτι πολλὰ καὶ ταχέως αὐτῷ χρήματα εἰς τὴν στρατιὰν ἔδοσαν, νομίζουσα δ' ἔξω ὄντος Ἀγησιπόλιδος οὐκ ἂν ἐξελθεῖν ἐπ' αὐτοὺς Ἀγησίλαον, οὐδ' ἂν γενέσθαι ὥστε ἅμα ἀμφοτέρους τοὺς βασιλέας ἔξω Σπάρτης εἶναι, θρασέως οὐδὲν τῶν δικαίων ἐποίουν τοῖς κατεληλυθόσιν. οἱ μὲν γὰρ δὴ φυγάδες ἤξiouν τὰ ἀμφίλογα ἐν ἴσῳ δικαστηρίῳ κρίνεσθαι· οἱ δὲ ἠνάγκαζον ἐν αὐτῇ τῇ πόλει διαδικάζεσθαι. λεγόντων δὲ τῶν κατεληλυθότων καὶ τίς αὕτη δίκη εἴη ὅπου αὐτοὶ οἱ ἀδικοῦντες δικάζουεν, οὐδὲν εἰσήκουον. [5.3.11] ἐκ τούτου μέντοι ἔρχονται εἰς Λακεδαίμονα οἱ κατελθόντες κατηγορήσοντες τῆς πόλεως, καὶ ἄλλοι δὲ τῶν οἴκοθεν συνηκολούθουν, λέγοντες ὅτι πολλοῖς καὶ τῶν πολιτῶν οὐ δοκοῖεν δίκαια πάσχειν. ἀγανακτήσασα δὲ τούτοις τῶν Φλειασίων ἡ πόλις ἐξημίωσε πάντας ὅσοι μὴ πεμπούσης τῆς πόλεως ἦλθον εἰς Λακεδαίμονα. [5.3.12] οἱ δὲ ζημιωθέντες οἴκαδε μὲν ὤκνουν ἀπιέναι, μένοντες δ' ἐδίδασκον ὥς οὔτοι μὲν εἶησαν οἱ βιαζόμενοι ταῦτα, οἵπερ σφᾶς τε ἐξέβαλον καὶ Λακεδαιμονίους ἀπέκλεισαν, οὔτοι δὲ οἱ πριάμενοί τε τὰ σφέτερα καὶ βιαζόμενοι μὴ ἀποδιδόναι, οὔτοι δὲ καὶ νῦν διαπεπραγμένοι εἰσὶ ζημιωθῆναι σφᾶς αὐτοὺς εἰς Λακεδαίμονα ἐλθόντας, ὅπως τοῦ λοιποῦ μηδεὶς τολμῶι ἰέναι δηλώσω τὰ ἐν τῇ πόλει γιγνόμενα. [5.3.13] τῷ δ' ὄντι ὑβρίζειν δοκούντων τῶν Φλειασίων φρουρὰν φαίνουσιν ἐπ' αὐτοὺς οἱ ἔφοροι. ἦν δὲ οὐ τῷ Ἀγησιλάῳ ἀχθομένῳ ταῦτα· καὶ γὰρ τῷ μὲν πατρὶ αὐτοῦ Ἀρχιδάμῳ ξένοι ἦσαν οἱ περὶ Ποδάνεμον, καὶ τότε τῶν κατεληλυθότων ἦσαν· αὐτῷ δὲ οἱ ἀμφὶ Προκλέα τὸν Ἴππονίκου. [5.3.14] ὥς δὲ τῶν διαβατηρίων γενομένων οὐκ ἔμελλεν, ἀλλ' ἐπορεύετο, πολλὰ πρεσβεῖα ἀπήντων καὶ χρήματα ἐδίδοσαν, ὥστε μὴ ἐμβάλλειν. ὁ δὲ ἀπεκρίνατο ὅτι οὐχ' ἵνα ἀδικοίῃ στρατεύοιτο, ἀλλ' ὅπως τοῖς ἀδικουμένοις βοηθήσειεν. [5.3.15] οἱ δὲ τελευτῶντες πάντα ἔφασκον ποιήσιν, ἐδέοντό τε μὴ ἐμβάλλειν. ὁ δὲ πάλιν ἔλεγεν ὥς οὐκ ἂν πιστεύσειε λόγοις, καὶ γὰρ τὸ πρότερον ψεύσασθαι αὐτούς, ἀλλ' ἔργου τινὸς πιστοῦ δεῖν ἔφη. ἐρωτώμενος δὲ καὶ τί τοῦτ' ἂν εἴη; πάλιν ἀπεκρίνατο· Ὅπερ καὶ πρόσθεν, ἔφη, ποιήσαντες οὐδὲν ὑφ' ἡμῶν ἡδικήθητε. τοῦτο δὲ ἦν τὴν ἀκρόπολιν παραδοῦναι. [5.3.16] οὐκ

ἐθελόντων δὲ αὐτῶν τοῦτο ποιεῖν, ἐνέβαλέ τε [καί] εἰς τὴν χώραν καὶ ταχὺ περιτειχίσας ἐπολιόρκει αὐτούς. πολλῶν δὲ λεγόντων Λακεδαιμονίων ὡς ὀλίγων ἔνεκεν ἀνθρώπων πόλει ἀπεχθάνοιντο πλεον πεντακισχιλίων ἀνδρῶν· καὶ γὰρ δὴ ὅπως τοῦτ' ἔνδηλον εἶη, οἱ Φλειάσιοι ἐν τῷ φανερωῖ τοῖς ἔξω ἐκκλησιάζον· ὁ μέντοι Ἀγησίλαος πρὸς τοῦτο ἀντεμχανήσατο. [5.3.17] ὁπότε γὰρ ἐξίοιεν ἢ διὰ φιλίαν ἢ διὰ συγγένειαν τῶν φυγάδων, ἐδίδασκε συσσίτιά τε αὐτῶν κατασκευάζειν καὶ εἰς τὰ ἐπιτήδεια ἱκανὸν διδόναι, ὅποσοι γυμνάζεσθαι ἐθέλοιεν· καὶ ὅπλα δὲ ἐκπορίζειν ἅπασιν τούτοις διεκελεύετο, καὶ μὴ ὀκνεῖν εἰς ταῦτα χρήματα δανείζεσθαι. οἱ δὲ ταῦτα ὑπηρετοῦντες ἀπέδειξαν πλείους χιλίων ἀνδρῶν ἄριστα μὲν τὰ σώματα ἔχοντας, εὐτάκτους δὲ καὶ εὐοπλοτάτους· ὥστε τελευτῶντες οἱ Λακεδαιμόνιοι ἔλεγον ὡς τοιούτων δέοιντο συστρατιωτῶν.

[5.3.18] Καὶ Ἀγησίλαος μὲν δὴ περὶ ταῦτα ἦν. ὁ δὲ Ἀγησίπολις εὐθύς [τε] ἐκ τῆς Μακεδονίας προσιὼν ἔθετο πρὸς τῇ πόλει τῶν Ὀλυνθίων τὰ ὅπλα. ἐπεὶ δὲ οὐδεὶς ἀντεξήκει αὐτῷ, τότε τῆς Ὀλυνθίας εἴ τι ὑπόλοιπον ἦν ἐδήμιον καὶ εἰς τὰς συμμαχίδας ἰὼν αὐτῶν ἔφθειρε τὸν σῆτον· Τορώνην δὲ καὶ προσβαλὼν εἴλε κατὰ κράτος. [5.3.19] ἐν δὲ τούτοις ὄντα κατὰ θέρους ἀκμὴν καῦμα περιφλεγές λαμβάνει αὐτόν. ὡς δὲ πρόσθεν ἑορακότα τὸ ἐν Ἀφύτει τοῦ Διονύσου ἱερὸν ἔρωσ αὐτὸν τότε ἔσχε τῶν τε σκιερῶν σκηνημάτων καὶ τῶν λαμπρῶν καὶ ψυχρῶν ὑδάτων. ἐκομίσθη μὲν οὖν ἐκεῖσε ἔτι ζῶν, ὅμως μέντοι ἐβδομαῖος ἀφ' οὗ ἔκαμεν ἔξω τοῦ ἱεροῦ ἐτελεύτησε. καὶ ἐκεῖνος μὲν ἐν μέλιτι τεθείς καὶ κοιμισθεὶς οἴκαδε ἔτυχε τῆς βασιλικῆς ταφῆς.

[5.3.20] Ἀγησίλαος δὲ τοῦτο ἀκούσας οὐχ ἢ τις ἂν ὤιετο ἐφήσθη ὡς ἀντιπάλῳ, ἀλλὰ καὶ ἐδάκρυσε καὶ ἐπόθησε τὴν συνουσίαν. συσκηνοῦσι μὲν γὰρ δὴ βασιλεῖς ἐν τῷ αὐτῷ, ὅταν οἴκοι ᾖσιν. ὁ δὲ Ἀγησίπολις τῷ Ἀγησιλάῳ ἱκανὸς μὲν ἦν καὶ ἡβητικῶν καὶ θηρευτικῶν καὶ ἵππικῶν καὶ παιδικῶν λόγων μετέχειν· πρὸς δὲ τούτοις καὶ ὑπιδεῖτο αὐτὸν ἐν τῇ συσκηναίᾳ, ὥσπερ εἰκὸς πρεσβύτερον. καὶ οἱ μὲν Λακεδαιμόνιοι ἀντ' ἐκείνου Πολυβιάδην ἄρμοσθην ἐπὶ τὴν Ὀλυνθον ἐκπέμπουσιν.

[5.3.21] Ὁ δ' Ἀγησίλαος ἤδη μὲν ὑπερέβαλε τὸν χρόνον, ὅσου ἐλέγετο ἐν [τῇ] Φλειοῦντι σῆτος εἶναι· τοσοῦτον γὰρ ἐγκράτεια γαστρὸς διαφέρει ὥστε οἱ Φλειάσιοι τὸν ἡμισυν ψηφισάμενοι σῆτον τελεῖν ἢ πρόσθεν, καὶ ποιοῦντες τοῦτο τὸν διπλάσιον τοῦ εἰκότος

χρόνον πολιορκούμενοι διήκεσαν. [5.3.22] καὶ τόλμα δὲ ἀτολμίας ἔσθ' ὅτε τοσοῦτον διαφέρει ὥστε Δελφίων τις, λαμπρὸς δοκῶν εἶναι, λαβὼν πρὸς αὐτὸν τριακοσίους ἄνδρας Φλειασίων ἱκανὸς μὲν ἦν κωλύειν τοὺς βουλομένους εἰρήνην ποιεῖσθαι, ἱκανὸς δὲ οἷς ἠπίσται εἴρξας φυλάττειν, ἐδύνατο δὲ εἰς τε τὰς φυλακὰς ἀναγκάζειν τὸ πλῆθος ἰέναι καὶ τούτους ἐφοδεύων πιστοὺς παρέχεσθαι. πολλάκις δὲ μεθ' ὧν εἶχε περὶ αὐτὸν καὶ ἐκθέων ἀπέκρουε φύλακας ἄλλοτ' ἄλλῃ τοῦ περιτετειχισμένου κύκλου. [5.3.23] ἐπεὶ μέντοι οἱ ἐπίλεκτοι οὗτοι πάντα τρόπον ζητοῦντες οὐχ ἡῦρισκον σῖτον ἐν τῇ πόλει, ἐκ τούτου δὴ πέμψαντες πρὸς τὸν Ἀγησίλαον ἐδέοντο σπεῖσασθαι πρεσβείαν εἰς Λακεδαίμονα ἰοῦσι· δεδόχθαι γὰρ σφίσιν ἔφασαν ἐπιτρέπειν τοῖς τέλεσι τῶν Λακεδαιμονίων χρήσασθαι τῇ πόλει ὃ τι βούλονται. [5.3.24] ὁ δὲ ὀργισθεὶς ὅτι ἄκυρον αὐτὸν ἐποίουν, πέμψας μὲν πρὸς τοὺς οἴκοι φίλους διεπράξατο ἑαυτῷ ἐπιτραπῆναι τὰ περὶ Φλειοῦντος, ἐσπέισατο δὲ τῇ πρεσβείᾳ. φυλακῇ δὲ ἔτι ἰσχυροτέραι ἢ πρότερον ἐφύλαττεν, ἵνα μηδεὶς τῶν ἐκ τῆς πόλεως ἐξίῃ. ὅμως μέντοι ὃ γε Δελφίων καὶ στιγματίας τις μετ' αὐτοῦ, ὃς πολλὰ ὑφείλετο ὄπλα τῶν πολιορκούντων, ἀπέδρασαν νύκτωρ. [5.3.25] ἐπεὶ δὲ ἦκον ἐκ τῆς Λακεδαίμονος ἀπαγγέλλοντες ὅτι ἡ πόλις ἐπιτρέποι Ἀγησιλάῳ διαγνῶναι τὰ ἐν Φλειοῦντι ὅπως αὐτῷ δοκοίη, Ἀγησίλαος δὴ οὕτως ἔγνω, πεντήκοντα μὲν ἄνδρας τῶν κατεληλυθότων, πεντήκοντα δὲ τῶν οἰκοθεν πρῶτον μὲν ἀνακρῖναι ὄντινὰ τε ζῆν ἐν τῇ πόλει καὶ ὄντινα ἀποθανεῖν δίκαιον εἶη· ἔπειτα δὲ νόμους θεῖναι, καθ' οὓς πολιτεύσοιντο· ἕως δ' ἂν ταῦτα διαπράξωνται, φυλακὴν καὶ μισθὸν τοῖς φρουροῖς ἐξ μηνῶν κατέλιπε. ταῦτα δὲ ποιήσας τοὺς μὲν συμμάχους ἀφῆκε, τὸ δὲ πολιτικὸν οἶκαδε ἀπήγαγε. καὶ τὰ μὲν περὶ Φλειοῦντα οὕτως αὐτὸς ἐπετετέλεστο ἐν ὀκτῶ μηνσὶ καὶ ἐνιαυτῷ.

[5.3.26] Καὶ ὁ Πολυβιάδης δὲ δὴ παντάπασι κακῶς ἔχοντας λιμῷ τοὺς Ὀλυνθίους, διὰ τὸ μήτ' ἐκ τῆς γῆς λαμβάνειν μήτε κατὰ θάλατταν εἰσάγεσθαι σῖτον αὐτοῖς, ἠνάγκασε πέμψαι εἰς Λακεδαίμονα περὶ εἰρήνης. οἱ δ' ἐλθόντες πρέσβεις αὐτοκράτορες συνθήκας ἐποίησαντο τὸν αὐτὸν μὲν ἐχθρὸν καὶ φίλον Λακεδαιμονίοις νομίζειν, ἀκολουθεῖν δὲ ὅποι ἂν ἡγῶνται καὶ σύμμαχοι εἶναι. καὶ ὁμόσαντες ταῦτα ἐμμενεῖν οὕτως ἀπῆλθον οἶκαδε.

[5.3.27] Προκεχωρηκότων δὲ τοῖς Λακεδαιμονίοις ὥστε Θηβαίους

μὲν καὶ τοὺς ἄλλους Βοιωτοὺς παντάπασιν ἐπ' ἐκείνοις εἶναι, Κορινθίους δὲ πιστοτάτους γεγενῆσθαι, Ἀργεῖους δὲ τεταπεινωθῆναι διὰ τὸ μηδὲν ἔτι ὠφελεῖν αὐτοὺς τῶν μηνῶν τὴν ὑποφοράν, Ἀθηναίους δὲ ἡρημῶσθαι, τῶν δ' αὖ συμμάχων κεκολασμένων οἱ δυσμενῶς εἶχον αὐτοῖς, παντάπασιν ἤδη καλῶς καὶ ἀσφαλῶς ἡ ἀρχὴ ἐδόκει αὐτοῖς κατεσκευάσθαι.

[5.4.1] Πολλὰ μὲν οὖν ἄν τις ἔχοι καὶ ἄλλα λέγειν καὶ Ἑλληνικὰ καὶ βαρβαρικά, ὥς θεοὶ οὔτε τῶν ἀσεβούντων οὔτε τῶν ἀνόσια ποιούντων ἀμελοῦσι· νῦν γε μὴν λέξω τὰ προκείμενα. Λακεδαιμόνιοί τε γὰρ οἱ ὁμόσαντες αὐτονόμους ἔασιν τὰς πόλεις τὴν ἐν Θήβαις ἀκρόπολιν κατασχόντες ὑπ' αὐτῶν μόνων τῶν ἀδικηθέντων ἐκολάσθησαν πρῶτον οὐδ' ὑφ' ἐνὸς τῶν πώποτε ἀνθρώπων κρατηθέντες, τοὺς τε τῶν πολιτῶν εἰσαγαγόντας εἰς τὴν ἀκρόπολιν αὐτοὺς καὶ βουλευθέντας Λακεδαιμονίοις δουλεύειν τὴν πόλιν, ὥστε αὐτοὶ τυραννεῖν, τὴν τούτων ἀρχὴν ἐπτά μόνον τῶν φυγόντων ἥρκεσαν καταλῦσαι. ὥς δὲ τοῦτ' ἐγένετο διηγήσομαι.

[5.4.2] Ἦν τις Φιλλίδας, ὃς ἐγραμμάτευε τοῖς περὶ Ἀρχίαν πολεμάρχois, καὶ τᾶλλα ὑπηρετεῖ, ὥς ἐδόκει, ἄριστα. τούτῳ δ' ἀφιγμένῳ Ἀθήναζε κατὰ πρᾶξιν τινα καὶ πρόσθεν γνώριμος ὢν Μέλων τῶν Ἀθήναζε πεφευγόντων Θηβαίων συγγίγνεται, καὶ διαπυθόμενος μὲν τὰ περὶ Ἀρχίαν τε τὸν πολεμαρχοῦντα καὶ τὴν περὶ Φίλιππον τυραννίδα, γνοὺς δὲ μισοῦντα αὐτὸν ἔτι μᾶλλον αὐτοῦ τὰ οἴκοι, πιστὰ δούς καὶ λαβὼν συνέθετο ὥς δεῖ ἕκαστα γίνεσθαι. [5.4.3] ἐκ δὲ τούτου προσλαβὼν ὁ Μέλων ἔξ τοὺς ἐπιτηδαιοτάτους τῶν φευγόντων ξιφίδια ἔχοντας καὶ ἄλλο ὄπλον οὐδέν, ἔρχεται πρῶτον μὲν εἰς τὴν χώραν νυκτός· ἔπειτα δὲ ἡμερεύσαντες ἐν τινι τόπῳ ἐρήμῳ πρὸς τὰς πύλας ἦλθον, ὥς δὴ ἐξ ἀγροῦ ἀπιόντες, ἡνίκα περ οἱ ἀπὸ τῶν ἔργων ὀψιαίτατοι. ἐπεὶ δ' εἰσῆλθον εἰς τὴν πόλιν, διενυκτέρευσαν μὲν ἐκείνην τὴν νύκτα παρὰ Χάρωνί τινι, καὶ τὴν ἐπιούσαν δὲ ἡμέραν διημέρευσαν. [5.4.4] ὁ μὲν οὖν Φιλλίδας τὰ τε ἄλλα ἐπεμελεῖτο τοῖς πολεμάρχοις, ὥς Ἀφροδίσια ἄγουσιν ἐπ' ἐξόδοι τῆς ἀρχῆς, καὶ δὴ καὶ γυναῖκας πάλαι ὑπισχνόμενος ἄξειν αὐτοῖς τὰς σεμνοτάτας καὶ καλλίστας τῶν ἐν Θήβαις, τότε ἔφη ἄξειν. οἱ δέ, ἦσαν γὰρ τοιοῦτοι, μάλα ἡδέως προσεδέχοντο νυκτερεύειν. [5.4.5] ἐπεὶ δὲ ἐδείπνησάν τε καὶ συμπροθυμουμένου ἐκείνου ταχὺ ἐμεθύσθησαν, πάλαι κελευόντων ἄγειν τὰς ἐταῖρας, ἐξελθὼν ἤγαγε τοὺς περὶ Μέλωνα, τρεῖς μὲν στείλας ὥς δεσποίνιας, τοὺς δὲ ἄλλους

ὥς θεραπαίνας. [5.4.6] κἀκείνους μὲν εἰσήγαγεν εἰς τὸ προταμειὸν τοῦ πολεμαρχείου, αὐτὸς δ' εἰσελθὼν εἶπε τοῖς περὶ Ἀρχίαν ὅτι οὐκ ἄν φασιν εἰσελθεῖν αἱ γυναῖκες, εἴ τις τῶν διακόνων ἔνδον ἔσοιτο. ἔνθεν οἱ μὲν ταχὺ ἐκέλευον πάντας ἐξιέναι, ὁ δὲ Φιλλίδας δοὺς οἶνον εἰς ἐνὸς τῶν διακόνων ἐξέπεμψεν αὐτούς. ἐκ δὲ τούτου εἰσήγαγε τὰς ἐταῖρας δῆ, καὶ ἐκάθιζε παρ' ἐκάστωι. ἦν δὲ σύνθημα. ἐπεὶ καθίζουσιν, παίειν εὐθὺς ἀνακαλυψαμένους. [5.4.7] οἱ μὲν δὴ οὕτω λέγουσιν αὐτοὺς ἀποθανεῖν, οἱ δὲ καὶ ὥς κωμαστὰς εἰσελθόντας τοὺς ἀμφὶ Μέλωνα ἀποκτείνειν τοὺς πολεμάρχους. λαβὼν δὲ ὁ Φιλλίδας τρεῖς αὐτῶν ἐπορεύετο ἐπὶ τὴν τοῦ Λεοντιάδου οἰκίαν· κόψας δὲ τὴν θύραν εἶπεν ὅτι παρὰ τῶν πολεμάρχων ἀπαγγεῖλαι τι βούλοιο. ὁ δὲ ἐτύγγανε μὲν χωρὶς κατακείμενος ἔτι μετὰ δεῖπνον, καὶ ἡ γυνὴ ἐριουργοῦσα παρεκάθητο. ἐκέλευσε δὲ τὸν Φιλλίδαν πιστὸν νομίζων εἰσιέναι. οἱ δ' ἐπεὶ εἰσῆλθον, τὸν μὲν ἀποκτείναντες, τὴν δὲ γυναῖκα φοβήσαντες κατεσιώπησαν. ἐξιόντες δὲ εἶπον τὴν θύραν κεκλεισθαι· εἰ δὲ λήψονται ἀνεωιγμένην, ἠπειλήσαν ἀποκτείνειν ἅπαντας τοὺς ἐν τῇ οἰκίᾳ. [5.4.8] ἐπεὶ δὲ ταῦτα ἐπέπρακτο, λαβὼν δύο ὁ Φιλλίδας τῶν ἀνδρῶν ἦλθε πρὸς τὸ ἀνάκειον, καὶ εἶπε τῷ εἰργμοφύλακι ὅτι ἄνδρα ἄγοι παρὰ πολεμάρχων ὃν εἶρξαι δέοι. ὥς δὲ ἀνέωixe, τοῦτον μὲν εὐθὺς ἀπέκτειναν, τοὺς δὲ δεσμώτας ἔλυσαν. καὶ τούτους μὲν ταχὺ τῶν ἐκ τῆς στοᾶς ὅπλων καθελόντες ὥπλισαν, καὶ ἀγαγόντες ἐπὶ τὸ Ἀμφεῖον θέσθαι ἐκέλευον τὰ ὅπλα. [5.4.9] ἐκ δὲ τούτου εὐθὺς ἐκήρυττον ἐξιέναι πάντας Θηβαίους, ἱππέας τε καὶ ὀπλίτας, ὥς τῶν τυράννων τεθνεώτων. οἱ δὲ πολῖται, ἕως μὲν νυξ ἦν. ἀπιστοῦντες ἡσυχίαν εἶχον· ἐπεὶ δ' ἡμέρα τ' ἦν καὶ φανερόν ἦν τὸ γεγενημένον, ταχὺ δὴ καὶ οἱ ὀπλίται καὶ οἱ ἱππεῖς σὺν τοῖς ὅπλοις ἐξεβοήθουν. ἔπεμψαν δ' ἱππέας οἱ κατεληλυθότες καὶ ἐπὶ τοὺς πρὸς τοῖς ὀρίοις Ἀθηναίων [τοὺς] δύο τῶν στρατηγῶν. οἱ δ' εἰδότες τὸ πρᾶγμα ἐφ' ὃ ἀπεστάλκεσαν \ [5.4.10] ὁ μέντοι ἐν τῇ ἀκροπόλει ἀρμοστής ἐπεὶ ἦισθετο τὸ νυκτερινὸν κήρυγμα εὐθὺς ἔπεμψεν εἰς Πλαταιὰς καὶ Θεσπιάς ἐπὶ βοήθειαν. καὶ τοὺς μὲν Πλαταιᾶς αἰσθόμενοι προσιόντας οἱ τῶν Θηβαίων ἱππεῖς, ἀπαντήσαντες ἀπέκτειναν αὐτῶν πλεον ἢ εἴκοσιν· ἐπεὶ δὲ εἰσῆλθον ταῦτα πράξαντες καὶ οἱ Ἀθηναῖοι ἀπὸ τῶν ὀρίων ἤδη παρῆσαν, προσέβαλον πρὸς τὴν ἀκρόπολιν. [5.4.11] ὥς δὲ ἔγνωσαν οἱ ἐν τῇ ἀκροπόλει ὀλίγοι ὄντες, τὴν τε προθυμίαν τῶν προσιόντων ἀπάντων ἑώρων, καὶ τῶν κηρυγμάτων μεγάλων γιγνομένων τοῖς πρώτοις ἀναβᾶσιν, ἐκ τούτων φοβηθέντες εἶπον ὅτι

ἀπίοιεν ἄν, εἰ σφίσιν ἀσφάλειαν μετὰ τῶν ὄπλων ἀπιοῦσι διδοῖεν. οἱ δὲ ἄσμενοί τε ἔδοσαν ἃ ἤιτουν, καὶ σπεισάμενοι καὶ ὄρκους ὁμόσαντες ἐπὶ τούτοις ἐξέπεμπον. [5.4.12] ἐξιόντων μέντοι, ὅσους ἐπέγνωσαν τῶν ἐχθρῶν ὄντας, συλλαμβάνοντες ἀπέκτειναν. ἦσαν δὲ τινες οἱ καὶ ὑπὸ Ἀθηναίων τῶν ἀπὸ τῶν ὀρίων ἐπιβοηθησάντων ἐξεκλάπησαν καὶ διεσώθησαν. οἱ μέντοι Θηβαῖοι καὶ τοὺς παῖδας τῶν ἀποθανόντων, ὅσοις ἦσαν, λαβόντες ἀπέσφαζαν.

[5.4.13] Ἐπεὶ δὲ ταῦτα ἐπύθοντο οἱ Λακεδαιμόνιοι, τὸν μὲν ἄρμοστήν τὸν ἐγκαταλιπόντα τὴν ἀκρόπολιν καὶ οὐκ ἀναμείναντα τὴν βοήθειαν ἀπέκτειναν, φρουρὰν δὲ φαίνουσιν ἐπὶ τοὺς Θηβαίους. καὶ Ἀγησίλαος μὲν λέγων ὅτι ὑπὲρ τετταράκοντα ἀφ' ἥβης εἴη, καὶ ὥσπερ τοῖς ἄλλοις τοῖς τηλικούτοις οὐκέτι ἀνάγκη εἴη τῆς ἑαυτῶν ἕξω στρατεύεσθαι, οὕτω δὴ καὶ βασιλεῦσι τὸν αὐτὸν νόμον ὄντα ἀπεδείκνυε. κακεῖνος μὲν δὴ λέγων ταῦτα οὐκ ἐστρατεύετο. οὐ μέντοι τούτου γ' ἔνεκεν κατέμεινε, ἀλλ' εὖ εἰδὼς ὅτι εἰ στρατηγοίη, λέξοιεν οἱ πολῖται ὡς Ἀγησίλαος, ὅπως βοηθήσειε τοῖς τυράννοις, πράγματα τῇ πόλει παρέχοι. εἶα οὖν αὐτοὺς βουλεύεσθαι ὁποῖόν τι βούλοιντο περὶ τούτων. [5.4.14] οἱ δ' ἔφοροι διδασκόμενοι ὑπὸ τῶν μετὰ τὰς ἐν Θήβαις σφαγὰς ἐκπεπτωκότων, Κλεόμβροτον ἐκπέμπουσι, πρῶτον τότε ἡγούμενον, μάλα χειμῶνος ὄντος. τὴν μὲν οὖν δι' Ἐλευθερῶν ὁδὸν Χαβρίας ἔχων Ἀθηναίων πελταστὰς ἐφύλαττεν· ὁ δὲ Κλεόμβροτος ἀνέβαινε κατὰ τὴν εἰς Πλαταιὰς φέρουσαν. προϊόντες δὲ οἱ πελτασταὶ περιτυγχάνουσιν ἐπὶ τῷ ἄκρῳ φυλάττουσι τοῖς ἐκ τοῦ ἀνακειῖου λελυμένοις, ὡς περὶ ἑκατὸν καὶ πεντήκοντα οὔσι. καὶ τούτους μὲν ἅπαντας, εἰ μὴ τις ἐξέφυγεν, οἱ πελτασταὶ ἀπέκτειναν· αὐτὸς δὲ κατέβαινε πρὸς τὰς Πλαταιὰς, ἔτι φιλίας οὔσας. [5.4.15] ἐπεὶ δὲ εἰς Θεσπιάς ἀφίκετο, ἐκεῖθεν ὀρμηθεὶς εἰς Κυνὸς κεφαλὰς οὔσας Θηβαίων ἐστρατοπεδεύσατο. μείνας δὲ ἐκεῖ περὶ ἑκκαίδεκα ἡμέρας ἀπεχώρησε πάλιν εἰς Θεσπιάς. κακεῖ μὲν ἄρμοστήν κατέλιπε Σφοδρίαν καὶ ἀπὸ τῶν συμμάχων τὸ τρίτον μέρος ἐκάστων· παρέδωκε δὲ αὐτῷ καὶ χρήματα ὅσα ἐτύγχανεν οἰκοθεν ἔχων, καὶ ἐκέλευσε ξενικὸν προσμισθοῦσθαι. [5.4.16] καὶ ὁ μὲν Σφοδρίας ταῦτ' ἔπραττεν. ὁ δὲ Κλεόμβροτος ἀπῆγεν ἐπ' οἴκου τὴν διὰ Κρεῦσιος τοὺς μεθ' αὐτοῦ στρατιώτας καὶ μάλα ἀποροῦντας πότερά ποτε πόλεμος πρὸς Θηβαίους ἢ εἰρήνη εἴη· ἤγαγε μὲν γὰρ εἰς τὴν τῶν Θηβαίων τὸ στράτευμα, ἀπῆλθε δὲ ὡς ἐδύνατο ἐλάχιστα κακουργήσας. [5.4.17] ἀπιόντι γε μὴν ἄνεμος αὐτῷ ἐξαίσιος ἐπεγένετο,

ὄν καὶ οἰωνίζοντό τινες σημαίνειν πρὸ τῶν μελλόντων. πολλὰ μὲν γὰρ καὶ ἄλλα βίαια ἐποίησεν, ἀτὰρ καὶ ὑπερβάλλοντος αὐτοῦ μετὰ τῆς στρατιᾶς ἐκ τῆς Κρεύσιος τὸ καθήκον ἐπὶ θάλατταν ὄρος πολλοὺς μὲν ὄνους κατεκρήμνισεν αὐτοῖς σκεύεσι, ἀμύπολλα δὲ ὄπλα ἀφαρπασθέντα ἐξέπεσεν εἰς τὴν θάλατταν. [5.4.18] τέλος δὲ πολλοὶ οὐ δυνάμενοι σὺν τοῖς ὅπλοις πορεύεσθαι, ἔνθεν καὶ ἔνθεν τοῦ ἄκρου κατέλιπον λίθων ἐμπλήσαντες ὑπτίας τὰς ἀσπίδας. καὶ τότε μὲν τῆς Μεγαρικῆς ἐν Αἰγιοσθένει ἐδείπνησαν ὡς ἐδύναντο· τῇ δ' ὕστεραίαι ἐλθόντες ἐκομίσαντο τὰ ὄπλα. καὶ ἐκ τούτου οἴκαδε ἤδη ἕκαστοι ἀπῆσαν· ἀφῆκε γὰρ αὐτοὺς ὁ Κλεόμβροτος.

[5.4.19] Οἱ μὲν οὖν Ἀθηναῖοι ὀρῶντες τὴν τῶν Λακεδαιμονίων ρώμην καὶ ὅτι πόλεμος ἐν Κορίνθῳ οὐκέτι ἦν, ἀλλ' ἤδη παρίοντες τὴν Ἀττικὴν οἱ Λακεδαιμόνιοι εἰς τὰς Θήβας ἐνέβαλλον, οὕτως ἐφοβοῦντο ὥστε καὶ τῷ δύο στρατηγῷ, οἱ συνηπιστάσθην τὴν τοῦ Μέλωνος ἐπὶ τοὺς περὶ Λεοντιάδην ἐπανάστασιν, κρίναντες τὸν μὲν ἀπέκτειναν, τὸν δ', ἐπεὶ οὐχ ὑπέμεινεν, ἐφυγάδευσαν.

[5.4.20] Οἱ δ' αὖ Ὀθηβαῖοι καὶ αὐτοὶ φοβοῦμενοι, εἰ μηδένες ἄλλοι ἢ αὐτοὶ πολεμήσοιεν τοῖς Λακεδαιμονίοις, τοιόνδε εὐρίσκουσι μηχανήματα. πείθουσι τὸν ἐν ταῖς Θεσπιαῖς ἀρμοστὴν Σφοδρίαν, χρήματα δόντες, ὡς ὑπωπτεύετο, ἐμβαλεῖν εἰς τὴν Ἀττικὴν, ἵν' ἐκπολεμώσῃ τοὺς Ἀθηναίους πρὸς τοὺς Λακεδαιμονίους. κάκεῖνος πειθόμενος αὐτοῖς, προσποιησάμενος τὸν Πειραιᾶ καταλήψεσθαι, ὅτι δὴ ἀπύλωτος ἦν, ἤγεν ἐκ τῶν Θεσπιῶν πρῶν δειπνήσαντας τοὺς στρατιώτας, φάσκων πρὸ ἡμέρας καθανύσειν εἰς τὸν Πειραιᾶ. [5.4.21] Θριαῖσι δ' αὐτῷ ἡμέρα ἐπεγένετο, καὶ οὐδὲν ἐντεῦθεν ἐποίησεν ὥστε λαθεῖν, ἀλλ' ἐπεὶ ἀπετράπετο, βοσκήματα διήρπασε καὶ οἰκίας ἐπόρθησε. τῶν δ' ἐντυχόντων τινὲς τῆς νυκτὸς φεύγοντες εἰς τὸ ἄστυ ἀπήγγελλον τοῖς Ἀθηναίοις ὅτι στράτευμα ἀμύπολυ προσίοι. οἱ μὲν δὴ ταχὺ ὀπλισάμενοι καὶ ἱππεῖς καὶ ὀπλίται ἐν φυλακῇ τῆς πόλεως ἦσαν. [5.4.22] τῶν δὲ Λακεδαιμονίων καὶ πρέσβεις ἐτύγχανον Ἀθήνησιν ὄντες παρὰ Καλλίαι τῷ προξένῳ Ἐτυμοκλῆς τε καὶ Ἀριστόλοχος καὶ Ὠκυλλος· οὗς οἱ Ἀθηναῖοι, ἐπεὶ τὸ πρᾶγμα ἠγγέλθη, συλλαβόντες ἐφύλαττον, ὡς καὶ τούτους συνεπιβουλεύοντας. οἱ δὲ ἐκπεπληγμένοι τε ἦσαν τῷ πράγματι καὶ ἀπελογοῦντο ὡς οὐκ ἂν ποτε οὕτω μῶροι ἦσαν ὡς εἰ ἤιδεσαν καταλαμβανόμενον τὸν Πειραιᾶ, ἐν τῷ ἄστει ἂν ὑποχειρίους αὐτοὺς παρεῖχον, καὶ ταῦτα παρὰ τῷ προξένῳ, οὗ τάχιστ' ἂν ἠυρέθησαν.

[5.4.23] ἔτι δ' ἔλεγον ὥς εὐδηλον καὶ τοῖς Ἀθηναίοις ἔσοιτο ὅτι οὐδ' ἡ πόλις τῶν Λακεδαιμονίων ταῦτα συνήιδει. Σφοδρίαν γὰρ εὖ εἰδέναι ἔφασαν ὅτι ἀπολωλότα πεύσονται ὑπὸ τῆς πόλεως. κακεῖνοι μὲν κριθέντες μηδὲν συνειδέναι ἀφειθήσαν. [5.4.24] οἱ δ' ἔφοροι ἀνεκάλεσάν τε τὸν Σφοδρίαν καὶ ὑπῆγον θανάτου. ἐκεῖνος μέντοι φοβούμενος οὐχ ὑπήκουσεν· ὅμως δὲ καίπερ οὐχ ὑπακούων εἰς τὴν κρίσιν ἀπέφυγε. καὶ πολλοῖς ἔδοξεν αὕτη δὴ ἀδικώτατα ἐν Λακεδαίμονι <ή> δίκη κριθῆναι. ἐγένετο δὲ τοῦτο τὸ αἴτιον.

[5.4.25] Ἦν υἱὸς τῷ Σφοδρία Κλεώνυμος, ἡλικίαν τε ἔχων τὴν ἄρτι ἐκ παίδων, καὶ ἅμα κάλλιστός τε καὶ εὐδοκιμώτατος τῶν ἡλικίων. τούτου δὲ ἐρῶν ἐτύγχανεν Ἀρχίδαμος ὁ Ἀγησιλάου. οἱ μὲν οὖν τοῦ Κλεομβρότου φίλοι, ἅτε ἐταῖροι ὄντες τῷ Σφοδρία, ἀπολυτικῶς αὐτοῦ εἶχον, τὸν δὲ γε Ἀγησίλαον καὶ τοὺς ἐκείνου φίλους ἐφοβοῦντο, καὶ τοὺς διὰ μέσου δέ· δεινὰ γὰρ ἐδόκει πεποιθέναι. [5.4.26] ἐκ τούτου δὲ ὁ μὲν Σφοδρίας εἶπε πρὸς τὸν Κλεώνυμον· Ὑξεσί σοι, ὦ υἱέ, σῶσαι τὸν πατέρα, δεηθέντι Ἀρχίδαμου εὐμενῇ Ἀγησίλαον ἐμοὶ εἰς τὴν κρίσιν παρασχεῖν. ὁ δὲ ἀκούσας ἐτόλμησεν ἐλθεῖν πρὸς τὸν Ἀρχίδαμον, καὶ ἐδεῖτο σωτήρα αὐτῷ τοῦ πατρὸς γενέσθαι. [5.4.27] ὁ μὲντοι Ἀρχίδαμος ἰδὼν μὲν τὸν Κλεώνυμον κλαίοντα συνεδάκρυε παρεστηκώς· ἀκούσας δὲ δεομένου, ἀπεκρίνατο· Ἀλλ', ὦ Κλεώνυμε, ἴσθι μὲν ὅτι ἐγὼ τῷ ἐμῷ πατρὶ οὐδ' ἀντιβλέπειν δύναμαι, ἀλλὰ κἂν τι βούλωμαι διαπράξασθαι ἐν τῇ πόλει, πάντων μᾶλλον ἢ τοῦ πατρὸς δέομαι· ὅμως δ', ἐπεὶ σὺ κελεύεις, νόμιζε πᾶσάν με προθυμίαν ἔξειν ταῦτά σοιπραχθῆναι. [5.4.28] καὶ τότε μὲν δὴ ἐκ τοῦ φιλιτίου εἰς τὸν οἶκον ἐλθὼν ἀνεπαύετο· τοῦ δ' ὄρθρου ἀναστὰς ἐφύλαττε μὴ λάθοι αὐτὸν ὁ πατὴρ ἐξελθὼν. ἐπεὶ δὲ εἶδεν αὐτὸν ἐξιόντα, πρῶτον μὲν, εἴ τις τῶν πολιτῶν παρῆν, παρίει τούτους διαλέγεσθαι αὐτῷ, ἔπειτα δ', εἴ τις ξένος, ἔπειτα δὲ καὶ τῶν θεραπόντων τῷ δεομένῳ παρεχώρει. τέλος δ', ἐπεὶ ἀπὸ τοῦ Εὐρώτα ἀπὼν ὁ Ἀγησίλαος εἰσῆλθεν οἴκαδε, ἀπὼν ὦχετο οὐδὲ προσελθὼν. καὶ τῇ ὕστεραίαι δὲ ταῦτα ταῦτα ἐποίησεν. [5.4.29] ὁ δ' Ἀγησίλαος ὑπώπτευε μὲν ὧν ἕνεκεν ἐφοῖτα, οὐδὲν μὲντοι ἡρώτα, ἀλλ' εἶα αὐτόν. ὁ δ' αὖ Ἀρχίδαμος ἐπεθύμει μὲν, ὥσπερ εἰκός, ὁρᾶν τὸν Κλεώνυμον· ὅπως μὲντοι ἔλθοι πρὸς αὐτόν μὴ διειλεγμένος τῷ πατρὶ περὶ ὧν ἐκεῖνος ἐδεήθη οὐκ εἶχεν. οἱ δὲ ἀμφὶ τὸν Σφοδρίαν οὐχ ὁρῶντες τὸν Ἀρχίδαμον ἰόντα, πρόσθεν δὲ θαμίζοντα, ἐν παντὶ ἦσαν μὴ λελοιδορημένος ὑπὸ Ἀγησιλάου εἶη. [5.4.30] τέλος μὲντοι ὁ

Ἀρχίδαμος ἐτόλμησε προσελθεῖν καὶ εἰπεῖν· ὦ πάτερ, Κλεώνυμός με κελεύει σου δεηθῆναι σῶσαί οἱ τὸν πατέρα· καὶ ἐγὼ ταυτὰ σου δέομαι, εἰ δυνατόν. ὁ δ' ἀπεκρίνατο· Ἀλλὰ σοὶ μὲν ἔγωγε συγγνώμην ἔχω· αὐτὸς μέντοι ὅπως <ἂν> συγγνώμης τύχοιμι παρὰ τῆς πόλεως ἄνδρα μὴ καταγινώσκων ἀδικεῖν οἷς ἐχρηματίσατο ἐπὶ κακῷ τῆς πόλεως οὐχ ὀρῶ. [5.4.31] ὁ δὲ τότε μὲν πρὸς ταῦτα οὐδὲν εἶπεν, ἀλλ' ἡττηθεὶς τοῦ δικαίου ἀπῆλθεν. ὕστερον δὲ ἢ αὐτὸς νοήσας ἢ διδαχθεὶς ὑπὸ τοῦ εἶπεν ἐλθὼν· Ἀλλ' ὅτι μὲν, ὦ πάτερ, εἰ μηδὲν ἡδίκηκε Σφοδρίας, ἀπέλυσας ἂν αὐτὸν οἶδα· νῦν δέ, εἰ ἡδίκηκε τι, ἡμῶν ἔνεκεν συγγνώμης ὑπὸ σοῦ τυχέτω. ὁ δὲ εἶπεν· Οὐκοῦν ἂν μέλλῃ καλὰ ταῦθ' ἡμῖν εἶναι, οὕτως ἔσται. ὁ μὲν δὴ ταῦτ' ἀκούσας μάλα δύσελπις ὦν ἀπήει. [5.4.32] τῶν δὲ τοῦ Σφοδρία φίλων τις διαλεγόμενος Ἐτυμοκλεῖ εἶπεν· Ὑμεῖς μὲν, οἶμαι, ἔφη, πάντες οἱ Ἀγησιλάου φίλοι ἀποκτενεῖτε τὸν Σφοδρίαν. καὶ ὁ Ἐτυμοκλῆς. Μὰ Δία οὐκ ἄρα ταῦτ', ἔφη, ποιήσομεν Ἀγησιλάωι, ἐπεὶ ἐκεῖνός γε πρὸς πάντας ὅσοις διείλεκται ταυτὰ λέγει, μὴ ἀδικεῖν μὲν Σφοδρίαν ἀδύνατον εἶναι· ὅστις μέντοι παῖς τε ὦν καὶ παιδίσκος καὶ ἡβῶν πάντα τὰ καλὰ ποιῶν διετέλεσε, χαλεπὸν εἶναι τοιοῦτον ἄνδρα ἀποκτινύναι· τὴν γὰρ Σπάρτην τοιούτων δεῖσθαι στρατιωτῶν. [5.4.33] ὁ οὖν ἀκούσας ταῦτα ἀπήγγειλε τῷ Κλεωνύμωι. ὁ δ' ἡσθεὶς, εὐθύς ἐλθὼν πρὸς τὸν Ἀρχίδαμον εἶπεν· Ὅτι μὲν ἡμῶν ἐπιμελῆι ἦδη ἴσμεν· εὖ δ' ἐπίστω, Ἀρχίδαμε, ὅτι καὶ ἡμεῖς πειρασόμεθα ἐπιμελεῖσθαι ὥς μήποτε σὺ ἐπὶ τῇ ἡμετέρῃ φιλίᾳ αἰσχυνθῇς. καὶ οὐκ ἐψεύσατο, ἀλλὰ καὶ ζῶν ἅπαντ' ἐποίει ὅσα καλὰ ἐν τῇ Σπάρτῃ, καὶ ἐν Λευκτροῖς πρὸ τοῦ βασιλέως μαχόμενος σὺν Δείνωνι τῷ πολεμάρχῳ τρεῖς πεσὼν πρῶτος τῶν πολιτῶν ἐν μέσοις τοῖς πολεμίοις ἀπέθανε. καὶ ἠνίασε μὲν εἰς τὰ ἔσχατα τὸν Ἀρχίδαμον, ὥς δ' ὑπέσχετο, οὐ κατήσχυεν, ἀλλὰ μᾶλλον ἐκόσμησε. τοιοῦται μὲν δὴ τρόπῳ Σφοδρίας ἀπέφυγε.

[5.4.34] Τῶν μέντοι Ἀθηναίων οἱ βοιωτιάζοντες ἐδίδασκον τὸν δῆμον ὥς οἱ Λακεδαιμόνιοι οὐχ ὅπως τιμωρήσαιντο, ἀλλὰ καὶ ἐπαινέσειαν τὸν Σφοδρίαν, ὅτι ἐπεβούλευσε ταῖς Ἀθήναις. καὶ ἐκ τούτου οἱ Ἀθηναῖοι ἐπύλωσάν τε τὸν Πειραιᾶ, ναῦς τε ἐναυπηγοῦντο, τοῖς τε Βοιωτοῖς πάσῃ προθυμίᾳ ἐβοήθουν. [5.4.35] οἱ δ' αὖ Λακεδαιμόνιοι φρουρὰν τε ἔφηναν ἐπὶ τοὺς Θηβαίους, καὶ τὸν Ἀγησίλαον νομίσαντες φρονιμώτερον ἂν σφίσι τοῦ Κλεομβρότου ἡγεῖσθαι, ἐδέοντο αὐτοῦ ἄγειν τὴν στρατίαν. ὁ δὲ εἰπὼν ὅτι οὐδὲν ἂν

ὅτι τῇ πόλει δοκοίη ἀντειπεῖν παρεσκευάζετο εἰς τὴν ἔξοδον. [5.4.36] γινώσκων δ' ὅτι εἰ μὴ τις προκαταλήψοιτο τὸν Κιθαιρῶνα, οὐ ράϊδιον ἔσται εἰς τὰς Θήβας ἐμβαλεῖν, μαθὼν πολεμοῦντας τοὺς Κλητορίους τοῖς Ὀρχομενίοις καὶ ξενικὸν τρέφοντας, ἐκοινολογήσατο αὐτοῖς, ὅπως <προσ>γένοιτο τὸ ξενικὸν αὐτῷ, εἴ τι δεηθείη. [5.4.37] ἐπεὶ δὲ τὰ διαβατήρια ἐγένετο, πέμψας, πρὶν ἐν Τεγέαι αὐτὸς εἶναι, πρὸς τὸν ἄρχοντα τῶν παρὰ τοῖς Κλητορίοις ξένων, καὶ μισθὸν δοὺς μηνός, ἐκέλευε προκαταλαβεῖν αὐτοὺς τὸν Κιθαιρῶνα. τοῖς δ' Ὀρχομενίοις εἶπεν, ἕως στρατεία εἴη, παύσασθαι τοῦ πολέμου· εἰ δέ τις πόλις στρατιᾶς οὔσης ἔξω ἐπὶ πόλιν στρατεύσοι, ἐπὶ ταύτην ἔφη πρῶτον ἰέναι κατὰ τὸ δόγμα τῶν συμμάχων. [5.4.38] ἐπεὶ δὲ ὑπερέβαλε τὸν Κιθαιρῶνα, ἐλθὼν εἰς Θεσπιάς ἐκεῖθεν ὀρμηθεὶς ἦι ἐπὶ τὴν τῶν Θηβαίων χώραν. εὐρὼν δὲ ἀποτεταφρευμένον τε καὶ ἀπεσταυρωμένον κύκλῳ τὸ πεδίον καὶ τὰ πλείστου ἄξια τῆς χώρας, στρατοπεδευόμενος ἄλλοτ' ἄλλῃ καὶ μετ' ἄριστον ἐξάγων ἐδήμιον τῆς χώρας τὰ πρὸς ἑαυτοῦ τῶν σταυρωμάτων καὶ τῆς τάφρου. οἱ γὰρ πολέμιοι, ὅπου ἐπιφαίνοιτο ὁ Ἀγησίλαος, ἀντιπαρῆισαν αὐτῷ ἐντὸς τοῦ χαρακώματος ὡς ἀμυνόμενοι. [5.4.39] καὶ ποτε ἀποχωροῦντος αὐτοῦ ἤδη τὴν ἐπὶ τὸ στρατόπεδον, οἱ τῶν Θηβαίων ἱππεῖς τέως ἀφανεῖς ὄντες ἐξαίφνης διὰ τῶν ὠδοποιημένων τοῦ χαρακώματος ἐξόδῳ ἐξελαύνουσι, καὶ οἷα δὴ ἀπionτων πρὸς δεῖπνον καὶ συσκευαζομένων τῶν πελταστῶν, τῶν δ' ἱππέων τῶν μὲν ἔτι καταβεβηκότων, τῶν δ' ἀναβαινόντων, ἐπελαύνουσι· καὶ τῶν πελταστῶν συχνοὺς κατέβαλον καὶ τῶν ἱππέων Κλέαν καὶ Ἐπικυδίδαν Σπαρτιάτας, καὶ τῶν περιοίκων ἕνα, Εὐδικον, καὶ τῶν Θηβαίων τινὰς φυγάδας, οὐπω ἀναβεβηκότας ἐπὶ τοὺς ἵππους. [5.4.40] ὡς δὲ ἀναστρέψας σὺν τοῖς ὀπλίταις ἐβοήθησεν ὁ Ἀγησίλαος, οἱ τε ἱππεῖς ἤλαυνον ἐναντίον τοῖς ἱππεῦσι καὶ τὰ δέκα ἀφ' ἥβης ἐκ τῶν ὀπλιτῶν ἔθει σὺν αὐτοῖς. οἱ μέντοι τῶν Θηβαίων ἱππεῖς ἐώικεσαν ὑποπεπωκόσι που ἐν μεσημβρίαι· ὑπέμενον μὲν γὰρ τοῖς ἐπελαύνουσιν ὥστ' ἐξακοντίζειν τὰ δόρατα, ἐξικνοῦντο δ' οὐ. ἀναστρέφοντες δὲ ἐκ τοσούτου ἀπέθανον αὐτῶν δώδεκα. [5.4.41] ὡς δὲ κατέγνω ὁ Ἀγησίλαος ὅτι ἀεὶ μετ' ἄριστον καὶ οἱ πολέμιοι ἐφαίνοντο, θυσάμενος ἅμα τῇ ἡμέρᾳ ἦγεν ὡς οἷόν τε τάχιστα, καὶ παρῆλθε δι' ἐρημίας ἔσω τῶν χαρακωμάτων. ἐκ δὲ τούτου τὰ ἐντὸς ἔτεμνε καὶ ἔκαε μέχρι τοῦ ἄστεως. ταῦτα δὲ ποιήσας καὶ πάλιν ἀποχωρήσας εἰς Θεσπιάς, ἐτείχισε τὸ ἄστυ αὐτοῖς· καὶ ἐκεῖ μὲν

Φοιβίδα κατέλιπεν ἄρμοστήν, αὐτὸς δὲ ὑπερβαλὼν πάλιν εἰς τὰ Μέγαρα τοὺς μὲν συμμάχους διῆκε, τὸ δὲ πολιτικὸν στράτευμα ἐπ' οἴκου ἀπήγαγεν.

[5.4.42] Ἐκ δὲ τούτου ὁ Φοιβίδας ἐκπέμπων μὲν ληιστήρια ἔφερε καὶ ἤγε τοὺς Θηβαίους, καταδρομαὺς δὲ ποιούμενος ἐκακούργει τὴν χώραν. οἱ δ' αὖ Θηβαῖοι ἀντιτιμωρεῖσθαι βουλόμενοι στρατεύουσι πανδημεὶ ἐπὶ τὴν τῶν Θεσπιῶν χώραν. ἐπεὶ δ' ἦσαν ἐν τῇ χώρῃ, ὁ Φοιβίδας σὺν τοῖς πελτασταῖς προσκείμενος οὐδαμοῦ εἶα αὐτοὺς ἀποσκεδάννυσθαι τῆς φάλαγγος· ὥστε οἱ Θηβαῖοι μάλα ἀχθόμενοι τῇ ἐμβολῇ θάπτοντα τὴν ἀποχώρησιν ἐποιοῦντο, καὶ οἱ ὀρεοκόμοι δὲ ἀπορριπτοῦντες ὃν εἰλήφεσαν καρπὸν ἀπήλαυνον οἴκαδε· οὕτω δεινὸς φόβος τῷ στρατεύματι ἐνέπεσεν. [5.4.43] ὁ δὲ ἐν τούτῳ θρασέως ἐπέκειτο, περὶ ἑαυτὸν μὲν ἔχων τὸ πελταστικόν, τὸ δ' ὀπλιτικὸν ἐν τάξει ἔπεσθαι κελεύσας. καὶ ἐν ἐλπίδι ἐγένετο τροπὴν τῶν ἀνδρῶν ποιήσασθαι· αὐτὸς τε γὰρ ἐρρωμένως ἡγεῖτο, καὶ τοῖς ἄλλοις ἅπτεσθαι τῶν ἀνδρῶν παρεκελεύετο, καὶ τοὺς τῶν Θεσπιῶν ὀπλίτας ἀκολουθεῖν ἐκέλευεν. [5.4.44] ὥς δὲ ἀποχωροῦντες οἱ τῶν Θηβαίων ἱππεῖς ἐπὶ νάπηι ἀδιαβάτῳ ἐγίνοντο, πρῶτον μὲν ἠθροίσθησαν, ἔπειτα δὲ ἀνέστρεφον διὰ τὸ ἀπορεῖν ὅπῃ διαβαῖεν. οἱ μὲν οὖν πελτασταὶ ὀλίγοι ὄντες οἱ πρῶτοι φοβηθέντες αὐτοὺς ἔφυγον· οἱ δὲ ἱππεῖς αὖ τοῦτο ὥς εἶδον, ἐδιδάχθησαν ὑπὸ τῶν φευγόντων ἐπιθέσθαι αὐτοῖς. [5.4.45] καὶ ὁ μὲν δὴ Φοιβίδας καὶ δύο ἢ τρεῖς μετ' αὐτοῦ μαχόμενοι ἀπέθανον, οἱ δὲ μισθοφόροι τούτου γενομένου πάντες ἔφυγον. ἐπεὶ δὲ φεύγοντες ἀφίκοντο πρὸς τοὺς ὀπλίτας τῶν Θεσπιῶν, κάκεῖνοι, μάλα πρόσθεν μέγα φρονοῦντες μὴ ὑπεῖξιν τοῖς Θηβαίοις, ἔφυγον, οὐδέν τι πάνυ διωκόμενοι· καὶ γὰρ ἦν ἤδη ὀψέ. καὶ ἀπέθανον μὲν οὐ πολλοί, ὅμως δὲ οὐ πρόσθεν ἔστησαν οἱ Θεσπιεῖς, πρὶν ἐν τῷ τείχει ἐγένοντο. [5.4.46] ἐκ δὲ τούτου πάλιν αὖ τὰ τῶν Θηβαίων ἀνεζωπυρεῖτο, καὶ ἐστρατεύοντο εἰς Θεσπιάς καὶ εἰς τὰς ἄλλας τὰς περιοικίδας πόλεις. ὁ μὲντοι δῆμος ἐξ αὐτῶν εἰς τὰς Θήβας ἀπεχώρει· ἐν πάσαις γὰρ ταῖς πόλεσι δυναστεία καθειστήκεσαν, ὥσπερ ἐν Θήβαις· ὥστε καὶ οἱ ἐν ταύταις ταῖς πόλεσι φίλοι τῶν Λακεδαιμονίων βοηθείας ἐδέοντο. μετὰ δὲ τὸν Φοιβίδα θάνατον πολέμαρχον μὲν καὶ μόραν οἱ Λακεδαιμόνιοι κατὰ θάλατταν πέμπσαντες τὰς Θεσπιάς ἐφύλαττον.

[5.4.47] Ἐπεὶ δὲ τὸ ἔαρ ἐπέστη, πάλιν ἔφαινον φρουρὰν οἱ ἔφοροι εἰς τὰς Θήβας, καὶ τοῦ Ἀγησιλάου, ἥπερ τὸ πρόσθεν, ἐδέοντο

ἡγεῖσθαι. ὁ δ' ὑπὲρ τῆς ἐμβολῆς ταυτὰ γινώσκων, πρὶν καὶ τὰ διαβατήρια θύεσθαι, πέμψας πρὸς τὸν ἐν Θεσπιαῖς πολέμαρχον ἐκέλευε προκαταλαβεῖν τὸ ὑπὲρ τῆς κατὰ τὸν Κιθαιρῶνα ὁδοῦ ἄκρον καὶ φυλάττειν, ἕως ἂν αὐτὸς ἔλθῃ. [5.4.48] ἐπεὶ δὲ τοῦτο ὑπερβαλὼν ἐν ταῖς Πλαταιαῖς ἐγένετο, πάλιν προσεποιήσατο εἰς τὰς Θεσπιάς πρῶτον ἰέναι, καὶ πέμπων ἀγοράν τε ἐκέλευε παρασκευάζειν καὶ τὰς πρεσβείας ἐκεῖ περιμένειν· ὥστε οἱ Θηβαῖοι ἰσχυρῶς τὴν πρὸς Θεσπιῶν ἐμβολὴν ἐφύλαττον. [5.4.49] ὁ δὲ Ἀγησίλαος τῇ ὑστεραίᾳ ἅμα τῇ ἡμέρᾳ θυσάμενος ἐπορεύετο τὴν ἐπ' Ἐρυθράς· καὶ ὡς στρατεύματι δυοῖν ἡμέραιν ὁδὸν ἐν μιᾷ καθανύσας ἔφθασεν ὑπερβὰς τὸ κατὰ Σκῶλον σταύρωμα, πρὶν ἔλθειν τοὺς Θηβαίους ἀπὸ τῆς φυλακῆς, καθ' ἣν τὸ πρόσθεν εἰσηλθε. τοῦτο δὲ ποιήσας τὰ πρὸς ἕω τῆς τῶν Θηβαίων πόλεως ἐδήμιον μέχρι τῆς Ταναγραίων· ἔτι γὰρ τότε καὶ τὴν Τάναγραν οἱ περὶ Ὑπατόδωρον, φίλοι ὄντες τῶν Λακεδαιμονίων, εἶχον. καὶ ἐκ τούτου δὴ ἀπῆι ἐν ἀριστεραῖ ἐχὼν τὸ τεῖχος. [5.4.50] οἱ δὲ Θηβαῖοι ὑπελθόντες ἀντετάξαντο ἐπὶ Γραὸς στήθει, ὅπισθεν ἔχοντες τὴν τε τάφρον καὶ τὸ σταύρωμα, νομίζοντες καλὸν εἶναι ἐνταῦθα διακινδυνεύειν· καὶ γὰρ στενὸν ἦν ταύτῃ ἐπιεικῶς καὶ δύσβατον τὸ χωρίον. ὁ δ' Ἀγησίλαος ἰδὼν ταῦτα πρὸς ἐκείνους μὲν οὐκ ἦγεν, ἐπισιμώσας δὲ πρὸς τὴν πόλιν ἦι. [5.4.51] οἱ δ' αὖ Θηβαῖοι δεῖσαντες περὶ τῆς πόλεως, ὅτι ἐρήμη ἦν, ἀπολιπόντες ἔνθα παρατεταγμένοι ἦσαν δρόμῳ ἔθεον εἰς τὴν πόλιν τὴν ἐπὶ Ποτνιας ὁδόν· ἦν γὰρ αὕτη ἀσφαλεστέρα. καὶ μέντοι ἐδόκει καλὸν γενέσθαι τὸ ἐνθύμημα τοῦ Ἀγησιλάου, ὅτι πόρρῳ ἀπαγαγὼν ἀπὸ τῶν πολεμίων ἀποχωρεῖν δρόμῳ αὐτοὺς ἐποίησεν· ὅμως μέντοι ἐπὶ παραθέοντας αὐτοὺς τῶν πολεμάρχων τινὲς ἐπέδραμον σὺν ταῖς μόραις. [5.4.52] οἱ μέντοι Θηβαῖοι ἀπὸ τῶν λόφων τὰ δόρατα ἐξηκόντιζον, ὥστε καὶ ἀπέθανεν Ἀλύπητος, εἷς τῶν πολεμάρχων, ἀκοντισθεὶς δόρατι· ὅμως δὲ καὶ ἀπὸ τούτου τοῦ λόφου ἐτράπησαν οἱ Θηβαῖοι· ὥστε ἀναβάντες οἱ Σκιρῖται καὶ τῶν ἱππέων τινὲς ἔπαιον τοὺς τελευταίους τῶν Θηβαίων παρελαύνοντας <εἰς> τὴν πόλιν. [5.4.53] ὡς μέντοι ἐγγὺς τοῦ τεῖχους ἐγένοντο, ὑποστρέφουσιν οἱ Θηβαῖοι· οἱ δὲ Σκιρῖται ἰδόντες αὐτοὺς θᾶττον ἢ βάδην ἀπῆλθον. καὶ ἀπέθανε μὲν οὐδεὶς αὐτῶν· ὅμως δὲ οἱ Θηβαῖοι τροπαῖόν [τε] ἐστήσαντο, ὅτι ἀπεχώρησαν οἱ ἀναβάντες. [5.4.54] ὁ μέντοι Ἀγησίλαος, ἐπεὶ ὥρα ἦν, ἀπελθὼν ἐστρατοπεδεύσατο ἔνθαπερ τοὺς πολεμίους εἶδε παρατεταγμένους· τῇ δ' ὑστεραίᾳ ἀπήγαγε τὴν ἐπὶ Θεσπιάς.

θρασέως δὲ παρακολουθούντων τῶν πελταστῶν, οἱ ἦσαν μισθοφόροι τοῖς Θηβαίοις, καὶ τὸν Χαβρίαν ἀνακαλούντων, ὅτι οὐκ ἠκολούθει, ὑποστραφέντες οἱ τῶν Ὀλυνθίων ἱππεῖς, ἥδη γὰρ κατὰ τοὺς ὅρκους συνεστρατεύοντο, ἐδίωξάν τε αὐτοὺς πρὸς ὄρθιον, καθάπερ ἠκολούθουν, καὶ ἀπέκτειναν αὐτῶν μάλα πολλοὺς· ταχὺ γὰρ πρὸς ἄναντες εὐήλατον ἀλίσκονται πεζοὶ ὑφ' ἰππέων. [5.4.55] ἐπεὶ δ' ἐγένετο ὁ Ἀγησίλαος ἐν ταῖς Θεσπιαῖς, εὐρὼν στασιάζοντας τοὺς πολίτας, καὶ βουλομένων τῶν φασκόντων λακωνίζειν ἀποκτεῖναι τοὺς ἐναντίους, ὧν καὶ Μένων ἦν, τοῦτο μὲν οὖν οὐκ ἐπέτρεψε· διαλλάξας δὲ αὐτοὺς καὶ ὅρκους ὁμοσαι ἀλλήλοις ἀναγκάσας, οὕτως ἀπῆλθε πάλιν διὰ τοῦ Κιθαιρῶνος τὴν ἐπὶ Μέγαρα. καὶ ἐκεῖθεν τοὺς μὲν συμμάχους ἀφῆκε, τὸ δὲ πολιτικὸν στράτευμα οἴκαδε ἀπήγαγε.

[5.4.56] Μάλα δὲ πιεζόμενοι οἱ Θηβαῖοι σπάνει σίτου διὰ τὸ δυοῖν ἐτοῖν μὴ εἰληφέναι καρπὸν ἐκ τῆς γῆς, πέμπουσιν ἐπὶ δυοῖν τριήροιν ἄνδρας εἰς Παγασὰς ἐπὶ σῖτον δέκα τάλαντα δόντες. Ἀλκέτας δὲ ὁ Λακεδαιμόνιος φυλάττων Ὀρεόν, ἐν ᾧ ἐκεῖνοι τὸν σῖτον συνεισφέρουσιν, ἐπληρώσατο τρεῖς τριήρεις, ἐπιμεληθεὶς ὅπως μὴ ἐξαγγελθεῖ. ἐπεὶ δὲ ἀπήγετο ὁ σῖτος, λαμβάνει ὁ Ἀλκέτας τὸν τε σῖτον καὶ τὰς τριήρεις, καὶ τοὺς ἄνδρας ἐξώγησεν οὐκ ἐλάττους ἢ τριακοσίους. τούτους δὲ εἵρξεν ἐν τῇ ἀκροπόλει, οὐπὲρ αὐτὸς ἐσκήνου. [5.4.57] ἀκολουθοῦντος δὲ τινος τῶν Ὀρειτῶν παιδός, ὡς ἔφασαν, μάλα καλοῦ τε κάγαθοῦ, καταβαίνων ἐκ τῆς ἀκροπόλεως περὶ τοῦτον ἦν. καταγνόντες δὲ οἱ αἰχμάλωτοι τὴν ἀμέλειαν, καταλαμβάνουσι τὴν ἀκρόπολιν, καὶ ἡ πόλις ἀφίσταται· ὥστ' εὐπόρως ἥδη οἱ Θηβαῖοι σῖτον παρεκομίζοντο.

[5.4.58] Ὑποφαίνοντος δὲ πάλιν τοῦ ἥρος ὁ μὲν Ἀγησίλαος κλινοπετὴς ἦν. ὅτε γὰρ ἀπῆγε τὸ στράτευμα ἐκ τῶν Θηβῶν, ἐν τοῖς Μεγάροις ἀναβαίνοντος αὐτοῦ ἐκ τοῦ Ἀφροδισίου εἰς τὸ ἀρχεῖον ῥήγνυται ὅποια δὴ φλέψ, καὶ ἐρρὺν τὸ ἐκ τοῦ σώματος αἷμα εἰς τὸ ὑγιὲς σκέλος. γενομένης δὲ τῆς κνήμης ὑπερόγκου καὶ ὀδυνῶν ἀφορήτων, Συρακόσιός τις ἰατρὸς σχάζει τὴν παρὰ τῷ σφυρῶι φλέβα αὐτοῦ. ὡς δὲ ἅπαξ ἤρξατο, ἔρρει αὐτῷ νύκτα τε καὶ ἡμέραν τὸ αἷμα, καὶ πάντα ποιοῦντες οὐκ ἐδύναντο σχεῖν τὸ ῥεῦμα πρὶν ἐλιποψύχησε· τότε μέντοι ἐπαύσατο. καὶ οὕτως ἐκεῖνος μὲν ἀποκομισθεὶς εἰς Λακεδαίμονα ἡρώσκει τό τε λοιπὸν θέρος καὶ διὰ χειμῶνος.

[5.4.59] Οἱ δὲ Λακεδαιμόνιοι, ἐπεὶ ἔαρ ὑπέφαινε, πάλιν φρουρὰν τε

ἔφαινον καὶ Κλεόμβροτον ἡγεῖσθαι ἐκέλευον. ἐπεὶ δ' ἔχων τὸ στράτευμα πρὸς τῷ Κιθαιρῶνι ἐγένετο, προῆσαν αὐτῷ οἱ πελτασταὶ ὡς προκαταληψόμενοι τὰ ὑπὲρ τῆς ὁδοῦ. Θηβαίων δὲ καὶ Ἀθηναίων προκατέχοντές τινες τὸ ἄκρον τέως μὲν εἶων αὐτοὺς ἀναβαίνειν· ἐπεὶ δ' ἐπ' αὐτοῖς ἦσαν, ἐξαναστάντες ἐδίωκον καὶ ἀπέκτειναν περὶ τετταράκοντα. τούτου δὲ γενομένου ὁ Κλεόμβροτος ἀδύνατον νομίσας τὸ ὑπερβῆναι εἰς τὴν τῶν Θηβαίων, ἀπῆγέ τε καὶ διῆκε τὸ στράτευμα.

[5.4.60] Συλλεγέντων δὲ τῶν συμμάχων εἰς Λακεδαίμονα, λόγοι ἐγίνοντο ἀπὸ τῶν συμμάχων ὅτι διὰ μαλακίαν κατατριβήσονται ὑπὸ τοῦ πολέμου. ἐξεῖναι γὰρ σφίσι ναῦς πληρώσαντας πολὺ πλείους τῶν Ἀθηναίων ἐλεῖν λιμῶι τὴν πόλιν αὐτῶν· ἐξεῖναι δ' ἐν ταῖς αὐταῖς ταύταις ναυσὶ καὶ εἰς Θήβας στράτευμα διαβιβάζειν, εἰ μὲν βούλονται, ἐπὶ Φωκέων, εἰ δὲ βούλονται, ἐπὶ Κρεύσιος. [5.4.61] ταῦτα δὲ λογισάμενοι ἐξήκοντα μὲν τριῆρεις ἐπλήρωσαν, Πόλλις δ' αὐτῶν ναύαρχος ἐγένετο. καὶ μέντοι οὐκ ἐψεύσθησαν οἱ ταῦτα γνόντες, ἀλλ' οἱ Ἀθηναῖοι ἐπολιορκοῦντο· τὰ γὰρ σιταγωγὰ αὐτοῖς πλοῖα ἐπὶ μὲν τὸν Γεραστὸν ἀφίκετο, ἐκεῖθεν δ' οὐκέτι ἤθελε παραπλεῖν, τοῦ ναυτικοῦ ὄντος τοῦ Λακεδαιμονίων περὶ τε Αἴγιναν καὶ Κέω καὶ Ἄνδρον. γνόντες δ' οἱ Ἀθηναῖοι τὴν ἀνάγκην, ἐνέβησαν αὐτοὶ εἰς τὰς ναῦς, καὶ ναυμαχήσαντες πρὸς τὸν Πόλλιν Χαβρίου ἡγουμένου νικῶσι τῇ ναυμαχίᾳ. καὶ ὁ μὲν σῖτος τοῖς Ἀθηναίοις οὕτω παρεκομίσθη. [5.4.62] παρασκευαζομένων δὲ τῶν Λακεδαιμονίων στράτευμα διαβιβάζειν ἐπὶ τοὺς Βοιωτοὺς, ἐδεήθησαν οἱ Θηβαῖοι τῶν Ἀθηναίων περὶ Πελοπόννησον στράτευμα πέμψαι, νομίσαντες εἰ τοῦτο γένοιτο, οὐ δυνατόν ἔσεσθαι τοῖς Λακεδαιμονίοις ἅμα μὲν τὴν ἑαυτῶν χώραν φυλάττειν, ἅμα δὲ τὰς περὶ ἐκεῖνα τὰ χωρία συμμαχίδας πόλεις, ἅμα δὲ στράτευμα διαβιβάζειν ἱκανὸν πρὸς ἑαυτούς. [5.4.63] καὶ οἱ Ἀθηναῖοι μέντοι ὀργιζόμενοι τοῖς Λακεδαιμονίοις διὰ τὸ Σφοδρία ἔργον, προθύμως ἐξέπεμψαν περὶ τὴν Πελοπόννησον ναῦς τε ἐξήκοντα πληρώσαντες καὶ στρατηγὸν αὐτῶν Τιμόθεον ἐλόμενοι. ἅτε δὲ εἰς τὰς Θήβας οὐκ ἐμβεβληκότων τῶν πολεμίων οὗτ' ἐν ᾧ Κλεόμβροτος ἦγε τὴν στρατιὰν ἔτει οὗτ' ἐν ᾧ Τιμόθεος περιέπλευσε, θρασέως δὲ ἐστρατεύοντο οἱ Θηβαῖοι ἐπὶ τὰς περιοικίδας πόλεις καὶ πάλιν αὐτὰς ἀνελάμβανον. [5.4.64] ὁ μέντοι Τιμόθεος περιπλεύσας Κέρκυραν μὲν εὐθὺς ὑφ' ἑαυτῷ ἐποίησατο· οὐ μέντοι ἠνδραποδίσατο οὐδὲ ἄνδρας ἐφυγάδευσεν οὐδὲ νόμους

μετέστησεν· ἐξ ὧν τὰς περὶ ἐκεῖνα πόλεις πάσας εὐμενεστέρας ἔσχεν. [5.4.65] ἀντεπλήρωσαν δὲ καὶ οἱ Λακεδαιμόνιοι ναυτικόν, καὶ Νικόλοχον ναύαρχον, μάλα θρασὺν ἄνδρα, ἐξέπεμψαν· ὃς ἐπειδὴ εἶδε τὰς μετὰ Τιμοθέου ναῦς, οὐκ ἐμέλλησε, καίπερ ἔξ νεῶν αὐτῷ ἀπουσῶν τῶν Ἀμβρακιωτίδων, ἀλλὰ πέντε καὶ πεντήκοντα ἔχων ναῦς ἐξήκοντα οὖσαις ταῖς μετὰ Τιμοθέου ἐνανυμάχησε. καὶ τότε μὲν ἠττήθη, καὶ τροπαῖον ὁ Τιμόθεος ἔστησεν ἐν Ἀλυζείαι. [5.4.66] ὁ δὲ ἀνειλκυσμένων τῶν Τιμοθέον νεῶν καὶ ἐπισκευαζομένων, ἐπεὶ παρεγένοντο αὐτῷ αἱ Ἀμβρακιώτιδες ἐξ τριήρεις, ἐπὶ τὴν Ἀλύξειαν ἔπλευσεν, ἔνθα ἦν ὁ Τιμόθεος. ὥς δὲ οὐκ ἀντανήγε, τροπαῖον αὐτὸν κακεῖνος ἐστήσατο ἐν ταῖς ἐγγυτάτω νήσοις. ὁ δὲ Τιμόθεος ἐπεὶ ἄς τε εἶχεν ἐπεσκεύασε καὶ ἐκ Κερκύρας ἄλλας προσεπληρώσατο, γενομένων αὐτῷ τῶν πασῶν πλέον ἐβδομήκοντα, πολὺ δὲ ὑπερεῖχε ναυτικῷ· χρήματα μέντοι μετεπέμπετο Ἀθήνηθεν· πολλῶν γὰρ ἐδεῖτο, ἅτε πολλὰς ναῦς ἔχων.

Βιβλίον ζ΄

[6.1.1] Οἱ μὲν οὖν Ἀθηναῖοι καὶ Λακεδαιμόνιοι περὶ ταῦτα ἦσαν. οἱ δὲ Θηβαῖοι ἐπεὶ κατεστρέψαντο τὰς ἐν τῇ Βοιωτίᾳ πόλεις, ἐστράτευσον καὶ εἰς τὴν Φωκίδα. ὥς δ' αὖ καὶ οἱ Φωκεῖς ἐπρέσβευον εἰς τὴν Λακεδαίμονα καὶ ἔλεγον ὅτι εἰ μὴ βοηθήσοιεν, οὐ δυνήσονται μὴ πείθεσθαι τοῖς Θηβαίοις, ἐκ τούτου οἱ Λακεδαιμόνιοι διαβιβάζουσι κατὰ θάλατταν εἰς Φωκέας Κλεόμβροτόν τε τὸν βασιλέα καὶ μετ' αὐτοῦ τέτταρας μόρας καὶ τῶν συμμάχων τὸ μέρος.

[6.1.2] Σχεδὸν δὲ περὶ τοῦτον τὸν χρόνον καὶ ἐκ Θετταλίας ἀφικνεῖται πρὸς τὸ κοινὸν τῶν Λακεδαιμονίων Πολυδάμας Φαρσάλιος. οὗτος δὲ καὶ ἐν τῇ ἄλλῃ Θετταλίᾳ μάλα ἠυδοκίμει, καὶ ἐν αὐτῇ τῇ πόλει οὕτως ἐδόκει καλὸς τε κάγαθος εἶναι ὥστε καὶ στασιάσαντες οἱ Φαρσάλιοι παρακατέθεντο αὐτῷ τὴν ἀκρόπολιν, καὶ τὰς προσόδους ἐπέτρεψαν λαμβάνοντι, ὅσα ἐγγράπτο ἐν τοῖς νόμοις, εἷς τε τὰ ἱερὰ ἀναλίσκειν καὶ εἰς τὴν ἄλλην διοίκησιν. [6.1.3] κάκεῖνος μέντοι ἀπὸ τούτων τῶν χρημάτων τὴν τε ἄκραν φυλάττων διέσωιζεν αὐτοῖς καὶ ἄλλα διοικῶν ἀπελογίζετο κατ' ἐνιαυτόν. καὶ ὅποτε μὲν ἐνδεήσειε, παρ' ἑαυτοῦ προσετίθει, ὅποτε δὲ περιγένοιτο τῆς προσόδου, ἀπελάμβανεν. ἦν δὲ καὶ ἄλλως φιλόξενός τε καὶ μεγαλοπρεπῆς τὸν Θετταλικὸν τρόπον. οὗτος οὖν ἐπεὶ ἀφίκετο εἰς τὴν Λακεδαίμονα, εἶπε τοιάδε.

[6.1.4] Ἐγώ, ὦ ἄνδρες Λακεδαιμόνιοι, πρόξενος ὑμῶν ὢν καὶ εὐεργέτης ἐκ πάντων ὧν μεμνήμεθα προγόνων, ἀξιῶ, ἐάν τέ τι ἀπορῶ, πρὸς ὑμᾶς ἰέναι, ἐάν τέ τι χαλεπὸν ὑμῖν ἐν τῇ Θετταλίᾳ συνιστῇται, σημαίνειν. ἀκούετε μὲν οὖν εὖ οἷδ' ὅτι καὶ ὑμεῖς Ἰάσονος ὄνομα· ὁ γὰρ ἀνὴρ καὶ δύναμιν ἔχει μεγάλην καὶ ὀνομαστός ἐστιν. οὗτος δὲ σπονδὰς ποιησάμενος συνεγένετό μοι, καὶ εἶπε τάδε·

[6.1.5] Ὅτι μὲν, ὦ Πολυδάμα, καὶ ἄκουσαν τὴν ὑμετέραν πόλιν [Φάρσαλον] δυνάμην ἂν παραστήσασθαι ἔξεστί σοι ἐκ τῶνδε λογίζεσθαι. ἐγὼ γάρ, ἔφη, ἔχω μὲν Θετταλίας τὰς πλείστας καὶ μεγίστας πόλεις συμμάχους· κατεστρεψάμην δ' αὐτὰς ὑμῶν σὺν αὐταῖς τὰ ἐναντία ἐμοὶ στρατευομένων. καὶ μὴν οἶσθά γε ὅτι ξένους ἔχω μισθοφόρους εἰς ἐξακισχιλίους, οἷς, ὥς ἐγὼ οἶμαι, οὐδεμία πόλις δύναιτ' ἂν ραιδίως μάχεσθαι. ἀριθμὸς μὲν γάρ, ἔφη, καὶ ἄλλοθεν οὐκ ἂν ἐλάττων ἐξέλθοι· ἀλλὰ τὰ μὲν ἐκ τῶν πόλεων στρατεύματα τοὺς

[6.1.11] εἰ δὲ εἰκότα λογίζομαι, σκόπει, ἔφη, καὶ ταῦτα. ἔχοντες μὲν γε Μακεδονίαν, ἔνθεν καὶ Ἀθηναῖοι τὰ ξύλα ἄγονται, πολὺ δῆπου πλείους ἐκείνων ἱκανοὶ ἐσόμεθα ναῦς ποιήσασθαι. ἀνδρῶν γε μὴν ταύτας πληροῦν πότερον Ἀθηναίους ἢ ἡμᾶς εἰκὸς μᾶλλον δύνασθαι, τοσοῦτους καὶ τοιούτους ἔχοντας πενέστας; τοὺς γε μὴν ναύτας τρέφειν πότερον ἡμᾶς ἱκανωτέρους εἰκὸς εἶναι τοὺς δι' ἀφθονίαν καὶ ἄλλοσε σῖτον ἐκπέμποντας ἢ Ἀθηναίους τοὺς μὴδ' αὐτοῖς ἱκανὸν ἔχοντας, ἂν μὴ πρίωνται; [6.1.12] καὶ χρήμασί γε εἰκὸς δῆπου ἡμᾶς ἀφθονωτέροις χρῆσθαι μὴ εἰς νησὺδρια ἀποβλέποντας, ἀλλ' ἡπειρωτικὰ ἔθνη καρπουμένους. πάντα γὰρ δῆπου τὰ κύκλῳ φόρον φέρει, ὅταν ταγεύηται τὰ κατὰ Θετταλίαν, οἷσθα δὲ δῆπου ὅτι καὶ βασιλεὺς ὁ Περσῶν οὐ νήσους ἀλλ' ἡπειρον καρπούμενος πλουσιώτατος ἀνθρώπων ἐστίν· ὃν ἐγὼ ὑπήκουον ποιήσασθαι ἔτι εὐκατεργαστότερον ἡγοῦμαι εἶναι ἢ τὴν Ἑλλάδα. οἶδα γὰρ πάντας τοὺς ἐκεῖ ἀνθρώπους πλὴν ἐνὸς μᾶλλον δουλείαν ἢ ἀλκὴν μεμελετηκότας, οἶδα δὲ ὑφ' οἷας δυνάμεως καὶ τῆς μετὰ Κύρου ἀναβάσης καὶ τῆς μετ' Ἀγησιλάου εἰς πᾶν ἀφίκετο βασιλεὺς. [6.1.15] εὖ γὰρ ἴστε, πρὸς τε μεγάλην ἔσται ῥώμην ὁ πόλεμος, καὶ πρὸς ἄνδρα ὃς φρόνιμος μὲν οὕτω στρατηγὸς ἐστὶν ὥς ὅσα τε λανθάνειν καὶ ὅσα φθάνειν καὶ ὅσα βιάζεσθαι ἐπιχειρεῖ οὐ μάλα ἀφαρμαρτάνει. ἱκανὸς γάρ ἐστι καὶ νυκτὶ ὅσαπερ ἡμέραι χρῆσθαι, καὶ ὅταν σπεύδῃ, ἄριστον καὶ δεῖπνον ποιησάμενος ἅμα πονεῖσθαι. οἶεται δὲ καὶ ἀναπαύεσθαι χρῆναι, ὅταν ἀφίκηται ἔνθ' ἂν ὠρμημένος ᾖ καὶ διαπράξῃται ἃ δεῖ· καὶ τοὺς μεθ' αὐτοῦ δὲ ταῦτα εἴθικεν. ἐπίσταται δὲ καὶ ὅταν ἐπιπονήσαντες ἀγαθόν τι πράξωσιν οἱ στρατιῶται, ἐκπλῆσαι τὰς γνώμας αὐτῶν· ὥστε καὶ τοῦτο μεμαθήκασι πάντες οἱ μετ' αὐτοῦ, ὅτι ἐκ τῶν πόνων καὶ τὰ μαλακὰ γίγνεται. [6.1.16] καὶ μὴν ἐγκρατέστατός γ' ἐστὶν ὧν ἐγὼ οἶδα τῶν περὶ τὸ σῶμα ἡδονῶν· ὥστε οὐδὲ διὰ ταῦτα ἀσχολίαν ἔχει τὸ μὴ [εἰς τὸ] πράττειν ἀεὶ τὸ δεόμενον. ὑμεῖς οὖν σκεψάμενοι εἶπατε πρὸς ἐμέ, ὥσπερ ὑμῖν προσήκει, ὅποια δυνήσεσθέ τε καὶ μέλλετε ποιήσειν.

[6.1.17] Ὁ μὲν ταῦτ' εἶπεν. οἱ δὲ Λακεδαιμόνιοι τότε μὲν ἀνεβάλοντο τὴν ἀπόκρισιν· τῇ δ' ὑστεραία καὶ τῇ τρίτῃ λογισάμενοι τάς τε ἔξω μόρας ὅσαι αὐτοῖς εἶεν καὶ τὰς περὶ Λακεδαίμονα πρὸς τὰς [ἔξω] τῶν Ἀθηναίων τριήρεις καὶ τὸν πρὸς τοὺς ὁμόρους πόλεμον, ἀπεκρίναντο ὅτι ἐν τῷ παρόντι οὐκ ἂν δύναιτο ἱκανὴν αὐτῷ ἐκπέμψαι ἐπικουρίαν, ἀλλ' ἀπλέοντα συντίθεσθαι αὐτὸν ἐκέλευον ὅπῃ δύναιτο ἄριστα τά τε ἑαυτοῦ καὶ τὰ τῆς πόλεως. [6.1.18] κἀκεῖνος μέντοι ἐπαινέσας τὴν ἀπλότητα τῆς πόλεως ἀπῆλθε. καὶ τὴν μὲν ἀκρόπολιν τῶν Φαρσαλίων ἐδεῖτο τοῦ Ἰάσονος μὴ ἀναγκάσαι αὐτὸν παραδοῦναι, ὅπως τοῖς παρακαταθεμένοις διασώζῃ· τοὺς δὲ ἑαυτοῦ παῖδας ἔδωκεν ὁμήρους, ὑποσχόμενος αὐτῷ τὴν τε πόλιν πείσας ἐκοῦσαν σύμμαχον ποιήσειν καὶ ταγὸν συγκαταστήσειν αὐτόν. ὥς δὲ τὰ πιστὰ ἔδοσαν ἀλλήλοις, εὐθὺς μὲν οἱ Φαρσάλιοι εἰρήνην ἤγον, ταχὺ δὲ ὁ Ἰάσων ὁμολογουμένως ταγὸς τῶν Θετταλῶν καθειστήκει. [6.1.19] ἐπεὶ γε μὴν ἐτάγευσε, διέταξεν ἱππικόν τε ὅσον ἐκάστη πόλις δυνατὴ ἦν παρέχειν καὶ ὀπλιτικόν. καὶ ἐγένοντο αὐτῷ ἱππεῖς μὲν σὺν τοῖς συμμάχοις πλείους ἢ ὀκτακισχίλιοι, ὀπλῖται δὲ ἐλογίσθησαν οὐκ ἐλάττους

δισμυρίων, πελταστικόν γε μὴν ἱκανὸν πρὸς πάντας ἀνθρώπους ἀντιταχθῆναι· ἔργον γὰρ ἐκείνων γε καὶ τὰς πόλεις ἀριθμῆσαι. προεῖπε δὲ τοῖς περιοίκοις πᾶσι καὶ τὸν φόρον ὥσπερ ἐπὶ Σκόπα τεταγμένος ἦν φέρειν. καὶ ταῦτα μὲν οὕτως ἐπεραίνετο· ἐγὼ δὲ πάλιν ἐπάνειμι, ὅθεν εἰς τὰς περὶ Ἰάσονος πράξεις ἐξέβην.

[6.2.1] Οἱ μὲν γὰρ Λακεδαιμόνιοι καὶ οἱ σύμμαχοι συνελέγοντο εἰς τοὺς Φωκέας, οἱ δὲ Θηβαῖοι ἀναχωρήσαντες εἰς τὴν ἑαυτῶν ἐφύλαττον τὰς εἰσβολάς. οἱ δ' Ἀθηναῖοι, αὐξανομένους μὲν ὀρῶντες διὰ σφῶς τοὺς Θηβαίους, χρήματά τε οὐ συμβαλλομένους εἰς τὸ ναυτικόν, αὐτοὶ δὲ ἀποκναϊόμενοι καὶ χρημάτων εἰσφοραῖς καὶ ληιστείαις ἐξ Αἰγίνης καὶ φυλακαῖς τῆς χώρας, ἐπεθύμησαν παύσασθαι τοῦ πολέμου, καὶ πέμψαντες πρέσβεις εἰς Λακεδαίμονα εἰρήνην ἐποιήσαντο.

[6.2.2] Εὐθύς δ' ἐκεῖθεν δύο τῶν πρέσβεων πλεύσαντες κατὰ δόγμα τῆς πόλεως εἶπον τῷ Τιμοθέῳ ἀποπλεῖν οἴκαδε ὥς εἰρήνης οὔσης· ὁ δ' ἅμα ἀποπλέων τοὺς τῶν Ζακυνθίων φυγάδας ἀπεβίβασεν εἰς τὴν χώραν αὐτῶν. [6.2.3] ἐπεὶ δὲ οἱ ἐκ τῆς πόλεως Ζακύνθιοι πέμψαντες πρὸς τοὺς Λακεδαιμονίους ἔλεγον οἷα πεπονθότες εἶεν ὑπὸ τοῦ Τιμοθέου, εὐθύς οἱ Λακεδαιμόνιοι ἀδικοῦν τε ἡγοῦντο τοὺς Ἀθηναίους καὶ ναυτικὸν πάλιν κατεσκευάζον καὶ συνετάττοντο εἰς ἐξήκοντα ναῦς ἀπ' αὐτῆς τε τῆς Λακεδαίμονος καὶ Κορίνθου καὶ Λευκάδος καὶ Ἀμβρακίας καὶ Ἥλιδος καὶ Ζακύνθου καὶ Ἀχαΐας καὶ Ἐπιδαύρου καὶ Τροιζήνος καὶ Ἑρμιόνης καὶ Ἀλιῶν. [6.2.4] ἐπιστήσαντες δὲ ναύαρχον Μνάσιππον ἐκέλευον τῶν τε ἄλλων ἐπιμελεῖσθαι τῶν κατ' ἐκείνην τὴν θάλατταν καὶ στρατεύειν ἐπὶ Κέρκυραν. ἔπεμψαν δὲ καὶ πρὸς Διονύσιον διδάσκοντες ὥς καὶ ἐκείνῳ χρήσιμον εἴη τὴν Κέρκυραν μὴ ὑπ' Ἀθηναίοις εἶναι. [6.2.5] καὶ ὁ μὲν δὴ Μνάσιππος, ἐπεὶ συνελέγη αὐτῷ τὸ ναυτικόν, ἔπλευσεν εἰς τὴν Κέρκυραν· εἶχε δὲ καὶ μισθοφόρους σὺν τοῖς ἐκ Λακεδαίμονος μετ' αὐτοῦ στρατευομένοις οὐκ ἐλάττους χιλίων καὶ πεντακοσίων. [6.2.6] ἐπεὶ δὲ ἀπέβη, ἐκράτει τε τῆς γῆς καὶ ἐδήμιον ἐξειργασμένην μὲν παγκάλως καὶ πεφυτευμένην τὴν χώραν, μεγαλοπρεπεῖς δὲ οἰκῆσεις καὶ οἰνῶνας κατεσκευασμένους ἐπὶ τῶν ἀγρῶν· ὥστ' ἔφασαν τοὺς στρατιώτας εἰς τοῦτο τρυφῆς ἐλθεῖν ὥστ' οὐκ ἐθέλειν πίνειν, εἰ μὴ ἀνθοσμίας εἴη. καὶ ἀνδράποδα δὲ καὶ βοσκήματα πάμπολλα ἡλίσκετο ἐκ τῶν ἀγρῶν. [6.2.7] ἔπειτα δὲ κατεστρατοπεδεύσατο τῷ μὲν πεζῷ ἐπὶ λόφῳ ἀπέχοντι τῆς πόλεως ὥς πέντε στάδια, πρὸ τῆς

χώρας ὄντι, ὅπως ἀποτέμνοιτο ἐντεῦθεν, εἴ τις ἐπὶ τὴν χώραν τῶν Κερκυραίων ἐξίῃ· τὸ δὲ ναυτικὸν εἰς τὰπὶ θάτερα τῆς πόλεως κατεστρατοπέδευσεν, ἔνθεν ᾧετ' ἂν τὰ προσπλέοντα καὶ προαισθάνεσθαι καὶ διακωλύειν. πρὸς δὲ τούτοις καὶ ἐπὶ τῷ λιμένι, ὁπότε μὴ χειμῶν κωλύοι, ἐφώρμει. [6.2.8] ἐπολιόρκει μὲν δὴ οὕτω τὴν πόλιν. ἐπεὶ δὲ οἱ Κερκυραῖοι ἐκ μὲν τῆς γῆς οὐδὲν ἐλάμβανον διὰ τὸ κρατεῖσθαι κατὰ γῆν, κατὰ θάλατταν δὲ οὐδὲν εἰσήγετο αὐτοῖς διὰ τὸ ναυκρατεῖσθαι, ἐν πολλῇ ἀπορίᾳ ἦσαν· [6.2.9] καὶ πέμποντες πρὸς τοὺς Ἀθηναίους βοηθεῖν τε ἐδέοντο καὶ ἐδίδασκον ὥς μέγα μὲν ἀγαθὸν ἀποβάλοιεν ἂν, εἰ Κερκύρας στερηθεῖεν, τοῖς δὲ πολεμίοις μεγάλην ἂν ἰσχὺν προσβάλοιεν· ἐξ οὐδεμιᾶς γὰρ πόλεως πλὴν γε Ἀθηνῶν οὔτε ναῦς οὔτε χρήματα πλείω ἂν γενέσθαι. ἔτι δὲ κεῖσθαι τὴν Κέρκυραν ἐν καλῷ μὲν τοῦ Κορινθιακοῦ κόλπου καὶ τῶν πόλεων αἱ ἐπὶ τοῦτον καθήκουσιν, ἐν καλῷ δὲ τοῦ τὴν Λακωνικὴν χώραν βλάπτειν, ἐν καλλίστῳ δὲ τῆς τε ἀντιπέρας Ἡπείρου καὶ τοῦ εἰς Πελοπόννησον ἀπὸ Σικελίας παράπλου. [6.2.10] ἀκούσαντες δὲ ταῦτα οἱ Ἀθηναῖοι ἐνόμισαν ἰσχυρῶς ἐπιμελητέον εἶναι, καὶ στρατηγὸν πέμπουσι Κτησικλέα εἰς ἐξακοσίους ἔχοντα πελταστάς, Ἀλκέτου δὲ ἐδεήθησαν συνδιαβιβάσαι τούτους. [6.2.11] καὶ οὗτοι μὲν νυκτὸς διακομισθέντες που τῆς χώρας εἰσῆλθον εἰς τὴν πόλιν. ἐψηφίσαντο δὲ καὶ ἐξήκοντα ναῦς πληροῦν, Τιμόθεον δ' αὐτῶν στρατηγὸν ἐχειροτόνησαν. [6.2.12] ὁ δ' οὐ δυνάμενος αὐτόθεν τὰς ναῦς πληρῶσαι, ἐπὶ νήσων πλεύσας ἐκεῖθεν ἐπειρᾶτο συμπληροῦν, οὐ φαῦλον ἡγούμενος εἶναι ἐπὶ συγκεκροτημένας ναῦς εἰκῇ περιπλεῦσαι. [6.2.13] οἱ δ' Ἀθηναῖοι νομίζοντες αὐτὸν ἀναλοῦν τὸν τῆς ὥρας εἰς τὸν περίπλου χρόνον. συγγνώμην οὐκ ἔσχον αὐτῷ, ἀλλὰ παύσαντες αὐτὸν τῆς στρατηγίας Ἴφικράτην ἀνθαιροῦνται. [6.2.14] ὁ δ' ἐπεὶ κατέστη στρατηγός, μάλα ὀξέως τὰς ναῦς ἐπληροῦτο καὶ τοὺς τριηράρχους ἠνάγκαζε. προσέλαβε δὲ παρὰ τῶν Ἀθηναίων καὶ εἴ πού τις ναῦς περὶ τὴν Ἀττικὴν ἔπλει καὶ τὴν Πάραλον καὶ τὴν Σαλαμινίαν, λέγων ὥς ἐὰν τάκεῖ καλῶς γένηται, πολλὰς αὐτοῖς ναῦς ἀποπέμψοι. καὶ ἐγένοντο αὐτῷ αἱ ἅπασαι περὶ ἑβδομήκοντα. [6.2.15] ἐν δὲ τούτῳ τῷ χρόνῳ οἱ Κερκυραῖοι οὕτω σφόδρα ἐπείνων ὥστε διὰ τὸ πλῆθος τῶν αὐτομολούντων ἐκήρυξεν ὁ Μνάσιππος πεπρᾶσθαι ὅστις αὐτομολοίῃ. ἐπεὶ δὲ οὐδὲν ἦττον ἠῆτομόλουν, τελευτῶν καὶ μαστιγῶν ἀπέπεμπε. οἱ μέντοι ἔνδοθεν τοὺς γε δούλους οὐκ ἐδέχοντο πάλιν εἰς τὸ τεῖχος, ἀλλὰ πολλοὶ ἔξω

ἀπέθνησκον. [6.2.16] ὁ δ' αὖ Μνάσιππος ὄρων ταῦτα, ἐνόμιζέ τε ὅσον οὐκ ἤδη ἔχειν τὴν πόλιν καὶ περὶ τοὺς μισθοφόρους ἐκαινούργει, καὶ τοὺς μὲν τινὰς αὐτῶν ἀπομίσθους ἐπεποιήκει, τοῖς δὲ <μὲν>ουσι καὶ δυοῖν ἤδη μνηοῖν ὤφειλε τὸν μισθόν, οὐκ ἀπορῶν, ὥς ἐλέγετο, χρημάτων· καὶ γὰρ τῶν πόλεων αἱ πολλαὶ αὐτῷ ἀργύριον ἀντὶ τῶν ἀνδρῶν ἔπεμπον, ἅτε καὶ διαποντίου τῆς στρατείας οὔσης. [6.2.17] κατιδόντες δὲ ἀπὸ τῶν πύργων οἱ ἐκ τῆς πόλεως τάς τε φυλακὰς χεῖρον ἢ πρόσθεν φυλαττομένας ἐσπαρμένους τε κατὰ τὴν χώραν τοὺς ἀνθρώπους, ἐπεκδραμόντες τοὺς μὲν τινὰς αὐτῶν ἔλαβον, τοὺς δὲ κατέκοψαν. [6.2.18] αἰσθόμενος δὲ ὁ Μνάσιππος, αὐτὸς τε ἐξωπλίζετο καὶ ὅσους εἶχεν ὀπλίτας ἅπασιν ἐβοήθει, καὶ τοὺς λοχαγοὺς καὶ τοὺς ταξιάρχους ἐξάγειν ἐκέλευε τοὺς μισθοφόρους. [6.2.19] ἀποκριναμένων δὲ τινῶν λοχαγῶν ὅτι οὐ ράδιον εἴη μὴ διδόντας τὰπιτήδεια πειθομένους παρέχειν, τὸν μὲν τινα βακτηρίαί, τὸν δὲ τῷ στύρακι ἐπάταξεν. οὕτω μὲν δὴ ἀθύμως ἔχοντες καὶ μισοῦντες αὐτὸν συνεζήλθον πάντες· ὅπερ ἥκιστα εἰς μάχην συμφέρει. [6.2.20] ὁ δ' ἐπεὶ παρετάξατο, αὐτὸς μὲν τοὺς κατὰ τὰς πύλας τῶν πολεμίων τρεψάμενος ἐπεδίωκεν. οἱ δ' ἐπεὶ ἐγγὺς τοῦ τείχους ἐγένοντο, ἀνестρέφοντό τε καὶ ἀπὸ τῶν μνημάτων ἐβαλλον καὶ ἠκόντιζον· ἄλλοι δ' ἐκδραμόντες καθ' ἑτέρας πύλας ἐπιτίθενται ἀθρόοι τοῖς ἐσχάτοις· [6.2.21] οἱ δ' ἐπ' ὀκτὼ τεταγμένοι, ἀσθενὲς νομίσαντες τὸ ἄκρον τῆς φάλαγγος ἔχειν, ἀναστρέφειν ἐπειρῶντο. ὥς δ' ἥρξαντο ἐπαναχωρεῖν, οἱ μὲν πολέμιοι ὥς φεύγουσιν ἐπέθεντο, οἱ δ' οὐκέτι ἐπανεστρεψαν· καὶ οἱ ἐχόμενοι δ' αὐτῶν εἰς φυγὴν ὥρμων. [6.2.22] ὁ δὲ Μνάσιππος τοῖς μὲν πιεζομένοις οὐκ ἐδύνατο βοηθεῖν διὰ τοὺς ἐκ τοῦ καταντικρὺ προσκειμένους, αἰεὶ δ' ἐλείπετο σὺν ἐλάττοσι. τέλος δὲ οἱ πολέμιοι ἀθρόοι γενόμενοι πάντες ἐπετίθεντο τοῖς περὶ τὸν Μνάσιππον, ἤδη μάλα ὀλίγοις οὔσι. καὶ οἱ πολῖται ὄρωντες τὸ γιγνόμενον ἐπεξῆσαν. [6.2.23] ἐπεὶ δ' ἐκεῖνον ἀπέκτειναν, ἐδίωκον ἤδη ἅπαντες. ἐκινδύνευσαν δ' ἂν καὶ τὸ στρατόπεδον ἐλεῖν σὺν τῷ χαρακώματι, εἰ μὴ οἱ διώκοντες τὸν ἀγοραῖόν τε ὄχλον ἰδόντες καὶ τὸν τῶν θεραπόντων καὶ τὸν τῶν ἀνδαπόδων, οἰθθέντες ὄφελός τι αὐτῶν εἶναι, ἀνестρέφοντο. [6.2.24] καὶ τότε μὲν τροπαῖόν τε ἵστασαν οἱ Κερκυραῖοι τοὺς τε νεκροὺς ὑποσπόνδους ἀπεδίδοσαν. ἐκ δὲ τούτου οἱ μὲν ἐν τῇ πόλει ἐρρωμενέστεροι ἐγεγέννητο, οἱ δ' ἔξω ἐν πάσῃ δὴ ἀθυμία ἦσαν. καὶ γὰρ ἐλέγετο ὅτι Ἰφικράτης τε ὅσον οὐκ ἤδη παρείη, καὶ οἱ Κερκυραῖοι δὲ τῷ ὄντι ναῦς ἐπλήρουν. [6.2.25]

Ὑπερμένης δέ, ὃς ἐτύγγανεν ἐπιστολιαφόρος τῷ Μνασίππῳ ὢν, τό τε ναυτικὸν πᾶν ὅσον ἦν ἐκεῖ συνεπλήρωσε, καὶ περιπλεύσας πρὸς τὸ χαράκωμα τὰ πλοῖα πάντα γεμίσας τῶν τε ἀνδραπόδων καὶ τῶν χρημάτων ἀπέστελλεν· αὐτὸς δὲ σὺν τε τοῖς ἐπιβάταις καὶ τοῖς περισωθεῖσι τῶν στρατιωτῶν διεφύλαττε τὸ χαράκωμα. [6.2.26] τέλος δὲ καὶ οὗτοι μάλα τεταραγμένοι ἀναβάντες ἐπὶ τὰς τριήρεις ἀπέπλεον, πολὺν μὲν σῖτον, πολὺν δὲ οἶνον, πολλὰ δὲ ἀνδράποδα καὶ ἀσθενοῦντας στρατιώτας καταλιπόντες· δεινῶς γὰρ ἐπεφόβηντο μὴ καταληφθεῖεν ὑπὸ τῶν Ἀθηναίων ἐν τῇ νήσῳ. καὶ ἐκεῖνοι μὲν εἰς Λευκάδα ἀπεσώθησαν.

[6.2.27] Ὁ δὲ Ἰφικράτης ἐπεὶ ἤρξατο τοῦ περίπλου, ἅμα μὲν ἔπλει, ἅμα δὲ πάντα ὅσα εἰς ναυμαχίαν παρεσκευάζετο· εὐθὺς μὲν γὰρ τὰ μεγάλα ἰστία αὐτοῦ κατέλιπεν, ὥς ἐπὶ ναυμαχίαν πλέων· καὶ τοῖς ἀκατίοις δέ, καὶ εἰ φορὸν πνεῦμα εἶη, ὀλίγα ἐχρήτο· τῇ δὲ κώπῃ τὸν πλοῦν ποιούμενος ἄμεινόν τε τὰ σώματα ἔχειν τοὺς ἄνδρας καὶ ἄμεινον τὰς ναῦς πλεῖν ἐποίει. [6.2.28] πολλάκις δὲ καὶ ὅπῃ μέλλοι ἀριστοποιεῖσθαι τὸ στράτευμα ἢ δειπνοποιεῖσθαι, ἐπανήγαγεν ἂν τὸ κέρας ἀπὸ τῆς γῆς κατὰ ταῦτα τὰ χωρία· ἐπεὶ δ' ἐπιστρέψας ἂν καὶ ἀντιπρώιρους καταστήσας τὰς τριήρεις ἀπὸ σημείου ἀφίει ἀνθαμιλλᾶσθαι εἰς τὴν γῆν, μέγα δὴ νικητήριον ἦν τὸ πρώτους καὶ ὕδωρ λαβεῖν καὶ εἰ τοῦ ἄλλου ἐδέοντο, καὶ πρώτους ἀριστῆσαι· τοῖς δ' ὑστάτοις ἀφικομένοις μεγάλη ζημία ἦν τὸ τε ἐλαττωθῆναι πᾶσι τούτοις καὶ ὅτι ἀνάγεσθαι ἅμα ἔδει, ἐπεὶ σημήνειε· συνέβαινε γὰρ τοῖς μὲν πρώτοις ἀφικνουμένοις καθ' ἡσυχίαν ἅπαντα ποιεῖν, τοῖς δὲ τελευταίοις διὰ σπουδῆς. [6.2.29] φυλακάς γε μὴν, εἰ τύχοι ἐν τῇ πολεμίᾳ ἀριστοποιούμενος, τὰς μὲν ἐν τῇ γῇ, ὥσπερ προσήκει, καθίστη, ἐν δὲ ταῖς ναυσὶν αἰρόμενος αὐτὸς τοὺς ἰστοὺς ἀπὸ τούτων ἐσκοπεῖτο. πολλὸ οὖν ἐπὶ πλεον οὗτοι καθεώρων ἢ οἱ ἐκ τοῦ ὁμαλοῦ, ἀφ' ὑψηλοτέρου καθορῶντες. ὅπου δὲ δειπνοποιοῖτο καὶ καθεύδοι, ἐν μὲν τῷ στρατοπέδῳ νύκτωρ πῦρ οὐκ ἔκαε, πρὸ δὲ τοῦ στρατεύματος φῶς ἐποίει, ἵνα μηδεὶς λάθῃ προσίων. πολλάκις δέ, εἰ εὐδία εἶη, εὐθὺς δειπνήσας ἀνήγετο· καὶ εἰ μὲν αὔρα φέροι, θέοντες ἅμα ἀνεπαύοντο· εἰ δὲ ἐλαύνειν δέοι, κατὰ μέρος τοὺς ναύτας ἀνέπαυεν. [6.2.30] ἐν δὲ τοῖς μεθ' ἡμέραν πλοῖς ἀπὸ σημείων τότε μὲν ἐπὶ κέρως ἦγε, τότε δ' ἐπὶ φάλαγγος· ὥστε ἅμα μὲν ἔπλεον, ἅμα δὲ πάντα ὅσα εἰς ναυμαχίαν καὶ ἡσκηκότες καὶ ἐπιστάμενοι εἰς τὴν <ὑπὸ> τῶν πολεμίων, ὥς ὤιοντο, κατεχομένην θάλατταν

ἀφικνοῦντο. καὶ τὰ μὲν πολλὰ ἐν τῇ πολεμίᾳ καὶ ἡρίστων καὶ ἐδείπνουν· διὰ δὲ τὸ τἀναγκαῖα μόνον πράττειν καὶ τὰς βοηθείας ἔφθανεν ἀναγόμενος καὶ ταχὺ ἐπέραινε. [6.2.31] περὶ δὲ τὸν Μνασίππου θάνατον ἐτύγχανεν ὦν τῆς Λακωνικῆς περὶ τὰς Σφαγίας. εἰς τὴν Ἥλειαν δὲ ἀφικόμενος καὶ παραπλεύσας τὸ τοῦ Ἀλφειοῦ στόμα ὑπὸ τὸν Ἴχθυον καλούμενον ὠρμίσατο. τῇ δ' ὑστεραίᾳ ἐντεῦθεν ἀνήγετο ἐπὶ τῆς Κεφαλληνίας, οὕτω καὶ τεταγμένος καὶ τὸν πλοῦν ποιούμενος ὥς, εἰ δέοι, πάντα ὅσα χρή παρεσκευασμένος ναυμαχοίη. καὶ γὰρ τὰ περὶ τοῦ Μνασίππου αὐτόπτου μὲν οὐδενὸς ἡκηκόει, ὑπώπτευε δὲ μὴ ἀπάτης ἔνεκα λέγοιτο, καὶ ἐφυλάττετο· ἐπεὶ μέντοι ἀφίκετο εἰς τὴν Κεφαλληνίαν, ἐνταῦθα δὴ σαφῶς ἐπύθετο, καὶ ἀνέπαυε τὸ στράτευμα.

[6.2.32] Οἶδα μὲν οὖν ὅτι ταῦτα πάντα, ὅταν οἴωνται ναυμαχήσῃν ἄνθρωποι, καὶ ἀσκεῖται καὶ μελετᾶται· ἀλλὰ τοῦτο ἐπαινῶ, ὅτι ἐπεὶ ἀφικέσθαι ταχὺ ἔδει ἔνθα τοῖς πολεμίοις ναυμαχήσῃν ὤιετο, ἡῦρετο <ὅπως> μήτε διὰ τὸν πλοῦν ἀνεπιστήμονας εἶναι τῶν εἰς ναυμαχίαν μήτε διὰ τὸ ταῦτα μελετᾶν βραδύτερόν τι ἀφικέσθαι.

[6.2.33] Καταστρεψάμενος δὲ τὰς ἐν τῇ Κεφαλληνίᾳ πόλεις ἔπλευσεν εἰς Κέρκυραν. ἐκεῖ δὲ πρῶτον μὲν ἀκούσας ὅτι προσπλέοιεν δέκα τριήρεις παρὰ Διονυσίου, βοηθήσους τοῖς Λακεδαιμονίοις, αὐτὸς ἐλθὼν καὶ σκεψάμενος τῆς χώρας ὅθεν τοὺς τε προσπλέοντας δυνατὸν ἦν ὁρᾶν καὶ τοὺς σημαίνοντας εἰς τὴν πόλιν καταφανεῖς εἶναι, ἐνταῦθα κατέστησε τοὺς σκοπούς. [6.2.34] κάκεῖνοις μὲν συνέθετο προσπλεόντων τε καὶ ὁρμούντων ὥς δέοι σημαίνειν· αὐτὸς δὲ τῶν τριηράρχων προσέταξεν εἴκοσιν, οὓς δεῆσοι, ἐπεὶ κηρύξειεν, ἀκολουθεῖν· εἰ δέ τις μὴ ἀκολουθήσοι, προεῖπε μὴ μέμψεσθαι τὴν δίκην. ἐπεὶ δ' ἐσημάνθησαν προσπλέουσαι καὶ ἐκηρύχθη, ἄξια ἐγένετο θεᾶς ἢ σπουδῇ· οὐδεὶς γὰρ ὅστις οὐ δρόμῳ τῶν μελλόντων πλεῖν εἰσέβη εἰς τὰς ναῦς. [6.2.35] πλεύσας δὲ ἔνθα ἦσαν αἱ πολέμιοι τριήρεις, καταλαμβάνει ἀπὸ μὲν τῶν ἄλλων τριήρων εἰς τὴν γῆν τοὺς ἄνδρας ἐκβεβηκότας, Μελάνιππος μέντοι ὁ Ῥόδιος τοῖς τε ἄλλοις συνεβούλευε μὴ μένειν ἐνταῦθα καὶ αὐτὸς πληρωσάμενος τὴν ναῦν ἐξέπλει. ἐκεῖνος μὲν οὖν καίπερ ἀπαντῶν ταῖς Ἴφικράτους ναυσὶν ὅμως ἀπέφυγεν· αἱ δὲ ἀπὸ Συρακουσῶν νῆες ἅπασαι ἐάλωσαν αὐτοῖς ἀνδράσιν. [6.2.36] ὁ μέντοι Ἴφικράτης τὰς μὲν τριήρεις ἀκρωτηριασάμενος ἔλκων κατηγάγετο εἰς τὸν τῶν Κερκυραίων λιμένα, τῶν δὲ ἀνδρῶν συνέβη ἐκάστῳ

τακτὸν ἀργύριον ἀποτεῖσαι, πλὴν Κρινίππου τοῦ ἄρχοντος· τοῦτον δ' ἐφύλαττεν, ὥς ἢ πραξόμενος πάμπολλα χρήματα ἢ ὥς πωλήσων. κάκεῖνος μὲν ὑπὸ λύπης αὐθαιρέτῳ θανάτῳ ἀποθνήσκει, τοὺς δ' ἄλλους ὁ Ἴφικράτης ἀφῆκε, Κερκυραίους ἐγγυητὰς δεξάμενος τῶν χρημάτων. [6.2.37] καὶ τοὺς μὲν ναύτας γεωργοῦντας τοῖς Κερκυραίοις τὸ πλεῖστον διέτρεφε, τοὺς δὲ πελταστὰς καὶ τοὺς ἀπὸ τῶν νεῶν ὀπλίτας ἔχων διέβαινεν εἰς τὴν Ἀκαρνανίαν· καὶ ἐκεῖ ταῖς μὲν φιλίαις πόλεσιν ἐπεκούρει, εἴ τίς τι δέοιτο, Θυριεῦσι δέ, μάλα καὶ ἀνδράσιν ἀλκίμοις καὶ χωρίον καρτερόν ἔχουσιν, ἐπολέμει. [6.2.38] καὶ τὸ ἀπὸ Κερκύρας ναυτικὸν προσλαβὼν, σχεδὸν περὶ ἐνενήκοντα ναῦς, πρῶτον μὲν εἰς Κεφαλληνίαν πλεύσας χρήματα ἐπράξατο, τὰ μὲν παρ' ἐκόντων, τὰ δὲ παρ' ἀκόντων· ἔπειτα δὲ παρεσκευάζετο τὴν τε τῶν Λακεδαιμονίων χώραν κακῶς ποιεῖν καὶ τῶν ἄλλων τῶν κατ' ἐκεῖνα πόλεων πολεμίων οὐσῶν τὰς μὲν ἐθελούσας προσλαμβάνειν, τοῖς δὲ μὴ πειθομένοις πολεμεῖν.

[6.2.39] Ἐγὼ μὲν δὴ ταύτην τὴν στρατηγίαν τῶν Ἴφικράτους οὐχ ἥκιστα ἐπαινῶ, ἔπειτα καὶ τὸ προσελέσθαι κελεῦσαι ἑαυτῷ Καλλίστρατόν τε τὸν δημηγόρον, οὐ μάλα ἐπιτήδειον ὄντα, καὶ Χαβρίαν, μάλα στρατηγὸν νομιζόμενον. εἴτε γὰρ φρονίμους αὐτοὺς ἡγούμενος εἶναι συμβούλους λαβεῖν ἐβούλετο, σῶφρόν μοι δοκεῖ διαπράξασθαι, εἴτε ἀντιπάλους νομίζων, οὕτω θρασέως μῆτε καταραιθυμῶν μῆτε καταμελῶν μηδὲν φαίνεσθαι, μεγαλοφρονοῦντος ἐφ' ἑαυτῷ τοῦτό μοι δοκεῖ ἀνδρὸς εἶναι. κάκεῖνος μὲν δὴ ταῦτ' ἔπραττεν.

[6.3.1] Οἱ δὲ Ἀθηναῖοι, ἐκπεπτωκότας μὲν ὁρῶντες ἐκ τῆς Βοιωτίας Πλαταιᾶς, φίλους ὄντας, καὶ καταπεφευγότας πρὸς αὐτούς, ἰκετεύοντας δὲ Θεσπιᾶς μὴ σφᾶς περιδεῖν ἀπόλιδας γενομένους, οὐκέτι ἐπήνουν τοὺς Θηβαίους, ἀλλὰ πολεμεῖν μὲν αὐτοῖς τὰ μὲν ἡσυχύνοντο, τὰ δὲ ἀσυμφόρως ἔχειν ἐλογίζοντο· κοινωνεῖν γε μὴν αὐτοῖς ὧν ἔπραττον οὐκέτι ᾔθελον, ἐπεὶ ἐώρων στρατεύοντάς τε αὐτοὺς ἐπὶ φίλους ἀρχαίους τῇ πόλει Φωκέας, καὶ πόλεις πιστάς τ' ἐν τῷ πρὸς τὸν βάρβαρον πολέμῳ καὶ φίλας ἑαυτοῖς ἀφανίζοντας. [6.3.2] ἐκ τούτων δὲ ψηφισάμενος ὁ δῆμος εἰρήνην ποιεῖσθαι, πρῶτον μὲν εἰς Θήβας πρέσβεις ἔπεμψε παρακαλοῦντας ἀκολουθεῖν, εἰ βούλονται, εἰς Λακεδαιμόνα περὶ εἰρήνης· ἔπειτα δὲ ἐξέπεμψαν καὶ αὐτοὶ πρέσβεις. ἦν δὲ τῶν αἰρεθέντων Καλλίας Ἴππονίκου, Αὐτοκλῆς Στρομβιχίδου, Δημόστρατος, Ἀριστοφῶντος, Ἀριστοκλῆς,

Κηφισόδοτος, Μελάνωπος, Λύκαιθος. [6.3.3] [ἐπεὶ δὲ προσῆλθον ἐπὶ τοὺς ἐκκλήτους τε τῶν Λακεδαιμονίων καὶ τοὺς συμμάχους·] <καὶ> Καλλίστρατος δὲ ὁ δημηγόρος παρῆν· ὑποσχόμενος γὰρ Ἴφικράτει, εἰ αὐτὸν ἀφείη, ἢ χρήματα πέμψειν τῷ ναυτικῷ ἢ εἰρήνην ποιήσιν, οὕτως Ἀθήνησί τε ἦν καὶ ἔπραττε περὶ εἰρήνης· ἐπεὶ δὲ κατέστησαν ἐπὶ τοὺς ἐκκλήτους τε τῶν Λακεδαιμονίων καὶ τοὺς συμμάχους, πρῶτος ἔλεξεν αὐτῶν Καλλίας ὁ δαιδοῦχος. ἦν δ' οὗτος οἷος μηδὲν ἦττον ἡδεσθαι ὑφ' αὐτοῦ ἢ ὑπ' ἄλλων ἐπαινούμενος· καὶ τότε δὴ ἦρξατο ᾧδέ πως.

[6.3.4] Ὡς ἄνδρες Λακεδαιμόνιοι τὴν μὲν προξενίαν ὑμῶν οὐκ ἐγὼ μόνος, ἀλλὰ καὶ πατὴρ πατρίαν ἔχων παρεδίδου τῷ γένει. βούλομαι δὲ καὶ τοῦτο ὑμῖν δηλῶσαι, ὥς ἔχουσα ἢ πόλις διατελεῖ πρὸς ἡμᾶς. ἐκείνη γάρ, ὅταν μὲν πόλεμος ᾗ, στρατηγούς ἡμᾶς αἰρεῖται, ὅταν δὲ ἡσυχίας ἐπιθυμήσῃ, εἰρηνοποιούς ἡμᾶς ἐκπέμπει. κἀγὼ πρόσθεν δις ἤδη ἦλθον περὶ πολέμου καταλύσεως, καὶ ἐν ἀμφοτέραις ταῖς πρεσβείαις διεπραξάμην καὶ ὑμῖν καὶ ἡμῖν εἰρήνην· νῦν δὲ τρίτον ἤκω, καὶ ἡγοῦμαι πολὺ δικαιότατα νῦν ἂν διαλλαγῆς τυχεῖν. [6.3.5] ὁρῶ γὰρ οὐκ ἄλλα μὲν ὑμῖν, ἄλλα δὲ ἡμῖν δοκοῦντα, ἀλλ' ὑμᾶς τε ἀχθομένους καὶ ἡμᾶς τῇ Πλαταιῶν καὶ Θεσπιῶν ἀναιρέσει. πῶς οὖν οὐκ εἰκὸς τὰ αὐτὰ γινώσκοντας φίλους μᾶλλον ἀλλήλοις ἢ πολεμίους εἶναι; καὶ σωφρόνων μὲν δήπου ἐστὶ μηδὲ εἰ μικρὰ τὰ διαφέροντα εἶη πόλεμον ἀναιρεῖσθαι· εἰ δὲ δὴ καὶ ὁμογνωμονοῖμεν, οὐκ ἂν πάνυ τῶν θαυμαστῶν εἶη μὴ εἰρήνην ποιεῖσθαι; [6.3.6] δίκαιον μὲν οὖν ἦν μηδὲ ὄπλα ἐπιφέρειν ἀλλήλοις ἡμᾶς, ἐπεὶ λέγεται μὲν Τριπτόλεμος ὁ ἡμέτερος πρόγονος τὰ Δήμητρος καὶ Κόρης ἄρρητα ἱερὰ πρῶτοις ξένοις δεῖξαι Ἡρακλεῖ τε τῷ ὑμετέρῳ ἀρχηγέτῃ καὶ Διοσκούριον τοῖν ὑμετέροιν πολίταιν, καὶ τοῦ Δήμητρος δὲ καρποῦ εἰς πρώτην τὴν Πελοπόννησον σπέρμα δωρήσασθαι. πῶς οὖν δίκαιον ἢ ὑμᾶς, παρ' ὧν ἐλάβετε σπέρματα, τὸν τούτων ποτὲ καρπὸν ἐλθεῖν δηλώσαντας, ἡμᾶς τε, οἷς ἐδώκαμεν, μὴ οὐχὶ βούλεσθαι ὥς πλείστην τούτοις ἀφθονίαν τροφῆς γενέσθαι; εἰ δὲ ἄρα ἐκ θεῶν πεπρωμένον ἐστὶ πολέμους ἐν ἀνθρώποις γίνεσθαι, ἡμᾶς δὲ χρὴ ἄρχεσθαι μὲν αὐτοῦ ὥς σχολαίτατα, ὅταν δὲ γένηται, καταλύεσθαι ἢ δυνατόν τάχιστα.

[6.3.7] Μετὰ τοῦτον Αὐτοκλῆς, μάλα δοκῶν ἐπιστρεφῆς εἶναι ῥήτωρ, ᾧδε ἡγόρευεν· Ἄνδρες Λακεδαιμόνιοι, ὅτι μὲν ἃ μέλλω λέγειν οὐ πρὸς χάριν ὑμῖν ῥηθήσεται οὐκ ἀγνοῶ· ἀλλὰ δοκεῖ μοι,

οἵτινες βούλονται, ἣν ἂν ποιήσωνται φιλίαν, ταύτην ὡς πλεῖστον χρόνον διαμένειν, διδακτέον εἶναι ἀλλήλους τὰ αἷτια τῶν πολέμων. ὑμεῖς δὲ ἀεὶ μὲν φατε· αὐτονόμους τὰς πόλεις χρῆ εἶναι, αὐτοὶ δ' ἐστὲ μάλιστα ἐμποδὼν τῇ αὐτονομίᾳ. συντίθεσθε μὲν γὰρ πρὸς τὰς συμμαχίδας πόλεις τοῦτο πρῶτον, ἀκολουθεῖν ὅποι ἂν ὑμεῖς ἡγήσθε. καίτοι τί τοῦτο αὐτονομίᾳ προσήκει; [6.3.8] ποιεῖσθε δὲ πολεμίους οὐκ ἀνακοινούμενοι τοῖς συμμαχοῖς, καὶ ἐπὶ τούτους ἡγεῖσθε· ὥστε πολλάκις ἐπὶ τοὺς εὐμενεστάτους ἀναγκάζονται στρατεύειν οἱ λεγόμενοι αὐτόνομοι εἶναι. ἔτι δὲ τὸ πάντων ἐναντιώτατον αὐτονομίαι, καθίστατε ἔνθα μὲν δεκαρχίας, ἔνθα δὲ τριακονταρχίας· καὶ τούτων τῶν ἀρχόντων ἐπιμελεῖσθε οὐχ ὅπως νομίμως ἄρχωσιν, ἀλλ' ὅπως δύνωνται βίαι κατέχειν τὰς πόλεις. ὥστ' εἰοίκατε τυραννίσι μᾶλλον ἢ πολιτείαις ἡδόμενοι. [6.3.9] καὶ ὅτε μὲν βασιλεὺς προσέταττεν αὐτονόμους τὰς πόλεις εἶναι, μάλα γινώσκοντες ἐφαίνεσθε ὅτι εἰ μὴ ἐάσοιεν οἱ Θηβαῖοι ἐκάστην τῶν πόλεων ἄρχειν τε ἑαυτῆς καὶ οἷς ἂν βούληται νόμοις χρῆσθαι, οὐ ποιήσουσι κατὰ τὰ βασιλέως γράμματα· ἐπεὶ δὲ παρελάβετε τὴν Καδμείαν, οὐδ' αὐτοῖς Θηβαίοις ἐπετρέπετε αὐτονόμους εἶναι. δεῖ δὲ τοὺς μέλλοντας φίλους ἔσεσθαι οὐ παρὰ τῶν ἄλλων μὲν ἀξιοῦν τῶν δικαίων τυγχάνειν, αὐτοὺς δὲ ὅπως ἂν πλεῖστα δύνωνται πλεονεκτοῦντας φαίνεσθαι.

[6.3.10] Ταῦτα εἰπὼν σιωπῇ μὲν παρὰ πάντων ἐποίησεν, ἡδομένους δὲ τοὺς ἀχθομένους τοῖς Λακεδαιμονίοις ἐποίησε. μετὰ τοῦτον Καλλίστρατος ἔλεξεν· Ἀλλ' ὅπως μὲν, ὦ ἄνδρες Λακεδαιμόνιοι, οὐκ ἐγγεγένηται ἀμαρτήματα καὶ ἀφ' ἡμῶν καὶ ἀφ' ὑμῶν ἐγὼ μὲν οὐκ ἂν ἔχειν μοι δοκῶ εἰπεῖν· οὐ μέντοι οὕτω γινώσκω ὡς τοῖς ἀμαρτάνουσιν οὐδέποτε ἔτι χρηστέον· ὁρῶ γὰρ τῶν ἀνθρώπων οὐδένα ἀναμάρτητον διατελοῦντα. δοκοῦσι δέ μοι καὶ εὐπορώτεροι ἐνίστε γίνεσθαι ἄνθρωποι ἀμαρτάνοντες, ἄλλως τε καὶ ἐὰν κολασθῶσιν ὑπὸ τῶν ἀμαρτημάτων, ὡς ἡμεῖς. [6.3.11] καὶ ὑμῖν δὲ ἔγωγε ὁρῶ διὰ τὰ ἀγνωμόνως πραχθέντα ἔστιν ὅτε πολλὰ ἀντίτυπα γιγνόμενα· ὧν ἦν καὶ ἡ καταληφθεῖσα ἐν Θήβαις Καδμεία· νῦν γοῦν, <ὥς> ἐσπουδάσατε αὐτονόμους τὰς πόλεις γενέσθαι, πᾶσαι πάλιν, ἐπεὶ ἡδίκηθησαν οἱ Θηβαῖοι, ἐπ' ἐκείνοις γεγένηται. ὥστε πεπαιδευμένους ἡμᾶς ὡς τὸ πλεονεκτεῖν ἀκερδὲς ἐστὶ νῦν ἐλπίζω πάλιν μετρίους ἐν τῇ πρὸς ἀλλήλους φιλίᾳ ἔσεσθαι. [6.3.12] ἃ δὲ βουλόμενοί τινες ἀποτρέπειν τὴν εἰρήνην διαβάλλουσιν, ὡς ἡμεῖς οὐ

φιλίας δεόμενοι, ἀλλὰ φοβούμενοι μὴ Ἀνταλκίδας ἦλθῃ ἔχων παρὰ βασιλέως χρήματα, διὰ τοῦθ' ἤκομεν, ἐνθυμήθητε ὡς φλυαροῦσι. βασιλεὺς μὲν γὰρ δήπου ἔγραψε πάσας τὰς ἐν τῇ Ἑλλάδι πόλεις αὐτονόμους εἶναι· ἡμεῖς δὲ ταῦτα ἐκείνῳ λέγοντές τε καὶ πράττοντες τί ἂν φοबीμεθα βασιλέα; ἢ τοῦτο οἶεταί τις, ὡς ἐκεῖνος βούλεται χρήματα ἀναλῶσας ἄλλους μεγάλους ποιῆσαι μᾶλλον ἢ ἄνευ δαπάνης ἃ ἔγνω ἄριστα εἶναι, ταῦτα ἑαυτῷ πεπραῆχθαι; [6.3.13] εἶεν. τί μὴν ἤκομεν; ὅτι μὲν οὖν οὐκ ἀποροῦντες, γνοίητε ἂν, εἰ μὲν βούλεσθε, πρὸς τὰ κατὰ θάλατταν ἰδόντες, εἰ δὲ βούλεσθε, πρὸς τὰ κατὰ γῆν ἐν τῷ παρόντι. <τί μὴν ἐστίν; εὐδηλον ὅτι εἰ τῶν συμμάχων τινὲς οὐκ ἄρεστὰ πράττουσιν ἡμῖν ἢ ὑμῖν ἄρεστὰ.> ἴσως δὲ καὶ βουλοίμεθ' ἂν ὧν ἔνεκα περιεσώσατε ἡμᾶς ἃ ὀρθῶς ἔγνωμεν ὑμῖν ἐπιδείξαι. [6.3.14] ἵνα δὲ καὶ τοῦ συμφόρου ἔτι ἐπιμνησθῶ, εἰσὶ μὲν δήπου πασῶν τῶν πόλεων αἱ μὲν τὰ ὑμέτερα, αἱ δὲ τὰ ἡμέτερα φρονοῦσαι, καὶ ἐν ἐκάστῃ πόλει οἱ μὲν λακωνίζουσιν, οἱ δὲ ἀττικίζουσιν. εἰ οὖν ἡμεῖς φίλοι γενοίμεθα, πόθεν ἂν εἰκότως χαλεπὸν τι προσδοκῆσαιμεν; καὶ γὰρ δὴ κατὰ γῆν μὲν τίς ἂν ὑμῶν φίλων ὄντων ἱκανὸς γένοιτο ἡμᾶς λυπῆσαι; κατὰ θάλατταν γε μὴν τίς ἂν ὑμᾶς βλάψαι τι ἡμῶν ὑμῖν ἐπιτηδεῖων ὄντων; [6.3.15] ἀλλὰ μέντοι ὅτι μὲν πόλεμοι αἰεὶ ποτε γίνονται καὶ ὅτι καταλύονται πάντες ἐπιστάμεθα, καὶ ὅτι ἡμεῖς, ἂν μὴ νῦν, ἀλλ' αὐθῖς ποτε εἰρήνης ἐπιθυμήσομεν. τί οὖν δεῖ ἐκεῖνον τὸν χρόνον ἀναμένειν, ἕως ἂν ὑπὸ πλήθους κακῶν ἀπείπωμεν, μᾶλλον ἢ οὐχ ὡς τάχιστα πρὶν τι ἀνήκεστον γενέσθαι τὴν εἰρήνην ποιήσασθαι; [6.3.16] ἀλλὰ μὴν οὐδ' ἐκείνους ἔγωγε ἐπαινῶ οἵτινες ἀγωνισταὶ γενόμενοι καὶ νενικηκότες ἤδη πολλάκις καὶ δόξαν ἔχοντες οὕτω φιλονεικοῦσιν ὥστε οὐ πρότερον παύονται, πρὶν ἂν ἡττηθέντες τὴν ἄσκησιν καταλύσωσιν, οὐδέ γε τῶν κυβευτῶν οἵτινες αὖ ἐὰν ἐν τι ἐπιτύχωσι, περὶ διπλασίων κυβεύουσιν· ὁρῶ γὰρ καὶ τῶν τοιούτων τοὺς πλείους ἀπόρους παντάπασι γιγνομένους. [6.3.17] ἃ χρὴ καὶ ἡμᾶς ὁρῶντας εἰς μὲν τοιοῦτον ἀγῶνα μηδέποτε καταστῆναι, ὥστ' ἢ πάντα λαβεῖν ἢ πάντ' ἀποβαλεῖν, ἕως δὲ καὶ ἐρρώμεθα καὶ εὐτυχοῦμεν, φίλους ἀλλήλοις γενέσθαι. οὕτω γὰρ ἡμεῖς τ' ἂν δι' ὑμᾶς καὶ ὑμεῖς δι' ἡμᾶς ἔτι μείζους ἢ τὸν παρελθόντα χρόνον ἐν τῇ Ἑλλάδι ἀναστρεφοίμεθα.

[6.3.18] Δοξάντων δὲ τούτων καλῶς εἰπεῖν, ἐνηφίσαντο καὶ οἱ Λακεδαιμόνιοι δέχεσθαι τὴν εἰρήνην, ἐφ' ᾧ τοὺς τε ἄρμοστὰς ἐκ τῶν πόλεων ἐξάγειν, τὰ τε στρατόπεδα διαλύειν καὶ τὰ ναυτικὰ καὶ

τὰ πεζικά, τὰς τε πόλεις αὐτονόμους ἔαν. εἰ δέ τις παρὰ ταῦτα ποιοίη, τὸν μὲν βουλόμενον βοηθεῖν ταῖς ἀδικουμέναις πόλεσι, τῷ δὲ μὴ βουλομένῳ μὴ εἶναι ἔνορκον συμμαχεῖν τοῖς ἀδικουμένοις. [6.3.19] ἐπὶ τούτοις ὤμοσαν Λακεδαιμόνιοι μὲν ὑπὲρ αὐτῶν καὶ τῶν συμμαχῶν, Ἀθηναῖοι δὲ καὶ οἱ σύμμαχοι κατὰ πόλεις ἕκαστοι. ἀπογραφάμενοι δ' ἐν ταῖς ὁμωμοκυΐαις πόλεσι καὶ οἱ Θηβαῖοι, προσελθόντες πάλιν τῇ ὑστεραίᾳ οἱ πρέσβεις αὐτῶν ἐκέλευον μεταγράφειν ἀντὶ Θηβαίων Βοιωτοὺς ὁμωμοκότας. ὁ δὲ Ἀγησίλαος ἀπεκρίνατο ὅτι μεταγράψει μὲν οὐδὲν ὢν τὸ πρῶτον ὤμοσάν τε καὶ ἀπεγράψαντο· εἰ μέντοι μὴ βούλονται ἐν ταῖς σπονδαῖς εἶναι, ἐξαλείφειν ἂν ἔφη, εἰ κελεύοιεν. [6.3.20] οὕτω δὴ εἰρήνην τῶν ἄλλων πεποιημένων, πρὸς δὲ Θηβαίους μόνους ἀντιλογίας οὔσης, οἱ μὲν Ἀθηναῖοι οὕτως εἶχον τὴν γνώμην ὥς νῦν Θηβαίους τὸ λεγόμενον δὴ δεκατευθῆναι ἐλπίς εἴη, αὐτοὶ δὲ οἱ Θηβαῖοι παντελῶς ἀθύμως ἔχοντες ἀπῆλθον.

[6.4.1] Ἐκ δὲ τούτου οἱ μὲν Ἀθηναῖοι τὰς τε φρουράς ἐκ τῶν πόλεων ἀπῆγον καὶ Ἱφικράτην καὶ τὰς ναῦς μετεπέμποντο, καὶ ὅσα ὕστερον ἔλαβε μετὰ τοὺς ὅρκους τοὺς ἐν Λακεδαίμονι γενομένους, πάντα ἠνάγκασαν ἀποδοῦναι. [6.4.2] Λακεδαιμόνιοι μέντοι ἐκ μὲν τῶν ἄλλων πόλεων τοὺς τε ἄρμοστὰς καὶ τοὺς φρουροὺς ἀπῆγαγον, Κλεόμβροτον δὲ ἔχοντα τὸ ἐν Φωκεῦσι στράτευμα καὶ ἐπερωτῶντα τὰ οἶκοι τέλη τί χρὴ ποιεῖν, Προθόου λέξαντος ὅτι αὐτῷ δοκοίη διαλύσαντας τὸ στράτευμα κατὰ τοὺς ὅρκους καὶ περιαγγεῖλαντας ταῖς πόλεσι συμβαλέσθαι εἰς τὸν ναὸν τοῦ Ἀπόλλωνος ὅποσον βούλοιτο ἐκάστη πόλις, ἔπειτα εἰ μὴ τις ἐώη αὐτονόμους τὰς πόλεις εἶναι, τότε πάλιν παρακαλέσαντας, ὅσοι τῇ αὐτονομίᾳ βούλονται βοηθεῖν, ἄγειν ἐπὶ τοὺς ἐναντιουμένους· οὕτω γὰρ ἂν ἔφη οἶεσθαι τοὺς τε θεοὺς εὐμενεστάτους εἶναι καὶ τὰς πόλεις ἥκιστ' ἂν ἄχθεσθαι. [6.4.3] ἡ δ' ἐκκλησία ἀκούσασα ταῦτα ἐκείνων μὲν φλυαρεῖν ἠγγήσατο· ἡ δὲ γάρ, ὥς ἔοικε, τὸ δαιμόνιον ἦγεν· ἐπέστειλαν δὲ τῷ Κλεομβρότῳ μὴ διαλύειν τὸ στράτευμα, ἀλλ' εὐθὺς ἄγειν ἐπὶ τοὺς Θηβαίους, εἰ μὴ αὐτονόμους ἀφίοιεν τὰς πόλεις. [ὁ δὲ Κλεόμβροτος, ἐπειδὴ ἐπύθετο τὴν εἰρήνην γεγεννημένην, πέμψας πρὸς τοὺς ἐφόρους ἡρώτα τί χρὴ ποιεῖν· οἱ δ' ἐκέλευσαν αὐτὸν στρατεῦειν ἐπὶ τοὺς Θηβαίους, εἰ μὴ ἀφίοιεν τὰς Βοιωτίας πόλεις αὐτονόμους.] ἐπεὶ οὖν ἦισθετο οὐχ ὅπως τὰς πόλεις ἀφιέντας, ἀλλ' οὐδὲ τὸ στράτευμα διαλύοντας, [ὥς ἀντετάττοντο πρὸς αὐτούς], οὕτω δὴ ἄγει τὴν στρατιὰν εἰς τὴν Βοιωτίαν. καὶ ἦι μὲν οἱ Θηβαῖοι ἐμβαλεῖν αὐτὸν ἐκ

τῶν Φωκέων προσεδόκων καὶ ἐπὶ στενῷ τινι ἐφύλαττον οὐκ ἐμβάλλει· διὰ Θισβῶν δὲ ὀρεινὴν καὶ ἀπροσδόκητον πορευθεὶς ἀφικνεῖται εἰς Κρεῦσιν, καὶ τὸ τεῖχος αἰρεῖ, καὶ τριῆρεις τῶν Θηβαίων δώδεκα λαμβάνει. [6.4.4] ταῦτα δὲ ποιήσας καὶ ἀναβὰς ἀπὸ τῆς θαλάττης, ἐστρατοπεδεύσατο ἐν Λεύκτροις τῆς Θεσπικῆς. οἱ δὲ Θηβαῖοι ἐστρατοπεδεύσαντο ἐπὶ τῷ ἀπαντικρὺ λόφῳ οὐ πολὺ διαλείποντες, οὐδένας ἔχοντες συμμάχους ἄλλ' ἢ τοὺς Βοιωτοὺς. ἔνθα δὴ τῷ Κλεομβρότῳ οἱ μὲν φίλοι προσιόντες ἔλεγον· [6.4.5] ὦ Κλεόμβροτε, εἰ ἀφήσεις τοὺς Θηβαίους ἄνευ μάχης, κινδυνεύσεις ὑπὸ τῆς πόλεως τὰ ἔσχατα παθεῖν. ἀναμνησθήσονται γάρ σου καὶ ὅτε εἰς Κυνὸς κεφαλὰς ἀφικόμενος οὐδὲν τῆς χώρας τῶν Θηβαίων ἐδήϊωσας, καὶ ὅτε ὕστερον στρατεύων ἀπεκρούσθης τῆς ἐμβολῆς, Ἀγησιλάου ἀεὶ ἐμβάλλοντος διὰ τοῦ Κιθαιρῶνος. εἴπερ οὖν ἡ σαντοῦ κήδηι ἢ τῆς πατρίδος ἐπιθυμεῖς, ἀκτέον ἐπὶ τοὺς ἄνδρας. οἱ μὲν φίλοι τοιαῦτα ἔλεγον· οἱ δ' ἐναντίοι· Νῦν δὴ, ἔφασαν, δηλώσει ὁ ἀνὴρ εἰ τῷ ὄντι κήδεται τῶν Θηβαίων, ὥσπερ λέγεται. [6.4.6] ὁ μὲν δὴ Κλεόμβροτος ταῦτα ἀκούων παρωξύνετο πρὸς τὸ μάχην συνάπτειν. τῶν δ' αὖ Θηβαίων οἱ προεστῶτες ἐλογίζοντο ὥς εἰ μὴ μαχοῖντο, ἀποστήσονται μὲν αἱ περιοικίδες αὐτῶν πόλεις, αὐτοὶ δὲ πολιορκήσονται· εἰ δὲ μὴ ἔξοι ὁ δῆμος ὁ Θηβαίων τάπιτήδεια, ὅτι κινδυνέουσι καὶ ἡ πόλις αὐτοῖς ἐναντία γενέσθαι. ἅτε δὲ καὶ πεφευγότες πρόσθεν πολλοὶ αὐτῶν ἐλογίζοντο κρεῖττον εἶναι μαχομένους ἀποθνήσκειν ἢ πάλιν φεύγειν. [6.4.7] πρὸς δὲ τούτοις παρεθάρρυνε μὲν τι αὐτοὺς καὶ ὁ χρησμὸς ὁ λεγόμενος ὥς δέοι ἐνταῦθα Λακεδαιμονίους ἡττηθῆναι ἔνθα τὸ τῶν παρθένων ἦν μνημα, αἷ λέγονται διὰ τὸ βιασθῆναι ὑπὸ Λακεδαιμονίων τινῶν ἀποκτεῖναι ἑαυτάς. καὶ ἐκόσμησαν δὴ τοῦτο τὸ μνημα οἱ Θηβαῖοι πρὸ τῆς μάχης. ἀπηγγέλλετο δὲ καὶ ἐκ τῆς πόλεως αὐτοῖς ὥς οἱ τε νεῶι πάντες αὐτόματοι ἀνέωγοντο, αἷ τε ἱέρειαι λέγοιεν ὥς νίκην οἱ θεοὶ φαίνουσιν. ἐκ δὲ τοῦ Ἡρακλείου καὶ τὰ ὅπλα ἔφασαν ἀφανῆ εἶναι, ὥς τοῦ Ἡρακλέους εἰς τὴν μάχην ἐξωρμημένου. οἱ μὲν δὴ τινες λέγουσιν ὥς ταῦτα πάντα τεχνάσματα ἦν τῶν προεστηκότων. [6.4.8] εἰς δ' οὖν τὴν μάχην τοῖς μὲν Λακεδαιμονίοις πάντα ἐναντία ἐγίγνετο, τοῖς δὲ πάντα καὶ ὑπὸ τῆς τύχης κατωρθοῦντο. ἦν μὲν γὰρ μετ' ἄριστον τῷ Κλεομβρότῳ ἡ τελευταία βουλή περὶ τῆς μάχης· ἐν δὲ τῇ μεσημβρίᾳ ὑποπινόντων καὶ τὸν οἶνον παροξύναι τι αὐτοὺς ἔλεγον. [6.4.9] ἐπεὶ δὲ ὠπλίζοντο ἑκάτεροι καὶ πρόδηλον ἦδη ἦν ὅτι

μάχη ἔσοιτο, πρῶτον μὲν ἀπιέναι ὠρμημένων ἐκ τοῦ Βοιωτίου στρατεύματος τῶν τὴν ἀγορὰν παρεσκευακότων καὶ σκευοφόρων τινῶν καὶ τῶν οὐ βουλομένων μάχεσθαι, περιόντες κύκλοι οἱ τε μετὰ τοῦ Ἰέρωνος μισθοφόροι καὶ οἱ τῶν Φωκέων πελτασταὶ καὶ τῶν ἱππέων Ἡρακλεῶται καὶ Φλειάσιοι ἐπιθέμενοι τοῖς ἀπιοῦσιν ἐπέστρεψάν τε αὐτοὺς καὶ κατεδίωξαν πρὸς τὸ στρατόπεδον τὸ τῶν Βοιωτῶν· ὥστε πολὺ μὲν ἐποίησαν μεῖζόν τε καὶ ἄθροώτερον ἢ πρόσθεν τὸ τῶν Βοιωτῶν στράτευμα. [6.4.10] ἔπειτα δέ, ἅτε καὶ πεδίου ὄντος τοῦ μεταξύ, προετάξαντο μὲν τῆς ἑαυτῶν φάλαγγος οἱ Λακεδαιμονῖοι τοὺς ἱππείας, ἀντετάξαντο δ' αὐτοῖς καὶ οἱ Θηβαῖοι τοὺς ἑαυτῶν. ἦν δὲ τὸ μὲν τῶν Θηβαίων ἱππικὸν μεμελετηκὸς διὰ τε τὸν πρὸς Ὀρχομενίους πόλεμον καὶ διὰ τὸν πρὸς Θεσπιᾶς, τοῖς δὲ Λακεδαιμονίοις κατ' ἐκεῖνον τὸν χρόνον πονηρότατον ἦν τὸ ἱππικόν. [6.4.11] ἔτρεφον μὲν γὰρ τοὺς ἵππους οἱ πλουσιώτατοι· ἐπεὶ δὲ φρουρὰ φανθείη, τότε ἦκεν ὁ συντεταγμένος· λαβὼν δ' ἂν τὸν ἵππον καὶ ὅπλα ὅποια δοθείη αὐτῶι ἐκ τοῦ παραχρῆμα ἂν ἐστρατεύετο· τῶν δ' αὖ στρατιωτῶν οἱ τοῖς σώμασιν ἀδυνατώτατοι καὶ ἥκιστα φιλότιμοι ἐπὶ τῶν ἵππων ἦσαν. [6.4.12] τοιοῦτον μὲν οὖν τὸ ἱππικὸν ἐκατέρων ἦν. τῆς δὲ φάλαγγος τοὺς μὲν Λακεδαιμονίους ἔφασαν εἰς τρεῖς τὴν ἐνωμοτίαν ἄγειν· τοῦτο δὲ συμβαίνειν αὐτοῖς οὐ πλέον ἢ εἰς δώδεκα τὸ βάθος. οἱ δὲ Θηβαῖοι οὐκ ἔλαττον ἢ ἐπὶ πεντήκοντα ἀσπίδων συνεστραμμένοι ἦσαν, λογιζόμενοι ὥς εἰ νικήσειαν τὸ περὶ τὸν βασιλέα, τὸ ἄλλο πᾶν εὐχείρωτον ἔσοιτο. [6.4.13] ἐπεὶ δὲ ἥρξατο ἄγειν ὁ Κλεόμβροτος πρὸς τοὺς πολεμίους, πρῶτον μὲν πρὶν καὶ αἰσθῆσθαι τὸ μετ' αὐτοῦ στράτευμα ὅτι ἡγοῖτο, καὶ δὴ καὶ οἱ ἱππεῖς συνεβεβλήκεσαν καὶ ταχὺ ἡττηντο οἱ τῶν Λακεδαιμονίων· φεύγοντες δὲ ἐνεπεπτώκεσαν τοῖς ἑαυτῶν ὀπλίταις, ἔτι δὲ ἐνέβαλλον οἱ τῶν Θηβαίων λόχοι. ὅμως δὲ ὥς οἱ μὲν περὶ τὸν Κλεόμβροτον τὸ πρῶτον ἐκράτουν τῇ μάχῃ σαφεῖ τούτῳ τεκμηρίῳ γνοίη τις ἂν· οὐ γὰρ ἂν ἐδύναντο αὐτὸν ἀνελεῖσθαι καὶ ζῶντα ἀπενεγκεῖν, εἰ μὴ οἱ πρὸ αὐτοῦ μαχόμενοι ἐπεκράτουν ἐν ἐκείνῳ τῷ χρόνῳ. [6.4.14] ἐπεὶ μέντοι ἀπέθανε Δείνων τε ὁ πολέμαρχος καὶ Σφοδρίας τῶν περὶ δαμοσίαν καὶ Κλεώνυμος ὁ υἱὸς αὐτοῦ, καὶ οἱ <μὲν ἵπποι> καὶ οἱ συμφορεῖς τοῦ πολεμάρχου καλούμενοι οἱ τε ἄλλοι ὑπὸ τοῦ ὄχλου ὠθούμενοι ἀνεχώρουν, οἱ δὲ τοῦ εὐωνύμου ὄντες τῶν Λακεδαιμονίων ὥς ἐώρων τὸ δεξιὸν ὠθούμενον, ἐνέκλιναν· ὅμως δὲ πολλῶν τεθνεώτων καὶ ἡττημένοι ἐπεὶ διέβησαν τὴν τάφρον ἢ πρὸ

τοῦ στρατοπέδου ἔτυχεν οὕσα αὐτοῖς, ἔθεντο τὰ ὄπλα κατὰ χώραν ἔνθεν ὥρμηντο. ἦν μέντοι οὐ πάνυ ἐν ἐπιπέδῳ, ἀλλὰ πρὸς ὀρθίῳ μᾶλλον τι τὸ στρατόπεδον. ἐκ δὲ τούτου ἦσαν μὲν τινες τῶν Λακεδαιμονίων οἱ ἀφόρητον τὴν συμφορὰν ἡγούμενοι τό τε τροπαῖον ἔφασαν χρῆναι κωλύειν ἰστάναι τοὺς πολέμιους, τοὺς τε νεκροὺς μὴ ὑποσπόνδους, ἀλλὰ διὰ μάχης πειρᾶσθαι ἀναιρεῖσθαι. [6.4.15] οἱ δὲ πολέμαρχοι, ὀρῶντες μὲν τῶν συμπάντων Λακεδαιμονίων τεθνεῶτας ἐγγὺς χιλίους, ὀρῶντες δ' αὐτῶν Σπαρτιατῶν, ὄντων τῶν ἐκεῖ ὡς ἑπτακοσίων, τεθνηκότας περὶ τετρακοσίους, αἰσθανόμενοι δὲ τοὺς συμμάχους πάντας μὲν ἀθύμως ἔχοντας πρὸς τὸ μάχεσθαι, ἔστι δὲ οὕς αὐτῶν οὐδὲ ἀχθομένους τῷ γεγεννημένῳ, συλλέξαντες τοὺς ἐπικαιριωτάτους ἐβουλεύοντο τί χρὴ ποιεῖν. ἐπεὶ δὲ πᾶσιν ἐδόκει ὑποσπόνδους τοὺς νεκροὺς ἀναιρεῖσθαι, οὕτω δὲ ἔπεμψαν κήρυκα περὶ σπονδῶν. οἱ μέντοι Θηβαῖοι μετὰ ταῦτα καὶ τροπαῖον ἐστήσαντο καὶ τοὺς νεκροὺς ὑποσπόνδους ἀπέδωσαν.

[6.4.16] Γενομένων δὲ τούτων, ὁ μὲν εἰς τὴν Λακεδαίμονα ἀγγελῶν τὸ πάθος ἀφικνεῖται γυμνοπαιδῶν τε οὔσης τῆς τελευταίας καὶ τοῦ ἀνδρικοῦ χοροῦ ἔνδον ὄντος· οἱ δὲ ἔφοροι ἐπεὶ ἤκουσαν τὸ πάθος, ἔλυποῦντο μὲν, ὥσπερ, οἶμαι, ἀνάγκη· τὸν μέντοι χορὸν οὐκ ἐξήγαγον, ἀλλὰ διαγωνίσασθαι εἶων. καὶ τὰ μὲν ὀνόματα πρὸς τοὺς οἰκείους ἐκάστου τῶν τεθνεώτων ἀπέδωσαν· προεῖπαν δὲ ταῖς γυναιξὶ μὴ ποιεῖν κραυγὴν, ἀλλὰ σιγῇ τὸ πάθος φέρειν. τῇ δ' ὑστεραίᾳ ἦν ὄρα, ὧν μὲν ἐτέθνασαν οἱ προσήκοντες, λιπαροὺς καὶ φαιδροὺς ἐν τῷ φανερῷ ἀναστρεφόμενους, ὧν δὲ ζῶντες ἡγγελμένοι ἦσαν, ὀλίγους ἂν εἶδες, τούτους δὲ σκυθρωποὺς καὶ ταπεινοὺς περιόντας.

[6.4.17] Ἐκ δὲ τούτου φρουρὰν μὲν ἔφαινον οἱ ἔφοροι ταῖν ὑπολοίπων μόραιν μέχρι τῶν τετταράκοντα ἀφ' ἥβης· ἐξέπεμπον δὲ καὶ ἀπὸ τῶν ἔξω μορῶν μέχρι τῆς αὐτῆς ἡλικίας· τὸ γὰρ πρόσθεν εἰς τοὺς Φωκέας μέχρι τῶν πέντε καὶ τριάκοντα ἀφ' ἥβης ἐστρατεύοντο· καὶ τοὺς ἐπ' ἀρχαῖς δὲ τότε καταλειφθέντας ἀκολουθεῖν ἐκέλευον. [6.4.18] ὁ μὲν οὖν Ἀγησίλαος ἐκ τῆς ἀσθενείας οὐπω ἴσχυεν· ἡ δὲ πόλις Ἀρχίδαμον τὸν υἱὸν ἐκέλευεν αὐτοῦ ἡγεῖσθαι. προθύμως δ' αὐτῷ συνεστρατεύοντο Τεγεᾶτοι· ἔτι γὰρ ἔζων οἱ περὶ Στάσιππον, λακωνίζοντες καὶ οὐκ ἐλάχιστον δυνάμενοι ἐν τῇ πόλει. ἐρρωμένως δὲ καὶ οἱ Μαντινεῖς ἐκ τῶν κωμῶν συνεστρατεύοντο· ἀριστοκρατούμενοι γὰρ ἐτύγγανον. καὶ Κορίνθιοι δὲ καὶ Σικυώνιοι

καὶ Φλειάσιοι καὶ Ἀχαιοὶ μάλα προθύμως ἠκολούθουν, καὶ ἄλλαι δὲ πόλεις ἐξέπεμπον στρατιώτας. ἐπλήρουν δὲ καὶ τριήρεις αὐτοὶ τε οἱ Λακεδαιμόνιοι καὶ Κορίνθιοι, καὶ ἐδέοντο καὶ Σικυωνίων συμπληροῦν, ἐφ' ὧν διανοοῦντο τὸ στράτευμα διαβιβάζειν. [6.4.19] καὶ ὁ μὲν δὴ Ἀρχίδαμος ἐθύετο ἐπὶ τῇ διαβάσει.

Οἱ δὲ Θηβαῖοι εὐθύς μὲν μετὰ τὴν μάχην ἔπεμψαν εἰς Ἀθήνας ἄγγελον ἐστεφανωμένον, καὶ ἅμα μὲν τῆς νίκης τὸ μέγεθος ἔφραζον, ἅμα δὲ βοηθεῖν ἐκέλευον. λέγοντες ὡς νῦν ἐξείη Λακεδαιμονίους πάντων ὧν ἐπεποιήκεσαν αὐτοὺς τιμωρήσασθαι. [6.4.20] τῶν δὲ Ἀθηναίων ἡ βουλὴ ἐτύγγανεν ἐν ἀκροπόλει καθημένη. ἐπεὶ δ' ἤκουσαν τὸ γεγενημένον, ὅτι μὲν σφόδρα ἠνιάθησαν πᾶσι δῆλον ἐγένετο· οὔτε γὰρ ἐπὶ ξένια τὸν κήρυκα ἐκάλεσαν, περὶ τε τῆς βοηθείας οὐδὲν ἀπεκρίναντο. καὶ Ἀθήνηθεν μὲν οὕτως ἀπῆλθεν ὁ κήρυξ. πρὸς μέντοι Ἰάσωνα, σύμμαχον ὄντα, ἔπεμπον σπουδῇ οἱ Θηβαῖοι, κελεύοντες βοηθεῖν, διαλογιζόμενοι πῇ τὸ μέλλον ἀποβήσοιτο. [6.4.21] ὁ δ' εὐθύς τριήρεις μὲν ἐπλήρου, ὡς βοηθήσων κατὰ θάλατταν, συλλαβὼν δὲ τό τε ξενικὸν καὶ τοὺς περὶ αὐτὸν ἱππείας, καίπερ ἀκηρύκτωι πολέμωι τῶν Φωκέων χρωμένων, πεζῇ διεπορεύθη εἰς τὴν Βοιωτίαν, ἐν πολλαῖς τῶν πόλεων πρότερον ὀφθεῖς ἢ ἀγγελλεῖς ὅτι πορεύοιτο. πρὶν γοῦν συλλέγεσθαι τι πανταχόθεν ἔφθανε πόρρω γιγνόμενος, δῆλον ποιῶν ὅτι πολλαχοῦ τὸ τάχος μᾶλλον τῆς βίας διαπράττεται τὰ δέοντα. [6.4.22] ἐπεὶ δὲ ἀφίκετο εἰς τὴν Βοιωτίαν, λεγόντων τῶν Θηβαίων ὡς καιρὸς εἴη ἐπιτίθεσθαι τοῖς Λακεδαιμονίοις, ἄνωθεν μὲν ἐκείνον σὺν τῷ ξενικῷ, σφᾶς δὲ ἀντιπροσώπους, ἀπέτρεπεν αὐτοὺς ὁ Ἰάσων, διδάσκων ὡς καλοῦ ἔργου γεγενημένου οὐκ ἄξιον αὐτοῖς εἶη διακινδυνεύσαι, ὥστε ἢ ἔτι μείζω καταπρᾶξαι ἢ στερηθῆναι καὶ τῆς γεγενημένης νίκης. [6.4.23] οὐχ ὁπᾶτε, ἔφη, ὅτι καὶ ὑμεῖς, ἐπεὶ ἐν ἀνάγκῃ ἐγένεσθε, ἐκρατήσατε; οἶεσθαι οὖν χρὴ καὶ Λακεδαιμονίους ἄν, εἰ ἀναγκάζοιντο <ἐκγενέσθαι τοῦ ζῆν>, ἀπονοηθέντας διαμάχεσθαι. καὶ ὁ θεὸς δέ, ὡς ἔοικε, πολλάκις χαίρει τοὺς μὲν μικροὺς μεγάλους ποιῶν, τοὺς δὲ μεγάλους μικροὺς. [6.4.24] τοὺς μὲν οὖν Θηβαίους τοιαῦτα λέγων ἀπέτρεπε τοῦ διακινδυνεύειν· τοὺς δ' αὖ Λακεδαιμονίους ἐδίδασκεν οἷον μὲν εἶη ἡττημένον στράτευμα, οἷον δὲ νενικηκός. εἰ δ' ἐπιλαθέσθαι, ἔφη, βούλεσθε τὸ γεγενημένον πάθος, συμβουλευώ ἀναπνεύσαντας καὶ ἀναπαυσασμένους καὶ μείζους γεγενημένους τοῖς ἀηττήτοις οὕτως εἰς μάχην ἰέναι. νῦν δέ, ἔφη, εὖ ἴστε ὅτι καὶ τῶν

συμμάχων ὑμῖν εἰσὶν οἱ διαλέγονται περὶ φιλίας τοῖς πολεμίοις· ἀλλὰ ἐκ παντὸς τρόπου πειρᾶσθε σπονδὰς λαβεῖν. ταῦτα δ', ἔφη, ἐγὼ προθυμοῦμαι, σῶσαι ὑμᾶς βουλόμενος διὰ τε τὴν τοῦ πατρὸς φιλίαν πρὸς ὑμᾶς καὶ διὰ τὸ προξενεῖν ὑμῶν. [6.4.25] ἔλεγε μὲν οὖν τοιαῦτα, ἔπραττε δ' ἴσως ὅπως διάφοροι καὶ οὗτοι ἀλλήλοις ὄντες ἀμφοτέρω ἐκείνου δέοιντο. οἱ μὲντοι Λακεδαιμόνιοι, ἀκούσαντες αὐτοῦ, πράττειν περὶ τῶν σπονδῶν ἐκέλευον· ἐπεὶ δ' ἀπηγγέλη ὅτι εἶψαν αἱ σπονδαί, παρήγγειλαν οἱ πολέμαρχοι δευπνήσαντας συνεσκευάσθαι πάντα, ὡς τῆς νυκτὸς πορευσομένους, ὅπως ἅμα τῇ ἡμέρᾳ πρὸς τὸν Κιθαιρῶνα ἀναβαίνοινεν. ἐπεὶ δ' ἐδείπνησαν, πρὶν καθεύδειν παραγγείλαντες ἀκολουθεῖν, ἡγοῦντο εὐθὺς ἀφ' ἐσπέρας τὴν διὰ Κρεῦσιος, τῷ λαθεῖν πιστεύοντες μᾶλλον ἢ ταῖς σπονδαῖς. [6.4.26] μάλα δὲ χαλεπῶς πορευόμενοι, οἷα δὴ ἐν νυκτί τε καὶ ἐν φόβῳ ἀπιόντες καὶ χαλεπὴν ὁδόν, εἰς Αἰγόσθενα τῆς Μεγαρικῆς ἀφικνοῦνται. ἐκεῖ δὲ περιτυγχάνουσι τῷ μετὰ Ἀρχιδάμου στρατεύματι. ἔνθα δὴ ἀναμείνας, ἕως καὶ οἱ σύμμαχοι πάντες παρεγένοντο, ἀπῆγε πᾶν ὁμοῦ τὸ στράτευμα μέχρι Κορίνθου· ἐκεῖθεν δὲ τοὺς μὲν συμμάχους ἀφῆκε, τοὺς δὲ πολίτας οἴκαδε ἀπήγαγεν.

[6.4.27] Ὁ μὲντοι Ἰάσων ἀπιὼν διὰ τῆς Φωκίδος Ὑαμπολιτῶν μὲν τό τε προάστιον εἶλε καὶ τὴν χώραν ἐπόρθησε καὶ ἀπέκτεινε πολλούς· τὴν δ' ἄλλην Φωκίδα διήλθεν ἀπραγμόνως. ἀφικόμενος δὲ εἰς Ἡράκλειαν κατέβαλε τὸ Ἡρακλεωτῶν τεῖχος, δῆλον ὅτι οὐ τοῦτο φοβούμενος, μή τινες ἀναπεπταμένης ταύτης τῆς παρόδου πορεύσονται ἐπὶ τὴν ἐκείνου δύναμιν, ἀλλὰ μᾶλλον ἐνθυμούμενος μή τινες τὴν Ἡράκλειαν ἐπὶ στενῷ οὖσαν καταλαβόντες εἵργοιεν αὐτόν, εἴ ποί βούλοιο τῆς Ἑλλάδος πορεύεσθαι. [6.4.28] ἐπεὶ δὲ ἀπῆλθε πάλιν εἰς τὴν Θετταλίαν, μέγας μὲν ἦν καὶ διὰ τὸ τῷ νόμῳ Θετταλῶν ταγὸς καθεστάναι καὶ διὰ τὸ μισθοφόρους πολλοὺς τρέφειν περὶ αὐτόν καὶ πεζοὺς καὶ ἵππεις, καὶ τούτους ἐκτεπονημένους ὡς ἂν κράτιστοι εἶεν· ἔτι δὲ μείζων καὶ διὰ τὸ συμμάχους πολλοὺς τοὺς μὲν ἤδη εἶναι αὐτῷ, τοὺς δὲ καὶ ἔτι βούλεσθαι γίνεσθαι. μέγιστος δ' ἦν τῶν καθ' αὐτόν τῳ μηδ' ὑφ' ἐνὸς εὐκαταφρόνητος εἶναι. [6.4.29] ἐπιόντων δὲ Πυθίων παρήγγειλε μὲν ταῖς πόλεσι βοῦς καὶ οἷς καὶ αἶγας καὶ ὕς παρασκευάζεσθαι ὡς εἰς τὴν θυσίαν· καὶ ἔφασαν πάνυ μετρίως ἐκάστη πόλει ἐπαγγελιομένῳ γενέσθαι βοῦς μὲν οὐκ ἐλάττους χιλίων, τὰ δὲ ἄλλα βοσκήματα πλείω ἢ μύρια. ἐκήρυξε δὲ καὶ νικητήριον χρυσοῦν

στέφανον ἔσσεσθαι, ἥτις τῶν πόλεων βούν ἡγεμόνα κάλλιστον τῷ θεῷ θρέψει. [6.4.30] παρήγγειλε δὲ καὶ ὡς στρατευσομένοις εἰς τὸν περὶ τὰ Πύθια χρόνον Θετταλοῖς παρασκευάζεσθαι· διενοεῖτο γάρ, ὡς ἔφασαν, καὶ τὴν πανήγυριν τῷ θεῷ καὶ τοὺς ἀγῶνας αὐτὸς διατιθέναι. περὶ μέντοι τῶν ἱερῶν χρημάτων ὅπως μὲν διενοεῖτο ἔτι καὶ νῦν ἄδηλον· λέγεται δὲ ἐπερομένων τῶν Δελφῶν τί χρῆ ποιεῖν, ἐὰν λαμβάνῃ τῶν τοῦ θεοῦ χρημάτων, ἀποκρίνασθαι τὸν θεὸν ὅτι αὐτῷ μελήσει. [6.4.31] ὁ δ' οὖν ἀνὴρ τηλικούτος ὢν καὶ τοσαῦτα καὶ τοιαῦτα διανοούμενος, ἐξέτασιν πεποιηκῶς καὶ δοκιμασίαν τοῦ Φεραίων ἵππικοῦ, καὶ ἤδη καθημένος καὶ ἀποκρινόμενος, εἴ τις δεόμενός του προσίοι, ὑπὸ νεανίσκων ἑπτὰ προσελθόντων ὡς διαφερομένων τι ἀλλήλοις ἀποσφάττεται καὶ κατακόπτεται. [6.4.32] βοηθησάντων δὲ ἐρρωμένως τῶν παραγενομένων δορυφόρων εἷς μὲν ἔτι τύπτων τὸν Ἰάσονα λόγχῃ πληγεὶς ἀποθνήσκει· ἕτερος δὲ ἀναβαίνων ἐφ' ἵππον ἐγκαταληφθεὶς καὶ πολλὰ τραύματα λαβὼν ἀπέθανεν· οἱ δ' ἄλλοι ἀναπηδήσαντες ἐπὶ τοὺς παρεσκευασμένους ἵππους ἀπέφυγον· ὅποι δὲ ἀφικοιντο τῶν Ἑλληνίδων πόλεων, ἐν ταῖς πλείσταις ἐτιμῶντο. ὧι καὶ δῆλον ἐγένετο ὅτι ἰσχυρῶς ἔδεισαν οἱ Ἕλληνες αὐτὸν μὴ τύραννος γένοιτο.

[6.4.33] Ἀποθανόντος μέντοι ἐκείνου Πολύδωρος ἀδελφὸς αὐτοῦ καὶ Πολύφρων ταγοὶ κατέστησαν, καὶ ὁ μὲν Πολύδωρος, πορευομένων ἀμφοτέρων εἰς Λάρισαν, νύκτωρ καθεύδων ἀποθνήσκει ὑπὸ Πολύφρονος τοῦ ἀδελφοῦ, ὡς ἐδόκει· ὁ γὰρ θάνατος αὐτοῦ ἐξαπιναιῶς τε καὶ οὐκ ἔχων φανεράν πρόφασιν ἐγένετο. [6.4.34] ὁ δ' αὖ Πολύφρων ἥρξε μὲν ἐνιαυτόν, κατεσκευάσατο δὲ τὴν ταγείαν τυραννίδι ὁμοίαν. ἔν τε γὰρ Φαρσάλῳ τὸν Πολυδάμαντα καὶ ἄλλους τῶν πολιτῶν ὀκτὼ τοὺς κρατίστους ἀπέκτεινεν, ἔκ τε Λαρίσης πολλοὺς φυγάδας ἐποίησε. [6.4.35] ταῦτα δὲ ποιῶν καὶ οὗτος ἀποθνήσκει ὑπ' Ἀλεξάνδρου, ὡς τιμωροῦντος τῷ Πολυδώρῳ καὶ τὴν τυραννίδα καταλύοντος. ἐπεὶ δ' αὐτὸς παρέλαβε τὴν ἀρχήν, χαλεπὸς μὲν Θετταλοῖς ταγὸς ἐγένετο, χαλεπὸς δὲ Θηβαίοις καὶ Ἀθηναίοις πολέμιος, ἄδικος δὲ ληιστὴς καὶ κατὰ γῆν καὶ κατὰ θάλατταν. τοιοῦτος δ' ὢν καὶ αὐτὸς αὖ ἀποθνήσκει, αὐτοχειρίαι μὲν ὑπὸ τῶν τῆς γυναικὸς ἀδελφῶν, βουλῇ δὲ ὑπ' αὐτῆς ἐκείνης. [6.4.36] τοῖς τε γὰρ ἀδελφοῖς ἐξήγγειλεν ὡς ὁ Ἀλέξανδρος ἐπιβουλεύοι αὐτοῖς καὶ ἔκρυσεν αὐτοὺς ἔνδον ὄντας ὅλην τὴν ἡμέραν, καὶ δεξαμένη μεθύοντα τὸν Ἀλέξανδρον ἐπεὶ κατεκοίμισεν,

ὁ μὲν λύχνος ἐκάετο, τὸ δὲ ξίφος αὐτοῦ ἐξήνεγκεν. ὥς δ' ἦισθετο ὀκνοῦντας εἰσιέναι ἐπὶ τὸν Ἀλέξανδρον τοὺς ἀδελφούς, εἶπεν ὥς εἰ μὴ ἤδη πράξοιεν, ἐξεγερεῖ αὐτόν. ὥς δ' εἰσῆλθον, ἐπισπάσασα τὴν θύραν εἶχετο τοῦ ρόπτρου, ἕως ἀπέθανεν ὁ ἀνὴρ. [6.4.37] ἡ δὲ ἔχθρα λέγεται αὐτῇ πρὸς τὸν ἄνδρα γενέσθαι ὑπὸ μὲν τινων ὥς ἐπεὶ ἔδῃσε τὰ ἑαυτοῦ παιδικὰ ὁ Ἀλέξανδρος, νεανίσκον ὄντα καλόν, δεηθείσης αὐτῆς λῦσαι ἐξαγαγὼν αὐτὸν ἀπέσφαξεν· οἱ δὲ τινες ὥς ἐπεὶ παῖδες αὐτῷ οὐκ ἐγίνοντο ἐκ ταύτης, ὅτι πέμπων εἰς Θήβας ἐμνήστευε τὴν Ἰάσονος γυναῖκα [ἄνα]λαβεῖν. τὰ μὲν οὖν αἷτια τῆς ἐπιβουλῆς ὑπὸ τῆς γυναικὸς οὕτω λέγεται· τῶν δὲ ταῦτα πραξάντων ἄχρι οὗ ὅδε ὁ λόγος ἐγράφετο Τισίφονος πρεσβύτατος ὢν τῶν ἀδελφῶν τὴν ἀρχὴν εἶχε.

[6.5.1] Καὶ τὰ μὲν Θετταλικά, ὅσα περὶ Ἰάσονα ἐπράχθη καὶ μετὰ τὸν ἐκείνου θάνατον μέχρι τῆς Τισιφόνου ἀρχῆς, δεδήλωται· νῦν δ' ἐπάνειμι ἔνθεν ἐπὶ ταῦτα ἐξέβην. ἐπεὶ γὰρ Ἀρχίδαμος ἐκ τῆς ἐπὶ Λευκτρα βοηθείας ἀπήγαγε τὸ στράτευμα, ἐνθυμηθέντες οἱ Ἀθηναῖοι ὅτι οἱ Πελοποννήσιοι ἔτι οἴονται χρῆναι ἀκολουθεῖν καὶ οὕτω διακέοιντο οἱ Λακεδαιμόνιοι ὥσπερ τοὺς Ἀθηναίους διέθεσαν, μεταπέμπονται τὰς πόλεις ὅσαι βούλονται τῆς εἰρήνης μετέχειν ἢν βασιλεὺς κατέπεμψεν. [6.5.2] ἐπεὶ δὲ συνῆλθον, δόγμα ἐποιήσαντο μετὰ τῶν κοινωνεῖν βουλομένων ὁμόσαι τόνδε τὸν ὄρκον. Ἐμμενῶ ταῖς σπονδαῖς ἃς βασιλεὺς κατέπεμψε καὶ τοῖς ψηφίσμασι τοῖς Ἀθηναίων καὶ τῶν συμμάχων. ἐὰν δὲ τις στρατεύῃ ἐπὶ τινα πόλιν τῶν ὁμοσασῶν τόνδε τὸν ὄρκον, βοηθήσω παντὶ σθένει. οἱ μὲν οὖν ἄλλοι πάντες ἔχαιρον τῷ ὄρκῳ· Ἡλεῖοι δὲ ἀντέλεγον ὥς οὐ δέοι αὐτονόμους ποιεῖν οὔτε Μαργανέας οὔτε Σκιλλουντίους οὔτε Τριφυλίους· σφετέρας γὰρ εἶναι ταύτας τὰς πόλεις. [6.5.3] οἱ δ' Ἀθηναῖοι καὶ οἱ ἄλλοι ψηφισάμενοι, ὥσπερ βασιλεὺς ἔγραψεν, αὐτονόμους εἶναι ὁμοίως καὶ μικρὰς καὶ μεγάλας πόλεις, ἐξέπεμψαν τοὺς ὀρκωτάς, καὶ ἐκέλευσαν τὰ μέγιστα τέλη ἐν ἐκάστη πόλει ὀρκῶσαι. καὶ ὤμοσαν πάντες πλην Ἡλείων.

Ἐξ ὧν δὴ καὶ οἱ Μαντινεῖς, ὥς ἤδη αὐτόνομοι παντάπασιν ὄντες, συνῆλθόν τε πάντες καὶ ἐψηφίσαντο μίαν πόλιν τὴν Μαντίνειαν ποιεῖν καὶ τειχίζειν τὴν πόλιν. [6.5.4] οἱ δ' αὖ Λακεδαιμόνιοι ἡγοῦντο, εἰ τοῦτο ἄνευ τῆς σφετέρας γνώμης ἔσοιτο, χαλεπὸν ἔσεσθαι. πέμπουσιν οὖν Ἀγησίλαον πρεσβευτὴν πρὸς τοὺς Μαντινέας, ὅτι ἐδόκει πατρικὸς φίλος αὐτοῖς εἶναι. ἐπεὶ δὲ ἀφίκετο πρὸς αὐτούς, τὸν

μὲν δῆμον τῶν Μαντινέων οἱ ἄρχοντες οὐκ ἤθελον συλλέξαι αὐτῶι, πρὸς δὲ σφᾶς ἐκέλευον λέγειν ὅτου δέοιτο. ὁ δὲ ὑπὸ σπινθὴρι αὐτοῖς, ἐὰν νῦν ἐπίσχωσι τῆς τειχίσεως, ποιήσειν ὥστε μετὰ τῆς Λακεδαιμόνου γνώμης καὶ μὴ δαπανηρῶς τειχισθῆναι τὸ τεῖχος. [6.5.5] ἐπεὶ δὲ ἀπεκρίναντο ὅτι ἀδύνατον εἶη ἐπισχεῖν, δόγματος γεγενημένου πάσῃ τῇ πόλει ἤδη τειχίζειν, ἐκ τούτου ὁ μὲν Ἀγησίλαος ἀπῆι ὀργιζόμενος· στρατεύειν γε μέντοι ἐπ’ αὐτοὺς οὐ δυνατόν ἐδόκει εἶναι, ἐπ’ αὐτονομίαι τῆς εἰρήνης γεγενημένης. τοῖς δὲ Μαντινεῦσιν ἔπεμπον μὲν καὶ τῶν Ἀρκαδικῶν πόλεων τινες συντειχοῦντας, οἱ δὲ Ἥλεῖοι καὶ ἀργυρίου τρία τάλαντα συνεβάλλοντο αὐτοῖς εἰς τὴν περὶ τὸ τεῖχος δαπάνην. καὶ οἱ μὲν Μαντινεῖς περὶ ταῦτ’ ἦσαν.

[6.5.6] Τῶν δὲ Τεγεατῶν οἱ μὲν περὶ τὸν Καλλίβιον καὶ Πρόξενον ἐνήγον ἐπὶ τὸ συνιέναι τε πᾶν τὸ Ἀρκαδικόν, καὶ ὃ τι νικῶν ἐν τῷ κοινῷ, τοῦτο κύριον εἶναι καὶ τῶν πόλεων· οἱ δὲ περὶ τὸν Στάσιππον ἔπραττον ἐὰν τε κατὰ χώραν τὴν πόλιν καὶ τοῖς πατρίοις νόμοις χρῆσθαι. [6.5.7] ἡττώμενοι δὲ οἱ περὶ τὸν Πρόξενον καὶ Καλλίβιον ἐν τοῖς θεαροῖς νομίσαντες, εἰ συνέλθοι ὁ δῆμος, πολὺ ἂν τῷ πλήθει κρατῆσαι, ἐκφέρονται τὰ ὄπλα. ἰδόντες δὲ τοῦτο οἱ περὶ τὸν Στάσιππον, καὶ αὐτοὶ ἀνθωπλίσαντο, καὶ ἀριθμῶι μὲν οὐκ ἐλάττους ἐγένοντο· ἐπεὶ μέντοι εἰς μάχην ὥρμησαν, τὸν μὲν Πρόξενον καὶ ἄλλους ὀλίγους μετ’ αὐτοῦ ἀποκτείνουσι, τοὺς δ’ ἄλλους τρεψάμενοι οὐκ ἐδίωκον· καὶ γὰρ τοιοῦτος ὁ Στάσιππος ἦν οἷος μὴ βούλεσθαι πολλοὺς ἀποκτείνουσαι τῶν πολιτῶν. [6.5.8] οἱ δὲ περὶ τὸν Καλλίβιον ἀνακεχωρηκότες ὑπὸ τὸ πρὸς Μαντινείας τεῖχος καὶ τὰς πύλας, ἐπεὶ οὐκέτι αὐτοῖς οἱ ἐναντίοι ἐπεχείρουν, ἡσυχίαν εἶχον ἡθροισμένοι. καὶ πάλαι μὲν ἐπεπόμφεσαν ἐπὶ τοὺς Μαντινέας βοηθεῖν κελεύοντες· πρὸς δὲ τοὺς περὶ Στάσιππον διελέγοντο περὶ συναλλαγῶν. ἐπεὶ δὲ καταφανεῖς ἦσαν οἱ Μαντινεῖς προσιόντες, οἱ μὲν αὐτῶν ἀναπηδῶντες ἐπὶ τὸ τεῖχος ἐκέλευον βοηθεῖν τὴν ταχίστην, καὶ βοῶντες σπεύδειν διεκελεύοντο· ἄλλοι δὲ ἀνοίγουσι τὰς πύλας αὐτοῖς. [6.5.9] οἱ δὲ περὶ τὸν Στάσιππον ὥς ἦσθοντο τὸ γιγνόμενον, ἐκπίπτουσι κατὰ τὰς ἐπὶ τὸ Παλλάντιον φερούσας πύλας, καὶ φθάνουσι πρὶν καταληφθῆναι ὑπὸ τῶν διωκόντων εἰς τὸν τῆς Ἀρτέμιδος νεῶν καταφυγόντες, καὶ ἐγκλεισάμενοι ἡσυχίαν εἶχον. οἱ δὲ μεταδιώξαντες ἐχθροὶ αὐτῶν ἀναβάντες ἐπὶ τὸν νεῶν καὶ τὴν ὀροφὴν διελόντες ἔπαιον ταῖς κεραμίσιν. οἱ δὲ ἐπεὶ ἔγνωσαν τὴν

ανάγκην, παύεσθαί τε ἐκέλευον καὶ ἐξιέναι ἔφασαν. οἱ δ' ἐναντίοι ὡς ὑποχειρίους ἔλαβον αὐτούς, δῆσαντες καὶ ἀναβαλόντες ἐπὶ τὴν ἀρμάμαξαν ἀπήγαγον εἰς Τεγέαν. ἐκεῖ δὲ μετὰ τῶν Μαντινέων καταγνόντες ἀπέκτειναν.

[6.5.10] Τούτων δὲ γιγνομένων ἔφυγον εἰς Λακεδαίμονα τῶν περὶ Στάσιππον Τεγεατῶν περὶ ὀκτακοσίους. μετὰ δὲ ταῦτα τοῖς Λακεδαιμονίοις ἐδόκει βοηθητέον εἶναι κατὰ τοὺς ὅρκους τοῖς τεθνεῶσί τε τῶν Τεγεατῶν καὶ ἐκπεπτωκόσι· καὶ οὕτω στρατεύουσιν ἐπὶ τοὺς Μαντινέας, ὡς παρὰ τοὺς ὅρκους σὺν ὅπλοις ἐληλυθότων αὐτῶν ἐπὶ τοὺς Τεγεάτας. καὶ φρουρὰν μὲν οἱ ἔφοροι ἔφαινον, Ἀγησίλαον δ' ἐκέλευεν ἡ πόλις ἡγεῖσθαι. [6.5.11] οἱ μὲν οὖν ἄλλοι Ἀρκάδες εἰς Ἀσέαν συνελέγοντο. Ὀρχομενίων δὲ οὐκ ἐθελόντων κοινωνεῖν τοῦ Ἀρκαδικοῦ διὰ τὴν πρὸς Μαντινέας ἔχθραν, ἀλλὰ καὶ δεδεγμένων εἰς τὴν πόλιν τὸ ἐν Κορίνθῳ συνειλεγμένον ξενικόν, οὗ Πολύτροπος ἦρχεν, ἔμενον οἴκοι οἱ Μαντινεῖς τούτων ἐπιμελόμενοι. Ἥραεῖς δὲ καὶ Λεπρεᾶται συνεστρατεύοντο τοῖς Λακεδαιμονίοις ἐπὶ τοὺς Μαντινέας. [6.5.12] ὁ δὲ Ἀγησίλαος, ἐπεὶ ἐγένετο αὐτῷ τὰ διαβατήρια, εὐθὺς ἐχώρει ἐπὶ τὴν Ἀρκαδίαν. καὶ καταλαβὼν πόλιν ὁμορον οὔσαν Εὐταιαν, καὶ εὐρὼν ἐκεῖ τοὺς μὲν πρεσβυτέρους καὶ τὰς γυναῖκας καὶ τοὺς παῖδας οἰκοῦντας ἐν ταῖς οἰκίαις, τοὺς δ' ἐν τῇ στρατευσίμῳ ἡλικίαι οἰχομένους εἰς τὸ Ἀρκαδικόν, ὅμως οὐκ ἠδίκησε τὴν πόλιν, ἀλλ' εἶα τε αὐτοὺς οἰκεῖν, καὶ ὠνούμενοι ἐλάμβανον ὅσων δέοιντο· εἰ δέ τι καὶ ἠρπάσθη, ὅτε εἰσῆιει εἰς τὴν πόλιν, ἐξευρὼν ἀπέδωκε. καὶ ἐπωικοδόμει δὲ τὸ τεῖχος αὐτῶν ὅσα ἐδεῖτο, ἕωσπερ αὐτοῦ διέτριβεν ἀναμένων τοὺς μετὰ Πολυτρόπου μισθοφόρους.

[6.5.13] Ἐν δὲ τούτῳ οἱ Μαντινεῖς στρατεύουσιν ἐπὶ τοὺς Ὀρχομενίους. καὶ ἀπὸ μὲν τοῦ τεύχους μάλα χαλεπῶς ἀπῆλθον, καὶ ἀπέθανόν τινες αὐτῶν· ἐπεὶ δὲ ἀποχωροῦντες ἐν τῇ Ἐλυμίᾳ ἐγένοντο, καὶ οἱ μὲν Ὀρχομενιοὶ ὀπλίται οὐκέτι ἡκολούθουν, οἱ δὲ περὶ τὸν Πολύτροπον ἐπέκειντο καὶ μάλα θρασέως, ἐνταῦθα γνόντες οἱ Μαντινεῖς ὡς εἰ μὴ ἀποκρούσονται αὐτούς, ὅτι πολλοὶ σφῶν κατακοντισθήσονται, ὑποστρέψαντες ὁμόσε ἐχώρησαν τοῖς ἐπικειμένοις. [6.5.14] καὶ ὁ μὲν Πολύτροπος μαχόμενος αὐτοῦ ἀποθνήσκει· τῶν δὲ ἄλλων φευγόντων πάμπολλοι ἂν ἀπέθανον, εἰ μὴ οἱ Φλειάσιοι ἱππεῖς παραγενόμενοι καὶ εἰς τὸ ὀπισθεν περιέλασαν τῶν Μαντινέων ἐπέσχον αὐτοὺς τῆς διώξεως. καὶ οἱ

μὲν Μαντινεῖς ταῦτα πράξαντες οἴκαδε ἀπῆλθον.

[6.5.15] Ὁ δὲ Ἀγησίλαος ἀκούσας ταῦτα, καὶ νομίσας οὐκ ἂν ἔτι συμμεῖξαι αὐτῶι τοὺς ἐκ τοῦ Ὀρχομενοῦ μισθοφόρους, οὕτω προΐει. καὶ τῇ μὲν πρώτῃ ἐν τῇ Τεγεάτιδι χώραι ἐδειπνοποιήσατο, τῇ δ' ὑστεραίαι διαβαίνει εἰς τὴν Μαντινικὴν, καὶ ἐστρατοπεδεύσατο ὑπὸ τοῖς πρὸς ἐσπέραν ὄρεσι τῆς Μαντινείας· καὶ ἐκεῖ ἅμα ἐδήμιον τὴν χώραν καὶ ἐπόρθει τοὺς ἀγρούς. τῶν δὲ Ἀρκάδων οἱ συλλεγόντες ἐν τῇ Ἀσέαι νυκτὸς παρῆλθον εἰς τὴν Τεγέα. [6.5.16] τῇ δ' ὑστεραίαι ὁ μὲν Ἀγησίλαος ἀπέχων Μαντινείας ὅσον εἴκοσι σταδίους ἐστρατοπεδεύσατο· οἱ δ' ἐκ τῆς Τεγέας Ἀρκάδες, ἐχόμενοι τῶν μεταξὺ Μαντινείας καὶ Τεγέας ὄρων, παρῆσαν μάλα πολλοὶ ὀπλίται, συμμεῖξαι βουλόμενοι τοῖς Μαντινεῦσι· καὶ γὰρ οἱ Ἀργεῖοι οὐ πανδημεὶ ἠκολούθουν αὐτοῖς· καὶ ἦσαν μὲν τινες οἱ τὸν Ἀγησίλαον ἔπειθον χωρὶς τούτοις ἐπιθέσθαι· ὁ δὲ φοβούμενος μὴ ἐν ὅσῳ πρὸς ἐκείνους πορεύοιτο, ἐκ τῆς πόλεως οἱ Μαντινεῖς ἐξελθόντες κατὰ κέρας τε καὶ ἐκ τοῦ ὀπισθεν ἐπιπέσοιεν αὐτῶι, ἔγνω κράτιστον εἶναι εἶσαι συνελθεῖν αὐτούς, καὶ εἰ βούλοιντο μάχεσθαι, ἐκ τοῦ δικαίου καὶ φανεροῦ τὴν μάχην ποιῆσθαι. καὶ οἱ μὲν δὴ Ἀρκάδες ὁμοῦ ἤδη ἐγεγέννητο. [6.5.17] οἱ δ' ἐκ τοῦ Ὀρχομενοῦ πελτασταὶ καὶ οἱ τῶν Φλειασίων ἱππεῖς μετ' αὐτῶν τῆς νυκτὸς διεξελθόντες παρὰ τὴν Μαντινείαν θυομένῳ τῶι Ἀγησιλάῳ πρὸ τοῦ στρατοπέδου ἐπιφαίνονται ἅμα τῇ ἡμέρᾳ, καὶ ἐποίησαν τοὺς μὲν ἄλλους εἰς τὰς τάξεις δραμεῖν, Ἀγησίλαον δ' ἐπαναχωρῆσαι πρὸς τὰ ὄπλα. ἐπεὶ δ' ἐκείνοι μὲν ἐγνώσθησαν φίλοι ὄντες, Ἀγησίλαος δὲ ἐκεκαλλιέρητο, ἐξ ἀρίστου προῆγε τὸ στράτευμα. ἐσπέρας δ' ἐπιγιγνομένης ἔλαθε στρατοπεδευσάμενος εἰς τὸν ὀπισθεν κόλπον τῆς Μαντινικῆς, μάλα σύνεγγυς καὶ κύκλῳ ὄρη ἔχοντα. [6.5.18] τῇ δ' ὑστεραίαι ἅμα τῇ ἡμέρᾳ ἐθύετο μὲν πρὸ τοῦ στρατεύματος· ἰδὼν δὲ συλλεγομένους ἐκ τῆς τῶν Μαντινέων πόλεως ἐπὶ τοῖς ὄρεσι τοῖς ὑπὲρ τῆς οὐρᾶς τοῦ ἑαυτῶν στρατεύματος, ἔγνω ἐξακτέον εἶναι τὴν ταχίστην ἐκ τοῦ κόλπου. εἰ μὲν οὖν αὐτὸς ἀφηγοῖτο, ἐφοβεῖτο μὴ τῇ οὐρᾷ ἐπίθωιντο οἱ πολέμιοι· ἡσυχίαν δὲ ἔχων καὶ τὰ ὄπλα πρὸς τοὺς πολεμίους φαίνων, ἀναστρέψαντας ἐκέλευε τοὺς ἀπ' οὐρᾶς εἰς δόρυ ὀπισθεν τῆς φάλαγγος ἡγεῖσθαι πρὸς αὐτόν· καὶ οὕτως ἅμα ἔκ τε τοῦ στενοῦ ἐξῆγε καὶ ἰσχυροτέραν ἀεὶ τὴν φάλαγγα ἐποιεῖτο. [6.5.19] ἐπειδὴ δὲ ἐδεδίπλωτο ἢ φάλαγξ, οὕτως ἔχοντι τῶι ὀπλιτικῶι προσελθὼν εἰς τὸ

πεδῖον ἐξέτεινε πάλιν ἐπ' ἑννέα ἢ δέκα τὸ στράτευμα ἀσπίδων. οἱ μέντοι Μαντινεῖς οὐκέτι ἐξῆσαν· καὶ γὰρ οἱ Ἥλεῖοι συστρατευόμενοι αὐτοῖς ἔπειθον μὴ ποιεῖσθαι μάχην, πρὶν οἱ Θηβαῖοι παραγένοιντο· εὐδὲ εἰδέναι ἔφασαν ὅτι παρέσοιντο· καὶ γὰρ δέκα τάλαντα δεδανείσθαι αὐτοὺς παρὰ σφῶν εἰς τὴν βοήθειαν. [6.5.20] οἱ μὲν δὴ Ἀρκάδες ταῦτα ἀκούσαντες ἡσυχίαν εἶχον ἐν τῇ Μαντινείᾳ· ὁ δ' Ἀγησίλαος καὶ μάλα βουλόμενος ἀπάγειν τὸ στράτευμα, καὶ γὰρ ἦν μέσος χειμῶν, ὅμως ἐκεῖ κατέμεινε τρεῖς ἡμέρας, οὐ πολὺν ἀπέχων τῆς Μαντινέων πόλεως, ὅπως μὴ δοκοίη φοβούμενος σπεύδειν τὴν ἄφοδον. τῇ δὲ τετάρτῃ πρῶτον ἀριστοποιησάμενος ἀπῆγεν ὡς στρατοπεδευσόμενος ἔνθα περ τὸ πρῶτον ἀπὸ τῆς Εὐταίας ἐξώρμητο. [6.5.21] ἐπεὶ δὲ οὐδεὶς ἐφαίνετο τῶν Ἀρκάδων, ἤγε τὴν ταχίστην εἰς τὴν Εὐταίαν, καί περ μάλα ὀψίζων, βουλόμενος ἀπαγαγεῖν τοὺς ὀπλίτας πρὶν καὶ τὰ πυρὰ τῶν πολεμίων ἰδεῖν, ἵνα μὴ τις εἴποι ὡς φεύγων ἀπαγάγοι. ἐκ γὰρ τῆς πρόσθεν ἀθυμίας ἐδόκει τι ἀνειληφέναι τὴν πόλιν, ὅτι καὶ ἐνεβελήκει εἰς τὴν Ἀρκαδίαν καὶ δηιοῦντι τὴν χώραν οὐδεὶς ἠθελήκει μάχεσθαι. ἐπεὶ δ' ἐν τῇ Λακωνικῇ ἐγένετο, τοὺς μὲν Σπαρτιάτας ἀπέλυσεν οἴκαδε, τοὺς δὲ περιοίκους ἀφῆκεν ἐπὶ τὰς ἑαυτῶν πόλεις.

[6.5.22] Οἱ δὲ Ἀρκάδες, ἐπεὶ ὁ Ἀγησίλαος ἀπεληλύθει καὶ ἤισθοντο διαλελυμένον αὐτῷ τὸ στράτευμα, αὐτοὶ δὲ ἠθροισμένοι ἐτύγγανον, στρατεύουσιν ἐπὶ τοὺς Ἡραῖας, ὅτι τε οὐκ ἠθελον τοῦ Ἀρκαδικοῦ μετέχειν καὶ ὅτι συνεισεβεβλήκεσαν εἰς τὴν Ἀρκαδίαν μετὰ τῶν Λακεδαιμονίων. ἐμβαλόντες δ' ἐνεπίμπρων τε τὰς οἰκίας καὶ ἔκοπτον τὰ δένδρα.

Ἐπεὶ δὲ οἱ Θηβαῖοι βεβοηθηκότες παρεῖναι ἐλέγοντο εἰς τὴν Μαντινείαν, οὕτως ἀπαλλάττονται ἐκ τῆς Ἡραίας καὶ συμμιγνύουσι τοῖς Θηβαίοις. [6.5.23] ὡς δὲ ὁμοῦ ἐγένοντο, οἱ μὲν Θηβαῖοι καλῶς σφίσιν ὦοντο ἔχειν, ἐπεὶ ἐβεβοηθήκεσαν μὲν, πολέμιον δὲ οὐδένα ἔτι ἑώρων ἐν τῇ χώρᾳ, καὶ ἀπιέναι παρεσκευάζοντο· οἱ δὲ Ἀρκάδες καὶ Ἀργεῖοι καὶ Ἥλεῖοι ἔπειθον αὐτοὺς ἡγεῖσθαι ὡς τάχιστα εἰς τὴν Λακωνικὴν, ἐπιδεικνύοντες μὲν τὸ ἑαυτῶν πλῆθος, ὑπερεπαινούντες δὲ τὸ τῶν Θηβαίων στράτευμα. καὶ γὰρ οἱ μὲν Βοιωτοὶ ἐγυμνάζοντο πάντες περὶ τὰ ὅπλα, ἀγαλλόμενοι τῇ ἐν Λεύκτροις νίκῃ· ἠκολούθουν δ' αὐτοῖς καὶ Φωκεῖς ὑπήκοοι γεγεννημένοι καὶ Εὐβοεῖς ἀπὸ πασῶν τῶν πόλεων καὶ Λοκροὶ ἀμφοτέρω καὶ Ἀκαρνᾶνες καὶ

Ἡρακλεῶται καὶ Μηλιεῖς· ἠκολούθουν δ' αὐτοῖς καὶ ἐκ Θετταλίας ἱππεῖς τε καὶ πελτασταί. ταῦτα δὴ συνιδόμενοι καὶ τὴν ἐν Λακεδαίμονι ἐρημίαν λέγοντες ἰκέτευον μηδαμῶς ἀποτρέπεσθαι, πρὶν ἐμβαλεῖν εἰς τὴν τῶν Λακεδαιμονίων χώραν. [6.5.24] οἱ δὲ Θηβαῖοι ἤκουον μὲν ταῦτα, ἀντελογίζοντο δὲ ὅτι δυσεμβολωτάτη μὲν ἡ Λακωνικὴ ἐλέγετο εἶναι, φρουρὰς δὲ καθεστάναι ἐνόμιζον ἐπὶ τοῖς εὐπροσοδωτάτοις. καὶ γὰρ ἦν Ἰσχόλαος μὲν ἐν Οἰῳ τῆς Σκιρίτιδος, ἔχων νεοδαμῶδεις τε φρουροὺς καὶ τῶν Τεγεατῶν φυγάδων τοὺς νεωτάτους περὶ τετρακοσίους· ἦν δὲ καὶ ἐπὶ Λεύκτρῳ ὑπὲρ τῆς Μαλεάτιδος ἄλλη φρουρά. ἐλογίζοντο δὲ καὶ τοῦτο οἱ Θηβαῖοι, ὥς καὶ συνελθοῦσαν ἂν ταχέως τὴν τῶν Λακεδαιμονίων δύναμιν καὶ μάχεσθαι ἂν αὐτοὺς οὐδαμοῦ ἄμεινον ἢ ἐν τῇ ἑαυτῶν. ἃ δὴ πάντα λογιζόμενοι οὐ πάνυ προπετεῖς ἦσαν εἰς τὸ ἰέναι εἰς τὴν Λακεδαίμονα. [6.5.25] ἐπεὶ μέντοι ἦκον ἔκ τε Καρυῶν λέγοντες τὴν ἐρημίαν καὶ ὑπισχνούμενοι αὐτοὶ ἡγήσεσθαι, καὶ κελεύοντες, ἂν τι ἐξαπατῶντες φαίνωνται, ἀποσφάττειν σφᾶς, παρῆσαν δὲ τινες καὶ τῶν περιοίκων ἐπικαλούμενοι καὶ φάσκοντες ἀποστήσεσθαι, εἰ μόνον φανείησαν εἰς τὴν χώραν, ἔλεγον δὲ ὥς καὶ νῦν καλούμενοι οἱ περίοικοι ὑπὸ τῶν Σπαρτιατῶν οὐκ ἐθέλοιεν βοηθεῖν· πάντα οὖν ταῦτα ἀκούοντες καὶ παρὰ πάντων οἱ Θηβαῖοι ἐπέισθησαν, καὶ αὐτοὶ μὲν κατὰ Καρύας ἐνέβαλον, οἱ δὲ Ἀρκάδες κατὰ Οἶον τῆς Σκιρίτιδος. [6.5.26] καὶ εἰ μὲν ἐπὶ τὰ δύσβατα προελθὼν ὁ Ἰσχόλαος ὑφίστατο, οὐδένα ἂν ταύτῃ γ' ἔφασαν ἀναβῆναι· νῦν δὲ βουλόμενος τοῖς Οἰάταις συμμάχοις χρῆσθαι, ἔμεινεν ἐν τῇ κώμῃ· οἱ δὲ ἀνέβησαν παμπλήθεις Ἀρκάδες. ἐνταῦθα δὴ ἀντιπρόσωποι μὲν μαχόμενοι οἱ περὶ τὸν Ἰσχόλαον ἐπεκράτουν· ἐπεὶ δὲ καὶ ὀπισθεν καὶ ἐκ πλαγίου καὶ ἀπὸ τῶν οἰκιῶν ἀναβαίνοντες ἔπαιον καὶ ἔβαλλον αὐτούς, ἐνταῦθα ὁ τε Ἰσχόλαος ἀποθνήσκει καὶ οἱ ἄλλοι πάντες, εἰ μὴ τις ἀμφιγνοηθεὶς διέφυγε. [6.5.27] διαπραζάμενοι δὲ ταῦτα οἱ Ἀρκάδες ἐπορεύοντο πρὸς τοὺς Θηβαίους ἐπὶ τὰς Καρύας. οἱ δὲ Θηβαῖοι ἐπεὶ ἤισθοντο τὰ πεπραγμένα ὑπὸ τῶν Ἀρκάδων, πολὺ δὴ θρασύτερον κατέβαινον. καὶ τὴν μὲν Σελλασίαν εὐθὺς ἔκαον καὶ ἐπόρθουν· ἐπεὶ δὲ ἐν τῷ πεδίῳ ἐγένοντο ἐν τῷ τεμένει τοῦ Ἀπόλλωνος, ἐνταῦθα ἐστρατοπεδεύσαντο· τῇ δ' ὕστεραιαί ἐπορεύοντο. καὶ διὰ μὲν τῆς γεφύρας οὐδ' ἐπεχείρουν διαβαίνειν ἐπὶ τὴν πόλιν· καὶ γὰρ ἐν τῷ τῆς Ἀλέας ἱερῷ ἐφαίνοντο ἐναντίοι οἱ ὀπλῖται· ἐν δεξιᾷ δ' ἔχοντες τὸν Εὐρώταν παρῆσαν κόντες καὶ πορθοῦντες πολλῶν κάγαθῶν μεστὰς

οἰκίας. [6.5.28] τῶν δ' ἐκ τῆς πόλεως αἱ μὲν γυναῖκες οὐδὲ τὸν καπνὸν ὀρᾶσαι ἠνείχοντο, ἅτε οὐδέποτε ἰδοῦσαι πολεμίους· οἱ δὲ Σπαρτιᾶται ἀτειχίστον ἔχοντες τὴν πόλιν, ἄλλος ἄλλῃ διαταχθεὶς, μάλα ὀλίγοι καὶ ὄντες καὶ φαινόμενοι ἐφύλαττον. ἔδοξε δὲ τοῖς τέλεσι καὶ προειπεῖν τοῖς Εἰλωσιν, εἴ τις βούλοιο ὄπλα λαμβάνειν καὶ εἰς τάξιν τίθεσθαι, τὰ πιστὰ λαμβάνειν ὡς ἐλευθέρους ἐσομένους ὅσοι συμπολεμήσαιεν. [6.5.29] καὶ τὸ μὲν πρῶτον ἔφασαν ἀπογράψασθαι πλεόν ἢ ἑξακισχιλίους, ὥστε φόβον αὖ οὗτοι παρεῖχον συντεταγμένοι καὶ λίαν ἐδόκουν πολλοὶ εἶναι· ἐπεὶ μέντοι ἔμμενον μὲν οἱ ἐξ Ὀρχομενοῦ μισθοφόροι, ἐβροήθησαν δὲ τοῖς Λακεδαιμονίοις Φλειάσιοί τε καὶ Κορίνθιοι καὶ Ἐπιδαῦριοι καὶ Πελληνεῖς καὶ ἄλλαι δέ τινες τῶν πόλεων, ἥδη καὶ τοὺς ἀπογεγραμμένους ἦττον ὠρρώδουν. [6.5.30] ὥς δὲ προῖδὸν τὸ στράτευμα ἐγένετο κατ' Ἀμύκλας, ταύτῃ διέβαινον τὸν Εὐρώταν. καὶ οἱ μὲν Θηβαῖοι, ὅπου στρατοπεδεύοιντο, εὐθύς ὧν ἔκοπτον δένδρων κατέβαλλον πρὸ τῶν τάξεων ὡς ἐδύναντο πλείστα, καὶ οὕτως ἐφύλαττοντο· οἱ δὲ Ἀρκάδες τούτων τε οὐδὲν ἐποιοῦν, καταλειπόντες δὲ τὰ ὄπλα εἰς ἀρπαγὴν ἐπὶ τὰς οἰκίας ἐτρέποντο. ἐκ τούτου δὴ ἡμέραι τρίτῃ ἢ τετάρτῃ προῆλθον οἱ ἱππεῖς εἰς τὸν ἵππόδρομον εἰς Γαιαόχου κατὰ τάξεις, οἳ τε Θηβαῖοι πάντες καὶ οἱ Ἥλεῖοι καὶ ὅσοι Φωκέων ἢ Θετταλῶν ἢ Λοκρῶν ἱππεῖς παρήσαν. [6.5.31] οἱ δὲ τῶν Λακεδαιμονίων ἱππεῖς, μάλα ὀλίγοι φαινόμενοι, ἀντιτεταγμένοι αὐτοῖς ἦσαν. ἐνέδραν δὲ ποιήσαντες ὀπλιτῶν τῶν νεωτέρων ὅσον τριακοσίων ἐν τῇ τῶν Τυνδαριδῶν, ἅμα οὗτοι μὲν ἐξέθεον, οἱ δ' ἱππεῖς ἤλαυνον. οἱ δὲ πολέμιοι οὐκ ἐδέξαντο, ἀλλ' ἐνέκλιναν. ἰδόντες δὲ ταῦτα πολλοὶ καὶ τῶν πεζῶν εἰς φυγὴν ὥρμησαν. ἐπεὶ μέντοι οἳ τε διώκοντες ἐπαύσαντο καὶ τὸ τῶν Θηβαίων στράτευμα ἔμμενε, πάλιν δὴ κατεστρατοπεδεύσαντο. [6.5.32] καὶ τὸ μὲν μὴ πρὸς τὴν πόλιν προσβαλεῖν ἂν ἔτι αὐτοὺς ἥδη τι ἐδόκει θαρραλεώτερον εἶναι· ἐκεῖθεν μέντοι ἀπᾶραν τὸ στράτευμα ἐπορεύετο τὴν ἐφ' Ἔλος καὶ Γύθειον. καὶ τὰς μὲν ἀτειχίστους τῶν πόλεων ἐνεπίμπασαν, Γυθείῳ δέ, ἔνθα τὰ νεώρια τοῖς Λακεδαιμονίοις ἦν, καὶ προσέβαλλον τρεῖς ἡμέρας. ἦσαν δὲ τινες τῶν περιοίκων οἳ καὶ ἐπέθεντο καὶ συνεστρατεύοντο τοῖς μετὰ Θηβαίων.

[6.5.33] Ἀκούοντες δὲ ταῦτα οἱ Ἀθηναῖοι ἐν φροντίδι ἦσαν ὅτι χρὴ ποιεῖν περὶ Λακεδαιμονίων, καὶ ἐκκλησίαν ἐποίησαν κατὰ δόγμα βουλῆς. ἔτυχον δὲ παρόντες πρέσβεις Λακεδαιμονίων τε καὶ τῶν ἔτι

ὑπολοίπων συμμάχων αὐτοῖς. ὅθεν δὴ οἱ Λακεδαιμόνιοι Ἄρακος καὶ Ὠκυλλος καὶ Φάραξ καὶ Ἐτυμοκλῆς καὶ Ὀλονθεὺς σχεδὸν πάντες παραπλήσια ἔλεγον. ἀνεμίμνησκόν τε γὰρ τοὺς Ἀθηναίους ὡς ἀεί ποτε ἀλλήλοις ἐν τοῖς μεγίστοις καιροῖς παρίσταντο ἐπ' ἀγαθοῖς· αὐτοὶ τε γὰρ ἔφασαν τοὺς τυράννους συνεκβαλεῖν Ἀθήνηθεν, καὶ Ἀθηναίους, ὅτε αὐτοὶ ἐπολιορκοῦντο ὑπὸ Μεσσηνίων, προθύμως βοηθεῖν. [6.5.34] ἔλεγον δὲ καὶ ὅς' ἀγαθὰ εἶη, ὅτε κοινῶς ἀμφοτέρωι ἔπραττον, ὑπομιμνήσκοντες μὲν ὡς τὸν βάρβαρον κοινῇ ἀπεμαχέσαντο, ἀναμιμνήσκοντες δὲ ὡς Ἀθηναῖοί τε ὑπὸ τῶν Ἑλλήνων ἠρέθησαν ἡγεμόνες τοῦ ναυτικοῦ καὶ τῶν κοινῶν χρημάτων φύλακες, τῶν Λακεδαιμονίων ταῦτα συμβουλομένων, αὐτοὶ τε κατὰ γῆν ὁμολογουμένως ὑφ' ἀπάντων τῶν Ἑλλήνων ἡγεμόνες προκριθείησαν, συμβουλομένων αὖ ταῦτα τῶν Ἀθηναίων. [6.5.35] εἷς δὲ αὐτῶν καὶ ὧδέ πως εἶπεν· Ἐὰν δὲ ὑμεῖς καὶ ἡμεῖς, ὧ ἄνδρες, ὁμονοήσωμεν, νῦν ἐλπίς τὸ πάλαι λεγόμενον δεκατευθῆναι Θηβαίους. οἱ μέντοι Ἀθηναῖοι οὐ πάνυ ἐδέξαντο, ἀλλὰ θροῦς τις τοιοῦτος διῆλθεν ὡς νῦν ταῦτα λέγοιεν, ὅτε δὲ εὖ ἔπραττον, ἐπέκειντο ἡμῖν. μέγιστον δὲ τῶν λεχθέντων παρὰ Λακεδαιμονίων ἐδόκει εἶναι ὅτι ἡνίκα κατεπολέμησαν αὐτούς, Θηβαίων βουλομένων ἀναστάτους ποιῆσαι τὰς Ἀθήνας, <σφίσιν> ἐμποδῶν γένοιτο. [6.5.36] ὁ δὲ πλεῖστος ἦν λόγος ὡς κατὰ τοὺς ὅρκους βοηθεῖν δέοι· οὐ γὰρ ἀδικησάντων σφῶν ἐπιστρατεύειν οἱ Ἀρκάδες καὶ οἱ μετ' αὐτῶν τοῖς Λακεδαιμονίοις, ἀλλὰ βοηθησάντων τοῖς Τεγεάταις, ὅτι οἱ Μαντινεῖς παρὰ τοὺς ὅρκους ἐπεστράτευσαν αὐτοῖς. διέθει οὖν καὶ κατὰ τοὺς λόγους θόρυβος ἐν τῇ ἐκκλησίᾳ· οἱ μὲν γὰρ δικαίως τοὺς Μαντινέας ἔφασαν βοηθῆσαι τοῖς περὶ Πρόξενον ἀποθανοῦσιν ὑπὸ τῶν περὶ τὸν Στάσιππον, οἱ δὲ ἀδικεῖν, ὅτι ὅπλα ἐπήνεγκαν Τεγεάταις.

[6.5.37] Τούτων δὲ διοριζομένων ὑπ' αὐτῆς τῆς ἐκκλησίας, ἀνέστη Κλειτέλης Κορίνθιος καὶ εἶπε τάδε· Ἀλλὰ ταῦτα μὲν, ὧ ἄνδρες Ἀθηναῖοι, ἴσως ἀντιλέγεται, τίνες ἦσαν οἱ ἄρξαντες ἀδικεῖν· ἡμῶν δέ, ἐπεὶ εἰρήνη ἐγένετο, ἔχει τις κατηγορῆσαι ἢ ὡς ἐπὶ πόλιν τινὰ ἐστρατεύσαμεν ἢ ὡς χρήματά τινων ἐλάβομεν ἢ ὡς γῆν ἀλλοτρίαν ἐδηιώσαμεν; ἀλλ' ὅμως οἱ Θηβαῖοι εἰς τὴν χώραν ἡμῶν ἐλθόντες καὶ δένδρα ἐκκεκόφασιν καὶ οἰκίας κατακεκαύκασιν καὶ χρήματα καὶ πρόβατα διηρπάκασιν. πῶς οὖν, ἐὰν μὴ βοηθῆτε οὕτω περιφανῶς ἡμῖν ἀδικουμένοις, οὐ παρὰ τοὺς ὅρκους ποιήσετε; καὶ ταῦτα ὦν αὐτοὶ

ἐπεμελήθητε ὀρκῶν ὅπως πᾶσιν ὑμῖν πάντες ἡμεῖς ὁμόσαιμεν; ἐνταῦθα μέντοι οἱ Ἀθηναῖοι ἐπεθορύβησαν ὡς ὀρθῶς τε καὶ δίκαια εἰρηκότος τοῦ Κλειτέλους. [6.5.38] ἐπὶ δὲ τούτῳ ἀνέστη Προκλῆς Φλειάσιος καὶ εἶπεν· Ὅτι μὲν, ὦ ἄνδρες Ἀθηναῖοι, εἰ ἐκποδῶν γένοιτο Λακεδαιμόνιοι, ἐπὶ πρώτους ἂν ὑμᾶς στρατεύσαιεν οἱ Θηβαῖοι, πᾶσιν οἶμαι τοῦτο δῆλον εἶναι· τῶν γὰρ ἄλλων μόνους ἂν ὑμᾶς εἴονται ἐμποδῶν γενέσθαι τοῦ ἄρξαι αὐτοὺς τῶν Ἑλλήνων. [6.5.39] εἰ δ' οὕτως ἔχει, ἐγὼ μὲν οὐδὲν μᾶλλον Λακεδαιμονίοις ἂν ὑμᾶς ἡγοῦμαι στρατεύσαντας βοηθῆσαι ἢ καὶ ὑμῖν αὐτοῖς. τὸ γὰρ δυσμενεῖς ὄντας ὑμῖν Θηβαίους καὶ ὁμόρους οἰκοῦντας ἡγεμόνας γενέσθαι τῶν Ἑλλήνων πολὺ οἶμαι χαλεπώτερον ἂν ὑμῖν φανῆναι ἢ ὁπότε πόρρω τοὺς ἀντιπάλους εἴχετε. συμφορώτερόν γε μεντὰν ὑμῖν αὐτοῖς βοηθήσαιτε ἐν ᾧ ἔτι εἰσὶν οἱ συμμαχοῖεν ἂν ἢ εἰ ἀπολομένων αὐτῶν μόνοι ἀναγκάζοισθε διαμάχεσθαι πρὸς τοὺς Θηβαίους. [6.5.40] εἰ δέ τινες φοβοῦνται μὴ ἐὰν νῦν ἀναφύγωσιν οἱ Λακεδαιμόνιοι, ἔτι ποτὲ πράγματα παρέχωσιν ὑμῖν, ἐνθυμήθητε ὅτι οὐχ οὖς ἂν εὖ ἄλλ' οὖς ἂν κακῶς τις ποιῇ φοβεῖσθαι δεῖ μὴ ποτε μέγα δυνασθῶσιν. ἐνθυμεῖσθαι δὲ καὶ τάδε χρή, ὅτι κτᾶσθαι μὲν τι ἀγαθὸν καὶ ιδιώταις καὶ πόλεσι προσήκει, ὅταν ἔρρωμενέστατοι ᾖσιν, ἵνα ἔχωσιν, ἐὰν ποτ' ἀδύνατοι γένωνται, ἐπικουρίαν τῶν προπεπονημένων. [6.5.41] ὑμῖν δὲ νῦν ἐκ θεῶν τινος καιρὸς παραγεγένηται, ἐὰν δεομένοις βοηθήσητε Λακεδαιμονίοις, κτήσασθαι τούτους εἰς τὸν ἅπαντα χρόνον φίλους ἀπροφασίστους. καὶ γὰρ δὴ οὐκ ἐπ' ὀλίγων μοι δοκοῦσι μαρτύρων νῦν ἂν εὖ παθεῖν ὑφ' ὑμῶν· ἄλλ' εἴσονται μὲν ταῦτα θεοὶ οἱ πάντα ὀρῶντες καὶ νῦν καὶ εἰς αἰεὶ, συνεπίστανται δὲ τὰ γιγνόμενα οἳ τε σύμμαχοι καὶ οἱ πολέμιοι, πρὸς δὲ τούτοις καὶ ἅπαντες Ἑλληνές τε καὶ βάρβαροι. [6.5.42] οὐδενὶ γὰρ τούτων ἀμελές. ὥστε εἰ κακοὶ φανείησαν περὶ ὑμᾶς, τίς ἂν ποτε ἔτι πρόθυμος εἰς αὐτοὺς γένοιτο; ἐλπίζειν δὲ χρή ὡς ἄνδρας ἀγαθοὺς μᾶλλον ἢ κακοὺς αὐτοὺς γενήσεσθαι· εἰ γὰρ τινες ἄλλοι, καὶ οὗτοι δοκοῦσι διατετελεκέναι ἐπαίνου μὲν ὀρεγόμενοι, αἰσχυρῶν δὲ ἔργων ἀπεχόμενοι. [6.5.43] πρὸς δὲ τούτοις ἐνθυμήθητε καὶ τάδε. εἴ ποτε πάλιν ἔλθοι τῇ Ἑλλάδι κίνδυνος ὑπὸ βαρβάρων, τίσιν ἂν μᾶλλον πιστεύσαιτε ἢ Λακεδαιμονίοις; τίνας δὲ ἂν παραστάτας ἥδιον τούτων ποιήσαισθε, ὧν γε καὶ οἱ ταχθέντες ἐν Θερμοπύλαις ἅπαντες εἵλοντο μαχόμενοι ἀποθανεῖν μᾶλλον ἢ ζῶντες ἐπεισφρέσθαι τὸν βάρβαρον τῇ Ἑλλάδι; πῶς οὖν οὐ δίκαιον ὧν τε ἔνεκα ἐγένοντο ἄνδρες ἀγαθοὶ

μεθ' ὑμῶν καὶ ὧν ἐλπίς καὶ αὐθις γενέσθαι πᾶσαν προθυμίαν εἰς αὐτοὺς καὶ ὑμᾶς καὶ ἡμᾶς παρέχεσθαι; [6.5.44] ἄξιον δὲ καὶ τῶν παρόντων συμμάχων αὐτοῖς ἔνεκα προθυμίαν ἐνδείξασθαι. εὖ γὰρ ἴστε ὅτι οἵπερ τούτοις πιστοὶ διαμένουσιν ἐν ταῖς συμφοραῖς, οὗτοι καὶ ὑμῖν αἰσχύνονται ἂν μὴ ἀποδιδόντες χάριτας. εἰ δὲ μικραὶ δοκοῦμεν πόλεις εἶναι αἱ τοῦ κινδύνου μετέχειν αὐτοῖς ἐθέλουσαι, ἐνθυμήθητε ὅτι ἐὰν ἡ ὑμετέρα πόλις προσγένηται, οὐκέτι μικραὶ πόλεις ἐσόμεθα αἱ βοηθοῦσαι αὐτοῖς. [6.5.45] ἐγὼ δέ, ὧ ἄνδρες Ἀθηναῖοι, πρόσθεν μὲν ἀκούων ἐξήλουν τήνδε τὴν πόλιν ὅτι πάντας καὶ τοὺς ἀδικουμένους καὶ τοὺς φοβουμένους ἐνθάδε καταφεύγοντας ἐπικουρίας ἤκουον τυγχάνειν· νῦν δ' οὐκέτ' ἀκούω, ἀλλ' αὐτὸς ἤδη παρὼν ὁρῶ Λακεδαιμονίους τε τοὺς ὀνομαστοτάτους καὶ μετ' αὐτῶν τοὺς πιστοτάτους φίλους αὐτῶν πρὸς ὑμᾶς τε ἦκοντας καὶ δεομένους αὐτῶν ἐπικουρῆσαι. [6.5.46] ὁρῶ δὲ καὶ Θηβαίους, οἱ τότε οὐκ ἔπεισαν Λακεδαιμονίους ἐξανδραποδίσασθαι ὑμᾶς, νῦν δεομένους ὑμῶν [μὴ] περιδεῖν ἀπολομένους τοὺς σώσαντας ὑμᾶς. τῶν μὲν οὖν ὑμετέρων προγόνων καλὸν λέγεται, ὅτε τοὺς Ἀργείων τελευτήσαντας ἐπὶ τῇ Καδμεΐᾳ οὐκ εἶσαν ἀτάφους γενέσθαι· ὑμῖν δὲ πολὺ κάλλιον ἂν γένοιτο, εἰ τοὺς ἔτι ζῶντας Λακεδαιμονίων μῆτε ὑβρισθῆναι μῆτε ἀπολέσθαι ἐάσατε. [6.5.47] καλοῦ γε μὴν κάκεινον ὄντος, ὅτε σχόντες τὴν Εὐρυσθέως ὕβριν διεσώσατε τοὺς Ἡρακλέους παῖδας, πῶς οὐ καὶ ἐκείνου τόδε κάλλιον, εἰ μὴ μόνον τοὺς ἀρχηγέτας, ἀλλὰ καὶ ὅλην τὴν πόλιν περισώσατε; πάντων δὲ κάλλιστον, εἰ ψήφῳ ἀκινδύνῳ σωσάντων ὑμᾶς τότε τῶν Λακεδαιμονίων, νῦν ὑμεῖς σὺν ὅπλοις τε καὶ διὰ κινδύνων ἐπικουρήσετε αὐτοῖς. [6.5.48] ὁπότε δὲ καὶ ἡμεῖς ἀγαλλόμεθα οἱ συναγορεύοντες βοηθῆσαι ἀνδράσιν ἀγαθοῖς, ἣ που ὑμῖν γε τοῖς ἔργῳ δυναμένοις βοηθῆσαι γενναῖα ἂν ταῦτα φανείη, εἰ πολλάκις καὶ φίλοι καὶ πολέμιοι γενόμενοι Λακεδαιμονίοις μὴ ὧν ἐβλάβητε μᾶλλον ἢ ὧν εὖ ἐπάθετε μνησθείητε καὶ χάριν ἀποδοίητε αὐτοῖς μὴ ὑπὲρ ὑμῶν αὐτῶν μόνον, ἀλλὰ καὶ ὑπὲρ πάσης τῆς Ἑλλάδος, ὅτι ἄνδρες ἀγαθοὶ ὑπὲρ αὐτῆς ἐγένοντο.

[6.5.49] Μετὰ ταῦτα ἐβουλεύοντο οἱ Ἀθηναῖοι, καὶ τῶν μὲν ἀντιλεγόντων οὐκ ἠνείχοντο ἀκούοντες, ἐψηφίσαντο δὲ βοηθεῖν πανδημεῖ, καὶ Ἴφικράτην στρατηγὸν εἵλοντο. ἐπεὶ δὲ τὰ ἱερὰ ἐγένετο καὶ παρήγγειλεν ἐν Ἀκαδημαίᾳ δειπνοποιεῖσθαι, πολλοὺς ἔφασαν προτέρους αὐτοῦ Ἴφικράτους ἐξελθεῖν. ἐκ δὲ τούτου ἠγεῖτο μὲν ὁ

Ἴφικράτης, οἱ δ' ἠκολούθουν, νομίζοντες ἐπὶ καλόν τι ἔργον ἠγήσεσθαι. ἐπεὶ δὲ ἀφικόμενος εἰς Κόρινθον διέτριβέ τινας ἡμέρας, εὐθύς μὲν ἐπὶ ταύτῃ τῇ διατριβῇ πρῶτον ἔψεγον αὐτόν· ὥς δ' ἐξήγαγέ ποτε, προθύμως μὲν ἠκολούθουν ὅποι ἠγοῖτο, προθύμως δ', εἰ πρὸς τεῖχος προσάγοι, προσέβαλλον. [6.5.50] τῶν δ' ἐν τῇ Λακεδαιμόνι πολεμίων Ἀρκάδες μὲν καὶ Ἀργεῖοι καὶ Ἥλειοι πολλοὶ ἀπεληλύθεσαν, ἅτε ὁμοροὶ οἰκοῦντες, οἱ μὲν ἄγοντες οἱ δὲ φέροντες ὅ τι ἠρπάκεσαν. οἱ δὲ Θηβαῖοι καὶ οἱ ἄλλοι τὰ μὲν καὶ διὰ τοῦτο ἀπιέναι ἐβούλοντο ἐκ τῆς χώρας, ὅτι ἐώρων ἐλάττονα τὴν στρατιὰν καθ' ἡμέραν γιγνομένην, τὰ δέ, ὅτι σπανιώτερα τὰ ἐπιτήδεια ἦν· τὰ μὲν γὰρ ἀνήλωτο, τὰ δὲ διήρπαστο, τὰ δὲ ἐξεκέχυτο, τὰ δὲ κατεκέκαυτο· πρὸς δ' ἔτι καὶ χειμῶν ἦν, ὥστ' ἤδη πάντες ἀπιέναι ἐβούλοντο. [6.5.51] ὥς δ' ἐκεῖνοι ἀπεχώρουν ἐκ τῆς Λακεδαιμόνος, οὕτω δὴ καὶ ὁ Ἴφικράτης τοὺς Ἀθηναίους ἀπήγεν ἐκ τῆς Ἀρκαδίας εἰς Κόρινθον. εἰ μὲν οὖν ἄλλο τι καλῶς ἐστρατήγησεν, οὐ ψέγω· ἐκεῖνα μέντοι ἃ ἐν τῷ χρόνῳ ἐκείνῳ ἔπραξε, πάντα εὐρίσκω τὰ μὲν μάτην, τὰ δὲ καὶ ἀσυμφόρως πεπραγμένα αὐτῷ. ἐπιχειρήσας μὲν γὰρ φυλάττειν ἐπὶ τῷ Ὀνειῳ, ὅπως μὴ δύναιτο οἱ Βοιωτοὶ ἀπελθεῖν οἴκαδε, παρέλιπεν ἀφύλακτον τὴν καλλίστην παρὰ Κεγχρεῖας πάροδον. [6.5.52] μαθεῖν δὲ βουλόμενος εἰ παρεληλυθότες εἶεν οἱ Θηβαῖοι τὸ Ὀνειον ἔπεμψε σκοποὺς τοὺς τε Ἀθηναίων ἱππείας καὶ τοὺς Κορινθίων ἅπαντας. καίτοι ἰδεῖν μὲν οὐδὲν ἦττον ὀλίγοι τῶν πολλῶν ἱκανοί· εἰ δὲ δέοι ἀποχωρεῖν, πολὺ ῥαῖον τοῖς ὀλίγοις ἢ τοῖς πολλοῖς καὶ ὁδοῦ εὐπόρου τυχεῖν καὶ καθ' ἡσυχίαν ἀποχωρῆσαι. τὸ δὲ πολλοὺς τε προσάγειν καὶ ἦττονας τῶν ἐναντίων πῶς οὐ πολλὴ ἀφροσύνη; καὶ γὰρ δὴ ἅτε ἐπὶ πολὺ παραταζάμενοι χωρίον οἱ ἱππεῖς διὰ τὸ πολλοὶ εἶναι, ἐπεὶ ἔδει ἀποχωρεῖν, πολλῶν καὶ χαλεπῶν χωρίων ἐπελάβοντο· ὥστε οὐκ ἐλάττους ἀπώλοντο εἴκοσιν ἱπέων. καὶ τότε μὲν οἱ Θηβαῖοι ὅπως ἐβούλοντο ἀπῆλθον.

Βιβλίον ζ'

[7.1.1] Τῷ δ' ὑστέρωι ἔτι Λακεδαιμονίων καὶ τῶν συμμάχων πρέσβεις ἦλθον αὐτοκράτορες Ἀθήναζε, βουλευσόμενοι καθ' ὃ τι ἡ συμμαχία Λακεδαιμονίοις καὶ Ἀθηναίοις ἔσοιτο. λεγόντων δὲ πολλῶν μὲν ξένων, πολλῶν δὲ Ἀθηναίων, ὡς δεοὶ ἐπὶ τοῖς ἴσοις καὶ ὁμοίοις τὴν συμμαχίαν εἶναι, Προκλῆς Φλειάσιος εἶπε τόνδε τὸν λόγον.

[7.1.2] Ἐπείπερ, ὃ ἄνδρες Ἀθηναῖοι, ἀγαθὸν ὑμῖν ἔδοξεν εἶναι Λακεδαιμονίους φίλους ποιεῖσθαι, δοκεῖ μοι χρῆναι τοῦτο σκοπεῖν, ὅπως ἡ φιλία ὅτι πλεῖστον χρόνον συμμενεῖ. ἐὰν οὖν ἥ ἑκατέροις μάλιστα συνοίσει, ταύτη καὶ τὰς συνθήκας ποιησώμεθα, οὕτω κατὰ γε τὸ εἰκὸς μάλιστα συμμένοιμεν ἂν. τὰ μὲν οὖν ἄλλα σχεδόν τι συνωμολόγηται, περὶ δὲ τῆς ἡγεμονίας νῦν ἡ σκέψις. τῇ μὲν οὖν βουλῇ προβεβούλευται ὑμετέραν μὲν εἶναι τὴν κατὰ θάλατταν, Λακεδαιμονίων δὲ τὴν κατὰ γῆν· ἐμοὶ δὲ καὶ αὐτῷ δοκεῖ ταῦτα οὐκ ἀνθρωπίνῃ μᾶλλον ἢ θεαίᾳ φύσει τε καὶ τύχῃ διωρίσθαι. [7.1.3] πρῶτον μὲν γὰρ τόπον ἔχετε κάλλιστα πεφυκότες πρὸς τοῦτο· πλεῖστοι γὰρ πόλεις τῶν δεομένων τῆς θαλάττης περὶ τὴν ὑμετέραν πόλιν οἰκοῦσι, καὶ αὗται πᾶσαι ἀσθενέστεραι τῆς ὑμετέρας. πρὸς τούτοις δὲ λιμένας ἔχετε, ὧν ἄνευ οὐχ οἶόν τε ναυτικῇ δυνάμει χρῆσθαι. ἔτι δὲ τριήρεις κέκτησθε πολλὰς, καὶ πάτριον ὑμῖν ἐστὶ ναυτικὸν ἐπικτᾶσθαι. [7.1.4] ἀλλὰ μὴν τὰς γε τέχνας τὰς περὶ ταῦτα πάσας οἰκείας ἔχετε. καὶ μὴν ἐμπειρία γε πολὺ προέχετε τῶν ἄλλων περὶ τὰ ναυτικά· ὁ γὰρ βίος τοῖς πλείστοις ὑμῶν ἀπὸ τῆς θαλάττης· ὥστε τῶν ἰδίων ἐπιμελόμενοι ἅμα καὶ τῶν κατὰ θάλατταν ἀγώνων ἐμπειροὶ γίνεσθε. ἔτι δὲ καὶ τόδε· οὐδαμόθεν ἂν τριήρεις πλείους ἀθρόαι ἐκπλεύσειαν ἢ παρ' ὑμῶν. ἔστι δὲ τοῦτο οὐκ ἐλάχιστον πρὸς ἡγεμονίαν· πρὸς γὰρ τὸ πρῶτον ἰσχυρὸν γενόμενον ἥδιστα πάντες συλλέγονται. [7.1.5] ἔτι δὲ καὶ ἀπὸ τῶν θεῶν δέδοται ὑμῖν εὐτυχεῖν ἐν τούτῳ· πλείστους γὰρ καὶ μεγίστους ἀγῶνας ἡγωνισμένοι κατὰ θάλατταν ἐλάχιστα μὲν ἀποτετυχήκατε, πλεῖστα δὲ κατωρθώκατε. εἰκὸς οὖν καὶ τοὺς συμμάχους μεθ' ὑμῶν ἂν ἥδιστα τούτου τοῦ κινδύνου μετέχειν. [7.1.6] ὥς δὲ δὴ καὶ ἀναγκαῖα καὶ προσήκουσα ὑμῖν αὕτη ἡ ἐπιμέλεια ἐκ τῶνδε ἐνθυμήθητε. Λακεδαιμόνιοι ὑμῖν ἐπολέμουν ποτὲ πολλὰ ἔτη, καὶ κρατοῦντες τῆς χώρας οὐδὲν προύκοπτον εἰς τὸ ἀπολέσαι ὑμᾶς. ἐπεὶ δ' ὁ θεὸς ἔδωκε ποτε αὐτοῖς

κατὰ θάλατταν ἐπικρατῆσαι, εὐθὺς ὑπ' ἐκείνοις παντελῶς ἐγένεσθε. οὐκοῦν εὐδηλον ἐν τούτοις ἐστὶν ὅτι ἐκ τῆς θαλάττης ἅπανα ὑμῖν ἥρτηται σωτηρία. [7.1.7] οὕτως οὖν πεφυκότων πῶς ἂν ἔχοι καλῶς ὑμῖν Λακεδαιμονίοις ἐπιτρέψαι κατὰ θάλατταν ἡγεῖσθαι, οἱ πρῶτον μὲν καὶ αὐτοὶ ὁμολογοῦσιν ἀπειρότεροι ὑμῶν τούτου τοῦ ἔργου εἶναι, ἔπειτα δ' οὐ περὶ τῶν ἴσων ὁ κίνδυνός ἐστιν ἐν τοῖς κατὰ θάλατταν ἀγῶσιν, ἀλλ' ἐκείνοις μὲν περὶ τῶν ἐν ταῖς τριήρεσι μόνον ἀνθρώπων, ὑμῖν δὲ καὶ περὶ παίδων καὶ γυναικῶν καὶ ὅλης τῆς πόλεως; [7.1.8] τὰ μὲν δὴ ὑμέτερα οὕτως ἔχει· τὰ δὲ δὴ τῶν Λακεδαιμονίων ἐπισκέψασθε. πρῶτον μὲν γὰρ οἰκοῦσιν ἐν μεσογαίαι· ὥστε τῆς γῆς κρατοῦντες καὶ εἰ θαλάττης εἵργοιντο, δύναιντ' ἂν καλῶς διαζῇν. ἐγνωκότες οὖν καὶ οὗτοι ταῦτα εὐθὺς ἐκ παίδων πρὸς τὸν κατὰ γῆν πόλεμον τὴν ἄσκησιν ποιοῦνται. καὶ τὸ πλείστου δὲ ἄξιον, τὸ πευθεσθαι τοῖς ἄρχουσιν, οὗτοι μὲν κράτιστοι κατὰ γῆν, ὑμεῖς δὲ κατὰ θάλατταν. [7.1.9] ἔπειτα δὲ ὥσπερ ὑμεῖς ναυτικῶι, οὕτως αὖ ἐκείνοι κατὰ γῆν πλείστοι καὶ τάχιστ' ἂν ἐξέλθοιεν· ὥστε πρὸς τούτους αὖ εἰκὸς τοὺς συμμαχούς εὐθαρσεστάτους προσιέναι. ἔτι δὲ καὶ ὁ θεὸς αὐτοῖς δέδωκεν, ὥσπερ ὑμῖν κατὰ θάλατταν εὐτυχεῖν, οὕτως ἐκείνοις κατὰ γῆν· πλείστους γὰρ αὖ οὗτοι ἀγῶνας ἐν τῇ γῇ ἡγωνισμένοι ἐλάχιστα μὲν ἐσφαλμένοι εἰσὶ, πλείστα δὲ κατωρθωκότες. [7.1.10] ὥς δὲ καὶ ἀναγκαῖα οὐδὲν ἦττον τούτοις ἢ κατὰ γῆν ἐπιμέλεια ἢ ὑμῖν ἢ κατὰ θάλατταν ἐκ τῶν ἔργων ἔξεστι γινώσκειν. ὑμεῖς γὰρ τούτοις πολλὰ ἔτη πολεμοῦντες καὶ πολλάκις καταναυμαχοῦντες οὐδὲν προύργου ἐποιεῖτε πρὸς τὸ τούτους καταπολεμῆσαι. ἐπεὶ δὲ ἅπαξ ἡττήθησαν ἐν τῇ γῇ, εὐθὺς καὶ περὶ παίδων καὶ περὶ γυναικῶν καὶ περὶ ὅλης τῆς πόλεως κίνδυνος αὐτοῖς ἐγένετο. [7.1.11] πῶς οὖν οὐ τούτοις αὖ δεινὸν ἄλλοις μὲν ἐπιτρέπειν κατὰ γῆν ἡγεῖσθαι, αὐτοὺς δὲ ἄριστα τῶν κατὰ γῆν ἐπιμελεῖσθαι; ἐγὼ μὲν οὖν, ὥσπερ τῇ βουλῇ προβεβούλευται, ταῦτα εἰρηκὰ τε καὶ συμφορώτατα ἡγοῦμαι ἀμφοῖν εἶναι· ὑμεῖς δὲ εὐτυχοῖτε τὰ κράτιστα πᾶσιν ἡμῖν βουλευσάμενοι.

[7.1.12] Ὁ μὲν ταῦτ' εἶπεν. οἱ δ' Ἀθηναῖοί τε καὶ οἱ τῶν Λακεδαιμονίων παρόντες ἐπήνεσαν ἀμφοτέροι ἰσχυρῶς τὸν λόγον αὐτοῦ. Κηφισόδοτος δὲ παρελθὼν· Ἄνδρες Ἀθηναῖοι, ἔφη, οὐκ αἰσθάνεσθε ἐξαπατῶμενοι; ἀλλ' ἐὰν ἀκούσητέ μου, ἐγὼ ὑμῖν αὐτίκα μάλα ἐπιδείξω. ἤδη γὰρ ἡγήσεσθε κατὰ θάλατταν· Λακεδαιμόνιοι δὲ ὑμῖν ἐὰν συμμαχῶσι, δῆλον ὅτι πέμψουσι τοὺς μὲν τριηράρχους

Λακεδαιμονίους καὶ ἴσως τοὺς ἐπιβάτας, οἱ δὲ ναῦται δῆλον ὅτι ἔσονται ἢ Εἰλωτες ἢ μισθοφόροι. [7.1.13] οὐκοῦν ὑμεῖς μὲν τούτων ἡγήσεσθε. οἱ δὲ Λακεδαιμόνιοι ὅταν παραγγείλωσιν ὑμῖν κατὰ γῆν στρατείαν, δῆλον ὅτι πέμψετε τοὺς ὀπλίτας καὶ τοὺς ἱππέας. οὐκοῦν οὕτως ἐκεῖνοι μὲν ὑμῶν αὐτῶν γίνονται ἡγεμόνες, ὑμεῖς δὲ τῶν ἐκείνων δούλων καὶ ἐλαχίστου ἀξίων. ἀποκρίναι δέ μοι, ἔφη, ὦ Λακεδαιμόνιε Τιμόκρατες, οὐκ ἄρτι ἔλεγες ὡς ἐπὶ τοῖς ἴσοις καὶ ὁμοίοις ἥκοις τὴν συμμαχίαν ποιούμενος; Εἶπον ταῦτα. [7.1.14] Ἔστιν οὖν, ἔφη ὁ Κηφισόδοτος, ἰσαίτερον ἢ ἐν μέρει μὲν ἐκατέρους ἡγεῖσθαι τοῦ ναυτικοῦ, ἐν μέρει δὲ τοῦ πεζοῦ, καὶ ὑμᾶς τε, εἴ τι ἀγαθόν ἐστιν ἐν τῇ κατὰ θάλατταν ἀρχῇ, τούτων μετέχειν, καὶ ἡμᾶς ἐν τῇ κατὰ γῆν; ἀκούσαντες ταῦτα οἱ Ἀθηναῖοι μετεπείσθησαν, καὶ ἐψηφίσαντο κατὰ πενθήμερον ἐκατέρους ἡγεῖσθαι.

[7.1.15] Στρατευομένων δ' ἀμφοτέρων αὐτῶν καὶ τῶν συμμάχων εἰς Κόρινθον ἔδοξε κοινῇ φυλάττειν τὸ Ὀνειον. καὶ ἐπεὶ ἐπορεύοντο οἱ Θηβαῖοι καὶ οἱ σύμμαχοι, παραταξάμενοι ἐφύλαττον ἄλλος ἄλλοθεν τοῦ Ὀνειοῦ, Λακεδαιμόνιοι δὲ καὶ Πελληγεῖς κατὰ τὸ ἐπιμαχώτατον. οἱ δὲ Θηβαῖοι καὶ οἱ σύμμαχοι ἐπεὶ ἀπεῖχον τῶν φυλαττόντων τριάκοντα στάδια, κατεστρατοπεδεύσαντο ἐν τῷ πεδίῳ. συντεκμηράμενοι δὲ ἡνίκ' ἂν ὦιοντο ὀρμηθέντες καθανύσαι ἅμα κνέφαι, πρὸς τὴν τῶν Λακεδαιμονίων φυλακὴν ἐπορεύοντο. [7.1.16] καὶ μέντοι οὐκ ἐψεύσθησαν τῆς ὥρας, ἀλλ' ἐπιπίπτουσι τοῖς Λακεδαιμονίοις καὶ τοῖς Πελληνεῦσιν ἡνίκα αἱ μὲν νυκτεριναὶ φυλακαὶ ἤδη ἔληγον, ἐκ δὲ τῶν στιβάδων ἀνίσταντο ὅποι ἐδεῖτο ἕκαστος. ἐνταῦθα οἱ Θηβαῖοι προσπεσόντες ἔπαιον παρεσκευασμένοι ἀπαρασκευάστους καὶ συντεταγμένοι ἀσυντάκτους. [7.1.17] ὥς δὲ οἱ σωθέντες ἐκ τοῦ πράγματος ἀπέφυγον ἐπὶ τὸν ἐγγύτατα λόφον, ἐξὸν τῷ Λακεδαιμονίων πολεμάρχῳ λαβόντι ὀπόσους μὲν ἐβούλετο τῶν συμμάχων ὀπλίτας, ὀπόσους δὲ πελταστάς, κατέχειν τὸ χωρίον, καὶ γὰρ τὰ ἐπιτήδεια ἐξῆν ἀσφαλῶς ἐκ Κεγχρειῶν κομίζεσθαι, οὐκ ἐποίησε ταῦτα, ἀλλὰ μάλα ἀπορούντων τῶν Θηβαίων πῶς χρὴ ἐκ τοῦ πρὸς Σικυῶνα βλέποντος καταβῆναι ἢ πάλιν ἀπελθεῖν, σπονδὰς ποιησάμενος, ὥς τοῖς πλείστοις ἐδόκει, πρὸς Θηβαίων μᾶλλον ἢ πρὸς ἑαυτῶν, οὕτως ἀπῆλθε καὶ τοὺς μεθ' αὐτοῦ ἀπήγαγεν.

[7.1.18] Οἱ δὲ Θηβαῖοι ἀσφαλῶς καταβάντες καὶ συμμερίζαντες τοῖς ἑαυτῶν συμμάχοις, Ἀρκάσι τε καὶ Ἀργείοις καὶ Ἡλείοις, εὐθὺς μὲν

προσέβαλον πρὸς Σικυῶνα καὶ Πελλήνην· στρατευσάμενοι δὲ εἰς Ἐπίδauρον ἐδήλωσαν αὐτῶν πᾶσαν τὴν χώραν. ἀναχωροῦντες δὲ ἐκεῖθεν μάλα πάντων ὑπεροπτικῶς τῶν ἐναντίων, ὡς ἐγένοντο ἐγγὺς τοῦ Κορινθίων ἄστεως, δρόμῳ ἐφέροντο πρὸς τὰς πύλας τὰς ἐπὶ Φλειοῦντα ἰόντι, ὡς εἰ ἀνεωιγμέναι τύχοιεν, εἰσπεσοῦμενοι. [7.1.19] ἐκβοηθήσαντες δὲ τινες ψилоὶ ἐκ τῆς πόλεως ἀπαντῶσι τῶν Θηβαίων τοῖς ἐπιλέκτοις οὐδὲ τέτταρα πλέθρα ἀπέχουσι τοῦ τείχους· καὶ ἀναβάντες ἐπὶ τὰ μνήματα καὶ τὰ ὑπερέχοντα χωρία, βάλλοντες καὶ ἀκοντίζοντες ἀποκτείνουσι τῶν πρώτων καὶ μάλα συχνούς, καὶ τρεψάμενοι ἐδίωκον ὡς τρία ἢ τέτταρα στάδια. τούτου δὲ γενομένοι οἱ Κορίνθιοι τοὺς νεκροὺς πρὸς τὸ τεῖχος ἐλκύσαντες καὶ ὑποσπόνδους ἀποδόντες τροπαῖον ἔστησαν. καὶ ταύτῃ μὲν ἀνεψύχθησαν οἱ τῶν Λακεδαιμονίων σύμμαχοι.

[7.1.20] Ἄμα τε δὴ πεπραγμένων τούτων καταπλεῖ Λακεδαιμονίοις ἡ παρὰ Διονυσίου βοήθεια, τριήρεις πλέον ἢ εἴκοσιν· ἦγον δὲ Κελτούς τε καὶ Ἴβηρας καὶ ἱππέας ὡς πεντήκοντα. τῇ δ' ὕστεραίαι οἱ Θηβαῖοι τε καὶ οἱ ἄλλοι αὐτῶν σύμμαχοι διαταξάμενοι καὶ ἐμπλήσαντες τὸ πεδῖον μέχρι τῆς θαλάττης καὶ μέχρι τῶν ἐχομένων τῆς πόλεως γηλόφων ἔφθειρον εἴ τι χρήσιμον ἦν ἐν τῷ πεδίῳ. καὶ οἱ μὲν τῶν Ἀθηναίων καὶ οἱ τῶν Κορινθίων ἱππεῖς οὐ μάλα ἐπλησίαζον τῷ στρατεύματι, ὀρῶντες ἰσχυρὰ καὶ πολλὰ τάντίπαλα· [7.1.21] οἱ δὲ παρὰ τοῦ Διονυσίου ἱππεῖς, ὅσοιπερ ἦσαν, οὗτοι διεσκεδασμένοι ἄλλος ἄλλῃ παραθέοντες ἠκόντιζόν τε προσελαύνοντες, καὶ ἐπεὶ ὥρων ἐπ' αὐτοὺς, ἀνεχώρουν, καὶ πάλιν ἀναστρέφοντες ἠκόντιζον. καὶ ταῦτα ἅμα ποιοῦντες κατέβαινον ἀπὸ τῶν ἵππων καὶ ἀνεπαύοντο. εἰ δὲ καταβεβηκόσιν ἐπελαύνοιέν τινες, εὐπετῶς ἀναπηδῶντες ἀνεχώρουν. εἰ δ' αὖ τινες διώξειαν αὐτοὺς πολὺ ἀπὸ τοῦ στρατεύματος, τούτους, ὅποτε ἀποχωροῖεν, ἐπικείμενοι καὶ ἀκοντίζοντες δεινὰ εἰργάζοντο, καὶ πᾶν τὸ στράτευμα ἠνάγκαζον ἑαυτῶν ἕνεκα καὶ προῖέναι καὶ ἀναχωρεῖν. [7.1.22] μετὰ ταῦτα μέντοι οἱ Θηβαῖοι μείναντες οὐ πολλὰς ἡμέρας ἀπῆλθον οἴκαδε, καὶ οἱ ἄλλοι δὲ ἕκαστος οἴκαδε. ἐκ δὲ τούτου ἐμβάλλουσιν οἱ παρὰ Διονυσίου εἰς Σικυῶνα, καὶ μάχῃ μὲν νικῶσι τοὺς Σικυωνίους ἐν τῷ πεδίῳ, καὶ ἀπέκτειναν περὶ ἑβδομήκοντα· Δέρας δὲ τεῖχος κατὰ κράτος αἰροῦσι. καὶ ἡ μὲν παρὰ Διονυσίου πρώτη βοήθεια ταῦτα πράξασα ἀπέπλευσεν εἰς Συρακούσας. Θηβαῖοι δὲ καὶ πάντες οἱ ἀποστάντες ἀπὸ Λακεδαιμονίων μέχρι μὲν τούτου τοῦ χρόνου

όμοθυμαδὸν καὶ ἔπραττον καὶ ἐστρατεύοντο ἡγουμένων Θηβαίων.
[7.1.23] ἐγγενόμενος δέ τις Λυκομήδης Μαντινεύς, γένει τε οὐδενὸς ἐνδεῆς χρήμασί τε προήκων καὶ ἄλλως φιλότιμος, οὗτος ἐνέπλησε φρονήματος τοὺς Ἀρκάδας, λέγων ὥς μόνοις μὲν αὐτοῖς πατρίς Πελοπόννησος εἴη, μόνοι γὰρ αὐτόχθονες ἐν αὐτῇ οἰκοῖεν, πλεῖστον δὲ τῶν Ἑλληνικῶν φύλων τὸ Ἀρκαδικὸν εἴη καὶ σώματα ἐγκρατέστατα ἔχοι. καὶ ἀλκιμωτάτους δὲ αὐτοὺς ἀπεδείκνυε, τεκμήρια παρεχόμενος ὥς ἐπικούρων ὅποτε δεηθεῖεν τινες, οὐδένας ἡιροῦντο ἀντ' Ἀρκάδων. ἔτι δὲ οὔτε Λακεδαιμονίους πώποτε ἄνευ σθῶν ἐμβαλεῖν εἰς τὰς Ἀθήνας οὔτε νῦν Θηβαίους ἐλθεῖν ἄνευ Ἀρκάδων εἰς Λακεδαίμονα. [7.1.24] ἐὰν οὖν σωφρονῇτε, τοῦ ἀκολουθεῖν ὅποι ἂν τις παρακαλῇ φείσεσθε· ὥς πρότερόν τε Λακεδαιμονίοις ἀκολουθοῦντες ἐκείνους ἠϋξήσατε, νῦν δὲ ἂν Θηβαίοις εἰκῇ ἀκολουθῇτε καὶ μὴ κατὰ μέρος ἡγεῖσθαι ἀξιώτε, ἴσως τάχα τούτους ἄλλους Λακεδαιμονίους εὐρήσετε. οἱ μὲν δὴ Ἀρκάδες ταῦτα ἀκούσαντες ἀνεφυσῶντό τε καὶ ὑπερεφίλουν τὸν Λυκομήδην καὶ μόνον ἄνδρα ἡγοῦντο· ὥστε ἄρχοντας ἔταττον οὐστinas ἐκεῖνος κελεύοι, καὶ ἐκ τῶν συμβαινόντων δὲ ἔργον ἐμεγαλύνοντο οἱ Ἀρκάδες· [7.1.25] ἐμβαλόντων μὲν γὰρ εἰς Ἐπίδαυρον τῶν Ἀργείων, καὶ ἀποκλεισθέντων τῆς ἐξόδου ὑπὸ τε τῶν μετὰ Χαβρίου ξένων καὶ Ἀθηναίων καὶ Κορινθίων, βοηθήσαντες μάλα πολιορκουμένους ἐξελεύσαντο τοὺς Ἀργεῖους, οὐ μόνον τοῖς ἀνδράσιν, ἀλλὰ καὶ τοῖς χωρίοις πολεμίοις χρώνενοι· στρατευσάμενοι δὲ καὶ εἰς Ἀσίνην τῆς Λακαίνης ἐνίκησάν τε τὴν τῶν Λακεδαιμονίων φρουρὰν καὶ τὸν Γεράνορα τὸν Σπαρτιάτην πολέμαρχον γεγεννημένον ἀπέκτειναν καὶ τὸ προάστιον τῶν Ἀσιναίων ἐπόρθησαν. ὅπου δὲ βουλευθεῖεν ἐξελθεῖν, οὐ νύξ, οὐ χεῖμων, οὐ μῆκος ὁδοῦ, οὐκ ὄρη δύσβατα ἀπεκώλυνεν αὐτούς· ὥστε ἐν γε ἐκείνῳ τῷ χρόνῳ πολὺ ὥιοντο κράτιστοι εἶναι. [7.1.26] οἱ μὲν δὴ Θηβαῖοι διὰ ταῦτα ὑποφθόνως καὶ οὐκέτι φιλικῶς εἶχον πρὸς τοὺς Ἀρκάδας. οἱ γε μὴν Ἥλειοι ἐπεὶ ἀπαιτοῦντες τὰς πόλεις τοὺς Ἀρκάδας ἃς ὑπὸ Λακεδαιμονίων ἀφηιρέθησαν ἔγνωσαν αὐτοὺς τοὺς μὲν ἑαυτῶν λόγους ἐν οὐδενὶ λόγῳ ποιουμένους, τοὺς δὲ Τριφυλίους καὶ τοὺς ἄλλους τοὺς ἀπὸ σφῶν ἀποστάντας περὶ παντὸς ποιουμένους, ὅτι Ἀρκάδες ἔφασαν εἶναι, ἐκ τούτων αὖ καὶ οἱ Ἥλειοι δυσμενῶς εἶχον πρὸς αὐτούς.

[7.1.27] Οὕτω δ' ἐκάστων μέγα ἐφ' ἑαυτοῖς φρονούντων τῶν συμμάχων, ἔρχεται Φιλίσκος Ἀβυδηνὸς παρ' Ἀριοβαρζάνους

χρήματα ἔχων πολλά. καὶ πρῶτα μὲν εἰς Δελφοὺς συνήγαγε περὶ εἰρήνης Θηβαίους καὶ τοὺς συμμάχους καὶ τοὺς Λακεδαιμονίους. ἐκεῖ δὲ ἐλθόντες τῷ μὲν θεῷ οὐδὲν ἀνεκοινώσαντο ὅπως ἂν ἡ εἰρήνη γένοιτο, αὐτοὶ δὲ ἐβουλευοντο. ἐπεὶ δὲ οὐ συνεχώρουν οἱ Θηβαῖοι Μεσσήνην ὑπὸ Λακεδαιμονίοις εἶναι, ξενικὸν πολλὸν συνέλεγεν ὁ Φιλίσκος, ὅπως πολεμοίη μετὰ Λακεδαιμονίων.

[7.1.28] Τούτων δὲ πραττομένων ἀφικνεῖται καὶ ἡ παρὰ Διονυσίου δευτέρα βοήθεια. λεγόντων δὲ Ἀθηναίων μὲν ὥς χρεὼν εἶη αὐτοὺς ἰέναι εἰς Θετταλίαν τάναντία Θηβαίοις, Λακεδαιμονίων δὲ ὥς εἰς τὴν Λακωνικὴν, ταῦτα ἐν τοῖς συμμάχοις ἐνίκησεν. ἐπεὶ δὲ περιέπλευσαν οἱ παρὰ Διονυσίου εἰς Λακεδαίμονα, λαβὼν αὐτοὺς Ἀρχίδαμος μετὰ τῶν πολιτικῶν ἐστρατεύετο. καὶ Καρύας μὲν ἐξαίρει κατὰ κράτος, καὶ ὅσους ζῶντας ἔλαβεν, ἀπέσφαξεν· ἐκεῖθεν δ' εὐθὺς στρατευσάμενος εἰς Παρρασίους τῆς Ἀρκαδίας μετ' αὐτῶν ἐδήμιον τὴν χώραν. ἐπεὶ δ' ἐβοήθησαν οἱ Ἀρκάδες καὶ οἱ Ἀργεῖοι, ἐπαναχωρήσας ἐστρατοπεδεύσατο ἐν τοῖς ὑπὲρ Μηλέας γηλόφοις. ἐνταῦθα δ' ὄντος αὐτοῦ Κισσίδας ὁ ἄρχων τῆς παρὰ Διονυσίου βοηθείας ἔλεγεν ὅτι ἐξήκοι αὐτῷ ὁ χρόνος ὃς εἰρημένος ἦν παραμένειν. καὶ ἅμα ταῦτ' ἔλεγε καὶ ἀπῆι τὴν ἐπὶ Σπάρτης. [7.1.29] ἐπεὶ δὲ ἀποπορευόμενον ὑπέτέμνοντο αὐτὸν οἱ Μεσσήνιοι ἐπὶ στενὸν τῆς ὁδοῦ, ἐνταῦθα δὴ ἔπεμπεν ἐπὶ τὸν Ἀρχίδαμον καὶ βοηθεῖν ἐκέλευε· κάκεῖνος μέντοι ἐβοήθει. ὥς δὲ ἐγένοντο ἐν τῇ ἐπ' Εὐτρησίους ἐκτροπῇ, οἱ μὲν Ἀρκάδες καὶ Ἀργεῖοι προσέβαινον εἰς τὴν Λάκαιναν, καὶ οὗτοι ὥς ἀποκλείσοντες αὐτὸν τῆς ἐπ' οἶκον ὁδοῦ. ὁ δέ, οὐπὲρ ἐστὶ χωρίον ἐπίπεδον ἐν ταῖς συμβολαῖς τῆς τε ἐπ' Εὐτρησίων καὶ τῆς ἐπὶ Μηλέας ὁδοῦ, ἐνταῦθα ἐκβὰς παρετάξατο ὥς μαχούμενος. [7.1.30] ἔφασαν δ' αὐτὸν καὶ πρὸ τῶν λόγων παριόντα τοιάδε παρακελεύσασθαι· Ἄνδρες πολῖται, νῦν ἀγαθοὶ γενόμενοι ἀναβλέψωμεν ὀρθοῖς ὄμμασιν· ἀποδῶμεν τοῖς ἐπιγιγνομένοις τὴν πατρίδα οἷαν περ παρὰ τῶν πατέρων παρελάβομεν· παυσώμεθα αἰσχυρόμενοι καὶ παῖδας καὶ γυναῖκας καὶ πρεσβυτέρους καὶ ξένους, ἐν οἷς πρόσθεν γε πάντων τῶν Ἑλλήνων περιβλεπτότατοι ἦμεν. [7.1.31] τούτων δὲ ῥηθέντων ἐξ αἰθρίας ἀστραπὰς τε καὶ βροντὰς λέγουσιν αἰσίους αὐτῷ φανῆναι· συνέβη δὲ καὶ πρὸς τῷ δεξιῷ κέρατι τέμενός τε καὶ ἄγαλμα Ἡρακλέους [οὗ δὴ καὶ ἀπόγονος λέγεται] εἶναι. τοιγαροῦν ἐκ τούτων πάντων οὕτω πολλὸς μένος καὶ θάρρος τοῖς στρατιώταις φασὶν ἐμπεσεῖν ὥστ' ἔργον εἶναι τοῖς ἡγεμόσιν

ἀνείργειν τοὺς στρατιώτας ὠθουμένους εἰς τὸ πρόσθεν. ἐπεὶ μέντοι ἡγεῖτο ὁ Ἀρχίδαμος, ὀλίγοι μὲν τῶν πολεμίων δεξάμενοι εἰς δόρυ αὐτοὺς ἀπέθανον· οἱ δ' ἄλλοι φεύγοντες ἔπιπτον, πολλοὶ μὲν ὑπὸ ἱππέων, πολλοὶ δὲ ὑπὸ τῶν Κελτῶν. [7.1.32] ὥς δὲ ληξάσης τῆς μάχης τροπαῖον ἐστήσατο, εὐθὺς ἔπεμψεν οἴκαδε ἀγγελοῦντα Δημοτέλη τὸν κήρυκα τῆς τε νίκης τὸ μέγεθος <καὶ> ὅτι Λακεδαιμονίων μὲν οὐδὲ εἰς τεθναίῃ, τῶν δὲ πολεμίων παμπλήθεις. τοὺς μέντοι ἐν Σπάρτῃ ἔφασαν ἀκούσαντας ἀρξαμένους ἀπὸ Ἀγησιλάου καὶ τῶν γερόντων καὶ τῶν ἐφόρων πάντας κλαίειν· οὕτω κοινόν τι ἄρα χαρᾶι καὶ λύπῃ δάκρυά ἐστιν. ἐπὶ μέντοι τῇ τῶν Ἀρκάδων τύχῃ οὐ πολὺ τι ἦττον Λακεδαιμονίων ἥσθησαν Θηβαῖοι τε καὶ Ἥλείοι· οὕτως ἤδη Ἀνχθοντο ἐπὶ τῷ φρονήματι αὐτῶν.

[7.1.33] Συνεχῶς δὲ βουλευόμενοι Θηβαῖοι ὅπως ἂν τὴν ἡγεμονίαν λάβοιεν τῆς Ἑλλάδος, ἐνόμισαν, εἰ πέμψειαν πρὸς τὸν Περσῶν βασιλέα, πλεονεκτῆσαι ἂν τι ἐν ἐκείνῳ. καὶ ἐκ τούτου παρακαλέσαντες ἤδη τοὺς συμμάχους ἐπὶ προφάσει ὅτι καὶ Εὐθυκλῆς ὁ Λακεδαιμόνιος εἶη παρὰ βασιλεῖ, ἀναβαίνουνσι Θηβαίων μὲν Πελοπίδας, Ἀρκάδων δὲ Ἀντίοχος ὁ παγκρατιαστής, Ἥλείων δὲ Ἀρχίδαμος· ἡκολούθει δὲ καὶ Ἀργεῖος. καὶ οἱ Ἀθηναῖοι ἀκούσαντες ταῦτα ἀνέπεμψαν Τιμαγόραν τε καὶ Λέοντα. [7.1.34] ἐπεὶ δὲ ἐκεῖ ἐγένοντο, πολὺ ἐπλεονέκτει ὁ Πελοπίδας παρὰ τῷ Πέρσῃ. εἶχε γὰρ λέγειν καὶ ὅτι μόνοι τῶν Ἑλλήνων βασιλεῖ συνεμάχοντο ἐν Πλαταιαῖς, καὶ ὅτι ὕστερον οὐδεπώποτε στρατεύσαιντο ἐπὶ βασιλέα, καὶ ὥς Λακεδαιμόνιοι διὰ τοῦτο πολεμήσειαν αὐτοῖς, ὅτι οὐκ ἐθελήσαιεν μετ' Ἀγησιλάου ἐλθεῖν ἐπ' αὐτὸν οὐδὲ θύσαι ἐάσαιεν αὐτὸν ἐν Αὐλίδι τῇ Ἀρτέμιδι, ἔνθα περ ὅτε Ἀγαμέμνων εἰς τὴν =φασίαν ἐξέπλει θύσας εἶλε Τροίαν. [7.1.35] μέγα δὲ συνεβάλλετο τῷ Πελοπίδῃ εἰς τὸ τιμᾶσθαι καὶ ὅτι ἐνενικήκεσαν οἱ Θηβαῖοι μάχῃ ἐν Λεύκτροις καὶ ὅτι πεπορθηκότες τὴν χώραν τῶν Λακεδαιμονίων ἐφαίνοντο. ἔλεγε δὲ ὁ Πελοπίδας ὅτι οἱ Ἀργεῖοι καὶ οἱ Ἀρκάδες μάχῃ ἡττημένοι εἶεν ὑπὸ Λακεδαιμονίων, ἐπεὶ αὐτοὶ οὐ πατεγέγοντο. συνεμαρτύρει δ' αὐτῷ ταῦτα πάντα ὥς ἀληθῆ λέγοι ὁ Ἀθηναῖος Τιμαγόρας, καὶ ἐτιμᾶτο δεύτερος μετὰ τὸν Πελοπίδαν. [7.1.36] ἐκ δὲ τούτου ἐρωτώμενος ὑπὸ βασιλέως ὁ Πελοπίδας τί βούλοιο ἐαυτῷ γραφῆναι εἶπεν ὅτι Μεσσήνην τε αὐτόνομον εἶναι ἀπὸ Λακεδαιμονίων καὶ Ἀθηναίους ἀνέλκειν τὰς ναῦς· εἰ δὲ ταῦτα μὴ πείθοντο, στρατεύειν ἐπ' αὐτούς· εἴ τις δὲ πόλις μὴ ἐθέλοι

ἀκολουθεῖν, ἐπὶ ταύτην πρῶτον ἰέναι. [7.1.37] γραφέντων δὲ τούτων καὶ ἀναγνωσθέντων τοῖς πρέσβεισιν, εἶπεν ὁ Λέων ἀκούοντος τοῦ βασιλέως· Νῆ Δία, ὦ Ἀθηναῖοι, ὥρα γε ὑμῖν, ὥς ἔοικεν, ἄλλον τινὰ φίλον ἀντὶ βασιλέως ζητεῖν. ἐπεὶ δὲ ἀπήγγειλεν ὁ γραμματεὺς ἃ εἶπεν ὁ Ἀθηναῖος, πάλιν ἐξήνεγκε προσγεγραμμένα· εἰ δέ τι δικαιότερον τούτων γινώσκουσιν οἱ Ἀθηναῖοι, ἰόντας πρὸς βασιλέα διδάσκειν. [7.1.38] ἐπεὶ δὲ ἀφίκοντο οἱ πρέσβεις οἵκαδε ἕκαστοι, τὸν μὲν Τιμαγόραν ἀπέκτειναν οἱ Ἀθηναῖοι, κατηγοροῦντος τοῦ Λέοντος ὡς οὔτε συσκηνοῦν ἑαυτῷ ἐθέλοι μετὰ τε Πελοπίδου πάντα βουλευοίτο. τῶν δὲ ἄλλων πρέσβεων ὁ μὲν Ἥλεϊος Ἀρχίδαμος, ὅτι προυτίμησε τὴν Ἥλιν πρὸ τῶν Ἀρκάδων, ἐπῆναι τὰ τοῦ βασιλέως, ὁ δὲ Ἀντίοχος, ὅτι ἡλαττοῦτο τὸ Ἀρκαδικόν, οὔτε τὰ δῶρα ἐδέξατο ἀπήγγειλέ τε πρὸς τοὺς μυρίους ὡς βασιλεὺς ἀρτοκόπους μὲν καὶ ὀψοποιούς καὶ οἰνοχόους καὶ θυρωροὺς πεμπλήθεις ἔχοι, ἄνδρας δὲ οἱ μάχονται ἂν Ἑλληνσι πάνυ ζητῶν οὐκ [ἂν] ἔφη δύνασθαι ἰδεῖν. πρὸς δὲ τούτοις καὶ τὸ τῶν χρημάτων πλήθος ἀλαζονείαν οἱ γε δοκεῖν ἔφη εἶναι, ἐπεὶ καὶ τὴν ὑμνουμένην ἂν χρυσὴν πλάτανον οὐχ ἱκανὴν ἔφη εἶναι τέττιγι σκιὰν παρέχειν.

[7.1.39] Ὡς δὲ οἱ Θηβαῖοι συνεκάλεσαν ἀπὸ τῶν πόλεων ἀπασῶν ἀκουσομένους τῆς παρὰ βασιλέως ἐπιστολῆς, καὶ ὁ Πέρσης ὁ φέρων τὰ γράμματα δεῖξας τὴν βασιλέως σφραγίδα ἀνέγνω τὰ γεγραμμένα, οἱ μὲν Θηβαῖοι ὁμνῦναι ταῦτα ἐκέλευον βασιλεῖ καὶ ἑαυτοῖς τοὺς βουλομένους φίλους εἶναι, οἱ δὲ ἀπὸ τῶν πόλεων ἀπεκρίναντο ὅτι οὐκ ὁμούμενοι ἀλλ' ἀκουσόμενοι πεμφθεῖσαν· εἰ δέ τι ὄρκων δέοιντο, πρὸς τὰς πόλεις πέμπειν ἐκέλευον. ὁ μέντοι Ἀρκὰς Λυκομήδης καὶ τοῦτο ἔλεγεν, ὅτι οὐδὲ τὸν σύλλογον ἐν Θήβαις δέοι εἶναι, ἀλλ' ἔνθα ἂν ᾗ ὁ πόλεμος. χαλεπαινόντων δ' αὐτῷ τῶν Θηβαίων καὶ λεγόντων ὡς διαφθείροι τὸ συμμαχικόν, οὐδ' εἰς τὸ συνέδριον ἤθελε καθίζειν, ἀλλ' ἀπιὼν ὤχετο, καὶ μετ' αὐτοῦ πάντες οἱ ἐξ Ἀρκαδίας πρέσβεις. [7.1.40] ὥς δ' ἐν Θήβαις οὐκ ἠθέλησαν οἱ συνελθόντες ὁμόσαι, ἔπεμπον οἱ Θηβαῖοι πρέσβεις ἐπὶ τὰς πόλεις, ὁμνῦναι κελεύοντες ποιήσιν κατὰ τὰ βασιλέως γράμματα, νομίζοντες ὀκνήσειν μίαν ἐκάστην τῶν πόλεων ἀπεχθάνεσθαι ἅμα ἑαυτοῖς τε καὶ βασιλεῖ. ἐπεὶ μέντοι εἰς Κόρινθον πρῶτον αὐτῶν ἀφικομένων ὑπέστησαν οἱ Κορίνθιοι, καὶ ἀπεκρίναντο ὅτι οὐδὲν δέοιντο πρὸς βασιλέα κοινῶν ὄρκων, ἐπηκολούθησαν καὶ ἄλλαι πόλεις κατὰ ταῦτα ἀποκρινόμεναι. καὶ αὕτη μὲν ἡ Πελοπίδου καὶ

τῶν Θηβαίων τῆς ἀρχῆς περιβολή οὕτω διελύθη.

[7.1.41] Αὐθις δ' Ἐπαμεινώνδας, βουλευθεὶς τοὺς Ἀχαιοὺς προσαγαγέσθαι, ὅπως μᾶλλον σφίσι καὶ οἱ Ἀρκάδες καὶ οἱ ἄλλοι σύμμαχοι προσέχοιεν τὸν νοῦν, ἔγνω ἐκστρατευτέον εἶναι ἐπὶ τὴν Ἀχαΐαν. Πεισίαν οὖν τὸν Ἀργεῖον στρατηγοῦντα ἐν τῷ Ἀργεὶ πείθει προκαταλαβεῖν τὸ Ὀνειον. καὶ ὁ Πεισίας μέντοι καταμαθὼν ἀμελουμένην τὴν τοῦ Ὀνειοῦ φυλακὴν ὑπὸ τε Ναυκλέους, ὃς ἦρχε τοῦ ξενικοῦ τῶν Λακεδαιμονίων, καὶ ὑπὸ Τιμομάχου τοῦ Ἀθηναίου, καταλαμβάνει νύκτωρ μετὰ δισχιλίων ὀπλιτῶν τὸν ὑπὲρ Κεγχρειῶν λόφον, ἔχων ἑπτὰ ἡμερῶν τὰ ἐπιτήδεια. [7.1.42] ἐν δὲ ταύταις ταῖς ἡμέραις ἐλθόντες οἱ Θηβαῖοι ὑπερβαίνουνσι τὸ Ὀνειον, καὶ στρατεύουσι πάντες οἱ σύμμαχοι ἐπ' Ἀχαΐαν, ἡγουμένου ἐπαμεινώνδου. προσπεσόντων δ' αὐτῷ τῶν βελτίστων ἐκ τῆς Ἀχαΐας, ἐνδυναστεύει ὁ Ἐπαμεινώνδας ὥστε μὴ φυγαδεῦσαι τοὺς κρατίστους μηδὲ πολιτείαν μεταστῆσαι, ἀλλὰ πιστὰ λαβὼν παρὰ τῶν Ἀχαιῶν ἥ μὴν συμμάχους ἔσεσθαι καὶ ἀκουλουθήσειν ὅποι ἂν Θηβαῖοι ἡγῶνται, οὕτως ἀπῆλθεν οἴκαδε. [7.1.43] κατηγορούντων δὲ αὐτοῦ τῶν τε Ἀρκάδων καὶ τῶν ἀντιστασιωτῶν ὡς Λακεδαιμονίοις κατεσκευακὼς τὴν Ἀχαΐαν ἀπέλθοι, ἔδοξε Θηβαίοις πέμψαι ἀρμοστὰς εἰς τὰς Ἀχαΐδας πόλεις. οἱ δ' ἐλθόντες τοὺς μὲν βελτίστους σὺν τῷ πλήθει ἐξέβαλον, δημοκρατίας δὲ ἐν τῇ Ἀχαΐᾳ κατιεστησαν. οἱ μέντοι ἐκπεσόντες συστάντες ταχύ, ἐπὶ μίαν ἐκάστην τῶν πόλεων πορευόμενοι, ὄντες οὐκ ὀλίγοι, κατήλθον τε καὶ κατέσχον τὰς πόλεις. ἐπεὶ δὲ κατελθόντες οὐκέτι ἐμέσσευον, ἀλλὰ προθύμως συνεμάχουν τοῖς Λακεδαιμονίοις, ἐπιέζοντο οἱ Ἀρκάδες ἔνθεν μὲν ὑπὸ Λακεδαιμονίων, ἔνθεν δὲ ὑπὸ Ἀχαιῶν. [7.1.44] ἐν δὲ τῷ Σικυῶνι τὸ μὲν μέχρι τούτου κατὰ τοὺς ἀρχαίους νόμους ἡ πολιτεία ἦν. ἐκ δὲ τούτου βουλόμενος ὁ Εὐφρων, ὥσπερ παρὰ τοῖς Λακεδαιμονίοις μέγιστος ἦν τῶν πολιτῶν, οὕτω καὶ παρὰ τοῖς ἐναντίοις αὐτῶν πρωτεύειν, λέγει πρὸς τοὺς Ἀργεῖους καὶ πρὸς τοὺς Ἀρκάδας ὡς εἰ μὲν οἱ πλουσιώτατοι ἐγκρατεῖς ἔσονται τοῦ Σικυῶνος, σαφῶς ὅταν τύχη, πάλιν λακωνιεῖ ἡ πόλις· ἐὰν δὲ δημοκρατία γένηται, εὖ ἴστε, ἔφη, ὅτι διαμενεῖ ὑμῖν ἡ πόλις. ἐὰν οὖν μοι παραγέννησθε, ἐγὼ ἔσομαι ὁ συγκαλὼν τὸν δῆμον, καὶ ἅμα ἐγὼ ὑμῖν ταύτην πίστιν ἐμαυτοῦ δώσω καὶ τὴν πόλιν βέβαιον ἐν τῇ συμμαχίᾳ παρέξω. ταῦτα δ', ἔφη, ἐγὼ πράττω εὖ ἴστε ὅτι πάλαι μὲν χαλεπῶς φέρων, ὥσπερ ὑμεῖς, τὸ φρόνημα τῶν Λακεδαιμονίων, ἄσμενος δ' ἂν

τὴν δουλείαν ἀποφυγών. [7.1.45] οἱ οὖν Ἀρκάδες καὶ οἱ Ἀργεῖοι ἡδέως ταῦτ' ἀκούσαντες παρεγένοντο αὐτῷ. ὁ δ' εὐθὺς ἐν τῇ ἀγορᾷ παρόντων τῶν Ἀργείων καὶ τῶν Ἀρκάδων συνεκάλει τὸν δῆμον, ὡς τῆς πολιτείας ἐσομένης ἐπὶ τοῖς ἴσοις καὶ ὁμοίοις. ἐπεὶ δὲ συνῆλθον, στρατηγοὺς ἐκέλευσεν ἐλέσθαι οὐστinas αὐτοῖς δοκοίη· οἱ δ' αἰροῦνται αὐτόν τε τὸν Εὐφρονα καὶ Ἰππόδαμον καὶ Κλέανδρον καὶ Ἀκρίσιον καὶ Λύσανδρον. ὡς δὲ ταῦτα ἐπέπρακτο, καὶ ἐπὶ τὸ ξενικὸν καθίστησιν Ἀδέαν τὸν αὐτοῦ υἱόν, Λυσιμένην τὸν πρόσθεν ἄρχοντα ἀποστήσας. [7.1.46] καὶ εὐθὺς μὲν τούτων τῶν ξένων ὁ Εὐφρων πιστοὺς τινας εὖ ποιῶν ἐποίησατο, καὶ ἄλλους προσελάμβανεν, οὔτε τῶν δημοσίων οὔτε τῶν ἱερῶν χρημάτων φειδόμενος. καὶ ὅσους δ' ἐξέβαλεν ἐπὶ λακωνισμῷ, καὶ τοῖς τούτων χρήμασιν ἐχρήτο. καὶ τῶν συναρχόντων δὲ τοὺς μὲν δόλῳ ἀπέκτεινε, τοὺς δ' ἐξέβαλεν· ὥστε πάντα ὑφ' ἑαυτῷ ἐποίησατο καὶ σαφῶς τύραννος ἦν. ὅπως δὲ ταῦτα ἐπιτρέποιεν αὐτῷ οἱ σύμμαχοι, τὰ μὲν τι καὶ χρήμασι διεπράττετο, τὰ δὲ καί, εἴ που στρατεύοιντο, προθύμως ἔχων τὸ ξενικὸν συνηκολούθει.

[7.2.1] Οὕτω δὲ τούτων προκεχωρηκότων, καὶ τῶν *τε Ἀργείων ἐπιτετειχικότων [ἐν] τῇ Φλειοῦντι τὸ ὑπὲρ τοῦ Ἡραίου Τρικάρανον, καὶ τῶν Σικυωνίων ἐπὶ τοῖς ὁρίοις αὐτῶν τειχιζόντων τὴν Θυαμίαν, μάλα ἐπιέζοντο οἱ Φλειάσιοι καὶ ἐσπάνιζον τῶν ἐπιτηδείων· ὅμως δὲ διεκαρτιερουν ἐν τῇ συμμαχίᾳ. ἀλλὰ γὰρ τῶν μὲν μεγάλων πόλεων, εἴ τι καλὸν ἔπραξαν, ἅπαντες οἱ συγγραφεῖς μέμνηνται· ἐμοὶ δὲ δοκεῖ, καὶ εἴ τις μικρὰ πόλις οὕσα πολλὰ καὶ καλὰ ἔργα διαπέπρακται, ἔτι μᾶλλον ἄξιον εἶναι ἀποφαίνειν. [7.2.2] Φλειάσιοι τοίνυν φίλοι μὲν ἐγένοντο Λακεδαιμονίοις, ὅτ' ἐκείνοι μέγιστοι ἦσαν· σφαλέντων δ' αὐτῶν ἐν τῇ ἐν Λεύκτροις μάχῃ, καὶ ἀποστάντων μὲν πολλῶν περιοίκων, ἀποστάντων δὲ πάντων τῶν Εἰλώτων, ἔτι δὲ τῶν συμμάχων πλὴν πάνυ ὀλίγων, ἐπιστρατευόντων δ' αὐτοῖς ὡς εἰπεῖν πάντων τῶν Ἑλλήνων, πιστοὶ διέμειναν, καὶ ἔχοντες πολεμίους τοὺς δυνατωτάτους τῶν ἐν Πελοποννήσῳ Ἀρκάδας καὶ Ἀργεῖους ὅμως ἐβοήθησαν αὐτοῖς, καὶ διαβαίνειν τελευταῖοι λαχόντες εἰς Πρασιὰς τῶν συμβοηθησάντων, ἦσαν δ' οὗτοι Κορίνθιοι, Ἐπιδαύριοι, Τροιζήνιοι, Ἑρμιονεῖς, Ἀλιεῖς, Σικυώνιοι καὶ Πελληνεῖς· [7.2.3] οὐ γάρ πω τότε ἀφέστασαν· ἀλλ' οὐδ' ἐπεὶ ὁ ξεναγὸς τοὺς προδιαβεβῶτας λαβὼν ἀπολιπὼν αὐτοὺς ὦχετο, οὐδ' ὥς ἀπεστράφησαν, ἀλλ' ἡγεμόνα μισθωσάμενοι ἐκ

Πρασιῶν, ὄντων τῶν πολεμίων περὶ Ἀμύκλας, ὅπως ἐδύναντο διαδύντες εἰς Σπάρτην ἀφίκοντο. καὶ μὴν οἱ Λακεδαιμόνιοι ἄλλως τε ἐτίμων αὐτοὺς καὶ βοῦν ξένια ἔπεμψαν. [7.2.4] ἐπεὶ δ' ἀναχωρησάντων τῶν πολεμίων ἐκ τῆς Λακεδαίμονος οἱ Ἀργεῖοι ὀργιζόμενοι τῇ τῶν Φλειασίων περὶ τοὺς Λακεδαιμονίους προθυμίᾳ ἐνέβαλον πανδημεὶ εἰς τὸν Φλειοῦντα καὶ τὴν χώραν αὐτῶν ἐδήιουν, οὐδ' ὥς ὕφιετο, ἀλλὰ καὶ ἐπεὶ ἀπεχώρουν φθείραντες ὅσα ἐδύναντο, ἐπεξελθόντες οἱ τῶν Φλειασίων ἵππεῖς ἐπηκολούθουν αὐτοῖς, καὶ ὀπισθοφυλακούντων τοῖς Ἀργείοις τῶν ἱπέων ἀπάντων καὶ λόχων τῶν μετ' αὐτοὺς τεταγμένων, ἐπιθέμενοι τούτοις ἐξήκοντα ὄντες ἐτρέψαντο πάντας τοὺς ὀπισθοφύλακας· καὶ ἀπέκτειναν μὲν ὀλίγους αὐτῶν, τροπαῖον μέντοι ἐστήσαντο ὀρώντων τῶν Ἀργείων οὐδὲν διαφέρον ἢ εἰ πάντας ἀπεκτόνεσαν αὐτούς.

[7.2.5] Αὐθις δὲ Λακεδαιμόνιοι μὲν καὶ οἱ σύμμαχοι ἐφρούρουν τὸ Ὀνειον, Θηβαῖοι δὲ προσῆισαν ὥς ὑπερβησόμενοι. πορευομένων δὲ διὰ Νεμέας τῶν Ἀρκάδων καὶ Ἡλείων, ὅπως συμμείζαιεν τοῖς Θηβαίοις, προσήνεγκαν μὲν λόγον τῶν Φλειασίων φυγάδες ὥς εἰ ἐθελήσειαν ἐπιφανῆναι μόνον σφίσι, λάβοιεν ἂν Φλειοῦντα· ἐπεὶ δὲ ταῦτα συνωμολογήθη, τῆς νυκτὸς ὑπεκαθίζοντο ὑπ' αὐτῷ τῷ τείχει κλίμακας ἔχοντες οἳ τε φυγάδες καὶ ἄλλοι μετ' αὐτῶν ὥς ἑξακόσιοι. ἐπεὶ δὲ οἱ μὲν σκοποὶ ἐσήμαινον ἀπὸ τοῦ Τρικάρανου ὥς πολεμίων ἐπιόντων, ἡ δὲ πόλις πρὸς τούτους τὸν νοῦν εἶχεν, ἐν δὴ τούτῳ οἱ προδιδόντες ἐσήμαινον τοῖς ὑποκαθημένοις ἀναβαίνειν. [7.2.6] οἱ δ' ἀναβάντες καὶ λαβόντες τῶν φρουρῶν τὰ ὄπλα ἔρημα, ἐδίωκον τοὺς ἡμεροφύλακας ὄντας δέκα· ἀφ' ἐκάστης δὲ τῆς πεμπάδος εἷς ἡμεροφύλαξ κατελείπετο· καὶ ἓνα μὲν ἔτι καθεύδοντα ἀπέκτειναν, ἄλλον δὲ καταφυγόντα πρὸς τὸ Ἡραιον. φυγῇ δ' ἐξαλλομένων κατὰ τοῦ τείχους τοῦ εἰς τὸ ἄστυ ὀρώντος τῶν ἡμεροφυλάκων, ἀναμφισβητήτως εἶχον οἱ ἀναβάντες τὴν ἀκρόπολιν. [7.2.7] ἐπεὶ δὲ κραυγῆς εἰς τὴν πόλιν ἀφικομένης ἐβρόθήθουν οἱ πολῖται, τὸ μὲν πρῶτον ἐπεξελθόντες ἐκ τῆς ἀκροπόλεως οἱ πολέμιοι ἐμάχοντο ἐν τῷ πρόσθεν τῶν εἰς τὴν πόλιν φερουσῶν πυλῶν· ἔπειτα πολιορκούμενοι ὑπὸ τῶν προσβοηθούντων ἐχώρουν πάλιν πρὸς τὴν ἀκρόπολιν· οἱ δὲ πολῖται συνεισπίπτουσιν αὐτοῖς. τὸ μὲν οὖν μέσον τῆς ἀκροπόλεως εὐθὺς ἔρημον ἐγένετο· ἐπὶ δὲ τὸ τεῖχος καὶ τοὺς πύργους ἀναβάντες οἱ πολέμιοι ἔπαιον καὶ ἔβαλλον τοὺς ἔνδον· οἱ δὲ χαμόθεν ἡμύνοντο καὶ κατὰ τὰς ἐπὶ τὸ τεῖχος φερούσας κλίμακας

προσεμάχοντο. [7.2.8] ἐπεὶ δὲ τῶν ἔνθεν καὶ ἔνθεν πύργων ἐκράτησάν τινων οἱ πολῖται, ὁμόσε δὴ ἐχώρουν ἀπονενοημένως τοῖς ἀναβεβηκόσιν. οἱ δὲ ὠθούμενοι ὑπ' αὐτῶν τῇ τόλμῃ τε καὶ μάχῃ εἰς ἑλάττον συνειλοῦντο. ἐν δὲ τούτῳ τῷ καιρῷ οἱ μὲν Ἀρκάδες καὶ οἱ Ἀργεῖοι περὶ τὴν πόλιν ἐκυκλοῦντο, καὶ κατὰ κεφαλὴν τὸ τεῖχος τῆς ἀκροπόλεως διώρυττον· τῶν δ' ἔνδοθεν οἱ μὲν <ἐπὶ τὸ τεῖχος, οἱ δὲ καὶ ἔξωθεν ἔτι ἐπαναβαίνοντας, ἐπὶ ταῖς κλίμαξιν ὄντας, ἔπαιον, οἱ δὲ πρὸς τοὺς ἀναβεβηκότας αὐτῶν ἐπὶ τοὺς πύργους ἐμάχοντο>, καὶ πῦρ εὐρόντες ἐν ταῖς σκηναῖς ὑφήπτον αὐτοὺς, προσφοροῦντες τῶν δραγμάτων ἃ ἔτυχεν ἐξ αὐτῆς τῆς ἀκροπόλεως τεθερισμένα. ἐνταῦθα δὴ οἱ μὲν ἀπὸ τῶν πύργων τὴν φλόγα φοβούμενοι ἐξήλλοντο, οἱ δὲ ἐπὶ τῶν τειχῶν ὑπὸ τῶν ἀνδρῶν παιόμενοι ἐξέπιπτον. [7.2.9] ἐπεὶ δ' ἅπαξ ἥρξαντο ὑπέικειν, ταχὺ δὴ πᾶσα ἡ ἀκρόπολις ἔρημος τῶν πολεμίων ἐγεγένητο. εὐθὺς δὲ καὶ οἱ ἱππεῖς ἐξήλαινον· οἱ δὲ πολέμιοι ἰδόντες αὐτοὺς ἀπεχώρουν, καταλιπόντες τὰς τε κλίμακας καὶ τοὺς νεκροὺς, ἐνίους δὲ καὶ ζῶντας ἀποκεχωλευμένους. ἀπέθανον δὲ τῶν πολεμίων οἱ τε ἔνδον μαχόμενοι καὶ οἱ ἔξω ἀλλόμενοι οὐκ ἐλάττους τῶν ὀγδοήκοντα. ἔνθα δὴ θεάσασθαι παρῆν ἐπὶ τῆς σωτηρίας τοὺς μὲν ἄνδρας δεξιουμένους ἀλλήλους, τὰς δὲ γυναῖκας πιεῖν τε φερούσας καὶ ἅμα χαρᾷ δακρυούσας· πάντας δὲ τοὺς παρόντας τότε γε τῷ ὄντι κλαυσίγελως εἶχεν.

[7.2.10] Ἐνέβαλον δὲ καὶ τῷ ὑστέρῳ ἔτει εἰς τὸν Φλειοῦντα οἱ τε Ἀργεῖοι καὶ οἱ Ἀρκάδες ἅπαντες. αἴτιον δ' ἦν τοῦ ἐπικεῖσθαι αὐτοὺς αἰεὶ τοῖς Φλειασίοις ὅτι ἅμα μὲν ὠργίζοντο αὐτοῖς, ἅμα δὲ ἐν μέσῳ εἶχον, καὶ ἐν ἐλπίδι ἦσαν αἰεὶ διὰ τὴν ἀπορίαν τῶν ἐπιτηδείων παραστήσεσθαι αὐτοὺς. οἱ δ' ἱππεῖς καὶ οἱ ἐπιλεκτοὶ τῶν Φλειασίων καὶ ἐν ταύτῃ τῇ ἐμβολῇ ἐπὶ τῇ διαβάσει τοῦ ποταμοῦ ἐπιτίθενται σὺν τοῖς παροῦσι τῶν Ἀθηναίων ἱππεῦσι· καὶ κρατήσαντες ἐποίησαν τοὺς πολεμίους τὸ λοιπὸν τῆς ἡμέρας ὑπὸ τὰς ἀκρωρείας ὑποχωρεῖν, ὥσπερ ἀπὸ φιλίου καρποῦ τοῦ ἐν τῷ πεδίῳ φυλαττομένους μὴ καταπατήσειαν.

[7.2.11] Αὐθις δὲ ποτε ἐστράτευσεν εἰς τὸν Φλειοῦντα ὁ ἐν τῷ Σικυῶνι ἄρχων Θηβαῖος, ἄγων οὓς τε αὐτὸς εἶχε φρουροὺς καὶ Σικωνίους καὶ Πελληνέας· ἥδη γὰρ τότε ἠκολούθουν τοῖς Θηβαίοις· καὶ Εὐφρων δὲ τοὺς αὐτοῦ ἔχων μισθοφόρους περὶ δισχιλίους συνεστρατεύετο. οἱ μὲν οὖν ἄλλοι αὐτῶν διὰ τοῦ Τρικάρανου κατέβαινον ἐπὶ τὸ Ἥραιον, ὥς τὸ πεδίον φθεροῦντες. κατὰ δὲ τὰς εἰς

Κόρινθον φερούσας πύλας ἐπὶ τοῦ ἄκρου κατέλιπε Σικυωνίους τε καὶ Πελληγέας, ὅπως μὴ ταύτη περιελθόντες οἱ Φλειάσιοι κατὰ κεφαλὴν αὐτῶν γένοιτο ὑπὲρ τοῦ Ἡραίου. [7.2.12] ὥς δ' ἔγνωσαν οἱ ἐκ τῆς πόλεως τοὺς πολεμίους ἐπὶ τὸ πεδὶον ὠρμημένους, ἀντεξελθόντες οἱ τε ἱππεῖς καὶ οἱ ἐπίλεκτοι τῶν Φλειασίων ἐμάχοντο καὶ οὐκ ἀνίσταν εἰς τὸ πεδὶον αὐτούς. καὶ τὸ μὲν πλεῖστον τῆς ἡμέρας ἐνταῦθα ἀκροβολιζόμενοι διῆγον, οἱ μὲν περὶ τὸν Εὐφρονα ἐπιδιώκοντες μέχρι τοῦ ἱππασίμου, οἱ δὲ ἔνδοθεν μέχρι τοῦ Ἡραίου. [7.2.13] ἐπεὶ δὲ καιρὸς ἐδόκει εἶναι, ἀπῆσαν οἱ πολέμοι κύκλῳ τοῦ Τρικάρανου· ὥστε γὰρ τὴν σύντομον πρὸς τοὺς Πελληγέας ἀφικέσθαι ἢ πρὸ τοῦ τεύχους φάραγξ εἶργε. μικρὸν δ' αὐτούς πρὸς τὸ ὄρθιον προπέμψαντες οἱ Φλειάσιοι ἀποτρεπόμενοι ἴεντο τὴν παρὰ τὸ τεῖχος ἐπὶ τοὺς Πελληγέας καὶ τοὺς μετ' αὐτῶν. [7.2.14] καὶ οἱ περὶ τὸν Θηβαῖον δὲ αἰσθόμενοι τὴν σπουδὴν τῶν Φλειασίων ἡμιλλῶντο ὅπως φθάσειαν τοῖς Πελληγέεσσι βοηθήσαντες. ἀφικόμενοι δὲ πρότεροι οἱ ἱππεῖς ἐμβάλλουσι τοῖς Πελληγέεσσι. δεξαμένων δὲ τὸ πρῶτον, ἐπαναχωρήσαντες πάλιν σὺν τοῖς παραγεγενημένοις τῶν πεζῶν ἐνέβαλον καὶ ἐκ χειρὸς ἐμάχοντο. καὶ ἐκ τούτου δὴ ἐγκλίνουσιν οἱ πολέμοι, καὶ ἀποθνήσκουσι τῶν τε Σικυωνίων τινὲς καὶ τῶν Πελληγέων μάλα πολλοὶ καὶ ἄνδρες ἀγαθοί. [7.2.15] τούτων δὲ γενομένων οἱ μὲν Φλειάσιοι τροπαῖον ἴσαντο λαμπρὸν παιανίζοντες, ὥσπερ εἰκός· οἱ δὲ περὶ τὸν Θηβαῖον καὶ τὸν Εὐφρονα περιεώρων ταῦτα, ὥσπερ ἐπὶ θέαν περιδεδραμηκότες. τούτων δὲ πραχθέντων, οἱ μὲν ἐπὶ Σικυῶνος ἀπῆλθον, οἱ δ' εἰς τὸ ἄστυ ἀπεχώρησαν.

[7.2.16] Καλὸν δὲ καὶ τοῦτο διεπράξαντο οἱ Φλειάσιοι· τὸν γὰρ Πελληγέα πρόξενον ζῶντα λαβόντες, καίπερ πάντων σπανιζόμενοι, ἀφῆκαν ἄνευ λύτρων. γενναίους μὲν δὴ καὶ ἀλκίμους πῶς οὐκ ἂν τις φαίη εἶναι τοὺς τοιαῦτα διαπραττομένους;

[7.2.17] Ὡς γε μὴν καὶ διὰ καρτερίας τὴν πίστιν τοῖς φίλοις διέσωζον περιφανές· οἱ ἐπεὶ εἶργοντο τῶν ἐκ τῆς γῆς καρπῶν, ἔζων τὰ μὲν ἐκ τῆς πολέμιας λαμβάνοντες, τὰ δὲ ἐκ Κορίνθου ὠνούμενοι, διὰ πολλῶν κινδύνων ἐπὶ τὴν ἀγορὰν ἰόντες, χαλεπῶς μὲν τιμὴν πορίζοντες, χαλεπῶς δὲ τοὺς προϊζοντας διαπραττόμενοι, γλίσχρως δ' ἐγγυητὰς καθιστάντες τῶν ἀξόντων ὑποζυγίων. [7.2.18] ἤδη δὲ παντάπασιν ἀποροῦντες Χάρητα διεπράξαντο σφίσι παραπέμψαι τὴν παραπομπήν. ἐπεὶ δὲ ἐν Φλειοῦντι ἐγένοντο, ἐδεήθησαν αὐτοῦ καὶ τοὺς ἀχείους συνεκπέμψαι εἰς τὴν Πελλήνην. κάκείνους μὲν ἐκεῖ

κατέλιπον, ἀγοράσαντες δὲ καὶ ἐπισκευασάμενοι ὅποσα ἐδύναντο ὑποζύγια νυκτὸς ἀπῆισαν, οὐκ ἀγνοοῦντες ὅτι ἐνεδρεῦσονται ὑπὸ τῶν πολεμίων, ἀλλὰ νομίζοντες χαλεπώτερον εἶναι τοῦ μάχεσθαι τὸ μὴ ἔχειν τάπιτήδεα. [7.2.19] καὶ προῆισαν μὲν οἱ Φλειάσιοι μετὰ Χάρητος· ἐπεὶ δὲ ἐνέτυχον τοῖς πολεμίοις, εὐθὺς ἔργου τε εἶχοντο καὶ παρακελευσάμενοι ἀλλήλοις ἐνέκειντο, καὶ ἅμα Χάρητα ἐπιβοηθεῖν ἐβόων. νίκης δὲ γενομένης καὶ ἐκβληθέντων ἐκ τῆς ὁδοῦ τῶν πολεμίων, οὕτω δὴ οἴκαδε καὶ ἑαυτοὺς καὶ ἃ ἦγον ἀπέσωσαν. ὥς δὲ τὴν νύκτα ἠγρύπνησαν, ἐκάθευδον μέχρι πόρρω τῆς ἡμέρας. [7.2.20] ἐπεὶ δὲ ἀνέστη ὁ Χάρης, προσελθόντες οἱ τε ἱππεῖς καὶ οἱ χρησιμώτατοι τῶν ὀπλιτῶν ἔλεγον· ὦ Χάρης, ἔξεστί σοι τήμερον κάλλιστον ἔργον διαπράξασθαι. χωρίον γὰρ ἐπὶ τοῖς ὅροις ἡμῖν οἱ Σικυώνιοι τειχίζουσιν, οἰκοδόμους μὲν πολλοὺς ἔχοντες, ὀπλίτας δὲ οὐ πάνυ πολλούς. ἡγησόμεθα μὲν οὖν ἡμεῖς οἱ ἱππεῖς καὶ τῶν ὀπλιτῶν οἱ ἔρρωμενέστατοι· σὺ δὲ τὸ ξενικὸν ἔχων ἐὰν ἀκολουθήης, ἴσως μὲν διαπεπραγμένα σοι καταλήψηι, ἴσως δὲ ἐπιφανεῖς σὺ τροπὴν, ὥσπερ ἐν Πελλήνῃ, ποιήσεις. εἰ δέ τι δυσχερές σοί ἐστιν ὧν λέγομεν, ἀνακοίνωσαι τοῖς θεοῖς θυόμενος· οἴομεθα γὰρ ἔτι σε μᾶλλον ἡμῶν τοὺς θεοὺς ταῦτα πράττειν κελεύσειν. τοῦτο δὲ χρή, ὦ Χάρης, εὖ εἰδέναι, ὅτι ἐὰν ταῦτα πράξης, τοῖς μὲν πολεμίοις ἐπιτετειχικῶς ἔσει, φιλίαν δὲ πόλιν διασεσωκῶς, εὐκλεέστατος δὲ ἐν τῇ πατρίδι ἔσει, ὀνομαστότατος δὲ καὶ ἐν τοῖς συμμάχοις καὶ πολεμίοις. [7.2.21] ὁ μὲν δὴ Χάρης πεισθεὶς ἐθύετο, τῶν δὲ Φλειασίων εὐθὺς οἱ μὲν ἱππεῖς τοὺς θώρακας ἐνεδύοντο καὶ τοὺς ἵππους ἐχαλίνουν, οἱ δὲ ὀπλίται ὅσα εἰς πεζὸν παρεσκευάζοντο. ἐπεὶ δὲ ἀναλαβόντες τὰ ὅπλα ἐπορεύοντο ἔνθα ἐθύετο, ἀπῆντα αὐτοῖς ὁ Χάρης καὶ ὁ μάντις, καὶ ἔλεγον ὅτι καλὰ τὰ ἱερά. ἀλλὰ περιμένετε, ἔφασαν· ἤδη γὰρ καὶ ἡμεῖς ἔξιμεν. ὥς δὲ τάχιστα ἐκηρύχθη, θείαι τινὶ προθυμίαι καὶ οἱ μισθοφόροι ταχὺ ἐξέδραμον. [7.2.22] ἐπεὶ δὲ Χάρης ἤρξατο πορεύεσθαι, προῆισαν αὐτοῦ οἱ τῶν Πλειασίων ἱππεῖς καὶ πεζοί· καὶ τὸ μὲν πρῶτον ταχέως ἡγοῦντο, ἔπειτα δὲ ἐτρόχαζον· τέλος δὲ οἱ μὲν ἱππεῖς κατὰ κράτος ἤλαυνον, οἱ δὲ πεζοὶ κατὰ κράτος ἔθρον ὥς δυνατόν ἐν τάξει, οἷς καὶ ὁ Χάρης σπουδῇ ἐπηκολούθει. ἦν μὲν οὖν τῆς ὥρας μικρὸν πρὸ δύντος ἡλίου· κατελάμβανον δὲ τοὺς ἐν τῷ τείχει πολεμίους τοὺς μὲν λουομένους, τοὺς δ' ὀψοποιουμένους, τοὺς δὲ φυρῶντας, τοὺς δὲ στιβάδας ποιουμένους. [7.2.23] ὥς δ' εἶδον τὴν σφοδρότητα τῆς ἐφόδοι, εὐθὺς ἐκπλαγέντες

ἔφυγον, καταλιπόντες τοῖς ἀγαθοῖς ἀνδράσι πάντα τὰπιτήδεια. κάκεῖνοι μὲν ταῦτα δειπνήσαντες καὶ οἴκοθεν ἄλλα ἐλθόντα, ὥς ἐπ' εὐτυχίαι σπείσαντες καὶ παιανίσαντες καὶ φυλακὰς κατασκευασάμενοι, κατέδαρθον. οἱ δὲ Κορίνθιοι, ἀφικομένου τῆς νυκτὸς ἀγγέλου περὶ τῆς Θυαμίας, μάλα φιλικῶς κηρύξαντες τὰ ζεύγη καὶ τὰ ὑποζύγια πάντα καὶ σίτου γεμίσαντες εἰς τὸν Φλειοῦντα παρήγαγον· καὶ ἕωςπερ ἐτειχίζετο τὸ τεῖχος, ἐκάστης ἡμέρας παραπομπὰ ἐγίνοντο.

[7.3.1] Περὶ μὲν δὴ Φλειασίων, ὥς καὶ πιστοὶ τοῖς φίλοις ἐγένοντο καὶ ἄλκιμοι ἐν τῷ πολέμῳ διετέλεσαν, καὶ ὥς πάντων σπανίζοντες διέμενον ἐν τῇ συμμαχίᾳ, εἴρηται. σχεδὸν δὲ περὶ τοῦτον τὸν χρόνον Αἰνέας Στυμφάλιος, στρατηγὸς τῶν Ἀρκάδων γεγενημένος, νομίσας οὐκ ἀνεκτῶς ἔχειν τὰ ἐν τῷ Σικυῶνι, ἀναβὰς σὺν τῷ ἑαυτοῦ στρατεύματι εἰς τὴν ἀκρόπολιν συγκαλεῖ τῶν Σικυωνίων τῶν τε ἔνδον ὄντων τοὺς κρατίστους καὶ τοὺς ἄνευ δόγματος ἐκπεπτωκότας μετεπέμπετο. [7.3.2] φοβηθεῖς δὲ ταῦτα ὁ Εὐφρων καταφεύγει εἰς τὸν λιμένα τῶν Σικυωνίων, καὶ μεταπεμψάμενος Πασίμηλον ἐκ Κορίνθου, διὰ τούτου παραδίδωσι τὸν λιμένα τοῖς Λακεδαιμονίοις καὶ ἐν ταύτῃ αὐτῇ συμμαχίᾳ ἀνεστρέφετο, λέγων ὥς Λακεδαιμονίοις διατελοῖη πιστὸς ὢν. ὅτε γὰρ ψῆφος ἐδίδοτο ἐν τῇ πόλει, εἰ δοκοίη ἀφίστασθαι, μετ' ὀλίγων ἀποψηφίσασθαι ἔφη. [7.3.3] ἔπειτα δὲ τοὺς προδόντας ἑαυτὸν βουλόμενος τιμωρήσασθαι δῆμον καταστήσαι. καὶ νῦν, ἔφη, φεύγουσιν ὑπ' ἐμοῦ πάντες οἱ ὑμᾶς προδιδόντες. εἰ μὲν οὖν ἐδυνάσθην ἐγώ, ὅλην ἂν ἔχων τὴν πόλιν πρὸς ὑμᾶς ἀπέστην· νῦν δ' οὐ ἐγκρατὴς ἐγενόμην τὸν λιμένα παραδέδωκα ὑμῖν. ἡκροῶντο μὲν δὴ πολλοὶ αὐτοῦ ταῦτα· ὁπόσοι δὲ ἐπείθοντο οὐ πάνυ κατάδηλον.

[7.3.4] Ἀλλὰ γὰρ ἐπεὶπερ ἡρξάμην, διατελέσαι βούλομαι τὰ περὶ Εὐφρονος. στασιασάντων γὰρ ἐν τῷ Σικυῶνι τῶν τε βελτίστων καὶ τοῦ δήμου, λαβὼν ὁ Εὐφρων Ἀθήνηθεν ξενικὸν πάλιν κατέρχεται. καὶ τοῦ μὲν ἄστεως ἐκράτει σὺν τῷ δήμῳ· Θηβαίου δὲ ἀρμοστοῦ τὴν ἀκρόπολιν ἔχοντες, ἐπεὶ ἔγνω οὐκ ἂν δυνάμενος τῶν Θηβαίων ἐχόντων τὴν ἀκρόπολιν τῆς πόλεως κρατεῖν, συσκευασάμενος χρήματα ὤιχετο, ὥς τούτοις πείσων Θηβαίους ἐκβάλλειν μὲν τοὺς κρατίστους, παραδοῦναι δ' αὐτῷ πάλιν τὴν πόλιν. [7.3.5] αἰσθόμενοι δὲ οἱ πρόσθεν φυγάδες τὴν ὁδὸν αὐτοῦ καὶ τὴν παρασκευήν, ἀντεπορεύοντο εἰς τὰς Θήβας. ὥς δ' ἑώρων αὐτὸν οἰκείως τοῖς

ἄρχουσι συνόντα, φοβηθέντες μὴ διαπράξαιτο ἅ βούλεται, παρεκινδύνευσάν τινες καὶ ἀποσφάττουσιν ἐν τῇ ἀκροπόλει τὸν Εὐφρονα, τῶν τε ἀρχόντων καὶ τῆς βουλῆς συγκαθημένων. οἱ μέντοι ἄρχοντες τοὺς ποιήσαντας εἰσήγαγον εἰς τὴν βουλὴν, καὶ ἔλεγον τάδε.

[7.3.6] Ὡς ἄνδρες πολῖται, ἡμεῖς τουτουσὶ τοὺς ἀποκτείναντας Εὐφρονα διώκομεν περὶ θανάτου, ὁρῶντες ὅτι οἱ μὲν σώφρονες οὐδὲν δήπου ἄδικον οὐδὲ ἀνόσιον ποιοῦσιν, οἱ δὲ πονηροὶ ποιοῦσι μὲν, λανθάνειν δὲ πειρῶνται, οὗτοι δὲ τοσοῦτον πάντας ἀνθρώπους ὑπερβεβλήκασι τόλμηι τε καὶ μιαιρίαι ὥστε παρ' αὐτάς τε τὰς ἀρχὰς καὶ παρ' αὐτοὺς ὑμᾶς τοὺς κυρίους οὕστινας δεῖ ἀποθνήσκειν καὶ οὕστινας μὴ, αὐτογνωμονήσαντες ἀπέκτειναν τὸν ἄνδρα. εἰ οὖν οὗτοι μὴ δώσουσι τὴν ἐσχάτην δίκην, τίς ποτε πρὸς τὴν πόλιν θαρρῶν πορεύσεται; τί δὲ πείσεται ἢ πόλις, εἰ ἐξέσται τῷ βουλομένῳ ἀποκτείνειν πρὶν δηλῶσαι ὅτου ἔνεκα ἥκει ἕκαστος; ἡμεῖς μὲν δὴ τούτους διώκομεν ὡς ἀνοσιωτάτους καὶ ἀδικωτάτους καὶ ἀνομωτάτους καὶ πλείστον δὴ ὑπεριδόντας τῆς πόλεως· ὑμεῖς δὲ ἀκηκοότες, ὁποίας τινὸς ὑμῖν δοκοῦσιν ἄξιοι εἶναι δίκης, ταύτην αὐτοῖς ἐπίθετε.

[7.3.7] Οἱ μὲν ἄρχοντες τοιαῦτα εἶπον· τῶν δὲ ἀποκτεινάντων οἱ μὲν ἄλλοι ἡρνοῦντο μὴ αὐτόχειρες γεγενῆσθαι· εἷς δὲ ὠμολογῇ, καὶ τῆς ἀπολογίας ὧδέ πως ἤρχετο. Ἄλλ' ὑπερορᾶν μὲν, ὃ Θηβαῖοι, οὐ δυνατόν ὑμῶν ἀνδρὶ ὃς εἰδείη κυρίους μὲν ὄντας ὃ τι βούλεσθε αὐτῷ χρῆσθαι· τίني μὴν πιστεύων ἐνθάδε ἀπέκτεινα τὸν ἄνδρα; εὖ ἴστε ὅτι πρῶτον μὲν τῷ νομίζειν δίκαιον ποιεῖν, ἔπειτα δὲ τῷ ὑμᾶς ὀρθῶς γνῶσεσθαι. ἥιδειν γάρ ὅτι καὶ ὑμεῖς τοὺς περὶ Ἀρχίαν καὶ Ὑπάτην, οὓς ἐλάβετε ὅμοια Εὐφροني πεποιηκότας, οὐ ψῆφον ἀνεμείνατε, ἀλλὰ ὁπότε πρῶτον ἐδυνάσθητε ἐτιμωρήσασθε, νομίζοντες τῶν τε περιφανῶς ἀνοσίων καὶ τῶν φανερώς προδοτῶν καὶ τυραννεῖν ἐπιχειρούντων ὑπὸ πάντων ἀνθρώπων θάνατον κατεγνῶσθαι. [7.3.8] οὐκοῦν καὶ Εὐφρων πᾶσι τούτοις ἔνοχος ἦν. παραλαβὼν μὲν γὰρ τὰ ἱερὰ μεστὰ καὶ ἀργυρῶν καὶ χρυσῶν ἀναθημάτων κενὰ πάντων τούτων ἀπέδειξε. προδότης γε μὴν τίς ἂν περιφανέστερος Εὐφρονος εἴη, ὃς φιλαίτατος μὲν ὢν Λακεδαιμονίοις ὑμᾶς ἀντ' ἐκείνων εἵλετο· πιστὰ δὲ δούς καὶ λαβὼν παρ' ὑμῶν πάλιν προὔδωκεν ὑμᾶς καὶ παρέδωκε τοῖς ἐναντίοις τὸν λιμένα; καὶ μὴν πῶς οὐκ ἀπροφασίστως τύραννος ἦν, ὃς δούλους μὲν οὐ μόνον

ἐλευθέρους ἀλλὰ καὶ πολίτας ἐποίει, ἀπεκτίννυε δὲ καὶ ἐφυγάδευε καὶ χρήματα ἀφηρεῖτο οὐ τοὺς ἀδικοῦντας, ἀλλ' οὕς αὐτῷ ἐδόκει; οὗτοι δὲ ἦσαν οἱ βέλτιστοι. [7.3.9] αὐθις δὲ μετὰ τῶν ἐναντιωτάτων ὑμῖν Ἀθηναίων κατελθὼν εἰς τὴν πόλιν ἐναντία μὲν ἔθετο τὰ ὅπλα τῷ παρ' ὑμῶν ἀρμοστῇ· ἐπεὶ δ' ἐκείνον οὐκ ἐδυνάσθη ἐκ τῆς ἀκροπόλεως ἐκβαλεῖν, συσκευασάμενος χρήματα δεῦρο ἀφίκετο. καὶ εἰ μὲν ὅπλα ἡθροικῶς ἐφάνη ἐφ' ὑμᾶς, καὶ χάριν ἄν μοι εἴχετε, εἰ ἀπέκτεινα αὐτόν· ὅς δὲ χρήματα ἦλθε παρασκευασάμενος, ὥς τούτοις ὑμᾶς διαφθερῶν καὶ πείσων πάλιν κύριον αὐτὸν ποιῆσαι τῆς πόλεως, τούτῳ ἐγὼ τὴν δίκην ἐπιθεῖς πῶς ἂν δικαίως ὑφ' ὑμῶν ἀποθάνοιμι; καὶ γὰρ οἱ μὲν ὅπλοις βιασθέντες βλάπτονται μὲν, οὐ μέντοι ἄδικοί γε ἀναφαίνονται· οἱ δὲ χρήμασι παρὰ τὸ βέλτιστον διαφθαρέντες ἅμα μὲν βλάπτονται, ἅμα δὲ αἰσχύνῃ περιπίπτουσιν. [7.3.10] εἰ μὲν τοίνυν ἐμοὶ μὲν πολέμιος ἦν, ὑμῖν δὲ φίλος, κάγῳ ὁμολογῶ μὴ καλῶς ἂν μοι ἔχειν παρ' ὑμῖν τοῦτον ἀποκτείνειν· ὁ δὲ ὑμᾶς προδιδόνς τί ἐμοὶ πολεμιώτερος ἦν ἢ ὑμῖν; ἀλλὰ νῆ Δία, εἴποι ἂν τις, ἐκὼν ἦλθε. καῖτα εἰ μὲν ἀπεχόμενον τῆς ἡμετέρας πόλεως ἀπέκτεινέ τις αὐτόν, ἐπαίνου ἂν ἐτύγχανε· νῦν δὲ ὅτι πάλιν ἦλθεν ἄλλα πρὸς τοῖς πρόσθεν κακὰ ποιήσων, οὐ δικαίως φησὶ τις αὐτὸν τεθνάναι; ποῦ ἔχων Ἑλλησι σπονδὰς ἀποδεῖξαι ἢ προδόταις ἢ παλιναυτομόλοις ἢ τυράννοις; [7.3.11] πρὸς δὲ τούτοις ἀναμνήσθητε ὅτι καὶ ἐψηφίσασθε δήπου τοὺς φυγάδας ἀγωνίμους εἶναι ἐκ πασῶν τῶν συμμαχίδων. ὅστις δὲ ἄνευ κοινοῦ τῶν συμμάχων δόγματος κατέρχεται φυγὰς, τοῦτον ἔχει τις ἂν εἰπεῖν ὅπως οὐ δίκαιόν ἐστιν ἀποθνήσκειν; ἐγὼ φημι, ὧ ἄνδρες, ἀποκτείναντας μὲν ὑμᾶς ἐμὲ τετιμωρηκότας ἔσσεσθαι ἀνδρὶ τῷ πάντων ὑμῖν πολεμιωτάτῳ, γνόντας δὲ δίκαια πεποιηκέναι αὐτοὺς τετιμωρηκότας φανεῖσθαι ὑπὲρ τε ὑμῶν αὐτῶν καὶ ὑπὲρ τῶν συμμάχων ἀπάντων.

[7.3.12] Οἱ μὲν οὖν Θηβαῖοι ταῦτα ἀκούσαντες ἔγνωσαν δίκαια τὸν Εὐφρονα πεπονθέναι· οἱ μὲντοι πολῖται αὐτοῦ ὥς ἄνδρα ἀγαθὸν κομισάμενοι ἔθαψάν τε ἐν τῇ ἀγορᾷ καὶ ὥς ἀρχηγέτην τῆς πόλεως σέβονται. οὕτως, ὥς ἔοικεν, οἱ πλεῖστοι ὀρίζονται τοὺς εὐεργέτας ἑαυτῶν ἄνδρας ἀγαθοὺς εἶναι.

[7.4.1] Καὶ τὰ μὲν περὶ Εὐφρονος εἴρηται· ἐγὼ δὲ ἔνθεν εἰς ταῦτα ἐξέβην ἐπάνειμι. ἔτι γὰρ τειχιζόντων τῶν Φλειασίων τὴν Θυαμίαν καὶ τοῦ Χάρητος ἔτι παρόντος Ὁρωπὸς ὑπὸ τῶν φευγόντων κατελήφθη. στρατευσαμένων δὲ πάντων Ἀθηναίων ἐπ' αὐτὸν καὶ τὸν

Χάρητα μεταπεμψαμένων ἐκ τῆς Θουαμίας, ὁ μὲν λιμὴν αὖ ὁ τῶν Σικυωνίων πάλιν ὑπ' αὐτῶν τε τῶν πολιτῶν καὶ τῶν Ἀρκάδων ἀλίσκεται· τοῖς δ' Ἀθηναίοις οὐδεὶς τῶν συμμαχῶν ἐβοήθησεν, ἀλλ' ἀνεχώρησαν Θηβαίους παρακαταθέμενοι τὸν Ὠρωπὸν μέχρι δίκης.

[7.4.2] Καταμαθὼν δὲ ὁ Λυκομήδης μεμφομένους τοὺς Ἀθηναίους τοῖς συμμαχοῖς, ὅτι αὐτοὶ μὲν πολλὰ πράγματα εἶχον δι' ἐκείνους, ἀντεβοήθησε δ' αὐτοῖς οὐδεὶς, πείθει τοὺς μυρίους πράττειν περὶ συμμαχίας πρὸς αὐτούς. τὸ μὲν οὖν πρῶτον ἐδυσχέραινόν τινες τῶν Ἀθηναίων τὸ Λακεδαιμονίοις ὄντας φίλους γενίσθαι τοῖς ἐναντίοις αὐτῶν συμμαχοῦς· ἐπειδὴ δὲ λογιζόμενοι ἡῦρισκον οὐδὲν μείον Λακεδαιμονίοις ἢ σφίσιν ἀγαθὸν τὸ Ἀρκάδας μὴ προσδεῖσθαι Θηβαίων, οὕτω δὴ προσεδέχοντο τὴν τῶν Ἀρκάδων συμμαχίαν. [7.4.3] καὶ Λυκομήδης ταῦτα πράττων, ἀπιὼν Ἀθήνηθεν δαιμονιώτατα ἀποθνήσκει. ὄντων γὰρ παμπόλλων πλοίων, ἐκλεξάμενος τούτων ὁ ἐβούλετο, καὶ συνθέμενος τοῖνυν ἀποβιβάσαι ὅποι αὐτὸς κελεύοι, εἴλετο ἐνταῦθα ἐκβῆναι ἔνθα οἱ φυγάδες ἐτύγγανον ὄντες. κάκεῖνος μὲν οὕτως ἀποθνήσκει, ἡ μέντοι συμμαχία ὄντως ἐπεραίνετο.

[7.4.4] Εἰπόντος δὲ Δημοτίωνος ἐν τῷ δήμῳ τῶν Ἀθηναίων ὥς ἡ μὲν πρὸς τοὺς Ἀρκάδας φιλία καλῶς αὐτῷ δοκοίη πράττεσθαι, τοῖς μέντοι στρατηγοῖς προστάζαι ἔφη χρῆναι ὅπως καὶ Κόρινθος σώῃα ἦι τῷ δήμῳ τῶν Ἀθηναίων· ἀκούσαντες δὲ ταῦτα οἱ Κορίνθιοι, ταχὺ πέμψαντες ἱκανοὺς φρουροὺς ἑαυτῶν πάντοσε ὅπου Ἀθηναῖοι ἐφρούρουν εἶπαν αὐτοῖς ἀπιέναι, ὥς οὐδὲν ἔτι δεόμενοι φρουρῶν. οἱ δ' ἐπείθοντο. ὥς δὲ συνῆλθον οἱ ἐκ τῶν φρουρίων Ἀθηναῖοι εἰς τὴν πόλιν, ἐκήρυξαν οἱ Κορίνθιοι, εἴ τις ἀδικοῖτο Ἀθηναίων, ἀπογράφεσθαι, ὥς ληγομένους τὰ δίκαια.

[7.4.5] οὕτω δὲ τούτων ἐχόντων Χάρης ἀφικνεῖται μετὰ ναυτικοῦ πρὸς Κεγχρείας. ἐπεὶ δὲ ἔγνω τὰ πεπραγμένα, ἔλεξεν ὅτι ἀκούσας ἐπιβουλεύεσθαι τῇ πόλει βοηθῶν παρείη. οἱ δ' ἐπαινέσαντες αὐτὸν οὐδὲν τι μᾶλλον ἐδέχοντο τὰς ναῦς εἰς τὸν λιμένα, ἀλλ' ἀποπλεῖν ἐκέλευον· καὶ τοὺς ὀπλίτας δὲ τὰ δίκαια ποιήσαντες ἀπέπεμψαν. ἐκ μὲν οὖν τῆς Κορίνθου οἱ Ἀθηναῖοι οὕτως ἀπηλλάγησαν. [7.4.6] τοῖς μέντοι Ἀρκάσι πέμπειν ἡναγκάζοντο τοὺς ἰππέας ἐπικούρους διὰ τὴν συμμαχίαν, εἴ τις στρατεύοιτο ἐπὶ τὴν Ἀρκαδίαν· τῆς δὲ Λακωνικῆς οὐκ ἐπέβαινον ἐπὶ πολέμῳ.

Τοῖς δὲ Κορινθίοις ἐνθυμουμένοις ὥς χαλεπῶς ἔχοι αὐτοὺς σωθῆναι, κρατουμένους μὲν καὶ πρόσθεν κατὰ γῆν,

προσγεγεννημένων δὲ αὐτοῖς Ἀθηναίων ἀνεπιτηδείων, ἔδοξεν ἀθροίζειν καὶ πεζοὺς καὶ ἱππέας μισθοφόρους. ἡγούμενοι δὲ τούτων, ἅμα μὲν τὴν πόλιν ἐφύλαττον, ἅμα δὲ πολλὰ τοὺς πλησίον πολεμίους κακῶς ἐποίουν· εἰς μέντοι Θήβας ἔπεμψαν ἐπερησομένους εἰ τύχοιεν ἂν ἐλθόντες εἰρήνης. [7.4.7] ἐπεὶ δὲ οἱ Θηβαῖοι ἰέναι ἐκέλευον, ὡς ἐσομένης, ἐδεήθησαν οἱ Κορίνθιοι εἶσαι σφᾶς ἐλθεῖν καὶ ἐπὶ τοὺς συμμαχοὺς, ὡς μετὰ μὲν τῶν βουλομένων ποιησόμενοι τὴν εἰρήνην, τοὺς δὲ πόλεμον αἰρουμένους ἐάσοντες πολεμεῖν. ἐφέντων δὲ καὶ ταῦτα πράττειν τῶν Θηβαίων, ἐλθόντες εἰς Λακεδαιμόνα οἱ Κορίνθιοι εἶπον· [7.4.8] Ἡμεῖς, ὦ ἄνδρες Λακεδαιμόνιοι, πρὸς ὑμᾶς πάρεσμεν ὑμέτεροι φίλοι, καὶ ἀξιοῦμεν, εἰ μὲν τινα ὁρᾶτε σωτηρίαν ἡμῖν, ἐὰν διακαρτερῶμεν πολεμοῦντες, διδάξαι καὶ ἡμᾶς· εἰ δὲ ἀπόρως γινώσκετε ἔχοντα τὰ ἡμέτερα, εἰ μὲν καὶ ὑμῖν συμφέρει, ποιήσασθαι μεθ' ἡμῶν τὴν εἰρήνην· ὡς οὐδὲ μετ' οὐδένων ἂν ἦδιον ἢ μεθ' ὑμῶν σωθείμεν· εἰ μέντοι ὑμεῖς λογιζέσθε συμφέρειν ὑμῖν πολεμεῖν, δεόμεθα ὑμῶν εἶσαι ἡμᾶς εἰρήνην ποιήσασθαι. σωθέντες μὲν γὰρ ἴσως ἂν αὐθις ἔτι ποτὲ ἐν καιρῷ ὑμῖν γενοίμεθα· ἐὰν δὲ νῦν ἀπολώμεθα, δῆλον ὅτι οὐδέποτε χρήσιμοι ἔτι ἐσόμεθα. [7.4.9] ἀκούσαντες δὲ ταῦτα οἱ Λακεδαιμόνιοι τοῖς τε Κορινθίοις συνεβούλευον τὴν εἰρήνην ποιήσασθαι καὶ τῶν ἄλλων συμμαχῶν ἐπέτρεψαν τοῖς μὴ βουλομένοις σὺν ἑαυτοῖς πολεμεῖν ἀναπαύεσθαι· αὐτοὶ δ' ἔφασαν πολεμοῦντες πράξειν ὃ τι ἂν τῷ θεῷ φίλον ᾖ· ὑφίσεσθαι δὲ οὐδέποτε, ἦν παρὰ τῶν πατέρων παρέλαβον Μεσσήνην, ταύτης στερηθῆναι. [7.4.10] οἱ οὖν Κορίνθιοι ἀκούσαντες ταῦτα ἐπορεύοντο εἰς τὰς Θήβας ἐπὶ τὴν εἰρήνην. οἱ μέντοι Θηβαῖοι ἡξίουσαν αὐτοὺς καὶ συμμαχίαν ὁμνύειν· οἱ δὲ ἀπεκρίναντο ὅτι ἡ μὲν συμμαχία οὐκ εἰρήνην, ἀλλὰ πολέμου μεταλλαγὴ εἴη· εἰ δὲ βούλοιντο, παρεῖναι ἔφασαν τὴν δικαίαν εἰρήνην ποιησόμενοι. ἀγασθέντες δὲ αὐτοὺς οἱ Θηβαῖοι, ὅτι καίπερ ἐν κινδύνῳ ὄντες οὐκ ᾔθελον τοῖς εὐεργέταις εἰς πόλεμον καθίστασθαι, συνεχώρησαν αὐτοῖς καὶ Φλειασίοις καὶ τοῖς ἐλθοῦσι μετ' αὐτῶν εἰς Θήβας τὴν εἰρήνην ἐφ' ᾧτε ἔχειν τὴν ἑαυτῶν ἐκάστους, καὶ ἐπὶ τούτοις ὠμόσθησαν οἱ ὅρκοι. [7.4.11] οἱ μὲν δὴ Φλειάσιοι, ἐπεὶ οὕτως ἡ σύμβασις ἐγένετο, εὐθύς ἀπῆλθον ἐκ τῆς Θυαμίας· οἱ δὲ Ἀργεῖοι ὁμόσαντες ἐπὶ τοῖς αὐτοῖς τούτοις εἰρήνην ποιήσεσθαι, ἐπεὶ οὐκ ἐδύναντο καταπρᾶξαι ὥστε τοὺς τῶν Φλειασίων φυγάδας μένειν ἐν τῷ Τρικάρανῳ ὡς ἐν τῇ ἑαυτῶν πόλει ἔχοντας, παραλαβόντες ἐφρούρουν, φάσκοντες

σφετέραν τὴν γῆν ταύτην εἶναι, ἣν ὀλίγοι πρότερον ὥς πολεμίαν οὕσαν ἐδήιουν, καὶ δίκας τῶν Φλειασίων προκαλουμένων οὐκ ἐδίδοσαν.

[7.4.12] Σχεδὸν δὲ περὶ τοῖον τὸν χρόνον τετελευτηκότος ἤδη τοῦ πρόσθεν Διονυσίου ὁ υἱὸς αὐτοῦ πέμπει βοήθειαν τοῖς Λακεδαιμονίοις δώδεκα τριῆρεις καὶ ἄρχοντα αὐτῶν Τιμοκράτην. οὗτος οὖν ἀφικόμενος συνεξαίρει αὐτοῖς Σελλασίαν· καὶ τοῦτο πράξας ἀπέπλευσεν οἴκαδε.

Μετὰ δὲ τοῦτο οὐ πολλῶι ὕστερον καταλαμβάνουσιν οἱ Ἥλειοι Λασιῶνα, τὸ μὲν παλαιὸν ἑαυτῶν ὄντα, ἐν δὲ τῷ παρόντι συντελοῦντα εἰς τὸ Ἀρκαδικόν. [7.4.13] οἱ μέντοι Ἀρκάδες οὐ παρωλιώρησαν, ἀλλ' εὐθὺς παραγγέιλαντες ἐβοήθουν. ἀντεβοήθησαν δὲ καὶ τῶν Ἥλειων οἱ τριακόσιοι, καὶ ἔτι τετρακόσιοι. ἀντεστρατοπεδευμένων δὲ τὴν ἡμέραν ἐν ἐπιπεδεστέρῳ χωρίῳ τῶν Ἥλειων τῆς νυκτὸς οἱ Ἀρκάδες ἀναβαίνουσιν ἐπὶ τὴν τοῦ ὑπὲρ τῶν Ἥλειων ὄρους κορυφὴν· ἅμα δὲ τῇ ἡμέρᾳ κατέβαινον ἐπὶ τοὺς Ἥλειους. οἱ δὲ ἰδόντες ἅμα μὲν ἐξ ὑπερδεξίου προσιόντας, ἅμα δὲ πολλαπλασίους, ἐκ πολλοῦ μὲν ἀπελθεῖν ἠσυχύνθησαν, ὁμόσε δ' ἦλθον καὶ εἰς χεῖρας δεξάμενοι ἔφυγον· καὶ πολλοὺς μὲν ἄνδρας, πολλὰ δὲ ὄπλα ἀπώλεσαν, κατὰ δυσχωρίας ἀποχωροῦντες.

[7.4.14] Οἱ δὲ Ἀρκάδες διαπραξάμενοι ταῦτα ἐπορεύοντο ἐπὶ τὰς τῶν Ἀκρωρείων πόλεις. λαβόντες δὲ ταύτας πλὴν Θραύστου ἀφικνοῦνται εἰς Ὀλυμπίαν, καὶ περισταυρώσαντες τὸ Κρόνιον ἐνταῦθα ἐφρούρουν καὶ ἐκράτουν τοῦ Ὀλυμπιακοῦ ὄρους· ἔλαβον δὲ καὶ Μαργανέας ἐνδόντων τινῶν. οὕτω δὲ προκεχωρηκότων οἱ μὲν Ἥλειοι αὖ παντάπασιν ἠθύμησαν, οἱ δὲ Ἀρκάδες ἔρχονται ἐπὶ τὴν πόλιν, καὶ μέχρι μὲν τῆς ἀγορᾶς ἦλθον· ἐκεῖ μέντοι ὑποστάντες οἱ τε ἱππεῖς καὶ οἱ ἄλλοι αὐτῶν ἐκβάλλουσιν αὐτοὺς καὶ ἀπέκτεινάν τινες καὶ τροπαῖον ἐστήσαντο. [7.4.15] ἦν μὲν οὖν καὶ πρότερον διαφορὰ ἐν τῇ Ἥλιδι. οἱ μὲν γὰρ περὶ Χάροπόν τε καὶ Θρασωνίδαν καὶ Ἀργεῖον εἰς δημοκρατίαν ἤγον τὴν πόλιν, οἱ δὲ περὶ <Στάλκαν τε καὶ Ἰππίαν καὶ Στρατόλαν εἰς ὀλιγαρχίαν. ἐπεὶ δ' οἱ Ἀρκάδες μεγάλην δύναμιν ἔχοντες σύμμαχοι ἐδόκουν εἶναι τοῖς δημοκρατεῖσθαι βουλομένοις, ἐκ τούτου δὴ θρασύτεροι οἱ περὶ τὸν Χάροπον ἦσαν, καὶ συνθέμενοι τοῖς Ἀρκάσιν ἐπιβοηθεῖν καταλαμβάνουσι τὴν ἀκρόπολιν. [7.4.16] οἱ δ' ἱππεῖς καὶ οἱ τριακόσιοι

οὐκ ἐμέλλησαν, ἀλλ' εὐθὺς ἐχώρουν ἄνω, καὶ ἐκκρούουσιν αὐτούς· ὥστ' ἔφυγον σὺν τῷ Ἀργεῖῳ καὶ Χαρόπῳ τῶν πολιτῶν περὶ τριακοσίους. οὐ πολὺ δ' ὕστερον οὗτοι παραλαβόντες τῶν Ἀρκάδων τινὰς καταλαμβάνουσι Πύλον. καὶ πολλοὶ μέντοι πρὸς αὐτοὺς ἐκ τῆς πόλεως ἀπῆσαν τοῦ δήμου, ἅτε χωρίον τε καλὸν καὶ μεγάλην ῥώμην τὴν τῶν Ἀρκάδων σύμμαχον ἔχοντας. ἐνέβαλον δὲ καὶ ὕστερον εἰς τὴν χώραν τὴν τῶν Ἡλείων οἱ Ἀρκάδες, ὑπὸ τῶν φευγόντων ἀναπειθόμενοι ὥς ἡ πόλις προσχωρήσοιτο. [7.4.17] ἀλλὰ τότε μὲν οἱ Ἀχαιοὶ φίλοι γεγενημένοι τοῖς Ἡλείοις τὴν πόλιν αὐτῶν διεφύλαξαν· ὥστε οἱ Ἀρκάδες οὐδὲν ἄλλο πράξαντες ἢ δηιώσαντες αὐτῶν τὴν χώραν ἀπῆλθον. εὐθὺς μέντοι ἐκ τῆς Ἡλείας ἐξιόντες, αἰσθόμενοι τοὺς Πελληνέας ἐν Ἥλιδι ὄντας, νυκτὸς μακροτάτην ὁδὸν ἐλθόντες καταλαμβάνουσιν αὐτῶν Ὀλούρον· ἤδη γὰρ πάλιν προσεκεχώρηκεσαν οἱ Πελληνεῖς εἰς τὴν τῶν Λακεδαιμονίων συμμαχίαν. [7.4.18] ἐπεὶ δ' ἦισθοντο τὰ περὶ Ὀλοῦρου, περιελθόντες αὐτὸ καὶ οὗτοι ὅπῃ ἐδύναντο εἰς τὴν αὐτῶν πόλιν Πελλήνην εἰσῆλθον. καὶ ἐκ τούτου δὴ ἐπολέμουν τοῖς ἐν Ὀλούρῳ Ἀρκάσι τε καὶ τῷ ἑαυτῶν παντὶ δήμῳ μάλα ὀλίγοι ὄντες· ὅμως δὲ οὐ πρόσθεν ἐπαύσαντο πρὶν ἐξεπολιόρκησαν τὸν Ὀλούρον.

[7.4.19] Οἱ δ' αὖ Ἀρκάδες πάλιν ποιοῦνται ἄλλην στρατείαν εἰς τὴν Ἥλιν. μετὰ δὲ Κυλλήνης καὶ τῆς πόλεως στρατοπεδευομένοις αὐτοῖς ἐπιτίθενται οἱ Ἡλεῖοι, ὑποστάντες δὲ οἱ Ἀρκάδες ἐνίκησαν αὐτούς. καὶ Ἀνδρόμαχος μὲν ὁ Ἡλεῖος ἵππαρχος, ὅσπερ αἴτιος ἐδόκει εἶναι τὴν μάχην συνάψαι, αὐτὸς αὐτὸν διέφθειρεν· οἱ δ' ἄλλοι εἰς τὴν πόλιν ἀπεχώρησαν. ἀπέθανε δὲ ἐν ταύτῃ τῇ μάχῃ παραγενόμενος καὶ Σωκλείδης ὁ Σπαρτιάτης· ἤδη γὰρ τότε οἱ Λακεδαιμόνιοι σύμμαχοι τοῖς Ἡλείοις ἦσαν. [7.4.20] πιεζόμενοι δὲ οἱ Ἡλεῖοι ἐν τῇ ἑαυτῶν, ἠξίουσαν καὶ τοὺς Λακεδαιμονίους πέμποντες πρέσβεις ἐπιστρατεύειν τοῖς Ἀρκάσι, νομίζοντες οὕτως ἂν μάλιστα ἀπολαβεῖν τοὺς Ἀρκάδας, εἰ ἀμφοτέρωθεν πολεμοῖντο. καὶ ἐκ τούτου δὴ Ἀρχίδαμος στρατεύεται μετὰ τῶν πολιτῶν, καὶ καταλαμβάνει Κρῶμμον. καταλιπὼν δ' ἐν αὐτῷ φρουρὰν τῶν δώδεκα λόχων τρεῖς, οὕτως ἐπ' οἴκου ἀνεχώρησεν. [7.4.21] οἱ μέντοι Ἀρκάδες, ὥσπερ ἔτυχον ἐκ τῆς εἰς Ἥλιν στρατείας συνειλεγμένοι, βοηθήσαντες περιεσταύρωσαν τὸν Κρῶμμον διπλῶι σταυρώματι, καὶ ἐν ἀσφαλεῖ ὄντες ἐπολιόρκουν τοὺς ἐν τῷ Κρῶμμῳ. χαλεπῶς δὲ ἡ τῶν Λακεδαιμονίων πόλις φέρουσα ἐπὶ τῇ πολιορκίᾳ τῶν πολιτῶν,

ἐκπέμπει στρατιάν· ἡγεῖτο δὲ καὶ τότε Ἀρχίδαμος. ἐλθὼν δὲ ἐδήμιον καὶ τῆς Ἀρκαδίας ὅσα ἐδύνατο καὶ τῆς Σκιρίτιδος, καὶ πάντα ἐποίει ὅπως, εἰ δύναιτο, ἀπαγάγοι τοὺς πολιορκοῦντας. οἱ δὲ Ἀρκάδες οὐδέν τι μᾶλλον ἐκινεῦντο, ἀλλὰ ταῦτα πάντα παρεώρων. [7.4.22] κατιδὼν δὲ τινα λόφον ὁ Ἀρχίδαμος, δι' οὗ τὸ ἔξω σταύρωμα περιεβέβληντο οἱ Ἀρκάδες, ἐνόμισεν ἐλεῖν αὐν τοῦτον, καὶ εἰ τούτου κρατήσειεν, οὐκ αὖν δύνασθαι μένειν τοὺς ὑπὸ τούτῳ πολιορκοῦντας. κύκλῳ δὲ περιάγοντος αὐτοῦ ἐπὶ τοῦτο τὸ χωρίον, ὥς εἶδον οἱ προθέοντες τοῦ Ἀρχιδάμου πελτασταὶ τοὺς ἐπαρίτους ἔξω τοῦ σταυρώματος, ἐπιτίθενται αὐτοῖς, καὶ <οἱ> ἵππεῖς συνεμβάλλειν ἐπειρῶντο. οἱ δ' οὐκ ἐνέκλιναν, ἀλλὰ συντεταγμένοι ἡσυχίαν εἶχον. οἱ δ' αὖ πάλιν ἐνέβαλον. ἐπεὶ δὲ οὐδὲ τότε ἐνέκλιναν, ἀλλὰ καὶ ἐπῆσαν, ἥδη οὔσης πολλῆς κραυγῆς, ἐβοήθει δὴ καὶ αὐτὸς ὁ Ἀρχίδαμνος, ἐκτραπόμενος κατὰ τὴν ἐπὶ Κρῶμνον φέρουσιν ἀμαξιτόν, εἰς δύο ἄγων, ὥσπερ ἐτύγγανεν ἔχων. [7.4.23] ὥς δ' ἐπλησίασαν ἀλλήλοις, οἱ μὲν σὺν τῷ Ἀρχιδάμῳ κατὰ κέρας, ἅτε καθ' ὁδὸν πορευόμενοι, οἱ δ' Ἀρκάδες ἀθρόοι συνασπιδοῦντες, ἐν τούτῳ οὐκέτι ἐδύναντο οἱ Λακεδαιμόνιοι ἀντέχειν τῷ τῶν Ἀρκάδων πλήθει, ἀλλὰ ταχὺ μὲν ὁ Ἀρχίδαμος ἐτέτρωτο τὸν μηρὸν διαμπάζ, ταχὺ δὲ οἱ μαχόμενοι πρὸ αὐτοῦ ἀπέθνησκον, Πολυαινίδας τε καὶ Χίλων ὁ τὴν ἀδελφὴν τοῦ Ἀρχιδάμου ἔχων, καὶ οἱ πάντες δὲ αὐτῶν τότε ἀπέθανον οὐκ ἔλαττον τῶν τριάκοντα. [7.4.24] ὥς δὲ κατὰ τὴν ὁδὸν ἀναχωροῦντες εἰς τὴν εὐρυχωρίαν ἐξῆλθον, ἐνταῦθα δὴ Λακεδαιμόνιοι ἀντιπαρετάξαντο. καὶ μὴν οἱ Ἀρκάδες, ὥσπερ εἶχον, συντεταγμένοι ἔστασαν, καὶ πλήθει μὲν ἐλείποντο, εὐθυμότερον δὲ πολὺ εἶχον, ἐπεληλυθότες ἀποχωροῦσι καὶ ἄνδρας ἀπεκτονότες. οἱ δὲ Λακεδαιμόνιοι μάλα ἀθύμως εἶχον, τετρωμένον μὲν ὀρῶντες τὸν Ἀρχίδαμον, ἀκηκοότες δὲ τὰ ὀνόματα τῶν τεθνηκότων, ἀνδρῶν τε ἀγαθῶν καὶ σχεδὸν τῶν ἐπιφανεστάτων. [7.4.25] ὥς δὲ πλησίον ὄντων ἀναβοήσας τις τῶν πρεσβυτέρων εἶπε· Τί δεῖ ἡμᾶς, ὧ ἄνδρες, μάχεσθαι, ἀλλ' οὐ σπείσμενους διαλυθῆναι; ἄσμενοι δὴ ἀμφοτέρω ἀκούσαντες ἐσπείσαντο. καὶ οἱ μὲν Λακεδαιμόνιοι τοὺς νεκροὺς ἀνελόμενοι ἀπῆλθον, οἱ δ' Ἀρκάδες ἐπαναχωρήσαντες ἔνθα τὸ πρῶτον ἦρξαντο ἐπιέναι τροπαῖον ἐστήσαντο.

[7.4.26] Ὡς δὲ οἱ Ἀρκάδες περὶ τὸν Κρῶμνον ἦσαν, οἱ ἐκ τῆς πόλεως Ἡλεῖοι πρῶτον μὲν ἰόντες ἐπὶ τὴν Πύλον περιτυγχάνουσι τοῖς Πυλίοις ἀποκεκρουμένοις ἐκ τῶν Θαλαμῶν. καὶ

προσελαύνοντες οἱ ἱππεῖς τῶν Ἡλείων ὥς εἶδον αὐτούς, οὐκ ἐμέλλησαν, ἀλλ' εὐθὺς ἐμβάλλουσι, καὶ τοὺς μὲν ἀποκτινύουσιν, οἱ δέ τινες αὐτῶν καταφεύγουσιν ἐπὶ γήλοφον. ἐπεὶ μέντοι ἦλθον οἱ πεζοί, ἐκκόπτουσι καὶ τοὺς ἐπὶ τῷ λόφῳ, καὶ τοὺς μὲν αὐτοῦ ἀπέκτειναν, τοὺς δὲ καὶ ζῶντας ἔλαβον ἐγγὺς διακοσίων. καὶ ὅσοι μὲν ξένοι ἦσαν αὐτῶν, ἀπέδοντο, ὅσοι δὲ φυγάδες, ἀπέσφαττον. μετὰ δὲ ταῦτα τοὺς τε Πυλίους, ὥς οὐδεὶς αὐτοῖς ἐβοήθει, σὺν αὐτῷ τῷ χωρίῳ αἰροῦσι, καὶ τοὺς Μαργανέας ἀναλαμβάνουσι. [7.4.27] καὶ μὴν οἱ Λακεδαιμόνιοι ὕστερον αὖ ἐλθόντες νυκτὸς ἐπὶ τὸν Κρῶμμον ἐπικρατοῦσι τοῦ σταυρώματος <τοῦ> κατὰ τοὺς Ἀργεῖους καὶ τοὺς πολιορκουμένους τῶν Λακεδαιμονίων εὐθὺς ἐξεκάλουν. ὅσοι μὲν οὖν ἐγγύτατά τε ἐτύγγανον ὄντες καὶ ὠξυλάβησαν, ἐξῆλθον· ὁπόσους δὲ ἔφθασαν πολλοὶ τῶν Ἀρκάδων συμβοηθήσαντες, ἀπεκλείσθησαν ἔνδον καὶ ληφθέντες διενεμήθησαν· καὶ ἓν μὲν μέρος ἔλαβον Ἀργεῖοι, ἓν δὲ Θηβαῖοι, ἓν δὲ Ἀρκάδες, ἓν δὲ Μεσσήνιοι. οἱ δὲ σύμπαντες ληφθέντες Σπαρτιατῶν τε καὶ περιοίκων πλείους τῶν ἑκατὸν ἐγένοντο.

[7.4.28] Ἐπεὶ γε μὴν οἱ Ἀρκάδες ἐσχόλασαν ἀπὸ τοῦ Κρῶμμου, πάλιν δὴ περὶ τοὺς Ἡλείους εἶχον, καὶ τήν τε Ὀλυμπίαν ἐρρωμενέστερον ἐφρούρουν, καὶ ἐπὶ ὀντος Ὀλυμπιακοῦ ἔτους παρεσκευάζοντο ποιεῖν τὰ Ὀλύμπια σὺν Πισάταις τοῖς πρώτοις φάσκουσι προστῆναι τοῦ ἱεροῦ. ἐπεὶ δὲ ὁ τε μὴν ἦκεν ἐν ᾧ τὰ Ὀλύμπια γίγνεται αἷ τε ἡμέραι ἐν αἷς ἡ πανήγυρις ἀθροίζεται, ἐνταῦθα δὴ οἱ Ἡλεῖοι ἐκ τοῦ φανεροῦ συσκευασάμενοι καὶ παρακαλέσαντες Ἀχαιοὺς ἐπορεύοντο τὴν Ὀλυμπιακὴν ὁδόν. [7.4.29] οἱ δὲ Ἀρκάδες ἐκείνους μὲν οὐκ ἂν ποτε ὦιοντο ἐλθεῖν ἐπὶ σφᾶς, αὐτοὶ δὲ σὺν Πισάταις διετίθεσαν τὴν πανήγυριν. καὶ τὴν μὲν ἵπποδρομίαν ἤδη ἐπεποιήκεσαν καὶ τὰ δρομικὰ τοῦ πεντάθλου· οἱ δ' εἰς πάλιν ἀφικόμενοι οὐκέτι ἐν τῷ δρόμῳ, ἀλλὰ μετὰ τοῦ δρόμου καὶ τοῦ βωμοῦ ἐπάλαιον. οἱ γὰρ Ἡλεῖοι σὺν τοῖς ὅπλοις παρῆσαν ἤδη εἰς τὸ τέμενος. οἱ δὲ Ἀρκάδες πορρωτέρω μὲν οὐκ ἀπήντησαν, ἐπὶ δὲ τοῦ Κλαδάου ποταμοῦ παρετάξαντο, ὃς παρὰ τὴν Ἄλτιν καταρρέων εἰς τὸν Ἀλφειὸν ἐμβάλλει. καὶ σύμμαχοι δὲ παρῆσαν αὐτοῖς, ὅπλῃται μὲν Ἀργείων εἰς δισχιλίους, Ἀθηναίων δὲ ἱππεῖς περὶ τετρακοσίου. [7.4.30] καὶ μὴν οἱ Ἡλεῖοι τὰπὶ θάτερα τοῦ ποταμοῦ παρετάξαντο, σφαγιασάμενοι δὲ εὐθὺς ἐχώρουν. καὶ τὸν πρόσθεν χρόνον εἰς τὰ πολεμικὰ καταφρονούμενοι μὲν ὑπ' Ἀρκάδων καὶ

Ἀργείων, καταφρονούμενοι δὲ ὑπ' Ἀχαιῶν καὶ Ἀθηναίων, ὅμως ἐκείνῃ τῇ ἡμέρᾳ τῶν μὲν συμμάχων ὡς ἀλκιμώτατοι ὄντες ἡγοῦντο, τοὺς δ' Ἀρκάδας, τούτοις γὰρ πρώτοις συνέβαλον, καὶ εὐθὺς ἐτρέψαντο, καὶ ἐπιβοηθήσαντες δὲ τοὺς Ἀργεῖους δεξάμενοι καὶ τούτων ἐκράτησαν. [7.4.31] ἐπεὶ μέντοι κατεδίωξαν εἰς τὸ μεταξὺ τοῦ βουλευτηρίου καὶ τοῦ τῆς Ἑστίας ἱεροῦ καὶ τοῦ πρὸς ταῦτα προσήκοντος θεάτρου, ἐμάχοντο μὲν οὐδὲν ἥττον καὶ ἐώθουν πρὸς τὸν βωμόν, ἀπὸ μέντοι τῶν στοῶν τε καὶ τοῦ βουλευτηρίου καὶ τοῦ μεγάλου ναοῦ βαλλόμενοι καὶ ἐν τῷ ἰσοπέδῳ μαχόμενοι, ἀποθνήσκουσιν ἄλλοι τε τῶν Ἡλείων καὶ αὐτὸς ὁ τῶν τριακοσίων ἄρχων Στρατόλας. τούτων δὲ πραχθέντων ἀπεχώρησαν εἰς τὸ αὐτῶν στρατόπεδον. [7.4.32] οἱ μέντοι Ἀρκάδες καὶ οἱ μετ' αὐτῶν οὕτως ἐπεφόβηντο τὴν ἐπιούσαν ἡμέραν ὥστε οὐδ' ἀνεπαύσαντο τῆς νυκτός, ἐκκόπτοντες τὰ διαπεπονημένα σκηνώματα καὶ ἀποσταυροῦντες. οἱ δ' αὖ Ἡλεῖοι ἐπεὶ τῇ ὑστεραίᾳ προσιόντες εἶδον καρτερὸν τὸ τεῖχος καὶ ἐπὶ τῶν ναῶν πολλοὺς ἀναβεβηκότας, ἀπῆλθον εἰς τὸ ἄστυ, τοιοῦτοι γενόμενοι οἷους τὴν ἀρετὴν θεὸς μὲν ἂν ἐμπνεύσας δύναιτο καὶ ἐν ἡμέρᾳ ἀποδείξαι, ἄνθρωποι δὲ οὐδ' ἂν ἐν πολλῷ χρόνῳ τοὺς μὴ ὄντας ἀλκίμους πολήσειαν.

[7.4.33] Χρωμένων δὲ τοῖς ἱεροῖς χρήμασι τῶν ἐν τοῖς Ἀρκάσιν ἀρχόντων, καὶ ἀπὸ τούτων τοὺς ἐπαρίτους τρεφόντων, πρῶτοι Μαντινεῖς ἀπεψηφίσαντο μὴ χρῆσθαι τοῖς ἱεροῖς χρήμασι. καὶ αὐτοὶ τὸ γινόμενον μέρος εἰς τοὺς ἐπαρίτους ἐκ τῆς πόλεως ἐκπορίσαντες ἀπέπεμψαν τοῖς ἄρχουσιν. οἱ δὲ ἄρχοντες φάσκοντες αὐτοὺς λυμαίνεσθαι τὸ Ἀρκαδικόν, ἀνεκαλοῦντο εἰς τοὺς μυρίους τοὺς προστάτας αὐτῶν· καὶ ἐπεὶ οὐχ ὑπήκουον, κατεδίκασαν αὐτῶν, καὶ τοὺς ἐπαρίτους ἔπεμπον ὡς ἄξοντας τοὺς κατακεκριμένους. οἱ μὲν οὖν Μαντινεῖς κλείσαντες τὰς πύλας οὐκ ἐδέχοντο αὐτοὺς εἴσω. [7.4.34] ἐκ δὲ τούτου τάχα δὴ καὶ ἄλλοι τινὲς ἔλεγον ἐν τοῖς μυρίοις ὡς οὐ χρὴ τοῖς ἱεροῖς χρήμασι χρῆσθαι οὐδὲ καταλιπεῖν εἰς τὸν αἰὶ χρόνον τοῖς παισὶν ἔγκλημα τοῦτο πρὸς τοὺς θεοὺς. ὥς δὲ καὶ ἐν τῷ κοινῷ ἀπέδοξε μηκέτι χρῆσθαι τοῖς ἱεροῖς χρήμασι, ταχὺ δὴ οἱ μὲν οὐκ ἂν δυνάμενοι ἄνευ μισθοῦ τῶν ἐπαρίτων εἶναι διεχέοντο, οἱ δὲ δυνάμενοι παρακελευσάμενοι αὐτοῖς καθίσταντο εἰς τοὺς ἐπαρίτους, ὅπως μὴ αὐτοὶ ἐπ' ἐκείνοις, ἀλλ' ἐκεῖνοι ἐπὶ σφίσιν εἶεν. γνόντες δὲ τῶν ἀρχόντων οἱ διακεχειρικότες τὰ ἱερὰ χρήματα ὅτι εἰ δώσοιεν εὐθύνας, κινδυνεύσοιεν ἀπολέσθαι, πέμπουσιν εἰς Θήβας, καὶ

διδάσκουσι τοὺς Θηβαίους ὥς εἰ μὴ στρατεύσειαν, κινδυνεύσοιεν οἱ Ἀρκάδες πάλιν λακωνίσαι. [7.4.35] καὶ οἱ μὲν παρεσκευάζοντο ὥς στρατευσόμενοι· οἱ δὲ τὰ κράτιστα τῇ Πελοποννήσῳ βουλευόμενοι ἔπεισαν τὸ κοινὸν τῶν Ἀρκάδων πέμψαντας πρέσβεις εἰπεῖν τοῖς Θηβαίοις μὴ ἰέναι σὺν ὅπλοις εἰς τὴν Ἀρκαδίαν, εἰ μὴ τι καλοῖεν. καὶ ἅμα μὲν ταῦτα πρὸς τοὺς Θηβαίους ἔλεγον, ἅμα δὲ ἐλογίζοντο ὅτι πολέμου οὐδὲν δέοιντο. τοῦ τε γὰρ ἱεροῦ τοῦ Διὸς προεστάναι οὐδὲν προσδεῖσθαι ἐνόμιζον, ἀλλ' ἀποδιδόντες ἂν καὶ δικαιότερα καὶ ὀσιώτερα ποιεῖν, καὶ τῷ θεῷ οἶεσθαι μᾶλλον ἂν οὕτω χαρίζεσθαι. βουλομένων δὲ ταῦτα καὶ τῶν Ἡλείων, ἔδοξεν ἀμφοτέροις εἰρήνην ποιήσασθαι· καὶ ἐγένοντο σπονδαί.

[7.4.36] Γενομένων δὲ τῶν ὄρκων, καὶ ὁμοσάντων τῶν τε ἄλλων ἀπάντων καὶ Τεγεατῶν καὶ αὐτοῦ τοῦ Θηβαίου, ὃς ἐτύγγανεν ἐν Τεγέαι ἔχων τριακοσίους ὀπλίτας τῶν Βοιωτῶν, οἱ μὲν ἄλλοι Ἀρκάδες ἐν τῇ Τεγέαι αὐτοῦ ἐπικαταμείναντες ἐδειπνοποιοῦντό τε καὶ ἠθθυμοῦντο καὶ σπονδὰς καὶ παιᾶνας ὥς εἰρήνης γεγενημένης ἐποιοῦντο, ὁ δὲ Θηβαῖος καὶ τῶν ἀρχόντων οἱ φοβούμενοι τὰς εὐθύνας σὺν τε τοῖς Βοιωτοῖς καὶ τοῖς ὁμογνώμοσι τῶν ἐπαρίτων κλείσαντες τὰς πύλας τοῦ τῶν Τεγεατῶν τείχους, πέμποντες ἐπὶ τοὺς σκηνοῦντας συνελάμβανον τοὺς βέλτιστους. ἅτε δὲ ἐκ πασῶν τῶν πόλεων παρόντων τῶν Ἀρκάδων, καὶ πάντων εἰρήνην βουλομένων ἔχειν, πολλοὺς ἔδει τοὺς συλλαμβανομένους εἶναι· ὥστε ταχὺ μὲν αὐτοῖς τὸ δεσμωτήριον μεστὸν ἦν, ταχὺ δὲ ἡ δημοσία οἰκία. [7.4.37] ὥς δὲ πολλοὶ οἱ εἰργμένοι ἦσαν, πολλοὶ δὲ κατὰ τοῦ τείχους ἐκπεπηδηκότες, ἦσαν δ' οἱ καὶ διὰ τῶν πυλῶν ἀφεῖντο· οὐδεὶς γὰρ οὐδενὶ ὠργίζετο, ὅστις μὴ ὤιετο ἀπολεῖσθαι· ἀπορῆσαι δὴ μάλιστα ἐποίησε τὸν τε Θηβαῖον καὶ τοὺς μετ' αὐτοῦ ταῦτα πράττοντας ὅτι Μαντινέας, οὓς μάλιστα ἐβούλοντο λαβεῖν, ὀλίγους τινὰς πάνυ εἶχον· διὰ γὰρ τὸ ἐγγὺς τὴν πόλιν εἶναι σχεδὸν πάντες ὥιχοντο οἴκαδε. [7.4.38] ἐπεὶ δὲ ἡμέρα ἐγένετο καὶ τὰ πεπραγμένα ἐπύθοντο οἱ Μαντινεῖς, εὐθὺς πέμποντες εἰς τε τὰς ἄλλας Ἀρκαδικὰς πόλεις προηγόρευον ἐν τοῖς ὅπλοις εἶναι καὶ φυλάττειν τὰς παρόδους. καὶ αὐτοὶ δὲ οὕτως ἐποιοῦν, καὶ ἅμα πέμψαντες εἰς τὴν Τεγέαν ἀπήτιουν ὅσους ἔχοιεν ἄνδρας Μαντινέων· καὶ τῶν ἄλλων δὲ Ἀρκάδων οὐδένα ἀξιοῦν ἔφασαν οὔτε δεδέσθαι οὔτε ἀποθνήσκειν πρὸ δίκης. εἰ δὲ καὶ τινες ἐπαιτιῶντο, ἔλεγον ἐπαγγέλλοντες ὅτι ἡ τῶν Μαντινέων πόλις ἐγγυῶιτο ἢ μὴν παρέξειν εἰς τὸ κοινὸν τῶν Ἀρκάδων ὁπόσους τις

προσκαλοῖτο. [7.4.39] ἀκούων οὖν ὁ Θηβαῖος ἠπόρει τε ὅ τι χρήσαιτο τῷ πράγματι καὶ ἀφίησι πάντας τοὺς ἄνδρας. καὶ τῇ ὑστεραίᾳ συγκαλέσας τῶν Ἀρκάδων ὅποσοι γε δὴ συνελθεῖν ἠθέλησαν, ἀπελογεῖτο ὡς ἐξαπατηθεῖη. ἀκοῦσαι γὰρ ἔφη ὡς Λακεδαιμόνιοι τε εἶεν σὺν τοῖς ὅπλοις ἐπὶ τοῖς ὀρίοις προδιδόναι τε μέλλοιεν αὐτοῖς τὴν Τεγέαν τῶν Ἀρκάδων τινές. οἱ δὲ ἀκούσαντες ἐκείνον μὲν, καίπερ γινώσκοντες ὅτι ἐψεύδετο περὶ σφῶν, ἀφίεσαν· πέμψαντες δ' εἰς Θήβας πρέσβεις κατηγόρουν αὐτοῦ ὡς δεῖν ἀποθανεῖν. [7.4.40] τὸν δ' Ἐπαμεινώνδαν ἔφασαν, καὶ γὰρ στρατηγῶν τότε ἐτύγχανε, λέγειν ὡς πολὺ ὀρθότερον ποιήσειεν, ὅτε συνελάμβανε τοὺς ἄνδρας ἢ ὅτε ἀφῆκε. τὸ γὰρ ἡμῶν δι' ὑμᾶς εἰς πόλεμον καταστάντων ὑμᾶς ἄνευ τῆς ἡμετέρας γνώμης εἰρήνην ποιεῖσθαι πῶς οὐκ ἂν δικαίως προδοσίαν τις ὑμῶν τοῦτο κατηγοροίη; εὖ δ' ἴστε, ἔφη, ὅτι ἡμεῖς καὶ στρατευσόμεθα εἰς τὴν Ἀρκαδίαν καὶ σὺν τοῖς τὰ ἡμέτερα φρονούσι πολεμήσομεν.

[7.5.1] Ὡς δὲ ταῦτα ἀπηγγέλθη πρὸς τε τὸ κοινὸν τῶν Ἀρκάδων καὶ κατὰ πόλεις, ἐκ τούτου ἀνελογίζοντο Μαντινεῖς τε καὶ τῶν ἄλλων Ἀρκάδων οἱ κηδόμενοι τῆς Πελοποννήσου, ὡσαύτως δὲ καὶ Ἥλείοι καὶ Ἀχαιοί, ὅτι οἱ Θηβαῖοι δῆλοι εἶεν βουλόμενοι ὡς ἀσθενεστάτην τὴν Πελοπόννησον εἶναι, ὅπως ὡς ῥᾶιστα αὐτὴν καταδουλώσαιντο. [7.5.2] τί γὰρ δὴ πολεμεῖν ἡμᾶς βούλονται ἢ ἵνα ἡμεῖς μὲν ἀλλήλους κακῶς ποιῶμεν, ἐκείνων δ' ἀμφοτέρωθεν δεώμεθα; ἢ τί λεγόντων ἡμῶν ὅτι οὐ δεόμεθα αὐτῶν ἐν τῷ παρόντι παρασκευάζονται ὡς ἐξιόντες; οὐ δῆλον ὡς ἐπὶ τῷ κακόν τι ἐργάζεσθαι ἡμᾶς στρατεύειν παρασκευάζονται; [7.5.3] ἔπεμπον δὲ καὶ Ἀθήναζε βοηθεῖν κελεύοντες· ἐπορεύθησαν δὲ καὶ εἰς Λακεδαιμόνα πρέσβεις ἀπὸ τῶν ἐπαρίτων, παρακαλοῦντες Λακεδαιμόνιους, εἰ βούλοιντο κοινῇ διακωλύειν, ἂν τινες ἴωσι καταδουλωσόμενοι τὴν Πελοπόννησον. περὶ μέντοι ἡγεμονίας αὐτόθεν διεπράττοντο ὅπως ἐν τῇ ἐαυτῶν ἕκαστοι ἡγήσονται.

[7.5.4] Ἐν ὅσῳ δὲ ταῦτ' ἐπράττετο, Ἐπαμεινώνδας ἐξήκει, Βοιωτοὺς ἔχων πάντας καὶ Εὐβοᾶς καὶ Θετταλῶν πολλοὺς παρά τε Ἀλεξάνδρῳ καὶ τῶν ἐναντίων αὐτῷ. Φωκεῖς μὲντοι οὐκ ἠκολούθουν, λέγοντες ὅτι συνθήκαι σφίσιν αὐτοῖς εἶεν, εἴ τις ἐπὶ Θήβας ἴοι, βοηθεῖν· ἐπ' ἄλλους δὲ στρατεύειν οὐκ εἶναι ἐν ταῖς συνθήκαις. [7.5.5] ὁ μὲντοι Ἐπαμεινώνδας ἐλογίζετο καὶ ἐν Πελοποννήσῳ σφίσιν ὑπάρχειν Ἀργεῖους τε καὶ Μεσσηνίους καὶ

Ἀρκάδων τοὺς τὰ σφέτερα φρονοῦντας. ἦσαν δ' οὗτοι Τεγεᾶται καὶ Μεγαλοπολῖται καὶ Ἀσεᾶται καὶ Παλλαντιεῖς, καὶ εἴ τινες δὴ πόλεις διὰ τὸ μικραὶ τε εἶναι καὶ ἐν μέσαις ταύταις οἰκεῖν ἠναγκάζοντο. [7.5.6] ἐξήλθε μὲν δὴ ὁ Ἐπαμεινώνδας διὰ ταχέων· ἐπεὶ δὲ ἐγένετο ἐν Νεμέαι, ἐνταῦθα διέτριβεν, ἐλπίζων τοὺς Ἀθηναίους παριόντας λήψεσθαι καὶ λογιζόμενος μέγα ἂν τοῦτο γενέσθαι τοῖς μὲν σφετέροις συμμάχοις εἰς τὸ ἐπιρρῶσαι αὐτούς, τοῖς δὲ ἐναντίοις εἰς τὸ εἰς ἀθυμίαν ἐμπεσεῖν, ὥς δὲ συνελόντι εἰπεῖν, πᾶν ἀγαθὸν εἶναι Θηβαίοις ὅτι ἐλαττοῖντο Ἀθηναῖοι. [7.5.7] ἐν δὲ τῇ διατριβῇ αὐτοῦ ταύτῃ συνῆισαν πάντες οἱ ὁμοφρονοῦντες εἰς τὴν Μαντίνειαν. ἐπεὶ μέντοι ὁ Ἐπαμεινώνδας ἤκουσε τοὺς Ἀθηναίους τὸ μὲν κατὰ γῆν πορεύεσθαι ἀπεγνωκέναι, κατὰ θάλατταν δὲ παρασκευάζεσθαι ὥς διὰ Λακεδαιμόνος βοηθήσοντας τοῖς Ἀρκάσιν, οὕτω δὴ ἀφορμήσας ἐκ τῆς Νεμέας ἀφικνεῖται εἰς τὴν Τεγέαν. [7.5.8] εὐτυχῇ μὲν οὖν οὐκ ἂν ἔγωγε φήσαιμι τὴν στρατηγίαν αὐτῷ γενέσθαι· ὅσα μέντοι προνοίας ἔργα καὶ τόλμης ἐστίν, οὐδέν μοι δοκεῖ ἀνὴρ ἐλλιπεῖν. πρῶτον μὲν γὰρ ἔγωγε ἐπαινῶ αὐτοῦ ὅτι τὸ στρατόπεδον ἐν τῷ τείχει τῶν Τεγεατῶν ἐποιήσατο, ἔνθ' ἐν ἀσφαλεστέρῳ τε ἦν ἢ εἰ ἔξω ἐστρατοπεδεύετο καὶ τοῖς πολεμίοις ἐν ἀδηλοτέρῳ ὅ τι πράττειτο. καὶ παρασκευάζεσθαι δέ, εἴ του ἐδεῖτο, ἐν τῇ πόλει ὄντι εὐπορώτερον ἦν. τῶν δ' ἐτέρων ἔξω στρατευομένων ἐξῆν ὁρᾶν, εἴτε τι ὁρθῶς ἐπράττετο εἴτε τι ἡμάρτανον. καὶ μὴν οἰόμενος κρείττων τῶν ἀντιπάλων εἶναι, ὁπότε ὁρώῃ χωρίοις πλεονεκτοῦντας αὐτούς, οὐκ ἐξήγετο ἐπιτίθεσθαι. [7.5.9] ὁρῶν δὲ οὔτε πόλιν αὐτῷ προσχωροῦσαν οὐδεμίαν τόν τε χρόνον προβαίνοντα, ἐνόμισε πρακτέον τι εἶναι· εἰ δὲ μή, ἀντὶ τῆς πρόσθεν εὐκλείας πολλὴν ἀδοξίαν προσεδέχετο. ἐπεὶ οὖν κατεμάνθανε περὶ μὲν τὴν Μαντίνειαν τοὺς ἀντιπάλους πεφυλαγμένους, μεταπεμπομένους δὲ Ἀγησίλαόν τε καὶ πάντας τοὺς Λακεδαιμονίους, καὶ ἦισθετο ἐξεστρατευμένον τὸν Ἀγησίλαον καὶ ὄντα ἤδη ἐν τῇ Πελλήνῃ, δειπνοποιησάμενος καὶ παραγγείλας ἡγεῖτο τῷ στρατεύματι εὐθὺς ἐπὶ Σπάρτην. [7.5.10] καὶ εἰ μὴ Κρῆς θεῖαι τινὶ μοίραι προσελθὼν ἐξήγγειλε τῷ Ἀγησίλαῳ προσιὸν τὸ στράτευμα, ἔλαβεν ἂν τὴν πόλιν ὥσπερ νεοττιὰν παντάπασιν ἔρημον τῶν ἀμυνομένων. ἐπεὶ μέντοι προπυθόμενος ταῦτα Ἀγησίλαος ἔφθη εἰς τὴν πόλιν ἀπελθὼν, διαταξάμενοι οἱ Σπαρτιᾶται ἐφύλαττον, καὶ μάλα ὀλίγοι ὄντες· οἱ τε γὰρ ἵππεῖς αὐτοῖς πάντες ἐν Ἀρκαδίαι ἀπῆσαν καὶ τὸ ξενικὸν καὶ

τῶν λόγων δώδεκα ὄντων οἱ τρεῖς. [7.5.11] ἐπεὶ δ' ἐγένετο Ἐπαμεινώνδας ἐν τῇ πόλει τῶν Σπαρτιατῶν, ὅπου μὲν ἔμελλον ἐν τε ἰσοπέδῳ μαχεῖσθαι καὶ ἀπὸ τῶν οἰκιῶν βληθήσεσθαι, οὐκ εἰσῆιει ταύτῃ, οὐδ' ὅπου γε μηδὲν <πλέονες μαχεῖσθαι τῶν ὀλίγων πολλοὶ ὄντες· ἐνθεν δὲ πλεονεκτεῖν ἂν ἐνόμιζε, τοῦτο λαβὼν τὸ χωρίον κατέβαινε καὶ οὐκ ἀνέβαιναν εἰς τὴν πόλιν. [7.5.12] τό [τε] γε μὴν ἐντεῦθεν γινόμενον ἔξεστι μὲν τὸ θεῖον αἰτιάσθαι, ἔξεστι δὲ λέγειν ὥς τοῖς ἀπονενοημένοις οὐδεὶς ἂν ὑποσταίῃ. ἐπεὶ γὰρ ἡγεῖτο Ἀρχίδαμος οὐδὲ ἑκατὸν ἔχων ἄνδρας, καὶ διαβάς ὅπερ ἐδόκει τι ἔχειν κώλυμα ἐπορεύετο πρὸς ὄρθιον ἐπὶ τοὺς ἀντιπάλους, ἐνταῦθα δὴ οἱ πῦρ πνέοντες, οἱ νενικηκότες τοὺς Λακεδαιμονίους, οἱ τῷ παντὶ πλείους καὶ προσέτι ὑπερδέξια χωρία ἔχοντες, οὐκ ἐδέξαντο τοὺς περὶ τὸν Ἀρχίδαμον, ἀλλ' ἐγκλίνουσι. [7.5.13] καὶ οἱ μὲν πρῶτοι τῶν ἐπαμεινώνδα ἀποθνήσκουσιν· ἐπεὶ μέντοι ἀγαλλόμενοι τῇ νίκῃ ἐδίωξαν οἱ ἐνδοθεν πορρωτέρῳ τοῦ καιροῦ, οὗτοι αὖ ἀποθνήσκουσιν· περιεγέγραπτο γάρ, ὥς ἔοικεν, ὑπὸ τοῦ θεοῦ μέχρι ὅσου νίκη ἐδέδοτο αὐτοῖς. καὶ ὁ μὲν δὴ Ἀρχίδαμος τροπαῖόν τε ἵστατο ἐνθα ἐπεκράτησε καὶ τοὺς ἐνταῦθα πεσόντας τῶν πολεμίων ὑποσπόνδους ἀπεδίδου. [7.5.14] ὁ δ' Ἐπαμεινώνδας λογιζόμενος ὅτι βοηθήσοιεν οἱ Ἀρκάδες εἰς τὴν Λακεδαιμονα, ἐκείνοις μὲν οὐκ ἐβούλετο καὶ πᾶσι Λακεδαιμονίοις ὁμοῦ γενομένοις μάχεσθαι, ἄλλως τε καὶ ἡτύχηκόσι, τῶν δὲ ἀποτετυχηκόντων· πάλιν δὲ πορευθεὶς ὥς ἐδύνατο τάχιστα εἰς τὴν Τεγέαν τοὺς μὲν ὀπλίτας ἀνέπαυσε, τοὺς δ' ἰππέας ἔπεμψεν εἰς τὴν Μαντίνειαν, δεηθεὶς αὐτῶν προσκαρτερῆσαι, καὶ διδάσκων ὥς πάντα μὲν εἰκὸς ἔξω εἶναι τὰ τῶν Μαντινέων βοσκήματα, πάντας δὲ τοὺς ἀνθρώπους, ἄλλως τε καὶ σίτου συγκομιδῆς οὐσης. [7.5.15] καὶ οἱ μὲν ὦιχοντο· οἱ δ' Ἀθηναῖοι ἰππεῖς ὀρμηθέντες ἐξ Ἐλευσίνος ἐδειπνοποιήσαντο μὲν ἐν Ἴσθμῳ, διελθόντες δὲ καὶ τὰς Κλεωνὰς ἐτύγχανον προσιόντες εἰς τὴν Μαντίνειαν καὶ καταστρατοπεδευσάμενοι ἐντὸς τείχους ἐν ταῖς οἰκίαις. ἐπεὶ δὲ δῆλοι ἦσαν προσελαύνοντες οἱ πολέμιοι, ἐδέοντο οἱ Μαντινεῖς τῶν Ἀθηναίων ἰππέων βοηθήσαι, εἴ τι δύναιτο· ἔξω γὰρ εἶναι καὶ τὰ βοσκήματα πάντα καὶ τοὺς ἐργάτας, πολλοὺς δὲ καὶ παῖδας καὶ γεραιτέρους τῶν ἐλευθέρων· ἀκούσαντες δὲ ταῦτα οἱ Ἀθηναῖοι ἐκβοηθοῦσιν, ἔτι ὄντες ἀνάριστοι καὶ αὐτοὶ καὶ οἱ ἵπποι. [7.5.16] ἐνταῦθα δὴ τούτων αὖ τὴν ἀρετὴν τίς οὐκ ἂν ἀγασθεῖ; οἱ καὶ πολὺ πλείους ὀρῶντες τοὺς πολεμίους καὶ ἐν Κορίνθῳ

δυστυχήματος γεγενημένου τοῖς ἱππεῦσιν οὐδὲν τούτου ἐπελογίσαντο, οὐδ' ὅτι καὶ Θηβαίοις καὶ Θετταλοῖς τοῖς κρατίστοις ἱππεύειν εἶναι δοκοῦσιν ἔμελλον μάχεσθαι, ἀλλ' αἰσχυρόμενοι, εἰ παρόντες μηδὲν ὠφελήσειαν τοὺς συμμάχους, ὥς εἶδον τάχιστα τοὺς πολεμίους, συνέρραζαν, ἐρῶντες ἀνασώσασθαι τὴν πατρίαν δόξαν. [7.5.17] καὶ μαχόμενοι αἵτιοι μὲν ἐγένοντο τὰ ἔξω πάντα σωθῆναι τοῖς Μαντινεῦσιν, αὐτῶν δ' ἀπέθανον ἄνδρες ἀγαθοί, καὶ ἀπέκτειναν δὲ δῆλον ὅτι τοιοῦτους· οὐδὲν γὰρ οὕτω βραχὺ ὄπλον ἐκάτεροι εἶχον ὧν οὐκ ἐξικνοῦντο ἀλλήλων. καὶ τοὺς μὲν φιλίους νεκροὺς οὐ προήκαντο, τῶν δὲ πολεμιῶν ἦν οὗς ὑποσπόνδους ἀπέδωκαν. [7.5.18] ὁ δ' αὖ Ἐπαμεινώνδας, ἐνθυμούμενος ὅτι ὀλίγων μὲν ἡμερῶν ἀνάγκη ἔσοιτο ἀπιέναι διὰ τὸ ἐξήκειν τῇ στρατείᾳ τὸν χρόνον, εἰ δὲ καταλείψοι ἐρήμους οἷς ἦλθε σύμμαχος, ἐκεῖνοι πολιορκήσονται ὑπὸ τῶν ἀντιπάλων, αὐτὸς δὲ λελυμασμένος τῇ ἑαυτοῦ δόξῃ παντάπασιν ἔσοιτο, ἡττημένος μὲν ἐν Λακεδαιμόνι σὺν πολλῷ ὀπλιτικῷ ὑπ' ὀλίγων, ἡττημένος δὲ ἐν Μαντινείᾳ ἱππομαχίᾳ, αἴτιος δὲ γεγενημένος διὰ τὴν εἰς Πελοπόννησον στρατείαν τοῦ συνεστάναι Λακεδαιμονίους καὶ Ἀρκάδας καὶ Ἀχαιοὺς καὶ Ἡλείους καὶ Ἀθηναίους· ὥστε οὐκ ἐδόκει αὐτῷ δυνατόν εἶναι ἀμαχεῖ παρελθεῖν, λογιζομένῳ ὅτι εἰ μὲν νικῶν, πάντα ταῦτα ἀναλύσοιτο· εἰ δὲ ἀποθάνοι, καλὴν τὴν τελευτὴν ἡγήσατο ἔσεσθαι πειρωμένῳ τῇ πατρίδι ἀρχὴν Πελοποννήσου καταλιπεῖν. [7.5.19] τὸ μὲν οὖν αὐτὸν τοιαῦτα διανοεῖσθαι οὐ πάνυ μοι δοκεῖ θαυμαστὸν εἶναι· φιλοτίμων γὰρ ἀνδρῶν τὰ τοιαῦτα διανοήματα· τὸ μέντοι <τὸ> στράτευμα παρεσκευακέναι ὥς πόνον τε μηδὲν ἀποκάνειν μήτε νυκτὸς μήτε ἡμέρας, κινδύνου τε μηδενὸς ἀφίστασθαι, σπάνιά τε τάπιτήδεια ἔχοντας ὁμῶς πειθεσθαι ἐθέλειν, ταῦτά μοι δοκεῖ θαυμαστότερα εἶναι. [7.5.20] καὶ γὰρ ὅτε τὸ τελευταῖον παρήγγειλεν αὐτοῖς παρασκευάζεσθαι ὡς μάχης ἐσομένης, προθύμως μὲν ἐλευκοῦντο οἱ ἱππεῖς τὰ κράνη κελεύοντος ἐκείνου, ἐπεγράφοντο δὲ καὶ <οἱ> τῶν Ἀρκάδων ὀπλίται ρόπαλα, ὥς Θηβαῖοι ὄντες, πάντες δὲ ἡκονῶντο καὶ λόγχας καὶ μαχαίρας καὶ ἐλαμπρύνοντο τὰς ἀσπίδας. [7.5.21] ἐπεὶ μέντοι οὕτω παρεσκευασμένους ἐξήγαγεν, ἄξιον αὖ κατανοῆσαι ἃ ἐποίησε. πρῶτον μὲν γάρ, ὥσπερ εἰκός, συνετάττετο. τοῦτο δὲ πράττων σαφηνίζειν ἐδόκει ὅτι εἰς μάχην παρεσκευάζετο· ἐπεὶ γε μὴν ἐτέτακτο αὐτῷ τὸ στράτευμα ὥς ἐβούλετο, τὴν μὲν συντομωτάτην πρὸς τοὺς πολεμίους οὐκ ἦγε, πρὸς δὲ τὰ πρὸς

ἐσπέραν ὄρη καὶ ἀντιπέραν τῆς Τεγέας ἡγεῖτο· ὥστε δόξαν παρεῖχε τοῖς πολεμίοις μὴ ποιήσεσθαι μάχην ἐκείνῃ τῇ ἡμέρῃ. [7.5.22] καὶ γὰρ δὴ ὡς πρὸς τῷ ὄρει ἐγένετο, ἐπεὶ ἐξετάθη αὐτῷ ἡ φάλαγξ, ὑπὸ τοῖς ὑψηλοῖς ἔθετο τὰ ὄπλα, ὥστε εἰκάσθη στρατοπεδευομένῳ. τοῦτο δὲ ποιήσας ἔλυσε μὲν τῶν πλείστων πολεμίων τὴν ἐν ταῖς ψυχαῖς πρὸς μάχην παρασκευήν, ἔλυσε δὲ τὴν ἐν ταῖς συντάξεσιν. ἐπεὶ γε μὴν παραγαγὼν τοὺς ἐπὶ κέρως πορευομένους λόχους εἰς μέτωπον ἰσχυρὸν ἐποίησατο τὸ περὶ ἑαυτὸν ἔμβολον, τότε δὴ ἀναλαβεῖν παραγγείλας τὰ ὄπλα ἡγεῖτο· οἱ δ' ἠκολούθουν. οἱ δὲ πολέμιοι ὡς εἶδον παρὰ δόξαν ἐπιόντας, οὐδεὶς αὐτῶν ἡσυχίαν ἔχειν ἐδύνατο, ἀλλ' οἱ μὲν ἔθεον εἰς τὰς τάξεις, οἱ δὲ παρετάττοντο, οἱ δὲ ἵππους ἐχαλίνουν, οἱ δὲ θώρακας ἐνεδύοντο, πάντες δὲ πεισομένοις τι μᾶλλον ἢ ποιήσουσιν ἐώικεσαν. [7.5.23] ὁ δὲ τὸ στράτευμα ἀντίπρωρον ὥσπερ τριήρη προσῆγε, νομίζων, ὅποι ἐμβάλων διακόψειε, διαφθερεῖν ὅλον τὸ τῶν ἐναντίων στράτευμα. καὶ γὰρ δὴ τῷ μὲν ἰσχυροτάτῳ παρεσκευάζετο ἀγωνίζεσθαι, τὸ δὲ ἀσθενέστατον πόρρῳ ἀπέστησεν, εἰδὼς ὅτι ἡττηθὲν ἀθυμίαν ἂν παράσχοι τοῖς μεθ' ἑαυτοῦ, ῥώμην δὲ τοῖς πολεμίοις. καὶ μὴν τοὺς ἱππείας οἱ μὲν πολέμιοι ἀντιπαρετάζαντο ὥσπερ ὀπλιτῶν φάλαγγα βάθος ἐφεξῆς καὶ ἔρημον πεζῶν ἀμίππων· [7.5.24] ὁ δ' Ἐπαμεινώνδας αὖ καὶ τοῦ ἱππικοῦ ἔμβολον ἰσχυρὸν ἐποίησατο, καὶ ἀμίππους πεζοὺς συνέταξεν αὐτοῖς, νομίζων τὸ ἱππικὸν ἐπεὶ διακόψειεν, ὅλον τὸ ἀντίπαλον νενικηκὼς ἔσσεσθαι· μάλα γὰρ χαλεπὸν εὐρεῖν τοὺς ἐθελήσοντας μένειν, ἐπειδάν τινες φεύγοντας τῶν ἑαυτῶν ὀρῶσι· καὶ ὅπως μὴ ἐπιβοηθῶσιν οἱ Ἀθηναῖοι ἀπὸ τοῦ εὐωνύμου κέρατος ἐπὶ τὸ ἐχόμενον, κατέστησεν ἐπὶ γηλόφων τινῶν ἐναντίους αὐτοῖς καὶ ἱππείας καὶ ὀπλίτας, φόβον βουλόμενος καὶ τούτοις παρέχειν ὥς, εἰ βοηθήσαιεν, ὅπισθεν οὗτοι ἐπικείσονται αὐτοῖς. τὴν μὲν δὴ συμβολὴν οὕτως ἐποίησατο, καὶ οὐκ ἐψεύσθη τῆς ἐλπίδος· κρατήσας γὰρ ἦ προσέβαλεν ὅλον ἐποίησε φεύγειν τὸ τῶν ἐναντίων. [7.5.25] ἐπεὶ γε μὴν ἐκεῖνος ἔπεσεν, οἱ λοιποὶ οὐδὲ τῇ νίκῃ ὀρθῶς ἔτι ἐδυνάσθησαν χρήσασθαι, ἀλλὰ φυγούσης μὲν αὐτοῖς τῆς ἐναντίας φάλαγγος οὐδένα ἀπέκτειναν οἱ ὀπλίται οὐδὲ προῆλθον ἐκ τοῦ χωρίου ἔνθα ἡ συμβολὴ ἐγένετο. φυγόντων δ' αὐτοῖς καὶ τῶν ἱππέων, ἀπέκτειναν μὲν οὐδ' οἱ ἱππεῖς διώκοντες οὔτε ἱππείας οὔθ' ὀπλίτας, ὥσπερ δὲ ἡττώμενοι πεφοβημένως διὰ τῶν φευγόντων πολεμίων διέπεσον. καὶ μὴν οἱ ἄμιπποι καὶ οἱ πελτασταὶ

συννενικηκότες τοῖς ἱππεῦσιν ἀφίκοντο μὲν ἐπὶ τοῦ εὐωνύμου, ὥς κρατοῦντες, ἐκεῖ δ' ὑπὸ τῶν Ἀθηναίων οἱ πλεῖστοι αὐτῶν ἀπέθανον.

[7.5.26] Τούτων δὲ πραχθέντων τὸναντίον ἐγεγένητο οὗ ἑνόμισαν πάντες ἄνθρωποι ἔσεσθαι. συνεληλυθείας γὰρ σχεδὸν ἀπάσης τῆς Ἑλλάδος καὶ ἀντιτεταγμένων, οὐδεὶς ἦν ὅστις οὐκ ὤιετο, εἰ μάχη ἔσοιτο, τοὺς μὲν κρατήσαντας ἄρξιν, τοὺς δὲ κρατηθέντας ὑπηκόους ἔσεσθαι· ὁ δὲ θεὸς οὕτως ἐποίησεν ὥστε ἀμφοτέρω μὲν τροπαῖον ὥς νενικηκότες ἐστήσαντο, τοὺς δὲ ἱσταμένους οὐδέτεροι ἐκώλυνον, νεκροὺς δὲ ἀμφοτέρω μὲν ὥς νενικηκότες ὑποσπόνδους ἀπέδωκαν, ἀμφοτέρω δὲ ὥς ἡττημένοι ὑποσπόνδους ἀπελάμβανον, [7.5.27] νενικηκέναι δὲ φάσκοντες ἑκάτεροι οὔτε χώραι οὔτε πόλει οὔτ' ἀρχῇ οὐδέτεροι οὐδὲν πλέον ἔχοντες ἐφάνησαν ἢ πρὶν τὴν μάχην γενέσθαι· ἀκρισία δὲ καὶ ταραχὴ ἔτι πλείων μετὰ τὴν μάχην ἐγένετο ἢ πρόσθεν ἐν τῇ Ἑλλάδι. ἐμοὶ μὲν δὴ μέχρι τούτου γραφέσθω· τὰ δὲ μετὰ ταῦτα ἴσως ἄλλωι μελήσει.

AGESILAUS - Ἀγησίλαος

Κεφάλαιον α΄

[1] Οἶδα μὲν ὅτι τῆς Ἀγησιλάου ἀρετῆς τε καὶ δόξης οὐ ράϊδιον ἄξιον ἔπαινον γράψαι, ὅμως δ' ἐγχειρητέον. οὐ γὰρ ἂν καλῶς ἔχοι εἰ ὅτι τελέως ἀνὴρ ἀγαθὸς ἐγένετο, διὰ τοῦτο οὐδὲ μειόνων ἂν τυγχάνοι ἐπαινῶν. [2] περὶ μὲν οὖν εὐγενείας αὐτοῦ τί ἂν τις μεῖζον καὶ κάλλιον εἰπεῖν ἔχοι ἢ ὅτι ἔτι καὶ νῦν τοῖς προγόνοις ὀνομαζομένοις ἀπομνημονεύεται ὀπόστος ἀφ' Ἡρακλέους ἐγένετο, καὶ τούτοις οὐκ ἰδιώταις ἀλλ' ἐκ βασιλέων βασιλεῦσιν; [3] ἀλλὰ μὴν οὐδὲ ταύτηι γ' ἂν τις ἔχοι καταμέμψασθαι αὐτοὺς ὡς βασιλεύουσι μὲν, πόλεως δὲ τῆς ἐπιτυχούσης· ἀλλ' ὥσπερ τὸ γένος αὐτῶν τῆς πατρίδος ἐντιμώτατον, οὕτω καὶ ἡ πόλις ἐν τῇ Ἑλλάδι ἐνδοξοτάτη· ὥστε οὐ δευτέρων πρωτεύουσιν, ἀλλ' ἡγεμόνων ἡγεμονεύουσιν. [4] τῇιδέ γε μὴν καὶ κοινῇ ἄξιον ἐπαινέσαι τὴν τε πατρίδα καὶ τὸ γένος αὐτοῦ· ἢ τε γὰρ πόλις οὐδεπώποτε φθονήσασα τοῦ προτετιμῆσθαι αὐτοὺς ἐπεχείρησε καταλῦσαι τὴν ἀρχὴν αὐτῶν, οἳ τε βασιλεῖς οὐδεπώποτε μειζόνων ὠρέχθησαν ἢ ἐφ' οἷσπερ ἐξ ἀρχῆς τὴν βασιλείαν παρέλαβον. τοιγαροῦν ἄλλη μὲν οὐδεμία ἀρχὴ φανερά ἐστι διαγεγεννημένη ἀδιάσπαστος οὔτε δημοκρατία οὔτε ὀλιγαρχία οὔτε τυραννὶς οὔτε βασιλεία· αὕτη δὲ μόνη διαμένει συνεχῆς βασιλεία. [5] ὥς γε μὴν καὶ πρὶν ἄρξαι ἄξιος τῆς βασιλείας ἐδόκει εἶναι Ἀγησίλαος τάδε τὰ σημεῖα. ἐπεὶ γὰρ Ἅγις βασιλεὺς ὢν ἐτελεύτησεν, ἐρισάντων περὶ τῆς ἀρχῆς Λεωτυχίδα μὲν ὡς Ἅγιδος ὄντος υἱοῦ, Ἀγησιλάου δὲ ὡς Ἀρχιδάμου, κρίνασα ἡ πόλις ἀνεπικλητότερον εἶναι Ἀγησίλαον καὶ τῷ γένει καὶ τῇ ἀρετῇ τοῦτον ἐστήσατο βασιλέα. καίτοι τὸ ἐν τῇ κρατίστῃ πόλει ὑπὸ τῶν ἀρίστων κριθέντα τοῦ καλλίστου γέρωσ ἀζιωθῆναι ποίων ἔτι τεκμηρίων προσδεῖται τῆς γε πρὶν ἄρξαι αὐτὸν ἀρετῆς;

[6] Ὅσα γε μὴν ἐν τῇ βασιλείᾳ διεπράξατο νῦν ἤδη διηγήσομαι· ἀπὸ γὰρ τῶν ἔργων καὶ τοὺς τρόπους αὐτοῦ κάλλιστα νομίζω καταδήλους ἔσεσθαι. Ἀγησίλαος τοίνυν ἔτι μὲν νέος ὢν ἔτυχε τῆς βασιλείας· ἄρτι δὲ ὄντος αὐτοῦ ἐν τῇ ἀρχῇ, ἐξηγγέλθη βασιλεὺς ὁ Περσῶν ἀθροίζων καὶ ναυτικὸν καὶ πεζὸν πολὺ στράτευμα ὡς ἐπὶ τοὺς Ἑλληνας· [7] βουλευομένων δὲ περὶ τούτων Λακεδαιμονίων καὶ τῶν συμμάχων, Ἀγησίλαος ὑπέστη, ἐὰν δῶσιν αὐτῷ τριάκοντα μὲν

Σπαρτιατῶν, δισχιλίους δὲ νεοδαμῶδεις, εἰς ἑξακισχιλίους δὲ τὸ σύνταγμα τῶν συμμάχων, διαβήσεσθαι εἰς τὴν Ἀσίαν καὶ πειράσεσθαι εἰρήνην ποιῆσαι, ἢ ἂν πολεμεῖν βούληται ὁ βάρβαρος, ἀσχολίαν αὐτῷ παρέξειν στρατεύειν ἐπὶ τοὺς Ἑλληνας. [8] εὐθὺς μὲν οὖν πολλοὶ πάννυ ἡγάσθησαν αὐτὸ τοῦτο <τὸ> ἐπιθυμῆσαι, ἐπειδὴ ὁ Πέρσης πρόσθεν ἐπὶ τὴν Ἑλλάδα διέβη, ἀντιδιαβῆναι ἐπ' αὐτόν, τότε αἰρεῖσθαι ἐπιόντα μᾶλλον ἢ ὑπομένοντα μάχεσθαι αὐτῷ, καὶ τὸ τάκεινον δαπανῶντα βούλεσθαι μᾶλλον ἢ τὰ τῶν Ἑλλήνων πολεμεῖν, κάλλιστον δὲ πάντων ἐκρίνετο <τὸ> μὴ περὶ τῆς Ἑλλάδος ἀλλὰ περὶ τῆς Ἀσίας τὸν ἀγῶνα καθιστάναι. [9] ἐπεὶ γε μὴν λαβὼν τὸ στράτευμα ἐξέπλευσε, πῶς ἂν τις σαφέστερον ἐπιδεικνύειν ὥς ἐστρατήγησεν ἢ εἰ αὐτὰ διηγῆσαιτο ἃ ἔπραξεν; [10] ἐν τοίνυν τῇ Ἀσίᾳ ἦδε πρώτη πρᾶξις ἐγένετο. Τισσαφέρνης μὲν ὥμοσεν Ἀγησιλάῳ, εἰ σπεύσαιο ἕως ἔλθοιεν οὓς ἐμπυεῖ πρὸς βασιλέα ἀγγέλους, διαπράξεσθαι αὐτῷ ἀφελθῆναι αὐτονόμους τὰς ἐν τῇ Ἀσίᾳ πόλεις Ἑλληνίδας, Ἀγησίλαος δὲ ἀντῴμοσε σπονδὰς ἄξειν ἀδόλως, ὀρισάμενος τῆς πράξεως τρεῖς μῆνας. [11] ὁ μὲν δὴ Τισσαφέρνης ἃ ὥμοσεν εὐθὺς ἐψεύσατο· ἀντὶ γὰρ τοῦ εἰρήνην πράττειν στράτευμα πολὺ παρὰ βασιλέως πρὸς ᾧ πρόσθεν εἶχε μετεπέμπετο. Ἀγησίλαος δὲ καίπερ αἰσθόμενος ταῦτα ὁμῶς ἐνέμεινε ταῖς σπονδαῖς. [12] ἐμοὶ οὖν τοῦτο πρῶτον καλὸν δοκεῖ διαπράξασθαι, ὅτι Τισσαφέρνην μὲν ἐμφανίσας ἐπιόρκον ἄπιστον πᾶσιν ἐποίησεν, ἑαυτὸν δ' ἀντεπιδείξας πρῶτον μὲν ὅρκους ἐμπεδοῦντα, ἔπειτα συνθήκας μὴ ψευδόμενον, πάντα ἐποίησε καὶ Ἑλληνας καὶ βαρβάρους θαρροῦντας συντίθεσθαι ἑαυτῷ, εἴ τι βούλοιτο. [13] ἐπεὶ δὲ μέγα φρονήσας ὁ Τισσαφέρνης ἐπὶ τῷ καταβάντι στρατεύματι προεῖπεν Ἀγησιλάῳ πόλεμον, εἰ μὴ ἀπίοι ἐκ τῆς Ἀσίας, οἱ μὲν ἄλλοι σύμμαχοι καὶ Λακεδαιμονίων οἱ παρόντες μάλα ἀχθεσθέντες φανεροὶ ἐγένοντο, νομίζοντες μείονα τὴν παροῦσαν δύναμιν Ἀγησιλάῳ τῆς βασιλέως παρασκευῆς εἶναι· Ἀγησίλαος δὲ μάλα φαιδρῶι τῷ προσώπῳ ἀπαγγεῖλαι τῷ Τισσαφέρνει τοὺς πρέσβεις ἐκέλευσεν ὥς πολλὴν χάριν αὐτῷ ἔχει ὅτι ἐπιόρκήσας αὐτὸς μὲν πολεμίους τοὺς θεοὺς ἐκτήσατο, τοῖς δ' Ἑλλησι συμμάχους ἐποίησεν. [14] ἐκ δὲ τούτου εὐθὺς τοῖς μὲν στρατιώταις παρήγγειλε συσκευάζεσθαι ὥς εἰς στρατείαν· ταῖς δὲ πόλεσιν εἰς ἃς ἀνάγκη ἦν ἀφικνεῖσθαι στρατευομένῳ ἐπὶ Καρίαν προεῖπεν ἀγορὰν παρασκευάζειν. ἐπέστειλε δὲ καὶ Ἴωσι καὶ Αἰολεῦσι καὶ

Ἑλλησποντίοις πέμπειν πρὸς αὐτὸν εἰς Ἔφεσον τοὺς συστρατευσομένους. [15] ὁ μὲν οὖν Τισσαφέρνης, καὶ ὅτι ἱππικὸν οὐκ εἶχεν ὁ Ἀγησίλαος, ἡ δὲ Καρία ἄφιππος ἦν, καὶ ὅτι ἡγεῖτο αὐτὸν ὀργίζεσθαι αὐτῷ διὰ τὴν ἀπάτην, τῷ ὄντι νομίσας ἐπὶ τὸν αὐτοῦ οἶκον εἰς Καρίαν ὀπηύσειν αὐτόν, τὸ μὲν πεζὸν ἅπαν διεβίβασεν ἐκεῖσε, τὸ δὲ ἱππικὸν εἰς τὸ Μαιάνδρου πεδῖον περιήγαγε, νομίζων ἱκανὸς εἶναι καταπατῆσαι τῇ ἵππῳ τοὺς Ἕλληνας πρὶν εἰς τὰ δύσιππα ἀφικέσθαι. [16] ὁ δὲ Ἀγησίλαος ἀντὶ τοῦ ἐπὶ Καρίαν ἰέναι εὐθὺς ἀντιστρέψας ἐπὶ Φρυγίας ἐπορεύετο· καὶ τάς τε ἐν τῇ πορείᾳ ἀπαντῶσας δυνάμεις ἀναλαμβάνων ἦγε καὶ τὰς πόλεις κατεστρέφετο καὶ ἐμβάλων ἀπροσδοκῆτως παμπληθῇ χρήματα ἔλαβε. [17] στρατηγικὸν οὖν καὶ τοῦτο ἐδόκει διαπράξασθαι, ὅτι ἐπεὶ πόλεμος προερρήθη καὶ τὸ ἐξαπατᾶν ὁσίον τε καὶ δίκαιον ἐξ ἐκείνου ἐγένετο, παῖδα ἀπέδειξε τὸν Τισσαφέρνην τῇ ἀπάτῃ, φρονίμως δὲ καὶ τοὺς φίλους ἐνταῦθα ἔδοξε πλουτίσαι· [18] ἐπεὶ γὰρ διὰ τὸ πολλὰ χρήματα εἰληφθαι ἀντίπροικα τὰ πάντα ἐπωλεῖτο, τοῖς μὲν φίλοις προεῖπεν ὠνεῖσθαι, εἰπὼν ὅτι καταβήσοιτο ἐπὶ θάλατταν ἐν τάχει τὸ στράτευμα κατὰγων· τοὺς δὲ λαφυροπώλας ἐκέλευσε γραφομένους ὅποσον τι πρίαιντο προίεσθαι τὰ χρήματα. ὥστε οὐδὲν προτελέσαντες οἱ φίλοι αὐτοῦ οὐδὲ τὸ δημόσιον βλάψαντες πάντες παμπληθῇ χρήματα ἔλαβον. [19] ἔτι δὲ ὁπότε αὐτόμολοι ὡς εἰκὸς πρὸς βασιλέα ἰόντα χρήματα ἐθέλοιεν ὑψηγεῖσθαι, καὶ ταῦτα ἐπεμέλετο ὡς διὰ τῶν φίλων ἀλίσκοιτο, ὅπως ἅμα μὲν χρηματίζοντο, ἅμα δὲ ἐνδοξότεροι γίγνοιτο. διὰ μὲν δὴ ταῦτα εὐθὺς πολλοὺς ἐραστὰς τῆς αὐτοῦ φιλίας ἐποίησατο. [20] γινώσκων δ' ὅτι ἡ μὲν πορθομένη καὶ ἐρημουμένη χώρα οὐκ ἂν δύναίτο πολὺν χρόνον στράτευμα φέρειν, ἡ δ' οἰκουμένη μὲν σπειρομένη δὲ ἀέναον ἂν τὴν τροφὴν παρέχοι, ἐπεμέλετο οὐ μόνον τοῦ βίαι χειροῦσθαι τοὺς ἐναντίους, ἀλλὰ καὶ τοῦ πραιότητι προσάγεσθαι. [21] καὶ πολλάκις μὲν προηγόρευε τοῖς στρατιώταις τοὺς ἀλίσκομένους μὴ ὡς ἀδίκους τιμωρεῖσθαι, ἀλλ' ὡς ἀνθρώπους ὄντας φυλάττειν, πολλάκις δὲ ὁπότε μεταστρατοπεδεύοιτο, εἰ αἰσθοίτο καταλελειμμένα παιδάρια μικρὰ ἐμπόρων, ἃ πολλοὶ ἐπώλουν διὰ τὸ νομίζειν μὴ δύνασθαι ἂν φέρειν αὐτὰ καὶ τρέφειν, ἐπεμέλετο καὶ τούτων ὅπως συγκομίζοντό ποι. [22] τοῖς δ' αὖ διὰ γῆρας καταλειπομένοις αἰχμαλώτοις προσέταττεν ἐπιμελεῖσθαι αὐτῶν, ὡς μήτε ὑπὸ κυνῶν μῆθ' ὑπὸ λύκων διαφθείροντο. ὥστε οὐ μόνον οἱ πυνθανόμενοι ταῦτα, ἀλλὰ καὶ

αὐτοὶ οἱ ἀλίσκομενοι εὐμενεῖς αὐτῷ ἐγίνοντο. ὅποσας δὲ πόλεις
προσαγάγοιτο, ἀφαιρῶν αὐτῶν ὅσα δοῦλοι δεσπόταις ὑπηρετοῦσι
προσέταπτεν ὅσα ἐλεύθεροι ἄρχουσι πείθονται· καὶ τῶν κατὰ κράτος
ἀναλώτων τειχέων τῇ φιλανθρωπίᾳ ὑπὸ χεῖρα ἐποιεῖτο. [23] ἐπεὶ
μέντοι ἀνὰ τὰ πεδία οὐδὲ ἐν τῇ Φρυγίᾳ ἐδύνατο στρατεῦσθαι διὰ
τὴν Φαρναβάζου ἱππείαν, ἔδοξεν αὐτῷ ἱππικὸν κατασκευαστέον
εἶναι, ὥς μὴ δραπετεύοντα πολεμεῖν δέοι αὐτόν. τοὺς μὲν οὖν
πλουσιωτάτους ἐκ πασῶν τῶν ἐκεῖ πόλεων ἵπποτροφεῖν κατέλεξε. [24]
προεῖπε δέ, ὅστις παρέχοιτο ἵππον καὶ ὄπλα καὶ ἄνδρα δόκιμον, ὥς
ἐξέσοιτο αὐτῷ μὴ στρατεῦσθαι· καὶ ἐποίησεν οὕτως ἕκαστον
προθύμως ταῦτα πράττειν ὥσπερ ἂν τις τὸν ὑπὲρ αὐτοῦ
ἀποθανούμενον προθύμως μαστεύοι. ἔταξε δὲ καὶ πόλεις ἐξ ὧν δέοι
τοὺς ἱππέας παρασκευάζειν, νομίζων ἐκ τῶν ἵπποτρόφων πόλεων
εὐθὺς καὶ φρονηματίας μάλιστα ἂν ἐπὶ τῇ ἱππικῇ γενέσθαι. καὶ
τοῦτ' οὖν ἀγαστῶς ἔδοξε πρᾶξαι, ὅτι κατεσκευάστο τὸ ἱππικὸν αὐτῷ
καὶ εὐθὺς ἐρρωμένον ἦν καὶ ἐνεργόν. [25] ἐπειδὴ δὲ ἔαρ ὑπέφαινε,
συνήγαγε πᾶν τὸ στράτευμα εἰς Ἑφeson· ἀσκήσαι δὲ [καὶ] αὐτὸ
βουλόμενος ἄθλα προὔθηκε καὶ ταῖς ἱππικαῖς τάξεσιν, ἥτις κράτιστα
[ἂν] ἱππεῖοι, καὶ ταῖς ὀπλιτικαῖς, ἥτις [ἂν] ἄριστα σωματίων ἔχοι· καὶ
πελτασταῖς δὲ καὶ τοξόταις ἄθλα προύθηκεν, οἵτινες κράτιστοι τὰ
προσέηκοντα ἔργα φαίνοντο. ἐκ τούτου δὲ παρῆν ὅπᾳ τὰ μὲν
γυμνάσια μεστὰ [τῶν] ἀνδρῶν γυμναζομένων, τὸν δὲ ἱππόδρομον
ἱππέων ἱππαζομένων, τοὺς δὲ ἀκοντιστὰς καὶ τοὺς τοξότας ἐπὶ
στόχον ἰέντας. [26] ἀξίαν δὲ καὶ ὅλην τὴν πόλιν ἐν ἣ ἦν θεάς
ἐποίησεν. ἥ τε γὰρ ἀγορὰ μεστή ἦν παντοδαπῶν καὶ ὄπλων καὶ
ἵππων ὠνίων, οἳ τε χαλκοτύποι καὶ οἱ τέκτονες καὶ οἱ σιδηρεῖς καὶ
σκυτεῖς καὶ γραφεῖς πάντες πολεμικὰ ὄπλα κατεσκευάζον· ὥστε τὴν
πόλιν ὄντως ἂν ἡγήσω πολέμου ἐργαστήριον εἶναι. [27] ἐπερρώσθη δ'
ἂν τις κάκεῖνο ἰδὼν, Ἀγησίλαον μὲν πρῶτον, ἔπειτα δὲ καὶ τοὺς
ἄλλους στρατιώτας ἐστεφανωμένους τε ὅπου ἀπὸ τῶν γυμνασίων
ῖοιεν, καὶ ἀνατιθέντας τοὺς στεφάνους τῇ Ἀρτέμιδι. ὅπου γὰρ
ἄνδρες θεοὺς μὲν σέβοιεν, πολεμικὰ δὲ ἀσκοῖεν, πειθαρχίαν δὲ
μελετῶιεν, πῶς οὐκ εἰκὸς ἐνταῦθα πάντα μεστὰ ἐλπίδων ἀγαθῶν
εἶναι; [28] ἡγούμενος δὲ καὶ τὸ καταφρονεῖν τῶν πολεμίων ρώμην
τινὰ ἐμβαλεῖν πρὸς τὸ μάχεσθαι, προεῖπε τοῖς κήρυξι τοὺς ὑπὸ τῶν
ληιστῶν ἀλίσκομένους βαρβάρους γυμνοὺς πωλεῖν. ὁπῶντες οὖν οἱ
στρατιῶται λευκοὺς μὲν διὰ τὸ μηδέποτε ἐκδύεσθαι, πῖονας δὲ καὶ

ἀπόνους διὰ τὸ ἀεὶ ἐπ' ὀχημάτων εἶναι, ἐνόμισαν μηδὲν διοίσειν τὸν πόλεμον ἢ εἰ γυναιξὶ δέοι μάχεσθαι. προεῖπε δὲ καὶ τοῦτο τοῖς στρατιώταις, ὥς εὐθὺς ἡγήσοιτο τὴν συντομωτάτην ἐπὶ τὰ κράτιστα τῆς χώρας, ὅπως αὐτόθεν αὐτῶι τὰ σώματα καὶ τὴν γνώμην παρασκευάζοντο ὥς ἀγωνιούμενοι. [29] ὁ μέντοι Τισσαφέρνης ταῦτα μὲν ἐνόμισε λέγειν αὐτὸν πάλιν βουλόμενον ἐξαπατῆσαι, εἰς Καρίαν δὲ νῦν τῶι ὄντι ἐμβαλεῖν. τό τε οὖν πεζὸν καθάπερ τὸ πρόσθεν εἰς Καρίαν διεβίβασε καὶ τὸ ἱππικὸν εἰς τὸ Μαιάνδρου πεδίον κατέστησεν. ὁ δὲ Ἀγησίλαος οὐκ ἐψεύσατο, ἀλλ' ὥσπερ προεῖπεν εὐθὺς <εἰς> τὸν Σαρδιανὸν τόπον ἐχώρησε, καὶ τρεῖς μὲν ἡμέρας δι' ἐρημίας πολεμίων πορευόμενος πολλὰ τὰ ἐπιτήδεια τῇ στρατιᾷ παρεῖχε· τῇ δὲ τετάρτῃ ἡμέρᾳ ἦκον οἱ τῶν πολεμίων ἱππεῖς. [30] καὶ τῶι μὲν ἄρχοντι τῶν σκευοφόρων εἶπεν ὁ ἡγεμὼν διαβάντι τὸν Πακτωλὸν ποταμὸν στρατοπεδεύεσθαι· αὐτοῖ δὲ κατιδόντες τοὺς τῶν Ἑλλήνων ἀκολούθους ἐσπαρμένους καθ' ἀρπαγὴν πολλοὺς αὐτῶν ἀπέκτειναν. αἰσθόμενος δὲ ὁ Ἀγησίλαος βοηθεῖν ἐκέλευσε τοὺς ἱππείας. οἱ δ' αὖ Πέρσαι ὥς εἶδον τὴν βοήθειαν, ἡθροίσθησαν καὶ ἀντιπαρετάξαντο παμπληθέσι τῶν ἱππέων τάξεσιν. [31] ἔνθα δὴ ὁ Ἀγησίλαος γιγνώσκων ὅτι τοῖς μὲν πολεμίοις οὐπω παρείη τὸ πεζόν, αὐτῶι δὲ οὐδὲν ἀπείη τῶν παρεσκευασμένων, καιρὸν ἡγήσατο μάχην συνάψαι, εἰ δύναίτο. σφαγιασάμενος οὖν τὴν μὲν φάλαγγα εὐθὺς ἤγεν ἐπὶ τοὺς ἀντιτεταγμένους ἱππείας, ἐκ δὲ τῶν ὀπλιτῶν ἐκέλευσε τὰ δέκα ἀφ' ἥβης θεῖν ὁμόσε αὐτοῖς, τοῖς δὲ πελτασταῖς εἶπε δρόμωι ὑψηγεῖσθαι· παρηγγεῖλε δὲ καὶ τοῖς ἱππεῦσιν ἐμβάλλειν, ὥς αὐτοῦ τε καὶ παντὸς τοῦ στρατεύματος ἐπομένου. [32] τοὺς μὲν δὴ ἱππείας ἐδέξαντο οἱ ἀγαθοὶ τῶν Περσῶν· ἐπειδὴ δὲ ἅμα πάντα τὰ δεινὰ παρῆν ἐπ' αὐτούς, ἐνέκλιναν, καὶ οἱ μὲν αὐτῶν εὐθὺς ἐν τῶι ποταμῶι ἔπεσον, οἱ δὲ ἄλλοι ἔφευγον. οἱ δὲ Ἕλληνες ἐπόμενοι αἰροῦσι καὶ τὸ στρατόπεδον αὐτῶν. καὶ οἱ μὲν πελτασταὶ ὥσπερ εἰκὸς ἐφ' ἀρπαγὴν ἐτρέποντο· ὁ δὲ Ἀγησίλαος ἔχων κύκλῳ πάντα καὶ φίλια καὶ πολέμια περιεστρατοπεδεύσατο. [33] ὥς δ' ἤκουσε τοὺς πολεμίους ταράττεσθαι διὰ τὸ αἰτιάσθαι ἀλλήλους τοῦ γεγεννημένου, εὐθὺς ἤγεν ἐπὶ Σάρδεις. κάκεῖ ἅμα μὲν ἔκαιε καὶ ἐπόρθει τὰ περὶ τὸ ἄστυ, ἅμα δὲ καὶ κηρύγματι ἐδήλου τοὺς μὲν ἐλευθερίας δεομένους ὥς πρὸς σύμμαχον αὐτὸν παρεῖναι· εἰ δέ τινες τὴν Ἀσίαν ἐαυτῶν ποιοῦνται, πρὸς τοὺς ἐλευθεροῦντας διακρινουμένους ἐν ὅπλοις παρεῖναι. [34] ἐπεὶ μέντοι οὐδεὶς ἀντεξῆι, ἀδεῶς δὴ τὸ ἀπὸ τούτου ἐστρατεύετο,

τοὺς μὲν πρόσθεν προσκυνεῖν Ἑλληνας ἀναγκαζομένους ὁρᾶν τιμωμένους ὑφ' ὧν ὑβρίζοντο, τοὺς δὲ ἀξιοῦντας καὶ τὰς τῶν θεῶν τιμὰς καρποῦσθαι, τούτους ποιήσας μὴδ' ἀντιβλέπειν τοῖς Ἑλλησι δύνασθαι, καὶ τὴν μὲν τῶν φίλων χώραν ἀδήϊωτον παρέχων, τὴν δὲ τῶν πολεμίων οὕτω καρπούμενος ὥστε ἐν δυοῖν ἐτοῖν πλέον τῶν ἑκατὸν ταλάντων τῷ θεῷ ἐν Δελφοῖς δεκάτην ἀποθῆσαι. [35] ὁ μέντοι Περσῶν βασιλεύς, νομίσας Τισσαφέρνην αἴτιον εἶναι τοῦ κακῶς φέρεσθαι τὰ ἑαυτοῦ, Τιθραύστην καταπέμψας ἀπέτεμεν αὐτοῦ τὴν κεφαλὴν. μετὰ δὲ τοῦτο τὰ μὲν τῶν βαρβάρων ἔτι ἀθυμότερα ἐγένετο, τὰ δὲ Ἀγησιλάου πολὺ ἐρρωμενέστερα. ἀπὸ πάντων γὰρ τῶν ἐθνῶν ἐπρεσβεύοντο περὶ φιλίας, πολλοὶ δὲ καὶ ἀφίσταντο πρὸς αὐτόν, ὀρεγόμενοι τῆς ἐλευθερίας, ὥστε οὐκέτι Ἑλλήνων μόνον ἀλλὰ καὶ βαρβάρων πολλῶν ἡγεμὼν ἦν ὁ Ἀγησίλαος. [36] ἄξιόν γε μὴν καὶ ἐντεῦθεν ὑπερβαλλόντως ἄγασθαι αὐτοῦ, ὅστις ἄρχων μὲν παμπόλλων ἐν τῇ ἡπείρῳ πόλεων, ἄρχων δὲ καὶ νήσων, ἐπεὶ καὶ τὸ ναυτικὸν προσήψεν αὐτῷ ἢ πόλις, αὐξανόμενος δὲ καὶ εὐκλείαι καὶ δυνάμει, παρὸν δ' αὐτῷ πολλοῖς καὶ ἀγαθοῖς χρῆσθαι ὅ τι ἐβούλετο, πρὸς δὲ τούτοις τὸ μέγιστον, ἐπινοῶν καὶ ἐλπίζων καταλύσειν τὴν ἐπὶ τὴν Ἑλλάδα στρατευσάσαν πρότερον ἀρχήν, ὅμως ὑπ' οὐδενὸς τούτων ἐκρατήθη, ἀλλ' ἐπειδὴ ἦλθεν αὐτῷ ἀπὸ τῶν οἴκοι τελῶν βοηθεῖν τῇ πατρίδι, ἐπέιθετο τῇ πόλει οὐδὲν διαφερόντως ἢ εἰ ἐν τῷ ἐφορείῳ ἔτυχεν ἐστηκῶς μόνος παρὰ τοὺς πέντε, μάλα ἔνδηλον ποιῶν ὡς οὔτε ἂν πᾶσαν τὴν γῆν δέξαιτο ἀντὶ τῆς πατρίδος οὔτε τοὺς ἐπικτήτους ἀντὶ τῶν ἀρχαίων φίλων οὔτε αἰσχροὶ καὶ ἀκίνδυνα κέρδη μᾶλλον ἢ μετὰ κινδύνων τὰ καλὰ καὶ δίκαια. [37] ὅσον γε μὴν χρόνον ἐπὶ τῇ ἀρχῇ ἔμεινε πῶς οὐκ ἀξιεπαίνου βασιλέως καὶ τοῦτ' ἔργον ἐπεδείξατο, ὅστις παραλαβὼν πάσας πόλεις ἐφ' ἃς ἄρξων ἐξέπλευσε στασιαζούσας διὰ τὸ τὰς πολιτείας κινηθῆναι, ἐπεὶ Ἀθηναῖοι τῆς ἀρχῆς ἔληξαν, ἐποίησεν ὥστ' ἄνευ φυγῆς καὶ θανάτων ἕως αὐτὸς παρῆν ὁμονόως πολιτευομένας καὶ εὐδαίμονας τὰς πόλεις διατελέσαι; [38] τοιγαροῦν οἱ ἐν τῇ Ἀσίᾳ Ἑλληνες οὐχ ὡς ἄρχοντος μόνον ἀλλὰ καὶ ὡς πατρὸς καὶ ἐταίρου ἀπιόντος αὐτοῦ ἐλυποῦντο. καὶ τέλος ἐδήλωσαν ὅτι οὐ πλαστήν τὴν φιλίαν παρείχοντο. ἐθελούσιοι γοῦν αὐτῷ συνεβοήθησαν τῇ Λακεδαιμόνι, καὶ ταῦτα εἰδότες ὅτι οὐ χείροσιν ἑαυτῶν δεήσοι μάχεσθαι. τῶν μὲν δὴ ἐν τῇ Ἀσίᾳ πράξεων τοῦτο τέλος ἐγένετο.

Κεφάλαιον β'

[1] Διαβὰς δὲ τὸν Ἑλλήσποντον ἐπορεύετο διὰ τῶν αὐτῶν ἐθνῶν ὥνπερ ὁ Πέρσης τῷ παμπληθεῖ στόλῳ· καὶ ἦν ἐνιαυσίαν ὁδὸν ὁ βάρβαρος ἐποιήσατο, ταύτην μείον ἢ ἐν μηνὶ καθήνυσεν ὁ Ἀγησίλαος. οὐ γὰρ ὥς ὑστερήσειε τῆς πατρίδας προεθυμείτο. [2] ἐπεὶ δὲ ἑξαμείψας Μακεδονίαν εἰς Θετταλίαν ἀφίκετο, Λαρισαῖοι μὲν καὶ Κρανώνιοι καὶ Σκοτουσαῖοι καὶ Φαρσάλιοι σύμμαχοι ὄντες Βοιωτοῖς, καὶ πάντες δὲ Θετταλοὶ πλὴν ὅσοι αὐτῶν φυγάδες τότε ὄντες ἐτύγχανον, ἐκακούργουν αὐτὸν ἐφεπόμενοι. ὁ δὲ τέως μὲν ἤγεν ἐν πλαισίῳ τὸ στράτευμα, τοὺς ἡμίσεις μὲν ἔμπροσθεν, τοὺς ἡμίσεις δὲ ἐπ' οὐραῖ ἔχων τῶν ἱππέων· ἐπεὶ δ' ἐκώλουν τῆς πορείας αὐτὸν οἱ Θετταλοὶ ἐπιτιθέμενοι τοῖς ὀπισθεν, παραπέμπει ἐπ' οὐρὰν καὶ τὸ ἀπὸ τοῦ προηγουμένου στρατεύματος ἱππικὸν πλὴν τῶν περὶ ἑαυτόν. [3] ὥς δὲ παρετάξαντο ἀλλήλοις, οἱ μὲν Θετταλοὶ, νομίσαντες οὐκ ἐν καλῷ εἶναι πρὸς τοὺς ὀπίτας ἵππομαχεῖν, στρέψαντες βάδην ἀπεχώρουν· οἱ δὲ μάλα σωφρόνως ἐφείποντο. γνοὺς δὲ ὁ Ἀγησίλαος ἃ ἑκάτεροι ἡμάρτανον παραπέμπει τοὺς ἀμφ' αὐτὸν μάλ' εὐρώστους ἱππείας, καὶ κελεύει τοῖς τε ἄλλοις παραγγέλλειν καὶ αὐτοὺς διώκειν κατὰ κράτος καὶ μηκέτι δοῦναι αὐτοῖς ἀναστροφὴν. οἱ δὲ Θετταλοὶ ὥς εἶδον παρὰ δόξαν ἐλαύνοντας, οἱ μὲν αὐτῶν οὐδ' ἀνέστρεψαν, οἱ δὲ καὶ ἀναστρέφειν πειρώμενοι πλαγίους ἔχοντες τοὺς ἵππους ἡλίσκοντο. [4] Πολύχαρμος μέντοι ὁ Φαρσάλιος ἱπαρχὼν ἀνέστρεψέ τε καὶ μαχόμενος σὺν τοῖς ἀμφ' αὐτὸν ἀποθνήσκει. ὥς δὲ τοῦτο ἐγένετο, φυγὴ γίγνεται ἐξαισία· ὥσθ' οἱ μὲν ἀπέθνησκον αὐτῶν, οἱ δὲ καὶ ζῶντες ἡλίσκοντο. ἔστησαν δ' οὖν οὐ πρόσθεν πρὶν ἢ ἐπὶ τῷ ὄρει τῷ Ναρθακίῳ ἐγένοντο. [5] καὶ τότε μὲν δὴ ὁ Ἀγησίλαος τρόπαιόν τε ἐστήσατο μεταξύ Πραντὸς καὶ Ναρθακίου· καὶ αὐτοῦ κατέμεινε, μάλα ἡδόμενος τῷ ἔργῳ, ὅτι τοὺς μέγιστον φρονούντας ἐφ' ἱππικῇ ἐνενικήκει σὺν ᾧ αὐτὸς ἐμηχανήσατο ἱππικῶι. τῇ δ' ὑστεραίᾳ ὑπερβάλλων τὰ Ἀχαϊκὰ τῆς Φθίας ὄρη τὴν λοιπὴν [ἤδη] πᾶσαν διὰ φιλίας ἐπορεύθη εἰς τὰ Βοιωτῶν ὄρια. [6] ἐνταῦθα δὴ ἀντιτεταγμένους εὐρῶν Θηβαίους, Ἀθηναίους, <Ἀργεῖους>, Κορινθίους, Αἰνιᾶνας, Εὐβοέας καὶ Λοκροὺς ἀμφοτέρους, οὐδὲν ἐμέλλησεν, ἀλλ' ἐκ τοῦ φανεροῦ ἀντιπαρέταττε, Λακεδαιμονίων μὲν ἔχων μόραν καὶ ἥμισυ, τῶν δ' αὐτόθεν συμμάχων Φωκέας καὶ Ὀρχομενίους μόνους, τό τ' ἄλλο στράτευμα ὅπερ ἡγάγετο αὐτός. [7] καὶ οὐ τοῦτο λέξων ἔρχομαι, ὥς πολὺ μὲν ἐλάττους πολὺ δὲ χείρονας

ἔχων ὅμως συνέβαλεν· εἰ γὰρ ταῦτα λέγοιμι, Ἀγησίλαόν τ' ἂν μοι δοκῶ ἄφρονα ἀποφαίνειν καὶ ἐμαυτὸν μωρόν, εἰ ἐπαινοίην τὸν περὶ τῶν μεγίστων εἰκῇ κινδυνεύοντα· ἀλλὰ μᾶλλον τάδ' αὐτοῦ ἄγμαι, ὅτι πληθὸς τε οὐδὲν μείον ἢ τὸ τῶν πολεμίων παρεσκευάσατο, ὥπλισέν τε οὕτως ὥς ἅπαντα μὲν χαλκόν, ἅπαντα δὲ φοινικᾶ φαίνεσθαι· [8] ἐπεμελήθη δ' ὅπως οἱ στρατιῶται τοὺς πόνους δυνήσονται ὑποφέρειν· ἐνέπλησε δὲ καὶ φρονήματος τὰς ψυχὰς αὐτῶν, ὥς ἱκανοὶ εἶεν πρὸς οὐστinas δέοι μάχεσθαι· ἔτι δὲ φιλονικίαν ἐνέβαλε πρὸς ἀλλήλους τοῖς μετ' αὐτοῦ ὅπως ἕκαστοι αὐτῶν ἄριστοι φαίνονται. ἐλπίδων γε μὴν πάντας ἐνέπλησεν ὥς πᾶσι πολλὰ κἀγαθὰ ἔσοιτο, εἰ ἄνδρες ἀγαθοὶ γίγνοιτο, νομίζων ἐκ τῶν τοιούτων ἀνθρώπους προθυμότατα τοῖς πολεμίοις μάχεσθαι. [9] καὶ μέντοι οὐκ ἐνψεύσθη. διηγῆσομαι δὲ καὶ τὴν μάχην· καὶ γὰρ ἐγένετο οἷαπερ οὐκ ἄλλη τῶν ἐφ' ἡμῶν. συνῆισαν μὲν γὰρ εἰς τὸ κατὰ Κορώνειαν πεδίον οἱ μὲν σὺν Ἀγησιλάῳ ἀπὸ τοῦ Κηφισοῦ, οἱ δὲ σὺν τοῖς Θηβαίοις ἀπὸ τοῦ Ἑλικῶνος. ἑώρων δὲ τὰς τε φάλαγγας ἀλλήλων μάλα ἰσοπάλους, σχεδὸν δὲ καὶ οἱ ἱππεῖς ἦσαν ἐκατέρων ἰσοπληθεῖς. εἶχε δὲ [ὁ] Ἀγησίλαος μὲν τὸ δεξιὸν τοῦ μεθ' ἑαυτοῦ, Ὀρχομένιοι δὲ ἔσχατοι ἦσαν αὐτῷ τοῦ εὐωνύμου. οἱ δ' αὖ Θηβαῖοι αὐτοὶ μὲν δεξιοὶ ἦσαν, Ἀργεῖοι δ' αὐτοῖς τὸ εὐώνυμον εἶχον. [10] συνιόντων δὲ τέως μὲν σιγῇ πολλῇ ἦν ἀπ' ἀμφοτέρων· ἡνίκα δὲ ἀπείχον ἀλλήλων ὅσον στάδιον, ἀλαλάξαντες οἱ Θηβαῖοι δρόμῳ ὁμόσε ἐφέροντο. ὥς δὲ τριῶν ἔτι πλέθρων ἐν μέσῳ ὄντων ἀντεξέδραμον ἀπὸ τῆς Ἀγησιλάου φάλαγγος ὧν Ἡριππίδας ἐξενάγει [11] [ἦσαν δ' οὗτοι τῶν τε ἐξ οἴκου αὐτῷ συστρατευσαμένων καὶ τῶν Κυρείων τινές], καὶ Ἴωνες δὲ καὶ Αἰολεῖς καὶ Ἑλλησπόντιοι ἐχόμενοι. καὶ πάντες οὗτοι τῶν συνεκδραμόντων τε ἐγένοντο καὶ εἰς δόρυ ἀφικόμενοι ἐτρέψαντο τὸ καθ' ἑαυτούς. Ἀργεῖοι μέντοι οὐκ ἐδέξαντο τοὺς ἀμφ' Ἀγησίλαον, ἀλλ' ἔφυγον ἐπὶ τὸν Ἑλικῶνα. κἀνταῦθα οἱ μὲν τινες τῶν ξένων ἐστεφάνουν ἤδη τὸν Ἀγησίλαον, ἀγγέλλει δὲ τις αὐτῷ ὅτι Θηβαῖοι τοὺς Ὀρχομενίους διακόψαντες ἐν τοῖς σκευοφόροις εἰσί. καὶ ὁ μὲν εὐθὺς ἐξελίξας τὴν φάλαγγα ἦγεν ἐπ' αὐτούς· οἱ δ' αὖ Θηβαῖοι ὥς εἶδον τοὺς συμμάχους πρὸς τῷ Ἑλικῶνι πεφευγότας, διαπεσεῖν βουλόμενοι πρὸς τοὺς ἑαυτῶν ἐχώρουν ἐρρωμένως. [12] ἐνταῦθα δὲ Ἀγησίλαον ἀνδρεῖον μὲν ἔξεστιν εἰπεῖν ἀναμφιλόγως, οὐ μέντοι εἴλετό γε τὰ ἀσφαλέστατα· ἐξὸν γὰρ αὐτῷ παρέντι τοὺς διαπίπτοντας ἐπομένῳ χειροῦσθαι τοὺς ὀπισθεν οὐκ ἐποίησε τοῦτο,

ἀλλ' ἀντιμέτωπος συνέρραξε τοῖς Θηβαίοις. καὶ συμβαλόντες τὰς ἀσπίδας ἐωθοῦντο, ἐμάχοντο, ἀπέκτεινον, ἀπέθνησκον. καὶ κραυγὴ μὲν οὐδεμία παρῆν, οὐ μὴν οὐδὲ σιγὴ, φωνὴ δὲ τις ἦν τοιαύτη οἷαν ὀργή τε καὶ μάχη παράσχοιτ' ἄν. τέλος δὲ τῶν Θηβαίων οἱ μὲν διαίππτουσι πρὸς τὸν Ἑλικῶνα, πολλοὶ δ' ἀποχωροῦντες ἀπέθανον. [13] ἐπειδὴ δὲ ἡ μὲν νίκη σὺν Ἀγησιλάῳ ἐγένετο, τετρωμένος δ' αὐτὸς προσηνέχθη πρὸς τὴν φάλαγγα, προσελάσαντες τινες τῶν ἱππέων λέγουσιν αὐτῷ ὅτι τῶν πολεμίων ὀγδοήκοντα σὺν τοῖς ὅπλοις ὑπὸ τῷ ναῷ εἰσι, καὶ ἡρώτων τί χρὴ ποιεῖν. ὁ δὲ καίπερ πολλὰ τραύματα ἔχων πάντοσε καὶ παντοίοις ὅπλοις ὅμως οὐκ ἐπελάθετο τοῦ θείου, ἀλλ' ἔαν τε ἀπιέναι ὅποι βούλοιντο ἐκέλευε καὶ ἀδικεῖν οὐκ εἶα, καὶ προπέμψαι ἐπέταξε τοὺς ἄμφ' αὐτὸν ἱππεῖς ἔστε ἐν τῷ ἀσφαλεῖ ἐγένοντο. [14] ἐπεὶ γε μὴν ἔληξεν ἡ μάχη, παρῆν δὴ θεάσασθαι ἔνθα συνέπεσον ἀλλήλοις τὴν μὲν γῆν αἵματι πεφυρμένην, νεκροὺς δὲ κειμένους φιλίους καὶ πολεμίους μετ' ἀλλήλων, ἀσπίδας δὲ διατεθρυμμένας, δόρατα συντεθραυσμένα, ἐγχειρίδια γυμνὰ κολεῶν, τὰ μὲν χαμαί, τὰ δ' ἐν σώματι, τὰ δ' ἔτι μετὰ χειρᾶς. [15] τότε μὲν οὖν [καὶ γὰρ ἦν ἤδη ὀψέ] συνελκύσαντες τοὺς τῶν πολεμίων νεκροὺς εἴσω φάλαγγος ἐδειπνοποίησαντο καὶ ἐκοιμήθησαν· πρῶι δὲ Γυλιν τὸν πολέμαρχον παρατάξαι τε ἐκέλευσε τὸ στράτευμα καὶ τρόπαιον ἵστασθαι καὶ στεφανοῦσθαι πάντας τῷ θεῷ καὶ τοὺς αὐλητὰς πάντας αὐλεῖν. [16] καὶ οἱ μὲν ταῦτ' ἐποιοῦν· οἱ δὲ Θηβαῖοι ἔπεμψαν κήρυκα, ὑποσπόνδους τοὺς νεκροὺς αἰτοῦντες θάψαι. καὶ οὕτως δὴ αἱ τε σπονδαὶ γίνονται καὶ ὁ Ἀγησίλαος οἴκαδε ἀπεχώρει, ἐλόμενος ἀντὶ τοῦ μέγιστος εἶναι ἐν τῇ Ἀσίᾳ οἶκοι τὰ νόμιμα μὲν ἄρχειν, τὰ νόμιμα δὲ ἄρχεσθαι.

[17] Ἐκ δὲ τούτου κατανοήσας τοὺς Ἀργεῖους τὰ μὲν οἶκοι καρπουμένους, Κόρινθον δὲ προσειληφότας, ἡδομένους δὲ τῷ πολέμῳ, στρατεύει ἐπ' αὐτούς· καὶ δηώσας πᾶσαν αὐτῶν τὴν χώραν εὐθὺς ἐκεῖθεν ὑπερβαλὼν κατὰ τὰ στενὰ εἰς Κόρινθον αἰρεῖ τὰ ἐπὶ τὸ Λέχαιον τείνοντα τεῖχῃ· καὶ ἀναπετάσας τῆς Πελοποννήσου τὰς πύλας οὕτως οἴκαδε ἀπελθὼν εἰς τὰ Ὑακίνθια ὅπου ἐτάχθη ὑπὸ τοῦ χοροποιοῦ τὸν παιᾶνα τῷ θεῷ συνεπετέλει. [18] ἐκ τούτου δὲ αἰσθανόμενος τοὺς Κορινθίους πάντα μὲν τὰ κτήνη ἐν τῷ Πειραιῶι σωιζομένους, πᾶν δὲ τὸ Πείραιον σπεῖροντας καὶ καρπουμένους, μέγιστον δὲ ἡγησάμενος ὅτι Βοιωτοὶ ταύτῃ ἐκ Κρεύσιος ὁρμώμενοι εὐπετῶς τοῖς Κορινθίοις παρεγίνοντο, στρατεύει ἐπὶ τὸ Πείραιον.

ιδὼν δὲ ὑπὸ πολλῶν φυλαττόμενον, ὡς ἐνδιδομένης τῆς πόλεως ἐξ ἀρίστου μετεστρατοπεδεύσατο πρὸς τὸ ἄστυ· [19] αἰσθόμενος δὲ ὑπὸ νύκτα βεβοηθηκότας ἐκ τοῦ Πειραίου εἰς τὴν πόλιν πασσυδαί, ὑποστρέψας ἅμα τῇ ἡμέρᾳ αἶρεῖ τὸ Πείραιον, ἔρημον εὐρὼν φυλακῆς, καὶ τὰ τε ἄλλα τὰ ἐνόντα λαμβάνει καὶ τὰ τεῖχη ἃ ἐνετετείχιστο. ταῦτα δὲ ποιήσας οἴκαδε ἀπεχώρησε. [20] μετὰ δὲ ταῦτα προθύμων ὄντων τῶν Ἀχαιῶν εἰς τὴν συμμαχίαν καὶ δεομένων συστρατεύειν αὐτοῖς εἰς Ἀκαρνανίαν ... καὶ ἐπιθεμένων ἐν στενοῖς τῶν Ἀκαρνάνων καταλαβὼν [τοῖς ψιλοῖς] τὰ ὑπὲρ κεφαλῆς αὐτῶν μάχην συνάπτει καὶ πολλοὺς ἀποκτείνας αὐτῶν τρόπαιον ἐστήσατο, καὶ οὐ πρότερον ἔληξε πρὶν Ἀχαιοὺς μὲν φίλους ἐποίησεν Ἀκαρνᾶνας καὶ Αἰτωλοὺς καὶ Ἀργεῖους, ἑαυτῷ δὲ καὶ συμμάχους. [21] ἐπειδὴ δὲ εἰρήνης ἐπιθυμήσαντες οἱ πολέμοι ἐπρεσβεύοντο, Ἀγησίλαος ἀντείπε τῇ εἰρήνῃ, ἕως τοὺς διὰ Λακεδαιμονίους φυγόντας Κορινθίων καὶ Θηβαίων ἠνάγκασε τὰς πόλεις οἴκαδε καταδέξασθαι. ὕστερον δ' αὖ καὶ Φλεισίων τοὺς διὰ Λακεδαιμονίους φυγόντας κατήγαγεν, αὐτὸς στρατευσάμενος ἐπὶ Φλειοῦντα. εἰ δέ τις ἄλλῃ πῃ ταῦτα μέμφεται, ἀλλ' οὐκ φιλειταιρίαι γε πραχθέντα φανερά ἐστι. [26] ὅμως δὲ καὶ ἐν τῇ πρεσβείᾳ μεγάλου στρατηγοῦ ἔργα διεπράξατο. Αὐτοφραδάτης τε γὰρ πολιορκῶν ἐν Ἀσσοῖ Ἀριοβαρζάνην σύμμαχον ὄντα δείσας Ἀγησίλαον φεύγων ὤχετο· Κότυς δ' αὖ Σηστὸν πολιορκῶν Ἀριοβαρζάνου ἔτι οὖσαν λύσας καὶ οὗτος τὴν πολιορκίαν ἀπηλλάγη· ὥστ' οὐκ ἀλόγως καὶ ἀπὸ τῆς πρεσβείας τρόπαιον τῶν πολεμίων εἰστήκει αὐτῷ. Μαύσωλός γε μὴν κατὰ θάλατταν ἑκατὸν ναυσὶ πολιορκῶν ἀμφοτέρω τὰ χωρία ταῦτα οὐκέτι δείσας ἀλλὰ πεισθεὶς ἀπέπλευσεν οἴκαδε. [27] ... νικᾶν ἐν τῷ πρὸς Ἑλληνας πολέμῳ; [5] ἐκεῖνος τοίνυν, ἀγγελίας μὲν ἐλθούσης αὐτῷ ὡς ἐν τῇ <ἐν> Κορίνθῳ μάχῃ ὅκτῳ μὲν Λακεδαιμονίων, ἐγγὺς δὲ μύριοι τεθναῖεν <τῶν πολεμίων>, οὐκ ἐφησθεῖς φανερὸς ἐγένετο, ἀλλ' εἶπεν ἅπα· Φεῦ <σου>, ὦ Ἑλλάς, ὁπότε οἱ νῦν τεθηκότες ἱκανοὶ ἦσαν ζῶντες νικᾶν μαχόμενοι πάντας τοὺς βαρβάρους. [6] Κορινθίων γε μὴν τῶν φευγόντων λεγόντων ὅτι ἐνδιδόιτο αὐτοῖς ἡ πόλις, καὶ μηχανὰς ἐπιδεικνύντων αἷς πάντως ἥλιπον <ἂν> ἐλεῖν τὰ τείχη, οὐκ ἤθελε προσβάλλειν, λέγων ὅτι οὐκ ἀνδραποδίζεσθαι δέοι Ἑλληνίδας πόλεις ἀλλὰ σωφρονίζειν. εἰ δὲ τοὺς ἀμαρτάνοντας, ἔφη, ἡμῶν αὐτῶν ἀφανιοῦμεν, ὁρᾶν χρὴ μζή οὐδ' ἔξομεν μεθ' ὅτου τῶν βαρβάρων κρατήσομεν. [7] εἰ δ' αὖ καλὸν καὶ μισοπέρσην εἶναι, ὅτι καὶ ὁ πάλαι ἐξεστράτευσεν ὡς δουλωσόμενος τὴν Ἑλλάδα καὶ ὁ νῦν συμμαχεῖ μὲν τούτοις μεθ' ὁποτέρων ἂν οἴηται μείζω βλάψειν, δωρεῖται δ' ἐκείνοις οὓς ἂν νομίζῃ λαβόντας πλεῖστα κακὰ τοὺς Ἑλληνας ποιήσῃν, εἰρήνην δὲ συμπράττει ἐξ ἧς ἂν ἡγήται μάλιστα ἡμᾶς ἀλλήλοις πολεμήσειν, ὁπῶσι μὲν οὖν ἅπαντες ταῦτα· ἐπεμελήθη δὲ τίς ἄλλος πώποτε πλὴν Ἀγησίλαος ἢ ὅπως φύλόν τι ἀποστήσεται τοῦ Πέρσου ἢ ὅπως τὸ ἀποστὰν μὴ ἀπόληται ἢ τὸ παράπαν ὡς καὶ βασιλεὺς κακὰ ἔχων μὴ δυνήσεται τοῖς Ἑλλήσι πράγματα παρέχειν; ὃς καὶ πολεμούσης τῆς πατρίδος πρὸς Ἑλληνας ὅμως τοῦ κοινοῦ ἀγαθοῦ τῇ Ἑλλάδι οὐκ ἡμέλησεν, ἀλλ' ἐξέπλευσεν ὅ τι δύναιτο κακὸν ποιήσων τὸν βάρβαρον.

[1] Ἀλλὰ μὴν ἄξιόν γε αὐτοῦ καὶ τὸ εὐχαρί μὴ σιωπᾶσθαι· ὧι γε ὑπαρχούσης μὲν τιμῆς, παρούσης δὲ δυνάμεως, πρὸς δὲ τούτοις βασιλείας, καὶ ταύτης οὐκ ἐπιβουλευομένης ἀλλ' ἀγαπωμένης, τὸ μὲν μέγαλαυχον οὐκ εἶδε τις, τὸ δὲ φιλόστοργον καὶ θεραπευτικὸν τῶν φίλων καὶ μὴ ζητῶν κατενόησεν ἄν. [2] καὶ μὴν μετεῖχε μὲν ἥδιστα παιδικῶν λόγων, συνεσπούδαζε δὲ πᾶν ὅ τι δέοι φίλοις. διὰ δὲ τὸ εὐελπὶς καὶ εὐθυμὸς καὶ ἀεὶ ἰλαρὸς εἶναι πολλοὺς ἐποίει μὴ τοῦ διαπράξασθαι τι μόνον ἔνεκα πλησιάζειν, ἀλλὰ καὶ τοῦ ἥδιον διημερεῦειν. ἥκιστα δ' ὦν οἷος μεγαληγορεῖν ὅμως τῶν ἐπαινούντων αὐτοὺς οὐ βαρέως ἤκουεν, ἡγούμενος βλάπτειν οὐδὲν αὐτούς, ὑπισχνεῖσθαι δὲ ἄνδρας ἀγαθοὺς ἔσεσθαι. [3] ἀλλὰ μὴν καὶ τῇ μεγαλογνωμοσύνῃ γε ὡς εὐκαίρως ἐχρήτο οὐ παραλείπτειν. ἐκεῖνος

γὰρ ὅτ' ἦλθεν αὐτῷ ἐπιστολὴ παρὰ βασιλέως, ἣν ὁ μετὰ Καλλία τοῦ Λακεδαιμονίου Πέρσης ἤνεγκε, περὶ ξενίας τε καὶ φιλίας [αὐτῷ], ταύτην μὲν οὐκ ἐδέξατο, τῷ δὲ φέροντι εἶπεν ἀπαγγεῖλαι βασιλεῖ ὡς ἰδία μὲν πρὸς αὐτὸν οὐδὲν δέοι ἐπιστολὰς πέμπειν, ἣν δὲ φίλος τῇ Λακεδαίμονι καὶ τῇ Ἑλλάδι εὐνους ὦν φαίνεται, ὅτι καὶ αὐτὸς φίλος ἀνὰ κράτος αὐτῷ ἔσοιτο· ἦν μέντοι, ἔφη, ἐπιβουλεύων ἀλίσκηται, μὴδ' ἂν πάνυ πολλὰς ἐπιστολὰς δέχωμαι, φίλον ἔξειν με οἰέσθω. [4] ἐγὼ οὖν καὶ τοῦτο ἐπαινῶ Ἀγησιλάου τὸ πρὸς τὸ ἀρέσκειν τοῖς Ἑλλήσιν ὑπεριδεῖν τὴν βασιλέως ξενίαν. ἄγαμαι δὲ κάκεῖνο, ὅτι οὐχ ὁπότερος πλείω τε χρήματα ἔχει καὶ πλεόνων ἄρχοι, τούτῳ ἡγήσατο μείζον φρονητέον εἶναι, ἀλλ' ὁπότερος αὐτὸς τε ἀμείνων εἶη καὶ ἀμεινόνων ἡγοῖτο. [5] ἐπαινῶ δὲ κάκεῖνο τῆς προνοίας αὐτοῦ, ὅτι νομίζων ἀγαθὸν [τοῦς] τῇ Ἑλλάδι ἀφίστασθαι τοῦ βασιλέως ὡς πλείστους σατράπας, οὐκ ἐκρατήθη οὐθ' ὑπὸ δώρων οὐθ' ὑπὸ τῆς βασιλέως ῥώμης ἐθελήσας ξενωθῆναι αὐτῷ, ἀλλ' ἐφυλάξατο μὴ ἄπιστος γενέσθαι τοῖς ἀφίστασθαι βουλομένοις. [6] ἐκεῖνό γε μὴν αὐτοῦ τίς οὐκ ἂν ἀγασθεῖ; ὁ μὲν γὰρ Πέρσης, νομίζων, ἦν χρήματα πλεῖστα ἔχει, πάνθ' ὑφ' ἑαυτῷ ποιήσεσθαι, διὰ τοῦτο πᾶν μὲν τὸ ἐν ἀνθρώποις χρυσίον, πᾶν δὲ τὸ ἀργύριον, πάντα δὲ τὰ πολυτελέστατα ἐπειράτο πρὸς ἑαυτὸν ἀθροίζειν. ὁ δὲ οὕτως ἀντεσκευάσατο τὸν οἶκον ὥστε τούτων μηδενὸς προσδεῖσθαι. [7] εἰ δέ τις ταῦτα ἀπιστεῖ, ιδέτω μὲν οἷα οἰκία ἦρκει αὐτῷ, θεασάσθω δὲ τὰς θύρας αὐτοῦ· εἰκάσειε γὰρ ἂν τις ἔτι ταύτας ἐκείνας εἶναι ὥσπερ Ἀριστόδημος ὁ Ἡρακλέους ὅτε κατῆλθε λαβὼν ἐπεστήσατο· πειράσθω δὲ θεάσασθαι τὴν ἔνδον κατασκευὴν, ἐννοησάτω δὲ ὡς ἐθοίναζεν ἐν ταῖς θυσίαις, ἀκουσάτω δὲ ὡς ἐπὶ πολιτικοῦ καννάθρου κατήκει εἰς Ἀμύκλας <ἡ θυγάτηρ αὐτοῦ>. [8] τοιγαροῦν οὕτως ἐφαρμόσας τὰς δαπάνας ταῖς προσόδοις οὐδὲν ἠναγκάζετο χρημάτων ἔνεκα ἄδικον πράττειν. καίτοι καλὸν μὲν δοκεῖ εἶναι τείχη ἀνάλωτα κτᾶσθαι ὑπὸ πολεμίων· πολὺ μέντοι ἔγωγε κάλλιον κρίνω τὸ τὴν αὐτοῦ ψυχὴν ἀνάλωτον κατασκευάσαι καὶ ὑπὸ χρημάτων καὶ ὑπὸ ἡδονῶν καὶ ὑπὸ φόβου.

[1] Ἀλλὰ μὴν ἐρῶ γε ὡς καὶ τὸν τρόπον ὑπεστήσατο τῇ τοῦ Πέρσου ἀλαζονείᾳ. πρῶτον <μὲν> γὰρ ὁ μὲν τῷ σπανίως ὀραῖσθαι ἐσεμνύετο, Ἀγησίλαος δὲ τῷ ἀεὶ ἐμφανὲς εἶναι ἡγάλλετο, νομίζων αἰσχρουρίαι μὲν τὸ ἀφανίζεσθαι πρέπειν, τῷ δὲ εἰς κάλλος βίῳ τὸ

φῶς μᾶλλον κόσμον παρέχειν. [2] ἔπειτα δὲ ὁ μὲν τῷ δυσπρόσοδος εἶναι ἐσεμνύνετο, ὁ δὲ τῷ πᾶσιν εὐπρόσοδος εἶναι ἔχαιρε· καὶ ὁ μὲν ἡβρύνετο τῷ βραδέως διαπράττειν, ὁ δὲ τότε μάλιστα ἔχαιρεν ὅποτε τάχιστα τυχόντας ὧν δέοιντο ἀποπέμποι. [3] ἀλλὰ μὴν καὶ τὴν εὐπάθειαν ὅσῳ ράιονα καὶ εὐπορωτέραν Ἀγησίλαος ἐπετήδευσεν ἄξιον κατανοῆσαι. τῷ μὲν γὰρ Πέρσῃ πᾶσαν γῆν περιέρχονται μαστεύοντες τί ἂν ἡδέως πίοι, μυρίοι δὲ τεχνῶνται τί ἂν ἡδέως φάγοι· ὅπως γε μὲν καταδάρθῃ οὐδ' ἂν εἴποι τις ὅσα πραγματεύονται. Ἀγησίλαος δὲ διὰ τὸ φιλόπονός εἶναι πᾶν μὲν τὸ παρὸν ἡδέως ἔπινε, πᾶν δὲ τὸ συντυχὸν ἡδέως ἥσθιεν· εἰς δὲ τὸ ἀσμένως κοιμηθῆναι πᾶς τόπος ἱκανὸς ἦν αὐτῷ. [4] καὶ ταῦτα οὐ μόνον πράττων ἔχαιρεν, ἀλλὰ καὶ ἐνθυμούμενος ἠγάλλετο ὅτι αὐτὸς μὲν ἐν μέσαις ταῖς εὐφροσύναις ἀναστρέφοιτο, τὸν δὲ βάρβαρον ἑώρα, εἰ μέλλοι ἀλύπως βιώσεσθαι, συνελκυστέον αὐτῷ [ταῖς] ἀπὸ περάτων τῆς γῆς τὰ τέρποντα. [5] ἡὔφραινε δὲ αὐτὸν καὶ τάδε, ὅτι αὐτὸς μὲν ἡἰδεῖ τῇ τῶν θεῶν κατασκευῇ δυνάμενος ἀλύπως χρῆσθαι, τὸν δὲ ἑώρα φεύγοντα μὲν θάλπη, φεύγοντα δὲ ψύχη, δι' ἀσθένειαν ψυχῆς, οὐκ ἀνδρῶν ἀγαθῶν ἀλλὰ θηρίων τῶν ἀσθνεστάτων βίον μιμούμενον. [6] ἐκεῖνό γε μὴν πῶς οὐ καλὸν καὶ μεγαλογνώμον, τὸ αὐτὸν μὲν ἀνδρὸς ἔργοις καὶ κτήμασι κοσμεῖν τὸν ἑαυτοῦ οἶκον, κύνας τε πολλοὺς θηρευτὰς καὶ ἵππους πολεμιστηρίους τρέφοντα, Κυνίσκαν δὲ ἀδελφὴν οὕσαν πεῖσαι ἄρματοτροφεῖν καὶ ἐπιδεῖξαι νικώσης αὐτῆς ὅτι τὸ θρέμμα τοῦτο οὐκ ἀνδραγαθίας ἀλλὰ πλούτου ἐπίδειγμά ἐστι; [7] τόδε γε μὴν πῶς οὐ σαφῶς πρὸς τὸ γενναῖον ἔγνω, ὅτι ἄρματι μὲν νικήσας τοὺς ιδιώτας οὐδὲν ὀνομαστότερος ἂν [εἴη] γένοιτο, εἰ δὲ φίλην μὲν πάντων μάλιστα τὴν πόλιν ἔχοι, πλείστους δὲ φίλους καὶ ἀρίστους ἀνὰ πᾶσαν τὴν γῆν κεκτῆιτο, νικῶν δὲ τὴν μὲν πατρίδα καὶ τοὺς ἐταίρους εὐεργετῶν, τοὺς δὲ ἀντιπάλους τιμωρούμενος, ὅτι οὕτως ἂν εἴη νικηφόρος τῶν καλλίστων καὶ μεγαλοπρεπεστάτων ἀγωνισμάτων καὶ ὀνομαστότατος καὶ ζῶν καὶ τελευτήσας γένοιτ' ἂν;

[1] Ἐγὼ μὲν οὖν τοιαῦτα ἐπαινῶ Ἀγησίλαον. ταῦτα γὰρ οὐχ ὥσπερ εἰ θησαυρῷ τις ἐντύχοι, πλουσιώτερος μὲν ἂν εἴη, οικονομικώτερος δὲ οὐδὲν ἂν, καὶ εἰ νόσου δὲ πολέμοις ἐμπεσοῦσης κρατήσειεν, εὐτυχέστερος μὲν ἂν εἴη, στρατηγικώτερος δὲ οὐδὲν ἂν· ὁ δὲ

[2] εἰ δὲ καλὸν εὖρημα ἀνθρώποις στάθμη καὶ κανὼν πρὸς τὸ ὀρθὰ ἐργάζεσθαι, καλὸν ἂν μοι δοκεῖ [εἶναι] ἡ Ἀγησιλάου ἀρετὴ παράδειγμα γενέσθαι τοῖς ἀνδραγαθίαν ἀσκεῖν βουλομένοις. τίς γὰρ ἂν ἢ θεοσεβῇ μιμούμενος ἀνόσιος γένοιτο ἢ δίκαιον ἄδικος ἢ σώφρονα ὕβριστής ἢ ἐγκρατὴ ἀκρατής; καὶ γὰρ δὴ οὐχ οὕτως ἐπὶ τῷ ἄλλων βασιλεύειν ὥς ἐπὶ τῷ ἑαυτοῦ ἄρχειν ἐμεγαλύνετο, οὐδ' ἐπὶ τῷ πρὸς τοὺς πολεμίους ἄλλ' ἐπὶ τῷ πρὸς πᾶσαν ἀρετὴν ἡγεῖσθαι τοῖς πολίταις. [3] ἀλλὰ γὰρ μὴ ὅτι τετελευτηκῶς ἐπαινεῖται τούτου ἔνεκα θρήνόν τις τοῦτον τὸν λόγον νομισάτω, ἀλλὰ πολὺ μᾶλλον ἐγκώμιον. πρῶτον μὲν γὰρ ἅπερ ζῶν ἤκουε ταῦτά καὶ νῦν λέγεται περὶ αὐτοῦ· ἔπειτα δὲ τί καὶ πλέον θρήνου ἅπεστιν ἢ βίος τε εὐκλεῆς καὶ θάνατος ὠραῖος; ἐγκωμίων δὲ τί ἀξιώτερον ἢ νῆκαί τε αἱ κάλλιστα καὶ ἔργα τὰ πλείστου ἄζια; [4] δικαίως δ' ἂν ἐκεῖνός γε μακαρίζοιτο ὅς εὐθὺς μὲν ἐκ παιδὸς ἐρασθεὶς τοῦ εὐκλεῆς γενέσθαι ἔτυχε τούτου μάλιστα τῶν καθ' ἑαυτόν· φιλοτιμώτατος δὲ πεθυκῶς ἀήττητος διετέλεσεν, ἐπεὶ βασιλεὺς ἐγένετο. ἀφικόμενος δὲ ἐπὶ τὸ μήκιστον ἀνθρωπίνου αἰῶνος ἀναμάρτητος ἐτελεύτησε καὶ περὶ τούτους ὧν ἡγεῖτο καὶ πρὸς ἐκείνους οἷς ἐπολέμει.

[1] Βούλομαι δὲ καὶ ἐν κεφαλαίοις ἐπανελθεῖν τὴν ἀρετὴν αὐτοῦ, ὥς ἂν ὁ ἔπαινος εὐμνημονεστέρως ἔχη. Ἀγησιλαὸς ἱερὰ μὲν καὶ τὰ ἐν τοῖς πολεμίοις ἐσέβετο, ἡγούμενος τοὺς θεοὺς οὐχ ἦττον ἐν τῇ πολεμίᾳ χρῆναι ἢ ἐν τῇ φιλίᾳ συμμάχους ποιεῖσθαι· ἱκέτας δὲ θεῶν οὐδὲ ἐχθρὸς ἐβιάζετο, νομίζων ἄλογον εἶναι τοὺς μὲν ἐξ ἱερῶν κλέπτοντας ἱεροσύλους καλεῖν, τοὺς δὲ βωμῶν ἱκέτας ἀποσπῶντας εὐσεβεῖς ἡγεῖσθαι. [2] ἐκεῖνός γε μὴν ὑμῶν οὐποτ' ἔληγεν ὥς τοὺς θεοὺς οἶοιτο οὐδὲν ἦττον ὁσίοις ἔργοις ἢ ἀγνοῖς ἱεροῖς ἥδεσθαι. ἀλλὰ μὴν καὶ ὁπότε εὐτυχοίῃ, οὐκ ἀνθρώπων ὑπερεφρόνει, ἀλλὰ θεοῖς χάριν ἡίδει. καὶ θαρρῶν πλείονα ἔθυεν ἢ ὀκνῶν ἠῤῃχετο. εἵθιστο δὲ φοβοῦμενος μὲν ἰλαρὸς φαίνεσθαι, εὐτυχῶν δὲ πρᾶσιος εἶναι. [3] τῶν γε μὴν φίλων οὐ τοὺς δυνατωτάτους ἀλλὰ τοὺς προθυμοτάτους μάλιστα ἡσπάζετο. ἐμίσει οὐκ εἴ τις κακῶς πάσχων ἡμύνετο, ἀλλ' εἴ τις εὐεργετούμενος ἀχάριστος φαίνοιτο. ἔχαιρε δὲ τοὺς μὲν

αἰσχροκερδεῖς πένητας ὀρώων, τοὺς δὲ δικαίους πλουσίους ποιῶν, βουλόμενος τὴν δικαιοσύνην τῆς ἀδικίας κερδαλεωτέραν καθιστάναι. [4] ἥσκει δὲ ἐξομιλεῖν μὲν παντοδαποῖς, χρῆσθαι δὲ τοῖς ἀγαθοῖς. ὁπότε δὲ ψεγόντων ἢ ἐπαινούντων τινὰς ἀκούοι, οὐχ ἥττον ὤιετο καταμανθάνειν <τοὺς> τῶν λεγόντων τρόπους ἢ περὶ ὧν λέγοιεν. καὶ τοὺς μὲν ὑπὸ φίλων ἐξαπατωμένους οὐκ ἔψεγε, τοὺς δὲ ὑπὸ πολεμίων πάμπαν κατεμέμφετο, καὶ τὸ μὲν ἀπιστοῦντας ἐξαπατᾶν σοφὸν ἔκρινε, τὸ δὲ πιστεύοντας ἀνόσιον. [5] ἐπαινούμενος δὲ ἔχαιρεν ὑπὸ τῶν καὶ ψέγειν ἐθελόντων τὰ μὴ ἀρεστά, καὶ τῶν παρρησιαζομένων οὐδένα ἤχθραινε, τοὺς δὲ κρυψίνους ὥσπερ ἐνέδρας ἐφυλάττετο. τοὺς γε μὴν διαβόλους μᾶλλον ἢ τοὺς κλέπτας ἐμίσει, μείζω ζημίαν ἡγούμενος φίλων ἢ χρημάτων στερίσκεσθαι. [6] καὶ τὰς μὲν τῶν ιδιωτῶν ἀμαρτίας πράϊως ἔφερε, τὰς δὲ τῶν ἀρχόντων μεγάλας ἤγε, κρίνων τοὺς μὲν ὀλίγα, τοὺς δὲ πολλὰ κακῶς διατιθέναι. τῇ δὲ βασιλείᾳ προσήκειν ἐνόμιζεν οὐ ραιδιουργίαν ἀλλὰ καλοκάγαθίαν. [7] καὶ τοῦ μὲν σώματος εἰκόνα στήσασθαι ἀπέσχετο, πολλῶν αὐτῷ τοῦτο δωρεῖσθαι θελόντων, τῆς δὲ ψυχῆς οὐδέποτε ἐπαύετο μνημεῖα διαπονούμενος, ἡγούμενος, τὸ μὲν ἀνδριαντοποιῶν, τὸ δὲ αὐτοῦ ἔργον εἶναι, καὶ τὸ μὲν πλουσίων, τὸ δὲ τῶν ἀγαθῶν. [8] χρήμασί γε μὴν οὐ μόνον δικαίως ἀλλὰ καὶ ἐλευθερίως ἐχρῆτο, τῷ μὲν δικαίῳ ἀρκεῖν ἡγούμενος τὸ εἶναι τὰ ἀλλότρια, τῷ δὲ ἐλευθερίῳ καὶ τῶν ἑαυτοῦ προσωφελητέον εἶναι. αἰεὶ δὲ δεισιδαίμων ἦν, νομίζων τοὺς μὲν καλῶς ζῶντας οὐπω εὐδαίμονας, τοὺς δὲ εὐκλεῶς τετελευτηκότας ἤδη μακαρίους. [9] μείζω δὲ συμφορὰν ἔκρινε τὸ γινώσκοντα ἢ ἀγνοοῦντα ἀμελεῖν τῶν ἀγαθῶν. δόξης δὲ οὐδεμιᾶς ἦρα ἤς οὐκ ἐξεπόνει τὰ ἴδια. μετ' ὀλίγων δέ μοι ἐδόκει ἀνθρώπων οὐ καρτερίαν τὴν ἀρετὴν ἀλλ' εὐπάθειαν νομίζειν· ἐπαινούμενος γοῦν ἔχαιρε μᾶλλον ἢ χρήματα κτώμενος. ἀλλὰ μὴν ἀνδρείαν γε τὸ πλεον μετ' εὐβουλίας ἢ μετὰ κινδύνων ἐπεδείκνυτο, καὶ σοφίαν ἔργῳ μᾶλλον ἢ λόγοις ἥσκει. [10] πραιότατός γε μὴν φίλοις ὧν ἐχθροῖς φοβερώτατος ἦν· καὶ πόνοις μάλιστα ἀντέχων ἐταίροις ἡδιστα ὑπεῖκε, καλῶν ἔργων μᾶλλον ἢ τῶν καλῶν σωμάτων ἐπιθυμῶν. ἔν γε μὴν ταῖς εὐπραξίαις σωφρονεῖν ἐπιστάμενος ἐν τοῖς δεινοῖς εὐθαρσῆς ἐδύνατο εἶναι. [11] καὶ τὸ εὐχαρὶ οὐ σκώμμασιν ἀλλὰ τρόπῳ ἐπετήδευε, καὶ τῷ μεγαλόφρονι οὐ σὺν ὕβρει ἀλλὰ σὺν γνώμῃ ἐχρῆτο· τῶν γοῦν ὑπεραύχων καταφρονῶν τῶν μετρίων ταπεινότερος ἦν. καὶ γὰρ ἐκαλλωπίζετο τῇ μὲν ἀμφὶ τὸ

σῶμα φαυλότητι, τῷ δ' ἀμφὶ τὸ στράτευμα κόσμῳ <καὶ> τῷ μὲν αὐτὸς ὡς ἐλαχίστων δεῖσθαι, τῷ δὲ τοὺς φίλους ὡς πλεῖστα ὠφελεῖν. [12] πρὸς δὲ τούτοις βαρύτατος μὲν ἀνταγωνιστῆς ἦν, κουφότατος δὲ κρατήσας· ἐχθροῖς μὲν δυσεξαπάτητος, φίλοις δὲ εὐπαραπειστώτατος. αἰεὶ δὲ τιθεὶς τὰ τῶν φίλων ἀσφαλῶς αἰεὶ ἀμαυροῦν τὰ τῶν πολεμίων ἔργον εἶχεν. [13] ἐκείνον οἱ μὲν συγγενεῖς φιλοκηδεμόνα ἐκάλουν, οἱ δὲ χρώμενοι ἀπροφάσιστον, οἱ δ' ὑπουργήσαντές τι μνήμονα, οἱ δ' ἀδικούμενοι ἐπίκουρον, οἱ γε μὴν συγκινδυνεύοντες μετὰ θεοὺς σωτῆρα.

[14] Δοκεῖ δ' ἔμοιγε καὶ τότε μόνος ἀνθρώπων ἐπιδείξαι, ὅτι ἢ μὲν τοῦ σώματος ἰσχὺς γηράσκει, ἢ δὲ τῆς ψυχῆς ῥώμη τῶν ἀγαθῶν ἀνδρῶν ἀγήρατός ἐστιν. ἐκεῖνος γοῦν οὐκ ἀπεῖπε μεγάλην καὶ καλὴν ἐφιέμενος <δόξαν, ἔστε> τὸ σῶμα φέρειν ἐδύνατο τὴν τῆς ψυχῆς αὐτοῦ ῥώμην. [15] τοιγαροῦν ποίας οὐ νεότητος κρεῖττον τὸ ἐκείνου γῆρας ἐφάνη; τίς μὲν γὰρ τοῖς ἐχθροῖς ἀκμάζων οὕτω φοβερὸς ἦν ὡς Ἀγησίλαος τὸ μήκιστον τοῦ αἵωνος ἔχων; τίνας δ' ἐκποδῶν γενομένου μᾶλλον ἥσθησαν οἱ πολέμιοι ἢ Ἀγησιλάου καίπερ γηραιοῦ τελευτήσαντος; τίς δὲ συμμάχοις θάρσος παρέσχευ ὅσον Ἀγεσίλαος, καίπερ ἤδη πρὸς τῷ στόματι τοῦ βίου ὢν; τίνα δὲ νέον οἱ φίλοι πλέον ἐπόθησαν ἢ Ἀγησίλαον γηραιὸν ἀποθανόντα; [16] οὕτω δὲ τελέως ὁ ἀνὴρ τῇ πατρίδι ὠφέλιμος ὢν διεγένετο ὡς καὶ τετελευτηκὼς ἤδη ἔτι μεγαλείως ὠφελῶν τὴν πόλιν εἰς τὴν αἰδίον οἴκησιν κατηγάγετο, μνημεῖα μὲν τῆς ἑαυτοῦ ἀρετῆς ἀνὰ πᾶσαν τὴν γῆν κτησάμενος, τῆς δὲ βασιλικῆς ταφῆς ἐν τῇ πατρίδι τυχών.

[1.1.1] Πολλάκις ἐθαύμασα τίσι ποτὲ λόγοις Ἀθηναίους ἔπεισαν οἱ γραψάμενοι Σωκράτην ὡς ἄξιος εἶη θανάτου τῇ πόλει. ἡ μὲν γὰρ γραφή κατ' αὐτοῦ τοιάδε τις ἦν· ἀδικεῖ Σωκράτης οὓς μὲν ἡ πόλις νομίζει θεοὺς οὐ νομίζων, ἕτερα δὲ καινὰ δαιμόνια εισφέρων· ἀδικεῖ δὲ καὶ τοὺς νέους διαφθείρων.

[1.1.2] Πρῶτον μὲν οὖν, ὡς οὐκ ἐνόμιζεν οὓς ἡ πόλις νομίζει θεοὺς, ποίωι ποτ' ἐχρήσαντο τεκμηρίωι; θύων τε γὰρ φανερὸς ἦν πολλάκις μὲν οἴκοι, πολλάκις δὲ ἐπὶ τῶν κοινῶν τῆς πόλεως βωμῶν, καὶ μαντικῇ χρώμενος οὐκ ἀφανὴς ἦν. διετεθρύλητο γὰρ ὡς φαίη Σωκράτης τὸ δαιμόνιον ἑαυτῷ σημαίνειν· ὅθεν δὴ καὶ μάλιστα μοι δοκοῦσιν αὐτὸν αἰτιάσασθαι καινὰ δαιμόνια εισφέρειν. [1.1.3] ὁ δ' οὐδὲν καινότερον εἰσέφερε τῶν ἄλλων, ὅσοι μαντικὴν νομίζοντες οἰωνοῖς τε χρῶνται καὶ φήμαις καὶ συμβόλοις καὶ θυσίαις. οὗτοί τε γὰρ ὑπολαμβάνουσιν οὐ τοὺς ὄρνιθας οὐδὲ τοὺς ἀπαντῶντας εἰδέναι τὰ συμφέροντα τοῖς μαντευομένοις, ἀλλὰ τοὺς θεοὺς διὰ τούτων αὐτὰ σημαίνειν, κάκεῖνος δὲ οὕτως ἐνόμιζεν. [1.1.4] ἀλλ' οἱ μὲν πλεῖστοί φασιν ὑπὸ τε τῶν ὀρνίθων καὶ τῶν ἀπαντῶντων ἀποτρέπεσθαι τε καὶ προτρέπεσθαι· Σωκράτης δ' ὥσπερ ἐγίγνωσκεν, οὕτως ἔλεγε· τὸ δαιμόνιον γὰρ ἔφη σημαίνειν. καὶ πολλοῖς τῶν συνόντων προηγόρευε τὰ μὲν ποιεῖν, τὰ δὲ μὴ ποιεῖν, ὡς τοῦ δαιμονίου προσημαίνοντος· καὶ τοῖς μὲν πειθομένοις αὐτῷ συνέφερε, τοῖς δὲ μὴ πειθομένοις μετέμελε. [1.1.5] καίτοι τίς οὐκ ἂν ὁμολογήσειεν αὐτὸν βούλεσθαι μῆτ' ἡλίθιον μῆτ' ἀλαζόνα φαίνεσθαι τοῖς συνοῦσιν; ἐδόκει δ' ἂν ἀμφοτέρω ταῦτα, εἰ προαγορεύων ὡς ὑπὸ θεοῦ φαινόμενα καὶ ψευδόμενος ἐφαίνετο. δῆλον οὖν ὅτι οὐκ ἂν προέλεγεν, εἰ μὴ ἐπίστευεν ἀληθεύσειν. ταῦτα δὲ τίς ἂν ἄλλωι πιστεύσειεν ἢ θεῷ; πιστεύων δὲ θεοῖς πῶς οὐκ εἶναι θεοὺς ἐνόμιζεν; [1.1.6] ἀλλὰ μὴν ἐποίει καὶ τάδε πρὸς τοὺς ἐπιτηδείους. τὰ μὲν γὰρ ἀναγκαῖα συνεβούλευε καὶ πράττειν ὡς ἐνόμιζεν ἄριστ' ἂνπραχθῆναι· περὶ δὲ τῶν ἀδύλων ὅπως ἀποβήσοιτο μαντευσομένους ἔπεμπε, εἰ ποιητέα. [1.1.7] καὶ τοὺς μέλλοντας οἴκους τε καὶ πόλεις καλῶς οἰκῆσειν μαντικῆς ἔφη προσδεῖσθαι· τεκτονικὸν μὲν γὰρ ἢ χαλκευτικὸν ἢ γεωργικὸν ἢ ἀνθρώπων ἀρχικὸν ἢ τῶν τοιούτων ἔργων ἐξεταστικὸν ἢ λογιστικὸν ἢ οἰκονομικὸν ἢ

στρατηγικὸν γενέσθαι, πάντα τὰ τοιαῦτα μαθήματα καὶ ἀνθρώπου γνώμῃ αἰρετὰ ἐνόμιζεν εἶναι [1.1.8] τὰ δὲ μέγιστα τῶν ἐν τούτοις ἔφη τοὺς θεοὺς ἑαυτοῖς καταλείπεσθαι, ὧν οὐδὲν δῆλον εἶναι τοῖς ἀνθρώποις. οὔτε γὰρ τῷ καλῶς ἀγρὸν φυτευσασμένῳ δῆλον ὅστις καρπώσεται, οὔτε τῷ καλῶς οἰκίαν οἰκοδομησασμένῳ δῆλον ὅστις ἐνοικήσει, οὔτε τῷ στρατηγικῷ δῆλον εἰ συμφέρει στρατηγεῖν, οὔτε τῷ πολιτικῷ δῆλον εἰ συμφέρει τῆς πόλεως προστατεῖν, οὔτε τῷ καλὴν γῆμαντι, ἴν' εὐφραίνεται, δῆλον εἰ διὰ ταύτην ἀνιάσεται, οὔτε τῷ δυνατοῦς ἐν τῇ πόλει κηδεστὰς λαβόντι δῆλον εἰ διὰ τούτους στερήσεται τῆς πόλεως. [1.1.9] τοὺς δὲ μηδὲν τῶν τοιούτων οἰομένους εἶναι δαιμόνιον, ἀλλὰ πάντα τῆς ἀνθρωπίνης γνώμης, δαιμονᾶν ἔφη· δαιμονᾶν δὲ καὶ τοὺς μαντευομένους ἃ τοῖς ἀνθρώποις ἔδωκαν οἱ θεοὶ μαθοῦσι διακρίνειν [οἷον εἰ τις ἐπερωτώη πότερον ἐπιστάμενον ἡνιοχεῖν ἐπὶ ζευγος λαβεῖν κρεῖττον ἢ μὴ ἐπιστάμενον, ἢ πότερον ἐπιστάμενον κυβερνᾶν ἐπὶ τὴν ναῦν κρεῖττον λαβεῖν ἢ μὴ ἐπιστάμενον], ἢ ἃ ἔξεστιν ἀριθμήσαντος ἢ μετρήσαντας ἢ στήσαντας εἰδέναι· τοὺς τὰ τοιαῦτα παρὰ τῶν θεῶν πυνθανομένους ἀθέμιτα ποιεῖν ἡγεῖτο. ἔφη δὲ δεῖν, ἃ μὲν μαθόντας ποιεῖν ἔδωκαν οἱ θεοί, μανθάνειν, ἃ δὲ μὴ δῆλα τοῖς ἀνθρώποις ἐστί, πειρᾶσθαι διὰ μαντικῆς παρὰ τῶν θεῶν πυνθάνεσθαι· τοὺς θεοὺς γὰρ οἷς ἂν ὧσιν ἴλεωι σημαίνειν.

[1.1.10] Ἀλλὰ μὴν ἐκεῖνός γε αἰεὶ μὲν ἦν ἐν τῷ φανερωῖν· πρῶτι γὰρ εἰς τοὺς περιπάτους καὶ τὰ γυμνάσια ἦιε καὶ πληθούσης ἀγορᾶς ἐκεῖ φανερὸς ἦν, καὶ τὸ λοιπὸν αἰεὶ τῆς ἡμέρας ἦν ὅπου πλείστοις μέλλοι συνέσεσθαι· καὶ ἔλεγε μὲν ὥς τὸ πολὺ, τοῖς δὲ βουλομένοις ἐξῆν ἀκοῦειν. [1.1.11] οὐδεὶς δὲ πώποτε Σωκράτους οὐδὲν ἀσεβὲς οὐδὲ ἀνόσιον οὔτε πράττοντος εἶδεν οὔτε λέγοντος ἤκουσεν. οὐδὲ γὰρ περὶ τῆς τῶν πάντων φύσεως, ἥπερ τῶν ἄλλων οἱ πλείστοι, διελέγετο σκοπῶν ὅπως ὁ καλούμενος ὑπὸ τῶν σοφιστῶν κόσμος ἔχει καὶ τίσιν ἀνάγκαις ἕκαστα γίνεται τῶν οὐρανίων, ἀλλὰ καὶ τοὺς φροντίζοντας τὰ τοιαῦτα μωραίνοντας ἀπεδείκνυε. [1.1.12] καὶ πρῶτον μὲν αὐτῶν ἐσκόπει πότερά ποτε νομίσαντες ἱκανῶς ἤδη τὰνθρώπινα εἰδέναι ἔρχονται ἐπὶ τὸ περὶ τῶν τοιούτων φροντίζειν, ἢ τὰ μὲν ἀνθρώπινα παρέντες, τὰ δαιμόνια δὲ σκοποῦντες ἡγοῦνται τὰ προσήκοντα πράττειν. [1.1.13] ἐθαύμαζε δ' εἰ μὴ φανερὸν αὐτοῖς ἐστίν, ὅτι ταῦτα οὐ δυνατόν ἐστιν ἀνθρώποις εὐρεῖν· ἐπεὶ καὶ τοὺς μέγιστον φρονοῦντας ἐπὶ τῷ περὶ τούτων λέγειν οὐ ταῦτ' ἀδοξάζειν ἀλλήλοις,

ἀλλὰ τοῖς μαινομένοις ὁμοίως διακεῖσθαι πρὸς ἀλλήλους. [1.1.14] τῶν τε γὰρ μαινομένων τοὺς μὲν οὐδὲ τὰ δεινὰ δεδιέναι, τοὺς δὲ καὶ τὰ μὴ φοβερὰ φοβεῖσθαι, καὶ τοῖς μὲν οὐδ' ἐν ὄχλῳ δοκεῖν αἰσχρὸν εἶναι λέγειν ἢ ποιεῖν ὅτιοῦν, τοῖς δὲ οὐδ' ἐξιτητέον εἰς ἀνθρώπους εἶναι δοκεῖν, καὶ τοὺς μὲν οὐθ' ἱερὸν οὔτε βωμὸν οὔτ' ἄλλο τῶν θείων οὐδὲν τιμᾶν, τοὺς δὲ καὶ λίθους καὶ ξύλα τὰ τυχόντα καὶ θηρία σέβεσθαι· τῶν τε περὶ τῆς τῶν πάντων φύσεως μεριμνώντων τοῖς μὲν δοκεῖν ἐν μόνον τὸ ὄν εἶναι, τοῖς δ' ἄπειρα τὸ πλῆθος, καὶ τοῖς μὲν ἀεὶ πάντα κινεῖσθαι, τοῖς δ' οὐδὲν ἂν ποτε κινήσθαι, καὶ τοῖς μὲν πάντα γίνεσθαι τε καὶ ἀπόλλυσθαι, τοῖς δὲ οὔτ' ἂν γενέσθαι ποτὲ οὐδὲν οὔτε ἀπολεῖσθαι. [1.1.15] ἐσκόπει δὲ περὶ αὐτῶν καὶ τάδε, ἄρ' ὥσπερ οἱ τ' ἀνθρώπεια μανθάνοντες ἡγοῦνται τοῦθ' ὅ τι ἂν μάθωσιν ἑαυτοῖς τε καὶ τῶν ἄλλων ὅτῳ ἂν βούλωνται ποιήσιν, οὕτω καὶ οἱ τὰ θεῖα ζητοῦντες νομίζουσιν, ἐπειδὰν γνῶσιν αἷς ἀναάγκαις ἕκαστα γίγνεται, ποιήσιν, ὅταν βούλωνται, καὶ ἀνέμους καὶ ὕδατα καὶ ὥρας καὶ ὅτου ἂν ἄλλου δέωνται τῶν τοιούτων, ἢ τοιούτον μὲν οὐδὲν οὐδ' ἐλπίζουσιν, ἀρκεῖ δ' αὐτοῖς γνῶναι μόνον ἢ τῶν τοιούτων ἕκαστα γίγνεται. [1.1.16] περὶ μὲν οὖν τῶν ταῦτα πραγματευομένων τοιαῦτα ἔλεγεν· αὐτὸς δὲ περὶ τῶν ἀνθρωπείων ἀεὶ διελέγετο σκοπῶν τί εὐσεβές, τί ἀσεβές, τί καλόν, τί αἰσχρὸν, τί δίκαιον, τί ἄδικον, τί σωφροσύνη, τί μανία, τί ἀνδρεία, τί δειλία, τί πόλις, τί πολιτικός, τί ἀρχὴ ἀνθρώπων, τί ἀρχικὸς ἀνθρώπων, καὶ περὶ τῶν ἄλλων, ἃ τοὺς μὲν εἰδότας ἡγεῖτο καλοὺς κάγαθοὺς εἶναι, τοὺς δ' ἀγνοοῦντας ἀνδραποδῶδεις ἂν δικαίως κεκληῖσθαι.

[1.1.17] Ὅσα μὲν οὖν μὴ φανερὸς ἦν ὅπως ἐγίγνωσκεν, οὐδὲν θαυμαστὸν ὑπὲρ τούτων περὶ αὐτοῦ παραγνῶναι τοὺς δικαστάς· ὅσα δὲ πάντες ἠίδεσαν, οὐ θαυμαστὸν εἰ μὴ τούτων ἐνεθυμήθησαν; [1.1.18] βουλευσας γὰρ ποτε καὶ τὸν βουλευτικὸν ὅρκον ὁμόσας, ἐν ᾧ ἦν κατὰ τοὺς νόμους βουλεύσειν, ἐπιστάτης ἐν τῷ δήμῳ γενόμενος, ἐπιθυμήσαντος τοῦ δήμου παρὰ τοὺς νόμους [ἐννέα στρατηγούς] μιᾷ ψήφῳ τοὺς ἀμφὶ Θράσυλλον καὶ Ἑρασινίδην ἀποκτείνειν πάντας, οὐκ ἠθέλησεν ἐπιψηφίσειν, ὀργιζομένου μὲν αὐτῷ τοῦ δήμου, πολλῶν δὲ καὶ δυνατῶν ἀπειλούντων· ἀλλὰ περὶ πλείονος ἐποίησατο εὖορκεῖν ἢ χαρίσασθαι τῷ δήμῳ παρὰ τὸ δίκαιον καὶ φυλάξασθαι τοὺς ἀπειλοῦντας. [1.1.19] καὶ γὰρ ἐπιμελεῖσθαι θεοὺς ἐνόμιζεν ἀνθρώπων οὐχ ὄν τρόπον οἱ πολλοὶ νομίζουσιν· οὔτοι μὲν γὰρ οἴονται τοὺς θεοὺς τὰ μὲν εἰδέναι, τὰ δ' οὐκ εἰδέναι· Σωκράτης

δὲ πάντα μὲν ἡγεῖτο θεοὺς εἰδέναι, τὰ τε λεγόμενα καὶ πραττόμενα καὶ τὰ σιγῇ βουλευόμενα, πανταχοῦ δὲ παρεῖναι καὶ σημαίνειν τοῖς ἀνθρώποις περὶ τῶν ἀνθρωπείων πάντων.

[1.1.20] Θαυμάζω οὖν ὅπως ποτὲ ἐπέισθησαν Ἀθηναῖοι Σωκράτην περὶ θεοὺς μὴ σωφρονεῖν, τὸν ἀσεβὲς μὲν οὐδὲν ποτε περὶ τοὺς θεοὺς οὔτ' εἰπόντα οὔτε πράζαντα, τοιαῦτα δὲ καὶ λέγοντα καὶ πράττοντα περὶ θεῶν οἷά τις ἂν καὶ λέγων καὶ πράττων εἴη τε καὶ νομίζοιτο εὐσεβέστατος.

[1.2.1] Θαυμαστὸν δὲ φαίνεται μοι καὶ τὸ πεισθῆναί τινας ὡς Σωκράτης τοὺς νέους διέφθειρεν, ὃς πρὸς τοῖς εἰρημένοις πρῶτον μὲν ἀφροδισίων καὶ γαστρὸς πάντων ἀνθρώπων ἐγκρατέστατος ἦν, εἴτα πρὸς χειμῶνα καὶ θέρος καὶ πάντας πόνους καρτερικώτατος, ἔτι δὲ πρὸς τὸ μετρίων δεῖσθαι πεπαιδευμένος οὕτως, ὥστε πάνυ μικρὰ κεκτημένος πάνυ ραιδίως ἔχειν ἀρκοῦντα. [1.2.2] πῶς οὖν αὐτὸς ὢν τοιοῦτος ἄλλους ἂν ἢ ἀσεβεῖς ἢ παρανόμους ἢ λίχνους ἢ ἀφροδισίων ἀκρατεῖς ἢ πρὸς τὸ πονεῖν μαλακοὺς ἐποίησεν; ἀλλ' ἔπαυσε μὲν τούτων πολλοὺς ἀρετῆς ποιήσας ἐπιθυμεῖν καὶ ἐλπίδας παρασχών, ἂν ἑαυτῶν ἐπιμελῶνται, καλοὺς κἀγαθοὺς ἔσεσθαι. [1.2.3] καίτοι γε οὐδεπώποτε ὑπέσχετο διδάσκαλος εἶναι τούτου, ἀλλὰ τῷ φανερὸς εἶναι τοιοῦτος ὢν ἐλπίζειν ἐποίει τοὺς συνδιατρίβοντας ἑαυτῷ μιμουμένους ἐκείνον τοιούτους γενήσεσθαι. [1.2.4] ἀλλὰ μὴν καὶ τοῦ σώματος αὐτός τε οὐκ ἡμέλει τοὺς τ' ἀμελοῦντας οὐκ ἐπῆνει· τὸ μὲν οὖν ὑπερεσθίοντα ὑπερπονεῖν ἀπεδοκίμαζε, τὸ δὲ ὅσα ἡδέως ἢ ψυχὴ δέχεται, ταῦτα ἱκανῶς ἐκπονεῖν ἐδοκίμαζε· ταύτην γὰρ τὴν ἕξιν ὑγιεινὴν τε ἱκανῶς εἶναι καὶ τὴν τῆς ψυχῆς ἐπιμέλειαν οὐκ ἐμποδίζειν ἔφη. [1.2.5] ἀλλ' οὐ μὴν θρυπτικός γε οὐδὲ ἀλαζονικός ἦν οὔτ' ἀμπεχόνῃ οὔθ' ὑποδέσει οὔτε τῇ ἄλλῃ διαίτῃ. οὐ μὴν οὐδ' ἐρασιχρημάτους γε τοὺς συνόντας ἐποίει. τῶν μὲν γὰρ ἄλλων ἐπιθυμιῶν ἔπαυε, τοὺς δ' ἑαυτοῦ ἐπιθυμοῦντας οὐκ ἐπράττετο χρήματα. [1.2.6] τούτου δ' ἀπεχόμενος ἐνόμιζεν ἐλευθερίας ἐπιμελεῖσθαι· τοὺς δὲ λαμβάνοντας τῆς ὀμιλίας μισθὸν ἀνδραποδιστὰς ἑαυτῶν ἀπεκάλει διὰ τὸ ἀναγκαῖον αὐτοῖς εἶναι διαλέγεσθαι παρ' ὧν [ἂν] λάβοιεν τὸν μισθόν. [1.2.7] ἐθαύμαζε δ' εἴ τις ἀρετὴν ἐπαγγελλόμενος ἀργύριον πράττειτο καὶ μὴ νομίζοι τὸ μέγιστον κέρδος ἕξιν φίλον ἀγαθὸν κτησάμενος, ἀλλὰ φοβοῖτο μὴ ὁ γενόμενος καλὸς κἀγαθὸς τῷ τὰ μέγιστα εὐεργετήσαντι μὴ τὴν μεγίστην χάριν ἔξοι. [1.2.8] Σωκράτης δὲ ἐπηγγείλατο μὲν οὐδενὶ

πώποτε τοιοῦτον οὐδέν, ἐπίστευε δὲ τῶν συνόντων ἑαυτῷ τοὺς ἀποδεξαμένους ἅπερ αὐτὸς ἐδοκίμαζεν εἰς τὸν πάντα βίον ἑαυτῷ τε καὶ ἀλλήλοις φίλους ἀγαθοὺς ἔσσεσθαι. πῶς ἂν οὖν ὁ τοιοῦτος ἀνὴρ διαφθείροι τοὺς νέους; εἰ μὴ ἄρα ἡ τῆς ἀρετῆς ἐπιμέλεια διαφθορά ἐστιν.

[1.2.9] Ἀλλὰ νῆ Δία, ὁ κατήγορος ἔφη, ὑπερορᾶν ἐποίει τῶν καθεστώτων νόμων τοὺς συνόντας, λέγων ὡς μῶρον εἶη τοὺς μὲν τῆς πόλεως ἄρχοντας ἀπὸ κυάμου καθιστάναι, κυβερνήτῃ δὲ μηδένα θέλιν χρῆσθαι κυαμευτῷ μηδὲ τέκτονι μηδ' αὐλητῇ μηδ' ἐπ' ἄλλα τοιαῦτα, ἃ πολλῶι ἐλάττονας βλάβας ἀμαρτανόμενα ποιεῖ τῶν περὶ τὴν πόλιν ἀμαρτανομένων· τοὺς δὲ τοιούτους λόγους ἐπαίρειν ἔφη τοὺς νέους καταφρονεῖν τῆς καθεστώσης πολιτείας καὶ ποιεῖν βιαίους. [1.2.10] ἐγὼ δ' οἶμαι τοὺς φρόνησιν ἀσκοῦντας καὶ νομίζοντας ἱκανοὺς ἔσσεσθαι τὰ συμφέροντα διδάσκειν τοὺς πολίτας ἥκιστα γίνεσθαι βιαίους, εἰδότας ὅτι τῇ μὲν βίαι πρόσεισιν ἔχθραι καὶ κίνδυνοι, διὰ δὲ τοῦ πείθειν ἀκινδύνως τε καὶ μετὰ φιλίας ταῦτα γίγνεται. οἱ μὲν γὰρ βιασθέντες ὡς ἀφαιρεθέντες μισοῦσιν, οἱ δὲ πεισθέντες ὡς κεχαρισμένοι φιλοῦσιν. οὐκ οὖν τῶν φρόνησιν ἀσκοῦντων τὸ βιάζεσθαι, ἀλλὰ τῶν ἰσχὺν ἄνευ γνώμης ἐχόντων τὰ τοιαῦτα πράττειν ἐστιν. [1.2.11] ἀλλὰ μὴν καὶ συμμάχων ὁ μὲν βιάζεσθαι τολμῶν δέοιτ' ἂν οὐκ ὀλίγων, ὁ δὲ πείθειν δυνάμενος οὐδενός· καὶ γὰρ μόνος ἡγοῖτ' ἂν δύνασθαι πείθειν. καὶ φονεύειν δὲ τοῖς τοιούτοις ἥκιστα συμβαίνει· τίς γὰρ ἀποκτεῖναί τινα βούλοιτ' ἂν μᾶλλον ἢ ζῶντι πειθομένῳ χρῆσθαι;

[1.2.12] Ἀλλ' ἔφη γε ὁ κατήγορος, Σωκράτει ὁμιλητὰ γενομένῳ Κριτίας τε καὶ Ἀλκιβιάδης πλεῖστα κακὰ τὴν πόλιν ἐποίησάτην. Κριτίας μὲν γὰρ τῶν ἐν τῇ ὀλιγαρχίᾳ πάντων πλεονεκτίστατός τε καὶ βιαιότατος ἐγένετο, Ἀλκιβιάδης δὲ αὖ τῶν ἐν τῇ δημοκρατίᾳ πάντων ἀκρατέστατός τε καὶ ὑβριστότατος. [1.2.13] ἐγὼ δ', εἰ μὲν τι κακὸν ἐκείνῳ τὴν πόλιν ἐποίησάτην, οὐκ ἀπολογήσομαι· τὴν δὲ πρὸς Σωκράτην συνουσίαν αὐτοῖν ὡς ἐγένετο διηγῆσομαι. [1.2.14] ἐγενέσθην μὲν γὰρ δὴ τῷ ἄνδρῳ τούτῳ φύσει φιλοτιμοτάτῳ πάντων Ἀθηναίων, βουλομένῳ τε πάντα δι' ἑαυτῶν πράττεσθαι καὶ πάντων ὀνομαστοτάτῳ γενέσθαι. ἥιδεσαν δὲ Σωκράτην ἀπ' ἐλαχίστων μὲν χρημάτων αὐταρκέστατα ζῶντα, τῶν ἡδονῶν δὲ πασῶν ἐγκρατέστατον ὄντα, τοῖς δὲ διαλεγόμενοις αὐτῷ πᾶσι χρώμενον ἐν τοῖς λόγοις ὅπως βούλοιτο. [1.2.15] ταῦτα δὲ ὁρῶντε καὶ ὄντε οἷω

προείρησθον, πότερόν τις αὐτῷ φηι τοῦ βίου τοῦ Σωκράτους ἐπιθυμήσαντε καὶ τῆς σωφροσύνης, ἣν ἐκεῖνος εἶχεν, ὀρέξασθαι τῆς ὁμιλίας αὐτοῦ, ἢ νομίσαντε, εἰ ὁμιλησαίτην ἐκείνῳ, γενέσθαι ἂν ἱκανωτάτῳ λέγειν τε καὶ πράττειν; [1.2.16] ἐγὼ μὲν γὰρ ἡγοῦμαι, θεοῦ διδόντος αὐτοῖν ἢ ζῆν ὅλον τὸν βίον ὥσπερ ζῶντα Σωκράτην ἐώρων ἢ τεθνάναι, ἐλέσθαι ἂν μᾶλλον αὐτῷ τεθνάναι. δῆλῳ δ' ἐγενέσθην ἐξ ὧν ἐπραξάτην· ὥς γὰρ τάχιστα κρείττονε τῶν συγγιγνομένων ἡγησάσθην εἶναι, εὐθὺς ἀποπηδήσαντε Σωκράτους ἐπραττέτην τὰ πολιτικά, ὥνπερ ἔνεκα Σωκράτους ὠρεχθήτην.

[1.2.17] Ἰσως οὖν εἴποι τις ἂν πρὸς ταῦτα ὅτι ἐχρῆν τὸν Σωκράτην μὴ πρότερον τὰ πολιτικά διδάσκειν τοὺς συνόντας ἢ σωφρονεῖν. ἐγὼ δὲ πρὸς τοῦτο μὲν οὐκ ἀντιλέγω· πάντας δὲ τοὺς διδάσκοντας ὁρῶ αὐτοὺς δεικνύντας τε τοῖς μανθάνουσιν ἥπερ αὐτοὶ ποιοῦσιν ἃ διδάσκουσι καὶ τῷ λόγῳ προσβιβάζοντας. οἶδα δὲ καὶ Σωκράτην δεικνύντα τοῖς συνοῦσιν ἑαυτὸν καλὸν κάγαθόν ὄντα καὶ διαλεγόμενον κάλλιστα περὶ ἀρετῆς καὶ τῶν ἄλλων ἀνθρωπίνων. [1.2.18] οἶδα δὲ καὶ ἐκεῖνον σωφρονοῦντε, ἔστε Σωκράτει συνήστην, οὐ φοβούμενον μὴ ζημιοῖντο ἢ παίοιντο ὑπὸ Σωκράτους, ἀλλ' οἰομένῳ τότε κράτιστον εἶναι τοῦτο πράττειν.

[1.2.19] Ἰσως οὖν εἴποιεν ἂν πολλοὶ τῶν φασκόντων φιλοσοφεῖν ὅτι οὐκ ἂν ποτε ὁ δίκαιος ἄδικος γένοιτο, οὐδὲ ὁ σώφρων ὑβριστής, οὐδὲ ἄλλο οὐδὲν ὧν μάθησίς ἐστιν ὁ μαθὼν ἀνεπιστήμων ἂν ποτε γένοιτο. ἐγὼ δὲ περὶ τούτων οὐχ οὕτω γινώσκω· ὁρῶ γὰρ ὥσπερ τὰ τοῦ σώματος ἔργα τοὺς μὴ τὰ σώματα ἀσκοῦντας οὐ δυναμένους ποιεῖν, οὕτω καὶ τὰ τῆς ψυχῆς ἔργα τοὺς μὴ τὴν ψυχὴν ἀσκοῦντας οὐ δυναμένους· οὔτε γὰρ ἃ δεῖ πράττειν οὔτε ὧν δεῖ ἀπέχεσθαι δύνανται. [1.2.20] δι' ὃ καὶ τοὺς υἱεῖς οἱ πατέρες, κἂν ᾧσι σώφρονες, ὅμως ἀπὸ τῶν πονηρῶν ἀνθρώπων εἴργουσιν, ὥς τὴν μὲν τῶν χρηστῶν ὁμιλίαν ἄσκησιν οὔσαν τῆς ἀρετῆς, τὴν δὲ τῶν πονηρῶν κατάλυσιν. μαρτυρεῖ δὲ καὶ τῶν ποιητῶν ὅ τε λέγων·

Ἑσθλῶν μὲν γὰρ ἅπ' ἐσθλὰ διδάξαι· ἦν δὲ κακοῖσι
συμμίσηγίς, ἀπολεῖς καὶ τὸν ἐόντα νόον,
καὶ ὁ λέγων·

Αὐτὰρ ἀνὴρ ἀγαθὸς τοτὲ μὲν κακός, ἄλλοτε δ' ἐσθλός.

[1.2.21] καὶ γὰρ μαρτυρῶ τούτοις· ὁρῶ γὰρ ὥσπερ τῶν ἐν μέτρῳ πεποιημένων ἐπὶ τοὺς μὴ μελετῶντας ἐπιλανθανομένους, οὕτω καὶ τῶν διδασκαλικῶν λόγων τοῖς ἀμελοῦσι λήθην ἐγγιγνομένην. ὅταν

δὲ τῶν νουθετικῶν λόγων ἐπιλάθηται τις, ἐπιλέλῃσται καὶ ὧν ἡ ψυχὴ
πάσχουσα τῆς σωφροσύνης ἐπεθύμει· τούτων δ' ἐπιλαθόμενον οὐδὲν
θαυμαστὸν καὶ τῆς σωφροσύνης ἐπιλαθέσθαι. [1.2.22] ὁρῶ δὲ καὶ τοὺς
εἰς φιλοποσίαν προαχθέντας καὶ τοὺς εἰς ἔρωτας ἐγκυλισθέντας
ἦττον δυναμένους τῶν τε δεόντων ἐπιμελεῖσθαι καὶ τῶν μὴ δεόντων
ἀπέχεσθαι. πολλοὶ γὰρ καὶ χρημάτων δυνάμενοι φεῖδεσθαι, πρὶν
ἐρᾶν, ἐρασθέντες οὐκέτι δύνανται· καὶ τὰ χρήματα καταναλώσαντες,
ὧν πρόσθεν ἀπείχοντο κερδῶν, αἰσχροὶ νομίζοντες εἶναι, τούτων οὐκ
ἀπέχονται. [1.2.23] πῶς οὖν οὐκ ἐνδέχεται σωφρονήσαντα πρόσθεν
αὐθις μὴ σωφρονεῖν καὶ δίκαια δυνηθέντα πράττειν αὐθις ἀδυνατεῖν;
πάντα μὲν οὖν ἔμοιγε δοκεῖ τὰ καλὰ καὶ τὰγαθὰ ἀσκητὰ εἶναι, οὐχ
ἥκιστα δὲ σωφροσύνη. ἐν γὰρ τῷ αὐτῷ σώματι συμπεφυτευμένοι
τῇ ψυχῇ αἱ ἡδοναὶ πείθουσιν αὐτὴν μὴ σωφρονεῖν, ἀλλὰ τὴν
ταχίστην ἑαυταῖς τε καὶ τῷ σώματι χαρίζεσθαι.

[1.2.24] Καὶ Κριτίας δὴ καὶ Ἀλκιβιάδης, ἕως μὲν Σωκράτει
συνήστην, ἐδυνάσθην ἐκείνῳ χρωμένῳ συμμάχῳ τῶν μὴ καλῶν
ἐπιθυμιῶν κρατεῖν· ἐκείνου δ' ἀπαλλαγέντε, Κριτίας μὲν φυγὼν εἰς
Θετταλίαν ἐκεῖ συνῆν ἀνθρώποις ἀνομίαι μᾶλλον ἢ δικαιοσύνη
χρωμένοις, Ἀλκιβιάδης δ' αὖ διὰ μὲν κάλλος ὑπὸ πολλῶν καὶ
σεμνῶν γυναικῶν θηρώμενος, διὰ δύναμιν δὲ τὴν ἐν τῇ πόλει καὶ
τοῖς συμμάχοις ὑπὸ πολλῶν καὶ δυνατῶν [κολακεύειν] ἀνθρώπων
διαθρυπτόμενος, ὑπὸ δὲ τοῦ δήμου τιμώμενος καὶ ραιδίως
πρωτεύων, ὥσπερ οἱ τῶν γυμνικῶν ἀγώνων ἀθληταὶ ραιδίως
πρωτεύοντες ἀμελοῦσι τῆς ἀσκήσεως, οὕτω καὶ ἐκεῖνος ἡμέλησεν
αὐτοῦ. [1.2.25] τοιούτων δὲ συμβάντων αὐτοῖν, καὶ ὠγκωμένῳ μὲν ἐπὶ
γένει, ἐπηρμένῳ δ' ἐπὶ πλούτῳ, πεφυσημένῳ δ' ἐπὶ δυνάμει,
διατεθρυμμένῳ δὲ ὑπὸ πολλῶν ἀνθρώπων, ἐπὶ δὲ πᾶσι τούτοις
διεφθαρμένῳ καὶ πολλὸν χρόνον ἀπὸ Σωκράτους γεγονότε, τί
θαυμαστὸν εἰ ὑπερηφάνῳ ἐγενέσθην; [1.2.26] εἴτα, εἰ μὲν τι
ἐπλημμελησάτην, τούτου Σωκράτην ὁ κατήγορος αἰτιᾶται; ὅτι δὲ
νέω ὄντε αὐτῷ, ἥνικα καὶ ἀγνωμονεστάτω καὶ ἀκρατεστάτῳ εἰκὸς
εἶναι, Σωκράτης παρέσχε σώφρονε, οὐδενὸς ἐπαίνου δοκεῖ τῷ
κατηγόρῳ ἄξιος εἶναι; [1.2.27] οὐ μὴν τά γε ἄλλα οὕτω κρίνεται. τίς
μὲν γὰρ αὐλητῆς, τίς δὲ κιθαριστής, τίς δὲ ἄλλο ἄλλος διδάσκαλος
ικανοὺς ποιήσας τοὺς μαθητάς, ἐὰν πρὸς ἄλλους ἐλθόντες χεῖρους
φανῶσιν, αἰτίαν ἔχει τούτου; τίς δὲ πατήρ, ἐὰν ὁ παῖς αὐτοῦ
συνδιατρίβων τῷ σωφρονῇ, ὕστερον δὲ ἄλλῳ τῷ συγγενόμενος

πονηρὸς γένηται, τὸν πρόσθεν αἰτιᾶται, ἀλλ' οὐχ ὅσῳ ἂν παρὰ τῷ ὑστέρῳ χείρων φαίνεται, τοσούτῳ μᾶλλον ἐπαινεῖ τὸν πρότερον; ἀλλ' οἱ γε πατέρες αὐτοὶ συνόντες τοῖς υἱέσι, τῶν παίδων πλημμελοῦντων, οὐκ αἰτίαν ἔχουσιν, ἐὰν αὐτοὶ σωφρονῶσιν. [1.2.28] οὕτω δὲ καὶ Σωκράτην δίκαιον ἦν κρίνειν· εἰ μὲν αὐτὸς ἐποίει τι φαῦλον, εἰκότως ἂν ἐδόκει πονηρὸς εἶναι· εἰ δ' αὐτὸς σωφρονῶν διετέλει, πῶς ἂν δικαίως τῆς οὐκ ἐνούσης αὐτῷ κακίας αἰτίαν ἔχοι;

[1.2.29] Ἀλλ' εἰ καὶ μηδὲν αὐτὸς πονηρὸν ποιῶν ἐκείνους φαῦλα πράττοντας ὁρῶν ἐπίνει, δικαίως ἂν ἐπιτιμῶιτο. Κριτίαν μὲν τοίνυν αἰσθανόμενος ἐρῶντα Εὐθυδήμου καὶ πειρῶντα χρῆσθαι, καθάπερ οἱ πρὸς τὰ φροδίσια τῶν σωμάτων ἀπολαύοντες, ἀπέτρεπε φάσκων ἀνελεύθερόν τε εἶναι καὶ οὐ πρόπον ἀνδρὶ καλῷ κάγαθῷ τὸν ἐρώμενον, ὅι βούλεται πολλοῦ ἄξιος φαίνεσθαι, προσαιτεῖν ὥσπερ τοὺς πτωχοὺς ἰκετεύοντα καὶ δεόμενον προσδοῦναι, καὶ ταῦτα μηδενὸς ἀγαθοῦ. [1.2.30] τοῦ δὲ Κριτίου τοῖς τοιούτοις οὐχ ὑπακούοντος οὐδὲ ἀποτρεπομένου, λέγεται τὸν Σωκράτην ἄλλων τε πολλῶν παρόντων καὶ τοῦ Εὐθυδήμου εἰπεῖν ὅτι ὑκὸν αὐτῷ δοκοίη πᾶσχειν ὁ Κριτίας, ἐπιθυμῶν Εὐθυδήμῳ προσκνῆσθαι ὥσπερ τὰ ὕδια τοῖς λίθοις. [1.2.31] ἐξ ὧν δὴ καὶ ἐμίσει τὸν Σωκράτην ὁ Κριτίας, ὥστε καὶ ὅτε τῶν τριάκοντα ὧν νομοθέτης μετὰ Χαρικλέους ἐγένετο, ἀπεμνημόνευσεν αὐτῷ καὶ ἐν τοῖς νόμοις ἔγραψε λόγων τέχνην μὴ διδάσκειν, ἐπηρεάζων ἐκείνῳ καὶ οὐκ ἔχων ὅπῃ ἐπιλάβοιτο, ἀλλὰ τὸ κοινῇ τοῖς φιλοσόφοις ὑπὸ τῶν πολλῶν ἐπιτιμώμενον ἐπιφέρων αὐτῷ καὶ διαβάλλων πρὸς τοὺς πολλοὺς· οὐδὲ γὰρ ἐγῶγε οὐτ' αὐτὸς τοῦτο πῶποτε Σωκράτους ἤκουσα οὐτ' ἄλλου του φάσκοντος ἀκηκοέναι ἡσιθόμην. [1.2.32] ἐδήλωσε δέ· ἐπεὶ γὰρ οἱ τριάκοντα πολλοὺς μὲν τῶν πολιτῶν καὶ οὐ τοὺς χειρίστους ἀπέκτεινον, πολλοὺς δὲ προετρέποντο ἀδικεῖν, εἶπέ που ὁ Σωκράτης ὅτι θαυμαστόν οἱ δοκοίη εἶναι, εἴ τις γενόμενος βοῶν ἀγέλης νομεὺς καὶ τὰς βοῦς ἐλάττους τε καὶ χείρους ποιῶν μὴ ὁμολογοίη κακὸς βουκόλος εἶναι, ἔτι δὲ θαυμαστότερον, εἴ τις προστάτης γενόμενος πόλεως καὶ ποιῶν τοὺς πολίτας ἐλάττους τε καὶ χείρους μὴ αἰσχύνεται μηδ' οἶεται κακὸς εἶναι προστάτης τῆς πόλεως. [1.2.33] ἀπαγγελθέντος δὲ αὐτοῖς τούτου, καλέσαντες ὁ τε Κριτίας καὶ ὁ Χαρικλῆς τὸν Σωκράτην τὸν τε νόμον ἐδεικνύτην αὐτῷ καὶ τοῖς νέοις ἀπειπέτην μὴ διαλέγεσθαι. ὁ δὲ Σωκράτης ἐπήρετο αὐτῷ εἰ ἐξεῖη πυνθάνεσθαι, εἴ τι ἀγνοοῖτο τῶν προαγορευομένων. τῷ δ'

ἐφάτην. [1.2.34] Ἐγὼ τοίνυν, ἔφη, παρεσκεύασμαι μὲν πείθεσθαι τοῖς νόμοις· ὅπως δὲ μὴ δι' ἄγνοιαν λάθω τι παρανομήσας, τοῦτο βούλομαι σαφῶς μαθεῖν παρ' ὑμῶν, πότερον τὴν τῶν λόγων τέχνην σὺν τοῖς ὀρθῶς λεγομένοις εἶναι νομίζοντες ἢ σὺν τοῖς μὴ ὀρθῶς ἀπέχεσθαι κελεύετε αὐτῆς. εἰ μὲν γὰρ σὺν τοῖς ὀρθῶς, δηλονότι ἀφεκτέον <ἂν> εἶη τοῦ ὀρθῶς λέγειν· εἰ δὲ σὺν τοῖς μὴ ὀρθῶς, δηλονότι πειρατέον ὀρθῶς λέγειν. [1.2.35] καὶ ὁ Χαρικλῆς ὀργισθεὶς αὐτῷ, Ἐπειδὴ, ἔφη, ὦ Σώκρατες, ἀγνοεῖς, τάδε σοι εὐμαθέστερα ὄντα προαγορεύομεν, τοῖς νέοις ὅλως μὴ διαλέγεσθαι. καὶ ὁ Σωκράτης, Ἵνα τοίνυν, ἔφη, μὴ ἀμφίβολον ᾗ [ὥς ἄλλο τι ποιῶ ἢ τὰ προηγορευμένα], ὀρίσατέ μοι μέχρι πόσων ἐτῶν δεῖ νομίζειν νέους εἶναι τοὺς ἀνθρώπους. καὶ ὁ Χαρικλῆς, Ὅσουπερ, εἶπε, χρόνου βουλευεῖν οὐκ ἔξεστιν, ὥς οὐπω φρονίμοις οὔσι· μηδὲ σὺ διαλέγου νεωτέροις τριάκοντα ἐτῶν. [1.2.36] Μηδ' ἐάν τι ὦνῶμαι, ἔφη, ἢν πωλῇ νεώτερος τριάκοντα ἐτῶν, ἔρωμαι ὀπόσου πωλεῖ; Ναὶ τά γε τοιαῦτα, ἔφη ὁ Χαρικλῆς· ἀλλὰ τοι σύγε, ὦ Σώκρατες, εἴωθας εἰδὼς πῶς ἔχει τὰ πλεῖστα ἐρωτᾶν· ταῦτα οὖν μὴ ἐρώτα. Μηδ' ἀποκρίνωμαι οὖν, ἔφη, ἂν τίς με ἐρωτᾷ νέος, ἐὰν εἰδῶ, οἷον ποῦ οἰκεῖ Χαρικλῆς ἢ ποῦ ἐστὶ Κριτίας; Ναὶ τά γε τοιαῦτα, ἔφη ὁ Χαρικλῆς. [1.2.37] ὁ δὲ Κριτίας, Ἀλλὰ τῶνδ' ἐγὼ σε ἀπέχεσθαι, ἔφη, δεήσει, ὦ Σώκρατες, τῶν σκυτέων καὶ τῶν τεκτόνων καὶ τῶν χαλκέων· καὶ γὰρ οἶμαι αὐτοὺς ἤδη κατατετριφθαι διαθρυλουμένους ὑπὸ σοῦ. Οὐκοῦν, ἔφη ὁ Σωκράτης, καὶ τῶν ἐπομένων τούτοις, τοῦ τε δικαίου καὶ τοῦ ὀσίου καὶ τῶν ἄλλων τῶν τοιούτων; Ναὶ μὰ Δί', ἔφη ὁ Χαρικλῆς· καὶ τῶν βουκόλων γε· εἰ δὲ μή, φυλάττου ὅπως μὴ καὶ σὺ ἐλάττους τὰς βοῦς ποιήσης. [1.2.38] ἔνθα καὶ δηλονότι ἐγένετο ὅτι ἀπαγγεληθέντος αὐτοῖς τοῦ περὶ τῶν βοῶν λόγου ὠργίζοντο τῷ Σωκράτει.

Οἷα μὲν οὖν ἡ συνουσία ἐγεγόνει Κριτίαί πρὸς Σωκράτην καὶ ὥς εἶχον πρὸς ἀλλήλους, εἴρηται. [1.2.39] φαίην δ' ἂν ἔγωγε μηδενὶ μηδεμίαν εἶναι παιδευσιν παρὰ τοῦ μὴ ἀπέσκοντος. Κριτίας δὲ καὶ Ἀλκιβιάδης οὐκ ἀρέσκοντος αὐτοῖς Σωκράτους ὠμίλησάντην ὃν χρόνον ὠμιλείτην αὐτῷ, ἀλλ' εὐθὺς ἐξ ἀρχῆς ὠρμηκότε προεστάναι τῆς πόλεως. ἔτι γὰρ Σωκράτει συνόντες οὐκ ἄλλοις τισὶ μᾶλλον ἐπεχείρουν διαλέγεσθαι ἢ τοῖς μάλιστα πράττουσι τὰ πολιτικά. [1.2.40] λέγεται γὰρ Ἀλκιβιάδην, πρὶν εἴκοσιν ἐτῶν εἶναι, Περικλεῖ ἐπιτρόπῳ μὲν ὄντι αὐτοῦ, προστάτῃ δὲ τῆς πόλεως, τοιάδε διαλεχθῆναι περὶ νόμων· [1.2.41] Εἰπέ μοι, φάναι, ὦ Περικλείς, ἔχοις ἂν με διδάξαι τί

ἐστι νόμος; Πάντως δήπου, φάναι τὸν Περικλέα. Δίδαξον δὴ πρὸς τῶν θεῶν, φάναι τὸν Ἀλκιβιάδην· ὥς ἐγὼ ἀκούων τινῶν ἐπαινουμένων, ὅτι νόμιμοι ἄνδρες εἰσίν, οἷμαι μὴ ἂν δικαίως τούτου τυχεῖν τοῦ ἐπαίνου τὸν μὴ εἰδότα τί ἐστι νόμος. [1.2.42] Ἄλλ' οὐδέν τι χαλεποῦ πράγματος ἐπιθυμεῖς, ὦ Ἀλκιβιάδη, φάναι τὸν Περικλέα, βουλόμενος γινῶναι τί ἐστι νόμος· πάντες γὰρ οὗτοι νόμοι εἰσίν, οὓς τὸ πλῆθος συνελθὼν καὶ δοκιμάσαν ἔγραψε, φράζον ἅ τε δεῖ ποιεῖν καὶ ἅ μὴ. Πότερον δὲ τὰγαθὰ νομίσαν δεῖν ποιεῖν ἢ τὰ κακά; Τὰγαθὰ νῆ Δία, φάναι, ὦ μεράκιον, τὰ δὲ κακὰ οὐ. [1.2.43] Ἐὰν δὲ μὴ τὸ πλῆθος, ἀλλ', ὥσπερ ὅπου ὀλιγαρχία ἐστίν, ὀλίγοι συνελθόντες γράψωσιν ὅ τι χρὴ ποιεῖν, ταῦτα τί ἐστι; Πάντα, φάναι, ὅσα ἂν τὸ κρατοῦν τῆς πόλεως βουλευσάμενον, ἃ χρὴ ποιεῖν, γράψῃ, νόμος καλεῖται. Κἂν τύραννος οὖν κρατῶν τῆς πόλεως γράψῃ τοῖς πολίταις ἃ χρὴ ποιεῖν, καὶ ταῦτα νόμος ἐστί; Καὶ ὅσα τύραννος ἄρχων, φάναι, γράφει, καὶ ταῦτα νόμος καλεῖται. [1.2.44] Βία δέ, φάναι, καὶ ἀνομία τί ἐστίν, ὦ Περικλείς; ἄρ' οὐχ ὅταν ὁ κρείττων τὸν ἥττω μὴ πείσας, ἀλλὰ βιασάμενος, ἀναγκάσῃ ποιεῖν ὅ τι ἂν αὐτῷ δοκῇ; Ἔμοιγε δοκεῖ, φάναι τὸν Περικλέα. Καὶ ὅσα ἄρα τύραννος μὴ πείσας τοὺς πολίτας ἀναγκάζει ποιεῖν γράφων, ἀνομία ἐστί; Δοκεῖ μοι, φάναι τὸν Περικλέα· ἀνατίθεμαι γὰρ τὸ ὅσα τύραννος μὴ πείσας γράφει νόμον εἶναι. [1.2.45] Ὅσα δὲ οἱ ὀλίγοι τοὺς πολλοὺς μὴ πείσαντες, ἀλλὰ κρατοῦντες γράφουσι, πότερον βίαν φῶμεν ἢ μὴ φῶμεν εἶναι; Πάντα μοι δοκεῖ, φάναι τὸν Περικλέα, ὅσα τις μὴ πείσας ἀναγκάζει τινὰ ποιεῖν, εἴτε γράφων εἴτε μὴ, βία μᾶλλον ἢ νόμος εἶναι. Καὶ ὅσα ἄρα τὸ πᾶν πλῆθος κρατοῦν τῶν τὰ χρήματα ἐχόντων γράφει μὴ πείσαν, βία μᾶλλον ἢ νόμος ἂν εἴη; [1.2.46] Μάλα τοι, φάναι τὸν Περικλέα, ὦ Ἀλκιβιάδη, καὶ ἡμεῖς τηλικούτοι ὄντες δεινοὶ τὰ τοιαῦτα ἤμεν· τοιαῦτα γὰρ καὶ ἐμελετῶμεν καὶ ἐσοφίζόμεθα οἷάπερ καὶ σὺ νῦν ἐμοὶ δοκεῖς μελετᾶν. τὸν δὲ Ἀλκιβιάδην φάναι· Εἴθε σοι, ὦ Περικλείς, τότε συνεγενόμην ὅτε δεινότατος ἑαυτοῦ ᾔσθη.

[1.2.47] Ἐπεὶ τοίνυν τάχιστα τῶν πολιτευομένων ὑπέλαβον κρείττονες εἶναι, Σωκράτει μὲν οὐκέτι προσῆισαν· οὔτε γὰρ αὐτοῖς ἄλλως ἤρσκεν, εἴ τε προσέλθοιεν, ὑπὲρ ὧν ἡμάρτανον ἐλεγχόμενοι ἤχθοντο· τὰ δὲ τῆς πόλεως ἐπραττον, ὧν περ ἕνεκαν καὶ Σωκράτει προσῆλθον. [1.2.48] ἀλλὰ Κρίτων τε Σωκράτους ἦν ὁμιλητῆς καὶ Χαιρεφῶν καὶ Χαιρεκράτης καὶ Ἑρμογένης καὶ Σιμίας καὶ Κέβης καὶ

Φαιδώνδας καὶ ἄλλοι, οἱ ἐκείνῳ συνῆσαν, οὐχ ἵνα δημηγορικοὶ ἢ δικανικοὶ γένοιτο, ἀλλ' ἵνα καλοὶ τε καὶ ἀγαθοὶ γενόμενοι καὶ οἴκῳ καὶ οἰκέταις καὶ οἰκείοις καὶ φίλοις καὶ πόλει καὶ πολίταις δύναιτο καλῶς χρῆσθαι. καὶ τούτων οὐδεὶς οὔτε νεώτερος οὔτε πρεσβύτερος ὢν οὐτ' ἐποίησε κακὸν οὐδὲν οὐτ' αἰτίαν ἔσχευεν.

[1.2.49] Ἀλλὰ Σωκράτης γ', ἔφη ὁ κατήγορος, τοὺς πατέρας προπηλακίζειν ἐδίδασκε, πείθων μὲν τοὺς συνόντας αὐτῷ σοφωτέρους ποιεῖν τῶν πατέρων, φάσκων δὲ κατὰ νόμον ἐξεῖναι παρανοίας ἐλόντι καὶ τὸν πατέρα δῆσαι, τεκμηρίῳ τούτῳ χρώμενος, ὥς τὸν ἀμαθέστερον ὑπὸ τοῦ σοφωτέρου νόμιμον εἶη δεδέσθαι. [1.2.50] Σωκράτης δὲ τὸν μὲν ἀμαθίας ἔνεκα δεσμεύοντα δικαίως ἂν καὶ αὐτὸν ὤιετο δεδέσθαι ὑπὸ τῶν ἐπισταμένων ἃ μὴ αὐτὸς ἐπίσταται· καὶ τῶν τοιούτων ἔνεκα πολλάκις ἐσκόπει, τί διαφέρει μανίας ἀμαθίας· καὶ τοὺς μὲν μαινομένους ὤιετο συμφερόντως ἂν δεδέσθαι καὶ ἑαυτοῖς καὶ τοῖς φίλοις, τοὺς δὲ μὴ ἐπισταμένους τὰ δέοντα δικαίως ἂν μανθάνειν παρὰ τῶν ἐπισταμένων. [1.2.51] ἀλλὰ Σωκράτης γε, ἔφη ὁ κατήγορος, οὐ μόνον τοὺς πατέρας ἀλλὰ καὶ τοὺς ἄλλους συγγενεῖς ἐποίει ἐν ἀτιμίᾳ εἶναι παρὰ τοῖς ἑαυτῷ συνοῦσι, λέγων ὡς οὔτε τοὺς κάμνοντας οὔτε τοὺς δικαζομένους οἱ συγγενεῖς ὠφελοῦσιν, ἀλλὰ τοὺς μὲν οἱ ἰατροί, τοὺς δὲ οἱ συνδικεῖν ἐπιστάμενοι. [1.2.52] ἔφη δὲ καὶ περὶ τῶν φίλων αὐτὸν λέγειν ὡς οὐδὲν ὄφελος εὖνους εἶναι, εἰ μὴ καὶ ὠφελεῖν δυνησονται· μόνους δὲ φάσκειν αὐτὸν ἀξίους εἶναι τιμῆς τοὺς εἰδότας τὰ δέοντα καὶ ἐρμηνεύσαι δυναμένους· ἀναπεῖθοντα οὖν τοὺς νέους αὐτόν, ὡς αὐτὸς εἶη σοφώτατός τε καὶ ἄλλους ἱκανώτατος ποιῆσαι σοφοὺς, οὕτω διατιθέναι τοὺς ἑαυτῷ συνόντας, ὥστε μηδαμοῦ παρ' αὐτοῖς τοὺς ἄλλους εἶναι πρὸς ἑαυτόν. [1.2.53] ἐγὼ δ' αὐτὸν οἶδα μὲν καὶ περὶ πατέρων τε καὶ τῶν ἄλλων συγγενῶν [τε] καὶ περὶ φίλων ταῦτα λέγοντα· καὶ πρὸς τούτοις γε δῆ, ὅτι τῆς ψυχῆς ἐξεληθούσης, ἐν ἣι μόνῃ γίγνεται φρόνησις, τὸ σῶμα τοῦ οἰκειοτάτου ἀνθρώπου τὴν ταχίστην ἐξενέγκαντες ἀφανίζουσιν. [1.2.54] ἔλεγε δ' ὅτι καὶ ζῶν ἕκαστος ἑαυτοῦ, ὃ πάντων μάλιστα φιλεῖ, τοῦ σώματος ὃ τι ἂν ἀχρεῖον ἦ καὶ ἀνωφελές, αὐτός τε ἀφαιρεῖ καὶ ἄλλῳ παρέχει. αὐτοὶ τέ γε αὐτῶν ὄνυχάς τε καὶ τρίχας καὶ τύλους ἀφαιροῦσι καὶ τοῖς ἰατροῖς παρέχουσι μετὰ πόνων τε καὶ ἀλγηδόνων καὶ ἀποτέμνειν καὶ ἀποκάειν, καὶ τούτων χάριν οἶοντα δεῖν αὐτοῖς καὶ μισθὸν τίνειν· καὶ τὸ σίαλον ἐκ τοῦ στόματος ἀποπτύουσιν ὡς δύνανται πορρωτάτῳ,

διότι ὠφελεῖ μὲν οὐδὲν αὐτοὺς ἐνόν, βλάπτει δὲ πολὺ μᾶλλον. [1.2.55] ταῦτ' οὖν ἔλεγεν οὐ τὸν μὲν πατέρα ζῶντα κατορύττειν διδάσκων, ἑαυτὸν δὲ κατατέμνειν, ἀλλ' ἐπιδεικνύων ὅτι τὸ ἄφρον ἄτιμόν ἐστι παρεκάλει ἐπιμελεῖσθαι τοῦ ὡς φρονιμώτατον εἶναι καὶ ὠφελιμώτατον, ὅπως, ἐάν τε ὑπὸ πατρὸς ἐάν τε ὑπὸ ἀδελφοῦ ἐάν τε ὑπ' ἄλλου τινὸς βούληται τιμᾶσθαι, μὴ τῷ οἰκεῖος εἶναι πιστεύων ἀμελῇ, ἀλλὰ πειρᾶται, ὅφ' ὧν ἂν βούληται τιμᾶσθαι, τούτοις ὠφέλιμος εἶναι.

[1.2.56] Ἔφη δ' αὐτὸν ὁ κατήγορος καὶ τῶν ἐνδοξοτάτων ποιητῶν ἐκλεγόμενον τὰ πονηρότατα καὶ τούτοις μαρτυρίοις χρώμενον διαάσκειν τοὺς συνόντας κακούργους τε εἶναι καὶ τυραννικούς, Ἡσιόδου μὲν τὸ

Ἔργον δ' οὐδὲν ὄνειδος, ἀεργίη δέ τ' ὄνειδος·

τοῦτο δὴ λέγειν αὐτόν, ὡς ὁ ποιητὴς κελεύει μηδενὸς ἔργου μήτ' ἀδίκου μήτ' αἰσχροῦ ἀπέχεσθαι, ἀλλὰ καὶ ταῦτα ποιεῖν ἐπὶ τῷ κέρδει. [1.2.57] Σωκράτης δ' ἐπεὶ διομολογήσαιτο τὸ μὲν ἐργάτην εἶναι ὠφέλιμόν τε ἀνθρώπῳ καὶ ἀγαθὸν εἶναι, τὸ δὲ ἀργὸν βλαβερόν τε καὶ κακόν, καὶ τὸ μὲν ἐργάζεσθαι ἀγαθόν, τὸ δ' ἀργεῖν κακόν, τοὺς μὲν ἀγαθόν τι ποιοῦντας ἐργάζεσθαι τε ἔφη καὶ ἐργάτας ἀγαθοὺς εἶναι, τοὺς δὲ κυβεύοντας ἢ τι ἄλλο πονηρὸν καὶ ἐπιζήμιον ποιοῦντας ἀργοὺς ἀπεκάλει. ἐκ δὲ τούτων ὀρθῶς ἂν ἔχοι τὸ

Ἔργον δ' οὐδὲν ὄνειδος, ἀεργίη δέ τ' ὄνειδος.

[1.2.58] τὸ δὲ Ὀμήρου ἔφη ὁ κατήγορος πολλάκις αὐτὸν λέγειν, ὅτι Ὀδυσσεὺς

Ὅντινα μὲν βασιλῆα καὶ ἔξοχον ἄνδρα κιχεῖν,
τὸν δ' ἀγανοῖς ἐπέεσσιν ἐρητύσασκε παραστά·
Δαιμόνι', οὗ σε ἔοικε κακὸν ὧς δειδίσσεσθαι,
ἀλλ' αὐτός τε κάθησο καὶ ἄλλους ἴδρυνε λαούς.
ὄν δ' αὖ δήμου τ' ἄνδρα ἴδοι βοόωντά τ' ἐφεύροι,
τὸν σκήπτρῳ ἐλάσασκεν ὁμοκλήσασκέ τε μύθῳ·
Δαιμόνι', ἀτρέμας ἦσο, καὶ ἄλλων μῦθον ἄκουε,
οἳ σέο φέρτεροί εἰσι· σὺ δ' ἀπτόλεμος καὶ ἄναλκις,
οὔτε ποτ' ἐν πολέμῳ ἐναρίθμιος οὔτ' ἐνὶ βουλῇ.

ταῦτα δὴ αὐτὸν ἐξηγεῖσθαι, ὡς ὁ ποιητὴς ἐπαινοίη παῖεσθαι τοὺς δημότας καὶ πένητας. [1.2.59] Σωκράτης δ' οὐ ταῦτ' ἔλεγε· καὶ γὰρ ἑαυτὸν οὕτω γ' ἂν ὦιετο δεῖν παῖεσθαι· ἀλλ' ἔφη δεῖν τοὺς μήτε λόγῳ μήτ' ἔργῳ ὠφελίμους ὄντας μήτε στρατεύματι μήτε πόλει

μήτε αὐτῷ τῷ δήμῳ, εἴ τι δέοι, βοηθεῖν ἱκανούς, ἄλλως τ' ἐὰν πρὸς τούτῳ καὶ θρασεῖς ὧσι, πάντα τρόπον κωλύεσθαι, κἂν πάνυ πλούσιοι τυγχάνωσιν ὄντες. [1.2.60] ἀλλὰ Σωκράτης γε τὰναντία τούτων φανερός ἦν καὶ δημοτικός καὶ φιλόανθρωπος ὢν. ἐκεῖνος γὰρ πολλοὺς ἐπιθυμητὰς καὶ ἀστοὺς καὶ ξένους λαβὼν οὐδένα πώποτε μισθὸν τῆς συνουσίας ἐπράξατο, ἀλλὰ πᾶσιν ἀφθόνως ἐπῆρκει τῶν ἑαυτοῦ· ὧν τινες μικρὰ μέρη παρ' ἐκείνου προῖκα λαβόντες πολλοῦ τοῖς ἄλλοις ἐπώλουν, καὶ οὐκ ἦσαν ὥσπερ ἐκεῖνος δημοτικοί· τοῖς γὰρ μὴ ἔχουσι χρήματα διδόναι οὐκ ἤθελον διαλέγεσθαι. [1.2.61] ἀλλὰ Σωκράτης γε καὶ πρὸς τοὺς ἄλλους ἀνθρώπους κόσμον τῇ πόλει παρεῖχε πολλῷ μᾶλλον ἢ Λίχας τῇ Λακεδαιμονίῳ, ὃς ὀνομαστός ἐπὶ τούτῳ γέγονε. Λίχας μὲν γὰρ ταῖς γυμνοπαιδίαις τοὺς ἐπιδημοῦντας ἐν Λακεδαίμονι ξένους ἐδείπνιζε, Σωκράτης δὲ διὰ παντὸς τοῦ βίου τὰ ἑαυτοῦ δαπανῶν τὰ μέγιστα πάντας τοὺς βουλομένους ὠφέλει· βελτίους γὰρ ποιῶν τοὺς συγγιγνομένους ἀπέπεμπεν.

[1.2.62] Ἐμοὶ μὲν δὴ Σωκράτης τοιοῦτος ὢν ἐδόκει τιμῆς ἄξιος εἶναι τῇ πόλει μᾶλλον ἢ θανάτου. καὶ κατὰ τοὺς νόμους, δὲ σκοπῶν ἂν τις τοῦθ' εὖροι. κατὰ γὰρ τοὺς νόμους, ἐὰν τις φανερὸς γένηται κλέπτων ἢ λωποδυτῶν ἢ βαλλαντιοτομῶν ἢ τοιχωρυχῶν ἢ ἀνδραποδιζόμενος ἢ ἱεροσυλῶν, τούτοις θάνατός ἐστιν ἡ ζημία· ὧν ἐκεῖνος πάντων ἀνθρώπων πλεῖστον ἀπεῖχεν. [1.2.63] ἀλλὰ μὴν τῇ πόλει γε οὔτε πολέμου κακῶς συμβάντος οὔτε στάσεως οὔτε προδοσίας οὔτε ἄλλου κακοῦ οὐδενὸς πώποτε αἴτιος ἐγένετο· οὐδὲ μὴν ἰδία γε οὐδένα πώποτε ἀνθρώπων οὔτε ἀγαθῶν ἀπεστέρησεν οὔτε κακοῖς περιέβαλεν, ἀλλ' οὐδ' αἰτίαν τῶν εἰρημένων οὐδενὸς πώποτ' ἔσχε. [1.2.64] πῶς οὖν ἂν ἔνοχος εἴη τῇ γραφῇ; ὃς ἀντὶ μὲν τοῦ μὴ νομίζειν θεοῦς, ὥς ἐν τῇ γραφῇ ἐγγέγραπτο, φανερός ἦν θεραπεύων τοὺς θεοὺς μάλιστα τῶν ἄλλων ἀνθρώπων, ἀντὶ δὲ τοῦ διαφθεῖρειν τοὺς νέους, ὃ δὴ ὁ γραψάμενος αὐτὸν ἡτιᾶτο, φανερός ἦν τῶν συνόντων τοὺς πονηρὰς ἐπιθυμίας ἔχοντας τούτων μὲν παύων, τῆς δὲ καλλίστης καὶ μεγαλοπρεπεστάτης ἀρετῆς, ἣ πόλεις τε καὶ οἶκοι εὖ οἰκοῦσι, προτρέπων ἐπιθυμεῖν· ταῦτα δὲ πράττων πῶς οὐ μεγάλης ἄξιος ἦν τιμῆς τῇ πόλει;

[1.3.1] Ὡς δὲ δὴ καὶ ὠφελεῖν ἐδόκει μοι τοὺς συνόντας τὰ μὲν ἔργῳ δεικνύων ἑαυτὸν οἷος ἦν, τὰ δὲ καὶ διαλεγόμενος, τούτων δὴ γράψω ὅποσα ἂν διαμνημονεύσω. τὰ μὲν τοίνυν πρὸς τοὺς θεοὺς φανερός

ἦν καὶ ποιῶν καὶ λέγων ἥπερ ἡ Πυθία ἀποκρίνεται τοῖς ἐρωτῶσι πῶς δεῖ ποιεῖν ἢ περὶ θυσίας ἢ περὶ προγόνων θεραπείας ἢ περὶ ἄλλου τινὸς τῶν τοιούτων· ἢ τε γὰρ Πυθία νόμῳ πόλεως ἀναιρεῖ ποιοῦντας εὐσεβῶς ἂν ποιεῖν, Σωκράτης τε οὕτω καὶ αὐτὸς ἐποίει καὶ τοῖς ἄλλοις παρήνει, τοὺς δὲ ἄλλως πῶς ποιοῦντας περιέργους καὶ ματαίους ἐνόμιζεν εἶναι. [1.3.2] καὶ ἤϋχετο δὲ πρὸς τοὺς θεοὺς ἀπλῶς τάγαθὰ διδόναι, ὥς τοὺς θεοὺς κάλλιστα εἰδότας ὅποια ἀγαθὰ ἐστι· τοὺς δ' εὐχομένους χρυσίον ἢ ἀργύριον ἢ τυραννίδα ἢ ἄλλο τι τῶν τοιούτων οὐδὲν διάφορον ἐνόμιζεν εὐχεσθαι ἢ εἰ κυβείαν ἢ μάχην ἢ ἄλλο τι εὐχοιντο τῶν φανερώς ἀδήλων ὅπως ἀποβήσοιτο. [1.3.3] θυσίας δὲ θύων μικρὰς ἀπὸ μικρῶν οὐδὲν ἡγεῖτο μειοῦσθαι τῶν ἀπὸ πολλῶν καὶ μεγάλων πολλὰ καὶ μεγάλα θυόντων. οὔτε γὰρ τοῖς θεοῖς ἔφη καλῶς ἔχειν, εἰ ταῖς μεγάλαις θυσίαις μᾶλλον ἢ ταῖς μικραῖς ἔχαιρον· πολλάκις γὰρ ἂν αὐτοῖς τὰ παρὰ τῶν πονηρῶν μᾶλλον ἢ τὰ παρὰ τῶν χρηστῶν εἶναι κεχαρισμένα· οὐτ' ἂν τοῖς ἀνθρώποις ἄξιον εἶναι ζῆν, εἰ τὰ παρὰ τῶν πονηρῶν μᾶλλον ἦν κεχαρισμένα τοῖς θεοῖς ἢ τὰ παρὰ τῶν χρηστῶν· ἀλλ' ἐνόμιζε τοὺς θεοὺς ταῖς παρὰ τῶν εὐσεβεστάτων τιμαῖς μάλιστα χαίρειν. ἐπαινέτης δ' ἦν καὶ τοῦ ἔπους τούτου·

Καδδύναμιν δ' ἔρδειν ἱέρ' ἀθανάτοισι θεοῖσι,

καὶ πρὸς φίλους δὲ καὶ ξένους καὶ πρὸς τὴν ἄλλην δίαιταν καλὴν ἔφη παραίνεσιν εἶναι τὴν Καδδύναμιν δ' ἔρδειν. [1.3.4] εἰ δέ τι δόξειεν αὐτῷ σημαίνεσθαι παρὰ τῶν θεῶν, ἦττον ἂν ἐπείσθη παρὰ τὰ σημαινόμενα ποιῆσαι ἢ εἴ τις αὐτὸν ἔπειθεν ὁδοῦ λαβεῖν ἡγεμόνα τυφλὸν καὶ μὴ εἰδότα τὴν ὁδὸν ἀντὶ βλέποντος καὶ εἰδότος· καὶ τῶν ἄλλων δὲ μωρίαν κατηγορεῖ, οἵτινες παρὰ τὰ ὑπὸ τῶν θεῶν σημαινόμενα ποιοῦσιν τι, φυλαττόμενοι τὴν παρὰ τοῖς ἀνθρώποις ἀδοξίαν· αὐτὸς δὲ πάντα τὰνθρώπινα ὑπερεώρα πρὸς τὴν παρὰ τῶν θεῶν συμβουλίαν.

[1.3.5] Διαιτήι δὲ τὴν τε ψυχὴν ἐπαίδευσε καὶ τὸ σῶμα ἥι χρώμενος ἂν τις, εἰ μὴ τι δαιμόνιον εἶη, θαρραλέως καὶ ἀσφαλῶς διάγοι καὶ οὐκ ἂν ἀπορήσειε τοσαύτης δαπάνης. οὕτω γὰρ εὐτελὴς ἦν, ὥστ' οὐκ οἶδ' εἴ τις οὕτως ἂν ὀλίγα ἐργάζοιτο ὥστε μὴ λαμβάνειν τὰ Σωκράτει ἀρκοῦντα. σίτῳ μὲν γὰρ τοσοῦτῳ ἐχρήτο, ὅσον ἡδέως ἦσθι, καὶ ἐπὶ τοῦτο οὕτω παρεσκευασμένος ἦι ὥστε τὴν ἐπιθυμίαν τοῦ σίτου ὅψον αὐτῷ εἶναι· ποτὸν δὲ πᾶν ἡδὺ ἦν αὐτῷ διὰ τὸ μὴ πίνειν, εἰ μὴ διψῶι. [1.3.6] εἰ δὲ ποτε κληθεὶς ἐθελήσειεν ἐπὶ δεῖπνον

ἐλθεῖν, ὃ τοῖς πλείστοις ἐργωδέστατόν ἐστιν, ὥστε φυλάσσασθαι τὸ ὑπὲρ τὸν κόρον ἐμπίμπλασθαι, τοῦτο ραϊδίως πάνυ ἐφυλάττετο. τοῖς δὲ μὴ δυναμένοις τοῦτο ποιεῖν συνεβούλευε φυλάττεσθαι τὰ πείθοντα μὴ πεινῶντας ἐσθίειν μηδὲ διψῶντας πίνειν· καὶ γὰρ τὰ λυμαινόμενα γαστέρας καὶ κεφαλᾶς καὶ ψυχᾶς ταῦτ' ἔφη εἶναι. [1.3.7] οἶεσθαι δ' ἔφη ἐπισκώπτων καὶ τὴν Κίρκην ὅς ποιεῖν τοιούτοις πολλοῖς δειπνίζουσιν· τὸν δὲ Ὀδυσσεῖα Ἑρμοῦ τε ὑποθημοσύνη καὶ αὐτὸν ἐγκρατῇ ὄντα καὶ ἀποσχόμενον τοῦ ὑπὲρ τὸν κόρον τῶν τοιούτων ἅπτεσθαι, διὰ ταῦτα οὐ γενέσθαι ὤν. [1.3.8] τοιαῦτα μὲν περὶ τούτων ἔπαιζεν ἅμα σπουδάζων.

Ἀφροdisίων δὲ παρῆναι τῶν καλῶν ἰσχυρῶς ἀπέχεσθαι· οὐ γὰρ ἔφη ραϊδιὸν εἶναι τῶν τοιούτων ἀπτόμενον σωφρονεῖν. ἀλλὰ καὶ Κριτόβουλόν ποτε τὸν Κρίτωνος πυθόμενος ὅτι ἐφίλησε τὸν Ἀλκιβιάδου υἱὸν καλὸν ὄντα, παρόντος τοῦ Κριτοβούλου ἤρετο Ξενοφῶντα· [1.3.9] Εἰπέ μοι, ἔφη, ὦ Ξενοφῶν, οὐ σὺ Κριτόβουλον ἐνόμιζες εἶναι τῶν σωφρονικῶν ἀνθρώπων μᾶλλον ἢ τῶν θρασέων καὶ τῶν προνοητικῶν μᾶλλον ἢ τῶν ἀνοήτων τε καὶ ῥιψοκινδύνων; Πάνυ μὲν οὖν, ἔφη ὁ Ξενοφῶν. Νῦν τοίνυν νόμιζε αὐτὸν θερμουργότατον εἶναι καὶ λεωργότατον· οὗτος κἂν εἰς μαχαίρας κυβιστήσῃ κἂν εἰς πῦρ ἄλοιτο. [1.3.10] Καὶ τί δή, ἔφη ὁ Ξενοφῶν, ἰδὼν ποιοῦντα τοιαῦτα κατέγνωκας αὐτοῦ; Οὐ γὰρ οὗτος, ἔφη, ἐτόλμησε τὸν Ἀλκιβιάδου υἱὸν φιλῆσαι, ὄντα εὐπροσωπότατον καὶ ὠραιότατον; Ἄλλ' εἰ μέντοι, ἔφη ὁ Ξενοφῶν, τοιοῦτόν ἐστι τὸ ῥιψοκίνδυνον ἔργον, κἂν ἐγὼ δοκῶ μοι τὸν κίνδυνον τοῦτον ὑπομεῖναι. [1.3.11] Ὡς τλήμων, ἔφη ὁ Σωκράτης, καὶ τί ἂν οἶε παθεῖν καλὸν φιλήσας; ἄρ' οὐκ ἂν αὐτίκα μάλα δοῦλος μὲν εἶναι ἀντ' ἐλευθέρου, πολλὰ δὲ δαπανᾶν εἰς βλαβεράς ἡδονάς, πολλὴν δὲ ἀσχολίαν ἔχειν τοῦ ἐπιμεληθῆναι τινος καλοῦ κάγαθοῦ, σπουδάζειν δ' ἀναγκασθῆναι ἐφ' οἷς οὐδ' ἂν μαινόμενος σπουδάσειεν; [1.3.12] Ὡς Ἡράκλεις, ἔφη ὁ Ξενοφῶν, ὡς δεινὴν τινα λέγεις δύναμιν τοῦ φιλήματος εἶναι. Καὶ τοῦτο, ἔφη ὁ Σωκράτης, θαυμάζεις; οὐκ οἶσθ' ὅτι τὰ φαλάγγια οὐδ' ἡμιωβελιαῖα τὸ μέγεθος ὄντα προσαψάμενα μόνον τῷ στόματι ταῖς τε ὀδύναις ἐπιτρίβει τοὺς ἀνθρώπους καὶ τοῦ φρονεῖν ἐξίστησι; Ναὶ μὰ Δί', ἔφη ὁ Ξενοφῶν· ἐνίησι γάρ τι τὰ φαλάγγια κατὰ τὸ δηγμα. [1.3.13] Ὡς μῶρε, ἔφη ὁ Σωκράτης, τοὺς δὲ καλοὺς οὐκ οἶε φιλοῦντας ἐνιέναι τι, ὅτι σὺ οὐχ ὀρᾷς; οὐκ οἶσθ' ὅτι τοῦτο τὸ θηρίον, ὃ καλοῦσι καλὸν καὶ ὠραῖον, τοσοῦτω δεινότερόν

ἐστὶ τῶν φαλαγγίων, ὅσῳ ἐκεῖνα μὲν ἀψάμενα, τοῦτο δὲ οὐδ' ἀπτόμενον, ἐάν τις αὐτὸ θεᾷται, ἐνήσί τι καὶ πάνυ πρόσωθεν τοιοῦτον ὥστε μαίνεσθαι ποιεῖν; [ἴσως δὲ καὶ οἱ ἔρωτες τοξόται διὰ τοῦτο καλοῦνται, ὅτι καὶ πρόσωθεν οἱ καλοὶ τιτρώσκουσιν.] ἀλλὰ συμβουλεύω σοι, ὦ Ξενοφῶν, ὁπότεν ἴδῃς τινὰ καλόν, φεύγειν προτροπᾶδην. σοὶ δ', ὦ Κριτόβουλε, συμβουλεύω ἀπεναντίσαι· μόλις γὰρ ἂν ἴσως ἐν τοσούτῳ χρόνῳ [τὸ δῆγμα] ὑγιῆς γένοιο. [1.3.14] οὕτω δὴ καὶ ἀφροδισιάζειν τοὺς μὴ ἀσφαλῶς ἔχοντας πρὸς ἀφροδίσια ὤιετο χρῆναι πρὸς τοιαῦτα, οἷα μὴ πάνυ μὲν δεομένου τοῦ σώματος οὐκ ἂν προσδέξαιτο ἡ ψυχὴ, δεομένου δὲ οὐκ ἂν πράγματα παρέχοι. αὐτὸς δὲ πρὸς ταῦτα φανερός ἦν οὕτω παρεσκευασμένος ὥστε ῥᾶιον ἀπέχεσθαι τῶν καλλίστων καὶ ὠραιωτάτων ἢ οἱ ἄλλοι τῶν αἰσχίστων καὶ ἁωροτάτων. [1.3.15] περὶ μὲν δὴ βρώσεως καὶ πόσεως καὶ ἀφροδισίων οὕτω κατεσκευασμένος ἦν καὶ ὤιετο οὐδὲν ἂν ἥττον ἀρκούντως ἡδесθαι τῶν πολλὰ ἐπὶ τούτοις πραγματευομένων, λυπεῖσθαι δὲ πολὺ ἔλαττον.

[1.4.1] Εἰ δέ τινες Σωκράτην νομίζουσιν, ὥς ἔνιοι γράφουσιν τε καὶ λέγουσιν περὶ αὐτοῦ τεκμαιρόμενοι, προτρέψασθαι μὲν ἀνθρώπους ἐπ' ἀρετὴν κράτιστον γεγενῆναι, προαγαγεῖν δ' ἐπ' αὐτὴν οὐχ ἱκανόν, σκεψάμενοι μὴ μόνον ἃ ἐκεῖνος κολαστηρίου ἕνεκα τοὺς πάντ' οἰομένους εἰδέναι ἐρωτῶν ἤλεγχεν, ἀλλὰ καὶ ἃ λέγων συνημέρευε τοῖς συνδιατρίβουσι, δοκιμαζόντων εἰ ἱκανὸς ἦν βελτίους ποιεῖν τοὺς συνόντας. [1.4.2] λέξω δὲ πρῶτον ἃ ποτε αὐτοῦ ἤκουσα περὶ τοῦ δαιμονίου διαλεγόμενου πρὸς Ἀριστόδημον τὸν μικρὸν ἐπικαλούμενον. καταμαθὼν γὰρ αὐτὸν οὔτε θύοντα τοῖς θεοῖς οὔτε μαντικῇ χρώμενον, ἀλλὰ καὶ τῶν ποιούντων ταῦτα καταγελῶντα, Εἰπέ μοι, ἔφη, ὦ Ἀριστόδημε, ἔστιν οὐστinas ἀνθρώπους τεθαύμακας ἐπὶ σοφίαι; Ἔγωγ', ἔφη. [1.4.3] καὶ ὅς, Λέξον ἡμῖν, ἔφη, τὰ ὀνόματα αὐτῶν. Ἐπὶ μὲν τοίνυν ἐπὼν ποιήσει Ὀμηρον ἔγωγε μάλιστα τεθαύμακα, ἐπὶ δὲ διθυράμβῳ Μελανιππίδην, ἐπὶ δὲ τραγωιδίαι Σοφοκλέα, ἐπὶ δὲ ἀνδριαντοποιίαι Πολύκλειτον, ἐπὶ δὲ ζωγραφίαι Ζεῦξιν. [1.4.4] Πότερά σοι δοκοῦσιν οἱ ἀπεργαζόμενοι εἰδῶλα ἄφρονά τε καὶ ἀκίνητα ἀξιοθαυμαστότεροι εἶναι ἢ οἱ ζῶια ἔμφρονά τε καὶ ἐνεργά; Πολὺ νῆ Δία οἱ ζῶια, εἶπερ γε μὴ τύχηι τινί, ἀλλ' ὑπὸ γνώμης ταῦτα γίνεται. Τῶν δὲ ἀτεκμάρτως ἐχόντων ὅτου ἕνεκα ἔστι καὶ τῶν φανερῶς ἐπ' ὠφελείαι ὄντων πότερα τύχης καὶ πότερα γνώμης ἔργα κρίνεις; Πρέπει μὲν τὰ ἐπ' ὠφελείαι γιγνόμενα

γνώμης εἶναι ἔργα. [1.4.5] Οὐκοῦν δοκεῖ σοι ὁ ἐξ ἀρχῆς ποιῶν ἀνθρώπους ἐπ' ὠφελείαι προσθεῖναι αὐτοῖς δι' ὧν αἰσθάνονται ἕκαστα, ὀφθαλμοὺς μὲν ὥσθ' ὁρᾶν τὰ ὁρατά, ὦτα δὲ ὥστ' ἀκούειν τὰ ἀκουστά; ὁσμῶν γε μὴν, εἰ μὴ ῥῖνες προσετέθησαν, τί ἂν ἡμῖν ὄφελος ἦν; τίς δ' ἂν αἰσθησις ἦν γλυκέων καὶ δριμέων καὶ πάντων τῶν διὰ στόματος ἡδέων, εἰ μὴ γλῶττα τούτων γνώμων ἐναιργάσθη; [1.4.6] πρὸς δὲ τούτοις οὐ δοκεῖ σοι καὶ τὰδε προνοίας ἔργοις εἰοικέναι, τὸ ἐπεὶ ἀσθενῆς μὲν ἐστὶν ἡ ὄψις, βλεφάροις αὐτὴν θυρῶσαι, ἅ, ὅταν μὲν αὐτῇ χρῆσθαι τι δέη, ἀναπετάννυται, ἐν δὲ τῷ ὕπνῳ συγκλείεται, ὥς δ' ἂν μηδὲ ἄνεμοι βλάπτωσιν, ἡθμὸν βλεφαρίδας ἐμψῶσαι, ὀφρύσι τε ἀπογεισῶσαι τὰ ὑπὲρ τῶν ὀμμάτων, ὥς μηδ' ὁ ἐκ τῆς κεφαλῆς ἰδρὼς κακουργῇ· τὸ δὲ τὴν ἀκοὴν δέχεσθαι μὲν πάσας φωνάς, ἐμπίμπλασθαι δὲ μήποτε· καὶ τοὺς μὲν πρόσθεν ὀδόντας πᾶσι ζώοις οἴους τέμνειν εἶναι, τοὺς δὲ γομφίους οἴους παρὰ τούτων δεξαμένους λεαίνειν· καὶ στόμα μὲν, δι' οὗ ὧν ἐπιθυμεῖ τὰ ζῶια εἰσπέμπεται, πλησίον ὀφθαλμῶν καὶ ῥινῶν καταθεῖναι· ἐπεὶ δὲ τὰ ἀποχωροῦντα δυσχερῆ, ἀποστρέψαι τοὺς τούτων ὀχετοὺς [καὶ ἀπενεγκεῖν] ἥτις δυνατόν προσωτάτω ἀπὸ τῶν αἰσθήσεων· ταῦτα οὕτω προνοητικῶς πεπραγμένα ἀπορεῖς πότερα τύχης ἢ γνώμης ἔργα ἐστίν; [1.4.7] Οὐ μὰ τὸν Δί', ἔφη, ἀλλ' οὕτω γε σκοπούμεναι πάννυ ἔοικε ταῦτα σοφοῦ τινος δημιουργοῦ καὶ φιλοζώου τεχνήμασι. Τὸ δὲ ἐμψῶσαι μὲν ἔρωτα τῆς τεκνοποιίας, ἐμψῶσαι δὲ ταῖς γειναμέναις ἔρωτα τοῦ ἐκτρέφειν, τοῖς δὲ τραφεῖσι μέγιστον μὲν πόθον τοῦ ζῆν, μέγιστον δὲ φόβον τοῦ θανάτου; Ἀμέλει καὶ ταῦτα ἔοικε μηχανήμασί τινος ζῶια εἶναι βουλευσαμένου. [1.4.8] Σὺ δὲ σαυτῷ δοκεῖς τι φρόνιμον ἔχειν; Ἐρώτα γοῦν καὶ ἀποκρινοῦμαι. Ἄλλοθι δὲ οὐδαμοῦ οὐδὲν οἶε φρόνιμον εἶναι; καὶ ταῦτ' εἰδὼς ὅτι γῆς τε μικρὸν μέρος ἐν τῷ σώματι πολλῆς οὐσης ἔχεις καὶ ὕγρου βραχὺ πολλοῦ ὄντος καὶ τῶν ἄλλων δῆπου μεγάλων ὄντων ἐκάστου μικρὸν μέρος λαβόντι τὸ σῶμα συνήρμωσταί σοι· νοῦν δὲ μόνον ἄρα οὐδαμοῦ ὄντα σε εὐτυχῶς πὼς δοκεῖς συναρπάσαι, καὶ τὰδε τὰ ὑπερμεγέθη καὶ πλῆθος ἄπειρα δι' ἀφροσύνην τινά, ὥς οἶε, εὐτάκτως ἔχειν; [1.4.9] Μὰ Δί' οὐ γὰρ ὁρῶ τοὺς κυρίους, ὥσπερ τῶν ἐνθάδε γιγνομένων τοὺς δημιουργούς. Οὐδὲ γὰρ τὴν σαυτοῦ σύγγε ψυχὴν ὁρᾷς, ἢ τοῦ σώματος κυρία ἐστίν· ὥστε κατὰ γε τοῦτο ἔξεστί σοι λέγειν, ὅτι οὐδὲν γνώμη, ἀλλὰ τύχη πάντα πράττεις. [1.4.10] καὶ ὁ Ἀριστόδημος, Οὔτοι, ἔφη, ἐγώ, ὦ Σώκρατες, ὑπερορῶ τὸ δαιμόνιον, ἀλλ' ἐκεῖνο

μεγαλοπρεπέστερον ἡγοῦμαι <ἦ> ὡς τῆς ἐμῆς θεραπείας προσδεῖσθαι. Οὐκοῦν, ἔφη, ὅσῳ μεγαλοπρεπέστερον <ὄν> ἀξιοῖ σε θεραπεύειν, τοσούτῳ μᾶλλον τιμητέον αὐτό. [1.4.11] Εὖ ἴσθι, ἔφη, ὅτι, εἰ νομίζοιμι θεοὺς ἀνθρώπων τι φροντίζειν, οὐκ ἂν ἀμελοῖην αὐτῶν. Ἔπειτ' οὐκ οἶει φροντίζειν; οἱ πρῶτον μὲν μόνον τῶν ζώων ἄνθρωπον ὀρθὸν ἀνέστησαν· ἡ δὲ ὀρθότης καὶ προορᾶν πλεον ποιεῖ δύνασθαι καὶ τὰ ὑπερθεῖν μᾶλλον θεᾶσθαι καὶ ἦττον κακοπαθεῖν καὶ ὄψιν καὶ ἀκοὴν καὶ στόμα ἐνεποίησαν· ἔπειτα τοῖς μὲν ἄλλοις ἐρπετοῖς πόδας ἔδωκαν, οἱ τὸ πορεύεσθαι μόνον παρέχουσιν, ἀνθρώπῳ δὲ καὶ χεῖρας προσέθεσαν, αἱ τὰ πλείστα οἷς εὐδαιμονέστεροι ἐκείνων ἐσμέν ἐξεργάζονται. [1.4.12] καὶ μὴν γλῶττάν γε πάντων τῶν ζώων ἐχόντων, μόνην τὴν τῶν ἀνθρώπων ἐποίησαν οἷαν ἄλλοτε ἀλλαχῇ ψαύουσιν τοῦ στόματος ἀρθροῦν τε τὴν φωνὴν καὶ σημαίνειν πάντα ἀλλήλοις ἃ βουλόμεθα. τὸ δὲ καὶ τὰς τῶν ἀφροδισίων ἡδονὰς τοῖς μὲν ἄλλοις ζώοις δοῦναι περιγράψαντας τοῦ ἔτους χρόνον, ἡμῖν δὲ συνεχῶς μέχρι γήρως ταῦτα παρέχειν. [1.4.13] οὐ τοίνυν μόνον ἦρκεσε τῷ θεῷ τοῦ σώματος ἐπιμεληθῆναι, ἀλλ', ὅπερ μέγιστόν ἐστι, καὶ τὴν ψυχὴν κρατίστην τῷ ἀνθρώπῳ ἐνέφυσε. τίνας γὰρ ἄλλου ζώου ψυχὴ πρῶτα μὲν θεῶν τῶν τὰ μέγιστα καὶ κάλλιστα συνταξάντων ἡισθηται ὅτι εἰσὶ; τί δὲ φύλον ἄλλο ἢ ἄνθρωποι θεοὺς θεραπεύουσι; ποία δὲ ψυχὴ τῆς ἀνθρωπίνης ἱκανωτέρα προφυλάττεσθαι ἢ λιμὸν ἢ δίψος ἢ ψύχη ἢ θάλη, ἢ νόσοις ἐπικουρῆσαι, ἢ ῥώμην ἀσκήσαι, ἢ πρὸς μάθησιν ἐκπονῆσαι, ἢ ὅσα ἂν ἀκούσῃ ἢ ἴδῃ ἢ μάθῃ ἱκανωτέρα ἐστὶ διαμεμνησθαι; [1.4.14] οὐ γὰρ πάνυ σοὶ κατάδηλον ὅτι παρὰ τᾶλλα ζῶια ὥσπερ θεοὶ ἄνθρωποι βιοτεύουσι, φύσει καὶ τῷ σώματι καὶ τῇ ψυχῇ κρατιστεύοντες; οὔτε γὰρ βοὸς ἂν ἔχων σῶμα, ἀνθρώπου δὲ γνώμην ἐδύνατ' ἂν πράττειν ἃ ἐβούλετο, οὔθ' ὅσα χεῖρας ἔχει, ἄφρονα δ' ἐστί, πλεον οὐδὲν ἔχει. σὺ δ' ἀμφοτέρων τῶν πλείστου ἀξίων τετυχηκὼς οὐκ οἶει σοῦ θεοὺς ἐπιμελεῖσθαι; ἀλλ' ὅταν τί ποιήσωσι, νομεῖς αὐτοὺς σοῦ φροντίζειν; [1.4.15] Ὅταν πέμπωσιν, ὥσπερ σὺ φῆς πέμπειν αὐτούς, συμβούλους ὃ τι χρὴ ποιεῖν καὶ μὴ ποιεῖν. Ὅταν δὲ Ἀθηναίοις, ἔφη, πυνθανομένοις τι διὰ μαντικῆς φράζωσιν, οὐ καὶ σοὶ δοκεῖς φράζειν αὐτούς, οὐδ' ὅταν τοῖς Ἕλλησι τέρατα πέμποντες προσημαίνωσι, οὐδ' ὅταν πᾶσιν ἀνθρώποις, ἀλλὰ μόνον σὲ ἐξαίρουντες ἐν ἀμελείᾳ κατατίθενται; [1.4.16] οἶει δ' ἂν τοὺς θεοὺς τοῖς ἀνθρώποις δόξαν ἐμφῶσαι ὡς ἱκανοὶ εἰσιν εὖ καὶ κακῶς ποιεῖν,

εἰ μὴ δυνατοὶ ἦσαν, καὶ ἀνθρώπους ἐξαπατωμένους τὸν πάντα χρόνον οὐδέποτε ἂν αἰσθῆσθαι; οὐχ ὁρᾷς ὅτι τὰ πολυχροنیωτάτα καὶ σοφώτατα τῶν ἀνθρωπίνων, πόλεις καὶ ἔθνη, θεοσεβέστατά ἐστι, καὶ αἱ φρονιμώταται ἡλικίαι θεῶν ἐπιμελέσταται; [1.4.17] ὦγαθέ, ἔφη, κατάμαθε ὅτι καὶ ὁ σὸς νοῦς ἐνὼν τὸ σὸν σῶμα ὅπως βούλεται μεταχειρίζεται. οἶσθαι οὖν χρή καὶ τὴν ἐν <τῶν> παντὶ φρόνησιν τὰ πάντα, ὅπως ἂν αὐτῇ ἡδὺ ἦι, οὕτω τίθεσθαι, καὶ μὴ τὸ σὸν μὲν ὄμμα δύνασθαι ἐπὶ πολλὰ στάδια ἐξικνεῖσθαι, τὸν δὲ τοῦ θεοῦ ὀφθαλμὸν ἀδύνατον εἶναι ἅμα πάντα ὁρᾶν, μηδὲ τὴν σὴν μὲν ψυχὴν καὶ περὶ τῶν ἐνθάδε καὶ περὶ τῶν ἐν Αἰγύπτῳ καὶ ἐν Σικελίᾳ δύνασθαι φροντίζειν, τὴν δὲ τοῦ θεοῦ φρόνησιν μὴ ἱκανὴν εἶναι ἅμα πάντων ἐπιμελεῖσθαι. [1.4.18] ἂν μέντοι, ὥσπερ ἀνθρώπους θεραπεύων γινώσκεις τοὺς ἀντιθεραπεύειν ἐθέλοντας καὶ χαριζόμενος τοὺς ἀντιχαριζομένους καὶ συμβουλευόμενος καταμανθάνεις τοὺς φρονίμους, οὕτω καὶ τῶν θεῶν πείραν λαμβάνῃς θεραπεύων, εἴ τί σοι θελήσουσι περὶ τῶν ἀδῆλων ἀνθρώποις συμβουλεύειν, γνώσει τὸ θεῖον ὅτι τοσοῦτον καὶ τοιοῦτόν ἐστιν ὥσθ' ἅμα πάντα ὁρᾶν καὶ πάντα ἀκούειν καὶ πανταχοῦ παρεῖναι καὶ ἅμα πάντων ἐπιμελεῖσθαι [αὐτούς]. [1.4.19] ἐμοὶ μὲν οὖν ταῦτα λέγων οὐ μόνον τοὺς συνόντας ἐδόκει ποιεῖν ὁπότε ὑπὸ τῶν ἀνθρώπων ὀρῶντο, ἀπέχεσθαι τῶν ἀνοσίων τε καὶ ἀδίκων καὶ αἰσχυρῶν, ἀλλὰ καὶ ὁπότε ἐν ἐρημίᾳ εἶεν, ἐπεῖπερ ἡγήσαιντο μηδὲν ἂν ποτε ὧν πράττειεν θεοὺς διαλαθεῖν.

[1.5.1] Εἰ δὲ δὴ καὶ ἐγκράτεια καλὸν τε κάγαθόν ἀνδρὶ κτῆμά ἐστιν, ἐπισκεψόμεθα εἴ τι προυβίβαζε λέγων εἰς ταύτην τοιάδε· ὦ ἄνδρες, εἰ πολέμου ἡμῖν γενομένου βουλοίμεθα ἐλέσθαι ἄνδρα, ὅφ' οὐ μάλιστ' ἂν αὐτοὶ μὲν σιωζοίμεθα, τοὺς δὲ πολεμίους χειροίμεθα, ἄρ' ὄντινα [ἂν] αἰσθανοίμεθα ἥττω γαστρὸς ἢ οἴνου ἢ ἀφροδισίων ἢ πόνου ἢ ὕπνου, τοῦτον ἂν αἰροίμεθα; καὶ πῶς ἂν οἰηθείμεν τὸν τοιοῦτον ἢ ἡμᾶς σῶσαι ἢ τοὺς πολεμίους κρατῆσαι; [1.5.2] εἰ δ' ἐπὶ τελευτῇ τοῦ βίου γενομένοι βουλοίμεθα τῷ ἐπιτρέψαι ἢ παῖδας ἄρρενας παιδεῦσαι ἢ θυγατέρας παρθένους διαφυλάξαι ἢ χρήματα διασῶσαι, ἄρ' ἀξιοπίστον εἰς ταῦθ' ἡγησόμεθα τὸν ἀκρατῆ; δούλωι δ' ἀκρατεῖ ἐπιτρέψαιμεν ἂν ἢ βοσκήματα ἢ ταμειᾶ ἢ ἔργων ἐπιστάσιαν; διάκονον δὲ καὶ ἀγοραστὴν τοιοῦτον ἐθελήσαιμεν ἂν προῖκα λαβεῖν; [1.5.3] ἀλλὰ μὴν εἴ γε μηδὲ δούλον ἀκρατῆ δεξαίμεθ' ἂν, πῶς οὐκ ἄξιον αὐτόν γε φυλάξασθαι τοιοῦτον γενέσθαι; καὶ γὰρ οὐχ ὥσπερ οἱ πλεονέκται τῶν ἄλλων ἀφαιρούμενοι χρήματα ἑαυτοὺς

δοκοῦσι πλουτίζειν, οὕτως ὁ ἀκρατής τοῖς μὲν ἄλλοις βλαβερός, ἑαυτῷ δ' ὠφέλιμος, ἀλλὰ κακοῦργος μὲν τῶν ἄλλων, ἑαυτοῦ δὲ πολὺ κακοургότερος, εἴ γε κακοургότατόν ἐστι μὴ μόνον τὸν οἶκον τὸν ἑαυτοῦ φθεῖρειν, ἀλλὰ καὶ τὸ σῶμα καὶ τὴν ψυχὴν· [1.5.4] ἐν συνουσίαι δὲ τίς ἂν ἡσθεῖν τῷ τοιούτῳ, ὃν εἰδέη τῷ ὄψῳι τε καὶ τῷ οἴνῳ χαίροντα μᾶλλον ἢ τοῖς φίλοις καὶ τὰς πόρνas ἀγαπῶντα μᾶλλον ἢ τοὺς ἐταίρους; ἄρα γε οὐ χρὴ πάντα ἄνδρα, ἡγησάμενον τὴν ἐγκράτειαν ἀρετῆς εἶναι κρηπίδα, ταύτην πρῶτον ἐν τῇ ψυχῇ κατασκευάσασθαι; [1.5.5] τίς γὰρ ἄνευ ταύτης ἢ μάθοι τι ἂν ἀγαθὸν ἢ μελετήsειεν ἀξιολόγως; ἢ τίς οὐκ ἂν ταῖς ἡδοναῖς δουλεύων αἰσχυρῶς διατεθῇ καὶ τὸ σῶμα καὶ τὴν ψυχὴν; ἐμοὶ μὲν δοκεῖ νῆ τὴν Ἥραν ἐλευθέρῳ μὲν ἀνδρὶ εὐκτὸν εἶναι μὴ τυχεῖν δούλου τοιούτου, δουλεύοντα δὲ ταῖς τοιαύταις ἡδοναῖς ἰκετευτέον τοὺς θεοὺς δεσποτῶν ἀγαθῶν τυχεῖν· οὕτω γὰρ ἂν μόνως ὁ τοιοῦτος σωθῇ. [1.5.6] τοιαῦτα δὲ λέγων ἔτι ἐγκρατέστερον τοῖς ἔργοις ἢ τοῖς λόγοις ἑαυτὸν ἐπεδείκνυν· οὐ γὰρ μόνον τῶν διὰ τοῦ σώματος ἡδονῶν ἐκράτει, ἀλλὰ καὶ τῆς διὰ τῶν χρημάτων, νομίζων τὸν παρὰ τοῦ τυχόντος χρήματα λαμβάνοντα δεσπότην ἑαυτοῦ καθιστάναι καὶ δουλεύειν δουλείαν οὐδεμιᾶς ἤττον αἰσχυράν.

[1.6.1] Ἄξιον δ' αὐτοῦ καὶ ἃ πρὸς Ἀντιφῶντα τὸν σοφιστὴν διελέχθη μὴ παραλιπεῖν. ὁ γὰρ Ἀντιφῶν ποτε βουλόμενος τοὺς συνουσιαστὰς αὐτοῦ παρελέσθαι προσελθὼν τῷ Σωκράτει παρόντων αὐτῶν ἔλεξε τάδε· [1.6.2] ὦ Σώκρατες, ἐγὼ μὲν ὦμην τοὺς φιλοσοφοῦντας εὐδαιμονεστεροὺς χρῆναι γίνεσθαι· σὺ δέ μοι δοκεῖς τάναντία τῆς φιλοσοφίας ἀπολελαυκέναι. ζῆς γοῦν οὕτως ὥς οὐδ' ἂν εἷς δοῦλος ὑπὸ δεσπότηι δαιτιώμενος μείνει· σιτὰ τε σιτῇ καὶ ποτὰ πίνει τὰ φαυλότατα, καὶ ἱμάτιον ἡμίφεισαι οὐ μόνον φαῦλον, ἀλλὰ τὸ αὐτὸ θέρους τε καὶ χειμῶνος, ἀνυπόδητός τε καὶ ἀχίτων διατελεῖς. [1.6.3] καὶ μὴν χρήματά γε οὐ λαμβάνεις, ἃ καὶ κτωμένους εὐφραίνει καὶ κεκτημένους ἐλευθεριώτερόν τε καὶ ἥδιον ποιεῖ ζῆν. εἰ οὖν ὥσπερ καὶ τῶν ἄλλων ἔργων οἱ διδάσκαλοι τοὺς μαθητὰς μιμητὰς ἑαυτῶν ἀποδεικνύουσιν, οὕτω καὶ σὺ τοὺς συνόντας διαθήsεις, νόμιζε κακοδαιμονίας διδάσκαλος εἶναι. [1.6.4] καὶ ὁ Σωκράτης πρὸς ταῦτα εἶπε· Δοκεῖς μοι, ὦ Ἀντιφῶν, ὑπειληφέναι με οὕτως ἀνιαρῶς ζῆν ὥστε πέπεισμαι σὲ μᾶλλον ἀποθανεῖν ἂν ἐλέσθαι ἢ ζῆν ὥσπερ ἐγώ. ἴθι οὖν ἐπισκεψώμεθα τί χαλεπὸν ἦισθαι τοῦ ἐμοῦ βίου. [1.6.5] πότερον ὅτι τοῖς μὲν

λαμβάνουσιν ἀργύριον ἀναγκαῖόν ἐστιν ἀπεργάζεσθαι τοῦτο ἐφ' ᾧ ἂν μισθὸν λάβωσιν, ἐμοὶ δὲ μὴ λαμβάνοντι οὐκ ἀνάγκη διαλέγεσθαι ᾧ ἂν μὴ βούλωμαι; ἢ τὴν διαίτάν μου φαυλίζεις ὥς ἤττον μὲν ὑγιεινὰ ἐσθίοντος ἐμοῦ ἢ σοῦ, ἤττον δὲ ἰσχύν παρέχοντα; ἢ ὥς χαλεπώτερα πορίσασθαι τὰ ἐμὰ διαιτήματα τῶν σῶν διὰ τὸ σπανιώτερά τε καὶ πολυτελέστερα εἶναι; ἢ ὥς ἡδίω σοι ἢ σὺ παρασκευάζῃ ὄντα ἢ ἐμοὶ ἢ ἐγώ; οὐκ οἶσθ' ὅτι ὁ μὲν ἡδιστα ἐσθίων ἥκιστα ὅψου δεῖται, ὁ δὲ ἡδιστα πίνων ἥκιστα τοῦ μὴ παρόντος ἐπιθυμεῖ ποτοῦ; [1.6.6] τὰ γε μὴν ἱμάτια οἶσθ' ὅτι οἱ μεταβαλλόμενοι ψύχους καὶ θάλπους ἔνεκα μεταβάλλονται, καὶ ὑποδήματα ὑποδοῦνται, ὅπως μὴ διὰ τὰ λυποῦντα τοὺς πόδας κωλύωνται πορεύεσθαι· ἤδη οὖν ποτε ἤισθου ἐμὲ ἢ διὰ ψῦχος μᾶλλον του ἔνδον μένοντα, ἢ διὰ θάλπος μαχόμενόν τωι περὶ σκιᾶς, ἢ διὰ τὸ ἀλγεῖν τοὺς πόδας οὐ βαδίζοντα ὅπου ἂν βούλωμαι; [1.6.7] οὐκ οἶσθ' ὅτι οἱ φύσει ἀσθενέστατοι τῷ σώματι μελετήσαντες τῶν ἰσχυροτάτων ἀμελησάντων κρεῖττους τε γίνονται πρὸς ἃ ἂν μελετῶσι καὶ ῥᾷον αὐτὰ φέρουσιν; ἐμὲ δὲ ἄρα οὐκ οἶει, τῷ σώματι ἀεὶ τὰ συντυγχάνοντα μελετῶντα καρτερεῖν, πάντα ῥᾷον φέρειν σοῦ μὴ μελετῶντος; [1.6.8] τοῦ δὲ μὴ δουλεύειν γαστρὶ μηδ' ὕπνῳ καὶ λαγνεῖαι οἶει τι ἄλλο αἰτιώτερον εἶναι ἢ τὸ ἕτερα ἔχειν τούτων ἡδίω, ἢ οὐ μόνον ἐν χρεαίᾳ ὄντα εὐφραίνει, ἀλλὰ καὶ ἐλπίδας παρέχοντα ὠφελήσιν ἀεὶ; καὶ μὴν τοῦτό γε οἶσθα, ὅτι οἱ μὲν οἰόμενοι μηδὲν εὖ παάττειν οὐκ εὐφραίνονται, οἱ δὲ ἡγούμενοι καλῶς προχωρεῖν ἑαυτοῖς ἢ γεωργίαν ἢ ναυκληρίαν ἢ ἄλλ' ὅ τι ἂν τυγχάνωσιν ἐργαζόμενοι ὥς εὖ πράττοντες εὐφραίνονται. [1.6.9] οἶει οὖν ἀπὸ πάντων τούτων τοσαύτην ἡδονὴν εἶναι ὅσην ἀπὸ τοῦ ἑαυτόν τε ἡγεῖσθαι βελτίω γίνεσθαι καὶ φίλους ἀμείνους κτᾶσθαι; ἐγὼ τοίνυν διατελῶ ταῦτα νομίζων. ἐὰν δὲ δὴ φίλους ἢ πόλιν ὠφελεῖν δέῃ, ποτέρῳ ἢ πλείων σχολὴ τούτων ἐπιμελεῖσθαι, τῷ ὥς ἐγὼ νῦν ἢ τῷ ὥς σὺ μακαρίζεις διαιωμένῳ; στρατεύοιτο δὲ πότερος ἂν ῥᾷον, ὁ μὴ δυνάμενος ἄνευ πολυτελοῦς διαίτης ζῆν ἢ ᾧ τὸ παρὸν ἀρκοίῃ; ἐκπολιορκηθεῖν δὲ πότερος ἂν θᾶπτον, ὁ τῶν χαλεπωτάτων εὐρεῖν δεόμενος ἢ ὁ τοῖς ῥαίστοις ἐντυγχάνειν ἀρκούντως χρώμενος; [1.6.10] ἔοικας, ὦ Ἀντιφῶν, τὴν εὐδαιμονίαν οἰομένῳ τρυφῇ καὶ πολυτέλειαν εἶναι· ἐγὼ δ' ἐνομίζον τὸ μὲν μηδενὸς δεῖσθαι θεῖον εἶναι, τὸ δ' ὥς ἐλαχίστων ἐγγυτάτῳ τοῦ θείου, καὶ τὸ μὲν θεῖον κράτιστον, τὸ δ' ἐγγυτάτῳ τοῦ θείου ἐγγυτάτῳ τοῦ κρατίστου.

[1.6.11] Πάλιν δέ ποτε ὁ Ἀντιφῶν διαλεγόμενος τῷ Σωκράτει εἶπεν· ὦ Σώκρατες, ἐγὼ τοί σε δίκαιον μὲν νομίζω, σοφὸν δὲ οὐδ' ὀπωστιοῦν· δοκεῖς δέ μοι καὶ αὐτὸς τοῦτο γινώσκειν· οὐδένα γοῦν τῆς συνουσίας ἀργύριον πράττει. καίτοι τό γε ἱμάτιον ἢ τὴν οἰκίαν ἢ ἄλλο τι ὧν κέκτησαι νομίζων ἀργυρίου ἄξιον εἶναι οὐδενὶ ἂν μὴ ὅτι προῖκα δοίης, ἀλλ' οὐδ' ἔλαττον τῆς ἀξίας λαβών. [1.6.12] δῆλον δὲ ὅτι εἰ καὶ τὴν συνουσίαν ὧιου τινὸς ἀξίαν εἶναι, καὶ ταύτης ἂν οὐκ ἔλαττον τῆς ἀξίας ἀργύριον ἐπράττου. δίκαιος μὲν οὖν ἂν εἴης, ὅτι οὐκ ἐξαπαταῖς ἐπὶ πλεονεξίαι, σοφὸς δὲ οὐκ ἂν, μηδενός γε ἄξια ἐπιστάμενος. [1.6.13] ὁ δὲ Σωκράτης πρὸς ταῦτα εἶπεν· ὦ Ἀντιφῶν, παρ' ἡμῖν νομίζεται τὴν ὥραν καὶ τὴν σοφίαν ὁμοίως μὲν καλόν, ὁμοίως δὲ αἰσχρὸν διατίθεσθαι εἶναι. τὴν τε γὰρ ὥραν ἐὰν μὲν τις ἀργυρίου πωλῇ τῷ βουλομένῳ, πόρνον αὐτὸν ἀποκαλοῦσιν, ἐὰν δέ τις, ὃν ἂν γνῶι καλόν τε καὶ ἀγαθὸν ἐραστὴν ὄντα, τοῦτον φίλον ἐαυτῷ ποιῇται, σῶφρονα νομίζομεν· καὶ τὴν σοφίαν ὡσαύτως τοὺς μὲν ἀργυρίου τῷ βουλομένῳ πωλοῦντας σοφιστὰς [ὥσπερ πόρνους] ἀποκαλοῦσιν, ὅστις δὲ ὃν ἂν γνῶι εὐφυᾶ ὄντα διδάσκων ὃ τι ἂν ἔχη ἀγαθὸν φίλον ποιεῖται, τοῦτον νομίζομεν, ἃ τῷ καλῷ καὶ ἀγαθῷ πολίτῃ προσήκει, ταῦτα ποιεῖν. [1.6.14] ἐγὼ δ' οὖν καὶ αὐτός, ὦ Ἀντιφῶν, ὥσπερ ἄλλος τις ἢ ἵππῳ ἀγαθῷ ἢ κυνὶ ἢ ὄρνιθι ἥδεται, οὕτω καὶ ἔτι μᾶλλον ἡδομαι φίλοις ἀγαθοῖς, καὶ ἐὰν τι ἔχω ἀγαθόν, διδάσκω, καὶ ἄλλοις συνίστημι παρ' ὧν ἂν ἡγῶμαι ὠφελήσεσθαι τι αὐτοὺς εἰς ἀρετὴν· καὶ τοὺς θησαυροὺς τῶν πάλαι σοφῶν ἀνδρῶν, οὓς ἐκεῖνοι κατέλιπον ἐν βιβλίῳ γράψαντες, ἀνελίττων κοινῇ σὺν τοῖς φίλοις διέρχομαι, καὶ ἂν τι ὀρθῶμεν ἀγαθὸν ἐκλεγόμεθα· καὶ μέγα νομίζομεν κέρδος, ἐὰν ἀλλήλοις φίλοι γινώμεθα. ἐμοὶ μὲν δὲ ταῦτα ἀκούοντι ἐδόκει αὐτός τε μακάριος εἶναι καὶ τοὺς ἀκούοντας ἐπὶ καλοκάγαθίαν ἄγειν.

[1.6.15] Καὶ πάλιν ποτὲ τοῦ Ἀντιφῶντος ἐρομένου αὐτόν, πῶς ἄλλους μὲν ἡγεῖται πολιτικούς ποιεῖν, αὐτὸς δ' οὐ πράττει τὰ πολιτικά, εἶπερ ἐπίσταται· Ποτέρως δ' ἂν, ἔφη, ὦ Ἀντιφῶν, μᾶλλον τὰ πολιτικά πράττοιμι, εἰ μόνος αὐτὰ πράττοιμι ἢ εἰ ἐπιμελοίμην τοῦ ὡς πλείστους ἱκανοὺς εἶναι πράττειν αὐτά;

[1.7.1] Ἐπισκεψόμεθα δὲ εἰ καὶ ἀλαζονείας ἀποτρέπων τοὺς συνόντας ἀρετῆς ἐπιμελεῖσθαι προέτρεπεν· ἀεὶ γὰρ ἔλεγεν ὡς οὐκ εἴη καλλίων ὁδὸς ἐπ' εὐδοξίαν ἢ δι' ἧς ἂν τις ἀγαθὸς τοῦτο γένοιτο, <ὁ> καὶ δοκεῖν βούλοιο, ὅτι δ' ἀληθῆ ἔλεγεν, ὧδ' ἐδίδασκεν· [1.7.2]

Ἐνθυμώμεθα γάρ, ἔφη, εἴ τις μὴ ὦν ἀγαθὸς αὐλητῆς δοκεῖν βούλοιο, τί ἂν αὐτῷ ποιητέον εἴη. ἄρ' οὐ τὰ ἕξω τῆς τέχνης μιμητέον τοὺς ἀγαθοὺς αὐλητάς; καὶ πρῶτον μὲν, ὅτι ἐκεῖνοι σκευή τε καλὰ κέκτηνται καὶ ἀκολούθους πολλοὺς περιιάγονται, καὶ τούτῳ ταῦτα ποιητέον· ἔπειτα, ὅτι ἐκεῖνους πολλοὶ ἐπαινοῦσι, καὶ τούτῳ πολλοὺς ἐπαινέτας παρασκευαστέον. ἀλλὰ μὴν ἔργον γε οὐδαμοῦ ληπτέον, ἢ εὐθὺς ἐλεγχθήσεται γελοῖος ὦν καὶ οὐ μόνον αὐλητῆς κακός, ἀλλὰ καὶ ἄνθρωπος ἀλαζών. καίτοι πολλὰ μὲν δαπανῶν, μηδὲν δ' ὠφελοῦμενος, πρὸς δὲ τούτοις κακοδοξῶν, πῶς οὐκ ἐπιπόνως τε καὶ ἀλυσιτελῶς καὶ καταγελάστως βιώσεται; [1.7.3] ὥς δ' αὐτως εἴ τις βούλοιο στρατηγὸς ἀγαθὸς μὴ ὦν φαίνεσθαι ἢ κυβερνήτης, ἐννοῶμεν τί ἂν αὐτῷ συμβαίνοι. ἄρ' οὐκ ἂν, εἰ μὲν ἐπιθυμῶν τοῦ δοκεῖν ἱκανὸς εἶναι ταῦτα πράττειν μὴ δύναιτο πείθειν, τοῦτ' εἴη λυπηρόν, εἰ δὲ πείσειεν, ἔτι ἀθλιώτερον; δηλὸν γὰρ ὅτι κυβερνᾶν κατασταθεὶς ὁ μὴ ἐπιστάμενος ἢ στρατηγεῖν ἀπολέσειεν ἂν οὐς ἥκιστα βούλοιο καὶ αὐτὸς αἰσχυρῶς ἂν καὶ κακῶς ἀπαλλάξειεν. [1.7.4] ὥσαύτως δὲ καὶ τὸ πλούσιον καὶ τὸ ἀνδρεῖον καὶ τὸ ἰσχυρὸν μὴ ὄντα δοκεῖν ἀλυσιτελεῖς ἀπέφαινε· προστάττεσθαι γὰρ αὐτοῖς ἔφη μείζω ἢ κατὰ δύναμιν, καὶ μὴ δυναμένους ταῦτα ποιεῖν, δοκοῦντας ἱκανοὺς εἶναι, συγγνώμης οὐκ ἂν τυγχάνειν. [1.7.5] ἀπατεῶνα δ' ἐκάλει οὐ μικρὸν μὲν οὐδ' εἴ τις ἀργύριον ἢ σκεῦος παρά του πειθοῖ λαβὼν ἀποστεροίη, πολὺ δὲ μέγιστον ὅστις μηδενὸς ἄξιος ὦν ἐξηπατήκοι πείθων ὥς ἱκανὸς εἴη τῆς πόλεως ἡγεῖσθαι. ἐμοὶ μὲν οὖν ἐδόκει καὶ τοῦ ἀλαζονεύεσθαι ἀποτρέπειν τοὺς συνόντας τοιάδε διαλεγόμενος.

Βιβλίον β'

[2.1.1] Ἐδόκει δέ μοι καὶ τοιαῦτα λέγων προτρέπειν τοὺς συνόντας ἀσκεῖν ἐγκράτειαν πρὸς ἐπιθυμίαν βρωτοῦ καὶ ποτοῦ καὶ λαγνείας καὶ ὕπνου καὶ ῥίγους καὶ θάλπους καὶ πόνου. γνοὺς γάρ τινα τῶν συνόντων ἀκολαστοτέρως ἔχοντα πρὸς τὰ τοιαῦτα, Εἰπέ μοι, ἔφη, ὦ Ἀρίστιππε, εἰ δέοι σε παιδεύειν παραλαβόντα δύο τῶν νέων, τὸν μὲν, ὅπως ἱκανὸς ἔσται ἄρχειν, τὸν δ', ὅπως μὴδ' ἀντιποιήσεται ἀρχῆς, πῶς ἂν ἐκάτερον παιδεύοις; βούλει σκοπῶμεν ἀρξάμενοι ἀπὸ τῆς τροφῆς ὥσπερ ἀπὸ τῶν στοιχείων; καὶ ὁ Ἀρίστιππος ἔφη· Δοκεῖ γοῦν μοι ἡ τροφή ἀρχὴ εἶναι· οὐδὲ γὰρ ζῶνι γ' ἂν τις, εἰ μὴ τρέφοιτο. [2.1.2] Οὐκοῦν τὸ μὲν βούλεσθαι σίτου ἅπτεσθαι, ὅταν ὥρα ἦκη, ἀμφοτέροις εἰκὸς παραγίγνεσθαι; Εἰκὸς γάρ, ἔφη. Τὸ οὖν προαιρεῖσθαι τὸ κατεπεῖγον μᾶλλον πράττειν ἢ τῇ γαστρὶ χαρίζεσθαι πότερον ἂν αὐτῶν ἐθίζοιμεν; Τὸν εἰς τὸ ἄρχειν, ἔφη, νῆ Δία παιδευόμενον, ὅπως μὴ τὰ τῆς πόλεως ἅπρακτα γίγνηται παρὰ τὴν ἐκείνου ἀρχήν. Οὐκοῦν, ἔφη, καὶ ὅταν πιεῖν βούλωνται, τὸ δύνασθαι διψῶντα ἀνέχεσθαι τῷ αὐτῷ προσθετέον; Πάνυ μὲν οὖν, ἔφη. [2.1.3] Τὸ δὲ ὕπνου ἐγκρατὴ εἶναι, ὥστε δύνασθαι καὶ ὄψε κοιμηθῆναι καὶ πρῶι ἀναστῆναι καὶ ἀγρυπνήσαι, εἴ τι δέοι, ποτέρωι ἂν προσθεῖημεν; Καὶ τοῦτο, ἔφη, τῷ αὐτῷ. Τί δέ, ἔφη, τὸ ἀφροδισίων ἐγκρατὴ εἶναι, ὥστε μὴ διὰ ταῦτα κωλύεσθαι πράττειν, εἴ τι δέοι; Καὶ τοῦτο, ἔφη, τῷ αὐτῷ. Τί δέ, τὸ μὴ φεύγειν τοὺς πόνους, ἀλλ' ἐθέλοντὴν ὑπομένειν ποτέρωι ἂν προσθεῖημεν; Καὶ τοῦτο, ἔφη, τῷ ἄρχειν παιδευομένωι. Τί δέ, τὸ μαθεῖν εἴ τι ἐπιτήδειόν ἐστι μάθημα πρὸς τὸ κρατεῖν τῶν ἀντιπάλων, ποτέρωι ἂν προσθεῖναι μᾶλλον πρέποι; Πολὺ νῆ Δί', ἔφη, τῷ ἄρχειν παιδευομένωι· καὶ γὰρ τῶν ἄλλων οὐδὲν ὄφελος ἄνευ τῶν τοιούτων μαθημάτων. [2.1.4] Οὐκοῦν ὁ οὕτω πεπαιδευμένος ἦττον ἂν δοκεῖ σοι ὑπὸ τῶν ἀντιπάλων ἢ τὰ λοιπὰ ζῶια ἀλίσκεσθαι; τούτων γὰρ δήπου τὰ μὲν γαστρὶ δελεαζόμενα, καὶ μάλα ἔνια δυσωπούμενα, ὅμως τῇ ἐπιθυμίᾳ τοῦ φαγεῖν ἀγόμενα πρὸς τὸ δέλεαρ ἀλίσκεται, τὰ δὲ ποτῶι ἐνεδρεύεται. Πάνυ μὲν οὖν, ἔφη. Οὐκοῦν καὶ ἄλλα ὑπὸ λαγνείας, οἷον οἱ τε ὄρτυγες καὶ οἱ πέρδικες, πρὸς τὴν τῆς θηλείας φωνὴν τῇ ἐπιθυμίᾳ καὶ τῇ ἐλπίδι τῶν ἀφροδισίων φερόμενοι καὶ ἐξιστάμενοι τοῦ τὰ δεινὰ ἀναλογίζεσθαι τοῖς θηράτροις ἐμπίπτουσι; [2.1.5] Συνέφη καὶ ταῦτα.

Οὐκοῦν δοκεῖ σοι αἰσχρὸν εἶναι ἀνθρώπῳ ταῦτ᾽ ἀσχεῖν τοῖς ἀφρονεστάτοις τῶν θηρίων; ὥσπερ οἱ μοιχοὶ εἰσέρχονται εἰς τὰς εἰρκτάς, εἰδότες ὅτι κίνδυνος τῷ μοιχεύοντι ἅ τε ὁ νόμος ἀπειλεῖ παθεῖν καὶ ἐνεδρευθῆναι καὶ ληφθέντα ὑβρισθῆναι· καὶ τηλικούτων μὲν ἐπικειμένων τῷ μοιχεύοντι κακῶν τε καὶ αἰσχρῶν, ὄντων δὲ πολλῶν τῶν ἀπολυσόντων τῆς τῶν ἀφροδισίων ἐπιθυμίας ἐν ἀδείᾳ, ὅμως εἰς τὰ ἐπικίνδυνα φέρεσθαι, ἄρ' οὐκ ἤδη τοῦτο παντάπασι κακοδαιμονῶντός ἐστιν; Ἔμοιγε δοκεῖ, ἔφη. [2.1.6] Τὸ δὲ εἶναι μὲν τὰς ἀναγκαιοτάτας πλείστας πράξεις τοῖς ἀνθρώποις ἐν ὑπαίθρῳ, οἷον τὰς τε πολεμικὰς καὶ τὰς γεωργικὰς καὶ τῶν ἄλλων οὐ τὰς ἐλαχίστας, τοὺς δὲ πολλοὺς ἀγυμνάστως ἔχειν πρὸς τε ψυχὴν καὶ θάλην οὐ δοκεῖ σοι πολλὴ ἀμέλεια εἶναι; Συνέφη καὶ τοῦτο. Οὐκοῦν δοκεῖ σοι τὸν μέλλοντα ἄρχειν ἀσκεῖν δεῖν καὶ ταῦτα εὐπετῶς φέρειν; Πάνυ μὲν οὖν, ἔφη. [2.1.7] Οὐκοῦν εἰ τοὺς ἐγκρατεῖς τούτων ἀπάντων εἰς τοὺς ἀρχικοὺς τάττομεν, τοὺς ἀδυνάτους ταῦτα ποιεῖν εἰς τοὺς μηδ' ἀντιποιησομένους τοῦ ἄρχειν τάξομεν; Συνέφη καὶ τοῦτο. Τί οὖν; ἐπειδὴ καὶ τούτων ἑκατέρου τοῦ φύλου τὴν τάξιν οἶσθα, ἤδη ποτ' ἐπεσκέψω, εἰς ποτέραν τῶν τάξεων τούτων σαυτὸν δικαίως ἂν τάττοις; [2.1.8] Ἔγωγ', ἔφη ὁ Ἀρίστιππος· καὶ οὐδαμῶς γε τάττω ἑμαυτὸν εἰς τὴν τῶν ἄρχειν βουλομένων τάξιν. καὶ γὰρ πάνυ μοι δοκεῖ ἀφρονος ἀνθρώπου εἶναι τό, μεγάλου ἔργου ὄντος τοῦ ἑαυτῷ τὰ δέοντα παρασκευάζειν, μὴ ἀρκεῖν τοῦτο, ἀλλὰ προσαναθέσθαι τὸ καὶ τοῖς ἄλλοις πολίταις ὧν δέονται πορίζειν· καὶ ἑαυτῷ μὲν πολλὰ ὧν βούλεται ἐλλείπειν, τῆς δὲ πόλεως προεστῶτα, ἐὰν μὴ πάντα ὅσα ἢ πόλις βούλεται καταπράττει, τούτου δίκην ὑπέχειν, τοῦτο πῶς οὐ πολλὴ ἀφροσύνη ἐστί; [2.1.9] καὶ γὰρ ἀξιοῦσιν αἱ πόλεις τοῖς ἄρχουσιν ὥσπερ ἐγὼ τοῖς οἰκέταις χρῆσθαι. ἐγὼ τε γὰρ ἀξιῶ τοὺς θεράποντας ἑμοὶ μὲν ἄφθονα τὰ ἐπιτήδεια παρασκευάζειν, αὐτοὺς δὲ μηδενὸς τούτων ἅπτεσθαι, αἱ τε πόλεις οἷονται χρῆναι τοὺς ἄρχοντας ἑαυταῖς μὲν ὥς πλείστα ἀγαθὰ πορίζειν, αὐτοὺς δὲ πάντων τούτων ἀπέχεσθαι. ἐγὼ οὖν τοὺς μὲν βουλομένους πολλὰ πράγματα ἔχειν αὐτούς τε καὶ ἄλλοις παρέχειν οὕτως ἂν παιδεύσας εἰς τοὺς ἀρχικοὺς καταστήσαιμι· ἑμαυτὸν γε μέντοι τάττω εἰς τοὺς βουλομένους ἦι ῥᾷστά τε καὶ ἥδιστα βιοτεύειν. [2.1.10] καὶ ὁ Σωκράτης ἔφη· Βούλει οὖν καὶ τοῦτο σκεψώμεθα, πότερον ἥδιον ζῶσιν οἱ ἄρχοντες ἢ οἱ ἀρχόμενοι; Πάνυ μὲν οὖν, ἔφη. Πρῶτον μὲν τοίνυν τῶν ἐθνῶν ὧν ἡμεῖς ἴσμεν ἐν μὲν τῇ Ἀσίᾳ Πέρσαι μὲν ἄρχουσιν, ἄρχονται δὲ

Σύροι καὶ Φρύγες καὶ Λυδοί· ἐν δὲ τῇ Εὐρώπῃ Σκύθαι μὲν ἄρχουσι, Μαιῶται δὲ ἄρχονται· ἐν δὲ τῇ Λιβύῃ Καρχηδόνιοι μὲν ἄρχουσι, Λίβυες δὲ ἄρχονται. τούτων οὖν ποτέρους ἥδιον οἶε ζῆν; ἢ τῶν Ἑλλήνων, ἐν οἷς καὶ αὐτὸς εἶ, πότερά σοι δοκοῦσιν ἥδιον οἱ κρατοῦντες ἢ οἱ κρατούμενοι, ζῆν; [2.1.11] Ἄλλ' ἐγὼ τοι, ἔφη ὁ Ἀρίστιππος, οὐδὲ εἰς τὴν δουλείαν ἐμαυτὸν τάττω, ἀλλ' εἶναι τίς μοι δοκεῖ μέση τούτων ὁδός, ἣν πειρᾶμαι βαδίζειν, οὔτε δι' ἀρχῆς οὔτε διὰ δουλείας, ἀλλὰ δι' ἐλευθερίας, ἥπερ μάλιστα πρὸς εὐδαιμονίαν ἄγει. [2.1.12] Ἄλλ' εἰ μὲν, ἔφη ὁ Σωκράτης, ὥσπερ οὔτε δι' ἀρχῆς οὔτε διὰ δουλείας ἡ ὁδὸς αὕτη φέρει, οὕτω μηδὲ δι' ἀνθρώπων, ἴσως ἂν τι λέγοις· εἰ μὲντοι ἐν ἀνθρώποις ὦν μήτε ἄρχειν ἀξιώσεις μήτε ἄρχεσθαι μηδὲ τοὺς ἄρχοντας ἐκὼν θεραπεύσεις, οἴμαι σε ὁρᾶν ὡς ἐπίστανται οἱ κρείττονες τοὺς ἥττονας καὶ κοινῇ καὶ ἰδίαι κλαίοντας καθίσαντες δούλοις χρῆσθαι· [2.1.13] ἢ λανθάνουσί σε οἱ ἄλλων σπειράντων καὶ φυτευσάντων τὸν τε σῖτον τέμνοντες καὶ δενδροκοποῦντες καὶ πάντα τρόπον πολιορκοῦντες τοὺς ἥττονας καὶ μὴ θέλοντας θεραπεύειν, ἕως ἂν πείσωσιν ἐλέσθαι δουλεύειν ἀντὶ τοῦ πολεμεῖν τοῖς κρείττοσι; καὶ ἰδία αὖ οἱ ἀνδρεῖοι καὶ δυνατοὶ τοὺς ἀνάνδρους καὶ ἀδυνάτους οὐκ οἶσθα ὅτι καταδουλωσάμενοι καρποῦνται; Ἄλλ' ἐγὼ τοι, ἔφη, ἵνα μὴ πάσχω ταῦτα, οὐδ' εἰς πολιτείαν ἐμαυτὸν κατακλείω, ἀλλὰ ξένος πανταχοῦ εἰμι. [2.1.14] καὶ ὁ Σωκράτης ἔφη· Τοῦτο μὲντοι ἤδη λέγεις δεινὸν πάλαισμα. τοὺς γὰρ ξένους, ἐξ οὗ ὃ τε Σίνις καὶ ὁ Σκείρων καὶ ὁ Προκρούστης ἀπέθανον, οὐδεὶς ἔτι ἀδικεῖ· ἀλλὰ νῦν οἱ μὲν πολιτευόμενοι ἐν ταῖς πατρίσι καὶ νόμους τίθενται, ἵνα μὴ ἀδικῶνται, καὶ φίλους πρὸς τοῖς ἀναγκαίοις καλουμένοις ἄλλους κτῶνται βοηθοὺς, καὶ ταῖς πόλεσιν ἐρύματα περιβάλλονται, καὶ ὅπλα κτῶνται οἷς ἀμυνοῦνται τοὺς ἀδικοῦντας, καὶ πρὸς τούτοις ἄλλους ἐξωθεν συμμάχους κατασκευάζονται· καὶ οἱ μὲν ταῦτα πάντα κεκτημένοι ὅμως ἀδικοῦνται· [2.1.15] σὺ δὲ οὐδὲν μὲν τούτων ἔχων, ἐν δὲ ταῖς ὁδοῖς, ἔνθα πλείστοι ἀδικοῦνται, πολὺν χρόνον διατρίβων, εἰς ὁποίαν δ' ἂν πόλιν ἀφίκηι, τῶν πολιτῶν πάντων ἥττων ὢν, καὶ τοιοῦτος, οἷοις μάλιστα ἐπιτίθενται οἱ βουλόμενοι ἀδικεῖν, ὅμως διὰ τὸ ξένος εἶναι οὐκ ἂν οἶε ἀδικηθῆναι; ἢ διότι αἱ πόλεις σοι κηρύττουσιν ἀσφάλειαν καὶ προσιόντι καὶ ἀπιόντι, θαρρεῖς; ἢ διότι καὶ δοῦλος ἂν οἶε τοιοῦτος εἶναι οἷος μηδενὶ δεσπότῃ λυσιτελεῖν; τίς γὰρ ἂν ἐθέλοι ἄνθρωπον ἐν οἰκίᾳ ἔχειν πονεῖν μὲν μηδὲν ἐθέλοντα, τῇ δὲ πολυτελεστάτῃ διαίτῃ

χαίροντα; [2.1.16] σκεψώμεθα δὲ καὶ τοῦτο, πῶς οἱ δεσπότες τοῖς τοιούτοις οἰκέταις χρῶνται. ἄρα οὐ τὴν μὲν λαγνείαν αὐτῶν τῷ λιμῷ σωφρονίζουσι; κλέπτειν δὲ κωλύουσιν ἀποκλείοντες ὅθεν ἂν τι λαβεῖν ἦ; τοῦ δὲ δραπετεῦναι δεσμοῖς ἀπείργουσι; τὴν ἀργίαν δὲ πληγαῖς ἐξανακάζουσιν; ἢ σὺ πῶς ποιεῖς, ὅταν τῶν οἰκετῶν τινα τοιοῦτον ὄντα καταμανθάνῃς; [2.1.17] Κολάζω, ἔφη, πᾶσι κακοῖς, ἕως ἂν δουλεύειν ἀναγκάσω. ἀλλὰ γάρ, ὦ Σώκρατες, οἱ εἰς τὴν βασιλικὴν τέχνην παιδευόμενοι, ἦν δοκεῖς μοι σὺ νομίζειν εὐδαιμονίαν εἶναι, τί διαφέρουσι τῶν ἐξ ἀνάγκης κακοπαθούντων, εἴ γε πεινῆσουσι καὶ διψήσουσι καὶ ῥιγώσουσι καὶ ἀγρυπνήσουσι καὶ τᾶλλα πάντα μοχθήσουσιν ἐκόντες; ἐγὼ μὲν γὰρ οὐκ οἶδ' ὅ τι διαφέρει τὸ αὐτὸ δέρμα ἐκόντα ἢ ἄκοντα μαστιγοῦσθαι ἢ ὅλως τὸ αὐτὸ σῶμα πᾶσι τοῖς τοιούτοις ἐκόντα ἢ ἄκοντα πολιορκεῖσθαι ἄλλο γε ἢ ἀφροσύνη πρόσσεσι τῷ θέλοντι τὰ λυπηρὰ ὑπομένειν. [2.1.18] Τί δέ, ὦ Ἀρίστιππε; ὁ Σωκράτης ἔφη, οὐ δοκεῖ σοι τῶν τοιούτων διαφέρειν τὰ ἐκούσια τῶν ἀκουσίων, ἦ ὁ μὲν ἐκὼν πεινῶν φάγοι ἂν ὅποτε βούλοιο καὶ ὁ ἐκὼν διψῶν πίοι καὶ τᾶλλα ὡσαύτως, τῷ δ' ἐξ ἀνάγκης ταῦτα πάσχοντι οὐκ ἔξεστιν ὁπότεν βούληται παύεσθαι; ἔπειτα ὁ μὲν ἐκουσίως ταλαιπωρῶν ἐπ' ἀγαθῇ ἐλπίδι πονῶν εὐφραίνεται, οἷον οἱ τὰ θηρία θηρῶντες ἐλπίδι τοῦ λήψεσθαι ἡδέως μοχθοῦσι. [2.1.19] καὶ τὰ μὲν τοιαῦτα ἄθλα τῶν πόνων μικροῦ τινος ἄξιά ἐστι, τοὺς δὲ πονοῦντας ἵνα φίλους ἀγαθοὺς κτήσωνται, ἢ ὅπως ἐχθροὺς χειρώσωνται, ἢ ἵνα δυνατοὶ γενόμενοι καὶ τοῖς σώμασι καὶ ταῖς ψυχαῖς καὶ τὸν ἑαυτῶν οἶκον καλῶς οἰκῶσι καὶ τοὺς φίλους εὖ ποιῶσι καὶ τὴν πατρίδα εὐεργετῶσι, πῶς οὐκ οἶεσθαι χρὴ τούτους καὶ πονεῖν ἡδέως εἰς τὰ τοιαῦτα καὶ ζῆν εὐφραينوμένους, ἀγαμένους μὲν ἑαυτοῦς, ἐπαινουμένους δὲ καὶ ζηλουμένους ὑπὸ τῶν ἄλλων; [2.1.20] ἔτι δὲ αἱ μὲν ῥαιδιουργίαι καὶ ἐκ τοῦ παραχρῆμα ἡδοναὶ οὔτε σώματι εὐεξίαν ἱκαναί εἰσιν ἐνεργάζεσθαι, ὥς φασι οἱ γυμνασταί, οὔτε ψυχῇ ἐπιστήμην ἀξίολογον οὐδεμίαν ἐμποιοῦσιν, αἱ δὲ διὰ καρτερίας ἐπιμέλειαι τῶν καλῶν τε καγαθῶν ἔργων ἐξικνεῖσθαι ποιοῦσιν, ὥς φασι οἱ ἀγαθοὶ ἄνδρες. λέγει δέ που καὶ Ἡσίοδος·

[2.1.21] καὶ Πρόδοκος δὲ ὁ σοφὸς ἐν τῷ συγγράμματι τῷ περὶ Ἡρακλέους, ὅπερ δὴ καὶ πλείστοις ἐπιδείκνυται, ὡσαύτως περὶ τῆς ἀρετῆς ἀποφαίνεται, ὧδέ πως λέγων, ὅσα ἐγὼ μέμνημαι. φησὶ γὰρ Ἡρακλέα, ἐπεὶ ἐκ παίδων εἰς ἥβην ὠρμάτο, ἐν ᾗ οἱ νέοι ἤδη αὐτοκράτορες γιγνόμενοι δηλοῦσιν εἴτε τὴν δι' ἀρετῆς ὁδὸν τρέψονται ἐπὶ τὸν βίον εἴτε τὴν διὰ κακίας, ἐξελθόντα εἰς ἡσυχίαν καθῆσθαι ἀποροῦντα ποτέραν τῶν ὁδῶν τράπηται· [2.1.22] καὶ φανῆναι αὐτῷ δύο γυναικας προσιέναι μεγάλας, τὴν μὲν ἑτέραν εὐπρεπῆ τε ἰδεῖν καὶ ἐλευθέριον φύσει, κεκοσμημένην τὸ μὲν σῶμα καθαρότητι, τὰ δὲ ὄμματα αἰδοῖ, τὸ δὲ σχῆμα σωφροσύνη, ἐσθῆτι δὲ λευκῇ, τὴν δ' ἑτέραν τεθραμμένην μὲν εἰς πολυσαρκίαν τε καὶ ἀπαλότητα, κεκαλλωπισμένην δὲ τὸ μὲν χρῶμα ὥστε λευκοτέραν τε καὶ ἐρυθροτέραν τοῦ ὄντος δοκεῖν φαίνεσθαι, τὸ δὲ σχῆμα ὥστε δοκεῖν ὀρθοτέραν τῆς φύσεως εἶναι, τὰ δὲ ὄμματα ἔχειν ἀναπεπταμένα, ἐσθῆτα δὲ ἐξ ἧς ἂν μάλιστα ὥρα διαλάμποι· κατασκοπεῖσθαι δὲ θαμὰ ἑαυτήν, ἐπισκοπεῖν δὲ καὶ εἴ τις ἄλλος αὐτὴν θεᾶται, πολλάκις δὲ καὶ εἰς τὴν ἑαυτῆς σκιὰν ἀποβλέπειν. [2.1.23] ὥς δ' ἐγένοντο πλησιαίτερον τοῦ Ἡρακλέους, τὴν μὲν πρόσθεν ῥηθεῖσαν ἰέναι τὸν αὐτὸν τρόπον, τὴν δ' ἑτέραν φθάσαι βουλομένην προσδραμεῖν τῷ Ἡρακλεῖ καὶ εἰπεῖν· Ὁρῶ σε, ὦ Ἡράκλεις, ἀποροῦντα ποῖαν ὁδὸν ἐπὶ τὸν βίον τράπηι. ἐὰν οὖν ἐμὲ φίλην ποιησάμενος, [ἐπὶ] τὴν ἡδίστην τε καὶ ῥαίστην ὁδὸν ἄξω σε, καὶ τῶν μὲν τερπνῶν οὐδενὸς ἄγευστος ἔσει, τῶν δὲ χαλεπῶν ἄπειρος διαβιώσει. [2.1.24] πρῶτον μὲν γὰρ οὐ πολέμων οὐδὲ πραγμάτων φροντιεῖς, ἀλλὰ σκοπούμενος †δυέση† τί ἂν κεχαρισμένον ἢ σιτίον ἢ ποτὸν εὔροις, ἢ τί ἂν ἰδὼν ἢ ἀκούσας τερφθείης ἢ τίνων ὁσφραϊνόμενος ἢ ἀπτόμενος, τίσι δὲ παιδικoῖς ὁμιλῶν μάλιστ' ἂν εὐφρανθείης, καὶ πῶς ἂν μαλακώτατα καθεύδοις, καὶ πῶς ἂν ἀπονώτατα τούτων πάντων τυγχάνοις. [2.1.25] ἐὰν δέ ποτε γένηταί τις ὑποψία σπάνεως ἀφ' ὧν ἔσται ταῦτα, οὐ φόβος μὴ σε ἀγάγω ἐπὶ τὸ πονοῦντα καὶ ταλαιπωροῦντα τῷ σώματι καὶ τῇ ψυχῇ ταῦτα πορίζεσθαι, ἀλλ' οἷς ἂν οἱ ἄλλοι ἐργάζωνται, τούτοις σὺ χρήσῃ, οὐδενὸς ἀπεχόμενος ὅθεν ἂν δυνατὸν ἦι τι κερδᾶναι.

πανταχόθεν γὰρ ὠφελεῖσθαι τοῖς ἔμοι συνοῦσιν ἐξουσίαν ἐγὼ παρέχω. [2.1.26] καὶ ὁ Ἡρακλῆς ἀκούσας ταῦτα, Ὡ γύναι, ἔφη, ὄνομα δέ σοι τί ἐστίν; ἡ δέ, Οἱ μὲν ἔμοι φίλοι, ἔφη, καλοῦσί με Εὐδαιμονίαν, οἱ δὲ μισοῦντές με ὑποκοριζόμενοι ὀνομάζουσι Κακίαν. [2.1.27] καὶ ἐν τούτῳ ἡ ἑτέρα γυνὴ προσελθοῦσα εἶπε· Καὶ ἐγὼ ἤκω πρὸς σέ, ὦ Ἡράκλεις, εἰδυῖα τοὺς γεννήσαντάς σε καὶ τὴν φύσιν τὴν σὴν ἐν τῇ παιδείᾳ καταμαθοῦσα, ἐξ ὧν ἐλπίζω, εἰ τὴν πρὸς ἐμὲ ὁδὸν τράποιο, σφόδρ' ἂν σε τῶν καλῶν καὶ σεμνῶν ἀγαθὸν ἐργάτην γενέσθαι καὶ ἐμὲ ἔτι πολὺ ἐντιμωτέραν καὶ ἐπ' ἀγαθοῖς διαπρεπεστέραν φανῆναι. οὐκ ἐξαπατήσω δέ σε προοιμίῳ ἡδονῆς, ἀλλ' ἥπερ οἱ θεοὶ διέθεσαν τὰ ὄντα διηγῆσομαι μετ' ἀληθείας. [2.1.28] τῶν γὰρ ὄντων ἀγαθῶν καὶ καλῶν οὐδὲν ἄνευ πόνου καὶ ἐπιμελείας θεοὶ διδόασιν ἀνθρώποις, ἀλλ' εἴτε τοὺς θεοὺς ἴλεως εἶναί σοι βούλει, θεραπευτέον τοὺς θεοὺς, εἴτε ὑπὸ φίλων ἐθέλεις ἀγαπᾶσθαι, τοὺς φίλους εὐεργετητέον, εἴτε ὑπὸ τινος πόλεως ἐπιθυμεῖς τιμᾶσθαι, τὴν πόλιν ὠφελήτεον, εἴτε ὑπὸ τῆς Ἑλλάδος πάσης ἀξιοῖς ἐπ' ἀρετῇ θαυμάζεσθαι, τὴν Ἑλλάδα πειρατέον εὖ ποιεῖν, εἴτε γῆν βούλει σοι καρποὺς ἀφθόνους φέρειν, τὴν γῆν θεραπευτέον, εἴτε ἀπὸ βοσκημάτων οἶει δεῖν πλουτίζεσθαι, τῶν βοσκημάτων ἐπιμελητέον, εἴτε διὰ πολέμου ὀρμαῖς αὖξεσθαι καὶ βούλει δύνασθαι τοὺς τε φίλους ἐλευθεροῦν καὶ τοὺς ἐχθροὺς χειροῦσθαι, τὰς πολεμικὰς τέχνας αὐτάς τε παρὰ τῶν ἐπισταμένων μαθητέον καὶ ὅπως αὐταῖς δεῖ χρησθαι ἀσκητέον· εἰ δὲ καὶ τῷ σώματι βούλει δυνατὸς εἶναι, τῇ γνώμῃ ὑπηρετεῖν ἐθιστέον τὸ σῶμα καὶ γυμναστέον σὺν πόνοις καὶ ἰδρωτί. [2.1.29] καὶ ἡ Κακία ὑπολαβοῦσα εἶπεν, ὥς φησι Πρόδικος· Ἐννοεῖς, ὦ Ἡράκλεις, ὥς χαλεπὴν καὶ μακρὰν ὁδὸν ἐπὶ τὰς εὐφροσύνας ἡ γυνὴ σοι αὕτη διηγεῖται; ἐγὼ δὲ ραιδίαν καὶ βραχεῖαν ὁδὸν ἐπὶ τὴν εὐδαιμονίαν ἄξω σε. [2.1.30] καὶ ἡ Ἀρετὴ εἶπεν· Ὡ τλήμων, τί δὲ σὺ ἀγαθὸν ἔχεις; ἡ τί ἡδὺ οἶσθα μηδὲν τούτων ἔνεκα πράττειν ἐθέλουσα; ἥτις οὐδὲ τὴν τῶν ἡδέων ἐπιθυμίαν ἀναμένεις, ἀλλὰ πρὶν ἐπιθυμῆσαι πάντων ἐμπύμπλασαι, πρὶν μὲν πεινῆν ἐσθίουσα, πρὶν δὲ διψῆν πίνουσα, ἵνα μὲν ἡδέως φάγηις, ὥσποιοὺς μηχανωμένα, ἵνα δὲ ἡδέως πίηις, οἶνους τε πολυτελεῖς παρασκευάζηι καὶ τοῦ θέρους χιόνα περιθέουσα ζητεῖς, ἵνα δὲ καθυπνώσης ἡδέως, οὐ μόνον τὰς στρωμνὰς μαλακάς, ἀλλὰ καὶ [τὰς κλῖνας καὶ] τὰ ὑπόβαθρα ταῖς κλῖναις παρασκευάζηι· οὐ γὰρ διὰ τὸ πονεῖν, ἀλλὰ διὰ τὸ μηδὲν ἔχειν ὅ τι ποιῆις ὕπνου ἐπιθυμεῖς. τὰ δ' ἀφροδίσια πρὸ τοῦ

δεῖσθαι ἀναγκάζεις, πάντα μηχανωμένη καὶ γυναιξὶ τοῖς ἀνδράσι
χρωμένη· οὕτω γὰρ παιδεύεις τοὺς σεαυτῆς φίλους, τῆς μὲν νυκτὸς
ὑβρίζουσα, τῆς δ' ἡμέρας τὸ χρησιμώτατον κατακοιμίζουσα. [2.1.31]
ἀθάνατος δὲ οὐσα ἐκ θεῶν μὲν ἀπέρριψαι, ὑπὸ δὲ ἀνθρώπων ἀγαθῶν
ἀτιμάζει· τοῦ δὲ πάντων ἡδίστου ἀκούσματος, ἐπαίνου σεαυτῆς,
ἀνήκοος εἶ, καὶ τοῦ πάντων ἡδίστου θαύματος ἀθέατος· οὐδὲν γὰρ
πώποτε σεαυτῆς ἔργον καλὸν τεθέασαι. τίς δ' ἂν σοι λεγούσῃ τι
πιστεύσεις; τίς δ' ἂν δεομένην τινὸς ἐπαρκέσειεν; ἢ τίς ἂν εὖ φρονῶν
τοῦ σοῦ θιάσου τολμήσειεν εἶναι; οἱ νέοι μὲν ὄντες τοῖς σώμασιν
ἀδύνατοί εἰσι, πρεσβύτεροι δὲ γενόμενοι ταῖς ψυχαῖς ἀνόητοι,
ἀπόνως μὲν λιπαροὶ διὰ νεότητος τρεφόμενοι, ἐπιπόνως δὲ αὐχμηροὶ
διὰ γήρως περῶντες, τοῖς μὲν πεπραγμένοις αἰσχυνόμενοι, τοῖς δὲ
πραττομένοις βαρυνόμενοι, τὰ μὲν ἡδέα ἐν τῇ νεότητι διαδραμόντες,
τὰ δὲ χαλεπὰ εἰς τὸ γῆρας ἀποθέμενοι. [2.1.32] ἐγὼ δὲ σύνειμι μὲν
θεοῖς, σύνειμι δὲ ἀνθρώποις τοῖς ἀγαθοῖς· ἔργον δὲ καλὸν οὔτε θεῖον
οὔτ' ἀνθρώπειον χωρὶς ἐμοῦ γίνεται. τιμῶμαι δὲ μάλιστα πάντων
καὶ παρὰ θεοῖς καὶ παρὰ ἀνθρώποις οἷς προσήκω, ἀγαπητὴ μὲν
συνεργὸς τεχνίταις, πιστὴ δὲ φύλαξ οἴκων δεσπόταις, εὐμενὴς δὲ
παραστάτις οἰκέταις, ἀγαθὴ δὲ συλλήπτρια τῶν ἐν εἰρήνῃ πόνων,
βεβαία δὲ τῶν ἐν πολέμῳ σύμμαχος ἔργων, ἀριστη δὲ φιλίας
κοινωνός. [2.1.33] ἔστι δὲ τοῖς μὲν ἐμοῖς φίλοις ἡδεῖα μὲν καὶ
ἀπράγμων σίτων καὶ ποτῶν ἀπόλαυσις· ἀνέχονται γὰρ ἕως ἂν
ἐπιθυμήσωσιν αὐτῶν· ὕπνος δ' αὐτοῖς πάρεστιν ἡδίων ἢ τοῖς
ἀμόχθοις, καὶ οὔτε ἀπολείποντες αὐτὸν ἄχθονται οὔτε διὰ τοῦτον
μεθιάσι τὰ δέοντα πράττειν. καὶ οἱ μὲν νέοι τοῖς τῶν πρεσβυτέρων
ἐπαίνοις χαίρουσιν, οἱ δὲ γεραίτεροι ταῖς τῶν νέων τιμαῖς
ἀγάλλονται· καὶ ἡδέως μὲν τῶν παλαιῶν πράξεων μέμνηται, εὖ δὲ
τὰς παρούσας ἡδονται πράττοντες, δι' ἐμὲ φίλοι μὲν θεοῖς ὄντες,
ἀγαπητοὶ δὲ φίλοις, τίμιοι δὲ πατρίσιν· ὅταν δ' ἔλθῃ τὸ πεπρωμένον
τέλος, οὐ μετὰ λήθης ἄτιμοι κεῖνται, ἀλλὰ μετὰ μνήμης τὸν αἰὲν
χρόνον ὑμνούμενοι θάλλουσι. τοιαῦτά σοι, ὦ παῖ τοκέων ἀγαθῶν
Ἡράκλεις, ἔξεστι διαπονησαμένῳ τὴν μακαριστοτάτην εὐδαιμονίαν
κεκτῆσθαι. [2.1.34] οὕτω πως διώκει Πρόδικος τὴν ὑπ' Ἀρετῆς
Ἡρακλέους παιδευσιν· ἐκόσμησε μέντοι τὰς γνώμας ἔτι
μεγαλειότεροις ῥήμασιν ἢ ἐγὼ νῦν. σοὶ δ' οὖν ἄξιον, ὦ Ἀρίστιππε,
τούτων ἐνθυμουμένῳ πειρᾶσθαι τι καὶ τῶν εἰς τὸν μέλλοντα χρόνον
τοῦ βίου φροντίζειν.

[2.2.1] Αἰσθόμενος δέ ποτε Λαμπροκλέα τὸν πρεσβύτατον υἱὸν αὐτοῦ πρὸς τὴν μητέρα χαλεπαίνοντα, Εἰπέ μοι, ἔφη, ὦ παῖ, οἷσθά τινας ἀνθρώπους ἀχαρίστους καλουμένους; Καὶ μάλα, ἔφη ὁ νεανίσκος. Καταμεμάθηκας οὖν τοὺς τί ποιῶντας τὸ ὄνομα τοῦτο ἀποκαλοῦσιν; Ἔγωγ', ἔφη· τοὺς γὰρ εὖ παθόντας, ὅταν δυνάμενοι χάριν ἀποδοῦναι μὴ ἀποδῶσιν, ἀχαρίστους καλοῦσιν. Οὐκοῦν δοκοῦσί σοι ἐν τοῖς ἀδίκοις καταλογίζεσθαι τοὺς ἀχαρίστους; Ἔμοιγε, ἔφη. [2.2.2] Ἦδη δέ ποτ' ἐσκέψω εἰ ἄρα, ὥσπερ τὸ ἀνδραποδίζεσθαι τοὺς μὲν φίλους ἄδικον εἶναι δοκεῖ, τοὺς δὲ πολεμίους δίκαιον εἶναι, οὕτω καὶ τὸ ἀχαριστεῖν πρὸς μὲν τοὺς φίλους ἄδικόν ἐστι, πρὸς δὲ τοὺς πολεμίους δίκαιον; Καὶ μάλα, ἔφη· καὶ δοκεῖ μοι, ὅφ' οὗ ἂν τις εὖ παθὼν εἴτε φίλου εἴτε πολεμίου μὴ πειρᾶται χάριν ἀποδιδόναι, ἄδικος εἶναι. [2.2.3] Οὐκοῦν, εἰ γ' οὕτως ἔχει τοῦτο, εἰλικρινῆς τις ἂν εἴη ἀδικία ἢ ἀχαριστία; συνωμολόγει. Οὐκοῦν ὅσοι ἂν τις μείζω ἀγαθὰ παθὼν μὴ ἀποδιδῶι χάριν, τοσοῦτωι ἀδικώτερος ἂν εἴη; συνέφη καὶ τοῦτο. Τίνας οὖν, ἔφη, ὑπὸ τίνων εὖροιμεν ἂν μείζω εὐηργετημένους ἢ παῖδας ὑπὸ γονέων; οὓς οἱ γονεῖς ἐκ μὲν οὐκ ὄντων ἐποίησαν εἶναι, τοσαῦτα δὲ καλὰ ἰδεῖν καὶ τοσοῦτων ἀγαθῶν μετασχεῖν, ὅσα οἱ θεοὶ παρέχουσι τοῖς ἀνθρώποις· ἃ δὴ καὶ οὕτως ἡμῖν δοκεῖ παντὸς ἄξια εἶναι ὥστε πάντες τὸ καταλιπεῖν αὐτὰ πάντων μάλιστα φεύγομεν, καὶ αἱ πόλεις ἐπὶ τοῖς μεγίστοις ἀδικήμασι ζημίαν θάνατον πεποιήκασιν ὥς οὐκ ἂν μείζονος κακοῦ φόβῳ τὴν ἀδικίαν παύσαντες. [2.2.4] καὶ μὴν οὐ τῶν γε ἀφροδισίων ἔνεκα παιδοποιεῖσθαι τοὺς ἀνθρώπους ὑπολαμβάνεις, ἐπεὶ τούτου γε τῶν ἀπολυσόντων μεσταὶ μὲν αἱ ὁδοί, μεστὰ δὲ τὰ οἰκήματα. φανεροὶ δ' ἐσμέν καὶ σκοπούμενοι ἐξ ὁποίων ἂν γυναικῶν βέλτιστα ἡμῖν τέκνα γένοιτο· αἷς συνελθόντες τεκνοποιούμεθα. [2.2.5] καὶ ὁ μὲν γε ἀνὴρ τὴν τε συντεκνοποιήσουσαν ἑαυτῷ τρέφει καὶ τοῖς μέλλουσιν ἔσεσθαι παισὶ προπαρασκευάζει πάντα, ὅσα ἂν οἴηται συνοίσειν αὐτοῖς πρὸς τὸν βίον, καὶ ταῦτα ὥς ἂν δύνηται πλεῖστα· ἡ δὲ γυνὴ ὑποδεξαμένη τε φέρει τὸ φορτίον τοῦτο, βαρυνομένη τε καὶ κινδυνεύουσα περὶ τοῦ βίου καὶ μεταδιδούσα τῆς τροφῆς, ἣ καὶ αὐτὴ τρέφεται, καὶ σὺν πολλῷ πόνῳ διενεγκούσα καὶ τεκοῦσα τρέφει τε καὶ ἐπιμελεῖται, οὔτε προπεπονθυῖα οὐδὲν ἀγαθὸν οὔτε γιγνώσκον τὸ βρέφος ὅφ' ὅτου εὖ πάσχει, οὐδὲ σημαίνειν δυνάμενον ὅτου δεῖται, ἀλλ' αὐτὴ στοχαζομένη τά τε συμφέροντα καὶ τὰ κεχαρισμένα πειρᾶται ἐκπληροῦν, καὶ τρέφει πολὺν χρόνον καὶ

ἡμέρας καὶ νυκτὸς ὑπομένουσα πονεῖν, οὐκ εἰδυῖα εἴ τινα τούτων χάριν ἀπολήψεται. [2.2.6] καὶ οὐκ ἀρκεῖ θρέψαι μόνον, ἀλλὰ καί, ἐπειδὰν δόξωσιν ἱκανοὶ εἶναι οἱ παῖδες μανθάνειν τι, ἃ μὲν ἂν αὐτοὶ ἔχωσιν οἱ γονεῖς ἀγαθὰ πρὸς τὸν βίον, διδάσκουσιν, ἃ δ' ἂν οἴωνται ἄλλον ἱκανώτερον εἶναι διδάξαι, πέμπουσι πρὸς τοῦτον δαπανῶντες, καὶ ἐπιμελοῦνται πάντα ποιοῦντες ὅπως οἱ παῖδες αὐτοῖς γένωνται ὡς δυνατόν βέλτιστοι. [2.2.7] πρὸς ταῦτα ὁ νεανίσκος εἶπεν· Ἀλλὰ τοι εἰ καὶ πάντα ταῦτα πεποίηκε καὶ ἄλλα τούτων πολλαπλάσια, οὐδεὶς ἂν δύναιτο αὐτῆς ἀνασχέσθαι τὴν χαλεπότητα. καὶ ὁ Σωκράτης, Πότερα δέ, ἔφη, οἶει θηρίου ἀγριότητα δυσφορωτέραν εἶναι ἢ μητρός; Ἐγὼ μὲν οἶμαι, ἔφη, τῆς μητρός, τῆς γε τοιαύτης. Ἦδη πώποτε οὖν ἢ δακοῦσα κακὸν τί σοι ἔδωκεν ἢ λακτίσασα, οἷα ὑπὸ θηρίων ἤδη πολλοὶ ἔπαθον; [2.2.8] Ἀλλὰ νῆ Δία, ἔφη, λέγει ἃ οὐκ ἂν τις ἐπὶ τῷ βίῳ παντὶ βούλοιο ἀκοῦσαι. Σὺ δὲ πόσα, ἔφη ὁ Σωκράτης, οἶει ταύτῃ [δυσάνεκτα] καὶ τῇ φωνῇ καὶ τοῖς ἔργοις ἐκ παιδίου δυσκολαίνων καὶ ἡμέρας καὶ νυκτὸς πράγματα παρασχεῖν, πόσα δὲ λυπῆσαι κάμνων; Ἀλλ' οὐδεπώποτε αὐτήν, ἔφη, οὐτ' εἶπα οὐτ' ἐποίησα οὐδὲν ἐφ' ᾧ ἡσχύνθη. [2.2.9] Τί δ'; οἶει, ἔφη, χαλεπώτερον εἶναί σοι ἀκοῦειν ὧν αὕτη λέγει ἢ τοῖς ὑποκριταῖς, ὅταν ἐν ταῖς τραγωιδίαις ἀλλήλους τὰ ἔσχατα λέγωσιν; Ἀλλ', οἶμαι, ἐπειδὴ οὐκ οἴονται τῶν λεγόντων οὔτε τὸν ἐλέγχοντα ἐλέγχειν ἵνα ζημιώσῃ οὔτε τὸν ἀπειλοῦντα ἀπειλεῖν ἵνα κακὸν τι ποιήσῃ, ραϊδίως φέρουσι. Σὺ δ' εὖ εἰδὼς ὅτι ἃ λέγει σοι ἡ μήτηρ οὐ μόνον οὐδὲν κακὸν νοοῦσα λέγει, ἀλλὰ καὶ βουλομένη σοι ἀγαθὰ εἶναι ὅσα οὐδενὶ ἄλλῳ, χαλεπαίνεις; ἢ νομίζεις κακόνουν τὴν μητέρα σοι εἶναι; Οὐ δῆτα ἔφη· τοῦτό γε οὐκ οἶομαι. [2.2.10] καὶ ὁ Σωκράτης, Οὐκοῦν, ἔφη, σὺ ταύτην, εὖνουν τέ σοι οὔσαν καὶ ἐπιμελομένην ὡς μάλιστα δύναται κάμνοντος ὅπως ὑγιάνῃς τε καὶ ὅπως τῶν ἐπιτηδείων μηδενὸς ἐνδεῆς ἔσει, καὶ πρὸς τούτοις πολλὰ τοῖς θεοῖς εὐχομένην ἀγαθὰ ὑπὲρ σοῦ καὶ εὐχὰς ἀποδιδούσαν, χαλεπὴν εἶναι φῆς; ἐγὼ μὲν οἶμαι, εἰ τοιαύτην μὴ δύνασαι φέρειν μητέρα, τὰγαθὰ σε οὐ δύνασθαι φέρειν. [2.2.11] εἰπὲ δέ μοι, ἔφη, πότερον ἄλλον τινὰ οἶει δεῖν θεραπεύειν; ἢ παρεσκεύασαι μηδενὶ ἀνθρώπων πειρᾶσθαι ἀρέσκειν μηδὲ πείθεσθαι μήτε στρατηγῶι μήτε ἄλλῳ ἄρχοντι; Ναὶ μὰ Δί' ἔγωγε, ἔφη. [2.2.12] Οὐκοῦν, ἔφη ὁ Σωκράτης, καὶ τῷ γείτονι βούλῃ σὺ ἀρέσκειν, ἵνα σοι καὶ πῦρ ἐναύῃ, ὅταν τούτου δέῃ, καὶ ἀγαθοῦ τέ σοι γίγνηται συλλήπτωρ καὶ, ἂν τι σφαλλόμενος τύχῃς, εὐνοϊκῶς

ἐγγύθεν βοηθῇ σοι; Ἔγωγε, ἔφη. Τί δέ; συνοδοιπόρον ἢ σύμπλουν, ἢ εἴ τωι ἄλλωι ἐντυγχάνοις, οὐδὲν ἂν σοι διαφέροι φίλον ἢ ἐχθρὸν γενέσθαι, ἢ καὶ τῆς παρὰ τούτων εὐνοίας οἶει δεῖν ἐπιμελεῖσθαι; Ἔγωγε, ἔφη. [2.2.13] Εἵτα τούτων μὲν ἐπιμελεῖσθαι παρεσκεύασαι, τὴν δὲ μητέρα τὴν πάντων μάλιστά σε φιλοῦσαν οὐκ οἶει δεῖν θεραπεύειν; οὐκ οἶσθ' ὅτι καὶ ἡ πόλις ἄλλης μὲν ἀχαριστίας οὐδεμιᾶς ἐπιμελεῖται οὐδὲ δικάζει, ἀλλὰ περιορᾷ τοὺς εὖ πεπονθότας χάριν οὐκ ἀποδόντας, ἐὰν δέ τις γονέας μὴ θεραπεύῃ, τούτῳ δίκην τε ἐπιτίθησι καὶ ἀποδοκιμάζουσα οὐκ ἔαι ἄρχειν τοῦτον, ὥς οὔτε ἂν τὰ ἱερὰ εὐσεβῶς θυόμενα ὑπὲρ τῆς πόλεως τούτου θύοντος οὔτε ἄλλο καλῶς καὶ δικαίως οὐδὲν ἂν τούτου πράξαντος; καὶ νῆ Δία ἐάν τις τῶν γονέων τελευτησάντων τοὺς τάφους μὴ κοσμήῃ, καὶ τοῦτο ἐξετάζει ἡ πόλις ἐν ταῖς τῶν ἀρχόντων δοκιμασίαις. [2.2.14] σὺ οὖν, ὦ παῖ, ἐὰν σωφρονῇς, τοὺς μὲν θεοὺς παραιτήσῃ συγγνώμονάς σοι εἶναι, εἴ τι παρημέληκας τῆς μητρός, μὴ σε καὶ οὗτοι νομίσαντες ἀχάριστον εἶναι οὐκ ἐθέλῃσωσιν εὖ ποιεῖν, τοὺς δὲ ἀνθρώπους φυλάξῃ μὴ σε αἰσθόμενοι τῶν γονέων ἀμελοῦντα πάντες ἀτιμάσωσιν, εἵτα ἐν ἐρημίαι φίλων ἀναφανῇς. εἰ γάρ σε ὑπλάβοιεν πρὸς τοὺς γονέας ἀχάριστον εἶναι, οὐδεὶς ἂν νομίσειεν εὖ σε ποιήσας χάριν ἀπολήψεσθαι.

[2.3.1] Χαιρεφῶντα δέ ποτε καὶ Χαιρεκράτην, ἀδελφῷ μὲν ὄντε ἀλλήλοιν, ἑαυτῷ δὲ γνωρίμῳ, αἰσθόμενος διαφορομένῳ, ἰδὼν τὸν Χαιρεκράτην, Εἰπέ μοι, ἔφη, ὦ Χαιρέκρατες, οὐ δήπου καὶ σὺ εἴ τῶν τοιούτων ἀνθρώπων, οἳ χρησιμώτερον νομίζουσι χρήματα ἢ ἀδελφούς; καὶ ταῦτα τῶν μὲν ἀφρόνων ὄντων, τοῦ δὲ φρονίμου, καὶ τῶν μὲν βοηθείας δεομένων, τοῦ δὲ βοηθεῖν δυναμένου, καὶ πρὸς τούτοις τῶν μὲν πλειόνων ὑπαρχόντων, τοῦ δὲ ἐνός. [2.3.2] θαυμαστὸν δὲ καὶ τοῦτο, εἴ τις τοὺς μὲν ἀδελφοὺς ζημίαν ἡγεῖται, ὅτι οὐ καὶ τὰ τῶν ἀδελφῶν κέκτηται, τοὺς δὲ πολίτας οὐχ ἡγεῖται ζημίαν, ὅτι οὐ καὶ τὰ τῶν πολιτῶν ἔχει, ἀλλ' ἐνταῦθα μὲν δύνανται λογίζεσθαι ὅτι κρεῖττον σὺν πολλοῖς οἰκοῦντα ἀσφαλῶς τάρκοῦντα ἔχειν ἢ μόνον διαιτώμενον τὰ τῶν πολιτῶν ἐπικινδύνως πάντα κεκτηῖσθαι, ἐπὶ δὲ τῶν ἀδελφῶν τὸ αὐτὸ τοῦτο ἀγνοοῦσι. [2.3.3] καὶ οἰκέτας μὲν οἱ δυνάμενοι ὠνοῦνται, ἵνα συνεργοὺς ἔχωσι, καὶ φίλους κτῶνται, ὥς βοηθῶν δεόμενοι, τῶν δ' ἀδελφῶν ἀμελοῦσιν, ὥσπερ ἐκ πολιτῶν μὲν γιγνομένους φίλους, ἐξ ἀδελφῶν δὲ οὐ γιγνομένους. [2.3.4] καὶ μὴν πρὸς φιλίαν μέγα μὲν ὑπάρχει τὸ ἐκ τῶν αὐτῶν φῦναι, μέγα δὲ τὸ

όμοῦ τραφῆναι, ἐπεὶ καὶ τοῖς θηρίοις πόθος τις ἐγγίγνεται τῶν συντρόφων· πρὸς δὲ τούτοις καὶ οἱ ἄλλοι ἄνθρωποι τιμῶσί τε μᾶλλον τοὺς συναδέλφους ὄντας τῶν ἀναδέλφων καὶ ἤττον τούτοις ἐπιτίθενται. [2.3.5] καὶ ὁ Χαιρεκράτης εἶπεν· Ἄλλ' εἰ μὲν, ὦ Σώκρατες, μὴ μέγα εἴη τὸ διάφορον, ἴσως ἂν δέοι φέρειν τὸν ἀδελφὸν καὶ μὴ μικρῶν ἔνεκα φεύγειν· ἀγαθὸν γάρ, ὥσπερ καὶ σὺ λέγεις, ἀδελφὸς ὢν οἶον δεῖ· ὁπότε μέντοι παντὸς ἐνδέοι καὶ πᾶν τὸ ἐναντιώτατον εἴη, τί ἂν τις ἐπιχειροίη τοῖς ἀδυνάτοις; [2.3.6] καὶ ὁ Σωκράτης ἔφη· Πότερα δέ, ὦ Χαιρέκρατες, οὐδενὶ ἀρέσαι δύναται Χαιρεφῶν, ὥσπερ οὐδὲ σοί, ἢ ἔστιν οἷς καὶ πάνυ ἀρέσκει; Διὰ τοῦτο γάρ τοι, ἔφη, ὦ Σώκρατες, ἄξιόν ἐστιν ἐμοὶ μισεῖν αὐτόν, ὅτι ἄλλοις μὲν ἀρέσκειν δύναται, ἐμοὶ δὲ ὅπου ἂν παρῇ πανταχοῦ καὶ ἔργῳ καὶ λόγῳ ζημία μᾶλλον ἢ ὠφέλειά ἐστιν. [2.3.7] Ἄρ' οὖν, ἔφη ὁ Σωκράτης, ὥσπερ ἵππος τῷ ἀνεπιστήμονι μὲν, ἐγχειροῦντι δὲ χρῆσθαι ζημία ἐστίν, οὕτω καὶ ἀδελφός, ὅταν τις αὐτῷ μὴ ἐπιστάμενος ἐγχειρῇ χρῆσθαι, ζημία ἐστί; [2.3.8] Πῶς δ' ἂν ἐγώ, ἔφη ὁ Χαιρεκράτης, ἀνεπιστήμων εἶην ἀδελφῷ χρῆσθαι, ἐπιστάμενός γε καὶ εὖ λέγειν τὸν εὖ λέγοντα καὶ εὖ ποιεῖν τὸν εὖ ποιοῦντα; τὸν μέντοι καὶ λόγῳ καὶ ἔργῳ πειρώμενον ἐμὲ ἀνιᾶν οὐκ ἂν δυναίμην οὔτ' εὖ λέγειν οὔτ' εὖ ποιεῖν, ἀλλ' οὐδὲ πειράσομαι. [2.3.9] καὶ ὁ Σωκράτης ἔφη· Θαυμαστά γε λέγεις, ὦ Χαιρέκρατες, εἰ κύνα μὲν, εἴ σοι ἦν ἐπὶ προβάτοις ἐπιτήδειος ὢν καὶ τοὺς μὲν ποιμένας ἡσπάζετο, σοὶ δὲ προσιόντι ἐχαλέπαινε, ἀμελήσας ἂν τοῦ ὀργίζεσθαι ἐπειρῶ εὖ ποιήσας πρᾶννεν αὐτόν, τὸν δὲ ἀδελφὸν φῆς μὲν μέγα ἀγαθὸν εἶναι ὄντα πρὸς σὲ οἶον δεῖ, ἐπίστασθαι δὲ ὁμολογῶν καὶ εὖ ποιεῖν καὶ εὖ λέγειν οὐκ ἐπιχειρεῖς μηχανᾶσθαι ὅπως σοι ὡς βέλτιστος ᾖ. [2.3.10] καὶ ὁ Χαιρεκράτης, Δέδοικα, ἔφη, ὦ Σώκρατες, μὴ οὐκ ἔχω ἐγὼ τοσαύτην σοφίαν ὥστε Χαιρεφῶντα ποιῆσαι πρὸς ἐμὲ οἶον δεῖ. Καὶ μὴν οὐδέν γε ποικίλον, ἔφη ὁ Σωκράτης, οὐδὲ καινὸν δεῖ ἐπ' αὐτόν, ὥς ἐμοὶ δοκεῖ, μηχανᾶσθαι, οἷς δὲ καὶ σὺ ἐπίστασαι αὐτὸς οἶομαι ἂν αὐτὸν ἁλόντα περὶ πολλοῦ ποιεῖσθαι σε. [2.3.11] Οὐκ ἂν φθάνοις, ἔφη, λέγων, εἴ τι ἦισθαι με φίλτρον ἐπιστάμενον ὃ ἐγὼ εἰδὼς λέληθα ἐμαυτόν. Λέγε δὴ μοι, ἔφη, εἴ τινα τῶν γνωρίμων βούλοιο κατεργάσασθαι, ὁπότε θύοι, καλεῖν σε ἐπὶ δεῖπνον, τί ἂν ποιούης; Δῆλον ὅτι κατάρχοιμ' ἂν τοῦ αὐτός, ὅτε θύοιμι, καλεῖν ἐκείνον. [2.3.12] Εἰ δὲ βούλοιο τῶν φίλων τινὰ προτρέψασθαι, ὁπότε ἀποδημοίης, ἐπιμελεῖσθαι τῶν σῶν, τί ἂν ποιούης; Δῆλον ὅτι πρότερος ἂν

ἐγχειροῖν ἐπιμελεῖσθαι τῶν ἐκείνου, ὅποτε ἀποδημοίῃ. [2.3.13] Εἰ δὲ βούλοιο ξένον ποιῆσαι ὑποδέχεσθαι σεαυτόν, ὅποτε ἔλθοις εἰς τὴν ἐκείνου, τί ἂν ποιήης; Δῆλον ὅτι καὶ τοῦτον πρότερος ὑποδεχοίμην ἂν, ὅποτε ἔλθοι Ἀθήναζε· καὶ εἴ γε βουλοίμην αὐτὸν προθυμεῖσθαι διαπράττειν μοι ἐφ' ἃ ἤκοιμι, δῆλον ὅτι καὶ τοῦτο δέοι ἂν πρότερον αὐτὸν ἐκείνῳ ποιεῖν. [2.3.14] Πάντ' ἄρα σύγε τὰ ἐν ἀνθρώποις φίλτρα ἐπιστάμενος πάλοι ἀπεκρύπτου· ἢ ὀκνεῖς, ἔφη, ἄρξαι, μὴ αἰσχροὺς φανῆις, ἐὰν πρότερος τὸν ἀδελφὸν εὖ ποιῆς; καὶ μὴν πλείστου γε δοκεῖ ἀνὴρ ἐπαίνου ἄξιος εἶναι, ὃς ἂν φθάνῃ τοὺς μὲν πολεμίους κακῶς ποιῶν, τοὺς δὲ φίλους εὐεργετῶν. εἰ μὲν οὖν ἐδόκει μοι Χαιρεφῶν ἡγεμονικώτερος εἶναι σοῦ πρὸς τὴν φιλίαν ταύτην, ἐκείνον ἂν ἐπειρώμην πείθειν πρότερον ἐγχειρεῖν τῷ σὲ φίλον ποιεῖσθαι· νῦν δέ μοι σὺ δοκεῖς ἡγούμενος μᾶλλον ἂν ἐξεργάσασθαι τοῦτο. [2.3.15] καὶ ὁ Χαιρεκράτης εἶπεν· Ἄτοπα λέγεις, ὦ Σώκρατες, καὶ οὐδαμῶς πρὸς σοῦ, ὅς γε κελεύεις ἐμὲ νεώτερον ὄντα καθηγεῖσθαι· καίτοι τούτου γε παρὰ πᾶσιν ἀνθρώποις τάναντία νομίζεται, τὸν πρεσβύτερον ἡγεῖσθαι παντὸς καὶ λόγου καὶ ἔργου. [2.3.16] Πῶς; ἔφη ὁ Σωκράτης· οὐ γὰρ καὶ ὁδοῦ παραχωρῆσαι τὸν νεώτερον πρεσβυτέρῳ συντυγχάνοντι πανταχοῦ νομίζεται καὶ καθήμενον ὑπαναστῆναι καὶ κοίτῃ μαλακῇ τιμῆσαι καὶ λόγῳ ὑπεῖξαι; ὦγαθέ, μὴ ὀκνεῖ, ἔφη, ἀλλ' ἐγχείρει τὸν ἄνδρα καταπραθύνειν, καὶ πάνυ ταχύ σοι ὑπακούσεται· οὐχ ὀρᾷς ὥς φιλότιμός ἐστι καὶ ἐλευθέριος; τὰ μὲν γὰρ πονηρὰ ἀνθρώπια οὐκ ἂν ἄλλως μᾶλλον ἔλοις ἢ εἰ δοίης τι, τοὺς δὲ καλοὺς κἀγαθοὺς ἀνθρώπους προσφιλῶς χρώμενος μάλιστ' ἂν κατεργάσαιο. [2.3.17] καὶ ὁ Χαιρεκράτης εἶπεν· Ἐὰν οὖν ἐμοῦ ταῦτα ποιούντος ἐκεῖνος μηδὲν βελτίων γίγνηται; Τί γὰρ ἄλλο, ἔφη ὁ Σωκράτης, ἢ κινδυνεύσεις ἐπιδειῖξαι σὺ μὲν χρηστός τε καὶ φιλάδελφος εἶναι, ἐκεῖνος δὲ φαῦλός τε καὶ οὐκ ἄξιος εὐεργεσίας; ἀλλ' οὐδὲν οἶμαι τούτων ἔσσεσθαι· νομίζω γὰρ αὐτόν, ἐπειδὴν αἰσθηταί σε προκαλούμενον ἑαυτὸν εἰς τὸν ἀγῶνα τοῦτον, πάνυ φιλονικῆσειν ὅπως περιγένηταί σου καὶ λόγῳ καὶ ἔργῳ εὖ ποιῶν. [2.3.18] νῦν μὲν γὰρ οὕτως, ἔφη, διάκεισθον, ὥσπερ εἰ τῷ χεῖρε, ἅς ὁ θεὸς ἐπὶ τῷ συλλαμβάνειν ἀλλήλοις ἐποίησεν, ἀφεμένῳ τούτου τράποιντο πρὸς τὸ διακωλύειν ἀλλήλῳ, ἢ εἰ τῷ πόδε θείαι μοίραι πεποιημένῳ πρὸς τὸ συνεργεῖν ἀλλήλοις, ἀμελήσαντε τούτου ἐμποδίζοιεν ἀλλήλῳ. [2.3.19] οὐκ ἂν πολλὴ ἀμαθία εἴη καὶ κακοδαιμονία τοῖς ἐπ' ὠφελείαι πεποιημένοις ἐπὶ βλάβῃ

χρησθαι; καὶ μὴν ἀδελφῷ γε, ὡς ἐμοὶ δοκεῖ, ὁ θεὸς ἐποίησεν ἐπὶ μείζονι ὠφελείᾳ ἀλλήλοιν ἢ χειρὲ τε καὶ πόδε καὶ ὀφθαλμῷ καὶ τᾶλλα ὅσα ἀδελφὰ ἔφυσεν ἀνθρώποις. χειρὲς μὲν γάρ, εἰ δέοι αὐτὰς τὰ πλέον ὀργυιᾶς διέχοντα ἅμα ποιῆσαι, οὐκ ἂν δύναιντο, πόδες δὲ οὐδ' ἂν ἐπὶ τὰ ὀργυιὰν διέχοντα ἔλθοιεν ἅμα, ὀφθαλμοὶ δὲ οἱ δοκοῦντες ἐπὶ πλείστον ἐξικνεῖσθαι οὐδ' ἂν τῶν ἐτι ἐγγυτέρῳ ὄντων τὰ ἔμπροσθεν ἅμα καὶ τὰ ὀπίσθεν ἰδεῖν δύναιντο· ἀδελφῷ δέ, φίλῳ ὄντε, καὶ πολὺ διεστῶτε πράττετον ἅμα καὶ ἐπ' ὠφελείᾳ ἀλλήλοιν.

[2.4.1] Ἦκουσα δέ ποτε αὐτοῦ καὶ περὶ φίλων διαλεγομένου ἐξ ὧν ἔμοιγε ἐδόκει μάλιστ' ἂν τις ὠφελεῖσθαι πρὸς φίλων κτήσιν τε καὶ χρεῖαν. τοῦτο μὲν γὰρ δὴ πολλῶν ἔφη ἀκούειν, ὡς πάντων κτημάτων κράτιστον ἂν εἴη φίλος σαφῆς καὶ ἀγαθός· ἐπιμελομένους δὲ παντὸς μᾶλλον ὁρᾷν ἔφη τοὺς πολλοὺς ἢ φίλων κτήσεως. [2.4.2] καὶ γὰρ οἰκίας καὶ ἀγροὺς καὶ ἀνδράποδα καὶ βοσκήματα καὶ σκευὴ κτωμένους τε ἐπιμελῶς ὁρᾷν ἔφη καὶ τὰ ὄντα σώζειν πειρωμένους, φίλον δέ, ὃ μέγιστον ἀγαθὸν εἶναι φασιν, ὁρᾷν ἔφη τοὺς πολλοὺς οὔτε ὅπως κτήσωνται φροντίζοντας οὔτε ὅπως οἱ ὄντες αὐτοῖς σώζωνται. [2.4.3] ἀλλὰ καὶ καμνόντων φίλων τε καὶ οἰκετῶν ὁρᾷν τινὰς ἔφη τοῖς μὲν οἰκέταις καὶ ἰατροῦς εἰσάγοντας καὶ τᾶλλα τὰ πρὸς ὑγίειαν ἐπιμελῶς παρασκευάζοντας, τῶν δὲ φίλων ὀλιγορῶντας, ἀποθανόντων τε ἀμφοτέρων ἐπὶ μὲν τοῖς οἰκέταις ἀχθομένους τε καὶ ζημίαν ἡγουμένους, ἐπὶ δὲ τοῖς φίλοις οὐδὲν οἰομένους ἐλαττωθῆναι, καὶ τῶν μὲν ἄλλων κτημάτων οὐδὲν ἐῶντας ἀθεράπευτον οὐδ' ἀνεπίσκεπτον, τῶν δὲ φίλων ἐπιμελείας δεομένων ἀμελοῦντας. [2.4.4] ἐτι δὲ πρὸς τούτοις ὁρᾷν ἔφη τοὺς πολλοὺς τῶν μὲν ἄλλων κτημάτων, καὶ πάνυ πολλῶν αὐτοῖς ὄντων, τὸ πλῆθος εἰδότας, τῶν δὲ φίλων, ὀλίγων ὄντων, οὐ μόνον τὸ πλῆθος ἀγνοοῦντας, ἀλλὰ καὶ τοῖς πυνθανομένοις τοῦτο καταλέγειν ἐγχειρήσαντας, οὓς ἐν τοῖς φίλοις ἔθεσαν, πάλιν τούτους ἀνατίθεσθαι τοσοῦτον αὐτοὺς τῶν φίλων φροντίζειν. [2.4.5] καίτοι πρὸς ποῖον κτῆμα τῶν ἄλλων παραβαλλόμενος φίλος ἀγαθός οὐκ ἂν πολλῶι κρείττων φανεῖ; ποῖος γὰρ ἵππος ἢ ποῖον ζευγὸς οὕτω χρήσιμον ὥσπερ ὁ χρηστὸς φίλος; ποῖον δὲ ἀνδράποδον οὕτως εὖνουν καὶ παραμόνιμον; ἢ ποῖον ἄλλο κτῆμα οὕτω πάγχρηστον; [2.4.6] ὁ γὰρ ἀγαθὸς φίλος ἑαυτὸν τάττει πρὸς πᾶν τὸ ἐλλείπον τῷ φίλῳ καὶ τῆς τῶν ἰδίων κατασκευῆς καὶ τῶν κοινῶν πράξεων, καί, ἂν τέ τινα εὖ ποιῆσαι δέηι, συνεπισχύει, ἂν τέ τις φόβος ταραττήι,

συμβοηθεῖ, τὰ μὲν συναναλίσκων, τὰ δὲ συμπράττων, καὶ τὰ μὲν συμπείθων, τὰ δὲ βιαζόμενος, καὶ εὖ μὲν πράττοντας πλεῖστα εὐφραίνων, σφαλλομένους δὲ πλεῖστα ἐπανορθῶν. [2.4.7] ἃ δὲ αἶ τε χεῖρες ἐκάστωι ὑπηρετοῦσι καὶ <οἱ> ὀφθαλμοὶ προορῶσι καὶ τὰ ὦτα προακούουσι καὶ οἱ πόδες διανύτουσι, τούτων φίλος εὐεργετῶν οὐδενὸς λείπεται· πολλάκις ἂν πρὸ αὐτοῦ τις ἢ οὐκ ἐξειργάσατο ἢ οὐκ εἶδεν ἢ οὐκ ἤκουσεν ἢ οὐ διήνυσε, ταῦτα ὁ φίλος πρὸ τοῦ φίλου ἐξήρκεσεν. ἀλλ' ὅμως ἔνιοι δένδρα μὲν πειρῶνται θεραπεύειν τοῦ καρποῦ ἕνεκεν, τοῦ δὲ παμφορωτάτου κτήματος, ὃ καλεῖται φίλος, ἀργῶς καὶ ἀνεμιμένως οἱ πλεῖστοι ἐπιμέλονται.

[2.5.1] Ἦκουσα δὲ ποτε καὶ ἄλλον αὐτοῦ λόγον, ὃς ἐδόκει μοι προτρέπειν τὸν ἀκούοντα ἐξετάζειν ἑαυτὸν ὁπόσου τοῖς φίλοις ἄξιος εἴη. ἰδὼν γάρ τινα τῶν συνόντων ἀμελοῦντα φίλου πενία πιεζομένου, ἦρετο Ἀντισθένη ἐναντίον τοῦ ἀμελοῦντος αὐτοῦ καὶ ἄλλων πολλῶν· [2.5.2] Ἄρ', ἔφη, ὦ Ἀντίσθενες, εἰσὶ τινες ἀξία φίλων, ὥσπερ οἰκετῶν; τῶν γὰρ οἰκετῶν ὁ μὲν που δυοῖν μναῖν ἄξιος ἐστίν, ὁ δὲ οὐδ' ἡμιμναῖον, ὁ δὲ πέντε μνῶν, ὁ δὲ καὶ δέκα· Νικίας δὲ ὁ Νικηράτου λέγεται ἐπιστάτην εἰς τὰργύρεια πρίασθαι ταλάντου· σκοποῦμαι δὴ τοῦτο, ἔφη, εἰ ἄρα, ὥσπερ τῶν οἰκετῶν, οὕτω καὶ τῶν φίλων εἰσὶν ἀξία. [2.5.3] Ναὶ μὰ Δί', ἔφη ὁ Ἀντισθένης· ἐγὼ γοῦν βουλοίμην ἂν τὸν μὲν τινα φίλον μοι εἶναι μᾶλλον ἢ δύο μναῖς, τὸν δ' οὐδ' ἂν ἡμιμναίου προτιμησαίμην, τὸν δὲ καὶ πρὸ δέκα μνῶν ἐλοίμην ἂν, τὸν δὲ πρὸ πάντων χρημάτων, καὶ ἑπτόνων ἑπταίμην ἂν φίλον μοι εἶναι. [2.5.4] Οὐκοῦν, ἔφη ὁ Σωκράτης, εἴ γε ταῦτα τοιαῦτά ἐστι, καλῶς ἂν ἔχοι ἐξετάζειν τινὰ ἑαυτὸν, πόσου ἄρα τυγχάνει τοῖς φίλοις ἄξιος ὢν, καὶ πειρᾶσθαι ὡς πλείστου ἄξιος εἶναι, ἵνα ἦττον αὐτὸν οἱ φίλοι προδιδῶσιν. ἐγὼ γάρ τοι, ἔφη, πολλάκις ἀκούων τοῦ μὲν ὅτι προῦδωκεν αὐτὸν φίλος ἀνὴρ, τοῦ δ' ὅτι μναῖν ἀνθ' ἑαυτοῦ μᾶλλον εἵλετο ἀνὴρ, ὃν ὤιετο φίλον εἶναι, [2.5.5] τὰ τοιαῦτα πάντα σκοπῶ, μή, ὥσπερ ὅταν τις οἰκέτην πονηρὸν πωλῇ καὶ ἀποδίδεται τοῦ εὐρόντος, οὕτω καὶ τὸν πονηρὸν φίλον, ὅταν ἐξῇ τὸ πλεόν τῆς ἀξίας λαβεῖν, ἐπαγωγὸν ἦι ἀποδίδοσθαι· τοὺς δὲ χρηστοὺς οὔτε οἰκέτας πάνυ τι πωλουμένους ὁρῶ οὔτε φίλους προδιδομένους.

[2.6.1] Ἐδόκει δὲ μοι καὶ εἰς τὸ δοκιμάζειν φίλους ὁποίους ἄξιον κτᾶσθαι φρενοῦν τοιάδε λέγων· Εἰπέ μοι, ἔφη, ὦ Κριτόβουλε, εἰ δεοίμεθα φίλου ἀγαθοῦ, πῶς ἂν ἐπιχειροίμεν σκοπεῖν; ἄρα πρῶτον μὲν ζητητέον, ὅστις ἄρχει γαστρός τε καὶ φιλοποσίας καὶ λαγνείας

καὶ ὕπνου καὶ ἀργίας; ὁ γὰρ ὑπὸ τούτων κρατούμενος οὐτ' αὐτὸς ἐαυτῷ δύναται ἂν οὔτε φίλῳ τὰ δέοντα πράττειν. Μὰ Δί' οὐ δῆτα, ἔφη. Οὐκοῦν τοῦ μὲν ὑπὸ τούτων ἀρχομένου ἀφεκτέον δοκεῖ σοι εἶναι; Πάνυ μὲν οὖν, ἔφη. [2.6.2] Τί γάρ; ἔφη, ὅστις δαπανηρὸς ὢν μὴ αὐτάρκης ἐστίν, ἀλλ' ἀεὶ τῶν πλησίον δεῖται, καὶ λαμβάνων μὲν μὴ δύναται ἀποδιδόναι, μὴ λαμβάνων δὲ τὸν μὴ διδόντα μισεῖ, οὐ δοκεῖ σοι καὶ οὗτος χαλεπὸς φίλος εἶναι; Πάνυ γ', ἔφη. Οὐκοῦν ἀφεκτέον καὶ τούτου; Ἀφεκτέον μέντοι, ἔφη. [2.6.3] Τί γάρ; ὅστις χρηματίζεσθαι μὲν δύναται, πολλῶν δὲ χρημάτων ἐπιθυμεῖ, καὶ διὰ τοῦτο δυσσύμβολός ἐστι, καὶ λαμβάνων μὲν ἥδεται, ἀποδιδόναι δὲ μὴ βούλεται; Ἐμοὶ μὲν δοκεῖ, ἔφη, οὗτος ἐτι πονηρότερος ἐκείνου εἶναι. [2.6.4] Τί δ'; ὅστις διὰ τὸν ἔρωτα τοῦ χρηματίζεσθαι μηδὲ πρὸς ἓν ἄλλο σχολὴν ποιεῖται ἢ ὁπόθεν αὐτὸς τι κερδανεῖ; Ἀφεκτέον καὶ τούτου, ὡς ἐμοὶ δοκεῖ· ἀνωφελὴς γὰρ ἂν εἴη τῷ χρωμένῳ. Τί δέ; ὅστις στασιώδης τέ ἐστι καὶ θέλων πολλοὺς τοῖς φίλοις ἐχθροὺς παρέχειν; Φευκτέον νῆ Δία καὶ τοῦτον. Εἰ δέ τις τούτων μὲν τῶν κακῶν μηδὲν ἔχει, εὖ δὲ πάσχων ἀνέχεται, μηδὲν φροντίζων τοῦ ἀντευεργετῆν; Ἀνωφελὴς ἂν εἴη καὶ οὗτος. ἀλλὰ ποῖον, ὦ Σώκρατες, ἐπιχειρήσομεν φίλον ποιεῖσθαι; [2.6.5] Οἶμαι μὲν, ὅστις τάναντία τούτων ἐγκρατὴς μὲν ἐστὶ τῶν διὰ τοῦ σώματος ἡδονῶν, εὖοικος δὲ καὶ εὐσύμβολος ὢν τυγχάνει καὶ φιλόνικος πρὸς τὸ μὴ ἐλλείπεσθαι εὖ ποιῶν τοὺς εὐεργετοῦντας αὐτόν, ὥστε λυσitteλεῖν τοῖς χρωμένοις. [2.6.6] Πῶς οὖν ἂν ταῦτα δοκιμάσαιμεν, ὦ Σώκρατες, πρὸ τοῦ χρῆσθαι; Τοὺς μὲν ἀνδριαντοποιούς, ἔφη, δοκιμάζομεν οὐ τοῖς λόγοις αὐτῶν τεκμαιρόμενοι, ἀλλ' ὃν ἂν ὀρώμεν τοὺς πρόσθεν ἀνδριάντας καλῶς εἰργασμένον, τούτῳ πιστεύομεν καὶ τοὺς λοιποὺς εὖ ποιήσιν. [2.6.7] Καὶ ἄνδρα δὴ λέγεις, ἔφη, ὃς ἂν τοὺς φίλους τοὺς πρόσθεν εὖ ποιῶν φαίνεται, δῆλον εἶναι καὶ τοὺς ὕστερον εὐεργετήσοντα; Καὶ γὰρ ἵπποις, ἔφη, ὃν ἂν ὀρῶ τοῖς πρόσθεν καλῶς χρώμενον, τοῦτον κἂν ἄλλοις οἶμαι καλῶς χρῆσθαι. [2.6.8] φίλον τοῦτον ποιεῖσθαι; Πρῶτον μὲν, ἔφη, τὰ παρὰ τῶν θεῶν Εἶεν, ἔφη· ὃς δ' ἂν ἡμῖν ἄξιος φιλίας δοκῇ εἶναι, πῶς χρὴ ἐπισκεπτέον, εἰ συμβουλευόουσιν αὐτὸν φίλον ποιεῖσθαι. Τί οὖν; ἔφη, ὃν ἂν ἡμῖν τε δοκῇ καὶ οἱ θεοὶ μὴ ἐναντιῶνται, ἔχεις εἰπεῖν ὅπως οὗτος θηρατέος; [2.6.9] Μὰ Δί', ἔφη, οὐ κατὰ πόδας, ὥσπερ ὁ λαγῶς, οὐδ' ἀπάτηι, ὥσπερ αἱ ὄρνιθες, οὐδὲ βίαι, ὥσπερ οἱ ἐχθροί· ἄκοντα γὰρ φίλον ἐλεῖν ἐργῶδες· χαλεπὸν δὲ καὶ δῆσαντα κατέχειν, ὥσπερ δοῦλον·

ἐχθροὶ γὰρ μᾶλλον ἢ φίλοι γίνονται <οἱ> ταῦτα πάσχοντες. Φίλοι δὲ πῶς; ἔφη. [2.6.10] Εἶναι μὲν τινὰς φασιν ἐπωιδάς, ἃς οἱ ἐπιστάμενοι ἐπάιδοντες οἷς ἂν βούλωνται φίλους αὐτοὺς ποιοῦνται· εἶναι δὲ καὶ φίλτρα, οἷς οἱ ἐπιστάμενοι πρὸς οὓς ἂν βούλωνται χρώμενοι φιλοῦνται ὑπ' αὐτῶν. [2.6.11] Πόθεν οὖν, ἔφη, ταῦτα μάθοιμεν ἄν; Ἄ μὲν αἱ Σειρήνες ἐπῆιδον τῷ Ὀδυσσεῖ ἡκουσας Ὀμήρου, ὧν ἐστὶν ἀρχὴ τοιάδε τις·

Δεῦρ' ἄγε δῆ, πολύαιν' Ὀδυσεῦ, μέγα κῦδος Ἀχαιῶν.

Ταύτην οὖν, ἔφη, τὴν ἐπωιδήν, ὃ Σώκρατες, καὶ τοῖς ἄλλοις ἀνθρώποις αἱ Σειρήνες ἐπάιδουσαι κατεῖχον, ὥστε μὴ ἀπιέναι ἀπ' αὐτῶν τοὺς ἐπαισθέντας; [2.6.12] Οὐκ ἀλλὰ τοῖς ἐπ' ἀρετῇ φιλοτιμουμένοις οὕτως ἐπῆιδον. Σχεδόν τι λέγεις τοιαῦτα χρῆναι ἐκάστω ἐπάδειν, οἷα μὴ νομιεῖ ἀκούων τὸν ἐπαινοῦντα καταγελῶντα λέγειν; Οὕτω μὲν γὰρ ἐχθίων τ' ἂν εἴη καὶ ἀπελαύνει τοὺς ἀνθρώπους ἀφ' ἑαυτοῦ, εἰ τὸν εἰδότα ὅτι μικρὸς τε καὶ αἰσχροὺς καὶ ἀσθενὴς ἐστὶν ἐπαινοίη λέγων ὅτι καλὸς τε καὶ μέγας καὶ ἰσχυρὸς ἐστίν. Ἄλλας δὲ τινὰς οἴσθα ἐπωιδάς; [2.6.13] Οὐκ ἀλλ' ἡκουσα μὲν ὅτι Περικλῆς πολλὰς ἐπίσταιτο, ἃς ἐπάιδων τῇ πόλει ἐποίει αὐτὴν φιλεῖν αὐτόν; Θεμιστοκλῆς δὲ πῶς ἐποίησε τὴν πόλιν φιλεῖν αὐτόν; Μὰ Δί' οὐκ ἐπάιδων, ἀλλὰ περιάψας τι ἀγαθὸν αὐτῇ. [2.6.14] Δοκεῖς μοι λέγειν, ὃ Σώκρατες, ὥς εἰ μέλλοιμεν ἀγαθὸν τινα κτήσασθαι φίλον, αὐτοὺς ἡμᾶς ἀγαθοὺς δεῖ γενέσθαι λέγειν τε καὶ πράττειν. Σὺ δ' ὦιου, ἔφη ὁ Σωκράτης, οἷόν τ' εἶναι καὶ πονηρὸν ὄντα χρηστοὺς φίλους κτήσασθαι; [2.6.15] Ἐώρων γάρ, ἔφη ὁ Κριτόβουλος, ρήτοράς τε φαύλους ἀγαθοῖς δημηγόροις φίλους ὄντας, καὶ στρατηγεῖν οὐχ ἱκανοὺς πάνυ στρατηγικοῖς ἀνδράσιν ἐταίρους. [2.6.16] Ἄρ' οὖν, ἔφη, καί, περὶ οὗ διαλεγόμεθα, οἴσθα τινὰς οἱ ἀνωφελεῖς ὄντες ὠφελίμους δύνανται φίλους ποιεῖσθαι; Μὰ Δί' οὐ δῆτ', ἔφη· ἀλλ' εἰ ἀδύνατόν ἐστι πονηρὸν ὄντα καλοὺς καγαθοὺς φίλους κτήσασθαι, ἐκεῖνο ἤδη μέλει μοι, εἰ ἔστιν αὐτὸν καλὸν καγαθὸν γένόμενον ἐξ ἐτοίμου τοῖς καλοῖς καγαθοῖς φίλον εἶναι. [2.6.17] Ὁ ταράττει σε, ὃ Κριτόβουλε, ὅτι πολλάκις ἄνδρας καὶ <τὰ> καλὰ πράττοντας καὶ τῶν αἰσchrῶν ἀπεχομένους ὁρᾷς ἀντὶ τοῦ φίλους εἶναι στασιάζοντας ἀλλήλοις καὶ χαλεπώτερον χρωμένους τῶν μηδενὸς ἀξίων ἀνθρώπων. [2.6.18] Καὶ οὐ μόνον γ', ἔφη ὁ Κριτόβουλος, οἱ ἰδιῶται τοῦτο ποιοῦσιν, ἀλλὰ καὶ πόλεις αἱ τῶν τε καλῶν μάλιστα ἐπιμελόμεναι καὶ τὰ αἰσchrὰ ἥκιστα προσιέμεναι

πολλάκις πολεμικῶς ἔχουσι πρὸς ἀλλήλας. [2.6.19] ἃ λογιζόμενος πάνυ ἀθύμως ἔχω πρὸς τὴν τῶν φίλων κτῆσιν· οὔτε γὰρ τοὺς πονηροὺς ὀρῶ φίλους ἀλλήλοις δυναμένους εἶναι· πῶς γὰρ ἂν ἡ ἀχάριστοι ἢ ἀμελεῖς ἢ πλεονέκται ἢ ἄπιστοι ἢ ἀκρατεῖς ἄνθρωποι δύναιντο φίλοι γενέσθαι; οἱ μὲν οὖν πονηροὶ πάντως ἔμοιγε δοκοῦσιν ἀλλήλοις ἐχθροὶ μᾶλλον ἢ φίλοι πεφυκέναι. [2.6.20] ἀλλὰ μὴν, ὥσπερ σὺ λέγεις, οὐδ' ἂν τοῖς χρηστοῖς οἱ πονηροὶ ποτε συναρμόσειαν εἰς φιλίαν· πῶς γὰρ οἱ τὰ πονηρὰ ποιοῦντες τοῖς τὰ τοιαῦτα μισοῦσι φίλοι γένοιτ' ἂν; εἰ δὲ δὴ καὶ οἱ ἀρετὴν ἀσκοῦντες στασιάζουσί τε περὶ τοῦ πρωτεύειν ἐν ταῖς πόλεσι καὶ φθονοῦντες ἑαυτοῖς μισοῦσιν ἀλλήλους, τίνες ἔτι φίλοι ἔσονται καὶ ἐν τίσιν ἀνθρώποις εὖνοια καὶ πίστις ἔσται; [2.6.21] Ἀλλ' ἔχει μὲν, ἔφη ὁ Σωκράτης, ποικίλως πῶς ταῦτα, ὦ Κριτόβουλε. φύσει γὰρ ἔχουσιν οἱ ἄνθρωποι τὰ μὲν φιλικὰ· δέονται τε γὰρ ἀλλήλων καὶ ἐλεοῦσι καὶ συνεργοῦντες ὠφελοῦσι καὶ τοῦτο συνιέντες χάριν ἔχουσιν ἀλλήλοις· τὰ δὲ πολεμικά· τὰ τε γὰρ αὐτὰ καλὰ καὶ ἡδέα νομίζοντες ὑπὲρ τούτον μάχονται καὶ διχογνωμονοῦντες ἐναντιοῦνται· πολεμικὸν δὲ καὶ ἔρις καὶ ὀργή· καὶ δυσμενὲς μὲν ὁ τοῦ πλεονεκτεῖν ἔρως, μισητὸν δὲ ὁ φθόνος. [2.6.22] ἀλλ' ὅμως διὰ τούτων πάντων ἡ φιλία διαδουμένη συνάπτει τοὺς καλοὺς τε καγαθοὺς. διὰ γὰρ τὴν ἀρετὴν αἰροῦνται μὲν ἄνευ πόνου τὰ μέτρια κεκτηῖσθαι μᾶλλον ἢ διὰ πολέμου πάντων κυριεῦειν, καὶ δύνανται πεινῶντες καὶ διψῶντες ἀλύπως σίτου καὶ ποτοῦ κοινωνεῖν καὶ τοῖς τῶν ὡραίων ἀφροδισίοις ἡδόμενοι καρτερεῖν, ὥστε μὴ λυπεῖν οὓς μὴ προσήκει· [2.6.23] δύνανται δὲ καὶ χρημάτων οὐ μόνον τοῦ πλεονεκτεῖν ἀπεχόμενοι νομίμως κοινωνεῖν, ἀλλὰ καὶ ἐπαρκεῖν ἀλλήλοις· δύνανται δὲ καὶ τὴν ἔριν οὐ μόνον ἀλύπως, ἀλλὰ καὶ συμφερόντως ἀλλήλοις διατίθεσθαι καὶ τὴν ὀργὴν κωλύειν εἰς τὸ μεταμελησόμενον προϊέναι· τὸν δὲ φθόνον παντάπασιν ἀφαιροῦσι, τὰ μὲν ἑαυτῶν ἀγαθὰ τοῖς φίλοις οἰκεῖα παρέχοντες, τὰ δὲ τῶν φίλων ἑαυτῶν νομίζοντες. [2.6.24] πῶς οὖν οὐκ εἰκὸς τοὺς καλοὺς καγαθοὺς καὶ τῶν πολιτικῶν τιμῶν μὴ μόνον ἀβλαβεῖς, ἀλλὰ καὶ ὠφελίμους ἀλλήλοις κοινωνοὺς εἶναι; οἱ μὲν γὰρ ἐπιθυμοῦντες ἐν ταῖς πόλεσι τιμᾶσθαι τε καὶ ἄρχειν, ἵνα ἐξουσίαν ἔχωσι χρήματά τε κλέπτειν καὶ ἀνθρώπους βιάζεσθαι καὶ ἡδυπαθεῖν, ἄδικοί τε καὶ πονηροὶ ἂν εἶεν καὶ ἀδύνατοι ἄλλῳι συναρμόσαι. [2.6.25] εἰ δέ τις ἐν πόλει τιμᾶσθαι βουλόμενος, ὅπως αὐτός τε μὴ ἀδικῆται καὶ τοῖς φίλοις τὰ δίκαια βοηθεῖν δύνηται, καὶ ἄρξας ἀγαθόν τι ποιεῖν τὴν πατρίδα πειρᾶται,

διὰ τί ὁ τοιοῦτος ἄλλωι τοιούτῳ οὐκ ἂν δύναιτο συναρμόσαι; πότερον τοὺς φίλους ὠφελεῖν μετὰ τῶν καλῶν κάγαθων ἤττον δυνήσεται; ἢ τὴν πόλιν εὐεργετεῖν ἀδυνατώτερος ἔσται καλοὺς κάγαθοὺς ἔχων συνεργούς; [2.6.26] ἀλλὰ καὶ ἐν τοῖς γυμνικοῖς ἀγῶσι δῆλόν ἐστιν, ὅτι, εἰ ἐξῆν τοῖς κρατίστοις συνθεμένους ἐπὶ τοὺς χεῖρους ἰέναι, πάντας ἂν τοὺς ἀγῶνας οὗτοι ἐνίκων καὶ πάντα τὰ ἄθλα οὗτοι ἐλάμβανον. ἐπεὶ οὖν ἐκεῖ μὲν οὐκ ἐῷσι τοῦτο ποιεῖν, ἐν δὲ τοῖς πολιτικοῖς, ἐν οἷς οἱ καλοὶ κάγαθοὶ κρατιστεύουσιν, οὐδεὶς κωλύει μεθ' οὗ ἂν τις βούληται τὴν πόλιν εὐεργετεῖν, πῶς οὐ λυσιτελεῖ τοὺς βελτίστους φίλους κτησάμενον πολιτεύεσθαι, τούτοις κοινωνοῖς καὶ συνεργοῖς τῶν πράξεων μᾶλλον ἢ ἀνταγωνισταῖς χρώμενον; [2.6.27] ἀλλὰ μὴν κάκεῖνο δῆλον, ὅτι κἂν πολεμῇ τις τι, συμμαχῶν δεῖσεται, καὶ τούτων πλείονων, ἐὰν καλοῖς κάγαθοῖς ἀντιτάττηται. καὶ μὴν οἱ συμμαχεῖν ἐθέλοντες εὖ ποιητέοι, ἵνα θέλωσι προθυμεῖσθαι· πολὺ δὲ κρεῖττον τοὺς βελτίστους ἐλάττοντας εὖ ποιεῖν ἢ τοὺς χείρονας πλείονας ὄντας· οἱ γὰρ πονηροὶ πολὺ πλείονων εὐεργεσιῶν ἢ οἱ χρηστοὶ δέονται. [2.6.28] ἀλλὰ θαρρῶν, ἔφη, ὦ Κριτόβουλε, πειρῶ ἀγαθὸς γίνεσθαι, καὶ τοιοῦτος γενόμενος θηρᾶν ἐπιχείρει τοὺς καλοὺς τε κάγαθοὺς. ἴσως δ' ἂν τί σοι κάγῳ συλλαβεῖν εἰς τὴν τῶν καλῶν τε κάγαθων θήραν ἔχοιμι διὰ τὸ ἐρωτικὸς εἶναι· δεινῶς γάρ, ὣν ἂν ἐπιθυμήσω ἀνθρώπων, ὅλος ὥρμηται ἐπὶ τὸ φιλῶν τε αὐτοὺς ἀντιφιλεῖσθαι ὑπ' αὐτῶν καὶ ποθῶν ἀντιποθεῖσθαι, καὶ ἐπιθυμῶν συνεῖναι καὶ ἀντεπιθυμεῖσθαι τῆς συνουσίας. [2.6.29] ὁρῶ δὲ καὶ σοὶ τούτων δεῖσον, ὅταν ἐπιθυμήσης φιλίαν πρὸς τινος ποιεῖσθαι· μὴ οὖν ἀποκρύπτου με οἷς ἂν βούληται φίλος γενέσθαι· διὰ γὰρ τὸ ἐπιμελεῖσθαι τοῦ ἀρέσαι τῷ ἀρέσκοντί μοι οὐκ ἀπείρως οἶμαι ἔχειν πρὸς θήραν ἀνθρώπων. [2.6.30] καὶ ὁ Κριτόβουλος ἔφη· Καὶ μὴν, ὦ Σώκρατες, τούτων ἐγὼ τῶν μαθημάτων πάλαι ἐπιθυμῶ ἄλλως τε καὶ εἰ ἐξαρκέσει μοι ἢ αὐτὴ ἐπιστήμη ἐπὶ τοὺς ἀγαθοὺς τὰς ψυχὰς καὶ ἐπὶ τοὺς καλοὺς τὰ σώματα. [2.6.31] καὶ ὁ Σωκράτης ἔφη· Ἀλλ', ὦ Κριτόβουλε, οὐκ ἔστιν ἐν τῇ ἐμῇ ἐπιστήμῃ τὸ τὰς χεῖρας προσφέροντα ποιεῖν ὑπομένειν τοὺς καλοὺς. πέπεισμαι δὲ καὶ ἀπὸ τῆς Σκύλλης διὰ τοῦτο φεύγειν τοὺς ἀνθρώπους, ὅτι τὰς χεῖρας αὐτοῖς προσέφερε· τὰς δὲ γε Σειρήνας, ὅτι τὰς χεῖρας οὐδενὶ προσέφερον, ἀλλὰ πᾶσι πόρρωθεν ἐπηίδον, πάντας φασὶν ὑπομένειν καὶ ἀκούοντας αὐτῶν κηλεῖσθαι. [2.6.32] καὶ ὁ Κριτόβουλος ἔφη· Ὡς οὐ προσοίσοντος τὰς χεῖρας, εἴ τι

ἔχεις ἀγαθὸν εἰς φίλων κτήσιν, δίδασκε. Οὐδὲ τὸ στόμα οὖν, ἔφη ὁ Σωκράτης, πρὸς τὸ στόμα προσοίσεις; Θάρρει, ἔφη ὁ Κριτόβουλος· οὐδε γὰρ τὸ στόμα πρὸς τὸ στόμα προσοίσω οὐδενί, ἐὰν μὴ καλὸς ᾖ. Εὐθύς, ἔφη, σύγε, ὦ Κριτόβουλε, τοῦναντίον τοῦ συμφέροντος εἴρηκας. οἱ μὲν γὰρ καλοὶ τὰ τοιαῦτα οὐχ ὑπομένουσιν· οἱ δὲ αἰσχροὶ καὶ ἡδέως προσίενται, νομίζοντες διὰ τὴν ψυχὴν καλοὶ καλεῖσθαι. [2.6.33] καὶ ὁ Κριτόβουλος ἔφη· Ὡς τοὺς μὲν καλοὺς φιλήσοντός μου, τοὺς δ' ἀγαθοὺς καταφιλήσοντος, θαρρῶν δίδασκε τῶν φίλων τὰ θηρατικά. καὶ ὁ Σωκράτης ἔφη· Ὅταν οὖν, ὦ Κριτόβουλε, φίλος τινὶ βούλῃ γενέσθαι, ἐάσεις με κατεπεῖν σου πρὸς αὐτὸν ὅτι ἄγασαί τε αὐτοῦ καὶ ἐπιθυμεῖς φίλος αὐτοῦ εἶναι; Κατηγόρει, ἔφη ὁ Κριτόβουλος· οὐδένα γὰρ οἶδα μισοῦντα τοὺς ἐπαινοῦντας. [2.6.34] Ἐὰν δέ σου προσκατηγορήσω, ἔφη, ὅτι διὰ τὸ ἄγασθαι αὐτοῦ καὶ εὐνοϊκῶς ἔχεις πρὸς αὐτόν, ἄρα μὴ διαβάλλεσθαι δόξεις ὑπ' ἐμοῦ; Ἀλλὰ καὶ αὐτῷ μοι, ἔφη, ἐγγίγνεται εὖνοια πρὸς οὓς ἂν ὑπολάβω εὖνο ἰκῶς ἔχειν πρὸς ἐμέ. [2.6.35] Ταῦτα μὲν δὴ, ἔφη ὁ Σωκράτης, ἐξεῖται μοι λέγειν περὶ σοῦ πρὸς οὓς ἂν βούλῃ φίλους ποιήσασθαι· ἐὰν δέ μοι ἔτι ἐξουσίαν δῶις λέγειν περὶ σοῦ ὅτι ἐπιμελής τε τῶν φίλων εἶ καὶ οὐδενὶ οὕτω χαίρεις ὥς φίλοις ἀγαθοῖς, καὶ ἐπὶ τε τοῖς καλοῖς ἔργοις τῶν φίλων ἀγάλλῃ οὐχ ἥττον ἢ ἐπὶ τοῖς ἑαυτοῦ καὶ ἐπὶ τοῖς ἀγαθοῖς τῶν φίλων χαίρεις οὐδὲν ἥττον ἢ ἐπὶ τῖς ἑαυτοῦ, ὅπως τε ταῦτα γίγνεται τοῖς φίλοις οὐκ ἀποκάμνεις μηχανώμενος, καὶ ὅτι ἔγνωκας ἀνδρὸς ἀρετὴν εἶναι νικᾶν τοὺς μὲν φίλους εὖ ποιοῦντα, τοὺς δ' ἐχθροὺς κακῶς, πάννυ ἂν οἶμαί σοι ἐπιτήδειον εἶναί με σύνθηρον τῶν ἀγαθῶν φίλων. [2.6.36] Τί οὖν, ἔφη ὁ Κριτόβουλος, ἐμοὶ τοῦτο λέγεις, ὥσπερ οὐκ ἐπὶ σοὶ ὃν ὃ τι ἂν βούλῃ περὶ ἐμοῦ λέγειν; Μὰ Δί' οὐχ ὥς ποτε ἐγὼ Ἀσπασίας ἤκουσα· ἔφη γὰρ τὰς ἀγαθὰς προμνηστρίδας μετὰ μὲν ἀληθείας τὰγαθὰ διαγγελλούσας δεινὰς εἶναι συνάγειν ἀνθρώπους εἰς κηδεῖαν, ψευδομένας δ' οὐκ ἐθέλειν ἐπαινεῖν· τοὺς γὰρ ἐξαπατηθέντας ἅμα μισεῖν ἀλλήλους τε καὶ τὴν προμνησαμένην. ἃ δὴ καὶ ἐγὼ πεισθεὶς ὀρθῶς ἔχειν ἡγοῦμαι οὐκ ἐξεῖναί μοι περὶ σοῦ λέγειν ἐπαινοῦντι οὐδὲν ὃ τι ἂν μὴ ἀληθεύω. [2.6.37] Σὺ μὲν ἄρα, ἔφη ὁ Κριτόβουλος, τοιοῦτός μοι φίλος εἶ, ὦ Σώκρατες, οἷος, ἂν μὲν τι αὐτὸς ἔχω ἐπιτήδειον εἰς τὸ φίλους κτήσασθαι, συλλαμβάνειν μοι· εἰ δὲ μή, οὐκ ἂν ἐθέλοις πλάσας τι εἰπεῖν ἐπὶ τῇ ἐμῇ ὠφελείᾳ. Πότερα δ' ἂν, ἔφη ὁ Σωκράτης, ὦ Κριτόβουλε, δοκῶ σοι μᾶλλον ὠφελεῖν σε τὰ ψευδῇ ἐπαινῶν ἢ

πείθων πειρᾶσθαι σε ἀγαθὸν ἄνδρα γενέσθαι; [2.6.38] εἰ δὲ μὴ φανερόν οὕτω σοι, ἐκ τῶνδε σκέψαι· εἰ γάρ σε βουλόμενος φίλον ποιῆσαι ναυκλήρῳ ψευδόμενος ἐπαινοίην, φάσκων ἀγαθὸν εἶναι κυβερνήτην, ὁ δέ μοι πεισθεὶς ἐπιτρέψειέ σοι τὴν ναῦν μὴ ἐπισταμένῳ κυβερνᾶν, ἔχεις τινὰ ἐλπίδα μὴ ἂν σαυτόν τε καὶ τὴν ναῦν ἀπολέσαι; ἢ εἴ σοι πείσαιμι κοινῇ τὴν πόλιν ψευδόμενος, ὥς ἂν στρατηγικῶι τε καὶ δικαστικῶι καὶ πολιτικῶι, ἑαυτὴν ἐπιτρέψαι, τί ἂν οἶε σεαυτὸν καὶ τὴν πόλιν ὑπὸ σοῦ παθεῖν; ἢ εἴ τινας ἰδία τῶν πολιτῶν πείσαιμι ψευδόμενος, ὥς ὄντι οἰκονομικῶι τε καὶ ἐπιμελεῖ, τὰ ἑαυτῶν ἐπιτρέψαι, ἄρ' οὐκ ἂν πείραν διδοὺς ἅμα τε βλαβερὸς εἴης καὶ καταγέλαστος φαίνοιο; [2.6.39] ἀλλὰ συντομωτάτῃ τε καὶ ἀσφαλεστάτῃ καὶ καλλίστῃ ὁδός, ᾧ Κριτόβουλε, ὃ τι ἂν βούληι δοκεῖν ἀγαθὸς εἶναι, τοῦτο καὶ γενέσθαι ἀγαθὸν πειρᾶσθαι· ὅσαι δ' ἐν ἀνθρώποις ἀρεταὶ λέγονται, σκοπούμενος εὐρήσεις πάσας μαθήσει τε καὶ μελέτηι αὐξανομένας. ἐγὼ μὲν οὖν, ᾧ Κριτόβουλε, οἶμαι δεῖν ἡμᾶς ...· εἰ δὲ σύ πως ἄλλως γινώσκεις, δίδασκε. καὶ ὁ Κριτόβουλος, Ἄλλ' αἰσχυνοίμην ἂν, ἔφη, ᾧ Σώκρατες, ἀντιλέγων τούτοις· οὔτε γὰρ καλὰ οὔτε ἀληθῆ λέγοιμ' ἂν.

[2.7.1] Καὶ μὴν τὰς ἀπορίας γε τῶν φίλων τὰς μὲν δι' ἄγνοιαν ἐπειρᾶτο γνώμηι ἀκείσθαι, τὰς δὲ δι' ἔνδειαν διδάσκων κατὰ δύναμιν ἀλλήλοις ἐπαρκεῖν. ἐρῶ δὲ καὶ ἐν τούτοις ἃ σύνοιδα αὐτῶι. Ἀρίσταρχον γάρ ποτε ὁρῶν σκυθρωπῶς ἔχοντα, Ἔοικας, ἔφη, ᾧ Ἀρίσταρχε, βαρέως φέρειν τι. χρή δὲ τοῦ βάρους μεταδιδόναι τοῖς φίλοις· ἴσως γὰρ ἂν τί σε καὶ ἡμεῖς κουφίσαιμεν. [2.7.2] καὶ ὁ Ἀρίσταρχος, Ἀλλὰ μὴν, ἔφη, ᾧ Σώκρατες, ἐν πολλῇ γέ εἰμι ἀπορίαί. ἐπεὶ γὰρ ἐστασίασεν ἡ πόλις, πολλῶν φυγόντων εἰς τὸν Πειραιᾶ, συνεληλύθασιν ὥς ἐμὲ καταλελειμμένοι ἀδελφαί τε καὶ ἀδελφιδαῖ καὶ ἀνεψιαὶ τοσαῦται ὥστ' εἶναι ἐν τῇ οἰκίᾳ τέτταρας καὶ δέκα τοὺς ἐλευθέρους. λαμβάνομεν δὲ οὔτε ἐκ τῆς γῆς οὐδέν· οἱ γὰρ ἐναντίοι κρατοῦσιν αὐτῆς· οὔτ' ἀπὸ τῶν οἰκιῶν· ὀλιγανθρωπία γὰρ ἐν τῷ ἅστει γέγονε. τὰ ἔπιπλα δὲ οὐδεὶς ὠνεῖται· οὐδὲ δανείσασθαι οὐδαμῶθεν ἔστιν ἀργύριον, ἀλλὰ πρότερον ἂν τίς μοι δοκεῖ ἐν τῇ ὁδῶι ζητῶν εὐρεῖν ἢ δανειζόμενος λαβεῖν. χαλεπὸν μὲν οὖν ἐστίν, ᾧ Σώκρατες, τοὺς οἰκείους περιορᾶν ἀπολλυμένους, ἀδύνατον δὲ τοσοῦτους τρέφειν ἐν τοιούτοις πράγμασιν. [2.7.3] ἀκούσας οὖν ταῦτα ὁ Σωκράτης, Τί ποτὲ ἐστίν, ἔφη, ὅτι Κεράμων μὲν πολλοὺς τρέφων οὐ μόνον ἑαυτῶι τε καὶ τούτοις τὰ ἐπιτήδεια δύναται παρέχειν, ἀλλὰ

καὶ περιποιεῖται τοσαῦτα ὥστε καὶ πλουτεῖν, σὺ δὲ πολλοὺς τρέφων δέδοικας μὴ δι' ἔνδειαν τῶν ἐπιτηδείων ἅπαντες ἀπόλησθε; Ὅτι νῆ Δί', ἔφη, ὁ μὲν δούλους τρέφει, ἐγὼ δ' ἐλευθέρους. [2.7.4] Καὶ πότερον, ἔφη, τοὺς παρὰ σοὶ ἐλευθέρους οἶε βελτίους εἶναι ἢ τοὺς παρὰ Κεράμωνι δούλους; Ἐγὼ μὲν οἶμαι, ἔφη, τοὺς παρ' ἐμοὶ ἐλευθέρους. Οὐκοῦν, ἔφη, αἰσχροὺς τὸν μὲν ἀπὸ τῶν πονηροτέρων εὐπορεῖν, σὲ δὲ πολλῶι βελτίους ἔχοντα ἐν ἀπορίαι εἶναι; Νῆ Δί', ἔφη, ὁ μὲν γὰρ τεχνίτας τρέφει, ἐγὼ δ' ἐλευθερίως πεπαιδευμένους. [2.7.5] Ἄρ' οὖν, ἔφη, τεχνῖταί εἰσιν οἱ χρήσιμόν τι ποιεῖν ἐπιστάμενοι; Μάλιστά γ', ἔφη. Οὐκοῦν χρήσιμά γ' ἄλφιτα; Σφόδρα γε. Τί δ' ἄρτοι; Οὐδὲν ἦττον. Τί γάρ; ἔφη, ἱμάτιά τε ἀνδρεῖα καὶ γυναικεῖα καὶ χιτωνίσκοι καὶ χλαμύδες καὶ ἐξωμίδες; Σφόδρα γ', ἔφη, καὶ πάντα ταῦτα χρήσιμα. Ἐπειτα, ἔφη, οἱ παρὰ σοὶ τούτων οὐδὲν ἐπίστανται ποιεῖν; Πάντα μὲν οὖν, ὡς ἐγὼ μαι. [2.7.6] Εἴτ' οὐκ οἴσθα ὅτι ἀφ' ἐνὸς μὲν τούτων, ἀλφιτοποιίας, Ναυσικύδης οὐ μόνον ἑαυτὸν τε καὶ τοὺς οἰκέτας τρέφει, ἀλλὰ πρὸς τούτοις καὶ ὥς πολλὰς καὶ βοῦς, καὶ περιποιεῖται τοσαῦτα ὥστε καὶ τῇ πόλει πολλάκις λειτουργεῖν, ἀπὸ δὲ ἄρτοποιίας Κύρηβος τὴν τε οἰκίαν πᾶσαν διατρέφει καὶ ζῆι δαψιλῶς, Δημέας δ' ὁ Κολλυτεὺς ἀπὸ χλαμυδουργίας, Μένων δ' ἀπὸ χλανιδοποιίας, Μεγαρέων δ' οἱ πλεῖστοι ἀπὸ ἐξωμιδοποιίας διατρέφονται; Νῆ Δί', ἔφη, οὗτοι μὲν γὰρ ὠνούμενοι βαρβάρους ἀνθρώπους ἔχουσιν, ὥστ' ἀναγκάζειν ἐργάζεσθαι ἃ καλῶς ἔχει, ἐγὼ δ' ἐλευθέρους τε καὶ συγγενεῖς. [2.7.7] Ἐπειτ', ἔφη, ὅτι ἐλεύθεροί τ' εἰσὶ καὶ συγγενεῖς σοι, οἶε χρήναι αὐτοὺς μηδὲν ἄλλο ποιεῖν ἢ ἐσθίειν καὶ καθεύδειν; πότερον καὶ τῶν ἄλλων ἐλευθέρων τοὺς οὕτω ζῶντας ἄμεινον διάγοντας ὁραῖς καὶ μᾶλλον εὐδαιμονίζεις ἢ τοὺς, ἃ ἐπίστανται χρήσιμα πρὸς τὸν βίον, τούτων ἐπιμελομένους; ἢ τὴν μὲν ἀργίαν καὶ τὴν ἀμέλειαν αἰσθάνηι τοῖς ἀνθρώποις πρὸς τε τὸ μαθεῖν, ἃ προσήκει ἐπίστασθαι, καὶ πρὸς τὸ μνημονεύειν, ἃ ἂν μάθωσι, καὶ πρὸς τὸ ὑγιαίνειν τε καὶ ἰσχύειν τοῖς σώμασι καὶ πρὸς τὸ κτήσασθαι τε καὶ σώζειν τὰ χρήσιμα πρὸς τὸν βίον ὠφέλιμα ὄντα, τὴν δ' ἐργασίαν καὶ τὴν ἐπιμέλειαν οὐδὲν χρήσιμα; [2.7.8] ἔμαθον δέ, ἃ φῆς αὐτὰς ἐπιστασθαι, πότερον ὡς οὔτε χρήσιμα ὄντα πρὸς τὸν βίον οὔτε ποιήσουςαι αὐτῶν οὐδέν, ἢ τούναντίον ὡς καὶ ἐπιμελησόμεναι τούτων καὶ ὠφελησόμεναι ἀπ' αὐτῶν; ποτέρως γὰρ ἂν μᾶλλον ἄνθρωποι σωφρονοῖεν, ἀργοῦντες ἢ τῶν χρησίμων ἐπιμελόμενοι; ποτέρως δ' ἂν δικαιότεροι εἶεν, εἰ ἐργάζοιντο ἢ εἰ ἀργοῦντες

βουλεύοιντο περὶ τῶν ἐπιτηδείων; [2.7.9] ἀλλὰ καὶ νῦν μὲν, ὡς ἐγῶμαι, οὔτε σὺ ἐκείνας φιλεῖς οὔτ' ἐκεῖναι σέ, σὺ μὲν ἡγούμενος αὐτὰς ἐπιζημίους εἶναι σεαυτῶι, ἐκεῖναι δὲ σέ ὀρᾶσαι ἀχθόμενον ἐφ' ἑαυταῖς· ἐκ δὲ τούτων κίνδυνος μεῖζω τε ἀπέχθειαν γίγνεσθαι καὶ τὴν προγεγονυῖαν χάριν μειοῦσθαι. ἐὰν δὲ προστατήσης ὅπως ἐνεργοὶ ᾧσι, σὺ μὲν ἐκείνας φιλήσεις, ὁρῶν ὠφελίμους σεαυτῶι οὔσας, ἐκεῖναι δὲ σέ ἀγαπήσουσιν, αἰσθόμεναι χαίροντά σε αὐταῖς, τῶν δὲ προγεγονυῖων εὐεργεσιῶν ἥδιον μεμνημένοι τὴν ἀπ' ἐκείνων χάριν αὐξήσετε, καὶ ἐκ τούτων φιλικώτερόν τε καὶ οἰκειότερον ἀλλήλοις ἔξετε. [2.7.10] εἰ μὲν τοίνυν αἰσχρόν τι ἔμελλον ἐργάσασθαι, θάνατον ἀντ' αὐτοῦ προαιρετέον ἦν· νῦν δὲ ἃ μὲν δοκεῖ κάλλιστα καὶ πρεπωδέστατα γυναικὶ εἶναι ἐπίστανται, ὡς ἔοικε· πάντες δὲ ἃ ἐπίστανται ῥᾷστά τε καὶ τάχιστα καὶ κάλλιστα καὶ ἥδιστα ἐργάζονται. μὴ οὖν ὅκνει, ἔφη, ταῦτα εἰσηγεῖσθαι αὐταῖς ἃ σοὶ τε λυσιτελήσει κἀκεῖναις· καί, ὡς εἰκός, ἡδέως ὑπακούσονται. [2.7.11] Ἀλλὰ νῆ τοὺς θεοὺς, ἔφη ὁ Ἀρίσταρχος, οὕτω μοι δοκεῖς καλῶς λέγειν, ὦ Σώκρατες, ὥστε πρόσθεν μὲν οὐ προσιέμην δανείσασθαι, εἰδὼς ὅτι ἀναλώσας ὁ ἂν λάβω οὐχ ἔξω ἀποδοῦναι, νῦν δέ μοι δοκᾷ εἰς ἔργων ἀφορμὴν ὑπομενεῖν αὐτὸ ποιῆσαι.

[2.7.12] Ἐκ τούτων δὲ ἐπορίσθη μὲν ἀφορμή, ἐωνήθη δὲ ἔρια· καὶ ἐργαζόμεναι μὲν ἡρίστων, ἐργασάμεναι δὲ ἐδείπνουν, ἰλαραὶ δὲ ἀντὶ σκυθρωπῶν ἦσαν· καὶ ἀντὶ ὑφορωμένων ἑαυτοὺς ἡδέως ἀλλήλους ἐώρων, καὶ αἱ μὲν ὡς κηδεμόνα ἐφίλουν, ὁ δὲ ὡς ὠφελίμους ἡγάπα. τέλος δὲ ἐλθὼν πρὸς τὸν Σωκράτην χαίρων διηγείτο ταῦτά τε καὶ ὅτι αἰτιῶνται αὐτὸν μόνον τῶν ἐν τῇ οἰκίᾳ ἄργον ἐσθίειν. καὶ ὁ Σωκράτης ἔφη· [2.7.13] Εἴτα οὐ λέγεις αὐταῖς τὸν τοῦ κυνὸς λόγον; φασὶ γάρ, ὅτε φωνήεντα ἦν τὰ ζῶια, τὴν οἶν πρὸς τὸν δεσπότην εἰπεῖν· Θαυμαστὸν ποιεῖς, ὃς ἡμῖν μὲν ταῖς καὶ ἔρια σοὶ καὶ ἄρνας καὶ τυρὸν παρεχούσαις οὐδὲν δίδως ὃ τι ἂν μὴ ἐκ τῆς γῆς λάβωμεν, τῶι δὲ κυνὶ, ὃς οὐδὲν τοιοῦτόν σοι παρέχει, μεταδίδως οὐπὲρ αὐτὸς ἔχεις σίτου. [2.7.14] τὸν κύνα οὖν ἀκούσαντα εἰπεῖν· Ναὶ μὰ Δί'· ἐγὼ γάρ εἰμι ὁ καὶ ὑμᾶς αὐτὰς σώζων ὥστε μήτε ὑπ' ἀνθρώπων κλέπτεσθαι μήτε ὑπὸ λύκων ἀρπάζεσθαι· ἐπεὶ ὑμεῖς γε, εἰ μὴ ἐγὼ προφυλάττοιμι ὑμᾶς, οὐδ' ἂν νέμεσθαι δύναισθε, φοβούμεναι μὴ ἀπόλησθε. οὕτω δὴ λέγεται καὶ τὰ πρόβατα συγχωρῆσαι τὸν κύνα προτιμᾶσθαι. καὶ σὺ οὖν ἐκείναις λέγε ὅτι ἀντὶ κυνὸς εἴ φύλαξ καὶ ἐπιμελητής, καὶ διὰ σέ οὐδ' ὑφ' ἐνὸς ἀδικούμεναι ἀσφαλῶς τε καὶ

ἡδέως ἐργαζόμεναι ζῶσιν.

[2.8.1] Ἄλλον δέ ποτε ἀρχαῖον ἐταῖρον διὰ χρόνου ἰδών, Πόθεν, ἔφη, Εὐθηρε, φαίνῃ; Ὑπὸ μὲν τὴν κατάλυσιν τοῦ πολέμου, ἔφη, ὦ Σώκρατες, ἐκ τῆς ἀποδημίας, νυνὶ μέντοι αὐτόθεν. ἐπεὶδὲ γὰρ ἀφηρηθήμεν τὰ ἐν τῇ ὑπερορίᾳ κτήματα, ἐν δὲ τῇ Ἀττικῇ ὁ πατήρ μοι οὐδὲν κατέλιπεν, ἀναγκάζομαι νῦν ἐπιδημήσας τῷ σώματι ἐργαζόμενος τὰ ἐπιτήδεια πορίζεσθαι. δοκεῖ δέ μοι τοῦτο κρεῖττον εἶναι ἢ δεῖσθαι τινος ἀνθρώπων, ἄλλως τε καὶ μηδὲν ἔχοντα ἐφ' ὅτῳ ἂν δανειζοίμην. [2.8.2] Καὶ πόσον χρόνον οἶσι σοι, ἔφη, τὸ σῶμα ἱκανὸν εἶναι μισθοῦ τὰ ἐπιτήδεια ἐργάζεσθαι; Μὰ τὸν Δί', ἔφη, οὐ πολὺν χρόνον. Καὶ μὴν, ἔφη, ὅταν γε πρεσβύτερος γένηι, δηλὸν ὅτι δαπάνης μὲν δεήσῃ, μισθὸν δὲ οὐδεὶς σοι θελήσει τῶν τοῦ σώματος ἔργων διδόναι. [2.8.3] Ἀληθῆ λέγεις, ἔφη. Οὐκοῦν, ἔφη, κρεῖττόν ἐστιν αὐτόθεν τοῖς τοιοῦτοις τῶν ἔργων ἐπιτίθεσθαι, ἃ καὶ πρεσβυτέρῳ γενομένῳ ἐπαρκέσει, καὶ προσελθόντα τῷ τῶν πλείω χρήματα κεκτημένων, τῷ δεομένῳ τοῦ συνεπιμελησομένου, ἔργων τε ἐπιστατοῦντα καὶ συγκομίζοντα τοὺς καρποὺς καὶ συμφυλάττοντα τὴν οὐσίαν, ὠφελοῦντα ἀντωφελεῖσθαι. [2.8.4] Χαλεπῶς ἄν, ἔφη, ἐγώ, ὦ Σώκρατες, δουλείαν ὑπομείναιμι. Καὶ μὴν οἷ γε ἐν ταῖς πόλεσι προστατεύοντες καὶ τῶν δημοσίων ἐπιμελούμενοι οὐ δουλοπρεπέστεροι ἔνεκα τούτου, ἀλλ' ἐλευθεριώτεροι νομίζονται. [2.8.5] Ὅλως, ἔφη, ὦ Σώκρατες, τὸ ὑπαίτιον εἶναι τινὶ οὐ πάνυ προσίεμαι. Καὶ μὴν, ἔφη, Εὐθηρε, οὐ πάνυ γε ράδιόν ἐστιν εὐρεῖν ἔργον ἐφ' ᾧ οὐκ ἂν τις αἰτίαν ἔχοι. χαλεπὸν γὰρ οὕτω τι ποιῆσαι ὥστε μηδὲν ἁμαρτεῖν, χαλεπὸν δὲ καὶ ἀναμαρτήτως τι ποιήσαντα μὴ ἀγνώμονι κριτῇ περιτυχεῖν· ἐπεὶ καὶ οἷς νῦν ἐργάζεσθαι φῆις θαυμάζω εἰ ράδιόν ἐστιν ἀνέγκλητον διαγίγνεσθαι. [2.8.6] χρὴ οὖν πειρᾶσθαι τοὺς φιλαίτιους φεύγειν καὶ τοὺς εὐγνώμονας διώκειν, καὶ τῶν πραγμάτων ὅσα μὲν δύνασαι ποιεῖν ὑπομένειν, ὅσα δὲ μὴ δύνασαι φυλάττεσθαι, ὅ τι δ' ἂν πράττῃς, τούτου ὡς κάλλιστα καὶ προθυμότατα ἐπιμελεῖσθαι. οὕτω γὰρ ἥκιστ' ἂν μὲν σε οἶμαι ἐν αἰτίαι εἶναι, μάλιστα δὲ τῇ ἀπορίᾳ βοήθειαν εὐρεῖν, ρᾶιστα δὲ καὶ ἀκινδυνότατα ζῆν καὶ εἰς τὸ γῆρας διαρκέστατα.

[2.9.1] Οἶδα δέ ποτε αὐτὸν καὶ Κρίτωνος ἀκούσαντα, ὡς χαλεπὸν ὁ βίος Ἀθήνησιν εἴῃ ἀνδρὶ βουλομένῳ τὰ ἑαυτοῦ πράττειν. Νῦν γάρ, ἔφη, ἐμέ τινες εἰς δίκας ἄγουσιν, οὐχ ὅτι ἀδικοῦνται ὑπ' ἐμοῦ, ἀλλ' ὅτι νομίζουσιν ἥδιον ἂν με ἀργύριον τελέσαι ἢ πράγματα ἔχειν. [2.9.2]

καὶ ὁ Σωκράτης, Εἶπέ μοι, ἔφη, ὦ Κρίτων, κύνας δὲ τρέφεις, ἵνα σοὶ τοὺς λύκους ἀπὸ τῶν προβάτων ἀπερύκωσι; Καὶ μάλα, ἔφη· μᾶλλον γάρ μοι λυσιτελεῖ τρέφειν ἢ μὴ. Οὐκ ἂν οὖν θρέψαις καὶ ἄνδρα, ὅστις ἐθέλοι τε καὶ δύναιτο σοῦ ἀπερύκειν τοὺς ἐπιχειροῦντας ἀδικεῖν σε; [2.9.3] Ἡδέως γ' ἂν, ἔφη, εἰ μὴ φοβοίμην ὅπως μὴ ἐπ' αὐτόν με τράποιτο. Τί δ'; ἔφη, οὐχ ὁραῖς ὅτι πολλῶι ἡδιόν ἐστι χαριζόμενον οἷω σοὶ ἀνδρὶ ἢ ἀπεχθόμενον ὠφελεῖσθαι; εὖ ἴσθι ὅτι εἰσὶν ἐνθάδε τῶν τοιούτων ἀνδρῶν. οἱ πάνυ ἂν φιλοτιμηθεῖεν φίλῳ σοι χρῆσθαι.

[2.9.4] Καὶ ἐκ τούτων ἀνευρίσκουσιν Ἀρχέδημον, πάνυ μὲν ἱκανὸν εἰπεῖν τε καὶ πρᾶξαι, πένητα δέ· οὐ γὰρ ἦν οἷος ἀπὸ παντὸς κερδαίνειν, ἀλλὰ φιλόχρηστος τε καὶ ἔφη ρᾶιστον εἶναι ἀπὸ τῶν συκοφαντῶν λαμβάνειν. τούτῳ οὖν ὁ Κρίτων, ὁπότε συκομίζοι ἢ σῖτον ἢ ἔλαιον ἢ οἶνον ἢ ἔρια ἢ τι ἄλλο τῶν ἐν ἀγρῶι γιγνομένων χρησίμων πρὸς τὸν βίον, ἀφελὼν <ἂν> ἔδωκε· καὶ ὁπότε θύοι, ἐκάλει, καὶ τὰ τοιαῦτα πάντα ἐπεμελεῖτο. [2.9.5] νομίσας δὲ ὁ Ἀρχέδημος ἀποστροφὴν οἱ τὸν Κρίτωνος οἶκον μάλα περιεῖπεν αὐτόν. καὶ εὐθύς† τῶν συκοφαντούντων τὸν Κρίτωνα ἀνευρίσκει πολλὰ μὲν ἀδικήματα, πολλοὺς δ' ἐχθρούς· καὶ προσεκαλέσατο εἰς δίκην δημοσίαν, ἐν ἣι αὐτὸν ἔδει κριθῆναι ὃ τι δεῖ παθεῖν ἢ ἀποτεῖσθαι. [2.9.6] ὁ δὲ συνειδὼς αὐτῶι πολλὰ καὶ πονηρὰ πάντ' ἐποίει ὥστε ἀπαλλαγῆναι τοῦ Ἀρχεδήμου. ὁ δὲ Ἀρχέδημος οὐκ ἀπηλλάττετο, ἕως τόν τε Κρίτωνα ἀφῆκε καὶ αὐτῶι χρήματα ἔδωκεν. [2.9.7] ἐπεὶ δὲ τοῦτό τε καὶ ἄλλα τοιαῦτα ὁ Ἀρχέδημος διεπράξατο, ἤδη τότε, ὥσπερ ὅταν νομεὺς ἀγαθὸν κύνα ἔχη καὶ οἱ ἄλλοι νομεῖς βούλονται πλησίον αὐτοῦ τὰς ἀγέλας ἰστάναι, ἵνα τοῦ κυνὸς ἀπολαύωσιν, οὕτω δὴ καὶ Κρίτωνος πολλοὶ τῶν φίλων ἐδέοντο καὶ σφίσι παρέχειν φύλακα τὸν Ἀρχέδημον. [2.9.8] ὁ δὲ Ἀρχέδημος τῶι Κρίτῳι ἡδέως ἐχαρίζετο, καὶ οὐχ ὅτι μόνος ὁ Κρίτων ἐν ἡσυχίαι ἦν, ἀλλὰ καὶ οἱ φίλοι αὐτοῦ. εἰ δέ τις αὐτῶι τούτων οἷς ἀπήχθετο ὀνειδίζοι ὥς ὑπὸ Κρίτωνος ὠφελούμενος κολακεύοι αὐτόν, Πότερον οὖν, ἔφη ὁ Ἀρχέδημος, αἰσχρὸν ἐστὶν εὐεργετούμενον ὑπὸ χρηστῶν ἀνθρώπων καὶ ἀντευεργετοῦντα τοὺς μὲν τοιούτους φίλους ποιεῖσθαι, τοῖς δὲ πονηροῖς διαφέρεσθαι, ἢ τοὺς μὲν καλοὺς κἀγαθοὺς ἀδικεῖν πειρώμενον ἐχθροὺς ποιεῖσθαι, τοῖς δὲ πονηροῖς συνεργοῦντα πειρᾶσθαι φίλους ποιεῖσθαι καὶ χρῆσθαι τούτοις ἀντ' ἐκείνων; ἐκ δὲ τούτου εἰς τε τῶν Κρίτωνος φίλων Ἀρχέδημος ἦν καὶ

ὑπὸ τῶν ἄλλων Κρίτωνος φίλων ἐτιμᾶτο.

[2.10.1] Οἶδα δὲ καὶ Διοδώρῳ αὐτὸν ἐταίρῳ ὄντι τοιάδε διαλεχθέντα· Εἰπέ μοι, ἔφη, ὦ Διόδωρε, ἄν τις σοι τῶν οἰκετῶν ἀποδραῖ, ἐπιμελῇ, ὅπως ἀνασώσῃ; [2.10.2] Καὶ ἄλλους γε νῆ Δί', ἔφη, παρακαλῶ, σῶστρα τούτου ἀνακηρύττων. Τί γάρ; ἔφη, ἐάν τις σοι κάμνηι τῶν οἰκετῶν, τούτου ἐπιμελῇ καὶ παρακαλεῖς ἱατρούς, ὅπως μὴ ἀποθάνῃ; Σφόδρα γ', ἔφη. Εἰ δέ τις σοι τῶν γνωρίμων, ἔφη, πολὺ τῶν οἰκετῶν χρησιμώτερος ὢν κινδυνεύει δι' ἔνδειαν ἀπολέσθαι, οὐκ οἶμι σοι ἄξιον εἶναι ἐπιμεληθῆναι ὅπως διασωθῇ; [2.10.3] καὶ μὴν οἷσθ' ὅτι οὐκ ἀγνώμων ἐστὶν Ἑρμογένης, αἰσχύνοιτο δ' ἄν, εἰ ὠφελούμενος ὑπὸ σοῦ μὴ ἀντωφελοίῃ σε· καίτοι τὸ ὑπηρετήν ἐκόντα τε καὶ εὖνουν καὶ παραμόνιμον καὶ τὸ κελευόμενον ἱκανὸν ποιεῖν ἔχειν, καὶ μὴ μόνον τὸ κελευόμενον ἱκανὸν ὄντα ποιεῖν, ἀλλὰ δυνάμενον καὶ ἀφ' ἑαυτοῦ χρήσιμον εἶναι καὶ προνοεῖν καὶ προβουλεύεσθαι πολλῶν οἰκετῶν οἷμαι ἀντάξιον εἶναι. [2.10.4] οἱ μέντοι ἀγαθοὶ οἰκονόμοι, ὅταν τὸ πολλοῦ ἄξιον μικροῦ ἐξῆι πρίασθαι, τότε φασὶ δεῖν ὠνεῖσθαι· νῦν δὲ διὰ τὰ πράγματα εὐωνοτάτους ἔστι φίλους ἀγαθοὺς κτήσασθαι. [2.10.5] καὶ ὁ Διόδωρος, Ἀλλὰ καλῶς γε, ἔφη, λέγεις, ὦ Σώκρατες, καὶ κέλευσον ἐλθεῖν ὡς ἐμὲ τὸν Ἑρμογένην. Μὰ Δί', ἔφη, οὐκ ἔγωγε· νομίζω γὰρ οὔτε σοὶ κάλλιον εἶναι τὸ καλέσαι ἐκεῖνον τοῦ αὐτὸν ἐλθεῖν πρὸς ἐκεῖνον οὔτ' ἐκείνῳ μεῖζον ἀγαθὸν τὸ πραχθῆναι ταῦτα ἢ σοί. [2.10.6] οὕτω δὴ ὁ Διόδωρος ὦιχετο πρὸς τὸν Ἑρμογένην· καὶ οὐ πολὺ τελέσας ἐκτήσατο φίλον, ὃς ἔργον εἶχε σκοπεῖν ὅ τι ἂν ἢ λέγων ἢ πράττων ὠφελοίῃ τε καὶ εὐφραίνει Διόδωρον.

Βιβλίον γ'

[3.1.1] Ὅτι δὲ τοὺς ὀρεγομένους τῶν καλῶν ἐπιμελεῖς ὧν ὀρέγοντο ποιῶν ὠφέλει, νῦν τοῦτο διηγῆσομαι. ἀκούσας γάρ ποτε Διονυσόδωρον εἰς τὴν πόλιν ἦκειν ἐπαγγελλόμενον στρατηγεῖν διδάξειν, ἔλεξε πρὸς τινὰ τῶν συνόντων, ὃν ἠισθάνετο βουλόμενον τῆς τιμῆς ταύτης ἐν τῇ πόλει τυχεῖν· [3.1.2] Αἰσχροὺς μέντοι, ὧν νεανία, τὸν βουλόμενον ἐν τῇ πόλει στρατηγεῖν, ἐξὸν τοῦτο μαθεῖν, ἀμελῆσαι αὐτοῦ· καὶ δικαίως ἂν οὗτος ὑπὸ τῆς πόλεως ζημιοῖτο πολὺ μᾶλλον ἢ εἴ τις ἀνδριάντας ἐργολαβοίη μὴ μεμαθηκῶς ἀνδριαντοποιεῖν. [3.1.3] ὅλης γὰρ τῆς πόλεως ἐν τοῖς πολεμικοῖς κινδύνοις ἐπιτρεπομένης τῷ στρατηγῷ, μεγάλα τὰ τε ἀγαθὰ κατορθοῦντος αὐτοῦ καὶ τὰ κακὰ διαμαρτάνοντος εἰκὸς γίνεσθαι. πῶς οὖν οὐκ ἂν δικαίως ὁ τοῦ μὲν μανθάνειν τοῦτο ἀμελῶν, τοῦ δὲ αἰρεθῆναι ἐπιμελόμενος ζημιοῖτο; τοιαῦτα μὲν δὴ λέγων ἔπεισεν αὐτὸν ἐλθόντα μανθάνειν. [3.1.4] ἐπεὶ δὲ μεμαθηκῶς ἦκε, προσέειπεν αὐτῷ λέγων· Οὐ δοκεῖ ὑμῖν, ὧν ἄνδρες, ὥσπερ Ὅμηρος τὸν Ἀγαμέμνονα γεραρὸν ἔφη εἶναι, οὕτω καὶ ὁδε στρατηγεῖν μαθὼν γεραρώτερος φαίνεσθαι; καὶ γάρ, ὥσπερ ὁ κιθαρίζειν μαθὼν, καὶ ἐὰν μὴ κιθαρίζῃ, κιθαριστάς ἐστι, καὶ ὁ μαθὼν ἰᾶσθαι, κἂν μὴ ἰατρεύῃ, ὅμως ἰατρός ἐστιν, οὕτω καὶ ὁδε ἀπὸ τοῦδε τοῦ χρόνου διατελεῖ στρατηγὸς ὧν, κἂν μηδεὶς αὐτὸν ἔλῃται. ὁ δὲ μὴ ἐπιστάμενος οὔτε στρατηγὸς οὔτε ἰατρός ἐστιν, οὐδ' ἐὰν ὑπὸ πάντων ἀνθρώπων αἰρεθῇ. [3.1.5] ἀτάρ, ἔφη, ἵνα καί, ἐὰν ἡμῶν τις ἢ ταξιαρχῇ ἢ λοχαγῇ σοι, ἐπιστημονέστεροι τῶν πολεμικῶν ὦμεν, λέξον ἡμῖν πόθεν ἥρξατό σε διδάσκειν τὴν στρατηγίαν. καὶ ὅς, Ἐκ τοῦ αὐτοῦ, ἔφη, εἰς ὅπερ καὶ ἐτελεύτα· τὰ γὰρ τακτικά ἐμέ γε καὶ ἄλλ' οὐδὲν ἐδίδασκεν. [3.1.6] Ἀλλὰ μὴν, ἔφη ὁ Σωκράτης, τοῦτό γε πολλοστὸν μέρος ἐστὶ στρατηγίας. καὶ γὰρ παρασκευαστικὸν τῶν εἰς τὸν πόλεμον τὸν στρατηγὸν εἶναι χρή, καὶ ποριστικὸν τῶν ἐπιτηδείων τοῖς στρατιώταις, καὶ μηχανικὸν καὶ ἐργαστικὸν καὶ ἐπιμελῆ καὶ καρτερικὸν καὶ ἀγχίνουν, καὶ φιλόφρονά τε καὶ ὠμόν, καὶ ἀπλοῦν τε καὶ ἐπίβουλون, καὶ φυλακτικόν τε καὶ κλέπτην, καὶ προετικὸν καὶ ἄρπαγα καὶ φιλόδωρον καὶ πλεονέκτην καὶ ἀσφαλῆ καὶ ἐπιθετικόν, καὶ ἄλλα πολλὰ καὶ φύσει καὶ ἐπιστήμῃ δεῖ τὸν εὖ στρατηγήσοντα ἔχειν. [3.1.7] καλὸν δὲ καὶ τὸ τακτικὸν εἶναι· πολὺ γὰρ διαφέρει

στράτευμα τεταγμένον ἀτάκτου, ὥσπερ λίθοι τε καὶ πλίνθοι καὶ ξύλα καὶ κέραμος ἀτάκτως μὲν ἐρριμμένα οὐδὲν χρήσιμά ἐστιν, ἐπειδὰν δὲ ταχθῇ κάτω μὲν καὶ ἐπιπολῆς τὰ μῆτε σηπόμενα μῆτε τηκόμενα, οἱ τε λίθοι καὶ ὁ κέραμος, ἐν μέσῳ δὲ αἱ τε πλίνθοι καὶ τὰ ξύλα, ὥσπερ ἐν οἰκοδομίαι συντίθεται, τότε γίγνεται πολλοῦ ἄξιον κτῆμα, οἰκία.

[3.1.8] Ἀλλὰ πάνυ, ἔφη ὁ νεανίσκος, ὅμοιον, ὃ Σώκρατες, εἰρηκας. καὶ γὰρ ἐν τῷ πολέμῳ τοὺς ἀρίστους δεῖ πρώτους τάττειν καὶ τελευταίους, ἐν μέσῳ δὲ τοὺς χειρίστους, ἵνα ὑπὸ μὲν τῶν ἄγωνται, ὑπὸ δὲ τῶν ὠθῶνται. [3.1.9] Εἰ μὲν τοίνυν, ἔφη, καὶ διαγιγνώσκειν σε τοὺς ἀγαθοὺς καὶ τοὺς κακοὺς ἐδίδαξεν· εἰ δὲ μή, τί σοι ὄφελος ὧν ἔμαθες; οὐδὲ γὰρ εἴ σε ἀργύριον ἐκέλευσε πρῶτον μὲν καὶ τελευταῖον τὸ κάλλιστον τάττειν, ἐν μέσῳ δὲ τὸ χειρίστον, μὴ διδάξας διαγιγνώσκειν τό τε καλὸν καὶ τὸ κίβδηλον, οὐδὲν ἂν σοι ὄφελος ἦν. Ἀλλὰ μὰ Δί', ἔφη, οὐκ ἐδίδαξεν· ὥστε αὐτοὺς ἂν ἡμᾶς δέοι τοὺς τε ἀγαθοὺς καὶ τοὺς κακοὺς κρίνειν. [3.1.10] Τί οὖν οὐ σκοποῦμεν, ἔφη, πῶς ἂν αὐτῶν μὴ διαμαρτάνοιμεν; Βούλομαι, ἔφη ὁ νεανίσκος. Οὐκοῦν, ἔφη, εἰ μὲν ἀργύριον δέοι ἀρπάζειν, τοὺς φιλαργυρωτάτους πρώτους καθιστάντες ὀρθῶς ἂν τάττοιμεν; Ἐμοιγε δοκεῖ. Τί δὲ τοὺς κινδυνεύειν μέλλοντας; ἄρα τοὺς φιλοτιμοτάτους προτακτέον; Οὗτοι γοῦν εἰσιν, ἔφη, οἱ ἔνεκα ἐπαίνου κινδυνεύειν ἐθέλοντες. οὐ τοίνυν οὗτοί γε ἄδελφοι, ἀλλ' ἐπιφανεῖς πανταχοῦ ὄντες εὐαίρετοι ἂν εἶεν. [3.1.11] Ἀτάρ, ἔφη, πότερά σε τάττειν μόνον ἐδίδαξεν, ἢ καὶ ὅπῃ καὶ ὅπως χρηστέον ἐκάστωι τῶν ταγμάτων; Οὐ πάνυ, ἔφη. Καὶ μὴν πολλὰ γ' ἐστὶ πρὸς ἃ οὔτε τάττειν οὔτε ἄγειν ὡσαύτως προσήκει. Ἀλλὰ μὰ Δί', ἔφη, οὐ διεσαφηνίζε ταῦτα. Νῆ Δί', ἔφη, πάλιν τοίνυν ἐλθὼν ἐπανερῶτα· ἂν γὰρ ἐπίστηται καὶ μὴ ἀναιδὴς ᾖ, αἰσχυνεῖται ἀργύριον εἰληφῶς ἐνδεᾶ σε ἀποπέμψασθαι.

[3.2.1] Ἐντυχὼν δέ ποτε στρατηγεῖν ἡρημένῳ τῷ, Τοῦ ἔνεκεν, ἔφη, Ὅμηρον οἶει τὸν Ἀγαμέμνονα προσαγορεῦσαι ποιμένα λαῶν; ἄρα γε ὅτι, ὥσπερ τὸν ποιμένα δεῖ ἐπιμελεῖσθαι, ὅπως σῶαί τε ἔσονται αἱ οἶες καὶ τὰ ἐπιτήδεια ἔξουσιν καί, οὗ ἔνεκα τρέφονται, τοῦτο ἔσται, οὕτω καὶ τὸν στρατηγὸν ἐπιμελεῖσθαι δεῖ, ὅπως σῶοι τε οἱ στρατιῶται ἔσονται καὶ τὰ ἐπιτήδεια ἔξουσιν καί, οὗ ἔνεκα στρατεύονται, τοῦτο ἔσται; στρατεύονται δέ, ἵνα κρατοῦντες τῶν πολεμίων εὐδαιμονέστεροι ᾖσιν. [3.2.2] Ἥ τί δήποτε οὕτως ἐπήνισεν τὸν Ἀγαμέμνονα εἰπών·

Ἀμφοτέρων, βασιλεὺς τ' ἀγαθὸς κρατερός τ' αἰχμητής;

ἄρα γε ὅτι αἰχμητῆς τε κρατερός ἂν εἴη, οὐκ εἰ μόνος αὐτὸς εὖ ἀγωνίζοιτο πρὸς τοὺς πολεμίους, ἀλλ' εἰ καὶ παντὶ τῷ στρατοπέδῳ τούτου αἴτιος εἴη, καὶ βασιλεὺς ἀγαθός, οὐκ εἰ μόνον τοῦ ἑαυτοῦ βίου καλῶς προεστίη, ἀλλ' εἰ καί, ὧν βασιλεύει, τούτοις εὐδαιμονίας αἴτιος εἴη; [3.2.3] καὶ γὰρ βασιλεὺς αἰρεῖται οὐχ ἵνα ἑαυτοῦ καλῶς ἐπιμελῇται, ἀλλ' ἵνα καὶ οἱ ἐλόμενοι δι' αὐτὸν εὖ πράττωσι· καὶ στρατεύονται δὲ πάντες, ἵνα ὁ βίος αὐτοῖς ὡς βέλτιστος ᾖ, καὶ στρατηγὸς αἰροῦνται τούτου ἕνεκα, ἵνα πρὸς τοῦτο αὐτοῖς ἡγεμόνες ᾦσι. [3.2.4] δεῖ οὖν τὸν στρατηγοῦντα τοῦτο παρασκευάζειν τοῖς ἐλομένοις αὐτὸν στρατηγόν· καὶ γὰρ οὔτε κάλλιον τούτου ἄλλο ράϊδιον εὑρεῖν οὔτε αἴσχιον τοῦ ἐναντίου. καὶ οὕτως ἐπισκοπῶν τίς εἴη ἀγαθοῦ ἡγεμόνος ἀρετὴ τὰ μὲν ἄλλα περιήρει, κατέλιπε δὲ τὸ εὐδαίμονας ποιεῖν ὧν ἂν ἡγῇται.

[3.3.1] Καὶ ἱππαρχεῖν δέ τινη ἡρημένῳ οἶδ' αὖ ποτε αὐτὸν τοιαύδε διαλεχθέντα· Ἐχοις ἂν, ἔφη, ὦ νεανία, εἰπεῖν ἡμῖν ὅτου ἕνεκα ἐπεθύμησας ἱππαρχεῖν; οὐ γὰρ δὴ τοῦ πρῶτος τῶν ἱππέων ἐλαύνειν· καὶ γὰρ οἱ ἱπποτοξόται τούτου γε ἀξιοῦνται· προελαύνουσι γοῦν καὶ τῶν ἱπάρχων. Ἀληθῆ λέγεις, ἔφη. Ἀλλὰ μὴν οὐδὲ τοῦ γνωσθῆναι γε· ἐπεὶ καὶ οἱ μαινόμενοί γε ὑπὸ πάντων γινώσκονται. [3.3.2] Ἀληθές, ἔφη, καὶ τοῦτο λέγεις. Ἀλλ' ἄρα ὅτι τὸ ἱππικὸν οἶε τῇ πόλει βέλτιον ἂν ποιήσας παραδοῦναι καί, εἴ τις χρεῖα γίγνοιτο ἱππέων, τούτων ἡγούμενος ἀγαθοῦ τινος αἴτιος γενέσθαι τῇ πόλει; Καὶ μάλα, ἔφη. Καὶ ἔστι γε νῆ Δί', ἔφη ὁ Σωκράτης, καλόν, ἐὰν δύνῃ ταῦτα ποιῆσαι. ἡ δὲ ἀρχή που ἐφ' ἧς ἡρησαι ἵππων τε καὶ ἄμβατῶν ἐστίν. Ἐστὶ γὰρ οὖν, ἔφη. [3.3.3] Ἴθι δὴ λέξον ἡμῖν τοῦτο πρῶτον, ὅπως διανοῇ τοὺς ἵππους βελτίους ποιῆσαι. καὶ ὅς, Ἀλλὰ τοῦτο μὲν, ἔφη, οὐκ ἐμὸν οἶμαι τὸ ἔργον εἶναι, ἀλλὰ ἰδίαι ἕκαστον δεῖν τοῦ ἑαυτοῦ ἵππου ἐπιμελεῖσθαι. [3.3.4] Ἐὰν οὖν, ἔφη ὁ Σωκράτης, παρέχωνταί σοι τοὺς ἵππους οἱ μὲν οὕτω κακόποδας ἢ κακοσκελεῖς ἢ ἀσθενεῖς, οἱ δὲ οὕτως ἀτρόφους, ὥστε μὴ δύνασθαι ἀκολουθεῖν, οἱ δὲ οὕτως ἀναγώγους ὥστε μὴ μένειν ὅπου ἂν σὺ τάξης, οἱ δὲ οὕτω λακτιστὰς ὥστε μὴδὲ τάξει δυνατόν εἶναι, τί σοι τοῦ ἱππικοῦ ὄφελος ἔσται; ἢ πῶς δυνήσῃ τοιούτων ἡγούμενος ἀγαθόν τι ποιῆσαι τὴν πόλιν; καὶ ὅς, Ἀλλὰ καλῶς τε λέγεις, ἔφη, καὶ πειράσομαι τῶν ἵππων εἰς τὸ δυνατόν ἐπιμελεῖσθαι. [3.3.5] Τί δέ; τοὺς ἱππέας οὐκ ἐπιχειρήσεις, ἔφη, βελτίονας ποιῆσαι; Ἐγωγ', ἔφη. Οὐκοῦν πρῶτον μὲν ἀναβατικωτέρους ἐπὶ τοὺς ἵππους ποιήσεις αὐτούς; Δεῖ γοῦν, ἔφη·

καὶ γὰρ εἴ τις αὐτῶν καταπέσοι, μᾶλλον ἂν οὕτω σώζοιτο. [3.3.6] Τί γάρ; ἐάν που κινδυνεύειν δέηι, πότερον ἐπάγειν τοὺς πολεμίους ἐπὶ τὴν ἄμμον κελεύσεις, ἔνθαπερ εἰώθατε ἱππεύειν, ἢ πειράσῃ τὰς μελέτας ἐν τοιούτοις ποιεῖσθαι χωρίοις ἐν οἷσπερ οἱ πόλεμοι γίνονται; Βέλτιον γοῦν, ἔφη. [3.3.7] Τί γάρ; τοῦ βάλλειν ὥς πλείστους ἀπὸ τῶν ἵππων ἐπιμέλειάν τινα ποιήσει; Βέλτιον γοῦν, ἔφη, καὶ τοῦτο. Θήγειν δὲ τὰς ψυχὰς τῶν ἱππέων καὶ ἐξοργίζειν πρὸς τοὺς πολεμίους, ἅπερ ἀλκιμωτέρους ποιεῖ, διανενόησαι; Εἰ δὲ μή, ἀλλὰ νῦν γε πειράσομαι, ἔφη. [3.3.8] Ὅπως δέ σοι πείθονται οἱ ἱππεῖς πεφρόντικάς τι; ἄνευ γὰρ δὴ τούτου οὔτε ἵππων οὔτε ἱππέων ἀγαθῶν καὶ ἀλκίμων οὐδὲν ὄφελος. Ἀληθῆ λέγεις, ἔφη· ἀλλὰ πῶς ἂν τις μάλιστα, ὃ Σώκρατες, ἐπὶ τοῦτο αὐτοὺς προτρέψαιτο; [3.3.9] Ἐκεῖνο μὲν δήπου οἶσθα, ὅτι ἐν παντὶ πράγματι οἱ ἄνθρωποι τούτοις μάλιστα ἐθέλουσι πείθεσθαι οὓς ἂν ἡγῶνται βελτίστους εἶναι. καὶ γὰρ ἐν νόσῳ, ὃν ἂν ἡγῶνται ἰατρικώτατον εἶναι, τούτῳ μάλιστα πείθονται, καὶ ἐν πλοίῳ οἱ πλέοντες, ὃν ἂν κυβερνητικώτατον, καὶ ἐν γεωργίᾳ, ὃν ἂν γεωργικώτατον. Καὶ μάλα, ἔφη. Οὐκοῦν εἰκός, ἔφη, καὶ ἐν ἱππικῇ, ὃς ἂν μάλιστα εἰδὼς φαίνεται ἃ δεῖ ποιεῖν τούτῳ μάλιστα ἐθέλειν τοὺς ἄλλους πείθεσθαι. [3.3.10] Ἐὰν οὖν, ἔφη, ἐγώ, ὃ Σώκρατες, βέλτιστος ὢν αὐτῶν δῆλος ὢ, ἀρκέσει μοι τοῦτο εἰς τὸ πείθεσθαι αὐτοὺς ἐμοί; Ἐάν γε πρὸς τούτῳ, ἔφη, διδάξῃς αὐτοὺς ὥς τὸ πείθεσθαι σοι κάλλιον τε καὶ σωτηριώτερον αὐτοῖς ἔσται. Πῶς οὖν, ἔφη, τοῦτο διδάξω; Πολὺ νῆ Δί', ἔφη, ῥᾷον ἢ εἴ σοι δέοι διδάσκειν ὥς τὰ κακὰ τῶν ἀγαθῶν ἀμείνω καὶ λυσιτελέστερά ἐστι. [3.3.11] Λέγεις, ἔφη, σὺ τὸν ἵππαρχον πρὸς τοῖς ἄλλοις ἐπιμελεῖσθαι δεῖν καὶ τοῦ λέγειν δύνασθαι; Σὺ δ' ὦιου, ἔφη, χρῆναι σιωπῇ ἱππαρχεῖν; ἢ οὐκ ἐντεθύμῃσαι ὅτι, ὅσα τε νόμῳ μεμαθήκαμεν κάλλιστα ὄντα, δι' ὧν γε ζῆν ἐπιστάμεθα, ταῦτα πάντα διὰ λόγου ἐμάθομεν, καὶ εἴ τι ἄλλο καλὸν μανθάνει τις μάθημα, διὰ λόγου μανθάνει, καὶ οἱ ἄριστα διδάσκοντες μάλιστα λόγῳ χρῶνται καὶ οἱ τὰ σπουδαιότατα μάλιστα ἐπιστάμενοι κάλλιστα διαλέγονται; [3.3.12] ἢ τόδε οὐκ ἐντεθύμῃσαι, ὥς, ὅταν γε χορὸς εἷς ἐκ τῆσδε τῆς πόλεως γίγνηται, ὥσπερ <ὁ> εἰς Δῆλον πεμπόμενος, οὐδεὶς ἄλλοθεν οὐδαμῶθεν τούτῳ ἐφάμιλλος γίγνεται οὐδὲ εὐανδρία ἐν ἄλλῃ πόλει ὁμοία τῇ ἐνθάδε συνάγεται; [3.3.13] Ἀληθῆ λέγεις, ἔφη. Ἀλλὰ μὴν οὔτε εὐφονίαι τοσοῦτον διαφέρουσιν Ἀθηναῖοι τῶν ἄλλων οὔτε σωματῶν μεγέθει καὶ ῥώμῃ, ὅσον φιλοτιμίαι, ἥπερ μάλιστα

παροξύνει πρὸς τὰ καλὰ καὶ ἔντιμα. Ἀληθές, ἔφη, καὶ τοῦτο. [3.3.14] Οὐκοῦν οἶει, ἔφη, καὶ τοῦ ἱππικοῦ τοῦ ἐνθάδε εἴ τις ἐπιμεληθείη, ὥς πολλὸν ἂν καὶ τούτῳ διενέγκοιεν τῶν ἄλλων ὅπλων τε καὶ ἵππων παρασκευῇ καὶ εὐταξίαι καὶ τῷ ἐτοίμως κινδυνεύειν πρὸς τοὺς πολεμίους, εἰ νομίσειαν ταῦτα ποιοῦντες ἐπαίνου καὶ τιμῆς τεύξεσθαι; Εἰκός γε, ἔφη. [3.3.15] Μὴ τοίνυν ὀκνεῖ, ἔφη, ἀλλὰ πειρῶ τοὺς ἄνδρας ἐπὶ ταῦτα προτρέπειν, ἀφ' ὧν αὐτός τε ὠφελήσῃ καὶ οἱ ἄλλοι πολῖται διὰ σέ. Ἀλλὰ νῆ Δία πειράσομαι, ἔφη.

[3.4.1] Ἴδὼν δέ ποτε Νικομαχίδην ἐξ ἀρχαιρεσιῶν ἀπίοντα ἤρετο· Τίνες, ὦ Νικομαχίδη, στρατηγοὶ ἥρηνται; καὶ ὅς, Οὐ γάρ, ἔφη, ὦ Σώκρατες, τοιοῦτοὶ εἰσιν Ἀθηναῖοι, ὥστε ἐμὲ μὲν οὐχ εἴλοντο, ὅς ἐκ καταλόγου στρατευόμενος κατατέτριμμαι καὶ λοχαγῶν καὶ ταξιαρχῶν καὶ τραύματα ὑπὸ τῶν πολέμιων τοσαῦτα ἔχων — ἅμα δέ καὶ τὰς οὐλὰς τῶν τραυμάτων ἀπογυμνούμενος ἐπεδείκνυεν — Ἀντισθένη δέ, ἔφη, εἴλοντο τὸν οὔτε ὀπλίτην πώποτε στρατευσάμενον ἔν τε τοῖς ἱππεῦσιν οὐδὲν περίβλεπτον ποιήσαντα ἐπιστάμενόν τε ἄλλο οὐδὲν ἢ χρήματα συλλέγειν; [3.4.2] Οὐκοῦν, ἔφη ὁ Σωκράτης, τοῦτο μὲν ἀγαθόν, εἴ γε τοῖς στρατιώταις ἱκανὸς ἔσται τὰ ἐπιτήδεια πορίζειν; Καὶ γὰρ οἱ ἔμποροι, ἔφη ὁ Νικομαχίδης, χρήματα συλλέγειν ἱκανοὶ εἰσιν. ἀλλ' οὐχ ἔνεκα τούτου καὶ στρατηγεῖν δύναιτ' ἂν. [3.4.3] καὶ ὁ Σωκράτης ἔφη· Ἀλλὰ καὶ φιλόνομος Ἀντισθένης ἐστίν, ὃ στρατηγῷ προσεῖναι ἐπιτήδειόν ἐστιν· οὐχ ὁραῖς ὅτι καὶ ὁσάκις κεχορήγηκε πᾶσι τοῖς χοροῖς νενίκηκε; Μὰ Δί', ἔφη ὁ Νικομαχίδης, ἀλλ' οὐδὲν ὁμοίον ἐστὶ χοροῦ τε καὶ στρατεύματος προσεστάναι. [3.4.4] Καὶ μήν, ἔφη ὁ Σωκράτης, οὐδὲ ὠιδῆς γε ὁ Ἀντισθένης οὐδὲ χορῶν διδασκαλίας ἔμπειρος ὢν ὁμως ἐγένετο ἱκανὸς εὐρεῖν τοὺς κρατίστους ταῦτα. Καὶ ἐν τῇ στρατηγίᾳ οὖν, ἔφη ὁ Νικομαχίδης, ἄλλους μὲν εὐρήσει τοὺς τάξοντας ἀνθ' ἑαυτοῦ, ἄλλους δὲ τοὺς μαχουμένους. [3.4.5] Οὐκοῦν, ἔφη ὁ Σωκράτης, ἐάν γε καὶ ἐν τοῖς πολεμικοῖς τοὺς κρατίστους, ὥσπερ ἐν τοῖς χορικοῖς, ἐξευρίσκηι τε καὶ προαιρῆται, εἰκότως ἂν καὶ τούτου νικηφόρος εἴη· καὶ δαπανᾷν δ' αὐτὸν εἰκὸς μᾶλλον ἂν ἐθέλειν εἰς τὴν σὴν ὅληι τῇ πόλει τῶν πολεμικῶν νίκην ἢ εἰς τὴν σὺν τῇ φυλῇ τῶν χορικῶν. [3.4.6] Λέγεις σύ, ἔφη, ὦ Σώκρατες, ὡς τοῦ αὐτοῦ ἀνδρός ἐστὶ χορηγεῖν τε καλῶς καὶ στρατηγεῖν; Λέγω ἔγωγ', ἔφη, ὥς, ὅτου ἂν τις προστατεύη, ἐὰν γινώσκηι τε ὧν δεῖ καὶ ταῦτα πορίζεσθαι δύνηται, ἀγαθὸς ἂν εἴη προστατής, εἴτε χοροῦ εἴτε οἴκου

εἴτε πόλεως εἴτε στρατεύματος προστατεύοι. [3.4.7] καὶ ὁ Νικομαχίδης, Μὰ Δί', ἔφη, ὦ Σώκратες, οὐκ ἂν ποτε ὦμην ἐγὼ σοῦ ἀκοῦσαι ὥς οἱ ἀγαθοὶ οἰκονόμοι ἀγαθοὶ στρατηγοὶ ἂν εἶεν. Ἴθι δὴ, ἔφη, ἐξετάσωμεν τὰ ἔργα ἐκατέρου αὐτῶν, ἵνα εἰδῶμεν πότερον τὰ αὐτὰ ἐστὶν ἢ διαφέρει τι. Πάνυ γε, ἔφη. [3.4.8] Οὐκοῦν, ἔφη, τὸ μὲν τοὺς ἀρχομένους κατηκόους τε καὶ εὐπειθεῖς ἑαυτοῖς παρασκευάζειν ἀμφοτέρων ἐστὶν ἔργον; Καὶ μάλα, ἔφη. Τί δέ; τὸ προστάττειν ἕκαστα τοῖς ἐπιτηδεύουσιν πράττειν; Καὶ τοῦτ', ἔφη. Καὶ μὴν τὸ τοὺς κακοὺς κολάζειν καὶ τοὺς ἀγαθοὺς τιμᾶν ἀμφοτέροις οἶμαι προσήκειν. Πάνυ μὲν οὖν, ἔφη. [3.4.9] Τὸ δὲ τοὺς ὑπηκόους εὐμενεῖς ποιῆσθαι πῶς οὐ καλὸν ἀμφοτέροις; Καὶ τοῦτ', ἔφη. Συμμάχους δὲ καὶ βοηθοὺς προσάγεσθαι δοκεῖ σοι συμφέρειν ἀμφοτέροις ἢ οὐ; Πάνυ μὲν οὖν, ἔφη. Ἀλλὰ φυλακτικούς τῶν ὄντων οὐκ ἀμφοτέρους εἶναι προσήκει; Σφόδρα γ', ἔφη. Οὐκοῦν καὶ ἐπιμελεῖς καὶ φιλοπόνους ἀμφοτέρους εἶναι προσήκει περὶ τὰ αὐτῶν ἔργα; [3.4.10] Ταῦτα μὲν, ἔφη, πάντα ὁμοίως ἀμφοτέρων ἐστὶν· ἀλλὰ τὸ μάχεσθαι οὐκέτι ἀμφοτέρων. Ἀλλ' ἐχθροὶ γέ τοι ἀμφοτέροις γίνονται; Καὶ μάλα, ἔφη, τοῦτό γε. Οὐκοῦν τὸ περιγενέσθαι τούτων ἀμφοτέροις συμφέρεει; [3.4.11] Πάνυ γ', ἔφη· ἀλλ' ἐκεῖνο παρίης, ἂν δέῃ μάχεσθαι, τί ὠφελήσει ἡ οἰκονομική; Ἐνταῦθα δὴπου καὶ πλεῖστον, ἔφη· ὁ γὰρ ἀγαθὸς οἰκονόμος, εἰδὼς ὅτι οὐδὲν οὕτω λυσιτελές τε καὶ κερδαλέον ἐστίν, ὥς τὸ μαχόμενον τοὺς πολεμίους νικᾶν, οὐδὲ οὕτως ἄλυσιτελές τε καὶ ζημιῶδες, ὥς τὸ ἡττᾶσθαι, προθύμως μὲν τὰ πρὸς τὸ νικᾶν συμφέροντα ζητήσει καὶ παρασκευάζεται, ἐπιμελῶς δὲ τὰ πρὸς τὸ ἡττᾶσθαι φέροντα σκέπεται καὶ φυλάσσεται, ἐνεργῶς δ', ἂν τὴν παρασκευὴν ὁρᾷ νικητικὴν οὖσαν, μαχεῖται, οὐχ ἥκιστα δὲ τούτων, ἐὰν ἀπαρασκευος ᾖ, φυλάσσεται συνάπτειν μάχην. [3.4.12] μὴ καταφρόνει, ἔφη, ὦ Νικομαχίδη, τῶν οἰκονομικῶν ἀνδρῶν· ἡ γὰρ τῶν ιδίων ἐπιμέλεια πλήθει μόνον διαφέρει τῆς τῶν κοινῶν, τὰ δὲ ἄλλα παραπλήσια ἔχει, τὸ <δὲ> μέγιστον, ὅτι οὔτε ἄνευ ἀνθρώπων οὐδετέρα γίνεται οὔτε δι' ἄλλων μὲν ἀνθρώπων τὰ ἴδια πράττεται, δι' ἄλλων δὲ τὰ κοινά. οὐ γὰρ ἄλλοις τισὶν ἀνθρώποις οἱ τῶν κοινῶν ἐπιμελόμενοι χρῶνται ἢ οἷσπερ τὰ ἴδια οἰκονομοῦντες· οἷς οἱ ἐπιστάμενοι χρῆσθαι καὶ τὰ ἴδια καὶ τὰ κοινὰ καλῶς πράττουσιν, οἱ δὲ μὴ ἐπιστάμενοι ἀμφοτέρωθι πλημμελοῦσι.

[3.5.1] Περικλεῖ δὲ ποτε τῷ τοῦ πάνυ Περικλέους υἱῷ διαλεγόμενος, Ἐγὼ τοι, ἔφη, ὦ Περικλείης, ἐλπίδα ἔχω σοῦ

στρατηγήσαντος ἀμείνω τε καὶ ἐνδοξοτέραν τὴν πόλιν εἰς τὰ
πολεμικὰ ἔσεσθαι καὶ τῶν πολεμίων κρατήσιν. καὶ ὁ Περικλῆς,
Βουλοίμην ἄν, ἔφη, ὃ Σώκρατες, ἃ λέγεις· ὅπως δὲ ταῦτα γένοιτ' ἄν,
οὐ δύναμαι γνῶναι. Βούλει οὖν, ἔφη ὁ Σωκράτης, διαλογιζόμενοι
περὶ αὐτῶν ἐπισκοπῶμεν ὅπου ἤδη τὸ δυνατόν ἐστι; Βούλομαι, ἔφη.
[3.5.2] Οὐκοῦν οἶσθα, ἔφη, ὅτι πλήθει μὲν οὐδὲν μείους εἰσὶν Ἀθηναῖοι
Βοιωτῶν; Οἶδα γάρ, ἔφη. Σώματα δὲ ἀγαθὰ καὶ καλὰ πότερον ἐκ
Βοιωτῶν οἶε πλείω ἂν ἐκλεχθῆναι ἢ ἐξ Ἀθηνῶν; Οὐδὲ ταύτη μοι
δοκοῦσι λείπεσθαι. Εὐμενεστέρους δὲ ποτέρους ἑαυτοῖς εἶναι
νομίζεις; Ἀθηναίους ἔγωγε· Βοιωτῶν μὲν γὰρ πολλοὶ
πλεονεκτούμενοι ὑπὸ Θηβαίων δυσμενῶς αὐτοῖς ἔχουσιν, Ἀθήνησι
δὲ οὐδὲν ὁρῶ τοιοῦτον. [3.5.3] Ἀλλὰ μὴν φιλοτιμώτατοί γε καὶ
φιλοφρονέστατοι πάντων εἰσὶν· ἅπερ οὐχ ἥκιστα παροξύνει
κινδυνεύειν ὑπὲρ εὐδοξίας τε καὶ πατρίδος. Οὐδὲ ἐν τούτοις
Ἀθηναῖοι μεμπτοί. Καὶ μὴν προγόνων γε καλὰ ἔργα οὐκ ἔστιν οἷς
μεῖζω καὶ πλείω ὑπάρχει ἢ Ἀθηναίοις· ὧι πολλοὶ ἐπαιρόμενοι
προτρέπονται τε ἀρετῆς ἐπιμελεῖσθαι καὶ ἄλκιμοι γίνεσθαι. [3.5.4]
Ταῦτα μὲν ἀληθῆ λέγεις πάντα, ὃ Σώκρατες· ἀλλ' ὁρᾷς, ὅτι, ἀφ' οὗ

ἄλλων Πελοποννησίων ἀντιτάττεσθαι, νῦν ἀπειλοῦσιν αὐτοὶ καθ'
αὐτοὺς ἐμβαλεῖν εἰς τὴν Ἀττικὴν, Ἀθηναῖοι δέ, οἱ πρότερον [ὅτε
Βοιωτοὶ μόνοι ἐγένοντο] πορθοῦντες τὴν Βοιωτίαν, φοβοῦνται μὴ
Βοιωτοὶ δηλώσωσι τὴν Ἀττικὴν. [3.5.5] καὶ ὁ Σωκράτης, Ἀλλ'
αἰσθάνομαι μὲν, ἔφη, ταῦτα οὕτως ἔχοντα· δοκεῖ δέ μοι ἀνδρὶ ἀγαθῷ
ἄρχοντι νῦν εὐαρεστοτέρως διακεῖσθαι ἢ πόλιν. τὸ μὲν γὰρ θάρσος
ἀμέλειάν τε καὶ ραιθυμίαν καὶ ἀπείθειαν ἐμβάλλει, ὁ δὲ φόβος
προσεκτικωτέρους τε καὶ εὐπειθεστέρους καὶ εὐτακτοτέρους ποιεῖ.
[3.5.6] τεκμήραιο δ' ἂν τοῦτο καὶ ἀπὸ τῶν ἐν ταῖς ναυσίν· ὅταν μὲν γὰρ
δήπου μηδὲν φοβῶνται, μεστοὶ εἰσὶν ἀταξίας· ἔστ' ἂν δὲ ἡ χειμῶνα ἢ
πολεμίους δέισωσιν, οὐ μόνον τὰ κελεύόμενα πάντα ποιοῦσιν, ἀλλὰ
καὶ σιγῶσι καρδοκοῦντες τὰ προσταχθεσόμενα, ὥσπερ χορευταί.
[3.5.7] Ἀλλὰ μὴν, ἔφη ὁ Περικλῆς, εἴ γε νῦν μάλιστα πείθοντο, ὥρα ἂν
εἴη λέγειν, πῶς ἂν αὐτοὺς προτρεψαίμεθα πάλιν ἀνερασθῆναι τῆς

ἀρχαίας ἀρετῆς τε καὶ εὐκλείας καὶ εὐδαιμονίας. [3.5.8] Οὐκοῦν, ἔφη ὁ Σωκράτης, εἰ μὲν ἐβουλόμεθα χρημάτων αὐτοὺς ὧν οἱ ἄλλοι εἶχον ἀντιποιεῖσθαι, ἀποδεικνύντες αὐτοῖς ταῦτα πατρῷά τε ὄντα καὶ προσήκοντα μάλιστ' ἂν οὕτως αὐτοὺς ἐξωρμῶμεν ἀντέχεσθαι τούτων· ἐπεὶ δὲ τοῦ μετ' ἀρετῆς πρωτεύειν αὐτοὺς ἐπιμελεῖσθαι βουλόμεθα, τοῦτ' αὖ δεικτέον ἐκ παλαιοῦ μάλιστα προσήκον αὐτοῖς, καὶ ὡς τούτου ἐπιμελόμενοι πάντων ἂν εἶεν κράτιστοι. [3.5.9] Πῶς οὖν ἂν τοῦτο διδάσκοιμεν; Οἶμαι μὲν, εἰ τοὺς γε παλαιτάτους ὧν ἀκούομεν προγόνους αὐτῶν ἀναμιμνήσκοιμεν αὐτοὺς ἀκηκοότας ἀρίστους γεγονέναι. [3.5.10] Ἄρα λέγεις τὴν τῶν θεῶν κρίσιν, ἣν οἱ περὶ Κέκροπα δι' ἀρετὴν ἔκριναν; Λέγω γάρ, καὶ τὴν Ἑρεχθέως γε τροφὴν καὶ γένεσιν, καὶ τὸν πόλεμον τὸν ἐπ' ἐκείνου γενόμενον πρὸς τοὺς ἐκ τῆς ἐχομένης ἡπείρου πάσης, καὶ τὸν ἐφ' Ἡρακλειδῶν πρὸς τοὺς ἐν Πελοποννήσῳ, καὶ πάντας τοὺς ἐπὶ Θησέως πολεμηθέντας, ἐν οἷς πᾶσιν ἐκεῖνοι δῆλοι γεγόνασι τῶν καθ' ἑαυτοὺς ἀνθρώπων ἀριστεύσαντες· [3.5.11] εἰ δὲ βούλει, ἃ ὕστερον οἱ ἐκείνων μὲν ἀπόγονοι, οὐ πολὺ δὲ πρὸ ἡμῶν γεγονότες ἔπραξαν, τὰ μὲν αὐτοὶ καθ' αὐτοὺς ἀγωνιζόμενοι πρὸς τοὺς κυριεύοντας τῆς τε Ἀσίας πάσης καὶ τῆς Εὐρώπης μέχρι Μακεδονίας καὶ πλείστην τῶν προγεγονότων δυνάμιν καὶ ἀφορμὴν κεκτημένους καὶ μέγιστα ἔργα κατειργασμένους, τὰ δὲ καὶ μετὰ Πελοποννησίων ἀριστεύοντες καὶ κατὰ γῆν καὶ κατὰ θάλατταν· οἱ δὴ καὶ λέγονται πολὺ διενεγκεῖν τῶν καθ' αὐτοὺς ἀνθρώπων. Λέγονται γάρ, ἔφη. [3.5.12] Τοιγαροῦν πολλῶν μὲν μεταναστάσεων ἐν τῇ Ἑλλάδι γεγονυῶν διέμειναν ἐν τῇ ἑαυτῶν, πολλοὶ δὲ ὑπὲρ δικαίων ἀντιλέγοντες ἐπέτρεπον ἐκείνοις, πολλοὶ δὲ ὑπὸ κρειττόνων ὑβριζόμενοι κατέφευγον πρὸς ἐκείνους. [3.5.13] καὶ ὁ Περικλῆς, Καὶ θαυμάζω γ', ἔφη, ὦ Σώκρατες, ἡ πόλις ὅπως ποτ' ἐπὶ τὸ χεῖρον ἔκλινεν. Ἐγὼ μὲν, ἔφη, οἶμαι, ὁ Σωκράτης, ὥσπερ καὶ ἀθληταὶ τινες διὰ τὸ πολὺ ὑπερενεγκεῖν καὶ κρατιστεῦσαι καταρραϊθυμήσαντες ὑστερίζουσι τῶν ἀντιπάλων, οὕτω καὶ Ἀθηναίους πολὺ διενεγκόντας ἀμελῆσαι ἑαυτῶν καὶ διὰ τοῦτο χεῖρους γεγονέναι. [3.5.14] Νῦν οὖν, ἔφη, τί ἂν ποιοῦντες ἀναλάβοιεν τὴν ἀρχαίαν ἀρετὴν; καὶ ὁ Σωκράτης· Οὐδὲν ἀπόκρυφον δοκεῖ μοι εἶναι, ἀλλ' εἰ μὲν ἐξευρόντες τὰ τῶν προγόνων ἐπιτηδεύματα μὴδὲν χεῖρον ἐκείνων ἐπιτηδεύοιεν, οὐδὲν ἂν χεῖρους ἐκείνων γενέσθαι· εἰ δὲ μή, τοὺς γε νῦν πρωτεύοντας μιμούμενοι καὶ τούτοις τὰ αὐτὰ ἐπιτηδεύοντες, ὁμοίως μὲν τοῖς αὐτοῖς χρώμενοι οὐδὲν ἂν χεῖρους

ἐκείνων εἶεν, εἰ δ' ἐπιμελέστερον, καὶ βελτίους. [3.5.15] Λέγεις, ἔφη, πόρρω που εἶναι τῇ πόλει τὴν καλοκαγαθίαν. πότε γὰρ οὕτως Ἀθηναῖοι ὥσπερ Λακεδαιμόνιοι ἢ πρεσβυτέρους αἰδέσονται, οἱ ἀπὸ τῶν πατέρων ἄρχονται καταφρονεῖν τῶν γεραιτέρων, ἢ σωμασκήσουσιν οὕτως, οἱ οὐ μόνον αὐτοὶ εὐεξίας ἀμελοῦσιν, ἀλλὰ καὶ τῶν ἐπιμελομένων καταγελῶσι; [3.5.16] πότε δὲ οὕτω πείσονται τοῖς ἄρχουσιν, οἱ καὶ ἀγάλλονται ἐπὶ τῷ καταφρονεῖν τῶν ἀρχόντων; ἢ πότε οὕτως ὁμονήσουσιν, οἳ γε ἀντὶ μὲν τοῦ συνεργεῖν ἑαυτοῖς τὰ συμφέροντα ἐπηρεάζουσιν ἀλλήλοις καὶ φθονοῦσιν ἑαυτοῖς μᾶλλον ἢ τοῖς ἄλλοις ἀνθρώποις, μάλιστα δὲ πάντων ἔν τε ταῖς ἰδίαις συνόδοις καὶ ταῖς κοιναῖς διαφέρονται καὶ πλείστας δίκας ἀλλήλοις δικάζονται καὶ προαιροῦνται μᾶλλον οὕτω κερδαίνειν ἀπ' ἀλλήλων ἢ συνωφελοῦντες αὐτούς, τοῖς δὲ κοινοῖς ὥσπερ ἀλλοτρίοις χρώμενοι περὶ τούτων αὐτῶν μάχονται καὶ ταῖς εἰς τὰ τοιαῦτα δυνάμεσι μάλιστα χαίρουσιν; [3.5.17] ἐξ ὧν πολλὴ μὲν ἀτηρία καὶ κακία τῇ πόλει ἐμφύεται, πολλὴ δὲ ἔχθρα καὶ μῖσος ἀλλήλων τοῖς πολίταις ἐγγίγνεται, δι' ἃ ἔγωγε μάλα φοβοῦμαι ἀεὶ, μή τι μείζον ἢ ὥστε φέρειν δύνασθαι κακὸν τῇ πόλει συμβῇ. [3.5.18] Μηδαμῶς, ἔφη ὁ Σωκράτης, ὃ Περικλείς, οὕτως ἡγοῦ ἀνηκέστῳι πονηρίαί νοσεῖν Ἀθηναίους. οὐχ ὁρᾷς, ὥς εὐτακτοὶ μὲν εἰσιν ἐν τοῖς ναυτικοῖς, εὐτάκτως δ' ἐν τοῖς γυμνικοῖς ἀγῶσι πείθονται τοῖς ἐπιστάταις, οὐδένων δὲ καταδεέστερον ἐν τοῖς χοροῖς ὑπηρετοῦσι τοῖς διδασκάλοις; [3.5.19] Τοῦτο γάρ τοι, ἔφη, καὶ θαυμαστόν ἐστι, τὸ τοὺς μὲν τοιούτους πειθαρχεῖν τοῖς ἐφεστῶσι, τοὺς δὲ ὀπλίτας καὶ τοὺς ἱππέας, οἱ δοκοῦσι καλοκαγαθία προκεκρίσθαι τῶν πολιτῶν, ἀπειθεστάτους εἶναι πάντων. [3.5.20] καὶ ὁ Σωκράτης ἔφη· Ἡ δὲ ἐν Ἀρείῳ πάγῳ βουλή, ὃ Περικλείς, οὐκ ἐκ τῶν δεδοκιμασμένων καθίσταται; Καὶ μάλα, ἔφη. Οἶσθα οὖν τινας, ἔφη, κάλλιον ἢ νομιμώτερον ἢ σεμνότερον ἢ δικαιότερον τάς τε δίκας δικάζοντας καὶ τᾶλλα πάντα πράττοντας; Οὐ μέφομαι, ἔφη, τούτοις. Οὐ τοίνυν, ἔφη, δεῖ ἀθυμεῖν ὥς οὐκ εὐτάκτων ὄντων Ἀθηναίων. [3.5.21] Καὶ μὴν ἐν γε τοῖς στρατιωτικοῖς, ἔφη, ἔνθα μάλιστα δεῖ σωφρονεῖν τε καὶ εὐτακτεῖν καὶ πειθαρχεῖν, οὐδενὶ τούτων προσέχουσιν. Ἴσως γάρ, ἔφη ὁ Σωκράτης, ἐν τούτοις οἱ ἥκιστα ἐπιστάμενοι ἄρχουσιν αὐτῶν. οὐχ ὁρᾷς ὅτι κιθαριστῶν μὲν καὶ χορευτῶν καὶ ὀρχηστῶν οὐδὲ εἷς ἐπιχειρεῖ ἄρχειν μὴ ἐπιστάμενος, οὐδὲ παλαιστῶν οὐδὲ παγκρατιαστῶν; ἀλλὰ πάντες οἱ τούτων ἄρχοντες ἔχουσι δεῖξαι

ὁπόθεν ἔμαθον ταῦτα ἐφ' οἷς ἐφεστᾶσιν τῶν δὲ στρατηγῶν οἱ πλεῖστοι αὐτοσχεδιάζουσιν. [3.5.22] οὐ μέντοι σέ γε τοιοῦτον ἐγὼ νομίζω εἶναι, ἀλλ' οἶμαί σε οὐδὲν ἥττον ἔχειν εἰπεῖν ὅποτε στρατηγεῖν ἢ ὅποτε παλαίειν ἤρξω μαθάνειν. καὶ πολλὰ μὲν οἶμαί σε τῶν πατρώϊων στρατηγημάτων παρειληφότα διασώζεις, πολλὰ δὲ πανταχόθεν συνηγέαι, ὁπόθεν οἷόν τε ἦν μαθεῖν τι ὠφελίμον εἰς στρατηγίαν. [3.5.23] οἶμαι δέ σε πολλὰ μεριμνᾶν, ὅπως μὴ λάθης σεαυτὸν ἀγνοῶν τι τῶν εἰς στρατηγίαν ὠφελίμων, καὶ ἐάν τι τοιοῦτον αἰσθῇ σεαυτὸν μὴ εἰδότα, ζητεῖν τοὺς ἐπισταμένους ταῦτα, οὔτε δώρων οὔτε χαρίτων φειδόμενον, ὅπως μάθης παρ' αὐτῶν ἢ μὴ ἐπίστασαι καὶ συνεργοὺς ἀγαθοὺς ἔχῃς. [3.5.24] καὶ ὁ Περικλῆς, Οὐ λανθάνεις με, ὦ Σώκρατες, ἔφη, ὅτι οὐδ' οἰόμενός με τούτων ἐπιμελεῖσθαι ταῦτα λέγεις, ἀλλ' ἐγχειρῶν με διδάσκειν ὅτι τὸν μέλλοντα στρατηγεῖν τούτων ἀπάντων ἐπιμελεῖσθαι δεῖ. ὁμολογῶ μέντοι καὶ γὰρ σοὶ ταῦτα. [3.5.25] Τοῦτο δ', ἔφη, ὦ Περίκλεις, κατανενόηκας, ὅτι πρόκειται τῆς χώρας ἡμῶν ὄρη μεγάλα, καθήκοντα ἐπὶ τὴν Βοιωτίαν, δι', ὧν εἰς τὴν χώραν εἰσοδοὶ στεναὶ τε καὶ προσάντεις εἰσὶ καὶ ὅτι μέση διέζωται ὄρεσιν ἐρυμνοῖς; Καὶ μάλα, ἔφη. [3.5.26] Τί δέ; ἐκεῖνο ἀκήκοας, ὅτι Μυσοὶ καὶ Πισίδαι ἐν τῇ βασιλέως χώραι κατέχοντες ἐρυμνὰ πάνυ χωρία καὶ κούφως ὀπλισμένοι δύνανται πολλὰ μὲν τὴν βασιλέως χώραν καταθέοντες κακοποιεῖν, αὐτοὶ δὲ ζῆν ἐλεύθεροι; Καὶ τοῦτό γ', ἔφη, ἀκούω. [3.5.27] Ἀθηναίους δ' οὐκ ἂν οἶει, ἔφη, μέχρι τῆς ἐλαφρᾶς ἡλικίας ὀπλισμένους κουφοτέροις ὅπλοις καὶ τὰ προκείμενα τῆς χώρας ὄρη κατέχοντας βλαβεροὺς μὲν τοῖς πολεμίοις εἶναι, μεγάλην δὲ προβολὴν τοῖς πολίταις τῆς χώρας κατεσκευάσθαι; καὶ ὁ Περικλῆς, Πάντ' οἶμαι, ἔφη, ὦ Σώκρατες, καὶ ταῦτα χρήσιμα εἶναι. [3.5.28] Εἰ τοίνυν, ἔφη ὁ Σωκράτης, ἀρέσκει σοὶ ταῦτα, ἐπιχείρει αὐτοῖς, ὦ ἄριστε· ὅ τι μὲν γὰρ ἂν τούτων καταπράξης, καὶ σοὶ καλὸν ἔσται καὶ τῇ πόλει ἀγαθόν, ἐὰν δέ τι αὐτῶν ἀδυνατήης, οὔτε τὴν πόλιν βλάψεις οὔτε σαυτὸν κατασχυνεῖς.

[3.6.1] Γλαῦκωνα δὲ τὸν Ἀρίστωνος, ὅτ' ἐπεχείρει δημηγορεῖν, ἐπιθυμῶν προστατεύειν τῆς πόλεως οὐδέπω εἴκοσιν ἔτη γεγονώς, τῶν ἄλλων οἰκείων τε καὶ φίλων οὐδεὶς ἐδύνατο παῦσαι ἐλκόμενόν τε ἀπὸ τοῦ βήματος καὶ καταγέλαστον ὄντα· Σωκράτης δέ, εὖνους ὢν αὐτῷ διὰ τε Χαρμίδην τὸν Γλαῦκωνος καὶ διὰ Πλάτωνα, μόνος ἔπαυσεν. [3.6.2] ἐντυχὼν γὰρ αὐτῷ πρῶτον μὲν εἰς τὸ ἐθελῆσαι

ἀκούειν τοιάδε λέξας κατέσχευεν, ὦ Γλαύκων, ἔφη, προστατεύειν ἡμῖν διανενόησαι τῆς πόλεως; Ἐγώ γ', ἔφη, ὦ Σώκρατες. Νή Δί', ἔφη, καλὸν γάρ, εἴπερ τι καὶ ἄλλο τῶν ἐν ἀνθρώποις. δῆλον γὰρ ὅτι, ἐὰν τοῦτο διαπράξῃ, δυνατός μὲν ἔσει αὐτὸς τυγχάνειν ὅτου ἂν ἐπιθυμήσῃς, ἱκανὸς δὲ τοὺς φίλους ὠφελεῖν, ἐπαρεῖς δὲ τὸν πατρῷον οἶκον, αὐξήσεις δὲ τὴν πατρίδα, ὀνομαστός δ' ἔσει πρῶτον μὲν ἐν τῇ πόλει, ἔπειτα ἐν τῇ Ἑλλάδι, ἴσως δ' ὥσπερ Θεμιστοκλῆς, καὶ ἐν τοῖς βαρβάροις· ὅπου δ' ἂν ᾖ, πανταχοῦ περίβλεπτος ἔσει. [3.6.3] ταῦτ' οὖν ἀκούων ὁ Γλαύκων ἐμεγαλύνετο καὶ ἡδέως παρέμενε. μετὰ δὲ ταῦτα ὁ Σωκράτης, Οὐκοῦν, ἔφη, τοῦτο μὲν, ὦ Γλαύκων, δῆλον, ὅτι, εἴπερ τιμᾶσθαι βούλει, ὠφελητέα σοι ἢ πόλις ἐστί; Πάνυ μὲν οὖν, ἔφη. Πρὸς θεῶν, ἔφη, μὴ τοῖνυν ἀποκρύψῃ, ἀλλ' εἶπον ἡμῖν ἐκ τίνος ἄρξῃ τὴν πόλιν εὐεργετεῖν. [3.6.4] ἐπεὶ δὲ ὁ Γλαύκων διεσιώπησεν, ὡς ἂν τότε σκοπῶν ὀπόθεν ἄρχοιτο, Ἄρ', ἔφη ὁ Σωκράτης, ὥσπερ φίλου οἶκον εἰ αὐξῆσαι βούλοιο, πλουσιώτερον αὐτὸν ἐπιχειροῖς ἂν ποιεῖν, οὕτω καὶ τὴν πόλιν πειράσῃ πλουσιωτέραν ποιῆσαι; Πάνυ μὲν οὖν, ἔφη. [3.6.5] Οὐκοῦν πλουσιωτέρα γ' ἂν εἴη προσόδων αὐτῇ πλειόνων γενομένων; Εἰκὸς γοῦν, ἔφη. Λέξον δὴ, ἔφη, ἐκ τίνων νῦν αἱ πρόσοδοι τῇ πόλει καὶ πόσαι τινές εἰσι; δῆλον γὰρ ὅτι ἔσκεψαι, ἵνα, εἰ μὲν τινες αὐτῶν ἐνδεῶς ἔχουσιν, ἐκπληρώσῃς, εἰ δὲ παραλείπονται, προσπορίσῃς. Ἀλλὰ μὰ Δί', ἔφη ὁ Γλαύκων, ταῦτά γε οὐκ ἐπέσκεμμαι. [3.6.6] Ἀλλ' εἰ τοῦτο, ἔφη, παρέλipes, τάς γε δαπάνας τῆς πόλεως ἡμῖν εἰπέ· δῆλον γὰρ ὅτι καὶ τούτων τὰς περιττάς ἀφαιρεῖν διανοῇ. Ἀλλὰ μὰ τὸν Δί', ἔφη, οὐδὲ πρὸς ταῦτά πω ἐσχόλασα. Οὐκοῦν, ἔφη, τὸ μὲν πλουσιωτέραν τὴν πόλιν ποιεῖν ἀναβαλούμεθα· πῶς γὰρ οἷόν τε μὴ εἰδότα γε τὰ ἀναλώματα καὶ τὰς προσόδους ἐπιμεληθῆναι τούτων; [3.6.7] Ἀλλ', ὦ Σώκρατες, ἔφη ὁ Γλαύκων, δυνατόν ἐστι καὶ ἀπὸ πολεμίων τὴν πόλιν πλουτίζειν. Νή Δία σφόδρα γ', ἔφη ὁ Σωκράτης, ἐὰν τις αὐτῶν κρείττων ᾖ ἢ ἥττων δὲ ὢν καὶ τὰ ὄντα προσαποβάλοι ἅν. Ἀληθῆ λέγεις, ἔφη. [3.6.8] Οὐκοῦν, ἔφη, τὸν γε βουλευσόμενον, πρὸς οὐστinas δεῖ πολεμεῖν, τὴν τε τῆς πόλεως δύναμιν καὶ τὴν τῶν ἐναντίων εἰδέναι δεῖ, ἵνα, ἐὰν μὲν ἢ τῆς πόλεως κρείττων ᾖ, συμβουλευῇ ἐπιχειρεῖν τῷ πολέμῳ, ἐὰν δὲ ἥττων τῶν ἐναντίων, εὐλαβεῖσθαι πείθῃ. Ὅρθως λέγεις, ἔφη. [3.6.9] Πρῶτον μὲν τοῖνυν, ἔφη, λέξον ἡμῖν τῆς πόλεως τὴν τε πεζικὴν καὶ τὴν ναυτικὴν δύναμιν, εἴτα τὴν τῶν ἐναντίων. Ἀλλὰ μὰ τὸν Δί', ἔφη, οὐκ ἂν ἔχοιμί σοι οὕτω γε ἀπὸ στόματος εἰπεῖν. Ἀλλ' εἰ

γέγραπταί σοι, ἔνεγκε, ἔφη· πάνυ γὰρ ἡδέως ἂν τοῦτο ἀκούσαιμι. Ἀλλὰ μὰ τὸν Δί', ἔφη, οὐδὲ γέγραπταί μοι πω. [3.6.10] Οὐκοῦν, ἔφη, καὶ περὶ πολέμου συμβουλευεῖν τήν γε πρώτην ἐπισχίσομεν· ἴσως γὰρ καὶ διὰ τὸ μέγεθος αὐτῶν ἄρτι ἀρχόμενος τῆς προστατείας οὐπω ἐξήτακας. ἀλλὰ τοι περὶ γε φυλακῆς τῆς χώρας οἶδ' ὅτι ἤδη σοι μεμέληκε, καὶ οἶσθα ὁπόσαι τε φυλακαὶ ἐπικairoί εἰσι καὶ ὁπόσαι μὴ, καὶ ὁπόσοι τε φρουροὶ ἱκανοὶ εἰσι καὶ ὁπόσοι μὴ εἰσι· καὶ τὰς μὲν ἐπικαίρους φυλακὰς συμβουλευσεις μείζονας ποιεῖν, τὰς δὲ περιττὰς ἀφαιρεῖν. [3.6.11] Νῆ Δί', ἔφη ὁ Γλαύκων, ἀπάσας μὲν οὖν ἔγωγε, ἔνεκά γε τοῦ οὕτως αὐτὰς φυλάττεσθαι ὥστε κλέπτεσθαι τὰ ἐκ τῆς χώρας. Ἐὰν δέ τις ἀφέλῃ γ', ἔφη, τὰς φυλακάς, οὐκ οἶει καὶ ἀρπάζειν ἐξουσίαν ἔσεσθαι τῷ βουλομένῳ; ἀτάρ, ἔφη, πότερον ἐλθὼν αὐτὸς ἐξήτακας τοῦτο, ἢ πῶς οἶσθα ὅτι κακῶς φυλάττονται; Εἰκάζω, ἔφη. Οὐκοῦν, ἔφη, καὶ περὶ τούτων, ὅταν μηκέτι εἰκάζωμεν, ἀλλ' ἤδη εἰδῶμεν, τότε συμβουλευσομεν; Ἴσως, ἔφη ὁ Γλαύκων, βέλτιον. [3.6.12] Εἷς γε μὴν, ἔφη, τὰργύρεια οἶδ' ὅτι οὐκ ἀφίζαι, ὥστ' ἔχειν εἰπεῖν δι' ὃ τι νῦν ἐλάττω ἢ πρόσθεν προσέρχεται αὐτόθεν. Οὐ γὰρ οὖν ἐλήλυθα, ἔφη. Καὶ γὰρ νῆ Δί', ἔφη ὁ Σωκράτης, λέγεται βαρὺ τὸ χωρίον εἶναι, ὥστε, ὅταν περὶ τούτου δέῃ συμβουλευεῖν, αὕτη σοι ἡ πρόφασις ἀρκέσει. Σκώπτομαι, ἔφη ὁ Γλαύκων. [3.6.13] Ἀλλ' ἐκείνου γέ τοι, ἔφη, οἶδ' ὅτι οὐκ ἡμέληκας, ἀλλ' ἔσκεψαι, πόσον χρόνον ἱκανός ἐστιν ὁ ἐκ τῆς χώρας γιγνόμενος σῖτος διατρέφειν τὴν πόλιν, καὶ πόσου εἰς τὸν ἐνιαυτὸν προσδεῖται, ἵνα μὴ τοῦτό γε λάθῃ σε ποτε ἡ πόλις ἐνδεὴς γενομένη, ἀλλ' εἰδὼς ἔχῃς ὑπὲρ τῶν ἀναγκαίων συμβουλευὼν τῇ πόλει βοηθεῖν τε καὶ σώιζειν αὐτήν. Λέγεις, ἔφη ὁ Γλαύκων, παμμέγεθες πρᾶγμα, εἴ γε καὶ τῶν τοιούτων ἐπιμελεῖσθαι δεήσει. [3.6.14] Ἀλλὰ μέντοι, ἔφη ὁ Σωκράτης, οὐδ' ἂν τὸν ἑαυτοῦ τότε οἶκον καλῶς τις οἰκήσειεν, εἰ μὴ πάντα μὲν εἴσεται ὧν προσδεῖται, πάντων δὲ ἐπιμελόμενος ἐκπληρώσει. ἀλλ' ἐπεὶ ἡ μὲν πόλις ἐκ πλειόνων ἢ μυρίων οἰκιῶν συνέστηκε, χαλεπὸν δ' ἐστὶν ἅμα τοσούτων οἰκῶν ἐπιμελεῖσθαι, πῶς οὐχ ἓνα τὸν τοῦ θεοῦ πρῶτον ἐπειράθῃς αὐξῆσαι; δεῖται δέ. κἂν μὲν τοῦτον δύνῃη, καὶ πλείοσιν ἐπιχειρήσεις· ἓνα δὲ μὴ δυνάμενος ὠφελῆσαι πῶς ἂν πολλοὺς γε δυνηθείης; ὥσπερ, εἴ τις ἐν τάλαντον μὴ δύναιτο φέρειν, πῶς οὐ φανερόν ὅτι πλείω γε φέρειν οὐδ' ἐπιχειρητέον αὐτῷ; [3.6.15] Ἀλλ' ἔγωγ', ἔφη ὁ Γλαύκων, ὠφελοῖν ἂν τὸν τοῦ θεοῦ οἶκον, εἴ μοι ἐθέλοι πεῖθεσθαι. Εἵτα, ἔφη ὁ Σωκράτης, τὸν θεῖον οὐ δυνάμενος

πεισαι, Ἀθηναίους πάντας μετὰ τοῦ θεοῦ νομίζεις δυνήσεσθαι ποιῆσαι πείθεσθαί σοι; [3.6.16] φυλάττου, ἔφη, ὦ Γλαῦκων, ὅπως μὴ τοῦ εὐδοξεῖν ἐπιθυμῶν εἰς τοῦναντίον ἔλθῃς. ἢ οὐχ ὁραῖς ὡς σφαλερόν ἐστι τό, ἃ μὴ οἶδέ τις, ταῦτα ἢ λέγειν ἢ πράττειν; ἐνθυμοῦ δὲ τῶν ἄλλων, ὅσους οἶσθα τοιούτους, οἳ φαίνονται καὶ λέγοντες ἃ μὴ ἴσασι καὶ πράττοντες, πότερά σοι δοκοῦσιν ἐπὶ τοῖς τοιούτοις ἐπαίνου μᾶλλον ἢ ψόγου τυγχάνειν καὶ πότερον θαυμάζεσθαι μᾶλλον ἢ καταφρονεῖσθαι; [3.6.17] ἐνθυμοῦ δὲ καὶ τῶν εἰδότεων ὅ τι τε λέγουσι καὶ ὅ τι ποιοῦσι· καί, ὡς ἐγὼ νομίζω, εὐρήσεις ἐν πᾶσιν ἔργοις τοὺς μὲν εὐδοκιμοῦντάς τε καὶ θαυμαζομένους ἐκ τῶν μάλιστα ἐπισταμένων ὄντας, τοὺς δὲ κακοδοξοῦντάς τε καὶ καταφρονουμένους ἐκ τῶν ἀμαθεστάτων. εἰ οὖν ἐπιθυμεῖς εὐδοκιμεῖν τε καὶ θαυμάζεσθαι ἐν τῇ πόλει, [3.6.18] πειρῶ κατεργάσασθαι ὡς μάλιστα τὸ εἰδέναι ἃ βούλει πράττειν· ἐὰν γὰρ τούτῳ διενέγκας τῶν ἄλλων ἐπιχειρήσῃς τὰ τῆς πόλεως πράττειν, οὐκ ἂν θαυμάσαιμι εἰ πάνυ ραϊδίως τύχοις ὧν ἐπιθυμεῖς.

[3.7.1] Χαρμίδην δὲ τὸν Γλαῦκωνος ὄρων ἀξιόλογον μὲν ἄνδρα ὄντα καὶ πολλῶι δυνατώτερον τῶν τὰ πολιτικὰ τότε πραττόντων, ὁκνοῦντα δὲ προσίειναι τῷ δήμῳ καὶ τῶν τῆς πόλεως πραγμάτων ἐπιμελεῖσθαι, Εἰπέ μοι, ἔφη, ὦ Χαρμίδη, εἴ τις ἱκανὸς ὢν τοὺς στεφανίτας ἀγῶνας νικᾷν καὶ διὰ τοῦτο αὐτός τε τιμᾶσθαι καὶ τὴν πατρίδα ἐν τῇ Ἑλλάδι εὐδοκιμωτέραν ποιεῖν μὴ θέλοι ἀγωνίζεσθαι, ποῖόν τινα τοῦτον νομίζεις ἂν τὸν ἄνδρα εἶναι; Δῆλον ὅτι, ἔφη, μαλακόν τε καὶ δειλόν. [3.7.2] Εἰ δέ τις, ἔφη, δυνατός ὢν τῶν τῆς πόλεως πραγμάτων ἐπιμελόμενος τὴν τε πόλιν αὔξειν καὶ αὐτὸς διὰ τοῦτο τιμᾶσθαι, ὁκνοίῃ δὴ τοῦτο πράττειν, οὐκ ἂν εἰκότως δειλὸς νομίζοιτο; Ἰσως, ἔφη· ἀτὰρ πρὸς τί με ταῦτ' ἐρωτᾷς; Ὅτι, ἔφη, οἷμά σε δυνατόν ὄντα ὁκνεῖν ἐπιμελεῖσθαι, καὶ ταῦτα ὧν ἀνάγκη σοι μετέχειν πολίτῃ γε ὄντι. [3.7.3] Τὴν δὲ ἐμὴν δύναμιν, ἔφη ὁ Χαρμίδης, ἐν ποίῳ ἔργῳ καταμαθὼν ταῦτά μου καταγιγνώσκεις; Ἐν ταῖς συνουσίαις, ἔφη, αἷς σύνει τοῖς τὰ τῆς πόλεως πράττουσι· καὶ γὰρ ὅταν τι ἀνακοινῶνται σοι, ὁρῶ σε καλῶς συμβουλευόντα, καὶ ὅταν τι ἀμαρτάνωσιν, ὀρθῶς ἐπιτιμῶντα. [3.7.4] Οὐ ταῦτόν ἐστιν, ἔφη, ὦ Σώκρατες, ἰδία τε διαλέγεσθαι καὶ ἐν τῷ πλήθει ἀγωνίζεσθαι. Καὶ μὴν, ἔφη, ὅ γε ἀριθμεῖν δυνάμενος οὐδὲν ἥττον ἐν τῷ πλήθει ἢ μόνος ἀριθμεῖ, καὶ οἱ κατὰ μόνας ἄριστα καθαρίζοντες οὔτοι καὶ ἐν τῷ πλήθει κρατιστεύουσιν. [3.7.5] Αἰδῶ δὲ καὶ φόβον, ἔφη, οὐχ ὁραῖς

ἔμφυτά τε ἀνθρώποις ὄντα καὶ πολλῶι μᾶλλον ἐν τοῖς ὄχλοις ἢ ἐν ταῖς ἰδίαις ὁμιλίαις παριστάμενα; Καὶ σέ γε διδάξων, ἔφη, ὥρμηται· οὔτε τοὺς φρονιμωτάτους αἰδούμενος οὔτε τοὺς ἰσχυροτάτους φοβούμενος ἐν τοῖς ἀφρονεστάτοις τε καὶ ἀσθενεστάτοις αἰσχύνει λέγειν. [3.7.6] πότερον γὰρ τοὺς γναφέας αὐτῶν ἢ τοὺς σκυτέας ἢ τοὺς τέκτονας ἢ τοὺς χαλκέας ἢ τοὺς γεωργοὺς ἢ τοὺς ἐμπόρους ἢ τοὺς ἐν τῇ ἀγορᾷ μεταβαλλομένους καὶ φροντίζοντας ὃ τι ἐλάττονος πριάμενοι πλείονος ἀποδῶνται αἰσχύνει; ἐκ γὰρ τούτων ἀπάντων ἡ ἐκκλησία συνίσταται. [3.7.7] τί δὲ οἶει διαφέρειν ὃ σὺ ποιεῖς ἢ τῶν ἀσκητῶν ὄντα κρεῖττω τοὺς ἰδιώτας φοβεῖσθαι; σὺ γὰρ τοῖς πρωτεύουσιν ἐν τῇ πόλει, ὧν ἔνιοι καταφρονοῦσί σου, ραιδίως διαλεγόμενος καὶ τῶν ἐπιμελομένων τοῦ τῇ πόλει διαλέγεσθαι πολὺ περιῶν, ἐν τοῖς μηδεπώποτε φροντίσασι τῶν πολιτικῶν μηδὲ σοῦ καταπεφρονηκόσιν ὀκνεῖς λέγειν, δεδιὼς μὴ καταγελασθῇς. [3.7.8] Τί δ'; ἔφη, οὐ δοκοῦσί σοι πολλάκις οἱ ἐν τῇ ἐκκλησίαι τῶν ὀρθῶς λεγόντων καταγελαῖν; Καὶ γὰρ οἱ ἕτεροι, ἔφη· δι' ὃ καὶ θαυμάζω σου εἰ, ἐκείνους, ὅταν τοῦτο ποιῶσι, ραιδίως χειρούμενος, τούτοις μηδένα τρόπον οἶει δυνήσεσθαι προσενεχθῆναι. [3.7.9] ὦγαθέ, μὴ ἀγνῶει σεαυτόν, μηδὲ ἀμάρτανε ἃ οἱ πλείστοι ἀμαρτάνουσιν· οἱ γὰρ πολλοὶ ὥρμηκότες ἐπὶ τὸ σκοπεῖν τὰ τῶν ἄλλων πράγματα οὐ τρέπονται ἐπὶ τὸ ἑαυτοὺς ἐξετάζειν. μὴ οὖν ἀπορραϊθῇς τούτου, ἀλλὰ διατείνου μᾶλλον πρὸς τὸ σαυτῷ προσέχειν. καὶ μὴ ἀμέλει τῶν τῆς πόλεως, εἴ τι δυνατόν ἐστι διὰ σέ βέλτιον ἔχειν· τούτων γὰρ καλῶς ἐχόντων οὐ μόνον οἱ ἄλλοι πολῖται, ἀλλὰ καὶ οἱ σοὶ φίλοι καὶ αὐτὸς σὺ οὐκ ἐλάχιστα ὠφελήσῃ.

[3.8.1] Ἀριστίππου δὲ ἐπιχειροῦντος ἐλέγχειν τὸν Σωκράτην, ὥσπερ αὐτὸς ὑπ' ἐκείνου τὸ πρότερον ἠλέγγετο, βουλόμενος τοὺς συνόντας ὠφελεῖν ὁ Σωκράτης ἀπεκρίνατο οὐχ ὥσπερ οἱ φυλαττόμενοι μή πηι ὁ λόγος ἐπαλλαχθῇ, ἀλλ' ὥς ἂν πεπεισμένοι μάλιστα πράττειν τὰ δέοντα. [3.8.2] ὁ μὲν γὰρ αὐτὸν ἤρετο εἴ τι εἰδείη ἀγαθόν, ἵνα, εἴ τι εἴποι τῶν τοιούτων, οἷον ἢ σιτίον ἢ ποτὸν ἢ χρήματα ἢ ὑγίειαν ἢ ῥώμην ἢ τόλμαν, δεικνύοι δὴ τοῦτο κακὸν ἐνίστε ὄν. ὁ δὲ εἰδὼς ὅτι, ἐάν τι ἐνοχλῇ ἡμᾶς, δεόμεθα τοῦ παύσοντος, ἀπεκρίνατο ἥτις καὶ ποιεῖν κράτιστον, [3.8.3] Ἄρά γε, ἔφη, ἐρωτᾷς με, εἴ τι οἶδα πυρετοῦ ἀγαθόν; Οὐκ ἔγωγ', ἔφη. Ἀλλ' ὀφθαλμίας; Οὐδὲ τοῦτο. Ἀλλὰ λιμοῦ; Οὐδὲ λιμοῦ. Ἀλλὰ μὴν, ἔφη, εἴ γ' ἐρωτᾷς με εἴ τι ἀγαθὸν οἶδα ὁ μηδενοῦς ἀγαθὸν ἐστίν, οὔτ' οἶδα, ἔφη, οὔτε δέομαι.

[3.8.4] Πάλιν δὲ τοῦ Ἀριστίππου ἐρωτῶντος αὐτὸν εἴ τι εἰδείη καλόν, Καὶ πολλά, ἔφη. Ἄρ' οὖν, ἔφη, πάντα ὅμοια ἀλλήλοις; Ὡς οἶόν τε μὲν οὖν, ἔφη, ἀνομοιότατα ἔνια. Πῶς οὖν, ἔφη, τὸ τῷ καλῷ ἀνόμοιον καλὸν ἂν εἴη; Ὅτι νῆ Δί', ἔφη, ἔστι μὲν τῷ καλῷ πρὸς δρόμον ἀνθρώπων ἄλλος ἀνόμοιος καλὸς πρὸς πάλην, ἔστι δὲ ἀσπίς καλὴ πρὸς τὸ προβάλλεσθαι ὥς ἔνι ἀνομοιοτάτῃ τῷ ἀκοντίῳ, καλῷ πρὸς τὸ σφόδρα τε καὶ ταχὺ φέρεσθαι. [3.8.5] Οὐδὲν διαφερόντως, ἔφη, ἀποκρίνῃ μοι ἢ ὅτε σε ἠρώτησα εἴ τι ἀγαθὸν εἰδείης. Σὺ δ' οἶει, ἔφη, ἄλλο μὲν ἀγαθόν, ἄλλο δὲ καλὸν εἶναι; οὐκ οἶσθ' ὅτι πρὸς ταῦτα πάντα καλὰ τε καὶ ἀγαθὰ ἔστι; πρῶτον μὲν γὰρ ἡ ἀρετὴ οὐ πρὸς ἄλλα μὲν ἀγαθόν, πρὸς ἄλλα δὲ καλόν ἐστίν, ἔπειτα οἱ ἄνθρωποι τὸ αὐτό τε καὶ πρὸς τὰ αὐτὰ καλοὶ τε καὶ ἀγαθοὶ λέγονται, πρὸς τὰ αὐτὰ δὲ καὶ τὰ σώματα τῶν ἀνθρώπων καλὰ τε καὶ ἀγαθὰ φαίνεται, πρὸς ταῦτα δὲ καὶ τὰ ἄλλα πάντα οἷς ἄνθρωποι χρῶνται καλὰ τε καὶ ἀγαθὰ νομίζεται, πρὸς ἅπερ ἂν εὐχρηστα ἦι. [3.8.6] Ἄρ' οὖν, ἔφη, καὶ κόφινος κοπροφόρος καλόν ἐστι; Νῆ Δί', ἔφη, καὶ χρυσῇ γε ἀσπίς αἰσχρόν, ἐὰν πρὸς τὰ ἑαυτῶν ἔργα ὁ μὲν καλῶς πεποιημένος ἦι, ἡ δὲ κακῶς. Λέγεις σύ, ἔφη, καλὰ τε καὶ αἰσχρὰ τὰ αὐτὰ εἶναι; [3.8.7] Καὶ νῆ Δί' ἔγωγ', ἔφη, ἀγαθὰ τε καὶ κακὰ· πολλάκις γὰρ τό γε λιμοῦ ἀγαθὸν πυρετοῦ κακόν ἐστι καὶ τὸ πυρετοῦ ἀγαθὸν λιμοῦ κακόν ἐστι· πολλάκις δὲ τὸ μὲν πρὸς δρόμον καλὸν πρὸς πάλην αἰσχρόν, τὸ δὲ πρὸς πάλην καλὸν πρὸς δρόμον αἰσχρόν· πάντα γὰρ ἀγαθὰ μὲν καὶ καλὰ ἐστὶ πρὸς ἃ ἂν εὖ ἔχῃ, κακὰ δὲ καὶ αἰσχρὰ πρὸς ἃ ἂν κακῶς.

[3.8.8] Καὶ οἰκίας δὲ λέγων τὰς αὐτὰς καλὰς τε εἶναι καὶ χρησίμους παιδεύειν ἔμοιγ' ἐδόκει, οἷας χρή, οἰκοδομεῖσθαι. ἐπεσκόπει δὲ ὧδε· Ἄρα γε τὸν μέλλοντα οἰκίαν, οἷαν χρή, ἔχειν τοῦτο δεῖ μηχανᾶσθαι, ὅπως ἡδίστη τε ἐνδιαιτᾶσθαι καὶ χρησιμωτάτῃ ἔσται; [3.8.9] τούτου δὲ ὁμολογουμένου, Οὐκοῦν ἡδὺ μὲν θέρους ψυχρινὴν ἔχειν, ἡδὺ δὲ χειμῶνος ἁλεινὴν; ἐπειδὴ δὲ καὶ τοῦτο συμφαῖεν, Οὐκοῦν ἐν ταῖς πρὸς μεσημβρίαν βλεπούσαις οἰκίαις τοῦ μὲν χειμῶνος ὁ ἥλιος εἰς τὰς παστάδας ὑπολάμπει, τοῦ δὲ θέρους ὑπὲρ ἡμῶν αὐτῶν καὶ τῶν στεγῶν πορευόμενος σκιὰν παρέχει. οὐκοῦν, εἴ γε καλῶς ἔχει ταῦτα οὕτω γίνεσθαι, οἰκοδομεῖν δεῖ ὑψηλότερα μὲν τὰ πρὸς μεσημβρίαν, ἵνα ὁ χειμερινὸς ἥλιος μὴ ἀποκλείηται, χθαμαλότερα δὲ τὰ πρὸς ἄρκτον, ἵνα οἱ ψυχροὶ μὴ ἐμπίπτωσιν ἄνεμοι· [3.8.10] ὥς δὲ συνελόντι εἰπεῖν, ὅποι πάσας ὥρας αὐτός τε ἂν ἡδίστα καταφεύγοι καὶ τὰ ὄντα ἀσφαλέστατα τιθοῖτο, αὕτη ἂν εἰκότως ἡδίστη τε καὶ καλλίστη

οἰκησις εἴη· γραφαὶ δὲ καὶ ποικιλίαι πλείονας εὐφροσύνας ἀποστεροῦσιν ἢ παρέχουσι. ναοὺς γε μὴν καὶ βωμοὺς χώραν ἔφη εἶναι πρεπωδεστάτην ἣτις ἐμφανεστάτη οὕσα ἀστιβεστάτη εἴη· ἡδὺ μὲν γὰρ ἰδόντας προσεῦξασθαι, ἡδὺ δὲ ἀγνῶς ἔχοντας προσιέναι.

[3.9.1] Πάλιν δὲ ἐρωτώμενος ἡ ἀνδρεία πότερον εἴη διδακτὸν ἢ φυσικόν, Οἶμαι μὲν, ἔφη, ὥσπερ σῶμα σώματος ἰσχυρότερον πρὸς τοὺς πόνους φύεται, οὕτω καὶ ψυχὴν ψυχῆς ἐρρωμενεστέραν πρὸς τὰ δεινὰ φύσει γίγνεσθαι· ὁρῶ γὰρ ἐν τοῖς αὐτοῖς νόμοις τε καὶ ἔθεσι τρεφομένους πολὺ διαφέροντας ἀλλήλων τόλμηι. [3.9.2] νομίζω μέντοι πᾶσαν φύσιν μαθήσει καὶ μελέτηι πρὸς ἀνδρείαν αυξεσθαι· δηλὸν μὲν γὰρ ὅτι Σκύθαι καὶ Θραικες οὐκ ἂν τολμήσειαν ἀσπίδας καὶ δόρατα λαβόντες Λακεδαιμονίοις διαμάχεσθαι· φανερόν δ' ὅτι Λακεδαιμόνιοι οὗτ' ἂν Θραιξὶ πέλταις καὶ ἀκοντίοις οὔτε Σκύθαις τόξοις ἐθέλοιεν ἂν διαγωνίζεσθαι. [3.9.3] ὁρῶ δ' ἔγωγε καὶ ἐπὶ τῶν ἄλλων πάντων ὁμοίως καὶ φύσει διαφέροντας ἀλλήλων τοὺς ἀνθρώπους καὶ ἐπιμελείαι πολὺ ἐπιδιδόντας, ἐκ δὲ τούτων δηλὸν ἐστὶν ὅτι πάντας χρῆ καὶ τοὺς εὐφυεστεροὺς καὶ τοὺς ἀμβλυτέρους τὴν φύσιν, ἐν οἷς ἂν ἀξιόλογοι βούλωνται γενέσθαι, ταῦτα καὶ μανθάνειν καὶ μελετᾶν.

[3.9.4] Σοφίαν δὲ καὶ σωφροσύνην οὐ διώριζεν, ἀλλὰ ἥτον τὰ μὲν καλὰ τε καὶ ἀγαθὰ γινώσκοντα χρῆσθαι αὐτοῖς καὶ τὸν ἥ τὰ αἰσχροῖα εἰδότα εὐλαβεῖσθαι σοφόν τε καὶ σώφρονα ἔκρινε. προσερωτώμενος δὲ εἰ τοὺς ἐπισταμένους μὲν ἂ δεῖ πράττειν, ποιοῦντας δὲ τὰναντία σοφοὺς τε καὶ ἀκρατεῖς εἶναι νομίζοι, Οὐδέν γε μᾶλλον, ἔφη, ἢ ἀσόφους τε καὶ ἀκρατεῖς· πάντας γὰρ οἶμαι προαιρουμένους ἐκ τῶν ἐνδεχομένων ἂ οἶονται συμφορώτατα αὐτοῖς εἶναι, ταῦτα πράττειν· νομίζω οὖν τοὺς μὴ ὀρθῶς πράττοντας οὔτε σοφοὺς οὔτε σώφρονας εἶναι. [3.9.5] ἔφη δὲ καὶ τὴν δικαιοσύνην καὶ τὴν ἄλλην πᾶσαν ἀρετὴν σοφίαν εἶναι. τὰ τε γὰρ δίκαια καὶ πάντα ὅσα ἀρετῇ πράττεται καλὰ τε καὶ ἀγαθὰ εἶναι· καὶ οὗτ' ἂν τοὺς ταῦτα εἰδότας ἄλλο ἀντὶ τούτων οὐδὲν προελέσθαι οὔτε τοὺς μὴ ἐπισταμένους δύνασθαι πράττειν, ἀλλὰ καὶ ἐὰν ἐγχειρῶσιν, ἀμαρτάνειν· οὕτω [καὶ] τὰ καλὰ τε καὶ ἀγαθὰ τοὺς μὲν σοφοὺς πράττειν, τοὺς δὲ μὴ σοφοὺς οὐ δύνασθαι, ἀλλὰ καὶ ἐὰν ἐγχειρῶσιν, ἀμαρτάνειν. ἐπεὶ οὖν τὰ τε δίκαια καὶ τᾶλλα καλὰ τε καὶ ἀγαθὰ πάντα ἀρετῇ πράττεται, δηλὸν εἶναι ὅτι καὶ δικαιοσύνη καὶ ἡ ἄλλη πᾶσα ἀρετὴ σοφία ἐστί. [3.9.6] μανίαν γε μὴν ἐναντίον μὲν ἔφη εἶναι σοφίαι, οὐ μέντοι γε τὴν ἀνεπισημοσύνην μανίαν ἐνόμιζε· τὸ

δὲ ἀγνοεῖν ἑαυτὸν καὶ ἃ μὴ οἶδε δοξάζειν τε καὶ οἶεσθαι γινώσκειν ἐγγυτάτῳ μανίας ἐλογίζετο εἶναι. τοὺς μέντοι πολλοὺς ἔφη, ἃ μὲν οἱ πλεῖστοι ἀγνοοῦσι, τοὺς διημαρτηκότας τούτων οὐ φάσκειν μαίνεσθαι, τοὺς δὲ διημαρτηκότας ὧν οἱ πολλοὶ γινώσκουσι μαινομένους καλεῖν· [3.9.7] ἐάν τε γὰρ τις μέγας οὕτως οἴηται εἶναι ὥστε κύπτειν τὰς πύλας τοῦ τείχους διεξιὼν, ἐάν τε οὕτως ἰσχυρὸς ὥστ' ἐπιχειρεῖν οἰκίας αἶρεσθαι ἢ ἄλλῳ τῷ ἐπιθέσθαι τῶν πᾶσι δῆλων ὅτι ἀδύνατά ἐστι, τοῦτον μαίνεσθαι φάσκειν, τοὺς δὲ μικρὸν διαμαρτάνοντας οὐ δοκεῖν τοῖς πολλοῖς μαίνεσθαι, ἀλλ', ὥστε τὴν ἰσχυρὰν ἐπιθυμίαν ἔρωτα καλοῦσιν, οὕτω καὶ τὴν μεγάλην παράνοیان μανίαν αὐτοὺς καλεῖν.

[3.9.8] Φθόνον δὲ σκοπῶν, ὃ τι εἴη, λύπην μὲν τινα ἐξηύρισκεν αὐτὸν ὄντα, οὔτε μέντοι τὴν ἐπὶ φίλων ἀτυχίαις οὔτε τὴν ἐπ' ἐχθρῶν εὐτυχίαις γιγνομένην, ἀλλὰ μόνους ἔφη φθονεῖν τοὺς ἐπὶ ταῖς τῶν φίλων εὐπραξίαις ἀνιωμένους. θαυμαζόντων δὲ τινῶν εἰ τις φίλῳ τινα ἐπὶ τῇ εὐπραξίᾳ αὐτοῦ λυποῖτο, ὑπεμίνησκεν ὅτι πολλοὶ οὕτω πρὸς τινὰς ἔχουσιν, ὥστε κακῶς μὲν πράττοντας μὴ δύνασθαι περιορᾶν, ἀλλὰ βοηθεῖν ἀτυχοῦσιν, εὐτυχοῦντων δὲ λυπεῖσθαι. τοῦτο μέντοι φρονίμῳ μὲν ἀνδρὶ οὐκ ἂν συμβῆναι, τοὺς ἡλιθίους δὲ ἀεὶ πάσχειν αὐτό.

[3.9.9] Σχολὴν δὲ σκοπῶν, τί εἴη, ποιοῦντας μὲν τι τοὺς πλείστους εὕρισκεν ἔφη· καὶ γὰρ τοὺς πεττεύοντας καὶ τοὺς γελωτοποιοῦντας ποιεῖν τι· πάντας δὲ τούτους ἔφη σχολάζειν· ἐξεῖναι γὰρ αὐτοῖς ἰέναι πράζοντας τὰ βελτίω τούτων. ἀπὸ μέντοι τῶν βελτιόνων ἐπὶ τὰ χεῖρω ἰέναι οὐδένα σχολάζειν· εἰ δέ τις ἴοι, τούτων ἀσχολίας αὐτῷ οὔσης κακῶς ἔφη τοῦτο πράττειν.

[3.9.10] Βασιλέας δὲ καὶ ἄρχοντας οὐ τοὺς τὰ σκῆπτρα ἔχοντας ἔφη εἶναι οὐδὲ τοὺς ὑπὸ τῶν τυχόντων αἰρεθέντας οὐδὲ τοὺς κλήρῳ λαχόντας οὐδὲ τοὺς βιασαμένους οὐδὲ τοὺς ἐξαπατήσαντας, ἀλλὰ τοὺς ἐπισταμένους ἄρχειν. [3.9.11] ὁπότε γὰρ τις ὁμολογήσειε τοῦ μὲν ἄρχοντος εἶναι τὸ προστάττειν ὃ τι χρὴ ποιεῖν, τοῦ δὲ ἀρχομένου τὸ πείθεσθαι, ἐπεδείκνυνεν ἓν τε νηὶ τὸν μὲν ἐπιστάμενον ἄρχοντα, τὸν δὲ ναύκληρον καὶ τοὺς ἄλλους τοὺς ἐν τῇ νηὶ πάντας πειθομένους τῷ ἐπισταμένῳ, καὶ ἐν γεωργίᾳ τοὺς κεκτημένους ἀγρούς, καὶ ἐν νόσῳ τοὺς νοσοῦντας, καὶ ἐν σωμασκίᾳ τοὺς σωμασκοῦντας, καὶ τοὺς ἄλλους πάντας οἷς ὑπάρχει τι ἐπιμελείας δεόμενον, ἂν μὲν αὐτοὶ ἡγῶνται ἐπίστασθαι ἐπιμελεῖσθαι — · εἰ δὲ μή, τοῖς ἐπισταμένοις οὐ

μόνον παροῦσι πειθομένους, ἀλλὰ καὶ ἀπόντας μεταπεμπομένους, ὅπως ἐκείνοις πειθόμενοι τὰ δέοντα πράττωσιν· ἐν δὲ ταλασίαι καὶ τὰς γυναῖκας ἐπεδείκνυν ἀρχούσας τῶν ἀνδρῶν διὰ τὸ τὰς μὲν εἰδέναι ὅπως χρῆ ταλασιουργεῖν, τοὺς δὲ μὴ εἰδέναι. [3.9.12] εἰ δέ τις πρὸς ταῦτα λέγοι ὅτι τῷ τυράννῳ ἔξεστι μὴ πείθεσθαι τοῖς ὀρθῶς λέγουσι, Καὶ πῶς ἂν, ἔφη, ἐξείη μὴ πείθεσθαι, ἐπικειμένης γε ζημίας, ἐάν τις τῷ εὖ λέγοντι μὴ πείθεται; ἐν ᾧ γὰρ ἂν τις πράγματι μὴ πείθεται τῷ εὖ λέγοντι, ἀμαρτήσεται δήπου, ἀμαρτάνων δὲ ζημιωθήσεται. [3.9.13] εἰ δὲ φαίη τις τῷ τυράννῳ ἐξεῖναι καὶ ἀποκτείνειν τὸν εὖ φρονοῦντα, Τὸν δὲ ἀποκτείνοντα, ἔφη, τοὺς κρατίστους τῶν συμμάχων οἶει ἀζήμιον γίνεσθαι ἢ ὡς ἔτυχε ζημιουῖσθαι; πότερα γὰρ ἂν μᾶλλον οἶει σώζεσθαι τὸν τοῦτο ποιοῦντα ἢ οὕτω καὶ τάχιστ' ἂν ἀπολέσθαι;

[3.9.14] Ἐρομένου δὲ τίνος αὐτὸν τί δοκοίη αὐτῷ κράτιστον ἀνδρὶ ἐπιτήδευμα εἶναι, ἀπεκρίνατο· Εὐπραξία. ἐρομένου δὲ πάλιν εἰ καὶ τὴν εὐτυχίαν ἐπιτήδευμα νομίζοι εἶναι, Πᾶν μὲν οὖν τοῦναντίον ἔγωγ', ἔφη, τύχην καὶ πρᾶξιν ἡγοῦμαι· τὸ μὲν γὰρ μὴ ζητοῦντα ἐπιτυχεῖν τινι τῶν δεόντων εὐτυχίαν οἶμαν εἶναι, τὸ δὲ μαθόντα τε καὶ μελετήσαντά τι εὖ ποιεῖν εὐπραξίαν νομίζω, καὶ οἱ τοῦτο ἐπιτηδεύοντες δοκοῦσί μοι εὖ πράττειν. [3.9.15] καὶ ἀρίστους δὲ καὶ θεοφιλεστάτους ἔφη εἶναι ἐν μὲν γεωργίαι τοὺς τὰ γεωργικὰ εὖ πράττοντας, ἐν δ' ἰατρείαι τοὺς τὰ ἱατρικά, ἐν δὲ πολιτείαι τοὺς τὰ πολιτικά· τὸν δὲ μηδὲν εὖ πράττοντα οὔτε χρήσιμον οὐδὲν ἔφη εἶναι οὔτε θεοφιλῆ.

[3.10.1] Ἀλλὰ μὴν καὶ εἴ ποτε τῶν τὰς τέχνας ἐχόντων καὶ ἐργασίας ἕνεκα χρωμένων αὐταῖς διαλέγοιτό τινι, καὶ τούτοις ὠφέλιμος ἦν. εἰσελθὼν μὲν γὰρ ποτε πρὸς Παρράσιον τὸν ζωγράφον καὶ διαλεγόμενος αὐτῷ, Ἄρα, ἔφη ὦ Παρράσιε, γραφικὴ ἐστὶν εἰκασία τῶν ὀρωμένων; τὰ γοῦν κοῖλα καὶ τὰ ὑψηλὰ καὶ τὰ σκοτεινὰ καὶ τὰ φωτεινὰ καὶ τὰ σκληρὰ καὶ τὰ μαλακὰ καὶ τὰ τραχέα καὶ τὰ λεῖα καὶ τὰ νέα καὶ τὰ παλαιὰ σώματα διὰ τῶν χρωμάτων ἀπεικάζοντες ἐκμμεῖσθε. Ἀληθῆ λέγεις, ἔφη. [3.10.2] Καὶ μὴν τά γε καλὰ εἶδη ἀφομοιοῦντες, ἐπεὶ οὐ ράϊδιον ἐνὶ ἀνθρώπῳ περιτυχεῖν ἄμεμπτα πάντα ἔχοντι, ἐκ πολλῶν συνάγοντες τὰ ἐξ ἐκάστου κάλλιστα οὕτως ὅλα τὰ σώματα καλὰ ποιεῖτε φαίνεσθαι. [3.10.3] Ποιοῦμεν γάρ, ἔφη, οὕτως. Τί γάρ; ἔφη, τὸ πιθανώτατον καὶ ἡδιστον καὶ φιλικώτατον καὶ ποθεινώτατον καὶ ἐρασμιώτατον ἀπομμεῖσθε τῆς ψυχῆς ἦθος; ἢ οὐδὲ

μιμητόν ἐστι τοῦτο; Πῶς γὰρ ἂν, ἔφη, μιμητόν εἴη, ὃ Σώκρατες, ὃ μήτε συμμετρίαν μήτε χρῶμα μήτε ὦν σὺ εἶπας ἄρτι μηδὲν ἔχει μηδὲ ὅλως ὁρατόν ἐστιν; [3.10.4] Ἄρ' οὖν, ἔφη, γίγνεται ἐν ἀνθρώπῳ τό τε φιλοφρόνως καὶ τὸ ἐχθρῶς βλέπειν πρὸς τινας; Ἐμοιγε δοκεῖ, ἔφη. Οὐκοῦν τοῦτό γε μιμητόν ἐν τοῖς ὄμμασι; Καὶ μάλα, ἔφη. Ἐπὶ δὲ τοῖς τῶν φίλων ἀγαθοῖς καὶ τοῖς κακοῖς ὁμοίως σοι δοκοῦσιν ἔχειν τὰ πρόσωπα οἳ τε φροντίζοντες καὶ οἱ μή; Μὰ Δί' οὐ δῆτα, ἔφη· ἐπὶ μὲν γὰρ τοῖς ἀγαθοῖς φαιδροί, ἐπὶ δὲ τοῖς κακοῖς σκυθρωποὶ γίνονται. Οὐκοῦν, ἔφη, καὶ ταῦτα δυνατόν ἀπεικάζειν; Καὶ μάλα, ἔφη. [3.10.5] Ἀλλὰ μὴν καὶ τὸ μεγαλοπρεπές τε καὶ ἐλευθέριον καὶ τὸ ταπεινόν τε καὶ ἀνελεύθερον καὶ τὸ σωφρονικόν τε καὶ φρόνιμον καὶ τὸ ὑβριστικόν τε καὶ ἀπειρόκαλον καὶ διὰ τοῦ προσώπου καὶ διὰ τῶν σχημάτων καὶ ἐστώτων καὶ κινουμένων ἀνθρώπων διαφαίνει. Ἀληθῆ λέγεις, ἔφη. Οὐκοῦν καὶ ταῦτα μιμητά; Καὶ μάλα, ἔφη. Πότερον οὖν, ἔφη, νομίζεις ἥδιον ὁρᾶν τοὺς ἀνθρώπους δι' ὧν τὰ καλὰ τε καὶ ἀγαθὰ καὶ ἀγαπητὰ ἤδη φαίνεται ἢ δι' ὧν τὰ αἰσχρά τε καὶ πονηρὰ καὶ μισητά; Πολὺ νῆ Δί', ἔφη, διαφέρει, ὃ Σώκρατες.

[3.10.6] Πρὸς δὲ Κλείωνα τὸν ἀνδριαντοποιὸν εἰσελθὼν ποτε καὶ διαλεγόμενος αὐτῷ, Ὅτι μὲν, ἔφη, ὃ Κλείων, καλοὶ οὓς ποιεῖς δρομέας τε καὶ παλαιστὰς καὶ πύκτας καὶ παγκρατιαστάς, ὁρῶ τε καὶ οἶδα· ὃ δὲ μάλιστα ψυχαγωγεῖ διὰ τῆς ὀψεως τοὺς ἀνθρώπους, τὸ ζωτικὸν φαίνεσθαι, πῶς τοῦτο ἐνεργάζῃ τοῖς ἀνδριᾶσιν; [3.10.7] ἐπεὶ δὲ ἀπορῶν ὁ Κλείων οὐ ταχὺ ἀπεκρίνατο, Ἄρ', ἔφη, τοῖς τῶν ζώντων εἶδεςιν ἀπεικάζων τὸ ἔργον ζωτικωτέρους ποιεῖς φαίνεσθαι τοὺς ἀνδριάντας; Καὶ μάλα, ἔφη. Οὐκοῦν τὰ τε ὑπὸ τῶν σχημάτων κατασπώμενα καὶ τὰνασπώμενα ἐν τοῖς σώμασι καὶ τὰ συμπιεζόμενα καὶ τὰ διελκόμενα καὶ τὰ ἐντεινόμενα καὶ τὰ ἀνιέμενα ἀπεικάζων ὁμοιώτερα τε τοῖς ἀληθινοῖς καὶ πιθανώτερα ποιεῖς φαίνεσθαι; Πάνυ μὲν οὖν, ἔφη. [3.10.8] Τὸ δὲ καὶ τὰ πάθη τῶν ποιοῦντων τι σωμάτων ἀπομιμεῖσθαι οὐ ποιεῖ τίνα τέρψιν τοῖς θεωμένοις; Εἰκὸς γοῦν, ἔφη. Οὐκοῦν καὶ τῶν μὲν μαχομένων ἀπειλητικά τὰ ὄμματα ἀπεικαστέον, τῶν δὲ νενικηκότων εὐφραινομένων ἢ ὄψις μιμητέα; Σφόδρα γ', ἔφη. Δεῖ ἄρα, ἔφη, τὸν ἀνδριαντοποιὸν τὰ τῆς ψυχῆς ἔργα τῷ εἶδει προσεικάζειν.

[3.10.9] Πρὸς δὲ Πιστίαν τὸν θωρακοποιὸν εἰσελθὼν, ἐπιδείξαντος αὐτοῦ τῷ Σωκράτει θώρακας εὖ εἰργασμένους, Νῆ τὴν Ἥραν, ἔφη, καλόν γε, ὃ Πιστία, τὸ εὖρημα τὸ τὰ μὲν δεόμενα σκέπης τοῦ

ἀνθρώπου σκεπάζειν τὸν θώρακα, ταῖς δὲ χερσὶ μὴ κωλύειν χρῆσθαι. [3.10.10] ἀτάρ, ἔφη, λέξον μοι, ὦ Πιστία, διὰ τί οὐτ' ἰσχυροτέρους οὔτε πολυτελεστέρους τῶν ἄλλων ποιῶν τοὺς θώρακας πλείονος πωλεῖς; Ὅτι, ἔφη, ὦ Σώκρατες, εὐρυθμοτέρους ποιῶ. Τὸν δὲ ρυθμὸν, ἔφη, πότερα μέτρῳ ἢ σταθμῷ ἀποδεικνύων πλείονος τιμᾷ; οὐ γὰρ δὴ ἴσους γε πάντας οὐδὲ ὁμοίους οἶμαί σε ποιεῖν, εἴ γε ἀρμόττοντας ποιεῖς. Ἀλλὰ νῆ Δί', ἔφη, ποιῶ· οὐδὲν γὰρ ὀφελὸς ἐστὶ θώρακος ἄνευ τούτου. [3.10.11] Οὐκοῦν, ἔφη, σώματά γε ἀνθρώπων τὰ μὲν εὐρυθμά ἐστι, τὰ δὲ ἄρρυθμα; Πάνυ μὲν οὖν, ἔφη. Πῶς οὖν, ἔφη, τῷ ἄρρυθμῳ σώματι ἀρμόττοντα τὸν θώρακα εὐρυθμον ποιεῖς; Ὡσπερ καὶ ἀρμόττοντα, ἔφη· ὁ ἀρμόττων γὰρ ἐστὶν εὐρυθμος. [3.10.12] Δοκεῖς μοι, ἔφη ὁ Σωκράτης, τὸ εὐρυθμον οὐ καθ' ἑαυτὸ λέγειν, ἀλλὰ πρὸς τὸν χρώμενον, ὥσπερ ἂν εἰ φαίης ἀσπίδα, ὧι ἂν ἀρμόττηι, τούτῳ εὐρυθμον εἶναι, καὶ χλαμύδα, καὶ τᾶλλα ὡσαύτως ἔοικεν ἔχειν τῷ σῶι λόγῳ. [3.10.13] ἴσως δὲ καὶ ἄλλο τι οὐ μικρὸν ἀγαθὸν τῷ ἀρμόττειν πρόσεστι. Δίδαξον, ἔφη, ὦ Σώκρατες, εἰ τί ἔχεις. Ἦττον, ἔφη, τῷ βάρει πιέζουσιν οἱ ἀρμόττοντες τῶν ἀναρμόστων τὸν αὐτὸν σταθμὸν ἔχοντες. οἱ μὲν γὰρ ἀνάρμοστοι ἢ ὅλοι ἐκ τῶν ὥμων κρεμάμενοι ἢ καὶ ἄλλο τι τοῦ σώματος σφόδρα πιέζοντες δύσφοροι καὶ χαλεποὶ γίνονται· οἱ δὲ ἀρμόττοντες, διειλημμένοι τὸ βάρος τὸ μὲν ὑπὸ τῶν κλειδῶν καὶ ἐπωμίδων, τὸ δ' ὑπὸ τῶν ὥμων, τὸ δὲ ὑπὸ τοῦ στήθους, τὸ δὲ ὑπὸ τοῦ νώτου, τὸ δὲ ὑπὸ τῆς γαστροῦς, ὀλίγου δεῖν οὐ φορήματι, ἀλλὰ προσθήματι εἰκόασιν. [3.10.14] Εἴρηκας, ἔφη, αὐτὸ δι' ὅπερ ἔγωγε τὰ ἐμὰ ἔργα πλείστου ἄξια νομίζω εἶναι. ἐνιοὶ μέντοι τοὺς ποικίλους καὶ τοὺς ἐπιχρύσους θώρακας μᾶλλον ὠνοῦνται. Ἀλλὰ μὴν, ἔφη, εἴ γε διὰ ταῦτα μὴ ἀρμόττοντας ὠνοῦνται, κακὸν ἔμοιγε δοκοῦσι ποικίλον τε καὶ ἐπίχρυσον ὠνεῖσθαι. [3.10.15] ἀτάρ, ἔφη, τοῦ σώματος μὴ μένοντος, ἀλλὰ τοτὲ μὲν κυρτουμένου, τοτὲ δὲ ὀρθουμένου, πῶς ἂν ἀκριβεῖς θώρακες ἀρμόττοιεν; Οὐδαμῶς, ἔφη. Λέγεις, ἔφη, ἀρμόττειν οὐ τοὺς ἀκριβεῖς, ἀλλὰ τοὺς μὴ λυποῦντας ἐν τῇ χρεΐαι. Αὐτός, ἔφη, τοῦτο λέγεις, ὦ Σώκρατες, καὶ πάνυ ὀρθῶς ἀποδέχῃ.

[3.11.1] Γυναικὸς δὲ ποτε οὔσης ἐν τῇ πόλει καλῆς, ἥ ὄνομα ἦν Θεοδότῃ, καὶ οἷας συνεῖναι τῷ πείθοντι, μνησθέντος αὐτῆς τῶν παρόντων τινὸς καὶ εἰπόντος ὅτι κρεῖττον εἴη λόγου τὸ κάλλος τῆς γυναικός, καὶ ζωγράφους φήσαντος εἰσιέναι πρὸς αὐτὴν ἀπεικασομένους, οἷς ἐκείνην ἐπιδεικνύειν ἑαυτῆς ὅσα καλῶς ἔχοι,

Ἰτέον ἂν εἶη θεασομένους, ἔφη ὁ Σωκράτης· οὐ γὰρ δὴ ἀκούσασί γε τὸ λόγου κρεῖττον ἔστι καταμαθεῖν. καὶ ὁ διηγησάμενος, Οὐκ ἂν φθάνοιτ', ἔφη, ἀκολουθοῦντες. [3.11.2] οὕτω μὲν δὴ πορευθέντες πρὸς τὴν Θεοδότην καὶ καταλαβόντες ζωγράφῳ τινὶ παρεστηκυῖαν ἐθεάσαντο. παυσαμένου δὲ τοῦ ζωγράφου, Ὡ ἄνδρες, ἔφη ὁ Σωκράτης, πότερον ἡμᾶς δεῖ μᾶλλον Θεοδότῃ χάριν ἔχειν, ὅτι ἡμῖν τὸ κάλλος ἑαυτῆς ἐπιεδείξεν, ἢ ταύτην ἡμῖν, ὅτι ἐθεασάμεθα; ἄρ' εἰ μὲν ταύτῃ ὠφελιμωτέρα ἐστὶν ἢ ἐπιδείξις, ταύτην ἡμῖν χάριν ἐκτέον, εἰ δὲ ἡμῖν ἢ θέα, ἡμᾶς ταύτῃ; [3.11.3] εἰπόντος δὲ τινος ὅτι δίκαια λέγοι, Οὐκοῦν, ἔφη, αὕτη μὲν ἤδη τε παρ' ἡμῶν ἔπαινον κερδαίνει καί, ἐπειδὴν εἰς πλείους διαγγείλωμεν, πλείῳ ὠφελήσεται· ἡμεῖς δὲ ἤδη τε ὧν ἐθεασάμεθα ἐπιθυμοῦμεν ἄψασθαι καὶ ἄπιμεν ὑποκνιζόμενοι καὶ ἀπελθόντες ποθήσομεν. ἐκ δὲ τούτων εἰκὸς ἡμᾶς μὲν θεραπεύειν, ταύτην δὲ θεραπεύεσθαι. καὶ ἡ Θεοδότη, Νῆ Δί', ἔφη, εἰ τοίνυν ταῦθ' οὕτως ἔχει, ἐμὲ ἂν δέοι ὑμῖν τῆς θέας χάριν ἔχειν. [3.11.4] ἐκ δὲ τούτου ὁ Σωκράτης ὁρῶν αὐτὴν τε πολυτελῶς κεκοσμημένην καὶ μητέρα παροῦσαν αὐτῇ ἐν ἐσθῇτί τε καὶ θεραπείαι οὐ τῇ τυχούσῃ, καὶ θεραπαίνας πολλὰς καὶ εὐεידεῖς καὶ οὐδὲ ταύτας ἡμελημένως ἐχούσας, καὶ τοῖς ἄλλοις τὴν οἰκίαν ἀφθόνως κατεσκευασμένην, Εἰπέ μοι, ἔφη, ὦ Θεοδότη, ἔστι σοι ἀγρός; Οὐκ ἔμοιγ', ἔφη. Ἀλλ' ἄρα οἰκία προσόδους ἔχουσα; Οὐδὲ οἰκία, ἔφη. Ἀλλὰ μὴ χειροτέχναι τινές; Οὐδὲ χειροτέχναι, ἔφη. Πόθεν οὖν, ἔφη, τὰ ἐπιτήδεια ἔχεις; Ἐάν τις, ἔφη, φίλος μοι γενόμενος εὖ ποιεῖν ἐθέλῃ, οὗτός μοι βίος ἐστί. [3.11.5] Νῆ τὴν Ἥραν, ἔφη, ὦ Θεοδότη, καλὸν γε τὸ κτῆμα καὶ πολλῶι κρεῖττον <ἢ> οἰῶν τε καὶ αἰγῶν καὶ βοῶν φίλων ἀγέλην κεκτῆσθαι. ἀτάρ, ἔφη, πότερον τῇ τύχῃ ἐπιτρέπεις, ἐάν τις σοι φίλος ὥσπερ μυῖα πρόσπτηται, ἢ καὶ αὐτὴ τι μηχανᾷ; [3.11.6] Πῶς δ' ἂν, ἔφη, ἐγὼ τούτου μηχανὴν εὖροιμι; Πολὺ νῆ Δί', ἔφη, προσηκόντως μᾶλλον ἢ αἱ φάλαγγες· οἶσθα γὰρ ὥς ἐκεῖναι θηρῶσι τὰ πρὸς τὸν βίον· ἀράχνια γὰρ δήπου λεπτὰ ὑφηνάμεναι, ὅ τι ἂν ἐνταῦθα ἐμπέσῃ, τούτῳ τροφῇ χρῶνται. [3.11.7] Καὶ ἐμοὶ οὖν, ἔφη, συμβουλευεῖς ὑφήνασθαί τι θήρατρον; Οὐ γὰρ δὴ οὕτω γε ἀτέχνως οἶεσθαι χρή τὸ πλείστου ἄξιον ἄγρευμα, φίλους, θηράσειν. οὐχ ὁρᾷς ὅτι καὶ τὸ μικροῦ ἄξιον, τοὺς λαγῶς, θηρῶντες πολλὰ τεχνάζουσιν; [3.11.8] ὅτι μὲν γὰρ τῆς νυκτὸς νέμονται, κύνας νυκτερευτικὰς πορισάμενοι, ταύταις αὐτοὺς θηρῶσιν· ὅτι δὲ μεθ' ἡμέραν ἀποδιδράσκουσιν, ἄλλας κτῶνται κύνας, αἵτινες, ἥ ἂν ἐκ τῆς

νομῆς εἰς τὴν εὐνὴν ἀπέλθωσι, τῇ ὁσμῇ αἰσθανόμεναι εὐρίσκουσιν αὐτούς· ὅτι δὲ ποδώκεις εἰσὶν ὥστε καὶ ἐκ τοῦ φανεροῦ τρέχοντες ἀποφεύγειν, ἄλλας αὖ κύνας ταχείας παρασκευάζονται, ἵνα κατὰ πόδας ἀλίσκωνται· ὅτι δὲ καὶ ταῦτα αὐτῶν τινες ἀποφεύγουσι, δίκτυα ἰσθᾶσιν εἰς τὰς ἀτραπούς, ἣι φεύγουσιν, ἵν' εἰς ταῦτα ἐμπίπτοντες συμποδίζονται. [3.11.9] Τίνι οὖν, ἔφη, τοιοῦτοι φίλους ἂν ἐγὼ θηρώην; Ἐὰν νῆ Δί', ἔφη, ἀντὶ κυνὸς κτήσῃ, ὅστις σοι ἰχνεύων μὲν τοὺς φιλοκάλους καὶ πλουσίους εὐρήσῃ, εὐρὼν δὲ μηχανήσεται ὅπως ἐμβάλῃ αὐτοὺς εἰς τὰ σὰ δίκτυα. [3.11.10] Καὶ ποῖα, ἔφη, ἐγὼ δίκτυα ἔχω; Ἐν μὲν δήπου, ἔφη, καὶ μάλα εὖ περιπλεκόμενον, τὸ σῶμα· ἐν δὲ τούτῳ ψυχὴν, ἣ καταμανθάνεις καὶ ὥς ἂν ἐμβλέπουσα χαρίζοιο καὶ ὃ τι ἂν λέγουσα εὐφραίνεις, καὶ ὅτι δεῖ τὸν μὲν ἐπιμελόμενον ἀσμένως ὑποδέχεσθαι, τὸν δὲ τρυφῶντα ἀποκλείειν, καὶ ἄρρωστήσαντός γε φίλου φροντιστικῶς ἐπισκέψασθαι καὶ καλὸν τι πράξαντος σφόδρα συνησθῆναι καὶ τῷ σφόδρα σοῦ φροντίζοντι ὅληι τῇ ψυχῇ κεχαρίσθαι· φιλεῖν γε μὴν εὖ οἶδ' ὅτι ἐπίστασαι οὐ μόνον μαλακῶς, ἀλλὰ καὶ εὖ νοικῶς· καὶ ὅτι ἄρεστοί σοί εἰσιν οἱ φίλοι, οἶδ' ὅτι οὐ λόγῳ ἀλλ' ἔργῳ ἀναπείθεις. Μὰ τὸν Δί', ἔφη ἡ Θεοδότῃ, ἐγὼ τούτων οὐδὲν μηχανῶμαι. [3.11.11] Καὶ μὴν, ἔφη, πολὺ διαφέρει τὸν κατὰ φύσιν τε καὶ ὀρθῶς ἀνθρώπῳ προσφέρεσθαι. καὶ γὰρ δὴ βίαι μὲν οὗτ' ἂν ἔλοις οὔτε κατάσχοις φίλον, εὐεργεσίαι δὲ καὶ ἡδονῇ τὸ θηρίον τοῦτο ἀλώσιμόν τε καὶ παραμόνιμόν ἐστιν. Ἀληθῇ λέγεις, ἔφη. [3.11.12] Δεῖ τοίνυν, ἔφη, πρῶτον μὲν τοὺς φροντίζοντάς σου τοιαῦτα ἀξιοῦν, οἷα ποιοῦσιν αὐτοῖς μικρότατα μελήσει, ἔπειτα δὲ αὐτὴν ἀμείβεσθαι χαριζομένην τὸν αὐτὸν τρόπον· οὕτω γὰρ ἂν μάλιστα φίλοι γίνονιντο καὶ πλεῖστον χρόνον φιλοῖεν καὶ μέγιστα εὐεργετοῖεν. [3.11.13] χαρίζοιο δ' ἂν μάλιστα, εἰ δεομένοις δωροῖο τὰ παρὰ σεαυτῆς· ὁρᾷς γὰρ ὅτι καὶ τῶν βρωμάτων τὰ ἥδιστα, ἐὰν μὲν τις προσφέρῃ πρὶν ἐπιθυμεῖν, ἀηδὴ φαίνεται, κεκορεσμένοις δὲ καὶ βδελυγμίαν παρέχει, ἐὰν δὲ τις προσφέρῃ λιμὸν ἐμποιήσας, καὶ φαιδρότερα ἢ, πάντῃ ἡδέα φαίνεται. [3.11.14] Πῶς οὖν ἂν, ἔφη, ἐγὼ λιμὸν ἐμποιεῖν τῶν παρ' ἐμοὶ δυναίμην; Εἰ νῆ Δί', ἔφη, πρῶτον μὲν τοῖς κεκορεσμένοις μήτε προσφέρεις μήτε ὑπομιμνήσκεις, ἕως ἂν τῆς πλησμονῆς παυσάμενοι πάλιν δέωνται, ἔπειτα τοὺς δεομένους ὑπομιμνήσκεις ὥς κοσμιωτάτῃ τε ὁμιλίᾳ καὶ τῷ <μη> φαίνεσθαι βουλομένη χαρίζεσθαι καὶ διαφεύγουσα ἕως ἂν ὥς μάλιστα δεηθῶσι· τῆνικαῦτα γὰρ πολὺ διαφέρει τὰ αὐτὰ δῶρα

ἢ πρὶν ἐπιθυμῆσαι διδόναι. [3.11.15] καὶ ἡ Θεοδότῃ, Τί οὖν οὐ σύ μοι, ἔφη, ὦ Σώκρατες, ἐγένου συνθηρατῆς τῶν φίλων; Ἐάν γε νῆ Δί', ἔφη, πείθῃς με σύ. Πῶς οὖν ἄν, ἔφη, πείσαιμί σε; Ζητήσεις, ἔφη, τοῦτο αὐτὴ καὶ μηχανήσῃ, ἐάν τί μου δέῃ. Εἴσιθι τοίνυν, ἔφη, θαμινά. [3.11.16] καὶ ὁ Σωκράτης ἐπισκώπτων τὴν αὐτοῦ ἀπραγμοσύνην, Ἀλλ', ὦ Θεοδότῃ, ἔφη, οὐ πάνυ μοι ραϊδιὸν ἐστὶ σχολάσαι· καὶ γὰρ ἴδια πράγματα πολλὰ καὶ δημόσια παρέχει μοι ἀσχολίαν· εἰσὶ δὲ καὶ φίλοι μοι, αἱ οὔτε ἡμέρας οὔτε νυκτὸς ἀφ' αὐτῶν ἐάσουσί με ἀπιέναι, φίλτρα τε μανθάνουσαι παρ' ἐμοῦ καὶ ἐπωιδάς. [3.11.17] Ἐπίστασαι γάρ, ἔφη, καὶ ταῦτα, ὦ Σώκρατες; Ἀλλὰ διὰ τί οἶει, ἔφη, Ἀπολλόδωρόν τε τόνδε καὶ Ἀντισθένη οὐδέποτε μου ἀπολείπεσθαι; διὰ τί δὲ καὶ Κέβητα καὶ Σιμίαν Θήβηθεν παραγίγνεσθαι; εὖ ἴσθι ὅτι ταῦτα οὐκ ἄνευ πολλῶν φίλτρων τε καὶ ἐπωιδῶν καὶ ὑγγων ἐστί. [3.11.18] Χρῆσον τοίνυν μοι, ἔφη, τὴν ἴυγγα, ἵνα ἐπὶ σοὶ πρῶτον ἔλκω αὐτήν. Ἀλλὰ μὰ Δί', ἔφη, οὐκ αὐτὸς ἔλκεσθαι πρὸς σὲ βούλομαι, ἀλλὰ σὲ πρὸς ἐμὲ πορεύεσθαι. Ἀλλὰ πορεύσομαι, ἔφη· μόνον ὑποδέχου. Ἀλλ' ὑποδέξομαί σε, ἔφη, ἂν μὴ τις φιλωτέρα σου ἔνδον ᾖ.

[3.12.1] Ἐπιγένῃν δὲ τῶν συνόντων τινὰ νέον τε ὄντα καὶ τὸ σῶμα κακῶς ἔχοντα ἰδὼν, Ὡς ιδιωτικῶς, ἔφη, τὸ σῶμα ἔχεις, ὦ Ἐπίγενες. καὶ ὅς, Ἰδιώτης γάρ, ἔφη, εἰμί, ὦ Σώκρατες. Οὐδέν γε μᾶλλον, ἔφη, τῶν ἐν Ὀλυμπίᾳ μελλόντων ἀγωνίζεσθαι· ἢ δοκεῖ σοι μικρὸς εἶναι ὁ περὶ τῆς ψυχῆς πρὸς τοὺς πολεμίους ἀγών, ὃν Ἀθηναῖοι θήσουσιν, ὅταν τύχωσι; [3.12.2] καὶ μὴν οὐκ ὀλίγοι μὲν διὰ τὴν τοῦ σώματος καχεξίαν ἀποθνήσκουσιν τε ἐν τοῖς πολεμικοῖς κινδύνοις καὶ αἰσχυρῶς σώζονται· πολλοὶ δὲ δι' αὐτὸ τοῦτο ζῶντές τε ἀλίσκονται καὶ ἀλόντες ἤτοι δουλεύουσι τὸν λοιπὸν βίον, ἐὰν οὕτω τύχωσι, τὴν χαλεπωτάτην δουλείαν ἢ εἰς τὰς ἀνάγκας τὰς ἀλγεινοτάτας ἐμπεσόντες καὶ ἐκτείσαντες ἐνίστε πλείω τῶν ὑπαρχόντων αὐτοῖς τὸν λοιπὸν βίον ἐνδεεῖς τῶν ἀναγκαίων ὄντες καὶ κακοπαθοῦντες διαζῶσι· πολλοὶ δὲ δόξαν αἰσχυρὰν κτῶνται διὰ τὴν τοῦ σώματος ἀδυναμίαν δοκοῦντες ἀποδειλιάν. [3.12.3] ἢ καταφρονεῖς τῶν ἐπιτιμίων τῆς καχεξίας τούτων, καὶ ραϊδίως ἂν οἶει φέρειν τὰ τοιαῦτα; καὶ μὴν οἶμαί γε πολλῶι ραίῳ καὶ ἡδίῳ τούτων εἶναι ἢ δεῖ ὑπομένειν τὸν ἐπιμελόμενον τῆς τοῦ σώματος εὐεξίας. ἢ ὑγιεινότερόν τε καὶ εἰς τᾶλλα χρησιμώτερον νομίζεις εἶναι τὴν καχεξίαν τῆς εὐεξίας, ἢ τῶν διὰ τὴν εὐεξίαν γιγνομένων καταφρονεῖς; [3.12.4] καὶ μὴν πάντα γε

τάναντία συμβαίνει τοῖς εὖ τὰ σώματα ἔχουσιν ἢ τοῖς κακῶς. καὶ γὰρ ὑγιαίνουν οἱ τὰ σώματα εὖ ἔχοντες καὶ ἰσχύουσι· καὶ πολλοὶ μὲν διὰ τοῦτο ἐκ τῶν πολεμικῶν ἀγώνων σώζονται τε εὐσχημόνως καὶ τὰ δεινὰ πάντα διαφεύγουσι, πολλοὶ δὲ φίλοις τε βοηθοῦσι καὶ τὴν πατρίδα εὐεργετοῦσι καὶ διὰ ταῦτα χάριτός τε ἀξιοῦνται καὶ δόξαν μεγάλην κτῶνται καὶ τιμῶν καλλίστων τυγχάνουσι καὶ διὰ ταῦτα τόν τε λοιπὸν βίον ἥδιον καὶ κάλλιον διαζῶσι καὶ τοῖς ἑαυτῶν παισὶ καλλίους ἀφορμὰς εἰς τὸν βίον καταλείπουσιν. [3.12.5] οὗτοι χρή, ὅτι οὐκ ἀσκεῖ δημοσίαι ἢ πόλεις τὰ πρὸς τὸν πόλεμον, διὰ τοῦτο καὶ ἰδία ἀμελεῖν, ἀλλὰ μηδὲν ἥττον ἐπιμελεῖσθαι. εὖ γὰρ ἴσθι ὅτι οὐδὲ ἐν ἄλλῳ οὐδενὶ ἀγῶνι οὐδὲ ἐν πράξει οὐδεμιᾷ μείον ἕξεις διὰ τὸ βέλτιον τὸ σῶμα παρεσκευάσθαι· πρὸς πάντα γὰρ ὅσα πράττουσιν ἄνθρωποι χρήσιμον τὸ σῶμά ἐστιν· ἐν πάσαις δὲ ταῖς τοῦ σώματος χρεῖαις πολὺ διαφέρει ὡς βέλτιστα τὸ σῶμα ἔχειν [3.12.6] ἐπεὶ καὶ ἐν ᾧ δοκεῖ ἐλαχίστη σώματος χρεῖα εἶναι, ἐν τῷ διανοεῖσθαι, τίς οὐκ οἶδεν ὅτι καὶ ἐν τούτῳ πολλοὶ μεγάλα σφάλλονται διὰ τὸ μὴ ὑγιαίνειν τὸ σῶμα; καὶ λήθη δὲ καὶ ἀθυμία καὶ δυσκολία καὶ μανία πολλάκις πολλοῖς διὰ τὴν τοῦ σώματος καχεξίαν εἰς τὴν διάνοιαν ἐμπίπτουσιν οὕτως ὥστε καὶ τὰς ἐπιστήμας ἐκβάλλειν. [3.12.7] τοῖς δὲ τὰ σώματα εὖ ἔχουσι πολλὴ ἀσφάλεια καὶ οὐδεὶς κίνδυνος διὰ γε τὴν τοῦ σώματος καχεξίαν τοιοῦτόν τι παθεῖν, εἰκὸς δὲ μᾶλλον πρὸς τὰ ἐναντία τῶν διὰ τὴν καχεξίαν γινομένων [καὶ] τὴν εὐεξίαν χρήσιμον εἶναι· καίτοι τῶν γε τοῖς εἰρημένοις ἐναντίων ἕνεκα τί οὐκ ἂν τις νοῦν ἔχων ὑπομείνειεν; [3.12.8] αἰσχρὸν δὲ καὶ τὸ διὰ τὴν ἀμέλειαν γηρᾶναι, πρὶν ἰδεῖν ἑαυτὸν ποῖος ἂν κάλλιστος καὶ κράτιστος τῷ σώματι γένοιτο· ταῦτα δὲ οὐκ ἔστιν ἰδεῖν ἀμελοῦντα· οὐ γὰρ ἐθέλει αὐτόματα γίνεσθαι.

[3.13.1] Ὅργιζομένου δὲ ποτέ τινος, ὅτι προσειπὼν τινα χαίρειν οὐκ ἀντιπροσερρήθη, Γελοῖον, ἔφη, τό, εἰ μὲν τὸ σῶμα κάκιον ἔχοντι ἀπήνητάς τω, μὴ ἂν ὀργίζεσθαι, ὅτι δὲ τὴν ψυχὴν ἀγροικοτέρως διακειμένῳ περιέτυχες, τοῦτό σε λυπεῖ.

[3.13.2] Ἄλλου δὲ λέγοντος ὅτι ἀηδῶς ἐσθίῳι, Ἀκουμένος, ἔφη, τούτου φάρμακον ἀγαθὸν διδάσκει. ἐρομένου δέ, Ποῖον; Παύσασθαι ἐσθίοντα, ἔφη· καὶ ἥδιόν τε καὶ εὐτελέστερον καὶ ὑγιεινότερον διάζειν πανσάμενον.

[3.13.3] Ἄλλου δ' αὖ λέγοντος ὅτι θερμὸν εἴη παρ' ἑαυτῷ τὸ ὕδωρ ὃ πίνῃ, Ὅταν ἄρ', ἔφη, βούλῃ θερμῷ λούσασθαι, ἔτοιμον ἔσται

σοι. Ἀλλὰ ψυχρόν, ἔφη, ἐστὶν ὥστε λούσασθαι. Ἄρ' οὖν, ἔφη, καὶ οἱ οἰκέται σου ἄχθονται πίνοντές τε αὐτὸ καὶ λούμενοι αὐτῷ; Μὰ τὸν Δί', ἔφη· ἀλλὰ καὶ πολλάκις τεθαύμακα ὡς ἡδέως αὐτῷ πρὸς ἀμφοτέρα ταῦτα χρῶνται. Πότερον δέ, ἔφη, τὸ παρὰ σοὶ ὕδωρ θερμότερον πιεῖν ἐστὶν ἢ τὸ ἐν Ἀσκληπιοῦ; Τὸ ἐν Ἀσκληπιοῦ, ἔφη. Πότερον δὲ λούσασθαι ψυχρότερον τὸ παρὰ σοὶ ἢ τὸ ἐν Ἀμφιαράου; Τὸ ἐν Ἀμφιαράου, ἔφη. Ἐνθυμοῦ οὖν, ἔφη, ὅτι κινδυνεύεις δυσαρεστότερος εἶναι τῶν τε οἰκετῶν καὶ τῶν ἀρρωστούντων.

[3.13.4] Κολάσαντος δέ τινος ἰσχυρῶς ἀκόλουθον, ἦρετο τί χαλεπαῖνοι τῷ θεράποντι, Ὅτι, ἔφη, ὀψοφαγίστατός τε ὢν βλακότατός ἐστι καὶ φιλαργυρώτατος ὢν ἀργότατος. Ἦδη ποτὲ οὖν ἐπεσκέψω, πότερος πλειόνων πληγῶν δεῖται, σὺ ἢ ὁ θεράπων;

[3.13.5] Φοβουμένου δέ τινος τὴν εἰς Ὀλυμπίαν ὁδόν, Τί, ἔφη, φοβῇ τὴν πορείαν; οὐ καὶ οἴκοι σχεδὸν ὅλην τὴν ἡμέραν περιπατεῖς; καὶ ἐκεῖσε πορευόμενος περιπατήσας ἀριστήσεις, περιπατήσας δειπνήσεις καὶ ἀναπαύσῃ. οὐκ οἶσθα ὅτι, εἰ ἐκτείναις τοὺς περιπάτους, οὓς ἐν πέντε ἢ ἑξ ἡμέραις περιπατεῖς, ραιδίως ἂν Ἀθήνηθεν εἰς Ὀλυμπίαν ἀφίκοιο; χαριέστερον δὲ καὶ προεξορμᾶν ἡμέραι μιᾷ μᾶλλον ἢ ὑστερίζειν. τὸ μὲν γὰρ ἀναγκάζεσθαι περαιτέρω τοῦ μετρίου μηκύνειν τὰς ὁδοὺς χαλεπόν, τὸ δὲ μιᾷ ἡμέραι πλείους πορευθῆναι πολλὴν ραισιτώνην παρέχει. κρεῖττον οὖν ἐν τῇ ὁρμῇ σπεύδειν ἢ ἐν τῇ ὁδῷ.

[3.13.6] Ἄλλου δὲ λέγοντος ὡς παρετάθη μακρὰν ὁδὸν πορευθείς, ἦρετο αὐτὸν εἰ καὶ φορτίον ἔφερε, Μὰ Δί' οὐκ ἔγωγ', ἔφη, ἀλλὰ τὸ ἱμάτιον. Μόνος δ' ἐπορεύου, ἔφη, ἢ καὶ ἀκόλουθός σοι ἡκολούθει; Ἥκολούθει, ἔφη. Πότερον κενός, ἔφη, ἢ φέρων τι; Φέρων νῆ Δί', ἔφη, τά τε στρώματα καὶ τᾶλλα σκεύη. Καὶ πῶς [τι], ἔφη, ἀπῆλλαχεν ἐκ τῆς ὁδοῦ; Ἐμοὶ μὲν δοκεῖ, ἔφη, βέλτιον ἐμοῦ. Τί οὖν; ἔφη, εἰ τὸ ἐκείνου φορτίον ἔδει σε φέρειν, πῶς ἂν οἶε διατεθῆναι; Κακῶς νῆ Δί', ἔφη· μᾶλλον δὲ οὐδ' ἂν ἐδυνήθην κομίσει. Τὸ οὖν τοσοῦτω ἦττον τοῦ παιδὸς δύνασθαι πονεῖν πῶς ἡσκημένου δοκεῖ σοι ἀνδρὸς εἶναι;

[3.14.1] Ὅποτε δὲ τῶν συνιόντων ἐπὶ δεῖπνον οἱ μὲν μικρὸν ὄψον, οἱ δὲ πολὺ φέροιεν, ἐκέλευεν ὁ Σωκράτης τὸν παῖδα τὸ μικρὸν ἢ εἰς τὸ κοινὸν τιθέναι ἢ διανέμειν ἐκάστωι τὸ μέρος. οἱ οὖν τὸ πολὺ φέροντες ἡσχύοντο <τό> τε μὴ κοινωνεῖν τοῦ εἰς τὸ κοινὸν τιθεμένου καὶ τὸ μὴ ἀντιτιθέναι τὸ ἑαυτῶν· ἐτίθεσαν οὖν καὶ τὸ

ἑαυτῶν εἰς τὸ κοινόν. καὶ ἐπεὶ οὐδὲν πλέον εἶχον τῶν μικρὸν φερομένων, ἐπαύοντο πολλοῦ ὀψωνοῦντες.

[3.14.2] Καταμαθὼν δὲ ποτε τῶν συνδειπνούντων τινὰ τοῦ μὲν σίτου πεπαυμένον, τὸ δὲ ὄψον αὐτὸ καθ' αὐτὸ ἐσθίοντα, λόγου ὄντος περὶ ὀνομάτων, ἐφ' οἷωι ἔργωι ἕκαστον εἶη, Ἔχοιμεν ἄν, ἔφη, ὦ ἄνδρες, εἰπεῖν, ἐπὶ ποίῳ ποτὲ ἔργωι ἄνθρωπος ὀψοφάγος καλεῖται; ἐσθίουσι μὲν γὰρ δὴ πάντες ἐπὶ τῷ σίτῳ ὄψον, ὅταν παρῇ· ἀλλ' οὐκ οἶμαί πω ἐπὶ τούτῳ γε ὀψοφάγοι καλοῦνται. Οὐ γὰρ οὖν, ἔφη τις τῶν παρόντων. [3.14.3] Τί γάρ; ἔφη, ἔάν τις ἄνευ τοῦ σίτου τὸ ὄψον αὐτὸ ἐσθίῃ μὴ ἀσκήσεως, ἀλλ' ἡδονῆς ἕνεκα, πότερον ὀψοφάγος εἶναι δοκεῖ ἢ οὐ; Σχολῇ γ' ἄν, ἔφη, ἄλλος τις ὀψοφάγος εἶη. καὶ τις ἄλλος τῶν παρόντων, Ὁ δὲ μικρῶι σίτῳ, ἔφη, πολλὸ ὄψον ἐπεσθίον; Ἐμοὶ μὲν, ἔφη ὁ Σωκράτης, καὶ οὗτος δοκεῖ δικαίως ἂν ὀψοφάγος καλεῖσθαι· καὶ ὅταν γε οἱ ἄλλοι ἄνθρωποι τοῖς θεοῖς εὐχωνται πολυκαρπίαν, εἰκότως ἂν οὗτος πολυοσίαν εὐχοίτο. [3.14.4] ταῦτα δὲ τοῦ Σωκράτους εἰπόντος, νομίσας ὁ νεανίσκος εἰς αὐτὸν εἰρῆσθαι τὰ λεχθέντα τὸ μὲν ὄψον οὐκ ἐπαύσατο ἐσθίων, ἄρτον δὲ προσέλαβε. καὶ ὁ Σωκράτης καταμαθὼν, Παρατηρεῖτ', ἔφη, τοῦτον οἱ πλησίον, ὁπότερα τῷ σίτῳ ὄψῳ ἢ τῷ ὄψῳ σίτῳ χρήσεται.

[3.14.5] Ἄλλον δὲ ποτε τῶν συνδείπνων ἰδὼν ἐπὶ τῷ ἐνὶ ψωμῷ πλειόνων ὄψων γευόμενον, Ἄρα γένοιτ' ἄν, ἔφη, πολυτελεστέρα ὀψοποιία ἢ μᾶλλον τὰ ὄψα λυμαιομένη, ἢ ἣν ὀψοποιεῖται ὁ ἅμα πολλὰ ἐσθίων καὶ ἅμα παντοδαπὰ ἡδύσματα εἰς τὸ στόμα λαμβάνων; πλείῳ μὲν γε τῶν ὀψοποιῶν συμμιγνύων πολυτελέστερα ποιεῖ· ἃ δὲ ἐκεῖνοι μὴ συμμιγνύουσιν, ὥς οὐχ ἄρμόττοντα, ὁ συμμιγνύων, εἴπερ ἐκεῖνοι ὀρθῶς ποιοῦσιν, ἀμαρτάνει τε καὶ καταλύει τὴν τέχνην αὐτῶν. [3.14.6] καίτοι πῶς οὐ γελοῖόν ἐστι παρασκευάζεσθαι μὲν ὀψοποιοὺς τοὺς ἄριστα ἐπιστάμενους, αὐτὸν δὲ μὴδ' ἀντιποιούμενον τῆς τέχνης ταύτης τὰ ὑπ' ἐκείνων ποιούμενα μετατιθέναι; καὶ ἄλλο δέ τι προσγίγνεται τῷ ἅμα πολλὰ ἐσθίειν ἐθισθέντι· μὴ παρόντων γὰρ πολλῶν μειονεκτεῖν ἂν τι δοκοίη ποθῶν τὸ σύνηθες· ὁ δὲ συνεθισθεὶς τὸν ἕνα ψωμὸν ἐνὶ ὄψῳ προπέμπειν, ὅτε μὴ παρείη πολλά, δύναται ἂν ἀλύπως τῷ ἐνὶ χρήσθαι.

[3.14.7] Ἔλεγε δὲ καὶ ὥς τὸ εὐωχεῖσθαι ἐν τῇ Ἀθηναίων γλώττῃ ἐσθίειν καλοῖτο· τὸ δὲ εὖ προσκεῖσθαι ἔφη ἐπὶ τῷ ταῦτα ἐσθίειν, ἃ μήτε τὴν ψυχὴν μήτε τὸ σῶμα λυποῖη μὴδὲ δυσεύρετα εἶη· ὥστε καὶ τὸ εὐωχεῖσθαι τοῖς κοσμίως διαιτωμένοις ἀνετίθει.

Βιβλίον δ'

[4.1.1] Οὕτω δὲ Σωκράτης ἦν ἐν παντὶ πράγματι καὶ πάντα τρόπον ὠφέλιμος, ὥστε τῷ σκοπομένῳ τοῦτο καὶ [εἰ] μετρίως αἰσθανομένῳ φανερόν εἶναι ὅτι οὐδὲν ὠφελιμώτερον ἦν τοῦ Σωκράτει συνεῖναι καὶ μετ' ἐκείνου διατρίβειν ὅπου οὖν καὶ ἐν ὁττωῖν πράγματι· ἐπεὶ καὶ τὸ ἐκείνου μεμνησθαι μὴ παρόντος οὐ μικρὰ ὠφέλει τοὺς εἰωθότας τε αὐτῷ συνεῖναι καὶ ἀποδεχομένους ἐκείνον. καὶ γὰρ παίζων οὐδὲν ἥττον ἢ σπουδάζων ἐλυσιτέλει τοῖς συνδιατρίβουσι. [4.1.2] πολλάκις γὰρ ἔφη μὲν ἂν τινος ἐρᾶν, φανερόν δ' ἦν οὐ τῶν τὰ σώματα πρὸς ὥραν, ἀλλὰ τῶν τὰς ψυχὰς πρὸς ἀρετὴν εὖ πεφυκότων ἐφιέμενος. ἐτεκμαίρετο δὲ τὰς ἀγαθὰς φύσεις ἐκ τοῦ ταχὺ τε μανθάνειν οἷς προσέχοιεν καὶ μνημονεύειν ἃ [ἂν] μάθοιεν καὶ ἐπιθυμῆναι τῶν μαθημάτων πάντων δι' ὧν ἔστιν οἰκόν τε καλῶς οἰκεῖν καὶ πόλιν καὶ τὸ ὅλον ἀνθρώποις τε καὶ τοῖς ἀνθρωπίνους πράγμασιν εὖ χρῆσθαι· τοὺς γὰρ τοιούτους ἡγεῖτο παιδευθέντας οὐκ ἂν μόνον αὐτοὺς τε εὐδαίμονας εἶναι καὶ τοὺς ἑαυτῶν οἴκους καλῶς οἰκεῖν, ἀλλὰ καὶ ἄλλους ἀνθρώπους καὶ πόλεις δύνασθαι εὐδαίμονας ποιεῖν. [4.1.3] οὐ τὸν αὐτὸν δὲ τρόπον ἐπὶ πάντας ἦiei, ἀλλὰ τοὺς μὲν οἰομένους φύσει ἀγαθοὺς εἶναι, μαθήσεως δὲ καταφρονοῦντας ἐδίδασκεν ὅτι αἱ ἄριστα δοκοῦσαι εἶναι φύσεις μάλιστα παιδείας δέονται, ἐπιδεικνύων τῶν τε ἵππων τοὺς εὐφυεστάτους, θυμοειδεῖς τε καὶ σφοδροὺς ὄντας, εἰ μὲν ἐκ νέων δαμασθεῖεν, εὐχρηστοτάτους καὶ ἀρίστους γιγνομένους, εἰ δὲ ἀδάμαστοι γένοιτο, δυσκαθεκτοτάτους καὶ φανλοτάτους· καὶ τῶν κυνῶν τῶν εὐφυεστάτων, φιλοπόνων τε οὐσῶν καὶ ἐπιθετικῶν τοῖς θηρίοις, τὰς μὲν καλῶς ἀχθείσας ἀρίστας γίγνεσθαι πρὸς τὰς θήρας καὶ χρησιμωτάτας, ἀναγώγους δὲ γιγνομένας ματαίους τε καὶ μανιώδεις καὶ δυσπειθεστάτας. [4.1.4] ὁμοίως δὲ καὶ τῶν ἀνθρώπων τοὺς εὐφυεστάτους, ἐρρωμενεστάτους τε ταῖς ψυχαῖς ὄντας καὶ ἐξεργαστικωτάτους ὧν ἂν ἐγχειρῶσι, παιδευθέντας μὲν καὶ μαθόντας ἃ δεῖ πράττειν, ἀρίστους τε καὶ ὠφελιμωτάτους γίγνεσθαι· πλεῖστα γὰρ καὶ μέγιστα ἀγαθὰ ἐργάζεσθαι· ἀπαιδεύτους δὲ καὶ ἀμαθεῖς γενομένους κακίστους τε καὶ βλαβερωτάτους γίγνεσθαι· κρίνειν γὰρ οὐκ ἐπισταμένους ἃ δεῖ πράττειν, πολλάκις πονηροῖς ἐπιχειρεῖν πράγμασι, μεγαλείους δὲ καὶ σφοδροὺς ὄντας δυσκαθέκτους τε καὶ

[4.1.5] τοὺς δ' ἐπὶ πλούτῳ μέγα φρονοῦντας καὶ νομίζοντας οὐδὲν προσδεῖσθαι παιδείας, ἐξαρκέσειν δὲ σφίσι τὸν πλοῦτον οἰομένους πρὸς τὸ διαπράττεσθαι τε ὃ τι ἂν βούλωνται καὶ τιμᾶσθαι ὑπὸ τῶν ἀνθρώπων ἐφρένου λέγων ὅτι μῶρος μὲν εἴη, εἴ τις οἶεται μὴ μαθὼν τὰ τε ὠφέλιμα καὶ τὰ βλαβερὰ τῶν πραγμάτων διαγνώσεσθαι, μῶρος δ', εἴ τις μὴ διαγιγνώσκων μὲν ταῦτα, διὰ δὲ τὸν πλοῦτον ὃ τι ἂν βούληται ποριζόμενος οἶεται δυνήσεσθαι τὰ συμφέροντα πράττειν, ἡλίθιος δ', εἴ τις μὴ δυνάμενος τὰ συμφέροντα πράττειν εὖ τε πράττειν οἶεται καὶ τὰ πρὸς τὸν βίον αὐτῷ [ἢ] καλῶς ἢ ἱκανῶς παρεσκευάσθαι, ἡλίθιος δὲ καὶ εἴ τις οἶεται διὰ τὸν πλοῦτον, μηδὲν ἐπιστάμενος, δόξειν τι ἀγαθὸς εἶναι ἢ, μηδὲν ἀγαθὸς εἶναι δοκῶν, εὐδοκιμήσειν.

[4.2.1] Τοῖς δὲ νομίζουσι παιδείας τε τῆς ἀρίστης τετυχηκέναι καὶ μέγα φρονοῦσιν ἐπὶ σοφίαι ὥς προσεφέρετο νῦν διηγήσομαι. καταμαθὼν γὰρ Εὐθύδημον τὸν καλὸν γράμματα πολλὰ συνειλεγμένον ποιητῶν τε καὶ σοφιστῶν τῶν εὐδοκιμωτάτων καὶ ἐκ τούτων ἤδη τε νομίζοντα διαφέρειν τῶν ἡλικιωτῶν ἐν σοφίαι καὶ μεγάλας ἐλπίδας ἔχοντα πάντων διοίσειν τῷ δύνασθαι λέγειν τε καὶ πράττειν, πρῶτον μὲν, αἰσθανόμενος αὐτὸν διὰ νεότητα οὐπω εἰς τὴν ἀγορὰν εἰσιόντα, εἰ δέ τι βούλοιο διαπράξασθαι, καθίζοντα εἰς ἡνιοποιεῖον τι τῶν ἐγγὺς τῆς ἀγορᾶς, εἰς τοῦτο καὶ αὐτὸς ἦιει τῶν μεθ' ἑαυτοῦ τινὰς ἔχων. [4.2.2] καὶ πρῶτον μὲν πυνθανομένου τινὸς πότερον Θεμιστοκλῆς διὰ συνουσίαν τινὸς τῶν σοφῶν ἢ φύσει τοσοῦτον διήνεγκε τῶν πολιτῶν, ὥστε πρὸς ἐκεῖνον ἀποβλέπειν τὴν πόλιν, ὁπότε σπουδαίου ἀνδρὸς δεηθείη, ὁ Σωκράτης βουλόμενος κινεῖν τὸν Εὐθύδημον εὔηθες ἔφη εἶναι τὸ οἶεσθαι τὰς μὲν ὀλίγου ἀξίας τέχνας μὴ γίνεσθαι σπουδαίους ἄνευ διδασκάλων ἱκανῶν, τὸ δὲ προεστάναι πόλεως, πάντων ἔργων μέγιστον ὄν, ἀπὸ ταυτομάτου παραγίγνεσθαι τοῖς ἀνθρώποις. [4.2.3] πάλιν δὲ ποτε παρόντος τοῦ Εὐθυδήμου, ὁρῶν αὐτὸν ἀποχωροῦντα τῆς συνεδρίας καὶ φυλαττόμενον μὴ δόξῃ τὸν Σωκράτην θαυμάζειν ἐπὶ σοφίαι, Ὅτι μὲν, ἔφη, ὧ ἄνδρες, Εὐθύδημος οὕτοσι ἐν ἡλικίαι γενόμενος, τῆς πόλεως λόγον περὶ τινος προτιθείσης, οὐκ ἀφέξεται τοῦ συμβουλευεῖν, εὐδῆλον ἐξ ὧν ἐπιτηδεύει· δοκεῖ δέ μοι καλὸν προσίμιον τῶν δημηγοριῶν παρασκευάσασθαι φυλαττόμενος μὴ δόξῃ μανθάνειν τι παρὰ του. δῆλον γὰρ ὅτι λέγειν ἀρχόμενος ὧδε

[4.2.6] ἐπεὶ δὲ φανερὸς ἦν ὁ Εὐθύδημος ἤδη μὲν οἷς ὁ Σωκράτης λέγοι προσέχων, ἔτι δὲ φυλαττόμενος αὐτός τι φθέγγεσθαι καὶ νομίζων τῇ σιωπῇ σωφροσύνης δόξαν περιβάλλεσθαι, τότε ὁ Σωκράτης βουλόμενος αὐτὸν παῦσαι τούτου, Θαυμαστὸν γάρ, ἔφη, τί ποτε οἱ βουλόμενοι κιθαρίζειν ἢ αὐλεῖν ἢ ἱππεύειν ἢ ἄλλο τι τῶν τοιούτων ἱκανοὶ γενέσθαι πειρῶνται ὥς συνεχέστατα ποιεῖν ὃ τι ἂν βούλωνται δυνατοὶ γενέσθαι, καὶ οὐ καθ' ἑαυτούς, ἀλλὰ παρὰ τοῖς ἀρίστοις δοκοῦσιν εἶναι, πάντα ποιοῦντες καὶ ὑπομένοντες ἔνεκα τοῦ μηδὲν ἄνευ τῆς ἐκείνων γνώμης ποιεῖν, ὥς οὐκ ἂν ἄλλως ἀξιόλογοι γενόμενοι· τῶν δὲ βουλομένων δυνατῶν γενέσθαι λέγειν τε καὶ πράττειν τὰ πολιτικά νομίζουσι τινες ἄνευ παρασκευῆς καὶ ἐπιμελείας αὐτόματοι ἐξαίφνης δυνατοὶ ταῦτα ποιεῖν ἔσεσθαι. [4.2.7] καίτοι γε τοσούτῳ ταῦτα ἐκείνων δυσκατεργαστότερα φαίνεται, ὅσῳ περ πλείονων περὶ ταῦτα πραγματευομένων ἐλάττους οἱ κατεργαζόμενοι γίνονται. δῆλον οὖν ὅτι καὶ ἐπιμελείας δέονται πλείονος καὶ ἰσχυροτέρας οἱ τούτων ἐφίεμενοι ἢ οἱ ἐκείνων. [4.2.8] κατ' ἀρχὰς μὲν οὖν ἀκούοντος Εὐθυδήμου τοιούτους λόγους ἔλεγε Σωκράτης· ὥς δ' ἦισθετο αὐτὸν ἐτοιμότερον ὑπομένοντα, ὅτε διαλέγοιτο, καὶ προθυμότερον ἀκούοντα, μόνος ἦλθεν εἰς τὸ ἡνιοποιεῖον, παρακαθεζομένου δ' αὐτῷ τοῦ Εὐθυδήμου, Εἰπέ μοι, ἔφη, ὦ Εὐθύδημε, τῷ ὄντι, ὥσπερ ἐγὼ ἀκούω, πολλὰ γράμματα συνῆχας τῶν λεγομένων σοφῶν ἀνδρῶν γεγονέναι; καὶ ὁ Ε=θύδημος, Νῆ τὸν Δί', ἔφη, ὦ Σώκρατες· καὶ ἔτι γε συνάγω, ἕως ἂν κτήσωμαι

ὥς ἂν δύνωμαι πλεῖστα. [4.2.9] Νῆ τὴν Ἥραν, ἔφη ὁ Σωκράτης, ἀγαμαί γέ σου, διότι οὐκ ἀργυρίου καὶ χρυσίου προείλου θησαυροὺς κεκτηῖσθαι μᾶλλον ἢ σοφίας· δηλὸν γὰρ ὅτι νομίζεις ἀργύριον καὶ χρυσίον οὐδὲν βελτίους ποιεῖν τοὺς ἀνθρώπους, τὰς δὲ τῶν σοφῶν ἀνδρῶν γνώμας ἀρετῇ πλουτίζειν τοὺς κεκτημένους. καὶ ὁ Εὐθύδημος ἔχαιρεν ἀκούων ταῦτα, νομίζων δοκεῖν τῷ Σωκράτει ὀρθῶς μετιέναι τὴν σοφίαν. ὁ δὲ καταμαθὼν αὐτὸν ἡσθέντα τῷ ἐπαίνῳ τούτῳ, [4.2.10] Τί δὲ δὴ βουλόμενος ἀγαθὸς γενέσθαι, ἔφη, ὦ Εὐθύδημε, συλλέγεις τὰ γράμματα; ἐπὶ δὲ διεσιώπησεν ὁ Εὐθύδημος σκοπῶν ὅ τι ἀποκρίναιτο, πάλιν ὁ Σωκράτης, Ἄρα μὴ ἱατρός; ἔφη· πολλὰ γὰρ καὶ ἱατρῶν ἐστὶ συγγράμματα. καὶ ὁ Εὐθύδημος, Μὰ Δί', ἔφη, οὐκ ἔγωγε. Ἀλλὰ μὴ ἀρχιτέκτων βούλει γενέσθαι; γνωμονικοῦ γὰρ ἀνδρὸς καὶ τοῦτο δεῖ. Οὐκουν ἔγωγ', ἔφη. Ἀλλὰ μὴ γεωμέτρης ἐπιθυμεῖς, ἔφη, γενέσθαι ἀγαθός, ὥσπερ ὁ Θεόδωρος; Οὐδὲ γεωμέτρης, ἔφη. Ἀλλὰ μὴ ἀστρολόγος, ἔφη, βούλει γενέσθαι; ὥς δὲ καὶ τοῦτο ἡρνεῖτο, Ἀλλὰ μὴ ῥαψωιδός; ἔφη· καὶ γὰρ τὰ Ὀμήρου σέ φασιν ἔπη πάντα κεκτηῖσθαι. Μὰ Δί' οὐκ ἔγωγ', ἔφη· τοὺς γάρ τοι ῥαψωιδοὺς οἶδα τὰ μὲν ἔπη ἀκριβοῦντας, αὐτοὺς δὲ πάννυ ἡλιθίους ὄντας. [4.2.11] καὶ ὁ Σωκράτης ἔφη· Οὐ δῆπου, ὦ Εὐθύδημε, ταύτης τῆς ἀρετῆς ἐφίεσαι, δι' ἣν ἄνθρωποι πολιτικοὶ γίνονται καὶ οἰκονομικοὶ καὶ ἄρχειν ἱκανοὶ καὶ ὠφέλιμοι τοῖς τε ἄλλοις ἀνθρώποις καὶ ἑαυτοῖς; καὶ ὁ Εὐθύδημος, Σφόδρα γ', ἔφη, ὦ Σώκρατες, τ&#

[4.3.1] Τὸ μὲν οὖν λεκτικούς καὶ πρακτικούς καὶ μηχανικούς γίνεσθαι τοὺς συνόντας οὐκ ἔσπευδεν, ἀλλὰ πρότερον τούτων ὦιτο χρῆναι σωφροσύνην αὐτοῖς ἐγγενέσθαι. τοὺς γὰρ ἄνευ τοῦ σωφρονεῖν ταῦτα δυναμένους ἀδικωτέρους τε καὶ δυνατωτέρους κακουργεῖν ἐνόμιζεν εἶναι. [4.3.2] πρῶτον μὲν δὴ περὶ θεοὺς ἐπειρᾶτο σώφρονας ποιεῖν τοὺς συνόντας. ἄλλοι μὲν οὖν αὐτῷ πρὸς ἄλλους οὕτως ὁμιλοῦντι παραγενόμενοι διηγοῦντο· ἐγὼ δέ, ὅτε πρὸς Εὐθύδημον τοιαύδε διελέγετο, παρεγενόμην. [4.3.3] Εἰπέ μοι, ἔφη, ὦ Εὐθύδημε, ἥδη ποτέ σοι ἐπῆλθεν ἐνθυμηθῆναι ὥς ἐπιμελῶς οἱ θεοὶ ὦν οἱ ἄνθρωποι δέονται κατεσκευάκασιν; καὶ ὅς, Μὰ τὸν Δί', ἔφη, οὐκ ἔμοιγε. Ἀλλ' οἶσθά γ', ἔφη, ὅτι πρῶτον μὲν φωτὸς δεόμεθα, ὃ ἡμῖν οἱ θεοὶ παρέχουσι; Νῆ Δί', ἔφη, ὃ γ' εἰ μὴ εἵχομεν, ὅμοιοι τοῖς τυφλοῖς ἂν ἦμεν ἐνεκά γε τῶν ἡμετέρων ὀφθαλμῶν. Ἀλλὰ μὴν καὶ ἀναπαύσεώς γε δεόμενοις ἡμῖν νύκτα παρέχουσι κάλλιστον ἀναπαιτήριον. Πάννυ γ', ἔφη, καὶ τοῦτο χάριτος ἄξιον. [4.3.4] Οὐκοῦν

καὶ ἐπειδὴ ὁ μὲν ἥλιος φωτεινὸς ὢν τὰς τε ὥρας τῆς ἡμέρας ἡμῖν καὶ τὰλλα πάντα σαφηνίζει, ἡ δὲ νύξ διὰ τὸ σκοτεινὴ εἶναι ἀσαφεστέρα ἐστίν, ἄστρα ἐν τῇ νυκτὶ ἀνέφηναν, ἃ ἡμῖν τῆς νυκτὸς τὰς ὥρας ἐμφανίζει, καὶ διὰ τοῦτο πολλὰ ὧν δεόμεθα πράττομεν; Ἔστι ταῦτα, ἔφη. Ἀλλὰ μὴν ἢ γε σελήνη οὐ μόνον τῆς νυκτὸς, ἀλλὰ καὶ τοῦ μηνὸς τὰ μέρη φανερὰ ἡμῖν ποιεῖ. Πάνυ μὲν οὖν, ἔφη. [4.3.5] Τὸ δ', ἐπεὶ τροφῆς δεόμεθα, ταύτην ἡμῖν ἐκ τῆς γῆς ἀναδιδόναι καὶ ὥρας ἀρμοστούσας πρὸς τοῦτο παρέχειν, αἱ ἡμῖν οὐ μόνον ὧν δεόμεθα πολλὰ καὶ παντοῖα παρασκευάζουσιν, ἀλλὰ καὶ οἷς εὐφραινόμεθα; Πάνυ, ἔφη, καὶ ταῦτα φιλάνθρωπα. [4.3.6] Τὸ δὲ καὶ ὕδωρ ἡμῖν παρέχειν οὕτω πολλοῦ ἄξιον, ὥστε συμφύειν τε καὶ συναύξειν τῇ γῇ καὶ ταῖς ὥραις πάντα τὰ χρήσιμα ἡμῖν, συντρέφειν δὲ καὶ αὐτοὺς ἡμᾶς καὶ μιγνύμενον πᾶσι τοῖς τρέφουσιν ἡμᾶς εὐκατεργαστότερα τε καὶ ὠφελιμώτερα καὶ ἡδίων ποιεῖν αὐτά, καὶ ἐπειδὴ πλείστου δεόμεθα τούτου, ἀφθονέστατον αὐτὸ παρέχειν ἡμῖν; Καὶ τοῦτο, ἔφη, προνοητικόν. [4.3.7] Τὸ δὲ καὶ τὸ πῦρ πορίσαι ἡμῖν, ἐπίκουρον μὲν ψύχους, ἐπίκουρον δὲ σκότους, συνεργὸν δὲ πρὸς πᾶσαν τέχνην καὶ πάντα ὅσα ὠφελείας ἔνεκα ἄνθρωποι κατασκευάζονται; ὥς γὰρ συνελόντι εἰπεῖν οὐδὲν ἀξιόλογον ἄνευ πυρὸς ἄνθρωποι τῶν πρὸς τὸν βίον χρησίμων κατασκευάζονται. Ὑπερβάλλει, ἔφη, καὶ τοῦτο φιλάνθρωπαι. [4.3.8] Τὸ δὲ τὸν ἥλιον, ἐπειδὴ ἐν χειμῶνι τράπηται, προσιέναι τὰ μὲν ἀδρύνοντα, τὰ δὲ ξηραίνοντα, ὧν καιρὸς διελήλυθε, καὶ ταῦτα διαπραξάμενον μηκέτι ἐγγυτέρω προσιέναι, ἀλλ' ἀποτρέπεσθαι φυλαττόμενον μή τι ἡμᾶς μᾶλλον τοῦ δέοντος θερμαίνων βλάβῃ, καὶ ὅταν αὖ πάλιν ἀπιὼν γένηται ἔνθα καὶ ἡμῖν δηλὸν ἐστίν ὅτι, εἰ προσωτέρω ἅπεισιν, ἀποπαγησόμεθα ὑπὸ τοῦ ψύχους, πάλιν αὖ τρέπεσθαι καὶ προσχωρεῖν, καὶ ἐνταῦθα τοῦ οὐρανοῦ ἀναστρέφεσθαι ἔνθα ὧν μάλιστ' <ἂν> ἡμᾶς ὠφελοίη; Νῆ τὸν Δί', ἔφη, καὶ ταῦτα παντάπασιν ἔοικεν ἀνθρώπων ἔνεκα γιγνομένοις. [4.3.9] Τὸ δ', ἐπειδὴ καὶ τοῦτο φανερόν ὅτι οὐκ ἂν ὑπενέγκαιμεν οὔτε τὸ καῦμα οὔτε τὸ ψῦχος, εἰ ἐξαπίνης γίγνοιτο, οὕτω μὲν κατὰ μικρὸν προσιέναι τὸν ἥλιον, οὕτω δὲ κατὰ μικρὸν ἀπιέναι, ὥστε λανθάνειν ἡμᾶς εἰς ἑκάτερα τὰ ἰσχυρότατα καθισταμένους; Ἐγὼ μὲν, ἔφη ὁ Εὐθύδημος, ἤδη τοῦτο σκοπῶ, εἰ ἄρα τί ἐστὶ τοῖς θεοῖς ἔργον ἢ ἀνθρώπους θεραπεύειν· ἐκεῖνο δὲ μόνον ἐμποδίζει με, ὅτι καὶ τὰλλα ζῶια τούτων μετέχει. [4.3.10] Οὐ γὰρ καὶ τοῦτ', ἔφη ὁ Σωκράτης, φανερόν ὅτι καὶ ταῦτα ἀνθρώπων ἔνεκα

γίνεται τε καὶ ἀνατρέφεται; τί γὰρ ἄλλο ζῶιον αἰγῶν τε καὶ οἰῶν καὶ βοῶν καὶ ἵππων καὶ ὄνων καὶ τῶν ἄλλων ζώων τοσαῦτα ἀγαθὰ ἀπολαύει ὅσα ἄνθρωποι; ἐμοὶ μὲν γὰρ δοκεῖ, πλείω <ἢ> τῶν φυτῶν· τρέφονται γοῦν καὶ χρηματίζονται οὐδὲν ἥττον ἀπὸ τούτων ἢ ἀπ' ἐκείνων· πολὺ δὲ γένος ἀνθρώπων τοῖς μὲν ἐκ τῆς γῆς φυομένοις εἰς τροφήν οὐ χρῆται, ἀπὸ δὲ βοσκημάτων γάλακτι καὶ τυρῶι καὶ κρέασι τρεφόμενοι ζῶσι· πάντες δὲ τιθασεύοντες καὶ δαμάζοντες τὰ χρήσιμα τῶν ζώων εἰς τε πόλεμον καὶ εἰς ἄλλα πολλὰ συνεργοὺς χρῶνται. Ὅμογνωμονῶ σοι καὶ τοῦτ', ἔφη· ὁρῶ γὰρ αὐτῶν καὶ τὰ πολὺ ἰσχυρότερα ἡμῶν οὕτως ὑποχείρια γινόμενα τοῖς ἀνθρώποις ὥστε χρῆσθαι αὐτοῖς ὃ τι ἂν βούλωνται. [4.3.11] Τὸ δ', ἐπειδὴ πολλὰ μὲν καλὰ καὶ ὠφέλιμα, διαφέροντα δὲ ἀλλήλων ἐστί, προσθεῖναι τοῖς ἀνθρώποις αἰσθήσεις ἀρμοττοῦσας πρὸς ἕκαστα, δι' ὧν ἀπολαύομεν πάντων τῶν ἀγαθῶν· τὸ δὲ καὶ λογισμὸν ἡμῖν ἐμφῦσαι, ὥι περὶ ὧν αἰσθανόμεθα λογιζόμενοι τε καὶ μνημονεύοντες καταμανθάνομεν ὅπῃ ἕκαστα συμφέρει, καὶ πολλὰ μηχανώμεθα, δι' ὧν τῶν τε ἀγαθῶν ἀπολαύομεν καὶ τὰ κακὰ ἀλεξόμεθα· [4.3.12] τὸ δὲ καὶ ἐρμηνείαν δοῦναι, δι' ἧς πάντων τῶν ἀγαθῶν μεταδίδομέν τε ἀλλήλοις διδάσκοντες καὶ κοινωνοῦμεν καὶ νόμους τιθέμεθα καὶ πολιτεύομεθα; Παντάπασιν εἰκόασιν, ὧ Σώκρατες, οἱ θεοὶ πολλὴν τῶν ἀνθρώπων ἐπιμέλειαν ποιεῖσθαι. Τὸ δὲ καί, ἥ ἀδυνατοῦμεν τὰ συμφέροντα προνοεῖσθαι ὑπὲρ τῶν μελλόντων, ταύτηι αὐτοὺς ἡμῖν συνεργεῖν, διὰ μαντικῆς τοῖς πυνθανομένοις φράζοντας τὰ ἀποβησόμενα καὶ διδάσκοντας ἥ ἂν ἄριστα γίγνοιτο; Σοὶ δ', ἔφη, ὧ Σώκρατες, εἰκόασιν ἔτι φιλικώτερον ἢ τοῖς ἄλλοις χρῆσθαι, εἴ γε μὴδὲ ἐπερωτῶμενοι ὑπὸ σοῦ προσημαίνουσί σοι ἅ τε χρῆ ποιεῖν καὶ ἅ μὴ. [4.3.13] Ὅτι δὲ γε ἀληθῆ λέγω, καὶ σὺ γνώσῃ, ἂν μὴ ἀναμένῃς ἕως ἂν τὰς μορφὰς τῶν θεῶν ἴδῃς, ἀλλ' ἐξαρκῆι σοι τὰ ἔργα αὐτῶν ὁρῶντι σέβεσθαι καὶ τιμᾶν τοὺς θεοὺς. ἐννόει δὲ ὅτι καὶ αὐτοὶ οἱ θεοὶ οὕτως ὑποδεικνύουσιν· οἳ τε γὰρ ἄλλοι ἡμῖν τὰγαθὰ διδόντες οὐδὲν τούτων εἰς τὸ ἐμφανὲς ἰόντες διδόασι, καὶ ὁ τὸν ὅλον κόσμον συντάττων τε καὶ συνέχων, ἐν ᾧ πάντα καλὰ καὶ ἀγαθὰ ἐστί, καὶ αἰ μὲν χρωμένοις ἀτριβῆ τε καὶ ὑγιᾶ καὶ ἀγήρατα παρέχων, θᾶττον δὲ νοήματος ὑπηρετοῦντα ἀναμαρτήτως, οὗτος τὰ μέγιστα μὲν πράττων ὁρᾶται, τάδε δὲ οἰκονομῶν ἀόρατος ἡμῖν ἐστί. [4.3.14] ἐννοεῖ δ' ὅτι καὶ ὁ πᾶσι φανερὸς δοκῶν εἶναι Ἥλιος οὐκ ἐπιτρέπει τοῖς ἀνθρώποις ἑαυτὸν ἀκριβῶς ὁρᾶν, ἀλλ', ἐάν τις αὐτὸν ἀναιδῶς ἐγχειρῇ

θεάσασθαι, τὴν ὄψιν ἀφαιρεῖται. καὶ τοὺς ὑπηρέτας δὲ τῶν θεῶν εὐρήσεις ἀφανεῖς ὄντας· κεραυνός τε γὰρ ὅτι μὲν ἄνωθεν ἀφίεται, δῆλον, καὶ ὅτι οἷς ἂν ἐντύχη πάντων κρατεῖ, ὁράται δ' οὕτ' ἐπιὼν οὕτ' ἐγκατασκήψας οὕτε ἀπιών· καὶ ἄνεμοι αὐτοὶ μὲν οὐχ ὁρῶνται, ἃ δὲ ποιοῦσι φανερά ἡμῖν ἐστι, καὶ προσιόντων αὐτῶν αἰσθανόμεθα. ἀλλὰ μὴν καὶ ἀνθρώπου γε ψυχῇ, ἥ, εἴπερ τι καὶ ἄλλο τῶν ἀνθρωπίνων, τοῦ θεοῦ μετέχει, ὅτι μὲν βασιλεύει ἐν ἡμῖν, φανερόν, ὁράται δὲ οὐδ' αὐτή. ἃ χρὴ κατανοοῦντα μὴ καταφρονεῖν τῶν ἀοράτων, ἀλλ' ἐκ τῶν γιγνομένων τὴν δύναμιν αὐτῶν καταμανθάνοντα τιμᾶν τὸ δαιμόνιον. [4.3.15] Ἐγὼ μὲν, ὃ Σώκρατες, ἔφη ὁ Εὐθύδημος, ὅτι μὲν οὐδὲ μικρὸν ἀμελήσω τοῦ δαιμονίου, σαφῶς οἶδα· ἐκεῖνο δὲ ἄθυμῳ, ὅτι μοι δοκεῖ τὰς τῶν θεῶν εὐεργεσίας οὐδ' ἂν εἷς ποτε ἀνθρώπων ἀξίαις χάρισιν ἀμείβεσθαι. [4.3.16] Ἀλλὰ μὴ τοῦτο ἀθύμει, ἔφη, ὃ Εὐθύδημε· ὁραῖς γὰρ ὅτι ὁ ἐν Δελφοῖς θεός, ὅταν τις αὐτὸν ἐπερωτᾷ πῶς ἂν τοῖς θεοῖς χαρίζοιτο, ἀποκρίνεται· Νόμωι πόλεως· νόμος δὲ δήπου πανταχοῦ ἐστι κατὰ δύναμιν ἱεροῖς θεοῖς ἀρέσκεσθαι. πῶς οὖν ἂν τις κάλλιον καὶ εὐσεβέστερον τιμώῃ θεοὺς ἢ, ὥς αὐτοὶ κελεύουσιν, οὕτω ποιῶν; [4.3.17] ἀλλὰ χρὴ τῆς μὲν δυνάμεως μηδὲν ὑφίεσθαι· ὅταν γάρ τις τοῦτο ποιῇ, φανερὸς δήπου ἐστὶ τότε οὐ τιμῶν θεοὺς. χρὴ οὖν μηδὲν ἐλλείποντα κατὰ δύναμιν τιμᾶν τοὺς θεοὺς θαρρεῖν τε καὶ ἐλπίζειν τὰ μέγιστα ἀγαθὰ. οὐ γάρ παρ' ἄλλων γ' ἂν τις μείζω ἐλπίζων σωφρονοίῃ ἢ παρὰ τῶν τὰ μέγιστα ὠφελεῖν δυναμένων, οὐδ' ἂν ἄλλως μᾶλλον ἢ εἰ τοῦτοις ἀρέσκοι· ἀρέσκοι δὲ πῶς ἂν μᾶλλον ἢ εἰ ὥς μάλιστα πείθοιτο αὐτοῖς; [4.3.18] τοιαῦτα μὲν δὴ λέγων τε καὶ αὐτὸς ποιῶν εὐσεβεστέρους τε καὶ σωφρονεστέρους τοὺς συνόντας παρεσκεύαζεν.

[4.4.1] Ἀλλὰ μὴν καὶ περὶ τοῦ δικαίου γε οὐκ ἀπεκρύπτετο ἦν εἶχε γνώμην, ἀλλὰ καὶ ἔργωι ἀπεδείκνυτο, ἰδία τε πᾶσι νομίμως τε καὶ ὠφελίμως χρώμενος καὶ κοινῇ ἄρχουσί τε ἃ οἱ νόμοι προστάττειν πειθόμενος καὶ κατὰ πόλιν καὶ ἐν ταῖς στρατείαις οὕτως ὥστε διάδηλος εἶναι παρὰ τοὺς ἄλλους εὐτακτῶν, [4.4.2] καὶ ὅτε ἐν ταῖς ἐκκλησίαις ἐπιστάτης γενόμενος οὐκ ἐπέτρεψε τῷ δήμῳ παρὰ τοὺς νόμους ψηφίσασθαι, ἀλλὰ σὺν τοῖς νόμοις ἠναντιώθη τοιαύτῃ ὁρμῇ τοῦ δήμου ἦν οὐκ ἂν οἶμαι ἄλλον οὐδένα ἀνθρωπον ὑπομεῖναι· [4.4.3] καὶ ὅτε οἱ τριᾶκοντα προσέταπτον αὐτῷ παρὰ τοὺς νόμους τι, οὐκ ἐπέιθετο· τοῖς τε γὰρ νέοις ἀπαγορευόντων αὐτῶν μὴ διαλέγεσθαι καὶ προσταξάντων ἐκείνῳ τε καὶ ἄλλοις τισὶ τῶν πολιτῶν ἀγαγεῖν

τινα ἐπὶ θανάτῳ, μόνος οὐκ ἐπέισθη, διὰ τὸ παρὰ τοὺς νόμους αὐτῷ προστάττεσθαι· [4.4.4] καὶ ὅτε τὴν ὑπὸ Μελήτου γραφὴν ἔφευγε, τῶν ἄλλων εἰωθότων ἐν τοῖς δικαστηρίοις πρὸς χάριν τε τοῖς δικασταῖς διαλέγεσθαι καὶ κολακεύειν καὶ δεῖσθαι παρὰ τοὺς νόμους, καὶ διὰ τὰ τοιαῦτα πολλῶν πολλάκις ὑπὸ τῶν δικαστῶν ἀφιεμένων, ἐκεῖνος οὐδὲν ἠθέλησε τῶν εἰωθότων ἐν τῷ δικαστηρίῳ παρὰ τοὺς νόμους ποιῆσαι, ἀλλὰ ῥαιδίως ἂν ἀφεθεῖς ὑπὸ τῶν δικαστῶν, εἰ καὶ μετρίως τι τούτων ἐποίησε, προεῖλετο μᾶλλον τοῖς νόμοις ἐμμένων ἀποθανεῖν ἢ παρανομῶν ζῆν. [4.4.5] καὶ ἔλεγε δὲ οὕτως καὶ πρὸς ἄλλους μὲν πολλάκις, οἷδα δὲ ποτε αὐτὸν καὶ πρὸς Ἰππίαν τὸν Ἥλειον περὶ τοῦ δικαίου τοιάδε διαλεχθέντα. διὰ χρόνου γὰρ ἀφικόμενος ὁ Ἰππίας Ἀθήναζε παρεγένετο τῷ Σωκράτει λέγοντι πρὸς τινας, ὡς θαυμαστὸν εἶη τό, εἰ μὲν τις βούλοιτο σκυτέα διδάξασθαι τινα ἢ τέκτονα ἢ χαλκέα ἢ ἱππέα, μὴ ἀπορεῖν ὅποι ἂν πέμψας τούτου τύχοι, [φασὶ δὲ τινες καὶ ἵππον καὶ βούν τῷ βουλομένῳ δικαίους ποιήσασθαι πάντα μεστὰ εἶναι τῶν διδασκόντων·] ἐὰν δὲ τις βούληται ἢ αὐτὸς μαθεῖν τὸ δίκαιον ἢ υἱὸν ἢ οἰκέτην διδάξασθαι, μὴ εἰδέναι ὅποι ἂν ἐλθὼν τύχοι τούτου. [4.4.6] καὶ ὁ μὲν Ἰππίας ἀκούσας ταῦτα ὥσπερ ἐπισκώπτων αὐτόν, Ὑετὶ γὰρ σύ, ἔφη, ὦ Σώκρατες, ἐκεῖνα τὰ αὐτὰ λέγεις ἃ ἐγὼ πάλαι ποτέ σου ἤκουσα; καὶ ὁ Σωκράτης, Ὁ δὲ γε τούτου δεινότερον, ἔφη, ὦ Ἰππία, οὐ μόνον ἀεὶ τὰ αὐτὰ λέγω, ἀλλὰ καὶ περὶ τῶν αὐτῶν· σὺ δ' ἴσως διὰ τὸ πολυμαθὴς εἶναι περὶ τῶν αὐτῶν οὐδέποτε τὰ αὐτὰ λέγεις. Ἀμέλει, ἔφη, πειρῶμαι καινόν τι λέγειν ἀεὶ. [4.4.7] Πότερον, ἔφη, καὶ περὶ ὧν ἐπίστασαι; οἷον περὶ γραμμάτων ἐὰν τις ἔρηται σε, πόσα καὶ ποῖα Σωκράτους ἐστίν, ἄλλα μὲν πρότερον, ἄλλα δὲ νῦν πειρᾶι λέγειν; ἢ περὶ ἀριθμῶν τοῖς ἐρωτῶσιν εἰ τὰ δις πέντε δέκα ἐστίν, οὐ τὰ αὐτὰ νῦν ἢ καὶ πρότερον ἀποκρίνεις; Περὶ μὲν τούτων, ἔφη, ὦ Σώκρατες, ὥσπερ σύ, καὶ ἐγὼ ἀεὶ τὰ αὐτὰ λέγω· περὶ μέντοι τοῦ δικαίου πάνν οἶμαι νῦν ἔχειν εἰπεῖν, πρὸς ἃ οὔτε σὺ οὔτ' ἂν ἄλλος οὐδεὶς δύναται· ἀντειπεῖν. [4.4.8] Νῆ τὴν Ἥραν, ἔφη, μέγα λέγεις ἀγαθὸν ἡύρηκέναι, εἰ παύσσονται μὲν οἱ δικασταὶ δίχα ψηφιζόμενοι, παύσσονται δ' οἱ πολῖται περὶ τῶν δικαίων ἀντιλέγοντές τε καὶ ἀντιδικοῦντες καὶ στασιάζοντες, παύσσονται δ' αἱ πόλεις διαφερόμεναι περὶ τῶν δικαίων καὶ πολεμοῦσαι. καὶ ἐγὼ μὲν οὐκ οἶδ' ὅπως ἂν ἀπολειφθεῖν σου πρὸ τοῦ ἀκοῦσαι τηλικοῦτον ἀγαθὸν ἡύρηκός. [4.4.9] Ἀλλὰ μὰ Δί', ἔφη, οὐκ ἀκούσῃ, πρίν γ' ἂν αὐτὸς ἀποφῆνῃ, ὅ τι νομίζεις τὸ δίκαιον

εἶναι. ἀρκεῖ γὰρ ὅτι τῶν ἄλλων καταγελαῖς ἐρωτῶν μὲν καὶ ἐλέγχων πάντας, αὐτὸς δ' οὐδενὶ θέλων ὑπέχειν λόγον οὐδὲ γνώμην ἀποφαίνεσθαι περὶ οὐδενός. [4.4.10] Τί δέ, ὦ Ἰππία; ἔφη, οὐκ ἤισθησαι ὅτι ἐγὼ ἂν δοκεῖ μοι δίκαια εἶναι οὐδὲν παύομαι ἀποδεικνύμενος; Καὶ ποῖος δὴ σοι, ἔφη, οὗτος ὁ λόγος ἐστίν; Εἰ δὲ μὴ λόγῳ, ἔφη, ἀλλ' ἔργῳ ἀποδείκνυμαι· ἢ οὐ δοκεῖ σοι ἀξιοτεκμαρτότερον τοῦ λόγου τὸ ἔργον εἶναι; Πολύ γε νῆ Δί', ἔφη· δίκαια μὲν γὰρ λέγοντες πολλοὶ ἄδικοι ποιοῦσι, δίκαια δὲ πράττων οὐδ' ἂν εἷς ἄδικος εἴη. [4.4.11] Ἦισθησαι οὖν πώποτε μου ἢ ψευδομαρτυροῦντος ἢ συκοφαντοῦντος ἢ φίλους ἢ πόλιν εἰς στάσιν ἐμβάλλοντος ἢ ἄλλο τι ἄδικον πράττοντος; Οὐκ ἔγωγ', ἔφη. Τὸ δὲ τῶν ἀδίκων ἀπέχεσθαι οὐ δίκαιον ἡγήη; Δῆλος εἶ, ἔφη, ὦ Σώκρατες, καὶ νῦν διαφεύγειν ἐγχειρῶν τὸ ἀποδείκνυσθαι γνώμην, ὃ τι νομίζεις τὸ δίκαιον· οὐ γὰρ ἂν πράττουσιν οἱ δίκαιοι, ἀλλ' ἂν μὴ πράττουσι, ταῦτα λέγεις. [4.4.12] Ἀλλ' ὥμην ἔγωγ', ἔφη ὁ Σωκράτης, τὸ μὴ θέλειν ἀδικεῖν ἱκανὸν δικαιοσύνης ἐπίδειγμα εἶναι. εἰ δέ σοι μὴ δοκεῖ, σκέψαι ἐὰν τότε σοι μᾶλλον ἀρέσκηι· φημί γὰρ ἐγὼ τὸ νόμιμον δίκαιον εἶναι. Ἄρα τὸ αὐτὸ λέγεις, ὦ Σώκρατες, νόμιμόν τε καὶ δίκαιον εἶναι; [4.4.13] Ἐγώ γε, ἔφη. Οὐ γὰρ αἰσθάνομαί σου ὅποιον νόμιμον ἢ ποῖον δίκαιον λέγεις. Νόμους δὲ πόλεως, ἔφη, γινώσκεις; Ἐγώ γε, ἔφη. Καὶ τίνας τούτους νομίζεις; Ἄ οἱ πολῖται, ἔφη, συνθέμενοι ἅ τε δεῖ ποιεῖν καὶ ὧν ἀπέχεσθαι ἐγράψαντο. Οὐκοῦν, ἔφη, νόμιμος μὲν ἂν εἴη ὁ κατὰ ταῦτα πολιτευόμενος, ἄνομος δὲ ὁ ταῦτα παραβαίνων; Πάνυ μὲν οὖν, ἔφη. Οὐκοῦν καὶ δίκαια μὲν ἂν πράττοι ὁ τούτοις πειθόμενος, ἄδικοι δ' ὁ τούτοις ἀπειθῶν; Πάνυ μὲν οὖν. Οὐκοῦν ὁ μὲν τὰ δίκαια πράττων δίκαιος, ὁ δὲ τὰ ἄδικοι ἄδικος; Πῶς γὰρ οὐ; Ὁ μὲν ἄρα νόμιμος δίκαιός ἐστιν, ὁ δὲ ἄνομος ἄδικος. [4.4.14] καὶ ὁ Ἰππίας, Νόμους δ', ἔφη, ὦ Σώκρατες, πῶς ἂν τις ἡγήσαιο σπουδαῖον πρᾶγμα εἶναι ἢ τὸ πείθεσθαι αὐτοῖς, οὓς γε πολλάκις αὐτοὶ οἱ θέμενοι ἀποδοκιμάσαντες μετατίθενται; Καὶ γὰρ πόλεμον, ἔφη ὁ Σωκράτης, πολλάκις ἀράμεναι πόλεις πάλιν εἰρήνην ποιοῦνται. Καὶ μάλα, ἔφη. Διάφορον οὖν τι οἶει ποιεῖν, ἔφη, τοὺς τοῖς νόμοις πειθομένους φαυλίζων, ὅτι καταλυθεῖεν ἂν οἱ νόμοι, ἢ εἰ τοὺς ἐν τοῖς πολέμοις εὐτακτοῦντας ψέγοις, ὅτι γένοιτ' ἂν εἰρήνη; ἢ καὶ τοὺς ἐν τοῖς πολέμοις ταῖς πατρίσι προθύμως βοηθοῦντας μέμφη; Μὰ Δί' οὐκ ἔγωγ', ἔφη. [4.4.15] Λυκοῦργον δὲ τὸν Λακεδαιμόνιον, ἔφη ὁ Σωκράτης, καταμεμάθηκας, ὅτι οὐδὲν ἂν διάφορον τῶν ἄλλων

πόλεων τὴν Σπάρτην ἐποίησεν, εἰ μὴ τὸ πείθεσθαι τοῖς νόμοις μάλιστα ἐνειργάσατο αὐτῇ; τῶν δὲ ἀρχόντων ἐν ταῖς πόλεσιν οὐκ οἶσθα ὅτι, οἵτινες ἂν τοῖς πολίταις αἰτιώτατοι ᾖσι τοῦ τοῖς νόμοις πείθεσθαι, οὗτοι ἄριστοί εἰσι, καὶ πόλις, ἐν ἣι μάλιστα οἱ πολῖται τοῖς νόμοις πείθονται, ἐν εἰρήνῃ τε ἄριστα διάγει καὶ ἐν πολέμῳ ἀνυπόστατός ἐστιν; [4.4.16] ἀλλὰ μὴν καὶ ὁμόνοιά γε μέγιστόν τε ἀγαθὸν δοκεῖ ταῖς πόλεσιν εἶναι καὶ πλειστάκις ἐν αὐταῖς αἱ τε γερουσίαι καὶ οἱ ἄριστοι ἄνδρες παρακελεύονται τοῖς πολίταις ὁμονοεῖν, καὶ πανταχοῦ ἐν τῇ Ἑλλάδι νόμος κεῖται τοὺς πολίτας ὁμνύναι ὁμονοήσειν, καὶ πανταχοῦ ὁμνύουσι τὸν ὄρκον τοῦτον· οἶμαι δ' ἐγὼ ταῦτα γίνεσθαι οὐχ ὅπως τοὺς αὐτοὺς χοροὺς κρίνωσιν οἱ πολῖται, οὐδ' ὅπως τοὺς αὐτοὺς αὐλητὰς ἐπαινῶσιν, οὐδ' ὅπως τοὺς αὐτοὺς ποιητὰς αἰρῶνται, οὐδ' ἵνα τοῖς αὐτοῖς ἡδωνται, ἀλλ' ἵνα τοῖς νόμοις πείθωνται. τούτοις γὰρ τῶν πολιτῶν ἐμμενόντων, αἱ πόλεις ἰσχυρόταταί τε καὶ εὐδαιμονέσταται γίνονται· ἄνευ δὲ ὁμονομίας οὗτ' ἂν πόλις εὖ πολιτευθεῖη οὗτ' οἶκος καλῶς οἰκηθεῖη. [4.4.17] ἰδίαι δὲ πῶς μὲν ἂν τις ἦττον ὑπὸ πόλεως ζημιῶτο, πῶς δ' ἂν μᾶλλον τιμῶτο, ἢ εἰ τοῖς νόμοις πείθοιτο; πῶς δ' ἂν ἦττον ἐν τοῖς δικαστηρίοις ἡττῶτο ἢ πῶς ἂν μᾶλλον νικῶη; τίνοι δ' ἂν τις μᾶλλον πιστεύσειε παρακαταθέσθαι ἢ χρήματα ἢ υἱοὺς ἢ θυγατέρας; τίνα δ' ἂν ἡ πόλις ὅλη ἀξιοπιστότερον ἡγήσαιτο τοῦ νομίμου; παρὰ τίνος δ' ἂν μᾶλλον τῶν δικαίων τύχοιεν ἢ γονεῖς ἢ οἰκεῖοι ἢ οἰκέται ἢ φίλοι ἢ πολῖται ἢ ξένοι; τίνοι δ' ἂν μᾶλλον πολέμιοι πιστεύσειαν ἢ ἀνοχὰς ἢ σπονδὰς ἢ συνθήκας περὶ εἰρήνης; τίνοι δ' ἂν μᾶλλον ἢ τῷ νομίμῳ σύμμαχοι ἐθέλοιεν γίνεσθαι; τῷ δ' ἂν μᾶλλον οἱ σύμμαχοι πιστεύσειαν ἢ ἡγεμονίαν ἢ φρουραρχίαν ἢ πόλεις; τίνα δ' ἂν τις εὐεργετήσας ὑπολάβοι χάριν κομιεῖσθαι μᾶλλον ἢ τὸν νόμιμον; ἢ τίνα μᾶλλον ἂν τις εὐεργετήσειεν ἢ παρ' οὗ χάριν ἀπολήψεσθαι νομίζει; τῷ δ' ἂν τις βούλοιο μᾶλλον φίλος εἶναι ἢ τῷ τοιούτῳ, ἢ τῷ ἦττον ἐχθρός; τῷ δ' ἂν τις ἦττον πολεμήσειεν ἢ ὧι μάλιστα μὲν φίλος εἶναι βούλοιο, ἥκιστα δ' ἐχθρός, καὶ ὧι πλεῖστοι μὲν φίλοι καὶ σύμμαχοι βούλουντο εἶναι, ἐλάχιστοι δ' ἐχθροὶ καὶ πολέμιοι; [4.4.18] ἐγὼ μὲν οὖν, ὧ Ἰππία, τὸ αὐτὸ ἀποδείκνυμαι νόμιμόν τε καὶ δίκαιον εἶναι· σὺ δ' εἰ τάναντία γινώσκεις, δίδασκε. καὶ ὁ Ἰππίας, Ἀλλὰ μὰ τὸν Δί', ἔφη, ὧ Σώκρατες, οὐ μοι δοκῶ τάναντία γινώσκειν οἷς εἴρηκας περὶ τοῦ δικαίου. [4.4.19] Ἀγράφους δέ τινας οἶσθα, ἔφη, ὧ Ἰππία, νόμους; Τούς γ' ἐν πάσῃ, ἔφη, χώραι κατὰ ταῦτα

νομιζομένους. Ἐχοις ἂν οὖν εἰπεῖν, ἔφη, ὅτι οἱ ἄνθρωποι αὐτοὺς ἔθεντο; Καὶ πῶς ἂν, ἔφη, οἳ γε οὔτε συνελθεῖν ἅπαντες ἂν δυνηθεῖεν οὔτε ὁμόφωνοί εἰσι; Τίνας οὖν, ἔφη, νομίζεις τεθεικέναι τοὺς νόμους τούτους; Ἐγὼ μὲν, ἔφη, θεοὺς οἶμαι τοὺς νόμους τούτους τοῖς ἀνθρώποις θεῖναι· καὶ γὰρ παρὰ πᾶσιν ἀνθρώποις πρῶτον νομίζεται θεοὺς σέβειν. [4.4.20] Οὐκοῦν καὶ γονέας τιμᾶν πανταχοῦ νομίζεται; Καὶ τοῦτο, ἔφη. Οὐκοῦν καὶ μήτε γονέας παισὶ μίγνυσθαι μήτε παῖδας γονεῦσιν; Οὐκέτι μοι δοκεῖ, ἔφη, ὦ Σώκρατες, οὗτος θεοῦ νόμος εἶναι. Τί δὴ; ἔφη. Ὅτι, ἔφη, αἰσθάνομαί τινας παραβαίνοντας αὐτόν. [4.4.21] Καὶ γὰρ ἄλλα πολλά, ἔφη, παρανομοῦσιν· ἀλλὰ δίκην γέ τοι διδόασιν οἱ παραβαίνοντες τοὺς ὑπὸ τῶν θεῶν κειμένους νόμους, ἦν οὐδενὶ τρόπῳ δυνατόν ἀνθρώπῳ διαφυγεῖν, ὥσπερ τοὺς ὑπ' ἀνδράπων κειμένους νόμους ἔνιοι παραβαίνοντες διαφεύγουσι τὸ δίκην διδόναι, οἳ μὲν λανθάνοντες, οἳ δὲ βιαζόμενοι. [4.4.22] Καὶ ποῖαν, ἔφη, δίκην, ὦ Σώκρατες, οὐ δύνανται διαφεύγειν γονεῖς τε παισὶ καὶ παῖδες γονεῦσι μιγνύμενοι; Τὴν μεγίστην νῆ Δί', ἔφη· τί γὰρ ἂν μεῖζον πάθοιεν ἄνθρωποι τεκνοποιούμενοι τοῦ κακῶς τεκνοποιεῖσθαι; [4.4.23] Πῶς οὖν, ἔφη, κακῶς οὗτοι τεκνοποιοῦνται, οὓς γε οὐδὲν κωλύει ἀγαθοὺς αὐτοὺς ὄντας ἐξ ἀγαθῶν παιδοποιεῖσθαι; Ὅτι νῆ Δί', ἔφη, οὐ μόνον ἀγαθοὺς δεῖ τοὺς ἐξ ἀλλήλων παιδοποιουμένους εἶναι, ἀλλὰ καὶ ἀκμαζόντας τοῖς σώμασιν. ἢ δοκεῖ σοι ὅμοια τὰ σπέρματα εἶναι τὰ τῶν ἀκμαζόντων τοῖς τῶν μήπω ἀκμαζόντων ἢ τῶν παρηκμακότων; Ἀλλὰ μὰ Δί', ἔφη, οὐκ εἰκὸς ὅμοια εἶναι. Πότερα οὖν, ἔφη, βελτίῳ; Δῆλον ὅτι, ἔφη, τὰ τῶν ἀκμαζόντων. Τὰ τῶν μὴ ἀκμαζόντων ἄρα οὐ σπουδαῖα; Οὐκ εἰκὸς μὰ Δί', ἔφη. Οὐκοῦν οὕτω γε οὐ δεῖ παιδοποιεῖσθαι; Οὐ γὰρ οὖν, ἔφη. Οὐκοῦν οἳ γε οὕτω παιδοποιούμενοι ὥς οὐ δεῖ παιδοποιῶνται; Ἐμοιγε δοκεῖ, ἔφη. Τίνες οὖν ἄλλοι, ἔφη, κακῶς ἂν παιδοποιῶντο, εἴ γε μὴ οὗτοι; Ὅμογνωμονῶ σοι, ἔφη, καὶ τοῦτο. [4.4.24] Τί δέ; τοὺς εὖ ποιοῦντας ἀντευεργετῆν οὐ πανταχοῦ νόμιμόν ἐστι; Νόμιμον, ἔφη· παραβαίνεται δὲ καὶ τοῦτο. Οὐκοῦν καὶ οἱ τοῦτο παραβαίνοντες δίκην διδόασι, φίλων μὲν ἀγαθῶν ἔρημοι γιγνόμενοι, τοὺς δὲ μισοῦντας ἑαυτοὺς ἀναγκαζόμενοι διώκειν; ἢ οὐχ οἳ μὲν εὖ ποιοῦντες τοὺς χρωμένους ἑαυτοῖς ἀγαθοὶ φίλοι εἰσίν, οἳ δὲ μὴ ἀντευεργετοῦντες τοὺς τοιούτους διὰ μὲν τὴν ἀχαριστίαν μισοῦνται ὑπ' αὐτῶν, διὰ δὲ τὸ μάλιστα λυσιτελεῖν τοῖς τοιούτοις χρῆσθαι τούτους μάλιστα διώκουσι; Νῆ τὸν Δί', ὦ Σώκρατες, ἔφη, θεοῖς

ταῦτα πάντα ἔοικε· τὸ γὰρ τοὺς νόμους αὐτοὺς τοῖς παραβαίνουσι τὰς τιμωρίας ἔχειν βελτίονος ἢ κατ' ἄνθρωπον νομοθέτου δοκεῖ μοι εἶναι. [4.4.25] Πότερον οὖν, ὦ Ἰππία, τοὺς θεοὺς ἡγῆι τὰ δίκαια νομοθετεῖν ἢ ἄλλα τῶν δικαίων; Οὐκ ἄλλα μὰ Δί', ἔφη· σχολῇ γὰρ ἂν ἄλλος γέ τις τὰ δίκαια νομοθετήσκειν, εἰ μὴ θεός. Καὶ τοῖς θεοῖς ἄρα, ὦ Ἰππία, τὸ αὐτὸ δίκαιόν τε καὶ νόμιμον εἶναι ἀρέσκει.

Τοιαῦτα λέγων τε καὶ πράττων δικαιότερους ἐποίει τοὺς πλησιάζοντας.

[4.5.1] Ὡς δὲ καὶ πρακτικωτέρους ἐποίει τοὺς συνόντας ἑαυτῷ, νῦν αὖ τοῦτο λέξω. νομίζων γὰρ ἐγκράτειαν ὑπάρχειν ἀγαθὸν εἶναι τῷ μέλλοντι καλὸν τι πράξειν, πρῶτον μὲν αὐτὸς φανερός ἦν τοῖς συνοῦσιν ἡσκηκῶς αὐτὸν μάλιστα πάντων ἀνθρώπων, ἔπειτα διαλεγόμενος προετρέπετο πάντων μάλιστα τοὺς συνόντας πρὸς ἐγκράτειαν. [4.5.2] ἀεὶ μὲν οὖν περὶ τῶν πρὸς ἀρετὴν χρησίμων αὐτός τε διετέλει μεμνημένος καὶ τοὺς συνόντας πάντας ὑπομιμνήσκων· οἶδα δέ ποτε αὐτὸν καὶ πρὸς Εὐθύδημον περὶ ἐγκρατείας τοιάδε διαλεχθέντα· Εἰπέ μοι, ἔφη, ὦ Εὐθύδημε, ἄρα καλὸν καὶ μεγαλεῖον νομίζεις εἶναι καὶ ἀνδρὶ καὶ πόλει κτῆμα ἐλευθερίαν; Ὡς οἷόν τέ γε μάλιστα, ἔφη. [4.5.3] Ὅστις οὖν ἄρχεται ὑπὸ τῶν διὰ τοῦ σώματος ἡδονῶν καὶ διὰ ταύτας μὴ δύναται πράττειν τὰ βέλτιστα, νομίζεις τοῦτον ἐλεύθερον εἶναι; Ἦκιστα, ἔφη. Ἴσως γὰρ ἐλευθέριον φαίνεται σοι τὸ πράττειν τὰ βέλτιστα, εἴτα τὸ ἔχειν τοὺς κωλύοντας τὰ τοιαῦτα ποιεῖν ἀνελεύθερον νομίζεις; [4.5.4] Παντάπασι γ', ἔφη. Παντάπασι ἄρα σοι δοκοῦσιν οἱ ἀκρατεῖς ἀνελεύθεροι εἶναι; Νῆ τὸν Δί' εἰκότως. Πότερα δέ σοι δοκοῦσιν οἱ ἀκρατεῖς κωλύεσθαι μόνον τὰ κάλλιστα πράττειν ἢ καὶ ἀναγκάζεσθαι τὰ αἰσχιστα ποιεῖν; Οὐδὲν ἥττον ἔμοιγ', ἔφη, δοκοῦσι ταῦτα ἀναγκάζεσθαι ἢ ἐκεῖνα κωλύεσθαι. [4.5.5] Ποίους δέ τινας δεσπότης ἡγῆσι τοὺς τὰ μὲν ἄριστα κωλύοντας, τὰ δὲ κάκιστα ἀναγκάζοντας; Ὡς δυνατόν νῆ Δί', ἔφη, κακίστους. Δουλείαν δὲ ποῖαν κακίστην νομίζεις εἶναι; Ἐγὼ μὲν, ἔφη, τὴν παρὰ τοῖς κακίστοις δεσπότηαι. Τὴν κακίστην ἄρα δουλείαν οἱ ἀκρατεῖς δουλεύουσιν; Ἔμοιγε δοκεῖ, ἔφη. [4.5.6] Σοφίαν δὲ τὸ μέγιστον ἀγαθὸν οὐ δοκεῖ σοι ἀπείργουσα τῶν ἀνθρώπων ἡ ἀκρασία εἰς τοῦναντίον αὐτοὺς ἐμβάλλειν; ἢ οὐ δοκεῖ σοι προσέχειν τε τοῖς ὠφελοῦσι καὶ καταμανθάνειν αὐτὰ κωλύειν, ἀφέλκουσα ἐπὶ τὰ ἡδέα, καὶ πολλάκις αἰσθανομένους τῶν ἀγαθῶν τε καὶ τῶν κακῶν ἐκπλήξασα ποιεῖν τὸ χεῖρον ἀντὶ τοῦ βελτίονος αἰρεῖσθαι; Γίγνεται τοῦτ', ἔφη. [4.5.7]

Σωφροσύνης δέ, ὃ Εὐθύδημε, τίτιν ἂν φαίμεν ἦττον ἢ τῷ ἀκρατεῖ προσήκειν; αὐτὰ γὰρ δήπου τὰ ἐναντία σωφροσύνης καὶ ἀκρασίας ἔργα ἐστίν. Ὁμολογῶ καὶ τοῦτο, ἔφη. Τοῦ δ' ἐπιμελεῖσθαι ὧν προσήκει οἷτι τι κωλυτικώτερον εἶναι ἀκρασίας; Οὐκ οὖν ἔγωγ', ἔφη. Τοῦ δὲ ἀντὶ τῶν ὠφελούντων τὰ βλάπτοντα προαιρεῖσθαι ποιούντος καὶ τούτων μὲν ἐπιμελεῖσθαι, ἐκείνων δὲ ἀμελεῖν πείθοντος καὶ τοῖς σωφρονοῦσι τὰ ἐναντία ποιεῖν ἀναγκάζοντες οἷτι τι ἀνθρώπῳ κάκιον εἶναι; Οὐδέν, ἔφη. [4.5.8] Οὐκοῦν τὴν ἐγκράτειαν τῶν ἐναντίων ἢ τὴν ἀκρασίαν εἰκὸς τοῖς ἀνθρώποις αἰτίαν εἶναι; Πάνυ μὲν οὖν, ἔφη. Οὐκοῦν καὶ τῶν ἐναντίων τὸ αἴτιον εἰκὸς ἄριστον εἶναι; Εἰκὸς γάρ, ἔφη. Ἔοικεν ἄρ', ἔφη, ὃ Εὐθύδημε, ἄριστον ἀνθρώπῳ ἐγκράτεια εἶναι; Εἰκότως γάρ, ἔφη, ὃ Σώκρατες. [4.5.9] Ἐκεῖνο δέ, ὃ Εὐθύδημε, ἤδη πρόποτε ἐνεθυμήθης; Ποῖον; ἔφη. Ὅτι καὶ ἐπὶ τὰ ἡδέα, ἐφ' ἅπερ μόνον δοκεῖ ἡ ἀκρασία τοὺς ἀνθρώπους ἄγειν, αὐτὴ μὲν οὐ δύναται ἄγειν, ἡ δ' ἐγκράτεια πάντων μάλιστα ἡδεσθαι ποιεῖ. Πῶς; ἔφη. Ἡ μὲν ἀκρασία οὐκ ἐῷσα καρτερεῖν οὔτε λιμὸν οὔτε δίψος οὔτε ἀφροδισίων ἐπιθυμίαν οὔτε ἀγρυπνίαν, δι' ὧν μόνων ἔστιν ἡδέως μὲν φαγεῖν τε καὶ πιεῖν καὶ ἀφροδισιάσαι, ἡδέως δ' ἀναπαύσασθαι τε καὶ κοιμηθῆναι, περιμείναντας καὶ ἀνασχομένους, ἕως ἂν ταῦτα ὡς ἐνὶ ἡδιστα γένηται, κωλύει τοῖς ἀναγκαιοτάτοις τε καὶ συνεχεστάτοις ἀξιολόγως ἡδεσθαι· ἡ δ' ἐγκράτεια μόνη ποιοῦσα καρτερεῖν τὰ εἰρημένα μόνη καὶ ἡδεσθαι ποιεῖ ἀξίως μνήμης ἐπὶ τοῖς εἰρημένοις. Παντάπασιν, ἔφη, ἀληθῆ λέγεις. [4.5.10] Ἀλλὰ μὴν τοῦ μαθεῖν τι καλὸν καὶ ἀγαθὸν καὶ τοῦ ἐπιμεληθῆναι τῶν τοιούτων τινός, δι' ὧν ἂν τις καὶ τὸ ἑαυτοῦ σῶμα καλῶς διοικήσειε καὶ τὸν ἑαυτοῦ οἶκον καλῶς οἰκονομήσειε καὶ φίλοις καὶ πόλει ὠφέλιμος γένοιτο καὶ ἐχθρῶν κρατήσειεν, ἀφ' ὧν οὐ μόνον ὠφέλειαι, ἀλλὰ καὶ ἡδοναὶ μέγιστα γίνονται, οἱ μὲν ἐγκρατεῖς ἀπολαύουσι πράττοντες αὐτά, οἱ δ' ἀκρατεῖς οὐδενὸς μετέχουσι. τῷ γὰρ ἂν ἦττον φήσαιμεν τῶν τοιούτων προσήκειν, ἢ ὧι ἥκιστα ἔξεστι ταῦτα πράττειν, κατεχομένῳ ἐπὶ τῷ σπουδάζειν περὶ τὰς ἐγγυτάτω ἡδονάς; [4.5.11] καὶ ὁ Εὐθύδημος, Δοκεῖς μοι, ἔφη, ὃ Σώκρατες, λέγειν ὡς ἀνδρὶ ἦττονι τῶν διὰ τοῦ σώματος ἡδονῶν ἀμπαν οὐδεμιᾶς ἀρετῆς προσήκει. Τί γὰρ διαφέρει, ἔφη, ὃ Εὐθύδημε, ἄνθρωπος ἀκρατῆς θηρίου τοῦ ἀμαθεστάτου; ὅστις γὰρ τὰ μὲν κράτιστα μὴ σκοπεῖ, τὰ ἡδιστα δ' ἐκ παντὸς τρόπου ζητεῖ ποιεῖν, τί ἂν διαφέροι τῶν ἀφρονεστάτων βοσκημάτων; ἀλλὰ τοῖς ἐγκρατέσι μόνοις ἔξεστι σκοπεῖν τὰ

κράτιστα τῶν πραγμάτων, καὶ λόγῳ καὶ ἔργῳ διαλέγοντας κατὰ γένη τὰ μὲν ἀγαθὰ προαιρεῖσθαι, τῶν δὲ κακῶν ἀπέχεσθαι. [4.5.12] καὶ οὕτως ἔφη ἀρίστους τε καὶ εὐδαιμονεστάτους ἄνδρας γίγνεσθαι καὶ διαλέγεσθαι δυνατωτάτους· ἔφη δὲ καὶ τὸ διαλέγεσθαι ὀνομασθῆναι ἐκ τοῦ συνιόντας κοινῇ βουλευέσθαι διαλέγοντας κατὰ γένη τὰ πράγματα. δεῖν οὖν πειρᾶσθαι ὅτι μάλιστα πρὸς τοῦτο ἑαυτὸν ἑτοιμον παρασκευάζειν καὶ τούτου μάλιστα ἐπιμελεῖσθαι· ἐκ τούτου γὰρ γίγνεσθαι ἄνδρας ἀρίστους τε καὶ ἡγεμονικωτάτους καὶ διαλεκτικωτάτους.

[4.6.1] Ὡς δὲ καὶ διαλεκτικωτέρους ἐποίει τοὺς συνόντας, πειράσομαι καὶ τοῦτο λέγειν. Σωκράτης γὰρ τοὺς μὲν εἰδότας τί ἕκαστον εἴη τῶν ὄντων ἐνόμιζε καὶ τοῖς ἄλλοις ἂν ἐξηγεῖσθαι δύνασθαι· τοὺς δὲ μὴ εἰδότας οὐδὲν ἔφη θαυμαστὸν εἶναι αὐτοὺς τε σφάλλεσθαι καὶ ἄλλους σφάλλειν· ὧν ἕνεκα σκοπῶν σὺν τοῖς συνοῦσι, τί ἕκαστον εἴη τῶν ὄντων, οὐδέποτε· ἔληγε. πάντα μὲν οὖν ἥι διωρίζετο πολὺ ἔργον ἂν εἴη διεξελθεῖν· ἐν ὅσοις δὲ τὸν τρόπον τῆς ἐπισκέψεως δηλώσειν οἶμαι, τοσαῦτα λέξω. [4.6.2] πρῶτον δὲ περὶ εὐσεβείας ὧδέ πως ἐσκόπει· Εἰπέ μοι, ἔφη, ὦ Εὐθύδημε, ποῖόν τι νομίζεις εὐσέβειαν εἶναι; καὶ ὅς, Κάλιστον νῆ Δί', ἔφη. Ἐχεις οὖν εἰπεῖν ὁποῖός τις ὁ εὐσεβῆς ἐστίν; Ἐμοὶ μὲν δοκεῖ, ἔφη, ὁ τοὺς θεοὺς τιμῶν. Ἐξεστι δὲ ὃν ἂν τις βούληται τρόπον τοὺς θεοὺς τιμᾶν; Οὐκ ἀλλὰ νόμοι εἰσὶ καθ' οὓς δεῖ τοὺς θεοὺς τιμᾶν. [4.6.3] Οὐκοῦν ὁ τοὺς νόμους τούτους εἰδὼς εἰδείη ἂν ὡς δεῖ τοὺς θεοὺς τιμᾶν; Οἶμαι ἔγωγ', ἔφη. Ἄρ' οὖν ὁ εἰδὼς ὡς δεῖ τοὺς θεοὺς τιμᾶν οὐκ ἄλλως οἶεται δεῖν τοῦτο ποιεῖν ἢ ὡς οἶδεν; Οὐ γὰρ οὖν, ἔφη. Ἀλλως δέ τις θεοὺς τιμᾷ ἢ ὡς οἶεται δεῖν; [4.6.4] Οὐκ οἶμαι, ἔφη. Ὁ ἄρα τὰ περὶ τοὺς θεοὺς νόμιμα εἰδὼς νομίμως ἂν τοὺς θεοὺς τιμῶι; Πάνυ μὲν οὖν. Οὐκοῦν ὃ γε νομίμως τιμῶν ὡς δεῖ τιμᾷ; Πῶς γὰρ οὐ; Ὁ δέ γε ὡς δεῖ τιμῶν εὐσεβῆς ἐστι; Πάνυ μὲν οὖν, ἔφη. Ὁ ἄρα τὰ περὶ τοὺς θεοὺς νόμιμα εἰδὼς ὀρθῶς ἂν ἡμῖν εὐσεβῆς ὠρισμένος εἴη; Ἐμοὶ γοῦν, ἔφη, δοκεῖ.

[4.6.5] Ἀνθρώποις δὲ ἄρα ἔξεστιν ὃν ἂν τις τρόπον βούληται χρῆσθαι; Οὐκ ἀλλὰ καὶ περὶ τούτους [ὁ εἰδὼς ἅ] ἐστι νόμιμα καθ' ἃ δεῖ [πως] ἀλλήλοις χρῆσθαι [, νόμιμος ἂν εἴη]. Οὐκοῦν οἱ κατὰ ταῦτα χρώμενοι ἀλλήλοις ὡς δεῖ χρῶνται; Πῶς γὰρ οὐ; Οὐκοῦν οἱ γε ὡς δεῖ χρώμενοι καλῶς χρῶνται; Πάνυ μὲν οὖν, ἔφη. Οὐκοῦν οἱ γε τοῖς ἀνθρώποις καλῶς χρώμενοι καλῶς πράττουσι τὰ ἀνθρώπεια

πράγματα; Εἰκός γ', ἔφη. Οὐκοῦν οἱ τοῖς νόμοις πειθόμενοι δίκαια οὗτοι ποιοῦσι; Πάνυ μὲν οὖν, ἔφη. [4.6.6] Δίκαια δὲ ἔφη, οἴσθα ὅποια καλεῖται; Ἄ οἱ νόμοι κελεύουσιν, ἔφη. Οἱ ἄρα ποιοῦντες ἃ οἱ νόμοι κελεύουσι δίκαιά τε ποιοῦσι καὶ ἃ δεῖ; Πῶς γὰρ οὐ; Οὐκοῦν οἷ γε τὰ δίκαια ποιοῦντες δίκαιοί εἰσιν; Οἷομαι ἔγωγ', ἔφη. Οἶε οὖν τινας πείθεσθαι τοῖς νόμοις μὴ εἰδότας ἃ οἱ νόμοι κελεύουσιν; Οὐκ ἔγωγ', ἔφη. Εἰδότας δὲ ἃ δεῖ ποιεῖν οἶε τινὰς οἴεσθαι δεῖν μὴ ταῦτα ποιεῖν; Οὐκ οἶμαι, ἔφη. Οἶδας δέ τινας ἄλλα ποιοῦντας ἢ ἃ οἴονται δεῖν; Οὐκ ἔγωγ', ἔφη. Οἱ ἄρα τὰ περὶ ἀνθρώπους νόμιμα εἰδότες οὗτοι τὰ δίκαια ποιοῦσι; Πάνυ μὲν οὖν, ἔφη. Οὐκοῦν οἷ γε τὰ δίκαια ποιοῦντες δίκαιοί εἰσι; Τίνες γὰρ ἄλλοι; ἔφη. Ὅρθῶς ἂν ποτε ἄρα ὀριζόμεθα ὀριζόμενοι δικαίους εἶναι τοὺς εἰδότας τὰ περὶ ἀνθρώπους νόμιμα; Ἔμοιγε δοκεῖ, ἔφη.

[4.6.7] Σοφίαν δὲ τί ἂν φήσαιμεν εἶναι; εἰπέ μοι, πότερά σοι δοκοῦσιν οἱ σοφοί, ἃ ἐπίστανται, ταῦτα σοφοί εἶναι, ἢ εἰσὶ τινες ἃ μὴ ἐπίστανται σοφοί; Ἄ ἐπίστανται δῆλον ὅτι, ἔφη· πῶς γὰρ ἂν τις ἃ γε μὴ ἐπίσταιτο, ταῦτα σοφὸς εἴη; Ἄρ' οὖν οἱ σοφοί ἐπιστήμηι σοφοί εἰσι; Τίνι γὰρ ἂν, ἔφη, ἄλλωι τις εἴη σοφός, εἰ γε μὴ ἐπιστήμηι; Ἄλλο δέ τι σοφίαν οἶε εἶναι ἢ ὧι σοφοί εἰσιν; Οὐκ ἔγωγε. Ἐπιστήμη ἄρα σοφία ἐστίν; Ἔμοιγε δοκεῖ. Ἄρ' οὖν δοκεῖ σοι ἀνθρώπῳ δυνατόν εἶναι τὰ ὄντα πάντα ἐπίστασθαι; Οὐδὲ μὰ Δί' ἔμοιγε πολλοστὸν μέρος αὐτῶν. Πάντα μὲν ἄρα σοφὸν οὐχ οἷόν τε ἄνθρωπον εἶναι; Μὰ Δί' οὐ δῆτα, ἔφη. Ὁ ἄρα ἐπίσταται ἕκαστος, τοῦτο καὶ σοφός ἐστιν; Ἔμοιγε δοκεῖ.

[4.6.8] Ἄρ' οὖν, ὦ Εὐθύδημε, καὶ τὰγαθὸν οὕτω ζητητέον ἐστί; Πῶς; ἔφη. Δοκεῖ σοι τὸ αὐτὸ πᾶσιν ὠφέλιμον εἶναι; Οὐκ ἔμοιγε. Τί δέ; τὸ ἄλλωι ὠφέλιμον οὐ δοκεῖ σοι ἐνίοτε ἄλλωι βλαβερόν εἶναι; Καὶ μάλα, ἔφη. Ἄλλο δ' ἂν τι φαίης ἀγαθὸν εἶναι ἢ τὸ ὠφέλιμον; Οὐκ ἔγωγ', ἔφη. Τὸ ἄρα ὠφέλιμον ἀγαθὸν ἐστὶν ὅτῳ ἂν ὠφέλιμον ᾖ; Δοκεῖ μοι, ἔφη.

[4.6.9] Τὸ δὲ καλὸν ἔχοιμεν ἂν πως ἄλλως εἰπεῖν; †ἦ, εἰ ἔστιν, ὀνομάζεις† καλὸν ἢ σῶμα ἢ σκεῦος ἢ ἄλλ' ὅτιοῦν, ὃ οἴσθα πρὸς πάντα καλὸν ὄν; Μὰ Δί' οὐκ ἔγωγ', ἔφη. Ἄρ' οὖν, πρὸς ὃ ἂν ἕκαστον χρήσιμον ᾖ, πρὸς τοῦτο ἐκάστωι καλῶς ἔχει χρῆσθαι; Πάνυ μὲν οὖν, ἔφη. Καλὸν δὲ πρὸς ἄλλο τί ἐστὶν ἕκαστον ἢ πρὸς ὃ ἐκάστωι καλῶς ἔχει χρῆσθαι; Οὐδὲ πρὸς ἓν ἄλλο, ἔφη. Τὸ χρήσιμον ἄρα καλὸν ἐστὶ πρὸς ὃ ἂν ᾖ χρήσιμον; Ἔμοιγε δοκεῖ, ἔφη.

[4.6.10] Ανδρείαν δέ, ὦ Εὐθύδημε, ἄρα τῶν καλῶν νομίζεις εἶναι; Κάλλιστον μὲν οὖν ἔγωγ', ἔφη. Χρήσιμον ἄρα οὐ πρὸς τὰ ἐλάχιστα νομίζεις τὴν ἀνδρείαν; Νῆ Δί', ἔφη, πρὸς τὰ μέγιστα μὲν οὖν. Ἄρ' οὖν δοκεῖ σοι πρὸς τὰ δεινὰ τε καὶ ἐπικίνδυνα χρήσιμον εἶναι τὸ ἀγνοεῖν αὐτά; Ἦκιστά γ', ἔφη. Οἱ ἄρα μὴ φοβούμενοι τὰ τοιαῦτα διὰ τὸ μὴ εἰδέναι τί ἐστὶν οὐκ ἀνδρεῖοί εἰσι; Νῆ Δί', ἔφη, πολλοὶ γὰρ ἂν οὕτω γε τῶν τε μαινομένων καὶ τῶν δειλῶν ἀνδρεῖοι εἴεν. Τί δέ οἱ καὶ τὰ μὴ δεινὰ δεδοικότες; Ἔτι γε νῆ Δί' ἤττον, ἔφη. Ἄρ' οὖν τοὺς μὲν ἀγαθοὺς πρὸς τὰ δεινὰ καὶ ἐπικίνδυνα ὄντας ἀνδρείους ἡγῆι εἶναι, τοὺς δὲ κακοὺς δειλοὺς; Πάνυ μὲν οὖν, ἔφη. [4.6.11] Ἀθοὺς δὲ πρὸς τὰ τοιαῦτα νομίζεις ἄλλους τινὰς ἢ τοὺς δυναμένους αὐτοῖς καλῶς χρῆσθαι; Οὐκ ἀλλὰ τούτους, ἔφη. Κακοὺς δὲ ἄρα τοὺς οἴους τούτοις κακῶς χρῆσθαι; Τίνας γὰρ ἄλλους; ἔφη. Ἄρ' οὖν ἕκαστοι χρῶνται ὡς οἴονται δεῖν; Πῶς γὰρ ἄλλως; ἔφη. Ἄρ' οὖν οἱ μὴ δυνάμενοι καλῶς χρῆσθαι ἴσασιν ὡς δεῖ χρῆσθαι; Οὐ δῆπου γε, ἔφη. Οἱ ἄρα εἰδότες ὡς δεῖ χρῆσθαι, οὗτοι καὶ δύνανται; Μόνοι γ', ἔφη. Τί δέ; οἱ μὴ διημαρτηκότες ἄρα κακῶς χρῶνται τοῖς τοιούτοις; Οὐκ οἶομαι, ἔφη. Οἱ ἄρα κακῶς χρώμενοι διημαρτήκασιν; Εἰκός γ', ἔφη. Οἱ μὲν ἄρα ἐπιστάμενοι τοῖς δεινοῖς τε καὶ ἐπικινδύνους καλῶς χρῆσθαι ἀνδρεῖοί εἰσιν, οἱ δὲ διαμαρτάνοντες τούτου δειλοί; Ἐμοιγε δοκοῦσιν, ἔφη.

[4.6.12] Βασιλείαν δὲ καὶ τυραννίδα ἀρχὰς μὲν ἀμφοτέρας ἡγεῖτο εἶναι, διαφέρειν δὲ ἀλλήλων ἐνόμιζε. τὴν μὲν γὰρ ἐκόντων τε τῶν ἀνθρώπων καὶ κατὰ νόμους τῶν πόλεων ἀρχὴν βασιλείαν ἡγεῖτο, τὴν δὲ ἀκόντων τε καὶ μὴ κατὰ νόμους, ἀλλ' ὅπως ὁ ἀρχῶν βούλοιτο, τυραννίδα. καὶ ὅπου μὲν ἐκ τῶν τὰ νόμιμα ἐπιτελούντων αἱ ἀρχαὶ καθίστανται, ταύτην μὲν τὴν πολιτείαν ἀριστοκρατίαν ἐνόμιζεν εἶναι, ὅπου δ' ἐκ τιμημάτων, πλουτοκρατίαν, ὅπου δ' ἐκ πάντων, δημοκρατίαν.

[4.6.13] Εἰ δέ τις αὐτῷ περὶ τοῦ ἀντιλέγοι μηδὲν ἔχον σαφὲς λέγειν, ἀλλ' ἄνευ ἀποδείξεως ἤτοι σοφώτερον φάσκων εἶναι ὃν αὐτὸς λέγοι ἢ πολιτικώτερον ἢ ἀνδρειότερον ἢ ἄλλο τι τῶν τοιούτων, ἐπὶ τὴν ὑπόθεσιν ἐπανῆγεν ἂν πάντα τὸν λόγον ὧδέ πως· [4.6.14] Φῆις σὺ ἀμείνω πολίτην εἶναι ὃν σὺ ἐπαινεῖς ἢ ὃν ἐγώ; Φημὶ γὰρ οὖν. Τί οὖν οὐκ ἐκεῖνο πρῶτον ἐπεσκεψάμεθα, τί ἐστὶν ἔργον ἀγαθοῦ πολίτου; Ποιῶμεν τοῦτο. Οὐκοῦν ἐν μὲν χρημάτων διοικήσει κρατοίῃ ἂν ὁ χρήμασιν εὐπορωτέραν τὴν πόλιν ποιῶν; Πάνυ μὲν οὖν. Ἐν δέ γε

πολέμῳ ὁ καθυπερτέραν τῶν ἀντιπάλων; Πῶς γὰρ οὐ; Ἐν δὲ πρεσβείαι ἄρ' ὅς ἂν φίλους ἀντὶ πολεμίων παρασκευάζῃ; Εἰκός γε. Οὐκοῦν καὶ ἐν δημηγορίαι ὁ στάσεις τε παύων καὶ ὁμόνοιαν ἐμποίων; Ἐμοιγε δοκεῖ. οὕτω δὲ τῶν λόγων ἐπαναγομένων καὶ τοῖς ἀντιλέγουσιν αὐτοῖς φανερόν ἐγίγνετο τάληθές. [4.6.15] ὁπότε δὲ αὐτός τι τῷ λόγῳ διεξίει, διὰ τῶν μάλιστα ὁμολογουμένων ἐπορεύετο, νομίζων ταύτην τὴν ἀσφάλειαν εἶναι λόγου. τοιγαροῦν πολὺ μάλιστα ὧν ἐγὼ οἶδα, ὅτε λέγοι, τοὺς ἀκούοντας ὁμολογοῦντας παρεῖχε. ἔφη δὲ καὶ Ὅμηρον τῷ Ὀδυσσεῖ ἀναθεῖναι τὸ ἀσφαλῆ ῥήτορα εἶναι, ὡς ἱκανὸν αὐτὸν ὄντα διὰ τῶν δοκούντων τοῖς ἀνθρώποις ἄγειν τοὺς λόγους.

[4.7.1] Ὅτι μὲν οὖν ἀπλῶς τὴν ἑαυτοῦ γνώμην ἀπεφαίνετο Σωκράτης πρὸς τοὺς ὁμιλοῦντας αὐτῷ, δοκεῖ μοι δῆλον ἐκ τῶν εἰρημένων εἶναι· ὅτι δὲ καὶ αὐτάρκεις ἐν ταῖς προσηκούσαις πράξεσιν αὐτοὺς εἶναι ἐπεμελεῖτο, νῦν τοῦτο λέξω. πάντων μὲν γὰρ ὧν ἐγὼ οἶδα μάλιστα ἔμελεν αὐτῷ εἰδέναι ὅτου τις ἐπιστήμων εἴη τῶν συνόντων αὐτῷ· ὧν δὲ προσήκει ἀνδρὶ καλῷ κἀγαθῷ εἰδέναι, ὅ τι μὲν αὐτὸς εἰδεῖν, πάντων προθυμότατα ἐδίδασκεν· ὅτου δὲ αὐτὸς ἀπειρότερος εἴη, πρὸς τοὺς ἐπισταμένους ἤγεν αὐτούς. [4.7.2] ἐδίδασκε δὲ καὶ μέχρι ὅτου δέοι ἔμπειρον εἶναι ἐκάστου πράγματος τὸν ὀρθῶς πεπαιδευμένον. αὐτίκα γεωμετρίαν μέχρι μὲν τούτου ἔφη δεῖν μαθάνειν, ἕως ἱκανός τις γένοιτο, εἴ ποτε δεήσειε, γῆν μέτρῳ ὀρθῶς ἢ παραλαβεῖν ἢ παραδοῦναι ἢ διανεῖμαι ἢ ἔργον ἀποδείξασθαι· οὕτω δὲ τοῦτο ῥαίδιον εἶναι μαθεῖν ὥστε τὸν προσέχοντα τὸν νοῦν τῇ μετρήσει ἅμα τὴν τε γῆν ὁπόση ἐστὶν εἰδέναι καὶ ὡς μετρεῖται ἐπιστάμενον ἀπιέναι. [4.7.3] τὸ δὲ μέχρι τῶν δυσσυνέτων διαγραμμάτων γεωμετρίαν μαθάνειν ἀπεδοκίμαζεν. ὅ τι μὲν γὰρ ὠφελοῖται ταῦτα, οὐκ ἔφη ὁρᾶν· καίτοι οὐκ ἄπειρός γε αὐτῶν ἦν· ἔφη δὲ ταῦτα ἱκανὰ εἶναι ἀνθρώπου βίον κατατρίβειν καὶ ἄλλων πολλῶν τε καὶ ὠφελίμων μαθημάτων ἀποκωλύειν. [4.7.4] ἐκέλευε δὲ καὶ ἀστρολογίας ἐμπείρους γίνεσθαι, καὶ ταύτης μέντοι μέχρι τοῦ νυκτός τε ὥραν καὶ μηνὸς καὶ ἐνιαυτοῦ δύνασθαι γιγνώσκειν ἔνεκα πορείας τε καὶ πλοῦ καὶ φυλακῆς, καὶ ὅσα ἄλλα ἢ νυκτὸς ἢ μηνὸς ἢ ἐνιαυτοῦ πράττεται, πρὸς ταῦτ' ἔχειν τεκμηρίους χρῆσθαι, τὰς ὥρας τῶν εἰρημένων διαγιγνώσκοντας· καὶ ταῦτα δὲ ῥαίδια εἶναι μαθεῖν παρά τε νυκτοθηρῶν καὶ κυβερνητῶν καὶ ἄλλων πολλῶν οἷς ἐπιμελὲς ταῦτα εἰδέναι. [4.7.5] τὸ δὲ μέχρι τούτου ἀστρονομίαν

μανθάνειν, μέχρι τοῦ καὶ τὰ μὴ ἐν τῇ αὐτῇ περιφορᾷ ὄντα, καὶ τοὺς πλάνητάς τε καὶ ἀσταθμήτους ἀστέρας γνῶναι, καὶ τὰς ἀποστάσεις αὐτῶν ἀπὸ τῆς γῆς καὶ τὰς περιόδους καὶ τὰς αἰτίας αὐτῶν ζητοῦντας κατατρίβεσθαι, ἰσχυρῶς ἀπέτρεπεν. ὠφέλειαν μὲν γὰρ οὐδεμίαν οὐδ' ἐν τούτοις ἔφη ὄραν· καίτοι οὐδὲ τούτων γε ἀνήκοος ἦν· ἔφη δὲ καὶ ταῦτα ἱκανὰ εἶναι κατατρίβειν ἀνθρώπου βίον καὶ πολλῶν καὶ ὠφελίμων ἀποκωλύειν. [4.7.6] ὅλως δὲ τῶν οὐρανίων, ἧ ἕκαστα ὁ θεὸς μηχανᾶται, φροντιστὴν γίγνεσθαι ἀπέτρεπεν· οὔτε γὰρ εὐρετὰ ἀνθρώποις αὐτὰ ἐνόμιζεν εἶναι οὔτε χαρίζεσθαι θεοῖς ἂν ἡγεῖτο τὸν ζητοῦντα ἃ ἐκεῖνοι σαφηνίσαι οὐκ ἐβουλήθησαν. κινδυνεῦσαι δ' ἂν ἔφη καὶ παραφρονῆσαι τὸν ταῦτα μεριμνῶντα οὐδὲν ἥττον ἢ Ἀναξαγόρας παρεφρόνησεν ὁ μέγιστον φρονήσας ἐπὶ τῷ τὰς τῶν θεῶν μηχανὰς ἐξηγεῖσθαι. [4.7.7] ἐκεῖνος γὰρ λέγων μὲν τὸ αὐτὸ εἶναι πῦρ τε καὶ ἥλιον ἡγνώνει ὅτι τὸ μὲν πῦρ οἱ ἄνθρωποι ραιδίως καθορῶσιν, εἰς δὲ τὸν ἥλιον οὐ δύνανται ἀντιβλέπειν, καὶ ὑπὸ μὲν τοῦ ἡλίου καταλαμπόμενοι τὰ χρώματα μελάντερα ἔχουσιν, ὑπὸ δὲ τοῦ πυρὸς οὐ· ἡγνώνει δὲ καὶ ὅτι τῶν ἐκ τῆς γῆς φυομένων ἄνευ μὲν ἡλίου αὐγῆς οὐδὲν δύναται καλῶς αὔξεσθαι, ὑπὸ δὲ τοῦ πυρὸς θερμαινόμενα πάντα ἀπόλλυται· φάσκων δὲ τὸν ἥλιον λίθον διάπυρον εἶναι καὶ τοῦτο ἡγνώνει, ὅτι λίθος μὲν ἐν πυρὶ ὦν οὔτε λάμπει οὔτε πολὺν χρόνον ἀντέχει, ὁ δὲ ἥλιος πάντα τὸν χρόνον πάντων λαμπρότατος ὦν διαμένει. ἐκέλευε δὲ καὶ λογισμοὺς μανθάνειν. [4.7.8] καὶ τούτων δὲ ὁμοίως τοῖς ἄλλοις ἐκέλευε φυλάττεσθαι τὴν μάταιον πραγματείαν, μέχρι δὲ τοῦ ὠφελίμου πάντα καὶ αὐτὸς συνεσκόπει καὶ συνδιεξήκει τοῖς συνοῦσι. [4.7.9] προέτρεπε δὲ σφόδρα καὶ ὑγιείας ἐπιμελεῖσθαι τοὺς συνόντας παρὰ τε τῶν εἰδότην μανθάνοντας ὅσα ἐνδέχοιτο, καὶ ἑαυτῷ ἕκαστον προσέχοντα διὰ παντὸς τοῦ βίου, τί βρῶμα ἢ τί πῶμα ἢ ποῖος πόνος συμφέροι αὐτῷ, καὶ πῶς τούτοις χρώμενος ὑγιεινότητ' ἂν διάγοι· τοῦ γὰρ οὕτω προσέχοντος ἑαυτῷ ἔργον ἔφη εἶναι εὐρεῖν ἱατρὸν τὰ πρὸς ὑγίειαν συμφέροντα αὐτῷ μᾶλλον διαγιγνώσκοντα [αὐτοῦ].

[4.7.10] Εἰ δέ τις μᾶλλον ἢ κατὰ τὴν ἀνθρωπίνην σοφίαν ὠφελεῖσθαι βούλοιο, συνεβούλευε μαντικῆς ἐπιμελεῖσθαι. τὸν γὰρ εἰδότα δι' ὧν οἱ θεοὶ τοῖς ἀνθρώποις περὶ τῶν πραγμάτων σημαίνουσιν οὐδέποτε ἔρημον ἔφη γίγνεσθαι συμβουλευῆς θεῶν.

[4.8.1] Εἰ δέ τις, ὅτι φάσκοντος αὐτοῦ τὸ δαιμόνιον ἑαυτῷ προσημαίνειν ἃ τε δέοι καὶ ἃ μὴ δέοι ποιεῖν ὑπὸ τῶν δικαστῶν

κατεγνώσθη θάνατος, οἶεται αὐτὸν ἐλέγχεσθαι περὶ τοῦ δαιμονίου
ψευδόμενον, ἐννοησάτω πρῶτον μὲν ὅτι οὕτως ἤδη τότε πόρρω τῆς
ἡλικίας ἦν, ὥστ', εἰ καὶ μὴ τότε, οὐκ ἂν πολλῶι ὕστερον τελευτῆσαι
τὸν βίον· εἶτα ὅτι τὸ μὲν ἀχθεινότατόν τε τοῦ βίου καὶ ἐν ᾧ πάντες
τὴν διάνοιαν μειοῦνται ἀπέλιπεν, ἀντὶ δὲ τούτου τῆς ψυχῆς τὴν
ρώμην ἐπιδειξάμενος εὐκλειαν προσεκτέησας, τὴν τε δίκην πάντων
ἀνθρώπων ἀληθέστατα καὶ ἐλευθεριώτατα καὶ δικαιοτάτα εἰπὼν καὶ
τὴν κατὰ γνώσιν τοῦ θανάτου πραότατα καὶ ἀνδρωδέστατα ἐνέγκας.
[4.8.2] ὁμολογεῖται γὰρ οὐδένα πῶ τῶν μνημονευομένων ἀνθρώπων
κάλλιον θάνατον ἐνεγκεῖν. ἀνάγκη μὲν γὰρ ἐγένετο αὐτῷ μετὰ τὴν
κρίσιν τριάκοντα ἡμέρας βιώναι διὰ τὸ Δῆλια μὲν ἐκείνου τοῦ μηνὸς
εἶναι, τὸν δὲ νόμον μηδένα ἔαν δημοσίαι ἀποθνήσκουσιν ἕως ἂν ἡ
θεωρία ἐκ Δήλου ἐπανέλθῃ, καὶ τὸν χρόνον τοῦτον ἅπασιν τοῖς
συνήθεσι φανερὸς ἐγένετο οὐδὲν ἀλλοιότερον διαβιούς ἢ τὸν
ἔμπροσθεν χρόνον· καίτοι τὸν ἔμπροσθεν γε πάντων ἀνθρώπων
μάλιστα ἐθαυμάζετο ἐπὶ τῷ εὐθύμως τε καὶ εὐκόλως ζῆν. [4.8.3] καὶ
πῶς ἂν τις κάλλιον ἢ οὕτως ἀποθάνοι; ἢ ποῖος ἂν εἴη θάνατος
καλλίων ἢ ὃν κάλλιστά τις ἀποθάνοι; ποῖος δ' ἂν γένοιτο θάνατος
εὐδαιμονέστερος τοῦ καλλίστου; ἢ ποῖος θεοφιλέστερος τοῦ
εὐδαιμονεστάτου; [4.8.4] λέξω δὲ καὶ ἃ Ἑρμογένους τοῦ Ἰππονίκου
ἤκουσα περὶ αὐτοῦ. ἔφη γάρ, ἥδη Μελήτου γεγραμμένου αὐτὸν τὴν
γραφὴν, αὐτὸς ἀκούων αὐτοῦ πάντα μᾶλλον ἢ περὶ τῆς δίκης
διαλεγομένου λέγειν αὐτῷ ὥς χρὴ σκοπεῖν ὅ τι ἀπολογήσεται. τὸν δὲ
τὸ μὲν πρῶτον εἰπεῖν· Οὐ γὰρ δοκῶ σοι τοῦτο μελετῶν
διαβεβωκέναι; ἐπεὶ δὲ αὐτὸν ἤρετο ὅπως, εἰπεῖν αὐτὸν ὅτι οὐδὲν
ἄλλο ποιῶν διαγεγένηται ἢ διασκοπῶν μὲν τὰ τε δίκαια καὶ τὰ ἄδικα,
πράττων δὲ τὰ δίκαια καὶ τῶν ἀδίκων ἀπεχόμενος, ἥνπερ νομίζοι
καλλίστην μελέτην ἀπολογίας εἶναι. [4.8.5] αὐτὸς δὲ πάλιν εἰπεῖν· Οὐχ
ὁρᾷς, ὦ Σώκρατες, ὅτι οἱ Ἀθηναῖοι δικασταὶ πολλοὺς μὲν ἤδη μηδὲν
ἀδικοῦντας λόγῳ παραχθέντες ἀπέκτειναν, πολλοὺς δὲ ἀδικοῦντας
ἀπέλυσαν; Ἀλλὰ νῆ τὸν Δία, φάναι αὐτόν, ὦ Ἑρμόγενης, ἥδη μου
ἐπιχειροῦντος φροντίσαι τῆς πρὸς τοὺς δικαστὰς ἀπολογίας
ἠναντιώθη τὸ δαιμόνιον. [4.8.6] καὶ αὐτὸς εἰπεῖν· Θαυμαστὰ λέγεις.
τὸν δέ, Θαυμάζεις, φάναι, εἰ τῷ θεῷ δοκεῖ βέλτιον εἶναι ἐμὲ
τελευτᾶν τὸν βίον ἤδη; οὐκ οἶσθ' ὅτι μέχρι μὲν τοῦδε τοῦ χρόνου
ἐγὼ οὐδενὶ ἀνθρώπων ὑφείμην ἂν οὔτε βέλτιον οὔθ' ἥδιον ἐμαυτοῖο
βεβιωκέναι; ἄριστα μὲν γὰρ οἶμαι ζῆν τοὺς ἄριστα ἐπιμελομένους

τοῦ ὡς βελτίστους γίνεσθαι, ἥδιστα δὲ τοὺς μάλιστα αἰσθανομένους ὅτι βελτίους γίνονται. [4.8.7] ἃ ἐγὼ μέχρι τοῦδε τοῦ χρόνου ἡισθανόμην ἐμαυτῷ συμβαίνοντα, καὶ τοῖς ἄλλοις ἀνθρώποις ἐντυγχάνων καὶ πρὸς τοὺς ἄλλους παραθεωρῶν ἐμαυτὸν οὕτω διατετέλεκα περὶ ἐμαυτοῦ γιγνώσκων· καὶ οὐ μόνον ἐγώ, ἀλλὰ καὶ οἱ ἐμοὶ φίλοι οὕτως ἔχοντες περὶ ἐμοῦ διατελοῦσιν, οὐ διὰ τὸ φιλεῖν ἐμέ, καὶ γὰρ οἱ τοὺς ἄλλους φιλοῦντες οὕτως ἂν εἶχον πρὸς τοὺς ἑαυτῶν φίλους, ἀλλὰ διόπερ καὶ αὐτοὶ ἂν οἶονται ἐμοὶ συνόντες βέλτιστοι γίνεσθαι. [4.8.8] εἰ δὲ βιώσομαι πλείω χρόνον, ἴσως ἀναγκαῖον ἔσται τὰ τοῦ γήρως ἐπιτελεῖσθαι καὶ ὁρᾶν τε καὶ ἀκούειν ἥττον καὶ διανοεῖσθαι χεῖρον καὶ δυσμαθέστερον ἀποβαίνειν καὶ ἐπιλησμονέστερον, καὶ ὦν πρότερον βελτίων ἦν, τούτων χεῖρω γίνεσθαι· ἀλλὰ μὴν ταῦτά γε μὴ αἰσθανομένωι μὲν ἀβίωτος ἂν εἴη ὁ βίος, αἰσθανόμενον δὲ πῶς οὐκ ἀνάγκη χεῖρόν τε καὶ ἀηδέστερον ζῆν; [4.8.9] ἀλλὰ μὴν εἴ γε ἀδίκως ἀποθανοῦμαι, τοῖς μὲν ἀδικῶς ἐμὲ ἀποκτείνουσιν αἰσχρὸν ἂν εἴη τοῦτο· εἰ γὰρ τὸ ἀδικεῖν αἰσχρὸν ἐστὶ, πῶς οὐκ αἰσχρὸν καὶ τὸ ἀδίκως ὀτιοῦν ποιεῖν; ἐμοὶ δὲ τί αἰσχρὸν τὸ ἐτέρους μὴ δύνασθαι περὶ ἐμοῦ τὰ δίκαια μῆτε γνῶσαι μῆτε ποιῆσαι; [4.8.10] ὁρῶ δ' ἐγῶγε καὶ τὴν δόξαν τῶν προγεγονότων ἀνθρώπων ἐν τοῖς ἐπιγιγνομένοις οὐχ ὁμοίαν καταλειπομένην τῶν τε ἀδικησάντων καὶ τῶν ἀδικηθέντων. οἶδα δ' ὅτι καὶ ἐγὼ ἐπιμελείας τεύξομαι ὑπ' ἀνθρώπων, καὶ ἐὰν νῦν ἀποθάνω, οὐχ ὁμοίως τοῖς ἐμὲ ἀποκτείνουσιν· οἶδα γὰρ ἀεὶ μαρτυρήσεσθαι μοι ὅτι ἐγὼ ἡδίκησα μὲν οὐδένα πώποτε ἀνθρώπων οὐδὲ χεῖρω ἐποίησα, βελτίους δὲ ποιεῖν ἐπειρώμην ἀεὶ τοὺς ἐμοὶ συνόντας. τοιαῦτα μὲν πρὸς Ἑρμογένην τε διελέχθη καὶ πρὸς τοὺς ἄλλους. OECONOMICUS - Οἰκονομικός

Κεφάλαιον α΄

[1] Ἦκουσα δέ ποτε αὐτοῦ καὶ περὶ οἰκονομίας τοιάδε διαλεγομένου·

Εἰπέ μοι, ἔφη, ὦ Κριτόβουλε, ἄρα γε ἡ οἰκονομία ἐπιστήμης τινὸς ὀνομά ἐστιν, ὥσπερ ἡ ἰατρικὴ καὶ ἡ χαλκευτικὴ καὶ ἡ τεκτονικὴ;

Ἔμοιγε δοκεῖ, ἔφη ὁ Κριτόβουλος.

[2] Ἦ καὶ ὥσπερ τούτων τῶν τεχνῶν ἔχοιμεν ἂν εἰπεῖν ὅ τι ἔργον ἐκάστης, οὕτω καὶ τῆς οἰκονομίας δυναίμεθ' ἂν εἰπεῖν ὅ τι ἔργον αὐτῆς ἐστι;

Δοκεῖ γοῦν, ἔφη ὁ Κριτόβουλος, οἰκονόμου ἀγαθοῦ εἶναι εὖ οἰκεῖν τὸν ἑαυτοῦ οἶκον.

[3] Ἦ καὶ τὸν ἄλλου δὲ οἶκον, ἔφη ὁ Σωκράτης, εἰ ἐπιτρέποι τις αὐτῷ, οὐκ ἂν δύναίτο, εἰ βούλοιτο, εὖ οἰκεῖν, ὥσπερ καὶ τὸν ἑαυτοῦ; ὁ μὲν γὰρ τεκτονικὴν ἐπιστάμενος ὁμοίως ἂν καὶ ἄλλῳ δύναίτο ἐργάζεσθαι ὅ τι περ καὶ ἑαυτῷ, καὶ ὁ οἰκονομικός γ' ἂν ὡσαύτως.

Ἔμοιγε δοκεῖ, ὦ Σώκρατες.

[4] Ἔστιν ἄρα, ἔφη ὁ Σωκράτης, τὴν τέχνην ταύτην ἐπισταμένῳ, καὶ εἰ μὴ αὐτὸς τύχοι χρήματα ἔχων, τὸν ἄλλου οἶκον οἰκονομοῦντα ὥσπερ καὶ οἰκοδομοῦντα μισθοφορεῖν;

Νῆ Δία καὶ πολὺν γε μισθόν, ἔφη ὁ Κριτόβουλος, φέροιτ' ἂν, εἰ δύναίτο οἶκον παραλαβὼν τελεῖν τε ὅσα δεῖ καὶ περιουσίαν ποιῶν αὐξεῖν τὸν οἶκον.

[5] Οἶκος δὲ δὴ τί δοκεῖ ἡμῖν εἶναι; ἄρα ὅπερ οἰκία, ἥ καὶ ὅσα τις ἔξω τῆς οἰκίας κέκτηται, πάντα τοῦ οἴκου ταῦτά ἐστιν;

Ἔμοι γοῦν, ἔφη ὁ Κριτόβουλος, δοκεῖ, καὶ εἰ μὴδ' ἐν τῇ αὐτῇ πόλει εἷη τῷ κεκτημένῳ, πάντα τοῦ οἴκου εἶναι ὅσα τις κέκτηται.

[6] Οὐκοῦν καὶ ἐχθροὺς κέκτηνται τινες;

Νῆ Δία καὶ πολλοὺς γε ἔνιοι.

Ἦ καὶ κτήματα αὐτῶν φήσομεν εἶναι τοὺς ἐχθροὺς;

Γελοῖον μεντὰν εἶη, ἔφη ὁ Κριτόβουλος, εἰ ὁ τοὺς ἐχθροὺς αὐξῶν προσέτι καὶ μισθὸν τούτου φέροι.

[7] Ὅτι τοι ἡμῖν ἐδόκει οἶκος ἀνδρὸς εἶναι ὅπερ κτῆσις.

Νῆ Δί', ἔφη ὁ Κριτόβουλος, ὅ τι γέ τις ἀγαθὸν κέκτηται· οὐ μὰ Δί' οὐκ εἴ τι κακόν, τοῦτο κτῆμα ἐγὼ καλῶ.

Σὺ δ' ἔοικας τὰ ἐκάστωι ὠφέλιμα κτήματα καλεῖν.

Πάνυ μὲν οὖν, ἔφη· τὰ δέ γε βλάπτοντα ζημίαν ἔγωγε νομίζω μᾶλλον ἢ χρήματα.

[8] Κἂν ἄρα γέ τις ἵππον πριάμενος μὴ ἐπίσθηται αὐτῷ χρῆσθαι, ἀλλὰ καταπίπτων ἀπ' αὐτοῦ κακὰ λαμβάνη, οὐ χρήματα αὐτῷ ἐστὶν ὁ ἵππος;

Οὐκ, εἴπερ τὰ χρήματά γ' ἐστὶν ἀγαθόν.

Οὐδ' ἄρα γε ἡ γῆ ἀνθρώπῳ ἐστὶ χρήματα, ὅστις οὕτως ἐργάζεται αὐτὴν ὥστε ζημιοῦσθαι ἐργαζόμενος.

Οὐδὲ ἡ γῆ μέντοι χρήματά ἐστιν, εἴπερ ἀντὶ τοῦ τρέφειν πεινῆν παρασκευάζει.

[9] Οὐκοῦν καὶ τὰ πρόβατα ὡσαύτως, εἴ τις διὰ τὸ μὴ ἐπίστασθαι προβάτοις χρῆσθαι ζημιοῖτο, οὐδὲ τὰ πρόβατα χρήματα τούτῳ εἶη ἄν;

Οὐκουν ἔμοιγε δοκεῖ.

Σὺ ἄρα, ὥς ἔοικε, τὰ μὲν ὠφελοῦντα χρήματα ἡγῆι, τὰ δὲ βλάπτοντα οὐ χρήματα.

Οὕτως.

[10] Ταῦτά ἄρα ὄντα τῷ μὲν ἐπισταμένῳ χρῆσθαι αὐτῶν ἐκάστοις χρήματά ἐστι, τῷ δὲ μὴ ἐπισταμένῳ οὐ χρήματα· ὥσπερ γε αὐλοὶ τῷ μὲν ἐπισταμένῳ ἀξίως λόγου αὐλεῖν χρήματά εἰσι, τῷ δὲ μὴ ἐπισταμένῳ οὐδὲν μᾶλλον ἢ ἄχρηστοι λίθοι.

Εἰ μὴ ἀποδιδόιτό γε αὐτοῦς.

[11] Τοῦτ' ἄρα φαίνεται ἡμῖν, ἀποδιδόμενοις μὲν οἱ αὐλοὶ χρήματα, μὴ ἀποδιδόμενοις δὲ ἀλλὰ κεκτημένοις οὖν, τοῖς μὴ ἐπισταμένους αὐτοῖς χρῆσθαι.

Καὶ ὁμολογουμένως γε, ὦ Σώκρατες, ὁ λόγος ἡμῖν χωρεῖ, ἐπεὶ περ εἴρηται τὰ ὠφελοῦντα χρήματα εἶναι. μὴ πωλούμενοι μὲν γὰρ οὐ χρήματά εἰσιν οἱ αὐλοί· οὐδὲν γὰρ χρήσιμοί εἰσι· πωλούμενοι δὲ χρήματα.

[12] Πρὸς ταῦτα δ' ὁ Σωκράτης εἶπεν· Ἄν ἐπίσθηταί γε πωλεῖν. εἰ δὲ πωλοῖη αὖ πρὸς τοῦτο ὧι μὴ ἐπίσταιτο χρῆσθαι, οὐδὲ πωλούμενοί εἰσι χρήματα κατὰ γε τὸν σὸν λόγον.

Λέγειν ἔοικας, ὦ Σώκρατες, ὅτι οὐδὲ τὸ ἀργύριον ἐστὶ χρήματα, εἰ μὴ τις ἐπίσταιτο χρῆσθαι αὐτῷ.

[13] Καὶ σὺ δέ μοι δοκεῖς οὕτω συνομολογεῖν, ἀφ' ὧν τις ὠφελεῖσθαι δύναται, χρήματα εἶναι. εἰ γοῦν τις χρῶιτο τῷ ἀργυρίῳ

ὥστε πριάμενος οἶον ἐταίραν διὰ ταύτην κάκιον μὲν τὸ σῶμα ἔχει, κάκιον δὲ τὴν ψυχὴν, κάκιον δὲ τὸν οἶκον, πῶς ἂν ἔτι τὸ ἀργύριον αὐτῷ ὠφέλιμον εἴη;

Οὐδαμῶς, εἰ μὴ πέρ γε καὶ τὸν ὑοσκύαμον καλούμενον χρήματα εἶναι φήσομεν, ὅφ' οὗ οἱ φαγόντες παραπληγες γίνονται.

[14] Τὸ μὲν δὴ ἀργύριον, εἰ μὴ τις ἐπίσταται αὐτῷ χρῆσθαι, οὕτω πόρρω ἀπωθείσθω, ὃ Κριτόβουλε, ὥστε μηδὲ χρήματα εἶναι. οἱ δὲ φίλοι, ἂν τις ἐπίστηται αὐτοῖς χρῆσθαι ὥστε ὠφελεῖσθαι ἀπ' αὐτῶν, τί φήσομεν αὐτοὺς εἶναι;

Χρήματα νῆ Δί', ἔφη ὁ Κριτόβουλος, καὶ πολύ γε μᾶλλον ἢ τοὺς βούς, ἂν ὠφελιμώτεροί γε ὦσι τῶν βοῶν.

[15] Καὶ οἱ ἐχθροί γε ἄρα κατὰ γε τὸν σὸν λόγον χρήματά εἰσι τῷ δυναμένῳ ἀπὸ τῶν ἐχθρῶν ὠφελεῖσθαι.

Ἔμοι γοῦν δοκεῖ.

Οἰκονόμου ἄρα ἐστὶν ἀγαθοῦ καὶ τοῖς ἐχθροῖς ἐπίστασθαι χρῆσθαι ὥστε ὠφελεῖσθαι ἀπὸ τῶν ἐχθρῶν.

Ἰσχυρότατά γε.

Καὶ γὰρ δὴ ὁρᾷς, ἔφη, ὃ Κριτόβουλε, ὅσοι μὲν δὴ οἵκοι ἰδιωτῶν ηὔξημένοι εἰσὶν ἀπὸ πολέμου, ὅσοι δὲ τυράννων.

[16] Ἀλλὰ γὰρ τὰ μὲν καλῶς ἔμοιγε δοκεῖ λέγεσθαι, ὃ Σώκρατες, ἔφη ὁ Κριτόβουλος· ἐκεῖνο δ' ἡμῖν τί φαίνεται, ὅποταν ὀρῶμέν τινας ἐπιστήμας μὲν ἔχοντας καὶ ἀφορμὰς ἀφ' ὧν δύνανται ἐργαζόμενοι αὐξεῖν τοὺς οἴκους, αἰσθανώμεθα δὲ αὐτοὺς ταῦτα μὴ θέλοντας ποιεῖν, καὶ διὰ τοῦτο ὀρῶμεν ἀνωφελεῖς οὕσας αὐτοῖς τὰς ἐπιστήμας; ἄλλο τι ἢ τούτοις αὐτοῖς οὔτε αἱ ἐπιστήμαι χρήματά εἰσιν οὔτε τὰ κτήματα;

[17] Περὶ δούλων μοι, ἔφη ὁ Σωκράτης, ἐπιχειρεῖς, ὃ Κριτόβουλε, διαλέγεσθαι; Οὐ μὰ Δί', ἔφη, οὐκ ἔγωγε, ἀλλὰ καὶ πάνυ εὐπατριδῶν ἐνίων γε δοκούντων εἶναι, οὓς ἐγὼ ὀρῶ τοὺς μὲν πολεμικάς, τοὺς δὲ καὶ εἰρηνικάς ἐπιστήμας ἔχοντας, ταύτας δὲ οὐκ ἐθέλοντας ἐργάζεσθαι, ὥς μὲν ἐγὼ οἶμαι, δι' αὐτὸ τοῦτο ὅτι δεσπότης οὐκ ἔχουσιν.

[18] Καὶ πῶς ἂν, ἔφη ὁ Σωκράτης, δεσπότης οὐκ ἔχοιεν, εἰ εὐχόμενοι εὐδαιμονεῖν καὶ ποιεῖν βουλόμενοι ἀφ' ὧν <ἂν> ἔχοιεν ἀγαθὰ ἔπειτα κωλύονται ποιεῖν ταῦτα ὑπὸ τῶν ἀρχόντων; Καὶ τίνες δὴ οὗτοί εἰσιν, ἔφη ὁ Κριτόβουλος, οἱ ἀφανεῖς ὄντες ἄρχουσιν αὐτῶν;

[19] Ἀλλὰ μὰ Δί', ἔφη ὁ Σωκράτης, οὐκ ἀφανεῖς εἰσιν, ἀλλὰ καὶ πάνυ φανεροί. καὶ ὅτι πονηρότατοί γέ εἰσιν οὐδὲ σὲ λανθάνουσιν, εἴπερ πονηρίαν γε νομίζεις ἀργίαν τ' εἶναι καὶ μαλακίαν ψυχῆς καὶ ἀμέλειαν. [20] καὶ ἄλλαι δ' εἰσὶν ἀπατηλαί τινες δέσπονται προσποιούμεναι ἡδοναί εἶναι, κυβεῖαι τε καὶ ἀνωφελεῖς ἀνθρώπων ὁμιλίας, αἱ προϊόντος τοῦ χρόνου καὶ αὐτοῖς τοῖς ἐξαπατηθεῖσι καταφανεῖς γίνονται ὅτι λῦπαι ἄρα ἦσαν ἡδοναῖς περιπεπεμμέναι, αἱ διακωλύουσιν αὐτοὺς ἀπὸ τῶν ὠφελίμων ἔργων κρατοῦσαι.

[21] Ἀλλὰ καὶ ἄλλοι, ἔφη, ὦ Σώκρατες, ἐργάζεσθαι μὲν οὐ κωλύονται ὑπὸ τούτων, ἀλλὰ καὶ πάνυ σφοδρῶς πρὸς τὸ ἐργάζεσθαι ἔχουσι καὶ μηχανᾶσθαι προσόδους· ὅμως δὲ καὶ τοὺς οἴκους κατατρίβουσι καὶ ἀμηχανίαις συνέχονται.

[22] Δοῦλοι γάρ εἰσι καὶ οὔτοι, ἔφη ὁ Σωκράτης, καὶ πάνυ γε χαλεπῶν δεσποτῶν, οἱ μὲν λιχνειῶν, οἱ δὲ λαγνειῶν, οἱ δὲ οἰνοφλυγιῶν, οἱ δὲ φιλοτιμιῶν τινῶν μώρων καὶ δαπανηρῶν, ἃ οὕτω χαλεπῶς ἄρχει τῶν ἀνθρώπων ὧν ἂν ἐπικρατήσωσιν, ὥστ' ἕως μὲν ἂν ὀρῶσιν ἡβῶντας αὐτοὺς καὶ δυναμένους ἐργάζεσθαι, ἀναγκάζουσι φέρειν ἃ ἂν αὐτοὶ ἐργάσωνται καὶ τελεῖν εἰς τὰς αὐτῶν ἐπιθυμίας, ἐπειδὰν δὲ αὐτοὺς ἀδυνάτους αἰσθῶνται ὄντας ἐργάζεσθαι διὰ τὸ γῆρας, ἀπολείπουσι τούτους κακῶς γηράσκειν, ἄλλοις δ' αὖ πειρῶνται δούλοις χρῆσθαι. [23] ἀλλὰ δεῖ, ὦ Κριτόβουλε, πρὸς ταῦτα οὐχ ἡττον διαμάχεσθαι περὶ τῆς ἐλευθερίας ἢ πρὸς τοὺς σὺν ὅπλοις πειρωμένους καταδουλοῦσθαι. πολέμιοι μὲν οὖν ἤδη ὅταν καλοὶ κάγαθοι ὄντες καταδουλώσωνταί τινας, πολλοὺς δὴ βελτίους ἠνάγκασαν εἶναι σωφρονίσαντες, καὶ ῥᾷον βιοτεύειν τὸν λιοπὸν χρόνον ἐποίησαν· αἱ δὲ τοιαῦται δέσπονται αἰκίζόμεναι τὰ σώματα τῶν ἀνθρώπων καὶ τὰς ψυχὰς καὶ τοὺς οἴκους οὐποτε λήγουσιν, ἔστ' ἂν ἄρχωσιν αὐτῶν.

Κεφάλαιον β'

[1] Ὁ οὖν Κριτόβουλος ἐκ τούτων ὧδέ πως εἶπεν· Ἀλλὰ περὶ μὲν τῶν τοιούτων ἀρκούντως πάνυ μοι δοκῶ τὰ λεγόμενα ὑπὸ σοῦ ἀκηκοέναι· αὐτὸς δ' ἐμαυτὸν ἐξετάζων δοκῶ μοι εὐρίσκειν ἐπιεικῶς τῶν τοιούτων ἐγκρατῆ ὄντα, ὥστ' εἴ μοι συμβουλευοῖς ὅ τι ἂν ποιῶν αὖξοιμι τὸν οἶκον, οὐκ ἂν μοι δοκῶ ὑπὸ γε τούτων ὧν σὺ δεσποινῶν καλεῖς κωλύεσθαι· ἀλλὰ θαρρῶν συμβούλευε ὅ τι ἔχεις ἀγαθόν· ἢ κατέγνωκας ἡμῶν, ὦ Σώκρατες, ἱκανῶς πλουτεῖν καὶ οὐδὲν

δοκοῦμέν σοι προσδεῖσθαι χρημάτων;

[2] Οὐκουν ἔγωγε, ἔφη ὁ Σωκράτης, εἰ καὶ περὶ ἐμοῦ λέγεις, οὐδέν μοι δοκῶ προσδεῖσθαι χρημάτων, ἀλλ' ἱκανῶς πλουτεῖν· σὺ μέντοι, ὦ Κριτόβουλε, πάνυ μοι δοκεῖς πένεσθαι, καὶ ναὶ μὰ Δί' ἔστιν ὅτε καὶ πάνυ οἰκτίρω σε ἐγώ.

[3] Καὶ ὁ Κριτόβουλος γελάσας εἶπε· Καὶ πόσον ἂν πρὸς τῶν θεῶν οἶει, ὦ Σώκρατες, ἔφη, εὐρεῖν τὰ σὰ κτήματα πωλούμενα, πόσον δὲ τὰ ἐμά;

Ἐγὼ μὲν οἶμαι, ἔφη ὁ Σωκράτης, εἰ ἀγαθοῦ ὦνητοῦ ἐπιτύχοιμι, εὐρεῖν ἂν μοι σὺν τῇ οἰκίᾳ καὶ τὰ ὄντα πάντα πάνυ ραιδίως πέντε μνᾶς· τὰ μέντοι σὰ ἀκριβῶς οἶδα ὅτι πλέον ἂν εὖροι ἢ ἑκατονταπλασίονα τούτου.

[4] Κάιτα οὕτως ἐγνωκῶς σὺ μὲν οὐχ ἡγῆσι προσδεῖσθαι χρημάτων, ἐμὲ δὲ οἰκτίρεις ἐπὶ τῇ πενίᾳ;

Τὰ μὲν γὰρ ἐμά, ἔφη, ἱκανά ἐστιν ἐμοὶ παρέχειν τὰ ἐμοὶ ἀρκοῦντα· εἰς δὲ τὸ σὸν σχῆμα ὃ σὺ περιβέβλησαι καὶ τὴν σὴν δόξαν, οὐδ' εἰ τρὶς ὅσα νῦν κέκτησαι προσγένοιτό σοι, οὐδ' ὥς ἂν ἱκανά μοι δοκεῖ εἶναι σοι.

[5] Πῶς δὴ τοῦτ'; ἔφη ὁ Κριτόβουλος.

Ἀπεφήνατο ὁ Σωκράτης· Ὅτι πρῶτον μὲν ὁρῶ σοι ἀνάγκην οὖσαν θύειν πολλά τε καὶ μεγάλα, ἢ οὔτε θεοὺς οὔτε ἀνθρώπους οἶμαί σε ἂν ἀνασχεσθαι· ἔπειτα ξένους προσήκει σοι πολλοὺς δέχεσθαι, καὶ τούτους μεγαλοπρεπῶς· ἔπειτα δὲ πολίτας δειπνίζειν καὶ εὖ ποιεῖν, ἢ ἔρημον συμμάχων εἶναι. [6] ἔτι δὲ καὶ τὴν πόλιν αἰσθάνομαι τὰ μὲν ἤδη σοι προστάττουσαν μεγάλα τελεῖν, ἵπποτροφίας τε καὶ χορηγίας καὶ γυμνασιαρχίας καὶ προστατείας, ἂν δὲ δὴ πόλεμος γένηται, οἶδ' ὅτι καὶ τριηραρχίας [μισθοὺς] καὶ εἰσφοράς τοσαύτας σοι προστάξουσιν ὅσας σὺ οὐ ραιδίως ὑποίσεις. ὅπου δ' ἂν ἐνδεῶς δόξης τι τούτων ποιεῖν, οἶδ' ὅτι σε τιμωρήσονται Ἀθηναῖοι οὐδὲν ἥττον ἢ εἰ τὰ αὐτῶν λάβοιεν κλέπτοντα. [7] πρὸς δὲ τούτοις ὁρῶ σε οἰόμενον πλουτεῖν, καὶ ἀμελῶς μὲν ἔχοντα πρὸς τὸ μηχανᾶσθαι χρήματα, παιδικοῖς δὲ πράγμασι προσέχοντα τὸν νοῦν, ὥσπερ ἐξόν σοι. ὦν ἔνεκα οἰκτίρω σε μὴ τι ἀνήκεστον κακὸν πάθῃς καὶ εἰς πολλὴν ἀπορίαν καταστῇς. [8] καὶ ἐμοὶ μὲν, εἴ τι καὶ προσδεηθῇν, οἶδ' ὅτι καὶ σὺ γινώσκεις ὥς εἰσὶν οἱ καὶ ἐπαρκέσειαν ἂν ὥστε πάνυ μικρὰ πορίσαντες κατακλύσειαν ἂν ἀφθονίᾳ τὴν ἐμὴν δίαιταν· οἱ δὲ σοὶ φίλοι πολὺ ἀρκοῦντα σοῦ μᾶλλον ἔχοντες τῇ ἐαυτῶν

κατασκευῇ ἢ σὺ τῇ σῇ ὅμως ὥς παρὰ σοῦ ὠφελησόμενοι ἀποβλέπουσι.

[9] Καὶ ὁ Κριτόβουλος εἶπεν· Ἐγὼ τούτοις, ὦ Σώκρατες, οὐκ ἔχω ἀντιλέγειν· ἀλλ' ὥρα σοι προστατεύειν ἐμοῦ, ὅπως μὴ τῷ ὄντι οἰκτρὸς γένωμαι.

Ακούσας οὖν ὁ Σωκράτης εἶπε· Καὶ οὐ θαυμαστὸν δοκεῖς, ὦ Κριτόβουλε, τοῦτο σαυτῷ ποιεῖν, ὅτι ὀλίγωι μὲν πρόσθεν, ὅτε ἐγὼ ἔφην πλουτεῖν, ἐγέλασας ἐπ' ἐμοὶ ὥς οὐδὲ εἰδότες ὅ τι εἴη πλοῦτος, καὶ πρότερον οὐκ ἐπαύσω πρὶν ἐξήλεγξάς με καὶ ὁμολογεῖν ἐποίησας μὴδὲ ἑκατοστὸν μέρος τῶν σῶν κεκτηῖσθαι, νῦν δὲ κελεύεις προστατεύειν μέ σου καὶ ἐπιμελεῖσθαι ὅπως ἂν μὴ παντάπασι νῦν ἀληθῶς πένης γένοιτο;

[10] Ὅρῳ γάρ σε, ἔφη, ὦ Σώκρατες, ἐν τι πλουτηρὸν ἔργον ἐπιστάμενον περιουσίαν ποιεῖν. τὸν οὖν ἀπ' ὀλίγων περιποιῶντα ἐλπίζω ἀπὸ πολλῶν γ' ἂν πάνυ ραϊδίως πολλὴν περιουσίαν ποιῆσαι.

[11] Οὐκ οὐκ μέμνησαι ἀρτίως ἐν τῷ λόγῳ ὅτε οὐδ' ἀναγρύζειν μοι ἐξουσίαν ἐποίησας, λέγων ὅτι τῷ μὴ ἐπισταμένῳ ἵπποις χρῆσθαι οὐκ εἴη χρήματα οἱ ἵπποι οὐδὲ ἡ γῆ οὐδὲ τὰ πρόβατα οὐδὲ ἀργύριον οὐδὲ ἄλλο οὐδὲ ἐν ὅτῳ τις μὴ ἐπίσταιτο χρῆσθαι; εἰσὶ μὲν οὖν αἱ πρόσοδοι ἀπὸ τῶν τοιούτων· ἐμὲ δὲ πῶς τινὶ τούτων οἶει ἂν ἐπιστηθῆναι χρῆσθαι, ὥς τὴν ἀρχὴν οὐδὲν πώποτε· ἐγένετο τούτων;

[12] Ἀλλ' ἐδόκει ἡμῖν, καὶ εἰ μὴ χρήματά τις τύχοι ἔχων, ὅμως εἶναι τις ἐπιστήμη οἰκονομίας, τί οὖν κωλύει καὶ σὲ ἐπίστασθαι;

Ὅπερ νῆ Δία καὶ αὐλεῖν ἂν κωλύσειεν ἄνθρωπον ἐπίστασθαι, εἰ μήτε αὐτὸς πώποτε κτήσαιο αὐλοῦς μήτε ἄλλος αὐτῷ παράσχοι ἐν τοῖς αὐτοῦ μαθάνειν· οὕτω δὴ καὶ ἐμοὶ ἔχει περὶ τῆς οἰκονομίας. [13] οὔτε γὰρ αὐτὸς ὄργανα χρήματα ἐκεκτήμην, ὥστε μαθάνειν, οὔτε ἄλλος πώποτε μοι παρέσχε τὰ αὐτοῦ διοικεῖν ἀλλ' ἢ σὺ νυνὶ ἐθέλεις παρέχειν. οἱ δὲ δήπου τὸ πρῶτον μαθάνοντες κιθαρίζουσιν καὶ τὰς λύρας λυμαίνονται· καὶ ἐγὼ δὴ εἰ ἐπιχειρήσαιμι ἐν τῷ σῷ οἴκῳ μαθάνειν οἰκονομεῖν, ἴσως ἂν καταλυμηνάμην ἂν σου τὸν οἶκον.

[14] Πρὸς ταῦτα ὁ Κριτόβουλος εἶπε· Προθύμως γε, ὦ Σώκρατες, ἀποφεύγειν μοι πειρᾶι μὴδὲν με συνωφελῆσαι εἰς τὸ ῥαῖον ὑποφέρειν τὰ ἐμοὶ ἀναγκαῖα πράγματα.

Οὐ μὰ Δί', ἔφη ὁ Σωκράτης, οὐκ ἔγωγε, ἀλλ' ὅσα ἔχω καὶ πάνυ προθύμως ἐξηγήσομαί σοι. [15] οἶμαι δ' ἂν καὶ εἰ ἐπὶ πῦρ ἐλθόντος

σου καὶ μὴ ὄντος παρ' ἐμοί, εἰ ἄλλοσε ἡγησάμην ὀπόθεν σοι εἶη λαβεῖν, οὐκ ἂν ἐμέμφου μοι, καὶ εἰ ὕδωρ παρ' ἐμοῦ αἰτοῦντί σοι αὐτὸς μὴ ἔχων ἄλλοσε καὶ ἐπὶ τοῦτο ἡγαγον, οἶδ' ὅτι οὐδ' ἂν τοῦτό μοι ἐμέμφου, καὶ εἰ βουλομένου μουσικὴν μαθεῖν σοι παρ' ἐμοῦ δείξαίμιν σοι πολὺ δεινότερους ἐμοῦ περὶ μουσικὴν καὶ σοι χάριν <ἂν> εἰδότας, εἰ ἐθέλοις παρ' αὐτῶν μαθάνειν, τί ἂν ἔτι μοι ταῦτα ποιοῦντι μέμφοιο;

Οὐδὲν ἂν δικαίως γε, ὦ Σώκρατες.

[16] Ἐγὼ τοίνυν σοι δείξω, ὦ Κριτόβουλε, ὅσα νῦν λιπαρεῖς παρ' ἐμοῦ μαθάνειν πολὺ ἄλλους ἐμοῦ δεινότερους [τούς] περὶ ταῦτα. ὁμολογῶ δὲ μεμεληκέναι μοι οἵτινες ἕκαστα ἐπιστημονέστατοί εἰσι τῶν ἐν τῇ πόλει. [17] καταμαθὼν γάρ ποτε ἀπὸ τῶν αὐτῶν ἔργων τοὺς μὲν πάνυ ἀπόρους ὄντας, τοὺς δὲ πάνυ πλουσίους, ἀπεθαύμασα, καὶ ἔδοξέ μοι ἄξιον εἶναι ἐπισκέψεως ὃ τι εἶη τοῦτο. καὶ ἡῦρον ἐπισκοπῶν πάνυ οἰκείως ταῦτα γινόμενα. [18] τοὺς μὲν γὰρ εἰκῆι ταῦτα πράττοντας ζημιουμένους ἐώρων, τοὺς δὲ γνώμῃ συντεταμένῃ ἐπιμελουμένους καὶ θάπτον καὶ ῥᾶιον καὶ κερδαλεώτερον κατέγων πράττοντας. παρ' ὧν ἂν καὶ σὲ οἶμαι, εἰ βούλοιο, μαθόντα, εἰ σοι ὁ θεὸς μὴ ἐναντιοῖτο, πάνυ ἂν δεινὸν χρηματιστὴν γενέσθαι.

Κεφάλαιον γ'

[1] Ἀκούσας ταῦτα ὁ Κριτόβουλος εἶπε· Νῦν τοι, ἔφη, ἐγὼ σε οὐκέτι ἀφήσω, ὦ Σώκρατες, πρὶν ἂν μοι ἃ ὑπέσχησαι ἐναντίον τῶν φίλων τουτωνὶ ἀποδείξῃς.

Τί οὖν, ἔφη ὁ Σωκράτης, ὦ Κριτόβουλε, ἂν σοι ἀποδεικνύω πρῶτον μὲν οἰκίας τοὺς μὲν ἀπὸ πολλοῦ ἀργυρίου ἀχρήστους οἰκοδομοῦντας, τοὺς δὲ ἀπὸ πολὺ ἐλάττονος πάντα ἐχούσας ὅσα δεῖ, ἢ δόξω ἐν τί σοι τοῦτο τῶν οἰκονομικῶν ἔργων ἐπιδεικνύναι;

Καὶ πάνυ γ', ἔφη ὁ Κριτόβουλος.

[2] Τί δ' ἂν τὸ τούτου ἀκόλουθον μετὰ τοῦτό σοι ἐπιδεικνύω, τοὺς μὲν πάνυ πολλὰ καὶ παντοῖα κεκτημένους ἐπιπλα, καὶ τούτοις, ὅταν δέωνται, μὴ ἔχοντας χρῆσθαι μηδὲ εἰδότας εἰ σῶά ἐστιν αὐτοῖς, καὶ διὰ ταῦτα πολλὰ μὲν αὐτοὺς ἀνιωμένους, πολλὰ δὲ ἀνιώντας τοὺς οἰκέτας· τοὺς δὲ οὐδὲν πλέον ἀλλὰ καὶ μείονα τούτων κεκτημένους ἔχοντας εὐθὺς ἔτοιμα [ὅταν] ὧν ἂν δέωνται χρῆσθαι.

[3] Ἄλλο τι οὖν τούτων ἐστίν, ὦ Σώκρατες, αἴτιον ἢ ὅτι τοῖς μὲν

ὅπου ἔτυχεν ἕκαστον καταβέβληται, τοῖς δὲ ἐν χώραι ἕκαστα τεταγμένα κεῖται;

Ναὶ μὰ Δί', ἔφη ὁ Σωκράτης· καὶ οὐδ' ἐν χώραι γ' ἐν ἧι ἔτυχεν, ἀλλ' ἐνθα προσήκει, ἕκαστα διατέτακται.

Λέγειν τί μοι δοκεῖς, ἔφη, καὶ τοῦτο, ὁ Κριτόβουλος, τῶν οἰκονομικῶν.

[4] Τί οὖν, ἂν σοι, ἔφη, καὶ οἰκέτας αὖ ἐπιδεικνύω ἐνθα μὲν πάντας ὥς εἰπεῖν δεδεμένους, καὶ τούτους θαμινὰ ἀποδιδράσκοντας, ἐνθα δὲ λελυμένους καὶ ἐθέλοντάς τε ἐργάζεσθαι καὶ παραμένειν, οὐ καὶ τοῦτό σοι δόξω ἀξιοθέατον τῆς οἰκονομίας ἔργον ἐπιδεικνύναι;

Ναὶ μὰ Δί', ἔφη ὁ Κριτόβουλος, καὶ σφόδρα γε.

[5] Ἄν δὲ καὶ παραπλησίους γεωργίας γεωργοῦντας, τοὺς μὲν ἀπολωλέναι φάσκοντας ὑπὸ γεωργίας καὶ ἀποροῦντας, τοὺς δὲ ἀφθόνως καὶ καλῶς πάντα ἔχοντας ὅσων δέονται ἀπὸ τῆς γεωργίας;

Ναὶ μὰ Δί', ἔφη ὁ Κριτόβουλος. ἴσως γὰρ ἀναλίσκουσιν οὐκ εἰς ἃ δεῖ μόνον, ἀλλὰ καὶ εἰς ἃ βλάβην φέρει αὐτῷ καὶ τῷ οἴκῳ.

[6] Εἰσὶ μὲν τινες ἴσως, ἔφη ὁ Σωκράτης, καὶ τοιοῦτοι. ἀλλ' ἐγὼ οὐ τούτους λέγω, ἀλλ' οἱ οὐδ' εἰς τάναγκαῖα ἔχουσι δαπανᾶν, γεωργεῖν φάσκοντες.

Καὶ τί ἂν εἴη τούτου αἴτιον, ὦ Σώκρατες;

Ἐγὼ σε ἄξω καὶ ἐπὶ τούτους, ἔφη ὁ Σωκράτης· σὺ δὲ θεώμενος δῆπου καταμαθήσῃ.

Νῆ Δί', ἔφη, ἂν δύνωμαί γε.

[7] Οὐκοῦν χρή θεώμενον σαυτοῦ ἀποπειρᾶσθαι εἰ γνώσῃ. νῦν δ' ἐγὼ σὲ σύννοϊδα ἐπὶ μὲν κωμωιδῶν θέαν καὶ πάνυ πρῶι ἀνιστάμενον καὶ πάνυ μακρὰν ὁδὸν βαδίζοντα καὶ ἐμὲ ἀναπείθοντα προθύμως συνθεᾶσθαι· ἐπὶ δὲ τοιοῦτον οὐδέν με πώποτε ἔργον παρεκάλεσας.

Οὐκοῦν γελοῖός σοι φαίνομαι εἶναι, ὦ Σώκρατες.

[8] Σαυτῷ δὲ πολὺ νῆ Δί', ἔφη, γελοιότερος. ἂν δὲ καὶ ἀφ' ἵππικῆς σοι ἐπιδεικνύω τοὺς μὲν εἰς ἀπορίαν τῶν ἐπιτηδείων ἐληλυθότας, τοὺς δὲ διὰ τὴν ἵππικὴν καὶ πάνυ εὐπόρους ὄντας καὶ ἅμα ἀγαλλομένους ἐπὶ τῷ κέρδει;

Οὐκοῦν τούτους μὲν καὶ ἐγὼ ὀρῶ καὶ οἶδα ἐκατέρους, καὶ οὐδέν τι μᾶλλον τῶν κερδαινόντων γίγνομαι.

[9] Θεᾷ γὰρ αὐτοὺς ἤπερ τοὺς τραγικοὺς τε καὶ κωμικοὺς, οὐχ ὅπως ποιητῆς οἶμαι γέννηι, ἀλλ' ὅπως ἡσθίης ἰδὼν τι ἢ ἀκούσας· καὶ

ταῦτα μὲν ἴσως οὕτως ὀρθῶς ἔχει [οὐ γὰρ ποιητὴς βούλει γενέσθαι], ἵππικῇ δ' ἀναγκαζόμενος χρῆσθαι οὐ μῶρος οἶει εἶναι εἰ μὴ σκοπεῖς ὅπως μὴ ιδιώτης ἔσει τούτου τοῦ ἔργου, ἄλλως τε καὶ τῶν αὐτῶν ἵππων ἀγαθῶν εἰς τε τὴν χρῆσιν καὶ κερδαλέων εἰς πώλησιν ὄντων;

[10] Πωλοδαμνεῖν με κελεύεις, ὦ Σώκρατες;

Οὐ μὰ Δί' οὐδέν τι μᾶλλον ἢ καὶ γεωργοὺς ἐκ παιδίων ὠνούμενον κατασκευάζειν, ἀλλ' εἶναι τινές μοι δοκοῦσιν ἡλικία καὶ ἵππων καὶ ἀνθρώπων, αἱ εὐθύς τε χρήσιμοί εἰσι καὶ ἐπὶ τὸ βέλτιον ἐπιδιδόασιν. ἔχω δ' ἐπιδείξαι καὶ γυναιξὶ ταῖς γαμεταῖς τοὺς μὲν οὕτω χρωμένους ὥστε συνεργοὺς ἔχειν αὐτὰς εἰς τὸ συναύξειν τοὺς οἴκους, τοὺς δὲ ἦ ὅτι πλεῖστον λυμαίνονται.

[11] Καὶ τούτου πότερα χρή, ὦ Σώκρατες, τὸν ἄνδρα αἰτιᾶσθαι ἢ τὴν γυναῖκα;

Πρόβατον μὲν, ἔφη ὁ Σωκράτης, ὥς ἐπὶ τὸ πολὺ ἂν κακῶς ἔχη, τὸν νομέα αἰτιώμεθα, καὶ ἵππος ὥς ἐπὶ τὸ πολὺ ἂν κακουργῇ, τὸν ἵπέα κακίζομεν· τῆς δὲ γυναικός, εἰ μὲν διδασκομένη ὑπὸ τοῦ ἀνδρὸς τάγαθὰ κακοποιεῖ, ἴσως δικαίως ἂν ἡ γυνὴ τὴν αἰτίαν ἔχοι· εἰ δὲ μὴ διδάσκων τὰ καλὰ κάγαθὰ ἀνεπιστήμονι τούτων χρῶιτο, ἄρ' οὐ δικαίως ἂν ὁ ἀνὴρ τὴν αἰτίαν ἔχοι; [12] πάντως δ', ἔφη, ὦ Κριτόβουλε (φίλοι γὰρ ἐσμεν οἱ παρόντες) ἀπαληθεῦσαι δεῖ πρὸς ἡμᾶς. ἔστιν ὅτῳ ἄλλῳ τῶν σπουδαίων πλείῳ ἐπιτρέπεις ἢ τῇ γυναικί;

Οὐδενί, ἔφη.

Ἔστι δὲ ὅτῳ ἐλάττονα διαλέγῃ ἢ τῇ γυναικί;

Εἰ δὲ μή, οὐ πολλοῖς γε, ἔφη.

[13] Ἔγῃμας δὲ αὐτὴν παῖδα νέαν μάλιστα καὶ ὥς ἐδύνατο ἐλάχιστα ἑωρακυῖαν καὶ ἀκηκουῖαν;

Μάλιστα.

Οὐκοῦν πολὺ θαυμαστότερον εἴ τι ὦν δεῖ λέγειν ἢ πράττειν ἐπίστατο ἢ εἰ ἐξαμαρτάνοι.

[14] Οἷς δὲ σὺ λέγεις ἀγαθὰς εἶναι γυναῖκας, ὦ Σώκρατες, ἢ αὐτοὶ ταύτας ἐπαίδευσαν;

Οὐδὲν οἶον τὸ ἐπισκοπεῖσθαι. συστήσω δέ σοι ἐγὼ καὶ Ἀσπασίαν, ἢ ἐπιστημονέστερον ἐμοῦ σοι ταῦτα πάντα ἐπιδείξει. [15] νομίζω δὲ γυναῖκα κοινωνὸν ἀγαθὴν οἴκου οὔσαν πάννυ ἀντίρροπον εἶναι τῷ ἀνδρὶ ἐπὶ τὸ ἀγαθόν. ἔρχεται μὲν γὰρ εἰς τὴν οἰκίαν διὰ τῶν τοῦ ἀνδρὸς πράξεων τὰ κτήματα ὥς ἐπὶ τὸ πολὺ, δαπανᾶται δὲ διὰ τῶν

τῆς γυναικὸς ταμιευμάτων τὰ πλεῖστα· καὶ εὖ μὲν τούτων γιγνομένων αὖξονται οἱ οἴκοι, κακῶς δὲ τούτων πραττομένων οἱ οἴκοι μειοῦνται. [16] οἶμαι δέ σοι καὶ τῶν ἄλλων ἐπιστημῶν τοὺς ἀξίως λόγου ἐκάστην ἐργαζομένους ἔχειν ἂν ἐπιδειξαί σοι, εἰ τι προσδεῖσθαι νομίζεις.

Κεφάλαιον δ΄

[1] Ἀλλὰ πάσας μὲν τί σε δεῖ ἐπιδεικνύναι, ὦ Σώκρατες; ἔφη ὁ Κριτόβουλος· οὔτε γὰρ κτήσασθαι πασῶν τῶν τεχνῶν ἐργάτας ῥαίδιον οἴους δεῖ, οὔτε ἔμπειρον γενέσθαι αὐτῶν οἷόν τε, ἀλλ’ αἱ δοκοῦσι κάλλισται τῶν ἐπιστημῶν καὶ ἐμοὶ πρόποι ἂν μάλιστα ἐπιμελομένῳ, ταύτας μοι καὶ αὐτὰς ἐπιδείκνυε καὶ τοὺς πράττοντας αὐτάς, καὶ αὐτὸς δὲ ὅ τι δύνασαι συνωφέλει εἰς ταῦτα διδάσκων.

[2] Ἀλλὰ καλῶς, ἔφη, λέγεις, ὦ Κριτόβουλε. καὶ γὰρ αἱ γε βανασικαὶ καλούμεναι καὶ ἐπίρρητοὶ εἰσι καὶ εἰκότως μέντοι πάνυ ἀδοξοῦνται πρὸς τῶν πόλεων. καταλυμαίνονται γὰρ τὰ σώματα τῶν τε ἐργαζομένων καὶ τῶν ἐπιμελομένων, ἀναγκάζουσαι καθῆσθαι καὶ σκιατραφεῖσθαι, ἔνιαι δὲ καὶ πρὸς πῦρ ἡμερεῦειν. τῶν δὲ σωμάτων θηλυνομένων καὶ αἱ ψυχαὶ πολὺ ἄρρωστότεραι γίνονται. [3] καὶ ἀσχολίας δὲ μάλιστα ἔχουσι καὶ φίλων καὶ πόλεως συνεπιμελεῖσθαι αἱ βανασικαὶ καλούμεναι. ὥστε οἱ τοιοῦτοι δοκοῦσι κακοὶ καὶ φίλοις χρῆσθαι καὶ ταῖς πατρίσιν ἀλεξητῆρες εἶναι. καὶ ἐν ἐνίαις μὲν τῶν πόλεων, μάλιστα δὲ ἐν ταῖς εὐπολέμοις δοκούσαις εἶναι, οὐδ’ ἔξεστι τῶν πολιτῶν οὐδενὶ βανασικὰς τέχνας ἐργάζεσθαι.

[4] Ἡμῖν δὲ δὴ ποίαις συμβουλευεῖς, ὦ Σώκρατες, χρῆσθαι;

Ἄρ’, ἔφη ὁ Σωκράτης, μὴ αἰσχυνθῶμεν τὸν Περσῶν βασιλέα μιμήσασθαι; ἐκεῖνον γὰρ φασιν ἐν τοῖς καλλίστοις τε καὶ ἀναγκαιοτάτοις ἡγούμενον εἶναι ἐπιμελήμασι γεωργίαν τε καὶ τὴν πολεμικὴν τέχνην τούτων ἀμφοτέρων ἰσχυρῶς ἐπιμελεῖσθαι. καὶ ὁ Κριτόβουλος ἀκούσας ταῦτα εἶπε·

[5] Καὶ τοῦτο, ἔφη, πιστεύεις, ὦ Σώκρατες, βασιλέα τὸν Περσῶν γεωργίας τι συνεπιμελεῖσθαι;

Ὡδ’ ἂν, ἔφη ὁ Σωκράτης, ἐπισκοποῦντες, ὦ Κριτόβουλε, ἴσως ἂν καταμάθοιμεν εἴ τι συνεπιμελεῖται. τῶν μὲν γὰρ πολεμικῶν ἔργων ὁμολογοῦμεν αὐτὸν ἰσχυρῶς ἐπιμελεῖσθαι, ὅτι ἐξ ὁπόσων περ ἔθνων λαμβάνει <τι>, τέταχε τῷ ἄρχοντι ἐκάστωι εἰς ὁπόσους δεῖ διδόναι τροφὴν ἱππέας καὶ τοξότας καὶ σφενδονήτας καὶ γερροφόρους,

οἵτινες τῶν τε ὑπ' αὐτοῦ ἀρχομένων ἱκανοὶ ἔσονται κρατεῖν καὶ ἂν πολέμιοι ἐπίωσιν, [6] ἀρήξουσιν τῇ χώρῃ, χωρὶς δὲ τούτων φύλακας ἐν ταῖς ἀκροπόλεσι τρέφει· καὶ τὴν μὲν τροφήν τοῖς φρουροῖς δίδωσιν ὁ ἄρχων ὧι τοῦτο προστέτακται, βασιλεὺς δὲ κατ' ἐνιαυτὸν ἐξέτασιν ποιεῖται τῶν μισθοφόρων καὶ τῶν ἄλλων οἷς ὠπλίσθαι προστέτακται, καὶ πάντας ἅμα συνάγων πλὴν τοὺς ἐν ταῖς ἀκροπόλεσιν ἔνθα δὴ ὁ σύλλογος καλεῖται· καὶ τοὺς μὲν ἀμφὶ τὴν ἑαυτοῦ οἴκησιν αὐτὸς ἐφορᾷ, τοὺς δὲ πρόσω ἀποικοῦντας πιστοὺς πέμπει ἐπισκοπεῖν· [7] καὶ οἱ μὲν ἂν φαίνονται τῶν φρουράρχων καὶ τῶν χιλιάρχων καὶ τῶν σατραπῶν τὸν ἀριθμὸν τὸν τεταγμένον ἔκπλεων ἔχοντες, καὶ τούτους δοκίμοις ἵπποις τε καὶ ὅπλοις κατεσκευασμένους παρέχωσι, τούτους μὴν τοὺς ἄρχοντας καὶ ταῖς τιμαῖς αὖξει καὶ δώροις μεγάλους καταπλουτίζει, οὓς δ' ἂν εὖρηι τῶν ἀρχόντων ἢ καταμελοῦντας τῶν φρουραρχῶν ἢ κατακερδαίνοντας, τούτους χαλεπῶς κολάζει καὶ παύων τῆς ἀρχῆς ἄλλους ἐπιμελητὰς καθίστησι. τῶν μὲν δὴ πολεμικῶν ἔργων ταῦτα ποιῶν δοκεῖ ἡμῖν ἀναμφιλόγως ἐπιμελεῖσθαι. [8] ἔτι δὲ ὀπόσῃ μὲν τῆς χώρας διελαύνων ἐφορᾷ αὐτός, καὶ δοκιμάζει, ὀπόσῃ δὲ μὴ αὐτὸς ἐφορᾷ, πέμπων πιστοὺς ἐπισκοπεῖται. καὶ οὓς μὲν ἂν αἰσθάνηται τῶν ἀρχόντων συνοικουμένην τε τὴν χώραν παρεχομένους καὶ ἐνεργὸν οὔσαν τὴν γῆν καὶ πλήρη δένδρων τε ὧν ἐκάστη φέρει καὶ καρπῶν, τούτοις μὲν χώραν τε ἄλλην προστίθῃσι καὶ δώροις κοσμεῖ καὶ ἔδραις ἐντίμοις γεραίρει, οἷς δ' ἂν ὀραὶ ἀργὸν τε τὴν χώραν οὔσαν καὶ ὀλιγάνθρωπον ἢ διὰ χαλεπότητα ἢ δι' ὕβριν ἢ δι' ἀμέλειαν, τούτους δὲ κολάζων καὶ παύων τῆς ἀρχῆς ἄρχοντας ἄλλους καθίστησι. [9] ταῦτα ποιῶν δοκεῖ ἥττον ἐπιμελεῖσθαι οὕτως ἢ γῆ ἐνεργὸς ἔσται ὑπὸ τῶν κατοικούντων ἢ ὅπως εὖ φυλάσσεται ὑπὸ τῶν φρουρούντων; καὶ εἰσὶ δ' αὐτῷ οἱ ἄρχοντες διατεταγμένοι ἐφ' ἐκάτερον οὐχ οἱ αὐτοί, ἀλλ' οἱ μὲν ἄρχουσι τῶν κατοικούντων τε καὶ τῶν ἐργατῶν, καὶ δασμοὺς ἐκ τούτων ἐκλέγουσιν, οἱ δ' ἄρχουσι τῶν ὠπλισμένων <τε καὶ τῶν> φρουρῶν. [10] κἂν μὲν ὁ φρούραρχος μὴ ἱκανῶς τῇ χώρῃ ἀρήγῃ, ὁ τῶν ἐνοικούντων ἄρχων καὶ τῶν ἔργων ἐπιμελούμενος κατηγορεῖ τοῦ φρουράρχου, ὅτι οὐ δύνανται ἐργάζεσθαι διὰ τὴν ἀφυλαξίαν, ἂν δὲ παρέχοντος τοῦ φρουράρχου εἰρήνην τοῖς ἔργοις ὁ ἄρχων ὀλιγάνθρωπόν τε παρέχεται καὶ ἀργὸν τὴν χώραν, τούτου αὖ κατηγορεῖ ὁ φρούραρχος. [11] καὶ γὰρ σχεδὸν τι οἱ κακῶς τὴν χώραν ἐργαζόμενοι οὔτε τοὺς φρουροὺς τρέφουσιν

οὕτε τοὺς δασμοὺς δύνανται ἀποδιδόναι. ὅπου δ' ἂν σατράπης καθιστῇται, οὗτος ἀμφοτέρων τούτων ἐπιμελεῖται.

[12] Ἐκ τούτων ὁ Κριτόβουλος εἶπεν· Οὐκοῦν εἰ μὲν δὴ ταῦτα ποιεῖ βασιλεὺς, ὧ Σώκτατες, οὐδὲν ἔμοιγε δοκεῖ ἦττον τῶν γεωργικῶν ἔργων ἐπιμελεῖσθαι ἢ τῶν πολεμικῶν.

[13] Ἔτι δὲ πρὸς τούτοις, ἔφη ὁ Σωκράτης, ἐν ὁπόσαις τε χώραις ἐνοικεῖ καὶ εἰς ὁπόσας ἐπιστρέφεται, ἐπιμελεῖται τούτων ὅπως κῆποι τε ἔσονται, οἱ παράδεισοι καλούμενοι, πάντων καλῶν τε καὶ ἀγαθῶν μεστοὶ ὅσα ἢ γῆ φύειν θέλει, καὶ ἐν τούτοις αὐτὸς τὰ πλεῖστα διατρίβει, ὅταν μὴ ἡ ὥρα τοῦ ἔτους ἐξείργῃ.

[14] Νῆ Δί', ἔφη ὁ Κριτόβουλος, ἀνάγκη τοίνυν, ὧ Σώκτατες, ἐνθα γε διατρίβει αὐτός, καὶ ὅπως ὥς κάλλιστα κατεσκευασμένοι ἔσονται οἱ παράδεισοι ἐπιμελεῖσθαι δένδρεσι καὶ τοῖς ἄλλοις ἅπασι καλοῖς ὅσα ἢ γῆ φύει.

[15] Φασὶ δέ τινες, ἔφη ὁ Σωκράτης, ὧ Κριτόβουλε, καὶ ὅταν δῶρα διδῶι ὁ βασιλεὺς, πρῶτον μὲν εἰσκαλεῖν τοὺς πολέμωι ἀγθοὺς γεγονότας, ὅτι οὐδὲν ὄφελος πολλὰ ἀροῦν, εἰ μὴ εἶεν οἱ ἀρήξοντες. δεύτερον δὲ τοὺς κατασκευάζοντας τὰς χώρας ἄριστα καὶ ἐνεργοὺς ποιοῦντας, λέγοντα ὅτι οὐδ' ἂν οἱ ἄλκιμοι δύναιντο ζῆν, εἰ μὴ εἶεν οἱ ἐργαζόμενοι. [16] λέγεται δὲ καὶ Κῦρος ποτε, ὅσπερ εὐδοκιμώτατος δὴ βασιλεὺς γεγένηται, εἰπεῖν τοῖς ἐπὶ τὰ δῶρα κεκλημένοις ὅτι αὐτὸς ἂν δικαίως τὰ ἀμφοτέρων δῶρα λαμβάνοι· κατασκευάζειν τε γὰρ ἄριστος εἶναι ἔφη χώραν καὶ ἀρήγειν τοῖς κατεσκευασμένοις.

[17] Κῦρος μὲν τοίνυν, ἔφη ὁ Κριτόβουλος, ὧ Σώκτατες, καὶ ἐπηγάλλετο οὐδὲν ἦττον, εἰ ταῦτα ἔλεγεν, ἐπὶ τῷ χώρας ἐνεργοὺς ποιεῖν καὶ κατασκευάζειν ἢ ἐπὶ τῷ πολεμικῷ εἶναι.

[18] Καὶ ναὶ μὰ Δί', ἔφη ὁ Σωκράτης, Κῦρος γε, εἰ ἐβίωσεν, ἄριστος ἂν δοκεῖ ἄρχων γενέσθαι· καὶ τούτου τεκμήρια ἄλλα τε πολλὰ παρέσχηται καὶ ὁπότε περὶ τῆς βασιλείας τῷ ἀδελφῷ ἐπορεύετο μαχούμενος, παρὰ μὲν Κύρου οὐδεὶς λέγεται αὐτομολῆσαι πρὸς βασιλέα, παρὰ δὲ βασιλέως πολλαὶ μυριάδες πρὸς Κῦρον. [19] ἐγὼ δὲ καὶ τοῦτο ἡγοῦμαι μέγα τεκμήριον ἄρχοντος ἀρετῆς εἶναι, ὧ ἂν ἐκόντες πείθωνται καὶ ἐν τοῖς δεινοῖς παραμένειν ἐθέλωσιν. ἐκείνῳ δὲ καὶ οἱ φίλοι ζῶντί τε συνεμάχοντο καὶ ἀποθανόντι συναπέθανον πάντες περὶ τὸν νεκρὸν μαχόμενοι πλὴν Ἀριαίου· Ἀριαῖος δ' ἔτυχεν ἐπὶ τῷ εὐωνύμῳ κέρατι τεταγμένος. [20] οὗτος τοίνυν ὁ Κῦρος λέγεται Λυσάνδρῳ, ὅτε ἦλθεν ἄγων αὐτῷ τὰ

παρὰ τῶν συμμάχων δῶρα, ἄλλα τε φιλοφρονεῖσθαι, ὥς αὐτὸς ἔφη ὁ Λύσανδρος ξένῳ ποτὲ τινι ἐν Μεγάροις διηγούμενος, καὶ τὸν ἐν Σάρδεσι παράδεισον ἐπιδεικνύναι αὐτὸν ἔφη. [21] ἐπεὶ δὲ ἐθαύμαζεν αὐτὸν ὁ Λύσανδρος ὥς καλὰ μὲν τὰ δένδρα εἶη, δι' ἴσου δὲ τὰ πεφυτευμένα, ὀρθοὶ δὲ οἱ στίχοι τῶν δένδρων, εὐγώνια δὲ πάντα καλῶς εἶη, ὅσμαι δὲ πολλαὶ καὶ ἡδεῖαι συμπαρομαρτοῖεν αὐτοῖς περιπατοῦσι, καὶ ταῦτα θαυμάζων εἶπεν· Ἀλλ' ἐγὼ τοι, ὦ Κῦρε, πάντα μὲν <ταῦτα> θαυμάζω ἐπὶ τῷ κάλλει, πολὺ δὲ μᾶλλον ἄγαμαι τοῦ καταμετρήσαντός σοι καὶ διατάξαντος ἕκαστα τούτων· [22] ἀκούσαντα δὲ ταῦτα τὸν Κῦρον ἡσθῆναι τε καὶ εἰπεῖν· Ταῦτα τοίνυν, ὦ Λύσανδρε, ἐγὼ πάντα καὶ διεμέτρησα καὶ διέταξα, ἔστι δ' αὐτῶν, φάναι, ἃ καὶ ἐφύτευσα αὐτός. [23] καὶ ὁ Λύσανδρος ἔφη, ἀποβλέψας εἰς αὐτὸν καὶ ἰδὼν τῶν τε ἱματίων τὸ κάλλος ὧν εἶχε καὶ τῆς ὀσμῆς αἰσθόμενος καὶ τῶν στρεπτῶν καὶ τῶν ψελίων τὸ κάλλος καὶ τοῦ ἄλλου κόσμου οὗ εἶχεν, εἰπεῖν· Τί λέγεις, φάναι, ὦ Κῦρε; ἢ γὰρ σὺ ταῖς σαῖς χερσὶ τούτων τι ἐφύτευσας; [24] καὶ τὸν Κῦρον ἀποκρίνασθαι· Θαυμάζεις τοῦτο, [ἔφη.] ὦ Λύσανδρε; ὁμνυμί σοι τὸν Μίθρην, ὅταν περ ὑγιαίνω, μηπώποτε δειπνῆσαι πρὶν ἰδρῶσαι ἢ τῶν πολεμικῶν τι ἢ τῶν γεωργικῶν ἔργων μελετῶν ἢ αἰεὶ ἐν γέ τι φιλοτιμούμενος. [25] καὶ αὐτὸς μέντοι ἔφη ὁ Λύσανδρος ἀκούσας ταῦτα δεξιώσασθαι τε αὐτὸν καὶ εἰπεῖν· Δικαίως μοι δοκεῖς, ὦ Κῦρε, εὐδαίμων εἶναι· ἀγαθὸς γὰρ ὢν ἀνὴρ εὐδαιμονεῖς.

Κεφάλαιον ε'

[1] Ταῦτα δέ, ὦ Κριτόβουλε, ἐγὼ διηγούμενα, ἔφη ὁ Σωκράτης, ὅτι τῆς γεωργίας οὐδ' οἱ πάνυ μακάριοι δύνανται ἀπέχεσθαι. ἔοικε γὰρ ἡ ἐπιμέλεια αὐτῆς εἶναι ἅμα τε ἡδυπάθειά τις καὶ οἴκου αὔξησις καὶ σωμάτων ἄσκησις εἰς τὸ δύνασθαι ὅσα ἀνδρὶ ἐλευθέρῳ προσήκει. [2] πρῶτον μὲν γὰρ ἀφ' ὧν ζῶσιν οἱ ἄνθρωποι, ταῦτα ἡ γῆ φέρει ἐργαζομένοις, καὶ ἀφ' ὧν τοίνυν ἡδυπαθοῦσι, προσεπιφέρει· [3] ἔπειτα δὲ ὅσοις κοσμοῦσι βωμοὺς καὶ ἀγάλματα καὶ οἷς αὐτοὶ κοσμοῦνται, καὶ ταῦτα μετὰ ἡδίστων ὁσμῶν καὶ θεαμάτων παρέχει· ἔπειτα δὲ ὅσα πολλὰ τὰ μὲν φύει, τὰ δὲ τρέφει· καὶ γὰρ ἡ προβατευτική τέχνη συνῆπται τῇ γεωργίᾳ, ὥστε ἔχειν καὶ θεοὺς ἐξαρέσκεσθαι θύοντας καὶ αὐτοὺς χρῆσθαι. [4] παρέχουσα δ' ἀφθονώτατα τάγαθὰ οὐκ ἔαι ταῦτα μετὰ μαλακίας λαμβάνειν, ἀλλὰ ψύχη τε χειμῶνος καὶ θάληθ' ἔθιζει καρτερεῖν. καὶ τοὺς μὲν

αὐτουργοὺς διὰ τῶν χειρῶν γυμνάζουσα ἰσχὺν αὐτοῖς προστίθῃσι, τοὺς δὲ τῇ ἐπιμελείᾳ γεωργοῦντας ἀνδρίζει πρῶι τε ἐγείρουσα καὶ πορεύεσθαι σφοδρῶς ἀναγκάζουσα. καὶ γὰρ ἐν τῷ χώρῳ καὶ ἐν τῷ ἄστει αἰὲν ὥραι αἰ ἐπικαιριώταται πράξεις εἰσίν. [5] ἔπειτα ἂν τε σὺν ἵππῳ ἀρήγειν τις τῇ πόλει βούληται, τὸν ἵππον ἱκανωτάτῃ ἢ γεωργία συντρέφειν, ἂν τε πεζῇ, σφοδρὸν τὸ σῶμα παρέχει· θήρῃς τε ἐπιφιλοπονεῖσθαι συνεπαίρει τι ἢ γῇ καὶ κυσὶν εὐπέτειαν τροφῆς παρέχουσα καὶ θηρία συμπαρατρέφουσα. [6] ὠφελοῦμενοι δὲ καὶ οἱ ἵπποι καὶ αἱ κύνες ἀπὸ τῆς γεωργίας ἀντωφελοῦσι τὸν χρόνον, ὁ μὲν ἵππος πρῶι τε κομίζων τὸν κηδόμενον εἰς τὴν ἐπιμέλειαν καὶ ἐξουσίαν παρέχων ὧς ἀπιέναι, αἱ δὲ κύνες τὰ τε θηρία ἀπερύκουσαι ἀπὸ λύμης καρπῶν καὶ προβάτων καὶ τῇ ἐρημίᾳ τὴν ἀσφάλειαν συμπαρέχουσαι. [7] παρορμαῖ δέ τι καὶ εἰς τὸ ἀρήγειν σὺν ὅπλοις τῇ χώρῃ καὶ ἢ γῇ τοὺς γεωργοὺς ἐν τῷ μέσῳ τοὺς καρποὺς τρέφουσα τῷ κρατοῦντι λαμβάνειν. [8] καὶ δραμεῖν δὲ καὶ βαλεῖν καὶ πηδῆσαι τίς ἱκανωτέρους τέχνῃ γεωργίας παρέχεται; τίς δὲ τοῖς ἐργαζομένοις πλείω τέχνῃ ἀντιχαρίζεται; τίς δὲ ἥδιον τὸν ἐπιμελόμενον δέχεται προτείνουσα προσιόντι λαβεῖν ὅ τι χρήζει; τίς δὲ ξένους ἀφθονώτερον δέχεται; [9] χειμάσαι δὲ πυρὶ ἀφθόνῳ καὶ θερμοῖς λουτροῖς ποῦ πλείων εὐμάρεια ἢ ἐν χώρῳ τῷ; ποῦ δὲ ἥδιον θερίσαι ὕδασι τε καὶ πνεύμασι καὶ σκιαῖς ἢ κατ' ἀγρόν; [10] τίς δὲ ἄλλῃ θεοῖς ἀπαρχὰς πρεπωδεστέρας παρέχει ἢ εορτὰς πληρεστέρας ἀποδεικνύει; τίς δὲ οἰκέταις προσφιλεστέρα ἢ γυναικὶ ἡδίων ἢ τέκνοις ποθεινότερα ἢ φίλοις εὐχαριστοτέρα; [11] ἐμοὶ μὲν θαυμαστὸν δοκεῖ εἶναι εἴ τις ἐλεύθερος ἄνθρωπος ἢ κτῆμά τι τούτου ἥδιον κέκτηται ἢ ἐπιμέλειαν ἡδῶ τινὰ ταύτης ἠύρηκεν ἢ ὠφελιμωτέραν εἰς τὸν βίον. [12] ἔτι δὲ ἢ γῇ θεὸς οὕσα τοὺς δυναμένους καταμανθάνειν καὶ δικαιοσύνην διδάσκει· τοὺς γὰρ ἄριστα θεραπεύοντας αὐτὴν πλεῖστα ἀγαθὰ ἀντιποιεῖ. [13] ἐὰν δ' ἄρα καὶ ὑπὸ πλήθους ποτὲ στρατευμάτων τῶν ἔργων στερηθῶσιν οἱ ἐν τῇ γεωργίᾳ ἀναστρεφόμενοι καὶ σφοδρῶς καὶ ἀνδρικῶς παιδευόμενοι, οὗτοι εὖ παρεσκευασμένοι καὶ τὰς ψυχὰς καὶ τὰ σώματα, ἂν μὴ θεὸς ἀποκωλύῃ, δύνανται ἰόντες εἰς τὰς τῶν ἀποκωλυόντων λαμβάνειν ἀφ' ὧν θρέψονται. πολλάκις δ' ἐν τῷ πολέμῳ καὶ ἀσφαλέστερόν ἐστι σὺν τοῖς ὅπλοις τὴν τροφήν μαστεύειν ἢ σὺν τοῖς γεωργικοῖς ὀργάνοις. [14] συμπαιδεύει δὲ καὶ εἰς τὸ ἐπαρκεῖν ἀλλήλοις ἢ γεωργία. ἐπὶ τε γὰρ τοὺς πολεμίους σὺν ἀνθρώποις δεῖ ἰέναι, τῆς τε γῆς σὺν ἀνθρώποις ἐστὶν ἢ ἐργασία. [15]

τὸν οὖν μέλλοντα εὖ γεωργήσῃν δεῖ τοὺς ἐργαστῆρας καὶ προθύμους παρασκευάζειν καὶ πείθεσθαι θέλοντας· τὸν δὲ ἐπὶ πολεμίους ἄγοντα ταῦτα δεῖ μηχανᾶσθαι δωρούμενόν τε τοῖς ποιοῦσιν ἃ δεῖ ποιεῖν τοὺς ἀγαθοὺς καὶ κολάζοντα τοὺς ἀτακτοῦντας. [16] καὶ παρακελεύεσθαι δὲ πολλάκις οὐδὲν ἥττον δεῖ τοῖς ἐργάταις τὸν γεωργὸν ἢ τὸν στρατηγὸν τοῖς στρατιώταις· καὶ ἐλπίδων δὲ ἀγαθῶν οὐδὲν ἥττον οἱ δοῦλοι τῶν ἐλευθέρων δέονται, ἀλλὰ καὶ μᾶλλον, ὅπως μένειν ἐθέλωσι. [17] καλῶς δὲ κάκεῖνος εἶπεν ὃς ἔφη τὴν γεωργίαν τῶν ἄλλων τεχνῶν μητέρα καὶ τροφὸν εἶναι. εὖ μὲν γὰρ φερομένης τῆς γεωργίας ἔρρωνται καὶ αἱ ἄλλαι τέχναι ἅπασαι, ὅπου δ' ἂν ἀναγκασθῇ ἢ γῇ χερσεύειν, ἀποσβέννυνται καὶ αἱ ἄλλαι τέχναι σχεδόν τι καὶ κατὰ γῆν καὶ κατὰ θάλατταν.

[18] Ἀκούσας δὲ ταῦτα ὁ Κριτόβουλος εἶπεν· Ἀλλὰ ταῦτα μὲν ἔμοιγε, ὦ Σώκρατες, καλῶς δοκεῖς λέγειν· ὅτι δὲ τῆς γεωργικῆς τὰ πλεῖστά ἐστιν ἀνθρώπῳ ἀδύνατα προνοῆσαι <δῆλον> καὶ γὰρ χάλασαι καὶ πάχναι ἐνίστε καὶ αὐχοὶ καὶ ὄμβροι ἐξαίσιοι καὶ ἐρυσίβαι καὶ ἄλλα πολλάκις τὰ καλῶς ἐγνωσμένα καὶ πεποιημένα ἀφαιροῦνται· καὶ πρόβατα δ' ἐνίστε κάλλιστα τεθραμμένα νόσος ἐλθοῦσα κάκιστα ἀπώλεσεν.

[19] Ἀκούσας δὲ ταῦτα ὁ Σωκράτης εἶπεν· Ἀλλ' ὦμην ἐγωγέ σε, ὦ Κριτόβουλε, εἰδέναι ὅτι οἱ θεοὶ οὐδὲν ἥττόν εἰσι κύριοι τῶν ἐν τῇ γεωργίᾳ ἔργων ἢ τῶν ἐν τῷ πολέμῳ. καὶ τοὺς μὲν ἐν τῷ πολέμῳ ὁρᾷς, οἶμαι, πρὸ τῶν πολεμικῶν πράξεων ἐξαρεσκομένους τοὺς θεοὺς καὶ ἐπερωτῶντας θυσίαις καὶ οἰωνοῖς ὃ τι τε χρὴ ποιεῖν καὶ ὃ τι μή· [20] περὶ δὲ τῶν γεωργικῶν πράξεων ἥττον οἶει δεῖν τοὺς θεοὺς ἰλάσκεσθαι; εὖ γὰρ ἴσθι, ἔφη, ὅτι οἱ σῶφρονες καὶ ὑπὲρ ὕγρῶν καὶ ξηρῶν καρπῶν καὶ βοῶν καὶ ἵππων καὶ προβάτων καὶ ὑπὲρ πάντων γε δὴ τῶν κτημάτων τοὺς θεοὺς θεραπεύουσιν.

Κεφάλαιον ς'

[1] Ἀλλὰ ταῦτα μὲν, ἔφη, ὦ Σώκρατες, καλῶς μοι δοκεῖς λέγειν κελεύων πειρᾶσθαι σὺν τοῖς θεοῖς ἄρχεσθαι παντὸς ἔργου, ὥς τῶν θεῶν κυρίων ὄντων οὐδὲν ἥττον τῶν εἰρηνικῶν ἢ τῶν πολεμικῶν ἔργων. ταῦτα μὲν οὖν πειρασόμεθα οὕτω ποιεῖν. σὺ δ' ἡμῖν ἔνθεν λέγων περὶ τῆς οἰκονομίας ἀπέλιπες, πειρῶ τὰ τούτων ἐχόμενα διεκπεραίνειν, ὥς καὶ νῦν μοι δοκῶ ἀκηκοῶς ὅσα εἶπες μᾶλλον τι ἢ δι' ὁρᾶν ἢ πρόσθεν ὃ τι χρὴ ποιοῦντα βιοτεύειν.

[2] Τί οὖν, ἔφη ὁ Σωκράτης, ἄρα, εἰ πρῶτον μὲν ἐπανεέλθοιμεν ὅσα συνομολογοῦντες διεληλύθαμεν, ἴν', ἂν πως δυνώμεθα, πειραθῶμεν οὕτω καὶ τὰ λοιπὰ διεξιέναι συνομολογοῦντες;

[3] Ἦδὺν γοῦν ἐστίν, ἔφη ὁ Κριτόβουλος, ὥσπερ καὶ χρημάτων κοινωνήσαντας ἀναμφιλόγως διελθεῖν, οὕτω καὶ λόγον κοινωνοῦντας περὶ ὧν ἂν διαλεγώμεθα συνομολογοῦντας διεξιέναι.

[4] Οὐκοῦν, ἔφη ὁ Σωκράτης, ἐπιστήμης μὲν τινος ἔδοξεν ἡμῖν ὄνομα εἶναι ἡ οἰκονομία, ἡ δὲ ἐπιστήμη αὕτη ἐφαίνετο ἢ οἴκους δύνανται αὔξειν ἄνθρωποι, οἶκος δ' ἡμῖν ἐφαίνετο ὅπερ κτῆσις ἡ σύμπασα, κτῆσιν δὲ τοῦτο ἔφαμεν εἶναι ὃ τι ἐκάστωι εἴη ὠφέλιμον εἰς τὸν βίον, ὠφέλιμα δὲ ὄντα ἠύρισκετο πάντα ὁπόσοις τις ἐπίσταιτο χρῆσθαι. [5] πάσας μὲν οὖν τὰς ἐπιστήμας οὔτε μαθεῖν οἶόν τε ἡμῖν ἐδόκει, συναπεδοκιμάζομέν τε ταῖς πόλεσι τὰς βανανυσικὰς καλουμένας τέχνας, ὅτι καὶ τὰ σώματα καταλυμαίνεσθαι δοκοῦσι καὶ τὰς ψυχὰς καταγνύουσι. [6] τεκμήριον δὲ σαφέστατον γενέσθαι ἂν τούτου ἔφαμεν, εἰ πολεμίων εἰς τὴν χώραν ἰόντων διακαθίσας τις τοὺς γεωργοὺς καὶ τοὺς τεχνίτας χωρὶς ἐκατέρους ἐπερωτῶη πότερα δοκεῖ ἀρήγειν τῇ χώρῃ ἢ ὑφεμένους τῆς γῆς τὰ τεῖχη διαφυλάττειν. [7] οὕτως γὰρ ἂν τοὺς μὲν ἀμφὶ γῆν ἔχοντας ὠιόμεθ' ἂν ψηφίζεσθαι ἀρήγειν, τοὺς δὲ τεχνίτας μὴ μάχεσθαι, ἀλλ' ὅπερ πεπαίδευνται καθῆσθαι μήτε πονοῦντας μήτε κινδυνεύοντας. [8] ἐδοκιμάσαμεν δὲ ἀνδρὶ καλῶι τε κάγαθῶι ἐργασίαν εἶναι καὶ ἐπιστήμην κρατίστην γεωργίαν, ἀφ' ἧς τὰ ἐπιτήδεια ἄνθρωποι πορίζονται. [9] αὕτη γὰρ ἡ ἐργασία μαθεῖν τε ράϊστη ἐδόκει εἶναι καὶ ἡδίστη ἐργάζεσθαι, καὶ τὰ σώματα κάλλιστα τε καὶ εὐρωστότατα παρέχεσθαι, καὶ ταῖς ψυχαῖς ἥκιστα ἀσχολίαν παρέχειν φυλῶν τε καὶ πόλεων συνεπιμελεῖσθαι. [10] συμπαροξύνειν δέ τι ἐδόκει ἡμῖν καὶ εἰς τὸ ἀλκίμους εἶναι ἡ γεωργία ἔξω τῶν ἐρυμάτων τὰ ἐπιτήδεια φύουσά τε καὶ τρέφουσα τοὺς ἐργαζομένους. διὰ ταῦτα δὲ καὶ εὐδοξοτάτη εἶναι πρὸς τῶν πόλεων αὕτη ἡ βιοτεία, ὅτι καὶ πολίτας ἀρίστους καὶ εὐνουστάτους παρέχεσθαι δοκεῖ τῷ κοινῶι.

[11] Καὶ ὁ Κριτόβουλος· Ὅτι μὲν, ὦ Σώκρατες, κάλλιστόν τε καὶ ἄριστον καὶ ἡδιστον ἀπὸ γεωργίας τὸν βίον ποιεῖσθαι πάνυ μοι δοκῶ πεπεῖσθαι ἱκανῶς· ὅτι δὲ ἔφησθα καταμαθεῖν τὰ αἷτια τῶν τε οὕτω γεωγρούντων ὥστε ἀπὸ τῆς γεωργίας ἀφθόνως ἔχειν ὧν δέονται καὶ τῶν οὕτως ἐργαζομένων ὥς μὴ λυσιτελεῖν αὐτοῖς τὴν γεωργίαν, καὶ ταῦτ' <ἂν> μοι δοκῶ ἡδέως ἐκάτερα ἀκούειν σου, ὅπως ἂ μὲν ἀγαθὰ

ἐστι ποιῶμεν, ἃ δὲ βλαβερὰ μὴ ποιῶμεν.

[12] Τί οὖν, ἔφη ὁ Σωκράτης, ὦ Κριτόβουλε, ἂν σοι ἐξ ἀρχῆς διηγήσωμαι ὡς συνεγενόμην ποτὲ ἀνδρί, ὃς ἐμοὶ ἐδόκει εἶναι τῷ ὄντι τούτων τῶν ἀνδρῶν ἐφ' οἷς τοῦτο τὸ ὄνομα δικαίως ἐστὶν ὁ καλεῖται καλὸς τε καὶ ἀγαθὸς ἀνὴρ;

Πάνυ ἂν, ἔφη ὁ Κριτόβουλος, βουλοίμην ἂν οὕτως ἀκούειν, ὡς καὶ ἔγωγε ἐρῶ τούτου τοῦ ὀνόματος ἄξιος γενέσθαι.

[13] Λέξω τοίνυν σοι, ἔφη ὁ Σωκράτης, ὡς καὶ ἦλθον ἐπὶ τὴν σκέψιν αὐτοῦ. τοὺς μὲν γὰρ ἀγαθοὺς τέκτονας, χαλκέας, ἀγαθοὺς, ζωγράφους ἀγαθοὺς, ἀνδριαντοποιοὺς, καὶ τᾶλλα τὰ τοιαῦτα, πάνυ ὀλίγος μοι χρόνος ἐγένετο ἱκανὸς περιελθεῖν τε καὶ θεάσασθαι τὰ δεδοκιμασμένα καλὰ ἔργα αὐτοῖς εἶναι. [14] ὅπως δὲ δὴ καὶ τοὺς ἔχοντας τὸ σεμνὸν ὄνομα τοῦτο τὸ καλὸς τε καὶ ἀγαθὸς ἐπισκεψαίμην, τί ποτε ἐργαζόμενοι τοῦτ' ἀξιοῖντο καλεῖσθαι, πάνυ μοι ἡ ψυχὴ ἐπεθύμει αὐτῶν τινι συγγενέσθαι. [15] καὶ πρῶτον μὲν ὅτι προσέκειτο τὸ καλὸς τῷ ἀγαθῷ, ὅντινα ἴδοιμι καλόν, τούτῳι προσήκειν καὶ ἐπειρώμην καταμανθάνειν εἴ που ἴδοιμι προσηρημένον τῷ καλῷ τὸ ἀγαθόν. [16] ἀλλ' οὐκ ἄρα εἶχεν οὕτως, ἀλλ' ἐνίους ἐδόκουν καταμανθάνειν τῶν καλῶν τὰς μορφὰς πάνυ μοχθηροὺς ὄντας τὰς ψυχὰς. ἔδοξεν οὖν μοι ἀφέμενον τῆς καλῆς ὕψεως ἐπ' αὐτῶν τινα ἐλθεῖν τῶν καλουμένων καλῶν τε καὶ ἀγαθῶν. [17] ἐπεὶ οὖν τὸν Ἰσχόμαχον ἤκουον πρὸς πάντων καὶ ἀνδρῶν καὶ γυναικῶν καὶ ξένων καὶ ἀστῶν καλόν τε καὶ ἀγαθὸν ἐπονομαζόμενον, ἔδοξέ μοι τούτῳι πειραθῆναι συγγενέσθαι.

Κεφάλαιον ζ'

[1] Ἰδὼν οὖν ποτε αὐτὸν ἐν τῇ τοῦ Διὸς τοῦ ἐλευθερίου στοᾷ καθήμενον, ἐπεὶ μοι ἔδοξε σχολάζειν, προσῆλθον αὐτῷ καὶ παρακαθιζόμενος εἶπον· Τί, ὦ Ἰσχόμαχε, οὐ μάλα εἰθωὺς σχολάζειν κάθησαι; ἐπεὶ τά γε πλεῖστα ἢ πράττοντά τι ὁρῶ σε ἢ οὐ πάνυ σχολάζοντα ἐν τῇ ἀγορᾷ.

[2] Οὐδὲ ἂν γε νῦν, ἔφη ὁ Ἰσχόμαχος, ὦ Σώκρατες, ἑώρας, εἰ μὴ ξένους τινὰς συνεθέμην ἀναμένειν ἐνθάδε.

Ὅταν δὲ μὴ πράττης τι τοιοῦτον, πρὸς τῶν θεῶν, ἔφην ἐγώ, ποῦ διατρίβεις καὶ τί ποιεῖς; ἐγὼ γάρ τοι πάνυ βούλομαί σου πυθέσθαι τί ποτε πράττων καλὸς καὶ ἀγαθὸς κέκλησαι, ἐπεὶ οὐκ ἔνδον γε διατρίβεις οὐδὲ τοιαύτη σου ἡ ἔξις τοῦ σώματος καταφαίνεται.

[3] Καὶ ὁ Ἰσχόμαχος γελάσας ἐπὶ τῷ τί ποιῶν καλὸς κάγαθος κέκλησαι, καὶ ἦσθεις, ὥς γ' ἐμοὶ ἔδοξεν, εἶπεν· Ἀλλ' εἰ μὲν ὅταν σοι διαλέγωνται περὶ ἐμοῦ τινες καλοῦσί με τοῦτο τὸ ὄνομα οὐκ οἶδα· οὐ γὰρ δὴ, ὅταν γέ με εἰς ἀντίδοσιν καλῶνται τριηραρχίας ἢ χορηγίας, οὐδεὶς, ἔφη, ζητεῖ τὸν καλὸν τε κάγαθόν, ἀλλὰ σαφῶς, ἔφη, ὀνομάζοντές με Ἰσχόμαχον πατρόθεν προσκαλοῦνται. ἐγὼ μὲν τοίνυν, ἔφη, ὦ Σώκρατες, ὁ με ἐπήρου, οὐδαμῶς ἔνδον διατρίβω. καὶ γὰρ δὴ, ἔφη, τά γε ἐν τῇ οἰκίᾳ μου πάνυ καὶ αὐτὴ ἡ γυνὴ ἐστὶν ἱκανὴ διοικεῖν.

[4] Ἀλλὰ καὶ τοῦτο, ἔφην, ἔγωγε, ὦ Ἰσχόμαχε, πάνυ ἂν ἡδέως σου πυθοίμην, πότερα αὐτὸς σὺ ἐπαίδευσας τὴν γυναῖκα ὥστε εἶναι οἷαν δεῖ ἢ ἐπισταμένην ἔλαβες παρὰ τοῦ πατρὸς καὶ τῆς μητρὸς διοικεῖν τὰ προσήκοντα αὐτῇ.

[5] Καὶ τί ἂν, ἔφη, ὦ Σώκρατες, ἐπισταμένην αὐτὴν παρέλαβον, ἢ ἔτη μὲν οὐπω πεντεκαίδεκα γεγονυῖα ἦλθε πρὸς ἐμέ, τὸν δ' ἔμπροσθεν χρόνον ἔξη ὑπὸ πολλῆς ἐπιμελείας ὅπως ὡς ἐλάχιστα μὲν ὄψοιτο, ἐλάχιστα δ' ἀκούσοιτο, ἐλάχιστα δ' ἔροιτο; [6] οὐ γὰρ ἀγαπητόν σοι δοκεῖ εἶναι, εἰ μόνον ἦλθεν ἐπισταμένη ἔρια παραλαβοῦσα ἱμάτιον ἀποδεῖξαι, καὶ ἑωρακυῖα ὡς ἔργα ταλάσια θεραπαίνας δίδοται; ἐπεὶ τά γε ἀμφὶ γαστέρα, ἔφη, πάνυ καλῶς, ὦ Σώκρατες, ἦλθε πεπαιδευμένη· ὅπερ μέγιστον ἔμοιγε δοκεῖ παίδευμα εἶναι καὶ ἀνδρὶ καὶ γυναικί.

[7] Τὰ δ' ἄλλα, ἔφην ἐγώ, ὦ Ἰσχόμαχε, αὐτὸς ἐπαίδευσας τὴν γυναῖκα ὥστε ἱκανὴν εἶναι ὣν προσήκει ἐπιμελεῖσθαι;

Οὐ μὰ Δί', ἔφη ὁ Ἰσχόμαχος, οὐ πρὶν γε καὶ ἔθυσα καὶ ηὐξάμην ἐμέ τε τυγχάνειν διδάσκοντα καὶ ἐκείνην μανθάνουσαν τὰ βέλτιστα ἀμφοτέροις ἡμῖν.

[8] Οὐκοῦν, ἔφην ἐγώ, καὶ ἡ γυνὴ σοι συνέθυε καὶ συνηύχετο ταῦτά ταῦτα;

Καὶ μάλα γ', ἔφη ὁ Ἰσχόμαχος, ἥ πολλὰ ὑπὸ ἰσχνουμένη μὲν πρὸς τοὺς θεοὺς γενέσθαι οἷαν δεῖ, καὶ εὐδελος ἦν ὅτι οὐκ ἀμελήσει τῶν διδασκομένων.

[9] Πρὸς θεῶν, ἔφην ἐγώ, ὦ Ἰσχόμαχε, τί πρῶτον διδάσκειν ἤρχου αὐτὴν, διηγοῦ μοι· ὡς ἐγὼ ταῦτ' ἂν ἡδὴ σου διηγούμενου ἀκούοιμι ἢ εἰ μοι γυμνικὸν ἢ ἵππικὸν ἀγῶνα τὸν κάλλιστον διηγοῖο.

[10] καὶ ὁ Ἰσχόμαχος ἀπεκρίνατο· Τί δ'; ἔφη, ὦ Σώκρατες, ἐπεὶ ἤδη μοι χειροθήης ἦν καὶ ἐτετιθάσεντο ὥστε διαλέγεσθαι, ἡρόμην αὐτὴν

ὧδέ πως· Εἰπέ μοι, ὦ γύναι, ἄρα ἤδη κατενόησας τίνος ποτὲ ἔνεκα ἐγὼ τε σὲ ἔλαβον καὶ οἱ σοὶ γονεῖς ἔδοσάν σε ἐμοί;

[11] ὅτι μὲν γὰρ οὐκ ἀπορία ἦν μεθ' ὅτου ἄλλου ἐκαθεύδομεν ἄν, οἷδ' ὅτι καὶ σοὶ καταφανὲς τοῦτ' ἐστί. βουλευόμενος δ' ἔγωγε ὑπὲρ ἐμοῦ καὶ οἱ σοὶ γονεῖς ὑπὲρ σοῦ τίν' ἂν κοινωνὸν βέλτιστον οἴκου τε καὶ τέκνων λάβοιμεν, ἐγὼ τε σὲ ἐξελεξάμην καὶ οἱ σοὶ γονεῖς, ὡς εἰκόασιν, ἐκ τῶν δυνατῶν ἐμέ.

[12] τέκνα μὲν οὖν ἂν θεός ποτε διδῶι ἡμῖν γενέσθαι, τότε βουλευσόμεθα περὶ αὐτῶν ὅπως ὅτι βέλτιστα παιδεύσομεν αὐτά· κοινὸν γὰρ ἡμῖν καὶ τοῦτο ἀγαθόν, συμμάχων καὶ γηροβοσκῶν ὅτι βελτίστων τυγχάνειν·

[13] νῦν δὲ δὴ οἶκος ἡμῖν ὅδε κοινός ἐστιν. ἐγὼ τε γὰρ ὅσα μοι ἔστιν ἅπαντα εἰς τὸ κοινὸν ἀποφαίνω, σύ τε ὅσα ἡνέγκω πάντα εἰς τὸ κοινὸν κατέθηκας. καὶ οὐ τοῦτο δεῖ λογίζεσθαι, πότερος ἄρα ἀριθμῶι πλείω συμβέβληται ἡμῶν, ἀλλ' ἐκεῖνο εὖ εἰδέναι, ὅτι ὁπότερος ἂν ἡμῶν βελτίων κοινωνὸς ᾖ, οὗτος τὰ πλείονος ἄξια συμβάλλεται.

[14] Ἀπεκρίνατο δέ μοι, ὦ Σώκρατες, πρὸς ταῦτα ἡ γυνή· Τί δ' ἂν ἐγὼ σοι, ἔφη, δυναίμην συμπρᾶξαι; τίς δὲ ἡ ἐμὴ δύναμις; ἀλλ' ἐν σοὶ πάντα ἐστίν· ἐμὸν δ' ἔφησεν ἡ μήτηρ ἔργον εἶναι σωφρονεῖν.

[15] Ναὶ μὰ Δί', ἔφην ἐγὼ, ὦ γύναι, καὶ γὰρ ἐμοὶ ὁ πατήρ. ἀλλὰ σωφρόνων τοί ἐστι καὶ ἀνδρὸς καὶ γυναικὸς οὕτω ποιεῖν, ὅπως τά τε ὄντα ὡς βέλτιστα ἔξει καὶ ἄλλα ὅτι πλεῖστα ἐκ τοῦ καλοῦ τε καὶ δικαίου προσγενήσεται.

[16] Καὶ τί δή, ἔφη, ὀρᾷς, ἡ γυνή, ὃ τι ἂν ἐγὼ, ποιούσα συναύξοιμι τὸν οἶκον;

Ναὶ μὰ Δί', ἔφην ἐγὼ, ἃ τε οἱ θεοὶ ἔφυσάν σε δύνασθαι καὶ ὁ νόμος συνεπαινεῖ, ταῦτα πειρῶ ὡς βέλτιστα ποιεῖν.

[17] Καὶ τί δή ταῦτ' ἐστιν; ἔφη ἐκεῖνη.

Οἶμαι μὲν ἔγωγε, ἔφην, οὐ τὰ ἐλαχίστου ἄξια, εἰ μὴ πέρ γε καὶ ἡ ἐν τῷ σμήνει ἡγεμῶν μέλιττα ἐπ' ἐλαχίστου ἀξίοις ἔργοις ἐφέστηκεν. [18] ἐμοὶ γάρ τοι, ἔφη φάναι, καὶ οἱ θεοί, ὦ γύναι, δοκοῦσι πολὺ διεσκευμένως μάλιστα τὸ ζεῦγος τοῦτο συντεθεικέναι ὃ καλεῖται θῆλυ καὶ ἄρρεν, ὅπως ὅτι ὠφελιμώτατον ᾖ αὐτῷ εἰς τὴν κοινωνίαν. [19] πρῶτον μὲν γὰρ τοῦ μὴ ἐκλιπεῖν ζώων γένη τοῦτο τὸ ζεῦγος κεῖται μετ' ἀλλήλων τεκνοποιούμενον, ἔπειτα τὸ γηροβοσκὸς κεκτῆσθαι ἑαυτοῖς ἐκ τούτου τοῦ ζεύγους τοῖς γοῦν ἀνθρώποις πορίζεται· ἔπειτα δὲ καὶ ἡ δίαίτα τοῖς ἀνθρώποις οὐχ

ὥσπερ τοῖς κτήνεσιν ἐστὶν ἐν ὑπαίθρῳ, ἀλλὰ στεγῶν δεῖται δῆλον ὅτι. [20] δεῖ μέντοι τοῖς μέλλουσιν ἀνθρώποις ἔξιν ὅ τι εἰσφέρωσιν εἰς τὸ στεγνὸν τοῦ ἐργασομένου τὰς ἐν τῷ ὑπαίθρῳ ἐργασίας. καὶ γὰρ νεατὸς καὶ σπόρος καὶ φυτεία καὶ νομαὶ ὑπαίθρια ταῦτα πάντα ἔργα ἐστίν· ἐκ τούτων δὲ τὰ ἐπιτήδεια γίγνεται. [21] δεῖ δ' αὖ, ἐπειδὴν ταῦτα εἰσενεχθῇ εἰς τὸ στεγνόν, καὶ τοῦ σώσοντος ταῦτα καὶ τοῦ ἐργασομένου δ' ἃ τῶν στεγνῶν ἔργα δεόμενά ἐστι. στεγνῶν δὲ δεῖται καὶ ἡ τῶν νεογνῶν τέκνων παιδοτροφία, στεγνῶν δὲ καὶ αἱ ἐκ τοῦ καρποῦ σιτοποιαὶ δέονται· ὡσαύτως δὲ καὶ ἡ τῆς ἐσθῆτος ἐκ τῶν ἐρίων ἐργασία. [22] ἐπεὶ δ' ἀμφοτέρα ταῦτα καὶ ἔργων καὶ ἐπιμελείας δεῖται τὰ τε ἔνδον καὶ τὰ ἔξω, καὶ τὴν φύσιν, φάναι, εὐθὺς παρεσκεύασεν ὁ θεός, ὡς ἐμοὶ δοκεῖ, τὴν μὲν τῆς γυναικὸς ἐπὶ τὰ ἔνδον ἔργα καὶ ἐπιμελήματα, <τὴν δὲ τοῦ ἀνδρὸς ἐπὶ τὰ ἔξω>. [23] ῥίγη μὲν γὰρ καὶ θάλλη καὶ ὁδοιπορίας καὶ στρατείας τοῦ ἀνδρὸς τὸ σῶμα καὶ τὴν ψυχὴν μᾶλλον δύνασθαι καρτερεῖν κατεσκεύασεν· ὥστε τὰ ἔξω ἐπέταξεν αὐτῷ ἔργα· τῇ δὲ γυναικὶ ἦττον τὸ σῶμα δυνατὸν πρὸς ταῦτα φύσας τὰ ἔνδον ἔργα αὐτῇ, φάναι ἔφη, προστάξαι μοι δοκεῖ ὁ θεός. [24] εἰδὼς δὲ ὅτι τῇ γυναικὶ καὶ ἐνέφυσε καὶ προσέταξε τὴν τῶν νεογνῶν τέκνων τροφήν, καὶ τοῦ στέργειν τὰ νεογνά βρέφη πλέον αὐτῇ ἐδάσατο ἢ τῷ ἀνδρί. [25] ἐπεὶ δὲ καὶ τὸ φυλάττειν τὰ εἰσενεχθέντα τῇ γυναικὶ προσέταξε, γινώσκων ὁ θεὸς ὅτι πρὸς τὸ φυλάττειν οὐ κάκιόν ἐστι φοβερὰν εἶναι τὴν ψυχὴν πλέον μέρος καὶ τοῦ φόβου ἐδάσατο τῇ γυναικὶ ἢ τῷ ἀνδρί. εἰδὼς δὲ ὅτι καὶ ἀρήγειν αὐτὴν δεήσει, ἐάν τις ἀδικῇ, τὸν τὰ ἔξω ἔργα ἔχοντα, τούτῳ αὐτὴν πλέον μέρος τοῦ θράσους ἐδάσατο. [26] ὅτι δ' ἀμφοτέρους δεῖ καὶ διδόναι καὶ λαμβάνειν, τὴν μνήμην καὶ τὴν ἐπιμέλειαν εἰς τὸ μέσον ἀμφοτέροις κατέθηκεν. ὥστε οὐκ ἂν ἔχοις διελεῖν πότερα τὸ ἔθνος τὸ θῆλου ἢ τὸ ἄρρεν τούτων πλεονεκτεῖ. [27] καὶ τὸ ἐγκρατεῖς δὲ εἶναι ὧν δεῖ εἰς τὸ μέσον ἀμφοτέροις κατέθηκε, καὶ ἐξουσίαν ἐποίησεν ὁ θεὸς ὁπότερος ἂν ᾖ βελτίων, εἴθ' ὁ ἀνὴρ εἴθ' ἡ γυνή, τοῦτον καὶ πλέον φέρεσθαι τούτου τοῦ ἀγαθοῦ. [28] διὰ δὲ τὴν φύσιν μὴ πρὸς πάντα ταῦτα ἀμφοτέρων εὖ πεφυκέναι, διὰ τοῦτο καὶ δέονται μᾶλλον ἀλλήλων καὶ τὸ ζεῦγος ὠφελιμώτερον ἑαυτῷ γεγένηται, ἃ τὸ ἕτερον ἐλλείπεται τὸ ἕτερον δυνάμενον. [29] ταῦτα δέ, ἔφη, δεῖ ἡμᾶς, ὧ γύναι, εἰδότας, ἃ ἐκατέρῳ ἡμῶν προστέτακται ὑπὸ τοῦ θεοῦ, πειρᾶσθαι ὅπως ὡς βέλτιστα τὰ προσήκοντα ἐκάτερον ἡμῶν διαπράττεσθαι. [30] συνεπαινεῖ δέ, ἔφη φάναι, καὶ ὁ νόμος αὐτά,

συζευγνὺς ἄνδρα καὶ γυναῖκα· καὶ κοινωνοὺς ὥσπερ τῶν τέκνων ὁ θεὸς ἐποίησεν, οὕτω καὶ ὁ νόμος <τοῦ οἴκου> κοινωνοὺς καθίστησι. καὶ καλὰ δὲ εἶναι ὁ νόμος ἀποδείκνυσιν <ἃ> καὶ ὁ θεὸς ἔφυσεν ἐκάτερον μᾶλλον δύνασθαι. τῇ μὲν γὰρ γυναικὶ κάλλιον ἔνδον μένειν ἢ θυραυλεῖν, τῷ δὲ ἀνδρὶ αἵσχιον ἔνδον μένειν ἢ τῶν ἔξω ἐπιμελεῖσθαι. [31] εἰ δέ τις παρ' ἃ ὁ θεὸς ἔφυσε ποιεῖ, ἴσως τι καὶ ἀτακτῶν τοὺς θεοὺς οὐ λήθει καὶ δίκην δίδωσιν ἀμελῶν τῶν ἔργων τῶν ἑαυτοῦ ἢ πράττων τὰ τῆς γυναικὸς ἔργα. [32] δοκεῖ δέ μοι, ἔφην, καὶ ἡ τῶν μελιττῶν ἡγεμῶν τοιαῦτα ἔργα ὑπὸ τοῦ θεοῦ προστεταγμένα διαπονεῖσθαι.

Καὶ ποῖα δὴ, ἔφη ἐκείνη, ἔργα ἔχουσα ἡ τῶν μελιττῶν ἡγεμῶν ἐξομοιοῦται τοῖς ἔργοις οἷς ἐμὲ δεῖ πράττειν;

[33] Ὅτι, ἔφην ἐγώ, ἐκείνη γε ἐν τῷ σμῇνι μένουσα οὐκ ἔαι ἀργοὺς τὰς μελίττας εἶναι, ἀλλ' ἄς μὲν δεῖ ἔξω ἐργάζεσθαι ἐκπέμπει ἐπὶ τὸ ἔργον, καὶ ἃ ἂν αὐτῶν ἐκάστη εἰσφέρει οἶδέ τε καὶ δέχεται, καὶ σῶιζει ταῦτα ἔστ' ἂν δέηι χρῆσθαι. ἐπειδὴν δὲ ἡ ὥρα τοῦ χρῆσθαι ἦκη, διανέμει τὸ δίκαιον ἐκάστῃ. [34] καὶ ἐπὶ τοῖς ἔνδον δ' ἐξυφαινομένοις κηρίοις ἐφέστηκεν, ὡς καλῶς καὶ ταχέως ὑφαίνεται, καὶ τοῦ γιγνομένου τόκου ἐπιμελεῖται ὡς ἐκτρέφεται· ἐπειδὴν δὲ ἐκτραφῇ καὶ ἀξιοεργοὶ οἱ νεοττοὶ γένωνται, ἀποικίζει αὐτοὺς σὺν τῶν ἐπιγόνων τινὶ ἡγεμόνι.

[35] Ἥ καὶ ἐμὲ οὖν, ἔφη ἡ γυνή, δεῖσει ταῦτα ποιεῖν;

Δεῖσει μέντοι σε, ἔφην ἐγώ, ἔνδον τε μένειν καὶ οἷς μὲν ἂν ἔξω τὸ ἔργον ἢ τῶν οἰκετῶν, τούτους συνεκπέμπειν, οἷς δ' ἂν ἔνδον ἔργον ἐργαστέον, [36] τούτων σοὶ ἐπιστατητέον, καὶ τά τε εἰσφερόμενα ἀποδεκτέον καὶ ἃ μὲν ἂν αὐτῶν δέηι δαπανᾶν σοὶ διανεμητέον, ἃ δ' ἂν περιττεύειν δέηι, προνοητέον καὶ φυλακτέον ὅπως μὴ ἡ εἰς τὸν ἐνιαυτὸν κειμένη δαπάνη εἰς τὸν μῆνα δαπανᾶται. καὶ ὅταν ἔρια εἰσενεχθῇ σοι, ἐπιμελητέον ὅπως οἷς δεῖ ἱμάτια γίγνηται. καὶ ὁ γε ξηρὸς σῖτος ὅπως καλῶς ἐδώδιμος γίγνηται ἐπιμελητέον. [37] ἐν μέντοι τῶν σοὶ προσηκόντων, ἔφην ἐγώ, ἐπιμελημάτων ἴσως ἀχαριστότερον δόξει εἶναι, ὅτι, ὅς ἂν κάμνη τῶν οἰκετῶν, τούτων σοὶ ἐπιμελητέον πάντων ὅπως θεραπεύηται.

Νῆ Δί', ἔφη ἡ γυνή, ἐπιχαριτώτατον μὲν οὖν, ἂν μέλλωσί γε οἱ καλῶς θεραπευθέντες χάριν εἶσεσθαι καὶ εὐνούστεροι ἢ πρόσθεν ἔσεσθαι.

[38] Καὶ ἐγώ, ἔφη ὁ Ἰσχύμαχος, ἀγασθεὶς αὐτῆς τὴν ἀπόκρισιν

εἶπον· Ἄρά γε, ὦ γύναι, διὰ τοιαύτας τινὰς προνοίας καὶ τῆς ἐν τῷ σμήνει ἡγεμόνος αἱ μέλιτται οὕτω διατίθενται πρὸς αὐτήν, ὥστε, ὅταν ἐκεῖνη ἐκλίπη, οὐδεμία οἶται τῶν μελιττῶν ἀπολειπτέον εἶναι, ἀλλ' ἐπονται πᾶσαι;

[39] Καὶ ἡ γυνὴ μοι ἀπεκρίνατο· Θαυμάζοιμ' ἄν, ἔφη, εἰ μὴ πρὸς σὲ μᾶλλον τείνοι τὰ τοῦ ἡγεμόνος ἔργα ἢ πρὸς ἐμέ. ἡ γὰρ ἐμὴ φυλακὴ τῶν ἔνδον καὶ διανομὴ γελοία τις ἄν, οἶμαι, φαίνοιτο, εἰ μὴ σύγε ἐπιμελοῖτο ὅπως ἔξωθέν τι εἰσφέροιτο.

[40] Γελοία δ' αὖ, ἔφην ἐγώ, ἡ ἐμὴ εἰσφορὰ φαίνοيت' ἄν, εἰ μὴ εἴη ὅστις τὰ εἰσενεχθέντα σώιζοι. οὐχ ὁραῖς, ἔφην ἐγώ, οἱ εἰς τὸν τετρημένον πίθον ἀντλεῖν λεγόμενοι ὥς οἰκτίρονται, ὅτι μάτην πονεῖν δοκοῦσι;

Νῆ Δί', ἔφη ἡ γυνή, καὶ γὰρ τλήμονές εἰσιν, εἰ τοῦτό γε ποιοῦσιν.

[41] Ἄλλαι δέ τοι, ἔφην ἐγώ, ἴδιαι ἐπιμέλειαι, ὦ γύναι, ἡδεῖαί σοι γίνονται, ὅποταν ἀνεπιστήμονα ταλασίας λαβοῦσα ἐπιστήμονα ποιήσης καὶ διπλασίου σοι ἀξία γένηται, καὶ ὅποταν ἀνεπιστήμονα ταμείας καὶ διακονίας παραλαβοῦσα ἐπιστήμονα καὶ πιστὴν καὶ διακονικὴν ποιησαμένη παντὸς ἀξίαν ἔχῃς, καὶ ὅποταν τοὺς μὲν σώφρονάς τε καὶ ὠφελίμους τῷ σῶι οἴκῳ ἐξῇ σοι εὖ ποιῆσαι, ἐὰν δέ τις πονηρὸς φαίνεται, ἐξῇ σοι κολάσαι· [42] τὸ δὲ πάντων ἡδιστον, ἐὰν βελτίων ἐμοῦ φανῇς, καὶ ἐμὲ σὸν θεράποντα ποιήσῃ, καὶ μὴ δέῃ σε φοβεῖσθαι μὴ προιούσης τῆς ἡλικίας ἀτιμότερα ἐν τῷ οἴκῳ γένῃ, ἀλλὰ πιστεύῃς ὅτι πρεσβυτέρα γιγνομένη ὅσῳ ἂν καὶ ἐμοὶ κοινωνὸς καὶ παισὶν οἴκου φύλαξ ἀμείνων γίγνηι, τοσοῦτω καὶ τιμωτέρα ἐν τῷ οἴκῳ ἔσει. [43] τὰ γὰρ καλὰ τε κάγαθά, ἐγὼ ἔφην, οὐ διὰ τὰς ὥραιότητας, ἀλλὰ διὰ τὰς ἀρετὰς εἰς τὸν βίον τοῖς ἀνθρώποις ἐπαύξεται. τοιαῦτα μὲν, ὦ Σώκρατες, δοκῶ μεμνησθαι αὐτῇ τὰ πρῶτα διαλεχθεῖς.

Κεφάλαιον η'

[1] Ἡ καὶ ἐπέγνωσ τι, ὦ Ἰσχόμαχε, ἔφην ἐγώ, ἐκ τούτων αὐτὴν κεκινημένην μᾶλλον πρὸς τὴν ἐπιμέλειαν;

Ναὶ μὰ Δί', ἔφη ὁ Ἰσχόμαχος, καὶ δηχθεῖσάν γε οἶδα αὐτὴν καὶ ἐρυθριάσασαν σφόδρα ὅτι τῶν εἰσενεχθέντων τι αἰτήσαντος ἐμοῦ οὐκ εἶχε μοι δοῦναι. [2] καὶ ἐγὼ μέντοι ἰδὼν ἀχθεσθεῖσαν αὐτὴν εἶπον· Μηδέν τι, ἔφην, ἀθυμήσης, ὦ γύναι, ὅτι οὐκ ἔχεις δοῦναι ὃ σε αἰτῶν τυγχάνω. ἔστι μὲν γὰρ πενία αὕτη σαφής, τὸ δεόμενόν τινος

μη ἔχειν χρῆσθαι· ἀλυποτέρα δὲ αὕτη ἢ ἔνδεια, τὸ ζητοῦντά τι μη δύνασθαι λαβεῖν, ἢ τὴν ἀρχὴν μηδὲ ζητεῖν εἰδότα ὅτι οὐκ ἔστιν. ἀλλὰ γάρ, ἔφην ἐγώ, τούτων οὐ σὺ αἰτία, ἀλλ' ἐγὼ οὐ τάξας σοι παρέδωκα ὅπου χρὴ ἕκαστα κεῖσθαι, ὅπως εἰδῆς ὅπου τε δεῖ τιθέναι καὶ ὁπόθεν λαμβάνειν. [3] ἔστι δ' οὐδὲν οὕτως, ὃ γύναι, οὐτ' εὐχρηστον οὔτε καλὸν ἀνθρώποις ὡς τάξις. καὶ γὰρ χορὸς ἐξ ἀνθρώπων συγκείμενός ἐστιν· ἀλλ' ὅταν μὲν ποιῶσιν ὅ τι ἂν τύχῃ ἕκαστος, ταραχὴ τις φαίνεται καὶ θεᾶσθαι ἀτερπές, ὅταν δὲ τεταγμένως ποιῶσι καὶ φθέγγωνται, ἅμα οἱ αὐτοὶ οὗτοι καὶ ἀξιοθέατοι δοκοῦσιν εἶναι καὶ ἀξιάκουστοι. [4] καὶ στρατιὰ γε, ἔφην ἐγώ, ὃ γύναι, ἄτακτος μὲν οὔσα ταραχωδέστατον, καὶ τοῖς μὲν πολεμίους εὐχειρωτότατον, τοῖς δὲ φίλοις ἀκλεέστατον ὁρᾶν καὶ ἀχρηστότατον, ὄνος ὁμοῦ, ὀπλίτης, σκευοφόρος, ψιλός, ἱππεύς, ἅμαξα – πῶς γὰρ ἂν πορευθεῖσαν, <ἐάν> ἔχοντες οὕτως ἐπικωλύσωσιν ἀλλήλους, ὁ μὲν βαδίζων τὸν τρέχοντα, ὁ δὲ τρέχων τὸν ἐστηκότα, ἢ δὲ ἅμαξα τὸν ἱππέα, ὁ δὲ ὄνος τὴν ἅμαξαν, ὁ δὲ σκευοφόρος τὸν ὀπλίτην; [5] εἰ δὲ καὶ μάχεσθαι δέοι, πῶς ἂν οὕτως ἔχοντες μαχέσαιντο; οἷς γὰρ ἀνάγκη αὐτῶν τοὺς ἐπιόντας φεύγειν, οὗτοι ἱκανοὶ εἰσι φεύγοντες καταπατῆσαι τοὺς ὅπλα ἔχοντας –, [6] τεταγμένη δὲ στρατιὰ κάλλιστον μὲν ἰδεῖν τοῖς φίλοις, δυσχερέστατον δὲ τοῖς πολεμίους. τίς μὲν γὰρ οὐκ ἂν φίλος ἡδέως θεάσαιτο ὀπλίτας πολλοὺς ἐν τάξει πορευομένους, τίς δ' οὐκ ἂν θαυμάσειεν ἱππέας κατὰ τάξεις ἐλαύνοντας, τίς δὲ οὐκ ἂν πολέμιος φοβηθεῖ ἰδὼν διηυκρινημένους ὀπλίτας, ἱππέας, πελταστάς, τοξότας, σφενδονήτας, καὶ τοῖς ἄρχουσι τεταγμένως ἐπομένους; [7] ἀλλὰ καὶ πορευομένων ἐν τάξει, κἂν πολλαὶ μυριάδες ὦσιν, ὁμοίως ὥσπερ εἷς ἕκαστος καθ' ἡσυχίαν πάντες πορεύονται· εἰς γὰρ τὸ κενούμενον ἀεὶ <οἱ> ὀπισθεν ἐπέρχονται. [8] καὶ τριήρης δέ τοι ἢ σεσαγμένη ἀνθρώπων διὰ τί ἄλλο φοβερὸν ἐστὶ πολεμίους ἢ φίλοις ἀξιοθέατον ἢ ὅτι ταχὺ πλεῖ; διὰ τί δὲ ἄλλο ἄλυποι ἀλλήλοις εἰσὶν οἱ ἐμπλέοντες ἢ διότι ἐν τάξει μὲν κάθηνται, ἐν τάξει δὲ προνεύουσιν, ἐν τάξει δ' ἀναπίπτουσιν, ἐν τάξει δ' ἐμβαίνουσι καὶ ἐκβαίνουσιν; [9] ἢ δ' ἀταξία ὁμοίων τί μοι δοκεῖ εἶναι οἷόνπερ εἰ γεωργὸς ὁμοῦ ἐμβάλοι κριθᾶς καὶ πυροῦς καὶ ὄσπρια, κἄπειτα, ὅποτε δέοι ἢ μάξης ἢ ἄρτου ἢ ὕψου, διαλέγειν δέοι αὐτῶι ἀντὶ τοῦ λαβόντα διηυκρινημένοις χρῆσθαι. [10] καὶ σὺ οὖν, ὃ γύναι, <εἰ> τοῦ μὲν τάραχου τούτου μὴ δέοιο, βούλοιο δ' ἀκριβῶς διοικεῖν τὰ ὄντα εἰδέναι καὶ τῶν ὄντων εὐπόρως λαμβάνουσα ὅτῳ ἂν δέῃ χρῆσθαι,

καὶ ἐμοί, ἐάν τι αἰτῶ, ἐν χάριτι διδόναι, χώραν τε δοκιμασώμεθα τὴν προσήκουσαν ἐκάστοις ἔχειν καὶ ἐν ταύτῃ θέντες διδάξωμεν τὴν διάκονον λαμβάνειν τε ἐντεῦθεν καὶ κατατιθέναι πάλιν εἰς ταύτην· καὶ οὕτως εἰσόμεθα τὰ τε σῶα ὄντα καὶ τὰ μὴ· ἢ γὰρ χώρα αὐτὴ τὸ μὴ ὄν ποθήσει, καὶ <τὸ> δεόμενον θεραπείας ἐξετάσει ἢ ὄψις, καὶ τὸ εἰδέναι ὅπου ἕκαστόν ἐστι ταχὺ ἐγγχειριεῖ, ὥστε μὴ ἀπορεῖν χρῆσθαι. [11] καλλίστην δέ ποτε καὶ ἀκριβεστάτην ἔδοξα σκευῶν τάξιν ἰδεῖν, ὃ Σώκρατες, εἰσβάς ἐπὶ θεῶν εἰς τὸ μέγα πλοῖον τὸ Φοινικικόν. πλεῖστα γὰρ σκευὴ ἐν σμικροτάτῳ ἀγγεῖῳ διακεχωρισμένα ἐθεασάμην. [12] διὰ πολλῶν μὲν γὰρ δῆπου, ἔφη, ξυλίνων σκευῶν καὶ πλεκτῶν ὀρμίζεται ναὺς καὶ ἀνάγεται, διὰ πολλῶν δὲ τῶν κρεμαστῶν καλουμένων πλεῖ, πολλοῖς δὲ μηχανήμασιν ἀνθώπλισται πρὸς τὰ πολέμια πλοῖα, πολλὰ δὲ ὅπλα τοῖς ἀνδράσι συμπεριάγει, πάντα δὲ σκευὴ ὅσοις οὐκ ἐν οἰκίᾳ χρῶνται ἄνθρωποι τῇ συσσιτίᾳ ἐκάστη κομίζει· γέμει δὲ παρὰ πάντα φορτίων ὅσα ναύκληρος κέρδους ἕνεκα ἄγεται. [13] καὶ ὅσα λέγω, ἔφη, ἐγώ, πάντα οὐκ ἐν πολλῷ τινι μείζονι χώρᾳ ἔκειτο ἢ ἐν δεκακλίνῳ στέγῃ συμμέτρῳ. καὶ οὕτω κείμενα ἕκαστα κατενόησα ὥς οὔτε ἄλληλα ἐμποδίζει οὔτε μαστευτοῦ δεῖται οὔτε ἀσυσκευάστᾳ ἐστὶν οὔτε δυσλύτως ἔχει, ὥστε διατριβὴν παρέχειν, ὅταν τῷ ταχὺ δέῃ χρῆσθαι. [14] τὸν δὲ τοῦ κυβερνήτου διάκονον, ὃς πρωιεὺς τῆς νεῶς καλεῖται, οὕτως ἡῦρον ἐπιστάμενον ἐκάστων τὴν χώραν ὥς καὶ ἀπὼν ἂν εἴποι ὅπου ἕκαστα κεῖται καὶ ὅποσα ἐστὶν οὐδὲν ἥττον ἢ ὁ γράμματα ἐπιστάμενος εἴποι ἂν Σωκράτους καὶ ὅποσα γράμματα καὶ ὅπου ἕκαστον τέτακται. [15] εἶδον δέ, ἔφη ὁ Ἰσχόμαχος, καὶ ἐξετάζοντα τοῦτον αὐτὸν ἐν τῇ σχολῇ πάντα ὅποσοις ἄρα δεῖ ἐν τῷ πλοίῳ χρῆσθαι. θαυμάσας δέ, ἔφη, τὴν ἐπίσκεψιν αὐτοῦ ἠρόμην τί πράττοι.

Ὁ δ' εἶπεν· Ἐπισκοπῶ, ἔφη, ὃ ξένη, εἴ τι συμβαίνοι γίνεσθαι, πῶς κεῖται, ἔφη, τὰ ἐν τῇ νηί, ἢ εἴ τι ἀποστατεῖ ἢ εἴ δυστραπέλως τι σύγκειται. [16] οὐ γάρ, ἔφη, ἐγχωρεῖ, ὅταν χειμάζῃ ὁ θεὸς ἐν τῇ θαλάττῃ, οὔτε μαστεύειν ὅτου ἂν δέῃ οὔτε δυστραπέλως ἔχον διδόναι. ἀπειλεῖ γὰρ ὁ θεὸς καὶ κολάζει τοὺς βλάκας. ἐὰν δὲ μόνον μὴ ἀπολέσῃ τοὺς μὴ ἁμαρτάνοντας, πάνυ ἀγαπητόν· ἐὰν δὲ καὶ πάνυ καλῶς ὑπηρετοῦντας, σώιζῃ, πολλὴ χάρις, ἔφη, τοῖς θεοῖς. [17] ἐγὼ οὖν κατιδὼν ταύτην τὴν ἀκρίβειαν τῆς κατασκευῆς ἔλεγον τῇ γυναικὶ ὅτι πάνυ ἂν ἡμῶν εἴη βλακικόν, εἰ οἱ μὲν ἐν τοῖς πλοίοις καὶ μικροῖς οὔσι χώρας εὐρίσκουσι, καὶ σαλεύοντες ἰσχυρῶς ὁμῶς

σώιζουσι τὴν τάξιν, καὶ ὑπερφοβούμενοι ὅμως εὐρίσκουσι τὸ δέον λαμβάνειν, ἡμεῖς δὲ καὶ διηρημένων ἐκάστοις θηκῶν ἐν τῇ οἰκίᾳ μεγάλων καὶ βεβηκυίας τῆς οἰκίας ἐν δαπέδῳ, εἰ μὴ εὐρήσομεν καλὴν καὶ εὐεύρετον χώραν ἐκάστοις αὐτῶν, πῶς οὐκ ἂν πολλὴ ἡμῶν ἀσυνεσία εἴη; [18] ὥς μὲν δὴ ἀγαθὸν τετάχθαι σκευῶν κατασκευὴν καὶ ὥς ράδιον χώραν ἐκάστοις αὐτῶν εὐρεῖν ἐν οἰκίᾳ θεῖναι ὥς ἐκάστοις συμφέρει εἴρηται· [19] ὥς δὲ καλὸν φαίνεται, ἐπειδὰν ὑποδήματα ἐφεξῆς κέηται, κἂν ὅποια ᾖ, καλὸν δὲ ἱμάτια κεχωρισμένα ἰδεῖν, κἂν ὅποια ᾖ, καλὸν δὲ στρώματα, καλὸν δὲ χαλκία, καλὸν δὲ τὰ ἀμφὶ τραπέζας, καλὸν δὲ καὶ ὁ πάντων καταγελάσειεν ἂν μάλιστα οὐχ ὁ σεμνὸς ἀλλ' ὁ κομψός, [ὅτι] καὶ χύτρας [φησὶν] εὐρυθμον φαίνεσθαι εὐκρινῶς κειμένας – [20] τὰ δὲ ἄλλα ἤδη που ἀπὸ τούτου ἅπαντα καλλίῳ φαίνεται κατὰ κόσμον κείμενα· χορὸς γὰρ σκευῶν ἕκαστα φαίνεται, καὶ τὸ μέσον δὲ πάντων τούτων καλὸν φαίνεται, ἐκποδῶν ἐκάστου κειμένου· ὥσπερ καὶ κύκλιος χορὸς οὐ μόνον αὐτὸς καλὸν θέαμά ἐστιν, ἀλλὰ καὶ τὸ μέσον αὐτοῦ καλὸν καὶ καθαρὸν φαίνεται – [21] εἰ δὲ ἀληθῆ ταῦτα λέγω, ἔξεστιν, ἔφην, ὦ γύναι, καὶ πείραν λαμβάνειν αὐτῶν οὔτε τι ζημιωθέντας οὔτε τι πολλὰ πονήσαντας. ἀλλὰ μὴν οὐδὲ τοῦτο δεῖ ἀθυμῆσαι, ὦ γύναι, ἔφην ἐγώ, ὥς χαλεπὸν εὐρεῖν τὸν μαθησόμενόν τε τὰς χώρας καὶ μεμνησόμενον καταχωρίζειν ἕκαστα. [22] ἴσμεν γὰρ δήπου ὅτι μυριοπλάσια ἡμῶν ἅπαντα ἔχει ἡ πᾶσα πόλις, ἀλλ' ὅμως, ὁποῖον ἂν τῶν οἰκετῶν κελεύσεις πριάμενόν τί σοι ἐξ ἀγορᾶς ἐνεγκεῖν, οὐδεὶς ἀπορήσει, ἀλλὰ πᾶς εἰδὼς φανεῖται ὅποι χρὴ ἐλθόντα λαβεῖν ἕκαστα. τούτου μέντοι, ἔφην ἐγώ, οὐδὲν ἄλλο αἰτιὸν ἐστὶν ἢ ὅτι ἐν χώρᾳ κεῖται τεταγμένη. [23] ἄνθρωπον δέ γε ζητῶν, καὶ ταῦτα ἐνίοτε ἀντιζητοῦντα, πολλάκις ἂν τις πρότερον, πρὶν εὐρεῖν, ἀπείποι. καὶ τούτου αὖ οὐδὲν ἄλλο αἰτιὸν ἐστὶν ἢ τὸ μὴ εἶναι τεταγμένον ὅπου ἕκαστον δεῖ ἀναμένειν. περὶ μὲν [γὰρ] δὴ τάξεως σκευῶν καὶ χρήσεως τοιαῦτα αὐτῇ διαλεχθεῖς δοκῶ μεμνήσθαι.

Κεφάλαιον θ'

[1] Καὶ τί δή; ἡ γυνὴ ἐδόκει σοι, ἔφην ἐγώ, ὦ Ἰσχόμαχε, πῶς τι ὑπακούειν ὧν σὺ ἐσπούδαζες διδάσκων;

Τί δέ, εἰ μὴ ὑπισχνεῖτό γε ἐπιμελήσεσθαι καὶ φανερά ᾗν ἡδομένη ἰσχυρῶς, ὥσπερ ἐξ ἀμχανίας εὐπορίαν τινὰ ἡύρηκυῖα, καὶ ἐδεῖτό μου ὥς τάχιστα ἥτις ἐλεγον διατάξει.

[2] Καὶ πῶς δὴ, ἔφην ἐγώ, ὦ Ἰσχόμαχε, διέταξας αὐτῇ;

Τί δ', εἰ μὴ τῆς γε οἰκίας τὴν δύναμιν ἔδοξέ μοι πρῶτον ἐπιδεῖξαι αὐτῇ. οὐ γὰρ ποικίλμασι κεκόσμηται, ὦ Σώκρατες, ἀλλὰ τὰ οἰκήματα ὠικοδόμηται πρὸς αὐτὸ τοῦτο ἐσκεμμένα, ὅπως ἀγγεῖα ὡς συμφορώτατα ἢ τοῖς μέλλουσιν ἐν αὐτοῖς ἔσεσθαι· ὥστε αὐτὰ ἐκάλει τὰ πρέποντα εἶναι ἐν ἐκάστωι. [3] ὁ μὲν γὰρ θάλαμος ἐν ὀχυρῶι ὦν τὰ πλείστου ἄξια καὶ στρώματα καὶ σκεύη παρεκάλει, τὰ δὲ ξηρὰ τῶν στεγνῶν τὸν σῖτον, τὰ δὲ ψυχρεῖν τὸν οἶνον, τὰ δὲ φανὰ ὅσα φάους δεόμενα ἔργα τε καὶ σκεύη ἐστί. [4] καὶ διαιτητήρια δὲ τοῖς ἀνθρώποις ἐπεδείκνυν αὐτῇ κεκαλλωπισμένα τοῦ μὲν θέρους ἔχειν ψυχρεῖν, τοῦ δὲ χειμῶνος ἄλειναι. καὶ σύμπασαν δὲ τὴν οἰκίαν ἐπέδειξα αὐτῇ ὅτι πρὸς μεσημβρίαν ἀναπέπταται, ὥστε εὐδῆλον εἶναι ὅτι χειμῶνος μὲν εὐήλιός ἐστι, τοῦ δὲ θέρους εὐσκίος. [5] ἔδειξα δὲ καὶ τὴν γυναικωνίτιν αὐτῇ, θύραι βαλανωτῇ ὠρισμένην ἀπὸ τῆς ἀνδρωνίτιδος, ἵνα μήτε ἐκφέρηται ἐνδοθεν ὃ τι μὴ δεῖ μήτε τεκνοποιῶνται οἱ οἰκέται ἄνευ τῆς ἡμετέρας γνώμης. οἱ μὲν γὰρ χρηστοὶ παιδοποιησάμενοι εὐνούστεροι ὡς ἐπὶ τὸ πολὺ, οἱ δὲ πονηροὶ συζυγέντες εὐπορώτεροι πρὸς τὸ κακουργεῖν γίνονται. [6] ἐπεὶ δὲ ταῦτα διήλθομεν, ἔφη, οὕτω δὴ ἤδη κατὰ φυλὰς διεκρίνομεν τὰ ἐπιπλα. ἡρχόμεθα δὲ πρῶτον, ἔφη, ἀθροίζοντες, οἷς ἀμφὶ θυσίας χρώμεθα. μετὰ ταῦτα κόσμον γυναικὸς τὸν εἰς ἐορτὰς διηροῦμεν, ἐσθῆτα ἀνδρὸς τὴν εἰς ἐορτὰς καὶ πόλεμον, καὶ στρώματα ἐν γυναικωνίτιδι, στρώματα ἐν ἀνδρωνίτιδι, ὑποδήματα γυναικεῖα, ὑποδήματα ἀνδρεῖα. [7] ὅπλων ἄλλη φυλὴ, ἄλλη ταλασιουργικῶν ὀργάνων, ἄλλη σιτοποικῶν, ἄλλη ὀψοποικῶν, ἄλλη τῶν ἀμφὶ λουτρόν, ἄλλη ἀμφὶ μάκτρας, ἄλλη ἀμφὶ τραπέζας. καὶ ταῦτα πάντα διεχωρίσαμεν, οἷς τε ἀεὶ δεῖ χρῆσθαι καὶ τὰ θοινητικά. [8] χωρὶς δὲ καὶ τὰ κατὰ μῆνα δαπανώμενα ἀφείλομεν, δίχα δὲ καὶ τὰ εἰς ἐνιαυτὸν ἀπολελογισμένα κατέθεμεν. οὕτω γὰρ ἦττον λανθάνει ὅπως πρὸς τὸ τέλος ἐκβήσεται. ἐπεὶ δὲ ἐχωρίσαμεν πάντα κατὰ φυλὰς τὰ ἐπιπλα, εἰς τὰς χώρας τὰς προσηκούσας ἕκαστα διηνέγκαμεν. [9] μετὰ δὲ τοῦτο ὅσοις μὲν τῶν σκευῶν καθ' ἡμέραν χρῶνται οἱ οἰκέται, οἷον σιτοποικοῖς, ὀψοποικοῖς, ταλασιουργικοῖς, καὶ εἴ τι ἄλλο τοιοῦτον, ταῦτα μὲν αὐτοῖς τοῖς χρωμένοις δειξάντες ὅπου δεῖ τιθέναι, παρεδώκαμεν καὶ ἐπετάξαμεν σῶα παρέχειν· [10] ὅσοις δ' εἰς ἐορτὰς ἢ ξενοδοκίας χρώμεθα ἢ εἰς τὰς διὰ χρόνου πράξεις, ταῦτα δὲ τῇ ταμίαι παρεδώκαμεν, καὶ δειξάντες τὰς χώρας αὐτῶν καὶ

ἀπαριθμήσαντες καὶ γραψάμενοι ἕκαστα εἶπομεν αὐτῇ διδόναι τούτων ὅτῳ δέοι ἕκαστον, καὶ μεμνησθαι ὅ τι ἂν τῷ διδῶι, καὶ ἀπολαμβάνουσιν κατατιθέναι πάλιν ὅθενπερ ἂν ἕκαστα λαμβάνῃ.

[11] Τὴν δὲ ταμίαν ἐποιησάμεθα ἐπισκεψάμενοι ἥτις ἡμῖν ἐδόκει εἶναι ἐγκρατεστάτη καὶ γαστρὸς καὶ οἴνου καὶ ὕπνου καὶ ἀνδρῶν συνουσίας, πρὸς τούτοις δὲ ἢ τὸ μνημονικὸν μάλιστα ἐδόκει ἔχειν καὶ τὸ προνοεῖν μὴ τι κακὸν λάβῃ παρ' ἡμῶν ἀμελοῦσα, καὶ σκοπεῖν ὅπως χαριζομένη τι ἡμῖν ὑφ' ἡμῶν ἀντιτιμῆσεται. [12] ἐδιδάσκομεν δὲ αὐτὴν καὶ εὐνοϊκῶς ἔχειν πρὸς ἡμᾶς, ὅτ' εὐφραينوίμεθα, τῶν εὐφροσυνῶν μεταδιδόντες, καὶ εἴ τι λυπηρὸν εἴῃ, εἰς ταῦτα παρακαλοῦντες. καὶ τὸ προθυμεῖσθαι δὲ συναυξεῖν τὸν οἶκον ἐπαιδεύομεν αὐτὴν, ἐπιγιγνώσκειν αὐτὴν ποιοῦντες καὶ τῆς εὐπραγίας αὐτῇ μεταδιδόντες. [13] καὶ δικαιοσύνην δ' αὐτῇ ἐνεποιούμεν τιμιωτέρους τιθέντες τοὺς δικαίους τῶν ἀδίκων καὶ ἐπιδεικνύοντες πλουσιώτερον καὶ ἐλευθεριώτερον βιοτεύοντας τῶν ἀδίκων· καὶ αὐτὴν δὲ ἐν ταύτῃ τῇ χώρῃ κατετάττομεν. [14] ἐπὶ δὲ τούτοις πᾶσιν εἶπον, ἔφη, ὦ Σώκρατες, ἐγὼ τῇ γυναικὶ ὅτι πάντων τούτων οὐδὲν ὄφελος, εἰ μὴ αὐτὴ ἐπιμελήσεται ὅπως διαμένῃ ἐκάστωι ἢ τάξιν. ἐδίδασκον δὲ αὐτὴν ὅτι καὶ ἐν ταῖς εὐνομουμέναις πόλεσιν οὐκ ἄρκεῖν δοκεῖ τοῖς πολίταις, ἂν νόμους καλοὺς γράψωνται, ἀλλὰ καὶ νομοφύλακας προσαιροῦνται, οἵτινες ἐπισκοποῦντες τὸν μὲν ποιοῦντα τὰ νόμιμα ἐπαινοῦσιν, ἂν δὲ τις παρὰ τοὺς νόμους ποιῇ, ζημιῶσι. [15] νομίσαι οὖν ἐκέλευον, ἔφη, τὴν γυναῖκα καὶ αὐτὴν νομοφύλακα τῶν ἐν τῇ οἰκίᾳ εἶναι, καὶ ἐξετάζειν δέ, ὅταν δόξῃ αὐτῇ, τὰ σκεύη, ὥσπερ ὁ φρούραρχος τὰς φυλακὰς ἐξετάζει, καὶ δοκιμάζειν εἰ καλῶς ἕκαστον ἔχει, ὥσπερ ἡ βουλή ἵππους καὶ ἱππείας δοκιμάζει, καὶ ἐπαινεῖν δὲ καὶ τιμᾶν ὥσπερ βασίλισσαν τὸν ἄξιον ἀπὸ τῆς παρούσης δυνάμεως, καὶ λοιδορεῖν καὶ κολάζειν τὸν τούτων δεόμενον. [16] πρὸς δὲ τούτοις ἐδίδασκον αὐτὴν, ἔφη, ὥς οὐκ ἂν ἄχθοιτο δικαίως, εἰ πλείω αὐτῇ πράγματα προστάττω ἢ τοῖς οἰκέταις περὶ τὰ κτήματα, ἐπιδεικνύων ὅτι τοῖς μὲν οἰκέταις μέτεστι τῶν δεσποσύνων χρημάτων τοσοῦτον ὅσον φέρειν ἢ θεραπεύειν ἢ φυλάττειν, χρῆσθαι δὲ οὐδενὶ αὐτῶν ἔξεστιν, ὅτῳ ἂν μὴ δῶι ὁ κύριος· δεσπότου δὲ ἅπαντ' ἐστὶν ἴσῳ ἂν βούληται ἕκαστα[†] χρῆσθαι. [17] ὅτῳ οὖν καὶ σωιζομένων μεγίστη ὄνησις καὶ φθειρομένων μεγίστη βλάβη, τούτῳ καὶ τὴν ἐπιμέλειαν μάλιστα προσήκουσαν ἀπέφαινον.

[18] Τί οὖν; ἔφην ἐγώ, ὦ Ἰσχόμαχε, ταῦτα ἀκούσασα ἡ γυνή πῶς σοι ὑπήκουε;

Τί δέ, ἔφη, εἰ μὴ εἶπέ γέ μοι, ὦ Σώκρατες, ὅτι οὐκ ὀρθῶς γινώσκοιμι, εἰ οἰοίμην χαλεπὰ ἐπιτάττειν διδάσκων ὅτι ἐπιμελεῖσθαι δεῖ τῶν ὄντων. χαλεπώτερον γὰρ ἂν, ἔφη φάναι, εἰ αὐτῇ ἐπέταττον ἀμελεῖν τῶν ἑαυτῆς ἢ εἰ ἐπιμελεῖσθαι δεήσει τῶν οἰκείων ἀγαθῶν. [19] πεφυκέναι γὰρ δοκεῖ, ἔφη, ὥσπερ καὶ τέκνων τὸ ἐπιμελεῖσθαι τῇ σώφρονι τῶν ἑαυτῆς ἢ ἀμελεῖν, οὕτω καὶ τῶν κτημάτων ὅσα ἴδια ὄντα εὐφραίνει ἥδιον τὸ ἐπιμελεῖσθαι νομίζειν ἔφη εἶναι τῇ σώφρονι τῶν ἑαυτῆς ἢ ἀμελεῖν.

Κεφάλαιον ι'

[1] Καὶ ἐγὼ ἀκούσας, ἔφη ὁ Σωκράτης, ἀποκρίνασθαι τὴν γυναῖκα αὐτῷ ταῦτα, εἶπον· Νῆ τὴν Ἥραν, ἔφην, ὦ Ἰσχόμαχε, ἀνδρικήν γε ἐπιδεικνύεις τὴν διάνοιαν τῆς γυναικός.

Καὶ ἄλλα τοῖνυν, ἔφη ὁ Ἰσχόμαχος, θέλω σοι πάννυ μεγαλόφρονα αὐτῆς διηγῆσασθαι, ἃ μου ἅπαξ ἀκούσασα ταχὺ ἐπείθετο.

Τὰ ποῖα; ἔφην ἐγώ· λέγε· ὡς ἐμοὶ πολὺ ἥδιον ζώσης ἀρετὴν γυναικὸς καταμανθάνειν ἢ εἰ Ζεῦξις μοι καλὴν εἰκάσας γραφῇι γυναῖκα ἐπεδείκνυνεν.

[2] Ἐντεῦθεν δὴ λέγει ὁ Ἰσχόμαχος· Ἐγὼ τοῖνυν, ἔφη, ἰδὼν ποτε αὐτήν, ὦ Σώκρατες, ἐντετριμμένην πολλῶι μὲν ψιμυθίῳ, ὅπως λευκοτέρα ἔτι δοκοίη εἶναι ἢ ἦν, πολλῇι δ' ἐγγούσηι, ὅπως ἐρυθροτέρα φαίνοιτο τῆς ἀληθείας, ὑποδήματα δ' ἔχουσαν ὑψηλά, ὅπως μείζων δοκοίη εἶναι ἢ ἐπεφύκει, [3] Εἰπέ μοι, ἔφην, ὦ γύναι, ποτέρως ἂν με κρίναις ἀξιοφίλητον μᾶλλον εἶναι χρημάτων κοινωνόν, εἴ σοι αὐτὰ τὰ ὄντα ἀποδεικνύοιμι, καὶ μήτε κομπάζοιμι ὡς πλείω τῶν ὄντων ἔστι μοι, μήτε ἀποκρυπτοίμην τι τῶν ὄντων μηδέν, ἢ εἰ πειρώμην σε ἐξαπατᾶν λέγων τε ὡς πλείω ἔστι μοι τῶν ὄντων, ἐπιδεικνύς τε ἀργύριον κίβδηλον [δηλοῖν σε] καὶ ὄρμους ὑποξύλους καὶ πορφυρίδας ἐξιτήλους φαῖν ἀληθινὰς εἶναι;

[4] Καὶ ὑπολαβοῦσα εὐθύς, Εὐφήμει, ἔφη· μὴ γένοιο σὺ τοιοῦτος· οὐ γὰρ ἂν ἔγωγέ σε δυνάμην, εἰ τοιοῦτος εἴης, ἀσπάσασθαι ἐκ τῆς ψυχῆς.

Οὐκοῦν, ἔφην ἐγώ, συνεληλύθαμεν, ὦ γύναι, ὡς καὶ τῶν σωμάτων κοινωνήσοντες ἀλλήλοις;

Φασὶ γοῦν, ἔφη, οἱ ἄνθρωποι.

[5] Ποτέρως ἂν οὖν, ἔφην ἐγώ, τοῦ σώματος αὐτοῦ δοκοῖν εἶναι ἀξιοφίλητος μᾶλλον κοινωνός, εἴ σοι τὸ σῶμα πειρώμην παρέχειν τὸ ἑμαυτοῦ ἐπιμελόμενος ὅπως ὑγιαῖνόν τε καὶ ἐρρωμένον ἔσται, καὶ διὰ ταῦτα τῷ ὄντι εὐχρως σοι ἔσομαι, ἢ εἴ σοι μίλτωι ἀλειφόμενος καὶ τοὺς ὀφθαλμοὺς ὑπαλειφόμενος ἀνδρικέλῳ ἐπιδεικνύοιμί τε ἑμαυτὸν καὶ συνείην ἐξαπατῶν σε καὶ παρέχων ὁρᾶν καὶ ἄπτεσθαι μίλτου ἀντὶ τοῦ ἑμαυτοῦ χρωτός;

[6] Ἐγὼ μὲν, ἔφη ἐκείνη, οὐτ' ἂν μίλτου ἀπτοίμην ἥδιον ἢ σοῦ οὐτ' ἂν ἀνδρικέλου χρῶμα ὁρώην ἥδιον ἢ τὸ σὸν οὐτ' ἂν τοὺς ὀφθαλμοὺς ὑπαληλιμμένους ἥδιον ὁρώην τοὺς σοὺς ἢ ὑγιαίνοντας.

[7] Καὶ ἐμὲ τοίνυν νόμιζε, εἰπεῖν ἔφη ὁ Ἰσχόμαχος, ὃ γύναι, μήτε ψιμυθίου μήτε ἐγχύσης χρώματι ἡδεσθαι μᾶλλον ἢ τῷ σῶϊ, ἀλλ' ὥσπερ οἱ θεοὶ ἐποίησαν ἵπποις μὲν ἵππους, βουσί δὲ βοὺς ἥδιστον, προβάτοις δὲ πρόβατα, οὕτω καὶ οἱ ἄνθρωποι ἀνθρώπου σῶμα καθαρὸν οἶονται ἥδιστον εἶναι. [8] αἱ δ' ἀπάται αὗται τοὺς μὲν ἔξω πῶς δύναιнт' ἂν ἀνεξελέγκτως ἐξαπατᾶν, συνόντας δὲ ἀεὶ ἀνάγκη ἀλίσκεσθαι, ἂν ἐπιχειρῶσιν ἐξαπατᾶν ἀλλήλους. ἢ γὰρ ἐξ εὐνῆς ἀλίσκονται ἐξανιστάμενοι πρὶν παρασκευάσασθαι ἢ ὑπὸ ἰδρώτος ἐλέγχονται ἢ ὑπὸ δακρύων βασανίζονται ἢ ὑπὸ λουτροῦ ἀληθινῶς κατωπτεύθησαν.

[9] Τί οὖν πρὸς θεῶν, ἔφην ἐγώ, πρὸς ταῦτα ἀπεκρίνατο;

Τί δέ, ἔφη, εἰ μὴ τοῦ <γε> λοιποῦ τοιοῦτον μὲν οὐδὲν πώποτε ἔτι ἐπραγματεύσατο, καθαρὰν δὲ καὶ πρεπόντως ἔχουσαν ἐπειρᾶτο ἑαυτὴν ἐπιδεικνύσαι. καὶ ἐμὲ μέντοι ἡρώτα εἴ τι ἔχοιμι συμβουλευσαι ὥς ἂν τῷ ὄντι καλὴ φαίνοιτο, ἀλλὰ μὴ μόνον δοκοίη. [10] καὶ ἐγὼ μέντοι, ὃ Σώκρατες, ἔφη, συνεβούλευον αὐτῇ μὴ δουλικῶς ἀεὶ καθῆσθαι, ἀλλὰ σὺν τοῖς θεοῖς πειρᾶσθαι δεσποτικῶς πρὸς μὲν τὸν ἱστὸν προσσῆσαν ὅ τι μὲν βέλτιον ἄλλου ἐπίσταιτο ἐπιδιδάξαι, ὅ τι δὲ χεῖρον ἐπιμαθεῖν, ἐπισκέψασθαι δὲ καὶ σιτοποιόν, παραστῆναι δὲ καὶ ἀπομετρούσῃ τῇ ταμίαι, περιελθεῖν δ' ἐπισκοπούμενην καὶ εἰ κατὰ χώραν ἔχει ἢ δεῖ ἕκαστα. ταῦτα γὰρ ἐδόκει μοι ἅμα ἐπιμέλεια εἶναι καὶ περίπατος. [11] ἀγαθὸν δὲ ἔφην εἶναι γυμνάσιον καὶ τὸ δεῦσαι καὶ μάξαι καὶ ἱμάτια καὶ στρώματα ἀνασεῖσαι καὶ συνθεῖναι. γυμναζομένην δὲ ἔφην οὕτως ἂν καὶ ἐσθίειν ἥδιον καὶ ὑγιαίνειν μᾶλλον καὶ εὐχρωτέραν φαίνεσθαι τῇ ἀληθείαι. [12] καὶ ὧς δέ, ὅποτε ἀνταγωνίζεται διακόνῳ καθαρωτέρα οὖσα πρεπόντως τε μᾶλλον ἡμφιεσμένη, κινητικὸν γίγνεται ἄλλως τε καὶ ὅποτε τὸ

ἐκοῦσαν χαρίζεσθαι προσῆι ἀντὶ τοῦ ἀναγκαζομένην ὑπηρετεῖν. [13] αἱ δ' αἰεὶ καθήμεναι σεμνῶς πρὸς τὰς κεκοσμημένας καὶ ἐξαπατώσας κρίνεσθαι παρέχουσιν ἑαυτάς. καὶ νῦν, ἔφη, ὦ Σώκρατες, οὕτως εὖ ἴσθι ἡ γυνὴ μου κατεσκευασμένη βιοτεύει ὥσπερ ἐγὼ ἐδίδασκον αὐτήν καὶ ὥσπερ νῦν σοι λέγω.

Κεφάλαιον ια'

[1] Ἐντεῦθεν δ' ἐγὼ εἶπον· ὦ Ἰσχόμαχε, τὰ μὲν δὴ περὶ τῶν τῆς γυναικὸς ἔργων ἱκανῶς μοι δοκῶ ἀκηκοέναι τὴν πρώτην, καὶ ἄξιά γε πάνυ ἐπαίνου ἀμφοτέρων ὑμῶν. τὰ δ' αὖ σὰ ἔργα, ἔφην ἐγώ, ἤδη μοι λέγε, ἵνα σύ τε ἐφ' οἷς εὐδοκιμεῖς διηγησάμενος ἡσθηῖς καὶ γὰρ τὰ τοῦ καλοῦ καγαθοῦ ἀνδρὸς ἔργα τελέως διακούσας καὶ καταμαθὼν, ἂν δύνωμαι, πολλήν σοι χάριν εἰδῶ.

[2] Ἀλλὰ νῆ Δί', ἔφη ὁ Ἰσχόμαχος, καὶ πάνυ ἡδέως σοι, ὦ Σώκρατες, διηγήσομαι ἃ ἐγὼ ποιῶν διατελῶ, ἵνα καὶ μεταρρυθμίσης με, ἐάν τί σοι δοκῶ μὴ καλῶς ποιεῖν.

[3] Ἀλλ' ἐγὼ μὲν δὴ, ἔφην, πῶς ἂν δικαίως μεταρρυθμισαίμι ἄνδρα ἀπειργασμένον καλόν τε καγαθόν, καὶ ταῦτα ὧν ἀνὴρ ὃς ἀδολεσχεῖν τε δοκῶ καὶ ἀερομετρεῖν καί, τὸ πάντων δὴ ἀνοητότατον δοκοῦν εἶναι ἔγκλημα, πένης καλοῦμαι; [4] καὶ πάνυ μεντᾶν, ὦ Ἰσχόμαχε, ἦν ἐν πολλῇ ἀθυμία τῷ ἐπικλήματι τοιούτῳ, εἰ μὴ πρόωην ἀπαντήσας τῷ Νικίου τοῦ ῥέπλητύτου ἵππῳ εἶδον πολλοὺς ἀκολουθοῦντας αὐτῷ θεατάς, πολὺν δὲ λόγον ἐχόντων τινῶν περὶ αὐτοῦ ἥκουον· καὶ δῆτα ἡρόμην προσελθὼν τὸν ἱπποκόμον εἰ πολλὰ εἶη χρήματα τῷ ἵππῳ. [5] ὁ δὲ προσβλέψας με ὡς οὐδὲ ὑγιαίνοντα τῷ ἐρωτήματι εἶπε· Πῶς δ' ἂν ἵππῳ χρήματα γένοιτο; οὕτω δὲ ἐγὼ ἀνέκυψα ἀκούσας ὅτι ἐστὶν ἄρα θεμιτὸν καὶ πένητι ἵππῳ ἀγαθῷ γενέσθαι, εἰ τὴν ψυχὴν φύσει ἀγαθὴν ἔχοι. [6] ὡς οὖν θεμιτὸν καὶ ἐμοὶ ἀγαθῷ ἀνδρὶ γενέσθαι διηγοῦ τελέως τὰ σὰ ἔργα, ἵνα, ὃ τι ἂν δύνωμαι ἀκούων καταμαθεῖν, πειρῶμαι καὶ ἐγὼ σε ἀπὸ τῆς αὔριον ἡμέρας ἀρξάμενος μιμεῖσθαι. καὶ γὰρ ἀγαθὴ ἐστίν, ἔφην ἐγώ, ἡμέρα ὡς ἀρετῆς ἄρχεσθαι.

[7] Σὺ μὲν παίζεις, ἔφη ὁ Ἰσχόμαχος, ὦ Σώκρατες, ἐγὼ δὲ ὅμως σοι διηγήσομαι ἃ ἐγὼ ὅσον δύνωμαι πειρῶμαι ἐπιτηδεύων διαπερᾶν τὸν βίον. [8] ἐπεὶ γὰρ καταμεμαθηκέναι δοκῶ ὅτι οἱ θεοὶ τοῖς ἀνθρώποις ἄνευ μὲν τοῦ γιγνώσκειν τε ἃ δεῖ ποιεῖν καὶ ἐπιμελεῖσθαι ὅπως ταῦτα περαίνηται οὐ θεμιτὸν ἐποίησαν εὖ πράττειν, φρονίμοις δ' οὐσι καὶ

ἐπιμελέσι τοῖς μὲν διδόασιν εὐδαιμονεῖν, τοῖς δ' οὐ, οὕτω δὴ ἐγὼ ἄρχομαι μὲν τοὺς θεοὺς θεραπεύων, πειρῶμαι δὲ ποιεῖν ὡς ἂν θέμις ᾦ μοι εὐχομένῳ καὶ ὑγείας τυγχάνειν καὶ ρώμης σώματος καὶ τιμῆς ἐν πόλει καὶ εὐνοίας ἐν φίλοις καὶ ἐν πολέμῳ καλῆς σωτηρίας καὶ πλούτου καλῶς αὐξομένου.

[9] Καὶ ἐγὼ ἀκούσας ταῦτα· Μέλει γὰρ δὴ σοι, ὦ Ἰσχόμαχε, ὅπως πλουτήης καὶ πολλὰ χρήματα ἔχων πολλὰ ἔχης πράγματα τούτων ἐπιμελόμενος;

Καὶ πάντῃ γ', ἔφη ὁ Ἰσχόμαχος, μέλει μοι τούτων ὧν ἐρωτᾷς· ἡδὺ γάρ μοι δοκεῖ, ὦ Σώκρατες, καὶ θεοὺς μεγαλείως τιμᾶν καὶ φίλους, ἂν τινος δέωνται, ἐπωφελεῖν καὶ τὴν πόλιν μηδὲν <τὸ> κατ' ἐμὲ χρήμασιν ἀκόσμητον εἶναι.

[10] Καὶ γὰρ καλὰ, ἔφην ἐγὼ, ὦ Ἰσχόμαχε, ἐστὶν ἃ σὺ λέγεις, καὶ δυνατοῦ γε ἰσχυρῶς ἀνδρός· πῶς γὰρ οὐ; ὅτε πολλοὶ μὲν εἰσὶν ἄνθρωποι οἳ οὐ δύνανται ζῆν ἄνευ τοῦ ἄλλων δεῖσθαι, πολλοὶ δὲ ἀγαπῶσιν, ἂν δύνωνται τὰ ἑαυτοῖς ἀρκοῦντα πορίζεσθαι. οἱ δὲ δὴ δυνάμενοι μὴ μόνον τὸν ἑαυτῶν οἶκον διοικεῖν, ἀλλὰ καὶ περιποιεῖν ὥστε καὶ τὴν πόλιν κοσμεῖν καὶ τοὺς φίλους ἐπικουφίζειν, πῶς τούτους οὐχὶ βαθεῖς τε καὶ ἐρρωμένους ἄνδρας χρή νομίσαι; [11] ἀλλὰ γὰρ ἐπαινεῖν μὲν, ἔφην ἐγὼ, τοὺς τοιούτους πολλοὶ δυνάμεθα· σὺ δέ μοι λέξον, ὦ Ἰσχόμαχε, ἀφ' ὧν περ ἦρξω, πῶς ὑγείας ἐπιμελεῖ; πῶς τῆς τοῦ σώματος ρώμης; πῶς θέμις εἶναι σοι καὶ ἐκ πολέμου καλῶς σώιζεσθαι; τῆς δὲ χρηματίσεως πέρι καὶ μετὰ ταῦτα, ἔφην ἐγὼ, ἀρκέσει ἀκούειν.

[12] Ἀλλ' ἔστι μὲν, ἔφη ὁ Ἰσχόμαχος, ὥς γε ἐμοὶ δοκεῖ, ὦ Σώκρατες, ἀκόλουθα ταῦτα πάντα ἀλλήλων. ἐπεὶ γὰρ ἐσθίειν τις τὰ ἱκανὰ ἔχει, ἐκπονοῦντι μὲν ὀρθῶς μᾶλλον δοκεῖ μοι ἢ ὑγεία παραμένειν, ἐκπονοῦντι δὲ μᾶλλον ἢ ρώμῃ προσγίγνεσθαι, ἀσκοῦντι δὲ τὰ τοῦ πολέμου κάλλιον σώιζεσθαι, ὀρθῶς δὲ ἐπιμελομένῳ καὶ μὴ καταμαλακιζομένῳ μᾶλλον εἰκὸς τὸν οἶκον αὐξέσθαι.

[13] Ἀλλὰ μέχρι μὲν τούτου ἔπομαι, ἔφην ἐγὼ, ὦ Ἰσχόμαχε, ὅτι ἐκπονοῦντα φῆς καὶ ἐπιμελόμενον καὶ ἀσκοῦντα ἄνθρωπον μᾶλλον τυγχάνειν τῶν ἀγαθῶν, ὁποῖοι δὲ πόνῳ χρῆι πρὸς τὴν εὐεξίαν καὶ ρώμην καὶ ὅπως ἀσκεῖς τὰ τοῦ πολέμου καὶ ὅπως ἐπιμελεῖ τοῦ περιουσίαν ποιεῖν ὡς καὶ φίλους ἐπωφελῖν καὶ πόλιν ἐπισχύειν, ταῦτα ἂν ἡδέως, ἔφην ἐγὼ, πυθοίμην.

[14] Ἐγὼ τοίνυν, ἔφη, ὦ Σώκρατες, ὁ Ἰσχόμαχος, ἀνίστασθαι μὲν

ἐξ εὐνῆς εἶθισμαι ἡνίκ' <ἂν> ἔτι ἔνδον καταλαμβάνοιμι, εἴ τινα δεόμενος ἰδεῖν τυγχάνοιμι. κἂν μὲν τι κατὰ πόλιν δέῃ πράττειν, ταῦτα παργματευόμενος περιπάτωι τούτωι χρῶμαι· [15] ἂν δὲ μηδὲν ἀναγκαῖον ἦ κατὰ πόλιν, τὸν μὲν ἵππον ὁ παῖς προάγει εἰς ἀγρόν, ἐγὼ δὲ περιπάτωι χρῶμαι τῇ εἰς ἀγρόν ὁδῶι ἴσως ἄμεινον, ὃ Σώκρατες, ἢ εἰ ἐν τῷ ξυστῶι περιπατοίην. [16] ἐπειδὰν δὲ ἔλθω εἰς ἀγρόν, ἂν τέ μοι φυτεύοντες τυγχάνωσιν ἂν τε νειοποιούντες ἂν τε σπεύροντες ἂν τε καρπὸν προσκομίζοντες, ταῦτα ἐπισκεψάμενος ὅπως ἕκαστα γίγνεται, μεταρρυθμίζω, ἐὰν ἔχω τι βέλτιον τοῦ παρόντος. [17] μετὰ δὲ ταῦτα ὡς τὰ πολλὰ ἀναβάς ἐπὶ τὸν ἵππον ἵππασάμην ἵππασίαν ὡς ἂν ἐγὼ δύνωμαι ὁμοιοτάτην ταῖς ἐν τῷ πολέμῳ ἀναγκαίαις ἵππασίαις, οὔτε πλαγίου οὔτε κατάντους οὔτε τάφρου οὔτε ὀχετοῦ ἀπεχόμενος, ὡς μέντοι δυνατόν ταῦτα ποιοῦντα ἐπιμέλομαι μὴ ἀποχωλεῦσαι τὸν ἵππον. [18] ἐπειδὰν δὲ ταῦτα γένηται, ὁ παῖς ἐξαλίσσας τὸν ἵππον οἴκαδε ἀπάγει, ἅμα φέρων ἀπὸ τοῦ χώρου ἂν τι δεώμεθα εἰς ἄστυ. ἐγὼ δὲ τὰ μὲν βάδην τὰ δὲ ἀποδραμῶν οἴκαδε ἀπεστλεγγισάμην. εἴτα δὲ ἀριστῶ, ὃ Σώκρατες, ὅσα μῆτε κενὸς μῆτε ἄγαν πλήρης διημερεῦειν.

[19] Νῆ τὴν Ἥραν, ἔφην ἐγὼ, ὃ Ἰσχόμαχε, ἀρεσκόντως γέ μοι ταῦτα ποιεῖς. τὸ γὰρ ἐν τῷ αὐτῷ χρόνῳ συνεσκευασμένοις χρῆσθαι τοῖς τε πρὸς τὴν ὑγίειαν καὶ τοῖς πρὸς τὴν ῥώμην παρασκευάσμασι καὶ τοῖς εἰς τὸν πόλεμον ἀσκήμασι καὶ ταῖς τοῦ πλούτου ἐπιμελείαις, ταῦτα πάντα ἀγαστά μοι δοκεῖ εἶναι. [20] καὶ γὰρ ὅτι ὀρθῶς ἐκάστου τούτων ἐπιμελῆι ἱκανὰ τεκμήρια παρέχῃ· ὑγιαίνοντά τε γὰρ καὶ ἐρρωμένον ὡς ἐπὶ τὸ πολὺ σὺν τοῖς θεοῖς σε ὀρῶμεν καὶ ἐν τοῖς ἱπικωτάτοις τε καὶ πλουσιωτάτοις λεγόμενόν σε ἐπιστάμεθα.

[21] Ταῦτα τοίνυν ἐγὼ ποιῶν, ἔφην, ὃ Σώκρατες, ὑπὸ πολλῶν πάνυ συκοφαντοῦμαι, σὺ δ' ἴσως ὧιου με ἐρεῖν ὡς ὑπὸ πολλῶν καλὸς κάγαθός κέκλημαι.

[22] Ἀλλὰ καὶ ἔμελλον δὲ ἐγὼ, ἔφην, ὃ Ἰσχόμαχε, τοῦτο ἐρήσεσθαι, εἴ τινα καὶ τούτου ἐπιμέλειαν ποιῇ, ὅπως δύνῃ λόγον διδόναι καὶ λαμβάνειν, ἂν τινί ποτε δέῃ.

Οὐ γὰρ δοκῶ σοι, ἔφην, ὃ Σώκρατες, αὐτὰ ταῦτα διατελεῖν μελετῶν, ἀπολογεῖσθαι μὲν ὅτι οὐδένα ἀδικῶ, εὖ δὲ ποιῶ πολλοὺς ὅσον ἂν δύνωμαι, κατηγορεῖν δὲ οὐ δοκῶ σοι μελετᾶν ἀνθρώπων, ἀδικοῦντας μὲν καὶ ἰδία πολλοὺς καὶ τὴν πόλιν καταμανθάνων τινάς, εὖ δὲ ποιοῦντας οὐδένα;

[23] Ἄλλ' εἰ καὶ ἐρμηνεύειν τοιαῦτα μελετᾷς, τοῦτό μοι, ἔφην ἐγώ, ἔτι, ὦ Ἰσχόμαχε, δήλωσον.

Οὐδὲν μὲν οὖν, ὦ Σώκρατες, παύομαι, ἔφη, λέγειν μελετῶν. ἡ γὰρ κατηγοροῦντός τινος τῶν οἰκετῶν ἢ ἀπολογουμένου ἀκούσας ἐλέγχειν πειρῶμαι, ἢ μέμφομαί τινα πρὸς τοὺς φίλους ἢ ἐπαινῶ, ἢ διαλλάττω τινὰς τῶν ἐπιτηδείων πειρῶμενος διδάσκειν ὡς συμφέρει αὐτοῖς φίλους εἶναι μᾶλλον ἢ πολεμίους, [24] <ἢ> ἐπιτιμῶμέν τινι στρατηγῶι συμπαρόντες, ἢ ἀπολογούμεθα ὑπὲρ του, εἴ τις ἀδίκως αἰτίαν ἔχει, ἢ κατηγοροῦμεν πρὸς ἀλλήλους, εἴ τις ἀδικῶς τιμᾶται. πολλάκις δὲ καὶ βουλευόμενοι ἃ μὲν ἂν ἐπιθυμῶμεν πράττειν, ταῦτα ἐπαινοῦμεν, ἃ δ' ἂν μὴ βουλῶμεθα πράττειν, ταῦτα μεμφόμεθα. [25] ἤδη δ', ἔφη, ὦ Σώκρατες, καὶ διειλημμένως πολλάκις ἐκρίθην ὅ τι χρὴ παθεῖν ἢ ἀποτεῖσαι.

Ὑπὸ τοῦ, ἔφην ἐγώ, ὦ Ἰσχόμαχε; ἐμὲ γὰρ δὴ τοῦτο ἐλάνθανεν.

Ὑπὸ τῆς γυναικός, ἔφη.

Καὶ πῶς δὴ, ἔφην ἐγώ, ἀγωνίζεις;

Ὅταν μὲν ἀληθῆ λέγειν συμφέρη, πάνυ ἐπεικῶς· ὅταν δὲ ψευδῇ, τὸν ἥττω λόγον, ὦ Σώκρατες, οὐ μὰ τὸν Δία οὐ δύναμαι κρείττω ποιεῖν.

Καὶ ἐγὼ εἶπον· Ἴσως γάρ, ὦ Ἰσχόμαχε, τὸ ψεῦδος οὐ δύνασαι ἀληθὲς ποιεῖν.

Κεφάλαιον ιβ'

[1] Ἀλλὰ γάρ, ἔφην ἐγώ, μὴ σε κατακωλύω, ὦ Ἰσχόμαχε, ἀπιέναι ἤδη βουλόμενον.

Μὰ Δί', ἔφη, ὦ Σώκρατες· ἐπεὶ οὐκ ἂν ἀπέλθοιμι πρὶν <ἂν> παντάπασιν ἢ ἀγορὰ λυθῇ.

[2] Νῆ Δί', ἔφην ἐγώ, φυλάττη γὰρ ἰσχυρῶς μὴ ἀποβάλης τὴν ἐπωνυμίαν, τὸ ἀνὴρ καλὸς κάγαθός κεκλησθαι. νῦν γὰρ πολλῶν σοι ἴσως ὄντων ἐπιμελείας δεομένων, ἐπεὶ συνέθου τοῖς ξένοις, ἀναμένεις αὐτούς, ἵνα μὴ ψεύσῃ.

Ἀλλὰ τοι, ὦ Σώκρατες, ἔφη ὁ Ἰσχόμαχος, οὐδ' ἐκεῖνά μοι ἀμελεῖται ἃ σὺ λέγεις· ἔχω γὰρ ἐπιτρόπους ἐν τοῖς ἀγροῖς.

[3] Πότερα δέ, ἐγὼ ἔφην, ὦ Ἰσχόμαχε, ὅταν δεηθῇς ἐπιτρόπου, καταμαθὼν ἂν που ἦ ἐπιτροπευτικός ἀνὴρ, τοῦτον πειρᾷ ὠνεῖσθαι, ὥσπερ, ὅταν τέκτονος δεηθῇς, καταμαθὼν εὖ οἶδ' ὅτι ἂν που ἰδῇς τεκτονικόν, τοῦτον πειρᾷ κτᾶσθαι, ἢ αὐτὸς παιδεύεις τοὺς

ἐπιτρόπους;

[4] Αὐτὸς νῆ Δί', ἔφη, ὃ Σώκρατες, πειρῶμαι παιδεύειν. καὶ γὰρ ὅστις μέλλει ἀρκέσειν, ὅταν ἐγὼ ἀπῶ, ἀντ' ἐμοῦ ἐπιμελόμενος, τί αὐτὸν καὶ δεῖ ἄλλο ἐπίστασθαι ἢ ἅπερ ἐγώ; εἴπερ γὰρ ἱκανὸς εἰμι τῶν ἔργων προστατεύειν, κἂν ἄλλον δήπου δυναίμην διδάξαι ἅπερ αὐτὸς ἐπίσταμαι.

[5] Οὐκοῦν εὖνοιαν πρῶτον, ἔφην ἐγώ, δεῖσει αὐτὸν ἔχειν σοὶ καὶ τοῖς σοῖς, εἰ μέλλει ἀρκέσειν ἀντὶ σοῦ παρών. ἄνευ γὰρ εὖνοίας τί ὄφελος καὶ ὁποίας τινὸς οὖν ἐπιτρόπου ἐπιστήμης γίγνεται;

Οὐδὲν μὰ Δί', ἔφη ὁ Ἰσχόμαχος, ἀλλὰ τοι τὸ εὖνοεῖν ἐμοὶ καὶ τοῖς ἐμοῖς ἐγὼ πρῶτον πειρῶμαι παιδεύειν.

[6] Καὶ πῶς, ἐγὼ ἔφην, πρὸς τῶν θεῶν εὖνοιαν ἔχειν σοὶ καὶ τοῖς σοῖς διδάσκεις ὄντινα ἂν βούληι;

Εὐεργετῶν νῆ Δί', ἔφη ὁ Ἰσχόμαχος, ὅταν τινὸς ἀγαθοῦ οἱ θεοὶ ἀφθονίαν διδῶσιν ἡμῖν.

[7] Τοῦτο οὖν λέγεις, ἔφην ἐγώ, ὅτι οἱ ἀπολαύοντες τῶν σῶν ἀγαθῶν εὖνοί σοι γίνονται καὶ ἀγαθὸν τί σε βούλονται πράττειν;

Τοῦτο γὰρ ὄργανον, ὃ Σώκρατες, εὖνοίας ἄριστον ὁρῶ ὄν.

[8] Ἄν δὲ δὴ εὖνους σοι γένηται, ἔφην, ὃ Ἰσχόμαχε, ἢ τούτου ἔνεκα ἱκανὸς ἔσται ἐπιτροπεύειν; οὐχ ὁραῖς ὅτι καὶ ἑαυτοῖς εὖνοι πάντες ὄντες ὡς εἰπεῖν ἄνθρωποι, πολλοὶ αὐτῶν εἰσὶν οἱ οὐκ ἐθέλουσιν ἐπιμελεῖσθαι ὅπως αὐτοῖς ἔσται ταῦτα ἃ βούλονται εἶναι σφισι τὰ ἀγαθὰ;

[9] Ἀλλὰ ναὶ μὰ Δί', ἔφη ὁ Ἰσχόμαχος, τοιούτους ὅταν ἐπιτρόπους βούλωμαι καθιστάναι, καὶ ἐπιμελεῖσθαι διδάσκω.

[10] Πῶς, ἔφην ἐγώ, πρὸς τῶν θεῶν; τοῦτο γὰρ δὴ ἐγὼ παντάπασι οὐ διδασκτὸν ὦμην εἶναι, τὸ ἐπιμελεῖν ποιῆσαι.

Οὐδὲ γάρ ἐστιν, ἔφη, ὃ Σώκρατες, ἐφεξῆς γε οὕτως οἷόν τε πάντας διδάξαι ἐπιμελεῖς εἶναι.

[11] Ποίους μὲν δὴ, ἐγὼ ἔφην, οἷόν τε; πάντως μοι σαφῶς τούτους διασήμηνον.

Πρῶτον μὲν, ἔφη, ὃ Σώκρατες, τοὺς οἴνου ἀκρατεῖς οὐκ ἂν δύναιο ἐπιμελεῖς ποιῆσαι· τὸ γὰρ μεθύειν λήθην ἐμποιεῖ πάντων τῶν πράττειν δεομένων.

[12] Οἱ οὖν τούτου ἀκρατεῖς μόνοι, ἐγὼ ἔφην, ἀδύνατοί εἰσιν ἐπιμελεῖσθαι ἢ καὶ ἄλλοι τινές;

Ναὶ μὰ Δί', ἔφη ὁ Ἰσχόμαχος, καὶ οἱ γε τοῦ ὕπνου· οὔτε γὰρ ἂν

αὐτὸς δύναιτο καθεύδων τὰ δέοντα ποιεῖν οὔτε ἄλλους παρέχεσθαι.

[13] Τί οὖν; ἐγὼ ἔφην, οὗτοι αὖ μόνοι ἀδύνατοι ἡμῖν ἔσονται ταύτην τὴν ἐπιμέλειαν διδαχθῆναι ἢ καὶ ἄλλοι τινὲς πρὸς τούτοις;

Ἐμοιγέ τοι δοκοῦσιν, ἔφη ὁ Ἰσχόμαχος, καὶ οἱ τῶν ἀφροδισίων δυσέρωτες ἀδύνατοι εἶναι διδαχθῆναι ἄλλου τινὸς μᾶλλον ἐπιμελεῖσθαι ἢ τούτου· [14] οὔτε γὰρ ἐλπίδα οὐτ' ἐπιμέλειαν ἡδίονα ράϊδιον εὐρεῖν τῆς τῶν παιδικῶν ἐπιμελείας, οὐδὲ μὴν, ὅταν παρῇ τὸ πρακτέον, τιμωρίαν χαλεπωτέραν εὐπετές ἐστὶ τοῦ ἀπὸ τῶν ἐρωμένων κωλύεσθαι. ὑφίεμαι οὖν καὶ οὓς ἂν τοιούτους γνῶ ὄντας μὴδ' ἐπιχειρεῖν ἐπιμελητὰς τούτων τινὰς καθιστάναι.

[15] Τί δέ, ἔφην ἐγώ, οἵτινες αὖ ἐρωτικῶς ἔχουσι τοῦ κερδαίνειν, ἢ καὶ οὗτοι ἀδύνατοί εἰσιν εἰς ἐπιμέλειαν τῶν κατ' ἀγρὸν ἔργων παιδεύεσθαι;

Οὐ μὰ Δί', ἔφη ὁ Ἰσχόμαχος, οὐδαμῶς γε, ἀλλὰ καὶ πάνυ εὐάγωγοί εἰσιν εἰς τὴν τούτων ἐπιμέλειαν· οὐδὲν γὰρ ἄλλο δεῖ ἢ δεῖξαι μόνον αὐτοῖς ὅτι κερδαλέον ἐστὶν ἡ ἐπιμέλεια.

[16] Τοὺς δὲ ἄλλους, ἔφην ἐγώ, εἰ ἐγκρατεῖς τέ εἰσιν ὧν σὺ κελεύεις καὶ πρὸς τὸ φιλοκερδεῖς εἶναι μετρίως ἔχουσι, πῶς ἐκδιδάσκεις ὧν σὺ βούλει ἐπιμελεῖς γίνεσθαι;

Ἀπλῶς, ἔφη, πάνυ, ὃ Σώκρατες. ὅταν μὲν γὰρ ἐπιμελομένους ἴδω, καὶ ἐπαινῶ καὶ τιμᾶν πειρῶμαι αὐτούς, ὅταν δὲ ἀμελοῦντας, λέγειν τε πειρῶμαι καὶ ποιεῖν ὅποια δήξεται αὐτούς.

[17] Ἴθι, ἐγὼ ἔφην, ὃ Ἰσχόμαχε, καὶ τόδε μοι παρατραπόμενος τοῦ λόγου περὶ τῶν παιδευομένων εἰς τὴν ἐπιμέλειαν δήλωσον περὶ τοῦ παιδεύεσθαι, εἰ οἶόν τέ ἐστὶν ἀμελῇ αὐτὸν ὄντα ἄλλους ποιεῖν ἐπιμελεῖς.

[18] Οὐ μὰ Δί', ἔφη ὁ Ἰσχόμαχος, οὐδὲν γε μᾶλλον ἢ ἄμουσον ὄντα αὐτὸν ἄλλους μουσικούς ποιεῖν. χαλεπὸν γὰρ τοῦ διδασκάλου πονηρῶς τι ὑποδεικνύοντος καλῶς τοῦτο ποιεῖν μαθεῖν, καὶ ἀμελεῖν γε ὑποδεικνύοντος τοῦ δεσπότητος χαλεπὸν ἐπιμελῇ θεράποντα γενέσθαι. [19] ὥς δὲ συντόμως εἰπεῖν, πονηροῦ μὲν δεσπότητος οἰκέτας οὐ δοκῶ χρηστοὺς καταμεμαθηκέναι· χρηστοῦ μέντοι πονηροὺς ἤδη εἶδον, οὐ μέντοι ἀζημίους γε. τὸν δὲ ἐπιμελητικούς βουλόμενον ποιήσασθαι τινὰς καὶ ἐφορατικὸν δεῖ εἶναι τῶν ἔργων καὶ ἐξεταστικὸν καὶ χάριν θέλοντα τῶν καλῶς τελουμένων ἀποδιδόναι τῷ αἰτίῳ, καὶ δίκην μὴ ὀκνοῦντα τὴν ἀξίαν ἐπιθεῖναι τῷ ἀμελοῦντι.

[20] καλῶς δέ μοι δοκεῖ ἔχειν, ἔφη ὁ Ἰσχόμαχος, καὶ ἡ τοῦ βαρβάρου

λεγομένη ἀπόκρισις, ὅτε βασιλεὺς ἄρα ἵππου ἐπιτυχὼν ἀγαθοῦ παχῦναι αὐτὸν ὡς τάχιστα βουλόμενος ἤρετο τῶν δεινῶν τινα ἀμφ’ ἵππους δοκούντων εἶναι τί τάχιστα παχύνει ἵππον· τὸν δ’ εἰπεῖν λέγεται ὅτι δεσπότης ὀφθαλμός. οὕτω δ’, ἔφη, ὦ Σώκρατες, καὶ τᾶλλα μοι δοκεῖ δεσπότης ὀφθαλμός τὰ καλά τε κάγαθὰ μάλιστα ἐργάζεσθαι.

Κεφάλαιον ιγ’

[1] Ὅταν <δὲ> παραστήσης τινί, ἔφην ἐγώ, τοῦτο καὶ πάνυ ἰσχυρῶς, ὅτι δεῖ ἐπιμελεῖσθαι ὧν ἂν σὺ βούλῃ, ἢ ἱκανὸς ἤδη ἔσται ὁ οτιοῦτος ἐπιτροπεύειν, ἢ τι καὶ ἄλλο προσμαθητέον αὐτῷ ἔσται, εἰ μέλλει ἐπίτροπος ἱκανὸς ἔσεσθαι;

[2] Ναὶ μὰ Δί’, ἔφη ὁ Ἰσχόμαχος, ἔτι μέντοι λοιπὸν αὐτῷ ἔστι γνῶναι ὅ τι τε ποιητέον καὶ ὁπότε καὶ ὅπως, εἰ δὲ μή, τί μᾶλλον ἐπιτρόπου ἄνευ τούτων ὄφελος ἢ ἱατροῦ ὃς ἐπιμελοῖτο μὲν κάμνοντός τινος πρῶι τε ἰὼν καὶ ὀψέ, ὅ τι δὲ συμφέρον τῷ κάμνοντι ποιεῖν εἴη, τοῦτο μὴ εἰδείη;

[3] Ἐάν γε μὴν καὶ τὰ ἔργα μάθῃ ὡς ἔστιν ἐργαστέα, ἔτι τινός, ἔφην ἐγώ, προσδεήσεται, ἢ ἀποτετελεσμένος ἤδη οὕτως σοι ἔσται ἐπίτροπος;

Ἄρχειν γε, ἔφη, οἶμαι δεῖν αὐτὸν μαθεῖν τῶν ἐργαζομένων.

[4] Ἥ οὖν, ἔφην ἐγώ, καὶ σὺ ἄρχειν ἱκανοὺς εἶναι παιδεύεις τοὺς ἐπιτρόπους;

Πειρῶμαί γε δή, ἔφη ὁ Ἰσχόμαχος.

Καὶ πῶς δή, ἔφην ἐγώ, πρὸς τῶν θεῶν τὸ ἀρχικοὺς εἶναι ἀνθρώπων παιδεύεις;

Φαύλως, ἔφη, πάνυ, ὦ Σώκρατες, ὥστε ἴσως ἂν καὶ καταγέλασαις ἀκούων.

[5] Οὐ μὲν δὴ ἄξιόν γ’, ἔφην ἐγώ, τὸ πρᾶγμα καταγέλωτος, ὦ Ἰσχόμαχε. ὅστις γάρ τοι ἀρχικοὺς ἀνθρώπων δύναται ποιεῖν, δηλὸν ὅτι οὗτος καὶ δεσποτικοὺς ἀνθρώπων δύναται διδάσκειν, ὅστις δὲ δεσποτικοὺς δύναται ποιεῖν, καὶ βασιλικούς. ὥστε οὐ καταγέλωτός μοι δοκεῖ ἄξιός εἶναι ἀλλ’ ἐπαίνου μεγάλου ὁ τοῦτο δυνάμενος ποιεῖν.

[6] Οὐκοῦν, ἔφη, ὦ Σώκρατες, τὰ μὲν ἄλλα ζῶια ἐκ δυοῖν τούτοις τὸ πείθεσθαι μανθάνουσιν, ἐκ τε τοῦ ὅταν ἀπειθεῖν ἐπιχειρῶσι κολάζεσθαι καὶ ἐκ τοῦ ὅταν προθύμως ὑπηρετῶσιν εὖ πάσχειν. [7] οἱ

τε γοῦν πῶλοι μανθάνουσιν ὑπακούειν τοῖς πωλοδάμναις τῷ ὅταν μὲν πείθονται τῶν ἡδέων τι αὐτοῖς γίγνεσθαι, ὅταν δὲ ἀπειθῶσι πράγματα ἔχειν, ἔστ' ἂν ὑπηρετήσωσι κατὰ γνώμην τῷ πωλοδάμνῃ. [8] καὶ τὰ κυνῖδια δὲ πολὺ τῶν ἀνθρώπων καὶ τῇ γνώμῃ καὶ τῇ γλώττῃ ὑποδεέστερα ὄντα ὁμῶς καὶ περιτρέχειν καὶ κυβιστᾶν καὶ ἄλλα πολλὰ μανθάνει τῷ αὐτῷ τούτῳ τρόπῳ. ὅταν μὲν γὰρ πείθεται, λαμβάνει τι ὧν δεῖται, ὅταν δὲ ἀμελῇ, κολάζεται. [9] ἀνθρώπους δ' ἔστι πιθανωτέρους ποιεῖν καὶ λόγῳ, ἐπιδεικνύοντα ὡς συμφέρει αὐτοῖς πείθεσθαι, τοῖς δὲ δούλοις καὶ ἡ δοκοῦσα θηριώδης παιδεία εἶναι πάνυ ἐστὶν ἐπαγωγὸς πρὸς τὸ πείθεσθαι διδάσκειν· τῇ γὰρ γαστρὶ αὐτῶν ἐπὶ ταῖς ἐπιθυμίαις προσχαριζόμενος ἂν πολλὰ ἀνύτοις παρ' αὐτῶν. αἱ δὲ φιλότιμοι τῶν φύσεων καὶ τῷ ἐπαίνῳ παροξύνονται. πεινῶσι γὰρ τοῦ ἐπαίνου οὐχ ἥττον ἔναι τῶν φύσεων ἢ ἄλλαι τῶν σίτων τε καὶ ποτῶν. [10] ταῦτά τε οὖν, ὅσαπερ αὐτὸς ποιῶν οἶμαι πιθανωτέροις ἀνθρώποις χρῆσθαι, διδάσκω οὖς ἂν ἐπιτρόπους βούλωμαι καταστῆσαι καὶ τάδε συλλαμβάνω αὐτοῖς· ἰμάτιά τε γὰρ ἃ δεῖ παρέχειν ἐμὲ τοῖς ἐργαστήρσι καὶ ὑποδήματα οὐχ ὅμοια πάντα ποιῶ, ἀλλὰ τὰ μὲν χεῖρω, τὰ δὲ βελτίῳ, ἵνα ἦι τὸν κρείττω τοῖς βελτίοσι τιμᾶν, τῷ δὲ χείρονι τὰ ἥττω διδόναι. [11] πάνυ γὰρ μοι δοκεῖ, ἔφη, ὦ Σώκρατες, ἀθυμία ἐγγλγνεσθαι τοῖς ἀγαθοῖς, ὅταν ὁρῶσι τὰ μὲν ἔργα δι' αὐτῶν καταπραττόμενα, τῶν δὲ ὁμοίων τυγχάνοντας ἑαυτοῖς τοὺς μήτε πονεῖν μήτε κινδυνεύειν ἐθέλοντας, ὅταν δέη. [12] αὐτὸς τε οὖν οὐδ' ὅπωςτιοῦν τῶν ἴσων ἀξιώ τοὺς ἀμείνους τοῖς κακίοσι τυγχάνειν, τοὺς τε ἐπιτρόπους, ὅταν μὲν εἰδῶ διαδεδωκότας τοῖς πλείστου ἀξίοις τὰ κράτιστα, ἐπαινῶ, ἂν δὲ ἴδω ἢ κολακεύμασί τινα προτιμώμενον ἢ καὶ ἄλλῃ τινὶ ἀνωφελεῖ χάριτι, οὐκ ἀμελῶ, ἀλλ' ἐπιπλήττω καὶ πειρῶμαι διδάσκειν, ὥς Σώκρατες, ὅτι οὐδ' αὐτῷ σύμφορα ταῦτα ποιεῖ.

Κεφάλαιον ιδ'

[1] Ὅταν δέ, ὦ Ἰσχόμαχε, ἔφην ἐγώ, καὶ ἄρχειν ἤδη ἱκανός σοι γένηται ὥστε πειθομένους παρέχεσθαι, ἢ ἀποτετελεσμένον τοῦτον ἡγῇ ἐπίτροπον, ἢ ἔτι τινὸς προσδεῖται ὁ ταῦτα ἔχων ἢ σὺ εἴρηκας;

[2] Ναὶ μὰ Δί', ἔφη ὁ Ἰσχόμαχος, τοῦ γε ἀπέχεσθαι τῶν δεσποσύνων καὶ μὴ κλέπτειν. εἰ γὰρ ὁ τοὺς καρποὺς μεταχειριζόμενος τολμῶη ἀφανίζειν ὥστε μὴ λείπειν λυσιτελοῦντας τοῖς ἔργοις, τί ἂν ὄφελος εἴη τὸ διὰ τῆς τούτου ἐπιμελείας γεωργεῖν;

[3] Ἡ καὶ ταύτην οὖν, ἔφην ἐγώ, τὴν δικαιοσύνην σὺ ὑποδύει διδάσκειν;

Καὶ πάνυ, ἔφη ὁ Ἰσχύμαχος· οὐ μέντοι γε πάντας ἐξ ἐτοίμου εὐρίσκω ὑπακούοντας τῆς διδασκαλίας ταύτης. [4] καίτοι τὰ μὲν καὶ ἐκ τῶν Δράκοντος νόμων, τὰ δὲ καὶ ἐκ τῶν Σόλωνος πειρῶμαι, ἔφη, λαμβάνων ἐμβιβάζειν εἰς τὴν δικαιοσύνην τοὺς οἰκέτας. δοκοῦσι γάρ μοι, ἔφη, καὶ οὗτοι οἱ ἄνδρες θεῖναι πολλοὺς τῶν νόμων ἐπὶ δικαιοσύνης τῆς τοιαύτης διδασκαλίας. [5] γέγραπται γὰρ ζημιουῖσθαι ἐπὶ τοῖς κλέμμασι καὶ δεδέσθαι ἂν τις ἁλῶι ποιῶν καὶ θανατοῦσθαι τοὺς ἐγχειροῦντας. δηλὸν οὖν, ἔφη, ὅτι ἔγραφον αὐτὰ βουλόμενοι ἁλυσιτελῇ ποιῆσαι τοῖς ἀδίκους τὴν αἰσχροκέρδειαν. [6] ἐγὼ οὖν καὶ τούτων, ἔφη, προσφέρων ἓνα καὶ ἄλλα τῶν βασιλικῶν νόμων προφερόμενος πειρῶμαι δικαίους περὶ τὰ διαχειριζόμενα ἀπεργάζεσθαι τοὺς οἰκέτας. [7] ἐκεῖνοι μὲν γὰρ οἱ νόμοι ζημίαι μόνον εἰσὶ τοῖς ἀμαρτάνουσιν, οἱ δὲ βασιλικοὶ νόμοι οὐ μόνον ζημιοῦσι τοὺς ἀδικοῦντας, ἀλλὰ καὶ ὠφελοῦσι τοὺς δικαίους· ὥστε ὀρῶντες πλουσιωτέρους γιγνομένους τοὺς δικαίους τῶν ἀδίκων πολλοὶ καὶ φιλοκερδεῖς ὄντες εὖ μάλα ἐπιμένουσι τῷ μὴ ἀδικεῖν. [8] οὓς δ' ἂν αἰσθάνωμαι, ἔφη, ὅμως καὶ εὖ πάσχοντας ἔτι ἀδικεῖν πειρωμένους, τούτους ὡς ἀνηκέστους πλεονέκτας ὄντας ἤδη καὶ τῆς χρήσεως ἀποπαύω. [9] οὓς δ' ἂν αὖ καταμάθω μὴ τῷ πλέον ἔχειν μόνον διὰ τὴν δικαιοσύνην ἐπαιρομένους δικαίους εἶναι, ἀλλὰ καὶ τοῦ ἐπαινεῖσθαι ἐπιθυμοῦντας ὑπ' ἐμοῦ, τούτοις ὥσπερ ἐλευθέρους ἤδη χρῶμαι, οὐ μόνον πλουτίζων ἀλλὰ καὶ τιμῶν ὡς καλοὺς τε κάγαθούς. [10] τούτῳ γὰρ μοι δοκεῖ, ἔφη, ὃ Σώκρατες, διαφέρειν ἀνὴρ φιλότιμος ἀνδρὸς φιλοκερδοῦς, τῷ ἐθέλειν ἐπαίνου καὶ τιμῆς ἔνεκα καὶ πονεῖν ὅπου δεῖ καὶ κινδυνεύειν καὶ αἰσchrῶν κερδῶν ἀπέχεσθαι.

Κεφάλαιον ιε'

[1] Ἀλλὰ μέντοι ἐπειδὴν γε ἐμποιήσης τινὶ τὸ βούλεσθαί σοι εἶναι τὰγαθὰ, ἐμποιήσης δὲ τῷ αὐτῷ τούτῳ <τὸ> ἐπιμελεῖσθαι ὅπως ταῦτά σοι ἐπιτελῆται, ἔτι δὲ πρὸς τούτοις ἐπιστήμην κτήσῃ αὐτῷ ὡς ἂν ποιούμενα ἕκαστα τῶν ἔργων ὠφελιμώτερα γίγνοιτο, πρὸς δὲ τούτοις ἄρχειν ἱκανὸν αὐτὸν ποιήσης, ἐπὶ δὲ τούτοις πᾶσιν ἡδηταί σοι τὰ ἐκ τῆς γῆς ὥραϊα ἀποδεικνύων ὅτι πλεῖστα ὥσπερ σὺ σαιτῷ, οὐκέτι ἐρήσομαι περὶ τούτου εἰ ἔτι τινὸς ὁ τοιοῦτος προσδεῖται· πάνυ γάρ μοι δοκεῖ ἤδη πολλοῦ ἂν ἄξιος εἶναι ἐπίτροπος ὢν τοιοῦτος.

ἐκεῖνο μέντοι, ἔφην ἐγώ, ὦ Ἰσχόμαχε, μὴ ἀπολίπῃς, ὃ ἡμῖν ἀργότατα ἐπιδεδράμηται τοῦ λόγου.

[2] Τὸ ποῖον; ἔφη ὁ Ἰσχόμαχος.

Ἐλεξας δὴπου, ἔφην ἐγώ, ὅτι μέγιστον εἴη μαθεῖν ὅπως δεῖ ἐξεργάζεσθαι ἕκαστα· εἰ δὲ μὴ, οὐδὲ τῆς ἐπιμελείας ἔφησθα ὄφελος οὐδὲν γίνεσθαι, εἰ μὴ τις ἐπίσταιτο ἃ δεῖ καὶ ὡς δεῖ ποιεῖν.

[3] Ἐνταῦθα δὴ εἶπεν ὁ Ἰσχόμαχος· Τὴν τέχνην με ἤδη, ὦ Σώκρατες, κελεύεις αὐτὴν διδάσκειν τῆς γεωργίας;

Αὕτη γὰρ ἴσως, ἔφην ἐγώ, ἤδη ἐστὶν ἡ ποιοῦσα τοὺς μὲν ἐπισταμένους αὐτὴν πλουσίους, τοὺς δὲ μὴ ἐπισταμένους πολλὰ πονοῦντας ἀπόρως βιοτεύειν.

[4] Νῦν τοίνυν, ἔφη, ὦ Σώκρατες, καὶ τὴν φιλανθρωπίαν ταύτης τῆς τέχνης ἀκούσῃ. τὸ γὰρ ὠφελιμωτάτην οὖσαν καὶ ἡδίστην ἐργάζεσθαι καὶ καλλίστην καὶ προσφιλεστάτην θεοῖς τε καὶ ἀνθρώποις, ἔτι πρὸς τούτοις καὶ ράϊστην εἶναι μαθεῖν πῶς οὐχὶ γενναῖόν ἐστι; γενναῖα δὲ δὴπου καλοῦμεν καὶ τῶν ζώων ὅποσα καλὰ καὶ μεγάλα καὶ ὠφέλιμα ὄντα πράεα ἐστὶ πρὸς τοὺς ἀνθρώπους.

[5] Ἀλλὰ ταῦτα μὲν ἐγώ, ἔφην, ὦ Ἰσχόμαχε, ἱκανῶς δοκῶ καταμεμαθηκέναι ἤι εἶπας, καθ' ἃ δεῖ διδάσκειν τζον ἐπίτροπον· καὶ γὰρ ἤι ἔφησθα εὖνουν σοι ποιεῖν αὐτὸν μαθεῖν δοκῶ, καὶ ἤι ἐπιμελῇ καὶ ἀρχικὸν καὶ δίκαιον. [6] ὁ δὲ εἶπας ὡς δεῖ μαθεῖν τὸν μέλλοντα ὀρθῶς γεωργίας ἐπιμελεῖσθαι καὶ ἃ δεῖ ποιεῖν καὶ ὡς δεῖ καὶ ὅποτε ἕκαστα, ταῦτά μοι δοκοῦμεν, ἔφην ἐγώ, ἀργότερόν πως ἐπιδεδραμηκέναι τῷ λόγῳ. [7] ὥσπερ εἰ εἴποις ὅτι δεῖ γράμματα ἐπίστασθαι τὸν μέλλοντα δυνήσεσθαι τὰ ὑπαγορευόμενα γράφειν καὶ τὰ γεγραμμένα ἀναγινώσκειν. ταῦτα γὰρ ἐγὼ ἀκούσας, ὅτι μὲν δεῖ γράμματα ἐπίστασθαι ἡκηκόη ἄν, τοῦτο δὲ εἰδὼς οὐδέν τι οἶμαι μᾶλλον ἂν ἐπισταίμην γράμματα. [8] οὕτω δὲ καὶ νῦν ὅτι μὲν δεῖ ἐπίστασθαι γεωργίαν τὸν μέλλοντα ὀρθῶς ἐπιμελεῖσθαι αὐτῆς ραϊδίως πέπεισμαι, τοῦτο μέντοι εἰδὼς οὐδέν τι μᾶλλον ἐπίσταμαι ὅπως δεῖ γεωργεῖν. [9] ἀλλ' εἰ μοι αὐτίκα μάλα δόξειε γεωργεῖν, ὅμοιος ἂν μοι δοκῶ εἶναι τῷ περιόντι ἰατρῷ καὶ ἐπισκοποῦντι τοὺς κάμνοντας, εἰδότι δὲ οὐδέν ὃ τι συμφέρει τοῖς κάμνουσιν. ἴν' οὖν μὴ τοιοῦτος ὦ, ἔφην ἐγώ, δίδασκέ με αὐτὰ τὰ ἔργα τῆς γεωργίας.

[10] Ἀλλὰ μὴν, ἔφη, ὦ Σώκρατες, οὐχ ὥσπερ γε τὰς ἄλλας τέχνας κατατριβῆναι δεῖ μαθάνοντας πρὶν ἄξια τῆς τροφῆς ἐργάζεσθαι τὸν

διδασκόμενον, οὐχ οὕτω καὶ ἡ γεωργία δύσκολός ἐστι μαθεῖν, ἀλλὰ τὰ μὲν ἰδὼν ἂν ἐργαζομένους, τὰ δὲ ἀκούσας εὐθὺς ἂν ἐπίσταιο, ὥστε καὶ ἄλλων, εἰ βούλοιο, διδάσκειν. οἶομαι δ', ἔφη, πάνυ καὶ λεληθέναι πολλὰ σε αὐτὸν ἐπιστάμενον αὐτῆς. [11] καὶ γὰρ δὴ οἱ μὲν ἄλλοι τεχνῖται ἀποκρύπτονται πως τὰ ἐπικαιριώτατα ἧς ἕκαστος ἔχει τέχνης, τῶν δὲ γεωργῶν ὁ κάλλιστα μὲν φυτεῦων μάλιστ' ἂν ἦδοιτο, εἴ τις αὐτὸν θεῶιτο, ὁ κάλλιστα δὲ σπείρων ὡσαύτως· ὁ τι δὲ ἔροιο τῶν καλῶς πεποιημένων, οὐδὲν ὁ τι ἂν σε ἀποκρύψαιτο ὅπως ἐποίησεν. [12] οὕτω καὶ τὰ ἦθη, ὦ Σώκρατες, ἔφη, γενναιοτάτους τοὺς αὐτῇ συνόντας ἡ γεωργία ἔοικε παρέχεσθαι.

[13] Ἀλλὰ τὸ μὲν προοίμιον, ἔφην ἐγώ, καλὸν καὶ οὐχ οἶον ἀκούσαντα ἀποτρέπεσθαι τοῦ ἐρωτήματος· σὺ δέ, ὅτι εὐπετές ἐστι μαθεῖν, διὰ τοῦτο πολὺ μοι μᾶλλον διέξιθι αὐτήν. οὐ γὰρ σοὶ αἰσχρὸν τὰ ράϊδια διδάσκειν ἐστίν, ἀλλ' ἐμοὶ πολὺ αἴσχιον μὴ ἐπίστασθαι ἄλλως τε καὶ εἰ χρήσιμα ὄντα τυγχάνει.

Κεφάλαιον ις'

[1] Πρῶτον μὲν τοίνυν, ἔφη, ὦ Σώκρατες, τοῦτο ἐπιδείξει βούλομαί σοι ὡς οὐ χαλεπὸν ἐστὶν ὁ λέγουσι ποικιλώτατον τῆς γεωργίας εἶναι οἱ λόγῳ μὲν ἀκριβέστατα αὐτὴν διεξιόντες, ἥκιστα δὲ ἐργαζόμενοι. [2] φασὶ γὰρ τὸν μέλλοντα ὀρθῶς γεωργήσῃν τὴν φύσιν χρῆναι πρῶτον τῆς γῆς εἰδέναι. Ὅρθῶς γε, ἔφην ἐγώ, ταῦτα λέγοντες. ὁ γὰρ μὴ εἰδὼς ὁ τι δύναται ἡ γῆ φέρειν, οὐδ' ὁ τι σπείρειν οἶμαι οὐδ' ὁ τι φυτεύειν δεῖ εἰδεῖν ἂν.

[3] Οὐκοῦν, ἔφη ὁ Ἰσχόμαχος, καὶ ἀλλοτρίας γῆς τοῦτο ἔστι γνῶναι, ὁ τι τε δύναται φέρειν καὶ ὁ τι μὴ δύναται, ὀρῶντα τοὺς καρποὺς καὶ τὰ δένδρα. ἐπειδὰν μέντοι γνῶι τις, οὐκέτι συμφέρει θεομαχεῖν. οὐ γὰρ ἂν, ὅτου δέοιτο αὐτός, τοῦτο σπείρων καὶ φυτεῦων μᾶλλον ἂν ἔχοι τὰ ἐπιτήδεια ἢ ὁ τι ἡ γῆ ἦδοιτο φύουσα καὶ τρέφουσα. [4] ἂν δ' ἄρα δι' ἀργίαν τῶν ἐχόντων αὐτὴν μὴ ἔχῃ τὴν ἑαυτῆς δύναμιν ἐπιδεικνύειν, ἔστι καὶ παρὰ γείτονος τόπου πολλάκις ἀληθέστερα περὶ αὐτῆς γνῶναι ἢ παρὰ γείτονος ἀνθρώπου πυθέσθαι. [5] καὶ χερσεύουσα δὲ ὅμως ἐπιδείκνυσιν τὴν αὐτῆς φύσιν· ἡ γὰρ τὰ ἄγρια καλὰ φύουσα δύναται θεραπευομένη καὶ τὰ ἡμέρα καλὰ ἐκφέρειν. φύσιν μὲν δὴ γῆς οὕτως καὶ οἱ μὴ πάνυ ἔμπειροι γεωργίας ὅμως δύνανται διαγιγνώσκειν.

[6] Ἀλλὰ τοῦτο μὲν, ἔφην ἐγώ, ὦ Ἰσχόμαχε, ἱκανῶς ἤδη μοι δοκῶ

ἀποθεαρρηκένοι, ὥς οὐ δεῖ φοβούμενον μὴ οὐ γνῶ τῆς γῆς φύσιν ἀπέχεσθαι γεωργίας. [7] καὶ γὰρ δὴ, ἔφην, ἀνεμνήσθην τὸ τῶν ἀλιέων, ὅτι θαλαττουργοὶ ὄντες καὶ οὔτε καταστήσαντες ἐπὶ θεάν οὔθ' ἥσυχοι βαδίζοντες, ἀλλὰ παρατρέχοντες ἅμα τοὺς ἀγρούς, ὅταν ὀρῶσι τοὺς καρποὺς ἐν τῇ γῇ, ὅμως οὐκ ὀκνοῦσιν ἀποφαίνεσθαι περὶ τῆς γῆς ὅποια τε ἀγαθὴ ἐστὶ καὶ ὅποια κακὴ, ἀλλὰ τὴν μὲν ψέγουσι, τὴν δ' ἐπαινοῦσι. καὶ πάνν τοῖνν τοῖς ἐμπείροις γεωργίας ὀρῶ αὐτοὺς τὰ πλεῖστα κατὰ ταῦτὰ ἀποφαινομένους περὶ τῆς ἀγαθῆς γῆς.

[8] Πόθεν οὖν βούλῃ, ἔφη, ὦ Σώκρατες, ἄρξωμαί σε τῆς γεωργίας ὑπομιμνήσκεις; οἶδα γὰρ ὅτι ἐπισταμένω σοι πάνν πολλὰ φράσω ὥς δεῖ γεωργεῖν.

[9] Ἐκεῖνό μοι δοκῶ, ἔφην ἐγώ, ὦ Ἰσχόμαχε, πρῶτον ἂν ἡδέως μανθάνειν (φιλοσόφου γὰρ μάλιστά ἐστὶν ἀνδρός) ὅπως ἂν ἐγώ, εἰ βουλοίμην, γῆν ἐργαζόμενος πλείστας κριθάς καὶ πλείστους πυροὺς λαμβάνοιμι.

[10] Οὐκοῦν τοῦτο μὲν οἶσθα, ὅτι τῷ σπόρῳ νεὸν δεῖ ὑπεργάζεσθαι;

Οἶδα γάρ, ἔφην ἐγώ.

[11] Εἰ οὖν ἀρχοίμεθα, ἔφη, ἀροῦν τὴν γῆν χειμῶνος;

Ἀλλὰ πηλὸς ἂν εἴη, ἐγώ ἔφην.

Ἀλλὰ τοῦ θερούς σοι δοκεῖ;

Σκληρά, ἔφην ἐγώ, ἡ γῆ ἔσται κινεῖν τῷ ζεύγει.

[12] Κινδυνεύει ἕαρος, ἔφη, εἶναι τούτου τοῦ ἔργου ἀρκτέον.

Εἰκὸς γάρ, ἔφην ἐγώ, ἐστὶ μάλιστα χεῖσθαι τὴν γῆν τηνικαῦτα κινουμένην.

Καὶ τὴν πόαν γε ἀναστρεφομένην, ἔφη, ὦ Σώκρατες, τηνικαῦτα κόπρον μὲν τῇ γῇ ἤδη παρέχειν, καρπὸν δ' οὐπω καταβαλεῖν ὥστε φύεσθαι. [13] οἶμαι γὰρ δὴ καὶ τοῦτό σ' ἔτι γινώσκειν, ὅτι εἰ μέλλει ἀγαθὴ ἡ νεὸς ἔσεσθαι, ὕλης τε καθαρὰν αὐτὴν εἶναι δεῖ καὶ ὀπτὴν ὅτι μάλιστα πρὸς τὸν ἥλιον.

Πάνν γε, ἔφην ἐγώ, καὶ ταῦτα οὕτως ἡγοῦμαι χρῆναι ἔχειν.

[14] Ταῦτ' οὖν, ἔφη, σὺ ἄλλως πως νομίζεις μᾶλλον ἂν γίνεσθαι ἢ εἰ ἐν τῷ θέρει ὅτι πλειστάκις μεταβάλῃ τις τὴν γῆν;

Οἶδα μὲν οὖν, ἔφην, ἀκριβῶς ὅτι οὐδαμῶς ἂν μᾶλλον ἢ μὲν ὕλη ἐπιπολάζῃ καὶ αὐαίνοιτο ὑπὸ τοῦ καύματος, ἢ δὲ γῆ ὀπτῶιτο ὑπὸ τοῦ ἡλίου, ἢ εἰ τις αὐτὴν ἐν μέσῳ τῷ θέρει καὶ ἐν μέσῃ τῇ ἡμέρᾳ

κινοίη τῷ ζεύγει.

[15] Εἰ δὲ ἄνθρωποι σκάπτοντες τὴν νεὸν ποιοῖεν, ἔφη, οὐκ εὐδηλον ὅτι καὶ τούτους δίχα δεῖ ποιεῖν τὴν γῆν καὶ τὴν ὕλην;

Καὶ τὴν μὲν γε ὕλην, ἔφην ἐγώ, καταβάλλειν, ὥς αὐαίνεται, ἐπιπολῆς, τὴν δὲ γῆν στρέφειν, ὥς ἡ ὦμὴ αὐτῆς ὀπτᾶται.

Κεφάλαιον ιζ'

[1] Περὶ μὲν τῆς νεοῦ ὁρᾷς, ἔφη, ὦ Σώκρατες, ὥς ἀμφοτέροις ἡμῖν ταῦτα δοκεῖ.

Δοκεῖ γὰρ οὖν, ἔφην ἐγώ.

Περὶ γε μέντοι τοῦ σπόρου ὥρας ἄλλο τι, ἔφη, ὦ Σώκρατες, γινώσκεις ἢ τὴν ὥραν σπείρειν ἧς πάντες μὲν οἱ πρόσθεν ἄνθρωποι πεῖραν λαβόντες, πάντες δὲ οἱ νῦν λαμβάνοντες, ἐγνώκασι κρατίστην εἶναι; [2] ἐπειδὴν γὰρ ὁ μετοπωρινὸς χρόνος ἔλθῃ, πάντες που οἱ ἄνθρωποι πρὸς τὸν θεὸν ἀποβλέπουσιν, ὅποτε βρέξας τὴν γῆν ἀφήσει αὐτοὺς σπείρειν.

Ἐγνώκασι δὴ γ', ἔφην ἐγώ, ὦ Ἰσχόμαχε, καὶ τὸ μὴ ἐν ξηραὶ σπείρειν ἐκόντες εἶναι πάντες ἄνθρωποι, δῆλον ὅτι πολλαῖς ζημίαις παλαίσαντες οἱ πρὶν κελευσθῆναι ὑπὸ τοῦ θεοῦ σπείροντες.

[3] Οὐκοῦν ταῦτα μὲν, ἔφη ὁ Ἰσχόμαχος, ὁμογνωμονοῦμεν πάντες οἱ ἄνθρωποι.

Ἄ γὰρ ὁ θεὸς διδάσκει, ἔφην ἐγώ, οὕτω γίγνεται ὁμονοεῖν· οἷον ἅμα πᾶσι δοκεῖ βέλτιον εἶναι ἐν τῷ χειμῶνι παχέα ἱμάτια φορεῖν, ἢ δύνωνται, καὶ πῦρ κάειν ἅμα πᾶσι δοκεῖ, ἢ ξύλα ἔχουσιν.

[4] Ἀλλ' ἐν τῷδε, ἔφη ὁ Ἰσχόμαχος, πολλοὶ ἤδη διαφέρονται, ὦ Σώκρατες, περὶ τοῦ σπόρου, πότερον ὁ πρῶιμος κράτιστος ἢ ὁ μέσος ἢ ὁ ὀψιμώτατος.

Καὶ ὁ θεός, ἔφην ἐγώ, οὐ τεταγμένως τὸ ἔτος ἄγει, ἀλλὰ τὸ μὲν τῷ πρῶιμῳ κάλλιστα, τὸ δὲ τῷ μέσῳ, τὸ δὲ τῷ ὀψιμωτάτῳ.

[5] Σὺ οὖν, ἔφη, ὦ Σώκρατες, πότερον ἡγῆι κρεῖττον εἶναι ἐνὶ τούτων τῶν σπόρων χρῆσθαι ἐκλεξάμενον, ἐάν τε πολὺ ἐάν τε ὀλίγον σπέρμα σπείρῃ τις, ἢ ἀρξάμενον ἀπὸ τοῦ πρωιμωτάτου μέχρι τοῦ ὀψιμωτάτου σπείρειν;

[6] Καὶ ἐγὼ εἶπον· Ἐμοὶ μὲν, ὦ Ἰσχόμαχε, δοκεῖ κράτιστον εἶναι παντὸς μετέχειν τοῦ σπόρου. πολὺ γὰρ νομίζω κρεῖττον εἶναι ἀεὶ ἀρκοῦντα σῖτον λαμβάνειν ἢ ποτὲ μὲν πάνυ πολὺν ποτὲ δὲ μηδ' ἱκανόν.

Καὶ τοῦτο τοίνυν σύγε, ἔφη, ὦ Σώκρατες, ὁμογνωμονεῖς ἔμοι ὁ μανθάνων τῷ διδάσκοντι, καὶ ταῦτα πρόσθεν ἐμοῦ τὴν γνώμην ἀποφαινόμενος.

[7] Τί γάρ, ἔφην ἐγώ, ἐν τῷ ρίπτειν τὸ σπέρμα ποικίλη τέχνη ἔνεστι;

Πάντως, ἔφη, ὦ Σώκρατες, ἐπισκεψώμεθα καὶ τοῦτο. ὅτι μὲν γὰρ ἐκ τῆς χειρὸς δεῖ ρίπτεσθαι τὸ σπέρμα καὶ σύ που οἶσθα, ἔφη.

Καὶ γὰρ ἐώρακα, ἔφην ἐγώ.

Ῥίπτειν δέ γε, ἔφη, οἱ μὲν ὁμαλῶς δύνανται, οἱ δ' οὔ.

Οὐκοῦν τοῦτο μὲν, ἔφην ἐγώ, ἤδη μελέτης δεῖται ὥσπερ τοῖς κιθαρισταῖς ἢ χεῖρ, ὅπως δύνηται ὑπηρετεῖν τῇ γνώμῃ.

[8] Πάνυ μὲν οὖν, ἔφη· ἂν δέ γε ἦι, ἔφη, ἢ γῇ ἢ μὲν λεπτοτέρα, ἢ δὲ παχυτέρα;

Τί τοῦτο, ἐγώ ἔφην, λέγεις; ἄρά γε τὴν μὲν λεπτοτέραν ὅπερ ἀσθενεστέραν, τὴν δὲ παχυτέραν ὅπερ ἰσχυροτέραν;

Τοῦτ', ἔφη, λέγω, καὶ ἐρωτῶ γέ σε πότερον ἴσον ἂν ἐκατέραι τῇ γῇ σπέρμα διδοίης ἢ ποτέραι ἂν πλεον.

[9] Τῷ μὲν οἴνῳ, ἔφην, ἔγωγε νομίζω τῷ ἰσχυροτέρῳ πλεον ἐπιχεῖν ὕδωρ, καὶ ἀνθρώπῳ τῷ ἰσχυροτέρῳ πλεον βάρος, ἐὰν δέη τι φέρειν, ἐπιτιθέναι, κὰν δέη τρέφεσθαι τινας, τοῖς δυνατωτέροις τρέφειν ἂν τοὺς πλείους προστάξαιμι. εἰ δὲ ἢ ἀσθενὴς γῇ ἰσχυροτέρα, ἔφην ἐγώ, γίγνεται, ἂν τις πλείονα καρπὸν αὐτῇ ἐμβάλῃ, ὥσπερ τὰ ὑποζύγια, τοῦτο σύ με δίδασκε.

[10] Καὶ ὁ Ἰσχόμαχος γελάσας εἶπεν· Ἀλλὰ παίζεις μὲν σύγε, ἔφη, ὦ Σώκρατες. εὖ γε μέντοι, ἔφη, ἴσθι, ἂν μὲν ἐμβαλὼν τὸ σπέρμα τῇ γῇ ἔπειτα ἐν ᾧ πολλὴν ἔχει τροφήν ἢ γῇ ἀπὸ τοῦ οὐρανοῦ χλόης γενομένης ἀπὸ τοῦ σπέρματος καταστρέψῃς αὐτὸ πάλιν, τοῦτο γίγνεται σῖτος τῇ γῇ, καὶ ὥσπερ ὑπὸ κόπρου ἰσχὺς αὐτῇ ἐγγίγνεται· ἂν μέντοι ἐκτρέφειν ἑᾷς τὴν γῆν διὰ τέλους τὸ σπέρμα εἰς καρπὸν, χαλεπὸν τῇ ἀσθενεῖ γῇ ἐς τέλος πολὺν καρπὸν ἐκφέρειν. καὶ σὺ δὲ ἀσθενεῖ χαλεπὸν πολλοὺς ἀδρούς χοίρους ἐκτρέφειν.

[11] Λέγεις σύ, ἔφην ἐγώ, ὦ Ἰσχόμαχε, τῇ ἀσθενεστέρῃ γῇ μείον δεῖν τὸ σπέρμα ἐμβαλεῖν;

Ναὶ μὰ Δί', ἔφη, ὦ Σώκρατες, καὶ σύ γε συνομολογεῖς, λέγων ὅτι νομίζεις τοῖς ἀσθενεστέροις πᾶσι μείω προστάττειν πράγματα.

[12] Τοὺς δὲ δὴ σκαλέας, ἔφην ἐγώ, ὦ Ἰσχόμαχε, τίνος ἔνεκα ἐμβάλλετε τῷ σίτῳ;

Οἶσθα δήπου, ἔφη, ὅτι ἐν τῷ χειμῶνι πολλὰ ὕδατα γίνονται.

Τί γὰρ οὐ; ἔφην ἐγώ.

Οὐκοῦν θῶμεν τοῦ σίτου καὶ κατακρυφθῆναί τινα ὑπ' αὐτῶν ἰλύος ἐπιχυθείσης καὶ ψιλωθῆναί τινας ρίζας ὑπὸ ρεύματος. καὶ ὕλη δὲ πολλάκις ὑπὸ τῶν ὑδάτων δήπου συνεξορμαῖ τῷ σίτῳ καὶ παρέχει πνιγμὸν αὐτῷ.

Πάντα, ἔφην ἐγώ, εἰκὸς ταῦτα γίνεσθαι.

[13] Οὐκοῦν δοκεῖ σοι, ἔφη, ἐνταῦθα ἤδη ἐπικουρίας τινὸς δεῖσθαι ὁ σῖτος;

Πάνυ μὲν οὖν, ἔφην ἐγώ.

Τῷ οὖν κατιλυθέντι τί ἂν ποιοῦντες δοκοῦσιν ἂν σοι ἐπικουρῆσαι;

Ἐπικουφίσαντες, ἔφην ἐγώ, τὴν γῆν.

Τί δέ, ἔφη, τῷ ἐψιλωμένῳ τὰς ρίζας;

Ἀντιπροσαμνησάμενοι τὴν γῆν ἂν, ἔφην ἐγώ.

[14] Τί γάρ, ἔφη, ἂν ὕλη πνίγῃ συνεξορμῶσα τῷ σίτῳ καὶ διαρπάζουσα τοῦ σίτου τὴν τροφήν ὥσπερ οἱ κηφῆνες διαρπάζουσιν ἄχρηστοι ὄντες τῶν μελιττῶν ἃ ἂν ἐκεῖναι ἐργασάμεναι τροφήν καταθῶνται;

Ἐκκόπτειν ἂν νῆ Δία [τὴν τροφήν] δέοι τὴν ὕλην, ἔφην ἐγώ, ὥσπερ τοὺς κηφῆνας ἐκ τῶν σμηνῶν ἀφαιρεῖν.

[15] Οὐκοῦν, ἔφη, εἰκότως σοι δοκοῦμεν ἐμβαλεῖν τοὺς σκαλέας;

Πάνυ γε. ἀτὰρ ἐνθυμοῦμαι, ἔφην ἐγώ, ὧ Ἰσχόμαχε, οἷόν ἐστι τὸ εὖ τὰς εἰκόνας ἐπάγεσθαι. πάνυ γὰρ σύ με ἐξώργισας πρὸς τὴν ὕλην τοὺς κηφῆνας εἰπὼν, πολὺ μᾶλλον ἢ ὅτε περὶ αὐτῆς τῆς ὕλης ἔλεγες.

Κεφάλαιον ιη'

[1] Ἀτὰρ οὖν, ἔφην ἐγώ, ἐκ τούτου ἄρα θερίζειν εἰκός. δίδασκε οὖν εἴ τι ἔχεις με καὶ εἰς τοῦτο.

Ἄν μή γε φανῆις, ἔφη, καὶ εἰς τοῦτο ταυτὰ ἐμοὶ ἐπιστάμενος. ὅτι μὲν οὖν τέμνειν τὸν σῖτον δεῖ οἶσθα.

Τί δ' οὐ μέλλω; ἔφην ἐγώ.

Πότερ' <ἂν> οὖν τέμνοις, ἔφη, στὰς ἐνθα πνεῖ ἄνεμος ἢ ἀντίος;

Οὐκ ἀντίος, ἔφην, ἔγωγε· χαλεπὸν γὰρ οἶμαι καὶ τοῖς ὄμμασι καὶ ταῖς χερσὶ γίνεταί ἀντίον ἀχύρων καὶ ἀθέρων θερίζειν.

[2] Καὶ ἀκροτομοίης δ' ἂν, ἔφη, ἢ παρὰ γῆν τέμνοις;

Ἄν μὲν βραχὺς ᾗ ὁ κάλαμος τοῦ σίτου, ἔγωγ', ἔφην, κάτωθεν ἂν

τέμνοιμι, ἵνα ἱκανὰ τὰ ἄχυρα μᾶλλον γίγνηται· ἐὰν δὲ ὑψηλὸς ᾦ, νομίζω ὀρθῶς ἂν ποιεῖν μεσοτομῶν, ἵνα μήτε οἱ ἀλοῶντες μοχθῶσι περιττὸν πόνον μήτε οἱ λικμῶντες ὧν οὐδὲν προσδέονται. τὸ δὲ ἐν τῇ γῇ λειφθὲν ἡγοῦμαι καὶ κατακαυθὲν συνωφελεῖν ἂν τὴν γῆν καὶ εἰς κόπρον ἐμβληθὲν τὴν κόπρον συμπληθύνειν.

[3] Ὅρᾱις, ἔφη, ὦ Σώκρατες, ὥς ἀλίσκει ἐπ' αὐτοφώρῳ καὶ περὶ θερισμοῦ εἰδὼς ἅπερ ἐγώ;

Κινδυνεύω, ἔφην ἐγώ, καὶ βούλομαί γε σκέψασθαι εἰ καὶ ἀλοᾶν ἐπίσταμαι.

Οὐκοῦν, ἔφη, τοῦτο μὲν οἶσθα, ὅτι ὑποζυγίῳ ἀλοῶσι τὸν σῖτον.

[4] Τί δ' οὐκ, ἔφην ἐγώ, οἶδα; καὶ ὑποζυγία γε καλούμενα πάντα ὁμοίως, βοῦς, ἡμιόνους, ἵππους.

Οὐκοῦν, ἔφη, ταῦτα μὲν ἡγῇ τοσοῦτον μόνον εἰδέναι, πατεῖν τὸν σῖτον ἐλαυνόμενα;

Τί γάρ ἂν ἄλλο, ἔφην ἐγώ, ὑποζυγία εἰδεῖν;

[5] Ὅπως δὲ τὸ δεόμενον κόψουσι καὶ ὁμαλιεῖται ὁ ἀλοατός, τίνι τοῦτο ..., ὦ Σώκρατες; ἔφη.

Δῆλον ὅτι, ἔφην ἐγώ, τοῖς ἐπαλωσταῖς. στρέφοντες γάρ καὶ ὑπὸ τοὺς πόδας ὑποβάλλοντες τὰ ἄτριπτα ἀεὶ δῆλον ὅτι μάλιστα ὁμαλίζουσιν ἂν τὸν δῖνον καὶ τάχιστα ἀνύτοιεν.

Ταῦτα μὲν τοίνυν, ἔφη, οὐδὲν ἐμοῦ λείπει γινώσκων.

[6] Οὐκοῦν, ἔφην ἐγώ, ὦ Ἰσχόμαχε, ἐκ τούτου δὴ καθαροῦμεν τὸν σῖτον λικμῶντες.

Καὶ λέξον γέ μοι, ὦ Σώκρατες, ἔφη ὁ Ἰσχόμαχος, ἥ οἶσθα ὅτι ἂν ἐκ τοῦ προσηνέμου μέρους τῆς ἄλλω ἄρχῃ, δι' ὅλης τῆς ἄλλω οἴσεται σοι τὰ ἄχυρα;

Ἀνάγκη γάρ, ἔφην ἐγώ.

Οὐκοῦν εἰκὸς καὶ ἐπιπίπτειν, ἔφη, αὐτὰ ἐπὶ τὸν σῖτον.

[7] Πολὺ γάρ ἐστιν, ἔφην ἐγώ, τὸ ὑπερενεχθῆναι τὰ ἄχυρα ὑπὲρ τὸν σῖτον εἰς τὸ κενὸν τῆς ἄλλω.

Ἄν δέ τις, ἔφη, λικμᾷ ἐκ τοῦ ὑπηνέμου ἀρχόμενος;

Δῆλον, ἔφην ἐγώ, ὅτι εὐθὺς ἐν τῇ ἀχυροδόκῃ ἔσται τὰ ἄχυρα.

[8] Ἐπειδὴν δὲ καθάρῃς, ἔφη, τὸν σῖτον μέχρι τοῦ ἡμίσεος τῆς ἄλλω, πότερον εὐθὺς οὕτω κεχυμένου τοῦ σίτου λικμήσεις τὰ ἄχυρα τὰ λοιπὰ ἢ συνώσας τὸν καθαρὸν πρὸς τὸν πόλον ὥς εἰς στενότατον;

Συνώσας νῆ Δί', ἔφην ἐγώ, τὸν καθαρὸν σῖτον, ἵν' ὑπερφέρηται μοι τὰ ἄχυρα εἰς τὸ κενὸν τῆς ἄλλω, καὶ μὴ δις ταῦτα ἄχυρα δέηι

λικμᾶν.

[9] Σὺ μὲν δὴ ἄρα, ἔφη, ὦ Σώκρατες, σῖτόν γε ὡς ἂν τάχιστα καθαρὸς γένοιτο κἂν ἄλλον δύναιο διδάσκειν.

Ταῦτα τοίνυν, ἔφην ἐγώ, ἐλελήθη ἐμαυτὸν ἐπιστάμενος. καὶ πάλαι ἐννοῶ ἄρα εἰ λέληθα καὶ χρυσοχοεῖν καὶ αὐλεῖν καὶ ζωγραφεῖν ἐπιστάμενος. ἐδίδαξε γὰρ οὔτε ταῦτά με οὐδεὶς οὔτε γεωργεῖν· ὁρῶ δ' ὥσπερ γεωργοῦντας καὶ τὰς ἄλλας τέχνας ἐργαζομένους ἀνθρώπους.

[10] Οὐκοῦν, ἔφη ὁ Ἰσχόμαχος, ἔλεγον ἐγώ σοι πάλαι ὅτι καὶ ταύτῃ εἴῃ γενναιοτάτῃ ἢ γεωργικῇ τέχνῃ, ὅτι καὶ ράϊστη ἐστὶ μαθεῖν.

Ἄγε δὴ, ἔφην ἐγώ, οἶδα, ὦ Ἰσχόμαχε· τὰ μὲν δὴ ἀμφὶ σπόρον ἐπιστάμενος ἄρα ἐλελήθην ἐμαυτὸν ἐπιστάμενος.

Κεφάλαιον ιθ'

[1] Ἔστι δ' οὖν, ἔφην ἐγώ, τῆς γεωργικῆς τέχνης καὶ ἡ τῶν δένδρων φυτεία;

Ἔστι γὰρ οὖν, ἔφη ὁ Ἰσχόμαχος.

Πῶς ἂν οὖν, ἔφην ἐγώ, τὰ μὲν ἀμφὶ τὸν σπόρον ἐπισταίμην, τὰ δ' ἀμφὶ τὴν φυτείαν οὐκ ἐπίσταμαι;

[2] Οὐ γὰρ σύ, ἔφη ὁ Ἰσχόμαχος, ἐπίστασαι·

Πῶς; ἐγὼ ἔφην, ὅστις μὴτ' ἐν ὁποίᾳ τῇ γῇ δεῖ φυτεύειν οἶδα μήτε ὅπόσον βάθος ὀρύττειν [τὸ φυτὸν] μήτε ὅπόσον πλάτος μήτε ὅπόσον μῆκος τὸ φυτὸν ἐμβάλλειν μήτε ὅπως ἂν ἐν τῇ γῇ κείμενον τὸ φυτὸν μάλιστ' ἂν βλαστάνοι.

[3] Ἴθι δὴ, ἔφη ὁ Ἰσχόμαχος, μάθανε ὅ τι μὴ ἐπίστασαι. βοθύνους μὲν γὰρ οἴους ὀρύττουσι τοῖς φυτοῖς οἷδ' ὅτι ἐώρακας, ἔφη.

Καὶ πολλάκις ἔγωγ', ἔφην.

Ἦδη τινὰ οὖν αὐτῶν εἶδες βαθύτερον τριπόδου;

Οὐδὲ μὰ Δί' ἔγωγ', ἔφην, πενθημιποδίου.

Τί δέ, τὸ πλάτος ἤδη τινὰ τριπόδου πλέον εἶδες;

Οὐδὲ μὰ Δί', ἔφην ἐγώ, διπόδου.

[4] Ἴθι δὴ, ἔφη, καὶ τόδε ἀπόκριναί μοι· ἤδη τινὰ εἶδες τὸ βάθος ἐλάττονα ποδιαίου;

Οὐδὲ μὰ Δί', ἔφην, ἔγωγε τριημιποδίου. καὶ γὰρ ἐξορύττοιο ἂν σκαπτόμενα, ἔφην ἐγώ, τὰ φυτὰ, εἰ λίαν γε οὕτως ἐπιπολῆς πεφυτευμένα εἴη.

[5] Οὐκοῦν τοῦτο μὲν, ἔφη, ὦ Σώκρατες, ἱκανῶς οἶσθα, ὅτι οὔτε

βαθύτερον πενθημιποδίου ὀρύττουσιν οὔτε βραχύτερον τριημιποδίου.

Ἀνάγκη γάρ, ἔφην ἐγώ, τοῦτο ὀραῖσθαι γε οὔτω καταφανὲς ὄν.

[6] Τί δέ, ἔφη, ξηροτέραν καὶ ὑγροτέραν γῆν γινώσκεις ὀρών;

Ξηρὰ μὲν γοῦν μοι δοκεῖ, ἔφην ἐγώ, εἶναι ἡ περὶ τὸν Λυκαβηττὸν καὶ ἡ ταύτη ὁμοία, ὑγρὰ δὲ ἡ ἐν τῷ Φαληρικῷ ἔλει καὶ ἡ ταύτη ὁμοία.

[7] Πότερα οὖν, ἔφη, ἐν τῇ ξηρᾷ ἂν βαθὺν ὀρύττοις βόθρον τῷ φυτῷ ἢ ἐν τῇ ὑγρᾷ;

Ἐν τῇ ξηρᾷ νῆ Δί', ἔφην ἐγώ· ἐπεὶ ἔν γε τῇ ὑγρᾷ ὀρύττων βαθύν, ὕδωρ ἂν εὐρίσκοις καὶ οὐκ ἂν δύναιο ἔτι ἐν ὕδατι φυτεύειν.

Καλῶς μοι δοκεῖς, ἔφη, λέγειν. οὐκοῦν ἐπειδὴν ὀρωρυγμένοι ὦσιν οἱ βόθροι, ὀπηνίκα δεῖ τιθέναι ἐκάτερα τὰ φυτὰ ἤδη εἶδες;

Μάλιστα, ἔφην ἐγώ.

[8] Σὺ οὖν βουλόμενος ὥς τάχιστα φῦναι αὐτὰ πότερον ὑποβαλὼν ἂν τῆς γῆς τῆς εἰργασμένης οἶει τὸν βλαστὸν τοῦ κλήματος θᾶττον χωρεῖν διὰ τῆς μαλακῆς ἢ διὰ τῆς ἀργοῦ εἰς τὸ σκληρόν;

Δῆλον, ἔφην ἐγώ, ὅτι διὰ τῆς εἰργασμένης θᾶττον ἂν ἢ διὰ τῆς ἀργοῦ βλαστάνοι.

[9] Οὐκοῦν ὑποβλητέα ἂν εἴη τῷ φυτῷ γῆ.

Τί δ' οὐ μέλλει; ἔφην ἐγώ.

Πότερα δὲ ὅλον τὸ κλῆμα ὀρθὸν τιθεὶς πρὸς τὸν οὐρανὸν βλέπον ἡγῆι μᾶλλον ἂν ῥιζοῦσθαι αὐτὸ ἢ καὶ πλάγιόν τι ὑπὸ τῇ ὑποβεβλημένῃ γῇ θείης ἂν, ὥστε κεῖσθαι ὥσπερ γάμμα ὕπτιον;

[10] Οὔτω νῆ Δία· πλείους γὰρ ἂν οἱ ὀφθαλμοὶ κατὰ τῆς γῆς εἶεν· ἐκ δὲ τῶν ὀφθαλμῶν καὶ ἄνω ὀρῶ βλαστάνοντα τὰ φυτὰ. καὶ τοὺς κατὰ τῆς γῆς οὖν ὀφθαλμοὺς ἡγοῦμαι τὸ αὐτὸ τοῦτο ποιεῖν. πολλῶν δὲ φυομένων βλαστῶν <κατὰ> τῆς γῆς ταχὺ ἂν καὶ ἰσχυρὸν τὸ φυτὸν ἡγοῦμαι βλαστάνειν.

[11] Κατὰ ταῦτα τοῖνυν, ἔφη, καὶ περὶ τούτων γινώσκων ἐμοὶ τυγχάνεις. ἐπαμήσαο δ' ἂν μόνον, ἔφη, τὴν γῆν, ἢ καὶ σάξαις ἂν εὖ μάλα περὶ τὸ φυτόν;

Σάττοιμ' ἂν, ἔφην, νῆ Δί' ἐγώ. εἰ μὲν γὰρ μὴ σεσαγμένον εἴη, ὑπὸ μὲν τοῦ ὕδατος εὖ οἶδ' ὅτι πηλὸς ἂν γίγνοιτο ἢ ἄσακτος γῆ, ὑπὸ δὲ τοῦ ἡλίου ξηρὰ μέχρι βυθοῦ, ὥστε τὰ φυτὰ κίνδυνος [ὑπὸ μὲν τοῦ ὕδατος] σῆπασθαι μὲν δι' ὑγρότητα, αὐαίνεσθαι δὲ διὰ ξηρότητα, [ἤγουν χαυνότητα τῆς γῆς,] θερμαινομένων τῶν ῥιζῶν.

[12] Καὶ περὶ ἀμπέλων ἄρα σύγε, ἔφη, φυτείας, ὦ Σώκρατες, τὰ αὐτὰ ἐμοὶ πάντα γινώσκων τυγχάνεις.

Ἦ καὶ συκῆν, ἔφην ἐγώ, οὕτω δεῖ φυτεύειν;

Οἶμαι δ', ἔφη ὁ Ἰσχόμαχος, καὶ τᾶλλα ἀκρόδρυα πάντα. τῶν γὰρ ἐν τῇ τῆς ἀμπέλου φυτεῖαι καλῶς ἐχόντων τί ἂν ἀποδοκιμάσας εἰς τὰς ἄλλας φυτείας;

[13] Ἐλαίαν δὲ πῶς, ἔφην ἐγώ, φυτεύσομεν, ὦ Ἰσχόμαχε;

Ἀποπειρᾷ μου καὶ τοῦτο, ἔφη, μάλιστα πάντων ἐπιστάμενος. ὁρᾷς μὲν γὰρ δὴ ὅτι βαθύτερος ὀρύττεται τῇ ἐλαίᾳ βόθροος· καὶ γὰρ παρὰ τὰς ὁδοὺς μάλιστα ὀρύττεται· ὁρᾷς δ' ὅτι πρέμνα πᾶσι τοῖς φυτευτηρίοις πρόσσεστιν· ὁρᾷς δ', ἔφη, τῶν φυτῶν πηλὸν ταῖς κεφαλαῖς πάσαις ἐπικείμενον καὶ πάντων τῶν φυτῶν ἐστεγασμένον τὸ ἄνω.

Ὅρῳ, ἔφην ἐγώ, ταῦτα πάντα.

[14] Καὶ ὁρῶν δὴ, ἔφη, τί αὐτῶν οὐ γινώσκεις; ἢ τὸ ὄστρακον ἀγνοεῖς, ἔφη, ὦ Σώκρατες, πῶς ἂν ἐπὶ τοῦ πηλοῦ ἄνω καταθείης;

Μὰ τὸν Δί', ἔφην ἐγώ, οὐδὲν ὦν εἶπας, ὦ Ἰσχόμαχε, ἀγνοῶ, ἀλλὰ πάλιν ἐννοῶ τί ποτε, ὅτε πάλαι ἦρου με συλλήβδην εἰ ἐπίσταμαι φυτεύειν, οὐκ ἔφην. οὐ γὰρ ἐδόκουν ἔχειν ἂν εἰπεῖν οὐδὲν ἢ δεῖ φυτεύειν· ἐπεὶ δέ με καθ' ἐν ἑκαστον ἐπεχείρησας ἐρωτᾶν, ἀποκρίνομαί σοι, ὡς σὺ φῆις, ἅπερ σὺ γινώσκεις ὁ δεινὸς λεγόμενος γεωργός. [15] Ἄρα, ἔφην, ὦ Ἰσχόμαχε, ἡ ἐρώτησις διδασκαλία ἐστίν; ἄρτι γὰρ δὴ, ἔφην ἐγώ, καταμανθάνω ἢ με ἐπηρώτησας ἑκαστα· ἄγων γάρ με δι' ὦν ἐγώ ἐπίσταμαι, ὅμοια τούτοις ἐπιδεικνὺς ἃ οὐκ ἐνόμιζον ἐπίστασθαι ἀναπεῖθεις, οἶμαι, ὡς καὶ ταῦτα ἐπίσταμαι.

[16] Ἄρ' οὖν, ἔφη ὁ Ἰσχόμαχος, καὶ περὶ ἀργυρίου ἐρωτῶν ἂν σε, πότερον καλὸν ἢ οὐ, δυναίμην ἂν σε πείσαι ὡς ἐπίστασαι διαδοκιμάζειν τὰ καλὰ καὶ τὰ κίβδηλα ἀργύρια; καὶ περὶ αὐλητῶν ἂν δυναίμην ἀναπεῖσαι ὡς ἐπίστασαι αὐλεῖν, καὶ περὶ ζωγράφων καὶ περὶ τῶν ἄλλων τῶν τοιούτων;

Ἴσως ἂν, ἔφην ἐγώ, ἐπειδὴ καὶ γεωργεῖν ἀνέπεισάς με ὡς ἐπιστήμων εἶην, καίπερ εἰδότα ὅτι οὐδεὶς πώποτε ἐδίδαξέ με ταύτην τὴν τέχνην.

[17] Οὐκ ἔστι ταῦτ', ἔφη, ὦ Σώκρατες· ἀλλ' ἐγώ καὶ πάλαι σοι ἔλεγον ὅτι ἡ γεωργία οὕτω φιλάνθρωπός ἐστι καὶ πραεῖα τέχνη ὥστε καὶ ὁρῶντας καὶ ἀκούοντας ἐπιστήμονας εὐθὺς ἑαυτῆς ποιεῖν. [18] πολλὰ δ', ἔφη, καὶ αὐτὴ διδάσκει ὡς ἂν κάλλιστά τις αὐτῇ χρῶιτο.

αὐτίκα ἄμπελος ἀναβαίνουσα μὲν ἐπὶ τὰ δένδρα, ὅταν ἔχη τι πλησίον δένδρον, διδάσκει ἰστάναι αὐτήν· περιπεταννύουσα δὲ τὰ οἴναρα, ὅταν ἔτι αὐτῇ ἀπαλοὶ οἱ βότρυες ᾧσι, διδάσκει σκιαζεῖν τὰ ἡλιούμενα ταύτην τὴν ὥραν· [19] ὅταν δὲ καιρὸς ᾗ ὑπὸ τοῦ ἡλίου ἤδη γλυκαίνεσθαι τὰς σταφυλάς, φυλλορροοῦσα διδάσκει ἑαυτὴν ψιλοῦν καὶ πεπαίνειν τὴν ὀπώραν, διὰ πολυφορίαν δὲ τοὺς μὲν πέποντας δεικνύουσα βότρυς, τοὺς δὲ ἔτι ὠμοτέρους φέρουσα, διδάσκει τρυγᾶν ἑαυτήν, ὥσπερ τὰ σῦκα συκάζουσι, τὸ ὀργῶν ἀεὶ.

Κεφάλαιον κ'

[1] Ἐνταῦθα δὴ ἐγὼ εἶπον· Πῶς οὖν, ὃ Ἰσχόμαχε, εἰ οὕτω γε καὶ ῥαϊδιὰ ἐστὶ μαθεῖν τὰ περὶ τὴν γεωργίαν καὶ πάντες ὁμοίως ἴσασι· ἃ δεῖ ποιεῖν, οὐχὶ καὶ πάντες πράττουσιν ὁμοίως, ἀλλ' οἱ μὲν αὐτῶν ἀφθόνως τε ζῶσι καὶ περιττὰ ἔχουσιν, οἱ δ' οὐδὲ τὰ ἀναγκαῖα δύνανται πορίζεσθαι, ἀλλὰ καὶ προσοφείλουσιν;

[2] Ἐγὼ δὴ σοι λέξω, ὃ Σώκρατες, ἔφη ὁ Ἰσχόμαχος. οὐ γὰρ ἡ ἐπιστήμη οὐδ' ἡ ἀνεπιστημοσύνη τῶν γεωργῶν ἐστὶν ἡ ποιοῦσα τοὺς μὲν εὐπορεῖν, τοὺς δὲ ἀπόρους εἶναι· [3] οὐδ' ἂν ἀκούσαις, ἔφη, λόγου οὕτω διαθέοντος ὅτι διέφθαρται ὁ οἶκος, διότι οὐχ ὁμαλῶς ὁ σπορεὺς ἔσπειρεν, οὐδ' ὅτι οὐκ ὀρθῶς τοὺς ὄρχους ἐφύτευσεν, οὐδ' ὅτι ἀγνοήσας τις τὴν [γῆν] φέρουσαν ἀμπέλους ἐν ἀφόρῳ ἐφύτευσεν, οὐδ' ὅτι ἠγνόησέ τις ὅτι ἀγαθὸν ἐστὶ τῷ σπόρῳ νεδὸν προεργάζεσθαι, οὐδ' ὅτι ἠγνόησέ τις ὡς ἀγαθὸν ἐστὶ τῇ γῇ κόπρον μιγνύναι· [4] ἀλλὰ πολὺ μᾶλλον ἔστιν ἀκοῦσαι. ἀνὴρ οὐ λαμβάνει σῖτον ἐκ τοῦ ἀγροῦ· οὐ γὰρ ἐπιμελεῖται ὡς αὐτῷ σπείρηται ἢ ὡς κόπρος γίγνηται. οὐδ' οἶνον ἔχει ἀνὴρ· οὐ γὰρ ἐπιμελεῖται ὡς φυτεύσῃ ἀμπέλους οὐδὲ αἱ οὔσαι ὅπως φέρωσιν αὐτῷ. οὐδὲ ἔλαιον οὐδὲ σῦκα ἔχει ἀνὴρ· οὐ γὰρ ἐπιμελεῖται οὐδὲ ποιεῖ ὅπως ταῦτα ἔχη. [5] τοιαῦτ', ἔφη, ἐστίν, ὃ Σώκρατες, ἃ διαφέροντες ἀλλήλων οἱ γεωργοὶ διαφερόντως καὶ πράττουσι πολὺ μᾶλλον ἢ [οἱ] δοκοῦντες σοφόν τι ἡύρηκέναι εἰς τὰ ἔργα. [6] καὶ οἱ στρατηγοὶ ἔστιν ἐν οἷς τῶν στρατηγικῶν ἔργων οὐ γνώμη διαφέροντες ἀλλήλων οἱ μὲν βελτίονες οἱ δὲ χεῖρονές εἰσιν, ἀλλὰ σαφῶς ἐπιμελείαι. ἃ γὰρ καὶ οἱ στρατηγοὶ γινώσκουσι πάντες καὶ τῶν ιδιωτῶν οἱ πλεῖστοι, ταῦτα οἱ μὲν ποιοῦσι τῶν ἀρχόντων οἱ δ' οὐ. [7] οἶον καὶ τότε γινώσκουσιν ἅπαντες ὅτι διὰ πολεμίας πορευομένους βέλτιόν ἐστι τεταγμένους πορεύεσθαι οὕτως ὡς ἂν ἄριστα μάχοντο, εἰ δέοι. τοῦτο τοίνυν

γινώσκοντες οἱ μὲν ποιοῦσιν οὕτως οἱ δ' οὐ ποιοῦσι. [8] φυλακὰς ἅπαντες ἴσασιν ὅτι βέλτιόν ἐστι καθιστάναι καὶ ἡμερινὰς καὶ νυκτερινὰς πρὸ τοῦ στρατοπέδου. ἀλλὰ καὶ τούτου οἱ μὲν ἐπιμελοῦνται ὡς ἔχηι οὕτως, οἱ δ' οὐκ ἐπιμελοῦνται. [9] ὅταν τε αὖ διὰ στενοπόρων ἴωσιν, οὐ πάνυ χαλεπὸν εὔρεϊν ὅστις οὐ γινώσκει βοτὶ προκαταλαμβάνειν τὰ ἐπικαιρα κρεῖττον ἢ μή; ἀλλὰ καὶ τούτου οἱ μὲν ἐπιμελοῦνται οὕτω ποιεῖν, οἱ δ' οὐ. [10] ἀλλὰ καὶ κόπρον λέγουσι μὲν πάντες ὅτι ἄριστον εἰς γεωργίαν ἐστὶ καὶ ὀρώσι δὲ αὐτομάτην γιγνομένην· ὅμως δὲ καὶ ἀκριβοῦντες ὡς γίγνεται, καὶ ῥαίδιον ὃν πολλὴν ποιεῖν, οἱ μὲν καὶ τούτου ἐπιμελοῦνται ὅπως ἀθροίζεται, οἱ δὲ παραμελοῦσι. [11] καίτοι ὕδωρ μὲν ὁ ἄνω θεὸς παρέχει, τὰ δὲ κοῖλα πάντα τέλματα γίγνεται, ἡ γῆ δὲ ὕλην παντοίαν παρέχει, καθαίρειν δὲ δεῖ τὴν γῆν τὸν μέλλοντα σπεῖρειν· ἃ δ' ἐκποδὼν ἀναιρεῖται, ταῦτα εἴ τις ἐμβάλλοι εἰς τὸ ὕδωρ, ὁ χρόνος ἤδη αὐτὸς ἂν ποιοίη οἷς ἡ γῆ ἥδεται. ποία μὲν γὰρ ὕλη, ποία δὲ γῆ ἐν ὕδατι στασίμῳ οὐ κόπρος γίγνεται; [12] καὶ ὅποσα δὲ θεραπείας δεῖται ἡ γῆ, ὑγροτέρα γε οὖσα πρὸς τὸν σπόρον ἢ ἀλμωδεστέρα πρὸς φυτείαν, καὶ ταῦτα γινώσκουσι μὲν πάντες καὶ ὡς τὸ ὕδωρ ἐξάγεται τάφροις καὶ ὡς ἡ ἄλμη κολάζεται μιγνυμένη πᾶσι τοῖς ἀνάλμοις, καὶ ὑγροῖς [τε] καὶ ξηροῖς· ἀλλὰ καὶ τούτων ἐπιμελοῦνται οἱ μὲν οἱ δ' οὐ. [13] εἰ δέ τις παντάπασιν ἀγνῶς εἴη τί δύναται φέρειν ἡ γῆ, καὶ μήτε ἰδεῖν ἔχει καρπὸν μηδὲ φυτὸν αὐτῆς, μήτε ὅτου ἀκούσαι τὴν ἀλήθειαν περὶ αὐτῆς ἔχει, οὐ πολὺ μὲν ῥαῖον γῆς πεῖραν λαμβάνειν παντὶ ἀνθρώπῳ ἢ ἵππῳ, πολὺ δὲ ῥαῖον ἢ ἀνθρώπου; οὐ γὰρ ἔστιν ὅ τι ἐπὶ ἀπάτῃ δείκνυσιν, ἀλλ' ἀπλῶς ἃ τε δύναται καὶ ἃ μὴ σαφηνίζει τε καὶ ἀληθεύει. [14] δοκεῖ δέ μοι ἡ γῆ καὶ τοὺς κακοὺς τε καὶ ἀργοὺς τῷ εὐγνωστα καὶ εὐμαθῇ πάντα παρέχειν ἄριστα ἐξετάζειν. οὐ γὰρ ὥσπερ τὰς ἄλλας τέχνας τοῖς μὴ ἐργαζομένοις ἔστι προφασίζεσθαι ὅτι οὐκ ἐπίστανται, γῆν δὲ πάντες οἶδασιν ὅτι εὖ πάσχουσα εὖ ποιεῖ. [15] ἀλλ' ἡ ἐν γῇ ἀργία ἐστὶ σαφὴς ψυχῆς κατήγορος κακῆς. ὡς μὲν γὰρ ἂν δύναίτο ἄνθρωπος ζῆν ἄνευ τῶν ἐπιτηδείων, οὐδεὶς τοῦτο αὐτὸς αὐτὸν πείθει· ὁ δὲ μήτε ἄλλην τέχνην χρηματοποιὸν ἐπιστάμενος μήτε γεωργεῖν ἐθέλων φανερόν ὅτι κλέπτων ἢ ἀρπάζων ἢ προσαιτῶν διανοεῖται βιοτεῦειν, ἢ παντάπασιν ἀλόγιστός ἐστι. [16] μέγα δὲ ἔφη διαφέρειν εἰς τὸ λυσιτελεῖν γεωργίαν καὶ μὴ λυσιτελεῖν, ὅταν ὄντων ἐργαστήρων καὶ πλεόνων ὁ μὲν ἔχη τινὰ ἐπιμέλειαν ὡς τὴν ὥραν αὐτῷ ἐν τῷ ἔργῳ οἱ ἐργάται ὧσιν, ὁ δὲ μὴ ἐπιμελῆται

τούτου. ραϊδίως γὰρ ἀνὴρ εἰς παρὰ τοὺς δέκα διαφέρει τῷ ἐν ὥρῃ ἐργάζεσθαι, καὶ ἄλλος γε ἀνὴρ διαφέρει τῷ πρὸ τῆς ὥρας ἀπιέναι. [17] τὸ δὲ δὴ ἔαν ραιδιουργεῖν δι' ὅλης τῆς ἡμέρας τοὺς ἀνθρώπους ραϊδίως τὸ ἥμισυ διαφέρει τοῦ ἔργου παντός. [18] ὥσπερ καὶ ἐν ταῖς ὁδοιπορίαις παρὰ στάδια διακόσια ἔστιν ὅτε τοῖς ἑκατὸν σταδίοις διήνεγκαν ἀλλήλων ἀνθρώποι τῷ τάχει, ἀμφοτέρω καὶ νέοι ὄντες καὶ ὑγιαίνοντες, ὅταν ὁ μὲν πρᾶττη ἐφ' ὧπερ ὥρμηται, βαδίζων, ὁ δὲ ραιστωνεύῃ τῇ ψυχῇ καὶ παρὰ κρήναις καὶ ὑπὸ σκιαῖς ἀναπαυόμενός τε καὶ θεώμενος καὶ αὔρας θηρεύων μαλακάς. [19] οὕτω δὲ καὶ ἐν τοῖς ἔργοις πολὺ διαφέρουσιν εἰς τὸ ἀνύτειν οἱ πράττοντες ἐφ' ὧπερ τεταγμένοι εἰσὶ, καὶ οἱ μὴ πράττοντες ἀλλ' εὐρίσκοντες προφάσεις τοῦ μὴ ἐργάζεσθαι καὶ ἐώμενοι ραιδιουργεῖν. [20] τὸ δὲ δὴ †[καὶ τὸ] καλῶς ἐργάζεσθαι ἢ κακῶς† ἐπιμελεῖσθαι, τοῦτο δὴ τοσοῦτον διαφέρει ὅσον ἢ ὅλως ἐργάζεσθαι ἢ ὅλως ἀργὸν εἶναι. ὅταν σκαπτόντων, ἵνα ὕλης καθαρὰ αἱ ἄμπελοι γένωνται, οὕτω σκάπτωσιν ὥστε πλείω καὶ καλλίω τὴν ὕλην γίγνεσθαι, πῶς τοῦτο οὐκ ἀργὸν ἂν φήσῃς εἶναι; [21] τὰ οὖν συντρίβοντα τοὺς οἴκους πολὺ μᾶλλον ταῦτά ἐστιν ἢ αἱ λίαν ἀνεπισημοσύναι. τὸ γὰρ τὰς μὲν δαπάνας χωρεῖν ἐντελεῖς ἐκ τῶν οἴκων, τὰ δὲ ἔργα μὴ τελεῖσθαι λυσιτελοῦντως πρὸς τὴν δαπάνην, ταῦτα οὐκέτι δεῖ θαυμάζειν ἐὰν ἀντὶ τῆς περιουσίας ἔνδειαν παρέχῃται. [22] τοῖς γε μέντοι ἐπιμελεῖσθαι δυναμένοις καὶ συντεταμένως γεωργοῦσιν ἀνυτικωτάτην χρημάτισιν ἀπὸ γεωργίας καὶ αὐτὸς ἐπετήδευσε καὶ ἐμὲ ἐδίδασκεν ὁ πατήρ. οὐδέποτε γὰρ εἶα χῶρον ἐξαιρεγασμένον ὠνεῖσθαι, ἀλλ' ὅστις ἢ δι' ἀμέλειαν ἢ δι' ἀδυναμίαν τῶν κεκτημένων καὶ ἀργὸς καὶ ἀφύτευτος εἶη, τοῦτον ὠνεῖσθαι παρήνει. [23] τοὺς μὲν γὰρ ἐξαιρεγασμένους ἔφη καὶ πολλοῦ ἀργυρίου γίγνεσθαι καὶ ἐπίδοσιν οὐκ ἔχειν· τοὺς δὲ μὴ ἔχοντας ἐπίδοσιν οὐδὲ ἡδονὰς ὁμοίας ἐνόμιζε παρέχειν, ἀλλὰ πᾶν κτῆμα καὶ θρέμμα τὸ ἐπὶ τὸ βέλτιον ἰόν, τοῦτο καὶ εὐφραίνειν μάλιστα ὤιετο. οὐδὲν οὖν ἔχει πλείονα ἐπίδοσιν ἢ χῶρος ἐξ ἀργοῦ πάμφορος γιγνόμενος. [24] εὖ γὰρ ἴσθι, ἔφη, ὦ Σώκρατες, ὅτι τῆς ἀρχαίας τιμῆς πολλοὺς πολλαπλασίου χώρους ἀξίους ἡμεῖς ἤδη ἐποιήσαμεν. καὶ τοῦτο, ὦ Σώκρατες, ἔφη, οὕτω μὲν πολλοῦ ἄξιον τὸ ἐνθύμημα, οὕτω δὲ καὶ μαθεῖν ραϊδίον, ὥστε νυνὶ ἀκούσας σὺ τοῦτο ἐμοὶ ὁμοίως ἐπιστάμενος ἄπει, καὶ ἄλλον διδάξεις, ἐὰν βούληι. [25] καὶ ὁ ἐμὸς δὲ πατήρ οὕτε ἔμαθε παρ' ἄλλου τοῦτο οὐτε μεριμνῶν ἠὔρεν, ἀλλὰ διὰ τὴν φιλογεωργίαν καὶ

φιλοπονίαν ἐπιθυμῆσαι ἔφη τοιούτου χώρου ὅπως ἔχοι ὃ τι ποιοίῃ ἅμα καὶ ὠφελούμενος ἦδοιτο. [26] ἦν γάρ τοι, ἔφη, ὦ Σώκρατες, φύσει, ὡς ἐμοὶ δοκεῖ, φιλογεωργότατος Ἀθηναίων ὁ ἐμὸς πατήρ.

Καὶ ἐγὼ μέντοι ἀκούσας τοῦτο ἠρόμην αὐτόν· Πότερα δέ, ὦ Ἰσχόμαχε, ὁπόσους ἐξειργάσατο χώρους ὁ πατήρ πάντας ἐκέκτητο ἢ καὶ ἀπεδίδοτο, εἰ πολὺ ἀργύριον εὐρίσκει;

Καὶ ἀπεδίδοτο νῆ Δί', ἔφη ὁ Ἰσχόμαχος· ἀλλὰ ἄλλον τοι εὐθὺς ἀντεωνεῖτο, ἀργὸν δέ, διὰ τὴν φιλεργίαν.

[27] Λέγεις, ἔφην ἐγώ, ὦ Ἰσχόμαχε, τῷ ὄντι φύσει τὸν πατέρα φιλογέωργον εἶναι οὐδὲν ἦττον ἢ οἱ ἔμποροι φιλόσιτοί εἰσι. καὶ γὰρ οἱ ἔμποροι διὰ τὸ σφόδρα φιλεῖν τὸν σῖτον, ὅπου ἂν ἀκούσωσι πλεῖστον εἶναι, ἐκεῖσε πλέουσιν ἐπ' αὐτόν καὶ Αἰγαῖον καὶ Εὐξείνιον καὶ Σικελικὸν πόντον περῶντες· [28] ἔπειτα δὲ λαβόντες ὁπόσον δύνανται πλεῖστον ἄγουσιν αὐτόν διὰ τῆς θαλάττης, καὶ ταῦτα εἰς τὸ πλοῖον ἐνθέμενοι ἐν ὧπερ αὐτοὶ πλέουσι. καὶ ὅταν δεηθῶσιν ἀργυρίου, οὐκ εἰκῇ αὐτόν ὅπου ἂν τύχωσιν ἀπέβαλον, ἀλλ' ὅπου ἂν ἀκούσωσι τιμᾶσθαι τε μάλιστα τὸν σῖτον καὶ περὶ πλείστου αὐτόν ποιῶνται οἱ ἄνθρωποι, τοῦτοις αὐτόν ἄγοντες παραδιδόασιν. καὶ ὁ σὸς δὲ πατήρ οὕτω πως ἔοικε φιλογέωργος εἶναι.

[29] Πρὸς ταῦτα δὲ εἶπεν ὁ Ἰσχόμαχος· Σὺ μὲν παίζεις, ἔφη, ὦ Σώκρατες· ἐγὼ δὲ καὶ φιλοικοδόμους νομίζω οὐδὲν ἦττον οἷτινες ἂν ἀποδιδῶνται ἐξοικοδομοῦντες τὰς οἰκίας, εἴτ' ἄλλας οἰκοδομῶσι.

Νῆ Δία, ἐγὼ δέ γέ σοι, ἔφην, ὦ Ἰσχόμαχε, ἐπομόσας λέγω ἢ μὴν πιστεύειν σοι φύσει [νομίζειν] φιλεῖν ταῦτα πάντας ἀφ' ὧν ἂν ὠφελεῖσθαι νομίζωσιν.

Κεφάλαιον κα'

[1] Ἀτὰρ ἐννοῶ γε, ἔφην, ὦ Ἰσχόμαχε, ὡς εὖ τῇ ὑποθέσει ὅλον τὸν λόγον βοηθοῦντα παρέσχησαι· ὑπέθου γὰρ τὴν γεωργικὴν τέχνην πασῶν εἶναι εὐμαθεστάτην, καὶ νῦν ἐγὼ ἐκ πάντων ὧν εἴρηκας τοῦθ' οὕτως ἔχειν παντάπασιν ὑπὸ σοῦ ἀναπέπεισμαι.

[2] Νῆ Δί', ἔφη ὁ Ἰσχόμαχος, ἀλλὰ τόδε τοι, ὦ Σώκρατες, τὸ πάσαις κοινὸν ταῖς πράξεσι καὶ γεωργικῇ καὶ πολιτικῇ καὶ οἰκονομικῇ καὶ πολεμικῇ τὸ ἀρχικὸν εἶναι, τοῦτο δὴ συνομολογῶ σοὶ ἐγὼ πολὺ διαφέρειν γνώμη τοὺς ἐτέρους τῶν ἐτέρων· [3] οἷον καὶ ἐν τριήρει, ἔφη, ὅταν πελαγίζωσι, καὶ δέηι περᾶν ἡμερινούς πλοῦς ἐλαύνοντας, οἱ μὲν τῶν κελευστῶν δύνανται τοιαῦτα λέγειν καὶ

ποιεῖν ὥστε ἀκονᾶν τὰς ψυχὰς τῶν ἀνθρώπων ἐπὶ τὸ ἐθέλοντάς πονεῖν, οἱ δὲ οὕτως ἀγνώμονές εἰσιν ὥστε πλέον ἢ ἐν διπλασίῳ χρόνῳ τὸν αὐτὸν ἀνύτουσι πλοῦν. καὶ οἱ μὲν ἰδροῦντες καὶ ἐπαινοῦντες ἀλλήλους, ὃ τε κελεύων καὶ οἱ πειθόμενοι, ἐκβαίνουσιν, οἱ δὲ ἀνιδρωτί ἤκουσι, μισοῦντες τὸν ἐπιστάτην καὶ μισοῦμενοι. [4] καὶ τῶν στρατηγῶν ταύτη διαφέρουσιν, ἔφη, οἱ ἕτεροι τῶν ἐτέρων· οἱ μὲν γὰρ οὔτε πονεῖν ἐθέλοντας οὔτε κινδυνεύειν παρέχονται, πείθεσθαι τε οὐκ ἀξιοῦντας οὐδ' ἐθέλοντας ὅσον ἂν μὴ ἀνάγκη ᾖ, ἀλλὰ καὶ μεγαλυνομένους ἐπὶ τῷ ἐναντιοῦσθαι τῷ ἄρχοντι· οἱ δὲ αὐτοὶ οὗτοι οὐδ' αἰσχύνεσθαι ἐπισταμένους παρέχουσιν, ἂν τι τῶν αἰσχυρῶν συμβαίνει. [5] οἱ δ' αὖ θεῖοι καὶ ἀγαθοὶ καὶ ἐπιστήμονες ἄρχοντες τοὺς αὐτοὺς τούτους, πολλάκις δὲ καὶ ἄλλους παραλαμβάνοντες, αἰσχυνομένους τε ἔχουσιν αἰσχυρόν τι ποιεῖν καὶ πείθεσθαι οἰομένους βέλτιον εἶναι, καὶ ἀγαλλομένους τῷ πείθεσθαι ἓνα ἕκαστον καὶ σύμπαντας, πονεῖν ὅταν δεήσει, οὐκ ἀθύμως πονοῦντας. [6] ἀλλ' ὥσπερ ἰδιώταις ἔστιν οἷς ἐγγίγνεται φιλοπονία τις, οὕτω καὶ ὅλῳ τῷ στρατεύματι ὑπὸ τῶν ἀγαθῶν ἀρχόντων ἐγγίγνεται καὶ τὸ φιλοπονεῖν καὶ τὸ φιλοτιμεῖσθαι ὀφθῆναι καλόν τι ποιοῦντας ὑπὸ τοῦ ἄρχοντος. [7] πρὸς ὅντινα δ' ἂν ἄρχοντα διατεθῶσιν οὕτως οἱ ἐπόμενοι, οὗτοι δὴ ἐρρωμένοι γε ἄρχοντες γίνονται, οὐ μὰ Δί' οὐχ οἱ ἂν αὐτῶν ἄριστα τὸ σῶμα τῶν στρατιωτῶν ἔχῃσι καὶ ἀκοντίζῃσι καὶ τοξεύῃσι ἄριστα καὶ ἵππον ἄριστον ἔχοντες ὥς ἵππικώτατα ἢ πελταστικώτατα προκινδυνεύῃσι, ἀλλ' οἱ ἂν δύνωνται ἐμποιεῖσαι τοῖς στρατιώταις ἀκολουθητέον εἶναι καὶ διὰ πυρὸς καὶ διὰ παντὸς κινδύνου. [8] τούτους δὴ δικαίως ἂν τις καλοῖη μεγαλογνώμονας, ὧι ἂν ταῦτα γινώσκοντες πολλοὶ ἔπωνται, καὶ μεγάλη χειρὶ εἰκότως οὗτος λέγοιτο πορεύεσθαι οὗ ἂν τῇ γνώμῃ πολλὰ χεῖρες ὑπηρετεῖν ἐθέλωσι, καὶ μέγας τῷ ὄντι οὗτος ἀνὴρ ὃς ἂν μεγάλα δύνηται γνώμῃ διαπράξασθαι μᾶλλον ἢ ῥώμῃ. [9] οὕτω δὲ καὶ ἐν τοῖς ἰδίῳις ἔργοις, ἂν τε ἐπίτροπος ᾖ ὁ ἐφεστηκὼς ἂν τε καὶ ἐπιστάτης, ὃς ἂν δύνηται προθύμους καὶ ἐντεταμένους παρέχεσθαι εἰς τὸ ἔργον καὶ συνεχεῖς, οὗτοι δὴ οἱ ἀνύτοντές εἰσιν ἐπὶ τὰγαθὰ καὶ πολλὴν τὴν περιουσίαν ποιοῦντες. [10] τοῦ δὲ δεσπότου ἐπιφανέντος, ὃ Σώκρατες, ἔφη, ἐπὶ τὸ ἔργον, ὅστις δύναται καὶ μέγιστα βλάψαι τὸν κακὸν τῶν ἐργατῶν καὶ μέγιστα τιμῆσαι τὸν πρόθυμον, εἰ μηδὲν ἐπίδηλον ποιήσουσιν οἱ ἐργάται, ἐγὼ μὲν αὐτὸν οὐκ ἂν ἀγαίμην, ἀλλ' ὃν ἂν ἰδόντες κινηθῶσι καὶ μένος ἐκάστω

ἐμπέσῃ τῶν ἐργατῶν καὶ φιλονικία πρὸς ἀλλήλους καὶ φιλοτιμία κρατιστεῦσαι ἐκάστωι, τοῦτον ἐγὼ φαίην ἂν ἔχειν τι ἥθους βασιλικοῦ. [11] καὶ ἔστι τοῦτο μέγιστον, ὥς ἐμοὶ δοκεῖ, ἐν παντὶ ἔργωι ὅπου τι δι' ἀνθρώπων πράττεται, καὶ ἐν γεωργίαι δέ. οὐ μέντοι μὰ Δία τοῦτό γε ἔτι ἐγὼ λέγω ἰδόντα μαθεῖν εἶναι, οὐδ' ἅπαξ ἀκούσαντα, ἀλλὰ καὶ παιδείας δεῖν φημι τῶι ταῦτα μέλλοντι δυνήσεσθαι καὶ φύσεως ἀγαθῆς ὑπάρξαι, καὶ τὸ μέγιστον δὴ θεῖον γενέσθαι. [12] οὐ γὰρ πάνυ μοι δοκεῖ ὅλον τουτὶ τὸ ἀγαθὸν ἀνθρώπινον εἶναι ἀλλὰ θεῖον, τὸ ἐθελόντων ἄρχειν· <ὁ> σαφῶς δίδοται τοῖς ἀληθινῶς σωφροσύνῃ τετελεσμένοις· τὸ δὲ ἀκόντων τυραννεῖν διδόασιν, ὥς ἐμοὶ δοκεῖ, οὓς ἂν ἡγῶνται ἀξίους εἶναι βιοτεύειν ὥσπερ ὁ Τάνταλος ἐν Ἄιδου λέγεται τὸν αἰὲ χρόνον διατρίβειν φοβούμενος μὴ δις ἀποθάνῃ.

SYMPOSIUM - Συμπόσιον φιλοσόφων

Κεφάλαιον α΄

[1] Ἄλλ' ἐμοὶ δοκεῖ τῶν καλῶν κάγαθων ἀνδρῶν ἔργα οὐ μόνον τὰ μετὰ σπουδῆς πραττόμενα ἀξιομνημόνευτα εἶναι, ἀλλὰ καὶ τὰ ἐν ταῖς παιδιαῖς. οἷς δὲ παραγενόμενος ταῦτα γινώσκω δηλῶσαι βούλομαι. [2] ἦν μὲν γὰρ Παναθηναίων τῶν μεγάλων ἵπποδρομία, Καλλίας δὲ ὁ Ἴππονίκου ἐρῶν ἐτύγχανεν Αὐτολύκου παιδὸς ὄντος, καὶ νενικηκότα αὐτὸν παγκράτιον ἦκεν ἄγων ἐπὶ τὴν θέαν. ὥς δὲ ἡ ἵπποδρομία ἔληξεν, ἔχων τὸν τε Αὐτόλυκον καὶ τὸν πατέρα αὐτοῦ ἀπῆιει εἰς τὴν ἐν Πειραιεῖ οἰκίαν· συνείπετο δὲ αὐτῷ καὶ Νικήρατος. [3] ἰδὼν δὲ ὁμοῦ ὄντας Σωκράτην τε καὶ Κριτόβουλον καὶ Ἑρμογένην καὶ Ἀντισθένην καὶ Χαρμίδην, τοῖς μὲν ἀμφ' Αὐτόλυκον ἡγεῖσθαι τινα ἔταξεν, αὐτὸς δὲ προσῆλθε τοῖς ἀμφὶ Σωκράτην, καὶ εἶπεν· [4] Εἰς καλὸν γε ὑμῖν συντετύχηκα· ἐστιᾶν γὰρ μέλλω Αὐτόλυκον καὶ τὸν πατέρα αὐτοῦ. οἶμαι οὖν πολὺ ἂν τὴν κατασκευὴν μοι λαμπροτέραν φανῆναι εἰ ἀνδράσιν ἐκκεκαθαρμένοις τὰς ψυχὰς ὥσπερ ὑμῖν ὁ ἀνδρῶν κεκοσμημένος εἴη μᾶλλον ἢ εἰ στρατηγοῖς καὶ ἱπάρχοις καὶ σπουδαρχίαις. [5] καὶ ὁ Σωκράτης εἶπεν· Ἀεὶ σὺ ἐπισκώπτεις ἡμᾶς καταφρονῶν, ὅτι σὺ μὲν Πρωταγόραι τε πολὺ ἀργύριον δέδωκας ἐπὶ σοφίαι καὶ Γοργίαι καὶ Προδίκωι καὶ ἄλλοις πολλοῖς, ἡμᾶς δ' ὁρᾷς αὐτουργοὺς τινας τῆς φιλοσοφίας ὄντας. [6] καὶ ὁ Καλλίας, Καὶ πρόσθεν μὲν γε, ἔφη, ἀπεκρυπτόμην ὑμᾶς ἔχων πολλὰ καὶ σοφὰ λέγειν, νῦν δέ, ἐὰν παρ' ἐμοὶ ἦτε, ἐπιδείξω ὑμῖν ἐμαυτὸν πάνυ πολλῆς σπουδῆς ἄξιον ὄντα. [7] οἱ οὖν ἀμφὶ τὸν Σωκράτην πρῶτον μὲν, ὥσπερ εἰκὸς ἦν, ἐπαινοῦντες τὴν κλῆσιν οὐχ ὑπισχνοῦντο συνδειπνήσειν· ὥς δὲ πάνυ ἀχθόμενος φανερός ἦν, εἰ μὴ ἔσποιντο, συνηκολούθησαν. ἔπειτα δὲ αὐτῷ οἱ μὲν γυμνασάμενοι καὶ χρισάμενοι, οἱ δὲ καὶ λουσάμενοι παρήλθον. [8] Αὐτόλυκος μὲν οὖν παρὰ τὸν πατέρα ἐκαθέζετο, οἱ δ' ἄλλοι, ὥσπερ εἰκός, κατεκλίθησαν. εὐθὺς μὲν οὖν ἐννοήσας τις τὰ γινόμενα ἠγήσατ' ἂν φύσει βασιλικόν τι κάλλος εἶναι, ἄλλως τε καὶ ἂν μετ' αἰδοῦς καὶ σωφροσύνης, καθάπερ Αὐτόλυκος τότε, κεκτῇται τις αὐτό. [9] πρῶτον μὲν γάρ, ὥσπερ ὅταν φέγγος τι ἐν νυκτὶ φανῇ, πάντων προσάγεται τὰ ὄμματα, οὕτω καὶ τότε τοῦ Αὐτολύκου τὸ κάλλος πάντων εἴλκε τὰς ὄψεις πρὸς αὐτόν· ἔπειτα τῶν ὁρώντων οὐδεὶς οὐκ ἔπασχέ τι τὴν

ψυχὴν ὑπ' ἐκείνου. οἱ μὲν γε σιωπηρότεροι ἐγίγνοντο, οἱ δὲ καὶ ἐσχηματίζοντό πως. [10] πάντες μὲν οὖν οἱ ἐκ θεῶν του κατεχόμενοι ἀξιοθέατοι δοκοῦσιν εἶναι· ἀλλ' οἱ μὲν ἐξ ἄλλων πρὸς τὸ γοργότερ<όν> τε ὁρᾶσθαι καὶ φοβερώτερον φθέγγεσθαι καὶ σφοδρότεροι εἶναι φέρονται, οἱ δ' ὑπὸ τοῦ σώφρονος ἔρωτος ἐνθεοὶ τὰ τε ὄμματα φιλοφρονεστέως ἔχουσι καὶ τὴν φωνὴν πραιοτέραν ποιοῦνται καὶ τὰ σχήματα εἰς τὸ ἐλευθεριώτερον ἄγουσιν. ἃ δὴ καὶ Καλλίας τότε διὰ τὸν ἔρωτα πράττων ἀξιοθέατος ἦν τοῖς τετελεσμένοις τούτῳ τῷ θεῷ. [11] ἐκείνοι μὲν οὖν σιωπῇ ἐδείκνουν, ὥσπερ τοῦτο ἐπιτεταγμένον αὐτοῖς ὑπὸ κρεῖττονός τινος. Φίλιππος δ' ὁ γελωτοποιὸς κρούσας τὴν θύραν εἶπε τῷ ὑπακούσαντι εἰσαγγεῖλαι ὅστις τε εἴη καὶ δι' ὃ τι κατάγεσθαι βούλοιο, συνεσκευασμένος τε παρεῖναι ἔφη πάντα τὰ ἐπιτήδεια ὥστε δεῖπνεῖν τὰλλότρια, καὶ τὸν παῖδα δὲ ἔφη πάνυ πιέζεσθαι διὰ τε τὸ φέρειν μηδὲν καὶ διὰ τὸ ἀνάριστον εἶναι. [12] ὁ οὖν Καλλίας ἀκούσας ταῦτα εἶπεν· Ἀλλὰ μέντοι, ὦ ἄνδρες, αἰσχρὸν στέγης γε φθονῆσαι· εἰσίτω οὖν. καὶ ἅμα ἀπέβλεψεν εἰς τὸν Αὐτόλυκον, δῆλον ὅτι ἐπισκοπῶν τί ἐκείνῳ δόξειε τὸ σκῶμμα εἶναι· [13] ὁ δὲ στὰς ἐπὶ τῷ ἀνδρῶνι ἔνθα τὸ δεῖπνον ἦν εἶπεν· Ὅτι μὲν γελωτοποιός εἰμι ἵστε πάντες· ἤκω δὲ προθύμως νομίσας γελοιότερον εἶναι τὸ ἄκλητον ἢ τὸ κεκλημένον ἐλθεῖν ἐπὶ τὸ δεῖπνον. Κατακλίνου τοίνυν, ἔφη ὁ Καλλίας. καὶ γὰρ οἱ παρόντες σπουδῆς μὲν, ὥς ὁρᾷς, μεστοί, γέλωτος δὲ ἴσως ἐνδεέστεροι. [14] δεῖπνούντων δὲ αὐτῶν ὁ Φίλιππος γελοῖόν τι εὐθὺς ἐπεχείρει λέγειν, ἵνα δὴ ἐπιτελοίῃ ὧνπερ ἔνεκα ἐκαλεῖτο ἐκάστοτε ἐπὶ τὰ δεῖπνα. ὥς δ' οὐκ ἐκίνησε γέλωτα, τότε μὲν ἀχθεσθεῖς φανερὸς ἐγένετο. αὐθις δ' ὀλίγον ὕστερον ἄλλο τι γελοῖον ἐβούλετο λέγειν. ὥς δὲ οὐδὲ τότε ἐγέλασαν ἐπ' αὐτῷ, ἐν τῷ μεταξὺ παυσάμενος τοῦ δεῖπνου συγκαλυψάμενος κατέκειτο. [15] καὶ ὁ Καλλίας, Τί τοῦτ', ἔφη, ὦ Φίλιππε; ἀλλ' ἢ ὀδύνη σε εἴληφε; καὶ ὃς ἀναστενάξας εἶπε· Ναὶ μὰ Δί', ἔφη, ὦ Καλλία, μεγάλη γε· ἐπεὶ γὰρ γέλως ἐξ ἀνθρώπων ἀπόλωλεν, ἔρρει τὰ ἐμὰ πράγματα. πρόσθεν μὲν γὰρ τούτου ἔνεκα ἐκαλούμην ἐπὶ τὰ δεῖπνα, ἵνα εὐφραίνοντο οἱ συνόντες δι' ἐμὲ γελῶντες· νῦν δὲ τίνος ἔνεκα καὶ καλεῖ μέ τις; οὔτε γὰρ ἔγωγε σπουδάσαι ἂν δυνάμην μᾶλλον ἢπερ ἀθάνατος γενέσθαι, οὔτε μὴν ὥς ἀντικληθησόμενος καλεῖ μέ τις, ἐπεὶ πάντες ἴσασιν ὅτι ἀρχὴν οὐδὲ νομίζεται εἰς τὴν ἐμὴν οἰκίαν δεῖπνον προσφέρεσθαι. καὶ ἅμα λέγων ταῦτα ἀπεμύττετό τε καὶ τῇ φωνῇ σαφῶς κλαίειν

εφαίνετο. [16] πάντες μὲν οὖν παρεμυθοῦντό τε αὐτὸν ὡς αὐθις γελασόμενοι καὶ δειπνεῖν ἐκέλευον, Κριτόβουλος δὲ καὶ ἐξεκάγχασεν ἐπὶ τῷ οἰκτισμῷ αὐτοῦ. ὁ δ' ὡς ἤισθητο τοῦ γέλωτος, ἀνεκαλύψατό τε καὶ τῇ ψυχῇ παρακελευσάμενος θαρρεῖν, ὅτι ἔσονται συμβολαί, πάλιν ἐδείπνει.

Κεφάλαιον β'

[1] Ὡς δ' ἀφηιρέθησαν αἱ τράπεζαι καὶ ἔσπεισάν τε καὶ ἐπαιάνισαν, ἔρχεται αὐτοῖς ἐπὶ κῶμον Συρακόσιός τις ἄνθρωπος, ἔχων τε αὐλητρίδα ἀγαθὴν καὶ ὀρχηστρίδα τῶν τὰ θαύματα δυναμένων ποιεῖν, καὶ παῖδα πάνυ γε ὠραῖον καὶ πάνυ καλῶς κιθαρίζοντα καὶ ὀρχούμενον. ταῦτα δὲ καὶ ἐπιδεικνὺς ὡς ἐν θαύματι ἀργύριον ἐλάμβανεν. [2] ἐπεὶ δὲ αὐτοῖς ἡ αὐλητρίς μὲν ἠϋλῃσεν, ὁ δὲ παῖς ἐκιθάρισε, καὶ ἐδόκουν μάλα ἀμφοτέροι ἱκανῶς εὐφραίνειν, εἶπεν ὁ Σωκράτης· Νῆ Δί', ὦ Καλλία, τελέως ἡμᾶς ἐστιαῖς. οὐ γὰρ μόνον δεῖπνον ἄμεμπτον παρέθηκας, ἀλλὰ καὶ θεάματα καὶ ἀκροάματα ἡδιστα παρέχεις. [3] καὶ ὃς ἔφη· Τί οὖν εἰ καὶ μύρον τις ἡμῖν ἐνέγκαι, ἵνα καὶ εὐωδίαί ἐστιώμεθα; Μηδαμῶς, ἔφη ὁ Σωκράτης. ὥσπερ γὰρ τοι ἐσθῆς ἄλλη μὲν γυναικί, ἄλλη δὲ ἀνδρὶ καλὴ, οὕτω καὶ ὁσμὴ ἄλλη μὲν ἀνδρὶ, ἄλλη δὲ γυναικὶ πρέπει. καὶ γὰρ ἀνδρὸς μὲν δήπου ἔνεκα ἀνὴρ οὐδεὶς μύρῳ χρίεται. αἱ μέντοι γυναῖκες ἄλλως τε καὶ ἂν νύμφαι τύχωσιν οὔσαι, ὥσπερ ἡ Νικηράτου τοῦδε καὶ ἡ Κριτοβούλου, μύρου μὲν τί καὶ προσδέονται; [4] αὐταὶ γὰρ τούτου ὄζουσιν· ἐλαίου δὲ τοῦ ἐν γυμνασίοις ὁσμὴ καὶ παροῦσα ἡδίων ἢ μύρου γυναιξὶ καὶ ἀποῦσα ποθεινότερα. καὶ γὰρ δὴ μύρῳ μὲν ὁ ἀλεινόμενος καὶ δοῦλος καὶ ἐλεύθερος εὐθὺς ἅπας ὅμοιον ὄζει· αἱ δ' ἀπὸ τῶν ἐλευθερίων μόχθων ὁσμαι ἐπιτηδευμάτων τε πρῶτον χρηστῶν καὶ χρόνου πολλοῦ δέονται, εἰ μέλλουσιν ἡδεῖσθαι καὶ ἐλευθέριοι ἔσεσθαι. καὶ ὁ Λύκων εἶπεν· Οὐκοῦν νέοις μὲν ἂν εἴη ταῦτα· ἡμᾶς δὲ τοὺς μηκέτι γυμναζομένους τίνοσ' ὄζειν δεήσει; Καλοκάγαθίας νῆ Δί', ἔφη ὁ Σωκράτης. Καὶ πόθεν ἂν τις τοῦτο τὸ χρῆμα λάβοι; Οὐ μὰ Δί', ἔφη, οὐ παρὰ τῶν μυροπωλῶν. Ἀλλὰ πόθεν δῆ; Ὁ μὲν Θέογνις ἔφη·

Ἐσθλῶν μὲν γὰρ ἀπ' ἐσθλὰ διδάξει· ἦν δὲ κακοῖσι συμμίσγηις, ἀπολείς καὶ τὸν ἐόντα νόον.

[5] καὶ ὁ Λύκων εἶπεν· Ἀκούεις ταῦτα, ὦ υἱέ; Ναὶ μὰ Δί', ἔφη ὁ Σωκράτης, καὶ χρῆταί γε. ἐπεὶ γοῦν νικηφόρος ἐβούλετο τοῦ

παγκρατίου γενέσθαι, σὺν σοὶ σκεψάμενος <...> αὖ, ὅς ἂν δοκῇ αὐτῷ ἱκανώτατος εἶναι εἰς <τὸ> ταῦτα ἐπιτηδεῦσαι, τούτῳ συνέσται. [6] ἐνταῦθα δὴ πολλοὶ ἐφθέγγζαντο· καὶ ὁ μὲν τις αὐτῶν εἶπε· Ποῦ οὖν εὐρήσει τούτου διδάσκαλον; ὁ δέ τις ὡς οὐδὲ διδακτὸν τοῦτο εἶη, ἕτερος δέ τις ὡς εἶπερ τι καὶ ἄλλο καὶ τοῦτο μαθητόν. [7] ὁ δὲ Σωκράτης ἔφη· Τοῦτο μὲν ἐπειδὴ ἀμφίλογόν ἐστιν, εἰς αὐθις ἀποθώμεθα· νυνὶ δὲ τὰ προκείμενα ἀποτελῶμεν. ὁρῶ γὰρ ἔγωγε τήνδε τὴν ὀρχηστρίδα ἐφεστηκυῖαν καὶ τροχοὺς τινα αὐτῇ προσφέροντα. [8] ἐκ τούτου δὴ ἡὔλει μὲν αὐτῇ ἢ ἑτέρα, παρεστηκῶς δέ τις τῇ ὀρχηστρίδι ἀνεδίδου τοὺς τροχοὺς μέχρι δώδεκα. ἡ δὲ λαμβάνουσα ἅμα τε ὠρχεῖτο καὶ ἀνερρίπτει δονουμένους συντεκμαιρομένη ὅσον ἔδει ῥιπτεῖν ὕψος ὡς ἐν ῥυθμῷ δέχεσθαι αὐτούς. [9] καὶ ὁ Σωκράτης εἶπεν· Ἐν πολλοῖς μὲν, ὦ ἄνδρες, καὶ ἄλλοις δῆλον καὶ ἐν οἷς δ' ἡ παῖς ποιεῖ ὅτι ἡ γυναικεία φύσις οὐδὲν χεῖρων τῆς τοῦ ἀνδρὸς οὔσα τυγχάνει, γνώμης δὲ καὶ ἰσχύος δεῖται. ὥστε εἰ τις ὑμῶν γυναῖκα ἔχει, θαρρῶν διδάσκέτω ὅ τι βούλοιτ' ἂν αὐτῇ ἐπισταμένῃ χρῆσθαι. [10] καὶ ὁ Ἀντισθένης, Πῶς οὖν, ἔφη, ὦ Σώκρατες, οὕτω γινώσκων οὐ καὶ σὺ παιδεύεις Ξανθίππην, ἀλλὰ χρῆναι γυναικὶ τῶν οὐσῶν, οἶμαι δὲ καὶ τῶν γεγεννημένων καὶ τῶν ἐσομένων χαλεπωτάτῃ; Ὅτι, ἔφη, ὁρῶ καὶ τοὺς ἵππικους βουλομένους γενέσθαι οὐ τοὺς εὐπειθεστάτους ἀλλὰ τοὺς θυμοειδεῖς ἵππους κτωμένους. νομίζουσι γάρ, ἂν τοὺς τοιούτους δύνωνται κατέχειν, ραϊδίως τοῖς γε ἄλλοις ἵπποις χρήσεσθαι. καγὼ δὲ βουλόμενος ἀνθρώποις χρῆσθαι καὶ ὁμιλεῖν ταύτην κέκτημαι, εὖ εἰδὼς ὅτι εἰ ταύτην ὑποίσω, ραϊδίως τοῖς γε ἄλλοις ἅπασιν ἀνθρώποις συνέσομαι. καὶ οὗτος μὲν δὴ ὁ λόγος οὐκ ἄπο τοῦ σκοποῦ ἔδοξεν εἰρησθαι. [11] μετὰ δὲ τοῦτο κύκλος εἰσηνέχθη περίμεστος ξιφῶν ὀρθῶν. εἰς οὖν ταῦτα ἡ ὀρχηστρίς ἐκυβίστα τε καὶ ἐξεκυβίστα ὑπὲρ αὐτῶν. ὥστε οἱ μὲν θεώμενοι ἐφοβοῦντο μὴ τι πάθῃ, ἡ δὲ θαρρύντως τε καὶ ἀσφαλῶς ταῦτα διεπράττετο. [12] καὶ ὁ Σωκράτης καλέσας τὸν Ἀντισθένην εἶπεν· Οὗτοι τοὺς γε θεωμένους τάδε ἀντιλέξειν ἔτι οἶομαι, ὡς οὐχὶ καὶ ἡ ἀνδρεία διδακτὸν, ὁπότε αὕτη καίπερ γυνὴ οὔσα οὕτω τολμηρῶς εἰς τὰ ξίφη ἵεται. [13] καὶ ὁ Ἀντισθένης εἶπεν· Ἄρ' οὖν καὶ τῷδε τῷ Συρακοσίῳ κράτιστον ἐπιδείξαντι τῇ πόλει τὴν ὀρχηστρίδα εἰπεῖν, ἐὰν διδῶσιν αὐτῷ Ἀθηναῖοι χρήματα, ποιήσῃν πάντας Ἀθηναίους τολμᾶν ὁμοσε ταῖς λόγχαις ἰέναι; [14] καὶ ὁ Φίλιππος, Νῆ Δί', ἔφη καὶ μὴν ἔγωγε ἡδέως

ἂν θεώμιην Πείσανδρον τὸν δημηγόρον μανθάνοντα κυβιστᾶν εἰς τὰς μαχαίρας, ὃς νῦν διὰ τὸ μὴ δύνασθαι λόγχαις ἀντιβλέπειν οὐδὲ συστρατεύεσθαι ἐθέλει. ἐκ τούτου ὁ παῖς ὠρχήσατο. [15] καὶ ὁ Σωκράτης εἶπεν· Εἶδες, ἔφη, ὡς καλὸς <ὁ> παῖς ὢν ὁμως σὺν τοῖς σχήμασιν ἔτι καλλίων φαίνεται ἢ ὅταν ἡσυχίαν ἔχη; καὶ ὁ Χαρμίδης εἶπεν· Ἐπαινοῦντι ἔοικας τὸν ὀρχηστοδιδάσκαλον. [16] Ναὶ μὰ τὸν Δί, ἔφη ὁ Σωκράτης· καὶ γὰρ ἄλλο τι προσεενόησα, ὅτι οὐδὲν ἄργον τοῦ σώματος ἐν τῇ ὀρχήσει ἦν, ἀλλ' ἅμα καὶ τράχηλος καὶ σκέλη καὶ χεῖρες ἐγυμνάζοντο, ὥσπερ χρὴ ὀρχεῖσθαι τὸν μέλλοντα εὐφορώτερον τὸ σῶμα ἔξειν. καὶ ἐγὼ μὲν, ἔφη, πάνυ ἂν ἡδέως, ὦ Συρακόσιε, μάθοιμι τὰ σχήματα παρὰ σοῦ. καὶ ὅς, Τί οὖν χρήσι αὐτοῖς; ἔφη. [17] Ὅρχήσομαι νῆ Δία. ἐνταῦθα δὴ ἐγέλασαν ἅπαντες. καὶ ὁ Σωκράτης μάλα ἐσπουδακότη τῷ προσώπῳ, Γελᾶτε, ἔφη, ἐπ' ἐμοί; πότερον ἐπὶ τούτῳ εἰ βούλομαι γυμναζόμενος μᾶλλον ὑγιαίνειν ἢ εἰ ἥδιον ἐσθίειν καὶ καθεύδειν ἢ εἰ τοιούτων γυμνασίων ἐπιθυμῶ, μὴ ὥσπερ οἱ δολιχοδρόμοι τὰ σκέλη μὲν παχύνονται, τοὺς ὤμους δὲ λεπτύνονται, μὴδ' ὥσπερ οἱ πύκται τοὺς μὲν ὤμους παχύνονται, τὰ δὲ σκέλη λεπτύνονται, ἀλλὰ παντὶ διαπονῶν τῷ σώματι πᾶν ἰσόρροπον ποιεῖν; [18] ἢ ἐπ' ἐκείνῳ γελᾶτε, ὅτι οὐ δεήσει με συγγυμναστὴν ζητεῖν, οὐδ' ἐν ὄχλῳ πρεσβύτην ὄντα ἀποδύεσθαι, ἀλλ' ἀρκέσει μοι οἶκος ἐπτάκλιος, ὥσπερ καὶ νῦν τῷδε τῷ παιδί ἤρκεσε τόδε τὸ οἶκημα ἐνιδρῶσαι, καὶ χειμῶνος μὲν ἐν στέγῃ γυμνάσομαι, ὅταν δὲ ἄγαν καῦμα ᾔῃ, ἐν σκιᾷ; [19] ἢ τόδε γελᾶτε, εἰ μείζω τοῦ καιροῦ τὴν γαστέρα ἔχων μετριωτέραν βούλομαι ποιῆσαι αὐτήν; ἢ οὐκ ἴστε ὅτι ἐναγχος ἔωθεν Χαρμίδης οὐτοσὶ κατέλαβέ με ὀρχούμενον; Ναὶ μὰ τὸν Δί, ἔφη ὁ Χαρμίδης· καὶ τὸ μὲν γε πρῶτον ἐξεπλάγην καὶ ἔδεια μὴ μαίνοιο· ἐπεὶ δέ σου ἤκουσα ὁμοία οἷς νῦν λέγεις, καὶ αὐτὸς ἐλθὼν οἶκαδε ὠρχούμεν μὲν οὐ, οὐ γὰρ πώποτε τοῦτ' ἔμαθον, ἐχειρονόμουν δέ· ταῦτα γὰρ ἠπιστάμην. [20] Νῆ Δί, ἔφη ὁ Φίλιππος, καὶ γὰρ οὖν οὕτω τὰ σκέλη τοῖς ὥμοις φαίνει ἰσοφόρα ἔχειν ὥστε δοκεῖς ἐμοί, κἂν εἰ τοῖς ἀγορανόμοις ἀφισταίης ὥσπερ ἄρτους τὰ κάτω πρὸς τὰ ἄνω, ἀζήμιος ἂν γενέσθαι. καὶ ὁ Καλλίας εἶπεν· ὦ Σώκρατες, ἐμὲ μὲν παρακάλει, ὅταν μέλλῃς μανθάνειν ὀρχεῖσθαι, ἵνα σοὶ ἀντιστοιγῶ τε καὶ συμμανθάνω.

[21] Ἄγε δῆ, ἔφη ὁ Φίλιππος, καὶ ἐμοὶ αὐλησάτω, ἵνα καὶ ἐγὼ ὀρχήσωμαι. ἐπειδὴ δ' ἀνέστη, διῆλθε μιμούμενος τὴν τε τοῦ παιδὸς καὶ τὴν τῆς παιδὸς ὀρχησιν. [22] καὶ πρῶτον μὲν ὅτι ἐπήνεσαν ὡς ὁ

παῖς σὺν τοῖς σχήμασιν ἔτι καλλίων ἐφαίνετο, ἀνταπέδειξεν ὅ τι κινοίη τοῦ σώματος ἅπαν τῆς φύσεως γελοιότερον; ὅτι δ' ἡ παῖς εἰς τοῦπισθεν καμπτομένη τροχὸς ἐμμεῖτο, ἐκεῖνος ταῦτα εἰς τὸ ἔμπροσθεν ἐπικύπτων μιμεῖσθαι τροχὸς ἐπειρᾶτο. τέλος δ' ὅτι τὸν παῖδ' ἐπῆνουν ὥς ἐν τῇ ὀρχήσει ἅπαν τὸ σῶμα γυμνάζοι, κελεύσας τὴν αὐλητρίδα θάττονα ῥυθμὸν ἐπάγειν ἵει ἅμα πάντα καὶ σκέλη καὶ χεῖρας καὶ κεφαλὴν. [23] ἐπειδὴ δὲ ἀπειρήκει, κατακλινόμενος εἶπε· Τεκμήριον, ὃ ἄνδρες, ὅτι καλῶς γυμνάζει καὶ τὰ ἐμὰ ὀρχήματα. ἐγὼ γοῦν διψῶ· καὶ ὁ παῖς ἐγγεάτω μοι τὴν μεγάλην φιάλην. Νῆ Δί', ἔφη ὁ Καλλίας, καὶ ἡμῖν γε, ἐπεὶ καὶ ἡμεῖς διψῶμεν ἐπὶ σοὶ γελῶντες. [24] ὁ δ' αὖ Σωκράτης εἶπεν· Ἀλλὰ πίνειν μὲν, ὃ ἄνδρες, καὶ ἐμοὶ πάνυ δοκεῖ· τῷ γὰρ ὄντι ὁ οἶνος ἄρδων τὰς ψυχὰς τὰς μὲν λύπας, ὥσπερ ὁ μανδραγόρας τοὺς ἀνθρώπους, κοιμίζει, τὰς δὲ φιλοφροσύνας, ὥσπερ ἔλαιον φλόγα, ἐγείρει. [25] δοκεῖ μέντοι μοι καὶ τὰ τῶν ἀνδρῶν σώματα ταῦτα πάσχειν ἅπερ καὶ τὰ τῶν ἐν γῇ φυομένων. καὶ γὰρ ἐκεῖνα, ὅταν μὲν ὁ θεὸς αὐτὰ ἄγαν ἀθρόως ποτίζει, οὐ δύναται ὀρθοῦσθαι οὐδὲ ταῖς αὔραις διαπνεῖσθαι· ὅταν δ' ὅσωι ἡδεται τοσοῦτον πίνῃ, καὶ μάλα ὀρθά τε αὔξεται καὶ θάλλοντα ἀφικνεῖται εἰς τὴν καρπογονίαν. [26] οὕτω δὲ καὶ ἡμεῖς ἂν μὲν ἀθρόον τὸ ποτὸν ἐγγεώμεθα, ταχὺ ἡμῖν καὶ τὰ σώματα καὶ αἱ γινῶμαι σφαλοῦνται, καὶ οὐδὲ ἀναπνεῖν, μὴ ὅτι λέγειν τι δυνησόμεθα· ἂν δὲ ἡμῖν οἱ παῖδες μικραῖς κύλιξι πυκνὰ ἐπιπακάζωσιν, ἵνα καὶ ἐγὼ ἐν Γοργειοῖς ῥήμασιν εἶπω, οὕτως οὐ βιαζόμενοι μεθύνειν ὑπὸ τοῦ οἴνου ἀλλ' ἀναπειθόμενοι πρὸς τὸ παιγνιωδέστερον ἀφιζόμεθα. [27] ἐδόκει μὲν δὴ ταῦτα πᾶσι· προσέθηκε δὲ ὁ Φίλιππος ὡς χρὴ τοὺς οἰνοχόους μιμεῖσθαι τοὺς ἀγαθοὺς ἀρματηλάτας, θάττον περιελαύνοντας τὰς κύλικας. οἱ μὲν δὴ οἰνοχόοι οὕτως ἐποιοῦν.

[1] Ἐκ δὲ τούτου συνηρμωσμένη τῇ λύρῃ πρὸς τὸν αὐλὸν ἐκιθάρισεν ὁ παῖς καὶ ἦισεν. ἔνθα δὴ ἐπῆνεσαν μὲν ἅπαντες· ὁ δὲ Χαρμίδης καὶ εἶπεν· Ἀλλ' ἐμοὶ μὲν δοκεῖ, ὃ ἄνδρες, ὥσπερ Σωκράτης ἔφη τὸν οἶνον, οὕτως καὶ αὕτη ἡ κρᾶσις τῶν τε παίδων τῆς ὥρας καὶ τῶν φθόγγων τὰς μὲν λύπας κοιμίζειν, τὴν δ' ἀφροδίτην ἐγείρειν. [2] ἐκ τούτου δὲ πάλιν εἶπεν ὁ Σωκράτης· Οὗτοι μὲν δὴ, ὃ ἄνδρες, ἱκανοὶ τέρπειν ἡμᾶς φαίνονται· ἡμεῖς δὲ τούτων οἶδ' ὅτι πολὺ βελτίονες οἰόμεθα εἶναι· οὐκ αἰσχρὸν οὖν εἰ μὴδ'

ἐπιχειρήσομεν συνόντες ὠφελεῖν τι ἢ εὐφραίνειν ἀλλήλους; Ἐντεῦθεν εἶπαν πολλοί· Σὺ τοίνυν ἡμῖν ἐξηγοῦ ποίων λόγων ἀπτόμενοι μάλιστ' ἂν ταῦτα ποιοῖμεν. [3] ἐγὼ μὲν τοίνυν, ἔφη, ἥδιστ' ἂν ἀπολάβοιμι παρὰ Καλλίου τὴν ὑπόσχεσιν. ἔφη γὰρ δῆπου, εἰ συνδαιπνοῖμεν, ἐπιδείξειν τὴν αὐτοῦ σοφίαν. Καὶ ἐπιδείξω γε, ἔφη, ἐὰν καὶ ὑμεῖς ἅπαντες εἰς μέσον φέρητε ὃ τι ἕκαστος ἐπιστασθε ἀγαθόν. Ἀλλ' οὐδεὶς σοι, ἔφη, ἀντιλέγει τὸ μὴ οὐ λέξειν ὃ τι ἕκαστος ἡγεῖται πλείστου ἄξιον ἐπίστασθαι. [4] Ἐγὼ μὲν τοίνυν, ἔφη, λέγω ὑμῖν ἐφ' ᾧ μέγιστον φρονῶ. ἀνθρώπους γὰρ οἶμαι ἱκανὸς εἶναι βελτίους ποιεῖν. καὶ ὁ Ἀντισθένης εἶπε· Πότερον τέχνην τινὰ βαναυσικὴν ἢ καλοκάγαθίαν διδάσκων; Εἰ καλοκάγαθία ἐστὶν ἡ δικαιοσύνη. Νῆ Δί', ἔφη ὁ Ἀντισθένης, ἢ γε ἀναμφιλογωτάτη· ἐπεὶ τοι ἀνδρεία μὲν καὶ σοφία ἔστιν ὅτε βλαβερὰ καὶ φίλοις καὶ πόλει δοκεῖ εἶναι, ἡ δὲ δικαιοσύνη οὐδὲ καθ' ἑν συμμίσγνυται τῇ ἀδικίᾳ. [5] Ἐπειδὴν τοίνυν καὶ ὑμῶν ἕκαστος εἶπηι ὃ τι ὠφέλιμον ἔχει, τότε καὶ γὰρ οὐ φθονήσω εἰπεῖν τὴν τέχνην δι' ἧς τοῦτο ἀπεργάζομαι. ἀλλὰ σὺ αὖ, ἔφη, λέγε, ὦ Νικήρατε, ἐπὶ ποίᾳ ἐπιστήμῃ μέγα φρονεῖς. καὶ ὃς εἶπεν· Ὁ πατήρ ὁ ἐπιμελούμενος ὅπως ἀνὴρ ἀγαθὸς γενοίμην ἠνάγκασέ με πάντα τὰ Ὀμήρου ἔπη μαθεῖν· καὶ νῦν δυνάμην ἂν Ἰλιάδα ὅλην καὶ Ὀδύσσειαν ἀπὸ στόματος εἰπεῖν. [6] Ἐκεῖνο δ', ἔφη ὁ Ἀντισθένης, λέληθέ σε, ὅτι καὶ οἱ ῥαψωιδοὶ πάντες ἐπίστανται ταῦτα τὰ ἔπη; Καὶ πῶς ἂν, ἔφη, λελήθοι ἀκροώμενόν γε αὐτῶν ὀλίγου ἂν' ἐκάστην ἡμέραν; Οἶσθά τι οὖν ἔθνος, ἔφη, ἡλιθιώτερον ῥαψωιδῶν; Οὐ μὰ τὸν Δί', ἔφη ὁ Νικήρατος, οὐκ οὐκ ἐμοιγε δοκῶ. Δῆλον γάρ, ἔφη ὁ Σωκράτης, ὅτι τὰς ὑπονοίας οὐκ ἐπίστανται. σὺ δὲ Στησιμβρότῳ τε καὶ Ἀναξιμάνδρῳ καὶ ἄλλοις πολλοῖς πολὺ δέδωκας ἀργύριον, ὥστε οὐδέν σε τῶν πολλοῦ ἀξίων λέληθε. [7] τί γὰρ σύ, ἔφη, ὦ Κριτόβουλε, ἐπὶ τίνι μέγιστον φρονεῖς; Ἐπὶ κάλλει, ἔφη. Ἡ οὖν καὶ σύ, ἔφη ὁ Σωκράτης, ἔξεις λέγειν ὅτι τῷ σῶι κάλλει ἱκανὸς εἶ βελτίους ἡμᾶς ποιεῖν; Εἰ δὲ μή, δῆλόν γε ὅτι φαῦλος φανοῦμαι. [8] Τί γὰρ σύ, εἶπεν, ἐπὶ τίνι μέγα φρονεῖς, ὦ Ἀντίσθενης; Ἐπὶ πλούτῳ, ἔφη. ὁ μὲν δὴ Ἑρμογένης ἀνήρετο εἰ πολὺ εἶη αὐτῷ ἀργύριον. ὁ δὲ ἀπώμοσε μηδὲ ὀβολόν. Ἀλλὰ γῆν πολλὴν κέκτησαι; Ἴσως ἂν, ἔφη, Αὐτολύκῳ τούτῳ ἱκανὴ γένοιτο ἐγκονίσασθαι. [9] Ἀκουστέον ἂν εἶη καὶ σοῦ. τί γὰρ σύ, ἔφη, ὦ Χαρμίδη, ἐπὶ τίνι μέγα φρονεῖς; Ἐγὼ αὖ, ἔφη, ἐπὶ πενίᾳ μέγα φρονῶ. Νῆ Δί', ἔφη ὁ Σωκράτης, ἐπ' εὐχαρίτῳ γε πράγματι. τοῦτο γὰρ δὴ ἥκιστα μὲν

ἐπίφθονον, ἥκιστα δὲ περιμάχητον, καὶ ἀφύλακτον ὃν σώζεται καὶ ἀμελούμενον ἰσχυρότερον γίγνεται. [10] Σὺ δὲ δὴ, ἔφη ὁ Καλλίας, ἐπὶ τίνι μέγα φρονεῖς, ὃ Σώκρατες; καὶ ὃς μάλα σεμνῶς ἀνασπάσας τὸ πρόσωπον, Ἐπὶ μαστροπείαι, εἶπεν. ἐπεὶ δὲ ἐγέλασαν ἐπ' αὐτῷ, Ὑμεῖς μὲν γελαῖτε, ἔφη, ἐγὼ δὲ οἶδ' ὅτι καὶ πάννυ ἂν πολλὰ χρήματα λαμβάνοιμι, εἰ βουλοίμην χρῆσθαι τῇ τέχνῃ. [11] Σὺ γε μὴν δῆλον, ἔφη ὁ Λύκων τὸν Φίλιππον <προσειπὼν, ὅτι> ἐπὶ τῷ γελωτοποιεῖν μέγα φρονεῖς. Δικαιότερόν γ', ἔφη, οἶομαι, ἢ Καλλιππίδης ὁ ὑποκριτής, ὃς ὑπερσεμνύνεται ὅτι δύναται πολλοὺς κλαίοντας καθίζειν. [12] Οὐκοῦν καὶ σύ, ἔφη ὁ Ἀντισθένης, λέξεις, ὃ Λύκων, ἐπὶ τίνι μέγα φρονεῖς; καὶ ὃς ἔφη· Οὐ γὰρ ἅπαντες ἴστε, ἔφη, <ὅτι> ἐπὶ τούτῳ τῷ νιεῖ; Οὗτός γε μὴν, ἔφη τις, δῆλον ὅτι ἐπὶ τῷ νικηφόρος εἶναι. καὶ ὁ Αὐτόλυκος ἀνευθυριάσας εἶπε· Μὰ Δί', οὐκ ἔγωγε. [13] ἐπεὶ δὲ ἅπαντες ἡσθέντες ὅτι ἤκουσαν αὐτοῦ φωνήσαντος προσέβλεψαν, ἤρετό τις αὐτόν· Ἀλλ' ἐπὶ τῷ μὴν, ὃ Αὐτόλυκε; ὁ δ' εἶπεν· ἐπὶ τῷ πατρί, καὶ ἅμα ἐνεκλίθη αὐτῷ. καὶ ὁ Καλλίας ἰδὼν, Ἄρ' οἴσθα, ἔφη, ὃ Λύκων, ὅτι πλουσιώτατος εἰ ἀνθρώπων; Μὰ Δί', ἔφη, τοῦτο μέντοι ἐγὼ οὐκ οἶδα. Ἀλλὰ λανθάνει σε ὅτι οὐκ ἂν δέξαιο τὰ βασιλέως χρήματα ἀντὶ τοῦ νιεύ; Ἐπ' αὐτοφώρῳ εἴλημμαι, ἔφη, πλουσιώτατος, ὡς ἔοικεν, ἀνθρώπων ὢν. Σὺ δέ, ἔφη ὁ Νικήρατος, ὃ Ἑρμόγενης, ἐπὶ τίνι μάλιστα [14] ἀγάλλῃ; καὶ ὃς, Ἐπὶ φίλων, ἔφη, ἀρετῇ καὶ δυνάμει, καὶ ὅτι τοιοῦτοι ὄντες ἐμοῦ ἐπιμέλονται. ἐνταῦθα τοίνυν πάντες προσέβλεψαν αὐτῷ, καὶ πολλοὶ ἅμα ἤροντο εἰ καὶ σφίσι δηλώσοι αὐτούς. ὁ δὲ εἶπεν ὅτι οὐ φθονήσει.

Κεφάλαιον δ'

[1] Ἐκ τούτου ἔλεξεν ὁ Σωκράτης· Οὐκοῦν λοιπὸν ἂν εἴη ἡμῖν ἅ ἕκαστος ὑπέσχετο ἀποδεικνύναι ὡς πολλοῦ ἄξιά ἐστιν. Ἀκούοιτ' ἄν, ἔφη ὁ Καλλίας, ἐμοῦ πρῶτον. ἐγὼ γὰρ ἐν τῷ χρόνῳ ὧν ὑμῶν ἀκούω ἀπορῶντων τί τὸ δίκαιον, ἐν τούτῳ δικαιότερους τοὺς ἀνθρώπους ποιῶ. καὶ ὁ Σωκράτης, Πῶς, ὃ λῶϊστε; ἔφη. Διδούς νῆ Δί' ἀργύριον. [2] καὶ ὁ Ἀντισθένης ἐπαναστὰς μάλα ἐλεγκτικῶς αὐτόν ἐπῆρετο· Οἱ δὲ ἄνθρωποι, ὃ Καλλία, πότερον ἐν ταῖς ψυχαῖς ἢ ἐν τῷ βαλαντίῳ τὸ δίκαιόν σοι δοκοῦσιν ἔχειν; Ἐν ταῖς ψυχαῖς, ἔφη. Κάπειτα σὺ εἰς τὸ βαλάντιον διδούς ἀργύριον τὰς ψυχὰς δικαιότερους ποιεῖς; Μάλιστα. Πῶς; Ὅτι διὰ τὸ εἰδέναι ὡς ἔστιν ὅτου πριάμενοι τὰ ἐπιτήδεια ἔξουσιν οὐκ ἐθέλουσι κακουργοῦντες κινδυνεύειν. [3] Ἡ

καί σοι, ἔφη, ἀποδιδόασιν ὅ τι ἂν λάβωσι; Μὰ τὸν Δί', ἔφη, οὐ μὲν δῆ. Τί δέ, ἀντί τοῦ ἀργυρίου χάριτας; Οὐ μὰ τὸν Δί', ἔφη, οὐδὲ τοῦτο, ἀλλ' ἔνιοι καὶ ἐχθιόνως ἔχουσιν ἢ πρὶν λαβεῖν. Θαυμαστά γ', ἔφη ὁ Ἀντισθένης ἅμα εἰσβλέπων ὡς ἐλέγχων αὐτόν, εἰ πρὸς μὲν τοὺς ἄλλους δύνασαι δικαίους ποιεῖν αὐτούς, πρὸς δὲ σαντὸν οὐ. [4] Καὶ τί τοῦτ', ἔφη ὁ Καλλίας, θαυμαστόν; οὐ καὶ τέκτονάς τε καὶ οἰκοδόμους πολλοὺς ὁρᾷς οἱ ἄλλοις μὲν πολλοῖς ποιοῦσιν οἰκίας, ἑαυτοῖς δὲ οὐ δύνανται ποιῆσαι, ἀλλ' ἐν μισθωταῖς οἰκοῦσι; καὶ ἀνάσχου μέντοι, ὦ σοφιστά, ἐλεγχόμενος. [5] Νῆ Δί', ἔφη ὁ Σωκράτης, ἀνεχέσθω μέντοι· ἐπεὶ καὶ οἱ μάντις λέγονται δῆπου ἄλλοις μὲν προαγορεύειν τὸ μέλλον, ἑαυτοῖς δὲ μὴ προορᾶν τὸ ἐπίον. [6] οὗτος μὲν δὴ ὁ λόγος ἐνταῦθα ἔληξεν. ἐκ τούτου δὲ ὁ Νικήρατος, Ἀκούοιτ' ἄν, ἔφη, καὶ ἐμοῦ ἃ ἔσεσθε βελτίονες, ἂν ἐμοὶ συνῆτε. ἴστε γὰρ δῆπου ὅτι Ὅμηρος ὁ σοφώτατος πεποίηκε σχεδὸν περὶ πάντων τῶν ἀνθρωπίνων. ὅστις ἂν οὖν ὑμῶν βούληται ἢ οἰκονομικὸς ἢ δημηγορικὸς ἢ στρατηγικὸς γενέσθαι ἢ ὁμοῖος Ἀχιλλεῖ ἢ Αἴαντι ἢ Νέστορι ἢ Ὀδυσσεῖ, ἐμὲ θεραπευέτω. ἐγὼ γὰρ ταῦτα πάντα ἐπίσταμαι. Ἦ καὶ βασιλεύειν, ἔφη ὁ Ἀντισθένης, ἐπίστασαι, ὅτι οἶσθα ἐπαινέσαντα αὐτὸν τὸν Ἀγαμέμνονα ὡς βασιλεύς τε εἶη ἀγαθὸς κρατερός τ' αἰχμητής; Καὶ ναὶ μὰ Δί', ἔφη, ἔγωγε ὅτι ἀρματῆλατοῦντα δεῖ ἐγγὺς μὲν τῆς στήλης κάμψαι,

[7] καὶ πρὸς τούτοις γε ἄλλο οἶδα, καὶ ὑμῖν αὐτίκα μάλ' ἔξεστι πειρᾶσθαι. εἶπε γάρ που Ὅμηρος· Ἐπὶ δὲ κρόμμυον ποτῶι ὄψον. ἐὰν οὖν ἐνέγκῃ τις κρόμμυον, αὐτίκα μάλα τοῦτό γε ὠφελημένοι ἔσεσθε· ἥδιον γὰρ πιεῖσθε. [8] καὶ ὁ Χαρμίδης εἶπεν· ὦ ἄνδρες, ὁ Νικήρατος κρομμύων ὄζων ἐπιθυμεῖ οἴκαδε ἐλθεῖν, ἴν' ἡ γυνὴ αὐτοῦ πιστεῦῃ μηδὲ διανοηθῆναι μηδένα ἂν φιλῆσαι αὐτόν. Νῆ Δί', ἔφη ὁ Σωκράτης, ἀλλ' ἄλλην που δόξαν γελοῖαν κίνδυνος ἡμῖν προσλαβεῖν. ὄψον μὲν γὰρ δὴ ὄντως ἔοικεν εἶναι, ὡς κρόμμυόν γε οὐ μόνον σῖτον ἀλλὰ καὶ ποτὸν ἡδύνει. εἰ δὲ δὴ τοῦτο καὶ μετὰ δεῖπνον τρωξόμεθα, ὅπως μὴ φήσῃ τις ἡμᾶς πρὸς Καλλίαν ἐλθόντας ἡδυπαθεῖν. [9] Μηδαμῶς, ἔφη, ὦ Σώκρατες. εἰς μὲν γὰρ μάχην ὀρμωμένῳ καλῶς ἔχει κρόμμυον ὑποτρῶγειν, ὥσπερ ἔνιοι τοὺς ἀλεκτρυόνας σκόροδα σιτίσαντες συμβάλλουσιν· ἡμεῖς δὲ ἴσως βουλευόμεθα ὅπως

φιλήσομέν τινα μάλλον ἢ μαχούμεθα. [10] καὶ οὗτος μὲν δὴ ὁ λόγος οὕτω πως ἐπαύσατο. ὁ δὲ Κριτόβουλος, Οὐκοῦν αὖ ἐγὼ λέξω, ἔφη, ἐξ ὧν ἐπὶ τῷ κάλλει μέγα φρονῶ. Λέγε, ἔφασαν. Εἰ μὲν τοίνυν μὴ καλὸς εἰμι, ὥς οἶομαι, ὑμεῖς ἂν δικαίως ἀπάτης δίκην ὑπέχοιτε· οὐδενὸς γὰρ ὀρκίζοντος αἰεὶ ὀμνύοντες καλὸν μέ φατε εἶναι. καὶ γὰρ μέντοι πιστεύω. καλοὺς γὰρ καὶ ἀγαθοὺς ὑμᾶς ἄνδρας νομίζω. [11] εἰ δ' εἰμὶ τε τῷ ὄντι καλὸς καὶ ὑμεῖς τὰ αὐτὰ πρὸς ἐμὲ πάσχετε οἰάπερ ἐγὼ πρὸς τὸν ἐμοὶ δοκοῦντα καλὸν εἶναι, ὁμνυμι πάντας θεοὺς μὴ ἐλέσθαι ἂν τὴν βασιλέως ἀρχὴν ἀντὶ τοῦ καλὸς εἶναι. [12] νῦν γὰρ ἐγὼ Κλεινίαν ἥδιον μὲν θεῶμαι ἢ τᾶλλα πάντα τὰ ἐν ἀνθρώποις καλά. τυφλὸς δὲ τῶν ἄλλων ἀπάντων μάλλον δεξαίμην ἂν εἶναι ἢ Κλεινίου ἐνὸς ὄντος· ἄχθομαι δὲ καὶ νυκτὶ καὶ ὕπνῳ ὅτι ἐκεῖνον οὐχ ὀρῶ, ἡμέραι δὲ καὶ ἡλίῳ τὴν μεγίστην χάριν οἶδα ὅτι μοι Κλεινίαν ἀναφαίνουσιν. [13] ἄξιόν γε μὴν ἡμῖν τοῖς καλοῖς καὶ ἐπὶ τοῖσδε μέγα φρονεῖν, ὅτι τὸν μὲν ἰσχυρὸν πονοῦντα δεῖ κτᾶσθαι τάγαθὰ καὶ τὸν ἀνδρεῖον κινδυνεύοντα, τὸν δὲ γε σοφὸν λέγοντα· ὁ δὲ καλὸς καὶ ἡσυχίαν ἔχων πάντ' ἂν διαπράττειτο. [14] ἐγὼ γοῦν καίπερ εἰδὼς ὅτι χρήματα ἢ δὴ κτῆμα ἥδιον μὲν ἂν Κλεινίαι τὰ ὄντα διδοίην ἢ ἕτερα παρ' ἄλλου λαμβάνοιμι, ἥδιον δ' ἂν δουλεύοιμι ἢ ἐλεύθερος εἶην, εἴ μου Κλεινίας ἄρχειν ἐθέλοι. καὶ γὰρ πονοίην ἂν ῥᾶιον ἐκείνῳ ἢ ἀναπαυοίμην, καὶ κινδυνεύοιμι' ἂν πρὸ ἐκείνου ἥδιον ἢ ἀκίνδυνος ζώην. [15] ὥστε εἰ σύ, ὦ Καλλία, μέγα φρονεῖς ὅτι δικαιότερους δύνασαι ποιεῖν, ἐγὼ πρὸς πᾶσαν ἀρετὴν δικαιότερος σοῦ εἰμι ἄγων ἀνθρώπους. διὰ γὰρ τὸ ἐμπνεῖν τι ἡμᾶς τοὺς καλοὺς τοῖς ἐρωτικοῖς ἐλευθεριωτέρους μὲν αὐτοὺς ποιοῦμεν εἰς χρήματα, φιλοπονωτέρους δὲ καὶ φιλοκαλωτέρους ἐν τοῖς κινδύνοις, καὶ μὴν αἰδημονεστέρους τε καὶ ἐγκρατεστέρους, οἳ γε καὶ ὧν δέονται μάλιστα ταῦτ' αἰσχύνονται. [16] μαίνονται δὲ καὶ οἱ μὴ τοὺς καλοὺς στρατηγούς αἰρούμενοι. ἐγὼ γοῦν μετὰ Κλεινίου κἂν διὰ πυρὸς ἰοίην· οἶδα δ' ὅτι καὶ ὑμεῖς μετ' ἐμοῦ. ὥστε μηκέτι ἀπόρει, ὦ Σώκρατες, εἴ τι τοῦμὸν κάλλος ἀνθρώπους ὠφελήσει. [17] ἀλλ' οὐδὲ μέντοι ταύτη γε ἀτιμαστέον τὸ κάλλος ὥς ταχὺ παρακαμάζον, ἐπεὶ ὥσπερ γε παῖς γίγνεται καλός, οὕτω καὶ μειράκιον καὶ ἀνὴρ καὶ πρεσβύτης. τεκμήριον δέ· θαλλοφόρους γὰρ τῇ Ἀθηνᾷ τοὺς καλοὺς γέροντας ἐκλέγονται, ὥς συμπαρομαρτοῦντος πάσῃ ἡλικίᾳ τοῦ κάλλους. [18] εἰ δὲ ἡδὴ τὸ παρ' ἐκόντων διαπράττεσθαι ὧν τις δέοιτο, εὖ οἶδ' ὅτι καὶ νυνὶ θᾶπτον ἂν ἐγὼ καὶ σιωπῶν πείσαιμι τὸν παῖδα τόνδε καὶ τὴν

παῖδα φιλησαί με ἢ σύ, ὦ Σώκρατες, εἰ καὶ πάνυ πολλὰ καὶ σοφὰ λέγοις. [19] Τί τοῦτο; ἔφη ὁ Σωκράτης· ὥς γὰρ καὶ ἐμοῦ καλλίων ὦν ταῦτα κομπάζεις. Νῆ Δί', ἔφη ὁ Κριτόβουλος, ἢ πάντων Σειληνῶν τῶν ἐν τοῖς σατυρικοῖς αἰσχιστος ἂν εἴην. [20] Ἄγε νυν, ἔφη ὁ Σωκράτης, ὅπως μεμνήσῃ διακριθῆναι περὶ τοῦ κάλλους, ἐπειδὴ οἱ προκείμενοι λόγοι περιέλθωσι. κρινάτω δ' ἡμᾶς μὴ Ἀλέξανδρος ὁ Πριάμου, ἀλλ' αὐτοὶ οὗτοι οὕσπερ σὺ οἶε ἐπιθυμεῖν σε φιλησαι. [21] Κλεινία δ', ἔφη, ὦ Σώκρατες, οὐκ ἂν ἐπιτρέψαις; καὶ ὃς εἶπεν· Οὐ γὰρ παύσῃ σὺ Κλεινίου μεμνημένος; Ἄν δὲ μὴ ὀνομάζω, ἥττον τί με οἶε μεμνησθαι αὐτοῦ; οὐκ οἶσθα ὅτι οὕτω σαφὲς ἔχω εἰδῶλον αὐτοῦ ἐν τῇ ψυχῇ ὥς εἰ πλαστικὸς ἢ ζωγραφικὸς ἦν, οὐδὲν ἂν ἥττον ἐκ τοῦ εἰδώλου ἢ πρὸς αὐτὸν ὁρῶν ὅμοιον αὐτῷ ἀπειργασάμην; [22] καὶ ὁ Σωκράτης ὑπέλαβε· Τί δῆτα οὕτως ὅμοιον εἰδῶλον ἔχων πράγματά μοι παρέχεις ἄγεις τε αὐτὸν ὅπου ὄψει; Ὅτι, ὦ Σώκρατες, ἡ μὲν αὐτοῦ ὄψις εὐφραίνειν δύναται, ἡ δὲ τοῦ εἰδώλου τέρψιν μὲν οὐ παρέχει, πόθον δὲ ἐμποιεῖ. [23] καὶ ὁ Ἑρμογένης εἶπεν· Ἀλλ' ἐγώ, ὦ Σώκρατες, οὐδὲ πρὸς σοῦ ποιῶ τὸ περιυδεῖν Κριτόβουλον οὕτως ὑπὸ τοῦ ἔρωτος ἐκπλαγέντα. Δοκεῖς γάρ, ἔφη ὁ Σωκράτης, ἐξ οὗ ἐμοὶ σύνεστιν οὕτω διατεθῆναι αὐτόν; Ἀλλὰ πότε μήν; Οὐχ ὁρᾷς ὅτι τούτῳ μὲν παρὰ τὰ ὥτα ἄρτι ἰούλος καθέρπει, Κλεινία δὲ πρὸς τὸ ὀπισθεν ἤδη ἀναβαίνει; οὗτος οὖν συμφοιτῶν εἰς ταῦτο διδασκαλεῖον ἐκείνῳ τότε ἰσχυρῶς προσεκαύθη. [24] ἃ δὲ αἰσθόμενος ὁ πατὴρ παρέδωκέ μοι αὐτόν, εἴ τι δυναίμην ὠφελησαι. καὶ μέντοι πολὺ βέλτιον ἤδη ἔχει. πρόσθεν μὲν γάρ, ὥσπερ οἱ τὰς Γοργόνας θεώμενοι, λιθίνως ἔβλεπε πρὸς αὐτόν καὶ οὐδαμοῦ ἀπήει ἀπ' αὐτοῦ· νῦν δὲ ἤδη εἶδον αὐτόν καὶ σκαρδαμύζαντα. [25] καίτοι νῆ τοὺς θεοὺς, ὦ ἄνδρες, δοκεῖ μοί γ', ἔφη, ὥς ἐν ἡμῖν αὐτοῖς εἰρῆσθαι, οὗτος καὶ πεφιληκέναι τὸν Κλεινίαν· οὗ ἔρωτος οὐδὲν ἐστι δεινότερον ὑπέκκαυμα. καὶ γὰρ ἅπληστον καὶ ἐλπίδας τινὰς γλυκείας παρέχει. [26] [ἴσως δὲ καὶ διὰ τὸ μόνον πάντων ἔργων τὸ τοῖς σ<τό>μασι συμψαύειν ὁμώνυμον εἶναι τῷ ταῖς ψυχαῖς φιλεῖσθαι ἐντιμότερόν ἐστιν.] οὗ ἔνεκα ἀφεκτέον ἐγὼ φημι εἶναι φιλημάτων <τῶν> ὠραίων τῷ σωφρονεῖν δυνησομένῳ. [27] καὶ ὁ Χαρμίδης εἶπεν· Ἀλλὰ τί δὴ ποτε, ὦ Σώκρατες, ἡμᾶς μὲν οὕτω τοὺς φίλους μορμολύττῃ ἀπὸ τῶν καλῶν, αὐτὸν δὲ σε, ἔφη, ἐγὼ εἶδον ναι μὰ τὸν Ἀπόλλω, ὅτε παρὰ τῷ γραμματιστῇ ἐν τῷ αὐτῷ βιβλίῳ ἀμφοτέροι ἐμαστευέτέ τι, τὴν κεφαλὴν πρὸς τῇ κεφαλῇ καὶ τὸν ὦμον γυμνὸν πρὸς γυμνῷ τῷ

Κριτοβούλου ὥμῳ ἔχοντα. [28] καὶ ὁ Σωκράτης, Φεῦ, ἔφη, ταῦτ' ἄρα ἐγὼ ὥσπερ ὑπὸ θηρίου τινὸς δεδηγμένος τὸν τε ὦμον πλεῖν ἢ πέντε ἡμέρας ὥδαζον καὶ ἐν τῇ καρδίᾳ ὥσπερ κνησμά τι ἐδόκουν ἔχειν. ἀλλὰ νῦν τοί σοι, ἔφη, ὦ Κριτόβουλε, ἐναντίον τοσοῦτων μαρτύρων προαγορεύω μὴ ἅπτεσθαι μου πρὶν ἂν τὸ γένειον τῇ κεφαλῇ ὁμοίως κομῆσης. Καὶ οὗτοι μὲν δὴ οὕτως ἀναμῖξ ἔσκωψάν τε καὶ ἐσπούδασαν. [29] ὁ δὲ Καλλίας, Σὸν μέρος, ἔφη, λέγειν, ὦ Χαρμίδη, δι' ὃ τι ἐπὶ πενία μέγα φρονεῖς. Οὐκοῦν τόδε μὲν, ἔφη, ὁμολογεῖται, κρεῖττον εἶναι θαρρεῖν ἢ φοβεῖσθαι καὶ ἐλεύθερον εἶναι μᾶλλον ἢ δουλεύειν καὶ θεραπεύεσθαι μᾶλλον ἢ θεραπεύειν καὶ πιστεύεσθαι ὑπὸ τῆς πατρίδος μᾶλλον ἢ ἀπιστεῖσθαι. [30] ἐγὼ τοίνυν ἐν τῇδε τῇ πόλει ὅτε μὲν πλούσιος ἦν πρῶτον μὲν ἐφοβούμην μή τίς μου τὴν οἰκίαν διορύξας καὶ τὰ χρήματα λάβοι καὶ αὐτόν τί με κακὸν ἐργάσαιτο· ἔπειτα δὲ καὶ τοὺς συκοφάντας ἐθεράπευον, εἰδὼς ὅτι παθεῖν μᾶλλον κακῶς ἱκανὸς εἶην ἢ ποιῆσαι ἐκείνους. καὶ γὰρ δὴ καὶ προσετάρτετο μὲν αἰεὶ τί μοι δαπανᾶν ὑπὸ τῆς πόλεως, ἀποδημῆσαι δὲ οὐδαμοῦ ἐξῆν. [31] νῦν δ' ἐπειδὴ τῶν ὑπερορίων στέρομαι καὶ τὰ ἔγγεια οὐ καρποῦμαι καὶ τὰ ἐκ τῆς οἰκίας πέπραται, ἡδέως μὲν καθεύδω ἐκτεταμένος, πιστὸς δὲ τῇ πόλει γεγένημαι, οὐκέτι δὲ ἀπειλοῦμαι, ἀλλ' ἡδὴ ἀπειλῶ ἄλλοις, ὥς ἐλευθέρῳ τε ἔξεστί μοι καὶ ἀποδημεῖν καὶ ἐπίδημεῖν· ὑπανίστανται δέ μοι ἡδὴ καὶ θάκων καὶ ὁδῶν ἐξίστανται οἱ πλούσιοι. [32] καὶ εἰμὶ νῦν μὲν τυράννῳ ἐοικώς, τότε δὲ σαφῶς δοῦλος ἦν· καὶ τότε μὲν ἐγὼ φόρον ἀπέφερον τῷ δήμῳ, νῦν δὲ ἡ πόλις τέλος φέρουσα τρέφει με. ἀλλὰ καὶ Σωκράτει, ὅτε μὲν πλούσιος ἦν, ἐλοιδόρουν με ὅτι συνῆν, νῦν δ' ἐπεὶ πένης γεγένημαι, οὐκέτι οὐδὲν μέλει οὐδενί. καὶ μὴν ὅτε μὲν γε πολλὰ εἶχον, αἰεὶ τι ἀπέβαλλον ἢ ὑπὸ τῆς πόλεως ἢ ὑπὸ τῆς τύχης· νῦν δὲ ἀποβάλλω μὲν οὐδέν (οὐδὲ γὰρ ἔχω), αἰεὶ δέ τι λήψεσθαι ἐλπίζω. [33] Οὐκοῦν, ἔφη ὁ Καλλίας, καὶ εὖχῃ μηδέποτε πλουτεῖν, καὶ ἐάν τι ὄναρ ἀγαθὸν ἴδῃς, τοῖς ἀποτροπαίοις θύεις; Μὰ Δία τοῦτο μέντοι, ἔφη, ἐγὼ οὐ ποιῶ, ἀλλὰ μάλα φιλοκινδύνως ὑπομένω, ἂν ποθέν τι ἐλπίζω λήψεσθαι. [34] Ἄλλ' ἄγε δὴ, ἔφη ὁ Σωκράτης, σὺ αὖ λέγε ἡμῖν, ὦ Ἀντίσθενης, πῶς οὕτω βραχέα ἔχων μέγα φρονεῖς ἐπὶ πλούτῳ. Ὅτι νομίζω, ὦ ἄνδρες, τοὺς ἀνθρώπους οὐκ ἐν τῷ οἴκῳ τὸν πλοῦτον καὶ τὴν πενίαν ἔχειν ἀλλ' ἐν ταῖς ψυχαῖς. [35] ὁρῶ γὰρ πολλοὺς μὲν ἰδιώτας, οἱ πάνυ πολλὰ ἔχοντες χρήματα οὕτω πένεσθαι ἡγοῦνται ὥστε πάντα μὲν πόνον, πάντα δὲ κίνδυνον ὑποδύονται, ἐφ' ᾧ πλείω

κτῆσονται, οἶδα δὲ καὶ ἀδελφούς, οἳ τὰ ἴσα λαχόντες ὁ μὲν αὐτῶν τάρκουντα ἔχει καὶ περιττεύοντα τῆς δαπάνης, ὁ δὲ τοῦ παντὸς ἐνδεΐται· [36] αἰσθάνομαι δὲ καὶ τυράννους τινάς, οἳ οὕτω πεινῶσι χρημάτων ὥστε ποιοῦσι πολὺ δεινότερα τῶν ἀπορωτάτων· δι' ἐνδειαν μὲν γὰρ δήπου οἱ μὲν κλέπτουσιν, οἱ δὲ τοιχωρυχοῦσιν, οἱ δὲ ἀνδραποδίζονται· τύραννοι δ' εἰσὶ τινες οἳ ὅλους μὲν οἴκους ἀναιροῦσιν, ἀθρόους δ' ἀποκτείνουσι, πολλάκις δὲ καὶ ὅλας πόλεις χρημάτων ἔνεκα ἐξανδραποδίζονται. [37] τούτους μὲν οὖν ἔγωγε καὶ πάννυ οἰκτίρω τῆς ἄγαν χαλεπῆς νόσου. ὅμοια γάρ μοι δοκοῦσι πάσχειν ὥσπερ εἴ τις πολλὰ ἔχοι καὶ πολλὰ ἐσθίων μηδέποτε ἐμπίμπλαιο. ἐγὼ δὲ οὕτω μὲν πολλὰ ἔχω ὥς μόλις αὐτὰ καὶ αὐτὸς εὐρίσκω· ὅμως δὲ περίεστί μοι καὶ ἐσθίοντι ἄχρι τοῦ μὴ πεινῆν ἀφικέσθαι καὶ πίνοντι μέχρι τοῦ μὴ διψῆν καὶ ἀμφιέννυσθαι ὥστε ἔξω μὲν μηδὲν μᾶλλον Καλλίου τούτου τοῦ πλουσιωτάτου ῥίγουν· [38] ἐπειδάν γε μὴν ἐν τῇ οἰκίᾳ γένωμαι, πάννυ μὲν ἀλεεινοὶ χιτῶνες οἱ τοῖχοί μοι δοκοῦσιν εἶναι, πάννυ δὲ παχεῖαι ἐφεστρίδες οἱ ὄροφοι, στρωμνὴν γε μὴν οὕτως ἀρκοῦσαν ἔχω ὥστ' ἔργον μέγ' ἐστὶ καὶ ἀνεγεῖραι. ἂν δέ ποτε καὶ ἀφροδισιάσαι τὸ σῶμά μου δεηθῇ, οὕτω μοι τὸ παρὸν ἀρκεῖ ὥστε αἷς ἂν προσέλθω ὑπερασπάζονταί με διὰ τὸ μηδένα ἄλλον αὐταῖς ἐθέλειν προσιέναι. [39] καὶ πάντα τοῖνυν ταῦτα οὕτως ἡδέα μοι δοκεῖ εἶναι ὥς μᾶλλον μὲν ἡδεσθαι ποιῶν ἕκαστα αὐτῶν οὐκ ἂν εὐξαίμην, ἥττον δέ· οὕτω μοι δοκεῖ ἔνια αὐτῶν ἡδίω εἶναι τοῦ συμφέροντος. [40] πλείστου δ' ἄξιον κτῆμα ἐν τῷ ἐμῷ πλούτῳ λογίζομαι εἶναι ἐκεῖνο, ὅτι εἴ μού τις καὶ τὰ νῦν ὄντα παρέλοιτο, οὐδὲν οὕτως ὀρῶ φαῦλον ἔργον ὅποιον οὐκ ἀρκοῦσαν ἂν τροφὴν ἐμοὶ παρέχοι. [41] καὶ γὰρ ὅταν ἡδυπαθῆσαι βουλευθῶ, οὐκ ἐκ τῆς ἀγορᾶς τὰ τίμια ὠνοῦμαι (πολυτελὴ γὰρ γίγνεται), ἀλλ' ἐκ τῆς ψυχῆς ταμιεύομαι. καὶ πολὺ πλέον διαφέρει πρὸς ἡδονήν, ὅταν ἀναμείνας τὸ δεηθῆναι προσφέρωμαι ἢ ὅταν τινὶ τῶν τιμίων χρῶμαι, ὥσπερ καὶ νῦν τῷδε τῷ Θασίῳ οἴνῳ ἐντυχὼν οὐ διψῶν πίνω αὐτόν. [42] ἀλλὰ μὴν καὶ πολὺ δικαιότερους γε εἰκὸς εἶναι τοὺς εὐτέλειαν μᾶλλον ἢ πολυχρηματίαν σκοποῦντας. οἷς γὰρ μάλιστα τὰ παρόντα ἀρκεῖ ἥκιστα τῶν ἀλλοτριῶν ὀρέγονται. [43] ἄξιον δ' ἐννοῆσαι ὥς καὶ ἐλευθερίους ὁ τοιοῦτος πλοῦτος παρέχεται. Σωκράτης τε γὰρ οὗτος παρ' οὗ ἐγὼ τοῦτον ἐκτησάμην οὗτ' ἀριθμῶι οὔτε σταθμῶι ἐπῆρκει μοι, ἀλλ' ὅπόσον ἐδυνάμην φέρεσθαι, τοσοῦτόν μοι παρεδίδου· ἐγὼ τε νῦν οὐδενὶ φθονῶ, ἀλλὰ πᾶσι τοῖς

φίλοις καὶ ἐπιδεικνύω τὴν ἀφθονίαν καὶ μεταδίδωμι τῷ βουλομένῳ τοῦ ἐν τῇ ἐμῇ ψυχῇ πλούτου. [44] καὶ μὴν καὶ τὸ ἀβρότατόν γε κτῆμα, τὴν σχολὴν ἀεὶ ὀρᾷτέ μοι παροῦσαν, ὥστε καὶ θεᾷσθαι τὰ ἀξιοθέατα καὶ ἀκούειν τὰ ἀξιάκουστα καὶ ὁ πλείστου ἐγὼ τιμῶμαι, Σωκράτει σχολάζων συνδιημερεύειν. καὶ οὗτος δὲ οὐ τοὺς πλείστον ἀριθμοῦντας χρυσίον θαυμάζει, ἀλλ' οἱ ἂν αὐτῷ ἀρέσκωσι τούτοις συνὼν διατελεῖ. οὗτος μὲν οὖν οὕτως εἶπεν. [45] ὁ δὲ Καλλίας, Νῆ τὴν Ἥραν, ἔφη, τά τε ἄλλα ζηλῶ σε τοῦ πλούτου καὶ ὅτι οὔτε ἡ πόλις σοι ἐπιτάττουσα ὥς δούλῳ χρῆται οὔτε οἱ ἄνθρωποι, ἂν μὴ δανείσης, ὀργίζονται. Ἀλλὰ μὰ Δί', ἔφη ὁ Νικήρατος, μὴ ζήλου· ἐγὼ γὰρ ἤξω παρ' αὐτοῦ δανεισάμενος τὸ μηδενὸς προσδεῖσθαι, οὕτω πεπαιδευμένος ὑπὸ Ὀμήρου ἀριθμεῖν

ἔπτ' ἀπύρους τρίποδας, δέκα δὲ χρυσοῖο τάλαντα,

αἶθωνας δὲ λέβητας ἐείκοσι, δώδεκα δ' ἵππους

σταθμῷ καὶ ἀριθμῷ, ὥς πλείστου πλούτου ἐπιθυμῶν οὐ παύομαι· ἐξ ὧν ἴσως καὶ φιλοχρηματώτερός τιςι δοκῶ εἶναι. ἔνθα δὴ ἀνεγέλασαν ἅπαντες, νομίζοντες τὰ ὄντα εἰρηκέναι αὐτόν. [46] ἐκ τούτου εἶπέ τις· Σὺν ἔργον, ὃ Ἑρμόγενης, λέγειν τε τοὺς φίλους οἵτινές εἰσι καὶ ἐπιδεικνύναι ὥς μέγα τε δύνανται καὶ σοῦ ἐπιμέλονται, ἵνα δοκῇς δικαίως ἐπ' αὐτοῖς μέγα φρονεῖν. [47] Οὐκοῦν ὥς μὲν καὶ Ἕλληνες καὶ βάρβαροι τοὺς θεοὺς ἡγοῦνται πάντα εἰδέναι τά τε ὄντα καὶ τὰ μέλλοντα εὐδηλον. πᾶσαι γοῦν αἱ πόλεις καὶ πάντα τὰ ἔθνη διὰ μαντικῆς ἐπερωτῶσι τοὺς θεοὺς τί τε χρὴ καὶ τί οὐ χρὴ ποιεῖν. καὶ μὴν ὅτι νομίζομέν γε δύνασθαι αὐτοὺς καὶ εὖ καὶ κακῶς ποιεῖν καὶ τοῦτο σαφές. πάντες γοῦν αἰτοῦνται τοὺς θεοὺς τὰ μὲν φαῦλα ἀποτρέπειν, τὰγαθὰ δὲ διδόναι. [48] οὗτοι τοίνυν οἱ πάντα μὲν εἰδότες πάντα δὲ δυνάμενοι θεοὶ οὕτω μοι φίλοι εἰσὶν ὥστε διὰ τὸ ἐπιμελεῖσθαι μου οὐποτε λήθω αὐτοὺς οὔτε νυκτὸς οὔθ' ἡμέρας οὔθ' ὅποι ἂν ὀρῶμαι οὔθ' ὅ τι ἂν μέλλω πράττειν. διὰ δὲ τὸ προειδέναι καὶ ὅ τι ἐξ ἐκάστου ἀποβήσεται σημαίνουσί μοι πέμποντες ἀγγέλους φήμας καὶ ἐνύπνια καὶ οἰωνοὺς ἃ τε δεῖ καὶ ἃ οὐ χρὴ ποιεῖν, οἷς ἐγὼ ὅταν μὲν πείθωμαι, οὐδέποτε μοι μεταμέλει· ἤδη δέ ποτε καὶ ἀπιστήσας ἐκολάσθην. [49] καὶ ὁ Σωκράτης εἶπεν· Ἀλλὰ τούτων μὲν οὐδὲν ἄπιστον. ἐκεῖνο μέντοι ἔγωγε ἡδέως ἂν πυθοίμην, πῶς αὐτοὺς θεραπεύων οὕτω φίλους ἔχεις. Ναὶ μὰ τὸν Δί', ἔφη ὁ Ἑρμογένης, καὶ μάλα εὐτελῶς. ἐπαινῶ τε γὰρ αὐτοὺς οὐδὲν δαπανῶν, ὧν τε διδόασιν ἀεὶ αὐτὸν παρέχομαι, εὐφημῶ τε ὅσα ἂν

δύνωμαι καὶ ἐφ' οἷς ἂν αὐτοὺς μάρτυρας ποιήσωμαι ἐκὼν οὐδὲν ψεύδομαι. Νῆ Δί', ἔφη, ὁ Σωκράτης εἰ ἄρα τοιοῦτος ὢν φίλους αὐτοὺς ἔχεις, καὶ οἱ θεοί, ὡς ἔοικε, καλοκάγαθαι ἦδονται. [50] οὗτος μὲν δὴ ὁ λόγος οὕτως ἐσπουδαιολογήθη. ἐπειδὴ δὲ εἰς τὸν Φίλιππον ἦκον, ἡρώτων αὐτὸν τί ὁρῶν ἐν τῇ γελωτοποιίᾳ μέγα ἐπ' αὐτῇ φρονοίῃ. Οὐ γὰρ ἄξιον, ἔφη, ὅποτε γε πάντες εἰδότες ὅτι γελωτοποιός εἰμι, ὅταν μὲν τι ἀγαθὸν ἔχωσι, παρακαλοῦσί με ἐπὶ ταῦτα προθύμως, ὅταν δέ τι κακὸν λάβωσι, φεύγουσιν ἀμεταστρεπτί, φοβούμενοι μὴ καὶ ἄκοντες γελάσωσι; [51] καὶ ὁ Νικήρατος εἶπε· Νῆ Δία, σὺ τοίνυν δικαίως μέγα φρονεῖς. ἐμοὶ γὰρ αὖ τῶν φίλων οἱ μὲν εὖ πράττοντες ἐκποδὼν ἀπέρχονται, οἱ δ' ἂν κακὸν τι λάβωσι, γενεαλογοῦσι τὴν συγγένειαν καὶ οὐδέποτε μου ἀπολείπονται. [52] Εἶεν· σὺ δὲ δὴ, ἔφη ὁ Χαρμίδης, ὦ Συρακόσιε, ἐπὶ τῷ μέγα φρονεῖς; ἢ δῆλον ὅτι ἐπὶ τῷ παιδί; Μὰ τὸν Δί', ἔφη, οὐ μὲν δὴ· ἀλλὰ καὶ δέδοικα περὶ αὐτοῦ ἰσχυρῶς. αἰσθάνομαι γὰρ τινὰς ἐπιβουλεύοντας διαφθεῖραι αὐτόν. [53] καὶ ὁ Σωκράτης ἀκούσας, Ἡράκλεις, ἔφη, τί τοσοῦτον νομίζοντες ἡδικῆσθαι ὑπὸ τοῦ σοῦ παιδὸς ὥστε ἀποκτεῖναι αὐτὸν βούλεσθαι; Ἄλλ' οὗτοι, ἔφη, ἀποκτεῖναι βούλονται, ἀλλὰ πείσαι αὐτὸν συγκαθεύδειν αὐτοῖς. Σὺ δ', ὡς ἔοικας, εἰ τοῦτο γένοιτο, νομίζεις ἂν διαφθαρῆναι αὐτόν; Ναὶ μὰ Δί', ἔφη, παντάπασί γε. [54] Οὐδ' αὐτὸς ἄρ', ἔφη, συγκαθεύδεις αὐτῷ; Νῆ Δί', ὅλας γε καὶ πάσας τὰς νύκτας. Νῆ τὴν Ἥραν, ἔφη ὁ Σωκράτης, εὐτύχημά γέ σου μέγα τὸ τὸν χρῶτα τοιοῦτον φῦναι ἔχοντα ὥστε μόνον μὴ διαφθεῖρειν τοὺς συγκαθεύδοντας. ὥστε σοί γε εἰ μὴ ἐπ' ἄλλῳ ἄλλ' ἐπὶ τῷ χρωτὶ ἄξιον μέγα φρονεῖν. [55] Ἀλλὰ μὰ Δί', ἔφη, οὐκ ἐπὶ τούτῳ μέγα φρονῶ. Ἄλλ' ἐπὶ τῷ μήν; Ἐπὶ νῇ Δία τοῖς ἄφροσιν. οὗτοι γὰρ τὰ ἐμὰ νευρόσπαστα θεώμενοι τρέφουσί με. Ταῦτ' ἄρ', ἔφη ὁ Φίλιππος, καὶ πρῶτην ἐγὼ σου ἤκουον εὐχομένου πρὸς τοὺς θεοὺς ὅπου ἂν ἦις διδόναι καρποῦ μὲν ἀφθονίαν, φρενῶν δὲ ἀφορίαν. [56] Εἶεν, ἔφη ὁ Καλλίας· σὺ δὲ δὴ, ὦ Σώκρατες, τί ἔχεις εἰπεῖν ὡς ἄξιόν σοί ἐστι μέγα φρονεῖν ἐφ' ἣι εἵπας οὕτως ἀδόξῳ οὔσῃ τέχνῃ; καὶ ὃς εἶπεν· Ὁμολογησόμεθα πρῶτον ποῖα ἐστὶν ἔργα τοῦ μαστροποῦ· καὶ ὅσα ἂν ἐρωτῶ, μὴ ὀκνεῖτε ἀποκρίνεσθαι, ἵνα εἰδῶμεν ὅσα ἂν συνομολογῶμεν. καὶ ὑμῖν οὕτω δοκεῖ; ἔφη. Πάνυ μὲν οὖν, ἔφασαν. ὡς δ' ἅπαξ εἶπαν Πάνυ μὲν οὖν, τοῦτο πάντες ἐκ τοῦ λοιποῦ ἀπεκρίναντο. [57] Οὐκοῦν ἀγαθοῦ μὲν, ἔφη, ὑμῖν δοκεῖ μαστροποῦ ἔργον εἶναι ἢν ἂν ἢ ὢν ἂν μαστροπεύῃ ἀρέσκοντα

τοῦτον ἀποδεικνύναι οἷς ἂν συνῇ; Πάνυ μὲν οὖν, ἔφασαν. Οὐκοῦν ἐν μὲν τί ἐστὶν εἰς τὸ ἀρέσκειν ἐκ τοῦ πρέπουσαν ἔχειν σχέσιν καὶ τριχῶν καὶ ἐσθῆτος; Πάνυ μὲν οὖν, ἔφασαν. [58] Οὐκοῦν καὶ τόδε ἐπιστάμεθα, ὅτι ἔστιν ἀνθρώπῳ τοῖς αὐτοῖς ὁμμασι καὶ φιλικῶς καὶ ἐχθρῶς πρὸς τινὰς βλέπειν; Πάνυ μὲν οὖν. Τί δέ, τῇ αὐτῇ φωνῇ ἔστι καὶ αἰδημόνως καὶ θρασέως φθέγγεσθαι; Πάνυ μὲν οὖν. Τί δέ, λόγοι οὐκ εἰσὶ μὲν τινες ἀπεχθανόμενοι, εἰσὶ δέ τινες οἱ πρὸς φιλίαν ἄγουσι; Πάνυ μὲν οὖν. [59] Οὐκοῦν τούτων ὁ ἀγαθὸς μαστροπὸς τὰ συμφέροντα εἰς τὸ ἀρέσκειν διδάσκει ἄν; Πάνυ μὲν οὖν. Ἀμείνων δ' ἂν εἴη, ἔφη, ὁ ἐνὶ δυνάμενος ἀρεστοὺς ποιεῖν ἢ ὅστις καὶ πολλοῖς; ἐνταῦθα μέντοι ἐσχίσθησαν, καὶ οἱ μὲν εἶπον Δῆλον ὅτι ὅστις πλείστοις, οἱ δὲ Πάνυ μὲν οὖν. [60] ὁ δ' εἰπὼν ὅτι καὶ τοῦτο ὁμολογεῖται ἔφη· Εἰ δέ τις καὶ ὅλην τῇ πόλει ἀρέσκοντας δύναται ἀποδεικνύναι, οὐχ οὗτος παντελῶς ἂν ἤδη ἀγαθὸς μαστροπὸς εἴη; Σαφῶς γε νῆ Δία, πάντες εἶπον. Οὐκοῦν εἴ τις τοιούτους δύναται ἐξεργάζεσθαι ὧν προστατοίη, δικαίως ἂν μέγα φρονοίη ἐπὶ τῇ τέχνῃ καὶ δικαίως ἂν πολλὸν μισθὸν λαμβάνοι; [61] ἐπεὶ δὲ καὶ ταῦτα πάντες συνωμολόγουν, Τοιούτος μέντοι, ἔφη, μοι δοκεῖ Ἀντισθένης εἶναι οὗτος. καὶ ὁ Ἀντισθένης, Ἐμοί, ἔφη, παραδίδως, ὦ Σώκρατες, τὴν τέχνην; Ναὶ μὰ Δί', ἔφη. ὁρῶ γάρ σε καὶ τὴν ἀκόλουθον ταύτης πάνυ ἐξεργασμένον. Τίνα ταύτην; Τὴν προαγωγείαν, ἔφη. [62] καὶ ὃς μάλα ἀχθεσθεὶς ἐπήρετο· Καὶ τί μοι σύνοισθα, ὦ Σώκρατες, τοιούτον εἰργασμένω; Οἶδα μὲν, ἔφη, σε Καλλιᾶν τουτονὶ προαγωγεύσαντα τῷ σοφῷ Προδίκῳ, ὅτε ἑώρας τοῦτον μὲν φιλοσοφίας ἐρῶτα, ἐκείνον δὲ χρημάτων δεόμενον· οἶδα δὲ σε Ἰππία τῷ Ἥλείῳ, παρ' οὗ οὗτος καὶ τὸ μνημονικὸν ἔμαθεν· ἀφ' οὗ δὴ καὶ ἐρωτικώτερος γεγένηται διὰ τὸ ὅ τι ἂν καλὸν ἴδῃ μηδέποτε ἐπιλανθάνεσθαι. [63] ἔναγχος δὲ δήπου καὶ πρὸς ἐμὲ ἐπαινῶν τὸν Ἡρακλεώτην ξένον ἐπεὶ με ἐποίησας ἐπιθυμεῖν αὐτοῦ, συνέστησάς μοι αὐτόν. καὶ χάριν μέντοι σοι ἔχω· πάνυ γὰρ καλὸς κἀγαθὸς δοκεῖ μοι εἶναι. Αἰσχύλον δὲ τὸν Φλειάσιον πρὸς ἐμὲ ἐπαινῶν καὶ ἐμὲ πρὸς ἐκείνον οὐχ οὕτω διέθηκας ὥστε διὰ τοὺς σοὺς λόγους ἐρῶντες ἐκυνοδρομοῦμεν ἀλλήλους ζητοῦντες; [64] ταῦτα οὖν ὁρῶν δυνάμενόν σε ποιεῖν ἀγαθὸν νομίζω προαγωγὸν εἶναι. ὁ γὰρ οἷός τε ὧν γινώσκειν τε τοὺς ὠφελίμους αὐτοῖς καὶ τούτους δυνάμενος ποιεῖν ἐπιθυμεῖν ἀλλήλων, οὗτος ἂν μοι δοκεῖ καὶ πόλεις δύνασθαι φίλας ποιεῖν καὶ γάμους ἐπιτηδείους συνάγειν, καὶ πολλοῦ ἂν ἄξιός εἶναι καὶ πόλεσι καὶ

φίλοις καὶ συμμάχοις κεκτηῖσθαι. σὺ δὲ ὡς κακῶς ἀκούσας ὅτι ἀγαθὸν σε ἔφην προαγωγὸν εἶναι, ὠργίσθης. Ἀλλὰ μὰ Δί', ἔφη, οὐ νῦν. ἐὰν γὰρ ταῦτα δύνωμαι, σεσαγμένος δὴ παντάπασι πλούτου τὴν ψυχὴν ἔσομαι. καὶ αὕτη μὲν δὴ ἡ περίοδος τῶν λόγων ἀπετελέσθη.

Κεφάλαιον ε'

[1] Ὁ δὲ Καλλίας ἔφη· Σὺ δὲ δὴ, ὦ Κριτόβουλε, εἰς τὸν περὶ τοῦ κάλλους ἀγῶνα πρὸς Σωκράτην οὐκ ἀνθίστασαι; Νῆ Δί', ἔφη ὁ Σωκράτης, ἴσως γὰρ εὐδοκιμοῦντα τὸν μαστροπὸν παρὰ τοῖς κριταῖς ὁρᾷ. [2] Ἀλλ' ὅμως, ἔφη ὁ Κριτόβουλος, οὐκ ἀναδύομαι· ἀλλὰ δίδασκε, εἴ τι ἔχεις σοφόν, ὡς καλλίων εἶ ἐμοῦ. μόνον, ἔφη, τὸν λαμπτήρα ἐγγὺς προσενεγκάτω. Εἰς ἀνάκρισιν τοίνυν σε, ἔφη, πρῶτον τῆς δίκης καλοῦμαι· ἀλλ' ἀποκρίνου. [3] Σὺ δέ γε ἐρώτα. Πότερον οὖν ἐν ἀνθρώπῳ μόνον νομίζεις τὸ καλὸν εἶναι ἢ καὶ ἐν ἄλλῳ τινί; Ἐγὼ μὲν ναὶ μὰ Δί', ἔφη, καὶ ἐν ἵππῳ καὶ βοῖ καὶ ἐν ἀνύχοις πολλοῖς. οἶδα γοῦν οὐσαν καὶ ἀσπίδα καλὴν καὶ ξίφος καὶ δόρυ. [4] Καὶ πῶς, ἔφη, οἷόν τε ταῦτα μηδὲν ὅμοια ὄντα ἀλλήλοις πάντα καλὰ εἶναι; Ἄν νῆ Δί', ἔφη, πρὸς τὰ ἔργα ὧν ἕνεκα ἕκαστα κτώμεθα εὖ εἰργασμένα ἢ ἢ εὖ πεφυκότα πρὸς ἃ ἂν δεώμεθα, καὶ ταῦτ', ἔφη ὁ Κριτόβουλος, καλὰ. [5] Οἶσθα οὖν, ἔφη, ὀφθαλμῶν τίνας ἕνεκα δεόμεθα; Δῆλον, ἔφη, ὅτι τοῦ ὁρᾶν. Οὕτω μὲν τοίνυν ἤδη οἱ ἐμοὶ ὀφθαλμοὶ καλλίονες ἂν τῶν σῶν εἴησαν. Πῶς δὴ; Ὅτι οἱ μὲν σοὶ τὸ κατ' εὐθὺ μόνον ὁρῶσιν, οἱ δὲ ἐμοὶ καὶ τὸ ἐκ πλαγίου διὰ τὸ ἐπιπόλαιοι εἶναι. Λέγεις σύ, ἔφη, καρκίνον εὐοφθαλμότατον εἶναι τῶν ζώων; Πάντως δήπου, ἔφη· ἐπεὶ καὶ πρὸς ἰσχὺν τοὺς ὀφθαλμοὺς ἄριστα πεφυκότας ἔχει. [6] Εἶεν, ἔφη, τῶν δὲ ῥίνων ποτέρα καλλίων, ἡ σὴ ἢ ἡ ἐμή; Ἐγὼ μὲν, ἔφη, οἶμαι τὴν ἐμήν, εἵπερ γε τοῦ ὀσφραίνεσθαι ἕνεκεν ἐποίησαν ἡμῖν ῥίνας οἱ θεοί. οἱ μὲν γὰρ σοὶ μυκτῆρες εἰς γῆν ὁρῶσιν, οἱ δὲ ἐμοὶ ἀναπέπτανται, ὥστε τὰς πάντοθεν ὀσμάς προσδέχεσθαι. Τὸ δὲ δὴ σιμὸν τῆς ῥινὸς πῶς τοῦ ὀρθοῦ κάλλιον; Ὅτι, ἔφη, οὐκ ἀντιφράττει, ἀλλ' ἐὰν εὐθὺς τὰς ὀψεις ὁρᾶν ἃ ἂν βούλωνται· ἡ δὲ ὑψηλὴ ῥίς ὥσπερ ἐπηρεάζουσα διατετείχικε τὰ ὅμματα. [7] Τοῦ γε μὴν στόματος, ἔφη ὁ Κριτόβουλος, ὑφίεμαι. εἰ γὰρ τοῦ ἀποδάκνειν ἕνεκα πεποιῆται, πολλὸν ἂν σὺ μεῖζον ἢ ἐγὼ ἀποδάκοις. διὰ δὲ τὸ παχέα ἔχειν τὰ χεῖλη οὐκ οἶει καὶ μαλακώτερόν σου ἔχειν τὸ φίλημα; Ἔοικα, ἔφη, ἐγὼ κατὰ τὸν σὸν λόγον καὶ τῶν ὄνων αἵσχιον τὸ στόμα ἔχειν. ἐκεῖνο δὲ οὐδὲν

τεκμήριον λογίζηι, ὡς ἐγὼ σοῦ καλλίων εἰμί, ὅτι καὶ Νααΐδες θεοὶ οὔσαι τοὺς Σειληνοὺς ἐμοὶ ὁμοιοτέρους τίκτουσιν ἢ σοί; [8] καὶ ὁ Κριτόβουλος, Οὐκέτι, ἔφη ἔχω πρὸς σὲ ἀντιλέγειν, ἀλλὰ διαφερόντων, ἔφη, τὰς ψήφους, ἵνα ὡς τάχιστα εἰδῶ ὃ τι με χρή παθεῖν ἢ ἀποτεῖσαι. μόνον, ἔφη, κρυφῇ φερόντων· δέδοικα γὰρ τὸν σὸν καὶ Ἀντισθένης πλοῦτον μὴ με καταδυναστεύσῃ. [9] ἡ μὲν δὴ παῖς καὶ ὁ παῖς κρύφα ἀνέφερον. ὁ δὲ Σωκράτης ἐν τούτῳ διέπραττε τὸν τε λύχνον ἀντιπροσενεγκεῖν τῷ Κριτοβούλῳ, ὡς μὴ ἐξαπατηθεῖσαν οἱ κριταί, καὶ τῷ νικήσαντι μὴ ταινίας ἀλλὰ φιλήματα ἀναδήματα παρὰ τῶν κριτῶν γενέσθαι. [10] ἐπεὶ δὲ ἐξέπεσον αἱ ψῆφοι καὶ ἐγένοντο πᾶσαι σὺν Κριτοβούλῳ, Παπαῖ, ἔφη ὁ Σωκράτης, οὐχ ὅμοιον ἔοικε τὸ σὸν ἀργύριον, ὃ Κριτόβουλε, τῷ Καλλίου εἶναι. τὸ μὲν γὰρ τούτου δικαιοτέρους ποιεῖ, τὸ δὲ σὸν ὥσπερ τὸ πλεῖστον διαφθεῖρειν ἱκανόν ἐστι καὶ δικαστὰς καὶ κριτὰς.

Κεφάλαιον ς'

[1] Ἐκ δὲ τούτου οἱ μὲν τὰ νικητήρια φιλήματα ἀπολαμβάνειν τὸν Κριτόβουλον ἐκέλευον, οἱ δὲ τὸν κύριον πείθειν, οἱ δὲ καὶ ἄλλα ἔσκωπον. ὁ δὲ Ἑρμογένης κἀνταῦθα ἐσιώπα. καὶ ὁ Σωκράτης ὀνομάσας αὐτόν, Ἐχοις ἄν, ἔφη, ὃ Ἑρμόγενης, εἰπεῖν ἡμῖν τί ἐστὶ παροινία; καὶ ὃς ἀπεκρίνατο· Εἰ μὲν ὃ τι ἐστὶν ἐρωτᾷς, οὐκ οἶδα· τὸ μέντοι μοι δοκοῦν εἶποιμ' ἄν. Ἀλλ', ὃ δοκεῖ, τοῦτ', ἔφη. [2] Τὸ τοίνυν παρ' οἷνον λυπεῖν τοὺς συνόντας, τοῦτ' ἐγὼ κρίνω παροινίαν. Οἷσθ' οὖν, ἔφη, ὅτι καὶ σὺ νῦν ἡμᾶς λυπεῖς σιωπῶν; Ἡ καὶ ὅταν λέγητ'; ἔφη. Οὐκ ἄλλ' ὅταν διαλίπωμεν. Ἡ οὖν λέληθέ σε ὅτι μεταξὺ τοῦ ὑμᾶς λέγειν οὐδ' ἂν τρίχα, μὴ ὅτι λόγον ἂν τις παρείρει; [3] καὶ ὁ Σωκράτης, ὦ Καλλία, ἔχοις ἄν τι, ἔφη, ἀνδρὶ ἐλεγχομένῳ βοηθῆσαι; Ἐγὼ γάρ, ἔφη. ὅταν γὰρ ὁ αὐλὸς φθέγγηται, παντάπασι σιωπῶμεν. καὶ ὁ Ἑρμογένης, Ἡ οὖν βούλεσθε, ἔφη, ὥσπερ Νικόστρατος ὁ ὑποκριτὴς τετράμετρα πρὸς τὸν αὐλὸν κατέλεγεν, οὕτω καὶ ὑπὸ τοῦ αὐλοῦ ὑμῖν διαλέγωμαι; [4] καὶ ὁ Σωκράτης, Πρὸς τῶν θεῶν, ἔφη, Ἑρμόγενης, οὕτω ποίει. οἶμαι γάρ, ὥσπερ ἡ ὠιδὴ ἡδίων πρὸς τὸν αὐλόν, οὕτω καὶ τοὺς σοὺς λόγους ἡδύνεσθαι ἂν τι ὑπὸ τῶν φθόγγων, ἄλλως τε καὶ εἰ μορφάζοις, ὥσπερ ἡ αὐλητρίς, καὶ σὺ πρὸς τὰ λεγόμενα. [5] καὶ ὁ Καλλίας ἔφη· Ὅταν οὖν ὁ Ἀντισθένης ὁδ' ἐλέγχῃ τινὰ ἐν τῷ συμποσίῳ, τί ἔσται τὸ αὐλημα; καὶ ὁ Ἀντισθένης εἶπε· Τῷ μὲν ἐλεγχομένῳ οἶμαι ἄν, ἔφη, πρέπειν συριγμόν.

[6] Τοιούτων δὲ λόγων ὄντων ὥς ἑώρα ὁ Συρακόσιος τῶν μὲν αὐτοῦ ἐπιδειγμάτων ἀμελοῦντας, ἀλλήλοις δὲ ἡδομένους, φθονῶν τῷ Σωκράτει εἶπεν· Ἄρα σύ, ὦ Σώκρατες, ὁ φροντιστὴς ἐπικαλούμενος; Οὐκοῦν κάλλιον, ἔφη, ἢ εἰ ἀφρόντιστος ἐκαλούμην. Εἰ μὴ γε ἐδόκεις τῶν μερεῶρων φροντιστὴς εἶναι. [7] Οἷσθα οὖν, ἔφη ὁ Σωκράτης, μετεωρότερόν τι τῶν θεῶν; Ἄλλ' οὐ μὰ Δί', ἔφη, οὐ τούτων σε λέγουσιν ἐπιμελεῖσθαι, ἀλλὰ τῶν ἀνωφελεστάτων. Οὐκοῦν καὶ οὕτως ἄν, ἔφη, θεῶν ἐπιμελοίμην· ἄνωθεν μὲν γε ὕοντες ὠφελοῦσιν, ἄνωθεν δὲ φῶς παρέχουσιν. εἰ δὲ ψυχρὰ λέγω, σὺ αἴτιος, ἔφη, πράγματά μοι παρέχων. [8] Ταῦτα μὲν, ἔφη, ἔα· ἀλλ' εἰπέ μοι πόσους ψύλλα πόδας ἐμοῦ ἀπέχει. ταῦτα γάρ σε φασὶ γεωμετερεῖν. καὶ ὁ Ἀντισθένης εἶπε· Σὺ μέντοι δεινὸς εἶ, ὦ Πίλιππε, εἰκάζειν· οὐ δοκεῖ σοι ὁ ἀνὴρ οὗτος λαιδορεῖσθαι βουλομένῳ ἑοικέναι; γναὶ μὰ τὸν Δί', ἔφη, καὶ ἄλλοις γε πολλοῖς. [9] Ἄλλ' ὅμως, ἔφη ὁ Σωκράτης, σὺ αὐτὸν μὴ εἵκαζε, ἵνα μὴ καὶ σὺ λαιδορουμένῳ ἐοίκησις. Ἄλλ' εἴπερ γε τοῖς πᾶσι καλοῖς καὶ τοῖς βελτίστοις εἰκάζω αὐτόν, ἐπαινοῦντι μᾶλλον ἢ λαιδορουμένῳ δικαίως ἂν εἰκάζοι μέ τις. Καὶ νῦν σύ γε λαιδορουμένῳ ἑοικας, εἰ πάντ' αὐτοῦ βελτίῳ φῆις εἶναι. [10] Ἀλλὰ βούλει πονηροτέροις εἰκάζω αὐτόν; Μηδὲ πονηροτέροις. Ἀλλὰ μηδενί; Μηδενὶ μηδὲ<ν> το<ῦτο>ν εἵκαζε. Ἄλλ' οὐ μέντοι γε σιωπῶν οἶδα ὅπως ἄξια τοῦ δεῖπνου ἐργάσομαι. Καὶ ραδίως γ', ἂν ἂ μὴ δεῖ λέγειν, ἔφη, σιωπᾶις. αὕτη μὲν δὴ ἡ παροιμία οὕτω κατεσβέσθη.

Κεφάλαιον ζ'

[1] Ἐκ τούτου δὲ τῶν ἄλλων οἱ μὲν ἐκέλευον εἰκάζειν, οἱ δὲ ἐκώλουν. Θορύβου δὲ ὄντος ὁ Σωκράτης αὖ πάλιν εἶπεν· Ἄρα ἐπειδὴ πάντες ἐπιθυμοῦμεν λέγειν, νῦν ἂν μάλιστα καὶ ἅμα ἄισαιμεν; καὶ εὐθὺς τοῦτ' εἰπὼν ἤρχεν ὠιδῆς. [2] ἐπεὶ δ' ἦισεν, εἰσεφέρετο τῇ ὀρχηστρίδι τροχὸς τῶν κεραμικῶν, ἐφ' οὗ ἔμελλε θαυματουργήσκειν. ἔνθα δὴ εἶπεν ὁ Σωκράτης· ὦ Συρακόσιε, κινδυνεύω ἐγώ, ὥσπερ σὺ λέγεις, τῷ ὄντι φροντιστὴς εἶναι· νῦν γοῦν σκοπῶ ὅπως ἂν ὁ μὲν παῖς ὅδε ὁ σὸς καὶ ἡ παῖς ἥδε ὥς ῥαῖστα διάγοιεν, ἡμεῖς δ' ἂν μάλιστα εὐφραϊνοίμεθα θεώμενοι αὐτούς· ὅπερ εὔ οἶδα ὅτι καὶ σὺ βούλει. [3] δοκεῖ οὖν μοι τὸ μὲν εἰς μαχαίρας κυβιστᾶν κινδύνου ἐπιδείγμα εἶναι, ὃ συμποσίῳ οὐδὲν προσήκει. καὶ μὴν τό γε ἐπὶ τοῦ τροχοῦ ἅμα περιδινουμένου γράφειν τε καὶ

ἀναγιγνώσκειν θαῦμα μὲν ἴσως τί ἐστίν, ἡδονὴν δὲ οὐδὲ ταῦτα δύναμαι γνῶναι τίν' ἂν παράσχοι. οὐδὲ μὴν τό γε διαστρέφοντας τὰ σώματα καὶ τροχοὺς μιμουμένους ἥδιον ἢ ἡσυχίαν ἔχοντας τοὺς καλοὺς καὶ ὠραίους θεωρεῖν. [4] καὶ γὰρ δὴ οὐδὲ πάνυ τι σπάνιον τό γε θαυμασίοις ἐντυχεῖν, εἴ τις τούτου δεῖται, ἀλλ' ἔξεστιν αὐτίκα μάλα τὰ παρόντα θαυμάζειν, τί ποτε ὁ μὲν λύχνος διὰ τὸ λαμπρὰν φλόγα ἔχειν φῶς παρέχει, τὸ δὲ χαλκεῖον λαμπρὸν ὄν φῶς μὲν οὐ ποιεῖ, ἐν αὐτῷ δὲ ἄλλα ἐμφαινόμενα παρέχεται· καὶ πῶς τὸ μὲν ἔλαιον ὑγρὸν ὄν αὖξει τὴν φλόγα, τὸ δὲ ὕδωρ, ὅτι ὑγρὸν ἐστι, κατασβέννυσσι τὸ πῦρ. ἀλλὰ γὰρ καὶ ταῦτα μὲν οὐκ εἰς ταῦτόν τῳ οἴνῳ ἐπισπεύδει· [5] εἰ δὲ ὀρχοῖντο πρὸς τὸν αὐλὸν σχήματα ἐν οἷς Χάριτες τε καὶ Ὡραι καὶ Νύμφαι γράφονται, πολὺ ἂν οἶμαι αὐτοὺς γε ῥᾶιον διάγειν καὶ τὸ συμπόσιον πολὺ ἐπιχαριώτερον εἶναι. ὁ οὖν Συρακόσιος, Ἀλλὰ ναὶ μὰ τὸν Δί', ἔφη, ὦ Σώκρατες, καλῶς τε λέγεις καὶ ἐγὼ εἰσάξω θεάματα ἐφ' οἷς ὑμεῖς εὐφρανεῖσθε.

Κεφάλαιον η'

[1] Ὁ μὲν δὴ Συρακόσιος ἐξελθὼν συνεκροτεῖτο· ὁ δὲ Σωκράτης πάλιν αὖ καινοῦ λόγου κατήρχεν. Ἄρ', ἔφη, ὦ ἄνδρες, εὐκὸς ἡμᾶς παρόντος δαίμονος μεγάλου καὶ τῳ μὲν χρόνῳ ἰσηλικὸς τοῖς ἀειγενέσι θεοῖς, τῇ δὲ μορφῇ νεωτάτου, καὶ μεγέθει πάντα ἐπέχοντος, ψυχῇ δὲ ἀνθρώπου ἰδρυμένου, Ἔρωτος, μὴ ἀμνημονῆσαι, ἄλλως τε καὶ ἐπειδὴ πάντες ἐσμὲν τοῦ θεοῦ τούτου θιασῶται; [2] ἐγὼ τε γὰρ οὐκ ἔχω χρόνον εἰπεῖν ἐν ᾧ οὐκ ἐρῶν τινος διατελῶ, Χαρμίδην δὲ τόνδε οἶδα πολλοὺς μὲν ἐραστὰς κτησάμενον, ἔστι δὲ ὧν καὶ αὐτὸν ἐπιθυμήσαντα· Κριτόβουλός γε μὴν ἔτι καὶ νῦν ἐρώμενος ὧν ἤδη ἄλλων ἐπιθυμεῖ. [3] ἀλλὰ μὴν καὶ ὁ Νικήρατος, ὡς ἐγὼ ἀκούω, ἐρῶν τῆς γυναικὸς ἀντερᾶται. Ερμογένη γε μὴν τίς ἡμῶν οὐκ οἶδεν ὡς, ὃ τι ποτ' ἐστίν ἢ καλοκάγαθία, τῳ ταύτης ἔρωτι κατατίθεται; οὐχ ὁρᾷτε ὡς σπουδαῖα μὲν αὐτοῦ αἱ ὀφρύες, ἀτρεμεῖς δὲ τὸ ὄμμα, μέτριοι δὲ οἱ λόγοι, πραεῖα δὲ ἡ φωνή, ἱλαρὸν δὲ τὸ ἦθος; τοῖς δὲ σεμνοτάτοις θεοῖς φίλοις χρώμενος οὐδὲν ἡμᾶς τοὺς ἀνθρώπους ὑπερορᾷ; σὺ δὲ μόνος, ὦ Ἀντίσθενης, οὐδενὸς ἐράῖς; [4] Ναὶ μὰ τοὺς θεοὺς, εἶπεν ἐκεῖνος, καὶ σφόδρα γε σοῦ. καὶ ὁ Σωκράτης ἐπισκώψας ὡς δὴ θρυπτόμενος εἶπε· Μὴ νῦν μοι ἐν τῳ παρόντι ὄχλον πάρεχε· ὡς γὰρ ὁρᾷς, ἄλλα πράττω. [5] καὶ ὁ Ἀντισθένης ἔλεξεν· Ὡς σαφῶς μέντοι σὺ μαστροπὲ σαυτοῦ ἀεὶ

τοιαῦτα ποιεῖς· τοτὲ μὲν τὸ δαιμόνιον προφασιζόμενος οὐ διαλέγῃ μοι, τοτὲ δ' ἄλλου του ἐφιέμενος. [6] καὶ ὁ Σωκράτης ἔφη· Πρὸς τῶν θεῶν, ὦ Ἀντίσθενες, μόνον μὴ συγκόψῃς με· τὴν δ' ἄλλην χαλεπότητα ἐγὼ σου καὶ φέρω καὶ οἶσω φιλικῶς. ἀλλὰ γάρ, ἔφη, τὸν μὲν σὸν ἔρωτα κρύπτωμεν, ἐπειδὴ καὶ ἔστιν οὐ ψυχῆς ἀλλ' εὐμορφίας τῆς ἐμῆς. [7] ὅτι γε μὴν σύ, ὦ Καλλία, ἐρᾷς Αὐτολύκου πᾶσα μὲν ἡ πόλις οἶδε, πολλοὺς δ' οἶμαι καὶ τῶν ξένων. τούτου δ' αἴτιον τὸ πατέρων τε ὀνομαστῶν ἀμφοτέρους ὑμᾶς εἶναι καὶ αὐτοὺς ἐπιφανεῖς. [8] ἀεὶ μὲν οὖν ἔγωγε ἡγάμην τὴν σὴν φύσιν, νῦν δὲ καὶ πολὺ μᾶλλον, ἐπεὶ ὁρῶ σε ἐρῶντα οὐχ ἀβρότῃτι χλιδαινομένου οὐδὲ μαλακίαι θρυπτομένου, ἀλλὰ πᾶσιν ἐπιδεικνυμένου ῥώμην τε καὶ καρτερίαν καὶ ἀνδρείαν καὶ σωφροσύνην. τὸ δὲ τοιούτων ἐπιθυμεῖν τεκμήριόν ἐστι <καὶ> τῆς τοῦ ἐραστοῦ φύσεως. [9] εἰ μὲν οὖν μία ἐστὶν Ἀφροδίτη ἢ διτταί, Οὐρανία τε καὶ Πάνδημος, οὐκ οἶδα· καὶ γὰρ Ζεὺς ὁ αὐτὸς δοκῶν εἶναι πολλὰς ἐπωνυμίας ἔχει· ὅτι γε μέντοι χωρὶς ἑκατέραι βωμοὶ τε καὶ ναοὶ εἰσι καὶ θυσίαι τῇ μὲν Πανδήμῳ ραιδιουργότεραι, τῇ δὲ Οὐρανίᾳ ἀγνότεραι, οἶδα. [10] εἰκάσαις δ' ἂν καὶ τοὺς ἔρωτας τὴν μὲν Πάνδημον τῶν σωμάτων ἐπιπέμπειν, τὴν δ' Οὐρανίαν τῆς ψυχῆς τε καὶ τῆς φιλίας καὶ τῶν καλῶν ἔργων. ὑφ' οὗ δὴ καὶ σύ, ὦ Καλλία, κατέχεσθαι μοι δοκεῖς ἔρωτος. [11] τεκμαίρομαι δὲ τῇ τοῦ ἐρωμένου καλοκάγαθιαι καὶ ὅτι σε ὁρῶ τὸν πατέρα αὐτοῦ παραλαμβάνοντα εἰς τὰς πρὸς τοῦτον συνουσίας. οὐδὲν γὰρ τούτων ἐστὶν ἀπόκρυφον πατρὸς τῷ καλῷ τε κάγαθῷ ἐραστῇ. [12] καὶ ὁ Ἑρμογένης εἶπε· Νῆ τὴν Ἥραν, ἔφη, ὦ Σώκρατες, ἄλλα τέ σου πολλὰ ἄγαμαι καὶ ὅτι νῦν ἅμα χαριζόμενος Καλλίαι καὶ παιδεύεις αὐτὸν οἷόν περ χρὴ εἶναι. Νῆ Δί', ἔφη, ὅπως δὲ καὶ ἔτι μᾶλλον εὐφραίνεται, βούλομαι αὐτῷ μαρτυρῆσαι ὥς καὶ πολὺ κρείττων ἐστὶν ὁ τῆς ψυχῆς ἢ ὁ τοῦ σώματος ἔρω. [13] ὅτι μὲν γὰρ δὴ ἄνευ φιλίας συνουσία οὐδεμία ἀξιόλογος πάντες ἐπιστάμεθα. φιλεῖν γε μὴν τῶν μὲν τὸ ἦθος ἀγαμένων ἀνάγκη ἡδεῖα καὶ ἐθελουσία καλεῖται· τῶν δὲ τοῦ σώματος ἐπιθυμούντων πολλοὶ μὲν τοὺς τρόπους μέμφονται καὶ μισοῦσι τῶν ἐρωμένων· [14] ἂν δὲ καὶ ἀμφοτέρα στέρξωσι, τὸ μὲν τῆς ὥρας ἄνθος ταχὺ δήπου παρακαμάζει, ἀπολείποντος δὲ τούτου ἀνάγκη καὶ τὴν φιλίαν συναπομαραίνεισθαι, ἡ δὲ ψυχὴ ὅσον περ ἂν χρόνον ἦι ἐπὶ τὸ φρονιμώτερον καὶ ἀξιεραστοτέρα γίγνεται. [15] καὶ μὴν ἐν μὲν τῇ τῆς μορφῆς χρήσει ἔνεστί τις καὶ κόρος, ὥστε ἅπερ καὶ πρὸς τὰ σιτία διὰ πλησμονήν,

ταῦτα ἀνάγκη καὶ πρὸς τὰ παιδικὰ πάσχειν· ἡ δὲ τῆς ψυχῆς φιλία διὰ τὸ ἀγνή εἶναι καὶ ἀκορεστοτέρα ἐστίν, οὐ μέντοι, ὥς γ' ἂν τις οἰηθείη, διὰ τοῦτο καὶ ἀνεπαφροδιτοτέρα, ἀλλὰ σαφῶς καὶ ἀποτελεῖται ἡ εὐχὴ ἐν ἣι αἰτούμεθα τὴν θεὸν ἐπαφρόδιτα καὶ ἔπη καὶ ἔργα διδόναι. [16] ὥς μὲν γὰρ ἄγαταί τε καὶ φιλεῖ τὸν ἐρώμενον θάλλουσα μορφῇ τε ἐλευθερίαι καὶ ἦθει αἰδήμονί τε καὶ γενναίῳ ψυχῇ εὐθὺς ἐν τοῖς ἥλιξιν ἡγεμονικὴ τε ἅμα καὶ φιλόφρων οὖσα οὐδὲν ἐπιδειτὰ λόγου· ὅτι δὲ εἰκὸς καὶ ὑπὸ τῶν παιδικῶν τὸν τοιοῦτον ἐραστὴν ἀντιφιλεῖσθαι, καὶ τοῦτο διδάξω. [17] πρῶτον μὲν γὰρ τίς μισεῖν δύναται ἂν ὑφ' οὗ εἰδείη καλὸς τε καὶ ἀγαθὸς νομιζόμενος; ἔπειτα δὲ ὁρώη αὐτὸν τὰ τοῦ παιδὸς καλὰ μᾶλλον ἢ τὰ ἑαυτοῦ ἡδέα σπουδάζοντα; πρὸς δὲ τούτοις πιστεύει μὴτ' ἂν <παρανθήσῃ> μὴτ' ἂν καμὼν ἀμορφότερος γένηται, μειωθῆναι ἂν τὴν φιλίαν; [18] οἷς γε μὴν κοινὸν τὸ φιλεῖσθαι, πῶς οὐκ ἀνάγκη τούτους ἡδέως μὲν προσορᾶν ἀλλήλους, εὖνοικῶς δὲ διαλέγεσθαι, πιστεύειν δὲ καὶ πιστεύεσθαι, καὶ προνοεῖν μὲν ἀλλήλων, συνήδεσθαι δ' ἐπὶ ταῖς καλαῖς πράξεσι, συνάχεσθαι δὲ ἂν τι σφάλμα προσπίπτῃ, τότε δ' εὐφραينوμένους διατελεῖν, ὅταν ὑγιαίνοντες συνῶσιν, ἂν δὲ κάμηι ὁπότερος οὖν, πολὺ συνεχεστέραν τὴν συνουσίαν ἔχειν, καὶ ἀπόντων ἔτι μᾶλλον ἢ παρόντων ἐπιμελεῖσθαι; οὐ ταῦτα πάντα ἐπαφρόδιτα; διὰ γέ τοι τὰ τοιαῦτα ἔργα ἅμα ἐρῶντες τῆς φιλίας καὶ χρώμενοι αὐτῇ εἰς γῆρας διατελοῦσι. [19] τὸν δὲ ἐκ τοῦ σώματος κρεμύμενον διὰ τί ἀντιφιλήσειεν ἂν ὁ παῖς; πότερον ὅτι ἑαυτῷ μὲν νέμει ὧν ἐπιθυμεῖ, τῷ δὲ παιδὶ τὰ ἐπονειδιστότατα; ἢ διότι ἃ σπεύδει πράττειν παρὰ τῶν παιδικῶν, εἵργει μάλιστα τοὺς οἰκείους ἀπὸ τούτων; [20] καὶ μὴν ὅτι γε οὐ βιάζεται, ἀλλὰ πείθει, διὰ τοῦτο μᾶλλον μισητέος. ὁ μὲν γὰρ βιαζόμενος ἑαυτὸν πονηρὸν ἀποδεικνύει, ὁ δὲ πείθων τὴν τοῦ ἀναπειθομένου ψυχὴν διαφθείρει. [21] ἀλλὰ μὴν καὶ ὁ χρημάτων γε ἀπεμπολῶν τὴν ὥραν τί μᾶλλον στέρξει τὸν πριάμενον ἢ ὁ ἐν ἀγορᾷ πωλῶν καὶ ἀποδιδόμενος; οὐ μὴν ὅτι γε ὥραῖος ἄρῳι, οὐδὲ ὅτι γε καλὸς οὐκέτι καλῶι καὶ ἐρῶντι οὐκ ἐρῶν ὁμιλεῖ, φιλήσει αὐτόν. οὐδὲ γὰρ ὁ παῖς τῷ ἀνδρὶ ὥσπερ γυνὴ κοινωνεῖ τῶν ἐν τοῖς ἀφροδισίοις εὐφροσυνῶν, ἀλλὰ νήφων μεθύοντα ὑπὸ τῆς ἀφροδίτης θεᾶται. [22] ἐξ ὧν οὐδὲν θαυμαστὸν εἰ καὶ τὸ ὑπερορᾶν ἐγγίγνεται αὐτῷ τοῦ ἐραστοῦ. καὶ σκοπῶν δ' ἂν τις εὖροι ἐκ μὲν τῶν διὰ τοὺς τρόπους φιλουμένων οὐδὲν χαλεπὸν γεγεννημένον, ἐκ δὲ τῆς ἀναιδοῦς ὁμιλίας πολλὰ ἤδη καὶ ἀνόσια

πεπραγμένα. [23] ὥς δὲ καὶ ἀνελεύθερος ἢ συνουσία τῷ τὸ σῶμα μᾶλλον ἢ τῷ τὴν ψυχὴν ἀγαπῶντι, νῦν τοῦτο δηλώσω. ὁ μὲν γὰρ παιδεύων λέγειν τε ἂν δεῖ καὶ πράττειν δικαίως ἂν ὥσπερ Χείρων καὶ Φοῖνιξ ὑπ' Ἀχιλλέως τιμῶντο, ὁ δὲ τοῦ σώματος ὀρεγόμενος εἰκότως ἂν ὥσπερ πτωχὸς περιέποιτο. αἰεὶ γάρ τοι προσαιτῶν καὶ προσδεόμενος ἢ φιλήματος ἢ ἄλλου τινὸς ψηλαφήματος παρακολουθεῖ. [24] εἰ δὲ λαμυρώτερον λέγω, μὴ θαυμάζετε· ὃ τε γὰρ οἶνος συνεπαίρει καὶ ὁ αἰεὶ σύνοικος ἐμοὶ ἔρωσ κεντρίζει εἰς τὸν ἀντίπαλον ἔρωτα αὐτῷ παρρησιάζεσθαι. [25] καὶ γὰρ δὴ δοκεῖ μοι ὁ μὲν τῷ εἶδει τὸν νοῦν προσέχων μεμισθωμένῳ χῶρον εἰσφέρειν. οὐ γὰρ ὅπως πλείονος ἄξιος γένηται ἐπιμελεῖται, ἀλλ' ὅπως αὐτὸς ὅτι πλεῖστα ὥραϊα καρπώσεται. ὁ δὲ τῆς φιλίας ἐφιέμενος μᾶλλον εἰσφέρει τῷ τὸν οἰκεῖον ἀγρὸν κεκτημένῳ· πάντοθεν γοῦν φέρων ὃ τι ἂν δύνηται πλείονος ἄξιον ποιεῖ τὸν ἐρώμενον. [26] καὶ μὴν καὶ τῶν παιδικῶν ὅς μὲν ἂν εἰδῇ ὅτι ὁ τοῦ εἰδούς ἐπαρκῶν ἄρξει τοῦ ἐραστοῦ, εἰκὸς αὐτὸν τᾶλλα ραιδιουργεῖν· ὅς δ' ἂν γινώσκῃ ὅτι ἂν μὴ καλὸς κάγαθος ᾖ, οὐ κατέξει τὴν φιλίαν, τοῦτον προσήκει μᾶλλον ἀρετῆς ἐπιμελεῖσθαι. [27] μέγιστον δ' ἀγαθὸν τῷ ὀρεγομένῳ ἐκ παιδικῶν φίλον ἀγαθὸν ποιήσασθαι ὅτι ἀνάγκη καὶ αὐτὸν ἀσκεῖν ἀρετὴν. οὐ γὰρ οἷόν τε πονηρὰ αὐτὸν ποιοῦντα ἀγαθὸν τὸν συνόντα ἀποδειξαι, οὐδὲ γε ἀναισχυντίαν καὶ ἀκρασίαν παρεχόμενον ἐγκρατῆ καὶ αἰδούμενον τὸν ἐρώμενον ποιῆσαι. [28] ἐπιθυμῶ δέ σοι, ἔφη, ὦ Καλλία, καὶ μυθολογῆσαι ὥς οὐ μόνον ἄνθρωποι ἀλλὰ καὶ θεοὶ καὶ ἥρωες τὴν τῆς ψυχῆς φιλίαν περὶ πλείονος ἢ τὴν τοῦ σώματος χρῆσιν ποιοῦνται. [29] Ζεὺς τε γὰρ ὅσων μὲν θνητῶν οὐσῶν μορφῆς ἡράσθη, συγγενόμενος εἶα αὐτὰς θνητὰς εἶναι· ὅσων δὲ ψυχαῖς ἀγαθαῖς ἀγασθείη, ἀθανάτους τούτους ἐποίει· ὧν Ἡρακλῆς μὲν καὶ Διόσκουροί εἰσι, λέγονται δὲ καὶ ἄλλοι· [30] καὶ ἐγὼ δέ φημι καὶ Γανυμήδην οὐ σώματος ἀλλὰ ψυχῆς ἕνεκα ὑπὸ Διὸς εἰς Ὀλυμπον ἀνενεχθῆναι. μαρτυρεῖ δὲ καὶ τοῦνομα αὐτοῦ· ἔστι μὲν γὰρ δήπου καὶ Ὀμήρῳ

γάνυται δέ τ' ἀκούων.

τοῦτο δὲ φράζει ὅτι ἡδεται δέ τ' ἀκούων. ἔστι δὲ καὶ ἄλλοθι που πυκινὰ φρεσὶ μῆδεα εἰδώς.

τοῦτο δ' αὖ λέγει σοφὰ φρεσὶ βουλευμάτων εἰδώς. ἐξ οὖν συναμφοτέρων τούτων οὐχ ἡδυσώματος ὀνομασθεὶς ὁ Γανυμήδης ἀλλ' ἡδυγνώμων ἐν θεοῖς τετίμηται. [31] ἀλλὰ μὴν, ὦ Νικήρατε, καὶ

ἡμῖν δ' ἐπονείδιστα. δοκοῦσι δ' ἔμοιγε οἱ μὲν παραταττόμενοι
ἀπιστοῦσιν εἰκέναι μὴ χωρὶς γενόμενοι οἱ ἐρώμενοι οὐκ ἀποτελῶσι
τὰ τῶν ἀγαθῶν ἀνδρῶν ἔργα. [35] Λακεδαιμόνιοι δὲ οἱ νομίζοντες, ἐὰν
καὶ ὀρεχθῇ τις σώματος, μηδενὸς ἂν ἔτι καλοῦ κάγαθοῦ τοῦτον
τυχεῖν, οὕτω τελέως τοὺς ἐρωμένους ἀγαθοὺς ἀπεργάζονται ὥς καὶ
μετὰ ξένων κἂν μὴ ἐν τῇ αὐτῇ ταχθῶσι τῷ ἐραστῇ, ὁμοίως
αἰδοῦνται τοὺς παρόντας ἀπολείπειν. θεὰν γὰρ οὐ τὴν Ἀναΐδειαν
ἀλλὰ τὴν Αἰδῶ νομίζουσι. [36] δοκοῦμεν δ' ἂν μοι πάντες ὁμόλογοι
γενέσθαι περὶ ὧν λέγω, εἰ ὧδε ἐπισκοποῖμεν, τῷ ποτέρως παιδὶ
φιληθέντι μᾶλλον ἂν τις πιστεύσειεν ἢ χρήματα ἢ τέκνα ἢ χάριτας
παρακατατίθεσθαι. ἐγὼ μὲν γὰρ οἶμαι καὶ αὐτὸν τὸν τῷ εἶδει τοῦ
ἐρωμένου χρώμενον μᾶλλον ἂν ταῦτα πάντα τῷ τὴν ψυχὴν
ἐρασμῷ πιστεῦσαι. [37] σοί γε μὴν, ὦ Καλλία, δοκεῖ μοι ἄξιον εἶναι
καὶ θεοῖς χάριν εἰδέναι ὅτι σοι Αὐτολύκου ἔρωτα ἐνέβαλον. ὥς μὲν
γὰρ φιλότιμός ἐστιν εὐδηλον, ὅς τοῦ κηρυχθῆναι ἔνεκα νικῶν
παγκράτιον πολλοὺς μὲν πόνους, πολλὰ δ' ἄλγη ἀνέχεται. [38] εἰ δὲ
οἶοιτο μὴ μόνον ἑαυτὸν καὶ τὸν πατέρα κοσμήσειν, ἀλλ' ἱκανὸς
γενήσεσθαι δι' ἀνδραγαθίαν καὶ φίλους εὖ ποιεῖν καὶ τὴν πατρίδα
αὔξειν τροπαῖα τῶν πολεμίων ιστάμενος, καὶ διὰ ταῦτα περίβλεπτός
τε καὶ ὀνομαστός ἔσεσθαι καὶ ἐν Ἑλλήσι καὶ ἐν βαρβάροις, πῶς οὐκ

οἶε αὐτόν, ὄντιν' ἡγοῖτο εἰς ταῦτα συνεργὸν εἶναι κράτιστον, τοῦτον ταῖς μεγίσταις ἂν τιμαῖς περιέπειν; [39] εἰ οὖν βούλει τούτῳ ἀρέσκειν, σκεπτέον μὲν σοι ποῖα ἐπιστάμενος Θεμιστοκλῆς ἱκανὸς ἐγένετο τὴν Ἑλλάδα ἐλευθεροῦν, σκεπτέον δὲ ποῖα ποτε εἰδὼς Περικλῆς κράτιστος ἐδόκει τῇ πατρίδι σύμβουλος εἶναι, ἀθρητέον δὲ καὶ πῶς ποτε Σόλων φιλοσοφῆσας νόμους κρατίστους τῇ πόλει κατέθηκεν, ἐρευνητέον δὲ καὶ ποῖα Λακεδαιμόνιοι ἀσκοῦντες κράτιστοι δοκοῦσιν ἡγεμόνες εἶναι· προξενεῖς δὲ καὶ κατάγονται ἀεὶ παρὰ σοὶ οἱ κράτιστοι αὐτῶν. [40] ὥς μὲν οὖν σοι ἡ πόλις ταχὺ ἂν ἐπιτρέψειεν αὐτήν, εἰ βούλει, εὖ ἴσθι. τὰ μέγιστα γάρ σοι ὑπάρχει· εὐπατρίδης εἶ, ἱερεὺς θεῶν τῶν ἀπ' Ἑρεχθέως, οἱ καὶ ἐπὶ τὸν βάρβαρον σὺν Ἰάκχῳ ἐστράτευσαν, καὶ νῦν ἐν τῇ ἐορτῇ ἱεροπρεπέστατος δοκεῖς εἶναι τῶν προγεγενημένων, καὶ σῶμα ἀξιοπρεπέστατον μὲν ἰδεῖν τῆς πόλεως ἔχεις, ἱκανὸν δὲ μόχθους ὑποφέρειν. [41] εἰ δ' ὑμῖν δοκῶ σπουδαιολογῆσαι μᾶλλον ἢ παρὰ πότον πρέπει, μηδὲ τοῦτο θαυμάζετε. ἀγαθὸν γὰρ φύσει καὶ τῆς ἀρετῆς φιλοτίμως ἐφιεμένων ἀεὶ ποτε τῇ πόλει συναρσστής ἂν διατελῶ. [42] οἱ μὲν δὴ ἄλλοι περὶ τῶν ῥηθέντων διελέγοντο, ὁ δ' Αὐτόλυκος κατεθεᾶτο τὸν Καλλίαν. καὶ ὁ Καλλίας δὲ παρορῶν εἰς ἐκεῖνον εἶπεν· Οὐκοῦν σύ με, ὦ Σώκρατες, μαστροπεύσεις πρὸς τὴν πόλιν, ὅπως πράττω τὰ πολιτικά καὶ ἀεὶ ἀρεστὸς ὦ αὐτῇ; [43] Ναὶ μὰ Δί', ἔφη, ἂν ὁρῶσί γέ σε μὴ τῷ δοκεῖν ἀλλὰ τῷ ὄντι ἀρετῆς ἐπιμελούμενον. ἡ μὲν γὰρ ψευδὴς δόξα ταχὺ ἐλέγχεται ὑπὸ τῆς πείρας· ἡ δ' ἀληθὴς ἀνδραγαθία, ἂν μὴ θεὸς βλάβῃ, ἀεὶ ἐν ταῖς πράξεσι λαμπροτέραν τὴν εὐκλειαν συμπαρέχεται.

Κεφάλαιον θ'

[1] Οὗτος μὲν δὴ ὁ λόγος ἐνταῦθα ἔληξεν. Αὐτόλυκος δὲ (ἤδη γὰρ ὥρα ἦν αὐτῷ) ἐξανίστατο εἰς περίπατον· καὶ ὁ Λύκων ὁ πατὴρ αὐτῷ συνεξιών ἐπιστραφεὶς εἶπε· Νῆ τὴν Ἥραν, ὦ Σώκρατες, καλὸς γε κάγαθος δοκεῖς μοι ἄνθρωπος εἶναι. [2] Ἐκ δὲ τούτου πρῶτον μὲν θρόνος τις ἔνδον κατετέθη, ἔπειτα δὲ ὁ Συρακόσιος εἰσελθὼν εἶπεν· ὦ ἄνδρες, Ἀριάδνη εἴσεισιν εἰς τὸν ἑαυτῆς τε καὶ Διονύσου θάλαμον· μετὰ δὲ τοῦθ' ἤξει Διόνυσος ὑποπεπωκὼς παρὰ θεοῖς καὶ εἴσεισι πρὸς αὐτήν, ἔπειτα παιζοῦνται πρὸς ἀλλήλους. [3] ἐκ τούτου πρῶτον μὲν ἡ Ἀριάδνη ὥς νύμφη κεκοσμημένη παρῆλθε καὶ ἐκαθέζετο ἐπὶ τοῦ θρόνου. οὐπω δὲ φαινομένου τοῦ Διονύσου

ἠϋλεῖτο ὁ βακχεῖος ρυθμός. ἔνθα δὴ ἠγάσθησαν τὸν ὀρχηστοδιδάσκαλον. εὐθὺς μὲν γὰρ ἡ Ἀριάδην ἀκούσασα τοιοῦτόν τι ἐποίησεν ὥς πᾶς ἂν ἔγνω ὅτι ἀσμένη ἤκουσε· καὶ ὑπήντησε μὲν οὐ οὐδὲ ἀνέστη, δῆλη δ' ἦν μόλις ἡρεμοῦσα. [4] ἐπεὶ γε μὴν κατεῖδεν αὐτὴν ὁ Διόνυσος, ἐπιχορεύσας ὥσπερ ἂν εἴ τις φιλικώτατα ἐκαθέζετο ἐπὶ τῶν γονάτων, καὶ περιλαβὼν ἐφίλησεν αὐτήν. ἡ δ' αἰδουμένη μὲν ἐώικει, ὅμως δὲ φιλικῶς ἀντιπεριελάμβανεν. οἱ δὲ συμπόται ὀρῶντες ἅμα μὲν ἐκρότουν, ἅμα δὲ ἐβόων αὐτῆς. [5] ὥς δὲ ὁ Διόνυσος ἀνιστάμενος συνανέστησε μεθ' ἑαυτοῦ τὴν Ἀριάδην, ἐκ τούτου δὴ φιλοῦντων τε καὶ ἀσπαζομένων ἀλλήλους σχήματα παρὴν θεάσασθαι. οἱ δ' ὀρῶντες ὄντως καλὸν μὲν τὸν Διόνυσον, ὠραίαν δὲ τὴν Ἀριάδην, οὐ σκώπτοντας δὲ ἀλλ' ἀληθινῶς τοῖς στόμασι φιλοῦντας, πάντες ἀνεπτρωμένοι ἐθεῶντο. [6] καὶ γὰρ ἤκουον τοῦ Διονύσου μὲν ἐπερωτῶντος αὐτὴν εἰ φιλεῖ αὐτόν, τῆς δὲ οὕτως ἐπομνουσῆς <ὥστε> μὴ μόνον τὸν Διόνυσον ἀλλὰ καὶ τοὺς παρόντας ἅπαντας συνομόσαι ἂν ἦ μὴν τὸν παῖδα καὶ τὴν παῖδα ὑπ' ἀλλήλων φιλεῖσθαι. ἐώικεσαν γὰρ οὐ δεδιδαγμένοις τὰ σχήματα ἀλλ' ἐφειμένοις πράττειν ἃ πάλοι ἐπεθύμουν. [7] τέλος δὲ οἱ συμπόται ἰδόντες περιβεβληκότας τε ἀλλήλους καὶ ὥς εἰς εὐνὴν ἀπιόντας, οἱ μὲν ἄγαμοι γαμεῖν ἐπώμνυσαν, οἱ δὲ γεγαμηκότες ἀναβάντες ἐπὶ τοὺς ἵππους ἀπήλαυνον πρὸς τὰς ἑαυτῶν γυναῖκας, ὅπως τούτων τύχοιεν. Σωκράτης δὲ καὶ τῶν ἄλλων οἱ ὑπομείναντες πρὸς Λύκωνα καὶ τὸν υἱὸν σὺν Καλλίαι περιπατήσοντες ἀπῆλθον. αὕτη τοῦ τότε συμποσίου κατάλυσις ἐγένετο.

APOLOGY - Ἀπολογία Σωκράτους

[1] Σωκράτους δὲ ἄξιόν μοι δοκεῖ εἶναι μεμνησθαι καὶ ὥς ἐπειδὴ ἐκλήθη εἰς τὴν δίκην ἐβουλεύσατο περὶ τῆς ἀπολογίας καὶ τῆς τελευτῆς τοῦ βίου. γεγράφασι μὲν οὖν περὶ τούτου καὶ ἄλλοι καὶ πάντες ἔτυχον τῆς μεγαληγορίας αὐτοῦ· ὧι καὶ δῆλον ὅτι τῷ ὄντι οὕτως ἐρρήθη ὑπὸ Σωκράτους. ἀλλ' ὅτι ἤδη ἐαυτῷ ἡγεῖτο αἰρετώτερον εἶναι τοῦ βίου θάνατον, τοῦτο οὐ διεσαφίνισαν· ὥστε ἀφρονεστέρα αὐτοῦ φαίνεται εἶναι ἢ μεγαληγορία. [2] Ἑρμογένης μέντοι ὁ Ἰππονίκου ἐταῖρός τε ἦν αὐτῷ καὶ ἐξήγγειλε περὶ αὐτοῦ τοιαῦτα ὥστε πρέπουσαν φαίνεσθαι τὴν μεγαληγορίαν αὐτοῦ τῇ διανοίᾳ. ἐκεῖνος γὰρ ἔφη ὁρῶν αὐτὸν περὶ πάντων μᾶλλον διαλεγόμενον ἢ περὶ τῆς δίκης εἰπεῖν· [3] Οὐκ ἐχρῆν μέντοι σκοπεῖν, ὦ Σώκρατες, καὶ ὅ τι ἀπολογήσῃ; τὸν δὲ τὸ μὲν πρῶτον ἀποκρίνασθαι· Οὐ γὰρ δοκῶ σοι ἀπολογεῖσθαι μελετῶν διαβεβιωκέναι; ἐπεὶ δ' αὐτὸν ἐρέσθαι· Πῶς; Ὅτι οὐδὲν ἄδικον διαγεγένημαι ποιῶν· ἦνπερ νομίζω μελέτην εἶναι καλλίστην ἀπολογίας. [4] ἐπεὶ δὲ αὐτὸν πάλιν λέγειν· Οὐχ ὁρᾷς τὰ Ἀθηναίων δικαστήρια ὥς πολλάκις μὲν οὐδὲν ἀδικοῦντας λόγῳ παραχθέντες ἀπέκτειναν, πολλάκις δὲ ἀδικοῦντας ἢ ἐκ τοῦ λόγου οἰκτίσαντες ἢ ἐπιχαρίτως εἰπόντας ἀπέλυσαν; Ἀλλὰ ναὶ μὰ Δία, φάναι αὐτόν, καὶ δις ἤδη ἐπιχειρήσαντός μου σκοπεῖν περὶ τῆς ἀπολογίας ἐναντιοῦταί μοι τὸ δαιμόνιον. [5] ὥς δὲ αὐτὸν εἰπεῖν· Θαυμαστὰ λέγεις, τὸν δ' αὖ ἀποκρίνασθαι· Ἡ θαυμαστὸν νομίζεις εἰ καὶ τῷ θεῷ δοκεῖ ἐμὲ βέλτιον εἶναι ἢ δὴ τελευτᾶν; οὐκ οἶσθα ὅτι μέχρι μὲν τοῦδε οὐδενὶ ἀνθρώπων ὑφείμην <ἂν> βέλτιον ἐμοῦ βεβιωκέναι; ὅπερ γὰρ ἡδιστόν ἐστιν, ἡδεῖν ὁσίως μοι καὶ δικαίως ἅπαντα τὸν βίον βεβιωμένον· ὥστε ἰσχυρῶς ἀγάμενος ἐμαυτὸν ταῦτα ἡῦρισκον καὶ τοὺς ἐμοὶ συγγιγνομένους γινώσκοντας περὶ ἐμοῦ. [6] νῦν δὲ εἰ ἔτι προβήσεται ἢ ἡλικία, οἷδ' ὅτι ἀνάγκη ἔσται τὰ τοῦ γήρως ἐπιτελεῖσθαι καὶ ὁρᾶν τε χεῖρον καὶ ἀκούειν ἥττον καὶ δυσμαθέστερον εἶναι καὶ ὧν ἔμαθον ἐπιλησμονέστερον. ἂν δὲ αἰσθάνωμαι χείρων γινόμενος καὶ καταμέμφωμαι ἐμαυτόν, πῶς ἂν, εἰπεῖν, ἐγὼ ἔτι ἂν ἡδέως βιοτεύοιμι; [7] ἴσως δέ τοι, φάναι αὐτόν, καὶ ὁ θεὸς δι' εὐμένειαν προξενεῖ μοι οὐ μόνον τὸ ἐν καιρῷ τῆς ἡλικίας καταλῦσαι τὸν βίον, ἀλλὰ καὶ τὸ ἥι ῥᾷστα. ἂν γὰρ νῦν κατακριθῇ

μου, ὁ δὲ ἔξέσται μοι τῇ τελευτῇ χρῆσθαι ἢ ράιστη μὲν ὑπὸ τῶν τούτου ἐπιμεληθέντων κέκριται, ἀπραγμονεστάτη δὲ τοῖς φίλοις, πλεῖστον δὲ πόθεν ἐμποιοῦσα τῶν τελευτώντων. ὅταν γὰρ ἄσχημον μὲν μηδὲν μηδὲ δυσχερὲς ἐν ταῖς γνώμαις τῶν παρόντων καταλείπηται <τις>, ὕγιες δὲ τὸ σῶμα ἔχων καὶ τὴν ψυχὴν δυναμένην φιλοφρονεῖσθαι ἀπομαραίνεται, πῶς οὐκ ἀνάγκη τοῦτον ποθεῖν εἶναι; [8] ὁρθῶς δὲ οἱ θεοὶ τότε μου ἠναντιοῦντο, φάναι αὐτόν, τῇ τοῦ λόγου ἐπισκῆψει ὅτε ἐδόκει ἡμῖν ζητητέα εἶναι ἐκ παντὸς τρόπου τὰ ἀποφευκτικά. εἰ γὰρ τοῦτο διεπραξάμην, ὁ δὲ ἤτοιμασάμην ἂν ἀντὶ τοῦ ἤδη λῆξαι τοῦ βίου ἢ νόσοις ἀλγυνόμενος τελευτῆσαι ἢ γῆραι, εἰς ὃ πάντα τὰ χαλεπὰ συρρεῖ καὶ μάλα ἔρημα τῶν εὐφροσυνῶν. [9] μὰ Δί', εἰπεῖν αὐτόν, ὦ Ἑρμόγενης, ἐγὼ ταῦτα οὐδὲ προθυμήσομαι, ἀλλ' ὅσων νομίζω τετυχηκέναι καλῶν καὶ παρὰ θεῶν καὶ παρ' ἀνθρώπων, καὶ ἦν ἐγὼ δόξαν ἔχω περὶ ἐμαυτοῦ, ταύτην ἀναφαίνων εἰ βαρυνῶ τοὺς δικαστάς, αἰρήσομαι τελευτᾶν μᾶλλον ἢ ἀνελευθέρως τὸ ζῆν ἔτι προσαιτῶν κερδᾶναι τὸν πολὺ χεῖρ βίον ἀντὶ θανάτου. [10] οὕτως δὲ γνόντα αὐτόν ἔφη [εἰπεῖν], ἐπειδὴ κατηγορήσαν αὐτοῦ οἱ ἀντίδικοι ὥς οὗς μὲν ἡ πόλις νομίζει θεοὺς οὐ νομίζοι, ἕτερα δὲ καινὰ δαιμόνια εἰσφέρει καὶ τοὺς νέους διαφθείροι, παρελθόντα εἰπεῖν [11] Ἀλλ' ἐγὼ, ὦ ἄνδρες, τοῦτο μὲν πρῶτον θαυμάζω Μελήτου, ὅττοι ποτὲ γνοὺς λέγει ὥς ἐγὼ οὗς ἡ πόλις νομίζει θεοὺς οὐ νομίζω· ἐπεὶ θύοντά γε με ἐν ταῖς κοιναῖς ἐορταῖς καὶ ἐπὶ τῶν δημοσίων βωμῶν καὶ οἱ ἄλλοι οἱ παρατυγχάνοντες ἐώρων καὶ αὐτὸς Μέλητος, εἰ ἐβούλετο. [12] καινὰ γε μὴν δαιμόνια πῶς ἂν ἐγὼ εἰσφέροιμι λέγων ὅτι θεοῦ μοι φωνὴ φαίνεται σημαίνουσα ὅ τι χρὴ ποιεῖν; καὶ γὰρ οἱ φθόγγοι οἰωνῶν καὶ οἱ φήμαις ἀνθρώπων χρώμενοι φωναῖς δήπου τεκμαίρονται. βροντὰς δὲ ἀμφιλέξει τις ἢ μὴ φωνεῖν ἢ μὴ μέγιστον οἰωνιστήριον εἶναι; ἢ δὲ Πυθοὶ ἐν τῷ τρίποδι ἰέρεια οὐ καὶ αὐτὴ φωνῇ τὰ παρὰ τοῦ θεοῦ διαγγέλλει; [13] ἀλλὰ μέντοι καὶ τὸ προειδέναι γε τὸν θεὸν τὸ μέλλον καὶ τὸ προσημαίνειν ὧς βούλεται, καὶ τοῦτο, ὥσπερ ἐγὼ φημι, οὕτω πάντες καὶ λέγουσι καὶ νομίζουσιν. ἀλλ' οἱ μὲν οἰωνοὺς τε καὶ φήμας καὶ συμβόλους τε καὶ μάντεις ὀνομάζουσιν τοὺς προσημαίνοντας εἶναι, ἐγὼ δὲ τοῦτο δαιμόνιον καλῶ, καὶ οἶμαι οὕτως ὀνομάζων καὶ ἀληθέστερα καὶ ὁσιώτερα λέγειν τῶν τοῖς ὄρνεσις ἀνατιθέντων τὴν τῶν θεῶν δύναμιν. ὥς γε μὴν οὐ ψεύδομαι κατὰ τοῦ θεοῦ καὶ τοῦτ' ἔχω τεκμήριον· καὶ γὰρ τῶν φίλων πολλοῖς δι' ἐξαγγελίας τὰ τοῦ

θεοῦ συμβουλευματα οὐδεπώποτε ψευσάμενος ἐφάνην. [14] ἐπεὶ δὲ ταῦτα ἀκούοντες οἱ δικασταὶ ἐθορύβουν, οἱ μὲν ἀπιστοῦντες τοῖς λεγομένοις, οἱ δὲ καὶ φθονοῦντες, εἰ καὶ παρὰ θεῶν μειζόνων ἢ αὐτοὶ τυγχάνοι, πάλιν εἰπεῖν τὸν Σωκράτην· Ἄγε δὴ ἀκούσατε καὶ ἄλλα, ἵνα ἔτι μᾶλλον οἱ βουλόμενοι ὑμῶν ἀπιστῶσι τῷ ἐμὲ τετιμῆσθαι ὑπὸ δαιμόνων. Χαιρεφῶντος γάρ ποτε ἐπερωτῶντος ἐν Δελφοῖς περὶ ἐμοῦ πολλῶν παρόντων ἀνεῖλεν ὁ Ἀπόλλων μηδένα εἶναι ἀνθρώπων ἐμοῦ μήτε ἐλευθεριώτερον μήτε δικαιοτέρων μήτε σωφρονέστερον. [15] ὥς δ' αὖ ταῦτ' ἀκούσαντες οἱ δικασταὶ ἔτι μᾶλλον εἰκότως ἐθορύβουν, αὖτις εἰπεῖν τὸν Σωκράτην· Ἀλλὰ μείζω μὲν, ὦ ἄνδρες, εἶπεν ὁ θεὸς ἐν χρησμοῖς περὶ Λυκούργου τοῦ Λακεδαιμονίου νομοθετήσαντες ἢ περὶ ἐμοῦ. λέγεται γὰρ εἰς τὸν ναὸν εἰσιόντα προσεῖπεῖν αὐτόν· Φροντίζω πότερα θεὸν σε εἶπω ἢ ἄνθρωπον. ἐμὲ δὲ θεῷ μὲν οὐκ εἴκασεν, ἀνθρώπων δὲ πολλῶι προέκρινεν ὑπερφέρειν. ὅμως δὲ ὑμεῖς μηδὲ ταῦτ' εἰκῇ πιστεύσητε τῷ θεῷ, ἀλλὰ καθ' ἕνα ἐκαστον ἐπισκοπεῖτε ὧν εἶπεν ὁ θεός. [16] τίνα μὲν γὰρ ἐπίστασθε ἥττον ἐμοῦ δουλεύοντα ταῖς τοῦ σώματος ἐπιθυμίαις; τίνα δὲ ἀνθρώπων ἐλευθεριώτερον, ὃς παρ' οὐδενὸς οὔτε δῶρα οὔτε μισθὸν δέχομαι; δικαιοτέρων δὲ τίνα ἂν εἰκότως νομίσαιτε τοῦ πρὸς τὰ παρόντα συνηρμοσμένου, ὥς τῶν ἄλλοτρίων μηδενὸς προσδεῖσθαι; σοφὸν δὲ πῶς οὐκ ἂν τις εἰκότως ἄνδρα φήσειεν εἶναι ὃς ἐξ ὅτουπερ ξυνίεναι τὰ λεγόμενα ἠρξάμην οὐπώποτε διέλειπον καὶ ζητῶν καὶ μαθάνων ὃ τι ἐδυνάμην ἀγαθόν; [17] ὥς δὲ οὐ μάτην ἐπόνουν οὐ δοκεῖ ὑμῖν καὶ τὰδε τεκμήρια εἶναι, τὸ πολλοὺς μὲν πολίτας τῶν ἀρετῆς ἐφιεμένων, πολλοὺς δὲ ξένων, ἐκ πάντων προαιρεῖσθαι ἐμοὶ ξυνεῖναι; ἐκείνου δὲ τί φήσομεν αἴτιον εἶναι, τοῦ πάντας εἰδέναι ὅτι ἐγὼ ἥκιστ' ἂν ἔχοιμι χρήματα ἀντιδιδόναι, ὅμως πολλοὺς ἐπιθυμεῖν ἐμοὶ τι δωρεῖσθαι; τὸ δ' ἐμὲ μὲν μηδ' ὑφ' ἐνὸς ἀπαιτεῖσθαι εὐεργεσίας, ἐμοὶ δὲ πολλοὺς ὁμολογεῖν χάριτας ὀφείλειν; [18] τὸ δ' ἐν τῇ πολιορκίᾳ τοὺς μὲν ἄλλους οἰκτίρειν ἑαυτούς, ἐμὲ δὲ μηδὲν ἀπορώτερον διάγειν ἢ ὅτε τὰ μάλιστα ἢ πόλις ἠὲ δαιμόνει; τὸ δὲ τοὺς ἄλλους μὲν τὰς εὐπαθείας ἐκ τῆς ἀγορᾶς πολυτελεῖς πορίζεσθαι, ἐμὲ δὲ ἐκ τῆς ψυχῆς ἄνευ δαπάνης ἡδίους ἐκείνων μηχανᾶσθαι; εἴ γε μὴν ὅσα εἶρηκα περὶ ἐμαυτοῦ μηδεὶς δύναιτ' ἂν ἐξελέγξει με ὥς ψεύδομαι, πῶς οὐκ ἂν ἤδη δικαίως καὶ ὑπὸ θεῶν καὶ ὑπ' ἀνθρώπων ἐπαινοίμην; [19] ἀλλ' ὅμως σύ με φῆς, ὦ Μέλητε, τοιαῦτα ἐπιτηδεύοντα τοὺς νέους διαφθείρειν; καίτοι

ἐπιστάμεθα μὲν δήπου τίνες εἰσὶ νέων διαφθοραί· σὺ δὲ εἰπὲ εἴ τινα οἴσθα ὑπ' ἐμοῦ γεγενημένον ἢ ἐξ εὐσεβοῦς ἀνόσιον ἢ ἐκ σώφρονος ὕβριστήν ἢ ἐξ εὐδαιίτου πολυδάπανον ἢ [ὥς] ἐκ μετριοπότου οἰνόφλυγα ἢ ἐκ φιλοπόνου μαλακὸν ἢ ἄλλης πονηρᾶς ἡδονῆς ἡττημένον. [20] Ἀλλὰ ναὶ μὰ Δί', ἔφη ὁ Μέλητος, ἐκείνους οἶδα οὓς σὺ πέπεικας σοὶ πείθεσθαι μᾶλλον ἢ τοῖς γειναμένοις. Ὅμολογῶ, φάναι τὸν Σωκράτην, περὶ γε παιδείας· τοῦτο γὰρ ἴσασιν ἐμοὶ μεμεληκός. περὶ δὲ ὑγιείας τοῖς ἰατροῖς μᾶλλον οἱ ἄνθρωποι πείθονται ἢ τοῖς γονεῦσι· καὶ ἐν ταῖς ἐκκλησίαις γε πάντες δήπου οἱ Ἀθηναῖοι τοῖς φρονιμώτατα λέγουσι πείθονται μᾶλλον ἢ τοῖς προσήκουσιν. οὐ γὰρ δὴ καὶ στρατηγούς αἰρεῖσθε καὶ πρὸ πατέρων καὶ πρὸ ἀδελθῶν, καὶ ναὶ μὰ Δία γε ὑμεῖς πρὸ ὕμῶν αὐτῶν, οὓς ἂν ἡγήσθε περὶ τῶν πολεμικῶν φρονιμωτάτους εἶναι; Οὕτω γάρ, φάναι τὸν Μέλητον, ὦ Σώκρατες, καὶ συμφέρει καὶ νομίζεται. [21] Οὐκοῦν, εἰπεῖν τὸν Σωκράτην θαυμαστὸν καὶ τοῦτό σοι δοκεῖ εἶναι, τὸ ἐν μὲν ταῖς ἄλλαις πράξεσι μὴ μόνον ἰσομοιρίας τυγχάνειν τοὺς κρατίστους, ἀλλὰ καὶ προτετιμῆσθαι, ἐμὲ δέ, <ὅτι> περὶ τοῦ μεγίστου ἀγαθοῦ ἀνθρώποις, περὶ παιδείας, βέλτιστος εἶναι ὑπὸ τινῶν προκρίνομαι, τούτου ἕνεκα θανάτου ὑπὸ σοῦ διώκεσθαι;

[22] Ἐρρήθη μὲν ἄλλῃ ὅτι τούτων πλείω ὑπὸ τε αὐτοῦ καὶ τῶν συναγορευόντων φίλων αὐτῷ. ἀλλ' ἐγὼ οὐ τὰ πάντα εἰπεῖν τὰ ἐκ τῆς δίκης ἐσπούδασα, ἀλλ' ἤρκεσέ μοι δηλῶσαι ὅτι Σωκράτης τὸ μὲν μήτε περὶ θεοὺς ἀσεβῆσαι μήτε περὶ ἀνθρώπους ἄδικος φανῆναι περὶ παντὸς ἐποιεῖτο· [23] τὸ δὲ μὴ ἀποθανεῖν οὐκ ὤιετο λιπαρητέον εἶναι, ἀλλὰ καὶ καιρὸν ἤδη ἐνόμιζεν ἑαυτῷ τελευτᾶν. ὅτι δὲ οὕτως ἐγίγνωσκε καταδηλότερον ἐγένετο, ἐπειδὴ καὶ ἡ δίκη κατεψηφίσθη. πρῶτον μὲν γὰρ κελευόμενος ὑποτιμᾶσθαι οὔτε αὐτὸς ὑπετιμῆσατο οὔτε τοὺς φίλους εἶσεν, ἀλλὰ καὶ ἔλεγεν ὅτι τὸ ὑποτιμᾶσθαι ὁμολογοῦντος εἴη ἀδικεῖν. ἔπειτα τῶν ἐταίρων ἐκκλέψαι βουλομένων αὐτὸν οὐκ ἐφείπετο, ἀλλὰ καὶ ἐπισκῶψαι ἐδόκει ἐρόμενος εἴ που εἰδεῖν τι χωρίον ἔξω τῆς Ἀττικῆς ἔνθα οὐ προσβατὸν θανάτῳ.

[24] Ὡς δὲ τέλος εἶχεν ἡ δίκη, εἰπεῖν αὐτόν· Ἀλλ', ὦ ἄνδρες, τοὺς μὲν διδάσκοντας τοὺς μάρτυρας ὥς χρὴ ἐπιορκοῦντας καταψευδομαρτυρεῖν ἐμοῦ καὶ τοὺς πειθομένους τούτοις ἀνάγκη ἐστὶ πολλὴν ἑαυτοῖς συνειδέναι ἀσέβειαν καὶ ἀδικίαν· ἐμοὶ δὲ τί

προσῆκει νῦν μείον φρονεῖν ἢ πρὶν κατακριθῆναι, μηδὲν ἐλεγχθέντι ὥς πεποίηκά τι ὧν ἐγράψαντό με; οὐδὲ γὰρ ἔγωγε ἀντὶ Διὸς καὶ Ἥρας καὶ τῶν σὺν τούτοις θεῶν οὔτε θύων τισὶ καινοῖς δαίμοσιν οὔτε ὁμνὺς οὔτε νομίζων ἄλλους θεοὺς ἀναπέφηνα. [25] τοὺς γε μὴν νέους πῶς ἂν διαφθείροιμι καρτερίαν καὶ εὐτέλειαν προσεθίζων; ἐφ' οἷς γε μὴν ἔργοις κεῖται θάνατος ἡ ζημία, ἱεροσυλῖαι τοιχωρυχαί, ἀνδραποδίσει, πόλεως προδοσίαι, οὐδ' αὐτοὶ οἱ ἀντίδικοι τούτων πρᾶξαί τι κατ' ἐμοῦ φασιν. ὥστε θαυμαστὸν ἔμοιγε δοκεῖ εἶναι ὅπως ποτὲ ἐφάνη ὑμῖν τοῦ θανάτου ἔργον ἄξιον ἐμοὶ εἰργασμένον. [26] ἀλλ' οὐδὲ μέντοι ὅτι ἀδίκως ἀποθνήσκω, διὰ τοῦτο μείον φρονητέον· οὐ γὰρ ἐμοὶ ἀλλὰ τοῖς καταγνοῦσι τοῦτο αἰσχρόν [γάρ] ἐστι. παραμυθεῖται δ' ἔτι με καὶ Παλαμήδης ὁ παραπλησίως ἐμοὶ τελευτήσας· ἔτι γὰρ καὶ νῦν πολὺ καλλίους ὕμνους παρέχεται Ὀδυσσέως τοῦ ἀδίκως ἀποκτείναντος αὐτόν· οἶδ' ὅτι καὶ ἐμοὶ μαρτυρήσεται ὑπὸ τε τοῦ ἐπιόντος καὶ ὑπὸ τοῦ παρεληλυθότος χρόνου ὅτι ἡδίκησα μὲν οὐδένα πώποτε οὐδὲ πονηρότερον ἐποίησα, εὐηργέτουν δὲ τοὺς ἐμοὶ διαλεγομένους προῖκα διδάσκων ὃ τι ἐδυνάμην ἀγαθόν. [27] εἰπὼν δὲ ταῦτα μάλα ὁμολογουμένως δὴ τοῖς εἰρημένοις ἀπήει καὶ ὄμμασι καὶ σχήματι καὶ βαδίσματι φαιδρός. ὥς δὲ ἦσθετο ἄρα τοὺς παρεπομένους δακρύνοντας, Τί τοῦτο; εἰπεῖν αὐτόν, ἧ ἄρτι δακρύετε; οὐ γὰρ πάλοι ἴστε ὅτι ἐξ ὅτουπερ ἐγενόμην κατεψηφισμένος ἦν μου ὑπὸ τῆς φύσεως ὁ θάνατος; ἀλλὰ μέντοι εἰ μὲν ἀγαθῶν ἐπιρρεόντων προαπόλλυμαι, δῆλον ὅτι ἐμοὶ καὶ τοῖς ἐμοῖς εὖνοις λυπητέον· εἰ δὲ χαλεπῶν προσδοκωμένων καταλύω τὸν βίον, ἐγὼ μὲν οἶμαι ὥς εὐπραγοῦντος ἐμοῦ πᾶσιν ὑμῖν εὐθυμητέον εἶναι. [28] παρὼν δὲ τις Ἀπολλόδωρος, ἐπιθυμητῆς μὲν ὢν ἰσχυρῶς αὐτοῦ, ἄλλως δ' εὐήθης, εἶπεν ἄρα· Ἀλλὰ τοῦτο ἔγωγε, ὦ Σώκρατες, χαλεπώτατα φέρω ὅτι ὀρῶ σε ἀδίκως ἀποθνήσκοντα. τὸν δὲ λέγεται καταψήσαντα αὐτοῦ τὴν κεφαλὴν εἰπεῖν· Σὺ δέ, ὦ φίλτατε Ἀπολλόδωρε, μᾶλλον ἐβούλου με ὀρᾶν δικαίως ἢ ἀδίκως ἀποθνήσκοντα; καὶ ἅμα ἐπιγέλασαι. [29] λέγεται δὲ καὶ Ἄνυτον παριόντα ἰδὼν εἰπεῖν· Ἀλλ' ὁ μὲν ἀνὴρ ὅδε κυδρός, ὥς μέγα τι καὶ καλὸν διαπεπραγμένος, εἰ ἀπέκτονέ με, ὅτι αὐτόν τῶν μεγίστων ὑπὸ τῆς πόλεως ὀρῶν ἀξιούμενον οὐκ ἔφην χρῆναι τὸν υἱὸν περὶ βύρσας παιδεύειν. ὥς μοχθηρὸς οὗτος, ἔφη, ὅς οὐκ ἔοικεν εἰδέναι ὅτι ὀπότερος ἡμῶν καὶ συμφορώτερα καὶ καλλίω εἰς τὸν αἰεὶ χρόνον διαπέπρακται, οὗτός ἐστι καὶ ὁ νικῶν. [30] ἀλλὰ μέντοι, φάναι αὐτόν,

ἀνέθηκε μὲν καὶ Ὅμηρος ἔστιν οἷς τῶν ἐν καταλύσει τοῦ βίου προοιγνώσκειν τὰ μέλλοντα, βούλομαι δὲ καὶ ἐγὼ χρησμοιδῆσαι τι. συνεγενόμην γάρ ποτε βραχέα τῷ Ἀνύτου υἱῷ, καὶ ἔδοξέ μοι οὐκ ἄρρωστος τὴν ψυχὴν εἶναι· ὥστε φημὶ αὐτὸν ἐπὶ τῇ δουλοπρεπεῖ διατριβῇ ἦν ὁ πατήρ αὐτῷ παρεσκεύακεν οὐ διαμενεῖν· διὰ δὲ τὸ μηδένα ἔχειν σπουδαῖον ἐπιμελητὴν προσπεσεῖσθαί τινι αἰσχυρᾷ ἐπιθυμίᾳ, καὶ προβήσεσθαι μέντοι πόρρῳ μοχθηρίας. [31] ταῦτα δ' εἰπὼν οὐκ ἐψεύσατο, ἀλλ' ὁ νεανίσκος ἡσθεὶς οἴνῳ οὔτε νυκτὸς οὔτε ἡμέρας ἐπαύετο πίνων, καὶ τέλος οὔτε τῇ ἑαυτοῦ πόλει οὔτε τοῖς φίλοις οὔτε αὐτῷ ἄξιος οὐδενὸς ἐγένετο. Ἄνυτος μὲν δὴ διὰ τὴν τοῦ υἱοῦ πονηρὰν παιδείαν καὶ διὰ τὴν αὐτοῦ ἀγνωμοσύνην ἔτι καὶ τετελευτηκὼς τυγχάνει κακοδοξίας. [32] Σωκράτης δὲ διὰ τὸ μεγαλύνειν ἑαυτὸν ἐν τῷ δικαστηρίῳ φθόνον ἐπαγόμενος μᾶλλον καταψηφίσασθαι ἑαυτοῦ ἐποίησε τοὺς δικαστάς. ἐμοὶ μὲν οὖν δοκεῖ θεοφιλοῦς μοίρας τετυχηκέναι· τοῦ μὲν γὰρ βίου τὸ χαλεπώτατον ἀπέλιπε, τῶν δὲ θανάτων τοῦ ράιστου ἔτυχεν. [33] ἐπεδείξατο δὲ τῆς ψυχῆς τὴν ῥώμην· ἐπεὶ γὰρ ἔγνω τοῦ ἔτι ζῆν τὸ τεθνάναι αὐτῷ κρεῖττον εἶναι, ὥσπερ οὐδὲ πρὸς τᾶλλα τὰγαθὰ προσάντης ἦν, οὐδὲ πρὸς τὸν θάνατον ἐμαλακίσατο, ἀλλ' ἱλαρῶς καὶ προσεδέχετο αὐτὸν καὶ ἐπετελέσατο. [34] ἐγὼ μὲν δὴ κατανοῶν τοῦ ἀνδρὸς τὴν τε σοφίαν καὶ τὴν γενναιότητα οὔτε μὴ μεμνήσθαι δύναμαι αὐτοῦ οὔτε μεμνημένος μὴ οὐκ ἐπαινεῖν. εἰ δέ τις τῶν ἀρετῆς ἐφιεμένων ὠφελιμωτέρῳ τινὶ Σωκράτους συνεγένετο, ἐκεῖνον ἐγὼ τὸν ἄνδρα ἀξιομακαριστότατον νομίζω.

ON HORSEMANSHIP - Περί ἵππικῆς

Κεφάλαιον α΄

[1] Ἐπειδὴ διὰ τὸ συμβῆναι ἡμῖν πολὺν χρόνον ἵππεύειν οἰόμεθα ἔμπειροι ἵππικῆς γεγενῆσθαι, βουλόμεθα καὶ τοῖς νεωτέροις τῶν φίλων δηλῶσαι, ἧι ἂν νομίζομεν αὐτοὺς ὀρθότατα ἵπποις προσφέρεσθαι. συνέγραψε μὲν οὖν καὶ Σίμων περὶ ἵππικῆς, ὃς καὶ τὸν κατὰ τὸ Ἐλευσίνιον Ἀθήνησιν ἵππον χαλκοῦν ἀνέθηκε καὶ ἐν τῷ βάθρῳ τὰ ἑαυτοῦ ἔργα ἐξετύπωσεν· ἡμεῖς γε μέντοι ὅσοις συνετύχομεν ταῦτά γνόντες ἐκείνῳ, οὐκ ἐξαλείφομεν ἐκ τῶν ἡμετέρων, ἀλλὰ πολὺ ἥδιον παραδώσομεν αὐτὰ τοῖς φίλοις, νομίζοντες ἀξιοπιστότερα εἶναι, ὅτι κἀκεῖνος κατὰ ταῦτά ἡμῖν ἔγνω ἵππικὸς ὢν· καὶ ὅσα δὴ παρέλιπεν ἡμεῖς πειρασόμεθα δηλῶσαι.

Πρῶτον δὲ γράψομεν, ὥς ἂν τις ἥκιστα ἐξαπατῶιτο ἐν ἵππωνίαι. τοῦ μὲν τοίνυν ἔτι ἀδαμάστου πάλου δηλὸν ὅτι τὸ σῶμα δεῖ δοκιμάζειν· τῆς γὰρ ψυχῆς οὐ πάνυ σαφῇ τεκμήρια παρέχεται ὁ μήπω ἀναβαινόμενος.

[2] Τοῦ γε μὴν σώματος πρῶτόν φαμεν χρῆναι τοὺς πόδας σκοπεῖν. ὥσπερ γὰρ οἰκίας οὐδὲν ὄφελος ἂν εἴη, εἰ τὰ ἄνω πάνυ καλὰ ἔχοι μὴ ὑποκειμένων οἴων δεῖ θεμελίων, οὕτω καὶ ἵππου πολεμιστηρίου οὐδὲν ἂν ὄφελος εἴη, οὐδ' εἰ τὰλλα πάντα ἀγαθὰ ἔχοι, κακόπους δ' εἴη· οὐδενὶ γὰρ ἂν δύναιτο τῶν ἀγαθῶν χρῆσθαι. [3] πόδας δ' ἂν τις δοκιμάζῃ πρῶτον μὲν τοὺς ὄνυχας σκοπῶν· οἱ γὰρ παχεῖς πολὺ τῶν λεπτῶν διαφέρουσιν εἰς εὐποδίαν· ἔπειτα οὐδὲ τοῦτο δεῖ λανθάνειν, πότερον αἱ ὀπλαὶ εἰσιν ὑψηλαὶ [ἢ ταπειναὶ] καὶ ἔμπροσθεν καὶ ὀπισθεν ἢ χαμηλαί. αἱ μὲν γὰρ ὑψηλαὶ πόρρῳ ἀπὸ τοῦ δαπέδου ἔχουσι τὴν χελιδόνα καλουμένην, αἱ δὲ ταπειναὶ ὁμοίως βαίνουσι τῷ τε ἰσχυροτάτῳ καὶ τῷ μαλακωτάτῳ τοῦ ποδός, ὥσπερ οἱ βλαιοὶ τῶν ἀνθρώπων· καὶ τῷ ψόφῳ δὲ ἔφη Σίμων δήλους εἶναι τοὺς εὐποδας, καλῶς λέγων· ὥσπερ γὰρ κύμβαλον ψοφεῖ πρὸς τῷ δαπέδῳ ἢ κοίλῃ ὀπλή.

[4] Ἐπεὶ δὲ ἡρξάμεθα ἐντεῦθεν, ταύτῃ καὶ ἀναβησόμεθα πρὸς τὸ ἄλλο σῶμα. δεῖ τοίνυν καὶ τὰ ἀνωτέρω μὲν τῶν ὀπλῶν, κατωτέρω δὲ τῶν κυνηπόδων ὅστ' αὖ μήτε ἄγαν ὀρθὰ εἶναι ὥσπερ αἰγός· ἀντιτυπώτερα γὰρ ὄντα κόπτει τε τὸν ἀναβάτην καὶ παραπίμπραται μᾶλλον τὰ τοιαῦτα σκέλη· οὐδὲ μὴν ἄγαν ταπεινὰ τὰ ὅστ' αὖ δεῖ εἶναι·

ψιλοῖντο γὰρ ἂν καὶ ἐλκοῖντο οἱ κυνήποδες εἴτ' ἐν βόλοις εἴτ' ἐν λίθοις ἐλαύνοντο ὁ ἵππος. [5] τῶν γε μὴν κνημῶν τὰ ὀστᾶ παχέα χρῆ εἶναι· ταῦτα γάρ ἐστι στήριγγες τοῦ σώματος· οὐ μέντοι φλεψί γε οὐδὲ σαρξὶ παχέα· εἰ δὲ μή, ὅταν ἐν σκληροῖς ἐλαύνηται, ἀνάγκη αἵματος ταῦτα πληροῦσθαι καὶ κρισσοὺς γίγνεσθαι, καὶ παχύνεσθαι μὲν τὰ σκέλη, ἀφίστασθαι δὲ τὸ δέρμα. χαλῶντος δὲ τούτου πολλάκις καὶ ἡ περόνη ἀποστᾶσα χωλὸν ἀπέδειξε τὸν ἵππον. [6] τὰ γε μὴν γόνατα ἦν βαδίζων ὁ πῶλος ὑγρῶς κάμπτηι, εἰκάζοις ἂν καὶ ἱππεύοντα ὑγρὰ ἔξειν τὰ σκέλη· πάντες γὰρ προϊόντος τοῦ χρόνου ὑγροτέρως κάμπτουσιν ἐν τοῖς γόνασι. τὰ δὲ ὑγρὰ δικαίως εὐδοκιμεῖ· ἀπταιστότερον γὰρ καὶ ἀκοπώτερον τὸν ἵππον τῶν σκληρῶν σκελῶν παρέχει. [7] μηροὶ γε μέντοι οἱ ὑπὸ ταῖς ὠμοπλάταις ἦν παχεῖς ὥσιν, ἰσχυρότεροί τε καὶ εὐπρεπέστεροι ὥσπερ ἄνδρὸς φαίνονται. καὶ μὴν στέρνα πλατύτερα ὄντα καὶ πρὸς κάλλος καὶ πρὸς ἰσχὺν καὶ πρὸς τὸ μὴ ἐπαλλάξ ἀλλὰ διὰ πολλοῦ τὰ σκέλη φέρειν εὐφυνέστερα. [8] ἀπὸ γε μὴν τοῦ στέρνου ὁ μὲν αὐχὴν αὐτοῦ μὴ ὥσπερ κάπρου προπετὴς πεφύκοι, ἀλλ' ὥσπερ ἀλεκτρυόνος ὀρθὸς πρὸς τὴν κορυφὴν ἦκοι, λαγαρὸς δὲ εἶη τὰ κατὰ τὴν συγκαμπτὴν, ἡ δὲ κεφαλὴ ὀστώδης οὔσα μικρὰν σιαγὸνα ἔχοι. οὕτως ὁ μὲν τράχηλος πρὸ τοῦ ἀναβάτου ἂν εἶη, τὸ δὲ ὄμμα πρὸ τῶν ποδῶν ὀρώη. καὶ βιάζεσθαι δὲ ἥκιστ' ἂν δύναιτο ὁ τοιοῦτον σχῆμα ἔχων καὶ εἰ πάνυ θυμοειδὴς εἶη· οὐ γὰρ ἐγκάμπτοντες ἀλλ' ἐκτείνοντες τὸν τράχηλον καὶ τὴν κεφαλὴν βιάζεσθαι οἱ ἵπποι ἐπιχειροῦσι. [9] σκοπεῖν δὲ χρὴ καὶ εἰ ἀμφοτέραι μαλακαὶ αἱ γνάθοι ἢ σκληρὰ ἢ ἕτεραι. ἐτερόγναθοι γὰρ ὥς τὰ πολλὰ οἱ μὴ ὁμοίας τὰς γνάθους ἔχοντες γίνονται. καὶ μὴν τὸ ἐξόφθαλμον εἶναι ἐγρηγορὸς μᾶλλον φαίνεται τοῦ κοιλοφθάλμου, καὶ ἐπὶ πλεῖον δ' ἂν ὁ τοιοῦτος ὀρώη. [10] καὶ μυκτῆρές γε οἱ ἀναπεπταμένοι τῶν συμπεπτωκότων εὐπνοώτεροί τε ἅμα εἰσὶ καὶ γοργότερον τὸν ἵππον ἀποδεικνύουσι. καὶ γὰρ ὅταν ὀργίζεται ἵππος ἵππῳ ἢ ἐν ἱπασίαι θυμῶται, εὐρύνει μᾶλλον τοὺς μυκτῆρας. [11] καὶ μὴν κορυφὴ μὲν μεῖζων, ὧτα δὲ μικρότερα ἱπποδεστέραν τὴν κεφαλὴν ἀποφαίνει. ἡ δ' αὖ ὑψηλὴ ἀκρωμία τῷ τε ἀναβάτῃ ἀσφαλεστέραν τὴν ἔδραν καὶ τοῖς ὤμοις [καὶ τῷ σώματι] ἰσχυροτέραν τὴν πρόσφυσιν παρέχεται. <ράχις γε μὴν> ἡ διπλῇ τῆς ἀπλῆς καὶ ἐγκαθῆσθαι μαλακωτέρα καὶ ἰδεῖν ἡδίων. [12] καὶ πλευρὰ δὲ ἡ βαθυτέρα καὶ πρὸς τὴν γαστέρα ὀγκωδεστέρα ἅμα εὐεδρότερόν τε καὶ ἰσχυρότερον καὶ εὐχλότερον ὥς ἐπὶ πολὺ τὸν ἵππον παρέχεται.

Ὅσφϋς γε μὴν ὅσῳ ἂν πλατυτέρα τε καὶ βραχυτέρα ᾖ, τοσούτῳ ῥᾷον μὲν ὁ ἵππος τὰ πρόσθεν αἶρεται, ῥᾷον δὲ τὰ ὀπισθεν προσάγεται· καὶ ὁ κενεὼν δὲ οὕτω μικρότατος φαίνεται, ὅσπερ μέγας ὢν μέρος μὲν τι καὶ αἰσχύνει, μέρος δὲ τι καὶ ἀσθενέστερον καὶ δυσφορώτερον αὖ τὸν ἵππον παρέχεται. [13] τὰ γε μὴν ἰσχία πλατέα μὲν εἶναι χρή καὶ εὖσαρκα, ἵνα ἀκόλουθα ᾖ ταῖς πλευραῖς καὶ τοῖς στέρνοις· ἦν δὲ πάντα στερεὰ ᾖ, κουφότερα ἂν τὰ πρὸς τὸν δρόμον εἴη καὶ ὀξύτερον μᾶλλον αὖ τὸν ἵππον παρέχοιτο. [14] μηρούς γε μὴν τοὺς ὑπὸ τῇ οὐρᾷ ἦν ἅμα πλατεῖαι τῇ γραμμῇ διωρισμένους ἔχει, οὕτω καὶ τὰ ὀπισθεν σκέλη διὰ πολλοῦ ὑποθήσει. τοῦτο δὲ ποιῶν ἅμα γοργοτέραν τε καὶ ἰσχυροτέραν ἔξει τὴν ὑπόβασίν τε καὶ ἵππασίαν καὶ ἅπαντα βελτίων ἔσται ἑαυτοῦ. τεκμήριον δ' ἂν καὶ ἀπ' ἀνθρώπων· ὅταν γάρ τι ἀπὸ τῆς γῆς ἄρασθαι βούλωνται, διαβαίνοντες πάντες μᾶλλον ἢ συμβεβηκότες ἐπιχειροῦσιν αἶρεσθαι. [15] τοὺς γε μὴν ὄρχεις δεῖ μὴ μεγάλους τὸν ἵππον ἔχειν, ὃ οὐκ ἔστι πώλου κατιδεῖν. περὶ γε μὴν τῶν κάτωθεν, ἀστραγάλων ἢ κνημῶν καὶ κυνηπόδων καὶ ὀπλῶν, ταῦτα λέγομεν, ἅπερ περὶ τῶν ἔμπροσθεν. [16] γράψαι δὲ βούλομαι καὶ ἐξ ὧν ἂν περὶ μεγέθους ἤκιστα ἀποτυγχάνοι τις. ὅτου γὰρ ἂν ὧσιν αἱ κνήμαι εὐθὺς γιγνομένου ὑψηλότεραι, οὗτος μέγιστος γίγνεται. προϊόντος γὰρ τοῦ χρόνου πάντων τῶν τετραπόδων αἱ μὲν κνήμαι εἰς μέγεθος οὐ μάλα αὐξάνονται, πρὸς δὲ ταύτας ὥς ἂν συμμέτρως ἔχει, συναύζεται καὶ τὸ ἄλλο σῶμα.

[17] Εἶδος μὲν δὴ πώλου οὕτω δοκιμάζοντες μάλιστ' ἂν ἡμῖν δοκοῦσι τυγχάνειν εὐποδος καὶ ἰσχυροῦ καὶ εὐσάρκου καὶ εὐσχήμονος καὶ εὐμεγέθους. εἰ δὲ τινες αὐξανόμενοι μεταβάλλουσιν, ὅμως οὕτω θαρροῦντες δοκιμάζωμεν· πολὺ γὰρ πλείονες εὐχρηστοὶ ἐξ αἰσχυρῶν ἢ ἐκ τοιούτων αἰσχροὶ γίνονται.

Κεφάλαιον β'

[1] Ὅπως γε μὴν δεῖ πωλεῦειν <οὐ> δοκεῖ ἡμῖν γραπτέον εἶναι· τάττονται μὲν γὰρ δὴ ἐν ταῖς πόλεσιν ἱπεύειν οἱ τοῖς χρήμασί τε ἱκανώτατοι καὶ τῆς πόλεως οὐκ ἐλάχιστον μετέχοντες· πολὺ δὲ κρεῖττον τοῦ πωλοδαμεῖν [εἶναι] τῷ μὲν νέῳ εὐεξίας τε ἐπιμελεῖσθαι τῆς ἑαυτοῦ καὶ ἱππικῆς [ἐν ἣ] ἐπισταμένῳ ἤδη ἱππάζεσθαι μελετᾶν, τῷ δὲ πρεσβυτέρῳ τοῦ τε οἴκου καὶ τῶν φίλων καὶ τῶν πολιτικῶν καὶ τῶν πολεμικῶν μᾶλλον ἢ ἀμφὶ πώλευσιν

διατρίβειν. [2] ὁ μὲν δὴ ὥσπερ ἐγὼ γινώσκων περὶ πωλείας δῆλον ὅτι ἐκδῶσει τὸν πῶλον. χρή μέντοι, ὥσπερ τὸν παῖδα ὅταν ἐπὶ τέχνην ἐκδῶι, συγγραψάμενον ἃ δεήσει ἐπιστάμενον ἀποδοῦναι οὕτως ἐκδιδόναι. ταῦτα γὰρ ὑπομνήματα ἔσται τῷ πωλοδάμνηι ὧν δεῖ ἐπιμεληθῆναι, εἰ μέλλει τὸν μισθὸν ἀπολήψεσθαι. [3] ὅπως μέντοι πρᾶιός τε καὶ χειροῆτης καὶ φιλάνθρωπος ὁ πῶλος ἐκδιδῶται τῷ πωλοδάμνηι ἐπιμελητέον. τὸ γὰρ τοιοῦτον οἴκοι τε τὰ πλεῖστα καὶ διὰ τοῦ ἵπποκόμου ἀποτελεῖται, ἣν ἐπίσθηται τὸ μὲν πεινῆν καὶ διψῆν καὶ μυωπίζεσθαι παρασκευάζειν μετ' ἐρημίας γίνεσθαι τῷ πῶλῳ, τὸ δὲ φαγεῖν καὶ πιεῖν καὶ τὸ τῶν λυπούντων ἀπαλλάττεσθαι δι' ἀνθρώπων. τούτων γὰρ γιγνομένων ἀνάγκη μὴ μόνον φιλεῖσθαι ἀλλὰ καὶ ποθεῖσθαι ὑπὸ πῶλων ἀνθρώπους. [4] καὶ ἄπτεσθαι δὲ χρή ὧν ψηλαφωμένων ὁ ἵππος μάλιστα ἥδεται. ταῦτα δ' ἐστὶ τὰ τε λασιώτατα καὶ οἷς αὐτὸς ἥκιστ' ἂν δύναίτο ὁ ἵππος, ἣν τι λυπῇ αὐτόν, ἐπικουρεῖν. [5] προστετάχθω δὲ τῷ ἵπποκόμῳ καὶ τὸ δι' ὄχλου διάγειν καὶ παντοδαπαῖς μὲν ὄψεσι παντοδαποῖς δὲ ψόφοις πλησιάζειν. τούτων δέ, ὅσα ἂν ὁ πῶλος φοβῆται, οὐ χαλεπαίνοντα δεῖ ἀλλὰ πραΰνοντα διδάσκειν ὅτι οὐ δεινὰ ἐστί. καὶ περὶ μὲν πωλείας ἀρκεῖν μοι δοκεῖ τῷ ιδιώτῃ εἰπεῖν τοσαῦτα πράττειν.

Κεφάλαιον γ'

[1] Ὅταν γε μὴν ἵππαζόμενον ὦνῃταί τις, ὑπομνήματα γράψομεν ἃ δεῖ καταμανθάνειν τὸν μέλλοντα μὴ ἐξαπατᾶσθαι ἐν ἵππωνίαι. πρῶτον μὲν τοῖνυν μὴ λαθέτω αὐτὸν τίς <ῆ> ἡλικία· ὁ γὰρ μηκέτι ἔχων γνώμονας οὐτ' ἐλπίσιν εὐφραίνει οὔτε ὁμοίως εὐαπάλλακτος γίγνεται. [2] ὁπότε δὲ ἡ νεότης σαφής, δεῖ αὖ μὴ λαθεῖν πῶς μὲν εἰς τὸ στόμα δέχεται τὸν χαλινόν, πῶς δὲ περὶ τὰ ὦτα τὴν κορυφαίαν. ταῦτα δ' ἥκιστ' ἂν λανθάνοι, εἰ ὁπῶντος μὲν τοῦ ὄνουμένου ἐμβάλλοιτο ὁ χαλινός, ὀρῶντος δ' ἐξαιροῖτο. [3] ἔπειτα δὲ προσέχειν δεῖ τὸν νοῦν πῶς ἐπὶ τὸν νῶτον δέχεται τὸν ἀναβάτην. πολλοὶ γὰρ ἵπποι χαλεπῶς προσίενται ἃ πρόδηλα αὐτοῖς ἐστὶν ὅτι προσέμενοι πονεῖν ἀναγκασθήσονται. [4] σκεπτέον δὲ καὶ τόδε, εἰ ἀναβαθεὶς ἐθέλει ἀφ' ἵππων ἀποχωρεῖν ἢ εἰ παρ' ἐστηκότας ἵππεύων μὴ ἐκφέρει πρὸς τούτους. εἰσὶ δὲ οἱ διὰ κακὴν ἀγωγὴν καὶ πρὸς τὰς οἴκαδε ἀφόδους φεύγουσιν ἐκ τῶν ἵππασιων. [5] τοὺς γε μὴν ἑτερογνάθους μηνύει μὲν καὶ ἡ πέδη καλουμένη ἵππασία, πολὺ δὲ μᾶλλον καὶ τὸ μεταβάλλεσθαι τὴν ἵππασίαν. πολλοὶ γὰρ οὐκ ἐγχειροῦσιν ἐκφέρειν,

ἦν μὴ ἅμα συμβῇ ἢ τε ἄδικος γνάθος καὶ ἡ πρὸς οἶκον ἐκφορά. δεῖ γε μὴν εἰδέναι καὶ εἰ ἀφεθείς εἰς τάχος ἀναλαμβάνεται ἐν βραχεὶ καὶ εἰ ἀποστρέφεσθαι ἐθέλει. [6] ἀγαθὸν δὲ μὴ ἄπειρον εἶναι εἰ καὶ πληγῇ ἐγερθεὶς ἐθέλει ὁμοίως πεῖθεσθαι. ἄχρηστον μὲν γὰρ δήπου καὶ οἰκέτης καὶ στρατεύμα ἀπειθές· ἵππος δὲ ἀπειθὴς οὐ μόνον ἄχρηστος, ἀλλὰ πολλάκις καὶ ὅσαπερ προδότης διαπράττεται. [7] ἐπεὶ δὲ πολεμιστήριον ἵππον ὑπεθέμεθα ὠνεῖσθαι, ληπτέον πεῖραν ἀπάντων ὅσωνπερ καὶ ὁ πόλεμος πεῖραν λαμβάνει. ἔστι δὲ ταῦτα, τάφρους διαπηδᾶν, τειχία ὑπερβαίνειν, ἐπ' ὄχθους ἀνορούειν, ἀπ' ὄχθων καθάλλεσθαι· καὶ πρὸς ἄναντες δὲ καὶ κατὰ πρανοῦς καὶ πλάγια ἐλαύνοντα πεῖραν λαμβάνειν· πάντα γὰρ ταῦτα καὶ τὴν ψυχὴν εἰ καρτερὰ καὶ τὸ σῶμα εἰ ὑγιὲς δοκιμάζει. [8] οὐ μέντοι τὸν μὴ καλῶς πάνυ ταῦτα ποιοῦντα ἀποδοκιμαστέον. πολλοὶ γὰρ οὐ διὰ τὸ μὴ δύνασθαι, ἀλλὰ διὰ τὸ ἄπειροι εἶναι τούτων ἐλλείπονται. μαθόντες δὲ καὶ ἐθισθέντες καὶ μελετήσαντες καλῶς ἂν ταῦτα πάντα ποιοῖεν, εἴ γ' ἄλλως ὑγιεῖς καὶ μὴ κακοὶ εἴεν. [9] τοὺς γε μέντοι ὑπόπτας φύσει φυλακτέον. οἱ γὰρ ὑπέρφοβοι βλάπτειν μὲν τοὺς πολεμίους ἀφ' ἑαυτῶν οὐκ ἔωσι, τὸν δὲ ἀναβάτην ἔσφηλάν τε πολλάκις καὶ εἰς τὰ χαλεπώτατα ἐνέβαλον. [10] δεῖ δὲ καὶ εἴ τινα χαλεπότητα ἔχοι ὁ ἵππος καταμανθάνειν, εἴτε πρὸς ἵππους εἴτε πρὸς ἀνθρώπους, καὶ εἰ δυσγάργαλὶς γε εἴη· πάντα γὰρ ταῦτα χαλεπὰ τοῖς κεκτημένοις γίγνεται. [11] τὰς δὲ γε τῶν χαλινώσεων καὶ ἀναβάσεων ἀποκωλύσεις καὶ τᾶλλα δὴ νεύματα πολὺ ἂν ἔτι μᾶλλον καταμάθοι τις, εἰ πεπονηκότος ἤδη τοῦ ἵππου πάλιν πειρώιτο ποιεῖν ταῦτά ὅσαπερ πρὶν ἄρξασθαι ἵππεύειν. ὅσοι δ' ἂν πεπονηκότες ἐθέλωσι πάλιν ὑποδύεσθαι πόνους ἱκανὰ τεκμήρια παρέχονται ταῦτα ψυχῆς καρτερᾶς. [12] ὥς δὲ συνελόντι εἰπεῖν, ὅστις εὖπους μὲν εἴη, πρᾶιος δέ, ἀρκούντως δὲ ποδώκης, ἐθέλοι δὲ καὶ δύναιτο πόνους ὑποφέρειν, πείθοιτο δὲ μάλιστα, οὗτος ἂν εἰκότως ἀλυπότατός τ' εἴη καὶ σωτηριώτατος τῷ ἀναβάτῃ ἐν τοῖς πολεμικοῖς. οἱ δὲ ἢ διὰ βλακειάν ἐλάσεως πολλῆς δεόμενοι ἢ διὰ τὸ ὑπέρθυμοι εἶναι πολλῆς θωπείας τε καὶ πραγματείας ἀσχολίαν μὲν ταῖς χερσὶ τοῦ ἀναβάτου παρέχουσιν, ἀθυμίαν δ' ἐν τοῖς κινδύνους.

Κεφάλαιον δ'

[1] Ὅταν γε μὴν ἀγασθεὶς ἵππον πρίηταί τις καὶ οἴκαδε ἀγάγῃται, καλὸν μὲν ἐν τοιούτῳ τῆς οἰκίας τὸν σταθμὸν εἶναι ὅπου πλειστάκις

ὁ δεσπότης ὄψεται τὸν ἵππον· ἀγαθὸν δὲ οὕτω κατεσκευάσθαι τὸν ἱππῶνα, ὥστε μὴδὲν μᾶλλον οἷόν τ' εἶναι τὸν τοῦ ἵππου σῖτον κλαπῆναι ἐκ τῆς φάτνης ἢ τὸν τοῦ δεσπότου ἐκ τοῦ ταμείου. ὁ δὲ τούτου ἀμελῶν ἐμοὶ μὲν ἐαυτοῦ δοκεῖ ἀμελεῖν· δῆλον γὰρ ὅτι ἐν τοῖς κινδύνοις τὸ αὐτοῦ σῶμα τῷ ἵππῳ ὁ δεσπότης παρακατατίθεται. [2] ἔστι δὲ οὐ μόνον τοῦ μὴ κλέπτεσθαι ἕνεκα τὸν σῖτον ἀγαθὸς ὁ ἐχυρὸς ἱππῶν, ἀλλ' ὅτι καὶ ὅταν [μὴ] ἐκκομίζῃ τὸν σῖτον ὁ ἵππος φανερόν γίγνεται. τούτου δ' ἂν τις αἰσθανόμενος γινώσκῃ ὅτι ἢ τὸ σῶμα ὑπεραιμοῦν δεῖται θεραπείας ἢ κόπου ἐνόντος δεῖται ἀναπαύσεως, ἢ κριθίας τις ἢ ἄλλη τις ἀρρωστία ὑποδύεται. ἔστι δὲ ὥσπερ ἀνθρώπῳ, οὕτω καὶ ἵππῳ ἀρχόμενα πάντα εὐιατότερα ἢ ἐπειδὰν ἐνσκιρωθῇ τε καὶ ἐξαμαρτηθῇ τὰ νοσήματα.

[3] Ὡς περ τοῦ ἵππου σίτου τε καὶ γυμνασίων ἐπιμελητέον, ὅπως ἂν τὸ σῶμα ἰσχύρῃ, οὕτω καὶ τοὺς πόδας ἀσκητέον. τὰ μὲν τοίνυν ὑγρά τε καὶ λεῖα τῶν σταθμῶν λυμαίνεται καὶ ταῖς εὐφυέσιν ὀπλαῖς· τὰ δέ, ὡς μὲν μὴ ὑγρά εἶναι, ἀπόρρυτα, ὡς δὲ μὴ λεῖα, λίθους ἔχοντα κατορωρυγμένους, προσαλλήλους, παραπλησίους ὀπλαῖς τὸ μέγεθος ... τὰ γὰρ τοιαῦτα σταθμὰ ... καὶ ἐφεστηκότων ἅμα στερεοῖ τοὺς πόδας. [4] ἔπειτά γε μὴν τῷ ἱπποκόμῳ ἐξακτέον μὲν τὸν ἵππον ὅπου ψήξει, μεταδετέον δὲ μετὰ τὸ ἄριστον ἀπὸ τῆς φάτνης, ἴν' ἥδιον ἐπὶ τὸ δεῖπνον ἴῃ. ὧδε δ' ἂν αὖ ὁ ἔξω σταθμὸς βέλτιστος εἴη καὶ τοὺς πόδας καρτερῦνοι, εἰ λίθων στρογγύλων ἀμφιδόχμων ὅσον μνααίων ἀμάξας τέτταρας καὶ πέντε χύδην καταβάλῃ, περιχειλώσας σιδήρῳ, ὡς ἂν μὴ σκεδαννύωνται· ἐπὶ γὰρ τούτων ἐστηκὼς ὥσπερ ἐν ὁδῷ λιθώδει ἀεὶ μέρος <τι> τῆς ἡμέρας πορεύοιτο <ἂν>. [5] ἀνάγκη δὲ καὶ ψυχόμενον καὶ μυωπιζόμενον χρῆσθαι ταῖς ὀπλαῖς καθάπερ ὅταν βαδίζῃ. καὶ τὰς χελιδόνας δὲ τῶν ποδῶν οἱ οὕτω κεχυμένοι λίθοι στερεοῦσιν. ὡς δὲ περὶ τῶν ὀπλῶν ὅπως στερεαὶ ἔσονται ἐπιμελητέον, οὕτω καὶ τὰ περὶ τὸ στόμα αὖ ὅπως μαλακὰ ἔσται ἐπιμελεῖσθαι δεῖ. τὰ δ' αὐτὰ ἀνθρώπου τε σάρκα καὶ ἵππου στόμα ἀπαλύνει.

Κεφάλαιον ε'

[1] Ἴππικοῦ δὲ ἀνδρὸς ἡμῖν δοκεῖ εἶναι καὶ τὸν ἱπποκόμον πεπαιδευκέναι ἃ δεῖ περὶ τὸν ἵππον πράττειν. πρῶτον μὲν τοίνυν τῆς ἐπιφατνιδίας φορβειᾶς ἐπίστασθαι αὐτὸν δεῖ μήποτε τὸ ἄμμα ποιῆσθαι ἔνθα περ ἡ κορυφαία περιτίθεται. πολλάκις γὰρ κνῶν ὁ

ἵππος ἐπὶ τῇ φάτνῃ τὴν κεφαλὴν, εἰ μὴ ἀσινῆς ἢ φορβεῖα περὶ τὰ ὦτα ἔσται, πολλάκις ἂν ἔλκη ποιοίῃ. ἐλκουμένων γε μὴν τούτων ἀνάγκη τὸν ἵππον καὶ περὶ τὸ χαλινοῦσθαι καὶ περὶ τὸ ψήχεσθαι δυσκολώτερον εἶναι. [2] ἀγαθὸν δὲ καὶ τὸ τετάχθαι τῷ ἵπποκόμῳ καθ' ἡμέραν τὴν κόπρον καὶ τὰ ὑποστρώματα τοῦ ἵππου ἐκφέρειν εἰς ἓν χωρίον. τοῦτο γὰρ ποιῶν αὐτός τ' ἂν ῥᾷστα ἀπαλλάττοι καὶ ἅμα τὸν ἵππον ὠφελοίῃ. [3] εἰδέναι δὲ χρή τὸν ἵπποκόμον καὶ τὸν κημὸν περιτιθέναι τῷ ἵππῳ, καὶ ὅταν ἐπὶ ψῆξιν καὶ ὅταν ἐπὶ καλίστραν ἐξάγῃ. καὶ αἰεὶ δὲ ὅποι ἂν ἀχαλίνωτον ἄγῃ κημοῦν δεῖ. ὁ γὰρ κημὸς ἀναπνεῖν μὲν οὐ κωλύει, δάκνειν δὲ οὐκ ἔα· καὶ τὸ ἐπιβουλεύειν δὲ περικείμενος μᾶλλον ἐξαίρει τῶν ἵππων. [4] καὶ μὴν δεσμεύειν τὸν ἵππον ἄνωθεν τῆς κεφαλῆς δεῖ· πάντα γὰρ ὅποσα ἂν δύσκολ' ἦι περὶ τὸ πρόσωπον ὁ ἵππος ἐκνεύειν πέφυκεν ἄνω· ἐκνεύων γε μὴν οὕτω δεδεμένος χαλᾷ μᾶλλον ἢ διασπᾷ τὰ δεσμά. [5] ἐπειδὰν δὲ ψήγῃ, ἄρχεσθαι μὲν ἀπὸ τῆς κεφαλῆς καὶ τῆς χαίτης· μὴ γὰρ καθαρῶν τῶν ἄνω ὄντων μάταιον τὰ κάτω καθαίρειν. ἔπειτα δὲ κατὰ μὲν τὸ ἄλλο σῶμα πᾶσι τοῖς τῆς καθάρσεως ὀργάνοις ἀνιστάντα δεῖ τὴν τρίχα σοβεῖν τὴν κόνον κατὰ φύσιν τῆς τριχός· τῶν δ' ἐν τῇ ράχει τριχῶν ἄλλῳ μὲν ὀργάνῳ οὐδενὶ δεῖ ἅπτεσθαι, ταῖς δὲ χερσὶ τρίβειν καὶ ἀπαλύνειν ἥπερ φύσει κέκλινται· ἥκιστα γὰρ ἂν βλάπτοι τὴν ἔδραν τοῦ ἵππου. [6] ὕδατι δὲ καταπλύνειν τὴν κεφαλὴν χρή· ὁστώδης γὰρ οὖσα, εἰ σιδήρῳ ἢ ξύλῳ καθαίροιτο, λυποῖ ἂν τὸν ἵππον. καὶ τὸ προκόμιον δὲ χρή βρέχειν· καὶ γὰρ αὗται εὐμήκεις οὖσαι αἱ τρίχες ὁρᾷν μὲν οὐ κωλύουσι τὸν ἵππον, ἀποσοβοῦσι δὲ ἀπὸ τῶν ὀφθαλμῶν τὰ λυποῦντα. καὶ τοὺς θεοὺς δὲ οἶεσθαι χρή δεδωκέναι ταύτας τὰς τρίχας ἵππῳ ἀντὶ τῶν μεγάλων ὧτων ἃ ὄνοις τε καὶ ἡμιόνοις ἔδοσαν ἀλεξητήρια πρὸ τῶν ὀμμάτων. [7] καὶ οὐρὰν δὲ καὶ χαίτην πλύνειν χρή, ἐπεὶ περ αὖξιν δεῖ τὰς τρίχας, τὰς μὲν ἐν τῇ οὐρᾷ, ὅπως ἐπὶ πλεῖστον ἐξικνούμενος ἀποσοβῇται ὁ ἵππος τὰ λυποῦντα, τὰς δὲ ἐν τῷ τραχήλῳ, ὅπως τῷ ἀναβάτῃ ὡς ἀφθονωτάτῃ ἀντίληψις ἦι. [8] δέδοται δὲ παρὰ θεῶν καὶ ἀγλαίας ἔνεκεν ἵππῳ χαίτη, καὶ προκόμιον δὲ καὶ οὐρά. τεκμήριον δέ· αἱ γὰρ ἀγελαῖαι τῶν ἵππων οὐχ ὁμοίως ὑπομένουσι τοὺς ὄνους ἐπὶ τῇ ὀχεΐᾳ ἕως ἂν κομῶσιν· οὗ ἔνεκα καὶ ἀποκείρουσι πρὸς τὴν ὀχεΐαν τὰς ἵππους ἅπαντες οἱ ὀνοβατοῦντες. [9] τὴν γε μὴν τῶν σκελῶν κατάπλυσιν ἀφαιροῦμεν· ὠφελεῖ μὲν γὰρ οὐδέν, βλάπτει δὲ τὰς ὀπλὰς ἢ καθ' ἐκάστην ἡμέραν βρέξις. καὶ τὴν ὑπὸ γαστέρα δὲ ἄγαν κάθαρσιν μειοῦν χρή· αὕτη γὰρ λυπεῖ μὲν

μάλιστα τὸν ἵππον, ὅσῳ δ' ἂν καθαρώτερα ταῦτα γένηται, τοσούτῳ πλείω τὰ λυποῦντα ἀθροίζει ὑπὸ τὴν γαστέρα· [10] ἦν δὲ καὶ πάνυ διαπονήσῃται τις ταῦτα, οὐ φθάνει [τ'] ἐξαγόμενος ὁ ἵππος καὶ εὐθὺς ὁμοίος ἐστὶ τοῖς ἀκαθάρτοις. ταῦτα μὲν οὖν ἔαν χρή· ἀρκεῖ δὲ καὶ ἡ τῶν σκελῶν ψῆξις αὐταῖς ταῖς χερσὶ γιγνομένη.

Κεφάλαιον ζ'

[1] Δηλώσομεν δὲ καὶ τοῦτο, ὡς ἂν ἀβλαβέστατα μὲν τις ἑαυτῷ, τῷ δ' ἵππῳ ὠφελιμώτατα <τὰ πρόσθεν> ψῆχοι. ἦν μὲν γὰρ ἐς τὸ αὐτὸ βλέπων τῷ ἵππῳ καθαιρή, κίνδυνος καὶ τῷ γόνати καὶ τῇ ὀπλῇ εἰς τὸ πρόσωπον πληγῆναι· [2] ἦν δὲ ἀντία τῷ ἵππῳ ὀπῶν καὶ ἔξω τοῦ σκέλους, ὅταν καθαιρή, κατὰ τὴν ὠμοπλάτην καθίζων ἀποτρίβῃ, οὕτω πάθοι μὲν ἂν οὐδέν, δύναιτο δ' ἂν καὶ τὴν χελιδόνα τοῦ ἵππου θεραπεύειν ἀναπτύσσων τὴν ὀπλήν. ὡς δ' αὐτῶς καὶ τὰ ὀπισθεν σκέλη καθαιρέτω. [3] εἰδέναι δὲ χρή τὸν περὶ τὸν ἵππον ὅτι καὶ ταῦτα καὶ τᾶλλα πάντα ὅσα πράττειν δεῖ ὡς ἥκιστα χρή κατὰ [τὸ] πρόσωπόν τε καὶ οὐρὰν ἀντίον ἑαυτὸν ποιήσαντα προσιέναι· ἦν γὰρ ἐπιχειρῇ ἀδικεῖν, κατ' ἀμφοτέρα ταῦτα κρείττων ὁ ἵππος ἀνθρώπου. ἐκ πλαγίου δ' ἂν τις προσιών ἀβλαβέστατα μὲν ἑαυτῷ, πλείστα δ' ἂν ἵππῳ δύναιτο χρησθαι. [4] ἐπειδὰν δὲ ἄγειν δέῃ τὸν ἵππον, τὴν μὲν ὀπισθεν ἀγωγὴν διὰ τάδε οὐκ ἐπαινοῦμεν, ὅτι τῷ μὲν ἄγοντι οὕτως ἥκιστα ἔστι φυλάξασθαι, τῷ δὲ ἵππῳ οὕτως μάλιστα ἔξεστι ποιῆσαι ὅ τι ἂν βούληται. [5] τὸ δ' αὖ ἔμπροσθεν μακρῷ τῷ ἀγωγεῖ προΐοντα διδάσκειν ὑφηγεῖσθαι τὸν ἵππον διὰ τάδε αὖ ψέγομεν· ἔξεστι μὲν γὰρ τῷ ἵππῳ καθ' ὅποτερ' ἂν βούληται τῶν πλαγίων κακουργεῖν, ἔξεστι δὲ ἀναστρεφόμενον ἀντίον γίγνεσθαι τῷ ἄγοντι. [6] ἀθρόοι δὲ δὴ ἵπποι πῶς ἂν ποτε ἀλλήλων δύναιντο ἀπέχεσθαι οὕτως ἀγόμενοι; ἐκ πλαγίου δὲ ἵππος ἐθισθεὶς παράγεσθαι ἥκιστα μὲν ἂν καὶ ἵππους καὶ ἀνθρώπους δύναιτ' ἂν κακουργεῖν, κάλλιστα δ' ἂν παρεσκευασμένος τῷ ἀναβάτῃ εἶη καὶ εἴ ποτε ἐν τάχει ἀναβῆναι δεήσειεν. [7] ἵνα δὲ ὁ ἵπποκόμος καὶ τὸν χαλινὸν ὀρθῶς ἐμβάλῃ, πρῶτον μὲν προσίτω κατὰ τὰ ἀριστερὰ τοῦ ἵππου· ἔπειτα τὰς μὲν ἡνίας περιβαλὼν περὶ τὴν κεφαλὴν καθέτω ἐπὶ τῇ ἀκρωμῑ, τὴν δὲ κορυφαίαν τῇ δεξιᾷ αἰρέτω, τὸ δὲ στόμιον τῇ ἀριστερᾷ προσφερέτω. [8] κἂν μὲν δέχεται, δῆλον ὅτι περιτιθέναι δεῖ τὸν κεκρύφαλον· ἔαν δὲ μὴ ὑποχάσκη, ἔχοντα δεῖ πρὸς τοῖς ὁδοῦσι τὸν χαλινὸν τὸν μέγαν δάκτυλον τῆς ἀριστερᾶς χειρὸς εἶσω τῆς γνάθου

τῷ ἵππῳ ποιῆσαι. οἱ γὰρ πολλοὶ τούτου γιγνομένου χαλῶσι τὸ στόμα. ἦν δὲ μὴδ' οὕτω δέχεται, πιεσάτω τὸ χεῖλος περὶ τῷ κυνόδοντι· καὶ πάνυ τινὲς ὀλίγοι οὐ δέχονται τοῦτο πάσχοντες. [9] δεδιδάχθω δὲ καὶ τάδε ὁ ἵπποκόμος, πρῶτον μὲν μήποτε ἄγειν τῆς ἡνίας τὸν ἵππον· τοῦτο γὰρ ἑτερογνάθων ποιεῖ· ἔπειτα δὲ ὅσον δεῖ ἀπέχειν τὸν χαλινὸν τῶν γνάθων. ὁ μὲν γὰρ ἄγαν πρὸς αὐταῖς τυλοῖ τὸ στόμα, ὥστε μὴ εὐαίσθητον εἶναι, ὁ δὲ ἄγαν εἰς ἄκρον τὸ στόμα καθίμενος ἐξουσίαν παρέχει συνδάκνοντι τὸ στόμιον μὴ πείθεσθαι. [10] χρὴ δὲ τὸν ἵπποκόμον καὶ τὰ τοιάδε παρατηρεῖν, εἰ μὴ ραιδίως τὸν χαλινὸν ὁ ἵππος δέχεται, αἰσθανόμενος ὅτι δεῖ πονεῖν. οὕτω γὰρ δὴ μέγα ἐστὶ τὸ λαμβάνειν ἐθέλειν τὸν ἵππον τὸν χαλινὸν ὥς ὁ μὴ δεχόμενος παντάπασιν ἄχρηστος. [11] ἦν δὲ μὴ μόνον ὅταν πονεῖν μέλλῃ χαλινῶται, ἀλλὰ καὶ ὅταν ἐπὶ τὸν σῖτον καὶ ὅταν ἐξ ἵππασίας εἰς οἶκον ἀπάγῃται, οὐδὲν ἂν εἴη θαυμαστὸν εἰ ἀρπάξῃ τὸν χαλινὸν αὐτόματος προτεινόμενον. [12] ἀγαθὸν δὲ τὸν ἵπποκόμον καὶ ἀναβάλλειν ἐπιστασθαι τὸν Περσικὸν τρόπον, ὅπως αὐτός τε ὁ δεσπότης, ἦν ποτε ἀρρωστήσῃ ἢ πρεσβύτερος γένηται, ἔχῃ τὸν εὐπετῶς ἀναβιβάσοντα καὶ ἄλλῳ ἦν τινι βούλῃται τὸν ἀναβαλοῦντα ἐπιχαρίσῃται. [13] τὸ δὲ μήποτε σὺν ὀργῇ ἵππῳ προσφέρεσθαι, ἐν τοῦτο καὶ δίδαγμα καὶ ἔθισμα πρὸς ἵππον ἄριστον. ἀπρονόητον γὰρ ἡ ὀργή, ὥστε πολλάκις ἐξεργάζεται ὧν μεταμέλειν ἀνάγκη. [14] καὶ ὅταν δὲ ὑποπτεύσας τι ὁ ἵππος μὴ θέλῃ πρὸς τοῦτο προσιέναι, διδάσκειν δεῖ ὅτι οὐ δεινὸν ἐστὶ μάλιστα μὲν οὖν ἵππῳ εὐκαρδίῳ, εἰ δὲ μή, ἀπτόμενον αὐτὸν τοῦ δεινοῦ δοκοῦντος εἶναι καὶ τὸν ἵππον πράϊως προσάγοντα. [15] οἱ δὲ πληγαῖς ἀναγκάζοντες ἔτι πλείω φόβον παρέχουσιν· οἶοντα γὰρ οἱ ἵπποι, ὅταν τι χαλεπὸν πάσχωσιν ἐν τῷ τοιούτῳ, καὶ τούτου τὰ ὑποπτευόμενα αἷτια εἶναι. [16] ἐπειδὴν γε μὴν ὁ ἵπποκόμος τὸν ἵππον παραδῶι τῷ ἀναβάτῃ, τὸ μὲν ἐπίστασθαι ὑποβιβάζεσθαι τὸν ἵππον, ὥστε εὐπετεῖς εἶναι ἀναβῆναι, οὐ μεμφόμεθα· τὸν γε μέντοι ἵππεά νομίζομεν χρῆναι μελετᾶν καὶ μὴ παρέχοντος ἵππου δύνασθαι ἀναβαίνειν. ἄλλοτε μὲν γὰρ ἄλλοις ἵππος παραπίπτει, ἄλλοτε δ' ἄλλως ὁ αὐτὸς ὑπηρετεῖ.

Κεφάλαιον ζ'

[1] Ὅταν γε μὴν παραδέξηται τὸν ἵππον ὥς ἀναβησόμενος, νῦν αὖ γράψομεν ὅσα ποιῶν ὁ ἵππεὺς καὶ ἑαυτῷ καὶ τῷ ἵππῳ ὠφελιμώτατος ἂν ἐν τῇ ἵππικῇ εἴῃ. πρῶτον μὲν τοίνυν τὸν

ρύταγωγέα χρή ἐκ τῆς ὑποχαλινιδίας ἢ ἐκ τοῦ ψαλίου ἡρτημένον
εὐτρεπῇ εἰς τὴν ἀριστερὰν χεῖρα λαβεῖν, καὶ οὕτω χαλαρὸν ὥς μήτ’
ἂν [ἀνίων] τῶν τριχῶν παρὰ τὰ ὦτα λαβόμενος μέλλῃ ἀναβήσεσθαι
μήτ’ ἂν ἀπὸ δόρατος ἀναπηδᾷ, σπᾶν τὸν ἵππον. τῇ δεξιᾷ δὲ τὰς
ἡνίας παρὰ τὴν ἀκρωμίαν λαμβανέτω ὁμοῦ τῇ χαίτῃ, ὅπως μηδὲ
καθ’ ἓνα τρόπον ἀναβαίνων σπάσῃ τῷ χαλινῷ τὸ στόμα τοῦ ἵππου.
[2] ἐπειδὴν δὲ ἀνακουφίσῃ ἑαυτὸν εἰς τὴν ἀνάβασιν, τῇ μὲν
ἀριστερᾷ ἀνιμάτω τὸ σῶμα, τὴν δὲ δεξιὰν ἐκτείνων συνεπαιρέτω
ἑαυτόν [οὕτω γὰρ ἀναβαίνων οὐδὲ ὀπισθεν αἰσχροὴν θέαν παρέξει
συγκεκαμμένῳ τῷ σκέλει], καὶ μηδὲ τὸ γόνυ ἐπὶ τὴν ῥάχιν τοῦ
τιθέτω ἵππου, ἀλλ’ ὑπερβησάτω ἐπὶ τὰς δεξιὰς πλευρὰς τὴν κνήμην.
ὅταν δὲ περιενέγκῃ τὸν πόδα, τότε καὶ τὸ γλουτὸν καθέτω ἐπὶ τὸν
ἵππον. [3] ἢν δὲ τύχῃ ὁ ἵππεὺς τῇ μὲν ἀριστερᾷ ἄγων τὸν ἵππον, τῇ
δὲ δεξιᾷ τὸ δόρυ ἔχων, ἀγαθὸν μὲν ἡμῖν δοκεῖ εἶναι τὸ καὶ ἐκ τῶν
δεξιῶν μελετῆσαι ἀναπηδᾶν. μαθεῖν δ’ οὐδὲν δεῖ ἄλλο ἢ ἃ μὲν τότε
τοῖς δεξιοῖς τοῦ σώματος ἐποίει τοῖς ἀριστεροῖς ποιεῖν, ἃ δὲ τότε τοῖς
ἀριστεροῖς τοῖς δεξιοῖς. [4] τούτου δ’ ἔνεκεν καὶ ταύτην ἐπαινοῦμεν
τὴν ἀνάβασιν, ὅτι ἅμα τε ἀναβεβηκὼς ἂν εἴῃ καὶ κατεσκευασμένος
πάντα, εἴ τι δέοι ἐξάιφνης πρὸς πολεμίους ἀγωνίζεσθαι. [5] ἐπειδὴν γε
μὴν καθέζηται ἔάν τε ἐπὶ ψιλοῦ ἔάν τε ἐπὶ τοῦ ἐφιππίου, οὐ τὴν
ὥσπερ ἐπὶ [τοῦ] δίφρου ἔδραν ἐπαινοῦμεν, ἀλλὰ τὴν ὥσπερ εἰ ὀρθὸς
ἂν διαβεβηκὼς εἴῃ τοῖν σκελοῖν. τοῖν τε γὰρ μηροῖν οὕτως ἂν ἔχοιτο
μᾶλλον τοῦ ἵππου, καὶ ὀρθὸς ὢν ἐρρωμενεστέρω ἂν δύναιτο καὶ
ἀκοντίσαι καὶ πατάξαι ἀπὸ τοῦ ἵππου, [6] εἰ δέοι. χρή δὲ καὶ χαλαρὰν
ἀπὸ τοῦ γόνατος ἀφεῖσθαι τὴν κνήμην σὺν τῷ ποδί. σκληρὸν μὲν
γὰρ ἔχων τὸ σκέλος εἰ προσκόψειέ τῳ, προσκεκλασμένος ἂν εἴῃ·
ὕγρα δὲ οὔσα ἡ κνήμη, εἴ τι καὶ προσπίπτῃ αὐτῇ, ὑπεῖκοι ἂν καὶ τὸν
μηρὸν οὐδὲν μετακινοίῃ. [7] δεῖ δὲ τὸν ἵππεά καὶ τὸ ἄνωθεν τῶν
ἑαυτοῦ ἰσχύων σῶμα ὥς ὑγρότατον ἐθίζειν εἶναι. οὕτω γὰρ ἂν πονεῖν
τε ἔτι μᾶλλον δύναιτο καὶ εἰ ἔλκοι τις αὐτόν ἢ ὠθοίῃ ἥττον ἂν
σφάλλοιο. [8] ἐπειδὴν γε μὴν καθέζηται, πρῶτον μὲν ἡρεμεῖν δεῖ
διδάσκειν τὸν ἵππον, ἕως ἂν καὶ ὑποσπάσῃται, ἢν τι δέηται, καὶ ἡνίας
ἰσώσῃται καὶ δόρυ λάβῃ ὥς ἂν εὐφορώτατον εἴῃ· ἔπειτα δὲ ἐχέτω
τὸν ἀριστερὸν βραχίονα πρὸς ταῖς πλευραῖς· οὕτω γὰρ
εὐσταλέστατός τε ὁ ἵππεὺς ἔσται καὶ ἡ χεὶρ ἐγκρατεστάτη. [9] ἡνίας
γε μὴν ἐπαινοῦμεν ὅποια ἴσαι τέ εἰσι καὶ μὴ ἀσθενεῖς μηδὲ
ὀλισθηραὶ μηδὲ παχεῖαι, ἵνα καὶ τὸ δόρυ ὅταν δέῃ δέχεσθαι ἡ χεὶρ

δύνηται.

[10] Ὅταν δὲ προχωρεῖν σημήνηι τῷ ἵππῳ, βάδην μὲν ἀρχέσθω· τοῦτο γὰρ ἀταρακτότατον. ἡνιοχεῖται δέ, ἥν μὲν κυφαγωγότερος ἢ ὁ ἵππος, ἀνωτέρω ταῖς χερσίν, ἥν δὲ μᾶλλον ἀνακεκυφώς, κατωτέρω· οὕτω γὰρ ἂν μάλιστα κοσμοίῃ τὸ σχῆμα. [11] μετὰ δὲ ταῦτα τὸν αὐτοφυᾶ διατροχάζων διαχαλώῃ τ' ἂν ἀλυπότατα τὸ σῶμα καὶ εἰς τὸ ἐπιρραβδοφορεῖν ἥδιστ' ἂν ἀφικνοῖτο. ἐπεὶ περ δὲ καὶ ἀπὸ τῶν ἀριστερῶν ἄρχεσθαι εὐδοκιμώτερον, ὧδ' ἂν μάλιστα ἀπὸ τούτων ἄρχοιτο, εἰ διατροχάζοντος μὲν, ὁπότε ἐμβαίνει τῷ δεξιῷ, τότε σημαίνει τῷ ἵππῳ τὸ ἐπιρραβδοφορεῖν. [12] τὸ γὰρ ἀριστερὸν μέλλων αἶρειν ἐκ τούτου ἂν ἄρχοιτο, καὶ ὁπότε ἐπὶ τὰ εὐώνυμα ἀναστρέφοι, τότε καὶ τῆς ἐπισκελίσεως ἄρχοιτο. καὶ γὰρ πέφυκεν ὁ ἵππος εἰς μὲν τὰ δεξιὰ στρεφόμενος τοῖς δεξιοῖς ἀφηγεῖσθαι, εἰς εὐώνυμα δὲ τοῖς ἀριστεροῖς. [13] Ἰππασίαν δ' ἐπαινοῦμεν τὴν πέδην καλουμένην· ἐπ' ἀμφοτέρας γὰρ τὰς γνάθους στρέφεσθαι ἐθίζει. καὶ τὸ μεταβάλλεσθαι δὲ τὴν ἰππασίαν ἀγαθόν, ἵνα ἀμφοτέραι αἱ γνάθοι καθ' ἑκάτερον τῆς ἰππασίας ἰσάζωνται.

[14] ἐπαινοῦμεν δὲ καὶ τὴν ἑτερομήκη πέδην μᾶλλον τῆς κυκλοτεροῦς. ἥδιον μὲν γὰρ οὕτως ἂν στρέφοιτο ὁ ἵππος ἥδη πλήρης ὢν τοῦ εὐθέος, καὶ τό τε ὀρθοδρομεῖν καὶ τὸ ἀποκάμπτειν ἅμα μελετώῃ ἂν. [15] δεῖ δὲ καὶ ὑπολαμβάνειν ἐν ταῖς στροφαῖς· οὐ γὰρ ραίδιον τῷ ἵππῳ οὐδ' ἀσφαλὲς ἐν τῷ τάχει ὄντα κάμπτειν ἐν μικρῷ, ἄλλως τε καὶ ἀπόκροτον ἢ ὀλισθηρὸν ἢ τὸ χωρίον. [16] ὅταν γε μὴν ὑπολαμβάνῃ, ὥς ἥκιστα μὲν χρὴ τὸν ἵππον πλαγιοῦν τῷ χαλινῷ, ὥς ἥκιστα δ' αὐτὸν πλαγιοῦσθαι· εἰ δὲ μή, εὖ χρὴ εἰδέναι ὅτι μικρὰ πρόφασις ἀρκέσει κεῖσθαι καὶ αὐτὸν καὶ τὸν ἵππον. [17] ἐπειδὴν γε μὴν ἐκ τῆς στροφῆς εἰς τὸ εὐθὺ βλέπῃ ὁ ἵππος, ἐν τούτῳ πρὸς τὸ θάπτον αὐτὸν ὀρμάτω. δῆλον γὰρ ὅτι καὶ ἐν τοῖς πολέμοις αἱ στροφαὶ εἰσι τοῦ διώκειν ἢ τοῦ ἀποχωρεῖν ἕνεκα. ἀγαθὸν οὖν τὸ στραφέντα ταχύνειν μελετᾶν. [18] ὅταν δὲ ἱκανῶς ἥδη δοκῇ τὸ γυμνάσιον τῷ ἵππῳ ἔχειν, ἀγαθὸν καὶ διαναπαύσαντα ὀρμῆσαι αὐθις ἐξαίφνης εἰς τὸ τάχιστον, καὶ ἀφ' ἵππων μέντοι, μὴ πρὸς ἵππους· καὶ ἐκ τοῦ ταχέος αὖ ὥς ἐγγυτάτω ἡρεμίζειν, καὶ ἐκ τοῦ ἐστάναι δὲ στρέψαντα [δεῖ] πάλιν ὀρμᾶν· πρόδηλον γὰρ ὅτι ἔσται ποτὲ ὅτε ἑκατέρου τούτων δεῖσει· [19] ὅταν γε μὴν καταβαίνειν ἥδη καιρὸς ἦι, μήτε ἐν ἵπποις ποτὲ καταβαίνειν μήτε παρὰ σύστασιν ἀνθρώπων μήτ' ἔξω τῆς ἰππασίας, ἀλλ' ὅπου περ καὶ πονεῖν

ἀναγκάζεται ὁ ἵππος, ἐνταῦθα καὶ τῆς ραιστώνης τυγχανέτω.

Κεφάλαιον η΄

[1] Ἐπείπερ δὲ ἔστιν ὅπου τρέχειν δεήσει τὸν ἵππον καὶ πρηνῇ καὶ ὄρθια καὶ πλάγια, ἔστι δ' ὅπου διαπηδᾶν, ἔστι δ' ὅπου καὶ ἐκπηδᾶν, ἔνθα δὲ καθάλλεσθαι, καὶ ταῦτα πάντα διδάσκειν τε δεῖ καὶ μελετᾶν καὶ αὐτὸν καὶ τὸν ἵππον. οὕτω γὰρ ἂν σωτήριοί τε εἶεν ἀλλήλοις καὶ καθόλου χρησιμώτεροι ἂν δοκοῖεν εἶναι. [2] εἰ δέ τις διλογεῖν ἡμᾶς οἶεται, ὅτι περὶ τῶν αὐτῶν λέγομεν νῦν τε καὶ πρόσθεν, οὐ διλογία ταῦτ' ἐστίν. ὅτε μὲν γὰρ ἐωνεῖτο, πειρᾶσθαι ἐκελεύομεν εἰ δύναιτο ὁ ἵππος ταῦτα ποιεῖν· νῦν δὲ διδάσκειν φαμὲν χρῆναι τὸν ἑαυτοῦ καὶ γράψομεν ὥς δεῖ διδάσκειν. [3] τὸν μὲν γὰρ παντάπασιν ἄπειρον τοῦ διαπηδᾶν λαβόντα δεῖ τοῦ ἀγωγέως καταβεβλημένου προδιαβῆναι αὐτὸν τὴν τάφρον, ἔπειτα δὲ ἐντείνειν δεῖ τῷ ἀγωγεῖ ὥς διάλλεται. [4] ἦν δὲ μὴ ἐθέλη, ἔχων τις μάστιγα ἢ ράβδον ἐμβαλέτω ὥς ἰσχυρότατα· καὶ οὕτως ὑπεραλεῖται οὐ τὸ μέτρον, ἀλλὰ πολὺ πλέον τοῦ καιρίου· καὶ τὸ λοιπὸν οὐδὲν δεήσει παίειν, ἀλλ' ἦν μόνον ἴδηι ὀπισθεν τινα ἐπελθόντα, ἀλεῖται. [5] ἐπειδὴν δὲ οὕτω διαπηδᾶν ἐθισθῇ, καὶ ἀναβεβηκῶς ἐπαγέτω τὸ μὲν πρῶτον μικράς, ἔπειτα δὲ καὶ μείζους. ὅταν δὲ μέλλῃ πηδᾶν, παισάτω αὐτὸν τῷ μύωπι. ὡσαύτως δὲ καὶ τὸ ἀναπηδᾶν καὶ τὸ καταπηδᾶν διδάσκειν παίσαντα τῷ μύωπι. ἄθρόωι γὰρ τῷ σώματι ταῦτα πάντα ποιῶν καὶ ἑαυτῷ ὁ ἵππος καὶ τῷ ἀναβάτῃ ἀσφαλέστερον ποιήσει μᾶλλον ἢ ἂν ἐκλείπηι τὰ ὀπισθεν ἢ διαπηδῶν ἢ ἀνορούων ἢ καθαλλόμενος. [6] εἷς γε μὴν τὸ κάταντες πρῶτον χρῆ ἐν μαλακῷ χωρίῳ διδάσκειν, καὶ τελευτῶν, ἐπειδὴν τοῦτο ἐθισθῇ, πολὺ ἥδιον τὸ πρηνὲς τοῦ ὀρθίου δραμεῖται. ἃ δὲ φοβοῦνται τινες μὴ ἀπορρηγνύονται τοὺς ὤμους κατὰ τὰ πρηνῇ ἐλαινόμενοι, θαρρούντων μαθόντες ὅτι Πέρσαι καὶ Ὀδρύσαι ἅπαντες τὰ κατάντη ἀμιλλώμενοι οὐδὲν ἥττον τῶν Ἑλλήνων ὑγιεῖς τοὺς ἵππους ἔχουσι.

[7] Παρήσομεν δὲ οὐδὲ ὅπως τὸν ἀναβάτην ὑπηρετεῖν δεῖ πρὸς ἕκαστα τούτων. χρῆ γὰρ ὀρμῶντος μὲν ἐξαίφνης τοῦ ἵππου προνεύειν· ἥττον γὰρ ἂν καὶ ὑποδύοι ὁ ἵππος καὶ ἀναβάλλοι τὸν ἀναβάτην· ἐν μικρῷ δὲ ἀναλαμβάνομένου ἀναπίπτειν· ἥττον γὰρ ἂν αὐτὸς κόπτοιτο. [8] τάφρον δὲ διαλλομένου καὶ πρὸς ὀρθιον ἰέμενου καλὸν χαίτης ἐπιλαμβάνεσθαι, ὥς μὴ ὁ ἵππος τῷ τε χωρίῳ ἅμα καὶ τῷ χαλινῷ βαρύνηται. εἷς γε μὴν τὸ πρηνὲς καὶ ἑαυτὸν ὑπτιώτερον

ποιητέον καὶ τοῦ ἵππου ἀντιληπτέον τῷ χαλινῷ, ὥς μὴ προπετῶς εἰς τὸ κάταντες μῆτε αὐτὸς μῆτε ὁ ἵππος φέρεται.

[9] Ὅρθῳς δ' ἔχει καὶ τὸ ἄλλοτε μὲν ἐν ἄλλοις τόποις, ἄλλοτε δὲ μακράς, ἄλλοτε δὲ βραχείας τὰς ἵππασίας ποιεῖσθαι. ἀμισέστερα γὰρ καὶ ταῦτα τῷ ἵππῳ τοῦ ἀεὶ ἐν τοῖς αὐτοῖς τόποις καὶ ὁμοίας τὰς ἵππασίας ποιεῖσθαι. [10] ἐπεὶ δὲ δεῖ ἐν παντοίοις τε χωρίοις τὸν ἵππεα ἀνὰ κράτος ἐλαύνοντα ἔποχον εἶναι καὶ ἀπὸ τοῦ ἵππου τοῖς ὅπλοις καλῶς δύνασθαι χρῆσθαι, ὅπου μὲν ἐστὶ χωρία ἐπιτήδεια καὶ θηρία, ἄμεμπτος ἢ ἐν θήραις μελέτη τῆς ἵππικῆς· ὅπου δὲ ταῦτα μὴ ὑπάρχει, ἀγαθὴ ἄσκησις καὶ ἦν δύο ἱππότης συνθεμένῳ ὁ μὲν φεύγει ἐπὶ τοῦ ἵππου παντοῖα χωρία καὶ τὸ δόρυ εἰς τοῦπισθεν μεταβαλόμενος ὑποχωρῇ, ὁ δὲ διώκει ἐσφαιρωμένα τε ἔχων ἀκόντια καὶ δόρυ ὡσαύτως πεπραγματευμένον, καὶ ὅπου μὲν ἂν εἰς ἀκόντιον ἀφικνῇται, ἀκοντίζει τὸν φεύγοντα τοῖς σφαιρωτοῖς, ὅπου δ' ἂν εἰς δόρατος πληγῇ, τῷ δόρατι παίη τὸν ἀλίσκόμενον. [11] ἀγαθὸν δὲ καὶ ποτε συμπέσωσιν, ἐλκύσαντα ἐφ' ἑαυτὸν τὸν πολέμιον ἐξαίφνης ἀπῶσαι· τοῦτο γὰρ καταβλητικόν. ὁρθῳς δὲ ἔχει καὶ τῷ ἐλκομένῳ ἐπελαύνειν τὸν ἵππον· τοῦτο γὰρ ποιῶν ὁ ἐλκόμενος καταβάλῃ ἂν μᾶλλον τὸν ἔλκοντα ἢ καταπέσοι. [12] ἦν δὲ ποτε καὶ στρατοπέδου ἀντικαθημένου ἀνθιππεύωσιν ἀλλήλοις, καὶ διώκῃσι μὲν μέχρι τῆς πολεμίας φάλαγγος τοὺς ἀντίους, φεύγῃσι δὲ μέχρι τῆς φιλίας, ἀγαθὸν καὶ ἐνταῦθα ἐπίστασθαι ὅτι ἕως μὲν ἂν παρὰ τοὺς φίλους τις ᾖ, καλὸν καὶ ἀσφαλὲς τὸ ἐν πρώτοις ἀναστρέψαντα ἀνὰ κράτος ἐπικεῖσθαι, ὅταν δ' ἐγγὺς τῶν ἐναντίων γίγνηται, ὑποχείριον τὸν ἵππον ἔχειν. οὕτω γὰρ ἂν ὥς τὸ εἰκὸς μάλιστα δύναιτο βλάπτων τοὺς ἐναντίους μὴ βλάπτεσθαι ὑπ' αὐτῶν. [13] ἀνθρώποις μὲν οὖν ἄνθρωπον ἔδοσαν οἱ θεοὶ λόγῳ διδάσκειν ἃ δεῖ ποιεῖν, ἵππον δὲ δῆλον ὅτι λόγῳ μὲν οὐδὲν ἂν διδάξαις· ἦν δὲ ὅταν μὲν ποιήσῃ ὥς ἂν βούλοιο, ἀντιχαρίσῃ τι αὐτῷ, ὅταν δὲ ἀπειθῇ, κολάζῃς, οὕτω μάλιστ' ἂν μάθοι τὸ δέον ὑπηρετεῖν. [14] καὶ ἔστι μὲν τοῦτο ἐν βραχεῖ εἰπεῖν, δι' ὅλης δὲ τῆς ἵππικῆς παρακολουθεῖ. καὶ γὰρ χαλινὸν μᾶλλον ἂν λαμβάνοι, εἴ ὁπότε δέξαιτο ἀγαθόν τι αὐτῷ ἀποβαίνει· καὶ διαπηδῶν δ' ἂν καὶ ἐξάλλοιτο καὶ τᾶλλα πάντα ὑπηρετοίῃ ἂν, εἰ προσδοκῶν, ὁπότε τὰ σημαινόμενα πράξειε, ραιστώνῃ τινά.

Κεφάλαιον θ'

[1] Καὶ τὰ μὲν δὴ εἰρημένα ταῦτ' ἐστίν, ὥς ἂν ἥκιστα μὲν

ἐξαπατῶιτο καὶ πῶλον καὶ ἵππον ὠνούμενος, ἥκιστα δ' ἂν διαφθείροι χρώμενος, μάλιστα δ' ἂν ἵππον ἀποδεικνύοι, εἰ δέοι, ἔχοντα ὦν ἵππεὺς δεῖται εἰς πόλεμον. καιρὸς δ' ἴσως γράψαι καί, εἴ ποτε συμβαίῃ θυμοειδεστέρῳ ἵππῳ τοῦ καιρίου χρῆσθαι ἢ βλακωδεστέρῳ, ὥς ἂν ὀρθότατα ἐκατέρῳ χρῶιτο. [2] πρῶτον μὲν τοίνυν χρὴ τοῦτο γνῶναι, ὅτι ἐστὶ θυμὸς ἵππῳ ὅπερ ὀργὴ ἀνθρώπῳ. ὥσπερ οὖν ἄνθρωπον ἥκιστ' ἂν ὀργίζοι τις [ὁ] μῆτε λέγων χαλεπὸν μηδὲν μῆτε ποιῶν, οὕτω καὶ ἵππον θυμοειδῆ ὁ μὴ ἀνιῶν ἥκιστ' ἂν ἐξοργίζοι. [3] εὐθύς μὲν οὖν χρὴ ἐν τῇ ἀναβάσει ἐπιμελεῖσθαι ὥς ἂν ἥκιστ' ἀναβαίνων λυποίῃ· ἐπειδὴν δὲ ἀναβῇ, ἡρεμήσαντα πλείω χρόνον ἢ τὸν ἐπιτυχόντα οὕτω προκινεῖν αὐτὸν ὥς πραιοτάτοις σημείοις· ἔπειτα δ' ἐκ τοῦ βραδυτάτου ἀρχόμενον οὕτως αὖ εἰς τὸ θᾶττον προάγειν, ὥς ἂν μάλιστα λανθάνοι αὐτὸν ὁ ἵππος εἰς τὸ ταχὺ ἀφικνούμενος. [4] ὅ τι δ' ἂν ἐξαίφνης σημήνηι, θυμοειδῆ ἵππον ὥσπερ ἄνθρωπον ταράττει τὰ ἐξαπίναια καὶ ὀράματα καὶ ἀκούσματα καὶ παθήματα. εἰδέναι δὲ χρὴ ὅτι καὶ ἐν ἵππῳ τὰ ἐξαπίναια τάραχον ἐξεργάζεται. [5] ἦν δὲ καὶ εἰς τὸ θᾶττον ὀρμώμενον τοῦ καιροῦ ὑπολαμβάνειν βούλῃ τὸν θυμοειδῆ, οὐ δεῖ ἐξαπιναιῶς σπᾶν, ἀλλ' ἡρεμαίως προσάγεσθαι τῷ χαλινῷ, πραύνοντα, οὐ βιαζόμενον ἡρεμεῖν. [6] καὶ αἱ τε μακραὶ ἐλάσεις μᾶλλον ἢ αἱ πυκναὶ ἀποστροφαὶ πραύνουσι τοὺς ἵππους, καὶ αἱ ἡσυχαῖοι μὲν, πολυχρόνιοι δὲ καθέψουσι καὶ πραύνουσι καὶ οὐκ ἀνεγείρουσι τὸν θυμοειδῆ. [7] εἰ δὲ τις οἶεται, ἦν ταχὺ καὶ πολλὰ ἐλαύνηται, ἀπειπεῖν ποιήσας τὸν ἵππον πραύνειν, τάναντία γινώσκει τοῦ γιγνομένου. ἐν γὰρ τοῖς τοιούτοις ὁ θυμοειδὴς καὶ ἄγειν βίαι μάλιστα ἐπιχειρεῖ καὶ σὺν τῇ ὀργῇ, ὥσπερ ἄνθρωπος ὀργίλος, πολλάκις καὶ ἑαυτὸν καὶ τὸν ἀναβάτην πολλὰ ἀνήκεστα ἐποίησεν. [8] ἐπιλαμβάνειν δὲ χρὴ ἵππον θυμοειδῆ καὶ τότε τοῦ εἰς τὸ τάχιστον ὀρμαῖν, τοῦ δὲ δὴ παραβάλλειν ἵππῳ καὶ παντάπασιν ἀπέχεσθαι· σχεδὸν γὰρ οἱ θυμοειδέστατοι καὶ φιλονικότατοι τῶν ἵππων γίνονται. [9] καὶ χαλινοὶ δὲ οἱ λεῖοι ἐπιτηδειότεροι τῶν τραχέων. ἐὰν δὲ καὶ τραχὺς ἐμβληθῇ, τῇ χαλαρότητι λείῳ δεῖ αὐτὸν ἀφομοιοῦν. ἀγαθὸν δὲ ἐθίζειν αὐτὸν καὶ τὸ ἡρεμεῖν, μάλιστα ἐπὶ θυμοειδοῦς ἵππου, καὶ τὸ ὥς ἥκιστα ἄλλῳ τινὶ ἄπτεσθαι ἢ οἷς τοῦ καθῆσθαι ἀσφαλῶς ἔνεκα ἀπτόμεθα. [10] εἰδέναι δὲ χρὴ ὅτι δίδαγμα τί ἐστὶ καὶ τὸ ποππυσμῷ μὲν πραύνεσθαι, κλωσμῷ δὲ ἐγείρεσθαι, καὶ εἴ τις ἐξ ἀρχῆς ἐπὶ μὲν κλωσμῷ τὰ πραέα, ἐπὶ δὲ ποππυσμῷ τὰ χαλεπὰ προσφέρει, μάθοι ἂν ὁ ἵππος

ποπτυσμῶι μὲν ἐγείρεσθαι, κλωσμῶι δὲ πρᾶύνεσθαι. [11] οὕτως οὖν δεῖ καὶ παρὰ κραυγὴν καὶ παρὰ σάλπιγγα μῆτ' αὐτὸν φαίνεσθαι τεθορυβημένον τῶι ἵππῳ μῆτε μὴν ἐκείνῳι θορυβῶδες μηδὲν προσφέρειν, ἀλλ' εἰς τὸ δυνατόν καὶ ἀναπαύειν ἐν τῶι τοιούτῳ καὶ ἄριστα καὶ δεῖπνα, εἰ ἐγχωροίη, προσφέρειν. [12] κάλλιστον δὲ συμβούλευμα τὸ ἄγαν θυμοειδῆ ἵππον μὴ κτᾶσθαι εἰς πόλεμον. βλᾶκα γε μὴν ἵππον ἄρκεῖν μοι δοκεῖ γράψαι πάντα τὰναντία ποιεῖν ὅσων τῶι θυμοειδεῖ χρῆσθαι συμβουλευόμεν.

Κεφάλαιον ι'

[1] Ἦν δέ τις ποτε βουληθῆι χρῆσθαι τῶι χρησίμῳι εἰς πόλεμον ἵππῳ ὥς μεγαλοπρεπεστέρωι τε καὶ περιβλεπτοτέρῳι ἱπάζεσθαι, τοῦ μὲν ἔλκειν τε τὸ στόμα τῶι χαλινῶι καὶ μυωπίζειν τε καὶ μαστιγοῦν τὸν ἵππον, ἃ οἱ πολλοὶ ποιοῦντες λαμπρύνειν οἶονται, ἀπέχεσθαι δεῖ· πάντα γὰρ τὰναντία οὗτοί γε ποιοῦσιν ὧν βούλονται. [2] τά τε γὰρ στόματα ἔλκοντες ἄνω ἀντὶ τοῦ προορᾶν ἐκτυφλοῦσι τοὺς ἵππους καὶ μυωπίζοντες καὶ παίοντες ἐκπλήττουσιν, ὥς τεταράχθαι καὶ κινδυνεύειν. ταῦτα δ' ἐστὶν ἵππων ἔργα τῶν μάλιστα ἀχθομένων ἱπασίαι καὶ αἰσχροὶ καὶ οὐ καλὰ ποιούντων. [3] ἐὰν δέ τις διδάξῃ τὸν ἵππον ἐν χαλαρῶι μὲν τῶι χαλινῶι ἱππεύειν, ἄνω δὲ τὸν αὐχένα αἶρειν, ἀπὸ δὲ τῆς κεφαλῆς κυρτοῦσθαι, οὕτως ἂν ἀπεργάζοιτο ποιεῖν τὸν ἵππον οἷοισπερ καὶ αὐτὸς ἤδεταί τε καὶ ἀγάλλεται. [4] τεκμήριον δὲ ὅτι τούτοις ἤδεταί· ὅταν γὰρ αὐτὸς σχηματοποιεῖσθαι θέλῃ παρ' ἵππους, μάλιστα δὲ ὅταν παρὰ θηλείας, τότε αἶρει τε τὸν αὐχένα ἄνω καὶ κυρτοῖ μάλιστα τὴν κεφαλὴν γοργοῦμενος, καὶ τὰ μὲν σκέλη ὑγρὰ μετεωρίζει, τὴν δὲ σὺρὰν ἄνω ἀνατείνει. [5] ὅταν οὖν τις αὐτὸν εἰς ταῦτα προάγῃ ἅπερ αὐτὸς σχηματοποιεῖται, ὅταν μάλιστα καλλωπίζεται, οὕτως ἡδόμενόν τε τῇ ἱπασίᾳ καὶ μεγαλοπρεπῇ καὶ γοργὸν καὶ περιβλεπτον ἀποφαίνει τὸν ἵππον. ὥς οὖν ἡγούμεθα ταῦτ' ἂν ἀπεργασθῆναι νῦν αὖ πειρασόμεθα διηγεῖσθαι.

[6] Πρῶτον μὲν τοίνυν χρὴ οὐ μείον δυοῖν χαλινοῖν κεκτῆσθαι. τούτων δὲ ἕστω ὁ μὲν λειῖος, τοὺς τροχοὺς εὐμεγέθεις ἔχων, ὁ δ' ἕτερος τοὺς μὲν τροχοὺς καὶ βαρεῖς καὶ ταπεινοὺς, τοὺς δ' ἐχίνους ὀξεῖς, ἵνα, ὅποταν μὲν τοῦτον λάβῃ, ἀσχάλλων τῇ τραχύτητι διὰ τοῦτο ἀφίη, ὅταν δὲ τὸν λειῖον μεταλάβῃ, τῇ μὲν λειότητι αὐτοῦ ἡσθῇ, ἃ δ' ἂν ὑπὸ τοῦ τραχέος παιδευθῇ, ταῦτα δὲ καὶ ἐν τῶι λείῳ

ποιῆι. [7] ἦν δ' αὖ καταφρονήσας τῆς λειότητος θαμινὰ ἀπερείδεται ἐν αὐτῷ, τούτου ἔνεκα τοὺς τροχοὺς μεγάλους τῷ λείῳ προστίθεμεν, ἵνα χάσκειν ἀναγκαζόμενος ὑπ' αὐτῶν ἀφίηι τὸ στόμιον. οἷόν τε δὲ καὶ τὸν τραχὺν παντοδαπὸν ποιεῖν καὶ κατελθόντα καὶ κατατείνοντα. ὅποιοι δ' ἂν ὧσι χαλινοί, πάντες ὕγροί ἔστωσαν. [8] τὸν μὲν γὰρ σκληρόν, ὅπῃ ἂν ὁ ἵππος λάβῃ, ὅλον ἔχει πρὸς ταῖς γνάθοις, ὥσπερ καὶ ὀβελίσκον, ὁπόθεν ἂν τις λάβῃ, ὅλον αἶρει. [9] ὁ δὲ ἕτερος ὥσπερ ἡ ἄλυσις ποιεῖ· ὁ γὰρ ἂν ἔχῃ τις αὐτοῦ, τοῦτο μόνον ἄκαμπτον μένει, τὸ δὲ ἄλλο ἀπήρηται. τὸ δὲ φεῦγον ἐν τῷ στόματι ἀεὶ θηρεύων ἀφίησιν ἀπὸ τῶν γνάθων τὸ στόμιον· τούτου ἔνεκα καὶ οἱ κατὰ μέσον ἐκ τῶν ἄξόνων δακτύλιοι κρεμάννυνται, ὅπως τούτους διώκων τῇ τε γλώττῃ καὶ τοῖς ὁδοῦσιν ἀμελῇι τοῦ ἀναλαμβάνειν πρὸς τὰς γνάθους τὸν χαλινόν. [10] εἰ δέ τις ἀγνοεῖ, τί τὸ ὑγρὸν τοῦ χαλινοῦ καὶ τί τὸ σκληρόν, γράψομεν καὶ τοῦτο. ὑγρὸν μὲν γάρ ἐστιν ὅταν οἱ ἄξονες εὐρείας καὶ λείας ἔχῃσι τὰς συμβολάς, ὥστε ραϊδίως κάμπτεσθαι· καὶ πάντα δὲ ὁπόσα περιτίθεται περὶ τοὺς ἄξονας ἦν εὐρύστομα ἢ καὶ μὴ σύμπυκνα, ὑγρότερα ἐστίν. [11] ἦν δὲ χαλεπῶς ἕκαστα τοῦ χαλινοῦ διατρέχει καὶ συνθέῃ, τοῦτ' ἐστὶ τὸ σκληρὸν εἶναι. ὅποῖος δ' ἂν τις ἦι, τούτῳ τάδε γε πάντα ταῦτα ποιητέον, ἥνπερ γε βούληται ἀποδείξασθαι τὸν ἵππον οἷον περ εἴρηται· [12] ἀνακρουστέον μὲν τὸ στόμα τοῦ ἵπου οὔτε ἄγαν χαλεπῶς ὥστ' ἐκνεύειν, οὔτε ἄγαν ἡσυχῶς ὥς μὴ αἰσθάνεσθαι· ἐπειδὰν δὲ ἀνακρουόμενος αἶρῃ τὸν αὐχένα, δοτέον εὐθύς τὸν χαλινόν. καὶ τᾶλλα δὲ δεῖ, ὥσπερ οὐ παυόμεθα λέγοντες, ἐν ᾧ ἂν καλῶς ὑπηρετῇ, χαρίζεσθαι τῷ ἵππῳ. [13] καὶ ὅταν δ' αἰσθηται ἡδόμενον τὸν ἵππον τῇ τε ὑψαυχενία καὶ τῇ χαλαρότητι, ἐν τούτῳ οὐδὲν δεῖ χαλαρὸν προσφέρειν ὥς πονεῖν ἀναγκάζοντα, ἀλλὰ θωπεύειν ὥς ἱπάσασθαι βουλόμενον· οὕτω γὰρ μάλιστα θαρρῶν πρόεισιν εἰς τὴν ταχεῖαν ἵππασίαν. [14] ὥς δὲ καὶ τῷ ταχὺ θεῖν ἵππος ἡδεταί τεκμήριον· ἐκφυγὼν γὰρ οὐδεὶς βάδην πορεύεται, ἀλλὰ θεῖ. τούτῳ γὰρ πέφυκεν ἡδεσθαι, ἦν μὴ τις πλείω τοῦ καιροῦ θεῖν ἀναγκάζῃ· ὑπερβάλλον δὲ τὸν καιρὸν οὐδὲν τῶν πάντων ἡδὺ οὔτε ἵππῳ οὔτε ἀνθρώπῳ. [15] ὅταν γε μὴν εἰς τὸ ἱπάζεσθαι μετὰ τοῦ κυδροῦ ἀφιγμένος ἦι, εἰθισμένος μὲν δήπου ἡμῖν ἦν ἐν τῇ πρώτῃ ἵππασίᾳ ἐκ τῶν στροφῶν εἰς τὸ θάπτον ὀρμᾶσθαι. ἦν δέ τις τοῦτο [μὲν] μεμαθηκότος αὐτοῦ ἅμα ἀντιλαμβάνηται τε τῷ χαλινῷ καὶ σημήνῃ τῶν ὀρμητηρίων τι, οὕτως ὑπὸ μὲν τοῦ χαλινοῦ

πιεσθείς, ὑπὸ δὲ τοῦ ὀρμᾶν σημανθῆναι ἐγερθεῖς, [καί] προβάλλεται
μὲν τὰ στέρνα, αἶρει δὲ ἄνω τὰ σκέλη ὀργίζομενος, οὐ μέντοι ὑγρά
γε· οὐ γὰρ μάλα ὅταν λυπῶνται ὑγροῖς τοῖς σκέλεσιν ἵπποι χρῶνται.
[16] ἦν δὲ τις οὕτως ἀνεξωπυρημένῳ αὐτῷ δῶι τὸν χαλινόν, ἐνταῦθ’
ὕφ’ ἡδονῆς τῷ διὰ τὴν χαλαρότητα τοῦ στομίου λελύσθαι νομίζειν,
κυδρῶι μὲν τῷ σχήματι, ὑγροῖν δὲ τοῖν σκελοῖν γαυριώμενος
φέρεται, παντάπασιν ἐκμιμούμενος τὸν πρὸς ἵππους καλλωπισμόν.
[17] καὶ οἱ θεώμενοι τὸν ἵππον τοιοῦτον ἐπικαλοῦσιν ἐλευθερίον τε
καὶ ἐθελουργὸν καὶ ἵππαστήν καὶ θυμοειδῆ καὶ σοβαρὸν καὶ ἅμα
ἡδύν τε καὶ γοργὸν ἰδεῖν. καὶ ταῦτα μὲν δή, ἦν τούτων τις
ἐπιθυμήσῃ, μέχρι τούτων ἡμῖν γεγράφθω.

Κεφάλαιον ια’

[1] Ἦν δὲ τις ἄρα βουληθῇ καὶ πομπικῶι καὶ μετεώρῳι καὶ
λαμπρῶι ἵππῳ χρῆσασθαι, οὐ μάλα μὲν τὰ τοιαῦτα ἐκ παντὸς ἵππου
γίγνεται, ἀλλὰ δεῖ ὑπάρξαι αὐτῷ καὶ τὴν ψυχὴν μεγαλόφρονα καὶ τὸ
σῶμα εὖρωστον. [2] οὐ μέντοι ὅ γε οἴονταί τινες τὸν τὰ σκέλη ὑγρά
ἔχοντα καὶ τὸ σῶμα αἶρειν δυνήσεσθαι, οὕτως ἔχει· ἀλλὰ μᾶλλον ὅς
ἂν τὴν ὀσφύν ὑγρὰν τε καὶ βραχεῖαν καὶ ἰσχυρὰν ἔχη [καὶ οὐ τὴν
κατ’ οὐρὰν λέγομεν, ἀλλ’ ἣ πέφυκε μεταξύ τῶν πλευρῶν καὶ τῶν
ἰσχίων κατὰ τὸν κενεῶνα], οὗτος δυνήσεται πόρρῳ ὑποτιθέναι τὰ
ὀπίσθια σκέλη ὑπὸ τὰ ἐμπρόσθια. [3] ἦν οὖν τις ὑποτιθέντος αὐτοῦ
ἀνακρούῃ τῷ χαλινῷ, ὀκλάζει μὲν τὰ ὀπίσθια ἐν τοῖς ἀστραγάλοις,
αἶρει δὲ τὸ πρόσθεν σῶμα, ὥστε τοῖς ἐξ ἐναντίας φαίνεσθαι τὴν
γαστέρα καὶ τὰ αἰδοῖα. δεῖ δὲ καὶ ὅταν ταῦτα ποιῇ διδόναι αὐτῷ τὸν
χαλινόν, ὅπως τὰ κάλλιστα ἵππου ἐκόντα ποιῆσαι δοκῇ τοῖς ὀρῶσιν.
[4] εἰσὶ μέντοι οἱ καὶ ταῦτα διδάσκουσιν οἱ μὲν ράβδῳ ὑπὸ τοὺς
ἀστραγάλους κρούοντες, οἱ δὲ καὶ βακτηρίαι παρατρέχοντά τινα
κελεύοντες ὑπὸ τὰς μηριαίας παίειν. [5] ἡμεῖς γε μέντοι τὸ κράτιστον
τῶν διδασκαλίων νομίζομεν, ὥσπερ αἰεὶ λέγομεν, ἦν ἐν παντὶ
παρέπῃται τὸ ἐν ᾧ ἂν ποιήσῃ τῷ ἀναβάτῃ κατὰ γνώμην τυγχάνειν
ῥαιστώνης παρ’ αὐτοῦ. [6] ἃ μὲν γὰρ ὁ ἵππος ἀναγκαζόμενος ποιεῖ,
ὥσπερ καὶ Σίμων λέγει, οὗτ’ ἐπίσταται οὔτε καλὰ ἐστὶν οὐδὲν
μᾶλλον ἢ εἴ τις ὀρχηστὴν μαστιγῶν καὶ κεντρίζων <ρύθμιζοι>· πολὺ
γὰρ ἂν πλείω ἀσχημονοίῃ ἢ καλὰ ποιοίῃ ὁ τοιαῦτα πάσχων καὶ ἵππος
καὶ ἄνθρωπος. ἀλλὰ δεῖ ἀπὸ σημείων ἐκόντα πάντα τὰ κάλλιστα καὶ
λαμπρότατα ἐπιδείκνυσθαι. [7] ἦν δὲ καί, ὅταν μὲν ἱπάζηται μέχρι,

πολλοῦ ἰδρωτός ἐλαύνηται, ὅταν δὲ καλῶς μετεωρίζῃ ἐαυτόν, ταχύ τε καταβαίνεται καὶ ἀποχαλινῶται, εὖ χρὴ εἰδέναι ὅτι ἐκὼν εἴσιν εἰς τὸ μετεωρίζειν ἐαυτόν· [8] ἐπὶ τῶν τοιούτων δὴ ἵππαζόμενοι ἵππων καὶ θεοὶ καὶ ἥρωες γράφονται, καὶ ἄνδρες οἱ καλῶς χρώμενοι αὐτοῖς μεγαλοπρεπεῖς φαίνονται. [9] οὕτω δὲ καὶ ἔστιν ὁ μετεωρίζων ἐαυτὸν ἵππος σφόδρα [ἢ καλὸν ἢ δεινὸν ἢ] ἀγαστὸν [ἢ θαυμαστόν], ὡς πάντων τῶν ὁρώντων καὶ νέων καὶ γεραιτέρων τὰ ὄμματα κατέχειν. οὐδεὶς γοῦν οὔτε ἀπολείπει αὐτὸν οὔτε ἀπαγορεύει θεώμενος, ἔστ' ἂν περ ἐπιδεικνύηται τὴν λαμπρότητα. [10] ἦν γε μὴν ποτε συμβῇ τινι τῶν τοιοῦτον ἵππον κεκτημένων ἢ φυλαρχήσαι ἢ ἵππαρχήσαι, οὐ δεῖ αὐτὸν τοῦτο σπουδάζειν, ὅπως αὐτὸς μόνος λαμπρὸς ἔσται, ἀλλὰ πολὺ μᾶλλον ὅπως ὅλον τὸ ἐπόμενον ἀξιοθέατον φανεῖται. [11] ἦν μὲν οὖν ἡγήται [ὡς μάλιστα ἐπαινοῦσι τοὺς τοιούτους ἵππους,] ὃς ἂν ἀνωτάτω αἰρόμενος καὶ πυκνότατα τὸ σῶμα βραχύτατον προβαίνει, δῆλον ὅτι καὶ βάδην ἔποιнт' ἂν οἱ ἄλλοι ἵπποι αὐτῷ. ἐκ δὲ ταύτης τῆς ὄψεως τί ἂν καὶ λαμπρὸν γένοιτ' ἂν; [12] ἦν δὲ ἐξεγείρας τὸν ἵππον ἡγήτῃ μῆτε τῷ ἄγαν ταχεῖ μῆτε τῷ ἄγαν βραδεῖ, ὡς δ' εὐθυμότατοι ἵπποι καὶ γοργότατοι καὶ [πονεῖν] εὐσχημονέστατοι γίνονται, – ἐὰν ἡγήτῃ αὐτοῖς οὕτως, ἀθρόος μὲν <ἂν> ὁ κτύπος, ἀθρόον δὲ τὸ φρύαγμα καὶ τὸ φύσημα τῶν ἵππων συμπαρέποιτο, ὥστε οὐ μόνον αὐτὸς ἀλλὰ καὶ πάντες οἱ συμπαρεπόμενοι ἀξιοθέατοι ἂν φαίνοντο.

[13] Ἦν γε μὴν τις καλῶς μὲν ἵππωνήσῃ, τρέφῃ δὲ ὡς πόνους δύνασθαι ὑποφέρειν, ὀρθῶς δὲ χρῆται καὶ ἐν τοῖς πρὸς πόλεμον μελετήμασι καὶ ἐν ταῖς πρὸς ἐπίδειξιν ἵππασiais καὶ ἐν τοῖς πολεμικοῖς ἀγωνίσμασι, τί ἔτι ἐμποδὼν τούτῳ μὴ οὐχὶ πλείονός τε ἀξίους ἵππους ποιεῖν ἢ οἴους ἂν παραλαμβάνῃ, καὶ εὐδοκίμους μὲν ἵππους ἔχειν, εὐδοκιμεῖν δὲ αὐτὸν ἐν τῇ ἵππικῃ, ἦν μὴ τι δαιμόνιον κωλύῃ;

Κεφάλαιον β'

[1] Γράψαι δὲ βουλόμεθα καὶ ὡς δεῖ ὠπλίσθαι τὸν μέλλοντα ἐφ' ἵππου κινδυνεύειν. πρῶτον μὲν τοῖνον φαμέν χρῆναι πρὸς τὸ σῶμα τὸν θώρακα πεποιῆσθαι. τὸν μὲν γὰρ καλῶς ἀρμόττοντα [ἐκεῖνον] φέρει τὸ σῶμα, τὸν δὲ ἄγαν χαλαρὸν οἱ ὦμοι μόνον φέρουσιν. ὁ γε μὴν λίαν στενὸς δεσμός, οὐχ ὄπλον ἐστίν. [2] ἐπεὶ δὲ καὶ ὁ αὐχὴν ἐστὶ τῶν καιρίων, φαμέν χρῆναι καὶ τούτῳ ἐξ αὐτοῦ τοῦ θώρακος ὅμοιον

τῷ αὐχένι στέγασμα πεποιῆσθαι. τοῦτο γὰρ ἅμα κόσμον τε παρέξει καί, ἣν οἶον δεῖ εἰργασμένον ἦι, δέξεται ὅταν βούληται τῷ ἀναβάτῃ τὸ πρόσωπον μέχρι τῆς ῥινός. [3] κράνος γε μὴν κράτιστον εἶναι νομίζομεν τὸ βοιωτιουργές· τοῦτο γὰρ αὖ στεγάζει μάλιστα πάντα τὰ ὑπερέχοντα τοῦ θώρακος, ὁρᾶν δὲ οὐ κωλύει. ὁ δ' αὖ θώραξ οὕτως εἰργάσθω ὥς μὴ κωλύειν μήτε καθίζειν μήτ' ἐπικύπτειν. [4] τὰ δὲ περὶ τὸ ἦτρον καὶ τὰ αἰδοῖα [καὶ τὰ] κύκλωι αἱ πτέρυγες τοσαῦται καὶ τοιαῦται ἔστωσαν ὥστε στέγειν τὰ βέλη. [5] ἐπεὶ δὲ καὶ ἡ ἀριστερὰ χεὶρ ἦν τι πάθῃ, καταλύει τὸν ἵππεά, καὶ ταύτῃ ἐπαινοῦμεν τὸ ἡρῆμένον ὄπλον τὴν χεῖρα καλουμένην. τὸν τε γὰρ ὦμον σκεπάζει καὶ τὸν βραχίονα καὶ τὸν πῆχυν καὶ τὸ ἐχόμενον τῶν ἡνιῶν, καὶ ἐκτείνεται δὲ καὶ συγκάμπτεται· πρὸς δὲ τούτοις καὶ τὸ διαλείπον τοῦ θώρακος ὑπὸ τῇ μασχάλῃ καλύπτει. [6] τὴν γε μὴν δεξιὰν ἐπαίρειν δεῖ, ἣν τε ἀκοντίσαι ἦν τε πατάξαι βουληθῇ. τοῦ μὲν δὴ θώρακος τὸ κωλῶν ταύτῃ ἀφαιρετέον· ἀντὶ δὲ τούτου πτέρυγας ἐν τοῖς γιγγλῦμοις προσθετέον ὅπως, ὅταν μὲν διαίρηται, ὁμοίως ἀναπτύσσωνται, ὅταν δὲ καταίρηται, ἐπικλείωνται. [7] τῷ γε μὴν βραχίονι τὸ ὥσπερ κνημὶς παρατιθέμενον βέλτιον ἢ μῖν δοκεῖ εἶναι ἢ συνδεθὲν <τῷ> ὄπλῳ. τό γε μὴν ψιλούμενον αἰρομένης τῆς δεξιᾶς στεγαστέον ἐγγὺς τοῦ θώρακος ἢ μοσχεῖωι ἢ χαλκεῖωι· εἰ δὲ μὴ, ἐν τῷ ἐπικαιροτάτῳ ἀφύλακτον ἔσται.

[8] Ἐπεὶ δ' ἦνπερ τι πάσχῃ ὁ ἵππος, ἐν παντὶ κινδύνου καὶ ὁ ἀναβάτης γίγνεται, ὀπλίζειν δεῖ καὶ τὸν ἵππον προμετωπιδίῳ καὶ προστερνιδίῳ καὶ παραμυριδίῳ· ταῦτα γὰρ ἅμα καὶ τῷ ἀναβάτῃ παραμυριδία γίγνεται. πάντων δὲ μάλιστα τοῦ ἵππου τὸν κενεῶνα δεῖ σκεπάζειν· καιριώτατον γὰρ ὃν καὶ ἀφαιρότατόν ἐστι· δυνατὸν δὲ σὺν τῷ ἐπιπῖωι καὶ αὐτὸν σκεπάσαι. [9] χρὴ δὲ καὶ τὸ ἔποχον τοιοῦτον ἐρράφθαι ὥς ἀσφαλέστερόν τε τὸν ἵππεά καθῆσθαι καὶ τὴν ἔδραν τοῦ ἵππου μὴ σίνεσθαι. καὶ τὰ μὲν δὴ ἄλλα οὕτω καὶ ὁ ἵππος καὶ ὁ ἵππεὺς ὠπλισμένοι ἂν εἶεν. [10] κνῆμαι δὲ καὶ πόδες ὑπερέχοιεν μὲν ἂν εἰκότως τῶν παραμυριδίων, ὀπλισθείη δ' ἂν καὶ ταῦτα, εἰ ἐμβάδες γένοιτο σκύτους, ἐξ οὐπερ αἱ κρητῖδες ποιοῦνται· οὕτω γὰρ ἂν ἅμα ὄπλον τε κνήμαις καὶ ποσὶν ὑποδήματ' ἂν εἴη.

[11] Ὡς μὲν δὴ μὴ βλάπτεσθαι θεῶν ἵλεων ὄντων ταῦτα ὄπλα. ὥς δὲ τοὺς ἐναντίους βλάπτειν, μάχαιραν μὲν μᾶλλον ἢ ξίφος ἐπαινοῦμεν· ἐφ' ὕψηλοῦ γὰρ ὄντι τῷ ἵππεϊ κοπίδος μᾶλλον ἢ πληγῇ ἢ ξίφους ἀρκέσει. [12] ἀντὶ γε μὴν δόρατος καμακίνου, ἐπειδὴ καὶ

ἀσθενὲς καὶ δύσφορόν ἐστι, τὰ κρανέϊνα δύο παλτὰ μᾶλλον ἐπαινοῦμεν. καὶ γὰρ ἐξαφεῖναι τὸ ἕτερον δυνατόν τῳ ἐπισταμένῳ, καὶ τῳ λειπομένῳ οἷόν τε χρῆσθαι καὶ εἰς τὸ ἀντίον καὶ εἰς τὰ πλάγια καὶ εἰς τοῦπισθεν· καὶ ἅμα ἰσχυρότερα τε τοῦ δόρατος καὶ εὐφορώτερα ἐστίν.

[13] Ἀκόντισμά γε μὴν τὸ μακρότατον ἐπαινοῦμεν· καὶ γὰρ ἀποστρέψαι καὶ μεταλαβεῖν παλτὸν οὕτω μᾶλλον ὁ χρόνος ἐγγωρεῖ. γράψομεν δὲ ἐν βραχεῖ καὶ ὥς ἄν τις κράτιστα ἀκοντίζοι. ἦν γὰρ προβαλλόμενος μὲν τὰ ἀριστερά, ἐπανάγων δὲ τὰ δεξιὰ, ἐξανιστάμενος δὲ ἐκ τῶν μηρῶν, μικρὸν ἐπανακύπτουσιν τὴν λόγχην ἀφῆι, οὕτω σφοδρότατόν τε καὶ μακρότατον οἴσεται τὸ ἀκόντιον, εὐστοχώτατον μέντοι, ἐὰν κατὰ τὸν σκοπὸν ἀφιεμένη ἀεὶ ὀραῖ ἡ λόγχη. [14] καὶ ταῦτα μὲν δὴ ἰδιώτη καὶ ὑπομνήματα καὶ μαθήματα καὶ μελετήματα γεγράφθω ἡμῖν. ἃ δὲ ἱπάρχει προσῆκεν εἰδέναι τε καὶ πράττειν ἐν ἐτέρῳ λόγῳ δεδήλωται.

THE CAVALRY GENERAL - Ἱππαρχικός

[1.1] Πρῶτον μὲν θύοντα χρὴ αἰτεῖσθαι θεοὺς ταῦτα διδόναι καὶ νοεῖν καὶ λέγειν καὶ πράττειν, ἀφ' ὧν θεοῖς μὲν κεχαρισμενώτατα ἄρξαις ἄν, σαντῶι δὲ καὶ φίλοις καὶ τῇ πόλει προσφιλέστατα καὶ εὐκλέεστατα καὶ πολυωφελέστατα. [1.2] θεῶν δὲ ἵλεων ὄντων ἀναβιβαστέον μὲν σοι ἱππέας, καὶ ὅπως ἀναπληρῶται ὁ κατὰ τὸν νόμον ἀριθμὸς καὶ ὅπως τὸ ὄν ἱππικὸν μὴ μειῶται. εἰ δὲ μὴ προσαναβήσονται ἱππεῖς, μείονες ἀεὶ ἔσονται. ἀνάγκη γὰρ τοὺς μὲν γήραι ἀπαγορεύειν, τοὺς δὲ καὶ ἄλλως ἐκλείπειν. [1.3] πληρουμένου γε μὴν τοῦ ἱππικοῦ ἐπιμελητέον μὲν ὅπως τρέφονται οἱ ἵπποι ὥς ἂν δύνωνται πόνους ὑποφέρειν· οἱ γὰρ ἥττους τῶν πόνων οὔτε αἰρεῖν οὔτε ἀποφεύγειν δύναιнт' ἄν. ἐπιμελητέον δὲ ὅπως εὐχρηστοὶ ᾖσιν· οἱ γὰρ αὐτὸ ἀπειθεῖς τοῖς πολεμίοις μᾶλλον ἢ τοῖς φίλοις συμμαχοῦσι. [1.4] καὶ οἱ λακτίζοντες δὲ ἀναβεβαμένοι ἵπποι ἐκποδὼν ποιητέοι· οἱ γὰρ τοιοῦτοι πολλάκις πλείω κακὰ ἢ οἱ πολέμιοι ποιοῦσι. δεῖ δὲ καὶ τῶν ποδῶν ἐπιμελεῖσθαι, ὅπως δύνωνται καὶ ἐν τραχείᾳ χώρᾳ ἱππεύειν, εἰδότα ὅτι ὅπου ἂν ἀλγῶσιν ἐλαυνόμενοι, ἐνταῦθα οὐ χρήσιμοι εἰσι. [1.5] τῶν γε μὴν ἵππων ὑπαρχόντων οἷων δεῖ τοὺς ἱππέας αὐτὸ ἀσκητέον, πρῶτον μὲν ὅπως ἐπὶ τοὺς ἵππους ἀναπηδᾶν δύνωνται· πολλοῖς γὰρ ἥδη ἡ σωτηρία παρὰ τοῦτο ἐγένετο· δεύτερον δὲ ὅπως ἐν παντοίοις χωρίοις ἱππάζεσθαι δυνήσονται· καὶ γὰρ οἱ πόλεμοι ἄλλοτε ἐν ἀλλοίοις τόποις γίνονται. [1.6] ὅταν δὲ ἥδη ἔποχοι ᾖσι, δεῖ αὐτὸ σκοπεῖσθαι ὅπως ἀκοντιοῦσί τε ὥς πλείστοι ἀπὸ τῶν ἵππων καὶ ἄλλα δυνήσονται ποιεῖν ἃ δεῖ τοὺς ἱππικούς. μετὰ ταῦτα ὀπλιστέον καὶ ἵππους καὶ ἱππέας ὥς αὐτοὶ μὲν ἥκιστα τιτρώσκοντ' ἄν, βλάπτειν δὲ τοὺς πολεμίους μάλιστα δύναιнт' ἄν. [1.7] ἐκ τούτων παρασκευαστέον ὅπως εὐπειθεῖς οἱ ἄνδρες ᾖσιν· ἄνευ γὰρ τούτου οὔθ' ἵππων ἀγαθῶν οὔθ' ἱππέων ἐπόχων οὔθ' ὅπλων καλῶν ὄφελος οὐδέν. προστατεύειν μὲν οὖν τούτων πάντων ὅπως καλῶς γίγνηται τὸν Ἱππαρχον εἰκὸς ἐστίν. [1.8] ἐπεὶ δὲ καὶ ἡ πόλις χαλεπὸν ἡγήσαμένη πάντα ταῦτα τὸν Ἱππαρχον μόνον ὄντα ἀπεργάζεσθαι προσαιρεῖται μὲν αὐτῶι συνεργοὺς φυλάρχους, προσέταξε δὲ τῇ βουλῇ συνεπιμελεῖσθαι τοῦ ἱππικοῦ, ἀγαθὸν μοι δοκεῖ εἶναι τοὺς μὲν φυλάρχους παρασκευάζειν συνεπιθυμεῖν σοι τῶν καλῶν τῶι ἱππικῶι, ἐν δὲ τῇ βουλῇ ἔχειν ῥήτορας ἐπιτηδεῖους, ὅπως λέγοντες φοβῶσί

τε τοὺς ἱππέας [βελτίονες γὰρ ἂν εἶεν φοβούμενοι], καταπραύνωσί τε τὴν βουλήν, ἣν τι παρὰ καιρὸν χαλεπαίνει. [1.9] ταῦτα μὲν οὖν ὑπομνήματα ὧν δεῖ σε ἐπιμελεῖσθαι· ὥς δ' ἂν ἕκαστα τούτων βέλτιστα περαίνωτο, τοῦτο δὴ πειράσομαι λέγειν.

Τοὺς μὲν τοίνυν ἱππέας δῆλον ὅτι καθιστάναι δεῖ κατὰ τὸν νόμον τοὺς δυνατωτάτους καὶ χρήμασι καὶ σώμασιν ἢ εἰσάγοντα εἰς δικαστήριον ἢ πείθοντα.

[1.10] ἐγὼ δὲ οἶμαι εἰς μὲν τὸ δικαστήριον τούτους εἰσακτέον εἶναι οὓς μὴ εἰσάγων διὰ κέρδος ἂν τις δοκοίη τοῦτο ποιεῖν· καὶ γὰρ τοῖς ἥττον δυναμένοις εὐθὺς ἂν εἴη ἀποστροφή, εἰ μὴ τοὺς δυνατωτάτους πρῶτους ἀναγκάζοις. [1.11] ἔστι δὲ καὶ οὓς ἂν μοι δοκεῖ τις νέους μὲν τὰ ἐν ἱπικῇ λαμπρὰ λέγων εἰς ἐπιθυμίαν καθιστάναι τοῦ ἱππεύειν, τοὺς δὲ κυρίους αὐτῶν ἥττον ἀντιτείνοντος ἔχειν, τάδε διδάσκων ὥς ἀναγκασθήσονται μὲν ἱπποτροφεῖν, ἣν μὴ ὑπὸ σοῦ, ὑπ' ἄλλου <γε> διὰ τὰ χρήματα· [1.12] ἦν δ' ἐπὶ σοῦ ἀναβῶσιν, ὥς ἀποτρέψεις μὲν τοὺς παῖδας αὐτῶν τῶν πολυτελῶν τε καὶ μανικῶν ἱππωνιῶν, ἐπιμελήσῃ δὲ ὥς ἂν ταχὺ ἱπτικοὶ γίγνωντο· λέγοντα δὲ οὕτω καὶ ποιεῖν ταῦτα πειρατέον.

[1.13] Τοὺς γε μὴν ὄντας ἱππέας ἢ βουλή ἂν μοι δοκεῖ προειποῦσα ὥς τὸ λοιπὸν δεήσει διπλάσια ἱπάζεσθαι <καί> ὥς τὸν μὴ δυνάμενον ἵππον ἀκολουθεῖν ἀποδοκιμάσει ἐπιτεῖναι ἂν τρέφειν τε ἄμεινον καὶ ἐπιμελεῖσθαι μᾶλλον τῶν ἵππων. [1.14] καὶ τοὺς βιαίους δὲ ἵππους ἀγαθὸν μοι δοκεῖ εἶναι προρρηθῆναι ὅτι ἀποδοκιμασθήσονται. αὕτη γὰρ ἢ ἀπειλή πωλεῦειν ἂν τοὺς τοιούτους μᾶλλον παρορμήσειε καὶ ἱππωνεῖν σωφρονέστερον. [1.15] ἀγαθὸν δὲ καὶ τοὺς ἐν ταῖς ἱππασίαις λακτίζοντας ἵππους προρρηθῆναι ὅτι ἀποδοκιμασθήσονται· οὐδὲ γὰρ συντάττειν τοὺς τοιούτους δυνατόν, ἀλλ' ἀνάγκη, ἂν ποι ἐπὶ πολεμίους δέῃ ἐλαύνειν, ὑστάτους [ἂν] αὐτοὺς ἔπεσθαι, ὥστε διὰ τὴν τοῦ ἵππου κακουργίαν ἄχρηστος καὶ ὁ ἱππεὺς καθίσταται.

[1.16] Ὡς δ' ἂν καὶ οἱ πόδες εἶεν τῷ ἵππῳ κράτιστοι, εἰ μὲν τις ἄλλην ἔχει ραίῳ καὶ εὐτελεστέραν ἄσκησιν, ἐκείνη ἔστω· εἰ δὲ μή, ἐγὼ φημι χρῆναι πεῖραν ἔχων χύδην καταβαλόντα λίθους τῶν ἐκ τῆς ὁδοῦ ὅσον μνααίους καὶ πλέον καὶ μείον ἐν τούτοις τὸν ἵππον καὶ ψήχειν καὶ ἐνιστάναι ὅταν ἀπὸ τῆς φάτνης ἀποβῇ· βαδίζων γὰρ ἐν τοῖς λίθοις οὐποτε ὁ ἵππος παύσεται οὐθ' ὅταν ψήχῃται οὐθ' ὅταν μυωπίζῃται. ὁ δὲ πειραθεὶς τά τε ἄλλα ἃ λέγω πιστεύσει καὶ

στρογγύλους τοὺς πόδας τοῦ ἵππου ὄψεται.

[1.17] Ὅποτε γε μὴν οἱ ἵπποι εἰσὶν οἴους δεῖ, ὥς ἂν αὐτοὶ οἱ ἱππεῖς ἄριστοι γίγνοιτο, τοῦτο διηγῆσομαι. τὸ μὲν τοίνυν τοὺς νέους αὐτῶν ἀναπηδᾶν ἐπὶ τοὺς ἵππους πείθοιμεν ἂν αὐτοὺς μανθάνειν· τὸν διδάζοντα δὲ παρασχὼν ἐπαίνου δικαίως ἂν τυγχάνοις. τοὺς γε μὴν πρεσβυτέρους τὸν Περσικὸν τρόπον ἀναβάλλεσθαι ὑπ' ἄλλων προσεθίσας καὶ τούτους ὠφελήσας ἂν. [1.18] ὅπως γε μὴν ἐν παντοδαποῖς χωρίοις ἔποχοι οἱ ἱππεῖς δυνήσονται εἶναι, τὸ μὲν πυκνὰ ἐξάγειν μὴ πολέμου ὄντος ἴσως ὀχληρόν· συγκαλέσαντα δὲ χρή τοὺς ἱππέας συμβουλεῦσαι αὐτοῖς μελετᾶν, καὶ ὅταν εἰς χώραν ἐλαύνωσι καὶ ὅταν ἄλλοσέ ποι, ἐκβιβάζοντας τῶν ὁδῶν καὶ ταχὺ ἐλαύνοντας ἐν τόποις παντοδαποῖς. τοῦτο γὰρ ὠφελεῖ μὲν παραπλησίως τῷ ἐξάγειν, ὄχλον δ' οὐχ ὁμοίως παρέχει. [1.19] ἐπιτήδειον δὲ ὑπομιμνήσκειν 7τοι καὶ ἡ πόλις ἀνέχεται δαπαμῶσα εἰς τὸ ἱππικὸν ἐγγὺς τετταράκοντα τάλαντα τοῦ ἐνιαυτοῦ, ὥς ἦν πόλεμος γίγνηται, μὴ ζητεῖν δέηι ἱππικόν, ἀλλ' ἐξ ἐτοίμου ἔχῃ παρεσκευασμένῳ χρῆσθαι. ταῦτα γὰρ ἐνθυμουμένους εἰκὸς καὶ τοὺς ἱππέας μᾶλλον <ἂν> ἀσκεῖν τὴν ἱππικὴν, ὅπως, ἦν πόλεμος ἐγείρηται, μὴ ἀμελετήτους ὄντας ἀγωνίζεσθαι δέηι περὶ τε τῆς πόλεως καὶ περὶ εὐκλείας καὶ περὶ τῆς ψυχῆς. [1.20] ἀγαθὸν δὲ καὶ τοῦτο προεῖπεῖν τοῖς ἱππεῦσιν, ὅτι ἐξάξεις ποτὲ καὶ σὺ αὐτοὺς καὶ διὰ παντοίων χωρίων ἡγήσῃ. καὶ ἐν ταῖς μελέταις δὲ ταῖς πρὸ τῆς ἀνθιππασίας καλὸν ἐξάγειν ἄλλοτ' εἰς ἄλλοιον τόπον· καὶ γὰρ τοῖς ἱππεῦσι καὶ τοῖς ἵπποις βέλτιον.

[1.21] Ἀκοντίζειν γε μὴν ἀπὸ τῶν ἵππων ὧδ' ἂν πλείστοι μοι δοκοῦσι μελετᾶν, εἰ τοῦτ' αὖ προεῖποις τοῖς φυλάρχοις, ὅτι αὐτοὺς δεήσει ἡγουμένους τοῖς τῆς φυλῆς ἀκοντισταῖς ἐλαύνειν ἐπὶ τὸ ἀκόντιον. φιλοτιμοῖντο γὰρ ἂν, ἥ τι τὸ εἰκός, ὥς πλείστους ἕκαστος ἀποδεῖξαι ἀκοντιστὰς τῇ πόλει. [1.22] ἀλλὰ μὴν <καὶ> τοῦ καλῶς γε ὀπλισθῆναι τοὺς ἱππέας οἱ φύλαρχοι ἂν μοι δοκοῦσι μέγιστον συλλαμβάνειν, εἰ πεισθεῖησαν ὅτι πολὺ ἐστὶ πρὸς τῆς πόλεως εὐδοξότερον τῇ τῆς φυλῆς λαμπρότητι κεκοσμηθῆναι ἢ μόνον τῇ ἑαυτῶν στολῇ. [1.23] εἰκὸς δὲ μὴ δυσπεῖστους εἶναι αὐτοὺς τὰ τοιαῦτα, οἳ γε φυλαρχεῖν ἐπεθύμησαν δόξης καὶ τιμῆς ὀρεγόμενοι, δυνατοὶ δ' εἰσὶ [καὶ] τὰ ἐν τῷ νόμῳ πορίσαι καὶ ἄνευ τοῦ αὐτοὶ δαπανᾶν τῷ μισθῷ ἐπαναγκάζοντες κατὰ τὸν νόμον ὀπλίζεσθαι. [1.24] εἷς γε μὴν τὸ εὐπειθεῖς εἶναι τοὺς ἀρχομένους μέγα μὲν τὸ [καὶ] λόγῳ διδάσκειν ὅσα ἀγαθὰ ἐνὶ ἐν τῷ πειθαρχεῖν, μέγα δὲ καὶ τὸ

ἔργοι [κατὰ τὸν νόμον] πλεονεκτεῖν μὲν ποιεῖν τοὺς εὐτάκτους, μειονεκτεῖν δὲ ἐν πᾶσι τοὺς ἀτακτοῦντας. [1.25] ἰσχυροτάτη δέ μοι δοκεῖ εἶναι παρόρμησις τῶν φυλάρχων εἰς τὸ φιλοτιμεῖσθαι αὐτοὺς καλῶς παρεσκευασμένης ἑκάστον τῆς φυλῆς ἡγεῖσθαι, <εἰ> τοὺς ἀμφὶ σὲ προδρόμους κοσμήσαις μὲν ὄπλοις ὡς κάλλιστα, ἀκοντίζειν δὲ μελετᾶν ἐξαναγκάσαις ὡς μάλιστα, ἡγοῖο δὲ αὐτοῖς ἐπὶ τὸ ἀκόντιον αὐτὸς εὖ μάλα μεμελετηκώς. [1.26] εἰ δὲ καὶ ἄθλά τις δύναιτο προτιθέναι ταῖς φυλαῖς πάντων ὅποσα ἀγαθὰ νομίζουσιν ἀσκεῖσθαι ἐν ταῖς θέαις ὑπὸ τοῦ ἱππικοῦ, τοῦτο πάντας οἶμαι Ἀθηναίους γε μάλιστ' ἂν προτρέπειν εἰς φιλονικίαν. δηλὸν δὲ τοῦτο καὶ ἐν τοῖς χοροῖς, ὡς μικρῶν ἄθλων ἕνεκεν πολλοὶ μὲν πόνοι, μεγάλα δὲ δαπάναι τελοῦνται. τοὺς μέντοι κριτὰς τοιοῦτους δεῖ εὐρίσκειν παρ' οἷς νικῶντες μάλιστ' ἂν ἀγάλλοιντο.

[2.1] Ἦν δὲ δὴ σοὶ ταῦτα πάντα ἐξησκημένοι ὧσιν οἱ ἱππεῖς, δεῖ δήπου καὶ τάξιν τινὰ ἐπίστασθαι αὐτοὺς ἐξ ἧς καλλίστας μὲν θεοῖς πομπὰς πέμψουσι, κάλλιστα δὲ ἱππάσονται, ἄριστα δὲ μαχοῦνται, ἦν δέη, ρᾶιστα δὲ καὶ ἀταρακτότατα ὁδοῦ πορεύσονται καὶ διαβάσεις περάσουσιν. ἦι τοίνυν χρώμενοι τάξει δοκοῦσιν ἂν μοι ταῦτα κάλλιστα διαπράττεσθαι, ταύτην νῦν ἤδη πειράσομαι δηλοῦν. [2.2] οὐκοῦν ὑπὸ μὲν τῆς πόλεως ὑπάρχουσι διηρημέναι φυλαὶ <δέκα>. τούτων δ' ἐγὼ φημι χρῆναι πρῶτον μὲν δεκαδάρχους σὺν τῇ τῶν φυλάρχων ἐκάστου γνώμῃ καταστῆσαι ἐκ τῶν ἀκμαζόντων τε καὶ φιλοτιμοτάτων καλὸν τι ποιεῖν καὶ ἀκούειν· καὶ τούτους μὲν πρωτοστάτας δεῖ εἶναι. [2.3] μετὰ δὲ τούτους ἴσους χρή τοῦτοις ἀριθμὸν ἐκ τῶν πρεσβυτάτων τε καὶ φρονιμωτάτων ἐλέσθαι οἵτινες τελευταῖοι τῶν δεκάδων ἔσονται. εἰ γὰρ δεῖ καὶ ἀπεικάσαι, οὕτω καὶ σίδηρος μάλιστα διατέμνει σίδηρον, ὅταν τό τε ἡγούμενον τοῦ τομέως ἐρρωμένον ἦ καὶ τὸ ἐπελαυνόμενον ἱκανόν. [2.4] τοὺς γε μὴν ἐν μέσῳ τῶν πρώτων καὶ τῶν τελευταίων, εἰ οἱ δεκάδαρχοι ἐπιστάτας ἔλαιντο καὶ οἱ ἄλλοι ἐφέλαιντο, οὕτως εἰκὸς ἐκάστωι πιστότατον τὸν ἐπιστάτην εἶναι. [2.5] τὸν μέντοι ἀφηγούμενον ἐκ παντὸς τρόπου δεῖ ἱκανὸν ἄνδρα καθιστάναι. ἀγαθὸς γὰρ ὢν, εἴτε ποτὲ δέοι ἐπὶ πολεμίους ἐλαύνειν, ἐγκελεύων ρώμην ἂν ἐμβάλλοι τοῖς ἔμπροσθεν, εἴτ' αὖ καὶ ἀποχωρεῖν καιρὸς συμβαίνει, φρονίμως ἀφηγούμενος μᾶλλον ἂν, ὡς τὸ εἰκός, σώιζοι τοὺς φυλέτας. [2.6] οἱ μέντοι δεκάδαρχοι ἄρτιοι ὄντες πλείω ἴσα μέρη παρέχοιεν ἂν διαιρεῖν ἢ εἰ περιττοὶ εἶεν. αὕτη δέ μοι ἡ τάξις ἀρέσκει διὰ τὰς, ὅτι

πρῶτον μὲν οἱ πρωτοστάται πάντες ἄρχοντες γίνονται· οἱ δ' αὐτοὶ ἄνδρες ὅταν ἄρχωσι, μᾶλλον πῶς οἴονται ἑαυτοῖς προσήκειν καλὸν τι ποιεῖν ἢ ὅταν ἰδιῶται ὧσιν· ἔπειτα δὲ καὶ ὅταν πρακτέον τι ᾖ, τὸ παραγγέλλειν μὴ ἰδιώταις ἀλλ' ἄρχουσι πολὺ ἀνυτικώτερον. [2.7] τεταγμένων γε μὴν οὕτω χρή, ὥσπερ καὶ τοῖς φυλάρχοις προαγορεύεται ἡ χώρα ὑπὸ τοῦ ἱπάρχου ἐν ᾗ ἐκάστωι ἐλατέον, οὕτω καὶ τοῖς δεκαδάρχοις παρηγγέλθαι ὑπὸ τῶν φυλάρχων ὅπη πορευτέον ἐκάστωι. οὕτω γὰρ προειρημένων πολὺ εὐτακτοτέρως ἂν ἔχοι ἢ εἰ ὥσπερ ἐκ θεάτρου ὡς ἂν τύχωσιν ἀπιόντες λυποῦσιν ἀλλήλους. [2.8] καὶ μάχεσθαι δὲ μᾶλλον ἐθέλουσιν οἱ τε πρῶτοι, ἦν τι ἐκ τοῦ πρόσθεν προσπίπτῃ, ὅταν εἰδῶσιν ὅτι αὕτη ἡ χώρα αὐτῶν, καὶ οἱ τελευταῖοι, ἦν τι ὀπισθεν ἐπιφαίνεται, ἐπιστάμενοι ὅτι αἰσχρὸν λιπεῖν τὴν τάξιν. [2.9] ἄτακτοι δ' ὄντες ἀλλήλους μὲν ταραττοῦσι καὶ ἐν στεναῖς ὁδοῖς καὶ ἐν διαβάσεσι, τοῖς δὲ πολεμίοις οὐδεὶς ἐκὼν ἑαυτὸν τάττει μάχεσθαι. καὶ ταῦτα μὲν δὴ πάντα ὑπάρχειν δεῖ ἐκπεπονημένα πᾶσι τοῖς ἱππεῦσιν, εἰ μέλλουσιν ἀπροφάσιστοι ἔσεσθαι συνεργοὶ τῷ ἡγουμένῳ.

[3.1] Τῶνδ' γε μὴν αὐτῶι ἡδὴ μέλειν δεῖ τῷ ἱπάρχῳ· πρῶτον μὲν ὅπως καλλιερῇσει τοῖς θεοῖς ὑπὲρ τοῦ ἱππικοῦ, ἔπειτα ὅπως τὰς πομπὰς ἐν ταῖς ἑορταῖς ἀξιοθεάτους ποιήσῃ, ἔτι δὲ καὶ τᾶλλα ὅσα ἐπιδεικνύειν δεῖ τῇ πόλει ὅπως ᾗ δυνατόν κάλλιστα ἐπιδείξει, τὰ τε ἐν Ἀκαδημείᾳ καὶ τὰ ἐν Λυκείῳ καὶ τὰ Φαληροῖ καὶ τὰ ἐν τῷ ἵπποδρόμῳ. καὶ ταῦτα μὲν ἄλλα ὑπομνήματα· ὥς δὲ τούτων ἕκαστα κάλλιστ' ἂν πράττειτο, νῦν αὐτὰ ταῦτα λέξω.

[3.2] Τὰς μὲν οὖν πομπὰς οἶομαι ἂν καὶ τοῖς θεοῖς κεχαρισμενωτάτας καὶ τοῖς θεαταῖς εἶναι εἰ, ὅσων ἱερὰ καὶ ἀγάλματα ἐν τῇ ἀγορᾷ ἐστί, ταῦτα ἀρξάμενοι ἀπὸ τῶν Ἑρμῶν κύκλῳ [περὶ τὴν ἀγορὰν καὶ τὰ ἱερὰ] περιελαύνουσιν τιμῶντες τοὺς θεοὺς. καὶ ἐν τοῖς Διονυσίοις δὲ οἱ χοροὶ προσεπιχαρίζονται ἄλλοις τε θεοῖς καὶ τοῖς δώδεκα χορεύοντες. ἐπειδὴν δὲ πάλιν πρὸς τοῖς Ἑρμαῖς γένωνται περιεληλακότες, ἐντεῦθεν καλὸν μοι δοκεῖ εἶναι κατὰ φυλὰς εἰς τάχος ἀνιέναι τοὺς ἵππους μέχρι τοῦ Ἑλευσινίου. [3.3] οὐδὲ δόρατα μὴν παραλείψω ὥς ἥκιστα ἂν ἀλλήλοις ἐπαλλάττειτο. δεῖ γὰρ μεταξὺ τοῖν ὧτοιν τοῦ ἵππου ἕκαστον σχεῖν, εἰ μέλλει φοβερά τε καὶ εὐκρινῇ ἔσεσθαι καὶ ἅμα πολλὰ φαινέσθαι. [3.4] ἐπειδὴν δὲ τῆς εἰς τάχος διελάσεως λήξωσι, τὴν ἄλλην καλὸν ἡδὴ σχέδην εἰς τὰ ἱερὰ, ἥτις καὶ πρόσθεν, διελαύνειν. καὶ οὕτως ὅσα ἔστιν ἡδέα ἰδεῖν ἐν ἵππῳ

ἀναβεβαμένῳ πάντα ἐπιδεδειγμένα ἔσται καὶ τοῖς θεοῖς καὶ τοῖς ἀνθρώποις. [3.5] καὶ ὅτι μὲν ταῦτα οὐκ εἰθισμένοι ποιεῖν οἱ ἵππεις εἰσιν οἶδα· γινώσκω δὲ ὅτι ἀγαθὰ καὶ καλὰ καὶ τοῖς θεαταῖς ἡδέα ἔσται. αἰσθάνομαι δὲ καὶ ἄλλα ἀγωνίσματα τοὺς ἵππείας κεκαινουργηκότας, ἐπεὶδὴ οἱ ἵππαρχοι ἱκανοὶ ἐγένοντο πεῖσαι ἃ ἐβουλήθησαν. [3.6] ὅταν γε μὴν πρὸ τοῦ ἀκοντισμοῦ διελαύνωσιν ἐν Λυκείῳ, καλὸν ἑκατέρας τὰς πέντε φυλάς ἐπὶ [τοῦ] μετώπου ἐλαύνειν, ὥσπερ εἰς μάχην ἡγουμένου τοῦ ἱπάρχου καὶ τῶν φυλάρχων ἐν τοιαύτῃ τάξει ἀφ' ἧς πληρῶσεται τοῦ δρόμου τὸ πλάτος. [3.7] ἐπειδὰν δ' ὑπερβάλωσι τὸ κεφάλαιον τοῦ ἀντιπροσώπου θεάτρου, χρήσιμον ἂν οἶομαι φανῆναι καὶ εἰ καθ' ὁπόσους μέτριον εἰς τὸ κάταντες δυναμένους ταχὺ ἐλαύνειν ἐπιδείξαις τοὺς ἵππείας. [3.8] οὐ μέντοι ἀγνοῶ ὅτι, ἦν μὲν πιστεῦσιν δυνήσεσθαι ταχὺ ἐλαύνειν, πάννυ ἂν ἡδέως ἐπιδείξαιντο· ἦν δὲ ἀμελέητοι ὦσιν, ὅρᾳν χρή ὅπως μὴ οἱ πολέμοι αὐτοὺς τοῦτο δρᾶν ἀναγκάσουσιν.

[3.9] Ἐν γε μὴν ταῖς δοκιμασίαις ἡ μὲν τάξις εἴρηται μεθ' ἧς ἂν κάλλιστα ἱπάζοιντο. ἦν δὲ ὁ ἡγούμενος, ἦν περ ἔχη δυνατόν ἵππον, ἐν τῷ ἔξωθεν ἀεὶ στίχῳ περιφέρηται, οὕτως αὐτὸς μὲν ἀεὶ ταχὺ ἐλᾷ καὶ οἱ σὺν αὐτῷ ἔξωθεν γινόμενοι πάλιν αὖ ταχὺ ἐλῶσιν· ὥστε ἡ μὲν βουλὴ ἀεὶ τὸ ταχὺ ἐλαυνόμενον θεάσεται, οἱ δὲ ἵπποι οὐκ ἀπεροῦσιν ἐν μέρει ἀναπαυόμενοι. [3.10] ὅταν γε μὴν ἐν τῷ ἵπποδρόμῳ ἡ ἐπίδειξις ᾖ, καλὸν μὲν οὕτω πρῶτον τάξασθαι ὥς ἂν ἐπὶ μετώπου ἐμπλήσαντες ἵππων τὸν ἵπποδρομον ἐξελάσειαν τοὺς ἐκ τοῦ μέσου ἀνθρώπους· [3.11] καλὸν δ', ἐπεὶ αἱ φυλαὶ ἐν τῇ ἀνθιππασίᾳ φεύγουσιν τε ἀλλήλας καὶ διώκουσιν ταχέως, ὅταν οἱ ἵππαρχοι ἡγῶνται ταῖς πέντε φυλαῖς, ἑκατέρας διελαύνειν τὰς φυλάς δι' ἀλλήλων. ταύτης γὰρ τῆς θέας τό τε ἀντιμετώπους προσελαύνειν ἀλλήλοις γοργόν, τό τε διελάσαντας τὸν ἵπποδρομον ἀντίους πάλιν στήναι ἀλλήλοις σεμνόν, [3.12] καὶ τὸ ὑπὸ σάλπιγγος αἷ τὸ δεύτερον θάπτον ἐπελαύνειν καλόν. στάντας δὲ ἤδη τὸ τρίτον αὖ ὑπὸ τῆς σάλπιγγος χρή τάχιστα ἀλλήλοις ἐπελαύνειν, καὶ διελάσαντας εἰς κατάλυσιν ἤδη ἐπὶ φάλαγγος ἅπαντας καταστάντας, ὥσπερ εἰώθατε, πρὸς τὴν βουλὴν προσελαύνειν. [3.13] ταῦτά μοι δοκεῖ πολεμικώτερά τε φαίνεσθαι ἂν καὶ καινότερα. τὸ δὲ βραδύτερον μὲν τῶν φυλάρχων ἐλαύνειν, τὸν δ' αὐτὸν τρόπον ἐκείνοις ἵππεύειν, οὐκ ἄξιον ἱππαρχίας. [3.14] ὅταν γε μὴν ἐν τῷ ἐπικρότῳ ἐν Ἀκαδημαίᾳ ἵππεύειν δέη, ἔχω τάδε παραινέσαι· εἰς μὲν τὸ μὴ ἀποκρούεσθαι ἀπὸ τῶν

ἵππων, ὑπτίους ἀναπεπτωκότας ἐλαύνειν, εἰς δὲ τὸ μὴ πίπτειν, τοὺς ἵππους ὑπολαμβάνειν ἐν ταῖς ἀναστροφαῖς. τὰ μέντοι ὀρθὰ ταχὺ ἐλαύνειν χρή· οὕτω γὰρ τὸ ἀσφαλὲς καὶ τὸ καλὸν θεάζεται ἡ βουλή.

[4.1] Ἐν γε μὴν ταῖς πορείαις αἰεὶ δεῖ τὸν ἵππαρχον προνοεῖν ὅπως ἀναπαύημι μὲν τῶν ἵππων τὰς ἔδρας, ἀναπαύημι δὲ τοὺς ἱππέας τῷ βαδίζειν, μέτριον μὲν ὀχοῦντα, μέτριον δὲ πεζοποροῦντα. τοῦ δὲ μετρίου ἐννοῶν οὐκ ἂν ἀμαρτάνοις· αὐτὸς γὰρ μέτρον ἕκαστος τοῦ μὴ λαθεῖν ὑπερπονοῦντας. [4.2] ὅταν μέντοι ἀδήλου ὄντος εἰ πολέμοις ἐντεύξῃ πορεύῃ ποι, κατὰ μέρος χρή τὰς φυλάς ἀναπαύειν. χαλεπὸν γὰρ εἰ πᾶσι καταβεβηκόσι πλησιάσειαν οἱ πολέμοι. [4.3] καὶ ἦν μὲν γε διὰ στενῶν ὁδῶν ἐλαύνῃς, ἀπὸ παραγγέλσεως εἰς κέρας ἡγητέον· ἦν δὲ πλατείαις ἐπιτυγχάνῃς ὁδοῖς, ἀπὸ παραγγέλσεως αὖ πλατυντέον τῆς φυλῆς ἐκάστης τὸ μέτωπον· ὅταν γε μὴν εἰς πεδίον ἀφικνησθε, ἐπὶ φάλαγγος πάσας τὰς φυλάς ... ἀκτέον ἀγαθὸν γὰρ καὶ μελέτης ἕνεκα ταῦτα ποιεῖν καὶ τοῦ ἥδιον διαπερᾶν τὰς ὁδοὺς ποικίλλοντας ἱππικαῖς τάξεσι τὰς πορείας. [4.4] ὅταν μέντοι ἔξω τῶν ὁδῶν διὰ δυσχωριῶν ἐλαύνῃτε, μάλα χρήσιμον καὶ ἐν πολέμοις καὶ ἐν φιλίας προελαύνειν τῆς φυλῆς ἐκάστης τῶν ὑπηρετῶν οἵτινες, ἦν ἀπόροις νάπαις ἐντυγχάνωσι, παριόντες ἐπὶ τὰ εὖπορα δηλώσουσι τοῖς ἱππεῦσιν ἢ χρή τὴν ἔλασιν ποιεῖσθαι, ὥς μὴ ὅλαι αἱ τάξεις πλανῶνται. [4.5] ἦν δὲ δι' ἐπικινδύνων ἐλαύνῃτε, φρονίμου ἱπάρχου τὸ τῶν προόδων ἄλλους προόδους διερευνωμένους προηγεῖσθαι [τὸ γὰρ ὥς ἐκ πλείστου προαισθάνεσθαι πολέμιων χρήσιμον καὶ πρὸς τὸ ἐπιθέσθαι καὶ πρὸς τὸ φυλάξασθαι], καὶ τὸ ἀναμένειν δὲ ἐπὶ ταῖς διαβάσεσιν, ὥς μὴ κατακόπτωσι τοὺς ἵππους οἱ τελευταῖοι τὸν ἡγεμόνα διώκοντες. ἴσασι μὲν οὖν ταῦτα σχεδὸν ἅπαντες, καρτερεῖν δ' ἐπιμελούμενοι οὐ πολλοὶ ἐθέλουσι.

[4.6] Προσῆκει δὲ ἱπάρχει ἔτι ἐν εἰρήνῃ ἐπιμελεῖσθαι ὅπως ἐμπείρως ἔξει τῆς τε πολεμίας καὶ τῆς φιλίας χώρας· ἦν δ' ἄρα αὐτὸς ἀπείρως ἔχει, τῶν ἄλλων γε δὴ τοὺς ἐπιστημονεστάτους ἐκάστων τόπων παραλαμβάνειν. πολὺ γὰρ διαφέρει ἡγούμενος ὁ εἰδὼς τὰς ὁδοὺς τοῦ μὴ εἰδότος, καὶ ἐπιβουλεύων δὲ πολέμοις ὁ εἰδὼς τοὺς τόπους τοῦ μὴ εἰδότος πολὺ διαφέρει. [4.7] καὶ κατασκόπων δὲ πρὶν πόλεμον εἶναι δεῖ μεμεληκέναι, ὅπως ἔσονται καὶ ἐκ πόλεων ἀμφοτέροις φιλίων καὶ ἐξ ἐμπόρων· πᾶσαι γὰρ αἱ πόλεις τοὺς εἰσάγοντάς τι αἰεὶ ὥς εὐμενεῖς δέχονται· καὶ ψευδαντόμολοι δ' ἔστιν ὅτε χρήσιμον. [4.8] οὐ μέντοι τοῖς γε κατασκόποις δεῖ ποτε πιστεύοντα

φυλακῆς ἀμελεῖν, ἀλλ' αἰ οὕτως κατεσκευάσθαι χρή, ὥσπερ ἦν ἥζοντες εἰσηγγελμένοι ὧσιν οἱ πολέμιοι. καὶ γὰρ ἦν πάνυ πιστοὶ ὧσιν οἱ κατάσκοποι, χαλεπὸν ἐν καιρῷ ἀπαγγέλλειν· πολλὰ γὰρ ἐν πολέμῳ τὰ ἐμπόδια συμπίπτει. [4.9] τὰς γε μὴν ἐξαγωγὰς τοῦ ἵππικοῦ ἦττον ἢ οἱ πολέμιοι αἰσθάνονται, εἰ ἀπὸ παραγγέλλεως γίνονται μᾶλλον ἢ εἰ ὑπὸ κήρυκος ἢ εἰ ἀπὸ προγραφῆς. ἀγαθὸν οὖν καὶ [τὸ] πρὸς τὸ διὰ παραγγέλλεως ἐξάγειν τὸ δεκαδάρχους καθιστάναι, καὶ <ἐπὶ> τοῖς δεκαδάρχοις πεμπαδάρχους, ἵνα ὡς ἐλαχίστοις ἕκαστος παραγγέλλῃ. [4.10] καὶ τὸ μέτωπον δὲ οὕτως μηκύνουσιν ἅν τῆς τάξεως ἀταράκτως οἱ πεμπαδάρχοι παράγοντες, ὁπότε τούτου καιρὸς εἴη. ὅταν γε μὴν προφυλάττειν δέῃ, ἐγὼ μὲν αἰ ἐπαινῶ τὰς κρυπτὰς σκοπὰς τε καὶ φυλακάς· οὕτω γὰρ ἅμα μὲν τῶν φίλων φυλακαὶ γίνονται, ἅμα δὲ τοῖς πολεμίοις ἐνέδραι κατασκευάζονται. [4.11] καὶ αὐτοὶ μὲν δυσεπιβουλευτότεροί εἰσιν ἀφανεῖς ὄντες, τοῖς δὲ πολεμίοις φοβερώτεροι. τὸ γὰρ εἰδέναι μὲν ὅτι εἰσὶ που φυλακαί, ὅπου δ' εἰσὶ καὶ ὁπόσαι μὴ εἰδέναι, τοῦτο θαρσεῖν μὲν κωλύει τοὺς πολεμίους, ὑποπτεῦν δὲ ἀναγκάζει πάντα τὰ χωρία· αἱ δὲ φανεραὶ φυλακαὶ δῆλα παρέχουσι καὶ τὰ δεινὰ καὶ τὰ εὐθαρσῆ. [4.12] ἔτι δὲ τῷ [μὲν] κρυπτὰς ἔχοντι φυλακὰς ἐξέσται μὲν φανεροῖς ὀλίγοις ἔμπροσθεν τῶν κρυπτῶν φυλάττοντα πειρᾶσθαι τοὺς πολεμίους εἰς ἐνέδρας ὑπάγειν· ἀγρευτικὸν δὲ καὶ ὀπισθεν τῶν κρυπτῶν ἄλλοις φανεροῖς ἔστιν ὅτε φυλάττειν· καὶ τοῦτο γὰρ ἐξαπατητικὸν τῶν πολεμίων ὁμοίως τῷ πρόσθεν εἰρημένῳ.

[4.13] Ἀλλὰ μὴν φρονίμου γε ἄρχοντος καὶ τὸ μήποτε κινδυνεύειν ἐκόντα, πλὴν ὅπου ἂν πρόδηλον ᾖ ὅτι πλέον ἐξεῖ τῶν πολεμίων· τὸ δὲ ὑπηρετεῖν τὰ ἥδιστα τοῖς πολεμίοις προδοσίᾳ τῶν ξυμμάχων δικαίως ἂν μᾶλλον ἢ ἀνδρεία κρίνοιτο. [4.14] σῶφρον δὲ καὶ τὸ ἐκεῖσε ὁρμᾶν ὅπου ἂν ἀσθενῇ τὰ τῶν πολεμίων ἦ, κἂν πρόσω ὄντα τυγχάνῃ. τὸ γὰρ σφόδρα πονῆσαι ἀκινδυνότερον ἢ πρὸς τοὺς κρείττους ἀγωνίζεσθαι. [4.15] ἦν δὲ πῃ εἰς μέσον φίλων τειχέων εἰσίσιν οἱ πολέμιοι, κἂν πολλὸν κρείττους ὄντες, καλὸν μὲν ἐντεῦθεν ἐπιχειρεῖν ὁποτέρῳ ἂν λελήθῃς παρών, καλὸν δὲ καὶ ἅμα ἀμφοτέρῳθεν. ὅταν γὰρ οἱ ἕτεροι ἀποχωρῶσιν, οἱ ἐκ τοῦ ἐπὶ θάτερα ἐλαύνοντες τάραττοιεν μὲν ἂν τοὺς πολεμίους, σώζουσιν δ' ἂν τοὺς φίλους. [4.16] καὶ τὸ μὲν διὰ κατασκόπων πειρᾶσθαι εἰδέναι τὰ τῶν πολεμίων πάλαι εἴρηται ὡς ἀγαθὸν ἔστιν· ἐγὼ δὲ πάντων ἄριστον νομίζω εἶναι τὸ αὐτὸν πειρᾶσθαι, ἦν ἦ ποθεν ἐξ ἀσφαλοῦς,

θεώμενον τοὺς πολεμίους ἀθρεῖν ἢν τι ἁμαρτάνωσι. [4.17] καὶ τὸ μὲν κλαπῆναι δυνατόν πέμπειν χρή τοὺς ἐπιτηδεῖους κλέψοντας, τὸ δ' ἀρπασθῆναι ἐγγωροῦν ἐφίεναι τοὺς ἀρπάσσοντας. ἢν δὲ πορευομένων ποι τῶν πολεμίων ἀπαρτᾶται τι ἀσθενέστερον τῆς αὐτοῦ δυνάμεως ἢ θαρροῦν ἀποσκεδαννύηται, οὐδὲ τοῦτο χρή λανθάνειν· ἀεὶ μέντοι <τῷ> ἰσχυροτέρῳ τὸ ἀσθενέστερον θηρᾷν. [4.18] δυνατόν δὲ προσέχοντι τὸν νοῦν ταῦτα καταμανθάνειν, ἐπεὶ καὶ τὰ βραχυγγνωμονέστερα ἀνθρώπου θηρία, οἳ τε ἵκτινοι δύνανται ὃ ἂν ἀφύλακτον ἢ ἀφαρπάσαντες εἰς τὸ ἀσφαλὲς ἀποχωρεῖν πρὶν ληφθῆναι, καὶ οἱ λύκοι δὲ τὰ τε ἐρημούμενα φυλακῆς ἀγρεύουσι καὶ τὰ ἐν τοῖς δυσοπάτοις κλέπτουσι, [4.19] καὶ μεταθέων γέ τις ἐπιγίγνηται κύων, ἢν μὲν ἦττον ἦι, τούτῳ ἐπιτίθεται, ἢν δὲ κρείττων, ἀποσπάσας ὃ τι ἂν ἔχη ἀποχωρεῖ. ὅταν δέ γε φυλακῆς καταφρονήσωσι λύκοι, τάξαντες ἑαυτῶν τοὺς μὲν ἀπελάσαι τὴν φυλακὴν, τοὺς δὲ ἀρπάζειν, οὕτω τὰ ἐπιτήδεια πορίζονται. [4.20] θηρίων γε μὴν δυναμένων τὰ τοιαῦτα φρονίμως λήϊζεσθαι, πῶς οὐκ ἄνθρωπόν γε ὄντα εἰκὸς σοφώτερον τούτων φαίνεσθαι ἢ καὶ αὐτὰ τέχνη ὑπ' ἀνθρώπου ἀλίσκεται;

[5.1] Κάκεϊνό γε μὴν εἰδέναι ἵππικοῦ ἀνδρός, ἐκ πόσου ἂν ἵππος πεζὸν ἔλοι καὶ ἐξ ὁπόσου βραδεῖς ἵπποι ταχεῖς ἂν ἀποφύγοιεν. ἵππαρχικὸν δὲ καὶ χωρία γινώσκειν ἔνθα πεζοὶ κρείττους ἵππεων καὶ ἔνθα πεζῶν κρείττους ἱππῆς. [5.2] χρή δὲ μηχανητικὸν εἶναι καὶ τοῦ πολλοὺς μὲν φαίνεσθαι τοὺς ὀλίγους ἵππεας, πάλιν δ' ὀλίγους τοὺς πολλοὺς, καὶ τοῦ δοκεῖν παρόντα μὲν ἀπεῖναι, ἀπόντα δὲ παρεῖναι, καὶ τοῦ μὴ τὰ τῶν πολεμίων μόνον κλέπτειν ἐπιστασθαι, ἀλλὰ καὶ τοὺς ἑαυτοῦ ἵππεας ἅμα κλέπτοντα ἐξ ἀπροσδοκήτου τοῖς πολεμίοις ἐπιτίθεσθαι. [5.3] ἀγαθὸν δὲ μηχανήμα καὶ τὸ δύνασθαι, ὅταν μὲν τὰ ἑαυτοῦ ἀσθενῶς ἔχη, φόβον παρασκευάζειν τοῖς πολεμίοις ὥς μὴ ἐπίθωνται, ὅταν δ' ἐρρωμένως, θάρσος αὐτοῖς ἐμποιεῖν ὥς ἐγχειρῶσιν. οὕτω γὰρ αὐτὸς μὲν ἂν ἥκιστα κακῶς πάσχοις, τοὺς δὲ πολεμίους μάλιστ' ἂν ἁμαρτάνοντας λαμβάνοις.

[5.4] Ὅπως δὲ μὴ προστάττειν δοκῶ ἀδύνατα, γράψω καὶ ὥς ἂν γίνοιτο τὰ δοκοῦντα αὐτῶν χαλεπώτατα εἶναι. τὸ μὲν τοίνυν μὴ σφάλλεσθαι ἐγχειροῦντα διώκειν ἢ ἀποχωρεῖν ἐμπειρία ποιεῖ ἵππων δυνάμεως. πῶς δ' ἂν ἐμπείρως ἔχοις; εἰ προσέχοις τὸν νοῦν ἐν ταῖς μετὰ φιλίας ἀνθιππασίαις οἷοι ἀποβαίνουσιν ἐκ τῶν διώξεων τε καὶ φυγῶν. [5.5] ὅταν μέντοι βούλῃ τοὺς ἵππεας πολλοὺς φαίνεσθαι, ἐν

μὲν πρῶτον ὑπαρχέτω, ἥνπερ ἐγχωρῇ, μὴ ἐγγὺς τῶν πολεμίων ἐγχειρεῖν ἐξαπατᾶν· καὶ γὰρ ἀσφαλέστερον τὸ πρόσω καὶ ἀπατητικώτερον. ἔπειτα δὲ χρὴ εἰδέναι ὅτι ἀθρόοι μὲν ἵπποι πολλοὶ φαίνονται διὰ τὸ μέγεθος τοῦ ζώου, διασπειρόμενοι δ' εὐαριθμητοὶ γίνονται. [5.6] ἔτι δ' ἂν πλεόν σοι τὸ ἱππικὸν τοῦ ὄντος φαίνοιτο, εἰ τοὺς ἱπποκόμους εἰς τοὺς ἱππέας ἐνισταίης μάλιστα μὲν δόπατα, εἰ δὲ μή, ὅμοια δόρασιν ἔχοντας, ἥν τε ἐστηκὸς ἐπιδεικνύῃς τὸ ἱππικὸν ἥν τε παράγῃς· ἀνάγκη γὰρ τὸν ὄγκον τῆς τάξεως οὕτω μείζω τε καὶ πυκνότερον φαίνεσθαι. [5.7] ἥν δ' αὖ τοὺς πολλοὺς ὀλίγους βούλῃ δοκεῖν εἶναι, ἥν μὲν σοι χωρία ὑπάρχηι οἷα συγκρύπτειν, δηλὸν ὅτι τοὺς μὲν ἐν τῷ φανερῷ ἔχων, τοὺς δ' εἰς τὸ ἀδηλὸν ἀποκρύπτων κλέπτοις ἂν τοὺς ἱππέας· ἥν δὲ πᾶν καταφανὲς ἦι τὸ χωρίον, δεκάδας χρὴ στοιχοῦσας ποιήσαντα διαλειπούσας παράγειν, καὶ τοὺς μὲν πρὸς τῶν πολεμίων ἱππέας ἐκάστης δεκάδος ὀρθὰ τὰ δόρατα ἔχειν, τοὺς δ' ἄλλους ταπεινὰ καὶ μὴ ὑπερφανῇ. [5.8] φοβεῖν γε μὴν τοὺς πολεμίους καὶ ψευδενέδρας οἷόν τε καὶ ψευδοβοηθείας καὶ ψευδαγγελίας ποιοῦντα. θαρσοῦσι δὲ μάλιστα πολέμιοι, ὅταν <ὄντα> τοῖς ἐναντίοις πράγματα καὶ ἀσχολίας πυθνάνωνται. [5.9] τούτων δὲ γεγραμμένων μηχανᾶσθαι αὐτὸν χρὴ πρὸς τὸ παρὸν αἰεὶ ἀπατᾶν· ὄντως γὰρ οὐδὲν κερδαλεώτερον ἀπάτης ἐν πολέμῳ. [5.10] ὁπότε γὰρ καὶ οἱ παῖδες, ὅταν παίζωσι ποσίνδα, δύνανται ἀπατᾶν προϊέσκοντες ὥστε ὀλίγους τ' ἔχοντες πολλοὺς δοκεῖν ἔχειν καὶ πολλοὺς προέχοντες ὀλίγους φαίνεσθαι ἔχειν, πῶς οὐκ ἄνδρες γε τῷ ἐξαπατᾶν προσέχοντες τὸν νοῦν δύναντ' ἂν τοιαῦτα μηχανᾶσθαι; [5.11] καὶ ἐνθυμούμενος δ' ἂν τὰ ἐν τοῖς πολέμοις πλεονεκτήματα εὖροι ἂν τις τὰ πλεῖστα καὶ μέγιστα σὺν ἀπάτῃ γεγεννημένα. ὧν ἕνεκα ἢ οὐκ ἐγχειρητέον ἄρχειν ἢ τοῦτο σὺν τῇ ἄλλῃ παρασκευῇ καὶ παρὰ θεῶν αἰτητέον δύνασθαι ποιεῖν καὶ αὐτῷ μηχανητέον. [5.12] οἷς δὲ θάλαττα πρόσσεστιν, ἀπατητικὸν καὶ τὸ πλοῖα παρασκευαζόμενον πεζῇ τι πρᾶξαι καὶ τὸ πεζῇ προσποιοῦμενον ἐπιβουλεύειν κατὰ θάλατταν ἐπιχειρήσαι.

[5.13] Ἱππαρχικὸν δὲ καὶ τὸ διδάσκειν τὴν πόλιν ὥς ἀσθενὲς τὸ πεζῶν ἔρημον ἱππικὸν πρὸς τὸ ἀμίππους πεζοὺς ἔχον. ἱππαρχικὸν δὲ καὶ τὸ λαβόντα πεζοὺς αὐτοῖς χρηῖσθαι· ἔστι δὲ πεζοὺς οὐ μόνον ἐντὸς ἀλλὰ καὶ ὀπισθεν ἱππέων ἀποκρύψασθαι· πολὺ γὰρ μείζων ὁ ἱππεὺς τοῦ πεζοῦ. [5.14] ταῦτα δὲ πάντα ἐγὼ καὶ ὅσα πρὸς τούτοις τις μηχανήσεται ἢ βίαι ἢ τέχνῃ αἰρεῖν τοὺς ἐναντίους βουλόμενος σὺν

τῷ θεῷ πράττειν συμβουλεύω, ἵνα καὶ ἡ τύχη συνεπαινῇ θεῶν ἴλεων ὄντων. [5.15] ἔστι δ' ὅτε πάνυ ἀπατητικὸν καὶ τὸ λίαν φυλακτικὸν προσποιήσασθαι εἶναι καὶ μηδαμῶς φιλοκίνδυνον· τοῦτο γὰρ τοὺς πολεμίους πολλάκις προάγεται ἀφυλακτοῦντας μᾶλλον ἀμαρτάνειν. ἦν δ' ἅπαξ δόξει τις φιλοκίνδυνος εἶναι, ἔξεστι καὶ ἡσυχίαν ἔχοντα, προσποιούμενον δὲ πράξειν τι, πράγματα παρέχειν τοῖς πολεμίους.

[6.1] Ἀλλὰ γὰρ οὐδὲν ἂν τις δύναιτο πλάσαι οἷον βούλεται, εἰ μὴ ἐξ ὧν γε πλάττοιο παρεσκευασμένα εἴη ὡς πείθεσθαι τῇ τοῦ χειροτέχνου γνώμῃ· οὐδὲ γ' ἂν ἐξ ἀνδρῶν, εἰ μὴ σὺν θεῷ οὕτω παρεσκευασμένοι ἔσονται ὡς φιλικῶς τε ἔχῃν πρὸς τὸν ἄρχοντα καὶ φρονιμώτερον σφῶν αὐτὸν ἡγεῖσθαι περὶ τῶν πρὸς τοὺς πολεμίους ἀγώνων.

[6.2] Εὐνοϊκῶς μὲν οὖν ἔχειν [καὶ] ἐκ τῶνδε εἰκὸς τοὺς ἀρχομένους, ὅταν φιλοφρόνως τε ἔχηι πρὸς αὐτοὺς καὶ προνοῶν φαίνεται ὅπως τε σίτον ἔξουσιν καὶ ὅπως ἀσφαλῶς μὲν ἀποχωρήσουσι, πεφυλαγμένως δὲ ἀναπαύσονται. [6.3] ἐν δὲ ταῖς φρουραῖς χρὴ καὶ χιλοῦ καὶ σκηνῶν καὶ ὕδατος καὶ φρυγάνων καὶ τῶν ἄλλων ἐπιτηδείων φανερόν εἶναι ἐπιμελόμενον καὶ προνοοῦντά τε καὶ ἀγρυπνοῦντα ἔνωκα τῶν ἀρχομένων. καὶ ὅταν γε πλέον ἔχηι τι, τὸ μεταδοῦναι κερδαλέον τῷ προεστηκότι.

[6.4] Ἦκιστα δ' ἂν καταφρονοῖεν ἄρχοντος, ὡς μὲν συνελόντι εἰπεῖν, εἰ ὅποσα ἐκείνοις παραινοίη, αὐτὸς ταῦτα βέλτιον ἐκείνων φαίνοιτο ποιῶν. [6.5] ἀρξάμενον οὖν δεῖ ἀπὸ τοῦ ἀναβαίνειν ἐπὶ τοὺς ἵππους πάντα τὰ ἐν ἱππικῇ μελετᾶν, ὅπως ὀρῶσι τὸν ἄρχοντα δυνάμενον ἐπὶ τοῦ ἵππου καὶ τάφρους ἀσφαλῶς περᾶν καὶ τειχία ὑπερακρίζειν καὶ ἀπ' ὄχθων κατοροῦειν καὶ ἀκοντίζειν ἱκανῶς· πάντα γὰρ ταῦτα προκόπτει τι εἰς τὸ μὴ καταφρονεῖσθαι. [6.6] ἦν δὲ δὴ καὶ τάττειν γνώσιν ἐπιστάμενόν τε καὶ δυνάμενον παρασκευάζειν ὡς ἂν πλέον ἔχοιεν τῶν πολέμιων, πρὸς δὲ τούτοις κἀκεῖνο λάβωσιν εἰς τὴν γνώμην, ὡς οὕτ' ἂν εἰκῇ οὕτ' ἄνευ θεῶν οὔτε παρὰ τὰ ἱερὰ ἡγήσασιν· ἂν ἐπὶ πολεμίους, πάντα ταῦτα πιθανωτέρους τῷ ἄρχοντι τοὺς ἀρχομένους ποιεῖ.

[7.1] Παντὶ μὲν οὖν προσήκει ἄρχοντι φρονίμωι εἶναι· πολὺ μέντοι τὸν Ἀθηναίων ἵππαρχον διαφέρειν δεῖ καὶ τῷ τοὺς θεοὺς θεραπεύειν καὶ τῷ πολεμικόν εἶναι, ὧι γε ὑπάρχουσι μὲν ὁμοροὶ ἀντίπαλοι ἵππεῖς τε παραπλήσιοι τὸ πλῆθος καὶ ὀπλῖται πολλοί. [7.2] κἂν μὲν εἰς

τὴν πολεμίαν ἐμβάλλειν ἐπιχειρῇ ἄνευ τῆς ἄλλης πόλεως, πρὸς ἀμφοτέρους τούτους μόνοις ἂν τοῖς ἱππεῦσι διακινδυνεύοι. ἦν δ' οἱ πολέμιοι εἰς τὴν Ἀθηναίων χώραν ἐμβάλωσι, πρῶτον μὲν οὐκ ἂν ἄλλως ἔλθοιεν εἰ μὴ σὺν ἄλλοις τε ἱππεῦσι πρὸς τοῖς ἑαυτῶν καὶ πρὸς τούτοις ὀπλίταις ὁπόσοις ἂν οἶωνται πάντας Ἀθηναίους μὴ ἱκανοὺς εἶναι μάχεσθαι. [7.3] πρὸς οὖν τοσοῦτους πολεμίους ἦν μὲν ἡ πόλις πᾶσα ἐπεξίη ἀρήξουσα τῇ χώρῃ, ἐλπίδες καλαί. ἱππεῖς τε γὰρ σὺν θεῷ ἀμείνους, ἦν τις αὐτῶν ἐπιμελῆται ὥς δεῖ, ὀπλίται τε οὐ μείους ἔσονται καὶ τὰ σώματα τοίνυν οὐ χεῖρῳ ἔχοντες καὶ τὰς ψυχὰς φιλοτιμότεροι, ἦν ὀρθῶς ἀσκηθῶσι σὺν θεῷ. καὶ μὴν ἐπὶ γε τοῖς προγόνοις οὐ μείον Ἀθηναῖοι ἢ Βοιωτοὶ φρονοῦσιν. [7.4] ἦν δὲ ἡ μὲν πόλις τρέπεται ἐπὶ τὰ ναυτικά καὶ ἀρκῇ αὐτῇ τὰ τεῖχη διασώζειν, ὥσπερ καὶ ὁπότε Λακεδαιμόνιοι σὺν ἅπασιν τοῖς Ἑλλήσιν ἐνέβαλον, τοὺς δὲ ἱππέας ἀξιόσῃ τά τε ἐκτὸς τοῦ τεύχους διασώζειν καὶ αὐτοὺς μόνοις διακινδυνεύειν πρὸς πάντας τοὺς ἐναντίους, ἐνταῦθα δὴ θεῶν μὲν οἶμαι πρῶτον συμμάχων ἰσχυρῶν δεῖ, ἔπειτα δὲ καὶ τὸν ἵππαρχον προσήκει ἀποτετελεσμένον ἄνδρα εἶναι. καὶ γὰρ φρονήσεως δεῖ πολλῆς πρὸς τοὺς πολὺ πλείους καὶ τόλμης, ὁπότε καιρὸς παραπέσοι. [7.5] δεῖ δέ, ὥς ἐμοὶ δοκεῖ, καὶ αὐτὸν προνοεῖν ἱκανὸν εἶναι. πρὸς μὲν γὰρ τὸ παρὸν στράτευμα διακινδυνεύων, ὧι μὴδὲ ὅλη ἡ πόλις θέλοι ἀντικαθίστασθαι, δηλὸν ὅτι πάσχοι ἂν ὃ τι οἱ κρείττους βούλοιντο, ποιεῖν δὲ οὐδὲν ἂν ἱκανὸς εἴη. [7.6] εἰ δὲ φυλάττοι μὲν τὰ ἔξω τεύχους τοσοῦτοις ὅσοι σκοπεύειν τε τοὺς πολεμίους ἱκανοὶ ἔσονται καὶ ἀναχωρίζειν εἰς τὸ ἀσφαλὲς τὰ δεόμενα ὥς ἐκ πλείστου – ἱκανοὶ δὲ καὶ προορᾶν οὐδὲν ἥττον οἱ ὀλίγοι τῶν πολλῶν, καὶ φυλάττειν τοίνυν καὶ ἀναχωρίζειν τὰ φίλια οὐκ ἀκαιρότεροι οἱ μήτε αὐτοῖς μήτε τοῖς ἵπποις πιστεύοντες. [7.7] ὁ γὰρ φόβος δεινὸς δοκεῖ συμφύλαξ εἶναι – τοὺς μὲν <οὖν> φύλακας ἐκ τούτων ἂν τις ποιῶν ἴσως ὀρθῶς βουλευέοιτο· τοὺς δὲ περιττοὺς τῆς φυλακῆς εἰ μὲν τις στρατιὰν ἔχειν ἡγήσεται, ὀλίγη αὐτῷ φανεῖται· τοῦ παντὸς γὰρ ἐνδεήσεται ὥστε ἐκ τοῦ ἐμφανοῦς διακινδυνεύειν· ἦν δὲ ὥς ληισταῖς αὐτοῖς χρῆται, πάντῃ ἂν ὥς τὸ εἰκὸς ἱκανὴν τοῦτο πράττειν ἔχοι δύναμιν. [7.8] δεῖ δέ, ὥς ἐμοὶ δοκεῖ, τούτους παρεσκευασμένους ἀεὶ ἔχοντα ὥς ποιεῖν τι μὴ καταφανῆ ὄντα φυλάττειν, ἦν τι ἀμαρτάνῃ τὸ τῶν πολεμίων στράτευμα. [7.9] φιλοῦσι δὲ πῶς στρατιῶνται, ὅσῳ ἂν πλείους ὦσι, τοσοῦτοι πλείω ἀμαρτάνειν. ἦ γὰρ ἐπὶ τὰ ἐπιτήδεια ἐπιμελείαι σκεδάννυνται ἢ

πορευομένων ἀταξίαι οἱ μὲν προέρχονται, οἱ δ' ὑπολείπονται πλέον τοῦ καιροῦ. [7.10] τὰ οὖν τοιαῦτα ἀμαρτήματα οὐ χρή παρίεναι ἀκόλαστα [εἰ δὲ μή, ὅλη ἡ χώρα στρατόπεδον ἔσται] ἐκεῖνο καλῶς προνοοῦντα, καὶ ποιήσαντά τι φθάσαι ἀποχωρήσαντα πρὶν τὸ πολὺ βοηθοῦν ἐπιγενέσθαι. [7.11] πολλάκις δὲ πορευόμενον στράτευμα καὶ εἰς ὁδοὺς ἔρχεται ἐν αἷς οὐδὲν πλέον οἱ πολλοὶ τῶν ὀλίγων δύνανται. καὶ ἐν διαβάσεσιν γε ἔστι τῷ προσέχοντι τὸν νοῦν ἀσφαλῶς ἐφεπομένῳ ταμιεύσασθαι ὥστε ὅποσους ἂν βούληται τῶν πολεμίων ἐπιτίθεσθαι. [7.12] ἔστι δ' ὅτε καλὸν καὶ στρατοπεδευομένοις καὶ ἀριστῶσι καὶ δειπνοποιουμένοις ἐπιχειρεῖν, καὶ ἐκ κοίτης γε ἀνισταμένοις. ἐν πᾶσι γὰρ τούτοις ἅπλοι στρατιῶται γίνονται, μείονα μὲν χρόνον οἱ ὀπλῖται, πλείονα δὲ οἱ ἱππεῖς. [7.13] σκοποῖς μέντοι καὶ προφυλακαῖς οὐδέποτε δεῖ παύεσθαι ἐπιβουλεύοντα. οὗτοι γὰρ αὖ ὀλίγοι μὲν ἀεὶ καθίστανται, πολὺ δὲ τοῦ ἰσχυροῦ ἐνίστε ἀποστατοῦσιν. [7.14] ὅταν δὲ τὰ τοιαῦτα ἤδη καλῶς φυλάττωνται οἱ πολέμιοι, καλὸν ἐστὶ σὺν θεῷ λαθόντα ἐλθεῖν εἰς τὴν πολεμίαν μεμελετηκότα ὡς ... <πός>οι τε ἐκασταχοῦ καὶ ποῦ τῆς χώρας προφυλάττουσιν. οὐδεμία γὰρ οὕτω καλὴ λεία ὡς αἱ φυλακαί, ἣν κρατηθῶσι. [7.15] καὶ εὐεξαπάτητοι δ' εἰσὶν οἱ φύλακες· διώκουσι γὰρ ὅ τι ἂν ὀλίγον ἴδωσι, νομίζοντες σφίσι τοῦτο προστετάχθαι. τὰς μέντοι ἀποχωρήσεις σκοπεῖν δεῖ ὅπως μὴ ἐναντία τοῖς βοηθοῦσιν ἔσονται.

[8.1] Τοὺς μέντοι μέλλοντας δυνήσεσθαι ἀσφαλῶς τὸ πολὺ κρεῖττον στράτευμα κακουργεῖν σαφῶς δεῖ τοσοῦτον διαφέρειν ὥστε αὐτοὺς μὲν ἀσκητὰς φαίνεσθαι τῶν πολεμικῶν ἐν ἱπικῇ ἔργων, τοὺς δὲ πολεμίους ἰδιώτας. [8.2] τοῦτο δ' ἂν εἴη πρῶτον μὲν <εἰ οἱ> λήζεσθαι μέλλοντες ἐκπεπονημένοι εἶεν τῇ ἐλάσει, ὥστε δύνασθαι στρατιωτικοὺς πόνους ὑποφέρειν· οἱ γὰρ πρὸς ταῦτα ἀμελῶς ἔχοντες καὶ ἵπποι καὶ ἄνδρες εἰκότως ἂν ὥσπερ γυναῖκες πρὸς ἄνδρας ἀγωνίζοντο. [8.3] οἱ δὲ γε δεδιδαγμένοι τε καὶ εἰθισμένοι τάφρους διαπηδᾶν καὶ τειχία ὑπεραίρειν καὶ ἐπ' ὄχθους ἀνάλλεσθαι καὶ ἀφ' ὑψηλῶν ἀσφαλῶς κατιέναι καὶ τὰ κατάντη ταχὺ ἐλαύνεσθαι, οὗτοι δ' αὖ τοσοῦτον διαφέρουσιν ἂν τῶν ἀμελετήτων ταῦτα ὅσον περ πτηνοὶ πεζῶν· οἱ δὲ γε αὖ τοὺς πόδας ἐκπεπονημένοι τῶν ἀτρίβων πρὸς τραχέα ὅσον περ ὑγιεῖς χολῶν· καὶ οἱ γε τῶν τόπων ἔμπειροι πρὸς τοὺς ἀπείρους τοσοῦτον ἐν ταῖς προελάσεσι καὶ ἀποχωρήσεσι διαφέρουσιν ἂν ὅσον περ οἱ ὀρῶντες τῶν τυφλῶν.

[8.4] Καὶ τοῦτο δὲ χρὴ εἰδέναι, ὅτι [οἱ] εὐωχοῦμενοι <μὲν οἱ> ἵπποι, [μὴ] ἐκπεπονημένοι δὲ ὥστε <μὴ> ἀποπνίγεσθαι ἐν τοῖς πόνοις, εὖ παρεσκευασμένοι εἰσὶ. χρὴ δέ, ἐπεὶ περ χαλिनοὶ καὶ ἐφίππια ἐξ ἱμάντων ἡρτημένα ἐστὶ [χρήσιμα], μήποτε τὸν ἵππαρχον τούτων ἔρημον εἶναι· μικρᾷ γὰρ δαπάνῃ τοὺς ἀποροῦντας χρησίμους ἂν παρέχοιτο.

[8.5] Εἰ δέ τις νομίζοι πολλὰ ἔχειν ἂν πράγματα, εἰ οὕτω δεήσει ἀσκεῖν τὴν ἵππικὴν, ἐνθυμηθήτω ὅτι οἱ εἰς τοὺς γυμνικοὺς ἀγῶνας ἀσκοῦντες πολὺ πλείω πράγματα καὶ χαλεπώτερα ἔχουσιν ἢ οἱ τὴν ἵππικὴν τὰ μάλιστα μελετῶντες. [8.6] καὶ γὰρ τῶν μὲν γυμνικῶν ἀσκημάτων τὰ πολλὰ σὺν ἰδρώτι ἐκπονοῦνται, τῆς δὲ ἵππικῆς τὰ πλεῖστα μεθ' ἡδονῆς. ὅπερ γὰρ εὖ ξαίτ' ἂν τις πτηνὸς γενέσθαι, οὐκ ἔστιν ὃ τι μᾶλλον τῶν ἀνθρωπίνων ἔργων ἔοικεν αὐτῷ. [8.7] καὶ μὴν τό γ' ἐν πολέμῳ νικᾷ πολλῷ ἐνδοξότερον ἢ πυγμῇ· μετέχει μὲν γάρ τι καὶ ἡ πόλις ταύτης τῆς δόξης· ὥς δὲ τὰ πολλὰ ἐπὶ τῇ τοῦ πολέμου νίκῃ καὶ εὐδαιμονίᾳ οἱ θεοὶ τὰς πόλεις στεφανοῦσιν, ὥστ' οὐκ οἶδ' ἔγωγε τί προσήκει ἄλλ' ἅττα μᾶλλον ἀσκεῖσθαι ἢ τὰ πολεμικά. [8.8] ἐννοεῖν δὲ χρὴ ὅτι καὶ οἱ κατὰ θάλατταν ληισταὶ διὰ τὸ πονεῖν ἡσκηκεῖναι δύνανται ζῆν καὶ ἀπὸ τῶν πολὺ κρείττωνων. προσήκει γε μὴν καὶ κατὰ γῆν οὐ τοῖς καρποῦμένοις τὰ ἑαυτῶν ἀλλὰ τοῖς στερισκομένοις τῆς τροφῆς λήιζεσθαι· ἢ γὰρ ἐργαστέον ἢ ἀπὸ τῶν εἰργασμένων θρεπτέον· ἄλλως δ' οὐ ράδιον οὔτε βιοτεύειν οὔτε εἰρήνης τυχεῖν.

[8.9] Μεμνησθαι δὲ κάκεῖνο χρή, μήποτε ἐπὶ τοὺς κρείττους ἐλαύνειν ὀπισθεν ἵπποις δύσβατα ποιούμενον· οὐ γὰρ ὁμοιον φεύγοντι καὶ διώκοντι σφαλῆναι. [8.10] ἔτι δὲ βούλομαι ὑπομνησαι καὶ τόδε φυλάττεσθαι. εἰσὶ γάρ τινες οἱ, ὅταν μὲν ἴωσιν ἐπὶ τούτους ὧν ἂν οἶωνται κρείττους εἶναι, παντάπασιν ἀσθενεῖ δυνάμει ἔρχονται, ὥστε πολλάκις ἔπαθον ἃ ὥιοντο ποιήσιν· ὅταν δ' ἐπὶ τούτους ὧν ἂν σαφῶς ἐπίστωνται ἥττους ὄντες, πᾶσαν ὅσῃν ἂν ἔχῃσι δύναμιν ἄγουσιν. ἐγὼ δὲ φημι χρῆναι τάναντία τούτων ποιεῖν. [8.11] ὅταν μὲν κρατήσῃν οἰόμενος ἄγῃ, μὴ φείδεσθαι τῆς δυνάμεως ὅσῃν ἂν ἔχη· τὸ γὰρ πολὺ νικᾷ οὐδενὶ πώποτε μεταμέλειαν παρέσχεν. [8.12] ὅταν δὲ τοῖς πολὺ κρείττοσιν ἐπιχειρῇ καὶ προγινώσκηι ὅτι ποιήσαντα ὃ τι ἂν δύνῃται φευκτέον ἐστίν, εἰς τὰ τοιαῦτά φημι πολὺ κρείττον εἶναι ὀλίγους ἢ πάντας προσάγειν, τοὺς μέντοι ἀπειλεγμένους καὶ ἵππους καὶ ἄνδρας τοὺς κρατίστους. τοιοῦτοι γὰρ ὄντες καὶ ποιῆσαι

ἂν τι καὶ ἀποχωρῆσαι ἀσφαλέστερον ἂν δύναιντο. [8.13] ὅταν δὲ πρὸς τοὺς κρείττους πάντας προσαγαγὼν ἀποχωρεῖν βούληται, ἀνάγκη τοὺς μὲν ἐπὶ τῶν βραδυτάτων ἵππων ἀλίσκεσθαι, τοὺς δὲ καὶ δι' ἀφιππίαν πίπτειν, τοὺς δὲ διὰ δυσχωρίας ἀπολαμβάνεσθαι· καὶ γὰρ πολὺν τόπον χαλεπὸν εὔρεῖν οἷον ἂν τις εὔξαιτο. [8.14] ὑπὸ γε μὴν τοῦ πλήθους καὶ συμπίπτειν ἂν καὶ ἐμποδίζοντες πολλὰ ἂν ἀλλήλους κακουργοῖεν. οἱ δ' ἀγαθοὶ ἵπποι καὶ ἱππεῖς δυνατοὶ καὶ ἐξ' αὐτῶν διαφεύγειν ἄλλως τε ἂν καὶ μηχανᾶται τις τοῖς διώκουσι φόβον ἀπὸ τῶν περιττῶν ἱππέων. [8.15] σύμφορον δ' εἰς τοῦτο καὶ αἱ ψευδενέδραι· χρήσιμον δὲ κάκεῖνο, τὸ εὐρίσκειν πόθεν ἂν οἱ φίλοι ἐξ ἀσφαλοῦς ἐπιφαινόμενοι βραδυτέρους τοὺς διώκοντας παρέχοιεν. [8.16] ἀλλὰ μὴν καὶ τόδε δῆλον, ὥς πόνοις καὶ τάχει οἱ ὀλίγοι τῶν πολλῶν πολὺ μᾶλλον ἢ οἱ πολλοὶ τῶν ὀλίγων περιγίγνουντ' ἂν. καὶ οὐ λέγω ὥς διὰ τὸ ὀλίγοι εἶναι καὶ πονεῖν μᾶλλον δυνήσονται καὶ θάττους ἔσονται, ἀλλ' ὅτι ῥᾷον εὔρεῖν ὀλίγους ἢ πολλοὺς τοὺς καὶ τῶν ἵππων ἐπιμελησομένους ὥς δεῖ καὶ αὐτοὺς φρονίμως μελετήσοντας τὴν ἱππικὴν.

[8.17] Ἦν δέ ποτε συμβαίνειν ἀγωνίζεσθαι πρὸς παραπλησίους ἱππέας, ἐγὼ μὲν οἶμαι οὐκ ἂν χεῖρον εἶναι εἴ τις δύο τάξεις ἐκ τῆς φυλῆς ποιήσειεν, καὶ τῆς μὲν ὁ φύλαρχος ἡγοῖτο, τῆς δὲ ἄλλης ὅστις ἄριστος δοκοίη εἶναι, [8.18] οὗτος δὲ τέως μὲν ἔποιτο κατ' οὐρὰν τῆς μετὰ τοῦ φυλάρχου τάξεως, ἐπεὶ δ' ἐγγὺς ἤδη εἶεν οἱ ἀντίπαλοι, ἀπὸ παραγγέλσεως παρελαύνει ἐπὶ τοὺς πολεμίους. οὕτω γὰρ οἶμαι καὶ ἐκπληκτικωτέρους τοῖς ἐχθροῖς ἂν εἶναι καὶ δυσμαχωτέρους. [8.19] εἰ δὲ καὶ πεζοὺς ἔχοιεν ἐκάτεροι, καὶ οὗτοι ἀποκεκρυσμένοι ὀπισθεν τῶν ἱππέων, ἐξαπίνης δὲ παραφαινόμενοι καὶ ὁμόσε ἰόντες δοκοῦσιν ἂν μοι τὴν νίκην πολὺ μᾶλλον κατεργάζεσθαι. ὁρῶ γὰρ τὰ παράδοξα ἦν μὲν ἀγαθὰ ἦι, μᾶλλον εὐφραίνοντα τοὺς ἀνθρώπους, ἦν δὲ δεινά, μᾶλλον ἐκπλήττοντα. [8.20] ταῦτα δὲ γνοίῃ ἂν τις μάλιστα ἐνθυμούμενος ὥς οἱ τε ἐνέδραις ἐμπίπτοντες ἐκπλήττονται, καὶ ἐὰν πολὺ πλείους ᾧσι, καὶ ὅταν πολέμιοι ἀλλήλοις ἀντικάθωνται, ὥς πολὺ ταῖς πρώταις ἡμέραις φοβερώτατα ἔχουσιν. [8.21] ἀλλὰ τὸ μὲν διατάξαι ταῦτα οὐ χαλεπὸν· τὸ δ' εὔρεῖν τοὺς φρονίμως καὶ πιστῶς καὶ προθύμως καὶ εὐψύχως παρελῶντας ἐπὶ τοὺς πολεμίους, τοῦτο ἤδη ἀγαθοῦ ἱπάρχου. [8.22] δεῖ γὰρ καὶ λέγειν αὐτὸν ἱκανὸν εἶναι καὶ ποιεῖν τοιαῦτα ἀφ' ὧν οἱ ἀρχόμενοι γνῶσκονται ἀγαθὸν εἶναι τό τε πείθεσθαι καὶ τὸ ἔπεσθαι καὶ τὸ ὁμόσε ἐλαύνειν τοῖς πολεμίοις καὶ

ἐπιθυμήσουσι τοῦ καλόν τι ἀκούειν καὶ δυνήσονται ἃ ἂν γνῶσιν ἐγκαρτερεῖν. [8.23] ἐὰν δέ ποτε αὖ ἡ φαλάγγων ἀντιτεταγμένων ἡ χωρίων ἑκατέροις ὑπαρχόντων ἐν τῷ μέσῳ τοῖς ἱππεῦσιν ἀναστροφαί τε καὶ διώξεις καὶ ἀποχωρήσεις γίνωνται, εἰώθασι μὲν ὡς τὰ πολλὰ ἐκ τῶν τοιούτων ὁρμᾶν μὲν [ἐκ τῶν ἀναστροφῶν] βραδέως ἀμφοτέροι, τὸ δ' ἐν μέσῳ τάχιστα ἐλαύνειν. [8.24] ἦν δέ τις οὕτω προδείξας ἔπειτα [δ'] ἐκ τῶν ἀναστροφῶν ταχέως τε διώκηι καὶ ταχέως ἀποχωρῇ, βλάπτειν τ' ἂν μάλιστα τοὺς πολεμίους δύναιτο καὶ ὡς τὸ εἰκὸς ἀσφαλέστατ' ἂν διάγοι, ταχὺ μὲν διώκων ἐν ᾧ ἂν ἐγγὺς ἦι τοῦ ἑαυτοῦ ἰσχυροῦ, ταχὺ δὲ ἀποχωρῶν ἀπὸ τῶν τοῖς πολεμίῳ ἰσχυρῶν. [8.25] εἰ δὲ καὶ λαθεῖν δύναιτο ἀπὸ τῆς τάξεως ἐκάστης καταλιπὼν ἢ τέτταρας ἢ πέντε τῶν κρατίστων ἵππων τε καὶ ἀνδρῶν, πολλὸν ἂν προέχοιεν εἰς τὸ ἐπαναστρεφόμενοις τοῖς πολεμίῳ ἐμπίπτειν.

[9.1] Ταῦτα δὲ ἀναγινώσκειν μὲν καὶ ὀλιγάκις ἀρκεῖ, ἐννοεῖν δὲ τὸ παρατυγχάνον αὐτῷ ἀεὶ δεῖ, καὶ πρὸς τὸ παριστάμενον σκοποῦντα τὸ συμφέρον ἐκπονεῖν. γράψαι δὲ πάντα ὅποσα δεῖ ποιεῖν οὐδὲν μᾶλλον οἷόν τέ ἐστιν ἢ τὰ μέλλοντα πάντα εἰδέναι. [9.2] πάντων δὲ τῶν ὑπομνημάτων ἔμοιγε δοκεῖ κράτιστον εἶναι τὸ ὅσα ἂν γνῶι ἀγαθὰ εἶναι ἐπιμελεῖσθαι ὡς ἂνπραχθῇ. ὀρθῶς δὲ γινωσκόμενα οὐ φέρει καρπὸν οὔτ' ἐν γεωργίᾳ οὔτ' ἐν ναυκληρίᾳ οὔτ' ἐν ἀρχῇ, ἦν μὴ τις ἐπιμέλῃται ὡς ἂν ταῦτα σὺν τοῖς θεοῖς ἐκπεραίνηται.

[9.3] Φημὶ δ' ἐγὼ [ταῦτα] καὶ τὸ πᾶν ἱππικὸν ᾧδ' ἂν πολλὸν θᾶπτον ἐκπληρωθῆναι εἰς τοὺς χιλίους ἱππεῖς καὶ πολλὸν ῥᾷον τοῖς πολίταις, εἰ διακοσίους ἱππέας ξένους καταστήσαιντο· δοκοῦσι γὰρ ἂν μοι οὗτοι προσγενόμενοι καὶ εὐπειστότερον ἂν πᾶν τὸ ἱππικὸν ποιῆσαι καὶ φιλοτιμότερον πρὸς ἀλλήλους περὶ ἀνδραγαθίας. [9.4] οἶδα δ' ἔγωγε καὶ Λακεδαιμονίοις ἱππικὸν ἀρξάμενον εὐδοκιμεῖν, ἐπεὶ ξένους ἱππέας προσέλαβον. καὶ ἐν ταῖς ἄλλαις δὲ πόλεσι πανταχοῦ τὰ ξενικὰ ὁπῶ εὐδοκιμοῦντα· ἡ γὰρ χρεια μεγάλην προθυμίαν συμβάλλεται. [9.5] εἰς δὲ τιμὴν τῶν ἵππων νομίζω ἂν αὐτοῖς χρήματα ὑπάρξαι καὶ παρὰ τῶν σφόδρα ἀπεχομένων μὴ ἱππεύειν, ὅτι καὶ τοῖς καθίστησι τὸ ἱππικὸν ἐθέλουσι τελεῖν ἀργύριον ὡς μὴ ἱππεύειν, <καὶ> παρὰ πλουσίων μὲν, ἀδυνάτων δὲ τοῖς σώμασιν, οἶμαι δὲ καὶ παρ' ὀρφανῶν τῶν δυνατοῦς οἴκους ἐχόντων. [9.6] νομίζω δὲ καὶ μετοίκων φιλοτιμεῖσθαι ἂν τινες εἰς ἱππικὸν καθισταμένους· ὁρῶ γὰρ καὶ τῶν ἄλλων ὁπόσων ἂν καλῶν ὄντων μεταδιδῶσιν αὐτοῖς οἱ πολῖται,

φιλοτίμως ἐνίους ἐθέλοντας τὸ προσταχθὲν διαπράττεσθαι. [9.7] δοκεῖ δ' ἄν μοι καὶ πεζὸν σὺν τοῖς ἵπποις ἐνεργότατον εἶναι, εἰ συσταθείη ἐξ ἀνδρῶν τῶν ἐναντιωτάτων τοῖς πολεμίοις. ταῦτα δὲ πάντα θεῶν συνεθελόντων γένοιτ' ἄν. [9.8] εἰ δέ τις τοῦτο θαυμάζει, ὅτι πολλάκις γέγραπται τὸ σὺν θεῷ πράττειν, εὖ ἴστω ὅτι ἦν πολλάκις κινδυνεύῃ, ἥττον τοῦτο θαυμάσεται, καὶ ἦν γε κατανοῇ ὅτι, ὅταν πόλεμος ᾖ, ἐπιβουλεύουσι μὲν ἀλλήλοις οἱ ἐναντίοι, ὀλιγάκις δὲ ἴσασι πῶς ἔχει τὰ ἐπιβουλευόμενα. [9.9] τὰ οὖν τοιαῦτα οὐδ' ὅτωι συμβουλεύσεται τις οἷόν τε εὐρεῖν πλὴν θεῶν· οὗτοι δὲ πάντα ἴσασι καὶ προσημαίνουσιν ὧι ἂν ἐθέλωσι καὶ ἐν ἱεροῖς καὶ ἐν οἰωνοῖς καὶ ἐν φήμαις καὶ ἐν ὀνείρασιν. εἰκὸς δὲ μᾶλλον ἐθέλῃν αὐτοὺς συμβουλεύειν τούτοις, οἳ ἂν μὴ μόνον ὅταν δέωνται ἐπερωτῶσι τί χρὴ ποιεῖν, ἀλλὰ καὶ ἐν ταῖς εὐτυχίαις θεραπεύωσιν ὅ τι ἂν δύνωνται τοὺς θεούς.

HUNTING WITH DOGS - Κυνηγετικός

[1.1] Τὸ μὲν εὖρημα θεῶν, Απόλλωνος καὶ Ἀρτέμιδος, ἄγραι καὶ κύνες· ἔδοσαν δὲ καὶ ἐτίμησαν τούτῳ Χεῖρωνα διὰ δικαιοσύνην. [1.2] ὁ δὲ λαβὼν ἐχάρη τῷ δώρῳ καὶ ἐχρῆτο· καὶ ἐγένοντο αὐτῷ μαθηταὶ κυνηγεσίῳ τε καὶ ἐτέρων καλῶν Κέφαλος, Ἀσκληπιός, Μειλανίων, Νέστωρ, Ἀμφιάρεος, Πηλεὺς, Τελαμών, Μελέαγρος, Θησεύς, Ἴππόλυτος, Παλαμίδης, Μενεσθεύς, Ὀδυσσεύς, Διομήδης, Κάστωρ, Πολυδεύκης, Μαχάων, Ποδαλείριος, Ἀντίλοχος, Αἰνείας, Ἀχιλλεύς, ὧν κατὰ χρόνον ἕκαστος ὑπὸ θεῶν ἐτιμήθη. [1.3] θαυμάζετο δὲ μηδεὶς ὅτι οἱ πολλοὶ αὐτῶν ἀρέσκοντες θεοῖς ὅμως ἐτελεύτησαν· τοῦτο μὲν γὰρ ἡ φύσις· ἀλλ' οἱ ἔπαινοι αὐτῶν μεγάλοι ἐγένοντο· μηδὲ ὅτι οὐχ αἱ αὐταὶ ἡλικίαι πᾶσι τούτοις· ὁ γὰρ Χεῖρωνος βίος πᾶσιν ἐξήρκει. Ζεὺς γὰρ καὶ Χεῖρων ἀδελφοὶ πατὴρ μὲν τοῦ αὐτοῦ, μητὴρ δὲ ὁ μὲν Ῥέας, ὁ δὲ Ναΐδος νύμφης· [1.4] ὥστε ἐγγόνει μὲν Χεῖρων πρότερος τούτων, ἐτελεύτησε δὲ ὕστερος, ἐπεὶ Ἀχιλλεὺς ἐπαίδευσεν. [1.5] ἐκ δὲ τῆς ἐπιμελείας τῆς [ἐκ] τῶν κυνῶν καὶ κυνηγεσίῳ καὶ <ἐκ> τῆς ἄλλης παιδείας πολλὸν διενεγκόντες τὰ κατὰ τὴν ἀρετὴν ἐθαυμάσθησαν. [1.6] Κέφαλος μὲν [καὶ] ὑπὸ θεᾶς ἠρπάσθη, Ἀσκληπιὸς δὲ <καὶ> μεϊζόνων ἔτυχεν, ἀνίστασθαι μὲν τεθνεῶτας, νοσοῦντας δὲ ἰᾶσθαι· διὰ δὲ ταῦτα θεὸς ὥς παρ' ἀνθρώποις ἀείμνηστον κλέος ἔχει. [1.7] Μειλανίων δὲ τοσοῦτον ὑπερέσχε φιλοπονίαι, ὥστε ὧν αὐτῷ ἀντερασταὶ ἐγένοντο οἱ τότε ἄριστοι τῶν τότε μεγίστων γάμων μόνος ἔτυχεν Ἀταλάντης. Νέστωρ δὲ προδιελήλυθεν ἡ ἀρετὴ τῶν Ἑλλήνων τὰς ἀκοάς, ὥστε εἰδῶσιν ἂν λέγοιμι. [1.8] Ἀμφιάρεος δὲ ὅτ' ἐπὶ Θήβας ἐστράτευσε, πλεῖστον κτησάμενος ἔπαινον ἔτυχε παρὰ θεῶν ἀείζως τιμᾶσθαι. Πηλεὺς δ' ἐπιθυμίαν παρέσχε καὶ θεοῖς δοῦναι τε Θέτιν αὐτῷ καὶ τὸν γάμον παρὰ Χεῖρῳι ὑμνῆσαι. [1.9] Τελαμών δὲ τοσοῦτος ἐγένετο, ὥστ' ἐκ μὲν πόλεως τῆς μεγίστης ἦν αὐτὸς ἐβούλετο γῆμαι Περίβοιαν τὴν Ἀλκάθου· ὅτε δὲ ὁ πρῶτος τῶν Ἑλλήνων ἐδίδου τάριστεϊα Ἡρακλῆς ὁ Διός, ἐλὼν Τροίαν, Ἡσιόνην αὐτῷ ἔδωκεν. [1.10] Μελέαγρος δὲ τὰς μὲν τιμὰς ἃς ἔλαβε φανεραὶ· πατὴρ δ' ἐν γῇ ἐπιλανθανομένου τῆς θεοῦ οὐχ ὑπὸ τῆς αὐτοῦ αἰτίας ἐδυστύχησε. Θησεὺς δὲ τοὺς μὲν τῆς Ἑλλάδος ἐχθροὺς πάσης μόνος ἀπώλεσε· τὴν δ' αὐτοῦ πατρίδα πολλὸν μεῖζω ποιήσας ἔτι καὶ νῦν θαυμάζεται. [1.11] Ἴππόλυτος δὲ ὑπὸ

μὲν τῆς Ἀρτέμιδος ἐτιμᾶτο καὶ ἐν λόγοις συνῆν, σωφροσύνη δὲ καὶ ὀσιότητι μακαρισθεὶς ἐτελεύτησε. Παλαμήδης δὲ ἕως μὲν περιῆν πάντων τῶν ἐφ' ἑαυτοῦ ὑπερέσχε σοφία. ἀποθανὼν δὲ ἀδίκως τοσαύτης ἔτυχε τιμωρίας ὑπὸ θεῶν, ὅσης οὐδεὶς ἄλλος ἀνθρώπων. ἐτελεύτησε δὲ οὐχ ὑφ' ὧν οἴονται τινες· οὐ γὰρ ἂν ἦν ὁ μὲν σχεδόν τι ἄριστος, ὁ δὲ ὅμοιος ἀγαθοῖς· κακοὶ δὲ ἔπραξαν τὸ ἔργον. [1.12] Μενεσθεὺς δὲ ἐκ τῆς ἐπιμελείας τῆς [ἐκ] τῶν κυνηγεσιῶν τοσοῦτον ὑπερέβαλε φιλοπονία, ὥστε ὁμολογεῖται τοὺς τῶν Ἑλλήνων πρῶτους ὑστέρους εἶναι τὰ εἰς τὸν πόλεμον ἐκείνου πλὴν Νέστορος· καὶ οὗτος οὐ προέχειν λέγεται, ἀλλὰ ἐρίζειν. [1.13] Ὀδυσσεὺς δὲ καὶ Διομήδης λαμπροὶ μὲν καὶ καθ' ἑν ἕκαστον, τὸ δὲ ὅλον αἴτιοι τοῦ Τροίαν ἀλῶναι. Κάστωρ δὲ καὶ Πολυδεύκης ὅσα ἐπεδειξάντο ἐν τῇ Ἑλλάδι τῶν παρὰ Χείρωνος διὰ τὸ ἀξίωμα τὸ ἐκ τούτων ἀθάνατοὶ εἰσι. [1.14] Μαχάων δὲ καὶ Ποδαλείριος παιδευθέντες τὰ αὐτὰ ἐγένοντο καὶ τέχνας καὶ λόγους καὶ πολέμους ἀγαθοί. Ἀντίλοχος δὲ τοῦ πατρὸς ὑπεραποθανὼν τοσαύτης ἔτυχεν εὐκλείας, ὥστε μόνος φιλοπάτωρ παρὰ τοῖς Ἑλλήσιν ἀναγορευθῆναι. [1.15] Αἰνείας δὲ σώσας μὲν τοὺς πατρώιους καὶ μητρώιους θεοὺς, σώσας δὲ καὶ αὐτὸν τὸν πατέρα, δόξαν εὐσεβείας ἐξηνέγκατο, ὥστε καὶ οἱ πολέμιοι μόνωι ἐκείνωι ὧν ἐκράτησαν ἐν Τροίᾳ ἔδοσαν μὴ συληθῆναι. [1.16] Ἀχιλλεὺς δ' ἐν ταύτῃ τῇ παιδείᾳ τραφεὶς οὕτω καλὰ καὶ μεγάλα μνημεῖα παρέδωκεν, ὥστε οὔτε λέγων οὔτ' ἀκούων περὶ ἐκείνου οὐδεὶς ἀπαγορεύει. [1.17] οὗτοι δὲ τοιοῦτοι ἐγένοντο ἐκ τῆς ἐπιμελείας τῆς παρὰ Χείρωνος, ἧς οἱ μὲν ἀγαθοὶ ἔτι καὶ νῦν ἐρῶσιν, οἱ δὲ κακοὶ φθονοῦσιν, ὥστ' ἐν μὲν τῇ Ἑλλάδι εἴ τωι συμφοραὶ ἐγίνοντο ἢ πόλει ἢ βασιλεῖ, ἐλύοντο <δι> αὐτούς· εἰ δὲ πρὸς τοὺς βαρβάρους πάντας πάσῃ τῇ Ἑλλάδι νεῖκος ἢ πόλεμος ἦν, διὰ τούτους οἱ Ἕλληνες ἐκράτουν, ὥστε ἀνίκητον τὴν Ἑλλάδα παρέχεσθαι.

[1.18] Ἐγὼ μὲν οὖν παραινῶ τοῖς νέοις μὴ καταφρονεῖν κυνηγεσιῶν μηδὲ τῆς ἄλλης παιδείας· ἐκ τούτων γὰρ γίνονται τὰ εἰς τὸν πόλεμον ἀγαθοὶ καὶ [εἰς] τὰ ἄλλα ἐξ ὧν ἀνάγκη καλῶς νοεῖν καὶ λέγειν καὶ πράττειν.

[2.1] Πρῶτον μὲν οὖν χρὴ ἐλθεῖν ἐπὶ τὸ ἐπιτήδευμα τὸ τῶν κυνηγεσιῶν τὸν ἤδη ἐκ παιδὸς ἀλλάττοντα τὴν ἡλικίαν, εἴτα δὲ καὶ ἐπὶ τὰ ἄλλα παιδεύματα, [τὸν μὲν ἔχοντα] σκεψάμενον τὴν οὐσίαν, ὧι μὲν ἔστιν ἰκανή, ἀξίως τῆς αὐτοῦ ὠφελείας, ὧι δὲ μὴ ἔστιν, ἀλλ'

οὖν τὴν γε προθυμίαν παρεχέσθω μηδὲν ἐλλείπων τῆς ἑαυτοῦ
δυνάμεως. [2.2] ὅσα δὲ καὶ οἷα δεῖ παρεσκευασμένον ἐλθεῖν ἐπ’ αὐτὸ
φράσω καὶ αὐτὰ καὶ τὴν ἐπιστήμην ἐκάστου, ἵνα προειδῶς ἐγχειρῇ
τῷ ἔργῳ. καὶ μηδεὶς αὐτὰ φαῦλα νομισάτω εἶναι· ἄνευ γὰρ δὴ
τούτων οὐκ ἂν εἴη πρᾶξις. [2.3] χρὴ δὲ τὸν μὲν ἄρκυωρὸν εἶναι
ἐπιθυμοῦντα τοῦ βεργου καὶ τὴν φωνὴν ἑλληνα, τὴν δὲ ἡλικίαν περὶ
ἑτι εἴκοσι, τὸ δὲ εἶδος ἐλαφρόν, ἰσχυρόν, ψυχὴν δὲ ἱκανόν, ἵνα τῶν
πόνων τούτοις κρατῶν χαίρηι τῷ ἔργῳ. [2.4] τὰς δὲ ἄρκυς Φασιανοῦ
ἢ Καρχηδονίου λεπτοῦ λίνου καὶ τὰ ἐνόδια καὶ τὰ δίκτυα. ἔστωσαν
δὲ αἱ μὲν ἄρκυς ἐννεάλινοι <ἐκ τριῶν τόνων, ἕκαστος δὲ τόνος ἐκ
τριῶν λίνων>, τὸ δὲ μέγεθος πεντεσπίθαμοι, διπάλαστοι δὲ τοὺς
βρόχους, περικεῖσθωσαν δὲ τοὺς περιδρόμους ἀναμμάτων, [2.5] ἵνα
εὐτροχοὶ ᾖσι, τὰ δ’ ἐνόδια δωδεκάλινα, <τὰ δὲ δίκτυα
ἐκκαιδεκάλινα>, τὸ δὲ μέγεθος τὰ μὲν ἐνόδια διώρυγα, τριώρυγα,
τετρώρυγα, πεντώρυγα, τὰ δὲ δίκτυα δεκώρυγα, εἰκοσώρυγα,
τριακοντώρυγα· ἐὰν δὲ ἤ μείζω, δυσμεταχείριστα ἔσται· ἀμφοτέρω
δὲ τριακονθάμματα, καὶ τῶν βρόχων τὸ διάστημα ἴσον ταῖς ἄρκυσιν.
[2.6] ἐν δὲ τοῖς ἀκρωλενίοις τὰ μὲν ἐνόδια ἐχέτω μαστούς, τὰ δὲ
δίκτυα δακτυλίους, τοὺς δὲ περιδρόμους ἀπὸ στροφείων. [2.7] αἱ δὲ
σχαλίδες αἱ μὲν τῶν ἀρκύων τὸ μήκος δέκα παλαιστῶν, ἔστωσαν δὲ
καὶ ἐλάττους· αἱ μὲν ἄνισοι αὐτῶν ἐν τοῖς ἑτεροκλινέσι τῶν χωρίων,
ἵνα ἴσα τὰ ὕψη ἐξαίρῳσιν, ἐν δὲ τοῖς ὁμαλέσιν αἱ ἴσαι· αὗται δ’
εὐπερίσπαστοι τὰ ἄκρα καὶ [αὗται] λεῖαι· αἱ δὲ τῶν ἐνοδίων τῶν
ἀρκύων διπλάσιαι, αἱ δὲ τῶν δικτύων τὸ μὲν μέγεθος πεντεσπίθαμοι,
δίκρα ἔχουσαι μικρά, τὰ ἐντμήματα μὴ βαθέα· εὐπαγεῖς δὲ πᾶσαι καὶ
μὴ ἀσύμμετροι τὰ πάχη πρὸς τὰ μήκη. [2.8] τῷ δὲ πλήθει τῶν
σχαλίδων οἷόν τ’ ἐστὶ χρῆσθαι πρὸς τὰ δίκτυα πολλῶι καὶ ὀλίγῳ·
ἐλάττονι μὲν, ἂν σφόδρα τείνηται ἐν τῇ στάσει, πλέονι δ’, ἂν
ἡσυχῇ. [2.9] ἔστω δὲ καὶ ἐν ὅτῳ ἔσονται αἱ ἄρκυς καὶ τὰ ἐνόδια καὶ
<τὰ> δίκτυα κυνοῦχος μόσχειος, καὶ τὰ δρέπανα, ἵνα ἤ τῆς ὕλης
τέμνοντα φράττειν τὰ δεόμενα.

[3.1] Τὰ δὲ γένη τῶν κυνῶν διττά, αἱ μὲν καστόριαι, αἱ δὲ
ἄλωπεκίδες. ἔχουσι δ’ αἱ μὲν καστόριαι τὴν ἐπωνυμίαν ταύτην ὅτι
Κάστωρ ἡσθεὶς τῷ ἔργῳ μάλιστα αὐτὰς διεφύλαξεν· αἱ δ’
ἄλωπεκίδες διότι ἐκ κυνῶν τε καὶ ἄλωπέκων ἐγένοντο· ἐν πολλῶι δὲ
χρόνῳ συγκέκραται αὐτῶν ἡ φύσις. [3.2] χεῖρους δὲ καὶ πλείους αἱ
τοιαίδε, μικραί, γρυπαί, χαροποί, μυωποί, ἄμορφοι, σκληραί,

ἀσθενεῖς, ψιλαί, ὑψηλαί, ἀσύμμετροι, ἄψυχοι, ἄρρινες, οὐκ εὐποδες.
[3.3] αἱ μὲν οὖν μικραὶ πολλάκις ἀποστεροῦνται τῆς ἐργασίας διὰ τὸ
μικρόν· αἱ δὲ γρυπαὶ ἄστομοι καὶ διὰ τοῦτο οὐ κατέχουσι τὸν λαγῶ·
<αἱ> χαροποὶ δὲ καὶ μυωποὶ χεῖρω τὰ ὄμματα ἔχουσιν· <αἱ> ἄμορφοι
δὲ καὶ αἰσχραὶ ὀραῖσθαι· αἱ δὲ σκληραὶ τὰ εἶδη χαλεπῶς ἀπὸ τῶν
κυνηγεσίων ἀπαλλάττουσιν· πονεῖν δὲ ἀδύνατοι αἱ ἀσθενεῖς καὶ αἱ
ψιλαί· αἱ δὲ ὑψηλαί καὶ αἱ ἀσύμμετροι ἀσύντακτα ἔχουσαι τὰ
σώματα βαρέως διαφοιτῶσιν· αἱ ἄψυχοι δὲ καὶ λείπουσι τὰ ἔργα καὶ
ἀφίστανται <καὶ ὑποφεύγουσι> τὸν ἥλιον ὑπὸ τὰς σκιάς καὶ
κατακλίνονται· αἱ δὲ ἄρρινες μόλις καὶ ὀλιγάκις αἰσθάνονται τοῦ
λαγῶ· αἱ δὲ ἄποδες οὐδ' ἂν ὥσιν εὐψυχοὶ τοὺς πόνους δύνανται
ἀνέχεσθαι, ἀλλ' ἀπαγορεύουσι διὰ τὸ ἄλγος τῶν ποδῶν.

[3.4] Εἰσὶ δὲ καὶ τῆς ἰχνεύσεως πολλοὶ τρόποι ἐκ τῶν αὐτῶν κυνῶν·
αἱ μὲν γὰρ ἐπειδὴν λάβωσι τὰ ἵχνη, πορεύονται ἀσήμως ὥστε μὴ
γινώσκεσθαι ὅτι ἰχνεύουσιν, αἱ δὲ τὰ ὦτα μόνον διακινουῖσι, τὴν δὲ
οὐρὰν ἡσυχῇ ἔχουσιν, αἱ δὲ τὰ ὦτα μὲν ἀκίνητα ἔχουσιν, ἄκραν δὲ
τὴν οὐρὰν σείουσιν. [3.5] ἄλλαι δὲ συνάγουσι τὰ ὦτα καὶ
ἐπισκυθρωπάσασαι διὰ τοῦ ἵχνους, σχάσασαι τὴν οὐρὰν καὶ
φράξασαι διατρέχουσι· πολλαὶ δὲ τούτων μὲν οὐδὲν ποιοῦσι,
μανικῶς δὲ περιφερόμεναι ὑλακτοῦσι περὶ τὰ ἵχνη, ὅτε δὲ
εἰσπίπτουσιν εἰς αὐτά, ἀφρόνως καταπατοῦσαι τὰς αἰσθήσεις. [3.6]
εἰσὶ δὲ αἱ κύκλοις πολλοῖς χρώμεναι καὶ πλάνοις, ὑπολαμβάνουσαι
ἐκ τοῦ πρόσω τὰ ἵχνη παραλείπουσι τὸν λαγῶ, ὅσάκις δ' ἐπιτρέχουσι
τὰ ἵχνη, εἰκάζουσι, προορώμεναι δὲ τὸν λαγῶ τρέμουσι καὶ οὐκ
ἐπέρχονται πρὶν <ἂν> ἰδῶσιν ὑποκινουῖντα. [3.7] ὅσαι δὲ τὰ τῶν ἄλλων
κυνῶν εὐρήματα ἐν ταῖς ἰχνεῖαις καὶ μεταδρομαῖς προθέουσαι
θαμινὰ σκοποῦσιν, ἑαυταῖς ἀπίστως ἔχουσι· θρασεῖαι δ' αἱ οὐκ ἐῶσι
τῶν συνεργῶν τὰς σοφωτέρας εἰς τὸ πρόσθεν προιέναι, ἀλλ'
ἀνείργουσι θορυβοῦσαι· αἱ δὲ ἀσπαζόμεναι τὰ ψευδῆ καὶ
ὑπερλαμπρυνόμεναι ἐφ' ὅτῳ ἂν τύχωσι προάγουσι συνειδυῖαι
ἑαυταῖς ὅτι ἐξαπατῶσιν· αἱ δ' οὐκ εἰδυῖαι τὸ αὐτὸ ποιοῦσι ταύταις·
φαῦλαι δὲ αἱ οὐκ ἀπαλλαττόμεναι ἐκ τῶν τριμμῶν τὰ ὀρθὰ οὐ
γινώσκουσιν. [3.8] ὅσαι δὲ τῶν κυνῶν τὰ ἵχνη τὰ μὲν εὐναῖα
ἀγνοοῦσι, τὰ δὲ δρομαῖα ταχὺ διατρέχουσιν, οὐκ εἰσὶ γνήσιαι·
διώκουσι δὲ αἱ μὲν ἀρχόμεναι σφόδρα, διὰ δὲ μαλακίαν ἀνιᾶσιν, αἱ
δὲ ὑποθέουσιν, εἴτα ἀμαρτάνουσιν, ἕτεραι δὲ ἀνοήτως ἐμπίπτουσαι
εἰς τὰς ὁδοὺς ἀμαρτάνουσι, τὸ ἀνήκουστον πολὺ ἔχουσαι. [3.9] πολλαὶ

δὲ τὰ διώγματα ἀφιεῖσαι ἐπανερχονται διὰ τὸ μισόθηρον, πολλαὶ δὲ διὰ τὸ φιλάνθρωπον· αἱ δ' ἐκ τῶν ἰχνῶν κεκλαγγυῖαι ἐξαπατᾶν πειρῶνται, ἀληθῆ τὰ ψευδῆ ποιοῦμεναι. [3.10] εἰσὶ δὲ αἱ τοῦτο μὲν οὐ ποιοῦσι, μεταξὺ δὲ θεούσαι ἅν ποθεν ἀκούσωσι κραυγῆς, καταλείπουσαι τὰ αὐτῶν ἔργα ἀπρονοήτως ἐπὶ τοῦτο φέρονται· μεταθέουσι δὲ αἱ μὲν ἀσαφῶς, αἱ δὲ πολὺ ὑπολαμβάνουσαι, δοξάζουσαι δὲ ἐτέρως· αἱ δὲ πεπλασμένως, φθονερῶς δὲ ἄλλαι ἐκκυνοῦσι παρὰ τὸ ἵχνος διὰ τέλους συμπεριφερόμεναι. [3.11] τὰ μὲν οὖν πλεῖστα τούτων φύσει ἔχουσι, τὰ δὲ ἡγμέναι ἀνεπισημόνως δύσχρηστοὶ εἰσιν· αἱ τοιαῦται μὲν οὖν κύνες ἀποτρέψειαν ἂν τοὺς ἐπιθυμοῦντας κυνηγεσίων. οἷας δὲ δεῖ εἶναι τοῦ αὐτοῦ γένους τὰ τε εἶδη καὶ τὰ ἄλλα φράσω.

[4.1] Πρῶτον μὲν οὖν χρή εἶναι μεγάλας, εἴτα ἐχούσας τὰς κεφαλὰς ἐλαφράς, σιμάς, ἄρθρώδεις, ἰνώδη τὰ κάτωθεν τῶν μετώπων, ὄμματα μετέωρα, μέλανα, λαμπρά, μέτωπα πλατέα, τὰς διακρίσεις βαθείας, ὅτα μικρά, λεπτά, ψιλὰ ὀπισθεν, τραχήλους μακροῦς, ὕγρους, περιφερεῖς, στήθη πλατέα, μὴ ἄσαρκα ἀπὸ τῶν ὤμων, τὰς ὠμοπλάτας διεστῶσας μικρόν, σκέλη τὰ πρόσθια μικρά, ὀρθά, στρογγύλα, στιφρά, ὀρθοὺς τοὺς ἀγκῶνας, πλευρὰς μὴ ἐπὶ γῆν βαθείας, ἀλλ' εἰς τὸ πλάγιον παρηκούσας, ὀσφὺς σαρκώδεις, τὰ μεγέθη μεταξὺ μακρῶν <καὶ> βραχειῶν, μήτε ὕγρὰς λίαν μήτε σκληράς, λαγόνας μεταξὺ μεγάλων <καὶ> μικρῶν, ἰσχία στρογγύλα, ὀπισθεν σαρκώδη, ἄνωθεν δὲ μὴ συνδεδεμένα, ἔνδοθεν δὲ προσεσταλμένα, τὰ κάτωθεν τῶν κενεῶνων λαγαρὰ καὶ αὐτοὺς τοὺς κενεῶνας, οὐρὰς μακράς, ὀρθάς, λιγυράς, μηριαίας [μὴ] σκληράς, ὑποκόλια μακρά, περιφερῆ, εὐπαγῆ, σκέλη πολὺ μείζω τὰ ὀπισθεν τῶν ἔμπροσθεν καὶ ἐπίρρικνα, πόδας περιφερεῖς. [4.2] καὶ ἐὰν ὥσι τοιαῦται αἱ κύνες, ἔσονται ἰσχυραὶ τὰ εἶδη, ἐλαφραί, σύμμετροι, ποδώκεις, καὶ ἀπὸ τῶν προσώπων φαιδραὶ καὶ εὐστομοὶ. [4.3] ἰχνεύετωσαν δὲ ἐκ τῶν τριμῶν ταχὺ ἀπαλλαττόμεναι, τιθεῖσαι τὰς κεφαλὰς ἐπὶ γῆν λεγρίας, ἐμμειδιῶσαι μὲν πρὸς τὰ ἵχνη, ἐπικαταβάλλουσαι δὲ τὰ ὅτα· καὶ τὰ μὲν ὄμματα πυκνὰ διακινεῖν, ταῖς δὲ οὐραῖς διασαίνουσαι κύκλους πολλοὺς <ποιοῦμεναι> πρὸς τὰς εὐνὰς προΐτωσαν ὁμοῦ διὰ τοῦ ἵχνους ἅπασαι. [4.4] ὅταν δὲ περὶ αὐτὸν ὥσι τὸν λαγῶν, δῆλον ποιεῖτωσαν τῷ κυνηγέτῃ θᾶπτον φοιτῶσαι, μᾶλλον γνωρίζουσαι ἀπὸ τοῦ θυμοῦ, ἀπὸ τῆς κεφαλῆς, ἀπὸ τῶν ὀμμάτων, ἀπὸ τῆς μεταλλάξεως τῶν σχημάτων καὶ ἀπὸ τῶν

ἀναβλεμμάτων καὶ ἐμβλεμμάτων εἰς τὴν ὕλην καὶ ἀναστρεμμάτων τῶν ἐπὶ τὰς καθέδρας τοῦ λαγῶ, καὶ ἀπὸ τῶν εἰς τὸ πρόσθεν καὶ ὀπισθεν καὶ εἰς τὸ πλάγιον διαρριμμάτων, καὶ ἀπὸ τοῦ ἀληθῶς ἤδη αἰωρεῖσθαι τὴν ψυχὴν καὶ ὑπερχαίρειν ὅτι τοῦ λαγῶ ἐγγὺς εἰσι. [4.5] διωκέτωσαν δὲ ἐρρωμένως καὶ μὴ ἐπανιῆσαι σὺν πολλῇ κλαγγῇ καὶ ὕλαγμῳ, συνεκπερῶσαι μετὰ τοῦ λαγῶ πάντη. μεταθείτωσαν δὲ ταχὺ καὶ λαμπρῶς, πυκνὰ μεταφερόμεναι καὶ ἐπανακλαγγάνουσαι δικαίως· πρὸς δὲ τὸν κυνηγέτην μὴ ἐπανάτωσαν λιποῦσαι τὰ ἴχνη. [4.6] μετὰ δὲ τοῦ εἶδους καὶ τοῦ ἔργου τούτου εὐψυχοὶ ἔστωσαν καὶ εὕρινες καὶ εὐποδες καὶ εὐτριχες. εὐψυχοὶ μὲν οὖν ἔσονται, ἐὰν μὴ λείπωσι τὰ κυνηγέσια ὅταν ἦι πνίγη· εὕρινες δέ, ἐὰν τοῦ λαγῶ ὀσφραίνωνται ἐν τόποις ψιλοῖς, ξηροῖς, προσηλίοις τοῦ ἄστρου ἐπιόντος· εὐποδες δέ, ἐὰν τῇ αὐτῇ ὥραι μὴ καταρρηγνύωνται αὐτῶν οἱ πόδες τὰ ὄρη θεουσῶν· εὐτριχες δέ, ἐὰν ἔχωσι λεπτὴν καὶ πυκνὴν καὶ μαλακὴν τὴν τρίχα. [4.7] τὰ δὲ χρώματα οὐ χρὴ εἶναι τῶν κυνῶν οὔτε πυρρὰ οὔτε μέλανα οὔτε λευκὰ παντελῶς· ἔστι γὰρ οὐ γενναῖον τοῦτο, ἀλλὰ τὸ ἀπλοῦν καὶ θηριῶδες. [4.8] αἱ μὲν οὖν πυρραὶ ἔχουσαι ἔστωσαν λευκὴν τρίχα ἐπανθοῦσαν περὶ τὰ μέτωπα καὶ αἱ μέλαιναι, αἱ δὲ λευκαὶ πυρράν· ἐπὶ δὲ ταῖς μηριαίαις ἄκραις τρίχας ὀρθάς, βαθείας, καὶ ἐπὶ ταῖς ὀσφύσι καὶ ταῖς οὐραῖς κάτω, ἄνωθεν δὲ μετρίας.

[4.9] Ἄγειν δὲ ἄμεινον τὰς κύνας <εἰς> τὰ ὄρη πολλάκις, τὰ δὲ ἔργα ἦττον· τὰ μὲν γὰρ ὄρη οἶόν τ' ἐστὶ καὶ ἰχνεύειν καὶ μεταθεῖν καθαρῶς, τὰ δὲ ἔργα οὐδέτερα διὰ τοὺς τριμμούς. [4.10] ἔστι δὲ καὶ ἄνευ τοῦ εὐρίσκειν τὸν λαγῶ ἀγαθὸν ἄγειν τὰς κύνας <εἰς> τὰ τραχέα· καὶ γὰρ εὐποδες γίνονται καὶ τὰ σώματα διαπονοῦσαι ἐν τόποις τοιούτοις ὠφελοῦνται. [4.11] ἀγέσθωσαν δὲ θέρους μὲν μέχρι μεσημβρίας, χειμῶνος δὲ δι' ἡμέρας, μετοπώρου δ' ἔξω μεσημβρίας, ἐντὸς δὲ ἐσπέρας τὸ ἔαρ. ταῦτα γὰρ μέτρια.

[5.1] Τὰ δὲ ἴχνη τοῦ λαγῶ τοῦ μὲν χειμῶνος μακρὰ ἐστὶ διὰ τὸ μῆκος τῶν νυκτῶν· τοῦ δὲ θέρους βραχέα διὰ τὸ ἐναντίον. χειμῶνος μὲν οὖν πρῶι οὐκ ὄζει αὐτῶν, ὅταν πάχνη ἦ ἢ παγετὸς· ἢ μὲν γὰρ πάχνη τῇ αὐτῇ ἰσχύϊ ἀντισπάσασα τὸ θερμὸν ἔχει ἐν ἑαυτῇ, ὁ δὲ παγετὸς ἐπιπήξας. [5.2] καὶ αἱ κύνες μαλκίους τὰς *πῖνας οὐ δύνανται αἰσθάνεσθαι ὅταν ἦι τοιαῦτα, πρὶν ἂν ὁ ἥλιος διαλύσῃ αὐτὰ ἢ προϊῶσα ἢ ἡμέρα· τότε δὲ καὶ αἱ κύνες ὀσφραίνονται καὶ αὐτὰ ἐπαναφερόμενα ὄζει. [5.3] ἀφανίζει δὲ καὶ ἡ πολλὴ δρόσος

καταφέρουσα αὐτά, καὶ οἱ ὄμβροι οἱ γιγνόμενοι διὰ χρόνου ὁσμάς ἄγοντες τὴν γῆν ποιοῦσι δύσοσμον, ἕως ἂν ψυχθῇ· χεῖρω δὲ καὶ τὰ νότια ποιεῖ· ὑγραίνοντα γὰρ διαχεῖ· τὰ δὲ βόρεια, ἐὰν ᾗ ἄλυτα, συνίστησι καὶ σώζει. [5.4] οἱ δὲ ὑετοὶ κατακλύζουσι καὶ αἱ ψακάδες, καὶ ἡ σελήνη ἁμαυροῖ τῷ θερμῷ, μάλιστα δὲ ὅταν ᾗ πανσέληνος· καὶ μανότατα τότε· χαίροντες γὰρ τῷ φέγγει ἐπαναρριπτοῦντες μακρὰν διαίρουσιν ἀντιπαίζοντες· ταραχώδη δὲ ὅταν ἀλώπεκες προδιεξέλθωσι γίγνεται. [5.5] τὸ δὲ ἔαρ κεκραμένον τῇ ὥρᾳ καλῶς παρέχει τὰ ἵχνη λαμπρά, πλὴν εἴ τι ἡ γῆ ἐξανθοῦσα βλάπτει τὰς κύνας, εἰς τὸ αὐτὸ συμμιγνύουσα τῶν ἀνθῶν τὰς ὁσμάς. λεπτὰ δὲ καὶ ἀσαφῆ τοῦ θέρους· διάπυρος γὰρ οὖσα ἡ γῆ ἀφανίζει τὸ θερμὸν ὃ ἔχουσιν· ἔστι γὰρ λεπτόν· καὶ αἱ κύνες ἤττον ὀσφραίνονται τότε διὰ τὸ ἐκλελίσθαι τὰ σώματα. τοῦ δὲ μετοπώρου καθαρὰ· ὅσα γὰρ ἡ γῆ φέρει, τὰ μὲν ἡμερα συγκεκόμισται, τὰ δὲ ἄγρια γήραι διαλέλυνται· ὥστε οὐ παραλυποῦσι τῶν καρπῶν αἱ ὁσμαι εἰς ταῦτά φερόμεναι. [5.6] ἔστι δὲ τοῦ χειμῶνος καὶ τοῦ θέρους καὶ τοῦ μετοπώρου τὰ ἵχνη ὀρθὰ ἐπὶ πολὺ, τοῦ δ' ἥρος συμπεπλεγμένα· τὸ γὰρ θηρίον συνδυάζεται μὲν ἀεὶ, μάλιστα δὲ ταύτην τὴν ὥραν· ὥστε διὰ τοῦτο ἐξ ἀνάγκης μετ' ἀλλήλων πλανώμενοι τοιαῦτα ποιοῦσιν. [5.7] ὄζει δὲ τῶν ἱχνῶν ἐπὶ πλείω χρόνον τῶν εὐαίων ἢ τῶν δρομαίων· τὰ μὲν γὰρ εὐναῖα <ποιῶν> ὁ λαγῶς πορεύεται ἐφιστάμενος, τὰ δὲ δρομαῖα ταχύ· ἡ γῆ οὖν τῶν μὲν πυκνοῦται, τῶν δὲ οὐ πίμπλαται. ἐν δὲ τοῖς ὑλώδεσι μᾶλλον ἢ ἐν τοῖς ψιλοῖς ὄζει· διατρέχων γὰρ καὶ ἀνακαθίζων ἅπτεται πολλῶν.

[5.8] Κατακλίνονται δ' εἰς ἃ ἡ γῆ φύει ἢ ἔχει ἐφ' ἑαυτῆς ὑπὸ παντί, ἐπ' αὐτῶν, ἐν αὐτοῖς, παρ' αὐτά, ἄπωθεν πολὺ, μικρόν, μεταξὺ τούτων· ὅτε δὲ καὶ ἐν τῇ θαλάττῃ διαρριπτῶν ἐπὶ τὸ δυνατόν καὶ ἐν ὕδατι, ἐὰν τι ᾗ ὑπερέχον ἢ ἐμπεφυκὸς ἐν τούτῳ. [5.9] ὁ μὲν οὖν εὐναῖος ποιούμενος εὐνὴν ἐπὶ πολὺ ὅταν μὲν ᾗ ψύχη, ἐν εὐδιεινοῖς, ὅταν δὲ καύματα, ἐν παλισκίοις, τὸ δὲ ἔαρ καὶ τὸ μετόπωρον ἐν προσηλίοις· οἱ δὲ δρομαῖοι οὐχ οὕτως διὰ τὸ ὑπὸ τῶν κυνῶν ἐκπληκτοὶ γίνεσθαι. [5.10] κατακλίνεται δὲ ὑποθεῖς τὰ ὑποκώλια ὑπὸ τὰς λαγόνας, τὰ δὲ πρόσθεν σκέλη τὰ πλεῖστα συνθεῖς καὶ ἐκτείνας, ἐπ' ἄκρους δὲ τοὺς πόδας τὴν γένυν καταθεῖς, τὰ δὲ ὦτα ἐπιπετάσας ἐπὶ τὰς ὠμοπλάτας· οὕτω δὲ ὑποστέγει τὰ ὑγρά· ἔχει δὲ καὶ τὴν τρίχα στεγανήν· πυκνὴ γὰρ καὶ μαλακὴ. [5.11] καὶ ὅταν μὲν ἐγρηγόρη, καταμύει τὰ βλέφαρα, ὅταν δὲ καθεύδῃ, τὰ μὲν βλέφαρα

ἀναπέπταται ἀκίνητα, οἱ δὲ ὀφθαλμοὶ ἀτρέμας ἔχουσι· τοὺς δὲ μυκτῆρας, ὅταν μὲν εὐδῇ, κινεῖ πυκνά, ὅταν δὲ μή, ἤττον. [5.12] ὅταν δὲ ἡ γῆ βρύῃ, μᾶλλον τὰ ἔργα ἢ τὰ ὄρη ἔχουσιν. ὑπομένει δὲ πανταχοῦ ἰχνευόμενος, ἐὰν μῆτι περίφοβος τῆς νυκτὸς γένηται· παθὼν δὲ τοῦτο ὑποκινεῖ.

[5.13] Πολύγονον δ' ἐστὶν οὕτως, ὥστε τὰ μὲν τέτοκε, τὰ δὲ τίκτει, τὰ δὲ κύει. τῶν δὲ μικρῶν λαγίων ὄζει μᾶλλον ἢ τῶν μεγάλων· ἔτι γὰρ ὑγρομελῆ ὄντα ἐπισύρεται ὅλα ἐπὶ τῆς γῆς. [5.14] τὰ μὲν οὖν λίαν νεογνὰ οἱ φιλοκυνηγέται ἀφιαῖσι τῇ θεῷ. οἱ δὲ ἤδη ἔτειοι τάχιστα θέουσι τὸν πρῶτον δρόμον, τοὺς δ' ἄλλους οὐκέτι· εἰσὶ γὰρ ἐλαφροί, ἀδύνατοι δέ.

[5.15] Λαμβάνειν δὲ τοῦ λαγῶ τὰ ἴχνη ὑπάγοντα τὰς κύνας ἐκ τῶν ἔργων ἄνωθεν· ὅσοι δὲ μὴ ἔρχονται αὐτῶν εἰς τὰ ἐργάσιμα, ... τοὺς λειμῶνας, τὰς νάπας, τὰ ρεῖθρα, τοὺς λίθους, τὰ ὑλώδη· καὶ ἐὰν ὑποκινῇ, μὴ ἀναβοᾷν, ἵνα μὴ αἱ κύνες ἔκφρονες γιγνόμεναι χαλεπῶς τὰ ἴχνη γνωρίζωσιν. [5.16] εὕρισκόμενοι δὲ ὑπ' αὐτῶν καὶ διωκόμενοι ἔστιν ὅτε διαβαίνουσι τὰ ρεύματα καὶ ὑποκάμπτουσι καὶ καταδύονται εἰς φάραγγας καὶ εἰς ἰλεούς· πεφόβηνται γὰρ οὐ μόνον τὰς κύνας ἀλλὰ καὶ τοὺς ἀετούς· ὑπερβάλλοντες γὰρ τὰ σιμὰ καὶ τὰ ψιλὰ ἀναρπάζονται, ἕως ἂν ὧσιν ἔτειοι· [5.17] τοὺς δὲ μείζους ἐπιτρέχουσιν αἱ κύνες ἀναιροῦνται. ποδωκέστατοι μὲν οὖν εἰσιν οἱ ὄρειοι, οἱ πεδινοὶ δὲ ἤττον, βραδύτατοι δὲ οἱ ἔλαιοι· οἱ δ' ἐπὶ πάντας τοὺς τόπους πλανῆται χαλεποὶ πρὸς τοὺς δρόμους· τὰ γὰρ σύντομα ἴσασι· θέουσι γὰρ μάλιστα μὲν τὰ ἀνάντη ἢ τὰ ὁμαλά, τὰ δὲ ἀνώμαλα ἀνομοίως, [5.18] τὰ δὲ κατάντη ἥκιστα. διωκόμενοι δὲ εἰσι κατάδηλοι μάλιστα μὲν διὰ γῆς κεκινημένης, ἐὰν ἔχωσιν ἔνιον ἐρύθημα, καὶ διὰ καλάμης διὰ τὴν ἀνταύγειαν· κατάδηλοι δὲ καὶ ἐν τοῖς τριμμοῖς καὶ ἐν ταῖς ὁδοῖς, ἐὰν ὧσιν ισόπεδοι· τὸ γὰρ φανὸν τὸ ἐν αὐτοῖς ἐνὸν ἀντιλάμπει· ἄδηλοι δέ, ὅταν <κατὰ> τοὺς λίθους, τὰ ὄρη, τὰ φελλία, τὰ δασέα ἀποχωρῶσι, διὰ τὴν ὁμόχροιαν. [5.19] προλαμβάνοντες δὲ τὰς κύνας ἐφίστανται καὶ ἀνακαθίζοντες ἐπαίρουσιν αὐτοὺς καὶ ἐπακούουσιν, εἴ που πλησίον κλαγγὴ ἢ ψόφος τῶν κυνῶν· καὶ ὅθεν ἂν ἀκούσωσιν ἀποτρέπονται. [5.20] ὅτε δὲ καὶ οὐκ ἀκούσαντες, ἀλλὰ δόξαντες ἢ πεισθέντες ὑφ' αὐτῶν, παρὰ τὰ αὐτά, διὰ τῶν αὐτῶν, ἐπαλλάττοντες ἄλματα, ἐμποιοῦντες ἴχνεσιν ἴχνη, ἀποχωροῦσι. [5.21] καὶ εἰσι μακροδρομώτατοι μὲν οἱ ἐκ τῶν ψιλῶν εὕρισκόμενοι διὰ τὸ καταφανές, βραχυδρομώτατοι δὲ οἱ ἐκ τῶν δασέων· ἐμποδὼν γὰρ τὸ

σκοτεινόν.

[5.22] Δύο δὲ τὰ γένη ἐστὶν αὐτῶν· οἱ μὲν γὰρ μεγάλοι τὸ χρῶμα ἐπίπερκνοι καὶ τὸ λευκὸν τὸ ἐν τῷ μετώπῳ μέγα ἔχουσιν, οἱ δ' ἐλάττους ἐπίξανθοι, μικρὸν τὸ λευκὸν ἔχοντες. [5.23] τὴν δὲ οὐρὰν οἱ μὲν κύκλῳ περιποίκιλον, οἱ δὲ παράσειρον, καὶ τὰ ὄμματα οἱ μὲν χαροποί, οἱ δ' ὑπόγλαυκοι· καὶ τὰ μέλανα τὰ περὶ τὰ ὦτα ἄκρα οἱ μὲν ἐπὶ πολὺ, οἱ δ' ἐπὶ μικρὸν. [5.24] ἔχουσι δὲ αὐτῶν αἱ πολλαὶ τῶν νήσων τοὺς ἐλάττους, αἱ τ' ἔρημοι καὶ οἰκοῦμεναι· τὸ δὲ πλῆθος πλείους ἐν αὐταῖς ἢ ἐν ταῖς ἡπείροις· οὐ γὰρ εἰσιν οὔτ' ἀλώπεκες ἐν ταῖς πολλαῖς αὐτῶν, αἵτινες καὶ αὐτοὺς καὶ τὰ τέκνα ἐπιούσαι ἀναιροῦνται, οὔτε ἀετοί· τὰ μεγάλα γὰρ ὄρη ἔχουσι μᾶλλον ἢ τὰ μικρά· ἐλάττω δὲ ἐπὶ τὸ πολὺ τὰ ἐν ταῖς νήσοις. [5.25] κυνηγέται δὲ εἰς μὲν τὰς ἐρήμους ὀλιγάκις ἀφικνοῦνται, ἐν δὲ ταῖς οἰκουμέναις ὀλίγοι γίνονται καὶ οὐ φιλόθηροι οἱ πολλοί· εἰς δὲ τὰς ἱερὰς τῶν νήσων οὐδὲ διαβιβάζειν οἶόν τε κύνας. ὅταν οὖν τῶν τε ὑπαρχόντων ὀλίγους ἐκθηρῶνται καὶ τῶν ἐπιγιγνομένων, ἀνάγκη ἀφθόνους εἶναι.

[5.26] Βλέπει δὲ οὐκ ὁξὺ διὰ πολλὰ· τά τε γὰρ ὄμματα ἔχει ἔξω καὶ τὰ βλέφαρα ἐλλείποντα καὶ οὐκ ἔχοντα προβολὴν ταῖς αὐγαῖς· ἡ ὄψις οὖν διὰ ταῦτα ἀμαυρά, ἐσκεδασμένη. [5.27] ἅμα δὲ τούτοις καὶ ἐν ὕπνῳ ὄν τὰ πολλὰ τὸ θηρίον οὐκ ὠφελεῖται πρὸς τὸ ὅπᾶν· καὶ ἡ ποδῶκεια πρὸς τὸ ἀμβλυώττειν αὐτῷ πολὺ συμβάλλεται· ταχὺ γὰρ ἐκάστου παραφέρει τὴν ὄψιν πρὶν νοῆσαι ὅ τι ἐστί. [5.28] καὶ οἱ φόβοι τῶν κυνῶν ὅταν διώκωνται, ἐπόμενοι μετὰ τούτων συνεξαίρουνται τὸ προνοεῖσθαι. ὥστε διὰ ταῦτα προσπίπτων λανθάνει πρὸς πολλὰ καὶ εἰς τὰς ἄρκυς ἐμπίπτων. [5.29] εἰ δ' ἔφευγεν ὀρθόν, ὀλιγάκις ἂν ἔπασχε τὸ τοιοῦτον· νῦν δὲ περιβάλλων καὶ ἀγαπῶν τοὺς τόπους ἐν οἷς ἐγένετο καὶ ἐτράφη ἀλίσκεται. κατὰ πόδας δὲ οὐ πολλάκις ὑπὸ τῶν κυνῶν διὰ <τὸ> τάχος κρατεῖται· ὅσοι δὲ ἀλίσκονται, παρὰ φύσιν τοῦ σώματος, τύχη δὲ χρώμενοι· οὐδὲν γὰρ τῶν ὄντων ἰσομέγεθες τούτῳ ὁμοίον ἐστὶ πρὸς ἄρμόν. σύγκειται γὰρ ἐκ τοιούτων τὸ σῶμα. [5.30] ἔχει γὰρ κεφαλὴν κούφην, μικράν, κατωφερῇ, στενὴν ἐκ τοῦ πρόσθεν, <ὥτα ὑψηλά,> τράχηλον λεπτόν, περιφερῇ, οὐ σκληρόν, μήκος ἱκανόν, ὠμοπλάτας ὀρθάς, ἀσυνδέτους ἄνωθεν, σκέλη τὰ ἐπ' αὐτῶν ἐλαφρά, σύγκωλα, στῆθος οὐ βαρύτονον, πλευράς ἐλαφράς, συμμετρους, ὀσφὺν περιφερῇ, κωλὴν σαρκώδη, λαγόνas ὑγράς, λαπαράς ἱκανῶς, ἰσχία στρογγύλα, πλήρη κύκλῳ, ἄνωθεν δὲ ὡς χρὴ διεστῶτα, μηροὺς μικροὺς, εὐπαγεῖς,

ἔξωθεν μῦς ἐπιτεταμένους, ἔνδοθεν δὲ οὐκ ὀγκώδεις, ὑποκόλια μακρά, στιφρά, πόδας τοὺς πρόσθεν ἄκρως ὑγρούς, στενοὺς, ὀρθοὺς, τοὺς δὲ ὀπισθεν στερεοὺς, πλατεῖς, πάντας δὲ οὐδενὸς τραχέος φροντίζοντας, σκέλη τὰ ὀπισθεν μείζω πολὺ τῶν ἔμπροσθεν καὶ ἐγκεκλιμένα μικρὸν ἔξω, τρίχωμα βραχύ, κοῦφον. [5.31] ἔστιν οὖν ἀδύνατον μὴ οὐκ εἶναι ἐκ τοιούτων συνηρμοσμένον ἰσχυρόν, ὑγρόν, ὑπερέλαφρον. τεκμήριον δὲ ὥς ἐλαφρόν ἐστιν· ὅταν ἀτρέμα διαπορεύηται, πηδαῖ – βαδίζοντα δὲ οὐδεὶς ἐώρακεν οὐδ’ ὄψεται – τιθεὶς εἰς τὸ ἐπέκεινα τῶν ἔμπροσθεν ποδῶν τοὺς ὀπισθεν καὶ ἔξω· καὶ θεῖ οὕτως. δῆλον δὲ τοῦτο ἐν χιόνι. [5.32] οὐρὰν δὲ οὐκ ἐπιτηδεῖαν ἔχει πρὸς δρόμον· ἐπευθύνειν γὰρ οὐχ ἱκανὴ τὸ σῶμα διὰ τὴν βραχύτητα· ἀλλὰ τῷ ὥτι ἐκατέρωι τοῦτο ποιεῖ· καὶ ὅταν ἀνιστῇται ὑπὸ τῶν κυνῶν, καταβάλλων [γὰρ] καὶ παραβάλλων τὸ ἕτερον οὗς πλάγιον, ὁποτέραι ἂν λυπῇται, ἀπεριδόμενος [διὸ] δὴ εἰς τοῦτο ὑποστρέφεται ταχύ, ἐν μικρῷ πολὺ καταλιπὼν τὸ ἐπιφερόμενον. [5.33] οὕτω δὲ ἐπίχαρὶ ἐστὶ τὸ θέαμα, ὥστε οὐδεὶς ὅστις οὐκ ἂν ἰδὼν ἰχνεύομενον, εὐρισκόμενον, μεταθεόμενον, ἀλισκόμενον, ἐπιλάθοιτ’ ἂν εἰ τοῦ ἐρώη.

[5.34] Ἐν δὲ τοῖς ἔργοις κυνηγετοῦντα ἀπέχεσθαι ὧν ὥραι φέρουσι καὶ τὰ νάματα καὶ τὰ ρεῖθρα ἔαν· τὸ γὰρ ἅπτεσθαι τούτων αἰσχρὸν καὶ κακόν, καὶ ἵνα μὴ τῷ νόμῳ ἐναντίοι ᾧσιν οἱ ἰδόντες· καὶ ὅταν ἀναγρία ἐμπίπτῃ, ἀναλύειν χρὴ τὰ περὶ τὸ κυνηγέσιον πάντα.

[6.1] Κυνῶν δὲ κόσμος δέραια, ἱμάντες, στελμονίαι· ἔστω δὲ τὰ μὲν δέραια μαλακά, πλατεά, ἵνα μὴ θραύῃ τὰς τρίχας τῶν κυνῶν, οἱ δὲ ἱμάντες ἔχοντες ἀγκύλας τῇ χειρί, ἄλλο δὲ μηδέν· οὐ γὰρ καλῶς τηροῦσι τὰς κύνας οἱ ἐξ αὐτῶν εἰργασμένοι τὰ δέραια· αἱ δὲ στελμονίαι πλατεῖς τοὺς ἱμάντας, ἵνα μὴ τρίβωσι τὰς λαγόνας αὐτῶν· ἐγκατερραμμέναι δὲ ἐγκεντρίδες, ἵνα τὰ γένη φυλάττωσιν. [6.2] ἐξάγειν δ’ αὐτὰς οὐ χρὴ ἐπὶ τὰ κυνηγέσια, ὅταν μὴ τὰ προσφερόμενα δέχωνται ἡδέως [τεκμήριον δὲ τοῦτο ὅτι οὐκ ἔρρωνται] μηδὲ ὅταν ἄνεμος πνέῃ μέγας· διαρπάζει γὰρ τὰ ἵχνη καὶ οὐ δύνανται ὀσφραίνεσθαι οὐδὲ αἱ ἄρκυς ἐστάναι οὐδὲ τὰ δίκτυα. [6.3] ὅταν δὲ τούτων μηδέτερον κωλύῃ, ἄγειν διὰ τρίτης ἡμέρας. τὰς δὲ ἀλώπεκας μὴ ἐθίζειν τὰς κύνας διώκειν· διαφθορά γὰρ μεγίστη καὶ ἐν τῷ δέοντι οὐποτε πάρεσιν. [6.4] εἰς δὲ τὰ κυνηγέσια μεταβάλλοντα ἄγειν, ἵνα ᾧσιν ἔμπειροι τῶν κυνηγεσίων, αὐτὸς δὲ τῆς χώρας. ἐξίεναι δὲ πρῶι, ἵνα τῆς ἰχνεύσεως μὴ ἀποστερῶνται, ὥς οἱ ὀψιζόμενοι

ἀφαιροῦνται τὰς μὲν κύνας τοῦ εὐρεῖν τὸν λαγῶ, αὐτοὺς δὲ τῆς ὠφελείας· οὐ γὰρ ἐπιμένει τοῦ ἵχνους ἡ φύσις λεπτὴ οὕσα πᾶσαν ὥραν.

[6.5] Τὴν δὲ στολὴν ὁ ἄρκυωρὸς ἐξίτω ἔχων ἐπὶ θήραν μὴ ἔχουσαν βάρος. τὰς δὲ ἄρκυς ἰστάτω εἰς ἄγκη, δρυμῶνας τραχείας, σιμάς, λαγαράς, σκοτεινάς, ῥοῦς, χαράδρας, χειμάρρους ἀενάους· εἰς ταῦτα γὰρ μάλιστα φεύγει· [6.6] <εἰς> ὅσα δὲ ἄλλα [εἰς] ἄπειρον εἰπεῖν· τούτων δὲ παρόδους, διόδους, καταφανεῖς, λεπτὰς <καταλιπών>, εἰς ὄρθρον καὶ μὴ πρῶι, ἵνα ἐὰν ᾗι πλησίον τὸ ἀρκυστάσιον τῶν ζητησίμων, μὴ φοβῆται ἀκούων ὁμοῦ τὸν ψόφον [ἐὰν δὲ ᾗι ἀπ' ἀλλήλων πολὺ, ἦττον κωλύει πρῶι], καθαρὰς ποιούμενος τὰς ἀρκυσταστίας, [6.7] ἵνα [δ'] αὐτῶν μηδὲν ἀντέχεται. πηγνύειν <δὲ> τὰς σχαλίδας ὑπτίας, ὅπως ἂν ἐπαγόμεναι ἔχωσι τὸ σύντονον· ἐπὶ δὲ ἄκρας ἴσους τοὺς βρόχους ἐπιβαλλέτω καὶ ὁμοίως ἀντεριδέτω, ἐπαίρων εἰς μέσον τὸν κεκρύφαλον. [6.8] εἰς δὲ τὸν περίδρομον ἐναπτέτω λίθον μακρὸν καὶ μέγαν, ἵνα ἡ ἄρκυς, ὅταν ἔχη τὸν λαγῶ, μὴ ἀντιτείνῃ. στοιχιζέτω δὲ μακρά, ὑψηλά, ὅπως ἂν μὴ ὑπερπηδαί. ἐν δὲ ταῖς ἰχνεῖαις μὴ ὑπερβάλλεσθαι· ἔστι γὰρ θηρατικὸν μὲν οὐ, φιλόπονον δὲ τὸ ἐκ παντὸς τρόπου ἐλεῖν ταχύ. [6.9] τὰ δὲ δίκτυα τεινέτω ἐν ἀπέδοις, ἐμβαλλέτω δὲ τὰ ἐνόδια εἰς τὰς ὁδοὺς, καὶ ἐκ τῶν τριμμῶν εἰς τὰ συμφέροντα, καθάπτων τοὺς περιδρόμους ἐπὶ τὴν γῆν, τὰ ἀκρωλένια συνάγων, πηγνύων τὰς σχαλίδας μεταξὺ τῶν σαρδόνων, ἐπὶ ἄκρας ἐπιβάλλων τοὺς ἐπιδρόμους καὶ τὰ παράδρομα συμφράττων. [6.10] φυλαττέτω δὲ ἐκπεριών· ἐὰν δὲ ἐκκλίνῃ τὸν στοῖχον ἡ ἄρκυς, ἀνιστάτω. διωκομένου δὲ τοῦ λαγῶ εἰς τὰς ἄρκυς εἰς τὸ πρόσθεν προθεῖτω, καὶ ἐπιθέων μὲν ἐμβοάτω· ἐμπεπτωκότος δὲ τὴν ὀργὴν τῶν κυνῶν παυέτω, μὴ ἀπτόμενος ἀλλὰ παραμυθοῦμενος· καὶ δηλούτω τῶι κυνηγέτῃ, ὅτι ἐάλωκεν ἀναβοήσας ἢ ὅτι παραδεδράμηκε παρὰ τάδε ἢ τάδε ἢ ὅτι οὐχ ἐώρακε.

[6.11] Τὸν δὲ κυνηγέτην ἐξιέναι ἔχοντα ἡμελημένην ἐλαφρὰν ἐσθῆτα ἐπὶ τὸ κυνηγέσιον καὶ ὑπόδεσιν, ἐν δὲ τῇ χειρὶ ρόπαλον, τὸν δὲ ἀρκυωρὸν ἔπεσθαι· πρὸς δὲ τὸ κυνηγέσιον σιγῇ προσιέναι, ἵνα μὴ ὁ λαγῶς, ἐὰν ποῦ ᾗι πλησίον, ὑποκινήῃ ἀκούων τῆς φωνῆς. [6.12] δῆσαντα δ' ἐκ τῆς ὕλης τὰς κύνας ἐκάστην χωρὶς, ὅπως ἂν εὐλυτοὶ ᾧσιν, ἰστάναι τὰς ἄρκυς καὶ τὰ δίκτυα, ὡς εἴρηται. μετὰ δὲ τοῦτο τὸν μὲν ἀρκυωρὸν εἶναι ἐν φυλακῇ· αὐτὸν δὲ τὰς κύνας λαβόντα ἰέναι

πρὸς τὴν ὑπαγωγὴν τοῦ κυνηγεσίου, [6.13] καὶ εὐξάμενον τῷ Ἀπόλλωνι καὶ τῇ Ἀρτέμιδι τῇ Ἀγροτέραι μεταδοῦναι τῆς θήρας λῦσαι μίαν κύνα, ἥτις ἂν ᾖ σοφωτάτη ἰχνεύειν, ἐὰν μὲν ᾖ χειμῶν, ἅμ' ἡλίῳ ἀνίσχοντι, ἐὰν δὲ θέρος, πρὸ ἡμέρας, τὰς δὲ ἄλλας ὥρας μεταξὺ τούτου. [6.14] ἐπειδὰν δὲ ἡ κύων λάβῃ τὸ ἵχνος ὀρθὸν ἐκ τῶν ἐπηλλαγμένων, παραλῦσαι καὶ ἐτέραν· περαιομένου δὲ τοῦ ἵχνους διαλιπόντα μὴ πολὺ καὶ τὰς ἄλλας ἀφιέναι κατὰ μίαν, καὶ ἔπεσθαι μὴ ἐγκείμενον, ὀνομαστί ἐκάστην προσαγορεύοντα, μὴ πολλὰ, ἵνα μὴ παροξύνωνται πρὸ τοῦ καιροῦ. [6.15] αἱ δ' ὑπὸ χαρᾶς καὶ μένους προΐασιν ἐξίλλουσαι τὰ ἵχνη, ὥς πέφυκε, διπλᾶ, τριπλᾶ, προφορούμεναι παρὰ τὰ αὐτά, διὰ τῶν αὐτῶν, ἐπηλλαγμένα, περιφερῇ, ὀρθά, καμπύλα, πυκνά, μανά, γνώριμα, ἄγνωστα, ἐαυτὰς παραθέουσαι, ταχὺ τὰς οὐρὰς διασείδουσαι, καὶ ἐπικλίνουσαι τὰ ὅλα καὶ ἀστράπτουσαι τοῖς ὄμμασιν. [6.16] ἐπειδὰν δὲ περὶ τὸν λαγῶ ὥσι, δῆλον ποιήσουσι τῷ κυνηγέτῃ σὺν ταῖς οὐραῖς τὰ σώματα ὅλα συνεπικραδαίνουσαι, πολεμικῶς ἐπιφερόμεναι, φιλονίκως παραθέουσαι, συντρέχουσαι φιλοπόνως, συνιστάμεναι ταχύ, διστάμεναι, πάλιν ἐπιφερόμεναι· τελευτῶσαι δὲ ἀφίζονται πρὸς τὴν εὐνὴν τοῦ λαγῶ, καὶ ἐπιδραμοῦνται ἐπ' αὐτόν. [6.17] ὁ δ' ἐξαίφνης ἀνάξας [ἐφ' αὐτόν] ὑλαγμὸν ποιήσει τῶν κυνῶν καὶ κλαγγὴν φεύγων. ἐμβοάτω δὲ αὐτῷ διωκομένῳ Ἴω κύνες, ἰώ, καλῶς, σοφῶς γε ὧ κύνες. καὶ κυνοδρομεῖν περιελίζαντα ὁ ἀμπέχεται περὶ τὴν χεῖρα καὶ τὸ ρόπαλον ἀναλαβόντα κατὰ τὸν λαγῶ, καὶ μὴ ὑπαντᾶν· ἄπορον γάρ. [6.18] ὁ δὲ ὑποχωρῶν ταχὺ ἐκλείπων τὴν ὄψιν πάλιν περιβάλλει ὄθεν εὐρίσκεται ἐπὶ τὸ πολὺ. ἀναβοᾶν δ' ἐκείνον μὲν αὐτῷ Παισάτω παῖς· παῖ δὴ, παῖ δὴ. ὁ δέ, ἐὰν τε ἐαλωκῶς ᾖ ἢ ἐὰν τε μὴ, δηλούτω. [6.19] καὶ ἐὰν μὲν ἐαλωκῶς ᾖ ἢ ἐν τῷ πρώτῳ δρόμῳ, ἀνακαλεσάμενον τὰς κύνας ζητεῖν ἄλλον· ἐὰν δὲ μὴ, κυνοδρομεῖν ὥς τάχιστα καὶ μὴ ἀνιέναι, ἀλλ' ἐκπερᾶν φιλοπόνως. καὶ ἐὰν πάλιν ἀπαντῶσι διώκουσαι αὐτόν, ἀναβοᾶν Εὖ γε, εὖ γε ὧ κύνες, ἔπεσθε ὧ κύνες· ἐὰν δὲ πολὺ προειληφυῖαι ὥσι καὶ μὴ οἶός τ' ᾖ κυνοδρομῶν ἐπιγίγνεσθαι αὐταῖς, ἀλλὰ διημαρτηκῶς ᾖ τῶν δρόμων, ἢ καὶ πλησίον που φοιτώσας ἢ ἐπιστάσας ἢ ἐχομένας τῶν ἰχνῶν μὴ δύνηται ἰδεῖν, πυνθάνεσθαι παραθέοντα ἅμα ὅτῳ ἂν προσπελάξῃ ἀναβοᾶντα [6.20] Ἥ κατεῖδες ὦ ἡ τὰς κύνας; ἐπειδὰν δὲ πύθῃται ἤδη, ἐὰν μὲν ἐν τῷ ἵχνει ὥσι, προσστάντα ἐγκελεύειν, τοῦνομα μεταβάλλοντα ἐκάστης τῆς κυνός, ὅποσα χῆι οἶόν τ' ἂν ᾖ τοὺς

τόνους τῆς φωνῆς ποιούμενον, ὀξύ, βαρύ, μικρόν, μέγα· πρὸς δὲ τοῖς ἄλλοις κελεύσμασιν, ἐὰν ᾧσιν ἐν ὄρει αἱ μεταδρομαί, ἐπικελεύειν τόδε, Εὐὰ κύνες, εὐ· ᾧ κύνες. ἐὰν δὲ μὴ πρὸς αὐτοῖς ᾧσι τοῖς ἴχνεσιν, ἀλλ' ὑπερβάλλωσι, καλεῖν αὐτάς, Οὐ· πάλιν, οὐ· πάλιν ᾧ κύνες; [6.21] ἐπειδὴν δὲ προσσχῶσι τοῖς ἴχνεσι, περιάγειν αὐτάς κύκλους πολλοὺς ποιούμενον· ὅπου δ' ἂν ᾗ αὐταῖς ἀμαυρὸν τὸ ἶχνος, σημεῖον θέσθαι στοῖχον ἑαυτῷ, καὶ ἀπὸ τούτου συνείρειν μέχρι ἂν σαφῶς γνωρίσωσιν ἐγκελεύοντα καὶ θωπεύοντα. [6.22] αἱ δ' ἐπειδὴν λαμπρὰ ᾗ τὰ ἶχνη ἐπιρριπτοῦσαι, παραπηδῶσαι, κοινωνοῦσαι, ὑπολαμβάνουσαι, ἐνσημαινόμεναι, ὄρους τιθέμεναι ἑαυταῖς γνωρίμους ταχὺ μεταθεύσονται· ὅταν δὲ οὕτω διὰ τοῦ ἴχνους πυκνῶς διάιττωσι, μὴ κατέχοντα κυνοδρομεῖν, ἵνα μὴ ὑπὸ φιλοτιμίας ὑπερβάλλωσι τὰ ἶχνη. [6.23] ἐπειδὴν δὲ περὶ τὸν λαγῶ ᾧσι καὶ τοῦτο ἐπιδεικνύονται σαφῶς τῷ κυνηγέτῃ, προσέχειν, ὅπως ἂν μὴ ὑποκινῇ εἰς τὸ πρόσθεν πεφοβημένος τὰς κύνας· αἱ δὲ διαρριπτοῦσαι τὰς οὐράς καὶ ἑαυταῖς ἐμπίπτουσαι καὶ πολλὰ ὑπερπηδῶσαι καὶ ἐπανακλαγγάνουσαι, ἐπαναίρουσαι τὰς κεφαλὰς, εἰσβλέπουσαι εἰς τὸν κυνηγέτην, ἐπιγνωρίζουσαι ἀληθῆ ἤδη εἶναι ταῦτα ὑφ' αὐτῶν ἀναστήσουσι τὸν λαγῶ καὶ ἐπίασι κεκλαγγυῖαι. [6.24] ἐὰν δὲ εἰς τὰς ἄρκυς ἐμπίπτῃ ἢ ἐντὸς ἢ ἔξω παρενεχθῇ, καθ' ἐν ἑκαστον τούτων ὁ ἀρκυωρὸς γεγωνεῖτω. καὶ ἐὰν μὲν ᾗ ἐαλωκῶς, ἕτερον ἐπιζητεῖν· ἐὰν δὲ μὴ, μεταθεῖν χρώμενον τοῖς αὐτοῖς ἐγκελεύσμασιν. [6.25] ἐπειδὴν δὲ μεταθέουσαι αἱ κύνες ἤδη ὑπόκοποι ᾧσι καὶ ᾗ ὅψε ἤδη τῆς ἡμέρας, τότε δεῖ τὸν κυνηγέτην τὸν λαγῶ ἀπειρηκότα ζητεῖν, μὴ παραλείποντα μηδὲν ὧν ἡ γῆ ἀνίσιν ἢ ἔχει ἐφ' αὐτῆς, τὰς ἀναστροφὰς ποιούμενον πυκνάς, ὅπως ἂν μὴ παραλειφθῇ [κατακλίνεται γὰρ ἐν μικρῷ τὸ θηρίον καὶ οὐκ ἀνίσταται ὑπὸ κόπου καὶ φόβου], τὰς κύνας ἐπαγόμενον, ἐγκελεύοντα, παραμυθούμενον τὴν φιλόφρων πολλά, τὴν αὐθάδη ὀλίγα τὴν μέσην μέτρια, ἕως ἂν ἡ ἀποκτείνῃ αὐτὸν κατὰ πόδας ἢ εἰς τὰς ἄρκυς ἐμβάλη. [6.26] μετὰ δὲ ταῦτα ἀνελόντα τὰς ἄρκυς καὶ τὰ δίκτυα, ἀνατρίψαντα τὰς κύνας ἀπιέναι ἐκ τοῦ κυνηγεσίου, ἐπιμείναντα, ἐὰν ᾗ θερινὴ μεσημβρία, ὅπως ἂν τῶν κυνῶν οἱ πόδες μὴ καίωνται ἐν τῇ πορείᾳ.

[7.1] Σκυλακεύειν δὲ αὐτάς ἐπανιέντα τῶν πόνων τοῦ χειμῶνος, ἵνα ἔχουσαι τὴν ἡσυχίαν πρὸς τὸ ἔαρ ἐπάγωνται τὴν φύσιν γενναίαν· ἡ γὰρ ὥρα πρὸς τὰς αὐξήσεις τῶν κυνῶν κρατίστη αὕτη· εἰσὶ δὲ

τέτταρες καὶ δέκα ἡμέραι ἐν αἷς ἡ ἀνάγκη αὕτη ἔχει. [7.2] ἄγειν δὲ καταπαυομένας, ἵνα θᾶπτον ἐγκύμονες γίνωνται, πρὸς κύνας ἀγαθούς· ἐπειδὴν δὲ ὧσιν ἐπίφοροι, μὴ ἐξάγειν ἐπὶ κυνηγέσιον ἐνδεδελεχῶς, ἀλλὰ διαλείπειν, ἵνα μὴ φιλοπονίαι διαφθείρωσι. κύουσι δ' ἐξήκονθ' ἡμέρας. [7.3] ἐπειδὴν δὲ γένηται τὰ σκυλάκια, ὑπὸ τῇ τεκούσῃ ἔαν καὶ μὴ ὑποβάλλειν ὑφ' ἑτέραν κύνα· αἱ γὰρ θεραπέαι αἱ ἀλλότριαι οὐκ εἰσὶν αὐξίμοι· τὸ δὲ τῶν μητέρων καὶ τὸ γάλα ἀγαθὸν καὶ τὸ πνεῦμα καὶ φίλαι αἱ περιβολαί. [7.4] ἐπειδὴν δὲ πλανᾶται τὰ σκυλάκια ἤδη, διδόναι γάλα μέχρι ἐνιαυτοῦ καὶ οἷς μέλλει τὸν ἅπαντα χρόνον βιώσεσθαι, ἄλλο δὲ μηδέν· αἱ γὰρ βαρεῖαι πλησμοναὶ τῶν σκυλακίων διαστρέφουσι τὰ σκέλη, <τοῖς> σώμασι νόσους ἐμποιοῦσι, καὶ τὰ ἐντὸς ἄδικα γίνεταί.

[7.5] Τὰ δ' ὀνόματα αὐταῖς τίθεσθαι βραχέα, ἵνα εὐανάκλητα ᾖ. εἶναι δὲ χρὴ τοιάδε· Ψυχὴ, Θυμός, Πόρπαξ, Στύραξ, Λογχή, Λόχος, Φρουρά, Φύλαξ, Τάξις, Ξίφων, Φόναξ, Φλέγων, Ἀλκή, Τεύχων, Ὑλεύς, Μήδας, Πόρθων, Σπέρχων, Ὀργή, Βρέμων, Ὑβρις, Θάλλων, Ῥώμη, Ἀνθεύς, Ἥβα, Γηθεύς, Χαρά, Λεύσων, Αὐγώ, Πολεύς, Βία, Στίχων, Σπουδή, Βρύας, Οἰνάς, Στέρρος, Κραύγη, Καίνων, Τύρβας, Σθένων, Αἰθήρ, Ἀκτίς, [7.6] Αἰχμή, Νόης, Γνώμη, Στίβων, Ὀρμή. ἄγειν δὲ τὰς σκύλακας ἐπὶ τὸ κυνηγέσιον, τὰς μὲν θηλείας ὀκταμήνους, τοὺς δὲ ἄρρενας δεκαμήνους· πρὸς δὲ τὰ ἵχνη τὰ εὐναῖα μὴ λύειν, ἀλλ' ἔχοντα ὑψημμένας μακροῖς ἱμάσιν ἀκολουθεῖν ταῖς κυσὶν ἰχνευούσαις, ἐῶντα αὐτὰς διαθεῖν τὰ ἵχνη. [7.7] καὶ ἐπειδὴν ὁ λαγῶς εὐρίσκηται, ἐὰν μὲν καλαὶ ὧσι πρὸς τὸν δρόμον τὰ εἶδη, μὴ ἀνιέναι εὐθύς· ἐπειδὴν δὲ προλάβῃ ὁ λαγῶς τῷ δρόμῳ, ὥστε μὴ ἐφορᾶν ἔτι αὐτόν, τὰς σκύλακας ἰέναι. [7.8] ἐὰν γὰρ ὁμόθεν καλὰς τὰ εἶδη οὖσας καὶ εὐψύχους πρὸς τὸν δρόμον ἐπιλύῃ, ὀρῶσαι τὸν λαγῶ ἐντεινόμεναι ρήγνυνται, οὕτω ἔχουσαι συνεστῶτα τὰ σώματα· διαφυλάττειν οὖν δεῖ τοῦτο τὸν κυνηγέτην. [7.9] ἐὰν δὲ αἰσχίους ὧσι <καὶ ἄψυχοι> πρὸς τὸν δρόμον, οὐδὲν κωλύει ἰέναι· εὐθύς γὰρ δὴ ἀνέλπιστοι οὖσαι τοῦ ἐλεῖν οὐ πείσονται τοῦτο. τὰ δὲ δρομαῖα, ἕως ἂν ἔλωσι [τῷ ἵχνει], μεταθεῖν ἔαν· ἀλίσκομένου δὲ τοῦ λαγῶ διδόναι αὐταῖς ἀναρρηγνύναι. [7.10] ἐπειδὴν δὲ μηκέτι θέλωσι προσμένειν τοῖς ἵχνεσιν, ἀλλ' ἀποσκεδαννύωνται, ἀναλαμβάνειν, ἕως ἂν ἐθισθῶσιν εὐρίσκειν προσθέουσαι τὸν λαγῶ, ἐπεὶ μὴ ἐν κόσμῳ αἰεὶ τοῦτον ζητοῦσαι τελευτῶσαι γίνονται ἔκκυνοι, πονηρὸν μάθημα. [7.11] πρὸς δὲ ταῖς ἄρκυσι διδόναι τὰ σιτία αὐταῖς, ἕως ἂν νέαι ᾖσιν, ὅταν

ἀναιρῶνται, ἴν' ἐὰν πλανηθῶσιν ἐν τῷ κυνηγεσίῳ δι' ἀπειρίαν, πρὸς τοῦτο ἐπανιοῦσαι σώζονται. ἀφεθήσονται δὲ τούτου, ὅταν ἤδη τῷ θηρίῳ ἔχῃσι πολεμίως, ἐπιμέλειαν δὲ ποιήσονται τούτου μᾶλλον ἢ ἐκείνου φροντίζειν. [7.12] χρή δὲ καὶ ὥς τὰ πολλὰ δεομέναις διδόναι τὰ ἐπιτήδεια ταῖς κυσὶν αὐτόν· ὅταν μὲν γὰρ <μῆ> ἐνδεεῖς ᾧσι, τούτου τὸν αἴτιον οὐκ ἴσασιν, ὅταν δὲ ἐπιθυμοῦσαι λάβωσι, τὸν διδόντα στέργουσιν.

[8.1] Ἰχνεύεσθαι δὲ τὸν λαγῶ ὅταν νίφῃ ὁ θεὸς ὥστε ἠφανίσθαι τὴν γῆν· εἰ δ' ἐνέσται μεγάγχιμα, δυσζήτητος ἔσται. ἔστι δέ, ὅταν μὲν ἐπινεφῇ καὶ ἡ βόρειον, τὰ ἵχνη ἔξω πολὺν χρόνον δῆλα· οὐ γὰρ ταχὺ συντήκεται· ἐὰν δὲ νότιόν τε ἡ καὶ ἥλιος ἐπιλάμπῃ, ὀλίγον χρόνον· ταχὺ γὰρ διαχεῖται. ὅταν δ' ἐπινίφῃ συνεχῶς, οὐδὲν δεῖ· ἐπικαλύπτει γάρ· οὐδὲ ἂν πνεῦμα ἡ μέγα· συμφοροῦν γὰρ τὴν χιόνα ἀφανίζει. [8.2] κύνας μὲν οὖν οὐδὲν δεῖ ἔχοντα ἐξέναι ἐπὶ τὴν θήραν ταύτην· ἡ γὰρ χιὼν καίει τῶν κυνῶν τὰς ῥίνας, <ρήγνυσι> τοὺς πόδας, τὴν ὁσμὴν τοῦ λαγῶ ἀφανίζει διὰ τὸ ὑπερπαγές· λαβόντα δὲ τὰ δίκτυα μετ' ἄλλου ἐλθόντα πρὸς τὰ ὄρη παριέναι ἀπὸ τῶν ἔργων, καὶ ἐπειδὰν λάβῃ τὰ ἵχνη, πορεύεσθαι κατὰ ταῦτα. [8.3] ἐὰν δ' ἐπηλλαγμένα ἦι, ἐκ τῶν αὐτῶν πάλιν εἰς τὸ αὐτὸ ἤκοντα κύκλους ποιούμενον ἐκπεριέναι τὰ τοιαῦτα ζητοῦντα ὅποια ἔξεισι. πολλὰ δὲ πλανᾶται ὁ λαγῶς ἀπορούμενος ὅπου κατακλινῇ, ἅμα δὲ καὶ εἴθισται τεχνάζειν τῇ βαδίσει διὰ τὸ διώκεσθαι αἰεὶ [8.4] ἀπὸ τῶν τοιούτων. ἐπειδὰν <δὲ> φανῇ τὸ ἵχνος, προῖέναι εἰς τὸ πρόσθεν. ἄξει δὲ ἢ πρὸς σύσκιον τόπον ἢ πρὸς ἀπόκρημνον· τὰ γὰρ πνεύματα ὑπερφορεῖ τὴν χιόνα ὑπὲρ τῶν τοιούτων. παραλείπεται οὖν εὐνάσιμα πολλά· ζητεῖ δὲ τοῦτο. [8.5] ἐπειδὰν δὲ τὰ ἵχνη πρὸς τοιαῦτα φέρῃ, μὴ προσιέναι ἐγγύς, ἵνα μὴ ὑποκινῇ, ἀλλὰ κύκλῳ ἐκπεριέναι· ἐλπίς γὰρ αὐτοῦ εἶναι. δῆλον δ' ἔσται· τὰ γὰρ ἵχνη ἀπὸ τῶν τοιούτων οὐδαμοῦ περάσει. [8.6] ἐπειδὰν δὲ ἦι σαφές ὅτι αὐτοῦ ἐστίν, ἔάν· μενεῖ γάρ· ἕτερον δὲ ζητεῖν πρὶν τὰ ἵχνη ἄδηλα γενέσθαι, τῆς ὥρας ἐνθυμούμενον, ὅπως, ἂν καὶ ἐτέρους εὕρισκῃ, ἔσται ἡ λειπομένη ἱκανὴ περιστήσασθαι. [8.7] ἤκοντος δὲ τούτου περιτείνειν αὐτῶν ἐκάστωι τὰ δίκτυα τὸν αὐτὸν τρόπον ὥνπερ ἐν τοῖς μελαγχίμοις, περιλαμβάνοντα ἐντὸς πρὸς ὅτῳ ἂν ἦι, καὶ ἐπειδὰν ἐστηκότα ἦι, προσελθόντα κινεῖν. [8.8] ἐὰν δὲ ἐκκυλισθῇ ἐκ τῶν δικτύων, μεταθεῖν κατὰ τὰ ἵχνη· ὁ δὲ ἀφίζεται πρὸς ἕτερα τοιαῦτα χωρία, ἐὰν μὴ ἄρα ἐν αὐτῇ τῇ χιόνι πίεσῃ ἐαυτόν. σκεψάμενον οὖν δεῖ ὅπου ἂν ἦι

περίστασθαι. ἐὰν δὲ μὴ ὑπομένῃ, μεταθεῖν· ἀλώσεται γὰρ καὶ ἄνευ τῶν δικτύων· ταχὺ γὰρ ἀπαγορεύει διὰ τὸ βάθος τῆς χιόνος καὶ διὰ τὸ κάτωθεν τῶν ποδῶν λασίων ὄντων προσέχεσθαι αὐτῷ ὄγκον πολύν.

[9.1] Ἐπὶ δὲ τοὺς νεβροὺς καὶ τὰς ἐλάφους κύνας εἶναι Ἰνδικάς· εἰσὶ γὰρ ἰσχυραί, μεγάλαι, ποδώκεις, οὐκ ἄψυχοι· ἔχουσαι δὲ ταῦτα ἱκαναὶ γίνονται πονεῖν. τοὺς μὲν οὖν νεογνοὺς τῶν νεβρῶν τοῦ ἥρος θηρᾶν· ταύτην γὰρ τὴν ὥραν γίνονται. [9.2] κατασκέψασθαι δὲ προελθόντα εἰς τὰς ὀργάδας, οὓς εἰσιν ἔλαφοι πλεῖσται· ὅπου δ' ἂν ᾤσιν, ἔχοντα τὸν κυναγωγὸν τὰς κύνας καὶ ἀκόντια πρὸς ἡμέρας ἐλθόντα εἰς τὸν τόπον τοῦτον τὰς μὲν κύνας δῆσαι ἄπωθεν ἐκ τῆς ὕλης, ὅπως μὴ, ἂν ἴδωσι τὰς ἐλάφους, ὑλακτῶσιν, αὐτὸν δὲ σκοπιωρεῖσθαι. [9.3] ἅμα δὲ τῇ ἡμέρᾳ ὄψεται ἀγούσας τοὺς νεβροὺς πρὸς τὸν τόπον οὓς ἂν μέλλῃ ἐκάστη τὸν ἑαυτῆς εὐνάσειν. κατακλίναςαι δὲ καὶ γάλα δοῦσαι καὶ διασκεπνόμεναι μὴ ὀπῶνται ὑπὸ τινος, φυλάττει τὸν αὐτῆς ἐκάστη ἀπελθοῦσα εἰς τὸ ἀντιπέραν. [9.4] ἰδόντα δὲ ταῦτα τὰς μὲν κύνας λῦσαι, τὸν δὲ λαβόντα τὰ ἀκόντια προσιέναι ἐπὶ τὸν νεβρὸν τὸν πρῶτον, ὅπου εἶδεν εὐνασθέντα, τῶν τόπων ἐνθυμούμενον, ὅπως μὴ διαμαρτήσεται· πολὺ γὰρ ἀλλοιοῦνται τῇ ὄψει ἐγγὺς προσιόντι ἢ οἱ πόρρωθεν ἔδοξαν εἶναι. [9.5] ἐπειδὰν δὲ ἴδῃ αὐτόν, προσιέναι ἐγγύς. ὁ δ' ἔξει ἀτρέμα πῆσας ἑαυτὸν ἐπὶ γῆν καὶ ἐάσει ἀνελέσθαι, ἐὰν μὴ ἐφυσμένος ᾖ, βοῶν μέγα. τούτου δὲ γενομένου οὐ μενεῖ· ταχὺ γὰρ τὸ ὑγρόν, ὃ ἔχει ἐν ἑαυτῷ, ὑπὸ τοῦ ψυχροῦ συνιστάμενον ποιεῖ ἀποχωρεῖν αὐτόν. [9.6] ἀλώσεται δὲ ὑπὸ τῶν κυνῶν σὺν πόνῳ διωκόμενος· λαβόντα δὲ δοῦναι τῷ ἀρκυρωῶ· ὁ δὲ βοησεται· ἢ δ' ἔλαφος τὰ μὲν ἰδοῦσα, τὰ δ' ἀκούσασα, ἐπιδραμεῖται τῷ ἔχοντι αὐτὸν ζητοῦσα ἀφελέσθαι. [9.7] ἐν δὲ τούτῳ τῷ καιρῷ ἐγκελεύειν ταῖς κυσὶ καὶ χρῆσθαι τοῖς ἀκοντίοις. κρατήσαντα δὲ τούτου πορεύεσθαι καὶ ἐπὶ τοὺς ἄλλους καὶ τῷ αὐτῷ εἶδει πρὸς αὐτοὺς χρῆσθαι τῆς θήρας. καὶ οἱ μὲν νέοι τῶν νεβρῶν οὕτως ἀλίσκονται· [9.8] οἱ δὲ ἤδη μεγάλοι χαλεπῶς· νέμονται γὰρ μετὰ τῶν μητέρων καὶ ἐτέρων ἐλάφων· καὶ ἀποχωροῦσιν, ὅταν διώκωνται, ἐν μέσαις, ὅτε δὲ πρόσθεν, ἐν δὲ τῷ ὀπισθεν ὀλιγάκις. [9.9] αἱ δ' ἔλαφοι τὰς κύνας ὑπὲρ αὐτῶν ἀμυνόμεναι καταπατοῦσιν, ὥστ' οὐκ εὐάλωτοί εἰσιν, ἐὰν μὴ προσμεῖζας τις εὐθὺς διασκεδάσῃ αὐτὰς ἀπ' ἀλλήλων, ὥστε μονωθῆναι τινα αὐτῶν. [9.10] βιασθεῖσαι δὲ τοῦτο, τὸν μὲν πρῶτον δρόμον αἱ κύνες

ἀπολείπονται· ἢ τε γὰρ ἀπουσία τῶν ἐλάφων ποιεῖ αὐτὸν περίφοβον, τό τε τάχος οὐδενὶ ἐοικός ἐστι τῶν τηλικούτων νεβρῶν· δευτέρῳ δὲ καὶ τρίτῳ δρόμῳ ταχὺ ἀλίσκονται· τὰ γὰρ σώματα αὐτῶν διὰ τὸ ἔτι νεαρὰ εἶναι τῷ πόνῳ οὐ δύναται ἀντέχειν.

[9.11] Ἰστανται δὲ καὶ ποδοστράβαι ταῖς ἐλάφοις ἐν τοῖς ὄρεσι, περὶ τοὺς λειμῶνας καὶ τὰ ρεῖθρα καὶ τὰς νάπας, ἐν ταῖς διόδοις καὶ τοῖς ἔργοις πρὸς ὃ τι ἂν προσίη. [9.12] χρηὶ δὲ εἶναι τὰς ποδοστράβας σμίλακος πεπλεγμένης, μὴ περιφλοίους, ἵνα μὴ σήπωνται, τὰς δὲ στεφάνας εὐκύκλους ἐχούσας, καὶ τοὺς ἥλους ἐναλλάξ σιδηροὺς τε καὶ ξυλίνους ἐγκαταπεπλεγμένους ἐν τῷ πλοκάνῳ· μείζους δὲ τοὺς σιδηροὺς, ὅπως ἂν οἱ μὲν ξύλινοι ὑπέικωσι τῷ ποδί, οἱ δὲ πιέζωσι. [9.13] τὸν δὲ βρόχον τῆς σειρίδος τὸν ἐπὶ τὴν στεφάνην ἐπιτεθισμένον πεπλεγμένον σπάρτου καὶ αὐτὴν τὴν σειρίδα· ἔστι γὰρ ἀσηπτότατον τοῦτο. ὁ δὲ βρόχος αὐτὸς ἔστω στιφρὸς καὶ ἡ σειρίς· τὸ δὲ ξύλον τὸ ἐξαπτόμενον ἔστω μὲν δρυὸς ἢ πρίνου, μέγεθος τρισπίθαμον, περίφλοιον, πάχος παλαιστής. [9.14] ἰστάναι δὲ τὰς ποδοστράβας διελόντα τῆς γῆς βάθος πεντεπάλαστον, περιφερὲς δὲ τοῦτο, καὶ ἄνωθεν ἴσον ταῖς στεφάναις τῶν ποδοστράβων, εἰς δὲ τὸ κάτω ἀμειβόμενον στενότητι· διελεῖν δὲ καὶ τῇ σειρίδι καὶ τῷ ξύλῳ τῆς γῆς ὅσον ἴζεσθαι ἀμφοῖν. [9.15] ποιήσαντα δὲ ταῦτα ἐπὶ μὲν τὸ βάθος τὴν ποδοστράβην ἐπιθεῖναι κατωτέρῳ ἰσώπεδον, περὶ δὲ τὴν στέγην τὸν βρόχον τῆς σειρίδος· καὶ αὐτὴν καὶ τὸ ξύλον καθέντα εἰς τὴν χώραν τὴν ἐκατέρου, τῇ στέγῃ ἐπιθεῖναι δοκίδας ἀτρακτυλίδος μὴ ὑπερτεινούσας εἰς τὸ ἔξω, ἐπὶ δὲ τούτων πέταλα λεπτά, ὧν ἂν ἡ ὥρα ᾗ. [9.16] μετὰ δὲ τοῦτο τῆς γῆς ἐπιβαλεῖν ἐπ' αὐτὰ πρῶτον μὲν τὴν ἐπιπολῆς ἐξαιρεθεῖσαν ἐκ τῶν ὀρυγμάτων, ἄνωθεν δὲ ταύτης γῆς στερεᾶς τῆς ἁπλοῦς, ἵνα ᾗ τῇ ἐλάφῳ ὅτι μάλιστα ἄδηλος ἢ στάσις· τὴν δὲ περιοῦσαν τῆς γῆς ἀποφέρειν πόρῳ ἀπὸ τῆς ποδοστράβης· ἐὰν γὰρ ὀσφραίνεται νεωστὶ κεκινημένης, δυσωπεῖται· ταχὺ δὲ ποιεῖ τοῦτο. [9.17] ἐπισκοπεῖν δὲ ἔχοντα τὰς κύνας τὰς μὲν ἐν τοῖς ὄρεσιν ἐστώσας, μάλιστα μὲν ἔωθεν, χρηὶ δὲ καὶ τῆς ἄλλης ἡμέρας, ἐν δὲ τοῖς ἔργοις πρώι. ἐν μὲν γὰρ τοῖς ὄρεσιν οὐ μόνον τῆς νυκτὸς ἀλίσκονται ἀλλὰ καὶ μεθ' ἡμέραν διὰ τὴν ἐρημίαν· ἐν δὲ τοῖς ἔργοις τῆς νυκτὸς διὰ τὸ μεθ' ἡμέραν πεφοβῆσθαι τοὺς ἀνθρώπους. [9.18] ἐπειδὴν δὲ εὖρηι ἀνεστραμμένην τὴν ποδοστράβην, μεταθεῖν ἐπὶλύσαντα τὰς κύνας καὶ ἐπικελεύσαντα κατὰ τὸν ὁλκὸν τοῦ ξύλου, σκοπούμενον ὅποι ἂν φέρεται. ἔσται δὲ οὐκ ἄδηλον ἐπὶ

τὸ πολὺ· οἱ τε γὰρ λίθοι ἔσονται κεκινημένοι τὰ τ' ἐπισύρματα τοῦ
ξύλου καταφανῆ ἐν τοῖς ἔργοις· ἐὰν δὲ τραχεῖς τόπους διαπερᾷ, αἱ
πέτραι ἔξουσι τὸν φλοιὸν τοῦ ξύλου ἀφηρησμένον καὶ κατὰ τοῦτο
ράιους αἱ μεταδρομαὶ ἔσονται. [9.19] ἐὰν μὲν οὖν τοῦ προσθίου ποδὸς
ἀλῶι, ταχὺ ληφθήσεται· ἐν γὰρ τῷ δρόμῳ πᾶν τὸ σῶμα τύπτει καὶ
τὸ πρόσωπον· ἐὰν δὲ τοῦ ὀπισθεν, ἐφελκόμενον τὸ ξύλον ἐμποδῶν
ὅλῳ ἐστὶ τῷ σώματι, ἐνίοτε δὲ καὶ εἰς δίκρας τῆς ὕλης ἐμπίπτει
φερόμενον, καὶ ἐὰν μὴ ἀπορρήξῃ τὴν σειρίδα, καταλαμβάνεται
αὐτοῦ. [9.20] χρὴ δέ, ἐὰν οὕτως ἔλῃ ἢ περιγενόμενος πόνῳ, [ἐὰν μὲν
ἦ ἄρρην,] μὴ προσιέναι ἐγγύς· τοῖς γὰρ κέρασι παίει, <ἐὰν μὲν ἦ
ἄρρην,> καὶ τοῖν ποδοῖν· ἐὰν δὲ θήλεια, τοῖν ποδοῖν· ἄπωθεν οὖν
ἀκοντίζειν. ἀλίσκονται δὲ καὶ ἄνευ ποδοστράβης διωκόμεναι, ὅταν ἦ
ἡ ὥρα θερινή· ἀπαγορεύουσι γὰρ σφόδρα, ὥστε ἐστῶσαι
ἀκοντίζοντα· ῥίπτοῦσι δὲ καὶ εἰς τὴν θάλατταν, ἐὰν κατέχωνται, καὶ
εἰς τὰ ὕδατα ἀπορούμεναι· ὅτε δὲ διὰ δύσπνοιαν πίπτουσι.

[10.1] Πρὸς δὲ τὸν ὕν τὸν ἄγριον κεκτῆσθαι κύνας Ἰνδικάς,
Κρητικάς, Λοκρίδας, Λακαίνας, ἄρκυς, ἀκόντια, προβόλια,
ποδοστράβας. πρῶτον μὲν οὖν χρὴ εἶναι τὰς κύνας ἐκάστου γένους
μὴ τὰς ἐπιτυχούσας, ἵνα ἔτοιμα ὦσι πολεμεῖν τῷ θηρίῳ. [10.2] αἱ δὲ
ἄρκυς λίνων μὲν τῶν αὐτῶν ὥνπερ αἱ τῶν λαγῶν <ἔστωσαν δὲ>
πεντεκαίτεταρακοντάλινοι ἐκ τριῶν τόνων, ἕκαστος δὲ τόνος ἐκ
πεντεκαίδεκα λίνων, ἀπὸ δὲ τοῦ κορυφαίου τὸ μέγεθος δεχάμματοι,
τὸ δὲ βάθος τῶν βρόχων πυγόνος· οἱ δὲ περιδρομοὶ ἡμιόλιοι τοῦ τῶν
ἀρκύων πάχους· ἐπ' ἄκροις δὲ δακτυλίους ἐχέτωσαν, ὑφείσθωσαν δ'
ὑπὸ τοὺς βρόχους, τὸ δὲ ἄκρον αὐτῶν ἐκπεράτω ἔξω διὰ τῶν
δακτυλίων· ἱκανὰ δὲ πεντεκαίδεκα. [10.3] τὰ δ' ἀκόντια ἔστω
παντοδαπά, ἔχοντα τὰς λόγχας εὐπλατεῖς καὶ ξυρῆκεις, ράβδους δὲ
στιφράς. τὰ δὲ προβόλια πρῶτον μὲν λόγχας ἔχοντα τὸ μὲν μέγεθος
πεντεπαλάστους, κατὰ δὲ μέσον τὸν αὐλὸν κνώδοντας
ἀποκεχαλκευμένους, στιφρούς, καὶ τὰς ράβδους κρανείας
δορατοπαχεῖς. αἱ δὲ ποδοστράβαι ὅμοιαι ταῖς τῶν ἐλάφων.
συγκυνηγέται δ' ἔστωσαν· τὸ γὰρ θηρίον μόλις καὶ ὑπὸ πολλῶν
ἀλίσκεται. ὅπως δὲ δεῖ τούτων ἐκάστῳ πρὸς θήραν χρῆσθαι διδάξω.
[10.4] πρῶτον μὲν οὖν χρὴ ἐλθόντας ὅπου ἂν οἴωνται [εἶναι] ὑπάγειν
τὸ κυνηγέσιον, λύσαντας μίαν τῶν κυνῶν τῶν Λακαινῶν, τὰς δ'
ἄλλας ἔχοντας δεδεμένας, συμπεριέναι τῇ κυνί. [10.5] ἐπειδὰν δὲ
λάβῃ αὐτοῦ τὰ ἵχνη, ἔπεσθαι ἐξῆς τῇ ἰχνεύσει ἡγουμένῃ <τούς>

ἀκολουθοῦντας σαφῶς. ἔσται δὲ καὶ τοῖς κυνηγέταις πολλὰ δῆλα αὐτοῦ, ἐν μὲν τοῖς μαλακοῖς τῶν χωρίων τὰ ἵχνη, ἐν δὲ τοῖς λασίοις τῆς ὕλης κλάσματα· ὅπου δ' ἂν δένδρα ἦι, πληγαὶ τῶν ὀδόντων. [10.6] ἢ δὲ κύων ἐπὶ τὸ πολὺ ἀφίξεται <ἐπὶ> τόπον ὑλώδη ἰχνεύουσα. κατακλίνεται γὰρ τὸ θηρίον ὡς ἐπὶ τὸ πολὺ εἰς τοιαῦτα· τοῦ μὲν γὰρ χειμῶνός ἐστιν ἀλεινὰ, τοῦ δὲ θέρους ψυχρινὰ. ἐπειδὴν δ' ἀφίκηται ἐπὶ τὴν εὐνὴν, ὑλακτεῖ· ὁ δ' οὐκ ἀνίσταται ὡς τὰ πολλά. [10.7] λαβόντα οὖν τὴν κύνα καὶ ταύτην μετὰ τῶν ἄλλων δῆσαι ἄπωθεν ἀπὸ τῆς εὐνῆς πολὺ καὶ εἰς τοὺς ὄρμους ἐμβαλέσθαι τὰς ἄρκυς, ἐπιβάλλοντα τοὺς βρόχους ἐπὶ ἀποσχαλιδώματα τῆς ὕλης δίκρα τῆς δὲ ἄρκυος αὐτῆς μακρὸν προήκοντα κόλπον ποιεῖν, ἀντηρίδας ἐνδοθεν ἐκατέρωθεν ὑφιστάντα κλῶνας, ὅπως ἂν εἰς τὸν κόλπον διὰ τῶν βρόχων αἱ αὐγαὶ τοῦ φέγγους ὡς μάλιστα ἐνέχωσιν, ἵνα προσθέοντι ὡς φανότατον ἦι τὸ ἔσω· καὶ τὸν περιδρομον ἐξάπτειν ἀπὸ δένδρον ἰσχυροῦ, καὶ μὴ ἐκ ῥάχου· οὐκ ἰσχυραὶ γὰρ ἐν τοῖς ψιλοῖς αἱ ῥᾶχοι. ὑπὲρ δὲ ἐκάστην ἐμφράττειν τῇ ὕλῃ καὶ τὰ δύσορμα, ἵνα εἰς τὰς ἄρκυς ποιῇται τὸν δρόμον καὶ μὴ ἐξαλλάττη. [10.8] ἐπειδὴν δ' ἐστῶσιν, ἐλθόντας πρὸς τὰς κύνας λῦσαι ἀπάσας καὶ λαβόντας τὰ ἀκόντια καὶ τὰ προβόλια προιέναι. ἐγκελεύειν δὲ ταῖς κυσὶν ἕνα τὸν ἐμπειρότατον, τοὺς δ' ἄλλους ἔπεσθαι κοσμίως ἀπολείποντας ἀπ' ἀλλήλων πολὺ, ὅπως ἂν ἦ αὐτῶι ἱκανὴ διαδρομὴ· ἐὰν γὰρ ὑποχωρῶν ἐμπέσῃ, εἰς πυκνοὺς, κίνδυνος πληγῆναι· ὧι γὰρ ἂν προσπέσῃ, εἰς τοῦτον τὴν ὀργὴν κατέθετο. [10.9] ἐπειδὴν δ' αἱ κύνες ἐγγὺς ὦσι τῆς εὐνῆς, ἐπεισίσαι· θορυβούμενος δὲ ἐξαναστήσεται, καὶ ἥτις ἂν τῶν κυνῶν προσφέρηται αὐτῶι πρὸς τὸ προσωπον, ἀναρρίψει· θέων δ' ἐμπεσεῖται· ἐὰν δὲ μὴ, μεταθεῖν ἀνάγκη. καὶ ἐὰν μὲν ἦι τὸ χωρίον κατωφερὲς ἐν ὧι ἂν ἔχη αὐτὸν ἡ ἄρκυς, ταχὺ ἐξαναστήσεται· ἐὰν δὲ ἄπεδον, εὐθὺς ἐστήξει περὶ αὐτὸν ἔχων. [10.10] ἐν τούτῳ δὲ τῷ καιρῷ αἱ μὲν κύνες προσκείσονται· αὐτοὺς δὲ χρὴ φυλαττομένους αὐτὸν ἀκοντίζειν, καὶ βάλλειν λίθοις, περισταμένους ὀπισθεν καὶ πολὺ ἄπωθεν, ἕως ἂν κατατείνῃ προωθῶν αὐτὸν τῆς ἄρκυος τὸν περιδρομον. εἴτα ὅστις ἂν ἦι τῶν παρόντων ἐμπειρότατος καὶ ἐγκρατέστατος προσελθόντα ἐκ τοῦ πρόσθεν τῷ προβολίῳ παίειν. [10.11] ἐὰν δὲ μὴ βούληται ἀκοντιζόμενος καὶ βαλλόμενος κατατείνειν τὸν περιδρομον, ἀλλ' ἐπανιεῖς ἔχη πρὸς τὸν προσιόντα περιδρομὴν ποιούμενος, ἀνάγκη, ὅταν οὕτως ἔχη, λαβόντα τὸ προβόλιον προσιέναι, ἔχεσθαι δ' αὐτοῦ

τῇ μὲν χειρὶ τῇ ἀριστερᾷ πρόσθεν, τῇ δ' ἑτέραί ὀπισθεν· κατορθοῖ γὰρ ἢ μὲν ἀριστερὰ αὐτό, ἢ δὲ δεξιὰ ἐπεμβάλλει· ἔμπροσθεν δὲ ὁ πούς ὁ μὲν ἀριστερὸς ἐπέσθω τῇ χειρὶ τῇ ὁμωνύμῳ, ὁ δὲ δεξιὸς τῇ ἑτέραί. [10.12] προσιόντα δὲ προβάλλεσθαι τὸ προβόλιον, μὴ πολλῶι μείζω διαβάντα ἢ ἐν πάλῃ, ἐπιστρέφοντα τὰς πλευρὰς τὰς εὐωνύμους ἐπὶ τὴν χεῖρα τὴν εὐώνυμον, εἴτα εἰσβλέποντα εἰς τὸ ὄμμα τοῦ θηρίου ἐνθυμούμενον τὴν κίνησιν τὴν ἀπὸ τῆς κεφαλῆς τῆς ἐκείνου. προσφέρειν δὲ τὸ προβόλιον φυλαττόμενον μὴ ἐκκρούσῃ ἐκ τῶν χειρῶν τῇ κεφαλῇ ἐκνεύσας· τῇ γὰρ ρύμῃ τῆς ἐκκρούσεως ἔπεται. [10.13] παθόντα δὲ τοῦτο πίπτειν δεῖ ἐπὶ στόμα καὶ ἔχεσθαι τῆς ὕλης κάτωθεν· τὸ γὰρ θηρίον ἐὰν μὲν οὕτως ἔχοντι προσπέσῃ, διὰ τὴν σιμότητα τῶν ὀδόντων τὸ σῶμα οὐ δύναται ὑπολαβεῖν· ἐὰν δὲ μετεώρωι, ἀνάγκη πληγῆναι. πειράται μὲν οὖν μετεωρίζειν· ἐὰν δὲ μὴ δύνῃται, ἀμφιβὰς πατεῖ. [10.14] ἀπαλλαγὴ δὲ τούτων μία ἐστὶ μόνη, ὅταν ἐν τῇ ἀνάγκῃ ταύτῃ ἔχηται, προσελθόντα ἐγγὺς τῶν συγκυνηγετῶν ἓνα ἔχοντα προβόλιον ἐρεθίζειν ὥς ἀφήσοντα· ἀφιέναι δὲ οὐ χρή, μὴ τύχῃ τοῦ πεπτωκότος. [10.15] ὅταν δὲ ἴδῃ τοῦτο, καταλιπὼν ὃν ἂν ἔχῃ ὑφ' αὐτῷ ἐπὶ τὸν ἐρεθίζοντα ὑπ' ὀργῆς καὶ θυμοῦ ἐπιστρέψει. τὸν δὲ ταχὺ ἀναπηδᾶν, τὸ δὲ προβόλιον μεμνήσθαι ἔχοντα ἀνίστασθαι· οὐ γὰρ καλὴ ἢ σωτηρία ἄλλως ἢ κρατήσαντι. [10.16] προσφέρειν δὲ πάλιν τὸν αὐτὸν τρόπον καὶ προτείνειν ἐντὸς τῆς ὠμοπλάτης ἧι ἢ σφαγῇ, καὶ ἀντερείσαντα ἔχειν ἐρρωμένως· ὁ δ' ὑπὸ τοῦ μένους προλαίσει, καὶ εἰ μὴ κωλύοιεν οἱ κνῶδοντες τῆς λόγχης, ἀφίκοιτ' ἂν διὰ τῆς ράβδου προωθῶν αὐτὸν πρὸς τὸν τὸ προβόλιον ἔχοντα. [10.17] οὕτω δὲ πολλὴ ἢ δύναμις ἐστὶν αὐτοῦ ὥστε καὶ ἂν οὐκ ἂν οἰοιτό τις πρόσσεστιν αὐτῷ τεθνεῶτος γὰρ εὐθύς ἐὰν τις ἐπὶ τὸν ὀδόντα ἐπιθῇ τρίχας, συντρέχουσιν· οὕτως εἰσὶ θερμοί· ζῶντι δὲ διάπυροι, ὅταν ἐρεθίζεται· οὐ γὰρ ἂν τῶν κυνῶν ἀμαρτάνων τῇ πληγῇ τοῦ σώματος ἅκρα τὰ τριχώματα περιεπίμπρῃ. [10.18] ὁ μὲν οὖν ἄρρην τοσαῦτα καὶ ἔτι πλείω πράγματα παρασχὼν ἀλίσκεται.

Ἐὰν δὲ θήλεια ἧι ἢ ἐμπεσοῦσα, ἐπιθέοντα παίειν φυλαττόμενον μὴ ὥσθεις πέσῃ· παθόντα δὲ τοῦτο πατεῖσθαι ἀνάγκη καὶ δάκνεσθαι. ἐκόντα οὖν οὐ χρή ὑποπίπτειν· ἐὰν δ' ἄκων ἔλθῃ εἰς τοῦτο, διαναστάσεις γίνονται αἱ αὐταὶ ὥσπερ ὑπὸ τοῦ ἄρρενος· ἐξαναστάντα δὲ δεῖ παίειν τῷ προβολίῳ, ἕως ἂν ἀποκτείνῃ.

[10.19] Ἀλίσκονται δὲ καὶ ὧδε. ἴστανται μὲν αὐτοῖς αἱ ἄρκυς ἐπὶ τὰς

διαβάσεις τῶν ναπῶν εἰς τοὺς δρυμούς, τὰ ἄγκη, τὰ τραχέα, εἰσβολὰς δὲ εἰς τὰς ὀργάδας καὶ τὰ ἔλη καὶ τὰ ὕδατα. ὁ δὲ τεταγμένος ἔχων τὸ προβόλιον φυλάττει τὰς ἄρκυς. οἱ δὲ τὰς κύνας ἐπάγουσι τοὺς τόπους ζητοῦντες τοὺς καλλίστους· ἐπειδὰν δὲ εὗρεθῇ, διώκεται. [10.20] ἐὰν μὲν οὖν εἰς τὴν ἄρκυν ἐμπίπτῃ, τὸν ἄρκυωρὸν ἀναλαβόντα τὸ προβόλιον προσιέναι καὶ χρῆσθαι ὡς εἴρηκα· ἐὰν δὲ μὴ ἐμπέσῃ, μεταθεῖν. ἀλίσκεται δὲ καὶ ὅταν ἦι πνίγη, διωκόμενος ὑπὸ τῶν κυνῶν· τὸ γὰρ θηρίον καίπερ ὑπερβάλλον δυνάμει ἀπαγορεύει ὑπέρασθμον γιγνόμενον. [10.21] ἀποθνήσκουσι δὲ κύνες πολλαὶ ἐν τῇ τοιαύτῃ θήρῃ καὶ αὐτοὶ οἱ κυνηγέται κινδυνεύουσιν, ὅταν γε ἐν ταῖς μεταδρομαῖς ἀπειρηκότε ἀναγκάζονται προσιέναι ἔχοντες τὰ προβόλια ἢ ἐν ὕδατι ὄντι ἢ ἐφεστῶτι πρὸς ἀποκρήμνῳ ἢ ἐκ δασέος μὴ θέλοντι ἐξιέναι· οὐ γὰρ κωλύει αὐτὸν οὔτε ἄρκυς οὔτε ἄλλο οὐδὲν φέρεσθαι ὁμόσε τῷ πλησιάζοντι· ὅμως μέντοι προσιτέον, ὅταν ἔχη οὕτως, καὶ ἐπιδεικτέον τὴν εὐψυχίαν, δι' ἣν εἵλοντο ἐκπονεῖν τὴν ἐπιθυμίαν ταύτην. [10.22] χρηστέον δὲ τῷ προβολίῳ καὶ ταῖς προβολαῖς τοῦ σώματος ὡς εἴρηται· εἰ γάρ τι καὶ πάσχοι, οὐκ ἂν διὰ γε τὸ μὴ ὀρθῶς ποιεῖν πάσχοι.

Ἰστανται δὲ αἱ ποδοστράβαι αὐτοῖς ὥσπερ ταῖς ἐλάφοις ἐν τοῖς αὐτοῖς τόποις, καὶ ἐπισκέψεις αἱ αὐταὶ καὶ μεταδρομαὶ καὶ αἱ πρόσοδοι καὶ αἱ χρεῖαι τοῦ προβολίου.

[10.23] Τὰ δὲ νεογενῇ αὐτῶν ὅταν ἀλίσκηται, χαλεπῶς τοῦτο πάσχει· οὔτε γὰρ μονοῦται, ἕως ἂν μικρὰ ᾖ, ὅταν τε αἱ κύνες εὖρωσιν ἢ προϊῇ τι, ταχὺ εἰς τὴν ὕλην ἀφανίζεται, ἔπονται τε ἐπὶ πολὺ ἄμφω ὧν ἂν ᾧσι, χαλεποὶ ὄντες τότε καὶ μᾶλλον μαχόμενοι ὑπὲρ ἐκείνων ἢ ὑπὲρ αὐτῶν.

[11.1] Λέοντες δὲ καὶ παρδάλεις, λύγκες, πάνθηρες, ἄρκτοι καὶ τᾶλλα ὅσα ἐστὶ τοιαῦτα θηρία ἀλίσκεται ἐν ξέναις χώραις περὶ τὸ Πάγγαιον ὄρος καὶ τὸν Κίττον τὸν ὑπὲρ τῆς Μακεδονίας, τὰ δ' ἐν τῷ Ὀλύμπῳ τῷ Μυσίῳ καὶ ἐν Πίνδῳ, τὰ δ' ἐν τῇ Νύσῃ τῇ ὑπὲρ τῆς Συρίας, καὶ πρὸς τοῖς ἄλλοις ὄρεσιν ὅσα οἶά τ' ἐστὶ τρέφειν τοιαῦτα. [11.2] ἀλίσκεται δὲ τὰ μὲν ἐν τοῖς ὄρεσι φαρμάκῳ διὰ δυσχωρίαν ἀκονιτικῶν· παραβάλλουσι δὲ τοῦτο οἱ θηρώμενοι, συμμιγνύντες εἰς τὸ αὐτὸ ὅτῳ ἂν ἕκαστον χαίρῃ περὶ τὰ ὕδατα καὶ πρὸς ὃ τι ἂν ἄλλο προσίῃ. [11.3] τὰ δὲ αὐτῶν καταβαίνοντα εἰς τὸ πεδίον τῆς νυκτὸς ἀποκλεισθέντα μετὰ ἵππων καὶ ὄπλων ἀλίσκεται, εἰς κίνδυνον καθιστάντα τοὺς αἰροῦντας. [11.4] ἔστι δὲ οἷς αὐτῶν καὶ

ὀρύγματα ποιοῦσι περιφερῇ μεγάλη βαθέα, ἐν μέσῳ λείποντες κίονα τῆς γῆς. ἐπὶ δὲ τοῦτον εἰς νύκτα ἐπέθεσαν δῆσαντες αἶγα, καὶ ἔφραζαν κύκλῳ τὸ ὄρυγμα ὕλῃ ὥστε μὴ προορᾶν, εἰσοδὸν οὐ λείποντες. τὰ δὲ ἀκούοντα τῆς φωνῆς ἐν τῇ νυκτὶ κύκλῳ τὸν φραγμὸν περιθέουσι, καὶ ἐπειδὰν μὴ εὐρίσκηι δίοδον, ὑπερπηδαὶ καὶ ἀλίσκεται.

[12.1] Περί μὲν αὐτῶν τῶν πράξεων τῶν ἐν τοῖς κυνηγεσίοις εἴρηται. ὠφελήσονται δ' οἱ ἐπιθυμήσαντες τούτου τοῦ ἔργου πολλά· ὑγίειάν τε γὰρ τοῖς σώμασι παρασκευάζει καὶ ὁρᾶν καὶ ἀκούειν μᾶλλον, γηράσκειν δὲ ἥττον, τὰ δὲ πρὸς τὸν πόλεμον μάλιστα παιδεύει. [12.2] πρῶτον μὲν γὰρ τὰ ὄπλα ὅταν ἔχοντες πορεύωνται ὁδοὺς χαλεπὰς, οὐκ ἀπεροῦσιν· ἀνέξονται γὰρ τοὺς πόνους διὰ τὸ εἰθίσθαι μετὰ τούτων αἰρεῖν τὰ θηρία. ἔπειτα εὐνάζεσθαι τε σκληρῶς δυνατοὶ ἔσονται καὶ φύλακες εἶναι ἀγαθοὶ τοῦ ἐπιταττομένου. [12.3] ἐν δὲ ταῖς προσόδοις ταῖς πρὸς τοὺς πολεμίους ἅμα οἷοί τε ἔσονται ἐπιέναι καὶ τὰ παραγγελλόμενα ποιεῖν διὰ τὸ οὕτω καὶ αὐτοὶ αἰρεῖν τὰς ἄγρας. τεταγμένοι δὲ ἐν τῷ πρόσθεν οὐ λείψουσι τὰς τάξεις διὰ τὸ καρτερεῖν δύνασθαι. [12.4] ἐν φυγῇ δὲ τῶν πολεμίων ὀρθῶς καὶ ἀσφαλῶς διώξονται τοὺς ἐναντίους ἐν παντὶ χωρίῳ διὰ συνήθειαν. δυστυχῆσαντος δὲ οἰκείου στρατοπέδου ἐν χωρίοις ὑλῶδεςσι καὶ ἀποκρήμνοις ἢ ἄλλως χαλεποῖς οἷοί τ' ἔσονται καὶ αὐτοὶ σώιζεσθαι μὴ αἰσchrῶς καὶ ἐτέρους σώιζειν· ἡ γὰρ συνήθεια τοῦ ἔργου παρέξει αὐτοῖς πλεον τι εἰδέναι. [12.5] καὶ ἤδη τινὲς τῶν τοιούτων πολλοῦ ὄχλου συμμάχων τρεφθέντος τῇ αὐτῶν εὐταξίᾳ καὶ θράσει διὰ δυσχωρίαν ἀμαρτόντας τοὺς πολεμίους νενικηκότας ἀναμαχόμενοι ἐτρέψαντο· ἀεὶ γὰρ ἔστι τοῖς τὰ σώματα καὶ τὰς ψυχὰς εὖ ἔχουσιν ἐγγὺς εἶναι τοῦ εὐτυχεῖν. [12.6] εἰδότες δὲ καὶ οἱ πρόγονοι ἡμῶν ὅτι ἐντεῦθεν ἠτύχουν πρὸς τοὺς πολεμίους, ἐπιμέλειαν τῶν νέων ἐποίησαντο· σπανίζοντες γὰρ καρπῶν τὸ ἐξ ἀρχῆς ἐνόμισαν ὅμως τοὺς κυνηγέτας μὴ κωλύειν διὰ μηδενὸς τῶν ἐπὶ τῇ γῇ φυομένων ἀγρεύειν· [12.7] πρὸς δὲ τούτῳ μὴ νυκτερεῦειν ἐντὸς πολλῶν σταδίων, ἵνα μὴ ἀφαιροῖντο τὰς θήρας αὐτῶν οἱ ἔχοντες ταύτην τὴν τέχνην. ἐώρων γὰρ ὅτι τῶν νεωτέρων ἡ ἡδονὴ μόνη αὕτη πλεῖστα ἀγαθὰ παρασκευάζει. σὺφρονάς τε γὰρ ποιεῖ καὶ δικαίους διὰ τὸ ἐν τῇ ἀληθείᾳ παιδεύεσθαι. [12.8] τὰ τε ἄλλα γὰρ καὶ τὰ τοῦ πολέμου διὰ τούτων εὐτυχοῦντες ἡσθάνοντο· καὶ τῶν ἄλλων εἴ τι βούλονται ἐπιτηδεύειν καλῶν οὐδενὸς ἀποστερεῖ ὥσπερ ἕτεραι κακαὶ ἡδοναί,

ἃς οὐ χρή μανθάνειν. ἐκ τῶν τοιούτων οὖν στρατιῶται τε ἀγαθοὶ καὶ στρατηγοὶ γίνονται. [12.9] ὧν γὰρ οἱ πόνοι τὰ μὲν αἰσχροὶ καὶ ὑβριστικά ἐκ τῆς ψυχῆς καὶ τοῦ σώματος ἀφαιροῦνται, ἐπιθυμίαν δ' ἀρετῆς ἐνηύξησαν, οὗτοι ἄριστοι· οὐ γὰρ ἂν περιίδοιεν οὔτε τὴν πόλιν τὴν ἑαυτῶν ἀδικουμένην οὔτε τὴν χώραν πάσχουσιν κακῶς.

[12.10] Λέγουσι δέ τινες ὥς οὐ χρή ἐρᾶν κυνηγεσίων, ἵνα μὴ τῶν οἰκείων ἀμελῶσιν, οὐκ εἰδότες ὅτι οἱ τὰς πόλεις καὶ τοὺς φίλους εὖ ποιοῦντες πάντες τῶν οἰκείων ἐπιμελέστεροί εἰσιν. [12.11] εἰ οὖν οἱ φιλοκυνηγέται παρασκευάζουσιν αὐτοὺς τῇ πατρίδι χρησίμους εἶναι εἰς τὰ μέγιστα, οὐδ' ἂν τὰ ἴδια ἀργοῖτο· σὺν γὰρ τῇ πόλει καὶ σώζεται καὶ ἀπόλλυται τὰ οἰκεῖα ἐκάστου. ὥστε πρὸς τοῖς αὐτῶν καὶ τὰ τῶν ἄλλων ιδιωτῶν οἱ τοιοῦτοι σώζουσι. [12.12] πολλοὶ δὲ ὑπὸ φθόνου ἀλόγιστοι τῶν ταῦτα λεγόντων αἰροῦνται διὰ τὴν αὐτῶν κακίαν ἀπολέσθαι μᾶλλον ἢ ἐτέρων ἀρετῇ σώζεσθαι· αἱ γὰρ ἡδοναὶ αἱ πολλαὶ καὶ κακαί· ὧν ἡττώμενοι ἢ λέγειν ἢ πράττειν ἐπαίρονται τὰ χεῖρω. [12.13] εἴτα ἐκ μὲν τῶν ματαίων λόγων ἔχθρας ἀναιροῦνται, ἐκ δὲ τῶν κακῶν ἔργων νόσους καὶ ζημίας καὶ θανάτους καὶ αὐτῶν καὶ παίδων καὶ φίλων, ἀναισθητῶς μὲν τῶν κακῶν ἔχοντες, τῶν δὲ ἡδονῶν πλέον τῶν ἄλλων αἰσθανόμενοι, οἷς τίς ἂν χρήσαιτο εἰς πόλεως σωτηρίαν; [12.14] τούτων μέντοι τῶν κακῶν οὐδεὶς ὅστις οὐκ ἀφέξεται ἐρασθεὶς ὧν ἐγὼ παραινῶ· παιδευσις γὰρ καλὴ διδάσκει χρῆσθαι νόμοις καὶ λέγειν περὶ τῶν δικαίων καὶ ἀκούειν. [12.15] οἱ μὲν οὖν παρασχόντες αὐτοὺς ἐπὶ τὸ ἀεὶ τι μοχθεῖν τε καὶ διδάσκεσθαι ἑαυτοῖς μὲν μαθήσεις καὶ μελέτας ἐπιπόνους ἔχουσι, σωτηρίαν δὲ ταῖς ἑαυτῶν πόλεσιν· οἱ δὲ μὴ θέλοντες διὰ τὸ ἐπίπονον διδάσκεσθαι, ἀλλὰ ἐν ἡδοναῖς ἀκαίροις διάγειν, φύσει οὗτοι κάκιστοι. [12.16] οὔτε γὰρ νόμοις οὔτε λόγοις ἀγαθοῖς πείθονται· οὐ γὰρ εὐρίσκουσι διὰ τὸ μὴ πονεῖν οἷον χρή τὸν ἀγαθὸν εἶναι· ὥστε οὔτε θεοσεβεῖς δύνανται εἶναι οὔτε σοφοί· τῷ δὲ ἀπαιδευτῷ χρώμενοι πολλὰ ἐπιτιμῶσι τοῖς πεπαιδευμένοις. [12.17] διὰ μὲν οὖν τούτων οὐδὲν ἂν καλῶς ἔχοι· διὰ δὲ τῶν πονούντων ἅπασαι αἱ ὠφέλειαί τοις ἀνθρώποις ἡϋρηνται· ἀμείνους οὖν οἱ θέλοντες πονεῖν. καὶ τοῦτο ἐπιδέδεικται μεγάλῳ παραδείγματι· [12.18] τῶν γὰρ παλαιότερων οἱ παρὰ Χεῖρωνι ὧν ἐπεμνήσθηεν νέοι ὄντες ἀρξάμενοι ἀπὸ τῶν κυνηγεσίων πολλὰ καὶ καλὰ ἔμαθον· ἐξ ὧν ἐγένετο αὐτοῖς μεγάλη ἀρετὴ, δι' ἣν καὶ νῦν θαυμάζονται· ἥς ὅτι μὲν ἐρῶσιν ἅπαντες εὐδηλον, ὅτι δὲ διὰ πόνων ἔστι τυχεῖν αὐτῆς, οἱ πολλοὶ ἀφίστανται. [12.19] τὸ μὲν γὰρ

κατεργάσασθαι αὐτὴν ἄδηλον, οἱ δὲ πόνοι οἱ ἐν αὐτῇ ἐνόντες φανεροί. ἴσως μὲν οὖν, εἰ ἦν τὸ σῶμα αὐτῆς δῆλον, ἦττον ἂν ἡμέλουν οἱ ἄνθρωποι ἀρετῆς, εἰδότες ὅτι ὥσπερ αὐτοῖς ἐκείνη ἐμφανής ἐστιν, οὕτω καὶ αὐτοὶ ὑπ' ἐκείνης ὀρῶνται. [12.20] ὅταν μὲν γάρ τις ὀράται ὑπὸ τοῦ ἐρωμένου, ἅπας ἑαυτοῦ ἐστὶ βελτίων καὶ οὔτε λέγει οὔτε ποιεῖ αἰσχρὰ οὐδὲ κακὰ, ἵνα μὴ ὀφθῇ ὑπ' ἐκείνου. [12.21] ὑπὸ δὲ τῆς ἀρετῆς οὐκ οἰόμενοι ἐπισκοπεῖσθαι πολλὰ κακὰ καὶ αἰσχρὰ ἐναντίον ποιοῦσιν, ὅτι αὐτοὶ ἐκείνην οὐχ ὀρῶσιν· ἡ δὲ πανταχοῦ πάρεστι διὰ τὸ εἶναι ἀθάνατος καὶ τιμᾷ τοὺς περὶ αὐτὴν ἀγαθοὺς, τοὺς δὲ κακοὺς ἀτιμάζει. εἰ οὖν εἰδῆεν τοῦτο, ὅτι θεᾶται αὐτούς, ἴεντο ἂν ἐπὶ τοὺς πόνους καὶ τὰς παιδεύσεις αἷς ἀλίσκεται μόλις, καὶ κατεργάζοντο ἂν αὐτήν.

[13.1] Θαυμάζω δὲ τῶν σοφιστῶν καλουμένων ὅτι φασὶ μὲν ἐπ' ἀρετὴν ἄγειν οἱ πολλοὶ τοὺς νέους, ἄγουσι δ' ἐπὶ τούναντόν· οὔτε γὰρ [ἂν] ἄνδρα που ἐωράκαμεν ὄντιν' οἱ νῦν σοφισταὶ ἀγαθὸν ἐποίησαν, οὔτε γράμματα παρέχονται ἐξ ὧν χρὴ ἀγαθοὺς γίγνεσθαι, [13.2] ἀλλὰ περὶ μὲν τῶν ματαίων πολλὰ αὐτοῖς γέγραπται, ἀφ' ὧν τοῖς νέοις αἱ μὲν ἡδοναὶ κεναί, ἀρετὴ δ' οὐκ ἔνι· διατρίβειν δ' ἄλλως παρέχει τοῖς ἐλπίσασί τι ἐξ αὐτῶν μαθήσεσθαι [μάτην] καὶ ἐτέρων κωλύει χρησίμων καὶ διδάσκει κακὰ. [13.3] μέφομαι οὖν αὐτοῖς τὰ μὲν μεγάλα μειζόνως· περὶ δὲ ὧν γράφουσιν, ὅτι τὰ μὲν ῥήματα αὐτοῖς ἐξήτληται, γινῶμαι δὲ ὀρθῶς ἔχουσαι, αἷς ἂν παιδεύοντο οἱ νεώτεροι ἐπ' ἀρετὴν, οὐδαμοῦ. [13.4] ἐγὼ δὲ ιδιώτης μὲν εἰμι, οἶδα δὲ ὅτι κράτιστον μὲν ἐστὶ παρὰ τῆς αὐτοῦ φύσεως τὸ ἀγαθὸν διδάσκεσθαι, δεύτερον δὲ παρὰ τῶν ἀληθῶς ἀγαθόν τι ἐπισταμένων μᾶλλον ἢ ὑπὸ τῶν ἐξαπατᾶν τέχνην ἐχόντων. [13.5] ἴσως οὖν τοῖς μὲν ὀνόμασιν οὐ σεσοφισμένως λέγω· οὐδὲ γὰρ ζητῶ τοῦτο· ὧν δὲ δέονται εἰς ἀρετὴν οἱ καλῶς πεπαιδευμένοι ὀρθῶς ἐγνωσμένα ζητῶ λέγειν· ὀνόματα μὲν γὰρ οὐκ ἂν παιδεύσειε, γινῶμαι δέ, εἰ καλῶς ἔχοιεν. [13.6] ψέγουσι δὲ καὶ ἄλλοι πολλοὶ τοὺς νῦν σοφιστὰς καὶ οὐ [τούς] φιλοσόφους, ὅτι ἐν τοῖς ὀνόμασι σοφίζονται, οὐκ ἐν τοῖς νοήμασιν. οὐ λανθάνει δέ με ὅτι <τὰ μὴ> καλῶς καὶ ἐξῆς γεγραμμένα φήσει τις ἴσως τῶν τοιούτων οὐ καλῶς οὐδ' ἐξῆς γεγράφθαι· ῥαίδιον γὰρ ἔσται αὐτοῖς <τὸ> ταχὺ μὴ ὀρθῶς μέμνησθαι· [13.7] καίτοι γέγραπται γε οὕτως, ἵνα ὀρθῶς ἔχη, καὶ μὴ σοφιστικούς ποιῇ ἀλλὰ σοφοὺς καὶ ἀγαθοὺς· οὐ γὰρ δοκεῖν αὐτὰ βούλομαι μᾶλλον ἢ εἶναι χρήσιμα, ἵνα ἀνεξέλεγκτα ᾗ εἰς ἀεὶ. [13.8] οἱ

σοφισταὶ δ' ἐπὶ τῷ ἐξαπατᾶν λέγουσι καὶ γράφουσιν ἐπὶ τῷ ἑαυτῶν κέρδει, καὶ οὐδένα οὐδὲν ὠφελοῦσιν· οὐδὲ γὰρ σοφὸς αὐτῶν ἐγένετο οὐδεὶς οὐδ' ἔστιν, ἀλλὰ καὶ ἀρκεῖ ἐκάστωι σοφιστὴν κληθῆναι, ὃ ἔστιν ὄνειδος παρά γε εὖ φρονοῦσι. [13.9] τὰ μὲν οὖν τῶν σοφιστῶν παραγγέλματα παραινῶ φυλάττεσθαι, τὰ δὲ τῶν φιλοσόφων ἐνθυμήματα μὴ ἀτιμάζειν· οἱ μὲν γὰρ σοφισταὶ πλουσίους καὶ νέους θηρῶνται, οἱ δὲ φιλόσοφοι πᾶσι κοινοὶ καὶ φίλοι· τύχας δὲ ἀνδρῶν οὔτε τιμῶσιν οὔτε ἀτιμάζουσι.

[13.10] Μὴ ζηλοῦν δὲ μηδὲ τοὺς ἐπὶ τὰς πλεονεξίας εἰκῆι ἰόντας, μήτ' ἐπὶ τὰς ἰδίας μήτ' ἐπὶ τὰς δημοσίας, ἐνθυμηθέντα ὅτι οἱ μὲν ἄριστοι αὐτῶν γινώσκονται μὲν ἐπὶ τὰ βελτίῳ ἐπίπονοι δέ εἰσιν, οἱ δὲ κακοὶ πάσχουσιν τε κακῶς καὶ γινώσκονται ἐπὶ τὰ χεῖρῳ. [13.11] τὰς τε γὰρ τῶν ἰδιωτῶν οὐσίας ἀφαιρούμενοι καὶ τὰ τῆς πόλεως εἰς τὰς κοινὰς σωτηρίας ἀνωφελέστεροί εἰσι τῶν ἰδιωτῶν, τὰ τε σώματα πρὸς τὸν πόλεμον κάκιστα καὶ αἰσχιστα ἔχουσι πονεῖν οὐ δυνάμενοι. οἱ δὲ κυνηγέται εἰς τὸ κοινὸν τοῖς πολίταις καὶ τὰ σώματα καὶ τὰ κτήματα καλῶς ἔχοντα παρέχουσιν. [13.12] ἔρχονται δὲ οἱ μὲν ἐπὶ τὰ θηρία, οἱ δ' ἐπὶ τοὺς φίλους. εἴθ' οἱ μὲν ἐπὶ τοὺς φίλους ἰόντες δύσκληϊαν ἔχουσι παρὰ πᾶσιν, οἱ δὲ κυνηγέται ἐπὶ τὰ θηρία ἰόντες εὐκληϊαν· ἐλόντες μὲν γὰρ πολέμια νικῶσι, μὴ ἐλόντες δὲ πρῶτον μὲν ὅτι πάσης τῆς πόλεως ἐχθροῖς ἐπιχειροῦσιν ἔπαινον ἔχουσιν, ἔπειτα ὅτι οὗτ' ἐπ' ἀνδρὸς βλάβηι οὔτε φιλοκερδεῖαι ἔρχονται. [13.13] ἔπειτα ἐξ αὐτοῦ τοῦ ἐπιχειρήματος βελτίους γίνονται πρὸς πολλὰ καὶ σοφώτεροι δι' οὗ διδάζομεν. ἐὰν γὰρ μὴ πόνοις καὶ ἐνθυμήμασι καὶ ἐπιμελείαις πολλαῖς ὑπερβάλλωνται, οὐκ ἂν ἔλοιεν ἄγρας. [13.14] τὰ γὰρ ἀντίπαλα αὐτῶν ὑπὲρ τῆς ψυχῆς ἀγωνιζόμενα καὶ ἐν τῇ αὐτῶν οἰκῇ ἐν ἰσχύι πολλῇ ἔστιν· ὥστε τῷ κυνηγέτῃ μάτην οἱ πόνοι γίνονται, ἐὰν μὴ μείζονι φιλοπονίᾳ καὶ πολλῇ συνέσει κρατήσῃ αὐτῶν. [13.15] οἱ μὲν οὖν κατὰ πόλιν βουλόμενοι πλεονεκτεῖν μελετῶσι νικᾶν φίλους, οἱ δὲ κυνηγέται κοινούς ἐχθρούς· καὶ τοὺς μὲν ἢ μελέτη αὕτη ποιεῖ πρὸς τοὺς ἄλλους πολεμίους ἀμείνους, τοὺς δὲ πολὺ χείρους· καὶ τοῖς μὲν ἢ ἄγρα μετὰ σωφροσύνης, τοῖς δὲ μετὰ αἰσχροῦ θράσους. [13.16] κακοθηρίας δὲ καὶ αἰσχροκερδεῖας οἱ μὲν δύνανται καταφρονεῖν, οἱ δ' οὐ δύνανται· φωνὴν δὲ οἱ μὲν εὐεπῇ ἰᾶσιν, οἱ δ' αἰσχροάν· πρὸς δὲ τὰ θεῖα τοῖς μὲν οὐδὲν ἐμποδὼν ἀσεβεῖν, οἱ δ' εὐσεβέστατοι. [13.17] λόγοι γὰρ παλαιοὶ

κατέχουσιν ὥς καὶ θεοὶ τούτῳ τῷ ἔργῳ χαίρουσι καὶ πράττοντες καὶ ὀρῶντες· ὥστε ὑπάρχειν ἐνθυμουμένους τούτων θεοφιλεῖς τ' εἶναι καὶ εὐσεβεῖς τοὺς νέους τοὺς ποιοῦντας ἃ ἐγὼ παραινῶ, οἰομένους ὑπὸ θεῶν τοῦ ὀρᾶσθαι ταῦτα. οὗτοι δ' ἂν εἶεν καὶ τοκεῦσιν ἀγαθοὶ καὶ πάσῃ τῇ ἐαυτῶν πόλει καὶ ἐνὶ ἐκάστῳ τῶν φίλων καὶ πολιτῶν. [13.18] οὐ μόνον δὲ ὅσοι ἄνδρες κυνηγεσίῳ ἠράσθησαν ἐγένοντο ἀγαθοί, ἀλλὰ καὶ αἱ γυναῖκες αἷς ἔδωκεν ἡ θεὸς ταῦτα [Ἄρτεμις], Ἀταλάντη καὶ Πρόκρις καὶ ἥτις ἄλλη.

Κεφάλαιον α΄

[1] Ἐγὼ μὲν τοῦτο ἀεὶ ποτε νομίζω, ὅποιοί τινες ἂν οἱ προστάται ᾧσι, τοιαύτας καὶ τὰς πολιτείας γίνεσθαι. ἐπεὶ δὲ τῶν Ἀθήνησι προεστηκότων ἔλεγόν τινες, ὡς γινώσκουσι μὲν τὸ δίκαιον οὐδενὸς ἦσσαν τῶν ἄλλων ἀνθρώπων, διὰ δὲ τὴν τοῦ πλήθους πενίαν ἀναγκάζεσθαι ἔφασαν ἀδικώτεροι εἶναι περὶ τὰς πόλεις, ἐκ τούτου ἐπεχείρησα σκοπεῖν, εἴ πῃ δύναιτ' ἂν οἱ πολῖται διατρέφεσθαι ἐκ τῆς ἑαυτῶν, ὅθενπερ καὶ δικαιοτάτον, νομίζων, εἰ τοῦτο γένοιτο, ἅμα τῇ τε πενίᾳ αὐτῶν ἐπικεκουρηῆσθαι ἂν καὶ τῷ ὑπόπτους τοῖς Ἑλλήσιν εἶναι.

[2] Σκοποῦντι δὴ μοι ἃ ἐπενόησα τοῦτο μὲν εὐθὺς ἀνεφαίνετο, ὅτι ἡ χώρα πέφυκεν οἷα πλείστας προσόδους παρέχεσθαι. ὅπως δὲ γνωσθῇ, ὅτι ἀληθὲς τοῦτο πρῶτον λέγω, διηγήσομαι τὴν φύσιν τῆς Ἀττικῆς. [3] οὐκοῦν τὸ μὲν τὰς ὥρας ἐνθάδε πραοτάτας εἶναι καὶ αὐτὰ τὰ γινόμενα μαρτυρεῖ· ἃ γοῦν πολλαχοῦ οὐδὲ βλαστάνειν δύναιτ' ἂν, ἐνθάδε καρποφορεῖ. ὥσπερ δὲ ἡ γῆ, οὕτω καὶ ἡ περὶ τὴν χώραν θάλαττα παμφορωτάτη ἐστί. καὶ μὴν ὅσαπερ οἱ θεοὶ ἐν ταῖς ὥραις ἀγαθὰ παρέχουσι, καὶ ταῦτα πάντα ἐνταῦθα πρωιαίτατα μὲν ἄρχεται, ὀψιαίτατα δὲ λήγει. [4] οὐ μόνον δὲ κρατεῖ τοῖς ἐπ' ἐνιαυτὸν θάλλουσί τε καὶ γηράσκουσιν, ἀλλὰ καὶ αἰδία ἀγαθὰ ἔχει ἡ χώρα. πέφυκε μὲν γὰρ λίθος ἐν αὐτῇ ἄφθονος, ἐξ οὗ κάλλιστοι μὲν ναοί, κάλλιστοι δὲ βωμοὶ γίνονται, εὐπρεπέστατα δὲ θεοῖς ἀγάλματα· πολλοὶ δ' αὐτοῦ καὶ Ἑλλήνες καὶ βάρβαροι προσδέονται. [5] ἔστι δὲ καὶ γῆ, ἡ σπειρομένη μὲν οὐ φέρει καρπὸν, ὀρυσσομένη δὲ πολλαπλασίους τρέφει ἢ εἰ σῖτον ἔφερε. καὶ μὴν ὑπάργυρός ἐστι σαφῶς θεῖαι μοίραι· πολλῶν γοῦν πόλεων παροικουσῶν καὶ κατὰ γῆν καὶ κατὰ θάλατταν εἰς οὐδεμίαν τούτων οὐδὲ μικρὰ φλὲψ ἀργυρίτιδος διήκει. [6] οὐκ ἂν ἀλόγως δέ τις οἰηθείη τῆς Ἑλλάδος καὶ πάσης δὲ τῆς οἰκουμένης ἀμφὶ τὰ μέσα οἰκεῖσθαι τὴν πόλιν· ὅσῳ γὰρ ἂν τινες πλεῖον ἀπέχωσιν αὐτῆς, τοσούτῳ χαλεπωτέροις ἢ ψύχεσιν ἢ θάλπεσιν ἐντυγχάνουσιν· ὅπόσοι τ' ἂν αὖ βουλευθῶσιν ἀπ' ἐσχάτων τῆς Ἑλλάδος ἐπ' ἔσχατα ἀφικέσθαι, πάντες οὗτοι ὥσπερ κύκλου τὸρνον τὰς Ἀθήνας ἢ παραπλεύουσιν ἢ παρέρχονται. [7] καὶ μὴν οὐ περίρρυτός γε οὕσα ὅμως ὥσπερ νῆσος πᾶσιν ἀνέμοις προσάγεται τε

ὧν δεῖται καὶ ἀποπέμπεται ἃ βούλεται· ἀμφιθάλασσος γάρ ἐστι. καὶ κατὰ γῆν δὲ πολλὰ δέχεται ἐμπόρια· ἥπειρος γάρ ἐστιν. [8] ἔτι δὲ ταῖς μὲν πλείσταις πόλεσι βάρβαροι προσοικοῦντες πράγματα παρέχουσιν· Ἀθηναίοις δὲ γειτονεῦουσιν, αἱ καὶ αὐταὶ πλείστον ἀπέχουσι τῶν βαρβάρων.

Κεφάλαιον β'

[1] Τούτων μὲν οὖν ἀπάντων, ὥσπερ εἶπον, νομίζω αὐτὴν τὴν χώραν αἰτίαν εἶναι. εἰ δὲ πρὸς τοῖς αὐτοφυέσιν ἀγαθοῖς πρῶτον μὲν τῶν μετοίκων ἐπιμέλεια γένοιτο· αὕτη γὰρ ἡ πρόσδοδος τῶν καλλίστων ἔμοιγε δοκεῖ εἶναι, ἐπεὶ αὐτοὺς τρέφοντες καὶ πολλὰ ὠφελοῦντες τὴν πόλιν οὐ λαμβάνουσι μισθόν, ἀλλὰ μετοίκιον προσφέρουσιν· [2] ἐπιμέλειά γε μὴν ἥδ' ἂν ἀρκεῖν μοι δοκεῖ, εἰ ἀφέλοιμεν μὲν ὅσα μὴδὲν ὠφελοῦντα τὴν πόλιν ἀτιμίας δοκεῖ τοῖς μετοίκους παρέχειν, ἀφέλοιμεν δὲ καὶ τὸ συστρατεύεσθαι ὀπλίτας μετοίκους τοῖς ἀστοῖς. μέγας μὲν γὰρ ὁ κίνδυνος ἀπὼν, μέγα δὲ καὶ τὸ ἀπὸ τῶν τεχνῶν καὶ τῶν οἰκιῶν ἀπιέναι. [3] ἀλλὰ μὴν καὶ ἡ πόλις γ' ἂν ὠφελθῇ, εἰ οἱ πολῖται μετ' ἀλλήλων στρατεύοιντο μᾶλλον ἢ εἰ συντάττοντο αὐτοῖς, ὥσπερ νῦν, Λυδοὶ καὶ Φρύγες καὶ Σύροι καὶ ἄλλοι παντοδαποὶ βάρβαροι· πολλοὶ γὰρ τοιοῦτοι τῶν μετοίκων. [4] πρὸς δὲ τῷ ἀγαθῷ τῷ τούτους [ἐκ] τοῦ συντάττεσθαι ἀφεθῆναι καὶ κόσμος ἂν τῇ πόλει εἴη, εἰ δοκοῖεν Ἀθηναῖοι εἰς τὰς μάχας αὐτοῖς μᾶλλον πιστεύειν ἢ ἄλλοδαποῖς. [5] καὶ μεταδιδόντες δ' ἂν μοι δοκοῦμεν τοῖς μετοίκους τῶν <τ'> ἄλλων ὧν καλὸν μεταδιδόναι καὶ τοῦ ἵππικου εὐνουστέρους ἂν ποιῆσθαι καὶ ἅμα ἰσχυροτέραν ἂν καὶ μείζω τὴν πόλιν ἀποδεικνύναι. [6] εἴτα ἐπειδὴ καὶ πολλὰ οἰκιῶν ἔρημά ἐστιν ἐντὸς τῶν τειχῶν, καὶ οἰκόπεδα εἰ ἡ πόλις διδοίη οἰκοδομησομένοις ἐγκεκτῆσθαι, οἳ ἂν αἰτούμενοι ἄξιοι δοκῶσιν εἶναι, πολὺ ἂν οἶομαι καὶ διὰ ταῦτα πλείους τε καὶ βελτίους ὀρέγεσθαι τῆς Ἀθήνησιν οἰκίσεως. [7] καὶ εἰ μετοικοφύλακας γε ὥσπερ ὀρφανοφύλακας ἀρχὴν καθισταῖμεν, καὶ τούτοις τιμὴ τις ἐπεὶ οἵτινες πλείστους μετοίκους ἀποδείξειαν, καὶ τοῦτο εὐνουστέρους ἂν τοὺς μετοίκους ποιῶι, καὶ ὥς τὸ εἰκὸς πάντες ἂν οἱ ἀπόλιδες τῆς Ἀθήνησι μετοικίας ὀρέγοιντο καὶ τὰς προσόδους ἂν αὔξοιεν.

Κεφάλαιον γ'

[1] Ὡς γε μὴν καὶ ἐμπορεύεσθαι ἡδίστη τε καὶ κερδαλεωτάτη ἡ

πόλις, νῦν ταῦτα λέξω. πρῶτον μὲν γὰρ δήπου ναυσὶ καλλίστας καὶ ἀσφαλεστάτας ὑποδοχὰς ἔχει, ὅπου γ' ἔστιν εἰσορμισθέντας ἀδεῶς ἔνεκα χειμῶνος ἀναπαύεσθαι. [2] ἀλλὰ μὴν καὶ τοῖς ἐμπόροις ἐν μὲν ταῖς πλείσταις τῶν πόλεων ἀντιφορτίζεσθαι τι ἀνάγκη· νομίμασι γὰρ οὐ χρησίμοις ἔξω χρῶνται· ἐν δὲ ταῖς Ἀθήναις πλεῖστα μὲν ἔστιν ἀντεξάγειν, ὧν ἂν δέωνται ἄνθρωποι· ἣν δὲ μὴ βούλονται ἀντιφορτίζεσθαι, καὶ [οἱ] ἀργύριον ἐξάγοντες καλὴν ἐμπορίαν ἐξάγουσιν· ὅπου γὰρ ἂν πωλῶσιν αὐτό, πανταχοῦ πλεῖον τοῦ ἀρχαίου λαμβάνουσιν. [3] εἰ δὲ καὶ τῇ τοῦ ἐμπορίου ἀρχῇ ἄθλα προτιθεῖται τις, ὅστις δικαιοτάτα καὶ τάχιστα διαιροίη τὰ ἀμφίλογα, ὥς μὴ ἀποκωλύεσθαι ἀποπλεῖν τὸν βουλόμενον, πολὺ ἂν καὶ διὰ ταῦτα πλείους τε καὶ ἥδιον ἐμπορεύονται. [4] ἀγαθὸν δὲ καὶ καλὸν καὶ προεδρίαίς τιμᾶσθαι ἐμπόρους καὶ ναυκλήρους, καὶ ἐπὶ ξενίᾳ γ' ἔστιν ὅτε καλεῖσθαι, οἳ ἂν δοκῶσιν ἀξιολόγοις καὶ πλοίοις καὶ ἐμπορεύμασιν ὠφελεῖν τὴν πόλιν. ταῦτα γὰρ τιμώμενοι οὐ μόνον τοῦ κέρδους, ἀλλὰ καὶ τῆς τιμῆς ἔνεκεν ὥς πρὸς φίλους ἐπισπεύδοιεν ἄν. [5] ὅσῳ γε μὴν πλείονες εἰσοικίζονται τε καὶ ἀφικνοῖντο, δηλὸν ὅτι τοσοῦτοι ἂν πλεῖον καὶ εἰσάγοιτο καὶ ἐξάγοιτο καὶ ἐμπολῶιτο καὶ πωλοῖτο καὶ μισθοφοροῖτο καὶ τελεσφοροῖτο.

[6] Εἰς μὲν οὖν τὰς τοιαύτας αὐξήσεις τῶν προσόδων οὐδὲ προδαπανῆσαι δεῖ οὐδὲν ἄλλ' ἢ ψηφίσματά τε φιλάνθρωπα καὶ ἐπιμελείας. ὅσαι δ' ἂν ἄλλαι δοκοῦσί μοι πρόσοδοι γίνεσθαι, γινώσκω ὅτι ἀφορμῆς δεήσει εἰς αὐτάς. [7] οὐ μέντοι δύσελπίς εἰμι τὸ μὴ οὐχὶ προθύμως ἂν τοὺς πολίτας εἰς τὰ τοιαῦτα εἰσφέρειν, ἐνθυμούμενος ὥς πολλὰ μὲν εἰσήνεγκεν ἡ πόλις, ὅτε Ἀρκάσιν ἐβοήθει ἐπὶ Λυσιστράτου ἡγουμένου, πολλὰ δὲ ἐπὶ Ἑγησίλεω· [8] ἐπίσταμαι δὲ καὶ τριήρεις πολλάκις ἐκπεμπομένας σὺν πολλῇ δαπάνῃ, καὶ ταῦτα γενόμενα, τούτου μὲν ἀδήλου ὄντος εἴτε βέλτιον εἴτε κάκιον ἔσται, ἐκείνου δὲ δήλου ὅτι οὐδέποτε ἀπολήψονται ἢ ἂν εἰσενέγκωσιν οὐδὲ μεθέξουσιν ὧν ἂν εἰσενέγκωσι. [9] κτῆσιν δὲ ἀπ' οὐδενὸς ἂν οὕτω καλὴν κτήσαιντο ὥσπερ ἀφ' οὗ ἂν προτελέσωσιν εἰς τὴν ἀφορμὴν· ὧι μὲν γὰρ ἂν δέκα μναῖ εἰσφορὰ γένηται, ὥσπερ ναυτικόν σχεδὸν ἐπίπεμπτον αὐτῷ γίγνεται, τριώβολον τῆς ἡμέρας λαμβάνοντι· ὧι δὲ γ' ἂν πέντε μναῖ, πλεῖον ἢ ἐπίτριτον. [10] οἱ δὲ γε πλεῖστοι Ἀθηναίων πλείονα λήψονται κατ' ἐνιαυτὸν ἢ ὅσα ἂν εἰσενέγκωσιν. οἱ γὰρ μναῖν προτελέσαντες ἐγγὺς δυοῖν μναῖν πρόσοδον ἔξουσιν, καὶ ταῦτα ἐν πόλει, ὃ δοκεῖ τῶν ἀνθρωπίνων

ἀσφαλέστατόν τε καὶ πολυχρονιώτατον εἶναι. [11] οἶμαι δὲ ἔγωγε, εἰ μέλλοιεν ἀναγραφῆσεσθαι εὐεργέται εἰς τὸν ἅπαντα χρόνον, καὶ ξένους ἂν πολλοὺς εἰσενεγκεῖν, ἔστι δ' ἄς ἂν καὶ πόλεις τῆς ἀναγραφῆς ὀρεγομένας. ἐλπίζω δὲ καὶ βασιλέας ἂν τινὰς καὶ τυράννους καὶ σατράπας ἐπιθυμῆσαι μετασχεῖν ταύτης τῆς χάριτος.

[12] Ὅποτε γε μὴν ἀφορμὴ ὑπάρχοι, καλὸν μὲν καὶ ἀγαθὸν ναυκλήροις οἰκοδομεῖν καταγῶγια περὶ λιμένας πρὸς τοῖς ὑπάρχουσι, καλὸν δὲ καὶ ἐμπόροις ἐπὶ προσήκοντας τόπους ὦνῃ τε καὶ πράσει, καὶ τοῖς εἰσαφικνουμένοις δὲ δημόσια καταγῶγια. [13] εἰ δὲ καὶ τοῖς ἀγοραίοις οἰκῆσεις τε καὶ πωλητήρια κατασκευασθεῖη καὶ ἐν Πειραιεὶ καὶ ἐν τῷ ἄστει, ἅμα τ' ἂν κόσμος εἴῃ τῇ πόλει καὶ πολλὰ ἂν ἀπὸ τούτων πρόσοδοι γίνοιτο. [14] ἀγαθὸν δέ μοι δοκεῖ εἶναι πειραθῆναι, εἰ καί, ὥσπερ τριῆρεις δημοσίας ἡ πόλις κέκτηται, οὕτω καὶ ὀκτάδας δημοσίας δυνατόν ἂν γένοιτο κτήσασθαι καὶ ταύτας ἐκμισθοῦν ἐπ' ἐγγυητῶν, ὥσπερ καὶ τᾶλλα δημόσια. εἰ γὰρ καὶ τοῦτο οἶόν τε ὄν φανείη, πολλὴ ἂν καὶ ἀπὸ τούτων πρόσοδος γίνοιτο.

Κεφάλαιον δ'

[1] Τά γε μὴν ἀργύρεια εἰ κατασκευασθεῖη ὥς δεῖ, πάμπολλα ἂν νομίζω χρήματα ἐξ αὐτῶν καὶ ἄνευ τῶν ἄλλων προσόδων προσιέναι. βούλομαι δὲ καὶ τοῖς μὴ εἰδόσι τὴν τούτων δύναμιν δηλῶσαι· ταύτην γὰρ γνόντες καὶ ὅπως χρῆσθαι δεῖ αὐτοῖς ἄμεινον ἂν βουλεύοισθε. [2] οὐκοῦν ὅτι μὲν πάνυ πάλαι ἐνεργά ἐστι πᾶσι σαφές· οὐδεὶς γοῦν οὐδὲ πειρᾶται λέγειν ἀπὸ ποίου χρόνου ἐπεχειρήθη. οὕτω δὲ πάλαι ὀρυσσομένης τε καὶ ἐκφορουμένης τῆς ἀργυρίτιδος κατανοήσατε τί μέρος οἱ ἐκβεβλημένοι σωροὶ τῶν αὐτοφυῶν τε καὶ ὑπαργύρων λόφων. [3] οὐδὲ μὴν ὁ ἀργυρώδης τόπος εἰς μεῖον τι συστελλόμενος ἀλλ' αἰεὶ ἐπὶ πλεῖον ἐκτεινόμενος φανερός ἐστιν. ἐν ᾧ γε μὴν χρόνῳ οἱ πλεῖστοι ἄνθρωποι ἐγένοντο ἐν αὐτοῖς, οὐδεὶς πώποτε ἔργον ἠπόρησεν, ἀλλ' αἰεὶ τὰ ἔργα τῶν ἐργαζομένων περιῆν. [4] καὶ νῦν δὲ οἱ κεκτημένοι ἐν τοῖς μετὰλλοις ἀνδράποδα οὐδεὶς τοῦ πλήθους ἀφαιρεῖ, ἀλλ' αἰεὶ προσκτᾶται ὅποσα ἂν πλεῖστα δύνηται. καὶ γὰρ δὴ ὅταν μὲν ὀλίγοι ὀρύττωσι καὶ ζητῶσιν, ὀλίγα οἶμαι καὶ τὰ χρήματα εὐρίσκεται· ὅταν δὲ πολλοί, πολλαπλασία ἡ ἀργυρίτις ἀναφαίνεται. [5] ὥστε ἐν μόνῳ τούτῳ ὧν ἐγὼ οἶδα ἔργων οὐδὲ φθονεῖ οὐδεὶς τοῖς ἐπικατασκευαζομένοις. ἔτι δὲ οἱ μὲν ἀγροὺς κεκτημένοι πάντες ἔχοιεν ἂν εἰπεῖν ὅποσα ζεύγη ἀρκεῖ εἰς τὸ χωρίον καὶ ὅποσοι

ἐργάται· ἦν δ' ἐπὶ πλεῖον τῶν ἱκανῶν ἐμβάλλῃ τις, ζημίαν λογίζονται· ἐν δὲ τοῖς ἀργυρείοις ἔργοις πάντας ἀεὶ φασιν ἐνδεῖσθαι ἐργατῶν. [6] καὶ γὰρ οὐδ' ὥσπερ ὅταν πολλοὶ χαλκοτύποι γένωνται, ἀξίων γενομένων τῶν χαλκευτικῶν ἔργων καταλύονται οἱ χαλκοτύποι, καὶ οἱ σιδηρεῖς γε ὡσαύτως· καὶ ὅταν γε πολὺς σῖτος καὶ οἶνος γένηται, ἀξίων ὄντων τῶν καρπῶν ἀλυσιτελεῖς αἱ γεωργίαι γίνονται, ὥστε πολλοί, ἀφιέμενοι τοῦ τὴν γῆν ἐργάζεσθαι, ἐπ' ἐμπορίας καὶ καπηλείας καὶ τοκισμοὺς τρέπονται· ἀργυρίτις δὲ ὅσῳ ἂν πλείων φαίνεται καὶ ἀργύριον πλεῖον γίγνηται, τοσοῦτωι πλείονες ἐπὶ τὸ ἔργον τοῦτο ἔρχονται. [7] καὶ γὰρ δὴ ἐπιπλά μὲν, ἐπειδὰν ἱκανὰ τις κτήσῃται τῇ οἰκίᾳ, οὐ μάλα ἔτι προσωνοῦνται· ἀργύριον δὲ οὐδεὶς πω οὕτω πολὺ ἐκτήσατο, ὥστε μὴ ἔτι προσδεῖσθαι· ἀλλ' ἦν τισι γένηται παμπληθές, τὸ περιττεῦον κατορύττοντες οὐδὲν ἤττον ἡδονται ἢ χρώμενοι αὐτῷ. [8] καὶ μὴν ὅταν γε εὖ πράττωσιν αἱ πόλεις, ἰσχυρῶς οἱ ἄνθρωποι ἀργυρίου δέονται. οἱ μὲν γὰρ ἄνδρες ἀμφὶ ὄπλα τε καλὰ καὶ ἵππους ἀγαθοὺς [τε] καὶ οἰκίας καὶ κατασκευὰς μεγαλοπρεπεῖς βούλονται δαπανᾶν, αἱ δὲ γυναῖκες εἰς ἐσθῆτα πολυτελῆ καὶ χρυσοῦν κόσμον τρέπονται. [9] ὅταν τε αὖ νοσήσωσιν πόλεις ἢ ἀφορίαις καρπῶν ἢ πολέμῳ, ἔτι καὶ πολὺ μᾶλλον ἀργοῦ τῆς γῆς γιγνομένης καὶ εἰς ἐπιτήδεια καὶ εἰς ἐπικούρους νομίσματος δέονται. [10] εἰ δέ τις φήσῃ καὶ χρυσίον μὴδὲν ἦσσαν χρήσιμον εἶναι ἢ ἀργύριον, τοῦτο μὲν οὐκ ἀντιλέγω, ἐκεῖνο μέντοι οἶδα, ὅτι καὶ χρυσίον, ὅταν πολὺ παραφανῇ, αὐτὸ μὲν ἀτιμότερον γίγνεται, τὸ δὲ ἀργύριον τιμιώτερον ποιεῖ. [11] ταῦτα μὲν οὖν ἐδήλωσα τούτου ἕνεκα, ὅπως θαρσοῦντες μὲν ὅτι πλείστους ἀνθρώπους ἐπὶ τὰ ἀργύρεια ἄγωμεν, θαρσοῦντες δὲ κατασκευαζόμεθα ἐν αὐτοῖς, ὡς οὔτε ἐπιλειπούσης ποτὲ ἀργυρίτιδος οὔτε τοῦ ἀργυρίου ἀτίμου ποτὲ ἐσομένου. [12] δοκεῖ δέ μοι καὶ ἡ πόλις προτέρα ἐμοῦ ταῦτ' ἐγνωκέναι· παρέχει γοῦν ἐπὶ ἰσοτελείᾳ καὶ τῶν ξένων τῷ βουλομένῳ ἐργάζεσθαι ἐν τοῖς μετάλλοις.

[13] Ἵνα δὲ καὶ σαφέστερον περὶ τῆς τροφῆς εἴπω, νῦν διηγῆσομαι, ὡς κατασκευασθέντα τὰ ἀργύρεια ὠφελιμώτατ' ἂν εἴη τῇ πόλει. αὐτὸς μὲν οὖν ἔγωγε ἀφ' ὧν μέλλω λέγειν οὐδὲν τι ἀξιώθαι θυμαῖζεσθαι ὡς δυσεύρετόν τι ἐξηρηκώς· τὰ μὲν γὰρ ὧν λέξω καὶ νῦν ἔτι πάντες ὀρώμεν, τὰ δὲ παροιχόμενα πάντων κατὰ ταῦτ' αὖ ἀκούομεν. [14] τῆς μέντοι πόλεως πάνυ ἄξιον θαυμάσαι τὸ αἰσθανομένην πολλοὺς πλουτιζομένους ἐξ αὐτῆς ιδιώτας μὴ

μιμῆσθαι τούτους. πάλαι μὲν γὰρ δήπου οἷς μεμέληκεν ἀκηκόαμεν ὅτι Νικίας ποτὲ ὁ Νικηράτου ἐκτήσατο ἐν τοῖς ἀργυρείοις χιλίους ἀνθρώπους, οὓς ἐκεῖνος Σωσίαι τῷ Θραικί ἐξेमίσθωσεν, ἐφ' ᾧ ὀβολὸν μὲν ἀτελῇ ἐκάστου τῆς ἡμέρας ἀποδίδοναι, τὸν δ' ἀριθμὸν ἴσους ἀεὶ παρέχειν. [15] ἐγένετο δὲ καὶ Ἰππονίκῳ ἐξακόσια ἀνδράποδα κατὰ τὸν αὐτὸν τρόπον τοῦτον ἐκδεδομένα, ἃ προσέφερε μὲν ἀτελῇ τῆς ἡμέρας, Φιλημονίδῃ δὲ τριακόσια <ἃ> ἡμιμναῖον· ἄλλοις δέ γε ὥς οἶομαι δύναμις ἐκάστοις ὑπῆρχεν. [16] ἀτὰρ τί τὰ παλαιὰ δεῖ λέγειν; καὶ γὰρ νῦν πολλοὶ εἰσιν ἐν τοῖς ἀργυρείοις ἄνθρωποι οὕτως ἐκδεδομένοι. [17] περαινομένων γε μὴν ὧν λέγω τοῦτ' ἂν μόνον καινὸν γένοιτο, εἰ, ὥσπερ οἱ ἰδιῶται κτησάμενοι ἀνδράποδα πρόσοδον ἀέναον κατεσκευασμένοι εἰσίν, οὕτω καὶ ἡ πόλις κτῶιτο δημόσια ἀνδράποδα, ἕως γίγνοιτο τρία ἐκάστῳ Ἀθηναίῳ. [18] εἰ δὲ δυνατὰ λέγομεν, καθ' ἑν ἕκαστον αὐτῶν σκοπῶν ὁ βουλόμενος κρινέτω. οὐκοῦν τιμὴν μὲν ἀνθρώπων εὐδῆλον ὅτι μᾶλλον ἂν τὸ δημόσιον δύναιτο ἢ οἱ ἰδιῶται παρασκευάσασθαι. τῇ γε μὴν βουλῇ ράϊδιον καὶ κηρύξαι ἅγειν τὸν βουλόμενον ἀνδράποδα καὶ τὰ προσαχθέντα πρίασθαι. [19] ἐπειδὰν δὲ ὠνηθῇ, τί ἂν ἤττον μισθοῖτό τις παρὰ τοῦ δημοσίου ἢ παρὰ τῶν ἰδιωτῶν, ἐπὶ τοῖς αὐτοῖς μέλλων ἔξειν; μισθοῦνται γοῦν καὶ τεμένη καὶ ἱερὰ καὶ οἰκίας, καὶ τέλη ὠνοῦνται παρὰ τῆς πόλεως. [20] ὅπως γε μὴν τὰ ὠνηθέντα σώιζηται, τῷ δημοσίῳ ἔστι λαμβάνειν ἐγγύους παρὰ τῶν μισθουμένων, ὥσπερ καὶ παρὰ τῶν ὠνουμένων τὰ τέλη. ἀλλὰ μὴν καὶ ἀδικῆσαί γε ῥαῖον τῷ τέλος πριαμένῳ ἢ τῷ ἀνδράποδῳ μισθουμένῳ. [21] ἀργύριον μὲν γὰρ πῶς καὶ φωράσειεν ἂν τις τὸ δημόσιον ἐξαγόμενον, ὁμοίου τοῦ ἰδίου ὄντος αὐτῷ; ἀνδράποδα δὲ σεσημασμένα τῷ δημοσίῳ σημάτων τε καὶ προκειμένης ζημίας τῷ τε πωλοῦντι καὶ τῷ ἐξάγοντι, πῶς ἂν τις ταῦτα κλέψειεν; οὐκοῦν μέχρι μὲν τούτου δυνατὸν φανείη ἂν τῇ πόλει εἶναι τὸ ἀνθρώπους καὶ κτήσασθαι καὶ φυλάττειν. [22] εἰ δ' αὖ τις τοῦτ' ἐνθυμεῖται, πῶς, ἐπειδὰν πολλοὶ ἐργάται γένωνται, πολλοὶ φανοῦνται καὶ οἱ μισθωσόμενοι, ἐκεῖνο κατανοήσας θαρρεῖτω, ὅτι πολλοὶ μὲν τῶν κατεσκευασμένων προσμισθώσονται τοὺς δημοσίους (πολλὰ γάρ ἐστι τὰ ὑπάρχοντα), πολλοὶ δ' εἰσὶ καὶ αὐτῶν τῶν ἐν τοῖς ἔργοις γηρασκόντων, πολλοὶ δὲ καὶ ἄλλοι καὶ Ἀθηναῖοι τε καὶ ξένοι, οἱ τῷ σώματι μὲν οὔτε βούλονται ἂν οὔτε δύναιεντ' ἂν ἐργάζεσθαι, τῇ δὲ γνώμῃ ἐπιμελούμενοι ἡδέως ἂν τὰ ἐπιτήδεια πορίζοντο. [23] ἦν γε

μέντοι τὸ πρῶτον συστήῃ διακόσια καὶ χίλια ἀνδράποδα, εἰκὸς ἤδη ἀπ' αὐτῆς τῆς προσόδου ἐν ἔτεσι πέντε ἢ ἕξ μὴ μείον ἂν τῶν ἑξακισχιλίων γενέσθαι. ἀπὸ γε μὴν τούτου τοῦ ἀριθμοῦ ἦν ὀβολὸν ἕκαστος ἀτελῇ τῆς ἡμέρας προσφέρει, ἢ μὲν πρόσδοδος ἐξήκοντα τάλαντα τοῦ ἐνιαυτοῦ. [24] ἀπὸ δὲ τούτων ἦν εἰς ἄλλα ἀνδράποδα τιθῆται εἴκοσι, τοῖς τετταράκοντα ἤδη ἐξέσται τῇ πόλει χρῆσθαι εἰς ἄλλ' ὅ τι ἂν δέη. ὅταν δέ γε μύρια ἀναπληρωθῇ, ἑκατὸν τάλαντα ἢ πρόσδοδος ἔσται. [25] ὅτι δὲ δέζεται «τὰ ἀργύρεια» πολλαπλάσια τούτων, μαρτυρήσαιεν ἂν μοι εἴ τινες ἔτι εἰσὶ τῶν μεμνημένων, ὅσον τὸ τέλος εὑρίσκει τῶν ἀνδραπόδων πρὸ τῶν ἐν Δεκελείαι. μαρτυρεῖ δὲ καὶ ἐκεῖνο, ὅτι εἰργασμένων ἀνθρώπων ἐν τοῖς ἀργυρείοις ἐν τῷ παντὶ χρόνῳ ἀναριθμήτων νῦν οὐδὲν διαφέρει [τὰ ἀργύρεια] ἢ οἷα οἱ πρόγονοι ἡμῶν ὄντα ἐμνημόνευον αὐτά. [26] καὶ τὰ νῦν δὲ γιγνόμενα πάντα μαρτυρεῖ, ὅτι οὐκ ἂν ποτε πλείω ἀνδράποδα ἐκεῖ γένοιτο ἢ ὅσων ἂν τὰ ἔργα δέηται. οὔτε γὰρ βάθους πέρας οὔτε ὑπονόμων οἱ ὀρύσσοντες εὐρίσκουσι. [27] καὶ μὴν καινοτομεῖν γε οὐδὲν ἤττον ἕξεσται νῦν ἢ πρότερον. οὐ τοίνυν οὐδ' εἰπεῖν ἂν ἔχοι εἰδῶς οὐδεὶς, πότερον ἐν τοῖς κατατετμημένοις πλείων ἀργυρίτις ἢ ἐν τοῖς ἀτμήτοις ἐστί. [28] τί δῆτα, φαίη ἂν τις, οὐ καὶ νῦν, ὥσπερ ἔμπροσθεν, πολλοὶ καινοτομοῦσιν; ὅτι πενέστεροι μὲν νῦν εἰσιν οἱ περὶ τὰ μέταλλα (νεωστὶ γὰρ πάλιν κατασκευάζονται), κίνδυνος δὲ μέγας τῷ καινοτομοῦντι. [29] ὁ μὲν γὰρ εὐρὼν ἀγαθὴν ἐργασίαν πλούσιος γίγνεται· ὁ δὲ μὴ εὐρὼν πάντα ἀπόλλυσιν ὅσα ἂν δαπανήσῃ. εἰς τοῦτον οὖν τὸν κίνδυνον οὐ μάλα πῶς ἐθέλουσιν οἱ νῦν ἰέναι. [30] ἐγὼ μέντοι ἔχειν μοι δοκῶ καὶ περὶ τούτου συμβουλευῆσαι ὥς ἂν ἀσφαλέστατα καινοτομοῖτο. εἰσὶ μὲν γὰρ δήπου Ἀθηναίων δέκα φυλαί· εἰ δ' ἡ πόλις δοίη ἐκάστῃ αὐτῶν ἴσα ἀνδράποδα, αἱ δὲ κοινωσάμεναι τὴν τύχην καινοτομοῖεν, οὕτως ἂν, εἰ μία εὖροι, [31] πάσαις ἂν λυσιτελεῖς ἀποδείξειεν, εἰ δὲ δύο ἢ τρεῖς ἢ τέτταρες ἢ αἱ ἡμίσειαι εὖροιεν, δῆλον ὅτι «ἔτι» λυσιτελέστερα ἂν τὰ ἔργα ταῦτα γίγνοιτο. τό γε μὴν πάσας ἀποτυχεῖν οὐδενὶ τῶν παρεληλυθότων ἐοικός. [32] οἷόν τε δὴ οὕτως καὶ ἰδιώτας συνισταμένους καὶ κοινουμένους τὴν τύχην ἀσφαλέστερον κινδυνεύειν. μηδὲ μέντοι τοῦτο φοβεῖσθε, ὥς ἢ τὸ δημόσιον οὕτω κατασκευαζόμενον παραλυπήσῃ τοὺς ἰδιώτας ἢ οἱ ἰδιῶται τὸ δημόσιον· ἀλλ' ὥσπερ σύμμαχοι, ὅσοι ἂν πλείους συνιῶσιν, ἰσχυροτέρους ἀλλήλους ποιοῦσιν, οὕτω καὶ ἐν τοῖς ἀργυρείοις ὅσωιπερ ἂν πλείους

ἐργάζονται, τόσῳ πλείω τὰγαθὰ εὐρήσουσί τε καὶ ἐκφορήσουσι.

[33] Καὶ ἐμοὶ μὲν δὴ εἴρηται ὥς ἂν ἡγοῦμαι κατασκευασθείσης τῆς πόλεως ἱκανὴν ἂν πᾶσιν Ἀθηναίοις τροφὴν ἀπὸ κοινοῦ γενέσθαι. [34] εἰ δέ τινες λογιζόμενοι παμπόλλης ἂν δεῖν ἀφορμῆς εἰς ταῦτα πάντα οὐχ ἡγοῦνται ἱκανὰ ἂν ποτε χρήματα εἰσενεχθῆναι, μηδὲ οὕτως ἀθυμούντων. [35] οὐ γὰρ οὕτως ἔχει, ὥς ἀνάγκη ἅμα ταῦτα πάντα γίνεσθαι ἢ μηδὲν ὄφελος αὐτῶν εἶναι· ἀλλ' ὅποσα ἂν ἡ οἰκοδομηθῇ ἢ ναυπηγηθῇ ἢ ἀνδράποδα ὠνηθῇ, εὐθὺς ταῦτα ἐν ὠφελείᾳ ἔσται. [36] ἀλλὰ μὴν καὶ τῇδε γε συμφορώτερον τὸ κατὰ μέρος ἢ τὸ ἅμα πάντα πράττεσθαι. οἰκοδομοῦντές τε γὰρ ἀθρόως πολυτελέστερον ἂν καὶ κάκιον ἢ κατὰ μέρος ἀποτελοῖμεν· ἀνδράποδα δὲ παμπληθῇ ζητοῦντες ἀναγκαζοίμεθ' ἂν καὶ χεῖρω καὶ τιμιώτερα ὠνεῖσθαι. [37] κατὰ γε μὴν τὸ δυνατόν περαίνοντες τὰ μὲν καλῶς γνωσθέντα καὶ αὐθις ἂν ψηφίζοίμεθα· [38] εἰ δέ τι ἀμαρτηθεῖη, ἀπεχοίμεθ' ἂν αὐτοῦ. ἔτι δὲ πάντων ἅμα γιγνομένων ἡμᾶς ἂν ἅπαντα δέοι ἐκπορίζεσθαι· εἰ δὲ τὰ μὲν περαίνοιτο, τὰ δὲ μέλλοι, ἢ ὑπάρξασα πρόσδοδος τὸ ἐπιτήδειον συγκατασκευάζοι ἂν. [39] ὃ δὲ ἴσως φοβερώτατον δοκεῖ πᾶσιν εἶναι, μή, εἰ ἄγαν πολλὰ κτήσαιοτο ἢ πόλις ἀνδράποδα, ὑπεργεμισθεῖη ἂν τὰ ἔργα, καὶ τούτου τοῦ φόβου ἀπηλλαγμένοι ἂν εἶημεν, εἰ μὴ πλείονας ἀνθρώπους ἢ ὅσους αὐτὰ τὰ ἔργα προσαιτοίη κατ' ἐνιαυτὸν ἐμβάλλοιμεν. [40] οὕτως ἔμοιγε δοκεῖ, ἥπερ ῥαῖστον, ταύτῃ καὶ ἄριστον εἶναι ταῦτα πράσσειν. εἰ δ' αὖθις διὰ τὰς ἐν τῷ νῦν πολέμῳ γεγενημένας εἰσφοράς νομίζετ' ἂν μηδ' ὅτιοῦν δύνασθαι εἰσενεγκεῖν, ὑμεῖς δέ, ὅσα μὲν πρὸ τῆς εἰρήνης χρήματα εὔρισκε τὰ τέλη, ἀπὸ τοσούτων καὶ τὸ ἐπὶ ἔτος διοικεῖτε τὴν πόλιν· ὅσα δ' ἂν ἐφευρίσκη διὰ τὸ εἰρήνην τε εἶναι καὶ διὰ τὸ θεραπεύεσθαι μετοίκους καὶ ἐμπόρους καὶ διὰ τὸ πλειόνων συναγειρομένων ἀνθρώπων πλείω εἰσάγεσθαι καὶ ἐξάγεσθαι καὶ διὰ τὸ <τὰ> ἐλλειμνία καὶ τὰς ἀγορὰς αὐξάνεσθαι, ταῦτα λαμβάνοντες κατασκευάζεσθε ὥς ἂν πλεῖσται πρόσοδοι γίγνιντο. [41] εἰ δέ τινες αὖ φοβοῦνται, μὴ ματαῖα ἂν γένοιτο αὕτη ἢ κατασκευή, εἰ πόλεμος ἐγερθεῖ, ἐννοησάτωσαν ὅτι τούτων γιγνομένων πολὺ φοβερώτερος ὁ πόλεμος τοῖς ἐπιφέρουσιν ἢ τῇ πόλει. [42] τί γὰρ δὴ εἰς πόλεμον κτῆμα χρησιμώτερον ἀνθρώπων; πολλὰς μὲν γὰρ ναῦς πληροῦν ἱκανοὶ ἂν εἶημεν δημοσίαι· πολλοὶ δ' ἂν καὶ πεζοὶ δημοσίαι δύναιντ' ἂν βαρεῖς εἶναι τοῖς πολεμίοις, εἴ τις αὐτοὺς θεραπεύοι.

[43] Λογίζομαι δ' ἔγωγε καὶ πολέμου γιγνομένου οἷόν τ' εἶναι μὴ

ἐκλείπεσθαι τὰ ἀργύρεια. ἔστι μὲν γὰρ δήπου περί τὰ μέταλλα ἐν τῇ πρὸς μεσημβρίαν θαλάσσῃ τείχος ἐν Ἀναφλύστῳ, ἔστι δ' ἐν τῇ πρὸς ἄρκτον τείχος ἐν Θορικῶν· ἀπέχει δὲ ταῦτα ἀπ' ἀλλήλων ἀμφὶ τὰ ἐξήκοντα στάδια. [44] εἰ οὖν καὶ ἐν μέσῳ τούτων γένοιτο ἐπὶ τῷ ὑψηλοτάτῳ Βῆσης τρίτον ἔρυμα, ἴσυνήκοι τ' ἂν τὰ ἔργα εἰς ἓν ἐξ ἀπάντων τῶν τειχῶν, καὶ εἴ τι αἰσθάνοιτο πολεμικόν, βραχὺ ἂν εἴη ἐκάστωι εἰς τὸ ἀσφαλὲς ἀποχωρῆσαι. [45] εἰ δὲ καὶ ἔλθοιεν πλείους οἱ πολέμιοι, δῆλον ὅτι, εἰ μὲν σῖτον ἢ οἶνον ἢ πρόβατα ἔξω εὗροιεν, ἀφέλονται ἂν ταῦτα· ἀργυρίτιδος δὲ κρατήσαντες τί ἂν μᾶλλον ἢ λίθοις ἔχοιεν χρῆσθαι; [46] πῶς δὲ καὶ ὀρμήσειαν <ἂν> ποτε πολέμιοι πρὸς τὰ μέταλλα; ἀπέχει μὲν γὰρ δήπου τῶν ἀργυρείων <ἡ> ἐγγύτατα πόλις Μέγαρα πολὺ πλεῖον τῶν πεντακοσίων σταδίων· ἀπέχει δὲ ἡ μετὰ ταῦτα πλησιαιτάτα Θῆβαι πολὺ πλεῖον τῶν ἑξακοσίων. [47] ἢν οὖν πορεύωνται ἐντεῦθεν ποθεν ἐπὶ τὰ ἀργύρεια, παριέναι αὐτοὺς δεήσει τὴν πόλιν· κἂν μὲν ὧσιν ὀλίγοι, εἰκὸς αὐτοὺς ἀπόλλυσθαι καὶ ὑπὸ ἱππέων καὶ ὑπὸ περιπόλων. πολλῇ γε μὴν δυνάμει πορεύεσθαι ἐξερημοῦντας τὰ ἑαυτῶν χαλεπὸν· πολὺ γὰρ ἐγγύτερον ἂν εἴη ταῖς πόλεσιν αὐτῶν τὸ τῶν Ἀθηναίων ἄστν ἢ αὐτοὶ [οἱ] πρὸς τοῖς μετάλλοις ὄντες. [48] εἰ δὲ καὶ ἔλθοιεν, πῶς ἂν καὶ δύναιντο μένειν μὴ ἔχοντες τὰ ἐπιτήδεια; ἐπισιτίζεσθαι γε μὴν μέρει μὲν κίνδυνος καὶ περὶ τῶν μετιόντων καὶ περὶ ὧν ἀγωνίζονται· πάντες δὲ αἰεὶ μετιόντες πολιορκοῖντ' ἂν μᾶλλον ἢ πολιορκοῖεν.

[49] Οὐ τοίνυν μόνον ἡ ἀπὸ τῶν ἀνδραπόδων ἀποφορὰ τὴν διατροφὴν τῇ πόλει αὔξει ἂν, ἀλλὰ πολυανθρωπίας περὶ τὰ μέταλλα ἀθροίζομένης καὶ ἀπ' ἀγορᾶς τῆς ἐκεῖ καὶ ἀπ' οἰκῶν περὶ τὰ ἀργύρεια δημοσίων καὶ ἀπὸ καμίνων καὶ ἀπὸ τῶν ἄλλων ἀπάντων πρόσοδοι ἂν πολλαὶ γίνοντο. [50] ἰσχυρῶς γὰρ <ἂν> καὶ αὐτὴ πολυάνθρωπος γένοιτο πόλις, εἰ οὕτω κατασκευασθεῖη· καὶ οἱ γε χῶροι οὐδὲν ἂν εἶεν μείονος ἅξιοι τοῖς κεκτημένοις ἐνταῦθα ἢ τοῖς περὶ τὸ ἄστν. [51] πραχθέντων γε μὴν ὧν εἴρηκα ζύμφημι ἐγὼ οὐ μόνον ἂν χρήμασιν εὐπορωτέραν τὴν πόλιν εἶναι, ἀλλὰ καὶ εὐπειθεστέραν καὶ εὐτακτοτέραν καὶ εὐπολεμωτέραν γενέσθαι. [52] οἱ τε γὰρ ταχθέντες γυμνάζεσθαι πολὺ ἂν ἐπιμελέστερον τοῦτο πράττειεν ἐν τοῖς γυμνασίοις τὴν τροφὴν ἀπολαμβάνοντες πλείῳ ἢ ἐν ταῖς λαμπάσι γυμνασιάρχουμένοι, οἱ τε φρουρεῖν ἐν τοῖς φρουρίοις, οἱ τε πελτάζειν καὶ περιπολεῖν τὴν χώραν, πάντα ταῦτα μᾶλλον ἂν πράττειεν, ἐφ' ἐκάστοις τῶν ἔργων τῆς τροφῆς ἀποδιδομένης.

Κεφάλαιον ε΄

[1] Εἰ δὲ σαφὲς δοκεῖ εἶναι ὥς, εἰ μέλλουσι πᾶσαι αἱ πρόσοδοι ἐκ πόλεως προσιέναι, ὅτι εἰρήνην δεῖ ὑπάρχειν, ἅρ' οὐκ ἄξιον καὶ εἰρηνοφύλακας καθιστάναι; πολὺ γὰρ ἂν καὶ αὕτη αἵρεθεῖσα ἢ ἀρχὴ προσφιλεστέραν καὶ πυκνοτέραν εἰσαφικνεῖσθαι πᾶσιν ἀνθρώποις ποιήσῃ τὴν πόλιν. [2] εἰ δέ τινες οὕτω γινώσκουσιν, ὥς, ἐὰν ἡ πόλις εἰρήνην ἄγουσα διατελῇ, ἀδυνατωτέρα τε καὶ ἀδοξοτέρα καὶ ἦττον ὀνομαστὴ ἐν τῇ Ἑλλάδι ἔσται, καὶ οὕτοί γε, ὥς ἐμῇ δόξῃ, παραγινώσκουσιν. εὐδαιμονέσταται μὲν γὰρ δήπου πόλεις λέγονται, αἱ ἂν πλεῖστον χρόνον ἐν εἰρήνῃ διατελῶσι· πασῶν δὲ πόλεων Ἀθῆναι μάλιστα πεφύκασιν ἐν εἰρήνῃ αὖξεσθαι. [3] τίνες γάρ, ἡσυχίαν ἀγούσης τῆς πόλεως, οὐ προσδέονται ἂν αὐτῆς ἀρξάμενοι ἀπὸ ναυκλήρων καὶ ἐμπόρων; οὐχ οἱ πολύσιτοι, οὐχ οἱ πολύοινοι οὐχ οἱ ἡδύοινοι; τί δὲ οἱ πολυέλαιοι, τί δὲ οἱ πολυπρόβατοι, «τί» δὲ οἱ γνώμη καὶ ἀργυρίῳ δυνάμενοι χρηματίζεσθαι; [4] καὶ μὴν χειροτέχνη τε καὶ σοφισταὶ καὶ φιλόσοφοι, οἱ δὲ ποιηταί, οἱ δὲ τὰ τούτων μεταχειριζόμενοι, οἱ δὲ ἀξιοθεάτων ἢ ἀξιακούστων ἱερῶν ἢ ὁσίων ἐπιθυμοῦντες, ἀλλὰ μὴν καὶ οἱ δεόμενοι πολλὰ ταχὺ ἀποδίδοσθαι ἢ πρίασθαι, ποῦ τούτων μᾶλλον ἂν τύχοιεν ἢ Ἀθήνησιν; [5] εἰ δὲ πρὸς ταῦτα μὲν οὐδεὶς ἀντιλέγει, τὴν δὲ ἡγεμονίαν βουλόμενοί τινες ἀναλαβεῖν τῇ πόλει, ταύτην διὰ πολέμου μᾶλλον ἢ δι' εἰρήνης ἡγοῦνται ἂν καταπραχθῆναι, ἐννοησάτωσαν πρῶτον μὲν τὰ Μηδικά, πότερον βιαζόμενοι ἢ εὐεργετοῦντες τοὺς Ἑλληνας ἡγεμονίας τε τοῦ ναυτικοῦ καὶ ἐλληνοταμείας ἐτύχομεν. [6] ἔτι δ', ἐπεὶ ὡμῶς ἄγαν δόξασα προστατεύειν ἡ πόλις ἐστερήθη τῆς ἀρχῆς, οὐ καὶ τότε, ἐπεὶ τοῦ ἀδικεῖν ἀπεσχόμεθα, πάλιν ὑπὸ τῶν νησιωτῶν ἐκόντων προστάται τοῦ ναυτικοῦ ἐγενόμεθα; [7] οὐκ οὖν καὶ Θηβαῖοι εὐεργετούμενοι ἡγεμονεύειν αὐτῶν ἔδωκαν Ἀθηναίοις; ἀλλὰ μὴν καὶ Λακεδαιμόνιοι οὐ βιασθέντες ὑφ' ἡμῶν, ἀλλ' εὖ πάσχοντες ἐπέτρεψαν Ἀθηναίοις περὶ τῆς ἡγεμονίας θέσθαι ὅπως βούλονται. [8] νῦν δέ γε διὰ τὴν ἐν τῇ Ἑλλάδι ταραχὴν παραπεπτωκέναι μοι δοκεῖ τῇ πόλει ὥστε καὶ ἄνευ πόνων καὶ ἄνευ κινδύνων καὶ ἄνευ δαπάνης ἀνακτᾶσθαι τοὺς Ἑλληνας. ἔστι μὲν γὰρ πειρᾶσθαι διαλλάττειν τὰς πολεμούσας πρὸς ἀλλήλας πόλεις, ἔστι δὲ συναλλάττειν, εἴ τινες ἐν αὐταῖς στασιάζουσιν. [9] εἰ «δὲ» καὶ ὅπως τὸ ἐν Δελφοῖς ἱερὸν αὐτόνομον ὥσπερ πρόσθεν γένοιτο φανεροὶ εἴητ' ἐπιμελούμενοι, μὴ συμπολεμοῦντες, ἀλλὰ πρεσβεύοντες ἀνὰ τὴν Ἑλλάδα, ἐγὼ μὲν

οὐδὲν ἂν οἶμαι θαυμαστὸν εἶναι, εἰ καὶ πάντας τοὺς Ἑλλήνας ὁμογνώμονάς τε καὶ συνόρκους καὶ συμμάχους λάβοιτε ἐπ' ἐκείνους, οἵτινες ἐκλιπόντων Φωκέων τὸ ἱερὸν καταλαμβάνειν πειρῶντο. [10] εἰ δὲ καὶ ὅπως ἀνὰ πᾶσαν γῆν καὶ θάλατταν εἰρήνη ἔσται φανεροὶ εἴητε ἐπιμελόμενοι, ἐγὼ μὲν οἶμαι πάντας ἂν εὐχέσθαι μετὰ τὰς ἑαυτῶν πατρίδας Ἀθήνας μάλιστα σώζεσθαι. [11] εἰ δέ τις αὖ εἰς χρήματα κερδαλεώτερον νομίζει εἶναι τῇ πόλει πόλεμον ἢ εἰρήνην, ἐγὼ μὲν οὐκ οἶδα πῶς ἂν ἄμεινον ταῦτα κριθεῖη ἢ εἴ τις τὰ προγεγενημένα ἐπανασκοποῖ τῇ πόλει πῶς ἀποβέβηκεν. [12] εὐρήσει γὰρ τό τε παλαιὸν ἐν εἰρήνῃ μὲν πάνυ πολλὰ χρήματα εἰς τὴν πόλιν ἀνενεχθέντα, ἐν πολέμῳ δὲ ταῦτα πάντα καταδαπανηθέντα· γινώσεται δέ, ἣν σκοπῇ, καὶ ἐν τῷ νῦν χρόνῳ διὰ μὲν τὸν πόλεμον καὶ τῶν προσόδων πολλὰς ἐκλιπούσας, καὶ τὰς εἰσελθούσας εἰς παντοδαπὰ πολλὰ καταδαπανηθείσας· ἐπεὶ δὲ εἰρήνη κατὰ θάλατταν γεγένηται, ἠϋξημένας τε τὰς προσόδους, καὶ ταύταις ἐξδὸν τοῖς πολίταις χρῆσθαι ὅ τι βούλονται. [13] εἰ δέ τις με ἐπερωτῶι, εἰ καί, ἂν τις ἀδικῇ τὴν πόλιν, λέγεις, ὥς χρῆ καὶ πρὸς τοῦτον εἰρήνην ἄγειν; οὐκ ἂν φαίην· ἀλλὰ μᾶλλον λέγω, ὅτι πολὺ θᾶττον ἂν τιμωροίμεθα αὐτούς, εἰ μηδὲνα ὑπάρχοιμεν ἀδικοῦντες· οὐδένα γὰρ ἂν ἔχοιεν σύμμαχον.

Κεφάλαιον ζ'

[1] Ἀλλ' εἴ γε μὴν τῶν εἰρημένων ἀδύνατον μὲν μηδὲν ἐστὶ μηδὲ χαλεπὸν, πραττομένων δὲ αὐτῶν προσφιλέστεροι μὲν τοῖς Ἑλλήσι γενησόμεθα, ἀσφαλέστερον δὲ οἰκήσομεν, εὐκλεέστεροι δὲ ἐσόμεθα, καὶ ὁ μὲν δῆμος τροφῆς εὐπορήσει, οἱ δὲ πλούσιοι τῆς εἰς τὸν πόλεμον δαπάνης ἀπαλλαγῇσονται, περιουσίας δὲ πολλῆς γενομένης μεγαλοπρεπέστερον μὲν ἔτι ἢ νῦν ἐορτὰς ἄξομεν, ἱερὰ δ' ἐπισκευάσομεν, τείχη δὲ καὶ νεώρια ἀνορθώσομεν, ἱερεῦσι δὲ καὶ βουλῇ καὶ ἀρχαῖς καὶ ἱππεῦσι τὰ πάτρια ἀποδώσομεν, πῶς οὐκ ἄξιον ὥς τάχιστα τούτοις ἐγχειρεῖν, ἵνα ἔτι ἐφ' ἡμῶν ἐπίδωμεν τὴν πόλιν μετ' ἀσφαλείας εὐδαιμονοῦσαν; [2] εἴ γε μὴν ταῦτα δόξειεν ὑμῖν πράττειν, συμβουλεύσαιμ' ἂν ἐγώ γε πέμψαντας καὶ εἰς Δωδώνην καὶ εἰς Δελφοὺς ἐπερέσθαι τοὺς θεοὺς εἰ λῶιον καὶ ἄμεινον εἴη ἂν τῇ πόλει οὕτω κατασκευαζομένῃ καὶ αὐτίκα καὶ εἰς τὸν ἔπειτα χρόνον. [3] εἰ δὲ ταῦτα συναινοῖεν, τότε ἂν αὖ φαίην χρῆναι ἐπερωτᾶν, τίνας θεῶν προσποιούμενοι ταῦτα κάλλιστα καὶ ἄριστα πράττοιμεν ἂν· οὐς

HIERO - Ἱέρων

[1.1] Σιμωνίδης ὁ ποιητὴς ἀφίκετό ποτε πρὸς Ἱέρωνα τὸν τύραννον. σχολῆς δὲ γενομένης ἀμφοῖν εἶπεν ὁ Σιμωνίδης· Ἄρ' ἂν μοι ἐθελήσῃς, ὦ Ἱέρων, διηγῆσασθαι ἃ εἰκὸς εἰδέναι σε βέλτιον ἐμοῦ; Καὶ ποῖα ταῦτ' ἐστίν, ἔφη ὁ Ἱέρων, ὅποια δὴ ἐγὼ βέλτιον ἂν εἰδείην σοῦ οὕτως ὄντος σοφοῦ ἀνδρός; [1.2] Οἶδά σε, ἔφη, ἐγὼ καὶ ιδιώτην γεγεννημένον καὶ νῦν τύραννον ὄντα· εἰκὸς οὖν ἀμφοτέρων πεπειραμένον καὶ εἰδέναι σε μᾶλλον ἐμοῦ πῃ διαφέρει ὁ τυραννικός τε καὶ ὁ ιδιωτικὸς βίος εἰς εὐφροσύνας τε καὶ λύπας ἀνθρώποις. [1.3] Τί οὖν, ἔφη ὁ Ἱέρων, οὐχὶ καὶ σύ, ἐπεὶ νῦν γε ἔτι ιδιώτης εἶ, ὑπέμνησάς με τὰ ἐν τῷ ιδιωτικῷ βίῳ; οὕτως γὰρ ἂν σοι οἶμαι μάλιστα ἐγὼ δύνασθαι δηλοῦν τὰ διαφέροντα ἐν ἑκατέρῳ. [1.4] οὕτω δὴ ὁ Σιμωνίδης εἶπεν· Τοὺς μὲν δὴ ιδιώτας ἔγωγε, ὦ Ἱέρων, δοκῶ μοι καταμεμαθηκέναι διὰ μὲν τῶν ὀφθαλμῶν ὀράμασιν ἡδομένους τε καὶ ἀχθομένους, διὰ δὲ τῶν ὠτῶν ἀκούσμασι, διὰ δὲ τῶν ῥινῶν ὀσμαῖς, διὰ δὲ τοῦ στόματος σίτοις τε καὶ ποτοῖς, τὰ δ' ἀφροδίσια δι' ὧν δὴ πάντες ἐπιστάμεθα· [1.5] τὰ δὲ ψύχη καὶ θάλπη καὶ σκληρὰ καὶ μαλακὰ καὶ κοῦφα καὶ βαρέα ὅλῳ τῷ σιωματί μοι δοκοῦμεν, ἔφη, κρίνοντες ἡδεσθαί τε καὶ λυπεῖσθαι ἐπ' αὐτοῖς· ἀγαθοῖς δὲ καὶ κακοῖς ἔστι μὲν ὅτε δι' αὐτῆς τῆς ψυχῆς μοι δοκοῦμεν ἡδεσθαι, ὅτε δ' αὖ λυπεῖσθαι, ἔστι δ' ὅτε κοινῇ [καὶ] διὰ τε τῆς ψυχῆς καὶ διὰ τοῦ σώματος. [1.6] τῷ δ' ὕπνῳ ὅτι μὲν ἡδόμεθα δοκῶ μοι αἰσθάνεσθαι, ὅπως δὲ καὶ ὦτινι καὶ ὁπότε, ταῦτα μᾶλλον πῶς, ἔφη, δοκῶ μοι ἀγνοεῖν. καὶ οὐδὲν ἴσως τοῦτο θαυμαστόν, εἰ τὰ ἐν τῷ ἐγρηγορέναι σαφεστέρας ἡμῖν τὰς αἰσθήσεις παρέχεται ἢ τὰ ἐν τῷ ὕπνῳ. [1.7] πρὸς ταῦτα δὴ ὁ Ἱέρων ἀπεκρίνατο· Ἐγὼ μὲν τοίνυν, ἔφη, ὦ Σιμωνίδη, ἔξω τούτων ὧν εἰρηκας σύγε οὐδ' ὅπως ἂν αἰσθοιτό τις ἄλλου ὁ τύραννος ἔχοιμ' ἂν εἰπεῖν, ὥστε μέχρι γε τούτου οὐκ οἶδ' εἴ τι διαφέρει ὁ τυραννικὸς βίος τοῦ ιδιωτικοῦ βίου. [1.8] καὶ ὁ Σιμωνίδης εἶπεν· Ἀλλ' ἐν τοῖσδε, ἔφη, διαφέρει· πολλαπλάσια μὲν δι' ἐκάστου τούτων εὐφραίνεται, πολὺ δὲ μείω τὰ λυπηρὰ ἔχει. καὶ ὁ Ἱέρων εἶπεν· Οὐχ οὕτως ἔχει, ὦ Σιμωνίδη, ταῦτα, ἀλλ' εὖ ἴσθ' ὅτι μείω πολὺ εὐφραίνονται οἱ τύραννοι τῶν μετρίως διαγόντων ιδιωτῶν, πολὺ δὲ πλείω καὶ μείζω λυποῦνται. [1.9] Ἀπιστα λέγεις, ἔφη ὁ Σιμωνίδης. εἰ γὰρ οὕτως ταῦτ' εἶχε, πῶς ἂν πολλοὶ μὲν ἐπεθύμουν

τυραννεῖν, καὶ ταῦτα τῶν δοκούντων ἱκανωτάτων ἀνδρῶν εἶναι; πῶς δὲ πάντες ἐζήλουν ἂν τοὺς τυράννους; [1.10] Ὅτι ναὶ μὰ τὸν Δί', ἔφη ὁ Ἰέρων, ἅπειροι ὄντες ἀμφοτέρων τῶν ἔργων σκοποῦνται περὶ αὐτοῦ. ἐγὼ δὲ πειράσομαι σε διδάσκειν ὅτι ἀληθῆ λέγω, ἀρξάμενος ἀπὸ τῆς ὀψεως· ἐντεῦθεν γὰρ καὶ σὲ δοκῶ μεμνησθαι ἀρξάμενον λέγειν. [1.11] πρῶτον μὲν γὰρ ἐν τοῖς διὰ τῆς ὀψεως θεάμασι λογιζόμενος εὕρισκω μειονεκτοῦντας τοὺς τυράννους. ἄλλα μὲν γε ἐν ἄλλῃ χώρῃ ἐστὶν ἀξιοθεάτα· ἐπὶ δὲ τούτων ἕκαστα οἱ μὲν ἰδιῶται ἔρχονται καὶ εἰς πόλεις ὥς ἂν βούλωνται θεαμάτων ἕνεκα, καὶ εἰς τὰς κοινὰς πανηγύρεις, ἔνθα γ' ἂ ἀξιοθεατότατα δοκεῖ εἶναι ἀνθρώποις συναγείρεται. [1.12] οἱ δὲ τύραννοι οὐ μάλα ἀμφὶ θεωρίας ἔχουσιν. οὔτε γὰρ ἰέναι αὐτοῖς ἀσφαλὲς ὅπου μὴ κρείττονες τῶν παρόντων μέλλουσιν ἔσεσθαι, οὔτε τὰ οἴκοι κέκτηνται ἐχυρά, ὥστε ἄλλοις παρακαταθεμένους ἀποδημεῖν. φοβερὸν γὰρ μὴ ἅμα τε στερηθῶσι τῆς ἀρχῆς καὶ ἀδύνατοι γένωνται τιμωρήσασθαι τοὺς ἀδικήσαντας. [1.13] εἴποις οὖν ἂν ἴσως σύ, ἀλλ' ἄρα ἔρχεται αὐτοῖς τὰ τοιαῦτα καὶ οἴκοι μένουσι. ναὶ μὰ Δία, ὃ Σιμωνίδῃ, ὀλίγα γε τῶν πολλῶν καὶ ταῦτα τοιαῦτα ὄντα οὕτω τίμια πωλεῖται τοῖς τυράννοις ὥστε οἱ ἐπιδεικνύμενοι καὶ ὅτιοῦν ἀξιοῦσι πολλαπλάσια λαβόντες ἐν ὀλίγῳ χρόνῳ ἀπιέναι παρὰ τοῦ τυράννου ἢ ὅσα ἐν παντὶ τῷ βίῳ παρὰ πάντων τῶν ἄλλων ἀνθρώπων κτῶνται. [1.14] καὶ ὁ Σιμωνίδης εἶπεν· Ἀλλ' εἰ <ἐν> τοῖς θεάμασι μειονεκτεῖτε, διὰ γέ τοι τῆς ἀκοῆς πλεονεκτεῖτε. ἐπεὶ τοῦ μὲν ἡδίστου ἀκροάματος, ἐπαίνου, οὔποτε σπανίζετε· πάντες γὰρ οἱ παρόντες ὑμῖν πάντα καὶ ὅσα ἂν λέγητε καὶ ὅσα ἂν ποιῆτε ἐπαινοῦσι. τοῦ δ' αὖ χαλεπωτάτου ἀκροάματος, λοιδορίας, ἀνήκοοί ἐστε· οὐδεὶς γὰρ ἐθέλει τυράννου κατ' ὀφθαλμοὺς κατηγορεῖν. [1.15] καὶ ὁ Ἰέρων εἶπε· Καὶ τί οἶε, ἔφη, τοὺς μὴ λέγοντας κακῶς εὐφραίνειν, ὅταν εἰδῇ τις σαφῶς ὅτι οἱ σιωπῶντες οὗτοι πάντες κακὰ νοοῦσι τῷ τυράννῳ; ἢ τοὺς ἐπαινοῦντας τί δοκεῖς εὐφραίνειν, ὅταν ὑποπτοὶ ὣσιν ἕνεκα τοῦ κολακεύειν τοὺς ἐπαίνους ποιεῖσθαι; [1.16] καὶ ὁ Σιμωνίδης εἶπεν· Τοῦτο μὲν δὴ ναὶ μὰ τὸν Δία ἔγωγέ σοι, Ἰέρων, πάννυ συγχωρῶ, τοὺς ἐπαίνους παρὰ τῶν ἐλευθερωτάτων ἡδίστους εἶναι, ἀλλ', ὅπῃς; ἐκεῖνό γε οὐκ ἂν ἔτι πείσαις ἀνθρώπων οὐδένα ὥς οὐ δι' ὧν τρεφόμεθα οἱ ἄνθρωποι, πολὺ πλείω ὑμεῖς ἐν αὐτοῖς εὐφραίνεσθε. [1.17] Καὶ οἶδά γ', ἔφη, ὃ Σιμωνίδῃ, ὅτι τούτῳ κρίνουσιν οἱ πλείστοι ἥδιον ἡμᾶς καὶ πίνειν καὶ ἐσθίειν τῶν ἰδιωτῶν, ὅτι δοκοῦσι καὶ αὐτοὶ

ἥδιον ἂν δειπνῆσαι τὸ ἡμῖν παρατιθέμενον δεῖπνον ἢ τὸ ἑαυτοῖς· τὸ γὰρ τὰ εἰωθότα ὑπερβάλλον, τοῦτο παρέχει τὰς ἡδονάς. [1.18] διὸ καὶ πάντες ἄνθρωποι ἡδέως προσδέχονται τὰς ἐορτὰς πλὴν οἱ τύραννοι· ἐκπλεωὶ γὰρ αὐτοῖς αἰεὶ παρεσκευασμένοι οὐδεμίαν ἐν ταῖς ἐορταῖς ἔχουσιν αἱ τράπεζαι αὐτῶν ἐπίδοσιν· ὥστε ταύτῃ πρῶτον τῇ εὐφροσύνῃ τῆς ἐλπίδος μειονεκτοῦσι τῶν ιδιωτῶν. [1.19] ἔπειτα δ', ἔφη, ἐκεῖνο εὖ οἶδ' ὅτι καὶ σὺ ἔμπειρος εἶ ὅτι ὅσῳ ἂν πλείω τις παραθῇται τὰ περιττὰ τῶν ἱκανῶν, τοσοῦτοι καὶ θᾶπτον κόρος ἐμπίπτει τῆς ἐδωδῆς· ὥστε καὶ τῷ χρόνῳ τῆς ἡδονῆς μειονεκτεῖ ὁ παρατιθέμενος πολλὰ τῶν μετρίως διαιτωμένων. [1.20] Ἀλλὰ ναὶ μὰ Δί', ἔφη ὁ Σιμωνίδης, ὅσον ἂν χρόνον ἡ ψυχὴ προσίηται, τοῦτον πολὺ μᾶλλον ἡδονταὶ οἱ ταῖς πολυτελεστέραις παρασκευαῖς τρεφόμενοι τῶν τὰ εὐτελέστερα παρατιθεμένων. [1.21] Οὐκοῦν, ἔφη ὁ Ἰέρων, ὦ Σιμωνίδη, τὸν ἐκάστωι ἡδόμενον μάλιστα, τοῦτον οἶε καὶ ἐρωτικώτατα ἔχειν τοῦ ἔργου τούτου; Πάνυ μὲν οὖν, ἔφη. Ἡ οὖν, ὁρᾷς τι τοὺς τυράννους ἥδιον ἐπὶ τὴν ἑαυτῶν παρασκευὴν ἰόντας ἢ τοὺς ιδιώτας ἐπὶ τὴν ἑαυτῶν; Οὐ μὰ τὸν Δί', ἔφη, οὐ μὲν οὖν, ἀλλὰ καὶ ἀγλευκέστερον, ὥς πολλοῖς ἂν δόξειεν. [1.22] Τί γάρ, ἔφη ὁ Ἰέρων, τὰ πολλὰ ταῦτα μηχανήματα κατανενόηκας ἃ παρατίθεται τοῖς τυράννοις, ὀξέα καὶ δριμέα καὶ στρυφνὰ καὶ τὰ τούτων ἀδελφά; Πάνυ μὲν οὖν, ἔφη ὁ Σιμωνίδης, καὶ πάνυ γέ μοι δοκοῦντα παρὰ φύσιν εἶναι ταῦτα ἀνθρώποις. [1.23] Ἄλλο τι οὖν οἶε, ἔφη ὁ Ἰέρων, ταῦτα τὰ ἐδέσματα εἶναι ἢ μαλακῆς καὶ ἀσθενούσης ψυχῆς ἐπιθυμήματα; ἐπεὶ εὖ οἶδ' ἔγωγε ὅτι οἱ ἡδέως ἐσθίοντες καὶ σύ που οἴσθα ὅτι οὐδὲν προσδέονται τούτων τῶν σοφισμάτων. [1.24] Ἀλλὰ μέντοι, ἔφη ὁ Σιμωνίδης, τῶν γε πολυτελῶν ὁσμῶν τούτων, αἷς χρίεσθε, τοὺς πλησιάζοντας οἶμαι μᾶλλον ἀπολαύειν ἢ αὐτοὺς ὑμᾶς, ὥσπερ γε καὶ τῶν ἀχαρίτων ὁσμῶν οὐκ αὐτὸς ὁ βεβρωκὼς αἰσθάνεται, ἀλλὰ μᾶλλον οἱ πλησιάζοντες. [1.25] Οὕτω μέντοι, ἔφη ὁ Ἰέρων, καὶ τῶν σίτων ὁ μὲν ἔχων παντοδαπὰ αἰεὶ οὐδὲν μετὰ πόθου αὐτῶν λαμβάνει· ὁ δὲ σπανίσας τινός, οὗτός ἐστιν ὁ μετὰ χαρᾶς πιμπλάμενος, ὅταν αὐτῷ προφανῇ τι. [1.26] Κινδυνεύουσιν, ἔφη ὁ Σιμωνίδης, αἱ τῶν ἀφροδισίων μόνον ὑμῖν ἀπολαύσεις τοῦ τυραννεῖν τὰς ἐπιθυμίας παρέχειν· ἐν γὰρ τούτῳ ἔξεστιν ὑμῖν ὅ τι ἂν κάλλιστον ἴδητε τούτῳ συνεῖναι. [1.27] Νῦν δὴ, ἔφη ὁ Ἰέρων, εἰρηκας ἐν ᾧ γε, σάφ' ἴσθι, μειονεκτοῦμεν τῶν ιδιωτῶν. πρῶτον μὲν γὰρ γάμος ὁ μὲν ἐκ μειζόνων δήπου καὶ πλούτῳ καὶ δυνάμει κάλλιστος δοκεῖ εἶναι

καὶ παρέχειν τινὰ τῷ γήμαντι φιλοτιμίαν μεθ' ἡδονῆς· δεύτερος δ' ὁ ἐκ τῶν ὁμοίων· ὁ δ' ἐκ τῶν φαυλοτέρων πάνυ ἄτιμός τε καὶ ἄχρηστος νομίζεται. [1.28] τῷ τοίνυν τυράννῳ, ἂν μὴ ξένην γήμη, ἀνάγκη ἐκ μειόνων γαμεῖν, ὥστε τὸ ἀγαπητὸν οὐ πάνυ αὐτῷ παραγίγνεται. πολὺ δὲ καὶ αἱ θεραπεῖαι αἱ ἀπὸ τῶν μέγιστον φρονουσῶν γυναικῶν εὐφραίνουσι μάλιστα, αἱ δ' ὑπὸ δούλων παροῦσαι μὲν οὐδέν τι ἀγαπῶνται, ἐὰν δέ τι ἐλλείπωσι, δεινὰς ὀργὰς καὶ λύπας ἐμποιοῦσιν. [1.29] ἐν δὲ τοῖς παιδικοῖς ἀφροδισίοις ἔτι αὖ πολὺ μᾶλλον ἢ ἐν τοῖς τεκνοποιοῖς μειονεκτεῖ τῶν εὐφροσυνῶν ὁ τύραννος. ὅτι <μὲν> γὰρ τὰ μετ' ἔρωτος ἀφροδίσια πολὺ διαφερόντως εὐφραίνει πάντες δήπου ἐπιστάμεθα· [1.30] ὁ δὲ ἔρως πολὺ αὖ ἐθέλει ἥκιστα τῷ τυράννῳ ἐγγίγνεσθαι. οὐ γὰρ τῶν ἐτοίμων ἡδεῖται <ὁ> ἔρως ἐφιέμενος, ἀλλὰ τῶν ἐλπιζομένων. ὥσπερ οὖν [εἶ] τις ἄπειρος ὢν δίσκους τοῦ πιεῖν οὐκ ἂν ἀπολαύοι, οὕτω καὶ ὁ ἄπειρος ὢν ἔρωτος ἄπειρός ἐστι τῶν ἡδίστων ἀφροδισίων. [1.31] ὁ μὲν οὖν Ἰέρων οὕτως εἶπεν. ὁ δὲ Σιμωνίδης ἐπιγελάσας, Πῶς λέγεις, ἔφη, ὦ Ἰέρων; τυράννῳ οὐ φῆις παιδικῶν ἔρωτας ἐμφύεσθαι; πῶς μὴν σύ, ἔφη, ἐρᾷς Δαϊλόχου τοῦ καλλίστου ἐπικαλουμένου; [1.32] Ὅτι μὰ τὸν Δί', ἔφη, ὦ Σιμωνίδη, οὐ τοῦ ἐτοίμου παρ' αὐτοῦ δοκοῦντος εἶναι τυχεῖν τούτου μάλιστα ἐπιθυμῶ, ἀλλὰ τοῦ ἥκιστα τυράννῳ προσήκοντος κατεργάσασθαι. [1.33] ἐγὼ γὰρ δὴ ἐρῶ μὲν Δαϊλόχου ὥνπερ ἴσως ἀναγκάζει ἡ φύσις ἀνθρώπου δεῖσθαι παρὰ τῶν καλῶν, τούτων δὲ ὢν ἐρῶ τυχεῖν, μετὰ μὲν φιλίας καὶ παρὰ βουλομένου πάνυ ἰσχυρῶς ἐπιθυμῶ τυγχάνειν, βίαι δὲ λαμβάνειν παρ' αὐτοῦ ἥττον ἂν μοι δοκῶ ἐπιθυμεῖν ἢ ἐμμαντὸν κακόν τι ποιεῖν· [1.34] παρὰ μὲν γὰρ πολεμίων ἀκόντων λαμβάνειν πάντων ἡδιστον ἔγωγε νομίζω εἶναι, παρὰ δὲ παιδικῶν βουλομένων ἡδισται οἷμαι αἱ χάριτές εἰσιν. [1.35] εὐθὺς γὰρ παρὰ τοῦ ἀντιφιλοῦντος ἡδεῖται μὲν αἱ ἀντιβλέψεις, ἡδεῖται δὲ αἱ ἐρωτήσεις, ἡδεῖται δὲ αἱ ἀποκρίσεις, ἡδισται δὲ καὶ ἐπαφροδιτόταται αἱ μάχαι τε καὶ ἔριδες· [1.36] τὸ δὲ ἀκόντων παιδικῶν ἀπολαύειν λεηλασίαι, ἔφη, ἔμοιγε δοκεῖ εὐοικεῖν μᾶλλον ἢ ἀφροδισίοις. καίτοι τῷ μὲν ληιστῇ παρέχει τινὰς ὁμῶς ἡδονὰς τό τε κέρδος καὶ τὸ ἀνιᾶν τὸν ἐχθρόν· τὸ δὲ οὗ ἂν ἐρᾷ τις τούτῳ ἡδесθαι ἀνιωμένῳ καὶ φιλοῦντα μισεῖσθαι καὶ ἄπτεσθαι ἀχθομένου, πῶς οὐχὶ τοῦτο ἤδη δυσχερὲς τὸ πάθημα καὶ οἰκτρὸν; [1.37] καὶ γὰρ δὴ τῷ μὲν ιδιώτῃ εὐθὺς τεκμηρίον ἐστίν, ὅταν ὁ ἐρώμενός τι ὑπουργῇ, ὅτι ὡς φιλῶν χαρίζεται, διὰ τὸ εἰδέναι ὅτι οὐδεμιᾶς ἀνάγκης οὔσης

ὕπηρετεῖ, τῷ δὲ τυράννῳ οὐποτ' ἔστι πιστεῦσαι ὥς φιλεῖται. [1.38] ἐπιστάμεθα γὰρ δὴ τοὺς διὰ φόβον ὑπηρετοῦντας ὥς ἦι μάλιστ' ἂν δύνωνται ἐξεικάζουσιν αὐτοὺς ταῖς τῶν φιλοῦντων ὑπουργίαις. καὶ τοῖνυν αἱ ἐπιβουλαὶ ἐξ οὐδένων πλέονες τοῖς τυράννοις εἰσὶν ἢ ἀπὸ τῶν μάλιστα φιλεῖν αὐτοὺς προσποιησαμένων.

[2.1] Πρὸς ταῦτα εἶπεν ὁ Σιμωνίδης· Ἀλλὰ ταῦτα μὲν πάνυ ἔμοιγε μικρὰ δοκεῖ εἶναι ἃ σὺ λέγεις. πολλοὺς γάρ, ἔφη, ἔγωγε ὁρῶ τῶν δοκούντων ἀνδρῶν εἶναι ἐκόντας μειονεκτοῦντας καὶ σίτων καὶ ποτῶν καὶ ὄψων καὶ ἀφροδισίων γε ἀπεχομένους. [2.2] ἀλλ' ἐκείνῃ γε πολὺ διαφέρετε τῶν ιδιωτῶν, ὅτι μεγάλα μὲν ἐπινοεῖτε, ταχὺ δὲ κατεργάζεσθε, πλεῖστα δὲ τὰ περιττὰ ἔχετε, κέκτησθε δὲ διαφέροντας μὲν ἀρετῇ ἵππους, διαφέροντα δὲ κάλλει ὄπλα, ὑπερέχοντα δὲ κόσμον γυναιξί, μεγαλοπρεπεστάτας δ' οἰκίας, καὶ ταύτας κατεσκευασμένας τοῖς πλείστου ἀξίοις, ἔτι δὲ πλήθει καὶ ἐπιστήμαις θεράποντας ἀρίστους κέκτησθε, ἱκανώτατοι δ' ἐστὲ κακῶσαι μὲν ἐχθροὺς, ὀνῆσαι δὲ φίλους. [2.3] πρὸς ταῦτα δὲ ὁ Ἰέρων εἶπεν· Ἀλλὰ τὸ μὲν <τὸ> πλῆθος τῶν ἀνθρώπων, ὃ Σιμωνίδη, ἐξαπατᾶσθαι ὑπὸ τῆς τυραννίδος οὐδέν τι θαυμάζω· μάλα γὰρ ὁ ὄχλος μοι δοκεῖ δοξάζειν ὅπῃ καὶ εὐδαίμονάς τινας εἶναι καὶ ἀθλίους· [2.4] ἡ δὲ τυραννὶς τὰ μὲν δοκοῦντα πολλοῦ ἄξια κτήματα εἶναι ἀνεπτυγμένα θεᾶσθαι φανερὰ πᾶσι παρέχεται, τὰ δὲ χαλεπὰ ἐν ταῖς ψυχαῖς τῶν τυράννων κέκτηται ἀποκεκρυμμένα, ἔνθα περ καὶ τὸ εὐδαιμονεῖν καὶ τὸ κακοδαιμονεῖν τοῖς ἀνθρώποις ἀπόκειται. [2.5] τὸ μὲν οὖν τὸ πλῆθος περὶ τούτου λεληθέναι, ὥσπερ εἶπον, οὐ θαυμάζω· τὸ δὲ καὶ ὑμᾶς ταῦτ' ἀγνοεῖν, οἳ διὰ τῆς γνώμης δοκεῖτε θεᾶσθαι κάλλιον ἢ διὰ τῶν ὀφθαλμῶν τὰ πλεῖστα τῶν πραγμάτων, τοῦτό μοι δοκεῖ θαυμαστὸν εἶναι. [2.6] ἐγὼ δὲ πεπειραμένος σαφῶς οἶδα, ὃ Σιμωνίδη, καὶ λέγω σοι ὅτι οἱ τύραννοι τῶν μεγίστων ἀγαθῶν ἐλάχιστα μετέχουσι, τῶν δὲ μεγίστων κακῶν πλεῖστα κέκτηνται. [2.7] αὐτίκα γὰρ εἰ μὲν εἰρήνη δοκεῖ μέγα ἀγαθὸν τοῖς ἀνθρώποις εἶναι, ταύτης ἐλάχιστον τοῖς τυράννοις μέτεστιν· εἰ δὲ πόλεμος μέγα κακόν, τούτου πλεῖστον μέρος οἱ τύραννοι μετέχουσιν. [2.8] εὐθὺς γὰρ τοῖς μὲν ιδιώταις, ἂν μὴ ἡ πόλις αὐτῶν κοινὸν πόλεμον πολέμῃ, ἔξεστιν ὅποι ἂν βούλωνται πορεύεσθαι μηδὲν φοβούμενους μή τις αὐτοὺς ἀποκτείνει, οἳ δὲ τύραννοι πάντες πανταχῇ ὥς διὰ πολεμίας πορεύονται. αὐτοὶ τε γοῦν ὥπλισμένοι οἴονται ἀνάγκην εἶναι διάγειν καὶ ἄλλους ὀπλοφόρους ἀεὶ συμπεριάγεσθαι. [2.9] ἔπειτα δὲ οἳ μὲν

ιδιώται, ἐὰν καὶ στρατεύονταί που εἰς πολέμῳαν, ἀλλ' οὖν ἐπειδάν γε ἔλθωσιν οἰκαδε, ἀσφάλειαν σφίσιν ἡγοῦνται εἶναι, οἱ δὲ τύραννοι ἐπειδάν εἰς τὴν ἑαυτῶν πόλιν ἀφίκωνται, τότε ἐν πλείστοις πολεμίοις ἴσασιν ὄντες. [2.10] ἐὰν δὲ δὴ καὶ ἄλλοι στρατεύωσιν εἰς τὴν πόλιν κρείττονες, ἐὰν ἔξω τοῦ τείχους ὄντες οἱ ἥττονες ἐν κινδύνῳ δοκῶσιν εἶναι, ἀλλ' ἐπειδάν γε εἴσω τοῦ ἐρύματος ἔλθωσιν, ἐν ἀσφαλείᾳ πάντες νομίζουσι καθεστάναι, ὁ δὲ τύραννος οὐδ' ἐπειδάν εἴσω τῆς οἰκίας παρέλθῃ ἐν ἀκινδύνῳ ἐστίν, ἀλλ' ἐνταῦθα δὴ καὶ μάλιστα φυλακτέον οἶεται εἶναι. [2.11] ἔπειτα τοῖς μὲν ιδιώταις καὶ διὰ σπονδῶν καὶ δι' εἰρήνης γίγνεται πολέμου ἀνάπαυσις, τοῖς δὲ τυράννοις οὔτε εἰρήνη ποτὲ πρὸς τοὺς τυραννευομένους γίγνεται οὔτε σπονδαῖς ἂν ποτε πιστεύσας ὁ τύραννος θαρρήσειε. [2.12] καὶ πόλεμοι μὲν δὴ εἰσιν οὓς τε αἱ πόλεις πολεμοῦσι καὶ οὓς οἱ τύραννοι πρὸς τοὺς βεβιασμένους· τούτων δὴ τῶν πολέμων ὅσα μὲν ἔχει χαλεπὰ ὁ ἐν ταῖς πόλεσι, ταῦτα καὶ ὁ τύραννος ἔχει. [2.13] καὶ γὰρ ἐν ὅπλοις δεῖ εἶναι ἀμφοτέρους καὶ φυλάττεσθαι καὶ κινδυνεύειν, καὶ ἂν τι πάθωσι κακὸν ἡττηθέντες, λυποῦνται ἐπὶ τούτοις ἐκάτεροι. [2.14] μέχρι μὲν δὴ τούτου ἴσοι οἱ πόλεμοι· ἃ δὲ ἔχουσιν ἡδέα οἱ ἴσυνόντες <ταῖς> πόλεσι πρὸς τὰς πόλεις, ταῦτα οὐκέτι ἔχουσιν οἱ τύραννοι. [2.15] αἱ μὲν γὰρ πόλεις δὴπου ὅταν κρατήσωσι μάχῃ τῶν ἐναντίων, οὐ ράϊδιον εἰπεῖν ὅσῃ μὲν ἡδονὴν ἔχουσιν ἐν τῷ τρέψασθαι τοὺς πολεμίους, ὅσῃ δ' ἐν τῷ διώκειν, ὅσῃ δ' ἐν τῷ ἀποκτείνειν τοὺς πολεμίους, ὥς δὲ γαυροῦνται ἐπὶ τῷ ἔργῳ, ὥς δὲ δόξαν λαμπρὰν ἀναλαμβάνουσιν, ὥς δ' εὐφραίνονται τὴν πόλιν νομίζοντες ἠϋζηκέναι. [2.16] ἕκαστος δὲ τις προσποιεῖται καὶ τῆς βουλῆς μετεσχηκέναι καὶ πλείστους ἀπεκτονέναι, χαλεπὸν δὲ εὐρεῖν ὅπου οὐχὶ καὶ ἐπιψεύδονται, πλέονας φάσκοντες ἀπεκτονέναι ἢ ὅσοι ἂν τῷ ὄντι ἀποθάνωσιν· οὕτω καλὸν τι αὐτοῖς δοκεῖ εἶναι τὸ πολὺ νικᾶν. [2.17] ὁ δὲ τύραννος ὅταν ὑποπτεύσῃ καὶ αἰσθανόμενος τῷ ὄντι ἀντιπραττομένους τινὰς ἀποκτείνει, οἶδεν ὅτι οὐκ αὖξει ὅλην τὴν πόλιν, ἐπίσταται τε ὅτι μειόνων ἄρξει, φαιδρός τε οὐ δύναται εἶναι οὐδὲ μεγαλύνεται ἐπὶ τῷ ἔργῳ, ἀλλὰ καὶ μειοῖ καθ' ὅσον ἂν δύνῃται τὸ γεγενημένον, καὶ ἀπολογεῖται ἅμα πράττων ὥς οὐκ ἀδικῶν πεποίηκεν. οὕτως οὐδ' αὐτῷ δοκεῖ καλὰ τὰ ποιούμενα εἶναι. [2.18] καὶ ὅταν ἀποθάνωσιν οὓς ἐφοβήθη, οὐδέν τι μᾶλλον τοῦτο θαρρεῖ, ἀλλὰ φυλάττεται ἔτι μᾶλλον ἢ τὸ πρόσθεν. καὶ πόλεμον μὲν δὴ τοιοῦτον ἔχων διατελεῖ ὁ τύραννος ὃν ἐγὼ δηλῶ.

[3.1] Φιλίας δ' αὖ καταθέασαι ὥς κοινωνοῦσιν οἱ τύραννοι. πρῶτον μὲν εἰ μέγα ἀγαθὸν ἀνθρώποις ἡ φιλία, τοῦτο ἐπισκεψώμεθα. [3.2] ὃς γὰρ ἂν φιλῇται δήπου ὑπὸ τινων, ἡδέως μὲν τοῦτον οἱ φιλοῦντες παρόντα ὀρώσιν, ἡδέως δ' εὖ ποιοῦσι, ποθοῦσι δέ, ἣν που ἀπῆι, ἥδιστα δὲ πάλιν προσιόντα δέχονται, συνήδονται δ' ἐπὶ τοῖς αὐτοῦ ἀγαθοῖς, συνεπικουροῦσι δέ, ἐάν τι σφαλλόμενον ὀρώσιν. [3.3] οὐ μὲν δὴ λέληθεν οὐδὲ τὰς πόλεις ὅτι ἡ φιλία μέγιστον ἀγαθὸν <καί> ἥδιστον ἀνθρώποις ἐστὶ· μόνους γοῦν τοὺς μοιχοὺς νομίζουσι πολλὰ τῶν πόλεων νηποινεῖ ἀποκτείνειν, δῆλον ὅτι διὰ ταῦτα ὅτι λυμαντήρας αὐτοὺς νομίζουσι τῆς τῶν γυναικῶν φιλίας πρὸς τοὺς ἄνδρας εἶναι. [3.4] ἐπεὶ ὅταν γε ἀφροδισιασθῇ κατὰ συμφορὰν τινα γυνή, οὐδὲν ἤττον τούτου ἔνεκεν τιμῶσιν αὐτὰς οἱ ἄνδρες, ἐάνπερ ἡ φιλία δοκῇ αὐταῖς ἀκήρατος διαμένειν· [3.5] τοσοῦτον δέ τι ἀγαθὸν κρίνω ἔγωγε τὸ φιλεῖσθαι εἶναι ὥστε νομίζω τῷ ὄντι αὐτόματα τάγαθὰ τῷ φιλουμένῳ γίνεσθαι καὶ παρὰ θεῶν καὶ παρὰ ἀνθρώπων· [3.6] καὶ τούτου τοίνυν τοῦ κτήματος τοιούτου ὄντος μειονεκτοῦσιν οἱ τύραννοι πάντων μάλιστα. εἰ δὲ βούλει, ὦ Σιμωνίδη, εἰδέναι ὅτι ἀληθῇ λέγω, ὧδε ἐπίσκεψαι. [3.7] βεβαίόταται μὲν γὰρ δήπου δοκοῦσι φιλίαι εἶναι γονεῦσι πρὸς παῖδας καὶ παισὶ πρὸς γονέας καὶ ἀδελφοῖς πρὸς ἀδελφούς καὶ γυναιξὶ πρὸς ἄνδρας καὶ ἐταίροις πρὸς ἐταίρους· [3.8] εἰ τοίνυν ἐθέλεις κατανοεῖν, εὐρήσεις τοὺς μὲν ιδιώτας ὑπὸ τούτων μάλιστα φιλουμένους, τοὺς δὲ τυράννους πολλοὺς μὲν παῖδας ἑαυτῶν ἀπεκτονότας, πολλοὺς δ' ὑπὸ παίδων αὐτοὺς ἀπολωλότας, πολλοὺς δὲ ἀδελφούς ἐν τυραννίσιν ἀλληλοφόνους γεγενημένους, πολλοὺς δὲ καὶ ὑπὸ γυναικῶν τῶν ἑαυτῶν τυράννους διεφθαρμένους καὶ ὑπὸ ἐταίρων γε τῶν μάλιστα δοκούντων φίλων εἶναι. [3.9] οἵτινες οὖν ὑπὸ τῶν φύσει πεφυκότων μάλιστα φιλεῖν καὶ νόμῳ συνηναγκασμένων οὕτω μισοῦνται, πῶς ὑπ' ἄλλου γέ τινος οἴεσθαι χρὴ αὐτοὺς φιλεῖσθαι;

[4.1] Ἀλλὰ μὴν καὶ πίστεως ὅστις ἐλάχιστον μετέχει, πῶς οὐχὶ μεγάλου ἀγαθοῦ μειονεκτεῖ; ποία μὲν γὰρ ξυνουσία ἡδεῖα ἄνευ πίστεως τῆς πρὸς ἀλλήλους, ποία δ' ἀνδρὶ καὶ γυναικὶ τερπνὴ ἄνευ πίστεως ὁμιλία, ποῖος δὲ θεράπων ἡδὺς ἀπιστούμενος; [4.2] καὶ τούτου τοίνυν τοῦ πιστῶς πρὸς τινὰς ἔχειν ἐλάχιστον μέτεστι τυράννῳ· ὁπότε γε οὐδὲ σιτίοις καὶ ποτοῖς πιστεύων διάγει, ἀλλὰ καὶ τούτων πρὶν ἀπάρχεσθαι τοῖς θεοῖς τοὺς διακόνους πρῶτον κελεύουσιν ἀπογεύεσθαι διὰ τὸ ἀπιστεῖν μὴ καὶ ἐν τούτοις κακὸν τι φάγωσιν ἢ

πίωσιν· [4.3] ἀλλὰ μὴν καὶ αἱ πατρίδες τοῖς μὲν ἄλλοις ἀνθρώποις πλείστου ἄξιαί. πολῖται γὰρ δορυφοροῦσι μὲν ἀλλήλους ἄνευ μισθοῦ ἐπὶ τοὺς δούλους, δορυφοροῦσι δ' ἐπὶ τοὺς κακούργους, ὑπὲρ τοῦ μηδένα τῶν πολιτῶν βιαίῳ θανάτῳ ἀποθνήσκειν. [4.4] οὕτω δὲ πόρρῳ προεληλύθασι φυλακῆς ὥστε πεποίηνται πολλοὶ νόμον τῷ μαιφόνῳ μηδὲ τὸν συνόντα καθαρεύειν· ὥστε διὰ τὰς πατρίδας ἀσφαλῶς ἕκαστος βιοτεύει τῶν πολιτῶν. [4.5] τοῖς δὲ τυράννοις καὶ τοῦτο ἔμπαλιν ἀνέστραπται. ἀντὶ γὰρ τοῦ τιμωρεῖν αἱ πόλεις αὐτοῖς μεγάλως τιμῶσι τὸν ἀποκτείναντα τὸν τύραννον, καὶ ἀντὶ γε τοῦ εἵργειν ἐκ τῶν ἱερῶν, ὥσπερ τοὺς τῶν ιδιωτῶν φονέας, ἀντὶ τούτου καὶ εἰκόνας ἐν τοῖς ἱεροῖς ἰσθᾶσιν αἱ πόλεις τῶν τοιοῦτόν τι ποιησάντων.

[4.6] Εἰ δὲ σὺ οἶει ὡς πλείῳ ἔχων τῶν ιδιωτῶν κτήματα ὁ τύραννος διὰ τοῦτο καὶ πλείῳ ἀπ' αὐτῶν εὐφραίνεται, οὐδὲ τοῦτο οὕτως ἔχει, ὃ Σιμωνίδῃ, ἀλλ' ὥσπερ οἱ ἀθληταὶ οὐχ ὅταν ιδιωτῶν γένωνται κρείττονες, τοῦτ' αὐτοὺς εὐφραίνει, ἀλλ' ὅταν τῶν ἀνταγωνιστῶν ἥττους, τοῦτ' αὐτοὺς ἀνιᾷ, οὕτω καὶ ὁ τύραννος οὐχ ὅταν τῶν ιδιωτῶν πλείῳ φαίνεται ἔχων, τότε εὐφραίνεται, ἀλλ' ὅταν ἐτέρων τυράννων ἐλάττω ἔχη, τοῦτῳ λυπεῖται· τούτους γὰρ ἀνταγωνιστὰς ἡγεῖται αὐτῷ τοῦ πλούτου εἶναι. [4.7] οὐδὲ γε θᾶπτόν <τι> γίγνεται τῷ τυράννῳ ἢ τῷ ιδιώτῃ ὧν ἐπιθυμεῖ. ὁ μὲν γὰρ ιδιώτης οἰκίας ἢ ἀγροῦ ἢ οἰκέτου ἐπιθυμεῖ, ὁ δὲ τύραννος ἢ πόλεων ἢ χώρας πολλῆς ἢ λιμένων ἢ ἀκροπόλεων ἰσχυρῶν, ἃ ἔστι πολὺ χαλεπώτερα καὶ ἐπικινδυνότερα κατεργάσασθαι τῶν ιδιωτικῶν ἐπιθυμημάτων. [4.8] ἀλλὰ μέντοι καὶ πένητας ὄψει [οὐχ] οὕτως ὀλίγους τῶν ιδιωτῶν ὡς πολλοὺς τῶν τυράννων. οὐ γὰρ τῷ ἀριθμῷ οὔτε τὰ πολλὰ κρίνεται οὔτε τὰ ὀλίγα, ἀλλὰ πρὸς τὰς χρήσεις· ὥστε τὰ μὲν ὑπερβάλλοντα τὰ ἱκανὰ πολλὰ ἔστι, τὰ δὲ τῶν ἱκανῶν ἐλλείποντα ὀλίγα. [4.9] τῷ οὖν τυράννῳ τὰ πολλαπλάσια ἥττον ἱκανά ἐστιν εἰς τὰ ἀναγκαῖα δαπανήματα ἢ τῷ ιδιώτῃ. τοῖς μὲν γὰρ ιδιώταις ἔξεστι τὰς δαπάνας συντέμνειν εἰς τὰ καθ' ἡμέραν ὅπῃ βούλονται, τοῖς δὲ τυράννοις οὐκ ἐνδέχεται. αἱ γὰρ μέγισται αὐτοῖς δαπάναι καὶ ἀναγκαιόταται εἰς τὰς τῆς ψυχῆς φυλακὰς εἰσι· τὸ δὲ τούτων τι συντέμνειν ὀλεθρὸς δοκεῖ εἶναι. [4.10] ἔπειτα δὲ ὅσοι μὲν δύνανται ἔχειν ἀπὸ τοῦ δικαίου ὅσων δέονται, τί ἂν τούτους οἰκτίροι τις ὡς πένητας; ὅσοι δ' ἀναγκάζονται δι' ἔνδειαν κακόν τι καὶ αἰσχρὸν μηχανώμενοι ζῆν, πῶς οὐ τούτους ἀθλίους ἂν τις καὶ πένητας δικαίως νομίζοι; [4.11] οἱ

τύραννοι τοίνυν ἀναγκάζονται πλείστα συλᾶν ἀδίκως καὶ ἱερὰ καὶ ἀνθρώπους διὰ τὸ εἰς τὰς ἀναγκαίας δαπάνας ἀεὶ προσδεῖσθαι χρημάτων. ὥσπερ γὰρ πολέμου ὄντος ἀεὶ ἀναγκάζονται στράτευμα τρέφειν ἢ ἀπολωλέναι.

[5.1] Χαλεπὸν δ' ἐρῶ σοι καὶ ἄλλο πάθημα, ὃ Σιμωνίδῃ, τῶν τυράννων. γινώσκουσι μὲν γὰρ οὐδὲν ἥττον τῶν ἰδιωτῶν τοὺς ἀλκίμους τε καὶ σοφοὺς καὶ δικαίους. τούτους δ' ἀντὶ τοῦ ἄγασθαι φοβοῦνται, τοὺς μὲν ἀνδρείους, μή τι τολμήσωσι τῆς ἐλευθερίας ἕνεκεν, τοὺς δὲ σοφοὺς, μή τι μηχανήσωνται, τοὺς δὲ δικαίους, μή ἐπιθυμήσῃ τὸ πλῆθος ὑπ' αὐτῶν προστατεῖσθαι. [5.2] ὅταν δὲ τοὺς τοιούτους διὰ τὸν φόβον ὑπεξαίρωνται, τίνες ἄλλοι αὐτοῖς καταλείπονται χρῆσθαι ἀλλ' ἢ οἱ ἄδικοί τε καὶ ἀκρατεῖς καὶ ἀνδραποδώδεις; οἱ μὲν ἄδικοι πιστευόμενοι, διότι φοβοῦνται ὥσπερ οἱ τύραννοι τὰς πόλεις μήποτε ἐλεύθεραι γενόμεναι ἐγκρατεῖς αὐτῶν γένωνται, οἱ δ' ἀκρατεῖς τῆς εἰς τὸ παρὸν ἐξουσίας ἕνεκα, οἱ δ' ἀνδραποδώδεις, διότι οὐδ' αὐτοὶ ἀξιοῦσιν ἐλεύθεροι εἶναι. χαλεπὸν οὖν καὶ τοῦτο τὸ πάθημα ἔμοιγε δοκεῖ εἶναι, τὸ ἄλλους μὲν ἡγεῖσθαι ἀγαθοὺς ἄνδρας, ἄλλοις δὲ χρῆσθαι ἀναγκάζεσθαι. [5.3] ἔτι δὲ φιλόπολιν μὲν ἀνάγκη καὶ τὸν τύραννον εἶναι· ἄνευ γὰρ τῆς πόλεως οὔτ' ἂν σώιζεσθαι δύναίτο οὔτ' εὐδαιμονεῖν· ἡ δὲ τυραννὶς ἀναγκάζει καὶ ταῖς ἑαυτῶν πατρίσιν ἐνοχλεῖν. οὔτε γὰρ ἀλκίμους οὔτ' εὐόπλους χαίρουσι τοὺς πολίτας παρασκευάζοντες, ἀλλὰ τοὺς ξένους δεινότερους τῶν πολιτῶν ποιοῦντες ἡδοναὶ μάλλον καὶ τούτοις χρῶνται δορυφόροις. [5.4] ἀλλὰ μὴν οὐδ' ἂν εὐετηριῶν γενομένων ἀφθονία τῶν ἀγαθῶν γίγνηται, οὐδὲ τότε συγχαίρει ὁ τύραννος. ἐνδεεστέροις γὰρ οὕσι ταπεινότεροις αὐτοῖς οἴονται χρῆσθαι.

[6.1] Βούλομαι δέ σοι, ἔφη, ὃ Σιμωνίδῃ, κακεῖνας τὰς εὐφροσύνας δηλῶσαι ὅσαις ἐγὼ χρώμενος ὅτ' ἦν ἰδιώτης, νῦν ἐπειδὴ τύραννος ἐγενόμην, αἰσθάνομαι στερόμενος αὐτῶν. [6.2] ἐγὼ γὰρ ξυνῆν μὲν ἡλικιώταις ἡδόμενος ἡδομένοις ἐμοί, συνῆν δὲ ἐμαυτῷ, ὅποτε ἡσυχίας ἐπιθυμήσαιμι, διηγὼν δ' ἐν συμποσίοις πολλάκις μὲν μέχρι τοῦ ἐπιλαθέσθαι πάντων εἴ τι χαλεπὸν ἐν ἀνθρωπίνῳ βίῳ ἦν, πολλάκις δὲ μέχρι τοῦ ὠιδᾶς τε καὶ θαλίαις καὶ χοροῖς τὴν ψυχὴν συγκαταμιγνύναι, πολλάκις δὲ μέχρι κοίτης ἐπιθυμίας ἐμῆς τε καὶ τῶν παρόντων. [6.3] νῦν δὲ ἀπεστέρημαι μὲν τῶν ἡδομένων ἐμοὶ διὰ τὸ δούλους ἀντὶ φίλων ἔχειν τοὺς ἐταίρους, ἀπεστέρημαι δ' αὖ τοῦ

ἡδέως ἐκείνοις ὁμιλεῖν διὰ τὸ μηδεμίαν ἐνορᾶν εὖνοϊαν ἐμοὶ παρ' αὐτῶν· μέθην δὲ καὶ ὕπνον ὁμοίως ἐνέδραι φυλάττομαι. [6.4] τὸ δὲ φοβεῖσθαι μὲν ὄχλον, φοβεῖσθαι δ' ἐρημίαν, φοβεῖσθαι δὲ ἀφυλαξίαν, φοβεῖσθαι δὲ καὶ αὐτοὺς τοὺς φυλάττοντας, καὶ μήτ' ἀόπλους ἔχειν ἐθέλγειν περὶ αὐτὸν μήθ' ὠπλισμένους ἡδέως θεᾶσθαι, πῶς οὐκ ἀργαλέον ἐστὶ πρᾶγμα; [6.5] ἔτι δὲ ξένοις μὲν μᾶλλον ἢ πολίταις πιστεύειν, βαρβάροις δὲ μᾶλλον ἢ Ἑλλησιν, ἐπιθυμεῖν δὲ τοὺς μὲν ἐλευθέρους δούλους ἔχειν, τοὺς δὲ δούλους ἀναγκάζεσθαι ποιεῖν ἐλευθέρους, οὐ πάντα σοι ταῦτα δοκεῖ ψυχῆς ὑπὸ φόβων καταπεπληγμένης τεκμήρια εἶναι; [6.6] ὃ γέ τοι φόβος οὐ μόνον αὐτὸς ἐνὼν ταῖς ψυχαῖς λυπηρὸς ἐστίν, ἀλλὰ καὶ πάντων τῶν ἡδέων συμπαρακολουθῶν λυμεὼν γίγνεται. [6.7] εἰ δὲ καὶ σὺ πολεμικῶν ἔμπειρος εἶ, ὦ Σιμωνίδη, καὶ ἤδη ποτὲ πολεμίαι φάλαγγι πλησίον ἀντετάξω, ἀναμνήσθητι ποῖον μὲν τινα σῖτον ἡירוῦ ἐν ἐκείνῳ τῷ χρόνῳ, ποῖον δὲ τινα ὕπνον ἐκοιμῶ. [6.8] οἷα μέντοι σοὶ τότε ἦν τὰ λυπηρά, τοιαῦτά ἐστι τὰ τῶν τυράννων καὶ ἔτι δεινότερα· οὐ γὰρ ἐξ ἐναντίας μόνον, ἀλλὰ καὶ πάντοθεν πολεμίους ὁρᾶν νομίζουσιν οἱ τύραννοι. [6.9] ταῦτα δ' ἀκούσας ὁ Σιμωνίδης ὑπολαβὼν εἶπεν Ὑπέρει μοι δοκεῖς ἓν ἄν λέγειν. ὁ γὰρ πόλεμος φοβερὸν μὲν, ἀλλ' ὅμως, ὦ Ἰέρων, ἡμεῖς γε ὅταν ὦμεν ἐν στρατείᾳ, φύλακας προκαθιστάμενοι θαρραλέως δείπνου τε καὶ ὕπνου λαγχάνομεν. [6.10] καὶ ὁ Ἰέρων ἔφη· Ναὶ μὰ Δία, ὦ Σιμωνίδη· αὐτῶν μὲν γὰρ προφυλάττουσιν οἱ νόμοι, ὥστε περὶ ἑαυτῶν φοβοῦνται καὶ ὑπὲρ ὧν οἱ δὲ τύραννοι μισθοῦ φύλακας ἔχουσιν ὥσπερ θεριστάς. [6.11] καὶ δεῖ μὲν δήπου τοὺς φύλακας μηδὲν οὕτω ποιεῖν δύνασθαι ὥς πιστοὺς εἶναι· πιστὸν δὲ ἓνα πολὺ χαλεπώτερον εὐρεῖν ἢ πάνυ πολλοὺς ἐργάτας ὁποίου βούλει ἔργου, ἄλλως τε καὶ ὁπότεν χρημάτων μὲν ἔνεκα παρῶσιν οἱ φυλάττοντες, ἐξῆι δ' αὐτοῖς ἐν ὀλίγῳ χρόνῳ πολὺ πλείω λαβεῖν ἀποκτεῖναι τὸν τύραννον ἢ ὅσα πολὺν χρόνον φυλάττοντες παρὰ τοῦ τυράννου λαμβάνουσιν. [6.12] ὃ δ' ἐξήλωσας ἡμᾶς ὥς τοὺς μὲν φίλους μάλιστα εὖ ποιεῖν δυνάμεθα, τοὺς δὲ ἐχθροὺς πάντων μάλιστα χειρούμεθα, οὐδὲ ταῦθ' οὕτως ἔχει. [6.13] φίλους μὲν γὰρ πῶς ἂν νομίσεις ποτὲ εὖ ποιεῖν, ὅταν εὖ εἰδῆς ὅτι ὁ τὰ πλείστα λαμβάνων παρὰ σοῦ ἥδιστ' ἂν ὥς τάχιστα ἐξ ὀφθαλμῶν σου γένοιτο; ὃ τι γὰρ ἂν τις λάβῃ παρὰ τυράννου, οὐδεὶς οὐδὲν ἑαυτοῦ νομίζει πρὶν ἂν ἔξω τῆς τούτου ἐπικρατείας γένηται. [6.14] ἐχθροὺς δ' αὖ πῶς ἂν φαίης μάλιστα τοῖς τυράννοις ἐξεῖναι

χειροῦσθαι, ὅταν εὖ εἰδῶσιν ὅτι ἐχθροὶ αὐτῶν εἰσι πάντες οἱ τυραννούμενοι, τούτους δὲ μήτε κατακαίνειν ἅπαντας μήτε δεσμεύειν οἷόν τε ἦι [τίνων γὰρ ἔτι ἄρξει;] [6.15] ἀλλ' εἰδότα ὅτι ἐχθροὶ εἰσι, τούτους ἅμα μὲν φυλάττεσθαι δέηι, καὶ χρῆσθαι δ' αὐτοῖς ἀναγκάζηται; εὖ δ' ἴσθι καὶ τοῦτο, ὃ Σιμωνίδη, ὅτι καὶ οὖς τῶν πολιτῶν δεδίασι χαλεπῶς μὲν αὐτοὺς ζῶντας ὁρῶσι, χαλεπῶς δ' ἀποκτείνουσιν· ὥσπερ γε καὶ ἵππος εἰ ἀγαθὸς μὲν εἴη, φοβερὸς δὲ μὴ ἀνήκεστόν τι ποιήσῃ, χαλεπῶς μὲν ἂν τις αὐτὸν ἀποκτείνει διὰ τὴν ἀρετὴν, χαλεπῶς δὲ ζῶντι χρῶιτο, [6.16] εὐλαβούμενος μή τι ἀνήκεστον ἐν τοῖς κινδύνοις ἐργάσῃται, καὶ τᾶλλα γε κτήματα ὅσα χαλεπὰ μὲν χρήσιμα δ' ἐστίν, ὁμοίως ἅπαντα λυπεῖ μὲν τοὺς κεκτημένους, λυπεῖ δὲ ἀπαλλαττομένους.

[7.1] Ἐπεὶ δὲ ταῦτα αὐτοῦ ἤκουσεν ὁ Σιμωνίδης, εἶπεν· Ἔοικεν, ἔφη, ὃ Ἰέρων, μέγα τι εἶναι ἡ τιμὴ, ἥς ὀρεγόμενοι οἱ ἄνθρωποι πάντα μὲν πόνον ὑποδύονται, πάντα δὲ κίνδυνον ὑπομένουσι. [7.2] καὶ ὑμεῖς, ὥς ἔοικε, τοσαῦτα πράγματα ἐχούσης ὅποσα λέγεις τῆς τυραννίδος, ὅμως προπετῶς φέρεσθε εἰς αὐτήν, ὅπως τιμᾶσθε καὶ ὑπηρετῶσι μὲν ὑμῖν πάντες πάντα τὰ προσταττόμενα ἀπροφασίστως, περιβλέπωσι δὲ πάντες, ὑπανιστῶνται δ' ἀπὸ τῶν θάκων ὁδῶν τε παραχωρῶσι, γεραίρωσι δὲ καὶ λόγοις καὶ ἔργοις πάντες οἱ παρόντες ἀεὶ ὑμᾶς· τοιαῦτα γὰρ δὴ ποιοῦσι τοῖς τυράννοις οἱ ἀρχόμενοι καὶ ἄλλον ὄντιν' ἂν ἀεὶ τιμῶντες τυγχάνωσι. [7.3] καὶ γὰρ μοι δοκεῖ, ὃ Ἰέρων, τούτῳ διαφέρειν ἀνὴρ τῶν ἄλλων ζῶων, τῷ τιμῆς ὀρέγεσθαι. ἐπεὶ σιτίοις γε καὶ ποτοῖς καὶ ὕπνοις καὶ ἀφροδισίοις πάντα ὁμοίως ἡδεσθαι ἔοικε τὰ ζῶα· ἡ δὲ φιλοτιμία οὐτ' ἐν τοῖς ἀλόγοις ζώοις ἐμφύεται οὐτ' ἐν ἅπασιν ἀνθρώποις· οἷς δ' ἂν ἐμφύη τιμῆς τε καὶ ἐπαίνου ἔρως, οὗτοί εἰσιν ἤδη οἱ πλεῖστον μὲν τῶν βοσκημάτων διαφέροντες, ἄνδρες δὲ καὶ οὐκέτι ἄνθρωποι μόνον νομιζόμενοι. [7.4] ὥστε ἐμοὶ μὲν εἰκότως δοκεῖτε ταῦτα πάντα ὑπομένειν ἃ φέρετε ἐν τῇ τυραννίδι, ἐπεὶ περ τιμᾶσθε διαφερόντως τῶν ἄλλων ἀνθρώπων. καὶ γὰρ οὐδεμία ἀνθρωπίνη ἡδονὴ τοῦ θείου ἐγγυτέρω δοκεῖ εἶναι ἢ ἡ περὶ τὰς τιμὰς εὐφροσύνη. [7.5] πρὸς ταῦτα δὴ εἶπεν ὁ Ἰέρων· Ἀλλ', ὃ Σιμωνίδη, καὶ αἱ τιμαὶ τῶν τυράννων ὅμοιαι ἐμοὶ δοκοῦσιν εἶναι οἷά περ ἐγὼ σοὶ τὰ ἀφροδίσια ὄντα αὐτῶν ἀπέδειξα. [7.6] οὕτε γὰρ αἱ μὴ ἐξ ἀντιφιλοῦντων ὑπουργίαι χάριτες ἡμῖν ἐδόκουν εἶναι οὕτε τὰ ἀφροδίσια τὰ βίαια ἡδέα ἐφαίνετο. ὡσαύτως τοίνυν οὐδὲ αἱ ὑπουργίαι <αἱ> ὑπὸ τῶν φοβουμένων τιμαὶ εἰσι. [7.7] πῶς γὰρ ἂν

φαίμεν ἢ τοὺς βίαι ἐξανισταμένους θάκων διὰ τὸ τιμᾶν τοὺς ἀδικοῦντας ἐξανίστασθαι, ἢ τοὺς ὁδῶν παραχωροῦντας τοῖς κρείττοσι διὰ τὸ τιμᾶν τοὺς ἀδικοῦντας παραχωρεῖν; [7.8] καὶ δῶρά γε διδόασιν οἱ πολλοὶ τούτοις οὕς μισοῦσι, καὶ ταῦτα ὅταν μάλιστα φοβῶνται μὴ τι κακὸν ὑπ' αὐτῶν πάθωσιν. ἀλλὰ ταῦτα μὲν οἶμαι δουλείας ἔργα εἰκότως ἂν νομίζοιτο· αἱ δὲ τιμαὶ ἔμοιγε δοκοῦσιν ἐκ τῶν ἐναντίων τούτοις γίνεσθαι. [7.9] ὅταν γὰρ ἄνθρωποι ἄνδρα ἡγησάμενοι εὐεργετῇν ἱκανὸν εἶναι, καὶ ἀπολαύειν αὐτοῦ ἀγαθὰ νομίσαντες, ἔπειτα τοῦτον ἀνὰ στόμα τε ἔχουσιν ἐπαινοῦντες, θεῶνται τ' αὐτὸν ὡς οἰκεῖον ἕκαστος ἀγαθόν, ἐκόντες τε παραχωρῶσι τούτῳ ὁδῶν καὶ θάκων ὑπανιστῶνται φιλοῦντές τε καὶ μὴ φοβούμενοι, καὶ στεφανῶσι κοινῆς ἀρετῆς καὶ εὐεργεσίας ἕνεκα, καὶ δωρεῖσθαι ἐθέλωσιν, οἱ αὐτοὶ οὗτοι ἔμοιγε δοκοῦσι τιμᾶν τε τοῦτον ἀληθῶς οἱ ἂν τοιαῦτα ὑπουργήσωσι καὶ ὁ τούτων ἀξιούμενος τιμᾶσθαι τῷ ὄντι. [7.10] καὶ ἔγωγε τὸν μὲν οὕτω τιμώμενον μακαρίζω· αἰσθάνομαι γὰρ αὐτὸν οὐκ ἐπιβουλεύομενον ἀλλὰ φροντιζόμενον μὴ τι πάθῃ καὶ ἀφόβως καὶ ἀνεπιφθόνως καὶ ἀκινδύνως καὶ εὐδαιμόνως τὸν βίον διάγοντα· ὁ δὲ τύραννος ὡς ὑπὸ πάντων ἀνθρώπων κατακεκριμένος δι' ἀδικίαν ἀποθνήσκειν, οὕτως, ὃ Σιμωνίδῃ, εὖ ἴσθι, καὶ νύκτα καὶ ἡμέραν διάγει. [7.11] ἐπεὶ δὲ ταῦτα πάντα διήκουσεν ὁ Σιμωνίδης, Καὶ πῶς, ἔφη, ὃ Ἰέρων, εἰ οὕτως πονηρόν ἐστι τὸ τυραννεῖν καὶ τοῦτο σὺ ἔγνωκας, οὐκ ἀπαλλάττηι οὕτω μεγάλου κακοῦ, ἀλλ' οὔτε σὺ οὔτε ἄλλος μὲν δὴ οὐδεὶς πώποτε ἐκὼν εἶναι τυραννίδος ἀφεῖτο, ὅσπερ [ἂν] ἅπαξ κτήσαιτο; [7.12] Ὅτι, ἔφη, ὃ Σιμωνίδῃ, καὶ ταύτῃ ἀθλιώτατόν ἐστιν ἢ τυραννίς· οὐδὲ γὰρ ἀπαλλαγῆναι δυνατόν αὐτῆς ἐστι. πῶς γὰρ ἂν τίς ποτε ἐξαρκέσειε τύραννος ἢ χρήματα ἐκτίνων ὅσους ἀφείλετο ἢ δεσμοὺς ἀντιπάσχων ὅσους δὴ ἐδέσμευσεν, ἢ ὅσους κατέκανε πῶς ἂν ἱκανὰς ψυχὰς ἀντιπαράσχοιτο ἀποθανουμένας;; [7.13] ἀλλ' εἴπερ τῷ ἄλλῳ, ὃ Σιμωνίδῃ, λυσιτελεῖ ἀπάγξασθαι, ἴσθι, ἔφη, ὅτι τυράννῳ ἔγωγε εὐρίσκω μάλιστα τοῦτο λυσιτελοῦν ποιῆσαι. μόνῳ γὰρ αὐτῷ οὔτε ἔχειν οὔτε καταθέσθαι τὰ κακὰ λυσιτελεῖ.

[8.1] Καὶ ὁ Σιμωνίδης ὑπολαβὼν εἶπεν· Ἀλλὰ τὸ μὲν νῦν, ὃ Ἰέρων, ἀθύμως ἔχειν σε πρὸς τὴν τυραννίδα οὐ θαυμάζω, ἐπεὶ περ ἐπιθυμῶν φιλεῖσθαι ὑπ' ἀνθρώπων ἐμποδὼν σοι τούτου νομίζεις αὐτὴν εἶναι. ἐγὼ μέντοι ἔχειν μοι δοκῶ διδάξαι σε ὡς τὸ ἄρχειν οὐδὲν ἀποκωλύει τοῦ φιλεῖσθαι, ἀλλὰ κα21 πλεονεκτεῖ γε τῆς ιδιωτείας. [8.2]

ἐπισκοποῦντες δὲ αὐτὸ εἰ οὕτως ἔχει μήπω ἐκεῖνο σκοπῶμεν, εἰ διὰ τὸ μείζον δύνασθαι ὁ ἄρχων καὶ χαρίζεσθαι πλείω δύναιτ' ἂν, ἀλλ' ἂν τὰ ὅμοια ποιῶσιν ὃ τε ιδιώτης καὶ ὁ τύραννος, ἐννόει πότερος μείζω ἀπὸ τῶν ἴσων κτᾶται χάριν. ἄρξομαι δέ σοι ἀπὸ τῶν μικροτάτων παραδειγμάτων. [8.3] ἰδὼν γὰρ πρῶτον προσειπάτω τινὰ φιλικῶς ὃ τε ἄρχων καὶ ὁ ιδιώτης· ἐν τούτῳ τὴν ποτέρου πρόσρησιν μᾶλλον εὐφραίνειν τὸν ἀκούσαντα νομίζεις; ἴθι δὴ ἐπαινεσάντων ἀμφοτέρου τὸν αὐτόν· τὸν ποτέρου δοκεῖς ἔπαινον ἐξικνεῖσθαι μᾶλλον εἰς εὐφροσύνην; θύσας δὲ τιμησάτω ἐκάτερος· τὴν παρὰ ποτέρου τιμὴν μείζονος ἂν χάριτος δοκεῖς τυγχάνειν; [8.4] κάμνοντα θεραπευσάτωσαν ὁμοίως· οὐκοῦν τοῦτο σαφές ὅτι αἱ ἀπὸ τῶν δυνατωτάτων θεραπείαι καὶ χαρὰν ἐμποιοῦσι μεγίστην; δότωσαν δὴ τὰ ἴσα· οὐ καὶ ἐν τούτῳ σαφές ὅτι αἱ ἀπὸ τῶν δυνατωτάτων ἡμίσειαι χάριτες πλέον ἢ ὅλον τὸ παρὰ τοῦ ιδιώτου δῶρημα δύνανται; [8.5] ἀλλ' ἔμοιγε δοκεῖ καὶ ἐκ θεῶν τιμὴ τις καὶ χάρις συμπαρέπεσθαι ἀνδρὶ ἄρχοντι. μὴ γὰρ ὅτι καλλίονα ποιεῖ ἄνδρα, ἀλλὰ καὶ τὸν αὐτὸν τοῦτον ἡδίων θεώμεθά τε ὅταν ἄρχῃ ἢ ὅταν ιδιωτεύῃ, διαλεγόμενοί τε ἀγαλλόμεθα τοῖς προτετιμημένοις μᾶλλον ἢ τοῖς ἐκ τοῦ ἴσου ἡμῖν οὔσι. [8.6] καὶ μὴν παιδικὰ γε, ἐν οἷς δὴ καὶ σὺ μάλιστα κατεμέμψω τὴν τυραννίδα, ἥκιστα μὲν γῆρας ἄρχοντος δυσχεραίνει, ἥκιστα δ' αἴσχος, πρὸς ὃν ἂν τυγχάνῃ ὁμιλῶν, τούτου ὑπολογίζεται. αὐτὸ γὰρ τὸ τετιμῆσθαι μάλιστα συνεπικοσμεῖ, ὥστε τὰ μὲν δυσχερῇ ἀφανίζειν, τὰ δὲ καλὰ λαμπρότερα ἀναφαίνειν. [8.7] ὅποτε γε μὴν ἐκ τῶν ἴσων ὑπουργημάτων μειζόνων χαρίτων ὑμεῖς τυγχάνετε, πῶς οὐκ ἐπειδάν γε ὑμεῖς πολλαπλάσια μὲν διαπράττοντες ὠφελεῖν δύνησθε, πολλαπλάσια δὲ δωρεῖσθαι ἔχητε, ὑμᾶς καὶ πολὺ μᾶλλον φιλεῖσθαι τῶν ιδιωτῶν προσήκει; [8.8] καὶ ὁ Ἰέρων εὐθύς ὑπολαβὼν, "Ὅτι νῆ Δί", ἔφη, ὦ Σιμωνίδη, καὶ ἐξ ὧν ἀπεχθάνονται ἄνθρωποι, ἡμᾶς πολὺ πλείω τῶν ιδιωτῶν ἀνάγκη ἐστὶ πραγματεύεσθαι. [8.9] πρακτέον μὲν γε χρήματα, εἰ μέλλομεν ἔξειν δαπανᾶν εἰς τὰ δέοντα, ἀναγκαστέον δὲ φυλάττειν ὅσα δεῖται φυλακῆς, κολαστέον δὲ τοὺς ἀδίκους, κωλυτέον δὲ τοὺς ὑβρίζειν βουλομένους· καὶ ὅταν γε τάχους καιρὸς παραστήῃ ἢ πεζῇ ἢ κατὰ θάλατταν ἐξορμαῖσθαι, οὐκ ἐπιτρεπτέον τοῖς ραιδιουργοῦσιν. [8.10] ἔτι δὲ μισθοφόρων μὲν ἀνδρὶ τυράννῳ δεῖ· τούτου δὲ βαρύτερον φόρημα οὐδέν ἐστι τοῖς πολίταις. οὐ γὰρ τυράννοις ἰσοτιμίας, ἀλλὰ πλεονεξίας ἕνεκα νομίζουσι τούτους τρέφεσθαι.

[9.1] Πρὸς ταῦτα δὴ πάλιν εἶπεν ὁ Σιμωνίδης· Ἄλλ' ὅπως μὲν οὐ πάντων τούτων ἐπιμελητέον, ὃ Ἰέρων, οὐ λέγω. ἐπιμέλειαί μέντοι μοι δοκοῦσιν αἱ μὲν πάνυ πρὸς ἔχθραν ἄγειν, αἱ δὲ πάνυ διὰ χαρίτων εἶναι. [9.2] τὸ μὲν γὰρ διδάσκειν ἃ ἐστὶ βέλτιστα καὶ τὸν κάλλιστα ταῦτα ἐξεργαζόμενον ἐπαινεῖν καὶ τιμᾶν, αὕτη μὲν ἡ ἐπιμέλεια διὰ χαρίτων γίγνεται, τὸ δὲ τὸν ἐνδεῶς τι ποιοῦντα λοιδορεῖν τε καὶ ἀναγκάζειν καὶ ζημιοῦν καὶ κολάζειν, ταῦτα δὲ ἀνάγκη δι' ἀπεχθείας μᾶλλον γίνεσθαι. [9.3] ἐγὼ οὖν φημι ἀνδρὶ ἄρχοντι τὸν μὲν ἀνάγκης δεόμενον ἄλλοις προστακτέον εἶναι κολάζειν, τὸ δὲ τὰ ἄθλα ἀποδιδόναι δι' αὐτοῦ ποιητέον. ὥς ταῦτα καλῶς ἔχει μαρτυρεῖ τὰ γινόμενα. [9.4] καὶ γὰρ ὅταν χοροὺς ἡμῖν βουλώμεθα ἀγωνίζεσθαι, ἄθλα μὲν ὁ ἄρχων προτίθῃσιν, ἀθροίζειν δὲ αὐτοὺς προστέτακται χορηγοῖς καὶ ἄλλοις διδάσκειν καὶ ἀνάγκην προστιθέναι τοῖς ἐνδεῶς τι ποιοῦσιν. οὐκοῦν εὐθὺς ἐν τούτοις τὸ μὲν ἐπίχαρι διὰ τοῦ ἄρχοντος ἐγένετο, τὰ δ' ἀντίτυπα δι' ἄλλων. [9.5] τί οὖν κωλύει καὶ τᾶλλα τὰ πολιτικὰ οὕτως περαίνεισθαι; διήρηνται μὲν γὰρ ἅπασαι αἱ πόλεις αἱ μὲν κατὰ φυλάς, αἱ δὲ κατὰ μόρας, αἱ δὲ κατὰ λόχους, καὶ ἄρχοντες ἐφ' ἐκάστωι μέρει ἐφεστήκασιν. [9.6] οὐκοῦν εἴ τις καὶ τούτοις ὥσπερ τοῖς χοροῖς ἄθλα προτιθεῖη καὶ εὐοπλίας καὶ εὐταξίας καὶ ἱππικῆς καὶ ἀλκῆς τῆς ἐν πολέμῳ καὶ δικαιοσύνης τῆς ἐν συμβολαίοις, εἰκὸς καὶ ταῦτα πάντα διὰ φιλονικίαν ἐντόνως ἀσκεῖσθαι. [9.7] καὶ ναὶ μὰ Δία ὁρμῶντό γ' ἂν θᾶπτον ὅποι δέοι, τιμῆς ὀρεγόμενοι, καὶ χρήματα θᾶπτον <ἂν> εἰσφέροιεν, ὁπότε τούτου καιρὸς εἴη, καὶ τὸ πάντων γε χρησιμώτατον, ἥκιστα δὲ εἰθισμένον διὰ φιλονοκίας πράττεσθαι, ἡ γεωργία αὐτῇ ἂν πολὺ ἐπιδόη, εἴ τις ἄθλα προτιθεῖη κατ' ἀγροὺς ἢ κατὰ κώμας τοῖς κάλλιστα τὴν γῆν ἐξεργαζομένοις, καὶ τοῖς εἰς τοῦτο τῶν πολιτῶν ἐρρωμένως τρεπομένοις πολλὰ ἂν ἀγαθὰ περαίνοντο. [9.8] καὶ γὰρ αἱ πρόσοδοι αὖξουσιν' ἂν, καὶ ἡ σωφροσύνη πολὺ μᾶλλον σὺν τῇ ἀσχολίᾳ συμπαρομαρτεῖ. καὶ μὴν κακουργαί γε ἦττον τοῖς ἐνεργοῖς ἐμφύονται. [9.9] εἰ δὲ καὶ ἐμπορία ὠφελεῖ τι πόλιν, τιμώμενος ἂν ὁ πλεῖστα τοῦτο ποιῶν καὶ ἐμπόρους ἂν πλείους ἀγείροι. εἰ δὲ φανερόν γένοιτο ὅτι καὶ ὁ πρόσοδόν τινα ἄλυπον ἐξευρίσκων τῇ πόλει τιμήσεται, οὐδ' αὕτη ἂν ἡ σκέψις ἀργοῖτο. [9.10] ὥς δὲ συνελόντι εἰπεῖν, εἰ καὶ κατὰ πάντων ἐμφανὲς εἴη ὅτι ὁ ἀγαθόν τι εἰσηγούμενος οὐκ ἀτίμητος ἔσται, πολλοὺς ἂν καὶ τοῦτο ἐξορμήσειεν ἔργον ποιεῖσθαι τὸ σκοπεῖν τι ἀγαθόν. καὶ ὅταν γε πολλοῖς περὶ τῶν ὠφελίμων μέληι, ἀνάγκη εὐρίσκεσθαι τε μᾶλλον

καὶ ἐπιτελεῖσθαι. [9.11] εἰ δὲ φοβῇ, ὃ Ἰέρων, μὴ ἐν πολλοῖς ἄθλων προτιθεμένων πολλὰ δαπάναι γίνωνται, ἐννόησον ὅτι οὐκ ἔστιν ἐμπορεύματα λυσιτελέστερα ἢ ὅσα ἄνθρωποι ἄθλων ὠνοῦνται. ὁραῖς ἐν ἵπικοις καὶ γυμνικοῖς καὶ χορηγικοῖς ἀγῶσιν ὥς μικρὰ ἄθλα μεγάλας δαπάνας καὶ πολλοὺς πόρους καὶ πολλὰς ἐπιμελείας ἐξάγεται ἀνθρώπων;

[10.1] Καὶ ὁ Ἰέρων εἶπεν· Ἀλλὰ ταῦτα μὲν, ὃ Σιμωνίδη, καλῶς μοι δοκεῖς λέγειν· περὶ δὲ τῶν μισθοφόρων ἔχεις τι εἰπεῖν ὥς μὴ μισεῖσθαι δι' αὐτούς; ἢ λέγεις ὥς φιλίαν κτησάμενος ἄρχων οὐδὲν ἔτι δεήσεται δορυφόρων; [10.2] Ναὶ μὰ Δία, εἶπεν ὁ Σιμωνίδης, δεήσεται μὲν οὖν. οἶδα γὰρ ὅτι ὥσπερ ἐν ἵπποις οὕτως καὶ ἐν ἀνθρώποις τισὶν ἐγγίγνεται, ὅσῳ ἂν ἔκπλεα τὰ δέοντα ἔχωσι, τοσούτῳ ὑβριστοτέροις εἶναι. [10.3] τοὺς μὲν οὖν τοιούτους μᾶλλον ἂν σωφρονίζῃ ὁ ἀπὸ τῶν δορυφόρων φόβος. τοῖς δὲ καλοῖς κάγαθοῖς ἀπ' οὐδενὸς ἂν μοι δοκεῖς τοσαῦτα ὠφελήματα παρασχεῖν ὅσα ἀπὸ τῶν μισθοφόρων. [10.4] τρέφεις μὲν γὰρ δήπου καὶ σὺ αὐτοὺς σαυτῷ φύλακας· ἤδη δὲ πολλοὶ καὶ δεσπότηαι βίαι ὑπὸ τῶν δούλων ἀπέθανον. ἐν οὖν ἂν πρῶτον τοῦτ' εἴη τῶν προστεταγμένων τοῖς μισθοφόροις, ὥς πάντων ὄντας δορυφόρους τῶν πολιτῶν βοηθεῖν πᾶσιν, ἂν τι τοιοῦτον αἰσθάνωνται. γίνονται δὲ πού, ὥς πάντες ἐπιστάμεθα, κακοῦργοι ἐν πόλεσιν· εἰ οὖν καὶ τούτους φυλάττειν εἴεν τεταγμένοι, καὶ τοῦτ' ἂν εἶδεῖν ὑπ' αὐτῶν ὠφελοῦμενοι. [10.5] πρὸς δὲ τούτοις καὶ τοῖς ἐν τῇ χώρῃ ἐργάταις καὶ κτήνεσιν οὗτοι ἂν εἰκότως καὶ θάρρος καὶ ἀσφάλειαν δύναιντο μάλιστα παρέχειν, ὁμοίως μὲν τοῖς σοῖς ἰδίῳις, ὁμοίως δὲ τοῖς ἀνὰ τὴν χώραν. ἱκανοί γε μὴν εἰσι καὶ σχολὴν παρέχειν τοῖς πολίταις τῶν ἰδίων ἐπιμελεῖσθαι, τὰ ἐπικαίρα φυλάττοντες. [10.6] πρὸς δὲ τούτοις καὶ πολεμίῳν ἐφόδους κρυφαίας καὶ ἐξαπιναιῆς τίνες ἐτοιμότεροι ἢ προαισθῆσθαι ἢ κωλύσαι τῶν ἀεὶ ἐν ὅλοις τε ὄντων καὶ συντεταγμένων; ἀλλὰ μὴν καὶ ἐν τῇ στρατιᾷ τί ἐστὶν ὠφελιμώτερον πολίταις μισθοφόρων; τούτους γὰρ προπονεῖν καὶ προκινδυνεύειν καὶ προφυλάττειν εἰκὸς ἐτοιμοτάτους εἶναι. [10.7] τὰς <δ> ἀγχιτέρμονας πόλεις οὐκ ἀνάγκη διὰ τοὺς ἀεὶ ἐν ὅλοις ὄντας καὶ εἰρήνης μάλιστα ἐπιθυμεῖν; οἱ γὰρ συντεταγμένοι καὶ σώζουσιν τὰ τῶν φίλων μάλιστα καὶ σφάλλουσιν τὰ τῶν πολεμίῳν δύναιτ' ἂν. [10.8] ὅταν γε μὴν γνῶσιν οἱ πολῖται ὅτι οὗτοι κακὸν μὲν οὐδὲν ποιῶσι τὸν μηδὲν ἀδικοῦντα, τοὺς δὲ κακοῦργεῖν βουλομένους κωλύουσι, βοηθοῦσι δὲ τοῖς ἀδικουμένοις, προνοοῦσι

δὲ καὶ προκινδυνεύουσι τῶν πολιτῶν, πῶς οὐκ ἀνάγκη καὶ δαπανᾶν εἰς τούτους ἥδιστα; τρέφουσι γοῦν καὶ ἰδία ἐπὶ μείοσι τούτων φύλακας.

[11.1] Χρὴ δέ, ὦ Ἴέρων, οὐδ' ἀπὸ τῶν ἰδίων κτημάτων ὀκνεῖν δαπανᾶν εἰς τὸ κοινὸν ἀγαθόν. καὶ γὰρ ἔμοιγε δοκεῖ τὰ εἰς τὴν πόλιν ἀναλούμενα μᾶλλον εἰς τὸ δέον τελεῖσθαι ἢ τὰ εἰς τὸ ἴδιον ἀνδρὶ τυράννῳ. καθ' ἓν δ' ἕκαστον σκοπῶμεν. [11.2] οἰκίαν πρῶτον ὑπερβαλλούσῃ δαπάνῃ κεκαλλωπισμένην μᾶλλον ἡγῆι κόσμου ἄν σοι παρέχειν ἢ πᾶσαν τὴν πόλιν τείχεσσι τε καὶ ναοῖς καὶ παστάσι καὶ ἀγοραῖς καὶ λιμέσι κατεσκευασμένην; [11.3] ὅπλοις δὲ πότερον τοῖς ἐκπαγλοτάτοις αὐτὸς κατακεκοσμημένος δεινότερος ἂν φαίνοιο τοῖς πολεμίοις ἢ τῆς πόλεως ὅλης εὐόπλου σοι οὔσης; [11.4] προσόδους δὲ ποτέρως ἂν δοκεῖς πλείονας γίνεσθαι, εἰ τὰ σὰ ἴδια μόνον ἐνεργὰ ἔχοις ἢ εἰ τὰ πάντων τῶν πολιτῶν μεμηχανημένος εἴης ἐνεργὰ εἶναι; [11.5] τὸ δὲ πάντων κάλλιστον καὶ μεγαλοπρεπέστατον νομιζόμενον εἶναι ἐπιτήδευμα ἄρματοτροφίαν, ποτέρως ἂν δοκεῖς μᾶλλον κοσμεῖν, εἰ αὐτὸς πλείστα τῶν Ἑλλήνων ἄρματα τρέφοις τε καὶ πέμποις εἰς τὰς πανηγύρεις, ἢ εἰ ἐκ τῆς σῆς πόλεως πλείστοι μὲν ἵπποτρόφοι εἶεν, πλείστοι δ' ἀγωνίζοντο; νικᾶν δὲ πότερα δοκεῖς κάλλιον εἶναι ἄρματος ἀρετῇ ἢ πόλεως ἥς προστατεύεις εὐδαιμονίαι; [11.6] ἐγὼ μὲν γὰρ οὐδὲ προσήκειν φημὶ ἀνδρὶ τυράννῳ πρὸς ιδιώτας ἀγωνίζεσθαι. νικῶν μὲν γὰρ οὐκ ἂν θαυμάζοιο ἀλλὰ φθονοῖο, ὥς ἀπὸ πολλῶν οἴκων τὰς δαπάνας ποιούμενος, νικώμενος δ' ἂν πάντων μάλιστα καταγελῶ. [11.7] ἀλλ' ἐγὼ σοὶ φημι, ὦ Ἴέρων, πρὸς ἄλλους προστατάς πόλεων τὸν ἀγῶνα εἶναι, ὧν ἕαν σὺ εὐδαιμονεστάτην τὴν πόλιν ἥς προστατεύεις παρέχῃς, κηρυχθήσῃ νικῶν τῷ καλλίστῳ καὶ μεγαλοπρεπεστάτῳ ἐν ἀνθρώποις ἀγωνίσματι. [11.8] καὶ πρῶτον μὲν εὐθύς κατειργασμένος ἂν εἴης τὸ φιλεῖσθαι ὑπὸ τῶν ἀρχομένων, οὗ δὴ σὺ ἐπιθυμῶν τυγχάνεις· ἔπειτα δὲ τὴν σὴν νίκην οὐκ ἂν εἷς εἴῃ ὁ ἀνακηρύττων, ἀλλὰ πάντες ἄνθρωποι ὕμνοῖεν ἂν τὴν σὴν ἀρετὴν. [11.9] περίβλεπτος δὲ ὢν οὐχ ὑπὸ ιδιωτῶν μόνον ἀλλὰ καὶ ὑπὸ πολλῶν πόλεων ἀγαπῶιο ἂν, καὶ θαυμαστὸς οὐκ ἰδία μόνον ἀλλὰ καὶ δημοσίαι παρὰ πᾶσιν ἂν εἴης, [11.10] καὶ ἐξείῃ μὲν ἂν σοι ἕνεκεν ἀσφαλείας, εἴ ποι βούλοιο, θεωρήσονται πορεύεσθαι, ἐξείῃ δ' ἂν αὐτοῦ μένοντι τοῦτο πράττειν. αἰεὶ γὰρ ἂν παρὰ σοὶ πανήγυρις εἴῃ τῶν βουλομένων ἐπιδεικνύναι εἴ τίς τι σοφὸν ἢ καλὸν ἢ ἀγαθὸν ἔχοι, τῶν δὲ καὶ ἐπιθυμούντων

ὑπηρετεῖν. [11.11] πᾶς δὲ ὁ μὲν παρὼν σύμμαχος ἂν εἴῃ σοι, ὁ δὲ ἀπὼν ἐπιθυμοίῃ ἂν ἰδεῖν σε. ὥστε οὐ μόνον φιλοῖο ἂν, ἀλλὰ καὶ ἐρῶιο ὑπ' ἀνθρώπων, καὶ τοὺς καλοὺς οὐ πειρᾷν, ἀλλὰ πειρώμενον ὑπ' αὐτῶν ἀνέχεσθαι ἂν σε δέοι, φόβον δ' οὐκ ἂν ἔχοις ἄλλ' ἄλλοις παρέχοις μή τι πάθῃς, [11.12] ἐκόντας δὲ τοὺς πειθομένους ἔχοις ἂν καὶ ἐθελουσίως σου προνοοῦντας θεῶιο ἂν, εἰ δέ τις κίνδυνος εἴῃ, οὐ συμμάχους μόνον ἀλλὰ καὶ προμάχους καὶ προθύμους ὁπώῃς ἂν, πολλῶν μὲν δωρεῶν ἀξιούμενος, οὐκ ἀπορῶν δὲ ὅτῳ τούτων εὐμενεῖ μεταδώσεις, πάντας μὲν συγγαίροντας ἔχων ἐπὶ τοῖς σοῖς ἀγαθοῖς, πάντας δὲ πρὸ τῶν σῶν [ιδίων] ὥσπερ τῶν ἰδίων μαχομένους. [11.13] θησαυροὺς γε μὴν ἔχοις ἂν πάντας τοὺς παρὰ τοῖς φίλοις πλούτους. ἀλλὰ θαρρῶν, ὃ Ἰέρων, πλούτιζε μὲν τοὺς φίλους· σαυτὸν γὰρ πλουτιεῖς· αὖξε δὲ τὴν πόλιν· σαντῶι γὰρ δύναμιν περιάψεις· κτῶ δὲ αὐτῇι συμμάχους· ... [11.14] νόμιζε δὲ τὴν μὲν πατρίδα οἶκιον, τοὺς δὲ πολίτας ἐταίρους, τοὺς δὲ φίλους τέκνα σεαυτοῦ, τοὺς δὲ παῖδας ὃ τιπερ τῶν σὴν ψυχὴν, καὶ τούτους πάντας πειρῶ νικᾷν εὖ ποιῶν. [11.15] ἐὰν γὰρ τοὺς φίλους κρατῇς εὖ ποιῶν, οὐ μὴ σοι δύνωνται ἀντέχειν οἱ πολέμοι. κἂν ταῦτα πάντα ποιῇς, εὖ ἴσθι, πάντων τῶν ἐν ἀνθρώποις κάλλιστον καὶ μακαριώτατον κτῆμα κεκτήσῃ· εὐδαιμονῶν γὰρ οὐ φθονηθήσῃ.

CONSTITUTION OF SPARTA - Λακεδαιμονίων πολιτεία

[1.1] Ἀλλ' ἐγὼ ἐννοήσας ποτὲ ὡς ἡ Σπάρτη τῶν ὀλιγανθρωποτά-των πόλεων οὕσα δυνατωτάτη τε καὶ ὀνομαστοτάτη ἐν τῇ Ἑλλάδι ἐφάνη, ἐθαύμασα ὅτῳ ποτὲ τρόπῳ τοῦτ' ἐγένετο· ἐπεὶ μέντοι κατενόησα τὰ ἐπιτηδεύματα τῶν Σπαρτιατῶν, οὐκέτι ἐθαύμαζον. [1.2] Λυκοῦργον μέντοι τὸν θέντα αὐτοῖς τοὺς νόμους, οἷς πειθόμενοι ἠϋδαιμόνησαν, τοῦτον καὶ θαυμάζω καὶ εἰς τὰ ἔσχατα [μάλα] σοφὸν ἡγοῦμαι. ἐκεῖνος γὰρ οὐ μιμησάμενος τὰς ἄλλας πόλεις, ἀλλὰ καὶ ἐναντία γνοὺς ταῖς πλείσταις, προέχουσαν εὐδαιμονίαι τὴν πατρίδα ἐπέδειξεν.

[1.3] Αὐτίκα γὰρ περὶ τεκνοποιίας, ἵνα ἐξ ἀρχῆς ἄρξωμαι, οἱ μὲν ἄλλοι τὰς μελλούσας τίκτειν καὶ καλῶς δοκούσας κόρας παιδεύεσθαι καὶ σίτῳ ἢ ἄνυστὸν μετριωτάτῳ τρέφουσι καὶ ὄψῳ ἢ δυνατὸν μικροτάτῳ· οἶνου γε μὴν ἢ πάμπαν ἀπεχομένας ἢ ὕδαρεῖ χρωμένας διάγουσιν. ὥσπερ δὲ οἱ πολλοὶ τῶν τὰς τέχνας ἐχόντων ἐδραῖοι εἰσιν, οὕτω καὶ τὰς κόρας οἱ ἄλλοι Ἑλληνες ἡρεμιζούσας ἐριουργεῖν ἀξιούσι. τὰς μὲν οὖν οὕτω τρεφομένας πῶς χρή προσδοκῆσαι μεγαλεῖον ἢ τι γεννησάμεναι; [1.4] ὁ δὲ Λυκοῦργος ἐσθῆτας μὲν καὶ δούλας παρέχειν ἱκανὰς ἡγήσατο εἶναι, ταῖς δ' ἐλευθέραις μέγιστον νομίσας εἶναι τὴν τεκνοποιίαν πρῶτον μὲν σωμασκεῖν ἔταξεν οὐδὲν ἥττον τὸ θῆλυ τοῦ ἄρρενος φύλου· ἔπειτα δὲ δρόμου καὶ ἰσχύος, ὥσπερ καὶ τοῖς ἀνδράσιν, οὕτω καὶ ταῖς θηλείαις ἀγῶνας πρὸς ἀλλήλας ἐποίησε, νομίζων ἐξ ἀμφοτέρων ἰσχυρῶν καὶ τὰ ἔκγονα ἐρρωμενέστερα γίνεσθαι. [1.5] ἐπεὶ γε μὴν γυνὴ πρὸς ἄνδρα ἔλθοι, ὅπῳ τοὺς ἄλλους τὸν πρῶτον τοῦ χρόνου ἀμέτρως ταῖς γυναιξὶ συνόντας, καὶ τούτου τάναντία ἔγνω· ἔθηκε γὰρ αἰδεῖσθαι μὲν εἰσιόντα ὀφθῆναι, αἰδεῖσθαι δ' ἐξιόντα. οὕτω δὲ συνόντων ποθεινοτέρως μὲν ἀνάγκη σφῶν αὐτῶν ἔχειν, ἐρρωμενέστερα δὲ γίνεσθαι, εἴ τι βλάστοι οὕτω, μᾶλλον ἢ εἰ διάκοροι ἀλλήλων εἶεν. [1.6] πρὸς δὲ τούτοις καὶ ἀποπαύσας τοῦ ὅποτε βούλονται ἕκαστοι γυναῖκα ἄγεσθαι, ἔταξεν ἐν ἀκμαῖς τῶν σωμάτων τοὺς γάμους ποιεῖσθαι, καὶ τοῦτο συμφέρον τῇ εὐγονίᾳ νομίζων. [1.7] εἴ γε μέντοι συμβαίῃ γεραίῳ νέαν ἔχειν, ὅρᾳν τοὺς τηλικούτους φυλάττοντας μάλιστα τὰς γυναῖκας, τάναντία καὶ τούτου ἐνόμισεν· τῷ γὰρ

πρεσβύτη ἐποίησεν, ὁποίου ἀνδρὸς σῶμά τε καὶ ψυχὴν ἀγασθείη, τοῦτον ἐπαγαγομένῳ τεκνοποιήσασθαι. [1.8] εἰ δέ τις αὖ γυναικὶ μὲν συνοικεῖν μὴ βούλοιο, τέκνων δὲ ἀξιολόγων ἐπιθυμοίη, καὶ τοῦτο νόμιμον ἐποίησεν, ἦντινα [ἄν] εὐτεκνον καὶ γενναίαν ὀρώη, πείσαντα τὸν ἔχοντα ἐκ ταύτης τεκνοποιεῖσθαι. [1.9] καὶ πολλὰ μὲν τοιαῦτα συνεχῶρει. αἱ τε γὰρ γυναῖκες διττοὺς οἴκους βούλονται κατέχειν, οἳ τε ἄνδρες ἀδελφοὺς τοῖς παισὶ προσλαμβάνειν, οἳ τοῦ μὲν γένους καὶ τῆς δυνάμεως κοινωνοῦσι, τῶν δὲ χρημάτων οὐκ ἀντιποιοῦνται. [1.10] περὶ μὲν δὴ τεκνοποιίας οὕτω τάναντία γνοὺς τοῖς ἄλλοις εἴ τι διαφέροντας καὶ κατὰ μέγεθος καὶ κατ' ἰσχὺν ἀνδρας τῇ Σπάρτῃ ἀπετέλεσεν, ὁ βουλόμενος ἐπισκοπεῖτω.

[2.1] Ἐγὼ μέντοι, ἐπεὶ καὶ περὶ γενέσεως ἐξήγημαι, βούλομαι καὶ τὴν παιδείαν ἐκατέρων σαφηνίσαι. τῶν μὲν τοίνυν ἄλλων Ἑλλήνων οἱ φάσκοντες κάλλιστα τοὺς υἱεῖς παιδεύειν, ἐπειδὰν τάχιστα αὐτοῖς οἱ παῖδες τὰ λεγόμενα ξυνιῶσιν, εὐθὺς μὲν ἐπ' αὐτοῖς παιδαγωγοὺς θεράποντας ἐφιστᾷσιν, εὐθὺς δὲ πέμπουσιν εἰς διδασκάλων μαθησομένους καὶ γράμματα καὶ μουσικὴν καὶ τὰ ἐν παλαίστραι. πρὸς δὲ τούτοις τῶν παίδων πόδας μὲν ὑποδήμασιν ἀπαλύνουσι, σῶματα δὲ ἱματίων μεταβολαῖς διαθρύπτουσι· σίτου γε μὴν αὐτοῖς γαστέρα μέτρον νομίζουσιν. [2.2] ὁ δὲ Λυκούργος, ἀντὶ μὲν τοῦ ἰδίου ἑκάστον παιδαγωγοὺς δούλους ἐφιστάναι, ἄνδρα ἐπέστησε κρατεῖν αὐτῶν ἐξ ὧν περ αἱ μέγιστα ἀρχαὶ καθίστανται, ὃς δὴ καὶ παιδονόμος καλεῖται, τοῦτον δὲ κύριον ἐποίησε καὶ ἀθροίζειν τοὺς παῖδας καὶ ἐπισκοποῦντα, εἴ τις ραιδιουργοίη, ἰσχυρῶς κολάζειν. ἔδωκε δ' αὐτῷ καὶ τῶν ἡβώντων μαστιγοφόρους, ὅπως τιμωροῖεν ὅποτε δέοι, ὥστε πολλὴν μὲν αἰδῶ, πολλὴν δὲ πειθῶ ἐκεῖ συμπαρεῖναι. [2.3] ἀντὶ γε μὴν τοῦ ἀπαλύνειν τοὺς πόδας ὑποδήμασιν ἔταξεν ἀνυποδησίαι κρατύνειν, νομίζων, εἰ τοῦτ' ἀσκήσειαν, πολλὸν μὲν ῥᾶιον ἂν ὀρθιάδε ἐκβαίνειν, ἀσφαλέστερον δὲ πρηνῇ καταβαίνειν, καὶ πηδῆσαι δὲ καὶ ἀναθορεῖν καὶ δραμεῖν θᾶπτον [ἀνυπόδητον, εἰ ἡσκηκῶς εἴη τοὺς πόδας, ἢ ὑποδεδεμένον]. [2.4] καὶ ἀντὶ γε τοῦ ἱματίοις διαθρύπτεσθαι ἐνόμιζεν ἐνὶ ἱματίῳ δι' ἔτους προσεθίζεσθαι, νομίζων οὕτως καὶ πρὸς ψύχῃ καὶ πρὸς θάλπῃ ἄμεινον ἂν παρεσκευάσθαι. [2.5] σιτόν γε μὴν ἔταξε τοσοῦτον ἔχοντα συμβολεύειν τὸν εἶρενα ὥς ὑπὸ πλησμονῆς μὲν μήποτε βαρύνεσθαι, τοῦ δὲ ἐνδεεστέρως διάγειν μὴ ἀπείρως ἔχειν, νομίζων τοὺς οὕτω παιδευομένους μᾶλλον μὲν ἂν δύνασθαι, εἰ δεήσειεν, ἀσιτήσαντας ἐπιπονῆσαι, μᾶλλον δ' ἂν, εἰ

παραγγελθείη, ἀπὸ τοῦ αὐτοῦ σίτου πλείω χρόνον ἐπιταθῆναι, ἦττον δ' ἂν ὄψου δεῖσθαι, εὐχερέστερον δὲ πρὸς πᾶν ἔχειν βρῶμα, καὶ ὑγιεινότερως δ' ἂν διάγειν· καὶ εἰς μῆκος ἂν τὴν αὐξάνεσθαι ῥαδινὰ τὰ σώματα ποιοῦσαν τροφήν μᾶλλον συλλαμβάνειν ἡγήσατο ἢ τὴν διαπλατύνουσαν τῷ σίτῳ. [2.6] ὥς δὲ μὴ ὑπὸ λιμοῦ ἄγαν αὐτὸν πιέζοινο, ἀπραγμόνως μὲν αὐτοῖς οὐκ ἔδωκε λαμβάνειν ὧν ἂν προσδέωνται, κλέπτειν δ' ἐφῆκεν ἔστιν ἃ τῷ λιμῷ ἐπικουροῦντας. [2.7] καὶ ὥς μὲν οὐκ ἀπορῶν ὁ τι δοίη ἐφῆκεν αὐτοῖς γε μηχανᾶσθαι τὴν τροφήν, οὐδένα οἶμαι τοῦτο ἀγνοεῖν· δῆλον δ' ὅτι τὸν μέλλοντα κλωπεύειν καὶ νυκτὸς ἀγρυπνεῖν δεῖ καὶ μεθ' ἡμέραν ἀπατᾶν καὶ ἐνεδρεύειν, καὶ κατασκόπους δὲ ἐτοιμάζειν τὸν μέλλοντά τι λήψεσθαι. ταῦτα οὖν δὴ πάντα δῆλον ὅτι μηχανικωτέρους τῶν ἐπιτηδείων βουλόμενος τοὺς παῖδας ποιεῖν καὶ πολεμικωτέρους οὕτως ἐπαίδευσεν. [2.8] εἶποι δ' ἂν οὖν τις, τί δῆτα, εἴπερ τὸ κλέπτειν ἀγαθὸν ἐνόμιζε, πολλὰς πληγὰς ἐπέβαλλε τῷ ἀλίσκομένῳ; ὅτι, φημί ἐγώ, καὶ τᾶλλα, ὅσα ἄνθρωποι διδάσκουσι, κολάζουσι τὸν μὴ καλῶς ὑπηρετοῦντα. κἀκεῖνοι οὖν τοὺς ἀλίσκομένους ὥς κακῶς κλέπτοντας τιμωροῦνται. [2.9] [καὶ ὥς πλείστους δὴ ἀρπάσαι τυροὺς παρ' Ὀρθίας καλὸν θεῖς, μαστιγοῦν τούτους ἄλλοις ἐπέταξε, τοῦτο δηλῶσαι καὶ ἐν τούτῳ βουλόμενος ὅτι ἔστιν ὀλίγον χρόνον ἀλγήσαντα πολὺν χρόνον εὐδοκιμοῦντα εὐφραίνεισθαι.] δηλοῦται δὲ ἐν τούτῳ ὅτι καὶ ὅπου τάχους δεῖ ὁ βλακεύων ἐλαχιστα μὲν ὠφελεῖται, πλεῖστα δὲ πράγματα λαμβάνει. [2.10] ὅπως δὲ μὴδ' εἰ ὁ παιδονόμος ἀπέλθοι, ἔρημοί ποτε οἱ παῖδες εἶεν ἄρχοντος, ἐποίησε τὸν ἀεὶ παρόντα τῶν πολιτῶν κύριον εἶναι καὶ ἐπιτάττειν τοῖς παισὶν ὃ τι [ἂν] ἀγαθὸν δοκοίη εἶναι καὶ κολάζειν, εἴ τι ἁμαρτάνοιεν. τοῦτο δὲ ποιήσας διέπραξε καὶ αἰδημονεστέρους εἶναι τοὺς παῖδας· οὐδὲν γὰρ οὕτως αἰδοῦνται οὔτε παῖδες οὔτε ἄνδρες ὥς τοὺς ἄρχοντας. [2.11] ὥς δὲ καὶ εἴ ποτε μὴδεις τύχοι ἀνὴρ παρῶν, μὴδ' ὥς ἔρημοι οἱ παῖδες ἄρχοντος εἶεν, ἔθηκε τῆς ἱλῆς ἐκάστης τὸν τορώτατον τῶν εἰρένων ἄρχειν· ὥστε οὐδέποτε ἐκεῖ οἱ παῖδες ἔρημοι ἄρχοντός εἰσι.

[2.12] Λεκτέον δὲ μοι δοκεῖ εἶναι καὶ περὶ τῶν παιδικῶν ἐρώτων· ἔστι γάρ τι καὶ τοῦτο πρὸς παιδείαν. οἱ μὲν τοίνυν ἄλλοι Ἕλληνες ἢ ὥσπερ Βοιωτοὶ ἀνὴρ καὶ παῖς συζυγέντες ὁμιλοῦσιν, ἢ ὥσπερ Ἡλεῖοι διὰ χαρίτων τῇ ὥρῃ χρῶνται· εἰσὶ δὲ καὶ οἱ παντάπασι τοῦ διαλέγεσθαι τοὺς ἐραστάς εἵργουσιν ἀπὸ τῶν παίδων. [2.13] ὁ δὲ Λυκοῦργος ἐναντία καὶ τούτοις πᾶσι γνούς, εἰ μὲν τις αὐτὸς ὦν οἶον

δεῖ ἀγασθεῖς ψυχὴν παιδὸς πειρῶιτο ἄμεμπτον φίλον ἀποτελέσασθαι καὶ συνεῖναι, ἐπὶναι καὶ καλλίστην παιδείαν ταύτην ἐνόμιζεν· εἰ δέ τις παιδὸς σώματος ὀρεγόμενος φανείη, αἰσχιστον τοῦτο θεὸς ἐποίησεν ἐν Λακεδαιμόνι μηδὲν ἦττον ἐραστὰς παιδικῶν ἀπέχεσθαι ἢ γονεῖς παίδων ἢ καὶ ἀδελφοὶ ἀδελφῶν εἰς ἀφροδίσια ἀπέχονται. [2.14] τὸ μέντοι ταῦτα ἀπιστεῖσθαι ὑπὸ τινων οὐ θαυμάζω· ἐν πολλαῖς γὰρ τῶν πόλεων οἱ νόμοι οὐκ ἐναντιοῦνται ταῖς πρὸς τοὺς παῖδας ἐπιθυμίαις.

Ἡ μὲν δὴ παιδεία εἴρηται ἢ τε Λακωνικὴ καὶ ἢ τῶν ἄλλων Ἑλλήνων· ἐξ ὁποτέρας δ' αὐτῶν καὶ εὐπειθέστεροι καὶ αἰδημονέστεροι καὶ ὧν δεῖ ἐγκρατέστεροι ἄνδρες ἀποτελοῦνται, ὁ βουλόμενος καὶ ταῦτα ἐπισκοπεῖσθω.

[3.1] Ὅταν γε μὴν ἐκ παίδων εἰς τὸ μειρακιῶσθαι ἐκβαίνωσι, τηνικαῦτα οἱ μὲν ἄλλοι παύουσι μὲν ἀπὸ παιδαγωγῶν, παύουσι δὲ ἀπὸ διδασκάλων, ἄρχουσι δὲ οὐδένες ἔτι αὐτῶν, ἀλλ' αὐτονόμους ἀφῃᾶσιν· ὁ δὲ Λυκοῦργος καὶ τούτων τάναντία ἔγνω. [3.2] καταμαθὼν γὰρ τοῖς τηλικούτοις μέγιστον μὲν φρόνημα ἐμφυόμενον, μάλιστα δὲ ὕβριν ἐπιπολάζουσιν, ἰσχυροτάτας δὲ ἐπιθυμίας τῶν ἡδονῶν παρισταμένας, τηνικαῦτα πλείστους μὲν πόνους αὐτοῖς ἐπέβαλε, πλείστην δὲ ἀσχολίαν ἐμμηχανήσατο. [3.3] ἐπιθείς δὲ καὶ εἴ τις ταῦτα φύγοι, μηδενὸς ἔτι τῶν καλῶν τυγχάνειν, ἐποίησε μὴ μόνον τοὺς ἐκ δημοσίου ἀλλὰ καὶ τοὺς κηδομένους ἐκάστων ἐπιμελεῖσθαι, ὥς μὴ ἀποδειλιάσαντες ἀδόκιμοι παντάπασιν ἐν τῇ πόλει γένοιτο. [3.4] πρὸς δὲ τούτοις τὸ αἰδεῖσθαι ἰσχυρῶς ἐμφῦσαι βουλόμενος αὐτοῖς καὶ ἐν ταῖς ὁδοῖς ἐπέταξεν ἐντὸς μὲν τοῦ ἱματίου τὸ χεῖρε ἔχειν, σιγῇ δὲ πορεύεσθαι, περιβλέπειν δὲ μηδαμοῖ, ἀλλ' αὐτὰ τὰ πρὸ τῶν ποδῶν ὁρᾶν. ἐνθα δὴ καὶ δῆλον γεγένηται ὅτι τὸ ἄρρεν φύλον καὶ εἰς τὸ σωφρονεῖν ἰσχυρότερόν ἐστι [τῶν] τῆς θηλείας φύσεως. [3.5] ἐκείνων γοῦν ἦττον μὲν ἂν φωνὴν ἀκούσας ἢ τῶν λιθίνων, ἦττον δ' ἂν ὄμματα [μετα]στρέψαις ἢ τῶν χαλκῶν, αἰδημονεστέρους δ' ἂν αὐτοὺς ἡγήσαιο καὶ αὐτῶν τῶν ἐν τοῖς ὀφθαλμοῖς παρθένων. καὶ ἐπειδὴν εἰς τὸ φιλίτιόν γε ἀφίκωνται, ἀγαπητὸν αὐτῶν καὶ τὸ ἐρωτηθὲν ἀκοῦσαι. καὶ τῶν μὲν αὖ παιδίσκων οὕτως ἐπεμελήθη.

[4.1] Περί γε μὴν τῶν ἡβόντων πολὺ μάλιστα ἐσπούδασε, νομίζων τούτους, εἰ γένοιτο οἷους δεῖ, πλείστον ῥέπειν ἐπὶ τὸ ἀγαθὸν τῇ πόλει. [4.2] ὁρῶν οὖν, οἷς ἂν μάλιστα φιλονικία ἐγγένηται, τούτων καὶ χοροὺς ἀξιακροατοτάτους γιγνομένους καὶ γυμνικοὺς ἀγῶνας

ἀξιοθεατοτάτους, ἐνόμιζεν, εἰ καὶ τοὺς ἡβῶντας συμβάλλοι εἰς ἔριν περὶ ἀρετῆς, οὕτως ἂν καὶ τούτους ἐπὶ πλεῖστον ἀφικνεῖσθαι ἀνδραγαθίας. ὥς οὖν τούτους αὖ συνέβαλεν, ἐξηγήσομαι. [4.3] αἰροῦνται τοίνυν αὐτῶν οἱ ἔφοροι ἐκ τῶν ἀκμαζόντων τρεῖς ἄνδρας· οὗτοι δὲ ἱπαγρέται καλοῦνται. τούτων δ' ἕκαστος ἄνδρας ἑκατὸν καταλέγει, διασαφηνίζων ὅτου ἔνεκα τοὺς μὲν προτιμᾷ, τοὺς δὲ ἀποδοκιμάζει. [4.4] οἱ οὖν μὴ τυγχάνοντες τῶν καλῶν πολεμοῦσι τοῖς τε ἀποστείλασιν αὐτοὺς καὶ τοῖς αἰρεθεῖσιν ἀνθ' αὐτῶν καὶ παραφυλάττουσιν ἀλλήλους, ἐὰν τι παρὰ τὰ καλὰ νομιζόμενα ραιδιουργῶσι.

[4.5] Καὶ αὕτη δὴ γίγνεται ἡ θεοφιλεστάτη τε καὶ πολιτικωτάτη ἔρις, ἐν ἣ ἁποδέδεικται μὲν ἃ δεῖ ποιεῖν τὸν ἀγαθόν, χωρὶς δ' ἑκάτεροι ἀσκοῦσιν ὅπως αἰεὶ κράτιστοι ἔσονται, ἐὰν δέ τι δέηι, καθ' ἓνα ἀρήξουσιν τῇ πόλει παντὶ σθένει [ἄν]. [4.6] ἀνάγκη δ' αὐτοῖς καὶ εὐεξίας ἐπιμελεῖσθαι. καὶ γὰρ πυκτεύουσι διὰ τὴν ἔριν ὅπου ἂν συμβάλωσι· διαλύειν μέντοι τοὺς μαχομένους πᾶς ὁ παραγενόμενος κύριος. ἦν δέ τις ἀπειθῇ τῷ διαλύοντι, ἄγει αὐτὸν ὁ παιδονόμος ἐπὶ τοὺς ἐφόρους· οἱ δὲ ζημιοῦσι μεγαλείως, καθιστάναι βουλόμενοι εἰς τὸ μήποτε ὀργὴν τοῦ μὴ πείθεσθαι τοῖς νόμοις κρατῆσαι.

[4.7] Τοῖς γε μὴν τὴν ἡβητικὴν ἡλικίαν πεπερακόσιν, ἐξ ὧν ἤδη καὶ αἱ μέγισται ἀρχαὶ καθίστανται, οἱ μὲν ἄλλοι Ἕλληνες ἀφελόντες αὐτῶν τὸ ἰσχύος ἔτι ἐπιμελεῖσθαι στρατεύεσθαι ὁμῶς αὐτοῖς ἐπιτάττουσιν, ὁ δὲ Λυκοῦργος τοῖς τηλικούτοις νόμιμον ἐποίησε κάλλιστον εἶναι τὸ θηρᾶν, εἰ μὴ τι δημόσιον κωλύει, ὅπως δύναιντο καὶ οὗτοι μηδὲν ἥττον τῶν ἡβώντων στρατιωτικὸν πόνους ὑποφέρειν.

[5.1] Ἄ μὲν οὖν ἐκάστη ἡλικία ἐνομοθέτησεν ὁ Λυκοῦργος ἐπιτηδεύματα σχεδὸν εἴρηται· οἷαν δὲ καὶ πᾶσι δίαίταν κατεσκεύασε, νῦν πειράσομαι διηγείσθαι. [5.2] Λυκοῦργος τοίνυν παραλαβὼν τοὺς Σπαρτιάτας ὥσπερ τοὺς ἄλλους Ἕλληνας οἴκοι σκηνοῦντας, γνοὺς ἐν τούτοις πλεῖστα ραιδιουργεῖσθαι, εἰς τὸ φανερόν ἐξήγαγε τὰ συσκῆνια, οὕτως ἡγούμενος ἦκιστ' ἂν παραβαίνεσθαι τὰ προσταττόμενα. [5.3] καὶ σῖτόν γε ἔταξεν αὐτοῖς ὥς μήτε ὑπερπληροῦσθαι μήτε ἐνδεεῖς γίνεσθαι. πολλὰ δὲ καὶ παράλογα γίγνεται ἀπὸ τῶν ἀγρευομένων· οἱ δὲ πλούσιοι ἔστιν ὅτε καὶ ἄρτον ἀντιπαραβάλλουσιν· ὥστε οὔτε ἔρημός ποτε ἢ τράπεζα βρωτῶν γίγνεται, ἔστ' ἂν διασκηνῶσιν, οὔτε πολυδάπανος. [5.4] καὶ μὴν τοῦ

πότου ἀποπαύσας τὰς [οὐκ] ἀναγκαίαις πόσεις, αἱ σφάλλουσι μὲν σώματα, σφάλλουσι δὲ γνώμας, ἐφῆκεν ὁπότε διψώη ἕκαστος πίνειν, οὕτω νομίζων ἀβλαβέστατόν τε καὶ ἥδιστον ποτὸν γίνεσθαι. οὕτω γε μὴν συσκηνοῦντων πῶς ἂν τις ἢ ὑπὸ λιχνείας ἢ οἰνοφλυγίας ἢ αὐτὸν ἢ οἶκον διαφθείρειεν; [5.5] καὶ γὰρ δὴ ἐν μὲν ταῖς ἄλλαις πόλεσιν ὡς τὸ πολὺ οἱ ἥλικες ἀλλήλοις σύνεισι, μεθ' ὧνπερ καὶ ἐλαχίστη αἰδῶς παραγίγνεται· ὁ δὲ Λυκοῦργος ἐν τῇ Σπάρτῃ ἀνέμειξε ...παιδεύεσθαι τὰ πολλὰ τοὺς νεωτέρους ὑπὸ τῆς τῶν γεραιτέρων ἐμπειρίας. [5.6] καὶ γὰρ δὴ ἐπιχώριον ἐν τοῖς φιλιτίοις λέγεσθαι ὃ τι ἂν καλῶς τις ἐν τῇ πόλει ποιήσῃ· ὥστ' ἐκεῖ ἥκιστα μὲν ὕβριν, ἥκιστα δὲ παροινίαν, ἥκιστα δὲ αἰσχυροργίαν καὶ αἰσχρολογίαν ἐγγίγνεσθαι. [5.7] ἀγαθὰ γε μὴν ἀπεργάζεται καὶ τάδε ἡ ἕξω σίτησις· περιπατεῖν τε γὰρ ἀναγκάζονται ἐν τῇ οἴκαδε ἀφόδῳ, καὶ μὴν τοῦ ὑπὸ οἴνου μὴ σφάλλεσθαι ἐπιμελεῖσθαι, εἰδότες ὅτι οὐκ ἐνθαπερ ἐδειπνουν καταμενοῦσι καὶ τῇ ὄρφνῃ ὅσα ἡμέραι χρηστέον· οὐδὲ γὰρ ὑπὸ φανοῦ τὸν ἔτι ἔμφρουρον ἕξεστι πορεύεσθαι.

[5.8] Καταμαθὼν γε μὴν ὁ Λυκοῦργος καὶ ὅτι ἀπὸ τῶν σίτων οἱ μὲν διαπονούμενοι εὐχροί τε καὶ εὐσαρκοὶ καὶ εὐρωστοὶ εἰσιν, οἱ δ' ἄπονοι πεφουσημένοι τε καὶ αἰσχροὶ καὶ ἀσθενεῖς ἀναφαίνονται, οὐδὲ τούτου ἡμέλησεν, ἀλλ' ἐννοῶν ὅτι καὶ ὅταν αὐτός τις τῇ ἑαυτοῦ γνώμῃ φιλοπονῇ, ἀρκούντως τὸ σῶμα ἔχων ἀναφαίνεται, ἐπέταξε τὸν ἀεὶ πρεσβύτατον ἐν τῷ γυμνασίῳ ἐκάστω ἐπιμελεῖσθαι ὡς μήποτε ἑαυτοὶ ἐλάττους τῶν σιτίων γίνεσθαι. [5.9] καὶ ἐμοὶ μὲν οὐδ' ἐν τούτῳ σφαλῆναι δοκεῖ. οὐκ ἂν οὖν ραϊδίως γέ τις εὔροι Σπαρτιατῶν οὔτε ὑγιεινοτέρους οὔτε τοῖς σώμασι χρησιμωτέρους· ὁμοίως γὰρ ἀπὸ τε τῶν σκελῶν καὶ ἀπὸ χειρῶν καὶ ἀπὸ τραχήλου γυμνάζονται.

[6.1] Ἐναντία γε μὴν ἔγνω καὶ τάδε τοῖς πλείστοις. ἐν μὲν γὰρ ταῖς ἄλλαις πόλεσι τῶν ἑαυτοῦ ἕκαστος καὶ παίδων καὶ οἰκετῶν καὶ χρημάτων ἄρχουσιν· ὁ δὲ Λυκοῦργος, κατασκευάσαι βουλόμενος ὡς ἂν μηδὲν βλάπτοντες ἀπολαύοιεν τι οἱ πολῖται ἀλλήλων ἀγαθόν, ἐποίησε παίδων ἕκαστον ὁμοίως τῶν ἑαυτοῦ καὶ τῶν ἀλλοτρίων ἄρχειν. [6.2] ὅταν δέ τις εἰδῇ ὅτι οὗτοι πατέρες εἰσὶ τῶν παίδων, ὧν αὐτὸς ἄρχει ἀνάγκη οὕτως ἄρχειν ὥσπερ ἂν καὶ τῶν ἑαυτοῦ ἄρχεσθαι βούλοιο. ἦν δέ τις παῖς ποτε πληγὰς λαβὼν ὑπ' ἄλλου κατείπη πρὸς τὸν πατέρα, αἰσχρόν ἐστι μὴ οὐκ ἄλλας πληγὰς

ἐμβάλλειν τῷ υἱεῖ. οὕτω πιστεύουσιν ἀλλήλοις μηδὲν αἰσχρὸν προστάττειν τοῖς παισίν. [6.3] ἐποίησε δὲ καὶ οἰκέταις, εἴ τις δεηθεῖη, χρῆσθαι καὶ τοῖς ἀλλοτρίοις, καὶ κυνῶν δὲ θηρευτικῶν συνῆψε κοινωνίαν· ὥστε οἱ μὲν δεόμενοι παρακαλοῦσιν ἐπὶ θήραν, ὁ δὲ μὴ αὐτὸς σχολάζων ἡδέως ἐκπέμπει. καὶ ἵπποις δὲ ὡσαύτως χρῶνται· ὁ γὰρ ἀσθενήσας ἢ δεηθεὶς ὀχήματος ἢ ταχύ ποι βουλευθεὶς ἀφικέσθαι, ἦν που ἴδι ἵππον ὄντα, λαβὼν καὶ χρησάμενος καλῶς ἀποκαθίστησιν. [6.4] οὐ μὴν οὐδ' ἐκεῖνό γε παρὰ τοῖς ἄλλοις εἰθισμένον ἐποίησεν ἐπιτηδεύεσθαι. ὅπου γὰρ ἂν ὑπὸ θήρας ὀνισθέντες δεηθῶσι τῶν ἐπιτηδείων, ἦν μὴ συνεσκευασμένοι τύχωσι, καὶ ἐνταῦθα ἔθηκε τοὺς μὲν πεπαμένους καταλείπειν τὰ πεποιημένα, τοὺς δὲ δεομένους ἀνοίξαντας τὰ σήμαντρα, λαβόντας ὅσων ἂν δέωνται σημηναμένους καταλιπεῖν. [6.5] τοιγαροῦν οὕτως μεταδιδόντες ἀλλήλοις καὶ οἱ τὰ μικρὰ ἔχοντες μετέχουσι πάντων τῶν ἐν τῇ χώρῃ, ὁπότεν τινὸς δεηθῶσιν.

[7.1] Ἐναντία γε μὴν καὶ τάδε τοῖς ἄλλοις Ἑλλήσι κατέστησεν ὁ Λυκοῦργος ἐν τῇ Σπάρτῃ νόμιμα. ἐν μὲν γὰρ δήπου ταῖς ἄλλαις πόλεσι πάντες χρηματίζονται ὅσον δύνανται· ὁ μὲν γὰρ γεωργεῖ, ὁ δὲ ναυκληρεῖ, ὁ δ' ἐμπορεύεται, οἱ δὲ καὶ ἀπὸ τεχνῶν τρέφονται. [7.2] ἐν δὲ τῇ Σπάρτῃ ὁ Λυκοῦργος τοῖς [μὲν] ἔλευθέροις τῶν μὲν ἀμφὶ χρηματισμὸν ἀπέιπε μηδενὸς ἅπτεσθαι, ὅσα δὲ ἐλευθερίαν ταῖς πόλεσι παρασκευάζει, ταῦτα ἔταξε μόνᾳ ἔργα αὐτῶν νομίζειν. [7.3] καὶ γὰρ δὴ τί πλοῦτος ἐκεῖ γε σπουδαστέος, ἔνθα ἴσα μὲν φέρειν εἰς τὰ ἐπιτήδεια, ὁμοίως δὲ διαιτᾶσθαι τάξας ἐποίησε μὴ ἡδυπαθείας ἕνεκα χρημάτων ὀρέγεσθαι; ἀλλὰ μὴν οὐδ' ἱματίων γε ἕνεκα χρηματιστέον· οὐ γὰρ ἐσθῆτος πολυτελείαι ἀλλὰ σώματος εὐεξία κοσμοῦνται. [7.4] οὐδὲ μὴν τοῦ γε εἰς τοὺς συσκήνους ἕνεκα ἔχειν δαπανᾶν χρήματα ἀθροιστέον, ἐπεὶ τὸ τῷ σώματι πονοῦντα ὠφελεῖν τοὺς συνόντας εὐδοξότερον ἐποίησεν ἢ τὸ δαπανῶντα, ἐπιδείξας τὸ μὲν ψυχῆς, τὸ δὲ πλούτου ἔργον. [7.5] τό γε μὴν ἐξ ἀδίκων χρηματίζεσθαι καὶ ἐν τοῖς τοιούτοις διεκώλυσε. πρῶτον μὲν γὰρ νόμισμα τοιοῦτον κατεστήσατο, ὃ δεκάμνων μόνον ἂν εἰς οἰκίαν εἰσελθὼν οὐποτε δεσπότης οὐδὲ οἰκέτας λάθοι· καὶ γὰρ χώρας μεγάλης καὶ ἀμάξης ἀγωγῆς δέοιτ' ἂν. [7.6] χρυσίον γε μὴν καὶ ἀργύριον ἐρευνᾶται, καὶ ἂν τί που φανῇ, ὁ ἔχων ζημιοῦται. τί οὖν ἂν ἐκεῖ χρηματισμὸς σπουδάζοιτο, ἔνθα ἡ κτήσις πλείους λύπας ἢ ἡ χρήσις εὐφροσύνας παρέχει;

[8.1] Ἀλλὰ γὰρ ὅτι μὲν ἐν Σπάρτῃ μάλιστα πείθονται ταῖς ἀρχαῖς τε καὶ τοῖς νόμοις, ἴσμεν ἅπαντες. ἐγὼ μέντοι οὐδ' ἐγγχειρῆσαι οἶμαι πρότερον τὸν Λυκούργον ταύτην τὴν εὐταξίαν καθιστάναι πρὶν ὁμογνώμονας ἐποιήσατο τοὺς κρατίστους τῶν ἐν τῇ πόλει. [8.2] τεκμαίρομαι δὲ ταῦτα, ὅτι ἐν μὲν ταῖς ἄλλαις πόλεσιν οἱ δυνατώτεροι οὐδὲ βούλονται δοκεῖν τὰς ἀρχὰς φοβεῖσθαι, ἀλλὰ νομίζουσι τοῦτο ἀνελεύθερον εἶναι· ἐν δὲ τῇ Σπάρτῃ οἱ κράτιστοι καὶ ὑπέρχονται μάλιστα τὰς ἀρχὰς καὶ τῷ ταπεινοῖ εἶναι μεγαλύνονται καὶ τῷ ὅταν καλῶνται τρέχοντες ἀλλὰ μὴ βαδίζοντες ὑπακούειν, νομίζοντες, ἢν αὐτοὶ κατάρχωσι τοῦ σφόδρα πείθεσθαι, ἔψεσθαι καὶ τοὺς ἄλλους· ὅπερ καὶ γένηται. [8.3] εἰκὸς δὲ καὶ τὴν τῆς ἐφορείας δύναμιν τοὺς αὐτοὺς τούτους συγκατασκευάσαι, ἐπεὶ περ ἔγνωσαν τὸ πείθεσθαι μέγιστον ἀγαθὸν εἶναι καὶ ἐν πόλει καὶ ἐν στρατιᾷ καὶ ἐν οἴκῳ· ὅσῳ γὰρ μείζω δύναμιν ἔχει ἡ ἀρχή, τοσούτῳ μᾶλλον ἂν ἡγήσαντο αὐτὴν καὶ καταπλήξειν τοὺς πολίτας [τοῦ ὑπακούειν]. [8.4] ἔφοροι οὖν ἱκανοὶ μὲν εἰσι ζημιοῦν ὃν ἂν βούλωνται, κύριοι δ' ἐκπράττειν παραχρῆμα, κύριοι δὲ καὶ ἄρχοντας μεταξὺ [καὶ] καταπαῦσαι καὶ εἰρξάι γε καὶ περὶ τῆς ψυχῆς εἰς ἀγῶνα καταστήσαι. τοσαύτην δὲ ἔχοντες δύναμιν οὐχ ὥσπερ αἱ ἄλλαι πόλεις ἑῶσι τοὺς αἰρεθέντας ἀεὶ ἄρχειν τὸ ἔτος ὅπως ἂν βούλωνται, ἀλλ' ὥσπερ οἱ τύραννοι καὶ οἱ ἐν τοῖς γυμνικοῖς ἀγῶσιν ἐπιστάται, ἢν τινα αἰσθάνωνται παρανομοῦντά τι, εὐθὺς παραχρῆμα κολάζουσι. [8.5] πολλῶν δὲ καὶ ἄλλων ὄντων μηχανημάτων καλῶν τῷ Λυκούργῳ εἰς τὸ πείθεσθαι τοῖς νόμοις ἐθέλειν τοὺς πολίτας, ἐν τοῖς καλλίστοις καὶ τοῦτό μοι δοκεῖ εἶναι, ὅτι οὐ πρότερον ἀπέδωκε τῷ πλήθει τοὺς νόμους πρὶν ἐλθὼν σὺν τοῖς κρατίστοις εἰς Δελφοὺς ἐπήρετο τὸν θεὸν εἰ λῶιον καὶ ἄμεινον εἴη τῇ Σπάρτῃ πειθομένῃ οἷς αὐτὸς ἔθηκε νόμοις. ἐπεὶ δὲ ἀνείλε τῷ παντὶ ἄμεινον εἶναι, τότε ἀπέδωκεν, οὐ μόνον ἄνομον ἀλλὰ καὶ ἀνόσιον θεῖς τὸ πυθοχρήστοις νόμοις μὴ πείθεσθαι.

[9.1] Ἄξιον δὲ τοῦ Λυκούργου καὶ τότε ἀγασθῆναι, τὸ κατεργάσασθαι ἐν τῇ πόλει αἰρετώτερον εἶναι τὸν καλὸν θάνατον ἀντὶ τοῦ αἰσχροῦ βίου· καὶ γὰρ δὴ ἐπισκοπῶν τις ἂν εὔροι μείους ἀποθνήσκοντας τούτων <ἢ> τῶν ἐκ τοῦ φοβεροῦ ἀποχωρεῖν αἰρουμένων. [9.2] ὥς τάληθές εἶπεῖν καὶ ἔπεται τῇ ἀρετῇ <τὸ> σῴζεσθαι εἰς τὸν πλείω χρόνον μᾶλλον ἢ τῇ κακίᾳ· καὶ γὰρ ράϊων καὶ ἡδίων καὶ εὐπορωτέρα καὶ ἰσχυροτέρα. δηλὸν δὲ ὅτι καὶ εὐκλεία μάλιστα ἔπεται τῇ ἀρετῇ· καὶ γὰρ συμμαχεῖν πῶς πάντες τοῖς

ἀγαθοῖς βούλονται. [9.3] ἦι μέντοι ὥστε ταῦτα γίνεσθαι ἐμνηχανήσατο, καὶ τοῦτο καλὸν μὴ παραλιπεῖν. ἐκεῖνος τοίνυν σαφῶς παρεσκεύασε τοῖς μὲν ἀγαθοῖς εὐδαιμονίαν, τοῖς δὲ κακοῖς κακοδαιμονίαν. [9.4] ἐν μὲν γὰρ ταῖς ἄλλαις πόλεσιν, ὁπότεν τις κακὸς γένηται, ἐπὶ κλήσιν μόνον ἔχει κακὸς εἶναι, ἀγοράζει δὲ ἐν τῷ αὐτῷ ὁ κακὸς τὰ γαθῶ καὶ κάθηται καὶ γυμνάζεται, ἐὰν βούληται· ἐν δὲ τῇ Λακεδαιμόνι πᾶς μὲν ἂν τις αἰσχυνθεῖ τὸν κακὸν σύσκηνον παραλαβεῖν, πᾶς δ' ἂν ἐν παλαίσματι συγγυμναστήν. [9.5] πολλάκις δ' ὁ τοιοῦτος καὶ διαιρουμένων τοὺς ἀντισφαιριοῦντας ἀχώριστος περιγίγνεται, καὶ ἐν χοροῖς δ' εἰς τὰς ἐπονειδίστους χώρας ἀπελαύνεται, καὶ μὴν ἐν ὁδοῖς παραχωρητέον αὐτῷ καὶ ἐν θάκοις καὶ [ἐν] τοῖς νεωτέροις ὑπαναστατέον, καὶ τὰς μὲν προσηκούσας κόρας οἶκοι θρεπτέον, καὶ ταύταις τῆς ἀνανδρίας αἰτίαν ὑφεκτέον, γυναικὸς δὲ κενὴν ἐστίαν [οὐ] περιοπτέον καὶ ἅμα τούτου ζημίαν ἀποτειστέον, λιπαρὸν δὲ οὐ πλανητέον οὐδὲ μιμητέον τοὺς ἀνεγκλήτους, ἢ πληγὰς ὑπὸ τῶν ἀμεινόνων ληπτέον. [9.6] ἐγὼ μὲν δὴ τοιαύτης τοῖς κακοῖς ἀτιμίας ἐπικειμένης οὐδὲν θαυμάζω τὸ προαιρεῖσθαι ἐκεῖ θάνατον ἀντὶ τοῦ οὕτως ἀτίμου τε καὶ ἐπονειδίστου βίου.

[10.1] Καλῶς δέ μοι δοκεῖ ὁ Λυκοῦργος νομοθετῆσαι καὶ ἦι μέχρι γήρως ἀσκοῖτ' ἂν ἀρετῇ. ἐπὶ γὰρ τῷ τέρματι τοῦ βίου τὴν κρίσιν τῆς γεροντίας προσθεὶς ἐποίησε μηδὲ ἐν τῷ γήρῳ ἀμελεῖσθαι τὴν καλοκάγαθίαν. [10.2] ἀξιόγαστον δ' αὐτοῦ καὶ τὸ ἐπικουρῆσαι τῷ τῶν ἀγαθῶν γήρῳ· θεῖς γὰρ τοὺς γέροντας κυρίους τοῦ περὶ τῆς ψυχῆς ἀγῶνος διέπραξεν ἐντιμότερον εἶναι τὸ γῆρας τῆς τῶν ἀκμαζόντων ῥώμης. [10.3] εἰκότως δέ τοι καὶ σπουδάζεται οὗτος ὁ ἀγὼν μάλιστα τῶν ἀνθρωπίνων. καλοὶ μὲν γὰρ καὶ οἱ γυμνικοί· ἀλλ' οὗτοι μὲν σωμάτων εἰσὶν· ὁ δὲ περὶ τῆς γεροντίας ἀγὼν ψυχῶν ἀγαθῶν κρίσιν παρέχει. ὅσῳ οὖν κρείττων ψυχὴ σώματος, τοσούτῳ καὶ οἱ ἀγῶνες οἱ τῶν ψυχῶν ἢ οἱ τῶν σωμάτων ἀξιοσπουδαστότεροι.

[10.4] Τόδε γε μὴν τοῦ Λυκούργου πῶς οὐ μεγάλως ἄξιον ἀγασθῆναι; ὅς ἐπειδὴ κατέμαθεν ὅτι ὅπου οἱ βουλόμενοι ἐπιμελοῦνται τῆς ἀρετῆς οὐχ ἱκανοὶ εἰσι τὰς πατρίδας αὔξειν, [ἐκεῖνος] ἐν τῇ Σπάρτῃ ἠνάγκασε δημοσίαι πάντας πάσας ἀσκεῖν τὰς ἀρετάς. ὥσπερ οὖν [οἱ ἰδιῶται] τῶν ἰδιωτῶν διαφέρουσιν ἀρετῇ οἱ ἀσκούντες τῶν ἀμελούντων, οὕτω καὶ ἡ Σπάρτη εἰκότως πασῶν τῶν πόλεων ἀρετῇ διαφέρει, μόνῃ δημοσίαι ἐπιτηδεύουσα τὴν

καλοκάγαθίαν. [10.5] οὐ γὰρ καὶ ἐκεῖνο καλόν, τὸ τῶν ἄλλων πόλεων κολαζουσῶν ἢν τίς τι ἕτερος ἕτερον ἀδικῇ, ἐκεῖνον ζημίας μὴ ἐλάττους ἐπιθεῖναι εἴ τις φανερός εἴη ἀμελῶν τοῦ ὡς βέλτιστος εἶναι; [10.6] ἐνόμιζε γάρ, ὡς ἔοικεν, ὑπὸ μὲν τῶν ἀνδραποδιζομένων τινὰς ἢ ἀποστερούντων τι ἢ κλεπτόντων τοὺς βλαπτομένους μόνον ἀδικεῖσθαι, ὑπὸ δὲ τῶν κακῶν καὶ ἀνάνδρων ὅλας τὰς πόλεις προδίδοσθαι. ὥστε εἰκότως ἔμοιγε δοκεῖ τούτοις μεγίστας ζημίας ἐπιθεῖναι. [10.7] ἐπέθηκε δὲ καὶ τὴν ἀνυπόστατον ἀνάγκην ἀσκεῖν ἅπασαν πολιτικὴν ἀρετὴν. τοῖς μὲν γὰρ τὰ νόμιμα ἐκτελοῦσιν ὁμοίως ἅπασι τὴν πόλιν οἰκείαν ἐποίησε, καὶ οὐδὲν ὑπελογίσαστο οὔτε σωμάτων οὔτε χρημάτων ἀσθένειαν· εἰ δέ τις ἀποδειλιάσειε τοῦ τὰ νόμιμα διαπονεῖσθαι, τοῦτον ἐκεῖνος ἀπέδειξε μηδὲ νομίζεσθαι ἔτι τῶν ὁμοίων εἶναι. [10.8] ἀλλὰ γὰρ ὅτι μὲν παλαιότατοι οὗτοι οἱ νόμοι εἰσὶ, σαφές· ὁ γὰρ Λυκοῦργος κατὰ τοὺς Ἡρακλείδας λέγεται γενέσθαι· οὕτω δὲ παλαιοὶ ὄντες ἔτι καὶ νῦν τοῖς ἄλλοις καινότατοί εἰσι· καὶ γὰρ τὸ πάντων θαυμαστότατον ἐπαινοῦσι μὲν πάντες τὰ τοιαῦτα ἐπιτηδεύματα, μιμεῖσθαι δὲ αὐτὰ οὐδεμία πόλις ἐθέλει.

[11.1] Καὶ ταῦτα μὲν δὴ κοινὰ ἀγαθὰ καὶ ἐν εἰρήνῃ καὶ ἐν πολέμῳ· εἰ δέ τις βούλεται καταμαθεῖν ὅ τι καὶ εἰς τὰς στρατείας βέλτιον τῶν ἄλλων ἐμηχανήσατο, ἔξεστι καὶ τούτων ἀκούειν. [11.2] πρῶτον μὲν τοίνυν οἱ ἔφοροι προκηρύττουσι τὰ ἔτη εἰς ἃ δεῖ στρατεῦεσθαι καὶ ἱππεῦσι καὶ ὀπλίταις, ἔπειτα δὲ καὶ τοῖς χειροτέχναις· ὥστε ὅσοι σπερ ἐπὶ πόλεως χρῶνται ἄνθρωποι, πάντων τούτων καὶ ἐπὶ στρατιᾷ οἱ Λακεδαιμόνιοι εὐποροῦσι· καὶ ὅσων δὲ ὀργάνων ἢ στρατιᾷ κοινῇ δεηθῇ ἄν, ἅπαντα τὰ μὲν ἀμάξῃ προστέτακται παρέχειν, τὰ δὲ ὑποζυγίῳ· οὕτω γὰρ ἦκιστ' ἂν τὸ ἐλλεῖπον διαλάβοι. [11.3] εἰς γε μὴν τὸν ἐν τοῖς ὅπλοις ἀγῶνα τοιάδ' ἐμηχανήσατο, στολὴν μὲν ἔχειν φοινικίδα, ταύτην νομίζων ἦκιστα μὲν γυναικεῖαι κοινωνεῖν, πολεμικωτάτην δ' εἶναι, καὶ χαλκὴν ἀσπίδα· καὶ γὰρ τάχιστα λαμπρύνεται καὶ σχολαιότοτα ρυπαίνεται. ἐφῆκε δὲ καὶ κομᾶν τοῖς ὑπὲρ τὴν ἡβητικὴν ἡλικίαν, νομίζων οὕτω καὶ μείζους ἂν καὶ ἐλευθεριωτέρους καὶ γοργοτέρους φαίνεσθαι. [11.4] οὕτω γε μὴν κατεσκευασμένων μόρας μὲν διεῖλεν ἕξ καὶ ἱπέων καὶ ὀπλιτῶν. ἐκάστη δὲ τῶν ὀπλιτικῶν μορῶν ἔχει πολέμαρχον ἓνα, λοχαγούς τέτταρας, πεντηκοντῆρας ὀκτώ, ἐνωμοτάρχους ἑκκαίδεκα. ἐκ δὲ τούτων τῶν μορῶν διὰ παρεγγυήσεως καθίστανται τοτὲ μὲν εἰς ... ἐνωμοτίας, τοτὲ δὲ εἰς τρεῖς, τοτὲ δὲ εἰς ἕξ. [11.5] ὁ δὲ οἱ πλεῖστοι

οῖονται, πολυπλοκωτάτην εἶναι τὴν ἐν ὅπλοις Λακωνικὴν τάξιν, τὸ ἐναντιώτατον ὑπειλήφασι τοῦ ὄντος· εἰσὶ μὲν γὰρ ἐν τῇ Λακωνικῇ τάξει οἱ πρωτοστάται ἄρχοντες, καὶ ὁ στίχος ἕκαστος πάντ' ἔχων ὅσα δεῖ παρέχεσθαι. [11.6] οὕτω δὲ ράιδιον ταύτην τὴν τάξιν μαθεῖν ὥς ὅστις τοὺς ἀνθρώπους δύναται γινώσκειν οὐδεὶς ἂν ἀμάρτοι· τοῖς μὲν γὰρ ἡγεῖσθαι δέδοται, τοῖς δὲ ἔπεσθαι τέτακται. αἱ δὲ παραγωγαὶ ὥσπερ ὑπὸ κήρυκος ὑπὸ τοῦ ἐνωμοτάρχου λόγῳ δηλοῦνται <καὶ> ἀραιαί τε καὶ βαθύτεραι αἱ φάλαγγες γίνονται· ὧν οὐδὲν οὐδ' ὁπωσιοῦν χαλεπὸν μαθεῖν. [11.7] τὸ μέντοι κἂν ταραχθῶσι μετὰ τοῦ παρατυχόντος ὁμοίως μάχεσθαι, ταύτην τὴν τάξιν οὐκέτι ράιδιόν ἐστι μαθεῖν· πλὴν τοῖς ὑπὸ τῶν τοῦ Λυκούργου νόμων πεπαιδευμένοις. [11.8] εὐπορώτατα δὲ καὶ ἐκεῖνα Λακεδαιμόνιοι ποιοῦσι τὰ τοῖς ὀπλομάχοις πάνυ δοκοῦντα χαλεπὰ εἶναι· ὅταν μὲν γὰρ ἐπὶ κέρως πορεύωνται, κατ' οὐρὰν δῆπου ἐνωμοτία <ἐνωμοτία> ἔπεται· ἐὰν δ' ἐν τῷ τοιούτῳ ἐκ τοῦ ἐναντίου πολέμια φάλαγξ ἐπιφανῇ, τῷ ἐνωμοτάρχῳ παρεγγυᾶται εἰς μέτωπον παρ' ἀσπίδα καθίστασθαι, καὶ διὰ παντὸς οὕτως, ἔστ' ἂν ἡ φάλαγξ ἐναντία καταστῇ. ἦν γε μὴν οὕτως ἐχόντων ἐκ τοῦ ὀπισθεν οἱ πολέμιοι ἐπιφανῶσιν, ἐξελίττεται ἕκαστος ὁ στίχος, ἵνα οἱ κράτιστοι ἐναντίοι αἰ τοῖς πολέμοις ᾧσιν. [11.9] ὅτι δὲ ὁ ἄρχων εὐώνυμος γίγνεται, οὐδ' ἐν τούτῳ μειονεκτεῖν ἡγοῦνται, ἀλλ' ἔστιν ὅτε καὶ πλεονεκτεῖν. εἰ γὰρ τινες κυκλοῦσθαι ἐπιχειροῖεν, οὐκ ἂν κατὰ τὰ γυμνά, ἀλλὰ κατὰ τὰ ὀπλισμένα περιβάλλοιεν ἅν. ἦν δὲ ποτε ἕνεκά τινος δοκῇ συμφέρειν τὸν ἡγεμόνα δεξιὸν κέρας ἔχειν, στρέψαντες τὸ ἄγῃμα ἐπὶ κέρας ἐξελίττουσι τὴν φάλαγγα, ἔστ' ἂν ὁ μὲν ἡγεμὼν δεξιὸς ᾖ, ἡ δὲ οὐρὰ εὐώνυμος γένηται. [11.10] ἦν δ' αὖ ἐκ τῶν δεξιῶν πολέμιων τάξις ἐπιφαίνεται ἐπὶ κέρως πορευομένων, οὐδὲν ἄλλο πραγματεύονται ἢ τὸν λόχον ἕκαστον ὥσπερ τριήρη ἀντίπρωιρον τοῖς ἐναντίοις στρέφουσι, καὶ οὕτως αὖ γίγνεται ὁ κατ' οὐρὰν λόχος παρὰ δόρυ. ἦν γε μὴν κατὰ τὰ εὐώνυμα πολέμιοι προσίωσιν, οὐδὲ τοῦτ' ἐῷσιν, ἀλλὰ προθέουσιν ἢ [ἐναντίους] ἀντιπάλους τοὺς λόχους στρέφουσι· καὶ οὕτως αὖ ὁ κατ' οὐρὰν λόχος παρ' ἀσπίδα καθίσταται.

[12.1] Ἐρῶ δὲ καὶ ἥ στρατοπεδεύεσθαι ἐνόμισε χρῆναι Λυκούργος. διὰ μὲν γὰρ τὸ τὰς γωνίας τοῦ τετραγώνου ἀχρήστους εἶναι κύκλον ἐστρατοπεδεύσατο, εἰ μὴ ὅρος ἀσφαλὲς εἴη ἢ τεῖχος ἢ ποταμὸν ὀπισθεν ἔχοιεν. [12.2] φυλακὰς γε μὴν ἐποίησε μεθημερινὰς τὰς μὲν παρὰ τὰ ὅπλα εἰσω βλέπουσας· οὐ γὰρ πολέμιων ἕνεκα ἀλλὰ φίλων

αὐται καθίστανται· τούς γε μὴν πολεμίους ἵππεῖς φυλάττουσιν ἀπὸ χωριῶν ὧν ἂν ἐκ πλείστου προορῶιεν εἰ [δέ] τις προσίοι. [12.3] νύκτωρ <δὲ> ἔξω τῆς φάλαγγος ἐνόμισεν ὑπὸ Σκιριτῶν προφυλάττεσθαι· (νῦν δ' ἤδη καὶ ὑπὸ ξένων ... αὐτῶν τινες συμπαρόντες.) [12.4] τὸ δὲ ἔχοντας τὰ δόρατα ἀεὶ περιμένειν, εὖ καὶ τοῦτο δεῖ εἰδέναι, ὅτι τοῦ αὐτοῦ ἕνεκά ἐστιν οὐπὲρ καὶ τοὺς δούλους εἵργουσιν ἀπὸ τῶν ὅπλων, καὶ τοὺς ἐπὶ τὰ ἀναγκαῖα ἀπλέοντας οὐ δεῖ θαυμάζειν ὅτι οὔτε ἀλλήλων οὔτε τῶν ὅπλων πλέον ἢ ὅσον μὴ λυπεῖν ἀλλήλους ἀπέρχονται· καὶ γὰρ ταῦτα ἀσφαλείας ἕνεκα ποιοῦσιν. [12.5] μεταστρατοπεδεύονται γε μὴν πυκνὰ καὶ τοῦ σίνεσθαι τοὺς πολεμίους ἕνεκα καὶ τοῦ ὠφελεῖν τοὺς φίλους. καὶ γυμνάζεσθαι δὲ προαγορεύεται ὑπὸ τοῦ νόμου ἅπασι Λακεδαιμονίοις, ἥσπερ ἂν στρατεύωνται· ὥστε μεγαλοπρεπεστέρους μὲν αὐτοὺς ἐφ' ἑαυτοῖς γίγνεσθαι, ἐλευθεριωτέρους δὲ τῶν ἄλλων φαίνεσθαι. δεῖ δὲ οὔτε περίπατον οὔτε δρόμον μάσσω ποιεῖσθαι ἢ ὅσον ἂν ἡ μόρα ἐφήκη, ὅπως μηδεὶς τῶν αὐτοῦ ὅπλων πόρρω γίγνηται. [12.6] μετὰ δὲ τὰ γυμνάσια καθίζειν μὲν ὁ πρῶτος πολέμαρχος κηρύττει· ἔστι δὲ τοῦτο ὥσπερ ἐξέτασις· ἐκ τούτου δὲ ἀριστοποιεῖσθαι καὶ ταχὺ τὸν πρόσκοπον ἀπολύεσθαι· ἐκ τούτου δ' αὖ διατριβαὶ καὶ ἀναπαύσεις πρὸ τῶν ἐσπερινῶν γυμνασίων. [12.7] μετὰ γε μὴν ταῦτα δειπνοποιεῖσθαι κηρύττεται, καὶ ἐπειδὴν αἰσωσιν εἰς τοὺς θεοὺς οἷς ἂν κεκαλλιεργηκότες ᾧσιν, ἐπὶ τῶν ὅπλων ἀναπαύεσθαι. ὅτι δὲ πολλὰ γράφω οὐ δεῖ θαυμάζειν· ἥκιστα γὰρ Λακεδαιμονίοις εὖροι ἂν τις παραλελειμμένα ἐν τοῖς στρατιωτικοῖς ὅσα δεῖται ἐπιμελείας.

[13.1] Διηγῆσομαι δὲ καὶ ἣν ἐπὶ στρατιᾷς ὁ Λυκοῦργος βασιλεῖ δύναμιν καὶ τιμὴν κατεσκεύασε. πρῶτον μὲν γὰρ ἐπὶ φρουρᾷς τρέφει ἡ πόλις βασιλέα καὶ τοὺς σὺν αὐτῷ· συσκηνοῦσι δὲ αὐτῷ οἱ πολέμαρχοι, ὅπως ἀεὶ συνόντες μᾶλλον καὶ κοινοβουλῶσιν, ἣν τι δέωνται· συσκηνοῦσι δὲ καὶ ἄλλοι τρεῖς ἄνδρες τῶν ὁμοίων· οὗτοι τούτοις ἐπιμελοῦνται πάντων τῶν ἐπιτηδείων, ὥς μηδεμία ἀσχολία ἦι αὐτοῖς τῶν πολεμικῶν ἐπιμελεῖσθαι. [13.2] ἐπαναλήψομαι δὲ ὥς ἐξορμᾶται σὺν στρατιᾷ ὁ βασιλεὺς. θύει μὲν γὰρ πρῶτον οἴκοι ὧν Διὶ Ἀγήτορι καὶ τοῖς σιοῖν [αὐτῷ]· ἣν δὲ ἐνταῦθα καλλιερήσει, λαβὼν ὁ πυρφόρος πῦρ ἀπὸ τοῦ βωμοῦ προηγεῖται ἐπὶ τὰ ὅρια τῆς χώρας· ὁ δὲ βασιλεὺς ἐκεῖ αὖ θύεται Διὶ καὶ Ἀθηνᾷ. [13.3] ὅταν δὲ ἀμφοῖν τούτοις τοῖν θεοῖν καλλιερηθῇ, τότε διαβαίνει τὰ ὅρια τῆς χώρας· καὶ τὸ πῦρ μὲν ἀπὸ τούτων τῶν ἱερῶν προηγεῖται οὔποτε

ἀποσβεννύμενον, σφάγια δὲ παντοῖα ἔπεται. αἰεὶ δὲ ὅταν θύηται, ἄρχεται μὲν τούτου τοῦ ἔργου ἔτι κνεφαῖος, προλαμβάνειν βουλόμενος τὴν τοῦ θεοῦ εὐνοίαν. [13.4] πάρεισι δὲ περὶ τὴν θυσίαν πολέμαρχοι, λοχαγοί, πεντηκοντῆρες, ξένων στρατίαρχοι, στρατοῦ σκευοφορικοῦ ἄρχοντες, καὶ τῶν ἀπὸ τῶν πόλεων δὲ στρατηγῶν ὁ βουλόμενος· [13.5] πάρεισι δὲ καὶ τῶν ἐφόρων δύο, οἱ πολυπραγμονοῦσι μὲν οὐδέν, ἦν μὴ ὁ βασιλεὺς προσκαλῇ· ὀρῶντες δὲ ὅ τι ποιεῖ ἕκαστος πάντας σωφρονίζουσιν, ὥς τὸ εἰκός. ὅταν δὲ τελεσθῇ τὰ ἱερά, ὁ βασιλεὺς προσκαλέσας πάντας παραγγέλλει τὰ ποιητέα. ὥστε ὀρῶν ταῦτα ἡγήσαιο ἂν τοὺς μὲν ἄλλους αὐτοσχεδιαστὰς εἶναι τῶν στρατιωτικῶν, Λακεδαιμονίους δὲ μόνους τῷ ὄντι τεχνίτας τῶν πολεμικῶν. [13.6] ἐπειδὴν γε μὴν ἡγήται βασιλεὺς, ἦν μὲν μηδεὶς ἐναντίος φαίνεται, οὐδεὶς αὐτοῦ πρόσθεν πορεύεται, πλὴν Σκιρίται καὶ οἱ προερευνόμενοι ἱππεῖς· ἦν δέ ποτε μάχην οἴωνται ἔσσεσθαι, λαβὼν τὸ ἄγλημα τῆς πρώτης μόρας ὁ βασιλεὺς ἄγει στρέψας ἐπὶ δόρυ, ἔστ' ἂν γένηται ἐν μέσῳ δυοῖν μόραιν καὶ δυοῖν πολεμάρχων. [13.7] οὗς δὲ δεῖ ἐπὶ τούτοις τετάχθαι, ὁ πρεσβύτατος τῶν περὶ δαμοσίαν συντάττει· εἰσὶ δὲ οὗτοι ὅσοι ἂν σύσκηνοι ᾧσι τῶν ὁμοίων, καὶ μάντις καὶ ἱατροὶ καὶ αὐληταὶ <καὶ> οἱ τοῦ στρατοῦ ἄρχοντες, καὶ ἐθελούσιοι ἦν τινες παρῶσιν. ὥστε τῶν δεομένων γίνεσθαι οὐδὲν ἀπορεῖται· οὐδὲν γὰρ ἀπρόσκεπτόν ἐστι. [13.8] μάλα δὲ καὶ τάδε ὠφέλιμα, ὥς ἐμοὶ δοκεῖ, ἐμυχανήσατο Λυκοῦργος εἰς τὸν ἐν ὅπλοις ἀγῶνα. ὅταν γὰρ ὀρώντων ἤδη τῶν πολεμίων χίμαιρα σφαγιάζεται, αὐλεῖν τε πάντας τοὺς παρόντας αὐλητὰς νόμος καὶ μηδένα Λακεδαιμονίων ἀστεφάνωτον εἶναι· καὶ ὅπλα δὲ λαμπρύνεσθαι προαγορεύεται. [13.9] ἔξεστι δὲ τῷ νέῳ καὶ κεκριμένῳ εἰς μάχην συνιέναι καὶ παιδρὸν εἶναι καὶ εὐδόκιμον. καὶ παρακελεύονται δὲ τῷ ἐνωμοτάρχῳ· οὐδ' ἀκούεται γὰρ εἰς ἐκάστην πᾶσαν τὴν ἐνωμοτίαν ἀφ' ἐκάστου ἐνωμοτάρχου ἔξω· ὅπως δὲ καλῶς γίγνηται πολεμάρχῳ δεῖ μέλειν. [13.10] ὅταν γε μὴν καιρὸς δοκῇ εἶναι στρατοπεδεύεσθαι, τούτου μὲν δὴ κύριος βασιλεὺς καὶ τοῦ δεῖξαι γε ὅπου δεῖ· τὸ μέντοι πρεσβείας ἀποπέμπεσθαι καὶ φιλίας καὶ πολεμίας, τοῦτ' οὐ βασιλέως. καὶ ἄρχονται μὲν πάντες ἀπὸ βασιλέως, ὅταν βούλωνται πρᾶξαι τι. [13.11] ἦν δ' οὖν δίκης δεόμενός τις ἔλθῃ, πρὸς ἑλλανοδίκας τοῦτον ὁ βασιλεὺς ἀποπέμπει, ἦν δὲ χρημάτων, πρὸς ταμίας, ἦν δὲ ληίδα ἄγων, πρὸς λαφυροπώλας. οὕτω δὲ πραττομένων βασιλεῖ οὐδὲν ἄλλο ἔργον καταλείπεται ἐπὶ φρουρᾷς

ἢ ἱερεῖ μὲν τὰ πρὸς τοὺς θεοὺς εἶναι, στρατηγῶι δὲ τὰ πρὸς τοὺς ἀνθρώπους.

εἶναι, στρατηγῶι δὲ τὰ πρὸς τοὺς ἀνθρώπους.

[14.1] Εἰ δέ τις με ἔροιτο εἰ καὶ νῦν ἔτι μοι δοκοῦσιν οἱ Λυκούργου νόμοι ἀκίνητοι διαμένειν, τοῦτο μὰ Δία οὐκ ἂν ἔτι θρασέως εἴποιμι. [14.2] οἶδα γὰρ πρότερον μὲν Λακεδαιμονίους αἰρουμένους οἴκοι τὰ μέτρια ἔχοντας ἀλλήλοις συνεῖναι μᾶλλον ἢ ἀρμόζοντας ἐν ταῖς πόλεσι καὶ κολακευομένους διαφθείρεσθαι. [14.3] καὶ πρόσθεν μὲν οἶδα αὐτοὺς φοβουμένους χρυσίον ἔχοντας φαίνεσθαι· νῦν δ' ἔστιν οὗς καὶ καλλωπιζομένους ἐπὶ τῶι κεκτῆσθαι. [14.4] ἐπίσταμαι δὲ καὶ πρόσθεν τούτου ἔνεκα ξενηλασίας γιγνομένης καὶ ἀποδημεῖν οὐκ ἐξόν, ὅπως μὴ ραιδιουργίας οἱ πολῖται ἀπὸ τῶν ξένων ἐμπίμπλαιντο· νῦν δ' ἐπίσταμαι τοὺς δοκοῦντας πρώτους εἶναι ἐσπουδακότας ὥς μηδέποτε παύονται ἀρμόζοντες ἐπὶ ξένης. [14.5] καὶ ἦν μὲν ὅτε ἐπεμελοῦντο ὅπως ἄξιοι εἶεν ἡγεῖσθαι· νῦν δὲ πολὺ μᾶλλον πραγματεύονται ὅπως ἄρξουσιν ἢ ὅπως ἄξιοι τούτων ἔσονται. [14.6] τοιγαροῦν οἱ Ἕλληνες πρότερον μὲν ἰόντες εἰς Λακεδαίμονα ἐδέοντο αὐτῶν ἡγεῖσθαι ἐπὶ τοὺς δοκοῦντας ἀδικεῖν· νῦν δὲ πολλοὶ παρακαλοῦσιν ἀλλήλους ἐπὶ τὸ διακωλύειν ἄρξαι πάλιν αὐτούς. [14.7] οὐδὲν μέντοι δεῖ θαυμάζειν τούτων τῶν ἐπιψόγων αὐτοῖς γιγνομένων, ἐπεὶ δὴ φανεροί εἰσιν οὔτε τῶι θεῶι πειθόμενοι οὔτε τοῖς Λυκούργου νόμοις.

[15.1] Βούλομαι δὲ καὶ ἄς βασιλεῖ πρὸς τὴν πόλιν συνθήκας ὁ Λυκούργος ἐποίησε διηγῆσασθαι· μόνη γὰρ δὴ αὕτη ἀρχὴ διατελεῖ οἷαπερ ἐξ ἀρχῆς κατεστάθη· τὰς δὲ ἄλλας πολιτείας εὖροι ἂν τις μετακεκινημένας καὶ ἔτι καὶ νῦν μετακινουμένας. [15.2] ἔθηκε γὰρ θύειν μὲν βασιλέα πρὸ τῆς πόλεως τὰ δημόσια ἅπαντα, ὥς ἀπὸ [τοῦ] θεοῦ ὄντα, καὶ στρατιὰν ὅποι ἂν ἡ πόλις ἐκπέμπῃ ἡγεῖσθαι. [15.3] ἔδωκε δὲ καὶ γέρα ἀπὸ τῶν θυομένων λαμβάνειν, καὶ γῆν δὲ ἐν πολλαῖς τῶν περιοίκων πόλεων ἀπέδειξεν ἐξαίρετον τοσαύτην ὥστε μὴτ' ἐνδεῖσθαι τῶν μετρίων μῆτε πλούτῳ ὑπερφέρειν. [15.4] ὅπως δὲ καὶ οἱ βασιλεῖς ἔξω σκηνοῖεν, σκηνὴν αὐτοῖς δημοσίαν ἀπέδειξε, καὶ διμοιρία γε ἐπὶ τῶι δεῖπνῳ ἐτίμησεν, οὐχ ἵνα διπλάσια καταφάγοιεν, ἀλλ' ἵνα καὶ ἀπὸ τοῦδε τιμῆσαι ἔχοιεν εἴ τινα βούλοιντο. [15.5] ἔδωκε δ' αὖ καὶ συσκήνους δύο ἐκατέρῳ προσελέσθαι, οἳ δὴ καὶ Πύθιοι καλοῦνται. ἔδωκε δὲ καὶ πασῶν τῶν συῶν ἀπὸ τόκου χοῖρον λαμβάνειν, ὥς μήποτε ἀπορήσαι βασιλεὺς ἱερῶν, ἦν τι δεηθῇ θεοῖς

συμβουλευσασθαι. [15.6] καὶ πρὸς τῇ οἰκίᾳ δὲ λίμνη ὕδατος <ἀφθονίαν> παρέχει· ὅτι δὲ καὶ τοῦτο πρὸς πολλὰ χρήσιμον, οἱ μὴ ἔχοντες αὐτὸ μᾶλλον γινώσκουσι. καὶ ἔδρας δὲ πάντες ὑπανίστανται βασιλεῖ, πλὴν οὐκ ἔφοροι ἀπὸ τῶν ἐφορικῶν δίφρων. [15.7] καὶ ὄρκους δὲ ἀλλήλοις κατὰ μῆνα ποιοῦνται, ἔφοροι μὲν ὑπὲρ τῆς πόλεως, βασιλεὺς δὲ ὑπὲρ ἑαυτοῦ. ὁ δὲ ὄρκος ἐστὶ τῷ μὲν βασιλεῖ κατὰ τοὺς τῆς πόλεως κειμένους νόμους βασιλεύσειν, τῇ δὲ πόλει ἐμπεδορκοῦντος ἐκείνου ἀστυφέλικτον τὴν βασιλείαν παρέξειν. [15.8] αὐτὰι μὲν οὖν αἱ τιμαὶ οἴκοι ζῶντι βασιλεῖ δέδονται, οὐδέν τι πολὺ ὑπερφέρουσαι τῶν ιδιωτικῶν· οὐ γὰρ ἐβουλήθη οὔτε τοῖς βασιλεῦσι τυραννικὸν φρόνημα παραστῆσαι οὔτε τοῖς πολίταις φθόνον ἐμποῖησαι τῆς δυνάμεως. [15.9] αἱ δὲ τελευτήσαντι τιμαὶ βασιλεῖ δέδονται, τῇδε βούλονται δηλοῦν οἱ Λυκούργου νόμοι ὅτι οὐχ ὥς ἀνθρώπους ἀλλ' ὥς ἥρωας τοὺς Λακεδαιμονίων βασιλεῖς προτετιμήκασιν.

CONSTITUTION OF ATHENS – Αθηναίων πολιτεία

περὶ δὲ τῆς Ἀθηναίων πολιτείας, ὅτι μὲν εἶλοντο τοῦτον τὸν τρόπον τῆς πολιτείας οὐκ ἐπαινῶ διὰ τόδε, ὅτι ταυθ' ἐλόμενοι εἶλοντο τοὺς πονηροὺς ἄμεινον πράττειν ἢ τοὺς χρηστούς: διὰ μὲν οὖν τοῦτο οὐκ ἐπαινῶ. ἐπεὶ δὲ ταῦτα ἔδοξεν οὕτως αὐτοῖς, ὥς εὖ διασφύζονται τὴν πολιτείαν καὶ τᾶλλα διαπράττονται ἃ δοκοῦσιν ἀμαρτάνειν τοῖς ἄλλοις Ἑλλήσι, τοῦτ' ἀποδείξω. [2]

πρῶτον μὲν οὖν τοῦτο ἔρῳ, ὅτι δικαίως <δοκοῦσιν> αὐτόθι [καί] οἱ πένητες καὶ ὁ δῆμος πλεόν ἔχειν τῶν γενναίων καὶ τῶν πλουσίων διὰ τόδε, ὅτι ὁ δῆμός ἐστιν ὁ ἐλαύνων τὰς ναῦς καὶ ὁ τὴν δύναμιν περιτιθεὶς τῇ πόλει, καὶ οἱ κυβερνήται καὶ οἱ κελευσταὶ καὶ οἱ πεντηκόνταρχοι καὶ οἱ προφῶται καὶ οἱ ναυπηγοί, — οὗτοί εἰσιν οἱ τὴν δύναμιν περιτιθέντες τῇ πόλει πολὺ μᾶλλον ἢ οἱ ὀπλίται καὶ οἱ γενναῖοι καὶ οἱ χρηστοί. ἐπειδὴ οὖν ταῦτα οὕτως ἔχει, δοκεῖ δίκαιον εἶναι πᾶσι τῶν ἀρχῶν μετεῖναι ἓν τε τῷ κλήρῳ καὶ ἓν τῇ χειροτονίᾳ, καὶ λέγειν ἐξεῖναι τῷ βουλομένῳ τῶν πολιτῶν. [3] ἔπειτα ὁπόσαι μὲν σωτηρίαν φέρουσι τῶν ἀρχῶν χρησταὶ οὖσαι καὶ μὴ χρησταὶ κίνδυνον τῷ δήμῳ ἅπαντι, τούτων μὲν τῶν ἀρχῶν οὐδὲν δεῖται ὁ δῆμος μετεῖναι: — οὔτε τῶν στρατηγιῶν κλήρῳ οἴονται σφίσι χρῆναι μετεῖναι οὔτε τῶν ἱππαρχιῶν: — γινώσκει γὰρ ὁ δῆμος ὅτι πλείω ὠφελεῖται ἓν τῷ μὴ αὐτὸς ἄρχειν ταύτας τὰς ἀρχάς, ἀλλ' ἔαν τοὺς δυνατωτάτους ἄρχειν: ὁπόσαι δ' εἰσιν ἀρχαὶ μισθοφορίας ἔνεκα καὶ ὠφελείας εἰς τὸν οἶκον, ταύτας ζητεῖ ὁ δῆμος ἄρχειν. [4] ἔπειτα δὲ ὁ ἔνιοι θαυμάζουσιν ὅτι πανταχοῦ πλεόν νέμονται τοῖς πονηροῖς καὶ πένησι καὶ δημοτικοῖς ἢ τοῖς χρηστοῖς, ἐν αὐτῷ τούτῳ φανοῦνται τὴν δημοκρατίαν διασφύζοντες. οἱ μὲν γὰρ πένητες καὶ οἱ δημόται καὶ οἱ χεῖρους εὖ πράττοντες καὶ πολλοὶ οἱ τοιοῦτοι γινόμενοι τὴν δημοκρατίαν αὔξουσιν: ἔαν δὲ εὖ πράττωσιν οἱ πλούσιοι καὶ οἱ χρηστοί, ἰσχυρὸν τὸ ἐναντίον σφίσιν αὐτοῖς καθιστᾶσιν οἱ δημοτικοί. [5] ἐστὶ δὲ πάσῃ γῇ τὸ βέλτιστον ἐναντίον τῇ δημοκρατίᾳ: ἐν γὰρ τοῖς βελτίστοις ἐνὶ ἀκολασίᾳ τε ὀλιγίστη καὶ ἀδικία, ἀκρίβεια δὲ πλείστη εἰς τὰ χρηστά, ἐν δὲ τῷ δήμῳ ἀμαθία τε πλείστη καὶ ἀταξία καὶ πονηρία: ἢ τε γὰρ πενία αὐτοὺς μᾶλλον ἄγει ἐπὶ τὰ αἰσχροῦ καὶ ἡ ἀπαιδευσία καὶ ἡ ἀμαθία <ἢ> δι' ἔνδειαν χρημάτων ἐνίοις τῶν ἀνθρώπων. [6] — εἴποι δ' ἂν τις ὥς ἐχρῆν αὐτοὺς μὴ ἔαν λέγειν

πάντας ἐξῆς μηδὲ βουλεύειν, ἀλλὰ τοὺς δεξιωτάτους καὶ ἄνδρας ἀρίστους. οἱ δὲ καὶ ἐν τούτῳ ἄριστα βουλεύονται ἐὼντες καὶ τοὺς πονηροὺς λέγειν. εἰ μὲν γὰρ οἱ χρηστοὶ ἔλεγον καὶ ἐβουλεύοντο, τοῖς ὁμοίοις σφίσιν αὐτοῖς ἦν ἀγαθὰ, τοῖς δὲ δημοτικοῖς οὐκ ἀγαθὰ· νῦν δὲ λέγων ὁ βουλόμενος ἀναστάς, ἄνθρωπος πονηρός, ἐξευρίσκει τὸ ἀγαθὸν αὐτῷ τε καὶ τοῖς ὁμοίοις αὐτῷ. [7] εἴποι τις ἄν, — τί ἂν οὖν γνοίῃ ἀγαθὸν αὐτῷ ἢ τῷ δήμῳ τοιοῦτος ἄνθρωπος; οἱ δὲ γινώσκουσιν ὅτι ἢ τούτου ἀμαθία καὶ πονηρία καὶ εὐνοια μᾶλλον λυσιτελεῖ ἢ ἢ τοῦ χρηστοῦ ἀρετὴ καὶ σοφία καὶ κακόννοια. [8] εἴη μὲν οὖν ἂν πόλις οὐκ ἀπὸ τοιούτων διαιτημάτων ἢ βελτίστη, ἀλλ' ἢ δημοκρατία μάλιστ' ἂν σφῶζοιτο οὕτως. ὁ γὰρ δῆμος βούλεται οὐκ εὐνομουμένης τῆς πόλεως αὐτὸς δουλεύειν, ἀλλ' ἐλεύθερος εἶναι καὶ ἄρχειν, τῆς δὲ κακονομίας αὐτῷ ὀλίγον μέλει· ὁ γὰρ σὺ νομίζεις οὐκ εὐνομεῖσθαι, αὐτὸς ἀπὸ τούτου ἰσχύει ὁ δῆμος καὶ ἐλεύθερός ἐστιν. [9] εἰ δ' εὐνομίαν ζητεῖς, πρῶτα μὲν ὅψει τοὺς δεξιωτάτους αὐτοῖς τοὺς νόμους τιθέντας· ἔπειτα κολάσουσιν οἱ χρηστοὶ τοὺς πονηροὺς καὶ βουλεύσουσιν οἱ χρηστοὶ περὶ τῆς πόλεως καὶ οὐκ ἐάσουσι μαινομένους ἀνθρώπους βουλεύειν οὐδὲ λέγειν οὐδὲ ἐκκλησιάζειν. ἀπὸ τούτων τοίνυν τῶν ἀγαθῶν τάχιστ' ἂν ὁ δῆμος εἰς δουλείαν καταπέσοι. [10]

τῶν δούλων δ' αὖ καὶ τῶν μετοίκων πλείστη ἐστὶν Ἀθήνησιν ἀκολασία, καὶ οὔτε πατάξαι ἔξεστιν αὐτόθι οὔτε ὑπεκστήσεται σοι ὁ δοῦλος. οὗ δ' ἔνεκέν ἐστι τοῦτο ἐπιχώριον ἐγὼ φράσω. εἰ νόμος ἦν τὸν δοῦλον ὑπὸ τοῦ ἐλευθέρου τύπτεσθαι ἢ τὸν μέτοικον ἢ τὸν ἀπελευθέρον, πολλάκις ἂν οἰηθεῖς εἶναι τὸν Ἀθηναῖον δοῦλον ἐπάταξεν ἄν· ἐσθῆτά τε γὰρ οὐδὲν βελτίων ὁ δῆμος αὐτόθι ἢ οἱ δοῦλοι καὶ οἱ μέτοικοι καὶ τὰ εἶδη οὐδὲν βελτίους εἰσίν. [11] εἰ δέ τις καὶ τοῦτο θαυμάζει, ὅτι ἐῷσι τοὺς δούλους τρυφᾶν αὐτόθι καὶ μεγαλοπρεπῶς διαιτᾶσθαι ἐνίοις, καὶ τοῦτο γνώμη φανεῖεν ἂν ποιοῦντες. ὅπου γὰρ ναυτικὴ δύναμις ἐστίν, ἀπὸ χρημάτων ἀνάγκη τοῖς ἀνδραπόδοις δουλεύειν, ἵνα λαμβάνωμεν <ῶν> πράττη τὰς ἀποφοράς, καὶ ἐλευθέρους ἀφιέναι. ὅπου δ' εἰσὶ πλούσιοι δοῦλοι, οὐκ ἐτι ἐνταῦθα λυσιτελεῖ τὸν ἐμὸν δοῦλον σὲ δεδιέναι· ἐν δὲ τῇ Λακεδαιμόνι ὁ ἐμὸς δοῦλος σ' ἐδεδοίκει· ἐὰν δὲ δεδίῃ ὁ σὸς δοῦλος ἐμέ, κινδυνεύσει καὶ τὰ χρήματα διδόναι τὰ ἑαυτοῦ ὥστε μὴ κινδυνεύειν περὶ ἑαυτοῦ. [12] διὰ τούτ' οὖν ἰσηγορίαν καὶ τοῖς δούλοις πρὸς τοὺς ἐλευθέρους ἐποιήσαμεν — καὶ τοῖς μετοίκους πρὸς τοὺς

ἀστούς, διότι δεῖται ἡ πόλις μετοίκων διὰ τε τὸ πλῆθος τῶν τεχνῶν καὶ διὰ τὸ ναυτικόν· διὰ τοῦτο οὖν καὶ τοῖς μετοίκοις εἰκότως τὴν ἰσηγορίαν ἐποιήσαμεν. [13]

τοὺς δὲ γυμναζομένους αὐτόθι καὶ τὴν μουσικὴν ἐπιτηδεύοντας καταλέλυκεν ὁ δῆμος, νομίζων τοῦτο οὐ καλὸν εἶναι, γνούς ὅτι οὐ δυνατός ταῦτά ἐστιν ἐπιτηδεύειν. ἐν ταῖς χορηγίαις αὖ καὶ γυμνασιαρχαῖς καὶ τριηραρχαῖς γινώσκουσιν ὅτι χορηγοῦσι μὲν οἱ πλούσιοι, χορηγεῖται δὲ ὁ δῆμος, καὶ γυμνασιαρχοῦσιν οἱ πλούσιοι καὶ τριηραρχοῦσιν, ὁ δὲ δῆμος τριηραρχεῖται καὶ γυμνασιαρχεῖται. ἀξιοὶ γοῦν ἀργύριον λαμβάνειν ὁ δῆμος καὶ ἄδων καὶ τρέχων καὶ ὀρχούμενος καὶ πλέων ἐν ταῖς ναυσίν, ἵνα αὐτός τε ἔχη καὶ οἱ πλούσιοι πενέστεροι γίνωνται. ἐν τε τοῖς δικαστηρίοις οὐ τοῦ δικαίου αὐτοῖς μᾶλλον μέλει ἢ τοῦ αὐτοῖς συμφόρου. [14]

περὶ δὲ τῶν συμμάχων, ὅτι ἐκπλέοντες συκοφαντοῦσιν ὥς δοκοῦσι καὶ μισοῦσι τοὺς χρηστούς, — γινώσκοντες ὅτι μισεῖσθαι μὲν ἀνάγκη τὸν ἄρχοντα ὑπὸ τοῦ ἀρχομένου, εἰ δὲ ἰσχύσουσιν οἱ πλούσιοι καὶ οἱ χρηστοὶ ἐν ταῖς πόλεσιν, ὀλίγιστον χρόνον ἡ ἀρχὴ ἔσται τοῦ δήμου τοῦ Ἀθήνησι, διὰ ταῦτα οὖν τοὺς μὲν χρηστοὺς ἀτιμοῦσι καὶ χρήματα ἀφαιροῦνται καὶ ἐξελαύνονται καὶ ἀποκτείνουσι, τοὺς δὲ πονηροὺς αὖξουσιν. οἱ δὲ χρηστοὶ Ἀθηναίων τοὺς χρηστοὺς ἐν ταῖς συμμαχίσι πόλεσι σφάζουσι, γινώσκοντες ὅτι σφίσιν ἀγαθὸν ἐστὶ τοὺς βελτίστους σφάζειν αἰεὶ ἐν ταῖς πόλεσιν. [15] εἴποι δέ τις ἂν ὅτι ἰσχύς ἐστὶν αὕτη Ἀθηναίων, ἐὰν οἱ σύμμαχοι δυνατόι ᾧσι χρήματα εἰσφέρειν. τοῖς δὲ δημοτικοῖς δοκεῖ μείζον ἀγαθὸν εἶναι τὰ τῶν συμμάχων χρήματα ἕνα ἕκαστον Ἀθηναίων ἔχειν, ἐκείνους δὲ ὅσον ζῆν, καὶ ἐργάζεσθαι ἀδυνάτους ὄντας ἐπιβουλεύειν. [16]

δοκεῖ δὲ ὁ δῆμος ὁ Ἀθηναίων καὶ ἐν τῷδε κακῶς βουλευέσθαι, ὅτι τοὺς συμμάχους ἀναγκάζουσι πλεῖν ἐπὶ δίκας Ἀθήναζε. οἱ δὲ ἀντιλογίζονται ὅσα ἐν τούτῳ ἔνι ἀγαθὰ τῷ δήμῳ τῷ Ἀθηναίων· πρῶτον μὲν ἀπὸ τῶν πρυτανείων τὸν μισθὸν δι' ἐνιαυτοῦ λαμβάνειν· εἴτ' οἴκοι καθήμενοι ἄνευ νεῶν ἔκπλου διοικοῦσι τὰς πόλεις τὰς συμμαχίδας, καὶ τοὺς μὲν τοῦ δήμου σφάζουσι, τοὺς δ' ἐναντίους ἀπολλύουσιν ἐν τοῖς δικαστηρίοις· εἰ δὲ οἴκοι εἶχον ἕκαστοι τὰς δίκας, ἅτε ἀχθόμενοι Ἀθηναίοις τούτους ἂν σφῶν αὐτῶν ἀπάλλυσαν οἵτινες φίλοι μάλιστα ἦσαν Ἀθηναίων τῷ δήμῳ. [17] πρὸς δὲ τούτοις ὁ δῆμος τῶν Ἀθηναίων τάδε κερδαίνει τῶν δικῶν Ἀθήνησιν οὐσῶν

τοῖς συμμάχοις. πρῶτον μὲν γὰρ ἡ ἑκατοστή τῇ πόλει πλείων ἢ ἐν Πειραιεῖ: [18] ἔπειτα εἴ τῳ συνοικία ἐστίν, ἄμεινον πράττει: ἔπειτα εἴ τῳ ζεῦγός ἐστιν ἢ ἀνδράποδον μισθοφοροῦν: ἔπειτα οἱ κήρυκες ἄμεινον πράττουσι διὰ τὰς ἐπιδημίας τὰς τῶν συμμάχων. πρὸς δὲ τούτοις, εἰ μὲν μὴ ἐπὶ δίκας ἦσαν οἱ σύμμαχοι, τοὺς ἐκπλέοντας Ἀθηναίων ἐτίμων ἂν μόνους, τοὺς τε στρατηγούς καὶ τοὺς τριηράρχους καὶ πρέσβεις: νῦν δ' ἠνάγκασται τὸν δῆμον κολακεύειν τὸν Ἀθηναίων εἷς ἕκαστος τῶν συμμάχων, γινώσκων ὅτι δεῖ [μὲν] ἀφικόμενον Ἀθήναζε δίκην δοῦναι καὶ λαβεῖν οὐκ ἐν ἄλλοις τισὶν ἀλλ' ἐν τῷ δήμῳ, ὅς ἐστι δὴ νόμος Ἀθήνησι: καὶ ἀντιβολῆσαι ἀναγκάζεται ἐν τοῖς δικαστηρίοις καὶ εἰσιόντος του ἐπιλαμβάνεσθαι τῆς χειρός. διὰ τοῦτο οὖν οἱ σύμμαχοι δοῦλοι τοῦ δήμου τῶν Ἀθηναίων καθεστᾶσι μᾶλλον. [19]

πρὸς δὲ τούτοις διὰ τὴν κτῆσιν τὴν ἐν τοῖς ὑπερορίοις καὶ διὰ τὰς ἀρχὰς τὰς εἰς τὴν ὑπερορίαν λελήθασι μανθάνοντες ἐλαύνειν τῇ κόπῃ αὐτοῖ τε καὶ οἱ ἀκόλουθοι: ἀνάγκη γὰρ ἄνθρωπον πολλάκις πλέοντα κόπην λαβεῖν καὶ αὐτὸν καὶ τὸν οἰκέτην, καὶ ὀνόματα μαθεῖν τὰ ἐν τῇ ναυτικῇ: [20] καὶ κυβερνήται ἀγαθοὶ γίγνονται δι' ἐμπειρίαν τε τῶν πλόων καὶ διὰ μελέτην: ἐμελέτησαν δὲ οἱ μὲν πλοῖον κυβερνῶντες, οἱ δὲ ὀλκάδα, οἱ δ' ἐντεῦθεν ἐπὶ τριήρεσι κατέστησαν: οἱ δὲ πολλοὶ ἐλαύνειν εὐθὺς [ὥς] οἷοί τε εἰσβάντες εἰς ναῦς, ἅτε ἐν παντὶ τῷ βίῳ προμεμελετηκότες.

τὸ δὲ ὀπλιτικὸν αὐτοῖς, ὃ ἥκιστα δοκεῖ εὖ ἔχειν Ἀθήνησιν, οὕτω κατέστηκεν, καὶ τῶν μὲν πολεμίων ἦττους τε σφᾶς αὐτοὺς ἡγοῦνται εἶναι καὶ ὀλείζουσ, τῶν δὲ συμμάχων, οἱ φέρουσι τὸν φόρον, καὶ κατὰ γῆν κρατιστεύουσιν, καὶ νομίζουσι τὸ ὀπλιτικὸν ἀρκεῖν, εἰ τῶν συμμάχων κρείττονές εἰσι. [2] πρὸς δὲ καὶ κατὰ τύχην τι αὐτοῖς τοιοῦτον κατέστηκε: τοῖς μὲν κατὰ γῆν ἀρχομένοις οἷόν τ' ἐστὶν ἐκ μικρῶν πόλεων συνοικισθέντας ἀθρόους μάχεσθαι, τοῖς δὲ κατὰ θάλατταν ἀρχομένοις, ὅσοι νησιῶταί εἰσιν, οὐχ οἷόν τε συνάρασθαι εἰς τὸ αὐτὸ τὰς πόλεις: ἡ γὰρ θάλαττα ἐν τῷ μέσῳ, οἱ δὲ κρατοῦντες θαλασσοκράτορές εἰσιν: εἰ δ' οἷόν τε καὶ λαθεῖν συνελθοῦσιν εἰς ταῦτό τοις νησιώταις εἰς μίαν νῆσον, ἀπολοῦνται λιμῷ: [3] ὁπόσαι δ' ἐν τῇ ἡπείρῳ εἰσὶ πόλεις ὑπὸ τῶν Ἀθηναίων ἀρχόμεναι, αἱ μὲν μεγάλαι διὰ δέος ἄρχονται, αἱ δὲ μικραὶ πάνυ διὰ χρεῖαν: οὐ γὰρ ἔστι πόλις οὐδεμία ἣτις οὐ δεῖται εἰσάγεσθαι τι ἢ ἐξάγεσθαι. ταῦτα τοίνυν οὐκ ἔσται αὐτῇ, ἐὰν μὴ ὑπήκοος ᾖ τῶν ἀρχόντων τῆς θαλάττης. [4]

ἔπειτα δὲ τοῖς ἄρχουσι τῆς θαλάττης οἷόν τ' ἐστὶ ποιεῖν ἅπερ τοῖς τῆς γῆς ἐνίοτε, τέμνειν τὴν γῆν τῶν κρειπτόνων: παραπλεῖν γὰρ ἔξεστιν ὅπου ἂν μηδεὶς ἢ πολέμιος ἢ ὅπου ἂν ὀλίγοι, ἐὰν δὲ προσίωσιν, ἀναβάντα ἀποπλεῖν: καὶ τοῦτο ποιῶν ἥττον ἀπορεῖ ἢ ὁ πεζῇ παραβοηθῶν. [5] ἔπειτα δὲ τοῖς μὲν κατὰ θάλατταν ἄρχουσιν οἷόν τ' ἀποπλεῦσαι ἀπὸ τῆς σφετέρας αὐτῶν ὁπόσον βούλει πλοῦν, τοῖς δὲ κατὰ γῆν οὐχ οἷόν τε ἀπὸ τῆς σφετέρας αὐτῶν ἀπελθεῖν πολλῶν ἡμερῶν ὁδόν: βραδεῖαί τε γὰρ αἱ πορεῖαι καὶ σῖτον οὐχ οἷόν τε ἔχειν πολλοῦ χρόνου πεζῇ ἰόντα. καὶ τὸν μὲν πεζῇ ἰόντα δεῖ διὰ φιλίας ἰέναι ἢ νικᾶν μαχόμενον, τὸν δὲ πλέοντα, οὗ μὲν ἂν ἢ κρείττων, ἔξεστιν ἀποβῆναι, <οὗ δ' ἂν μὴ ἢ, μὴ ἀποβῆναι> ταύτη τῆς γῆς, ἀλλὰ παραπλεῦσαι, ἕως ἂν ἐπὶ φιλίαν χώραν ἀφίκηται ἢ ἐπὶ ἥττους αὐτοῦ. [6] ἔπειτα νόσους τῶν καρπῶν αἱ ἐκ Διὸς εἰσιν οἱ μὲν κατὰ γῆν κράτιστοι χαλεπῶς φέρουσιν, οἱ δὲ κατὰ θάλατταν ῥαδίως. οὐ γὰρ ἅμα πᾶσα γῆ νοσεῖ: ὥστε ἐκ τῆς εὐθηνούσης ἀφικνεῖται τοῖς τῆς θαλάττης ἄρχουσιν. [7]

εἰ δὲ δεῖ καὶ σμικροτέρων μνησθῆναι, διὰ τὴν ἀρχὴν τῆς θαλάττης πρῶτον μὲν τρόπων εὐωχιῶν ἐξηῦρον ἐπιμισγόμενοι ἄλλη ἄλλοις: <ὥστε> ὅ τι ἐν Σικελίᾳ ἢ δὴ ἢ ἐν Ἰταλίᾳ ἢ ἐν Κύπρῳ ἢ ἐν Αἰγύπτῳ ἢ ἐν Λυδίᾳ ἢ ἐν τῷ Πόντῳ ἢ ἐν Πελοποννήσῳ ἢ ἄλλοθί που, ταῦτα πάντα εἰς ἐν ἡθροισται διὰ τὴν ἀρχὴν τῆς θαλάττης. [8] ἔπειτα φωνὴν πᾶσαν ἀκούοντες ἐξελέξαντο τοῦτο μὲν ἐκ τῆς, τοῦτο δὲ ἐκ τῆς: καὶ οἱ μὲν Ἕλληνες ἰδίᾳ μᾶλλον καὶ φωνῇ καὶ διαίτῃ καὶ σχήματι χρῶνται, Ἀθηναῖοι δὲ κεκραμένη ἐξ ἀπάντων τῶν Ἑλλήνων καὶ βαρβάρων. [9]

θυσιάς δὲ καὶ ἱερὰ καὶ ἐορτὰς καὶ τεμένη γνοὺς ὁ δῆμος ὅτι οὐχ οἷόν τε ἐστὶν ἐκάστῳ τῶν πενήτων θύειν καὶ εὐωχεῖσθαι καὶ ἵστασθαι ἱερὰ καὶ πόλιν οἰκεῖν καλὴν καὶ μεγάλην, ἐξηῦρεν ὅτῳ τρόπῳ ἔσται ταῦτα. θύουσιν οὖν δημοσίᾳ μὲν ἢ πόλιν ἱερεῖα πολλά: ἔστι δὲ ὁ δῆμος ὁ εὐωχούμενος καὶ διαλαγχάνων τὰ ἱερεῖα. [10] καὶ γυμνάσια καὶ λουτρὰ καὶ ἀποδυτήρια τοῖς μὲν πλουσίοις ἔστιν ἰδίᾳ ἐνίοις, ὁ δὲ δῆμος αὐτὸς αὐτῷ οἰκοδομεῖται ἰδίᾳ παλαιστρας πολλὰς, ἀποδυτήρια, λουτρῶνας: καὶ πλείω τούτων ἀπολαύει ὁ ὄχλος ἢ οἱ ὀλίγοι καὶ οἱ εὐδαίμονες. [11]

τὸν δὲ πλοῦτον μόνοι οἰοῖ τ' εἰσὶν ἔχειν τῶν Ἑλλήνων καὶ τῶν βαρβάρων. εἰ γάρ τις πόλιν πλουτεῖ ξύλοις ναυπηγησίμοις, ποῖ διαθήσεται, ἐὰν μὴ πείσῃ τὸν ἄρχοντα τῆς θαλάττης; τί δ' εἴ τις

σιδήρῳ ἢ χαλκῷ ἢ λίνῳ πλουτεῖ πόλις, ποῖ διαθήσεται, ἐὰν μὴ πείσῃ τὸν ἄρχοντα τῆς θαλάττης; ἐξ αὐτῶν μέντοι τούτων καὶ δὴ νῆές μοί εἰσι, παρὰ μὲν τοῦ ξύλα, παρὰ δὲ τοῦ σίδηρος, παρὰ δὲ τοῦ χαλκός, παρὰ δὲ τοῦ λίνον, παρὰ δὲ τοῦ κηρός. [12] πρὸς δὲ τούτοις ἄλλοσε ἄγειν οὐκ ἐάσουσιν οἵτινες ἀντίπαλοι ἡμῖν εἰσιν ἢ οὐ χρῆσονται τῇ θαλάττῃ. καὶ ἐγὼ μὲν οὐδὲν ποιῶν ἐκ τῆς γῆς πάντα ταῦτα ἔχω διὰ τὴν θάλατταν, ἄλλη δ' οὐδεμία πόλις δύο τούτων ἔχει, οὐδ' ἔστι τῇ αὐτῇ ξύλα καὶ λίνον, ἀλλ' ὅπου λίνον ἐστὶ πλεῖστον, λεία χώρα καὶ ἄξυλος: οὐδὲ χαλκός καὶ σίδηρος ἐκ τῆς αὐτῆς πόλεως οὐδὲ τᾶλλα δύο ἢ τρία μιᾷ πόλει, ἀλλὰ τὸ μὲν τῇ, τὸ δὲ τῇ. [13]

ἔτι δὲ πρὸς τούτοις παρὰ πᾶσαν ἡπειρόν ἐστιν ἡ ἄκτῃ προύχουσα ἢ νῆσος προκειμένη ἢ στενόπορόν τι: ὥστε ἔξεστιν ἐνταῦθα ἐφορμοῦσι τοῖς τῆς θαλάττης ἄρχουσι λωβᾶσθαι τοὺς τὴν ἡπειρον οἰκοῦντας. [14] ἐνὸς δὲ ἐνδεεῖς εἰσιν: εἰ γὰρ νῆσον οἰκοῦντες θαλασσοκράτορες ἦσαν Ἀθηναῖοι, ὑπῆρχεν ἂν αὐτοῖς ποιεῖν μὲν κακῶς, εἰ ἐβούλοντο, πάσχειν δὲ μηδέν, ἕως τῆς θαλάττης ἦρχον, μηδὲ τμηθῆναι τὴν ἑαυτῶν γῆν μηδὲ προσδέχεσθαι τοὺς πολεμίους: νῦν δὲ οἱ γεωργοῦντες καὶ οἱ πλούσιοι Ἀθηναίων ὑπέρχονται τοὺς πολεμίους μᾶλλον, ὁ δὲ δῆμος, ἅτε εὖ εἰδὼς ὅτι οὐδὲν τῶν σφῶν ἐμπρήσουσιν οὐδὲ τεμοῦσιν, ἀδεῶς ζῇ καὶ οὐχ ὑπερχόμενος αὐτούς. [15] πρὸς δὲ τούτοις καὶ ἐτέρου δέους ἀπηλλαγμένοι ἂν ἦσαν, εἰ νῆσον ᾧκουν, μηδέποτε προδοθῆναι τὴν πόλιν ὑπ' ὀλίγων μηδὲ πύλας ἀνοιχθῆναι μηδὲ πολεμίους ἐπεισπεσεῖν: πῶς γὰρ νῆσον οἰκούντων ταῦτ' ἂν ἐγίγνετο; μηδ' αὖ στασιάσαι τῷ δήμῳ μηδέν, εἰ νῆσον ᾧκουν: νῦν μὲν γὰρ εἰ στασιάσαιεν, ἐλπίδα ἂν ἔχοντες ἐν τοῖς πολεμίοις στασιάσειαν, ὡς κατὰ γῆν ἐπαξόμενοι: εἰ δὲ νῆσον ᾧκουν, καὶ ταῦτ' ἂν ἀδεῶς εἶχεν αὐτοῖς. [16] ἐπειδὴ οὖν ἐξ ἀρχῆς οὐκ ἔτυχον οἰκήσαντες νῆσον, νῦν τάδε ποιοῦσι: τὴν μὲν οὐσίαν ταῖς νήσοις παρατίθενται, πιστεύοντες τῇ ἀρχῇ τῇ κατὰ θάλατταν, τὴν δὲ Ἀττικὴν γῆν περιορῶσι τεμνομένην, γινώσκοντες ὅτι εἰ αὐτὴν ἐλεήσουσιν, ἐτέρων ἀγαθῶν μειζόνων στερήσονται. [17]

ἔτι δὲ συμμαχίας καὶ τοὺς ὄρκους ταῖς μὲν ὀλιγαρχουμέναις πόλεσιν ἀνάγκη ἐμπεδοῦν: ἦν δὲ μὴ ἐμμένωσι ταῖς συνθήκαις, †ἢ ὑφ' ὅτου ἀδικεῖ† ὀνόματα ἀπὸ τῶν ὀλίγων οἱ συνέθεντο: ἅσσα δ' ἂν ὁ δῆμος σύνθηται, ἔξεστιν αὐτῷ ἐνὶ ἀνατιθέντι τὴν αἰτίαν τῷ λέγοντι καὶ τῷ ἐπιψηφίσαντι ἀρνεῖσθαι τοῖς ἄλλοις ὅτι Οὐ παρὴν οὐδὲ ἀρέσκει ἔμοιγε, ἃ συγκείμενα πυνθάνονται ἐν πλήρει τῷ δήμῳ, καὶ εἰ

μη δόξαι εἶναι ταῦτα, προφάσεις μυρίας ἐξηγήρηκε τοῦ μη ποιεῖν ὅσα ἂν μη βούλωνται. καὶ ἂν μὲν τι κακὸν ἀναβαίνει ἀπὸ ὧν ὁ δῆμος ἐβούλευσεν, αἰτιᾶται ὁ δῆμος ὡς ὀλίγοι ἄνθρωποι αὐτῷ ἀντιπράττοντες διέφθειραν, ἐὰν δέ τι ἀγαθὸν σφίσιν αὐτοῖς τὴν αἰτίαν ἀνατιθέαςι. [18]

κωμωδεῖν δ' αὖ καὶ κακῶς λέγειν τὸν μὲν δῆμον οὐκ ἐῷσιν, ἵνα μη αὐτοὶ ἀκούωσι κακῶς, ἰδίᾳ δὲ κελεύουσιν, εἴ τίς τινα βούλεται, εὖ εἰδότες ὅτι οὐχὶ τοῦ δήμου ἐστὶν οὐδὲ τοῦ πλήθους ὁ κωμωδούμενος ὡς ἐπὶ τὸ πολὺ, ἀλλ' ἢ πλούσιος ἢ γενναῖος ἢ δυνάμενος, ὀλίγοι δὲ τινες τῶν πενήτων καὶ τῶν δημοτικῶν κωμωδοῦνται, καὶ οὐδ' οὗτοι ἐὰν μη διὰ πολυπραγμοσύνην καὶ διὰ τὸ ζητεῖν πλεον τι ἔχειν τοῦ δήμου: ὥστε οὐδὲ τοὺς τοιούτους ἄχθονται κωμωδομένους. [19] φημὶ οὖν ἔγωγε τὸν δῆμον τὸν Ἀθήνησι γινώσκειν οἵτινες χρηστοὶ εἰσι τῶν πολιτῶν καὶ οἵτινες πονηροί: γινώσκοντες δὲ τοὺς μὲν σφίσιν αὐτοῖς ἐπιτηδείους καὶ συμφόρους φιλοῦσι, κἂν πονηροὶ ᾖσι, τοὺς δὲ χρηστοὺς μισοῦσι μᾶλλον: οὐ γὰρ νομίζουσι τὴν ἀρετὴν αὐτοῖς πρὸς τῷ σφετέρῳ ἀγαθῷ πεφυκέναι, ἀλλ' ἐπὶ τῷ κακῷ: καὶ τοῦναντίον γε τούτου ἔνιοι, ὄντες ὡς ἀληθῶς τοῦ δήμου, τὴν φύσιν οὐ δημοτικοὶ εἰσι. [20] δημοκρατίαν δ' ἐγὼ μὲν αὐτῷ τῷ δήμῳ συγγινώσκω: αὐτὸν μὲν γὰρ εὖ ποιεῖν παντὶ συγγνώμη ἐστίν: ὅστις δὲ μη ὦν τοῦ δήμου εἴλετο ἐν δημοκρατουμένῃ πόλει οἰκεῖν μᾶλλον ἢ ἐν ὀλιγαρχουμένῃ, ἀδικεῖν παρεσκεύασατο καὶ ἔγνω ὅτι μᾶλλον οἷόν τε διαλαθεῖν κακῷ ὄντι ἐν δημοκρατουμένῃ πόλει μᾶλλον ἢ ἐν ὀλιγαρχουμένῃ.

καὶ περὶ τῆς Ἀθηναίων πολιτείας, τὸν μὲν τρόπον οὐκ ἐπαινῶ: ἐπειδὴ περ δ' ἔδοξεν αὐτοῖς δημοκρατεῖσθαι, εὖ μοι δοκοῦσι διασῶζεσθαι τὴν δημοκρατίαν τούτῳ τῷ τρόπῳ χρώμενοι ὃ ἐγὼ ἐπέδειξα.

ἔτι δὲ καὶ τάδε τινὰς ὁρῶ μεμφομένους Ἀθηναίους, ὅτι ἐνίοτε οὐκ ἔστιν αὐτόθι χρηματίσαι τῇ βουλῇ οὐδὲ τῷ δήμῳ ἐνιαυτὸν καθήμενῳ ἀνθρώπῳ. καὶ τοῦτο Ἀθήνησι γίγνεται οὐδὲν δι' ἄλλο ἢ διὰ τὸ πλῆθος τῶν πραγμάτων οὐχ οἷοί τε πάντα ἀποπέμπειν εἰσὶ χρηματίσαντες. [2] πῶς γὰρ ἂν καὶ οἷοί τε εἶεν, οὐστinas πρῶτον μὲν δεῖ ἑορτάσαι ἑορτὰς ὅσας οὐδεμία τῶν Ἑλληνίδων πόλεων (ἐν δὲ ταύταις ἥττον τινα δυνατόν ἐστι διαπράττεσθαι τῶν τῆς πόλεως), ἔπειτα δὲ δίκας καὶ γραφὰς καὶ εὐθύνας ἐκδικάζειν ὅσας οὐδ' οἱ σύμπαντες ἄνθρωποι ἐκδικάζουσι, τὴν δὲ βουλήν βουλευέσθαι πολλὰ μὲν περὶ τοῦ πολέμου, πολλὰ δὲ περὶ πόρου χρημάτων, πολλὰ

εἰπάτω γάρ τις ὃ τι οὐ χρῆν αὐτόθι διαδικάζεσθαι. εἰ δ' αὖ ὁμολογεῖν
δεῖ ἅπαντα χρῆναι διαδικάζειν, ἀνάγκη δι' ἐνιαυτοῦ: ὡς οὐδὲ νῦν δι'

τούτων τοῖνυν τοιούτων ὄντων οὐ φημι οἷόν τ' εἶναι ἄλλως ἔχειν

ὥστε μὴ οὐχὶ τῆς δημοκρατίας ἀφαιρεῖν τι. [9] ὥστε μὲν γὰρ βέλτιον

δοκοῦσι δὲ Ἀθηναῖοι καὶ τοῦτό μοι οὐκ ὀρθῶς βουλευέσθαι, ὅτι τοὺς χεῖρους αἰροῦνται ἐν ταῖς πόλεσι ταῖς στασιαζούσαις. οἱ δὲ τοῦτο γνώμη ποιοῦσιν. εἰ μὲν γὰρ ἤροῦντο τοὺς βελτίους, ἤροῦντ' ἂν οὐχὶ τοὺς ταῦτά γινώσκοντας σφίσιν αὐτοῖς: ἐν οὐδεμιᾷ γὰρ πόλει τὸ βέλτιστον εὖνουν ἐστὶ τῷ δήμῳ, ἀλλὰ τὸ κάκιστον ἐν ἐκάστη ἐστὶ πόλει εὖνουν τῷ δήμῳ: οἱ γὰρ ὅμοιοι τοῖς ὁμοίοις εὖνοί εἰσι. διὰ ταῦτα οὖν Ἀθηναῖοι τὰ σφίσιν αὐτοῖς προσήκοντα αἰροῦνται. [11] ὁποσάκις δ' ἐπεχείρησαν αἰρεῖσθαι τοὺς βελτίστους, οὐ συνήνεγκεν αὐτοῖς, ἀλλ' ἐντὸς ὀλίγου χρόνου ὁ δῆμος ἐδούλευσεν ὁ ἐν Βοιωτοῖς: τοῦτο δὲ ὅτε Μιλησίων εἵλοντο τοὺς βελτίστους, ἐντὸς ὀλίγου χρόνου ἀποστάντες τὸν δῆμον κατέκοψαν: τοῦτο δὲ ὅτε εἵλοντο Λακεδαιμονίους ἀντὶ Μεσσηνίων, ἐντὸς ὀλίγου χρόνου Λακεδαιμόνιοι καταστρεψάμενοι Μεσσηνίους ἐπολέμουν Ἀθηναίοις. [12]

ὑπολάβοι δέ τις ἂν ὥς οὐδεὶς ἄρα ἀδίκως ἡτίμωται Ἀθήνησιν. ἐγὼ δέ φημί τινες εἶναι οἱ ἀδίκως ἡτίμωνται. ὀλίγοι μέντοι τινές <εἰσιν>: ἀλλ' οὐκ ὀλίγων δεῖ τῶν ἐπιθησομένων τῇ δημοκρατίᾳ τῇ Ἀθήνησιν, [13] ἐπεὶ τοι καὶ οὕτως ἔχει, οὐδὲν ἐνθυμεῖσθαι ἀνθρώπους οἵτινες δικαίως ἡτίμωνται, ἀλλ' εἴ τινες ἀδίκως. πῶς ἂν οὖν ἀδίκως οἰοιτό τις ἂν τοὺς πολλοὺς ἡτιμῶσθαι Ἀθήνησιν, ὅπου ὁ δῆμός ἐστιν ὁ ἄρχων τὰς ἀρχάς; ἐκ δὲ τοῦ μὴ δικαίως ἄρχειν μηδὲ λέγειν τὰ δίκαια <μηδὲ> πράττειν, ἐκ τοιούτων ἄτιμοί εἰσιν Ἀθήνησι. ταῦτα χρὴ λογιζόμενον μὴ νομίζειν εἶναί τι δεινὸν ἀπὸ τῶν ἀτίμων Ἀθήνησιν.

The Biographies

Mantineia, Arcadia — as Xenophon's son Gryllus fought and died for Athens at the Battle of Mantinea while the author was still alive, some historians believe his banishment may have been revoked and that he returned to Athens before his death.

LIFE OF XENOPHON by Diogenes Laërtius

Translated by Robert Drew Hicks

48. Xenophon, the son of Gryllus, was a citizen of Athens and belonged to the deme Erchia; he was a man of rare modesty and extremely handsome. The story goes that Socrates met him in a narrow passage, and that he stretched out his stick to bar the way, while he inquired where every kind of food was sold. Upon receiving a reply, he put another question, "And where do men become good and honourable?" Xenophon was fairly puzzled; "Then follow me," said Socrates, "and learn." From that time onward he was a pupil of Socrates. He was the first to take notes of, and to give to the world, the conversation of Socrates, under the title of *Memorabilia*. Moreover, he was the first to write a history of philosophers.

Aristippus, in the fourth book of his work *On the Luxury of the Ancients*, declares that he was enamoured of Clinias, 49. and said in reference to him, "It is sweeter for me to gaze on Clinias than on all the fair sights in the world. I would be content to be blind to everything else if I could but gaze on him alone. I am vexed with the night and with sleep because I cannot see Clinias, and most grateful to the day and the sun for showing him to me."

He gained the friendship of Cyrus in the following way. He had an intimate friend named Proxenus, a Boeotian, a pupil of Gorgias of Leontini and a friend of Cyrus. Proxenus, while living in Sardis at the court of Cyrus, wrote a letter to Xenophon at Athens, inviting him to come and seek the friendship of Cyrus. 50. Xenophon showed this letter to Socrates and asked his advice, which was that he should go to Delphi and consult the oracle. Xenophon complied and came into the presence of the god. He inquired, not *whether* he should go and seek service with Cyrus, but *in what way* he should do so. For this Socrates blamed him, yet at the same time he advised him to go.

On his arrival at the court of Cyrus he became as warmly attached to him as Proxenus himself. We have his own sufficient narrative of all that happened on the expedition and on the return home. He was, however, at enmity with Meno of Pharsalus, the mercenary general, throughout the expedition, and, by way of abuse, charges him with having a favourite older than himself. Again, he reproaches one Apollonides with having had his ears bored.

51. After the expedition and the misfortunes which overtook it in Pontus and the treacheries of Seuthes, the king of the Odrysians, he returned to Asia, having enlisted the troops of Cyrus as mercenaries in the service of Agesilaus, the Spartan king, to whom he was devoted beyond measure. About this time he was banished by the Athenians for siding with Sparta. When he was in Ephesus and had a sum of money, he entrusted one half of it to Megabyzus, the priest of Artemis, to keep until his return, or if he should never return, to apply to the erection of a statue in honour of the goddess. But the other half he sent in votive offerings to Delphi. Next he came to Greece with Agesilaus, who had been recalled to carry on the war against Thebes. And the Lacedaemonians conferred on him a privileged position.

52. He then left Agesilaus and made his way to Scillus, a place in the territory of Elis not far from the city. According to Demetrius of Magnesia he was accompanied by his wife Philesia, and, in a speech written for the freedman whom Xenophon prosecuted for neglect of duty, Dinarchus mentions that his two sons Gryllus and Diodorus, the Dioscuri as they were called, also went with him. Megabyzus having arrived to attend the festival, Xenophon received from him the deposit of money and bought and dedicated to the goddess an estate with a river running through, which bears the same name Selinus as the river at Ephesus. And from that time onward he hunted, entertained his friends, and worked at his histories without interruption. Dinarchus, however, asserts that it was the Lacedaemonians who gave him a house and land.

53. At the same time we are told that Phylopidas the Spartan sent to him at Scillus a present of captive slaves from Dardanus, and that he disposed of them as he thought fit, and that the Elians marched against Scillus, and owing to the slowness of the Spartans captured

the place, whereupon his sons retired to Lepreum with a few of the servants, while Xenophon himself, who had previously gone to Elis, went next to Lepreum to join his sons, and then made his escape with them from Lepreum to Corinth and took up his abode there. Meanwhile the Athenians passed a decree to assist Sparta, and Xenophon sent his sons to Athens to serve in the army in defence of Sparta. 54. According to Diocles in his *Lives of the Philosophers*, they had been trained in Sparta itself. Diodorus came safe out of the battle without performing any distinguished service, and he had a son of the same name (Gryllus) as his brother. Gryllus was posted with the cavalry and, in the battle which took place about Mantinea, fought stoutly and fell, as Ephorus relates in his twenty-fifth book, Cephisodorus being in command of the cavalry and Hegesilaus commander-in-chief. In this battle Epaminondas also fell. On this occasion Xenophon is said to have been sacrificing, with a chaplet on his head, which he removed when his son's death was announced. But afterwards, upon learning that he had fallen gloriously, he replaced the chaplet on his head. 55. Some say that he did not even shed tears, but exclaimed, "I knew my son was mortal." Aristotle mentions that there were innumerable authors of epitaphs and eulogies upon Gryllus, who wrote, in part at least, to gratify his father. Hermippus too, in his *Life of Theophrastus*, affirms that even Isocrates wrote an encomium on Gryllus. Timon, however, jeers at Xenophon in the lines:

A feeble pair or triad of works, or even a greater number, such as would come from Xenophon or the might of Aeschines, that not unpersuasive writer.

Such was his life. He flourished in the fourth year of the 94th Olympiad, and he took part in the expedition of Cyrus in the archonship of Xenaenetus in the year before the death of Socrates.

56. He died, according to Ctesiclides of Athens in his list of archons and Olympic victors, in the first year of the 105th Olympiad, in the archonship of Callidemides, the year in which Philip, the son of Amyntas, came to the throne of Macedon. He died at Corinth, as is stated by Demetrius of Magnesia, obviously at an advanced age. He was a worthy man in general, particularly fond of horses and hunting, an able tactician as is clear from his writings, pious, fond of

sacrificing, and an expert in augury from the victims; and he made Socrates his exact model.

He wrote some forty books in all, though the division into books is not always the same, namely:

- 57. The Anabasis, with a preface to each separate book but not one to the whole work.
- Cyropaedia.
- Hellenica.
- Memorabilia.
- Symposium.
- Oeconomicus.
- On Horsemanship.
- On Hunting.
- On the Duty of a Cavalry General.
- A Defence of Socrates.
- On Revenues.
- Hieron or Of Tyranny.
- Agesilaus.
- The Constitutions of Athens and Sparta.

Demetrius of Magnesia denies that the last of these works is by Xenophon. There is a tradition that he made Thucydides famous by publishing his history, which was unknown, and which he might have appropriated to his own use. By the sweetness of his narrative he earned the name of the Attic Muse. Hence he and Plato were jealous of each other, as will be stated in the chapter on Plato.

58. There is an epigram of mine on him also:

Up the steep path to fame toiled Xenophon
In that long march of glorious memories;
In deeds of Greece, how bright his lesson shone!
How fair was wisdom seen in Socrates!

There is another on the circumstances of his death:

Albeit the countrymen of Cranaus and Cecrops condemned thee,
Xenophon, to exile on account of thy friendship for Cyrus, yet
hospitable Corinth welcomed thee, so well content with the delights

of that city wast thou, and there didst resolve to take up thy rest.

59. In other authorities I find the statement that he flourished, along with the other Socratics, in the 89th Olympiad, and Istrus affirms that he was banished by a decree of Eubulus and recalled by a decree of the same man.

There have been seven Xenophons: the first our subject himself; the second an Athenian, brother of Pythostratus, who wrote the *Theseid*, and himself the author, amongst other works, of a biography of Epaminondas and Pelopidas; the third a physician of Cos; the fourth the author of a history of Hannibal; the fifth an authority on legendary marvels; the sixth a sculptor, of Paros; the seventh a poet of the Old Comedy.

BIOGRAPHICAL SKETCH OF XENOPHON

by Edward Spelman

XENOPHON was the son of Gryllus, an Athenian: he was born at Athens, and distinguished himself as a philosopher, a general, and an historian. Much uncertainty however exists concerning his origin and earliest years; yet from his connexions and resources he must have been well born and well educated. He was exquisitely formed, and so engaging in his manners, that Socrates was induced to admit him among his disciples. It is said that Socrates, meeting him in a narrow gateway, extended his walking-stick across it, so as to obstruct his passage, inquiring how a man could acquire the means of profit? and on receiving a suitable reply, he inquired farther, how men could attain to virtue and honor? Xenophon being at a loss for an *answer*; *the philosopher* added, "Follow me and learn." From this time he entered under his tuition, and became eminently qualified for all the offices of public as well as private life. Having accompanied Socrates in the Peloponnesian war, and manifested his valor, he was invited by Proxenus his friend to join Cyrus, who was engaged in an expedition against his brother Artaxerxes, king of Persia; but he refused to comply till he could confer with Socrates, who advised him to consult the oracle of Apollo at Delphi. This he did, but merely put the question, under what auspices and with what sacrifices he should prepare for the expedition; to which a favorable answer having been returned, he informed Socrates of the result, who, after mildly reproving him for his departure from the advice he had solicited, bid him set out under the direction of the God. Xenophon paid due deference to these injunctions; but being ambitious, and eager to engage in a distant expedition, he hastened to Sardis, where he was introduced to Cyrus the young prince, and treated with great attention. In the army he showed that he was a true disciple of Socrates, and that he had been educated in the warlike city of Athens.

The particulars of the March of Cyrus are indeed so minutely described in the 'ANABASIS,' with reference to the topography and natural history of the various districts through which he travelled, that it has been thought he was advised, in his last interview with Socrates, to write the account.

The time for action now approaching, Cyrus took care to animate his Grecian troops by renewed and splendid promises, and to warn them of the immense superiority of numbers with which they would have to contend, encouraging them at the same time with assurances that they would find the Persian soldiers less than women.

Cyrus assigned the Greeks a position on the right of his army, flanked by the Euphrates, and directed Clearchus to command their right wing, and Menon the left. And here for the first time Xenophon makes mention of himself. Cyrus rode along at a moderate distance surveying both armies, looking now at the enemy, now at his friends. Xenophon seeing him from the Grecian line, rode out to meet him, and inquired if he had any commands for him. Stopping his horse, Cyrus desired him to tell them all, that the sacrifices and victims were favorable. While he was saying this, he heard a clamor through the ranks, and asked what it was. Xenophon told him that they were exchanging a fresh watch-word. He wondered who could have given it out, and asked what it might be. Xenophon replied, that it was 'Jupiter the Preserver, and Victory.' Cyrus having heard it, said, 'I agree to it; let it be so and having said this, rode off to his station.

The minuteness with which a circumstance, in itself so little important, is related, is highly characteristic of a young man ambitious of notice and gratified by the honor conferred on him. At the same time it seems to imply that Xenophon had hitherto taken no part in the conduct of the army, and had not been invited to the councils of the prince; for had he been accustomed to converse familiarly with Cyrus, he would scarcely have recorded the present interview.

The battle of Cunaxa, which followed immediately after the anecdote that has just been related, in which Cyrus was slain and his army completely defeated by Artaxerxes, belongs to the history of Persia rather than to the life of Xenophon. The native troops in the army of Cyrus were totally routed; but in that part of the field in

which the Greeks fought, the forces of Artaxerxes were put to flight in every direction, and *almost without* resistance. These last were pursued until the Grecians, wearied with slaughter and fatigue, returned to their camp.

In the mean time, Clearchus was too good a general to neglect provisions for the immediate wants of his army. After dinner, when they were, according to the manner of the Greeks, assembled together to spend the heat of the day in conversation, some heralds arrived from the king and from Tissaphernes, demanding, in the name of the king, that they should ground their arms and surrender at discretion. Clearchus replied; and, among the rest, Xenophon thus addressed the messenger:

‘With us, Phalesius, as you may perceive, nothing is of value but our arms and our honor. As long as we preserve our arms, we can rely on our own valor; but in parting with them, we should be conscious of betraying ourselves. Think not therefore that we will resign our only remaining property, but rather we will use them in fighting for yours.’ Phalesius laughed heartily at this set speech, and replied, ‘You appear to be a scholar, young man, and what you say is pleasant enough; but I would not have your inexperience so much deceive you, as to set your boasted valor against the power of the king.’

After the battle of Cunaxa, and the fall of young Cyrus, the prudence and vigor of his mind were called into action. The Ten Thousand Greeks, who had followed the standard of an ambitious prince, were now above six hundred leagues from their native home, in a country surrounded on every side by a victorious enemy, without money, or provisions, or a leader. All gave themselves up to despair. They felt that they were still two thousand miles from the nearest part of Greece, close to the vast armies of the king, and surrounded on all sides by tribes of hostile barbarians, who would supply them with nothing but at the expense of blows and blood: they had no guide acquainted with the country, no knowledge of the deep and rapid rivers which intersected it, and no cavalry to explore the road, or cover their rear on the march. As if discipline and hope had ended together, the roll-call was scarcely attended to, the watch-fires were scantily, or not at all, supplied, and even their principal meal was

neglected; where chance led, they threw themselves down to rest, but not to sleep — for sleep was banished by thoughts of that country and those friends, whom they now no longer expected, and scarcely dared hope to behold again.

But the army had among them a man, little known indeed, but of far greater talents and bolder energies than any general under whom they had served; and probably the only man who could have extricated them from their present situation of unparalleled danger. Xenophon had hitherto held no rank; had been attached to no division of the army; and had appeared only as the friend of Proxenus. He, like the rest, lay awake, suffering from grief and alarm; but his mind was not of a temperament to suffer without a remedy, and he represents himself as having been encouraged by a dream during a momentary doze, which he has so related and interpreted, as to leave it doubtful whether his remarkable attention to omens and sacrifices was the result of sound policy or of sincere belief. Rousing himself from slumber, he began to reflect on the folly and rashness in which all participated. The night was far spent; the enemy would probably be on them with the dawn; submission could only conduct through suffering to an ignominious death: no one provided for the emergency; despair produced *the* effect of security; and from what people among them, thought he, can I expect a general, fit for this business? or why should I hesitate to act on account of my youth? If I thus give myself up without an effort to the enemy, I shall never reach a more mature age.

Full of these thoughts he rose, and calling together the officers belonging to the division of Proxenus, he set before them in an animated speech, the certain ruin and destruction which must ensue from their submission; the grounds on which he trusted for success, from strenuous exertion and prudent counsel; and concluded with assuring them that he was at their service in any capacity; and that if they thought fit to invest him with the command, his youth should only pledge him to more vigorous exertion. On this, the officers unanimously declared their readiness to serve under him, with the exception of one Apollonides, who, speaking in the Boeotian dialect, recommended that they should seek safety by submitting to the orders of the king. To this proposal Xenophon replied with well-

timed warmth, declaring that sentiments so base ought to be punished by degradation to servile duties; an expression which led to the discovery that the officer in question had actually been a Lydian *slave*, and retained the marks of slavery on his person. He was accordingly cashiered, and the example proved of the greatest advantage; for it infused a new spirit into the rest, who, on the suggestion of Xenophon, immediately proceeded to summon a general council of all the surviving generals and officers, to the number of nearly a hundred. By this time it was midnight, and the Bæotian officers, to save time, requested that Xenophon would open the business, by repeating what he had stated to them.

He accordingly made another judicious and encouraging speech, in which he strongly reprobated the idea of placing the smallest dependence on any thing but their own prudence, courage, and unanimity; and recommended, as the first step towards providing for the expected attack, that they, should instantly proceed to supply by election the places of the commanders whom they had lost.

As soon as it was day, the new commanders, placing pickets in advance, again assembled the army, and exhorted them to take courage, to maintain discipline, and to rely on the favor of the gods, who would not fail to avenge themselves on the perfidious Persians. Xenophon in particular, having armed himself with a splendor becoming his present *rank*, endeavored to inspire sentiments of honor; and fortunately the favorable omen of sternutation occurred in the midst of his speech; on which the soldiers, all with one accord, worshipped Jupiter the Preserver, from whom the omen was reputed to proceed; and Xenophon breaking off his harangue, proposed a sacrifice to the god, desiring those who approved of the motion to hold up their hands: the show of hands being unanimous, the sacrifice was formally vowed, and a hymn sung; after which he resumed his discourse, and at great length set before the army, now full of hope and cheerfulness, the system which they must adopt to insure a safe and honorable return to their native country, and especially enforcing the necessity of a strict adherence to discipline, always the great deficiency of Grecian troops, and of all troops in a retreat, when it becomes doubly necessary. His proposals were unanimously carried, as before, by a show of hands. Thus, without

assuming any superior authority, he in fact acted as commander-in-chief, and was cheerfully obeyed; the whole army feeling that they were indebted to his genius for their present safety, and depending on him for their future hopes.

On one occasion Xenophon, during the Retreat, encouraged the almost broken spirits of the army by relating a dream, the interpretation of which was evidently that he should extricate them from their perilous situation; and soon afterwards he announced information which he had received of a shallower passage lower down, with a landing-place, where the Persian horse would be unable to act against them. The usual sacrifices and libations to the gods having been performed, the whole army sung the pæan, and prepared to cross the river. The Persians, astonished probably at their apparently undiminished numbers and resolution, offered no effectual resistance; and the mountaineers being held in check by the judicious dispositions of Xenophon, made little impression on the rear. So complete indeed was the success, that the first division of the Greeks actually captured some booty from the Persian troops.

In their subsequent march they suffered so dreadfully from snow and frost, that the men fell down benumbed with cold, and the cattle perished. The sufferings of the army became extreme, and it required all the art and authority of Xenophon and the other generals to preserve the men from yielding to the severity of the climate and fatigue.

He *superintended* the retreat of his country men successfully; and though often opposed by malevolence and envy, yet his eloquence and his activity convinced the Greeks that no general could extricate them from every difficulty better than the disciple of Socrates. He rose superior to danger, and though under continual alarms from the sudden attacks of the Persians, he was enabled to cross rapid rivers, penetrate through vast deserts, gain the tops of mountains, till he could rest secure for a while, and refresh his tired companions. This celebrated retreat was at last happily effected, and the Greeks returned home after a march of one thousand one hundred and fifty-five parasangs, or leagues, which was performed in two hundred and fifteen days, after an absence of fifteen months.*

* The army of Cyrus marched from Sardis, through Lydia, Phrygia, Lycaonia, and Cappadocia, crossed the mountains of Cilicia, passed through Cilicia and Syria to the Euphrates, forded this river, passed through a part of Arabia and Babylonia, until they reached the plain of Cunaxa. In retreating, the object of the Greeks was to strike the Euxine; *but* the error they committed was in making that so extend too far to the east. From Cunaxa they *turned* their course to the Tigris, crossed that river, *marched through* Media, northwards, still following the course of the Tigris. They then crossed the mountains of the Carduchi, and, after great exertions, reached the sources of the river just mentioned. After this they traversed Armenia, crossed the Euphrates not far from its source, lost many of their number in the marshes through the cold and snow, and at last reached the Phasis. Leaving this stream, they passed through the countries Trochi, Chalybes, Macrones, Colchians, and at last reached the Greek colony of Trapezus on the coast of the Euxine sea. As there were not ships enough there to receive them all, they determined to return home by land, and marching along the coast of the last to *Chalcedon*.

The whole, perhaps, might now be forgotten, or at least but obscurely known, if the great philosopher who planned it had not employed his pen in describing the dangers which he escaped, and the difficulties which he surmounted; the particulars of which memorable adventure are so well related by himself in his 'Retreat of the Ten Thousand.' He was no sooner returned from Cunaxa than he sought new honors in following the fortune of Agesilaus in Asia. He enjoyed his confidence; he fought under his standard, and conquered with him in the Asiatic provinces, as well as at the battle of Coronaea. His fame, however, did not escape the aspersions of jealousy: he was publicly banished from Athens for accompanying Cyrus against his brother; and being now without a home, he retired to Scillus, a small town of the Lacedaemonians, in the neighborhood of Olympia.

He was accompanied in his retreat by his wife, and by his twin sons Gryllus and Diodorus; but whether this lady was the mother of the young men is not recorded.

It is probable, that in the course of his Asiatic campaigns Xenophon, though by nature expensive and generous, had amassed considerable wealth; and it will be recollected that he was one of the generals who were intrusted with the tenth dedicated to Apollo and the Ephesian Diana, on the division of the spoil among the Cyreian Greeks at Cerasus; a trust not only honorable, but the source also of

an ample revenue. Xenophon remitted the portion designed for Apollo to the temple at Delphi; and, on leaving Asia to return with Agesilaus into Greece, he deposited the other portion with Megabyzus, the treasurer of the Ephesian temple, desiring that if he should fall in the approaching contest with the Thebans, Megabyzus himself should perform the solemn act of dedication in such manner as should be most pleasing to the goddess; but *if he should* survive, the money should be returned to him; for in the insecurity of all property in Greece, the safest depository for money and the precious metals was the treasury of a temple, where superstition generally effected what better principles failed to do elsewhere; and hence the Grecian temples, especially that at Delphi, were generally used both as public and private banks.

When Xenophon was securely settled at Scillus, Megabyzus took the opportunity afforded by the Olympian games to restore the deposited to him, with which he purchased an estate for the goddess, and built on it a temple and an altar; reserving a tenth of the produce of the sacred land as the rent due to her as proprietor, and leaving the residue to be enjoyed by the occupier of the soil, on condition of discharging his duties as manager of the festivals and guardian of the temple; thus securing to himself and to his family a splendid demesne and handsome income, under the protection of reputed sanctity.

The situation of the estate was dictated by the oracle of Apollo, at the suggestion doubtless of Xenophon himself, and appears to have been studiously selected with a view to make it a counterpart of the sacred territory of Ephesus.

The yearly festival was celebrated with an entertainment to all the inhabitants of the town and neighbourhood.

In this delightful retreat, under the protection of the temporal sovereignty of Lacedaemon, and the spiritual tutelage of Diana, Xenophon forgot the toils of war, in a state of as much enjoyment as can fall to the lot of a man whose happiness must depend on sublunary circumstances. He seems to have been precisely what we should now call a literary country gentleman, diversifying the more refined pleasures of his studious hours with the active amusements of the field; breaking his dogs, training his horses, and attending to the

breed of stock; and so much interest did the philosopher, historian, and commander take in these healthful pursuits, that they became the subject of more than one treatise from his immortal pen; an example to scholars in all ages that they should not disdain to refresh their vigour and renew their animation by allowing the unharnessed faculties to recreate themselves freely in country sports, and exercise themselves agreeably in country business.

From the period of his settlement at Scillus till after the destruction of the Lacedaemonian sovereignty, by the event of the battle at Leuctra, Xenophon appears to have enjoyed uninterrupted quiet, and to have employed himself in composing those works which exalted him to be the rival of Plato in politics and biography, as well as of Thucydides in history.

It is said that the emulation between the two disciples of Socrates occasioned a pitiable jealousy and alienation from each other; but Diogenes relates to the praise of Xenophon, that he gave to the world the history of Thucydides in the name of the author, when he might easily have made it his own. The list of his other works, given us by the same biographer, proves that we have been singularly fortunate in their preservation.

From this literary and rural enjoyment of peace and security, he was not to be tempted by the reversal of the decree against him, which passed on the change of Athenian politics some time after the battle of Leuctra. Athens was of all places the most dangerous for men in any way eminent, but especially for those who possessed property and talents; and in the continual changes of system which characterised the republics of Greece, the fickleness of the despotic mob, who had banished and recalled him, might at any moment confiscate his property and take away his life. When therefore the protection of Lacedæmon could no longer avail him, and the dissensions which agitated the surrounding states rendered even the sacred territory insecure, he sent his family to Lepreum, and is related to have gone in person to Elis, to plead with the Eleians (now once more masters of Scillus) for immunity, on account of having accepted the fief from an hostile power. It appears that the prayer was readily granted, and that he returned in peace to the possession of his

property; but whether the commotions of the times rendered a country residence less desirable, or the decline of life brought with it a disinclination for bodily exertion, he appears, in his latter years, to have lived principally at Corinth, in which place he died about the second year of the hundred and fifth Olympiad, 359 years B.C.

The simplicity and the elegance of Xenophon's diction have procured him the name of Athenian Muse, and the Bee of Greece; and they have induced Quintilian to say that the Graces dictated his language, and that the goddess of Persuasion dwelt on his lips. His sentiments, as to the Divinity and religion, were the same as those of the venerable Socrates. He supported the immortality of the soul, and exhorted his friends to cultivate those virtues which insure the happiness of *mankind*, *with* all the zeal and fervor of a Christian.

He has been quoted as an instance of tenderness, and of resignation to Providence. As he was offering a sacrifice he was informed that Gryllus, his eldest son, had been killed at the battle of Mantinea. On this he tore the garland from his head; but when he was told that his son had died like a Greek, and given a mortal wound to the enemy's general, he replaced the flowers on his head, and continued the sacrifice, exclaiming, that the pleasure he derived from the valor of his son was greater than the grief which his unfortunate death occasioned.

His character is best painted in his life and writings. He was brave, generous, and affectionate; punctual and vigilant on duty; sagacious and enterprising in command; prudent and eloquent in council; a sincere friend; a magnanimous adversary; a liberal and enlightened statesman. As an author he is above criticism; and the beauty of his style adorns every subject of which he has treated. As an historian he has been thought deficient in dates; but his candor and fairness are generally acknowledged; and his political wisdom and military science have assisted to form some of the ablest politicians and generals of succeeding times.

Corinth — believed by some historians to be where Xenophon died
